

FADE TO BLACK

with JIMMY CHURCH

PRESENTS

RICHARD DOLAN

DAVID GRUSCH: WHISTLEBLOWER

MON JUNE 12 2023 LIVE

700-900PM PT

1
00:00:09,120 --> 00:00:16,450
foreign

2
00:00:16,460 --> 00:00:33,850
[Music]

3
00:00:38,750 --> 00:00:36,530
Air Forces has announced that a flying

4
00:00:40,310 --> 00:00:38,760
disc has been found and is now in the

5
00:00:43,369 --> 00:00:40,320
possession of the army

6
00:00:44,690 --> 00:00:43,379
game is great change the game game

7
00:00:47,990 --> 00:00:44,700
changer

8
00:00:51,830 --> 00:00:48,000
I occasionally think how quickly our

9
00:00:54,470 --> 00:00:51,840
differences worldwide would vanish if we

10
00:00:55,460 --> 00:00:54,480
were facing an alien threat from outside

11
00:00:57,250 --> 00:00:55,470
this work

12
00:00:57,460 --> 00:00:57,260
[Music]

13
00:00:59,709 --> 00:00:57,470

[Applause]

14

00:01:02,689 --> 00:00:59,719

[Music]

15

00:01:05,570 --> 00:01:02,699

this is Fade to Black with your host

16

00:01:06,230 --> 00:01:05,580

Jimmy Church on the game changer Radio

17

00:01:09,469 --> 00:01:06,240

Network

18

00:01:13,850 --> 00:01:10,750

all right

19

00:01:15,109 --> 00:01:13,860

welcome Fade to Black I am your host

20

00:01:19,390 --> 00:01:15,119

Jimmy Church

21

00:01:23,570 --> 00:01:19,400

today is Monday June 12

22

00:01:24,950 --> 00:01:23,580

2023 and tonight Richard Dolan is with

23

00:01:27,410 --> 00:01:24,960

us we

24

00:01:29,810 --> 00:01:27,420

so much has gone down

25

00:01:34,070 --> 00:01:29,820

um in the last seven days a lot to talk

26

00:01:40,609 --> 00:01:34,080

about and uh which includes uh David

27

00:01:43,789 --> 00:01:40,619

crush the UAP UFO I guess we can say UAP

28

00:01:46,609 --> 00:01:43,799

UFO whistleblower

29

00:01:49,310 --> 00:01:46,619

um and that news broke last Monday we

30

00:01:51,289 --> 00:01:49,320

had this this I'm gonna say it's a hoax

31

00:01:53,929 --> 00:01:51,299

I don't know uh this thing that happened

32

00:01:55,609 --> 00:01:53,939

in Las Vegas uh there's a lot of media

33

00:01:58,490 --> 00:01:55,619

coverage

34

00:02:02,090 --> 00:01:58,500

um around David uh grush as well I think

35

00:02:05,749 --> 00:02:02,100

I said Gross grush David crush and of

36

00:02:08,570 --> 00:02:05,759

course Dr Steven Greer had his press

37

00:02:12,229 --> 00:02:08,580

conference today from the national Press

38

00:02:14,630 --> 00:02:12,239

Club and so before I just get into all

39

00:02:16,449 --> 00:02:14,640

of that let's just bring in Richard and

40

00:02:20,089 --> 00:02:16,459

just say Richard

41

00:02:21,530 --> 00:02:20,099

dolanmembers.com that's my new it's my

42

00:02:23,930 --> 00:02:21,540

new intro

43

00:02:25,610 --> 00:02:23,940

for Richard bleep and Dolan that's it

44

00:02:26,990 --> 00:02:25,620

that's it Richard dolanmembers.com

45

00:02:27,949 --> 00:02:27,000

that's what we're going to do from now

46

00:02:31,070 --> 00:02:27,959

on

47

00:02:32,390 --> 00:02:31,080

hello Jimmy how are you I'm happy to be

48

00:02:35,270 --> 00:02:32,400

here with you

49

00:02:37,309 --> 00:02:35,280

crazy week my friend okay one of the

50

00:02:41,089 --> 00:02:37,319

craziest ever and one of the craziest

51
00:02:44,030 --> 00:02:41,099
ever and so before we get started the

52
00:02:47,750 --> 00:02:44,040
last couple of times that uh you have

53
00:02:52,070 --> 00:02:47,760
been on the show we we forgot we forgot

54
00:02:55,670 --> 00:02:52,080
tradition Richard so can can we do can

55
00:02:58,210 --> 00:02:55,680
we get back we can okay really quick we

56
00:03:00,770 --> 00:02:58,220
want to be efficient with our tradition

57
00:03:03,710 --> 00:03:00,780
I mean you know we piss a lot of people

58
00:03:05,690 --> 00:03:03,720
off if we you know start changing things

59
00:03:09,290 --> 00:03:05,700
up you know they're here for a reason

60
00:03:12,530 --> 00:03:09,300
they're here to find out what was the

61
00:03:14,509 --> 00:03:12,540
last song you listened to today I can

62
00:03:17,270 --> 00:03:14,519
answer that one easily I was driving not

63
00:03:19,490 --> 00:03:17,280

long before I came on here with you and

64

00:03:22,430 --> 00:03:19,500

here in Rochester we actually have a

65

00:03:24,710 --> 00:03:22,440

radio station this that I happen to like

66

00:03:27,530 --> 00:03:24,720

how often do you find a radio station

67

00:03:29,750 --> 00:03:27,540

that you're like not often no there's

68

00:03:32,149 --> 00:03:29,760

one up here they play what we like to

69

00:03:33,050 --> 00:03:32,159

call in the biz classic rock you may

70

00:03:35,210 --> 00:03:33,060

have heard

71

00:03:36,949 --> 00:03:35,220

I used to call it old rock to my

72

00:03:37,729 --> 00:03:36,959

daughter she'd be like Dad I hate old

73

00:03:40,550 --> 00:03:37,739

rock

74

00:03:42,229 --> 00:03:40,560

but it is what it is so I was listening

75

00:03:44,869 --> 00:03:42,239

and this was actually not a rock song

76

00:03:47,990 --> 00:03:44,879

but it's from the era and I heard a song

77

00:03:51,910 --> 00:03:48,000

that I love which is I Can See Clearly

78

00:03:53,930 --> 00:03:51,920

Now by Johnny Nash

79

00:03:56,030 --> 00:03:53,940

it is really one of my favorite songs

80

00:03:58,369 --> 00:03:56,040

and I got to hear it while driving back

81

00:04:02,210 --> 00:03:58,379

here and uh I I always love that song

82

00:04:04,729 --> 00:04:02,220

man did you sing did you sing uh a

83

00:04:06,050 --> 00:04:04,739

little bit yeah yeah you did you run in

84

00:04:08,690 --> 00:04:06,060

the car I couldn't get away with it I

85

00:04:12,429 --> 00:04:08,700

can yeah yeah yeah yeah yeah yeah for me

86

00:04:15,589 --> 00:04:12,439

I listened to Boston today

87

00:04:18,050 --> 00:04:15,599

speaking of classic rock right now

88

00:04:20,150 --> 00:04:18,060

that's true classic rock yeah yeah yep I

89

00:04:24,110 --> 00:04:20,160

listened uh to a bunch of stuff but I

90

00:04:25,010 --> 00:04:24,120

found an acapella version of More Than A

91

00:04:26,930 --> 00:04:25,020

Feeling

92

00:04:28,969 --> 00:04:26,940

all right now that's just no that's just

93

00:04:32,570 --> 00:04:28,979

wrong I'm sorry I'm not gonna get behind

94

00:04:35,409 --> 00:04:32,580

that it's a long time no no no no no no

95

00:04:38,930 --> 00:04:35,419

I'm wagging the finger it was Boston

96

00:04:41,390 --> 00:04:38,940

live in concert doing More Than A

97

00:04:43,189 --> 00:04:41,400

Feeling acapella they were actually

98

00:04:45,490 --> 00:04:43,199

doing the acapella version yeah yeah

99

00:04:48,590 --> 00:04:45,500

yeah yeah all right fine I guess yeah

100

00:04:50,210 --> 00:04:48,600

Brad dope man he could sing anyway so

101
00:04:52,310 --> 00:04:50,220
that's right he was awesome he was

102
00:04:54,230 --> 00:04:52,320
awesome that is so awesome and so I went

103
00:04:57,890 --> 00:04:54,240
through a Boston I went through a Boston

104
00:05:01,430 --> 00:04:57,900
thing today it's just great so

105
00:05:05,330 --> 00:05:01,440
um uh I didn't uh catch all of uh Steven

106
00:05:07,850 --> 00:05:05,340
Greer's press conference I bought

107
00:05:10,249 --> 00:05:07,860
um a new computer oh so so check this

108
00:05:12,070 --> 00:05:10,259
out I've been maniacally I'm up on

109
00:05:15,590 --> 00:05:12,080
everything but the Greer conference

110
00:05:17,990 --> 00:05:15,600
Tracy just actually caught me up to a

111
00:05:19,909 --> 00:05:18,000
lot of it she I said I need screenshots

112
00:05:22,490 --> 00:05:19,919
she's giving me screenshots I'm looking

113
00:05:24,230 --> 00:05:22,500

at them I've got his conclusions which

114

00:05:25,370 --> 00:05:24,240

by the way I mean I'd love to talk about

115

00:05:27,290 --> 00:05:25,380

it because

116

00:05:29,870 --> 00:05:27,300

I'm pretty much on board with a lot of

117

00:05:31,550 --> 00:05:29,880

what he said there okay so we'll Circle

118

00:05:34,370 --> 00:05:31,560

back not everything I mean not

119

00:05:36,710 --> 00:05:34,380

everything the whole ET good human bad I

120

00:05:38,810 --> 00:05:36,720

got some problems with that but a lot of

121

00:05:41,450 --> 00:05:38,820

the things he said actually struck me as

122

00:05:43,430 --> 00:05:41,460

quite uh

123

00:05:46,490 --> 00:05:43,440

on the face of it fairly reasonable I

124

00:05:50,810 --> 00:05:46,500

need to listen more carefully okay

125

00:05:53,629 --> 00:05:50,820

um now it I missed the first hour 90

126

00:05:57,010 --> 00:05:53,639

minutes or so uh which was Stephen today

127

00:06:00,170 --> 00:05:57,020

because I bought a new computer

128

00:06:02,629 --> 00:06:00,180

and I've got six computers that I use to

129

00:06:03,770 --> 00:06:02,639

run the show and so I'm replacing my

130

00:06:07,010 --> 00:06:03,780

main one

131

00:06:09,529 --> 00:06:07,020

and but check this out so I I go out and

132

00:06:11,930 --> 00:06:09,539

I get this it's called are you ready

133

00:06:15,290 --> 00:06:11,940

it's called an open

134

00:06:17,990 --> 00:06:15,300

I got a an almond computer it's by HP

135

00:06:19,969 --> 00:06:18,000

but anyway it's not a good sign no no

136

00:06:23,510 --> 00:06:19,979

it's not

137

00:06:26,150 --> 00:06:23,520

big box right big thing this thing is

138

00:06:31,189 --> 00:06:26,160

that it's it's it's huge it's not but

139

00:06:33,170 --> 00:06:31,199

this is the manual that comes with the

140

00:06:36,890 --> 00:06:33,180

computer you open it up you take it out

141

00:06:38,629 --> 00:06:36,900

you put it down this is 666 Pages I'm

142

00:06:42,170 --> 00:06:38,639

just gonna guess

143

00:06:44,510 --> 00:06:42,180

two all right here we are that's it

144

00:06:47,210 --> 00:06:44,520

that's the entire man

145

00:06:50,870 --> 00:06:47,220

I'm very happy for you no it's it's just

146

00:06:52,670 --> 00:06:50,880

like I I like to read stuff and I'm

147

00:06:54,590 --> 00:06:52,680

unpacked I'm like where's the manual

148

00:06:57,350 --> 00:06:54,600

dude it's a computer what do you need

149

00:07:00,409 --> 00:06:57,360

anymore this isn't 1989.

