

FADE TO BLACK

with JIMMY CHURCH

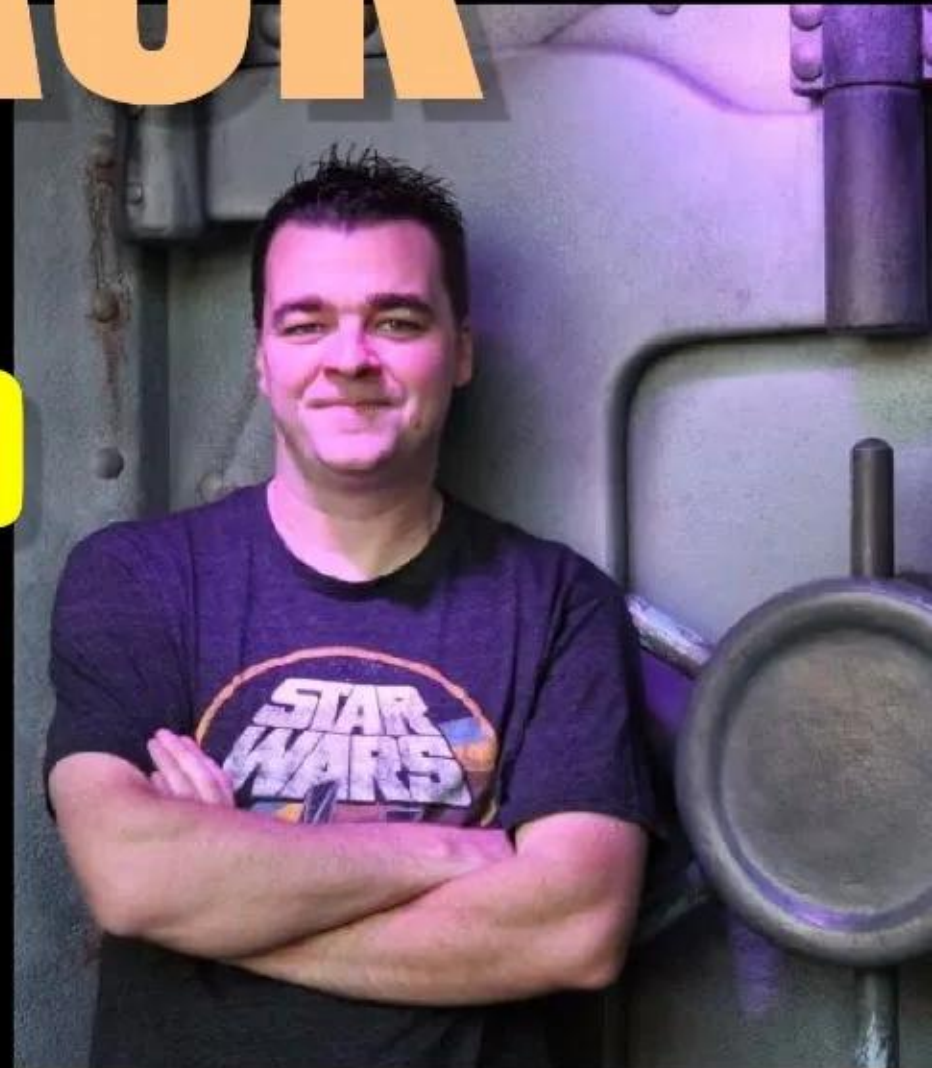

PRESENTS

JOHN GREENEWALD

WHISTLEBLOWER: DAVID GRUSH

THUR JUNE 08 2023 LIVE

700-900PM PT

1
00:00:08,820 --> 00:00:14,310
foreign

2
00:00:14,320 --> 00:00:31,749
[Music]

3
00:00:36,590 --> 00:00:34,370
Air Forces has announced that applying

4
00:00:38,209 --> 00:00:36,600
disc has been found and is now in the

5
00:00:41,209 --> 00:00:38,219
possession of the army

6
00:00:44,930 --> 00:00:41,219
game is great change the game game

7
00:00:48,590 --> 00:00:44,940
changer I occasionally think how quickly

8
00:00:51,950 --> 00:00:48,600
our differences worldwide would vanish

9
00:00:53,220 --> 00:00:51,960
if we were facing an alien threat from

10
00:00:55,150 --> 00:00:53,230
outside this work

11
00:00:55,310 --> 00:00:55,160
[Music]

12
00:00:57,610 --> 00:00:55,320
[Applause]

13
00:01:00,529 --> 00:00:57,620

[Music]

14

00:01:03,410 --> 00:01:00,539

this is Fade to Black with your host

15

00:01:04,089 --> 00:01:03,420

Jimmy Church on the game changer Radio

16

00:01:07,630 --> 00:01:04,099

Network

17

00:01:11,030 --> 00:01:07,640

[Music]

