

# FADE TO BLACK

with **JIMMY CHURCH**  
**PRESENTS**

# BREAKING NEWS

Wed May 31, 2023 **LIVE**

1  
00:00:36,110 --> 00:00:22,550

[Music]

2  
00:00:42,970 --> 00:00:38,870

good afternoon Fade to Black breaking

3  
00:00:46,310 --> 00:00:42,980

news for this Wednesday May 31st 2023

4  
00:00:48,170 --> 00:00:46,320

this is all of the news that you need

5  
00:00:49,910 --> 00:00:48,180

I'm Jimmy Church

6  
00:00:50,889 --> 00:00:49,920

let's get straight to it on this day in

7  
00:00:54,830 --> 00:00:50,899

history

8  
00:00:59,029 --> 00:00:54,840

2005. it was publicly revealed that

9  
00:01:02,029 --> 00:00:59,039

former FBI official Mark felt was Deep

10  
00:01:03,709 --> 00:01:02,039

Throat the anonymous informant at the

11  
00:01:05,270 --> 00:01:03,719

center of the Watergate scandal that

12  
00:01:07,789 --> 00:01:05,280

involved you as president Richard

13  
00:01:11,750 --> 00:01:07,799

## Nixon's Administration

14

00:01:13,210 --> 00:01:11,760  
on this day in 2005. here's your fader

15

00:01:16,670 --> 00:01:13,220  
fact today

16

00:01:23,050 --> 00:01:16,680  
according to a recent study

17

00:01:27,170 --> 00:01:23,060  
about 11 of Americans believes that HTML

18

00:01:32,929 --> 00:01:27,180  
is a sexually transmitted disease

19

00:01:35,390 --> 00:01:32,939  
and that is your fader fact all right

20

00:01:37,850 --> 00:01:35,400  
let's get to the breaking news on

21

00:01:41,149 --> 00:01:37,860  
everybody's mind today

22

00:01:43,969 --> 00:01:41,159  
NASA just held and concluded its first

23

00:01:48,830 --> 00:01:43,979  
public meeting to discuss the findings

24

00:01:51,010 --> 00:01:48,840  
of its UAP independent study team the

25

00:01:55,130 --> 00:01:51,020  
group that was formed back in June of

26

00:01:58,249 --> 00:01:55,140

2022 aims to examine data related to

27

00:02:01,130 --> 00:01:58,259

unidentified anomalous phenomena or UAP

28

00:02:04,969 --> 00:02:01,140

a new term for incidents in the sky

29

00:02:08,270 --> 00:02:04,979

underwater or in space that can't be

30

00:02:10,729 --> 00:02:08,280

immediately identified the group

31

00:02:13,309 --> 00:02:10,739

includes former astronaut Scott Kelly

32

00:02:15,850 --> 00:02:13,319

and 15 other investigators from a wide

33

00:02:20,089 --> 00:02:15,860

variety of fields including astronomy

34

00:02:23,990 --> 00:02:20,099

oceanography and even journalism Scott

35

00:02:28,250 --> 00:02:24,000

Kelly stated publicly today on NASA TV

36

00:02:31,490 --> 00:02:28,260

and I quote in my 20 years as a NASA

37

00:02:35,809 --> 00:02:31,500

astronaut there were never any formal

38

00:02:38,270 --> 00:02:35,819

discussions of UFOs end quote that was

39

00:02:39,670 --> 00:02:38,280

pretty shocking and I'm not sure believe

40

00:02:44,210 --> 00:02:39,680

it but

41

00:02:47,509 --> 00:02:44,220

arrows Sean Kirkpatrick just stated a

42

00:02:50,750 --> 00:02:47,519

few minutes ago quote we are currently

43

00:02:54,830 --> 00:02:50,760

investigating over 800 cases a few of

44

00:02:58,130 --> 00:02:54,840

those are truly anomalous end quote

45

00:03:00,970 --> 00:02:58,140

in in the last closing statements right

46

00:03:05,990 --> 00:03:00,980

before the news today

47

00:03:09,830 --> 00:03:06,000

uh NASA clearly wants to State there is

48

00:03:13,610 --> 00:03:09,840

