

# FADE TO BLACK

with JIMMY CHURCH

**PRESENTS**

**DAMIEN JOHN NOTT**

**ET: MAKING CONTACT**

**WED JUNE 07 2023 LIVE**

**700-900PM PT**

1  
00:00:12,490 --> 00:00:20,230

[Music]

2  
00:00:20,240 --> 00:00:23,590

thank you

3  
00:00:30,890 --> 00:00:27,230

the smoke radio for the masses headline

4  
00:00:32,810 --> 00:00:30,900

the best of July 8 1947 the Army Air

5  
00:00:34,729 --> 00:00:32,820

Forces has announced that a flying disc

6  
00:00:37,310 --> 00:00:34,739

has been found and is now in the

7  
00:00:41,330 --> 00:00:37,320

possession of the army

8  
00:00:44,090 --> 00:00:41,340

change the game game changer I

9  
00:00:47,690 --> 00:00:44,100

occasionally think how quickly our

10  
00:00:50,209 --> 00:00:47,700

difference is worldwide would vanish if

11  
00:00:51,490 --> 00:00:50,219

we were facing an alien threat from

12  
00:00:53,310 --> 00:00:51,500

outside this work

13  
00:00:53,490 --> 00:00:53,320

[Music]

14

00:00:55,810 --> 00:00:53,500

[Applause]

15

00:00:58,729 --> 00:00:55,820

[Music]

16

00:01:01,610 --> 00:00:58,739

this is Fade to Black with your host

17

00:01:02,260 --> 00:01:01,620

Jimmy Church on the game changer Radio

18

00:01:06,310 --> 00:01:02,270

Network

19

00:01:10,010 --> 00:01:06,320

[Music]

20

00:01:12,950 --> 00:01:10,020

good evening Fade to Black

21

00:01:15,730 --> 00:01:12,960

how you doing Fade to Black today is

22

00:01:18,289 --> 00:01:15,740

Wednesday June 7th

23

00:01:22,249 --> 00:01:18,299

2023 and our guest tonight live from

24

00:01:25,550 --> 00:01:22,259

Australia Danny and John Knott is with

25

00:01:27,289 --> 00:01:25,560

us he's a film director and we're going

26  
00:01:29,990 --> 00:01:27,299  
to discuss some of his documentaries

27  
00:01:33,289 --> 00:01:30,000  
tonight Australian Skies uh making

28  
00:01:36,830 --> 00:01:33,299  
contact secret space the rise of the

29  
00:01:39,710 --> 00:01:36,840  
tr-3b and his new films a fractured

30  
00:01:43,069 --> 00:01:39,720  
realities part two and haunted skies and

31  
00:01:44,990 --> 00:01:43,079  
UFOs in the outback that and so much

32  
00:01:48,410 --> 00:01:45,000  
more tonight of course we know what's

33  
00:01:51,410 --> 00:01:48,420  
going on out there in the world of

34  
00:01:54,469 --> 00:01:51,420  
ufology and all of the breaking news and

35  
00:01:57,770 --> 00:01:54,479  
so with that let's just get straight to

36  
00:02:01,969 --> 00:01:57,780  
it tonight and say

37  
00:02:04,270 --> 00:02:01,979  
welcome Damian John nodd the the the

38  
00:02:07,069 --> 00:02:04,280

director with three names

39

00:02:09,109 --> 00:02:07,079

[Laughter]

40

00:02:11,750 --> 00:02:09,119

good thanks Jimmy I'm great thanks Mike

41

00:02:14,210 --> 00:02:11,760

how how's yourself today well I I'm

42

00:02:18,229 --> 00:02:14,220

great but you know it's important to

43

00:02:21,110 --> 00:02:18,239

have John in there to separate you from

44

00:02:23,930 --> 00:02:21,120

all of the other Damien knots that are

45

00:02:26,210 --> 00:02:23,940

yeah because there's so many of them so

46

00:02:29,570 --> 00:02:26,220

yeah I just I need to be original as

47

00:02:35,390 --> 00:02:32,750

um listen uh we uh welcome to the

48

00:02:37,729 --> 00:02:35,400

program uh it's a very important thank

49

00:02:40,309 --> 00:02:37,739

you week as as everybody knows what's

50

00:02:42,949 --> 00:02:40,319

going on out there but uh I need to get

51  
00:02:46,070 --> 00:02:42,959  
the First Time guest disclaimer out of

52  
00:02:47,809 --> 00:02:46,080  
the way which is this Damien it's just

53  
00:02:49,550 --> 00:02:47,819  
you and I sitting on my couch having a

54  
00:02:51,410 --> 00:02:49,560  
conversation as friends and where that

55  
00:02:53,750 --> 00:02:51,420  
conversation starts and starts where it

56  
00:02:56,890 --> 00:02:53,760  
ends and ends but we're gonna end his

57  
00:02:58,700 --> 00:02:56,900  
friends there you go you ready

58  
00:03:02,750 --> 00:02:58,710  
yeah absolutely

59  
00:03:06,770 --> 00:03:02,760  
[Laughter]