18

00:01:14,469 --> 00:01:11,040

all right good evening Fade to Black how

19

00:01:19,010 --> 00:01:14,479

you doing today's Thursday June 8

20

00:01:20,090 --> 00:01:19,020

2023 and uh yeah yeah I mean church

21

00:01:22,550 --> 00:01:20,100

tonight

22

00:01:26,390 --> 00:01:22,560

oh what a crazy week what a crazy week

23

00:01:29,390 --> 00:01:26,400

tonight John Greenwald Jr of The Black

24

00:01:31,490 --> 00:01:29,400

Vault joins us we're going to be talking

25

00:01:33,670 --> 00:01:31,500

about a lot of things tonight and we're

26

00:01:37,210 --> 00:01:33,680

going to Center stuff around

27

00:01:40,670 --> 00:01:37,220

uh I'm just calling him the UAP

28

00:01:43,310 --> 00:01:40,680

whistleblower David grush we'll be

29

00:01:47,030 --> 00:01:43,320

talking about that tonight and uh trying

30

00:01:50,050 --> 00:01:47,040

to approach things from every angle and

31

00:01:53,690 --> 00:01:50,060

before I go into

32

00:01:57,530 --> 00:01:53,700

uh one of my favorite things uh to do in

33

00:02:02,810 --> 00:01:57,540

the past was to read John greenwald's 15

34

00:02:05,870 --> 00:02:02,820

page CV about how amazing of a life he

35

00:02:08,389 --> 00:02:05,880

has LED and ever since he was six years

36

00:02:11,449 --> 00:02:08,399

old before the internet he started The

37

00:02:14,170 --> 00:02:11,459

Black Vault and did all of that on his

38

00:02:17,510 --> 00:02:14,180

own and created the internet and now

39

00:02:20,990 --> 00:02:17,520

owns the internet the blackfall.com the

40

00:02:24,589 --> 00:02:21,000

links for it are below if you really

41

00:02:27,589 --> 00:02:24,599

want the best reading period the reason

42

00:02:30,470 --> 00:02:27,599

for the internet go to The Black Vault

43

00:02:33,290 --> 00:02:30,480

and the the crazy thing from what I

44

00:02:35,930 --> 00:02:33,300

understand it's all free

45

00:02:38,510 --> 00:02:35,940

welcome back John Greenwald how you

46

00:02:40,070 --> 00:02:38,520

doing sir Junior I'm good I'm good I

47

00:02:41,930 --> 00:02:40,080

think we may have to fact check a couple

48

00:02:43,490 --> 00:02:41,940

things in that intro for next time but

49

00:02:46,130 --> 00:02:43,500

don't worry about it we'll go with it

50

00:02:48,290 --> 00:02:46,140

let's let's rock and roll all right you

51
00:02:50,630 --> 00:02:48,300
were six and a half years old it's it's

52
00:02:53,869 --> 00:02:50,640
nice now it's accurate I know I know I

53
00:02:57,050 --> 00:02:53,879
know I know well you know uh you and I

54
00:03:00,170 --> 00:02:57,060
talk about this a lot but it's really

55
00:03:04,210 --> 00:03:00,180
um a funny story so I'll tell the

56
00:03:10,369 --> 00:03:04,220
abbreviated version back in the day

57
00:03:14,809 --> 00:03:10,379
like before Mosaic right back in the day

58
00:03:18,229 --> 00:03:14,819
I stumbled upon uh The Black Vault and

59
00:03:21,530 --> 00:03:18,239
and I know I know from uh when and where

60
00:03:24,530 --> 00:03:21,540
that happened he must have been weeks

61
00:03:28,130 --> 00:03:24,540
into the website right okay so anyway I

62
00:03:30,050 --> 00:03:28,140
find it's the name that grabbed me and

63
00:03:34,550 --> 00:03:30,060

I'm looking for everything UFO you know

64

00:03:35,809 --> 00:03:34,560

and and I thought to myself I was so

65

00:03:38,210 --> 00:03:35,819

innocent

66

00:03:40,970 --> 00:03:38,220

the police are going to kick down my

67

00:03:42,649 --> 00:03:40,980

front door this is a website that is not

68

00:03:46,970 --> 00:03:42,659

so it's not supposed to be out there

69

00:03:49,070 --> 00:03:46,980

this right here is not legal and I've

70

00:03:50,930 --> 00:03:49,080

been addicted to The Black Vault ever

71

00:03:54,289 --> 00:03:50,940

since of course you know we have become

72

00:03:57,649 --> 00:03:54,299

friends and and and all of that but that

73

00:04:00,470 --> 00:03:57,659

that was now let's think about this for

74

00:04:02,809 --> 00:04:00,480

a second that's only in 96. I was gonna

75

00:04:06,830 --> 00:04:02,819

say almost almost 30 years ago that's

76

00:04:08,390 --> 00:04:06,840

nuts man that's nice I yeah it uh even

77

00:04:10,309 --> 00:04:08,400

in the beginning days didn't even have

78

00:04:13,009 --> 00:04:10,319

the Black Vault name but it came shortly

79

00:04:16,430 --> 00:04:13,019

after but I had one of those crazy you

80

00:04:19,789 --> 00:04:16,440

know total 1990s website with flashy

81

00:04:22,370 --> 00:04:19,799

graphics and stuff and UFOs was just a a

82

00:04:24,950 --> 00:04:22,380

subsection of a website that you know

83

00:04:26,270 --> 00:04:24,960

one person a year would look at

84

00:04:27,770 --> 00:04:26,280

um and then it just kind of grew from

85

00:04:30,950 --> 00:04:27,780

there you know that one little section

86

00:04:33,290 --> 00:04:30,960

but yeah 96 is when I when I started it

87

00:04:34,390 --> 00:04:33,300

and I keep doing documents in by hand

88

00:04:37,070 --> 00:04:34,400

man

89

00:04:40,490 --> 00:04:37,080

right right right right I can just

90

00:04:42,290 --> 00:04:40,500

picture your mom John dinner's ready are

91

00:04:45,850 --> 00:04:42,300

you gonna come out of your room in a

92

00:04:55,249 --> 00:04:51,710

I just got a some kind of uh uh uh what

93

00:04:57,290 --> 00:04:55,259

what what's the ancient scanner you know

94

00:04:58,670 --> 00:04:57,300

something that's the thing I didn't even

95

00:05:01,610 --> 00:04:58,680

have a scanner back in the day I would

96

00:05:04,010 --> 00:05:01,620

literally type it in by hand uh and that

97

00:05:05,450 --> 00:05:04,020

I think I got to I forget what it was it

98

00:05:07,969 --> 00:05:05,460

was under a thousand pages but I mean

99

00:05:10,210 --> 00:05:07,979

hundreds of pages that that typed in by

100

00:05:13,430 --> 00:05:10,220

hand and I would figure out like a a

101
00:05:14,629 --> 00:05:13,440
what they call ASCII code not not to age

102
00:05:16,730 --> 00:05:14,639
myself because nobody really knows what

103
00:05:19,249 --> 00:05:16,740
ASCII code is anymore but I would figure

104
00:05:21,170 --> 00:05:19,259
out the symbols to denote blacked out

105
00:05:24,110 --> 00:05:21,180
document you know blacked out parts of

106
00:05:26,450 --> 00:05:24,120
the document and other symbols for

107
00:05:28,430 --> 00:05:26,460
letters you couldn't read you know in a

108
00:05:30,350 --> 00:05:28,440
1940s document it was crazy back then

109
00:05:32,689 --> 00:05:30,360
man it was a it was a whole different

110
00:05:35,150 --> 00:05:32,699
wild west on the internet I cannot

111
00:05:38,810 --> 00:05:35,160
believe you just dropped ASCII on this

112
00:05:40,010 --> 00:05:38,820
on the show watch my language that was

113
00:05:45,050 --> 00:05:40,020

oh

114

00:05:47,749 --> 00:05:45,060

um here's uh we have so much to cover

115

00:05:51,590 --> 00:05:47,759

tonight and

116

00:05:56,210 --> 00:05:51,600

um and I'm going to start here as as as

117

00:05:58,430 --> 00:05:56,220

as nutty as uh David grush is the story

118

00:06:02,029 --> 00:05:58,440

um uh not David

119

00:06:04,870 --> 00:06:02,039

um the historian is crazy as it is

120

00:06:08,749 --> 00:06:04,880

it's not as crazy

121

00:06:11,749 --> 00:06:08,759

as 10-foot aliens crash landing in Las

122

00:06:15,230 --> 00:06:11,759

Vegas asking where Mick West's house is

123

00:06:18,650 --> 00:06:15,240

that's pretty nuts and so when that news

124

00:06:23,330 --> 00:06:18,660

the bad news broke

125

00:06:25,870 --> 00:06:23,340

um what is is is is the timing of uh are

126

00:06:31,070 --> 00:06:25,880

are we to expect

127

00:06:33,710 --> 00:06:31,080

UFO alien contact Centric news from here

128

00:06:34,909 --> 00:06:33,720

on out is this the world we we live in

129

00:06:38,150 --> 00:06:34,919

now

130

00:06:40,490 --> 00:06:38,160

from the Vegas case because I'll preface

131

00:06:41,870 --> 00:06:40,500

it with saying I have not had time to

132

00:06:44,330 --> 00:06:41,880

look at it so I'm not going to sit here

133

00:06:46,850 --> 00:06:44,340

and either say yes this is

134

00:06:48,710 --> 00:06:46,860

um yet another explosive story nor will

135

00:06:52,670 --> 00:06:48,720

I say oh my gosh we need to dismiss it

136

00:06:54,770 --> 00:06:52,680

uh so so that aside what I can speak to

137

00:06:57,230 --> 00:06:54,780

more broadly and and you can look back

138

00:07:00,230 --> 00:06:57,240

at the history of this when a major UFO

139

00:07:02,090 --> 00:07:00,240

story breaks like the major ones and

140

00:07:04,430 --> 00:07:02,100

they go viral and they go all around the

141

00:07:06,650 --> 00:07:04,440

world generally within the the next

142

00:07:08,570 --> 00:07:06,660

couple of days as that story starts to

143

00:07:10,550 --> 00:07:08,580

die off from the news cycle obviously

144

00:07:12,290 --> 00:07:10,560

this is a huge one but it starts to die

145

00:07:15,830 --> 00:07:12,300

off you see other ones right they try

146

00:07:18,170 --> 00:07:15,840

and ride that wave a little bit and it

147

00:07:19,909 --> 00:07:18,180

really is a fascinating thing to watch

148

00:07:22,550 --> 00:07:19,919

the media and how it operates and it's

149

00:07:24,230 --> 00:07:22,560

not just with UFOs but other Hot Topic

150

00:07:25,969 --> 00:07:24,240

stories as well where they try and ride

151

00:07:27,170 --> 00:07:25,979

that wave now I'm not saying that that's

152

00:07:29,570 --> 00:07:27,180

what they're doing in this particular

153

00:07:31,909 --> 00:07:29,580

story so before everybody sends me hate

154

00:07:34,070 --> 00:07:31,919

mail I just I haven't looked into this

155

00:07:36,110 --> 00:07:34,080

case yet but I think I joked about it

156

00:07:38,870 --> 00:07:36,120

with my wife just yesterday or the day

157

00:07:41,510 --> 00:07:38,880

before and because she was talking uh

158

00:07:42,950 --> 00:07:41,520

about the the grush story and she heard

159

00:07:44,210 --> 00:07:42,960

about it from friends at work that are

160

00:07:46,010 --> 00:07:44,220

really into the topic what does your

161

00:07:47,809 --> 00:07:46,020

husband think and you know that kind of

162

00:07:49,550 --> 00:07:47,819

stuff and in the course of that

163

00:07:51,409 --> 00:07:49,560

conversation I joked around I said you

164

00:07:53,089 --> 00:07:51,419

watch you know as the attention from

165

00:07:54,650 --> 00:07:53,099

that just starts to wane a little bit

166

00:07:57,110 --> 00:07:54,660

until something else new comes around

167

00:07:58,850 --> 00:07:57,120

you'll start to see another UFO story or

168

00:08:01,790 --> 00:07:58,860

two and that's exactly what happened

169

00:08:02,990 --> 00:08:01,800

with the Las Vegas you know story here

170

00:08:04,070 --> 00:08:03,000

that we got

171

00:08:07,129 --> 00:08:04,080

um

172

00:08:09,710 --> 00:08:07,139

put before us here in the last day or

173

00:08:11,990 --> 00:08:09,720

two so it never fails and again that's

174

00:08:13,249 --> 00:08:12,000

I'm sure we'll get into it in the in the

175

00:08:15,110 --> 00:08:13,259

show but

176

00:08:16,670 --> 00:08:15,120

um I joke around about it in the context

177

00:08:18,710 --> 00:08:16,680

that you and I are chatting about it now

178

00:08:22,070 --> 00:08:18,720

but it is actually really serious when

179

00:08:24,890 --> 00:08:22,080

you talk about how there is a lack of

180

00:08:26,869 --> 00:08:24,900

Investigation in investigative

181

00:08:29,749 --> 00:08:26,879

journalism this day and age when it

182

00:08:32,570 --> 00:08:29,759

comes to UAP and UFOs and uh and and

183

00:08:34,610 --> 00:08:32,580

that's the unfortunate thing so when we

184

00:08:36,769 --> 00:08:34,620

see stories that are generally coming

185

00:08:38,870 --> 00:08:36,779

out around the wave of a viral story

186

00:08:40,610 --> 00:08:38,880

like this and I know that the case

187

00:08:42,709 --> 00:08:40,620

didn't happen this week it just was

188

00:08:44,870 --> 00:08:42,719

reported this week you know why wasn't

189

00:08:46,970 --> 00:08:44,880

this reported on a week or two ago you

190

00:08:49,250 --> 00:08:46,980

know what what it what is with that and

191

00:08:50,750 --> 00:08:49,260

then you start to kind of dissect a

192

00:08:52,310 --> 00:08:50,760

little bit about how the media operates

193

00:08:54,590 --> 00:08:52,320

again that's not to take away from the

194

00:08:55,970 --> 00:08:54,600

case or the magnitude of the story but

195

00:08:58,610 --> 00:08:55,980

rather that's an element of this

196

00:09:01,370 --> 00:08:58,620

conversation that becomes a very very

197

00:09:04,970 --> 00:09:01,380

important aspect to tackle as well well

198

00:09:07,190 --> 00:09:04,980

we have you know oddly enough I I can

199

00:09:09,350 --> 00:09:07,200

take this right back to Las Vegas too as

200

00:09:11,810 --> 00:09:09,360

well and that story

201
00:09:14,750 --> 00:09:11,820
that happened on May 1st

202
00:09:17,210 --> 00:09:14,760
the last time I checked this is June 8th

203
00:09:22,009 --> 00:09:17,220
yeah and

204
00:09:23,870 --> 00:09:22,019
um and and it's just wouldn't that be uh

205
00:09:27,889 --> 00:09:23,880
George Knapp lives in Las Vegas right

206
00:09:29,949 --> 00:09:27,899
klis is in Las Vegas the the home of UFO

207
00:09:33,230 --> 00:09:29,959
Reporting

208
00:09:36,410 --> 00:09:33,240
why why do you think the delay in that

209
00:09:38,329 --> 00:09:36,420
and as well as uh David grush David

210
00:09:41,030 --> 00:09:38,339
grush

211
00:09:43,250 --> 00:09:41,040
um he's been out there we're gonna try

212
00:09:45,230 --> 00:09:43,260
to put together a timeline today and

213
00:09:46,970 --> 00:09:45,240

hopefully you can help me

214

00:09:50,150 --> 00:09:46,980

um understand in the audience too as

215

00:09:53,449 --> 00:09:50,160

well the grush story we're talking about

216

00:09:58,490 --> 00:09:53,459

Leslie Kane and Ralph Blumenthal again

217

00:09:59,750 --> 00:09:58,500

um why why wait to put this story out it

218

00:10:03,829 --> 00:09:59,760

doesn't matter about the New York Times

219

00:10:06,530 --> 00:10:03,839

or anything else it just seems like uh

220

00:10:07,850 --> 00:10:06,540

it it it it was delayed for for quite a

221

00:10:09,650 --> 00:10:07,860

bit now

222

00:10:12,230 --> 00:10:09,660

um let me just say one thing really

223

00:10:14,329 --> 00:10:12,240

quick for the audience and in case

224

00:10:15,470 --> 00:10:14,339

there's somebody out there that doesn't

225

00:10:19,550 --> 00:10:15,480

know

226

00:10:21,530 --> 00:10:19,560

Leslie Kane and Ralph Blumenthal

227

00:10:23,210 --> 00:10:21,540

um and and and and and some others in

228

00:10:25,370 --> 00:10:23,220

the byline by the way it wasn't just

229

00:10:29,389 --> 00:10:25,380

those two uh doing the reporting but

230

00:10:31,210 --> 00:10:29,399

they back in December December 16th 17th

231

00:10:36,590 --> 00:10:31,220

of uh 2017

232

00:10:39,710 --> 00:10:36,600

broke the story that uh the UFO uh the

233

00:10:41,630 --> 00:10:39,720

Pentagon had a secret UFO program

234

00:10:43,850 --> 00:10:41,640

um that was five and a half almost six

235

00:10:46,730 --> 00:10:43,860

years ago now it's kind of hard to

236

00:10:50,750 --> 00:10:46,740

believe that that was passed but here we

237

00:10:54,050 --> 00:10:50,760

are Monday of this week Leslie Kane and

238

00:10:58,310 --> 00:10:54,060

Ralph Blumenthal again released this

239

00:11:00,590 --> 00:10:58,320
story and it was about what John

240

00:11:02,389 --> 00:11:00,600
well this week is the the UFO

241

00:11:07,190 --> 00:11:02,399
whistleblower story and the the

242

00:11:10,750 --> 00:11:07,200
emergence of of David grush and a

243

00:11:13,550 --> 00:11:10,760
explosive Claim about

244

00:11:17,030 --> 00:11:13,560
non-human craft that the the government

245

00:11:20,030 --> 00:11:17,040
is either in possession of as a whole uh

246

00:11:22,490 --> 00:11:20,040
and in part you know that there was uh

247

00:11:25,069 --> 00:11:22,500
essentially debris and material that

248

00:11:27,590 --> 00:11:25,079
they have and he subsequently wasn't in

249

00:11:30,949 --> 00:11:27,600
the original article uh but this week

250

00:11:32,810 --> 00:11:30,959
news nation which is uh you know not a

251
00:11:35,090 --> 00:11:32,820
major major network but obviously

252
00:11:38,030 --> 00:11:35,100
getting a lot of press this week for

253
00:11:39,470 --> 00:11:38,040
having Ross coltar do a video interview

254
00:11:42,530 --> 00:11:39,480
from what I understand it's going to be

255
00:11:45,110 --> 00:11:42,540
an hour special that airs this Sunday uh

256
00:11:48,110 --> 00:11:45,120
with the UFO whistleblower

257
00:11:51,310 --> 00:11:48,120
um now I I I don't know how much if any

258
00:11:54,710 --> 00:11:51,320
coordination there was between

259
00:11:56,690 --> 00:11:54,720
Leslie Ralph and and Ross that may have

260
00:11:59,090 --> 00:11:56,700
been in one of their articles slash

261
00:12:00,410 --> 00:11:59,100
videos that I may have missed I'm a

262
00:12:02,090 --> 00:12:00,420
little less interested in that I mean

263
00:12:03,650 --> 00:12:02,100

it's to me it's about the story and not

264

00:12:06,050 --> 00:12:03,660

really about if they you know were

265

00:12:08,110 --> 00:12:06,060

working together to to to put this out

266

00:12:10,730 --> 00:12:08,120

but the bottom line is the debrief

267

00:12:12,290 --> 00:12:10,740

published the story from Ralph and

268

00:12:14,389 --> 00:12:12,300

Leslie they were the two on the byline

269

00:12:16,730 --> 00:12:14,399

and then they had contributors that were

270

00:12:19,310 --> 00:12:16,740

listed at the bottom of the article

271

00:12:20,810 --> 00:12:19,320

um again I don't know exactly the the

272

00:12:22,730 --> 00:12:20,820

amount of contributions that each name

273

00:12:24,590 --> 00:12:22,740

did but it was just Ralph and Leslie on

274

00:12:27,110 --> 00:12:24,600

the byline and then you have Ross's

275

00:12:28,430 --> 00:12:27,120

contribution of the video interview that

276

00:12:29,810 --> 00:12:28,440

essentially is going to be airing on

277

00:12:31,550 --> 00:12:29,820

news Nation

278

00:12:32,810 --> 00:12:31,560

all of that kind of unfolded in the

279

00:12:34,370 --> 00:12:32,820

beginning of the week and then as the

280

00:12:36,350 --> 00:12:34,380

week progressed news nation has been

281

00:12:38,630 --> 00:12:36,360

obviously plugging their Sunday special

282

00:12:42,230 --> 00:12:38,640

a lot and running subsequent news

283

00:12:44,150 --> 00:12:42,240

stories that uh in In fairness to them

284

00:12:46,790 --> 00:12:44,160

have a balance you know like some are

285

00:12:48,769 --> 00:12:46,800

are very Pro this UFO whistleblower it

286

00:12:50,629 --> 00:12:48,779

seems and should they tease clips of

287

00:12:52,430 --> 00:12:50,639

what we're going to see on Sunday and

288

00:12:55,069 --> 00:12:52,440

then I saw yesterday that Mick West was

289

00:12:57,050 --> 00:12:55,079

on the network uh which I I very much

290

00:12:58,910 --> 00:12:57,060

respect Mick and and like him and

291

00:13:00,829 --> 00:12:58,920

consider him a friend we have great

292

00:13:03,110 --> 00:13:00,839

conversations and great debate also we

293

00:13:05,230 --> 00:13:03,120

don't see eye to eye on everything but

294

00:13:08,329 --> 00:13:05,240

with that being said it was very weird

295

00:13:11,509 --> 00:13:08,339

that a network while they are plugging

296

00:13:13,190 --> 00:13:11,519

an interview for Sunday are all art is

297

00:13:15,470 --> 00:13:13,200

teasing it that's not weird that's

298

00:13:17,569 --> 00:13:15,480

normal but then doing segments to

299

00:13:21,290 --> 00:13:17,579

essentially debunk the whole concept

300

00:13:23,090 --> 00:13:21,300

before it even airs in full anyway which

301
00:13:24,889 --> 00:13:23,100
is weird to me and I posted it yesterday

302
00:13:27,290 --> 00:13:24,899
and I think a lot of people didn't quite

303
00:13:29,269 --> 00:13:27,300
get and it's probably my fault I didn't

304
00:13:33,829 --> 00:13:29,279
explain it good enough but to me it's

305
00:13:37,009 --> 00:13:33,839
just are like I mean it's it hasn't

306
00:13:38,930 --> 00:13:37,019
aired in full so we can critique

307
00:13:40,910 --> 00:13:38,940
um you know the the story I think either

308
00:13:41,990 --> 00:13:40,920
during the special or after if I was the

309
00:13:43,910 --> 00:13:42,000
network

310
00:13:45,470 --> 00:13:43,920
um but regardless you know I I thought

311
00:13:47,629 --> 00:13:45,480
that that was kind of a weird tactic

312
00:13:50,150 --> 00:13:47,639
that they're kind of attacking their own

313
00:13:53,509 --> 00:13:50,160

reporting before the reporting is even

314

00:13:56,030 --> 00:13:53,519

complete so it it was just a weird kind

315

00:13:57,350 --> 00:13:56,040

of way to unfold but regardless I think

316

00:13:58,790 --> 00:13:57,360

it kind of fell flat with a lot of

317

00:14:02,090 --> 00:13:58,800

people yesterday and again that may have

318

00:14:04,610 --> 00:14:02,100

just been uh me just not explaining it

319

00:14:07,430 --> 00:14:04,620

good but it's been a weird week to see

320

00:14:08,810 --> 00:14:07,440

those things unfold and and as I

321

00:14:10,670 --> 00:14:08,820

mentioned earlier the debrief had

322

00:14:13,310 --> 00:14:10,680

published the article but when news

323

00:14:15,769 --> 00:14:13,320

Nation did their first story on it they

324

00:14:18,829 --> 00:14:15,779

played a clip that grush had had talked

325

00:14:21,829 --> 00:14:18,839

about what he called Dead pilots and

326

00:14:24,110 --> 00:14:21,839

those dead Pilots or bodies from these

327

00:14:26,569 --> 00:14:24,120

non-human Craft

328

00:14:30,710 --> 00:14:26,579

um that's a pretty explosive claim to

329

00:14:32,389 --> 00:14:30,720

make and so that in a nutshell is what

330

00:14:34,790 --> 00:14:32,399

we are seeing this week but once you dig

331

00:14:37,550 --> 00:14:34,800

into it all of a sudden as with most

332

00:14:39,829 --> 00:14:37,560

stories when it comes to this genre they

333

00:14:42,949 --> 00:14:39,839

start to

334

00:14:44,509 --> 00:14:42,959

pose more questions than answers and and

335

00:14:46,670 --> 00:14:44,519

I think with this particular story

336

00:14:48,230 --> 00:14:46,680

there's quite a few big ones that I

337

00:14:50,329 --> 00:14:48,240

think we need to address here because

338

00:14:52,610 --> 00:14:50,339

here's the bottom line as you and I move

339

00:14:55,129 --> 00:14:52,620

forward with this show and and dissect

340

00:14:56,990 --> 00:14:55,139

some of that the bottom line is if his

341

00:14:59,449 --> 00:14:57,000

claims are true

342

00:15:02,449 --> 00:14:59,459

they change Humanity

343

00:15:04,610 --> 00:15:02,459

period I'm not exaggerating that that is

344

00:15:07,490 --> 00:15:04,620

true it replaces

345

00:15:10,069 --> 00:15:07,500

the entire human thought concept of

346

00:15:13,009 --> 00:15:10,079

where we are in the universe that alien

347

00:15:15,170 --> 00:15:13,019

life that that non as they determine I

348

00:15:16,370 --> 00:15:15,180

want to be fair here non-human but let's

349

00:15:18,650 --> 00:15:16,380

face it I mean I think that they're

350

00:15:21,530 --> 00:15:18,660

meaning alien with all of this and David

351

00:15:23,150 --> 00:15:21,540

grush even says we are not alone in his

352

00:15:24,170 --> 00:15:23,160

in his interview but I think they're

353

00:15:26,389 --> 00:15:24,180

Paving the way for some other

354

00:15:29,389 --> 00:15:26,399

intelligence which I think is I called

355

00:15:31,370 --> 00:15:29,399

it on my show wonky yesterday it's just

356

00:15:33,410 --> 00:15:31,380

kind of like like say alien you know I

357

00:15:34,910 --> 00:15:33,420

mean if you if you won't want to say

358

00:15:36,530 --> 00:15:34,920

that there is another race of

359

00:15:38,689 --> 00:15:36,540

intelligence that live in our oceans

360

00:15:41,269 --> 00:15:38,699

then go there I'm not trying to be

361

00:15:42,949 --> 00:15:41,279

facetious that much but I mean if that's

362

00:15:43,910 --> 00:15:42,959

really what you mean that there's some

363

00:15:46,430 --> 00:15:43,920

other

364

00:15:47,810 --> 00:15:46,440

meaning of non-human then go there

365

00:15:49,970 --> 00:15:47,820

you're the one with all the classified

366

00:15:52,430 --> 00:15:49,980

intelligence so you know Say What You

367

00:15:53,810 --> 00:15:52,440

Mean So I I'm I'm equating to all this

368

00:15:56,329 --> 00:15:53,820

is that they're saying that it's it's

369

00:15:58,250 --> 00:15:56,339

alien and especially with his quote of

370

00:15:59,930 --> 00:15:58,260

We Are Not Alone

371

00:16:01,610 --> 00:15:59,940

um that that that's exactly what it

372

00:16:04,550 --> 00:16:01,620

means but again it's it's just a little

373

00:16:06,829 --> 00:16:04,560

bit odd the the word choice but going

374

00:16:08,750 --> 00:16:06,839

back to my my caveat here before we

375

00:16:12,050 --> 00:16:08,760

unfold all the different facets of the

376

00:16:14,389 --> 00:16:12,060

story is that it changes Humanity so we

377

00:16:17,930 --> 00:16:14,399

need to kind of take a step back before

378

00:16:20,210 --> 00:16:17,940

we get excited and start to dissect this

379

00:16:23,269 --> 00:16:20,220

story for what it is and if it's true

380

00:16:25,910 --> 00:16:23,279

and the claims are solid then we've

381

00:16:28,189 --> 00:16:25,920

changed the planet uh and and and the

382

00:16:29,990 --> 00:16:28,199

story will stay true but I I think we're

383

00:16:31,730 --> 00:16:30,000

not at that point yet and I think the

384

00:16:33,530 --> 00:16:31,740

mainstream media for the most part has

385

00:16:36,129 --> 00:16:33,540

missed that and the copy and paste

386

00:16:41,870 --> 00:16:36,139

journalism is to blame

387

00:16:44,509 --> 00:16:41,880

we have to we have to ask questions

388

00:16:46,730 --> 00:16:44,519

with all of this you can't take any of

389

00:16:49,730 --> 00:16:46,740

this at face value you you cannot just

390

00:16:53,150 --> 00:16:49,740

go it's it's it must be true

391

00:16:55,550 --> 00:16:53,160

um and that's it so and I totally I

392

00:16:59,269 --> 00:16:55,560

totally get I come from

393

00:17:02,269 --> 00:16:59,279

more of Everything is Everything is BS

394

00:17:05,689 --> 00:17:02,279

and then you know I get pushed to the

395

00:17:09,309 --> 00:17:05,699

other side I try to stay on that side

396

00:17:14,030 --> 00:17:09,319

um or in the middle and remain objective

397

00:17:16,370 --> 00:17:14,040

in this case there is uh the in in the

398

00:17:18,650 --> 00:17:16,380

David grush case

399

00:17:20,870 --> 00:17:18,660

um there are things that kind of

400

00:17:24,169 --> 00:17:20,880

automatically push me

401
00:17:29,150 --> 00:17:24,179
further than I'm comfortable with uh to

402
00:17:32,650 --> 00:17:29,160
the this may not be BS side and and that

403
00:17:34,270 --> 00:17:32,660
for me first off government

404
00:17:38,270 --> 00:17:34,280
employee

405
00:17:40,970 --> 00:17:38,280
decorated veteran uh member of the UAP

406
00:17:43,190 --> 00:17:40,980
task force

407
00:17:45,529 --> 00:17:43,200
um access to

408
00:17:47,450 --> 00:17:45,539
um and you know he's got a security

409
00:17:50,870 --> 00:17:47,460
clearance

410
00:17:54,830 --> 00:17:50,880
um he's a single individual that

411
00:17:59,390 --> 00:17:54,840
um has now put himself out there opening

412
00:18:00,830 --> 00:17:59,400
himself up to a very harsh life if he's

413
00:18:05,270 --> 00:18:00,840

bullshitting

414

00:18:09,230 --> 00:18:05,280

right I mean that's um so and then on

415

00:18:12,289 --> 00:18:09,240

top of all of that we have the IG and

416

00:18:14,390 --> 00:18:12,299

he's lawyered up and apparently again

417

00:18:15,590 --> 00:18:14,400

I'm not a lawyer and I'm not part of the

418

00:18:19,630 --> 00:18:15,600

inside

419

00:18:22,669 --> 00:18:19,640

but he has sworn to these statements

420

00:18:25,430 --> 00:18:22,679

and uh and we've got Congress and

421

00:18:28,490 --> 00:18:25,440

Capitol Hill involved these are the

422

00:18:30,529 --> 00:18:28,500

things for me that push this a little

423

00:18:33,110 --> 00:18:30,539

bit farther than even I'm comfortable

424

00:18:37,130 --> 00:18:33,120

with where I go well wait a minute here

425

00:18:39,350 --> 00:18:37,140

why would this guy do this to himself

426

00:18:40,730 --> 00:18:39,360

have you asked yourself those same

427

00:18:43,130 --> 00:18:40,740

questions

428

00:18:46,669 --> 00:18:43,140

all the time when stories like this come

429

00:18:48,289 --> 00:18:46,679