no ET connection with any of their

49

00:03:17,229 --> 00:03:13,620

findings nothing extraterrestrial but

50

00:03:20,149 --> 00:03:17,239

they are keeping an open mind

51  
00:03:23,330 --> 00:03:20,159  
very very interesting we've got lots to

52  
00:03:25,750 --> 00:03:23,340  
digest here and I'll have more on this

53  
00:03:29,270 --> 00:03:25,760  
tomorrow

54  
00:03:33,229 --> 00:03:29,280  
brain chip firm says it has received

55  
00:03:34,369 --> 00:03:33,239  
approval from the FDA to conduct its

56  
00:03:38,390 --> 00:03:34,379  
first test

57  
00:03:42,470 --> 00:03:38,400  
on humans the neuralink implant company

58  
00:03:44,930 --> 00:03:42,480  
wants to link brains to computers it

59  
00:03:48,050 --> 00:03:44,940  
says it does not have immediate plans to

60  
00:03:51,410 --> 00:03:48,060  
start any recruiting of participants but

61  
00:03:54,770 --> 00:03:51,420  
the FDA said it acknowledged neuralink's

62  
00:03:57,830 --> 00:03:54,780  
announcement an earlier bid by neural

63  
00:04:00,229 --> 00:03:57,840

link to an FDA approval was rejected on

64

00:04:03,350 --> 00:04:00,239

safety grounds according to multiple and

65

00:04:06,530 --> 00:04:03,360

current former employees but neurolink

66

00:04:12,229 --> 00:04:06,540

has promised more information soon on

67

00:04:18,770 --> 00:04:14,890

I ain't gonna do it

68

00:04:23,270 --> 00:04:18,780

researchers have recorded the sounds of

69

00:04:26,870 --> 00:04:23,280

the world's largest tree a 13 million

70

00:04:31,430 --> 00:04:26,880

pound BMF known as Pando that stretches

71

00:04:33,230 --> 00:04:31,440

across 106 acres in southern Utah the

72

00:04:35,210 --> 00:04:33,240

researchers think that listening to the

73

00:04:37,610 --> 00:04:35,220

recordings could give them a better

74

00:04:40,490 --> 00:04:37,620

understanding of the sprawling Aspen's

75

00:04:43,790 --> 00:04:40,500

health and how it may communicate and

76  
00:04:47,090 --> 00:04:43,800  
speak to the untrained eye Pando

77  
00:04:50,870 --> 00:04:47,100  
resembles a forest made up of quaking

78  
00:04:54,770 --> 00:04:50,880  
aspen trees however it's actually a

79  
00:04:58,010 --> 00:04:54,780  
single clone comprising approximately 40

80  
00:05:01,249 --> 00:04:58,020  
000 genetically identical trunks that

81  
00:05:04,010 --> 00:05:01,259  
are interconnected by a complex root

82  
00:05:06,110 --> 00:05:04,020  
system the researchers are hopeful that

83  
00:05:08,749 --> 00:05:06,120  
getting a clearer image of what's

84  
00:05:10,850 --> 00:05:08,759  
rumbling beneath the surface could help

85  
00:05:13,670 --> 00:05:10,860  
scientists gain a better understanding

86  
00:05:14,469 --> 00:05:13,680  
of Pando which is considered one of the

87  
00:05:17,270 --> 00:05:14,479  
largest

88  
00:05:20,450 --> 00:05:17,280

organisms in the world

89

00:05:24,170 --> 00:05:20,460

and it's incredible all right

90

00:05:27,170 --> 00:05:24,180

a team of researchers Excavating Mass

91

00:05:30,050 --> 00:05:27,180

burial sites in England have detected

92

00:05:33,409 --> 00:05:30,060

the DNA of the bacteria that caused the

93

00:05:35,990 --> 00:05:33,419

plague in human skeletal remains and

94

00:05:39,950 --> 00:05:36,000

they are the oldest known cases of the

95

00:05:41,990 --> 00:05:39,960

disease in Great Britain the cases date

