

FADE TO BLACK

with JIMMY CHURCH

PRESENTS

DAVE BEATY

29 PALMS UAP AND MORE...

MON JUNE 19 2023 LIVE

700-900PM PT

1
00:00:00,359 --> 00:00:20,590
foreign

2
00:00:44,450 --> 00:00:40,560
[Music]

3
00:00:52,190 --> 00:00:48,830
game is rigged change the game changer

4
00:00:55,970 --> 00:00:52,200
I occasionally think how quickly our

5
00:00:58,610 --> 00:00:55,980
differences worldwide would vanish if we

6
00:00:59,610 --> 00:00:58,620
were facing an alien threat from outside

7
00:01:01,420 --> 00:00:59,620
this work

8
00:01:04,189 --> 00:01:01,430
[Music]

9
00:01:06,830 --> 00:01:04,199
[Applause]

10
00:01:09,710 --> 00:01:06,840
this is Fade to Black with your host

11
00:01:10,370 --> 00:01:09,720
Jimmy Church on the game changer Radio

12
00:01:11,830 --> 00:01:10,380
Network

13
00:01:12,860 --> 00:01:11,840

[Music]

14

00:01:15,370 --> 00:01:12,870

foreign

15

00:01:17,570 --> 00:01:15,380

[Music]

16

00:01:19,730 --> 00:01:17,580

to Black

17

00:01:23,149 --> 00:01:19,740

I'm your excuse me church today is

18

00:01:26,149 --> 00:01:23,159

Monday June 19th and tonight Dave Beatty

19

00:01:28,969 --> 00:01:26,159

is with us Dave of course uh we're all

20

00:01:31,670 --> 00:01:28,979

familiar with the Dave's work

21

00:01:34,969 --> 00:01:31,680

um and tonight we are he's a director

22

00:01:38,569 --> 00:01:34,979

he's a filmmaker he's a media specialist

23

00:01:42,350 --> 00:01:38,579

but he's also a UFO and UAP investigator

24

00:01:44,030 --> 00:01:42,360

and and researcher done a lot of work on

25

00:01:47,510 --> 00:01:44,040

the subject I could read through his

26

00:01:50,929 --> 00:01:47,520

entire bio but uh I won't do that I will

27

00:01:53,510 --> 00:01:50,939

say this though it was his work on the

28

00:01:54,490 --> 00:01:53,520

Nimitz encounter that caught my

29

00:01:57,950 --> 00:01:54,500

attention

30

00:02:00,710 --> 00:01:57,960

and uh ever since then I have been

31

00:02:03,350 --> 00:02:00,720

following every step of Dave's work and

32

00:02:06,410 --> 00:02:03,360

everything that he releases he sends me

33

00:02:08,210 --> 00:02:06,420

stuff from time to time too as well and

34

00:02:09,469 --> 00:02:08,220

uh so we're going to get straight to it

35

00:02:11,150 --> 00:02:09,479

tonight today we're going to talk about

36

00:02:12,490 --> 00:02:11,160

29 Palms

37

00:02:15,350 --> 00:02:12,500

uh

38

00:02:17,750 --> 00:02:15,360

flares yeah

39

00:02:20,150 --> 00:02:17,760

a giant triangle we might jump into the

40

00:02:25,210 --> 00:02:20,160

Nimitz encounter and of course uh Dave

41

00:02:28,729 --> 00:02:25,220

gresh uh who is as well should I say

42

00:02:30,050 --> 00:02:28,739

revealed himself as a whistleblower uh

43

00:02:31,430 --> 00:02:30,060

two weeks ago and I'm going to get

44

00:02:33,229 --> 00:02:31,440

straight to it tonight and say Dave

45

00:02:36,229 --> 00:02:33,239

welcome back to fade to black how you

46

00:02:39,020 --> 00:02:36,239

doing Jimmy it's great to be here man

47

00:02:41,449 --> 00:02:39,030

chunk of bra you know

48

00:02:42,309 --> 00:02:41,459

[Laughter]