out and and grushes no exception uh you

430

00:18:50,390 --> 00:18:48,299

know why would you do it

431

00:18:53,750 --> 00:18:50,400

and and one of the things that I think

432

00:18:55,549 --> 00:18:53,760

that is a big misconception and and I

433

00:18:57,470 --> 00:18:55,559

see this a lot I call them my haters you

434

00:18:59,390 --> 00:18:57,480

know it's it's the fan club that loves

435

00:19:00,890 --> 00:18:59,400

me but they don't realize it yet and

436

00:19:02,510 --> 00:19:00,900

they're always on social media and

437

00:19:04,610 --> 00:19:02,520

they're always attacking me when I

438

00:19:06,890 --> 00:19:04,620

breathe the wrong way or sneeze or

439

00:19:09,529 --> 00:19:06,900

whatever I do they're right there to say

440

00:19:12,230 --> 00:19:09,539

greenwald's wrong and in this particular

441

00:19:15,230 --> 00:19:12,240

case the moment that you question

442

00:19:17,090 --> 00:19:15,240

somebody with credentials or with

443

00:19:20,210 --> 00:19:17,100

decorations

444

00:19:22,430 --> 00:19:20,220

the misconception is you immediately are

445

00:19:25,370 --> 00:19:22,440

calling them a liar that you're

446

00:19:28,070 --> 00:19:25,380

immediately disrespecting that person

447

00:19:29,990 --> 00:19:28,080

and and this is my response to that that

448

00:19:32,450 --> 00:19:30,000

is not necessarily true because when

449

00:19:33,529 --> 00:19:32,460

when you dig into the claims of David

450

00:19:36,470 --> 00:19:33,539

grush

451
00:19:38,990 --> 00:19:36,480
and you see what he's bringing forward

452
00:19:41,990 --> 00:19:39,000
he is bringing forward his experience

453
00:19:43,850 --> 00:19:42,000
talking to other people which are the

454
00:19:46,490 --> 00:19:43,860
ones that were involved in these

455
00:19:49,070 --> 00:19:46,500
programs that bring along with it

456
00:19:51,950 --> 00:19:49,080
according to him classified knowledge

457
00:19:55,250 --> 00:19:51,960
about these non-human craft and alien

458
00:19:58,010 --> 00:19:55,260
bodies and so on so

459
00:20:00,289 --> 00:19:58,020
he's getting it from other people he

460
00:20:03,650 --> 00:20:00,299
wasn't there we'll pull in the story of

461
00:20:06,350 --> 00:20:03,660
Bob Lazar as a kind of a juxtaposition

462
00:20:08,630 --> 00:20:06,360
here where Bob Lazar claimed he was

463
00:20:10,850 --> 00:20:08,640

actually there that he worked on the

464

00:20:13,010 --> 00:20:10,860

programs that he was reverse engineering

465

00:20:15,529 --> 00:20:13,020

the craft right that to me is a

466

00:20:17,270 --> 00:20:15,539

whistleblower I don't buy Lazar's story

467

00:20:20,210 --> 00:20:17,280

but that's a different show in itself

468

00:20:22,130 --> 00:20:20,220

but using that as a comparison that's

469

00:20:25,430 --> 00:20:22,140

more of the Whistleblower that they are

470

00:20:28,490 --> 00:20:25,440

claiming that first-hand experience that

471

00:20:31,190 --> 00:20:28,500

they touched felt worked on and

472

00:20:33,049 --> 00:20:31,200

understood the alien technology that's

473

00:20:34,490 --> 00:20:33,059

not what we have with David Grush now

474

00:20:37,010 --> 00:20:34,500

that's not to take away from what he's

475

00:20:38,930 --> 00:20:37,020

doing or saying nor is it disrespect but

476

00:20:42,230 --> 00:20:38,940

that's putting what his claims are into

477

00:20:44,390 --> 00:20:42,240

perspective now going back to the

478

00:20:47,390 --> 00:20:44,400

misconception of your brandishing him a

479

00:20:48,710 --> 00:20:47,400

liar if you question him well what if he

480

00:20:51,590 --> 00:20:48,720

is misled

481

00:20:54,549 --> 00:20:51,600

what if what if those people are playing

482

00:20:56,930 --> 00:20:54,559

him I get it from what we're told anyway

483

00:20:58,730 --> 00:20:56,940

I'd like to see a little bit more proof

484

00:21:00,830 --> 00:20:58,740

but what we're told is they are going to

485

00:21:03,230 --> 00:21:00,840

Congress too and some have given under

486

00:21:05,930 --> 00:21:03,240

oath statements great I hope that we

487

00:21:08,090 --> 00:21:05,940

meet them one day and I hope we can see

488

00:21:11,570 --> 00:21:08,100

who they are because those are the

489

00:21:14,390 --> 00:21:11,580

people that I think need to be out there

490

00:21:16,909 --> 00:21:14,400

stating what their claims really are to

491

00:21:19,070 --> 00:21:16,919

have a conduit like David grush that's

492

00:21:22,190 --> 00:21:19,080

putting him in a seriously awkward

493

00:21:25,430 --> 00:21:22,200

position because he may be convinced

494

00:21:28,070 --> 00:21:25,440

that the stories are true he can swear

495

00:21:31,669 --> 00:21:28,080

under oath with no repercussion because

496

00:21:33,350 --> 00:21:31,679

he is conveying what was told to him but

497

00:21:35,690 --> 00:21:33,360

how do we know that he's not being

498

00:21:38,750 --> 00:21:35,700

played now those that want to believe

499

00:21:41,390 --> 00:21:38,760

this story outright and and say look you

500

00:21:43,730 --> 00:21:41,400

know decorated intelligence officer how

501
00:21:46,490 --> 00:21:43,740
could people play him well I'm sorry you

502
00:21:49,130 --> 00:21:46,500
look at the the documented history with

503
00:21:51,409 --> 00:21:49,140
evidence of a cover-up that stretches

504
00:21:53,510 --> 00:21:51,419
back decades and decades that's not

505
00:21:55,789 --> 00:21:53,520
conspiracy talk you look at the evidence

506
00:21:57,909 --> 00:21:55,799
I've got thousands of pages that I'll

507
00:22:01,010 --> 00:21:57,919
bore anybody with for hours upon hours

508
00:22:03,350 --> 00:22:01,020
showing they have a massive cover-up on

509
00:22:06,590 --> 00:22:03,360
this and they will do things to not only

510
00:22:08,630 --> 00:22:06,600
obfuscate the truth but lie to the

511
00:22:10,669 --> 00:22:08,640
general public in the process they've

512
00:22:12,830 --> 00:22:10,679
done it before on this topic and they

513
00:22:15,470 --> 00:22:12,840

will do it again they skewed a

514

00:22:18,049 --> 00:22:15,480

scientific effort in 1952 with the

515

00:22:20,210 --> 00:22:18,059

Robertson panel skewing a scientific

516

00:22:22,730 --> 00:22:20,220

effort known as Project Blue Book to

517

00:22:25,070 --> 00:22:22,740

look into UFOs because they wanted to

518

00:22:27,049 --> 00:22:25,080

explain it they knew what the threat was

519

00:22:30,169 --> 00:22:27,059

they were afraid of us the general

520

00:22:32,510 --> 00:22:30,179

public and so that Robertson panel in a

521

00:22:34,730 --> 00:22:32,520

nutshell essentially said hey you guys

522

00:22:36,710 --> 00:22:34,740

got to start doing explaining here let's

523

00:22:38,630 --> 00:22:36,720

let's kind of like wave goodbye to

524

00:22:41,450 --> 00:22:38,640

investigation but let's do an

525

00:22:43,490 --> 00:22:41,460

explanation and you see that through the

526

00:22:47,450 --> 00:22:43,500

eyes of the the true scientist on board

527

00:22:49,490 --> 00:22:47,460

J Allen heineck who shifted over time as

528

00:22:50,690 --> 00:22:49,500

he saw more and more evidence so when

529

00:22:52,669 --> 00:22:50,700

you look at those stories you realize

530

00:22:54,950 --> 00:22:52,679

the government will go to Great Lengths

531

00:22:57,049 --> 00:22:54,960

to cover this up there are people that

532

00:22:57,890 --> 00:22:57,059

muddy The Waters from the inside we know

533

00:23:03,289 --> 00:22:57,900

that

534

00:23:06,169 --> 00:23:03,299

done and and David grush is being played

535

00:23:09,190 --> 00:23:06,179

and I think until we don't sorry go

536

00:23:11,770 --> 00:23:09,200

ahead but played by who

537

00:23:16,669 --> 00:23:11,780

the question Jimmy if we don't know

538

00:23:19,669 --> 00:23:16,679

played by who and and why because

539

00:23:20,890 --> 00:23:19,679

um that means Leslie and Ralph are being

540

00:23:22,870 --> 00:23:20,900

played

541

00:23:26,810 --> 00:23:22,880

and

542

00:23:28,730 --> 00:23:26,820

hold on hold on you know I know that

543

00:23:32,350 --> 00:23:28,740

we're talking about David here but

544

00:23:34,789 --> 00:23:32,360

Leslie has also cited this Colonel now

545

00:23:38,510 --> 00:23:34,799

uh we've got when I think it's a

546

00:23:41,810 --> 00:23:38,520

pseudonym of uh Jonathan gray

547

00:23:43,610 --> 00:23:41,820

um and so uh and Leslie has gone on the

548

00:23:47,210 --> 00:23:43,620

record saying look

549

00:23:51,289 --> 00:23:47,220

um I don't necessarily need photographs

550

00:23:54,049 --> 00:23:51,299

or videos I'm being told the exact same

551
00:23:55,610 --> 00:23:54,059
story from multiple sources of people

552
00:23:58,789 --> 00:23:55,620
that I know and trust

553
00:24:00,590 --> 00:23:58,799
so is that the other part of this

554
00:24:04,190 --> 00:24:00,600
article

555
00:24:07,730 --> 00:24:04,200
um by by Kane and Blumenthal that also

556
00:24:10,010 --> 00:24:07,740
needs to does that hold equal weight you

557
00:24:13,730 --> 00:24:10,020
know to have this Jonathan gray with his

558
00:24:15,830 --> 00:24:13,740
quote and Colonel Nell uh with his quote

559
00:24:18,049 --> 00:24:15,840
in this article and think and Chris

560
00:24:19,490 --> 00:24:18,059
Mellon of course too is is mentioned in

561
00:24:21,470 --> 00:24:19,500
there as well

562
00:24:22,970 --> 00:24:21,480
yeah and one thing and I didn't mean to

563
00:24:26,390 --> 00:24:22,980

step on you but one thing I wanted to

564

00:24:28,370 --> 00:24:26,400

make sure I made clear is that when we

565

00:24:31,909 --> 00:24:28,380

talk about Cain and Blumenthal being

566

00:24:34,730 --> 00:24:31,919

played it it may just not be a malicious

567

00:24:36,890 --> 00:24:34,740

being played because grush believes what

568

00:24:38,990 --> 00:24:36,900

he is being told

569

00:24:41,210 --> 00:24:39,000

um but again if if and and I'm not

570

00:24:43,010 --> 00:24:41,220

trying to sound conspiratorial here but

571

00:24:46,010 --> 00:24:43,020

there's a documented history of

572

00:24:48,169 --> 00:24:46,020

obfuscation and lies and I also believe

573

00:24:50,210 --> 00:24:48,179

that we are in an era where the

574

00:24:54,010 --> 00:24:50,220

counterintelligence value of the UAP

575

00:24:57,470 --> 00:24:54,020

conversation is huge I believe that that

576

00:24:59,570 --> 00:24:57,480

counterintelligence value is used to

577

00:25:01,970 --> 00:24:59,580

cover up true unknowns I believe that

578

00:25:04,490 --> 00:25:01,980

there is a small percentage of true

579

00:25:06,950 --> 00:25:04,500

unknowns here that we have no idea what

580

00:25:09,350 --> 00:25:06,960

it is it covers up what we do and don't

581

00:25:12,409 --> 00:25:09,360

know about our our you know enemies

582

00:25:15,230 --> 00:25:12,419

abroad and what they may have and it is

583

00:25:18,049 --> 00:25:15,240

used to cover up our own classified

584

00:25:21,590 --> 00:25:18,059

technology so that counterintelligence

585

00:25:23,630 --> 00:25:21,600

value is gold so yes we shouldn't with

586

00:25:25,610 --> 00:25:23,640

this history of obfuscation and lies

587

00:25:28,610 --> 00:25:25,620

stretching back more than a half a

588

00:25:31,370 --> 00:25:28,620

century we should not put it past

589

00:25:33,590 --> 00:25:31,380

a a

590

00:25:36,230 --> 00:25:33,600

we'll call it a campaign as the wrong

591

00:25:37,909 --> 00:25:36,240

word but an effort to get these types of

592

00:25:39,289 --> 00:25:37,919

stories out there to muddy the waters

593

00:25:41,029 --> 00:25:39,299

even more

594

00:25:43,610 --> 00:25:41,039

right I mean again it sounds like

595

00:25:47,870 --> 00:25:43,620

conspiracy talk but I'm sorry the same

596

00:25:50,090 --> 00:25:47,880

people that are chastising me for uh for

597

00:25:53,029 --> 00:25:50,100

bringing that possibility up and I mean

598

00:25:55,310 --> 00:25:53,039

this the same people are also saying

599

00:25:58,190 --> 00:25:55,320

that I am being played by a massive

600

00:25:59,930 --> 00:25:58,200

conspiracy that involves the creation of

601
00:26:01,510 --> 00:25:59,940
government documents to throw me off

602
00:26:05,930 --> 00:26:01,520
through the Freedom of Information Act

603
00:26:08,750 --> 00:26:05,940
and the use of DOD spokespeople and

604
00:26:12,289 --> 00:26:08,760
using the blackvault.com as the conduit

605
00:26:14,690 --> 00:26:12,299
for a misinformation campaign now I

606
00:26:17,390 --> 00:26:14,700
laugh at that because it's not true but

607
00:26:19,310 --> 00:26:17,400
if the same crowd is chastising me for

608
00:26:21,110 --> 00:26:19,320
saying hey maybe grush is being played

609
00:26:22,669 --> 00:26:21,120
but in the same breath they'll say

610
00:26:25,190 --> 00:26:22,679
greenwald's the conduit working with the

611
00:26:27,409 --> 00:26:25,200
US government in a massive conspiracy to

612
00:26:29,810 --> 00:26:27,419
misinform and disinform all of us on the

613
00:26:32,330 --> 00:26:29,820

UAP topic none of that really makes

614

00:26:34,310 --> 00:26:32,340

sense so if you if you want to deal with

615

00:26:36,649 --> 00:26:34,320

one of those possibilities you got to

616

00:26:38,330 --> 00:26:36,659

deal with it all now the second part of

617

00:26:41,029 --> 00:26:38,340

your question about the other quotations

618

00:26:43,190 --> 00:26:41,039

of course course Colonel Nell Colonel I

619

00:26:46,010 --> 00:26:43,200

believe now coming coming forward

620

00:26:48,950 --> 00:26:46,020

absolutely all of that plays a role I

621

00:26:52,490 --> 00:26:48,960

mean is his character support you know

622

00:26:54,470 --> 00:26:52,500

about uh uh about Russia's character and

623

00:26:56,330 --> 00:26:54,480

and who he is as a person that he's not

624

00:26:59,390 --> 00:26:56,340

like some malicious liar or anything

625

00:27:01,370 --> 00:26:59,400

like that all of that is is great not so

626

00:27:03,769 --> 00:27:01,380

much of of a fan of the Jonathan gray

627

00:27:05,090 --> 00:27:03,779

part I had missed it on my first read

628

00:27:07,789 --> 00:27:05,100

through of the article that's a

629

00:27:09,909 --> 00:27:07,799

pseudonym it wasn't really clear until

630

00:27:12,890 --> 00:27:09,919

later in the article that that's his

631

00:27:16,070 --> 00:27:12,900

Insider nickname that he uses at nasic

632

00:27:18,409 --> 00:27:16,080

uh which you know is is great but now

633

00:27:21,110 --> 00:27:18,419

he's identified himself to anybody that

634

00:27:23,210 --> 00:27:21,120

has a clearance so I'm not entirely sure

635

00:27:26,149 --> 00:27:23,220

how to think about that but if that is

636

00:27:28,490 --> 00:27:26,159

his internal nickname that he's or

637

00:27:30,350 --> 00:27:28,500

pseudonym that he's using there he's

638

00:27:31,850 --> 00:27:30,360

kind of outed himself to anybody that's

639

00:27:33,649 --> 00:27:31,860

looking at this so I'm not sure what his

640

00:27:35,810 --> 00:27:33,659

concern is for having the public know

641

00:27:38,029 --> 00:27:35,820

who he is but regardless uh that's

642

00:27:40,010 --> 00:27:38,039

that's the third essential voice

643

00:27:42,409 --> 00:27:40,020

essentially voice that's that's in that

644

00:27:44,870 --> 00:27:42,419

article yes Chris Mellon is is in there

645

00:27:47,450 --> 00:27:44,880

as well but I I kind of focused in on

646

00:27:48,710 --> 00:27:47,460

those three new names

647

00:27:51,590 --> 00:27:48,720

um because just to throw a quick

648

00:27:54,110 --> 00:27:51,600

positive note out there it was pretty

649

00:27:55,789 --> 00:27:54,120

cool to see how you know grush's

650

00:27:57,590 --> 00:27:55,799

involvement with the national

651
00:27:59,870 --> 00:27:57,600
reconnaissance office during the UAP

652
00:28:03,289 --> 00:27:59,880
task force and then obviously Colonel

653
00:28:04,970 --> 00:28:03,299
Nell through the Army and his uh leading

654
00:28:07,730 --> 00:28:04,980
kind of being the liaison between the

655
00:28:09,950 --> 00:28:07,740
Army and the UAP task force to me those

656
00:28:12,350 --> 00:28:09,960
are awesome contributions to this

657
00:28:14,930 --> 00:28:12,360
conversation by itself because that

658
00:28:16,970 --> 00:28:14,940
gives me lines to draw from in future

659
00:28:20,450 --> 00:28:16,980
foia requests names that I didn't know

660
00:28:22,730 --> 00:28:20,460
last Sunday but come Monday all of a

661
00:28:24,769 --> 00:28:22,740
sudden those were revealed so so those

662
00:28:26,450 --> 00:28:24,779
are great tidbits from this article

663
00:28:28,070 --> 00:28:26,460

whether or not Russia's claims are true

664

00:28:30,110 --> 00:28:28,080

or not so

665

00:28:32,210 --> 00:28:30,120

to end that thought on your question

666

00:28:34,490 --> 00:28:32,220

yeah they're it's incredibly important

667

00:28:35,870 --> 00:28:34,500

to see those names and additional pieces

668

00:28:38,930 --> 00:28:35,880

of the puzzle because for someone like

669

00:28:42,289 --> 00:28:38,940

me who digs in on every little character

670

00:28:44,330 --> 00:28:42,299

of every little word it's going to pave

671

00:28:46,250 --> 00:28:44,340

the way for quite a few new foia

672

00:28:47,210 --> 00:28:46,260

requests and spoiler alert it already

673

00:28:49,070 --> 00:28:47,220

has

674

00:28:51,049 --> 00:28:49,080

have you

675

00:28:52,789 --> 00:28:51,059

um in your timeline

676

00:28:55,190 --> 00:28:52,799

um I'm very interested in this part

677

00:28:57,169 --> 00:28:55,200

because I'm a little confused about this

678

00:29:01,690 --> 00:28:57,179

yeah

679

00:29:05,029 --> 00:29:01,700

um Ross's interview with grush

680

00:29:06,529 --> 00:29:05,039

when did that take place

681

00:29:08,390 --> 00:29:06,539

sadly I'm not going to be able to answer

682

00:29:10,250 --> 00:29:08,400

that for you at least off the top of my

683

00:29:15,250 --> 00:29:10,260

head I am not sure if Ross has posted

684

00:29:18,110 --> 00:29:15,260

that okay I I it's my now again

685

00:29:18,889 --> 00:29:18,120

Sue me what whatever if I've got this

686

00:29:22,450 --> 00:29:18,899

wrong

687

00:29:26,389 --> 00:29:22,460

I think it took place months ago

688

00:29:28,750 --> 00:29:26,399

and I I don't I don't know you know what

689

00:29:33,070 --> 00:29:28,760

came first the chicken or the egg right

690

00:29:37,610 --> 00:29:33,080

so did Ross's interview

691

00:29:39,830 --> 00:29:37,620

uh uh influence the article or did the

692

00:29:41,870 --> 00:29:39,840

article come out and then did Ross

693

00:29:45,289 --> 00:29:41,880

somehow magically

694

00:29:48,950 --> 00:29:45,299

sit down with David grush like this week

695

00:29:52,850 --> 00:29:48,960

yeah and I that that

696

00:29:55,669 --> 00:29:52,860

um has a lot to do with the timing of

697

00:30:00,409 --> 00:29:55,679

all of this and I'm very curious I I

698

00:30:03,169 --> 00:30:00,419

respect uh Ross so much but

699

00:30:06,169 --> 00:30:03,179

um and I love his style and from what I

700

00:30:08,450 --> 00:30:06,179

have seen so far of this interview he

701
00:30:12,230 --> 00:30:08,460
doesn't play are you lying to me I love

702
00:30:17,930 --> 00:30:12,240
that question it's well that was man

703
00:30:22,610 --> 00:30:17,940
um is uh uh the the information that was

704
00:30:24,710 --> 00:30:22,620
in the article didn't seem like uh Ross

705
00:30:28,310 --> 00:30:24,720
had access to that

706
00:30:29,990 --> 00:30:28,320
um so I don't I don't know yeah and this

707
00:30:32,029 --> 00:30:30,000
is where it gets a little bit uh weird

708
00:30:33,649 --> 00:30:32,039
so I no I don't know the date and and

709
00:30:37,669 --> 00:30:33,659
again maybe your listeners right now

710
00:30:39,409 --> 00:30:37,679
watching they they know I I try to keep

711
00:30:43,730 --> 00:30:39,419
up on every single faster but as you

712
00:30:46,130 --> 00:30:43,740
know things go so fast in UFO land from

713
00:30:48,049 --> 00:30:46,140

tweets and articles and videos and

714

00:30:50,149 --> 00:30:48,059

podcasts and there's just not enough

715

00:30:54,710 --> 00:30:50,159

hours in the day I mean I've got a 100

716

00:30:57,409 --> 00:30:54,720

unrelated job uh that that takes a lot

717

00:30:59,029 --> 00:30:57,419

of hours of my week on top of you know

718

00:31:01,730 --> 00:30:59,039

just trying to run the The Black Vault

719

00:31:04,250 --> 00:31:01,740

for fun and keep everybody informed so

720

00:31:05,990 --> 00:31:04,260

it's hard to keep up so that said I that

721

00:31:08,870 --> 00:31:06,000

that date may be out there but what's

722

00:31:11,210 --> 00:31:08,880

interesting to me is what I do know is

723

00:31:12,950 --> 00:31:11,220

went out there was a coordinated

724

00:31:15,529 --> 00:31:12,960

statement it was essentially a copy and

725

00:31:18,289 --> 00:31:15,539

pasted message that was posted by Leslie

726

00:31:21,350 --> 00:31:18,299

Kane on Facebook and Ralph Blumenthal on

727

00:31:22,730 --> 00:31:21,360

Twitter uh essentially stating that and

728

00:31:24,470 --> 00:31:22,740

I'm paraphrasing it pull it up if you

729

00:31:27,409 --> 00:31:24,480

want me to read it but paraphrasing

730

00:31:29,690 --> 00:31:27,419

stating that the Washington Post did not

731

00:31:31,789 --> 00:31:29,700

turn down their article so they wanted

732

00:31:34,610 --> 00:31:31,799

it known about the Washington Post more

733

00:31:36,590 --> 00:31:34,620

than all others I'm guessing just

734

00:31:38,389 --> 00:31:36,600

because it had kind of become such a

735

00:31:40,789 --> 00:31:38,399

rumor that that Washington Post was

736

00:31:42,169 --> 00:31:40,799

going to be doing a big UFO story

737

00:31:43,789 --> 00:31:42,179

potentially dealing with crass

738

00:31:45,529 --> 00:31:43,799

retrievals so that's probably why they

739

00:31:48,710 --> 00:31:45,539

spoke directly to that they said that

740

00:31:51,830 --> 00:31:48,720

they didn't turn the story down but

741

00:31:53,810 --> 00:31:51,840

rather was taking too long and that they

742

00:31:56,570 --> 00:31:53,820

were getting pressured to put this thing

743

00:31:58,909 --> 00:31:56,580

out and then got in contact with the

744

00:32:01,130 --> 00:31:58,919

debrief and then they they published it

745

00:32:03,590 --> 00:32:01,140

there yeah

746

00:32:06,230 --> 00:32:03,600

okay this is where I step on you I'm

747

00:32:09,710 --> 00:32:06,240

sorry I apologize

748

00:32:10,970 --> 00:32:09,720

um I know everybody at the debris has as

749

00:32:12,950 --> 00:32:10,980

do you

750

00:32:16,430 --> 00:32:12,960

um and I've worked with a few of them

751
00:32:19,430 --> 00:32:16,440
directly over the years and it's a

752
00:32:23,690 --> 00:32:19,440
streamlined organization so if you've

753
00:32:27,889 --> 00:32:23,700
got something that uh the the editorial

754
00:32:29,990 --> 00:32:27,899
process uh to get something published

755
00:32:33,590 --> 00:32:30,000
um Can Happen fairly quickly at the

756
00:32:35,570 --> 00:32:33,600
debrief where as uh you know Washington

757
00:32:38,029 --> 00:32:35,580
Post or the New York Times and you're

758
00:32:41,269 --> 00:32:38,039
dealing with news directors and and a

759
00:32:44,330 --> 00:32:41,279
lawyer team and everything else that you

760
00:32:47,450 --> 00:32:44,340
have to to go through I understand that

761
00:32:49,669 --> 00:32:47,460
process I don't think that the New York

762
00:32:51,590 --> 00:32:49,679
Times I could be wrong and the

763
00:32:53,930 --> 00:32:51,600

Washington Post passed on this because

764

00:32:58,789 --> 00:32:53,940

that that they thought that the story

765

00:33:00,590 --> 00:32:58,799

was bogus I I I'm not uh I'm not suggest

766

00:33:04,010 --> 00:33:00,600

that's not what you're saying but what I

767

00:33:07,389 --> 00:33:04,020

am suggesting here is that the choice of

768

00:33:10,070 --> 00:33:07,399

the debrief for me makes a lot of sense

769

00:33:13,669 --> 00:33:10,080

you could just go in there here it is

770

00:33:16,610 --> 00:33:13,679

Boom they're very smart people Micah and

771

00:33:18,889 --> 00:33:16,620

Tim and the team go through this and and

772

00:33:21,830 --> 00:33:18,899

and vet and do what they have to do uh

773

00:33:25,009 --> 00:33:21,840

to get the story published what I'm more

774

00:33:27,350 --> 00:33:25,019

surprised about is how long it's taken

775

00:33:28,970 --> 00:33:27,360

for the rest of the media to pick up on

776

00:33:31,490 --> 00:33:28,980

this story

777

00:33:35,870 --> 00:33:31,500

um in a positive or negative light it it

778

00:33:37,730 --> 00:33:35,880

seems now it's it's it's catching on but

779

00:33:40,130 --> 00:33:37,740

this should have been headline news like

780

00:33:42,470 --> 00:33:40,140

you said the biggest news in in the

781

00:33:44,990 --> 00:33:42,480

history of mankind this should have been

782

00:33:48,230 --> 00:33:45,000

all over the place by Monday night

783

00:33:50,029 --> 00:33:48,240

I mean In fairness I think it was uh you

784

00:33:51,289 --> 00:33:50,039

know maybe not by Monday night but come

785

00:33:53,570 --> 00:33:51,299

Tuesday especially when it went on

786

00:33:55,610 --> 00:33:53,580

Drudge Report and and compliments for

787

00:33:57,769 --> 00:33:55,620

debrief that's the I watched I talk

788

00:33:59,389 --> 00:33:57,779

about the Drudge Report a lot I know

789

00:34:01,850 --> 00:33:59,399

that uh depending upon your political

790

00:34:03,590 --> 00:34:01,860

views uh you may or may not like that

791

00:34:05,810 --> 00:34:03,600

website but for me it's it's not about

792

00:34:08,389 --> 00:34:05,820

the politics it that is a coveted spot

793

00:34:12,190 --> 00:34:08,399

to be in in media and since UFOs are

794

00:34:15,530 --> 00:34:12,200

largely uh nonpartisan or bipartisan

795

00:34:17,930 --> 00:34:15,540

largely sometimes uh generally you will

796

00:34:20,570 --> 00:34:17,940

see those stories pop up on Drudge

797

00:34:22,310 --> 00:34:20,580

Report and it and for me I watch those

798

00:34:25,430 --> 00:34:22,320

types of news stories it gives me foia

799

00:34:28,129 --> 00:34:25,440

ideas well away from the UFO stuff gives

800

00:34:29,690 --> 00:34:28,139

me foia ideas for other uh types of of

801
00:34:31,609 --> 00:34:29,700
stories that are breaking stuff like

802
00:34:33,530 --> 00:34:31,619
that but when it comes to UFOs that's

803
00:34:35,869 --> 00:34:33,540
that's an awesome spot to be in because

804
00:34:38,270 --> 00:34:35,879
it doesn't run UFO stories all the time

805
00:34:41,030 --> 00:34:38,280
and debrief got their column one or

806
00:34:42,589 --> 00:34:41,040
excuse me column three position one so

807
00:34:43,790 --> 00:34:42,599
once that happened it was all over the

808
00:34:46,849 --> 00:34:43,800
place so maybe not Monday night but

809
00:34:49,550 --> 00:34:46,859
Tuesday it really started going Hog Wild

810
00:34:52,369 --> 00:34:49,560
and then as the the week progressed you

811
00:34:55,190 --> 00:34:52,379
saw quite a bit more there I think is

812
00:34:58,010 --> 00:34:55,200
going to be a interesting story unfold

813
00:35:00,650 --> 00:34:58,020

on why Washington Post was taking so

814

00:35:02,750 --> 00:35:00,660

long and Vanity Fair published an

815

00:35:04,670 --> 00:35:02,760

article earlier this morning which

816

00:35:07,310 --> 00:35:04,680

essentially focused Less on Russia's

817

00:35:11,210 --> 00:35:07,320

claims more on why didn't the New York

818

00:35:14,329 --> 00:35:11,220

Times cover this they are said to have

819

00:35:17,089 --> 00:35:14,339

said no and passed on it that was in the

820

00:35:19,490 --> 00:35:17,099

Vanity Fair well but did not submit an

821

00:35:21,349 --> 00:35:19,500

official comment to to Vanity Fair about

822

00:35:22,670 --> 00:35:21,359

that so it was said that New York Times

823

00:35:25,849 --> 00:35:22,680

passed it up

824

00:35:28,550 --> 00:35:25,859

Washington Post was in the process of

825

00:35:31,130 --> 00:35:28,560

vetting it so I think that this is an

826
00:35:32,630 --> 00:35:31,140
interesting aspect to the story because

827
00:35:34,970 --> 00:35:32,640
um based on what you just said and you

828
00:35:37,190 --> 00:35:34,980
think debrief is a prime spot for it I

829
00:35:38,990 --> 00:35:37,200
know those guys as well this is not

830
00:35:41,210 --> 00:35:39,000
supposed to be offensive whatsoever I'm

831
00:35:44,329 --> 00:35:41,220
sure it'll come off as that but I think

832
00:35:48,530 --> 00:35:44,339
a story of this magnitude should have

833
00:35:50,990 --> 00:35:48,540
been in a uh we'll call it Big you know

834
00:35:52,609 --> 00:35:51,000
bigger Masthead and and I want to I want

835
00:35:55,010 --> 00:35:52,619
to be really clear here that that's not

836
00:35:58,069 --> 00:35:55,020
meant to be disrespectful if grush came

