

FADE TO BLACK

with JIMMY CHURCH

PRESENTS

AMA: Ask Me Anythin

ASK JIMMY ANYTHING!

WED MAY 31 LIVE

700-900PM PT

AMA

1
00:00:26,470 --> 00:00:21,550

[Music]

2
00:00:29,810 --> 00:00:26,480

the smoke radio for the masses of July 8

3
00:00:32,150 --> 00:00:29,820

1947 the Army Air Forces has announced

4
00:00:38,290 --> 00:00:32,160

that a flying disc has been found and is

5
00:00:45,709 --> 00:00:41,990

I occasionally think how quickly our

6
00:00:48,110 --> 00:00:45,719

difference is worldwide would vanish if

7
00:00:49,470 --> 00:00:48,120

we were facing an aam threat from

8
00:00:51,300 --> 00:00:49,480

outside this work

9
00:00:51,460 --> 00:00:51,310

[Music]

10
00:00:54,049 --> 00:00:51,470

[Applause]

11
00:00:56,689 --> 00:00:54,059

[Music]

12
00:00:59,569 --> 00:00:56,699

this is Fade to Black with your host

13
00:01:00,240 --> 00:00:59,579

Jimmy Church on the game changer Radio

14

00:01:03,969 --> 00:01:00,250

Network

15

00:01:05,890 --> 00:01:03,979

[Music]

16

00:01:08,750 --> 00:01:05,900

all right

17

00:01:12,230 --> 00:01:08,760

wow whoa

18

00:01:16,570 --> 00:01:12,240

good evening Fade to Black today is

19

00:01:23,510 --> 00:01:19,910

2023 I am your host Jimmy church tonight

20

00:01:26,510 --> 00:01:23,520

we are doing an AMA we do amas once a

21

00:01:28,969 --> 00:01:26,520

month here usually they're scheduled uh

22

00:01:34,130 --> 00:01:28,979

the last couple of amas asked Jimmy

23

00:01:36,950 --> 00:01:34,140

anything it should be Aja uh by the way

24

00:01:40,310 --> 00:01:36,960

um uh have been we've had technical

25

00:01:44,090 --> 00:01:40,320

issues uh that pop up uh you know a few

26
00:01:45,710 --> 00:01:44,100
times a year uh with our guests and uh

27
00:01:47,230 --> 00:01:45,720
happened uh tonight right before

28
00:01:50,330 --> 00:01:47,240
Showtime

29
00:01:52,550 --> 00:01:50,340
I can't overcome it it's just one of

30
00:01:55,670 --> 00:01:52,560
those things but the show must go on I

31
00:01:57,710 --> 00:01:55,680
will never not do a show because of a

32
00:01:59,230 --> 00:01:57,720
technical issue you'll never get ah show

33
00:02:03,889 --> 00:01:59,240
canceled tonight

34
00:02:06,469 --> 00:02:03,899
and I've got a cold the guest is got a

35
00:02:09,650 --> 00:02:06,479
cold or there's technically there's a

36
00:02:11,710 --> 00:02:09,660
windstorm and internet is down so we

37
00:02:15,130 --> 00:02:11,720
have to get no no

38
00:02:19,070 --> 00:02:15,140

The Show Must Go On there's just there's

39

00:02:22,790 --> 00:02:19,080

it would have to be catastrophic for me

40

00:02:24,470 --> 00:02:22,800

not to do a show so um that's what we're

41

00:02:27,530 --> 00:02:24,480

going to do tonight we're going to have

42

00:02:30,350 --> 00:02:27,540

an AMA and uh tonight's broadcast is

43

00:02:33,530 --> 00:02:30,360

brought to you by accidental truth

44

00:02:34,490 --> 00:02:33,540

the new documentary by director Ron

45

00:02:38,089 --> 00:02:34,500

James

46

00:02:41,089 --> 00:02:38,099

still I mean this is a hit movie still

47

00:02:44,809 --> 00:02:41,099

in the top of uh all of the streaming

48

00:02:48,410 --> 00:02:44,819

services that's because it is a great

49

00:02:50,330 --> 00:02:48,420

movie a great documentary and uh now you

50

00:02:53,509 --> 00:02:50,340

can go to Amazon and go to wherever you

51
00:02:56,869 --> 00:02:53,519
go uh for your premium content and go

52
00:02:59,270 --> 00:02:56,879
and check out accidental truth today

53
00:03:04,190 --> 00:02:59,280
um I was telling Ron this week

54
00:03:06,589 --> 00:03:04,200
I said man I will do everything I can to

55
00:03:08,930 --> 00:03:06,599
keep this movie at the top of everything

56
00:03:12,229 --> 00:03:08,940
for the rest of the year it is really

57
00:03:14,509 --> 00:03:12,239
that great of a movie and I fully

58
00:03:16,910 --> 00:03:14,519
support it and yeah I'm in it too I you

59
00:03:20,089 --> 00:03:16,920
know so if you want to rent the movie

60
00:03:22,369 --> 00:03:20,099
right just to see my little you know six

61
00:03:24,410 --> 00:03:22,379
seconds five seconds however long I'm in

62
00:03:28,550 --> 00:03:24,420
the movie uh it's worth it

63
00:03:32,869 --> 00:03:28,560

yeah accidental truth check it out today

64

00:03:36,170 --> 00:03:32,879

total required viewing by everybody in

65

00:03:38,869 --> 00:03:36,180

our community all right all right so

66

00:03:43,490 --> 00:03:38,879

that is that

67

00:03:45,710 --> 00:03:43,500

um and one of uh the things that I did

68

00:03:47,449 --> 00:03:45,720

want to mention let me check my I am

69

00:03:50,270 --> 00:03:47,459

over here all right looks like it's

70

00:03:52,190 --> 00:03:50,280

running a little low okay all right so

71

00:03:54,770 --> 00:03:52,200

that's that's there that's there okay

72

00:03:56,869 --> 00:03:54,780

all right now all this now I see I could

73

00:03:59,530 --> 00:03:56,879

tell things were a little low I need to

74

00:04:05,690 --> 00:03:59,540

have my stuff booming

75

00:04:09,850 --> 00:04:05,700

Bowman okay all right so uh put your uh

76

00:04:14,289 --> 00:04:09,860

questions in all caps if you can

77

00:04:17,750 --> 00:04:14,299

uh thank you for posting that uh uh

78

00:04:19,610 --> 00:04:17,760

right there thank you genocide

79

00:04:21,180 --> 00:04:19,620

um and again

80

00:04:23,990 --> 00:04:21,190

uh

81

00:04:26,890 --> 00:04:24,000

[Laughter]