49

00:02:46,550 --> 00:02:42,319

um

50

00:02:47,570 --> 00:02:46,560

Dave I what we should have done the real

51

00:02:50,750 --> 00:02:47,580

show

52

00:02:53,630 --> 00:02:50,760

is we should have done a live stream of

53

00:02:57,830 --> 00:02:53,640

the last 30 minutes that that that that

54

00:02:59,690 --> 00:02:57,840

was gold that was gold that was gold

55

00:03:03,229 --> 00:02:59,700

um sometimes we have to pray to the

56

00:03:05,330 --> 00:03:03,239

production Gods you know like please you

57

00:03:09,949 --> 00:03:05,340

know here's here's the see the smile on

58

00:03:13,910 --> 00:03:09,959

my face I I don't get upset anymore uh I

59

00:03:16,490 --> 00:03:13,920

don't uh we had a a technical issue and

60

00:03:18,830 --> 00:03:16,500

here's the thing

61

00:03:22,309 --> 00:03:18,840

um I'm gonna tell everybody what

62

00:03:24,309 --> 00:03:22,319

happened we lost one channel okay all

63

00:03:27,589 --> 00:03:24,319

right so we lost one channel now

64

00:03:29,890 --> 00:03:27,599

especially in a studio like this but any

65

00:03:34,190 --> 00:03:29,900

Production Studio

66

00:03:37,809 --> 00:03:34,200

when something like that one channel

67

00:03:41,750 --> 00:03:37,819

could be any cable right it could be

68

00:03:46,309 --> 00:03:41,760

anything anywhere and you have to chase

69

00:03:49,850 --> 00:03:46,319

it down and in this case it was the main

70

00:03:52,789 --> 00:03:49,860

mix button on the console I just at the

71

00:03:55,250 --> 00:03:52,799

end of everything we were 10 seconds to

72

00:03:57,110 --> 00:03:55,260

show time and it's like okay let me hit

73

00:04:00,890 --> 00:03:57,120

that and I heard it crackle and then

74

00:04:06,170 --> 00:04:00,900

boom it was it was a button shorting out

75

00:04:08,570 --> 00:04:06,180

and and you know and it's just oh man

76

00:04:11,630 --> 00:04:08,580

and Dave said the funniest thing uh to

77

00:04:15,370 --> 00:04:11,640

me he said in this digital world we

78

00:04:17,629 --> 00:04:15,380

still have analog buttons

79

00:04:19,370 --> 00:04:17,639

that was that was right before you're

80

00:04:21,409 --> 00:04:19,380

like okay we gotta cancel tonight Dave

81

00:04:23,870 --> 00:04:21,419

sorry man you know I can get you on in

82

00:04:26,870 --> 00:04:23,880

like three months it came down to that I

83

00:04:30,770 --> 00:04:26,880

go Dave you want to do a show on Friday

84

00:04:33,409 --> 00:04:30,780

I'm looking at the clock it's like 15 14

85

00:04:36,950 --> 00:04:33,419

13 Dave's like I'm out of the country on

86

00:04:39,650 --> 00:04:36,960

Friday then and I hit that and boom Dave

87

00:04:43,370 --> 00:04:39,660

we're going live right now and it's so

88

00:04:46,909 --> 00:04:43,380

funny we still have analog buttons all

89

00:04:48,409 --> 00:04:46,919

right here okay let's I'm so excited uh

90

00:04:50,530 --> 00:04:48,419

to have you back on the show let's get

91

00:04:53,810 --> 00:04:50,540

back

92

00:04:55,610 --> 00:04:53,820

okay the last 30 minutes we can uh put

93

00:04:59,870 --> 00:04:55,620

that behind us

94

00:05:02,930 --> 00:04:59,880

um the the world of UFOs

95

00:05:05,870 --> 00:05:02,940

and I I just wish to go back to UFOs by

96

00:05:07,490 --> 00:05:05,880

the way and let's get rid of UAP so it

97

00:05:10,010 --> 00:05:07,500

doesn't it doesn't grab people's

98

00:05:11,749 --> 00:05:10,020

attention you say UFOs right people

99

00:05:13,490 --> 00:05:11,759

understand exactly what you're talking

100

00:05:18,290 --> 00:05:13,500

about but

101
00:05:20,270 --> 00:05:18,300
if you are a historian a student of

102
00:05:23,029 --> 00:05:20,280
History especially about the subject of

103
00:05:25,730 --> 00:05:23,039
UFOs like I am and like you are

104
00:05:28,070 --> 00:05:25,740
the struggles that we are going through

105
00:05:32,510 --> 00:05:28,080
today they've been repeating themselves

106
00:05:37,070 --> 00:05:32,520
for 70 80 years right we're literally

107
00:05:38,870 --> 00:05:37,080
um on wash rinse repeat but this time

108
00:05:42,110 --> 00:05:38,880
around it feels a little bit different

109
00:05:44,570 --> 00:05:42,120
to me young man in that we've got

110
00:05:46,430 --> 00:05:44,580
everybody involved we've got the media

111
00:05:48,550 --> 00:05:46,440
we've got Washington we've got the

112
00:05:52,129 --> 00:05:48,560
Department of Defense we've got all the

113
00:05:54,350 --> 00:05:52,139

intelligence agencies and that entire

114

00:05:57,830 --> 00:05:54,360

Community involved now we've got

115

00:06:00,590 --> 00:05:57,840

whistleblowers and and hearings all

116

00:06:04,550 --> 00:06:00,600

kinds of crazy stuff and and then Crush

117

00:06:07,249 --> 00:06:04,560

uh surfaces two weeks ago have you ever

118

00:06:10,730 --> 00:06:07,259

seen it like this

119

00:06:13,490 --> 00:06:10,740

no I mean you know usually this topic

120

00:06:15,529 --> 00:06:13,500

area it's like one of those things where

121

00:06:18,770 --> 00:06:15,539

it's a dancer you know you're talking

122

00:06:20,270 --> 00:06:18,780

about a case from like 10 years ago and

123

00:06:22,490 --> 00:06:20,280

you're still talking about that case

124

00:06:24,409 --> 00:06:22,500

like every other day and and beating it

125

00:06:26,870 --> 00:06:24,419

like a dead horse

126

00:06:29,210 --> 00:06:26,880

um now there's so much coming down the

127

00:06:31,189 --> 00:06:29,220

pipeline that we don't have enough time

128

00:06:33,770 --> 00:06:31,199

to talk about all these different things

129

00:06:36,290 --> 00:06:33,780

you know what's tomorrow going to bring

130

00:06:38,629 --> 00:06:36,300

I mean really it's like there's so much

131

00:06:39,950 --> 00:06:38,639

that hey if you have the time to reach

132

00:06:42,650 --> 00:06:39,960

there's all this stuff and figure it all

133

00:06:45,529 --> 00:06:42,660

out then you know you can intelligently

134

00:06:47,090 --> 00:06:45,539

maybe hold a conversation but again I

135

00:06:48,770 --> 00:06:47,100

mean I'm trying to catch up just like

136

00:06:54,129 --> 00:06:48,780

everybody else really

137

00:06:56,770 --> 00:06:54,139

now what okay there there's uh Crush

138

00:07:00,110 --> 00:06:56,780

so much has been unpacked

139

00:07:03,590 --> 00:07:00,120

if we just get straight to the chase

140

00:07:07,850 --> 00:07:03,600

there's two things and then there's one

141

00:07:11,749 --> 00:07:07,860

result but it's flying saucers

142

00:07:14,570 --> 00:07:11,759

and Aliens right that's why that's

143

00:07:17,150 --> 00:07:14,580

that's the two takeaways we've got the

144

00:07:19,430 --> 00:07:17,160

craft we've got the bodies on Ice maybe

145

00:07:22,850 --> 00:07:19,440

some are still alive I I don't know

146

00:07:25,070 --> 00:07:22,860

about that part but this kind of throws

147

00:07:27,670 --> 00:07:25,080

things in a whole nother Direction too

148

00:07:31,370 --> 00:07:27,680

as well and you're right

149

00:07:34,189 --> 00:07:31,380

unpacking all of that is it's Insanity

150

00:07:35,990 --> 00:07:34,199

did you expect a whistleblower to come

151
00:07:40,189 --> 00:07:36,000
forward and say that we have intact

152
00:07:42,830 --> 00:07:40,199
alien craft and uh bodies on ice

153
00:07:45,589 --> 00:07:42,840
well I can just say straight up that I

154
00:07:47,930 --> 00:07:45,599
lost 200 bucks because I bet one of my

155
00:07:49,969 --> 00:07:47,940
friends online on Twitter there that you

156
00:07:52,129 --> 00:07:49,979
know no one was going to be coming

157
00:07:54,529 --> 00:07:52,139
forward that was a government employee

158
00:07:57,409 --> 00:07:54,539
claiming that there was crash

159
00:07:59,390 --> 00:07:57,419
retrieval programs and so on this is

160
00:08:01,129 --> 00:07:59,400
this rumor has been going on for a long

161
00:08:02,809 --> 00:08:01,139
time specifically within the UFO

162
00:08:05,450 --> 00:08:02,819
community and I've always been sort of a

163
00:08:07,430 --> 00:08:05,460

skeptic of it and so I'm like I felt

164

00:08:09,469 --> 00:08:07,440

pretty good odds that I could bet a

165

00:08:11,510 --> 00:08:09,479

couple hundred bucks at least I didn't

166

00:08:13,070 --> 00:08:11,520

lose a grand which I was kicking around

167

00:08:16,249 --> 00:08:13,080

a little bit but

168

00:08:17,870 --> 00:08:16,259

um that would have hurt way more so as

169

00:08:20,270 --> 00:08:17,880

long as this guy turns out to be

170

00:08:21,770 --> 00:08:20,280

legitimate in his story continues to

171

00:08:23,390 --> 00:08:21,780

check out or else I'm going to get my

172

00:08:25,670 --> 00:08:23,400

200 bucks back

173

00:08:27,589 --> 00:08:25,680

so that's kind of what I I did not

174

00:08:32,269 --> 00:08:27,599

expect that at all for sure it was a

175

00:08:35,269 --> 00:08:32,279

total surprise now there is uh we've got

176

00:08:38,870 --> 00:08:35,279

so much to discuss tonight but

177

00:08:41,870 --> 00:08:38,880

um going back to grush the the

178

00:08:46,130 --> 00:08:41,880

statements that he has made and you know

179

00:08:48,949 --> 00:08:46,140

we have to of course uh huge props uh to

180

00:08:51,350 --> 00:08:48,959

Leslie Kane and Ralph Blumenthal and of

181

00:08:53,990 --> 00:08:51,360

course Ross culthart with uh the

182

00:08:56,170 --> 00:08:54,000

interview that he did too as well and

183

00:09:00,050 --> 00:08:56,180

you take a look at all of that

184

00:09:02,509 --> 00:09:00,060

and you realize especially with the

185

00:09:06,050 --> 00:09:02,519

questions that have been answered is

186

00:09:08,570 --> 00:09:06,060

that he has passed on I don't know if it

187

00:09:10,970 --> 00:09:08,580

was through his attorney or directly but

188

00:09:15,170 --> 00:09:10,980

he has passed on classified documents

189

00:09:18,350 --> 00:09:15,180

that have uh convinced him that we have

190

00:09:20,210 --> 00:09:18,360

uh intact alien so let's just say flying

191

00:09:24,769 --> 00:09:20,220

saucers right we've got flying saucers

192

00:09:28,310 --> 00:09:24,779

and we've got E.T on Ice the it appears

193

00:09:29,829 --> 00:09:28,320

that the same information has been given

194

00:09:32,870 --> 00:09:29,839

to Congress

195

00:09:36,590 --> 00:09:32,880

and and and caught their attention to

196

00:09:39,590 --> 00:09:36,600

and immediately hearings are are being

197

00:09:41,870 --> 00:09:39,600

called for from Capitol Hill this is the

198

00:09:45,110 --> 00:09:41,880

Capitol Hill it's not us yelling for it

199

00:09:48,889 --> 00:09:45,120

what do you think could possibly be in

200

00:09:51,889 --> 00:09:48,899

those classified documents uh for the IG

201
00:09:54,470 --> 00:09:51,899
and for Congress

202
00:09:58,670 --> 00:09:54,480
you know I mean listening to what David

203
00:10:00,650 --> 00:09:58,680
Rush has said specifically is that he

204
00:10:03,710 --> 00:10:00,660
went to the intelligence Community

205
00:10:05,509 --> 00:10:03,720
Inspector General and presented them

206
00:10:09,230 --> 00:10:05,519
with this classified information

207
00:10:13,670 --> 00:10:09,240
including the program name

208
00:10:17,050 --> 00:10:13,680
and where the material is and the people

209
00:10:20,230 --> 00:10:17,060
that he says that he'd independently

210
00:10:23,690 --> 00:10:20,240
corroborated from several of his

211
00:10:25,790 --> 00:10:23,700
long-term intelligence Community allies

212
00:10:28,550 --> 00:10:25,800
that he had known as for you know he

213
00:10:31,730 --> 00:10:28,560

said most of his career and presented

214

00:10:33,949 --> 00:10:31,740

that proof as he said to Inspector

215

00:10:36,769 --> 00:10:33,959

General and I guess he's also given

216

00:10:38,150 --> 00:10:36,779

briefings to uh you know the

217

00:10:43,490 --> 00:10:38,160

intelligence

218

00:10:46,190 --> 00:10:43,500

committee's attorneys so

219

00:10:47,690 --> 00:10:46,200

what he's basically saying is he's

220

00:10:50,389 --> 00:10:47,700

provided them with this information

221

00:10:53,090 --> 00:10:50,399

although he can't uh review it himself

222

00:10:55,910 --> 00:10:53,100

sorry Jimmy hold on that my camera must

223

00:11:01,970 --> 00:10:59,569

that is the best that was awesome that

224

00:11:05,030 --> 00:11:01,980

was awesome yeah we have to just cap off

225

00:11:07,370 --> 00:11:05,040

the evening right well I have I have a

226

00:11:09,889 --> 00:11:07,380

cannon you know and it must I don't know

227

00:11:10,910 --> 00:11:09,899

it must just all of a sudden decide that

228

00:11:14,990 --> 00:11:10,920

um it's going to go to sleep or

229

00:11:17,810 --> 00:11:15,000

something so I'll make sure okay so

230

00:11:19,610 --> 00:11:17,820

um uh you you mentioned the word

231

00:11:22,910 --> 00:11:19,620

location

232

00:11:26,269 --> 00:11:22,920

are we at the point where

233

00:11:29,630 --> 00:11:26,279

uh enough is enough let's start naming

234

00:11:30,829 --> 00:11:29,640

names corporations who's working on this

235

00:11:35,090 --> 00:11:30,839

stuff

236

00:11:37,670 --> 00:11:35,100

um uh the the sap programs and and quit

237

00:11:38,870 --> 00:11:37,680

Dilly dallying and and let's let's just

238

00:11:42,170 --> 00:11:38,880

now

239

00:11:44,630 --> 00:11:42,180
start getting to specifics if there

240

00:11:46,970 --> 00:11:44,640
was a classified document that has the

241

00:11:48,710 --> 00:11:46,980
location what you know Lockheed Skunk

242

00:11:50,509 --> 00:11:48,720
Works for instance right it's down the

243

00:11:53,569 --> 00:11:50,519
street from my house

244

00:11:55,430 --> 00:11:53,579
um it is that uh is that what you think

245

00:11:58,190 --> 00:11:55,440
was in these documents

246

00:12:00,470 --> 00:11:58,200
I think so I mean he said that the his

247

00:12:01,730 --> 00:12:00,480
contacts that began briefing him and

248

00:12:03,590 --> 00:12:01,740
telling him about the the program

249

00:12:05,870 --> 00:12:03,600
specifically we're mentioning defense

250

00:12:08,150 --> 00:12:05,880
contractors so he didn't want to go into

251
00:12:10,430 --> 00:12:08,160
any information about that in the

252
00:12:13,250 --> 00:12:10,440
interviews that I saw but he said that

253
00:12:14,810 --> 00:12:13,260
the US government has indeed engaged

254
00:12:18,110 --> 00:12:14,820
with some of these defense contractors

255
00:12:20,269 --> 00:12:18,120
with this material to allow them to you

256
00:12:23,930 --> 00:12:20,279
know not only look at it but probably as

257
00:12:26,329 --> 00:12:23,940
a methodology to keep this uh stuff

258
00:12:32,050 --> 00:12:26,339
secure in these special access programs

259
00:12:37,069 --> 00:12:32,060
out of the purview of other DOD entities

260
00:12:40,009 --> 00:12:37,079
before uh you know B BG before grush

261
00:12:43,150 --> 00:12:40,019
right so BG

262
00:12:46,069 --> 00:12:43,160
um you know we would look at this uh uh

263
00:12:47,650 --> 00:12:46,079

this material you know little flat

264

00:12:51,170 --> 00:12:47,660

little pieces

265

00:12:52,250 --> 00:12:51,180

it's not like we had the the Pilot's

266

00:12:56,629 --> 00:12:52,260

seat

267

00:12:58,670 --> 00:12:56,639

let alone an intact craft right we've

268

00:13:01,449 --> 00:12:58,680

always looked at little shavings or

269

00:13:05,750 --> 00:13:01,459

metals or drippings or The Meta material

270

00:13:08,449 --> 00:13:05,760

but but now he is taking things to a

271

00:13:11,269 --> 00:13:08,459

completely nether level where he is

272

00:13:15,889 --> 00:13:11,279

saying intact craft

273

00:13:18,650 --> 00:13:15,899

uh who what contractor beside well is it

274

00:13:21,530 --> 00:13:18,660

Lockheed Skunk Works uh who would we

275

00:13:23,810 --> 00:13:21,540

expect to have this in their possession

276

00:13:25,790 --> 00:13:23,820

that I mean I that would be my number

277

00:13:27,949 --> 00:13:25,800

one go-to right

278

00:13:29,870 --> 00:13:27,959

um you know you could look at maybe like

279

00:13:33,050 --> 00:13:29,880

Raytheon

280

00:13:35,810 --> 00:13:33,060

um as well but I think that people just

281

00:13:38,090 --> 00:13:35,820

kind of say yeah Lockheed and you know

282

00:13:40,190 --> 00:13:38,100

to your point the other thing that I

283

00:13:43,490 --> 00:13:40,200

noticed in the last several years was

284

00:13:44,569 --> 00:13:43,500

this effort specifically you know Tom

285

00:13:46,250 --> 00:13:44,579

DeLong

286

00:13:49,730 --> 00:13:46,260

um his company was involved in

287

00:13:53,030 --> 00:13:49,740

collecting all of this publicly held

288

00:13:54,170 --> 00:13:53,040

material paying upwards of like thirty

289

00:13:56,870 --> 00:13:54,180

five thousand dollars or something like

290

00:13:59,269 --> 00:13:56,880

that for Arts Parts and I'm sorry my

291

00:14:00,530 --> 00:13:59,279

camera keeps doing that I I just have to

292

00:14:02,090 --> 00:14:00,540

hit it Jimmy but

293

00:14:03,410 --> 00:14:02,100

it's like one of these things you know

294

00:14:06,650 --> 00:14:03,420

oh yeah

295

00:14:09,769 --> 00:14:06,660

but anyways um yeah so what what do we

296

00:14:11,930 --> 00:14:09,779

what do we make of that you know I'm not

297

00:14:16,190 --> 00:14:11,940

really sure what to say

298

00:14:17,750 --> 00:14:16,200

yeah you're referring to Arts Parts

299

00:14:19,910 --> 00:14:17,760

yeah so

300

00:14:22,190 --> 00:14:19,920

when when you look at

301
00:14:24,470 --> 00:14:22,200
um when you look at the the number of

302
00:14:27,290 --> 00:14:24,480
pieces of metal and so on that were

303
00:14:31,069 --> 00:14:27,300
recovered by the public this stuff was

304
00:14:32,690 --> 00:14:31,079
all sort of grabbed up and put into an

305
00:14:36,470 --> 00:14:32,700
army crater I guess that's what they

306
00:14:37,670 --> 00:14:36,480
call it and that stuff was taken and

307
00:14:39,350 --> 00:14:37,680
um I don't know that I think it's

308
00:14:42,769 --> 00:14:39,360
classified now I think that Gary Nolan

309
00:14:45,170 --> 00:14:42,779
even said that that material has been

310
00:14:47,269 --> 00:14:45,180
um labeled classified and the people

311
00:14:48,889 --> 00:14:47,279
that have provided that in the general

312
00:14:51,530 --> 00:14:48,899
public are not getting it back they had

313
00:14:53,509 --> 00:14:51,540

to sign ndas and so on so that's where

314

00:14:56,110 --> 00:14:53,519

all that material that was out there in

315

00:14:59,170 --> 00:14:56,120

the public and most of it's gone now

316

00:15:04,150 --> 00:14:59,180

the um

317

00:15:08,449 --> 00:15:04,160

what's your read on on grush

318

00:15:11,030 --> 00:15:08,459

we've we've read the article we've heard

319

00:15:15,410 --> 00:15:11,040

him speak we've watched them

320

00:15:17,689 --> 00:15:15,420

how do you feel what's your take on not

321

00:15:20,170 --> 00:15:17,699

only his statements but his

322

00:15:23,389 --> 00:15:20,180

believability his his body language

323

00:15:26,990 --> 00:15:23,399

because of the statements that he has

324

00:15:28,850 --> 00:15:27,000

made when you look at his CV right you

325

00:15:32,750 --> 00:15:28,860

look at his resume you look at his

326

00:15:36,050 --> 00:15:32,760

decorations his he has a solid

327

00:15:39,650 --> 00:15:36,060

background and everything can and has

328

00:15:42,050 --> 00:15:39,660

been checked out on him right so what

329

00:15:45,170 --> 00:15:42,060

you what you read is is there a reason

330

00:15:47,990 --> 00:15:45,180

for him to deceive or is it all

331

00:15:49,730 --> 00:15:48,000

disinformation or is he he telling the

332

00:15:50,810 --> 00:15:49,740

truth and we really need to pay

333

00:15:54,290 --> 00:15:50,820

attention

334

00:15:56,210 --> 00:15:54,300

I mean I personally think that he

335

00:15:58,610 --> 00:15:56,220

believes what he's saying I mean and

336

00:16:01,069 --> 00:15:58,620

that's just a a take of listening to the

337

00:16:03,350 --> 00:16:01,079

guy and watching him speak and so on I

338

00:16:04,490 --> 00:16:03,360

honestly do believe that he believes the

339

00:16:07,129 --> 00:16:04,500

stuff so

340

00:16:09,350 --> 00:16:07,139

either what this the information that he

341

00:16:12,110 --> 00:16:09,360

was provided since he said he personally

342

00:16:15,050 --> 00:16:12,120

didn't see the craft himself he didn't

343

00:16:17,210 --> 00:16:15,060

wasn't given access to these programs

344

00:16:19,069 --> 00:16:17,220

he's taking the word of these

345

00:16:20,990 --> 00:16:19,079

individuals that he say brought the

346

00:16:23,269 --> 00:16:21,000

information to him so he's a second-hand

347

00:16:26,210 --> 00:16:23,279

witness but you have to either say okay

348

00:16:30,290 --> 00:16:26,220

either the material that that he was

349

00:16:33,230 --> 00:16:30,300

provided is a you know true and honest

350

00:16:34,970 --> 00:16:33,240

um reporting of that program or that is

351

00:16:37,550 --> 00:16:34,980

some type of

352

00:16:40,730 --> 00:16:37,560

um counterintelligence operation that

353

00:16:42,769 --> 00:16:40,740

has another reason for being in

354

00:16:44,689 --> 00:16:42,779

existence and you know again it would

355

00:16:47,389 --> 00:16:44,699

just be speculation to say well what

356

00:16:49,129 --> 00:16:47,399

what possible reason could the

357

00:16:51,110 --> 00:16:49,139

intelligence Community want to present

358

00:16:53,990 --> 00:16:51,120

this story to the public really like

359

00:16:55,970 --> 00:16:54,000

this if it's a false narrative and I

360

00:16:58,790 --> 00:16:55,980

mean somebody suggested well this could

361

00:17:00,650 --> 00:16:58,800

be a way to try to find out who's

362

00:17:03,110 --> 00:17:00,660

leaking the information if if we come

363

00:17:04,429 --> 00:17:03,120

out and tell people within the you know

364

00:17:06,049 --> 00:17:04,439

in the intelligence community and

365

00:17:08,870 --> 00:17:06,059

flashlight setting if we tell people

366

00:17:10,130 --> 00:17:08,880

that these programs exist that maybe

367

00:17:12,169 --> 00:17:10,140

they don't it's just kind of like

368

00:17:14,150 --> 00:17:12,179

they're dangling a carrot there and then

369

00:17:16,010 --> 00:17:14,160

they try to observe who would go and

370

00:17:18,530 --> 00:17:16,020

leak it to the press or who would go and

371

00:17:20,630 --> 00:17:18,540

tell somebody about this program and

372

00:17:23,630 --> 00:17:20,640

then it it kind of ferrets out those

373

00:17:25,970 --> 00:17:23,640

people that maybe uh you know a security

374

00:17:27,949 --> 00:17:25,980

risk so I mean that could be one reason

375

00:17:29,690 --> 00:17:27,959

but it's kind of a weird way of going

376

00:17:31,669 --> 00:17:29,700

about it and you wouldn't expect the

377

00:17:33,770 --> 00:17:31,679

Inspector General to even take that

378

00:17:35,810 --> 00:17:33,780

report if that's the case I mean if he

379

00:17:37,250 --> 00:17:35,820

went to to an official Channel like the

380

00:17:40,549 --> 00:17:37,260

intelligence Community Inspector General

381

00:17:42,529 --> 00:17:40,559

made a report that there was illegal I

382

00:17:44,930 --> 00:17:42,539

mean he's not leaking it he's saying

383

00:17:47,630 --> 00:17:44,940

this is an illegal activity that's kind

384

00:17:52,150 --> 00:17:47,640

of what his claim was so

385

00:17:55,310 --> 00:17:52,160

there's another part to this the

386

00:17:57,950 --> 00:17:55,320

uh documents are one thing

387

00:18:01,190 --> 00:17:57,960

do you think that he provided images

388

00:18:06,350 --> 00:18:04,010

from what I understood

389

00:18:08,630 --> 00:18:06,360

um that he provide and again I'm a

390

00:18:11,630 --> 00:18:08,640

little bit unclear if some of the people

391

00:18:14,390 --> 00:18:11,640

the first-hand individuals that actually

392

00:18:16,370 --> 00:18:14,400

were participants in these programs have

393

00:18:18,710 --> 00:18:16,380

given testimony I'm not certain that

394

00:18:21,409 --> 00:18:18,720

that has occurred he said in his

395

00:18:23,289 --> 00:18:21,419

interviews kind of he he alluded to the

396

00:18:25,430 --> 00:18:23,299

fact that he may have been shown

397

00:18:28,610 --> 00:18:25,440

documents he may have been showing some

398

00:18:30,169 --> 00:18:28,620

unusual photos so what does that mean I

399

00:18:33,770 --> 00:18:30,179

mean he's skirting around this

400

00:18:35,090 --> 00:18:33,780

information what he actually saw so I

401
00:18:36,770 --> 00:18:35,100
don't think that he had in his

402
00:18:40,130 --> 00:18:36,780
possession anything that he could give

403
00:18:43,430 --> 00:18:40,140
himself to the Inspector General or in

404
00:18:45,590 --> 00:18:43,440
his um you know testimony but maybe some

405
00:18:47,150 --> 00:18:45,600
of the people that he you know was

406
00:18:49,490 --> 00:18:47,160
provided this information in the first

407
00:18:52,070 --> 00:18:49,500
place have testified I'm not sure

408
00:18:54,070 --> 00:18:52,080
do you oh okay one last thing and then

409
00:18:57,169 --> 00:18:54,080
we'll uh move on

410
00:19:01,250 --> 00:18:57,179
just exciting times right he's just

411
00:19:02,870 --> 00:19:01,260
never know the UFO community

412
00:19:05,990 --> 00:19:02,880
um I've said I've said it so many times

413
00:19:07,549 --> 00:19:06,000

Dave you have uh been through it uh

414

00:19:11,110 --> 00:19:07,559

right along with us

415

00:19:14,690 --> 00:19:11,120

it just when you think things are

416

00:19:18,169 --> 00:19:14,700

quieting down right just it's just like

417

00:19:21,529 --> 00:19:18,179

this boom you know and it's it this it

418

00:19:23,510 --> 00:19:21,539

it never surprises me anymore you just

419

00:19:27,049 --> 00:19:23,520

never know what's going to happen you

420

00:19:28,310 --> 00:19:27,059

don't and it it seems like for the first

421

00:19:31,970 --> 00:19:28,320

time

422

00:19:34,970 --> 00:19:31,980

we are getting somewhere and people are

423

00:19:37,850 --> 00:19:34,980

paying attention right it's just what I

424

00:19:40,490 --> 00:19:37,860

mean what what can we expect next I mean

425

00:19:43,210 --> 00:19:40,500

here's the crazy thing you know we've

426
00:19:46,310 --> 00:19:43,220
had some UFO stories that got picked up

427
00:19:48,710 --> 00:19:46,320
national media attention you know CBS 60

428
00:19:51,590 --> 00:19:48,720
minutes we've had like the New York

429
00:19:53,810 --> 00:19:51,600
Times and Washington Post in this case

430
00:19:55,549 --> 00:19:53,820
they seem to be keeping a little

431
00:19:57,590 --> 00:19:55,559
distance from it

432
00:19:59,810 --> 00:19:57,600
um which is kind of strange to me but I

433
00:20:01,130 --> 00:19:59,820
mean I guess it's such a bombshell story

434
00:20:02,570 --> 00:20:01,140
maybe they don't want to touch it in

435
00:20:03,830 --> 00:20:02,580
case it blows up you know and it's like

436
00:20:05,990 --> 00:20:03,840
one of these things where we're just

437
00:20:09,230 --> 00:20:06,000
gonna wait until we have a little bit

438
00:20:10,970 --> 00:20:09,240

clearer understanding that this is true

439

00:20:14,270 --> 00:20:10,980

um and this guy's not delusional or

440

00:20:16,070 --> 00:20:14,280

being fed lies before we report on just

441

00:20:19,150 --> 00:20:16,080

what he's saying but I mean when you

442

00:20:22,310 --> 00:20:19,160

listen to it right off he's saying yes

443

00:20:24,230 --> 00:20:22,320

we have proof that there is non-human

444

00:20:26,570 --> 00:20:24,240

intelligence we've had it we've been

445

00:20:29,690 --> 00:20:26,580

it's been hidden from the US populace

446

00:20:33,289 --> 00:20:29,700

for 90 years is what he said and he said

447

00:20:35,390 --> 00:20:33,299

that's unethical I mean yeah we've had

448

00:20:37,370 --> 00:20:35,400

people claim this before we have Bob

449

00:20:39,110 --> 00:20:37,380

Lazar and you know we've had these

450

00:20:42,650 --> 00:20:39,120

people that have come forward but never

451
00:20:45,409 --> 00:20:42,660
people of his caliber that have 14 years

452
00:20:46,909 --> 00:20:45,419
of decorated uh career in the

453
00:20:50,510 --> 00:20:46,919
intelligence in Air Force communities

454
00:20:52,730 --> 00:20:50,520
would combat veteran you know

455
00:20:54,770 --> 00:20:52,740
um you know I mean I don't know that we

456
00:20:58,370 --> 00:20:54,780
have that plus somebody that has gone

457
00:21:00,470 --> 00:20:58,380
under oath and gone and given um

458
00:21:02,990 --> 00:21:00,480
testimony under oath that could

459
00:21:05,150 --> 00:21:03,000
potentially cost some you know criminal

460
00:21:07,430 --> 00:21:05,160
charges like us if you lie under oath

461
00:21:09,529 --> 00:21:07,440
and so on right perjury and all kinds of

462
00:21:11,750 --> 00:21:09,539
things for doing so so I don't know that

463
00:21:13,370 --> 00:21:11,760

we've ever had a story like this I mean

464

00:21:17,990 --> 00:21:13,380

it's pretty exciting

465

00:21:21,230 --> 00:21:18,000

uh the uh you almost went there

466

00:21:23,270 --> 00:21:21,240

here's here's the trippy thing

467

00:21:26,810 --> 00:21:23,280

um Tucker Carlson

468

00:21:29,330 --> 00:21:26,820

uh right after uh grush came forward I

469

00:21:32,810 --> 00:21:29,340

think it was like two days later

470

00:21:35,810 --> 00:21:32,820

um on his Twitter Channel he goes live

471

00:21:37,330 --> 00:21:35,820

and he makes this statement and he says

472

00:21:40,370 --> 00:21:37,340

here we have

473

00:21:43,010 --> 00:21:40,380

the biggest new potentially right the

474

00:21:45,950 --> 00:21:43,020

biggest news in the history of mankind

475

00:21:50,149 --> 00:21:45,960

flying saucers E.T contact right we have

476
00:21:52,610 --> 00:21:50,159
EP bodies and no mainstream media is

477
00:21:55,610 --> 00:21:52,620
picking up the story he mentions the

478
00:21:58,250 --> 00:21:55,620
debrief right he says it took the debris

479
00:21:59,690 --> 00:21:58,260
to he said but go go look at the New

480
00:22:02,870 --> 00:21:59,700
York Times go look at the Washington

481
00:22:05,029 --> 00:22:02,880
Post go look at CNN go look at Fox and

482
00:22:06,830 --> 00:22:05,039
and see if they've got this on their

483
00:22:10,010 --> 00:22:06,840
front page and they don't and this is

484
00:22:14,690 --> 00:22:10,020
the biggest story potentially in the

485
00:22:19,210 --> 00:22:14,700
history of the world but yet uh the 29

486
00:22:22,090 --> 00:22:19,220
Palms flares uh well I okay

487
00:22:24,950 --> 00:22:22,100
I might have gotten ahead of my skis but

488
00:22:28,789 --> 00:22:24,960

that that certainly got headline news

489

00:22:31,190 --> 00:22:28,799

didn't it the Las Vegas 10-foot aliens

490

00:22:35,390 --> 00:22:31,200

in the backyard right that everybody

491

00:22:38,570 --> 00:22:35,400

picked up on that story grush Leslie

492

00:22:41,690 --> 00:22:38,580

Kane Ralph Blumenthal Ross Copart

493

00:22:44,149 --> 00:22:41,700

uh on the back burner why

494

00:22:46,130 --> 00:22:44,159

isn't that really startling I mean I I

495

00:22:48,289 --> 00:22:46,140

started like doing some Google searches

496

00:22:50,510 --> 00:22:48,299

and people should do that about some of

497

00:22:52,789 --> 00:22:50,520

these cases and saying you know and

498

00:22:55,010 --> 00:22:52,799

again uh maybe this stuff is going to

499

00:22:57,409 --> 00:22:55,020

get picked up but obviously at the time

500

00:22:59,570 --> 00:22:57,419

the story broke it wasn't like you know

501
00:23:01,669 --> 00:22:59,580
you had normally what you would have is

502
00:23:03,649 --> 00:23:01,679
the mainstream media picking these

503
00:23:05,090 --> 00:23:03,659
stories right up and kind of um

504
00:23:06,950 --> 00:23:05,100
re-spinning them

505
00:23:08,330 --> 00:23:06,960
um with their own reporters and so on it

506
00:23:11,750 --> 00:23:08,340
gets picked up by the wire Services

507
00:23:14,149 --> 00:23:11,760
sometimes and then uh spun out again

508
00:23:15,590 --> 00:23:14,159
um you didn't really see that with grush

509
00:23:19,010 --> 00:23:15,600
um I know like you said that you know

510
00:23:21,230 --> 00:23:19,020
Fox News um did pick it up Tucker

511
00:23:24,830 --> 00:23:21,240
um but and I even wondered about CNN

512
00:23:27,649 --> 00:23:24,840
somebody said that CNN did finally do a

513
00:23:29,810 --> 00:23:27,659

report on the garage story because I

514

00:23:32,810 --> 00:23:29,820

squashed it though and that was it took

515

00:23:34,370 --> 00:23:32,820

a week right so and then of course like

516

00:23:36,529 --> 00:23:34,380

you said if you're scrolling through

517

00:23:38,750 --> 00:23:36,539

your CNN you're like um you know 10 foot

518

00:23:39,529 --> 00:23:38,760

alien in Las Vegas you know

519

00:23:42,470 --> 00:23:39,539

um

520

00:23:44,630 --> 00:23:42,480

you know why why is that I guess that's

521

00:23:46,610 --> 00:23:44,640

sort of a kicker feature piece or

522

00:23:48,950 --> 00:23:46,620

something so then you know the weird

523

00:23:51,950 --> 00:23:48,960

news and they they like those stories

524

00:23:54,590 --> 00:23:51,960

but the ones that seem to be

525

00:23:56,029 --> 00:23:54,600

um more troubling and more

526

00:23:59,029 --> 00:23:56,039

um I don't know what you would call it

527

00:24:01,850 --> 00:23:59,039

but you know top us defense officials

528

00:24:04,730 --> 00:24:01,860

says that we have recovered alien

529

00:24:06,470 --> 00:24:04,740

spaceships doesn't get played

530

00:24:08,210 --> 00:24:06,480

um it's weird I'm not sure

531

00:24:10,970 --> 00:24:08,220

the

532

00:24:13,970 --> 00:24:10,980

um can we talk about 29 Palms

533

00:24:15,529 --> 00:24:13,980

absolutely yeah let's talk about 29

534

00:24:16,270 --> 00:24:15,539

Palms

535

00:24:21,110 --> 00:24:16,280

um

536

00:24:23,510 --> 00:24:21,120

my comment okay I just want to say this

537

00:24:28,490 --> 00:24:23,520

if we go back two years ago

538

00:24:29,890 --> 00:24:28,500

to the Flying pyramids right uh flying

539

00:24:33,830 --> 00:24:29,900

toasters whatever

540

00:24:38,029 --> 00:24:33,840

and if the if that indeed

541

00:24:40,070 --> 00:24:38,039

was a flying pyramid that would have

542

00:24:43,490 --> 00:24:40,080

been the biggest news in the history of

543

00:24:46,669 --> 00:24:43,500

mankind obviously it had Landing lights

544

00:24:50,029 --> 00:24:46,679

but that story just died and fell off

545

00:24:50,810 --> 00:24:50,039

because it it wasn't flying pyramids

546

00:24:54,430 --> 00:24:50,820

um

547

00:24:59,330 --> 00:24:54,440

from the same source

548

00:25:02,330 --> 00:24:59,340

uh uh a triangle over 29 palms and for

549

00:25:06,409 --> 00:25:02,340

the audience that may not understand 29

550

00:25:08,510 --> 00:25:06,419

Palms is uh it's a marine it's it's a

551
00:25:11,570 --> 00:25:08,520
it's a Marine training based facility

552
00:25:13,250 --> 00:25:11,580
one of the largest in the world and it's

553
00:25:15,890 --> 00:25:13,260
right out here in Southern California in

554
00:25:18,110 --> 00:25:15,900
the middle of the Mojave Desert and 29

555
00:25:21,230 --> 00:25:18,120
Palms is a city

556
00:25:23,510 --> 00:25:21,240
um it's a it's a Marine City that's what

557
00:25:28,010 --> 00:25:23,520
it is right and it's out in the middle

558
00:25:33,470 --> 00:25:28,020
of nowhere and uh and that's where this

559
00:25:35,330 --> 00:25:33,480
video that got put out was shot

560
00:25:37,549 --> 00:25:35,340
um that

561
00:25:40,130 --> 00:25:37,559
the huge news

562
00:25:42,169 --> 00:25:40,140
and when you started to analyze the

563
00:25:45,289 --> 00:25:42,179

video and you sent me some stuff by the

564

00:25:46,789 --> 00:25:45,299

way uh what what was your immediate

565

00:25:49,010 --> 00:25:46,799

thought

566

00:25:50,210 --> 00:25:49,020

well you know when that story first

567

00:25:52,430 --> 00:25:50,220

broke

568

00:25:54,710 --> 00:25:52,440

um you know when I looked at the the

569

00:25:57,049 --> 00:25:54,720

imagery it was it was photographs that

570

00:25:57,890 --> 00:25:57,059

were at night and there were a few that

571

00:26:01,730 --> 00:25:57,900

were

572

00:26:03,710 --> 00:26:01,740

um low light camera uh type of shots in

573

00:26:06,049 --> 00:26:03,720

the sky I didn't see in you know

574

00:26:07,430 --> 00:26:06,059

initially there wasn't like video I

575

00:26:09,890 --> 00:26:07,440

think a little bit of video was released

576
00:26:12,350 --> 00:26:09,900
after that but it was a string of lights

577
00:26:14,750 --> 00:26:12,360
in the sky and I mean the first thing

578
00:26:15,529 --> 00:26:14,760
that that I thought was oh that looks

579
00:26:18,970 --> 00:26:15,539
like

580
00:26:22,310 --> 00:26:18,980
parachute flares and I had done a

581
00:26:24,529 --> 00:26:22,320
analysis video previously of a an

582
00:26:26,269 --> 00:26:24,539
alleged UAP that turned out to be

583
00:26:28,310 --> 00:26:26,279
parachute flares

584
00:26:30,289 --> 00:26:28,320
um that was filmed in Afghanistan and it

585
00:26:32,269 --> 00:26:30,299
looked similar to me so that was the

586
00:26:33,890 --> 00:26:32,279
first thing and I didn't I didn't listen

587
00:26:36,710 --> 00:26:33,900
to the the whole

588
00:26:38,870 --> 00:26:36,720

um story behind it until later and then

589

00:26:40,370 --> 00:26:38,880

basically the story that was presented

590

00:26:43,970 --> 00:26:40,380

was that

591

00:26:46,669 --> 00:26:43,980

um this object wasn't flares because it

592

00:26:48,169 --> 00:26:46,679

wasn't descending as flares do in the

593

00:26:48,850 --> 00:26:48,179

air it was

594

00:26:51,529 --> 00:26:48,860

um

595

00:26:54,110 --> 00:26:51,539

hovering stationary in this spot for

596

00:26:56,510 --> 00:26:54,120

over 10 minutes and the first thing I

597

00:26:59,029 --> 00:26:56,520

did is I looked up parachute flares to

598

00:27:01,610 --> 00:26:59,039

see if that's possible and it's not

599

00:27:04,010 --> 00:27:01,620

really possible I mean parachute players

600

00:27:06,409 --> 00:27:04,020

don't are not stationary and they don't

601
00:27:08,090 --> 00:27:06,419
last for like 10 minutes unless there's

602
00:27:10,789 --> 00:27:08,100
some new classified version that we're

603
00:27:12,769 --> 00:27:10,799
not aware of you know maybe half of that

604
00:27:16,310 --> 00:27:12,779
um and in half of that time and then

605
00:27:18,710 --> 00:27:16,320
these things are going to slowly descend

606
00:27:20,450 --> 00:27:18,720
um down and and if they're far away they

607
00:27:23,090 --> 00:27:20,460
may not appear to be descending very

608
00:27:24,529 --> 00:27:23,100
quickly because you know with distance

609
00:27:27,230 --> 00:27:24,539
um that relative

610
00:27:28,909 --> 00:27:27,240
um movement is going to be way less and

611
00:27:30,350 --> 00:27:28,919
then they said that the people that were

612
00:27:32,390 --> 00:27:30,360
on the ground there were two other parts

613
00:27:34,669 --> 00:27:32,400

of it that they saw an outline of this

614

00:27:36,890 --> 00:27:34,679

giant black triangle

615

00:27:38,090 --> 00:27:36,900

um clearly with their eyes that the

616

00:27:39,470 --> 00:27:38,100

camera didn't really pick it up as much

617

00:27:42,289 --> 00:27:39,480

but they said that they could see the

618

00:27:44,210 --> 00:27:42,299

outline of a triangle and they said that

619

00:27:46,190 --> 00:27:44,220

soon thereafter

620

00:27:49,010 --> 00:27:46,200

um they were the witnesses and there

621

00:27:52,130 --> 00:27:49,020

were like 50 Witnesses allegedly that

622

00:27:55,250 --> 00:27:52,140

were at Camp Wilson watching it they

623

00:27:57,830 --> 00:27:55,260

um saw that the Marines that the air

624

00:28:00,649 --> 00:27:57,840

Marine air basically took off and were

625

00:28:02,049 --> 00:28:00,659

trying to go and intercept this thing or

626
00:28:06,169 --> 00:28:02,059

trying to

627
00:28:08,630 --> 00:28:06,179

go investigate what these lights were

628
00:28:11,570 --> 00:28:08,640

um and that went on for several hours so

629
00:28:14,029 --> 00:28:11,580

they you know suggested that the Marine

630
00:28:15,950 --> 00:28:14,039

had a the Marine Corps had a response to

631
00:28:18,950 --> 00:28:15,960

this anomalous object that was in in the

632
00:28:21,049 --> 00:28:18,960

sky so that was the initial story that

633
00:28:23,510 --> 00:28:21,059

came out and that's what was basically

634
00:28:25,810 --> 00:28:23,520

printed in a bunch of news media like

635
00:28:30,890 --> 00:28:25,820

the next day or that week

636
00:28:32,330 --> 00:28:30,900

and the the incident itself uh was two

637
00:28:35,630 --> 00:28:32,340

years ago

638
00:28:37,909 --> 00:28:35,640

that's right um it was April 20th 4 20.