837
00:35:59,930 --> 00:35:58,079
to me I would say the same thing I have

838
00:36:02,030 --> 00:35:59,940

seen stories over the years that yes

839

00:36:05,150 --> 00:36:02,040

people have come to me not actually UFO

840

00:36:06,470 --> 00:36:05,160

related but that's not what my site is

841

00:36:08,569 --> 00:36:06,480

about you know when you talk about

842

00:36:11,450 --> 00:36:08,579

whistleblower claims that can change

843

00:36:13,490 --> 00:36:11,460

Humanity I think that that should be

844

00:36:18,109 --> 00:36:13,500

something with a Masthead that has a

845

00:36:20,690 --> 00:36:18,119

well-established uh vetting process uh I

846

00:36:22,750 --> 00:36:20,700

won't say exactly who but I think a

847

00:36:25,250 --> 00:36:22,760

major organization

848

00:36:27,410 --> 00:36:25,260

was probably a better fit for such a

849

00:36:29,510 --> 00:36:27,420

magnitude yeah but and I just want to

850

00:36:31,790 --> 00:36:29,520

say one last thing though that is not

851
00:36:33,770 --> 00:36:31,800
meant to be disrespectful I don't really

852
00:36:35,750 --> 00:36:33,780
like those guys and that's not what I

853
00:36:38,150 --> 00:36:35,760
mean those guys are too cool and they

854
00:36:40,190 --> 00:36:38,160
know exactly their position in all of

855
00:36:43,329 --> 00:36:40,200
this and they know

856
00:36:46,910 --> 00:36:43,339
Christmas came early all right

857
00:36:50,810 --> 00:36:46,920
they're very thankful for that but but

858
00:36:53,030 --> 00:36:50,820
you you said something uh that Leslie

859
00:36:56,930 --> 00:36:53,040
mentioned or maybe it was Ralph doesn't

860
00:36:58,569 --> 00:36:56,940
matter the word pressure yeah who who

861
00:37:03,230 --> 00:36:58,579
who

862
00:37:05,270 --> 00:37:03,240
pressures Leslie Kane I I want to know

863
00:37:09,170 --> 00:37:05,280

who that person is because that person

864

00:37:10,550 --> 00:37:09,180

has NAD who who pressures Ralph

865

00:37:16,310 --> 00:37:10,560

Blumenthal

866

00:37:18,230 --> 00:37:16,320

I I don't why use that word and and and

867

00:37:20,390 --> 00:37:18,240

who do you think was applying that

868

00:37:24,050 --> 00:37:20,400

pressure I know you thought about this a

869

00:37:28,250 --> 00:37:24,060

lot I did yeah yeah yeah and and when I

870

00:37:30,109 --> 00:37:28,260

broadcast my video and and started it I

871

00:37:33,349 --> 00:37:30,119

had kind of let off with those tweets

872

00:37:35,210 --> 00:37:33,359

because when I had recorded it that was

873

00:37:36,950 --> 00:37:35,220

just unfolding they had posted it I

874

00:37:40,670 --> 00:37:36,960

posted out going well who's pressuring

875

00:37:43,010 --> 00:37:40,680

them now after I recorded my video they

876

00:37:46,670 --> 00:37:43,020

had dropped a video interview they did

877

00:37:48,890 --> 00:37:46,680

with Chrissy Newton from the debrief and

878

00:37:51,170 --> 00:37:48,900

uh let me say I mean she did a great job

879

00:37:53,150 --> 00:37:51,180

she had great questions

880

00:37:54,470 --> 00:37:53,160

um I don't say that often I wrote her

881

00:37:55,430 --> 00:37:54,480

actually I hope she doesn't mind me

882

00:37:56,750 --> 00:37:55,440

saying it but I mean I wrote her

883

00:37:58,190 --> 00:37:56,760

privately and complimented her I was

884

00:38:00,829 --> 00:37:58,200

like hey you asked some really good

885

00:38:02,390 --> 00:38:00,839

questions I I imagined just very much a

886

00:38:05,030 --> 00:38:02,400

kind of a

887

00:38:06,829 --> 00:38:05,040

um more of a softball interview and

888

00:38:08,630 --> 00:38:06,839

again also not meant to be disrespectful

889

00:38:11,089 --> 00:38:08,640

but they were just essentially plugging

890

00:38:13,069 --> 00:38:11,099

their own outfits articles so I didn't

891

00:38:14,990 --> 00:38:13,079

expect some harder questions and Chrissy

892

00:38:16,670 --> 00:38:15,000

was really good I mean she asked

893

00:38:20,270 --> 00:38:16,680

specifically about who was pressuring

894

00:38:21,770 --> 00:38:20,280

asked about David grush's kind of lack

895

00:38:25,010 --> 00:38:21,780

of evidence coming forward even called

896

00:38:27,829 --> 00:38:25,020

it hearsay and you can see Leslie Kane's

897

00:38:30,349 --> 00:38:27,839

reaction to the word being said as

898

00:38:32,030 --> 00:38:30,359

hearsay saying wait wait a minute and

899

00:38:34,310 --> 00:38:32,040

she kind of corrected it when I feel

900

00:38:36,170 --> 00:38:34,320

Chrissy was was spot on to ask it that

901
00:38:37,970 --> 00:38:36,180
way but in this interview they talked to

902
00:38:40,430 --> 00:38:37,980
the pressure and apparently the way

903
00:38:42,650 --> 00:38:40,440
Leslie Kane described it was that things

904
00:38:44,930 --> 00:38:42,660
were starting to leak David grush's name

905
00:38:47,030 --> 00:38:44,940
was actually said by Danny Sheehan who I

906
00:38:48,910 --> 00:38:47,040
know that you're friends with Danny

907
00:38:51,770 --> 00:38:48,920
Sheehan had said it in an interview

908
00:38:53,930 --> 00:38:51,780
where he named a couple names and and

909
00:38:56,390 --> 00:38:53,940
and said David grush and everybody was

910
00:38:59,569 --> 00:38:56,400
like wait what and

911
00:39:00,890 --> 00:38:59,579
um I really didn't think much of it uh

912
00:39:03,050 --> 00:39:00,900
at the time but I know a couple other

913
00:39:06,010 --> 00:39:03,060

people looked into it like hey who is

914

00:39:09,950 --> 00:39:06,020

this guy well apparently based on that

915

00:39:13,190 --> 00:39:09,960

uh there were according to Leslie Kane

916

00:39:15,950 --> 00:39:13,200

phone phone calls and then there was

917

00:39:18,190 --> 00:39:15,960

other banter about an FBI raid which

918

00:39:21,230 --> 00:39:18,200

doesn't make any sense to me whatsoever

919

00:39:23,030 --> 00:39:21,240

and then uh on top of that they were

920

00:39:25,670 --> 00:39:23,040

afraid that they would essentially get

921

00:39:27,470 --> 00:39:25,680

scooped which is understandable and then

922

00:39:30,050 --> 00:39:27,480

on top of all that they were afraid that

923

00:39:33,890 --> 00:39:30,060

they would before they even published

924

00:39:36,410 --> 00:39:33,900

would have somebody attack David grush

925

00:39:38,329 --> 00:39:36,420

in an attack piece and hurt his

926

00:39:40,490 --> 00:39:38,339

credibility before he ever really got

927

00:39:42,349 --> 00:39:40,500

out there I have my doubts on that but

928

00:39:45,230 --> 00:39:42,359

again and that's very paraphrased but

929

00:39:47,450 --> 00:39:45,240

that was from her interview so the

930

00:39:50,329 --> 00:39:47,460

culmination of that apparently was the

931

00:39:52,790 --> 00:39:50,339

pressure that to safeguard him because

932

00:39:55,790 --> 00:39:52,800

they wanted to protect him they wanted

933

00:39:57,890 --> 00:39:55,800

to rush this out and and get it printed

934

00:40:00,170 --> 00:39:57,900

so Washington Post is still going

935

00:40:01,670 --> 00:40:00,180

through their vetting process and they

936

00:40:04,910 --> 00:40:01,680

essentially fast tracked it and went to

937

00:40:08,089 --> 00:40:04,920

the debrief in that process my biggest

938

00:40:10,810 --> 00:40:08,099

question is was something sacrificed

939

00:40:13,970 --> 00:40:10,820

when it comes to the accuracy or vet

940

00:40:15,650 --> 00:40:13,980

process and I don't know if you want to

941

00:40:19,490 --> 00:40:15,660

get into this now but I think that the

942

00:40:21,650 --> 00:40:19,500

bodies the talk of the bodies is a prime

943

00:40:23,210 --> 00:40:21,660

example to support that

944

00:40:26,270 --> 00:40:23,220

how so

945

00:40:29,270 --> 00:40:26,280

in the interview with Chrissy Newton it

946

00:40:32,030 --> 00:40:29,280

had then aired on news nation that David

947

00:40:35,510 --> 00:40:32,040

grush was talking about dead pilots and

948

00:40:36,950 --> 00:40:35,520

bodies and again compliments to her she

949

00:40:40,010 --> 00:40:36,960

brought it up she's like wow this is

950

00:40:42,410 --> 00:40:40,020

like an explosive thing to say what what

951
00:40:45,410 --> 00:40:42,420
essentially what did you guys think and

952
00:40:47,930 --> 00:40:45,420
Leslie Kane was first to chime in and

953
00:40:50,990 --> 00:40:47,940
she says uh we don't want to talk about

954
00:40:54,950 --> 00:40:51,000
that that David grush apparently never

955
00:40:59,569 --> 00:40:54,960
mentioned or talked about that with them

956
00:41:01,670 --> 00:40:59,579
and uh even if he did they would not

957
00:41:05,569 --> 00:41:01,680
publish it

958
00:41:10,250 --> 00:41:05,579
now to me that is incredibly concerning

959
00:41:12,050 --> 00:41:10,260
to hear well okay now that's why it's

960
00:41:14,870 --> 00:41:12,060
important

961
00:41:16,750 --> 00:41:14,880
to get the timeline together when Ross

962
00:41:21,470 --> 00:41:16,760
did his interview

963
00:41:24,950 --> 00:41:21,480

versus uh what stage of things Leslie

964

00:41:26,750 --> 00:41:24,960

and Ralph were in with their article not

965

00:41:28,130 --> 00:41:26,760

only the publishing date which is June

966

00:41:31,130 --> 00:41:28,140

5th we understand that that was on

967

00:41:35,329 --> 00:41:31,140

Monday but the information gathered

968

00:41:38,750 --> 00:41:35,339

because clearly grush says you say news

969

00:41:43,490 --> 00:41:38,760

Nation let's go with Ross okay because

970

00:41:46,190 --> 00:41:43,500

this was handed off to news Nation

971

00:41:48,950 --> 00:41:46,200

um at Ross's interview

972

00:41:51,829 --> 00:41:48,960

um he says David grosh I'm paraphrasing

973

00:41:55,010 --> 00:41:51,839

he goes well of course you know if

974

00:41:56,750 --> 00:41:55,020

you've got craft like this some of them

975

00:41:59,930 --> 00:41:56,760

you would assume

976

00:42:01,810 --> 00:41:59,940

have Pilots right I mean that's that's

977

00:42:05,870 --> 00:42:01,820

what he says in the interview

978

00:42:09,109 --> 00:42:05,880

so did Leslie what what came first did

979

00:42:12,230 --> 00:42:09,119

the interview happen after Leslie and

980

00:42:14,210 --> 00:42:12,240

Ralph finished the story and they were

981

00:42:16,730 --> 00:42:14,220

not aware of this or was it the other

982

00:42:19,730 --> 00:42:16,740

way around so if you're okay so and

983

00:42:21,890 --> 00:42:19,740

that's again timeline is absolutely

984

00:42:23,329 --> 00:42:21,900

important I'm huge on timelines in fact

985

00:42:24,770 --> 00:42:23,339

I wrote down a bunch of chicken scratch

986

00:42:28,730 --> 00:42:24,780

to make sure that I keep everything

987

00:42:31,849 --> 00:42:28,740

straight here on your show so I not sure

988

00:42:33,770 --> 00:42:31,859

about Ross's date and also not sure like

989

00:42:36,290 --> 00:42:33,780

when when Leslie and Ralph started

990

00:42:38,810 --> 00:42:36,300

looking into this whistleblower but

991

00:42:41,210 --> 00:42:38,820

regardless of not knowing that timeline

992

00:42:42,710 --> 00:42:41,220

here's my concern if you're a

993

00:42:44,930 --> 00:42:42,720

whistleblower coming out with this

994

00:42:47,930 --> 00:42:44,940

information the fact that you have

995

00:42:50,329 --> 00:42:47,940

non-human craft as they called it and

996

00:42:51,230 --> 00:42:50,339

intact craft in the possession of the

997

00:42:53,329 --> 00:42:51,240

government

998

00:42:55,849 --> 00:42:53,339

that information is coming from again

999

00:42:59,809 --> 00:42:55,859

those confidential

1000

00:43:01,670 --> 00:42:59,819

um sources with classified information

1001
00:43:03,650 --> 00:43:01,680
on their end

1002
00:43:06,470 --> 00:43:03,660
the bodies are going to come from there

1003
00:43:09,730 --> 00:43:06,480
as well essentially meaning that it all

1004
00:43:12,589 --> 00:43:09,740
has the same weight yes of credibility

1005
00:43:14,150 --> 00:43:12,599
how much weight that is but still you

1006
00:43:16,250 --> 00:43:14,160
know still to be seen but it still has

1007
00:43:19,490 --> 00:43:16,260
the same weight so my whole point is is

1008
00:43:22,430 --> 00:43:19,500
that it doesn't matter if Leslie's or

1009
00:43:26,150 --> 00:43:22,440
Ralph specifically or directly asked

1010
00:43:28,069 --> 00:43:26,160
asked Rush hey were there bodies you

1011
00:43:31,550 --> 00:43:28,079
would think that the Whistleblower

1012
00:43:35,210 --> 00:43:31,560
aiming to get his story out would give

1013
00:43:37,190 --> 00:43:35,220

that story non-human craft intact craft

1014

00:43:39,890 --> 00:43:37,200

debris and and so on in possession of

1015

00:43:43,309 --> 00:43:39,900

the US government and bodies that is the

1016

00:43:46,970 --> 00:43:43,319

most explosive part of that craziest

1017

00:43:49,670 --> 00:43:46,980

part now okay so and but this is this is

1018

00:43:51,670 --> 00:43:49,680

where I'm going with this John and I'm

1019

00:43:54,349 --> 00:43:51,680

very confused

1020

00:43:57,770 --> 00:43:54,359

he says now I'm just trying to be

1021

00:44:02,089 --> 00:43:57,780

logical just logic

1022

00:44:05,510 --> 00:44:02,099

he says that he provided the IG in his

1023

00:44:09,710 --> 00:44:05,520

complaint all of the supporting evidence

1024

00:44:13,370 --> 00:44:09,720

for this bodies and craft that's what he

1025

00:44:18,589 --> 00:44:13,380

says any any lawyered up now are are we

1026
00:44:21,710 --> 00:44:18,599
to assume that Leslie and Ralph and

1027
00:44:23,809 --> 00:44:21,720
maybe even Ross haven't seen copies of

1028
00:44:27,589 --> 00:44:23,819
this complaint is this complaint under

1029
00:44:29,329 --> 00:44:27,599
seal I I would doubt that well it's

1030
00:44:33,230 --> 00:44:29,339
unclassified and they said that they saw

1031
00:44:37,309 --> 00:44:33,240
it because they they had our bodies

1032
00:44:40,630 --> 00:44:37,319
mentioned to the IG either IG because

1033
00:44:43,190 --> 00:44:40,640
apparently there's two involved

1034
00:44:44,990 --> 00:44:43,200
150 percent awesome question that I'd

1035
00:44:48,430 --> 00:44:45,000
love to get answered and I reached out

1036
00:44:52,010 --> 00:44:48,440
to Leslie and Ralph to ask directly

1037
00:44:53,569 --> 00:44:52,020
about not only that but a couple of

1038
00:44:55,250 --> 00:44:53,579

other things but I didn't list my

1039

00:44:57,950 --> 00:44:55,260

questions yet I reached out I introduced

1040

00:44:59,750 --> 00:44:57,960

myself I said I'm I'm not interested in

1041

00:45:01,430 --> 00:44:59,760

you know trying to make anybody look bad

1042

00:45:03,950 --> 00:45:01,440

I said I just think that there's a short

1043

00:45:05,510 --> 00:45:03,960

list of questions uh that I would love

1044

00:45:07,609 --> 00:45:05,520

to to see if you guys would do an

1045

00:45:09,650 --> 00:45:07,619

interview for and Ralph was the only one

1046

00:45:11,870 --> 00:45:09,660

that responded and let me stress he was

1047

00:45:15,230 --> 00:45:11,880

very professional very nice uh very

1048

00:45:16,670 --> 00:45:15,240

cordial there was no no nothing bad uh

1049

00:45:19,450 --> 00:45:16,680

said he would get back to me the next

1050

00:45:22,250 --> 00:45:19,460

day uh which he did and turned it down

1051

00:45:23,809 --> 00:45:22,260

uh they just didn't have time which is

1052

00:45:26,150 --> 00:45:23,819

fine nobody owes me anything I'm a

1053

00:45:28,430 --> 00:45:26,160

nobody that's all good so I wrote back

1054

00:45:31,609 --> 00:45:28,440

and I said hey you know I totally

1055

00:45:34,370 --> 00:45:31,619

understand would you mind if I emailed

1056

00:45:36,050 --> 00:45:34,380

some questions and I said I'll work very

1057

00:45:37,550 --> 00:45:36,060

hard not to ask you anything that you've

1058

00:45:40,670 --> 00:45:37,560

already answered you know in a podcast

1059

00:45:43,069 --> 00:45:40,680

or or the the the debrief uh interview

1060

00:45:44,510 --> 00:45:43,079

that you did I said so to minimize your

1061

00:45:47,089 --> 00:45:44,520

time I I said I just think that there's

1062

00:45:48,589 --> 00:45:47,099

some hopefully not not

1063

00:45:49,849 --> 00:45:48,599

um questions that you can't answer

1064

00:45:51,530 --> 00:45:49,859

meaning I don't want to waste your time

1065

00:45:52,849 --> 00:45:51,540

with stuff that you know is trying to

1066

00:45:54,109 --> 00:45:52,859

reveal a source or something like that

1067

00:45:55,069 --> 00:45:54,119

like that's not where I was going with

1068

00:45:56,990 --> 00:45:55,079

it

1069

00:45:58,609 --> 00:45:57,000

um but asked would that be okay and he

1070

00:45:59,930 --> 00:45:58,619

wrote back and essentially he said no

1071

00:46:03,770 --> 00:45:59,940

that won't work either

1072

00:46:05,510 --> 00:46:03,780

so for me that that makes figuring out

1073

00:46:07,550 --> 00:46:05,520

some of these questions very very hard

1074

00:46:09,230 --> 00:46:07,560

when they say that they saw the

1075

00:46:11,150 --> 00:46:09,240

unclassified complaint one of my biggest

1076
00:46:14,390 --> 00:46:11,160
questions is why don't you drop it down

1077
00:46:16,370 --> 00:46:14,400
on your article and the of course there

1078
00:46:18,410 --> 00:46:16,380
are going to be names in there that they

1079
00:46:19,670 --> 00:46:18,420
should redact right so all the the

1080
00:46:22,069 --> 00:46:19,680
personally identifying information

1081
00:46:24,109 --> 00:46:22,079
absolutely take that out if there are

1082
00:46:26,990 --> 00:46:24,119
sections that you can deduce who someone

1083
00:46:30,170 --> 00:46:27,000
is of course take that out but let's see

1084
00:46:32,690 --> 00:46:30,180
what this complaint is because you're

1085
00:46:34,730 --> 00:46:32,700
already blasting it out all over the

1086
00:46:37,250 --> 00:46:34,740
media so you obviously want this out

1087
00:46:39,349 --> 00:46:37,260
there why don't we put it out but more

1088
00:46:42,589 --> 00:46:39,359

so than that the paperwork of what he

1089

00:46:45,050 --> 00:46:42,599

was approved to say which both Ralph and

1090

00:46:50,210 --> 00:46:45,060

Leslie in their article state that on

1091

00:46:53,569 --> 00:46:50,220

April 4th and the 6th of 2023 David

1092

00:46:56,329 --> 00:46:53,579

grush was authorized by dobster to say

1093

00:46:58,370 --> 00:46:56,339

the statements that he did to the media

1094

00:47:01,910 --> 00:46:58,380

that's what we were told in the debrief

1095

00:47:04,309 --> 00:47:01,920

article why now I am more interested in

1096

00:47:06,470 --> 00:47:04,319

the doctor paperwork is I want to see

1097

00:47:08,750 --> 00:47:06,480

what was he approved to say because if

1098

00:47:10,309 --> 00:47:08,760

it says bodies Leslie and Ralph said

1099

00:47:13,730 --> 00:47:10,319

that they saw the paperwork

1100

00:47:16,550 --> 00:47:13,740

so so in that confirmation process you

1101
00:47:17,870 --> 00:47:16,560
would have saw bodies and I want to know

1102
00:47:19,790 --> 00:47:17,880
if they did

1103
00:47:21,170 --> 00:47:19,800
and then the second part of that is why

1104
00:47:22,849 --> 00:47:21,180
would you leave it out that is an

1105
00:47:25,730 --> 00:47:22,859
explosive claim that I'll say it again

1106
00:47:28,970 --> 00:47:25,740
has the same exact weight as all other

1107
00:47:30,829 --> 00:47:28,980
elements of your story if she wants to

1108
00:47:34,069 --> 00:47:30,839
claim that she just doesn't want to deal

1109
00:47:37,010 --> 00:47:34,079
with bodies which I don't know why but

1110
00:47:38,809 --> 00:47:37,020
just deal with craft that's fine but now

1111
00:47:41,210 --> 00:47:38,819
she's saying she never heard it so in

1112
00:47:44,150 --> 00:47:41,220
the entire vetting process

1113
00:47:46,990 --> 00:47:44,160

her claim is that David grush never

1114

00:47:51,609 --> 00:47:47,000

talked to her about bodies

1115

00:47:54,170 --> 00:47:51,619

why that to me is is one of the biggest

1116

00:47:56,270 --> 00:47:54,180

explosive things to say

1117

00:47:59,030 --> 00:47:56,280

and the fact that you are going to

1118

00:48:00,230 --> 00:47:59,040

journalists and giving them the

1119

00:48:01,670 --> 00:48:00,240

information

1120

00:48:05,210 --> 00:48:01,680

and in fact I don't know if you want to

1121

00:48:07,130 --> 00:48:05,220

get into this but in August of 2022 it

1122

00:48:09,050 --> 00:48:07,140

was said that he was already talking to

1123

00:48:12,650 --> 00:48:09,060

people at a Star Trek convention

1124

00:48:14,210 --> 00:48:12,660

including talking to George Knapp and

1125

00:48:17,870 --> 00:48:14,220

Jeremy Corbell

1126
00:48:19,609 --> 00:48:17,880
and that essentially I mean they claim

1127
00:48:21,589 --> 00:48:19,619
meaning Corbell and nap are going to

1128
00:48:23,809 --> 00:48:21,599
talk about this in the next week or so

1129
00:48:27,170 --> 00:48:23,819
I'm looking forward to that but

1130
00:48:31,190 --> 00:48:27,180
obviously Jeremy confirmed that there's

1131
00:48:34,490 --> 00:48:31,200
a story behind this August 2022 meeting

1132
00:48:37,430 --> 00:48:34,500
and so that intrigues me because he was

1133
00:48:39,470 --> 00:48:37,440
not cleared to talk about anything until

1134
00:48:41,690 --> 00:48:39,480
April of this year

1135
00:48:43,970 --> 00:48:41,700
so how long was he out there shopping

1136
00:48:45,349 --> 00:48:43,980
this around and what was he shopping

1137
00:48:47,390 --> 00:48:45,359
around

1138
00:48:49,849 --> 00:48:47,400

so I'm eager to hear that part of the

1139

00:48:52,010 --> 00:48:49,859

story it's a kind of an Unwritten puzzle

1140

00:48:53,089 --> 00:48:52,020

piece here no again that dobster

1141

00:48:55,490 --> 00:48:53,099

paperwork's gonna be incredibly

1142

00:48:58,609 --> 00:48:55,500

important yeah yeah yeah yeah it is

1143

00:49:01,130 --> 00:48:58,619

it is it is uh except and this is where

1144

00:49:05,030 --> 00:49:01,140

I go into accept and and all I'm trying

1145

00:49:09,349 --> 00:49:05,040

to do is ask the right questions right

1146

00:49:11,870 --> 00:49:09,359

to me it comes down to when did he file

1147

00:49:13,970 --> 00:49:11,880

with the ig's office

1148

00:49:15,770 --> 00:49:13,980

because answer that one for you okay

1149

00:49:18,109 --> 00:49:15,780

when did he file with the iit's office

1150

00:49:21,170 --> 00:49:18,119

so from from what I understand of the

1151

00:49:23,930 --> 00:49:21,180

timeline it was July of 2021 that he

1152

00:49:26,089 --> 00:49:23,940

originally gave all this information to

1153

00:49:28,550 --> 00:49:26,099

the Department of Defense Inspector

1154

00:49:30,050 --> 00:49:28,560

General when it came to the claims that

1155

00:49:35,210 --> 00:49:30,060

some of which that we are hearing about

1156

00:49:36,710 --> 00:49:35,220

now post July of 2021 was when he

1157

00:49:39,530 --> 00:49:36,720

started what he felt was getting

1158

00:49:43,430 --> 00:49:39,540

repercussions from that

1159

00:49:47,450 --> 00:49:43,440

uh fast forward to then

1160

00:49:49,970 --> 00:49:47,460

the beginning of 2022 apparently he was

1161

00:49:51,609 --> 00:49:49,980

speaking to members of Congress right so

1162

00:49:55,010 --> 00:49:51,619

that was the beginning beginning of

1163

00:49:58,270 --> 00:49:55,020

2022. he filed the complaint I think you

1164

00:50:01,130 --> 00:49:58,280

are now referencing in May of

1165

00:50:03,710 --> 00:50:01,140

2022. stop right there stop right here

1166

00:50:05,630 --> 00:50:03,720

and I I brought this up to you earlier

1167

00:50:07,849 --> 00:50:05,640

today

1168

00:50:10,730 --> 00:50:07,859

um and that that fits the timeline that

1169

00:50:13,609 --> 00:50:10,740

you and I were talking about earlier so

1170

00:50:15,589 --> 00:50:13,619

if if that is indeed the case now I

1171

00:50:18,050 --> 00:50:15,599

don't want to be some kind of Insider

1172

00:50:20,589 --> 00:50:18,060

you know everybody to stay off my back

1173

00:50:24,170 --> 00:50:20,599

with this but I knew this information

1174

00:50:26,809 --> 00:50:24,180

and my point now is the same point that

1175

00:50:28,609 --> 00:50:26,819

I brought up to you earlier today once

1176

00:50:30,829 --> 00:50:28,619

you file that complaint

1177

00:50:33,170 --> 00:50:30,839

you can go to the Star Trek convention

1178

00:50:35,030 --> 00:50:33,180

or you can go out in the middle of the

1179

00:50:36,950 --> 00:50:35,040

street and start yelling about this

1180

00:50:39,650 --> 00:50:36,960

story I don't think you have to wait for

1181

00:50:41,030 --> 00:50:39,660

dops or you have to wait for dobster to

1182

00:50:47,510 --> 00:50:41,040

see if you're going to stay out of jail

1183

00:50:50,089 --> 00:50:47,520

all right but but yeah for him going to

1184

00:50:52,210 --> 00:50:50,099

um Corbell or anybody else and Corbell

1185

00:50:54,829 --> 00:50:52,220

not reacting to it

1186

00:50:56,809 --> 00:50:54,839

Corbell had the scoop of the century in

1187

00:50:58,730 --> 00:50:56,819

front of the New York Times and so did

1188

00:51:01,910 --> 00:50:58,740

George Knapp

1189

00:51:03,770 --> 00:51:01,920

um and ahead of the debrief why would

1190

00:51:06,230 --> 00:51:03,780

they choose to pass on it it's not

1191

00:51:08,530 --> 00:51:06,240

dobster that is going to stop that I

1192

00:51:10,970 --> 00:51:08,540

there's no way

1193

00:51:13,250 --> 00:51:10,980

dobster wouldn't stop the New York Times

1194

00:51:15,650 --> 00:51:13,260

you would run with the story if you're

1195

00:51:17,030 --> 00:51:15,660

going to vet it three times you're going

1196

00:51:18,349 --> 00:51:17,040

to run technically the New York Times

1197

00:51:22,250 --> 00:51:18,359

shouldn't know about the story until

1198

00:51:25,069 --> 00:51:22,260

dopps are signed off I'm not saying but

1199

00:51:29,210 --> 00:51:25,079

you understand my point here you know

1200

00:51:34,609 --> 00:51:29,220

once that IG why are we waiting my point

1201

00:51:38,210 --> 00:51:34,619

John until June 5th of 2023 to get the

1202

00:51:43,930 --> 00:51:38,220

story if the IG complaint was filed over

1203

00:51:47,930 --> 00:51:46,609

okay there's a couple ways to to look at

1204

00:51:50,569 --> 00:51:47,940

this part of what you're saying I'm

1205

00:51:52,190 --> 00:51:50,579

going to respectfully disagree with we

1206

00:51:55,130 --> 00:51:52,200

know that there's an unclassified

1207

00:51:57,829 --> 00:51:55,140

complaint that the journalists have seen

1208

00:51:59,990 --> 00:51:57,839

now they call it unclassified was that

1209

00:52:01,490 --> 00:52:00,000

reviewed I do not believe so because I

1210

00:52:04,069 --> 00:52:01,500

haven't seen any reference to the fact

1211

00:52:06,170 --> 00:52:04,079

that it was but I believe that grush

1212

00:52:07,970 --> 00:52:06,180

believed that everything that he put on

1213

00:52:11,089 --> 00:52:07,980

there was unclassified now keep in mind

1214

00:52:14,390 --> 00:52:11,099

his complaint was less about alien you

1215

00:52:17,089 --> 00:52:14,400

know non-human craft if you will and

1216

00:52:19,430 --> 00:52:17,099

more so about the reprisals that he was

1217

00:52:21,170 --> 00:52:19,440

that he was kind of getting and and the

1218

00:52:24,170 --> 00:52:21,180

stuff that he turned over in July of

1219

00:52:25,910 --> 00:52:24,180

2021 from there on out those kind of

1220

00:52:28,490 --> 00:52:25,920

repercussions of his actions so that's

1221

00:52:31,010 --> 00:52:28,500

more of what that complaint was about so

1222

00:52:32,270 --> 00:52:31,020

it's quite possible that he was truly

1223

00:52:35,030 --> 00:52:32,280

unclassified that he was just kind of

1224

00:52:38,150 --> 00:52:35,040

making a claim could he go out and talk

1225

00:52:41,569 --> 00:52:38,160

about stuff that included non-human

1226

00:52:43,430 --> 00:52:41,579

craft bodies wreckage intact crap and

1227

00:52:46,370 --> 00:52:43,440

possession of the documents could he

1228

00:52:49,490 --> 00:52:46,380

absolutely is it a huge risk absolutely

1229

00:52:51,410 --> 00:52:49,500

he's a clearance holder and at that

1230

00:52:54,349 --> 00:52:51,420

point even at the Star Trek convention

1231

00:52:58,670 --> 00:52:54,359

in August the Department of Defense

1232

00:53:00,589 --> 00:52:58,680

never clear him to go out and again if

1233

00:53:04,430 --> 00:53:00,599

the rumors are true and to be believed

1234

00:53:06,589 --> 00:53:04,440

you can't go out and summarize heavily

1235

00:53:08,750 --> 00:53:06,599

classified programs because according to

1236

00:53:11,510 --> 00:53:08,760

him all of this is heavily classified

1237

00:53:13,970 --> 00:53:11,520

and there's a lot of material you can't

1238

00:53:15,770 --> 00:53:13,980

do that and that is a big part of this

1239

00:53:18,470 --> 00:53:15,780

story that I think many people ignore

1240