150

00:07:04,309 --> 00:07:00,419

uh how do I operate the Disk Operating

151
00:07:06,350 --> 00:07:04,319
System here uh control alt delete you

152
00:07:08,090 --> 00:07:06,360
know this is a different era yeah it is

153
00:07:09,950 --> 00:07:08,100
you just talk to your computer I mean

154
00:07:11,629 --> 00:07:09,960
you were we're two years away from you

155
00:07:13,909 --> 00:07:11,639
falling in love with your computer like

156
00:07:15,110 --> 00:07:13,919
that's happening in your next upgrade

157
00:07:17,390 --> 00:07:15,120
you're gonna be like walking in Phoenix

158
00:07:20,270 --> 00:07:17,400
in the movie her that's that's happening

159
00:07:22,249 --> 00:07:20,280
to people wow I I I I I don't even need

160
00:07:25,490 --> 00:07:22,259
to do anything anymore I don't normally

161
00:07:29,210 --> 00:07:25,500
do this but Ron

162
00:07:34,129 --> 00:07:29,220
just popped up 350 bucks

163
00:07:36,650 --> 00:07:34,139

and just out just out thank you Ron

164

00:07:38,990 --> 00:07:36,660

wow wow it's uh

165

00:07:40,790 --> 00:07:39,000

there you go these this is what you have

166

00:07:45,409 --> 00:07:40,800

when you have dedicated fade or knots

167

00:07:47,330 --> 00:07:45,419

you know I I don't uh you know just

168

00:07:49,790 --> 00:07:47,340

thank you Ron just think yeah it's a

169

00:07:52,850 --> 00:07:49,800

very humbling thing okay

170

00:07:54,370 --> 00:07:52,860

um let's start with uh David grush

171

00:07:58,670 --> 00:07:54,380

um now

172

00:08:01,969 --> 00:07:58,680

uh the you you were you were out of town

173

00:08:05,570 --> 00:08:01,979

you were at contact in the desert and

174

00:08:08,390 --> 00:08:05,580

um my I was in New York I get back from

175

00:08:10,309 --> 00:08:08,400

New York on Sunday night I I'm getting

176

00:08:12,290 --> 00:08:10,319

ready for the show on Monday morning and

177

00:08:15,050 --> 00:08:12,300

my phone's blowing up like

178

00:08:17,230 --> 00:08:15,060

right right and I was like what's what's

179

00:08:20,629 --> 00:08:17,240

what's going on

180

00:08:25,129 --> 00:08:20,639

dude right it was like what the what's

181

00:08:27,010 --> 00:08:25,139

going on and of course it was uh it was

182

00:08:30,110 --> 00:08:27,020

justified

183

00:08:33,829 --> 00:08:30,120

it was pretty incredible

184

00:08:35,269 --> 00:08:33,839

um so take me back uh let's discuss this

185

00:08:37,010 --> 00:08:35,279

because we're going to spend a lot of

186

00:08:40,850 --> 00:08:37,020

time on David tonight

187

00:08:43,550 --> 00:08:40,860

but what went through your mind

188

00:08:45,710 --> 00:08:43,560

when you found out either somebody told

189

00:08:47,630 --> 00:08:45,720

you or you got tested no I'll tell you

190

00:08:49,790 --> 00:08:47,640

the whole thing it's actually uh it's

191

00:08:52,190 --> 00:08:49,800

funny it's crazy I mean we were at

192

00:08:54,290 --> 00:08:52,200

contact in the desert Tracy and I were

193

00:08:55,850 --> 00:08:54,300

there's in Palm Springs California it's

194

00:08:58,130 --> 00:08:55,860

I think it's

195

00:09:00,829 --> 00:08:58,140

well if this maybe you could call it the

196

00:09:02,150 --> 00:09:00,839

largest like UFO dedicated conference

197

00:09:03,710 --> 00:09:02,160

out there although there's other things

198

00:09:06,110 --> 00:09:03,720

out there too anyway it's a big

199

00:09:08,990 --> 00:09:06,120

conference it's everyone knows it

200

00:09:10,790 --> 00:09:09,000

and we'd had a very busy week uh I gave

201

00:09:12,769 --> 00:09:10,800

I was scheduled to give three lectures

202

00:09:15,009 --> 00:09:12,779

for that event for that week and plus

203

00:09:17,690 --> 00:09:15,019

two panels I was very busy

204

00:09:19,670 --> 00:09:17,700

and my final presentation was Monday

205

00:09:22,009 --> 00:09:19,680

morning or Monday early afternoon excuse

206

00:09:25,670 --> 00:09:23,690

pardon me so I was getting ready to do

207

00:09:28,250 --> 00:09:25,680

that

208

00:09:31,910 --> 00:09:28,260

Tracy had woken up before I I did I got

209

00:09:34,550 --> 00:09:33,710

uh

210

00:09:36,470 --> 00:09:34,560

and

211

00:09:38,990 --> 00:09:36,480

my apologies I don't know if I muted

212

00:09:42,530 --> 00:09:39,000

myself it's yeah you did you did the

213

00:09:44,810 --> 00:09:42,540

cough button in radio is it's the best

214

00:09:46,370 --> 00:09:44,820

thing ever okay so let me finish so

215

00:09:48,530 --> 00:09:46,380

Tracy woke up

216

00:09:50,150 --> 00:09:48,540

I was still lying in bed and she said

217

00:09:52,310 --> 00:09:50,160

all right you need to get out of bed now

218

00:09:53,990 --> 00:09:52,320

because there's all this stuff if social

219

00:09:57,050 --> 00:09:54,000

media is blowing up news is blowing up

220

00:09:58,670 --> 00:09:57,060

so that was the story and I had to

221

00:09:59,990 --> 00:09:58,680

change my lecture

222

00:10:01,009 --> 00:10:00,000

I had a lecture on a totally different

223

00:10:03,350 --> 00:10:01,019

theme

224

00:10:05,690 --> 00:10:03,360

so I had to dive into the uh article by

225

00:10:07,910 --> 00:10:05,700

Leslie Kane and Rob Blumenthal at out at

226

00:10:09,889 --> 00:10:07,920

the debrief that was a very fine article

227

00:10:12,050 --> 00:10:09,899

that described David gresh's allegations

228

00:10:15,350 --> 00:10:12,060

which I'm sure we will get into

229

00:10:17,210 --> 00:10:15,360

and I uh I went through it I broke it

230

00:10:19,070 --> 00:10:17,220

down I bullet pointed it and I made

231

00:10:21,110 --> 00:10:19,080

about 10 slides

232

00:10:23,570 --> 00:10:21,120

um for my presentation and that's really

233

00:10:25,070 --> 00:10:23,580

what we did we went in and then the

234

00:10:27,949 --> 00:10:25,080

really amazing things just as I was

235

00:10:30,410 --> 00:10:27,959

walking out to deliver the lecture

236

00:10:33,110 --> 00:10:30,420

I received a phone call from the

237

00:10:36,470 --> 00:10:33,120

organizers who asked if they could

238

00:10:38,210 --> 00:10:36,480

stream in the live news Nation special

239

00:10:41,150 --> 00:10:38,220

like we didn't know what that was going

240

00:10:42,889 --> 00:10:41,160

to say but my Workshop was happening and

241

00:10:45,170 --> 00:10:42,899

so we streamed that in during my

242

00:10:47,630 --> 00:10:45,180

workshop so I got to see the whole thing

243

00:10:49,370 --> 00:10:47,640

with a crowd of about a hundred people

244

00:10:51,230 --> 00:10:49,380

who were staying behind at this

245

00:10:53,389 --> 00:10:51,240

conference so we all got to experience

246

00:10:56,389 --> 00:10:53,399

it together I was there with Danny

247

00:10:57,410 --> 00:10:56,399

Sheehan and um Linda Moulton Howe was

248

00:11:00,829 --> 00:10:57,420

with us

249

00:11:02,030 --> 00:11:00,839

this was a significant like a group of a

250

00:11:03,350 --> 00:11:02,040

significant group of people who were

251
00:11:06,650 --> 00:11:03,360
there we got to experience it together

252
00:11:09,590 --> 00:11:06,660
so that was fascinating and in fact let

253
00:11:11,389 --> 00:11:09,600
me just say this this is a plug but hey

254
00:11:14,389 --> 00:11:11,399
um the folks at contact in the desert

255
00:11:18,829 --> 00:11:14,399
put together I think a 52-minute video

256
00:11:20,750 --> 00:11:18,839
that is a I guess you can call it a um a

257
00:11:23,030 --> 00:11:20,760
melange or a you know putting together

258
00:11:25,069 --> 00:11:23,040
of all of these different aspects of it

259
00:11:27,470 --> 00:11:25,079
that happened that that morning and that

260
00:11:29,870 --> 00:11:27,480
afternoon and that is on my website

261
00:11:32,090 --> 00:11:29,880
original members I think Tracy's putting

262
00:11:34,430 --> 00:11:32,100
it up it's not high res they didn't

263
00:11:36,110 --> 00:11:34,440

create a super high res version but it's

264

00:11:38,269 --> 00:11:36,120

kind of cool it's an interesting Little

265

00:11:40,370 --> 00:11:38,279

slice of history there

266

00:11:42,730 --> 00:11:40,380

so that's what I was doing so I was very

267

00:11:45,050 --> 00:11:42,740

involved in this story

268

00:11:46,850 --> 00:11:45,060

right from the beginning

269

00:11:48,170 --> 00:11:46,860

because I had to be it was like thrown

270

00:11:50,210 --> 00:11:48,180

right at me

271

00:11:53,210 --> 00:11:50,220

and I found it absolutely fascinating I

272

00:11:56,569 --> 00:11:53,220

mean what you know the I was there with

273

00:11:58,250 --> 00:11:56,579

Steve Bassett as well and Steve was was

274

00:12:02,449 --> 00:11:58,260

someone who said okay this is going to

275

00:12:05,030 --> 00:12:02,459

blow It Wide Open the the truth embargo

276

00:12:07,370 --> 00:12:05,040

this is it you know we're going to see

277

00:12:09,650 --> 00:12:07,380

the Avalanche happen

278

00:12:13,310 --> 00:12:09,660

and uh I will say like I wondered as

279

00:12:15,530 --> 00:12:13,320

well like this was because I'm sure most

280

00:12:19,190 --> 00:12:15,540

of your listeners are aware but very

281

00:12:20,889 --> 00:12:19,200

very briefly grush is a former senior

282

00:12:22,790 --> 00:12:20,899

Military Intelligence officer

283

00:12:25,310 --> 00:12:22,800

essentially stating that the US

284

00:12:26,569 --> 00:12:25,320

government or contractors

285

00:12:29,329 --> 00:12:26,579

have

286

00:12:31,850 --> 00:12:29,339

um possession of alien spacecraft and

287

00:12:33,350 --> 00:12:31,860

also bodies or or at least proof of

288

00:12:35,810 --> 00:12:33,360

alien life I guess

289

00:12:38,210 --> 00:12:35,820

and he talked about uh

290

00:12:40,009 --> 00:12:38,220

how this information was illegal it kept

291

00:12:41,870 --> 00:12:40,019

from the from Congress and from the UAP

292

00:12:45,290 --> 00:12:41,880

task force

293

00:12:47,810 --> 00:12:45,300

how he was attacked as a result of his

294

00:12:50,030 --> 00:12:47,820

attempts to get the the truth out

295

00:12:52,250 --> 00:12:50,040

and filed a formal whistleblower

296

00:12:54,710 --> 00:12:52,260

complaint and won his complaint

297

00:12:56,329 --> 00:12:54,720

and um I mean it's it's amazing stuff

298

00:12:59,569 --> 00:12:56,339

you know he was with the nro he was with

299

00:13:00,710 --> 00:12:59,579

the UAP task force from 2019 to 2021. so

300

00:13:03,590 --> 00:13:00,720

he has

301
00:13:04,790 --> 00:13:03,600
very good Bona fides at least to start

302
00:13:07,670 --> 00:13:04,800
with

303
00:13:10,370 --> 00:13:07,680
and I did think like this could this

304
00:13:12,230 --> 00:13:10,380
could start potentially an avalanche and

305
00:13:14,269 --> 00:13:12,240
it that has not happened

306
00:13:16,550 --> 00:13:14,279
within the UFO Community there's

307
00:13:18,110 --> 00:13:16,560
certainly been a lot of talk it's all

308
00:13:20,329 --> 00:13:18,120
that we've been talking about all week

309
00:13:22,670 --> 00:13:20,339
that's for sure

310
00:13:24,769 --> 00:13:22,680
um I was just chatting with a friend who

311
00:13:27,650 --> 00:13:24,779
is not in the UFO field and he had not

312
00:13:30,949 --> 00:13:27,660
the slightest idea why do you think that

313
00:13:34,790 --> 00:13:30,959

why do you think that is Tucker Carlson

314

00:13:37,850 --> 00:13:34,800

um uh went on Twitter you know he's he's

315

00:13:39,650 --> 00:13:37,860

unemployed so yeah so he goes on Twitter

316

00:13:40,569 --> 00:13:39,660

he's in a good position to be unemployed

317

00:13:45,829 --> 00:13:40,579

yeah

318

00:13:48,290 --> 00:13:45,839

I I want uh control of his assets

319

00:13:53,110 --> 00:13:48,300

um but anyway so he goes on Twitter

320

00:13:56,449 --> 00:13:53,120

and he made a very very important point

321

00:13:58,250 --> 00:13:56,459

and I I gotta thank him for this I I

322

00:13:59,470 --> 00:13:58,260

just wish it was seen by more people he

323

00:14:03,370 --> 00:13:59,480

said look

324

00:14:08,150 --> 00:14:03,380

this is David grush

325

00:14:13,670 --> 00:14:08,160

the biggest news in human history this

326

00:14:17,150 --> 00:14:13,680

is it why isn't it the headline story on

327

00:14:19,610 --> 00:14:17,160

every media platform today he said you

328

00:14:23,870 --> 00:14:19,620

can go anywhere you want and you can

329

00:14:28,850 --> 00:14:23,880

find out about uh uh politics or the

330

00:14:33,829 --> 00:14:28,860

economy or or climate but but this story

331

00:14:35,509 --> 00:14:33,839

is not there and on you media yeah I

332

00:14:37,730 --> 00:14:35,519

think there's a good reason for that and

333

00:14:41,509 --> 00:14:37,740

why do you think that is I think because

334

00:14:43,670 --> 00:14:41,519

the media is reflective of the very

335

00:14:46,129 --> 00:14:43,680

same power struggle that is occurring

336

00:14:48,889 --> 00:14:46,139

within the National Security State

337

00:14:50,569 --> 00:14:48,899

I've been saying for years and I you

338

00:14:53,210 --> 00:14:50,579

know as time goes by I believe is more

339

00:14:55,550 --> 00:14:53,220

and more strongly that what we have been

340

00:14:58,430 --> 00:14:55,560

seeing since 2017 is the result of a

341

00:14:59,990 --> 00:14:58,440

factional struggle factional War within

342

00:15:02,870 --> 00:15:00,000

the establishment

343

00:15:05,569 --> 00:15:02,880

and it's not that one side is like yes

344

00:15:07,370 --> 00:15:05,579

100 for disclosure and all the full

345

00:15:10,250 --> 00:15:07,380

truth on UFOs I don't I do not believe

346

00:15:12,410 --> 00:15:10,260

that but they do have their reasons for

347

00:15:14,150 --> 00:15:12,420

promoting some level of openness on UFOs

348

00:15:16,069 --> 00:15:14,160

and for opening up the public discussion

349

00:15:17,990 --> 00:15:16,079

and they position themselves very well

350

00:15:20,449 --> 00:15:18,000

we're talking Chris Mellon we're talking

351

00:15:22,490 --> 00:15:20,459

yes Lou Alexander he'll put off Eric

352

00:15:24,050 --> 00:15:22,500

Davis all of those guys and then they

353

00:15:25,970 --> 00:15:24,060

have their allies Leslie Kane Ralph

354

00:15:28,550 --> 00:15:25,980

Blumenthal and Tucker Carlson was an

355

00:15:29,569 --> 00:15:28,560

ally you could say but basically within

356

00:15:38,930 --> 00:15:29,579

the

357

00:15:39,949 --> 00:15:38,940

maybe I don't really know I don't want

358

00:15:41,810 --> 00:15:39,959

to think for them but maybe they just

359

00:15:43,069 --> 00:15:41,820

want to make money on uh some of the

360

00:15:45,470 --> 00:15:43,079

Technologies

361

00:15:48,590 --> 00:15:45,480

you know this isn't 1950 anymore right

362

00:15:50,629 --> 00:15:48,600

we're in a new century we've gone a long

363

00:15:51,590 --> 00:15:50,639

road since the early days of the UFO

364

00:15:54,350 --> 00:15:51,600

cover-up

365

00:15:56,750 --> 00:15:54,360

and perhaps there are monetary

366

00:16:00,350 --> 00:15:56,760

opportunities in some of this technology

367

00:16:01,610 --> 00:16:00,360

that some people may see some weight you

368

00:16:03,710 --> 00:16:01,620

know

369

00:16:05,269 --> 00:16:03,720

just make some money is that possible

370

00:16:06,889 --> 00:16:05,279

absolutely that's possible I don't know

371

00:16:08,990 --> 00:16:06,899

that that's their motivation

372

00:16:10,850 --> 00:16:09,000

it's not as you know pure white as the

373

00:16:12,949 --> 00:16:10,860

driven snow in terms of motivations but

374

00:16:15,110 --> 00:16:12,959

this is what motivates people there's

375

00:16:16,430 --> 00:16:15,120

all kinds of reasons but in any case I

376

00:16:19,189 --> 00:16:16,440

think we've seen one faction that's

377

00:16:20,329 --> 00:16:19,199

promoted some level of disclosure let's

378

00:16:23,629 --> 00:16:20,339

call it that

379

00:16:25,550 --> 00:16:23,639

and fighting of course the established

380

00:16:27,530 --> 00:16:25,560

position which has been entrenched for

381

00:16:31,069 --> 00:16:27,540

decades and generations which is

382

00:16:33,470 --> 00:16:31,079

essentially saying no way at all are we

383

00:16:35,689 --> 00:16:33,480

going to allow this to

384

00:16:38,090 --> 00:16:35,699

come out there's just too much at stake

385

00:16:40,249 --> 00:16:38,100

for them and so I think within the media

386

00:16:43,009 --> 00:16:40,259

because our media has now become nothing

387

00:16:44,449 --> 00:16:43,019

more than an extension of the National

388

00:16:45,650 --> 00:16:44,459

Security establishment I mean

389

00:16:49,129 --> 00:16:45,660

essentially

390

00:16:50,629 --> 00:16:49,139

my view anyway and I think that there

391

00:16:51,889 --> 00:16:50,639

you know what you've seen the New York

392

00:16:53,569 --> 00:16:51,899

Times has not touched this story The

393

00:16:55,930 --> 00:16:53,579

Washington Post has not touched it uh

394

00:16:59,269 --> 00:16:55,940

CNN at least as of yesterday

395

00:17:01,730 --> 00:16:59,279

has not touched the story I I looked

396

00:17:04,069 --> 00:17:01,740

fox has touched it a little bit not as

397

00:17:06,230 --> 00:17:04,079

much as if they'd had Carlson still they

398

00:17:08,270 --> 00:17:06,240

um they had a kind of a pro article they

399

00:17:10,370 --> 00:17:08,280

had kind of a negative article

400

00:17:13,010 --> 00:17:10,380

there's there's really nothing in the

401
00:17:15,230 --> 00:17:13,020
first top tier media you have to go to

402
00:17:18,230 --> 00:17:15,240
the second tier you know um some of the

403
00:17:20,630 --> 00:17:18,240
bigger YouTube channels and um news

404
00:17:23,329 --> 00:17:20,640
Salon the guardian covered it a couple

405
00:17:24,470 --> 00:17:23,339
of newspapers like that Daily Mail yeah

406
00:17:27,409 --> 00:17:24,480
yeah I mean

407
00:17:28,970 --> 00:17:27,419
yeah so some of them but it's not it

408
00:17:31,850 --> 00:17:28,980
hasn't made the Breakthrough and I

409
00:17:36,110 --> 00:17:31,860
believe most likely this is indicative

410
00:17:40,190 --> 00:17:36,120
of an ongoing factional War

411
00:17:42,890 --> 00:17:40,200
the the other part uh

412
00:17:45,130 --> 00:17:42,900
uh and there's so many there are so many

413
00:17:48,529 --> 00:17:45,140

movements this is like a Swiss watch

414

00:17:51,770 --> 00:17:48,539

right I mean there are so many little

415

00:17:55,490 --> 00:17:51,780

intricate details in here

416

00:17:59,510 --> 00:17:55,500

um but one of the statements uh that

417

00:18:02,690 --> 00:17:59,520

David uh David grush made

418

00:18:08,810 --> 00:18:02,700

um that has it's been talked about is

419

00:18:12,230 --> 00:18:08,820

this he says that he gave the IG

420

00:18:18,470 --> 00:18:12,240

the paperwork and the images yes that's

421

00:18:22,789 --> 00:18:18,480

right right now what what is it that

422

00:18:25,610 --> 00:18:22,799

um uh well if speculate with me right

423

00:18:30,350 --> 00:18:25,620

what is it that he could have given the

424

00:18:33,650 --> 00:18:30,360

IG and is it uh does his attorney give

425

00:18:36,590 --> 00:18:33,660

it to the IG because is he allowed to be

426

00:18:38,150 --> 00:18:36,600

in possession of this material so you

427

00:18:40,430 --> 00:18:38,160

hand it off to your attorney attorney

428

00:18:42,950 --> 00:18:40,440

client privilege you're writing up the

429

00:18:46,070 --> 00:18:42,960

thing and and you hand it off because it

430

00:18:48,070 --> 00:18:46,080

seems like wouldn't he be in in a weird

431

00:18:52,789 --> 00:18:48,080

spot but yet

432

00:18:56,029 --> 00:18:52,799

dobster has apparently uh allowed him to

433

00:18:58,810 --> 00:18:56,039

make these statements so what what is it

434

00:19:03,049 --> 00:18:58,820

that he could have

435

00:19:05,810 --> 00:19:03,059

shown the IG what do you think was so

436

00:19:07,730 --> 00:19:05,820

significant that convinced David

437

00:19:09,230 --> 00:19:07,740

to make these statements

438

00:19:11,630 --> 00:19:09,240

yeah I'm trying to go through my notes

439

00:19:14,990 --> 00:19:11,640

on this as well and I do believe he gave

440

00:19:16,669 --> 00:19:15,000

photographs and uh I don't know how

441

00:19:18,830 --> 00:19:16,679

specific he was actually when he was

442

00:19:21,409 --> 00:19:18,840

talking with Ross coalart about this uh

443

00:19:24,710 --> 00:19:21,419

he mentioned documents I don't know what

444

00:19:26,750 --> 00:19:24,720

specific documents he said he handed

445

00:19:28,970 --> 00:19:26,760

over but I know he handed materials over

446

00:19:32,330 --> 00:19:28,980

to the Inspector General

447

00:19:37,250 --> 00:19:34,190

and you know of course stating that he

448

00:19:41,090 --> 00:19:37,260

faced resistance retaliation for

449

00:19:45,110 --> 00:19:41,100

for uh doing the things he did but

450

00:19:48,830 --> 00:19:45,120

I mean presumably he

451

00:19:50,750 --> 00:19:48,840

um I think he said he

452

00:19:52,190 --> 00:19:50,760

did he say that he saw such a graph that

453

00:19:54,409 --> 00:19:52,200

we only had photographs I think he said

454

00:19:56,450 --> 00:19:54,419

he saw photographs of The Craft and gave

455

00:19:57,710 --> 00:19:56,460

those over and then spoke with a number

456

00:20:00,770 --> 00:19:57,720

of his colleagues who gave him

457

00:20:01,850 --> 00:20:00,780

additional confirmation of that yeah I'm

458

00:20:04,250 --> 00:20:01,860

going on the assumption that he gave

459

00:20:06,710 --> 00:20:04,260

over photographs and other kinds of

460

00:20:08,390 --> 00:20:06,720

assets documentation but I don't know if

461

00:20:12,590 --> 00:20:08,400

we have specifics on any of that yet

462

00:20:14,810 --> 00:20:12,600

yeah and and you know is it and when

463

00:20:17,690 --> 00:20:14,820

we're talking about images

464

00:20:21,289 --> 00:20:17,700

is it something from the internet that

465

00:20:24,490 --> 00:20:21,299

we've all seen or is is this a

466

00:20:27,169 --> 00:20:24,500

photograph inside of lockheed's Hangar

467

00:20:29,750 --> 00:20:27,179

that's a great question out at Skunk

468

00:20:32,210 --> 00:20:29,760

Works yeah I mean you you know I've

469

00:20:33,950 --> 00:20:32,220

listened to uh the skeptic Mick West to

470

00:20:37,250 --> 00:20:33,960

talk about this and I don't think he

471

00:20:39,650 --> 00:20:37,260

made that claim specifically about Crush

472

00:20:41,930 --> 00:20:39,660

but he did say like you know he's

473

00:20:43,130 --> 00:20:41,940

basically recycling crash retrieval

474

00:20:45,110 --> 00:20:43,140

stories that have been floating around

475

00:20:47,570 --> 00:20:45,120

the community for years

476

00:20:51,409 --> 00:20:47,580

now what I would say is that yes what

477

00:20:55,669 --> 00:20:51,419

grush has to say does conform

478

00:20:57,470 --> 00:20:55,679

uh very well with what researchers

479

00:21:00,289 --> 00:20:57,480

who've looked into crash UFO Crasher

480

00:21:02,390 --> 00:21:00,299

tables have said for years and

481

00:21:04,130 --> 00:21:02,400

I'm one of those researchers I believe

482

00:21:07,730 --> 00:21:04,140

that hey are you there Jimmy or did I

483

00:21:10,310 --> 00:21:07,740

lose you uh my my camera just stopped

484

00:21:12,770 --> 00:21:10,320

working so I'll host your show for you

485

00:21:14,870 --> 00:21:12,780

I've got you covered

486

00:21:17,870 --> 00:21:14,880

we'll take care of this

487

00:21:21,350 --> 00:21:17,880

it just went black and normally well

488

00:21:23,450 --> 00:21:21,360

what I will say

489

00:21:26,990 --> 00:21:23,460

you you want to come back on here

490

00:21:28,130 --> 00:21:27,000

no hey you can continue I'll do this

491

00:21:30,830 --> 00:21:28,140

without you Jimmy I don't need you here

492

00:21:34,070 --> 00:21:30,840

what I was going to say is when this

493

00:21:34,750 --> 00:21:34,080

normally happens the

494

00:21:36,370 --> 00:21:34,760

um

495

00:21:39,470 --> 00:21:36,380

uh

496

00:21:41,390 --> 00:21:39,480

the there's a program running in the

497

00:21:42,289 --> 00:21:41,400

background that has grabbed hold of my

498

00:21:45,649 --> 00:21:42,299

camera

499

00:21:48,289 --> 00:21:45,659

so um anyway is this your new computer

500

00:21:52,610 --> 00:21:48,299

that's acting up no the new computer no

501
00:21:55,130 --> 00:21:52,620
this is my smile yeah thank you for that

502
00:21:57,770 --> 00:21:55,140
um yeah that's weird okay hold on let me

503
00:21:59,930 --> 00:21:57,780
yeah well hold on no no no I want you to

504
00:22:04,370 --> 00:21:59,940
continue let me keep going yeah we can't

505
00:22:08,450 --> 00:22:04,380
have dead air the question was is the uh

506
00:22:10,549 --> 00:22:08,460
are they images like uh we have seen

507
00:22:13,909 --> 00:22:10,559
from the internet remember when DeLong

508
00:22:18,190 --> 00:22:13,919
was on Joe Rogan and he played he played

509
00:22:21,470 --> 00:22:18,200
that that uh tr3b video right

510
00:22:24,710 --> 00:22:21,480
okay that's a bad moment so that's my

511
00:22:26,330 --> 00:22:24,720
question is David handing over stuff

512
00:22:30,770 --> 00:22:26,340
like that or

513
00:22:34,789 --> 00:22:30,780

is it a shot from or multiple shots from

514

00:22:36,350 --> 00:22:34,799

inside yeah uh a government Hangar I

515

00:22:38,090 --> 00:22:36,360

don't know but I'm going to assume that

516

00:22:39,169 --> 00:22:38,100

he had the real deal he had he has the

517

00:22:41,090 --> 00:22:39,179

goods

518

00:22:42,350 --> 00:22:41,100

and the reason I'm assuming that is

519

00:22:45,169 --> 00:22:42,360

because

520

00:22:47,390 --> 00:22:45,179

uh at this point I have a high level of

521

00:22:49,909 --> 00:22:47,400

trust I'm going to say that in in the

522

00:22:51,049 --> 00:22:49,919

journalism of Leslie Kane and of Ralph

523

00:22:54,409 --> 00:22:51,059

Blumenthal

524

00:22:59,149 --> 00:22:57,770

oh spoken with Ralph a bit I think you

525

00:23:01,730 --> 00:22:59,159

know what they're doing I think that

526

00:23:03,770 --> 00:23:01,740

they uh and I've listened to

527

00:23:05,870 --> 00:23:03,780

particularly Leslie talk about this in

528

00:23:07,669 --> 00:23:05,880

the last week

529

00:23:09,950 --> 00:23:07,679

I think they vetted gresh very well I

530

00:23:12,830 --> 00:23:09,960

know that David gresh has a very high

531

00:23:15,350 --> 00:23:12,840

Stellar reputation where he has worked

532

00:23:17,390 --> 00:23:15,360

he received significant promotions due

533

00:23:19,370 --> 00:23:17,400

to his excellent capability hey there

534

00:23:22,250 --> 00:23:19,380

you are welcome back welcome back to the

535

00:23:23,810 --> 00:23:22,260

program Jimmy church I feel better

536

00:23:26,390 --> 00:23:23,820

so um

537

00:23:28,730 --> 00:23:26,400

so I'm going to take it I'm assuming but

538

00:23:30,649 --> 00:23:28,740

I admit I don't know that he had the

539

00:23:32,770 --> 00:23:30,659

real deal that he had actual images that

540

00:23:36,950 --> 00:23:32,780

were legit not just some rehash stuff

541

00:23:39,890 --> 00:23:36,960

but what I was saying before is that

542

00:23:42,470 --> 00:23:39,900

what he has claimed is very much in line

543

00:23:44,570 --> 00:23:42,480

with what has circulated through the UFO

544

00:23:46,370 --> 00:23:44,580

research Community but that's not

545

00:23:49,130 --> 00:23:46,380

that's not something that should be used

546

00:23:50,990 --> 00:23:49,140

to discredit him for goodness sake I've

547

00:23:52,730 --> 00:23:51,000

spent years and years going through the

548

00:23:55,490 --> 00:23:52,740

research of the late Leonard Stringfield

549

00:23:57,169 --> 00:23:55,500

from the 1970s through the early 90s I

550

00:23:58,610 --> 00:23:57,179

know strength builds work very well at

551
00:24:01,190 --> 00:23:58,620
this point I've spent a lot of time

552
00:24:03,230 --> 00:24:01,200
going into everything that he has done

553
00:24:06,409 --> 00:24:03,240
and I will just say that Linda

554
00:24:08,810 --> 00:24:06,419
Stringfield was a meticulous researcher

555
00:24:12,409 --> 00:24:08,820
who went out of his way to get

556
00:24:14,450 --> 00:24:12,419
uh detailed accounts from a wide range

557
00:24:16,850 --> 00:24:14,460
of witnesses who talked about the

558
00:24:18,350 --> 00:24:16,860
retrieval of UFOs and and alien bodies

559
00:24:19,370 --> 00:24:18,360
as well strength they'll collected a lot

560
00:24:23,029 --> 00:24:19,380
of this

561
00:24:25,850 --> 00:24:23,039
so the you know that's a massive of

562
00:24:29,450 --> 00:24:25,860
testimony that has already existed and

563
00:24:31,130 --> 00:24:29,460

grush is indeed providing evidence or at

564

00:24:33,770 --> 00:24:31,140

least he's providing testimony I should

565

00:24:36,649 --> 00:24:33,780

say that is that corroborates or that

566

00:24:39,190 --> 00:24:36,659

supports the work of people like Leonard

567

00:24:41,270 --> 00:24:39,200

Stringfield but it's true

568

00:24:43,490 --> 00:24:41,280

brush doesn't have proof he's not

569

00:24:46,250 --> 00:24:43,500

presented proof and that is that's an

570

00:24:46,810 --> 00:24:46,260

issue well and let me jump in

571

00:24:51,830 --> 00:24:46,820

um

572

00:24:54,830 --> 00:24:51,840

uh I have my old copy that I got from

573

00:24:57,590 --> 00:24:54,840

you years ago UFOs the National Security

574

00:25:00,890 --> 00:24:57,600

State volume one and I'm constantly

575

00:25:03,049 --> 00:25:00,900

picking that book up and and and and

576

00:25:06,110 --> 00:25:03,059

reading it it's like one of my reference

577

00:25:09,289 --> 00:25:06,120

books and just last night so you're

578

00:25:12,649 --> 00:25:09,299

bringing up Stringfield last night

579

00:25:16,730 --> 00:25:12,659

um I decided to start from the beginning

580

00:25:18,830 --> 00:25:16,740

again and I'm re and I caught I didn't

581

00:25:22,850 --> 00:25:18,840

see this before

582

00:25:27,049 --> 00:25:22,860

you do a section before Roswell

583

00:25:30,110 --> 00:25:27,059

right okay and it's not very long but uh

584

00:25:32,350 --> 00:25:30,120

he did the the Airship stuff 1897 and

585

00:25:36,409 --> 00:25:32,360

and things but anyway

586

00:25:39,470 --> 00:25:36,419

you talk about Foo Fighters and you talk

587

00:25:43,970 --> 00:25:39,480

about this case in the Pacific where

588

00:25:47,149 --> 00:25:43,980

this troop transport is is flying over

589

00:25:48,950 --> 00:25:47,159

there right and and I'm saying so I'm

590

00:25:52,130 --> 00:25:48,960

reading I'm like oh okay okay Foo

591

00:25:53,930 --> 00:25:52,140

Fighters Pacific three okay following it

592

00:25:56,570 --> 00:25:53,940

disappeared in the cloud and then you

593

00:26:00,350 --> 00:25:56,580

you got this it's almost a throwaway

594

00:26:02,690 --> 00:26:00,360

line at the end of it or you go and by

595

00:26:06,409 --> 00:26:02,700

the way one of the troops on that plane

596

00:26:08,930 --> 00:26:06,419

was a young Leonard Stringfield that's

597

00:26:11,570 --> 00:26:08,940

right crap right not only that that

598

00:26:12,529 --> 00:26:11,580

account he wrote about it in um trying

599

00:26:15,230 --> 00:26:12,539

to remember which book probably

600

00:26:17,330 --> 00:26:15,240

situation red I can't remember but

601
00:26:19,070 --> 00:26:17,340
he described it at some length and he

602
00:26:21,529 --> 00:26:19,080
said yeah we were

603
00:26:23,090 --> 00:26:21,539
uh I can't remember exactly where they

604
00:26:26,210 --> 00:26:23,100
were they were moving flying toward

605
00:26:28,850 --> 00:26:26,220
Japan I think and this luminous tears

606
00:26:31,250 --> 00:26:28,860
teardrop shaped object came alongside

607
00:26:32,930 --> 00:26:31,260
their plane and immediately caused the

608
00:26:34,490 --> 00:26:32,940
plane to start sputter the engine

609
00:26:36,710 --> 00:26:34,500
started to go out that's right that's

610
00:26:39,289 --> 00:26:36,720
right right and they were preparing he

611
00:26:41,570 --> 00:26:39,299
said we had to prepare for a ditch like

612
00:26:44,330 --> 00:26:41,580
to ditch the plane in the ocean good

613
00:26:46,970 --> 00:26:44,340

Lord they were that it was that serious

614

00:26:49,549 --> 00:26:46,980

and he said the uh this bright object

615

00:26:53,570 --> 00:26:49,559

then just moved away from our aircraft

616

00:26:54,649 --> 00:26:53,580

and we came back yeah got the engines

617

00:26:57,590 --> 00:26:54,659

back

618

00:27:00,230 --> 00:26:57,600

um yeah it dashed into some clouds right

619

00:27:02,510 --> 00:27:00,240

disappeared yeah and and they got the

620

00:27:05,090 --> 00:27:02,520

engine back and and all was all was cool

621

00:27:06,590 --> 00:27:05,100

but that was in August or September I

622

00:27:10,090 --> 00:27:06,600

think August of 1945 I think it was

623

00:27:13,669 --> 00:27:10,100

after the the bombs had been dropped

624

00:27:15,710 --> 00:27:13,679

three weeks after yeah yeah so who's

625

00:27:17,570 --> 00:27:15,720

who's playing those things if you want

626
00:27:19,010 --> 00:27:17,580
to argue like we can get this into this

627
00:27:21,529 --> 00:27:19,020
with with guerrera's press conference

628
00:27:23,930 --> 00:27:21,539
later because he does

629
00:27:25,310 --> 00:27:23,940
well he makes the claim of course that I

630
00:27:26,810 --> 00:27:25,320
mean a lot of these things are man-made

631
00:27:29,330 --> 00:27:26,820
he does

632
00:27:30,590 --> 00:27:29,340
state that some of these are ET but a

633
00:27:32,570 --> 00:27:30,600
lot are man-made

634
00:27:33,590 --> 00:27:32,580
but he said like the Tic Tac is man-made

635
00:27:35,390 --> 00:27:33,600
and

636
00:27:37,730 --> 00:27:35,400
but is that foo fighter from

637
00:27:39,169 --> 00:27:37,740
stringfield's encounter from after the

638
00:27:41,630 --> 00:27:39,179

Japanese surrender

639

00:27:44,330 --> 00:27:41,640

is that man-made who's flying those

640

00:27:46,490 --> 00:27:44,340

things that's right I mean look it's

641

00:27:49,250 --> 00:27:46,500

we're not talking German Nazi technology

642

00:27:52,730 --> 00:27:49,260

and we're not talking Japanese this is

643

00:27:53,890 --> 00:27:52,740

this is does not have an explanation I'm

644

00:27:58,190 --> 00:27:53,900

just saying

645

00:28:02,210 --> 00:27:58,200

so what do you what do you make of uh uh

646

00:28:04,549 --> 00:28:02,220

do you feel that grush I I want to talk

647

00:28:06,730 --> 00:28:04,559

about dobster too I think this is very

648

00:28:10,130 --> 00:28:06,740

important because

649

00:28:13,909 --> 00:28:10,140

he the the takeaway is this

650

00:28:16,010 --> 00:28:13,919

flying saucers alien bodies right that's

651
00:28:20,029 --> 00:28:16,020
that's the right that's that's the two

652
00:28:23,990 --> 00:28:20,039
things that that are on point here

653
00:28:26,990 --> 00:28:24,000
um it did is is these

654
00:28:29,690 --> 00:28:27,000
uh these two subjects were these

655
00:28:31,549 --> 00:28:29,700
disclosed to dobster right these are

656
00:28:33,529 --> 00:28:31,559
what is what I'm gonna write about is

657
00:28:35,570 --> 00:28:33,539
what I'm gonna talk about in interviews

658
00:28:38,090 --> 00:28:35,580
I'm going to talk about uh the U.S

659
00:28:41,149 --> 00:28:38,100
government having uh you know crashed

660
00:28:44,450 --> 00:28:41,159
and recovered alien uh flying saucers

661
00:28:47,390 --> 00:28:44,460
and I'm gonna talk about uh alien bodies

662
00:28:51,169 --> 00:28:47,400
and the pilots of those said craft and

663
00:28:52,250 --> 00:28:51,179

was that cleared by the government and I

664

00:28:54,529 --> 00:28:52,260

don't know and I'm gonna need to have

665

00:28:56,450 --> 00:28:54,539

more time to look into Dobson myself I'm

666

00:28:58,549 --> 00:28:56,460

just going to plead that I haven't

667

00:29:00,710 --> 00:28:58,559

caught up on every single development

668

00:29:02,390 --> 00:29:00,720

there's been so much this week I mean

669

00:29:03,649 --> 00:29:02,400

I'm aware that there have been claims of

670

00:29:06,710 --> 00:29:03,659

alien bodies

671

00:29:08,330 --> 00:29:06,720

in possession of uh possessed by the

672

00:29:09,950 --> 00:29:08,340

United States government or contractors

673

00:29:16,490 --> 00:29:09,960

so

674

00:29:19,130 --> 00:29:16,500

believed this for a long time right

675

00:29:22,730 --> 00:29:19,140

right do you have alien bodies and

676

00:29:25,549 --> 00:29:22,740

Technology yes do you put David grush at

677

00:29:27,470 --> 00:29:25,559

whistleblower status I think so I think

678

00:29:28,010 --> 00:29:27,480

it's fair

679

00:29:29,690 --> 00:29:28,020

um

680

00:29:31,070 --> 00:29:29,700

I mean he had he did apply for

681

00:29:34,970 --> 00:29:31,080

protection formally Under The

682

00:29:36,710 --> 00:29:34,980

Whistleblower protection act so

683

00:29:38,210 --> 00:29:36,720

um yeah and I mean Leslie and Ralph

684

00:29:39,950 --> 00:29:38,220

referred to him as a whistleblower I

685

00:29:42,590 --> 00:29:39,960

mean that phrase often gets overused

686

00:29:45,470 --> 00:29:42,600

especially in the UFO field it's used

687

00:29:48,830 --> 00:29:45,480

all the time but to me what constitutes

688

00:29:51,169 --> 00:29:48,840

a whistleblower is well first of all you

689

00:29:54,769 --> 00:29:51,179

have to be able to confirm who they are

690

00:29:58,250 --> 00:29:54,779

and we can do that with him and secondly

691

00:30:00,110 --> 00:29:58,260

they are literally drawing attention to

692

00:30:02,510 --> 00:30:00,120

a specific problem within the government

693

00:30:04,549 --> 00:30:02,520

one thing Rush did not do

694

00:30:07,610 --> 00:30:04,559

which I think at some point someone

695

00:30:10,250 --> 00:30:07,620

needs to do is to identify

696

00:30:13,850 --> 00:30:10,260

the office or some office that is

697

00:30:16,850 --> 00:30:13,860

actually managing this cover-up

698

00:30:19,730 --> 00:30:16,860

which he has not done to my knowledge uh

699

00:30:21,769 --> 00:30:19,740

or even the name like we need you know

700

00:30:25,610 --> 00:30:21,779

departments and names

701
00:30:33,409 --> 00:30:25,620
and until we get that I I think there's

702
00:30:39,769 --> 00:30:37,970
um the we're getting closer and closer

703
00:30:40,549 --> 00:30:39,779
right we are moving the ball down the

704
00:30:44,029 --> 00:30:40,559
field

705
00:30:47,210 --> 00:30:44,039
but your point is a valid one you can

706
00:30:49,810 --> 00:30:47,220
say that we are in possession of flying

707
00:30:54,649 --> 00:30:49,820
saucers you can say that we have the but

708
00:30:56,570 --> 00:30:54,659
it is a whole nother step and and if

709
00:31:00,649 --> 00:30:56,580
once you've applied for whistleblower

710
00:31:04,370 --> 00:31:00,659
status then go there is it Raytheon

711
00:31:07,310 --> 00:31:04,380
right is it right exactly is it Boeing

712
00:31:10,310 --> 00:31:07,320
is it is it Lockheed is it Northrop

713
00:31:11,690 --> 00:31:10,320

Grumman I think I think the money is

714

00:31:14,269 --> 00:31:11,700

that it's actually all of them because

715

00:31:15,710 --> 00:31:14,279

when you've got uh stove piping that's

716

00:31:18,590 --> 00:31:15,720

been going on with this type of program

717

00:31:20,149 --> 00:31:18,600

you you actually want to spread it

718

00:31:23,450 --> 00:31:20,159

around a little bit because you don't

719

00:31:25,190 --> 00:31:23,460

want all of the data to be contained

720

00:31:27,830 --> 00:31:25,200

within one particular

721

00:31:30,289 --> 00:31:27,840

corporate entity so I mean this is what

722

00:31:33,889 --> 00:31:30,299

I have heard for some time and

723

00:31:35,389 --> 00:31:33,899

it makes sense to me right yeah one

724

00:31:36,950 --> 00:31:35,399

place not just Northrop not just

725

00:31:40,789 --> 00:31:36,960

Lockheed and so forth

726

00:31:42,830 --> 00:31:40,799

is he uh Leonard Stringfield military

727

00:31:51,710 --> 00:31:42,840

right

728

00:31:54,110 --> 00:31:51,720

that many uh military uh Personnel have

729

00:31:55,850 --> 00:31:54,120

have come forward

730

00:31:58,250 --> 00:31:55,860

um over the years

731

00:31:59,990 --> 00:31:58,260

um crush is certainly not the first one

732

00:32:02,990 --> 00:32:00,000

but

733

00:32:07,430 --> 00:32:03,000

um his not only his military background

734

00:32:10,430 --> 00:32:07,440

but his clearances uh the UAP task force

735

00:32:12,409 --> 00:32:10,440

um is it the nro right I think he's

736

00:32:16,250 --> 00:32:12,419

right NRL

737

00:32:20,950 --> 00:32:16,260

um this is this is pretty heavy now

738

00:32:25,730 --> 00:32:20,960

we're in heavy duty uh territory here

739

00:32:29,810 --> 00:32:25,740

why would he not be telling the truth

740

00:32:36,590 --> 00:32:32,029

Ross asked one of the best questions

741

00:32:38,630 --> 00:32:36,600

ever and he is good Ross Culvert egos he

742

00:32:40,610 --> 00:32:38,640

looks right at him and goes dude

743

00:32:44,450 --> 00:32:40,620

are you lying to me

744

00:32:45,430 --> 00:32:44,460

right and and so to that that's the

745

00:32:49,430 --> 00:32:45,440

question

746

00:32:51,470 --> 00:32:49,440

why if if you have the career that you

747

00:32:55,070 --> 00:32:51,480

have and you have the reputation that

748

00:32:58,130 --> 00:32:55,080

you have why would you throw it all away

749

00:33:00,470 --> 00:32:58,140

I I don't think that you would I I just

750

00:33:02,269 --> 00:33:00,480

don't I think this is why most people

751

00:33:03,950 --> 00:33:02,279

consider him very credible and let's

752

00:33:06,590 --> 00:33:03,960

just be clear I think most people do

753

00:33:08,269 --> 00:33:06,600

consider him to be credible he's got

754

00:33:09,830 --> 00:33:08,279

some detractors of course it's going to

755

00:33:11,330 --> 00:33:09,840

happen when you're making the claim like

756

00:33:12,830 --> 00:33:11,340

this but

757

00:33:15,409 --> 00:33:12,840

I think

758

00:33:17,149 --> 00:33:15,419

um he has he seems to have an excellent

759

00:33:19,789 --> 00:33:17,159

reputation

760

00:33:21,830 --> 00:33:19,799

uh he comes across as a young guy to me

761

00:33:24,409 --> 00:33:21,840

you know he's 36 I think he's

762

00:33:27,289 --> 00:33:24,419

almost sounds a little flippant when he

763

00:33:30,529 --> 00:33:27,299

talks with Ross cultart a little bit

764

00:33:32,330 --> 00:33:30,539

that just may be his age uh nothing

765

00:33:34,310 --> 00:33:32,340

wrong with that he he seemed very

766

00:33:36,529 --> 00:33:34,320

forthright overall

767

00:33:40,070 --> 00:33:36,539

and uh what do you think about his

768

00:33:42,250 --> 00:33:40,080

demeanor his body language

769

00:33:44,690 --> 00:33:42,260

um uh

770

00:33:46,610 --> 00:33:44,700

you you know there's been a few people

771

00:33:47,889 --> 00:33:46,620

who've like tried to analyze his body

772

00:33:50,450 --> 00:33:47,899

language

773

00:33:52,669 --> 00:33:50,460

attempts for that and I I really know

774

00:33:53,750 --> 00:33:52,679

what I think about that

775

00:33:56,029 --> 00:33:53,760

um

776

00:33:57,649 --> 00:33:56,039

I think some of like you know you see

777

00:33:58,909 --> 00:33:57,659

him shaking his head sometimes when he's

778

00:34:01,669 --> 00:33:58,919

saying something positive and

779

00:34:03,049 --> 00:34:01,679

affirmative but I think it struck me as

780

00:34:05,450 --> 00:34:03,059

it's like he's looking at the

781

00:34:08,030 --> 00:34:05,460

incredulity of the whole thing like

782

00:34:09,230 --> 00:34:08,040

I I didn't find his body language to be

783

00:34:11,570 --> 00:34:09,240

a problem

784

00:34:13,669 --> 00:34:11,580

I just found him to be

785

00:34:15,409 --> 00:34:13,679

is a young guy you know he's a young guy

786

00:34:16,369 --> 00:34:15,419

who has

787

00:34:18,950 --> 00:34:16,379

um

788

00:34:20,629 --> 00:34:18,960

a certain demeanor that you would see

789

00:34:24,430 --> 00:34:20,639

from a younger guy not an older guy

790

00:34:28,310 --> 00:34:24,440

that's about it but I I didn't find him

791

00:34:30,829 --> 00:34:28,320

uh clearly deceptive in in his demeanor

792

00:34:32,869 --> 00:34:30,839

to as I looked at him

793

00:34:35,810 --> 00:34:32,879

one of the things

794

00:34:38,030 --> 00:34:35,820

um that you uh like to say and have said

795

00:34:42,169 --> 00:34:38,040

over the years right we can't put the

796

00:34:44,990 --> 00:34:42,179

toothpaste back in the tube and and if

797

00:34:48,050 --> 00:34:45,000

we go back to December of 2017 New York

798

00:34:49,990 --> 00:34:48,060

Times it's Leslie Kanan Ralph Blumenthal

799

00:34:54,770 --> 00:34:50,000

here we are five and a half years later

800

00:34:57,290 --> 00:34:54,780

it's Leslie and Ralph again right uh a

801
00:35:00,290 --> 00:34:57,300
complete Grand Slam home run bottom of

802
00:35:04,070 --> 00:35:00,300
the ninth in the World Series uh it

803
00:35:06,890 --> 00:35:04,080
twice it doesn't happen in in journalism

804
00:35:11,530 --> 00:35:06,900
uh that often

805
00:35:14,210 --> 00:35:11,540
um when when Leslie uh was asked about

806
00:35:16,670 --> 00:35:14,220
uh the vetting of sources and and

807
00:35:18,109 --> 00:35:16,680
looking at documents

808
00:35:22,550 --> 00:35:18,119
um she looked straight at the camera and

809
00:35:25,310 --> 00:35:22,560
said I I I'm I'm I'm a professional and

810
00:35:27,530 --> 00:35:25,320
I have my relationships and and I know

811
00:35:29,870 --> 00:35:27,540
what's going on and I've researched this

812
00:35:31,910 --> 00:35:29,880
and and Ralph and I are not going to

813
00:35:34,670 --> 00:35:31,920

publish something that that we're not

814

00:35:37,490 --> 00:35:34,680

going to stand behind you can't really

815

00:35:39,650 --> 00:35:37,500

say better than that can you no

816

00:35:42,530 --> 00:35:39,660

something else about this story that I

817

00:35:44,210 --> 00:35:42,540

don't know if I've heard anyone uh State

818

00:35:47,329 --> 00:35:44,220

explicitly but I think we all kind of

819

00:35:50,990 --> 00:35:47,339

implicitly understand which is

820

00:35:51,890 --> 00:35:51,000

this article crosses the red line it

821

00:35:54,290 --> 00:35:51,900

does

822

00:35:56,750 --> 00:35:54,300

this is the red line of disclosure which

823

00:35:59,690 --> 00:35:56,760

is the allegation that the United States

824

00:36:01,430 --> 00:35:59,700

government has acquired technology from

825

00:36:03,650 --> 00:36:01,440

extraterrestrials aliens and the reason

826

00:36:06,410 --> 00:36:03,660

it's a red line is that it

827

00:36:09,290 --> 00:36:06,420

proves if it's true it proves that there

828

00:36:11,510 --> 00:36:09,300

has been a long-standing cover-up and

829

00:36:13,190 --> 00:36:11,520

deception by the United States

830

00:36:16,190 --> 00:36:13,200

government against the people of the

831

00:36:18,470 --> 00:36:16,200

United States and the world and this is

832

00:36:19,609 --> 00:36:18,480

you know when when uh when those two did

833

00:36:21,349 --> 00:36:19,619

their articles for the New York Times

834

00:36:24,290 --> 00:36:21,359

including their final one for the New

835

00:36:25,670 --> 00:36:24,300

York Times which was in July of 2020.

