

FADE TO BLACK

with JIMMY CHURCH

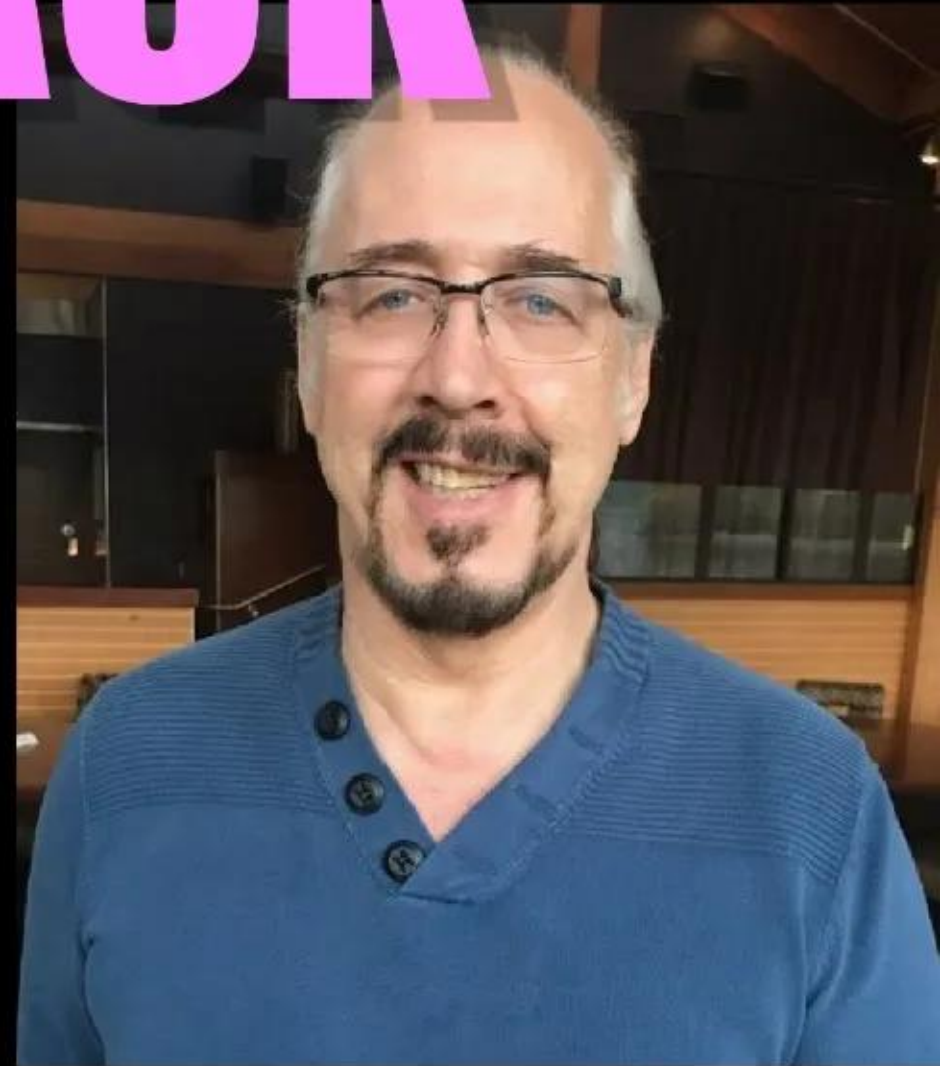

PRESENTS

TERRY TIBANDO

UFOs, UAPs, ETI, and CONTACT

THUR MAY 25 LIVE

700-900PM PT

1
00:00:00,539 --> 00:00:11,800
foreign

2
00:00:11,810 --> 00:00:29,290
[Music]

3
00:00:34,190 --> 00:00:32,030
Air Forces has announced that a flying

4
00:00:39,729 --> 00:00:34,200
disc has been found and is now in the

5
00:00:47,209 --> 00:00:43,430
I occasionally think how quickly our

6
00:00:49,790 --> 00:00:47,219
differences worldwide would vanish if we

7
00:00:50,890 --> 00:00:49,800
were facing an alien threat from outside

8
00:00:52,710 --> 00:00:50,900
this work

9
00:00:52,890 --> 00:00:52,720
[Music]

10
00:00:55,209 --> 00:00:52,900
[Applause]

11
00:00:58,189 --> 00:00:55,219
[Music]