00:53:20,390 --> 00:53:18,480

you cannot take a special Access program

1241

00:53:22,549 --> 00:53:20,400

or an unacknowledged special Access

1242

00:53:24,549 --> 00:53:22,559

program or anything of high

1243

00:53:27,109 --> 00:53:24,559

classification

1244

00:53:29,990 --> 00:53:27,119

summarize it go out and talk about it

1245

00:53:31,309 --> 00:53:30,000

and make it okay right you can't do that

1246

00:53:33,710 --> 00:53:31,319

just because you're not giving a program

1247

00:53:35,390 --> 00:53:33,720

name or showing a document

1248

00:53:37,730 --> 00:53:35,400

all of that information is still

1249

00:53:39,049 --> 00:53:37,740

inherently classified due to the

1250

00:53:41,329 --> 00:53:39,059

sensitive nature of what you're talking

1251
00:53:43,490 --> 00:53:41,339
about I always use the stealth aircraft

1252
00:53:46,970 --> 00:53:43,500
analogy go back in time to when the

1253
00:53:49,370 --> 00:53:46,980
F-117 was not made available to the

1254
00:53:51,410 --> 00:53:49,380
public right you cannot from Lockheed

1255
00:53:54,829 --> 00:53:51,420
Martin go okay I'm gonna go talk to the

1256
00:53:57,349 --> 00:53:54,839
media tell them about a fighter not name

1257
00:53:59,930 --> 00:53:57,359
it but say it can evade radar it's made

1258
00:54:01,250 --> 00:53:59,940
with special material it's completely on

1259
00:54:04,190 --> 00:54:01,260
the black budget this down the other

1260
00:54:05,990 --> 00:54:04,200
thing no you can't do that those are all

1261
00:54:08,150 --> 00:54:06,000
classified programs so just because you

1262
00:54:10,609 --> 00:54:08,160
summarize it doesn't mean you can start

1263
00:54:13,730 --> 00:54:10,619

going out and blabbing about it so when

1264

00:54:15,530 --> 00:54:13,740

he's going out and it sounds like I'm

1265

00:54:17,329 --> 00:54:15,540

eager to hear a nap and corbell's story

1266

00:54:20,450 --> 00:54:17,339

so I'm not going to jump to any

1267

00:54:22,670 --> 00:54:20,460

conclusions there but obviously people

1268

00:54:25,730 --> 00:54:22,680

are posting online that they got to meet

1269

00:54:27,650 --> 00:54:25,740

The Whistleblower through George Knapp

1270

00:54:30,650 --> 00:54:27,660

and Jeremy Corbell at this convention

1271

00:54:32,569 --> 00:54:30,660

and Jeremy Corbell retweeted that and

1272

00:54:34,190 --> 00:54:32,579

said yes George Knapp and I were going

1273

00:54:35,750 --> 00:54:34,200

to come out with a story we're

1274

00:54:37,609 --> 00:54:35,760

essentially going to let this play out a

1275

00:54:39,290 --> 00:54:37,619

little bit I'm eager to hear that

1276
00:54:41,569 --> 00:54:39,300
because Jeremy's all over the news as

1277
00:54:44,089 --> 00:54:41,579
well kind of throwing his support to The

1278
00:54:46,670 --> 00:54:44,099
Whistleblower so clearly he knew the

1279
00:54:48,890 --> 00:54:46,680
story I mean I I don't I'm not I'm ex

1280
00:54:51,770 --> 00:54:48,900
I'm not expecting a wow we met this guy

1281
00:54:54,950 --> 00:54:51,780
and had coffee but had no idea who he

1282
00:54:57,109 --> 00:54:54,960
was I don't buy that at all so obviously

1283
00:55:00,049 --> 00:54:57,119
The Whistleblower was out shopping the

1284
00:55:03,470 --> 00:55:00,059
story uh trying to get media coverage

1285
00:55:05,690 --> 00:55:03,480
from those names that we see a lot in

1286
00:55:07,910 --> 00:55:05,700
the mainstream media and that to me is

1287
00:55:10,150 --> 00:55:07,920
problematic I don't think that you see

1288
00:55:13,750 --> 00:55:10,160

that a lot with whistleblowers and other

1289

00:55:17,450 --> 00:55:13,760

in other topics you know

1290

00:55:20,589 --> 00:55:17,460

Orthodox when did David's employment

1291

00:55:24,829 --> 00:55:20,599

with the US government officially end

1292

00:55:27,829 --> 00:55:24,839

uh it was uh I think April of this year

1293

00:55:28,849 --> 00:55:27,839

April of this year yeah I want to make

1294

00:55:30,410 --> 00:55:28,859

sure I have that right because it's not

1295

00:55:33,829 --> 00:55:30,420

written now

1296

00:55:36,170 --> 00:55:33,839

now was he a contractor or was he a

1297

00:55:37,970 --> 00:55:36,180

government employee

1298

00:55:40,390 --> 00:55:37,980

um well that's kind of like the the

1299

00:55:43,490 --> 00:55:40,400

section that I'm not sure I can tell you

1300

00:55:48,650 --> 00:55:43,500

that he was the representative to the

1301
00:55:51,109 --> 00:55:48,660
UAP task force from 2019 to 2021 for the

1302
00:55:55,970 --> 00:55:51,119
national reconnaissance office then from

1303
00:55:58,690 --> 00:55:55,980
late 2021 to July of 2022 he was what

1304
00:56:03,410 --> 00:55:58,700
was called the co-lead for UAP analysis

1305
00:56:06,170 --> 00:56:03,420
for the NGA so with all of that said

1306
00:56:09,770 --> 00:56:06,180
that puts him around

1307
00:56:12,710 --> 00:56:09,780
when the IG considered his complaint

1308
00:56:15,410 --> 00:56:12,720
credible and essentially urgent that was

1309
00:56:17,930 --> 00:56:15,420
a uh two months after he filed it with

1310
00:56:23,109 --> 00:56:17,940
them and that's when his tenure there

1311
00:56:26,890 --> 00:56:23,119
ended from July of 2022 uh to uh again

1312
00:56:29,750 --> 00:56:26,900
uh 2023 was when he left government

1313
00:56:31,790 --> 00:56:29,760

I don't know if that is known I don't

1314

00:56:34,730 --> 00:56:31,800

recall that from the article no what

1315

00:56:36,170 --> 00:56:34,740

what month of 2023 did he leave that's

1316

00:56:37,790 --> 00:56:36,180

what I'm trying to see in the article I

1317

00:56:39,410 --> 00:56:37,800

know it's okay all right all right all

1318

00:56:43,790 --> 00:56:39,420

right all right

1319

00:56:46,970 --> 00:56:43,800

um and so he would have been again

1320

00:56:48,910 --> 00:56:46,980

looking at this and we need uh

1321

00:56:51,410 --> 00:56:48,920

April 7

1322

00:56:53,450 --> 00:56:51,420

2023. yeah let me read it to make sure

1323

00:56:57,109 --> 00:56:53,460

that I I have this right grush left the

1324

00:57:02,150 --> 00:56:57,119

government left the government on April

1325

00:57:03,950 --> 00:57:02,160

7 2023 in order he said to advance to

1326
00:57:06,890 --> 00:57:03,960
advance government accountability

1327
00:57:08,630 --> 00:57:06,900
through public awareness he remains well

1328
00:57:09,829 --> 00:57:08,640
supported with an intelligent circles

1329
00:57:12,349 --> 00:57:09,839
and numerous sources of vouchers

1330
00:57:13,670 --> 00:57:12,359
credibility that means that it was the

1331
00:57:17,030 --> 00:57:13,680
day after

1332
00:57:22,069 --> 00:57:17,040
the second clearance from dobster right

1333
00:57:23,569 --> 00:57:22,079
okay so that puts him at the Star Trek

1334
00:57:28,190 --> 00:57:23,579
convention

1335
00:57:30,849 --> 00:57:28,200
as a government employee for the NGO

1336
00:57:34,549 --> 00:57:30,859
well in in August of

1337
00:57:37,250 --> 00:57:34,559
2022 yeah that was a month after he

1338
00:57:39,650 --> 00:57:37,260

stopped uh for according to the article

1339

00:57:41,089 --> 00:57:39,660

anyway right it was a month after he

1340

00:57:43,430 --> 00:57:41,099

stopped being the co-lead for UAP

1341

00:57:46,609 --> 00:57:43,440

analysis at the NGA but was he still in

1342

00:57:48,470 --> 00:57:46,619

the NGA was the UAP task force disbanded

1343

00:57:51,230 --> 00:57:48,480

at that point and then there was no need

1344

00:57:52,490 --> 00:57:51,240

and arrow was taking over creating their

1345

00:57:55,549 --> 00:57:52,500

own

1346

00:57:56,809 --> 00:57:55,559

you know working Network that's that's a

1347

00:57:59,329 --> 00:57:56,819

possibility so maybe he did something

1348

00:58:02,390 --> 00:57:59,339

else for NGA that's kind of a stop Gap

1349

00:58:04,370 --> 00:58:02,400

in his in his timeline when it comes to

1350

00:58:06,349 --> 00:58:04,380

his employment as far as I'm concerned

1351

00:58:08,990 --> 00:58:06,359

if that's somewhere please guys you know

1352

00:58:10,250 --> 00:58:09,000

don't don't crucify me uh just let me

1353

00:58:13,130 --> 00:58:10,260

know and I'm happy to update the

1354

00:58:17,270 --> 00:58:13,140

timeline I'm just trying to get into uh

1355

00:58:21,890 --> 00:58:17,280

David's head maybe he was technically

1356

00:58:26,089 --> 00:58:21,900

unemployed for four weeks and and he

1357

00:58:28,970 --> 00:58:26,099

could have uh shopped a book deal I

1358

00:58:31,309 --> 00:58:28,980

is that possible I mean you're going

1359

00:58:33,530 --> 00:58:31,319

there I'm not going to go there yet

1360

00:58:36,349 --> 00:58:33,540

um but but what I will say is according

1361

00:58:40,789 --> 00:58:36,359

to the article should it be believed uh

1362

00:58:46,250 --> 00:58:40,799

you're looking at an April 7 2023

1363

00:58:48,589 --> 00:58:46,260

uh exit from the U.S government so so

1364

00:58:50,270 --> 00:58:48,599

if if all that is true we don't know

1365

00:58:51,890 --> 00:58:50,280

what he was doing for the NGA isn't it

1366

00:58:53,750 --> 00:58:51,900

but he was you know obviously a

1367

00:58:56,030 --> 00:58:53,760

intelligence officer so I'm sure that

1368

00:58:57,589 --> 00:58:56,040

they had some other thing for him to do

1369

00:58:59,210 --> 00:58:57,599

and it might not be relevant to this

1370

00:59:02,450 --> 00:58:59,220

particular story but that is kind of a

1371

00:59:04,789 --> 00:59:02,460

gap in exactly exactly but for me it's

1372

00:59:06,530 --> 00:59:04,799

it's kind of that red flag I mean I

1373

00:59:09,049 --> 00:59:06,540

don't know any lawyered up I don't think

1374

00:59:11,390 --> 00:59:09,059

that that was uh in the article I'll

1375

00:59:14,270 --> 00:59:11,400

kind of quickly look uh at it out of

1376

00:59:16,309 --> 00:59:14,280

this side of my eye here but uh when he

1377

00:59:19,250 --> 00:59:16,319

essentially you know lawyered up but but

1378

00:59:22,970 --> 00:59:19,260

obviously the complaint where he had the

1379

00:59:24,770 --> 00:59:22,980

attorney uh that was likely May 2022 or

1380

00:59:27,349 --> 00:59:24,780

before because we were told in the

1381

00:59:29,990 --> 00:59:27,359

article the attorney wrote that on his

1382

00:59:33,069 --> 00:59:30,000

behalf and there are Graphics that

1383

00:59:36,230 --> 00:59:33,079

although the documents have not been

1384

00:59:40,069 --> 00:59:36,240

uh seen or released

1385

00:59:42,410 --> 00:59:40,079

there is a flash of it on news Nation on

1386

00:59:45,170 --> 00:59:42,420

one of their Clips where they took and

1387

00:59:46,970 --> 00:59:45,180

it's undated uh so we have to go by the

1388

00:59:50,329 --> 00:59:46,980

article I wish there was a date on it

1389

00:59:52,970 --> 00:59:50,339

but they fan the what they call the

1390

00:59:56,150 --> 00:59:52,980

disclosure of urgent concerns complaint

1391

00:59:58,130 --> 00:59:56,160

of reprisal so that is what he submitted

1392

01:00:00,170 --> 00:59:58,140

to the intelligence communities

1393

01:00:03,710 --> 01:00:00,180

Inspector General office or what we call

1394

01:00:05,569 --> 01:00:03,720

the icig and so you see a fan of the

1395

01:00:09,410 --> 01:00:05,579

documents you can see the first page

1396

01:00:12,230 --> 01:00:09,420

can't do deduce the date and really kind

1397

01:00:13,849 --> 01:00:12,240

of can't I mean you can read it but you

1398

01:00:16,069 --> 01:00:13,859

know it's it's nothing like really the

1399

01:00:18,109 --> 01:00:16,079

revealing of the story I'd like to read

1400

01:00:20,030 --> 01:00:18,119

the whole thing I mean obviously they're

1401
01:00:22,670 --> 01:00:20,040
giving this document to a news channel

1402
01:00:23,990 --> 01:00:22,680
to create a graphic so I I don't think

1403
01:00:26,270 --> 01:00:24,000
we're dealing with classified

1404
01:00:27,770 --> 01:00:26,280
information here so why not release it

1405
01:00:30,289 --> 01:00:27,780
again with personally identifying

1406
01:00:32,270 --> 01:00:30,299
information redacted of course please

1407
01:00:34,910 --> 01:00:32,280
you know that I'm a full advocate for

1408
01:00:37,010 --> 01:00:34,920
that so Safeguard people that are

1409
01:00:39,170 --> 01:00:37,020
mentioned or anything like that but

1410
01:00:40,670 --> 01:00:39,180
release it let's let's see it I mean if

1411
01:00:43,130 --> 01:00:40,680
you're going to blow this story wide

1412
01:00:45,650 --> 01:00:43,140
open I think that's a major piece of the

1413
01:00:47,750 --> 01:00:45,660

puzzle that the general public should at

1414

01:00:50,270 --> 01:00:47,760

least see but more so than that the

1415

01:00:52,130 --> 01:00:50,280

dobster paperwork that cleared him but

1416

01:00:54,049 --> 01:00:52,140

didn't clear him until April so now

1417

01:00:56,530 --> 01:00:54,059

we're putting on the timeline that he

1418

01:00:59,089 --> 01:00:56,540

was out at a convention

1419

01:01:00,770 --> 01:00:59,099

people are alluding to him shopping the

1420

01:01:02,630 --> 01:01:00,780

story around or talking about it and

1421

01:01:04,910 --> 01:01:02,640

that was a big No-No what if dobster

1422

01:01:06,109 --> 01:01:04,920

came back and said oh no we're sorry

1423

01:01:08,569 --> 01:01:06,119

you're encroaching on classified

1424

01:01:11,030 --> 01:01:08,579

territory territory and denied the

1425

01:01:12,530 --> 01:01:11,040

request what would happen then well I

1426

01:01:16,130 --> 01:01:12,540

mean so now he's out at conventions

1427

01:01:19,069 --> 01:01:16,140

talking about it yeah so yeah and on

1428

01:01:22,970 --> 01:01:19,079

news nation and Ross and and everything

1429

01:01:25,730 --> 01:01:22,980

else but but they can't

1430

01:01:28,190 --> 01:01:25,740

they can't they cannot say you cannot be

1431

01:01:32,150 --> 01:01:28,200

talking about alien bodies you cannot be

1432

01:01:35,390 --> 01:01:32,160

talking about uh uh flying saucers

1433

01:01:38,390 --> 01:01:35,400

because then everything is legit and

1434

01:01:40,670 --> 01:01:38,400

he's he he's he's elevated to Martyr

1435

01:01:42,950 --> 01:01:40,680

status I I just don't think they can go

1436

01:01:45,530 --> 01:01:42,960

there John stay right there got to take

1437

01:01:48,470 --> 01:01:45,540

a quick break this is Fade to Black I'm

1438

01:01:50,390 --> 01:01:48,480

your host Jimmy Church stay with us

1439

01:01:52,670 --> 01:01:50,400

this is Jimmy Church of Fade to Black

1440

01:01:54,890 --> 01:01:52,680

please visit all of our sponsors we're

1441

01:01:56,569 --> 01:01:54,900

taking a quick break here all of the

1442

01:01:58,809 --> 01:01:56,579

links are below

1443

01:02:03,349 --> 01:01:58,819

and we'll be right back

1444

01:02:05,870 --> 01:02:03,359

join us November 10th 11th and 12th 2023

1445

01:02:08,510 --> 01:02:05,880

as disclosure Fest foundation and Fade

1446

01:02:10,970 --> 01:02:08,520

to Black radio presents Stairway To the

1447

01:02:13,490 --> 01:02:10,980

Stars a human Origins Science and

1448

01:02:16,549 --> 01:02:13,500

Technology Expo live at the Luxor Hotel

1449

01:02:18,829 --> 01:02:16,559

and Casino and the Las Vegas Strip with

1450

01:02:20,809 --> 01:02:18,839

live talks and lectures and workshops by

1451
01:02:22,910 --> 01:02:20,819
World Acclaim researchers and authors

1452
01:02:25,490 --> 01:02:22,920
this is Jimmy Church by the way and I'll

1453
01:02:27,770 --> 01:02:25,500
be your host all weekend long featuring

1454
01:02:29,930 --> 01:02:27,780
topics like human Origins ancient

1455
01:02:32,809 --> 01:02:29,940
Technologies indigenous teachings

1456
01:02:35,150 --> 01:02:32,819
workshops a mass meditation yoga and

1457
01:02:37,910 --> 01:02:35,160
sound healing music and so much more

1458
01:02:40,789 --> 01:02:37,920
don't miss our intimate Skywatch and

1459
01:02:43,609 --> 01:02:40,799
meteor shower over the infamous Area 51

1460
01:02:45,410 --> 01:02:43,619
airspace in Rachel Nevada with special

1461
01:02:47,690 --> 01:02:45,420
surprise celebrity host guiding us

1462
01:02:51,589 --> 01:02:47,700
through the night also introducing our

1463
01:02:53,809 --> 01:02:51,599

disclosure Fest VR Starship area with

1464

01:02:56,569 --> 01:02:53,819

dozens of rides you've gotta check it

1465

01:02:58,069 --> 01:02:56,579

out this event will sell out for more

1466

01:03:00,470 --> 01:02:58,079

information and tickets Please visit

1467

01:03:05,630 --> 01:03:00,480

disclosure fest.org

1468

01:03:08,510 --> 01:03:05,640

the secret is out life waves x39 is the

1469

01:03:10,549 --> 01:03:08,520

reason why I have got my vision back

1470

01:03:13,930 --> 01:03:10,559

this is Jimmy Church of Fade to Black

1471

01:03:16,630 --> 01:03:13,940

and you need to go straight to Healing

1472

01:03:20,930 --> 01:03:16,640

worksnow.com that's

1473

01:03:23,690 --> 01:03:20,940

healingworksnow.com works with an X all

1474

01:03:27,530 --> 01:03:23,700

of the information that you need is on

1475

01:03:30,829 --> 01:03:27,540

that portal find out why I look great I

1476

01:03:34,670 --> 01:03:30,839

feel great I'm thinking clearly I sleep

1477

01:03:37,730 --> 01:03:34,680

I dream life is good all of it you've

1478

01:03:39,950 --> 01:03:37,740

got to check out lifewaves x39 and all

1479

01:03:42,370 --> 01:03:39,960

of their other products it's all simple

1480

01:03:45,010 --> 01:03:42,380

to do go to

1481

01:03:49,430 --> 01:03:45,020

healingworksnow.com that's

1482

01:03:51,950 --> 01:03:49,440

healingworksnow.com works with an X

1483

01:03:54,289 --> 01:03:51,960

hey everybody it's Billy Carson also

1484

01:03:55,789 --> 01:03:54,299

known as Forbidden Knowledge I want to

1485

01:03:58,670 --> 01:03:55,799

talk to you about a very special event

1486

01:04:01,130 --> 01:03:58,680

coming up July 30th 2023 before

1487

01:04:02,390 --> 01:04:01,140

forbidden conscious Awards we're going

1488

01:04:03,890 --> 01:04:02,400

to honor people who have been

1489

01:04:06,230 --> 01:04:03,900

contributing to the conscious Community

1490

01:04:07,849 --> 01:04:06,240

for decades people that you know and

1491

01:04:09,770 --> 01:04:07,859

love that have helped you get to higher

1492

01:04:11,270 --> 01:04:09,780

levels of thought and Consciousness and

1493

01:04:13,309 --> 01:04:11,280

awareness it's going to be alive

1494

01:04:14,870 --> 01:04:13,319

in-person event but seats are going to

1495

01:04:16,609 --> 01:04:14,880

sell out very fast you want to make sure

1496

01:04:18,650 --> 01:04:16,619

you're there in person and guess what

1497

01:04:20,569 --> 01:04:18,660

you can help vote for the winners voting

1498

01:04:22,490 --> 01:04:20,579

is available on forbiddenknowledge.com

1499

01:04:25,130 --> 01:04:22,500

and the categories are going to be

1500

01:04:27,650 --> 01:04:25,140

social media influencer podcast slash

1501

01:04:29,690 --> 01:04:27,660

radio host TV host actor director

1502

01:04:31,490 --> 01:04:29,700

producer entrepreneurs health and

1503

01:04:33,890 --> 01:04:31,500

wellness philanthropists authors field

1504

01:04:35,690 --> 01:04:33,900

researchers archaeologists space anomaly

1505

01:04:38,510 --> 01:04:35,700

hunters and of course a Lifetime

1506

01:04:40,430 --> 01:04:38,520

Achievement Award I'll be your key note

1507

01:04:42,410 --> 01:04:40,440

speaker that night at The Forbidden

1508

01:04:44,690 --> 01:04:42,420

conscious Awards we have celebrity

1509

01:04:46,309 --> 01:04:44,700

guests performing we'll have a halftime

1510

01:04:47,930 --> 01:04:46,319

show where we're actually going to

1511

01:04:50,510 --> 01:04:47,940

perform music for you and don't forget

1512

01:04:52,490 --> 01:04:50,520

about the pre-event mixer where if you

1513

01:04:54,410 --> 01:04:52,500

buy a box seat you'll be in the VIP

1514

01:04:57,109 --> 01:04:54,420

section and you also have private access

1515

01:05:00,349 --> 01:04:57,119

to a VIP mixer with celebrity guests

1516

01:05:02,089 --> 01:05:00,359

shake hands break bread Network and then

1517

01:05:04,190 --> 01:05:02,099

walk the red carpet with us and take

1518

01:05:05,510 --> 01:05:04,200

amazing photos it's gonna be a night to

1519

01:05:07,370 --> 01:05:05,520

remember you don't want to forget this

1520

01:05:08,990 --> 01:05:07,380

make sure you hurry up and get your

1521

01:05:11,450 --> 01:05:09,000

tickets because you're selling out very

1522

01:05:16,849 --> 01:05:11,460

fast I want to see you there forbidden

1523

01:05:23,089 --> 01:05:20,270

River Moon coffee makers of the Fade to

1524

01:05:24,910 --> 01:05:23,099

Black blend truly the best coffee on

1525

01:05:27,170 --> 01:05:24,920

planet Earth just visit

1526

01:05:29,030 --> 01:05:27,180

rivermoonwellness.com or their Amazon

1527

01:05:30,470 --> 01:05:29,040

store it's all simple to do you can

1528

01:05:32,510 --> 01:05:30,480

check out the Fade to Black blend the

1529

01:05:35,210 --> 01:05:32,520

game changer Blend or any of their black

1530

01:05:38,930 --> 01:05:35,220

moon wellness products it's the only

1531

01:05:44,390 --> 01:05:38,940

coffee I drink it is the best and it's

1532

01:05:49,010 --> 01:05:47,270

all right Welcome Back Fade to Black I

1533

01:05:52,069 --> 01:05:49,020

am your host Jimmy church tonight John

1534

01:05:53,930 --> 01:05:52,079

Greenwald is with us we're talking about

1535

01:05:57,829 --> 01:05:53,940

David Crush

1536

01:06:00,849 --> 01:05:57,839

The Whistleblower that Leslie Kane and

1537

01:06:05,690 --> 01:06:00,859

Ralph Blumenthal revealed to the world

1538

01:06:09,470 --> 01:06:05,700

earlier this week Monday June 5th on the

1539

01:06:13,150 --> 01:06:09,480

debrief and the article is pretty

1540

01:06:18,170 --> 01:06:13,160

explosive uh it it's it's

1541

01:06:20,950 --> 01:06:18,180

very specific now I want to reiterate

1542

01:06:26,029 --> 01:06:20,960

and it's it's what we call here in radio

1543

01:06:29,990 --> 01:06:26,039

uh a recap back in December of 2017

1544

01:06:32,450 --> 01:06:30,000

Leslie Kanan Ralph Blumenthal uh wrote

1545

01:06:34,010 --> 01:06:32,460

that was uh that was a that was a front

1546

01:06:35,450 --> 01:06:34,020

page article for the New York Times

1547

01:06:38,029 --> 01:06:35,460

revealing

1548

01:06:41,569 --> 01:06:38,039

for the first time that the Pentagon had

1549

01:06:45,289 --> 01:06:41,579

a secret UFO program

1550

01:06:47,589 --> 01:06:45,299

um now what evolved from that it's been

1551

01:06:51,289 --> 01:06:47,599

a crazy five and a half years for sure

1552

01:06:54,529 --> 01:06:51,299

now this week once again Leslie Kane and

1553

01:06:56,809 --> 01:06:54,539

Ralph Blumenthal have written an article

1554

01:07:01,370 --> 01:06:56,819

um that centers around a whistleblower

1555

01:07:04,430 --> 01:07:01,380

his name is David grush and uh David is

1556

01:07:06,190 --> 01:07:04,440

uh claiming allegedly that the United

1557

01:07:09,589 --> 01:07:06,200

States government

1558

01:07:11,990 --> 01:07:09,599

has uh intact

1559

01:07:13,430 --> 01:07:12,000

flying saucers I'm saying Flying Saucer

1560

01:07:17,270 --> 01:07:13,440

you can say craft From Another World

1561

01:07:20,390 --> 01:07:17,280

with a flying saucers E.T craft aliens

1562

01:07:25,309 --> 01:07:20,400

ET craft and Pilots uh of those craft

1563

01:07:28,849 --> 01:07:25,319

and alien bodies now here's uh my point

1564

01:07:33,109 --> 01:07:28,859

that I want to make with this John

1565

01:07:35,150 --> 01:07:33,119

um David because of his uh CV because of

1566

01:07:39,349 --> 01:07:35,160

his resume

1567

01:07:43,130 --> 01:07:39,359

um seems credible to me he does he seems

1568

01:07:45,770 --> 01:07:43,140

credible this is a crazy story

1569

01:07:49,390 --> 01:07:45,780

but there's a point here that I think

1570

01:07:52,609 --> 01:07:49,400

needs to be made no matter what we

1571

01:07:55,069 --> 01:07:52,619

deduce from Leslie and Ralph's original

1572

01:07:57,710 --> 01:07:55,079

article back in December of 2017

1573

01:08:00,770 --> 01:07:57,720

everything that transpired after that

1574

01:08:03,950 --> 01:08:00,780

ttsa Tom the long Lou Elizondo Chris

1575

01:08:08,470 --> 01:08:03,960

Mellon Hal put off the length the list

1576

01:08:12,049 --> 01:08:08,480

of the atip ATIV Wasa V

1577

01:08:13,910 --> 01:08:12,059

crazy right five and a half years but

1578

01:08:18,169 --> 01:08:13,920

what it did do

1579

01:08:21,349 --> 01:08:18,179

is it elevated the presence of this to

1580

01:08:25,490 --> 01:08:21,359

the world and and and

1581

01:08:28,370 --> 01:08:25,500

as as good or bad as any of the

1582

01:08:31,189 --> 01:08:28,380

individuals or the reasons are

1583

01:08:34,789 --> 01:08:31,199

it elevated things into the media like

1584

01:08:36,470 --> 01:08:34,799

never before it's the same thing with

1585

01:08:41,090 --> 01:08:36,480

this article

1586

01:08:43,010 --> 01:08:41,100

now we have two questions two two forget

1587

01:08:46,789 --> 01:08:43,020

about everything else with with David

1588

01:08:49,030 --> 01:08:46,799

grush or anybody else Jonathan gray is a

1589

01:08:52,370 --> 01:08:49,040

pseudonym

1590

01:08:54,229 --> 01:08:52,380

Star Trek inventions all of that you

1591

01:08:56,749 --> 01:08:54,239

know what

1592

01:09:00,169 --> 01:08:56,759

where are the flying saucers

1593

01:09:03,289 --> 01:09:00,179

where are the alien bodies and Congress

1594

01:09:05,450 --> 01:09:03,299

is now asking those questions and now

1595

01:09:08,930 --> 01:09:05,460

we're going to have more hearings and

1596

01:09:12,050 --> 01:09:08,940

now I think the White House has got some

1597

01:09:13,550 --> 01:09:12,060

questions to answer to as well where are

1598

01:09:16,490 --> 01:09:13,560

the flying saucers

1599

01:09:18,289 --> 01:09:16,500

and where the alien bodies that's what

1600

01:09:20,630 --> 01:09:18,299

comes from this article

1601

01:09:23,209 --> 01:09:20,640

we can pick it apart and I've been

1602

01:09:25,789 --> 01:09:23,219

picking it apart but there's really just

1603

01:09:28,249 --> 01:09:25,799

two things here suddenly in the public

1604

01:09:29,510 --> 01:09:28,259

eye that were never there before do you

1605

01:09:31,550 --> 01:09:29,520

agree

1606

01:09:33,829 --> 01:09:31,560

yeah and I think it's it I think it's

1607

01:09:35,209 --> 01:09:33,839

really good I I mean I see through your

1608

01:09:38,450 --> 01:09:35,219

chat room during the break I was kind of

1609

01:09:40,490 --> 01:09:38,460

looking through some of that and I mean

1610

01:09:42,289 --> 01:09:40,500

I see some of the hate on what what

1611

01:09:43,729 --> 01:09:42,299

we're talking about mainly what I'm I'm

1612

01:09:45,769 --> 01:09:43,739

bringing up

1613

01:09:48,590 --> 01:09:45,779

um so let me say two things if I can I

1614

01:09:50,870 --> 01:09:48,600

mean yeah to your point things are are

1615

01:09:53,209 --> 01:09:50,880

still unfolding I mean Congress is going

1616

01:09:55,189 --> 01:09:53,219

to be looking at this doing a hearing

1617

01:09:57,169 --> 01:09:55,199

all of that is great I want to see what

1618

01:09:58,850 --> 01:09:57,179

happens and I want to see how that

1619

01:10:00,530 --> 01:09:58,860

unfolds but we I think we have to

1620

01:10:02,630 --> 01:10:00,540

prepare ourselves what if they come back

1621

01:10:04,790 --> 01:10:02,640

and say that there's nothing to it the

1622

01:10:07,189 --> 01:10:04,800

general public will not believe that I I

1623

01:10:09,290 --> 01:10:07,199

mean I I guarantee it the the hatred

1624

01:10:12,110 --> 01:10:09,300

that I'm getting from from people

1625

01:10:13,729 --> 01:10:12,120

bringing up some of these points I think

1626

01:10:16,310 --> 01:10:13,739

that crowd is not going to really

1627

01:10:18,770 --> 01:10:16,320

believe it but I'm eager to see how that

1628

01:10:20,630 --> 01:10:18,780

plays out but the reason why I was kind

1629

01:10:21,830 --> 01:10:20,640

of hitting some of the points before the

1630

01:10:23,810 --> 01:10:21,840

break and we didn't really talk about

1631

01:10:25,189 --> 01:10:23,820

this specifically so if I can just make

1632

01:10:26,830 --> 01:10:25,199

this one point because I think it kind

1633

01:10:30,350 --> 01:10:26,840

of brings it all together

1634

01:10:32,990 --> 01:10:30,360

I can prove Beyond any shadow of a doubt

1635

01:10:35,030 --> 01:10:33,000

that the UAP topic the secrecy

1636

01:10:37,550 --> 01:10:35,040

surrounding it is being clamped down

1637

01:10:40,689 --> 01:10:37,560

from a legal standpoint from the

1638

01:10:43,669 --> 01:10:40,699

spokespeople the dod they are completely

1639

01:10:45,590 --> 01:10:43,679

pushing themselves away from revealing

1640

01:10:47,270 --> 01:10:45,600

anything with the exception of the

1641

01:10:51,050 --> 01:10:47,280

