

# FADE TO BLACK

with JIMMY CHURCH

**PRESENTS**

**DAVID BRODY**

**KNIGHTS TEMPLAR IN N. AMERICA**

**MON JUNE 05 2023 LIVE**

**700-900PM PT**

1  
00:00:07,560 --> 00:00:11,980  
foreign

2  
00:00:11,990 --> 00:00:29,470  
[Music]

3  
00:00:34,310 --> 00:00:32,089  
Air Forces has announced that a flying

4  
00:00:36,889 --> 00:00:34,320  
disc has been found and is now in the

5  
00:00:40,310 --> 00:00:36,899  
possession of the army

6  
00:00:47,450 --> 00:00:43,670  
I occasionally think how quickly our

7  
00:00:50,090 --> 00:00:47,460  
differences worldwide would vanish if we

8  
00:00:51,080 --> 00:00:50,100  
were facing an alien threat from outside

9  
00:00:52,860 --> 00:00:51,090  
this work

10  
00:00:53,070 --> 00:00:52,870  
[Music]

11  
00:00:55,490 --> 00:00:53,080  
[Applause]

12  
00:00:58,310 --> 00:00:55,500  
[Music]

13  
00:01:01,189 --> 00:00:58,320

this is Fade to Black with your host

14  
00:01:01,840 --> 00:01:01,199  
Jimmy Church on the game changer Radio

15  
00:01:05,509 --> 00:01:01,850  
Network

16  
00:01:08,810 --> 00:01:05,519  
[Music]