836

00:36:28,069 --> 00:36:25,680

and that was an interesting one because

837

00:36:29,990 --> 00:36:28,079

they quoted Eric Davis Dr Davis at

838

00:36:41,170 --> 00:36:30,000

length in that or at least at some

839

00:36:47,810 --> 00:36:43,970

the thing is right in 2020 they quoted

840

00:36:50,750 --> 00:36:47,820

Davis and and in that article

841

00:36:52,609 --> 00:36:50,760

they came within a the breadth of a

842

00:36:54,290 --> 00:36:52,619

human hair of going over that line and

843

00:36:56,690 --> 00:36:54,300

basically saying yeah there's been

844

00:36:58,670 --> 00:36:56,700

retrieval of of alien technology they

845

00:37:01,250 --> 00:36:58,680

didn't quite do it they came very very

846

00:37:04,430 --> 00:37:01,260

close that was in the New York Times

847

00:37:06,410 --> 00:37:04,440

and uh I think you know I think we've

848

00:37:08,150 --> 00:37:06,420

heard that they initially wanted the New

849

00:37:10,370 --> 00:37:08,160

York Times to do this story in the New

850

00:37:13,130 --> 00:37:10,380

York Times passed on it

851

00:37:15,890 --> 00:37:13,140

and that makes sense to me as well

852

00:37:17,569 --> 00:37:15,900

because the New York Times is still very

853

00:37:19,609 --> 00:37:17,579

much an uh instrument for the

854

00:37:20,870 --> 00:37:19,619

establishment and they are still very

855

00:37:21,950 --> 00:37:20,880

much in bed with the intelligence

856

00:37:24,950 --> 00:37:21,960

community in the National Security

857

00:37:27,050 --> 00:37:24,960

community and uh clearly there's enough

858

00:37:28,849 --> 00:37:27,060

loyalty in there for them not to run

859

00:37:31,190 --> 00:37:28,859

this story because this shows the United

860

00:37:34,849 --> 00:37:31,200

States government to be engaged in a

861

00:37:37,250 --> 00:37:34,859

well in a 75 plus year-long conspiracy

862

00:37:39,470 --> 00:37:37,260

against the truth and against

863

00:37:41,150 --> 00:37:39,480

against its own principles of

864

00:37:45,170 --> 00:37:41,160

transparency in government like they

865

00:37:46,430 --> 00:37:45,180

just lied they've lied and and we're you

866

00:37:48,829 --> 00:37:46,440

know I've said this many times but we

867

00:37:50,270 --> 00:37:48,839

are in an era Jimmy where you and I and

868

00:37:52,849 --> 00:37:50,280

all listeners are not supposed to

869

00:37:55,190 --> 00:37:52,859

believe in conspiracy theories

870

00:37:57,109 --> 00:37:55,200

there is a concerted effort going

871

00:37:59,750 --> 00:37:57,119

through Google's helping with all you

872

00:38:00,530 --> 00:37:59,760

know the uh intelligence Community to do

873

00:38:03,530 --> 00:38:00,540

this

874

00:38:05,990 --> 00:38:03,540

to to search for what they call

875

00:38:09,109 --> 00:38:06,000

conspiracy theories at scale that is

876

00:38:11,510 --> 00:38:09,119

just scouring the web using and you

877

00:38:15,170 --> 00:38:11,520

could we have to assume using extremely

878

00:38:17,329 --> 00:38:15,180

Advanced AI algorithms now to disable

879

00:38:19,010 --> 00:38:17,339

Shadow ban and you know minimize what

880

00:38:20,630 --> 00:38:19,020

they consider to be conspiracy theories

881

00:38:23,990 --> 00:38:20,640

and yet what's what's a bigger

882

00:38:26,329 --> 00:38:24,000

conspiracy theory than the UFO cover-up

883

00:38:28,790 --> 00:38:26,339

maybe nothing probably nothing and so

884

00:38:31,130 --> 00:38:28,800

this

885

00:38:34,190 --> 00:38:31,140

the article by Leslie and Ralph Ross's

886

00:38:36,290 --> 00:38:34,200

interview that followed up uh some of

887

00:38:38,390 --> 00:38:36,300

the other journalism that's come out I

888

00:38:40,430 --> 00:38:38,400

was looking at an article by uh I didn't

889

00:38:43,550 --> 00:38:40,440

know this man Michael uh schellenberger

890

00:38:45,109 --> 00:38:43,560

on a sub stack which talks about

891

00:38:47,329 --> 00:38:45,119

um

892

00:38:49,910 --> 00:38:47,339

you know Witnesses talking about that 12

893

00:38:51,230 --> 00:38:49,920

to 15 alien craft in possession uh

894

00:38:52,910 --> 00:38:51,240

possessed by the US government or

895

00:38:55,849 --> 00:38:52,920

contractors I don't know where his

896

00:38:58,130 --> 00:38:55,859

sources are but again uh this I think is

897

00:39:00,050 --> 00:38:58,140

this kind of stuff floating around in um

898

00:39:03,410 --> 00:39:00,060

Congressional testimony

899

00:39:04,730 --> 00:39:03,420

so so these types of stories that are

900

00:39:07,190 --> 00:39:04,740

now

901
00:39:09,190 --> 00:39:07,200
filtering out

902
00:39:12,589 --> 00:39:09,200
the the real question is going to be

903
00:39:15,710 --> 00:39:12,599
well they get mainstream establishment

904
00:39:17,510 --> 00:39:15,720
traction will CNN and the New York Times

905
00:39:20,810 --> 00:39:17,520
cover it will The Washington Post cover

906
00:39:22,970 --> 00:39:20,820
it because if they do

907
00:39:25,550 --> 00:39:22,980
it's going to be

908
00:39:28,370 --> 00:39:25,560
to see how they handle it are they gonna

909
00:39:31,790 --> 00:39:28,380
if if they don't debunk it

910
00:39:33,230 --> 00:39:31,800
if they don't debunk grush and what he's

911
00:39:37,310 --> 00:39:33,240
saying

912
00:39:38,990 --> 00:39:37,320
they are opening the door for a massive

913
00:39:41,930 --> 00:39:39,000

reevaluation

914

00:39:46,010 --> 00:39:41,940

of the last 80 years of History we are

915

00:39:47,270 --> 00:39:46,020

this close to that we are very close to

916

00:40:22,550 --> 00:39:47,280

a

917

00:40:24,410 --> 00:40:22,560

um it is

918

00:40:27,910 --> 00:40:24,420

huge news

919

00:40:31,670 --> 00:40:27,920

but it's another the one of the points

920

00:40:34,690 --> 00:40:31,680

that has has come out

921

00:40:38,870 --> 00:40:34,700

is that this information

922

00:40:42,829 --> 00:40:38,880

that convinced David grush to to come

923

00:40:45,410 --> 00:40:42,839

out as a a as a whistleblower is now in

924

00:40:46,970 --> 00:40:45,420

the hands of Congress it is now in the

925

00:40:48,530 --> 00:40:46,980

hands of the Senate intelligence

926

00:40:51,230 --> 00:40:48,540

committee right

927

00:40:53,150 --> 00:40:51,240

um they have both houses have now gone

928

00:40:56,390 --> 00:40:53,160

on the record saying that they are

929

00:40:58,849 --> 00:40:56,400

scheduling hearings now yeah this is

930

00:41:01,430 --> 00:40:58,859

this is significant because what we've

931

00:41:04,250 --> 00:41:01,440

had up till now are not hearings no no

932

00:41:06,710 --> 00:41:04,260

no and and and it was never we've had

933

00:41:09,589 --> 00:41:06,720

briefings it was never alien bodies and

934

00:41:12,109 --> 00:41:09,599

flying saucers that's right Andre Carson

935

00:41:16,130 --> 00:41:12,119

the last actual hearings we had were in

936

00:41:18,050 --> 00:41:16,140

1968 man a long time long time ago so

937

00:41:20,210 --> 00:41:18,060

those were hearings we have not had

938

00:41:22,190 --> 00:41:20,220

hearings since then we've had briefings

939

00:41:24,230 --> 00:41:22,200

and they were you know very low level

940

00:41:26,089 --> 00:41:24,240

often kind of boring and that type of

941

00:41:27,410 --> 00:41:26,099

thing so this is different

942

00:41:29,990 --> 00:41:27,420

and actually I was just going through my

943

00:41:32,089 --> 00:41:30,000

notes on schellenberg's piece uh and I'm

944

00:41:33,650 --> 00:41:32,099

just going to write like basically what

945

00:41:35,829 --> 00:41:33,660

he was saying is that there have been

946

00:41:38,030 --> 00:41:35,839

many sources including high-ranking

947

00:41:39,829 --> 00:41:38,040

intelligence officials and former

948

00:41:42,950 --> 00:41:39,839

intelligence officials who have come

949

00:41:44,990 --> 00:41:42,960

forward to support gracious claims

950

00:41:46,430 --> 00:41:45,000

and they apparently and this is a

951
00:41:47,870 --> 00:41:46,440
collective I don't have any names here I

952
00:41:50,030 --> 00:41:47,880
don't think there's any names out but

953
00:41:52,250 --> 00:41:50,040
they have said that the government and

954
00:41:55,790 --> 00:41:52,260
Military contractors have at least a

955
00:41:57,190 --> 00:41:55,800
dozen or more alien craft I think six

956
00:42:00,470 --> 00:41:57,200
were said to be in pretty good condition

957
00:42:02,930 --> 00:42:00,480
six were said to be uh pretty badly

958
00:42:04,970 --> 00:42:02,940
damaged and maybe there's a couple more

959
00:42:06,950 --> 00:42:04,980
so all of this is ready to come out like

960
00:42:10,609 --> 00:42:06,960
I mean can this come out in hearings

961
00:42:13,550 --> 00:42:10,619
right right right right right I I I

962
00:42:16,730 --> 00:42:14,690
um

963
00:42:19,370 --> 00:42:16,740

Jim shell

964

00:42:22,370 --> 00:42:19,380

a former Chief scientist of the space

965

00:42:25,609 --> 00:42:22,380

Innovation and Development Center at Air

966

00:42:29,690 --> 00:42:25,619

Force space command wrote on LinkedIn

967

00:42:32,569 --> 00:42:29,700

last week to support David Crush

968

00:42:35,290 --> 00:42:32,579

Michelle wrote on LinkedIn and this is

969

00:42:39,290 --> 00:42:35,300

this is a direct quote are you ready

970

00:42:42,290 --> 00:42:39,300

quote I will vouch for the Integrity of

971

00:42:45,589 --> 00:42:42,300

Dave grush getting to the bottom of this

972

00:42:48,170 --> 00:42:45,599

is Elusive and problematic to say the

973

00:42:50,690 --> 00:42:48,180

least I will assert no matter the

974

00:42:54,310 --> 00:42:50,700

conclusion of extraterrestrial materials

975

00:42:58,490 --> 00:42:54,320

or not the dod and the IC security

976

00:43:01,490 --> 00:42:58,500

apparatus is in trouble and unwitting

977

00:43:06,230 --> 00:43:01,500

accomplices are fostering an abusive

978

00:43:08,930 --> 00:43:06,240

system end quote holy crap yeah that's

979

00:43:11,089 --> 00:43:08,940

really nice by saying unwitting I'm sure

980

00:43:13,069 --> 00:43:11,099

they're not all unwitting yeah that's

981

00:43:15,109 --> 00:43:13,079

right that's right yeah but but that's

982

00:43:17,410 --> 00:43:15,119

where we are and so this is a

983

00:43:20,569 --> 00:43:17,420

substantial statement that's important

984

00:43:23,750 --> 00:43:20,579

extremely substantial and so these

985

00:43:25,670 --> 00:43:23,760

hearings are is it's going to be like

986

00:43:26,930 --> 00:43:25,680

um you know when Howard Hughes was in

987

00:43:28,790 --> 00:43:26,940

front of the Senate and he's got his

988

00:43:29,630 --> 00:43:28,800

attorney next to him whispering in his

989

00:43:32,450 --> 00:43:29,640

ear and they're covering the mind

990

00:43:35,870 --> 00:43:32,460

microphone and you've got 600 people

991

00:43:39,410 --> 00:43:35,880

packed in the the chambers and it you

992

00:43:41,150 --> 00:43:39,420

know you can think about Watergate or or

993

00:43:43,309 --> 00:43:41,160

you know these other

994

00:43:46,730 --> 00:43:43,319

um uh you know Howard Hughes what was

995

00:43:49,730 --> 00:43:46,740

the that scene from uh got uh Godfather

996

00:43:52,150 --> 00:43:49,740

Part Two right you know what I mean I

997

00:43:54,530 --> 00:43:52,160

remember that yeah yeah yeah yeah

998

00:43:58,490 --> 00:43:54,540

do you think it's going to be a media

999

00:44:01,370 --> 00:43:58,500

circus like that uh I don't know I don't

1000

00:44:02,990 --> 00:44:01,380

know ma'am I do not know because as I

1001
00:44:04,849 --> 00:44:03,000
was saying earlier I I was just chatting

1002
00:44:07,370 --> 00:44:04,859
with a friend this evening he had not

1003
00:44:09,530 --> 00:44:07,380
the slightest idea

1004
00:44:11,630 --> 00:44:09,540
that this was going on hey he's a smart

1005
00:44:14,089 --> 00:44:11,640
guy he just you know didn't follow this

1006
00:44:15,950 --> 00:44:14,099
so I think there's a lot of people out

1007
00:44:17,510 --> 00:44:15,960
there like we're we are in our little

1008
00:44:19,670 --> 00:44:17,520
UFO bubble

1009
00:44:21,589 --> 00:44:19,680
our UAP bubble we can call it that we

1010
00:44:24,470 --> 00:44:21,599
those of us

1011
00:44:26,390 --> 00:44:24,480
who follow this we live it we breathe it

1012
00:44:28,190 --> 00:44:26,400
but there's a big world out there and I

1013
00:44:31,430 --> 00:44:28,200

still think there's many many people who

1014

00:44:32,569 --> 00:44:31,440

are not very up to date with what's

1015

00:44:35,510 --> 00:44:32,579

going on

1016

00:44:37,430 --> 00:44:35,520

so it's entirely possible I mean it's

1017

00:44:39,290 --> 00:44:37,440

crazy to say this but I say it is

1018

00:44:42,710 --> 00:44:39,300

possible that we could have hearings

1019

00:44:44,809 --> 00:44:42,720

real hearings and

1020

00:44:46,670 --> 00:44:44,819

will people really know how many people

1021

00:44:49,250 --> 00:44:46,680

back in the late 60s knew that there

1022

00:44:51,170 --> 00:44:49,260

were Congressional hearings on UFOs back

1023

00:44:54,109 --> 00:44:51,180

then I don't know actually but probably

1024

00:44:55,490 --> 00:44:54,119

many did not these things just go by the

1025

00:44:58,370 --> 00:44:55,500

board I mean if you're interested you

1026

00:45:01,130 --> 00:44:58,380

can follow it the real thing will be

1027

00:45:03,710 --> 00:45:01,140

I think the only thing that will change

1028

00:45:05,569 --> 00:45:03,720

this is I can't believe I'm saying this

1029

00:45:08,210 --> 00:45:05,579

but it's what Steve Bassett has been

1030

00:45:10,010 --> 00:45:08,220

saying all along if the president of the

1031

00:45:13,010 --> 00:45:10,020

United States says it

1032

00:45:15,589 --> 00:45:13,020

I think honestly that is like the only

1033

00:45:17,930 --> 00:45:15,599

the only thing that's going to change

1034

00:45:19,309 --> 00:45:17,940

this and I don't know what else really

1035

00:45:21,650 --> 00:45:19,319

will do it

1036

00:45:24,170 --> 00:45:21,660

maybe maybe there's a couple of halfway

1037

00:45:26,510 --> 00:45:24,180

points so for example if there really is

1038

00:45:28,790 --> 00:45:26,520

powerful testimony that is given during

1039

00:45:32,809 --> 00:45:28,800

the hearings

1040

00:45:35,450 --> 00:45:32,819

um maybe that will cause a a quickening

1041

00:45:37,790 --> 00:45:35,460

of the boulder going down the hill

1042

00:45:41,510 --> 00:45:37,800

but I I just think

1043

00:45:44,210 --> 00:45:41,520

I I mean our media our government has

1044

00:45:45,770 --> 00:45:44,220

done an incredible job at stonewalling

1045

00:45:48,710 --> 00:45:45,780

on all kinds of issues and not just

1046

00:45:51,530 --> 00:45:48,720

stonewalling but just out and out lying

1047

00:45:56,450 --> 00:45:53,270

you know it really depends on how this

1048

00:45:59,390 --> 00:45:56,460

factional war ends up I think

1049

00:46:01,430 --> 00:45:59,400

if if they're able to Stonewall this for

1050

00:46:03,410 --> 00:46:01,440

another decade they'll just they'll do

1051
00:46:06,109 --> 00:46:03,420
it they'll Stonewall as long as they as

1052
00:46:08,470 --> 00:46:06,119
long as they can I think

1053
00:46:12,890 --> 00:46:08,480
there there's got to be

1054
00:46:15,170 --> 00:46:12,900
a monetary interest big time in

1055
00:46:17,809 --> 00:46:15,180
maintaining this secret there's got to

1056
00:46:19,370 --> 00:46:17,819
be there have got to be powerful you

1057
00:46:21,290 --> 00:46:19,380
know you think about the contractors

1058
00:46:24,230 --> 00:46:21,300
that undoubtedly have access to this

1059
00:46:27,890 --> 00:46:24,240
this technology or these craft

1060
00:46:30,950 --> 00:46:27,900
and they have got to want to maintain a

1061
00:46:33,349 --> 00:46:30,960
monopoly over possessing this stuff

1062
00:46:37,010 --> 00:46:33,359
if you're if you've got this magical

1063
00:46:39,230 --> 00:46:37,020

future technology in your possession why

1064

00:46:41,210 --> 00:46:39,240

would you ever want to share that with

1065

00:46:44,329 --> 00:46:41,220

anyone else this is like your magical

1066

00:46:45,950 --> 00:46:44,339

secret weapon for the future you can it

1067

00:46:47,329 --> 00:46:45,960

gives you all kinds of ideas and power

1068

00:46:50,690 --> 00:46:47,339

and Technology you don't want to share

1069

00:46:53,089 --> 00:46:50,700

that never want to share that so I think

1070

00:46:54,710 --> 00:46:53,099

it really will come down to who is the

1071

00:46:56,030 --> 00:46:54,720

stronger faction

1072

00:46:57,050 --> 00:46:56,040

that's what I think because I don't know

1073

00:46:58,849 --> 00:46:57,060

if truth is really going to make a

1074

00:47:00,650 --> 00:46:58,859

difference here I think it's which

1075

00:47:03,589 --> 00:47:00,660

faction in our

1076

00:47:07,430 --> 00:47:03,599

National Security power structure

1077

00:47:10,010 --> 00:47:07,440

is able to get the upper hand here and

1078

00:47:12,890 --> 00:47:10,020

it you know we're at a point where

1079

00:47:14,510 --> 00:47:12,900

for the first time uh maybe in a long

1080

00:47:16,970 --> 00:47:14,520

long while maybe ever

1081

00:47:20,750 --> 00:47:16,980

it does look possible

1082

00:47:22,849 --> 00:47:20,760

for the side of UFO openness uh an

1083

00:47:25,370 --> 00:47:22,859

ending of what Steve always calls the

1084

00:47:27,170 --> 00:47:25,380

truth embargo that that may

1085

00:47:30,050 --> 00:47:27,180

you can actually see it happening you

1086

00:47:31,970 --> 00:47:30,060

can see it as a possibility after that

1087

00:47:33,470 --> 00:47:31,980

what then that's a whole other can of

1088

00:47:35,210 --> 00:47:33,480

worms but

1089

00:47:36,770 --> 00:47:35,220

it's at least possible it's kind of an

1090

00:47:40,510 --> 00:47:36,780

amazing thing to see

1091

00:47:42,770 --> 00:47:40,520

did you uh um

1092

00:47:45,050 --> 00:47:42,780

there always has to be somebody first

1093

00:47:46,849 --> 00:47:45,060

right no matter what there's got to be

1094

00:47:48,770 --> 00:47:46,859

somebody to open the first doors got to

1095

00:47:51,770 --> 00:47:48,780

be somebody's got to walk in somebody's

1096

00:47:54,130 --> 00:47:51,780

got to be the first one to test out the

1097

00:47:57,650 --> 00:47:54,140

new roller coaster right somebody's

1098

00:48:00,890 --> 00:47:57,660

there's a first you know and did you

1099

00:48:04,250 --> 00:48:00,900

picture the first you know in this

1100

00:48:09,349 --> 00:48:04,260

situation to be somebody like a David

1101

00:48:13,309 --> 00:48:09,359

grush who is uh credentialed his CV his

1102

00:48:18,410 --> 00:48:13,319

uh his resume is right there we know

1103

00:48:20,329 --> 00:48:18,420

everything did you picture that and well

1104

00:48:22,190 --> 00:48:20,339

you you were telling me you love reading

1105

00:48:24,530 --> 00:48:22,200

uh volume one of UFOs and National

1106

00:48:25,550 --> 00:48:24,540

Security State which or which thank you

1107

00:48:27,829 --> 00:48:25,560

by the way

1108

00:48:30,470 --> 00:48:27,839

but I I did another book with Bryce Abel

1109

00:48:33,790 --> 00:48:30,480

called ad after disclosure and that was

1110

00:48:36,770 --> 00:48:33,800

in 2010. we wrote that book 13 years ago

1111

00:48:38,450 --> 00:48:36,780

and we I'm going to tell you looking

1112

00:48:40,490 --> 00:48:38,460

back over it

1113

00:48:43,250 --> 00:48:40,500

it's kind of amazing it was a different

1114

00:48:46,910 --> 00:48:43,260

world in 2010 a very different world but

1115

00:48:50,690 --> 00:48:46,920

what we tried to do was to kind of game

1116

00:48:53,870 --> 00:48:50,700

play out uh how could UFO secrecy and

1117

00:48:56,210 --> 00:48:53,880

what what factors could spark this and

1118

00:48:58,309 --> 00:48:56,220

and then of course most of our book was

1119

00:48:59,750 --> 00:48:58,319

on what would happen if that if that

1120

00:49:01,849 --> 00:48:59,760

were to occur how would that affect our

1121

00:49:04,130 --> 00:49:01,859

society but one of the ways that we we

1122

00:49:07,490 --> 00:49:04,140

saw a few things that could cause

1123

00:49:10,370 --> 00:49:07,500

a kind of cracking of the UFO wall of

1124

00:49:11,750 --> 00:49:10,380

secrecy one was a major sighting that

1125

00:49:14,870 --> 00:49:11,760

was like our major that was our first

1126

00:49:16,849 --> 00:49:14,880

choice uh two I'm trying to think back

1127

00:49:19,069 --> 00:49:16,859

was like a Wikileaks type of a thing you

1128

00:49:21,290 --> 00:49:19,079

know where uh

1129

00:49:23,030 --> 00:49:21,300

right but one of them that we did

1130

00:49:25,430 --> 00:49:23,040

absolutely talk about was the

1131

00:49:27,589 --> 00:49:25,440

possibility of a of a credible

1132

00:49:29,930 --> 00:49:27,599

government Insider

1133

00:49:31,309 --> 00:49:29,940

who decided to go public this is

1134

00:49:33,050 --> 00:49:31,319

something that we really wanted at the

1135

00:49:35,450 --> 00:49:33,060

time we're like you know someone of the

1136

00:49:37,730 --> 00:49:35,460

Statue of like Colin Powell like like

1137

00:49:41,450 --> 00:49:37,740

highest level like Joint Chiefs of Staff

1138

00:49:43,970 --> 00:49:41,460

uh I don't think that Bryce or I were

1139

00:49:46,069 --> 00:49:43,980

actively thinking of kind of a lower

1140

00:49:48,109 --> 00:49:46,079

level of mid-level intelligence officer

1141

00:49:51,650 --> 00:49:48,119

like like Rush

1142

00:49:54,829 --> 00:49:51,660

but frankly he fits the bill he has he

1143

00:49:58,609 --> 00:49:54,839

has sufficient credentials to be able to

1144

00:50:00,829 --> 00:49:58,619

have that uh armor that public armor to

1145

00:50:03,650 --> 00:50:00,839

go out and make the statement that he

1146

00:50:05,930 --> 00:50:03,660

did so I think yeah we did

1147

00:50:09,470 --> 00:50:05,940

um when we wrote after disclosure this

1148

00:50:10,130 --> 00:50:09,480

was one of the scenarios we looked at

1149

00:50:12,170 --> 00:50:10,140

um

1150

00:50:14,750 --> 00:50:12,180

okay so we have

1151

00:50:16,970 --> 00:50:14,760

we have three basic branches of of

1152

00:50:20,030 --> 00:50:16,980

government we're not going to get into

1153

00:50:22,510 --> 00:50:20,040

uh a class on politics right now but we

1154

00:50:27,950 --> 00:50:22,520

have three branches of government right

1155

00:50:31,849 --> 00:50:27,960

and when we deal with the representative

1156

00:50:35,150 --> 00:50:31,859

side of it we have a couple of different

1157

00:50:40,309 --> 00:50:35,160

houses and local governments and so

1158

00:50:43,069 --> 00:50:40,319

forth but it appears that

1159

00:50:46,309 --> 00:50:43,079

um the way that this is playing out

1160

00:50:50,170 --> 00:50:46,319

is that none of those branches the

1161

00:50:53,569 --> 00:50:50,180

judicial the executive right that nobody

1162

00:50:57,230 --> 00:50:53,579

knew about any of this

1163

00:51:00,650 --> 00:50:57,240

and that is what is so surprising that I

1164

00:51:04,849 --> 00:51:00,660

think there are certain expectations

1165

00:51:08,329 --> 00:51:04,859

um that you are uh you are allowed

1166

00:51:10,250 --> 00:51:08,339

access to just about anything if you

1167

00:51:13,730 --> 00:51:10,260

have the clearances for that and you can

1168

00:51:15,950 --> 00:51:13,740

get questions answered this situation uh

1169

00:51:18,549 --> 00:51:15,960

with Crush coming forward that we have

1170

00:51:22,010 --> 00:51:18,559

flying saucers and we have alien bodies

1171

00:51:26,270 --> 00:51:22,020

that nobody knows about this and they

1172

00:51:27,829 --> 00:51:26,280

were assuming that they should and that

1173

00:51:29,450 --> 00:51:27,839

is where the heart attacks are happening

1174

00:51:32,030 --> 00:51:29,460

right

1175

00:51:33,950 --> 00:51:32,040

our government is like a dead body you

1176

00:51:36,650 --> 00:51:33,960

find on the side of the road

1177

00:51:38,450 --> 00:51:36,660

you walk along the sidewalk and you see

1178

00:51:40,849 --> 00:51:38,460

this dead guy there and you're like oh

1179

00:51:42,109 --> 00:51:40,859

wow looks like a dead person you take a

1180

00:51:43,430 --> 00:51:42,119

little stick and you poke it and he's

1181

00:51:45,170 --> 00:51:43,440

not moving

1182

00:51:46,670 --> 00:51:45,180

but then you think oh but he's wearing

1183

00:51:49,130 --> 00:51:46,680

the same clothes I saw him wearing

1184

00:51:50,690 --> 00:51:49,140

yesterday he must be fine

1185

00:51:54,589 --> 00:51:50,700

that's our government

1186

00:51:55,790 --> 00:51:54,599

we have the trappings are the same as

1187

00:51:58,309 --> 00:51:55,800

they've always been

1188

00:51:59,809 --> 00:51:58,319

you have presidency the executive branch

1189

00:52:02,329 --> 00:51:59,819

you've got the Congress you've got the

1190

00:52:04,670 --> 00:52:02,339

Judiciary they're all still there

1191

00:52:06,829 --> 00:52:04,680

the body just happens to be dead

1192

00:52:08,690 --> 00:52:06,839

and just like in the movie Alien you got

1193

00:52:11,450 --> 00:52:08,700

the thing growing inside the body about

1194

00:52:13,970 --> 00:52:11,460

to come out that's what we have and we

1195

00:52:16,670 --> 00:52:13,980

have had that we've had that definitely

1196

00:52:18,230 --> 00:52:16,680

since the end of the second World War

1197

00:52:19,730 --> 00:52:18,240

and you could even make an argument that

1198

00:52:22,190 --> 00:52:19,740

it started earlier than that but what we

1199

00:52:24,109 --> 00:52:22,200

have is an Empire we have a national

1200

00:52:26,030 --> 00:52:24,119

security Empire

1201

00:52:27,530 --> 00:52:26,040

this is why they killed candidate my

1202

00:52:28,849 --> 00:52:27,540

friend

1203

00:52:29,930 --> 00:52:28,859

I mean you think about I don't want to

1204

00:52:31,309 --> 00:52:29,940

make this whole thing about Kennedy but

1205

00:52:33,410 --> 00:52:31,319

just stop and think