82

00:04:29,330 --> 00:04:26,900

uh

83

00:04:32,450 --> 00:04:29,340

okay all right all right all right all

84

00:04:35,090 --> 00:04:32,460

right uh post your questions in all caps

85

00:04:37,670 --> 00:04:35,100

and and you can do it right there in the

86

00:04:40,010 --> 00:04:37,680

YouTube chat welcome everybody let's

87

00:04:41,870 --> 00:04:40,020

have fun tonight and uh there you go now

88

00:04:44,749 --> 00:04:41,880

I also

89
00:04:46,670 --> 00:04:44,759
before we get started What A Strange Day

90
00:04:48,550 --> 00:04:46,680
to have a technical issue with a guest

91
00:04:51,230 --> 00:04:48,560
because today

92
00:04:54,469 --> 00:04:51,240
NASA had I don't even know how many

93
00:04:57,409 --> 00:04:54,479
hours that thing went for uh a press

94
00:05:00,370 --> 00:04:57,419
conference today with uh 16 people I

95
00:05:02,629 --> 00:05:00,380
think 16 was 16 right taking questions

96
00:05:04,430 --> 00:05:02,639
and had I known they were taking

97
00:05:07,249 --> 00:05:04,440
questions I would have sent something in

98
00:05:11,930 --> 00:05:07,259
or tried to get in on the action

99
00:05:14,629 --> 00:05:11,940
um I I do believe that uh the uh

100
00:05:18,350 --> 00:05:14,639
question uh the questions that were

101
00:05:19,150 --> 00:05:18,360
asked were were pretty legit

102
00:05:22,249 --> 00:05:19,160
um

103
00:05:24,710 --> 00:05:22,259
right I can tell where the the

104
00:05:27,590 --> 00:05:24,720
journalists out there they're coming

105
00:05:31,070 --> 00:05:27,600
from an ET perspective on this they're

106
00:05:34,189 --> 00:05:31,080
coming from uh are we being visited

107
00:05:36,590 --> 00:05:34,199
from friends from out there that's

108
00:05:37,990 --> 00:05:36,600
that's what this that's what everybody

109
00:05:43,370 --> 00:05:38,000
wants to know

110
00:05:45,650 --> 00:05:43,380
and it was addressed many times today in

111
00:05:47,689 --> 00:05:45,660
a skirting fashion I'm trying to push

112
00:05:49,189 --> 00:05:47,699
away from that push away push away push

113
00:05:52,850 --> 00:05:49,199

away

114

00:05:56,510 --> 00:05:52,860

um and it was uh frustrating to to

115

00:05:59,629 --> 00:05:56,520

listen to that over and over again Renee

116

00:06:02,810 --> 00:05:59,639

uh my producer one of my producers uh my

117

00:06:05,570 --> 00:06:02,820

who produces the news here uh watching

118

00:06:08,930 --> 00:06:05,580

her comments and and getting her email

119

00:06:12,710 --> 00:06:08,940

tonight she wasn't happy and and I think

120

00:06:16,070 --> 00:06:12,720

that reflects uh a lot of this and and

121

00:06:19,909 --> 00:06:16,080

the way that the media is now reporting

122

00:06:21,529 --> 00:06:19,919

on it I think we'll get uh more tomorrow

123

00:06:23,290 --> 00:06:21,539

um but the way that the media is

124

00:06:29,409 --> 00:06:23,300

reporting on it

125

00:06:34,070 --> 00:06:29,419

they are definitely saying uh NASA's is

126

00:06:39,469 --> 00:06:34,080

any T they're not about that and it's

127

00:06:42,290 --> 00:06:39,479

weird the the selection of the 16 uh you

128

00:06:45,770 --> 00:06:42,300

know there's Sean Kirkpatrick of course

129

00:06:48,230 --> 00:06:45,780

um you know I I think that every one of

130

00:06:49,610 --> 00:06:48,240

them I I can't speak for Sean

131

00:06:54,050 --> 00:06:49,620

but

132

00:06:57,350 --> 00:06:54,060

I I think that they have an E.T slant

133

00:07:00,170 --> 00:06:57,360

here at least privately you know and

134

00:07:01,610 --> 00:07:00,180

they they wanted to you could tell they

135

00:07:05,390 --> 00:07:01,620

wanted to answer these questions

136

00:07:09,230 --> 00:07:05,400

differently uh but they couldn't they

137

00:07:12,830 --> 00:07:09,240

could not it was uh it was very very

138

00:07:16,430 --> 00:07:12,840

interesting okay so we have all of that

139

00:07:19,969 --> 00:07:16,440

to talk about today as well

140

00:07:23,510 --> 00:07:19,979

um yes I see the questions coming in uh

141

00:07:24,890 --> 00:07:23,520

if you can post them in all caps I will

142

00:07:28,370 --> 00:07:24,900

get to them

143

00:07:30,650 --> 00:07:28,380

uh uh let's see here wow yeah lots of

144

00:07:31,309 --> 00:07:30,660

questions okay

145

00:07:35,809 --> 00:07:31,319

um

146

00:07:39,469 --> 00:07:35,819

uh okay all right I'll get through

147

00:07:41,390 --> 00:07:39,479

um yeah 29 Palms yeah I can I can

148

00:07:43,309 --> 00:07:41,400

definitely see that coming in tonight

149

00:07:45,950 --> 00:07:43,319

too as well yeah I've got comments I'm

150

00:07:49,909 --> 00:07:45,960

not I will uh

151
00:07:52,969 --> 00:07:49,919
I want to talk about 29 palms no problem

152
00:07:57,110 --> 00:07:52,979
and uh so anyway all right

153
00:07:58,189 --> 00:07:57,120
um as we get things started here

154
00:08:03,670 --> 00:07:58,199
um

155
00:08:07,670 --> 00:08:03,680
so I want to talk about that first it's

156
00:08:10,070 --> 00:08:07,680
uh it may be an AMA question later but I

157
00:08:16,450 --> 00:08:10,080
want to address something

158
00:08:18,589 --> 00:08:16,460
um we had very quickly this week

159
00:08:22,070 --> 00:08:18,599
uh three

160
00:08:24,589 --> 00:08:22,080
top TV shows three

161
00:08:29,029 --> 00:08:24,599
and

162
00:08:35,389 --> 00:08:31,249
series ending

163
00:08:38,510 --> 00:08:35,399

all right now last night was Ted lasso

164

00:08:40,610 --> 00:08:38,520

that's a big show that's a big big big

165

00:08:45,050 --> 00:08:40,620

show Apple TV

166

00:08:46,610 --> 00:08:45,060

and uh Ted lasso uh and he kind of felt

167

00:08:50,150 --> 00:08:46,620

it coming

168

00:08:51,949 --> 00:08:50,160

uh I think at the end of last season

169

00:08:53,990 --> 00:08:51,959

um and and going into this one it was

170

00:08:55,850 --> 00:08:54,000

like man you know what I saw what they

171

00:08:57,889 --> 00:08:55,860

were doing and yeah it's the father-son

172

00:08:59,329 --> 00:08:57,899

thing and he misses his son he's over in

173

00:09:01,670 --> 00:08:59,339

England

174

00:09:05,090 --> 00:09:01,680

um and and I was thinking there that

175

00:09:08,269 --> 00:09:05,100

there might be an interesting twist

176

00:09:12,170 --> 00:09:08,279

um and and I'm not going to get into any

177

00:09:15,590 --> 00:09:12,180

spoilers here uh with that but

178

00:09:18,470 --> 00:09:15,600

um I really enjoyed the show

179

00:09:23,329 --> 00:09:18,480

um and I thought it was very smart it

180

00:09:25,670 --> 00:09:23,339

was original uh very tough to

181

00:09:27,530 --> 00:09:25,680

um have a sports show with real Sports

182

00:09:29,090 --> 00:09:27,540

Action in this case soccer right

183

00:09:31,250 --> 00:09:29,100

football

184

00:09:37,490 --> 00:09:31,260

um the English version of it uh Richmond

185

00:09:39,829 --> 00:09:37,500

AFC Ted 1980 being in an American uh uh

186

00:09:43,850 --> 00:09:39,839

Collegiate coach and and he goes over

187

00:09:46,310 --> 00:09:43,860

and coaches uh you know gets hired as uh

188

00:09:49,430 --> 00:09:46,320

as a coach for a soccer team and and so

189

00:09:51,410 --> 00:09:49,440

the hygiene's ensue right okay yeah I

190

00:09:54,050 --> 00:09:51,420

thought it was well done

191

00:09:56,449 --> 00:09:54,060

um uh but

192

00:10:00,850 --> 00:09:56,459

I didn't want to see it end

193

00:10:03,769 --> 00:10:00,860

I felt it coming you know and and and

194

00:10:06,530 --> 00:10:03,779

it ended

195

00:10:10,430 --> 00:10:06,540

which is kind of weird uh with this

196

00:10:14,329 --> 00:10:10,440

because when you go to Oz or

197

00:10:16,810 --> 00:10:14,339

um uh other series that uh you know you

198

00:10:20,509 --> 00:10:16,820

know just just come to him an Abrupt end

199

00:10:21,949 --> 00:10:20,519

uh so many you know they all do it

200

00:10:26,870 --> 00:10:21,959

eventually right

201

00:10:29,269 --> 00:10:26,880

that that the the the the series ending

202

00:10:31,550 --> 00:10:29,279

episode is always a letdown and people

203

00:10:35,449 --> 00:10:31,560

complain it's not what you were

204

00:10:37,310 --> 00:10:35,459

um the way Ted lasso uh ended and I knew

205

00:10:39,590 --> 00:10:37,320

it was coming we all did we knew that

206

00:10:43,009 --> 00:10:39,600

this was the last season

207

00:10:44,410 --> 00:10:43,019

um it ended the way exactly the way I

208

00:10:48,470 --> 00:10:44,420

thought it would end

209

00:10:51,590 --> 00:10:48,480

it was like it was satisfying for me

210

00:10:55,250 --> 00:10:51,600

it all made sense

211

00:10:57,230 --> 00:10:55,260

it did it did so

212

00:10:59,810 --> 00:10:57,240

so there's that

213

00:11:02,710 --> 00:10:59,820

and then

214

00:11:10,550 --> 00:11:02,720

Barry

215

00:11:13,310 --> 00:11:10,560

I I thought from uh I thought from the

216

00:11:17,750 --> 00:11:13,320

beginning that that Barry was uh just an

217

00:11:21,650 --> 00:11:17,760

ingenious show great idea

218

00:11:24,110 --> 00:11:21,660

um uh you know you have a hit man for

219

00:11:26,690 --> 00:11:24,120

hire comes to LA to kill somebody gets

220

00:11:31,069 --> 00:11:26,700

into acting school falls in love with

221

00:11:33,530 --> 00:11:31,079

acting uh falls in love and but he's

222

00:11:36,230 --> 00:11:33,540

still got a job to do he's got pills to

223

00:11:37,850 --> 00:11:36,240

pay he's got people to kill and so

224

00:11:39,230 --> 00:11:37,860

that's going on behind the scenes and

225

00:11:43,550 --> 00:11:39,240

and

226

00:11:45,769 --> 00:11:43,560

um it it just Barry never disappointed

227

00:11:47,569 --> 00:11:45,779

um uh and the other thing about Barry

228

00:11:50,030 --> 00:11:47,579

that I thought was great was it was just

229

00:11:54,230 --> 00:11:50,040

set here in the valley

230

00:11:57,889 --> 00:11:54,240

um in in North Hollywood Encino uh

231

00:11:59,810 --> 00:11:57,899

Studio City all of the the things that

232

00:12:01,490 --> 00:11:59,820

are Hollywood you know in my

233

00:12:03,230 --> 00:12:01,500

neighborhood were all there and I I

234

00:12:06,370 --> 00:12:03,240

enjoyed that part of it that it's always

235

00:12:11,329 --> 00:12:06,380

cool when that happens but

236

00:12:13,970 --> 00:12:11,339

uh again no spoilers here

237

00:12:16,930 --> 00:12:13,980

I didn't expect that ending

238

00:12:20,030 --> 00:12:16,940

but

239

00:12:22,130 --> 00:12:20,040

they ended it the way

240

00:12:27,110 --> 00:12:22,140

it should have ended

241

00:12:29,150 --> 00:12:27,120

you know and again and I was bummed I

242

00:12:30,769 --> 00:12:29,160

wanted to have Barry continue for a

243

00:12:34,009 --> 00:12:30,779

couple of more seasons and the same

244

00:12:37,490 --> 00:12:34,019

thing with uh with Ted lasso I I just

245

00:12:39,170 --> 00:12:37,500

really enjoy and to have them both end

246

00:12:42,470 --> 00:12:39,180

but it's just like it was kind of

247

00:12:45,350 --> 00:12:42,480

dramatic for me because I enjoy a good

248

00:12:48,530 --> 00:12:45,360

storytelling and good television and

249

00:12:50,090 --> 00:12:48,540

then so Barry you know bums me out it

250

00:12:53,269 --> 00:12:50,100

does it bums me out

251

00:12:56,690 --> 00:12:53,279

but it's over right it's done

252

00:12:58,850 --> 00:12:56,700

and it just like hit me I was like man

253

00:13:00,889 --> 00:12:58,860

Barry's done

254

00:13:02,990 --> 00:13:00,899

and then

255

00:13:06,530 --> 00:13:03,000

succession

256

00:13:08,629 --> 00:13:06,540

all right there are some out there and

257

00:13:12,230 --> 00:13:08,639

it's deserving

258

00:13:15,170 --> 00:13:12,240

there are some out there that uh

259

00:13:17,410 --> 00:13:15,180

uh say that succession may be the

260

00:13:21,230 --> 00:13:17,420

greatest television series ever made and

261

00:13:23,030 --> 00:13:21,240

it's it's deserving you know that's a

262

00:13:26,870 --> 00:13:23,040

that's a that's an opinion thing that's

263

00:13:29,210 --> 00:13:26,880

totally open for debate but absolutely

264

00:13:31,310 --> 00:13:29,220

tremendous television and and great

265

00:13:34,790 --> 00:13:31,320

storytelling

266

00:13:38,509 --> 00:13:34,800

um the some of the critics out there

267

00:13:40,730 --> 00:13:38,519

uh with succession I've I've seen this

268

00:13:43,250 --> 00:13:40,740

over the years and they certainly talked

269

00:13:45,670 --> 00:13:43,260

a lot about that uh about this over the

270

00:13:50,090 --> 00:13:45,680

last couple of weeks about the comedy

271

00:13:51,889 --> 00:13:50,100

aspect uh that succession was a comedy a

272

00:13:57,970 --> 00:13:51,899

dramedy a comedy

273

00:14:00,829 --> 00:13:57,980

I didn't I there were moments uh Culkin

274

00:14:04,129 --> 00:14:00,839

uh you know him popping off of the mouth

275

00:14:06,170 --> 00:14:04,139

you know with his with his stuff okay

276

00:14:07,670 --> 00:14:06,180

all right but that's that's just who the

277

00:14:10,190 --> 00:14:07,680

character is I don't think it was a

278

00:14:12,170 --> 00:14:10,200

deliberate attempts at at writing funny

279

00:14:15,170 --> 00:14:12,180

stuff

280

00:14:17,449 --> 00:14:15,180

um yeah it's a personality disorder and

281

00:14:20,629 --> 00:14:17,459

he's a troubled uh person but anyway

282

00:14:22,030 --> 00:14:20,639

shiv Kendall

283

00:14:24,829 --> 00:14:22,040

um the uh

284

00:14:27,769 --> 00:14:24,839

uh the

285

00:14:30,350 --> 00:14:27,779

the relationships that were there

286

00:14:32,509 --> 00:14:30,360

uh with everybody

287

00:14:35,810 --> 00:14:32,519

um all four kids

288

00:14:40,430 --> 00:14:35,820

um it was it was just really well

289

00:14:43,009 --> 00:14:40,440

written and and Brian Cox who uh I have

290

00:14:47,389 --> 00:14:43,019

followed for years I I first

291

00:14:49,490 --> 00:14:47,399

uh I first saw him in I mean I first

292

00:14:51,470 --> 00:14:49,500

became aware of him I should say may

293

00:14:53,629 --> 00:14:51,480

have seen him before don't really

294

00:14:56,990 --> 00:14:53,639

remember

295

00:15:01,250 --> 00:14:57,000

um you know was Wes Anderson

296

00:15:03,650 --> 00:15:01,260

and and I've I've just always enjoyed

297

00:15:06,769 --> 00:15:03,660

Brian Cox and anything that he has done

298

00:15:10,310 --> 00:15:06,779

uh ever since having him uh killed off

299

00:15:13,790 --> 00:15:10,320

like in episode three uh uh when he had

300

00:15:15,710 --> 00:15:13,800

a heart attack he was he was a murdered

301
00:15:18,530 --> 00:15:15,720
um set the stage and I thought that that

302
00:15:20,810 --> 00:15:18,540
was pretty dramatic again we all knew

303
00:15:23,689 --> 00:15:20,820
that this was the last season the show

304
00:15:26,090 --> 00:15:23,699
is called succession so who was going to

305
00:15:29,569 --> 00:15:26,100
succeed you know the patriarch you know

306
00:15:37,790 --> 00:15:33,350
um the how do how do I say this

307
00:15:40,069 --> 00:15:37,800
um I thought that I never I never I I

308
00:15:43,009 --> 00:15:40,079
don't think I ever laughed

309
00:15:47,569 --> 00:15:43,019
succession

310
00:15:50,930 --> 00:15:47,579
and I I don't understand the comedy side

311
00:15:52,490 --> 00:15:50,940
I suppose if I went back and re-watched

312
00:15:55,069 --> 00:15:52,500
it

313
00:15:56,930 --> 00:15:55,079

um that maybe I would see some of those

314

00:16:00,110 --> 00:15:56,940

elements I never did I thought it was

315

00:16:03,949 --> 00:16:00,120

just very realistic but some Uber Rich

316

00:16:07,430 --> 00:16:03,959

spoiled kids fighting over uh you know

317

00:16:10,670 --> 00:16:07,440

family money and ego I thought it was

318

00:16:16,610 --> 00:16:10,680

just really realistic

319

00:16:19,370 --> 00:16:16,620

um but uh I didn't see that ending

320

00:16:21,889 --> 00:16:19,380

I didn't see it coming I did not that

321

00:16:24,290 --> 00:16:21,899

last episode which was an hour and a

322

00:16:27,110 --> 00:16:24,300

half it was 90 minutes

323

00:16:28,910 --> 00:16:27,120

um and and okay so I'll say this a

324

00:16:31,009 --> 00:16:28,920

little bit of a spoiler

325

00:16:34,430 --> 00:16:31,019

each episode is an hour

326

00:16:37,610 --> 00:16:34,440

and so we're 45 minutes in the into this

327

00:16:39,050 --> 00:16:37,620

last episode uh the you know the end of

328

00:16:41,150 --> 00:16:39,060

the series

329

00:16:42,110 --> 00:16:41,160

how are they gonna wrap this up in 15

330

00:16:46,910 --> 00:16:42,120

minutes

331

00:16:48,970 --> 00:16:46,920

the credits out They're Gonna Roll how

332

00:16:52,730 --> 00:16:48,980

they how are they gonna rap what what

333

00:16:54,470 --> 00:16:52,740

and so it turned out to be a 90-minute

334

00:16:57,110 --> 00:16:54,480

episode

335

00:17:01,730 --> 00:16:57,120

um and I didn't see it coming

336

00:17:04,750 --> 00:17:01,740

no no spoiler alert I did not and I'm

337

00:17:11,929 --> 00:17:04,760

telling you right now

338

00:17:16,429 --> 00:17:14,210

I didn't know what was gonna happen

339

00:17:20,630 --> 00:17:16,439

when they did the milkshake it wasn't

340

00:17:22,250 --> 00:17:20,640

the shape that the the dinner for Kings

341

00:17:25,490 --> 00:17:22,260

um in the kitchen at their mom's house

342

00:17:28,610 --> 00:17:25,500

with the blender and that scene and they

343

00:17:32,270 --> 00:17:28,620

did the swim and they you know you know

344

00:17:35,630 --> 00:17:32,280

they're bonding and and all of that

345

00:17:38,930 --> 00:17:35,640

um I thought no this isn't going to

346

00:17:41,090 --> 00:17:38,940

happen but I didn't know what

347

00:17:44,330 --> 00:17:41,100

was going to happen

348

00:17:46,730 --> 00:17:44,340

and I was completely surprised but so

349

00:17:49,430 --> 00:17:46,740

the reason why I've just spent all of

350

00:17:51,590 --> 00:17:49,440

this time on this my three favorite

351
00:17:53,870 --> 00:17:51,600
shows that I've been looking forward to

352
00:17:55,190 --> 00:17:53,880
you know over the past three four five

353
00:17:56,990 --> 00:17:55,200
years

354
00:18:00,289 --> 00:17:57,000
all ended

355
00:18:04,250 --> 00:18:00,299
this week

356
00:18:05,390 --> 00:18:04,260
and so today

357
00:18:08,029 --> 00:18:05,400
right

358
00:18:09,230 --> 00:18:08,039
I was uh I was working and I was doing

359
00:18:12,470 --> 00:18:09,240
some stuff

360
00:18:14,810 --> 00:18:12,480
and uh you know phones and and things

361
00:18:17,450 --> 00:18:14,820
and got lots going on

362
00:18:18,950 --> 00:18:17,460
and and I was walking

363
00:18:20,330 --> 00:18:18,960

you know through the house and I went

364

00:18:22,930 --> 00:18:20,340

man

365

00:18:25,430 --> 00:18:22,940

Barry's over too

366

00:18:28,370 --> 00:18:25,440

successful event

367

00:18:30,289 --> 00:18:28,380

it's kind of this kind of sucky

368

00:18:33,289 --> 00:18:30,299

so I just wanted to share that with you

369

00:18:35,990 --> 00:18:33,299

it said the AMA tonight I don't get a

370

00:18:37,909 --> 00:18:36,000

chance uh to talk about uh personal

371

00:18:40,010 --> 00:18:37,919

things like I used to on the show over

372

00:18:41,510 --> 00:18:40,020

the last 10 years and I just wanted to

373

00:18:43,789 --> 00:18:41,520

share that with you man it was just kind

374

00:18:49,070 --> 00:18:43,799

of a kind of a strange week

375

00:18:51,230 --> 00:18:49,080

and uh so this is what I did I go I get

376

00:18:53,810 --> 00:18:51,240

some coffee I was pouring coffee

377

00:18:56,270 --> 00:18:53,820

this is this afternoon drink coffee in

378

00:19:00,049 --> 00:18:56,280

the middle of the day

379

00:19:05,330 --> 00:19:02,870

and I said out loud to myself

380

00:19:09,289 --> 00:19:05,340

you need to go and check

381

00:19:13,490 --> 00:19:12,110

where the series is ending I don't want

382

00:19:15,470 --> 00:19:13,500

this trauma

383

00:19:19,010 --> 00:19:15,480

I don't want to deal with it

384

00:19:21,710 --> 00:19:19,020

right okay all right so there it is I

385

00:19:24,710 --> 00:19:21,720

put it out there I'm upset about Ted

386

00:19:29,630 --> 00:19:24,720

lasso I'm upset about Barry and I'm

387

00:19:30,490 --> 00:19:29,640

upset about succession that's it uh it's

388

00:19:33,590 --> 00:19:30,500

over

389

00:19:35,690 --> 00:19:33,600

if if you go back I'll get the questions

390

00:19:37,730 --> 00:19:35,700

here in just a second uh we'll get all

391

00:19:40,250 --> 00:19:37,740

of this started if you go back to the

392

00:19:42,710 --> 00:19:40,260

ending of The Sopranos

393

00:19:45,650 --> 00:19:42,720

all right

394

00:19:49,370 --> 00:19:45,660

okay that the last episode in the

395

00:19:50,870 --> 00:19:49,380

restaurant Tony Soprano I was like this

396

00:19:53,930 --> 00:19:50,880

sucks

397

00:19:56,930 --> 00:19:53,940

not not the ending of The Sopranos The

398

00:19:59,750 --> 00:19:56,940

Sopranos started to kind of lose itself

399

00:20:01,909 --> 00:19:59,760

you know the last couple of Seasons uh

400

00:20:05,570 --> 00:20:01,919

nothing compared to right seasons one

401

00:20:08,450 --> 00:20:05,580

two and three but but anyway

402

00:20:11,570 --> 00:20:08,460

that just kind of sucked it wasn't a

403

00:20:13,010 --> 00:20:11,580

good series ending it wasn't it wasn't

404

00:20:14,350 --> 00:20:13,020

it was one of those things where like

405

00:20:18,650 --> 00:20:14,360

well if they're gonna end it like that

406

00:20:21,350 --> 00:20:18,660

uh who cares and The Sopranos went for

407

00:20:26,029 --> 00:20:21,360

me from you know you know being King of

408

00:20:28,130 --> 00:20:26,039

the Hill to to not so much but Barry's

409

00:20:30,529 --> 00:20:28,140

succession and Ted lasso

410

00:20:34,390 --> 00:20:30,539

that all three of them stuck The Landing

411

00:20:37,310 --> 00:20:34,400

they did man they did they did a worthy

412

00:20:40,190 --> 00:20:37,320

worthy endings it's like real writers

413

00:20:43,490 --> 00:20:40,200

got together and and delivered that's my

414

00:20:46,850 --> 00:20:43,500

opinion but uh there you go

415

00:20:49,789 --> 00:20:46,860

all right uh that's it that's it for all

416

00:20:52,730 --> 00:20:49,799

of my pre-show notes let's get to these

417

00:20:55,430 --> 00:20:52,740

questions tonight is uh an impromptu AMA

418

00:20:58,190 --> 00:20:55,440

we do these amas once a month usually

419

00:21:01,430 --> 00:20:58,200

scheduled uh the last couple have been

420

00:21:03,950 --> 00:21:01,440

last minute amas doesn't it doesn't

421

00:21:07,190 --> 00:21:03,960

diminish the AMA itself because they are

422

00:21:11,090 --> 00:21:07,200

so much fun and I really enjoy doing

423

00:21:13,250 --> 00:21:11,100

them and so uh let's get this crack and

424

00:21:14,770 --> 00:21:13,260

let's see what's on everybody's mind

425

00:21:18,950 --> 00:21:14,780

first up

426

00:21:20,690 --> 00:21:18,960

uh rights let's see I'm just gonna go in

427

00:21:22,850 --> 00:21:20,700

order I'm not going to read these in

428

00:21:24,710 --> 00:21:22,860

advance why do you use this from Michael

429

00:21:26,690 --> 00:21:24,720

Mansfield Michael says why do you think

430

00:21:28,789 --> 00:21:26,700

skin walker Ranch has captured the

431

00:21:29,890 --> 00:21:28,799

world's attention

432

00:21:36,110 --> 00:21:29,900

um

433

00:21:40,549 --> 00:21:37,909

I'll tell you why

434

00:21:44,930 --> 00:21:40,559

so simple answer I think most of the

435

00:21:47,649 --> 00:21:44,940

world most of it most of it now I think

436

00:21:50,390 --> 00:21:47,659

understand science

437

00:21:52,970 --> 00:21:50,400

and you know I think we all wonder about

438

00:21:56,570 --> 00:21:52,980

ghosts and things you know some people

439

00:22:00,890 --> 00:21:56,580

don't you know but but that

440

00:22:04,789 --> 00:22:00,900

um you are using the word worlds not me

441

00:22:08,390 --> 00:22:04,799

okay so but so it's Michael's opinion

442

00:22:11,270 --> 00:22:08,400

that the world is interested in

443

00:22:13,970 --> 00:22:11,280

Skinwalker okay so let's let's take your

444

00:22:16,130 --> 00:22:13,980

question at face value

445

00:22:18,649 --> 00:22:16,140

the world's attention

446

00:22:22,490 --> 00:22:18,659

when you apply

447

00:22:25,070 --> 00:22:22,500

science the way that they are attempting

448

00:22:26,930 --> 00:22:25,080

to do it here I'm not talking about Oak

449

00:22:28,610 --> 00:22:26,940

Island I'm not talking about a Bigfoot

450

00:22:30,350 --> 00:22:28,620

show or UFO show I'm not talking about

451

00:22:31,789 --> 00:22:30,360

any of that I'm just talking about skin

452

00:22:36,470 --> 00:22:31,799

walker Ranch

453

00:22:40,190 --> 00:22:36,480

and bringing in uh big brains big

454

00:22:43,789 --> 00:22:40,200

equipment and big money to apply science

455

00:22:46,490 --> 00:22:43,799

to figure out the strangeness of this

456

00:22:49,370 --> 00:22:46,500

piece of property that will always

457

00:22:52,730 --> 00:22:49,380

capture the world's attention because we

458

00:22:55,430 --> 00:22:52,740

want we want proof we you know we've all

459

00:22:59,330 --> 00:22:55,440

seen or experienced or heard of strange

460

00:23:01,250 --> 00:22:59,340

things right but there's never right you

461

00:23:04,130 --> 00:23:01,260

know bringing the scientists bringing

462

00:23:07,310 --> 00:23:04,140

the big brains let's do this SRI you

463

00:23:11,750 --> 00:23:07,320

know let's do you know remote viewing uh

464

00:23:14,270 --> 00:23:11,760

Stargate the CIA you never know uh the

465

00:23:16,130 --> 00:23:14,280

real truth about all of those things you

466

00:23:18,409 --> 00:23:16,140

just don't

467

00:23:19,970 --> 00:23:18,419

um and in this case it's playing out on

468

00:23:22,130 --> 00:23:19,980

television

469

00:23:24,770 --> 00:23:22,140

um I think that there is some

470

00:23:26,830 --> 00:23:24,780

strange things going on up there again

471

00:23:30,770 --> 00:23:26,840

that 1.6

472

00:23:33,350 --> 00:23:30,780

megahertz signal I don't know if it's if

473

00:23:36,169 --> 00:23:33,360

it's a beacon you know that's being

474

00:23:38,149 --> 00:23:36,179

constantly broadcast out uh to tow

475

00:23:39,830 --> 00:23:38,159

towards their home plan I don't know I'm

476

00:23:41,750 --> 00:23:39,840

talking about E.T

477

00:23:43,850 --> 00:23:41,760

uh there appears to be something

478

00:23:45,710 --> 00:23:43,860

underneath that Mesa that is of Dome

479

00:23:49,010 --> 00:23:45,720

shape

480

00:23:50,990 --> 00:23:49,020

um they've drilled and and and pulled

481

00:23:53,570 --> 00:23:51,000

stuff out of there that doesn't appear

482

00:23:55,850 --> 00:23:53,580

to be natural and then you've got all

483

00:23:57,529 --> 00:23:55,860

the other things that go on there

484

00:23:59,029 --> 00:23:57,539

um last night Pete Kelsey being on the

485

00:24:01,549 --> 00:23:59,039

show

486

00:24:04,330 --> 00:24:01,559

um somebody that uh you know comes from

487

00:24:07,909 --> 00:24:04,340

a scientific mind that's what he does

488

00:24:11,210 --> 00:24:07,919

and specifically he does mapping and and

489

00:24:13,130 --> 00:24:11,220

other things and he's just like man from

490

00:24:16,730 --> 00:24:13,140

day one you know I show up there there's

491

00:24:18,529 --> 00:24:16,740

a UAP there's a UFO directly above the

492

00:24:22,010 --> 00:24:18,539

ranch and my my equipment's not working

493

00:24:22,909 --> 00:24:22,020

and my expensive drone I've lost control

494

00:24:27,049 --> 00:24:22,919

of

495

00:24:29,210 --> 00:24:27,059

and that was you know the first day on

496

00:24:32,630 --> 00:24:29,220

the ranch and it's it's never normal

497

00:24:33,950 --> 00:24:32,640

there uh so applying the science and

498

00:24:35,930 --> 00:24:33,960

trying to figure out what's going on

499

00:24:37,190 --> 00:24:35,940

yeah that will always capture the

500

00:24:40,789 --> 00:24:37,200

world's attention

501
00:24:44,270 --> 00:24:40,799
and it has certainly captured mine

502
00:24:47,750 --> 00:24:44,280
now the there's a there's another part

503
00:24:51,590 --> 00:24:47,760
let me let me just say this uh it's been

504
00:24:54,649 --> 00:24:51,600
a few books written about skin walker uh

505
00:24:56,870 --> 00:24:54,659
there has been uh I've talked to many

506
00:24:59,930 --> 00:24:56,880
people that have worked there okay many

507
00:25:08,930 --> 00:25:03,250
um most of it off of the air

508
00:25:10,669 --> 00:25:08,940
that will say stranger things then and

509
00:25:12,950 --> 00:25:10,679
these are people that I trust stranger

510
00:25:14,210 --> 00:25:12,960
things than what appears in the show but

511
00:25:17,450 --> 00:25:14,220
but

512
00:25:21,830 --> 00:25:17,460
I think that some of the photography and

513
00:25:24,529 --> 00:25:21,840

some of the books that have been written

514

00:25:27,350 --> 00:25:24,539

about skinwalker

515

00:25:28,530 --> 00:25:27,360

um I think I think a lot of that is is

516

00:25:30,110 --> 00:25:28,540

sensationalism

517

00:25:32,750 --> 00:25:30,120

[Music]