60  
00:03:11,330 --> 00:03:08,990  
wow especially uh with the audience

61  
00:03:14,270 --> 00:03:11,340  
right now and and the world and and

62  
00:03:17,630 --> 00:03:14,280  
where we are in in the media the

63  
00:03:19,910 --> 00:03:17,640

breaking news this week of course is uh

64

00:03:22,009 --> 00:03:19,920

a whistleblower has come forward his

65

00:03:26,530 --> 00:03:22,019

name is David grush

66

00:03:29,869 --> 00:03:26,540

uh making some pretty amazing claims and

67

00:03:34,850 --> 00:03:29,879

filed a complaint with uh I think one or

68

00:03:35,649 --> 00:03:34,860

maybe two IG offices and is sworn

69

00:03:38,830 --> 00:03:35,659

um

70

00:03:42,110 --> 00:03:38,840

sworn and signed off on these statements

71

00:03:47,770 --> 00:03:42,120

that uh the United States is in

72

00:03:51,530 --> 00:03:47,780

possession of intact flying saucers and

73

00:03:53,869 --> 00:03:51,540

alien Pilots right

74

00:03:56,210 --> 00:03:53,879

and and to quote him he said you know

75

00:03:58,670 --> 00:03:56,220

well if you have a craft you usually

76  
00:04:03,770 --> 00:03:58,680  
have to assume you have somebody flying

77  
00:04:06,550 --> 00:04:03,780  
it and those are his words not mine and

78  
00:04:09,770 --> 00:04:06,560  
some pretty other fantastic claims and

79  
00:04:11,449 --> 00:04:09,780  
it's very fluid I did I just got some

80  
00:04:14,350 --> 00:04:11,459  
more news

81  
00:04:17,270 --> 00:04:14,360  
um right before Showtime but anyway

82  
00:04:19,390 --> 00:04:17,280  
uh what do you think what do you think

83  
00:04:22,730 --> 00:04:19,400  
is uh going on

84  
00:04:24,890 --> 00:04:22,740  
okay I hate to be a bummer or a um a

85  
00:04:27,110 --> 00:04:24,900  
downer uh with this but I mean we've

86  
00:04:29,210 --> 00:04:27,120  
seen this time and time again uh you

87  
00:04:31,310 --> 00:04:29,220  
know since the 60s they've come out and

88  
00:04:32,629 --> 00:04:31,320

it's they're trying to push you in a

89

00:04:33,350 --> 00:04:32,639

certain way well this is my belief

90

00:04:35,270 --> 00:04:33,360

anyway

91

00:04:36,950 --> 00:04:35,280

um you know as far as I'm concerned and

92

00:04:38,570 --> 00:04:36,960

and seeing some of the things going on

93

00:04:40,129 --> 00:04:38,580

behind the scenes you know since I've

94

00:04:42,170 --> 00:04:40,139

been public myself

95

00:04:44,930 --> 00:04:42,180

um yeah I realize it's not as

96

00:04:47,510 --> 00:04:44,940

straightforward as it seems and what

97

00:04:50,390 --> 00:04:47,520

I've seen um as far as I'm concerned

98

00:04:53,090 --> 00:04:50,400

anybody can come out with a story

99

00:04:55,129 --> 00:04:53,100

um and then without the evidence that's

100

00:04:57,830 --> 00:04:55,139

the actual critical part here there's no

101  
00:05:01,010 --> 00:04:57,840  
evidence uh no anything to back up this

102  
00:05:04,909 --> 00:05:01,020  
man's story just a piece of paper you

103  
00:05:06,350 --> 00:05:04,919  
signed off I find it unusual that uh the

104  
00:05:08,270 --> 00:05:06,360  
government or the people that be either

105  
00:05:10,670 --> 00:05:08,280  
keeping this under wraps or whatever the

106  
00:05:12,469 --> 00:05:10,680  
case may be um would actually say okay

107  
00:05:14,090 --> 00:05:12,479  
you can go out and talk about it but

108  
00:05:16,370 --> 00:05:14,100  
you're not allowed to have any evidence

109  
00:05:20,030 --> 00:05:16,380  
of it um I mean that's just opens the

110  
00:05:22,730 --> 00:05:20,040  
door for the Skeptics ridicule um and I

111  
00:05:25,430 --> 00:05:22,740  
just find it funny that most of the

112  
00:05:28,969 --> 00:05:25,440  
topic most of the subject itself uh is

113  
00:05:31,310 --> 00:05:28,979

actually balls of light uh you know

114

00:05:33,110 --> 00:05:31,320

light phenomenon um you know and then

115

00:05:35,090 --> 00:05:33,120

you've got your cigar shaped craft and

116

00:05:38,150 --> 00:05:35,100

triangular shape craft and all that kind

117

00:05:39,950 --> 00:05:38,160

of stuff um you know 86 to 87 of the

118

00:05:42,110 --> 00:05:39,960

reports I get and what I've seen myself

119

00:05:44,390 --> 00:05:42,120

are balls of light of different shapes

120

00:05:46,550 --> 00:05:44,400

and so I'm finding it funny that they're

121

00:05:47,749 --> 00:05:46,560

trying to bring it back to metals and

122

00:05:50,270 --> 00:05:47,759

they're trying to bring it back to

123

00:05:52,370 --> 00:05:50,280

something mechanistic whereas the actual

124

00:05:55,310 --> 00:05:52,380

phenomenon itself is not a mechanistic

125

00:05:58,129 --> 00:05:55,320

phenomenon it doesn't follow principles

126

00:06:01,969 --> 00:05:58,139

of our law or anything like this it is

127

00:06:04,070 --> 00:06:01,979

so far beyond what we know so just

128

00:06:06,890 --> 00:06:04,080

bringing it back to metals and crash

129

00:06:08,029 --> 00:06:06,900

Metals um I I just find that very

130

00:06:10,189 --> 00:06:08,039

unusual

131

00:06:11,870 --> 00:06:10,199

um when that's not the actual phenomenon

132

00:06:13,189 --> 00:06:11,880

and that hasn't been the phenomenon for

133

00:06:15,290 --> 00:06:13,199

a long long time

134

00:06:17,029 --> 00:06:15,300

um so it's just that part of it's really

135

00:06:19,249 --> 00:06:17,039

getting to me and then the way that he

136

00:06:20,870 --> 00:06:19,259

was talking and it was like he was

137

00:06:23,270 --> 00:06:20,880

relishing and bringing it out it was

138

00:06:26,210 --> 00:06:23,280

almost like a play act um just watching

139

00:06:28,070 --> 00:06:26,220

the man talk about it um I I just find

140

00:06:30,290 --> 00:06:28,080

it funny I'm not doubting his

141

00:06:32,510 --> 00:06:30,300

credentials anything like that it's just

142

00:06:34,730 --> 00:06:32,520

that when I hear anything like this come

143

00:06:36,830 --> 00:06:34,740

from the government nothing ever happens

144

00:06:38,629 --> 00:06:36,840

past that

145

00:06:40,730 --> 00:06:38,639

um and so it's just the same thing

146

00:06:42,770 --> 00:06:40,740

circle around and around and around it

147

00:06:44,390 --> 00:06:42,780

seems to me like more disinformation

148

00:06:46,730 --> 00:06:44,400

unfortunately

149

00:06:49,070 --> 00:06:46,740

but that's just my point of view okay

150

00:06:51,890 --> 00:06:49,080

well we'll continue uh that's an

151

00:06:55,249 --> 00:06:51,900

interesting take and and I think all of

152

00:06:58,129 --> 00:06:55,259

this especially with these uh types of

153

00:07:00,230 --> 00:06:58,139

claims this is where discernment really

154

00:07:03,590 --> 00:07:00,240

comes into play you need to keep really

155

00:07:07,450 --> 00:07:03,600

squinty eyes and you know what I mean it

156

00:07:10,909 --> 00:07:07,460

just kind of but um uh this story

157

00:07:14,629 --> 00:07:10,919

uh basically this is kind of an

158

00:07:17,930 --> 00:07:14,639

Australian story it's Ross culthart and

159

00:07:20,570 --> 00:07:17,940

his original uh interview uh with uh

160

00:07:23,570 --> 00:07:20,580

grush and I think that

161

00:07:24,650 --> 00:07:23,580

um Ross who who I know and I'm sure you

162

00:07:27,529 --> 00:07:24,660

know

163

00:07:31,510 --> 00:07:27,539

um yeah Ross doesn't play around okay

164

00:07:35,150 --> 00:07:31,520

he's he's he's pretty friggin Direct

165

00:07:37,969 --> 00:07:35,160

and and in the interview he says are you

166

00:07:39,909 --> 00:07:37,979

lying right I mean Ross just goes

167

00:07:46,850 --> 00:07:39,919

straight at him man

168

00:07:49,370 --> 00:07:46,860

and and I it's uh Ross I think Ross I

169

00:07:52,430 --> 00:07:49,380

can't put words in his mouth but I think

170

00:07:56,270 --> 00:07:52,440

Ross is convinced on his credibility and

171

00:07:58,850 --> 00:07:56,280

and Ross isn't an easy guy uh you know

172

00:08:00,550 --> 00:07:58,860

to uh you know what I mean to change

173

00:08:03,529 --> 00:08:00,560

Ross's mind

174

00:08:07,790 --> 00:08:03,539

he's he's a very difficult guy what what

175

00:08:10,430 --> 00:08:07,800

do you make of Ross's take on this

176

00:08:13,070 --> 00:08:10,440

uh I haven't actually heard Ross's take

177

00:08:15,050 --> 00:08:13,080

um I bet if he believes the man Ross is

178

00:08:16,730 --> 00:08:15,060

very good with a judge of character and

179

00:08:18,409 --> 00:08:16,740

you know he's been doing this stuff for

180

00:08:20,210 --> 00:08:18,419

60 minutes and all this out here for

181

00:08:22,610 --> 00:08:20,220

years and he's highly respected out here

182

00:08:24,650 --> 00:08:22,620

so as an investigative journalist he

183

00:08:26,510 --> 00:08:24,660

knows he I mean he knows when people are

184

00:08:28,610 --> 00:08:26,520

lying to him I'm sure he's seen it that

185

00:08:31,129 --> 00:08:28,620

many times and he's been a part of it so

186

00:08:33,529 --> 00:08:31,139

you know Ross's discernment is great but

187

00:08:35,570 --> 00:08:33,539

unfortunately you know the best of us

188

00:08:37,070 --> 00:08:35,580

can be fooled by people and especially

189

00:08:38,149 --> 00:08:37,080

when it comes from anyone from the

190

00:08:40,010 --> 00:08:38,159

government

191

00:08:41,930 --> 00:08:40,020

um talking about this they can say

192

00:08:43,190 --> 00:08:41,940

anything and then you know the smartest

193

00:08:47,449 --> 00:08:43,200

person on Earth can be fooled by

194

00:08:50,030 --> 00:08:47,459

somebody who is out dead set out to um

195

00:08:52,550 --> 00:08:50,040

you know four people and you know so I

196

00:08:54,410 --> 00:08:52,560

mean anybody can be fooled so as far as

197

00:08:56,810 --> 00:08:54,420

I've heard so that many stories myself

198

00:08:58,970 --> 00:08:56,820

that were that believable that we're

199

00:09:00,410 --> 00:08:58,980

told so believably that I actually for a

200

00:09:02,930 --> 00:09:00,420

second believed and then they turned out

201  
00:09:05,150 --> 00:09:02,940  
to be absolutely false where there's so

202  
00:09:06,710 --> 00:09:05,160  
many people out there um in this field

203  
00:09:08,329 --> 00:09:06,720  
I've noticed in the past decade since

204  
00:09:11,810 --> 00:09:08,339  
I've been public myself for being

205  
00:09:13,370 --> 00:09:11,820  
contacted by Admirals and Generals and

206  
00:09:15,530 --> 00:09:13,380  
all sorts of people claiming to be all

207  
00:09:17,210 --> 00:09:15,540  
you know militaries and all this kind of

208  
00:09:19,970 --> 00:09:17,220  
stuff and most of them turn out to be

209  
00:09:22,190 --> 00:09:19,980  
just be the nut cases or just you know

210  
00:09:23,570 --> 00:09:22,200  
someone who wants to be part of part of

211  
00:09:26,690 --> 00:09:23,580  
the whole thing or whatever the case is

212  
00:09:27,769 --> 00:09:26,700  
but yeah Ross you know I trust Ross Ross

213  
00:09:29,990 --> 00:09:27,779

is a good man

214

00:09:32,570 --> 00:09:30,000

um and you know but as far as I'm

215

00:09:35,509 --> 00:09:32,580

concerned you know that my theory as is

216

00:09:37,490 --> 00:09:35,519

that this uh is it's just too suspect

217

00:09:40,070 --> 00:09:37,500

and I mean I believe that last year

218

00:09:42,230 --> 00:09:40,080

Jacques valet was speaking about Crash

219

00:09:43,790 --> 00:09:42,240

medals that we have the same sort of

220

00:09:46,490 --> 00:09:43,800

thing so this has been going on for a

221

00:09:48,110 --> 00:09:46,500

little while now um and so I mean if

222

00:09:50,210 --> 00:09:48,120

it's out there it's out there but

223

00:09:52,310 --> 00:09:50,220

instead of just talking about it why

224

00:09:54,650 --> 00:09:52,320

don't we get the evidence show the

225

00:09:57,050 --> 00:09:54,660

evidence show the isotopic ratios to the

226

00:09:59,449 --> 00:09:57,060

public have it tested by independent

227

00:10:01,910 --> 00:09:59,459

scientists as well in independent

228

00:10:04,130 --> 00:10:01,920

Laboratories the whole thing just to

229

00:10:06,650 --> 00:10:04,140

prove it to lay it to rest talking about

230

00:10:08,449 --> 00:10:06,660

it constantly and then nothing coming

231

00:10:10,490 --> 00:10:08,459

from it time and time time and time

232

00:10:13,130 --> 00:10:10,500

again is just leading to the fact that

233

00:10:16,610 --> 00:10:13,140

okay this might be just not what it

234

00:10:18,949 --> 00:10:16,620

seems unfortunately so I I I'd love it

235

00:10:21,410 --> 00:10:18,959

to be true and I love it to be real but

236

00:10:23,389 --> 00:10:21,420

as far as I'm concerned the way I see it

237

00:10:25,430 --> 00:10:23,399

is that the

238

00:10:27,170 --> 00:10:25,440

the actual phenomenon is not being

239

00:10:29,449 --> 00:10:27,180

addressed it's not being addressed by

240

00:10:30,910 --> 00:10:29,459

the Pentagon by those looking into an

241

00:10:33,889 --> 00:10:30,920

atip study

242

00:10:35,509 --> 00:10:33,899

they seem to be focused on sources

243

00:10:36,710 --> 00:10:35,519

Metals

244

00:10:39,290 --> 00:10:36,720

um you know as if that's going to

245

00:10:41,329 --> 00:10:39,300

absolutely prove everything to the

246

00:10:43,670 --> 00:10:41,339

public that aliens exist or whatever the

247

00:10:45,530 --> 00:10:43,680

case is you know it's not

248

00:10:47,030 --> 00:10:45,540

um there's yeah different isotopic

249

00:10:49,250 --> 00:10:47,040

ratios and different things out there

250

00:10:51,590 --> 00:10:49,260

and whatnot but I just find it funny

251

00:10:53,990 --> 00:10:51,600

that um you know this can just keep

252

00:10:56,389 --> 00:10:54,000

going for so long without any evidence

253

00:10:58,610 --> 00:10:56,399

whatsoever and without anything coming

254

00:11:01,730 --> 00:10:58,620

forward to back up these stories so

255

00:11:04,190 --> 00:11:01,740

until I see some evidence myself you

256

00:11:08,829 --> 00:11:04,200

know it's still just a story out of one

257

00:11:13,250 --> 00:11:08,839

man's mouth unfortunately well okay and

258

00:11:20,269 --> 00:11:16,310

is where he sits on Solid Ground

259

00:11:23,389 --> 00:11:20,279

he sits on Solid Ground because he is a

260

00:11:28,370 --> 00:11:23,399

government employee uh that has had

261

00:11:32,090 --> 00:11:28,380

access to uh top secret information

262

00:11:33,829 --> 00:11:32,100

um so you have that aspect of it and he

263

00:11:38,150 --> 00:11:33,839

is protecting himself Under The

264

00:11:41,930 --> 00:11:38,160

Whistleblower rack and stating that he

265

00:11:46,670 --> 00:11:41,940

has seen the evidence that the United

266

00:11:50,810 --> 00:11:46,680

States is in possession of intact flying

267

00:11:53,269 --> 00:11:50,820

saucers now that goes beyond you know

268

00:11:57,710 --> 00:11:53,279

little bits and pieces of meta materials

269

00:12:00,290 --> 00:11:57,720

he's saying intact flying saucers and

270

00:12:02,210 --> 00:12:00,300

that the government has been lying to us

271

00:12:05,210 --> 00:12:02,220

about it

272

00:12:08,210 --> 00:12:05,220

um and that nobody in Congress and not

273

00:12:09,970 --> 00:12:08,220

well he's let Congress know now and the

274

00:12:13,730 --> 00:12:09,980

Senate yeah

275

00:12:16,610 --> 00:12:13,740

but that nobody knows about it and this

276

00:12:19,449 --> 00:12:16,620

has been kept from the public that is is

277

00:12:24,590 --> 00:12:19,459

where he stands on Solid Ground

278

00:12:26,569 --> 00:12:24,600

would wouldn't the possession of a

279

00:12:28,190 --> 00:12:26,579

flying so I'm saying Flying Saucer

280

00:12:31,150 --> 00:12:28,200

because of you know just I don't have

281

00:12:35,269 --> 00:12:31,160

another word for it right now but

282

00:12:38,509 --> 00:12:35,279

just that fact alone it wouldn't that be

283

00:12:41,949 --> 00:12:38,519

like the biggest news in the history of

284

00:12:44,750 --> 00:12:41,959

mankind and it isn't it a big deal

285

00:12:47,030 --> 00:12:44,760

absolutely it would be huge it would be

286

00:12:50,389 --> 00:12:47,040

massive I mean look at Roswell look at

287

00:12:52,370 --> 00:12:50,399

the impact that had and has had in a

288

00:12:55,430 --> 00:12:52,380

decade since I mean that has just

289

00:12:57,350 --> 00:12:55,440

swelled into a massive you know thing

290

00:12:59,329 --> 00:12:57,360

with the public and everyone knows

291

00:13:02,210 --> 00:12:59,339

Roswell everyone knows Area 51 and all

292

00:13:03,350 --> 00:13:02,220

this kind of stuff so um you know I I do

293

00:13:05,210 --> 00:13:03,360

believe that

294

00:13:07,490 --> 00:13:05,220

uh

295

00:13:09,590 --> 00:13:07,500

the phenomenon itself

296

00:13:11,389 --> 00:13:09,600

is is tricky

297

00:13:13,850 --> 00:13:11,399

um and and I know that it plays with

298

00:13:17,449 --> 00:13:13,860

people's minds I know that it's not what

299

00:13:19,790 --> 00:13:17,459

it seems um and so where where they're

300

00:13:22,490 --> 00:13:19,800

getting this information from um these

301

00:13:24,650 --> 00:13:22,500

crash sources these partially

302

00:13:26,449 --> 00:13:24,660

um intact craft as well fully intact

303

00:13:28,250 --> 00:13:26,459

partially intact

304

00:13:30,110 --> 00:13:28,260

um at the end of the day you know it's

305

00:13:31,970 --> 00:13:30,120

great that would just absolutely blow

306

00:13:34,970 --> 00:13:31,980

everyone's mind but what I've noticed is

307

00:13:37,850 --> 00:13:34,980

that over the past like and last year as

308

00:13:39,769 --> 00:13:37,860

well and even back in 2017 when the

309

00:13:41,569 --> 00:13:39,779

Pentagon came out and started speaking

310

00:13:44,629 --> 00:13:41,579

about the stuff and the Air Force and

311

00:13:46,670 --> 00:13:44,639

whatnot uh the Navy sorry

312

00:13:50,210 --> 00:13:46,680

um you know even back then the the

313

00:13:52,910 --> 00:13:50,220

phenomenon itself is is still continuing

314

00:13:55,910 --> 00:13:52,920

on it's it's not changing

315

00:13:59,329 --> 00:13:55,920

um it's still the same and it's but it's

316

00:14:01,610 --> 00:13:59,339

it's it covers itself it's dark it's

317

00:14:04,009 --> 00:14:01,620

it's it's not what it seems and for

318

00:14:06,650 --> 00:14:04,019

myself I've seen you know many many

319

00:14:09,290 --> 00:14:06,660

dozens of craft objects up in the sky

320

00:14:11,629 --> 00:14:09,300

only once have I ever seen what could

321

00:14:13,610 --> 00:14:11,639

resemble a flying saucer or captured

322

00:14:16,009 --> 00:14:13,620

I've got hundreds of captions of these

323

00:14:17,870 --> 00:14:16,019

things and I've just it's the rarest

324

00:14:20,870 --> 00:14:17,880

thing is to see one of these flying

325

00:14:22,910 --> 00:14:20,880

sources but that is so ingrained in in

326

00:14:25,430 --> 00:14:22,920

humans and people and the whole alien

327

00:14:28,129 --> 00:14:25,440

Mythos that you know that would be just

328

00:14:30,110 --> 00:14:28,139

a worldwide thing it would just break

329

00:14:31,670 --> 00:14:30,120

everyone's mind or you would think so

330

00:14:33,889 --> 00:14:31,680

years ago would have had a greater

331

00:14:36,050 --> 00:14:33,899

effect but I think nowadays due to the

332

00:14:38,269 --> 00:14:36,060

internet due to people talking about it

333

00:14:40,129 --> 00:14:38,279

due to it being a more open acceptable

334

00:14:42,650 --> 00:14:40,139

subject where the stigma has been

335

00:14:44,569 --> 00:14:42,660

released a little bit due to you know

336

00:14:46,310 --> 00:14:44,579

the Pentagon and people coming out about

337

00:14:48,230 --> 00:14:46,320

it and all that kind of stuff you know

338

00:14:50,329 --> 00:14:48,240

it I thought it would have had a much

339

00:14:52,370 --> 00:14:50,339

greater impact than what it has I mean

340

00:14:54,590 --> 00:14:52,380

it's got a lot of people talking but I

341

00:14:56,750 --> 00:14:54,600

guess not everyone is interested in UFOs

342

00:14:59,210 --> 00:14:56,760

and it's not going to affect people like

343

00:15:01,730 --> 00:14:59,220

it did just say back in the 40s and 50s

344

00:15:03,590 --> 00:15:01,740

and like with Orson Wells with War of

345

00:15:05,689 --> 00:15:03,600

the Worlds how um you know that one part

346

00:15:07,129 --> 00:15:05,699

in New York how they played the story

347

00:15:09,410 --> 00:15:07,139

about the aliens coming and all that and

348

00:15:11,269 --> 00:15:09,420

everyone freaked out and panicked you

349

00:15:13,129 --> 00:15:11,279

know that different times back then I

350

00:15:15,170 --> 00:15:13,139

think we're a little bit more open to it

351

00:15:16,730 --> 00:15:15,180

now we're probably less religious in

352

00:15:18,290 --> 00:15:16,740

certain ways

353

00:15:20,269 --> 00:15:18,300

um so we're more open to certain

354

00:15:22,069 --> 00:15:20,279

phenomena or whatever the cases or stuff

355

00:15:25,250 --> 00:15:22,079

that's out there science is you know

356

00:15:28,069 --> 00:15:25,260

expanding all the time so you know it

357

00:15:29,449 --> 00:15:28,079

would be a massive thing but people need

358

00:15:32,269 --> 00:15:29,459

to see the evidence of what I've always

359

00:15:34,370 --> 00:15:32,279

said just quickly is is that for for

360

00:15:36,170 --> 00:15:34,380

everyone to believe this to be a true

361

00:15:38,150 --> 00:15:36,180

phenomenon around the world all at the

362

00:15:40,610 --> 00:15:38,160

same time we'd have to have some sort of

363

00:15:43,189 --> 00:15:40,620

Independence Day scenario where you have

364

00:15:45,350 --> 00:15:43,199

these major crafter above every city in

365

00:15:47,930 --> 00:15:45,360

the world all at the same time that way

366

00:15:50,030 --> 00:15:47,940

it's undeniable it's not just a story

367

00:15:52,129 --> 00:15:50,040

about someone who saw something or

368

00:15:54,050 --> 00:15:52,139

someone who heard a story about some

369

00:15:56,329 --> 00:15:54,060

from someone else it's actual evidence

370

00:15:57,889 --> 00:15:56,339

and that would be undeniable that would

371

00:15:59,750 --> 00:15:57,899

change everything that would really

372

00:16:02,329 --> 00:15:59,760

maybe freak A lot of people out still

373

00:16:05,569 --> 00:16:02,339

but the way it is the phenomenon doesn't

374

00:16:07,069 --> 00:16:05,579

do that it just remains semi-hidden but

375

00:16:10,550 --> 00:16:07,079

sometimes it doesn't care whether it's

376

00:16:12,889 --> 00:16:10,560

seen on not it's just strange I I can't

377

00:16:14,930 --> 00:16:12,899

understand it sometimes it's shy and

378

00:16:17,750 --> 00:16:14,940

sometimes it's not sometimes it wants to

379

00:16:19,250 --> 00:16:17,760

let you film it and sometimes it doesn't

380

00:16:22,009 --> 00:16:19,260

um a play with plays around with your

381

00:16:24,470 --> 00:16:22,019

cameras your batteries everything

382

00:16:26,810 --> 00:16:24,480

um memory cards it wipes the the

383

00:16:29,569 --> 00:16:26,820

phenomenon is bizarre um so it's really

384

00:16:30,769 --> 00:16:29,579

hard to like we're saying before

385

00:16:33,110 --> 00:16:30,779

um you know

386

00:16:34,370 --> 00:16:33,120

it changes it throws you a curveball all

387

00:16:36,350 --> 00:16:34,380

the time so when you think you know the

388

00:16:38,150 --> 00:16:36,360

answer to it like it's aliens for Mars

389

00:16:40,610 --> 00:16:38,160

or it's this or it's that or it's you

390

00:16:43,370 --> 00:16:40,620

know bacterians or whatever no there's

391

00:16:45,350 --> 00:16:43,380

something else deeper and Stranger Than

392

00:16:48,710 --> 00:16:45,360

what people could possibly imagine and

393

00:16:50,269 --> 00:16:48,720

you know in haunted skies and fractured

394

00:16:52,610 --> 00:16:50,279

realities part two coming up I'd be

395

00:16:54,829 --> 00:16:52,620

going into the the high strangeness side

396

00:16:56,930 --> 00:16:54,839

of the UFO phenomenon

397

00:16:58,970 --> 00:16:56,940

um and what's associated with it as well

398

00:17:01,850 --> 00:16:58,980

and it's it's a little bit deeper than

399

00:17:04,130 --> 00:17:01,860

just saucers or little balls of light so

400

00:17:06,169 --> 00:17:04,140

yeah it's crazy phenomenon and you know

401  
00:17:08,030 --> 00:17:06,179  
I want people to accept it and believe

402  
00:17:10,970 --> 00:17:08,040  
it but I think it'll just happen with

403  
00:17:12,409 --> 00:17:10,980  
time eventually and you have to see to

404  
00:17:14,449 --> 00:17:12,419  
believe and I always say that to people

405  
00:17:17,510 --> 00:17:14,459  
you need to see it to believe it as the

406  
00:17:19,549 --> 00:17:17,520  
old saying goes you know for sure for

407  
00:17:20,270 --> 00:17:19,559  
sure now if

408  
00:17:24,230 --> 00:17:20,280  
um

409  
00:17:26,090 --> 00:17:24,240  
if the White House comes out and says

410  
00:17:29,390 --> 00:17:26,100  
okay all right

411  
00:17:31,909 --> 00:17:29,400  
time to come clean we've got flying

412  
00:17:35,990 --> 00:17:31,919  
saucers that that are not of this Earth

413  
00:17:39,350 --> 00:17:36,000

and we've had them for a while is that

414

00:17:42,770 --> 00:17:39,360

is that the in is that an Independence

415

00:17:46,130 --> 00:17:42,780

Day moment like you're referring to if

416

00:17:48,770 --> 00:17:46,140

if the president comes out and says E.T

417

00:17:52,130 --> 00:17:48,780

Israel and yes we have flying saucers

418

00:17:53,510 --> 00:17:52,140

are we at that point it would be but it

419

00:17:56,450 --> 00:17:53,520

wouldn't it wouldn't quite have the same

420

00:17:58,789 --> 00:17:56,460

impact as everyone seeing these things

421

00:18:00,710 --> 00:17:58,799

with their own eyes having someone tell

422

00:18:02,810 --> 00:18:00,720

you something especially someone from

423

00:18:04,250 --> 00:18:02,820

the government there's not much trust in

424

00:18:05,930 --> 00:18:04,260

governments obviously because

425

00:18:07,909 --> 00:18:05,940

governments have lied to people many

426

00:18:11,150 --> 00:18:07,919

many times and kept secrets over the

427

00:18:13,490 --> 00:18:11,160

decades so um it's I mean it's hard to

428

00:18:15,770 --> 00:18:13,500

say but as far as I'm concerned the

429

00:18:17,630 --> 00:18:15,780

biggest impact would be multiple

430

00:18:19,730 --> 00:18:17,640

sightings around the world I mean it's

431

00:18:22,490 --> 00:18:19,740

great for I don't know if anyone would

432

00:18:24,710 --> 00:18:22,500

even believe what Biden says anyway what

433

00:18:27,049 --> 00:18:24,720

comes out of his mouth at the moment so

434

00:18:28,789 --> 00:18:27,059

but at the same time especially if you

435

00:18:30,890 --> 00:18:28,799

started talking about UFOs and aliens

436

00:18:33,049 --> 00:18:30,900

and stuff like that but you know I I

437

00:18:34,250 --> 00:18:33,059

just believe that um

438

00:18:37,010 --> 00:18:34,260

it

439

00:18:39,350 --> 00:18:37,020

the the one thing that that would change

440

00:18:42,110 --> 00:18:39,360

everything would be multiple sightings

441

00:18:45,169 --> 00:18:42,120

around the world gigantic sightings AKA

442

00:18:46,430 --> 00:18:45,179

Independence Day and you know it's fine

443

00:18:47,930 --> 00:18:46,440

I'm sure a lot of people would believe

444

00:18:50,090 --> 00:18:47,940

the president and a lot of people would

445

00:18:51,610 --> 00:18:50,100

believe the government and unfortunately

446

00:18:54,529 --> 00:18:51,620

the you know most of the population

447

00:18:56,210 --> 00:18:54,539

would blindly do follow like sheep

448

00:18:59,090 --> 00:18:56,220

whatever the government says a good deal

449

00:19:02,330 --> 00:18:59,100

of the population but um as far as I'm

450

00:19:04,730 --> 00:19:02,340

concerned we need something bigger than