1206

00:52:35,750 --> 00:52:33,420

those guys not only killed the president

1207

00:52:37,250 --> 00:52:35,760

in basically what was a coup

1208

00:52:38,870 --> 00:52:37,260

but then they killed the guy that they

1209

00:52:40,490 --> 00:52:38,880

framed to kill him

1210

00:52:42,589 --> 00:52:40,500

and then they killed the guy who killed

1211

00:52:43,790 --> 00:52:42,599

the guy that they framed to kill him and

1212

00:52:45,049 --> 00:52:43,800

they killed the journalist who

1213

00:52:47,210 --> 00:52:45,059

interviewed the guy who killed the guy

1214

00:52:49,010 --> 00:52:47,220

who framed was framely kill like Dorothy

1215

00:52:51,230 --> 00:52:49,020

killed Allen they killed uh everyone

1216

00:52:53,390 --> 00:52:51,240

else involved with David Ferry and they

1217

00:52:54,950 --> 00:52:53,400

killed Mary pitchett Meyer who was one

1218

00:52:56,270 --> 00:52:54,960

of the lovers of John F Kennedy like

1219

00:52:57,829 --> 00:52:56,280

they killed

1220

00:53:03,470 --> 00:52:57,839

everyone

1221

00:53:06,109 --> 00:53:03,480

with it that's our government my friend

1222

00:53:08,270 --> 00:53:06,119

that is what we have and we do to this

1223

00:53:10,609 --> 00:53:08,280

day we don't talk about that we can't

1224

00:53:14,270 --> 00:53:10,619

have an honest conversation but this is

1225

00:53:16,370 --> 00:53:14,280

what we have it's a mafia State sorry to

1226
00:53:18,530 --> 00:53:16,380
sound so hyperbolic here but what else

1227
00:53:21,349 --> 00:53:18,540
can it be when you get away with a crime

1228
00:53:24,470 --> 00:53:21,359
like that against John F Kennedy and so

1229
00:53:27,410 --> 00:53:24,480
these are the people running our show

1230
00:53:28,910 --> 00:53:27,420
and all of the the executive legislative

1231
00:53:32,030 --> 00:53:28,920
judicial branch

1232
00:53:34,309 --> 00:53:32,040
yeah they're not totally dead okay maybe

1233
00:53:35,569 --> 00:53:34,319
I overstated it a little bit they still

1234
00:53:38,690 --> 00:53:35,579
can kind of function and do certain

1235
00:53:41,030 --> 00:53:38,700
things but fundamentally who's actually

1236
00:53:44,150 --> 00:53:41,040
running it we have an Empire to run here

1237
00:53:46,730 --> 00:53:44,160
they're running a global Empire where

1238
00:53:48,530 --> 00:53:46,740

we've got military bases 800 bases in

1239

00:53:50,510 --> 00:53:48,540

countries around the world

1240

00:53:53,030 --> 00:53:50,520

this is what it is this is not it's like

1241

00:53:55,010 --> 00:53:53,040

with Rome Rome started as a republic it

1242

00:53:56,990 --> 00:53:55,020

was very well designed their system for

1243

00:53:58,790 --> 00:53:57,000

Romans living in Rome then they get an

1244

00:54:01,250 --> 00:53:58,800

Empire and suddenly the Senate's like

1245

00:54:03,049 --> 00:54:01,260

how do we run this they can't

1246

00:54:05,329 --> 00:54:03,059

they're not equipped it's the same with

1247

00:54:08,809 --> 00:54:05,339

our system our system of government was

1248

00:54:11,329 --> 00:54:08,819

is not equipped to run a global Empire

1249

00:54:13,010 --> 00:54:11,339

which is now crumbling by the way

1250

00:54:15,470 --> 00:54:13,020

so so

1251

00:54:17,569 --> 00:54:15,480

this is not ours that the fifth grade

1252

00:54:18,890 --> 00:54:17,579

civics class lesson that we all get you

1253

00:54:21,290 --> 00:54:18,900

know we got the president we got the

1254

00:54:24,710 --> 00:54:21,300

executive the Judiciary

1255

00:54:26,750 --> 00:54:24,720

yeah that's that's fairy tale stuff

1256

00:54:28,970 --> 00:54:26,760

that's not our actual in fact one of the

1257

00:54:31,010 --> 00:54:28,980

problems we have in this world of ours

1258

00:54:34,010 --> 00:54:31,020

in our society is we don't really

1259

00:54:36,410 --> 00:54:34,020

understand what form of government we

1260

00:54:38,450 --> 00:54:36,420

have we don't really understand it what

1261

00:54:39,710 --> 00:54:38,460

the hell do we have who's running this

1262

00:54:41,870 --> 00:54:39,720

thing

1263

00:54:43,670 --> 00:54:41,880

so we don't have an honest conversation

1264

00:54:46,250 --> 00:54:43,680

about where the true Nexus of power

1265

00:54:47,569 --> 00:54:46,260

happened to be and so this is one reason

1266

00:54:49,010 --> 00:54:47,579

it's hard to figure out that UFO

1267

00:54:51,349 --> 00:54:49,020

cover-up by the way

1268

00:54:53,930 --> 00:54:51,359

where is the power is it within the

1269

00:54:56,390 --> 00:54:53,940

Office of the President well

1270

00:54:58,130 --> 00:54:56,400

no it isn't

1271

00:55:00,470 --> 00:54:58,140

you know we talked about the whole Davis

1272

00:55:03,710 --> 00:55:00,480

Wilson notes you know last couple of

1273

00:55:07,069 --> 00:55:03,720

years what does that prove it it shows

1274

00:55:08,450 --> 00:55:07,079

absolutely that formal the formal branch

1275

00:55:09,770 --> 00:55:08,460

of government in this case the

1276
00:55:11,569 --> 00:55:09,780
Department of Defense and The Joint

1277
00:55:13,430 --> 00:55:11,579
Chiefs of Staff

1278
00:55:17,329 --> 00:55:13,440
fundamentally

1279
00:55:18,829 --> 00:55:17,339
was locked out of the UAP reverse

1280
00:55:20,450 --> 00:55:18,839
engineering program that was dominated

1281
00:55:22,549 --> 00:55:20,460
by contractors

1282
00:55:24,170 --> 00:55:22,559
sure there was a couple of DOD guys who

1283
00:55:26,390 --> 00:55:24,180
were like Liaisons and officially

1284
00:55:29,089 --> 00:55:26,400
overseeing it but you really can see in

1285
00:55:30,410 --> 00:55:29,099
the notes themselves DOD almost had had

1286
00:55:31,849 --> 00:55:30,420
really nothing to do with this they were

1287
00:55:34,190 --> 00:55:31,859
just rubber stamping these operations

1288
00:55:36,530 --> 00:55:34,200

these are all private contractors who

1289

00:55:41,470 --> 00:55:36,540

ran it all and this is what that's our

1290

00:55:45,549 --> 00:55:41,480

system and and and that's what is uh

1291

00:55:49,790 --> 00:55:45,559

surprising so so much of uh Capitol Hill

1292

00:55:51,770 --> 00:55:49,800

that they did they don't know the facts

1293

00:55:53,809 --> 00:55:51,780

they don't understand they don't know

1294

00:55:56,510 --> 00:55:53,819

these things if you go back to the

1295

00:55:58,790 --> 00:55:56,520

Wilson Davis document one of the most

1296

00:56:01,690 --> 00:55:58,800

important points in that which now

1297

00:56:05,030 --> 00:56:01,700

Capitol Hill is finding out the hard way

1298

00:56:08,569 --> 00:56:05,040

is they told they told Thomas Wilson

1299

00:56:12,290 --> 00:56:08,579

they go dude do whatever the f you want

1300

00:56:15,950 --> 00:56:12,300

right that's right rap they were not

1301

00:56:18,589 --> 00:56:15,960

scared yeah yeah go go yell go cry go

1302

00:56:20,049 --> 00:56:18,599

back to Washington and talk to whoever

1303

00:56:23,510 --> 00:56:20,059

you want

1304

00:56:26,270 --> 00:56:23,520

bye right and that's exactly what's

1305

00:56:28,490 --> 00:56:26,280

going on and and and Capitol Hill is

1306

00:56:30,250 --> 00:56:28,500

finding out the hard way what we've got

1307

00:56:33,470 --> 00:56:30,260

flying saucers

1308

00:56:36,290 --> 00:56:33,480

what well hearings hearings would be a

1309

00:56:38,270 --> 00:56:36,300

fantastic thing I I would love to see

1310

00:56:41,270 --> 00:56:38,280

hearings and apparently it looks like

1311

00:56:44,450 --> 00:56:41,280

that may happen so if they're done well

1312

00:56:46,910 --> 00:56:44,460

there are hearings that can be done well

1313

00:56:48,530 --> 00:56:46,920

uh there's the famous 1975 Church

1314

00:56:50,690 --> 00:56:48,540

committee hearings on the intelligence

1315

00:56:52,849 --> 00:56:50,700

community and and uh

1316

00:56:54,650 --> 00:56:52,859

they didn't really do a whole lot but

1317

00:56:57,470 --> 00:56:54,660

but they were great in the sense that

1318

00:57:01,190 --> 00:56:57,480

they a lot of information came out and

1319

00:57:03,290 --> 00:57:01,200

if we have something where well for

1320

00:57:08,049 --> 00:57:03,300

everybody let's not get into a history

1321

00:57:12,890 --> 00:57:08,059

lesson but when it came to MK Ultra

1322

00:57:15,730 --> 00:57:12,900

and and the evidence of that and what

1323

00:57:20,470 --> 00:57:15,740

the church hearings brought forward

1324

00:57:23,450 --> 00:57:20,480

every IC agency in the country that was

1325

00:57:24,950 --> 00:57:23,460

started shredding documents yeah right

1326

00:57:27,950 --> 00:57:24,960

yeah that's right that's right that's

1327

00:57:30,770 --> 00:57:27,960

right that's right and and and some some

1328

00:57:33,470 --> 00:57:30,780

of those documents survived uh which

1329

00:57:36,829 --> 00:57:33,480

allowed those hearings uh to go forward

1330

00:57:39,849 --> 00:57:36,839

but the thought of MK Ultra

1331

00:57:43,609 --> 00:57:39,859

now our government would never do that

1332

00:57:46,990 --> 00:57:43,619

one of the craziest conspiracy ideas of

1333

00:57:50,690 --> 00:57:47,000

all time was true

1334

00:57:53,630 --> 00:57:50,700

that's what the church hearings did and

1335

00:57:56,089 --> 00:57:53,640

could it could it could we revisit this

1336

00:57:58,430 --> 00:57:56,099

I I think it's possible

1337

00:58:01,130 --> 00:57:58,440

um how motivated are people like Rubio

1338

00:58:02,930 --> 00:58:01,140

or gillibrand in in really pursuing this

1339

00:58:05,809 --> 00:58:02,940

matter I mean I don't really know

1340

00:58:06,890 --> 00:58:05,819

they've for politicians they talk a bit

1341

00:58:10,130 --> 00:58:06,900

of a game

1342

00:58:12,290 --> 00:58:10,140

they do do they mean it will they really

1343

00:58:13,250 --> 00:58:12,300

go forward with this and I would like to

1344

00:58:15,410 --> 00:58:13,260

see

1345

00:58:17,630 --> 00:58:15,420

or burchett you know some of these

1346

00:58:20,030 --> 00:58:17,640

people who are really into this subject

1347

00:58:21,770 --> 00:58:20,040

or seem to be into the subject so it

1348

00:58:23,270 --> 00:58:21,780

would be um it'll be an interesting

1349

00:58:25,910 --> 00:58:23,280

thing and I don't know how to predict

1350

00:58:27,530 --> 00:58:25,920

any of this uh you know I look at the

1351
00:58:29,990 --> 00:58:27,540
past I'm not I don't know how good I am

1352
00:58:32,690 --> 00:58:30,000
at predicting the future certainly not

1353
00:58:35,030 --> 00:58:32,700
political outcomes like this this is

1354
00:58:37,370 --> 00:58:35,040
we're just going to have to watch it

1355
00:58:39,170 --> 00:58:37,380
happen I suppose but I do think there's

1356
00:58:41,150 --> 00:58:39,180
a lot of interesting potential here and

1357
00:58:42,349 --> 00:58:41,160
if there are genuine hearings that are

1358
00:58:44,089 --> 00:58:42,359
held

1359
00:58:47,390 --> 00:58:44,099
well this is not something that we have

1360
00:58:48,950 --> 00:58:47,400
had in more than 50 years in this

1361
00:58:50,690 --> 00:58:48,960
country and

1362
00:58:52,730 --> 00:58:50,700
and as you were saying earlier I totally

1363
00:58:55,250 --> 00:58:52,740

agree with you like that the subject

1364

00:58:58,490 --> 00:58:55,260

matter has gone way far beyond where it

1365

00:59:00,789 --> 00:58:58,500

was in 1968 when this was done last

1366

00:59:04,490 --> 00:59:00,799

and and and when you're talking about

1367

00:59:06,770 --> 00:59:04,500

retrieval of Technology

1368

00:59:10,069 --> 00:59:06,780

say nothing of bodies

1369

00:59:11,450 --> 00:59:10,079

well it's impossible to avoid the notion

1370

00:59:15,650 --> 00:59:11,460

of cover-up then what they're going to

1371

00:59:17,690 --> 00:59:15,660

have to do is go into PR mode and cya

1372

00:59:19,490 --> 00:59:17,700

mode and they'll just have to come up

1373

00:59:21,289 --> 00:59:19,500

with the best explanations that they can

1374

00:59:23,150 --> 00:59:21,299

for lying to the public which of course

1375

00:59:24,049 --> 00:59:23,160

they're going to do they'll say you know

1376

00:59:25,609 --> 00:59:24,059

well it was a matter of National

1377

00:59:26,930 --> 00:59:25,619

Security this is a really dangerous

1378

00:59:27,890 --> 00:59:26,940

thing

1379

00:59:29,690 --> 00:59:27,900

um

1380

00:59:31,130 --> 00:59:29,700

and and you know the the questions are

1381

00:59:33,950 --> 00:59:31,140

just going to begin

1382

00:59:35,870 --> 00:59:33,960

we we think it's complicated now you

1383

00:59:37,670 --> 00:59:35,880

know all of us you know I've been I've

1384

00:59:40,910 --> 00:59:37,680

been studying UFOs for almost 30 years

1385

00:59:44,390 --> 00:59:40,920

now and it's been it's complicated it

1386

00:59:47,089 --> 00:59:44,400

will go 10 times more complicated if

1387

00:59:48,589 --> 00:59:47,099

there is even the slightest admission of

1388

00:59:49,849 --> 00:59:48,599

the reality of this because then we're

1389

00:59:50,990 --> 00:59:49,859

going to start we're getting into the

1390

00:59:52,549 --> 00:59:51,000

real

1391

00:59:55,849 --> 00:59:52,559

issue where the rubber meets the road

1392

00:59:58,250 --> 00:59:55,859

which is who are these beings

1393

00:59:59,930 --> 00:59:58,260

how long have they been here what are

1394

01:00:01,270 --> 00:59:59,940

they doing has the United States

1395

01:00:04,010 --> 01:00:01,280

government or any other government

1396

01:00:05,990 --> 01:00:04,020

collaborated with them in any way

1397

01:00:09,049 --> 01:00:06,000

such such statements in the past were

1398

01:00:11,569 --> 01:00:09,059

seen as outrageous well suddenly not so

1399

01:00:15,289 --> 01:00:11,579

outrageous now if we discover that we've

1400

01:00:18,230 --> 01:00:15,299

got one or a dozen or 15 of their craft

1401

01:00:20,750 --> 01:00:18,240

it's not that outrageous the story of uh

1402

01:00:23,030 --> 01:00:20,760

you know Bill you house like Bill you

1403

01:00:26,870 --> 01:00:23,040

house who talked about you know j-rod

1404

01:00:29,390 --> 01:00:26,880

and and and creating uh you know testing

1405

01:00:33,230 --> 01:00:29,400

Flying Saucer craft back in the 60s and

1406

01:00:39,490 --> 01:00:33,240

70s is that so outrageous now strawberry

1407

01:00:46,609 --> 01:00:43,069

you brought up a point I've got a break

1408

01:00:47,990 --> 01:00:46,619

for a commercial but um uh before we get

1409

01:00:49,370 --> 01:00:48,000

there and then when we come back we'll

1410

01:00:50,690 --> 01:00:49,380

talk about Stephen Greer and some other

1411

01:00:53,809 --> 01:00:50,700

stuff sure

1412

01:00:57,589 --> 01:00:53,819

um is is you mentioned and I agree with

1413

01:01:00,170 --> 01:00:57,599

you that so many out there

1414

01:01:01,490 --> 01:01:00,180

um the only thing that is good enough no

1415

01:01:04,130 --> 01:01:01,500

matter what

1416

01:01:06,410 --> 01:01:04,140

is the the president doing the live

1417

01:01:08,690 --> 01:01:06,420

thing from the Oval Office right I

1418

01:01:12,130 --> 01:01:08,700

suspect so uh

1419

01:01:14,450 --> 01:01:12,140

if if that doesn't happen

1420

01:01:18,289 --> 01:01:14,460

what about

1421

01:01:20,329 --> 01:01:18,299

um uh uh uh members of Congress or or

1422

01:01:22,329 --> 01:01:20,339

the Senate

1423

01:01:27,349 --> 01:01:22,339

um getting

1424

01:01:30,770 --> 01:01:27,359

access and and and going in and seeing

1425

01:01:34,430 --> 01:01:30,780

these craft for themselves and seeing

1426

01:01:36,829 --> 01:01:34,440

the the alien bodies for themselves and

1427

01:01:40,730 --> 01:01:36,839

then coming back and saying okay all

1428

01:01:43,210 --> 01:01:40,740

right yeah we've seen The Craft

1429

01:01:46,069 --> 01:01:43,220

um is that is that good enough is it

1430

01:01:47,089 --> 01:01:46,079

well I guess it could be if if that's

1431

01:01:49,390 --> 01:01:47,099

actually

1432

01:01:52,370 --> 01:01:49,400

if they are allowed to make a statement

1433

01:01:54,170 --> 01:01:52,380

in advance of the president

1434

01:01:56,329 --> 01:01:54,180

they're kind of jumping over some lines

1435

01:02:01,789 --> 01:01:56,339

here in terms of protocol it seems to me

1436

01:02:04,250 --> 01:02:01,799

right uh but if if that is the case uh

1437

01:02:05,809 --> 01:02:04,260

I I don't know I don't know what the uh

1438

01:02:07,670 --> 01:02:05,819

the protocols would be on that but I

1439

01:02:11,750 --> 01:02:07,680

know and do you invite the press in

1440

01:02:17,270 --> 01:02:11,760

right all right Anderson Cooper come on

1441

01:02:19,849 --> 01:02:17,280

in and uh you can do uh CNN live from in

1442

01:02:21,289 --> 01:02:19,859

front of uh the sport model you know

1443

01:02:22,730 --> 01:02:21,299

that would really suck honestly I know

1444

01:02:23,990 --> 01:02:22,740

you got to go to commercial so when you

1445

01:02:25,069 --> 01:02:24,000

come back maybe I'll tell you why I

1446

01:02:26,990 --> 01:02:25,079

think it would suck if that were to

1447

01:02:28,430 --> 01:02:27,000

happen let's take a break our guest

1448

01:02:31,130 --> 01:02:28,440

tonight Richard Dolan we're talking

1449

01:02:33,549 --> 01:02:31,140

about one of the craziest weeks I never

1450

01:02:37,549 --> 01:02:33,559

I didn't I didn't think you know Richard

1451
01:02:39,710 --> 01:02:37,559
December 2017 kind of hard to top and

1452
01:02:43,910 --> 01:02:39,720
then you and I got together in Los

1453
01:02:46,609 --> 01:02:43,920
Angeles the day of the UAP task force

1454
01:02:50,030 --> 01:02:46,619
report being released that's right and

1455
01:02:54,950 --> 01:02:50,040
and we were filming a movie

1456
01:02:57,950 --> 01:02:54,960
um in Los Angeles while that broke so uh

1457
01:03:00,049 --> 01:02:57,960
you had said earlier at contact in the

1458
01:03:02,690 --> 01:03:00,059
desert that you and you know and and

1459
01:03:04,609 --> 01:03:02,700
everybody got to see sit down and talk

1460
01:03:07,670 --> 01:03:04,619
through this well we did the same thing

1461
01:03:12,170 --> 01:03:07,680
it was you uh Willie strieber Linda

1462
01:03:14,210 --> 01:03:12,180
Moulton Howe uh William Henry myself

1463
01:03:16,970 --> 01:03:14,220

um am I leaving somebody off of the list

1464

01:03:18,710 --> 01:03:16,980

of the of the public speakers I think

1465

01:03:21,289 --> 01:03:18,720

you got them all and they were we had

1466

01:03:23,450 --> 01:03:21,299

some very very cool production people

1467

01:03:26,450 --> 01:03:23,460

who were there as well but we were able

1468

01:03:28,430 --> 01:03:26,460

to sit and talk through this and you

1469

01:03:31,670 --> 01:03:28,440

know what a what a what a moment that

1470

01:03:33,589 --> 01:03:31,680

was and I feel like we're going through

1471

01:03:35,589 --> 01:03:33,599

another one of those moments uh it's

1472

01:03:39,289 --> 01:03:35,599

been it's been a crazy week

1473

01:03:41,089 --> 01:03:39,299

yeah let's say exactly let's take a

1474

01:03:43,970 --> 01:03:41,099

break our guest tonight Richard Dolan I

1475

01:03:48,170 --> 01:03:45,890

this is Jimmy Church of Fade to Black

1476

01:03:50,390 --> 01:03:48,180

please visit all of our sponsors we're

1477

01:03:52,130 --> 01:03:50,400

taking a quick break here all of the

1478

01:03:54,370 --> 01:03:52,140

links are below

1479

01:03:58,849 --> 01:03:54,380

and we'll be right back

1480

01:04:01,370 --> 01:03:58,859

join us November 10th 11th and 12th 2023

1481

01:04:04,010 --> 01:04:01,380

as disclosure Fest foundation and Fade

1482

01:04:06,470 --> 01:04:04,020

to Black radio presents Stairway To the

1483

01:04:08,930 --> 01:04:06,480

Stars a human Origins Science and

1484

01:04:12,049 --> 01:04:08,940

Technology Expo live at the Luxor Hotel

1485

01:04:14,329 --> 01:04:12,059

and Casino and the Las Vegas Strip with

1486

01:04:16,309 --> 01:04:14,339

live talks and lectures and workshops by

1487

01:04:18,410 --> 01:04:16,319

World Acclaim researchers and authors

1488

01:04:20,990 --> 01:04:18,420

this is Jimmy Church by the way and I'll

1489

01:04:23,270 --> 01:04:21,000

be your host all weekend long featuring

1490

01:04:25,430 --> 01:04:23,280

topics like human Origins ancient

1491

01:04:28,309 --> 01:04:25,440

Technologies indigenous teachings

1492

01:04:30,710 --> 01:04:28,319

workshops a mass meditation yoga and

1493

01:04:33,470 --> 01:04:30,720

sound healing music and so much more

1494

01:04:36,289 --> 01:04:33,480

don't miss our intimate sky watch and

1495

01:04:39,170 --> 01:04:36,299

meteor shower over the infamous Area 51

1496

01:04:40,910 --> 01:04:39,180

airspace in Rachel Nevada with a special

1497

01:04:43,190 --> 01:04:40,920

surprise celebrity host guiding us

1498

01:04:47,089 --> 01:04:43,200

through the night also introducing our

1499

01:04:49,309 --> 01:04:47,099

disclosure Fest VR Starship area with

1500

01:04:52,069 --> 01:04:49,319

dozens of rides you've gotta check it

1501

01:04:53,569 --> 01:04:52,079

out this event will sell out for more

1502

01:04:55,910 --> 01:04:53,579

information and tickets Please visit

1503

01:05:01,069 --> 01:04:55,920

disclosure fest.org

1504

01:05:03,950 --> 01:05:01,079

the secret is out life waves x39 is the

1505

01:05:05,990 --> 01:05:03,960

reason why I have got my vision back

1506

01:05:09,430 --> 01:05:06,000

this is Jimmy Church of Fade to Black

1507

01:05:12,069 --> 01:05:09,440

and you need to go straight to Healing

1508

01:05:16,370 --> 01:05:12,079

worksnow.com that's

1509

01:05:19,130 --> 01:05:16,380

healingworksnow.com works with an X all

1510

01:05:22,970 --> 01:05:19,140

of the information that you need is on

1511

01:05:26,210 --> 01:05:22,980

that portal find out why I look great I

1512

01:05:30,109 --> 01:05:26,220

feel great I'm thinking clearly I sleep

1513

01:05:33,170 --> 01:05:30,119

I dream life is good all of it you've

1514

01:05:35,390 --> 01:05:33,180

got to check out lifewaves x39 and all

1515

01:05:37,809 --> 01:05:35,400

of their other products it's all simple

1516

01:05:40,390 --> 01:05:37,819

to do go to

1517

01:05:44,809 --> 01:05:40,400

healingworksnow.com that's

1518

01:05:47,390 --> 01:05:44,819

healingworksnow.com works with an X

1519

01:05:49,730 --> 01:05:47,400

hey everybody it's Billy Carson also

1520

01:05:51,170 --> 01:05:49,740

known as Forbidden Knowledge I want to

1521

01:05:54,109 --> 01:05:51,180

talk to you about a very special event

1522

01:05:56,569 --> 01:05:54,119

coming up July 30th 2023 before

1523

01:05:57,829 --> 01:05:56,579

forbidden conscious Awards we're going

1524

01:05:59,329 --> 01:05:57,839

to honor people who have been

1525

01:06:01,670 --> 01:05:59,339

contributing to the conscious Community

1526

01:06:03,289 --> 01:06:01,680

for decades people that you know and

1527

01:06:05,210 --> 01:06:03,299

love that have helped you get to higher

1528

01:06:06,710 --> 01:06:05,220

levels of thought and Consciousness and

1529

01:06:08,750 --> 01:06:06,720

awareness it's going to be alive

1530

01:06:10,309 --> 01:06:08,760

in-person event but seats are going to

1531

01:06:11,990 --> 01:06:10,319

sell out very fast you want to make sure

1532

01:06:14,089 --> 01:06:12,000

you're there in person and guess what

1533

01:06:16,010 --> 01:06:14,099

you can help vote for the winners voting

1534

01:06:17,930 --> 01:06:16,020

is available on forbiddenknowledge.com

1535

01:06:20,569 --> 01:06:17,940

and the categories are going to be

1536

01:06:23,089 --> 01:06:20,579

social media influencer podcast slash

1537

01:06:25,130 --> 01:06:23,099

radio host TV host actor director

1538

01:06:26,930 --> 01:06:25,140

producer entrepreneurs health and

1539

01:06:29,329 --> 01:06:26,940

wellness philanthropists authors field

1540

01:06:31,130 --> 01:06:29,339

researchers archaeologists space anomaly

1541

01:06:33,950 --> 01:06:31,140

hunters and of course a Lifetime

1542

01:06:35,870 --> 01:06:33,960

Achievement Award I'll be your key note

1543

01:06:37,849 --> 01:06:35,880

speaker that night at The Forbidden

1544

01:06:40,190 --> 01:06:37,859

conscious Awards we have celebrity

1545

01:06:41,750 --> 01:06:40,200

guests performing we'll have a halftime

1546

01:06:43,430 --> 01:06:41,760

show where we're actually going to

1547

01:06:45,950 --> 01:06:43,440

perform music for you and don't forget

1548

01:06:47,930 --> 01:06:45,960

about the pre-event mixer where if you

1549

01:06:49,910 --> 01:06:47,940

buy a box seat we'll be in the VIP

1550

01:06:52,549 --> 01:06:49,920

section and you also have private access

1551

01:06:55,789 --> 01:06:52,559

to a VIP mixer with celebrity guests

1552

01:06:57,529 --> 01:06:55,799

shake hands break bread Network and then

1553

01:06:59,390 --> 01:06:57,539

walk the red carpet with us and take

1554

01:07:00,589 --> 01:06:59,400

amazing photos it's going to be a night

1555

01:07:02,809 --> 01:07:00,599

to remember you don't want to forget

1556

01:07:04,430 --> 01:07:02,819

this make sure you hurry up and get your

1557

01:07:06,890 --> 01:07:04,440

tickets because you're selling out very

1558

01:07:12,349 --> 01:07:06,900

fast I want to see you there forbidden

1559

01:07:18,589 --> 01:07:15,770

River Moon coffee makers of the Fade to

1560

01:07:20,410 --> 01:07:18,599

Black blend truly the best coffee on

1561

01:07:22,670 --> 01:07:20,420

planet Earth just visit

1562

01:07:24,529 --> 01:07:22,680

rivermoonwellness.com or their Amazon

1563

01:07:25,970 --> 01:07:24,539

store it's all simple to do you can

1564

01:07:28,010 --> 01:07:25,980

check out the Fade to Black blend the

1565

01:07:30,710 --> 01:07:28,020

game changer Blend or any of their black

1566

01:07:34,430 --> 01:07:30,720

moon wellness products it's the only

1567

01:07:39,890 --> 01:07:34,440

coffee I drink it is the best and it's

1568

01:07:43,730 --> 01:07:42,410

all right Welcome Back Fade to Black I'm

1569

01:07:48,410 --> 01:07:43,740