639

00:28:42,409 --> 00:28:37,919

I always remember that and it was 4 20

640

00:28:45,169 --> 00:28:42,419

uh 2021 around 8 30 p.m in the evening

641

00:28:47,570 --> 00:28:45,179

so it probably was you know quite dark

642

00:28:52,010 --> 00:28:47,580

at that point I imagine

643

00:28:54,350 --> 00:28:52,020

um and what happened was the next day I

644

00:28:56,330 --> 00:28:54,360

mean I started to look into it but uh

645

00:28:59,510 --> 00:28:56,340

John Greenwald of The Black Vault beat

646

00:29:03,409 --> 00:28:59,520

me to it and he went over to the defense

647

00:29:06,950 --> 00:29:03,419

visual information Library where

648

00:29:10,190 --> 00:29:06,960

combat cameraman and public affairs

649

00:29:13,070 --> 00:29:10,200

um Personnel we'll post photos that they

650

00:29:15,110 --> 00:29:13,080

take of different operations and we CL

651
00:29:16,669 --> 00:29:15,120
we quickly found in John Greenwald

652
00:29:19,130 --> 00:29:16,679
quickly found that there was a lot of

653
00:29:21,830 --> 00:29:19,140
imagery from that very night and it

654
00:29:24,049 --> 00:29:21,840
turns out that on that night in the in

655
00:29:26,210 --> 00:29:24,059
the week proceeding it that the Marine

656
00:29:29,210 --> 00:29:26,220
Corps were involved the Marine Corps was

657
00:29:33,190 --> 00:29:29,220
involved in a a joint training exercise

658
00:29:36,710 --> 00:29:33,200
from integrated defense exercise an idx

659
00:29:39,830 --> 00:29:36,720
that involved Marine air in ground

660
00:29:42,850 --> 00:29:39,840
troops and it's called the WTI and I

661
00:29:46,850 --> 00:29:42,860
think it's called the the WTI

662
00:29:49,310 --> 00:29:46,860
421 course and basically what that is

663
00:29:51,769 --> 00:29:49,320

it's um it's part of a weapons and

664

00:29:53,450 --> 00:29:51,779

tactics instructor course they do it

665

00:29:55,010 --> 00:29:53,460

every single year it may be three or

666

00:29:58,549 --> 00:29:55,020

four Marine Corps bases around the

667

00:30:02,029 --> 00:29:58,559

country and it involves bringing in the

668

00:30:03,889 --> 00:30:02,039

Marine air training element and they're

669

00:30:07,310 --> 00:30:03,899

they already have one there at 20 29

670

00:30:12,409 --> 00:30:07,320

Palms so it's helicopters heavy lift the

671

00:30:14,810 --> 00:30:12,419

Ospreys and they conduct air assaults

672

00:30:16,430 --> 00:30:14,820

and they also do heavy lift and they're

673

00:30:18,950 --> 00:30:16,440

practicing their techniques they're

674

00:30:20,810 --> 00:30:18,960

shooting live weaponry and so on and

675

00:30:23,750 --> 00:30:20,820

right around that night they were

676

00:30:26,870 --> 00:30:23,760

involved in a air a night air assault on

677

00:30:29,690 --> 00:30:26,880

one of the staging bases that they have

678

00:30:31,250 --> 00:30:29,700

in the desert there so the helicopters

679

00:30:34,010 --> 00:30:31,260

were bringing in Marines they were

680

00:30:35,750 --> 00:30:34,020

Landing they were doing a mock assault

681

00:30:38,690 --> 00:30:35,760

on a village they were getting back on

682

00:30:41,510 --> 00:30:38,700

the helicopters so during this exact

683

00:30:44,450 --> 00:30:41,520

time all of this was going on and and

684

00:30:46,130 --> 00:30:44,460

John located a video that I shared with

685

00:30:49,190 --> 00:30:46,140

you that um you know showed some night

686

00:30:52,070 --> 00:30:49,200

vision uh footage of the helicopters and

687

00:30:55,010 --> 00:30:52,080

the Marines and at the very end

688

00:30:57,850 --> 00:30:55,020

um you see them launching flares and it

689

00:31:00,470 --> 00:30:57,860

looks suspiciously like the same

690

00:31:02,750 --> 00:31:00,480

arrangement of of lights that we saw

691

00:31:04,310 --> 00:31:02,760

from this story and we and John

692

00:31:07,130 --> 00:31:04,320

basically brought up the fact that wait

693

00:31:09,409 --> 00:31:07,140

a second how come no one mentioned this

694

00:31:11,750 --> 00:31:09,419

huge major military operation going on

695

00:31:13,730 --> 00:31:11,760

at that very night let alone you know

696

00:31:16,490 --> 00:31:13,740

that week or in the days before didn't

697

00:31:18,529 --> 00:31:16,500

know did anyone like save anything about

698

00:31:22,850 --> 00:31:18,539

that I mean I'm just a little skeptical

699

00:31:25,669 --> 00:31:22,860

when you have that level of um I guess

700

00:31:27,889 --> 00:31:25,679

not mentioning something in a report

701
00:31:31,789 --> 00:31:27,899
um I don't know well two years of

702
00:31:35,169 --> 00:31:31,799
investigation and uh you know for you

703
00:31:39,950 --> 00:31:35,179
and John it was uh took about 20 minutes

704
00:31:43,970 --> 00:31:39,960
and that's that's that suspect to me

705
00:31:47,810 --> 00:31:43,980
um but when I looked at if when I looked

706
00:31:49,789 --> 00:31:47,820
at the images okay the original images

707
00:31:51,850 --> 00:31:49,799
that were put out first off they don't

708
00:31:56,090 --> 00:31:51,860
even look like a structure

709
00:31:58,370 --> 00:31:56,100
and Dave I depend on my eyes I do I just

710
00:32:03,289 --> 00:31:58,380
depend on my what am I seeing what am I

711
00:32:06,110 --> 00:32:03,299
looking at and and and and I can base

712
00:32:07,190 --> 00:32:06,120
pretty much everything on on a first

713
00:32:10,610 --> 00:32:07,200

glance

714

00:32:12,350 --> 00:32:10,620

and that is not a structure that is not

715

00:32:14,330 --> 00:32:12,360

a perfect

716

00:32:16,430 --> 00:32:14,340

or you know what I mean it's not

717

00:32:19,669 --> 00:32:16,440

everything's out of line it it it

718

00:32:21,409 --> 00:32:19,679

doesn't look right so even trying to

719

00:32:23,870 --> 00:32:21,419

deceive but

720

00:32:25,730 --> 00:32:23,880

um with it if it was in a perfect

721

00:32:29,149 --> 00:32:25,740

straight line we've got some issues and

722

00:32:33,409 --> 00:32:29,159

let's let's take a look at that one one

723

00:32:36,409 --> 00:32:33,419

clearly is is is is is is is falling

724

00:32:38,990 --> 00:32:36,419

faster and is out of place and it's got

725

00:32:41,570 --> 00:32:39,000

smoke coming off of it and I could see

726

00:32:44,330 --> 00:32:41,580

it and you can see it and it's like

727

00:32:46,730 --> 00:32:44,340

cognitive dissonance right nobody wants

728

00:32:48,769 --> 00:32:46,740

to have proof of something that's going

729

00:32:51,529 --> 00:32:48,779

to take them out of their Lane right

730

00:32:53,750 --> 00:32:51,539

they don't want to see it so they don't

731

00:32:58,610 --> 00:32:53,760

see it they look at the same image that

732

00:33:00,590 --> 00:32:58,620

I'm looking at but that they don't their

733

00:33:04,430 --> 00:33:00,600

brain is wired differently why did

734

00:33:07,190 --> 00:33:04,440

everybody take the bait on this I mean I

735

00:33:08,990 --> 00:33:07,200

understand that um Witnesses sometimes

736

00:33:10,850 --> 00:33:09,000

see something they don't understand or

737

00:33:13,130 --> 00:33:10,860

it's something that they're not used to

738

00:33:17,090 --> 00:33:13,140

seeing and even if you're a trained U.S

739

00:33:19,009 --> 00:33:17,100

marine you know member that has lots of

740

00:33:21,769 --> 00:33:19,019

experience with flares there's always

741

00:33:24,409 --> 00:33:21,779

the case where something happens

742

00:33:26,389 --> 00:33:24,419

um that's unusual for instance say an

743

00:33:28,310 --> 00:33:26,399

aircraft has a bunch of flares that

744

00:33:29,870 --> 00:33:28,320

they're doing something else and they go

745

00:33:31,970 --> 00:33:29,880

up to a high altitude and kick them out

746

00:33:33,590 --> 00:33:31,980

so they're not necessarily illuminating

747

00:33:36,110 --> 00:33:33,600

the ground maybe they just want it to go

748

00:33:38,450 --> 00:33:36,120

up and practice shooting flares for

749

00:33:41,330 --> 00:33:38,460

instance sometimes they use these uh

750

00:33:44,210 --> 00:33:41,340

balloon launch flares as targets for

751

00:33:47,450 --> 00:33:44,220

other aircraft like A-10 they were in

752

00:33:49,669 --> 00:33:47,460

the other video I did uh the a10s were

753

00:33:52,490 --> 00:33:49,679

locking up these flares with their

754

00:33:54,110 --> 00:33:52,500

infrared guided missiles so it's a

755

00:33:56,210 --> 00:33:54,120

Target that they can lock on with a

756

00:33:58,070 --> 00:33:56,220

guided missiles who knows maybe they

757

00:33:59,870 --> 00:33:58,080

went up really high you know five ten

758

00:34:02,090 --> 00:33:59,880

thousand feet and they were dropping

759

00:34:04,250 --> 00:34:02,100

them so it would be more unusual to see

760

00:34:06,289 --> 00:34:04,260

the flares at a high altitude and you're

761

00:34:09,290 --> 00:34:06,299

just not used to seeing it

762

00:34:11,030 --> 00:34:09,300

um so there's always that I mean for the

763

00:34:13,190 --> 00:34:11,040

guys in the ground I can't say that yeah

764

00:34:15,109 --> 00:34:13,200

well they're they're obviously lying I'm

765

00:34:17,930 --> 00:34:15,119

thinking when I when I look at a UFO

766

00:34:19,550 --> 00:34:17,940

case oftentimes the Witnesses on the

767

00:34:22,790 --> 00:34:19,560

ground are convinced that they're seeing

768

00:34:24,369 --> 00:34:22,800

E.T I mean most of the time they don't

769

00:34:28,070 --> 00:34:24,379

want to hear anything

770

00:34:30,409 --> 00:34:28,080

that refutes that unfortunately so your

771

00:34:32,930 --> 00:34:30,419

face was kind of like this um you know

772

00:34:34,909 --> 00:34:32,940

Kickback from the witnesses that the

773

00:34:36,710 --> 00:34:34,919

minute you try to say that man that

774

00:34:38,329 --> 00:34:36,720

looks kind of like a flare they're going

775

00:34:39,950 --> 00:34:38,339

to hang up on you or not talk to you

776
00:34:41,290 --> 00:34:39,960
anymore because you're not the

777
00:34:43,669 --> 00:34:41,300
investigator that they want

778
00:34:46,609 --> 00:34:43,679
investigating you know that's going to

779
00:34:48,290 --> 00:34:46,619
explain this so I mean what I did is I

780
00:34:49,790 --> 00:34:48,300
basically went to the Marines well the

781
00:34:53,450 --> 00:34:49,800
first thing I did is I went to the the

782
00:34:55,790 --> 00:34:53,460
photographer that took the the imagery

783
00:34:57,230 --> 00:34:55,800
um that John found and I showed you you

784
00:34:59,810 --> 00:34:57,240
can find it on the defense visual

785
00:35:02,570 --> 00:34:59,820
information library from that day

786
00:35:04,250 --> 00:35:02,580
basically it was b-roll video b-roll and

787
00:35:06,349 --> 00:35:04,260
I talked to the guy and he said look I

788
00:35:08,150 --> 00:35:06,359

can't really talk to you because you

789

00:35:10,310 --> 00:35:08,160

know we're not supposed to talk about

790

00:35:13,190 --> 00:35:10,320

operations or whatever but here's the

791

00:35:14,270 --> 00:35:13,200

name of my uh first lieutenant in our

792

00:35:17,210 --> 00:35:14,280

shop

793

00:35:20,210 --> 00:35:17,220

um over 29 pops so I just went and filed

794

00:35:22,730 --> 00:35:20,220

a foia with the Marines and uh

795

00:35:24,650 --> 00:35:22,740

unfortunately the public affairs office

796

00:35:26,450 --> 00:35:24,660

got back to me and said they were kind

797

00:35:28,670 --> 00:35:26,460

of swamped with requests but they were

798

00:35:31,670 --> 00:35:28,680

going to delay it until July but I'm

799

00:35:33,410 --> 00:35:31,680

hoping that by providing them with the

800

00:35:35,390 --> 00:35:33,420

photographs that were in the report of

801
00:35:37,250 --> 00:35:35,400
the triangle and you know some of this

802
00:35:39,890 --> 00:35:37,260
other information that they can say oh

803
00:35:41,750 --> 00:35:39,900
yeah that was so and so and we worked

804
00:35:44,270 --> 00:35:41,760
those are flares that you know this

805
00:35:46,609 --> 00:35:44,280
pilot was kicking out of this plane

806
00:35:48,349 --> 00:35:46,619
um on that day at that exact time it has

807
00:35:50,030 --> 00:35:48,359
to be that I mean that's what I'm

808
00:35:51,109 --> 00:35:50,040
expecting to happen but I mean it's not

809
00:35:54,650 --> 00:35:51,119
guaranteed

810
00:35:57,290 --> 00:35:54,660
here's here's the thing all right this

811
00:36:01,609 --> 00:35:57,300
is where I just call it out

812
00:36:05,569 --> 00:36:01,619
with all of the resources that were in

813
00:36:09,290 --> 00:36:05,579

play at that moment if there was a black

814

00:36:11,329 --> 00:36:09,300

triangle craft not of this Earth above

815

00:36:13,849 --> 00:36:11,339

29 Palms

816

00:36:16,910 --> 00:36:13,859

all of the Weaponry that could have been

817

00:36:17,950 --> 00:36:16,920

brought down to bear on on that is one

818

00:36:24,170 --> 00:36:17,960

thing

819

00:36:26,690 --> 00:36:24,180

offensive capabilities all of the sensor

820

00:36:29,329 --> 00:36:26,700

data all of the radar information all of

821

00:36:33,530 --> 00:36:29,339

the FLIR footage all of the cell phone

822

00:36:34,970 --> 00:36:33,540

cameras all of the sensor every it's 29

823

00:36:38,030 --> 00:36:34,980

Palms

824

00:36:41,089 --> 00:36:38,040

right we would have images of this thing

825

00:36:43,730 --> 00:36:41,099

from every single angle

826

00:36:45,950 --> 00:36:43,740

and we don't have any of that

827

00:36:48,290 --> 00:36:45,960

there's 9 000 people I looked it up

828

00:36:51,109 --> 00:36:48,300

there's 9 000 people that live on the

829

00:36:52,609 --> 00:36:51,119

base I mean plus you know for that one

830

00:36:57,050 --> 00:36:52,619

operation

831

00:36:59,810 --> 00:36:57,060

um the WTI weapons tactics instruction

832

00:37:01,790 --> 00:36:59,820

um there were probably hundreds and

833

00:37:04,609 --> 00:37:01,800

hundreds of Marines if not thousands

834

00:37:06,170 --> 00:37:04,619

that were all awake that night because

835

00:37:09,109 --> 00:37:06,180

they were involved in this training

836

00:37:11,390 --> 00:37:09,119

operation flying aircraft in that

837

00:37:13,730 --> 00:37:11,400

probably in that same vicinity I didn't

838

00:37:15,890 --> 00:37:13,740

you know correlate exactly where the

839

00:37:17,930 --> 00:37:15,900

lights were and on trying to figure out

840

00:37:19,250 --> 00:37:17,940

which range the helicopters were flying

841

00:37:21,290 --> 00:37:19,260

around but you know they could have

842

00:37:24,050 --> 00:37:21,300

easily flown over there and taken a look

843

00:37:25,390 --> 00:37:24,060

if someone got on the radio and said hey

844

00:37:27,890 --> 00:37:25,400

what's you know there's another

845

00:37:30,050 --> 00:37:27,900

unauthorized aircraft over the base you

846

00:37:31,970 --> 00:37:30,060

know we better go check it out I mean

847

00:37:33,950 --> 00:37:31,980

maybe there was and that's what happened

848

00:37:37,490 --> 00:37:33,960

I don't know but I I think it might be

849

00:37:39,650 --> 00:37:37,500

flares and and there's a lot of um I

850

00:37:41,630 --> 00:37:39,660

would say Pro UFO people that I kind of

851
00:37:44,390 --> 00:37:41,640
communicate with and most of them even

852
00:37:46,010 --> 00:37:44,400
said yeah that's probably flares I mean

853
00:37:48,109 --> 00:37:46,020
they're like we're moving on from that

854
00:37:50,630 --> 00:37:48,119
case you know like

855
00:37:52,990 --> 00:37:50,640
yeah it it's

856
00:37:57,410 --> 00:37:53,000
um now here

857
00:38:02,270 --> 00:37:57,420
here's the wacky part okay I've had a

858
00:38:03,650 --> 00:38:02,280
few crazy sightings in in that area in

859
00:38:06,829 --> 00:38:03,660
Joshua Tree

860
00:38:09,109 --> 00:38:06,839
29 Palms is about 20 miles away from

861
00:38:11,329 --> 00:38:09,119
Joshua Tree if you're going up the the

862
00:38:14,030 --> 00:38:11,339
freeway there so you know it's a 20

863
00:38:15,710 --> 00:38:14,040

minute drive okay depending on how fast

864

00:38:19,430 --> 00:38:15,720

you're driving

865

00:38:24,290 --> 00:38:19,440

I've had giant rock is out there right

866

00:38:28,010 --> 00:38:24,300

and it is uh in for a lot of reasons the

867

00:38:32,650 --> 00:38:28,020

center of the UFO Universe right and

868

00:38:37,569 --> 00:38:32,660

it's so much Van Tassel uh the original

869

00:38:41,510 --> 00:38:37,579

uh UFO conventions uh 10 15 000 people

870

00:38:43,069 --> 00:38:41,520

all went down out there for a lot of

871

00:38:47,690 --> 00:38:43,079

reasons there's a lot of sightings and

872

00:38:49,790 --> 00:38:47,700

I've had my own and one night Dave I'm

873

00:38:52,310 --> 00:38:49,800

not going to tell you the whole story

874

00:38:55,010 --> 00:38:52,320

but I see this I'm with a couple hundred

875

00:38:57,470 --> 00:38:55,020

people I see this green it's called a

876
00:39:01,390 --> 00:38:57,480
green Chrome ball I watch this thing go

877
00:39:05,210 --> 00:39:01,400
across the we all did go across maybe

878
00:39:08,329 --> 00:39:05,220
quarter mile off of the ground

879
00:39:11,210 --> 00:39:08,339
and maybe for a couple of miles and then

880
00:39:13,490 --> 00:39:11,220
turn and go up to green ball I I don't

881
00:39:15,829 --> 00:39:13,500
know 50 feet 100 feet I don't know how

882
00:39:17,089 --> 00:39:15,839
big it was and just turn it took about

883
00:39:19,970 --> 00:39:17,099
five minutes

884
00:39:22,069 --> 00:39:19,980
it went like this and then turned up and

885
00:39:23,750 --> 00:39:22,079
then went straight up turned into a star

886
00:39:27,790 --> 00:39:23,760
and then flew away

887
00:39:32,150 --> 00:39:29,930
my comment

888
00:39:33,829 --> 00:39:32,160

after watching that go down and we're

889

00:39:36,710 --> 00:39:33,839

all screaming and hooting and hollering

890

00:39:40,250 --> 00:39:36,720

and Laser we all see it and then video

891

00:39:41,270 --> 00:39:40,260

and it's it's all out there but I then

892

00:39:44,329 --> 00:39:41,280

said

893

00:39:48,170 --> 00:39:44,339

29 Palms is right there

894

00:39:50,810 --> 00:39:48,180

we're the Marines all right aren't they

895

00:39:54,349 --> 00:39:50,820

aren't they concerned that something

896

00:39:57,770 --> 00:39:54,359

like this just you know flew across the

897

00:39:59,810 --> 00:39:57,780

desert floor now or does this happen

898

00:40:00,589 --> 00:39:59,820

every single day and they don't react to

899

00:40:04,730 --> 00:40:00,599

it

900

00:40:08,569 --> 00:40:04,740

now I sound like a a paradox a

901
00:40:10,550 --> 00:40:08,579
hypocritical Paradox of my own self

902
00:40:13,010 --> 00:40:10,560
right where

903
00:40:15,950 --> 00:40:13,020
I I see that and that was my reaction

904
00:40:18,710 --> 00:40:15,960
could it be that maybe there was a black

905
00:40:20,569 --> 00:40:18,720
triangle over 29 Palms during military

906
00:40:22,910 --> 00:40:20,579
exercises but it happens all the time

907
00:40:26,390 --> 00:40:22,920
and they just don't give a crap because

908
00:40:29,270 --> 00:40:26,400
that was my reaction it's strange isn't

909
00:40:32,569 --> 00:40:29,280
it I I I I don't I don't know what to

910
00:40:35,930 --> 00:40:32,579
think yeah I mean obviously you're right

911
00:40:38,210 --> 00:40:35,940
I mean and believe me I I'm not trying

912
00:40:40,730 --> 00:40:38,220
to say that there are no UFOs or that's

913
00:40:43,130 --> 00:40:40,740

my stance or anything like that I I

914

00:40:45,950 --> 00:40:43,140

truly believe that there are anomalous

915

00:40:48,109 --> 00:40:45,960

UFOs out there and there's many credible

916

00:40:50,450 --> 00:40:48,119

stories specifically in that part of the

917

00:40:52,849 --> 00:40:50,460

the United States it's probably very

918

00:40:54,770 --> 00:40:52,859

dark out there in the desert and you

919

00:40:56,030 --> 00:40:54,780

know if you're gonna see a light it's

920

00:40:58,010 --> 00:40:56,040

going to stick out you're going to

921

00:41:01,490 --> 00:40:58,020

remember it as specifically If It Moves

922

00:41:05,390 --> 00:41:01,500

In ways that conventional aircraft don't

923

00:41:08,030 --> 00:41:05,400

maneuver making turns and bopping around

924

00:41:10,370 --> 00:41:08,040

and so on the color of the light I mean

925

00:41:11,990 --> 00:41:10,380

green balls of light are not normally

926
00:41:13,970 --> 00:41:12,000
seen

927
00:41:15,710 --> 00:41:13,980
um and most of us probably don't have an

928
00:41:18,050 --> 00:41:15,720
opportunity to have like low light

929
00:41:20,450 --> 00:41:18,060
pollution or no light pollution from the

930
00:41:22,910 --> 00:41:20,460
cities where we're looking up at the

931
00:41:24,650 --> 00:41:22,920
stars and we see all kinds of light that

932
00:41:26,750 --> 00:41:24,660
are most likely airplanes and satellites

933
00:41:28,849 --> 00:41:26,760
out there you know something that's

934
00:41:31,970 --> 00:41:28,859
truly anomalous might stick out

935
00:41:33,230 --> 00:41:31,980
now what is the you know what are what

936
00:41:34,790 --> 00:41:33,240
are the military going to do if there's

937
00:41:37,010 --> 00:41:34,800
a military base maybe it didn't show up

938
00:41:39,230 --> 00:41:37,020

on radar you know maybe they weren't

939

00:41:41,810 --> 00:41:39,240

aware of it if it if there's something

940

00:41:44,089 --> 00:41:41,820

anomalous in the middle of a Marine

941

00:41:45,710 --> 00:41:44,099

Corps Air Base that's like a giant

942

00:41:47,329 --> 00:41:45,720

triangle