select few hearings that we've gotten

1642

01:10:52,550 --> 01:10:51,060

and a select few visuals I'm not sure I

1643

01:10:55,189 --> 01:10:52,560

just wrote this story actually in the

1644

01:10:56,990 --> 01:10:55,199

last few days I don't know if you saw it

1645

01:10:59,090 --> 01:10:57,000

but I'm happy to chat about that as well

1646

01:11:01,490 --> 01:10:59,100

to kind of support that but the bottom

1647

01:11:04,550 --> 01:11:01,500

line is the secrecy is clamping down

1648

01:11:06,410 --> 01:11:04,560

so with that mindset David grush takes

1649

01:11:09,050 --> 01:11:06,420

his statements that we all are hearing

1650

01:11:10,669 --> 01:11:09,060

about and we all want them to be true to

1651
01:11:13,070 --> 01:11:10,679
the arm of the Department of Defense

1652
01:11:15,050 --> 01:11:13,080
that really is authorized at a top

1653
01:11:17,870 --> 01:11:15,060
secret level to look at everything some

1654
01:11:19,370 --> 01:11:17,880
people argue arrow is not and and I can

1655
01:11:21,830 --> 01:11:19,380
actually get on board with that I know

1656
01:11:25,010 --> 01:11:21,840
that they're not fully cleared on every

1657
01:11:28,189 --> 01:11:25,020
aspect of all this but what I think uh

1658
01:11:31,010 --> 01:11:28,199
is is dobster and so they see the

1659
01:11:34,669 --> 01:11:31,020
statements that grush wants to convey to

1660
01:11:38,530 --> 01:11:34,679
the media and they do have that access

1661
01:11:41,810 --> 01:11:38,540
or the ability to contact the agencies

1662
01:11:45,410 --> 01:11:41,820
uh treading both into title 10 and title

1663
01:11:47,270 --> 01:11:45,420

50 territory to really evaluate what

1664

01:11:49,430 --> 01:11:47,280

grush is going to take to the media they

1665

01:11:52,610 --> 01:11:49,440

do not endorse they do not fact check

1666

01:11:55,250 --> 01:11:52,620

they ensure no classified information is

1667

01:11:56,930 --> 01:11:55,260

in this so with that they gave their

1668

01:11:59,330 --> 01:11:56,940

stamp of approval what can we deduce

1669

01:12:01,970 --> 01:11:59,340

from that the biggest problem of the

1670

01:12:04,430 --> 01:12:01,980

story in my book and that is the fact

1671

01:12:07,550 --> 01:12:04,440

that if there was anything that was

1672

01:12:09,050 --> 01:12:07,560

related to this that was true I'm not

1673

01:12:10,669 --> 01:12:09,060

saying that it's not but I'm just saying

1674

01:12:13,070 --> 01:12:10,679

in the eyes of dobster it would be

1675

01:12:15,470 --> 01:12:13,080

heavily classified we all know that

1676

01:12:17,630 --> 01:12:15,480

and there's no possible way he can

1677

01:12:19,910 --> 01:12:17,640

summarize it and get away with it yet

1678

01:12:23,330 --> 01:12:19,920

dobster put their approval on it anyway

1679

01:12:27,110 --> 01:12:23,340

which means the realization of non-human

1680

01:12:29,090 --> 01:12:27,120

craft is an unclassified topic to the US

1681

01:12:31,870 --> 01:12:29,100

government if true that's what we're

1682

01:12:35,750 --> 01:12:31,880

saying the realization of bodies

1683

01:12:38,630 --> 01:12:35,760

non-human dead Pilots of these non-human

1684

01:12:41,630 --> 01:12:38,640

craft as described with grush we are now

1685

01:12:44,030 --> 01:12:41,640

accepting that that if true is an

1686

01:12:46,250 --> 01:12:44,040

unclassified aspect to the United States

1687

01:12:48,709 --> 01:12:46,260

government and the fact that we have

1688

01:12:52,250 --> 01:12:48,719

non-human craft in our holding both

1689

01:12:54,169 --> 01:12:52,260

intact craft and debris and material all

1690

01:12:57,649 --> 01:12:54,179

non-human made but technology

1691

01:12:59,990 --> 01:12:57,659

nonetheless that if true is considered

1692

01:13:02,090 --> 01:13:00,000

unclassified to the U.S government

1693

01:13:04,370 --> 01:13:02,100

there's a huge problem with that that's

1694

01:13:06,590 --> 01:13:04,380

not reality that is not the world we're

1695

01:13:09,890 --> 01:13:06,600

living in quite the opposite anything

1696

01:13:12,410 --> 01:13:09,900

related to UAP is is heavily classified

1697

01:13:15,350 --> 01:13:12,420

so it would never pass the dops or test

1698

01:13:16,310 --> 01:13:15,360

that's my biggest problem okay and I

1699

01:13:18,169 --> 01:13:16,320

don't think a lot of people are looking

1700

01:13:20,570 --> 01:13:18,179

at that okay let me ask you about

1701

01:13:23,209 --> 01:13:20,580

dobster for a second

1702

01:13:25,490 --> 01:13:23,219

um in this highly compartment memorized

1703

01:13:29,209 --> 01:13:25,500

world and certainly if we're talking

1704

01:13:32,149 --> 01:13:29,219

about 18 alien bodies nobody knows

1705

01:13:36,169 --> 01:13:32,159

nothing right everything is just so

1706

01:13:37,270 --> 01:13:36,179

segmented and and separated is it

1707

01:13:38,950 --> 01:13:37,280

possible

1708

01:13:42,950 --> 01:13:38,960

that

1709

01:13:45,950 --> 01:13:42,960

clearance

1710

01:13:48,850 --> 01:13:45,960

don't know anything about alien craft or

1711

01:13:51,649 --> 01:13:48,860

alien bodies and would have looked over

1712

01:13:54,169 --> 01:13:51,659

and just thought and

1713

01:13:56,689 --> 01:13:54,179

so what no hey he can talk about that

1714

01:14:00,110 --> 01:13:56,699

that that's not real is that a

1715

01:14:02,270 --> 01:14:00,120

possibility looking looking at not only

1716

01:14:05,990 --> 01:14:02,280

the doctor process obviously through

1717

01:14:08,510 --> 01:14:06,000

Luis elizondo's uh effort to get the

1718

01:14:10,130 --> 01:14:08,520

three original UAP videos

1719

01:14:11,330 --> 01:14:10,140

cleared that's a whole different story

1720

01:14:13,370 --> 01:14:11,340

he didn't get him cleared for public

1721

01:14:15,530 --> 01:14:13,380

release he didn't want to according to

1722

01:14:17,450 --> 01:14:15,540

him he wanted them for internal use but

1723

01:14:19,910 --> 01:14:17,460

he had to go through the dobster process

1724

01:14:23,990 --> 01:14:19,920

so by me digging in on that and digging

1725

01:14:26,510 --> 01:14:24,000

up numerous other cases of non-ufo

1726

01:14:29,030 --> 01:14:26,520

related but sometimes classified or

1727

01:14:30,290 --> 01:14:29,040

controlled unclassified information uh

1728

01:14:31,910 --> 01:14:30,300

stuff that had to go through the process

1729

01:14:34,070 --> 01:14:31,920

that's not how they work they don't look

1730

01:14:35,930 --> 01:14:34,080

at it and go oh I'm sure it's not

1731

01:14:37,669 --> 01:14:35,940

classified you know or I don't know

1732

01:14:40,010 --> 01:14:37,679

anything about this so yeah yeah Let It

1733

01:14:42,530 --> 01:14:40,020

Go no on the contrary they do look into

1734

01:14:45,350 --> 01:14:42,540

it now I have [h__h] but we're talking

1735

01:14:49,209 --> 01:14:45,360

about flying saucers and alien bodies

1736

01:14:52,669 --> 01:14:49,219

okay we're assumption there

1737

01:14:54,709 --> 01:14:52,679

I'm totally with you yeah no we need to

1738

01:14:56,030 --> 01:14:54,719

know what what did David grush pitch to

1739

01:14:58,790 --> 01:14:56,040

Doc dobster

1740

01:15:00,649 --> 01:14:58,800

that and and that's a bigger Point did

1741

01:15:03,770 --> 01:15:00,659

he say were led to believe in the

1742

01:15:06,649 --> 01:15:03,780

article so show us the paperwork

1743

01:15:07,970 --> 01:15:06,659

and and that's this is why I think a lot

1744

01:15:10,490 --> 01:15:07,980

of people are missing that that they're

1745

01:15:14,390 --> 01:15:10,500

harping me on it but what is it that he

1746

01:15:16,189 --> 01:15:14,400

submitted to doctor we assume that its

1747

01:15:19,189 --> 01:15:16,199

bodies and craft that's what we were

1748

01:15:21,530 --> 01:15:19,199

told well that's what he says he says he

1749

01:15:24,050 --> 01:15:21,540

gave not sold on that at this point I

1750

01:15:24,790 --> 01:15:24,060

understand that but he says he's on the

1751

01:15:29,149 --> 01:15:24,800

record

1752

01:15:31,610 --> 01:15:29,159

saying that he gave the IG all of the

1753

01:15:34,130 --> 01:15:31,620

supporting documents for this well

1754

01:15:37,790 --> 01:15:34,140

that's the IG not the officer uh no but

1755

01:15:40,970 --> 01:15:37,800

but but the IG complaint goes to dobbser

1756

01:15:45,110 --> 01:15:40,980

they're definitely uh they would have to

1757

01:15:46,850 --> 01:15:45,120

look to make sure that the the what what

1758

01:15:50,209 --> 01:15:46,860

is it that he's complaining about and

1759

01:15:52,790 --> 01:15:50,219

what he may say publicly I was that was

1760

01:15:56,270 --> 01:15:52,800

so the complaint is different than what

1761

01:15:57,229 --> 01:15:56,280

he submitted to doobster to clear for

1762

01:15:59,930 --> 01:15:57,239

release

1763

01:16:02,209 --> 01:15:59,940

so whistleblowers and and this gets into

1764

01:16:04,490 --> 01:16:02,219

a crazy gray area I've I've got a

1765

01:16:06,590 --> 01:16:04,500

request into uh someone who I've known

1766

01:16:08,689 --> 01:16:06,600

for many many years not part of the UFO

1767

01:16:10,970 --> 01:16:08,699

field but is a very well-known attorney

1768

01:16:12,770 --> 01:16:10,980

dealing with whistleblower complaints

1769

01:16:14,330 --> 01:16:12,780

and stuff like that right we've known

1770

01:16:16,430 --> 01:16:14,340

each other through foia channels and

1771

01:16:19,490 --> 01:16:16,440

stuff like that and and and communicate

1772

01:16:22,669 --> 01:16:19,500

uh you know semi often and so I I

1773

01:16:25,250 --> 01:16:22,679

reached out to them to see if they would

1774

01:16:26,930 --> 01:16:25,260

add their two cents on on how that this

1775

01:16:29,390 --> 01:16:26,940

is playing out but as as far as I

1776

01:16:32,570 --> 01:16:29,400

understand of the process uh because

1777

01:16:34,370 --> 01:16:32,580

again I'm no attorney so uh I'm not an

1778

01:16:36,770 --> 01:16:34,380

attorney but I've been around the block

1779

01:16:39,110 --> 01:16:36,780

enough to know in situations like these

1780

01:16:41,330 --> 01:16:39,120

by investigating numerous whistleblower

1781

01:16:43,250 --> 01:16:41,340

complaints not only in the UFO realm but

1782

01:16:47,570 --> 01:16:43,260

actually primarily outside of the UFO

1783

01:16:49,910 --> 01:16:47,580

realm uh you have a very tight

1784

01:16:51,890 --> 01:16:49,920

seal over all of those whistleblower

1785

01:16:55,330 --> 01:16:51,900

complaints when it comes to the US

1786

01:16:58,970 --> 01:16:55,340

government what the

1787

01:17:02,990 --> 01:16:58,980

whistleblower themselves wants to say to

1788

01:17:05,689 --> 01:17:03,000

the public that then needs to be cleared

1789

01:17:08,510 --> 01:17:05,699

so he cannot just turn around and start

1790

01:17:11,689 --> 01:17:08,520

blasting the classified aspects of all

1791

01:17:14,450 --> 01:17:11,699

of this to the general public however if

1792

01:17:16,630 --> 01:17:14,460

what is truly labeled unclassified and

1793

01:17:18,890 --> 01:17:16,640

we were told there was an unclassified

1794

01:17:21,709 --> 01:17:18,900

uh complaint

1795

01:17:24,709 --> 01:17:21,719

then there should be no reason for him

1796

01:17:27,649 --> 01:17:24,719

to release that but that therein is kind

1797

01:17:29,810 --> 01:17:27,659

of a gray area where then yes dobster

1798

01:17:31,189 --> 01:17:29,820

may need to get involved but at that

1799

01:17:33,290 --> 01:17:31,199

point you're talking about Inspector

1800

01:17:35,209 --> 01:17:33,300

General territory and that might be a

1801

01:17:37,610 --> 01:17:35,219

different ball game that's the aspect of

1802

01:17:40,070 --> 01:17:37,620

the legal side that I'm not 100 on right

1803

01:17:42,110 --> 01:17:40,080

right right but regardless though we

1804

01:17:44,830 --> 01:17:42,120

know that that the complaint is not what

1805

01:17:48,770 --> 01:17:44,840

was approved by dobster the the

1806

01:17:50,630 --> 01:17:48,780

submitted statements were and and that's

1807

01:17:52,669 --> 01:17:50,640

what I'm eager to see that's what I'm

1808

01:17:54,530 --> 01:17:52,679

eager to see what did you get clearance

1809

01:17:56,270 --> 01:17:54,540

on we're led to believe it's again the

1810

01:17:58,729 --> 01:17:56,280

non-human craft and all that because if

1811

01:18:01,130 --> 01:17:58,739

he's saying it according to him in the

1812

01:18:03,350 --> 01:18:01,140

article he should be cleared to to say

1813

01:18:05,209 --> 01:18:03,360

it and that's fine so let's see it let's

1814

01:18:07,970 --> 01:18:05,219

see what you submitted to dobster and if

1815

01:18:11,570 --> 01:18:07,980

all of that is in there bodies non-human

1816

01:18:13,550 --> 01:18:11,580

craft uh we'll we'll see what else there

1817

01:18:15,890 --> 01:18:13,560

might be and dobbser gives their stamp

1818

01:18:18,410 --> 01:18:15,900

of approval we need to ask the question

1819

01:18:21,050 --> 01:18:18,420

how could it pass the test dobster is

1820

01:18:22,610 --> 01:18:21,060

not care careless and and anybody can

1821

01:18:25,910 --> 01:18:22,620

research this you don't have to take my

1822

01:18:27,709 --> 01:18:25,920

word for it but they are the arm of the

1823

01:18:30,229 --> 01:18:27,719

Department of Defense that ensures that

1824

01:18:33,770 --> 01:18:30,239

if anybody is writing a manuscript or

1825

01:18:37,250 --> 01:18:33,780

putting anything public that they look

1826

01:18:39,709 --> 01:18:37,260

at it and approve it for release that's

1827

01:18:43,250 --> 01:18:39,719

their job cleared at a top secret level

1828

01:18:45,110 --> 01:18:43,260

so it doesn't make sense that if the

1829

01:18:47,750 --> 01:18:45,120

reviewer thought oh no there's nothing

1830

01:18:50,030 --> 01:18:47,760

classified with this that they would you

1831

01:18:52,250 --> 01:18:50,040

know just sign off on it on the contrary

1832

01:18:54,470 --> 01:18:52,260

they would go to what are called the

1833

01:18:58,130 --> 01:18:54,480

ocas or the original classifying

1834

01:18:59,990 --> 01:18:58,140

authorities into every agency that grush

1835

01:19:03,169 --> 01:19:00,000

was talking about

1836

01:19:04,729 --> 01:19:03,179

um again if if he if he put that into

1837

01:19:06,890 --> 01:19:04,739

his

1838

01:19:08,750 --> 01:19:06,900

um statement you know and so again I'm

1839

01:19:10,130 --> 01:19:08,760

I'm not trying to be vague there but we

1840

01:19:12,590 --> 01:19:10,140

don't know what grush submitted to

1841

01:19:15,110 --> 01:19:12,600

dopser but that process they look at

1842

01:19:18,770 --> 01:19:15,120

that and wherever they can tie in a

1843

01:19:21,890 --> 01:19:18,780

potential OCA they go to them and then

1844

01:19:24,729 --> 01:19:21,900

essentially go over and review that

1845

01:19:27,890 --> 01:19:24,739

material to juxtapose that with

1846

01:19:30,770 --> 01:19:27,900

elizondo's form even though he did not

1847

01:19:32,930 --> 01:19:30,780

want it for public release he they did

1848

01:19:35,870 --> 01:19:32,940

have to go to the OCA which in this case

1849

01:19:38,149 --> 01:19:35,880

was the Navy for those videos and it's

1850

01:19:40,490 --> 01:19:38,159

listed right on the form it says OCA and

1851
01:19:43,490 --> 01:19:40,500
then it's a redacted name right and they

1852
01:19:46,130 --> 01:19:43,500
dopser then goes to them and says hey

1853
01:19:49,550 --> 01:19:46,140
Luis Elizondo wants to share these with

1854
01:19:52,310 --> 01:19:49,560
cleared Partners can we do that not the

1855
01:19:53,870 --> 01:19:52,320
public but he was looking to and this is

1856
01:19:55,610 --> 01:19:53,880
what he told me directly it's in a

1857
01:19:56,930 --> 01:19:55,620
recorded interview everybody thinks he

1858
01:19:59,209 --> 01:19:56,940
wanted them for the public that's not

1859
01:20:02,630 --> 01:19:59,219
what he said he wanted to use them

1860
01:20:04,070 --> 01:20:02,640
internally in a database regardless of

1861
01:20:05,810 --> 01:20:04,080
that not being released to the public

1862
01:20:08,570 --> 01:20:05,820
they still had to clear it with the OCA

1863
01:20:11,030 --> 01:20:08,580

so it gets into some really snoozy

1864

01:20:13,669 --> 01:20:11,040

jargon I get all that but regardless

1865

01:20:15,890 --> 01:20:13,679

it's incredibly important because that

1866

01:20:18,470 --> 01:20:15,900

review process

1867

01:20:21,770 --> 01:20:18,480

I'm sorry if any of this was true he

1868

01:20:23,630 --> 01:20:21,780

cannot summarize a sap or anything of

1869

01:20:26,209 --> 01:20:23,640

that classification level to the general

1870

01:20:29,030 --> 01:20:26,219

public and have the dod sign off on it

1871

01:20:31,250 --> 01:20:29,040

not with their views on UAP material at

1872

01:20:33,950 --> 01:20:31,260

this point it just wouldn't happen and

1873

01:20:36,110 --> 01:20:33,960

that to me is the biggest red flag that

1874

01:20:38,570 --> 01:20:36,120

does not mean that David grush is a big

1875

01:20:41,450 --> 01:20:38,580

old liar and he's trying to mislead all

1876

01:20:45,350 --> 01:20:41,460

of us nor does it mean that his story is

1877

01:20:47,149 --> 01:20:45,360

untrue but it is a huge red flag that at

1878

01:20:49,669 --> 01:20:47,159

this point I haven't seen anybody of

1879

01:20:52,090 --> 01:20:49,679

note address is he protected under the

1880

01:20:56,390 --> 01:20:52,100

Whistleblower uh

1881

01:20:59,990 --> 01:20:56,400

aspect of this that uh you know it it's

1882

01:21:02,930 --> 01:21:00,000

not that he is revealing I've I've had

1883

01:21:08,050 --> 01:21:02,940

so many Dobbs or experts contact me

1884

01:21:12,890 --> 01:21:08,060

right everybody's got a a take on this

1885

01:21:15,290 --> 01:21:12,900

on on on on how dopser handles this but

1886

01:21:19,790 --> 01:21:15,300

putting all of that aside

1887

01:21:23,570 --> 01:21:19,800

um it does David maybe just not give a

1888

01:21:25,669 --> 01:21:23,580

crap and he is protected uh Under The

1889

01:21:27,709 --> 01:21:25,679

Whistleblower side of this and his

1890

01:21:29,990 --> 01:21:27,719

lawyer has said look

1891

01:21:34,010 --> 01:21:30,000

I mean what if it comes out dopster says

1892

01:21:37,610 --> 01:21:34,020

you cannot he is obviously uh John this

1893

01:21:40,370 --> 01:21:37,620

is where for me I have a big problem his

1894

01:21:44,030 --> 01:21:40,380

story is flying saucers and alien bodies

1895

01:21:45,970 --> 01:21:44,040

right that we are that's the story what

1896

01:21:49,070 --> 01:21:45,980

is it that he's going to tell dobster

1897

01:21:51,290 --> 01:21:49,080

that he is going to talk about he's not

1898

01:21:52,669 --> 01:21:51,300

writing a book He's not appearing in a

1899

01:21:53,649 --> 01:21:52,679

movie

1900

01:21:58,010 --> 01:21:53,659

um

1901

01:21:59,450 --> 01:21:58,020

well that's a great point isn't it

1902

01:22:01,910 --> 01:21:59,460

um uh that's why they don't want to show

1903

01:22:04,970 --> 01:22:01,920

the paperwork maybe maybe he is

1904

01:22:08,450 --> 01:22:04,980

represented by an agent I don't know uh

1905

01:22:12,530 --> 01:22:08,460

but all of that being said if if it

1906

01:22:14,630 --> 01:22:12,540

comes out in in the dobster that that is

1907

01:22:17,090 --> 01:22:14,640

exactly what he wrote down because

1908

01:22:20,750 --> 01:22:17,100

that's his story

1909

01:22:24,310 --> 01:22:20,760

right maybe he just doesn't care maybe

1910

01:22:27,290 --> 01:22:24,320

his lawyer has said don't worry about it

1911

01:22:29,510 --> 01:22:27,300

dobster says this you can't talk about

1912

01:22:31,310 --> 01:22:29,520

it but this is your story you're

1913

01:22:34,669 --> 01:22:31,320

protected under the Whistleblower side

1914

01:22:36,550 --> 01:22:34,679

of this this is part of the UAP thing we

1915

01:22:39,470 --> 01:22:36,560

want people like you to come forward

1916

01:22:41,270 --> 01:22:39,480

tell your story and maybe that's where

1917

01:22:43,490 --> 01:22:41,280

we're at with this

1918

01:22:45,830 --> 01:22:43,500

well it's quite possible when it comes

1919

01:22:48,290 --> 01:22:45,840

to the protection itself that's why I've

1920

01:22:49,790 --> 01:22:48,300

reached out to again

1921

01:22:52,970 --> 01:22:49,800

um someone that I've known who's much

1922

01:22:54,830 --> 01:22:52,980

much smarter than me who I is an

1923

01:22:56,450 --> 01:22:54,840

attorney and and their knowledge will

1924

01:22:59,270 --> 01:22:56,460

absolutely be critical and kind of

1925

01:23:01,669 --> 01:22:59,280

unfolding that aspect to it but we do

1926

01:23:04,669 --> 01:23:01,679

know from Senator gillibrand herself who

1927

01:23:06,649 --> 01:23:04,679

had stated that if there are you know

1928

01:23:09,410 --> 01:23:06,659

there are some levels of protection at

1929

01:23:13,189 --> 01:23:09,420

this point so if grush feels that he's

1930

01:23:14,930 --> 01:23:13,199

being you know stonewalled or whatever I

1931

01:23:16,850 --> 01:23:14,940

hope that he marches into Senator

1932

01:23:18,350 --> 01:23:16,860

gillibrand's office because she put out

1933

01:23:20,390 --> 01:23:18,360

there the offer and and I would

1934

01:23:22,130 --> 01:23:20,400

encourage him to do that I would also

1935

01:23:24,050 --> 01:23:22,140

encourage the people that grush has

1936

01:23:25,189 --> 01:23:24,060

talked to to come out that's what we

1937

01:23:27,229 --> 01:23:25,199

really need

1938

01:23:29,450 --> 01:23:27,239

um not to necessarily reveal themselves

1939

01:23:33,110 --> 01:23:29,460

to all of us and put themselves you know

1940

01:23:34,430 --> 01:23:33,120

to at the The Vicious end of of UFO

1941

01:23:36,410 --> 01:23:34,440

Twitter

1942

01:23:39,350 --> 01:23:36,420

um that's not what I mean but but rather

1943

01:23:41,030 --> 01:23:39,360

put themselves out there to where if if

1944

01:23:43,130 --> 01:23:41,040

grushes

1945

01:23:46,130 --> 01:23:43,140

complaint is dismissed and nobody's

1946

01:23:48,649 --> 01:23:46,140

taken his claim seriously then I hope

1947

01:23:52,130 --> 01:23:48,659

they all March into gillibrand's office

1948

01:23:54,649 --> 01:23:52,140

arm and arm and say look we're the ones

1949

01:23:56,930 --> 01:23:54,659

that talk to grush and here's where the

1950

01:23:59,090 --> 01:23:56,940

bodies are buried both literally and

1951

01:24:01,550 --> 01:23:59,100

figuratively and put that information

1952

01:24:04,790 --> 01:24:01,560

out there because I think that that's

1953

01:24:06,530 --> 01:24:04,800

what we need at this point and for me

1954

01:24:09,169 --> 01:24:06,540

the bottom line is and I'm sure I'll get

1955

01:24:12,229 --> 01:24:09,179

hate mail for this but I do not believe

1956

01:24:13,669 --> 01:24:12,239

with a story of this magnitude that if

1957

01:24:15,830 --> 01:24:13,679

the government pushes back and

1958

01:24:17,330 --> 01:24:15,840

essentially says no we find no validity

1959

01:24:19,310 --> 01:24:17,340

in these claims

1960

01:24:21,169 --> 01:24:19,320

than the people that grush is talking to

1961

01:24:24,290 --> 01:24:21,179

if they have any evidence whatsoever

1962

01:24:26,930 --> 01:24:24,300

come forward because there's no way in

1963

01:24:28,430 --> 01:24:26,940

my mind that if the government pushes

1964

01:24:30,110 --> 01:24:28,440

back and says there's no validity to

1965

01:24:31,729 --> 01:24:30,120

these claims well then what are they

1966

01:24:33,709 --> 01:24:31,739

going to do there's no classified

1967

01:24:35,870 --> 01:24:33,719

information being spilled right they

1968

01:24:37,970 --> 01:24:35,880

says nothing is valid so if these people

1969

01:24:40,250 --> 01:24:37,980

really have something to share then come

1970

01:24:42,709 --> 01:24:40,260

forward at that point tell the world and

1971

01:24:44,570 --> 01:24:42,719

change Humanity because I think that

1972

01:24:46,669 --> 01:24:44,580

that if the government is truly going to

1973

01:24:49,310 --> 01:24:46,679

do that and there is absolute truth to

1974

01:24:51,169 --> 01:24:49,320

this then come forward you're not going

1975

01:24:54,290 --> 01:24:51,179

to be seeing handcuffs after somebody

1976

01:24:56,149 --> 01:24:54,300

does that I don't I don't buy it if the

1977

01:24:58,070 --> 01:24:56,159

government says there's no validity to

1978

01:25:00,350 --> 01:24:58,080

the story they shut it down and they

1979

01:25:02,030 --> 01:25:00,360

don't take anything seriously then

1980

01:25:03,649 --> 01:25:02,040

there's no way they put somebody in

1981

01:25:05,750 --> 01:25:03,659

cuffs if they come out and say this is

1982

01:25:08,930 --> 01:25:05,760

where the body is these are the craft

1983

01:25:11,090 --> 01:25:08,940

this is the isotopic analysis that we

1984

01:25:12,770 --> 01:25:11,100

ran because none of that exists

1985

01:25:14,990 --> 01:25:12,780

according to the government so bring it

1986

01:25:17,030 --> 01:25:15,000

all out change Humanity show it to the

1987

01:25:19,189 --> 01:25:17,040

physicists the the scientists of the

1988

01:25:21,110 --> 01:25:19,199

world bring it all out because the

1989

01:25:23,330 --> 01:25:21,120

government denied that any of it existed

1990

01:25:27,050 --> 01:25:23,340

yeah yeah I think it would go beyond

1991

01:25:29,689 --> 01:25:27,060

that I I I I was joking about this

1992

01:25:32,209 --> 01:25:29,699

earlier today John uh and I don't mean

1993

01:25:35,450 --> 01:25:32,219

to be so Cavalier

1994

01:25:38,450 --> 01:25:35,460

um uh Atomic analysis of these uh

1995

01:25:41,330 --> 01:25:38,460

materials don't mean crap open up the

1996

01:25:43,810 --> 01:25:41,340

hanger doors let the press in show them

1997

01:25:46,370 --> 01:25:43,820

the flying saucers

1998

01:25:49,630 --> 01:25:46,380

what it's made of I don't care if it's

1999

01:25:56,450 --> 01:25:52,630

what if it's made of Russian titanium

2000

01:25:59,689 --> 01:25:56,460

but it's the same titanium that is in

2001
01:26:01,910 --> 01:25:59,699
Zeta reticuli but here's here now let me

2002
01:26:04,910 --> 01:26:01,920
get to my point

2003
01:26:07,550 --> 01:26:04,920
um through all of this

2004
01:26:10,250 --> 01:26:07,560
and it kind of supports what you just

2005
01:26:12,229 --> 01:26:10,260
said through all of this we we've got

2006
01:26:15,169 --> 01:26:12,239
the announcement from the house

2007
01:26:16,970 --> 01:26:15,179
oversight committee came out today and

2008
01:26:20,270 --> 01:26:16,980
they said that they are now preparing a

2009
01:26:24,229 --> 01:26:20,280
hearing on UFOs uh because of David

2010
01:26:27,470 --> 01:26:24,239
grush now is he telling the truth dopps

2011
01:26:29,930 --> 01:26:27,480
or be damned or anything else that is

2012
01:26:32,090 --> 01:26:29,940
the result of that the oversight

2013
01:26:34,910 --> 01:26:32,100

committee chairman James Comer right

2014

01:26:37,090 --> 01:26:34,920

Republican out of Kentucky

2015

01:26:39,970 --> 01:26:37,100

um was asked about this on news Nation

2016

01:26:42,709 --> 01:26:39,980

none of this would have happened

2017

01:26:45,470 --> 01:26:42,719

if it wasn't for Leslie Kanan Ralph

2018

01:26:48,410 --> 01:26:45,480

Blumenthal and the debrief on on Monday

2019

01:26:50,870 --> 01:26:48,420

on the 5th last night oversight

2020

01:26:53,030 --> 01:26:50,880

committee spokesman Austin hacker said

2021

01:26:57,470 --> 01:26:53,040

and I'm quoting here

2022

01:26:59,990 --> 01:26:57,480

in addition to recent claims by a

2023

01:27:01,430 --> 01:27:00,000

whistleblower David grush reports

2024

01:27:03,950 --> 01:27:01,440

continue to surface regarding

2025

01:27:05,689 --> 01:27:03,960

unidentified anomalous phenomena the

2026
01:27:08,030 --> 01:27:05,699
house oversight committee is following

2027
01:27:10,930 --> 01:27:08,040
these UAP reports and is in the early

2028
01:27:13,689 --> 01:27:10,940
stages of planning another hearing

2029
01:27:17,290 --> 01:27:13,699
Republican Representatives Anna Paulina

2030
01:27:21,290 --> 01:27:17,300
Luna and of course Tim burchett

2031
01:27:22,850 --> 01:27:21,300
confirmed today on Twitter that they

2032
01:27:25,970 --> 01:27:22,860
will lead the committee's investigation

2033
01:27:29,390 --> 01:27:25,980
into UFOs officially referred to as

2034
01:27:34,129 --> 01:27:29,400
unidentified anomalous phenomena on uaps

2035
01:27:35,830 --> 01:27:34,139
so that the this is the results of this

2036
01:27:40,370 --> 01:27:35,840
dobster

2037
01:27:44,450 --> 01:27:40,380
telling the truth lying I you know I I

2038
01:27:46,610 --> 01:27:44,460

have no idea but this is the results of

2039

01:27:49,250 --> 01:27:46,620

this just like what happened back in

2040

01:27:50,930 --> 01:27:49,260

December of 2017.