451  
00:19:06,770 --> 00:19:04,740  
just someone saying okay here's a story

452  
00:19:08,870 --> 00:19:06,780  
we've got crashed this or we've got

453  
00:19:12,110 --> 00:19:08,880  
crash that people need to see the

454  
00:19:15,230 --> 00:19:12,120  
evidence not just here about it okay

455  
00:19:19,190 --> 00:19:15,240  
let's take it to the next level

456  
00:19:21,470 --> 00:19:19,200  
they produce not only photographs but

457  
00:19:23,770 --> 00:19:21,480  
they allow the press in to see these

458  
00:19:29,210 --> 00:19:27,350  
okay well if there's photographs of

459  
00:19:31,310 --> 00:19:29,220  
Croft I mean you'd have to that's

460  
00:19:35,090 --> 00:19:31,320  
suspect as is you'd have to show the

461  
00:19:37,730 --> 00:19:35,100  
craft show the I just said they let the

462  
00:19:41,029 --> 00:19:37,740  
press in they have a press conference

463  
00:19:42,890 --> 00:19:41,039

and they show us the craft

464

00:19:44,630 --> 00:19:42,900

and they show the craft well that would

465

00:19:46,610 --> 00:19:44,640

be a different story altogether yeah if

466

00:19:48,770 --> 00:19:46,620

they showed it and showed the after

467

00:19:51,049 --> 00:19:48,780

independent Laboratories tested it as

468

00:19:53,090 --> 00:19:51,059

well and showed that the same type of

469

00:19:54,650 --> 00:19:53,100

thing it was very strange isotopic

470

00:19:56,510 --> 00:19:54,660

ratios and everything like this and or

471

00:19:58,850 --> 00:19:56,520

something that we do not have on this

472

00:20:00,830 --> 00:19:58,860

Earth yeah definitely that would change

473

00:20:02,330 --> 00:20:00,840

a lot of people's that would that would

474

00:20:04,250 --> 00:20:02,340

actually change my

475

00:20:06,230 --> 00:20:04,260

um thoughts on the crash source of

476  
00:20:07,130 --> 00:20:06,240  
phenomenon too if they showed it to us

477  
00:20:08,870 --> 00:20:07,140  
but

478  
00:20:12,409 --> 00:20:08,880  
and unfortunately it's still just

479  
00:20:16,190 --> 00:20:12,419  
stories yeah yep yep yep we got to see

480  
00:20:19,010 --> 00:20:16,200  
how this plays out and exactly right

481  
00:20:19,690 --> 00:20:19,020  
before uh show time

482  
00:20:22,370 --> 00:20:19,700  
um

483  
00:20:25,450 --> 00:20:22,380  
there's there's some other news breaking

484  
00:20:30,650 --> 00:20:25,460  
around grush and one of the statements

485  
00:20:33,830 --> 00:20:30,660  
uh he has made and apparently

486  
00:20:35,870 --> 00:20:33,840  
um now I I again this is so fluid it's

487  
00:20:41,450 --> 00:20:35,880  
happening so fast so if I get this a

488  
00:20:44,510 --> 00:20:41,460

little bit wrong uh uh sue me okay but

489

00:20:49,970 --> 00:20:44,520

I think he did an interview within an

490

00:20:52,610 --> 00:20:49,980

Italian publication I guess today and in

491

00:20:55,510 --> 00:20:52,620

this he States

492

00:20:59,390 --> 00:20:55,520

that in 1933

493

00:21:02,450 --> 00:20:59,400

1933 before World War II 1933

494

00:21:05,990 --> 00:21:02,460

the United States went to Italy and

495

00:21:07,390 --> 00:21:06,000

recovered a craft and brought it back to

496

00:21:10,310 --> 00:21:07,400

the United States

497

00:21:12,650 --> 00:21:10,320

now you know again we're getting into

498

00:21:16,010 --> 00:21:12,660

specifics and he's got dates and he's

499

00:21:19,610 --> 00:21:16,020

got that's uh what what do we do with

500

00:21:24,409 --> 00:21:19,620

that and and then the the curveball on

501  
00:21:26,690 --> 00:21:24,419  
this is he says it was bell-shaped

502  
00:21:29,149 --> 00:21:26,700  
on a bell-shaped okay well that's

503  
00:21:31,970 --> 00:21:29,159  
reminiscent of Kecksburg the kexberg

504  
00:21:34,610 --> 00:21:31,980  
incident with the Bell the the uh the

505  
00:21:38,690 --> 00:21:34,620  
bell shaped it has also um with the

506  
00:21:41,630 --> 00:21:38,700  
Glock yeah die Glock the Glock yeah yeah

507  
00:21:43,669 --> 00:21:41,640  
so that that that actual shape has

508  
00:21:45,830 --> 00:21:43,679  
there's a few really good photographs

509  
00:21:48,230 --> 00:21:45,840  
out there of there was one I think back

510  
00:21:49,970 --> 00:21:48,240  
in the 70s it was taken um either in

511  
00:21:51,950 --> 00:21:49,980  
America or here in Australia where there

512  
00:21:54,049 --> 00:21:51,960  
was one over a house tilted on its side

513  
00:21:55,909 --> 00:21:54,059

moving across

514

00:21:57,830 --> 00:21:55,919

um absolutely incredible um so yeah

515

00:21:59,990 --> 00:21:57,840

there are those type of ones out there

516

00:22:01,909 --> 00:22:00,000

and I mean if they showed us those

517

00:22:03,350 --> 00:22:01,919

things I mean there would be no denying

518

00:22:05,210 --> 00:22:03,360

it would there it would be just okay

519

00:22:06,890 --> 00:22:05,220

it's there you can touch it you can test

520

00:22:08,149 --> 00:22:06,900

it that's what people want that's what

521

00:22:10,490 --> 00:22:08,159

scientists want they want to be able to

522

00:22:13,549 --> 00:22:10,500

test these things and unfortunately with

523

00:22:15,590 --> 00:22:13,559

the the bulk of the phenomenon the orb

524

00:22:17,270 --> 00:22:15,600

phenomenon or the Foo Fighter phenomenon

525

00:22:18,409 --> 00:22:17,280

whatever the case is the same deal the

526

00:22:21,529 --> 00:22:18,419

same thing

527

00:22:23,930 --> 00:22:21,539

um the bulk of the phenomenon is is not

528

00:22:26,510 --> 00:22:23,940

being tested it's it can't be tested

529

00:22:28,490 --> 00:22:26,520

unless you you capture it somehow and I

530

00:22:30,830 --> 00:22:28,500

mean we've tried it's almost like a

531

00:22:33,470 --> 00:22:30,840

plasma-like entity these things that

532

00:22:36,169 --> 00:22:33,480

seem alive they follow cars around the

533

00:22:39,409 --> 00:22:36,179

area around here we've got a major

534

00:22:42,890 --> 00:22:39,419

highway heading to dubbo is an hour long

535

00:22:44,810 --> 00:22:42,900

just a Farms a massive long road and

536

00:22:46,730 --> 00:22:44,820

over the past decade I've probably had

537

00:22:49,730 --> 00:22:46,740

about four or five truckers and families

538

00:22:52,430 --> 00:22:49,740

contact me about 15 kilometers outside

539

00:22:55,130 --> 00:22:52,440

of dubbo heading towards my town here

540

00:22:57,950 --> 00:22:55,140

and we've only got 750 people here so

541

00:22:59,510 --> 00:22:57,960

it's a Tiny Town it's known as this

542

00:23:01,850 --> 00:22:59,520

whole area is known as the astronomy

543

00:23:04,430 --> 00:23:01,860

capital of Australia because there's no

544

00:23:06,289 --> 00:23:04,440

lights there's no light pollution you

545

00:23:08,390 --> 00:23:06,299

can see the sky it's just incredible we

546

00:23:10,090 --> 00:23:08,400

have all the telescopes around here and

547

00:23:13,370 --> 00:23:10,100

everything for that very reason

548

00:23:16,130 --> 00:23:13,380

these phenomenon um these ball

549

00:23:18,529 --> 00:23:16,140

phenomenon uh that we've seen

550

00:23:21,169 --> 00:23:18,539

all around country areas here they

551  
00:23:23,870 --> 00:23:21,179  
follow cars and they do some incredible

552  
00:23:26,750 --> 00:23:23,880  
stuff but you they are hyper aware they

553  
00:23:28,610 --> 00:23:26,760  
disappear when other cars are coming in

554  
00:23:30,350 --> 00:23:28,620  
the opposite direction and before you

555  
00:23:32,210 --> 00:23:30,360  
can even see them themselves so these

556  
00:23:35,390 --> 00:23:32,220  
things are aware so they're hyper aware

557  
00:23:37,370 --> 00:23:35,400  
as far as I know we can't capture these

558  
00:23:39,669 --> 00:23:37,380  
things I mean even even a scientific

559  
00:23:43,250 --> 00:23:39,679  
laboratory environment we can only

560  
00:23:45,950 --> 00:23:43,260  
replicate Plasma in a very tight sealed

561  
00:23:49,010 --> 00:23:45,960  
container for a very small amount of

562  
00:23:51,289 --> 00:23:49,020  
time um before it dissipates and so but

563  
00:23:53,090 --> 00:23:51,299

these things they they they're just out

564

00:23:55,850 --> 00:23:53,100

there they can do the most incredible

565

00:23:57,770 --> 00:23:55,860

things dive into the ground without any

566

00:23:59,090 --> 00:23:57,780

disturbance of the ground whatsoever and

567

00:24:01,010 --> 00:23:59,100

we've seen them do some incredible

568

00:24:03,110 --> 00:24:01,020

things dive into the water and that so

569

00:24:04,730 --> 00:24:03,120

these things will be hard to capture so

570

00:24:07,850 --> 00:24:04,740

I can understand why they would be

571

00:24:09,890 --> 00:24:07,860

focusing on the Flying Saucer part of it

572

00:24:12,350 --> 00:24:09,900

but those the flying sources aren't

573

00:24:14,810 --> 00:24:12,360

really registered or even seen nowadays

574

00:24:16,909 --> 00:24:14,820

they're just virtually unheard of which

575

00:24:19,310 --> 00:24:16,919

is really strange so whatever they have

576

00:24:22,610 --> 00:24:19,320

must be back from many many years ago

577

00:24:24,830 --> 00:24:22,620

when you know the 70s 80s even early 90s

578

00:24:26,450 --> 00:24:24,840

when people were still seeing a lot of

579

00:24:29,750 --> 00:24:26,460

the the flying sources and stuff like

580

00:24:32,570 --> 00:24:29,760

that so these crash car from Italy and

581

00:24:34,789 --> 00:24:32,580

America and and Russia and China

582

00:24:37,070 --> 00:24:34,799

wherever they are um yeah it must be

583

00:24:39,110 --> 00:24:37,080

from a while back and I mean you know

584

00:24:42,289 --> 00:24:39,120

what personally I'd love to see them I

585

00:24:44,390 --> 00:24:42,299

would love to just like bubblers are you

586

00:24:46,430 --> 00:24:44,400

know hop up in one and and check it out

587

00:24:49,190 --> 00:24:46,440

and it would just be incredible but yeah

588

00:24:50,750 --> 00:24:49,200

we'd need something like that to show at

589

00:24:52,549 --> 00:24:50,760

least most people that we're not alone

590

00:24:55,430 --> 00:24:52,559

there's something else strange going on

591

00:24:57,529 --> 00:24:55,440

but it that doesn't that side of it

592

00:25:00,710 --> 00:24:57,539

still doesn't touch on the actual deeper

593

00:25:02,510 --> 00:25:00,720

darker side of the UFO phenomenon where

594

00:25:05,409 --> 00:25:02,520

most people don't know about

595

00:25:08,090 --> 00:25:05,419

um and most people don't experience so

596

00:25:09,529 --> 00:25:08,100

if we can capture this plasma or

597

00:25:12,110 --> 00:25:09,539

whatever the case is that would be

598

00:25:14,450 --> 00:25:12,120

another huge step to proving to people

599

00:25:17,330 --> 00:25:14,460

okay most of the phenomenon 80 plus

600

00:25:19,130 --> 00:25:17,340

percent of the phenomenon is is this or

601  
00:25:20,870 --> 00:25:19,140  
it's part of the same phenomenon it's

602  
00:25:22,310 --> 00:25:20,880  
part of these sources as part of the

603  
00:25:23,570 --> 00:25:22,320  
cigars they're all part of the same

604  
00:25:25,490 --> 00:25:23,580  
thing

605  
00:25:27,529 --> 00:25:25,500  
um you know we really don't know at the

606  
00:25:28,730 --> 00:25:27,539  
end of the day and like you said The

607  
00:25:30,649 --> 00:25:28,740  
more you look into it the more

608  
00:25:32,810 --> 00:25:30,659  
curveballs you get thrown and you just

609  
00:25:35,390 --> 00:25:32,820  
when you think you have the answer it's

610  
00:25:37,970 --> 00:25:35,400  
just still just over the hill and you

611  
00:25:40,430 --> 00:25:37,980  
know you're not quite there yet but so I

612  
00:25:43,070 --> 00:25:40,440  
I've kind of come to a resolution myself

613  
00:25:45,049 --> 00:25:43,080

in my own life that you know I've been

614

00:25:47,450 --> 00:25:45,059

doing this for 34 years since having a

615

00:25:49,549 --> 00:25:47,460

sighting when I was nine and you know it

616

00:25:51,470 --> 00:25:49,559

really stuck with me and it's just kind

617

00:25:54,409 --> 00:25:51,480

of took over my life and I'd be happy

618

00:25:56,810 --> 00:25:54,419

that you know before I leave this earth

619

00:25:59,090 --> 00:25:56,820

that people out there understand that

620

00:26:00,890 --> 00:25:59,100

the phenomenon is real the stigma is

621

00:26:03,350 --> 00:26:00,900

dissipated and where people can feel

622

00:26:05,149 --> 00:26:03,360

free to talk about it uh feel free to

623

00:26:07,970 --> 00:26:05,159

open up about it because in my own life

624

00:26:10,490 --> 00:26:07,980

for the last 30 for 35 years I've you

625

00:26:12,409 --> 00:26:10,500

know lost friends over this family who

626

00:26:14,090 --> 00:26:12,419

thought I was crazy half my family have

627

00:26:15,529 --> 00:26:14,100

seen it with me the phenomena and the

628

00:26:17,510 --> 00:26:15,539

other half you know I think we're nuts

629

00:26:19,490 --> 00:26:17,520

or whatever the case cases but you know

630

00:26:20,930 --> 00:26:19,500

at the end of the day you know your own

631

00:26:22,010 --> 00:26:20,940

truth you know what you've seen and

632

00:26:24,110 --> 00:26:22,020

experienced

633

00:26:26,570 --> 00:26:24,120

um and you know I've been lucky in the

634

00:26:28,549 --> 00:26:26,580

last decade filming documentaries these

635

00:26:30,890 --> 00:26:28,559

things show up while we're making these

636

00:26:33,710 --> 00:26:30,900

documentaries it's like they're hyper

637

00:26:35,930 --> 00:26:33,720

aware that we're talking about them or

638

00:26:37,789 --> 00:26:35,940

we're doing documentaries about them um

639

00:26:39,710 --> 00:26:37,799

that we they've followed me to

640

00:26:41,630 --> 00:26:39,720

conferences and presentations here in

641

00:26:43,850 --> 00:26:41,640

Australia all over the country and we've

642

00:26:45,350 --> 00:26:43,860

caught them on film following above the

643

00:26:47,810 --> 00:26:45,360

car and doing all sorts of strange

644

00:26:50,269 --> 00:26:47,820

things and straight after conferences we

645

00:26:52,130 --> 00:26:50,279

had one in uh it's called the Paradigm

646

00:26:55,370 --> 00:26:52,140

Shift Summit up on the Gold Coast about

647

00:26:57,769 --> 00:26:55,380

four or five years ago and I just done a

648

00:27:00,529 --> 00:26:57,779

presentation and went outside to be

649

00:27:03,470 --> 00:27:00,539

filmed for a Canadian documentary called

650

00:27:04,850 --> 00:27:03,480

making contact with Rob Freeman and they

651  
00:27:06,890 --> 00:27:04,860  
were filming me out on the balcony and

652  
00:27:09,529 --> 00:27:06,900  
Rob had his big camera set up similar to

653  
00:27:11,630 --> 00:27:09,539  
what I have behind me a big rig

654  
00:27:13,850 --> 00:27:11,640  
um you know with multiple cameras uh but

655  
00:27:16,610 --> 00:27:13,860  
he he's his ones you're worth 10 times

656  
00:27:18,529 --> 00:27:16,620  
the amount mine is you know 72 thousand

657  
00:27:20,149 --> 00:27:18,539  
dollar thermal camera with you can

658  
00:27:22,070 --> 00:27:20,159  
record the SD card all that kind of

659  
00:27:23,870 --> 00:27:22,080  
stuff and so at the end of this little

660  
00:27:25,549 --> 00:27:23,880  
interview he said um do you want to have

661  
00:27:27,470 --> 00:27:25,559  
a look through the camera set up and at

662  
00:27:30,289 --> 00:27:27,480  
that stage I'd never seen through you

663  
00:27:32,269 --> 00:27:30,299

know a thermal device that powerful so I

664

00:27:34,250 --> 00:27:32,279

was like wow yeah definitely so as soon

665

00:27:36,409 --> 00:27:34,260

as I look through it on the other side

666

00:27:38,510 --> 00:27:36,419

because it's it's giving off a heat

667

00:27:40,130 --> 00:27:38,520

signature was a perfectly shaped and

668

00:27:42,590 --> 00:27:40,140

this is the only one that I've seen in

669

00:27:45,590 --> 00:27:42,600

my life was a perfectly shaped Flying

670

00:27:47,870 --> 00:27:45,600

Saucer with a dome on the top fully flat

671

00:27:50,990 --> 00:27:47,880

bottom we're out perfectly rounded sides

672

00:27:52,970 --> 00:27:51,000

really long with a tiny Dome not a big

673

00:27:54,950 --> 00:27:52,980

one a tiny little Dome just in the

674

00:27:56,570 --> 00:27:54,960

middle everything was perfect and I

675

00:27:58,430 --> 00:27:56,580

thought at the time it was a joke that

676

00:28:00,230 --> 00:27:58,440

the guys had a sticker on the other side

677

00:28:01,970 --> 00:28:00,240

of it and they so I reach around I'm

678

00:28:04,370 --> 00:28:01,980

trying to scratch it off you know and

679

00:28:07,190 --> 00:28:04,380

and not then the things started moving

680

00:28:09,169 --> 00:28:07,200

and so I said oh my God this is Rob can

681

00:28:10,909 --> 00:28:09,179

you start recording he started recording

682

00:28:12,950 --> 00:28:10,919

this thing and he's looking through it

683

00:28:14,810 --> 00:28:12,960

now and so I've run inside to grab my

684

00:28:15,830 --> 00:28:14,820

camera we had 15 people or something out

685

00:28:19,669 --> 00:28:15,840

in the balcony this thing was going

686

00:28:23,269 --> 00:28:19,679

completely invisible at seven stories up

687

00:28:26,029 --> 00:28:23,279

at the Hilton in in the Gold Coast off a

688

00:28:27,769 --> 00:28:26,039

balcony you know and it was just above

689

00:28:29,690 --> 00:28:27,779

and it so it starts moving in between

690

00:28:31,970 --> 00:28:29,700

these buildings goes out to the ocean

691

00:28:33,830 --> 00:28:31,980

and then disappears and so we've

692

00:28:36,230 --> 00:28:33,840

recorded it thinking we've got the most

693

00:28:39,169 --> 00:28:36,240

incredible footage of a UFO going

694

00:28:41,210 --> 00:28:39,179

between buildings A giant one big it was

695

00:28:43,190 --> 00:28:41,220

really big and out to the ocean

696

00:28:46,070 --> 00:28:43,200

despairing so I've gone up to my hotel

697

00:28:47,330 --> 00:28:46,080

room afterwards and Rob and and Mark and

698

00:28:49,190 --> 00:28:47,340

the rest of the guys have come up and

699

00:28:51,529 --> 00:28:49,200

opened the door and they looked really

700

00:28:52,850 --> 00:28:51,539

dejected now what's wrong you know and

701  
00:28:54,890 --> 00:28:52,860  
they said oh you're not going to believe

702  
00:28:57,049 --> 00:28:54,900  
this what's happened they said ah they

703  
00:28:58,730 --> 00:28:57,059  
put the game in the memory card or put

704  
00:29:03,130 --> 00:28:58,740  
it in the computer and sure enough

705  
00:29:06,310 --> 00:29:03,140  
whatever this thing did it affected the

706  
00:29:09,649 --> 00:29:06,320  
frequency or whatever it did it actually

707  
00:29:11,450 --> 00:29:09,659  
only showed the audio and there was

708  
00:29:13,490 --> 00:29:11,460  
electrical interference over the whole

709  
00:29:15,529 --> 00:29:13,500  
video side of it so you could just

710  
00:29:19,250 --> 00:29:15,539  
something was affecting it electorally

711  
00:29:20,570 --> 00:29:19,260  
uh electricity wise and it was showing

712  
00:29:22,190 --> 00:29:20,580  
up and all you could see was a black

713  
00:29:23,930 --> 00:29:22,200

screen with white things going across it

714

00:29:26,029 --> 00:29:23,940

that had never happened to him before

715

00:29:28,549 --> 00:29:26,039

and it never happened since on such an

716

00:29:30,769 --> 00:29:28,559

expensive piece of equipment and so we

717

00:29:32,090 --> 00:29:30,779

were like oh you know rubbing our heads

718

00:29:34,010 --> 00:29:32,100

together this is that would have been

719

00:29:37,130 --> 00:29:34,020

the best most incredible bit of footage

720

00:29:39,230 --> 00:29:37,140

but it just did that but he included

721

00:29:40,610 --> 00:29:39,240

that in his documentary um and he can

722

00:29:42,289 --> 00:29:40,620

hear us all in the background talking

723

00:29:44,510 --> 00:29:42,299

about this huge thing that's moving

724

00:29:46,970 --> 00:29:44,520

across and so this is part of the high

725

00:29:49,010 --> 00:29:46,980

strangers of it it's these things are

726

00:29:51,409 --> 00:29:49,020

out there they're all around us

727

00:29:53,210 --> 00:29:51,419

um they're invisible A lot of the times

728

00:29:55,730 --> 00:29:53,220

um there's different phenomenon as well

729

00:29:57,529 --> 00:29:55,740

or different characteristics of the same

730

00:30:00,470 --> 00:29:57,539

phenomenon that I've been recording for

731

00:30:02,029 --> 00:30:00,480

the past decade as well and it's I call

732

00:30:05,269 --> 00:30:02,039

them flashes

733

00:30:07,010 --> 00:30:05,279

um a flasher type you UFO or UAP and

734

00:30:10,190 --> 00:30:07,020

these things are invisible in our skies

735

00:30:11,750 --> 00:30:10,200

and day or night and they'll give off a

736

00:30:13,610 --> 00:30:11,760

massive bright flash then they'll move

737

00:30:16,490 --> 00:30:13,620

over here give off a huge bright flash

738

00:30:20,149 --> 00:30:16,500

the flashes change in frequency they

739

00:30:21,590 --> 00:30:20,159

change in length as well and these

740

00:30:23,389 --> 00:30:21,600

things do really strange little things

741

00:30:25,970 --> 00:30:23,399

I've recorded them in the daytime

742

00:30:28,610 --> 00:30:25,980

actually tracking another UFO across the

743

00:30:30,950 --> 00:30:28,620

sky and and sort of almost like checking

744

00:30:33,769 --> 00:30:30,960

it out and so I call them the sky police

745

00:30:38,450 --> 00:30:33,779

because they seem to be around and they

746

00:30:40,370 --> 00:30:38,460

seem to be a precursor to other UFO

747

00:30:42,409 --> 00:30:40,380

sightings um so when you see multiple

748

00:30:45,409 --> 00:30:42,419

flashes of light from one point in the

749

00:30:48,649 --> 00:30:45,419

sky or different parts of the sky

750

00:30:50,990 --> 00:30:48,659

um then normally you'll see UFOs later

751  
00:30:55,210 --> 00:30:51,000  
that night or within a few hours or

752  
00:30:58,850 --> 00:30:55,220  
whatever the case is so there's a lot of

753  
00:31:00,710 --> 00:30:58,860  
non-uh Flying Saucer related stuff out

754  
00:31:02,810 --> 00:31:00,720  
there that I find a lot more fascinating

755  
00:31:05,269 --> 00:31:02,820  
than something that might have crashed

756  
00:31:07,490 --> 00:31:05,279  
or whatever the case is sure that'll

757  
00:31:10,490 --> 00:31:07,500  
convince a lot of people but it's not

758  
00:31:13,310 --> 00:31:10,500  
actually touching on the main phenomenon

759  
00:31:14,990 --> 00:31:13,320  
um and that is the balls of light the

760  
00:31:17,269 --> 00:31:15,000  
you know and I find that a lot more

761  
00:31:19,909 --> 00:31:17,279  
fascinating than I've seen these things

762  
00:31:22,190 --> 00:31:19,919  
split into two three four golf in

763  
00:31:23,510 --> 00:31:22,200

different directions at high speeds join

764

00:31:25,490 --> 00:31:23,520

back in again

765

00:31:27,250 --> 00:31:25,500

um I've seen a huge one and which I've

766

00:31:29,630 --> 00:31:27,260

caught on film moving across the sky

767

00:31:31,909 --> 00:31:29,640

spitting out little balls and then

768

00:31:33,529 --> 00:31:31,919

little other little balls appearing near

769

00:31:34,909 --> 00:31:33,539

it just out of the blue just out of

770

00:31:37,130 --> 00:31:34,919

nowhere appearing near it then going

771

00:31:39,529 --> 00:31:37,140

straight back into it again while it's

772

00:31:40,850 --> 00:31:39,539

moving across the sky then stops meets

773

00:31:42,769 --> 00:31:40,860

up with another one that's got little

774

00:31:45,710 --> 00:31:42,779

balls flying into it and out of it and

775

00:31:48,049 --> 00:31:45,720

it's just these things are just insane

776

00:31:51,169 --> 00:31:48,059

um and it's just how can you explain

777

00:31:53,690 --> 00:31:51,179

this you know I I the Flying Saucer

778

00:31:55,370 --> 00:31:53,700

thing no you can't and and that's part

779

00:31:57,409 --> 00:31:55,380

of the the mystery and that's why I

780

00:31:59,450 --> 00:31:57,419

believe it'll always remain mystery

781

00:32:01,370 --> 00:31:59,460

especially that side of it because I

782

00:32:03,409 --> 00:32:01,380

think if we were meant to find out about

783

00:32:05,210 --> 00:32:03,419

it we would have already or they would

784

00:32:07,250 --> 00:32:05,220

have told us or whatever the case is and

785

00:32:10,970 --> 00:32:07,260

wouldn't it be just you know one or two

786

00:32:12,710 --> 00:32:10,980

aliens speaking with a contact D saying

787

00:32:14,870 --> 00:32:12,720

oh we come from actuarus and we're here

788

00:32:16,250 --> 00:32:14,880

to spread love and you know we're going

789

00:32:17,830 --> 00:32:16,260

to here to save the world and give you

790

00:32:20,029 --> 00:32:17,840

you know

791

00:32:22,430 --> 00:32:20,039

technology that's just beyond everything

792

00:32:24,230 --> 00:32:22,440

you have and you know that never happens

793

00:32:26,029 --> 00:32:24,240

I mean there's so many contactees that

794

00:32:27,710 --> 00:32:26,039

have spoken about that and said that the

795

00:32:29,149 --> 00:32:27,720

aliens said they come from here or come

796

00:32:31,310 --> 00:32:29,159

from there

797

00:32:33,230 --> 00:32:31,320

um and then nothing ever comes from it

798

00:32:34,789 --> 00:32:33,240

you know nuclear weapons are bad yeah we

799

00:32:37,310 --> 00:32:34,799

understand that

800

00:32:40,190 --> 00:32:37,320

um you know but at the same time it just

801  
00:32:42,169 --> 00:32:40,200  
there's a trickster element to it so I

802  
00:32:43,850 --> 00:32:42,179  
wouldn't trust anything that these

803  
00:32:45,710 --> 00:32:43,860  
actually they don't talk to me probably

804  
00:32:47,630 --> 00:32:45,720  
that they don't like me so much they do

805  
00:32:49,610 --> 00:32:47,640  
like to show up for my cameras sometimes

806  
00:32:52,190 --> 00:32:49,620  
but they don't talk to me like they they

807  
00:32:54,289 --> 00:32:52,200  
talk to other people so it's either I'm

808  
00:32:56,630 --> 00:32:54,299  
either too crazy or not crazy enough I'm

809  
00:32:58,430 --> 00:32:56,640  
not sure but you know as far as I'm

810  
00:33:02,149 --> 00:32:58,440  
concerned I wouldn't trust anything they

811  
00:33:04,789 --> 00:33:02,159  
say I I had a um incident uh three and a

812  
00:33:06,830 --> 00:33:04,799  
half years ago now down in Sydney before

813  
00:33:08,630 --> 00:33:06,840

I moved up to the country here and it's

814

00:33:11,149 --> 00:33:08,640

the reason why I moved up here I had an

815

00:33:14,570 --> 00:33:11,159

encounter with the UFO and it was a

816

00:33:16,190 --> 00:33:14,580

beautiful purple blue with a white

817

00:33:17,930 --> 00:33:16,200

purple in the middle that was radiating

818

00:33:20,690 --> 00:33:17,940

out to the sides it was just incredible

819

00:33:22,789 --> 00:33:20,700

hovering above my tree at you know 11 30

820

00:33:24,710 --> 00:33:22,799

at night and I was working on a

821

00:33:26,649 --> 00:33:24,720

documentary out in my office in the

822

00:33:28,789 --> 00:33:26,659

garage at the time and

823

00:33:30,889 --> 00:33:28,799

I've just stood up to have a bit of a

824

00:33:32,509 --> 00:33:30,899

break and took my dog outside and we're

825

00:33:34,250 --> 00:33:32,519

at the door and just having a bit of a

826

00:33:36,590 --> 00:33:34,260

stretch and then boom this thing is just

827

00:33:38,389 --> 00:33:36,600

there and it's doing this little slight

828

00:33:40,070 --> 00:33:38,399

left and right up and down really

829

00:33:43,730 --> 00:33:40,080

slightly I'm just watching it for a few

830

00:33:46,730 --> 00:33:43,740

few seconds then also bright light very

831

00:33:48,830 --> 00:33:46,740

bright light warmth came at me

832

00:33:51,169 --> 00:33:48,840