12
00:01:01,010 --> 00:00:58,199
this is Fade to Black with your host

13
00:01:01,660 --> 00:01:01,020

Jimmy Church on the game changer Radio

14

00:01:05,410 --> 00:01:01,670

Network

15

00:01:12,109 --> 00:01:09,170

all right good evening Fade to Black I'm

16

00:01:16,250 --> 00:01:12,119

your host Jimmy church and uh today's

17

00:01:19,490 --> 00:01:16,260

Thursday uh May 25th 2023 and tonight

18

00:01:22,310 --> 00:01:19,500

Our Guest is Terry tabando and we're

19

00:01:25,010 --> 00:01:22,320

going to be talking about his six volume

20

00:01:28,429 --> 00:01:25,020

book series on UFO's contact and the

21

00:01:32,210 --> 00:01:28,439

search for et and tonight's show is

22

00:01:34,730 --> 00:01:32,220

brought to you by accidental truth it is

23

00:01:37,370 --> 00:01:34,740

the new documentary directed by Ron

24

00:01:40,330 --> 00:01:37,380

James streaming on all platforms the

25

00:01:44,929 --> 00:01:40,340

link for it is below go and check out

26
00:01:45,830 --> 00:01:44,939
accidental truth today it is an amazing

27
00:01:49,010 --> 00:01:45,840
film

28
00:01:51,830 --> 00:01:49,020
my eight seconds that's all I have to

29
00:01:55,609 --> 00:01:51,840
say check out accidental truth the new

30
00:01:57,410 --> 00:01:55,619
film by Ron James today and I am ready

31
00:02:01,249 --> 00:01:57,420
to get straight to it

32
00:02:03,170 --> 00:02:01,259
um now uh Terry is someone who has

33
00:02:05,630 --> 00:02:03,180
majored in astronomy math physics

34
00:02:07,670 --> 00:02:05,640
geography and the Sciences at the

35
00:02:10,630 --> 00:02:07,680
University of Victoria in British

36
00:02:13,010 --> 00:02:10,640
Columbia he is the author of a massive

37
00:02:15,110 --> 00:02:13,020
encyclopedic series of textbooks that

38
00:02:16,970 --> 00:02:15,120

are comprehensive definitive and

39

00:02:19,190 --> 00:02:16,980

conclusive utilizing the best available

40

00:02:21,470 --> 00:02:19,200

information on the subject of view of

41

00:02:23,750 --> 00:02:21,480

foes and ETI we're going to be going

42

00:02:26,330 --> 00:02:23,760

through all of that tonight and much

43

00:02:29,390 --> 00:02:26,340

more and maybe get a little ce5

44

00:02:31,369 --> 00:02:29,400

conversation in as well and I would like

45

00:02:33,530 --> 00:02:31,379

to welcome for the first time to fade to

46

00:02:35,630 --> 00:02:33,540

black Terry tobando he's right there

47

00:02:38,150 --> 00:02:35,640

Terry good evening young man how you

48

00:02:40,010 --> 00:02:38,160

doing good evening Jimmy thank you for

49

00:02:42,350 --> 00:02:40,020

having me in your program yeah it's

50

00:02:44,150 --> 00:02:42,360

great to finally have you here and uh

51
00:02:47,030 --> 00:02:44,160
Terry you get the First Time guest

52
00:02:48,890 --> 00:02:47,040
disclaimer so let's get that out of the

53
00:02:51,530 --> 00:02:48,900
way I know you're all excited about that

54
00:02:53,330 --> 00:02:51,540
it's just you and I Terry sitting on my

55
00:02:55,670 --> 00:02:53,340
couch having a conversation as friends

56
00:02:57,410 --> 00:02:55,680
and where that conversation starts and

57
00:03:01,190 --> 00:02:57,420
starts where it ends it ends but we're

58
00:03:04,570 --> 00:03:01,200
gonna end as friends all right excellent

59
00:03:07,070 --> 00:03:04,580
do you accept I accept

60
00:03:09,830 --> 00:03:07,080
you gotta click you gotta click on the

61
00:03:11,390 --> 00:03:09,840
little check box so uh now welcome to

62
00:03:15,350 --> 00:03:11,400
the show Terry it's about time that we

63
00:03:17,750 --> 00:03:15,360

have you on and uh this

64

00:03:20,030 --> 00:03:17,760

um you know the six volume set and I'm

65

00:03:22,790 --> 00:03:20,040

just gonna start at some point tonight

66

00:03:24,770 --> 00:03:22,800

uh when we get there volume one and

67

00:03:27,110 --> 00:03:24,780

we'll go by the titles because the

68

00:03:28,670 --> 00:03:27,120

subject is is laid out right there and I

69

00:03:31,490 --> 00:03:28,680

want to kind of break each one of those

70

00:03:34,670 --> 00:03:31,500

down if we can but you've been at this

71

00:03:37,309 --> 00:03:34,680

for a long time and one of the

72

00:03:39,890 --> 00:03:37,319

uh subjects that I like to talk about a

73

00:03:43,009 --> 00:03:39,900

lot in fact I was on uh with Christina

74

00:03:44,930 --> 00:03:43,019

Gomez earlier today on her show uh

75

00:03:47,809 --> 00:03:44,940

talking about the universe in physics

76

00:03:51,289 --> 00:03:47,819

and and and all of that stuff you have

77

00:03:55,570 --> 00:03:51,299

that background too and when you look at

78

00:03:59,809 --> 00:03:55,580

where we are today with UFO slash uaps

79

00:04:01,970 --> 00:03:59,819

and your background in science uh do the

80

00:04:06,830 --> 00:04:01,980

two and I'm talking about science

81

00:04:10,670 --> 00:04:06,840

and UFOs and uaps are are the two

82

00:04:12,830 --> 00:04:10,680

starting to overlap finally do you do

83

00:04:15,170 --> 00:04:12,840

you think that the science supports

84

00:04:17,509 --> 00:04:15,180

what's going on

85

00:04:20,330 --> 00:04:17,519

yeah I think it does

86

00:04:21,830 --> 00:04:20,340

um the the problem that I see here and

87

00:04:25,070 --> 00:04:21,840

this isn't um

88

00:04:28,189 --> 00:04:25,080

to marginalize anybody's belief in the

89

00:04:30,350 --> 00:04:28,199

terminology of UFO and UAP because I

90

00:04:35,090 --> 00:04:30,360

really think that the same animal

91

00:04:37,570 --> 00:04:35,100

and when I say that uh historically the

92

00:04:39,830 --> 00:04:37,580

militaries during the second world war

93

00:04:43,070 --> 00:04:39,840

knew what they were

94

00:04:45,890 --> 00:04:43,080

so when they came out recently and said

95

00:04:48,650 --> 00:04:45,900

that we've only been studying it for 12

96

00:04:50,689 --> 00:04:48,660

years and we're not certain whether

97

00:04:53,810 --> 00:04:50,699

they're extraterrestrial or they're from

98

00:04:55,670 --> 00:04:53,820

another country uh

99

00:04:57,950 --> 00:04:55,680

I hate to say this but it's a bold face

100

00:05:01,310 --> 00:04:57,960

line they they know exactly what's going

101

00:05:03,770 --> 00:05:01,320

on and have known because the the

102

00:05:08,450 --> 00:05:03,780

British and the Americans talked about

103

00:05:10,610 --> 00:05:08,460

this General Dwight D Eisenhower and uh

104

00:05:13,850 --> 00:05:10,620

Sir Winston Churchill later prime

105

00:05:15,890 --> 00:05:13,860

minister Churchill uh discuss this

106

00:05:18,050 --> 00:05:15,900

because they

107

00:05:19,790 --> 00:05:18,060

they didn't know whether to release the

108

00:05:21,890 --> 00:05:19,800

information to the public

109

00:05:23,230 --> 00:05:21,900

and the feeling was at that time they

110

00:05:26,270 --> 00:05:23,240

thought that

111

00:05:29,210 --> 00:05:26,280

the world was already in a state of

112

00:05:31,850 --> 00:05:29,220

pandemonium and shock and awe and and

113

00:05:33,830 --> 00:05:31,860

the chaos of war and now you've got to

114

00:05:35,150 --> 00:05:33,840

introduce something that's not from this

115

00:05:38,150 --> 00:05:35,160

planet

116

00:05:42,469 --> 00:05:38,160

and that was their assessment Roosevelt

117

00:05:45,770 --> 00:05:42,479

had uh information given to uh on a

118

00:05:47,689 --> 00:05:45,780

routine basis from the uh European

119

00:05:51,290 --> 00:05:47,699

theater of war and from the Pacific

120

00:05:52,610 --> 00:05:51,300

Theater of War and what was happening is

121

00:05:59,090 --> 00:05:52,620

that

122

00:06:02,570 --> 00:05:59,100

Fighters or food from the French word uh

123

00:06:04,969 --> 00:06:02,580

meaning fire uh were being seen by both

124

00:06:07,370 --> 00:06:04,979

the Allied and the Axis powers and

125

00:06:10,129 --> 00:06:07,380

neither one knew who they belonged to

126
00:06:12,230 --> 00:06:10,139
and some of these Foo Fighters behaved

127
00:06:14,990 --> 00:06:12,240
in very strange manner where they would

128
00:06:17,510 --> 00:06:15,000
Pace the uh the aircraft that was flying

129
00:06:20,390 --> 00:06:17,520
along and sometimes move right through

130
00:06:22,969 --> 00:06:20,400
the aircraft onto the opposite side so

131
00:06:25,370 --> 00:06:22,979
they were exhibiting exhibiting a

132
00:06:27,590 --> 00:06:25,380
technology that at that time we we

133
00:06:30,050 --> 00:06:27,600
didn't know anything about it

134
00:06:34,570 --> 00:06:30,060
even on naval ships they were getting

135
00:06:37,790 --> 00:06:34,580
sightings of craft flying over and in

136
00:06:42,170 --> 00:06:37,800
1950 152

137
00:06:45,650 --> 00:06:42,180
there was uh an opera a naval operation

138
00:06:47,090 --> 00:06:45,660

by uh known by operation exercise or

139

00:06:49,550 --> 00:06:47,100

main brace

140

00:06:52,909 --> 00:06:49,560

and what it was was the Allied chips

141

00:06:55,309 --> 00:06:52,919

about 200 ships thousands of aircraft

142

00:06:58,610 --> 00:06:55,319

ten thousand Soldiers and Sailors were

143

00:07:00,550 --> 00:06:58,620

on board these uh Navy ships from

144

00:07:03,350 --> 00:07:00,560

different countries Canada Britain

145

00:07:06,770 --> 00:07:03,360

Argentina whoever was an ally during the

146

00:07:09,710 --> 00:07:06,780

second war had an a vested interest in

147

00:07:12,290 --> 00:07:09,720

this uh exercise and it was held in the

148

00:07:15,830 --> 00:07:12,300

North Atlantic and during that time

149

00:07:18,230 --> 00:07:15,840

period they had craft flying out of the

150

00:07:21,890 --> 00:07:18,240

ocean over their craft and out into

151
00:07:24,650 --> 00:07:21,900
space or vice versa and loads of people

152
00:07:28,309 --> 00:07:24,660
lots of soldiers and

153
00:07:29,930 --> 00:07:28,319
um servicemen native people were

154
00:07:34,430 --> 00:07:29,940
photographing this and I have a

155
00:07:38,029 --> 00:07:34,440
photograph uh that shows an object uh up

156
00:07:39,950 --> 00:07:38,039
in the sky above the mass of uh one of

157
00:07:41,270 --> 00:07:39,960
the the ships that didn't identify which

158
00:07:44,210 --> 00:07:41,280
ship but

159
00:07:46,790 --> 00:07:44,220
that was uh evidence that they were

160
00:07:50,749 --> 00:07:46,800
photographing and the problem here was

161
00:07:53,330 --> 00:07:50,759
that the office is on board requested or

162
00:07:55,010 --> 00:07:53,340
not requested but audit all men to stay

163
00:07:58,850 --> 00:07:55,020

below unless there was absolutely

164

00:08:00,710 --> 00:07:58,860

necessary for them to be on the deck to

165

00:08:02,990 --> 00:08:00,720

do whatever operations deal with the

166

00:08:04,969 --> 00:08:03,000

aircraft taking off and coming in if

167

00:08:07,249 --> 00:08:04,979

they had no reason to be up there they

168

00:08:09,170 --> 00:08:07,259

were to stay in their quarters because

169

00:08:10,430 --> 00:08:09,180

they knew that there were things flying

170

00:08:16,270 --> 00:08:10,440

around

171

00:08:20,029 --> 00:08:16,280

so the term uh UFO and uaap is a Navy

172

00:08:21,770 --> 00:08:20,039

nomenclature that was developed uh

173

00:08:24,170 --> 00:08:21,780

particularly after the second world war

174

00:08:26,930 --> 00:08:24,180

and uaps just recently

175

00:08:28,369 --> 00:08:26,940

to describe something that uh was

176

00:08:31,189 --> 00:08:28,379

unidentified

177

00:08:33,769 --> 00:08:31,199

and whether it was flying whether it was

178

00:08:36,110 --> 00:08:33,779

an object an aerial phenomena that was

179

00:08:38,750 --> 00:08:36,120

the terminology now personally

180

00:08:41,510 --> 00:08:38,760

I prefer the term

181

00:08:45,050 --> 00:08:41,520

etvs extraterrestrial vocals because

182

00:08:47,090 --> 00:08:45,060

that's what was the conclusion at the

183

00:08:50,650 --> 00:08:47,100

end of the second World War as to what

184

00:08:55,009 --> 00:08:50,660

they were and recently particularly from

185

00:08:58,130 --> 00:08:55,019

1947 onwards there has been a lot of

186

00:08:59,990 --> 00:08:58,140

investigation and development and crash

187

00:09:03,949 --> 00:09:00,000

retrievals of objects that have been

188

00:09:07,130 --> 00:09:03,959

downed and developed and so there is

189

00:09:10,550 --> 00:09:07,140

another element to this called alien

190

00:09:13,430 --> 00:09:10,560

reproduction Vehicles which are man-made

191

00:09:16,250 --> 00:09:13,440

craft that look like and simulate what

192

00:09:19,370 --> 00:09:16,260

ETS are or ET craft

193

00:09:22,009 --> 00:09:19,380

and the problem here is now how do you

194

00:09:24,230 --> 00:09:22,019

differentiate between the two because at

195

00:09:25,310 --> 00:09:24,240

one point EG craft were definitely

196

00:09:29,990 --> 00:09:25,320

physical

197

00:09:32,750 --> 00:09:30,000

and now they're more of a holographic or

198

00:09:35,810 --> 00:09:32,760

interdimensional device that move and

199

00:09:38,090 --> 00:09:35,820

slip through our uh reality from one

200

00:09:40,009 --> 00:09:38,100

reality into this reality and then when

201

00:09:43,130 --> 00:09:40,019

you see that in the sky

202

00:09:46,730 --> 00:09:43,140

uh with your eyes it's bleeding through

203

00:09:50,889 --> 00:09:46,740

into this reality of ours so that's my

204

00:09:52,550 --> 00:09:50,899

my perception of UFOs and uaps

205

00:09:54,650 --> 00:09:52,560

well

206

00:10:01,790 --> 00:09:54,660

um the

207

00:10:05,990 --> 00:10:01,800

to this but the discussion today uh out

208

00:10:09,130 --> 00:10:06,000

of Washington DC is well okay we need to

209

00:10:13,670 --> 00:10:09,140

investigate we we don't know anything

210

00:10:16,430 --> 00:10:13,680

and that is an untruth

211

00:10:18,769 --> 00:10:16,440

um now I I don't know if that is a spin

212

00:10:21,769 --> 00:10:18,779

on really where they're coming from that

213

00:10:24,769 --> 00:10:21,779

they don't understand some of it right

214

00:10:27,350 --> 00:10:24,779

and they are able to say that uh without

215

00:10:29,329 --> 00:10:27,360

actually telling an outright outright

216

00:10:31,370 --> 00:10:29,339

lie or

217

00:10:35,449 --> 00:10:31,380

um they know an awful lot they've made a

218

00:10:37,250 --> 00:10:35,459

if you have a crash retrieval right in

219

00:10:38,930 --> 00:10:37,260

your possession which I believe that

220

00:10:41,690 --> 00:10:38,940

they do and if you have something like

221

00:10:43,370 --> 00:10:41,700

that in your possession then saying that

222

00:10:45,470 --> 00:10:43,380

that you you need to do more

223

00:10:49,430 --> 00:10:45,480

investigation in that you don't know

224

00:10:52,250 --> 00:10:49,440

what's going on then you're lying to us

225

00:10:55,310 --> 00:10:52,260

uh we just need to get closer to what is

226

00:10:58,970 --> 00:10:55,320

it that they know so we can start to

227

00:11:00,949 --> 00:10:58,980

unravel this thing right exactly the the

228

00:11:03,910 --> 00:11:00,959

problem is I think there are people

229

00:11:07,910 --> 00:11:03,920

within let's just say the US government

230

00:11:09,530 --> 00:11:07,920

uh as the entity that we're discussing

231

00:11:10,910 --> 00:11:09,540

that there are people within the

232

00:11:13,130 --> 00:11:10,920

government that know nothing about

233

00:11:15,710 --> 00:11:13,140

what's going on they're completely dark

234

00:11:18,230 --> 00:11:15,720

on the subject sure there are others

235

00:11:19,130 --> 00:11:18,240

that do know what's going on but I need

236

00:11:22,730 --> 00:11:19,140

to

237

00:11:25,310 --> 00:11:22,740

um a very finite amount of information

238

00:11:28,370 --> 00:11:25,320

every once in a while a president comes

239

00:11:30,470 --> 00:11:28,380

into Power whether he's Republican or

240

00:11:33,190 --> 00:11:30,480

Democrat and he's given so much

241

00:11:36,829 --> 00:11:33,200

information up front that's intelligence

242

00:11:38,750 --> 00:11:36,839

and depending on his background if he

243

00:11:40,250 --> 00:11:38,760

has a military background they're going

244

00:11:42,530 --> 00:11:40,260

to give him a little more information

245

00:11:45,470 --> 00:11:42,540

than somebody who does not have a

246

00:11:47,870 --> 00:11:45,480

military background and so the problem

247

00:11:51,829 --> 00:11:47,880

here is like I'm going to tell you that

248

00:11:56,449 --> 00:11:51,839

yes there are such things as flying

249

00:11:58,550 --> 00:11:56,459

saucers saucers or uaps or UFOs whatever

250

00:12:00,769 --> 00:11:58,560

terminology you want to use I think

251
00:12:02,030 --> 00:12:00,779
we're talking about the same animal but

252
00:12:04,190 --> 00:12:02,040
they're not going to give him everything

253
00:12:07,009 --> 00:12:04,200
that he wants to know and we've seen

254
00:12:09,350 --> 00:12:07,019
presidents who have tried to get in uh

255
00:12:12,170 --> 00:12:09,360
and find out what's going on and usually

256
00:12:13,910 --> 00:12:12,180
there's a number of barriers put up in

257
00:12:16,790 --> 00:12:13,920
front of them so they never get really

258
00:12:19,850 --> 00:12:16,800
Beyond uh a sort of inquisitive

259
00:12:22,730 --> 00:12:19,860
information of yeah there's something to

260
00:12:25,670 --> 00:12:22,740
it but we're investigating it

261
00:12:27,470 --> 00:12:25,680
so that's the limited about information

262
00:12:31,389 --> 00:12:27,480
that they have

263
00:12:34,610 --> 00:12:31,399

what I find is that

264

00:12:37,310 --> 00:12:34,620

when you look at the fact that they're

265

00:12:39,290 --> 00:12:37,320

being targeting these crafts for decades

266

00:12:43,910 --> 00:12:39,300

literally from the second world war

267

00:12:45,769 --> 00:12:43,920

maybe even before then that uh they are

268

00:12:48,530 --> 00:12:45,779

already starting to figure out what's

269

00:12:52,129 --> 00:12:48,540

going on how they're put together to a

270

00:12:55,670 --> 00:12:52,139

degree uh what is the modus operandi

271

00:12:57,769 --> 00:12:55,680

it's uh even to the point of what are

272

00:13:00,290 --> 00:12:57,779

the the beings and what are they like

273

00:13:01,490 --> 00:13:00,300

are they different from us completely or

274

00:13:04,129 --> 00:13:01,500

are they similar and so they're

275

00:13:07,009 --> 00:13:04,139

tinkering with the DNA as well of

276

00:13:08,829 --> 00:13:07,019

extraterrestrial life forms so when they

277

00:13:11,750 --> 00:13:08,839

come out with this blanket statement

278

00:13:15,710 --> 00:13:11,760

saying we really don't know what they

279

00:13:17,329 --> 00:13:15,720

are we're investigating they could be uh

280

00:13:19,730 --> 00:13:17,339

extraterrestrial but they could also be

281

00:13:20,750 --> 00:13:19,740

from China or Russia or maybe some other

282

00:13:24,290 --> 00:13:20,760

power

283

00:13:27,530 --> 00:13:24,300

that's also a possibility but we also

284

00:13:30,769 --> 00:13:27,540

know that it's also being developed in

285

00:13:33,590 --> 00:13:30,779

the U.S and whatever there was a major

286

00:13:34,850 --> 00:13:33,600

breakthrough back in the early to mid

287

00:13:38,590 --> 00:13:34,860

50s

288

00:13:41,269 --> 00:13:38,600

where anti uh anti-gravidics and

289

00:13:43,910 --> 00:13:41,279

electromagnetism was understood

290

00:13:47,990 --> 00:13:43,920

and that they were able to make craft

291

00:13:52,490 --> 00:13:48,000

fly with a self-contained unit there was

292

00:13:54,949 --> 00:13:52,500

no uh additives like oil fuel Atomic

293

00:13:57,769 --> 00:13:54,959

power whatever they had a solid state

294

00:14:00,650 --> 00:13:57,779

device that was working now you got to

295

00:14:03,350 --> 00:14:00,660

understand something the Germans Nazi

296

00:14:05,030 --> 00:14:03,360

Germany developed this first and this is

297

00:14:08,509 --> 00:14:05,040

the whole point behind Operation

298

00:14:10,370 --> 00:14:08,519

Paperclip in the 1500 scientists Nazi

299

00:14:12,769 --> 00:14:10,380

scientists that came to the United

300

00:14:15,050 --> 00:14:12,779

States in the southwest they were

301
00:14:18,230 --> 00:14:15,060
operating they were used to develop the

302
00:14:20,090 --> 00:14:18,240
atomic bomb or actually after the atomic

303
00:14:22,910 --> 00:14:20,100
bomb but they were looking at the V2

304
00:14:25,610 --> 00:14:22,920
rockets and some of the crap that they

305
00:14:28,009 --> 00:14:25,620
actually built such as the Honolulu 2

306
00:14:30,110 --> 00:14:28,019
that craft actually flew and I have

307
00:14:34,190 --> 00:14:30,120
photographs of that

308
00:14:36,710 --> 00:14:34,200
the thing about this is that

309
00:14:38,930 --> 00:14:36,720
when we go down this path of who did it

310
00:14:40,310 --> 00:14:38,940
first we're going to hit a lot of

311
00:14:42,170 --> 00:14:40,320
barriers that we're going to have to

312
00:14:44,210 --> 00:14:42,180
jump over in order to get to the truth

313
00:14:47,590 --> 00:14:44,220

and that's the whole point behind this

314

00:14:49,670 --> 00:14:47,600

whole phenomena is that if the r d

315

00:14:52,129 --> 00:14:49,680

extraterrestrial which I believe they

316

00:14:56,569 --> 00:14:52,139

are and I've had an experience with that

317

00:14:59,210 --> 00:14:56,579

since my childhood that uh then we got

318

00:15:02,569 --> 00:14:59,220

to have to start looking at uh

319

00:15:05,030 --> 00:15:02,579

and our solar system and the Universe At

320

00:15:07,910 --> 00:15:05,040

Large that there's life out there and

321

00:15:10,910 --> 00:15:07,920

it's coming to visit us at this point

322

00:15:12,590 --> 00:15:10,920

and so the thing is when people are

323

00:15:15,650 --> 00:15:12,600

speculating and they're saying whether

324

00:15:17,750 --> 00:15:15,660

from this particular star system there's

325

00:15:21,590 --> 00:15:17,760

eight or reticuli they're draconians

326

00:15:23,689 --> 00:15:21,600

there's insectoids etc etc etc the

327

00:15:24,530 --> 00:15:23,699

reality is they may look like those

328

00:15:27,470 --> 00:15:24,540

things

329

00:15:29,990 --> 00:15:27,480

but no ET as far as I know has ever come

330

00:15:32,629 --> 00:15:30,000

up and said this is who I am this is

331

00:15:35,569 --> 00:15:32,639

where I come from this is how I got here

332

00:15:37,910 --> 00:15:35,579

that hasn't happened if it is somebody's

333

00:15:41,329 --> 00:15:37,920

not telling everybody else about it

334

00:15:44,329 --> 00:15:41,339

they're keeping it on direct now uh it's

335

00:15:47,389 --> 00:15:44,339

funny that you say that because and I'm

336

00:15:50,870 --> 00:15:47,399

not in any way correcting you here good

337

00:15:55,970 --> 00:15:50,880

sir but let me say this last night

338

00:16:00,410 --> 00:15:55,980

uh I saw I watched uh the documentary

339

00:16:02,689 --> 00:16:00,420

that was released in 2022 it's new on

340

00:16:05,090 --> 00:16:02,699

Betty and Barney Hill with uh Kathleen

341

00:16:08,750 --> 00:16:05,100

Martin and Ben Hansen does a great job

342

00:16:10,930 --> 00:16:08,760

in it and uh it's uh it's a full-length

343

00:16:14,750 --> 00:16:10,940

uh documentary

344

00:16:17,750 --> 00:16:14,760

and I have I've interviewed Kathleen

345

00:16:22,430 --> 00:16:17,760

many many times uh about uh Betty and

346

00:16:24,769 --> 00:16:22,440

Barney but watching that documentary

347

00:16:29,810 --> 00:16:24,779

last night and listening to the original

348

00:16:33,050 --> 00:16:29,820

tapes of uh their uh hypnosis sessions

349

00:16:35,930 --> 00:16:33,060

number one but but number two watching

350

00:16:39,650 --> 00:16:35,940

them speak in person right it's it's

351
00:16:44,150 --> 00:16:39,660
been a while and that we we kind of lose

352
00:16:47,810 --> 00:16:44,160
sight of the importance of uh Betty and

353
00:16:49,970 --> 00:16:47,820
Barney Hill but one thing that was that

354
00:16:53,030 --> 00:16:49,980
always fascinated and I watched I

355
00:16:55,009 --> 00:16:53,040
actually hit rewind about that case was

356
00:16:57,590 --> 00:16:55,019
Betty in the star map

357
00:16:59,350 --> 00:16:57,600
right and Marjorie fish the school

358
00:17:00,949 --> 00:16:59,360
teacher from Ohio

359
00:17:14,030 --> 00:17:00,959
and

360
00:17:17,090 --> 00:17:14,040
but it was

361
00:17:19,789 --> 00:17:17,100
um something that for me is overlooked

362
00:17:21,710 --> 00:17:19,799
and and that caught my attention again

363
00:17:24,470 --> 00:17:21,720

last night and I watched it over and

364

00:17:27,110 --> 00:17:24,480

over again and it's an example of

365

00:17:28,970 --> 00:17:27,120

exactly what you're saying that that

366

00:17:32,990 --> 00:17:28,980

part of it we don't get a lot of

367

00:17:35,690 --> 00:17:33,000

information but uh but Betty and Barney

368

00:17:37,310 --> 00:17:35,700

gave it to us and and and uh the star

369

00:17:39,470 --> 00:17:37,320

map with uh

370

00:17:42,650 --> 00:17:39,480

um Betty Hill do you think that the

371

00:17:44,450 --> 00:17:42,660

government knows that there is contact

372

00:17:46,909 --> 00:17:44,460

coming from well throughout the Universe

373

00:17:50,090 --> 00:17:46,919

certainly but we have something that's

374

00:17:51,529 --> 00:17:50,100

pinpointed to Zeta reticuli

375

00:17:52,730 --> 00:17:51,539

um do you think the government knows

376

00:17:54,590 --> 00:17:52,740

this

377

00:17:57,409 --> 00:17:54,600

well

378

00:18:00,110 --> 00:17:57,419

I think you know one of the things when

379

00:18:02,990 --> 00:18:00,120

I wrote my books I discovered there was

380

00:18:05,150 --> 00:18:03,000

a lot of errors in the UFO database

381

00:18:07,370 --> 00:18:05,160

I even had to change some of my own

382

00:18:10,010 --> 00:18:07,380

personal thinking about it because I

383

00:18:11,990 --> 00:18:10,020

realized that I was accepting a lot of