518

00:25:36,110 --> 00:25:32,760

um I I don't think it has anything to do

519

00:25:37,970 --> 00:25:36,120

with uh the the phenomena it has more to

520

00:25:40,310 --> 00:25:37,980

do with selling books

521

00:25:43,130 --> 00:25:40,320

um but what the series is doing right

522

00:25:45,110 --> 00:25:43,140

now it's it's got my attention it it

523

00:25:47,630 --> 00:25:45,120

really does and I think the world is

524

00:25:49,610 --> 00:25:47,640

right there we we want just like Pete

525

00:25:53,090 --> 00:25:49,620

said last night dude let's I mean it

526

00:25:55,909 --> 00:25:53,100

would be unreal it'd be unheard of

527

00:25:58,730 --> 00:25:55,919

if this stuff just starts to prove

528

00:26:02,810 --> 00:25:58,740

things and and he's right

529

00:26:09,230 --> 00:26:06,049

that Mesa that Dome

530

00:26:14,210 --> 00:26:09,240

and there is indeed

531

00:26:16,070 --> 00:26:14,220

a dome a craft something that is not

532

00:26:20,710 --> 00:26:16,080

natural

533

00:26:23,690 --> 00:26:20,720

underneath those rocks of of the Mesa

534

00:26:27,289 --> 00:26:23,700

that would mean something is really

535

00:26:29,870 --> 00:26:27,299

really really really old

536

00:26:31,789 --> 00:26:29,880

millions of years tens of millions of

537

00:26:34,010 --> 00:26:31,799

years hundreds of millions of years I

538

00:26:36,710 --> 00:26:34,020

don't know how long it takes to to form

539

00:26:42,289 --> 00:26:36,720

a Mesa like that over

540

00:26:45,529 --> 00:26:42,299

um a building right okay so what uh 10

541

00:26:48,230 --> 00:26:45,539

million years from now what will Chicago

542

00:26:50,690 --> 00:26:48,240

look like I don't know

543

00:26:53,210 --> 00:26:50,700

it's not gonna look like Chicago

544

00:26:55,730 --> 00:26:53,220

you know if if just something comes in

545

00:26:58,669 --> 00:26:55,740

cleans out all humankind

546

00:27:01,190 --> 00:26:58,679

uh whatever it is right and and we're

547

00:27:04,549 --> 00:27:01,200

done and nature takes over

548

00:27:09,409 --> 00:27:04,559

what what would be left

549

00:27:11,149 --> 00:27:09,419

right so if something is not natural

550

00:27:14,630 --> 00:27:11,159

that Dome

551
00:27:16,490 --> 00:27:14,640
right not a natural formation uh built

552
00:27:18,110 --> 00:27:16,500
by somebody else

553
00:27:21,830 --> 00:27:18,120
I don't know who

554
00:27:25,549 --> 00:27:21,840
how old is it and if that Discovery gets

555
00:27:27,470 --> 00:27:25,559
made holy crap what a game changer so

556
00:27:30,289 --> 00:27:27,480
that's where I think we're at you know

557
00:27:33,710 --> 00:27:30,299
so this isn't the search for the Holy

558
00:27:38,330 --> 00:27:33,720
Grail or secret pirate treasure the

559
00:27:40,970 --> 00:27:38,340
works of Shakespeare you know no no the

560
00:27:42,830 --> 00:27:40,980
Holy Grail The Ark you know no that's

561
00:27:45,470 --> 00:27:42,840
not what this is

562
00:27:48,289 --> 00:27:45,480
this is craziness going down on a piece

563
00:27:50,810 --> 00:27:48,299

of property and and we're throwing signs

564

00:27:53,990 --> 00:27:50,820

at it so there you go Michael there's

565

00:27:57,409 --> 00:27:54,000

your answer to that very very great

566

00:28:00,110 --> 00:27:57,419

question and a way a great way to start

567

00:28:02,450 --> 00:28:00,120

off the show next up let's see SM hi

568

00:28:05,210 --> 00:28:02,460

Jimmy how are you how's life I just told

569

00:28:11,350 --> 00:28:05,220

you I'm bummed out Ted lasso succession

570

00:28:15,409 --> 00:28:14,210

and we had the NASA press conference

571

00:28:19,909 --> 00:28:15,419

today

572

00:28:20,810 --> 00:28:19,919

so there you go all right let's see next

573

00:28:23,450 --> 00:28:20,820

up

574

00:28:26,750 --> 00:28:23,460

flying monkey says okay Jimmy my

575

00:28:30,230 --> 00:28:26,760

question is what were you thinking with

576

00:28:31,690 --> 00:28:30,240

that shirt yesterday

577

00:28:34,250 --> 00:28:31,700

um Oh you mean

578

00:28:36,890 --> 00:28:34,260

that that's a golf

579

00:28:38,570 --> 00:28:36,900

it's a golf racing team sure what do you

580

00:28:40,549 --> 00:28:38,580

mean what was I thinking of man I love

581

00:28:42,789 --> 00:28:40,559

my golf

582

00:28:48,230 --> 00:28:42,799

um I uh

583

00:28:50,630 --> 00:28:48,240

uh the colors of Fade to Black

584

00:28:54,110 --> 00:28:50,640

what we use

585

00:28:56,870 --> 00:28:54,120

um a lot of my home

586

00:28:59,990 --> 00:28:56,880

is those colors I love that color orange

587

00:29:02,690 --> 00:29:00,000

uh the you know and golf which I don't

588

00:29:04,310 --> 00:29:02,700

oh okay so

589

00:29:06,409 --> 00:29:04,320

um I'm just gonna I actually have

590

00:29:07,190 --> 00:29:06,419

something right here uh to reference

591

00:29:09,049 --> 00:29:07,200

this

592

00:29:10,930 --> 00:29:09,059

so um

593

00:29:14,750 --> 00:29:10,940

golf

594

00:29:18,230 --> 00:29:14,760

is uh uh Ford

595

00:29:20,389 --> 00:29:18,240

in the 1960s uh they make one now but in

596

00:29:25,190 --> 00:29:20,399

the 1960s built a car you've seen the

597

00:29:28,070 --> 00:29:25,200

movie uh Ford versus Ferrari okay so uh

598

00:29:30,289 --> 00:29:28,080

Ford wanted to build a car to compete

599

00:29:32,570 --> 00:29:30,299

with Ferrari and they built the GT40 and

600

00:29:34,130 --> 00:29:32,580

they wanted to go to Le Mans and you

601
00:29:36,830 --> 00:29:34,140
know back then road racing and they

602
00:29:37,669 --> 00:29:36,840
wanted to uh kick Ferrari's ass and they

603
00:29:39,289 --> 00:29:37,679
did

604
00:29:43,549 --> 00:29:39,299
so

605
00:29:46,250 --> 00:29:43,559
um one of my favorite cars

606
00:29:49,130 --> 00:29:46,260
um now also during this same period

607
00:29:51,350 --> 00:29:49,140
those same muted colors right that that

608
00:29:55,430 --> 00:29:51,360
color blue and that color orange and

609
00:29:59,330 --> 00:29:55,440
green and things Miles Davis records uh

610
00:30:02,990 --> 00:29:59,340
music posters movies use you know and

611
00:30:07,330 --> 00:30:03,000
I'd like that era I do I like that Palm

612
00:30:11,149 --> 00:30:07,340
Springs era that Las Vegas thing that

613
00:30:13,490 --> 00:30:11,159

mid-century uh color combination and

614

00:30:16,730 --> 00:30:13,500

that's what Ford did with the GT40 and

615

00:30:20,269 --> 00:30:16,740

so in 1966

616

00:30:22,370 --> 00:30:20,279

um their golf GT40 I've got the coffee

617

00:30:25,070 --> 00:30:22,380

cups I've got the watches I've got the

618

00:30:27,710 --> 00:30:25,080

shirts I've got the shoes uh I've got

619

00:30:30,110 --> 00:30:27,720

the hats and right now I'm building a

620

00:30:32,810 --> 00:30:30,120

model I build model cars if you've ever

621

00:30:36,470 --> 00:30:32,820

been to my house uh you have seen model

622

00:30:38,389 --> 00:30:36,480

cars I've got cases and boxes of uh

623

00:30:40,250 --> 00:30:38,399

model cars that I've built over the

624

00:30:44,450 --> 00:30:40,260

years and I'm always building one right

625

00:30:47,269 --> 00:30:44,460

so right now I'm building this

626

00:30:51,830 --> 00:30:47,279

and I have a workshop in here

627

00:30:56,029 --> 00:30:51,840

and so this is in a very various stages

628

00:30:58,210 --> 00:30:56,039

of building but

629

00:31:01,549 --> 00:30:58,220

here is

630

00:31:03,230 --> 00:31:01,559

it's massive by the way this is an

631

00:31:10,070 --> 00:31:03,240

eighth scale

632

00:31:12,409 --> 00:31:10,080

back engine and wheels and and Hood

633

00:31:14,630 --> 00:31:12,419

aren't on it yet but you can see the

634

00:31:18,110 --> 00:31:14,640

side look at the size of this thing so

635

00:31:21,110 --> 00:31:18,120

when it's done it's going to be uh over

636

00:31:23,630 --> 00:31:21,120

two feet wide this probably weighs it's

637

00:31:26,210 --> 00:31:23,640

all metal uh what I'm holding here is

638

00:31:28,130 --> 00:31:26,220

probably weighs probably 10 pounds

639

00:31:30,049 --> 00:31:28,140

already

640

00:31:33,529 --> 00:31:30,059

um you can see the cables hanging off of

641

00:31:36,230 --> 00:31:33,539

it that's because uh the foot pedals and

642

00:31:39,110 --> 00:31:36,240

everything if you can see in there all

643

00:31:40,490 --> 00:31:39,120

work so you press on the brake pedals

644

00:31:42,649 --> 00:31:40,500

the brake lights are going to turn on

645

00:31:44,630 --> 00:31:42,659

it's got switches on the dashboard you

646

00:31:47,450 --> 00:31:44,640

can turn on the headlights and and all

647

00:31:51,110 --> 00:31:47,460

of that you can't see it but there's a

648

00:31:53,990 --> 00:31:51,120

speaker and and stuff underneath press

649

00:31:57,110 --> 00:31:54,000

the gas pedal you'll hear the engine

650

00:31:59,210 --> 00:31:57,120

um these tires these things weigh like a

651
00:32:01,430 --> 00:31:59,220
pound each they're they're crazy anyway

652
00:32:05,210 --> 00:32:01,440
real seat belts you can see that there

653
00:32:08,149 --> 00:32:05,220
look look look look let me show you see

654
00:32:10,130 --> 00:32:08,159
those are real seat belts with real

655
00:32:12,230 --> 00:32:10,140
buckles

656
00:32:17,090 --> 00:32:12,240
really cool

657
00:32:21,169 --> 00:32:17,100
right okay so but there it is that's the

658
00:32:25,070 --> 00:32:21,179
shirt that I wore yesterday

659
00:32:27,590 --> 00:32:25,080
okay that's the shirt right there that's

660
00:32:29,930 --> 00:32:27,600
it that's it so what was up with that

661
00:32:32,090 --> 00:32:29,940
shirt I am into this look at these

662
00:32:34,250 --> 00:32:32,100
leather seats by the way can you see

663
00:32:37,070 --> 00:32:34,260

that look at that look at that those are

664

00:32:40,789 --> 00:32:37,080

real metal rivets in there

665

00:32:44,210 --> 00:32:40,799

I mean it's just crazy man the detail on

666

00:32:47,389 --> 00:32:44,220

this so uh that's my current project

667

00:32:49,490 --> 00:32:47,399

I've been working on this for for a few

668

00:32:51,889 --> 00:32:49,500

months now

669

00:32:55,789 --> 00:32:51,899

but that's so when you say what was up

670

00:33:00,590 --> 00:32:55,799

with that shirt but this that's my world

671

00:33:03,350 --> 00:33:00,600

t40 man I got I could go I could get I

672

00:33:05,630 --> 00:33:03,360

got the watches I got the sunglasses I

673

00:33:07,789 --> 00:33:05,640

got the shirts I got the shorts I got

674

00:33:10,669 --> 00:33:07,799

the shoes

675

00:33:15,110 --> 00:33:10,679

I don't have a belt yet got the hats

676

00:33:18,529 --> 00:33:15,120

for GT40 okay so that explains the shirt

677

00:33:22,190 --> 00:33:18,539

from yesterday and I hope I hope you can

678

00:33:23,930 --> 00:33:22,200

appreciate now that uh I live

679

00:33:25,549 --> 00:33:23,940

what I say

680

00:33:29,529 --> 00:33:25,559

I do

681

00:33:32,690 --> 00:33:29,539

what I look I I am who I am all right

682

00:33:39,470 --> 00:33:32,700

let's see

683

00:33:40,909 --> 00:33:39,480

and uh do this once a month so won't be

684

00:33:42,769 --> 00:33:40,919

doing this for another month uh our

685

00:33:45,169 --> 00:33:42,779

guest tonight had some technical issues

686

00:33:46,970 --> 00:33:45,179

before the show we've got a windstorm

687

00:33:49,669 --> 00:33:46,980

going on I I don't know if you can hear

688

00:33:51,950 --> 00:33:49,679

the howling but you know things are

689

00:33:54,649 --> 00:33:51,960

shaking and and I'm looking at my

690

00:33:56,690 --> 00:33:54,659

I could just see everything shaking

691

00:33:59,330 --> 00:33:56,700

outside

692

00:34:00,889 --> 00:33:59,340

um all right but but but anyway The Show

693

00:34:03,049 --> 00:34:00,899

Must Go On

694

00:34:05,930 --> 00:34:03,059

um post everything in all caps I will

695

00:34:07,310 --> 00:34:05,940

get to all questions uh tonight okay

696

00:34:11,210 --> 00:34:07,320

just post them right there in the chat

697

00:34:13,010 --> 00:34:11,220

all caps this is from Audrey Audrey May

698

00:34:15,230 --> 00:34:13,020

says Jimmy are you practicing your

699

00:34:17,329 --> 00:34:15,240

British accent for Manchester in August

700

00:34:22,849 --> 00:34:17,339

I am not

701
00:34:28,430 --> 00:34:25,849
you know what you know what really gets

702
00:34:31,129 --> 00:34:28,440
under my skin

703
00:34:33,770 --> 00:34:31,139
is

704
00:34:37,790 --> 00:34:33,780
an American

705
00:34:40,430 --> 00:34:37,800
not an actor just a person tries to

706
00:34:43,369 --> 00:34:40,440
speak with a British accent

707
00:34:46,149 --> 00:34:43,379
males on a chalkboard

708
00:34:51,050 --> 00:34:46,159
no no can't do it no

709
00:34:51,609 --> 00:34:51,060
you can't do it there are some uh

710
00:34:55,250 --> 00:34:51,619
uh

711
00:34:57,849 --> 00:34:55,260
British actors

712
00:35:01,250 --> 00:34:57,859
that do a tremendous

713
00:35:03,710 --> 00:35:01,260

tremendously accurate uh American accent

714

00:35:04,910 --> 00:35:03,720

and when you hear them speak you know

715

00:35:07,849 --> 00:35:04,920

with their British accent you're like

716

00:35:09,710 --> 00:35:07,859

whoa whoa whoa you know because it's

717

00:35:10,609 --> 00:35:09,720

that good but that's not what I'm

718

00:35:15,230 --> 00:35:10,619

talking about

719

00:35:18,530 --> 00:35:15,240

I would never I love a British accent I

720

00:35:20,210 --> 00:35:18,540

I just love it I love to listen to it uh

721

00:35:22,490 --> 00:35:20,220

the different dialects different parts

722

00:35:25,609 --> 00:35:22,500

of the country you know and I mean

723

00:35:27,829 --> 00:35:25,619

Scotland and Wales and north south hey

724

00:35:30,710 --> 00:35:27,839

Irish right

725

00:35:34,670 --> 00:35:30,720

um and and different parts of London you

726

00:35:37,609 --> 00:35:34,680

know and Cockney and all I I I love it

727

00:35:39,650 --> 00:35:37,619

but I would never destroy it

728

00:35:42,170 --> 00:35:39,660

I would never destroy I would never

729

00:35:46,970 --> 00:35:42,180

embarrass myself I would never I would

730

00:35:49,609 --> 00:35:46,980

not want to go and and and try to bust

731

00:35:59,230 --> 00:35:49,619

off a British accent to somebody British

732

00:36:04,190 --> 00:36:01,730

no it just it gets under my skin when

733

00:36:06,770 --> 00:36:04,200

people try to do that I had friends that

734

00:36:09,230 --> 00:36:06,780

uh uh could do a good British accent

735

00:36:12,410 --> 00:36:09,240

that would make me laugh and and things

736

00:36:15,890 --> 00:36:12,420

but no no I'm just not good at it I

737

00:36:23,089 --> 00:36:18,770

I got one voice

738

00:36:26,329 --> 00:36:23,099

I can't go high I can't do they say I

739

00:36:29,650 --> 00:36:26,339

can't sing I can't you know I've just

740

00:36:32,810 --> 00:36:29,660

now I I really can't imitate any anybody

741

00:36:34,730 --> 00:36:32,820

so that's it I you get one thing for me

742

00:36:37,190 --> 00:36:34,740

and that's this

743

00:36:39,050 --> 00:36:37,200

all right all right all right let's see

744

00:36:41,450 --> 00:36:39,060

what we got going on next

745

00:36:42,410 --> 00:36:41,460

let's see this is from Phillip Phillip

746

00:36:45,950 --> 00:36:42,420

says

747

00:36:48,349 --> 00:36:45,960

is there an alien category on PornHub is

748

00:36:53,569 --> 00:36:51,650

is Aaron am I reading this right

749

00:36:57,770 --> 00:36:53,579

they're an alien

750

00:37:01,130 --> 00:36:57,780

on PornHub well Phillip obviously

751
00:37:04,670 --> 00:37:01,140
somebody wants to know go and chat I

752
00:37:08,650 --> 00:37:04,680
don't know I've never been to PornHub

753
00:37:15,589 --> 00:37:12,530
alien porn I would not want to see what

754
00:37:18,349 --> 00:37:15,599
would pop up anyway uh I I can't help

755
00:37:20,270 --> 00:37:18,359
you there Phillip you're on your own

756
00:37:25,550 --> 00:37:20,280
you're on your own

757
00:37:27,589 --> 00:37:25,560
um if uh if I I'll say this oh oh then

758
00:37:29,630 --> 00:37:27,599
he follows up with asking for a friend

759
00:37:32,750 --> 00:37:29,640
yeah right okay

760
00:37:35,630 --> 00:37:32,760
all right Phillip you go and uh you go

761
00:37:38,390 --> 00:37:35,640
and get your alien porn on and uh keep

762
00:37:40,370 --> 00:37:38,400
us posted let us know how that goes

763
00:37:44,710 --> 00:37:40,380

um the um

764

00:37:53,870 --> 00:37:48,410

I don't want

765

00:37:55,010 --> 00:37:53,880

if um let's say something tragic happens

766

00:37:57,530 --> 00:37:55,020

okay

767

00:37:59,050 --> 00:37:57,540

I choke on a piece of food I get struck

768

00:38:03,170 --> 00:37:59,060

by lightning

769

00:38:05,870 --> 00:38:03,180

uh plane crap whatever right right and

770

00:38:09,010 --> 00:38:05,880

and my daughter

771

00:38:13,310 --> 00:38:09,020

uh you know she gets everything right

772

00:38:15,530 --> 00:38:13,320

she has she has all of my daughter

773

00:38:18,650 --> 00:38:15,540

has all of my passwords

774

00:38:21,050 --> 00:38:18,660

she's got all of the important phone

775

00:38:24,050 --> 00:38:21,060

numbers of which there are like three of

776

00:38:26,210 --> 00:38:24,060

people that she needs to call and she's

777

00:38:28,609 --> 00:38:26,220

got all of not only my computer

778

00:38:31,490 --> 00:38:28,619

passwords and my banking passwords but

779

00:38:33,890 --> 00:38:31,500

she's got everything uh and her own set

780

00:38:35,630 --> 00:38:33,900

of keys and everything else uh to get

781

00:38:38,210 --> 00:38:35,640

through the security system here at the

782

00:38:41,510 --> 00:38:38,220

house everything is hers okay she gets

783

00:38:48,130 --> 00:38:45,050

I don't need her

784

00:38:51,349 --> 00:38:48,140

or anybody else

785

00:38:54,829 --> 00:38:51,359

to go through my house

786

00:38:56,690 --> 00:38:54,839

and be surprised by something nope

787

00:38:59,870 --> 00:38:56,700

it doesn't exist

788

00:39:04,089 --> 00:38:59,880

this is the most normal you can anybody

789

00:39:08,630 --> 00:39:04,099

the CIA I don't care who what forensic

790

00:39:11,089 --> 00:39:08,640

CSI Navy forensics team comes in and

791

00:39:12,349 --> 00:39:11,099

comes through this house they get

792

00:39:17,569 --> 00:39:12,359

nothing

793

00:39:19,490 --> 00:39:17,579

surprises here and that includes my

794

00:39:22,569 --> 00:39:19,500

computers no there's nothing there's

795

00:39:27,050 --> 00:39:22,579

nothing nothing

796

00:39:29,510 --> 00:39:27,060

doesn't exist so Philip I have no idea

797

00:39:31,970 --> 00:39:29,520

that there's an alien category in

798

00:39:33,670 --> 00:39:31,980

PornHub I'm not gonna find out you're on

799

00:39:36,410 --> 00:39:33,680

your own

800

00:39:37,849 --> 00:39:36,420

you know I thought you know haven't we

801
00:39:41,810 --> 00:39:37,859
all

802
00:39:44,990 --> 00:39:41,820
you know I remember uh

803
00:39:48,589 --> 00:39:45,000
man what was that movie Seven the movie

804
00:39:52,310 --> 00:39:48,599
Seven was that Brad Pitt oh man who was

805
00:39:54,410 --> 00:39:52,320
in seven I can't ah I'd have to go back

806
00:39:59,089 --> 00:39:54,420
and watch it again but there's a scene

807
00:40:01,670 --> 00:39:59,099
in seven where uh this obese guy is is

808
00:40:04,190 --> 00:40:01,680
dead and and they go into his house and

809
00:40:05,230 --> 00:40:04,200
he's in that recliner remember it's in

810
00:40:08,810 --> 00:40:05,240
that

811
00:40:12,530 --> 00:40:08,820
right and gluttony he was the gluttony

812
00:40:15,650 --> 00:40:12,540
dude and he ate I forget what he ate he

813
00:40:17,510 --> 00:40:15,660

ate like Chef Boyardee ravioli or

814

00:40:19,370 --> 00:40:17,520

spaghetti and meatballs and cans and

815

00:40:21,109 --> 00:40:19,380

there were all the cans all over the

816

00:40:25,790 --> 00:40:21,119

house and he ate himself to death right

817

00:40:28,849 --> 00:40:25,800

I think that's what it was anyway but

818

00:40:31,030 --> 00:40:28,859

I don't want that I don't want you know

819

00:40:34,910 --> 00:40:31,040

they is that what you

820

00:40:37,849 --> 00:40:34,920

the last thing that people see and are

821

00:40:39,890 --> 00:40:37,859

gonna Remember You by is that I don't

822

00:40:42,069 --> 00:40:39,900

want to be that dude I don't want to be

823

00:40:44,530 --> 00:40:42,079

there

824

00:40:48,589 --> 00:40:44,540

you know and enough

825

00:40:51,349 --> 00:40:48,599

no no they're gonna come in and they're

826

00:40:52,490 --> 00:40:51,359

gonna see a house that is spotlessly

827

00:40:55,609 --> 00:40:52,500

clean

828

00:40:57,710 --> 00:40:55,619

all the laundry there's nothing uh you

829

00:41:01,069 --> 00:40:57,720

know everything is folded and put away

830

00:41:03,470 --> 00:41:01,079

and dust free and nice and cool they're

831

00:41:06,050 --> 00:41:03,480

gonna look and go oh at least you know

832

00:41:08,510 --> 00:41:06,060

he lived clean

833

00:41:10,310 --> 00:41:08,520

you know that's that's you know and and

834

00:41:11,329 --> 00:41:10,320

and you know they're not going to go

835

00:41:14,329 --> 00:41:11,339

through

836

00:41:16,670 --> 00:41:14,339

you know my computers and find

837

00:41:21,290 --> 00:41:16,680

you know I don't know

838

00:41:25,329 --> 00:41:21,300

uh insurance fraud with uh somebody in

839

00:41:28,670 --> 00:41:25,339

in Nigeria you know or some

840

00:41:31,490 --> 00:41:28,680

this stuff is clean man ain't it

841

00:41:33,770 --> 00:41:31,500

anything here all right Philip you're on

842

00:41:39,109 --> 00:41:33,780

your own okay

843

00:41:43,670 --> 00:41:39,119

uh all right let's see

844

00:41:46,250 --> 00:41:43,680

what is next here Angela hutzler it's a

845

00:41:50,950 --> 00:41:46,260

good name right there please comment on

846

00:41:54,410 --> 00:41:50,960

go fast being at 40 miles per hour okay

847

00:41:57,609 --> 00:41:54,420

uh Tia what's Tia

848

00:42:01,910 --> 00:42:01,130

but anyway go fast being 40 miles an

849

00:42:03,890 --> 00:42:01,920

hour

850

00:42:05,329 --> 00:42:03,900

I don't even think go faster was 40

851
00:42:07,130 --> 00:42:05,339
miles an hour go fast may have been

852
00:42:08,630 --> 00:42:07,140
stationary

853
00:42:11,270 --> 00:42:08,640
um

854
00:42:13,430 --> 00:42:11,280
jeez look at that figure okay so when

855
00:42:17,750 --> 00:42:13,440
you look um she's talking about one of

856
00:42:21,589 --> 00:42:17,760
the videos uh uh that were

857
00:42:23,690 --> 00:42:21,599
um uh uh Navy video let's just go with

858