17  
00:01:12,170 --> 00:01:08,820  
good evening Fade to Black today is

18  
00:01:13,010 --> 00:01:12,180  
Monday June 5th 2023 I'm Yours Jimmy

19  
00:01:15,230 --> 00:01:13,020  
Church

20  
00:01:16,609 --> 00:01:15,240  
tonight's guest David Brody is with us

21  
00:01:20,510 --> 00:01:16,619  
we're going to be talking about the nice

22  
00:01:22,490 --> 00:01:20,520  
Templar in America and not only that

23  
00:01:26,570 --> 00:01:22,500  
we're going to talk about romerica right

24  
00:01:28,730 --> 00:01:26,580  
and Atlantis as well and uh we're going

25  
00:01:32,749 --> 00:01:28,740  
to discuss his new book uh one nation

26  
00:01:35,090 --> 00:01:32,759  
under John Templars and John the Baptist

27  
00:01:37,130 --> 00:01:35,100  
all that and much more

28  
00:01:39,830 --> 00:01:37,140  
um his books his website and everything

29  
00:01:43,789 --> 00:01:39,840  
are in the links below over on our

30  
00:01:47,630 --> 00:01:43,799  
social media and on our website and on a

31  
00:01:50,950 --> 00:01:47,640  
very exciting news day I realize what is

32  
00:01:53,990 --> 00:01:50,960  
going on out there in the world and

33  
00:01:57,109 --> 00:01:54,000  
disclosure and UFOs uh tonight we're

34  
00:02:00,770 --> 00:01:57,119  
going to be discussing uh the Knights

35  
00:02:03,770 --> 00:02:00,780  
Templar and A Strange Day for Dave Brody

36  
00:02:06,889 --> 00:02:03,780  
but I'm going to bring him in because uh

37  
00:02:08,570 --> 00:02:06,899  
Dave uh you just never know what uh what

38  
00:02:10,070 --> 00:02:08,580

the day is going to bring you but before

39

00:02:12,410 --> 00:02:10,080

we get started

40

00:02:14,930 --> 00:02:12,420

let's do the First Time guest disclaimer

41

00:02:16,250 --> 00:02:14,940

uh which is Dave it's just you and I

42

00:02:18,530 --> 00:02:16,260

sitting on my couch having a

43

00:02:20,270 --> 00:02:18,540

conversation as friends and where that

44

00:02:21,589 --> 00:02:20,280

conversation starts and starts where it

45

00:02:24,530 --> 00:02:21,599

ends and ends but we're gonna end his

46

00:02:27,949 --> 00:02:24,540

friends there you go all right you ready

47

00:02:30,229 --> 00:02:27,959

ready to go no I I know you've uh

48

00:02:33,470 --> 00:02:30,239

listened to the show uh for many years

49

00:02:36,170 --> 00:02:33,480

and I was looking at some of the notes

50

00:02:38,990 --> 00:02:36,180

um and I really appreciate

51  
00:02:40,850 --> 00:02:39,000  
um uh how do I say this an intellectual

52  
00:02:43,250 --> 00:02:40,860  
an author a researcher like yourself

53  
00:02:46,610 --> 00:02:43,260  
that is out there collecting information

54  
00:02:48,170 --> 00:02:46,620  
from everywhere and you've listened to

55  
00:02:49,910 --> 00:02:48,180  
fade to black over the years and have

56  
00:02:51,770 --> 00:02:49,920  
been inspired to do a few things and I

57  
00:02:53,990 --> 00:02:51,780  
want to thank you for that and and

58  
00:02:58,070 --> 00:02:54,000  
acknowledging that that is very very

59  
00:03:00,650 --> 00:02:58,080  
cool and then wow thank you well and

60  
00:03:05,990 --> 00:03:03,170  
you know I cover everything here ghosts

61  
00:03:10,190 --> 00:03:06,000  
Bigfoot ancient Egypt Knights Templar

62  
00:03:13,790 --> 00:03:10,200  
UFOs and one of the craziest now there's

63  
00:03:15,890 --> 00:03:13,800

a strange tie-in between today's news

64

00:03:17,690 --> 00:03:15,900

and this show tonight

65

00:03:22,910 --> 00:03:17,700

and it's this

66

00:03:27,470 --> 00:03:22,920

what would be a bigger news story for

67

00:03:31,190 --> 00:03:27,480

Humanity the discovery of uh our ancient

68

00:03:34,130 --> 00:03:31,200

past and misinformation that has been

69

00:03:37,009 --> 00:03:34,140

presented to us right like the Knights

70

00:03:39,830 --> 00:03:37,019

Templar or America or who is here first

71

00:03:42,970 --> 00:03:39,840

or ancient Egypt who built the Pyramid

72

00:03:46,070 --> 00:03:42,980

stuff like that or

73

00:03:48,589 --> 00:03:46,080

UFOs are and and ET is visiting this

74

00:03:50,869 --> 00:03:48,599

planet and our government is known you

75

00:03:54,589 --> 00:03:50,879

know that would be bigger yeah for sure

76

00:03:57,289 --> 00:03:54,599

you think so oh yeah I mean that's

77

00:03:59,089 --> 00:03:57,299

that's off the chart as far as that kind

78

00:04:01,190 --> 00:03:59,099

of news if you can prove that that's

79

00:04:02,750 --> 00:04:01,200

just I mean that's every every

80

00:04:05,390 --> 00:04:02,760

six-year-old looking up at the stars

81

00:04:06,949 --> 00:04:05,400

wondering that that's so much bigger but

82

00:04:08,990 --> 00:04:06,959

not that we've proved it yet but if you

83

00:04:12,410 --> 00:04:09,000

could prove it I think that's bigger

84

00:04:14,929 --> 00:04:12,420

than the pyramids or finding the Ark of

85

00:04:17,750 --> 00:04:14,939

the Covenant or whatever that would be

86

00:04:20,810 --> 00:04:17,760

huge right you know I kind of

87

00:04:24,189 --> 00:04:20,820

um yeah okay if if you want to put it

88

00:04:27,350 --> 00:04:24,199

that way I can't argue that I I can't

89

00:04:30,530 --> 00:04:27,360

that's not really up for debate but I

90

00:04:35,210 --> 00:04:30,540

think they're kind of equal you know

91

00:04:38,390 --> 00:04:35,220

um if if you really think about it

92

00:04:40,850 --> 00:04:38,400

um the the mysteries of the pyramids or

93

00:04:46,129 --> 00:04:40,860

another civilization before modern

94

00:04:48,950 --> 00:04:46,139

humans or Atlantis you know and if

95

00:04:50,990 --> 00:04:48,960

something like that came to light

96

00:04:52,969 --> 00:04:51,000

right the Knights Templar brought the

97

00:04:58,870 --> 00:04:52,979

Ark of the Covenant to North America in

98

00:05:02,570 --> 00:04:58,880

1100. that'd be some pretty oh man

99

00:05:06,110 --> 00:05:02,580

sure yeah that'd be some pretty big news

100

00:05:08,570 --> 00:05:06,120

or E.T I don't know I don't know and it

101  
00:05:10,370 --> 00:05:08,580

I feel that

102  
00:05:13,010 --> 00:05:10,380

um and you've been writing and and

103  
00:05:16,430 --> 00:05:13,020

researching this for a very long time I

104  
00:05:18,350 --> 00:05:16,440

feel like the world is at the point of

105  
00:05:21,230 --> 00:05:18,360

saying okay enough is enough there's

106  
00:05:25,490 --> 00:05:21,240

been a lot of BS going on we're pretty

107  
00:05:27,529 --> 00:05:25,500

smart here can we start to get the truth

108  
00:05:30,590 --> 00:05:27,539

do you think that the world is is like

109  
00:05:33,770 --> 00:05:30,600

pushing for that now and is is less

110  
00:05:36,170 --> 00:05:33,780

concerned about just moving along the

111  
00:05:38,870 --> 00:05:36,180

status quo yeah no I do so I've been

112  
00:05:40,909 --> 00:05:38,880

doing this for maybe 15 years and I've

113  
00:05:42,890 --> 00:05:40,919

seen when I first started talking about

114

00:05:45,950 --> 00:05:42,900

uh you know Columbus didn't discover

115

00:05:47,870 --> 00:05:45,960

America they were people here before him

116

00:05:49,370 --> 00:05:47,880

like the Knights Templar people would

117

00:05:51,710 --> 00:05:49,380

look at me like I had two heads or

118

00:05:54,110 --> 00:05:51,720

something and now I say that and people

119

00:05:55,310 --> 00:05:54,120

just nod back at me and so I think in

120

00:05:58,850 --> 00:05:55,320

the past

121

00:06:01,070 --> 00:05:58,860

10 15 years has been a lot of TV shows

122

00:06:03,230 --> 00:06:01,080

documentaries Scott Walters America on

123

00:06:06,529 --> 00:06:03,240

Earth show people like yourself doing

124

00:06:10,189 --> 00:06:06,539

shows and slowly that ocean liner is

125

00:06:12,050 --> 00:06:10,199

turning the idea we all grew up on 1492

126

00:06:14,150 --> 00:06:12,060

Columbus sailed the ocean blue we all

127

00:06:16,370 --> 00:06:14,160

learned that in second grade right that

128

00:06:17,689 --> 00:06:16,380

took us a while just like it took us a

129

00:06:19,010 --> 00:06:17,699

while to realize that there was no

130

00:06:21,650 --> 00:06:19,020

Easter Bunny and there was no Santa

131

00:06:22,969 --> 00:06:21,660

Claus and the whole Columbus thing when

132

00:06:25,490 --> 00:06:22,979

we were in second grade we had to get

133

00:06:28,010 --> 00:06:25,500

past that right so what do you mean no

134

00:06:30,370 --> 00:06:28,020

easy no sorry I'm sorry I apologize to

135

00:06:32,510 --> 00:06:30,380

all your listeners as well your viewers

136

00:06:33,710 --> 00:06:32,520

it took a while to get past that and

137

00:06:34,969 --> 00:06:33,720

then and then at certain point people

138

00:06:37,070 --> 00:06:34,979

said you know what

139

00:06:38,689 --> 00:06:37,080

Aid is a lot of evidence and for me it's

140

00:06:40,189 --> 00:06:38,699

all about the evidence I'm a lawyer by

141

00:06:41,809 --> 00:06:40,199

training so that's how I'm trained and

142

00:06:43,790 --> 00:06:41,819

that's how I look at things so there's

143

00:06:46,969 --> 00:06:43,800

evidence and then B it's just common

144

00:06:49,730 --> 00:06:46,979

sense like no one has a problem with the

145

00:06:52,010 --> 00:06:49,740

idea that ancient peoples cross the

146

00:06:54,529 --> 00:06:52,020

Pacific Ocean and came across and

147

00:06:56,210 --> 00:06:54,539

settled in South America Millennia ago

148

00:06:58,070 --> 00:06:56,220

no one has a problem with that but God

149

00:07:00,350 --> 00:06:58,080

forbid anyone went across the Atlantic

150

00:07:01,610 --> 00:07:00,360

before Columbus no no no they're going

151

00:07:02,809 --> 00:07:01,620

to fall off the end of the Earth or the

152

00:07:04,610 --> 00:07:02,819

sea monsters are going to eat them or

153

00:07:07,790 --> 00:07:04,620

something it's like it's so weird how

154

00:07:09,650 --> 00:07:07,800

that ocean even though it's smaller than

155

00:07:11,450 --> 00:07:09,660

the Pacific we can't cross the Atlantic

156

00:07:13,909 --> 00:07:11,460

and people start to look back and say

157

00:07:17,390 --> 00:07:13,919

wait a second that makes no sense and so

158

00:07:18,950 --> 00:07:17,400

evidence common sense and slowly we're

159

00:07:21,350 --> 00:07:18,960

turning the ocean liner and people are

160

00:07:23,629 --> 00:07:21,360

starting to say yeah okay well by the

161

00:07:26,689 --> 00:07:23,639

way we know the Norse were here in the

162

00:07:28,430 --> 00:07:26,699

early 11th century why wouldn't other

163

00:07:31,730 --> 00:07:28,440

people have come over after them and

164

00:07:34,129 --> 00:07:31,740

before Columbus it was a 500 year Gap to

165

00:07:37,129 --> 00:07:34,139

me Jimmy the surprising thing would have

166

00:07:38,990 --> 00:07:37,139

been the Norse came and then nobody came

167

00:07:40,490 --> 00:07:39,000

for 500 years that would be surprising

168

00:07:42,230 --> 00:07:40,500

yeah it's not surprising that somebody

169

00:07:43,969 --> 00:07:42,240

came in between there they knew how to

170

00:07:44,870 --> 00:07:43,979

get here already there were good reasons

171

00:07:47,110 --> 00:07:44,880

to come

172

00:07:50,270 --> 00:07:47,120

you you you you you you

173

00:07:52,550 --> 00:07:50,280

posit such an interesting point which is

174

00:07:55,309 --> 00:07:52,560

this today

175

00:07:57,129 --> 00:07:55,319

people don't buy the Columbus story at

176

00:08:02,150 --> 00:07:57,139

all right

177

00:08:05,270 --> 00:08:02,160

yes it took a little bit but now it's

178

00:08:07,490 --> 00:08:05,280

like uh Columbus is so passe right late

179

00:08:09,589 --> 00:08:07,500

to the party I would say Columbus sure

180

00:08:10,969 --> 00:08:09,599

he you know he didn't even arrive to

181

00:08:13,550 --> 00:08:10,979

North America it was Central America but

182

00:08:15,830 --> 00:08:13,560

he was late to the party he was just one

183

00:08:17,930 --> 00:08:15,840

of many who would come over over the

184

00:08:20,089 --> 00:08:17,940

Millennia the centuries the starting

185

00:08:24,050 --> 00:08:20,099

with the ancient Phoenicians

186

00:08:26,390 --> 00:08:24,060

the Celts the north the Templar so many

187

00:08:28,490 --> 00:08:26,400

people back and forth keeping it secret

188

00:08:29,990 --> 00:08:28,500

because that's what you did if you had

189

00:08:31,490 --> 00:08:30,000

an economic Advantage you didn't tell

190

00:08:33,889 --> 00:08:31,500

people about it your favorite fishing

191

00:08:36,829 --> 00:08:33,899

hole whatever it was you kept it quiet

192

00:08:38,750 --> 00:08:36,839

but again people people back then were

193

00:08:40,670 --> 00:08:38,760

smarter than we give them credit for the

194

00:08:42,889 --> 00:08:40,680

ancient Phoenicians they knew they could

195

00:08:45,590 --> 00:08:42,899

navigate with the Stars they had boats

196

00:08:47,329 --> 00:08:45,600

way bigger than Columbus had they were

197

00:08:50,210 --> 00:08:47,339

the Merchant Marine of the ancient world

198

00:08:52,070 --> 00:08:50,220

they were circumnavigating Africa they

199

00:08:54,410 --> 00:08:52,080

were going as far as Iceland we know all

200

00:08:57,430 --> 00:08:54,420

that to be true why not take the next

201  
00:09:00,050 --> 00:08:57,440  
step an island hop one more step across

202  
00:09:02,389 --> 00:09:00,060  
Greenland and then New Finland and then

203  
00:09:04,490 --> 00:09:02,399  
down the coast I mean it just it's the

204  
00:09:06,350 --> 00:09:04,500  
human we all watched Star Trek when we

205  
00:09:08,810 --> 00:09:06,360  
were kids right to seek out new life and

206  
00:09:11,449 --> 00:09:08,820  
new civilization to boldly go where no

207  
00:09:13,130 --> 00:09:11,459  
one has gone before so it's all it's a

208  
00:09:15,530 --> 00:09:13,140  
Human Condition it's not surprising that

209  
00:09:17,090 --> 00:09:15,540  
the ancient people would have either

210  
00:09:19,430 --> 00:09:17,100  
done this on purpose or maybe just got

211  
00:09:21,949 --> 00:09:19,440  
blown off course you know that could

212  
00:09:24,350 --> 00:09:21,959  
have happened too but the idea that the

213  
00:09:26,389 --> 00:09:24,360

Atlantic Ocean is just a giant barrier

214

00:09:28,370 --> 00:09:26,399

that nobody could have crossed it in

215

00:09:30,889 --> 00:09:28,380

ancient times it just never made sense

216

00:09:32,269 --> 00:09:30,899

to me even as a little kid and you start

217

00:09:33,949 --> 00:09:32,279

looking at the evidence and seeing the

218

00:09:36,170 --> 00:09:33,959

artifacts

219

00:09:39,290 --> 00:09:36,180

um you know just like you said I think I

220

00:09:41,690 --> 00:09:39,300

think that belief of Columbus being the

221

00:09:44,870 --> 00:09:41,700

first that's passe now we're past that

222

00:09:48,170 --> 00:09:44,880

finally but it took a while you remember

223

00:09:51,350 --> 00:09:48,180

um uh I think it was around 1970 71 72

224

00:09:54,350 --> 00:09:51,360

went Thor higher doll uh sailed the

225

00:09:56,509 --> 00:09:54,360

contiki two right a Papyrus Reed boat

226

00:10:00,530 --> 00:09:56,519

designed

227

00:10:02,810 --> 00:10:00,540

um uh off of Egyptian ideas right so

228

00:10:05,389 --> 00:10:02,820

that thing from The Straits of Gibraltar

229

00:10:07,610 --> 00:10:05,399

right and got that thing to the

230

00:10:10,670 --> 00:10:07,620

Caribbean now it came in a little

231

00:10:12,590 --> 00:10:10,680

sideways right yeah yeah keeping a

232

00:10:15,530 --> 00:10:12,600

little sideways and it was a it was a

233

00:10:18,410 --> 00:10:15,540

harsh Journey uh but they made it in

234

00:10:21,070 --> 00:10:18,420

with the boat design that was like 3 000

235

00:10:25,130 --> 00:10:21,080

years old right and then just last year

236

00:10:27,470 --> 00:10:25,140

uh a Phoenician ship they designed uh in

237

00:10:30,170 --> 00:10:27,480

in the like you said 3000 years old went

238

00:10:31,070 --> 00:10:30,180

from Tunisia to Fort Lauderdale and

239

00:10:32,930 --> 00:10:31,080

Florida

240

00:10:35,690 --> 00:10:32,940

same thing to recreate that and then

241

00:10:38,389 --> 00:10:35,700

back in the 70s a guy named Tim Severin

242

00:10:41,269 --> 00:10:38,399

an Irish Explorer sailed from the coast

243

00:10:44,269 --> 00:10:41,279

of the western coast of Ireland on a

244

00:10:45,829 --> 00:10:44,279

leather boat a leather boat to

245

00:10:47,389 --> 00:10:45,839

Newfoundland to show that the Irish

246

00:10:49,069 --> 00:10:47,399

threatening the navigator that whole

247

00:10:50,990 --> 00:10:49,079

thing that could have happened as well

248

00:10:52,130 --> 00:10:51,000

so all these guys keep showing us it

249

00:10:54,829 --> 00:10:52,140

could have happened

250

00:10:56,870 --> 00:10:54,839

you know did it probably but at least it

251  
00:11:02,389 --> 00:10:56,880  
could have yeah yeah for sure for sure

252  
00:11:05,990 --> 00:11:02,399  
now how far back uh do you push the

253  
00:11:08,870 --> 00:11:06,000  
dates uh for for this

254  
00:11:12,290 --> 00:11:08,880  
um I know Scott has and others too as

255  
00:11:15,110 --> 00:11:12,300  
well I have have pushed dates around

256  
00:11:19,970 --> 00:11:15,120  
everywhere from around here zero to

257  
00:11:23,150 --> 00:11:19,980  
around 1000 A.D to have that type of uh

258  
00:11:25,790 --> 00:11:23,160  
uh transoceanic traffic pretty not

259  
00:11:28,009 --> 00:11:25,800  
commonplace it was still difficult but

260  
00:11:30,290 --> 00:11:28,019  
it was happening and it was happening a

261  
00:11:31,970 --> 00:11:30,300  
lot do you I think I think the

262  
00:11:33,710 --> 00:11:31,980  
Phoenicians so if you look at the

263  
00:11:37,130 --> 00:11:33,720

Phoenicians

264

00:11:39,050 --> 00:11:37,140

um ballpark a thousand BC so three

265

00:11:43,490 --> 00:11:39,060

thousand years ago it would have

266

00:11:45,769 --> 00:11:43,500

coincided with the need for uh copper to

267

00:11:48,889 --> 00:11:45,779

fuel the Bronze Age you know and to make

268

00:11:51,050 --> 00:11:48,899

bronze you need ten seven or eight

269

00:11:53,449 --> 00:11:51,060

percent and a lot of ten up in Southern

270

00:11:56,509 --> 00:11:53,459

England Cornwall okay that's taken care

271

00:11:58,970 --> 00:11:56,519

of all that copper 92 percent copper

272

00:12:01,370 --> 00:11:58,980

some copper in Cyprus some in Africa but

273

00:12:04,970 --> 00:12:01,380

not nearly enough for the incredible

274

00:12:07,550 --> 00:12:04,980

demand for a weaponry and artifacts and

275

00:12:11,030 --> 00:12:07,560

tools and decorative items so much

276

00:12:13,610 --> 00:12:11,040

bronze and the Native Americans tell us

277

00:12:15,889 --> 00:12:13,620

in the Great Lakes region that the

278

00:12:17,569 --> 00:12:15,899

ancient peoples came over to take their

279

00:12:19,490 --> 00:12:17,579

copper that's one of the first things

280

00:12:21,530 --> 00:12:19,500

they said to the to the Pioneers when

281

00:12:23,630 --> 00:12:21,540

they came out to the Lake Michigan Lake

282

00:12:25,550 --> 00:12:23,640

Superior area oh you're you know people

283

00:12:28,069 --> 00:12:25,560

who look like you came many many

284

00:12:30,230 --> 00:12:28,079

generations ago to take our copper and

285

00:12:33,050 --> 00:12:30,240

there's a fascinating shipwreck off the

286

00:12:35,750 --> 00:12:33,060

coast of uh turkey called the ulubru

287

00:12:38,329 --> 00:12:35,760

Shipwreck where they found ingots copper

288

00:12:40,870 --> 00:12:38,339

ingots and the copper

289

00:12:43,970 --> 00:12:40,880

um sort of the fingerprint of the copper

290

00:12:46,009 --> 00:12:43,980

matches the purity of the copper matches

291

00:12:47,629 --> 00:12:46,019

that which we have in the Great Lakes

292

00:12:49,430 --> 00:12:47,639

region and only in the Great Lakes

293

00:12:51,590 --> 00:12:49,440

region so that looks like that copper

294

00:12:53,329 --> 00:12:51,600

would have come from Lake Superior so

295

00:12:55,670 --> 00:12:53,339

there's lots of evidence about the

296

00:12:56,930 --> 00:12:55,680

Phoenicians uh again as I mentioned

297

00:12:59,569 --> 00:12:56,940

earlier they had ships bigger than

298

00:13:03,230 --> 00:12:59,579

Columbus they navigated By Night by the

299

00:13:06,230 --> 00:13:03,240

stars at night they had a real economic

300

00:13:07,490 --> 00:13:06,240

uh imperative to try to find Copper and

301

00:13:10,009 --> 00:13:07,500

we know the copper was in the Great

302

00:13:11,470 --> 00:13:10,019

Lakes there's a fascinating site in

303

00:13:14,629 --> 00:13:11,480

Southern New Hampshire called America

304

00:13:16,790 --> 00:13:14,639

Stonehenge lots of evidence that that

305

00:13:18,290 --> 00:13:16,800

was built by the Phoenicians a sort of a

306

00:13:20,389 --> 00:13:18,300

stopover Point here in New England

307

00:13:22,910 --> 00:13:20,399

before Market working their way out to

308

00:13:24,949 --> 00:13:22,920

the the Great Lakes region and lots of

309

00:13:27,470 --> 00:13:24,959

evidence scientific evidence that's been

310

00:13:29,389 --> 00:13:27,480

done up there points to a time period

311

00:13:31,550 --> 00:13:29,399

about 3000 years ago for the

312

00:13:34,310 --> 00:13:31,560

construction of that site

313

00:13:35,810 --> 00:13:34,320

so to me that that's that's the first

314

00:13:37,190 --> 00:13:35,820

group that's the first group that I

315

00:13:39,889 --> 00:13:37,200

think we can point to that would have

316

00:13:44,210 --> 00:13:39,899

crossed over I wanted to uh I have to

317

00:13:47,750 --> 00:13:44,220

get this in uh my moderator uh bill

318

00:13:50,290 --> 00:13:47,760

um one wants to know if you hang out at

319

00:13:53,449 --> 00:13:50,300

his favorite restaurant called The Grog

320

00:13:54,670 --> 00:13:53,459

oh oh my gosh we're going tomorrow night

321

00:13:57,949 --> 00:13:54,680

as a matter of fact

322

00:14:01,910 --> 00:13:57,959

love the Grog oh my gosh yeah yeah

323

00:14:05,329 --> 00:14:01,920

Massachusetts yeah he says uh it's a fun

324

00:14:06,949 --> 00:14:05,339

joint it's got great food and it's a lot

325

00:14:08,509 --> 00:14:06,959

of fun both

326

00:14:10,310 --> 00:14:08,519

two things going forward the one thing

327

00:14:11,810 --> 00:14:10,320

it doesn't have going for it was it

328

00:14:13,550 --> 00:14:11,820

didn't have outdoor dining because

329

00:14:16,069 --> 00:14:13,560

there's no outdoor space so during the

330

00:14:17,810 --> 00:14:16,079

pandemic there were you know it was it

331

00:14:19,430 --> 00:14:17,820

was I'm glad to see that held on because

332

00:14:20,690 --> 00:14:19,440

a lot of restaurants didn't make it if

333

00:14:22,490 --> 00:14:20,700

you didn't have outdoor space but

334

00:14:24,650 --> 00:14:22,500

they're up and running again and it's a

335

00:14:27,650 --> 00:14:24,660

great place yeah

336

00:14:29,150 --> 00:14:27,660

yeah bill bill bill seems to have been

337

00:14:30,949 --> 00:14:29,160

everywhere

338

00:14:32,569 --> 00:14:30,959

and it's just so funny I asked David if

339

00:14:35,090 --> 00:14:32,579

he's been to my favorite restaurant in

340

00:14:36,850 --> 00:14:35,100

his new in his hometown of uh Newberry

341

00:14:40,129 --> 00:14:36,860

Port

342

00:14:41,870 --> 00:14:40,139

and uh as it turns out okay I think the

343

00:14:43,430 --> 00:14:41,880

Phoenicians I think the Phoenicians were

344

00:14:44,509 --> 00:14:43,440

when they came over here that's one of

345

00:14:46,490 --> 00:14:44,519

the reasons they came is they were

346

00:14:48,889 --> 00:14:46,500

looking for good good food and they came

347

00:14:51,170 --> 00:14:48,899

to the Grog and I band and everything so

348

00:14:54,530 --> 00:14:51,180

that was there right right right well

349

00:14:57,050 --> 00:14:54,540

see here's um uh when we talk about the

350

00:14:59,150 --> 00:14:57,060

Phoenicians the Phoenicians had zero

351

00:15:02,689 --> 00:14:59,160

fear of the water

352

00:15:04,610 --> 00:15:02,699

okay and they uh they got all the trade

353

00:15:06,290 --> 00:15:04,620

routes they had all of the coastal

354

00:15:08,389 --> 00:15:06,300

cities

355

00:15:11,629 --> 00:15:08,399

um and ports and the Mediterranean on

356

00:15:14,090 --> 00:15:11,639

total lockdown right they they figured

357

00:15:16,129 --> 00:15:14,100

it out and the Straits of Gibraltar you

358

00:15:19,009 --> 00:15:16,139

know and heading out past Morocco and

359

00:15:22,790 --> 00:15:19,019

Spain and out into the Atlantic I think

360

00:15:25,610 --> 00:15:22,800

it's a very very easy thing to assume

361

00:15:27,889 --> 00:15:25,620

um the Mediterranean kind of big

362

00:15:29,990 --> 00:15:27,899

but really not if you think about it

363

00:15:32,990 --> 00:15:30,000

you're going to wear it out after a

364

00:15:36,050 --> 00:15:33,000

certain point and you've got to you know

365

00:15:37,910 --> 00:15:36,060

what I mean expand your horizons and I

366

00:15:40,310 --> 00:15:37,920

don't think it's uh that big of a leap

367

00:15:43,430 --> 00:15:40,320

to to think that the Phoenicians could

368

00:15:46,189 --> 00:15:43,440

have headed out uh through uh Gibraltar

369

00:15:48,110 --> 00:15:46,199

and just kept on going

370

00:15:49,790 --> 00:15:48,120

the mainstream historians recognize the

371

00:15:50,870 --> 00:15:49,800

Phoenicians went at least as far as

372

00:15:53,569 --> 00:15:50,880

Iceland

373

00:15:55,370 --> 00:15:53,579

there's there's they called it tool they

374

00:15:56,930 --> 00:15:55,380

were definitely in England I should say

375

00:16:00,170 --> 00:15:56,940

probably as far as Iceland definitely

376

00:16:01,730 --> 00:16:00,180

Inc to England to trade for tin so they

377

00:16:03,829 --> 00:16:01,740

were they had to go up through the

378

00:16:05,750 --> 00:16:03,839

Atlantic to get that far there's no

379

00:16:07,189 --> 00:16:05,760

doubt they were in the Atlantic and now

380

00:16:09,410 --> 00:16:07,199

again the question is do you want to

381

00:16:10,970 --> 00:16:09,420

keep going and keep looking or do we

382

00:16:12,949 --> 00:16:10,980

turn around and at some point you just

383

00:16:14,870 --> 00:16:12,959

keep going that's just as I said earlier

384

00:16:16,850 --> 00:16:14,880

that's a human condition if you're an

385

00:16:18,470 --> 00:16:16,860

Explorer and there's Economic

386

00:16:20,090 --> 00:16:18,480

Opportunity you're going to go looking

387

00:16:22,610 --> 00:16:20,100

for it and then once you get to the

388

00:16:25,069 --> 00:16:22,620

shores of America you know the Land of

389

00:16:26,990 --> 00:16:25,079

Plenty there's lots of Economic

390

00:16:29,329 --> 00:16:27,000

Opportunity there's Timber to be

391

00:16:31,670 --> 00:16:29,339

harvested for ships there's fish of

392

00:16:34,430 --> 00:16:31,680

course there's beaver pelts and there's

393

00:16:36,170 --> 00:16:34,440

the natural resources the copper

394

00:16:39,350 --> 00:16:36,180

um and then the reason that eventually

395

00:16:41,629 --> 00:16:39,360

ended because the copper uh demand dried

396

00:16:44,150 --> 00:16:41,639

up when the Iron Age took over the

397

00:16:45,710 --> 00:16:44,160

Bronze Age ended Iron Age came came in

398

00:16:47,569 --> 00:16:45,720

and so there's no longer any need to

399

00:16:49,730 --> 00:16:47,579

come back and make that trip to get

400

00:16:52,310 --> 00:16:49,740

copper and that's why we don't have more

401  