384

00:18:15,169 --> 00:18:12,000

things that traditionally everybody else

385

00:18:17,870 --> 00:18:15,179

in the UFO Community was accepting sure

386

00:18:21,110 --> 00:18:17,880

and one of the things that I found was

387

00:18:24,230 --> 00:18:21,120

that star map not having taken astronomy

388

00:18:28,490 --> 00:18:24,240

uh in at University

389

00:18:32,210 --> 00:18:28,500

you can put a lot of dots and pins in

390

00:18:34,850 --> 00:18:32,220

strings and represent them by Luminosity

391

00:18:36,710 --> 00:18:34,860

which is what Marjorie fish did and then

392

00:18:39,110 --> 00:18:36,720

she moved the

393

00:18:41,510 --> 00:18:39,120

the the map around the three-dimensional

394

00:18:43,850 --> 00:18:41,520

map around until she got what was very

395

00:18:46,970 --> 00:18:43,860

close to what she thought was a

396

00:18:49,850 --> 00:18:46,980

recognizable start system

397

00:18:52,669 --> 00:18:49,860

I would say this and I'm not I'm not

398

00:18:56,330 --> 00:18:52,679

trying to bang heads with anybody but

399

00:18:58,850 --> 00:18:56,340

you can pretty much get any stars to

400

00:19:01,450 --> 00:18:58,860

look like a certain pattern if you move

401
00:19:05,090 --> 00:19:01,460
them around and 100

402
00:19:07,190 --> 00:19:05,100
Stanton Freeman also mentioned this now

403
00:19:10,370 --> 00:19:07,200
the interesting thing

404
00:19:12,770 --> 00:19:10,380
is that I admire the fact that Marjorie

405
00:19:16,070 --> 00:19:12,780
fish went through all that work to try

406
00:19:20,870 --> 00:19:16,080
and establish the fact that there may be

407
00:19:24,289 --> 00:19:20,880
a map uh that Betty Hill recalled and

408
00:19:28,130 --> 00:19:24,299
she Drew and Marjorie fish was able to

409
00:19:30,409 --> 00:19:28,140
locate it uh through her model

410
00:19:32,930 --> 00:19:30,419
the problem is this

411
00:19:35,029 --> 00:19:32,940
and I always say people have got to

412
00:19:36,230 --> 00:19:35,039
start asking the hard questions the hard

413
00:19:38,870 --> 00:19:36,240

questions is

414

00:19:41,270 --> 00:19:38,880

why do you need a star map

415

00:19:44,330 --> 00:19:41,280

to get from one place to another

416

00:19:46,970 --> 00:19:44,340

because she saw that in the spaceship

417

00:19:48,650 --> 00:19:46,980

that she was aboard so obviously there

418

00:19:50,930 --> 00:19:48,660

was something there that she saw that

419

00:19:51,950 --> 00:19:50,940

had an importance or relevance to the

420

00:19:53,690 --> 00:19:51,960

ETS

421

00:19:56,330 --> 00:19:53,700

but we all know

422

00:19:59,570 --> 00:19:56,340

that our own astronauts and cosmonauts

423

00:20:02,510 --> 00:19:59,580

that go into space don't use maps to get

424

00:20:06,490 --> 00:20:02,520

their spacecraft to go say to the moon

425

00:20:10,610 --> 00:20:06,500

or to Mars or out to Saturn and to Pluto

426
00:20:12,010 --> 00:20:10,620
they used numbers to guide them and and

427
00:20:14,990 --> 00:20:12,020
uh

428
00:20:17,390 --> 00:20:15,000
control burns to get them to where they

429
00:20:19,789 --> 00:20:17,400
want to go and slingshot effects of

430
00:20:22,029 --> 00:20:19,799
going around a planet close enough that

431
00:20:25,610 --> 00:20:22,039
throws it off into a certain direction

432
00:20:28,430 --> 00:20:25,620
so if et's needs Maps

433
00:20:31,789 --> 00:20:28,440
it's a possibility but that's their way

434
00:20:35,029 --> 00:20:31,799
of perhaps comprehending on their type

435
00:20:37,490 --> 00:20:35,039
of Consciousness we humans don't need

436
00:20:40,070 --> 00:20:37,500
that type of map to in order to know

437
00:20:43,549 --> 00:20:40,080
where Zeta reticuli is

438
00:20:45,950 --> 00:20:43,559

we can go when an installment uh wants

439

00:20:48,470 --> 00:20:45,960

to point his telescope and say he

440

00:20:50,690 --> 00:20:48,480

doesn't know where Zeta reticuli is but

441

00:20:52,669 --> 00:20:50,700

he's got the coordinates based on other

442

00:20:54,830 --> 00:20:52,679

research from other astronomers he

443

00:20:57,650 --> 00:20:54,840

punches them the coordinates right

444

00:21:00,770 --> 00:20:57,660

Ascension declination and

445

00:21:04,430 --> 00:21:00,780

the telescope moves it's already aligned

446

00:21:06,590 --> 00:21:04,440

uh with the North Star and it moves with

447

00:21:09,470 --> 00:21:06,600

the movement of the earth so it can

448

00:21:12,770 --> 00:21:09,480

track that star that's all done by

449

00:21:15,169 --> 00:21:12,780

numbers you don't need a map now the

450

00:21:16,970 --> 00:21:15,179

other thing that is interesting is and

451

00:21:20,210 --> 00:21:16,980

I've read the story I've got a couple of

452

00:21:23,930 --> 00:21:20,220

books on that uh I saw the movie with

453

00:21:25,970 --> 00:21:23,940

James Earl Jones doing the role

454

00:21:27,770 --> 00:21:25,980

um and I thought it was a fascinating

455

00:21:30,049 --> 00:21:27,780

movie at the time

456

00:21:33,049 --> 00:21:30,059

but I like a lot of people started to

457

00:21:36,409 --> 00:21:33,059

look at it and re-examine what was going

458

00:21:40,549 --> 00:21:36,419

on and one of the interesting things was

459

00:21:43,130 --> 00:21:40,559

that the ET one of the ETS wore a hat

460

00:21:45,350 --> 00:21:43,140

now this is one of those weird things

461

00:21:48,049 --> 00:21:45,360

that comes out of left field and we

462

00:21:51,250 --> 00:21:48,059

don't know why that E.T War hat because

463

00:21:55,930 --> 00:21:51,260

none of them but that one particular E.T

464

00:21:58,669 --> 00:21:55,940

uh wore this hat also they did an

465

00:22:01,850 --> 00:21:58,679

amniocentesis on Betty in order to

466

00:22:05,270 --> 00:22:01,860

determine pregnancy now at the time

467

00:22:07,789 --> 00:22:05,280

as far as I'm aware of sticking a needle

468

00:22:10,250 --> 00:22:07,799

into the navel in order to tell whether

469

00:22:14,029 --> 00:22:10,260

or not she was pregnant and get that

470

00:22:16,730 --> 00:22:14,039

information was not heard of so that may

471

00:22:19,490 --> 00:22:16,740

have been rather new but in the black

472

00:22:21,230 --> 00:22:19,500

world of science they're further ahead

473

00:22:23,289 --> 00:22:21,240

than we are in the mainstream science

474

00:22:28,190 --> 00:22:23,299

and we're going to find that throughout

475

00:22:30,710 --> 00:22:28,200

this uh study of ufology and what we're

476

00:22:33,190 --> 00:22:30,720

finding is that there's certain things

477

00:22:36,289 --> 00:22:33,200

that don't start to add up

478

00:22:39,470 --> 00:22:36,299

they look close but there's nothing

479

00:22:42,470 --> 00:22:39,480

conclusive one of the interesting things

480

00:22:45,590 --> 00:22:42,480

is I had my own experience eight years

481

00:22:49,010 --> 00:22:45,600

before Barney and Betty Hill that I saw

482

00:22:51,770 --> 00:22:49,020

little beings come through the bedroom

483

00:22:54,770 --> 00:22:51,780

wall of my in the house that I was

484

00:22:57,289 --> 00:22:54,780

living in and they look like Casper the

485

00:22:59,090 --> 00:22:57,299

ghost that's that was my perception of

486

00:23:01,970 --> 00:22:59,100

them little men

487

00:23:06,049 --> 00:23:01,980

and what I thought were these very

488

00:23:08,330 --> 00:23:06,059

illuminated uh beings with large eyes

489

00:23:10,490 --> 00:23:08,340

but the eyes were similar to human they

490

00:23:11,870 --> 00:23:10,500

didn't have black lenses over them or

491

00:23:14,750 --> 00:23:11,880

anything like that

492

00:23:18,350 --> 00:23:14,760

and they came through the wall three

493

00:23:20,390 --> 00:23:18,360

times because they wanted my attention

494

00:23:23,029 --> 00:23:20,400

now you have to understand something

495

00:23:25,970 --> 00:23:23,039

prior to that event

496

00:23:28,250 --> 00:23:25,980

we lived on an Air Force Base in Saint

497

00:23:30,049 --> 00:23:28,260

James Quebec my father was in the Air

498

00:23:31,070 --> 00:23:30,059

Force we got moved around all over the

499

00:23:35,990 --> 00:23:31,080

place

500

00:23:38,930 --> 00:23:36,000

we went to Saint Gene's Quebec and

501
00:23:40,370 --> 00:23:38,940
one of the interesting things my my twin

502
00:23:42,830 --> 00:23:40,380
brother and I

503
00:23:44,870 --> 00:23:42,840
were asked by my father to go down and

504
00:23:47,090 --> 00:23:44,880
watch a baseball game with him and the

505
00:23:50,210 --> 00:23:47,100
servicemen that were playing and we had

506
00:23:52,850 --> 00:23:50,220
just arrived at this air base about a

507
00:23:55,850 --> 00:23:52,860
week or so earlier

508
00:23:58,310 --> 00:23:55,860
and we got very bored watching because

509
00:24:00,110 --> 00:23:58,320
we were the only two people watching a

510
00:24:02,270 --> 00:24:00,120
bunch of men play baseball so we were

511
00:24:04,669 --> 00:24:02,280
looking around thinking this is boring

512
00:24:08,330 --> 00:24:04,679
we got to do something and we spotted an

513
00:24:10,669 --> 00:24:08,340

aircraft uh nearby on the tarmac

514

00:24:12,830 --> 00:24:10,679

so my brother and I said let's go over

515

00:24:14,810 --> 00:24:12,840

and take a look so we disappeared my

516

00:24:17,450 --> 00:24:14,820

father never even missed us

517

00:24:21,350 --> 00:24:17,460

we went over it and we saw this aircraft

518

00:24:24,649 --> 00:24:21,360

that was had swept Wings a very large

519

00:24:27,110 --> 00:24:24,659

tail a nozzle on on the tail end and a

520

00:24:30,909 --> 00:24:27,120

tiny propeller at the front

521

00:24:34,149 --> 00:24:30,919

and what it was was a German measurement

522

00:24:37,490 --> 00:24:34,159

163e Comet yeah

523

00:24:41,630 --> 00:24:37,500

right right right and interestingly

524

00:24:43,490 --> 00:24:41,640

enough the canopy was open so he climbed

525

00:24:44,990 --> 00:24:43,500

up and board of this thing and played

526

00:24:49,190 --> 00:24:45,000

around with the controls and everything

527

00:24:51,289 --> 00:24:49,200

else now what I figured was that between

528

00:24:53,990 --> 00:24:51,299

the British and and the Canadians they

529

00:24:56,270 --> 00:24:54,000

put this on a ship or a barge because

530

00:24:57,890 --> 00:24:56,280

there's a river nearby and unloaded it

531

00:24:59,930 --> 00:24:57,900

and this is where it ended up when my

532

00:25:01,610 --> 00:24:59,940

brother and I had the opportunity to

533

00:25:04,250 --> 00:25:01,620

play with this craft for about a half

534

00:25:10,850 --> 00:25:06,549

later on

535

00:25:12,950 --> 00:25:10,860

within about two three weeks or so

536

00:25:15,649 --> 00:25:12,960

my mother and I are going out for a walk

537

00:25:17,750 --> 00:25:15,659

along the air base of one of the roads

538

00:25:20,750 --> 00:25:17,760

taking my youngest brother at the time

539

00:25:25,070 --> 00:25:20,760

for a walk in his baby carriage

540

00:25:27,769 --> 00:25:25,080

I see this object comes moving in and it

541

00:25:30,049 --> 00:25:27,779

stops and hovers above a building about

542

00:25:32,810 --> 00:25:30,059

500 feet away during the daytime and I

543

00:25:34,490 --> 00:25:32,820

said to my mother what's that

544

00:25:36,890 --> 00:25:34,500

she looks at it

545

00:25:39,110 --> 00:25:36,900

she says I don't know what it is but I I

546

00:25:41,930 --> 00:25:39,120

think it's an airplane and the moment

547

00:25:44,090 --> 00:25:41,940

she said that it took off

548

00:25:46,610 --> 00:25:44,100

now the thing about this is that it was

549

00:25:49,190 --> 00:25:46,620

dark underneath it was a typical

550

00:25:51,590 --> 00:25:49,200

supplying saucer it reminded me of a

551
00:25:55,390 --> 00:25:51,600
Mexican sombrero hat it didn't have the

552
00:25:58,370 --> 00:25:55,400
curls but it was like like that

553
00:26:01,190 --> 00:25:58,380
had had a dome on the top and it was

554
00:26:02,870 --> 00:26:01,200
brighter on the top but dark underneath

555
00:26:05,210 --> 00:26:02,880
now

556
00:26:07,990 --> 00:26:05,220
from that day on I always thought that

557
00:26:10,549 --> 00:26:08,000
aircraft were also flying sausage

558
00:26:13,610 --> 00:26:10,559
that's a five-year-old type of thinking

559
00:26:15,769 --> 00:26:13,620
yeah yeah and within a few days I had

560
00:26:18,289 --> 00:26:15,779
the ET event where they came into the

561
00:26:19,850 --> 00:26:18,299
bedroom and it freaked me out because I

562
00:26:22,549 --> 00:26:19,860
didn't understand what was going on

563
00:26:24,289 --> 00:26:22,559

where they ghosts were they little men I

564

00:26:26,450 --> 00:26:24,299

don't know I was calling from my mother

565

00:26:28,850 --> 00:26:26,460

she came in she said what's going on I

566

00:26:31,730 --> 00:26:28,860

said there's little man behind the door

567

00:26:34,549 --> 00:26:31,740

she went over to take elections there's

568

00:26:37,669 --> 00:26:34,559

nothing there you're having a nightmare

569

00:26:41,390 --> 00:26:37,679

so she calms me down and she says okay

570

00:26:42,830 --> 00:26:41,400

now get some sleep and oh she goes the

571

00:26:45,890 --> 00:26:42,840

moment she goes out

572

00:26:48,649 --> 00:26:45,900

these little beings three of them come

573

00:26:50,510 --> 00:26:48,659

through the wall again and now I'm just

574

00:26:53,090 --> 00:26:50,520

going nuts because

575

00:26:55,490 --> 00:26:53,100

I it wasn't a dream I'm actually seeing

576

00:26:57,289 --> 00:26:55,500

this she comes back in she says you're

577

00:27:01,190 --> 00:26:57,299

working up the whole house

578

00:27:02,450 --> 00:27:01,200

uh you know what's going on I said

579

00:27:05,570 --> 00:27:02,460

they're back

580

00:27:08,390 --> 00:27:05,580

and again she had to reassure me that

581

00:27:11,029 --> 00:27:08,400

there was nothing there and she spent

582

00:27:11,930 --> 00:27:11,039

maybe 10 minutes calming me down and she

583

00:27:14,149 --> 00:27:11,940

said look

584

00:27:15,710 --> 00:27:14,159

Christmas is coming up think of all the

585

00:27:17,930 --> 00:27:15,720

presents you're going to get

586

00:27:19,370 --> 00:27:17,940

and she said I'm no more crying and she

587

00:27:22,789 --> 00:27:19,380

left the room

588

00:27:23,990 --> 00:27:22,799

well damn third time these beings they

589

00:27:26,510 --> 00:27:24,000

show up and this time they're walking

590

00:27:30,169 --> 00:27:26,520

around the bottom of the bed coming up

591

00:27:32,210 --> 00:27:30,179

towards the top so not wishing the

592

00:27:35,090 --> 00:27:32,220

crying freak out I pulled the sheets

593

00:27:38,390 --> 00:27:35,100

over my head thinking if I can't see

594

00:27:40,970 --> 00:27:38,400

them they can't see me they're not there

595

00:27:43,850 --> 00:27:40,980

typical five-year-old logic yeah it

596

00:27:45,409 --> 00:27:43,860

makes sense to me and yeah and but there

597

00:27:48,110 --> 00:27:45,419

was something in the back of my mind

598

00:27:50,330 --> 00:27:48,120

that said the coverage came off me

599

00:27:53,029 --> 00:27:50,340

I don't have any other memory beyond

600

00:27:55,070 --> 00:27:53,039

that was I abducted I don't think so I

601
00:27:57,230 --> 00:27:55,080
don't feel I'm ever being abducted in my

602
00:28:00,470 --> 00:27:57,240
life and I'd been out and had contact

603
00:28:01,850 --> 00:28:00,480
with different types of ET and and if if

604
00:28:03,950 --> 00:28:01,860
they're not taking me I must be

605
00:28:05,570 --> 00:28:03,960
chocolate or because I've been with

606
00:28:08,269 --> 00:28:05,580
other groups of people and they haven't

607
00:28:12,049 --> 00:28:08,279
taken them either we're not missing time

608
00:28:15,470 --> 00:28:12,059
we're not we're not having uh invasive

609
00:28:17,690 --> 00:28:15,480
medical procedures uh our memories are

610
00:28:19,610 --> 00:28:17,700
intact we're we're memorizing or

611
00:28:21,890 --> 00:28:19,620
remembering in real time

612
00:28:24,350 --> 00:28:21,900
so now we're looking at another

613
00:28:26,450 --> 00:28:24,360

disconnect in this whole phenomena right

614

00:28:28,730 --> 00:28:26,460

why are people having negative

615

00:28:31,850 --> 00:28:28,740

experiences where they're frightened out

616

00:28:34,490 --> 00:28:31,860

of their lives about it and have to get

617

00:28:36,830 --> 00:28:34,500

some psychological help of one form or

618

00:28:39,769 --> 00:28:36,840

another and then there are others like

619

00:28:43,970 --> 00:28:39,779

ourselves who are involved in global

620

00:28:47,269 --> 00:28:43,980

contact with these through ce5 protocols

621

00:28:48,830 --> 00:28:47,279

and I can tell you that I've been doing

622

00:28:51,830 --> 00:28:48,840

this for

623

00:28:53,210 --> 00:28:51,840

30 years leading people out and we've

624

00:28:54,950 --> 00:28:53,220

had contact

625

00:28:57,590 --> 00:28:54,960

ETS will actually come up and touch us

626
00:28:59,930 --> 00:28:57,600
we can't touch them because they're in

627
00:29:02,029 --> 00:28:59,940
an altered form or an interdimensional

628
00:29:03,049 --> 00:29:02,039
form trans-dimensional whatever term you

629
00:29:05,149 --> 00:29:03,059
want to use

630
00:29:06,590 --> 00:29:05,159
sometimes we see flashes of them

631
00:29:08,990 --> 00:29:06,600
sometimes we get

632
00:29:11,330 --> 00:29:09,000
odors in the environment that are not

633
00:29:13,909 --> 00:29:11,340
associated with the environment it's all

634
00:29:15,169 --> 00:29:13,919
this High strangers that J Allen heineck

635
00:29:16,850 --> 00:29:15,179
talked about

636
00:29:19,850 --> 00:29:16,860
and we're getting all of that we're

637
00:29:22,250 --> 00:29:19,860
getting a compression of sound a feeling

638
00:29:25,130 --> 00:29:22,260

of other presence being touched on the

639

00:29:25,730 --> 00:29:25,140

shoulders or on the hands or the face

640

00:29:29,389 --> 00:29:25,740

um

641

00:29:32,049 --> 00:29:29,399

we're getting uh objects that are being

642

00:29:35,450 --> 00:29:32,059

uh interacted with like the magnetometer

643

00:29:38,149 --> 00:29:35,460

and magnetometers normally go beep beep

644

00:29:41,029 --> 00:29:38,159

that's about it but what I found was

645

00:29:43,549 --> 00:29:41,039

I've had this magnetometer I've taken it

646

00:29:45,889 --> 00:29:43,559

down to Rio Rico to attend one of the

647

00:29:48,350 --> 00:29:45,899

doctor Stephen Curry's events and this

648

00:29:51,850 --> 00:29:48,360

thing was going off like full steam

649

00:29:55,789 --> 00:29:51,860

ahead let's just and it was

650

00:29:59,090 --> 00:29:55,799

incessantly for three hours Non-Stop

651
00:30:02,330 --> 00:29:59,100
I've had it here locally in Coquitlam

652
00:30:04,669 --> 00:30:02,340
where you go beep beep beep

653
00:30:06,889 --> 00:30:04,679
and then stop and when I would say

654
00:30:08,810 --> 00:30:06,899
something to somebody about something it

655
00:30:12,289 --> 00:30:08,820
would go beep beep beep after I finished

656
00:30:14,330 --> 00:30:12,299
saying it in a sequence of Threes it's

657
00:30:16,310 --> 00:30:14,340
never done that before

658
00:30:17,930 --> 00:30:16,320
so what they're doing is they're

659
00:30:20,750 --> 00:30:17,940
interfacing with the magenta

660
00:30:24,169 --> 00:30:20,760
magnetometer to let us know they're

661
00:30:26,269 --> 00:30:24,179
present normally when when

662
00:30:29,389 --> 00:30:26,279
um E.T and this is part of the ce5

663
00:30:31,850 --> 00:30:29,399

protocols when they are when they're uh

664

00:30:35,210 --> 00:30:31,860

showing up and we're seeing them as uh

665

00:30:37,669 --> 00:30:35,220

objects in the sky we're gonna flash a

666

00:30:39,409 --> 00:30:37,679

laser at them uh usually it circles

667

00:30:42,409 --> 00:30:39,419

around them to see if they respond

668

00:30:44,990 --> 00:30:42,419

whether they're power up go move to the

669

00:30:47,510 --> 00:30:45,000

right or left up down whatever and to

670

00:30:49,909 --> 00:30:47,520

see if that really is a UFO an

671

00:30:53,510 --> 00:30:49,919

extraterrestrial spacecraft

672

00:30:55,070 --> 00:30:53,520

when we get that connection and we start

673

00:30:55,610 --> 00:30:55,080

to get

674

00:30:59,570 --> 00:30:55,620

um

675

00:31:02,210 --> 00:30:59,580

devices being interacted with uh they're

676
00:31:03,889 --> 00:31:02,220
interfacing with our Electronics

677
00:31:07,370 --> 00:31:03,899
or they come up and start touching this

678
00:31:09,950 --> 00:31:07,380
that craft has landed in a little in all

679
00:31:13,010 --> 00:31:09,960
likelihood it's landed on top of us

680
00:31:15,230 --> 00:31:13,020
we're inside the craft this is why

681
00:31:20,450 --> 00:31:15,240
people will sometimes see movement

682
00:31:23,630 --> 00:31:20,460
around us uh within this in the form of

683
00:31:24,710 --> 00:31:23,640
shapes of people or entities or flashes

684
00:31:29,870 --> 00:31:24,720
of light

685
00:31:33,230 --> 00:31:29,880
I've had a uh a device that's a strobe

686
00:31:36,350 --> 00:31:33,240
light that I was using to to outline a

687
00:31:38,230 --> 00:31:36,360
circle area for the ETS to land thinking

688
00:31:41,690 --> 00:31:38,240

they're going to land physically

689

00:31:45,830 --> 00:31:41,700

and what happened was uh this was during

690

00:31:48,590 --> 00:31:45,840

the time when the bctv people came out

691

00:31:51,409 --> 00:31:48,600

and did an interview with myself and my

692

00:31:54,529 --> 00:31:51,419

uh see study group I see uh C City

693

00:31:57,289 --> 00:31:54,539

Vancouver group and what happened at the

694

00:32:00,289 --> 00:31:57,299

end of the evening we went to uh pick up

695

00:32:02,690 --> 00:32:00,299

our our lights and equipment in one of

696

00:32:04,430 --> 00:32:02,700

my lights were missing and I was looking

697

00:32:06,769 --> 00:32:04,440

all over for it I thought well maybe

698

00:32:09,649 --> 00:32:06,779

it's such a sensitive life the light

699

00:32:12,169 --> 00:32:09,659

it's halogen that if it gets knocked it

700

00:32:13,970 --> 00:32:12,179

probably stopped working so I was

701
00:32:15,889 --> 00:32:13,980
looking around with another Flash and I

702
00:32:17,450 --> 00:32:15,899
couldn't find it and I thought oh the

703
00:32:19,549 --> 00:32:17,460
heck with that I'll come back early in

704
00:32:20,870 --> 00:32:19,559
the morning and I'll see it because now

705
00:32:23,269 --> 00:32:20,880
it's daylight

706
00:32:25,310 --> 00:32:23,279
so we're just about ready to go over to

707
00:32:27,830 --> 00:32:25,320
the cars to leave

708
00:32:28,730 --> 00:32:27,840
and one of the TV crew says what's that

709
00:32:32,149 --> 00:32:28,740
light

710
00:32:33,649 --> 00:32:32,159
over in this you know the direction and

711
00:32:36,830 --> 00:32:33,659
we turned in about

712
00:32:38,510 --> 00:32:36,840
200 feet from where I placed it was my

713
00:32:42,409 --> 00:32:38,520

light and it was right beside a little

714

00:32:43,789 --> 00:32:42,419

Gully one foot uh further in and it

715

00:32:46,610 --> 00:32:43,799

would have fell in the galley and I

716

00:32:49,970 --> 00:32:46,620

would not have seen it now the thing

717

00:32:50,870 --> 00:32:49,980

that I have is I tried to rationalize

718

00:32:53,990 --> 00:32:50,880

this

719

00:32:56,570 --> 00:32:54,000

could an animal picked it up thinking it

720

00:32:58,850 --> 00:32:56,580

was food and ran off with it and when I

721

00:33:02,029 --> 00:32:58,860

realized it wasn't it dropped it and ran

722

00:33:04,730 --> 00:33:02,039

off so I picked it up looking at it and

723

00:33:07,250 --> 00:33:04,740

feeling for saliva I was smelling it to

724

00:33:11,149 --> 00:33:07,260

see if there's any animal sent on it it

725

00:33:12,350 --> 00:33:11,159

was bone dry bone dry and it was still

726

00:33:13,549 --> 00:33:12,360

functioning

727

00:33:19,029 --> 00:33:13,559

so

728

00:33:21,649 --> 00:33:19,039

maybe a few months earlier wanted a

729

00:33:24,169 --> 00:33:21,659

demonstration of their ability

730

00:33:27,049 --> 00:33:24,179

that was their ability they could do

731

00:33:29,990 --> 00:33:27,059

that now you have to understand that

732

00:33:32,750 --> 00:33:30,000

interacted with a magnetometer and maybe

733

00:33:34,610 --> 00:33:32,760

moving an object is one thing but

734

00:33:37,070 --> 00:33:34,620

they've actually interfered with

735

00:33:41,029 --> 00:33:37,080

idiotics and navigation systems on board

736

00:33:43,430 --> 00:33:41,039

aircraft such as the f4s in Iran back in

737

00:33:46,130 --> 00:33:43,440

1976 right

738

00:33:49,970 --> 00:33:46,140

and so what happens they get in too

739

00:33:52,370 --> 00:33:49,980

close they get a flip on their uh their

740

00:33:54,529 --> 00:33:52,380

switches to engage with uh with a

741

00:33:56,870 --> 00:33:54,539

missile lock-on and all of a sudden they

742

00:33:59,389 --> 00:33:56,880

lose power and the craft is now moving

743

00:34:01,130 --> 00:33:59,399

out of range and Falling Towards the

744

00:34:02,810 --> 00:34:01,140

Earth and when it gets to a certain

745

00:34:05,750 --> 00:34:02,820

point it gets all its avionics

746

00:34:07,909 --> 00:34:05,760

navigation back on and it's able to fly

747

00:34:09,649 --> 00:34:07,919

now that's that's a recorded event

748

00:34:11,690 --> 00:34:09,659

there'd be another ones like that in

749

00:34:14,990 --> 00:34:11,700

Iran and there'd be in other cases in

750

00:34:16,970 --> 00:34:15,000

the states where uh certain people got

751
00:34:19,250 --> 00:34:16,980
too close and maybe they were doing the

752
00:34:21,409 --> 00:34:19,260
same thing they were locking on to shoot

753
00:34:23,750 --> 00:34:21,419
down these crafts and the moment they

754
00:34:25,909 --> 00:34:23,760
did they lost their avionics and

755
00:34:29,629 --> 00:34:25,919
couldn't control and actually crashed