00:42:26,510 --> 00:42:23,700
navy videos how they were released and

859
00:42:28,310 --> 00:42:26,520
and all that that's that's drama for

860
00:42:29,630 --> 00:42:28,320
another show and we've covered that a

861
00:42:31,790 --> 00:42:29,640
lot over the years one of those videos

862
00:42:34,010 --> 00:42:31,800
one of the three you have the gimbal you

863
00:42:36,770 --> 00:42:34,020

have the Tic Tac and you have the go

864

00:42:38,750 --> 00:42:36,780

fast the go fast video is over the water

865

00:42:42,109 --> 00:42:38,760

you see the water below there's a white

866

00:42:44,750 --> 00:42:42,119

dot and you see the water going by and

867

00:42:46,730 --> 00:42:44,760

you see this thing okay all right

868

00:42:50,030 --> 00:42:46,740

now

869

00:42:51,530 --> 00:42:50,040

um when and I've done this

870

00:42:54,050 --> 00:42:51,540

okay I've done this

871

00:42:56,870 --> 00:42:54,060

I've looked out the window of an

872

00:43:00,349 --> 00:42:56,880

aircraft and looked down at something

873

00:43:02,990 --> 00:43:00,359

stationary uh below

874

00:43:05,870 --> 00:43:03,000

um I've caught this a few times and and

875

00:43:07,309 --> 00:43:05,880

look at the water behind it

876

00:43:11,569 --> 00:43:07,319

right

877

00:43:15,770 --> 00:43:11,579

it it's it's Holland balls and so when

878

00:43:19,030 --> 00:43:15,780

you when you have a camera and so you're

879

00:43:22,970 --> 00:43:19,040

moving and you're focused on something

880

00:43:25,190 --> 00:43:22,980

the ground underneath it appears it's so

881

00:43:27,470 --> 00:43:25,200

it looks like something is doing you

882

00:43:29,809 --> 00:43:27,480

know hundreds thousands of miles an hour

883

00:43:32,930 --> 00:43:29,819

that's not the case

884

00:43:35,150 --> 00:43:32,940

um so the go fast could could be

885

00:43:37,790 --> 00:43:35,160

stationary

886

00:43:41,930 --> 00:43:37,800

um it could be blowing in the wind uh

887

00:43:44,270 --> 00:43:41,940

but it's it's yeah that was out of out

888

00:43:46,670 --> 00:43:44,280

of all three of those videos that's the

889

00:43:47,930 --> 00:43:46,680

one I was least impressed with

890

00:43:51,470 --> 00:43:47,940

um now

891

00:43:53,990 --> 00:43:51,480

it could be an Alien Probe from another

892

00:43:56,930 --> 00:43:54,000

planet that's doing 40 miles an hour

893

00:43:57,950 --> 00:43:56,940

could be that it's not something that's

894

00:44:00,050 --> 00:43:57,960

doing

895

00:44:02,150 --> 00:44:00,060

you know hundreds of miles an hour and

896

00:44:03,650 --> 00:44:02,160

difficult to track and and all of that

897

00:44:06,050 --> 00:44:03,660

no it's not

898

00:44:08,630 --> 00:44:06,060

um I don't know what the object is

899

00:44:11,930 --> 00:44:08,640

that's the thing could be anything yeah

900

00:44:14,650 --> 00:44:11,940

could be ET too it could it's just slow

901
00:44:20,510 --> 00:44:17,410
that was that was the one

902
00:44:22,750 --> 00:44:20,520
you know I remember the first time I saw

903
00:44:26,089 --> 00:44:22,760
the uh and thank you for that Audrey or

904
00:44:27,550 --> 00:44:26,099
Angela thank you for that

905
00:44:30,430 --> 00:44:27,560
um

906
00:44:33,890 --> 00:44:30,440
the uh

907
00:44:36,650 --> 00:44:33,900
what was I going to say

908
00:44:38,089 --> 00:44:36,660
um try to ask one question tonight

909
00:44:40,730 --> 00:44:38,099
everybody

910
00:44:42,250 --> 00:44:40,740
um I don't want to go through and and

911
00:44:45,170 --> 00:44:42,260
and and and

912
00:44:46,849 --> 00:44:45,180
you know it just repeats of stuff so

913
00:44:49,550 --> 00:44:46,859

just one question one person one

914

00:44:51,730 --> 00:44:49,560

question that I want to get them all in

915

00:44:57,290 --> 00:44:51,740

um is that

916

00:45:00,770 --> 00:44:57,300

I remember when I first saw

917

00:45:02,510 --> 00:45:00,780

the Tic Tac and the gimbal footage right

918

00:45:04,849 --> 00:45:02,520

I'm looking at the gimbal footage I'm

919

00:45:09,410 --> 00:45:04,859

like wow that's pretty trippy

920

00:45:13,010 --> 00:45:09,420

okay and I immediately got emails

921

00:45:15,910 --> 00:45:13,020

um from some people that were explaining

922

00:45:18,829 --> 00:45:15,920

to me this is in the beginning it's way

923

00:45:20,390 --> 00:45:18,839

way before all of the research started

924

00:45:22,550 --> 00:45:20,400

coming in and all of the comments and

925

00:45:24,130 --> 00:45:22,560

everything else I'm talking like on day

926

00:45:25,970 --> 00:45:24,140

two

927

00:45:32,930 --> 00:45:25,980

and

928

00:45:34,430 --> 00:45:32,940

this is years before Mick West was on

929

00:45:36,589 --> 00:45:34,440

the scene

930

00:45:38,930 --> 00:45:36,599

and and it caused me to just kind of

931

00:45:43,309 --> 00:45:38,940

look at it a different way

932

00:45:45,230 --> 00:45:43,319

and uh but I remember when I first saw

933

00:45:47,690 --> 00:45:45,240

the video I was like okay now what is

934

00:45:49,010 --> 00:45:47,700

that that that's that's pretty crazy to

935

00:45:53,870 --> 00:45:49,020

me

936

00:45:56,990 --> 00:45:53,880

um but it was the the go fast video

937

00:45:59,329 --> 00:45:57,000

that impressed me the least

938

00:46:02,329 --> 00:45:59,339

all right all right now now all three

939

00:46:05,690 --> 00:46:02,339

it's probably the go fast that impresses

940

00:46:09,170 --> 00:46:05,700

me the most it's a slow mo if it's ET

941

00:46:12,410 --> 00:46:09,180

could be uh it's slow moving okay all

942

00:46:14,510 --> 00:46:12,420

right thank you for that let's see

943

00:46:17,870 --> 00:46:14,520

uh fly monkeys do you ever dream of

944

00:46:21,170 --> 00:46:17,880

being a Formula One race car driver I am

945

00:46:24,589 --> 00:46:21,180

a Formula One race car driver I am not

946

00:46:26,829 --> 00:46:24,599

dreaming about it okay all right I'm

947

00:46:29,530 --> 00:46:26,839

also a tanning enthusiast

948

00:46:32,030 --> 00:46:29,540

okay

949

00:46:34,490 --> 00:46:32,040

uh let's see

950

00:46:37,510 --> 00:46:34,500

it's from Jack the Lad hi Jimmy do you

951
00:46:42,589 --> 00:46:37,520
miss the Collins you used to have not

952
00:46:44,930 --> 00:46:42,599
sort of sometimes not really nah

953
00:46:46,910 --> 00:46:44,940
um just like anything else when you do I

954
00:46:49,910 --> 00:46:46,920
mean literally I mean hundreds and

955
00:46:51,470 --> 00:46:49,920
hundreds of of call-in shows and that

956
00:46:53,150 --> 00:46:51,480
includes you know think about it you

957
00:46:54,589 --> 00:46:53,160
know coast to coast and and everything

958
00:46:55,430 --> 00:46:54,599
else

959
00:46:57,130 --> 00:46:55,440
um

960
00:47:03,470 --> 00:46:57,140
uh uh

961
00:47:05,510 --> 00:47:03,480
what what drew me away from it and it I

962
00:47:07,730 --> 00:47:05,520
mean it really got to be

963
00:47:09,410 --> 00:47:07,740

a pain in the ass like on Coast to Coast

964

00:47:11,150 --> 00:47:09,420

where

965

00:47:12,349 --> 00:47:11,160

um you have millions of people listening

966

00:47:14,150 --> 00:47:12,359

to the show

967

00:47:17,870 --> 00:47:14,160

and

968

00:47:20,170 --> 00:47:17,880

the same five people out of the entire

969

00:47:23,089 --> 00:47:20,180

country calling in each night

970

00:47:24,349 --> 00:47:23,099

I wouldn't pick up their calls it came

971

00:47:26,750 --> 00:47:24,359

so

972

00:47:28,849 --> 00:47:26,760

and I remember you know in in the

973

00:47:30,950 --> 00:47:28,859

beginning okay this is cool this is cool

974

00:47:33,170 --> 00:47:30,960

we had an Old Timer okay I get my

975

00:47:35,150 --> 00:47:33,180

experience with this particular caller

976
00:47:37,550 --> 00:47:35,160
and then you know a week later you know

977
00:47:39,470 --> 00:47:37,560
there they are again and if you're

978
00:47:42,470 --> 00:47:39,480
bringing something to the show if you're

979
00:47:45,470 --> 00:47:42,480
asking something interesting

980
00:47:48,950 --> 00:47:45,480
um and you've got an opinion great right

981
00:47:50,809 --> 00:47:48,960
but it's not you don't want to go and so

982
00:47:53,089 --> 00:47:50,819
we've got you know Bob from Mississippi

983
00:47:55,790 --> 00:47:53,099
what's up Bob and you've talked to Bob

984
00:47:58,849 --> 00:47:55,800
from Mississippi or Bob from Connecticut

985
00:48:00,230 --> 00:47:58,859
or Bob from Texas or Bob from Seattle it

986
00:48:03,069 --> 00:48:00,240
doesn't matter

987
00:48:05,569 --> 00:48:03,079
um um you know 50 times

988
00:48:09,349 --> 00:48:05,579

and and you go so what's up my mind

989

00:48:10,690 --> 00:48:09,359

nothing what's up with you that's right

990

00:48:13,010 --> 00:48:10,700

there

991

00:48:17,930 --> 00:48:13,020

ah click

992

00:48:19,970 --> 00:48:17,940

I've you called me right and so even

993

00:48:22,010 --> 00:48:19,980

with Fade to Black

994

00:48:23,990 --> 00:48:22,020

um and the fader knots who I love and

995

00:48:26,089 --> 00:48:24,000

I've developed relationships with

996

00:48:29,750 --> 00:48:26,099

everybody but if you're gonna call into

997

00:48:31,849 --> 00:48:29,760

the show call in with the take call him

998

00:48:33,650 --> 00:48:31,859

with something interesting call in for

999

00:48:35,690 --> 00:48:33,660

the audience don't call in to just go

1000

00:48:37,670 --> 00:48:35,700

hey Jimmy so so what's up man what's up

1001

00:48:41,450 --> 00:48:37,680

I don't know what's up with you that is

1002

00:48:45,410 --> 00:48:41,460

horrible radio and for me I check out

1003

00:48:48,950 --> 00:48:45,420

and so it got to be and I get that after

1004

00:48:52,069 --> 00:48:48,960

a hundreds you know years of this that

1005

00:48:55,370 --> 00:48:52,079

it you know and so do I meant no there

1006

00:48:57,410 --> 00:48:55,380

are aspects of the I absolutely do not

1007

00:48:59,750 --> 00:48:57,420

miss

1008

00:49:01,250 --> 00:48:59,760

um uh so there you go in in the

1009

00:49:03,710 --> 00:49:01,260

beginning when everything was fresh and

1010

00:49:06,829 --> 00:49:03,720

new and and stuff it was it was

1011

00:49:11,089 --> 00:49:06,839

fantastic I loved it I I look forward to

1012

00:49:12,410 --> 00:49:11,099

it but as the years went by it's just

1013

00:49:15,349 --> 00:49:12,420

you know

1014

00:49:17,089 --> 00:49:15,359

yeah and and some some of the callers

1015

00:49:19,910 --> 00:49:17,099

that would call in

1016

00:49:23,150 --> 00:49:19,920

um you know Mark from Dallas Mark always

1017

00:49:25,609 --> 00:49:23,160

had something to say Mark was prepared

1018

00:49:28,309 --> 00:49:25,619

he was ready to go and I couldn't wait

1019

00:49:30,890 --> 00:49:28,319

for him to to call in on a fader night

1020

00:49:33,170 --> 00:49:30,900

all right and and there were some some

1021

00:49:34,910 --> 00:49:33,180

fate or nots that respected that they

1022

00:49:37,250 --> 00:49:34,920

call in they were prepared they were

1023

00:49:39,890 --> 00:49:37,260

ready they had something to say others

1024

00:49:41,870 --> 00:49:39,900

no they wanted they wanted

1025

00:49:44,390 --> 00:49:41,880

something for me and that's not what the

1026
00:49:47,589 --> 00:49:44,400
show is about so there you go so do I

1027
00:49:49,150 --> 00:49:47,599
miss ah yeah kind of will I do it again

1028
00:49:52,490 --> 00:49:49,160
probably

1029
00:49:56,089 --> 00:49:52,500
not all right

1030
00:49:57,950 --> 00:49:56,099
probably not I don't know maybe maybe I

1031
00:50:00,770 --> 00:49:57,960
don't know I don't know you never say

1032
00:50:05,390 --> 00:50:00,780
never I can never predict the future so

1033
00:50:09,530 --> 00:50:05,400
but right now I'm just happy AMA is our

1034
00:50:14,089 --> 00:50:11,030
and I can

1035
00:50:17,450 --> 00:50:14,099
just fire these things off okay let's

1036
00:50:19,309 --> 00:50:17,460
see what we got here oh I love this I'll

1037
00:50:22,190 --> 00:50:19,319
post this anytime

1038
00:50:24,650 --> 00:50:22,200

Jimmy bleep in church Renee Cruz that's

1039

00:50:26,890 --> 00:50:24,660

what I'm talking about see see now

1040

00:50:34,930 --> 00:50:26,900

Renee's got it together River Moon

1041

00:50:41,210 --> 00:50:38,290

oh man uh

1042

00:50:44,510 --> 00:50:41,220

Renee I gotta tell you I love you I love

1043

00:50:47,870 --> 00:50:44,520

you it's just awesome uh

1044

00:50:50,210 --> 00:50:47,880

Renee Cruz she's a metal Head Metal Head

1045

00:50:52,970 --> 00:50:50,220

knows more about heavy metal than I do

1046

00:50:55,790 --> 00:50:52,980

number one number two

1047

00:50:58,849 --> 00:50:55,800

loves her Supernatural and paranormal in

1048

00:51:00,349 --> 00:50:58,859

UFOs Renee Cruz you're the best thank

1049

00:51:03,470 --> 00:51:00,359

you for that you just put a smile on my

1050

00:51:08,450 --> 00:51:04,930

okay

1051
00:51:13,970 --> 00:51:08,460
biscuit or cake

1052
00:51:17,930 --> 00:51:13,980
we analyze this name for a second would

1053
00:51:23,870 --> 00:51:20,150
French

1054
00:51:31,130 --> 00:51:26,890
right oh or both

1055
00:51:33,410 --> 00:51:31,140
oh Mom's British dad is French

1056
00:51:37,490 --> 00:51:33,420
that is British bomb is French maybe

1057
00:51:39,410 --> 00:51:37,500
it's biscuit or cake ah could be that

1058
00:51:45,589 --> 00:51:39,420
it's definitely over the pond though I

1059
00:51:50,510 --> 00:51:48,290
but it's a great name biscuit okay if

1060
00:51:53,210 --> 00:51:50,520
one other country was going to do a

1061
00:51:55,970 --> 00:51:53,220
disclosure besides the USA which country

1062
00:51:59,390 --> 00:51:55,980
would it be

1063
00:52:07,010 --> 00:52:01,069

man

1064

00:52:12,650 --> 00:52:09,770

I would say maybe South American

1065

00:52:14,270 --> 00:52:12,660

that would be a strong possibility

1066

00:52:16,430 --> 00:52:14,280

because I just don't think that they

1067

00:52:18,130 --> 00:52:16,440

give a crap they depend on the United

1068

00:52:21,290 --> 00:52:18,140

States for a lot of different things

1069

00:52:24,349 --> 00:52:21,300

tourism money and and and other

1070

00:52:27,130 --> 00:52:24,359

stuff right okay I I get that exports

1071

00:52:30,170 --> 00:52:27,140

right I mean that's a lot of our

1072

00:52:32,930 --> 00:52:30,180

Argentinian and Brazilian beef that

1073

00:52:36,049 --> 00:52:32,940

comes into this country every single day

1074

00:52:38,210 --> 00:52:36,059

but that being said

1075

00:52:40,430 --> 00:52:38,220

they don't give a crap

1076
00:52:43,430 --> 00:52:40,440
right they do their own thing they have

1077
00:52:45,589 --> 00:52:43,440
their own agenda

1078
00:52:49,069 --> 00:52:45,599
um in my opinion

1079
00:52:53,329 --> 00:52:49,079
I could see it coming from Mexico

1080
00:52:55,309 --> 00:52:53,339
Chile our team but but

1081
00:52:58,069 --> 00:52:55,319
not the British I don't think the

1082
00:53:03,530 --> 00:52:58,079
British would do it not the French

1083
00:53:06,190 --> 00:53:03,540
no no they they've alluded to that but

1084
00:53:10,430 --> 00:53:06,200
maybe Russia

1085
00:53:13,790 --> 00:53:10,440
Putin would be the Putin

1086
00:53:16,609 --> 00:53:13,800
uh well right now it's Putin it could be

1087
00:53:20,510 --> 00:53:16,619
any Russian leader

1088
00:53:22,790 --> 00:53:20,520

um just to tip the balance of everything

1089

00:53:25,430 --> 00:53:22,800

UFOs are real and we have the technology

1090

00:53:28,069 --> 00:53:25,440

just to scare the and here's the proof

1091

00:53:33,109 --> 00:53:28,079

here's the Flying Saucer here's our

1092

00:53:35,630 --> 00:53:33,119

anti-gravity we got you I could see that

1093

00:53:37,790 --> 00:53:35,640

I could see that I could almost see the

1094

00:53:40,430 --> 00:53:37,800

United States doing the same thing

1095

00:53:42,290 --> 00:53:40,440

but but think about that for a second

1096

00:53:45,470 --> 00:53:42,300

right

1097

00:53:46,730 --> 00:53:45,480

yeah you know you don't want to give too

1098

00:53:49,849 --> 00:53:46,740

much away

1099

00:53:52,490 --> 00:53:49,859

but you give enough away to just scare

1100

00:53:55,910 --> 00:53:52,500

the crap out of the world

1101

00:53:58,790 --> 00:53:55,920

right and that's kind of Russia that's

1102

00:54:03,170 --> 00:53:58,800

what Russia does you go back to Dr

1103

00:54:07,309 --> 00:54:03,180

Strangelove right and uh and that scene

1104

00:54:08,530 --> 00:54:07,319

the ultimate doomsday weapon

1105

00:54:13,910 --> 00:54:08,540

right

1106

00:54:17,089 --> 00:54:13,920

crap out of everybody

1107

00:54:19,490 --> 00:54:17,099

right well what does it do it it it's

1108

00:54:21,290 --> 00:54:19,500

gonna end everything and it happens

1109

00:54:23,870 --> 00:54:21,300

automatically

1110

00:54:27,230 --> 00:54:23,880

it's not under the control and how does

1111

00:54:29,390 --> 00:54:27,240

the movie End the Doomsday weapon is is

1112

00:54:31,490 --> 00:54:29,400

how that movie ends that's that kind of

1113

00:54:33,230 --> 00:54:31,500

yeah it's kind of Russian that's a

1114

00:54:36,290 --> 00:54:33,240

Russian play

1115

00:54:40,849 --> 00:54:36,300

yeah so think about that okay let's see

1116

00:54:42,650 --> 00:54:40,859

who is up next uh

1117

00:54:45,049 --> 00:54:42,660

uh let's see here I'm just going in

1118

00:54:47,270 --> 00:54:45,059

order not reading these in advance super

1119

00:54:49,010 --> 00:54:47,280

crazy movie geek

1120

00:54:51,130 --> 00:54:49,020

that's a really cool god-given name

1121

00:54:54,410 --> 00:54:51,140

right there do you think ETS

1122

00:54:57,170 --> 00:54:54,420

produce artwork music movies

1123

00:55:01,910 --> 00:54:57,180

Etc I do

1124

00:55:09,770 --> 00:55:07,370

I think the evolutionary process

1125

00:55:11,450 --> 00:55:09,780

is probably the same for

1126
00:55:13,370 --> 00:55:11,460
the universe

1127
00:55:14,329 --> 00:55:13,380
the process the process to go through

1128
00:55:17,150 --> 00:55:14,339
things

1129
00:55:19,849 --> 00:55:17,160
right it's just DNA DNA is universal

1130
00:55:20,829 --> 00:55:19,859
it's the same everywhere RNA DNA all of

1131
00:55:27,049 --> 00:55:20,839
that

1132
00:55:30,589 --> 00:55:27,059
it's all the same gases it's all the

1133
00:55:32,510 --> 00:55:30,599
same right okay so the evolutionary

1134
00:55:33,890 --> 00:55:32,520
process

1135
00:55:36,230 --> 00:55:33,900
well

1136
00:55:38,510 --> 00:55:36,240
you can see

1137
00:55:40,790 --> 00:55:38,520
children

1138
00:55:42,950 --> 00:55:40,800

grow up and they all go through the same

1139

00:55:47,870 --> 00:55:42,960

phases

1140

00:55:49,910 --> 00:55:47,880

I think every child at one point wants

1141

00:55:53,329 --> 00:55:49,920

to be a king or a queen

1142

00:55:56,150 --> 00:55:53,339

of their own castle right you go through

1143

00:55:58,250 --> 00:55:56,160

these then you know that they want to be

1144

00:56:00,049 --> 00:55:58,260

the an artist they want to be a painter

1145

00:56:02,510 --> 00:56:00,059

they want to they dream of this they

1146

00:56:04,609 --> 00:56:02,520

want to be a musician uh they want to do

1147

00:56:08,390 --> 00:56:04,619

this anyway you go through these things

1148

00:56:11,809 --> 00:56:08,400

right it's evolutionary process and

1149

00:56:13,970 --> 00:56:11,819

that's just of a a 70-year 80-year

1150

00:56:17,270 --> 00:56:13,980

lifespan that I'm talking about but when

1151
00:56:19,069 --> 00:56:17,280
you look at human you know culture right

1152
00:56:20,510 --> 00:56:19,079
I think all cultures go through

1153
00:56:24,650 --> 00:56:20,520
everything

1154
00:56:26,510 --> 00:56:24,660
so if you if you look at if you look at

1155
00:56:28,370 --> 00:56:26,520
Japan you look at China you look at

1156
00:56:30,950 --> 00:56:28,380
France

1157
00:56:33,770 --> 00:56:30,960
um you know look at Germany

1158
00:56:36,530 --> 00:56:33,780
um uh look at ancient Greece the Romans

1159
00:56:38,630 --> 00:56:36,540
even you know Egypt and and so forth

1160
00:56:40,309 --> 00:56:38,640
what did they build they build theaters

1161
00:56:43,010 --> 00:56:40,319
stages

1162
00:56:45,370 --> 00:56:43,020
right the Arts

1163
00:56:49,010 --> 00:56:45,380

music performances

1164

00:56:52,329 --> 00:56:49,020

comedies drama Shakespeare

1165

00:56:57,650 --> 00:56:52,339

right it's part of culture

1166

00:56:58,790 --> 00:56:57,660

and and any any intelligent species out

1167

00:57:03,710 --> 00:56:58,800

there

1168

00:57:08,690 --> 00:57:03,720

will go through the exact same thing

1169

00:57:09,290 --> 00:57:08,700

all right all right now uh will we

1170

00:57:12,109 --> 00:57:09,300

um

1171

00:57:15,410 --> 00:57:12,119

continue you know a hundred thousand

1172

00:57:19,370 --> 00:57:15,420

years from now when we were just

1173

00:57:21,770 --> 00:57:19,380

energy beings of light I don't know

1174

00:57:24,349 --> 00:57:21,780

um are we still gonna laugh and dream

1175

00:57:27,890 --> 00:57:24,359

and create music and paint and art and

1176

00:57:30,230 --> 00:57:27,900

and create some sort of visual

1177

00:57:31,089 --> 00:57:30,240

stimulation and entertainment movies or

1178

00:57:33,589 --> 00:57:31,099

something

1179

00:57:34,849 --> 00:57:33,599

subversion of of that in the future I

1180

00:57:37,730 --> 00:57:34,859

think so

1181

00:57:40,490 --> 00:57:37,740

and I think that E.T uh has gone through

1182

00:57:44,089 --> 00:57:40,500

the same thing in order to become you

1183

00:57:46,849 --> 00:57:44,099

know some Advanced just crazy conscious

1184

00:57:50,089 --> 00:57:46,859

you know being of intelligence you would

1185

00:57:52,670 --> 00:57:50,099

have to have gone through comedies and

1186

00:57:54,490 --> 00:57:52,680

tragedy and music and art and sculpture

1187

00:57:58,490 --> 00:57:54,500

and painting and things

1188

00:58:02,809 --> 00:57:58,500

it's just part of evolution in the

1189

00:58:06,829 --> 00:58:02,819

process so yes 100 that's one of the

1190

00:58:12,170 --> 00:58:06,839

reasons why I ask anybody that is uh

1191

00:58:14,870 --> 00:58:12,180

talked about being on uh a craft

1192

00:58:16,910 --> 00:58:14,880

any paintings on the wall any music

1193

00:58:20,450 --> 00:58:16,920

playing in the background

1194

00:58:22,730 --> 00:58:20,460

right was there anything like that I

1195

00:58:23,450 --> 00:58:22,740

can't imagine

1196

00:58:28,190 --> 00:58:23,460

um

1197

00:58:33,829 --> 00:58:30,530

would you drive around the United States

1198

00:58:35,329 --> 00:58:33,839

in an RV in silence

1199

00:58:40,010 --> 00:58:35,339