00:16:55,610 --> 00:16:52,320  
modern memories of that right around say

402  
00:16:57,889 --> 00:16:55,620  
500 BC in that range we don't see the

403  
00:17:01,069 --> 00:16:57,899  
need anymore but for that time period

404  
00:17:03,769 --> 00:17:01,079  
say 3 000 years ago to 2500 years ago in

405  
00:17:06,470 --> 00:17:03,779  
that range that's when we see I think a

406  
00:17:08,270 --> 00:17:06,480  
lot of Phoenician exploration of America

407  
00:17:10,130 --> 00:17:08,280  
coming to get copper

408  
00:17:13,610 --> 00:17:10,140  
now

409  
00:17:16,309 --> 00:17:13,620  
the as far as the Knights Templar um in

410  
00:17:18,650 --> 00:17:16,319  
North America we all follow the work of

411  
00:17:22,010 --> 00:17:18,660  
Scott Walter and and others and Scott

412  
00:17:24,110 --> 00:17:22,020  
you know it's just it has consumed his

413  
00:17:26,990 --> 00:17:24,120

research I mean

414

00:17:29,750 --> 00:17:27,000

um literally Scott and I we were down in

415

00:17:32,450 --> 00:17:29,760

Mexico last month walking down the

416

00:17:36,289 --> 00:17:32,460

street we're like I forget what city we

417

00:17:38,510 --> 00:17:36,299

were in and if he Associates everything

418

00:17:40,730 --> 00:17:38,520

with the Knights Templar right look

419

00:17:44,510 --> 00:17:40,740

he'll Point Hill this you know that it's

420

00:17:46,970 --> 00:17:44,520

just and and he sees these things

421

00:17:49,070 --> 00:17:46,980

um and and we have uh the Newport Tower

422

00:17:51,590 --> 00:17:49,080

of course and the Kensington Rune Stone

423

00:17:54,529 --> 00:17:51,600

uh but I think we have other stuff that

424

00:17:56,810 --> 00:17:54,539

predates even that uh when do you think

425

00:17:58,310 --> 00:17:56,820

the Knights Templar got here

426

00:18:00,830 --> 00:17:58,320

so

427

00:18:02,210 --> 00:18:00,840

it it's clear to me that they came here

428

00:18:04,370 --> 00:18:02,220

before Columbus

429

00:18:07,190 --> 00:18:04,380

um the question is that they come before

430

00:18:09,230 --> 00:18:07,200

they were outlawed in 1307 or did they

431

00:18:12,590 --> 00:18:09,240

wait till it was afterwards so we know

432

00:18:15,650 --> 00:18:12,600

about the the Westford Knight carving

433

00:18:18,110 --> 00:18:15,660

which seems to be in the late 1300s the

434

00:18:20,510 --> 00:18:18,120

spirit upon runestones right around 1400

435

00:18:22,909 --> 00:18:20,520

so there's lots of evidence around the

436

00:18:24,289 --> 00:18:22,919

1400 time period there's also some

437

00:18:26,870 --> 00:18:24,299

strong evidence

438

00:18:29,690 --> 00:18:26,880

um it's got rights about this a lot

439

00:18:31,490 --> 00:18:29,700

um of a journey in the year 1179

440

00:18:34,909 --> 00:18:31,500

something called the cremona document

441

00:18:37,010 --> 00:18:34,919

where the Templars came over to uh the

442

00:18:39,409 --> 00:18:37,020

Catskill Mountains in New York and in

443

00:18:41,590 --> 00:18:39,419

fact Scott and I were part of a group uh

444

00:18:43,669 --> 00:18:41,600

my gosh it's been almost 15 years

445

00:18:45,890 --> 00:18:43,679

climbing the Catskills looking for

446

00:18:49,070 --> 00:18:45,900

artifacts up there

447

00:18:53,169 --> 00:18:49,080

um with Don Roo and

448

00:18:56,029 --> 00:18:53,179

um so that that looks to be a legitimate

449

00:18:57,650 --> 00:18:56,039

squats all squats 100 in on the promoted

450

00:19:00,409 --> 00:18:57,660

document I still have a little bit of

451

00:19:02,810 --> 00:19:00,419

doubt about parts of it but I think on

452

00:19:05,029 --> 00:19:02,820

balance that's been established as being

453

00:19:08,029 --> 00:19:05,039

legitimate as well so that pushes the

454

00:19:09,950 --> 00:19:08,039

dates back to the late 12th century

455

00:19:13,430 --> 00:19:09,960

um and that makes sense to me because at

456

00:19:15,289 --> 00:19:13,440

some point the Templars figured out that

457

00:19:16,610 --> 00:19:15,299

they were on a collision course with the

458

00:19:18,950 --> 00:19:16,620

church that even though they were the

459

00:19:20,990 --> 00:19:18,960

army of the church that their belief set

460

00:19:23,450 --> 00:19:21,000

was

461

00:19:25,610 --> 00:19:23,460

different than the church that they had

462

00:19:26,870 --> 00:19:25,620

been spent time in Jerusalem they'd

463

00:19:28,430 --> 00:19:26,880

learned certain things we're not quite

464

00:19:30,650 --> 00:19:28,440

sure exactly what they were but they had

465

00:19:31,970 --> 00:19:30,660

learned certain things and and had a

466

00:19:33,409 --> 00:19:31,980

belief set that was different than the

467

00:19:35,750 --> 00:19:33,419

church and at some point

468

00:19:38,210 --> 00:19:35,760

they were going to collide and so in

469

00:19:39,650 --> 00:19:38,220

anticipation of that and having seen

470

00:19:42,590 --> 00:19:39,660

what happened

471

00:19:43,909 --> 00:19:42,600

to other Christians who disagreed with

472

00:19:47,510 --> 00:19:43,919

the church in something called The

473

00:19:49,850 --> 00:19:47,520

albigensian Crusade where hundreds of

474

00:19:51,169 --> 00:19:49,860

thousands of French Christians are wiped

475

00:19:53,330 --> 00:19:51,179

out by the church of being the wrong

476

00:19:55,190 --> 00:19:53,340

kind of Christians in anticipation of

477

00:19:56,090 --> 00:19:55,200

something like that happening to them I

478

00:19:58,730 --> 00:19:56,100

think

479

00:20:01,610 --> 00:19:58,740

in the late 1100s that was why they came

480

00:20:03,950 --> 00:20:01,620

over to America to establish a safe

481

00:20:06,289 --> 00:20:03,960

haven to find a place where they could

482

00:20:07,970 --> 00:20:06,299

flee if they needed to a place where

483

00:20:10,190 --> 00:20:07,980

they could bring their secrets and their

484

00:20:13,130 --> 00:20:10,200

treasures and keep them away from the

485

00:20:15,169 --> 00:20:13,140

Vatican so to me that's the impetus for

486

00:20:17,270 --> 00:20:15,179

them coming over here when they did in

487

00:20:19,850 --> 00:20:17,280

the 12th century and then later on in

488

00:20:21,110 --> 00:20:19,860

the 14th century they had no choice but

489

00:20:23,570 --> 00:20:21,120

to come over here because they've been

490

00:20:25,190 --> 00:20:23,580

outlawed and they were on the Run uh and

491

00:20:27,169 --> 00:20:25,200

and that was sort of the second wave of

492

00:20:29,630 --> 00:20:27,179

that so answer your question I think

493

00:20:31,789 --> 00:20:29,640

12th century probably 14th century

494

00:20:33,710 --> 00:20:31,799

definitely well you know the question on

495

00:20:35,270 --> 00:20:33,720

everybody's mind you know the treasures

496

00:20:36,650 --> 00:20:35,280

you know what did they bring with them

497

00:20:39,590 --> 00:20:36,660

and why

498

00:20:41,750 --> 00:20:39,600

uh that's uh it's it's it's Indiana

499

00:20:44,330 --> 00:20:41,760

Jones stuff isn't it

500

00:20:46,310 --> 00:20:44,340

yeah I mean it it it's

501

00:20:48,470 --> 00:20:46,320

there's a whole laundry list of

502

00:20:50,570 --> 00:20:48,480

possibilities yes Ark of the Covenant

503

00:20:53,990 --> 00:20:50,580

possibility the the Holy Grail

504

00:20:55,549 --> 00:20:54,000

possibility the um I know you've had Tim

505

00:20:59,270 --> 00:20:55,559

Hogan on your on your show he talks

506

00:21:00,590 --> 00:20:59,280

about Manna the the staff of Moses those

507

00:21:02,570 --> 00:21:00,600

are possibilities he's talked about

508

00:21:06,950 --> 00:21:02,580

those as part of the Templar treasure

509

00:21:08,090 --> 00:21:06,960

also just secret uh writings

510

00:21:11,630 --> 00:21:08,100

um one of the things that's talked about

511

00:21:14,450 --> 00:21:11,640

in the cremona document uh the 1179

512

00:21:17,690 --> 00:21:14,460

journey is a marriage contract between

513

00:21:19,850 --> 00:21:17,700

Jesus and Mary Magdalene a katuba uh

514

00:21:22,370 --> 00:21:19,860

from that that was brought over in a

515

00:21:24,650 --> 00:21:22,380

scroll that was secreted in the Catskill

516

00:21:26,029 --> 00:21:24,660

Mountains So that obviously would be an

517

00:21:27,650 --> 00:21:26,039

incredibly important thing and something

518

00:21:30,049 --> 00:21:27,660

that the Templars would have wanted to

519

00:21:31,970 --> 00:21:30,059

keep away from the church the church

520

00:21:34,070 --> 00:21:31,980

would probably want to destroy that so

521

00:21:34,789 --> 00:21:34,080

there's that possibility

522

00:21:37,909 --> 00:21:34,799

um

523

00:21:40,490 --> 00:21:37,919

it could be something if it's simpler

524

00:21:44,210 --> 00:21:40,500

something like uh

525

00:21:46,850 --> 00:21:44,220

science uh architecture the ability to

526  
00:21:48,470 --> 00:21:46,860  
build these amazing Gothic Cathedrals

527  
00:21:50,570 --> 00:21:48,480  
that that all came out of the Templar

528  
00:21:53,029 --> 00:21:50,580  
era they built these amazing Cathedrals

529  
00:21:55,669 --> 00:21:53,039  
like Notre Dame and sharks and that was

530  
00:21:57,770 --> 00:21:55,679  
all new to Europe Europe was coming out

531  
00:21:59,570 --> 00:21:57,780  
of the Dark Ages at that time the

532  
00:22:01,549 --> 00:21:59,580  
tampons Went to went to the Middle East

533  
00:22:04,310 --> 00:22:01,559  
and learned all these secrets of

534  
00:22:06,289 --> 00:22:04,320  
architecture and and and Mathematics and

535  
00:22:09,049 --> 00:22:06,299  
so those kinds of things those kinds of

536  
00:22:11,450 --> 00:22:09,059  
Secrets knowledge that the church didn't

537  
00:22:13,250 --> 00:22:11,460  
necessarily want people to have that

538  
00:22:15,830 --> 00:22:13,260

knowledge they didn't necessarily want

539

00:22:18,289 --> 00:22:15,840

Europe to come out of the Dark Ages they

540

00:22:20,870 --> 00:22:18,299

liked people being ignorant they liked

541

00:22:23,390 --> 00:22:20,880

people turning to the church for answers

542

00:22:26,090 --> 00:22:23,400

they like people paying the church to

543

00:22:28,250 --> 00:22:26,100

heal them all those things were sort of

544

00:22:30,909 --> 00:22:28,260

a monopoly that the church had and they

545

00:22:33,950 --> 00:22:30,919

weren't anxious to see

546

00:22:36,110 --> 00:22:33,960

newfangled ideas coming into Europe at

547

00:22:38,390 --> 00:22:36,120

the time another reason why the Templars

548

00:22:39,830 --> 00:22:38,400

of the church were butting heads But to

549

00:22:42,649 --> 00:22:39,840

answer your question directly you know

550

00:22:43,610 --> 00:22:42,659

what were the treasures it's probably a

551  
00:22:45,470 --> 00:22:43,620  
combination of all those things

552  
00:22:48,470 --> 00:22:45,480  
religious Treasures

553  
00:22:50,570 --> 00:22:48,480  
ancient knowledge and then some kind of

554  
00:22:52,370 --> 00:22:50,580  
just basic gold and silver you know the

555  
00:22:54,130 --> 00:22:52,380  
the the treasure as we think of it in

556  
00:22:57,649 --> 00:22:54,140  
this purest form monetary

557  
00:23:00,289 --> 00:22:57,659  
the the reason for this

558  
00:23:02,930 --> 00:23:00,299  
um uh first off it would be fascinating

559  
00:23:05,330 --> 00:23:02,940  
for for the world to to learn about

560  
00:23:09,230 --> 00:23:05,340  
something that is supposed to be just

561  
00:23:12,289 --> 00:23:09,240  
folklore right or a good movie script

562  
00:23:14,149 --> 00:23:12,299  
but to have a you know conspiracy of

563  
00:23:16,730 --> 00:23:14,159

this kind surface and turn out to be

564

00:23:18,710 --> 00:23:16,740

true that's you know we we love those

565

00:23:20,810 --> 00:23:18,720

kinds of stories

566

00:23:23,990 --> 00:23:20,820

um but the other part of it is those

567

00:23:27,289 --> 00:23:24,000

that are in possession of this type of

568

00:23:30,529 --> 00:23:27,299

thing well also uh would hope for some

569

00:23:33,529 --> 00:23:30,539

sort of control you know to to have

570

00:23:35,149 --> 00:23:33,539

power associated with that

571

00:23:38,450 --> 00:23:35,159

um not only the church but just just

572

00:23:42,110 --> 00:23:40,010

yeah I mean there's a reason why this

573

00:23:45,409 --> 00:23:42,120

stuff is has been hidden right I mean if

574

00:23:47,510 --> 00:23:45,419

if we're if it if people didn't want it

575

00:23:49,490 --> 00:23:47,520

hidden we know about it already and so

576

00:23:51,529 --> 00:23:49,500

this goes back to

577

00:23:53,990 --> 00:23:51,539

um are we ready to see these Treasures

578

00:23:56,210 --> 00:23:54,000

are we ready to learn the truths

579

00:23:59,090 --> 00:23:56,220

um if some of those truths are contrary

580

00:24:02,330 --> 00:23:59,100

to Orthodox teachings of Christianity

581

00:24:05,090 --> 00:24:02,340

you know is that stuff that we're ready

582

00:24:06,169 --> 00:24:05,100

to learn my latest book actually thank

583

00:24:07,850 --> 00:24:06,179

you for the segue because I'm going to

584

00:24:10,909 --> 00:24:07,860

take it right now the latest book I

585

00:24:14,870 --> 00:24:10,919

wrote which is one nation under John

586

00:24:17,169 --> 00:24:14,880

um it talks about the possibility that

587

00:24:19,789 --> 00:24:17,179

the founding fathers of this country

588

00:24:24,230 --> 00:24:19,799

that many of them actually may have been

589

00:24:26,230 --> 00:24:24,240

uh not worshipers of Jesus as we think

590

00:24:28,610 --> 00:24:26,240

of it in Christianity but instead

591

00:24:32,330 --> 00:24:28,620

venerators and worshipers of John the

592

00:24:33,350 --> 00:24:32,340

Baptist there's this whole idea in

593

00:24:35,570 --> 00:24:33,360

um and and

594

00:24:39,010 --> 00:24:35,580

um Albert Pike who who Who's the sort of

595

00:24:41,090 --> 00:24:39,020

the the preeminent Masonic freemasonic

596

00:24:43,070 --> 00:24:41,100

historian and writer who wrote a book

597

00:24:44,510 --> 00:24:43,080

called morals and Dogma which is

598

00:24:48,169 --> 00:24:44,520

something that was is given out even

599

00:24:49,610 --> 00:24:48,179

today to Young uh Masons when they join

600

00:24:51,830 --> 00:24:49,620

and when they're initiated they get this

601  
00:24:53,930 --> 00:24:51,840  
book called morals and Dogma Pike wrote

602  
00:24:57,409 --> 00:24:53,940  
in morals and Dogma that the Templars

603  
00:24:59,330 --> 00:24:57,419  
had two beliefs one was their their

604  
00:25:01,850 --> 00:24:59,340  
public belief which was Roman Catholic

605  
00:25:03,950 --> 00:25:01,860  
but they also had a secret belief that

606  
00:25:06,529 --> 00:25:03,960  
their leaders had which was called

607  
00:25:10,250 --> 00:25:06,539  
joanism where they believed in John the

608  
00:25:11,570 --> 00:25:10,260  
Baptist being the Messiah not Jesus and

609  
00:25:13,010 --> 00:25:11,580  
this goes back to things that they

610  
00:25:16,210 --> 00:25:13,020  
discovered when they were in the Middle

611  
00:25:19,430 --> 00:25:16,220  
East writings whatever it was they found

612  
00:25:21,110 --> 00:25:19,440  
and there's a group there's a sect of

613  
00:25:24,350 --> 00:25:21,120

people still today in the Middle East

614

00:25:26,149 --> 00:25:24,360

called the mandaeans who believe that in

615

00:25:28,669 --> 00:25:26,159

the Templars of the mandaeans had

616

00:25:30,470 --> 00:25:28,679

relations when the Templars were in

617

00:25:31,669 --> 00:25:30,480

Jerusalem in the 11th century and that

618

00:25:33,409 --> 00:25:31,679

may have been where they got this idea

619

00:25:36,470 --> 00:25:33,419

now the point is

620

00:25:38,930 --> 00:25:36,480

it may be that according to the Templars

621

00:25:40,610 --> 00:25:38,940

and again the Templars were considered

622

00:25:44,630 --> 00:25:40,620

Heretics by the church and this may be

623

00:25:47,690 --> 00:25:44,640

why but they this whole idea that John

624

00:25:49,490 --> 00:25:47,700

the Baptist was really supposed to be

625

00:25:52,250 --> 00:25:49,500

supposed to really supposed to share

626

00:25:54,789 --> 00:25:52,260

power with Jesus there's a Dead Sea

627

00:25:59,090 --> 00:25:54,799

scroll called uh number

628

00:26:02,029 --> 00:25:59,100

4q521 that talks about uh the prophecy

629

00:26:03,470 --> 00:26:02,039

in the first century BC

630

00:26:06,409 --> 00:26:03,480

um the prophecy was that there was going

631

00:26:08,090 --> 00:26:06,419

to be two Messiahs a kingly messiah from

632

00:26:11,029 --> 00:26:08,100

the House of David and that would be

633

00:26:13,010 --> 00:26:11,039

Jesus and a priestly's messiah from the

634

00:26:15,230 --> 00:26:13,020

house of of Moses from the house of

635

00:26:17,149 --> 00:26:15,240

Aaron a priest and that was John the

636

00:26:18,830 --> 00:26:17,159

Baptist and the two of them were going

637

00:26:20,570 --> 00:26:18,840

to come and they were going to rule

638

00:26:22,010 --> 00:26:20,580

jointly

639

00:26:25,789 --> 00:26:22,020

um and then of course John the Baptist

640

00:26:28,310 --> 00:26:25,799

was was murdered by King Herod and Jesus

641

00:26:31,250 --> 00:26:28,320

sort of took both of those roles the

642

00:26:32,750 --> 00:26:31,260

king and the priest and although we

643

00:26:34,549 --> 00:26:32,760

don't know about that so much today but

644

00:26:37,130 --> 00:26:34,559

back then that was a big deal a lot of

645

00:26:39,950 --> 00:26:37,140

the John the Baptist followers did not

646

00:26:42,470 --> 00:26:39,960

appreciate Jesus sort of taking both

647

00:26:44,570 --> 00:26:42,480

roles and I mentioned the mandaians

648

00:26:47,870 --> 00:26:44,580

their worshipers of John the Baptist

649

00:26:50,570 --> 00:26:47,880

they refer to Jesus uh as the evil

650

00:26:53,450 --> 00:26:50,580

usurper believing he actually usurped

651  
00:26:55,610 --> 00:26:53,460  
half of the

652  
00:26:57,950 --> 00:26:55,620  
power the half that was supposed to

653  
00:26:59,570 --> 00:26:57,960  
belong to John the Baptist so anyway so

654  
00:27:01,070 --> 00:26:59,580  
these are the kinds of things I just

655  
00:27:02,090 --> 00:27:01,080  
wrote about it in my latest book we can

656  
00:27:04,430 --> 00:27:02,100  
talk more about it but these are the

657  
00:27:06,590 --> 00:27:04,440  
kinds of things that we not may not be

658  
00:27:08,330 --> 00:27:06,600  
ready as a society to learn about that

659  
00:27:10,549 --> 00:27:08,340  
it's going to undermine a lot of our

660  
00:27:13,630 --> 00:27:10,559  
religious beliefs and and maybe that

661  
00:27:18,710 --> 00:27:13,640  
those things are hidden for a reason

662  
00:27:22,870 --> 00:27:18,720  
when you get into research like I have

663  
00:27:27,230 --> 00:27:22,880

new interview you read one of the

664

00:27:30,769 --> 00:27:27,240

underlying names that is there

665

00:27:34,310 --> 00:27:30,779

throughout history in in this context is

666

00:27:36,549 --> 00:27:34,320

John the Baptist and you're right about

667

00:27:40,250 --> 00:27:36,559

that today

668

00:27:43,490 --> 00:27:40,260

not discussed but if you get into these

669

00:27:46,130 --> 00:27:43,500

little Circles of John the Baptist it's

670

00:27:48,370 --> 00:27:46,140

like you know I I wonder

671

00:27:51,169 --> 00:27:48,380

okay let's let's just go right there

672

00:27:54,250 --> 00:27:51,179

where's his body today

673

00:27:56,350 --> 00:27:54,260

where's the pro where's that we you know

674

00:27:59,870 --> 00:27:56,360

his tone is

675

00:28:02,210 --> 00:27:59,880

could John the Baptist be one of the

676

00:28:04,310 --> 00:28:02,220

treasures that the Templars brought to

677

00:28:06,350 --> 00:28:04,320

North America

678

00:28:08,870 --> 00:28:06,360

it's not his body as much as his head

679

00:28:11,269 --> 00:28:08,880

Jimmy right that's the thing I don't

680

00:28:12,350 --> 00:28:11,279

want to go there but yeah let's go there

681

00:28:14,450 --> 00:28:12,360

come on let's go there because that's

682

00:28:16,610 --> 00:28:14,460

that's I mean the story is for for

683

00:28:18,529 --> 00:28:16,620

viewers and listeners who don't know the

684

00:28:21,350 --> 00:28:18,539

story the whole thing about John the

685

00:28:24,710 --> 00:28:21,360

Baptist is is a whole story about King

686

00:28:27,110 --> 00:28:24,720

Herod he had a dancer named Salome she

687

00:28:29,510 --> 00:28:27,120

did a wonderful job in exotic dance the

688

00:28:31,190 --> 00:28:29,520

dance of the seven veils and he said

689

00:28:33,649 --> 00:28:31,200

that was so beautiful what do you want

690

00:28:35,570 --> 00:28:33,659

anything you want in my kingdom and she

691

00:28:37,730 --> 00:28:35,580

said I want the head of John the Baptist

692

00:28:40,070 --> 00:28:37,740

because John the Baptist had insulted

693

00:28:42,289 --> 00:28:40,080

her mother for a marriage that was John

694

00:28:43,909 --> 00:28:42,299

thought was inappropriate and Herod gave

695

00:28:46,850 --> 00:28:43,919

her the head the head of John the

696

00:28:50,149 --> 00:28:46,860

Baptist and that head the body we think

697

00:28:51,950 --> 00:28:50,159

was was buried the recent story out of

698

00:28:53,870 --> 00:28:51,960

Israel they may have found the body but

699

00:28:55,789 --> 00:28:53,880

that head no one seems to have been able

700

00:28:57,769 --> 00:28:55,799

to find the head one of the things that

701

00:29:01,070 --> 00:28:57,779

Templars were accused of

702

00:29:03,049 --> 00:29:01,080

during their trial in 1307 was of

703

00:29:06,010 --> 00:29:03,059

worshiping this head called Baphomet

704

00:29:08,289 --> 00:29:06,020

that's right look at the

705

00:29:11,090 --> 00:29:08,299

b-a-p-h-o-m-e-t and

706

00:29:12,350 --> 00:29:11,100

b-a-p-t-i-s-m baptism Baptist those

707

00:29:14,450 --> 00:29:12,360

words sort of

708

00:29:16,669 --> 00:29:14,460

meshed together and you might see where

709

00:29:18,830 --> 00:29:16,679

one might lead to the other and it may

710

00:29:21,409 --> 00:29:18,840

be that that head that they worship is

711

00:29:24,649 --> 00:29:21,419

John the Baptist's head and that may be

712

00:29:28,789 --> 00:29:24,659

Baphomet and so that's you know that's a

713

00:29:30,710 --> 00:29:28,799

possibility yeah and

714

00:29:33,230 --> 00:29:30,720

um I'm so glad that I did I didn't want

715

00:29:36,830 --> 00:29:33,240

to bring it up like I'm doing some whack

716

00:29:37,970 --> 00:29:36,840

research right but you once you get into

717

00:29:40,909 --> 00:29:37,980

this

718

00:29:42,169 --> 00:29:40,919

the head of John the Baptist has toured

719

00:29:45,529 --> 00:29:42,179

the world

720

00:29:46,730 --> 00:29:45,539

okay and you can find like seven or

721

00:29:49,789 --> 00:29:46,740

eight of them around they're all over

722

00:29:54,110 --> 00:29:49,799

the place yeah yes yes yes yes

723

00:30:01,850 --> 00:29:58,909

I I realize everybody this this is is a

724

00:30:04,730 --> 00:30:01,860

strange turn in the conversation but it

725

00:30:08,810 --> 00:30:04,740

is very important all right now let's

726

00:30:10,549 --> 00:30:08,820

say somebody says I'm speaking

727

00:30:13,850 --> 00:30:10,559

completely hypothetically here David

728

00:30:15,649 --> 00:30:13,860

okay somebody says okay I have the head

729

00:30:18,769 --> 00:30:15,659

of John the Baptist

730

00:30:22,070 --> 00:30:18,779

can that be tested now we can carbon

731

00:30:24,470 --> 00:30:22,080

date it but I'm talking about d and a is

732

00:30:28,130 --> 00:30:24,480

or you know what would we how would you

733

00:30:29,750 --> 00:30:28,140

prove the head of John the Baptist she's

734

00:30:31,250 --> 00:30:29,760

I don't know if you could Jimmy I know

735

00:30:32,570 --> 00:30:31,260

that um you could like you said you get

736

00:30:34,370 --> 00:30:32,580

a date on it

737

00:30:37,850 --> 00:30:34,380

and

738

00:30:40,730 --> 00:30:37,860

do we know I think we know his

739

00:30:42,110 --> 00:30:40,740

parents his mother at least but I don't

740

00:30:44,029 --> 00:30:42,120

know if we know where she's buried

741

00:30:45,409 --> 00:30:44,039

that'd be a real hard one I mean you

742

00:30:46,850 --> 00:30:45,419

could you could probably get close

743

00:30:49,130 --> 00:30:46,860

because you probably we probably know

744

00:30:51,110 --> 00:30:49,140

enough about him to know where he lived

745

00:30:53,630 --> 00:30:51,120

and where he was born and there's

746

00:30:56,149 --> 00:30:53,640

probably an ethnicity that we can

747

00:30:58,549 --> 00:30:56,159

associate with that area

748

00:31:00,830 --> 00:30:58,559

um so you get pretty close but I'm not

749

00:31:03,590 --> 00:31:00,840

sure you could get it to 100 certainty

750

00:31:05,330 --> 00:31:03,600

that would be a tough one do you do you

751  
00:31:07,610 --> 00:31:05,340  
would you be surprised if it happened

752  
00:31:10,490 --> 00:31:07,620  
and somebody said okay here it is that

753  
00:31:12,889 --> 00:31:10,500  
I'm telling you this is go ahead test it

754  
00:31:15,710 --> 00:31:12,899  
would you be surprised

755  
00:31:16,850 --> 00:31:15,720  
I I think it no because I do think that

756  
00:31:18,289 --> 00:31:16,860  
there's there's

757  
00:31:21,590 --> 00:31:18,299  
um a good friend of mine just came back

758  
00:31:23,690 --> 00:31:21,600  
from um Istanbul and took a picture of

759  
00:31:26,750 --> 00:31:23,700  
the head of John the Baptist

760  
00:31:28,549 --> 00:31:26,760  
um I was in uh Belgium a couple years

761  
00:31:31,190 --> 00:31:28,559  
ago in the Ghent looking at something

762  
00:31:33,830 --> 00:31:31,200  
called the Ghent Altarpiece and in the

763  
00:31:35,570 --> 00:31:33,840

Crypt beneath the saint Bible's

764

00:31:36,830 --> 00:31:35,580

Cathedral is the head of John the

765

00:31:38,510 --> 00:31:36,840

Baptist

766

00:31:40,549 --> 00:31:38,520

um it was literally six or seven places

767

00:31:42,950 --> 00:31:40,559

around Europe claimed to have the head

768

00:31:45,169 --> 00:31:42,960

of John the Baptist one of them probably

769

00:31:47,510 --> 00:31:45,179

does I mean it's it was important enough

770

00:31:49,730 --> 00:31:47,520

he was a well-known enough guy at the

771

00:31:52,190 --> 00:31:49,740

time of his death that somebody would

772

00:31:55,370 --> 00:31:52,200

have probably kept it and and especially

773

00:31:57,769 --> 00:31:55,380

back then those kinds of things were

774

00:32:00,409 --> 00:31:57,779

believed to have almost magical powers

775

00:32:02,269 --> 00:32:00,419

you still to this day see a lot of

776

00:32:04,490 --> 00:32:02,279

churches that have the bones the finger

777

00:32:06,350 --> 00:32:04,500

of this saint and the the toe of that

778

00:32:07,850 --> 00:32:06,360

Saint and but the head of John the

779

00:32:09,889 --> 00:32:07,860

Baptist back then would have been a big

780

00:32:12,529 --> 00:32:09,899

deal so it makes sense that somebody

781

00:32:14,690 --> 00:32:12,539

would have kept it so I wouldn't be

782

00:32:17,690 --> 00:32:14,700

surprised if somebody found it and it

783

00:32:20,269 --> 00:32:17,700

could be proven scientifically the other

784

00:32:22,310 --> 00:32:20,279

thing about it back then the head was

785

00:32:23,990 --> 00:32:22,320

believed to sort of be the the life

786

00:32:26,210 --> 00:32:24,000

force and so

787

00:32:27,830 --> 00:32:26,220

and this gets back into some of the

788

00:32:30,110 --> 00:32:27,840

ugliness of what the mandaeans believe

789