756
00:34:33,829 --> 00:34:29,639
and Martel the case with Martel is is

757
00:34:36,649 --> 00:34:33,839
such uh an event that took place and now

758
00:34:39,530 --> 00:34:36,659
the question is what did the

759
00:34:41,169 --> 00:34:39,540
et's or the UFO fire upon them

760
00:34:43,609 --> 00:34:41,179
in all

761
00:34:47,329 --> 00:34:43,619
likelihood and all the evidence points

762
00:34:49,990 --> 00:34:47,339
to the ET doing their best to not engage

763
00:34:52,369 --> 00:34:50,000

with humans because they don't trust us

764

00:34:54,909 --> 00:34:52,379

particularly when you're a military

765

00:34:58,370 --> 00:34:54,919

power whether you're Chinese Russian

766

00:35:01,010 --> 00:34:58,380

Iranian South African Brazilian U.S

767

00:35:03,349 --> 00:35:01,020

Canada whoever if you're going to go up

768

00:35:05,690 --> 00:35:03,359

there and engage and there were orders

769

00:35:09,170 --> 00:35:05,700

to shoot down these things in order to

770

00:35:11,930 --> 00:35:09,180

find out what they were and I guess the

771

00:35:14,030 --> 00:35:11,940

U.S uh for the most part has been very

772

00:35:16,670 --> 00:35:14,040

very successful

773

00:35:18,890 --> 00:35:16,680

um amongst other countries there's been

774

00:35:21,710 --> 00:35:18,900

probably about 260

775

00:35:25,370 --> 00:35:21,720

UFOs that have been brought down that

776

00:35:26,930 --> 00:35:25,380

means if the bodies were still uh in uh

777

00:35:28,790 --> 00:35:26,940

in the craft and the craft was

778

00:35:30,910 --> 00:35:28,800

reasonably intact they knew what the

779

00:35:34,790 --> 00:35:30,920

bodies were yeah

780

00:35:37,370 --> 00:35:34,800

that makes a lot of sense and

781

00:35:39,770 --> 00:35:37,380

um then of course you know uh back in

782

00:35:43,130 --> 00:35:39,780

February uh we're shooting down three

783

00:35:45,530 --> 00:35:43,140

uaps with missiles over North America

784

00:35:46,609 --> 00:35:45,540

which shows exactly what you're saying

785

00:35:49,849 --> 00:35:46,619

there

786

00:35:54,230 --> 00:35:49,859

um we shoot first right you know we

787

00:35:56,390 --> 00:35:54,240

shoot first and but uh uh I wanted to uh

788

00:36:00,530 --> 00:35:56,400

staying on this

789

00:36:04,730 --> 00:36:00,540

um when I had uh Tom DeLong on the show

790

00:36:07,190 --> 00:36:04,740

uh this is uh probably before tsa I

791

00:36:09,410 --> 00:36:07,200

can't remember exactly but he said one

792

00:36:11,050 --> 00:36:09,420

thing uh during the show that stuck with

793

00:36:14,329 --> 00:36:11,060

me over the years

794

00:36:16,730 --> 00:36:14,339

he said that

795

00:36:18,950 --> 00:36:16,740

um we need to be careful

796

00:36:20,329 --> 00:36:18,960

with who we're consciously trying to

797

00:36:23,870 --> 00:36:20,339

make contact with

798

00:36:25,790 --> 00:36:23,880

you can see a light in the sky and you

799

00:36:28,310 --> 00:36:25,800

can consciously connect with that but

800

00:36:32,150 --> 00:36:28,320

you don't know if that's Friend or Foe

801
00:36:34,550 --> 00:36:32,160
right you're just reaching out and then

802
00:36:36,349 --> 00:36:34,560
um and I always thought that was a

803
00:36:39,170 --> 00:36:36,359
pretty interesting comment to make one

804
00:36:41,329 --> 00:36:39,180
two he said that inside of the Pentagon

805
00:36:45,109 --> 00:36:41,339
that there is a definite religious

806
00:36:46,130 --> 00:36:45,119
component to UAP and and what they may

807
00:36:48,109 --> 00:36:46,140
be

808
00:36:50,990 --> 00:36:48,119
um and and I thought that that was a

809
00:36:53,089 --> 00:36:51,000
pretty nice addendum to what he said

810
00:36:55,550 --> 00:36:53,099
about the conscious connection and then

811
00:36:57,890 --> 00:36:55,560
but then we have the third part

812
00:37:00,950 --> 00:36:57,900
uh which again all three of these things

813
00:37:03,170 --> 00:37:00,960

you just mentioned which is

814

00:37:05,270 --> 00:37:03,180

um for everybody out there

815

00:37:06,890 --> 00:37:05,280

um I haven't had a bad experience I

816

00:37:09,829 --> 00:37:06,900

haven't had a negative experience I've

817

00:37:12,589 --> 00:37:09,839

had a lot of experience in contact but

818

00:37:14,270 --> 00:37:12,599

but I haven't had a negative one but for

819

00:37:17,810 --> 00:37:14,280

everybody out there like me there's

820

00:37:21,650 --> 00:37:17,820

somebody out there that will say dude

821

00:37:23,510 --> 00:37:21,660

don't mess I had a horrible experience I

822

00:37:27,410 --> 00:37:23,520

had a fighting experience I had a

823

00:37:31,670 --> 00:37:27,420

violent experience it was not good and

824

00:37:35,089 --> 00:37:31,680

so don't tell me that that UFOs and and

825

00:37:39,770 --> 00:37:35,099

ET is here to to make nice nice with us

826

00:37:41,690 --> 00:37:39,780

that's BS and and so it's really strange

827

00:37:44,630 --> 00:37:41,700

how we have these different points of

828

00:37:46,970 --> 00:37:44,640

view but then again it can't be just one

829

00:37:49,730 --> 00:37:46,980

species it can't be one ETI that is

830

00:37:51,829 --> 00:37:49,740

reaching out to us it's got to be tens

831

00:37:54,230 --> 00:37:51,839

of thousands of different uh different

832

00:37:57,530 --> 00:37:54,240

planets that are aware of us

833

00:37:59,510 --> 00:37:57,540

yeah I mean you know

834

00:38:02,990 --> 00:37:59,520

in my books

835

00:38:06,770 --> 00:38:03,000

um and right at the beginning of of the

836

00:38:09,589 --> 00:38:06,780

the first few pages I have a quote which

837

00:38:13,609 --> 00:38:09,599

is no doubt that every fixed star

838

00:38:17,450 --> 00:38:13,619

meaning a stable star half its planets

839

00:38:20,750 --> 00:38:17,460

and every planet has its creatures whose

840

00:38:23,690 --> 00:38:20,760

number no man can compute now that's a

841

00:38:25,849 --> 00:38:23,700

writing by baha'u'llah from the by faith

842

00:38:27,650 --> 00:38:25,859

there's a lot in the Baha'i faith that

843

00:38:31,250 --> 00:38:27,660

talks about extraterrestrial life

844

00:38:33,650 --> 00:38:31,260

probably more so than most religions but

845

00:38:35,630 --> 00:38:33,660

the interesting thing about that is when

846

00:38:38,810 --> 00:38:35,640

we when they talk about a stable star

847

00:38:41,510 --> 00:38:38,820

and you have to understand something

848

00:38:45,290 --> 00:38:41,520

um NASA and a lot of astronomy have

849

00:38:47,290 --> 00:38:45,300

based uh the prospects of life based on

850

00:38:51,109 --> 00:38:47,300

the zone of habitability which is

851
00:38:54,010 --> 00:38:51,119
roughly where the Earth and maybe Mars

852
00:38:56,329 --> 00:38:54,020
is and and maybe Venus is

853
00:38:58,430 --> 00:38:56,339
Mercury is probably too close so

854
00:39:00,530 --> 00:38:58,440
therefore it may not have life but the

855
00:39:02,870 --> 00:39:00,540
other three planets probably do now

856
00:39:06,290 --> 00:39:02,880
we're looking at some of the moons of

857
00:39:07,210 --> 00:39:06,300
Jupiter and Saturn that have atmospheres

858
00:39:13,010 --> 00:39:07,220
and

859
00:39:13,970 --> 00:39:13,020
things going on in an ocean below layers

860
00:39:17,089 --> 00:39:13,980
of ice

861
00:39:22,750 --> 00:39:17,099
so what this is saying and and there's

862
00:39:27,530 --> 00:39:24,950
spacecraft that went out to Pluto and

863
00:39:31,670 --> 00:39:27,540

photograph Pluto and Sharon is its Moon

864

00:39:33,530 --> 00:39:31,680

and other things in the kelper belt

865

00:39:36,470 --> 00:39:33,540

is that

866

00:39:39,290 --> 00:39:36,480

there is probably life even on Pluto

867

00:39:42,109 --> 00:39:39,300

they found some weird things uh that

868

00:39:44,630 --> 00:39:42,119

look very huge that leave trails on the

869

00:39:47,630 --> 00:39:44,640

ice they think it's just rock coming up

870

00:39:50,050 --> 00:39:47,640

through the surface of the ice but these

871

00:39:53,750 --> 00:39:50,060

things are odd looking

872

00:39:56,510 --> 00:39:53,760

uh to me and I can't prove this one way

873

00:39:58,849 --> 00:39:56,520

or the other looks like giant slugs is

874

00:40:02,270 --> 00:39:58,859

what it looks like or snails

875

00:40:05,329 --> 00:40:02,280

now the point I'm getting at is

876

00:40:08,569 --> 00:40:05,339

NASA has now had to revise its zone of

877

00:40:10,069 --> 00:40:08,579

habitability further out than it than it

878

00:40:13,069 --> 00:40:10,079

first did

879

00:40:16,550 --> 00:40:13,079

well in the Baha'i writings it's saying

880

00:40:18,349 --> 00:40:16,560

if the star is stable and by stable it

881

00:40:21,349 --> 00:40:18,359

means it's already gone through its Pro

882

00:40:24,650 --> 00:40:21,359

state where it's already developed it's

883

00:40:26,690 --> 00:40:24,660

the planets have already uh reached a

884

00:40:29,750 --> 00:40:26,700

point of coalescence and their their

885

00:40:32,630 --> 00:40:29,760

spherical bodies and they're orbiting

886

00:40:35,390 --> 00:40:32,640

the Sun or the star

887

00:40:37,790 --> 00:40:35,400

in which case if that's a stable star

888

00:40:40,010 --> 00:40:37,800

system there's going to be life

889

00:40:42,290 --> 00:40:40,020

on those planets we don't know what that

890

00:40:44,630 --> 00:40:42,300

life will be but there will be life it

891

00:40:48,770 --> 00:40:44,640

could be plant life it could be uh

892

00:40:50,390 --> 00:40:48,780

microbial it could be uh sea life you

893

00:40:54,170 --> 00:40:50,400

can let your imagination run wild

894

00:40:57,589 --> 00:40:54,180

because the point here is that every

895

00:41:00,230 --> 00:40:57,599

life form in a stable star system will

896

00:41:04,069 --> 00:41:00,240

develop based on the conditions of its

897

00:41:06,050 --> 00:41:04,079

planet and its environment so that uh

898

00:41:08,630 --> 00:41:06,060

there may be things that may appear

899

00:41:10,910 --> 00:41:08,640

humanoid but may not it could be

900

00:41:13,730 --> 00:41:10,920

something we can't even recognize as a

901
00:41:16,310 --> 00:41:13,740
life form we may not even when we do

902
00:41:18,890 --> 00:41:16,320
encounter life forms where we actually

903
00:41:22,130 --> 00:41:18,900
go out into the stars and on into other

904
00:41:23,930 --> 00:41:22,140
planets that it could be confronted by a

905
00:41:26,089 --> 00:41:23,940
life form that we don't even recognize

906
00:41:30,130 --> 00:41:26,099
as intelligent and they may feel the

907
00:41:32,810 --> 00:41:30,140
same way as us why is that because uh

908
00:41:35,569 --> 00:41:32,820
Consciousness which is also something

909
00:41:38,450 --> 00:41:35,579
that we have to factor in is different

910
00:41:41,270 --> 00:41:38,460
we cannot we can look at a captain and

911
00:41:44,150 --> 00:41:41,280
dog I know it is conscious

912
00:41:46,310 --> 00:41:44,160
and it likes us and it knows that it

913
00:41:49,849 --> 00:41:46,320

will get food and it will get some form

914

00:41:52,910 --> 00:41:49,859

of love and pets and all the rest of it

915

00:41:54,589 --> 00:41:52,920

but it has no comprehension of what

916

00:41:56,750 --> 00:41:54,599

we're thinking what we're doing why

917

00:41:59,089 --> 00:41:56,760

we're doing it and all the rest of it no

918

00:42:02,870 --> 00:41:59,099

more than if I build a chair or table

919

00:42:06,109 --> 00:42:02,880

that table is a creation of my being but

920

00:42:08,030 --> 00:42:06,119

it doesn't comprehend me so the thing

921

00:42:10,430 --> 00:42:08,040

that I'm saying here is that we're going

922

00:42:12,829 --> 00:42:10,440

to have to explore the whole concept of

923

00:42:15,589 --> 00:42:12,839

Consciousness not only amongst humans

924

00:42:19,130 --> 00:42:15,599

but on other life forms even starting

925

00:42:22,250 --> 00:42:19,140

with our own life forms on this planet

926
00:42:23,930 --> 00:42:22,260
when we go to a star system that is say

927
00:42:27,349 --> 00:42:23,940
in a um

928
00:42:31,190 --> 00:42:27,359
uh a Decay where it's going to go Nova

929
00:42:34,069 --> 00:42:31,200
it's going to explode thus then an

930
00:42:36,650 --> 00:42:34,079
unstable star system the planets that

931
00:42:39,170 --> 00:42:36,660
may still be there will suddenly be

932
00:42:41,329 --> 00:42:39,180
impacted by the no vote because the

933
00:42:43,550 --> 00:42:41,339
stair is going to expand out and

934
00:42:46,250 --> 00:42:43,560
probably consume whatever planets are

935
00:42:48,470 --> 00:42:46,260
within a certain boundary those planets

936
00:42:51,950 --> 00:42:48,480
are done so there is a life and death

937
00:42:53,810 --> 00:42:51,960
aspect to the universe in that sense and

938
00:42:55,790 --> 00:42:53,820

it's going to happen to the Earth at

939

00:42:57,650 --> 00:42:55,800

some point maybe billions of years down

940

00:43:00,290 --> 00:42:57,660

the road so we've got nothing to worry

941

00:43:03,710 --> 00:43:00,300

about unless we are living uh you and I

942

00:43:05,150 --> 00:43:03,720

for a billion years or more so that's

943

00:43:08,410 --> 00:43:05,160

the point that I'm getting across

944

00:43:11,390 --> 00:43:08,420

there's life in the universe and

945

00:43:13,430 --> 00:43:11,400

why you know we're looking for it we're

946

00:43:15,650 --> 00:43:13,440

sending out radio signals hoping it's

947

00:43:17,450 --> 00:43:15,660

going to respond and I've read cases

948

00:43:20,450 --> 00:43:17,460

where they said yeah we just got a

949

00:43:24,589 --> 00:43:20,460

signal and it's about uh

950

00:43:28,010 --> 00:43:24,599

900 000 light years away or whatever

951
00:43:31,250 --> 00:43:28,020
you know a radio signal that far away

952
00:43:33,950 --> 00:43:31,260
um means that that Civilization probably

953
00:43:36,050 --> 00:43:33,960
has stopped using radio signals you're

954
00:43:39,050 --> 00:43:36,060
not going to communicate with ETS on

955
00:43:40,970 --> 00:43:39,060
another star system using luminal speed

956
00:43:44,270 --> 00:43:40,980
technology which is what we have

957
00:43:46,970 --> 00:43:44,280
currently correct we have to go beyond

958
00:43:49,910 --> 00:43:46,980
luminal speed we have to go super

959
00:43:51,910 --> 00:43:49,920
luminal or something else and that's

960
00:43:54,349 --> 00:43:51,920
something else is probably

961
00:43:59,450 --> 00:43:54,359
inter-dimensionality which is meaning

962
00:44:00,710 --> 00:43:59,460
that the the space between an atom uh is

963
00:44:03,349 --> 00:44:00,720

a lot of space

964

00:44:07,490 --> 00:44:03,359

though we we see the atom is very very

965

00:44:11,270 --> 00:44:07,500

minute the fact is that a lot of the

966

00:44:14,089 --> 00:44:11,280

environment the physical rule is made up

967

00:44:16,430 --> 00:44:14,099

of atoms and lots of space

968

00:44:19,069 --> 00:44:16,440

and so it's the same thing you know

969

00:44:22,609 --> 00:44:19,079

we've got a fractal the the microverse

970

00:44:25,190 --> 00:44:22,619

and the macros verse and when we

971

00:44:28,550 --> 00:44:25,200

understand that that there's this Factor

972

00:44:30,290 --> 00:44:28,560

uh repeat of a pattern then it starts to

973

00:44:33,410 --> 00:44:30,300

become a little easier to understand

974

00:44:35,569 --> 00:44:33,420

that the macroverse the universe that we

975

00:44:37,550 --> 00:44:35,579

all talk about is very similar to the

976
00:44:39,710 --> 00:44:37,560
microverse

977
00:44:42,230 --> 00:44:39,720
and that means too

978
00:44:44,510 --> 00:44:42,240
and this I I'm I'm putting my neck on

979
00:44:46,730 --> 00:44:44,520
The Chopping Block when I say this it

980
00:44:50,809 --> 00:44:46,740
means at some point we're gonna Discover

981
00:44:52,730 --> 00:44:50,819
Life on atoms yeah it could be what he

982
00:44:56,270 --> 00:44:52,740
could be could be could be could be I

983
00:44:57,670 --> 00:44:56,280
just watched uh Ant-Man and the wasp and

984
00:45:00,710 --> 00:44:57,680
quantumania

985
00:45:04,730 --> 00:45:00,720
and for everybody now look I know it's

986
00:45:06,950 --> 00:45:04,740
Marvel does more about spreading the the

987
00:45:11,750 --> 00:45:06,960
word of science than probably any

988
00:45:15,170 --> 00:45:11,760

University uh but but that being said uh

989

00:45:16,790 --> 00:45:15,180

quantummania is about the world at the

990

00:45:19,670 --> 00:45:16,800

quantum level where they go down and

991

00:45:22,069 --> 00:45:19,680

it's it's it's a crazy movie to see now

992

00:45:24,230 --> 00:45:22,079

I want to Circle back though okay hold

993

00:45:26,150 --> 00:45:24,240

on Terry hold on hold on

994

00:45:28,130 --> 00:45:26,160

um I'm not taking notes now I need to

995

00:45:30,829 --> 00:45:28,140

get my okay I've got my notepad on

996

00:45:33,130 --> 00:45:30,839

because I want to go back uh to a couple

997

00:45:37,309 --> 00:45:33,140

of your points number one

998

00:45:40,069 --> 00:45:37,319

yes we've got approximately 5 billion

999

00:45:43,430 --> 00:45:40,079

years left on our sun

1000

00:45:45,589 --> 00:45:43,440

um and but in about a billion years the

1001

00:45:48,170 --> 00:45:45,599

instability is going to start so we've

1002

00:45:50,030 --> 00:45:48,180

got about a billion years to figure out

1003

00:45:54,530 --> 00:45:50,040

how we're gonna blow this Popsicle stand

1004

00:45:56,390 --> 00:45:54,540

all right we can't be here that's it but

1005

00:46:00,349 --> 00:45:56,400

number two

1006

00:46:03,710 --> 00:46:00,359

a billion years from now 500

1007

00:46:06,770 --> 00:46:03,720

000 years from now a a billion or 500

1008

00:46:11,030 --> 00:46:06,780

million years from now would we even

1009

00:46:13,190 --> 00:46:11,040

recognize ourselves as humans right what

1010

00:46:15,890 --> 00:46:13,200

would we you know and what we're looking

1011

00:46:17,270 --> 00:46:15,900

at today and talking about E.T but you

1012

00:46:18,230 --> 00:46:17,280

know what they probably look just like

1013

00:46:21,890 --> 00:46:18,240

us

1014

00:46:25,970 --> 00:46:21,900

you know 500 million years ago would we

1015

00:46:28,490 --> 00:46:25,980

even recognize ourselves and I if I were

1016

00:46:31,490 --> 00:46:28,500

a betting man I'd say no we wouldn't

1017

00:46:33,890 --> 00:46:31,500

we could be translucent we don't know we

1018

00:46:36,530 --> 00:46:33,900

could be energy beings would we look

1019

00:46:40,130 --> 00:46:36,540

like you and I covered in hair these

1020

00:46:41,630 --> 00:46:40,140

primitive Apes that we are no no I I

1021

00:46:45,230 --> 00:46:41,640

don't think that we would we would

1022

00:46:47,510 --> 00:46:45,240

evolve into something else and why are

1023

00:46:50,150 --> 00:46:47,520

we questioning uh what we're seeing

1024

00:46:51,710 --> 00:46:50,160

today like it's something strange now

1025

00:46:53,750 --> 00:46:51,720

we're gonna evolve into something

1026
00:46:56,990 --> 00:46:53,760
completely different and that's just the

1027
00:47:00,230 --> 00:46:57,000
way that it is exactly and here's the

1028
00:47:02,809 --> 00:47:00,240
thing you know we're already seeing

1029
00:47:05,210 --> 00:47:02,819
um forms of evolution taking place very

1030
00:47:08,030 --> 00:47:05,220
subtly but they're taking place amongst

1031
00:47:10,670 --> 00:47:08,040
humans the fact that men lose their hair

1032
00:47:14,750 --> 00:47:10,680
and now women are losing their hair

1033
00:47:18,890 --> 00:47:14,760
right uh men much more so

1034
00:47:21,230 --> 00:47:18,900
um the fact that um there are people who

1035
00:47:24,589 --> 00:47:21,240
don't have wisdom teeth I don't have

1036
00:47:27,589 --> 00:47:24,599
wisdom teeth that means technically I'm

1037
00:47:30,050 --> 00:47:27,599
further along in the evolution

1038
00:47:32,390 --> 00:47:30,060

but you know I that's not something I

1039

00:47:35,569 --> 00:47:32,400

wave a flag over and say Whoopi you know

1040

00:47:37,609 --> 00:47:35,579

I'm evolved uh but the thing is yes

1041

00:47:42,470 --> 00:47:37,619

you're absolutely right that we're gonna

1042

00:47:44,270 --> 00:47:42,480

evolve and in uh 500 million years or

1043

00:47:46,970 --> 00:47:44,280

more or less even

1044

00:47:49,809 --> 00:47:46,980

what would we look like however I will

1045

00:47:53,809 --> 00:47:49,819

put this out and this this is um

1046

00:47:56,290 --> 00:47:53,819

uh called it a uh a proposition a

1047

00:48:01,069 --> 00:47:56,300

hypothesis and that in the universe

1048

00:48:04,069 --> 00:48:01,079

there is a template that is very good

1049

00:48:07,490 --> 00:48:04,079

and that template is a Starship which is

1050

00:48:11,569 --> 00:48:07,500

what humans are the Vitruvius men or the

1051
00:48:14,630 --> 00:48:11,579
trulian men and the types of ET that are

1052
00:48:17,329 --> 00:48:14,640
being seen so far fit into that category

1053
00:48:19,309 --> 00:48:17,339
they have a head they have a body they

1054
00:48:22,130 --> 00:48:19,319
have arms we don't know how many fingers

1055
00:48:24,230 --> 00:48:22,140
and they got some feet and some digits

1056
00:48:26,450 --> 00:48:24,240
on it right now

1057
00:48:28,910 --> 00:48:26,460
there are beings that are showing up

1058
00:48:32,210 --> 00:48:28,920
that are really bizarre and we've got

1059
00:48:35,030 --> 00:48:32,220
case reports of that the first volume

1060
00:48:38,450 --> 00:48:35,040
explores the global

1061
00:48:41,270 --> 00:48:38,460
um uh UFO and ET uh contacts and

1062
00:48:43,250 --> 00:48:41,280
sightings that are going on uh in many

1063
00:48:46,370 --> 00:48:43,260

many different countries and some of

1064

00:48:50,930 --> 00:48:46,380

these uh beings that are showing up

1065

00:48:52,490 --> 00:48:50,940

um have more than uh two sets of irons

1066

00:48:53,930 --> 00:48:52,500

some

1067

00:48:56,150 --> 00:48:53,940

um

1068

00:48:58,309 --> 00:48:56,160

some are hairy some are dwarf flakes

1069

00:49:01,130 --> 00:48:58,319

some have big heads a lot of them are

1070

00:49:02,870 --> 00:49:01,140

wearing spacesuits of some kind that's a

1071

00:49:05,510 --> 00:49:02,880

clue right there that they're not from

1072

00:49:09,230 --> 00:49:05,520

this planet if they're breathing our

1073

00:49:11,270 --> 00:49:09,240

atmosphere uh we have to question how is

1074

00:49:14,089 --> 00:49:11,280

that possible

1075

00:49:16,730 --> 00:49:14,099

um because it may mean that they have a

1076
00:49:19,250 --> 00:49:16,740
similar atmosphere to us or maybe that's

1077
00:49:22,849 --> 00:49:19,260
not a real ET maybe that's a biological

1078
00:49:26,510 --> 00:49:22,859
uh life form it's a program life form

1079
00:49:29,510 --> 00:49:26,520
the humanity is creating now the thing

1080
00:49:31,970 --> 00:49:29,520
about this is that there are beings that

1081
00:49:35,809 --> 00:49:31,980
are so weird that they look like part

1082
00:49:37,849 --> 00:49:35,819
machine and part organic being they have

1083
00:49:40,910 --> 00:49:37,859
a pedestal for For What appears to be

1084
00:49:43,930 --> 00:49:40,920
feet and and a body and a head with an

1085
00:49:47,630 --> 00:49:43,940
antenna and flippers off on the side

1086
00:49:51,589 --> 00:49:47,640
that's a recounting of one kind uh the

1087
00:49:56,170 --> 00:49:51,599
Pascagoula event with Calvin Parker and

1088
00:50:02,270 --> 00:49:59,809

I never forgot the

1089

00:50:06,650 --> 00:50:02,280

um Calvin who man I missed that guy

1090

00:50:09,550 --> 00:50:06,660

already man he was a a very fun fun guy

1091

00:50:13,970 --> 00:50:09,560

to be around and and stuff but anyway

1092

00:50:19,130 --> 00:50:13,980

his his recounting

1093

00:50:23,089 --> 00:50:19,140

of the beings didn't fit the description

1094

00:50:25,550 --> 00:50:23,099

of other encounters uh before it was

1095

00:50:28,609 --> 00:50:25,560

like a very singular type of description

1096

00:50:32,809 --> 00:50:28,619

yeah and and and you know the Michelin

1097

00:50:34,930 --> 00:50:32,819

Man and and and how it was robotic but

1098

00:50:38,390 --> 00:50:34,940

why not

1099

00:50:39,890 --> 00:50:38,400

I think this is my take you know let me

1100

00:50:41,410 --> 00:50:39,900

let me hear yours

1101
00:50:47,569 --> 00:50:41,420
that

1102
00:50:49,809 --> 00:50:47,579
visits this planet is here once

1103
00:50:53,150 --> 00:50:49,819
they're doing a

1104
00:50:54,890 --> 00:50:53,160
drive-bye there's another trillion

1105
00:50:58,849 --> 00:50:54,900
planets out there to go and check out

1106
00:51:00,829 --> 00:50:58,859
right yeah and and so probably more

1107
00:51:03,290 --> 00:51:00,839
times than not it's just a single visit

1108
00:51:05,390 --> 00:51:03,300
there's just too much more work to go

1109
00:51:07,849 --> 00:51:05,400
and do you got to go and do your job in

1110
00:51:09,230 --> 00:51:07,859
catalog right catalog catalog catalog

1111
00:51:12,950 --> 00:51:09,240
and go visit

1112
00:51:17,270 --> 00:51:12,960
um and so we would be seeing uh uh

1113
00:51:21,109 --> 00:51:17,280

everything as different why are we so

1114

00:51:23,750 --> 00:51:21,119

fixated not us uh but in general

1115

00:51:25,210 --> 00:51:23,760

um that there must be only one Co one

1116

00:51:29,270 --> 00:51:25,220

kind of VT

1117

00:51:32,569 --> 00:51:29,280

one civilization visiting us no I'm I'm

1118

00:51:34,670 --> 00:51:32,579

my guess is it it may be Millions Terry

1119

00:51:36,770 --> 00:51:34,680

I I know where you're going with that

1120

00:51:38,390 --> 00:51:36,780

and and this is the thing that drives me

1121

00:51:41,450 --> 00:51:38,400

up the wall

1122

00:51:44,150 --> 00:51:41,460

um we're constantly bombarded with the

1123

00:51:45,109 --> 00:51:44,160

little gray The Zeta reticulite as it's

1124

00:51:47,210 --> 00:51:45,119

called

1125

00:51:49,370 --> 00:51:47,220

and I don't like that term and I don't

1126