943

00:41:49,130 --> 00:41:47,339

I don't know you think that they would

944

00:41:51,829 --> 00:41:49,140

do something about it you would think

945

00:41:53,270 --> 00:41:51,839

you would think like I said I mean I

946

00:41:56,150 --> 00:41:53,280

said it out loud

947

00:41:58,550 --> 00:41:56,160

29 Palms is right there were the Marines

948

00:42:00,050 --> 00:41:58,560

yeah and it's that's not the only you

949

00:42:02,329 --> 00:42:00,060

know I've had sightings out there I've

950

00:42:06,109 --> 00:42:02,339

had I've seen some crazy things in

951
00:42:08,150 --> 00:42:06,119
Joshua Tree and it's always just kind of

952
00:42:11,930 --> 00:42:08,160
blown my mind

953
00:42:15,290 --> 00:42:11,940
um where you if you're aware of 29 palms

954
00:42:16,550 --> 00:42:15,300
and your UFO research you're a sky

955
00:42:17,810 --> 00:42:16,560
Watcher right you're out there doing

956
00:42:19,670 --> 00:42:17,820
your thing and you got your friend you

957
00:42:22,250 --> 00:42:19,680
got your cooler you got your sandwiches

958
00:42:24,470 --> 00:42:22,260
and playing your music and you got your

959
00:42:27,050 --> 00:42:24,480
beach chairs folded out right your night

960
00:42:28,490 --> 00:42:27,060
vision and lasers and you're out there

961
00:42:32,510 --> 00:42:28,500
having a good time you see something

962
00:42:35,210 --> 00:42:32,520
you're well aware that right there right

963
00:42:39,050 --> 00:42:35,220

there is 29 palms and 29 Palms the

964

00:42:41,410 --> 00:42:39,060

Marine base it's not small folks this is

965

00:42:45,410 --> 00:42:41,420

a major major

966

00:42:47,810 --> 00:42:45,420

huge chunk of land with a lot of Marines

967

00:42:50,690 --> 00:42:47,820

on it that are doing nothing but

968

00:42:53,450 --> 00:42:50,700

training all day long the lights are on

969

00:42:55,430 --> 00:42:53,460

they've got you brought it the point I

970

00:42:57,170 --> 00:42:55,440

want they've got their own Air Force out

971

00:42:59,510 --> 00:42:57,180

there right they've got their own

972

00:43:01,849 --> 00:42:59,520

airstrip they've got

973

00:43:04,970 --> 00:43:01,859

um uh you know all of the tanks and

974

00:43:08,210 --> 00:43:04,980

armored vehicles and and Ospreys and

975

00:43:10,970 --> 00:43:08,220

hella everything is sitting right there

976
00:43:12,770 --> 00:43:10,980
but yet all this UFO activity is

977
00:43:14,750 --> 00:43:12,780
happening 20 miles away it's very

978
00:43:17,390 --> 00:43:14,760
strange Dave

979
00:43:19,370 --> 00:43:17,400
it's pretty strange yeah I mean again

980
00:43:21,470 --> 00:43:19,380
we're talking about this one case that

981
00:43:23,390 --> 00:43:21,480
you know may or may not be a UFO and I'm

982
00:43:25,130 --> 00:43:23,400
sure that there's probably tons of

983
00:43:27,410 --> 00:43:25,140
stories if you could sit down with some

984
00:43:28,910 --> 00:43:27,420
of these guys that are out there at all

985
00:43:30,710 --> 00:43:28,920
hours of the night training in the

986
00:43:33,950 --> 00:43:30,720
desert they've probably seen

987
00:43:36,410 --> 00:43:33,960
all kinds of uh unusual lights in the

988
00:43:38,510 --> 00:43:36,420

sky and I'm sure that if you looked into

989

00:43:42,650 --> 00:43:38,520

it I mean I'm sort of curious about it

990

00:43:45,530 --> 00:43:42,660

but I I also like the stories where it's

991

00:43:47,690 --> 00:43:45,540

a UFO that then you know you can

992

00:43:49,069 --> 00:43:47,700

actually figure it out and at least it's

993

00:43:51,530 --> 00:43:49,079

one you could check off and say no

994

00:43:55,490 --> 00:43:51,540

that's not a UFO and I mean that feeling

995

00:43:58,190 --> 00:43:55,500

that you get by using using sort of um

996

00:44:01,490 --> 00:43:58,200

empirical science and and critical

997

00:44:02,809 --> 00:44:01,500

thinking you can cross off things so you

998

00:44:05,690 --> 00:44:02,819

can help people understand that

999

00:44:09,170 --> 00:44:05,700

sometimes what you perceive as a UFO and

1000

00:44:11,030 --> 00:44:09,180

you're you are 100 certain that that is

1001
00:44:13,190 --> 00:44:11,040
definitely not a Prozac

1002
00:44:14,569 --> 00:44:13,200
misidentification like say somebody on

1003
00:44:15,470 --> 00:44:14,579
the ground a marine looking at these

1004
00:44:17,870 --> 00:44:15,480
lights

1005
00:44:19,609 --> 00:44:17,880
then it's proven it is and you have to

1006
00:44:21,650 --> 00:44:19,619
get over that barrier and say I was

1007
00:44:25,130 --> 00:44:21,660
wrong I I knew that that was something

1008
00:44:27,349 --> 00:44:25,140
unusual but I'm Gonna Change My Mind and

1009
00:44:29,210 --> 00:44:27,359
and now when I look at the sky and look

1010
00:44:31,790 --> 00:44:29,220
at stars I'm going to be a little more

1011
00:44:33,890 --> 00:44:31,800
skeptical and say is there any possible

1012
00:44:36,170 --> 00:44:33,900
way that I was wrong about what I saw

1013
00:44:38,150 --> 00:44:36,180

you know even my buddy and you know

1014

00:44:40,130 --> 00:44:38,160

somebody that's like um

1015

00:44:42,589 --> 00:44:40,140

uh somebody that's like

1016

00:44:44,390 --> 00:44:42,599

um you know

1017

00:44:46,430 --> 00:44:44,400

standing next to me sees the same thing

1018

00:44:48,230 --> 00:44:46,440

and they tell me yeah that's definitely

1019

00:44:50,690 --> 00:44:48,240

not a plane and you you kind of like

1020

00:44:53,750 --> 00:44:50,700

feed off each other but being willing to

1021

00:44:56,390 --> 00:44:53,760

admit that okay I I hear what you're

1022

00:44:58,069 --> 00:44:56,400

saying and the authorities above me are

1023

00:44:59,809 --> 00:44:58,079

telling me that those were flares I'm

1024

00:45:01,370 --> 00:44:59,819

going to change my mind and then maybe

1025

00:45:02,270 --> 00:45:01,380

I'll just be a better Observer going

1026

00:45:05,089 --> 00:45:02,280

forward

1027

00:45:06,410 --> 00:45:05,099

well I and that's that's also part of

1028

00:45:09,410 --> 00:45:06,420

the issue

1029

00:45:13,250 --> 00:45:09,420

is that uh

1030

00:45:16,309 --> 00:45:13,260

uh I see flares right I'm looking at the

1031

00:45:19,990 --> 00:45:16,319

image and I know exactly what I'm

1032

00:45:24,950 --> 00:45:20,000

looking at and then you've got somebody

1033

00:45:28,730 --> 00:45:24,960

yelling in your ear no it's it it's E.T

1034

00:45:32,990 --> 00:45:28,740

no it's not it's first no it is not

1035

00:45:34,970 --> 00:45:33,000

it is and if no no it's like somebody

1036

00:45:37,790 --> 00:45:34,980

trying to convince you that you're

1037

00:45:39,770 --> 00:45:37,800

looking at a yellow car when you're

1038

00:45:43,190 --> 00:45:39,780

looking at a red car

1039

00:45:46,069 --> 00:45:43,200

right and dude the car is red no it's

1040

00:45:47,690 --> 00:45:46,079

not it's yellow I'm looking at it you

1041

00:45:50,809 --> 00:45:47,700

know what I mean it's it's it's it's

1042

00:45:51,950 --> 00:45:50,819

crazy but people still seem to take the

1043

00:45:53,390 --> 00:45:51,960

bait

1044

00:45:55,130 --> 00:45:53,400

you know

1045

00:45:58,010 --> 00:45:55,140

um group dynamics are something that are

1046

00:46:00,589 --> 00:45:58,020

very interesting and um you know a study

1047

00:46:02,390 --> 00:46:00,599

in Psychology about crime scenes and

1048

00:46:04,250 --> 00:46:02,400

stuff I kind of remember some of that in

1049

00:46:06,550 --> 00:46:04,260

college where they would talk about what

1050

00:46:08,510 --> 00:46:06,560

people see and how they react and

1051

00:46:10,430 --> 00:46:08,520

especially if you're in a group of

1052

00:46:12,770 --> 00:46:10,440

people like a bunch of Young Marines I

1053

00:46:14,990 --> 00:46:12,780

can imagine that if suddenly somebody

1054

00:46:17,630 --> 00:46:15,000

starts yelling man that dude that's E.T

1055

00:46:19,609 --> 00:46:17,640

or whatever you know everyone jumps on

1056

00:46:22,130 --> 00:46:19,619

that and suddenly you know everyone's

1057

00:46:23,930 --> 00:46:22,140

seeing a triangle and you you become

1058

00:46:26,270 --> 00:46:23,940

convinced because the group you're with

1059

00:46:29,829 --> 00:46:26,280

is convinced together it's a very

1060

00:46:32,750 --> 00:46:29,839

powerful motivating uh behavior

1061

00:46:34,250 --> 00:46:32,760

that could convince you of something

1062

00:46:36,230 --> 00:46:34,260

that if you were by yourself or if

1063

00:46:37,550 --> 00:46:36,240

somebody uh you're with somebody that's

1064

00:46:39,109 --> 00:46:37,560

like no man those are flares you know

1065

00:46:41,270 --> 00:46:39,119

I've seen that before and then you kind

1066

00:46:44,210 --> 00:46:41,280

of go that direction

1067

00:46:45,710 --> 00:46:44,220

um so you know I I totally hear what

1068

00:46:47,329 --> 00:46:45,720

you're saying and you can get convinced

1069

00:46:49,550 --> 00:46:47,339

of something if other people are telling

1070

00:46:51,109 --> 00:46:49,560

telling you that and that's if you

1071

00:46:52,609 --> 00:46:51,119

listen to the audio and some of those

1072

00:46:54,290 --> 00:46:52,619

recordings

1073

00:46:56,990 --> 00:46:54,300

um that were released in the initial

1074

00:46:58,550 --> 00:46:57,000

report back in May you can hear that in

1075

00:47:00,890 --> 00:46:58,560

the background that the guys you know

1076

00:47:05,690 --> 00:47:00,900

the the Marines kind of yelling that

1077

00:47:08,990 --> 00:47:05,700

it's a E.T man you know like yeah

1078

00:47:13,069 --> 00:47:09,000

the whole thing is bizarre and then with

1079

00:47:16,849 --> 00:47:13,079

um uh you've got crush you've got this

1080

00:47:19,309 --> 00:47:16,859

29 Palms flares thing and then suddenly

1081

00:47:26,030 --> 00:47:19,319

out of nowhere we've got

1082

00:47:28,730 --> 00:47:26,040

Las Vegas and and 10 foot aliens and the

1083

00:47:31,250 --> 00:47:28,740

um uh the

1084

00:47:33,230 --> 00:47:31,260

the body cam footage the news is

1085

00:47:36,470 --> 00:47:33,240

involved this gets picked up and this

1086

00:47:37,790 --> 00:47:36,480

story has not gone away

1087

00:47:40,990 --> 00:47:37,800

um I I'm

1088

00:47:46,130 --> 00:47:43,670

oh man I can't believe I'm gonna ask you

1089

00:47:47,750 --> 00:47:46,140

this what do you think you think we got

1090

00:47:49,910 --> 00:47:47,760

10 foot aliens running around in

1091

00:47:53,270 --> 00:47:49,920

backyards in Las Vegas

1092

00:47:55,069 --> 00:47:53,280

you know I I I'm not gonna like give you

1093

00:47:56,089 --> 00:47:55,079

an opinion on that I mean when I saw

1094

00:47:58,910 --> 00:47:56,099

that

1095

00:48:01,370 --> 00:47:58,920

um story first of all I was like oh God

1096

00:48:03,950 --> 00:48:01,380

that's just one of those those stories

1097

00:48:04,730 --> 00:48:03,960

it's hopefully it'll go away fast you

1098

00:48:07,609 --> 00:48:04,740

know

1099

00:48:10,550 --> 00:48:07,619

um Mick West one of the Uber Skeptics

1100

00:48:12,470 --> 00:48:10,560

that's on Twitter quickly you know said

1101

00:48:15,470 --> 00:48:12,480

that that was you know the the green

1102

00:48:17,930 --> 00:48:15,480

light that that's definitely a meteor or

1103

00:48:19,970 --> 00:48:17,940

something I mean they I I just said

1104

00:48:22,490 --> 00:48:19,980

there's no possible way that that's a

1105

00:48:23,690 --> 00:48:22,500

real story so I just kind of like have

1106

00:48:25,910 --> 00:48:23,700

ignored it

1107

00:48:28,190 --> 00:48:25,920

um unfortunately you know it's not

1108

00:48:29,450 --> 00:48:28,200

necessarily my job to investigate UFO so

1109

00:48:30,890 --> 00:48:29,460

I kind of pick and choose and that was

1110

00:48:32,690 --> 00:48:30,900

one hey man I'm going to look at the

1111

00:48:34,550 --> 00:48:32,700

David grush story I'm going to look at

1112

00:48:36,650 --> 00:48:34,560

the 29 palms and like really do a deep

1113

00:48:38,690 --> 00:48:36,660

dive so

1114

00:48:40,790 --> 00:48:38,700

don't ask me about that because you know

1115

00:48:42,589 --> 00:48:40,800

unless somebody else comes along and

1116

00:48:45,109 --> 00:48:42,599

says you really need to read this story

1117

00:48:47,569 --> 00:48:45,119

and look at the pictures the police body

1118

00:48:49,089 --> 00:48:47,579

cam footage and so on

1119

00:48:54,890 --> 00:48:49,099

um I'm not convinced

1120

00:48:56,750 --> 00:48:54,900

the um the media is no I should say let

1121

00:49:00,050 --> 00:48:56,760

me say it like this the media is

1122

00:49:04,849 --> 00:49:00,060

convinced on clicks now yeah they know

1123

00:49:08,030 --> 00:49:04,859

UFOs uh E.T and it's going to get you

1124

00:49:10,430 --> 00:49:08,040

clicks it's going to increase your

1125

00:49:12,230 --> 00:49:10,440

Revenue it's never been like this before

1126

00:49:15,890 --> 00:49:12,240

has it

1127

00:49:17,390 --> 00:49:15,900

I mean there the media didn't like to do

1128

00:49:19,609 --> 00:49:17,400

stories about UFOs in general

1129

00:49:21,470 --> 00:49:19,619

specifically because I mean they did

1130

00:49:24,470 --> 00:49:21,480

like those kind of

1131

00:49:27,349 --> 00:49:24,480

um end of the show in at least in TV

1132

00:49:29,270 --> 00:49:27,359

kicker stories that were tongue-in-cheek

1133

00:49:31,609 --> 00:49:29,280

and you know they would play a story

1134

00:49:33,710 --> 00:49:31,619

like the Las Vegas 10 foot alien and

1135

00:49:36,710 --> 00:49:33,720

then they would make a joke on the set

1136

00:49:38,210 --> 00:49:36,720

after the story you know ended and they

1137

00:49:40,430 --> 00:49:38,220

would end the news on that on a

1138

00:49:43,069 --> 00:49:40,440

light-hearted note but there really

1139

00:49:46,790 --> 00:49:43,079

hasn't been too much reporting seriously

1140

00:49:49,490 --> 00:49:46,800

on UFOs and we've seen some of that

1141

00:49:50,569 --> 00:49:49,500

taking it sort of seriously when you

1142

00:49:53,230 --> 00:49:50,579

have

1143

00:49:55,430 --> 00:49:53,240

um a 14-year career intelligence

1144

00:49:57,710 --> 00:49:55,440

operative coming forward with these

1145

00:49:59,210 --> 00:49:57,720

stories they're kind of forced to do a

1146

00:50:02,510 --> 00:49:59,220

serious take on it versus that

1147

00:50:03,950 --> 00:50:02,520

tongue-in-cheek story or the skeptical

1148

00:50:06,290 --> 00:50:03,960

debunk

1149

00:50:09,290 --> 00:50:06,300

um that we sometimes see as well where

1150

00:50:11,930 --> 00:50:09,300

it's basically a story that's slanted in

1151

00:50:15,290 --> 00:50:11,940

a way by the reporter that basically

1152

00:50:16,490 --> 00:50:15,300

makes you say okay I'm this is probably

1153

00:50:17,870 --> 00:50:16,500

something that we're not going to want

1154

00:50:19,910 --> 00:50:17,880

to believe

1155

00:50:21,290 --> 00:50:19,920

um and you I think you see a lot of that

1156

00:50:23,390 --> 00:50:21,300

too I mean I'm not sure if we're gonna

1157

00:50:26,030 --> 00:50:23,400

if that's what's gonna happen if it's

1158

00:50:29,150 --> 00:50:26,040

going to be you know some uh journalist

1159

00:50:31,130 --> 00:50:29,160

taking that debunker sort of look at

1160

00:50:32,510 --> 00:50:31,140

these cases

1161

00:50:34,130 --> 00:50:32,520

um even though they're really kind of

1162

00:50:37,130 --> 00:50:34,140

there's not enough to go on at this

1163

00:50:40,010 --> 00:50:37,140

point you can't really debunk it

1164

00:50:42,050 --> 00:50:40,020

um yet or if it's going to be kind of a

1165

00:50:45,230 --> 00:50:42,060

neutral approach where they're

1166

00:50:47,750 --> 00:50:45,240

presenting the evidence as the debrief

1167

00:50:49,250 --> 00:50:47,760

did and I got to give them credit you

1168

00:50:52,250 --> 00:50:49,260

know Tim McMillan

1169

00:50:54,290 --> 00:50:52,260

um you know did look at the report that

1170

00:50:56,569 --> 00:50:54,300

Ralph Blumenthal and lesla Kane did and

1171

00:51:01,309 --> 00:50:56,579

said look we probably shouldn't use

1172

00:51:03,589 --> 00:51:01,319

witnesses that are Anonymous sources

1173

00:51:04,849 --> 00:51:03,599

um and he said later that there were

1174

00:51:05,950 --> 00:51:04,859

some that they took out there were some

1175

00:51:08,630 --> 00:51:05,960

pretty credible

1176
00:51:10,670 --> 00:51:08,640
credible sounding testimony from

1177
00:51:12,829 --> 00:51:10,680
Anonymous sources that just because

1178
00:51:15,349 --> 00:51:12,839
these people were not named that they

1179
00:51:17,510 --> 00:51:15,359
didn't use it in the ad so I think that

1180
00:51:19,670 --> 00:51:17,520
there's kind of there's both you have

1181
00:51:22,670 --> 00:51:19,680
like this tongue-in-cheek reporting in

1182
00:51:25,430 --> 00:51:22,680
the uh media you have the

1183
00:51:28,430 --> 00:51:25,440
um debunking of it Julian Barnes New

1184
00:51:30,650 --> 00:51:28,440
York Times has often taken that approach

1185
00:51:33,470 --> 00:51:30,660
to UAP stories and then you have the

1186
00:51:35,809 --> 00:51:33,480
kind of balanced and not taking aside

1187
00:51:37,190 --> 00:51:35,819
and just presenting the Evans I hope

1188
00:51:38,950 --> 00:51:37,200

that that's the kind of reporting that's

1189

00:51:40,549 --> 00:51:38,960

what I want to see

1190

00:51:49,130 --> 00:51:40,559

the

1191

00:51:51,410 --> 00:51:49,140

over uh about a seven day period uh when

1192

00:51:54,470 --> 00:51:51,420

it comes to uh E.T

1193

00:51:57,910 --> 00:51:54,480

uh contact in UFOs

1194

00:52:01,609 --> 00:51:57,920

um Dr Greer Stephen Greer did a a press

1195

00:52:03,770 --> 00:52:01,619

thing a conference I don't know if you

1196

00:52:06,410 --> 00:52:03,780

can call it a press conference uh how

1197

00:52:09,230 --> 00:52:06,420

you would classify it from the national

1198

00:52:12,670 --> 00:52:09,240

Press Club in Washington DC a week after

1199

00:52:16,250 --> 00:52:12,680

David Crush uh came forward

1200

00:52:20,210 --> 00:52:16,260

and again it just like capped off and

1201
00:52:23,329 --> 00:52:20,220
and already crazy week you had 29 Palms

1202
00:52:26,510 --> 00:52:23,339
going on you've got Las Vegas it's

1203
00:52:30,170 --> 00:52:26,520
breaking news you've got David crush and

1204
00:52:32,089 --> 00:52:30,180
and and and and and Dr Greer that's a

1205
00:52:33,710 --> 00:52:32,099
that's a lot of stuff to take in in the

1206
00:52:37,549 --> 00:52:33,720
seven day period

1207
00:52:39,470 --> 00:52:37,559
it really is and um again and so you

1208
00:52:40,849 --> 00:52:39,480
have you know all of these people that

1209
00:52:44,329 --> 00:52:40,859
are coming forward and I guess you know

1210
00:52:46,549 --> 00:52:44,339
uh Dr Steven Greer is also prevent

1211
00:52:49,309 --> 00:52:46,559
presenting military as he calls military

1212
00:52:52,750 --> 00:52:49,319
whistleblowers like he did

1213
00:52:55,010 --> 00:52:52,760

um you know years ago he did a similar

1214

00:52:57,890 --> 00:52:55,020

disclosure project event where he

1215

00:53:00,890 --> 00:52:57,900

brought in these military personnel that

1216

00:53:03,410 --> 00:53:00,900

were telling very very

1217

00:53:05,109 --> 00:53:03,420

um interesting stories about uh

1218

00:53:08,630 --> 00:53:05,119

first-hand experiences that they

1219

00:53:11,510 --> 00:53:08,640

witnessed you know I don't know I you

1220

00:53:14,089 --> 00:53:11,520

know when people get into underground

1221

00:53:17,329 --> 00:53:14,099

secret underground bases you know in

1222

00:53:19,190 --> 00:53:17,339

Dolce New Mexico and so on I'm a little

1223

00:53:21,290 --> 00:53:19,200

skeptical of that I mean I've we've

1224

00:53:23,390 --> 00:53:21,300

heard those stories before

1225

00:53:24,770 --> 00:53:23,400

um you know I just don't know I I just

1226

00:53:27,109 --> 00:53:24,780

don't know if that's true I mean it

1227

00:53:29,349 --> 00:53:27,119

would be hard to hide that along with

1228

00:53:33,230 --> 00:53:29,359

the secret underground

1229

00:53:35,630 --> 00:53:33,240

hangers in area S4 that Bob Lazar talked

1230

00:53:37,609 --> 00:53:35,640

about you know but

1231

00:53:39,650 --> 00:53:37,619

who knows I mean maybe there's some some

1232

00:53:41,270 --> 00:53:39,660

truth to it I'm not sure but it's

1233

00:53:43,250 --> 00:53:41,280

certainly interesting that we have all

1234

00:53:45,650 --> 00:53:43,260

of these military personnel coming

1235

00:53:47,990 --> 00:53:45,660

forward I just listened to

1236

00:53:51,589 --> 00:53:48,000

um a very very unique um individual

1237

00:53:55,790 --> 00:53:51,599

named Mario Woods that was a U.S Air

1238

00:54:00,170 --> 00:53:55,800

Force security officer in the 1970s that

1239

00:54:01,790 --> 00:54:00,180

had a startling encounter at a um you

1240

00:54:04,609 --> 00:54:01,800

know nuclear weapon storage area

1241

00:54:08,390 --> 00:54:04,619

actually it was a Minute Man 2 launch

1242

00:54:11,210 --> 00:54:08,400

facility this was also featured in a

1243

00:54:14,630 --> 00:54:11,220

History Channel show uh several years

1244

00:54:16,670 --> 00:54:14,640

back and he has given some really really

1245

00:54:19,870 --> 00:54:16,680

pretty interesting testimony I think

1246

00:54:22,190 --> 00:54:19,880

that he also spoke to the aaro office

1247

00:54:25,190 --> 00:54:22,200

recently and provided some of his

1248

00:54:27,349 --> 00:54:25,200

testimony to them as well so