um the thing just gone it disappeared

833

00:33:54,289 --> 00:33:51,179

and I woke up the following morning I

834

00:33:56,149 --> 00:33:54,299

sort of crashed out you know and my

835

00:33:58,009 --> 00:33:56,159

woke up the following morning went in

836

00:34:00,470 --> 00:33:58,019

seen my girlfriend brought her in a

837

00:34:01,730 --> 00:34:00,480

coffee and she said oh what's wrong what

838

00:34:04,070 --> 00:34:01,740

do you mean she goes go and look in the

839

00:34:07,669 --> 00:34:04,080

mirror so I won't look in the mirror and

840

00:34:10,129 --> 00:34:07,679

my face uh was as white as a ghost I

841

00:34:13,070 --> 00:34:10,139

looked like death literally

842

00:34:15,169 --> 00:34:13,080

um and I just was feeling unwell and

843

00:34:17,750 --> 00:34:15,179

over the course of your three four days

844

00:34:19,669 --> 00:34:17,760

you know I actually Ross coulter came

845

00:34:22,070 --> 00:34:19,679

over to the house three days after it

846

00:34:23,510 --> 00:34:22,080

happened and spent some time with me and

847

00:34:25,790 --> 00:34:23,520

I didn't tell him about what happened

848

00:34:28,430 --> 00:34:25,800

because I was still you know processing

849

00:34:30,349 --> 00:34:28,440

the whole thing and wasn't feeling 100

850

00:34:32,389 --> 00:34:30,359

um but after he left he messaged me and

851  
00:34:34,550 --> 00:34:32,399  
he goes oh mate I'm sorry I have to tell

852  
00:34:36,770 --> 00:34:34,560  
you but you look like death you look

853  
00:34:38,570 --> 00:34:36,780  
like sick as a dog are you okay you know

854  
00:34:40,609 --> 00:34:38,580  
I'm saying oh look I'll explain later

855  
00:34:42,530 --> 00:34:40,619  
what happened to me but you know he

856  
00:34:45,649 --> 00:34:42,540  
knows now obviously he's known for a few

857  
00:34:48,169 --> 00:34:45,659  
years what happened but it was just I um

858  
00:34:49,070 --> 00:34:48,179  
on the fourth or fifth day I started

859  
00:34:51,230 --> 00:34:49,080  
getting

860  
00:34:53,089 --> 00:34:51,240  
because I held my arm up like this to

861  
00:34:54,349 --> 00:34:53,099  
cover my eyes from this bright flash I

862  
00:34:57,050 --> 00:34:54,359  
remember and

863  
00:34:58,430 --> 00:34:57,060

um I noticed on my left arm

864

00:35:00,410 --> 00:34:58,440

um in the shower actually started

865

00:35:02,210 --> 00:35:00,420

getting redder and redder over about a

866

00:35:04,250 --> 00:35:02,220

week a week and a half and then it

867

00:35:06,349 --> 00:35:04,260

started blistering and when I say

868

00:35:09,109 --> 00:35:06,359

blistering I started forming these green

869

00:35:11,630 --> 00:35:09,119

blisters all up and down my arm from

870

00:35:15,290 --> 00:35:11,640

where I hold my arm on my face my face

871

00:35:17,510 --> 00:35:15,300

started getting so cable my face started

872

00:35:19,550 --> 00:35:17,520

getting these red marks on it and I

873

00:35:22,250 --> 00:35:19,560

still do to this day these red marks

874

00:35:25,370 --> 00:35:22,260

come across my face and whenever they do

875

00:35:28,069 --> 00:35:25,380

I get really sick I found out that I had

876

00:35:30,910 --> 00:35:28,079

a hyper rare bone condition after this

877

00:35:33,290 --> 00:35:30,920

which caused by exposure to radiation

878

00:35:35,050 --> 00:35:33,300

hypophosphatemic osteomalacia which is

879

00:35:37,790 --> 00:35:35,060

similar to

880

00:35:40,069 --> 00:35:37,800

osteoporosis I got told by one of the

881

00:35:43,609 --> 00:35:40,079

Specialists that it was that rare in a

882

00:35:45,290 --> 00:35:43,619

man my age at the time I was 39. he said

883

00:35:47,630 --> 00:35:45,300

it's that rare he goes you know he could

884

00:35:50,270 --> 00:35:47,640

wait all day or all week outside his

885

00:35:52,190 --> 00:35:50,280

office in in Sydney one of the busiest

886

00:35:54,829 --> 00:35:52,200

streets in Sydney ask everybody walking

887

00:35:56,750 --> 00:35:54,839

by my age as a male if they have this

888

00:35:59,210 --> 00:35:56,760

and you'll say you won't get anyone who

889

00:36:01,550 --> 00:35:59,220

has it and so it mystified and stumped

890

00:36:04,190 --> 00:36:01,560

everyone how I could be burnt through my

891

00:36:05,710 --> 00:36:04,200

arm and the burnt got that bad

892

00:36:08,270 --> 00:36:05,720

um when the blisters popped it actually

893

00:36:11,270 --> 00:36:08,280

there was an indent in my arm that's how

894

00:36:13,190 --> 00:36:11,280

bad these blisters came in it

895

00:36:16,069 --> 00:36:13,200

um set the pretty nasty Scar and all

896

00:36:18,470 --> 00:36:16,079

that kind of stuff but ever since then I

897

00:36:21,650 --> 00:36:18,480

started getting really bad migraines

898

00:36:23,750 --> 00:36:21,660

um I I started having seizures as well I

899

00:36:27,109 --> 00:36:23,760

had a seizure on the sixth day after it

900

00:36:30,109 --> 00:36:27,119

happened and then on the same day I

901  
00:36:32,810 --> 00:36:30,119  
broke my back in three places my dog

902  
00:36:35,270 --> 00:36:32,820  
started seizing and he was sitting

903  
00:36:37,250 --> 00:36:35,280  
next to me when we saw this UFO he

904  
00:36:39,770 --> 00:36:37,260  
started seizing on the same day I did

905  
00:36:42,109 --> 00:36:39,780  
like six or seven days later and

906  
00:36:43,970 --> 00:36:42,119  
eventually after about like after I got

907  
00:36:45,470 --> 00:36:43,980  
out of hospital about three weeks later

908  
00:36:47,990 --> 00:36:45,480  
I had to put him down because his

909  
00:36:50,390 --> 00:36:48,000  
seizures got that bad he was my best

910  
00:36:52,790 --> 00:36:50,400  
friend who really broke me having to do

911  
00:36:55,190 --> 00:36:52,800  
that and kind of left me with the

912  
00:36:59,150 --> 00:36:55,200  
feeling that you know whatever this

913  
00:37:00,829 --> 00:36:59,160

thing was somehow made me sick it's

914

00:37:04,069 --> 00:37:00,839

affected my bones I got told that I had

915

00:37:06,650 --> 00:37:04,079

bones of a 95 year old woman

916

00:37:09,290 --> 00:37:06,660

um and you know it's scary like at my

917

00:37:12,050 --> 00:37:09,300

age to hear that and they found also

918

00:37:14,270 --> 00:37:12,060

that I had um lung issues

919

00:37:15,530 --> 00:37:14,280

um like I'm burnt on the inside of my

920

00:37:17,150 --> 00:37:15,540

lungs

921

00:37:18,770 --> 00:37:17,160

um and so I've got conditions that are

922

00:37:22,370 --> 00:37:18,780

killing me at the moment

923

00:37:24,770 --> 00:37:22,380

um due to this incident or people think

924

00:37:27,050 --> 00:37:24,780

it is and Harvard a gentleman from

925

00:37:29,450 --> 00:37:27,060

Harvard who's a postdoctoral scholar I

926

00:37:32,270 --> 00:37:29,460

believe that I was exposed to an his

927

00:37:34,730 --> 00:37:32,280

words an out of world radiation after he

928

00:37:35,750 --> 00:37:34,740

saw all my medical reports and the you

929

00:37:38,030 --> 00:37:35,760

know the

930

00:37:40,190 --> 00:37:38,040

the burns and they're pretty nasty

931

00:37:43,190 --> 00:37:40,200

photographs and stuff like that so that

932

00:37:46,250 --> 00:37:43,200

that left me with a um a bit of a

933

00:37:48,050 --> 00:37:46,260

quandary because I I started thinking

934

00:37:50,569 --> 00:37:48,060

that the UFO phenomenon wasn't as

935

00:37:52,430 --> 00:37:50,579

pleasant and nice as what people make it

936

00:37:53,810 --> 00:37:52,440

out to be like these things like they're

937

00:37:55,790 --> 00:37:53,820

here to help us and all this kind of

938

00:37:58,010 --> 00:37:55,800

stuff I started looking into a lot more

939

00:38:00,050 --> 00:37:58,020

cases of uh where these things have

940

00:38:01,970 --> 00:38:00,060

injured people and that kind of stuff so

941

00:38:03,829 --> 00:38:01,980

for three years I've been speaking about

942

00:38:06,050 --> 00:38:03,839

my injuries in that day and what

943

00:38:08,690 --> 00:38:06,060

happened to me and then it was last year

944

00:38:11,810 --> 00:38:08,700

I think in April when the Pentagon came

945

00:38:13,910 --> 00:38:11,820

out and said that they they spoke about

946

00:38:15,890 --> 00:38:13,920

those hundred people that they studied

947

00:38:17,870 --> 00:38:15,900

and it was this I think Subacute

948

00:38:19,609 --> 00:38:17,880

anomalous effects on human tissue and

949

00:38:22,550 --> 00:38:19,619

stuff like that so there was another 100

950

00:38:24,230 --> 00:38:22,560

people uh Pilots Aerospace industry guys

951  
00:38:26,690 --> 00:38:24,240  
that kind of stuff like that who've been

952  
00:38:28,910 --> 00:38:26,700  
exposed to these balls of light who'd

953  
00:38:30,710 --> 00:38:28,920  
actually had radiation damage on their

954  
00:38:32,450 --> 00:38:30,720  
skins bodies that kind of thing and

955  
00:38:34,130 --> 00:38:32,460  
apparently The Story Goes a third of

956  
00:38:35,390 --> 00:38:34,140  
them are now dead who are involved in

957  
00:38:36,829 --> 00:38:35,400  
that study

958  
00:38:38,870 --> 00:38:36,839  
um and that I think that was with kit

959  
00:38:40,609 --> 00:38:38,880  
green uh Professor get green

960  
00:38:41,210 --> 00:38:40,619  
um Professor Nolan

961  
00:38:43,970 --> 00:38:41,220  
um

962  
00:38:46,790 --> 00:38:43,980  
maybe a killer wikashara from Harvard

963  
00:38:48,829 --> 00:38:46,800

and a couple others that are com kelleha

964

00:38:51,770 --> 00:38:48,839

I believe it was involved in it as well

965

00:38:53,450 --> 00:38:51,780

so they're helping me at the moment and

966

00:38:55,550 --> 00:38:53,460

hopefully you know we'll find out

967

00:38:57,770 --> 00:38:55,560

something that can help me with this but

968

00:39:01,910 --> 00:38:57,780

it's not looking too good

969

00:39:04,430 --> 00:39:01,920

have you spoken to John Burroughs

970

00:39:05,990 --> 00:39:04,440

no I haven't actually no

971

00:39:06,589 --> 00:39:06,000

okay

972

00:39:09,770 --> 00:39:06,599

um

973

00:39:11,569 --> 00:39:09,780

in John Burroughs uh was in the Air

974

00:39:12,670 --> 00:39:11,579

Force and involved in the randlesham

975

00:39:17,930 --> 00:39:12,680

case

976

00:39:21,710 --> 00:39:17,940

and so he got yeah he had to go to court

977

00:39:25,270 --> 00:39:21,720

and fight the VA because his medical

978

00:39:29,870 --> 00:39:25,280

records were classified he couldn't even

979

00:39:35,390 --> 00:39:29,880

get access to his own medical records

980

00:39:38,569 --> 00:39:35,400

and wow he took a senator out of Arizona

981

00:39:41,569 --> 00:39:38,579

um to get involved with this uh to make

982

00:39:43,849 --> 00:39:41,579

everything happen he eventually uh won

983

00:39:46,130 --> 00:39:43,859

that case but that I think John

984

00:39:48,589 --> 00:39:46,140

Burroughs and kit green was involved

985

00:39:49,849 --> 00:39:48,599

with that case and and others too as

986

00:39:56,270 --> 00:39:49,859

well

987

00:40:01,910 --> 00:39:56,280

um that uh it uh it took John's case

988

00:40:05,050 --> 00:40:01,920

um to to get that the wording into uh

989

00:40:08,390 --> 00:40:05,060

the budget and and and everything for

990

00:40:10,609 --> 00:40:08,400

2022. the the words that you're speaking

991

00:40:14,690 --> 00:40:10,619

about I think that that was all Central

992

00:40:16,990 --> 00:40:14,700

around John Burroughs case and John is

993

00:40:20,150 --> 00:40:17,000

still alive he texted me the other day

994

00:40:22,130 --> 00:40:20,160

good okay he's a great guy but he's

995

00:40:24,890 --> 00:40:22,140

somebody that you might you might want

996

00:40:26,630 --> 00:40:24,900

to reach out to and speak to about this

997

00:40:28,130 --> 00:40:26,640

um about your symptoms and and

998

00:40:29,510 --> 00:40:28,140

everything else you may have some

999

00:40:31,310 --> 00:40:29,520

insight

1000

00:40:33,950 --> 00:40:31,320

um I wanted to ask you

1001

00:40:34,750 --> 00:40:33,960

um that's an incredible story

1002

00:40:38,690 --> 00:40:34,760

um

1003

00:40:41,450 --> 00:40:38,700

how big was it

1004

00:40:44,030 --> 00:40:41,460

uh above your trees when you stepped

1005

00:40:47,990 --> 00:40:44,040

outside uh well my tray is about the

1006

00:40:50,750 --> 00:40:48,000

tree I'd say would be about 14 feet high

1007

00:40:54,650 --> 00:40:50,760

um 14 15 feet in height and it was about

1008

00:40:57,290 --> 00:40:54,660

maybe a foot or two above the tree

1009

00:40:59,390 --> 00:40:57,300

um and just to the left so it was on the

1010

00:41:01,670 --> 00:40:59,400

corner of the tree just to the left

1011

00:41:03,349 --> 00:41:01,680

um and one one really strange thing that

1012

00:41:06,530 --> 00:41:03,359

that happened and I didn't find out

1013

00:41:08,690 --> 00:41:06,540

until weeks later at the angle where

1014

00:41:11,089 --> 00:41:08,700

this UFO was and the door to my garage

1015

00:41:12,890 --> 00:41:11,099

where I was standing right behind me I

1016

00:41:14,510 --> 00:41:12,900

had a cabinet just on the inside of the

1017

00:41:17,630 --> 00:41:14,520

door and on top of the cabinet I had a

1018

00:41:19,970 --> 00:41:17,640

bunch of DVDs like Blu-ray movies that

1019

00:41:22,790 --> 00:41:19,980

kind of stuff uh documentaries and

1020

00:41:24,290 --> 00:41:22,800

anyway I one day because I was I had a

1021

00:41:25,550 --> 00:41:24,300

broker back obviously I was recovering

1022

00:41:27,829 --> 00:41:25,560

so I thought I'll watch a couple of

1023

00:41:31,250 --> 00:41:27,839

movies and I've opened them up and the

1024

00:41:33,290 --> 00:41:31,260

first five DVDs on the top and I think

1025

00:41:36,130 --> 00:41:33,300

somewhere underneath were less damage

1026

00:41:39,770 --> 00:41:36,140

but the first five had been roasted

1027

00:41:42,770 --> 00:41:39,780

inside the case of the DVD D the actual

1028

00:41:44,990 --> 00:41:42,780

DVD itself had been burnt and all of it

1029

00:41:47,270 --> 00:41:45,000

was just bubbling and everything while

1030

00:41:49,550 --> 00:41:47,280

the outside case with paper and

1031

00:41:51,710 --> 00:41:49,560

everything was not burnt not touched

1032

00:41:53,329 --> 00:41:51,720

nothing so that's another part of the

1033

00:41:56,390 --> 00:41:53,339

high strangers it almost seems like a

1034

00:41:59,329 --> 00:41:56,400

type of microwave radiation where it's

1035

00:42:00,650 --> 00:41:59,339

cooked from the inside because my jacket

1036

00:42:04,069 --> 00:42:00,660

that I was wearing that night because it

1037

00:42:06,230 --> 00:42:04,079

was quite quite a cold night and um it

1038

00:42:08,390 --> 00:42:06,240

actually burnt me through the jacket and

1039

00:42:11,030 --> 00:42:08,400

left no trace on the outside of the

1040

00:42:14,390 --> 00:42:11,040

jacket whatsoever so it had similar

1041

00:42:17,150 --> 00:42:14,400

thing happening right behind me where it

1042

00:42:19,370 --> 00:42:17,160

destroyed the DVDs inside the case

1043

00:42:22,010 --> 00:42:19,380

without destroying the outside case so

1044

00:42:23,750 --> 00:42:22,020

that that's another high strangeness

1045

00:42:25,490 --> 00:42:23,760

sort of thing of this but I'll tell you

1046

00:42:28,010 --> 00:42:25,500

something that happened just two weeks

1047

00:42:30,470 --> 00:42:28,020

ago um that UFO I've captured like

1048

00:42:31,970 --> 00:42:30,480

literally tens of dozens of white orbs

1049

00:42:34,130 --> 00:42:31,980

and orange ones and all this kind of

1050

00:42:36,530 --> 00:42:34,140

stuff over the years but I've never

1051  
00:42:38,990 --> 00:42:36,540  
caught or even seen a purple one like

1052  
00:42:40,849 --> 00:42:39,000  
this one this one was different um and

1053  
00:42:43,310 --> 00:42:40,859  
it was about maybe a bit bigger than a

1054  
00:42:44,750 --> 00:42:43,320  
basketball just around maybe a

1055  
00:42:45,829 --> 00:42:44,760  
little bit bigger than a basketball I'd

1056  
00:42:47,510 --> 00:42:45,839  
say

1057  
00:42:49,490 --> 00:42:47,520  
um and it was

1058  
00:42:51,890 --> 00:42:49,500  
just incredible or you can see the

1059  
00:42:54,650 --> 00:42:51,900  
interior mechanism out of it but two

1060  
00:42:56,750 --> 00:42:54,660  
weeks ago I had a group uh from Sydney

1061  
00:42:58,550 --> 00:42:56,760  
who came up and they were a ce5 group

1062  
00:43:00,109 --> 00:42:58,560  
and I don't really do c5s or anything

1063  
00:43:02,150 --> 00:43:00,119

like that but we just sat around talking

1064

00:43:03,589 --> 00:43:02,160

and I said to them look we won't do C5

1065

00:43:06,050 --> 00:43:03,599

we'll just sit here and chat and I

1066

00:43:06,950 --> 00:43:06,060

guarantee we'll see some stuff and sure

1067

00:43:10,010 --> 00:43:06,960

enough

1068

00:43:13,069 --> 00:43:10,020

um while I'm filming and describing this

1069

00:43:14,390 --> 00:43:13,079

UFO that burnt me or hurt me to these

1070

00:43:16,730 --> 00:43:14,400

guys

1071

00:43:18,589 --> 00:43:16,740

um I'm filming in the background I've

1072

00:43:20,930 --> 00:43:18,599

got a long exposure what's called a live

1073

00:43:22,790 --> 00:43:20,940

composite photo so it takes multiple

1074

00:43:24,589 --> 00:43:22,800

photos and stacks them on top and if

1075

00:43:27,109 --> 00:43:24,599

there's a change of light it'll keep

1076

00:43:29,089 --> 00:43:27,119

that photograph so it's good for Star

1077

00:43:31,730 --> 00:43:29,099

trails and that kind of stuff so I've

1078

00:43:34,490 --> 00:43:31,740

filmed that right directly behind us and

1079

00:43:36,770 --> 00:43:34,500

sure enough that same UFO that I've only

1080

00:43:39,430 --> 00:43:36,780

ever seen that once in my life has shown

1081

00:43:43,430 --> 00:43:39,440

up in this Photograph two streets away

1082

00:43:45,470 --> 00:43:43,440

right in front of a tree so while we're

1083

00:43:47,270 --> 00:43:45,480

talking about it I mean it's just that's

1084

00:43:50,150 --> 00:43:47,280

another part of this fire strange is

1085

00:43:52,430 --> 00:43:50,160

they seem to know and be aware of future

1086

00:43:56,089 --> 00:43:52,440

events or even sometimes what you're

1087

00:43:58,609 --> 00:43:56,099

thinking I I just I can't get my mind

1088

00:44:00,470 --> 00:43:58,619

around that like they the times I see

1089

00:44:02,750 --> 00:44:00,480

him I have more luck

1090

00:44:04,430 --> 00:44:02,760

um not going out on big Expeditions with

1091

00:44:06,349 --> 00:44:04,440

people and stuff like that I have more

1092

00:44:07,970 --> 00:44:06,359

luck going out to my garbage bin to put

1093

00:44:10,309 --> 00:44:07,980

the garbage out and then just looking up

1094

00:44:12,050 --> 00:44:10,319

and seeing something and I guess I'm

1095

00:44:13,430 --> 00:44:12,060

lucky I'm in an area where you know

1096

00:44:16,790 --> 00:44:13,440

these things have been seen for a long

1097

00:44:19,309 --> 00:44:16,800

time and we have a river here in town

1098

00:44:21,950 --> 00:44:19,319

um Trafalgar River and

1099

00:44:24,950 --> 00:44:21,960

this Aboriginal people all around these

1100

00:44:26,750 --> 00:44:24,960

areas here indigenous Australians but

1101

00:44:28,970 --> 00:44:26,760

they won't come into town here and

1102

00:44:32,329 --> 00:44:28,980

there's a reason for that uh going back

1103

00:44:34,609 --> 00:44:32,339

over 107 years or maybe even longer they

1104

00:44:36,950 --> 00:44:34,619

believe this town has cursed and in

1105

00:44:38,809 --> 00:44:36,960

particular the river is cursed now this

1106

00:44:41,150 --> 00:44:38,819

River I've captured

1107

00:44:43,010 --> 00:44:41,160

lights coming down from up above

1108

00:44:44,930 --> 00:44:43,020

changing directions stopping and then

1109

00:44:47,809 --> 00:44:44,940

diving into the river at higher speeds

1110

00:44:49,910 --> 00:44:47,819

without a splash or without anything so

1111

00:44:51,589 --> 00:44:49,920

I'm thinking is the reason why they

1112

00:44:53,390 --> 00:44:51,599

believed it was cursed

1113

00:44:55,190 --> 00:44:53,400

that were they seeing these same lights

1114

00:44:56,569 --> 00:44:55,200

in this area you know hundreds of years

1115

00:44:58,309 --> 00:44:56,579

ago and that's why they don't come into

1116

00:45:00,290 --> 00:44:58,319

town because they believe that river is

1117

00:45:02,390 --> 00:45:00,300

cursed there's something strange about

1118

00:45:04,130 --> 00:45:02,400

this area and I don't know what it is I

1119

00:45:06,349 --> 00:45:04,140

know there's unusual mineral

1120

00:45:08,510 --> 00:45:06,359

compositions in the ground so there's

1121

00:45:10,970 --> 00:45:08,520

massive veins of quartz crystal running

1122

00:45:13,609 --> 00:45:10,980

through the entire town and there's also

1123

00:45:16,069 --> 00:45:13,619

massive veins of Iron Stone running

1124

00:45:18,589 --> 00:45:16,079

through the entire town and we have very

1125

00:45:20,390 --> 00:45:18,599

unusual electrical effects in this town

1126

00:45:22,370 --> 00:45:20,400

and there's only one other place in the

1127

00:45:24,470 --> 00:45:22,380

whole of Australia which I know that the

1128

00:45:26,510 --> 00:45:24,480

same thing happens and it's near a place

1129

00:45:29,690 --> 00:45:26,520

in Western Australia called Esperance

1130

00:45:33,050 --> 00:45:29,700

and it's in that area they have iron ore

1131

00:45:35,329 --> 00:45:33,060

in the ground and also massive areas of

1132

00:45:38,030 --> 00:45:35,339

quartz crystal in this one area now

1133

00:45:40,670 --> 00:45:38,040

storms when they come up to these veins

1134

00:45:44,210 --> 00:45:40,680

in the ground storms will stop

1135

00:45:47,510 --> 00:45:44,220

and electricity and the storms will not

1136

00:45:49,670 --> 00:45:47,520

go further they just stop and just over

1137

00:45:51,950 --> 00:45:49,680

these quartz crystal veins and Iron

1138

00:45:53,750 --> 00:45:51,960

Stone veins so I think either

1139

00:45:55,970 --> 00:45:53,760

something's happening whether it's an

1140

00:45:57,589 --> 00:45:55,980

energy that it's giving off in

1141

00:45:59,390 --> 00:45:57,599

combination with the minerals it's

1142

00:46:02,930 --> 00:45:59,400

producing some sort of earth-lite effect

1143

00:46:06,530 --> 00:46:02,940

or they could be using it for a power or

1144

00:46:08,450 --> 00:46:06,540

who really knows but we've uncovered

1145

00:46:10,609 --> 00:46:08,460

some really strange things just in this

1146

00:46:12,349 --> 00:46:10,619

town alone so and I know that you know

1147

00:46:15,290 --> 00:46:12,359

you guys over in America you have the

1148

00:46:17,390 --> 00:46:15,300

the Brown Mountain Lights and you know

1149

00:46:19,130 --> 00:46:17,400

the Texas Martha lights and stuff like

1150

00:46:21,170 --> 00:46:19,140

that you know we call them the min-min

1151

00:46:23,150 --> 00:46:21,180

lights here in Australia and these are

1152

00:46:25,130 --> 00:46:23,160

the same things that follow cars and

1153

00:46:26,630 --> 00:46:25,140

stuff like that so I mean yeah the same

1154

00:46:27,950 --> 00:46:26,640

phenomenon all around the world just

1155

00:46:30,470 --> 00:46:27,960

with different names

1156

00:46:34,309 --> 00:46:30,480

well you know what we don't have we

1157

00:46:38,150 --> 00:46:34,319

don't have Marfa lights billboards

1158

00:46:41,349 --> 00:46:38,160

I've seen them in Billboards right I

1159

00:46:45,890 --> 00:46:44,390

lights come on in everybody I've seen

1160

00:46:47,569 --> 00:46:45,900

the Billboards it's pretty incredible

1161

00:46:51,470 --> 00:46:47,579

and that

1162

00:46:53,270 --> 00:46:51,480

um that is uh when you when you look at

1163

00:46:55,569 --> 00:46:53,280

something like the mim-min lights I want

1164

00:46:59,510 --> 00:46:55,579

to get back to Consciousness right but

1165

00:47:02,510 --> 00:46:59,520

the min-min lights today when the

1166

00:47:04,849 --> 00:47:02,520

Skeptics or the debunkers want to say ah

1167

00:47:07,970 --> 00:47:04,859

it's truck lights off in the distance is

1168

00:47:10,130 --> 00:47:07,980

it you know what they didn't have trucks

1169

00:47:13,190 --> 00:47:10,140

in the 1800s

1170

00:47:16,970 --> 00:47:13,200

they didn't have trucks in the 1700s

1171

00:47:20,870 --> 00:47:16,980

when absolutely these stories

1172

00:47:23,630 --> 00:47:20,880

um not only uh they didn't start back

1173

00:47:25,849 --> 00:47:23,640

then but they certainly were told back

1174

00:47:28,790 --> 00:47:25,859

then the min-min lights have been around

1175

00:47:31,490 --> 00:47:28,800

a lot longer than electricity

1176  
00:47:33,290 --> 00:47:31,500  
absolutely yeah so I mean those excuses

1177  
00:47:35,930 --> 00:47:33,300  
are ridiculous

1178  
00:47:37,130 --> 00:47:35,940  
um a lot of people the Skeptics here in

1179  
00:47:40,190 --> 00:47:37,140  
Australia have tried to say they just

1180  
00:47:42,410 --> 00:47:40,200  
car headlights refracting off you know a

1181  
00:47:45,230 --> 00:47:42,420  
ground or doing this or that I mean it

1182  
00:47:47,809 --> 00:47:45,240  
just out their excuses are crazier than

1183  
00:47:50,569 --> 00:47:47,819  
the actual phenomenon in a way you know

1184  
00:47:52,309 --> 00:47:50,579  
so you know I just I mean I'd say the

1185  
00:47:53,990 --> 00:47:52,319  
job you're not really Skeptics it's just

1186  
00:47:55,730 --> 00:47:54,000  
to rubbish everything and anything they

1187  
00:47:58,130 --> 00:47:55,740  
can but I think this phenomenon

1188  
00:48:01,010 --> 00:47:58,140

especially now is becoming a lot harder

1189

00:48:03,290 --> 00:48:01,020

for Skeptics to even touch because they

1190

00:48:05,630 --> 00:48:03,300

they are challenged a few just recently

1191

00:48:08,750 --> 00:48:05,640

and they will not touch like of years

1192

00:48:10,430 --> 00:48:08,760

ago I was on a TV show here called if

1193

00:48:12,290 --> 00:48:10,440

current affair show called today tonight

1194

00:48:14,809 --> 00:48:12,300

and I had the Australian Skeptics

1195

00:48:17,150 --> 00:48:14,819

Association up against me and you know

1196

00:48:19,250 --> 00:48:17,160

they they all they could really say was

1197

00:48:21,770 --> 00:48:19,260

oh wow that moved fast or that could

1198

00:48:25,069 --> 00:48:21,780

have been a star or that could have been

1199

00:48:26,510 --> 00:48:25,079

this or that and it's just oh wow you

1200

00:48:28,490 --> 00:48:26,520

know they've got to say that but now

1201

00:48:30,650 --> 00:48:28,500

it's like especially since the Pentagon

1202

00:48:33,470 --> 00:48:30,660

have come out it's a lot harder for them

1203

00:48:35,450 --> 00:48:33,480

to it's a lot more risky for them to you

1204

00:48:37,370 --> 00:48:35,460

know fly their trade especially with the

1205

00:48:39,050 --> 00:48:37,380

UFO phenomenon they can touch ghosts and

1206

00:48:40,790 --> 00:48:39,060

all that kind of stuff and Bigfoot and

1207

00:48:44,270 --> 00:48:40,800

you know but

1208

00:48:46,010 --> 00:48:44,280

like even with this uh the the metal the

1209

00:48:47,809 --> 00:48:46,020

recovered metal stuff you know that that

1210

00:48:50,089 --> 00:48:47,819

would be enough to silence a lot of

1211

00:48:51,589 --> 00:48:50,099

Skeptics no doubt so I mean that's why I

1212

00:48:53,990 --> 00:48:51,599

want them to bring out this information

1213

00:48:56,569 --> 00:48:54,000

and show the world and I'll just shut

1214

00:48:58,670 --> 00:48:56,579

the Skeptics up all together and uh my

1215

00:49:00,829 --> 00:48:58,680

whole thing with this is you know I come

1216

00:49:02,270 --> 00:49:00,839

from a from a place of pain you know I'm

1217

00:49:04,790 --> 00:49:02,280

I've seen these things trying to tell

1218

00:49:07,069 --> 00:49:04,800