00:32:32,690 --> 00:32:30,120

and I apologize if anybody's offended by

790

00:32:36,850 --> 00:32:32,700

this but they believe that one of the

791

00:32:39,470 --> 00:32:36,860

things Jesus did was that he actually

792

00:32:41,210 --> 00:32:39,480

one of the ways you tried to take the

793

00:32:43,909 --> 00:32:41,220

power from John the Baptist after John

794

00:32:46,490 --> 00:32:43,919

the Baptist died was that he he got hold

795

00:32:50,149 --> 00:32:46,500

of the head himself and that he did that

796

00:32:53,389 --> 00:32:50,159

and he also they believe married John

797

00:32:55,130 --> 00:32:53,399

the Baptist's Widow Mary Magdalene I've

798

00:32:57,350 --> 00:32:55,140

never heard that before that the Baptist

799

00:32:59,930 --> 00:32:57,360

actually was married to Mary Magdalene

800

00:33:02,389 --> 00:32:59,940

first but the way he sort of took the

801  
00:33:04,909 --> 00:33:02,399  
power was he took the head he took the

802  
00:33:07,430 --> 00:33:04,919  
wife he adopted some of the teachings he

803  
00:33:10,130 --> 00:33:07,440  
basically you know swallowed up this

804  
00:33:14,049 --> 00:33:10,140  
whole John the Baptist aura

805  
00:33:16,909 --> 00:33:14,059  
by taking all the the power and the

806  
00:33:19,730 --> 00:33:16,919  
personality from the Baptist and and and

807  
00:33:22,430 --> 00:33:19,740  
and and and again again according to the

808  
00:33:23,870 --> 00:33:22,440  
mandan's usurped that power

809  
00:33:25,850 --> 00:33:23,880  
now

810  
00:33:27,789 --> 00:33:25,860  
um why

811  
00:33:31,430 --> 00:33:27,799  
um uh

812  
00:33:33,529 --> 00:33:31,440  
when you you know I I don't want to

813  
00:33:36,110 --> 00:33:33,539

offend Scott and he knows Scott and I

814

00:33:40,870 --> 00:33:36,120

are are very close Okay but

815

00:33:44,870 --> 00:33:40,880

it seems that he'll be okay

816

00:33:49,130 --> 00:33:44,880

good boy literally in figurative

817

00:33:52,009 --> 00:33:49,140

um uh is is the John the Baptist

818

00:33:54,350 --> 00:33:52,019

um ideas when you go back through

819

00:33:56,570 --> 00:33:54,360

history I have the image of again

820

00:33:58,909 --> 00:33:56,580

Altarpiece uh by the way and we can pull

821

00:34:01,370 --> 00:33:58,919

that up in just a second but

822

00:34:04,850 --> 00:34:01,380

um uh John the Baptist has been altered

823

00:34:07,190 --> 00:34:04,860

and removed and added in and out of

824

00:34:11,030 --> 00:34:07,200

various paintings for Millennia right

825

00:34:13,490 --> 00:34:11,040

this is this isn't anything new and when

826

00:34:15,490 --> 00:34:13,500

it comes to the Knights Templar uh when

827

00:34:18,889 --> 00:34:15,500

you start to get into these discussions

828

00:34:21,290 --> 00:34:18,899

it's not necessarily Jesus or the baby

829

00:34:22,970 --> 00:34:21,300

Jesus that is discussed it's it's John

830

00:34:25,250 --> 00:34:22,980

the Baptist isn't it

831

00:34:27,770 --> 00:34:25,260

yeah so the so when we talk about the

832

00:34:30,230 --> 00:34:27,780

Templars everyone immediately and I

833

00:34:32,329 --> 00:34:30,240

think rightfully so that they then

834

00:34:33,589 --> 00:34:32,339

that leads to the Freemasons okay

835

00:34:36,349 --> 00:34:33,599

because we think there's a Continuum

836

00:34:37,369 --> 00:34:36,359

there and the Freemasons you know

837

00:34:40,010 --> 00:34:37,379

they're

838

00:34:42,290 --> 00:34:40,020

so much of their of their ritual is

839

00:34:44,930 --> 00:34:42,300

based on this June 24th date which is

840

00:34:47,149 --> 00:34:44,940

John the Baptist's birthday so the Grand

841

00:34:52,190 --> 00:34:47,159

Lodge of England the first lot was

842

00:34:54,050 --> 00:34:52,200

formed June 24th the the beautiful uh

843

00:34:56,450 --> 00:34:54,060

temple in Philadelphia the Masonic

844

00:34:59,870 --> 00:34:56,460

temple in Philadelphia Cornerstone June

845

00:35:01,609 --> 00:34:59,880

24th I can go down

846

00:35:06,349 --> 00:35:01,619

uh building after building after

847

00:35:09,109 --> 00:35:06,359

building their annual calendar June 24th

848

00:35:12,050 --> 00:35:09,119

everything so much so much in Freemasons

849

00:35:14,089 --> 00:35:12,060

for me turns on the John the Baptist

850

00:35:16,069 --> 00:35:14,099

stuff again not Jesus and same thing

851  
00:35:18,230 --> 00:35:16,079  
with the Templars just John the Baptist

852  
00:35:21,349 --> 00:35:18,240  
not Jesus and also with the Templars the

853  
00:35:23,089 --> 00:35:21,359  
Virgin Mary but again not Jesus

854  
00:35:27,170 --> 00:35:23,099  
um we'll look at some artwork maybe

855  
00:35:28,730 --> 00:35:27,180  
later on da Vinci seemed to be all all

856  
00:35:31,690 --> 00:35:28,740  
in on this and understand it perfectly

857  
00:35:34,490 --> 00:35:31,700  
he did four or five different paintings

858  
00:35:36,410 --> 00:35:34,500  
uh displaying John the Baptist and every

859  
00:35:38,569 --> 00:35:36,420  
single one John the Baptist has his

860  
00:35:40,849 --> 00:35:38,579  
finger up in the air is just saying I'm

861  
00:35:43,010 --> 00:35:40,859  
going up and remember that Dead Sea

862  
00:35:44,870 --> 00:35:43,020  
School prophecy basically said there's

863  
00:35:47,329 --> 00:35:44,880

going to be two Messiah as a Priestly

864

00:35:49,670 --> 00:35:47,339

one and a kidney one Jesus and John the

865

00:35:52,310 --> 00:35:49,680

Baptist but one of them only one of them

866

00:35:54,050 --> 00:35:52,320

was going to sit by God's side and that

867

00:35:56,569 --> 00:35:54,060

prophecy said it was the Priestly

868

00:35:58,609 --> 00:35:56,579

Messiah John the Baptist was supposed to

869

00:36:00,470 --> 00:35:58,619

sit at God's side and when we pull up

870

00:36:02,329 --> 00:36:00,480

that Ghent Altar he's painting then we

871

00:36:03,349 --> 00:36:02,339

can pull that up right now yeah we see

872

00:36:06,170 --> 00:36:03,359

God

873

00:36:08,569 --> 00:36:06,180

we see Mary that middle those middle the

874

00:36:10,430 --> 00:36:08,579

middle three there at the top we see God

875

00:36:12,890 --> 00:36:10,440

in the Middle with his right hand up we

876

00:36:15,950 --> 00:36:12,900

see to his right the Virgin Mary and we

877

00:36:18,290 --> 00:36:15,960

see to his left not his son Jesus but we

878

00:36:19,790 --> 00:36:18,300

see John the Baptist and that's an

879

00:36:24,589 --> 00:36:19,800

interesting that was painted by a guy

880

00:36:26,510 --> 00:36:24,599

named uh um uh van Ike Vanek sorry

881

00:36:28,690 --> 00:36:26,520

pardon me uh

882

00:36:32,990 --> 00:36:28,700

um and and and

883

00:36:36,349 --> 00:36:33,000

his Patron was the Duke of burgundy who

884

00:36:38,450 --> 00:36:36,359

was very much into this whole templarism

885

00:36:39,970 --> 00:36:38,460

uh tapbox has been outlawed by that

886

00:36:42,650 --> 00:36:39,980

point but he started a whole new order

887

00:36:46,010 --> 00:36:42,660

uh the Golden Fleece which was based on

888

00:36:48,829 --> 00:36:46,020

the Templars he was very friendly with

889

00:36:51,230 --> 00:36:48,839

the Sinclair family uh who built Roslyn

890

00:36:52,970 --> 00:36:51,240

Chapel this is all all sort of the The

891

00:36:55,790 --> 00:36:52,980

Usual Suspects when it comes to the

892

00:36:58,069 --> 00:36:55,800

Templars but if we look at that painting

893

00:37:00,650 --> 00:36:58,079

right there it's interesting that van

894

00:37:04,250 --> 00:37:00,660

Ike chose to display John the Baptist

895

00:37:06,050 --> 00:37:04,260

sitting next to God and not Jesus and

896

00:37:08,150 --> 00:37:06,060

then if we zoom in a little bit on John

897

00:37:09,710 --> 00:37:08,160

the Baptist I think I have it sent you

898

00:37:12,109 --> 00:37:09,720

another picture there we can see John

899

00:37:15,410 --> 00:37:12,119

the Baptist wearing the green robe there

900

00:37:19,069 --> 00:37:15,420

and we zoom in on him we can see his

901  
00:37:21,470 --> 00:37:19,079  
finger go back yes finger touching the

902  
00:37:23,569 --> 00:37:21,480  
Templar cross and I don't think that's

903  
00:37:25,670 --> 00:37:23,579  
an accident what's what's really cool

904  
00:37:28,849 --> 00:37:25,680  
about that is the the painting was

905  
00:37:31,430 --> 00:37:28,859  
recently restored it's it's in the Saint

906  
00:37:33,230 --> 00:37:31,440  
Bible's cathedral in Ghent Belgium I was

907  
00:37:34,790 --> 00:37:33,240  
recently restored so much of the detail

908  
00:37:36,109 --> 00:37:34,800  
had been lost and this is one of the

909  
00:37:38,030 --> 00:37:36,119  
things that they were able to uncover

910  
00:37:40,670 --> 00:37:38,040  
after after doing a thorough cleaning

911  
00:37:43,370 --> 00:37:40,680  
but that finger of sort of connecting

912  
00:37:44,750 --> 00:37:43,380  
John the Baptist to the Templars I don't

913  
00:37:47,390 --> 00:37:44,760

think that's an accident I think that

914

00:37:50,349 --> 00:37:47,400

was an intentional message by the

915

00:37:53,270 --> 00:37:50,359

painter but it's those kinds of things

916

00:37:55,069 --> 00:37:53,280

uh that as I did my research I kept

917

00:37:58,790 --> 00:37:55,079

finding over and over again this idea

918

00:38:02,450 --> 00:37:58,800

these these these painters like Da Vinci

919

00:38:05,270 --> 00:38:02,460

like van Ike uh that seem to be in the

920

00:38:07,310 --> 00:38:05,280

know seem to have this understanding of

921

00:38:09,770 --> 00:38:07,320

John the Baptist's importance that we

922

00:38:14,290 --> 00:38:09,780

don't necessarily have today

923

00:38:18,230 --> 00:38:14,300

did uh did John the Baptist have

924

00:38:21,770 --> 00:38:18,240

what made the uh people nervous about

925

00:38:24,170 --> 00:38:21,780

him did he have powers you know the uh

926  
00:38:27,770 --> 00:38:24,180  
you know Jesus walking on performing

927  
00:38:30,410 --> 00:38:27,780  
Miracles and one fish two fish and and

928  
00:38:33,770 --> 00:38:30,420  
and and all of those things did John

929  
00:38:36,890 --> 00:38:33,780  
possess uh some of these abilities as

930  
00:38:38,810 --> 00:38:36,900  
well what freaked yeah so again King

931  
00:38:41,210 --> 00:38:38,820  
Herod who was the was the king of

932  
00:38:44,270 --> 00:38:41,220  
Jerusalem at the time he was

933  
00:38:45,589 --> 00:38:44,280  
um sort of a a Roman puppet but he had

934  
00:38:48,109 --> 00:38:45,599  
power

935  
00:38:51,230 --> 00:38:48,119  
um and he was he was a he was very

936  
00:38:52,609 --> 00:38:51,240  
fearful that this was this prophecy that

937  
00:38:54,410 --> 00:38:52,619  
this Messiah was going to come and he

938  
00:38:56,569 --> 00:38:54,420

was going to be deposed but he was

939

00:38:58,849 --> 00:38:56,579

mostly focused on

940

00:39:00,470 --> 00:38:58,859

John the Baptist his big fear was that

941

00:39:03,290 --> 00:39:00,480

John the Baptist was going to be the one

942

00:39:05,089 --> 00:39:03,300

who came in and deposed him uh and

943

00:39:07,370 --> 00:39:05,099

dethroned him he wasn't really worried

944

00:39:10,370 --> 00:39:07,380

about Jesus he only became worried about

945

00:39:13,670 --> 00:39:10,380

Jesus when Jesus started

946

00:39:16,490 --> 00:39:13,680

taking over John the Baptist ministry

947

00:39:19,010 --> 00:39:16,500

marrying the wife and and preaching the

948

00:39:22,190 --> 00:39:19,020

words of John the Baptist again so

949

00:39:24,470 --> 00:39:22,200

originally King Herod was fearful of

950

00:39:27,349 --> 00:39:24,480

John the Baptist it was John that had

951  
00:39:29,810 --> 00:39:27,359  
the power early on and only after he was

952  
00:39:31,010 --> 00:39:29,820  
murdered did Jesus sort of fill that

953  
00:39:32,690 --> 00:39:31,020  
void

954  
00:39:35,270 --> 00:39:32,700  
is there

955  
00:39:37,250 --> 00:39:35,280  
um uh we're going to circle back to Da

956  
00:39:40,430 --> 00:39:37,260  
Vinci and some of this medieval artwork

957  
00:39:43,250 --> 00:39:40,440  
but but the connection you know with the

958  
00:39:46,849 --> 00:39:43,260  
with the Knights Templar in America and

959  
00:39:50,870 --> 00:39:46,859  
and John the Baptist is is profound now

960  
00:39:52,430 --> 00:39:50,880  
are there any uh the artifacts that are

961  
00:39:54,349 --> 00:39:52,440  
here I don't want to talk about those

962  
00:39:56,990 --> 00:39:54,359  
before we get to the break uh that have

963  
00:39:59,630 --> 00:39:57,000

been discovered so far I think they're

964

00:40:02,510 --> 00:39:59,640

important because with the internet

965

00:40:05,450 --> 00:40:02,520

today and books and stuff you can

966

00:40:09,530 --> 00:40:05,460

research ancient languages ancient texts

967

00:40:12,710 --> 00:40:09,540

ancient runes you could you know teach

968

00:40:14,510 --> 00:40:12,720

yourself things but when these artifacts

969

00:40:17,930 --> 00:40:14,520

uh most of them when they were

970

00:40:20,690 --> 00:40:17,940

discovered if you would that nobody knew

971

00:40:23,990 --> 00:40:20,700

about this stuff and and certainly the

972

00:40:25,730 --> 00:40:24,000

technique of writing and uh the styles

973

00:40:27,530 --> 00:40:25,740

of writing that were happening two

974

00:40:30,470 --> 00:40:27,540

thousand years ago

975

00:40:33,349 --> 00:40:30,480

um and I think that that the provenance

976

00:40:36,770 --> 00:40:33,359

um of of these artifacts is what is most

977

00:40:38,810 --> 00:40:36,780

important here right that they were done

978

00:40:41,270 --> 00:40:38,820

before there was knowledge of these

979

00:40:42,829 --> 00:40:41,280

ancient languages yeah and that's an

980

00:40:45,290 --> 00:40:42,839

important point I get this question a

981

00:40:47,030 --> 00:40:45,300

lot like why all of a sudden in the past

982

00:40:48,589 --> 00:40:47,040

20 years are we learning about all this

983

00:40:50,630 --> 00:40:48,599

stuff and then you know for 100 years

984

00:40:52,190 --> 00:40:50,640

before that we didn't and the simple

985

00:40:54,349 --> 00:40:52,200

answer is the one you alluded to Jimmy

986

00:40:57,050 --> 00:40:54,359

which is that the internet all of a

987

00:40:59,510 --> 00:40:57,060

sudden communication and knowledge is at

988

00:41:01,310 --> 00:40:59,520

our fingertips so it used to be that you

989

00:41:03,470 --> 00:41:01,320

know I lived in Western Massachusetts we

990

00:41:05,750 --> 00:41:03,480

had the Western night Legend and Scott

991

00:41:07,370 --> 00:41:05,760

Walter lives in Minneapolis so he's

992

00:41:09,470 --> 00:41:07,380

familiar with the Kensington ruins zone

993

00:41:11,750 --> 00:41:09,480

in Minnesota and another guy that we

994

00:41:13,790 --> 00:41:11,760

know lives up in Maine and so he knew

995

00:41:15,290 --> 00:41:13,800

about the spirit upon runestones in

996

00:41:17,210 --> 00:41:15,300

Maine and another guy sat in Newport

997

00:41:18,829 --> 00:41:17,220

Rhode Island he knows about the Newport

998

00:41:21,290 --> 00:41:18,839

Tower but we've never really

999

00:41:23,450 --> 00:41:21,300

communicated with each other until 20

1000

00:41:26,210 --> 00:41:23,460

years ago and all of a sudden

1001  
00:41:28,849 --> 00:41:26,220  
in a in a snap of a finger we can start

1002  
00:41:32,150 --> 00:41:28,859  
sharing images and theories and

1003  
00:41:34,790 --> 00:41:32,160  
immediate communication and and and

1004  
00:41:37,910 --> 00:41:34,800  
um and ideas and so

1005  
00:41:39,530 --> 00:41:37,920  
the research is so much easier now and

1006  
00:41:41,750 --> 00:41:39,540  
the ability to share research is so much

1007  
00:41:43,910 --> 00:41:41,760  
easier that's why all this stuff is

1008  
00:41:45,349 --> 00:41:43,920  
coming together for a long time so many

1009  
00:41:49,310 --> 00:41:45,359  
of these things were just considered to

1010  
00:41:51,650 --> 00:41:49,320  
be one-offs historical Oddities that

1011  
00:41:54,230 --> 00:41:51,660  
they were only a single puzzle piece no

1012  
00:41:56,990 --> 00:41:54,240  
one knew there was a larger picture to

1013  
00:41:58,970 --> 00:41:57,000

be seen here that everybody other people

1014

00:42:02,870 --> 00:41:58,980

around had seen had puzzle pieces that

1015

00:42:05,170 --> 00:42:02,880

fit in to the same picture so that's a

1016

00:42:07,910 --> 00:42:05,180

big part of it you also talked about

1017

00:42:11,630 --> 00:42:07,920

provenance and and even with the

1018

00:42:14,089 --> 00:42:11,640

internet the idea that some of we still

1019

00:42:15,829 --> 00:42:14,099

hear from some Skeptics and oh you know

1020

00:42:18,530 --> 00:42:15,839

that the Kensington Moonstone must have

1021

00:42:21,829 --> 00:42:18,540

been forged by the far by The Farmer in

1022

00:42:24,950 --> 00:42:21,839

the 1890s and the the runestone in in in

1023

00:42:25,910 --> 00:42:24,960

Maine must have been forged and that I

1024

00:42:27,770 --> 00:42:25,920

mean

1025

00:42:29,750 --> 00:42:27,780

the amount of forgeries that were done

1026

00:42:32,089 --> 00:42:29,760

the amount of free time people have to

1027

00:42:33,349 --> 00:42:32,099

do this kind of stuff I mean and I'm not

1028

00:42:35,150 --> 00:42:33,359

saying that can't happen because of

1029

00:42:37,670 --> 00:42:35,160

course it can anything can happen once

1030

00:42:40,550 --> 00:42:37,680

or twice sure again

1031

00:42:42,710 --> 00:42:40,560

I come at this as as a trained attorney

1032

00:42:44,650 --> 00:42:42,720

looking at evidence and at a certain

1033

00:42:47,810 --> 00:42:44,660

point the totality of the evidence

1034

00:42:49,849 --> 00:42:47,820

becomes so overwhelming you just can't

1035

00:42:52,550 --> 00:42:49,859

have well we'll maybe talk later on

1036

00:42:54,349 --> 00:42:52,560

about Roman artifacts in America and the

1037

00:42:56,690 --> 00:42:54,359

number of Roman coins that have been

1038

00:42:59,150 --> 00:42:56,700

found on the beaches of America and

1039

00:43:01,609 --> 00:42:59,160

people say oh maybe maybe the seagull

1040

00:43:02,990 --> 00:43:01,619

dropped one or what there's so many of

1041

00:43:05,150 --> 00:43:03,000

them you just like enough already

1042

00:43:08,510 --> 00:43:05,160

there's only one explanation for this

1043

00:43:10,550 --> 00:43:08,520

Occam's razor the obvious simple answer

1044

00:43:12,410 --> 00:43:10,560

is probably the correct one and with

1045

00:43:14,690 --> 00:43:12,420

this many artifacts

1046

00:43:15,650 --> 00:43:14,700

the simple answer is they're here

1047

00:43:20,390 --> 00:43:15,660

because

1048

00:43:23,030 --> 00:43:20,400

some cockamami explanation about some

1049

00:43:25,670 --> 00:43:23,040

farmer with an old dictionary with free

1050

00:43:27,109 --> 00:43:25,680

time on his hand and carving a stone and

1051  
00:43:29,450 --> 00:43:27,119  
then burying it and waiting for the tree

1052  
00:43:30,230 --> 00:43:29,460  
to fall just enough already with that

1053  
00:43:35,750 --> 00:43:30,240  
stuff

1054  
00:43:39,050 --> 00:43:35,760  
there there's um uh it's not just one

1055  
00:43:42,109 --> 00:43:39,060  
culture one trans Oceanic culture we

1056  
00:43:46,849 --> 00:43:42,119  
have uh ancient Hebrew text right we

1057  
00:43:50,270 --> 00:43:46,859  
have a Norse texts we have uh in some

1058  
00:43:53,569 --> 00:43:50,280  
cases even Samaritan uh text all the way

1059  
00:43:56,349 --> 00:43:53,579  
down to uh South America and up through

1060  
00:43:58,510 --> 00:43:56,359  
Central and and North America

1061  
00:44:01,309 --> 00:43:58,520  
uh different

1062  
00:44:03,530 --> 00:44:01,319  
that it's pretty straight it seems like

1063  
00:44:06,410 --> 00:44:03,540

everybody was coming over here to hang

1064

00:44:08,210 --> 00:44:06,420

out at some point yeah right so

1065

00:44:11,089 --> 00:44:08,220

um we talked about the Phoenicians maybe

1066

00:44:13,809 --> 00:44:11,099

three thousand years ago I also found a

1067

00:44:17,390 --> 00:44:13,819

cluster of artifacts second century

1068

00:44:20,750 --> 00:44:17,400

Roman artifacts coins uh you mentioned

1069

00:44:23,450 --> 00:44:20,760

Hebrew uh inscriptions also seem to be

1070

00:44:25,490 --> 00:44:23,460

associated with that other artifacts a

1071

00:44:27,170 --> 00:44:25,500

lot of these artifacts by the way we've

1072

00:44:28,790 --> 00:44:27,180

been able to put hard science behind

1073

00:44:30,589 --> 00:44:28,800

them because they were

1074

00:44:32,690 --> 00:44:30,599

um they were they were tested using in

1075

00:44:34,430 --> 00:44:32,700

something called optically stimulated

1076

00:44:37,190 --> 00:44:34,440

luminescence testing some of these were

1077

00:44:38,750 --> 00:44:37,200

ceramic artifacts that you can test and

1078

00:44:41,750 --> 00:44:38,760

determine the actual date of

1079

00:44:44,809 --> 00:44:41,760

construction and so second century Aid

1080

00:44:47,630 --> 00:44:44,819

diesel a huge number of artifacts and

1081

00:44:50,390 --> 00:44:47,640

coins that are clustered second Century

1082

00:44:52,430 --> 00:44:50,400

A.D both in the New England area and the

1083

00:44:55,609 --> 00:44:52,440

Ohio River Valley and I think all of

1084

00:44:58,309 --> 00:44:55,619

that is related to something called the

1085

00:45:02,030 --> 00:44:58,319

barkhopka uprising in Jerusalem in the

1086

00:45:03,589 --> 00:45:02,040

year 130 A.D and I think there's a this

1087

00:45:07,609 --> 00:45:03,599

we can get into that more but there's a

1088

00:45:11,210 --> 00:45:07,619

a lost Roman legion the ninth Legion we

1089

00:45:13,250 --> 00:45:11,220

think was there they left uh Hadrian's

1090

00:45:15,470 --> 00:45:13,260

Wall came over to Jerusalem and then

1091

00:45:18,109 --> 00:45:15,480

they disappeared from history one of the

1092

00:45:21,109 --> 00:45:18,119

possibilities is they took that treasure

1093

00:45:23,089 --> 00:45:21,119

in Jerusalem you know the temple

1094

00:45:24,530 --> 00:45:23,099

treasure disappeared No One Ever Knows

1095

00:45:25,370 --> 00:45:24,540

What happened to it but so did the ninth

1096

00:45:27,170 --> 00:45:25,380

Legion

1097

00:45:29,329 --> 00:45:27,180

maybe they brought all that stuff over

1098

00:45:31,730 --> 00:45:29,339

to America and that explains

1099

00:45:35,150 --> 00:45:31,740

so much of the artifacts all second

1100

00:45:37,250 --> 00:45:35,160

century plus the Hebrew carvings the

1101  
00:45:39,710 --> 00:45:37,260  
Hebrew wasn't done by Romans unless

1102  
00:45:41,390 --> 00:45:39,720  
there were Jewish refugees who were

1103  
00:45:43,490 --> 00:45:41,400  
partnered with that who came with them

1104  
00:45:46,790 --> 00:45:43,500  
how else do we explain all of that so

1105  
00:45:48,770 --> 00:45:46,800  
you start having to say there's a lot of

1106  
00:45:50,870 --> 00:45:48,780  
evidence we need a story that explains

1107  
00:45:52,630 --> 00:45:50,880  
every piece of it and that's one

1108  
00:45:56,270 --> 00:45:52,640  
possibility

1109  
00:45:58,730 --> 00:45:56,280  
the um when we have

1110  
00:46:01,550 --> 00:45:58,740  
um uh something like let's talk about

1111  
00:46:04,550 --> 00:46:01,560  
the Kensington runestone for a second

1112  
00:46:08,690 --> 00:46:04,560  
um to suggest that everything's a

1113  
00:46:10,910 --> 00:46:08,700

forgery okay it's as far as a skeptic

1114

00:46:13,010 --> 00:46:10,920

goes and you're in that debunking world

1115

00:46:16,910 --> 00:46:13,020

it's just too easy to do everything's a

1116

00:46:23,270 --> 00:46:16,920

forgery but to have a simple farmer and

1117

00:46:27,109 --> 00:46:23,280

his son understand uh ruins right to

1118

00:46:28,430 --> 00:46:27,119

inscribe accurately without mistakes and

1119

00:46:29,589 --> 00:46:28,440

carve

1120

00:46:32,210 --> 00:46:29,599

um

1121

00:46:35,150 --> 00:46:32,220

we need to be a lot more sensible about

1122

00:46:37,569 --> 00:46:35,160

this and and and and and not jump to

1123

00:46:40,670 --> 00:46:37,579

that kind of conclusion

1124

00:46:45,170 --> 00:46:40,680

it's hard enough to get a a simple

1125

00:46:47,450 --> 00:46:45,180

farmer to to to write in English right

1126

00:46:49,430 --> 00:46:47,460

right and Scott did some amazing I mean

1127

00:46:51,470 --> 00:46:49,440

I think this is Scott's most important

1128

00:46:53,329 --> 00:46:51,480

contribution to this field is the

1129

00:46:56,750 --> 00:46:53,339

research he did because because the

1130

00:46:59,450 --> 00:46:56,760

experts said originally that well we

1131

00:47:02,450 --> 00:46:59,460

know this must be a a forgery a hoax

1132

00:47:06,349 --> 00:47:02,460

because the farmer who did this made a

1133

00:47:08,270 --> 00:47:06,359

mistake he put a dot inside an r capital

1134

00:47:10,069 --> 00:47:08,280

r he put a dot in it one of the runic

1135

00:47:13,430 --> 00:47:10,079

letters is an r and there's no such

1136

00:47:15,410 --> 00:47:13,440

thing as a dotted R well Scott got on a

1137

00:47:17,390 --> 00:47:15,420

on a plane and he flew to Sweden to the

1138

00:47:19,730 --> 00:47:17,400

island of gotland and he went crawling

1139

00:47:22,670 --> 00:47:19,740

around the graveyards and the cemeteries

1140

00:47:23,690 --> 00:47:22,680

and he found the damn dotted R it's

1141

00:47:24,829 --> 00:47:23,700

right where he thought he would find it

1142

00:47:27,290 --> 00:47:24,839

because we know these guys came from

1143

00:47:29,210 --> 00:47:27,300

Gauntlet from that island and that

1144

00:47:31,130 --> 00:47:29,220

apparently on that island that's what

1145

00:47:32,710 --> 00:47:31,140

they did to their RS it's like it's a

1146

00:47:35,450 --> 00:47:32,720

strange little

1147

00:47:37,730 --> 00:47:35,460

stylistic change a slang whatever it is

1148

00:47:40,190 --> 00:47:37,740

but right where he thought he would find

1149

00:47:41,569 --> 00:47:40,200

that he found it and there's no way the

1150

00:47:43,790 --> 00:47:41,579

farmer of course would have known about

1151  
00:47:46,910 --> 00:47:43,800  
this because the farmer had never been

1152  
00:47:49,309 --> 00:47:46,920  
to gotland you know he just was wasn't

1153  
00:47:51,770 --> 00:47:49,319  
where he had been so

1154  
00:47:53,329 --> 00:47:51,780  
um and so so basically what Scott did to

1155  
00:47:55,250 --> 00:47:53,339  
The Experts is he turned their argument

1156  
00:47:58,130 --> 00:47:55,260  
on its head the expert said well that

1157  
00:48:00,050 --> 00:47:58,140  
dotted R proves the Kensington runes a

1158  
00:48:01,430 --> 00:48:00,060  
hoax and Scottish said no no that dotted

1159  
00:48:03,470 --> 00:48:01,440  
R proves it's authentic because there's

1160  
00:48:05,329 --> 00:48:03,480  
no way the farmer knew about this letter

1161  
00:48:06,710 --> 00:48:05,339  
when even you guys the experts don't

1162  
00:48:08,809 --> 00:48:06,720  
know about it how can the farmer know

1163  
00:48:12,890 --> 00:48:08,819

about it so the fact that it was there

1164

00:48:14,809 --> 00:48:12,900

and it tied back to the the island of

1165

00:48:16,250 --> 00:48:14,819

origin of the trip of this this is where

1166

00:48:18,710 --> 00:48:16,260

this journey began

1167

00:48:20,569 --> 00:48:18,720

that brought it all full circle so that

1168

00:48:22,970 --> 00:48:20,579

was Scott's most amazing contribution he

1169

00:48:25,490 --> 00:48:22,980

basically disproved the possibility of a

1170

00:48:28,250 --> 00:48:25,500

hoax and once you disapprove The hoax