Yours chimney church tonight Richard

1570

01:07:50,690 --> 01:07:48,420

Dolan is with us an exciting week uh not

1571

01:07:52,609 --> 01:07:50,700

only uh for the UFO Community but for

1572

01:07:55,789 --> 01:07:52,619

the world we have a whistleblower his

1573

01:08:00,109 --> 01:07:55,799

name's David Crush uh who came forward

1574

01:08:02,329 --> 01:08:00,119

and the News broke last Monday

1575

01:08:04,730 --> 01:08:02,339

um and the developments throughout the

1576

01:08:07,910 --> 01:08:04,740

week with uh Leslie Kane and Ralph

1577

01:08:11,210 --> 01:08:07,920

blumenthal's article on the debrief

1578

01:08:14,750 --> 01:08:11,220

um and the other media Outlets some have

1579

01:08:17,269 --> 01:08:14,760

been slow to respond uh I think it's

1580

01:08:20,510 --> 01:08:17,279

starting to get traction but also what

1581

01:08:24,189 --> 01:08:20,520

is going on in Washington D.C and then

1582

01:08:28,070 --> 01:08:24,199

we had of course Las Vegas

1583

01:08:30,470 --> 01:08:28,080

and I I called Richard uh I said hey

1584

01:08:33,590 --> 01:08:30,480

Richard hey man have you have you seen

1585

01:08:35,689 --> 01:08:33,600

this video in Las Vegas anyway

1586

01:08:38,809 --> 01:08:35,699

um before the so we had that and then

1587

01:08:40,550 --> 01:08:38,819

today Steven Greer had his live uh press

1588

01:08:43,729 --> 01:08:40,560

conference event at the national Press

1589

01:08:46,729 --> 01:08:43,739

Club in Washington DC before the break

1590

01:08:52,729 --> 01:08:46,739

Richard I asked should

1591

01:08:56,150 --> 01:08:52,739

should CNN or or fox or ABC you know do

1592

01:08:58,910 --> 01:08:56,160

a live event you know oh here we are

1593

01:09:00,709 --> 01:08:58,920

well I mean

1594

01:09:02,450 --> 01:09:00,719

it would be kind of it was like the

1595

01:09:04,610 --> 01:09:02,460

dream that we all had for years and

1596

01:09:06,829 --> 01:09:04,620

years and decades and decades

1597

01:09:09,410 --> 01:09:06,839

but now that we have like a Soviet level

1598

01:09:11,030 --> 01:09:09,420

system of media it just really takes the

1599

01:09:11,809 --> 01:09:11,040

wind out of the cell like it just is a

1600

01:09:13,550 --> 01:09:11,819

horrible

1601
01:09:15,530 --> 01:09:13,560
like you would have liked to have had

1602
01:09:18,709 --> 01:09:15,540
this when we actually had a functioning

1603
01:09:20,030 --> 01:09:18,719
genuinely free media that's not just a

1604
01:09:22,370 --> 01:09:20,040
mouthpiece of the establishment

1605
01:09:25,130 --> 01:09:22,380
essentially the way Pravda was for the

1606
01:09:27,169 --> 01:09:25,140
Soviet state you know for decades in the

1607
01:09:29,689 --> 01:09:27,179
old days which is really what we have so

1608
01:09:32,990 --> 01:09:29,699
that's why it would

1609
01:09:35,269 --> 01:09:33,000
suck in that sense but uh this is what

1610
01:09:36,709 --> 01:09:35,279
we have this is our awful awful terrible

1611
01:09:39,650 --> 01:09:36,719
media system

1612
01:09:41,329 --> 01:09:39,660
and you know the the problem with it is

1613
01:09:43,550 --> 01:09:41,339

simply that these

1614

01:09:45,530 --> 01:09:43,560

people I just have to say are incapable

1615

01:09:48,410 --> 01:09:45,540

of telling the truth on almost anything

1616

01:09:49,189 --> 01:09:48,420

I don't think it's in their DNA so I

1617

01:09:49,729 --> 01:09:49,199

don't

1618

01:09:51,829 --> 01:09:49,739

um

1619

01:09:53,209 --> 01:09:51,839

I think that if there's a disclosure

1620

01:09:55,970 --> 01:09:53,219

coming out there it's just going to be

1621

01:09:59,689 --> 01:09:55,980

filled with spin spin and more spin okay

1622

01:10:02,270 --> 01:09:59,699

so then what is the safe road here is it

1623

01:10:06,410 --> 01:10:02,280

like running man right are we gonna are

1624

01:10:08,330 --> 01:10:06,420

we gonna have TMZ right broadcast I hear

1625

01:10:10,370 --> 01:10:08,340

you I hear you I mean I don't know maybe

1626
01:10:13,850 --> 01:10:10,380
there's not a good solution here I guess

1627
01:10:17,330 --> 01:10:13,860
the best solution would be

1628
01:10:18,890 --> 01:10:17,340
if the major media Outlets all were to

1629
01:10:22,189 --> 01:10:18,900
try to cover this

1630
01:10:24,649 --> 01:10:22,199
and genuinely we're trying to compete

1631
01:10:28,189 --> 01:10:24,659
to get to the truth and and we're

1632
01:10:29,930 --> 01:10:28,199
pressured From Below by the second tier

1633
01:10:31,910 --> 01:10:29,940
media and the people

1634
01:10:34,970 --> 01:10:31,920
and if some kind of Zoom magical

1635
01:10:37,250 --> 01:10:34,980
combination that this could cause our

1636
01:10:38,390 --> 01:10:37,260
media to ask some hard questions not

1637
01:10:40,130 --> 01:10:38,400
only about the nature of

1638
01:10:42,110 --> 01:10:40,140

extraterrestrials

1639

01:10:44,570 --> 01:10:42,120

and the whole presence of them here but

1640

01:10:46,850 --> 01:10:44,580

their own culpability

1641

01:10:47,630 --> 01:10:46,860

in this cover-up because this is the

1642

01:10:50,149 --> 01:10:47,640

thing

1643

01:10:52,370 --> 01:10:50,159

one of the reasons we've had you know 80

1644

01:10:54,229 --> 01:10:52,380

years of deception and lies on this is

1645

01:10:56,090 --> 01:10:54,239

because the American and Global

1646

01:10:58,729 --> 01:10:56,100

western-dominated and Global media

1647

01:11:01,189 --> 01:10:58,739

establishments have been complicit in

1648

01:11:02,630 --> 01:11:01,199

this we know this hell they go to the

1649

01:11:04,910 --> 01:11:02,640

Bilderberg meetings every year I mean

1650

01:11:07,310 --> 01:11:04,920

this is they're part of it

1651
01:11:09,530 --> 01:11:07,320
and so how

1652
01:11:13,130 --> 01:11:09,540
how do we expect

1653
01:11:14,570 --> 01:11:13,140
any level of good faith in actual

1654
01:11:16,430 --> 01:11:14,580
genuine reporting when they haven't

1655
01:11:19,430 --> 01:11:16,440
given this to us in

1656
01:11:20,570 --> 01:11:19,440
a whole lifetime on UFOs and and

1657
01:11:22,430 --> 01:11:20,580
everything else

1658
01:11:25,430 --> 01:11:22,440
so that's the problem I mean there's

1659
01:11:27,649 --> 01:11:25,440
there's no good solution out of it uh

1660
01:11:29,870 --> 01:11:27,659
you know again I'm referring back to our

1661
01:11:32,750 --> 01:11:29,880
our book after disclosure that I

1662
01:11:35,270 --> 01:11:32,760
co-authored and

1663
01:11:36,830 --> 01:11:35,280

the situation was bad in 2010 I mean

1664

01:11:38,510 --> 01:11:36,840

it's much worse now but it was bad then

1665

01:11:40,850 --> 01:11:38,520

and

1666

01:11:43,610 --> 01:11:40,860

I admit a little bit of the book had

1667

01:11:47,270 --> 01:11:43,620

some hope in it and the Hope was that

1668

01:11:50,390 --> 01:11:47,280

the shock of something so big as a

1669

01:11:53,030 --> 01:11:50,400

genuine UFO disclosure a revelation that

1670

01:11:56,390 --> 01:11:53,040

this is real aliens are here we've got

1671

01:11:58,130 --> 01:11:56,400

their stuff that that would cause a kind

1672

01:12:00,350 --> 01:11:58,140

of cultural and social and even

1673

01:12:02,330 --> 01:12:00,360

political revolution of sorts not

1674

01:12:05,630 --> 01:12:02,340

necessarily a violent revolution but

1675

01:12:08,209 --> 01:12:05,640

some something in which we confront the

1676

01:12:11,149 --> 01:12:08,219

lies that we have told ourselves as a

1677

01:12:13,729 --> 01:12:11,159

society for so long that's not an easy

1678

01:12:16,010 --> 01:12:13,739

thing to do it's very difficult for

1679

01:12:19,130 --> 01:12:16,020

anyone I don't care who you are to have

1680

01:12:21,050 --> 01:12:19,140

to confront a lifetime of fables and

1681

01:12:23,270 --> 01:12:21,060

fictions that you've been living that's

1682

01:12:26,570 --> 01:12:23,280

not easy it's not easy to confront that

1683

01:12:29,330 --> 01:12:26,580

and that's what this reality is

1684

01:12:32,630 --> 01:12:29,340

demanding of us it is demanding that we

1685

01:12:35,870 --> 01:12:32,640

confront the lies that we've either told

1686

01:12:38,630 --> 01:12:35,880

or just accepted

1687

01:12:45,290 --> 01:12:38,640

and in either case it's just not easy to

1688

01:12:48,530 --> 01:12:45,300

do do we do we lack of that uh that

1689

01:12:52,450 --> 01:12:48,540

talking head that we you that there was

1690

01:12:56,330 --> 01:12:52,460

trust in right where

1691

01:12:58,729 --> 01:12:56,340

we had we do yeah we do yeah we don't we

1692

01:13:02,450 --> 01:12:58,739

don't have that good night and good luck

1693

01:13:06,350 --> 01:13:02,460

you know you know we we don't have we we

1694

01:13:09,050 --> 01:13:06,360

lack that today is there any is there

1695

01:13:11,270 --> 01:13:09,060

any trust in the media anymore and as a

1696

01:13:14,330 --> 01:13:11,280

matter of fact uh Richard I want to get

1697

01:13:16,189 --> 01:13:14,340

to uh Stephen Greer's uh uh conference

1698

01:13:21,229 --> 01:13:16,199

today but yeah

1699

01:13:24,890 --> 01:13:21,239

um the uh the news

1700

01:13:26,990 --> 01:13:24,900

has gone from presenting news

1701

01:13:29,870 --> 01:13:27,000

to opinions

1702

01:13:31,490 --> 01:13:29,880

right and that's that's a very strange

1703

01:13:33,649 --> 01:13:31,500

term the whole business model is

1704

01:13:35,510 --> 01:13:33,659

different you look at the New York Times

1705

01:13:38,390 --> 01:13:35,520

And how it's just degraded over the

1706

01:13:40,130 --> 01:13:38,400

years I mean it's a a pal imitation of

1707

01:13:41,930 --> 01:13:40,140

what it once was and the reason is that

1708

01:13:44,390 --> 01:13:41,940

the New York Times has realized

1709

01:13:46,250 --> 01:13:44,400

in this age of digital media they have

1710

01:13:48,410 --> 01:13:46,260

to appeal to their base Market which is

1711

01:13:50,510 --> 01:13:48,420

their they said political spectrum they

1712

01:13:52,370 --> 01:13:50,520

have to appeal to a political Spectrum

1713

01:13:53,930 --> 01:13:52,380

in the old days it was well we're going

1714

01:13:54,709 --> 01:13:53,940

to try to appeal to a broad base of

1715

01:13:57,169 --> 01:13:54,719

people

1716

01:13:59,209 --> 01:13:57,179

that's what many of them did that's not

1717

01:14:01,250 --> 01:13:59,219

what they do any longer so

1718

01:14:03,169 --> 01:14:01,260

it does

1719

01:14:06,649 --> 01:14:03,179

the

1720

01:14:09,350 --> 01:14:06,659

what and we all realize you know if we

1721

01:14:11,090 --> 01:14:09,360

graduated from high school or we

1722

01:14:13,010 --> 01:14:11,100

realized that

1723

01:14:14,570 --> 01:14:13,020

every there's spin everywhere like

1724

01:14:16,490 --> 01:14:14,580

there's no such thing as total

1725

01:14:18,890 --> 01:14:16,500

objectivity it's it's a it's an illusion

1726

01:14:21,950 --> 01:14:18,900

but that doesn't mean one can't strive

1727

01:14:24,290 --> 01:14:21,960

for some level of objectivity you

1728

01:14:27,410 --> 01:14:24,300

doesn't mean you can't strive to try to

1729

01:14:28,310 --> 01:14:27,420

see more than one point of view of a of

1730

01:14:30,189 --> 01:14:28,320

a problem

1731

01:14:32,630 --> 01:14:30,199

like that's a good thing you want to see

1732

01:14:34,850 --> 01:14:32,640

multiple angles of it and and you have a

1733

01:14:37,010 --> 01:14:34,860

better chance of understanding it and we

1734

01:14:42,470 --> 01:14:37,020

don't do that we do not do that so is

1735

01:14:46,189 --> 01:14:42,480

that why is that why it took the debrief

1736

01:14:50,110 --> 01:14:46,199

you know to release this story you know

1737

01:14:53,390 --> 01:14:50,120

that like Tucker Carlson said

1738

01:14:55,070 --> 01:14:53,400

this is this is the biggest news in the

1739

01:14:58,850 --> 01:14:55,080

history of mankind

1740

01:15:01,310 --> 01:14:58,860

you know where is the responsible media

1741

01:15:03,590 --> 01:15:01,320

right now we're utterly corrupt and

1742

01:15:06,890 --> 01:15:03,600

captured that's where it is right and

1743

01:15:09,709 --> 01:15:06,900

and and and and Tim McMillan and and

1744

01:15:13,370 --> 01:15:09,719

Micah Hanks and everybody of it and uh

1745

01:15:15,050 --> 01:15:13,380

over at the the debrief uh of course

1746

01:15:18,610 --> 01:15:15,060

they understood the importance of the

1747

01:15:22,669 --> 01:15:18,620

story but they don't have to go through

1748

01:15:26,050 --> 01:15:22,679

uh the the journalistic processes I say

1749

01:15:29,030 --> 01:15:26,060

journalistic uh in in air quotes

1750

01:15:32,450 --> 01:15:29,040

at the New York Times or fox or whoever

1751

01:15:35,770 --> 01:15:32,460

uh Los Angeles Times uh would have to go

1752

01:15:38,630 --> 01:15:35,780

through that bureaucracy and and

1753

01:15:41,510 --> 01:15:38,640

journalism and Reporting by committee

1754

01:15:44,390 --> 01:15:41,520

right because that's what you have to go

1755

01:15:47,770 --> 01:15:44,400

through these days and it takes

1756

01:15:51,290 --> 01:15:47,780

something like the debrief a streamlined

1757

01:15:54,830 --> 01:15:51,300

not worried about if let's just let's

1758

01:15:57,950 --> 01:15:54,840

report and and present this story no

1759

01:16:00,290 --> 01:15:57,960

matter version of the old muckrakers of

1760

01:16:03,410 --> 01:16:00,300

over a century ago you know

1761

01:16:05,750 --> 01:16:03,420

in the early 20th century there were

1762

01:16:07,669 --> 01:16:05,760

newspapers in the United States that

1763

01:16:09,410 --> 01:16:07,679

they were called muckrakers they're

1764

01:16:11,209 --> 01:16:09,420

raking up the muck you know getting into

1765

01:16:15,050 --> 01:16:11,219

the dirt looking into all the things

1766

01:16:16,669 --> 01:16:15,060

that the established uh Publications you

1767

01:16:18,590 --> 01:16:16,679

know were that was beneath the

1768

01:16:21,770 --> 01:16:18,600

established publication so it was left

1769

01:16:24,470 --> 01:16:21,780

to smaller much more gritty and

1770

01:16:26,750 --> 01:16:24,480

aggressive newspapers back in those days

1771

01:16:28,910 --> 01:16:26,760

to look into some of these things and I

1772

01:16:30,229 --> 01:16:28,920

think the debrief I think they've earned

1773

01:16:31,970 --> 01:16:30,239

the right to be called that and that

1774

01:16:34,010 --> 01:16:31,980

that's a good thing good thing would be

1775

01:16:36,470 --> 01:16:34,020

called a modern muckraker they're small

1776

01:16:38,630 --> 01:16:36,480

they're Scrappy uh they've been I've

1777

01:16:39,649 --> 01:16:38,640

seen them already being insulted by uh

1778

01:16:41,990 --> 01:16:39,659

some of the people who are trying to

1779

01:16:43,850 --> 01:16:42,000

debunk this whole story

1780

01:16:45,110 --> 01:16:43,860

um as low level whatever this but

1781

01:16:46,610 --> 01:16:45,120

they're not at all they're they're good

1782

01:16:50,149 --> 01:16:46,620

they did

1783

01:16:52,270 --> 01:16:50,159

Leslie and Ralph publish their article

1784

01:16:55,250 --> 01:16:52,280

he

1785

01:16:58,970 --> 01:16:55,260

this is a good sign yeah yeah yeah

1786

01:17:01,610 --> 01:16:58,980

absolutely and and then okay so as if

1787

01:17:06,229 --> 01:17:01,620

that wasn't uh enough I'm talking about

1788

01:17:10,370 --> 01:17:06,239

David crush and and and uh Washington DC

1789

01:17:13,570 --> 01:17:10,380

and and their play in all of this that's

1790

01:17:16,610 --> 01:17:13,580

what has been elevated and Stephen Greer

1791

01:17:19,610 --> 01:17:16,620

uh did his presentation today at the

1792

01:17:24,290 --> 01:17:19,620

national Press Club it was uh I think it

1793

01:17:27,110 --> 01:17:24,300

was three hours four hours long yeah

1794

01:17:31,430 --> 01:17:27,120

um the focus

1795

01:17:34,130 --> 01:17:31,440

um on it now uh so I think he brought up

1796

01:17:36,110 --> 01:17:34,140

six I think there's three and three on

1797

01:17:37,250 --> 01:17:36,120

both sides of him the podium in the

1798

01:17:38,810 --> 01:17:37,260

middle

1799

01:17:40,610 --> 01:17:38,820

um I have I have the names and

1800

01:17:42,530 --> 01:17:40,620

everything that we don't have to get

1801

01:17:45,050 --> 01:17:42,540

into too much yeah I'm just gonna be

1802

01:17:47,149 --> 01:17:45,060

very upfront here so I've not seen the

1803

01:17:49,430 --> 01:17:47,159

press conference I do have notes here

1804

01:17:53,390 --> 01:17:49,440

and my amazing wife is giving me

1805

01:17:56,090 --> 01:17:53,400

screenshots of his conclusions so I have

1806

01:17:57,610 --> 01:17:56,100

that here uh looks like he has 12 basic

1807

01:18:00,950 --> 01:17:57,620

conclusions

1808

01:18:03,890 --> 01:18:00,960

uh most of them I think he's he's on the

1809

01:18:07,149 --> 01:18:03,900

Mark I think on one he is really

1810

01:18:10,610 --> 01:18:07,159

dangerously wrong very like dangerous

1811

01:18:13,250 --> 01:18:10,620

let's Circle back to that yeah

1812

01:18:17,149 --> 01:18:13,260

um this is this is the point this is the

1813

01:18:19,850 --> 01:18:17,159

national Press Club yeah and at the end

1814

01:18:22,250 --> 01:18:19,860

of uh the presentation was about 15

1815

01:18:25,370 --> 01:18:22,260

minutes of questions

1816

01:18:27,830 --> 01:18:25,380

10 minutes 15 minutes there wasn't One

1817

01:18:32,510 --> 01:18:27,840

National media Outlet there

1818

01:18:34,370 --> 01:18:32,520

was not and not it I listened to

1819

01:18:36,709 --> 01:18:34,380

everybody ask the question Billy Carson

1820

01:18:42,050 --> 01:18:36,719

got a question in he was there that was

1821

01:18:44,510 --> 01:18:42,060

pretty cool that's great but um uh the

1822

01:18:48,169 --> 01:18:44,520

um this is the national Press Club in

1823

01:18:51,350 --> 01:18:48,179

Washington DC now you know that uh uh

1824

01:18:54,169 --> 01:18:51,360

Greer and his team invited all of the

1825

01:18:57,770 --> 01:18:54,179

national media yes undoubtedly I haven't

1826

01:19:00,649 --> 01:18:57,780

seen anything uh uh reported on it yet

1827

01:19:01,790 --> 01:19:00,659

maybe we will tomorrow well how can

1828

01:19:03,350 --> 01:19:01,800

there be if they don't have any

1829

01:19:07,310 --> 01:19:03,360

Representatives down there to cover it

1830

01:19:10,310 --> 01:19:07,320

right yeah yeah but why I'm just I'm

1831

01:19:11,570 --> 01:19:10,320

just a surprised uh about that it goes

1832

01:19:13,850 --> 01:19:11,580

back to what we're talking about with

1833

01:19:15,830 --> 01:19:13,860

Crush too as well

1834

01:19:18,830 --> 01:19:15,840

um or is it just think about where he is

1835

01:19:20,390 --> 01:19:18,840

it's in DC yeah so of course you got the

1836

01:19:22,370 --> 01:19:20,400

Washington Post there

1837

01:19:24,050 --> 01:19:22,380

which might as well just be called the

1838

01:19:26,930 --> 01:19:24,060

CIA post

1839

01:19:29,270 --> 01:19:26,940

frankly so they're they're you know

1840

01:19:31,550 --> 01:19:29,280

total DC inside publication they're

1841

01:19:33,410 --> 01:19:31,560

deeply in bed with the US government

1842

01:19:35,090 --> 01:19:33,420

so and they they

1843

01:19:36,890 --> 01:19:35,100

I don't think they said they passed on

1844

01:19:38,510 --> 01:19:36,900

Leslie and Ralph's story but they said

1845

01:19:40,430 --> 01:19:38,520

what we need more time to fact check it

1846

01:19:42,110 --> 01:19:40,440

whatever and they were just apparently

1847

01:19:43,610 --> 01:19:42,120

dragging their feet on it so they're

1848

01:19:46,070 --> 01:19:43,620

they've and the Washington Post has

1849

01:19:48,290 --> 01:19:46,080

never been friendly yeah but all of them

1850

01:19:50,450 --> 01:19:48,300

all of the networks are broadcasting

1851

01:19:52,910 --> 01:19:50,460

live from Washington D.C all day long

1852

01:19:54,350 --> 01:19:52,920

they've got their correspondence they've

1853

01:19:57,229 --> 01:19:54,360

got their news fans they've got their

1854

01:20:02,390 --> 01:19:57,239

news rooms everybody is represented at

1855

01:20:05,090 --> 01:20:02,400

Washington D.C and uh yeah sure sure is

1856

01:20:08,630 --> 01:20:05,100

it is it ET overload is what I'm getting

1857

01:20:12,169 --> 01:20:08,640

at right so you have Rush last week and

1858

01:20:14,810 --> 01:20:12,179

then rolling into this week is it is it

1859

01:20:17,930 --> 01:20:14,820

just too is it too much aliens all the

1860

01:20:21,410 --> 01:20:17,940

time right now I think I think our um

1861

01:20:24,189 --> 01:20:21,420

our society places a lot of emphasis on

1862

01:20:29,810 --> 01:20:24,199

official

1863

01:20:31,430 --> 01:20:29,820

so I got like Rush

1864

01:20:32,990 --> 01:20:31,440

you know I mean they're in love with

1865

01:20:33,950 --> 01:20:33,000

Intel guys they're in love with military

1866

01:20:35,689 --> 01:20:33,960

guys

1867

01:20:38,330 --> 01:20:35,699

you know especially Intel they just love

1868

01:20:40,729 --> 01:20:38,340

that so and and he also was part of the

1869

01:20:43,910 --> 01:20:40,739

UAP task force

1870

01:20:47,209 --> 01:20:43,920

for for two years so Crush

1871

01:20:49,790 --> 01:20:47,219

really had very good official Bona fides

1872

01:20:51,709 --> 01:20:49,800

and credentials on his behalf

1873

01:20:53,330 --> 01:20:51,719

uh Stephen Greer I mean he's a medical

1874

01:20:55,490 --> 01:20:53,340

doctor and I'm not taking anything away

1875

01:20:58,189 --> 01:20:55,500

from him but he's he's not an Insider

1876

01:21:00,890 --> 01:20:58,199

he's not anyone really important in the

1877

01:21:03,229 --> 01:21:00,900

grand Washingtonian scheme of things

1878

01:21:06,229 --> 01:21:03,239

they're not gonna give him all that much

1879

01:21:08,209 --> 01:21:06,239

credit I mean you know look I I went to

1880

01:21:10,189 --> 01:21:08,219

um how many press conferences did

1881

01:21:13,189 --> 01:21:10,199

Stephen Bassett organize that I attended

1882

01:21:14,570 --> 01:21:13,199

all those X conferences from 2004 to

1883

01:21:17,090 --> 01:21:14,580

2010

1884

01:21:20,090 --> 01:21:17,100

and then we did the citizen hearing on

1885

01:21:21,530 --> 01:21:20,100

disclosure in 2013. uh these were huge

1886

01:21:24,290 --> 01:21:21,540

things they got a little bit of

1887

01:21:26,570 --> 01:21:24,300

Washington Post mocking us you know

1888

01:21:28,490 --> 01:21:26,580

smearing us uh there was really never

1889

01:21:30,530 --> 01:21:28,500

any friendly press coverage there so

1890

01:21:32,149 --> 01:21:30,540

that actually doesn't surprise me

1891

01:21:34,070 --> 01:21:32,159

although

1892

01:21:36,290 --> 01:21:34,080

I I hear where you're coming from like

1893

01:21:38,590 --> 01:21:36,300

you'd think with the news of the last

1894

01:21:42,950 --> 01:21:38,600

week that the news media would be

1895

01:21:44,810 --> 01:21:42,960

curious what you know uh uh Tim burchett

1896

01:21:48,010 --> 01:21:44,820

couldn't come and hang out and then

1897

01:21:52,970 --> 01:21:48,020

comment later uh about it Andre Carson

1898

01:21:55,850 --> 01:21:52,980

you know the gillibrant was she and I'm

1899

01:21:59,030 --> 01:21:55,860

sure they were all invited

1900

01:22:01,370 --> 01:21:59,040

um if you're one of those people you're

1901

01:22:02,930 --> 01:22:01,380

probably thinking uh I don't want to get

1902

01:22:05,390 --> 01:22:02,940

too associated with this like I'm sure

1903

01:22:08,689 --> 01:22:05,400

they're thinking that like this would be

1904

01:22:12,110 --> 01:22:08,699

if if Jilla brand went if Mark Marco

1905

01:22:16,330 --> 01:22:12,120

Rubio went for Timber Chet went uh that

1906

01:22:19,070 --> 01:22:16,340

would be headline massive headline news

1907

01:22:21,530 --> 01:22:19,080

that's making a statement he had a

1908

01:22:23,630 --> 01:22:21,540

retired Colonel uh Donald hackard from

1909

01:22:27,590 --> 01:22:23,640

the United States Air Force

1910

01:22:29,930 --> 01:22:27,600

um he had uh Michael Herrera a Marine

1911

01:22:33,830 --> 01:22:29,940

Corps veteran a very effective speaker

1912

01:22:35,270 --> 01:22:33,840

he had Steve uh digna U.S army uh

1913

01:22:38,570 --> 01:22:35,280

Raytheon

1914

01:22:41,570 --> 01:22:38,580

um DC long U.S army he had Eric Hecker

1915

01:22:45,709 --> 01:22:41,580

from Raytheon and then he had his

1916

01:22:48,050 --> 01:22:45,719

attorney uh Derek Garcia speak to as

1917

01:22:49,930 --> 01:22:48,060

well about pursuing Ricoh charges

1918

01:22:52,669 --> 01:22:49,940

against uh the United States government

1919

01:22:54,890 --> 01:22:52,679

uh which I thought was actually a a

1920

01:22:56,209 --> 01:22:54,900

pretty interesting point that was

1921

01:23:01,430 --> 01:22:56,219

brought up with all of this it's

1922

01:23:03,709 --> 01:23:01,440

interesting yeah yeah yeah and uh now my

1923

01:23:05,930 --> 01:23:03,719

a couple of my takeaways now I want to

1924

01:23:08,229 --> 01:23:05,940

hit you with yes

1925

01:23:12,709 --> 01:23:08,239

um uh digna

1926

01:23:14,870 --> 01:23:12,719

talked about his time in Antarctica

1927

01:23:17,450 --> 01:23:14,880

um and I have to go back and look at my

1928

01:23:21,050 --> 01:23:17,460

notes and things but just I I I believe

1929

01:23:25,790 --> 01:23:21,060

he said he was there for a year around

1930

01:23:30,110 --> 01:23:25,800

2010. and for Raytheon okay so he goes

1931

01:23:33,890 --> 01:23:30,120

down there and I I don't have uh the

1932

01:23:39,590 --> 01:23:33,900

spec he goes to uh a facility that has

1933

01:23:42,229 --> 01:23:39,600

been built and to to to to work but

1934

01:23:44,390 --> 01:23:42,239

apparently

1935

01:23:48,110 --> 01:23:44,400

um and I'm not going to get into the

1936

01:23:50,209 --> 01:23:48,120

technical side of this but there uh were

1937

01:23:52,729 --> 01:23:50,219

these individual cells