1249

00:54:30,589 --> 00:54:27,359

um what's his background

1250

00:54:34,190 --> 00:54:30,599

he well he was um um you know obviously

1251

00:54:36,589 --> 00:54:34,200

enlisted in the U.S Air Force and

1252

00:54:39,710 --> 00:54:36,599

um uh after you know going through

1253

00:54:42,130 --> 00:54:39,720

training and so on he was assigned as a

1254

00:54:46,010 --> 00:54:42,140

military security

1255

00:54:47,809 --> 00:54:46,020

specialist at a nuclear launch facility

1256

00:54:50,030 --> 00:54:47,819

I think it was

1257

00:54:52,609 --> 00:54:50,040

forget which um base it was it wasn't

1258

00:54:55,970 --> 00:54:52,619

mine and it must be like Ellsworth or I

1259

00:54:59,089 --> 00:54:55,980

forget the the uh actual nuclear missile

1260

00:55:02,690 --> 00:54:59,099

base that he was assigned to but

1261

00:55:04,370 --> 00:55:02,700

um what his story is is that during the

1262

00:55:07,370 --> 00:55:04,380

night it was in the winter during the

1263

00:55:09,530 --> 00:55:07,380

night that he was on duty you know he

1264

00:55:11,329 --> 00:55:09,540

would be assigned with a a team that

1265

00:55:13,430 --> 00:55:11,339

would be a team leader he'd have a

1266

00:55:15,650 --> 00:55:13,440

partner and they would would have to

1267

00:55:18,049 --> 00:55:15,660

respond to alerts and what happened was

1268

00:55:20,510 --> 00:55:18,059

he saw some lights from kind of the base

1269

00:55:23,569 --> 00:55:20,520

Shack where they stayed in the distance

1270

00:55:25,849 --> 00:55:23,579

and they were acting unusual to him he

1271

00:55:28,609 --> 00:55:25,859

uh flashed some security perimeter

1272

00:55:29,870 --> 00:55:28,619

lights and this object flashed back at

1273

00:55:31,430 --> 00:55:29,880

him and

1274

00:55:34,130 --> 00:55:31,440

um he thought that was very unusual

1275

00:55:36,109 --> 00:55:34,140

maybe it was a helicopter or some other

1276

00:55:38,210 --> 00:55:36,119

aircraft that saw their lights and was

1277

00:55:41,030 --> 00:55:38,220

kind of responding in in a similar way

1278

00:55:43,309 --> 00:55:41,040

soon thereafter

1279

00:55:45,950 --> 00:55:43,319

um there was a an alert at one of the

1280

00:55:47,569 --> 00:55:45,960

launch facilities which was a ways away

1281

00:55:49,750 --> 00:55:47,579

from where they were they had to get in

1282

00:55:54,049 --> 00:55:49,760

their truck and and go to this location

1283

00:55:56,390 --> 00:55:54,059

and according to Mario when him and his

1284

00:55:59,809 --> 00:55:56,400

partner arrived in the truck

1285

00:56:02,930 --> 00:55:59,819

they at the at the Gated facility where

1286

00:56:07,309 --> 00:56:02,940

the actual missiles are underground they

1287

00:56:10,250 --> 00:56:07,319

saw this giant spherical craft like

1288

00:56:12,589 --> 00:56:10,260

hovering over the launch facility so

1289

00:56:16,370 --> 00:56:12,599

it's a really startling

1290

00:56:18,950 --> 00:56:16,380

um explanation of what he saw and he

1291

00:56:22,609 --> 00:56:18,960

kind of goes in in detail in his account

1292

00:56:25,970 --> 00:56:22,619

step by step through what he witnessed

1293

00:56:27,950 --> 00:56:25,980

he um said that it almost felt like all

1294

00:56:30,829 --> 00:56:27,960

of the air was evacuated from the

1295

00:56:33,890 --> 00:56:30,839

vehicle like during this time when he

1296

00:56:36,170 --> 00:56:33,900

saw this object that his partner almost

1297

00:56:39,410 --> 00:56:36,180

went into some type of catatonic state

1298

00:56:41,210 --> 00:56:39,420

where he couldn't talk to the guy he

1299

00:56:43,010 --> 00:56:41,220

wouldn't respond so they're sitting

1300

00:56:45,530 --> 00:56:43,020

there trying to figure out what they're

1301

00:56:48,589 --> 00:56:45,540

going to do and what the protocol is

1302

00:56:52,190 --> 00:56:48,599

when you're faced with such a enormous

1303

00:56:54,170 --> 00:56:52,200

object in not really you know unsure of

1304

00:56:57,170 --> 00:56:54,180

what to do so

1305

00:56:59,270 --> 00:56:57,180

um what eventually what happened was

1306

00:57:01,609 --> 00:56:59,280

there was like a missing time element

1307

00:57:03,829 --> 00:57:01,619

where suddenly he became um he woke up

1308

00:57:06,470 --> 00:57:03,839

again and they were in a completely

1309

00:57:10,549 --> 00:57:06,480

different location in the truck than

1310

00:57:13,370 --> 00:57:10,559

where they were a second ago and he

1311

00:57:16,490 --> 00:57:13,380

describes kind of like coming to so so

1312

00:57:19,190 --> 00:57:16,500

to speak and he realized that they were

1313

00:57:21,650 --> 00:57:19,200

at that launch facility around 1am and

1314

00:57:23,809 --> 00:57:21,660

now it's around 6 a.m in the morning and

1315

00:57:26,329 --> 00:57:23,819

they had I forget how many miles the

1316

00:57:29,390 --> 00:57:26,339

truck had traveled so it's a classic

1317

00:57:30,770 --> 00:57:29,400

sort of UFO you know I don't know if I

1318

00:57:32,089 --> 00:57:30,780

would call it abduction but that's kind

1319

00:57:34,130 --> 00:57:32,099

of what it sounds like to me where

1320

00:57:36,890 --> 00:57:34,140

something happened in between those two

1321

00:57:39,950 --> 00:57:36,900

points man missing time missing time

1322

00:57:41,930 --> 00:57:39,960

yeah missing time yeah so that's the

1323

00:57:43,670 --> 00:57:41,940

story and the radio's crackling you know

1324

00:57:45,710 --> 00:57:43,680

you know what's your location you know

1325

00:57:47,150 --> 00:57:45,720

unit whatever they didn't know where

1326

00:57:48,049 --> 00:57:47,160

they were and they eventually

1327

00:57:51,470 --> 00:57:48,059

um

1328

00:57:53,870 --> 00:57:51,480

were debriefed and the whole thing where

1329

00:57:56,870 --> 00:57:53,880

I mean the guy was lucky he didn't his

1330

00:57:58,970 --> 00:57:56,880

career wasn't ruined by literally he had

1331

00:58:01,549 --> 00:57:58,980

to explain what they saw and what

1332

00:58:03,530 --> 00:58:01,559

happened and

1333

00:58:06,410 --> 00:58:03,540

um I don't know that he felt that they

1334

00:58:08,690 --> 00:58:06,420

took him seriously or not like his uh

1335

00:58:12,049 --> 00:58:08,700

commanding officers but he did go and

1336

00:58:13,790 --> 00:58:12,059

have to explain and and sign a report in

1337

00:58:15,589 --> 00:58:13,800

NDA and the whole thing about what what

1338

00:58:19,190 --> 00:58:15,599

experience so

1339

00:58:22,370 --> 00:58:19,200

yeah I've heard a little bit uh of his

1340

00:58:24,650 --> 00:58:22,380

story and uh I've talked to some people

1341

00:58:27,950 --> 00:58:24,660

about it too as well

1342

00:58:31,329 --> 00:58:27,960

um I I think did he was there some

1343

00:58:37,730 --> 00:58:34,849

it was more like a Close Encounters of a

1344

00:58:42,349 --> 00:58:37,740

Third Kind situation where he I think he

1345

00:58:46,130 --> 00:58:42,359

made contact right let me you know you

1346

00:58:48,410 --> 00:58:46,140

know there was there was the the partner

1347

00:58:51,170 --> 00:58:48,420

that he was with

1348

00:58:55,190 --> 00:58:51,180

basically he only saw him one more time

1349

00:58:57,470 --> 00:58:55,200

after that event and he had some

1350

00:58:59,270 --> 00:58:57,480

questions and then like at least in the

1351
00:59:01,370 --> 00:58:59,280
the interview that I listened to last

1352
00:59:03,890 --> 00:59:01,380
week that was released

1353
00:59:06,349 --> 00:59:03,900
um it he said that the guy disappeared

1354
00:59:08,930 --> 00:59:06,359
that he's he's actually asking

1355
00:59:10,549 --> 00:59:08,940
the audience to say do you know who this

1356
00:59:13,670 --> 00:59:10,559
where this gentleman is I've been trying

1357
00:59:15,589 --> 00:59:13,680
to track him down for you know 30 years

1358
00:59:18,470 --> 00:59:15,599
or 40 years or whatever since this event

1359
00:59:21,770 --> 00:59:18,480
and and he just kind of disappeared

1360
00:59:23,750 --> 00:59:21,780
uh the the partner that yeah wouldn't

1361
00:59:25,069 --> 00:59:23,760
respond yeah the guy in the truck with

1362
00:59:26,930 --> 00:59:25,079
him um

1363
00:59:29,390 --> 00:59:26,940

and I don't know if there was regression

1364

00:59:32,329 --> 00:59:29,400

I mean there was there were suggestions

1365

00:59:34,430 --> 00:59:32,339

that like for instance the partner the

1366

00:59:39,410 --> 00:59:34,440

last time he spoke with him said I

1367

00:59:43,130 --> 00:59:39,420

remember your glove on a steel deck or a

1368

00:59:44,450 --> 00:59:43,140

steel floor a shiny steel floor and he

1369

00:59:46,849 --> 00:59:44,460

couldn't figure that out because where

1370

00:59:50,270 --> 00:59:46,859

they were in the truck was like a an

1371

00:59:52,309 --> 00:59:50,280

F-150 that didn't have that you know but

1372

00:59:55,190 --> 00:59:52,319

he went and looked in his bag and indeed

1373

00:59:57,950 --> 00:59:55,200

like his glove was missing so

1374

01:00:01,609 --> 00:59:57,960

yeah very strange somebody just popped

1375

01:00:05,990 --> 01:00:01,619

up a comment here

1376

01:00:07,970 --> 01:00:06,000

um and where where'd it go oh yeah right

1377

01:00:12,530 --> 01:00:07,980

here

1378

01:00:14,990 --> 01:00:12,540

he also saw beings uh walking towards

1379

01:00:17,750 --> 01:00:15,000

his truck three of them

1380

01:00:18,829 --> 01:00:17,760

that's right and and he said that he

1381

01:00:21,609 --> 01:00:18,839

said that

1382

01:00:25,970 --> 01:00:21,619

again this stuff a lot of it is classic

1383

01:00:30,230 --> 01:00:25,980

you know bud Hopkins Fowler you know

1384

01:00:32,870 --> 01:00:30,240

Whitley strieber style reports of UFO

1385

01:00:34,789 --> 01:00:32,880

abductions and he saw like three what

1386

01:00:38,329 --> 01:00:34,799

you know I guess he described them what

1387

01:00:40,010 --> 01:00:38,339

you might consider gray aliens with a

1388

01:00:43,130 --> 01:00:40,020

super tall

1389

01:00:46,309 --> 01:00:43,140

the being behind them and he he went on

1390

01:00:49,609 --> 01:00:46,319

to say that he recognized that the small

1391

01:00:51,530 --> 01:00:49,619

ones had like a rod-shaped thing in

1392

01:00:54,609 --> 01:00:51,540

their belts like he said they had like a

1393

01:00:58,069 --> 01:00:54,619

belt with a rod-shaped uh device with a

1394

01:01:01,430 --> 01:00:58,079

glowing ball on the end of it and that

1395

01:01:02,990 --> 01:01:01,440

the taller being he said that it had in

1396

01:01:05,870 --> 01:01:03,000

the middle of its chest something a

1397

01:01:06,950 --> 01:01:05,880

device that was glowing with the same

1398

01:01:09,109 --> 01:01:06,960

light

1399

01:01:10,970 --> 01:01:09,119

so that was like one of the last things

1400

01:01:13,789 --> 01:01:10,980

that he remembered I guess before the

1401
01:01:16,430 --> 01:01:13,799
truck disappeared or like he passed out

1402
01:01:19,250 --> 01:01:16,440
or something and he said that in in his

1403
01:01:23,270 --> 01:01:19,260
debriefing with his commanding officers

1404
01:01:25,670 --> 01:01:23,280
at the at the uh Squadron Wing level

1405
01:01:27,770 --> 01:01:25,680
he never mentioned that to them he said

1406
01:01:30,109 --> 01:01:27,780
that he went pretty far with describing

1407
01:01:33,049 --> 01:01:30,119
the sighting but he he felt that if he

1408
01:01:35,210 --> 01:01:33,059
went in and told him all about that that

1409
01:01:36,890 --> 01:01:35,220
would be the end and that they would he

1410
01:01:40,250 --> 01:01:36,900
would never you know they would ship him

1411
01:01:43,309 --> 01:01:40,260
off to Antarctica or something like I I

1412
01:01:45,770 --> 01:01:43,319
was gonna bring check this out hold on

1413
01:01:47,870 --> 01:01:45,780

look what I just wrote Antarctica right

1414

01:01:51,289 --> 01:01:47,880

there I just wrote it

1415

01:01:53,569 --> 01:01:51,299

um and uh

1416

01:01:55,130 --> 01:01:53,579

oh okay you know what I I gotta take a

1417

01:01:56,870 --> 01:01:55,140

break let's get the break em when we

1418

01:01:59,450 --> 01:01:56,880

come back

1419

01:02:02,329 --> 01:01:59,460

um you okay

1420

01:02:07,190 --> 01:02:02,339

you you sent me some notes

1421

01:02:10,270 --> 01:02:07,200

all right and in your notes you say and

1422

01:02:13,430 --> 01:02:10,280

with without any information you say

1423

01:02:14,950 --> 01:02:13,440

giant triangle don't say anything

1424

01:02:18,109 --> 01:02:14,960

I want to know

1425

01:02:20,809 --> 01:02:18,119

why that's in the notes because there's

1426

01:02:24,950 --> 01:02:20,819

nothing that just says giant dragon I'm

1427

01:02:27,170 --> 01:02:24,960

like okay this is something that Dave is

1428

01:02:28,849 --> 01:02:27,180

working on we'll do all of that with

1429

01:02:31,730 --> 01:02:28,859

Dave Beatty when we come back after this

1430

01:02:35,289 --> 01:02:31,740

break uh Dave uh get ready for that

1431

01:02:39,829 --> 01:02:37,970

this is Fade to Black

1432

01:02:42,109 --> 01:02:39,839

this is Jimmy Church of Fade to Black

1433

01:02:44,390 --> 01:02:42,119

please visit all of our sponsors we're

1434

01:02:46,130 --> 01:02:44,400

taking a quick break here all of the

1435

01:02:48,370 --> 01:02:46,140

links are below

1436

01:02:52,849 --> 01:02:48,380

and we'll be right back

1437

01:02:55,309 --> 01:02:52,859

join us November 10th 11th and 12th 2023

1438

01:02:58,010 --> 01:02:55,319

as disclosure Fest foundation and Fade

1439

01:03:00,470 --> 01:02:58,020

to Black radio presents Stairway To the

1440

01:03:02,930 --> 01:03:00,480

Stars a human Origins Science and

1441

01:03:06,049 --> 01:03:02,940

Technology Expo live at the Luxor Hotel

1442

01:03:08,329 --> 01:03:06,059

and Casino and the Las Vegas Strip with

1443

01:03:10,250 --> 01:03:08,339

live talks lectures and workshops by

1444

01:03:12,410 --> 01:03:10,260

World Acclaim researchers and authors

1445

01:03:14,990 --> 01:03:12,420

this is Jimmy Church by the way and I'll

1446

01:03:17,210 --> 01:03:15,000

be your host all weekend long featuring

1447

01:03:19,390 --> 01:03:17,220

topics like human Origins ancient

1448

01:03:22,309 --> 01:03:19,400

Technologies indigenous teachings

1449

01:03:24,650 --> 01:03:22,319

workshops a mass meditation yoga and

1450

01:03:27,410 --> 01:03:24,660

sound healing music and so much more

1451

01:03:30,289 --> 01:03:27,420

don't miss our intimate sky watch and

1452

01:03:33,109 --> 01:03:30,299

meteor shower over the infamous Area 51

1453

01:03:34,849 --> 01:03:33,119

airspace in Rachel Nevada with special

1454

01:03:37,190 --> 01:03:34,859

surprise celebrity host guiding us

1455

01:03:41,089 --> 01:03:37,200

through the night also introducing our

1456

01:03:43,309 --> 01:03:41,099

disclosure Fest VR Starship area with

1457

01:03:46,069 --> 01:03:43,319

dozens of rides you've gotta check it

1458

01:03:47,569 --> 01:03:46,079

out this event will sell out for more

1459

01:03:49,910 --> 01:03:47,579

information and tickets Please visit

1460

01:03:55,069 --> 01:03:49,920

disclosure fest.org

1461

01:03:57,950 --> 01:03:55,079

the secret is out life waves x39 is the

1462

01:03:59,990 --> 01:03:57,960

reason why I have got my vision back

1463

01:04:03,370 --> 01:04:00,000

this is Jimmy Church of Fade to Black

1464

01:04:06,069 --> 01:04:03,380

and you need to go straight to

1465

01:04:10,309 --> 01:04:06,079

healingworksnow.com that's

1466

01:04:13,069 --> 01:04:10,319

healingworksnow.com works with an X all

1467

01:04:16,970 --> 01:04:13,079

of the information that you need is on

1468

01:04:20,210 --> 01:04:16,980

that portal find out why I look great I

1469

01:04:24,109 --> 01:04:20,220

feel great I'm thinking clearly I sleep

1470

01:04:27,170 --> 01:04:24,119

I dream life is good all of it you've

1471

01:04:29,390 --> 01:04:27,180

got to check out lifewaves x39 and all

1472

01:04:31,809 --> 01:04:29,400

of their other products it's all simple

1473

01:04:34,390 --> 01:04:31,819

to do go to

1474

01:04:38,809 --> 01:04:34,400

healingworksnow.com that's

1475

01:04:41,390 --> 01:04:38,819

healingworksnow.com works with an X

1476

01:04:43,730 --> 01:04:41,400

hey everybody it's Billy Carson also

1477

01:04:45,230 --> 01:04:43,740

known as Forbidden Knowledge I want to

1478

01:04:48,890 --> 01:04:45,240

talk to you about a very special event

1479

01:04:50,990 --> 01:04:48,900

coming up July 30th 2023 The Forbidden

1480

01:04:52,609 --> 01:04:51,000

conscious Awards we're going to honor

1481

01:04:55,010 --> 01:04:52,619

people who have been contributing to the

1482

01:04:56,510 --> 01:04:55,020

conscious Community for decades people

1483

01:04:58,250 --> 01:04:56,520

that you know and love that have helped

1484

01:05:00,230 --> 01:04:58,260

you get to higher levels of thought and

1485

01:05:02,569 --> 01:05:00,240

Consciousness and awareness it's going

1486

01:05:03,890 --> 01:05:02,579

to be alive in-person event but seats

1487

01:05:05,630 --> 01:05:03,900

are going to sell out very fast you want

1488

01:05:07,250 --> 01:05:05,640

to make sure you're there in person and

1489

01:05:09,069 --> 01:05:07,260

guess what you can help vote for the

1490

01:05:11,089 --> 01:05:09,079

winners voting is available on

1491

01:05:12,710 --> 01:05:11,099

forbiddenknowledge.com and the

1492

01:05:15,829 --> 01:05:12,720

categories are going to be social media

1493

01:05:17,710 --> 01:05:15,839

influencer podcast slash radio host TV

1494

01:05:19,490 --> 01:05:17,720

host actor director producer

1495

01:05:20,930 --> 01:05:19,500

entrepreneurs health and wellness

1496

01:05:23,390 --> 01:05:20,940

philanthropists authors field

1497

01:05:25,190 --> 01:05:23,400

researchers archaeologists space anomaly

1498

01:05:28,010 --> 01:05:25,200

hunters and of course a Lifetime

1499

01:05:29,930 --> 01:05:28,020

Achievement Award I'll be your keynote

1500

01:05:31,849 --> 01:05:29,940

speaker that night at The Forbidden

1501

01:05:34,190 --> 01:05:31,859

conscious Awards we have celebrity

1502

01:05:35,690 --> 01:05:34,200

guests performing we'll have a halftime

1503

01:05:37,370 --> 01:05:35,700

show where we're actually going to

1504

01:05:40,010 --> 01:05:37,380

perform music for you and don't forget

1505

01:05:41,990 --> 01:05:40,020

about the pre-event mixer where if you

1506

01:05:43,910 --> 01:05:42,000

buy a box seat you'll be in the VIP

1507

01:05:46,549 --> 01:05:43,920

section and you also have private access

1508

01:05:49,670 --> 01:05:46,559

to a big-ip mixer with celebrity guests

1509

01:05:51,410 --> 01:05:49,680

shake hands break bread Network and then

1510

01:05:53,270 --> 01:05:51,420

walk the red carpet with us and take

1511

01:05:54,530 --> 01:05:53,280

amazing photos it's going to be a night

1512

01:05:56,750 --> 01:05:54,540

to remember you don't want to forget

1513

01:05:58,430 --> 01:05:56,760

this make sure you hurry up and get your

1514

01:06:00,890 --> 01:05:58,440

tickets because you're selling out very

1515

01:06:02,730 --> 01:06:00,900

fast I want to see you there forbidden

1516

01:06:06,289 --> 01:06:02,740

conscious Awards 2023

1517

01:06:12,530 --> 01:06:09,710

River Moon coffee makers of the Fade to

1518

01:06:14,349 --> 01:06:12,540

Black blend truly the best coffee on

1519

01:06:16,609 --> 01:06:14,359

planet Earth just visit

1520

01:06:18,470 --> 01:06:16,619

rivermoonwellness.com or their Amazon

1521

01:06:19,910 --> 01:06:18,480

store it's all simple to do you can

1522

01:06:21,950 --> 01:06:19,920

check out the Fade to Black blend the

1523

01:06:24,650 --> 01:06:21,960

game changer Blend or any of their black

1524

01:06:28,430 --> 01:06:24,660

moon wellness products it's the only

1525

01:06:33,589 --> 01:06:28,440

coffee I drink it is the best and it's

1526

01:06:37,250 --> 01:06:35,750

all right Welcome Back Fade to blackout

1527

01:06:40,370 --> 01:06:37,260

Meryl chimney church tonight Our Guest

1528

01:06:43,190 --> 01:06:40,380

Dave Beatty and we've got lots of things

1529

01:06:45,770 --> 01:06:43,200

uh that we've been talking about tonight

1530

01:06:51,289 --> 01:06:45,780

so much going on uh with the UFO

1531

01:06:53,930 --> 01:06:51,299

community and Dave uh uh you sent notes

1532

01:06:55,010 --> 01:06:53,940

and I looked at the notes and there's a

1533

01:06:58,549 --> 01:06:55,020

comma

1534

01:07:01,250 --> 01:06:58,559

separating uh 29 palms and giant

1535

01:07:05,450 --> 01:07:01,260

triangle UFO were those the same things

1536

01:07:07,309 --> 01:07:05,460

or is there a giant triangle UFO that I

1537

01:07:09,410 --> 01:07:07,319

don't know about no that was a great way

1538

01:07:11,630 --> 01:07:09,420

to keep the audience uh to stay tuned

1539

01:07:13,910 --> 01:07:11,640

but yeah I mean that's that's the giant

1540

01:07:16,250 --> 01:07:13,920

triangle in fact when I tell people to

1541

01:07:18,829 --> 01:07:16,260

look for it and search for it if you you

1542

01:07:21,529 --> 01:07:18,839

know Google giant black triangle that

1543

01:07:24,770 --> 01:07:21,539

that's the story that pops up so

1544

01:07:28,609 --> 01:07:24,780

okay there you go all right I thought

1545

01:07:31,370 --> 01:07:28,619

that I missed something uh my nerves or

1546

01:07:34,069 --> 01:07:31,380

I can only handle so much these last 14

1547

01:07:37,549 --> 01:07:34,079

days have been insane

1548