1171

00:48:31,970 --> 00:48:28,260

now you're left with gotta be real yeah

1172

00:48:33,589 --> 00:48:31,980

exactly and the same argument in in many

1173

00:48:36,530 --> 00:48:33,599

ways can be made for the Back Creek

1174

00:48:40,210 --> 00:48:36,540

Stone and I hold the Back Creek Stone up

1175

00:48:42,109 --> 00:48:40,220

there with with Kensington I think it is

1176

00:48:43,130 --> 00:48:42,119

after a couple beers we'll sit around

1177

00:48:46,670 --> 00:48:43,140

and say all right what's your Mount

1178

00:48:48,770 --> 00:48:46,680

Rushmore Tower enter the runestone that

1179

00:48:50,930 --> 00:48:48,780

Keystone Spirit you know we go back and

1180

00:48:54,349 --> 00:48:50,940

forth but yeah I to me the bats

1181

00:48:57,710 --> 00:48:54,359

Creekstone and uh I mentioned um earlier

1182

00:49:01,190 --> 00:48:57,720

the the bar hopka Uprising

1183

00:49:03,950 --> 00:49:01,200

um The Back Creek Stone translation uh

1184

00:49:05,390 --> 00:49:03,960

ties very closely to that bar hopka

1185

00:49:06,730 --> 00:49:05,400

Uprising

1186

00:49:09,950 --> 00:49:06,740

um

1187

00:49:11,870 --> 00:49:09,960

means uh it's going to get into some

1188

00:49:14,990 --> 00:49:11,880

Linguistics here but basically means son

1189

00:49:16,670 --> 00:49:15,000

of the star comet okay barcapio was was

1190

00:49:20,569 --> 00:49:16,680

the the freedom fighter who led that

1191

00:49:22,210 --> 00:49:20,579

Uprising in Jerusalem uh in the year 130

1192

00:49:24,349 --> 00:49:22,220

ish A.D

1193

00:49:27,470 --> 00:49:24,359

the the

1194

00:49:29,410 --> 00:49:27,480

Back Creek Stone which was found in uh

1195

00:49:31,849 --> 00:49:29,420

Tennessee in the

1196

00:49:34,790 --> 00:49:31,859

1880s I believe

1197

00:49:36,589 --> 00:49:34,800

um basically says um and I actually I

1198

00:49:38,270 --> 00:49:36,599

got to get this right hold on uh I'm

1199

00:49:42,109 --> 00:49:38,280

gonna have to look that up again but

1200

00:49:44,390 --> 00:49:42,119

basically it ties into the bar hopka uh

1201

00:49:46,190 --> 00:49:44,400

name

1202

00:49:47,329 --> 00:49:46,200

um that translation and I'm and I'm

1203

00:49:49,010 --> 00:49:47,339

gonna have to look that up when we have

1204

00:49:50,450 --> 00:49:49,020

a break and come back to it but it ties

1205

00:49:51,890 --> 00:49:50,460

those really tightly together and I'll

1206

00:49:54,349 --> 00:49:51,900

get that I'll get the translation for

1207

00:49:55,670 --> 00:49:54,359

you as a break because it's ancient

1208

00:50:06,410 --> 00:49:55,680

Hebrew

1209

00:50:10,069 --> 00:50:06,420

stone was found in 1880 uh 1879 1880 and

1210

00:50:12,530 --> 00:50:10,079

by by a uh buy a Smithsonian um

1211

00:50:14,210 --> 00:50:12,540

archaeologist that's right that's right

1212

00:50:17,210 --> 00:50:14,220

that's right

1213

00:50:19,790 --> 00:50:17,220

um and I think the Back Creek stone is

1214

00:50:22,690 --> 00:50:19,800

still on display it's one the

1215

00:50:26,329 --> 00:50:22,700

Smithsonian never

1216

00:50:27,230 --> 00:50:26,339

they didn't kept aside the Back Creek

1217

00:50:29,329 --> 00:50:27,240

Stone

1218

00:50:31,190 --> 00:50:29,339

I think that's still on display uh

1219

00:50:31,849 --> 00:50:31,200

University of Tennessee I believe right

1220

00:50:35,030 --> 00:50:31,859

right right right right right right

1221

00:50:37,730 --> 00:50:35,040

right and it's it's

1222

00:50:39,770 --> 00:50:37,740

um it's considered authentic but to have

1223

00:50:42,410 --> 00:50:39,780

you know ancient Hebrew now the question

1224

00:50:43,790 --> 00:50:42,420

is when did it get here that's okay

1225

00:50:46,970 --> 00:50:43,800

that's that's a whole other matter

1226

00:50:50,150 --> 00:50:46,980

altogether but did it get are we talking

1227

00:50:54,410 --> 00:50:50,160

about again a trans Oceanic culture at

1228

00:50:55,670 --> 00:50:54,420

you know 100 A.D 150 A.D and I say the

1229

00:50:57,890 --> 00:50:55,680

answer is yes

1230

00:50:59,450 --> 00:50:57,900

right and that and that that ties into

1231

00:51:00,890 --> 00:50:59,460

what I was saying earlier that cluster

1232

00:51:02,870 --> 00:51:00,900

of things in the second century the

1233

00:51:03,710 --> 00:51:02,880

cluster of artifacts

1234

00:51:07,790 --> 00:51:03,720

um

1235

00:51:09,530 --> 00:51:07,800

that uh the uh Back Creek zone is just

1236

00:51:11,750 --> 00:51:09,540

one of them um but there's all these

1237

00:51:14,450 --> 00:51:11,760

artifacts there's a fascinating uh

1238

00:51:18,049 --> 00:51:14,460

Menorah uh shaped

1239

00:51:19,750 --> 00:51:18,059

um fort in in Northern Ohio

1240

00:51:27,670 --> 00:51:19,760

um

1241

00:51:31,609 --> 00:51:30,049

the Hanukkah celebration the Hanukkah

1242

00:51:34,790 --> 00:51:31,619

festival in Judaism

1243

00:51:38,270 --> 00:51:34,800

um and and this in this fortification

1244

00:51:40,730 --> 00:51:38,280

um is matches a perfect design of a

1245

00:51:42,829 --> 00:51:40,740

menorah along with an oil lamp which is

1246

00:51:45,230 --> 00:51:42,839

also part of that Festival so why in the

1247

00:51:47,150 --> 00:51:45,240

world would a native with the with the

1248

00:51:50,930 --> 00:51:47,160

Native Americans or any kind of early

1249

00:51:53,270 --> 00:51:50,940

settlers design a fort that honors a

1250

00:51:56,210 --> 00:51:53,280

Jewish Festival unless they were Jewish

1251  
00:51:58,190 --> 00:51:56,220  
so again we have this whole idea of the

1252  
00:52:00,530 --> 00:51:58,200  
Back Creek Stone the arm the fort

1253  
00:52:02,150 --> 00:52:00,540  
something called the the decaladstone

1254  
00:52:03,770 --> 00:52:02,160  
also from Ohio which is The Ten

1255  
00:52:06,290 --> 00:52:03,780  
Commandments carved in a picture of

1256  
00:52:08,750 --> 00:52:06,300  
Moses also dating the wood dating back

1257  
00:52:11,089 --> 00:52:08,760  
to the second century all these

1258  
00:52:14,569 --> 00:52:11,099  
Jewish related artifacts in the second

1259  
00:52:16,549 --> 00:52:14,579  
century in the Ohio River Valley

1260  
00:52:18,829 --> 00:52:16,559  
why you know what's the story behind

1261  
00:52:21,890 --> 00:52:18,839  
that but there has to be a story what

1262  
00:52:23,990 --> 00:52:21,900  
were the odds of uh the decalogue Stone

1263  
00:52:25,370 --> 00:52:24,000

which is only this big right

1264

00:52:29,390 --> 00:52:25,380

it's not the size of a channel remote

1265

00:52:31,670 --> 00:52:29,400

for your television it's a tiny little

1266

00:52:34,069 --> 00:52:31,680

um I'm just glad it was found because

1267

00:52:37,849 --> 00:52:34,079

it's small we're not talking about some

1268

00:52:41,630 --> 00:52:37,859

ginormous you know carved tablet uh the

1269

00:52:44,150 --> 00:52:41,640

decalogue stone is is very small right

1270

00:52:47,510 --> 00:52:44,160

um and it was it was it was it found in

1271

00:52:49,490 --> 00:52:47,520

a Native American burial

1272

00:52:51,589 --> 00:52:49,500

um Mound this is back when the

1273

00:52:52,910 --> 00:52:51,599

Smithsonian in the late 1800s they were

1274

00:52:55,430 --> 00:52:52,920

going through all these burial mounds

1275

00:52:56,270 --> 00:52:55,440

and trying to trying to figure out you

1276

00:52:58,549 --> 00:52:56,280

know

1277

00:53:00,470 --> 00:52:58,559

oftentimes they found giant skeletons in

1278

00:53:02,210 --> 00:53:00,480

these burial mounts eight nine feet

1279

00:53:04,730 --> 00:53:02,220

skeletons you know a lot a lot of what

1280

00:53:06,109 --> 00:53:04,740

they found was that and and trying to

1281

00:53:08,450 --> 00:53:06,119

figure that mystery out that that

1282

00:53:10,069 --> 00:53:08,460

mystery but in this particular case they

1283

00:53:12,109 --> 00:53:10,079

found the stone

1284

00:53:15,950 --> 00:53:12,119

and they thought originally it was an

1285

00:53:18,589 --> 00:53:15,960

ancient uh early kind of Cherokee script

1286

00:53:21,109 --> 00:53:18,599

um and and and for for about 70 or 80

1287

00:53:24,230 --> 00:53:21,119

years it was displayed that way and then

1288

00:53:26,450 --> 00:53:24,240

in the 1950s a uh a patent attorney from

1289

00:53:28,730 --> 00:53:26,460

Chicago I believe her name was Henrietta

1290

00:53:30,230 --> 00:53:28,740

Mertz took a look at it turned it upside

1291

00:53:33,049 --> 00:53:30,240

down and said wait a second that's

1292

00:53:34,910 --> 00:53:33,059

Hebrew that's not Cherokee uh and then

1293

00:53:37,430 --> 00:53:34,920

the Smithsonian started backtracking oh

1294

00:53:39,410 --> 00:53:37,440

we can't have Hebrew and you know even

1295

00:53:41,150 --> 00:53:39,420

though their guy found it so the only

1296

00:53:43,370 --> 00:53:41,160

thing they could do at that point and

1297

00:53:45,230 --> 00:53:43,380

Scott tells the story really well is is

1298

00:53:47,510 --> 00:53:45,240

they started pointing their finger at

1299

00:53:50,329 --> 00:53:47,520

their own Guy saying well he must have

1300

00:53:53,390 --> 00:53:50,339

he must have somehow this must be a hoax

1301

00:53:55,849 --> 00:53:53,400

or or fabrication

1302

00:53:57,829 --> 00:53:55,859

um you know because we know about we

1303

00:53:59,809 --> 00:53:57,839

know about him in the 1880s he was he

1304

00:54:01,069 --> 00:53:59,819

was known to drink a little whiskey well

1305

00:54:02,809 --> 00:54:01,079

I mean there's a surprise somebody in

1306

00:54:08,030 --> 00:54:02,819

the 1880s in Tennessee drinking whiskey

1307

00:54:17,829 --> 00:54:10,130

why is it

1308

00:54:21,829 --> 00:54:17,839

is always the bad guy

1309

00:54:24,650 --> 00:54:21,839

because where there's smoke there's fire

1310

00:54:26,150 --> 00:54:24,660

so I've I disagree with Scott on this he

1311

00:54:29,870 --> 00:54:26,160

and other researchers they think there's

1312

00:54:32,809 --> 00:54:29,880

a a conspiracy uh you know to sort of

1313

00:54:34,430 --> 00:54:32,819

hide hide the truth from uh from

1314

00:54:38,990 --> 00:54:34,440

Americans I don't think that's the case

1315

00:54:41,690 --> 00:54:39,000

I think what there is is a um a feeling

1316

00:54:43,490 --> 00:54:41,700

amongst academic types that they don't

1317

00:54:45,890 --> 00:54:43,500

want to have egg on their face they

1318

00:54:47,450 --> 00:54:45,900

don't like to be embarrassed and most of

1319

00:54:48,710 --> 00:54:47,460

these guys including the guys at the

1320

00:54:51,530 --> 00:54:48,720

Smithsonian

1321

00:54:54,410 --> 00:54:51,540

took a particular stand

1322

00:54:55,490 --> 00:54:54,420

so sort of a Line in the Sand saying you

1323

00:54:58,849 --> 00:54:55,500

know there was nobody here before

1324

00:55:01,910 --> 00:54:58,859

Columbus and X Y and Z did not happen

1325

00:55:03,710 --> 00:55:01,920

and then when evidence came up that

1326

00:55:06,049 --> 00:55:03,720

contradicted them made them look like

1327

00:55:08,329 --> 00:55:06,059

they were idiots they suppress that

1328

00:55:09,589 --> 00:55:08,339

evidence not because of Any conspiracy

1329

00:55:10,910 --> 00:55:09,599

of Silence not because they didn't want

1330

00:55:12,829 --> 00:55:10,920

to know the truth but because they

1331

00:55:14,030 --> 00:55:12,839

didn't want to look stupid and I've

1332

00:55:17,630 --> 00:55:14,040

always felt that that's what's really

1333

00:55:19,730 --> 00:55:17,640

going on there that when we for a long

1334

00:55:22,790 --> 00:55:19,740

time if you were an Ivy League Professor

1335

00:55:25,010 --> 00:55:22,800

uh and you wanted to to have a PhD

1336

00:55:27,290 --> 00:55:25,020

dissertation that passed or he wanted to

1337

00:55:29,690 --> 00:55:27,300

get tenure if you're a professor

1338

00:55:32,990 --> 00:55:29,700

it was known that you could not question

1339

00:55:35,390 --> 00:55:33,000

the Primacy of Columbus okay Samuel

1340

00:55:38,329 --> 00:55:35,400

Elliott Morrison was the chairman of the

1341

00:55:40,730 --> 00:55:38,339

history department at Harvard he was a

1342

00:55:44,690 --> 00:55:40,740

biographer of Columbus Columbus was his

1343

00:55:45,950 --> 00:55:44,700

guy and if you dared cross Morrison by

1344

00:55:48,470 --> 00:55:45,960

claiming anybody was here before

1345

00:55:50,809 --> 00:55:48,480

Columbus that was it academic suicide

1346

00:55:54,170 --> 00:55:50,819

okay so a whole generation of Scholars

1347

00:55:56,089 --> 00:55:54,180

that's over now probably to a degree but

1348

00:55:58,490 --> 00:55:56,099

it wasn't because Morrison

1349

00:56:01,130 --> 00:55:58,500

had some conspiracy theory it's because

1350

00:56:02,450 --> 00:56:01,140

he had staked out a claim his reputation

1351  
00:56:05,809 --> 00:56:02,460  
was was

1352  
00:56:07,250 --> 00:56:05,819  
at stake and he did not want to be

1353  
00:56:09,170 --> 00:56:07,260  
proven wrong

1354  
00:56:12,230 --> 00:56:09,180  
and so that's what I think was going on

1355  
00:56:13,490 --> 00:56:12,240  
both in Academia and Smithsonian just a

1356  
00:56:15,049 --> 00:56:13,500  
question of human nature we don't have

1357  
00:56:18,049 --> 00:56:15,059  
to be wrong about stuff

1358  
00:56:20,390 --> 00:56:18,059  
but it seems that

1359  
00:56:23,630 --> 00:56:20,400  
um I mean there is

1360  
00:56:27,230 --> 00:56:23,640  
there's no shortage of historical

1361  
00:56:30,770 --> 00:56:27,240  
references in the media uh about the

1362  
00:56:34,010 --> 00:56:30,780  
Smithsonian coming in and and taking

1363  
00:56:36,109 --> 00:56:34,020

over stuff spiriting stuff away and that

1364

00:56:40,549 --> 00:56:36,119

stuff disappearing

1365

00:56:43,790 --> 00:56:40,559

um and and it I I I I almost got

1366

00:56:46,250 --> 00:56:43,800

a little bored in reading these these

1367

00:56:48,829 --> 00:56:46,260

news clippings uh at around the turn of

1368

00:56:52,910 --> 00:56:48,839

the century of this happening over and

1369

00:56:54,650 --> 00:56:52,920

over again and why why would the

1370

00:56:57,290 --> 00:56:54,660

Smithsonian

1371

00:56:59,750 --> 00:56:57,300

um care about Giants in America

1372

00:57:03,109 --> 00:56:59,760

you know I could understand I could

1373

00:57:05,930 --> 00:57:03,119

understand maybe a little bit uh you

1374

00:57:09,710 --> 00:57:05,940

know in a a cave full of Egyptian

1375

00:57:11,089 --> 00:57:09,720

artifacts in in the Grand Canyon I mean

1376

00:57:13,670 --> 00:57:11,099

you might want to cover that one up a

1377

00:57:16,790 --> 00:57:13,680

little bit I don't know but but

1378

00:57:19,309 --> 00:57:16,800

um but the Smithsonian is named in these

1379

00:57:22,190 --> 00:57:19,319

articles over and over again

1380

00:57:23,930 --> 00:57:22,200

yeah so I again it goes back to whoever

1381

00:57:26,089 --> 00:57:23,940

it was I forget the guy's name who was

1382

00:57:28,549 --> 00:57:26,099

in charge of the Smithsonian back then

1383

00:57:31,910 --> 00:57:28,559

who basically was

1384

00:57:35,089 --> 00:57:31,920

um His Name Escapes me but he championed

1385

00:57:36,829 --> 00:57:35,099

that whole idea that there was nobody

1386

00:57:38,870 --> 00:57:36,839

here before Columbus and part of that by

1387

00:57:40,309 --> 00:57:38,880

the way is the whole Manifest Destiny

1388

00:57:41,870 --> 00:57:40,319

thing yes

1389

00:57:43,670 --> 00:57:41,880

um that that if if we're going to

1390

00:57:46,010 --> 00:57:43,680

justify taking all this land from the

1391

00:57:48,710 --> 00:57:46,020

Native Americans and basically pushing

1392

00:57:50,569 --> 00:57:48,720

away across that it can't have already

1393

00:57:53,089 --> 00:57:50,579

been discovered by previous groups of

1394

00:57:56,089 --> 00:57:53,099

Europeans if that already happened then

1395

00:57:58,370 --> 00:57:56,099

we can't be God's choice to discover it

1396

00:58:00,770 --> 00:57:58,380

if it was already discovered so there's

1397

00:58:02,569 --> 00:58:00,780

partly that and and that was part of

1398

00:58:05,030 --> 00:58:02,579

what was going on especially in the

1399

00:58:07,069 --> 00:58:05,040

early to mid 1800s this whole Manifest

1400

00:58:09,109 --> 00:58:07,079

Destiny thing it's okay to push the

1401

00:58:11,030 --> 00:58:09,119

natives off the land because God wanted

1402

00:58:13,549 --> 00:58:11,040

it that way wanted us to discover this

1403

00:58:14,930 --> 00:58:13,559

land and of course that

1404

00:58:16,190 --> 00:58:14,940

if they were again if there were other

1405

00:58:18,589 --> 00:58:16,200

people already here including the

1406

00:58:20,630 --> 00:58:18,599

Templars then

1407

00:58:23,390 --> 00:58:20,640

that goes out the window so that was

1408

00:58:25,609 --> 00:58:23,400

part of it for sure yeah the whole

1409

00:58:28,730 --> 00:58:25,619

Manifest Destiny

1410

00:58:31,309 --> 00:58:28,740

um thing when I when I studied that now

1411

00:58:34,430 --> 00:58:31,319

as an adult right it's one thing when

1412

00:58:38,150 --> 00:58:34,440

you're a kid you read it now and man

1413

00:58:42,010 --> 00:58:38,160

that was effed up right I mean it was

1414

00:58:45,190 --> 00:58:42,020

like totally and and and

1415

00:58:50,270 --> 00:58:45,200

how how do you

1416

00:58:53,990 --> 00:58:50,280

have a a successful

1417

00:58:55,609 --> 00:58:54,000

um government throughout history how do

1418

00:58:58,490 --> 00:58:55,619

you do it how do you control the masses

1419

00:59:01,569 --> 00:58:58,500

well God said that's all you got to do

1420

00:59:04,670 --> 00:59:01,579

that's what Rome did right

1421

00:59:07,250 --> 00:59:04,680

this is God's government right I believe

1422

00:59:10,390 --> 00:59:07,260

in God God believes in us and we believe

1423

00:59:13,609 --> 00:59:10,400

in you and and that whole tiered factor

1424

00:59:16,670 --> 00:59:13,619

and it's it's like the Playbook isn't it

1425

00:59:19,309 --> 00:59:16,680

and you just slap God on it and then

1426

00:59:21,829 --> 00:59:19,319

suddenly uh everybody follows like

1427

00:59:26,030 --> 00:59:21,839

Lemmings to the Sea manifest Destinies

1428

00:59:28,190 --> 00:59:26,040

of classic example yeah it really is yes

1429

00:59:29,690 --> 00:59:28,200

JW Powell somebody just texted me by the

1430

00:59:31,789 --> 00:59:29,700

way the name of the guy who's ahead of

1431

00:59:35,030 --> 00:59:31,799

Smithsonian back in the late 1800s JW

1432

00:59:36,589 --> 00:59:35,040

Powell and he was he had an agenda no

1433

00:59:38,030 --> 00:59:36,599

doubt about it and so a lot of those

1434

00:59:40,250 --> 00:59:38,040

artifacts disappeared because they

1435

00:59:43,490 --> 00:59:40,260

didn't fit his agenda

1436

00:59:45,710 --> 00:59:43,500

let's um let's take our uh break let's

1437

00:59:47,530 --> 00:59:45,720

get that in now this is Fade to Black

1438

00:59:50,329 --> 00:59:47,540

I'm your host Jimmy church and tonight

1439

00:59:52,309 --> 00:59:50,339

David Brody is with us and we are

1440

00:59:55,190 --> 00:59:52,319

discussing the Knights Templar in North

1441

00:59:56,870 --> 00:59:55,200

America amongst other things like John

1442

01:00:00,109 --> 00:59:56,880

the Baptist we'll be right back up to

1443

01:00:04,430 --> 01:00:02,089

this is Jimmy Church of Fade to Black

1444

01:00:06,650 --> 01:00:04,440

please visit all of our sponsors we're

1445

01:00:08,329 --> 01:00:06,660

taking a quick break here all of the

1446

01:00:10,569 --> 01:00:08,339

links are below

1447

01:00:15,049 --> 01:00:10,579

and we'll be right back

1448

01:00:17,569 --> 01:00:15,059

join us November 10th 11th and 12th 2023

1449

01:00:20,210 --> 01:00:17,579

as disclosure Fest foundation and Fade

1450

01:00:22,670 --> 01:00:20,220

to Black radio presents Stairway To the

1451

01:00:25,190 --> 01:00:22,680

Stars a human Origins Science and

1452

01:00:28,250 --> 01:00:25,200

Technology Expo live at the Luxor Hotel

1453

01:00:30,530 --> 01:00:28,260

and Casino and the Las Vegas Strip with

1454

01:00:32,510 --> 01:00:30,540

live talks and lectures and workshops by

1455

01:00:34,609 --> 01:00:32,520

World Acclaim researchers and authors

1456

01:00:37,190 --> 01:00:34,619

this is Jimmy Church by the way and I'll

1457

01:00:39,470 --> 01:00:37,200

be your host all weekend long featuring

1458

01:00:41,630 --> 01:00:39,480

topics like human Origins ancient

1459

01:00:44,510 --> 01:00:41,640

Technologies indigenous teachings

1460

01:00:46,849 --> 01:00:44,520

workshops a mass meditation yoga and

1461

01:00:49,609 --> 01:00:46,859

sound healing music and so much more

1462

01:00:52,490 --> 01:00:49,619

don't miss our intimate sky watch and

1463

01:00:55,309 --> 01:00:52,500

meteor shower over the infamous Area 51

1464

01:00:57,109 --> 01:00:55,319

airspace in Rachel Nevada with special

1465

01:00:59,390 --> 01:00:57,119

surprise celebrity host guiding us

1466

01:01:03,289 --> 01:00:59,400

through the night also introducing our

1467

01:01:05,510 --> 01:01:03,299

disclosure Fest VR Starship area with

1468

01:01:08,270 --> 01:01:05,520

dozens of rides you've gotta check it

1469

01:01:09,770 --> 01:01:08,280

out this event will sell out for more

1470

01:01:12,109 --> 01:01:09,780

information and tickets Please visit

1471

01:01:17,270 --> 01:01:12,119

disclosure fest.org

1472

01:01:20,150 --> 01:01:17,280

the secret is out life waves x39 is the

1473

01:01:22,190 --> 01:01:20,160

reason why I have got my vision back

1474

01:01:25,569 --> 01:01:22,200

this is Jimmy Church of Fade to Black

1475

01:01:28,270 --> 01:01:25,579

and you need to go straight to Healing

1476

01:01:32,510 --> 01:01:28,280

worksnow.com that's

1477

01:01:35,270 --> 01:01:32,520

healingworksnow.com works with an X all

1478

01:01:39,170 --> 01:01:35,280

of the information that you need is on

1479

01:01:42,410 --> 01:01:39,180

that portal find out why I look great I

1480

01:01:46,309 --> 01:01:42,420

feel great I'm thinking clearly I sleep

1481

01:01:49,370 --> 01:01:46,319

I dream life is good all of it you've

1482

01:01:51,589 --> 01:01:49,380

got to check out lifewaves x39 and all

1483

01:01:54,010 --> 01:01:51,599

of their other products it's all simple

1484

01:01:56,650 --> 01:01:54,020

to do go to

1485

01:02:01,010 --> 01:01:56,660

healingworksnow.com that

1486

01:02:03,589 --> 01:02:01,020

healingworksnow.com works with an X

1487

01:02:05,930 --> 01:02:03,599

hey everybody it's Billy Carson also

1488

01:02:07,430 --> 01:02:05,940

known as Forbidden Knowledge I want to

1489

01:02:11,089 --> 01:02:07,440

talk to you about a very special event

1490

01:02:13,190 --> 01:02:11,099

coming up July 30th 2023 The Forbidden

1491

01:02:14,809 --> 01:02:13,200

conscious Awards we're going to honor

1492

01:02:17,210 --> 01:02:14,819

people who have been contributing to the

1493

01:02:18,710 --> 01:02:17,220

conscious Community for decades people

1494

01:02:20,450 --> 01:02:18,720

that you know and love that have helped

1495

01:02:22,430 --> 01:02:20,460

you get to higher levels of thought and

1496

01:02:24,770 --> 01:02:22,440

Consciousness and awareness it's going

1497

01:02:26,089 --> 01:02:24,780

to be alive in-person event but seats

1498

01:02:27,890 --> 01:02:26,099

are going to sell out very fast you want

1499

01:02:29,510 --> 01:02:27,900

to make sure you're there in person and

1500

01:02:31,270 --> 01:02:29,520

guess what you can help vote for the

1501

01:02:33,349 --> 01:02:31,280

winners voting is available on

1502

01:02:34,970 --> 01:02:33,359

forbiddenknowledge.com and the

1503

01:02:38,089 --> 01:02:34,980

categories are going to be social media

1504

01:02:39,970 --> 01:02:38,099

influencer podcast slash radio host TV

1505

01:02:41,690 --> 01:02:39,980

host actor director producer

1506

01:02:43,190 --> 01:02:41,700

entrepreneurs health and wellness

1507

01:02:45,650 --> 01:02:43,200

philanthropists authors field

1508

01:02:47,390 --> 01:02:45,660

researchers archaeologists space anomaly

1509

01:02:50,210 --> 01:02:47,400

hunters and of course a Lifetime

1510

01:02:52,130 --> 01:02:50,220

Achievement Award I'll be your keynote

1511

01:02:54,049 --> 01:02:52,140

speaker that night at The Forbidden

1512

01:02:56,390 --> 01:02:54,059

conscious Awards we have celebrity

1513

01:02:57,950 --> 01:02:56,400

guests performing we'll have a halftime

1514

01:02:59,630 --> 01:02:57,960

show where we're actually going to

1515

01:03:02,270 --> 01:02:59,640

perform music for you and don't forget

1516

01:03:04,190 --> 01:03:02,280

about the free event mixer where if you

1517

01:03:06,109 --> 01:03:04,200

buy a box seat we'll be in the VIP

1518

01:03:08,809 --> 01:03:06,119

section and you also have private access

1519

01:03:11,930 --> 01:03:08,819

to a big-ip mixer with celebrity guests

1520

01:03:13,670 --> 01:03:11,940

shake hands break bread Network and then

1521

01:03:15,530 --> 01:03:13,680

walk the red carpet with us and take

1522

01:03:16,789 --> 01:03:15,540

amazing photos it's going to be a night

1523

01:03:19,010 --> 01:03:16,799

to remember you don't want to forget

1524

01:03:20,630 --> 01:03:19,020

this make sure you hurry up and get your

1525

01:03:23,150 --> 01:03:20,640

tickets because you're selling out very

1526

01:03:25,010 --> 01:03:23,160

fast I want to see you there forbidden

1527

01:03:28,549 --> 01:03:25,020

conscious Awards 2023

1528

01:03:34,789 --> 01:03:31,970

River Moon coffee makers of the Fade to

1529

01:03:36,609 --> 01:03:34,799

Black blend truly the best coffee on

1530

01:03:38,870 --> 01:03:36,619

planet Earth just visit

1531

01:03:40,730 --> 01:03:38,880

rivermoonwellness.com or their Amazon

1532

01:03:42,170 --> 01:03:40,740

store it's all simple to do you can

1533

01:03:44,210 --> 01:03:42,180

check out the Fade to Black blend the

1534

01:03:46,910 --> 01:03:44,220

game changer Blend or any of their black

1535

01:03:50,630 --> 01:03:46,920

moon wellness products it's the only

1536

01:03:55,849 --> 01:03:50,640

coffee I drink it is the best and it's

1537

01:03:59,329 --> 01:03:58,190

all right Welcome Back Fade to Black I'm

1538

01:04:03,230 --> 01:03:59,339

your host Jimmy Church our guest tonight

1539

01:04:07,910 --> 01:04:03,240

Dave Brody and today is an interesting

1540

01:04:11,930 --> 01:04:07,920

day everybody uh I realize the breaking

1541

01:04:16,130 --> 01:04:11,940

news that is all over the Internet

1542

01:04:19,549 --> 01:04:16,140

um and uh uh about our our government

1543

01:04:24,289 --> 01:04:19,559

and and corporations uh special access

1544

01:04:28,069 --> 01:04:24,299

programs are in possession of uh

1545

01:04:30,049 --> 01:04:28,079

uh E.T flying saucers right there's no

1546

01:04:32,990 --> 01:04:30,059

other way to put it craft not built on

1547

01:04:36,049 --> 01:04:33,000

this Earth some of them intact uh from

1548

01:04:39,589 --> 01:04:36,059

small artifacts all the way through uh

1549

01:04:44,870 --> 01:04:39,599

to fully intact craft and uh this story

1550

01:04:48,710 --> 01:04:44,880

is breaking and uh we have uh quite a

1551

01:04:51,410 --> 01:04:48,720

few uh people to talk to in in the days

1552

01:04:54,170 --> 01:04:51,420

weeks and months ahead it's a it's a

1553

01:04:56,870 --> 01:04:54,180

very very big day and

1554

01:04:59,750 --> 01:04:56,880

um for me I almost broke away uh this

1555

01:05:03,349 --> 01:04:59,760

afternoon and did a live stream if we go

1556

01:05:05,690 --> 01:05:03,359

back to December of uh 2017 uh when