friends at school after when I was nine

1219

00:49:08,809 --> 00:49:07,079

and then when I was 12 seeing UFOs with

1220

00:49:11,690 --> 00:49:08,819

my step brothers with my half brother

1221

00:49:14,690 --> 00:49:11,700

sorry and you know so I just

1222

00:49:16,970 --> 00:49:14,700

it's been like a labor of love but I've

1223

00:49:18,829 --> 00:49:16,980

stuck with it because I know it's true

1224

00:49:20,270 --> 00:49:18,839

you know and when you got the truth on

1225

00:49:21,770 --> 00:49:20,280

your side as far as I'm concerned you

1226

00:49:23,630 --> 00:49:21,780

can't go wrong I mean you can come up

1227

00:49:26,089 --> 00:49:23,640

against a lot of [h\_\_h] out there in

1228

00:49:27,650 --> 00:49:26,099

the world excuse the French but um you

1229

00:49:29,630 --> 00:49:27,660

know as long as you know the truth and

1230

00:49:32,210 --> 00:49:29,640

what you've seen you you can't go wrong

1231

00:49:34,130 --> 00:49:32,220

and so I just want the stigma lifted as

1232

00:49:36,109 --> 00:49:34,140

far as I'm concerned you know there's so

1233

00:49:38,030 --> 00:49:36,119

many people that this has destroyed

1234

00:49:40,069 --> 00:49:38,040

their lives in so many ways just

1235

00:49:42,170 --> 00:49:40,079

believing in this phenomenon you know

1236

00:49:43,849 --> 00:49:42,180

it's just incredible I know things are

1237

00:49:46,190 --> 00:49:43,859

changing now and people becoming more

1238

00:49:48,050 --> 00:49:46,200

open to it which is great

1239

00:49:49,670 --> 00:49:48,060

um I just hope that that continues that

1240

00:49:52,069 --> 00:49:49,680

Trend and you know and it doesn't

1241

00:49:53,450 --> 00:49:52,079

continue to get rubbished and I think

1242

00:49:54,770 --> 00:49:53,460

we're on the right track I think we're

1243

00:49:56,450 --> 00:49:54,780

doing really well I think there's more

1244

00:49:59,030 --> 00:49:56,460

rise on the UFO phenomenon that have

1245

00:50:00,710 --> 00:49:59,040

ever been probably and and more people

1246

00:50:02,930 --> 00:50:00,720

probably believing that it's it's

1247

00:50:05,390 --> 00:50:02,940

possibly real so I mean you couldn't ask

1248

00:50:08,510 --> 00:50:05,400

for more than that you know no you can't

1249

00:50:13,309 --> 00:50:08,520

and and and just let me say this

1250

00:50:17,150 --> 00:50:13,319

a cool thing to do is go to a UFO

1251

00:50:18,650 --> 00:50:17,160

conference in Australia just go or in

1252

00:50:20,270 --> 00:50:18,660

Great Britain or in the United States

1253

00:50:23,270 --> 00:50:20,280

and hang out with hundreds if not

1254

00:50:25,970 --> 00:50:23,280

thousands of people the most boring

1255

00:50:28,910 --> 00:50:25,980

thing to do one of the saddest things to

1256

00:50:33,190 --> 00:50:28,920

do is go to a Skeptics conference

1257

00:50:38,930 --> 00:50:37,250

you know having you know having a Coke

1258

00:50:44,109 --> 00:50:38,940

or a beer

1259

00:50:47,150 --> 00:50:44,119

um yeah and and telling skeptic story

1260

00:50:54,970 --> 00:50:47,160

just sucks that's a sad life so don't

1261

00:51:01,670 --> 00:50:58,849

I was um I was uh uh speaking last night

1262

00:51:04,390 --> 00:51:01,680

on the show about this very subject with

1263

00:51:08,270 --> 00:51:04,400

uh Pat Spain and Pat's amazing right

1264

00:51:11,809 --> 00:51:08,280

cryptozoologist biologist very smart guy

1265

00:51:14,750 --> 00:51:11,819

right but here's the thing

1266

00:51:18,410 --> 00:51:14,760

uh the world of Bigfoot the world of

1267

00:51:21,109 --> 00:51:18,420

UFOs and you know we we're a big

1268

00:51:23,450 --> 00:51:21,119

Community we're great we're fun people

1269

00:51:25,309 --> 00:51:23,460

uh for the most part we love fighting

1270

00:51:29,210 --> 00:51:25,319

with each other but but that's another

1271

00:51:32,230 --> 00:51:29,220

story but we're a wonderful crowd

1272

00:51:36,950 --> 00:51:32,240

um this the world of Skeptics

1273

00:51:39,770 --> 00:51:36,960

it's it's lonely it sucks but they have

1274

00:51:41,870 --> 00:51:39,780

the loudest mouths so that's what you

1275

00:51:45,349 --> 00:51:41,880

have to put up with right yeah and and

1276

00:51:46,250 --> 00:51:45,359

they they they they don't yell like we

1277

00:51:51,049 --> 00:51:46,260

do

1278

00:51:55,270 --> 00:51:51,059

um we're quiet they yell you know so

1279

00:52:00,230 --> 00:51:55,280

yeah but uh trust me being a skeptic

1280

00:52:03,530 --> 00:52:02,510

well let's swing this back around for a

1281

00:52:07,010 --> 00:52:03,540

second

1282

00:52:09,470 --> 00:52:07,020

um before we hit the break there appears

1283

00:52:12,950 --> 00:52:09,480

to be

1284

00:52:16,569 --> 00:52:12,960

um that I've experienced this myself

1285

00:52:19,490 --> 00:52:16,579

um a a Consciousness type of connection

1286

00:52:21,829 --> 00:52:19,500

I I don't know what it is I haven't

1287

00:52:24,470 --> 00:52:21,839

figured it out science hasn't figured

1288

00:52:27,410 --> 00:52:24,480

out Consciousness we're not at that

1289

00:52:30,349 --> 00:52:27,420

level of knowledge yet we're you know as

1290

00:52:32,630 --> 00:52:30,359

a as human beings we haven't we haven't

1291

00:52:35,030 --> 00:52:32,640

quite gotten there but we know that

1292

00:52:37,130 --> 00:52:35,040

exists

1293

00:52:41,089 --> 00:52:37,140

we just don't know anything about it and

1294

00:52:44,809 --> 00:52:41,099

we we don't but it appears that E.T does

1295

00:52:48,710 --> 00:52:44,819

and absolutely they know they know they

1296

00:52:50,150 --> 00:52:48,720

I mean if if you're sitting around like

1297

00:52:52,190 --> 00:52:50,160

you said with a group of friends and you

1298

00:52:54,470 --> 00:52:52,200

go man it'd be pretty cool to see

1299

00:52:57,109 --> 00:52:54,480

something and all of a sudden yeah I

1300

00:53:00,950 --> 00:52:57,119

mean like this yeah yeah

1301  
00:53:03,109 --> 00:53:00,960  
that that says something to me

1302  
00:53:05,390 --> 00:53:03,119  
absolutely yeah there is a hyper

1303  
00:53:07,309 --> 00:53:05,400  
Awareness on their part

1304  
00:53:09,950 --> 00:53:07,319  
um and I've noticed as well with people

1305  
00:53:11,930 --> 00:53:09,960  
who see the phenomenon a lot uh they

1306  
00:53:15,170 --> 00:53:11,940  
tend to have uh

1307  
00:53:17,270 --> 00:53:15,180  
it seems to be an attraction uh for them

1308  
00:53:18,109 --> 00:53:17,280  
uh with certain individuals on this

1309  
00:53:20,329 --> 00:53:18,119  
Earth

1310  
00:53:22,130 --> 00:53:20,339  
um and and a connection

1311  
00:53:25,370 --> 00:53:22,140  
um which I can't explain

1312  
00:53:27,349 --> 00:53:25,380  
um why why do some people see dozens or

1313  
00:53:29,690 --> 00:53:27,359

even tens of dozens in their lifetime

1314

00:53:31,730 --> 00:53:29,700

and some people might see one where

1315

00:53:34,849 --> 00:53:31,740

other people won't see anything in a

1316

00:53:36,109 --> 00:53:34,859

dozen lifetimes you know it's just maybe

1317

00:53:38,030 --> 00:53:36,119

you know because a lot of people

1318

00:53:39,230 --> 00:53:38,040

attitudes are changing now a lot of

1319

00:53:40,730 --> 00:53:39,240

people used to just walk around looking

1320

00:53:42,230 --> 00:53:40,740

at their feet when they'd walk to work

1321

00:53:45,109 --> 00:53:42,240

or whatever and not look up at the sky

1322

00:53:46,910 --> 00:53:45,119

and who knows uh you know I think a lot

1323

00:53:48,950 --> 00:53:46,920

of it has to do with also you know the

1324

00:53:50,630 --> 00:53:48,960

way that it was rubbished going you know

1325

00:53:53,089 --> 00:53:50,640

like people who believe in it are crazy

1326  
00:53:56,030 --> 00:53:53,099  
or not cases or whatever and that's been

1327  
00:53:58,370 --> 00:53:56,040  
good enough for many many years to keep

1328  
00:54:00,230 --> 00:53:58,380  
a lot of people quiet when they see

1329  
00:54:01,670 --> 00:54:00,240  
something you know because people don't

1330  
00:54:02,870 --> 00:54:01,680  
want to be ridiculed they don't want to

1331  
00:54:04,370 --> 00:54:02,880  
be rubbish they don't want to be told

1332  
00:54:06,589 --> 00:54:04,380  
that they're crazy for something they

1333  
00:54:09,049 --> 00:54:06,599  
saw you know so a lot of people just be

1334  
00:54:10,670 --> 00:54:09,059  
quiet about it and unfortunately we

1335  
00:54:12,589 --> 00:54:10,680  
don't know the true numbers of people

1336  
00:54:14,510 --> 00:54:12,599  
who've seen it because most people won't

1337  
00:54:17,750 --> 00:54:14,520  
even open up about it when they have

1338  
00:54:19,609 --> 00:54:17,760

seen it and like me myself I'm a big

1339

00:54:22,010 --> 00:54:19,619

mouth about it like every when I was

1340

00:54:24,349 --> 00:54:22,020

younger I'd go to a party I'd bring up

1341

00:54:26,210 --> 00:54:24,359

UFOs just to ruffle some feathers you

1342

00:54:27,950 --> 00:54:26,220

know and see what people say or see if

1343

00:54:29,750 --> 00:54:27,960

people were into it or if other people

1344

00:54:31,430 --> 00:54:29,760

had seen it and you might get one or two

1345

00:54:33,410 --> 00:54:31,440

people who would eventually open up an

1346

00:54:34,970 --> 00:54:33,420

iOS or something that other people were

1347

00:54:36,650 --> 00:54:34,980

like oh they can't exist because they

1348

00:54:37,910 --> 00:54:36,660

can't travel faster than the speed of

1349

00:54:39,650 --> 00:54:37,920

light and all that kind of stuff you

1350

00:54:43,309 --> 00:54:39,660

know that Skeptics have been saying for

1351  
00:54:45,230 --> 00:54:43,319  
years and uh we have no idea like you

1352  
00:54:47,150 --> 00:54:45,240  
said we have no idea about the reality

1353  
00:54:50,930 --> 00:54:47,160  
of Consciousness we have no idea about

1354  
00:54:53,270 --> 00:54:50,940  
really why we're here what we are what

1355  
00:54:55,910 --> 00:54:53,280  
created us there's so many questions and

1356  
00:54:58,309 --> 00:54:55,920  
I mean those questions have probably may

1357  
00:55:00,230 --> 00:54:58,319  
never be answered but questions that at

1358  
00:55:02,089 --> 00:55:00,240  
least if the people are looking into it

1359  
00:55:04,609 --> 00:55:02,099  
you know I've tried to find the answer

1360  
00:55:06,109 --> 00:55:04,619  
and that's just driven me crazy my whole

1361  
00:55:07,970 --> 00:55:06,119  
life you know but

1362  
00:55:10,370 --> 00:55:07,980  
um I know it's a worthwhile cause

1363  
00:55:12,010 --> 00:55:10,380

because it's something that you know

1364

00:55:13,730 --> 00:55:12,020

we're on the precipice of something

1365

00:55:16,309 --> 00:55:13,740

amazing

1366

00:55:17,089 --> 00:55:16,319

um you know of an understanding and

1367

00:55:18,950 --> 00:55:17,099

maybe

1368

00:55:20,829 --> 00:55:18,960

um this might do something to our

1369

00:55:23,510 --> 00:55:20,839

Consciousness this may the understanding

1370

00:55:26,809 --> 00:55:23,520

worldwide that we're not alone you know

1371

00:55:29,329 --> 00:55:26,819

could possibly down the track just open

1372

00:55:31,609 --> 00:55:29,339

us up to to other possibilities open up

1373

00:55:34,549 --> 00:55:31,619

other parts of our brains we don't know

1374

00:55:35,930 --> 00:55:34,559

what a lot of our brains do really a lot

1375

00:55:38,630 --> 00:55:35,940

of the parts of our brain are still

1376  
00:55:41,390 --> 00:55:38,640  
unknown and like there was a study with

1377  
00:55:43,730 --> 00:55:41,400  
Harvard uh recently uh sorry about three

1378  
00:55:47,030 --> 00:55:43,740  
and a bit years ago and I was asked to

1379  
00:55:49,490 --> 00:55:47,040  
go into it as well and it was in regards

1380  
00:55:52,309 --> 00:55:49,500  
to people like myself who see a lot of

1381  
00:55:55,250 --> 00:55:52,319  
UFOs over their lifetime and they found

1382  
00:55:57,109 --> 00:55:55,260  
that in a lot of these people who were

1383  
00:55:59,750 --> 00:55:57,119  
in the study

1384  
00:56:03,230 --> 00:55:59,760  
um they have an area of the brain that

1385  
00:56:05,630 --> 00:56:03,240  
lights up under an MRI scan that doesn't

1386  
00:56:07,430 --> 00:56:05,640  
light up in most of the population and

1387  
00:56:09,470 --> 00:56:07,440  
this one area of the brain we still

1388  
00:56:11,569 --> 00:56:09,480

doesn't we still do not know what this

1389

00:56:13,790 --> 00:56:11,579

part of the brain does and that's how it

1390

00:56:15,950 --> 00:56:13,800

was described to me by a post-doctorate

1391

00:56:18,230 --> 00:56:15,960

scholar who was working on this I

1392

00:56:21,109 --> 00:56:18,240

believe uh in connection with Stanford

1393

00:56:23,750 --> 00:56:21,119

University as well and um so yeah that

1394

00:56:26,510 --> 00:56:23,760

it's not in every person who sees UFOs

1395

00:56:28,309 --> 00:56:26,520

but it was it's in a good number number

1396

00:56:30,290 --> 00:56:28,319

of these people who see UFOs this part

1397

00:56:33,470 --> 00:56:30,300

of the brain lighting up under MRI so

1398

00:56:35,690 --> 00:56:33,480

that was completely unknown but there

1399

00:56:38,150 --> 00:56:35,700

you go there's another curveball it's it

1400

00:56:40,370 --> 00:56:38,160

doesn't appear in everybody but only in

1401  
00:56:42,770 --> 00:56:40,380  
some people so it doesn't describe it

1402  
00:56:44,150 --> 00:56:42,780  
for everybody that that's a reason you

1403  
00:56:46,670 --> 00:56:44,160  
know and maybe this part of the brain

1404  
00:56:49,609 --> 00:56:46,680  
does something like it you know is the

1405  
00:56:50,870 --> 00:56:49,619  
connection with these beings and and

1406  
00:56:52,370 --> 00:56:50,880  
that's the part of the brain they

1407  
00:56:54,349 --> 00:56:52,380  
communicate through because maybe that

1408  
00:56:56,630 --> 00:56:54,359  
might be part of the brain that's used

1409  
00:56:58,370 --> 00:56:56,640  
as psychic abilities or this kind of

1410  
00:57:00,170 --> 00:56:58,380  
thing and one thing I have noticed with

1411  
00:57:02,150 --> 00:57:00,180  
people who have seen or what we call

1412  
00:57:04,069 --> 00:57:02,160  
experiences who've seen a lot of these

1413  
00:57:05,630 --> 00:57:04,079

this phenomenon is that a lot of them

1414

00:57:08,690 --> 00:57:05,640

send to have psychic abilities

1415

00:57:10,910 --> 00:57:08,700

themselves and they're aware or they

1416

00:57:12,910 --> 00:57:10,920

know when UFOs are around and I've felt

1417

00:57:16,190 --> 00:57:12,920

these UFOs too I felt the heavy

1418

00:57:19,010 --> 00:57:16,200

electrical feeling the the weighing down

1419

00:57:20,990 --> 00:57:19,020

the the paranoia the anxiety that comes

1420

00:57:23,390 --> 00:57:21,000

when they're around and I felt that a

1421

00:57:25,670 --> 00:57:23,400

number of times in my life and when I

1422

00:57:28,130 --> 00:57:25,680

used to feel it I'd go outside and not

1423

00:57:29,630 --> 00:57:28,140

every time but maybe four times out of

1424

00:57:31,490 --> 00:57:29,640

ten or five times out of ten there'd be

1425

00:57:34,250 --> 00:57:31,500

a UFO hanging up in the sky would just

1426

00:57:36,950 --> 00:57:34,260

take off and I would be like that was

1427

00:57:39,770 --> 00:57:36,960

for me that had to have been for me it's

1428

00:57:41,150 --> 00:57:39,780

just who else was there for or I'd go up

1429

00:57:43,309 --> 00:57:41,160

and look up and then it would appear as

1430

00:57:46,309 --> 00:57:43,319

a bright flash move to the left and then

1431

00:57:48,109 --> 00:57:46,319

zip off at high speeds or just suck in

1432

00:57:50,210 --> 00:57:48,119

on itself and then just disappear or

1433

00:57:53,150 --> 00:57:50,220

they it's just the things they do are

1434

00:57:56,390 --> 00:57:53,160

just incredible it's pretty amazing so

1435

00:57:58,190 --> 00:57:56,400

yeah I you know that I think that if

1436

00:58:00,589 --> 00:57:58,200

people saw this you know everyone saw

1437

00:58:04,370 --> 00:58:00,599

this it would wake people up no doubt

1438

00:58:07,630 --> 00:58:04,380

I'm not so sure I mean I've often said

1439

00:58:10,130 --> 00:58:07,640

after I've had an incredible sighting

1440

00:58:13,849 --> 00:58:10,140

that uh

1441

00:58:17,270 --> 00:58:13,859

um and there have been periods in my

1442

00:58:19,790 --> 00:58:17,280

life where I've I've been a serious

1443

00:58:21,589 --> 00:58:19,800

member of the media right speaking to

1444

00:58:25,190 --> 00:58:21,599

millions of people every night and doing

1445

00:58:26,109 --> 00:58:25,200

and I thought to myself

1446

00:58:28,970 --> 00:58:26,119

um

1447

00:58:34,130 --> 00:58:28,980

would I'm gonna I'm gonna speak about

1448

00:58:36,770 --> 00:58:34,140

this but would Anderson Cooper or speak

1449

00:58:40,370 --> 00:58:36,780

about this would you know would some

1450

00:58:41,870 --> 00:58:40,380

member of the media uh you know say it

1451

00:58:46,970 --> 00:58:41,880

was somebody with a huge fear of

1452

00:58:49,970 --> 00:58:46,980

influence that just saw what I just saw

1453

00:58:52,490 --> 00:58:49,980

would they go on the Nightly News the

1454

00:58:55,490 --> 00:58:52,500

next night and say hey I was out last

1455

00:58:56,450 --> 00:58:55,500

night and I saw a UFO I just don't think

1456

00:59:00,589 --> 00:58:56,460

they would

1457

00:59:03,049 --> 00:59:00,599

no absolutely not maybe today it's a

1458

00:59:06,410 --> 00:59:03,059

different kind of world you know we had

1459

00:59:08,569 --> 00:59:06,420

uh I don't know if you know this guy

1460

00:59:13,190 --> 00:59:08,579

um he's not on TV anymore his name was

1461

00:59:15,770 --> 00:59:13,200

uh Tucker Carlson oh yeah oh you know

1462

00:59:19,849 --> 00:59:15,780

Tucker okay so uh good old Tucker yeah

1463

00:59:21,589 --> 00:59:19,859

yeah well he's no longer employed so uh

1464

00:59:25,130 --> 00:59:21,599

but that's another story that's another

1465

00:59:27,170 --> 00:59:25,140

story but Tucker at least would cover

1466

00:59:30,530 --> 00:59:27,180

this

1467

00:59:32,569 --> 00:59:30,540

um yeah and and we had Larry King for a

1468

00:59:33,770 --> 00:59:32,579

minute you know he's no longer with us

1469

00:59:36,890 --> 00:59:33,780

but

1470

00:59:39,410 --> 00:59:36,900

um and we had a couple of members of the

1471

00:59:43,190 --> 00:59:39,420

media but we've got thousands of Talking

1472

00:59:46,250 --> 00:59:43,200

Heads across this country and only a few

1473

00:59:49,010 --> 00:59:46,260

will roll the dice and that's that's the

1474

00:59:51,770 --> 00:59:49,020

difference and you know Ross

1475

00:59:56,450 --> 00:59:51,780

um Ross is a very important person in

1476

01:00:00,410 --> 00:59:56,460

the media in Australia and he has taken

1477

01:00:02,329 --> 01:00:00,420

in the has made the choice

1478

01:00:04,549 --> 01:00:02,339

um to cover this very important subject

1479

01:00:06,289 --> 01:00:04,559

and he's got a lot of connections I

1480

01:00:07,609 --> 01:00:06,299

don't know if you've read his book in

1481

01:00:11,870 --> 01:00:07,619

plain sight

1482

01:00:16,190 --> 01:00:11,880

but uh I have I have it and I also have

1483

01:00:19,609 --> 01:00:16,200

the audio book that he reads he narrates

1484

01:00:22,910 --> 01:00:19,619

his own audiobook all right yeah yeah

1485

01:00:25,130 --> 01:00:22,920

okay I've got an immense amount of

1486

01:00:26,510 --> 01:00:25,140

respect for Ross

1487

01:00:29,750 --> 01:00:26,520

um he

1488

01:00:32,510 --> 01:00:29,760

he is not going to bend on this and it

1489

01:00:35,329 --> 01:00:32,520

seems that you know after all of this

1490

01:00:38,690 --> 01:00:35,339

hard work he may have broken you know

1491

01:00:40,990 --> 01:00:38,700

the the story of the century and and

1492

01:00:45,410 --> 01:00:41,000

let's just hope that it it it

1493

01:00:48,970 --> 01:00:45,420

the the the the people deserve somebody

1494

01:00:52,150 --> 01:00:48,980

like Ross you know or myself and others

1495

01:00:55,789 --> 01:00:52,160

to to not give up

1496

01:00:58,130 --> 01:00:55,799

absolutely we can't

1497

01:00:59,870 --> 01:00:58,140

no you gotta you gotta use your platform

1498

01:01:02,089 --> 01:00:59,880

and continue to do what you're doing

1499

01:01:03,829 --> 01:01:02,099

because like you said that there are a

1500

01:01:05,270 --> 01:01:03,839

lot of people out there talking but

1501

01:01:06,890 --> 01:01:05,280

talking about different things this is

1502

01:01:09,049 --> 01:01:06,900

an important subject this is something

1503

01:01:11,089 --> 01:01:09,059

that affects all of humanity and it will

1504

01:01:12,710 --> 01:01:11,099

affect us into the future and it's

1505

01:01:15,190 --> 01:01:12,720

something that we're on the precipice of

1506

01:01:17,990 --> 01:01:15,200

and yeah you can't give up now it's just

1507

01:01:19,910 --> 01:01:18,000

considering how far the the phenomenon

1508

01:01:21,950 --> 01:01:19,920

has come in the public eye and just in

1509

01:01:24,589 --> 01:01:21,960

the last few years it's just incredible

1510

01:01:26,750 --> 01:01:24,599

so yeah there's no giving up now that

1511

01:01:28,490 --> 01:01:26,760

definitely don't that's that's don't

1512

01:01:31,789 --> 01:01:28,500

give up

1513

01:01:34,370 --> 01:01:31,799

Let's uh take our break our guest Damian

1514

01:01:37,910 --> 01:01:34,380

John Knott out of Australia I'm your

1515

01:01:39,829 --> 01:01:37,920

host Jimmy church we'll be right back

1516

01:01:42,109 --> 01:01:39,839

this is Jimmy Church of Fade to Black

1517

01:01:44,329 --> 01:01:42,119

please visit all of our sponsors we're

1518

01:01:46,130 --> 01:01:44,339

taking a quick break here all of the

1519

01:01:48,410 --> 01:01:46,140

links are below

1520

01:01:52,789 --> 01:01:48,420

and we'll be right back

1521

01:01:55,250 --> 01:01:52,799

join us November 10th 11th and 12th 2023

1522

01:01:57,950 --> 01:01:55,260

as disclosure Fest foundation and Fade

1523

01:02:00,530 --> 01:01:57,960

to Black radio presents Stairway To the

1524

01:02:02,990 --> 01:02:00,540

Stars a human Origins Science and

1525

01:02:06,049 --> 01:02:03,000

Technology Expo live at the Luxor Hotel

1526  
01:02:08,270 --> 01:02:06,059  
and Casino and the Las Vegas Strip with

1527  
01:02:10,250 --> 01:02:08,280  
live talks lectures and workshops by

1528  
01:02:12,410 --> 01:02:10,260  
World Acclaim researchers and authors

1529  
01:02:14,930 --> 01:02:12,420  
this is Jimmy Church by the way and I'll

1530  
01:02:17,210 --> 01:02:14,940  
be your host all weekend long featuring

1531  
01:02:19,430 --> 01:02:17,220  
topics like human Origins ancient

1532  
01:02:22,309 --> 01:02:19,440  
Technologies indigenous teachings

1533  
01:02:24,650 --> 01:02:22,319  
workshops a mass meditation yoga and

1534  
01:02:27,410 --> 01:02:24,660  
sound healing music and so much more

1535  
01:02:30,230 --> 01:02:27,420  
don't miss our intimate sky watch and

1536  
01:02:33,109 --> 01:02:30,240  
meteor shower over the infamous Area 51

1537  
01:02:34,849 --> 01:02:33,119  
airspace in Rachel Nevada with special

1538  
01:02:37,130 --> 01:02:34,859

surprise celebrity host guiding us

1539

01:02:41,030 --> 01:02:37,140

through the night also introducing our

1540

01:02:43,309 --> 01:02:41,040

disclosure Fest VR Starship area with

1541

01:02:46,010 --> 01:02:43,319

dozens of rides you've gotta check it

1542

01:02:47,569 --> 01:02:46,020

out this event will sell out for more

1543

01:02:51,950 --> 01:02:47,579

information and tickets Please visit

1544

01:02:56,510 --> 01:02:51,960

disclosure best.org the secret is out

1545

01:02:59,150 --> 01:02:56,520

life waves x39 is the reason why I have

1546

01:03:01,190 --> 01:02:59,160

got my vision back this is Jimmy Church

1547

01:03:03,490 --> 01:03:01,200

of Fade to Black and you need to go

1548

01:03:06,130 --> 01:03:03,500

straight to Healing

1549

01:03:10,370 --> 01:03:06,140

worksnow.com that's

1550

01:03:13,130 --> 01:03:10,380

healingworksnow.com works with an X all

1551  
01:03:17,030 --> 01:03:13,140  
of the information that you need is on

1552  
01:03:20,270 --> 01:03:17,040  
that portal find out why I look great I

1553  
01:03:24,109 --> 01:03:20,280  
feel great I'm thinking clearly I sleep

1554  
01:03:27,170 --> 01:03:24,119  
I dream life is good all of it you've

1555  
01:03:29,390 --> 01:03:27,180  
got to check out lifewaves x39 and all

1556  
01:03:31,809 --> 01:03:29,400  
of their other products it's all simple

1557  
01:03:34,450 --> 01:03:31,819  
to do go to

1558  
01:03:38,809 --> 01:03:34,460  
healingworksnow.com that's

1559  
01:03:41,390 --> 01:03:38,819  
healingworksnow.com works with an X

1560  
01:03:43,730 --> 01:03:41,400  
hey everybody it's Billy Carson also

1561  
01:03:45,230 --> 01:03:43,740  
known as Forbidden Knowledge I want to

1562  
01:03:48,890 --> 01:03:45,240  
talk to you about a very special event

1563  
01:03:50,990 --> 01:03:48,900

coming up July 30th 2023 The Forbidden

1564

01:03:52,609 --> 01:03:51,000

conscious Awards we're going to honor

1565

01:03:55,010 --> 01:03:52,619

people who have been contributing to the

1566

01:03:56,510 --> 01:03:55,020

conscious Community for decades people

1567

01:03:58,250 --> 01:03:56,520

that you know and love that have helped

1568

01:04:00,230 --> 01:03:58,260

you get to higher levels of thought and

1569

01:04:02,450 --> 01:04:00,240

Consciousness and awareness it's going

1570

01:04:03,710 --> 01:04:02,460

to be alive in-person event but since

1571

01:04:05,210 --> 01:04:03,720

we're going to sell out very fast you

1572

01:04:07,309 --> 01:04:05,220

want to make sure you're there in person

1573

01:04:09,069 --> 01:04:07,319

and guess what you can help vote for the

1574

01:04:11,150 --> 01:04:09,079

winners voting is available on

1575

01:04:12,710 --> 01:04:11,160

forbiddenknowledge.com and the

1576  
01:04:15,890 --> 01:04:12,720  
categories are going to be social media

1577  
01:04:17,770 --> 01:04:15,900  
influencer podcast slash radio host TV

1578  
01:04:19,490 --> 01:04:17,780  
host actor director producer

1579  
01:04:20,990 --> 01:04:19,500  
entrepreneurs health and wellness

1580  
01:04:23,450 --> 01:04:21,000  
philanthropists authors field

1581  
01:04:25,190 --> 01:04:23,460  
researchers archaeologists space anomaly

1582  
01:04:28,010 --> 01:04:25,200  
hunters and of course a Lifetime

1583  
01:04:29,930 --> 01:04:28,020  
Achievement Award I'll be your key note

1584  
01:04:31,849 --> 01:04:29,940  
speaker that night at The Forbidden

1585  
01:04:34,190 --> 01:04:31,859  
conscious Awards we have celebrity

1586  
01:04:35,750 --> 01:04:34,200  
guests performing we'll have a halftime

1587  
01:04:37,430 --> 01:04:35,760  
show where we're actually going to

1588  
01:04:40,010 --> 01:04:37,440

perform music for you and don't forget

1589

01:04:41,990 --> 01:04:40,020

about the pre-event mixer where if you

1590

01:04:43,910 --> 01:04:42,000

buy a box seat you'll be in the VIP

1591

01:04:46,549 --> 01:04:43,920

section and you also have private access

1592

01:04:49,730 --> 01:04:46,559

to a big IP mixer with celebrity guests

1593

01:04:51,530 --> 01:04:49,740

shake hands great bread Network and then

1594

01:04:53,329 --> 01:04:51,540

walk the red carpet with us and take

1595

01:04:54,650 --> 01:04:53,339

amazing photos it's going to be a night

1596

01:04:56,870 --> 01:04:54,660

to remember you don't want to forget

1597

01:04:58,490 --> 01:04:56,880

this make sure you hurry up and get your

1598

01:05:00,950 --> 01:04:58,500

tickets because they're selling out very

1599

01:05:02,760 --> 01:05:00,960

fast I want to see you there forbidden

1600

01:05:06,349 --> 01:05:02,770

conscious Awards 2023

1601  
01:05:09,770 --> 01:05:06,359

[Music]