1938

01:23:54,410 --> 01:23:52,739

projecting

1939

01:23:56,229 --> 01:23:54,420

um energy

1940

01:23:59,330 --> 01:23:56,239

um up and uh

1941

01:24:01,970 --> 01:23:59,340

a thousand of these individually but

1942

01:24:05,630 --> 01:24:01,980

combined we're talking about something

1943

01:24:08,330 --> 01:24:05,640

with a lot of womp to it uh directed

1944

01:24:11,510 --> 01:24:08,340

energy weapon beam

1945

01:24:14,810 --> 01:24:11,520

um uh he said was faster than the speed

1946

01:24:18,890 --> 01:24:14,820

of light communication uh out of

1947

01:24:19,970 --> 01:24:18,900

Antarctica out of Antarctica and he said

1948

01:24:23,450 --> 01:24:19,980

that

1949

01:24:26,270 --> 01:24:23,460

um uh it's fully functional and so the

1950

01:24:28,729 --> 01:24:26,280

day came uh for them to flip the switch

1951

01:24:29,890 --> 01:24:28,739

right and turn this thing on they tested

1952

01:24:34,610 --> 01:24:29,900

it twice

1953

01:24:37,010 --> 01:24:34,620

and that caused an earthquake

1954

01:24:40,550 --> 01:24:37,020

I I think was Indonesia I can't remember

1955

01:24:43,729 --> 01:24:40,560

a major earthquake that day and that's

1956

01:24:46,130 --> 01:24:43,739

how much energy that this thing can

1957

01:24:48,169 --> 01:24:46,140

create and

1958

01:24:52,729 --> 01:24:48,179

um they he had some photographs of it it

1959

01:24:55,310 --> 01:24:52,739

was uh now that part of this testimony

1960

01:24:58,070 --> 01:24:55,320

today if true

1961

01:24:59,990 --> 01:24:58,080

um uh and these kinds of statements

1962

01:25:02,510 --> 01:25:00,000

Antarctica is supposed to be the free

1963

01:25:05,169 --> 01:25:02,520

zone right but also

1964

01:25:08,689 --> 01:25:05,179

nobody's allowed down there

1965

01:25:10,850 --> 01:25:08,699

so there are no very controlled

1966

01:25:13,450 --> 01:25:10,860

conditions control there's no checks and

1967

01:25:17,810 --> 01:25:13,460

balances uh when it comes to Antarctica

1968

01:25:21,110 --> 01:25:17,820

but that that statement from him out of

1969

01:25:23,390 --> 01:25:21,120

it was a it was a good it was a good uh

1970

01:25:28,070 --> 01:25:23,400

presentation today uh by the witnesses

1971

01:25:32,630 --> 01:25:28,080

but but that alone stood out for me and

1972

01:25:34,930 --> 01:25:32,640

and what do you make of that of of uh

1973

01:25:38,750 --> 01:25:34,940

faster than light communication device

1974

01:25:41,450 --> 01:25:38,760

and and why would they why why would we

1975

01:25:45,050 --> 01:25:41,460

have it unless we need to communicate

1976

01:25:46,689 --> 01:25:45,060

with ET yeah I I look I mean I can't uh

1977

01:25:49,610 --> 01:25:46,699

stay one way or anything or another

1978

01:25:51,350 --> 01:25:49,620

whether I think this is true I think it

1979

01:25:56,390 --> 01:25:51,360

could be true

1980

01:25:58,970 --> 01:25:56,400

and and frankly there have been uh

1981

01:26:01,790 --> 01:25:58,980

scientists who have been studying

1982

01:26:05,990 --> 01:26:01,800

uh all kinds of out there communication

1983

01:26:06,709 --> 01:26:06,000

systems since at least in 1960s

1984

01:26:10,370 --> 01:26:06,719

um

1985

01:26:12,709 --> 01:26:10,380

I'm thinking of a of a science right a a

1986

01:26:14,810 --> 01:26:12,719

scientist named Gerald Feinberg who was

1987

01:26:17,209 --> 01:26:14,820

of transhumanist futurist from the 60s

1988

01:26:20,030 --> 01:26:17,219

friend of Edgar Mitchell's actually

1989

01:26:21,709 --> 01:26:20,040

who I think was studying uh was a

1990

01:26:24,229 --> 01:26:21,719

tachyon-based Communications like

1991

01:26:25,790 --> 01:26:24,239

Interstellar type Communications back in

1992

01:26:27,709 --> 01:26:25,800

the 60s

1993

01:26:30,050 --> 01:26:27,719

um I I think this has been something

1994

01:26:32,030 --> 01:26:30,060

that we've been looking at for a while

1995

01:26:35,330 --> 01:26:32,040

so it wouldn't that wouldn't shock me

1996

01:26:38,510 --> 01:26:35,340

the important thing would be

1997

01:26:39,950 --> 01:26:38,520

how can the information be supported in

1998

01:26:41,930 --> 01:26:39,960

terms of evidence that people can

1999

01:26:42,709 --> 01:26:41,940

examine that's always what it comes down

2000

01:26:47,810 --> 01:26:42,719

to

2001

01:26:50,570 --> 01:26:47,820

rush you know frankly though I think

2002

01:26:52,430 --> 01:26:50,580

Rush seems to be in a better position in

2003

01:26:54,050 --> 01:26:52,440

terms of being able to provide that

2004

01:26:55,669 --> 01:26:54,060

evidence even though we haven't seen it

2005

01:26:58,250 --> 01:26:55,679

I think he's been in a good position

2006

01:26:59,870 --> 01:26:58,260

that apparently he has provided at least

2007

01:27:02,270 --> 01:26:59,880

some of it to the entire Inspector

2008

01:27:05,570 --> 01:27:02,280

General but for these Witnesses with uh

2009

01:27:07,189 --> 01:27:05,580

Stephen Greer I I don't know and I've I

2010

01:27:08,629 --> 01:27:07,199

feel like it would be irresponsible for

2011

01:27:11,330 --> 01:27:08,639

me to say you know what I think how

2012

01:27:12,890 --> 01:27:11,340

strong their arguments are I need I need

2013

01:27:16,430 --> 01:27:12,900

to look at this this just happened today

2014

01:27:18,530 --> 01:27:16,440

this is brand new and I apologize to all

2015

01:27:20,930 --> 01:27:18,540

the listeners that I I haven't seen this

2016

01:27:23,030 --> 01:27:20,940

one yet I've just I've got notes that's

2017

01:27:26,530 --> 01:27:23,040

the best I can do at this time

2018

01:27:29,510 --> 01:27:26,540

but I will say from Greer's conclusions

2019

01:27:31,689 --> 01:27:29,520

overall I think what he says is very

2020

01:27:34,010 --> 01:27:31,699

much in line with what we have heard

2021

01:27:35,930 --> 01:27:34,020

earlier this week from people like David

2022

01:27:37,850 --> 01:27:35,940

grush it's not that radically different

2023

01:27:39,709 --> 01:27:37,860

he's saying this is I'm looking at his

2024

01:27:42,010 --> 01:27:39,719

two slides or he's got 12 conclusions

2025

01:27:44,629 --> 01:27:42,020

two primary types of UAP

2026
01:27:46,450 --> 01:27:44,639
extraterrestrial vehicles and man-made

2027
01:27:48,530 --> 01:27:46,460
arvs or

2028
01:27:50,629 --> 01:27:48,540
electrogarulsion vehicles I don't think

2029
01:27:52,430 --> 01:27:50,639
anyone disputes that I think when you

2030
01:27:55,850 --> 01:27:52,440
look at the research over the last many

2031
01:27:58,310 --> 01:27:55,860
decades yes exactly there was a question

2032
01:28:01,550 --> 01:27:58,320
that was given to the late Ben Rich of

2033
01:28:03,830 --> 01:28:01,560
Lockheed Skunk Works by um

2034
01:28:05,270 --> 01:28:03,840
John Andrews who was an associate of his

2035
01:28:06,410 --> 01:28:05,280
and John was like are these hours or

2036
01:28:08,629 --> 01:28:06,420
theirs Ben

2037
01:28:11,090 --> 01:28:08,639
this is a question of going back decades

2038
01:28:13,550 --> 01:28:11,100

decades decades so Greer says that and

2039

01:28:17,090 --> 01:28:13,560

but here's where I think I just think

2040

01:28:19,990 --> 01:28:17,100

what Stephen Greer says is actually

2041

01:28:22,910 --> 01:28:20,000

truly dangerous and and he States it

2042

01:28:25,729 --> 01:28:22,920

extraterrestrial groups are not hostile

2043

01:28:27,229 --> 01:28:25,739

to Earth or Humanity however they are

2044

01:28:29,870 --> 01:28:27,239

increasingly concerned about human

2045

01:28:31,610 --> 01:28:29,880

hostility and weapon systems such as

2046

01:28:33,410 --> 01:28:31,620

nuclear scalar Etc

2047

01:28:37,070 --> 01:28:33,420

look I'm not saying that human beings

2048

01:28:39,709 --> 01:28:37,080

are are the good guys here either we are

2049

01:28:42,590 --> 01:28:39,719

a problem we are a problem species in

2050

01:28:44,450 --> 01:28:42,600

more ways than one I'm absolutely but

2051

01:28:46,129 --> 01:28:44,460

there have been

2052

01:28:48,290 --> 01:28:46,139

statement after statement rumor after

2053

01:28:51,110 --> 01:28:48,300

Rumor for decades and decades and at

2054

01:28:54,110 --> 01:28:51,120

least one group is absolutely malevolent

2055

01:28:55,850 --> 01:28:54,120

and hostile to us and I'm not prepared

2056

01:28:58,669 --> 01:28:55,860

to throw that out and also I'm not

2057

01:29:00,709 --> 01:28:58,679

prepared to throw out the the extensive

2058

01:29:03,470 --> 01:29:00,719

research of some of those abduction

2059

01:29:05,090 --> 01:29:03,480

researchers like Dr David Jacobs some

2060

01:29:08,450 --> 01:29:05,100

people love what he does some people

2061

01:29:09,890 --> 01:29:08,460

hate what he does my opinion is that he

2062

01:29:12,770 --> 01:29:09,900

has

2063

01:29:17,270 --> 01:29:14,870

testimony and evidence that he is

2064

01:29:18,890 --> 01:29:17,280

amassed from the people that he has

2065

01:29:20,570 --> 01:29:18,900

worked with in terms of hypnotic

2066

01:29:24,229 --> 01:29:20,580

regression

2067

01:29:26,930 --> 01:29:24,239

that at least should cause us pause and

2068

01:29:30,530 --> 01:29:26,940

concern as to what is going on in terms

2069

01:29:33,530 --> 01:29:30,540

of hybridization infiltration of our

2070

01:29:36,169 --> 01:29:33,540

society by at least one of these groups

2071

01:29:38,209 --> 01:29:36,179

and I just I think it is I mean if

2072

01:29:39,830 --> 01:29:38,219

something like that is going on

2073

01:29:41,930 --> 01:29:39,840

like let's just say that's happening

2074

01:29:44,570 --> 01:29:41,940

because frankly there are reasons to

2075

01:29:47,510 --> 01:29:44,580

think it might be it's not outrageous

2076
01:29:49,310 --> 01:29:47,520
you got aliens here do you think aliens

2077
01:29:51,169 --> 01:29:49,320
coming here are going to be just blase

2078
01:29:54,290 --> 01:29:51,179
about the fact that we're about to go

2079
01:29:55,850 --> 01:29:54,300
into an AI Singularity you think they're

2080
01:29:58,490 --> 01:29:55,860
just not going to care about that you

2081
01:29:59,689 --> 01:29:58,500
think I think they would but the point

2082
01:30:02,390 --> 01:29:59,699
is

2083
01:30:05,149 --> 01:30:02,400
if that's going on if you've got at

2084
01:30:07,970 --> 01:30:05,159
least one group that's a malevolent like

2085
01:30:09,770 --> 01:30:07,980
infiltration operation let's just say

2086
01:30:11,149 --> 01:30:09,780
then you get a guy like Greer saying oh

2087
01:30:12,530 --> 01:30:11,159
no they're all good they don't mean us

2088
01:30:14,390 --> 01:30:12,540

any harm

2089

01:30:16,550 --> 01:30:14,400

that's dangerous

2090

01:30:18,290 --> 01:30:16,560

to make that kind of a statement a

2091

01:30:21,350 --> 01:30:18,300

blanket statement which he has done for

2092

01:30:23,750 --> 01:30:21,360

years yep all right

2093

01:30:26,750 --> 01:30:23,760

now he has said many things that are on

2094

01:30:29,390 --> 01:30:26,760

point I will absolutely acknowledge that

2095

01:30:32,270 --> 01:30:29,400

but this one thing that he says

2096

01:30:34,850 --> 01:30:32,280

I I think we have we have got to just

2097

01:30:36,890 --> 01:30:34,860

say no I'm going to call BS on this and

2098

01:30:39,770 --> 01:30:36,900

it's it's worse than BS it's dangerous

2099

01:30:42,290 --> 01:30:39,780

we are not in a position where we can

2100

01:30:43,970 --> 01:30:42,300

just say oh yeah we have nothing to

2101

01:30:46,970 --> 01:30:43,980

worry about from them

2102

01:30:49,250 --> 01:30:46,980

I will say there are many interactions

2103

01:30:52,850 --> 01:30:49,260

that have been reported that do seem

2104

01:30:54,950 --> 01:30:52,860

benign they seem perfectly fine

2105

01:30:57,530 --> 01:30:54,960

there are there's someone or there's

2106

01:31:00,169 --> 01:30:57,540

groups out there that are do not mean us

2107

01:31:03,350 --> 01:31:00,179

harm I I think that is true

2108

01:31:05,750 --> 01:31:03,360

but there is no way in hell I'm gonna

2109

01:31:07,129 --> 01:31:05,760

uh you know Stripes along and say oh

2110

01:31:08,570 --> 01:31:07,139

yeah they're all good and it's a

2111

01:31:10,370 --> 01:31:08,580

wonderful Universe out there we're the

2112

01:31:12,590 --> 01:31:10,380

only bad people

2113

01:31:14,450 --> 01:31:12,600

do you think I mean think about this if

2114

01:31:16,790 --> 01:31:14,460

these beings evolved on another planet

2115

01:31:18,709 --> 01:31:16,800

if they're from some other planet

2116

01:31:21,770 --> 01:31:18,719

somewhere else if they are truly

2117

01:31:27,169 --> 01:31:21,780

extraterrestrial that means that they

2118

01:31:29,930 --> 01:31:27,179

like us were apex predators 100 right

2119

01:31:33,350 --> 01:31:29,940

they they they nominated their Planet

2120

01:31:35,450 --> 01:31:33,360

they kicked ass and that's right yeah

2121

01:31:37,189 --> 01:31:35,460

because they like us discovered the

2122

01:31:39,110 --> 01:31:37,199

secret of Science and rationality and

2123

01:31:40,970 --> 01:31:39,120

logic and they started to they got the

2124

01:31:43,010 --> 01:31:40,980

keys to the kingdom which is science and

2125

01:31:45,470 --> 01:31:43,020

they dominated all the other species on

2126
01:31:47,390 --> 01:31:45,480
their Planet guaranteed yes and even if

2127
01:31:49,490 --> 01:31:47,400
they're not violent now guarantee

2128
01:31:50,810 --> 01:31:49,500
they're used to getting their own way oh

2129
01:31:53,629 --> 01:31:50,820
yeah they're used to getting their way

2130
01:31:57,290 --> 01:31:53,639
yep yep yep yep yep yep they they have

2131
01:32:01,390 --> 01:31:57,300
gone through the same mature uh maturity

2132
01:32:12,729 --> 01:32:01,400
and and evolution processes that we have

2133
01:32:20,870 --> 01:32:15,709
the theater the Arts

2134
01:32:23,570 --> 01:32:20,880
um uh politics uh uh anger War murder I

2135
01:32:26,090 --> 01:32:23,580
think all of that would be yes I I

2136
01:32:27,890 --> 01:32:26,100
believe I now believe this has been a

2137
01:32:30,110 --> 01:32:27,900
real growing interest of mine for years

2138
01:32:32,930 --> 01:32:30,120

like I'm looking really been looking

2139

01:32:34,970 --> 01:32:32,940

into human Origins human evolution early

2140

01:32:37,129 --> 01:32:34,980

human society prehistory all of it it

2141

01:32:40,310 --> 01:32:37,139

just fascinates me I've gone so far into

2142

01:32:42,649 --> 01:32:40,320

it and I have come to feel

2143

01:32:45,110 --> 01:32:42,659

that the process that we humans have

2144

01:32:52,070 --> 01:32:49,250

um actually makes perfect sense and that

2145

01:32:54,470 --> 01:32:52,080

I can easily see variations of what we

2146

01:32:57,250 --> 01:32:54,480

have gone through happening Elsewhere on

2147

01:32:59,050 --> 01:32:57,260

another world so that in other words uh

2148

01:33:01,729 --> 01:32:59,060

aggression

2149

01:33:04,310 --> 01:33:01,739

collaborative Cooperative violence which

2150

01:33:06,530 --> 01:33:04,320

is what we have always excelled at which

2151
01:33:10,430 --> 01:33:06,540
in fact has driven our technological

2152
01:33:13,370 --> 01:33:10,440
development Warfare like it or not is

2153
01:33:14,810 --> 01:33:13,380
one of the key drivers of how we are

2154
01:33:17,149 --> 01:33:14,820
able to have this very conversation

2155
01:33:18,110 --> 01:33:17,159
right now that's right that's a fact and

2156
01:33:20,390 --> 01:33:18,120
so

2157
01:33:22,250 --> 01:33:20,400
for an alien species or an

2158
01:33:24,770 --> 01:33:22,260
extraterrestrial species to achieve

2159
01:33:25,729 --> 01:33:24,780
highly advanced technology you have to

2160
01:33:27,950 --> 01:33:25,739
ask yourself

2161
01:33:30,110 --> 01:33:27,960
did they do this all

2162
01:33:32,990 --> 01:33:30,120
as a peaceful Society really right right

2163
01:33:34,790 --> 01:33:33,000

I don't think so right I just I don't

2164

01:33:37,930 --> 01:33:34,800

think so that doesn't mean that they're

2165

01:33:40,010 --> 01:33:37,940

out to put us in a in their cookbook

2166

01:33:42,590 --> 01:33:40,020

nowadays or I don't know what they're

2167

01:33:44,209 --> 01:33:42,600

trying to do but they they have their

2168

01:33:47,149 --> 01:33:44,219

own volition

2169

01:33:48,890 --> 01:33:47,159

and that may be we may be happy with

2170

01:33:52,550 --> 01:33:48,900

their volition but we may not be but the

2171

01:33:54,410 --> 01:33:52,560

fact is we it would be very wise before

2172

01:33:55,790 --> 01:33:54,420

we make snap judgments about saying

2173

01:34:01,610 --> 01:33:55,800

they're all

2174

01:34:03,709 --> 01:34:01,620

which is what Stephen Greer does say and

2175

01:34:06,169 --> 01:34:03,719

I just feel like that is that's just

2176
01:34:08,030 --> 01:34:06,179
dangerous that's a dangerous statement

2177
01:34:10,430 --> 01:34:08,040
and he really

2178
01:34:13,310 --> 01:34:10,440
I've never understood this

2179
01:34:16,129 --> 01:34:13,320
except you know I read his autobiography

2180
01:34:17,570 --> 01:34:16,139
years ago and he has all these spiritual

2181
01:34:19,610 --> 01:34:17,580
experiences he's talked about he

2182
01:34:23,030 --> 01:34:19,620
levitated when he was like what 17 and

2183
01:34:26,030 --> 01:34:23,040
he called in the uh

2184
01:34:27,410 --> 01:34:26,040
wasn't it the the 1973 wave of sightings

2185
01:34:29,330 --> 01:34:27,420
like that was him because he was just

2186
01:34:30,709 --> 01:34:29,340
too awesome he didn't realize his powers

2187
01:34:33,050 --> 01:34:30,719
were so great he brought them in this is

2188
01:34:34,729 --> 01:34:33,060

literally what he says and he prevented

2189

01:34:37,129 --> 01:34:34,739

uh George Bush Senior for being

2190

01:34:39,649 --> 01:34:37,139

assassinated somehow he spoke with Bill

2191

01:34:43,129 --> 01:34:39,659

Clinton on the astral somehow like he

2192

01:34:45,950 --> 01:34:43,139

did all of these these superhero things

2193

01:34:47,570 --> 01:34:45,960

uh and that gives him this insight

2194

01:34:49,610 --> 01:34:47,580

into

2195

01:34:52,129 --> 01:34:49,620

all of the Extraterrestrial species I

2196

01:34:54,830 --> 01:34:52,139

mean like can we just call

2197

01:34:56,750 --> 01:34:54,840

BS on this are we allowed to do this at

2198

01:34:59,750 --> 01:34:56,760

this point in time because I am I don't

2199

01:35:02,750 --> 01:34:59,760

believe a word of that and so you know

2200

01:35:06,610 --> 01:35:02,760

how does he know that these these

2201

01:35:10,430 --> 01:35:06,620

species are all good to us

2202

01:35:12,169 --> 01:35:10,440

he doesn't no and so when he says this

2203

01:35:14,330 --> 01:35:12,179

and I mean I've been harping on this for

2204

01:35:16,129 --> 01:35:14,340

a while and I want to we can move on but

2205

01:35:19,250 --> 01:35:16,139

this is a

2206

01:35:21,470 --> 01:35:19,260

as I said before it's dangerous

2207

01:35:24,649 --> 01:35:21,480

and and he's got a lot of influence and

2208

01:35:26,390 --> 01:35:24,659

people are people want to believe that

2209

01:35:28,250 --> 01:35:26,400

all like that we're the only bad ones

2210

01:35:30,050 --> 01:35:28,260

they want to believe that all the space

2211

01:35:31,370 --> 01:35:30,060

brothers are here to help us to elevate

2212

01:35:33,229 --> 01:35:31,380

us and bring us to the next density

2213

01:35:35,810 --> 01:35:33,239

whatever you want to call it

2214

01:35:39,590 --> 01:35:35,820

that's this is another sign of the

2215

01:35:41,750 --> 01:35:39,600

rampant utopianism that permeates and is

2216

01:35:43,910 --> 01:35:41,760

toxified much of our culture and

2217

01:35:46,129 --> 01:35:43,920

Community not just the UFO field it's

2218

01:35:48,169 --> 01:35:46,139

everywhere but this belief that we're

2219

01:35:50,930 --> 01:35:48,179

going to achieve all these wonderful

2220

01:35:55,550 --> 01:35:50,940

things if only we can just stop being

2221

01:35:59,450 --> 01:35:55,560

you know what we are uh I feel like it

2222

01:36:01,090 --> 01:35:59,460

reminds me of that scene in Independence

2223

01:36:04,490 --> 01:36:01,100

Day right

2224

01:36:08,330 --> 01:36:04,500

thing is over Los Angeles and everybody

2225

01:36:10,990 --> 01:36:08,340

gets on top of the skyscraper right and

2226

01:36:14,629 --> 01:36:11,000

and the ship is opening up on the bottom

2227

01:36:16,850 --> 01:36:14,639

and the the lady is holding up the sign

2228

01:36:18,890 --> 01:36:16,860

you know Welcome To Earth that's right

2229

01:36:20,980 --> 01:36:18,900

we love you and she's holding up to sign

2230

01:36:25,090 --> 01:36:20,990

and she's sir

2231

01:36:30,050 --> 01:36:27,830

Patchouli you know gotta have the

2232

01:36:32,270 --> 01:36:30,060

Patchouli that's important very

2233

01:36:33,649 --> 01:36:32,280

important she's got her she's got her

2234

01:36:37,910 --> 01:36:33,659

pineal gland

2235

01:36:40,790 --> 01:36:37,920

uh Crystal glue to her head and boom the

2236

01:36:44,270 --> 01:36:40,800

building gets blasted right and and and

2237

01:36:46,790 --> 01:36:44,280

I understand your point people want to

2238

01:36:50,570 --> 01:36:46,800

believe that and that's fine I I get it

2239

01:36:53,570 --> 01:36:50,580

but it's a dangerous Zone to the

2240

01:36:56,990 --> 01:36:53,580

universe is built on one basic principle

2241

01:36:59,870 --> 01:36:57,000

there's ones and zeros no positive

2242

01:37:02,470 --> 01:36:59,880

without a negative no black without a

2243

01:37:05,990 --> 01:37:02,480

white right and you that that that

2244

01:37:09,350 --> 01:37:06,000

balance is there and

2245

01:37:12,590 --> 01:37:09,360

there you don't have animal species that

2246

01:37:14,750 --> 01:37:12,600

that uh don't eat other species they

2247

01:37:16,189 --> 01:37:14,760

maybe they eat plants but they eat

2248

01:37:18,050 --> 01:37:16,199

something

2249

01:37:19,250 --> 01:37:18,060

they they've got to consume they have to

2250

01:37:22,370 --> 01:37:19,260

live

2251

01:37:26,410 --> 01:37:22,380

they have needs they have interests

2252

01:37:29,209 --> 01:37:26,420

maybe they're here for baby seals

2253

01:37:30,070 --> 01:37:29,219

there's nothing cuter than a baby seal I

2254

01:37:34,209 --> 01:37:30,080

mean

2255

01:37:36,530 --> 01:37:34,219

wouldn't that just blow Greer's entire

2256

01:37:39,350 --> 01:37:36,540

scenario if they were here harvesting

2257

01:37:41,209 --> 01:37:39,360

baby seals because that's that's their

2258

01:37:42,709 --> 01:37:41,219

favorite thing let me just say there's

2259

01:37:43,910 --> 01:37:42,719

one other thing I I just wanna I don't

2260

01:37:46,310 --> 01:37:43,920

want to bash

2261

01:37:48,169 --> 01:37:46,320

Greer I don't know without pointing out

2262

01:37:50,450 --> 01:37:48,179

that he makes some good points he does

2263

01:37:51,649 --> 01:37:50,460

he does so he just States I'm looking at

2264

01:37:53,450 --> 01:37:51,659

the notes if I just met he says

2265

01:37:55,550 --> 01:37:53,460

extraterrestrial technology has been

2266

01:37:56,689 --> 01:37:55,560

studied and reverse engineered leading

2267

01:37:58,669 --> 01:37:56,699

to breakthroughs in energy and

2268

01:38:00,590 --> 01:37:58,679

propulsion I believe that I think many

2269

01:38:02,209 --> 01:38:00,600

people believe that he goes on he says

2270

01:38:04,010 --> 01:38:02,219

an extremely secret organization has

2271

01:38:05,570 --> 01:38:04,020

been running these projects without

2272

01:38:08,629 --> 01:38:05,580

legal constitutional government

2273

01:38:11,450 --> 01:38:08,639

oversight since the late 1950s correct

2274

01:38:14,090 --> 01:38:11,460

uh I I don't yeah I mean I don't know

2275

01:38:15,530 --> 01:38:14,100

about the exact year here but yes I

2276

01:38:17,930 --> 01:38:15,540

agree with that I think he's exactly

2277

01:38:21,310 --> 01:38:17,940

right yep and he points he's a lot of

2278

01:38:24,250 --> 01:38:21,320

these points like this is an illegal

2279

01:38:28,490 --> 01:38:24,260

unconstitutional wrong

2280

01:38:31,430 --> 01:38:28,500

immoral activity and I agree with that I

2281

01:38:33,350 --> 01:38:31,440

think he's he is correct

2282

01:38:35,149 --> 01:38:33,360

um and you know talking about the Deep

2283

01:38:37,610 --> 01:38:35,159

covert nature of this and look this is

2284

01:38:39,470 --> 01:38:37,620

the guy who basically kicked off he got

2285

01:38:41,450 --> 01:38:39,480

he's the one who got us the Davis Wilson

2286

01:38:42,950 --> 01:38:41,460

notes without it without Stephen Greer

2287

01:38:46,129 --> 01:38:42,960

that would not have happened it was

2288

01:38:47,990 --> 01:38:46,139

Stephen Greer in 1997 who was making the

2289

01:38:51,050 --> 01:38:48,000
rounds in DC talking about black

2290

01:38:52,910 --> 01:38:51,060
programs that were being ignored that

2291

01:38:54,770 --> 01:38:52,920
were out of control of the government

2292

01:38:57,770 --> 01:38:54,780
back then

2293

01:39:00,770 --> 01:38:57,780
25 plus years ago so I'm going to give

2294

01:39:04,610 --> 01:39:00,780
the man that much credit he has been on

2295

01:39:07,250 --> 01:39:04,620
a path here but it's this obsession

2296

01:39:09,950 --> 01:39:07,260
with with emphasizing that all of these

2297

01:39:11,629 --> 01:39:09,960
et's are beneficent and positive and

2298

01:39:14,330 --> 01:39:11,639
mean us no harm

2299

01:39:17,450 --> 01:39:14,340
I just feel that that is that's beyond

2300

01:39:19,390 --> 01:39:17,460
foolishness it's it's dangerous

2301

01:39:25,430 --> 01:39:19,400

dangerous in the extreme

2302

01:39:30,950 --> 01:39:27,709

we need you know where's the Intrepid

2303

01:39:32,270 --> 01:39:30,960

journalist right but he he made this

2304

01:39:37,729 --> 01:39:32,280

point today

2305

01:39:40,010 --> 01:39:37,739

that we learn to control gravity in

2306

01:39:41,750 --> 01:39:40,020

1954.