00:51:52,069 --> 00:51:49,380

like the term little gray I don't like

1127

00:51:55,010 --> 00:51:52,079

the term reptilian or insectoid or

1128

00:51:57,890 --> 00:51:55,020

because we're labeling with like black

1129

00:52:00,230 --> 00:51:57,900

yellow red white you know we've got to

1130

00:52:02,750 --> 00:52:00,240

stop doing that kind of uh thinking

1131

00:52:05,030 --> 00:52:02,760

because that's racist right off the bat

1132

00:52:07,309 --> 00:52:05,040

we can't label something we don't

1133

00:52:09,950 --> 00:52:07,319

understand we're putting it into our own

1134

00:52:12,589 --> 00:52:09,960

human terms to describe something we

1135

00:52:16,670 --> 00:52:12,599

don't understand so what we're seeing in

1136

00:52:19,430 --> 00:52:16,680

movies in documentaries on books is the

1137

00:52:22,370 --> 00:52:19,440

little gray face and usually it looks

1138

00:52:24,770 --> 00:52:22,380

malevolent the ones that I thought did

1139

00:52:27,770 --> 00:52:24,780

not look malevolent they look like

1140

00:52:31,190 --> 00:52:27,780

Casper the ghost and they they there was

1141

00:52:34,010 --> 00:52:31,200

no harshness about them if anything it

1142

00:52:36,349 --> 00:52:34,020

was more sort of a neutral look about

1143

00:52:38,150 --> 00:52:36,359

them and the thing is did they have

1144

00:52:40,790 --> 00:52:38,160

three fingers four fingers I have no

1145

00:52:44,089 --> 00:52:40,800

idea all I concentrated on was their

1146

00:52:45,890 --> 00:52:44,099

faces their body that was it now as I

1147

00:52:48,530 --> 00:52:45,900

said that was eight years before Barney

1148

00:52:50,990 --> 00:52:48,540

and Betty Hill had their experience I've

1149

00:52:53,210 --> 00:52:51,000

had other experience like this too where

1150

00:52:58,130 --> 00:52:53,220

I've done remote viewing

1151

00:53:01,490 --> 00:52:58,140

back in 96 uh because I was an astronomy

1152

00:53:04,730 --> 00:53:01,500

student prior to that that I um remote

1153

00:53:07,130 --> 00:53:04,740

viewed one of the moons of Saturn and I

1154

00:53:09,829 --> 00:53:07,140

was with uh Dr gear and Sherry adamack

1155

00:53:12,170 --> 00:53:09,839

and about 30 other people who were doing

1156

00:53:14,270 --> 00:53:12,180

remote viewing sessions uh during the

1157

00:53:17,930 --> 00:53:14,280

day and in the evening and I had a

1158

00:53:20,390 --> 00:53:17,940

remote view where uh he asked we want

1159

00:53:21,589 --> 00:53:20,400

you to see if you could see any

1160

00:53:24,349 --> 00:53:21,599

um

1161

00:53:27,829 --> 00:53:24,359

ET bases whether on the earth in the

1162

00:53:30,109 --> 00:53:27,839

ground on the moon on mars or any other

1163

00:53:33,890 --> 00:53:30,119

planets like Saturn

1164

00:53:37,250 --> 00:53:33,900

my mind went to this moon of Saturn

1165

00:53:41,630 --> 00:53:37,260

and what I saw was what I thought was a

1166

00:53:44,750 --> 00:53:41,640

sort of a geometric polyhedral form

1167

00:53:47,630 --> 00:53:44,760

and around the middle of where the

1168

00:53:49,849 --> 00:53:47,640

equator would be was a wide band

1169

00:53:51,890 --> 00:53:49,859

of raised

1170

00:53:55,970 --> 00:53:51,900

um Terrain

1171

00:53:59,210 --> 00:53:55,980

12 miles high and about 12 to 20 miles

1172

00:54:01,309 --> 00:53:59,220

in width right around the equator

1173

00:54:03,349 --> 00:54:01,319

the other thing I noticed was there

1174

00:54:04,370 --> 00:54:03,359

seemed to be geometric forms on the

1175

00:54:08,089 --> 00:54:04,380

surface

1176

00:54:12,770 --> 00:54:08,099

and also what appeared to be a tall

1177

00:54:16,010 --> 00:54:12,780

tower on one one portion of the Moon

1178

00:54:19,730 --> 00:54:16,020

later I did some research and one of the

1179

00:54:21,349 --> 00:54:19,740

things uh I looked at was iapetus

1180

00:54:23,750 --> 00:54:21,359

I should have known

1181

00:54:25,970 --> 00:54:23,760

some of the moons of Saturn haven't

1182

00:54:27,829 --> 00:54:25,980

taken astronomy but I had to plead

1183

00:54:30,170 --> 00:54:27,839

ignorance I didn't

1184

00:54:32,870 --> 00:54:30,180

I looked at a iopedus

1185

00:54:35,510 --> 00:54:32,880

and darn if it didn't have this large

1186

00:54:38,990 --> 00:54:35,520

equatorial Ridge that ran around the

1187

00:54:42,190 --> 00:54:39,000

equator that it had a sort of a

1188

00:54:45,170 --> 00:54:42,200

geometric polyhedral type form

1189

00:54:48,609 --> 00:54:45,180

and it had a tower in the southern

1190

00:54:52,549 --> 00:54:48,619

hemisphere that in my remote

1191

00:54:53,870 --> 00:54:52,559

uh remote view it could extend out or

1192

00:54:55,910 --> 00:54:53,880

contract

1193

00:54:58,490 --> 00:54:55,920

and I thought of this as perhaps a

1194

00:55:02,569 --> 00:54:58,500

communication Tower well the Cassini

1195

00:55:04,790 --> 00:55:02,579

space probe flies by Saturn and around

1196

00:55:06,349 --> 00:55:04,800

some of the moons and all the rest and

1197

00:55:10,790 --> 00:55:06,359

it photographs this

1198

00:55:15,290 --> 00:55:10,800

and it photographs it uh in 2000 uh what

1199

00:55:16,730 --> 00:55:15,300

was it 94 years so about 2004 it

1200

00:55:19,150 --> 00:55:16,740

photographed that

1201

00:55:21,589 --> 00:55:19,160

I had seen that eight years prior

1202

00:55:23,270 --> 00:55:21,599

interesting there were confirmation of

1203

00:55:26,089 --> 00:55:23,280

my remote View

1204

00:55:28,130 --> 00:55:26,099

yeah well here but here's here's the

1205

00:55:28,849 --> 00:55:28,140

other take

1206

00:55:31,309 --> 00:55:28,859

um

1207

00:55:34,010 --> 00:55:31,319

you and I are Earthlings

1208

00:55:36,230 --> 00:55:34,020

you and I are from the same Planet but

1209

00:55:39,770 --> 00:55:36,240

let me tell you something if the two of

1210

00:55:43,329 --> 00:55:39,780

us got off of a craft on another planet

1211

00:55:45,589 --> 00:55:43,339

and they took a look at you and I

1212

00:55:48,410 --> 00:55:45,599

they would think that we were from two

1213

00:55:50,089 --> 00:55:48,420

different planets and and you would get

1214

00:55:54,349 --> 00:55:50,099

shot first because you would look like

1215

00:55:57,290 --> 00:55:54,359

Ming the Mercer and so I I would look

1216

00:56:00,950 --> 00:55:57,300

like the benevolent uh peace Peacemaker

1217

00:56:03,829 --> 00:56:00,960

you not not so much but but yet we're

1218

00:56:06,109 --> 00:56:03,839

both earthlings right and and we look

1219

00:56:10,130 --> 00:56:06,119

completely different

1220

00:56:12,290 --> 00:56:10,140

um and and we are so uh it's funny when

1221

00:56:14,089 --> 00:56:12,300

I hear that argument why are we seeing

1222

00:56:16,069 --> 00:56:14,099

these different types of craft why are

1223

00:56:18,170 --> 00:56:16,079

we seeing these different kinds of why

1224

00:56:19,430 --> 00:56:18,180

are we seeing well what what is it that

1225

00:56:22,750 --> 00:56:19,440

you expect

1226

00:56:25,450 --> 00:56:22,760

look at the diversity of our own planet

1227

00:56:28,970 --> 00:56:25,460

right

1228

00:56:32,150 --> 00:56:28,980

exactly and you know I mean uh the

1229

00:56:34,490 --> 00:56:32,160

interesting thing is that uh and first

1230

00:56:36,170 --> 00:56:34,500

of all I have to agree with you about uh

1231

00:56:38,930 --> 00:56:36,180

your statement that they're only just

1232

00:56:40,730 --> 00:56:38,940

passing by you probably have been

1233

00:56:43,370 --> 00:56:40,740

listening to my wife at some point

1234

00:56:45,170 --> 00:56:43,380

because she says they took one look and

1235

00:56:48,650 --> 00:56:45,180

said no there's no intelligence here in

1236

00:56:51,650 --> 00:56:48,660

the left you know and that you've got a

1237

00:56:53,210 --> 00:56:51,660

bunch of people who she says Yahoo is

1238

00:56:55,970 --> 00:56:53,220

going out into the middle of the field

1239

00:56:59,210 --> 00:56:55,980

and saying come on Aliens we're here you

1240

00:57:01,910 --> 00:56:59,220

know uh and this is part of the the sea

1241

00:57:04,190 --> 00:57:01,920

City uh protocols is to engage

1242

00:57:06,589 --> 00:57:04,200

ET whether they're friendly or not or

1243

00:57:08,990 --> 00:57:06,599

whether they're neutral or not the thing

1244

00:57:12,470 --> 00:57:09,000

is are there

1245

00:57:14,630 --> 00:57:12,480

uh malevolent E.T yeah look at us we're

1246

00:57:16,370 --> 00:57:14,640

in Loveland you come here from another

1247

00:57:19,210 --> 00:57:16,380

planet you take your life in your own

1248

00:57:24,309 --> 00:57:22,069

down the street yeah we're gonna shoot

1249

00:57:27,290 --> 00:57:24,319

you throw a brick at you

1250

00:57:30,109 --> 00:57:27,300

shoot missiles at you that's what we do

1251
00:57:32,809 --> 00:57:30,119
particle beam weapons you name it right

1252
00:57:35,750 --> 00:57:32,819
you cannot be trusted because you know

1253
00:57:38,690 --> 00:57:35,760
and this is I'm gonna go into an area

1254
00:57:40,490 --> 00:57:38,700
here that maybe a bit upsetting to some

1255
00:57:42,890 --> 00:57:40,500
people but

1256
00:57:44,809 --> 00:57:42,900
I had a friend who passed away

1257
00:57:46,370 --> 00:57:44,819
and he always asked me is there a

1258
00:57:51,410 --> 00:57:46,380
spiritual component to this whole

1259
00:57:53,690 --> 00:57:51,420
phenomena and I said yes there is now do

1260
00:57:56,809 --> 00:57:53,700
we have complete understanding of it no

1261
00:58:00,109 --> 00:57:56,819
but we have some pretty good ideas about

1262
00:58:03,589 --> 00:58:00,119
it and one of the things is that if

1263
00:58:05,569 --> 00:58:03,599

you're an intelligent life form

1264

00:58:08,150 --> 00:58:05,579

if you're traveling to another planet

1265

00:58:09,829 --> 00:58:08,160

you're not gonna go there and say I

1266

00:58:13,010 --> 00:58:09,839

wonder what resources they have because

1267

00:58:15,589 --> 00:58:13,020

we need some resources gold or maybe we

1268

00:58:17,630 --> 00:58:15,599

need plant life or human life or DNA or

1269

00:58:20,870 --> 00:58:17,640

whatever it is right

1270

00:58:22,549 --> 00:58:20,880

the thing is that as you may have

1271

00:58:24,950 --> 00:58:22,559

mentioned is they're flying by they're

1272

00:58:27,170 --> 00:58:24,960

writing down yes there's life forms and

1273

00:58:31,549 --> 00:58:27,180

blah blah blah but you know the thing is

1274

00:58:34,430 --> 00:58:31,559

when we set off nuclear explosions and

1275

00:58:36,170 --> 00:58:34,440

we drop two bombs and uh Saki and

1276

00:58:39,410 --> 00:58:36,180

Hiroshima in Japan

1277

00:58:42,950 --> 00:58:39,420

during the end of the war we set up a

1278

00:58:45,470 --> 00:58:42,960

major red flag and that brought a lot of

1279

00:58:47,870 --> 00:58:45,480

attention that we didn't have before we

1280

00:58:49,730 --> 00:58:47,880

had ETS coming and going all the time

1281

00:58:51,650 --> 00:58:49,740

but they you know they're just saying

1282

00:58:54,049 --> 00:58:51,660

well humans are evolving they're they're

1283

00:58:55,730 --> 00:58:54,059

developing this that new thing but one

1284

00:58:58,970 --> 00:58:55,740

of the things they must have realized is

1285

00:59:01,970 --> 00:58:58,980

we're very warlike we're always fighting

1286

00:59:04,190 --> 00:59:01,980

over some land or some ideology and

1287

00:59:05,990 --> 00:59:04,200

we're killing off millions of people in

1288

00:59:09,410 --> 00:59:06,000

the process we're fighting amongst

1289

00:59:11,750 --> 00:59:09,420

ourselves now all of a sudden we have

1290

00:59:14,750 --> 00:59:11,760

technology that allows us to leave the

1291

00:59:17,450 --> 00:59:14,760

planet we've got nuclear weapons that we

1292

00:59:20,150 --> 00:59:17,460

can take with us or even through lasers

1293

00:59:23,089 --> 00:59:20,160

or particle beam weapons now we're

1294

00:59:25,549 --> 00:59:23,099

arming our spacecraft if we want to and

1295

00:59:27,710 --> 00:59:25,559

we're going to start heading out amongst

1296

00:59:29,690 --> 00:59:27,720

the stars because

1297

00:59:32,089 --> 00:59:29,700

According to some people we've got

1298

00:59:35,390 --> 00:59:32,099

reversed engineered technology from

1299

00:59:38,750 --> 00:59:35,400

Aliens and we could probably go to Mars

1300

00:59:40,370 --> 00:59:38,760

in a half hour like that or even faster

1301
00:59:41,930 --> 00:59:40,380
which means there could be a settlement

1302
00:59:45,170 --> 00:59:41,940
on Mars

1303
00:59:46,970 --> 00:59:45,180
now if that means that we can get to

1304
00:59:48,829 --> 00:59:46,980
Mars and we're trying to say at the

1305
00:59:52,370 --> 00:59:48,839
speed of light

1306
00:59:55,010 --> 00:59:52,380
then it is also conceivable that maybe

1307
00:59:57,049 --> 00:59:55,020
that technology has allowed us to

1308
01:00:00,470 --> 00:59:57,059
develop beyond the speed of light and

1309
01:00:05,030 --> 01:00:00,480
I've heard from uh Mark McCandless who

1310
01:00:07,190 --> 01:00:05,040
made the blueprint of one of the ards

1311
01:00:11,630 --> 01:00:07,200
the first liner I haven't I spoke to him

1312
01:00:15,230 --> 01:00:11,640
I got his uh his uh blueprint

1313
01:00:17,390 --> 01:00:15,240

the point is that craft he said could do

1314

01:00:19,970 --> 01:00:17,400

faster than the speed of light multiples

1315

01:00:22,190 --> 01:00:19,980

in fact which means it could leave the

1316

01:00:25,130 --> 01:00:22,200

solar system very easily and travel to

1317

01:00:27,650 --> 01:00:25,140

the nearest star system which is 4.3

1318

01:00:30,950 --> 01:00:27,660

light years away Proxima Centauri or

1319

01:00:33,410 --> 01:00:30,960

Proxima and there are others that are

1320

01:00:35,930 --> 01:00:33,420

within 20 and 30 and 40 and 50 light

1321

01:00:37,609 --> 01:00:35,940

years away easily attainable now because

1322

01:00:39,890 --> 01:00:37,619

you're doing multiples of the speed of

1323

01:00:43,970 --> 01:00:39,900

light well if you're armed with to the

1324

01:00:46,309 --> 01:00:43,980

teeth with weapons to defend yourself

1325

01:00:48,770 --> 01:00:46,319

um you're sending out another red flag

1326

01:00:52,190 --> 01:00:48,780

to the rest of the universe you can't

1327

01:00:54,410 --> 01:00:52,200

trust this species because they're more

1328

01:00:57,230 --> 01:00:54,420

like they're like a disease

1329

01:01:00,349 --> 01:00:57,240

and so there's part of this

1330

01:01:02,690 --> 01:01:00,359

um research that says that we're being

1331

01:01:04,730 --> 01:01:02,700

contained on this planet we're not going

1332

01:01:07,190 --> 01:01:04,740

to get too far and if we do this by

1333

01:01:10,609 --> 01:01:07,200

hooking by crook that we can escape the

1334

01:01:12,710 --> 01:01:10,619

solar system if we're going to Mars

1335

01:01:16,010 --> 01:01:12,720

are we looking for life

1336

01:01:17,870 --> 01:01:16,020

yeah we're looking for life I found it I

1337

01:01:20,270 --> 01:01:17,880

found that life using NASA's own

1338

01:01:22,190 --> 01:01:20,280

photographs I found it I've seen the

1339

01:01:23,930 --> 01:01:22,200

technology I've seen the plant life I've

1340

01:01:27,170 --> 01:01:23,940

seen the sea life I've seen the animal

1341

01:01:29,270 --> 01:01:27,180

life and I found intelligent life and

1342

01:01:33,950 --> 01:01:29,280

not only did I find it somebody else

1343

01:01:37,370 --> 01:01:33,960

found it as well the same humanoid tall

1344

01:01:40,309 --> 01:01:37,380

being that's there a skeletal form

1345

01:01:43,490 --> 01:01:40,319

their UFOs flying around on the surface

1346

01:01:45,349 --> 01:01:43,500

of Mars not only watching what's

1347

01:01:47,410 --> 01:01:45,359

orbiting and there are a number of

1348

01:01:51,470 --> 01:01:47,420

nations already with craft up there

1349

01:01:53,510 --> 01:01:51,480

Circle uh orbiting around Mars but

1350

01:01:57,130 --> 01:01:53,520

there's also the Rovers which are mostly

1351

01:01:59,750 --> 01:01:57,140

American and there's little white

1352

01:02:01,490 --> 01:01:59,760

surveillance drones following them along

1353

01:02:03,589 --> 01:02:01,500

and if you look in the photographs

1354

01:02:05,270 --> 01:02:03,599

you'll spot them because they're not on

1355

01:02:08,150 --> 01:02:05,280

the ground they're actually hovering

1356

01:02:11,089 --> 01:02:08,160

above the ground so what this says is

1357

01:02:15,530 --> 01:02:11,099

Mars is not a code dead Barren Planet

1358

01:02:18,349 --> 01:02:15,540

it's very much alive in fact it is in a

1359

01:02:21,049 --> 01:02:18,359

state of Regenesi because there are

1360

01:02:24,710 --> 01:02:21,059

animal forms I've found two of them

1361

01:02:28,430 --> 01:02:24,720

one where they uh looks like a

1362

01:02:32,930 --> 01:02:28,440

an Australian marsupial known as a Bilby

1363

01:02:36,109 --> 01:02:32,940

another one is the white marsupial mole

1364

01:02:39,049 --> 01:02:36,119

now this begs the question

1365

01:02:41,510 --> 01:02:39,059

are these photographs that we're seeing

1366

01:02:42,829 --> 01:02:41,520

on Mars with the tracks and the animals

1367

01:02:45,289 --> 01:02:42,839

in the background

1368

01:02:51,190 --> 01:02:45,299

is that really Mars or is that somewhere

1369

01:02:57,109 --> 01:02:54,470

it could be Utah man it could be exactly

1370

01:03:00,650 --> 01:02:57,119

because you've got all those types of

1371

01:03:02,809 --> 01:03:00,660

terrain yeah so now you're saying

1372

01:03:04,609 --> 01:03:02,819

how is it possible that two planets can

1373

01:03:08,450 --> 01:03:04,619

have almost the same animals and I

1374

01:03:10,789 --> 01:03:08,460

compare apples and oranges and damn if

1375

01:03:13,970 --> 01:03:10,799

they don't look the same now

1376

01:03:15,829 --> 01:03:13,980

I'm I'm taking a chance by saying I've

1377

01:03:18,530 --> 01:03:15,839

discovered that these species I've even

1378

01:03:21,530 --> 01:03:18,540

labeled it with scientific names and

1379

01:03:24,470 --> 01:03:21,540

I've said blah blah blah and Amelia

1380

01:03:26,690 --> 01:03:24,480

to Bando in other words the White Rabbit

1381

01:03:29,270 --> 01:03:26,700

the White Rabbit that everybody used to

1382

01:03:31,849 --> 01:03:29,280

call I'd actually found out that's the

1383

01:03:35,990 --> 01:03:31,859

that some Merchant Bilby and the white

1384

01:03:39,970 --> 01:03:36,000

mole is also uh has a terrestrial cousin

1385

01:03:42,049 --> 01:03:39,980

and I've named that same thing to Bando

1386

01:03:44,089 --> 01:03:42,059

because that's what you do when you

1387

01:03:46,010 --> 01:03:44,099

discover it now if somebody else can say

1388

01:03:48,950 --> 01:03:46,020

to me oh we've already discovered that

1389

01:03:50,950 --> 01:03:48,960

and we've already named it fine yeah I

1390

01:03:53,750 --> 01:03:50,960

put a date on it

1391

01:03:55,430 --> 01:03:53,760

Terry stay right there uh they got to

1392

01:03:57,950 --> 01:03:55,440

get a break in our guest tonight Terry

1393

01:03:59,569 --> 01:03:57,960

to Bando this is Fade to Black stay with

1394

01:04:01,430 --> 01:03:59,579

us

1395

01:04:03,710 --> 01:04:01,440

this is Jimmy Church of Fade to Black

1396

01:04:05,930 --> 01:04:03,720

please visit all of our sponsors we're

1397

01:04:07,609 --> 01:04:05,940

taking a quick break here all of the

1398

01:04:09,849 --> 01:04:07,619

links are below

1399

01:04:14,329 --> 01:04:09,859

and we'll be right back

1400

01:04:16,849 --> 01:04:14,339

join us November 10th 11th and 12th 2023

1401
01:04:19,490 --> 01:04:16,859
as disclosure Fest foundation and Fade

1402
01:04:22,069 --> 01:04:19,500
to Black radio presents Stairway To the

1403
01:04:24,470 --> 01:04:22,079
Stars a human Origins Science and

1404
01:04:27,530 --> 01:04:24,480
Technology Expo live at the Luxor Hotel

1405
01:04:29,809 --> 01:04:27,540
and Casino and the Las Vegas Strip with

1406
01:04:31,789 --> 01:04:29,819
live talks and lectures and workshops by

1407
01:04:33,890 --> 01:04:31,799
World Acclaim researchers and authors

1408
01:04:36,470 --> 01:04:33,900
this is Jimmy Church by the way and I'll

1409
01:04:38,750 --> 01:04:36,480
be your host all weekend long featuring

1410
01:04:40,910 --> 01:04:38,760
topics like human Origins ancient

1411
01:04:43,849 --> 01:04:40,920
Technologies indigenous teachings

1412
01:04:46,190 --> 01:04:43,859
workshops a mass meditation yoga and

1413
01:04:48,950 --> 01:04:46,200

sound healing music and so much more

1414

01:04:51,770 --> 01:04:48,960

don't miss our intimate Skywatch and

1415

01:04:54,650 --> 01:04:51,780

meteor shower over the infamous Area 51

1416

01:04:56,390 --> 01:04:54,660

airspace in Rachel Nevada with a special

1417

01:04:58,730 --> 01:04:56,400

surprise celebrity host guiding us

1418

01:05:02,569 --> 01:04:58,740

through the night also introducing our

1419

01:05:04,789 --> 01:05:02,579

disclosure Fest VR Starship area with

1420

01:05:07,549 --> 01:05:04,799

dozens of rides you've gotta check it

1421

01:05:09,109 --> 01:05:07,559

out this event will sell out for more

1422

01:05:12,049 --> 01:05:09,119

information and tickets Please visit

1423

01:05:14,270 --> 01:05:12,059

disclosure yourfest.org this is Jimmy

1424

01:05:18,049 --> 01:05:14,280

church and I want to introduce you to

1425

01:05:20,390 --> 01:05:18,059

lifewaves x39 Stem Cell Activation patch

1426
01:05:23,809 --> 01:05:20,400
which has totally transformed my health

1427
01:05:26,750 --> 01:05:23,819
my sleep brain and my eyes I no longer

1428
01:05:28,849 --> 01:05:26,760
need reading glasses x39 is a true

1429
01:05:32,990 --> 01:05:28,859
breakthrough in regenerative science

1430
01:05:35,630 --> 01:05:33,000
using light x-39's patented age reversal

1431
01:05:37,549 --> 01:05:35,640
Technologies clinically proven to Signal

1432
01:05:39,890 --> 01:05:37,559
the activation of younger stem cells

1433
01:05:43,130 --> 01:05:39,900
accelerating the body's natural healing

1434
01:05:45,410 --> 01:05:43,140
process x39 promotes restoration and

1435
01:05:47,870 --> 01:05:45,420
Rejuvenation bringing the life-changing

1436
01:05:50,150 --> 01:05:47,880
benefits that I've experienced by

1437
01:05:53,270 --> 01:05:50,160
naturally elevating a master signaling

1438
01:05:55,970 --> 01:05:53,280

peptide in the body x39 boost Vitality

1439

01:05:58,910 --> 01:05:55,980

health and wellness and resets 4 000

1440

01:06:01,549 --> 01:05:58,920

genes to a younger healthier State it's

1441

01:06:05,289 --> 01:06:01,559

one patch once a day and you can turn

1442

01:06:08,690 --> 01:06:05,299

back time with x-39 just go to

1443

01:06:10,329 --> 01:06:08,700

healingworksnow.com that's works with an

1444

01:06:13,789 --> 01:06:10,339

X healing

1445

01:06:16,069 --> 01:06:13,799

worksnow.com hey everybody it's Billy

1446

01:06:17,990 --> 01:06:16,079

Carson also known as Forbidden Knowledge

1447

01:06:20,809 --> 01:06:18,000

I want to talk to you about a very

1448

01:06:23,630 --> 01:06:20,819

special event coming up July 30th 2023

1449

01:06:25,010 --> 01:06:23,640

The Forbidden conscious Awards we're

1450

01:06:26,569 --> 01:06:25,020

going to honor people who have been

1451
01:06:28,910 --> 01:06:26,579
contributing to the conscious Community

1452
01:06:30,529 --> 01:06:28,920
for decades people that you know and

1453
01:06:32,510 --> 01:06:30,539
love that have helped you get to higher

1454
01:06:34,069 --> 01:06:32,520
levels of thought and Consciousness and

1455
01:06:36,049 --> 01:06:34,079
awareness it's going to be alive

1456
01:06:37,609 --> 01:06:36,059
in-person event but seats are going to

1457
01:06:39,349 --> 01:06:37,619
sell out very fast you want to make sure

1458
01:06:41,390 --> 01:06:39,359
you're there in person and guess what

1459
01:06:43,370 --> 01:06:41,400
you can help vote for the winners voting

1460
01:06:45,289 --> 01:06:43,380
is available on forbiddenknowledge.com

1461
01:06:47,870 --> 01:06:45,299
and the categories are going to be

1462
01:06:50,390 --> 01:06:47,880
social media influencer podcast slash

1463
01:06:52,490 --> 01:06:50,400

radio host TV host actor director

1464

01:06:54,230 --> 01:06:52,500

producer entrepreneurs health and

1465

01:06:56,690 --> 01:06:54,240

wellness philanthropists authors field

1466

01:06:58,430 --> 01:06:56,700

researchers archaeologists space anomaly

1467

01:07:01,250 --> 01:06:58,440

hunters and of course a Lifetime

1468

01:07:03,170 --> 01:07:01,260

Achievement Award I'll be your key note

1469

01:07:05,089 --> 01:07:03,180

speaker that night at The Forbidden

1470

01:07:07,430 --> 01:07:05,099

conscious Awards we have celebrity

1471

01:07:08,990 --> 01:07:07,440

guests performing we'll have a halftime

1472

01:07:10,549 --> 01:07:09,000

show where we're actually going to

1473

01:07:12,890 --> 01:07:10,559

perform music for for you and don't

1474

01:07:14,930 --> 01:07:12,900

forget about the pre-event mixer where

1475

01:07:16,970 --> 01:07:14,940

if you buy a box seat you'll be in the

1476

01:07:19,010 --> 01:07:16,980

VIP section and you also have private

1477

01:07:21,470 --> 01:07:19,020

access to a Big Apple mixer with

1478

01:07:24,049 --> 01:07:21,480

celebrity guests shake hands break bread

1479

01:07:25,910 --> 01:07:24,059

Network and then walk the red carpet

1480

01:07:27,349 --> 01:07:25,920

with us and take amazing photos it's

1481

01:07:28,970 --> 01:07:27,359

going to be a night to remember you

1482

01:07:30,589 --> 01:07:28,980

don't want to forget this make sure you

1483

01:07:32,750 --> 01:07:30,599

hurry up and get your tickets because

1484

01:07:34,910 --> 01:07:32,760

you're selling out very fast I want to

1485

01:07:35,970 --> 01:07:34,920

see you there forbidden conscious Wars

1486

01:07:39,589 --> 01:07:35,980

2023

1487

01:07:43,010 --> 01:07:39,599

[Music]