right

1200

00:58:44,990 --> 00:58:43,010

no good night

1201
00:58:46,190 --> 00:58:45,000
right you're gonna watch a movie at

1202
00:58:51,650 --> 00:58:46,200
night

1203
00:58:54,829 --> 00:58:51,660
it's the same thing

1204
00:58:56,990 --> 00:58:54,839
you know why would you you're gonna have

1205
00:58:59,030 --> 00:58:57,000
inside of your RV you're gonna have

1206
00:59:03,829 --> 00:58:59,040
something to look at right

1207
00:59:06,410 --> 00:59:03,839
so I just don't see it that way so there

1208
00:59:08,150 --> 00:59:06,420
you go all right all right

1209
00:59:10,190 --> 00:59:08,160
um let's take a quick break this is Fade

1210
00:59:14,870 --> 00:59:10,200
to Black tonight's our AMA post your

1211
00:59:16,849 --> 00:59:14,880
questions in all caps I'll be right back

1212
00:59:19,130 --> 00:59:16,859
this is Jimmy Church of Fade to Black

1213
00:59:21,349 --> 00:59:19,140

please visit all of our sponsors we're

1214

00:59:23,030 --> 00:59:21,359

taking a quick break here all of the

1215

00:59:25,430 --> 00:59:23,040

links are below

1216

00:59:29,690 --> 00:59:25,440

and we'll be right back

1217

00:59:32,210 --> 00:59:29,700

join us November 10th 11th and 12th 2023

1218

00:59:34,910 --> 00:59:32,220

as disclosure Fest foundation and Fade

1219

00:59:37,430 --> 00:59:34,920

to Black radio presents Stairway To the

1220

00:59:39,890 --> 00:59:37,440

Stars a human Origins Science and

1221

00:59:43,010 --> 00:59:39,900

Technology Expo live at the Luxor Hotel

1222

00:59:45,230 --> 00:59:43,020

and Casino and the Las Vegas Strip with

1223

00:59:47,210 --> 00:59:45,240

live talks and lectures and workshops by

1224

00:59:49,370 --> 00:59:47,220

World Acclaim researchers and authors

1225

00:59:51,890 --> 00:59:49,380

this is Jimmy Church by the way and I'll

1226
00:59:54,170 --> 00:59:51,900
be your host all weekend long featuring

1227
00:59:56,349 --> 00:59:54,180
topics like human Origins ancient

1228
00:59:59,270 --> 00:59:56,359
Technologies indigenous teachings

1229
01:00:01,609 --> 00:59:59,280
workshops a mass meditation yoga and

1230
01:00:04,370 --> 01:00:01,619
sound healing music and so much more

1231
01:00:07,250 --> 01:00:04,380
don't miss our intimate sky watch and

1232
01:00:10,069 --> 01:00:07,260
meteor shower over the infamous Area 51

1233
01:00:11,870 --> 01:00:10,079
airspace in Rachel Nevada with special

1234
01:00:14,150 --> 01:00:11,880
surprise celebrity host guiding us

1235
01:00:17,990 --> 01:00:14,160
through the night also introducing our

1236
01:00:20,270 --> 01:00:18,000
disclosure Fest VR Starship area with

1237
01:00:23,030 --> 01:00:20,280
dozens of rides you've gotta check it

1238
01:00:24,589 --> 01:00:23,040

out this event will sell out for more

1239

01:00:27,829 --> 01:00:24,599

information and tickets Please visit

1240

01:00:30,589 --> 01:00:27,839

disclosure s.org this is Jimmy church

1241

01:00:34,190 --> 01:00:30,599

and I want to introduce you to lifewaves

1242

01:00:36,710 --> 01:00:34,200

x39 Stem Cell Activation batch which has

1243

01:00:39,530 --> 01:00:36,720

totally transformed my health my sleep

1244

01:00:42,289 --> 01:00:39,540

brain and my eyes I no longer need

1245

01:00:44,329 --> 01:00:42,299

reading glasses x39 is a true

1246

01:00:48,470 --> 01:00:44,339

breakthrough in regenerative science

1247

01:00:51,109 --> 01:00:48,480

using light x-39's patented age reversal

1248

01:00:53,089 --> 01:00:51,119

Technologies clinically proven to Signal

1249

01:00:55,370 --> 01:00:53,099

the activation of younger stem cells

1250

01:00:58,609 --> 01:00:55,380

accelerating the body's natural healing

1251
01:01:00,950 --> 01:00:58,619
process x39 promotes restoration and

1252
01:01:03,349 --> 01:01:00,960
Rejuvenation bringing the life-changing

1253
01:01:05,630 --> 01:01:03,359
benefits that I've experienced by

1254
01:01:08,809 --> 01:01:05,640
naturally elevating a master signaling

1255
01:01:11,569 --> 01:01:08,819
peptide in the body x39 boosts Vitality

1256
01:01:14,450 --> 01:01:11,579
health and wellness and resets 4 000

1257
01:01:17,030 --> 01:01:14,460
genes to a younger healthier State it's

1258
01:01:20,829 --> 01:01:17,040
one patch once a day and you can turn

1259
01:01:24,230 --> 01:01:20,839
back time with x-39 just go to

1260
01:01:25,870 --> 01:01:24,240
healingworksnow.com that's works with an

1261
01:01:29,270 --> 01:01:25,880
X healing

1262
01:01:31,549 --> 01:01:29,280
worksnow.com hey everybody it's Billy

1263
01:01:33,470 --> 01:01:31,559

Carson also known as Forbidden Knowledge

1264

01:01:36,349 --> 01:01:33,480

I want to talk to you about a very

1265

01:01:39,109 --> 01:01:36,359

special event coming up July 30th 2023

1266

01:01:40,490 --> 01:01:39,119

The Forbidden conscious Awards we're

1267

01:01:42,109 --> 01:01:40,500

going to honor people who have been

1268

01:01:44,450 --> 01:01:42,119

contributing to the conscious Community

1269

01:01:46,069 --> 01:01:44,460

for decades people that you know and

1270

01:01:47,990 --> 01:01:46,079

love that have helped you get to higher

1271

01:01:49,549 --> 01:01:48,000

levels of thought and Consciousness and

1272

01:01:51,650 --> 01:01:49,559

awareness it's going to be alive

1273

01:01:53,089 --> 01:01:51,660

in-person event but seats are going to

1274

01:01:54,829 --> 01:01:53,099

sell out very fast you want to make sure

1275

01:01:56,930 --> 01:01:54,839

you're there in person and guess what

1276

01:01:58,849 --> 01:01:56,940

you can help vote for the winners voting

1277

01:02:00,770 --> 01:01:58,859

is available on forbiddenknowledge.com

1278

01:02:03,410 --> 01:02:00,780

and the categories are going to be

1279

01:02:05,930 --> 01:02:03,420

social media influencer podcast slash

1280

01:02:07,970 --> 01:02:05,940

radio host TV host actor director

1281

01:02:09,770 --> 01:02:07,980

producer entrepreneurs health and

1282

01:02:12,230 --> 01:02:09,780

wellness philanthropists authors field

1283

01:02:13,970 --> 01:02:12,240

researchers archaeologists space anomaly

1284

01:02:16,789 --> 01:02:13,980

hunters and of course a Lifetime

1285

01:02:18,710 --> 01:02:16,799

Achievement Award I'll be your keynote

1286

01:02:20,630 --> 01:02:18,720

speaker that night at The Forbidden

1287

01:02:22,970 --> 01:02:20,640

conscious Awards we have celebrity

1288

01:02:24,530 --> 01:02:22,980

guests performing we'll have a halftime

1289

01:02:26,270 --> 01:02:24,540

show where we're actually going to

1290

01:02:28,789 --> 01:02:26,280

perform music for you and don't forget

1291

01:02:30,770 --> 01:02:28,799

about the pre-event mixer where if you

1292

01:02:32,690 --> 01:02:30,780

buy a box seat you'll be in the VIP

1293

01:02:35,329 --> 01:02:32,700

section and you also have private access

1294

01:02:38,450 --> 01:02:35,339

to a big-ip mixer with celebrity guests

1295

01:02:40,190 --> 01:02:38,460

shake hands break bread Network and then

1296

01:02:42,170 --> 01:02:40,200

walk the red carpet with us and take

1297

01:02:43,370 --> 01:02:42,180

amazing photos it's going to be a night

1298

01:02:45,589 --> 01:02:43,380

to remember you don't want to forget

1299

01:02:47,210 --> 01:02:45,599

this make sure you hurry up and get your

1300

01:02:49,730 --> 01:02:47,220

tickets because you're selling out very

1301
01:02:51,500 --> 01:02:49,740
fast I want to see you there forbidden

1302
01:02:55,130 --> 01:02:51,510
conscious Awards 2023

1303
01:02:58,549 --> 01:02:55,140
[Music]

1304
01:03:01,370 --> 01:02:58,559
River Moon coffee makers of the Fade to

1305
01:03:03,190 --> 01:03:01,380
Black blend truly the best coffee on

1306
01:03:05,450 --> 01:03:03,200
planet Earth just visit

1307
01:03:07,309 --> 01:03:05,460
rivermoonwellness.com or or their Amazon

1308
01:03:08,750 --> 01:03:07,319
store if it's all simple to do you can

1309
01:03:10,849 --> 01:03:08,760
check out the Fade to Black blend the

1310
01:03:13,490 --> 01:03:10,859
game changer Blend or any of their black

1311
01:03:17,210 --> 01:03:13,500
moon wellness products it's the only

1312
01:03:23,510 --> 01:03:17,220
coffee I drink it is the best and it's

1313
01:03:30,049 --> 01:03:26,990

all right welcome back tonight is our

1314

01:03:33,829 --> 01:03:30,059

once a month AMA and tonight uh it's

1315

01:03:35,690 --> 01:03:33,839

it's it's just for I love doing amas and

1316

01:03:37,910 --> 01:03:35,700

we had a technical issue with our guest

1317

01:03:40,849 --> 01:03:37,920

tonight so

1318

01:03:44,690 --> 01:03:40,859

um there you go so tonight's an AMA post

1319

01:03:46,069 --> 01:03:44,700

your questions up in all caps uh this

1320

01:03:49,370 --> 01:03:46,079

portion of the show is brought to you by

1321

01:03:50,650 --> 01:03:49,380

x39 it's a patch that I wear I got my

1322

01:03:53,870 --> 01:03:50,660

vision back

1323

01:03:56,270 --> 01:03:53,880

x39 uh I just wore the patch during the

1324

01:04:00,710 --> 01:03:56,280

day take it off at night nobody can see

1325

01:04:04,130 --> 01:04:00,720

it uh and it it works for me and the

1326

01:04:07,670 --> 01:04:04,140

links uh for x39 are below over on our

1327

01:04:10,069 --> 01:04:07,680

website and throughout social media so

1328

01:04:13,190 --> 01:04:10,079

check it out x39 all right

1329

01:04:15,170 --> 01:04:13,200

um so post your questions in all caps in

1330

01:04:19,789 --> 01:04:15,180

the chat I will get to it

1331

01:04:22,069 --> 01:04:19,799

um I did see my phone I have um I don't

1332

01:04:24,349 --> 01:04:22,079

I don't know if I can show you this let

1333

01:04:27,890 --> 01:04:24,359

me see if I can lift it up no probably

1334

01:04:30,410 --> 01:04:27,900

not oh I guess I could unplug it

1335

01:04:33,349 --> 01:04:30,420

I have this really Nifty thing I've had

1336

01:04:35,450 --> 01:04:33,359

it for a while now I mean let me unplug

1337

01:04:35,990 --> 01:04:35,460

it it is

1338

01:04:37,930 --> 01:04:36,000

um

1339

01:04:40,130 --> 01:04:37,940

foreign

1340

01:04:43,130 --> 01:04:40,140

it's a stand

1341

01:04:46,150 --> 01:04:43,140

okay it's a charger and then my phone

1342

01:04:50,150 --> 01:04:46,160

right okay so it's got a special case

1343

01:04:53,750 --> 01:04:50,160

right okay boom

1344

01:04:56,510 --> 01:04:53,760

right boom and it charges so this is

1345

01:04:59,510 --> 01:04:56,520

sitting in front of me right here now

1346

01:05:01,549 --> 01:04:59,520

I'm going to plug it back in

1347

01:05:07,910 --> 01:05:01,559

all right

1348

01:05:12,829 --> 01:05:10,309

literally you know going off all night

1349

01:05:15,410 --> 01:05:12,839

long right so it just sits here on a

1350

01:05:17,270 --> 01:05:15,420

stand uh right here in front of me and

1351

01:05:19,730 --> 01:05:17,280

I've been watching some emails come in

1352

01:05:21,170 --> 01:05:19,740

with some questions so let me jump over

1353

01:05:25,250 --> 01:05:21,180

to email

1354

01:05:27,049 --> 01:05:25,260

here and uh get uh some of these

1355

01:05:29,329 --> 01:05:27,059

questions in

1356

01:05:34,849 --> 01:05:29,339

uh

1357

01:05:37,190 --> 01:05:34,859

believe we live more than just this life

1358

01:05:39,589 --> 01:05:37,200

meaning we pass away and come back as a

1359

01:05:42,170 --> 01:05:39,599

new person and do you believe in the

1360

01:05:46,370 --> 01:05:42,180

next life we have the same friends and

1361

01:05:49,430 --> 01:05:46,380

family as new people wow that's wow deep

1362

01:05:53,210 --> 01:05:49,440

deep man that's deep I can't post the

1363

01:05:56,150 --> 01:05:53,220

question in front of me it's uh so

1364

01:05:59,089 --> 01:05:56,160

um I I

1365

01:06:01,630 --> 01:05:59,099

it's like the ultimate question

1366

01:06:04,670 --> 01:06:01,640

I was watching

1367

01:06:08,150 --> 01:06:04,680

uh there's a movie out with Robert

1368

01:06:10,789 --> 01:06:08,160

Redford it's called the discovery

1369

01:06:14,450 --> 01:06:10,799

and if you haven't seen it by the way

1370

01:06:17,270 --> 01:06:14,460

last night I watched arrival I I

1371

01:06:19,789 --> 01:06:17,280

something came over me last night

1372

01:06:22,490 --> 01:06:19,799

and I wanted to watch arrival and I did

1373

01:06:25,549 --> 01:06:22,500

last night anyway so uh last week I

1374

01:06:28,250 --> 01:06:25,559

watched the discovery and

1375

01:06:30,829 --> 01:06:28,260

um I've seen it a couple of times but I

1376

01:06:33,650 --> 01:06:30,839

I wanted to watch it again because in

1377

01:06:36,950 --> 01:06:33,660

the movie uh Robert Redford's kind of

1378

01:06:40,250 --> 01:06:36,960

like a cult leader he he doesn't call it

1379

01:06:43,190 --> 01:06:40,260

a cult um but anyway he's a scientist

1380

01:06:45,829 --> 01:06:43,200

that discovers

1381

01:06:47,210 --> 01:06:45,839

there is an afterlife

1382

01:06:50,329 --> 01:06:47,220

so

1383

01:06:52,190 --> 01:06:50,339

uh he proves it and the announcement

1384

01:06:54,069 --> 01:06:52,200

goes out and people start committing

1385

01:06:58,150 --> 01:06:54,079

suicide

1386

01:07:03,289 --> 01:06:58,160

yeah like millions of people

1387

01:07:07,190 --> 01:07:03,299

and and it caused me to stop and think

1388

01:07:11,470 --> 01:07:07,200

about this very very deep question that

1389

01:07:17,870 --> 01:07:16,490

if right right I mean if if that you

1390

01:07:20,329 --> 01:07:17,880

know it's like the ultimate question if

1391

01:07:22,970 --> 01:07:20,339

that gets answered

1392

01:07:24,770 --> 01:07:22,980

like with definitive scientific proof

1393

01:07:28,609 --> 01:07:24,780

what does that do

1394

01:07:30,829 --> 01:07:28,619

right now let's suppose that yeah you're

1395

01:07:33,770 --> 01:07:30,839

not living the life that you've dreamed

1396

01:07:35,510 --> 01:07:33,780

of you haven't found your bliss you're

1397

01:07:37,670 --> 01:07:35,520

not happy maybe you're in debt maybe you

1398

01:07:40,609 --> 01:07:37,680

just lost your job maybe you're

1399

01:07:42,349 --> 01:07:40,619

spouse is left to you maybe you know

1400

01:07:44,809 --> 01:07:42,359

some tragedy in your life or whatever

1401

01:07:47,870 --> 01:07:44,819

you're just like well

1402

01:07:51,410 --> 01:07:47,880

screw this version if the you know if I

1403

01:07:52,910 --> 01:07:51,420

I'll just move on to the next one

1404

01:07:57,470 --> 01:07:52,920

um that

1405

01:07:59,990 --> 01:07:57,480

it kind of diminishes the importance of

1406

01:08:04,910 --> 01:08:00,000

this version

1407

01:08:06,950 --> 01:08:04,920

right so do I think about it I sure I do

1408

01:08:08,690 --> 01:08:06,960

I think that we all do

1409

01:08:12,670 --> 01:08:08,700

but

1410

01:08:14,809 --> 01:08:12,680

I'm not going to allow that

1411

01:08:17,510 --> 01:08:14,819

to change

1412

01:08:18,590 --> 01:08:17,520

this

1413

01:08:28,669 --> 01:08:18,600

no

1414

01:08:31,789 --> 01:08:28,679

the ultimate surprise

1415

01:08:34,070 --> 01:08:31,799

right we all love surprises Christmas

1416

01:08:36,470 --> 01:08:34,080

morning gifts birthday presents right

1417

01:08:39,050 --> 01:08:36,480

those are cool uh

1418

01:08:40,669 --> 01:08:39,060

the birth of a child is it a boy or a

1419

01:08:44,150 --> 01:08:40,679

girl that's a that's a great surprise

1420

01:08:47,630 --> 01:08:44,160

you want there are certain things that

1421

01:08:51,169 --> 01:08:47,640

you want that moment of whoa right okay

1422

01:08:53,749 --> 01:08:51,179

you know what whatever happens after

1423

01:08:56,209 --> 01:08:53,759

this version is over

1424

01:08:59,870 --> 01:08:56,219

I'll find out

1425

01:09:01,849 --> 01:08:59,880

but I'm not going to have it change

1426

01:09:03,950 --> 01:09:01,859

this

1427

01:09:07,430 --> 01:09:03,960

all right

1428

01:09:10,669 --> 01:09:07,440

um I'm enjoying life I I have found my

1429

01:09:15,349 --> 01:09:10,679

Bliss and I'm trying to figure out the

1430

01:09:19,309 --> 01:09:15,359

mysteries of of what's going on now

1431

01:09:22,849 --> 01:09:19,319

the Deep past the present and and

1432

01:09:25,550 --> 01:09:22,859

certainly the future right and and life

1433

01:09:28,130 --> 01:09:25,560

in the universe and and the Paranormal

1434

01:09:31,370 --> 01:09:28,140

and the Supernatural and uh were there

1435

01:09:33,470 --> 01:09:31,380

civilizations that uh were here before

1436

01:09:35,930 --> 01:09:33,480

this version of us and things like

1437

01:09:39,829 --> 01:09:35,940

Skinwalker Ranch right

1438

01:09:41,030 --> 01:09:39,839

um I I'm enjoying this process of

1439

01:09:44,269 --> 01:09:41,040

discovery

1440

01:09:46,070 --> 01:09:44,279

I am really happy

1441

01:09:50,329 --> 01:09:46,080

right so

1442

01:09:53,450 --> 01:09:50,339

I don't want the thought of you know if

1443

01:09:55,610 --> 01:09:53,460

if there is all right cool but I'll find

1444

01:09:58,189 --> 01:09:55,620

out when I get there however I get there

1445

01:10:00,110 --> 01:09:58,199

and when I get there I don't want to

1446

01:10:02,750 --> 01:10:00,120

alter

1447

01:10:05,810 --> 01:10:02,760

this

1448

01:10:09,290 --> 01:10:05,820

and and I I hope that you're listening

1449

01:10:11,330 --> 01:10:09,300

to me right now and and maybe you'll

1450

01:10:13,310 --> 01:10:11,340

think about that too as well

1451

01:10:16,070 --> 01:10:13,320

don't don't don't don't don't think

1452

01:10:18,530 --> 01:10:16,080

about it too much you can't change it

1453

01:10:21,229 --> 01:10:18,540

right you can't no matter what you're

1454

01:10:23,270 --> 01:10:21,239

not you're not going you're not going to

1455

01:10:26,630 --> 01:10:23,280

change things so don't have it change

1456

01:10:30,590 --> 01:10:26,640

who you are right now

1457

01:10:34,070 --> 01:10:30,600

um life is I you know is there

1458

01:10:37,070 --> 01:10:34,080

perfection in a human being can you can

1459

01:10:41,750 --> 01:10:37,080

you be perfect no you can't

1460

01:10:43,910 --> 01:10:41,760

you can only be better

1461

01:10:47,990 --> 01:10:43,920

okay all right all right that's it

1462

01:10:50,110 --> 01:10:48,000

that's it so make your life about that

1463

01:10:53,450 --> 01:10:50,120

let's try to get better

1464

01:10:57,229 --> 01:10:53,460

at yourself at the way you treat people

1465

01:11:00,050 --> 01:10:57,239

better at the guitar better at for me

1466

01:11:04,430 --> 01:11:00,060

building models man you know I I mess

1467

01:11:07,010 --> 01:11:04,440

them up all the time uh the model that I

1468

01:11:09,890 --> 01:11:07,020

just showed you I was working on uh the

1469

01:11:12,770 --> 01:11:09,900

front shocks right so I it's front shock

1470

01:11:16,010 --> 01:11:12,780

assembly with this thing and you know

1471

01:11:18,950 --> 01:11:16,020

and it's so Technical and and I'm really

1472

01:11:20,209 --> 01:11:18,960

into it right and pop the shock on and I

1473

01:11:28,910 --> 01:11:20,219

break it

1474

01:11:32,149 --> 01:11:28,920

contact the company I had to uh you know

1475

01:11:35,510 --> 01:11:32,159

request replacement shock assemblies

1476

01:11:36,470 --> 01:11:35,520

right would say they take care of it but

1477

01:11:41,990 --> 01:11:36,480

um

1478

01:11:43,910 --> 01:11:42,000

right I learned from that and the new

1479

01:11:46,910 --> 01:11:43,920

shocks assembly comes in and now you

1480

01:11:49,790 --> 01:11:46,920

know I've been you know I I didn't break

1481

01:11:51,530 --> 01:11:49,800

it uh the second time around but but

1482

01:11:55,189 --> 01:11:51,540

that's part of the process

1483

01:11:58,250 --> 01:11:55,199

right of of becoming better and and and

1484

01:11:59,570 --> 01:11:58,260

and and learning things I've gotten so

1485

01:12:01,910 --> 01:11:59,580

good

1486

01:12:04,310 --> 01:12:01,920

at building guitars

1487

01:12:08,689 --> 01:12:04,320

all right I had some friends over at the

1488

01:12:11,030 --> 01:12:08,699

house last weekend and um uh so when

1489

01:12:13,490 --> 01:12:11,040

they come in and and they look around

1490

01:12:16,189 --> 01:12:13,500

and I get to show them

1491

01:12:18,530 --> 01:12:16,199

my workbench

1492

01:12:21,110 --> 01:12:18,540

right it's right there I've got the

1493

01:12:24,169 --> 01:12:21,120

chair I've got the lights I've got a

1494

01:12:27,410 --> 01:12:24,179

ginormous toolbox I've got every you

1495

01:12:30,890 --> 01:12:27,420

open up the drawers and every single

1496

01:12:34,090 --> 01:12:30,900

tool needed for

1497

01:12:37,850 --> 01:12:34,100

um the building of a guitar everything

1498

01:12:39,890 --> 01:12:37,860

files screws Parts things Electronics

1499

01:12:44,330 --> 01:12:39,900

wires

1500

01:12:46,850 --> 01:12:44,340

um any any anything that you need to to

1501

01:12:49,189 --> 01:12:46,860

build a guitar I can do it I can do it

1502

01:12:51,229 --> 01:12:49,199

right here and I can and and I've gotten

1503

01:12:54,910 --> 01:12:51,239

really good and I've messed up

1504

01:12:57,950 --> 01:12:54,920

a lot of guitars but it's that process

1505

01:13:01,850 --> 01:12:57,960

of of getting better of getting better

1506

01:13:04,790 --> 01:13:01,860

and and I don't want the thought of you

1507

01:13:06,590 --> 01:13:04,800

know the afterlife or anything else to

1508

01:13:11,530 --> 01:13:06,600

alter

1509

01:13:14,810 --> 01:13:11,540

where where I'm at right now no no no no

1510

01:13:24,070 --> 01:13:14,820

so is there I'll find out just like we

1511

01:13:29,090 --> 01:13:26,570

all right so

1512

01:13:32,149 --> 01:13:29,100

uh thoroughly enjoying your AMA tonight

1513

01:13:34,729 --> 01:13:32,159

oh this is from uh

1514

01:13:37,430 --> 01:13:34,739

uh Renee Newman

1515

01:13:39,050 --> 01:13:37,440

uh it's been interesting to see the

1516

01:13:41,209 --> 01:13:39,060

comments about how many fate or not

1517

01:13:43,790 --> 01:13:41,219

shared our frustration with NASA's press

1518

01:13:47,149 --> 01:13:43,800

conference today that's from Renee for

1519

01:13:49,610 --> 01:13:47,159

future reference Renee Cruz is a guy Oh

1520

01:13:56,530 --> 01:13:49,620

Renee Cruz is a guy

1521

01:14:03,169 --> 01:13:58,970

Renee I apologize

1522

01:14:05,570 --> 01:14:03,179

I apologize man I I usually Renee's a

1523

01:14:07,189 --> 01:14:05,580

man's name uh Renee is a woman's name

1524

01:14:08,810 --> 01:14:07,199

she gave me two different versions of

1525

01:14:09,160 --> 01:14:08,820

the spelling

1526
01:14:12,370 --> 01:14:09,170
um

1527
01:14:16,430 --> 01:14:12,380
[Laughter]