1602  
01:05:12,589 --> 01:05:09,780

River Moon coffee makers of the Fade to

1603  
01:05:14,410 --> 01:05:12,599

Black blend truly the best coffee on

1604  
01:05:16,670 --> 01:05:14,420

planet Earth just visit

1605  
01:05:18,530 --> 01:05:16,680

rivermoonwellness.com or their Amazon

1606  
01:05:19,970 --> 01:05:18,540

store it's all simple to do you can

1607  
01:05:22,069 --> 01:05:19,980

check out the Fade to Black blend the

1608  
01:05:24,710 --> 01:05:22,079

game changer Blend or any of their black

1609  
01:05:28,490 --> 01:05:24,720

moon wellness products it's the only

1610  
01:05:33,289 --> 01:05:28,500

coffee I drink it is the best and it's

1611  
01:05:37,849 --> 01:05:35,930

all right Welcome Back Fade to Black I

1612  
01:05:41,569 --> 01:05:37,859

am your host to be church tonight live

1613  
01:05:43,430 --> 01:05:41,579

from Australia Damian John Knott he's a

1614

01:05:47,030 --> 01:05:43,440

filmmaker he's got a lot of films out

1615

01:05:50,270 --> 01:05:47,040

he's got a couple more coming out and uh

1616

01:05:53,510 --> 01:05:50,280

I want to take some time uh now Damien

1617

01:05:56,510 --> 01:05:53,520

if we can to talk about your techniques

1618

01:05:59,750 --> 01:05:56,520

um you've got a heck of a rig uh behind

1619

01:06:03,650 --> 01:05:59,760

you uh I I thought I had a nice set up

1620

01:06:06,349 --> 01:06:03,660

here in the studio but uh uh that's uh

1621

01:06:11,710 --> 01:06:06,359

that's pretty impressive uh take us

1622

01:06:14,150 --> 01:06:11,720

through how do you capture uh uh uh

1623

01:06:16,450 --> 01:06:14,160

objects in the sky uh what's your

1624

01:06:19,549 --> 01:06:16,460

process

1625

01:06:22,609 --> 01:06:19,559

uh well I have about 50 some oh I had

1626  
01:06:25,130 --> 01:06:22,619  
about 50 something cameras so normally

1627  
01:06:27,170 --> 01:06:25,140  
um it depends really like a lot of my

1628  
01:06:29,510 --> 01:06:27,180  
captures are just spur at the moment

1629  
01:06:32,510 --> 01:06:29,520  
things uh where I'll just either get a

1630  
01:06:34,910 --> 01:06:32,520  
feeling go outside I'll take um you know

1631  
01:06:36,710 --> 01:06:34,920  
either my Olympus or but it depends

1632  
01:06:38,930 --> 01:06:36,720  
really if I'm shooting day or night I'll

1633  
01:06:40,490 --> 01:06:38,940  
use different cameras but

1634  
01:06:42,529 --> 01:06:40,500  
um a lot of the times you just have

1635  
01:06:44,809 --> 01:06:42,539  
enough time to grab whatever's on hand

1636  
01:06:46,849 --> 01:06:44,819  
as quick as possible and because as you

1637  
01:06:49,010 --> 01:06:46,859  
know the UFO phenomenon is quite

1638  
01:06:50,029 --> 01:06:49,020

fleeting it doesn't really last for too

1639

01:06:52,910 --> 01:06:50,039

too long

1640

01:06:55,250 --> 01:06:52,920

um you know some sightings do but

1641

01:06:57,829 --> 01:06:55,260

um yeah normally like if I'm out on a uh

1642

01:06:59,210 --> 01:06:57,839

filming a documentary or I'm out in the

1643

01:07:01,970 --> 01:06:59,220

field or something like that or I'm in a

1644

01:07:03,710 --> 01:07:01,980

hot spot area I'll I'll take my rig and

1645

01:07:06,470 --> 01:07:03,720

I'll set it up and have multiple cameras

1646

01:07:09,230 --> 01:07:06,480

going so I'll have infrared thermal

1647

01:07:13,370 --> 01:07:09,240

um I'll have a DSLR going I'll have a

1648

01:07:16,549 --> 01:07:13,380

regular film camera 4K filming um I'll

1649

01:07:17,210 --> 01:07:16,559

also have uh you know EMF meters

1650

01:07:19,549 --> 01:07:17,220

um

1651

01:07:22,970 --> 01:07:19,559

a lot of other equipment as well just in

1652

01:07:24,470 --> 01:07:22,980

case uh trail cameras you name it just

1653

01:07:26,930 --> 01:07:24,480

anything that can really capture

1654

01:07:29,690 --> 01:07:26,940

something on the spur at the moment but

1655

01:07:32,270 --> 01:07:29,700

um I do use a lot of what's called

1656

01:07:34,849 --> 01:07:32,280

composite live composite photography

1657

01:07:37,970 --> 01:07:34,859

which is an Olympus thing Olympus brand

1658

01:07:39,710 --> 01:07:37,980

camera thing where they do it it's more

1659

01:07:42,289 --> 01:07:39,720

for night time but you can use it during

1660

01:07:44,750 --> 01:07:42,299

daytime if you have a neutral density

1661

01:07:47,930 --> 01:07:44,760

filter and but it's um

1662

01:07:50,990 --> 01:07:47,940

layers photographs on top so it if a UFO

1663

01:07:53,870 --> 01:07:51,000

comes in just say it will capture the

1664

01:07:56,450 --> 01:07:53,880

UFO and follow the trail of it until it

1665

01:07:58,430 --> 01:07:56,460

leaves or whatever the case is and so a

1666

01:08:00,770 --> 01:07:58,440

lot of the nighttime footage

1667

01:08:04,609 --> 01:08:00,780

um you know in a way it's a lazy way of

1668

01:08:08,510 --> 01:08:04,619

you know capturing a UFO but it's it's a

1669

01:08:09,529 --> 01:08:08,520

technology that is adaptable for UFO

1670

01:08:11,089 --> 01:08:09,539

hunting

1671

01:08:13,910 --> 01:08:11,099

um and it is actually quite incredible

1672

01:08:16,430 --> 01:08:13,920

I've got some of my most beautiful

1673

01:08:18,890 --> 01:08:16,440

photographs of this phenomenon in that

1674

01:08:21,169 --> 01:08:18,900

way but what I try and do is I try and

1675

01:08:23,090 --> 01:08:21,179

film especially if I'm out or I'm you

1676  
01:08:26,209 --> 01:08:23,100  
know documentary or in a hot spot area

1677  
01:08:28,309 --> 01:08:26,219  
already most rigs are in Practical you

1678  
01:08:29,990 --> 01:08:28,319  
can't just pick up a huge rig when a UFO

1679  
01:08:32,329 --> 01:08:30,000  
is out there and you know run outside

1680  
01:08:33,650 --> 01:08:32,339  
and and set it up and then set all the

1681  
01:08:35,990 --> 01:08:33,660  
cameras on by the time you've done that

1682  
01:08:38,150 --> 01:08:36,000  
the thing's gone so it's only really

1683  
01:08:39,530 --> 01:08:38,160  
unuseful if you're setting up in an area

1684  
01:08:40,970 --> 01:08:39,540  
and you're going to be around there for

1685  
01:08:42,950 --> 01:08:40,980  
a while and you're going to be observing

1686  
01:08:44,990 --> 01:08:42,960  
the sky in a certain direction so

1687  
01:08:47,570 --> 01:08:45,000  
multiple cameras all filming at the same

1688  
01:08:49,130 --> 01:08:47,580

time and I learned that years ago um uh

1689

01:08:51,050 --> 01:08:49,140

one of the Skeptics here in Australia

1690

01:08:53,269 --> 01:08:51,060

said oh you know it could be a camera

1691

01:08:55,550 --> 01:08:53,279

anomaly on One camera so I figured well

1692

01:08:57,410 --> 01:08:55,560

if I have five or six cameras and

1693

01:08:58,910 --> 01:08:57,420

they're capturing the same thing well

1694

01:09:01,490 --> 01:08:58,920

it's not a camera anomaly because that

1695

01:09:03,769 --> 01:09:01,500

anomaly won't stretch from One camera to

1696

01:09:05,930 --> 01:09:03,779

another if it's a single camera anomaly

1697

01:09:08,570 --> 01:09:05,940

so if you're capturing the same thing on

1698

01:09:10,070 --> 01:09:08,580

every camera more than likely it was

1699

01:09:12,050 --> 01:09:10,080

something that was in the air and it's

1700

01:09:13,870 --> 01:09:12,060

not on a you know a benign camera

1701  
01:09:17,030 --> 01:09:13,880  
anomaly or whatever over the case is so

1702  
01:09:19,189 --> 01:09:17,040  
most of the footage I have I'll have you

1703  
01:09:20,870 --> 01:09:19,199  
know several photographs up to a couple

1704  
01:09:23,030 --> 01:09:20,880  
hundred photographs depending on the

1705  
01:09:25,610 --> 01:09:23,040  
length of the siding I'll also have

1706  
01:09:27,530 --> 01:09:25,620  
video going along with that infrared

1707  
01:09:30,289 --> 01:09:27,540  
daytime footage

1708  
01:09:32,329 --> 01:09:30,299  
um or you know thermal as well all at

1709  
01:09:34,729 --> 01:09:32,339  
the same time so you're capturing it on

1710  
01:09:36,769 --> 01:09:34,739  
different you know implements and

1711  
01:09:39,650 --> 01:09:36,779  
different formats and I think that's the

1712  
01:09:41,269 --> 01:09:39,660  
best way to do it it can rule out you

1713  
01:09:43,370 --> 01:09:41,279

know as I said camera anomalies and that

1714

01:09:45,110 --> 01:09:43,380

kind of thing it also gives you better

1715

01:09:47,030 --> 01:09:45,120

evidence of what you're capturing as

1716

01:09:48,530 --> 01:09:47,040

well so I can show you

1717

01:09:50,870 --> 01:09:48,540

um you know a lot of these things are

1718

01:09:53,150 --> 01:09:50,880

invisible to the naked eye and so you

1719

01:09:57,590 --> 01:09:53,160

know if you're using a infrared to say

1720

01:09:59,630 --> 01:09:57,600

r72 filter with an old infrared camera

1721

01:10:01,610 --> 01:09:59,640

um you can pick up some incredible stuff

1722

01:10:04,070 --> 01:10:01,620

during the daytime that the eyes can't

1723

01:10:07,610 --> 01:10:04,080

see so I'll have one camera that's

1724

01:10:09,890 --> 01:10:07,620

regular 4K one filming in 4k with an

1725

01:10:11,870 --> 01:10:09,900

infrared filter over it and so side by

1726

01:10:13,669 --> 01:10:11,880

side you won't see anything on the

1727

01:10:15,770 --> 01:10:13,679

regular camera but same time you're

1728

01:10:17,570 --> 01:10:15,780

witnessing a ball of light zip around on

1729

01:10:20,149 --> 01:10:17,580

the camera just next to it and they're

1730

01:10:22,310 --> 01:10:20,159

focus on the same spot in the sky so I I

1731

01:10:23,390 --> 01:10:22,320

believe that's great evidence it's good

1732

01:10:25,490 --> 01:10:23,400

evidence showing that there's something

1733

01:10:27,110 --> 01:10:25,500

anomalous in the sky the eyes aren't

1734

01:10:29,570 --> 01:10:27,120

picking it up regular cameras aren't

1735

01:10:31,189 --> 01:10:29,580

picking up maybe because the IR spectrum

1736

01:10:33,890 --> 01:10:31,199

in regular cameras isn't strong enough

1737

01:10:36,890 --> 01:10:33,900

it's not far across enough but with an

1738

01:10:39,770 --> 01:10:36,900

r72 filter or whatever the case is you

1739

01:10:42,770 --> 01:10:39,780

can really pick these things up and

1740

01:10:44,930 --> 01:10:42,780

just yeah multiple cameras multiple

1741

01:10:47,090 --> 01:10:44,940

formats at the same time of the same

1742

01:10:50,750 --> 01:10:47,100

phenomenon and and that's the way I I

1743

01:10:53,630 --> 01:10:50,760

prefer to to work it myself

1744

01:10:55,729 --> 01:10:53,640

you said that you had a siding uh when

1745

01:10:59,649 --> 01:10:55,739

you were nine years old

1746

01:11:04,250 --> 01:10:59,659

um what was that was that a physical

1747

01:11:07,189 --> 01:11:04,260

craft or was that a ball of light

1748

01:11:08,990 --> 01:11:07,199

that was a red ball of light

1749

01:11:11,689 --> 01:11:09,000

um again it was probably the size of a

1750

01:11:13,010 --> 01:11:11,699

basketball uh I was walking home it was

1751

01:11:14,689 --> 01:11:13,020

a Sunday evening

1752

01:11:17,570 --> 01:11:14,699

um I was late for I was coming back from

1753

01:11:19,250 --> 01:11:17,580

a friend's place playing you know soccer

1754

01:11:21,169 --> 01:11:19,260

or whatever we're doing

1755

01:11:23,149 --> 01:11:21,179

um I had my skateboard and I got to the

1756

01:11:25,910 --> 01:11:23,159

top of the hill in the street adjacent

1757

01:11:27,530 --> 01:11:25,920

to mine and right at the top I don't

1758

01:11:29,090 --> 01:11:27,540

know why I did it but I was about to

1759

01:11:31,130 --> 01:11:29,100

jump on the skateboard and skate down

1760

01:11:32,870 --> 01:11:31,140

the hill and I looked up and I don't

1761

01:11:36,470 --> 01:11:32,880

know why to this day I looked up but

1762

01:11:39,050 --> 01:11:36,480

this thing was maybe about 12 to 15 feet

1763

01:11:40,970 --> 01:11:39,060

above me going by memory it sort of

1764

01:11:42,470 --> 01:11:40,980

burnt into my memory but as a kid you

1765

01:11:44,750 --> 01:11:42,480

know you're a bit weird with distances

1766

01:11:46,130 --> 01:11:44,760

but I know it was really close and I was

1767

01:11:48,530 --> 01:11:46,140

watching it I was watching the

1768

01:11:50,930 --> 01:11:48,540

brightness of it everything and what it

1769

01:11:53,149 --> 01:11:50,940

did was I I just thought for a second

1770

01:11:55,010 --> 01:11:53,159

okay and I took my attention off it like

1771

01:11:57,350 --> 01:11:55,020

it didn't bother me and I kept walking

1772

01:11:59,870 --> 01:11:57,360

but then I looked up again and it was

1773

01:12:02,990 --> 01:11:59,880

still above me so what I noticed was

1774

01:12:04,729 --> 01:12:03,000

when I stopped walking it had stopped as

1775

01:12:07,970 --> 01:12:04,739

well and then when I continued walking

1776

01:12:10,030 --> 01:12:07,980

it followed me and kept kept pace with

1777

01:12:12,830 --> 01:12:10,040

me and so after about

1778

01:12:15,290 --> 01:12:12,840

10 seconds it was very quick but at the

1779

01:12:17,450 --> 01:12:15,300

time it seemed to go forever I I watched

1780

01:12:19,010 --> 01:12:17,460

it do this a few times then I became a

1781

01:12:21,110 --> 01:12:19,020

little bit frightful I was like what's

1782

01:12:23,090 --> 01:12:21,120

going on that's not a plane it's not

1783

01:12:24,709 --> 01:12:23,100

anything it's it's right here what's

1784

01:12:26,149 --> 01:12:24,719

going on I'm looking around to see if

1785

01:12:28,310 --> 01:12:26,159

anyone else is seeing this thing

1786

01:12:29,870 --> 01:12:28,320

everyone's indoors there was no cars

1787

01:12:31,310 --> 01:12:29,880

coming or anything I was like oh what's

1788

01:12:32,810 --> 01:12:31,320

going on

1789

01:12:34,490 --> 01:12:32,820

um even for a nine-year-old I knew it

1790

01:12:36,050 --> 01:12:34,500

was something strange and I remember the

1791

01:12:37,610 --> 01:12:36,060

rest of the way instead of skating down

1792

01:12:39,470 --> 01:12:37,620

the hill because it was a bit you know

1793

01:12:41,390 --> 01:12:39,480

bumpy and with the asphalt and

1794

01:12:43,010 --> 01:12:41,400

everything I grabbed my skateboard under

1795

01:12:44,510 --> 01:12:43,020

my arm and I sprinted the rest of the

1796

01:12:46,850 --> 01:12:44,520

way home you know and I remember get

1797

01:12:49,370 --> 01:12:46,860

jumping up on the balcony really excited

1798

01:12:50,990 --> 01:12:49,380

and scared but excited and I told my mom

1799

01:12:52,189 --> 01:12:51,000

and she was where have you been and I'm

1800

01:12:54,410 --> 01:12:52,199

like oh you're not gonna believe I just

1801  
01:12:55,370 --> 01:12:54,420  
saw this and my mum straight away said I

1802  
01:12:56,810 --> 01:12:55,380  
explained it to her and she said oh

1803  
01:12:58,310 --> 01:12:56,820  
you've probably seen an airplane I was

1804  
01:13:00,410 --> 01:12:58,320  
probably just a plane I said no I wasn't

1805  
01:13:02,630 --> 01:13:00,420  
it wasn't a plane and I I knew it was

1806  
01:13:06,050 --> 01:13:02,640  
and then you know I kind of wanted in a

1807  
01:13:08,689 --> 01:13:06,060  
way I wanted to prove I'm wrong and I

1808  
01:13:10,669 --> 01:13:08,699  
know what I saw and so I started like um

1809  
01:13:12,709 --> 01:13:10,679  
reading books and you know going to the

1810  
01:13:14,390 --> 01:13:12,719  
school library and looking for books

1811  
01:13:16,490 --> 01:13:14,400  
about different things and stuff like

1812  
01:13:19,130 --> 01:13:16,500  
that but I didn't really get into it

1813  
01:13:21,590 --> 01:13:19,140

heavily until three years later when um

1814

01:13:24,290 --> 01:13:21,600

I was visiting uh my father for

1815

01:13:26,630 --> 01:13:24,300

visitation and his family and because I

1816

01:13:29,270 --> 01:13:26,640

live separate from from his family and I

1817

01:13:32,030 --> 01:13:29,280

lived with my mother and

1818

01:13:33,770 --> 01:13:32,040

my My Two Step Brothers uh my stepmother

1819

01:13:35,330 --> 01:13:33,780

had two two kids and they were a couple

1820

01:13:38,450 --> 01:13:35,340

years younger than me at the time when I

1821

01:13:40,610 --> 01:13:38,460

was 12. and um I remember in the

1822

01:13:42,169 --> 01:13:40,620

backyard camping out and looking up you

1823

01:13:43,910 --> 01:13:42,179

know just lying on our sleeping bags and

1824

01:13:46,370 --> 01:13:43,920

looking up at the sky and it was a hot

1825

01:13:48,410 --> 01:13:46,380

summer night you know and

1826

01:13:50,390 --> 01:13:48,420

um yeah we we always used to do that you

1827

01:13:52,310 --> 01:13:50,400

know and and just look up at the sky and

1828

01:13:55,010 --> 01:13:52,320

cool down and chat and you know as kids

1829

01:13:57,169 --> 01:13:55,020

do and then all of a sudden this same

1830

01:14:00,350 --> 01:13:57,179

red ball I'd seen three years earlier

1831

01:14:02,689 --> 01:14:00,360

has come is coming down from the sky

1832

01:14:04,669 --> 01:14:02,699

getting bigger and bigger slowly and

1833

01:14:06,110 --> 01:14:04,679

straight away I noticed it and I pointed

1834

01:14:07,970 --> 01:14:06,120

it out I said oh my God that's what I

1835

01:14:10,189 --> 01:14:07,980

saw a couple of years ago to my to my

1836

01:14:11,330 --> 01:14:10,199

brother you know Anthony and Jeffrey and

1837

01:14:12,530 --> 01:14:11,340

um they're like what you know and at

1838

01:14:13,729 --> 01:14:12,540

first they didn't see it then they saw

1839

01:14:15,770 --> 01:14:13,739

it was getting bigger and bigger and

1840

01:14:17,810 --> 01:14:15,780

bigger and it got to a certain height

1841

01:14:21,110 --> 01:14:17,820

and it stopped and then all of a sudden

1842

01:14:24,169 --> 01:14:21,120

on the left a blue a brilliant beautiful

1843

01:14:25,610 --> 01:14:24,179

blue light about the same size

1844

01:14:28,010 --> 01:14:25,620

um probably about the same height just

1845

01:14:30,830 --> 01:14:28,020

came out of nowhere and started chasing

1846

01:14:33,290 --> 01:14:30,840

this red ball around in the sky and I

1847

01:14:36,410 --> 01:14:33,300

did this for about 10 minutes we had

1848

01:14:38,390 --> 01:14:36,420

enough time to call my father out I got

1849

01:14:40,130 --> 01:14:38,400

Anthony my brother to go run inside and

1850

01:14:42,470 --> 01:14:40,140

my stepmother didn't come out but my

1851

01:14:43,790 --> 01:14:42,480

father came out he saw it as well and he

1852

01:14:46,070 --> 01:14:43,800

wasn't too fast he was like oh okay

1853

01:14:47,510 --> 01:14:46,080

that's weird went back inside so we

1854

01:14:50,630 --> 01:14:47,520

stayed out there watching it for 15

1855

01:14:53,090 --> 01:14:50,640

minutes and and it was not only a blue

1856

01:14:54,890 --> 01:14:53,100

UFO chasing this thing around there was

1857

01:14:56,689 --> 01:14:54,900

a greenish yellow one that came into

1858

01:14:59,930 --> 01:14:56,699

play about a minute after the blue one

1859

01:15:02,510 --> 01:14:59,940

came and both of these UFOs or uaps were

1860

01:15:04,370 --> 01:15:02,520

chasing this red ball around the sky so

1861

01:15:06,649 --> 01:15:04,380

the red ball would go fast distances

1862

01:15:08,870 --> 01:15:06,659

across the sky and stop at the drop of a

1863

01:15:11,450 --> 01:15:08,880

hat then these other two from wherever

1864

01:15:12,890 --> 01:15:11,460

they were would cut in on it on it at an

1865

01:15:15,290 --> 01:15:12,900

angle and then this thing would

1866

01:15:16,850 --> 01:15:15,300

disappear in this angle while they were

1867

01:15:18,729 --> 01:15:16,860

getting to it here and then they'd

1868

01:15:20,990 --> 01:15:18,739

follow it this this went on for about

1869

01:15:23,330 --> 01:15:21,000

ages one of the longer sightings I've

1870

01:15:25,370 --> 01:15:23,340

ever had and you know it's something

1871

01:15:27,590 --> 01:15:25,380

that stuck with my brothers and I and

1872

01:15:29,630 --> 01:15:27,600

even to this day when we catch up still

1873

01:15:31,610 --> 01:15:29,640

it's one of the first things we speak

1874

01:15:33,890 --> 01:15:31,620

about because it really affected us when

1875

01:15:35,570 --> 01:15:33,900

we were younger so it was exciting and

1876

01:15:36,890 --> 01:15:35,580

they all eventually took off in One

1877

01:15:38,689 --> 01:15:36,900

Direction and they followed this red

1878

01:15:41,270 --> 01:15:38,699

ball that just disappeared off this way

1879

01:15:42,649 --> 01:15:41,280

they all just disappeared following it I

1880

01:15:44,689 --> 01:15:42,659

just thought that's weird it was like

1881

01:15:46,490 --> 01:15:44,699

they were playing a game of tag or they

1882

01:15:48,229 --> 01:15:46,500

were doing something or it was like a

1883

01:15:50,330 --> 01:15:48,239

little war or something they were

1884

01:15:52,250 --> 01:15:50,340

chasing it away it seemed like they were

1885

01:15:54,830 --> 01:15:52,260

chasing this red ball away from my

1886

01:15:57,590 --> 01:15:54,840

brothers and I which is really that's

1887

01:16:00,050 --> 01:15:57,600

the impression that I've been left with

1888

01:16:02,390 --> 01:16:00,060

for many many years afterwards and

1889

01:16:05,030 --> 01:16:02,400

that's how it felt at the time and I've

1890

01:16:06,290 --> 01:16:05,040

looked up other stories and of very

1891

01:16:08,870 --> 01:16:06,300

similar things

1892

01:16:10,970 --> 01:16:08,880

um and Jacques valet and Chris orbeck in

1893

01:16:13,729 --> 01:16:10,980

their book uh wonders in the sky they

1894

01:16:16,130 --> 01:16:13,739

released I think in 2019 uh it goes into

1895

01:16:17,450 --> 01:16:16,140

a lot of old cases very similar cases

1896

01:16:20,209 --> 01:16:17,460

throughout history that have been

1897

01:16:21,410 --> 01:16:20,219

reported there was a case in a German

1898

01:16:22,970 --> 01:16:21,420

city

1899

01:16:24,649 --> 01:16:22,980

um I'm not sure it was a Nuremberg or

1900

01:16:26,149 --> 01:16:24,659

somewhere in I think I believe it was

1901

01:16:27,950 --> 01:16:26,159

the 16th century and there was a

1902

01:16:30,649 --> 01:16:27,960

gentleman walking across a bridge going

1903

01:16:32,930 --> 01:16:30,659

into a small Germantown on and people

1904

01:16:35,630 --> 01:16:32,940

from around the town were watching this

1905

01:16:37,790 --> 01:16:35,640

red ball follow this gentleman across

1906

01:16:39,830 --> 01:16:37,800

the bridge and when he would stop it

1907

01:16:42,169 --> 01:16:39,840

would stop when he would move it would

1908

01:16:44,270 --> 01:16:42,179

move the same thing that happened to me

1909

01:16:46,910 --> 01:16:44,280

when I was nine exactly the same and

1910

01:16:49,370 --> 01:16:46,920

when I read this a couple years ago I

1911

01:16:51,110 --> 01:16:49,380

was like oh my God that's incredible and

1912

01:16:53,689 --> 01:16:51,120

what was happening the people in the

1913

01:16:55,310 --> 01:16:53,699

town in this German Town like the pub

1914

01:16:57,709 --> 01:16:55,320

and all this kind of stuff they were

1915

01:17:00,050 --> 01:16:57,719

closing their doors to this gentleman

1916

01:17:01,790 --> 01:17:00,060

because they believed it was a bad Omen

1917

01:17:03,950 --> 01:17:01,800

what was happening would they what they

1918

01:17:05,689 --> 01:17:03,960

saw following him they didn't want him

1919

01:17:07,490 --> 01:17:05,699

anywhere near them so they shut all

1920

01:17:08,750 --> 01:17:07,500

their doors and shut their shops up and

1921

01:17:11,270 --> 01:17:08,760

everything while he was walking through

1922

01:17:13,250 --> 01:17:11,280

the town and I mean stuff like that's

1923

01:17:16,490 --> 01:17:13,260

incredible that happened you know 500

1924

01:17:18,910 --> 01:17:16,500

years ago and it's still the same

1925

01:17:20,990 --> 01:17:18,920

phenomenon as happening 500 years later

1926

01:17:23,450 --> 01:17:21,000

virtually exactly the same type of

1927

01:17:25,729 --> 01:17:23,460

phenomenon it's just incredible and when

1928

01:17:27,709 --> 01:17:25,739

I saw that that was for me like that

1929

01:17:30,169 --> 01:17:27,719

really hammered at home for me that I

1930

01:17:32,870 --> 01:17:30,179

know what I saw and even though I was a

1931

01:17:35,450 --> 01:17:32,880

little kid it it just it just stuck with

1932

01:17:37,130 --> 01:17:35,460

me and it's stuck with me ever since I

1933

01:17:38,570 --> 01:17:37,140

can't get it out of my head especially

1934

01:17:40,490 --> 01:17:38,580

the two sightings I had when I was

1935

01:17:42,470 --> 01:17:40,500

younger but I've seen many others since

1936

01:17:43,850 --> 01:17:42,480

then um and all different types and

1937

01:17:46,669 --> 01:17:43,860

captured them and

1938

01:17:48,890 --> 01:17:46,679

I just yeah I don't know why I just I I

1939

01:17:52,130 --> 01:17:48,900

find the subject fascinating

1940

01:17:54,649 --> 01:17:52,140

um you know I always have but but here

1941

01:17:57,410 --> 01:17:54,659

is uh you've just made a very important

1942

01:17:58,910 --> 01:17:57,420

Point kind of contradicting what you

1943

01:18:02,510 --> 01:17:58,920

said at the beginning of the show though

1944

01:18:06,770 --> 01:18:02,520

I love that part which is this

1945

01:18:09,530 --> 01:18:06,780

um uh I have seen what I have seen okay

1946

01:18:11,649 --> 01:18:09,540

I have I've seen incredible stuff

1947

01:18:15,169 --> 01:18:11,659

can't explain it

1948

01:18:16,250 --> 01:18:15,179

and I know that things are happening

1949

01:18:19,850 --> 01:18:16,260

today

1950

01:18:21,890 --> 01:18:19,860

but what I really find interesting in my

1951

01:18:26,090 --> 01:18:21,900

research some of the most fascinating

1952

01:18:28,550 --> 01:18:26,100

stuff is the ancient account before

1953

01:18:31,669 --> 01:18:28,560

there were flying machines

1954

01:18:36,410 --> 01:18:31,679

that's we need to really you know when

1955

01:18:40,669 --> 01:18:36,420

you go back to the 1700s 1600s 15

1956

01:18:44,330 --> 01:18:40,679

000 you know 2 000 years ago and you're

1957

01:18:47,330 --> 01:18:44,340

hearing these accounts of things in the

1958

01:18:48,169 --> 01:18:47,340

sky when there was nothing flying in the

1959

01:18:51,530 --> 01:18:48,179

sky

1960

01:18:53,750 --> 01:18:51,540

exactly extremely interesting and that's

1961

01:18:55,310 --> 01:18:53,760

why that's why I think it's very

1962

01:18:59,930 --> 01:18:55,320

important

1963

01:19:02,930 --> 01:18:59,940

um the phenomenon today is real but if

1964

01:19:06,410 --> 01:19:02,940

we are in possession of a craft that we

1965

01:19:08,750 --> 01:19:06,420

recovered 50 years ago and didn't inform

1966

01:19:12,110 --> 01:19:08,760

the world about it that no that's really

1967

01:19:14,030 --> 01:19:12,120

big news and and that's that's why the

1968

01:19:16,550 --> 01:19:14,040

historical part about this is so

1969

01:19:18,890 --> 01:19:16,560

important but I wanted to ask you

1970

01:19:20,510 --> 01:19:18,900

because you you've raised this now a few

1971

01:19:21,290 --> 01:19:20,520

times

1972

01:19:26,470 --> 01:19:21,300

um

1973

01:19:28,910 --> 01:19:26,480

why why do you think the types of UFOs

1974

01:19:33,590 --> 01:19:28,920

have changed

1975

01:19:36,229 --> 01:19:33,600

you know and and I wonder if we have

1976

01:19:39,709 --> 01:19:36,239

gone from these metallic you know

1977

01:19:42,770 --> 01:19:39,719

objects in the sky to things that are

1978

01:19:45,530 --> 01:19:42,780

harder to detect because

1979

01:19:48,290 --> 01:19:45,540

ET knows we're a technical Civilization

1980

01:19:52,430 --> 01:19:48,300

now we have radar we have satellites

1981

01:19:55,490 --> 01:19:52,440

yeah we have ways of detecting them so

1982

01:19:58,490 --> 01:19:55,500

they know this right and so now so

1983

01:20:00,310 --> 01:19:58,500

they're adapting they're adapting that's

1984

01:20:03,050 --> 01:20:00,320

part of that

1985

01:20:04,970 --> 01:20:03,060

absolutely that that's could quite well

1986

01:20:07,430 --> 01:20:04,980

be a part of it and you know there was a

1987

01:20:09,649 --> 01:20:07,440

theory years ago you know that

1988

01:20:11,750 --> 01:20:09,659

as on Earth here we have multiple

1989

01:20:13,550 --> 01:20:11,760

different types of vehicles cars and

1990

01:20:15,350 --> 01:20:13,560

that kind of stuff there's a theory that

1991

01:20:17,090 --> 01:20:15,360

wherever they come from wherever they're

1992

01:20:18,709 --> 01:20:17,100

coming from they have the same kind of

1993

01:20:20,450 --> 01:20:18,719

thing multiple different types of craft

1994

01:20:22,430 --> 01:20:20,460

all that kind of stuff

1995

01:20:24,890 --> 01:20:22,440

um I I think quite possibly there could

1996

01:20:26,990 --> 01:20:24,900

be a plethora of things happening here

1997

01:20:30,110 --> 01:20:27,000

there could be uh like a lot of the

1998

01:20:32,810 --> 01:20:30,120

older sightings in the 60s and 70s seem

1999

01:20:35,630 --> 01:20:32,820

to follow a certain you know pattern and

2000

01:20:39,050 --> 01:20:35,640

line and stuff like that and then

2001  
01:20:40,689 --> 01:20:39,060  
nowadays uh things are a bit different

2002  
01:20:42,950 --> 01:20:40,699  
um the the

2003  
01:20:43,910 --> 01:20:42,960  
abductions don't seem to be happening as

2004  
01:20:45,830 --> 01:20:43,920  
often

2005  
01:20:47,930 --> 01:20:45,840  
um you know the the DNA testing and

2006  
01:20:51,649 --> 01:20:47,940  
stuff like that unless you're looking at

2007  
01:20:53,689 --> 01:20:51,659  
the the the hybrid conspiracy side of it

2008  
01:20:56,149 --> 01:20:53,699  
um you know there's that theory that

2009  
01:20:59,510 --> 01:20:56,159  
they they're actually getting women

2010  
01:21:02,689 --> 01:20:59,520  
pregnant here then taking the babies and

2011  
01:21:04,550 --> 01:21:02,699  
you know creating hybrid UFO alien

2012  
01:21:06,530 --> 01:21:04,560  
babies and that kind of stuff and there

2013  
01:21:08,870 --> 01:21:06,540

was a theory that they're doing this

2014

01:21:11,030 --> 01:21:08,880

because every now and then the human

2015

01:21:14,870 --> 01:21:11,040

race gets wiped out

2016

01:21:16,550 --> 01:21:14,880

um and if they are our creators which is

2017

01:21:18,350 --> 01:21:16,560

another theory that they could have

2018

01:21:20,750 --> 01:21:18,360

possibly created us

2019

01:21:22,790 --> 01:21:20,760

um you know through the monkeys or

2020

01:21:24,590 --> 01:21:22,800

whoever's here on the earth you know

2021

01:21:26,149 --> 01:21:24,600

before us and they've manipulated it

2022

01:21:27,470 --> 01:21:26,159

with DNA or whatever the case is or

2023

01:21:29,030 --> 01:21:27,480

they've created us from scratch or

2024

01:21:30,590 --> 01:21:29,040

whatever the case is

2025

01:21:31,970 --> 01:21:30,600

um that they would be watching us and

2026

01:21:34,010 --> 01:21:31,980

observing us

2027

01:21:36,770 --> 01:21:34,020

um in the same way that a scientist

2028

01:21:38,990 --> 01:21:36,780

would watch a bacteria form in a Petri

2029

01:21:41,270 --> 01:21:39,000

dish that he's working on you watch from

2030

01:21:43,430 --> 01:21:41,280

a distance you don't jump into the the

2031

01:21:45,410 --> 01:21:43,440

bacteria dish and swim around with them

2032

01:21:46,850 --> 01:21:45,420

and go oh hey guys and blah blah so you

2033

01:21:49,669 --> 01:21:46,860

watch from a distance and I believe

2034

01:21:52,370 --> 01:21:49,679

that's what's happening in in a way I

2035

01:21:54,169 --> 01:21:52,380

think that there we are possibly a

2036

01:21:56,450 --> 01:21:54,179

creation and they're keeping an eye on

2037

01:21:58,430 --> 01:21:56,460

us uh there's that theory that every now

2038

01:22:01,070 --> 01:21:58,440

and then we get wiped out right you know

2039

01:22:03,770 --> 01:22:01,080

every 12 15 20 000 years whatever the

2040

01:22:05,510 --> 01:22:03,780

case is there's some type of Calamity or

2041

01:22:07,850 --> 01:22:05,520

meteorite strike or whatever whatever

2042

01:22:10,790 --> 01:22:07,860

and you know there would be a theory

2043

01:22:12,950 --> 01:22:10,800

that because humans are so violent and

2044

01:22:14,209 --> 01:22:12,960

we've been stuck in this violent way for

2045

01:22:16,310 --> 01:22:14,219

you know tens of thousands of years

2046

01:22:18,649 --> 01:22:16,320

doing the same thing raping stealing

2047

01:22:20,450 --> 01:22:18,659

murdering each other the whole kit if

2048

01:22:21,290 --> 01:22:20,460

they wanted to

2049

01:22:24,830 --> 01:22:21,300

um

2050

01:22:27,110 --> 01:22:24,840

enhance or create a being that was more

2051  
01:22:28,850 --> 01:22:27,120  
peaceful it would make an understanding

2052  
01:22:32,570 --> 01:22:28,860  
that what they would create another

2053  
01:22:34,430 --> 01:22:32,580  
being from us and with more peaceful

2054  
01:22:37,370 --> 01:22:34,440  
characteristics and then possibly after

2055  
01:22:39,229 --> 01:22:37,380  
we get wiped out they could then bring

2056  
01:22:42,229 --> 01:22:39,239  
back this other race that they've been

2057  
01:22:44,689 --> 01:22:42,239  
keeping in space that were apart us and

2058  
01:22:47,149 --> 01:22:44,699  
part them and then repopulate the Earth

2059  
01:22:49,910 --> 01:22:47,159  
again with you know and not be as

2060  
01:22:51,890 --> 01:22:49,920  
violent not be as you know cannibalistic

2061  
01:22:53,510 --> 01:22:51,900  
and animalistic as humans have been for

2062  
01:22:54,709 --> 01:22:53,520  
tens of thousands of years and I mean

2063  
01:22:56,209 --> 01:22:54,719

there's a lot of theories who really

2064

01:22:57,229 --> 01:22:56,219

knows the truth but at the end of the

2065

01:22:58,970 --> 01:22:57,239

day

2066

01:23:00,729 --> 01:22:58,980

um he said we just got to keep an eye