01:07:40,370 --> 01:07:37,559

um and I wanted to mention something

1549

01:07:42,890 --> 01:07:40,380

um uh I know that you've been working on

1550

01:07:44,930 --> 01:07:42,900

a film about Consciousness for for a

1551
01:07:47,150 --> 01:07:44,940
while now and and we've talked about it

1552
01:07:49,730 --> 01:07:47,160
before and I would like to talk more

1553
01:07:51,950 --> 01:07:49,740
about that and but there's there's a

1554
01:07:54,170 --> 01:07:51,960
weird connection here

1555
01:07:58,250 --> 01:07:54,180
um and that's with Antarctica

1556
01:08:01,250 --> 01:07:58,260
at Dr Greer's conference one of his

1557
01:08:03,710 --> 01:08:01,260
witnesses that he brought forward was a

1558
01:08:07,609 --> 01:08:03,720
contractor for Raytheon

1559
01:08:11,930 --> 01:08:07,619
and he said he spent one year in

1560
01:08:18,709 --> 01:08:11,940
Antarctica and worked at a facility down

1561
01:08:20,749 --> 01:08:18,719
there that uh created a high energy beam

1562
01:08:24,289 --> 01:08:20,759
now

1563
01:08:27,289 --> 01:08:24,299

um a few takeaways from this all right

1564

01:08:29,870 --> 01:08:27,299

first off this is Antarctica what why

1565

01:08:32,650 --> 01:08:29,880

would Raytheon build this huge physi he

1566

01:08:35,289 --> 01:08:32,660

showed photographs of it right okay

1567

01:08:37,610 --> 01:08:35,299

here's the trip

1568

01:08:39,709 --> 01:08:37,620

he said

1569

01:08:42,950 --> 01:08:39,719

um or there was connections with

1570

01:08:44,150 --> 01:08:42,960

earthquakes but well maybe we'll Circle

1571

01:08:49,370 --> 01:08:44,160

back to that

1572

01:08:50,829 --> 01:08:49,380

he said that this beam that could be

1573

01:08:55,370 --> 01:08:50,839

created

1574

01:08:57,530 --> 01:08:55,380

bringing up neutrinos that it was faster

1575

01:08:59,709 --> 01:08:57,540

than light

1576

01:09:04,789 --> 01:08:59,719

okay now

1577

01:09:06,110 --> 01:09:04,799

absorb that and that it could project

1578

01:09:08,769 --> 01:09:06,120

out

1579

01:09:12,769 --> 01:09:08,779

faster than the speed of light

1580

01:09:17,269 --> 01:09:12,779

possibly now I again I'm paraphrasing

1581

01:09:19,970 --> 01:09:17,279

here but uh it's a communication tool

1582

01:09:24,070 --> 01:09:19,980

that you would that is faster than the

1583

01:09:28,789 --> 01:09:24,080

speed of light and that is a pretty

1584

01:09:34,309 --> 01:09:31,490

yeah I mean I'm I'm not aware of that I

1585

01:09:36,410 --> 01:09:34,319

obviously you know when you have people

1586

01:09:38,749 --> 01:09:36,420

that are coming forward with these

1587

01:09:40,550 --> 01:09:38,759

stories it's all really in how credible

1588

01:09:42,890 --> 01:09:40,560

they are

1589

01:09:45,289 --> 01:09:42,900

um obviously something that's faster

1590

01:09:47,090 --> 01:09:45,299

than the speed of light a physicist

1591

01:09:49,309 --> 01:09:47,100

would have to discuss that because what

1592

01:09:51,470 --> 01:09:49,319

I mean really in quantum mechanics right

1593

01:09:55,430 --> 01:09:51,480

there there are some

1594

01:09:57,530 --> 01:09:55,440

um instances of uh spooky action in a

1595

01:10:00,350 --> 01:09:57,540

distance and paired photons and so on

1596

01:10:04,130 --> 01:10:00,360

right that's where you're talking about

1597

01:10:06,950 --> 01:10:04,140

um instantaneous types of communications

1598

01:10:09,890 --> 01:10:06,960

um what was the what were they using the

1599

01:10:12,830 --> 01:10:09,900

beam for and why Antarctica yeah it was

1600

01:10:17,090 --> 01:10:12,840

see you know again

1601
01:10:19,149 --> 01:10:17,100
um uh his presentation uh Dave was cut

1602
01:10:23,330 --> 01:10:19,159
short okay all right

1603
01:10:27,890 --> 01:10:23,340
so he's I'm gonna say he spoke for about

1604
01:10:29,110 --> 01:10:27,900
five minutes or or so 10 minutes is

1605
01:10:32,590 --> 01:10:29,120
um and and

1606
01:10:34,330 --> 01:10:32,600
revealing this the way that he did it

1607
01:10:38,570 --> 01:10:34,340
was

1608
01:10:41,870 --> 01:10:38,580
in bullet point fashion right so it

1609
01:10:43,550 --> 01:10:41,880
wasn't like he broke down all you know

1610
01:10:46,729 --> 01:10:43,560
and and

1611
01:10:49,310 --> 01:10:46,739
um uh uh there was a bunch of technical

1612
01:10:50,570 --> 01:10:49,320
information where we could extract stuff

1613
01:10:52,550 --> 01:10:50,580

from

1614

01:10:55,910 --> 01:10:52,560

um it was very quick and to the point

1615

01:10:58,310 --> 01:10:55,920

now he he did have a photograph of the

1616

01:11:02,510 --> 01:10:58,320

outside of the facility I think he had a

1617

01:11:04,490 --> 01:11:02,520

a basic blueprint of the the the levels

1618

01:11:07,130 --> 01:11:04,500

underground it looked like it was four

1619

01:11:09,410 --> 01:11:07,140

or five different you know uh layers

1620

01:11:13,130 --> 01:11:09,420

maybe maybe seven

1621

01:11:16,310 --> 01:11:13,140

um uh underground he said that there was

1622

01:11:18,169 --> 01:11:16,320

again I'd have to go back and watch but

1623

01:11:19,330 --> 01:11:18,179

the number sticks out I think he said

1624

01:11:24,430 --> 01:11:19,340

that there were

1625

01:11:28,669 --> 01:11:24,440

800 individual cells right and and

1626

01:11:30,770 --> 01:11:28,679

they would be energized and and focused

1627

01:11:32,750 --> 01:11:30,780

and projected out now he didn't mention

1628

01:11:34,610 --> 01:11:32,760

neutrinos which you know those are

1629

01:11:36,590 --> 01:11:34,620

particles that we've been looking for

1630

01:11:40,570 --> 01:11:36,600

that they they pass through the Earth

1631

01:11:45,070 --> 01:11:40,580

right so they're so small and so fast

1632

01:11:48,050 --> 01:11:45,080

uh uh but they are uh

1633

01:11:52,370 --> 01:11:48,060

uh theorized to be faster than the speed

1634

01:11:54,649 --> 01:11:52,380

of light and so he I think it his his

1635

01:11:56,930 --> 01:11:54,659

understanding was this was a

1636

01:11:59,810 --> 01:11:56,940

communication device now he said that

1637

01:12:02,350 --> 01:11:59,820

they they fired this thing up while he

1638

01:12:06,050 --> 01:12:02,360

was there twice

1639

01:12:08,090 --> 01:12:06,060

both times that they fired it up there

1640

01:12:11,030 --> 01:12:08,100

was a major earthquake

1641

01:12:13,729 --> 01:12:11,040

somewhere on earth like with some major

1642

01:12:16,430 --> 01:12:13,739

earthquake in Indonesia at the the

1643

01:12:18,830 --> 01:12:16,440

instant that they turned this thing on

1644

01:12:20,149 --> 01:12:18,840

I mean that thing that sounds absolutely

1645

01:12:23,090 --> 01:12:20,159

fascinating

1646

01:12:25,250 --> 01:12:23,100

I mean and when I conceive of what

1647

01:12:27,590 --> 01:12:25,260

technology is being developed I mean

1648

01:12:29,870 --> 01:12:27,600

what are we talking like 40 years into

1649

01:12:33,649 --> 01:12:29,880

the future with some of the classified

1650

01:12:36,290 --> 01:12:33,659

black projects and specifically if what

1651
01:12:39,890 --> 01:12:36,300
you know if we go back to what David

1652
01:12:42,830 --> 01:12:39,900
grush was saying that uh that the U.S

1653
01:12:46,430 --> 01:12:42,840
has acquired specific uh technical

1654
01:12:48,229 --> 01:12:46,440
vehicles and materials you might suspect

1655
01:12:50,689 --> 01:12:48,239
that if this has been going on for 80

1656
01:12:53,810 --> 01:12:50,699
years that there is technology that was

1657
01:12:56,450 --> 01:12:53,820
developed as a direct offshoot of that

1658
01:12:59,330 --> 01:12:56,460
that may not look anything like

1659
01:13:01,910 --> 01:12:59,340
um where it came from so you know a

1660
01:13:03,830 --> 01:13:01,920
specific type of communication a device

1661
01:13:06,590 --> 01:13:03,840
that's being deployed

1662
01:13:08,810 --> 01:13:06,600
maybe there there is a possibility for

1663
01:13:11,390 --> 01:13:08,820

something like that that would in some

1664

01:13:14,149 --> 01:13:11,400

ways you know be faster than the speed

1665

01:13:16,550 --> 01:13:14,159

of light by using some type of

1666

01:13:19,189 --> 01:13:16,560

Technology that's so Advanced that even

1667

01:13:21,830 --> 01:13:19,199

you know our modern uh physicists today

1668

01:13:24,649 --> 01:13:21,840

haven't conceived of it

1669

01:13:28,070 --> 01:13:24,659

well and the reason why

1670

01:13:33,290 --> 01:13:28,080

um I bring all of this up is

1671

01:13:36,169 --> 01:13:33,300

I I if if I was a betting man right

1672

01:13:37,910 --> 01:13:36,179

and I I had some spare Dosh

1673

01:13:39,830 --> 01:13:37,920

I would bet

1674

01:13:43,010 --> 01:13:39,840

in Vegas

1675

01:13:46,189 --> 01:13:43,020

that the answer to all of this is

1676

01:13:48,590 --> 01:13:46,199

entanglement and consciousness

1677

01:13:50,330 --> 01:13:48,600

that that's it that's the communication

1678

01:13:53,590 --> 01:13:50,340

tool

1679

01:13:57,229 --> 01:13:53,600

um that Consciousness is is probably

1680

01:14:00,830 --> 01:13:57,239

it's my guess not physical

1681

01:14:03,649 --> 01:14:00,840

right it's not created it's not a part

1682

01:14:07,370 --> 01:14:03,659

of the physical it is outside of the

1683

01:14:08,750 --> 01:14:07,380

physical and that this is another

1684

01:14:12,590 --> 01:14:08,760

dimension

1685

01:14:13,570 --> 01:14:12,600

and it is a way to communicate in in an

1686

01:14:16,310 --> 01:14:13,580

instant

1687

01:14:18,110 --> 01:14:16,320

across the vastness of space you can't

1688

01:14:21,290 --> 01:14:18,120

wait for the speed of light as a

1689

01:14:23,090 --> 01:14:21,300

communication tool if you're 10 000

1690

01:14:25,250 --> 01:14:23,100

light years away from your home planet

1691

01:14:27,290 --> 01:14:25,260

there's got to be something else going

1692

01:14:31,070 --> 01:14:27,300

on and you've been working on this

1693

01:14:33,350 --> 01:14:31,080

directly and I I think that that would

1694

01:14:35,750 --> 01:14:33,360

be the answer I think E.T steps off the

1695

01:14:38,590 --> 01:14:35,760

craft and goes ah well you know now it's

1696

01:14:41,930 --> 01:14:38,600

not lasers no

1697

01:14:43,729 --> 01:14:41,940

it's here it's it's it's Consciousness

1698

01:14:46,250 --> 01:14:43,739

and that's how we talk that's how we

1699

01:14:48,890 --> 01:14:46,260

operate that's how we live that's how we

1700

01:14:53,330 --> 01:14:48,900

fly that's I I think that Consciousness

1701

01:14:55,010 --> 01:14:53,340

and entanglement are the answers

1702

01:14:57,709 --> 01:14:55,020

yeah so

1703

01:15:02,030 --> 01:14:57,719

um to your question about the film

1704

01:15:06,590 --> 01:15:02,040

um I have been working on a project with

1705

01:15:09,530 --> 01:15:06,600

um uh several Partners currently uh Dr

1706

01:15:12,649 --> 01:15:09,540

Robert Davis says you've spoken with in

1707

01:15:16,189 --> 01:15:12,659

the past who's amazing yeah I mean he's

1708

01:15:19,790 --> 01:15:16,199

a brilliant scientist academic and he's

1709

01:15:21,649 --> 01:15:19,800

very interested in in discussing the

1710

01:15:23,689 --> 01:15:21,659

nature of Consciousness and he

1711

01:15:26,090 --> 01:15:23,699

approached me to see if I would be

1712

01:15:29,270 --> 01:15:26,100

interested in exploring this he hadn't

1713

01:15:33,110 --> 01:15:29,280

really done films before and didn't know

1714

01:15:35,990 --> 01:15:33,120

how you start and and so on and you know

1715

01:15:37,790 --> 01:15:36,000

I explained to him the process and in a

1716

01:15:40,790 --> 01:15:37,800

lot of cases if you don't have a sponsor

1717

01:15:43,910 --> 01:15:40,800

it's going to be a passion project

1718

01:15:46,310 --> 01:15:43,920

um and that's what our film is today you

1719

01:15:48,850 --> 01:15:46,320

can you can look at the you can look at

1720

01:15:51,770 --> 01:15:48,860

my film at the um it's called

1721

01:15:54,050 --> 01:15:51,780

consciousnessfilm dot info just for a

1722

01:15:57,709 --> 01:15:54,060

brief explanation of what we're trying

1723

01:16:01,250 --> 01:15:57,719

to accomplish but in a nutshell when I

1724

01:16:04,010 --> 01:16:01,260

first heard about his ideas I kind of

1725

01:16:07,370 --> 01:16:04,020

had to do a quick uh timer myself and

1726

01:16:10,209 --> 01:16:07,380

where theorists are today with this idea

1727

01:16:12,770 --> 01:16:10,219

of Consciousness and I was quickly

1728

01:16:16,390 --> 01:16:12,780

startled that

1729

01:16:18,430 --> 01:16:16,400

like in medicine the

1730

01:16:21,189 --> 01:16:18,440

scientific Community

1731

01:16:26,229 --> 01:16:21,199

often holds to

1732

01:16:30,050 --> 01:16:26,239

rigid theories and ideals that had been

1733

01:16:32,510 --> 01:16:30,060

instilled in you know the the teaching

1734

01:16:35,510 --> 01:16:32,520

and neural uh Psychology and

1735

01:16:38,149 --> 01:16:35,520

Neuroscience for instance so when you

1736

01:16:40,790 --> 01:16:38,159

talk about Consciousness what you find

1737

01:16:42,649 --> 01:16:40,800

out that that every student in med

1738

01:16:45,410 --> 01:16:42,659

school is going to be taught that

1739

01:16:48,110 --> 01:16:45,420

Consciousness is a

1740

01:16:49,850 --> 01:16:48,120

um it it arises from a process within

1741

01:16:53,270 --> 01:16:49,860

our brains that's what they teach that

1742

01:16:54,950 --> 01:16:53,280

it's a electrochemical process that our

1743

01:16:56,149 --> 01:16:54,960

brains create

1744

01:16:59,990 --> 01:16:56,159

now

1745

01:17:02,209 --> 01:17:00,000

science

1746

01:17:04,550 --> 01:17:02,219

um uh discussion it's going to be

1747

01:17:07,130 --> 01:17:04,560

difficult to kind of argue with a

1748

01:17:09,590 --> 01:17:07,140

scientist again against that for you

1749

01:17:11,330 --> 01:17:09,600

know one way or the other but what you

1750

01:17:14,390 --> 01:17:11,340

find are there are some people out there

1751

01:17:17,270 --> 01:17:14,400

there's some philosophy you know

1752

01:17:18,950 --> 01:17:17,280

um there's some scientists that have

1753

01:17:22,189 --> 01:17:18,960

kind of bucked that

1754

01:17:24,830 --> 01:17:22,199

um conception of Consciousness arising

1755

01:17:26,689 --> 01:17:24,840

from the brain and one of the ideas is

1756

01:17:29,149 --> 01:17:26,699

that Consciousness as you said is more

1757

01:17:31,490 --> 01:17:29,159

of a primary force so that you might say

1758

01:17:34,189 --> 01:17:31,500

that Consciousness exists and that

1759

01:17:36,709 --> 01:17:34,199

everything physically right emerges from

1760

01:17:38,570 --> 01:17:36,719

Consciousness if it's a primary force

1761

01:17:42,290 --> 01:17:38,580

then you could have that as some type of

1762

01:17:44,270 --> 01:17:42,300

field that perhaps our physical reality

1763

01:17:47,270 --> 01:17:44,280

is emerging from

1764

01:17:48,350 --> 01:17:47,280

a type of field of Consciousness maybe a

1765

01:17:49,370 --> 01:17:48,360

higher dimensional field of

1766

01:17:52,010 --> 01:17:49,380

consciousness

1767

01:17:54,729 --> 01:17:52,020

and you might then start thinking that

1768

01:17:58,370 --> 01:17:54,739

the brain actually is more of a filter

1769

01:18:00,530 --> 01:17:58,380

so there's a Consciousness field that

1770

01:18:02,570 --> 01:18:00,540

our brains might be tuning into that

1771

01:18:04,850 --> 01:18:02,580

field almost like a television sets

1772

01:18:07,850 --> 01:18:04,860

tuning into a specific frequency of

1773

01:18:10,189 --> 01:18:07,860

Consciousness perhaps that

1774

01:18:12,770 --> 01:18:10,199

um that tuning in is like basically

1775

01:18:15,770 --> 01:18:12,780

tuning into our perception as an

1776

01:18:18,010 --> 01:18:15,780

identity or our personalities so that

1777

01:18:22,310 --> 01:18:18,020

our experience in the physical reality

1778

01:18:22,910 --> 01:18:22,320

is part of Consciousness but we're only

1779

01:18:25,430 --> 01:18:22,920

um

1780

01:18:28,610 --> 01:18:25,440

aware of a very small portion of that

1781

01:18:30,470 --> 01:18:28,620

and then you can get in if you begin to

1782

01:18:33,410 --> 01:18:30,480

look at that then you can start looking

1783

01:18:35,870 --> 01:18:33,420

at the evidence that exists that might

1784

01:18:37,790 --> 01:18:35,880

suggest that that might suggest that

1785

01:18:40,450 --> 01:18:37,800

Consciousness exists and that there's

1786

01:18:43,070 --> 01:18:40,460

other Realms of existence there's other

1787

01:18:46,729 --> 01:18:43,080

dimensional Realms of existence beyond

1788

01:18:49,130 --> 01:18:46,739

the physical Earth and us

1789

01:18:51,229 --> 01:18:49,140

um you might conceive that we exist

1790

01:18:54,050 --> 01:18:51,239

outside of physical reality as well

1791

01:18:56,330 --> 01:18:54,060

we're just not aware of it while it were

1792

01:18:58,310 --> 01:18:56,340

in our waking lives and so in the film

1793

01:19:02,090 --> 01:18:58,320

we're trying to go in and explore some

1794

01:19:05,450 --> 01:19:02,100

of these um excellent topic areas within

1795

01:19:08,390 --> 01:19:05,460

that study for instance uh near-death

1796

01:19:11,330 --> 01:19:08,400

experience where people have been

1797

01:19:13,669 --> 01:19:11,340

pronounced clinically uh deceased

1798

01:19:15,950 --> 01:19:13,679

sometimes for

1799

01:19:16,970 --> 01:19:15,960

um you know shorts amounts of times or

1800

01:19:23,090 --> 01:19:16,980

their

1801

01:19:25,910 --> 01:19:23,100

um at all they have flat Minds brain

1802

01:19:28,490 --> 01:19:25,920

activity yet they have remarkable

1803

01:19:31,790 --> 01:19:28,500

experiences sometimes even more Vivid

1804

01:19:34,010 --> 01:19:31,800

and memorable than their waking lives

1805

01:19:36,110 --> 01:19:34,020

and a lot of people that have these

1806

01:19:37,550 --> 01:19:36,120

experiences come back and that changes

1807

01:19:41,930 --> 01:19:37,560

their lives and they oftentimes report

1808

01:19:44,990 --> 01:19:41,940

what they experience so is that that's a

1809

01:19:47,810 --> 01:19:45,000

subjective a subjective experience of

1810

01:19:49,669 --> 01:19:47,820

what might be a higher level of

1811

01:19:52,310 --> 01:19:49,679

experience or higher level of Dimension

1812

01:19:55,330 --> 01:19:52,320

that's outside of physical reality

1813

01:19:57,530 --> 01:19:55,340

so when you hear these stories it's very

1814

01:19:59,330 --> 01:19:57,540

enlightening actually so that's one

1815

01:20:02,450 --> 01:19:59,340

aspect of the film that we're trying to

1816

01:20:06,950 --> 01:20:02,460

do another would be for instance some of

1817

01:20:10,490 --> 01:20:06,960

the academic study into the field of

1818

01:20:15,110 --> 01:20:10,500

um parapsychology and ESP for instance

1819

01:20:17,570 --> 01:20:15,120

extra sensory perception and over many

1820

01:20:20,450 --> 01:20:17,580

decades there have been programs that

1821

01:20:23,510 --> 01:20:20,460

have looked at these various aspects

1822

01:20:26,149 --> 01:20:23,520

that sort of defy physical explanation

1823

01:20:29,390 --> 01:20:26,159

or scientific explanation

1824

01:20:32,570 --> 01:20:29,400

um and your your viewers are very well

1825

01:20:36,530 --> 01:20:32,580

aware I'm sure and listeners of the the

1826
01:20:38,510 --> 01:20:36,540
study of remote viewing and telekinesis

1827
01:20:39,229 --> 01:20:38,520
for instance and

1828
01:20:43,610 --> 01:20:39,239
um

1829
01:20:48,169 --> 01:20:43,620
you know people that have uh uh you know

1830
01:20:49,310 --> 01:20:48,179
been studies scientifically and Way

1831
01:20:53,630 --> 01:20:49,320
Beyond

1832
01:20:56,149 --> 01:20:53,640
the the the the the possibility of just

1833
01:20:58,070 --> 01:20:56,159
being random chance you know when you're

1834
01:21:00,490 --> 01:20:58,080
doing a scientific uh double-blind

1835
01:21:03,470 --> 01:21:00,500
experience you can experiment you can

1836
01:21:04,850 --> 01:21:03,480
provide statistical analysis that just

1837
01:21:08,630 --> 01:21:04,860
defies

1838
01:21:10,970 --> 01:21:08,640

um this being a random effect and

1839

01:21:13,910 --> 01:21:10,980

it's pretty remarkable so that's another

1840

01:21:17,030 --> 01:21:13,920

aspect of the film that we're hoping to

1841

01:21:18,410 --> 01:21:17,040

um include and then a third aspect might

1842

01:21:21,110 --> 01:21:18,420

be

1843

01:21:22,970 --> 01:21:21,120

um the this non-human intelligence David

1844

01:21:25,850 --> 01:21:22,980

grush talks about non-human intelligence

1845

01:21:27,530 --> 01:21:25,860

and the possibility that

1846

01:21:28,669 --> 01:21:27,540

there could be

1847

01:21:30,709 --> 01:21:28,679

um

1848

01:21:33,530 --> 01:21:30,719

it may not be extraterrestrial that this

1849

01:21:35,510 --> 01:21:33,540

intelligence and this technology that he

1850

01:21:38,570 --> 01:21:35,520

says the US has acquired could have

1851
01:21:41,689 --> 01:21:38,580
Arisen from some higher order Dimension

1852
01:21:43,729 --> 01:21:41,699
that we're just not aware of so that's

1853
01:21:46,550 --> 01:21:43,739
also a very fascinating aspect to this

1854
01:21:47,930 --> 01:21:46,560
so we're trying to also talk speak to

1855
01:21:50,570 --> 01:21:47,940
individuals that have had these

1856
01:21:52,850 --> 01:21:50,580
experiences that they say that they've

1857
01:21:55,490 --> 01:21:52,860
been either directly in communication