1528
01:14:17,930 --> 01:14:16,440
Renee I humbly apologize I thought Renee

1529
01:14:24,890 --> 01:14:17,940
Cruz

1530
01:14:27,590 --> 01:14:24,900
was that's it that is for Renee

1531
01:14:31,430 --> 01:14:27,600
I apologize

1532
01:14:34,550 --> 01:14:31,440
and that is from my producer she's the

1533
01:14:37,070 --> 01:14:34,560
best Renee let me tell you something

1534
01:14:39,610 --> 01:14:37,080
after every show

1535
01:14:43,490 --> 01:14:39,620
after every news after everything Renee

1536
01:14:46,910 --> 01:14:44,030
um

1537
01:14:49,850 --> 01:14:46,920
Corrections

1538
01:14:52,310 --> 01:14:49,860

yeah and she listens to every syllable

1539

01:14:54,350 --> 01:14:52,320

she listens to every fact every

1540

01:14:57,470 --> 01:14:54,360

pronunciation everything and I get man

1541

01:14:59,630 --> 01:14:57,480

and I I've got to it's like your teacher

1542

01:15:01,970 --> 01:14:59,640

it's like a report card and I get it

1543

01:15:04,189 --> 01:15:01,980

every day and it's like painful but I

1544

01:15:07,250 --> 01:15:04,199

read them all and she knows it and

1545

01:15:10,010 --> 01:15:07,260

sometimes I reply sometimes I sit back

1546

01:15:13,490 --> 01:15:10,020

and go man that was just oh it was just

1547

01:15:16,910 --> 01:15:13,500

painful but she's always right and so

1548

01:15:20,750 --> 01:15:16,920

thank you for that Renee Newman the best

1549

01:15:23,930 --> 01:15:20,760

okay all right let's see here ah

1550

01:15:25,130 --> 01:15:23,940

genocide coming in Jimmy with the

1551
01:15:29,270 --> 01:15:25,140
confidence

1552
01:15:31,370 --> 01:15:29,280
Vegas Oh you mean conference

1553
01:15:33,590 --> 01:15:31,380
with the conference I think let me

1554
01:15:36,189 --> 01:15:33,600
finish the question coming up in Las

1555
01:15:39,410 --> 01:15:36,199
Vegas which speaker are you most

1556
01:15:42,050 --> 01:15:39,420
excite existed for excited for okay

1557
01:15:43,610 --> 01:15:42,060
genocide is obviously driving and

1558
01:15:46,550 --> 01:15:43,620
texting

1559
01:15:47,570 --> 01:15:46,560
um so I I see that John aside okay so

1560
01:15:50,090 --> 01:15:47,580
let me

1561
01:15:53,149 --> 01:15:50,100
translate Jimmy with the conference

1562
01:15:56,630 --> 01:15:53,159
coming up in Las Vegas which speaker are

1563
01:15:59,750 --> 01:15:56,640

you most excited for

1564

01:16:02,630 --> 01:15:59,760

um all of them we we've got a really

1565

01:16:04,370 --> 01:16:02,640

good lineup uh put together uh there are

1566

01:16:07,010 --> 01:16:04,380

a few highlights one we're going to have

1567

01:16:09,890 --> 01:16:07,020

an ancient aliens panel with the cast of

1568

01:16:12,709 --> 01:16:09,900

ancient aliens uh that I'm gonna host

1569

01:16:16,790 --> 01:16:12,719

that is a highlight for me personally at

1570

01:16:19,669 --> 01:16:16,800

this conference uh We've also got uh Ron

1571

01:16:24,590 --> 01:16:19,679

James that is going to uh

1572

01:16:27,950 --> 01:16:24,600

show his film and uh and and have a q a

1573

01:16:29,930 --> 01:16:27,960

after James Fox is also going to be

1574

01:16:32,930 --> 01:16:29,940

there he's going to show his film and

1575

01:16:36,709 --> 01:16:32,940

have a q a afterwards with that I'm

1576

01:16:38,870 --> 01:16:36,719

excited for both of those we have Bashar

1577

01:16:40,610 --> 01:16:38,880

um uh that is going to be there we have

1578

01:16:42,590 --> 01:16:40,620

some other uh names that we haven't

1579

01:16:44,810 --> 01:16:42,600

announced yet

1580

01:16:48,130 --> 01:16:44,820

um but if you if you go down the list

1581

01:16:51,830 --> 01:16:48,140

Linda Moulton Howe Richard Dolan Tracy

1582

01:16:53,810 --> 01:16:51,840

look at the list of of who we have got a

1583

01:16:56,030 --> 01:16:53,820

lot of very unique

1584

01:16:59,330 --> 01:16:56,040

uh individuals that are going to be

1585

01:17:01,370 --> 01:16:59,340

presenting at the conference so yeah I'm

1586

01:17:04,550 --> 01:17:01,380

going to say everything but for me

1587

01:17:08,090 --> 01:17:04,560

personally uh that Ancient Aliens panel

1588

01:17:09,530 --> 01:17:08,100

is going to be incredible

1589

01:17:13,250 --> 01:17:09,540

um you're not going to want to miss that

1590

01:17:15,709 --> 01:17:13,260

so uh yes Stairway To the Stars the

1591

01:17:18,770 --> 01:17:15,719

links for it are below

1592

01:17:22,189 --> 01:17:18,780

um but Bashar

1593

01:17:24,590 --> 01:17:22,199

Bashar always brings and uh I'm very

1594

01:17:27,470 --> 01:17:24,600

excited about that okay so there you go

1595

01:17:30,890 --> 01:17:27,480

thank you for that uh John aside again

1596

01:17:34,669 --> 01:17:30,900

don't don't text and drive genocide not

1597

01:17:35,450 --> 01:17:34,679

a good look okay uh let's see uh

1598

01:17:40,149 --> 01:17:35,460

uh

1599

01:17:44,169 --> 01:17:40,159

I I don't know what that name is

1600

01:17:50,169 --> 01:17:44,179

three three three three

1601

01:17:54,770 --> 01:17:52,970

Supreme I I don't know I don't know

1602

01:17:57,010 --> 01:17:54,780

that's like one of those license plates

1603

01:18:01,390 --> 01:17:57,020

that you can't read the question is

1604

01:18:05,030 --> 01:18:01,400

thoughts on Bob Lazar hmm

1605

01:18:06,709 --> 01:18:05,040

one of the most polarizing

1606

01:18:10,430 --> 01:18:06,719

I mean you want to get an argument

1607

01:18:13,130 --> 01:18:10,440

started right dinner party

1608

01:18:15,410 --> 01:18:13,140

you got friends over

1609

01:18:17,750 --> 01:18:15,420

you've got a show like this

1610

01:18:22,490 --> 01:18:17,760

and you just want to just get the

1611

01:18:23,450 --> 01:18:22,500

argument going just go okay Bob Lazar

1612

01:18:26,149 --> 01:18:23,460

like

1613

01:18:29,149 --> 01:18:26,159

thoughts on Bob Lazar that should be you

1614

01:18:31,510 --> 01:18:29,159

know on a dating app right

1615

01:18:35,990 --> 01:18:31,520

long walks on the beach

1616

01:18:37,550 --> 01:18:36,000

and and then Bob Lazar should be should

1617

01:18:40,250 --> 01:18:37,560

be right there because then you'll know

1618

01:18:46,850 --> 01:18:40,260

if you're gonna swipe right or not right

1619

01:18:49,610 --> 01:18:46,860

Bob Lazar he's that kind of guy so

1620

01:18:52,390 --> 01:18:49,620

I try to be

1621

01:18:56,750 --> 01:18:52,400

try to be as honest as I can about Bob

1622

01:19:00,229 --> 01:18:56,760

and so the truth is for me I'm going to

1623

01:19:00,239 --> 01:19:04,910

for a couple of decades

1624

01:19:15,050 --> 01:19:11,209

1990 1991 to 2018 or so what is that 30

1625

01:19:17,450 --> 01:19:15,060

years 20 years 30 years for decades

1626

01:19:22,189 --> 01:19:17,460

I was all Bob

1627

01:19:28,330 --> 01:19:22,199

and I went and I cannot tell you

1628

01:19:35,090 --> 01:19:28,340

how many times how many days I spent

1629

01:19:35,100 --> 01:19:39,290

back to back

1630

01:19:43,669 --> 01:19:41,450

and Bob pulling up in his Corvette hi

1631

01:19:45,530 --> 01:19:43,679

I'm Bob Lazar and he jumped out of this

1632

01:19:48,890 --> 01:19:45,540

Corvette and I'm here to talk to you

1633

01:19:51,470 --> 01:19:48,900

today to leans on the thing and um I'll

1634

01:19:54,050 --> 01:19:51,480

watch those videos over and over and

1635

01:19:56,750 --> 01:19:54,060

over again

1636

01:19:58,669 --> 01:19:56,760

and and there was there's quite a few of

1637

01:20:01,550 --> 01:19:58,679

them

1638

01:20:03,290 --> 01:20:01,560

trying to first off absorb everything

1639

01:20:04,669 --> 01:20:03,300

that he is saying uh number one but

1640

01:20:05,630 --> 01:20:04,679

number two trying to catch him in

1641

01:20:09,649 --> 01:20:05,640

something

1642

01:20:14,810 --> 01:20:10,669

um

1643

01:20:17,630 --> 01:20:14,820

I was all in and then listening to Lear

1644

01:20:20,450 --> 01:20:17,640

and and others

1645

01:20:24,770 --> 01:20:20,460

George Knapp

1646

01:20:26,810 --> 01:20:24,780

um back then uh presenting all of this I

1647

01:20:28,430 --> 01:20:26,820

was all in I was all in how could you

1648

01:20:32,149 --> 01:20:28,440

not be

1649

01:20:36,290 --> 01:20:32,159

right and element 115 and and and and

1650

01:20:38,930 --> 01:20:36,300

gravity drives and the sport model and

1651

01:20:41,209 --> 01:20:38,940

of course him going out on Groom Lake

1652

01:20:43,729 --> 01:20:41,219

Road or whatever the Black Mailbox and

1653

01:20:45,130 --> 01:20:43,739

and you know with with everybody out

1654

01:20:47,390 --> 01:20:45,140

there and

1655

01:20:49,430 --> 01:20:47,400

watching the test drives and the test

1656

01:20:54,070 --> 01:20:49,440

flights okay so all of this oh and and

1657

01:20:58,910 --> 01:20:54,080

back then man Area 51 and S4 right

1658

01:21:02,270 --> 01:20:58,920

so uh the

1659

01:21:05,750 --> 01:21:02,280

I I stayed steadfast

1660

01:21:06,709 --> 01:21:05,760

and I had lots of conversations with

1661

01:21:08,350 --> 01:21:06,719

people

1662

01:21:10,970 --> 01:21:08,360

um over the years

1663

01:21:14,270 --> 01:21:10,980

including Stanton Friedman

1664

01:21:16,850 --> 01:21:14,280

uh presenting the other side of this and

1665

01:21:20,209 --> 01:21:16,860

now here's

1666

01:21:22,970 --> 01:21:20,219

here's the the closure to it you know

1667

01:21:24,470 --> 01:21:22,980

after 30 years why I'm not I'm not team

1668

01:21:27,910 --> 01:21:24,480

Lazar anymore

1669

01:21:31,070 --> 01:21:27,920

because quite frankly

1670

01:21:35,870 --> 01:21:31,080

too much BS floating around

1671

01:21:43,610 --> 01:21:40,970

with Bob is here in the valley where he

1672

01:21:45,649 --> 01:21:43,620

grew up

1673

01:21:48,649 --> 01:21:45,659

um it's a college it's called Pierce

1674

01:21:50,630 --> 01:21:48,659

College small community college small

1675

01:21:52,610 --> 01:21:50,640

it's a small community college right

1676
01:21:54,950 --> 01:21:52,620
here Pierce College you can drive by it

1677
01:21:57,169 --> 01:21:54,960
and look at it it's like any other small

1678
01:21:59,030 --> 01:21:57,179
community college

1679
01:22:00,950 --> 01:21:59,040
um it's great it's it's part of the

1680
01:22:02,870 --> 01:22:00,960
community out here we have a few Valley

1681
01:22:06,290 --> 01:22:02,880
College and stuff and Pierce College is

1682
01:22:09,229 --> 01:22:06,300
on and that's where Bob went to school

1683
01:22:10,130 --> 01:22:09,239
I think he went for a semester or

1684
01:22:12,350 --> 01:22:10,140
something

1685
01:22:13,550 --> 01:22:12,360
or two or whatever it's a community

1686
01:22:19,669 --> 01:22:13,560
college

1687
01:22:23,030 --> 01:22:19,679
but the the Caltech and MIT aspect of it

1688
01:22:26,209 --> 01:22:23,040

I don't I don't feel it

1689

01:22:28,070 --> 01:22:26,219
from Bob I hang out with a lot of

1690

01:22:31,330 --> 01:22:28,080
physicists and when you're around a

1691

01:22:35,810 --> 01:22:31,340
physicist when you're around

1692

01:22:38,450 --> 01:22:35,820
somebody that has gone through the

1693

01:22:41,030 --> 01:22:38,460
process of getting a degree in physics

1694

01:22:42,890 --> 01:22:41,040
they carry themselves differently

1695

01:22:45,470 --> 01:22:42,900
they do

1696

01:22:50,510 --> 01:22:45,480
you could see it in their face you just

1697

01:22:53,810 --> 01:22:50,520
you can feel and and the vibe that you

1698

01:22:56,689 --> 01:22:53,820
get when when you're not a physicist and

1699

01:22:59,030 --> 01:22:56,699
you don't have those degrees

1700

01:23:01,370 --> 01:22:59,040
you

1701

01:23:05,390 --> 01:23:01,380

have difficulty

1702

01:23:11,930 --> 01:23:09,350

I'm just telling you it's a fact of life

1703

01:23:14,630 --> 01:23:11,940

I don't get that from Bob

1704

01:23:18,470 --> 01:23:14,640

I don't smart guy

1705

01:23:21,590 --> 01:23:18,480

built a rocket bike his Schwinn rocket

1706

01:23:23,750 --> 01:23:21,600

by built a rocket that's cool right okay

1707

01:23:26,270 --> 01:23:23,760

all right all right I bet anybody can do

1708

01:23:31,070 --> 01:23:28,030

anybody can

1709

01:23:33,830 --> 01:23:31,080

you don't need a degree in physics to

1710

01:23:37,070 --> 01:23:33,840

put a rocket engine in a Honda Civic or

1711

01:23:39,649 --> 01:23:37,080

whatever he did so or strap a rocket

1712

01:23:43,189 --> 01:23:39,659

engine onto a a Schwinn and light that

1713

01:23:45,169 --> 01:23:43,199

sucker up and and go at the age of 10 or

1714

01:23:47,030 --> 01:23:45,179

whenever he did that but

1715

01:23:48,890 --> 01:23:47,040

but that doesn't

1716

01:23:52,189 --> 01:23:48,900

you know what I mean I don't get that

1717

01:23:53,990 --> 01:23:52,199

that that intimidation Factor the

1718

01:23:57,649 --> 01:23:54,000

intelligence Gap

1719

01:24:00,770 --> 01:23:57,659

I I I just don't get that so I'm just

1720

01:24:02,149 --> 01:24:00,780

not anymore I'm on the other side I

1721

01:24:05,450 --> 01:24:02,159

think that

1722

01:24:07,130 --> 01:24:05,460

um Bob doesn't give a crap anymore I

1723

01:24:10,070 --> 01:24:07,140

think he's at the stage of his life he's

1724

01:24:12,290 --> 01:24:10,080

he's not going to talk about it he he's

1725

01:24:14,090 --> 01:24:12,300

not going to lay any proof out and and

1726

01:24:16,010 --> 01:24:14,100

whatever you've only got so many years

1727

01:24:18,590 --> 01:24:16,020

left on this planet I think he wants to

1728

01:24:20,870 --> 01:24:18,600

just walk away from this stuff I just

1729

01:24:25,669 --> 01:24:20,880

that that's that's where I'm at so

1730

01:24:29,450 --> 01:24:25,679

that's it that's it it's on Bob it's not

1731

01:24:32,510 --> 01:24:29,460

on us uh there's too many holes in the

1732

01:24:35,209 --> 01:24:32,520

story that that quite frankly I don't

1733

01:24:37,130 --> 01:24:35,219

think he's able to to provide those

1734

01:24:38,090 --> 01:24:37,140

answers and and I don't think he's going

1735

01:24:40,790 --> 01:24:38,100

to

1736

01:24:43,010 --> 01:24:40,800

so there you go now was he ever at Area

1737

01:24:44,810 --> 01:24:43,020

51 Maybe

1738

01:24:47,750 --> 01:24:44,820

it's possible

1739

01:24:50,390 --> 01:24:47,760

you know he was a computer technician or

1740

01:24:53,030 --> 01:24:50,400

whatever he was at Los Alamos he

1741

01:24:56,689 --> 01:24:53,040

he was able to do that and go in and you

1742

01:24:59,630 --> 01:24:56,699

know plug in modem cables and and stuff

1743

01:25:02,149 --> 01:24:59,640

for for different people at Los Alamos

1744

01:25:04,669 --> 01:25:02,159

so he he was there maybe he did the same

1745

01:25:07,970 --> 01:25:04,679

thing in area 51. you know he's plugging

1746

01:25:11,630 --> 01:25:07,980

in modem I don't know I don't know

1747

01:25:14,149 --> 01:25:11,640

I don't know I don't

1748

01:25:18,110 --> 01:25:14,159

and that's where I'm at that's it okay

1749

01:25:21,229 --> 01:25:18,120

let's see here will we get some

1750

01:25:23,689 --> 01:25:21,239

disclosure in 2023 I think we will I

1751

01:25:28,130 --> 01:25:23,699

think that there's something coming

1752

01:25:31,010 --> 01:25:28,140

I really do what is I I do I think 2023

1753

01:25:32,750 --> 01:25:31,020

just feels different to me than uh other

1754

01:25:36,050 --> 01:25:32,760

years

1755

01:25:37,250 --> 01:25:36,060

um and it's been a crazy ride since 2017

1756

01:25:42,110 --> 01:25:37,260

for sure

1757

01:25:44,630 --> 01:25:42,120

um looking at those videos today

1758

01:25:47,450 --> 01:25:44,640

um from NASA

1759

01:25:50,030 --> 01:25:47,460

and and and I was just looking at one

1760

01:25:52,330 --> 01:25:50,040

that this pilot had shot these three

1761

01:25:57,169 --> 01:25:52,340

objects are off in the distance of them

1762

01:25:59,330 --> 01:25:57,179

and and uh NASA apparently debunked it

1763

01:26:01,129 --> 01:25:59,340

it was a flight path of three jets

1764

01:26:04,370 --> 01:26:01,139

flying together I thought they were

1765

01:26:06,110 --> 01:26:04,380

gonna say it was a starlink

1766

01:26:09,649 --> 01:26:06,120

um but uh

1767

01:26:11,390 --> 01:26:09,659

you know but it's the interest

1768

01:26:13,669 --> 01:26:11,400

that is there

1769

01:26:16,010 --> 01:26:13,679

there's a lot of interest and and

1770

01:26:18,530 --> 01:26:16,020

although

1771

01:26:20,629 --> 01:26:18,540

you know today there's a lot of stuff

1772

01:26:25,130 --> 01:26:20,639

out there that's flying around is is it

1773

01:26:25,610 --> 01:26:25,140

all et no it's some of it yes it is

1774

01:26:26,649 --> 01:26:25,620

[Music]