2041

01:27:53,090 --> 01:27:50,940

yeah the hearing is an exciting

2042

01:27:55,430 --> 01:27:53,100

development I was intrigued by that I

2043

01:27:58,910 --> 01:27:55,440

can't wait but we haven't heard it's

2044

01:28:01,250 --> 01:27:58,920

open yet meaning it's it will it be

2045

01:28:04,850 --> 01:28:01,260

for the public or will it be behind

2046

01:28:07,669 --> 01:28:04,860

closed doors because of grush's

2047

01:28:10,550 --> 01:28:07,679

security clearance and the fact that he

2048

01:28:12,410 --> 01:28:10,560

may you know have to encroach on

2049

01:28:14,270 --> 01:28:12,420

classified territory even when he's not

2050

01:28:16,550 --> 01:28:14,280

talking about alien bodies but in some

2051

01:28:18,410 --> 01:28:16,560

other answers for foundation or

2052

01:28:20,990 --> 01:28:18,420

something like that so they may do this

2053

01:28:23,149 --> 01:28:21,000

hearing behind closed doors uh at this

2054

01:28:25,790 --> 01:28:23,159

point as you and I talk I have not seen

2055

01:28:28,310 --> 01:28:25,800

that they were doing a open hearing

2056

01:28:29,930 --> 01:28:28,320

confirmed but rather a hearing so I

2057

01:28:32,689 --> 01:28:29,940

think that that it'll be interesting to

2058

01:28:36,649 --> 01:28:32,699

see if they actually will do this in the

2059

01:28:38,629 --> 01:28:36,659

open uh we'll we'll see I mean again the

2060

01:28:40,910 --> 01:28:38,639

the jury's out there but it's a it's a

2061

01:28:43,610 --> 01:28:40,920

positive development no matter what but

2062

01:28:47,030 --> 01:28:43,620

we then have to kind of as as we

2063

01:28:50,390 --> 01:28:47,040

anticipate that and wait for it what

2064

01:28:52,370 --> 01:28:50,400

happens if if the if the Congress looks

2065

01:28:54,830 --> 01:28:52,380

at it they do their hearing behind

2066

01:28:57,110 --> 01:28:54,840

closed doors or not what happens if the

2067

01:28:58,790 --> 01:28:57,120

world doesn't change what happens if

2068

01:29:01,010 --> 01:28:58,800

they don't come out of that going oh my

2069

01:29:02,750 --> 01:29:01,020

gosh well like all the all of this is is

2070

01:29:05,590 --> 01:29:02,760

legitimate

2071

01:29:07,610 --> 01:29:05,600

um because you have so many fat actors

2072

01:29:09,649 --> 01:29:07,620

involved here on whether or not that

2073

01:29:13,490 --> 01:29:09,659

they would be actually honest with the

2074

01:29:15,649 --> 01:29:13,500

general public if it were true and and

2075

01:29:18,770 --> 01:29:15,659

it that's again goes back to the root of

2076

01:29:20,090 --> 01:29:18,780

this that bothers me so much because I

2077

01:29:21,590 --> 01:29:20,100

just don't think that he would be able

2078

01:29:23,030 --> 01:29:21,600

to get to that point I think you're

2079

01:29:25,669 --> 01:29:23,040

going to see a conveyance of what he's

2080

01:29:26,930 --> 01:29:25,679

what he's heard and then potentially no

2081

01:29:29,149 --> 01:29:26,940

real

2082

01:29:30,890 --> 01:29:29,159

action after that the government will

2083

01:29:32,810 --> 01:29:30,900

chime in and unless I'm pleasantly

2084

01:29:35,209 --> 01:29:32,820

surprised and they go okay we've been

2085

01:29:37,669 --> 01:29:35,219

lying to you guys yeah there's bodies

2086

01:29:40,129 --> 01:29:37,679

and craft uh which I don't anticipate

2087

01:29:43,010 --> 01:29:40,139

happening how will that play out and and

2088

01:29:45,590 --> 01:29:43,020

I think that we can't isn't that too

2089

01:29:47,450 --> 01:29:45,600

overly excited about this but isn't that

2090

01:29:49,010 --> 01:29:47,460

the strange part you brought this up

2091

01:29:51,110 --> 01:29:49,020

yourself at the beginning of the show

2092

01:29:54,350 --> 01:29:51,120

we've got disinformation and

2093

01:29:57,350 --> 01:29:54,360

misinformation supporting both sides of

2094

01:30:01,490 --> 01:29:57,360

the argument yeah right it doesn't make

2095

01:30:03,709 --> 01:30:01,500

any sense and it may be is it is it that

2096

01:30:07,689 --> 01:30:03,719

the government is at the point of

2097

01:30:10,970 --> 01:30:07,699

tapping out okay uh you know what

2098

01:30:13,970 --> 01:30:10,980

this is where we are now we've got

2099

01:30:15,189 --> 01:30:13,980

somebody from the government talking the

2100

01:30:17,629 --> 01:30:15,199

smack

2101
01:30:19,790 --> 01:30:17,639
this we have to take serious and maybe

2102
01:30:22,790 --> 01:30:19,800
the cat is out of the bag that's a

2103
01:30:26,090 --> 01:30:22,800
possibility and then and it's you must

2104
01:30:28,910 --> 01:30:26,100
have so much foia fodder right now I

2105
01:30:30,610 --> 01:30:28,920
can't imagine uh what you're working on

2106
01:30:33,770 --> 01:30:30,620
right now but

2107
01:30:35,890 --> 01:30:33,780
apparently he's given us some dates and

2108
01:30:44,110 --> 01:30:35,900
locations

2109
01:30:50,090 --> 01:30:47,209
for you you don't need much for foia

2110
01:30:52,010 --> 01:30:50,100
John Greenwald needs a period and a

2111
01:30:53,570 --> 01:30:52,020
comma and that's all you need and you

2112
01:30:55,790 --> 01:30:53,580
can go and get all the points I've

2113
01:30:59,510 --> 01:30:55,800

worked with less actually

2114

01:31:01,610 --> 01:30:59,520

so what do we do with this we got a 1933

2115

01:31:03,470 --> 01:31:01,620

crash retrieve he's given a description

2116

01:31:07,729 --> 01:31:03,480

of it

2117

01:31:10,370 --> 01:31:07,739

um uh is that something that is man I'm

2118

01:31:14,209 --> 01:31:10,380

gonna use the word chastise me later

2119

01:31:15,709 --> 01:31:14,219

foia is that is it not really but this

2120

01:31:17,629 --> 01:31:15,719

is a story that's been around in books

2121

01:31:20,390 --> 01:31:17,639

before I had I actually tweeted this out

2122

01:31:23,390 --> 01:31:20,400

so if anybody uses Twitter Black Vault

2123

01:31:27,709 --> 01:31:23,400

com like.com but without the period

2124

01:31:30,169 --> 01:31:27,719

Black Vault com is my my handle uh it's

2125

01:31:32,270 --> 01:31:30,179

uh as we speak right now live it is one

2126
01:31:33,770 --> 01:31:32,280
of the one of the top posts most recent

2127
01:31:36,169 --> 01:31:33,780
I should say so you should see it in the

2128
01:31:37,610 --> 01:31:36,179
top and with permission a couple years

2129
01:31:40,010 --> 01:31:37,620
back

2130
01:31:42,290 --> 01:31:40,020
um the publishing companies wanted me to

2131
01:31:43,910 --> 01:31:42,300
to to to to publish this document

2132
01:31:45,830 --> 01:31:43,920
there's documents on there it's a full

2133
01:31:46,850 --> 01:31:45,840
article that goes into the details of

2134
01:31:48,169 --> 01:31:46,860
this case

2135
01:31:49,790 --> 01:31:48,179
um I could not recite them to you

2136
01:31:52,750 --> 01:31:49,800
because I'm not really well versed on

2137
01:31:55,729 --> 01:31:52,760
what this case is but when I heard about

2138
01:31:57,830 --> 01:31:55,739

grush bringing up this case I tweeted

2139

01:32:00,590 --> 01:31:57,840

out that page just for some extra

2140

01:32:02,149 --> 01:32:00,600

context for everybody out there some

2141

01:32:04,129 --> 01:32:02,159

people are saying that this is going to

2142

01:32:05,870 --> 01:32:04,139

work against him others are very

2143

01:32:08,270 --> 01:32:05,880

intrigued by it again you have the

2144

01:32:09,950 --> 01:32:08,280

warring factions on whether or not this

2145

01:32:13,129 --> 01:32:09,960

is actually going to hurt or harm his

2146

01:32:16,370 --> 01:32:13,139

story I am neutral on that at this point

2147

01:32:18,530 --> 01:32:16,380

I just you know I I like when I can to

2148

01:32:21,290 --> 01:32:18,540

just say here's the information you guys

2149

01:32:23,510 --> 01:32:21,300

do it and read it and decide for

2150

01:32:26,209 --> 01:32:23,520

yourself because that has been a case

2151
01:32:28,070 --> 01:32:26,219
that has been written about in books and

2152
01:32:29,689 --> 01:32:28,080
and so on and has been around for many

2153
01:32:32,050 --> 01:32:29,699
years so that article will have quite a

2154
01:32:35,030 --> 01:32:32,060
bit for you but that's not my question

2155
01:32:36,770 --> 01:32:35,040
okay but thank you for all of that John

2156
01:32:39,530 --> 01:32:36,780
that was I'm sorry if I missed something

2157
01:32:41,090 --> 01:32:39,540
that was that was precise and to the

2158
01:32:44,629 --> 01:32:41,100
point

2159
01:32:47,149 --> 01:32:44,639
um is there enough with this case uh to

2160
01:32:48,950 --> 01:32:47,159
get more information out of it for

2161
01:32:52,870 --> 01:32:48,960
congress

2162
01:32:55,430 --> 01:32:52,880
um for the intelligence committees

2163
01:32:57,229 --> 01:32:55,440

it's before everybody's time anybody

2164

01:33:00,350 --> 01:32:57,239

that was involved with that is dead

2165

01:33:03,709 --> 01:33:00,360

right it's a hundred years ago so is

2166

01:33:07,430 --> 01:33:03,719

there enough there for I mean why bring

2167

01:33:11,030 --> 01:33:07,440

it up if there's is or was he shown

2168

01:33:12,950 --> 01:33:11,040

something again he keeps referencing uh

2169

01:33:16,550 --> 01:33:12,960

the materials that he was shown that he

2170

01:33:19,729 --> 01:33:16,560

forwarded on to the IG is this one of

2171

01:33:22,970 --> 01:33:19,739

those cases is there enough there for

2172

01:33:26,510 --> 01:33:22,980

the government to to to look into

2173

01:33:28,729 --> 01:33:26,520

yeah from 1933 to foia material you can

2174

01:33:31,250 --> 01:33:28,739

absolutely foia material that old uh I

2175

01:33:33,169 --> 01:33:31,260

mean I foiled foia documents from World

2176

01:33:35,750 --> 01:33:33,179

War one so

2177

01:33:37,610 --> 01:33:35,760

um you know it's it's definitely foia a

2178

01:33:39,610 --> 01:33:37,620

bull uh but the intelligence agencies

2179

01:33:43,310 --> 01:33:39,620

that would likely have anything on it

2180

01:33:44,990 --> 01:33:43,320

didn't exist uh really at that point I

2181

01:33:47,750 --> 01:33:45,000

mean you know you you had a lot of

2182

01:33:51,410 --> 01:33:47,760

agencies more in the 1947 era come

2183

01:33:53,689 --> 01:33:51,420

around uh versus anything that that uh

2184

01:33:56,209 --> 01:33:53,699

would have information on this most of

2185

01:33:57,470 --> 01:33:56,219

this is from Italian archives so in

2186

01:33:59,629 --> 01:33:57,480

essence you would have to go through the

2187

01:34:02,330 --> 01:33:59,639

Italian government if they had anything

2188

01:34:03,530 --> 01:34:02,340

so so yeah I mean I wasn't dodging that

2189

01:34:05,330 --> 01:34:03,540

that part of your question but there's

2190

01:34:07,370 --> 01:34:05,340

really nothing that you can really foia

2191

01:34:10,010 --> 01:34:07,380

on our side unless

2192

01:34:12,169 --> 01:34:10,020

during the course of this this now has

2193

01:34:14,330 --> 01:34:12,179

become an interest of the U.S government

2194

01:34:16,850 --> 01:34:14,340

and then one of the intelligence

2195

01:34:18,410 --> 01:34:16,860

agencies start to say well hey wait a

2196

01:34:21,649 --> 01:34:18,420

minute we've seen credible evidence of a

2197

01:34:24,169 --> 01:34:21,659

1933 XYZ uh what can we find out and

2198

01:34:25,970 --> 01:34:24,179

then that becomes foiable but until we

2199

01:34:29,030 --> 01:34:25,980

get word of you know if that's even

2200

01:34:30,770 --> 01:34:29,040

going to happen I I don't know bottom

2201

01:34:33,709 --> 01:34:30,780

line though this case is not new it's

2202

01:34:37,850 --> 01:34:33,719

it's been around forever for a while and

2203

01:34:43,189 --> 01:34:37,860

I certainly uh I I I I I wouldn't I

2204

01:34:46,310 --> 01:34:43,199

wouldn't think that uh I'm gonna upset

2205

01:34:48,709 --> 01:34:46,320

half of my audience that somebody do

2206

01:34:51,169 --> 01:34:48,719

that often yes it's so fine yeah yeah

2207

01:34:53,930 --> 01:34:51,179

you do it you do it all on your own

2208

01:34:55,810 --> 01:34:53,940

um that somebody gave him you know some

2209

01:34:58,970 --> 01:34:55,820

dog-eared copy of the Philadelphia

2210

01:35:01,910 --> 01:34:58,980

Experiment and gave him a book and said

2211

01:35:03,490 --> 01:35:01,920

this is this is this really happened I

2212

01:35:07,570 --> 01:35:03,500

don't think that's the case with David

2213

01:35:11,570 --> 01:35:07,580

something else was given to him which is

2214

01:35:14,209 --> 01:35:11,580

uh bringing me to this next point maybe

2215

01:35:17,510 --> 01:35:14,219

this they're calling it The Bell right

2216

01:35:19,310 --> 01:35:17,520

again right here we go die clock or how

2217

01:35:22,370 --> 01:35:19,320

I reset

2218

01:35:26,390 --> 01:35:22,380

um is that object

2219

01:35:29,090 --> 01:35:26,400

sitting in a laboratory somewhere in a

2220

01:35:32,930 --> 01:35:29,100

warehouse out here in the Mojave Desert

2221

01:35:35,810 --> 01:35:32,940

that's the point it hasn't been sat and

2222

01:35:39,530 --> 01:35:35,820

researched on and would that be foilable

2223

01:35:41,510 --> 01:35:39,540

not the crash retrieval from 1933 I

2224

01:35:45,229 --> 01:35:41,520

could give a crap about that where is

2225

01:35:47,990 --> 01:35:45,239

the where is that object today and have

2226

01:35:51,470 --> 01:35:48,000

we been backwards engineering that and

2227

01:35:53,510 --> 01:35:51,480

is that foible yeah it in essence it

2228

01:35:55,750 --> 01:35:53,520

all would be everything that David grush

2229

01:35:58,970 --> 01:35:55,760

has talked about in summation anyway

2230

01:36:00,950 --> 01:35:58,980

would be foible if we had actual

2231

01:36:03,229 --> 01:36:00,960

details to work with

2232

01:36:06,890 --> 01:36:03,239

but again we don't have those details so

2233

01:36:10,189 --> 01:36:06,900

we just have stories at this point and

2234

01:36:11,629 --> 01:36:10,199

and this is again that concern to where

2235

01:36:14,090 --> 01:36:11,639

you know even though we don't have those

2236

01:36:17,810 --> 01:36:14,100

details even summation it would be

2237

01:36:20,149 --> 01:36:17,820

classified so that's a big hurdle I

2238

01:36:22,790 --> 01:36:20,159

think that those involved in this story

2239

01:36:24,470 --> 01:36:22,800

when they appear before Congress will

2240

01:36:26,870 --> 01:36:24,480

have to get over hopefully they have

2241

01:36:30,350 --> 01:36:26,880

those details it's rumored they do so

2242

01:36:32,689 --> 01:36:30,360

great if they do then Congress will

2243

01:36:35,030 --> 01:36:32,699

hopefully go right to the door of

2244

01:36:37,430 --> 01:36:35,040

wherever they said and and figure this

2245

01:36:38,990 --> 01:36:37,440

out but then the question mark whether

2246

01:36:43,310 --> 01:36:39,000

or not gracious story is real or not

2247

01:36:45,890 --> 01:36:43,320

will Congress be open and honest with

2248

01:36:47,629 --> 01:36:45,900

the general public and I have my doubts

2249

01:36:49,129 --> 01:36:47,639

about that so take my skepticism about

2250

01:36:52,129 --> 01:36:49,139

Grocer's claims put it out the window

2251

01:36:54,709 --> 01:36:52,139

let's say for a moment they're all true

2252

01:36:56,870 --> 01:36:54,719

if Congress finds that out will they

2253

01:36:58,790 --> 01:36:56,880

tell us or will the intelligence

2254

01:37:02,149 --> 01:36:58,800

Community that's been in charge of

2255

01:37:04,250 --> 01:37:02,159

keeping this all secret convince the

2256

01:37:05,510 --> 01:37:04,260

Senators and congressmen hey look you

2257

01:37:07,490 --> 01:37:05,520

know we'll give you a bone or maybe

2258

01:37:10,610 --> 01:37:07,500

something that we can talk about but you

2259

01:37:13,250 --> 01:37:10,620

cannot reveal any of this

2260

01:37:15,649 --> 01:37:13,260

um so we have to you know figure figure

2261

01:37:17,629 --> 01:37:15,659

out more of a cover story so that way

2262

01:37:19,669 --> 01:37:17,639

you can appease your constituents you

2263

01:37:22,490 --> 01:37:19,679

looked into it you found that yes it

2264

01:37:24,290 --> 01:37:22,500

does involve some type of Technology but

2265

01:37:26,930 --> 01:37:24,300

we're safe and everybody's all

2266

01:37:28,550 --> 01:37:26,940

hunky-dory uh and and cover it up again

2267

01:37:31,370 --> 01:37:28,560

for another hundred years until somebody

2268

01:37:34,129 --> 01:37:31,380

else comes along so there's a lot of

2269

01:37:37,669 --> 01:37:34,139

things at play here because I go back to

2270

01:37:39,950 --> 01:37:37,679

the provable secrecy that is deepening

2271

01:37:42,950 --> 01:37:39,960

when it comes to this topic and it's

2272

01:37:44,689 --> 01:37:42,960

only gotten worse and in the last week

2273

01:37:46,729 --> 01:37:44,699

didn't get a lot of press especially

2274

01:37:48,350 --> 01:37:46,739

because of what's going on this week and

2275

01:37:50,629 --> 01:37:48,360

it's snoozy I get it some of these legal

2276

01:37:54,830 --> 01:37:50,639

things are awful but the Department of

2277

01:37:58,490 --> 01:37:54,840

Defense has now done in my view a brand

2278

01:37:59,930 --> 01:37:58,500

new effort to legally thwart any effort

2279

01:38:03,110 --> 01:37:59,940

through the Freedom of Information Act

2280

01:38:06,070 --> 01:38:03,120

to get UAP related information

2281

01:38:08,750 --> 01:38:06,080

that they have created now an argument

2282

01:38:11,209 --> 01:38:08,760

that is going to be incredibly difficult

2283

01:38:12,770 --> 01:38:11,219

for me to fight I have fought through

2284

01:38:15,590 --> 01:38:12,780

the last quite a few years through the

2285

01:38:18,470 --> 01:38:15,600

appeal process and one quite a few of

2286

01:38:21,169 --> 01:38:18,480

those appeals lost quite a few also but

2287

01:38:23,990 --> 01:38:21,179

one them to go back and release

2288

01:38:26,149 --> 01:38:24,000

information that they first denied but

2289

01:38:29,450 --> 01:38:26,159

though now their tactic is making what

2290

01:38:32,629 --> 01:38:29,460

Arrow's mission is labeling it a law

2291

01:38:36,050 --> 01:38:32,639

enforcement investigation and by doing

2292

01:38:38,870 --> 01:38:36,060

so exemption B7 now comes into play

2293

01:38:42,830 --> 01:38:38,880

where if they label everything arrow is

2294

01:38:44,870 --> 01:38:42,840

doing as B7 that means that any UAP

2295

01:38:47,750 --> 01:38:44,880

related anything

2296

01:38:50,330 --> 01:38:47,760

as it relates to Arrow will be 100

2297

01:38:52,189 --> 01:38:50,340

percent exempt through the Freedom of

2298

01:38:55,310 --> 01:38:52,199

Information Act from top to bottom left

2299

01:38:57,950 --> 01:38:55,320

to right 100 percent in perpetuity until

2300

01:39:00,770 --> 01:38:57,960

Arrow ceases to exist

2301

01:39:04,090 --> 01:39:00,780

that is incredibly problematic and that

2302

01:39:06,830 --> 01:39:04,100

does not help stories like David grush

2303

01:39:09,950 --> 01:39:06,840

yeah no I can talk about bodies and

2304

01:39:12,470 --> 01:39:09,960

craft right no way there's no way those

2305

01:39:15,590 --> 01:39:12,480

things are are are together in this

2306

01:39:18,470 --> 01:39:15,600

conversation not at all okay let's wrap

2307

01:39:23,709 --> 01:39:18,480

this up with probably the most important

2308

01:39:31,729 --> 01:39:27,169

because we are dealing with special

2309

01:39:32,830 --> 01:39:31,739

access programs black dark disappearing

2310

01:39:39,050 --> 01:39:32,840

money

2311

01:39:43,070 --> 01:39:39,060

and and entities that exist outside of

2312

01:39:45,649 --> 01:39:43,080

the government is it possible for the

2313

01:39:49,129 --> 01:39:45,659

oversight committee right is it possible

2314

01:39:51,229 --> 01:39:49,139

for James Comer is it possible for Marco

2315

01:39:55,729 --> 01:39:51,239

Rubio or the Senate intelligence

2316

01:40:00,290 --> 01:39:55,739

committee to go and look into special

2317

01:40:04,390 --> 01:40:00,300

access programs to confirm

2318

01:40:07,729 --> 01:40:04,400

David grush's statements is it outside

2319

01:40:10,790 --> 01:40:07,739

of even their purview and their

2320

01:40:13,129 --> 01:40:10,800

enforcement abilities

2321

01:40:15,169 --> 01:40:13,139

uh it's I've seen it argued both ways

2322

01:40:18,530 --> 01:40:15,179

they should be able to have oversight

2323

01:40:20,149 --> 01:40:18,540

even on some of these deep dark secrets

2324

01:40:22,550 --> 01:40:20,159

that the US government U.S military

2325

01:40:24,830 --> 01:40:22,560

holds uh but I've also seen arguments

2326

01:40:26,750 --> 01:40:24,840

that they would be denied as well but

2327

01:40:28,490 --> 01:40:26,760

it's a very difficult path to walk down

2328

01:40:30,229 --> 01:40:28,500

because now you're just getting into a

2329

01:40:32,810 --> 01:40:30,239

conspiracy mindset that you can't

2330

01:40:35,570 --> 01:40:32,820

believe anybody and and and that's fine

2331

01:40:39,110 --> 01:40:35,580

maybe we can't believe anybody

2332

01:40:41,510 --> 01:40:39,120

um but that's uh kind of leaning into my

2333

01:40:42,950 --> 01:40:41,520

my thing earlier in your show that I

2334

01:40:46,550 --> 01:40:42,960

brought up that it's quite possible

2335

01:40:48,470 --> 01:40:46,560

David grush is being misled to create a

2336

01:40:50,870 --> 01:40:48,480

very muddy pit of information that's now

2337

01:40:53,629 --> 01:40:50,880

been put forth to the general public to

2338

01:40:55,129 --> 01:40:53,639

confuse the heck out of everyone and at

2339

01:40:57,530 --> 01:40:55,139

the end of the day bring no evidence

2340

01:41:01,129 --> 01:40:57,540

along with it but to your point would

2341

01:41:02,870 --> 01:41:01,139

they have access we we would hope but if

2342

01:41:04,850 --> 01:41:02,880

grush is telling the truth and his

2343

01:41:07,430 --> 01:41:04,860

sources are solid and all the stories

2344

01:41:10,370 --> 01:41:07,440

are true that means that the information

2345

01:41:14,270 --> 01:41:10,380

that grush has will be able to take

2346

01:41:16,490 --> 01:41:14,280

Marco Rubio or whomever on a journey to

2347

01:41:19,430 --> 01:41:16,500

the front door of wherever this stuff is

2348

01:41:20,990 --> 01:41:19,440

despite security layers and and and find

2349

01:41:23,390 --> 01:41:21,000

this out and really knock on the doors

2350

01:41:26,870 --> 01:41:23,400

so if the Senators if the Congress men

2351

01:41:29,209 --> 01:41:26,880

women whomever wants answers it sounds

2352

01:41:31,729 --> 01:41:29,219

like grush can give that to them and I'm

2353

01:41:34,070 --> 01:41:31,739

eager to see despite my skepticism hey

2354

01:41:36,229 --> 01:41:34,080

if he's telling the truth then the

2355

01:41:38,570 --> 01:41:36,239

blueprint is there the the road map I

2356

01:41:40,189 --> 01:41:38,580

should say is there to take Congress

2357

01:41:41,930 --> 01:41:40,199

directly to the door of where these

2358

01:41:44,810 --> 01:41:41,940

secrets are being kept and let's change

2359

01:41:46,790 --> 01:41:44,820

the world and and see what happens you

2360

01:41:50,629 --> 01:41:46,800

know and and that's the bottom line here

2361

01:41:52,550 --> 01:41:50,639

but will that actually take place I

2362

01:41:54,410 --> 01:41:52,560

don't I don't know

2363

01:41:56,270 --> 01:41:54,420

um that's why it's an exciting time we

2364

01:41:57,830 --> 01:41:56,280

live in because we're all on this

2365

01:41:59,990 --> 01:41:57,840

journey together you know and we're

2366

01:42:03,890 --> 01:42:00,000

we're heading towards the season finale

2367

01:42:06,109 --> 01:42:03,900

on the uh on on The ufology Rush season

2368

01:42:08,149 --> 01:42:06,119

when this hearing happens and we'll see

2369

01:42:10,129 --> 01:42:08,159

what happens after man I was pretty

2370

01:42:11,470 --> 01:42:10,139

depressed at the end of succession by

2371

01:42:13,729 --> 01:42:11,480

the way I

2372

01:42:19,729 --> 01:42:13,739

I don't know if I want to see the end of

2373

01:42:22,910 --> 01:42:19,739

this uh the journey is is uh as much fun

2374

01:42:26,830 --> 01:42:22,920

as getting to the real information but

2375

01:42:28,490 --> 01:42:26,840

um the the question is

2376
01:42:30,950 --> 01:42:28,500
why

2377
01:42:33,290 --> 01:42:30,960
would grush

2378
01:42:35,930 --> 01:42:33,300
make it up

2379
01:42:38,810 --> 01:42:35,940
not that he was misled

2380
01:42:40,090 --> 01:42:38,820
okay let's okay let's go to The Other

2381
01:42:45,709 --> 01:42:40,100
Extreme

2382
01:42:48,649 --> 01:42:45,719
why in a volunteer sense walk the plank

2383
01:42:51,770 --> 01:42:48,659
ruin your life and ruin your name and

2384
01:42:56,270 --> 01:42:51,780
reputation why would you do that

2385
01:42:59,209 --> 01:42:56,280
I I I I I I I I don't feel it John I I

2386
01:43:01,370 --> 01:42:59,219
don't think he would I I that was not my

2387
01:43:04,850 --> 01:43:01,380
first thought on that yeah I mean it's

2388
01:43:06,290 --> 01:43:04,860

possible you know but I with with what

2389

01:43:08,149 --> 01:43:06,300

he's done which works to his credit

2390

01:43:09,169 --> 01:43:08,159

filing the complaint and so on and so

2391

01:43:11,050 --> 01:43:09,179

forth

2392

01:43:14,270 --> 01:43:11,060

um I just don't I don't see a 100

2393

01:43:17,390 --> 01:43:14,280

fabricated story that he's making that I

2394

01:43:19,609 --> 01:43:17,400

I I I was not on that originally and and

2395

01:43:21,109 --> 01:43:19,619