2307

01:39:45,229 --> 01:39:41,760

now

2308

01:39:49,430 --> 01:39:45,239

um bold bold claim bold statement but

2309

01:39:53,270 --> 01:39:49,440

this is where I'm I'm with Greer on this

2310

01:39:55,910 --> 01:39:53,280

point now I don't know factually uh you

2311

01:39:59,750 --> 01:39:55,920

know he's got an unnamed story this or

2312

01:40:02,169 --> 01:39:59,760

at the foosh anyway it doesn't not Edgar

2313

01:40:04,390 --> 01:40:02,179

Boucher

2314

01:40:06,709 --> 01:40:04,400

he's died

2315

01:40:10,490 --> 01:40:06,719

let's let's get away from that for a

2316

01:40:14,510 --> 01:40:10,500

second but one thing that I do agree

2317

01:40:19,070 --> 01:40:14,520

with this statement that we uh learned

2318

01:40:20,330 --> 01:40:19,080

to control gravity in 1954 is that every

2319

01:40:23,689 --> 01:40:20,340

company

2320

01:40:25,510 --> 01:40:23,699

that is was in the technical world was

2321

01:40:29,209 --> 01:40:25,520

working on that

2322

01:40:30,189 --> 01:40:29,219

that's it I mean all the way of every

2323

01:40:31,870 --> 01:40:30,199

University

2324

01:40:35,990 --> 01:40:31,880

everybody

2325

01:40:39,110 --> 01:40:36,000

the physics of it it was always about

2326
01:40:41,870 --> 01:40:39,120
gravity now do we figure it out as early

2327
01:40:44,209 --> 01:40:41,880
as 1954 well I mean there was a lot of

2328
01:40:46,250 --> 01:40:44,219
research that was already being applied

2329
01:40:48,229 --> 01:40:46,260
to that not only here in the United

2330
01:40:49,669 --> 01:40:48,239
States but different countries around

2331
01:40:52,970 --> 01:40:49,679
the world

2332
01:40:56,450 --> 01:40:52,980
um uh up and leading into World War II

2333
01:40:58,970 --> 01:40:56,460
we were definitely looking into the uh

2334
01:41:01,250 --> 01:40:58,980
to to control gravity he says it was

2335
01:41:02,990 --> 01:41:01,260
1954.

2336
01:41:04,790 --> 01:41:03,000
um I thought that was a a pretty

2337
01:41:07,790 --> 01:41:04,800
important point do you think that we've

2338
01:41:10,790 --> 01:41:07,800

had I think it's possible it's it's

2339

01:41:13,010 --> 01:41:10,800

possible yes it's possible I don't know

2340

01:41:14,990 --> 01:41:13,020

what his what evidence he's provided

2341

01:41:17,570 --> 01:41:15,000

that will allow uh additional

2342

01:41:19,310 --> 01:41:17,580

independent researchers to to go into it

2343

01:41:21,229 --> 01:41:19,320

and check it

2344

01:41:24,709 --> 01:41:21,239

um this is the problem with claims like

2345

01:41:27,770 --> 01:41:24,719

this it's it strikes me as plausible

2346

01:41:30,410 --> 01:41:27,780

that gravity could have been at least

2347

01:41:31,850 --> 01:41:30,420

in principle understood that early I

2348

01:41:34,669 --> 01:41:31,860

think that is possible

2349

01:41:37,070 --> 01:41:34,679

but you know I mean and there's actually

2350

01:41:38,689 --> 01:41:37,080

a pretty good circumstantial case that

2351

01:41:40,850 --> 01:41:38,699

one could make I mean as you were

2352

01:41:43,010 --> 01:41:40,860

pointing out in the in the early 50s

2353

01:41:45,290 --> 01:41:43,020

right up into the mid I think up to 1956

2354

01:41:47,689 --> 01:41:45,300

there were a variety of articles that

2355

01:41:49,430 --> 01:41:47,699

were written this is very well known uh

2356

01:41:51,649 --> 01:41:49,440

among researchers that we're talking

2357

01:41:55,189 --> 01:41:51,659

about our imminent breakthrough in

2358

01:41:57,109 --> 01:41:55,199

gravity control this is absolutely being

2359

01:41:58,790 --> 01:41:57,119

discussed and then suddenly it was not

2360

01:42:01,310 --> 01:41:58,800

being discussed it just went all went

2361

01:42:03,350 --> 01:42:01,320

away it all went dark uh you know this

2362

01:42:05,709 --> 01:42:03,360

is during the time when T Townsend Brown

2363

01:42:08,149 --> 01:42:05,719

the brilliant

2364

01:42:10,010 --> 01:42:08,159

you know Pioneer of electric gravitics

2365

01:42:12,470 --> 01:42:10,020

was doing his work and his experiments

2366

01:42:15,290 --> 01:42:12,480

something called project Winter Haven at

2367

01:42:17,689 --> 01:42:15,300

that time where he did seem to have the

2368

01:42:20,930 --> 01:42:17,699

ability to have the uh he had this large

2369

01:42:21,950 --> 01:42:20,940

kind of disc like object attached to a

2370

01:42:23,689 --> 01:42:21,960

tether

2371

01:42:25,070 --> 01:42:23,699

and he applied electrostatic charge

2372

01:42:26,689 --> 01:42:25,080

positive and negative to each of the

2373

01:42:28,129 --> 01:42:26,699

ends of the disc and he was able to get

2374

01:42:30,590 --> 01:42:28,139

that thing to move

2375

01:42:32,209 --> 01:42:30,600

and then the U.S Navy came in and

2376

01:42:34,310 --> 01:42:32,219

apparently they he started working for

2377

01:42:35,990 --> 01:42:34,320

them and brown brown lived a very good

2378

01:42:38,450 --> 01:42:36,000

life for the rest of his life he lived

2379

01:42:41,330 --> 01:42:38,460

very very well and I think he he did

2380

01:42:42,649 --> 01:42:41,340

additional work for the for the I think

2381

01:42:44,510 --> 01:42:42,659

the Navy

2382

01:42:46,370 --> 01:42:44,520

on this matter so I think

2383

01:42:49,629 --> 01:42:46,380

electrogravitics

2384

01:42:52,010 --> 01:42:49,639

would be the most likely key for

2385

01:42:55,250 --> 01:42:52,020

anti-gravidic type of Technology of the

2386

01:42:57,770 --> 01:42:55,260

1950s just because Brown was so advanced

2387

01:42:59,750 --> 01:42:57,780

in what he was doing maybe there's

2388

01:43:01,490 --> 01:42:59,760

something else going on that you know we

2389

01:43:03,590 --> 01:43:01,500

don't know about but anyway yeah I think

2390

01:43:06,830 --> 01:43:03,600

it's totally possible it's just what

2391

01:43:10,149 --> 01:43:06,840

matters is is uh did the press

2392

01:43:14,149 --> 01:43:10,159

conference provide

2393

01:43:16,669 --> 01:43:14,159

uh evidence that could be analyzed and

2394

01:43:18,590 --> 01:43:16,679

studied and I I have to plead ignorance

2395

01:43:23,750 --> 01:43:18,600

here I don't know if that was done well

2396

01:43:26,270 --> 01:43:23,760

is it is it is is now the time uh now

2397

01:43:29,030 --> 01:43:26,280

that grush has done his thing and and

2398

01:43:31,910 --> 01:43:29,040

we've got all of this movement happening

2399

01:43:34,070 --> 01:43:31,920

in Washington DC and within the

2400

01:43:36,410 --> 01:43:34,080

Department of Defense too as well and of

2401

01:43:39,350 --> 01:43:36,420

course the intelligence Community we

2402

01:43:42,770 --> 01:43:39,360

can't leave them out of this picture

2403

01:43:44,270 --> 01:43:42,780

um is is it now time to just start

2404

01:43:46,669 --> 01:43:44,280

naming names

2405

01:43:48,950 --> 01:43:46,679

so when when Stephen Greer steps up to

2406

01:43:52,189 --> 01:43:48,960

the mic and says

2407

01:43:54,430 --> 01:43:52,199

we learn to control gravity in 1954.

2408

01:43:58,010 --> 01:43:54,440

okay well that okay okay

2409

01:44:01,729 --> 01:43:58,020

does the statement need to be

2410

01:44:04,149 --> 01:44:01,739

Bell Labs learn to control gravity in

2411

01:44:06,770 --> 01:44:04,159

1954 and here

2412

01:44:09,649 --> 01:44:06,780

you know what I mean is that where we

2413

01:44:12,169 --> 01:44:09,659

are at we we let's just start to get to

2414

01:44:14,629 --> 01:44:12,179

the meat of the matter start naming

2415

01:44:16,609 --> 01:44:14,639

names and and and and quit fussing about

2416

01:44:18,169 --> 01:44:16,619

well the real problem I mean think about

2417

01:44:21,470 --> 01:44:18,179

this from an investigative point of view

2418

01:44:22,550 --> 01:44:21,480

is how do you get to factual verifiable

2419

01:44:24,590 --> 01:44:22,560

data

2420

01:44:26,090 --> 01:44:24,600

you know in in the case of the people at

2421

01:44:27,290 --> 01:44:26,100

the press conference they all have their

2422

01:44:29,510 --> 01:44:27,300

own particular

2423

01:44:32,270 --> 01:44:29,520

uh angle of approach where they where

2424

01:44:34,070 --> 01:44:32,280

they worked and so on uh do they have

2425

01:44:36,410 --> 01:44:34,080

you know you said there was a Raytheon

2426

01:44:38,750 --> 01:44:36,420

guy there does does he have Raytheon

2427

01:44:39,890 --> 01:44:38,760

documents that he's able to present and

2428

01:44:43,129 --> 01:44:39,900

say yes

2429

01:44:45,410 --> 01:44:43,139

in 1978 we did this we were working on

2430

01:44:47,209 --> 01:44:45,420

this technology that was ET related

2431

01:44:49,490 --> 01:44:47,219

here's the proof like that's what needs

2432

01:44:52,750 --> 01:44:49,500

to be done uh

2433

01:44:55,850 --> 01:44:52,760

it is a good thing that you have

2434

01:44:57,890 --> 01:44:55,860

verifiable individuals I assume all

2435

01:44:59,209 --> 01:44:57,900

these people can be verified who are

2436

01:45:01,669 --> 01:44:59,219

willing to go on the record all of that

2437

01:45:04,970 --> 01:45:01,679

is good but from the point of view of a

2438

01:45:07,250 --> 01:45:04,980

skeptical media and I think our media is

2439

01:45:09,430 --> 01:45:07,260

still quite skeptical they're still very

2440

01:45:11,750 --> 01:45:09,440

hesitant to go into this story

2441

01:45:13,430 --> 01:45:11,760

I mean I have to think they're going to

2442

01:45:15,649 --> 01:45:13,440

need a little bit more than that I mean

2443

01:45:18,350 --> 01:45:15,659

even a guy like David grush who

2444

01:45:21,649 --> 01:45:18,360

uh uh Tracy was just telling me during

2445

01:45:24,590 --> 01:45:21,659

the break in your chat I think one of

2446

01:45:26,209 --> 01:45:24,600

the contributors to the chat said that

2447

01:45:28,609 --> 01:45:26,219

uh something like there was a Congo

2448

01:45:32,689 --> 01:45:28,619

someone said there was a conga line of

2449

01:45:35,450 --> 01:45:32,699

people willing to support David grush

2450

01:45:37,310 --> 01:45:35,460

like that he has tremendous support but

2451
01:45:39,709 --> 01:45:37,320
even so

2452
01:45:43,070 --> 01:45:39,719
if he doesn't provide if he can't

2453
01:45:46,790 --> 01:45:43,080
provide hard data

2454
01:45:49,850 --> 01:45:46,800
names even Department names

2455
01:45:51,470 --> 01:45:49,860
uh specifics in one form or another it's

2456
01:45:54,590 --> 01:45:51,480
going to be difficult for him to get a

2457
01:45:57,169 --> 01:45:54,600
lot of Forward Motion I could as far as

2458
01:45:59,689 --> 01:45:57,179
we have come with this I could see it

2459
01:46:02,209 --> 01:45:59,699
happening that this could still stall

2460
01:46:07,750 --> 01:46:02,219
even now it's possible it could stall I

2461
01:46:10,870 --> 01:46:07,760
mean is is B okay is it because

2462
01:46:15,250 --> 01:46:10,880
being on the bigot list

2463
01:46:17,689 --> 01:46:15,260

is too important for everybody

2464

01:46:20,570 --> 01:46:17,699

they don't want to get kicked out of the

2465

01:46:22,669 --> 01:46:20,580

club it took a lot of work to get in you

2466

01:46:24,290 --> 01:46:22,679

know and that's a great point and yes I

2467

01:46:28,010 --> 01:46:24,300

agree with that

2468

01:46:29,990 --> 01:46:28,020

these guys they when you I you know I've

2469

01:46:31,910 --> 01:46:30,000

never been in the military I'm not in

2470

01:46:33,950 --> 01:46:31,920

the Intel I've never had clearance but

2471

01:46:37,910 --> 01:46:33,960

uh I do know

2472

01:46:40,310 --> 01:46:37,920

those guys and and women who who work

2473

01:46:44,030 --> 01:46:40,320

their tails off

2474

01:46:45,290 --> 01:46:44,040

to get those clearances that is not an

2475

01:46:47,450 --> 01:46:45,300

easy thing to do you got to go through

2476

01:46:49,669 --> 01:46:47,460

all the background checks FBI

2477

01:46:51,590 --> 01:46:49,679

investigations like the whole thing this

2478

01:46:54,530 --> 01:46:51,600

is an ordeal

2479

01:46:56,689 --> 01:46:54,540

to get that is a prize and then to lose

2480

01:46:58,070 --> 01:46:56,699

it you lose your clearance even if

2481

01:47:00,290 --> 01:46:58,080

you're not prosecuted you lose your

2482

01:47:01,790 --> 01:47:00,300

clearance good luck getting work in your

2483

01:47:05,390 --> 01:47:01,800

industry

2484

01:47:06,410 --> 01:47:05,400

so this is very very important very

2485

01:47:08,750 --> 01:47:06,420

coveted

2486

01:47:12,050 --> 01:47:08,760

so yes I think it is fair to say the

2487

01:47:13,850 --> 01:47:12,060

people who have gone in who are on those

2488

01:47:15,669 --> 01:47:13,860

bigot lists that's the the list of the

2489

01:47:17,750 --> 01:47:15,679

Insiders in the program

2490

01:47:20,750 --> 01:47:17,760

it's very difficult to imagine them

2491

01:47:25,910 --> 01:47:20,760

wanting to to risk that

2492

01:47:31,370 --> 01:47:28,790

there she is there's my wife's biscuit

2493

01:47:33,649 --> 01:47:31,380

or cake Ross cult artist oh Colt Ross

2494

01:47:36,290 --> 01:47:33,659

has said Thank you Tracy there is a

2495

01:47:38,390 --> 01:47:36,300

Congo line of people I forgot it was

2496

01:47:41,149 --> 01:47:38,400

Roth willing to vouch for David grush

2497

01:47:45,109 --> 01:47:41,159

there you go Tracy is the best now a

2498

01:47:48,169 --> 01:47:45,119

bigot list now before everybody that

2499

01:47:50,810 --> 01:47:48,179

that that uh is gonna jump to a

2500

01:47:54,590 --> 01:47:50,820

conclusion because of uh what it is

2501

01:47:58,729 --> 01:47:54,600

called this was uh not bigot like you

2502

01:48:02,629 --> 01:47:58,739

think bigot b-i-g-o-t correct is World

2503

01:48:06,169 --> 01:48:02,639

War II World War II the British uh uh

2504

01:48:08,750 --> 01:48:06,179

were getting ready to uh to do some

2505

01:48:13,370 --> 01:48:08,760

stuff and but it was the ultimate in

2506

01:48:16,790 --> 01:48:13,380

secret information so to get access to

2507

01:48:18,890 --> 01:48:16,800

the things that were going on you had to

2508

01:48:20,810 --> 01:48:18,900

be added to the bigot list the big

2509

01:48:23,390 --> 01:48:20,820

acronym it stands for I can't remember

2510

01:48:26,149 --> 01:48:23,400

the exact acronym do you know that I'll

2511

01:48:31,910 --> 01:48:26,159

give you the acronym right now it's uh

2512

01:48:35,870 --> 01:48:31,920

it stands for uh uh to Gibraltar okay

2513

01:48:38,470 --> 01:48:35,880

and so uh it's a reversal of the

2514

01:48:42,070 --> 01:48:38,480

co-words to give

2515

01:48:46,250 --> 01:48:42,080

t-o-g-i-b meaning two Gibaltars so it's

2516

01:48:50,750 --> 01:48:46,260

backwards okay so that was the invasion

2517

01:48:52,970 --> 01:48:50,760

plans okay so anyway but uh it's a list

2518

01:48:55,550 --> 01:48:52,980

of personnel possessing appropriate

2519

01:48:57,770 --> 01:48:55,560

security clearance and who are cleared

2520

01:49:01,070 --> 01:48:57,780

to no details of a particular operation

2521

01:49:04,010 --> 01:49:01,080

or other sensitive information and so

2522

01:49:06,530 --> 01:49:04,020

the bigot list for something like okay

2523

01:49:10,250 --> 01:49:06,540

I'll give you an example reverse

2524

01:49:13,189 --> 01:49:10,260

engineering spacecraft at Lockheed right

2525

01:49:16,010 --> 01:49:13,199

sure junk works if you are probably the

2526

01:49:17,810 --> 01:49:16,020

list that Wilson looked at back in 1997.