1775

01:26:30,169 --> 01:26:26,659

um

1776

01:26:31,790 --> 01:26:30,179

the interest uh from the world that I

1777

01:26:34,250 --> 01:26:31,800

think that

1778

01:26:35,990 --> 01:26:34,260

um uh you know as Richard Dolan says you

1779

01:26:38,270 --> 01:26:36,000

know you can't put the toothpaste back

1780

01:26:39,950 --> 01:26:38,280

in the tube and you know you can't put

1781

01:26:41,450 --> 01:26:39,960

the genie back in the bottle kind of

1782

01:26:45,890 --> 01:26:41,460

thing and I think that's where we are

1783

01:26:47,590 --> 01:26:45,900

now uh if that's it that's it the door

1784

01:26:51,350 --> 01:26:47,600

is open

1785

01:26:55,790 --> 01:26:51,360

and we're gonna get some answers yeah

1786

01:26:58,189 --> 01:26:55,800

and I think uh 2023 could very well be

1787

01:27:00,610 --> 01:26:58,199

the year what is your favorite ice cream

1788

01:27:04,310 --> 01:27:00,620

flavor hmm

1789

01:27:06,890 --> 01:27:04,320

uh I got a few depends on the mood

1790

01:27:09,709 --> 01:27:06,900

depends on the mood Haagen-Dazs butter

1791

01:27:09,719 --> 01:27:13,970

Ben and Jerry's Peanut Butter Cup

1792

01:27:21,169 --> 01:27:17,950

uh cookies and cream yeah

1793

01:27:22,910 --> 01:27:21,179

Haagen-Dazs coffee coffee ice cream from

1794

01:27:24,709 --> 01:27:22,920

other manufacturers that's not the same

1795

01:27:27,590 --> 01:27:24,719

but Haagen-Dazs coffee just straight

1796

01:27:31,629 --> 01:27:27,600

just straight cotton just man

1797

01:27:36,470 --> 01:27:31,639

oh hard to top so it depends on my mood

1798

01:27:38,870 --> 01:27:36,480

depends depends on my mood sometimes

1799

01:27:41,149 --> 01:27:38,880

I did it not too long ago

1800

01:27:44,330 --> 01:27:41,159

I went to the store

1801
01:27:45,910 --> 01:27:44,340
about chocolate haagenas hagen-dazs

1802
01:27:49,550 --> 01:27:45,920
chocolate Haagen-Dazs vanilla

1803
01:27:52,070 --> 01:27:49,560
Haagen-Dazs strawberry I went and got a

1804
01:27:55,129 --> 01:27:52,080
can of whipped cream I went and got

1805
01:27:57,910 --> 01:27:55,139
chopped nuts I got caramel topping

1806
01:28:02,330 --> 01:27:57,920
strawberry topping and

1807
01:28:05,750 --> 01:28:02,340
uh uh Hershey's Chocolate Syrup topping

1808
01:28:09,770 --> 01:28:05,760
and maracino cherries ay Matos I came

1809
01:28:11,750 --> 01:28:09,780
home and I made a a sundae I was gonna

1810
01:28:14,750 --> 01:28:11,760
do a banana split I didn't do the

1811
01:28:16,790 --> 01:28:14,760
bananas I was gonna go full on and do

1812
01:28:19,189 --> 01:28:16,800
the Banana Split I didn't but some it

1813
01:28:20,810 --> 01:28:19,199

depends on the mood I actually did that

1814

01:28:22,669 --> 01:28:20,820

yeah

1815

01:28:25,250 --> 01:28:22,679

come to my house right now open up the

1816

01:28:27,169 --> 01:28:25,260

refrigerator I will show you the three

1817

01:28:30,050 --> 01:28:27,179

toppings that were purchased two weeks

1818

01:28:32,450 --> 01:28:30,060

ago they're right there in the door and

1819

01:28:34,910 --> 01:28:32,460

man that sounds good after the show

1820

01:28:38,209 --> 01:28:34,920

tonight so there you go all right see

1821

01:28:42,950 --> 01:28:38,219

who's up next here Cynthia Todd uh do

1822

01:28:47,270 --> 01:28:42,960

you have pets cats dog uh not anymore

1823

01:28:52,010 --> 01:28:47,280

I had three dogs uh there are with uh my

1824

01:28:53,930 --> 01:28:52,020

former with Rita and uh uh one has

1825

01:28:56,030 --> 01:28:53,940

passed away Malcolm

1826

01:28:58,790 --> 01:28:56,040

um I'm not too sure what's going on with

1827

01:29:01,129 --> 01:28:58,800

uh Teddy and Luna but

1828

01:29:02,810 --> 01:29:01,139

um I travel too much

1829

01:29:04,729 --> 01:29:02,820

I would love it I was thinking about

1830

01:29:06,590 --> 01:29:04,739

that today man I want a dog I want a dog

1831

01:29:10,189 --> 01:29:06,600

so bad but I can't it would be torture

1832

01:29:14,689 --> 01:29:10,199

because I all I do is travel

1833

01:29:16,189 --> 01:29:14,699

um uh and between now I'm talking like

1834

01:29:20,870 --> 01:29:16,199

today

1835

01:29:23,270 --> 01:29:20,880

and December I have got travel scheduled

1836

01:29:26,290 --> 01:29:23,280

every single month for the rest of the

1837

01:29:30,590 --> 01:29:26,300

year my first month off will be December

1838

01:29:33,050 --> 01:29:30,600

and I I can't leave a dog alone for a

1839

01:29:35,270 --> 01:29:33,060

week at a time I can't

1840

01:29:37,850 --> 01:29:35,280

you can't do it can't I'm not going to

1841

01:29:41,450 --> 01:29:37,860

put the dog in a doggy Hotel not going

1842

01:29:44,689 --> 01:29:41,460

to do that I can have uh my daughter

1843

01:29:48,110 --> 01:29:44,699

come over and house sit uh while I'm

1844

01:29:51,169 --> 01:29:48,120

gone I can do that uh but I don't think

1845

01:29:54,410 --> 01:29:51,179

that's fair to the dog you know

1846

01:29:56,990 --> 01:29:54,420

so I don't know when travel slows down I

1847

01:30:01,610 --> 01:29:57,000

want a dog so bad

1848

01:30:03,890 --> 01:30:01,620

not a cat not a fish not a bird no I

1849

01:30:06,830 --> 01:30:03,900

want a dog

1850

01:30:10,010 --> 01:30:06,840

I don't care if it's a Chihuahua or a

1851
01:30:12,169 --> 01:30:10,020
husky or a Great Dane anything in

1852
01:30:15,709 --> 01:30:12,179
between doesn't matter

1853
01:30:19,490 --> 01:30:15,719
you know and dogs are just the best so I

1854
01:30:22,270 --> 01:30:19,500
don't right now and there are reasons uh

1855
01:30:26,390 --> 01:30:22,280
for that okay let's see

1856
01:30:28,729 --> 01:30:26,400
uh oh oh okay this is from Matt Mayfield

1857
01:30:31,129 --> 01:30:28,739
Matt Jimmy

1858
01:30:34,729 --> 01:30:31,139
what's the one song on guitar that gives

1859
01:30:37,910 --> 01:30:34,739
you fits to play nothing

1860
01:30:42,850 --> 01:30:41,629
what gives me fits I you know it's

1861
01:30:44,649 --> 01:30:42,860
um

1862
01:30:47,930 --> 01:30:44,659
I

1863
01:30:51,770 --> 01:30:47,940

probably for this probably started about

1864

01:30:52,610 --> 01:30:51,780

30 years ago maybe or so

1865

01:30:55,910 --> 01:30:52,620

um

1866

01:30:58,850 --> 01:30:55,920

in the 90s not so much in the 80s I was

1867

01:31:00,770 --> 01:30:58,860

I was in a learning process back then in

1868

01:31:04,430 --> 01:31:00,780

my 20s but

1869

01:31:08,330 --> 01:31:04,440

um if I hear a song

1870

01:31:09,530 --> 01:31:08,340

I I know how it's played

1871

01:31:12,110 --> 01:31:09,540

yeah

1872

01:31:16,550 --> 01:31:12,120

so I I know that sounds strange it

1873

01:31:17,510 --> 01:31:16,560

sounds weird to say but uh

1874

01:31:22,129 --> 01:31:17,520

um

1875

01:31:24,709 --> 01:31:22,139

I I I know how it's played so it's just

1876

01:31:29,270 --> 01:31:24,719

if I it doesn't matter man if it's

1877

01:31:32,510 --> 01:31:29,280

Yngwie Jeff Beck or or country or

1878

01:31:34,970 --> 01:31:32,520

classical or whatever I hear it I know

1879

01:31:37,850 --> 01:31:34,980

how it's played so I just have to just

1880

01:31:42,110 --> 01:31:37,860

sit down and and and figure it out but

1881

01:31:45,890 --> 01:31:42,120

yeah nothing nah nah I can play anything

1882

01:31:47,990 --> 01:31:45,900

I can't I I can literally play

1883

01:31:52,030 --> 01:31:48,000

anything

1884

01:31:55,209 --> 01:31:52,040

so there you go uh what would give me

1885

01:31:58,850 --> 01:31:55,219

uh I guess

1886

01:32:03,410 --> 01:31:58,860

there are some uh

1887

01:32:05,570 --> 01:32:03,420

uh there are some forms of speed metal

1888

01:32:07,790 --> 01:32:05,580

um when I watch those guys I'm I'm

1889

01:32:11,030 --> 01:32:07,800

pretty impressed

1890

01:32:16,070 --> 01:32:11,040

um and and I don't play that style

1891

01:32:16,790 --> 01:32:16,080

um so that you know that might take me a

1892

01:32:22,090 --> 01:32:16,800

minute

1893

01:32:27,830 --> 01:32:22,100

it but uh by the end of the afternoon

1894

01:32:31,370 --> 01:32:27,840

right but yeah and if you go and you

1895

01:32:34,370 --> 01:32:31,380

listen to there are certain things

1896

01:32:36,830 --> 01:32:34,380

um that that does you know gives a lot

1897

01:32:38,990 --> 01:32:36,840

of guitar players fits and you know you

1898

01:32:41,870 --> 01:32:39,000

look at some of the dime bag stuff and

1899

01:32:44,030 --> 01:32:41,880

and some of the Pantera stuff uh Zak

1900

01:32:45,250 --> 01:32:44,040

Wilde and things but

1901

01:32:49,189 --> 01:32:45,260

um it's it's

1902

01:32:51,229 --> 01:32:49,199

once you understand a couple of key

1903

01:32:53,090 --> 01:32:51,239

things

1904

01:32:55,490 --> 01:32:53,100

um uh about the guitar do you figure it

1905

01:32:59,390 --> 01:32:55,500

out that you understand that it applies

1906

01:33:03,189 --> 01:32:59,400

all over and and Things become easier

1907

01:33:05,390 --> 01:33:03,199

for you Paul Gilbert Steve Vai yeah yeah

1908

01:33:09,530 --> 01:33:05,400

histrionics man I mean these guys are

1909

01:33:12,590 --> 01:33:09,540

are really good uh George Lynch

1910

01:33:16,550 --> 01:33:12,600

um uh Paul Gilbert is I mean he's a

1911

01:33:19,610 --> 01:33:16,560

crazy player crazy

1912

01:33:21,770 --> 01:33:19,620

um if you watch Jordan ziff and and

1913

01:33:23,689 --> 01:33:21,780

watching Jordan you know sit here in the

1914

01:33:26,570 --> 01:33:23,699

studio and play

1915

01:33:30,290 --> 01:33:26,580

um he's amazing I mean he's absolutely

1916

01:33:33,950 --> 01:33:30,300

an amazing player and and and and you

1917

01:33:38,209 --> 01:33:33,960

see that but I understand it it's not

1918

01:33:41,570 --> 01:33:38,219

like I step back and go oh man oh geez I

1919

01:33:45,530 --> 01:33:41,580

could not no I can and I do

1920

01:33:48,649 --> 01:33:45,540

um so there you go I think Paul Gilbert

1921

01:33:51,709 --> 01:33:48,659

one uh one last little guitar comment

1922

01:33:53,390 --> 01:33:51,719

then we'll move on I think that uh Paul

1923

01:33:56,390 --> 01:33:53,400

Gilbert

1924

01:33:58,129 --> 01:33:56,400

um does his best

1925

01:33:59,390 --> 01:33:58,139

and I say this with the greatest of

1926

01:34:03,890 --> 01:33:59,400

respect

1927

01:34:07,370 --> 01:34:03,900

he does his best to mess your head up

1928

01:34:11,149 --> 01:34:07,380

he's so good at it man he's got so much

1929

01:34:13,070 --> 01:34:11,159

dexterity in the and he is able to you

1930

01:34:16,610 --> 01:34:13,080

know and and

1931

01:34:19,370 --> 01:34:16,620

where you if he makes it

1932

01:34:22,729 --> 01:34:19,380

nearly impossible

1933

01:34:25,550 --> 01:34:22,739

yeah yeah a lot he's you know Steve I

1934

01:34:28,850 --> 01:34:25,560

not so much and it's Steve I once you're

1935

01:34:32,770 --> 01:34:28,860

in Steve's head you you get it but but

1936

01:34:35,209 --> 01:34:32,780

but Paul Gilbert man he

1937

01:34:36,530 --> 01:34:35,219

can make things really really

1938

01:34:41,209 --> 01:34:36,540

frustrating

1939

01:34:44,030 --> 01:34:41,219

see

1940

01:34:47,930 --> 01:34:44,040

uh also your thoughts on the 29 Palms

1941

01:34:49,189 --> 01:34:47,940

triangle uh well you mean the 29 Palms

1942

01:34:52,010 --> 01:34:49,199

flares

1943

01:34:56,030 --> 01:34:52,020

uh let's be very clear here I've been

1944

01:34:58,610 --> 01:34:56,040

watching the debates and and everything

1945

01:35:02,570 --> 01:34:58,620

um that's not a triangle I don't care

1946

01:35:04,430 --> 01:35:02,580

you know witness testimony and the

1947

01:35:06,290 --> 01:35:04,440

debates and the back and forth and

1948

01:35:10,490 --> 01:35:06,300

everything that's going on

1949

01:35:13,010 --> 01:35:10,500

um I just depend on my eyes that's it

1950

01:35:15,709 --> 01:35:13,020

and especially with something like that

1951

01:35:19,490 --> 01:35:15,719

it's just my eyes and and those are

1952

01:35:23,390 --> 01:35:19,500

flares there's no question about it

1953

01:35:24,050 --> 01:35:23,400

um what uh what I think is frustrating

1954

01:35:28,189 --> 01:35:24,060

um

1955

01:35:30,050 --> 01:35:28,199

for me with with uh the the 29 Palms

1956

01:35:31,790 --> 01:35:30,060

stuff is

1957

01:35:40,310 --> 01:35:31,800

um

1958

01:35:44,990 --> 01:35:40,320

is trying to convince us

1959

01:35:50,570 --> 01:35:48,169

and that's that's not cool

1960

01:35:52,430 --> 01:35:50,580

you know just if you repeat it enough

1961

01:35:55,310 --> 01:35:52,440

and you repeat it enough and you just

1962

01:35:56,870 --> 01:35:55,320

drill down and you drill down that the

1963

01:35:59,090 --> 01:35:56,880

community is going to tap out and go

1964

01:36:00,709 --> 01:35:59,100

okay all right all right all right all

1965

01:36:04,250 --> 01:36:00,719

right all right it's a triangle it's a

1966

01:36:06,590 --> 01:36:04,260

UFO okay it's aliens it's E.T flying

1967

01:36:08,689 --> 01:36:06,600

over 29 Palms okay all right we're done

1968

01:36:13,729 --> 01:36:08,699

we're done that's what he's hoping for

1969

01:36:18,530 --> 01:36:13,739

in this case you know it's it's like all

1970

01:36:24,550 --> 01:36:20,750

you see

1971

01:36:27,709 --> 01:36:24,560

a video of a red car

1972

01:36:30,890 --> 01:36:27,719

right it's a red car

1973

01:36:33,050 --> 01:36:30,900

okay you see the video it's a red car

1974

01:36:36,169 --> 01:36:33,060

you know it's a red car

1975

01:36:37,910 --> 01:36:36,179

and then somebody comes along and says

1976

01:36:40,790 --> 01:36:37,920

no

1977

01:36:44,270 --> 01:36:40,800

it's yellow

1978

01:36:46,490 --> 01:36:44,280

and again not not it's red no it's not

1979

01:36:50,209 --> 01:36:46,500

it's yellow

1980

01:36:53,750 --> 01:36:50,219

now it's red

1981

01:36:55,850 --> 01:36:53,760

no it's yellow you saw you are watching

1982

01:36:59,870 --> 01:36:55,860

watch the video again

1983

01:37:02,510 --> 01:36:59,880

red car it's red no it's yellow

1984

01:37:05,870 --> 01:37:02,520

dude

1985

01:37:07,870 --> 01:37:05,880

it's red no it's yellow

1986

01:37:09,890 --> 01:37:07,880

you watch the video again

1987

01:37:17,649 --> 01:37:09,900

red car

1988

01:37:22,610 --> 01:37:17,659

and and that's where we are at with this

1989

01:37:26,990 --> 01:37:25,490

it's flares

1990

01:37:29,330 --> 01:37:27,000

that's it

1991

01:37:33,410 --> 01:37:29,340

it's it's flares

1992

01:37:35,390 --> 01:37:33,420

but Corbell will not stop

1993

01:37:39,189 --> 01:37:35,400

you're not seeing flares you're seeing

1994

01:37:41,930 --> 01:37:39,199

listen to it and listen to that listen

1995

01:37:43,490 --> 01:37:41,940

okay you know what we're in a circular

1996

01:37:46,250 --> 01:37:43,500

argument here

1997

01:37:48,709 --> 01:37:46,260

it's not going to end the only way that

1998

01:37:49,430 --> 01:37:48,719

this ends is corbel goes okay man all

1999

01:37:53,870 --> 01:37:49,440

right

2000

01:37:55,689 --> 01:37:53,880

okay I was wrong

2001

01:37:59,390 --> 01:37:55,699

sorry about that

2002

01:38:03,530 --> 01:37:59,400

but uh he you know he's gone so far so

2003

01:38:05,270 --> 01:38:03,540

deep into this and his ego and you know

2004

01:38:06,709 --> 01:38:05,280

and I'm not saying that he hasn't

2005

01:38:09,470 --> 01:38:06,719

brought some interesting stuff to the

2006

01:38:14,450 --> 01:38:09,480

table he has but

2007

01:38:18,530 --> 01:38:14,460

um his ego and who he is there's no way

2008

01:38:21,830 --> 01:38:18,540

he's backing off so it's a yellow car to

2009

01:38:23,750 --> 01:38:21,840

him it's a red car to us and that's

2010

01:38:26,209 --> 01:38:23,760

that's it and

2011

01:38:28,370 --> 01:38:26,219

that's it that's where it's at

2012

01:38:35,390 --> 01:38:28,380

it's flares

2013

01:38:37,970 --> 01:38:35,400

all right okay do you think all of the

2014

01:38:41,209 --> 01:38:37,980

do you think all of NASA is in on a

2015

01:38:46,129 --> 01:38:41,219

cover-up no I do not or just a handful

2016

01:38:48,770 --> 01:38:46,139

that are not even on the UAP panel let

2017

01:38:51,530 --> 01:38:48,780

me explain something about NASA NASA's

2018

01:38:53,930 --> 01:38:51,540

gotten a bad rap and and I understand

2019

01:38:56,930 --> 01:38:53,940

and are they part of a cover-up they

2020

01:38:58,790 --> 01:38:56,940

certainly could be and probably are yes

2021

01:39:01,669 --> 01:38:58,800

okay all right

2022

01:39:03,530 --> 01:39:01,679

but that being said

2023

01:39:08,410 --> 01:39:03,540

NASA

2024

01:39:13,310 --> 01:39:08,420

is always in need of more funding

2025

01:39:16,250 --> 01:39:13,320

and nothing would get NASA more funding

2026

01:39:20,149 --> 01:39:16,260

than E.T

2027

01:39:23,810 --> 01:39:20,159

okay you want you want the ultimate

2028

01:39:27,790 --> 01:39:23,820

funding for building cities on Mars

2029

01:39:35,450 --> 01:39:31,450

NASA that's show us that

2030

01:39:40,610 --> 01:39:35,460

man if if if if if

2031

01:39:42,770 --> 01:39:40,620

right now today if if the James Webb

2032

01:39:46,490 --> 01:39:42,780

Space Telescope

2033

01:39:48,890 --> 01:39:46,500

spots a planet 10 light years away

2034

01:39:52,430 --> 01:39:48,900

with lights on it

2035

01:39:54,050 --> 01:39:52,440

right proof it's got everything it's got

2036

01:39:57,530 --> 01:39:54,060

atmosphere it's got lights it's got

2037

01:39:59,629 --> 01:39:57,540

lights there is alien life on that

2038

01:40:00,830 --> 01:39:59,639

planet you know what we start doing

2039

01:40:04,010 --> 01:40:00,840

tomorrow

2040

01:40:06,890 --> 01:40:04,020

building a ship to go there

2041

01:40:10,010 --> 01:40:06,900

and NASA would have all of the the

2042

01:40:14,090 --> 01:40:10,020

entire world would be in everybody

2043

01:40:16,970 --> 01:40:14,100

throwing down money everybody Elon Musk

2044

01:40:19,629 --> 01:40:16,980

Bill Gates anybody that you can think of

2045

01:40:23,689 --> 01:40:19,639

slim what's his name from Mexico

2046

01:40:25,610 --> 01:40:23,699

everybody is throwing in money on this

2047

01:40:30,169 --> 01:40:25,620

we are building a ship and we are going

2048

01:40:31,430 --> 01:40:30,179

to that planet I guarantee tomorrow

2049

01:40:35,030 --> 01:40:31,440

so

2050

01:40:39,470 --> 01:40:35,040

it is in NASA's best interest

2051
01:40:43,129 --> 01:40:39,480
to find evidence of alien life whether

2052
01:40:47,870 --> 01:40:43,139
it's visiting this planet or the James

2053
01:40:54,050 --> 01:40:47,880
Webb Space Telescope or Mars or Europa

2054
01:41:00,410 --> 01:40:57,550
there is that

2055
01:41:05,209 --> 01:41:00,420
NASA wants ET

2056
01:41:08,450 --> 01:41:05,219
NASA needs ET this planet needs E.T

2057
01:41:10,910 --> 01:41:08,460
that's it that that's it

2058
01:41:14,270 --> 01:41:10,920
and and and the rest of the planet is

2059
01:41:17,390 --> 01:41:14,280
ready for it it is an obvious situation

2060
01:41:20,810 --> 01:41:17,400
today NASA had a press conference it

2061
01:41:22,370 --> 01:41:20,820
wasn't what you know and but but then it

2062
01:41:24,590 --> 01:41:22,380
happened

2063
01:41:27,649 --> 01:41:24,600

they had a press conference today about

2064

01:41:30,229 --> 01:41:27,659

unidentified aerial phenomena and what

2065

01:41:33,950 --> 01:41:30,239

was the predominant question that was

2066

01:41:36,890 --> 01:41:33,960

being asked from everybody there

2067

01:41:40,430 --> 01:41:36,900

is it E.T is it E.T what's going on is

2068

01:41:42,890 --> 01:41:40,440

there alien is it ET it is is this E.T

2069

01:41:46,010 --> 01:41:42,900

are you EAP or e-t-e-t that's that's

2070

01:41:49,010 --> 01:41:46,020

that's what that was all about now NASA

2071

01:41:51,950 --> 01:41:49,020

was combating that they couldn't go all

2072

01:41:53,750 --> 01:41:51,960

in and they they were avoiding that all

2073

01:41:56,570 --> 01:41:53,760

right but let me tell you what NASA

2074

01:41:59,209 --> 01:41:56,580

needs NASA needs ET

2075

01:42:03,169 --> 01:41:59,219

NASA needs the James Webb to do it that

2076

01:42:05,090 --> 01:42:03,179

life on Mars life on Europa uh an Alien

2077

01:42:10,250 --> 01:42:05,100

Probe that crashes in somebody's

2078

01:42:14,450 --> 01:42:10,260

backyard whatever it is they need that

2079

01:42:17,350 --> 01:42:14,460

all right they're not that no now are

2080

01:42:20,750 --> 01:42:17,360

they covering up stuff

2081

01:42:24,109 --> 01:42:20,760

uh under the direction of the White

2082

01:42:26,030 --> 01:42:24,119

House or the CIA or the NSA or the

2083

01:42:28,910 --> 01:42:26,040

Department of Defense sure

2084

01:42:30,950 --> 01:42:28,920

sure is there stuff that has been

2085

01:42:33,950 --> 01:42:30,960

captured

2086

01:42:35,450 --> 01:42:33,960

um either uh with astronauts orbiting

2087

01:42:38,510 --> 01:42:35,460

the Earth that International Space

2088

01:42:42,229 --> 01:42:38,520

Station Apollo Mercury Gemini people

2089

01:42:45,350 --> 01:42:42,239

looking out when yes

2090

01:42:47,629 --> 01:42:45,360

have they doctored photos absolutely you

2091

01:42:50,990 --> 01:42:47,639

can see the before and after stuff so

2092

01:42:54,470 --> 01:42:51,000

sure yeah yeah and and they had their

2093

01:42:58,669 --> 01:42:54,480

reasons for it I'm not saying that all

2094

01:43:01,570 --> 01:42:58,679

of that is okay it's certainly not but

2095

01:43:05,390 --> 01:43:01,580

today in today's environment and today's

2096

01:43:08,750 --> 01:43:05,400

funding environment it's a tough world

2097

01:43:12,350 --> 01:43:08,760

out there to get funding and the one

2098

01:43:15,649 --> 01:43:12,360

thing that NASA needs is ET

2099

01:43:18,050 --> 01:43:15,659

all right all right that's why I think

2100

01:43:19,310 --> 01:43:18,060

2023 is going to be a big year what I

2101
01:43:22,129 --> 01:43:19,320
mean if that

2102
01:43:26,149 --> 01:43:22,139
if NASA gets confirmation from the James

2103
01:43:29,209 --> 01:43:26,159
Webb again of a planet with life on it

2104
01:43:31,490 --> 01:43:29,219
that is in our neighborhood five light

2105
01:43:33,470 --> 01:43:31,500
years away ten light years away we are

2106
01:43:35,689 --> 01:43:33,480
building a ship and that ship starts

2107
01:43:38,510 --> 01:43:35,699
getting built tomorrow

2108
01:43:39,890 --> 01:43:38,520
that will be the focus of humanity

2109
01:43:44,209 --> 01:43:39,900
period

2110
01:43:50,030 --> 01:43:47,330
can I be any more clear

2111
01:43:52,010 --> 01:43:50,040
all right let's see here what's next

2112
01:43:54,290 --> 01:43:52,020
here Nemo's

2113
01:43:56,390 --> 01:43:54,300

Odyssey do you think the Alaska pyramid

2114

01:44:05,689 --> 01:43:56,400

and the skin walker Ranch might be

2115

01:44:10,010 --> 01:44:08,450

Bosnia pyramid no

2116

01:44:12,830 --> 01:44:10,020

no it's not a pyramid

2117