1557

01:05:08,210 --> 01:05:05,700

Leslie Kane and Ralph Blumenthal who

1558

01:05:11,750 --> 01:05:08,220

wrote the article today

1559

01:05:14,270 --> 01:05:11,760

um uh disclosing uh three different uh

1560

01:05:16,910 --> 01:05:14,280

whistleblowers talking about this

1561

01:05:21,289 --> 01:05:16,920

um that it was it was a big day and here

1562

01:05:23,930 --> 01:05:21,299

we have June 5th now 2023

1563

01:05:25,930 --> 01:05:23,940

um a very interesting day so I will be

1564

01:05:29,630 --> 01:05:25,940

covering during this

1565

01:05:32,809 --> 01:05:29,640

completely in again the days weeks and

1566

01:05:35,089 --> 01:05:32,819

months ahead a very very big day but uh

1567

01:05:37,309 --> 01:05:35,099

the show today is about the ninth

1568

01:05:40,609 --> 01:05:37,319

Templar in in North America Our Guest is

1569

01:05:43,130 --> 01:05:40,619

Dave Brody and Dave I wanted to ask you

1570

01:05:45,650 --> 01:05:43,140

about and and thank you again I know

1571

01:05:47,450 --> 01:05:45,660

it's a crazy news day and it's it's out

1572

01:05:49,609 --> 01:05:47,460

of your wheelhouse

1573

01:05:52,490 --> 01:05:49,619

um it's just that that is the

1574

01:05:54,829 --> 01:05:52,500

conversation that is going on

1575

01:05:57,950 --> 01:05:54,839

um the back and forth and and the

1576

01:06:00,470 --> 01:05:57,960

Pentagon chiming in today and different

1577

01:06:02,390 --> 01:06:00,480

media organizations covering it and

1578

01:06:05,450 --> 01:06:02,400

everybody's clamoring to get to these

1579

01:06:08,809 --> 01:06:05,460

people and and uh you know get them on

1580

01:06:11,390 --> 01:06:08,819

the air it's it's it's it's it's nuts I

1581

01:06:13,670 --> 01:06:11,400

I would have never thought

1582

01:06:16,849 --> 01:06:13,680

um uh we're going right back to the

1583

01:06:20,530 --> 01:06:16,859

Knights Templar but I just I never saw a

1584

01:06:23,990 --> 01:06:20,540

day like this uh a a period I should say

1585

01:06:26,630 --> 01:06:24,000

uh like this happening and it just seems

1586

01:06:29,270 --> 01:06:26,640

like it's it's not going to slow down

1587

01:06:31,910 --> 01:06:29,280

it's it's just very strange

1588

01:06:35,029 --> 01:06:31,920

you know so you know I'm not I'm not

1589

01:06:37,970 --> 01:06:35,039

that's not my field of expertise but

1590

01:06:40,190 --> 01:06:37,980

obviously anybody would be fascinated by

1591

01:06:41,410 --> 01:06:40,200

these Revelations

1592

01:06:43,549 --> 01:06:41,420

um

1593

01:06:45,829 --> 01:06:43,559

anybody who lives on this planet would

1594

01:06:47,210 --> 01:06:45,839

be fascinated by this stuff to me it's

1595

01:06:49,130 --> 01:06:47,220

always going to come down to the

1596

01:06:50,809 --> 01:06:49,140

evidence you know again I'm talking

1597

01:06:52,370 --> 01:06:50,819

about that and that's how I do my

1598

01:06:54,049 --> 01:06:52,380

research that's how I was trained as an

1599

01:06:56,529 --> 01:06:54,059

attorney this guy's name I think his

1600

01:06:59,089 --> 01:06:56,539

name is grush am I right about that

1601  
01:07:01,069 --> 01:06:59,099  
so you know he claims to have this is

1602  
01:07:02,870 --> 01:07:01,079  
sort of second hand right away my my

1603  
01:07:04,609 --> 01:07:02,880  
antenna go up as an attorney you know

1604  
01:07:06,230 --> 01:07:04,619  
that's hearsay not that we're in a court

1605  
01:07:08,450 --> 01:07:06,240  
of law or anything but at some point

1606  
01:07:09,950 --> 01:07:08,460  
someone's actually got to have the goods

1607  
01:07:12,950 --> 01:07:09,960  
right someone's gonna actually get a

1608  
01:07:14,870 --> 01:07:12,960  
show up with the the photographs or the

1609  
01:07:15,950 --> 01:07:14,880  
or the actual in this case we're talking

1610  
01:07:21,970 --> 01:07:15,960  
about

1611  
01:07:25,549 --> 01:07:23,870  
at some point someone's got to come

1612  
01:07:27,710 --> 01:07:25,559  
forward this stuff

1613  
01:07:30,529 --> 01:07:27,720

um you know it seems like we're getting

1614

01:07:33,289 --> 01:07:30,539

closer and closer to that but to me it

1615

01:07:34,549 --> 01:07:33,299

always comes down to somebody's got to

1616

01:07:36,049 --> 01:07:34,559

have if these things are out there

1617

01:07:38,690 --> 01:07:36,059

somebody's got to have it someone's got

1618

01:07:41,089 --> 01:07:38,700

to be the Whistleblower this guy was but

1619

01:07:53,829 --> 01:07:41,099

let's see the actual the actual evidence

1620

01:07:58,849 --> 01:07:56,390

the other part about this

1621

01:08:02,089 --> 01:07:58,859

um where the similarities are there

1622

01:08:03,349 --> 01:08:02,099

is you've got the Skeptics and the

1623

01:08:07,069 --> 01:08:03,359

debunkers

1624

01:08:10,510 --> 01:08:07,079

and here's the because you're dealing

1625

01:08:12,430 --> 01:08:10,520

with the same thing right yeah and but

1626

01:08:17,630 --> 01:08:12,440

the skeptical

1627

01:08:20,689 --> 01:08:17,640

um I don't know what their subscriptions

1628

01:08:24,349 --> 01:08:20,699

are to to their magazine but it's in the

1629

01:08:26,630 --> 01:08:24,359

thousands it's not in the millions right

1630

01:08:31,070 --> 01:08:26,640

um the Skeptics are always it's a very

1631

01:08:35,150 --> 01:08:31,080

small group solid group right cemented

1632

01:08:37,789 --> 01:08:35,160

but very very small the debunker crowd

1633

01:08:41,590 --> 01:08:37,799

is singular these are singular

1634

01:08:44,809 --> 01:08:41,600

individuals but they're also the loudest

1635

01:08:47,090 --> 01:08:44,819

and they always they always manage to

1636

01:08:49,490 --> 01:08:47,100

get heard and you deal with the same

1637

01:08:50,749 --> 01:08:49,500

thing uh with your subjects right this

1638

01:08:52,729 --> 01:08:50,759

goes back to what I talked about before

1639

01:08:54,610 --> 01:08:52,739

the break they're the ones who are gonna

1640

01:08:57,650 --> 01:08:54,620

have egg on their face if it turns out

1641

01:09:00,470 --> 01:08:57,660

that some of these alien claims are are

1642

01:09:02,930 --> 01:09:00,480

provable or if it turns out the Templar

1643

01:09:05,150 --> 01:09:02,940

claims are provable all these people who

1644

01:09:06,650 --> 01:09:05,160

have gone record year after year after

1645

01:09:08,510 --> 01:09:06,660

year saying it didn't happen it didn't

1646

01:09:10,010 --> 01:09:08,520

happen it didn't happen right they're

1647

01:09:12,530 --> 01:09:10,020

going to have incredible amounts of egg

1648

01:09:14,689 --> 01:09:12,540

on their face and no one wants that so

1649

01:09:17,030 --> 01:09:14,699

you know that's why they're so loud and

1650

01:09:19,070 --> 01:09:17,040

so vehement uh their professional

1651

01:09:22,249 --> 01:09:19,080

reputations are at stake and I I get

1652

01:09:24,590 --> 01:09:22,259

that I understand that if it turns out

1653

01:09:26,510 --> 01:09:24,600

Scott and I Scott Walter and I joke

1654

01:09:29,209 --> 01:09:26,520

sometimes if it turns out that the

1655

01:09:32,630 --> 01:09:29,219

Kensington Moonstone really was a hoax

1656

01:09:34,970 --> 01:09:32,640

I mean it's gonna be ugly for us you

1657

01:09:37,189 --> 01:09:34,980

know we've we've staked our our

1658

01:09:39,050 --> 01:09:37,199

reputations on that and it's going to be

1659

01:09:40,010 --> 01:09:39,060

hard for us to to come to grips with

1660

01:09:41,209 --> 01:09:40,020

that

1661

01:09:42,829 --> 01:09:41,219

um so I understand where they're coming

1662

01:09:44,390 --> 01:09:42,839

from if someone's going to be wrong here

1663

01:09:47,090 --> 01:09:44,400

and someone's gonna look like an idiot

1664

01:09:49,669 --> 01:09:47,100

at some point because one side of that

1665

01:09:52,669 --> 01:09:49,679

is going to prove it and um

1666

01:09:54,410 --> 01:09:52,679

you know no one likes that so that's why

1667

01:09:57,830 --> 01:09:54,420

things get a little heated yeah yeah

1668

01:10:02,570 --> 01:09:57,840

yeah and and here's here's here's the

1669

01:10:04,970 --> 01:10:02,580

thing with that though is I think you

1670

01:10:06,950 --> 01:10:04,980

want to be on the right side of History

1671

01:10:10,910 --> 01:10:06,960

right you want to be on the right side

1672

01:10:14,030 --> 01:10:10,920

and and the farther we push this into

1673

01:10:16,790 --> 01:10:14,040

the future with research the more our

1674

01:10:19,490 --> 01:10:16,800

knowledge base grows and that goes back

1675

01:10:22,970 --> 01:10:19,500

to you know there may be an Atlantis

1676

01:10:25,790 --> 01:10:22,980

right there may be there may be a stuff

1677

01:10:28,370 --> 01:10:25,800

in our distant distant distant past that

1678

01:10:30,530 --> 01:10:28,380

predates everything you want to be on

1679

01:10:33,890 --> 01:10:30,540

the right side of History you can't say

1680

01:10:36,890 --> 01:10:33,900

definitively right now that something is

1681

01:10:40,370 --> 01:10:36,900

is is wrong or something is you can't do

1682

01:10:43,010 --> 01:10:40,380

that it's better to yes and that's a

1683

01:10:45,590 --> 01:10:43,020

really good point and so I want two two

1684

01:10:47,930 --> 01:10:45,600

comments of that one is I say all the

1685

01:10:49,669 --> 01:10:47,940

time like I want to live in the world

1686

01:10:51,950 --> 01:10:49,679

these guys live in where everything is

1687

01:10:54,530 --> 01:10:51,960

so black and white and we're at 100

1688

01:10:56,930 --> 01:10:54,540

knowledge and we and we know everything

1689

01:10:58,490 --> 01:10:56,940

there is to know because that's the

1690

01:11:00,770 --> 01:10:58,500

world that they live in that they know

1691

01:11:03,290 --> 01:11:00,780

everything and human knowledge is not

1692

01:11:06,410 --> 01:11:03,300

going to advance one iota beyond what we

1693

01:11:08,270 --> 01:11:06,420

have today in their mind everything's

1694

01:11:11,510 --> 01:11:08,280

been established and there's no future

1695

01:11:13,310 --> 01:11:11,520

knowledge to be uncovered I'm like wow

1696

01:11:15,410 --> 01:11:13,320

that's not the world I live in because

1697

01:11:17,750 --> 01:11:15,420

the world I live in when I was in school

1698

01:11:22,070 --> 01:11:17,760

they told me civilization began in

1699

01:11:26,149 --> 01:11:22,080

Mesopotamia 6 000 years ago now it turns

1700

01:11:28,790 --> 01:11:26,159

out they're wrong by a factor of by by 6

1701

01:11:30,709 --> 01:11:28,800

000 years more it's 12 000 years ago in

1702

01:11:33,410 --> 01:11:30,719

go back late Tepe so they were wrong

1703

01:11:36,470 --> 01:11:33,420

with a factor of two not just by a

1704

01:11:37,729 --> 01:11:36,480

little bit but that's the world I lived

1705

01:11:39,290 --> 01:11:37,739

in where things are always changing

1706

01:11:41,630 --> 01:11:39,300

where where

1707

01:11:44,450 --> 01:11:41,640

all those dates get keep getting pushed

1708

01:11:46,310 --> 01:11:44,460

around and these guys they're just so

1709

01:11:48,110 --> 01:11:46,320

sure of themselves that they have a

1710

01:11:50,390 --> 01:11:48,120

hundred percent knowledge so that's

1711

01:11:51,950 --> 01:11:50,400

point one point two and Scott and I

1712

01:11:54,530 --> 01:11:51,960

argue about this sometimes the

1713

01:11:56,689 --> 01:11:54,540

expression extraordinary claims require

1714

01:11:58,490 --> 01:11:56,699

extraordinary proof

1715

01:12:01,430 --> 01:11:58,500

Scott says that shouldn't be the case it

1716

01:12:04,070 --> 01:12:01,440

should be 51 49 I'm like no bring it on

1717

01:12:06,110 --> 01:12:04,080

because we're trying to change the way

1718

01:12:08,450 --> 01:12:06,120

people think and I accept the challenge

1719

01:12:11,030 --> 01:12:08,460

that we should have extraordinary proof

1720

01:12:13,189 --> 01:12:11,040

that we should have a high bar if we're

1721

01:12:14,510 --> 01:12:13,199

going to actually rewrite history it

1722

01:12:16,370 --> 01:12:14,520

shouldn't be easy to rewrite history

1723

01:12:18,950 --> 01:12:16,380

because we don't want to make a mistake

1724

01:12:21,110 --> 01:12:18,960

I have to go back again and change it if

1725

01:12:22,550 --> 01:12:21,120

we're right and Scott does agree with

1726

01:12:24,350 --> 01:12:22,560

this if we're right

1727

01:12:26,750 --> 01:12:24,360

then we should be able to find

1728

01:12:28,970 --> 01:12:26,760

extraordinary evidence because if you're

1729

01:12:30,830 --> 01:12:28,980

right then once you start breaking

1730

01:12:33,830 --> 01:12:30,840

through that wall other things fall into

1731

01:12:35,870 --> 01:12:33,840

place and and and and other pieces of

1732

01:12:37,250 --> 01:12:35,880

evidence come in and support you and

1733

01:12:38,630 --> 01:12:37,260

that's what we're finding is happening

1734

01:12:42,290 --> 01:12:38,640

that

1735

01:12:45,169 --> 01:12:42,300

as we Forge ahead and find new evidence

1736

01:12:47,810 --> 01:12:45,179

it does support us so I welcome that

1737

01:12:50,270 --> 01:12:47,820

that high bar of extraordinary claims

1738

01:12:52,010 --> 01:12:50,280

require extraordinary proof I think

1739

01:12:53,510 --> 01:12:52,020

that's okay and I think we're going to

1740

01:12:55,189 --> 01:12:53,520

get there

1741

01:12:56,990 --> 01:12:55,199

um and and

1742

01:12:58,550 --> 01:12:57,000

and that's that's the challenge that's

1743

01:13:02,330 --> 01:12:58,560

why we're not there quite yet what I

1744

01:13:03,410 --> 01:13:02,340

talked about the uh 1179 Templar journey

1745

01:13:06,110 --> 01:13:03,420

to America

1746

01:13:07,850 --> 01:13:06,120

if it was if it was just more reasonable

1747

01:13:10,370 --> 01:13:07,860

than like a burden of proof yeah we're

1748

01:13:11,930 --> 01:13:10,380

there on that but I'm not sure we're up

1749

01:13:14,149 --> 01:13:11,940

to the extraordinary proof I'm not sure

1750

01:13:16,189 --> 01:13:14,159

where you know I want the scientific

1751

01:13:18,830 --> 01:13:16,199

evidence and I don't have that yet on

1752

01:13:21,770 --> 01:13:18,840

that particular claim well okay but if

1753

01:13:24,169 --> 01:13:21,780

we look at things and this is where

1754

01:13:26,390 --> 01:13:24,179

um I I start to get a little pissed off

1755

01:13:28,910 --> 01:13:26,400

and you've watched this show enough so

1756

01:13:30,070 --> 01:13:28,920

you know exactly what I'm about to say

1757

01:13:34,550 --> 01:13:30,080

but

1758

01:13:37,630 --> 01:13:34,560

it Bears repeating and that is right now

1759

01:13:41,149 --> 01:13:37,640

you you have a law background

1760

01:13:42,910 --> 01:13:41,159

there are men and women in this country

1761

01:13:45,709 --> 01:13:42,920

in prison

1762

01:13:47,630 --> 01:13:45,719

on testimony

1763

01:13:56,450 --> 01:13:47,640

testimony

1764

01:13:57,649 --> 01:13:56,460

people have been uh executed on sworn

1765

01:14:02,149 --> 01:13:57,659

testimony

1766

01:14:04,070 --> 01:14:02,159

and and the the burden of proof when

1767

01:14:07,669 --> 01:14:04,080

when they said well you know it's it's

1768

01:14:10,010 --> 01:14:07,679

what somebody said how can we well you

1769

01:14:12,350 --> 01:14:10,020

know what we judge people with that

1770

01:14:13,910 --> 01:14:12,360

and so you can't have it both ways you

1771

01:14:17,149 --> 01:14:13,920

can't have one argument where somebody

1772

01:14:20,030 --> 01:14:17,159

is convicted to death over eyewitness

1773

01:14:24,229 --> 01:14:20,040

testimony and then with everything else

1774

01:14:26,450 --> 01:14:24,239

you want something else that is is uh uh

1775

01:14:29,149 --> 01:14:26,460

fact-based and you're pushing stuff

1776

01:14:31,250 --> 01:14:29,159

across the table as as evidence you

1777

01:14:34,790 --> 01:14:31,260

can't have it both ways and then we have

1778

01:14:37,010 --> 01:14:34,800

like the oral histories of Europe the

1779

01:14:38,990 --> 01:14:37,020

oral histories of North and South and

1780

01:14:40,970 --> 01:14:39,000

Central America

1781

01:14:43,189 --> 01:14:40,980

um how much do we how much weight do we

1782

01:14:45,410 --> 01:14:43,199

put on that if we don't necessarily have

1783

01:14:48,590 --> 01:14:45,420

a written language uh to back that up

1784

01:14:53,270 --> 01:14:48,600

that goes for Peru right Chile Argentina

1785

01:14:55,370 --> 01:14:53,280

Brazil Mexico uh North America we have

1786

01:14:56,689 --> 01:14:55,380

one of the I think to answer your

1787

01:14:58,130 --> 01:14:56,699

question a lot of weight by the way I

1788

01:15:01,970 --> 01:14:58,140

think the Native American oral history

1789

01:15:04,130 --> 01:15:01,980

was passed down in a very careful sacred

1790

01:15:06,110 --> 01:15:04,140

way so it's a very important part of

1791

01:15:08,270 --> 01:15:06,120

their culture and we should give it a

1792

01:15:10,669 --> 01:15:08,280

lot of difference and one of the most

1793

01:15:13,729 --> 01:15:10,679

important developments that we have have

1794

01:15:17,149 --> 01:15:13,739

in this research about Templars in

1795

01:15:18,649 --> 01:15:17,159

America is two different Native American

1796

01:15:21,050 --> 01:15:18,659

elders

1797

01:15:24,530 --> 01:15:21,060

confirming to us that the Templars were

1798

01:15:27,290 --> 01:15:24,540

in America built the Newport Tower came

1799

01:15:31,130 --> 01:15:27,300

to Nova Scotia in 1398 those stories

1800

01:15:32,570 --> 01:15:31,140

based on their oral history are true and

1801

01:15:34,729 --> 01:15:32,580

that's a big thing that we you know we

1802

01:15:36,850 --> 01:15:34,739

didn't have that when we started and

1803

01:15:39,350 --> 01:15:36,860

then about five six seven years ago

1804

01:15:41,570 --> 01:15:39,360

Native American leaders came forth and

1805

01:15:44,870 --> 01:15:41,580

confirmed that so that was big because

1806

01:15:47,030 --> 01:15:44,880

obviously they were here so

1807

01:15:48,830 --> 01:15:47,040

the Native American testimony the oral

1808

01:15:50,930 --> 01:15:48,840

history is very important going back to

1809

01:15:53,870 --> 01:15:50,940

what you said earlier about

1810

01:15:55,729 --> 01:15:53,880

testimony putting people in jail

1811

01:15:57,470 --> 01:15:55,739

I agree that that should not be enough

1812

01:15:59,689 --> 01:15:57,480

there should be corroboration that

1813

01:16:03,169 --> 01:15:59,699

should be testimony should be just a

1814

01:16:05,270 --> 01:16:03,179

piece of a larger case that includes

1815

01:16:07,310 --> 01:16:05,280

other pieces of evidence because back to

1816

01:16:09,169 --> 01:16:07,320

what I said before extraordinary claims

1817

01:16:11,390 --> 01:16:09,179

require extraordinary proof putting

1818

01:16:13,430 --> 01:16:11,400

someone in jail for a lifetime should

1819

01:16:15,470 --> 01:16:13,440

require extraordinary proof as well so

1820

01:16:16,910 --> 01:16:15,480

all those things you want you don't want

1821

01:16:19,250 --> 01:16:16,920

to make mistakes about stuff like that

1822

01:16:21,229 --> 01:16:19,260

with someone's Liberty someone's

1823

01:16:24,350 --> 01:16:21,239

Freedom you'd also don't want to make

1824

01:16:27,050 --> 01:16:24,360

mistakes I don't want to make mistakes

1825

01:16:30,410 --> 01:16:27,060

by I don't want to make mistakes in this

1826

01:16:33,169 --> 01:16:30,420

research because

1827

01:16:35,810 --> 01:16:33,179

it opens up the door for the other side

1828

01:16:37,010 --> 01:16:35,820

to point at us and say ah you guys were

1829

01:16:38,750 --> 01:16:37,020

wrong once how do we know you're not

1830

01:16:40,850 --> 01:16:38,760

gonna be wrong again right so we just

1831

01:16:43,310 --> 01:16:40,860

have to be careful because we don't want

1832

01:16:44,990 --> 01:16:43,320

egg on our face like that's just that's

1833

01:16:46,729 --> 01:16:45,000

not going to do us any good I'd rather

1834

01:16:48,530 --> 01:16:46,739

be methodical and take a little extra

1835

01:16:50,450 --> 01:16:48,540

time and make sure we have it right

1836

01:16:53,209 --> 01:16:50,460

before we go way out in front of our

1837

01:16:55,970 --> 01:16:53,219

blockers and get ourselves in trouble

1838

01:16:59,209 --> 01:16:55,980

well if we go back it's it's so simple

1839

01:17:00,830 --> 01:16:59,219

you know I'll just go too what about

1840

01:17:06,290 --> 01:17:00,840

Copernicus

1841

01:17:09,169 --> 01:17:06,300

right what about Galileo and if if if we

1842

01:17:11,750 --> 01:17:09,179

look at astronomy and science before

1843

01:17:14,890 --> 01:17:11,760

those guys and that everything was

1844

01:17:17,149 --> 01:17:14,900

correct right

1845

01:17:21,229 --> 01:17:17,159

the Earth was at the center of the

1846

01:17:24,470 --> 01:17:21,239

universe right the sun revolves around

1847

01:17:26,750 --> 01:17:24,480

planet Earth and that is that where you

1848

01:17:29,930 --> 01:17:26,760

want to be today as far as science goes

1849

01:17:32,870 --> 01:17:29,940

right that's that's not the way to look

1850

01:17:36,229 --> 01:17:32,880

at things and we have to completely keep

1851

01:17:38,270 --> 01:17:36,239

an open mind with all of this because

1852

01:17:40,729 --> 01:17:38,280

um back to your point about Scott Walter

1853

01:17:43,729 --> 01:17:40,739

and your work too as well and Tim Hogan

1854

01:17:46,970 --> 01:17:43,739

and others the mounts of evidence

1855

01:17:49,370 --> 01:17:46,980

stacking up on top of each other it's a

1856

01:17:52,070 --> 01:17:49,380

mountain of stuff here it's not just one

1857

01:17:53,810 --> 01:17:52,080

little piece of of something it's a

1858

01:17:55,310 --> 01:17:53,820

whole lot of stuff

1859

01:17:58,370 --> 01:17:55,320

yeah and that's exciting because again

1860

01:18:02,149 --> 01:17:58,380

when when I I met Scott in 2007 so it's

1861

01:18:03,890 --> 01:18:02,159

been 16 years and again when we you know

1862

01:18:06,229 --> 01:18:03,900

he had just basically started and I was

1863

01:18:07,850 --> 01:18:06,239

definitely just starting and at that

1864

01:18:09,350 --> 01:18:07,860

time what we were doing was really

1865

01:18:10,610 --> 01:18:09,360

considered pretty Cutting Edge because

1866

01:18:12,470 --> 01:18:10,620

there weren't a lot of people out there

1867

01:18:14,570 --> 01:18:12,480

talking about

1868

01:18:16,430 --> 01:18:14,580

groups of Europeans here before Columbus

1869

01:18:19,250 --> 01:18:16,440

it just wasn't

1870

01:18:23,030 --> 01:18:19,260

out there and we we got a lot of people

1871

01:18:24,530 --> 01:18:23,040

looking at us funny now when I go on a

1872

01:18:26,030 --> 01:18:24,540

show like this I'm guessing a lot of

1873

01:18:28,550 --> 01:18:26,040

your listeners have heard this already

1874

01:18:30,830 --> 01:18:28,560

before and they probably nod along with

1875

01:18:33,649 --> 01:18:30,840

it and say yeah that makes sense so we

1876

01:18:36,110 --> 01:18:33,659

are definitely making progress

1877

01:18:37,970 --> 01:18:36,120

um when you just talked about Copernicus

1878

01:18:40,010 --> 01:18:37,980

it reminded me I owed you an explanation

1879

01:18:42,169 --> 01:18:40,020

for barcopca from before the break and I

1880

01:18:44,149 --> 01:18:42,179

did look it up so let me just let me get

1881

01:18:47,050 --> 01:18:44,159

I'm gonna I'm gonna read that last so so

1882

01:18:52,490 --> 01:18:47,060

the park Hopkins Stone inscription

1883

01:18:55,550 --> 01:18:52,500

translates to a comet for the Jews okay

1884

01:18:58,189 --> 01:18:55,560

that was the same Battle Cry that the

1885

01:19:01,070 --> 01:18:58,199

Jews used during the barcopca Revolt it

1886

01:19:03,649 --> 01:19:01,080

was a nod to the leader Simon barkhopka

1887

01:19:07,250 --> 01:19:03,659

whose name translates to son of the star

1888

01:19:09,350 --> 01:19:07,260

or a comet so that whole

1889

01:19:12,410 --> 01:19:09,360

Back Creek Stone description actually

1890

01:19:14,750 --> 01:19:12,420

ties very neatly back to the bar hopka

1891

01:19:17,030 --> 01:19:14,760

Uprising and under my theory one of the

1892

01:19:19,189 --> 01:19:17,040

possibilities is that the remnants of

1893

01:19:21,350 --> 01:19:19,199

refugees of that Uprising made their way

1894

01:19:23,149 --> 01:19:21,360

over here and they potentially could

1895

01:19:27,350 --> 01:19:23,159

have carved that so that's a really

1896

01:19:28,910 --> 01:19:27,360

tight tie that carving that slogan and

1897

01:19:30,950 --> 01:19:28,920

the same slogan was used during the

1898

01:19:33,709 --> 01:19:30,960

uprising in Jerusalem

1899

01:19:37,070 --> 01:19:33,719

um you know remind me I'll tell you why

1900

01:19:38,330 --> 01:19:37,080

the back cream the Back Creek stone is

1901

01:19:41,169 --> 01:19:38,340

authentic

1902

01:19:43,490 --> 01:19:41,179

it looks old

1903

01:19:44,709 --> 01:19:43,500

if you're gonna hold something you're

1904

01:19:49,250 --> 01:19:44,719

gonna you know

1905

01:19:52,070 --> 01:19:49,260

you're not gonna do that all right I I

1906

01:19:57,110 --> 01:19:52,080

think that you're going to try to over

1907

01:19:59,209 --> 01:19:57,120

you uh uh uh Perfection or artistic and

1908

01:20:02,390 --> 01:19:59,219

and and try to do something that's not

1909

01:20:06,590 --> 01:20:02,400

real where the Back Creek Stone you look

1910

01:20:11,950 --> 01:20:06,600

at that and that that just looks aged I

1911

01:20:14,270 --> 01:20:11,960

mean that that looks really old yeah

1912

01:20:16,970 --> 01:20:14,280

it's got some geological work on that

1913

01:20:19,850 --> 01:20:16,980

and and has scientifically established

1914

01:20:22,310 --> 01:20:19,860

it's old but beyond that it was the

1915

01:20:24,189 --> 01:20:22,320

Smithsonian guy who found it so we can't

1916

01:20:27,410 --> 01:20:24,199

have the Smithsonian

1917

01:20:30,590 --> 01:20:27,420

67 years late 60 or 70 years later turn

1918

01:20:32,510 --> 01:20:30,600

around saying oh that guy was dirty he

1919

01:20:34,189 --> 01:20:32,520

wasn't dirty when he worked for you like

1920

01:20:35,930 --> 01:20:34,199

you had no problem with him when he was

1921

01:20:38,209 --> 01:20:35,940

under your employment you sent him out

1922

01:20:39,649 --> 01:20:38,219

in the field to do all this research and

1923

01:20:42,169 --> 01:20:39,659

you never questioned his Integrity

1924

01:20:45,590 --> 01:20:42,179

whatsoever and now 70 years later

1925

01:20:48,050 --> 01:20:45,600

because you don't like what this Stone

1926

01:20:49,910 --> 01:20:48,060

says and you now you're rushing for

1927

01:20:51,950 --> 01:20:49,920

cover now you're going to try to point

1928

01:20:53,229 --> 01:20:51,960

the finger at this guy it's just that's

1929

01:20:55,550 --> 01:20:53,239

horrible that's just that's just

1930

01:20:58,010 --> 01:20:55,560

character assassination with absolutely

1931

01:21:01,010 --> 01:20:58,020

no evidence but

1932

01:21:02,570 --> 01:21:01,020

it rings really shallow to me because if

1933

01:21:05,090 --> 01:21:02,580

the Smithsonian had problems with this

1934

01:21:07,669 --> 01:21:05,100

guy they would have fired him 75 years

1935

01:21:08,630 --> 01:21:07,679

ago not all of a sudden today when they

1936

01:21:10,790 --> 01:21:08,640

start

1937

01:21:14,210 --> 01:21:10,800

back pedaling you know

1938

01:21:15,610 --> 01:21:14,220

it just it it it's just leaks

1939

01:21:18,709 --> 01:21:15,620

[Music]