2067

01:23:02,930 --> 01:23:00,739

out and and

2068

01:23:05,510 --> 01:23:02,940

everything's unraveling

2069

01:23:08,030 --> 01:23:05,520

um and everything's you know gonna come

2070

01:23:10,130 --> 01:23:08,040

to a point eventually where it's going

2071

01:23:12,470 --> 01:23:10,140

to either be too much evidence

2072

01:23:14,630 --> 01:23:12,480

um to not believe it or there's just

2073

01:23:15,950 --> 01:23:14,640

going to be more and more stories and

2074

01:23:18,410 --> 01:23:15,960

there's just going to be Skeptics still

2075

01:23:20,870 --> 01:23:18,420

out there and I'm hoping that we're past

2076

01:23:21,649 --> 01:23:20,880

that and I'm hoping that we can actually

2077

01:23:24,290 --> 01:23:21,659

um

2078

01:23:26,390 --> 01:23:24,300

get this out there and teach this real

2079

01:23:27,890 --> 01:23:26,400

and that we're not alone and I think for

2080

01:23:29,810 --> 01:23:27,900

years religions and all this kind of

2081

01:23:32,750 --> 01:23:29,820

stuff has been part of the reason why we

2082

01:23:35,330 --> 01:23:32,760

haven't you know um gone hey everyone

2083

01:23:37,550 --> 01:23:35,340

we're with like God says we're the

2084

01:23:40,070 --> 01:23:37,560

ultimate creation and all this kind of

2085

01:23:41,930 --> 01:23:40,080

stuff and but if we're the ultimate

2086

01:23:44,090 --> 01:23:41,940

creation then what are these things you

2087

01:23:46,310 --> 01:23:44,100

know are they the gods are they creators

2088

01:23:48,590 --> 01:23:46,320

are they what's going on so

2089

01:23:50,510 --> 01:23:48,600

it's a lot of um now what I have noticed

2090

01:23:52,850 --> 01:23:50,520

as well a lot of people who do see UFOs

2091

01:23:54,830 --> 01:23:52,860

depending on their background

2092

01:23:56,930 --> 01:23:54,840

um so they see a number of UFOs they

2093

01:23:59,030 --> 01:23:56,940

tend to blame especially if they have

2094

01:24:00,890 --> 01:23:59,040

religious background they'll go they'll

2095

01:24:03,830 --> 01:24:00,900

this will be about Jesus it'll be about

2096

01:24:06,770 --> 01:24:03,840

you know like um Antonio usury over in

2097

01:24:09,050 --> 01:24:06,780

Italy um and he sees UFOs going back to

2098

01:24:10,790 --> 01:24:09,060

when he was a child as well

2099

01:24:13,250 --> 01:24:10,800

um you know a lot of the stuff because

2100

01:24:16,010 --> 01:24:13,260

he uh looks at it with a religious

2101

01:24:17,149 --> 01:24:16,020

filter a religious glasses on like say

2102

01:24:17,990 --> 01:24:17,159

uh

2103

01:24:19,970 --> 01:24:18,000

um

2104

01:24:22,970 --> 01:24:19,980

a lot of the stuff that he's capturing

2105

01:24:25,490 --> 01:24:22,980

lately are things like crosses in the

2106

01:24:28,130 --> 01:24:25,500

sky rosary beads and stuff like that now

2107

01:24:29,689 --> 01:24:28,140

it whether this is the phenomenon

2108

01:24:32,209 --> 01:24:29,699

adapting

2109

01:24:34,149 --> 01:24:32,219

um to this man or a connection with the

2110

01:24:36,290 --> 01:24:34,159

man and and he's doing this somehow

2111

01:24:38,149 --> 01:24:36,300

through his mind

2112

01:24:40,010 --> 01:24:38,159

um there's so many different questions

2113

01:24:42,470 --> 01:24:40,020

and so many different roads to go down

2114

01:24:44,810 --> 01:24:42,480

with this and you know most of them just

2115

01:24:47,350 --> 01:24:44,820

seem like dead ends unfortunately until

2116

01:24:50,090 --> 01:24:47,360

we can actually

2117

01:24:52,550 --> 01:24:50,100

get the phenomenon itself

2118

01:24:54,410 --> 01:24:52,560

um test it properly share it with the

2119

01:24:56,689 --> 01:24:54,420

world you know we're still going to be

2120

01:24:58,550 --> 01:24:56,699

just talking about it and you know it's

2121

01:25:00,830 --> 01:24:58,560

not going to really go anywhere as far

2122

01:25:02,750 --> 01:25:00,840

as I'm concerned but all I know is that

2123

01:25:04,189 --> 01:25:02,760

nowadays more eyes are on this

2124

01:25:06,770 --> 01:25:04,199

phenomenon than probably ever before

2125

01:25:10,370 --> 01:25:06,780

which is really good yeah yeah it's it's

2126  
01:25:11,689 --> 01:25:10,380  
a good time to be in our business uh for

2127  
01:25:13,669 --> 01:25:11,699  
sure

2128  
01:25:15,590 --> 01:25:13,679  
um and but there's a couple of ways to

2129  
01:25:20,810 --> 01:25:15,600  
look at it

2130  
01:25:23,450 --> 01:25:20,820  
um no matter what you do no matter what

2131  
01:25:25,430 --> 01:25:23,460  
kind of advances we have in science no

2132  
01:25:29,030 --> 01:25:25,440  
matter what kind of photographic or

2133  
01:25:33,290 --> 01:25:29,040  
video proof you have you are still going

2134  
01:25:36,169 --> 01:25:33,300  
to have some idiots out there and right

2135  
01:25:40,149 --> 01:25:36,179  
now right now there are people that

2136  
01:25:44,709 --> 01:25:40,159  
think that the Earth is flat right now

2137  
01:25:49,010 --> 01:25:44,719  
everything we went through right with um

2138  
01:25:53,750 --> 01:25:49,020

Copernicus and Galileo and and and and

2139

01:25:55,910 --> 01:25:53,760

the the greatness of you know their work

2140

01:25:56,649 --> 01:25:55,920

and and what has been presented and

2141

01:25:59,870 --> 01:25:56,659

everything

2142

01:26:04,250 --> 01:25:59,880

satellites and GPS and and photographs

2143

01:26:06,169 --> 01:26:04,260

of you know all the planets in our solar

2144

01:26:07,250 --> 01:26:06,179

system and beyond it everything that we

2145

01:26:12,590 --> 01:26:07,260

every

2146

01:26:17,470 --> 01:26:15,050

you know and it's good to be the same

2147

01:26:21,189 --> 01:26:17,480

thing I think with with E.T

2148

01:26:26,209 --> 01:26:21,199

you're going to stay inside of your lane

2149

01:26:29,629 --> 01:26:26,219

and the more that you try to convince

2150

01:26:31,550 --> 01:26:29,639

somebody of something the stronger their

2151  
01:26:34,129 --> 01:26:31,560  
belief system gets

2152  
01:26:38,510 --> 01:26:34,139  
it doesn't yeah you know what I mean I

2153  
01:26:41,030 --> 01:26:38,520  
I'm uh I'm a very unique individual in

2154  
01:26:43,729 --> 01:26:41,040  
that I have an open mind I change my

2155  
01:26:49,430 --> 01:26:43,739  
mind all the time I change my mind on

2156  
01:26:56,390 --> 01:26:52,669  
even fairies I do and I'm a pretty why

2157  
01:26:59,270 --> 01:26:56,400  
not I'm a pretty hard ass dude all right

2158  
01:27:02,590 --> 01:26:59,280  
I'll punch somebody in the throat I I I

2159  
01:27:04,850 --> 01:27:02,600  
don't give a crap

2160  
01:27:08,030 --> 01:27:04,860  
I'm lucky I'm all the way over here then

2161  
01:27:13,250 --> 01:27:11,450  
that's what I mean I haven't opened mind

2162  
01:27:16,910 --> 01:27:13,260  
and

2163  
01:27:20,350 --> 01:27:16,920

open mind is how we advance

2164

01:27:24,470 --> 01:27:20,360

if Galileo didn't have an open mind

2165

01:27:26,770 --> 01:27:24,480

you know what I mean the sun would be uh

2166

01:27:30,470 --> 01:27:26,780

orbiting the Earth still

2167

01:27:31,970 --> 01:27:30,480

absolutely yeah yeah you're right there

2168

01:27:33,649 --> 01:27:31,980

seems to be certain individuals that

2169

01:27:35,689 --> 01:27:33,659

come throughout history look at Tesla

2170

01:27:38,030 --> 01:27:35,699

and Edison and all these guys they

2171

01:27:39,950 --> 01:27:38,040

change everything whereas most people

2172

01:27:42,709 --> 01:27:39,960

just go through life living their life

2173

01:27:44,390 --> 01:27:42,719

doing day-to-day things and you know we

2174

01:27:46,430 --> 01:27:44,400

wouldn't be anywhere

2175

01:27:50,090 --> 01:27:46,440

um without people like this doing this

2176  
01:27:51,590 --> 01:27:50,100  
stuff for us and people with open minds

2177  
01:27:53,629 --> 01:27:51,600  
um there's too many people with closed

2178  
01:27:55,370 --> 01:27:53,639  
minds unfortunately and going back to

2179  
01:27:57,470 --> 01:27:55,380  
the Skeptics again you know if they only

2180  
01:27:59,330 --> 01:27:57,480  
just had an open mind to this thing not

2181  
01:28:01,490 --> 01:27:59,340  
so open that your brains fall out your

2182  
01:28:04,729 --> 01:28:01,500  
ears but you know open enough to

2183  
01:28:07,129 --> 01:28:04,739  
actually take in new information add it

2184  
01:28:10,070 --> 01:28:07,139  
to what you previously know and then

2185  
01:28:13,729 --> 01:28:10,080  
logically work out an answer or you know

2186  
01:28:15,470 --> 01:28:13,739  
try and come to a point you know at the

2187  
01:28:16,490 --> 01:28:15,480  
end of the day but you know a lot of

2188  
01:28:17,930 --> 01:28:16,500

people don't do that a lot of people

2189

01:28:21,050 --> 01:28:17,940

don't have the critical faculties

2190

01:28:23,390 --> 01:28:21,060

unfortunately or or and also there's the

2191

01:28:24,890 --> 01:28:23,400

whole you know the stigma attached to it

2192

01:28:26,990 --> 01:28:24,900

to you know a lot of people just don't

2193

01:28:29,030 --> 01:28:27,000

want to talk about it and in case

2194

01:28:31,310 --> 01:28:29,040

they're seen as crazy and stuff like

2195

01:28:33,830 --> 01:28:31,320

that and I understand that that's fair

2196

01:28:35,930 --> 01:28:33,840

enough but you know you like you said

2197

01:28:38,090 --> 01:28:35,940

you gotta stick with it you've got to

2198

01:28:39,649 --> 01:28:38,100

stick with what you believe in you can't

2199

01:28:42,530 --> 01:28:39,659

just give up because you give up and

2200

01:28:44,510 --> 01:28:42,540

then you know people just walk all over

2201

01:28:46,250 --> 01:28:44,520

you that's your whole thing gone you you

2202

01:28:48,110 --> 01:28:46,260

gotta yeah you've got to continue doing

2203

01:28:50,149 --> 01:28:48,120

what you're doing and you know people

2204

01:28:52,189 --> 01:28:50,159

speaking this truth have got to keep

2205

01:28:53,390 --> 01:28:52,199

speaking this truth because that's the

2206

01:28:54,830 --> 01:28:53,400

only way it's going to get through to

2207

01:28:57,410 --> 01:28:54,840

people

2208

01:28:58,970 --> 01:28:57,420

um you know as if um they're constantly

2209

01:29:01,850 --> 01:28:58,980

hammered with stuff because people move

2210

01:29:03,770 --> 01:29:01,860

on really quick with things you know and

2211

01:29:05,870 --> 01:29:03,780

um you know the next thing and the next

2212

01:29:08,930 --> 01:29:05,880

thing and you know living life and all

2213

01:29:10,490 --> 01:29:08,940

that kind of stuff and yeah I I just if

2214

01:29:12,950 --> 01:29:10,500

people really knew what was going on

2215

01:29:15,530 --> 01:29:12,960

above their heads and all around us I

2216

01:29:16,970 --> 01:29:15,540

think that yeah just incredible the

2217

01:29:19,370 --> 01:29:16,980

world would be a completely different

2218

01:29:20,810 --> 01:29:19,380

place and I'd say there might even be

2219

01:29:23,209 --> 01:29:20,820

people would be like I'm too scared to

2220

01:29:24,830 --> 01:29:23,219

go Outdoors if they know the truth

2221

01:29:26,990 --> 01:29:24,840

um with all these things around us that

2222

01:29:28,970 --> 01:29:27,000

you can't see and who knows how it would

2223

01:29:30,649 --> 01:29:28,980

affect some people you know

2224

01:29:31,490 --> 01:29:30,659

um whether you've got an open mind or

2225

01:29:33,290 --> 01:29:31,500

not

2226

01:29:35,629 --> 01:29:33,300

right there

2227

01:29:37,550 --> 01:29:35,639

Damien seriously that's a really really

2228

01:29:40,790 --> 01:29:37,560

good point

2229

01:29:43,490 --> 01:29:40,800

um I I gotta tell you I'm not

2230

01:29:46,669 --> 01:29:43,500

I'm not really that scared of things I

2231

01:29:48,050 --> 01:29:46,679

can see right I'm not I'm not scared of

2232

01:29:52,189 --> 01:29:48,060

a gun

2233

01:29:55,209 --> 01:29:52,199

scares the crap out of me a freaking

2234

01:29:59,689 --> 01:29:55,219

ghost right yeah

2235

01:30:03,890 --> 01:29:59,699

you know it's it's the Unseen and

2236

01:30:07,250 --> 01:30:03,900

absolutely if we turn around and we

2237

01:30:09,470 --> 01:30:07,260

start to say well yeah E.T yeah okay yes

2238

01:30:13,310 --> 01:30:09,480

yes and they're here

2239

01:30:16,390 --> 01:30:13,320

and some of them you can't see and

2240

01:30:16,400 --> 01:30:22,310

uh oh

2241

01:30:27,910 --> 01:30:24,169

with um

2242

01:30:32,390 --> 01:30:27,920

The Empire Strikes Back right some crazy

2243

01:30:35,270 --> 01:30:32,400

Imperial Death Star Cruiser just rolling

2244

01:30:37,990 --> 01:30:35,280

into Sydney well you know what okay

2245

01:30:41,870 --> 01:30:38,000

let's figure out how to I like that

2246

01:30:44,930 --> 01:30:41,880

right right make that thing

2247

01:30:48,709 --> 01:30:44,940

um I'm seeing it

2248

01:30:52,430 --> 01:30:48,719

make it invisible now we got a problem

2249

01:30:54,950 --> 01:30:52,440

now yeah yeah you're worried about that

2250

01:30:57,290 --> 01:30:54,960

um it's always the unknown it's the

2251  
01:30:58,370 --> 01:30:57,300  
unknown isn't it that that freaks people

2252  
01:31:01,250 --> 01:30:58,380  
out

2253  
01:31:02,990 --> 01:31:01,260  
um the the whole it's like with um with

2254  
01:31:04,669 --> 01:31:03,000  
serial killers a lot of people have a

2255  
01:31:06,709 --> 01:31:04,679  
Fascination towards serial killers

2256  
01:31:09,169 --> 01:31:06,719  
because people try and understand what's

2257  
01:31:11,149 --> 01:31:09,179  
unknown why do they do this

2258  
01:31:13,430 --> 01:31:11,159  
um how did they do this it's freaky it's

2259  
01:31:15,290 --> 01:31:13,440  
scary you know but people just want to

2260  
01:31:17,510 --> 01:31:15,300  
understand and a lot of people yeah

2261  
01:31:20,209 --> 01:31:17,520  
follow the topic um and the human mind

2262  
01:31:21,950 --> 01:31:20,219  
because of that this is similar it's a

2263  
01:31:24,649 --> 01:31:21,960

similar kind of topic because it's out

2264

01:31:26,209 --> 01:31:24,659

there it's extraordinary it's got to do

2265

01:31:28,310 --> 01:31:26,219

with the human mind

2266

01:31:31,010 --> 01:31:28,320

um it's got to do with our place here on

2267

01:31:32,030 --> 01:31:31,020

Earth why we do things

2268

01:31:33,709 --> 01:31:32,040

um

2269

01:31:36,229 --> 01:31:33,719

you know is what these things have done

2270

01:31:38,870 --> 01:31:36,239

how how they've affected our society

2271

01:31:42,050 --> 01:31:38,880

over over thousands of years quite

2272

01:31:44,990 --> 01:31:42,060

possibly affected um you were mentioning

2273

01:31:46,729 --> 01:31:45,000

that you believe in uh elves and you

2274

01:31:49,650 --> 01:31:46,739

know that kind of stuff

2275

01:31:56,209 --> 01:31:52,209

[Laughter]

2276

01:31:59,629 --> 01:31:56,219

fairies right so with valet's idea on

2277

01:32:03,169 --> 01:31:59,639

fairies like he he believed that um it

2278

01:32:05,750 --> 01:32:03,179

was a a whole a phenomenon related to

2279

01:32:08,810 --> 01:32:05,760

the UFO phenomenon because fairies and

2280

01:32:10,850 --> 01:32:08,820

other things uh people used to see and

2281

01:32:12,709 --> 01:32:10,860

now we're seeing and they have similar

2282

01:32:14,990 --> 01:32:12,719

characteristics like they would abduct

2283

01:32:17,570 --> 01:32:15,000

people they would take people you know

2284

01:32:19,669 --> 01:32:17,580

stuff like this and and then it's the

2285

01:32:22,250 --> 01:32:19,679

same thing with the UFO phenomenon these

2286

01:32:24,350 --> 01:32:22,260

creatures or these beings would take

2287

01:32:26,570 --> 01:32:24,360

people and do things and it's a lot of

2288

01:32:28,490 --> 01:32:26,580

very similar little lines that you know

2289

01:32:30,890 --> 01:32:28,500

you go oh wow okay that could be

2290

01:32:33,890 --> 01:32:30,900

something or you know who really knows

2291

01:32:37,250 --> 01:32:33,900

but I think the phenomenon has appeared

2292

01:32:39,470 --> 01:32:37,260

to us in a certain way over the years

2293

01:32:42,050 --> 01:32:39,480

and it's changed its appearance and

2294

01:32:44,810 --> 01:32:42,060

valet believes it as well that it sort

2295

01:32:48,350 --> 01:32:44,820

of it shows itself to us in a way that's

2296

01:32:51,229 --> 01:32:48,360

just ahead of our own technology so back

2297

01:32:53,030 --> 01:32:51,239

in the you know 1890s and whatnot before

2298

01:32:55,430 --> 01:32:53,040

the blimpse started flying around people

2299

01:32:57,590 --> 01:32:55,440

were seeing these strange airships and

2300

01:33:00,229 --> 01:32:57,600

they were doing bizarre things in the

2301  
01:33:01,790 --> 01:33:00,239  
sky and you know um and then all of a

2302  
01:33:04,010 --> 01:33:01,800  
sudden then we've got different things

2303  
01:33:06,290 --> 01:33:04,020  
we've got flying sources metallic craft

2304  
01:33:08,330 --> 01:33:06,300  
and we've got cigar shaped craft and all

2305  
01:33:10,490 --> 01:33:08,340  
this stuff but there's a core element

2306  
01:33:12,410 --> 01:33:10,500  
that's remained all the way through and

2307  
01:33:14,810 --> 01:33:12,420  
we're talking with the book uh wonders

2308  
01:33:17,750 --> 01:33:14,820  
of the sky and Jacques filet going back

2309  
01:33:19,850 --> 01:33:17,760  
thousands of years is the core

2310  
01:33:22,250 --> 01:33:19,860  
phenomenon which is the balls of light

2311  
01:33:23,930 --> 01:33:22,260  
these have been seen and the cigars

2312  
01:33:26,810 --> 01:33:23,940  
they've been seen for thousands of years

2313  
01:33:28,250 --> 01:33:26,820

and spoken about so I think whatever

2314

01:33:29,870 --> 01:33:28,260

else has come

2315

01:33:31,729 --> 01:33:29,880

um it could be a different phenomenon

2316

01:33:33,530 --> 01:33:31,739

there could be interplanetary visitors

2317

01:33:36,350 --> 01:33:33,540

come and they're the ones that are in

2318

01:33:38,570 --> 01:33:36,360

the flying sources whereas the other

2319

01:33:39,649 --> 01:33:38,580

phenomenon are the balls of light and

2320

01:33:42,649 --> 01:33:39,659

the cigars and all this kind of stuff

2321

01:33:44,330 --> 01:33:42,659

that could be possibly more of a an

2322

01:33:47,209 --> 01:33:44,340

earth thing maybe they're inside the

2323

01:33:49,910 --> 01:33:47,219

earth maybe it's a natural unrecognized

2324

01:33:52,610 --> 01:33:49,920

unknown light like the mystery lights

2325

01:33:54,890 --> 01:33:52,620

are unknown and unrecognized but

2326

01:33:56,270 --> 01:33:54,900

um for what they are but who really

2327

01:33:59,149 --> 01:33:56,280

knows what they are at the end of the

2328

01:34:01,850 --> 01:33:59,159

day all I know is that there's a lot of

2329

01:34:04,310 --> 01:34:01,860

similarities between ghost phenomenon

2330

01:34:06,729 --> 01:34:04,320

and UFO phenomenon which is really

2331

01:34:09,110 --> 01:34:06,739

strange too yeah 100

2332

01:34:10,910 --> 01:34:09,120

I'll be speaking about that in haunted

2333

01:34:12,350 --> 01:34:10,920

Skies coming up as well that's what the

2334

01:34:14,950 --> 01:34:12,360

documentary's about is the connection

2335

01:34:18,050 --> 01:34:14,960

between I've come up with about 22 23

2336

01:34:19,370 --> 01:34:18,060

pretty solid connections between the

2337

01:34:22,550 --> 01:34:19,380

phenomenon which is really really

2338

01:34:24,470 --> 01:34:22,560

strange and there's a lot of an analogy

2339

01:34:26,629 --> 01:34:24,480

I like to use as if you're a Ghost

2340

01:34:28,129 --> 01:34:26,639

Hunter and you see a ball of light in

2341

01:34:30,290 --> 01:34:28,139

your home you're more than likely to

2342

01:34:32,450 --> 01:34:30,300

call it a ghost if you're a farmer and

2343

01:34:34,070 --> 01:34:32,460

you see a ball of light on your farm or

2344

01:34:36,470 --> 01:34:34,080

above your farm you're going to call it

2345

01:34:39,350 --> 01:34:36,480

a Min light or a mystery light and if

2346

01:34:40,970 --> 01:34:39,360

you're a ufologist or a UFO Hunter and

2347

01:34:42,350 --> 01:34:40,980

you see the same ball of light in the

2348

01:34:44,990 --> 01:34:42,360

sky are you going to call it a UFO

2349

01:34:47,330 --> 01:34:45,000

there's a good chance and a good

2350

01:34:49,310 --> 01:34:47,340

possibility that these things are all

2351  
01:34:51,169 --> 01:34:49,320  
connected in this because they're giving

2352  
01:34:53,390 --> 01:34:51,179  
off the same kind of thing they're

2353  
01:34:55,010 --> 01:34:53,400  
attracted to people they both affect the

2354  
01:34:57,310 --> 01:34:55,020  
Earth's magnetic field when they appear

2355  
01:35:00,229 --> 01:34:57,320  
and disappear at will they appear in

2356  
01:35:02,450 --> 01:35:00,239  
sometimes in the same way orbs of light

2357  
01:35:05,689 --> 01:35:02,460  
doing bizarre things floating through

2358  
01:35:07,310 --> 01:35:05,699  
walls and that there's so many strange

2359  
01:35:09,470 --> 01:35:07,320  
little connections and they seem to

2360  
01:35:12,950 --> 01:35:09,480  
follow people as well they're strange

2361  
01:35:14,149 --> 01:35:12,960  
smells associated with them uh there's a

2362  
01:35:15,350 --> 01:35:14,159  
whole bunch of different things even

2363  
01:35:18,770 --> 01:35:15,360

little things

2364

01:35:21,169 --> 01:35:18,780

um you know so there's some strange

2365

01:35:25,189 --> 01:35:21,179

things out there and possibilities but

2366

01:35:26,530 --> 01:35:25,199

the reason at let me jump in let me jump

2367

01:35:29,450 --> 01:35:26,540

in for a second yeah

2368

01:35:33,890 --> 01:35:29,460

is one of the best examples we have of

2369

01:35:35,689 --> 01:35:33,900

that right and and when acts of the case

2370

01:35:38,810 --> 01:35:35,699

of Fatima

2371

01:35:41,709 --> 01:35:38,820

uh tell us a UFO

2372

01:35:45,709 --> 01:35:41,719

that was a UFO they encountered

2373

01:35:48,110 --> 01:35:45,719

absolutely human being now the kids are

2374

01:35:50,470 --> 01:35:48,120

religious you know they have religious

2375

01:35:55,310 --> 01:35:50,480

upbringing and suddenly it's mother Mary

2376

01:35:57,729 --> 01:35:55,320

and it's listen to the descriptions of

2377

01:36:01,669 --> 01:35:57,739

what was going on in the sky

2378

01:36:04,850 --> 01:36:01,679

and uh you know tens of thousands of

2379

01:36:08,149 --> 01:36:04,860

people were watching this and I I'm

2380

01:36:13,810 --> 01:36:08,159

telling you right now it was a freaking

2381

01:36:20,209 --> 01:36:18,229

yeah yeah and you know and straight to

2382

01:36:22,629 --> 01:36:20,219

the convent you know and everybody

2383

01:36:27,350 --> 01:36:22,639

becomes nuns and

2384

01:36:30,250 --> 01:36:27,360

and they make it uh now what is wrong if

2385

01:36:34,490 --> 01:36:30,260

if you take the Fatima story

2386

01:36:38,689 --> 01:36:34,500

just take it and just flip it over and

2387

01:36:41,689 --> 01:36:38,699

and and interchange a few words and

2388

01:36:43,850 --> 01:36:41,699

marry this figure right that they went

2389

01:36:46,910 --> 01:36:43,860

out and met in the weeds

2390

01:36:50,510 --> 01:36:46,920

make her a time traveler

2391

01:36:52,430 --> 01:36:50,520

right from the future right yeah you

2392

01:36:55,129 --> 01:36:52,440

don't have to be the mother or wife of

2393

01:36:56,870 --> 01:36:55,139

the baby Jesus or whatever it doesn't

2394

01:37:00,970 --> 01:36:56,880

have to be any of that

2395

01:37:04,970 --> 01:37:00,980

yeah something else all together

2396

01:37:07,970 --> 01:37:04,980

and but it it's going to be inside of

2397

01:37:10,370 --> 01:37:07,980

your belief system I I totally agree uh

2398

01:37:12,470 --> 01:37:10,380

with you but here's the thing

2399

01:37:14,930 --> 01:37:12,480

um and I can't wait for haunted Skies to

2400

01:37:20,330 --> 01:37:16,850

it says today

2401  
01:37:22,490 --> 01:37:20,340  
if they want to talk to us about the

2402  
01:37:25,850 --> 01:37:22,500  
Multiverse

2403  
01:37:28,850 --> 01:37:25,860  
um about parallel worlds about 11

2404  
01:37:31,370 --> 01:37:28,860  
Dimensions uh talk to us about String

2405  
01:37:33,430 --> 01:37:31,380  
Theory or entanglement

2406  
01:37:37,450 --> 01:37:33,440  
dark matter

2407  
01:37:40,070 --> 01:37:37,460  
and dark energy yeah

2408  
01:37:41,990 --> 01:37:40,080  
are they talking about ghosts are they

2409  
01:37:44,209 --> 01:37:42,000  
talking about the Paranormal they don't

2410  
01:37:46,370 --> 01:37:44,219  
want to admit it they don't want to

2411  
01:37:48,830 --> 01:37:46,380  
admit to Consciousness they don't want

2412  
01:37:50,350 --> 01:37:48,840  
to admit to this or but it certainly

2413  
01:37:52,910 --> 01:37:50,360

sounds like they're talking about

2414

01:37:55,870 --> 01:37:52,920

inter-dimensional time travelers to me

2415

01:38:02,030 --> 01:37:58,970

absolutely absolutely now you hit the

2416

01:38:04,070 --> 01:38:02,040

nail on the head there um and a lot of

2417

01:38:05,149 --> 01:38:04,080

what I'm going into in haunted Skies as

2418

01:38:07,610 --> 01:38:05,159

well

2419

01:38:09,890 --> 01:38:07,620

um I believe that they are coming from

2420

01:38:12,590 --> 01:38:09,900

the same place a different phenomenon

2421

01:38:14,629 --> 01:38:12,600

especially the core phenomenon um not so

2422

01:38:17,209 --> 01:38:14,639

much the Flying Saucer phenomenon but

2423

01:38:19,910 --> 01:38:17,219

the core ball of light phenomenon the

2424

01:38:22,970 --> 01:38:19,920

Poltergeist the ghost phenomenon because

2425

01:38:25,090 --> 01:38:22,980

whenever they cross over into

2426

01:38:27,290 --> 01:38:25,100

our

2427

01:38:29,750 --> 01:38:27,300

Universal Multiverse whatever the case

2428

01:38:31,850 --> 01:38:29,760

is they they leave the same signatures

2429

01:38:33,950 --> 01:38:31,860

and they cross over in the same way and

2430

01:38:36,830 --> 01:38:33,960

they disappear and go back in the same

2431

01:38:39,649 --> 01:38:36,840

way into the same area leaving virtually

2432

01:38:41,750 --> 01:38:39,659

exactly the same signature

2433

01:38:43,970 --> 01:38:41,760

um and intensity uh breaking the

2434

01:38:46,490 --> 01:38:43,980

magnetic field in exactly the same way

2435

01:38:49,129 --> 01:38:46,500

and

2436

01:38:51,229 --> 01:38:49,139

it's just yeah there's definitely a

2437

01:38:52,910 --> 01:38:51,239

connection there and I one of my

2438

01:38:55,430 --> 01:38:52,920

theories that I'll be touching on in

2439

01:38:56,930 --> 01:38:55,440

haunted Skies is that I believe that

2440

01:38:58,430 --> 01:38:56,940

where they're coming from and what

2441

01:39:01,610 --> 01:38:58,440

scientists know as dark matter which

2442

01:39:03,590 --> 01:39:01,620

what makes up 90 of the universe unseen

2443

01:39:05,270 --> 01:39:03,600

we don't know what it is it's heavy you

2444

01:39:07,010 --> 01:39:05,280

know we can weigh it measure it

2445

01:39:10,729 --> 01:39:07,020

mathematically or whatnot we just can't

2446

01:39:13,310 --> 01:39:10,739

see it but I believe that the phenomenon

2447

01:39:16,189 --> 01:39:13,320

is coming from there and then Crossing

2448

01:39:17,629 --> 01:39:16,199

back over into the dark matter which is

2449

01:39:18,830 --> 01:39:17,639

what we can't see

2450

01:39:19,970 --> 01:39:18,840

um and that's where I believe they're

2451

01:39:21,830 --> 01:39:19,980

coming from they're not coming from

2452

01:39:24,770 --> 01:39:21,840

distant planets they're coming from

2453

01:39:26,870 --> 01:39:24,780

right next to us right around us at the

2454

01:39:29,629 --> 01:39:26,880

same time and crossing over and then

2455

01:39:31,850 --> 01:39:29,639

going back there whenever they want to

2456

01:39:34,490 --> 01:39:31,860

um you know and I just find it strange

2457

01:39:37,250 --> 01:39:34,500

too that they'd come here from wherever

2458

01:39:39,890 --> 01:39:37,260

and then crash their craft that that

2459

01:39:41,570 --> 01:39:39,900

always kind of rang strange for me I

2460

01:39:43,910 --> 01:39:41,580

don't have problems with that

2461

01:39:46,070 --> 01:39:43,920

you know why I don't know

2462

01:39:47,750 --> 01:39:46,080

because we're humans we crashed stuff

2463

01:39:49,070 --> 01:39:47,760

all the time so yeah I wouldn't surprise

2464

01:39:53,810 --> 01:39:49,080

you

2465

01:40:01,610 --> 01:39:56,770

the last two or three trips to the Moon

2466

01:40:04,610 --> 01:40:01,620

ended really badly and here you know

2467

01:40:05,750 --> 01:40:04,620

we're trying to get to Mars right what

2468

01:40:08,870 --> 01:40:05,760

do we do

2469

01:40:13,129 --> 01:40:08,880

we cover stuff with balloons and just

2470

01:40:17,149 --> 01:40:13,139

bounce it off we crash it intentionally

2471

01:40:20,090 --> 01:40:17,159

and let it bounce uh you know your ball

2472

01:40:22,250 --> 01:40:20,100

because uh we can't figure out that

2473

01:40:24,950 --> 01:40:22,260

atmosphere or how to get through it so

2474

01:40:27,890 --> 01:40:24,960

when somebody makes that argument with

2475

01:40:30,910 --> 01:40:27,900

me well mainly cross the vastness of

2476

01:40:34,850 --> 01:40:30,920

space and then

2477

01:40:37,310 --> 01:40:34,860

they crash well yeah they don't know you

2478

01:40:39,590 --> 01:40:37,320

know they come through here and and

2479

01:40:43,729 --> 01:40:39,600

they're expecting something else you

2480

01:40:46,610 --> 01:40:43,739

know or yeah we're shooting Radars at it

2481

01:40:48,110 --> 01:40:46,620

right well that's yeah that's what I was

2482

01:40:50,209 --> 01:40:48,120

going to say um that was one of the

2483

01:40:51,410 --> 01:40:50,219

theories wasn't it that Radars were

2484

01:40:54,229 --> 01:40:51,420

bringing them down

2485

01:40:56,209 --> 01:40:54,239

um back in the early days why not why

2486

01:40:58,189 --> 01:40:56,219

not and they weren't expecting it now

2487

01:40:59,870 --> 01:40:58,199

they know yeah

2488

01:41:01,310 --> 01:40:59,880

I get around it but

2489

01:41:04,070 --> 01:41:01,320

it caught him by

2490

01:41:06,169 --> 01:41:04,080

right and maybe they've upgraded their

2491

01:41:09,770 --> 01:41:06,179

craft now and so that they won't be any

2492

01:41:11,689 --> 01:41:09,780

more crashes so or like I said we hardly

2493

01:41:13,370 --> 01:41:11,699

ever see these flying sources anymore

2494

01:41:15,290 --> 01:41:13,380

they're they're just I think they make

2495

01:41:16,850 --> 01:41:15,300

up about two to three percent of the

2496

01:41:20,450 --> 01:41:16,860

reports that I've had over the last

2497

01:41:22,910 --> 01:41:20,460

decade from people around the world but

2498

01:41:25,490 --> 01:41:22,920

um what I've noticed which is strange

2499

01:41:26,770 --> 01:41:25,500

your country has the triangles where we

2500

01:41:30,229 --> 01:41:26,780

don't

2501

01:41:33,050 --> 01:41:30,239

uh well no Belgium's had a couple but

2502

01:41:34,189 --> 01:41:33,060

let me say this yeah yeah let me say

2503

01:41:38,930 --> 01:41:34,199

this

2504

01:41:42,229 --> 01:41:38,940

um uh I'm not gonna waste time on the

2505

01:41:44,450 --> 01:41:42,239

show telling the entire story but um I

2506

01:41:45,310 --> 01:41:44,460

was with a group of people middle of the

2507

01:41:48,050 --> 01:41:45,320

day

2508

01:41:50,510 --> 01:41:48,060

and uh which touches upon what you had

2509

01:41:52,250 --> 01:41:50,520

said earlier about not being able to

2510

01:41:55,070 --> 01:41:52,260

photograph you can't get to a camera

2511

01:41:57,350 --> 01:41:55,080

quick enough right okay so I'm outside

2512

01:41:58,910 --> 01:41:57,360

got 30 people around me we're goofing

2513

01:42:01,490 --> 01:41:58,920

around we're having a good time we're

2514

01:42:03,350 --> 01:42:01,500

out in the woods and I got a big set of

2515

01:42:05,930 --> 01:42:03,360

binoculars I'm looking at this mountain

2516

01:42:08,209 --> 01:42:05,940

this mountain is about 14 miles away

2517

01:42:10,729 --> 01:42:08,219

binoculars are on a tripod and I'm

2518

01:42:14,570 --> 01:42:10,739

looking at Birds I'm literally bird

2519

01:42:17,390 --> 01:42:14,580

watching right okay and from behind this

2520

01:42:19,070 --> 01:42:17,400

mountain peak that is way off in the

2521

01:42:23,750 --> 01:42:19,080

distance this

2522

01:42:25,010 --> 01:42:23,760

freaking thing it's about 500 feet tall

2523

01:42:33,350 --> 01:42:25,020

and it's

2524

01:42:37,209 --> 01:42:33,360

round circle

2525

01:42:41,629 --> 01:42:37,219

uh silver and it was like still a silver

2526

01:42:43,250 --> 01:42:41,639

like aluminum it wasn't shiny on the top

2527

01:42:47,090 --> 01:42:43,260

of them but anyway so it's going like

2528

01:42:49,609 --> 01:42:47,100

and it's giant it's huge and it comes

2529

01:42:51,950 --> 01:42:49,619

out from behind the mountain not in

2530

01:42:53,209 --> 01:42:51,960

front of it not from the side and goes

2531

01:42:56,030 --> 01:42:53,219

through it's the middle of the day it's

2532

01:42:59,109 --> 01:42:56,040

a blue sky okay

2533

01:43:02,629 --> 01:42:59,119

I have a heart attack and I stand wow

2534

01:43:05,629 --> 01:43:02,639

wow I cannot believe what I'm seeing and

2535

01:43:07,790 --> 01:43:05,639

it's really slow not a cloud in the sky

2536

01:43:10,189 --> 01:43:07,800

and it's spinning and it's going like

2537

01:43:12,070 --> 01:43:10,199

this and I'm thinking okay we're gonna

2538

01:43:15,649 --> 01:43:12,080

get to see this for a couple of hours

2539

01:43:18,109 --> 01:43:15,659

and I jump up and I'm yelling

2540

01:43:22,570 --> 01:43:18,119

video video video video pictures

2541

01:43:25,490 --> 01:43:22,580

pictures oh I'm losing my mind

2542

01:43:27,850 --> 01:43:25,500

it disappeared

2543

01:43:30,350 --> 01:43:27,860

[Laughter]