1488

01:07:45,829 --> 01:07:43,020

River Moon coffee makers of the Fade to

1489

01:07:47,650 --> 01:07:45,839

Black blend truly the best coffee on

1490

01:07:49,910 --> 01:07:47,660

planet Earth just visit

1491

01:07:51,770 --> 01:07:49,920

rivermoonwellness.com or their Amazon

1492

01:07:53,210 --> 01:07:51,780

store it's all simple to do you can

1493

01:07:55,309 --> 01:07:53,220

check out the Fade to Black blend the

1494

01:07:57,950 --> 01:07:55,319

game changer Blend or any of their black

1495

01:08:01,730 --> 01:07:57,960

moon wellness products it's the only

1496

01:08:06,950 --> 01:08:01,740

coffee I drink it is the best and it's

1497

01:08:11,270 --> 01:08:09,170

all right Welcome Back Fade to Black I'm

1498

01:08:16,249 --> 01:08:11,280

Yours chimney church tonight Our Guest

1499

01:08:18,709 --> 01:08:16,259

is Terry demando and Terry has uh got a

1500

01:08:21,169 --> 01:08:18,719

six volume set out

1501

01:08:23,630 --> 01:08:21,179

um I want to go through these uh Terry

1502

01:08:27,890 --> 01:08:23,640

great conversation so far by the way but

1503

01:08:31,430 --> 01:08:27,900

uh uh the the books themselves

1504

01:08:35,749 --> 01:08:31,440

um uh you describe them as encyclopedia

1505

01:08:40,010 --> 01:08:35,759

as reference books as textbooks and

1506

01:08:43,309 --> 01:08:40,020

volume one is the global evidence of the

1507

01:08:45,229 --> 01:08:43,319

UFO and ETI presence

1508

01:08:48,410 --> 01:08:45,239

um and before I get your comments on

1509

01:08:51,950 --> 01:08:48,420

that one of the things I look I live in

1510

01:08:54,110 --> 01:08:51,960

them we all do this 2023. I see stuff

1511

01:08:56,090 --> 01:08:54,120

all the time and I've seen what I've

1512

01:08:58,309 --> 01:08:56,100

seen but I also

1513

01:09:01,550 --> 01:08:58,319

I like to go back before there were

1514

01:09:05,150 --> 01:09:01,560

flying machines and and look at the ET

1515

01:09:09,950 --> 01:09:05,160

presence of uh throughout history uh

1516

01:09:13,010 --> 01:09:09,960

before 1900 1945 and and before uh it's

1517

01:09:15,590 --> 01:09:13,020

uh it's always interesting to me

1518

01:09:17,570 --> 01:09:15,600

um what do you think the presence is do

1519

01:09:21,829 --> 01:09:17,580

you think it's best represented in what

1520

01:09:26,450 --> 01:09:21,839

we're seeing today or uh historic

1521

01:09:32,090 --> 01:09:27,829

um I'm

1522

01:09:35,269 --> 01:09:32,100

I'm a big fan of history and uh part of

1523

01:09:37,970 --> 01:09:35,279

my interest is history uh medieval

1524

01:09:40,370 --> 01:09:37,980

history uh even some archaeological

1525

01:09:43,490 --> 01:09:40,380

history

1526

01:09:46,610 --> 01:09:43,500

um I have an interest obviously in UFO

1527

01:09:49,729 --> 01:09:46,620

and ET phenomena I have an interest in

1528

01:09:54,890 --> 01:09:49,739

comparative religions I have an interest

1529

01:09:56,630 --> 01:09:54,900

in alternative energy forms in the back

1530

01:10:00,890 --> 01:09:56,640

um right here

1531

01:10:02,510 --> 01:10:00,900

right there are my books they're bigger

1532

01:10:04,070 --> 01:10:02,520

than any of the other books that are on

1533

01:10:08,330 --> 01:10:04,080

the bookshelf there

1534

01:10:09,650 --> 01:10:08,340

and uh volume one is 840 Pages now you

1535

01:10:10,729 --> 01:10:09,660

have to understand something when I

1536

01:10:13,910 --> 01:10:10,739

wrote this

1537

01:10:14,750 --> 01:10:13,920

uh the set of uh books I wrote it as one

1538

01:10:21,229 --> 01:10:14,760

book

1539

01:10:23,270 --> 01:10:21,239

3636 pages and I had to obviously divide

1540

01:10:26,030 --> 01:10:23,280

it up into volumes because nobody's

1541

01:10:28,970 --> 01:10:26,040

going to print a book that's this wide

1542

01:10:31,430 --> 01:10:28,980

and and maybe 50 pounds or thereabouts

1543

01:10:34,310 --> 01:10:31,440

uh the first volume is six and a half

1544

01:10:37,310 --> 01:10:34,320

pounds it's it's massive it's full of

1545

01:10:38,750 --> 01:10:37,320

colored pictures all of the the books

1546

01:10:42,290 --> 01:10:38,760

that I've written have colored pictures

1547

01:10:44,810 --> 01:10:42,300

which makes it expensive uh like a

1548

01:10:46,729 --> 01:10:44,820

university book in fact I've had I've

1549

01:10:49,450 --> 01:10:46,739

approached Universities at it and they

1550

01:10:52,189 --> 01:10:49,460

said well at least up in Canada

1551
01:10:55,550 --> 01:10:52,199
you know we only teach one week of that

1552
01:10:57,470 --> 01:10:55,560
in astronomy and I said we have nobody

1553
01:10:59,870 --> 01:10:57,480
here that could teach it I said well I

1554
01:11:03,110 --> 01:10:59,880
could teach it

1555
01:11:05,510 --> 01:11:03,120
the thing about this is that

1556
01:11:08,209 --> 01:11:05,520
when I wrote it I realized there was a

1557
01:11:10,729 --> 01:11:08,219
lot of errors in the database which I

1558
01:11:14,830 --> 01:11:10,739
mentioned earlier now the thing about

1559
01:11:17,510 --> 01:11:14,840
this is as I went through I had to

1560
01:11:19,850 --> 01:11:17,520
recorrect some of that to the best of my

1561
01:11:22,689 --> 01:11:19,860
ability and what I did was I had to look

1562
01:11:25,070 --> 01:11:22,699
for three or four

1563
01:11:28,010 --> 01:11:25,080

references that were good references

1564

01:11:32,330 --> 01:11:28,020

that confirmed the same thing if they

1565

01:11:35,330 --> 01:11:32,340

did that I utilized it and so all uh

1566

01:11:38,810 --> 01:11:35,340

quotes that I use in there has a

1567

01:11:42,310 --> 01:11:38,820

reference link there's either a book a

1568

01:11:45,530 --> 01:11:42,320

magazine a newspaper a web link a video

1569

01:11:48,250 --> 01:11:45,540

agraphy link in other words for instance

1570

01:11:51,890 --> 01:11:48,260

it's all colored coded the blue

1571

01:11:55,250 --> 01:11:51,900

references would be for web links and

1572

01:11:58,370 --> 01:11:55,260

the green would be for bibliography and

1573

01:12:01,490 --> 01:11:58,380

then the red would be for books etc etc

1574

01:12:03,470 --> 01:12:01,500

and so uh there are literally pages in

1575

01:12:06,169 --> 01:12:03,480

the back of the book with all these

1576

01:12:08,870 --> 01:12:06,179

references that I use so there's a

1577

01:12:12,050 --> 01:12:08,880

massive reference uh section there's a

1578

01:12:13,570 --> 01:12:12,060

massive index section the the there's

1579

01:12:19,010 --> 01:12:13,580

something like

1580

01:12:22,189 --> 01:12:19,020

122 124 chapters in the whole uh set of

1581

01:12:26,090 --> 01:12:22,199

books each of them is full of colored

1582

01:12:28,550 --> 01:12:26,100

photographs each of them is conclusive

1583

01:12:31,370 --> 01:12:28,560

and and complete in its own volume

1584

01:12:33,950 --> 01:12:31,380

except for volumes four and five which

1585

01:12:36,610 --> 01:12:33,960

uh basically follow each other because

1586

01:12:39,470 --> 01:12:36,620

it's a virtual tour

1587

01:12:42,169 --> 01:12:39,480

through our solar system to look for

1588

01:12:43,970 --> 01:12:42,179

extraterrestrial life and I stop along

1589

01:12:47,330 --> 01:12:43,980

each of the planets and look at the

1590

01:12:50,330 --> 01:12:47,340

atmospheres and and the the stories or

1591

01:12:53,030 --> 01:12:50,340

the the uh the scientific knowledge that

1592

01:12:55,189 --> 01:12:53,040

that is attributed to it and Mars is the

1593

01:12:59,330 --> 01:12:55,199

one that really stands out because

1594

01:13:02,810 --> 01:12:59,340

there's all kinds of things on it so

1595

01:13:06,050 --> 01:13:02,820

when NASA says that you know this is a

1596

01:13:07,970 --> 01:13:06,060

cool dead Baron Planet you know Russian

1597

01:13:10,130 --> 01:13:07,980

uh astronauts were actually trying to

1598

01:13:12,649 --> 01:13:10,140

breathe uh some of the Martian

1599

01:13:18,290 --> 01:13:12,659

atmosphere to condition their their

1600

01:13:20,390 --> 01:13:18,300

cosmonauts in the eventual uh uh uh time

1601
01:13:22,729 --> 01:13:20,400
when they would land on the on Mars and

1602
01:13:27,910 --> 01:13:22,739
they were gonna try and breathe Martian

1603
01:13:31,669 --> 01:13:27,920
atmosphere there is nothing nothing is a

1604
01:13:34,550 --> 01:13:31,679
signature of mostly animal or plant life

1605
01:13:37,250 --> 01:13:34,560
even if it's minute it's an indication

1606
01:13:39,830 --> 01:13:37,260
it can come from rocks

1607
01:13:41,870 --> 01:13:39,840
which means that it can come up as a gas

1608
01:13:45,590 --> 01:13:41,880
and leak out into space

1609
01:13:48,950 --> 01:13:45,600
but Mars does have an atmosphere

1610
01:13:51,890 --> 01:13:48,960
and all the evidence I found and that I

1611
01:13:54,350 --> 01:13:51,900
sent you photographs of of this is that

1612
01:13:57,229 --> 01:13:54,360
uh it indicates that there's all kinds

1613
01:13:58,430 --> 01:13:57,239

of life forms on there this also begs

1614

01:14:00,290 --> 01:13:58,440

the question that if we're seeing

1615

01:14:03,050 --> 01:14:00,300

similarities between some of the animal

1616

01:14:06,050 --> 01:14:03,060

life forms on Mars and on Earth

1617

01:14:08,810 --> 01:14:06,060

is there a possibility that martians

1618

01:14:11,990 --> 01:14:08,820

came to Earth and seeded Earth with

1619

01:14:15,950 --> 01:14:12,000

various life forms or did

1620

01:14:18,350 --> 01:14:15,960

some ancient past of humanity went to

1621

01:14:21,110 --> 01:14:18,360

Mars and brought stuff or was something

1622

01:14:22,729 --> 01:14:21,120

else going on entirely you don't

1623

01:14:25,070 --> 01:14:22,739

normally get

1624

01:14:26,570 --> 01:14:25,080

um a lot of similarities on different

1625

01:14:29,930 --> 01:14:26,580

planets because they're different

1626

01:14:32,870 --> 01:14:29,940

they're not twins they're not exactly

1627

01:14:35,990 --> 01:14:32,880

the same even though Mars may have had

1628

01:14:38,090 --> 01:14:36,000

oceans and seas at one time and a lot of

1629

01:14:40,610 --> 01:14:38,100

the Rovers that are running around are

1630

01:14:43,430 --> 01:14:40,620

going around into areas where there is

1631

01:14:45,470 --> 01:14:43,440

believed to be water and NASA I think

1632

01:14:48,470 --> 01:14:45,480

has finally come out and admitted there

1633

01:14:50,510 --> 01:14:48,480

is ice water there is molecules or deep

1634

01:14:53,570 --> 01:14:50,520

down in the ground there's water

1635

01:14:56,270 --> 01:14:53,580

all the pictures that I've got show

1636

01:14:57,950 --> 01:14:56,280

water on the surface puddles as well as

1637

01:15:00,950 --> 01:14:57,960

Lakes

1638

01:15:02,510 --> 01:15:00,960

the thing about this is that when we

1639

01:15:05,330 --> 01:15:02,520

look at history

1640

01:15:07,970 --> 01:15:05,340

and what was occurring in their ancient

1641

01:15:10,750 --> 01:15:07,980

time yes I believe we were being visited

1642

01:15:14,030 --> 01:15:10,760

but if we're looking at Ancient Aliens

1643

01:15:17,149 --> 01:15:14,040

and the programs that we see from that

1644

01:15:19,990 --> 01:15:17,159

or the the the stories on on the

1645

01:15:22,189 --> 01:15:20,000

Discovery Channel The History Channel

1646

01:15:24,830 --> 01:15:22,199

what we're finding is it's more like

1647

01:15:26,270 --> 01:15:24,840

docu entertainment in other words we're

1648

01:15:28,850 --> 01:15:26,280

going to get some truth but we're going

1649

01:15:32,689 --> 01:15:28,860

to get a lot of subjective conjecture

1650

01:15:36,110 --> 01:15:32,699

it's a lot of interpretation and what

1651

01:15:38,990 --> 01:15:36,120

happens is that they will look at say

1652

01:15:42,229 --> 01:15:39,000

some uh aspects of ancient religions and

1653

01:15:44,090 --> 01:15:42,239

say those were extraterrestrials you can

1654

01:15:46,910 --> 01:15:44,100

tell by the wings and the hoop around

1655

01:15:50,149 --> 01:15:46,920

the individual well if you were talking

1656

01:15:53,810 --> 01:15:50,159

to a Zara Russian a believer

1657

01:15:58,330 --> 01:15:53,820

that image is of Zoro roster

1658

01:16:00,649 --> 01:15:58,340

the profit for them and you're basically

1659

01:16:01,610 --> 01:16:00,659

giving them a slap across the side of

1660

01:16:03,709 --> 01:16:01,620

the head and said no he's in

1661

01:16:06,830 --> 01:16:03,719

extraterrestrial when they know he's a

1662

01:16:08,450 --> 01:16:06,840

prophet of God much like Moses was a

1663

01:16:10,729 --> 01:16:08,460

prophet of God like Christ was the

1664

01:16:12,770 --> 01:16:10,739

prophet of God like Buddha the Bob

1665

01:16:16,250 --> 01:16:12,780

baha'u'llah all these were

1666

01:16:18,530 --> 01:16:16,260

manifestations of God and so that's the

1667

01:16:20,990 --> 01:16:18,540

spiritual connection to all of these

1668

01:16:24,550 --> 01:16:21,000

things in the past but

1669

01:16:26,830 --> 01:16:24,560

et's also have an awareness of a supreme

1670

01:16:30,169 --> 01:16:26,840

force a supreme

1671

01:16:31,189 --> 01:16:30,179

deity Oneness whatever you want to call

1672

01:16:38,090 --> 01:16:31,199

it

1673

01:16:39,709 --> 01:16:38,100

creative force in the universe

1674

01:16:43,310 --> 01:16:39,719

and

1675

01:16:47,090 --> 01:16:43,320

It is believed that in some uh ETS that

1676
01:16:49,270 --> 01:16:47,100
we are engaging with that they're using

1677
01:16:52,130 --> 01:16:49,280
such

1678
01:16:55,370 --> 01:16:52,140
benevolence as opposed to malevolence

1679
01:16:58,010 --> 01:16:55,380
and and this is again the the whole

1680
01:17:01,070 --> 01:16:58,020
thing about alien objections and good

1681
01:17:04,550 --> 01:17:01,080
ETS badities has created a real divide

1682
01:17:07,130 --> 01:17:04,560
in in the UFO Community it's polarized

1683
01:17:09,470 --> 01:17:07,140
us and I've I've had people that I've

1684
01:17:12,709 --> 01:17:09,480
talked to who literally got almost

1685
01:17:15,410 --> 01:17:12,719
violent with me because they said that I

1686
01:17:17,689 --> 01:17:15,420
had a real abduction and how dare you

1687
01:17:21,290 --> 01:17:17,699
tell me that these et's were peaceful

1688
01:17:23,630 --> 01:17:21,300

and I said I never told you that your

1689

01:17:26,930 --> 01:17:23,640

experience was negative or that it was

1690

01:17:29,270 --> 01:17:26,940

not real because I wasn't there your

1691

01:17:32,330 --> 01:17:29,280

experience is your experience

1692

01:17:35,030 --> 01:17:32,340

just as my experience is my experience

1693

01:17:37,310 --> 01:17:35,040

I've had so many years of contact

1694

01:17:39,169 --> 01:17:37,320

so many years of sightings I've seen the

1695

01:17:41,810 --> 01:17:39,179

military you chased them around in the

1696

01:17:43,370 --> 01:17:41,820

skies down in the states so I know what

1697

01:17:46,189 --> 01:17:43,380

they're up to

1698

01:17:49,669 --> 01:17:46,199

the fact of the matter is all of my

1699

01:17:51,290 --> 01:17:49,679

contacts have always been positive never

1700

01:17:54,110 --> 01:17:51,300

negative

1701

01:17:58,010 --> 01:17:54,120

so if we're getting some negativity

1702

01:17:59,930 --> 01:17:58,020

showing up why would you have one

1703

01:18:02,149 --> 01:17:59,940

species come to this planet and be

1704

01:18:04,490 --> 01:18:02,159

absolutely terrible to us and another

1705

01:18:07,669 --> 01:18:04,500

species come and be absolutely wonderful

1706

01:18:09,709 --> 01:18:07,679

and another species just neutral if we

1707

01:18:12,050 --> 01:18:09,719

have a United Nations on this planet

1708

01:18:13,850 --> 01:18:12,060

where we have Nations coming together to

1709

01:18:15,770 --> 01:18:13,860

work out their problems and all the rest

1710

01:18:18,550 --> 01:18:15,780

of it do you not think that maybe

1711

01:18:21,709 --> 01:18:18,560

there's some form of global or

1712

01:18:23,510 --> 01:18:21,719

interplanetary Unity amongst them that

1713

01:18:25,610 --> 01:18:23,520

there are different species gathering

1714

01:18:27,410 --> 01:18:25,620

together to work out their differences

1715

01:18:29,270 --> 01:18:27,420

because if they're traveling around

1716

01:18:32,209 --> 01:18:29,280

through the Stars you're going to be

1717

01:18:33,770 --> 01:18:32,219

running into them every so often and

1718

01:18:36,649 --> 01:18:33,780

you've got to be able to deal with them

1719

01:18:39,110 --> 01:18:36,659

on a level that is non-hostile and

1720

01:18:41,090 --> 01:18:39,120

aggressive so if we're getting that

1721

01:18:43,189 --> 01:18:41,100

happening here why are they fighting

1722

01:18:44,630 --> 01:18:43,199

over the Earth people say Well they're

1723

01:18:46,490 --> 01:18:44,640

fighting for the resources they're

1724

01:18:48,470 --> 01:18:46,500

fighting for our DNA they want to

1725

01:18:50,930 --> 01:18:48,480

control us well if they want to control

1726

01:18:56,950 --> 01:18:50,940

us they've had tens of thousands of

1727

01:19:04,790 --> 01:19:00,890

yeah yeah and that's a really good point

1728

01:19:06,950 --> 01:19:04,800

um and you are you have an aura of being

1729

01:19:09,050 --> 01:19:06,960

a nice person right you can see that

1730

01:19:10,970 --> 01:19:09,060

aura about you Terry

1731

01:19:14,149 --> 01:19:10,980

um let me ask you this have you ever

1732

01:19:17,930 --> 01:19:14,159

been fishing uh

1733

01:19:20,149 --> 01:19:17,940

printing yeah have you ever been uh once

1734

01:19:23,330 --> 01:19:20,159

or twice in my lifetime okay so you're

1735

01:19:26,090 --> 01:19:23,340

fishing right and and you hook a fish

1736

01:19:29,630 --> 01:19:26,100

and pull it out of the water

1737

01:19:32,810 --> 01:19:29,640

um you you're a nice person but down

1738

01:19:34,970 --> 01:19:32,820

below there is a fish that goes holy

1739

01:19:37,250 --> 01:19:34,980

crap there is an evil

1740

01:19:40,610 --> 01:19:37,260

evil presence up there I don't know

1741

01:19:42,709 --> 01:19:40,620

what's going on above the the edge of

1742

01:19:44,510 --> 01:19:42,719

our universe right the surface of the

1743

01:19:47,090 --> 01:19:44,520

water but there's something up there

1744

01:19:50,750 --> 01:19:47,100

that is just grabbing us and abducting

1745

01:19:53,930 --> 01:19:50,760

us and eating us right and and but but

1746

01:19:56,689 --> 01:19:53,940

yet it's you and you're not a bad person

1747

01:20:01,370 --> 01:19:56,699

and and we have to we have to accept

1748

01:20:03,350 --> 01:20:01,380

that that E.T is is what it is doesn't

1749

01:20:06,830 --> 01:20:03,360

necessarily mean it's benevolent or

1750

01:20:09,350 --> 01:20:06,840

benevolent or and I'm not uh in any way

1751
01:20:10,910 --> 01:20:09,360
saying that uh abductions are a good

1752
01:20:13,490 --> 01:20:10,920
thing

1753
01:20:16,370 --> 01:20:13,500
um no I'm not I'm not suggesting that at

1754
01:20:18,830 --> 01:20:16,380
all but we have to really look at

1755
01:20:20,510 --> 01:20:18,840
ourselves when we when we think about

1756
01:20:21,830 --> 01:20:20,520
what is going on out there in the

1757
01:20:24,590 --> 01:20:21,840
universe

1758
01:20:28,610 --> 01:20:24,600
um we were very blind to that that we

1759
01:20:31,910 --> 01:20:28,620
need to uh think that everything is a

1760
01:20:33,830 --> 01:20:31,920
bit different and if we back it up

1761
01:20:38,209 --> 01:20:33,840
um just a little bit

1762
01:20:41,810 --> 01:20:38,219
E.T arriving here before radar and

1763
01:20:44,450 --> 01:20:41,820

before Electronics right E.T could come

1764

01:20:47,090 --> 01:20:44,460

and go as they wished we didn't know

1765

01:20:50,750 --> 01:20:47,100

that they were coming we had no idea

1766

01:20:53,870 --> 01:20:50,760

that it didn't no telescope nothing and

1767

01:20:56,630 --> 01:20:53,880

so there was a freedom of entering and

1768

01:21:00,590 --> 01:20:56,640

leaving this planet and the

1769

01:21:02,689 --> 01:21:00,600

civilizations had no clue of uh an

1770

01:21:04,850 --> 01:21:02,699

extraterrestrial presence out there in

1771

01:21:07,189 --> 01:21:04,860

the universe we didn't have that world

1772

01:21:10,010 --> 01:21:07,199

view yet we didn't have that knowledge

1773

01:21:12,169 --> 01:21:10,020

base yet we didn't understand and and

1774

01:21:16,430 --> 01:21:12,179

but now we do

1775

01:21:19,070 --> 01:21:16,440

so ET is aware of that they know that we

1776

01:21:20,990 --> 01:21:19,080

know that there are that they're coming

1777

01:21:23,870 --> 01:21:21,000

towards us we know when they enter the

1778

01:21:26,870 --> 01:21:23,880

atmosphere we have uh technology and

1779

01:21:30,229 --> 01:21:26,880

sensor systems that uh tell us what they

1780

01:21:32,689 --> 01:21:30,239

are doing so they have to avoid that now

1781

01:21:34,610 --> 01:21:32,699

and maybe it is an interdimensional

1782

01:21:36,189 --> 01:21:34,620

thing and and that's part of the

1783

01:21:40,310 --> 01:21:36,199

differences of what we're seeing today

1784

01:21:42,470 --> 01:21:40,320

versus in the past and and that's just

1785

01:21:45,410 --> 01:21:42,480

the way we are as a species on this

1786

01:21:47,810 --> 01:21:45,420

planet why would ET be any different we

1787

01:21:50,810 --> 01:21:47,820

need to change our mindset yeah the way

1788

01:21:53,229 --> 01:21:50,820

that we look at it exactly and you know

1789

01:21:55,729 --> 01:21:53,239

the thing is that um

1790

01:21:58,189 --> 01:21:55,739

it's no different than if we went back

1791

01:22:00,770 --> 01:21:58,199

in time with our cell phones and cameras

1792

01:22:02,990 --> 01:22:00,780

and and whatever else electronic

1793

01:22:05,990 --> 01:22:03,000

it would appear as magic

1794

01:22:08,169 --> 01:22:06,000

it'd be voodoo voodoo and I think it was

1795

01:22:10,370 --> 01:22:08,179

Arthur C Clarke that said any true

1796

01:22:13,370 --> 01:22:10,380

extraterrestrial civilization will

1797

01:22:16,370 --> 01:22:13,380

appear like magic and that's exactly

1798

01:22:18,430 --> 01:22:16,380

what we're experiencing uh you gotta

1799

01:22:21,410 --> 01:22:18,440

understand something here and and and

1800

01:22:24,290 --> 01:22:21,420

not you personally but the your

1801
01:22:25,850 --> 01:22:24,300
listenership and that is we just went

1802
01:22:28,189 --> 01:22:25,860
through a pandemic for the last couple

1803
01:22:30,590 --> 01:22:28,199
of years and it was a disease that we

1804
01:22:32,810 --> 01:22:30,600
were spreading amongst ourselves and uh

1805
01:22:34,810 --> 01:22:32,820
people were dying and we were being

1806
01:22:36,729 --> 01:22:34,820
locked down and all the rest now imagine

1807
01:22:39,290 --> 01:22:36,739
a physical

1808
01:22:41,510 --> 01:22:39,300
extraterrestrial regardless of where he

1809
01:22:45,530 --> 01:22:41,520
comes from and he's having physical

1810
01:22:49,810 --> 01:22:45,540
contact with people that means

1811
01:22:53,930 --> 01:22:49,820
if he's abducting us and doing whatever

1812
01:22:55,130 --> 01:22:53,940
experiments or or probing or taking DNA

1813
01:22:57,050 --> 01:22:55,140

samples

1814

01:22:58,790 --> 01:22:57,060

what are the chances that we're going to

1815

01:23:01,370 --> 01:22:58,800

be picking up something extraterrestrial

1816

01:23:02,870 --> 01:23:01,380

from sure what's your chances that he's

1817

01:23:06,410 --> 01:23:02,880

going to pick up something terrestrial

1818

01:23:08,510 --> 01:23:06,420

in other words when people and I'm again

1819

01:23:09,350 --> 01:23:08,520

I'm putting myself out in alerts here

1820

01:23:10,970 --> 01:23:09,360

but

1821

01:23:13,330 --> 01:23:10,980

when people tell me I had a physical

1822

01:23:16,310 --> 01:23:13,340

contact with an ET

1823

01:23:20,810 --> 01:23:16,320

uh I said well how did you deal with the

1824

01:23:23,689 --> 01:23:20,820

uh the bio cross-contamination what I

1825

01:23:25,729 --> 01:23:23,699

did I said you know the E.T I mean he's

1826

01:23:27,950 --> 01:23:25,739

going to have diseases and well they

1827

01:23:30,590 --> 01:23:27,960

they just take care of things oh so you

1828

01:23:33,290 --> 01:23:30,600

made a presumption based on uh something

1829

01:23:35,330 --> 01:23:33,300

that you really don't understand I'd say

1830

01:23:37,970 --> 01:23:35,340

to people look if you're having a

1831

01:23:40,610 --> 01:23:37,980

physical contact there's a good chance

1832

01:23:43,910 --> 01:23:40,620

you're gonna pick up something case in

1833

01:23:46,610 --> 01:23:43,920

point the the case in Virginia Brazil

1834

01:23:49,070 --> 01:23:46,620

where a craft came down the beans got

1835

01:23:51,050 --> 01:23:49,080

out and ran around in some of the

1836

01:23:53,930 --> 01:23:51,060

pictures I sent you there's an actual

1837

01:23:54,709 --> 01:23:53,940

photograph of that being with a net over

1838

01:23:57,590 --> 01:23:54,719

it

1839

01:24:00,709 --> 01:23:57,600

the thing about that one person touched

1840

01:24:04,209 --> 01:24:00,719

that being when a half hour he died

1841

01:24:08,510 --> 01:24:04,219

well we probably gave E.T covid

1842

01:24:13,310 --> 01:24:08,520

who knows you know it does it does kind

1843

01:24:16,250 --> 01:24:13,320

of go both ways there was there was

1844

01:24:18,890 --> 01:24:16,260

um a statement this is about five years

1845

01:24:20,689 --> 01:24:18,900

ago and it was pretty incredible and

1846

01:24:24,410 --> 01:24:20,699

then it just disappeared but there was a

1847

01:24:26,709 --> 01:24:24,420

press release that outside of the

1848

01:24:29,510 --> 01:24:26,719

International Space Station

1849

01:24:32,330 --> 01:24:29,520

bacteria was growing

1850

01:24:37,689 --> 01:24:32,340

now wait a minute now let's just let's

1851
01:24:41,630 --> 01:24:37,699
just unpack that statement that bacteria

1852
01:24:44,689 --> 01:24:41,640
survives in the vacuum of space and has

1853
01:24:46,370 --> 01:24:44,699
collected and is is growing on the

1854
01:24:49,850 --> 01:24:46,380
outside of the of the International

1855
01:24:53,530 --> 01:24:49,860
Space Station that is a pretty

1856
01:24:57,350 --> 01:24:53,540
incredible statement and then it went

1857
01:24:59,209 --> 01:24:57,360
nowhere now obviously they collected

1858
01:25:00,590 --> 01:24:59,219
that bacteria did they bring it to Earth

1859
01:25:02,209 --> 01:25:00,600
did they leave it up on the

1860
01:25:05,450 --> 01:25:02,219
International Space Station whatever

1861
01:25:08,630 --> 01:25:05,460
came of that but the press release was

1862
01:25:12,229 --> 01:25:08,640
real and the statement was uh released

1863
01:25:16,250 --> 01:25:12,239

by NASA and and I thought how incredible

1864

01:25:17,110 --> 01:25:16,260

is this and then it uh it went nowhere

1865

01:25:18,910 --> 01:25:17,120

um

1866

01:25:21,050 --> 01:25:18,920

again again

1867

01:25:25,850 --> 01:25:21,060

a lot like

1868

01:25:30,649 --> 01:25:25,860

um uh meteorites bringing amino acids

1869

01:25:33,410 --> 01:25:30,659

and the basic sugars of RNA uh uh here

1870

01:25:36,410 --> 01:25:33,420

and we found it on asteroids right uh

1871

01:25:40,729 --> 01:25:36,420

Japan has now done it twice we're going

1872

01:25:42,649 --> 01:25:40,739

to get our second load of of uh and this

1873

01:25:45,890 --> 01:25:42,659

is coming from bennu and that's going to