1858
01:21:58,430 --> 01:21:55,500
with or have had close proximity to

1859
01:21:59,930 --> 01:21:58,440
non-human intelligence and that's sort

1860
01:22:02,689 --> 01:21:59,940
of the idea of the film that we've been

1861
01:22:04,850 --> 01:22:02,699
working on it for about two years now we

1862
01:22:06,830 --> 01:22:04,860
are sort of self-funded so if you can

1863
01:22:08,930 --> 01:22:06,840

help us out again look at my web page

1864

01:22:10,970 --> 01:22:08,940

and you can help us get to the next step

1865

01:22:13,130 --> 01:22:10,980

where is basically funding travel that's

1866

01:22:15,229 --> 01:22:13,140

the most expensive stuff and we're we've

1867

01:22:17,810 --> 01:22:15,239

right now I think we have maybe half a

1868

01:22:21,590 --> 01:22:17,820

dozen great interviews we want to

1869

01:22:23,570 --> 01:22:21,600

um the Monroe Institute last year and

1870

01:22:24,550 --> 01:22:23,580

um you know while we were there we met

1871

01:22:26,590 --> 01:22:24,560

some

1872

01:22:29,209 --> 01:22:26,600

scientists that were conducting

1873

01:22:32,810 --> 01:22:29,219

basically Empirical research on people

1874

01:22:35,110 --> 01:22:32,820

that have the ability to to heal people

1875

01:22:38,090 --> 01:22:35,120

remotely I mean basically

1876
01:22:39,250 --> 01:22:38,100
healing through intention Energy

1877
01:22:41,810 --> 01:22:39,260
Medicine

1878
01:22:44,090 --> 01:22:41,820
affecting the positive health and

1879
01:22:46,850 --> 01:22:44,100
outcome of their patients some of these

1880
01:22:50,030 --> 01:22:46,860
individuals that were there training are

1881
01:22:53,630 --> 01:22:50,040
licensed Physicians surgeons Emergency

1882
01:22:56,149 --> 01:22:53,640
Room Physicians and Trauma Specialists

1883
01:22:58,189 --> 01:22:56,159
for instance and they're they're

1884
01:23:01,550 --> 01:22:58,199
training on this because they see this

1885
01:23:04,189 --> 01:23:01,560
as a very positive effort that could

1886
01:23:07,430 --> 01:23:04,199
influence the outcomes of their patients

1887
01:23:10,550 --> 01:23:07,440
and a lot it's not intrusive obviously

1888
01:23:13,669 --> 01:23:10,560

it's um something that they can practice

1889

01:23:15,290 --> 01:23:13,679

in their medicine and the patients may

1890

01:23:16,970 --> 01:23:15,300

not even be aware of it there was there

1891

01:23:19,010 --> 01:23:16,980

was one doctor I was talking to that

1892

01:23:22,010 --> 01:23:19,020

says that she's practicing traditional

1893

01:23:25,250 --> 01:23:22,020

medicine Family Medicine you know

1894

01:23:27,169 --> 01:23:25,260

um textbook style treatments and so on

1895

01:23:28,610 --> 01:23:27,179

but she's also using these techniques

1896

01:23:30,110 --> 01:23:28,620

and it's very interesting that she's

1897

01:23:33,110 --> 01:23:30,120

knowing that

1898

01:23:35,450 --> 01:23:33,120

hey if she can heal her patients as a

1899

01:23:37,729 --> 01:23:35,460

Healer without even putting her you know

1900

01:23:40,010 --> 01:23:37,739

like laying your hands on somebody it's

1901

01:23:42,110 --> 01:23:40,020

very fascinating so that's another

1902

01:23:44,630 --> 01:23:42,120

aspect of what we were doing

1903

01:23:47,630 --> 01:23:44,640

um we spent the day with

1904

01:23:50,090 --> 01:23:47,640

Alexander um Dr Alexander

1905

01:23:53,930 --> 01:23:50,100

um Evan that or I'm sorry I got a

1906

01:23:56,209 --> 01:23:53,940

backwards Dr Evan Alexander who had a

1907

01:23:59,330 --> 01:23:56,219

profound near-death experience and he

1908

01:24:02,030 --> 01:23:59,340

was a staunch science empirical science

1909

01:24:04,250 --> 01:24:02,040

Advocate that kind of changed his mind

1910

01:24:05,209 --> 01:24:04,260

about the nature of Consciousness and

1911

01:24:07,729 --> 01:24:05,219

reality

1912

01:24:11,090 --> 01:24:07,739

after he had this experience that he

1913

01:24:15,169 --> 01:24:11,100

then came back from that near-death

1914

01:24:19,070 --> 01:24:15,179

experience and began promoting the idea

1915

01:24:21,130 --> 01:24:19,080

that death is not the end that our lives

1916

01:24:25,010 --> 01:24:21,140

and our Consciousness and so on continue

1917

01:24:26,510 --> 01:24:25,020

after we pass on and it's become his

1918

01:24:29,930 --> 01:24:26,520

sort of his life's mission to help

1919

01:24:33,410 --> 01:24:29,940

promote this idea that there is hope and

1920

01:24:34,910 --> 01:24:33,420

in some ways the film that Bob Davis

1921

01:24:37,010 --> 01:24:34,920

brought to me and the one that we're

1922

01:24:39,229 --> 01:24:37,020

doing in some ways that's part of what

1923

01:24:41,570 --> 01:24:39,239

I'm trying to do is to create this um

1924

01:24:43,370 --> 01:24:41,580

story and narrative line that lets

1925

01:24:45,709 --> 01:24:43,380

people know that look you know

1926

01:24:47,090 --> 01:24:45,719

it's sort of woo yeah I mean we're

1927

01:24:49,790 --> 01:24:47,100

talking about subjects that are a little

1928

01:24:51,430 --> 01:24:49,800

bit of woo in there but it's also um

1929

01:24:54,530 --> 01:24:51,440

going to provide people with some hope

1930

01:24:56,090 --> 01:24:54,540

specifically that if you have loved ones

1931

01:24:58,729 --> 01:24:56,100

you care about that maybe have passed on

1932

01:25:00,590 --> 01:24:58,739

maybe you will see them again and and

1933

01:25:02,750 --> 01:25:00,600

these individuals that have had these

1934

01:25:05,030 --> 01:25:02,760

experience say that that's true they say

1935

01:25:07,189 --> 01:25:05,040

that they have met individuals that

1936

01:25:09,350 --> 01:25:07,199

during their experience that have passed

1937

01:25:11,990 --> 01:25:09,360

on their loved ones for instance and

1938

01:25:13,970 --> 01:25:12,000

really that's if if they're correct and

1939

01:25:16,010 --> 01:25:13,980

that's where we're kind of headed that

1940

01:25:17,750 --> 01:25:16,020

all of our all the people that are

1941

01:25:22,070 --> 01:25:17,760

involved in our lives that are close to

1942

01:25:24,290 --> 01:25:22,080

us in our family that we lose maybe we

1943

01:25:27,590 --> 01:25:24,300

will see them again you know I lost my

1944

01:25:30,350 --> 01:25:27,600

mom 92 years old last year

1945

01:25:34,130 --> 01:25:30,360

I'm hopeful and I know that she believed

1946

01:25:36,050 --> 01:25:34,140

that was the case and um you know I told

1947

01:25:38,090 --> 01:25:36,060

her before she she passed I said you

1948

01:25:40,030 --> 01:25:38,100

know Mom if that's true then help me get

1949

01:25:42,709 --> 01:25:40,040

this film made

1950

01:25:44,330 --> 01:25:42,719

here's the dangerous part

1951

01:25:46,189 --> 01:25:44,340

and we're gonna continue this

1952

01:25:47,090 --> 01:25:46,199

conversation but here's the dangerous

1953

01:25:49,610 --> 01:25:47,100

part

1954

01:25:54,110 --> 01:25:49,620

I don't know

1955

01:25:57,050 --> 01:25:54,120

if we need to prove this

1956

01:25:58,310 --> 01:25:57,060

I I don't know if it's necessarily a

1957

01:26:02,570 --> 01:25:58,320

good idea

1958

01:26:06,290 --> 01:26:02,580

hear me out hear me out

1959

01:26:08,810 --> 01:26:06,300

I mean if you want if if you want proof

1960

01:26:12,770 --> 01:26:08,820

of uh another dimension just go to sleep

1961

01:26:16,250 --> 01:26:12,780

and dream I'm pretty sure I'm convinced

1962

01:26:19,610 --> 01:26:16,260

that that is another world that you're

1963

01:26:25,910 --> 01:26:19,620

entering all right I I I I truly believe

1964

01:26:27,110 --> 01:26:25,920

that but if we prove that there is an

1965

01:26:28,850 --> 01:26:27,120

afterlife

1966

01:26:31,910 --> 01:26:28,860

that's wonderful

1967

01:26:37,189 --> 01:26:31,920

right everything you know unicorns

1968

01:26:41,830 --> 01:26:37,199

if we prove that then anybody that has

1969

01:26:43,910 --> 01:26:41,840

something funky go wrong with their day

1970

01:26:49,370 --> 01:26:43,920

screw it

1971

01:26:52,189 --> 01:26:49,380

next I'm gonna go up you know I don't

1972

01:26:56,570 --> 01:26:52,199

know if we want to I know I don't know

1973

01:27:00,169 --> 01:26:56,580

if we want to prove that because then it

1974

01:27:03,110 --> 01:27:00,179

it says that what we're doing now this

1975

01:27:03,950 --> 01:27:03,120

physical world that we're in isn't as

1976

01:27:06,229 --> 01:27:03,960

cool

1977

01:27:10,250 --> 01:27:06,239

as what's coming next

1978

01:27:12,470 --> 01:27:10,260

right and yeah you know what I'm and I

1979

01:27:14,689 --> 01:27:12,480

don't want to use language here because

1980

01:27:16,970 --> 01:27:14,699

it's sure it's you know it's it's

1981

01:27:20,510 --> 01:27:16,980

disturbing but but you know where I'm

1982

01:27:24,590 --> 01:27:20,520

going with this right and yeah do we do

1983

01:27:25,970 --> 01:27:24,600

we are some things just best left to a

1984

01:27:29,570 --> 01:27:25,980

question mark

1985

01:27:32,270 --> 01:27:29,580

well I mean let's let's ask some of the

1986

01:27:34,790 --> 01:27:32,280

people that have had these experience is

1987

01:27:37,910 --> 01:27:34,800

or the the experts that have been

1988

01:27:41,030 --> 01:27:37,920

studying this for you know 40 50 years

1989

01:27:42,950 --> 01:27:41,040

you know some of the uh doctors that

1990

01:27:47,330 --> 01:27:42,960

have you know Bruce Grayson for instance

1991

01:27:50,209 --> 01:27:47,340

that had uh be studying individuals in

1992

01:27:53,149 --> 01:27:50,219

cases and developing sort of protocols

1993

01:27:55,910 --> 01:27:53,159

for understanding what these individuals

1994

01:27:57,709 --> 01:27:55,920

are reporting back you know maybe that

1995

01:28:00,890 --> 01:27:57,719

there there is something much more

1996

01:28:04,850 --> 01:28:00,900

profound to the reason we're here and

1997

01:28:06,770 --> 01:28:04,860

that even if we became aware of much

1998

01:28:11,209 --> 01:28:06,780

more about say

1999

01:28:14,629 --> 01:28:11,219

are our Eternal selves the validity of

2000

01:28:18,169 --> 01:28:14,639

our who we are that we are Eternal

2001

01:28:19,370 --> 01:28:18,179

um that suicide for instance is not

2002

01:28:21,530 --> 01:28:19,380

something that's going to help you

2003

01:28:24,830 --> 01:28:21,540

because it's it's sort of like a

2004

01:28:27,770 --> 01:28:24,840

feedback cycle in essence some you can't

2005

01:28:30,050 --> 01:28:27,780

get out of graduation you have to

2006

01:28:31,910 --> 01:28:30,060

complete what you're doing here it's an

2007

01:28:33,890 --> 01:28:31,920

agreement that you may not be aware of

2008

01:28:35,689 --> 01:28:33,900

while you're awake and maybe when you're

2009

01:28:38,149 --> 01:28:35,699

having a dream you are aware of some of

2010

01:28:39,950 --> 01:28:38,159

this stuff but it's possible that that

2011

01:28:42,110 --> 01:28:39,960

there's that's part of it I think it is

2012

01:28:43,370 --> 01:28:42,120

I mean I think that I have experience

2013

01:28:46,490 --> 01:28:43,380

with

2014

01:28:48,410 --> 01:28:46,500

um that in my life and my family

2015

01:28:50,390 --> 01:28:48,420

um and how do I feel about it I don't

2016

01:28:52,729 --> 01:28:50,400

know I mean I'm not like is that the

2017

01:28:56,590 --> 01:28:52,739

reason that that happened that somebody

2018

01:29:00,950 --> 01:28:56,600

felt that they became aware of

2019

01:29:03,470 --> 01:29:00,960

this kind of camouflage system of this

2020

01:29:05,990 --> 01:29:03,480

environment that we exist in here is

2021

01:29:09,709 --> 01:29:06,000

camouflage to a much higher order

2022

01:29:12,470 --> 01:29:09,719

existence and Consciousness is you know

2023

01:29:14,570 --> 01:29:12,480

a projection and so that you know it

2024

01:29:15,830 --> 01:29:14,580

doesn't matter we can just like

2025

01:29:18,770 --> 01:29:15,840

um you know

2026

01:29:20,689 --> 01:29:18,780

in a video game you can go back to that

2027

01:29:22,910 --> 01:29:20,699

start Point again or whatever and start

2028

01:29:25,550 --> 01:29:22,920

over if you're not happy with where you

2029

01:29:27,709 --> 01:29:25,560

are I don't know that that's I mean I

2030

01:29:29,629 --> 01:29:27,719

hear what you're saying in it's possible

2031

01:29:31,850 --> 01:29:29,639

that someone could have that belief

2032

01:29:32,750 --> 01:29:31,860

system if they became aware but I think

2033

01:29:35,209 --> 01:29:32,760

that

2034

01:29:36,050 --> 01:29:35,219

um the topic is really fascinating and

2035

01:29:37,790 --> 01:29:36,060

so

2036

01:29:39,350 --> 01:29:37,800

I don't think that we're providing an

2037

01:29:40,970 --> 01:29:39,360

answer necessarily in the film that

2038

01:29:44,149 --> 01:29:40,980

we're doing we're exploring the the

2039

01:29:46,310 --> 01:29:44,159

subject matter through the lens of these

2040

01:29:49,129 --> 01:29:46,320

experts that have spent their whole

2041

01:29:51,290 --> 01:29:49,139

lives specifically in one area or other

2042

01:29:54,110 --> 01:29:51,300

of the study whether it's um you know

2043

01:29:56,689 --> 01:29:54,120

Neuroscience whether it's somebody

2044

01:29:58,310 --> 01:29:56,699

that's um studying people that have had

2045

01:30:00,350 --> 01:29:58,320

Close Encounters

2046

01:30:02,510 --> 01:30:00,360

um with UAP for instance and the

2047

01:30:04,669 --> 01:30:02,520

physical effects of that whether it's

2048

01:30:06,709 --> 01:30:04,679

somebody that's studying parapsychology

2049

01:30:09,050 --> 01:30:06,719

and kind of putting that together and

2050

01:30:11,510 --> 01:30:09,060

then letting the viewers come to their

2051

01:30:12,950 --> 01:30:11,520

own conclusions by presenting this

2052

01:30:15,530 --> 01:30:12,960

information to them

2053

01:30:17,030 --> 01:30:15,540

do I think that we will become aware of

2054

01:30:20,090 --> 01:30:17,040

some of this stuff I really do I think

2055

01:30:23,510 --> 01:30:20,100

that that's another Paradigm maybe shift

2056

01:30:25,729 --> 01:30:23,520

in our Collective understanding of our

2057

01:30:29,930 --> 01:30:25,739

the nature of our reality as time goes

2058

01:30:32,689 --> 01:30:29,940

on maybe AI will help us with this

2059

01:30:35,209 --> 01:30:32,699

um as we move forward to understand the

2060

01:30:37,669 --> 01:30:35,219

true nature of Consciousness are there

2061

01:30:41,390 --> 01:30:37,679

other dimensions are there non-human

2062

01:30:43,370 --> 01:30:41,400

intelligence visiting our planet that

2063

01:30:45,169 --> 01:30:43,380

are not coming from other star systems

2064

01:30:47,870 --> 01:30:45,179

are they coming from some higher order

2065

01:30:49,250 --> 01:30:47,880

Dimension that David grush I mean that's

2066

01:30:51,410 --> 01:30:49,260

part of what the guy is saying I mean

2067

01:30:55,370 --> 01:30:51,420

people say oh yeah we have a crashed UFO

2068

01:30:56,750 --> 01:30:55,380

but he's suggesting he says it's a

2069

01:30:58,250 --> 01:30:56,760

theory and he doesn't you know I don't

2070

01:31:00,770 --> 01:30:58,260

think he's saying that we have proof of

2071

01:31:02,629 --> 01:31:00,780

this but he's saying it there's a theory

2072

01:31:05,330 --> 01:31:02,639

that there could be a higher dimensional

2073

01:31:07,430 --> 01:31:05,340

dimensional order of existence and these

2074

01:31:10,669 --> 01:31:07,440

these Technologies may be emerging from

2075

01:31:12,970 --> 01:31:10,679

that and it's somehow co-located his

2076

01:31:17,209 --> 01:31:12,980

words with us in this physical reality

2077

01:31:18,770 --> 01:31:17,219

right so is consciousness also is that

2078

01:31:21,950 --> 01:31:18,780

where that's coming from

2079

01:31:25,490 --> 01:31:21,960

it's pretty interesting thought it is it

2080

01:31:28,850 --> 01:31:25,500

is and if you if you if you take all of

2081

01:31:31,189 --> 01:31:28,860

that and before I love the word woo and

2082

01:31:35,810 --> 01:31:31,199

I'm glad you threw that in there

2083

01:31:38,629 --> 01:31:35,820

because here's here's here's the the

2084

01:31:41,590 --> 01:31:38,639

hard science part of it when we get into

2085

01:31:45,649 --> 01:31:41,600

quantum physics and quantum mechanics

2086

01:31:49,669 --> 01:31:45,659

and and some of these basic theories and

2087

01:31:51,590 --> 01:31:49,679

and the laws of physics where now we are

2088

01:31:54,709 --> 01:31:51,600

told

2089

01:31:58,370 --> 01:31:54,719

by a physicist with a straight face

2090

01:32:03,110 --> 01:31:58,380

right a straight face

2091

01:32:06,050 --> 01:32:03,120

you can change the state of something by

2092

01:32:08,420 --> 01:32:06,060

just looking at it

2093

01:32:12,770 --> 01:32:08,430

it's like what would you just say

2094

01:32:17,810 --> 01:32:15,530

you don't believe in ghosts right you

2095

01:32:20,570 --> 01:32:17,820

have issues with Consciousness but

2096

01:32:22,550 --> 01:32:20,580

you're telling me I can change something

2097

01:32:25,790 --> 01:32:22,560

by looking at it

2098

01:32:31,550 --> 01:32:25,800

and it's like they want it both ways

2099

01:32:35,149 --> 01:32:31,560

to suggest that entanglement is is a

2100

01:32:37,990 --> 01:32:35,159

part of not only the laws of physics

2101

01:32:42,050 --> 01:32:38,000

right to have two particles

2102

01:32:44,689 --> 01:32:42,060

Across the Universe right reacting at

2103

01:32:48,189 --> 01:32:44,699

the exact same time to each other

2104

01:32:51,370 --> 01:32:48,199

now we're getting into some full-on woo

2105

01:32:54,649 --> 01:32:51,380

but like you were saying

2106

01:32:56,750 --> 01:32:54,659

healing somebody without touching them

2107

01:32:58,689 --> 01:32:56,760

it's exactly what the physicists are

2108

01:33:01,970 --> 01:32:58,699

trying to tell us

2109

01:33:05,870 --> 01:33:01,980

communicating in life after death and

2110

01:33:07,850 --> 01:33:05,880

and and telekinesis all of this is

2111

01:33:10,910 --> 01:33:07,860

exactly what the physicists are trying

2112

01:33:12,830 --> 01:33:10,920

to convince us of anyway right

2113

01:33:15,229 --> 01:33:12,840

it's pretty fascinating

2114

01:33:16,490 --> 01:33:15,239

um you know when you look at some of the

2115

01:33:19,010 --> 01:33:16,500

physicists

2116

01:33:21,709 --> 01:33:19,020

um that are involved in the space of say

2117

01:33:23,450 --> 01:33:21,719

parapsychology and you really take a

2118

01:33:25,390 --> 01:33:23,460

deep dive into it there's some very

2119

01:33:28,430 --> 01:33:25,400

interesting what I would call

2120

01:33:32,330 --> 01:33:28,440

science-based ideals and you know Tom

2121

01:33:34,790 --> 01:33:32,340

Campbell is one such scientist his book

2122

01:33:37,610 --> 01:33:34,800

called uh my big toe or theory of

2123

01:33:41,110 --> 01:33:37,620

everything goes into it with thousands

2124

01:33:45,350 --> 01:33:41,120

of pages of well thought out logically

2125

01:33:48,470 --> 01:33:45,360

Pace information that might suggest that

2126
01:33:50,810 --> 01:33:48,480
some of this stuff in quantum mechanics

2127
01:33:52,250 --> 01:33:50,820
we're going to figure out plays a lot

2128
01:33:54,830 --> 01:33:52,260
more role in who we are in our

2129
01:33:58,790 --> 01:33:54,840
Consciousness than we've ever conceived

2130
01:34:01,610 --> 01:33:58,800
of that that the ideas of um you know

2131
01:34:02,390 --> 01:34:01,620
waves and particles and so on

2132
01:34:04,250 --> 01:34:02,400
um

2133
01:34:07,189 --> 01:34:04,260
could be you know because everything's

2134
01:34:10,250 --> 01:34:07,199
really everything is Fields if you get

2135
01:34:11,810 --> 01:34:10,260
it down to that those levels of uh

2136
01:34:14,270 --> 01:34:11,820
quantum mechanics everything there's

2137
01:34:17,030 --> 01:34:14,280
space between everything it's not solid

2138
01:34:19,310 --> 01:34:17,040

and there's uh electromagnetic fields

2139

01:34:21,530 --> 01:34:19,320

and so on again I'm not a physicist but

2140

01:34:24,169 --> 01:34:21,540

it's still fascinating to me to hear

2141

01:34:25,610 --> 01:34:24,179

some of these guys ideas and we hope to

2142

01:34:27,890 --> 01:34:25,620

talk to Tom

2143

01:34:30,229 --> 01:34:27,900

um this year so that's another thing so

2144

01:34:32,990 --> 01:34:30,239

we're trying to bring in the science

2145

01:34:34,790 --> 01:34:33,000

aspects of the woo and even though I

2146

01:34:36,649 --> 01:34:34,800

know that there's a lot of Skeptics out

2147

01:34:39,229 --> 01:34:36,659

there that don't even want anyone to

2148

01:34:41,570 --> 01:34:39,239

like present this type of information

2149

01:34:44,149 --> 01:34:41,580

the minute you start talking about

2150

01:34:46,070 --> 01:34:44,159

parapsychology it's just you know they

2151
01:34:48,470 --> 01:34:46,080
they throw up their hands they don't

2152
01:34:50,570 --> 01:34:48,480
want to hear about it so I'm sure that

2153
01:34:52,729 --> 01:34:50,580
you know there they'll be those critics

2154
01:34:54,530 --> 01:34:52,739
out there of this material but I still

2155
01:34:55,669 --> 01:34:54,540
think it's fascinating in putting it

2156
01:34:58,729 --> 01:34:55,679
together

2157
01:35:01,070 --> 01:34:58,739
um in a way that is cohesive that looks

2158
01:35:03,050 --> 01:35:01,080
at all these different experts and

2159
01:35:05,870 --> 01:35:03,060
specifically trying to maintain that