96

00:05:43,550 --> 00:05:42,000

back 4

97

00:05:46,070 --> 00:05:43,560

000 years according to the paper

98

00:05:49,850 --> 00:05:46,080

published yesterday in the journal

99

00:05:53,090 --> 00:05:49,860

Nature Communications the bacterial DNA

100

00:05:55,370 --> 00:05:53,100

is thousands of years more ancient than

101  
00:05:58,070 --> 00:05:55,380  
the oldest strain uncovered prior to

102  
00:06:01,670 --> 00:05:58,080  
this latest finding that strain

103  
00:06:04,390 --> 00:06:01,680  
identified in 2018 at a burial site

104  
00:06:09,469 --> 00:06:04,400  
known as edicts Hill in Cambridgeshire

105  
00:06:12,170 --> 00:06:09,479  
was only 1500 years old

106  
00:06:15,409 --> 00:06:12,180  
man I just see another pandemic coming I

107  
00:06:16,909 --> 00:06:15,419  
just see it I I see the leak from a

108  
00:06:20,270 --> 00:06:16,919  
laboratory

109  
00:06:24,650 --> 00:06:20,280  
earlier today the launch of North

110  
00:06:28,790 --> 00:06:24,660  
Korea's first spy satellite no wasn't

111  
00:06:33,050 --> 00:06:28,800  
successful the dprk attempted to launch

112  
00:06:37,010 --> 00:06:33,060  
the nation's first spy satellite at 6 37

113  
00:06:40,490 --> 00:06:37,020

a.m local time from the sohei satellite

114

00:06:43,189 --> 00:06:40,500

launching ground but the cholima one

115

00:06:46,909 --> 00:06:43,199

rocket carrying North Korea's malling

116

00:06:49,550 --> 00:06:46,919

gong one satellite crashed into the sea

117

00:06:51,950 --> 00:06:49,560

west of the Korean Peninsula after a

118

00:06:55,129 --> 00:06:51,960

propulsion failure during stage

119

00:06:58,309 --> 00:06:55,139

separation North Korean State media said

120

00:07:02,930 --> 00:06:58,319

the nation will attempt a second launch

121

00:07:05,990 --> 00:07:02,940

when it's ready South Korea went out and

122

00:07:08,749 --> 00:07:06,000

salvaged the entire rocket from its

123

00:07:12,409 --> 00:07:08,759

crash site and is now studying the

124

00:07:15,710 --> 00:07:12,419

satellite and its technology

125

00:07:16,790 --> 00:07:15,720

yeah and finally I'm going to leave you

126  
00:07:23,150 --> 00:07:16,800  
with this

127  
00:07:28,430 --> 00:07:23,160  
Al Pacino is 83. and his girlfriend Nora

128  
00:07:32,210 --> 00:07:28,440  
alfala is 29 and they are now expecting

129  
00:07:34,070 --> 00:07:32,220  
their first child the baby news comes

130  
00:07:38,409 --> 00:07:34,080  
less than a month after Pacino's

131  
00:07:42,670 --> 00:07:38,419  
longtime friend Robert De Niro who is 79

132  
00:07:46,430 --> 00:07:42,680  
announced the birth of his seventh child

133  
00:07:48,409 --> 00:07:46,440  
now Al has three children he's got a 33

134  
00:07:52,370 --> 00:07:48,419  
year old daughter Julie Marie with

135  
00:07:56,510 --> 00:07:52,380  
acting coach Jan Tarrant and a 22 year

136  
00:07:58,790 --> 00:07:56,520  
old twins Anton and Olivia with actor

137  
00:08:01,189 --> 00:07:58,800  
Beverly D'Angelo

138  
00:08:03,050 --> 00:08:01,199

and there you go there's all the Fade to

139

00:08:07,430 --> 00:08:03,060

Black breaking news that you need for

140

00:08:09,650 --> 00:08:07,440

this Wednesday May 31st 2023 they did

141

00:08:13,129 --> 00:08:09,660

Black breaking news is produced by Renee

142

00:08:17,440 --> 00:08:13,139

Newman I'm Jimmy Church go back Lee