1874

01:25:49,550 --> 01:25:45,900

be in September right uh collection of

1875

01:25:52,010 --> 01:25:49,560

uh stuff from an asteroid and we are

1876

01:25:54,530 --> 01:25:52,020

going to be looking for just that which

1877

01:25:57,169 --> 01:25:54,540

would suggest to me that DNA is

1878

01:25:59,450 --> 01:25:57,179

universal and it also it goes back to

1879

01:26:00,770 --> 01:25:59,460

your point that you made earlier Terry I

1880

01:26:03,590 --> 01:26:00,780

don't want this to get away I'm looking

1881

01:26:06,229 --> 01:26:03,600

at my notes when you said you know uh

1882

01:26:09,110 --> 01:26:06,239

two arms two legs head right this basic

1883

01:26:13,070 --> 01:26:09,120

humanoid figure if DNA is indeed

1884

01:26:16,910 --> 01:26:13,080

Universal why would we expect

1885

01:26:18,890 --> 01:26:16,920

um something different now sure it

1886

01:26:23,590 --> 01:26:18,900

wouldn't necessarily have to look like

1887

01:26:27,970 --> 01:26:23,600

us but two two feet two arms right

1888

01:26:33,050 --> 01:26:27,980

stereo a vision head is a pretty good

1889

01:26:35,149 --> 01:26:33,060

biological design it works right why why

1890

01:26:38,209 --> 01:26:35,159

would it be any different throughout the

1891

01:26:42,169 --> 01:26:38,219

Universe if if asteroids are dropping

1892

01:26:44,570 --> 01:26:42,179

off RNA with uh the instructions for DNA

1893

01:26:48,770 --> 01:26:44,580

on what to do it just makes sense to me

1894

01:26:51,530 --> 01:26:48,780

yeah and I I've taken it further and

1895

01:26:53,750 --> 01:26:51,540

uh this would not be shared with the

1896

01:26:57,430 --> 01:26:53,760

rest of the scientific community

1897

01:27:00,470 --> 01:26:57,440

this is Terry tabando and

1898

01:27:04,129 --> 01:27:00,480

hypothesizing but we have a lot of

1899

01:27:07,370 --> 01:27:04,139

gaseous clouds out in the universe and

1900

01:27:09,410 --> 01:27:07,380

gaseous clouds usually are

1901

01:27:13,850 --> 01:27:09,420

probably the birthplace of a lot of

1902

01:27:16,370 --> 01:27:13,860

stars and planets and we find that there

1903

01:27:18,050 --> 01:27:16,380

are creatures even on this planet that

1904

01:27:20,570 --> 01:27:18,060

live in gas

1905

01:27:23,209 --> 01:27:20,580

so what is the the chances that it could

1906

01:27:26,450 --> 01:27:23,219

also live in a gaseous Cloud out in

1907

01:27:28,970 --> 01:27:26,460

space very very probable uh it's

1908

01:27:31,910 --> 01:27:28,980

probably uh one of the reasons why as

1909

01:27:34,149 --> 01:27:31,920

you say DNA whether it be human or alien

1910

01:27:37,070 --> 01:27:34,159

has been able to

1911

01:27:38,990 --> 01:27:37,080

evolve and Take Shape to become whatever

1912

01:27:40,370 --> 01:27:39,000

you know when we when we talk about

1913

01:27:42,649 --> 01:27:40,380

aliens

1914

01:27:46,250 --> 01:27:42,659

and I was trying to mention this earlier

1915

01:27:47,870 --> 01:27:46,260

and lost my thought but there are beings

1916

01:27:50,810 --> 01:27:47,880

that have appeared on the earth that

1917

01:27:53,090 --> 01:27:50,820

look like body organs they look like

1918

01:27:56,450 --> 01:27:53,100

brains with an eye or they look like

1919

01:28:00,649 --> 01:27:56,460

some kind of blob with uh appendages

1920

01:28:03,590 --> 01:28:00,659

that that are like pseudo arms uh there

1921

01:28:07,070 --> 01:28:03,600

are creatures that are like

1922

01:28:09,229 --> 01:28:07,080

stone or metal which would seem to

1923

01:28:12,070 --> 01:28:09,239

indicate to me that it's a silicon life

1924

01:28:15,110 --> 01:28:12,080

form of some kind

1925

01:28:17,030 --> 01:28:15,120

everything that you can imagine has

1926

01:28:18,470 --> 01:28:17,040

probably shown up at some point or

1927

01:28:21,229 --> 01:28:18,480

another

1928

01:28:24,649 --> 01:28:21,239

um uh there are creatures that are

1929

01:28:30,890 --> 01:28:27,830

with tentacles and stuff like that uh

1930

01:28:33,770 --> 01:28:30,900

beings that are probably uh Giant Eye

1931

01:28:35,270 --> 01:28:33,780

eyeballs um feet I I'm giving you a bit

1932

01:28:37,970 --> 01:28:35,280

of a speculation here and I don't

1933

01:28:41,629 --> 01:28:37,980

usually do that but what I'm saying here

1934

01:28:43,610 --> 01:28:41,639

is that you can imagine or there could

1935

01:28:47,810 --> 01:28:43,620

be almost anything you cannot imagine

1936

01:28:50,510 --> 01:28:47,820

that has existed the Starship human

1937

01:28:51,770 --> 01:28:50,520

humanoid form is a very good form as you

1938

01:28:53,870 --> 01:28:51,780

pointed out

1939

01:28:56,810 --> 01:28:53,880
and we're getting those types of

1940

01:28:59,330 --> 01:28:56,820
creatures that are or intelligences that

1941

01:29:01,729 --> 01:28:59,340
are showing up on this planet

1942

01:29:04,970 --> 01:29:01,739
the thing is that

1943

01:29:09,169 --> 01:29:04,980
you we have to start preparing ourselves

1944

01:29:11,750 --> 01:29:09,179
for the unexpected the unusual the the

1945

01:29:13,790 --> 01:29:11,760
forms of Consciousness that are going to

1946

01:29:16,070 --> 01:29:13,800
be encountered because we're going to

1947

01:29:18,470 --> 01:29:16,080
try and make communication uh at some

1948

01:29:20,930 --> 01:29:18,480
point I mean all my books cover all of

1949

01:29:24,830 --> 01:29:20,940
it there wasn't I basically when I wrote

1950

01:29:27,050 --> 01:29:24,840
them left no stone stone unturned I had

1951

01:29:29,990 --> 01:29:27,060

to find answers to certain questions

1952

01:29:32,090 --> 01:29:30,000

that needed to be asked and I've gone

1953

01:29:34,250 --> 01:29:32,100

down a different paths and what happens

1954

01:29:36,410 --> 01:29:34,260

is it turns out

1955

01:29:37,970 --> 01:29:36,420

a lot of the books that I've written are

1956

01:29:39,709 --> 01:29:37,980

more about the human condition than

1957

01:29:41,750 --> 01:29:39,719

there are about aliens even though

1958

01:29:44,110 --> 01:29:41,760

there's a good portion about aliens

1959

01:29:47,209 --> 01:29:44,120

incredible right right right

1960

01:29:49,610 --> 01:29:47,219

that uh for instance um

1961

01:29:52,010 --> 01:29:49,620

when we talk about their craft and the

1962

01:29:54,830 --> 01:29:52,020

reverse engineering once we understood

1963

01:29:56,510 --> 01:29:54,840

how one or two of The Craft worked we

1964

01:29:58,070 --> 01:29:56,520

put that engine into all the different

1965

01:30:00,530 --> 01:29:58,080

configurations that are out there

1966

01:30:03,410 --> 01:30:00,540

whether they be wind shape Delta shaped

1967

01:30:07,070 --> 01:30:03,420

within the Spheres diamonds uh whether

1968

01:30:09,229 --> 01:30:07,080

they look like barbells whatever you can

1969

01:30:11,510 --> 01:30:09,239

imagine that device is being

1970

01:30:14,209 --> 01:30:11,520

incorporated into it so now it flies

1971

01:30:16,729 --> 01:30:14,219

like a a regular extraterrestrial craft

1972

01:30:19,010 --> 01:30:16,739

the only difference is it can't phase

1973

01:30:20,990 --> 01:30:19,020

shift and move out of phase from one

1974

01:30:24,169 --> 01:30:21,000

reality to another but they're working

1975

01:30:27,350 --> 01:30:24,179

on it there are Laboratories throughout

1976

01:30:31,729 --> 01:30:27,360

the world basically working on this

1977

01:30:33,169 --> 01:30:31,739

problem of trying to find how to uh use

1978

01:30:35,689 --> 01:30:33,179

the the interdimensional

1979

01:30:36,649 --> 01:30:35,699

trans-dimensional technology for

1980

01:30:39,770 --> 01:30:36,659

instance

1981

01:30:42,290 --> 01:30:39,780

um and I I use Dr Greer's um

1982

01:30:44,450 --> 01:30:42,300

uh some of his stories and examples

1983

01:30:46,970 --> 01:30:44,460

where he's actually been in one of these

1984

01:30:51,410 --> 01:30:46,980

underground bases in southwestern United

1985

01:30:54,350 --> 01:30:51,420

States where he saw uh devices that will

1986

01:30:57,050 --> 01:30:54,360

grow back a severed limb back to its

1987

01:31:00,169 --> 01:30:57,060

normal healthy condition he said there's

1988

01:31:02,570 --> 01:31:00,179

technology there there are literally 50

1989

01:31:06,050 --> 01:31:02,580

100 years ahead of what mainstream

1990

01:31:08,470 --> 01:31:06,060

science has now imagine that they're

1991

01:31:10,209 --> 01:31:08,480

using this in every form conceivable

1992

01:31:13,669 --> 01:31:10,219

also understand

1993

01:31:16,850 --> 01:31:13,679

why there are trillions of dollars being

1994

01:31:19,370 --> 01:31:16,860

poured into the military and into black

1995

01:31:21,709 --> 01:31:19,380

projects that are really off the books

1996

01:31:23,870 --> 01:31:21,719

that you can never find out about

1997

01:31:25,910 --> 01:31:23,880

Dr Greer is going to be giving uh

1998

01:31:28,310 --> 01:31:25,920

another

1999

01:31:31,129 --> 01:31:28,320

event at a disclosure event at

2000

01:31:34,850 --> 01:31:31,139

Washington DC on the 12th of June that

2001
01:31:37,250 --> 01:31:34,860
people can either uh Link in live and

2002
01:31:39,890 --> 01:31:37,260
watch it uh or they can go there and

2003
01:31:41,750 --> 01:31:39,900
participate it's a historical event he's

2004
01:31:43,550 --> 01:31:41,760
going to be talking more about the UFOs

2005
01:31:45,950 --> 01:31:43,560
and whatnot but he's also going to be

2006
01:31:48,830 --> 01:31:45,960
talking about suppressed Technologies

2007
01:31:52,010 --> 01:31:48,840
like alternative energy forms Zero Point

2008
01:31:53,750 --> 01:31:52,020
Energy Etc and so I I'm not going to get

2009
01:31:58,149 --> 01:31:53,760
into that because that's his whole thing

2010
01:32:00,590 --> 01:31:58,159
uh but you can go to his website uh

2011
01:32:03,410 --> 01:32:00,600
seriousdisclosure.com and you can see

2012
01:32:05,750 --> 01:32:03,420
all of that the interesting thing is

2013
01:32:08,270 --> 01:32:05,760

that we're at a critical time in our

2014

01:32:11,149 --> 01:32:08,280

Evolution on this planet where we can

2015

01:32:13,430 --> 01:32:11,159

evolve into what I like to call an

2016

01:32:16,610 --> 01:32:13,440

advanced Divine civilization that is

2017

01:32:18,950 --> 01:32:16,620

both material and spiritual that the two

2018

01:32:21,470 --> 01:32:18,960

work together one of the things you have

2019

01:32:22,790 --> 01:32:21,480

to understand and you read your

2020

01:32:25,550 --> 01:32:22,800

listenership is

2021

01:32:28,490 --> 01:32:25,560

science and religion are the same

2022

01:32:31,370 --> 01:32:28,500

knowledge one science is through

2023

01:32:34,250 --> 01:32:31,380

invention and discovery

2024

01:32:37,610 --> 01:32:34,260

religion is through inspiration and

2025

01:32:41,450 --> 01:32:37,620

revelation and science makes discoveries

2026

01:32:43,669 --> 01:32:41,460

all the time and religion gets its uh

2027

01:32:46,550 --> 01:32:43,679

Revelations approximately every thousand

2028

01:32:49,430 --> 01:32:46,560

years when a prophet shows up and when

2029

01:32:52,550 --> 01:32:49,440

that Prophet shows up Society is

2030

01:32:55,790 --> 01:32:52,560

impacted in a positive way to move

2031

01:32:58,129 --> 01:32:55,800

forward and along the way all kinds of

2032

01:33:01,550 --> 01:32:58,139

other things start to happen you you you

2033

01:33:05,030 --> 01:33:01,560

need to see that knowledge and religion

2034

01:33:06,530 --> 01:33:05,040

come from One Source One Divine Source

2035

01:33:09,709 --> 01:33:06,540

whatever that is

2036

01:33:12,050 --> 01:33:09,719

God the cosmic muffin whatever you want

2037

01:33:14,689 --> 01:33:12,060

to term it as that's where it comes from

2038

01:33:17,750 --> 01:33:14,699

so we're starting to see science and

2039

01:33:19,790 --> 01:33:17,760

religion married but in fact they've

2040

01:33:23,450 --> 01:33:19,800

always been one we've just separated

2041

01:33:27,250 --> 01:33:23,460

them out so that we've had uh back in

2042

01:33:29,510 --> 01:33:27,260

the uh the 1600s a lot of

2043

01:33:32,030 --> 01:33:29,520

inquisitions about the Roman Catholic

2044

01:33:34,669 --> 01:33:32,040

Church against scientists astronomers

2045

01:33:36,590 --> 01:33:34,679

who said that uh the Earth revolves

2046

01:33:39,350 --> 01:33:36,600

around the Sun not the sun around the

2047

01:33:42,050 --> 01:33:39,360

earth and now they're pretty much are on

2048

01:33:45,050 --> 01:33:42,060

board with the fact that Galileo

2049

01:33:47,530 --> 01:33:45,060

Copernicus Kepler were right about how

2050

01:33:50,090 --> 01:33:47,540

the Earth operates

2051

01:33:52,669 --> 01:33:50,100

when uh

2052

01:33:54,290 --> 01:33:52,679

as a member of the Baha'i faith when we

2053

01:33:58,310 --> 01:33:54,300

look at knowledge we'll always forget

2054

01:34:00,590 --> 01:33:58,320

science the the the last word

2055

01:34:03,290 --> 01:34:00,600

because they're basing it on facts and

2056

01:34:06,350 --> 01:34:03,300

numbers and and that sort of thing when

2057

01:34:08,750 --> 01:34:06,360

we look at uh religion religion will

2058

01:34:10,910 --> 01:34:08,760

give accurate information but it's

2059

01:34:14,450 --> 01:34:10,920

always prosaic in the way that it's

2060

01:34:16,490 --> 01:34:14,460

given it's very poetical in some ways

2061

01:34:19,010 --> 01:34:16,500

um but the thing is with the when you

2062

01:34:21,890 --> 01:34:19,020

start to examine it if you examine say

2063

01:34:24,709 --> 01:34:21,900

the um the biblical understanding of how

2064

01:34:28,250 --> 01:34:24,719

the Earth came into being it took seven

2065

01:34:31,189 --> 01:34:28,260

days six seven days well chronologically

2066

01:34:33,290 --> 01:34:31,199

in in science that's an accurate

2067

01:34:36,110 --> 01:34:33,300

portrayal that we don't know how long a

2068

01:34:38,330 --> 01:34:36,120

day was it could have been 500 million

2069

01:34:40,910 --> 01:34:38,340

years a billion years but the time

2070

01:34:43,090 --> 01:34:40,920

sequence the frame of when one thing

2071

01:34:47,570 --> 01:34:43,100

occurred after another is correct

2072

01:34:49,610 --> 01:34:47,580

therefore not science and religion the

2073

01:34:51,709 --> 01:34:49,620

knowledge is the same thing

2074

01:34:54,649 --> 01:34:51,719

when we start to look at

2075

01:34:57,290 --> 01:34:54,659

ETS and life in the universe we also

2076
01:34:59,990 --> 01:34:57,300
have to imagine that God or the Divine

2077
01:35:01,970 --> 01:35:00,000
Creator didn't say Humanities got all

2078
01:35:05,090 --> 01:35:01,980
the jewels all the gold all the

2079
01:35:07,129 --> 01:35:05,100
wonderful uh possibilities and the rest

2080
01:35:09,229 --> 01:35:07,139
of the universe has got nothing

2081
01:35:11,209 --> 01:35:09,239
no that's not how it works if there's

2082
01:35:15,350 --> 01:35:11,219
life in the universe

2083
01:35:18,470 --> 01:35:15,360
as religion would say all creatures are

2084
01:35:21,530 --> 01:35:18,480
blessed with the influence of God and

2085
01:35:23,870 --> 01:35:21,540
that they share his attributes his

2086
01:35:26,510 --> 01:35:23,880
understanding whatever there are

2087
01:35:28,010 --> 01:35:26,520
civilizations out there that have never

2088
01:35:31,910 --> 01:35:28,020

known war

2089

01:35:32,830 --> 01:35:31,920

well here's here's the trippy thing with

2090

01:35:34,390 --> 01:35:32,840

that

2091

01:35:39,890 --> 01:35:34,400

is

2092

01:35:41,510 --> 01:35:39,900

if we could move let's let's say uh you

2093

01:35:44,770 --> 01:35:41,520

and I ten thousand years in the future

2094

01:35:50,390 --> 01:35:44,780

right right in our future and look back

2095

01:35:53,450 --> 01:35:50,400

at 10 15 20 50 000 years of modern human

2096

01:35:55,010 --> 01:35:53,460

existence from this day forward forget

2097

01:35:59,290 --> 01:35:55,020

about the past

2098

01:36:01,610 --> 01:35:59,300

how much of it would we have achieved

2099

01:36:04,070 --> 01:36:01,620

true happiness

2100

01:36:06,770 --> 01:36:04,080

right and I would say that it would

2101
01:36:09,290 --> 01:36:06,780
probably be almost cyclical like we

2102
01:36:11,330 --> 01:36:09,300
would almost get there and then we would

2103
01:36:14,629 --> 01:36:11,340
screw it up we would almost get there

2104
01:36:18,530 --> 01:36:14,639
and screw it up or it would basically

2105
01:36:21,110 --> 01:36:18,540
all suck I don't know if we could ever

2106
01:36:23,030 --> 01:36:21,120
you know what I mean but if you go back

2107
01:36:24,950 --> 01:36:23,040
to the Deep past

2108
01:36:26,930 --> 01:36:24,960
right because we're always trying to

2109
01:36:28,910 --> 01:36:26,940
achieve this how do we get how do we get

2110
01:36:30,950 --> 01:36:28,920
everybody on this planet happy how do we

2111
01:36:33,950 --> 01:36:30,960
do that you know and we always seem to

2112
01:36:36,830 --> 01:36:33,960
screw it up but the Egyptians

2113
01:36:38,870 --> 01:36:36,840

for almost 2 000 years

2114

01:36:42,530 --> 01:36:38,880

no war

2115

01:36:45,550 --> 01:36:42,540

all right think about the 2 000 years no

2116

01:36:49,790 --> 01:36:45,560

war they had it figured out

2117

01:36:51,890 --> 01:36:49,800

and and I don't know if we the way that

2118

01:36:54,410 --> 01:36:51,900

we think today if we could ever get back

2119

01:36:56,030 --> 01:36:54,420

to that and and like I said if we could

2120

01:36:58,610 --> 01:36:56,040

you and I could go a hundred thousand

2121

01:37:02,149 --> 01:36:58,620

years in the future and then look back

2122

01:37:05,350 --> 01:37:02,159

at us from 2023 forward how many times

2123

01:37:08,570 --> 01:37:05,360

did we get close to Bliss

2124

01:37:10,790 --> 01:37:08,580

you know to to true happiness on this

2125

01:37:12,729 --> 01:37:10,800

planet I don't know I think it would be

2126
01:37:16,189 --> 01:37:12,739
a hundred thousand years of suckiness

2127
01:37:18,709 --> 01:37:16,199
this is very spiritual and the

2128
01:37:22,129 --> 01:37:18,719
philosophical uh questions about this

2129
01:37:24,229 --> 01:37:22,139
phenomena and the thing is when you

2130
01:37:25,250 --> 01:37:24,239
um understand

2131
01:37:28,550 --> 01:37:25,260
um

2132
01:37:29,870 --> 01:37:28,560
what I call progressive revelation

2133
01:37:33,350 --> 01:37:29,880
where

2134
01:37:35,689 --> 01:37:33,360
spirituality is renewed and by that

2135
01:37:37,729 --> 01:37:35,699
renewal uh usually it comes into being

2136
01:37:39,770 --> 01:37:37,739
because there is a profit or

2137
01:37:42,470 --> 01:37:39,780
manifestation of God that appears to

2138
01:37:46,250 --> 01:37:42,480

humanity and teaches them certain things

2139

01:37:49,070 --> 01:37:46,260

and if Humanity does that then we will

2140

01:37:50,930 --> 01:37:49,080

have peace in fact any of the religions

2141

01:37:53,450 --> 01:37:50,940

that exist today

2142

01:37:57,110 --> 01:37:53,460

could have brought brought about world

2143

01:37:59,270 --> 01:37:57,120

peace sure probably is that they all

2144

01:38:02,229 --> 01:37:59,280

have the same 10 basic laws yeah that's

2145

01:38:07,669 --> 01:38:04,610

we don't have problems with any of that

2146

01:38:10,129 --> 01:38:07,679

yeah well we'll certainly kill each

2147

01:38:12,770 --> 01:38:10,139

other over it right but here's the

2148

01:38:15,290 --> 01:38:12,780

problem here's the problem humanity is

2149

01:38:17,629 --> 01:38:15,300

disobedient they think they know it all

2150

01:38:20,270 --> 01:38:17,639

they say well I don't like that law but

2151

01:38:22,430 --> 01:38:20,280

I like that one I I think women should

2152

01:38:25,010 --> 01:38:22,440

do this but a men should be able to do

2153

01:38:28,010 --> 01:38:25,020

that uh you know in other words there's

2154

01:38:30,169 --> 01:38:28,020

always segregation and dividing uh up of

2155

01:38:31,850 --> 01:38:30,179

different things and and following

2156

01:38:34,850 --> 01:38:31,860

certain rules and not following other

2157

01:38:37,790 --> 01:38:34,860

rules the the point is it's like

2158

01:38:40,430 --> 01:38:37,800

if there's a loving God that presents a

2159

01:38:43,310 --> 01:38:40,440

gift to us and says if you take this

2160

01:38:44,990 --> 01:38:43,320

gift and you follow it your life is

2161

01:38:47,810 --> 01:38:45,000

going to be so much better than it is

2162

01:38:50,090 --> 01:38:47,820

the problem is you do get pockets of

2163

01:38:51,890 --> 01:38:50,100

civilization whether it's in the Middle

2164

01:38:55,250 --> 01:38:51,900

East whether it's in Egypt whether it's

2165

01:38:57,050 --> 01:38:55,260

in uh the uh India whether it's in China

2166

01:39:00,470 --> 01:38:57,060

whether it's in

2167

01:39:02,450 --> 01:39:00,480

um Iran Europe North America Central

2168

01:39:04,790 --> 01:39:02,460

America these are pockets of

2169

01:39:07,610 --> 01:39:04,800

civilization in order for that to occur

2170

01:39:10,910 --> 01:39:07,620

they had to have done something right up

2171

01:39:13,610 --> 01:39:10,920

to a point and then things fell apart

2172

01:39:16,250 --> 01:39:13,620

in this day and age what we've seen is

2173

01:39:20,709 --> 01:39:16,260

various uh forms of unity if we look

2174

01:39:24,290 --> 01:39:20,719

back at uh historically and biblically

2175

01:39:25,970 --> 01:39:24,300

that the first form of unity with within

2176

01:39:27,890 --> 01:39:25,980

a family

2177

01:39:30,530 --> 01:39:27,900

mother father children

2178

01:39:32,990 --> 01:39:30,540

and as that family grew and then we're

2179

01:39:36,110 --> 01:39:33,000

siblings and grandchildren and whatnot

2180

01:39:38,090 --> 01:39:36,120

then the family unit grew and there had

2181

01:39:40,250 --> 01:39:38,100

to be some form of unity in order to

2182

01:39:42,830 --> 01:39:40,260

make them cohesive so they can work

2183

01:39:45,350 --> 01:39:42,840

along each other and develop houses

2184

01:39:48,110 --> 01:39:45,360

whatever or a society

2185

01:39:51,530 --> 01:39:48,120

as time goes on

2186

01:39:53,870 --> 01:39:51,540

you find that uh

2187

01:39:56,270 --> 01:39:53,880

another Prophet shows up and gives a

2188

01:40:00,770 --> 01:39:56,280

greater form of unity so of our instance

2189

01:40:03,830 --> 01:40:00,780

we look at Abraham and Abraham was given

2190

01:40:05,870 --> 01:40:03,840

um uh the problem he had three wives he

2191

01:40:08,330 --> 01:40:05,880

was given uh each wife was told the

2192

01:40:10,790 --> 01:40:08,340

great Nations Kings and Prophets would

2193

01:40:12,010 --> 01:40:10,800

come from his lineage that that did

2194

01:40:15,050 --> 01:40:12,020

occur

2195

01:40:19,430 --> 01:40:15,060

uh what has taken place over the years

2196

01:40:20,450 --> 01:40:19,440

is we've had family Unity we've had uh

2197

01:40:21,890 --> 01:40:20,460

Village

2198

01:40:25,189 --> 01:40:21,900

town

2199

01:40:27,410 --> 01:40:25,199

City type Unity Muhammad brought

2200

01:40:29,870 --> 01:40:27,420

nationhood to the world believe it or

2201

01:40:32,629 --> 01:40:29,880

not that's what he brought about in this

2202

01:40:36,410 --> 01:40:32,639

day and age we're looking at Global

2203

01:40:38,510 --> 01:40:36,420

unity and that is the the uh purpose of

2204

01:40:40,930 --> 01:40:38,520

the twin Prophets The Bob and

2205

01:40:44,390 --> 01:40:40,940

baha'u'llah to bring about global unity

2206

01:40:46,310 --> 01:40:44,400

and the Baha'is recognize that at some

2207

01:40:48,590 --> 01:40:46,320

point we will achieve this whether we

2208

01:40:49,310 --> 01:40:48,600

fight against it or not we will achieve

2209

01:40:52,610 --> 01:40:49,320

it

2210

01:40:55,729 --> 01:40:52,620

however we also like that down the road

2211

01:40:58,790 --> 01:40:55,739

there may be interplanetary unity and

2212

01:41:02,030 --> 01:40:58,800

beyond that maybe Interstellar or

2213

01:41:05,510 --> 01:41:02,040

Intergalactic or Cosmic unity all these

2214

01:41:07,850 --> 01:41:05,520

because everything we do is to unify us

2215

01:41:10,610 --> 01:41:07,860

we get through one

2216

01:41:12,350 --> 01:41:10,620

um uh set of problems and barriers and

2217

01:41:14,810 --> 01:41:12,360

we we find ourselves working together

2218

01:41:16,850 --> 01:41:14,820

and then we we deal out with other

2219

01:41:18,729 --> 01:41:16,860

problems and issues because now we're

2220

01:41:21,410 --> 01:41:18,739

dealing with new

2221

01:41:23,930 --> 01:41:21,420

terms of new conditions that we've never

2222

01:41:26,629 --> 01:41:23,940

dealt for with before

2223

01:41:28,729 --> 01:41:26,639

so if you're trying to achieve Global

2224

01:41:30,110 --> 01:41:28,739

Unity certain things have to take place

2225

01:41:31,550 --> 01:41:30,120

on this planet

2226

01:41:33,530 --> 01:41:31,560

and that is

2227

01:41:35,629 --> 01:41:33,540

we have to start acknowledging that all

2228

01:41:37,669 --> 01:41:35,639

religions are one that there's only one

2229

01:41:40,430 --> 01:41:37,679

Divine Creator there's only one human

2230

01:41:44,450 --> 01:41:40,440

species that men and women are Partners

2231

01:41:46,490 --> 01:41:44,460

equally and not one uh gendered Lords

2232

01:41:48,410 --> 01:41:46,500

and over the other that we have to

2233

01:41:52,129 --> 01:41:48,420

understand that there is an economic

2234

01:41:55,129 --> 01:41:52,139

solution uh or a spiritual solution to

2235

01:41:57,770 --> 01:41:55,139

the economic problem that we can have uh

2236

01:41:59,689 --> 01:41:57,780

World Unity with a world police force

2237

01:42:01,370 --> 01:41:59,699

backed up with all the nations of the

2238

01:42:03,709 --> 01:42:01,380

world we're not talking about a

2239

01:42:06,470 --> 01:42:03,719

militaristic uh Society we're talking

2240

01:42:08,990 --> 01:42:06,480

about a society that is based on

2241

01:42:12,410 --> 01:42:09,000

spiritual and material values that work

2242

01:42:15,290 --> 01:42:12,420

together as partnership with each other

2243

01:42:18,229 --> 01:42:15,300

when we achieve that there's going to be

2244

01:42:21,050 --> 01:42:18,239

a new set of conditions and problems

2245

01:42:23,629 --> 01:42:21,060

that we'll deal with if we can do this

2246

01:42:26,149 --> 01:42:23,639

for a number of say a couple of thousand

2247

01:42:27,050 --> 01:42:26,159

years or five thousand years and do it

2248

01:42:29,330 --> 01:42:27,060

well

2249

01:42:31,910 --> 01:42:29,340

then we will realize that as we're

2250

01:42:33,830 --> 01:42:31,920

reaching out into space we're going to

2251

01:42:36,050 --> 01:42:33,840

be contacting other life forms we're

2252

01:42:38,750 --> 01:42:36,060

going to be trying to understand them

2253

01:42:40,790 --> 01:42:38,760

try to share what we know about

2254

01:42:43,189 --> 01:42:40,800

ourselves and what we know about the

2255

01:42:45,470 --> 01:42:43,199

universe and they will do likewise with

2256

01:42:47,930 --> 01:42:45,480

that comes a new set of problems

2257

01:42:51,609 --> 01:42:47,940

nothing is going to be easy it's always

2258

01:42:54,850 --> 01:42:51,619

a struggle but the rewards are

2259

01:42:57,229 --> 01:42:54,860

outrageously uh beyond our imagination

2260

01:43:00,350 --> 01:42:57,239

that we're going to have things happen

2261

01:43:03,229 --> 01:43:00,360