2527

01:49:18,850 --> 01:49:17,820

that's right that was the biggest he

2528

01:49:22,510 --> 01:49:18,860

looked at

2529

01:49:25,550 --> 01:49:22,520

to get on that list it's it's it's it's

2530

01:49:27,169 --> 01:49:25,560

background it's security clearances but

2531

01:49:29,510 --> 01:49:27,179

it's also Trust

2532

01:49:32,810 --> 01:49:29,520

you have to try and and one of the

2533

01:49:34,330 --> 01:49:32,820

things is you will never

2534

01:49:36,290 --> 01:49:34,340

ever

2535

01:49:37,490 --> 01:49:36,300

disclose this

2536

01:49:41,450 --> 01:49:37,500

ever

2537

01:49:44,209 --> 01:49:41,460

that's it no matter what chips go down

2538

01:49:47,209 --> 01:49:44,219

no matter what threats no matter what

2539

01:49:50,330 --> 01:49:47,219

happens right your puppies are being

2540

01:49:53,330 --> 01:49:50,340

killed but you're not talking and and

2541

01:49:57,169 --> 01:49:53,340

that's the bigot list and so to get on

2542

01:49:59,209 --> 01:49:57,179

that list is for somebody like you know

2543

01:50:02,290 --> 01:49:59,219

to step off of the list and say okay I

2544

01:50:05,450 --> 01:50:02,300

worked at Lockheed Skunk Works yes

2545

01:50:06,950 --> 01:50:05,460

that is for everybody that has been

2546

01:50:11,990 --> 01:50:06,960

working in this program you've now

2547

01:50:14,390 --> 01:50:12,000

betrayed them and is that list that

2548

01:50:17,390 --> 01:50:14,400

strong and that powerful and I'm gonna

2549

01:50:18,250 --> 01:50:17,400

say yes I think the answer clearly is

2550

01:50:20,570 --> 01:50:18,260

yes

2551

01:50:26,810 --> 01:50:20,580

I think so

2552

01:50:29,330 --> 01:50:26,820

asked me over the years why don't one of

2553

01:50:32,810 --> 01:50:29,340

these insiders just break ranks and and

2554

01:50:35,629 --> 01:50:32,820

give up the game and name names and uh

2555

01:50:37,430 --> 01:50:35,639

I mean I'm no expert I don't I don't

2556

01:50:39,290 --> 01:50:37,440

you know I don't know how a lot of these

2557

01:50:41,510 --> 01:50:39,300

people think and I only I only know a

2558

01:50:43,910 --> 01:50:41,520

couple of of

2559

01:50:45,470 --> 01:50:43,920

individuals who are in a position where

2560

01:50:46,669 --> 01:50:45,480

they might be able to do something like

2561

01:50:48,709 --> 01:50:46,679

that

2562

01:50:49,910 --> 01:50:48,719

and but I do know they're obsessed with

2563

01:50:52,490 --> 01:50:49,920

their maintaining their security

2564

01:50:54,830 --> 01:50:52,500

clearances they're obsessed with it it

2565

01:50:56,090 --> 01:50:54,840

means everything to them so what's next

2566

01:50:57,470 --> 01:50:56,100

though

2567

01:50:59,629 --> 01:50:57,480

well that's an interesting well maybe

2568

01:51:00,830 --> 01:50:59,639

the hearings are next that would be

2569

01:51:02,270 --> 01:51:00,840

interesting

2570

01:51:05,270 --> 01:51:02,280

um here's here's something that we need

2571

01:51:07,910 --> 01:51:05,280

to point out when Dr Sean Kirkpatrick

2572

01:51:10,250 --> 01:51:07,920

was giving his briefing

2573

01:51:11,750 --> 01:51:10,260

to the the senate committee just uh what

2574

01:51:13,430 --> 01:51:11,760

month or two ago

2575

01:51:15,350 --> 01:51:13,440

you know he he

2576

01:51:20,510 --> 01:51:15,360

I think we we can say

2577

01:51:22,910 --> 01:51:20,520

he effectually lied when he said that

2578

01:51:24,770 --> 01:51:22,920

the arrow office had no evidence

2579

01:51:27,410 --> 01:51:24,780

that any of these UAP were

2580

01:51:28,910 --> 01:51:27,420

extraterrestrial or you know along those

2581

01:51:31,010 --> 01:51:28,920

lines and he did say that he was very

2582

01:51:32,689 --> 01:51:31,020

explicit now

2583

01:51:36,530 --> 01:51:32,699

because you have to you have to assume

2584

01:51:37,729 --> 01:51:36,540

he spoke with how many individuals who

2585

01:51:41,270 --> 01:51:37,739

came to him

2586

01:51:44,450 --> 01:51:41,280

who told him what they knew

2587

01:51:46,550 --> 01:51:44,460

about the inner workings of

2588

01:51:48,050 --> 01:51:46,560

crash retrieval program or in the case

2589

01:51:49,550 --> 01:51:48,060

of Robert Salas the missiles at

2590

01:51:52,790 --> 01:51:49,560

Malmstrom being shut down or whatever

2591

01:51:55,129 --> 01:51:52,800

like he was given I have no doubt he was

2592

01:51:57,050 --> 01:51:55,139

given a lot of very good information and

2593

01:51:58,609 --> 01:51:57,060

yet he goes in front of Senator

2594

01:52:00,709 --> 01:51:58,619

gillibrand and says nope no evidence

2595

01:52:05,030 --> 01:52:00,719

that these are extraterrestrial

2596

01:52:08,750 --> 01:52:05,040

now it could be that the arrow office

2597

01:52:12,770 --> 01:52:08,760

does not have the authority

2598

01:52:16,189 --> 01:52:12,780

actually to determine if these are

2599

01:52:20,030 --> 01:52:16,199

extraterrestrial that's a possibility

2600

01:52:21,410 --> 01:52:20,040

that that the the authority to determine

2601
01:52:23,090 --> 01:52:21,420
whether these are extraterrestrial or

2602
01:52:25,790 --> 01:52:23,100
not might fall

2603
01:52:27,770 --> 01:52:25,800
to a different group and in fact you

2604
01:52:29,689 --> 01:52:27,780
know if you remember Kirkpatrick did

2605
01:52:31,970 --> 01:52:29,699
hint this is what the most interesting

2606
01:52:35,229 --> 01:52:31,980
thing about is is briefing was when he

2607
01:52:38,629 --> 01:52:35,239
talked about this other group of senior

2608
01:52:40,129 --> 01:52:38,639
individuals who received the reports

2609
01:52:41,990 --> 01:52:40,139
from his office he didn't really

2610
01:52:43,430 --> 01:52:42,000
identify who they were or say anything

2611
01:52:44,930 --> 01:52:43,440
about them and there was no follow-up

2612
01:52:46,430 --> 01:52:44,940
about them and it was the first time

2613
01:52:49,850 --> 01:52:46,440

that I'd heard that there was this

2614

01:52:52,370 --> 01:52:49,860

independent group of senior analysts who

2615

01:52:53,930 --> 01:52:52,380

looked at the arrow reports so I don't

2616

01:52:56,149 --> 01:52:53,940

know who has the authority but it could

2617

01:52:58,790 --> 01:52:56,159

very well be that hid he and his office

2618

01:53:00,590 --> 01:52:58,800

do not have the authority to make a

2619

01:53:02,330 --> 01:53:00,600

determination that these reports are

2620

01:53:05,270 --> 01:53:02,340

extraterrestrial and if that's the case

2621

01:53:06,970 --> 01:53:05,280

then he could legally say we have no

2622

01:53:09,109 --> 01:53:06,980

evidence that these are extraterrestrial

2623

01:53:12,050 --> 01:53:09,119

even though

2624

01:53:15,350 --> 01:53:12,060

he probably knows damn well that that's

2625

01:53:18,590 --> 01:53:15,360

the best explanation so they they were

2626

01:53:20,270 --> 01:53:18,600

not truthful and I just think that is

2627

01:53:22,370 --> 01:53:20,280

important for us to say I don't think

2628

01:53:24,470 --> 01:53:22,380

that his office was truthful but all of

2629

01:53:26,390 --> 01:53:24,480

those whistleblowers or individuals who

2630

01:53:28,370 --> 01:53:26,400

came to his office

2631

01:53:30,890 --> 01:53:28,380

I think it's at least a dozen or maybe

2632

01:53:33,050 --> 01:53:30,900

20 right about 20 people

2633

01:53:35,390 --> 01:53:33,060

well I think they should be subpoenaed

2634

01:53:38,330 --> 01:53:35,400

for the hearings yeah he said more more

2635

01:53:41,750 --> 01:53:38,340

than two dozen I think is is that sounds

2636

01:53:43,490 --> 01:53:41,760

right so I think I think hearings

2637

01:53:44,930 --> 01:53:43,500

in the next

2638

01:53:47,810 --> 01:53:44,940

I don't know a couple weeks month

2639

01:53:51,109 --> 01:53:47,820

whatever this might be soon

2640

01:53:53,990 --> 01:53:51,119

this might be really soon and if it is

2641

01:53:56,330 --> 01:53:54,000

well those people all all of them should

2642

01:53:58,370 --> 01:53:56,340

be subpoenaed to give testimony every

2643

01:54:02,350 --> 01:53:58,380

single one of them

2644

01:54:06,470 --> 01:54:02,360

the uh the the other part with this

2645

01:54:09,470 --> 01:54:06,480

would can we expect

2646

01:54:11,750 --> 01:54:09,480

to have documents and photographs put in

2647

01:54:14,629 --> 01:54:11,760

the public record and and shown at the

2648

01:54:17,870 --> 01:54:14,639

at the hearing video I think that would

2649

01:54:19,250 --> 01:54:17,880

be great uh will it happen I don't know

2650

01:54:21,229 --> 01:54:19,260

I don't know what kind of country we

2651

01:54:23,030 --> 01:54:21,239

have anymore like is this do we have

2652

01:54:24,890 --> 01:54:23,040

that type of society where these things

2653

01:54:26,930 --> 01:54:24,900

will make it to the public record I

2654

01:54:28,550 --> 01:54:26,940

talked to uh my friend Steve Bassett

2655

01:54:30,530 --> 01:54:28,560

he'll say yes that absolutely will

2656

01:54:33,109 --> 01:54:30,540

happen I hope that is true I don't know

2657

01:54:35,209 --> 01:54:33,119

I don't know how this is the protocols

2658

01:54:38,750 --> 01:54:35,219

of these hearings right right if you're

2659

01:54:39,950 --> 01:54:38,760

Marco Rubio right I'm just use Marco as

2660

01:54:42,109 --> 01:54:39,960

an example

2661

01:54:43,550 --> 01:54:42,119

um but if you're Marco Rubio you're

2662

01:54:47,149 --> 01:54:43,560

chairing the committee and you're

2663

01:54:49,910 --> 01:54:47,159

staring you know at your witness and uh

2664

01:54:53,270 --> 01:54:49,920

and in this case it's David grush and

2665

01:54:55,189 --> 01:54:53,280

you go okay all right good story

2666

01:54:58,669 --> 01:54:55,199

you got a picture

2667

01:55:03,410 --> 01:54:58,679

right and and as a matter of fact I do

2668

01:55:06,590 --> 01:55:03,420

right and and do we see that is that

2669

01:55:08,930 --> 01:55:06,600

under seal or you know and and this

2670

01:55:11,689 --> 01:55:08,940

hearing is in public

2671

01:55:13,370 --> 01:55:11,699

uh are they gonna do this behind that's

2672

01:55:16,250 --> 01:55:13,380

a good question that's a good question I

2673

01:55:17,689 --> 01:55:16,260

you know I don't know I have no idea uh

2674

01:55:21,290 --> 01:55:17,699

and your other question that's very on

2675

01:55:23,030 --> 01:55:21,300

point like well uh because I mean

2676

01:55:25,430 --> 01:55:23,040

clearly a lot of this information has

2677

01:55:27,070 --> 01:55:25,440

been classified we have to assume and so

2678

01:55:30,290 --> 01:55:27,080

the question will be

2679

01:55:31,910 --> 01:55:30,300

I don't I mean again this is not my

2680

01:55:33,470 --> 01:55:31,920

expertise in any way but I'm going to

2681

01:55:35,689 --> 01:55:33,480

assume that the hearing does not have

2682

01:55:37,609 --> 01:55:35,699

the authority simply to declassify

2683

01:55:39,649 --> 01:55:37,619

documents willy-nilly I mean do they

2684

01:55:41,750 --> 01:55:39,659

have that ability I'm thinking probably

2685

01:55:45,470 --> 01:55:41,760

not but maybe I'm wrong maybe they have

2686

01:55:47,990 --> 01:55:45,480

they can do that but if it's classified

2687

01:55:49,070 --> 01:55:48,000

than in a public hearing I would have to

2688

01:55:51,050 --> 01:55:49,080

assume

2689

01:55:52,729 --> 01:55:51,060

those types of documents might not see

2690

01:55:56,990 --> 01:55:52,739

the light of dang

2691

01:55:58,609 --> 01:55:57,000

you're the second point in uh A.D after

2692

01:56:01,209 --> 01:55:58,619

disclosure which you and I have

2693

01:56:03,729 --> 01:56:01,219

discussed over the years many many times

2694

01:56:09,109 --> 01:56:03,739

but I

2695

01:56:11,229 --> 01:56:09,119

something like this right some USB disk

2696

01:56:16,629 --> 01:56:11,239

right

2697

01:56:20,090 --> 01:56:16,639

some terabyte SSD USB crazy

2698

01:56:23,090 --> 01:56:20,100

something like that is going to pop

2699

01:56:26,090 --> 01:56:23,100

it's it there I I just don't think that

2700

01:56:29,390 --> 01:56:26,100

there is a way to keep everything

2701

01:56:31,729 --> 01:56:29,400

it was it it was easier 25 years ago it

2702

01:56:33,890 --> 01:56:31,739

was easier 50 years ago it's a different

2703

01:56:35,930 --> 01:56:33,900

world yeah yeah and this is something

2704

01:56:38,030 --> 01:56:35,940

again when we wrote A.D

2705

01:56:40,790 --> 01:56:38,040

one of one of the biggest reasons I used

2706

01:56:41,689 --> 01:56:40,800

I for years I would say disclosure is a

2707

01:56:44,390 --> 01:56:41,699

paradox

2708

01:56:47,030 --> 01:56:44,400

it's impossible and it's inevitable it's

2709

01:56:48,590 --> 01:56:47,040

both it's I always said it was

2710

01:56:50,629 --> 01:56:48,600

impossible because

2711

01:56:53,450 --> 01:56:50,639

you can really never see the motivation

2712

01:56:55,310 --> 01:56:53,460

for let's say the powers that be to give

2713

01:56:57,169 --> 01:56:55,320

this up voluntarily there's just too

2714

01:56:59,030 --> 01:56:57,179

much for them to lose and too much for

2715

01:57:00,050 --> 01:56:59,040

them to gain if they keep the secret to

2716

01:57:01,910 --> 01:57:00,060

themselves

2717

01:57:04,010 --> 01:57:01,920

that I can understand

2718

01:57:06,050 --> 01:57:04,020

but I always felt there was an

2719

01:57:08,689 --> 01:57:06,060

inevitability to the ending of UFO

2720

01:57:10,970 --> 01:57:08,699

secrecy simply because of the nature of

2721

01:57:12,530 --> 01:57:10,980

the world we now live in and partly it's

2722

01:57:14,510 --> 01:57:12,540

the web you know it's the

2723

01:57:16,430 --> 01:57:14,520

interconnectivity that we all have I

2724

01:57:18,770 --> 01:57:16,440

mean again we wrote this in 2009 and

2725

01:57:21,169 --> 01:57:18,780

2010 when

2726

01:57:23,450 --> 01:57:21,179

the web still seemed like a very free

2727

01:57:25,370 --> 01:57:23,460

place and there was not these uh

2728

01:57:27,770 --> 01:57:25,380

parameters that are being placed on it

2729

01:57:30,950 --> 01:57:27,780

to to guard us against ourselves

2730

01:57:33,649 --> 01:57:30,960

but even so I do think there's enough

2731

01:57:37,189 --> 01:57:33,659

pressure coming up from below from the

2732

01:57:39,410 --> 01:57:37,199

people to potentially Force this issue

2733

01:57:41,930 --> 01:57:39,420

open I and I do think that that remains

2734

01:57:43,250 --> 01:57:41,940

a possibility we have a lot stacked

2735

01:57:45,410 --> 01:57:43,260

against us

2736

01:57:48,189 --> 01:57:45,420

we should really not lose sight of that

2737

01:57:51,290 --> 01:57:48,199

we've got a very very powerful centrally

2738

01:57:53,089 --> 01:57:51,300

established group of people they control

2739

01:57:54,890 --> 01:57:53,099

the global Finance they control the

2740

01:57:57,770 --> 01:57:54,900

political systems they control the media

2741

01:57:59,570 --> 01:57:57,780

they control big Pharma they can they

2742

01:58:01,790 --> 01:57:59,580

control pretty much everything

2743

01:58:03,350 --> 01:58:01,800

and you know and they are the

2744

01:58:05,930 --> 01:58:03,360

technocrats who are creating a

2745

01:58:08,330 --> 01:58:05,940

technocracy to rule this world that's

2746

01:58:16,089 --> 01:58:08,340

what they're doing is the Petro dollar

2747

01:58:21,830 --> 01:58:19,729

it's not what it was in 1974 that's not

2748

01:58:26,149 --> 01:58:21,840

what it was two years ago two years ago

2749

01:58:29,330 --> 01:58:26,159

yeah it's in real trouble my most most

2750

01:58:31,790 --> 01:58:29,340

people don't understand Richard they

2751

01:58:35,750 --> 01:58:31,800

don't understand that every barrel of

2752

01:58:38,510 --> 01:58:35,760

oil sold on this planet no matter who or

2753

01:58:40,370 --> 01:58:38,520

what we make money on the United States

2754

01:58:42,410 --> 01:58:40,380

that's called the petrodollar that's it

2755

01:58:44,390 --> 01:58:42,420

this is all that the decline is due to

2756

01:58:47,209 --> 01:58:44,400

utterly I mean we're out of time but

2757

01:58:48,890 --> 01:58:47,219

Reckless Reckless policies by the United

2758

01:58:50,270 --> 01:58:48,900

States government over the last two

2759

01:58:52,310 --> 01:58:50,280

years particularly in the realm of

2760

01:58:54,169 --> 01:58:52,320

international relations there has never

2761

01:58:57,169 --> 01:58:54,179

been I know you'd want to hear politics

2762

01:59:00,410 --> 01:58:57,179

but there has never been such deep deep

2763

01:59:02,209 --> 01:59:00,420

incompetence and criminal negligence in

2764

01:59:05,589 --> 01:59:02,219

U.S foreign relations as we have seen in

2765

01:59:12,370 --> 01:59:09,589

if disclosure happens the Stephen Greer

2766

01:59:16,729 --> 01:59:12,380

version the the grush

2767

01:59:18,470 --> 01:59:16,739

my version your version whatever if it

2768

01:59:21,890 --> 01:59:18,480

happens

2769

01:59:25,790 --> 01:59:21,900

um the petrodite I I don't know if we

2770

01:59:28,070 --> 01:59:25,800

are completely aware of what that would

2771

01:59:30,070 --> 01:59:28,080

do to the world economy oh yeah the

2772

01:59:32,870 --> 01:59:30,080

energy Paradigm changes

2773

01:59:36,050 --> 01:59:32,880

look a 10 year old kid who sees a

2774

01:59:38,209 --> 01:59:36,060

zigzagging UFO moving across the sky is

2775

01:59:41,149 --> 01:59:38,219

going to realize uh whatever is making

2776

01:59:44,930 --> 01:59:41,159

that thing go it's not gasoline right

2777

01:59:47,689 --> 01:59:44,940

so it's something a little bit niftier

2778

01:59:49,910 --> 01:59:47,699

and whatever that is you know when you

2779

01:59:53,270 --> 01:59:49,920

get disclosure

2780

01:59:56,570 --> 01:59:53,280

we're gonna figure that out Nifty figure

2781

01:59:58,010 --> 01:59:56,580

it out it's niftier Nifty it's a good

2782

01:59:58,870 --> 01:59:58,020

it's an old-fashioned word yeah that's a

2783

02:00:03,460 --> 01:59:58,880

good word

2784

02:00:05,270 --> 02:00:03,470

man you muck right Mark muckracking

2785

02:00:06,609 --> 02:00:05,280

[Music]

2786

02:00:09,470 --> 02:00:06,619

um but yeah

2787

02:00:13,010 --> 02:00:09,480

you need to be really careful about what

2788

02:00:16,609 --> 02:00:13,020

you wish for but the the the other side

2789

02:00:20,450 --> 02:00:16,619

of it is uh there could be

2790

02:00:22,129 --> 02:00:20,460

um and my take is and and then we'll

2791

02:00:23,830 --> 02:00:22,139

wrap this up

2792

02:00:28,070 --> 02:00:23,840

I think that

2793

02:00:29,810 --> 02:00:28,080

Washington knows something

2794

02:00:32,930 --> 02:00:29,820

and they know something's about to break

2795

02:00:35,990 --> 02:00:32,940

that is out of their control there may

2796

02:00:38,089 --> 02:00:36,000

be a fleet of stuff on its way here and

2797

02:00:41,149 --> 02:00:38,099

they know about it and it's gonna arrive

2798

02:00:43,250 --> 02:00:41,159

in two years or whatever that maybe they

2799

02:00:47,030 --> 02:00:43,260

know something like that that something

2800

02:00:50,209 --> 02:00:47,040

is inevitable and you got to rip off

2801
02:00:52,790 --> 02:00:50,219
that band-aid and and maybe that's

2802
02:00:56,089 --> 02:00:52,800
that's what's in play here and so the

2803
02:00:59,629 --> 02:00:56,099
world economy and everything else uh

2804
02:01:02,209 --> 02:00:59,639
they've they've got something uh in the

2805
02:01:04,310 --> 02:01:02,219
works here's some here's the thought

2806
02:01:05,930 --> 02:01:04,320
and I'm not I'm not going partisan one

2807
02:01:08,750 --> 02:01:05,940
way or the other but if you want to look

2808
02:01:10,250 --> 02:01:08,760
at like Joe Biden's re-election chances

2809
02:01:11,570 --> 02:01:10,260
all right this guy's got some trouble

2810
02:01:14,810 --> 02:01:11,580
he's got some real negative reviews

2811
02:01:16,729 --> 02:01:14,820
everyone knows he's not real not all

2812
02:01:18,890 --> 02:01:16,739
there and a lot of bad things going on

2813
02:01:20,570 --> 02:01:18,900

and no one likes the vice president uh

2814

02:01:21,589 --> 02:01:20,580

candidate to replace him she's even less

2815

02:01:23,870 --> 02:01:21,599

popular

2816

02:01:25,430 --> 02:01:23,880

uh and no one knows what's going to

2817

02:01:27,050 --> 02:01:25,440

happen with Trump is he going to be able

2818

02:01:29,209 --> 02:01:27,060

to run or are they going to lawfare him

2819

02:01:30,589 --> 02:01:29,219

to death or whatever's going on

2820

02:01:33,830 --> 02:01:30,599

but

2821

02:01:35,870 --> 02:01:33,840

and and you know the current military

2822

02:01:37,189 --> 02:01:35,880

escapades in Ukraine are not going well

2823

02:01:38,990 --> 02:01:37,199

from a western point of view we'll just

2824

02:01:40,070 --> 02:01:39,000

leave it there so with all of that

2825

02:01:42,229 --> 02:01:40,080

happening

2826
02:01:43,609 --> 02:01:42,239
if you're on the team to re-elect the

2827
02:01:46,010 --> 02:01:43,619
current president

2828
02:01:48,530 --> 02:01:46,020
I actually Wonder

2829
02:01:50,990 --> 02:01:48,540
are they thinking of playing this card

2830
02:01:54,050 --> 02:01:51,000
right

2831
02:01:55,310 --> 02:01:54,060
I mean I know it seems insane it seems

2832
02:01:57,770 --> 02:01:55,320
crazy but

2833
02:01:59,629 --> 02:01:57,780
you gotta wonder you got this could be

2834
02:02:01,729 --> 02:01:59,639
like a political gift

2835
02:02:04,010 --> 02:02:01,739
for them

2836
02:02:06,970 --> 02:02:04,020
to take this bull by the horns as it

2837
02:02:11,030 --> 02:02:06,980
were and say yup it's real but of course

2838
02:02:14,209 --> 02:02:11,040

that the problem with that is

2839

02:02:17,870 --> 02:02:14,219

God Almighty like the the questions that

2840

02:02:19,570 --> 02:02:17,880

the Pandora's box that is opened up as a

2841

02:02:21,229 --> 02:02:19,580

result

2842

02:02:23,689 --> 02:02:21,239

is

2843

02:02:26,089 --> 02:02:23,699

has only been written about once and

2844

02:02:28,609 --> 02:02:26,099

that was by myself and Bryce Abel in our

2845

02:02:31,550 --> 02:02:28,619

wonderful book A.D after disclosure but

2846

02:02:34,189 --> 02:02:31,560

we what we saw was

2847

02:02:35,570 --> 02:02:34,199

potential pandemonium I mean just not

2848

02:02:37,310 --> 02:02:35,580

people running around in the streets

2849

02:02:40,550 --> 02:02:37,320

that type of thing but

2850

02:02:42,350 --> 02:02:40,560

a a social

2851

02:02:44,570 --> 02:02:42,360

and political and intellectual

2852

02:02:47,270 --> 02:02:44,580

Revolution definitely happening in in

2853

02:02:49,250 --> 02:02:47,280

the world and the results of which are

2854

02:02:51,229 --> 02:02:49,260

not easy to predict

2855

02:02:52,669 --> 02:02:51,239

and that's not that's not good if you're

2856

02:02:54,589 --> 02:02:52,679

if you're at the top of the power

2857

02:02:56,629 --> 02:02:54,599

pyramid you don't want things to be

2858

02:02:58,609 --> 02:02:56,639

shaken up that much because that's

2859

02:03:00,709 --> 02:02:58,619

that's when things can change against

2860

02:03:04,490 --> 02:03:00,719

your interests

2861

02:03:07,010 --> 02:03:04,500

you mean I lost my house and my car

2862

02:03:09,589 --> 02:03:07,020

because I couldn't pay my gas and

2863

02:03:12,050 --> 02:03:09,599

electric bill and you had free energy

2864

02:03:13,550 --> 02:03:12,060

for the last 80 years

2865

02:03:16,729 --> 02:03:13,560

you don't think you have to be some

2866

02:03:18,649 --> 02:03:16,739

pissed off people last option lawsuits

2867

02:03:20,270 --> 02:03:18,659

I've been hearing years ago Linda

2868

02:03:21,470 --> 02:03:20,280

Moulton Howe going off on she's saying

2869

02:03:23,629 --> 02:03:21,480

you know think about the airline

2870

02:03:25,430 --> 02:03:23,639

industry all the energy and fuel that

2871

02:03:26,570 --> 02:03:25,440

they waste and if there was a better

2872

02:03:28,910 --> 02:03:26,580

solution and I thought you know what

2873

02:03:33,530 --> 02:03:28,920

you're right like there's a lot of

2874

02:03:36,890 --> 02:03:33,540

there's a lot of uh areas for

2875

02:03:39,169 --> 02:03:36,900

angry you know torches in the street

2876

02:03:41,149 --> 02:03:39,179

pitchforks coming after the powers that

2877

02:03:43,910 --> 02:03:41,159

be over this lie and then we haven't

2878

02:03:45,890 --> 02:03:43,920

even gotten into abductions no we have

2879

02:03:49,490 --> 02:03:45,900

here you know I know we don't have time

2880

02:03:52,070 --> 02:03:49,500

but the the issues never end with this

2881

02:03:53,870 --> 02:03:52,080

subject that the structure to me that

2882

02:03:55,189 --> 02:03:53,880

it's been the structure of the secrecy

2883

02:03:57,890 --> 02:03:55,199

that's been my number one thing it's

2884

02:04:00,589 --> 02:03:57,900

like how have you kept this secret for

2885

02:04:03,530 --> 02:04:00,599

so long how have you perverted and

2886

02:04:05,390 --> 02:04:03,540

damaged are institutions that we hold so

2887

02:04:07,310 --> 02:04:05,400

sacrosanct because you know what here's

2888

02:04:10,070 --> 02:04:07,320

the thing I'm not interested in

2889

02:04:12,950 --> 02:04:10,080

disclosure within a fascist totalitarian

2890

02:04:15,050 --> 02:04:12,960

technocracy I'm not interested I'm

2891

02:04:17,209 --> 02:04:15,060

interested in disclosure within a free

2892

02:04:18,950 --> 02:04:17,219

society which is what I was born into at

2893

02:04:21,470 --> 02:04:18,960

least what I thought I was born into and

2894

02:04:24,790 --> 02:04:21,480

so I want

2895

02:04:27,410 --> 02:04:24,800

uh I want to know why this secret

2896

02:04:29,930 --> 02:04:27,420

destroyed the Republic I was I thought I

2897

02:04:31,609 --> 02:04:29,940

was born into I'd like to know what

2898

02:04:33,770 --> 02:04:31,619

happened to the academic institution how

2899

02:04:35,990 --> 02:04:33,780

were they just so diverted from their

2900

02:04:37,910 --> 02:04:36,000

cause of looking into the truth because

2901

02:04:39,169 --> 02:04:37,920

they were and they were manipulated by

2902

02:04:41,570 --> 02:04:39,179

the intelligence Community everyone

2903

02:04:43,189 --> 02:04:41,580

knows that same with the media which is

2904

02:04:44,870 --> 02:04:43,199

supposed to be the Watchdog of the

2905

02:04:47,149 --> 02:04:44,880

public in a functioning Democratic

2906

02:04:50,629 --> 02:04:47,159

Society which we know was just thrown

2907

02:04:52,550 --> 02:04:50,639

you know overboard back in the 1940s at

2908

02:04:53,870 --> 02:04:52,560

the latest in terms of freedom of

2909

02:04:55,850 --> 02:04:53,880

inquiry and all that I mean they've just

2910

02:04:59,450 --> 02:04:55,860

betrayed us they've betrayed their

2911

02:05:03,050 --> 02:04:59,460

ideals that's what the UFO secret did it

2912

02:05:08,750 --> 02:05:03,060

it wrecked the American dream

2913

02:05:11,689 --> 02:05:08,760

the Betty and Barney Hill movie project

2914

02:05:14,930 --> 02:05:11,699

um has been green lighted by Netflix

2915

02:05:17,689 --> 02:05:14,940

guess who's production company is doing

2916

02:05:20,229 --> 02:05:17,699

it that's Barack Obama right yeah Barack

2917

02:05:24,770 --> 02:05:20,239

Michelle Obama

2918

02:05:26,390 --> 02:05:24,780

isn't that interesting Richard what do

2919

02:05:28,550 --> 02:05:26,400

you put out do you have a new show out

2920

02:05:30,890 --> 02:05:28,560

tomorrow is it Tuesdays or Wednesdays

2921

02:05:32,689 --> 02:05:30,900

yeah I know it's Tuesdays and um

2922

02:05:34,790 --> 02:05:32,699

actually did an interview for it but I

2923

02:05:36,290 --> 02:05:34,800

think I'm gonna put that off later in

2924

02:05:39,709 --> 02:05:36,300

the week and I'm gonna I'm gonna do

2925

02:05:42,169 --> 02:05:39,719

something solo for tomorrow okay I found

2926

02:05:43,550 --> 02:05:42,179

everything that's been going on

2927

02:05:44,930 --> 02:05:43,560

you know it's kind of annoying it's a

2928

02:05:46,970 --> 02:05:44,940

lot of work I don't like all this extra

2929

02:05:49,250 --> 02:05:46,980

work I just want to go back to writing

2930

02:05:51,470 --> 02:05:49,260

my uh my current book project but hey

2931

02:05:54,050 --> 02:05:51,480

history has intervened we're seeing

2932

02:05:55,790 --> 02:05:54,060

history in the making and I've gotta

2933

02:05:57,109 --> 02:05:55,800

like okay we've got to divert ourselves

2934

02:05:59,750 --> 02:05:57,119

and we really have to look at this

2935

02:06:03,589 --> 02:05:59,760

carefully because what is happening now

2936

02:06:05,149 --> 02:06:03,599

is important it's very significant and

2937

02:06:06,530 --> 02:06:05,159

um it's important that we understand it

2938

02:06:08,629 --> 02:06:06,540

it's important for me that I understand

2939

02:06:10,430 --> 02:06:08,639

it properly and

2940

02:06:12,709 --> 02:06:10,440

um and I hate you know I mean I never

2941

02:06:14,270 --> 02:06:12,719

like commenting on things right away I'm

2942

02:06:15,950 --> 02:06:14,280

just not that kind of a person other

2943

02:06:18,950 --> 02:06:15,960

other people have no problem with it but

2944

02:06:22,129 --> 02:06:18,960

for me I like to take my time I like to

2945

02:06:24,709 --> 02:06:22,139

reflect I don't like to just jump in and

2946

02:06:26,510 --> 02:06:24,719

have some kind of snap conclusion the

2947

02:06:28,310 --> 02:06:26,520

problem is when you're a public person

2948

02:06:30,950 --> 02:06:28,320

in this field

2949

02:06:35,270 --> 02:06:30,960

people want you to have an opinion right

2950

02:06:36,709 --> 02:06:35,280

away but it's important for me to

2951

02:06:39,649 --> 02:06:36,719

um I just want to be measured I just

2952

02:06:40,790 --> 02:06:39,659

want to be careful and get my facts

2953

02:06:43,310 --> 02:06:40,800

straight so I think I will have

2954

02:06:44,390 --> 02:06:43,320

something uh fresh for tomorrow that's

2955

02:06:46,430 --> 02:06:44,400

my plan

2956

02:06:48,649 --> 02:06:46,440

you're the best Richard give my best to

2957

02:06:51,470 --> 02:06:48,659

Tracy just thank you so much I know we

2958

02:06:53,870 --> 02:06:51,480

ran a little bit over tonight uh but

2959

02:06:55,669 --> 02:06:53,880

we've left a lot on the table we could

2960

02:06:57,950 --> 02:06:55,679

have kept us going for the next five six

2961

02:07:00,290 --> 02:06:57,960

hours Jimmy I love my interviews with

2962

02:07:02,149 --> 02:07:00,300

you you I I always enjoy them honestly I

2963

02:07:04,490 --> 02:07:02,159

just think you do a great job in

2964

02:07:07,490 --> 02:07:04,500

interviewing me you get things out of me

2965

02:07:09,370 --> 02:07:07,500

that uh don't usually come out so that's

2966

02:07:13,010 --> 02:07:09,380

good

2967

02:07:14,629 --> 02:07:13,020

uh Johnny Nash that's what I got out of

2968

02:07:17,030 --> 02:07:14,639

you today oh my goodness what a

2969

02:07:20,270 --> 02:07:17,040

beautiful song isn't it it's from an era

2970

02:07:23,570 --> 02:07:20,280

where people really were optimistic I

2971

02:07:25,850 --> 02:07:23,580

can see clearly now the rain is gone

2972

02:07:28,729 --> 02:07:25,860

see all obstacles in my way bright

2973

02:07:30,890 --> 02:07:28,739

sunshiny day I mean my God if if you

2974

02:07:32,270 --> 02:07:30,900

don't like that song there's something

2975

02:07:35,030 --> 02:07:32,280

wrong with you I mean it's just a

2976

02:07:39,669 --> 02:07:35,040

beautiful upbeat Perfect song one of my

2977

02:07:44,810 --> 02:07:43,010

it's wonderful you're ready to go it's a

2978

02:07:48,290 --> 02:07:44,820

wonderful song have a good night Richard

2979

02:07:50,570 --> 02:07:48,300

I'm sorry my friend thank you so much hi

2980

02:07:54,430 --> 02:07:50,580

everybody by fader nuts and uh anyone

2981

02:07:57,050 --> 02:07:54,440

else out there cheers thank you Richard

2982

02:07:59,930 --> 02:07:57,060

perfect show tonight thank you everybody

2983

02:08:04,370 --> 02:07:59,940

I am going to jump straight out of here

2984

02:08:06,169 --> 02:08:04,380

I realize that uh we ran over

2985

02:08:07,450 --> 02:08:06,179

um tomorrow night let's see here

2986

02:08:11,570 --> 02:08:07,460

tomorrow night

2987

02:08:13,790 --> 02:08:11,580

uh let's see oh tomorrow Dr John

2988

02:08:16,010 --> 02:08:13,800

Brandenburg is going to be with us we're

2989

02:08:20,270 --> 02:08:16,020

going to be talking about the life and

2990

02:08:24,470 --> 02:08:20,280

death on Mars all of that is tomorrow

2991

02:08:27,290 --> 02:08:24,480

night thank you Richard it is Ben uh one

2992

02:08:29,629 --> 02:08:27,300

of the craziest weeks that I can that I

2993

02:08:33,709 --> 02:08:29,639

can remember in a very very very long

2994

02:08:35,350 --> 02:08:33,719

time and uh very exciting and I agree

2995

02:08:39,410 --> 02:08:35,360

with Richard next

2996

02:08:43,310 --> 02:08:39,420

the hearings UFO hearings real ones fine

2997

02:08:45,410 --> 02:08:43,320

saucers alien bodies Fade to Black is

2998

02:08:47,270 --> 02:08:45,420

produced by him Jay Palm Renee Newman

2999

02:08:49,609 --> 02:08:47,280

and Michelle freed

3000

02:08:51,470 --> 02:08:49,619

thank you to Dennis and Kevin webmaster

3001
02:08:53,229 --> 02:08:51,480
is through the geek music Doug Albert's

3002
02:08:55,310 --> 02:08:53,239
intro space boy

3003
02:08:57,290 --> 02:08:55,320
spaceboymusic.com Fade to Black is

3004
02:08:59,689 --> 02:08:57,300
produced by kjcr for the game changer

3005
02:09:03,290 --> 02:08:59,699
Network this broadcast is owned and

3006