01:44:16,010 --> 01:44:12,840

looks cool

2118

01:44:17,750 --> 01:44:16,020

Alaska pyramid

2119

01:44:21,470 --> 01:44:17,760

that looks

2120

01:44:24,770 --> 01:44:21,480

anomalous to me I could be real

2121

01:44:26,629 --> 01:44:24,780

the the pyramid in Antarctica I will

2122

01:44:28,370 --> 01:44:26,639

never forget man I forget that

2123

01:44:29,530 --> 01:44:28,380

documentary what was that documentary

2124

01:44:33,050 --> 01:44:29,540

called

2125

01:44:35,629 --> 01:44:33,060

uh uh give me my plane what was it

2126

01:44:38,149 --> 01:44:35,639

called anyway it doesn't matter uh

2127

01:44:40,129 --> 01:44:38,159

documentary series came out last year

2128

01:44:44,209 --> 01:44:40,139

and they're down in Alaska this

2129

01:44:48,530 --> 01:44:44,219

Mountaineer ow uh give me my plane F-16

2130

01:44:51,770 --> 01:44:48,540

what was it uh anyway

2131

01:44:53,810 --> 01:44:51,780

go watch the documentary so the kid well

2132

01:44:58,010 --> 01:44:53,820

he's not a kid anymore he's an adult and

2133

01:45:00,649 --> 01:44:58,020

and the millionaire uh he's uh he's uh a

2134

01:45:02,330 --> 01:45:00,659

tour guide for mountains right and so

2135

01:45:05,390 --> 01:45:02,340

the two of them they want to go on this

2136

01:45:06,770 --> 01:45:05,400

mountain in Antarctica and they do it so

2137

01:45:09,790 --> 01:45:06,780

they're going across the top of the

2138

01:45:12,649 --> 01:45:09,800

mountain in 4k beautiful high definition

2139

01:45:15,470 --> 01:45:12,659

video it's just incredible man and

2140

01:45:20,330 --> 01:45:15,480

they're going across and for one instant

2141

01:45:21,290 --> 01:45:20,340

I could not believe it the camera pans

2142

01:45:24,830 --> 01:45:21,300

out

2143

01:45:27,530 --> 01:45:24,840

back and forth on this one shot and

2144

01:45:31,550 --> 01:45:27,540

there it is the freaking Antarctica

2145

01:45:34,790 --> 01:45:31,560

pyramid man right there and I gotta tell

2146

01:45:37,629 --> 01:45:34,800

you I stopped that I froze it I backed

2147

01:45:41,990 --> 01:45:37,639

it up and I looked at it again that is

2148

01:45:43,129 --> 01:45:42,000

every much of a pyramid as anything in

2149

01:45:45,430 --> 01:45:43,139

Egypt

2150

01:45:47,930 --> 01:45:45,440

is perfect

2151
01:45:50,629 --> 01:45:47,940
and there it is in high def nobody

2152
01:45:53,570 --> 01:45:50,639
caught it I talked about it on this show

2153
01:45:56,090 --> 01:45:53,580
man uh where is my plane

2154
01:45:58,729 --> 01:45:56,100
what is that video that documentary

2155
01:46:01,669 --> 01:45:58,739
series called somebody pop it up in in

2156
01:46:05,270 --> 01:46:01,679
the chat Dude where's my plane whatever

2157
01:46:07,729 --> 01:46:05,280
it is and and in in like the last

2158
01:46:10,010 --> 01:46:07,739
episode or the middle of I don't know

2159
01:46:14,030 --> 01:46:10,020
how many parts it is maybe it's six

2160
01:46:16,669 --> 01:46:14,040
maybe it's three but uh that scene

2161
01:46:19,010 --> 01:46:16,679
man that is worth all the money that is

2162
01:46:21,649 --> 01:46:19,020
the money shot man it just pans there it

2163
01:46:23,030 --> 01:46:21,659

is that is a pyramid

2164

01:46:26,330 --> 01:46:23,040

so

2165

01:46:29,570 --> 01:46:26,340

um yeah I think that there are more

2166

01:46:32,090 --> 01:46:29,580

pyramids to be discovered on this planet

2167

01:46:33,290 --> 01:46:32,100

yeah I think they are connected and I

2168

01:46:36,430 --> 01:46:33,300

think they're older

2169

01:46:39,709 --> 01:46:36,440

old old old

2170

01:46:42,950 --> 01:46:39,719

for a pyramid to be in Alaska for a

2171

01:46:45,410 --> 01:46:42,960

pyramid to be in Antarctica

2172

01:46:49,129 --> 01:46:45,420

how old is it

2173

01:46:53,570 --> 01:46:49,139

it's old old millions of years

2174

01:46:56,830 --> 01:46:53,580

so uh that's a great question and yes

2175

01:47:02,030 --> 01:46:59,570

man I'm still bummed about that I'm

2176

01:47:05,450 --> 01:47:02,040

still above did you think

2177

01:47:07,669 --> 01:47:05,460

um at the end uh

2178

01:47:10,910 --> 01:47:07,679

man I don't want to give it away can can

2179

01:47:13,189 --> 01:47:10,920

has everybody seen it already

2180

01:47:15,649 --> 01:47:13,199

did you think Kendall Roy was going to

2181

01:47:18,229 --> 01:47:15,659

off himself

2182

01:47:20,870 --> 01:47:18,239

I'm just saying there so he's got his

2183

01:47:23,570 --> 01:47:20,880

dad's security guard right his dad's

2184

01:47:25,850 --> 01:47:23,580

best friend is walking a few Paces

2185

01:47:28,490 --> 01:47:25,860

behind him and they're somewhere in in

2186

01:47:29,689 --> 01:47:28,500

New York and they're walking towards I

2187

01:47:31,070 --> 01:47:29,699

thought he was gonna

2188

01:47:33,709 --> 01:47:31,080

dude

2189

01:47:35,330 --> 01:47:33,719

I was like he's gonna jump off the

2190

01:47:37,129 --> 01:47:35,340

George Washington Bridge he's going to

2191

01:47:39,830 --> 01:47:37,139

jump off the Brooklyn Bridge watch this

2192

01:47:43,070 --> 01:47:39,840

this is this is where this is going just

2193

01:47:45,530 --> 01:47:43,080

for an instant I I thought that why is

2194

01:47:48,590 --> 01:47:45,540

The Bodyguard walking behind him like

2195

01:47:50,649 --> 01:47:48,600

that but anyway

2196

01:47:52,990 --> 01:47:50,659

not going to give anything away

2197

01:47:55,810 --> 01:47:53,000

all right

2198

01:47:59,930 --> 01:47:55,820

let's see here

2199

01:48:02,149 --> 01:47:59,940

Alexander Ben Cannon says

2200

01:48:04,310 --> 01:48:02,159

did you think that the slide with the

2201

01:48:06,830 --> 01:48:04,320

data that Kirkpatrick showed was

2202

01:48:09,470 --> 01:48:06,840

interesting like I did

2203

01:48:12,470 --> 01:48:09,480

it was the same one from last month

2204

01:48:15,169 --> 01:48:12,480

where there was 600 okay okay now over

2205

01:48:18,169 --> 01:48:15,179

800 yes

2206

01:48:20,270 --> 01:48:18,179

um and then okay so

2207

01:48:23,649 --> 01:48:20,280

um I thought that was a very interesting

2208

01:48:26,990 --> 01:48:23,659

part of of today's conference because

2209

01:48:28,910 --> 01:48:27,000

this point that Kirkpatrick brought up

2210

01:48:31,010 --> 01:48:28,920

was also brought up in a couple of

2211

01:48:32,410 --> 01:48:31,020

questions and and it was followed up

2212

01:48:38,149 --> 01:48:32,420

with later

2213

01:48:42,470 --> 01:48:38,159

and uh which is he said that they are

2214

01:48:49,250 --> 01:48:46,370

eight hundred cases

2215

01:48:50,330 --> 01:48:49,260

and he said that I'm paraphrasing that

2216

01:48:53,330 --> 01:48:50,340

most

2217

01:48:58,490 --> 01:48:53,340

um can be explained he said but

2218

01:49:01,189 --> 01:48:58,500

I think he said a few or many a few

2219

01:49:05,270 --> 01:49:01,199

are truly anomalous

2220

01:49:15,350 --> 01:49:08,090

what

2221

01:49:18,229 --> 01:49:15,360

now they're um so yes I found that

2222

01:49:21,350 --> 01:49:18,239

completely compelling

2223

01:49:23,570 --> 01:49:21,360

all right we can't lose sight of of that

2224

01:49:27,470 --> 01:49:23,580

statement or the data points in that

2225

01:49:30,229 --> 01:49:27,480

slide and cannot 800 is a big number

2226

01:49:32,209 --> 01:49:30,239

um last month it was 400

2227

01:49:34,250 --> 01:49:32,219

um you know the month before you know

2228

01:49:37,609 --> 01:49:34,260

this number is just getting bigger and

2229

01:49:38,689 --> 01:49:37,619

bigger and bigger so but but that being

2230

01:49:41,450 --> 01:49:38,699

said

2231

01:49:42,830 --> 01:49:41,460

the other point today and this was

2232

01:49:47,390 --> 01:49:42,840

coming from

2233

01:49:50,470 --> 01:49:47,400

um uh Evans and others on this team

2234

01:50:00,169 --> 01:49:57,770

some of this needs NASA's input

2235

01:50:03,109 --> 01:50:00,179

now what does that mean

2236

01:50:05,090 --> 01:50:03,119

uh there was a talk today about

2237

01:50:07,729 --> 01:50:05,100

satellite collection

2238

01:50:09,050 --> 01:50:07,739

satellite sensor data satellite

2239

01:50:11,810 --> 01:50:09,060

resolution

2240

01:50:12,709 --> 01:50:11,820

there's that

2241

01:50:14,930 --> 01:50:12,719

um

2242

01:50:17,390 --> 01:50:14,940

NASA's

2243

01:50:21,530 --> 01:50:17,400

knowledge of

2244

01:50:23,930 --> 01:50:21,540

not only the obvious things you know

2245

01:50:26,290 --> 01:50:23,940

about space and planets and orbits and

2246

01:50:29,570 --> 01:50:26,300

and and and whatnot in the James Webb

2247

01:50:32,990 --> 01:50:29,580

but NASA also

2248

01:50:35,510 --> 01:50:33,000

is looking all the time and collecting

2249

01:50:38,990 --> 01:50:35,520

data and we also have the ISS and

2250

01:50:41,270 --> 01:50:39,000

there's many NASA satellites down the

2251
01:50:44,330 --> 01:50:41,280
street from my house NASA's got this

2252
01:50:45,770 --> 01:50:44,340
giant complex and NASA's got complexes

2253
01:50:47,930 --> 01:50:45,780
all over the country you've got Southern

2254
01:50:49,669 --> 01:50:47,940
Houston and Huntsville and Florida and

2255
01:50:52,010 --> 01:50:49,679
out here

2256
01:50:56,930 --> 01:50:52,020
um on the west coast but but right down

2257
01:50:58,970 --> 01:50:56,940
the street and and so you can drive by

2258
01:51:00,649 --> 01:50:58,980
the NASA complex out there and there's

2259
01:51:02,090 --> 01:51:00,659
always stuff going on

2260
01:51:04,250 --> 01:51:02,100
always

2261
01:51:04,990 --> 01:51:04,260
and

2262
01:51:10,129 --> 01:51:05,000
um

2263
01:51:13,430 --> 01:51:10,139

what there it's not just right it's not

2264

01:51:19,189 --> 01:51:13,440

just the ISS it's not just this and NASA

2265

01:51:21,109 --> 01:51:19,199

has a lot of things going on with

2266

01:51:24,470 --> 01:51:21,119

things beyond our atmosphere in space

2267

01:51:28,090 --> 01:51:24,480

they also design planes

2268

01:51:32,450 --> 01:51:28,100

okay all right okay so that being said

2269

01:51:34,330 --> 01:51:32,460

for this point to be brought up a few

2270

01:51:37,790 --> 01:51:34,340

times today in this press conference

2271

01:51:40,669 --> 01:51:37,800

that Arrow

2272

01:51:43,070 --> 01:51:40,679

takes it so far but then they have to

2273

01:51:47,209 --> 01:51:43,080

stop and then they that you know what

2274

01:51:48,470 --> 01:51:47,219

this is a NASA issue what

2275

01:51:52,790 --> 01:51:48,480

right

2276

01:51:55,490 --> 01:51:52,800

and so when we're talking about the you

2277

01:51:56,930 --> 01:51:55,500

know the the repeating of it's the data

2278

01:52:00,050 --> 01:51:56,940

it's the data it's the collection of the

2279

01:52:03,109 --> 01:52:00,060

data and historically speaking we have

2280

01:52:07,250 --> 01:52:03,119

uh photographs and we have witnesses

2281

01:52:10,310 --> 01:52:07,260

that have died and and you know poor

2282

01:52:13,669 --> 01:52:10,320

data collection so historically when the

2283

01:52:16,250 --> 01:52:13,679

farther back we go the worse the data is

2284

01:52:18,649 --> 01:52:16,260

and there's not uh anything for us to

2285

01:52:21,169 --> 01:52:18,659

sink our teeth into I respect that I

2286

01:52:23,390 --> 01:52:21,179

understand that today we have sensor

2287

01:52:26,209 --> 01:52:23,400

data going off everywhere not only with

2288

01:52:28,189 --> 01:52:26,219

aircraft but ground-based radar and we

2289

01:52:31,149 --> 01:52:28,199

have satellites we have stuff that is

2290

01:52:33,970 --> 01:52:31,159

out in deep space we have stuff that's

2291

01:52:37,729 --> 01:52:33,980

interplanetary now okay we do we

2292

01:52:39,729 --> 01:52:37,739

literally got stuff driving around right

2293

01:52:42,890 --> 01:52:39,739

now on the surface of Mars we have some

2294

01:52:46,070 --> 01:52:42,900

flying through the atmosphere of Mars

2295

01:52:49,129 --> 01:52:46,080

right now so we have a data collection

2296

01:52:51,770 --> 01:52:49,139

going on all over the place that type of

2297

01:52:54,050 --> 01:52:51,780

collection when we're looking at

2298

01:52:56,689 --> 01:52:54,060

something that we can't explain that's

2299

01:52:58,310 --> 01:52:56,699

in our atmosphere that may have entered

2300

01:53:00,550 --> 01:52:58,320

from space

2301

01:53:04,250 --> 01:53:00,560

that's a NASA issue

2302

01:53:07,189 --> 01:53:04,260

and again it goes back to my point

2303

01:53:10,250 --> 01:53:07,199

um NASA really needs ET

2304

01:53:11,750 --> 01:53:10,260

don't think that they're oh no

2305

01:53:16,689 --> 01:53:11,760

oh no

2306

01:53:20,330 --> 01:53:16,699

the in today's funding environment

2307

01:53:23,390 --> 01:53:20,340

uh it's tough It's competitive

2308

01:53:25,970 --> 01:53:23,400

E.T would solve all the budget issues

2309

01:53:28,609 --> 01:53:25,980

that NASA could ever have

2310

01:53:32,209 --> 01:53:28,619

so this this point was brought up over

2311

01:53:34,490 --> 01:53:32,219

and over again today and Kirkpatrick

2312

01:53:35,930 --> 01:53:34,500

with that number

2313

01:53:40,010 --> 01:53:35,940

um

2314

01:53:42,590 --> 01:53:40,020

wow incredible just incredible so 2023

2315

01:53:44,570 --> 01:53:42,600

may be the year let's see what's up next

2316

01:53:48,290 --> 01:53:44,580

a garage he says

2317

01:53:50,390 --> 01:53:48,300

so I how do so many recording artists

2318

01:53:53,050 --> 01:53:50,400

wind up being In Perpetual depth to

2319

01:53:59,270 --> 01:53:53,060

their labels and managers

2320

01:54:03,050 --> 01:54:00,890

man

2321

01:54:07,070 --> 01:54:03,060

the street record companies

2322

01:54:12,169 --> 01:54:07,080

uh uh that's it's the mob

2323

01:54:13,550 --> 01:54:12,179

you are imagine getting a loan

2324

01:54:18,830 --> 01:54:13,560

okay

2325

01:54:27,590 --> 01:54:20,450

that's right

2326
01:54:29,390 --> 01:54:27,600
historically speaking today you've got a

2327
01:54:31,550 --> 01:54:29,400
little bit more control you're not

2328
01:54:34,430 --> 01:54:31,560
necessarily signing with a label but

2329
01:54:39,550 --> 01:54:34,440
okay so let's back up so let's say you

2330
01:54:43,910 --> 01:54:39,560
sign a record deal and let's say you get

2331
01:54:46,729 --> 01:54:43,920
a five hundred thousand dollar advance

2332
01:54:48,709 --> 01:54:46,739
okay so out of that five that's a lot of

2333
01:54:52,430 --> 01:54:48,719
money half a million dollars right okay

2334
01:54:54,350 --> 01:54:52,440
so out of that money that's coming in

2335
01:54:58,550 --> 01:54:54,360
first off

2336
01:55:00,709 --> 01:54:58,560
the record company gets that money back

2337
01:55:03,350 --> 01:55:00,719
it's not free money there's no free

2338
01:55:04,850 --> 01:55:03,360

money involved not only do they get that

2339

01:55:06,649 --> 01:55:04,860

money back but they get it back with

2340

01:55:08,990 --> 01:55:06,659

interest and not only do they get it

2341

01:55:10,850 --> 01:55:09,000

back with interest but they get it back

2342

01:55:14,390 --> 01:55:10,860

first

2343

01:55:17,149 --> 01:55:14,400

before you make a dime they're getting

2344

01:55:21,169 --> 01:55:17,159

all that back and then some and then out

2345

01:55:23,870 --> 01:55:21,179

of that 500 Grand that that check that

2346

01:55:25,850 --> 01:55:23,880

comes out immediately off the top your

2347

01:55:28,669 --> 01:55:25,860

manager gets a piece your attorney gets

2348

01:55:31,250 --> 01:55:28,679

a piece your agent gets a piece right I

2349

01:55:32,930 --> 01:55:31,260

mean out of the out of the gate so then

2350

01:55:34,189 --> 01:55:32,940

there's only so much money left after

2351

01:55:36,350 --> 01:55:34,199

that and we're talking about five

2352

01:55:39,709 --> 01:55:36,360

percent here ten percent there ten

2353

01:55:42,290 --> 01:55:39,719

percent here out of that 500. so

2354

01:55:44,330 --> 01:55:42,300

um uh your your agent is getting 10

2355

01:55:46,390 --> 01:55:44,340

percent nine percent eight percent your

2356

01:55:50,450 --> 01:55:46,400

your lawyers getting 10

2357

01:55:53,810 --> 01:55:50,460

out of 500 Grand right so there's 50 000

2358

01:55:55,850 --> 01:55:53,820

there fifty thousand there ten thousand

2359

01:55:58,370 --> 01:55:55,860

there fifty thousand and then what's

2360

01:56:00,709 --> 01:55:58,380

left suddenly you're looking at oh wait

2361

01:56:03,470 --> 01:56:00,719

a minute there's only 400 grand left

2362

01:56:05,209 --> 01:56:03,480

well uh your producer your producer is

2363

01:56:07,430 --> 01:56:05,219

going to get 100 Grand to make this

2364

01:56:11,149 --> 01:56:07,440

record he's gonna take that off now you

2365

01:56:13,729 --> 01:56:11,159

got 300 grand left wait a minute uh

2366

01:56:15,290 --> 01:56:13,739

we got to pay for studio time okay all

2367

01:56:17,510 --> 01:56:15,300

right there's another hundred grand you

2368

01:56:20,149 --> 01:56:17,520

gotta buy some instruments rent some

2369

01:56:22,090 --> 01:56:20,159

gear all right you got you've got to eat

2370

01:56:24,709 --> 01:56:22,100

you got to do it

2371

01:56:26,390 --> 01:56:24,719

what about tour support what about going

2372

01:56:29,750 --> 01:56:26,400

over there the next thing you know that

2373

01:56:32,030 --> 01:56:29,760

500 Grand is gone

2374

01:56:34,669 --> 01:56:32,040

wait a minute

2375

01:56:37,970 --> 01:56:34,679

the band's got to live we've got four

2376

01:56:42,530 --> 01:56:37,980

Dudes in the band okay all right well uh

2377

01:56:44,990 --> 01:56:42,540

you know out of that 500 Grand probably

2378

01:56:48,050 --> 01:56:45,000

each band member is going to see five or

2379

01:56:49,970 --> 01:56:48,060

ten thousand dollars each to live on for

2380

01:56:53,810 --> 01:56:49,980

the next two years while that record

2381

01:56:56,870 --> 01:56:53,820

gets made or a year that's a fact

2382

01:56:59,870 --> 01:56:56,880

it's a fact now

2383

01:57:01,550 --> 01:56:59,880

that album's gotta sell

2384

01:57:04,490 --> 01:57:01,560

It's gotta sell

2385

01:57:07,970 --> 01:57:04,500

it's got to sell and so the album sells

2386

01:57:11,450 --> 01:57:07,980

let's say it goes gold let's say it

2387

01:57:14,930 --> 01:57:11,460

sells 500 000 copies all right

2388

01:57:18,530 --> 01:57:14,940

before you get any money back

2389

01:57:20,750 --> 01:57:18,540

that 500 000 which is actually a million

2390

01:57:23,629 --> 01:57:20,760

dollars that you owe the record company

2391

01:57:25,430 --> 01:57:23,639

like I said it's like a 90 loan some say

2392

01:57:30,410 --> 01:57:25,440

it's thirty percent some say it's fifty

2393

01:57:32,510 --> 01:57:30,420

percent okay whatever it is 750 000

2394

01:57:35,990 --> 01:57:32,520

has got to get paid back to the record

2395

01:57:39,350 --> 01:57:36,000

company which is going to take a couple

2396

01:57:42,589 --> 01:57:39,360

of years so before you get any money

2397

01:57:45,589 --> 01:57:42,599

back the record company is going to get

2398

01:57:47,149 --> 01:57:45,599

their money first and out of the

2399

01:57:48,709 --> 01:57:47,159

royalties and everything else that's

2400

01:57:51,470 --> 01:57:48,719

coming back guess who else is making

2401
01:57:54,709 --> 01:57:51,480
money before you do your manager your

2402
01:57:57,410 --> 01:57:54,719
agent and your attorney

2403
01:58:01,729 --> 01:57:57,420
they're all making money and you you

2404
01:58:03,709 --> 01:58:01,739
made the record you're out there too

2405
01:58:05,930 --> 01:58:03,719
and you're broke

2406
01:58:09,709 --> 01:58:05,940
you're broke you're broke and you're in

2407
01:58:13,250 --> 01:58:09,719
debt so that's it it's just like all of

2408
01:58:15,649 --> 01:58:13,260
them the the metallicas of the world the

2409
01:58:17,209 --> 01:58:15,659
Van Halen's of the world the Bruce

2410
01:58:20,750 --> 01:58:17,219
springsteins of the world the Eagles

2411
01:58:24,970 --> 01:58:20,760
that's rare that's rarified air the Katy

2412
01:58:28,370 --> 01:58:24,980
Perry's that's rarified air that's like

2413
01:58:31,870 --> 01:58:28,380

one hundredth of a percent of the music

2414

01:58:35,030 --> 01:58:31,880

industry the everybody else

2415

01:58:37,310 --> 01:58:35,040

it's a crime of passion it's it's tough

2416

01:58:39,589 --> 01:58:37,320

It's brutal and with that that's going

2417

01:58:42,649 --> 01:58:39,599

to end it man lots of quite I'm I'm

2418

01:58:44,510 --> 01:58:42,659

going to look I understand there are

2419

01:58:47,089 --> 01:58:44,520

literally hundreds of questions here

2420

01:58:49,609 --> 01:58:47,099

that I didn't get to tonight

2421

01:58:51,830 --> 01:58:49,619

um but uh we'll do it again maybe uh

2422

01:58:53,810 --> 01:58:51,840

we'll do an AMA I don't know next week's

2423

01:58:55,310 --> 01:58:53,820

already booked up uh but maybe we'll do

2424

01:58:58,250 --> 01:58:55,320

another one in a couple of weeks and

2425

01:59:00,589 --> 01:58:58,260

I'll get more stuff done but uh there

2426

01:59:02,990 --> 01:59:00,599

you go great great AMA tonight thank you

2427

01:59:04,490 --> 01:59:03,000

everybody for hanging out and uh let's

2428

01:59:06,550 --> 01:59:04,500

see what have we got going on tomorrow

2429

01:59:11,149 --> 01:59:06,560

night tomorrow night I'm Fade to Black

2430

01:59:14,450 --> 01:59:11,159

is Max Hawthorne tomorrow we're gonna be

2431

01:59:18,050 --> 01:59:14,460

talking about sharks mega sharks and

2432

01:59:20,689 --> 01:59:18,060

megalodon all of that and much more

2433

01:59:22,669 --> 01:59:20,699

tomorrow night on Fade to Black and I'll

2434

01:59:26,149 --> 01:59:22,679

see everybody tomorrow have a great safe

2435

01:59:28,370 --> 01:59:26,159

rest of your evening Fade to Black is

2436

01:59:30,950 --> 01:59:28,380

produced by Hilton J Palm Renee Newman

2437

01:59:31,729 --> 01:59:30,960

and Michelle free thanks to Dennis and

2438

01:59:33,950 --> 01:59:31,739

Kevin

2439

01:59:35,530 --> 01:59:33,960

webmaster through the geek music Doug

2440

01:59:37,550 --> 01:59:35,540

Albert's intro spaceboy

2441

01:59:39,290 --> 01:59:37,560

spaceboymusic.com Fade to Black it was

2442

01:59:41,330 --> 01:59:39,300

produced by kjcr for the game changer

2443

01:59:44,209 --> 01:59:41,340

Network who's broadcast is own and

2444

01:59:46,250 --> 01:59:44,219

copyrighted 2023 by Fade to Black and

2445

01:59:48,229 --> 01:59:46,260

The Game Changer networking it cannot be

2446

01:59:49,970 --> 01:59:48,239

rebroadcast downloaded copied or use

2447

01:59:51,770 --> 01:59:49,980

anywhere in the known universe without

2448

01:59:53,750 --> 01:59:51,780

written permission from Fade to Black or

2449

01:59:56,209 --> 01:59:53,760

the game changer network and to know

2450

01:59:59,149 --> 01:59:56,219

until tomorrow night with Max Hawthorne

2451

02:00:04,670 --> 01:59:59,159

I'm Yours Jimmy Church