like if we can achieve uh

2262

01:43:04,850 --> 01:43:03,239

World Unity on this planet

2263

01:43:06,850 --> 01:43:04,860

we're going to find that we can clean up

2264

01:43:10,850 --> 01:43:06,860

the environment there won't be pollution

2265

01:43:12,950 --> 01:43:10,860

the people will all work together to to

2266

01:43:15,169 --> 01:43:12,960

Make a Better World economically that

2267

01:43:17,510 --> 01:43:15,179

the most people will be of a middle

2268

01:43:20,570 --> 01:43:17,520

class as opposed to being poor or

2269

01:43:22,790 --> 01:43:20,580

extremely rich which are really opposing

2270

01:43:24,470 --> 01:43:22,800

forces that are tearing us apart because

2271

01:43:27,709 --> 01:43:24,480

a lot of us in the middle now are being

2272

01:43:30,950 --> 01:43:27,719

pulled down into the lower income

2273

01:43:33,950 --> 01:43:30,960

so there has to be a

2274

01:43:36,290 --> 01:43:33,960

some kind of situation that will allow

2275

01:43:38,629 --> 01:43:36,300

us to deal with extremes of wealth and

2276

01:43:41,270 --> 01:43:38,639

extremes of poverty nobody should be

2277

01:43:43,430 --> 01:43:41,280

poor in fact the duty of the rich is to

2278

01:43:46,310 --> 01:43:43,440

help the poor that's that's what their

2279

01:43:50,390 --> 01:43:46,320

riches are for it's like the the body of

2280

01:43:52,910 --> 01:43:50,400

uh of an individual if blood is equated

2281

01:43:55,310 --> 01:43:52,920

as money and it flows through the body

2282

01:43:59,330 --> 01:43:55,320

it has to continually flow through the

2283

01:44:02,629 --> 01:43:59,340

body each organ each capillary each uh

2284

01:44:05,090 --> 01:44:02,639

limb is getting Vitality from the blood

2285

01:44:09,050 --> 01:44:05,100

that moves through it well if the word

2286

01:44:12,410 --> 01:44:09,060

politic is the same way money has to

2287

01:44:15,290 --> 01:44:12,420

circulate it cannot stagnate into one

2288

01:44:17,930 --> 01:44:15,300

area where the rest of the uh the body

2289

01:44:20,270 --> 01:44:17,940

suffers if if the body doesn't get its

2290

01:44:22,490 --> 01:44:20,280

fair share of blood what happens to the

2291

01:44:25,570 --> 01:44:22,500

body gets sick or it dies and then who

2292

01:44:31,750 --> 01:44:28,129

we just had that prophet he was just

2293

01:44:35,870 --> 01:44:31,760

here it was Elvis Presley

2294

01:44:39,229 --> 01:44:35,880

and that's it and and I'm not joking you

2295

01:44:44,270 --> 01:44:39,239

know you know what I mean where uh you

2296

01:44:46,729 --> 01:44:44,280

have uh somebody around you that allows

2297

01:44:49,729 --> 01:44:46,739

you to forget about the barriers the

2298

01:44:53,209 --> 01:44:49,739

boundaries and the lines in the sand uh

2299

01:44:55,310 --> 01:44:53,219

that separate all of us and and that's

2300

01:44:57,770 --> 01:44:55,320

that's that's always the difficult thing

2301

01:44:59,750 --> 01:44:57,780

and then if we if we take that and we

2302

01:45:01,609 --> 01:44:59,760

flip it around

2303

01:45:04,010 --> 01:45:01,619

um and everything that you just said how

2304

01:45:07,070 --> 01:45:04,020

can you argue with that you can't but

2305

01:45:11,149 --> 01:45:07,080

here's the thing our government if it is

2306

01:45:13,669 --> 01:45:11,159

in possession of E.T craft then

2307

01:45:16,729 --> 01:45:13,679

therefore they understand all of this

2308

01:45:19,490 --> 01:45:16,739

and they know that this is about to

2309

01:45:22,250 --> 01:45:19,500

Spring upon the rest of the world they

2310

01:45:25,070 --> 01:45:22,260

they know all of they they absolutely

2311

01:45:27,410 --> 01:45:25,080

understand this if they are in

2312

01:45:29,750 --> 01:45:27,420

possession of uh extraterrestrial

2313

01:45:32,390 --> 01:45:29,760

vehicles that are not made on this

2314

01:45:35,209 --> 01:45:32,400

planet and I believe that they are so

2315

01:45:37,550 --> 01:45:35,219

they truly understand all of this the

2316

01:45:39,590 --> 01:45:37,560

problem that they have Terry

2317

01:45:41,629 --> 01:45:39,600

um again that hundred thousand years of

2318

01:45:43,490 --> 01:45:41,639

suckiness that that I was talking about

2319

01:45:45,430 --> 01:45:43,500

this is part of the problem

2320

01:45:48,350 --> 01:45:45,440

if if if

2321

01:45:50,209 --> 01:45:48,360

they are in possession of and he said

2322

01:45:52,669 --> 01:45:50,219

Stephen Greer is going to do the big

2323

01:45:55,850 --> 01:45:52,679

reveal well I hope that he does but

2324

01:45:58,970 --> 01:45:55,860

let's say that they are uh in possession

2325

01:46:01,669 --> 01:45:58,980

of knowledge and technology that uh is

2326

01:46:04,850 --> 01:46:01,679

zero point energies and free energy that

2327

01:46:07,609 --> 01:46:04,860

would light and heat schools and provide

2328

01:46:09,890 --> 01:46:07,619

food and farming and Logistics and

2329

01:46:11,270 --> 01:46:09,900

shipping and and take care of everything

2330

01:46:13,189 --> 01:46:11,280

on this planet that we've been

2331

01:46:16,490 --> 01:46:13,199

struggling and killing ourselves over

2332

01:46:19,970 --> 01:46:16,500

and fossil fuels if that's the case and

2333

01:46:21,530 --> 01:46:19,980

that reveal has happened and and the

2334

01:46:23,810 --> 01:46:21,540

government has been sitting on this

2335

01:46:27,410 --> 01:46:23,820

technology then we've got a bigger

2336

01:46:29,689 --> 01:46:27,420

problem and that is why I I feel that

2337

01:46:32,570 --> 01:46:29,699

the reveal isn't going to happen the way

2338

01:46:34,970 --> 01:46:32,580

that we would like it to because we

2339

01:46:37,310 --> 01:46:34,980

would burn this sucker down exactly

2340

01:46:41,390 --> 01:46:37,320

that's exactly what would happen because

2341

01:46:44,149 --> 01:46:41,400

you know we you know there is a time in

2342

01:46:46,970 --> 01:46:44,159

every civilization or Society where are

2343

01:46:49,609 --> 01:46:46,980

people who you trusted to look after the

2344

01:46:50,930 --> 01:46:49,619

welfare of society betrayed you and what

2345

01:46:53,090 --> 01:46:50,940

do they usually do

2346

01:46:55,310 --> 01:46:53,100

they go and take them and put them to

2347

01:46:57,470 --> 01:46:55,320

death string them up shoot them crucify

2348

01:46:59,390 --> 01:46:57,480

them whatever they do they get rid of

2349

01:47:01,129 --> 01:46:59,400

them and if anybody was associated with

2350

01:47:04,129 --> 01:47:01,139

them they're rounded up and the same

2351
01:47:06,770 --> 01:47:04,139
thing happened yeah then you got a mob

2352
01:47:09,649 --> 01:47:06,780
mentality you can't have that there has

2353
01:47:13,490 --> 01:47:09,659
to be sane heads it means that we have

2354
01:47:15,830 --> 01:47:13,500
to have good judicial court systems that

2355
01:47:17,930 --> 01:47:15,840
are going to try people particularly for

2356
01:47:20,330 --> 01:47:17,940
crimes against humanity and there's been

2357
01:47:22,010 --> 01:47:20,340
a lot of them and the thing is that when

2358
01:47:24,590 --> 01:47:22,020
we do this

2359
01:47:26,450 --> 01:47:24,600
we're going to start to see real Justice

2360
01:47:27,669 --> 01:47:26,460
take place is it going to happen

2361
01:47:29,750 --> 01:47:27,679
overnight

2362
01:47:31,970 --> 01:47:29,760
she's going to probably take several

2363
01:47:34,370 --> 01:47:31,980

generations for it to happen but see

2364

01:47:37,990 --> 01:47:34,380

that's continuing the 100 000 years of

2365

01:47:41,629 --> 01:47:38,000

suckiness what we should do

2366

01:47:43,850 --> 01:47:41,639

absolutely forgive and move on

2367

01:47:46,970 --> 01:47:43,860

um and that we may have to do that too

2368

01:47:49,370 --> 01:47:46,980

anyways but yeah the thing is uh the

2369

01:47:52,990 --> 01:47:49,380

thing that's lacking in society today is

2370

01:47:56,090 --> 01:47:53,000

True Justice true truthfulness

2371

01:47:57,649 --> 01:47:56,100

disclosure transparency it doesn't

2372

01:48:00,530 --> 01:47:57,659

matter whether you're if you're a

2373

01:48:04,430 --> 01:48:00,540

government official you are responsible

2374

01:48:06,590 --> 01:48:04,440

back to your constituents they voted you

2375

01:48:09,410 --> 01:48:06,600

in and they could just as easily Turf

2376

01:48:12,109 --> 01:48:09,420

you out if you push the the buttons

2377

01:48:14,629 --> 01:48:12,119

wrong they can just you know we we saw

2378

01:48:17,990 --> 01:48:14,639

an attempt on Washington with Trump and

2379

01:48:20,450 --> 01:48:18,000

all of his fellow Believers uh and uh

2380

01:48:22,850 --> 01:48:20,460

who who trusted them and and that was

2381

01:48:25,729 --> 01:48:22,860

basically a Anarchy

2382

01:48:29,410 --> 01:48:25,739

um it went to an extreme had there been

2383

01:48:32,649 --> 01:48:29,420

something more of a

2384

01:48:35,750 --> 01:48:32,659

well-directed uh uh

2385

01:48:37,310 --> 01:48:35,760

manner of dealing with this then perhaps

2386

01:48:39,350 --> 01:48:37,320

there might have been some changes but

2387

01:48:42,649 --> 01:48:39,360

you can't have arnica inspect with

2388

01:48:44,990 --> 01:48:42,659

positive results so suckiness will

2389

01:48:47,209 --> 01:48:45,000

happen but the thing that we have to

2390

01:48:50,030 --> 01:48:47,219

realize is you got to start beginning it

2391

01:48:52,910 --> 01:48:50,040

right now you got to start treating your

2392

01:48:55,669 --> 01:48:52,920

fellow human being with courtesy my wife

2393

01:48:57,770 --> 01:48:55,679

and I practice that all the time we talk

2394

01:49:01,609 --> 01:48:57,780

to people from every culture every

2395

01:49:04,790 --> 01:49:01,619

background etc etc because we realize

2396

01:49:06,709 --> 01:49:04,800

they're all the same people may look

2397

01:49:09,530 --> 01:49:06,719

different may have a different custom

2398

01:49:11,270 --> 01:49:09,540

may have a different language it doesn't

2399

01:49:14,689 --> 01:49:11,280

matter you're a human being you're going

2400

01:49:16,910 --> 01:49:14,699

to be treated as a respected human being

2401

01:49:20,510 --> 01:49:16,920

that's one of the first things we got to

2402

01:49:21,590 --> 01:49:20,520

do then all the other differences say in

2403

01:49:25,250 --> 01:49:21,600

religion

2404

01:49:27,950 --> 01:49:25,260

or social values or philosophical values

2405

01:49:30,050 --> 01:49:27,960

we have to have our wisest people sit

2406

01:49:32,510 --> 01:49:30,060

down and work through it they have to

2407

01:49:35,149 --> 01:49:32,520

consult together our politicians

2408

01:49:36,950 --> 01:49:35,159

globally have to sit down and work out

2409

01:49:39,470 --> 01:49:36,960

their problems and it isn't going to be

2410

01:49:42,350 --> 01:49:39,480

something that happens overnight it's

2411

01:49:45,229 --> 01:49:42,360

going to be a process but if everybody's

2412

01:49:47,510 --> 01:49:45,239

willing to work towards that eventual

2413

01:49:48,490 --> 01:49:47,520

Unity whatever that Global Unity will

2414

01:49:51,709 --> 01:49:48,500

look like

2415

01:49:54,050 --> 01:49:51,719

then we'll be on our way in in the right

2416

01:49:56,930 --> 01:49:54,060

direction and who knows what the future

2417

01:49:59,450 --> 01:49:56,940

will offer us I I'm very hopeful but is

2418

01:50:02,270 --> 01:49:59,460

it going to happen in my lifetime no

2419

01:50:04,609 --> 01:50:02,280

yeah yeah but it will happen probably in

2420

01:50:08,390 --> 01:50:04,619

a thousand years I believe that

2421

01:50:11,209 --> 01:50:08,400

well okay so back to and again I can't

2422

01:50:13,970 --> 01:50:11,219

nobody's gonna argue your points you're

2423

01:50:16,430 --> 01:50:13,980

spot on the money but but here's uh the

2424

01:50:19,370 --> 01:50:16,440

point that I was making earlier if we

2425

01:50:21,229 --> 01:50:19,380

are in possession of uh craft not made

2426

01:50:25,370 --> 01:50:21,239

of this earth right and I believe that

2427

01:50:28,430 --> 01:50:25,380

we are a keep I have to uh back up what

2428

01:50:31,070 --> 01:50:28,440

where my mind is I I believe that we

2429

01:50:34,790 --> 01:50:31,080

have uh and we're not the only country

2430

01:50:37,370 --> 01:50:34,800

by the way but if that's the case then

2431

01:50:39,470 --> 01:50:37,380

that means that our government and and

2432

01:50:43,129 --> 01:50:39,480

the corporations that are in possession

2433

01:50:45,010 --> 01:50:43,139

of those those craft are in

2434

01:50:47,990 --> 01:50:45,020

communication with these

2435

01:50:51,410 --> 01:50:48,000

extraterrestrial civilizations and they

2436

01:50:54,729 --> 01:50:51,420

are Advanced and the fact that we are

2437

01:50:58,250 --> 01:50:54,739

separated and and nasty on this planet

2438

01:51:00,050 --> 01:50:58,260

we're told that by E.T and they know

2439

01:51:01,669 --> 01:51:00,060

that we have to make these Corrections

2440

01:51:04,070 --> 01:51:01,679

on this planet or we're not going to get

2441

01:51:06,169 --> 01:51:04,080

a seat at the table it's really that

2442

01:51:08,570 --> 01:51:06,179

simple who would want to hang out with

2443

01:51:13,490 --> 01:51:10,850

that's exactly what's happened we're

2444

01:51:15,649 --> 01:51:13,500

given an opportunity right now not only

2445

01:51:17,930 --> 01:51:15,659

to achieve Global Unity this is why

2446

01:51:21,109 --> 01:51:17,940

we've got two prophets this time around

2447

01:51:24,530 --> 01:51:21,119

not one uh who are working to bring

2448

01:51:26,470 --> 01:51:24,540

about global unity all this Elvis and

2449

01:51:30,709 --> 01:51:26,480

who's the other one

2450

01:51:32,750 --> 01:51:30,719

uh this is the Baba baha'u law but and

2451

01:51:35,030 --> 01:51:32,760

what that is you can find all of those

2452

01:51:37,129 --> 01:51:35,040

in the Bible it doesn't matter which

2453

01:51:41,030 --> 01:51:37,139

religion you can find references to

2454

01:51:42,530 --> 01:51:41,040

these people what I'm getting at is that

2455

01:51:47,350 --> 01:51:42,540

uh

2456

01:51:52,729 --> 01:51:50,209

consistently we have to do what is

2457

01:51:55,550 --> 01:51:52,739

required it means May mean that there's

2458

01:51:57,530 --> 01:51:55,560

certain sacrifice if ETS are in contact

2459

01:52:00,109 --> 01:51:57,540

with certain governments and governments

2460

01:52:03,410 --> 01:52:00,119

know that then yes they would probably

2461

01:52:05,689 --> 01:52:03,420

know some of these things what they say

2462

01:52:08,330 --> 01:52:05,699

that science and religion would be

2463

01:52:10,430 --> 01:52:08,340

um uh at a disadvantage yes some of

2464

01:52:12,470 --> 01:52:10,440

Science and some of religion would be

2465

01:52:14,109 --> 01:52:12,480

the real people who will be at a

2466

01:52:16,490 --> 01:52:14,119

disadvantage other people of power

2467

01:52:19,129 --> 01:52:16,500

they're afraid of losing their position

2468

01:52:21,350 --> 01:52:19,139

sure because they've held it over all of

2469

01:52:23,450 --> 01:52:21,360

us for such a long time they would like

2470

01:52:25,729 --> 01:52:23,460

to see a breakaway society which is what

2471

01:52:28,689 --> 01:52:25,739

Richard Dolan has been saying and it's

2472

01:52:31,250 --> 01:52:28,699

probably already happened uh in a black

2473

01:52:34,790 --> 01:52:31,260

subversive manner that there's a black

2474

01:52:36,830 --> 01:52:34,800

runaway society and you know the fact is

2475

01:52:38,090 --> 01:52:36,840

that they've got the new technology and

2476

01:52:40,790 --> 01:52:38,100

they're doing whatever the hell they

2477

01:52:41,810 --> 01:52:40,800

want when they go into marriage life is

2478

01:52:43,910 --> 01:52:41,820

only one thing they're looking for

2479

01:52:45,950 --> 01:52:43,920

they're looking for technology and

2480

01:52:47,629 --> 01:52:45,960

there's all kinds of Technology all over

2481

01:52:49,970 --> 01:52:47,639

the place if you look for it in the

2482

01:52:51,290 --> 01:52:49,980

right place I found it I've had Richard

2483

01:52:53,390 --> 01:52:51,300

Holdman

2484

01:52:55,070 --> 01:52:53,400

um basically inspire me to look for

2485

01:52:56,990 --> 01:52:55,080

certain things and when I started

2486

01:52:59,270 --> 01:52:57,000

digging around and instead of blowing

2487

01:53:01,129 --> 01:52:59,280

things up and looking at it all of a

2488

01:53:04,790 --> 01:53:01,139

sudden I'm saying oh my God there is

2489

01:53:07,550 --> 01:53:04,800

some artificial uh artifacts on the on

2490

01:53:10,910 --> 01:53:07,560

the surface that looks like giant cogs

2491

01:53:14,050 --> 01:53:10,920

or wheels or stone heads or there's

2492

01:53:16,910 --> 01:53:14,060

ET Pro uh uh uh

2493

01:53:18,649 --> 01:53:16,920

surveillance drones flying around all of

2494

01:53:22,129 --> 01:53:18,659

this stuff and then we're seeing the

2495

01:53:25,070 --> 01:53:22,139

dead corpses Etc which fulfills what uh

2496

01:53:27,950 --> 01:53:25,080

Joseph McGonagall who was part of the

2497

01:53:30,350 --> 01:53:27,960

Stargate remote viewers he said he

2498

01:53:33,590 --> 01:53:30,360

remote viewed tall beings that well at

2499

01:53:36,350 --> 01:53:33,600

least 10 feet tall we found them that's

2500

01:53:38,270 --> 01:53:36,360

exactly what we found so the thing is we

2501
01:53:40,370 --> 01:53:38,280
know now that there is life on other

2502
01:53:42,590 --> 01:53:40,380
planets and we know the fact that some

2503
01:53:45,729 --> 01:53:42,600
of that life is visiting us

2504
01:53:50,590 --> 01:53:45,739
so we have to get ourselves mentally

2505
01:53:53,750 --> 01:53:50,600
morally spiritually socially politically

2506
01:53:55,910 --> 01:53:53,760
scientifically prepared for this if

2507
01:53:58,070 --> 01:53:55,920
we're not prepared we're going to have a

2508
01:54:00,649 --> 01:53:58,080
lot more problems we're going to be

2509
01:54:03,590 --> 01:54:00,659
sucking along as you yeah yeah 100 000

2510
01:54:05,750 --> 01:54:03,600
years of suckiness uh Terry what a

2511
01:54:10,070 --> 01:54:05,760
fantastic conversation tonight where can

2512
01:54:12,590 --> 01:54:10,080
everybody uh get uh the six volume set

2513
01:54:14,810 --> 01:54:12,600

right okay here's the thing

2514

01:54:17,149 --> 01:54:14,820

they are going to be expensive they're

2515

01:54:19,729 --> 01:54:17,159

like a university textbook I'm working

2516

01:54:22,550 --> 01:54:19,739

on trying to get the prices reduced uh

2517

01:54:25,490 --> 01:54:22,560

even if as a complete set

2518

01:54:29,169 --> 01:54:25,500

you can get them from Amazon Barnes and

2519

01:54:32,450 --> 01:54:29,179

Noble Hudson books booktopia book World

2520

01:54:33,890 --> 01:54:32,460

bam books a million in that's in the

2521

01:54:36,410 --> 01:54:33,900

states there's a whole bunch of others

2522

01:54:39,290 --> 01:54:36,420

in Canada you can get it from chapters

2523

01:54:41,689 --> 01:54:39,300

in Indigo uh what you have to do is you

2524

01:54:44,930 --> 01:54:41,699

have to go in you have to go to their

2525

01:54:46,970 --> 01:54:44,940

computer or somebody who can go online

2526

01:54:49,850 --> 01:54:46,980

and look for the books and they're on

2527

01:54:51,649 --> 01:54:49,860

they're there and what you do is you

2528

01:54:54,709 --> 01:54:51,659

decide I would recommend get the first

2529

01:54:56,330 --> 01:54:54,719

volume because it's the basic primer to

2530

01:54:59,750 --> 01:54:56,340

everything that you want to know about

2531

01:55:02,030 --> 01:54:59,760

the UFO ET phenomena what the other book

2532

01:55:03,530 --> 01:55:02,040

to do is I take you down the rabbit hole

2533

01:55:05,510 --> 01:55:03,540

and by the time you come out you're

2534

01:55:07,850 --> 01:55:05,520

going to say my God I didn't realize

2535

01:55:10,250 --> 01:55:07,860

just how deep this whole subject went

2536

01:55:12,729 --> 01:55:10,260

because it's now about the military

2537

01:55:15,169 --> 01:55:12,739

industrial complex the

2538

01:55:18,770 --> 01:55:15,179

unacknowledged special access projects

2539

01:55:21,770 --> 01:55:18,780

the disclosure events the cover-ups uh

2540

01:55:24,590 --> 01:55:21,780

what what you need to do in order to go

2541

01:55:28,669 --> 01:55:24,600

out and make contact and there's a whole

2542

01:55:30,050 --> 01:55:28,679

section on that in in volume six so if

2543

01:55:31,930 --> 01:55:30,060

you go online

2544

01:55:34,970 --> 01:55:31,940

you can order the books

2545

01:55:36,530 --> 01:55:34,980

uh I believe that once you order these

2546

01:55:38,270 --> 01:55:36,540

books you're going to find just about

2547

01:55:41,090 --> 01:55:38,280

all the information you ever want

2548

01:55:43,970 --> 01:55:41,100

including stuff about what is going on

2549

01:55:46,689 --> 01:55:43,980

with uaps I threw that in at the last

2550

01:55:49,729 --> 01:55:46,699

moment before I put the last book out

2551
01:55:52,609 --> 01:55:49,739
and I talk about certain individuals and

2552
01:55:56,450 --> 01:55:52,619
some of it uh isn't very positive

2553
01:56:01,030 --> 01:55:56,460
because it's uh it's showing their true

2554
01:56:03,950 --> 01:56:01,040
colors as it were I I review a lot of uh

2555
01:56:07,970 --> 01:56:03,960
fellow researchers most of it is all

2556
01:56:11,209 --> 01:56:07,980
positive I I look at uh the types of

2557
01:56:15,050 --> 01:56:11,219
UFOs how to identify common everyday

2558
01:56:17,209 --> 01:56:15,060
objects in unusual circumstances I I

2559
01:56:20,209 --> 01:56:17,219
talk about the ET types of

2560
01:56:22,970 --> 01:56:20,219
classifications I I delve into the

2561
01:56:25,669 --> 01:56:22,980
astronomy aspect of it I look at what's

2562
01:56:27,790 --> 01:56:25,679
on various planets and at the end of it

2563
01:56:30,590 --> 01:56:27,800

all I give all kinds of quotes from

2564

01:56:33,530 --> 01:56:30,600

generals and Military and science

2565

01:56:36,050 --> 01:56:33,540

community and and uh intelligence

2566

01:56:38,810 --> 01:56:36,060

communities from other nations all

2567

01:56:40,490 --> 01:56:38,820

saying there's something to this you

2568

01:56:42,950 --> 01:56:40,500

know and we've known about it for a long

2569

01:56:46,129 --> 01:56:42,960

time so to say we don't know

2570

01:56:48,169 --> 01:56:46,139

is not a truth or statement and so

2571

01:56:50,510 --> 01:56:48,179

you're gonna find that in these books

2572

01:56:52,370 --> 01:56:50,520

and I guarantee you you're going to be

2573

01:56:54,050 --> 01:56:52,380

doing a lot of reading because there's a

2574

01:56:57,470 --> 01:56:54,060

lot of information there I have to

2575

01:56:59,990 --> 01:56:57,480

review 70 years worth of information and

2576

01:57:02,030 --> 01:57:00,000

bring it down I I was able to write the

2577

01:57:03,890 --> 01:57:02,040

Books in eight years and spend two years

2578

01:57:05,750 --> 01:57:03,900

editing

2579

01:57:07,750 --> 01:57:05,760

it's a lot of work it's a lot of pages

2580

01:57:11,930 --> 01:57:07,760

it's a lot of pages

2581

01:57:13,729 --> 01:57:11,940

well documented well referenced uh it's

2582

01:57:16,430 --> 01:57:13,739

going to be your go-to book I guarantee

2583

01:57:18,890 --> 01:57:16,440

it there's nothing right now in the UFO

2584

01:57:21,290 --> 01:57:18,900

literature out there like this I was

2585

01:57:23,750 --> 01:57:21,300

going to be so bold and ambitious that I

2586

01:57:26,149 --> 01:57:23,760

was going to throw a CD of each book

2587

01:57:28,370 --> 01:57:26,159

into each book that you bought but then

2588

01:57:30,530 --> 01:57:28,380

I realized this was going to cost you an

2589

01:57:32,270 --> 01:57:30,540

arm and a leg to to acquire it but I

2590

01:57:34,729 --> 01:57:32,280

didn't go down that road

2591

01:57:37,129 --> 01:57:34,739

Terry thank you so much and I look

2592

01:57:38,530 --> 01:57:37,139

forward to our next conversation on the

2593

01:57:41,089 --> 01:57:38,540

show so much

2594

01:57:45,530 --> 01:57:41,099

yeah we didn't get into astronomy

2595

01:57:47,870 --> 01:57:45,540

tonight we didn't get into uh uh the ce5

2596

01:57:50,209 --> 01:57:47,880

protocols and and so many other subjects

2597

01:57:52,669 --> 01:57:50,219

and black projects will do all of that

2598

01:57:55,970 --> 01:57:52,679

later uh on future shows but thank you

2599

01:57:59,149 --> 01:57:55,980

so much and everybody head to Amazon get

2600

01:58:03,129 --> 01:57:59,159

your six volume set Terry be safe out

2601
01:58:05,450 --> 01:58:03,139
there and good luck at Dr Greer's event

2602
01:58:08,689 --> 01:58:05,460
pleasure talking to you

2603
01:58:12,410 --> 01:58:08,699
do it again and thank you so much man

2604
01:58:15,350 --> 01:58:12,420
all right peace Terry tabando and

2605
01:58:17,089 --> 01:58:15,360
Terry's links are there uh uh not only

2606
01:58:20,570 --> 01:58:17,099
on our website but throughout social

2607
01:58:23,750 --> 01:58:20,580
media and head over to Amazon the

2608
01:58:25,970 --> 01:58:23,760
volumes are volume one Global evidence

2609
01:58:28,310 --> 01:58:25,980
volume two UFO disclosure and cover

2610
01:58:31,669 --> 01:58:28,320
programs volume three the military

2611
01:58:33,890 --> 01:58:31,679
industrial complex volume four uh in

2612
01:58:36,530 --> 01:58:33,900
search of extraterrestrial intelligence

2613
01:58:39,649 --> 01:58:36,540

volume Five evidence of a type 2

2614

01:58:43,250 --> 01:58:39,659

civilization in our solar system and

2615

01:58:46,250 --> 01:58:43,260

volume six the Rosetta Stone of ETI

2616

01:58:48,109 --> 01:58:46,260

contact so go and check it out right now

2617

01:58:50,810 --> 01:58:48,119

this is Fade to Black I am your host

2618

01:58:53,089 --> 01:58:50,820

Jimmy church we are headed into the

2619

01:58:56,390 --> 01:58:53,099

weekend I've got a busy weekend in front

2620

01:58:58,850 --> 01:58:56,400

of me but I'll keep everybody posted as

2621

01:59:01,910 --> 01:58:58,860

to what I am doing and what is going on

2622

01:59:04,129 --> 01:59:01,920

and of course next week on Fade to Black

2623

01:59:06,470 --> 01:59:04,139

Fade to Black it's produced by Hill J

2624

01:59:08,629 --> 01:59:06,480

Palm Renee Newman and Michelle free

2625

01:59:10,550 --> 01:59:08,639

thank you to Dennis and Kevin what

2626
01:59:12,970 --> 01:59:10,560
Master through the geek music Doug

2627
01:59:14,990 --> 01:59:12,980
Aldridge intro space boy

2628
01:59:17,030 --> 01:59:15,000
spaceboymusic.com Fade to Black is

2629
01:59:19,370 --> 01:59:17,040
produced by kjz air for the game changer

2630
01:59:21,950 --> 01:59:19,380
Network and this broadcast is own and

2631
01:59:24,050 --> 01:59:21,960
copyrighted 2023 by Fade to Black in the

2632
01:59:26,209 --> 01:59:24,060
game changer networking it cannot be

2633
01:59:28,010 --> 01:59:26,219
rebroadcast downloaded copied or used

2634
01:59:29,629 --> 01:59:28,020
anywhere in the known universe without

2635
01:59:31,850 --> 01:59:29,639
written permission from Fade to block

2636
01:59:33,830 --> 01:59:31,860
the game changer Network I'm those Jimmy

2637
01:59:35,390 --> 01:59:33,840
church have a great safe weekend

2638
01:59:39,380 --> 01:59:35,400

everybody

2639

02:00:27,950 --> 01:59:58,600

[Music]