not on that now

2396

01:43:23,330 --> 01:43:21,119

um but one thing and I've seen it in

2397

01:43:25,010 --> 01:43:23,340

your chat as well that if he is not

2398

01:43:26,629 --> 01:43:25,020

telling the truth and the complaint that

2399

01:43:28,370 --> 01:43:26,639

he would go to jail

2400

01:43:31,250 --> 01:43:28,380

um that is also a big misconception

2401

01:43:33,590 --> 01:43:31,260

about all of this now I've heard this

2402

01:43:35,810 --> 01:43:33,600

repeated over and over and over again

2403

01:43:39,830 --> 01:43:35,820

right that

2404

01:43:43,010 --> 01:43:39,840

I I have signed documents uh as a

2405

01:43:45,350 --> 01:43:43,020

military dependent right and and you see

2406

01:43:48,350 --> 01:43:45,360

that at the bottom right five years in

2407

01:43:51,410 --> 01:43:48,360

prison ten thousand dollar fine yeah

2408

01:43:55,669 --> 01:43:51,420

um you know that's that's that's that's

2409

01:43:57,910 --> 01:43:55,679

seems to be everywhere yeah but now uh

2410

01:44:02,390 --> 01:43:57,920

it is certainly part of the conversation

2411

01:44:05,149 --> 01:44:02,400

that this uh this involves prison time

2412

01:44:07,430 --> 01:44:05,159

and and a heavy fine and and everything

2413

01:44:09,709 --> 01:44:07,440

else you're saying that that may not be

2414

01:44:12,229 --> 01:44:09,719

the case no because if he's conveying

2415

01:44:14,629 --> 01:44:12,239

what he believes to be the truth and it

2416

01:44:17,629 --> 01:44:14,639

goes into the scenario of is he misled

2417

01:44:19,430 --> 01:44:17,639

or or anything to that effect

2418

01:44:21,890 --> 01:44:19,440

um he's still conveying what he believes

2419

01:44:23,750 --> 01:44:21,900

to be true so they're not going to slap

2420

01:44:26,270 --> 01:44:23,760

him in cuffs they go that's it man

2421

01:44:28,189 --> 01:44:26,280

you're going to jail where those lines

2422

01:44:30,430 --> 01:44:28,199

are and those documents that you've

2423

01:44:33,830 --> 01:44:30,440

signed but more so in the security Arena

2424

01:44:36,350 --> 01:44:33,840

you when you're making legal accusations

2425

01:44:39,109 --> 01:44:36,360

and criminal accusations against someone

2426

01:44:41,390 --> 01:44:39,119

and you have created a plot against them

2427

01:44:45,790 --> 01:44:41,400

generally that's what those lines are

2428

01:44:48,290 --> 01:44:45,800

there for that you are creating a a

2429

01:44:50,270 --> 01:44:48,300

fictionalized scenario to try and get

2430

01:44:51,470 --> 01:44:50,280

somebody else in trouble that's

2431

01:44:54,050 --> 01:44:51,480

generally what you're going to get

2432

01:44:56,870 --> 01:44:54,060

prosecuted for you know and and if he

2433

01:44:59,629 --> 01:44:56,880

did make up this entire story

2434

01:45:02,330 --> 01:44:59,639

um would that even constitute jail time

2435

01:45:04,430 --> 01:45:02,340

I I don't I I don't see that but I mean

2436

01:45:06,229 --> 01:45:04,440

maybe I just don't think he is making it

2437

01:45:08,090 --> 01:45:06,239

up I do think that he's basing it on

2438

01:45:10,189 --> 01:45:08,100

something and and

2439

01:45:12,169 --> 01:45:10,199

um you know I I don't see that it would

2440

01:45:14,810 --> 01:45:12,179

play out that way but the misconception

2441

01:45:16,790 --> 01:45:14,820

of of him lying or having factually

2442

01:45:19,070 --> 01:45:16,800

incorrect information in his complaint

2443

01:45:21,649 --> 01:45:19,080

even though he swore under you know

2444

01:45:23,990 --> 01:45:21,659

penalty of perjury that it was true but

2445

01:45:25,729 --> 01:45:24,000

if it was wrong it all depends on the

2446

01:45:28,970 --> 01:45:25,739

context and I'll give you a real world

2447

01:45:31,250 --> 01:45:28,980

provable example and ironically it's

2448

01:45:34,129 --> 01:45:31,260

about Luis elizondo's Inspector General

2449

01:45:37,669 --> 01:45:34,139

complaint and there is an entire section

2450

01:45:40,330 --> 01:45:37,679

in there that is wrong not because I say

2451
01:45:43,729 --> 01:45:40,340
it's wrong but because I know it's wrong

2452
01:45:46,310 --> 01:45:43,739
it is factually incorrect and it places

2453
01:45:48,350 --> 01:45:46,320
an accusation on somebody that had

2454
01:45:51,050 --> 01:45:48,360
nothing to do with the situation at hand

2455
01:45:53,750 --> 01:45:51,060
how do I know because I'm the one that

2456
01:45:55,250 --> 01:45:53,760
did the actual story I'm the one that

2457
01:45:57,050 --> 01:45:55,260
worked with the Department of Defense

2458
01:46:00,109 --> 01:45:57,060
through not only the Freedom of

2459
01:46:01,330 --> 01:46:00,119
Information Act but another process to

2460
01:46:04,850 --> 01:46:01,340
get

2461
01:46:07,430 --> 01:46:04,860
essentially what led to the discovery

2462
01:46:10,250 --> 01:46:07,440
that Luis elizondo's emails were all

2463
01:46:12,109 --> 01:46:10,260

destroyed Susan Goff had nothing to do

2464

01:46:14,689 --> 01:46:12,119

with this the Pentagon spokesperson had

2465

01:46:16,189 --> 01:46:14,699

zero to do with this I was working with

2466

01:46:18,649 --> 01:46:16,199

a legal division within the Department

2467

01:46:21,169 --> 01:46:18,659

of Defense to get statements and I

2468

01:46:23,270 --> 01:46:21,179

worked on this story for months I was

2469

01:46:25,790 --> 01:46:23,280

making sure that I dotted every eye and

2470

01:46:28,430 --> 01:46:25,800

crossed every T I was very intimately

2471

01:46:32,330 --> 01:46:28,440

involved in that yet in the complaint

2472

01:46:34,490 --> 01:46:32,340

that story was used Susan Goff was

2473

01:46:36,590 --> 01:46:34,500

blamed and she's the one that actually

2474

01:46:38,990 --> 01:46:36,600

had the accusation made against her in

2475

01:46:42,050 --> 01:46:39,000

the inspector general complaint and the

2476

01:46:44,149 --> 01:46:42,060

story was exaggerated I asked for

2477

01:46:45,410 --> 01:46:44,159

clarification from him he never gave it

2478

01:46:47,390 --> 01:46:45,420

to me that if he had some other

2479

01:46:50,930 --> 01:46:47,400

information that he never informed me of

2480

01:46:52,970 --> 01:46:50,940

could he please prove it he never did he

2481

01:46:55,850 --> 01:46:52,980

then turned the emails being destroyed

2482

01:46:57,070 --> 01:46:55,860

as his entire file base and data and

2483

01:47:00,890 --> 01:46:57,080

this and that

2484

01:47:03,290 --> 01:47:00,900

that was all untrue I have not seen any

2485

01:47:06,189 --> 01:47:03,300

evidence to support that and so I bring

2486

01:47:08,870 --> 01:47:06,199

that up to say he's not let out in cuffs

2487

01:47:12,649 --> 01:47:08,880

his Inspector General complaint was

2488

01:47:13,689 --> 01:47:12,659

dismissed it was found to not be

2489

01:47:16,550 --> 01:47:13,699

um

2490

01:47:18,350 --> 01:47:16,560

actionable that that there was no there

2491

01:47:20,390 --> 01:47:18,360

was no action for them to take and they

2492

01:47:22,129 --> 01:47:20,400

closed it we don't hear about that a lot

2493

01:47:25,790 --> 01:47:22,139

we just hear about the complaint but it

2494

01:47:27,649 --> 01:47:25,800

was closed uh the beginning of 2022 or I

2495

01:47:29,629 --> 01:47:27,659

think March or something like that and

2496

01:47:31,070 --> 01:47:29,639

uh I got the letter actually released

2497

01:47:33,109 --> 01:47:31,080

through the Freedom of Information I got

2498

01:47:35,270 --> 01:47:33,119

all that information but my whole point

2499

01:47:38,209 --> 01:47:35,280

being is that he wasn't arrested and yet

2500

01:47:41,450 --> 01:47:38,219

there was a provably incorrect portion

2501
01:47:44,090 --> 01:47:41,460
of his Inspector General complaint and

2502
01:47:47,330 --> 01:47:44,100
again I've got numerous documents to

2503
01:47:50,149 --> 01:47:47,340
back up all of that and I'm happy to

2504
01:47:51,830 --> 01:47:50,159
release all of them if I ever had to but

2505
01:47:53,990 --> 01:47:51,840
all of that information is already in

2506
01:47:56,390 --> 01:47:54,000
the the public domain the communications

2507
01:47:57,709 --> 01:47:56,400
are all in the public domain the signed

2508
01:47:59,149 --> 01:47:57,719
letters from the Department of Defense

2509
01:48:01,669 --> 01:47:59,159
are already in the public domain I've

2510
01:48:03,530 --> 01:48:01,679
published them all so that's easily

2511
01:48:05,450 --> 01:48:03,540
proven so an accusation was made against

2512
01:48:07,129 --> 01:48:05,460
somebody that wasn't true but In

2513
01:48:09,470 --> 01:48:07,139

fairness to Luis Elizondo maybe he

2514

01:48:11,450 --> 01:48:09,480

thought it was and and that that then

2515

01:48:13,370 --> 01:48:11,460

goes to well are they going to prosecute

2516

01:48:16,070 --> 01:48:13,380

him for that well this is approvable

2517

01:48:18,590 --> 01:48:16,080

example no that's not the case so the

2518

01:48:20,270 --> 01:48:18,600

jail argument has to go away because we

2519

01:48:22,790 --> 01:48:20,280

can cite

2520

01:48:24,229 --> 01:48:22,800

provable examples that that is not the

2521

01:48:26,350 --> 01:48:24,239

case when you have factually incorrect

2522

01:48:30,109 --> 01:48:26,360

information in a complaint

2523

01:48:35,090 --> 01:48:30,119

uh whistleblower protection

2524

01:48:36,709 --> 01:48:35,100

does it cover because uh David grush has

2525

01:48:40,729 --> 01:48:36,719

has stated

2526

01:48:44,570 --> 01:48:40,739

um that he provided the documents to the

2527

01:48:46,669 --> 01:48:44,580

ig's office to to back this up what what

2528

01:48:48,410 --> 01:48:46,679

is in those documents I don't know you

2529

01:48:51,890 --> 01:48:48,420

know I have no idea I don't know what

2530

01:48:53,930 --> 01:48:51,900

was provided to dopps or I I don't but

2531

01:48:56,330 --> 01:48:53,940

he's insinuating

2532

01:48:58,310 --> 01:48:56,340

flying saucers and alien bodies right

2533

01:49:00,010 --> 01:48:58,320

that's that's the assumption that we're

2534

01:49:02,990 --> 01:49:00,020

making here

2535

01:49:06,790 --> 01:49:03,000

those documents

2536

01:49:10,609 --> 01:49:06,800

um support that then I would have to

2537

01:49:11,990 --> 01:49:10,619

assume and conclude that they are highly

2538

01:49:14,689 --> 01:49:12,000

classified

2539

01:49:18,649 --> 01:49:14,699

him being in possession of those

2540

01:49:21,890 --> 01:49:18,659

documents and providing those to the IG

2541

01:49:23,950 --> 01:49:21,900

is he protected can he possess those

2542

01:49:28,490 --> 01:49:23,960

documents one

2543

01:49:31,609 --> 01:49:28,500

he got him through the UAP task force or

2544

01:49:34,189 --> 01:49:31,619

whatever is he protected under uh

2545

01:49:36,350 --> 01:49:34,199

whistleblower protection uh for

2546

01:49:39,169 --> 01:49:36,360

possessing those for the brief moment

2547

01:49:41,810 --> 01:49:39,179

that he hands him over to the IG they're

2548

01:49:44,570 --> 01:49:41,820

certainly not unclassified documents

2549

01:49:48,229 --> 01:49:44,580

right if they're about alien bodies and

2550

01:49:49,910 --> 01:49:48,239

flying saucers so is he protected if he

2551

01:49:52,189 --> 01:49:49,920

was in possession of you know the

2552

01:49:53,090 --> 01:49:52,199

hottest paper in the world yeah and

2553

01:49:55,970 --> 01:49:53,100

that's what I'm trying to get

2554

01:49:57,410 --> 01:49:55,980

clarification on on a couple fronts from

2555

01:49:59,209 --> 01:49:57,420

people much smarter than me when it

2556

01:50:01,790 --> 01:49:59,219

comes to Legal so I don't have any

2557

01:50:03,530 --> 01:50:01,800

answer for you on that I do know there

2558

01:50:06,290 --> 01:50:03,540

is some level of whistleblower

2559

01:50:08,390 --> 01:50:06,300

protection but again if if he's talking

2560

01:50:11,149 --> 01:50:08,400

about special compartmentalized

2561

01:50:13,910 --> 01:50:11,159

information again top secret SCI that

2562

01:50:16,790 --> 01:50:13,920

he's not cleared to hear there's some

2563

01:50:19,010 --> 01:50:16,800

some some potential problems there

2564

01:50:22,669 --> 01:50:19,020

because if it's all true and other

2565

01:50:24,830 --> 01:50:22,679

people are reading him in on this SCI

2566

01:50:26,810 --> 01:50:24,840

information and he's not cleared for

2567

01:50:29,990 --> 01:50:26,820

that that's that's potentially

2568

01:50:31,910 --> 01:50:30,000

problematic also also kind of an

2569

01:50:34,250 --> 01:50:31,920

interesting red flag of the story

2570

01:50:35,629 --> 01:50:34,260

because he's admitting to that that all

2571

01:50:37,850 --> 01:50:35,639

these people are spelling all this

2572

01:50:40,850 --> 01:50:37,860

information and then he has x amount of

2573

01:50:46,330 --> 01:50:40,860

hours worth of of of interviews and so

2574

01:50:49,850 --> 01:50:46,340

on uh what in that is truly classified

2575

01:50:52,910 --> 01:50:49,860

yeah and privilege that's right but but

2576

01:50:56,209 --> 01:50:52,920

what's what's the alternative here

2577

01:50:59,629 --> 01:50:56,219

and you have a moral dilemma right

2578

01:51:01,850 --> 01:50:59,639

you're now like a walking Paradox damned

2579

01:51:04,370 --> 01:51:01,860

if you do damned if you don't and you're

2580

01:51:09,350 --> 01:51:04,380

sitting on this information do you just

2581

01:51:11,209 --> 01:51:09,360

clam up yeah or do you do you martyr

2582

01:51:13,250 --> 01:51:11,219

yourself do you go to the IG and do you

2583

01:51:17,830 --> 01:51:13,260

go public and do you do an interview

2584

01:51:20,990 --> 01:51:17,840

with Ross colfhart you know I I I think

2585

01:51:23,930 --> 01:51:21,000

if if all of this plays out the way that

2586

01:51:26,030 --> 01:51:23,940

it seems like it might then he did the

2587

01:51:27,609 --> 01:51:26,040

right thing yeah and that's the

2588

01:51:30,649 --> 01:51:27,619

protection there

2589

01:51:33,229 --> 01:51:30,659

again I'm not I'm not really privy to

2590

01:51:35,450 --> 01:51:33,239

from the legal standpoint on where that

2591

01:51:36,890 --> 01:51:35,460

protection is is that uh if he had it

2592

01:51:39,530 --> 01:51:36,900

didn't say anything it was caught with

2593

01:51:41,570 --> 01:51:39,540

it is that prosecutable but now with the

2594

01:51:43,250 --> 01:51:41,580

Whistleblower protection he took it

2595

01:51:45,590 --> 01:51:43,260

handed it off and said hey wait a minute

2596

01:51:48,229 --> 01:51:45,600

we need to do something about that that

2597

01:51:51,830 --> 01:51:48,239

will likely clear him uh but again

2598

01:51:53,810 --> 01:51:51,840

potentially backing up to the the area

2599

01:51:56,450 --> 01:51:53,820

where he got the doc documents from and

2600

01:51:58,070 --> 01:51:56,460

the people and so on are they protected

2601
01:51:59,629 --> 01:51:58,080
because they are not the whistleblowers

2602
01:52:01,609 --> 01:51:59,639
they're they're not the ones right

2603
01:52:03,830 --> 01:52:01,619
coming forward they were the ones that

2604
01:52:05,689 --> 01:52:03,840
took potentially top secret SCI

2605
01:52:07,970 --> 01:52:05,699
information passed it to somebody who

2606
01:52:09,950 --> 01:52:07,980
wasn't cleared and they are not coming

2607
01:52:11,450 --> 01:52:09,960
forward with any type of you know

2608
01:52:13,129 --> 01:52:11,460
whistleblower protection claim or

2609
01:52:16,430 --> 01:52:13,139
anything like that so is that why you

2610
01:52:20,090 --> 01:52:16,440
would lawyer up though right get just

2611
01:52:22,609 --> 01:52:20,100
get hand it to your lawyer you're not in

2612
01:52:25,129 --> 01:52:22,619
possession of it anymore right and now

2613
01:52:28,430 --> 01:52:25,139

the lawyer writes the complaint and he's

2614

01:52:31,070 --> 01:52:28,440

handing it over and you are not in

2615

01:52:33,010 --> 01:52:31,080

possession of the documents anymore and

2616

01:52:36,530 --> 01:52:33,020

you've gone through the legal window

2617

01:52:38,090 --> 01:52:36,540

yeah right and those are all great

2618

01:52:40,370 --> 01:52:38,100

questions that I'm seeking clarification

2619

01:52:42,950 --> 01:52:40,380

on because if he has this mountain of

2620

01:52:44,510 --> 01:52:42,960

classified information then he gets an

2621

01:52:46,490 --> 01:52:44,520

attorney and and I should mention that

2622

01:52:48,830 --> 01:52:46,500

we haven't mentioned yet the attorney is

2623

01:52:51,169 --> 01:52:48,840

is really impressive when it comes to

2624

01:52:54,470 --> 01:52:51,179

the background I was really impressed by

2625

01:52:57,229 --> 01:52:54,480

by who represented represents him he's

2626

01:52:58,609 --> 01:52:57,239

the first Inspector General of the

2627

01:53:01,609 --> 01:52:58,619

intelligence Community he's the first

2628

01:53:05,270 --> 01:53:01,619

icig so it's kind of interesting that

2629

01:53:08,689 --> 01:53:05,280

he's the one that has has been enlisted

2630

01:53:10,850 --> 01:53:08,699

to represent grush so I'm I'm really

2631

01:53:13,189 --> 01:53:10,860

eager to see this guy interviewed I mean

2632

01:53:15,890 --> 01:53:13,199

I'd love to interview him I I haven't

2633

01:53:18,169 --> 01:53:15,900

talked to him but regardless would love

2634

01:53:20,270 --> 01:53:18,179

if he does it I highly doubt he will I

2635

01:53:23,390 --> 01:53:20,280

mean generally attorneys are very very

2636

01:53:25,430 --> 01:53:23,400

in whistleblower situations pretty

2637

01:53:27,649 --> 01:53:25,440

guarded to a point they they get

2638

01:53:30,109 --> 01:53:27,659

information what they can out there but

2639

01:53:31,910 --> 01:53:30,119

while a case is still ongoing again this

2640

01:53:33,290 --> 01:53:31,920

is outside of the UFO realm but if you

2641

01:53:35,209 --> 01:53:33,300

watch those types of things those

2642

01:53:36,950 --> 01:53:35,219

attorneys are somewhat guarded they'll

2643

01:53:38,450 --> 01:53:36,960

do some media you know but they're not

2644

01:53:40,010 --> 01:53:38,460

going to be doing podcasts and stuff

2645

01:53:41,689 --> 01:53:40,020

like that they're going to wait for this

2646

01:53:44,270 --> 01:53:41,699

to kind of run its course but I'm super

2647

01:53:46,729 --> 01:53:44,280

intrigued by the attorney and his

2648

01:53:49,609 --> 01:53:46,739

involvement his acceptance of this how

2649

01:53:52,729 --> 01:53:49,619

much does he how much does he believe of

2650

01:53:55,010 --> 01:53:52,739

the claims or how much from a

2651

01:53:57,830 --> 01:53:55,020

attorney standpoint does he feel hey

2652

01:54:00,109 --> 01:53:57,840

look the legitimacy of the claims is of

2653

01:54:03,290 --> 01:54:00,119

no interest to me but the representation

2654

01:54:05,149 --> 01:54:03,300

of my client getting fairer fair

2655

01:54:08,390 --> 01:54:05,159

treatment is you know and a lot of

2656

01:54:09,530 --> 01:54:08,400

lawyers have that mindset of of it's not

2657

01:54:12,050 --> 01:54:09,540

about

2658

01:54:13,850 --> 01:54:12,060

what what their client did or didn't do

2659

01:54:15,410 --> 01:54:13,860

but rather getting the proper

2660

01:54:17,030 --> 01:54:15,420

representation not that this is a

2661

01:54:19,370 --> 01:54:17,040

criminal trial but you know what I mean

2662

01:54:20,930 --> 01:54:19,380

it's that mindset that they are there to

2663

01:54:24,350 --> 01:54:20,940

make sure their client is properly

2664

01:54:26,709 --> 01:54:24,360

represented not there to validate the

2665

01:54:29,810 --> 01:54:26,719

claims that are within Russia's

2666

01:54:31,790 --> 01:54:29,820

Holdings when it comes to the interviews

2667

01:54:33,590 --> 01:54:31,800

that he's done and so on so it'll be

2668

01:54:37,250 --> 01:54:33,600

interesting also to see that aspect play

2669

01:54:39,729 --> 01:54:37,260

out well okay I've got 60 seconds I'm

2670

01:54:43,790 --> 01:54:39,739

just what's next man

2671

01:54:46,250 --> 01:54:43,800

in this crazy aside from 10-foot aliens

2672

01:54:47,930 --> 01:54:46,260

running around looking for Mick West in

2673

01:54:50,689 --> 01:54:47,940

Las Vegas

2674

01:54:51,890 --> 01:54:50,699

um what's next man can it get any

2675

01:54:56,390 --> 01:54:51,900

crazier

2676

01:54:59,270 --> 01:54:56,400

don't put anything beyond don't don't

2677

01:55:00,709 --> 01:54:59,280

put anything past the UFO Community to

2678

01:55:03,050 --> 01:55:00,719

not generate something that's more

2679

01:55:05,270 --> 01:55:03,060

interesting than this so I'm eager to to

2680

01:55:07,189 --> 01:55:05,280

be on this ride with you and see where

2681

01:55:08,510 --> 01:55:07,199

it plays out and look I know that we've

2682

01:55:10,129 --> 01:55:08,520

talked a lot about the skeptical red

2683

01:55:12,530 --> 01:55:10,139

flags I'll make it very quick the

2684

01:55:14,209 --> 01:55:12,540

skeptical red flags here and I get it I

2685

01:55:16,070 --> 01:55:14,219

mean I I get a lot of heat for it not

2686

01:55:18,830 --> 01:55:16,080

everybody wants to hear about that but

2687

01:55:22,070 --> 01:55:18,840

if grush's claims are true they will

2688

01:55:24,470 --> 01:55:22,080

survive any question that I pose and any

2689

01:55:28,010 --> 01:55:24,480

skepticism that we have and I will be

2690

01:55:30,709 --> 01:55:28,020

right there to support the man when uh

2691

01:55:32,270 --> 01:55:30,719

or if any of this evidence is confirmed

2692

01:55:33,770 --> 01:55:32,280

not that he cares about my support but

2693

01:55:36,229 --> 01:55:33,780

what I mean is is that I will bring that

2694

01:55:38,570 --> 01:55:36,239

to viewers of my channel just as quick

2695

01:55:40,609 --> 01:55:38,580

as I bring questions and concerns but I

2696

01:55:42,109 --> 01:55:40,619

don't know why people get so upset when

2697

01:55:44,510 --> 01:55:42,119

you question something because it will

2698

01:55:46,310 --> 01:55:44,520

survive all of that what's next foyer

2699

01:55:47,750 --> 01:55:46,320

requests have already been filed and

2700

01:55:50,209 --> 01:55:47,760

even during our conversation I wrote

2701

01:55:51,890 --> 01:55:50,219

down one to file that I didn't think of

2702

01:55:54,709 --> 01:55:51,900

um so that's that's awesome and just try

2703

01:55:56,810 --> 01:55:54,719

trying to to figure out what every

2704

01:56:00,350 --> 01:55:56,820

puzzle piece is and go from there

2705

01:56:02,510 --> 01:56:00,360

question everything John Greenwald you

2706

01:56:05,090 --> 01:56:02,520

are the absolute very best my friend

2707

01:56:07,430 --> 01:56:05,100

I've never changed you're not you're not

2708

01:56:10,669 --> 01:56:07,440

going to change but just listen to me

2709

01:56:12,470 --> 01:56:10,679

okay stay the course I appreciate it

2710

01:56:14,090 --> 01:56:12,480

yeah anytime thanks again for the invite

2711

01:56:15,590 --> 01:56:14,100

it's always a pleasure you're the best

2712

01:56:19,129 --> 01:56:15,600

John thank you so much have a great

2713

01:56:21,530 --> 01:56:19,139

weekend John Greenwald it is The Black

2714

01:56:23,510 --> 01:56:21,540

Vault the blackfall.com is below you can

2715

01:56:26,990 --> 01:56:23,520

follow him on Twitter blackvault.com

2716

01:56:31,370 --> 01:56:27,000

it's right there on Twitter and that's

2717

01:56:34,370 --> 01:56:31,380

it this is the end of a crazy week what

2718

01:56:36,169 --> 01:56:34,380

a crazy week not only uh for me

2719

01:56:40,550 --> 01:56:36,179

personally it's been fun

2720

01:56:43,370 --> 01:56:40,560

but uh the community and now now we got

2721

01:56:44,930 --> 01:56:43,380

10 foot aliens running around Vegas I

2722

01:56:49,010 --> 01:56:44,940

want to thank John Greenwald for coming

2723

01:56:50,629 --> 01:56:49,020

in this story what is going on right now

2724

01:56:53,930 --> 01:56:50,639

with David brush

2725

01:56:58,070 --> 01:56:53,940

it's just the beginning and I really

2726

01:57:00,590 --> 01:56:58,080

really appreciate the way that

2727

01:57:04,970 --> 01:57:00,600

things are moving forward

2728

01:57:07,250 --> 01:57:04,980

okay house oversight committee right

2729

01:57:09,530 --> 01:57:07,260

Senate intelligence committee Timber

2730

01:57:11,629 --> 01:57:09,540

chat they're not playing around

2731

01:57:13,729 --> 01:57:11,639

Fade to Black is produced by Hilton J

2732

01:57:16,669 --> 01:57:13,739

Palm Renee Newman and Michelle fried

2733

01:57:19,129 --> 01:57:16,679

thank you to Dennis and Kevin what

2734

01:57:20,629 --> 01:57:19,139

Masters drew the geek music Doug

2735

01:57:22,850 --> 01:57:20,639

Aldridge intro space boys

2736

01:57:25,250 --> 01:57:22,860

spaceboymusic.com

2737

01:57:26,570 --> 01:57:25,260

Fade to Black is produced by kjcr for

2738

01:57:29,470 --> 01:57:26,580

the game changer Network and this

2739

01:57:32,330 --> 01:57:29,480

broadcast is owned and copyrighted

2740

01:57:35,510 --> 01:57:32,340

2023 by Fade to Black and The Game

2741

01:57:37,250 --> 01:57:35,520

Changer Network Inc it cannot be read

2742

01:57:39,350 --> 01:57:37,260

broadcast download a copy they're used

2743

01:57:41,270 --> 01:57:39,360

anywhere in the known universe without

2744

01:57:43,129 --> 01:57:41,280

written permission from Fade to Black or

2745

01:57:46,070 --> 01:57:43,139

the game changer Network I'm your Jimmy

2746

01:57:49,430 --> 01:57:46,080

church I'll see everybody on Monday have

2747

01:57:51,900 --> 01:57:49,440

a great safe fun and amazing weekend