1940

01:21:21,649 --> 01:21:18,719

I want to go back to my point

1941

01:21:24,890 --> 01:21:21,659

um uh where there is so much evidence

1942

01:21:29,209 --> 01:21:24,900

now pointing to an ALT an alternate

1943

01:21:31,669 --> 01:21:29,219

history of just about everything all

1944

01:21:34,070 --> 01:21:31,679

right it's not just one specific it's

1945

01:21:36,830 --> 01:21:34,080

just like everything that we have been

1946

01:21:38,390 --> 01:21:36,840

taught has been wrong I don't want to

1947

01:21:41,870 --> 01:21:38,400

say lie

1948

01:21:46,010 --> 01:21:41,880

um but but that's where we are today and

1949

01:21:50,390 --> 01:21:46,020

when you look at the alien ET question

1950

01:21:53,450 --> 01:21:50,400

20 30 40 years ago we didn't even know

1951

01:21:55,189 --> 01:21:53,460

about planets that existed outside of

1952

01:21:56,630 --> 01:21:55,199

our own solar system

1953

01:22:00,050 --> 01:21:56,640

today it's a different kind of party

1954

01:22:03,229 --> 01:22:00,060

right we now know that every Star has at

1955

01:22:05,689 --> 01:22:03,239

least one planet next to it it's part of

1956

01:22:09,470 --> 01:22:05,699

the Way galaxies are formed and the way

1957

01:22:11,810 --> 01:22:09,480

stars are created right we would and now

1958

01:22:15,110 --> 01:22:11,820

we can look at things completely

1959

01:22:18,350 --> 01:22:15,120

different those that are Skeptics and

1960

01:22:21,229 --> 01:22:18,360

debunkers in your world and in the UFO

1961

01:22:24,290 --> 01:22:21,239

world are looking at the the past

1962

01:22:27,530 --> 01:22:24,300

history they're not looking at where we

1963

01:22:29,810 --> 01:22:27,540

are today and that is coming up more and

1964

01:22:32,630 --> 01:22:29,820

more with not only the Templars in North

1965

01:22:35,930 --> 01:22:32,640

America but questions of Atlantis

1966

01:22:38,450 --> 01:22:35,940

questions of a pre-history and of an

1967

01:22:40,310 --> 01:22:38,460

advanced civilization that predated the

1968

01:22:43,250 --> 01:22:40,320

Sumerians and the Egyptians and that's

1969

01:22:44,990 --> 01:22:43,260

where we are it's building up just like

1970

01:22:47,090 --> 01:22:45,000

the rest of science

1971

01:22:48,649 --> 01:22:47,100

Yeah you mentioned Atlantis a couple

1972

01:22:50,630 --> 01:22:48,659

times today so I'll take the bait on

1973

01:22:53,630 --> 01:22:50,640

that because I did one of the novels I

1974

01:22:55,729 --> 01:22:53,640

wrote was called Echoes of Atlantis and

1975

01:22:56,930 --> 01:22:55,739

it's mostly I write about the Templars

1976

01:22:59,510 --> 01:22:56,940

but once in a while I go off on a little

1977

01:23:03,110 --> 01:22:59,520

tangent there's there's 16 novels in

1978

01:23:04,610 --> 01:23:03,120

this series so I you know I I sometimes

1979

01:23:06,770 --> 01:23:04,620

go off in different directions but

1980

01:23:10,370 --> 01:23:06,780

behold Atlanta's saying I never ever

1981

01:23:12,770 --> 01:23:10,380

thought I would do enough research to ha

1982

01:23:13,970 --> 01:23:12,780

to have enough for a book I just didn't

1983

01:23:16,250 --> 01:23:13,980

think there was enough evidence because

1984

01:23:18,950 --> 01:23:16,260

it's been so many thousands of years

1985

01:23:21,470 --> 01:23:18,960

it's you know 12 000 years ago was one

1986

01:23:23,510 --> 01:23:21,480

we think Atlantis sunk to the according

1987

01:23:25,790 --> 01:23:23,520

to Plato sunk to the bottom of the of

1988

01:23:27,590 --> 01:23:25,800

the oceans but there's actually a lot of

1989

01:23:29,870 --> 01:23:27,600

scientific evidence still to this day

1990

01:23:31,550 --> 01:23:29,880

and I was blown away by that because you

1991

01:23:33,649 --> 01:23:31,560

don't read about it so much you hear you

1992

01:23:36,350 --> 01:23:33,659

hear about Plato and then you hear about

1993

01:23:38,030 --> 01:23:36,360

you know psychics and mediums and other

1994

01:23:40,370 --> 01:23:38,040

but you don't really see the hard

1995

01:23:43,130 --> 01:23:40,380

evidence like there's hard evidence that

1996

01:23:45,649 --> 01:23:43,140

was done by the U.S geological uh survey

1997

01:23:48,050 --> 01:23:45,659

in the 1930s established seeing

1998

01:23:51,590 --> 01:23:48,060

definitively that the that the

1999

01:23:55,689 --> 01:23:51,600

Mid-Atlantic Ridge was above the water

2000

01:23:58,669 --> 01:23:55,699

above the ocean line above you know the

2001

01:24:00,890 --> 01:23:58,679

Mid-Atlantic Ridge uh 15 000 years ago

2002

01:24:03,350 --> 01:24:00,900

was above the ocean surface there was a

2003

01:24:05,450 --> 01:24:03,360

there was a land mass in the middle of

2004

01:24:07,550 --> 01:24:05,460

the Atlantic right before the last ice

2005

01:24:09,229 --> 01:24:07,560

age ended 15 000 years ago that's where

2006

01:24:11,570 --> 01:24:09,239

Atlanta supposedly was according to

2007

01:24:13,370 --> 01:24:11,580

Plato out Beyond The Straits of

2008

01:24:16,189 --> 01:24:13,380

Gibraltar beyond the pillars of Hercules

2009

01:24:17,810 --> 01:24:16,199

on the way to the continent across the

2010

01:24:20,570 --> 01:24:17,820

great ocean that's the middle of the

2011

01:24:23,090 --> 01:24:20,580

Atlantic and the U.S Geological Survey

2012

01:24:25,970 --> 01:24:23,100

established definitively that yes that

2013

01:24:29,450 --> 01:24:25,980

they found beach sand which only happens

2014

01:24:31,850 --> 01:24:29,460

above water lines that beach sand was a

2015

01:24:34,870 --> 01:24:31,860

was was on that Ridge so they've

2016

01:24:37,669 --> 01:24:34,880

established that there are fascinating

2017

01:24:41,030 --> 01:24:37,679

migratory patterns of eels freshwater

2018

01:24:42,709 --> 01:24:41,040

eels both in America and in Europe these

2019

01:24:44,090 --> 01:24:42,719

are eels that live in in freshwater

2020

01:24:46,070 --> 01:24:44,100

rivers

2021

01:24:48,530 --> 01:24:46,080

when they get old enough they come down

2022

01:24:51,649 --> 01:24:48,540

the rivers and they go into the

2023

01:24:54,290 --> 01:24:51,659

saltwater oceans and the eels in America

2024

01:24:55,790 --> 01:24:54,300

and the eels in Europe meet in the

2025

01:24:59,209 --> 01:24:55,800

middle of the Atlantic

2026

01:25:02,270 --> 01:24:59,219

as if there was at one point in their

2027

01:25:04,130 --> 01:25:02,280

past history there was some kind of land

2028

01:25:07,490 --> 01:25:04,140

mass where they meet and they spawn

2029

01:25:10,189 --> 01:25:07,500

something called uh nostophilia which is

2030

01:25:13,370 --> 01:25:10,199

the the Instinct among animals to return

2031

01:25:15,770 --> 01:25:13,380

to an ancient Homeland but somehow these

2032

01:25:18,229 --> 01:25:15,780

freshwater Animals still go back to the

2033

01:25:20,450 --> 01:25:18,239

salt water and meet in the middle of the

2034

01:25:23,330 --> 01:25:20,460

Atlantic again as if at one point that

2035

01:25:26,510 --> 01:25:23,340

land had was above the ocean they lived

2036

01:25:29,390 --> 01:25:26,520

there it sank they spread out with no

2037

01:25:32,090 --> 01:25:29,400

stefilia still 12 000 years later they

2038

01:25:34,790 --> 01:25:32,100

still go back butterflies on the

2039

01:25:35,990 --> 01:25:34,800

northern coast of Venezuela and South

2040

01:25:39,830 --> 01:25:36,000

America

2041

01:25:42,110 --> 01:25:39,840

coprophilia butterflies they fly out

2042

01:25:43,310 --> 01:25:42,120

to the Atlantic and they fly and they

2043

01:25:45,709 --> 01:25:43,320

fly and they fly for hundreds of miles

2044

01:25:47,810 --> 01:25:45,719

and they start circling around as if

2045

01:25:50,030 --> 01:25:47,820

looking for a land mass they're ancient

2046

01:25:52,669 --> 01:25:50,040

Homeland eventually out of exhaustion

2047

01:25:56,090 --> 01:25:52,679

they die they sink into the ocean that

2048

01:25:57,770 --> 01:25:56,100

nostophilia that that urge to return to

2049

01:26:00,410 --> 01:25:57,780

their Homeland is even stronger than

2050

01:26:02,270 --> 01:26:00,420

their survival Instinct but something in

2051  
01:26:04,189 --> 01:26:02,280  
their DNA and printed in their DNA and

2052  
01:26:07,129 --> 01:26:04,199  
their instincts tells them to go back

2053  
01:26:09,590 --> 01:26:07,139  
out there to the ancient land mass so

2054  
01:26:12,950 --> 01:26:09,600  
there's a lot of science that supports

2055  
01:26:14,450 --> 01:26:12,960  
this idea of a land mass in the middle

2056  
01:26:16,370 --> 01:26:14,460  
of the Atlantic and then we start

2057  
01:26:19,010 --> 01:26:16,380  
looking at burial practices something

2058  
01:26:22,010 --> 01:26:19,020  
called the red paint people red paint

2059  
01:26:23,570 --> 01:26:22,020  
burial practices most famously in

2060  
01:26:25,970 --> 01:26:23,580  
Maritime Canada

2061  
01:26:27,770 --> 01:26:25,980  
going back eight nine ten thousand years

2062  
01:26:31,129 --> 01:26:27,780  
ago remember Atlantis would have been

2063  
01:26:32,629 --> 01:26:31,139

about 11 500 to 12 000 years ago when

2064

01:26:35,450 --> 01:26:32,639

the some kind of catastrophic

2065

01:26:38,390 --> 01:26:35,460

cataclysmic event occurred that sank the

2066

01:26:40,490 --> 01:26:38,400

the land mass almost that old we have

2067

01:26:43,430 --> 01:26:40,500

these groups of people in Maritime

2068

01:26:46,070 --> 01:26:43,440

Canada that bury their dead and they

2069

01:26:48,470 --> 01:26:46,080

paint the bones with a red ocher the

2070

01:26:51,530 --> 01:26:48,480

belief being that on the other side when

2071

01:26:52,610 --> 01:26:51,540

they reincarnate they need the red to

2072

01:26:55,490 --> 01:26:52,620

make blood

2073

01:26:57,950 --> 01:26:55,500

that's a that's a particular it's a

2074

01:27:00,470 --> 01:26:57,960

unique belief and yet we find that same

2075

01:27:02,090 --> 01:27:00,480

belief all the way across to the

2076

01:27:06,050 --> 01:27:02,100

orchiding islands on the northern part

2077

01:27:08,930 --> 01:27:06,060

of Scotland we find that in the uh near

2078

01:27:12,709 --> 01:27:08,940

the Pyrenees Mountains in uh The Basque

2079

01:27:14,930 --> 01:27:12,719

people in uh uh Northern Spain and

2080

01:27:16,790 --> 01:27:14,940

Portugal we find it down in Central

2081

01:27:19,790 --> 01:27:16,800

America in the Yucatan Peninsula area

2082

01:27:22,430 --> 01:27:19,800

it's like a ring around the Atlantic we

2083

01:27:25,149 --> 01:27:22,440

find the same burial practice the idea

2084

01:27:28,430 --> 01:27:25,159

being at some point this was centrally

2085

01:27:32,030 --> 01:27:28,440

developed and then it spread across the

2086

01:27:34,970 --> 01:27:32,040

Atlantic probably from my theory is a

2087

01:27:37,850 --> 01:27:34,980

central point Atlantis and and these

2088

01:27:39,350 --> 01:27:37,860

people all either they all invented it

2089

01:27:41,930 --> 01:27:39,360

independently five or six different

2090

01:27:44,990 --> 01:27:41,940

places or it was

2091

01:27:47,330 --> 01:27:45,000

originally created in a single spot and

2092

01:27:49,310 --> 01:27:47,340

spread organically that's the theory

2093

01:27:51,709 --> 01:27:49,320

that I think makes more sense but we see

2094

01:27:54,470 --> 01:27:51,719

lots of this these I call it echoes

2095

01:27:56,870 --> 01:27:54,480

Echoes of evidence of things that

2096

01:28:01,090 --> 01:27:56,880

indicate some kind of

2097

01:28:05,030 --> 01:28:01,100

uh Central civilization and we see

2098

01:28:05,870 --> 01:28:05,040

incredible technology going back 30 or

2099

01:28:09,530 --> 01:28:05,880

35

2100

01:28:11,510 --> 01:28:09,540

000 years uh again back to the Pyrenees

2101  
01:28:13,070 --> 01:28:11,520  
Mountains area some of this a fabulous

2102  
01:28:15,370 --> 01:28:13,080  
cave art you probably have seen this

2103  
01:28:21,110 --> 01:28:15,380  
Jimmy some of this Kmart they have

2104  
01:28:23,870 --> 01:28:21,120  
amazing uh paintings of animals showing

2105  
01:28:25,910 --> 01:28:23,880  
uh three dimensions showing movements

2106  
01:28:28,189 --> 01:28:25,920  
showing depth some of these paintings

2107  
01:28:31,370 --> 01:28:28,199  
were done by blowing paint through a

2108  
01:28:34,129 --> 01:28:31,380  
straw these are people 35 000 years ago

2109  
01:28:35,629 --> 01:28:34,139  
these are people who are supposed to be

2110  
01:28:37,090 --> 01:28:35,639  
you know

2111  
01:28:41,510 --> 01:28:37,100  
the the

2112  
01:28:43,430 --> 01:28:41,520  
barely able to make no no fire no wheels

2113  
01:28:46,250 --> 01:28:43,440

uh how could they have created this

2114

01:28:48,290 --> 01:28:46,260

amazing art uh in in Czechoslovakia

2115

01:28:51,169 --> 01:28:48,300

something called the Venus of doli this

2116

01:28:52,729 --> 01:28:51,179

this mother earth figure that was not

2117

01:28:55,189 --> 01:28:52,739

only made out of clay but somehow was

2118

01:28:57,410 --> 01:28:55,199

fired in a kiln the film was not

2119

01:28:59,209 --> 01:28:57,420

supposed to be invented till about 7 000

2120

01:29:01,510 --> 01:28:59,219

years ago in China but we have these

2121

01:29:05,629 --> 01:29:01,520

pockets of this Advanced civilizations

2122

01:29:07,669 --> 01:29:05,639

scattered around the Atlantic Rim as if

2123

01:29:10,370 --> 01:29:07,679

something happened

2124

01:29:11,990 --> 01:29:10,380

12 to 15 000 years ago and all that was

2125

01:29:14,510 --> 01:29:12,000

wiped out but there's still little

2126  
01:29:17,149 --> 01:29:14,520  
pieces of evidence that survive

2127  
01:29:18,830 --> 01:29:17,159  
and we're starting to find them

2128  
01:29:21,229 --> 01:29:18,840  
um there has to be an explanation for

2129  
01:29:22,910 --> 01:29:21,239  
this it just doesn't happen randomly

2130  
01:29:27,709 --> 01:29:22,920  
there has to be some kind of reason for

2131  
01:29:29,750 --> 01:29:27,719  
these advances uh to have 35 000 years

2132  
01:29:31,490 --> 01:29:29,760  
ago how did that happen

2133  
01:29:34,189 --> 01:29:31,500  
you know people have been sent to prison

2134  
01:29:36,649 --> 01:29:34,199  
for an osteophilia and sworn testimony I

2135  
01:29:38,570 --> 01:29:36,659  
just wanted to uh

2136  
01:29:41,149 --> 01:29:38,580  
throw that in there you know in the last

2137  
01:29:43,669 --> 01:29:41,159  
call caves in more in in Verner heard

2138  
01:29:46,669 --> 01:29:43,679

songs uh documentary which is incredible

2139

01:29:49,810 --> 01:29:46,679

by the way and and the way that he

2140

01:29:52,669 --> 01:29:49,820

captures the movement of of that but

2141

01:29:55,030 --> 01:29:52,679

here's the crazy part about that the

2142

01:30:00,410 --> 01:29:55,040

cave and the artwork there it was

2143

01:30:05,810 --> 01:30:00,420

continuously occupied for 5 000 years

2144

01:30:07,610 --> 01:30:05,820

yeah that's that's I mean it's just

2145

01:30:10,090 --> 01:30:07,620

do on that

2146

01:30:12,229 --> 01:30:10,100

Thousand Years man yeah

2147

01:30:13,790 --> 01:30:12,239

my wife said you know if you had one

2148

01:30:15,290 --> 01:30:13,800

place you could still get to go your

2149

01:30:17,870 --> 01:30:15,300

bucket list I'm like right away I want

2150

01:30:20,450 --> 01:30:17,880

to see the cave art the Pyrenees I to me

2151

01:30:23,689 --> 01:30:20,460

that just seems amazing a lot of people

2152

01:30:25,550 --> 01:30:23,699

in there because the oxygen is yeah they

2153

01:30:29,750 --> 01:30:25,560

keep it sealed they can't absolutely

2154

01:30:31,189 --> 01:30:29,760

keep it sealed and uh they only open up

2155

01:30:33,530 --> 01:30:31,199

that door

2156

01:30:35,990 --> 01:30:33,540

I mean it's like for minutes a year

2157

01:30:38,390 --> 01:30:36,000

right that's it I think keep it they

2158

01:30:40,430 --> 01:30:38,400

keep it like uh completely sealed uh for

2159

01:30:43,250 --> 01:30:40,440

sure it's amazing so so

2160

01:30:44,510 --> 01:30:43,260

in my mind like we still have some

2161

01:30:47,390 --> 01:30:44,520

people say how could they have an

2162

01:30:49,610 --> 01:30:47,400

advanced civilization 20 or 30 000 years

2163

01:30:50,810 --> 01:30:49,620

ago and again when we say Advanced I'm

2164

01:30:53,510 --> 01:30:50,820

not talking about

2165

01:30:56,149 --> 01:30:53,520

you know today's level of Technology but

2166

01:30:58,030 --> 01:30:56,159

maybe the Roman level maybe the Roman

2167

01:31:01,070 --> 01:30:58,040

Empire level of technology

2168

01:31:04,370 --> 01:31:01,080

that could have occurred 15 or 20 000

2169

01:31:06,530 --> 01:31:04,380

years ago in Atlantis but today we still

2170

01:31:09,770 --> 01:31:06,540

have pockets of people

2171

01:31:12,229 --> 01:31:09,780

who are who are uh

2172

01:31:14,390 --> 01:31:12,239

basically hunters and gatherers cave

2173

01:31:16,790 --> 01:31:14,400

people there's an island off the coast

2174

01:31:19,729 --> 01:31:16,800

of India where up until about 10 years

2175

01:31:21,649 --> 01:31:19,739

ago the people were so primitive they

2176

01:31:24,530 --> 01:31:21,659

didn't understand the difference with

2177

01:31:26,390 --> 01:31:24,540

the the causal relationship between sex

2178

01:31:28,669 --> 01:31:26,400

and procreation

2179

01:31:31,370 --> 01:31:28,679

human beings up till 10 years ago only

2180

01:31:32,750 --> 01:31:31,380

just learned this so if we have that

2181

01:31:36,169 --> 01:31:32,760

today

2182

01:31:38,810 --> 01:31:36,179

why couldn't we have 15 000 years ago

2183

01:31:41,990 --> 01:31:38,820

another pocket but instead of being

2184

01:31:45,290 --> 01:31:42,000

primitive have it be Advanced both ends

2185

01:31:47,390 --> 01:31:45,300

of the bell curve one extreme today one

2186

01:31:49,490 --> 01:31:47,400

extreme back then

2187

01:31:52,370 --> 01:31:49,500

um it's similar to the Giants argument

2188

01:31:54,470 --> 01:31:52,380

we have we have tribes of pygmies three

2189

01:31:56,570 --> 01:31:54,480

or three and a half feet tall why can't

2190

01:31:58,610 --> 01:31:56,580

we also have tribes of giants eight and

2191

01:32:01,250 --> 01:31:58,620

a half or nine feet tall at the very end

2192

01:32:02,390 --> 01:32:01,260

of the bell curve uh same thing with the

2193

01:32:04,550 --> 01:32:02,400

with the

2194

01:32:09,590 --> 01:32:04,560

primitive and the advanced

2195

01:32:11,990 --> 01:32:09,600

Robert shock uh said to me uh once and

2196

01:32:16,310 --> 01:32:12,000

I've I've just never forgotten this he

2197

01:32:20,570 --> 01:32:16,320

said there used to be in Academia

2198

01:32:23,450 --> 01:32:20,580

uh you could never say the a word aliens

2199

01:32:28,010 --> 01:32:23,460

couldn't do it you couldn't do it now

2200

01:32:31,370 --> 01:32:28,020

now in Academia you can he said but the

2201

01:32:34,910 --> 01:32:31,380

other a word Atlantis it's still out

2202

01:32:37,610 --> 01:32:34,920

right he said you just can't do it you

2203

01:32:41,030 --> 01:32:37,620

can't use the other the other a word

2204

01:32:44,149 --> 01:32:41,040

I had a guy tell me once that uh the

2205

01:32:45,950 --> 01:32:44,159

Templars are like pornography everyone

2206

01:32:47,270 --> 01:32:45,960

pays attention to it but no one can

2207

01:32:48,470 --> 01:32:47,280

admit to it

2208

01:32:52,189 --> 01:32:48,480

uh

2209

01:32:55,149 --> 01:32:52,199

I could academics have Templar porn

2210

01:32:59,090 --> 01:32:57,110

everyone's fascinated by it but no one

2211

01:33:00,950 --> 01:32:59,100

admits to it right and that's just the

2212

01:33:03,229 --> 01:33:00,960

same way so the I don't understand what

2213

01:33:04,669 --> 01:33:03,239

what the problem with the idea that

2214

01:33:06,770 --> 01:33:04,679

there was an advanced civilization okay

2215

01:33:08,510 --> 01:33:06,780

we're not talking like nuclear power I'm

2216

01:33:09,950 --> 01:33:08,520

not saying that they but they were

2217

01:33:12,110 --> 01:33:09,960

Advanced for their time they were way

2218

01:33:14,110 --> 01:33:12,120

ahead of everybody else

2219

01:33:16,189 --> 01:33:14,120

um probably because

2220

01:33:17,689 --> 01:33:16,199

where they were situated in the

2221

01:33:19,250 --> 01:33:17,699

Mid-Atlantic if you look at the Gulf

2222

01:33:20,750 --> 01:33:19,260

Stream they were they were more

2223

01:33:22,729 --> 01:33:20,760

temperate climate this is during the Ice

2224

01:33:24,830 --> 01:33:22,739

Age they probably were one of the few

2225

01:33:27,410 --> 01:33:24,840

places on Earth that was a pleasant

2226

01:33:30,590 --> 01:33:27,420

climate and that allows for luxury Time

2227

01:33:33,770 --> 01:33:30,600

free time and that allows for invention

2228

01:33:36,649 --> 01:33:33,780

and thought and that gives you economic

2229

01:33:39,470 --> 01:33:36,659

advantage and when you have free time

2230

01:33:41,530 --> 01:33:39,480

you can have education and other things

2231

01:33:44,810 --> 01:33:41,540

and those all those things lead to

2232

01:33:48,110 --> 01:33:44,820

Evolution and advancements

2233

01:33:50,770 --> 01:33:48,120

um why why should that not have happened

2234

01:33:53,330 --> 01:33:50,780

periodically In Waves over our history

2235

01:33:56,390 --> 01:33:53,340

why is it that only today are we the

2236

01:33:59,629 --> 01:33:56,400

only ones who could ever be Advanced and

2237

01:34:02,390 --> 01:33:59,639

and I I think it's too easy it's a

2238

01:34:05,149 --> 01:34:02,400

luxury to just go ah Plato's the only

2239

01:34:07,850 --> 01:34:05,159

source for this well that's a that's BS

2240

01:34:10,490 --> 01:34:07,860

number one two Plato got it from Egypt

2241

01:34:13,550 --> 01:34:10,500

that's that's we've got the date exactly

2242

01:34:16,430 --> 01:34:13,560

right that's right and and what what did

2243

01:34:18,110 --> 01:34:16,440

anybody okay well hold on let me let's

2244

01:34:21,050 --> 01:34:18,120

Circle back to that

2245

01:34:24,830 --> 01:34:21,060

in the Builder's text in Egypt pinedfu

2246

01:34:28,430 --> 01:34:24,840

the Builder's tax which is a 10 000 year

2247

01:34:31,729 --> 01:34:28,440

written history of Egypt the origin the

2248

01:34:36,110 --> 01:34:31,739

progenator at the beginning of that text

2249

01:34:39,590 --> 01:34:36,120

is a civilization that fell into the sea

2250

01:34:43,790 --> 01:34:39,600

and the survivors came to Egypt

2251  
01:34:46,790 --> 01:34:43,800  
and that that that goes Way Beyond what

2252  
01:34:49,669 --> 01:34:46,800  
Plato this is carved onto a wall right

2253  
01:34:52,310 --> 01:34:49,679  
there our papyri that

2254  
01:34:56,149 --> 01:34:52,320  
um uh referenced this it's not just

2255  
01:34:58,430 --> 01:34:56,159  
Plato hearing it from it you know uh

2256  
01:35:01,970 --> 01:34:58,440  
Egyptian priest

2257  
01:35:05,990 --> 01:35:01,980  
um this this text has its Origins

2258  
01:35:08,209 --> 01:35:06,000  
yeah right and the date the the date

2259  
01:35:09,350 --> 01:35:08,219  
that Plato uses and I think the date on

2260  
01:35:11,149 --> 01:35:09,360  
the Papyrus that you're talking about

2261  
01:35:15,050 --> 01:35:11,159  
they're very specific and they they

2262  
01:35:18,169 --> 01:35:15,060  
coincide exactly with two things one

2263  
01:35:20,689 --> 01:35:18,179

with this cataclysmic event that caused

2264

01:35:24,410 --> 01:35:20,699

the temperatures to rise back on Earth

2265

01:35:28,310 --> 01:35:24,420

so whatever it was that sank Atlantis

2266

01:35:31,750 --> 01:35:28,320

also caused the ice age to end and two

2267

01:35:35,510 --> 01:35:31,760

they coincide exactly with the earliest

2268

01:35:38,330 --> 01:35:35,520

artifacts at Gobekli Tepe in Turkey as

2269

01:35:41,870 --> 01:35:38,340

if the people who build Gobekli Tepe

2270

01:35:44,090 --> 01:35:41,880

were basically saying we need to

2271

01:35:45,649 --> 01:35:44,100

appease our Gods because look what they

2272

01:35:47,510 --> 01:35:45,659

did to us we must have pissed them off

2273

01:35:50,030 --> 01:35:47,520

with something we're going to build this

2274

01:35:51,890 --> 01:35:50,040

Monument to them and say we're sorry so

2275

01:35:54,590 --> 01:35:51,900

they don't do it to us again when we see

2276

01:35:57,590 --> 01:35:54,600

it go back like Tepe is each successive

2277

01:35:59,629 --> 01:35:57,600

ring is another generation carving these

2278

01:36:02,629 --> 01:35:59,639

things and every generation the

2279

01:36:05,810 --> 01:36:02,639

technology the skill instead of getting

2280

01:36:09,530 --> 01:36:05,820

better instead of evolving it devolved

2281

01:36:11,750 --> 01:36:09,540

as if these people had skills at one

2282

01:36:15,050 --> 01:36:11,760

point but they couldn't keep them going

2283

01:36:17,629 --> 01:36:15,060

after the cataclysmic event occurred

2284

01:36:20,330 --> 01:36:17,639

they didn't have the infrastructure they

2285

01:36:23,149 --> 01:36:20,340

didn't have the ability to teach they

2286

01:36:25,790 --> 01:36:23,159

didn't have the luxury of free time to

2287

01:36:28,790 --> 01:36:25,800

to keep the skills that were needed to

2288

01:36:31,790 --> 01:36:28,800

carve these elaborate megaliths and so

2289

01:36:34,669 --> 01:36:31,800

every successive generation the

2290

01:36:35,990 --> 01:36:34,679

workmanship gets worse and worse and

2291

01:36:38,629 --> 01:36:36,000

that's opposite than what you'd expect

2292

01:36:41,090 --> 01:36:38,639

but it's exactly what you'd expect if we

2293

01:36:42,470 --> 01:36:41,100

had an advanced civilization that was

2294

01:36:44,629 --> 01:36:42,480

dying out

2295

01:36:46,729 --> 01:36:44,639

generation after generation because of

2296

01:36:57,410 --> 01:36:46,739

some event no we've got the same

2297

01:37:05,510 --> 01:37:00,830

um but but if we if we back this up that

2298

01:37:09,590 --> 01:37:05,520

number keeps surfacing 10 500 BC 10 000

2299

01:37:12,350 --> 01:37:09,600

and it's it's not just

2300

01:37:16,129 --> 01:37:12,360

um one reference to a specific thing

2301

01:37:19,490 --> 01:37:16,139

it's cataclysms it's uh the geological

2302

01:37:22,189 --> 01:37:19,500

record uh it's astronomy

2303

01:37:25,370 --> 01:37:22,199

um it's shells and fragment and

2304

01:37:27,770 --> 01:37:25,380

sedimentary stuff as well as the oral

2305

01:37:29,570 --> 01:37:27,780

histories and their traditions and the

2306

01:37:32,810 --> 01:37:29,580

other references that go back into

2307

01:37:35,149 --> 01:37:32,820

historical text and then go back Lee

2308

01:37:38,890 --> 01:37:35,159

Tepe just pops up out of nowhere where

2309

01:37:42,410 --> 01:37:38,900

we've got carbon dating right right

2310

01:37:45,290 --> 01:37:42,420

where it goes right back to that same

2311

01:37:47,090 --> 01:37:45,300

number uh it keeps repeating itself over

2312

01:37:49,910 --> 01:37:47,100

and over again ten thousand five hundred

2313

01:37:51,290 --> 01:37:49,920

BC critical time in history yeah and

2314

01:37:52,750 --> 01:37:51,300

that's what I was saying earlier that if

2315

01:37:55,370 --> 01:37:52,760

you're on the right track

2316

01:37:57,470 --> 01:37:55,380

and the evidence that you have if you're

2317

01:38:00,110 --> 01:37:57,480

right about it then when new evidence

2318

01:38:02,530 --> 01:38:00,120

comes in the door it should corroborate

2319

01:38:05,209 --> 01:38:02,540

what you already think if it doesn't

2320

01:38:07,790 --> 01:38:05,219

then then you're then you were wrong and

2321

01:38:10,430 --> 01:38:07,800

you got to rethink your your theory

2322

01:38:12,410 --> 01:38:10,440

um in this particular case that date

2323

01:38:14,470 --> 01:38:12,420

keeps calling over and over and over

2324

01:38:17,030 --> 01:38:14,480

again and I think it confirms

2325

01:38:19,490 --> 01:38:17,040

the previous Theory you know it could

2326

01:38:20,930 --> 01:38:19,500

get corroboration uh we find that same

2327

01:38:23,209 --> 01:38:20,940

thing with the Templar research we've

2328

01:38:25,850 --> 01:38:23,219

been doing that that new evidence comes

2329

01:38:28,850 --> 01:38:25,860

in the door and thankfully it fits the

2330

01:38:30,410 --> 01:38:28,860

existing case Theory otherwise we have

2331

01:38:31,910 --> 01:38:30,420

to start over again you know you can't

2332

01:38:33,350 --> 01:38:31,920

just ignore the evidence you gotta you

2333

01:38:34,430 --> 01:38:33,360

got to take every piece of evidence you

2334

01:38:36,770 --> 01:38:34,440

can't throw away the stuff you don't

2335

01:38:38,330 --> 01:38:36,780

like by the way apparently that's

2336

01:38:41,450 --> 01:38:38,340

acceptable in the archaeological

2337

01:38:44,290 --> 01:38:41,460

community that if if if a piece of

2338

01:38:47,209 --> 01:38:44,300

evidence at a dig doesn't fit the

2339

01:38:49,070 --> 01:38:47,219

prevailing belief in the timeline it's

2340

01:38:51,169 --> 01:38:49,080

acceptable to toss that aside and call

2341

01:38:53,090 --> 01:38:51,179

it an outlier and just say we're not

2342

01:38:55,310 --> 01:38:53,100

going to use that piece of evidence I

2343

01:38:56,629 --> 01:38:55,320

would love that as a lawyer your honor I

2344

01:38:58,430 --> 01:38:56,639

just think we should ignore those

2345

01:39:01,310 --> 01:38:58,440

fingerprints because they don't fit the

2346

01:39:04,129 --> 01:39:01,320

my case Theory and he would say he would

2347

01:39:05,290 --> 01:39:04,139

say yes you know that's crazy but

2348

01:39:08,270 --> 01:39:05,300

um

2349

01:39:09,950 --> 01:39:08,280

it goes back to evidence

2350

01:39:13,610 --> 01:39:09,960

um

2351  
01:39:15,890 --> 01:39:13,620  
when it comes to uh the researchers out

2352  
01:39:17,270 --> 01:39:15,900  
there like yourself Scott Tim Hogan

2353  
01:39:21,229 --> 01:39:17,280  
others

2354  
01:39:29,209 --> 01:39:25,510  
I think that the General Public

2355  
01:39:31,490 --> 01:39:29,219  
Oak Island whatever it is right

2356  
01:39:33,649 --> 01:39:31,500  
um the the evidence has come there's

2357  
01:39:36,050 --> 01:39:33,659  
going to be a big reveal evidence is

2358  
01:39:38,030 --> 01:39:36,060  
coming there's this there's there's ten

2359  
01:39:40,370 --> 01:39:38,040  
arcs of the Covenant Tim right and

2360  
01:39:42,950 --> 01:39:40,380  
there's this the head of John the

2361  
01:39:45,890 --> 01:39:42,960  
Baptist whatever right there's all of

2362  