2544

01:43:31,370 --> 01:43:30,360

the whole thing only lasted about 10

2545

01:43:33,830 --> 01:43:31,380

seconds

2546

01:43:36,169 --> 01:43:33,840

and oh wow I thought we were going to

2547

01:43:39,770 --> 01:43:36,179

see it you know go across the sky

2548

01:43:43,010 --> 01:43:39,780

forever it was going really slow and

2549

01:43:45,350 --> 01:43:43,020

um and so the video and I could play you

2550

01:43:48,649 --> 01:43:45,360

the video uh one of the videos that I

2551  
01:43:49,609 --> 01:43:48,659  
have of us yelling and screaming about

2552  
01:43:52,430 --> 01:43:49,619  
it

2553  
01:43:53,629 --> 01:43:52,440  
but the person pointing in the right

2554  
01:43:58,669 --> 01:43:53,639  
direction

2555  
01:44:00,950 --> 01:43:58,679  
right all right wow where they were so

2556  
01:44:03,350 --> 01:44:00,960  
but that's not the point you can hear

2557  
01:44:05,149 --> 01:44:03,360  
everybody describing

2558  
01:44:08,030 --> 01:44:05,159  
the object

2559  
01:44:11,629 --> 01:44:08,040  
and then you hear somebody say it

2560  
01:44:13,310 --> 01:44:11,639  
disappeared it phased out it's gone I

2561  
01:44:16,750 --> 01:44:13,320  
couldn't believe it I couldn't believe

2562  
01:44:20,090 --> 01:44:16,760  
it and we we didn't have 15 seconds

2563  
01:44:22,250 --> 01:44:20,100

do you believe that that was because you

2564

01:44:25,250 --> 01:44:22,260

said video get the video and that it was

2565

01:44:28,910 --> 01:44:25,260

like they knew do you believe it man I I

2566

01:44:29,990 --> 01:44:28,920

think about that incident every single

2567

01:44:33,290 --> 01:44:30,000

day

2568

01:44:36,790 --> 01:44:33,300

I can imagine yeah I have you know it

2569

01:44:39,290 --> 01:44:36,800

was the Holy Grail of the Holy Grails

2570

01:44:41,149 --> 01:44:39,300

literally the Independence Day thing

2571

01:44:44,209 --> 01:44:41,159

that you're talking about

2572

01:44:47,570 --> 01:44:44,219

yeah that's incredible you see something

2573

01:44:49,189 --> 01:44:47,580

like that it wasn't a flying saucer it

2574

01:44:51,709 --> 01:44:49,199

wasn't there it wasn't zipping around it

2575

01:44:54,590 --> 01:44:51,719

wasn't ray guns it wasn't this it wasn't

2576

01:44:59,930 --> 01:44:54,600

trying it was it was a flying can of

2577

01:45:02,510 --> 01:45:00,830

um

2578

01:45:05,390 --> 01:45:02,520

and and I didn't

2579

01:45:07,129 --> 01:45:05,400

I did phase out everybody else did they

2580

01:45:09,890 --> 01:45:07,139

were you know looking at it and talking

2581

01:45:12,470 --> 01:45:09,900

about it I jumped back on the binoculars

2582

01:45:15,070 --> 01:45:12,480

and I was trying to chase it back down

2583

01:45:19,510 --> 01:45:15,080

when somebody said it phased out

2584

01:45:24,050 --> 01:45:23,149

and in the middle of the sky this is

2585

01:45:27,530 --> 01:45:24,060

gone

2586

01:45:31,430 --> 01:45:27,540

so yeah just like that yeah you know and

2587

01:45:34,430 --> 01:45:31,440

I I sounds about right yeah well and and

2588

01:45:37,310 --> 01:45:34,440

here's I've seen the plasma stuff I've

2589

01:45:40,790 --> 01:45:37,320

seen the the the balls of light I've

2590

01:45:43,550 --> 01:45:40,800

seen so much of that and uh every day I

2591

01:45:46,729 --> 01:45:43,560

live out here in the desert like you

2592

01:45:50,209 --> 01:45:46,739

um and I I see crazy stuff I do I do

2593

01:45:53,870 --> 01:45:50,219

but the daytime physical craft

2594

01:45:55,550 --> 01:45:53,880

before we say you know and I I agree

2595

01:45:57,109 --> 01:45:55,560

with people we don't have the sightings

2596

01:45:58,850 --> 01:45:57,119

that we used to have

2597

01:46:02,090 --> 01:45:58,860

but I did

2598

01:46:05,330 --> 01:46:02,100

and I can't explain it you know and so

2599

01:46:08,209 --> 01:46:05,340

this this is what causes me and you uh

2600

01:46:10,669 --> 01:46:08,219

Damian I'm gonna chase this down I want

2601  
01:46:13,850 --> 01:46:10,679  
to know what what I I want I want

2602  
01:46:15,250 --> 01:46:13,860  
answers I I can't explain it I don't

2603  
01:46:17,870 --> 01:46:15,260  
know what I saw

2604  
01:46:20,090 --> 01:46:17,880  
you know I'm pretty damn sure it wasn't

2605  
01:46:21,950 --> 01:46:20,100  
us you're a man you're a man off to my

2606  
01:46:25,510 --> 01:46:21,960  
own heart that's for sure

2607  
01:46:28,370 --> 01:46:25,520  
you know you know um I told Nick

2608  
01:46:31,550 --> 01:46:28,380  
I had Mick West on the show a couple of

2609  
01:46:34,609 --> 01:46:31,560  
weeks ago all right and uh I gotta say

2610  
01:46:36,709 --> 01:46:34,619  
uh most people would never say this I

2611  
01:46:38,109 --> 01:46:36,719  
love Mick West

2612  
01:46:40,970 --> 01:46:38,119  
um

2613  
01:46:42,890 --> 01:46:40,980

he well no I don't think he's great I

2614

01:46:45,290 --> 01:46:42,900

just love the guy no I mean he's far

2615

01:46:47,629 --> 01:46:45,300

from great but but no we need we need

2616

01:46:50,510 --> 01:46:47,639

someone like him is what I mean nobody

2617

01:46:52,550 --> 01:46:50,520

like him that's exactly my point and he

2618

01:46:55,250 --> 01:46:52,560

will stick to his guns

2619

01:46:58,669 --> 01:46:55,260

um yeah so I tell Mick West this story

2620

01:47:03,470 --> 01:46:58,679

right I'm like now would you mean maybe

2621

01:47:06,169 --> 01:47:03,480

maybe it was a kite a what maybe it was

2622

01:47:11,330 --> 01:47:06,179

this maybe it was just this maybe it was

2623

01:47:13,790 --> 01:47:11,340

a dude no it was a 500 foot tall

2624

01:47:16,669 --> 01:47:13,800

spinning beer can

2625

01:47:19,550 --> 01:47:16,679

that's it don't tell me it was anything

2626

01:47:22,729 --> 01:47:19,560

else that I was imagining it or that

2627

01:47:25,910 --> 01:47:22,739

everyone else there was imagining it and

2628

01:47:27,830 --> 01:47:25,920

it disappeared so you know yeah that's

2629

01:47:30,229 --> 01:47:27,840

one of the worst things when someone who

2630

01:47:32,570 --> 01:47:30,239

wasn't there tries to tell you what you

2631

01:47:34,189 --> 01:47:32,580

saw with your own eyes and you know that

2632

01:47:36,709 --> 01:47:34,199

if they were there they would have had

2633

01:47:38,870 --> 01:47:36,719

their mind blown you know but yeah it's

2634

01:47:42,109 --> 01:47:38,880

just trying to convince other people is

2635

01:47:45,050 --> 01:47:42,119

just you know I I gave up on that even

2636

01:47:46,490 --> 01:47:45,060

with um you know or photos and videos

2637

01:47:48,830 --> 01:47:46,500

and stuff like that at the end of the

2638

01:47:50,209 --> 01:47:48,840

day uh it's people have to see it

2639

01:47:52,010 --> 01:47:50,219

themselves like I was saying before to

2640

01:47:53,330 --> 01:47:52,020

believe it and you know at the end of

2641

01:47:55,910 --> 01:47:53,340

the day that that's all you can really

2642

01:47:58,609 --> 01:47:55,920

do people need to see it themselves to

2643

01:48:02,030 --> 01:47:58,619

to believe something's out there anyway

2644

01:48:04,310 --> 01:48:02,040

well see the thing is the Midwest of the

2645

01:48:09,250 --> 01:48:04,320

world you know the Michael shermers

2646

01:48:16,790 --> 01:48:12,890

doesn't have any friends and and Michael

2647

01:48:20,390 --> 01:48:16,800

Shermer nice guy and everything but the

2648

01:48:22,550 --> 01:48:20,400

skeptical world is a very lonely you

2649

01:48:25,310 --> 01:48:22,560

know I'm just gonna say it's a shitty

2650

01:48:28,010 --> 01:48:25,320

existence but here's the thing with that

2651

01:48:32,629 --> 01:48:28,020

all right when

2652

01:48:35,390 --> 01:48:32,639

um when you are doing what you do you're

2653

01:48:37,970 --> 01:48:35,400

doing it for the sport

2654

01:48:40,970 --> 01:48:37,980

I I think Mick West knows that there's

2655

01:48:44,450 --> 01:48:40,980

UFOs visiting this planet but that's not

2656

01:48:47,570 --> 01:48:44,460

what he's about he just wants to argue

2657

01:48:50,450 --> 01:48:47,580

flat earthers right flat earthers really

2658

01:48:53,629 --> 01:48:50,460

they know the Earth is round they just

2659

01:48:56,570 --> 01:48:53,639

want to bait they just want to see how

2660

01:48:58,250 --> 01:48:56,580

far they can take the argument and you

2661

01:49:02,390 --> 01:48:58,260

know it's the same thing with Michael

2662

01:49:05,570 --> 01:49:02,400

Shermer or the skeptical Society or the

2663

01:49:09,970 --> 01:49:05,580

readers of Skeptics magazine is they are

2664

01:49:13,550 --> 01:49:09,980

into it for the sport you know when you

2665

01:49:16,070 --> 01:49:13,560

debate team in high school right okay we

2666

01:49:19,070 --> 01:49:16,080

got the red team over here blue team

2667

01:49:21,229 --> 01:49:19,080

over here you're on the red team today

2668

01:49:25,250 --> 01:49:21,239

you're going to argue that one plus one

2669

01:49:30,290 --> 01:49:25,260

doesn't equal two You Blue Team One Plus

2670

01:49:31,790 --> 01:49:30,300

One does equal to Mark gets set go well

2671

01:49:34,609 --> 01:49:31,800

that's what you do you know what I mean

2672

01:49:36,530 --> 01:49:34,619

and and now you're off into this and you

2673

01:49:40,010 --> 01:49:36,540

want to say and that's what Skeptics are

2674

01:49:42,109 --> 01:49:40,020

they they just yeah that's true good

2675

01:49:44,629 --> 01:49:42,119

analogy yeah

2676

01:49:47,030 --> 01:49:44,639

yeah that's right I I don't hold

2677

01:49:49,270 --> 01:49:47,040

anything against Mick Mick is debunked

2678

01:49:52,490 --> 01:49:49,280

my stuff and he was right

2679

01:49:56,030 --> 01:49:52,500

I think okay he was right he was right

2680

01:50:00,350 --> 01:49:56,040

you know you know what I'm gonna argue

2681

01:50:03,050 --> 01:50:00,360

back and go no man no uh I'm okay with

2682

01:50:07,189 --> 01:50:03,060

that we need people like that to Center

2683

01:50:08,990 --> 01:50:07,199

us so we just don't know deep end I

2684

01:50:10,430 --> 01:50:09,000

don't wanna yeah

2685

01:50:12,830 --> 01:50:10,440

um I wanted to ask you now that I've

2686

01:50:15,590 --> 01:50:12,840

just I'm gonna get get off my uh

2687

01:50:18,950 --> 01:50:15,600

platform here for a second have you had

2688

01:50:22,370 --> 01:50:21,530

uh with these things no they don't talk

2689

01:50:24,649 --> 01:50:22,380

to me

2690

01:50:25,790 --> 01:50:24,659

I've had they communicate with me in a

2691

01:50:29,050 --> 01:50:25,800

different way

2692

01:50:32,030 --> 01:50:29,060

um how so just by

2693

01:50:33,109 --> 01:50:32,040

well I mentioned before I used to feel

2694

01:50:35,870 --> 01:50:33,119

them

2695

01:50:37,310 --> 01:50:35,880

um I used to feel an intense anxiety and

2696

01:50:39,350 --> 01:50:37,320

I do still do every now and then when

2697

01:50:42,410 --> 01:50:39,360

they're around um but it's not as

2698

01:50:44,270 --> 01:50:42,420

intense as what it used to be but um I

2699

01:50:46,370 --> 01:50:44,280

used to feel that they would connect

2700

01:50:48,530 --> 01:50:46,380

with me in that way um and I'd go out

2701  
01:50:49,970 --> 01:50:48,540  
they'd appear and then do something and

2702  
01:50:51,649 --> 01:50:49,980  
it'll leave me like with a warm feeling

2703  
01:50:54,470 --> 01:50:51,659  
inside but oh hey guys you're still

2704  
01:50:57,350 --> 01:50:54,480  
around and whatever and go inside

2705  
01:50:59,810 --> 01:50:57,360  
um but I don't hear voices I don't hear

2706  
01:51:02,090 --> 01:50:59,820  
words in my head saying hey Damien

2707  
01:51:03,649 --> 01:51:02,100  
you're a starseed you're this you're

2708  
01:51:06,169 --> 01:51:03,659  
that and we're here to do this they

2709  
01:51:08,270 --> 01:51:06,179  
don't talk to me like that so my

2710  
01:51:10,370 --> 01:51:08,280  
communication is more of a non-verbal

2711  
01:51:13,189 --> 01:51:10,380  
communication with them I can feel them

2712  
01:51:16,729 --> 01:51:13,199  
and I feel that they know where I am

2713  
01:51:19,010 --> 01:51:16,739

um well I mean dunny do but I feel like

2714

01:51:21,410 --> 01:51:19,020

they know where I am wherever I am

2715

01:51:23,570 --> 01:51:21,420

wherever I'm in town or not um and you

2716

01:51:26,330 --> 01:51:23,580

know like I said they they show up they

2717

01:51:28,970 --> 01:51:26,340

follow us to talks uh makes partner Mel

2718

01:51:30,830 --> 01:51:28,980

and I you know she seems so many of them

2719

01:51:33,070 --> 01:51:30,840

follow us to presentations to

2720

01:51:36,410 --> 01:51:33,080

conferences here in Australia

2721

01:51:38,570 --> 01:51:36,420

while filming documentaries it's like I

2722

01:51:40,310 --> 01:51:38,580

have this communication with them this

2723

01:51:43,070 --> 01:51:40,320

connection but I don't know what it is

2724

01:51:45,770 --> 01:51:43,080

apart from just seeing them and

2725

01:51:48,590 --> 01:51:45,780

experiencing have them show up whenever

2726

01:51:50,510 --> 01:51:48,600

they do and a lot of times it feels like

2727

01:51:52,669 --> 01:51:50,520

they've been helping me and that's why I

2728

01:51:54,890 --> 01:51:52,679

was thrown back big time you know three

2729

01:51:56,870 --> 01:51:54,900

years ago when I had that incident where

2730

01:51:58,970 --> 01:51:56,880

I found out that I was really sick and

2731

01:52:00,590 --> 01:51:58,980

my bones were like an old woman's and

2732

01:52:03,649 --> 01:52:00,600

all that kind of stuff and I had

2733

01:52:04,850 --> 01:52:03,659

radiation stuff and burns um it kind of

2734

01:52:06,890 --> 01:52:04,860

threw me

2735

01:52:09,649 --> 01:52:06,900

um you know and I actually stopped

2736

01:52:11,750 --> 01:52:09,659

ufology I stopped I got out of it for

2737

01:52:15,050 --> 01:52:11,760

about six to nine months I believe

2738

01:52:17,570 --> 01:52:15,060

because uh it's it you know all of a

2739

01:52:20,149 --> 01:52:17,580

sudden something that I thought was

2740

01:52:22,669 --> 01:52:20,159

helping me to get information or

2741

01:52:24,350 --> 01:52:22,679

evidence is now not helping me it's I've

2742

01:52:26,330 --> 01:52:24,360

just found out that it's actually I've

2743

01:52:27,830 --> 01:52:26,340

got a death sentence from this thing and

2744

01:52:31,490 --> 01:52:27,840

it's killed my dog

2745

01:52:34,129 --> 01:52:31,500

and so it just through everything

2746

01:52:36,830 --> 01:52:34,139

um you know up on up on its head and the

2747

01:52:39,350 --> 01:52:36,840

previous 34 years of what I believed

2748

01:52:41,209 --> 01:52:39,360

about the topic and phenomenon um and

2749

01:52:42,770 --> 01:52:41,219

I've come to discover and so I've delved

2750

01:52:44,870 --> 01:52:42,780

in the last three years into the darker

2751

01:52:46,729 --> 01:52:44,880

side of it and I found there's a lot of

2752

01:52:49,250 --> 01:52:46,739

cases out there that tend to be hushed

2753

01:52:52,669 --> 01:52:49,260

up especially in Brazil there's a lot of

2754

01:52:54,530 --> 01:52:52,679

strange stuff going on in Brazil um I'm

2755

01:52:58,189 --> 01:52:54,540

sure you've heard of the um

2756

01:53:00,169 --> 01:52:58,199

the case um caloriz Brazil the little

2757

01:53:02,090 --> 01:53:00,179

island off colors where they were coming

2758

01:53:04,729 --> 01:53:02,100

out of the Jungle and the water and

2759

01:53:08,109 --> 01:53:04,739

attacking people and stuff like that not

2760

01:53:14,330 --> 01:53:10,129

people would not come out of their

2761

01:53:15,530 --> 01:53:14,340

houses can you uh I mean I mean can you

2762

01:53:20,030 --> 01:53:15,540

imagine

2763

01:53:23,510 --> 01:53:20,040

that the entire town it's actually more

2764

01:53:26,750 --> 01:53:23,520

of a small City but caloris where you're

2765

01:53:28,370 --> 01:53:26,760

so freaked out that the story is if you

2766

01:53:30,950 --> 01:53:28,380

go outside you're going to get blasted

2767

01:53:32,689 --> 01:53:30,960

in the chest right

2768

01:53:35,450 --> 01:53:32,699

yeah

2769

01:53:38,030 --> 01:53:35,460

pretty scary and then it turned around

2770

01:53:42,590 --> 01:53:38,040

oh no they can shoot you through your

2771

01:53:42,600 --> 01:53:46,010

no matter what you do

2772

01:53:50,090 --> 01:53:48,350

imagine that all right that yeah that

2773

01:53:52,250 --> 01:53:50,100

would freaked me out

2774

01:53:54,109 --> 01:53:52,260

that's a scary scary thought and then

2775

01:53:56,270 --> 01:53:54,119

you've got little cases that pop up

2776  
01:53:58,430 --> 01:53:56,280  
every now and then human mutilation

2777  
01:54:00,229 --> 01:53:58,440  
cases now if you look at the cattle

2778  
01:54:02,689 --> 01:54:00,239  
mutilation cases if you believe that

2779  
01:54:04,970 --> 01:54:02,699  
that is a real phenomenon as well that's

2780  
01:54:07,790 --> 01:54:04,980  
not pleasant something coming down and

2781  
01:54:10,970 --> 01:54:07,800  
mutilating cattle something zapping

2782  
01:54:13,189 --> 01:54:10,980  
humans causing two humans to die and

2783  
01:54:15,350 --> 01:54:13,199  
several humans to die from repercussions

2784  
01:54:17,450 --> 01:54:15,360  
from the radiation they suffered in the

2785  
01:54:18,770 --> 01:54:17,460  
next couple of years from that Claris

2786  
01:54:20,510 --> 01:54:18,780  
incident

2787  
01:54:21,770 --> 01:54:20,520  
um you know there was another case in

2788  
01:54:24,169 --> 01:54:21,780

Brazil as well

2789

01:54:26,870 --> 01:54:24,179

um where another guy got zapped and his

2790

01:54:27,770 --> 01:54:26,880

friend and then you know the lead masks

2791

01:54:29,930 --> 01:54:27,780

case

2792

01:54:31,370 --> 01:54:29,940

I believe that was Brazil as well and

2793

01:54:33,050 --> 01:54:31,380

they're up on the hill and they put the

2794

01:54:34,850 --> 01:54:33,060

mask on and there was a paper they found

2795

01:54:37,070 --> 01:54:34,860

and that's one of the most fascinating

2796

01:54:40,189 --> 01:54:37,080

cases because I always wonder what the

2797

01:54:42,830 --> 01:54:40,199

hell what was going on there

2798

01:54:45,709 --> 01:54:42,840

well um we have to we're at the end of

2799

01:54:49,070 --> 01:54:45,719

the show but you touched upon something

2800

01:54:53,030 --> 01:54:49,080

that uh earlier that I think is the most

2801  
01:54:55,669 --> 01:54:53,040  
important uh which is it's not one

2802  
01:54:57,910 --> 01:54:55,679  
single thing that is visiting us it's

2803  
01:55:02,270 --> 01:54:57,920  
not one species it's not one culture

2804  
01:55:06,850 --> 01:55:02,280  
it's infinite it's infinite it's got to

2805  
01:55:08,470 --> 01:55:06,860  
be it you know what I'm gonna Millions

2806  
01:55:12,470 --> 01:55:08,480  
Millions

2807  
01:55:16,129 --> 01:55:12,480  
there are literally trillions of planets

2808  
01:55:19,430 --> 01:55:16,139  
just in our Milky Way trillions does

2809  
01:55:22,010 --> 01:55:19,440  
anybody understand how big of a number a

2810  
01:55:25,370 --> 01:55:22,020  
trillion is you know what if I said that

2811  
01:55:29,570 --> 01:55:25,380  
there were a million planets a million

2812  
01:55:33,350 --> 01:55:29,580  
okay well now now 10

2813  
01:55:36,709 --> 01:55:33,360

000 million how about 100

2814

01:55:38,709 --> 01:55:36,719

000 million right how about numbers are

2815

01:55:41,810 --> 01:55:38,719

just astronomical yeah

2816

01:55:45,770 --> 01:55:41,820

one million million

2817

01:55:47,870 --> 01:55:45,780

are you understanding me everybody so

2818

01:55:51,890 --> 01:55:47,880

who would be interested in this planet

2819

01:55:55,189 --> 01:55:51,900

Who would know about us an awful lot and

2820

01:55:59,350 --> 01:55:55,199

most of us may only be once

2821

01:56:02,149 --> 01:55:59,360

maybe just once they they do drive by

2822

01:56:04,910 --> 01:56:02,159

they check us out and then they're off

2823

01:56:06,590 --> 01:56:04,920

to the next planet and they're checking

2824

01:56:10,129 --> 01:56:06,600

that out because there's a lot more to

2825

01:56:13,609 --> 01:56:10,139

look at and that's maybe keeping an eye

2826

01:56:16,370 --> 01:56:13,619

on us oh this could be like the big

2827

01:56:18,229 --> 01:56:16,380

brother Universal big brother like a TV

2828

01:56:19,070 --> 01:56:18,239

show to them who knows like they're like

2829

01:56:21,530 --> 01:56:19,080

oh

2830

01:56:22,970 --> 01:56:21,540

because we are exciting you know we're

2831

01:56:25,370 --> 01:56:22,980

at war with each other all the time

2832

01:56:27,830 --> 01:56:25,380

we're blowing stuff up we're you know

2833

01:56:30,229 --> 01:56:27,840

it'll be a pretty crazy show uh

2834

01:56:31,850 --> 01:56:30,239

Universal big brother where you know

2835

01:56:33,890 --> 01:56:31,860

look at the crazy humans and what

2836

01:56:35,810 --> 01:56:33,900

they're up to you know

2837

01:56:41,209 --> 01:56:35,820

man we can't go by there Jimmy Church

2838

01:56:45,830 --> 01:56:43,669

watch me in the throat uh uh when you

2839

01:56:50,950 --> 01:56:45,840

see us next all right and uh

2840

01:56:55,129 --> 01:56:50,960

[Laughter]

2841

01:56:57,470 --> 01:56:55,139

when the movie comes out and the next

2842

01:57:00,290 --> 01:56:57,480

one too as well I want to get you back

2843

01:57:03,290 --> 01:57:00,300

on the show I can't wait to see it

2844

01:57:06,530 --> 01:57:03,300

um but uh absolutely thank you my friend

2845

01:57:08,510 --> 01:57:06,540

and and all the best to you and and just

2846

01:57:10,790 --> 01:57:08,520

just thank you for what you do all right

2847

01:57:12,229 --> 01:57:10,800

thank you likewise and thank you too

2848

01:57:13,430 --> 01:57:12,239

thank you so much and thank you for

2849

01:57:15,290 --> 01:57:13,440

having me on the show it's been an

2850

01:57:16,669 --> 01:57:15,300

absolute pleasure thank you so much I

2851  
01:57:18,830 --> 01:57:16,679  
really appreciate it thank you to your

2852  
01:57:20,390 --> 01:57:18,840  
audience as well

2853  
01:57:22,550 --> 01:57:20,400  
can you hear it

2854  
01:57:24,589 --> 01:57:22,560  
they're telling you to go outside and

2855  
01:57:27,109 --> 01:57:24,599  
film I I just heard that right now right

2856  
01:57:29,649 --> 01:57:27,119  
now they're they're above you

2857  
01:57:33,050 --> 01:57:29,659  
oh I got the tingle all right I'm going

2858  
01:57:35,149 --> 01:57:33,060  
perfect timing too it wouldn't surprise

2859  
01:57:37,609 --> 01:57:35,159  
me because I do see him sometimes after

2860  
01:57:38,750 --> 01:57:37,619  
podcast so yeah if I do I'll send you a

2861  
01:57:41,810 --> 01:57:38,760  
picture through

2862  
01:57:44,390 --> 01:57:41,820  
you're the best man have a great day

2863  
01:57:46,970 --> 01:57:44,400

likewise now you take care pleasure

2864

01:57:49,070 --> 01:57:46,980

absolute pleasure thank you perfect show

2865

01:57:51,530 --> 01:57:49,080

thank you so much Jamie and Don Knott

2866

01:57:53,750 --> 01:57:51,540

and look I've got links to all of his

2867

01:57:56,930 --> 01:57:53,760

videos everything is below everything is

2868

01:57:59,390 --> 01:57:56,940

over on our website and we also have it

2869

01:58:01,129 --> 01:57:59,400

throughout social media that was a

2870

01:58:03,470 --> 01:58:01,139

perfect show thank you so much Damian

2871

01:58:06,229 --> 01:58:03,480

behave and be well go shoot me some

2872

01:58:07,910 --> 01:58:06,239

stuff go shoot me some stuff I want to

2873

01:58:11,030 --> 01:58:07,920

remind everybody tomorrow's a very

2874

01:58:13,609 --> 01:58:11,040

important show too as well just like

2875

01:58:16,790 --> 01:58:13,619

tonight tomorrow night John Greenwald is

2876

01:58:19,729 --> 01:58:16,800

going to be here from The Black Vault we

2877

01:58:20,689 --> 01:58:19,739

are going to take David grush front to

2878

01:58:24,410 --> 01:58:20,699

back

2879

01:58:26,330 --> 01:58:24,420

top to bottom to and fro hither and

2880

01:58:28,370 --> 01:58:26,340

tether we're gonna try to figure this

2881

01:58:32,209 --> 01:58:28,380

stuff out tomorrow night with John

2882

01:58:34,729 --> 01:58:32,219

Greenwald Jr so everybody I will see you

2883

01:58:37,810 --> 01:58:34,739

tomorrow night thank you so much thank

2884

01:58:41,089 --> 01:58:37,820

you to Jamie and Dot and Jamie and

2885

01:58:43,129 --> 01:58:41,099

Damian John Not Fade to Black is

2886

01:58:45,649 --> 01:58:43,139

produced by him Jay Palm Renee Newman

2887

01:58:48,410 --> 01:58:45,659

and Michelle free thank you to Dennis

2888

01:58:51,010 --> 01:58:48,420

and Kevin webmaster is Drew the geek

2889

01:58:53,570 --> 01:58:51,020

music Doug Aldrich intro space boys

2890

01:58:55,609 --> 01:58:53,580

spaceboymusic.com fade to black is