01:39:48,649 --> 01:39:45,900  
this it it's going to reveal itself it's

2363  
01:39:51,610 --> 01:39:48,659

going to reveal itself well it's gonna

2364

01:39:56,209 --> 01:39:51,620

come to a point of put up or shut up

2365

01:39:58,669 --> 01:39:56,219

I I 100 agree yes I I listen with you know

2366

01:40:00,830 --> 01:39:58,679

I was a blown away by Tim Hogan's

2367

01:40:02,050 --> 01:40:00,840

interview I think it was September last

2368

01:40:04,970 --> 01:40:02,060

year with you

2369

01:40:07,010 --> 01:40:04,980

for that day right when he said you know

2370

01:40:09,890 --> 01:40:07,020

we're we've got we've got the the

2371

01:40:12,709 --> 01:40:09,900

artifacts we're ready to share them and

2372

01:40:13,790 --> 01:40:12,719

like wow that bring it on you know I I

2373

01:40:16,370 --> 01:40:13,800

don't know if that's still gonna happen

2374

01:40:18,649 --> 01:40:16,380

or not but I agree if you're gonna say

2375

01:40:21,050 --> 01:40:18,659

stuff like that then you almost have no

2376

01:40:23,030 --> 01:40:21,060

choice but to put up or shut up like you

2377

01:40:25,970 --> 01:40:23,040

said that's why that's why I pushed

2378

01:40:29,570 --> 01:40:25,980

these guys first off they're my friends

2379

01:40:32,330 --> 01:40:29,580

and uh we have a mutual respect with

2380

01:40:33,770 --> 01:40:32,340

each other right okay all right but I am

2381

01:40:36,709 --> 01:40:33,780

going to push and the reason why I'm

2382

01:40:38,810 --> 01:40:36,719

going to push I'm pushing for my

2383

01:40:41,570 --> 01:40:38,820

audience I'm pushing for the world I'm

2384

01:40:46,310 --> 01:40:41,580

pushing for the community right they

2385

01:40:48,830 --> 01:40:46,320

they need this and one of the uh one of

2386

01:40:50,810 --> 01:40:48,840

the views that that I have David and I

2387

01:40:54,410 --> 01:40:50,820

think it's a very important one

2388

01:40:57,830 --> 01:40:54,420

is there are belief systems belief is

2389

01:40:59,629 --> 01:40:57,840

the wrong word to use but in this case

2390

01:41:01,729 --> 01:40:59,639

um where people have been doing research

2391

01:41:04,790 --> 01:41:01,739

or they've got their own thing and their

2392

01:41:08,090 --> 01:41:04,800

own experiences and everything else they

2393

01:41:12,169 --> 01:41:08,100

need the support of something to surface

2394

01:41:13,790 --> 01:41:12,179

right to that evidence to just go see I

2395

01:41:16,729 --> 01:41:13,800

told you I've been looking at I've been

2396

01:41:18,890 --> 01:41:16,739

thinking I've been that's the point that

2397

01:41:21,649 --> 01:41:18,900

needs to be made here

2398

01:41:23,990 --> 01:41:21,659

um whether it's a Biblical artifact or

2399

01:41:28,550 --> 01:41:24,000

it's the Kensington runestone it doesn't

2400

01:41:31,250 --> 01:41:28,560

matter right we need this stuff to just

2401

01:41:32,629 --> 01:41:31,260

to be shown to the world

2402

01:41:34,430 --> 01:41:32,639

that's a good point I didn't think about

2403

01:41:35,990 --> 01:41:34,440

that but other research other

2404

01:41:37,729 --> 01:41:36,000

researchers

2405

01:41:40,850 --> 01:41:37,739

who knows where they are or what they're

2406

01:41:42,709 --> 01:41:40,860

researching just just seeing that almost

2407

01:41:46,550 --> 01:41:42,719

as a role model to say you know what

2408

01:41:47,930 --> 01:41:46,560

they did it you know I none of us you

2409

01:41:49,790 --> 01:41:47,940

know Scott Walter didn't know anything

2410

01:41:51,950 --> 01:41:49,800

about Templars

2411

01:41:53,330 --> 01:41:51,960

20 years ago when the when the when the

2412

01:41:55,370 --> 01:41:53,340

runestone museum asked them to take a

2413

01:41:57,590 --> 01:41:55,380

look at this he didn't had no idea I

2414

01:41:58,910 --> 01:41:57,600

knew nothing about the Templars when my

2415

01:42:00,229 --> 01:41:58,920

daughter came home from school one day

2416

01:42:02,330 --> 01:42:00,239

and talked about the Western night

2417

01:42:04,790 --> 01:42:02,340

Legend when she was in fourth grade like

2418

01:42:05,510 --> 01:42:04,800

none of us were trained in this stuff we

2419

01:42:07,070 --> 01:42:05,520

all

2420

01:42:09,109 --> 01:42:07,080

stumbled into it I don't know how you

2421

01:42:10,550 --> 01:42:09,119

stumbled into it Jimmy but we all just

2422

01:42:13,010 --> 01:42:10,560

stumbled into it there's no such thing

2423

01:42:14,930 --> 01:42:13,020

as a you can't major in templarism in

2424

01:42:16,729 --> 01:42:14,940

college these days right we all had to

2425

01:42:18,830 --> 01:42:16,739

sort of take a winding road to get there

2426

01:42:21,850 --> 01:42:18,840

but who knows who else is out there

2427

01:42:27,410 --> 01:42:21,860

working on a theory or has an artifact

2428

01:42:29,770 --> 01:42:27,420

or an idea uh and and and would be

2429

01:42:32,689 --> 01:42:29,780

inspired by somebody else coming forward

2430

01:42:34,669 --> 01:42:32,699

someone like Scott and say look Scott

2431

01:42:37,370 --> 01:42:34,679

Walter did it he look what he figured

2432

01:42:39,109 --> 01:42:37,380

out right I can figure it out also

2433

01:42:40,970 --> 01:42:39,119

um that does happen by the way you know

2434

01:42:43,010 --> 01:42:40,980

when I give lectures oftentimes I get

2435

01:42:44,629 --> 01:42:43,020

people say hey

2436

01:42:46,250 --> 01:42:44,639

you know I've got this artifact in the

2437

01:42:48,050 --> 01:42:46,260

Woods by my house can you come take a

2438

01:42:49,129 --> 01:42:48,060

look at it I know that happens to Squad

2439

01:42:52,129 --> 01:42:49,139

a lot as well

2440

01:42:53,890 --> 01:42:52,139

oh the hook decks I see that thing

2441

01:42:57,109 --> 01:42:53,900

everywhere now

2442

01:43:00,229 --> 01:42:57,119

it does so

2443

01:43:03,890 --> 01:43:00,239

um yeah yeah and and we we have Scott to

2444

01:43:06,530 --> 01:43:03,900

thank for that and if he didn't push

2445

01:43:09,169 --> 01:43:06,540

um Scott and I we were we were out to

2446

01:43:13,490 --> 01:43:09,179

sea right we're on this Cruise

2447

01:43:15,290 --> 01:43:13,500

and I had a balcony on my stateroom and

2448

01:43:17,270 --> 01:43:15,300

we went out there

2449

01:43:20,209 --> 01:43:17,280

um check this out Dave this is a true

2450

01:43:22,189 --> 01:43:20,219

story about nine o'clock at night we've

2451  
01:43:25,490 --> 01:43:22,199  
been down in the bar drinking right and

2452  
01:43:31,629 --> 01:43:25,500  
so we we go on on my balcony nine ten

2453  
01:43:36,169 --> 01:43:31,639  
o'clock at night we argued until 3 A.M

2454  
01:43:39,109 --> 01:43:36,179  
the Pacific Ocean right the stars and

2455  
01:43:41,209 --> 01:43:39,119  
and we just sat and fought two friends

2456  
01:43:44,030 --> 01:43:41,219  
hey you know what I'm talking about just

2457  
01:43:45,350 --> 01:43:44,040  
a scary discussion I've I've been on the

2458  
01:43:48,649 --> 01:43:45,360  
other side of that with Scott many times

2459  
01:43:52,070 --> 01:43:48,659  
yeah you know and it's it's that he he

2460  
01:43:54,830 --> 01:43:52,080  
he believes in his journey he has found

2461  
01:43:57,470 --> 01:43:54,840  
his Bliss you know and I don't he's not

2462  
01:44:01,010 --> 01:43:57,480  
going to quit man he's not and I think

2463  
01:44:03,470 --> 01:44:01,020

that so many of uh you know critics of

2464

01:44:06,229 --> 01:44:03,480

not only of your work and and you know

2465

01:44:08,450 --> 01:44:06,239

the people that think outside of the box

2466

01:44:09,950 --> 01:44:08,460

um they want they want the Scott Walters

2467

01:44:12,290 --> 01:44:09,960

of the world the David brodies of the

2468

01:44:16,310 --> 01:44:12,300

world to tap out

2469

01:44:21,050 --> 01:44:18,050

I'm not in the front lines like Squad is

2470

01:44:23,030 --> 01:44:21,060

to be honest I mean you know I I

2471

01:44:26,830 --> 01:44:23,040

what I generally do is I take other

2472

01:44:30,229 --> 01:44:26,840

people's research and I and I sort of

2473

01:44:32,990 --> 01:44:30,239

uh use it as plot points in my in my

2474

01:44:34,669 --> 01:44:33,000

book so I do some original research not

2475

01:44:36,169 --> 01:44:34,679

that I don't do any but I'm not nearly

2476

01:44:38,209 --> 01:44:36,179

as much as people like Scott or Tim

2477

01:44:40,189 --> 01:44:38,219

Hogan I mean they're really on the front

2478

01:44:43,010 --> 01:44:40,199

lines I take a lot of what they find and

2479

01:44:44,030 --> 01:44:43,020

I and I use it but

2480

01:44:46,310 --> 01:44:44,040

um

2481

01:44:47,990 --> 01:44:46,320

I don't you know I don't find

2482

01:44:50,810 --> 01:44:48,000

people say You must get a lot of hate

2483

01:44:52,510 --> 01:44:50,820

mail you must get a lot of no I I really

2484

01:44:56,510 --> 01:44:52,520

don't I think for the most part people

2485

01:45:02,390 --> 01:44:56,520

are very intrigued by this idea of the

2486

01:45:05,270 --> 01:45:02,400

Templars either they are uh a lot of

2487

01:45:08,209 --> 01:45:05,280

sort of military folks uh glorify the

2488

01:45:10,550 --> 01:45:08,219

Templars in a way uh so that appeals to

2489

01:45:12,229 --> 01:45:10,560

them or this whole idea of a treasure

2490

01:45:14,149 --> 01:45:12,239

like everybody loves the idea of a

2491

01:45:17,570 --> 01:45:14,159

treasure right I mean since we were kids

2492

01:45:19,070 --> 01:45:17,580

reading you know Robinson Crusoe or

2493

01:45:21,350 --> 01:45:19,080

whatever we all love the idea of a

2494

01:45:23,570 --> 01:45:21,360

hidden treasure x marks a spot The Curse

2495

01:45:26,629 --> 01:45:23,580

of Oak Island that's why that show is so

2496

01:45:28,850 --> 01:45:26,639

popular we all even as old men

2497

01:45:31,129 --> 01:45:28,860

love the kid inside of us wanting to

2498

01:45:34,189 --> 01:45:31,139

find that treasure so

2499

01:45:36,229 --> 01:45:34,199

I don't get a lot of people you

2500

01:45:40,250 --> 01:45:36,239

mentioned earlier there's a few of the

2501  
01:45:41,750 --> 01:45:40,260  
of the debunkers and the naysayers but I

2502  
01:45:45,470 --> 01:45:41,760  
think for the most part people would

2503  
01:45:48,590 --> 01:45:45,480  
love to have us be right they would love

2504  
01:45:51,410 --> 01:45:48,600  
to have Tim Hogan go public with the the

2505  
01:45:54,470 --> 01:45:51,420  
Templar Vault and and show us the Ark of

2506  
01:45:56,990 --> 01:45:54,480  
the Covenant and the air Moses's staff

2507  
01:45:58,490 --> 01:45:57,000  
and Manna From Heaven and I don't think

2508  
01:46:00,109 --> 01:45:58,500  
people would be upset by that I think

2509  
01:46:03,550 --> 01:46:00,119  
people would love that

2510  
01:46:06,470 --> 01:46:03,560  
the Holy Grail right

2511  
01:46:10,070 --> 01:46:06,480  
Monty Python we've all seen the movie

2512  
01:46:12,970 --> 01:46:10,080  
right and you know what if uh King

2513  
01:46:18,169 --> 01:46:12,980

Arthur Camelot the Knights Templar

2514

01:46:23,390 --> 01:46:18,179

Jerusalem the Crusades and and spiriting

2515

01:46:24,470 --> 01:46:23,400

the saving this stuff from uh uh not

2516

01:46:26,689 --> 01:46:24,480

only

2517

01:46:27,970 --> 01:46:26,699

um those that would want to steal but

2518

01:46:31,070 --> 01:46:27,980

maybe

2519

01:46:34,189 --> 01:46:31,080

destroyed right getting that stuff out

2520

01:46:37,550 --> 01:46:34,199

of Jerusalem then you bring in the

2521

01:46:41,209 --> 01:46:37,560

sinclairs you've got Roswell the the

2522

01:46:44,629 --> 01:46:41,219

same it's the same Circle I just feel

2523

01:46:47,270 --> 01:46:44,639

that there's so much to the story that

2524

01:46:50,270 --> 01:46:47,280

it's probably pretty accurate

2525

01:46:52,850 --> 01:46:50,280

um I think it went from Scotland

2526  
01:46:54,229 --> 01:46:52,860  
to North America I just don't know where

2527  
01:46:55,430 --> 01:46:54,239  
it is today

2528  
01:46:57,410 --> 01:46:55,440  
yeah

2529  
01:46:58,490 --> 01:46:57,420  
um the Scotland part I feel pretty

2530  
01:47:00,590 --> 01:46:58,500  
comfortable about as a matter of fact if

2531  
01:47:03,410 --> 01:47:00,600  
you go to Roswell Chapel there's an

2532  
01:47:06,350 --> 01:47:03,420  
information placard in the chapel that

2533  
01:47:09,950 --> 01:47:06,360  
talks very matter-of-factly about Prince

2534  
01:47:11,629 --> 01:47:09,960  
Henry Sinclair going to America in 1398.

2535  
01:47:13,669 --> 01:47:11,639  
I know what you know when I give the

2536  
01:47:17,209 --> 01:47:13,679  
lectures here on this side of the

2537  
01:47:19,250 --> 01:47:17,219  
Atlantic I talk about Legends and I talk

2538  
01:47:22,430 --> 01:47:19,260

about we think had happened

2539

01:47:24,530 --> 01:47:22,440

over there that information placard was

2540

01:47:27,770 --> 01:47:24,540

again very matter-of-fact

2541

01:47:30,229 --> 01:47:27,780

so it's weird how

2542

01:47:33,050 --> 01:47:30,239

in on the European perspective is of

2543

01:47:34,910 --> 01:47:33,060

course people cross before Columbus like

2544

01:47:36,890 --> 01:47:34,920

they're they're they would look at you

2545

01:47:38,330 --> 01:47:36,900

sort of funny like why would you think

2546

01:47:40,370 --> 01:47:38,340

that Columbus was the first one over

2547

01:47:42,830 --> 01:47:40,380

they don't believe that

2548

01:47:46,310 --> 01:47:42,840

um interesting thing about Columbus by

2549

01:47:48,950 --> 01:47:46,320

the way he um one of the fast one

2550

01:47:52,250 --> 01:47:48,960

research I did do I found a really

2551

01:47:54,410 --> 01:47:52,260

interesting uh Monument to him in Galway

2552

01:47:56,990 --> 01:47:54,420

on the western coast of Ireland that

2553

01:48:00,109 --> 01:47:57,000

talked about how he was there uh in the

2554

01:48:02,930 --> 01:48:00,119

1480s maybe 15 years before he be

2555

01:48:07,010 --> 01:48:02,940

crossed over there's also a Templar

2556

01:48:08,629 --> 01:48:07,020

church that was there as well and I done

2557

01:48:10,250 --> 01:48:08,639

a lot of research on the fact it looks

2558

01:48:12,530 --> 01:48:10,260

like Columbus

2559

01:48:14,149 --> 01:48:12,540

because he married into a family of the

2560

01:48:16,430 --> 01:48:14,159

Knights of Christ which is the

2561

01:48:19,310 --> 01:48:16,440

successors to the Templars looks like he

2562

01:48:21,410 --> 01:48:19,320

may have had Templar maps and charts

2563

01:48:23,149 --> 01:48:21,420

which allowed him to cross but that

2564

01:48:25,910 --> 01:48:23,159

would make perfect sense if he was up in

2565

01:48:27,229 --> 01:48:25,920

Galway and the Templars were also I

2566

01:48:29,030 --> 01:48:27,239

didn't know the Templars were in Western

2567

01:48:31,070 --> 01:48:29,040

Ireland by the way that made no sense to

2568

01:48:33,709 --> 01:48:31,080

me unless they're using it as a jumping

2569

01:48:37,790 --> 01:48:33,719

off point to cross the Atlantic just as

2570

01:48:39,890 --> 01:48:37,800

Tim Severin the Irish Adventurer did in

2571

01:48:42,050 --> 01:48:39,900

the 1970s sailing that leather boat

2572

01:48:44,270 --> 01:48:42,060

across but if the Templars are using

2573

01:48:46,370 --> 01:48:44,280

that as a jumping off point that would

2574

01:48:47,750 --> 01:48:46,380

make perfect sense why Columbus went all

2575

01:48:52,129 --> 01:48:47,760

the way up to Northern Ireland and

2576

01:48:55,390 --> 01:48:52,139

Western Island to himself in the 1470s

2577

01:48:58,729 --> 01:48:55,400

before he crossed to 1492. yeah yeah

2578

01:49:00,709 --> 01:48:58,739

you're right about that but I always

2579

01:49:03,530 --> 01:49:00,719

look at it

2580

01:49:06,109 --> 01:49:03,540

um more globally I think that the

2581

01:49:08,450 --> 01:49:06,119

templar's influence

2582

01:49:09,950 --> 01:49:08,460

um you know most of it's documented but

2583

01:49:12,290 --> 01:49:09,960

of course you know all the way from

2584

01:49:15,169 --> 01:49:12,300

France chance to Jerusalem but you've

2585

01:49:17,750 --> 01:49:15,179

got Portugal you've got Italy you've got

2586

01:49:20,390 --> 01:49:17,760

of of course all of Great Britain and I

2587

01:49:23,990 --> 01:49:20,400

think Ireland uh would play into that

2588

01:49:27,109 --> 01:49:24,000

too and that maybe even like Morocco you

2589

01:49:30,890 --> 01:49:27,119

know and and it is is it coincidence

2590

01:49:33,590 --> 01:49:30,900

that uh the Templar crosses are always

2591

01:49:36,410 --> 01:49:33,600

depicted on Columbus's boats and I've

2592

01:49:40,250 --> 01:49:36,420

heard different explanations for that no

2593

01:49:43,970 --> 01:49:40,260

I that is the same that Templar crosses

2594

01:49:45,709 --> 01:49:43,980

on the shields yeah so one possibility I

2595

01:49:48,109 --> 01:49:45,719

thought is that

2596

01:49:50,270 --> 01:49:48,119

if the Templars were here

2597

01:49:52,250 --> 01:49:50,280

um and and and Black Eagle who's a close

2598

01:49:53,870 --> 01:49:52,260

uh friend of mine I Wampanoag tribal

2599

01:49:55,790 --> 01:49:53,880

chief he always says look if the

2600

01:49:58,970 --> 01:49:55,800

Templars were here the only way they

2601  
01:50:00,410 --> 01:49:58,980  
could have come to North America uh is

2602  
01:50:02,510 --> 01:50:00,420  
if we let them come in and they made

2603  
01:50:03,890 --> 01:50:02,520  
friends with us otherwise as he said we

2604  
01:50:05,570 --> 01:50:03,900  
would have kick their ass and sent them

2605  
01:50:08,629 --> 01:50:05,580  
home because this is again this is

2606  
01:50:10,609 --> 01:50:08,639  
before gunpowder later on gunpowder

2607  
01:50:13,310 --> 01:50:10,619  
changed the whole balance of powder of

2608  
01:50:15,709 --> 01:50:13,320  
power but prior to gunpowder if you were

2609  
01:50:16,970 --> 01:50:15,719  
Europeans Coming to America you had to

2610  
01:50:18,109 --> 01:50:16,980  
make friends with the natives otherwise

2611  
01:50:21,890 --> 01:50:18,119  
they would have kick your ass to set you

2612  
01:50:23,990 --> 01:50:21,900  
home so his theory my theory is that the

2613  
01:50:26,510 --> 01:50:24,000

Templars did come and created an

2614

01:50:29,570 --> 01:50:26,520

alliance with the tribes here in New

2615

01:50:32,330 --> 01:50:29,580

England Columbus knew about that

2616

01:50:34,070 --> 01:50:32,340

and assumed it assumed it extended all

2617

01:50:36,290 --> 01:50:34,080

the way down along the entire Seaboard

2618

01:50:37,729 --> 01:50:36,300

and figured if I want to be welcome when

2619

01:50:40,010 --> 01:50:37,739

I get there I'll paint the Templar

2620

01:50:42,050 --> 01:50:40,020

across on my on my sails I'll come

2621

01:50:43,669 --> 01:50:42,060

across and they'll welcome me because

2622

01:50:45,410 --> 01:50:43,679

they're friends with the Templars and

2623

01:50:47,750 --> 01:50:45,420

that's exactly what happened he landed

2624

01:50:49,850 --> 01:50:47,760

and was welcome they saw that cross on

2625

01:50:50,870 --> 01:50:49,860

his sails that's why I think he put the

2626

01:50:54,169 --> 01:50:50,880

cross off

2627

01:50:57,410 --> 01:50:54,179

Now isn't the uh the Knights Templar

2628

01:51:01,850 --> 01:50:57,420

Freemason connection I mean that extends

2629

01:51:03,530 --> 01:51:01,860

into Canada uh and and throughout uh the

2630

01:51:05,330 --> 01:51:03,540

Rocky Mountains all the way out to the

2631

01:51:09,770 --> 01:51:05,340

West Coast right I mean it just wasn't

2632

01:51:10,910 --> 01:51:09,780

in the New England area of North America

2633

01:51:12,470 --> 01:51:10,920

yeah

2634

01:51:15,709 --> 01:51:12,480

I'm not sure I understood the question

2635

01:51:18,709 --> 01:51:15,719

Jimmy I'm sorry I I think that there was

2636

01:51:21,290 --> 01:51:18,719

a Templar Freemason connection with all

2637

01:51:23,450 --> 01:51:21,300

of the indigenous people uh across North

2638

01:51:25,189 --> 01:51:23,460

America from Canada you're talking about

2639

01:51:29,030 --> 01:51:25,199

like a lot of Bill Mann's research and

2640

01:51:30,770 --> 01:51:29,040

stuff absolutely yes yes yeah so I'm not

2641

01:51:32,930 --> 01:51:30,780

a Freemason so I I don't have as much

2642

01:51:34,910 --> 01:51:32,940

background on that stuff but from what

2643

01:51:38,870 --> 01:51:34,920

I've read in Bill's writing this whole

2644

01:51:41,510 --> 01:51:38,880

idea of the midday well some of these um

2645

01:51:43,910 --> 01:51:41,520

there was a tribe called the yuchi tribe

2646

01:51:45,649 --> 01:51:43,920

there were supposedly the spiritual

2647

01:51:49,310 --> 01:51:45,659

leaders of all the Native American

2648

01:51:52,129 --> 01:51:49,320

tribes and according to Bill a lot of

2649

01:51:55,430 --> 01:51:52,139

their ritual is very similar to Masonic

2650

01:51:59,270 --> 01:51:55,440

ritual and so the idea is that perhaps

2651  
01:52:01,750 --> 01:51:59,280  
at some time in the past there were

2652  
01:52:03,830 --> 01:52:01,760  
Europeans who came here who had Masonic

2653  
01:52:05,649 --> 01:52:03,840  
connections and shared those with the

2654  
01:52:07,390 --> 01:52:05,659  
Native Americans again this was

2655  
01:52:10,850 --> 01:52:07,400  
pre-columbus

2656  
01:52:13,790 --> 01:52:10,860  
pre-modern records but that would be why

2657  
01:52:17,030 --> 01:52:13,800  
so many of the rituals in the Native

2658  
01:52:19,490 --> 01:52:17,040  
American spiritual world that uh that we

2659  
01:52:21,229 --> 01:52:19,500  
still see today by the way uh are

2660  
01:52:22,790 --> 01:52:21,239  
similar to what was going on in Europe

2661  
01:52:26,090 --> 01:52:22,800  
at the same time period again that's

2662  
01:52:28,189 --> 01:52:26,100  
Bill Mann's research yeah the um uh I

2663  
01:52:30,169 --> 01:52:28,199

want to thank you by the way for a great

2664

01:52:33,770 --> 01:52:30,179

conversation tonight I look forward to

2665

01:52:36,649 --> 01:52:33,780

having you on uh again soon uh your

2666

01:52:39,290 --> 01:52:36,659

website is David brodybooks.com and

2667

01:52:42,850 --> 01:52:39,300

we've got the links below everybody and

2668

01:52:46,010 --> 01:52:42,860

if you want to go Dave writes a lot

2669

01:52:47,510 --> 01:52:46,020

you can realize and check out the stuff

2670

01:52:51,890 --> 01:52:47,520

but here's

2671

01:52:55,729 --> 01:52:51,900

um speaking on that when uh Dan Brown

2672

01:52:59,290 --> 01:52:55,739

and The Da Vinci Code broke loose it

2673

01:53:01,790 --> 01:52:59,300

broke loose in a big way and

2674

01:53:04,310 --> 01:53:01,800

if it's calling it a worldwide

2675

01:53:07,310 --> 01:53:04,320

phenomenon is is weak it was bigger than

2676

01:53:10,250 --> 01:53:07,320

that right it's huge but that's because

2677

01:53:12,770 --> 01:53:10,260

we're interested in this subject that's

2678

01:53:15,070 --> 01:53:12,780

why that caught fire and it was

2679

01:53:17,930 --> 01:53:15,080

everything it was Roslyn it was the

2680

01:53:20,209 --> 01:53:17,940

sinclairs it was a nice tumbler of

2681

01:53:22,850 --> 01:53:20,219

course Jesus and Mary and da Vinci and

2682

01:53:27,470 --> 01:53:22,860

everything else that goes but we want

2683

01:53:29,030 --> 01:53:27,480

this knowledge right it resonated it had

2684

01:53:32,270 --> 01:53:29,040

a had a

2685

01:53:34,609 --> 01:53:32,280

it sounded true to us like we I think we

2686

01:53:37,430 --> 01:53:34,619

all have a uh an instinct about what

2687

01:53:39,530 --> 01:53:37,440

something sounds valid

2688

01:53:42,709 --> 01:53:39,540

versus something that sounds outlandish

2689

01:53:43,609 --> 01:53:42,719

and that resonated that sounded right to

2690

01:53:45,530 --> 01:53:43,619

us

2691

01:53:47,570 --> 01:53:45,540

and that's why it was so popular that's

2692

01:53:49,129 --> 01:53:47,580

why it was such a phenomenon is we sort

2693

01:53:50,930 --> 01:53:49,139

of nodded to ourselves you know what

2694

01:53:53,410 --> 01:53:50,940

it's similar to and if we have one

2695

01:53:55,729 --> 01:53:53,420

minute yeah so Scott talks a lot about

2696

01:53:58,189 --> 01:53:55,739

he's not a big fan of The Curse of Oak

2697

01:54:00,709 --> 01:53:58,199

Island he sort of scoffs at that show

2698

01:54:03,950 --> 01:54:00,719

but but one of the things he he does I

2699

01:54:06,830 --> 01:54:03,960

think believe is that at some point the

2700

01:54:09,290 --> 01:54:06,840

Templar treasure was up in Nova Scotia

2701  
01:54:12,229 --> 01:54:09,300  
and that

2702  
01:54:15,470 --> 01:54:12,239  
right prior to the American Revolution a

2703  
01:54:17,629 --> 01:54:15,480  
group of Freemasons from I believe it

2704  
01:54:20,530 --> 01:54:17,639  
was Virginia or Pennsylvania went up to

2705  
01:54:22,910 --> 01:54:20,540  
Nova Scotia and retrieved that treasure

2706  
01:54:25,370 --> 01:54:22,920  
liquidated the treasure and used those

2707  
01:54:27,590 --> 01:54:25,380  
proceeds to fund the American Revolution

2708  
01:54:29,990 --> 01:54:27,600  
that's one of those stories when I tell

2709  
01:54:33,410 --> 01:54:30,000  
that story people nod that's a story

2710  
01:54:35,750 --> 01:54:33,420  
that sounds right like that sounds like

2711  
01:54:37,010 --> 01:54:35,760  
exactly what they would have done if the

2712  
01:54:39,649 --> 01:54:37,020  
treasure was up there they would have

2713  
01:54:42,109 --> 01:54:39,659

known about it they said now we need it

2714

01:54:45,350 --> 01:54:42,119

the the leaders would have said this is

2715

01:54:48,010 --> 01:54:45,360

what we have it for we want to create

2716

01:54:51,109 --> 01:54:48,020

this New Jerusalem here in America

2717

01:54:52,790 --> 01:54:51,119

Liberty all the things we believe in

2718

01:54:56,030 --> 01:54:52,800

this is a good use for the treasure

2719

01:54:57,530 --> 01:54:56,040

liquidate it use it and create this New

2720

01:54:58,790 --> 01:54:57,540

Jerusalem

2721

01:55:00,229 --> 01:54:58,800

um that's one of those stories that

2722

01:55:01,970 --> 01:55:00,239

people call it not that when I hear it

2723

01:55:03,830 --> 01:55:01,980

when I tell it they nod

2724

01:55:05,330 --> 01:55:03,840

sounds right maybe it's right maybe it's

2725

01:55:08,030 --> 01:55:05,340

not but it sounds right

2726

01:55:09,770 --> 01:55:08,040

what are you working on now

2727

01:55:12,470 --> 01:55:09,780

so I just finished

2728

01:55:14,990 --> 01:55:12,480

um One Nation Under John about two weeks

2729

01:55:16,669 --> 01:55:15,000

ago it came out uh I'm in the period

2730

01:55:18,530 --> 01:55:16,679

right now I'll start writing on July 1st

2731

01:55:20,270 --> 01:55:18,540

I do it every year July 1st January 1st

2732

01:55:21,410 --> 01:55:20,280

and then I do two books a year I'm

2733

01:55:23,209 --> 01:55:21,420

looking for something to write about

2734

01:55:24,950 --> 01:55:23,219

afterwards maybe you'll send me an email

2735

01:55:26,810 --> 01:55:24,960

and say you should write about this so

2736

01:55:28,390 --> 01:55:26,820

I'm doing the research I've got I'm

2737

01:55:30,470 --> 01:55:28,400

looking for new things

2738

01:55:32,149 --> 01:55:30,480

ingredients together I'm like the mad

2739

01:55:34,070 --> 01:55:32,159

scientist I put them all together and

2740

01:55:36,709 --> 01:55:34,080

say okay how can I mix this all together

2741

01:55:38,030 --> 01:55:36,719

into a historical fiction novel because

2742

01:55:40,430 --> 01:55:38,040

that's the kind of thing that's what I

2743

01:55:42,770 --> 01:55:40,440

write historical fiction but I'm looking

2744

01:55:44,750 --> 01:55:42,780

for new ingredients you're the best man

2745

01:55:46,910 --> 01:55:44,760

thank you tonight what a what a perfect

2746

01:55:49,850 --> 01:55:46,920

show for me I just had a great time

2747

01:55:52,370 --> 01:55:49,860

thank you so much good luck on the next

2748

01:55:54,410 --> 01:55:52,380

book I'll send you that email I want you

2749

01:55:57,250 --> 01:55:54,420

to be safe out there thank you much

2750

01:56:01,129 --> 01:55:57,260

appreciated David Brody now it's David

2751  
01:56:03,890 --> 01:56:01,139  
brodybooks.com the links are below okay

2752  
01:56:06,350 --> 01:56:03,900  
and you can head over to our website as

2753  
01:56:08,390 --> 01:56:06,360  
well let's see what have I got going on

2754  
01:56:09,229 --> 01:56:08,400  
oh tomorrow night I got Pat Spain on the

2755  
01:56:12,590 --> 01:56:09,239  
show

2756  
01:56:14,270 --> 01:56:12,600  
tomorrow night all right now uh I think

2757  
01:56:17,629 --> 01:56:14,280  
I'm gonna do a live broadcast tomorrow

2758  
01:56:19,970 --> 01:56:17,639  
uh during the day after the news

2759  
01:56:22,490 --> 01:56:19,980  
and as I compile some more information

2760  
01:56:25,070 --> 01:56:22,500  
some stuff that's been coming in during

2761  
01:56:28,070 --> 01:56:25,080  
the show tonight tomorrow night on Fade

2762  
01:56:30,830 --> 01:56:28,080  
to Black Pat Spain I am your host Jimmy

2763  
01:56:33,169 --> 01:56:30,840

Church Great show tonight David Brody

2764

01:56:35,510 --> 01:56:33,179

perfect show it's a perfect show that's

2765

01:56:38,810 --> 01:56:35,520

what I'm talking about Fade to Black is

2766

01:56:40,910 --> 01:56:38,820

produced by Hilton J Paul Renee Newman

2767

01:56:43,010 --> 01:56:40,920

and Michelle fried

2768

01:56:44,930 --> 01:56:43,020

very special thanks to Dennis and Kevin

2769

01:56:48,010 --> 01:56:44,940

webmasters Drew the geek music Doug

2770

01:56:50,570 --> 01:56:48,020

Aldridge intro space boys

2771

01:56:52,490 --> 01:56:50,580

spaceboymusic.com fade to black is

2772

01:56:54,350 --> 01:56:52,500

produced by kjcr with the game changer

2773

01:56:57,410 --> 01:56:54,360

Network and this broadcast is owned and

2774

01:56:59,450 --> 01:56:57,420

copyrighted 2023 by Fade to Black and

2775

01:57:01,250 --> 01:56:59,460

The Game Changer Network Inc it cannot

2776

01:57:02,629 --> 01:57:01,260

be re-broadcast downloaded copied or

2777

01:57:04,609 --> 01:57:02,639

used anywhere in the known universe

2778

01:57:06,050 --> 01:57:04,619

without written permission will fade to

2779

01:57:07,370 --> 01:57:06,060

black or the game changer Network I'm

2780

01:57:09,649 --> 01:57:07,380

Yours Jimmy Church

2781

01:57:12,350 --> 01:57:09,659

until tomorrow night with Pat Spain I

2782

01:57:22,910 --> 01:57:12,360

want you to be safe

2783

01:57:22,920 --> 01:57:26,730

thank you