2160
01:35:09,410 --> 01:35:05,880
balance to saying you know there's this

2161
01:35:11,990 --> 01:35:09,420
subjective side of it witnesses that

2162
01:35:13,490 --> 01:35:12,000
report the the idea of near-death

2163
01:35:16,610 --> 01:35:13,500

experience

2164

01:35:19,729 --> 01:35:16,620

um practitioners that are um saying that

2165

01:35:22,669 --> 01:35:19,739

they have developed techniques to travel

2166

01:35:25,129 --> 01:35:22,679

outside of their body by going into a

2167

01:35:27,890 --> 01:35:25,139

meditative state that they can you know

2168

01:35:30,649 --> 01:35:27,900

repeatedly exit their physical body

2169

01:35:34,310 --> 01:35:30,659

while maintaining waking consciousness

2170

01:35:38,090 --> 01:35:34,320

and that they can emerge from their

2171

01:35:41,870 --> 01:35:38,100

physical body and go to locations that

2172

01:35:44,390 --> 01:35:41,880

have road maps now this is stuff that

2173

01:35:47,330 --> 01:35:44,400

I've learned that is you know they it's

2174

01:35:49,189 --> 01:35:47,340

subjective they're basically saying that

2175

01:35:52,010 --> 01:35:49,199

they can go to the same locations

2176
01:35:54,110 --> 01:35:52,020
outside of their physical body each time

2177
01:35:56,510 --> 01:35:54,120
they they conduct these out of body

2178
01:35:58,189 --> 01:35:56,520
experiences basically and that they've

2179
01:35:59,689 --> 01:35:58,199
kind of created road maps of these

2180
01:36:02,629 --> 01:35:59,699
places and they teach it to other people

2181
01:36:04,669 --> 01:36:02,639
so in other people in groups can

2182
01:36:07,370 --> 01:36:04,679
experience it and and these groups of

2183
01:36:10,610 --> 01:36:07,380
people all report yeah like I've reached

2184
01:36:12,050 --> 01:36:10,620
this other level and I experienced the

2185
01:36:13,370 --> 01:36:12,060
same thing you were telling me that I

2186
01:36:14,709 --> 01:36:13,380
would experience which is very

2187
01:36:17,390 --> 01:36:14,719
interesting because

2188
01:36:19,310 --> 01:36:17,400

science is going to look at that as woo

2189

01:36:21,350 --> 01:36:19,320

that these people are delusional and

2190

01:36:23,870 --> 01:36:21,360

they're just basically making this stuff

2191

01:36:26,390 --> 01:36:23,880

up but you know it's pretty compelling

2192

01:36:28,850 --> 01:36:26,400

when you listen to the stories and

2193

01:36:31,250 --> 01:36:28,860

um I don't I'm not sure that a lot of

2194

01:36:33,350 --> 01:36:31,260

people are aware of it you know it is

2195

01:36:35,750 --> 01:36:33,360

out there and if you're interested in

2196

01:36:38,149 --> 01:36:35,760

this um these spaces of you know

2197

01:36:39,530 --> 01:36:38,159

parapsychology and ESP and so on a lot

2198

01:36:40,390 --> 01:36:39,540

of people read a lot of books and they

2199

01:36:44,930 --> 01:36:40,400

know about

2200

01:36:46,790 --> 01:36:44,940

Obe and um nde in in PSI and all this

2201

01:36:49,310 --> 01:36:46,800

stuff but there's quite a bit of people

2202

01:36:50,990 --> 01:36:49,320

I talk to all the time that not only um

2203

01:36:52,310 --> 01:36:51,000

you know they don't know anything about

2204

01:36:54,530 --> 01:36:52,320

it they're kind of skeptical right off

2205

01:36:55,910 --> 01:36:54,540

the bat so maybe hearing from some

2206

01:36:58,550 --> 01:36:55,920

experts

2207

01:37:01,729 --> 01:36:58,560

um and some experiencers that will

2208

01:37:03,350 --> 01:37:01,739

provide first-hand subjective uh

2209

01:37:05,030 --> 01:37:03,360

descriptions of their own experiences

2210

01:37:07,490 --> 01:37:05,040

will be very

2211

01:37:09,830 --> 01:37:07,500

um enlightening for people for sure

2212

01:37:10,850 --> 01:37:09,840

the

2213

01:37:13,910 --> 01:37:10,860

um

2214

01:37:15,410 --> 01:37:13,920

the part about this that I'm so

2215

01:37:20,570 --> 01:37:15,420

fascinated with

2216

01:37:22,790 --> 01:37:20,580

is that if if these experiences and we

2217

01:37:25,129 --> 01:37:22,800

can we can talk about DMT and we can

2218

01:37:27,890 --> 01:37:25,139

talk about uh you know a parallel world

2219

01:37:30,050 --> 01:37:27,900

and you know physics will talk about the

2220

01:37:33,950 --> 01:37:30,060

Multiverse and extra dimensions and

2221

01:37:36,110 --> 01:37:33,960

string theory uh and then Obe and ndes

2222

01:37:40,610 --> 01:37:36,120

you're absolutely right I think that

2223

01:37:42,950 --> 01:37:40,620

we're all uh we we need we need one more

2224

01:37:45,229 --> 01:37:42,960

word in the English language we don't

2225

01:37:47,810 --> 01:37:45,239

have that word yet because I think that

2226

01:37:51,229 --> 01:37:47,820

if you know what I mean or it's it's all

2227

01:37:54,129 --> 01:37:51,239

the same thing right it's all and we

2228

01:37:58,610 --> 01:37:54,139

just don't have a word for it because

2229

01:38:01,209 --> 01:37:58,620

the ability to to do anything outside of

2230

01:38:05,570 --> 01:38:01,219

the physical no matter what it may be

2231

01:38:09,229 --> 01:38:05,580

channeling communication healing the

2232

01:38:10,910 --> 01:38:09,239

dream state whatever it is it's it's all

2233

01:38:13,310 --> 01:38:10,920

the same thing we just don't have the

2234

01:38:16,430 --> 01:38:13,320

right word for it yet so we did we

2235

01:38:17,870 --> 01:38:16,440

trying to communicate the idea we don't

2236

01:38:20,390 --> 01:38:17,880

have that word yet

2237

01:38:22,370 --> 01:38:20,400

yeah I mean really

2238

01:38:24,050 --> 01:38:22,380

I mean to me it's like the Eternal

2239

01:38:25,970 --> 01:38:24,060

question what is the meaning of life I

2240

01:38:28,729 --> 01:38:25,980

mean that's kind of this this film that

2241

01:38:32,510 --> 01:38:28,739

we're doing we're basically saying okay

2242

01:38:35,030 --> 01:38:32,520

we we are born on this planet and we try

2243

01:38:37,729 --> 01:38:35,040

to live our lives effectively based on

2244

01:38:40,430 --> 01:38:37,739

our communities and our society and we

2245

01:38:42,830 --> 01:38:40,440

try to do good and we're all striving to

2246

01:38:44,750 --> 01:38:42,840

like say well is this really all it is

2247

01:38:46,370 --> 01:38:44,760

that we just kind of you know became

2248

01:38:48,410 --> 01:38:46,380

aware in our mother's womb and then we

2249

01:38:51,169 --> 01:38:48,420

were born and then we have our lives and

2250

01:38:53,870 --> 01:38:51,179

then we die and that's it that's kind of

2251

01:38:56,270 --> 01:38:53,880

what we're told although religions try

2252

01:38:59,209 --> 01:38:56,280

to give us some hope it's still like

2253

01:39:02,209 --> 01:38:59,219

those are pretty ancient ideas that go

2254

01:39:05,209 --> 01:39:02,219

back to archaic times oftentimes

2255

01:39:07,189 --> 01:39:05,219

you know not all but like you know a lot

2256

01:39:10,070 --> 01:39:07,199

of it's very difficult to comprehend and

2257

01:39:11,689 --> 01:39:10,080

apply to our modern lives I think that

2258

01:39:13,669 --> 01:39:11,699

there's going to be a convergence of

2259

01:39:16,850 --> 01:39:13,679

technology and what I might call

2260

01:39:19,250 --> 01:39:16,860

spiritualism and some of these

2261

01:39:21,950 --> 01:39:19,260

um scientists are also talk about that

2262

01:39:23,689 --> 01:39:21,960

you know maybe spiritual technology I

2263

01:39:26,930 --> 01:39:23,699

don't know but it's like yeah yeah yeah

2264

01:39:30,110 --> 01:39:26,940

yeah where's the bridge between right

2265

01:39:32,209 --> 01:39:30,120

um and then are we ready to

2266

01:39:35,090 --> 01:39:32,219

um make that bridge and make take that

2267

01:39:38,990 --> 01:39:35,100

next step to have a discovery that would

2268

01:39:41,870 --> 01:39:39,000

be profoundly you know human but also

2269

01:39:45,169 --> 01:39:41,880

take us maybe to the next level of

2270

01:39:49,129 --> 01:39:45,179

understanding of existence I think that

2271

01:39:52,129 --> 01:39:49,139

that those answers are out there we have

2272

01:39:54,770 --> 01:39:52,139

I mean look at the you know copernican

2273

01:39:57,530 --> 01:39:54,780

Revolution and so on becoming aware of

2274

01:40:00,169 --> 01:39:57,540

the planetary motion and and how it

2275

01:40:02,209 --> 01:40:00,179

worked before that we had no idea and

2276

01:40:04,910 --> 01:40:02,219

and it was right in front of us we just

2277

01:40:07,129 --> 01:40:04,920

couldn't conceive of it maybe that that

2278

01:40:09,709 --> 01:40:07,139

those types of discoveries will occur

2279

01:40:12,590 --> 01:40:09,719

and I think it might be in these fields

2280

01:40:15,129 --> 01:40:12,600

the subject area of what might be called

2281

01:40:18,610 --> 01:40:15,139

non-human intelligence you know

2282

01:40:21,110 --> 01:40:18,620

hopefully you know these experts or

2283

01:40:23,050 --> 01:40:21,120

military and government officials that

2284

01:40:25,729 --> 01:40:23,060

claim that this stuff really exists

2285

01:40:27,590 --> 01:40:25,739

that's going to help us lead us to that

2286

01:40:30,169 --> 01:40:27,600

next stop

2287

01:40:33,410 --> 01:40:30,179

um becoming aware of you know how

2288

01:40:36,410 --> 01:40:33,420

science is getting closer to creating

2289

01:40:37,729 --> 01:40:36,420

um a bridge and where did these

2290

01:40:40,070 --> 01:40:37,739

connections

2291

01:40:43,010 --> 01:40:40,080

um between who we are in Consciousness

2292

01:40:44,810 --> 01:40:43,020

and and so on exist

2293

01:40:46,250 --> 01:40:44,820

um maybe it's the Next Generation maybe

2294

01:40:47,689 --> 01:40:46,260

it's the Next Generation after that I'm

2295

01:40:51,470 --> 01:40:47,699

not sure

2296

01:40:53,169 --> 01:40:51,480

you know physicists scientists so

2297

01:40:56,390 --> 01:40:53,179

pragmatic and black and white right

2298

01:40:59,629 --> 01:40:56,400

atheist non-spiritual most of them not

2299

01:41:01,790 --> 01:40:59,639

all you know but but we can put most of

2300

01:41:04,550 --> 01:41:01,800

them in one box and I get that I

2301

01:41:06,649 --> 01:41:04,560

understand it's chemistry and it's a

2302

01:41:09,890 --> 01:41:06,659

physical world yeah object objective

2303

01:41:15,830 --> 01:41:09,900

science right yeah yeah absolutely but

2304

01:41:20,870 --> 01:41:18,530

um the last chapter

2305

01:41:23,689 --> 01:41:20,880

so he breaks down check this out now

2306

01:41:28,430 --> 01:41:23,699

this is we're talking about Brian Greene

2307

01:41:31,070 --> 01:41:28,440

okay Brian Gray not you know no Brian

2308

01:41:34,129 --> 01:41:31,080

Greene and he says this Dave

2309

01:41:37,729 --> 01:41:34,139

he says he breaks down

2310

01:41:43,189 --> 01:41:37,739

um the the status of everything times

2311

01:41:44,750 --> 01:41:43,199

ten uh in years so you know boom our

2312

01:41:48,410 --> 01:41:44,760

planet is

2313

01:41:52,250 --> 01:41:48,420

4.5 billion years old right so times 10

2314

01:41:55,010 --> 01:41:52,260

right and then then times 10.

2315

01:41:58,250 --> 01:41:55,020

um when you push the universe out the

2316

01:42:00,050 --> 01:41:58,260

age to these huge numbers right so now

2317

01:42:03,229 --> 01:42:00,060

let's go to

2318

01:42:06,109 --> 01:42:03,239

100 trillion years from now

2319

01:42:08,450 --> 01:42:06,119

that's a bit it's a long when you

2320

01:42:10,970 --> 01:42:08,460

consider we're at 13.8 billion years

2321

01:42:14,330 --> 01:42:10,980

right so a hundred trillion years in the

2322

01:42:17,750 --> 01:42:14,340

future well in in like a trillion years

2323

01:42:20,330 --> 01:42:17,760

everything is going to come apart

2324

01:42:21,850 --> 01:42:20,340

okay it's gonna come apart gravity

2325

01:42:25,070 --> 01:42:21,860

things

2326

01:42:28,970 --> 01:42:25,080

energy is going to run out but he says a

2327

01:42:31,370 --> 01:42:28,980

hundred trillion years in the future

2328

01:42:33,770 --> 01:42:31,380

there's no particles

2329

01:42:35,930 --> 01:42:33,780

there's nothing left

2330

01:42:39,350 --> 01:42:35,940

it's all gone

2331

01:42:41,689 --> 01:42:39,360

the only thing left and these are his

2332

01:42:45,109 --> 01:42:41,699

words

2333

01:42:48,709 --> 01:42:46,850

that's right

2334

01:42:50,750 --> 01:42:48,719

thought

2335

01:42:52,729 --> 01:42:50,760

thinking

2336

01:42:55,490 --> 01:42:52,739

that's the energy

2337

01:42:58,490 --> 01:42:55,500

of the universe that's all now and

2338

01:43:01,850 --> 01:42:58,500

that's his roundabout way and it's a

2339

01:43:04,370 --> 01:43:01,860

heavy that's a heavy consideration right

2340

01:43:07,910 --> 01:43:04,380

just ponder that

2341

01:43:10,550 --> 01:43:07,920

but it's it's his way in the scientific

2342

01:43:12,169 --> 01:43:10,560

method of discussing

2343

01:43:15,590 --> 01:43:12,179

consciousness

2344

01:43:17,629 --> 01:43:15,600

but he can't use that word in his book

2345

01:43:21,050 --> 01:43:17,639

you know what I mean

2346

01:43:24,649 --> 01:43:21,060

it's very strange and he says thought

2347

01:43:27,770 --> 01:43:24,659

needs energy to think

2348

01:43:30,370 --> 01:43:27,780

this is his words and he says so you

2349

01:43:33,530 --> 01:43:30,380

have those clouds of thought

2350

01:43:38,209 --> 01:43:33,540

roaming space

2351

01:43:42,050 --> 01:43:38,219

looking for little last particles of

2352

01:43:43,609 --> 01:43:42,060

energy that are shooting by and go and

2353

01:43:49,609 --> 01:43:43,619

Gobble it up

2354

01:43:52,510 --> 01:43:49,619

right some random Photon it's just and

2355

01:43:56,990 --> 01:43:52,520

and because thought still needs energy

2356

01:43:59,750 --> 01:43:57,000

in an energy-less vacuum

2357

01:44:01,970 --> 01:43:59,760

right to exist and to still think but

2358

01:44:03,290 --> 01:44:01,980

that's all that will be left at the end

2359

01:44:07,129 --> 01:44:03,300

of time

2360

01:44:09,050 --> 01:44:07,139

wow yeah heavy huh yeah

2361

01:44:12,010 --> 01:44:09,060

yeah how do you like what's the next

2362

01:44:14,330 --> 01:44:12,020

chapter like okay

2363

01:44:15,950 --> 01:44:14,340

well I mean maybe it's the opposite

2364

01:44:18,530 --> 01:44:15,960

because perhaps that's where it all

2365

01:44:20,330 --> 01:44:18,540

started you know and as well like it

2366

01:44:23,629 --> 01:44:20,340

went just the opposite direction because

2367

01:44:26,090 --> 01:44:23,639

you could say that entropy entropy means

2368

01:44:30,169 --> 01:44:26,100

the slow degradation of every single

2369

01:44:33,430 --> 01:44:30,179

thing and that um Consciousness may be

2370

01:44:37,609 --> 01:44:33,440

um a process an evolutionary process

2371

01:44:39,530 --> 01:44:37,619

that tries to reduce entropy

2372

01:44:40,970 --> 01:44:39,540

um and that that's what we're doing

2373

01:44:44,330 --> 01:44:40,980

we're continually trying to reduce

2374

01:44:47,390 --> 01:44:44,340

entropy to keep systems from falling

2375

01:44:50,209 --> 01:44:47,400

apart into degradation

2376

01:44:54,109 --> 01:44:50,219

um will it eventually end up uh you know

2377

01:44:56,510 --> 01:44:54,119

every single party particles like you

2378

01:44:59,629 --> 01:44:56,520

know separates into nothing but thought

2379

01:45:01,310 --> 01:44:59,639

you know maybe so I'm not sure in in

2380

01:45:02,930 --> 01:45:01,320

that time frame

2381

01:45:06,109 --> 01:45:02,940

it's it's it's it's it's it's it's it's

2382

01:45:10,550 --> 01:45:06,119

it's pretty amazing where

2383

01:45:13,010 --> 01:45:10,560

um and it's like a cycle I like the way

2384

01:45:15,770 --> 01:45:13,020

you deduce that because that's exactly

2385

01:45:18,290 --> 01:45:15,780

where I was at the end of the book I've

2386

01:45:20,750 --> 01:45:18,300

read the book so many times now I I

2387

01:45:22,189 --> 01:45:20,760

can't tell you just flip it over and

2388

01:45:24,470 --> 01:45:22,199

start send me a link to that I

2389

01:45:26,750 --> 01:45:24,480

definitely want to read that one it's uh

2390

01:45:28,689 --> 01:45:26,760

until the end of time it's it's an

2391

01:45:33,709 --> 01:45:28,699

amazing book anyway

2392

01:45:36,229 --> 01:45:33,719

so it's like this cyclical situation

2393

01:45:39,229 --> 01:45:36,239

right where

2394

01:45:41,570 --> 01:45:39,239

um everything comes a bit of all that is

2395

01:45:44,450 --> 01:45:41,580

left is all of the knowledge and the

2396

01:45:46,970 --> 01:45:44,460

thinking of everything that ever was

2397

01:45:50,030 --> 01:45:46,980

and then it all starts over again

2398

01:45:53,990 --> 01:45:50,040

right and that is the Consciousness that

2399

01:45:57,830 --> 01:45:54,000

we're talking about and how it exists in

2400

01:46:02,930 --> 01:45:57,840

the the non-physical form right right

2401
01:46:05,870 --> 01:46:02,940
and then you know Planet stars are and

2402
01:46:09,350 --> 01:46:05,880
then here we are right I mean if you

2403
01:46:11,990 --> 01:46:09,360
have like an unbounded Oneness as Tom

2404
01:46:16,490 --> 01:46:12,000
Campbell describes as sort of that

2405
01:46:18,649 --> 01:46:16,500
primary Consciousness that basically

2406
01:46:20,930 --> 01:46:18,659
um would be thought and then within that

2407
01:46:24,290 --> 01:46:20,940
you have uh

2408
01:46:27,890 --> 01:46:24,300
um Eddies or disturbances within those

2409
01:46:30,169 --> 01:46:27,900
fields that over time are um developed

2410
01:46:32,330 --> 01:46:30,179
and I mean in some ways you could say

2411
01:46:34,250 --> 01:46:32,340
that those are individual universes

2412
01:46:37,010 --> 01:46:34,260
really or individual

2413
01:46:39,890 --> 01:46:37,020

um Dimensions that could exist

2414

01:46:44,149 --> 01:46:39,900

concurrently and you know I mean if that

2415

01:46:47,930 --> 01:46:44,159

is true then one complete system could

2416

01:46:51,590 --> 01:46:47,940

um cease to exist and then reform and

2417

01:46:53,450 --> 01:46:51,600

create another system so it's so complex

2418

01:46:54,830 --> 01:46:53,460

it's hard to wrap your brain around it

2419

01:46:56,870 --> 01:46:54,840

that's for sure and you do have to read

2420

01:46:59,390 --> 01:46:56,880

some of these scientists that are

2421

01:47:00,770 --> 01:46:59,400

writing green and Campbell for instance

2422

01:47:03,169 --> 01:47:00,780

you're gonna have to read the stuff

2423

01:47:05,510 --> 01:47:03,179

several times I find myself

2424

01:47:08,149 --> 01:47:05,520

um contemplating what they're saying and

2425

01:47:10,790 --> 01:47:08,159

having to digest it just to understand

2426

01:47:13,070 --> 01:47:10,800

what the the ramifications are because

2427

01:47:16,430 --> 01:47:13,080

it's so enormous and you have to then

2428

01:47:19,310 --> 01:47:16,440

start to try to say can I even

2429

01:47:21,169 --> 01:47:19,320

um begin to accept this in my world view

2430

01:47:24,050 --> 01:47:21,179

in my

2431

01:47:26,450 --> 01:47:24,060

um spirituality that this could possibly

2432

01:47:28,609 --> 01:47:26,460

be true that this stuff exists it's on

2433

01:47:29,930 --> 01:47:28,619

such a higher level

2434

01:47:31,490 --> 01:47:29,940

um it's it's yeah I mean it's

2435

01:47:33,590 --> 01:47:31,500

fascinating and that's what I'm doing

2436

01:47:35,149 --> 01:47:33,600

you know with this film it's like I'm

2437

01:47:37,790 --> 01:47:35,159

starting from

2438

01:47:39,709 --> 01:47:37,800

um you know the Starting Gate going look

2439

01:47:41,470 --> 01:47:39,719

I'm not a scientist I don't know that

2440

01:47:43,910 --> 01:47:41,480

much about the study of Consciousness

2441

01:47:46,729 --> 01:47:43,920

whereas Bob Davis

2442

01:47:49,010 --> 01:47:46,739

um has a lot more experience discussing

2443

01:47:51,050 --> 01:47:49,020

this and understanding it and trying to

2444

01:47:53,629 --> 01:47:51,060

get up to speed so that's like a really

2445

01:47:55,550 --> 01:47:53,639

um fun part of this project and then in

2446

01:47:58,550 --> 01:47:55,560

addition to that

2447

01:48:00,950 --> 01:47:58,560

what what a you know humbling experience

2448

01:48:02,510 --> 01:48:00,960

and what a blessing it is for me to be

2449

01:48:05,270 --> 01:48:02,520

able to speak to some of these

2450

01:48:07,970 --> 01:48:05,280

individuals that have spent their lives

2451
01:48:09,590 --> 01:48:07,980
contemplating this and then being able

2452
01:48:12,050 --> 01:48:09,600
to share that with the audience is like

2453
01:48:13,669 --> 01:48:12,060
gonna be like super super

2454
01:48:15,050 --> 01:48:13,679
um special to do and I can't wait to

2455
01:48:20,209 --> 01:48:15,060
share some of this stuff

2456
01:48:24,830 --> 01:48:23,090
right at the right right at the wrong

2457
01:48:27,830 --> 01:48:24,840
time right

2458
01:48:30,410 --> 01:48:27,840
um what have you learned though

2459
01:48:32,870 --> 01:48:30,420
um and and it's it's a it's a basic

2460
01:48:34,629 --> 01:48:32,880
question uh when when I asked something

2461
01:48:38,030 --> 01:48:34,639
like that

2462
01:48:41,090 --> 01:48:38,040
what do you think comes first

2463
01:48:43,850 --> 01:48:41,100

right consciousness

2464

01:48:45,709 --> 01:48:43,860

or chemistry

2465

01:48:48,950 --> 01:48:45,719

which which

2466

01:48:51,649 --> 01:48:48,960

right it's we're at like the chicken or

2467

01:48:53,990 --> 01:48:51,659

the egg uh situation here

2468

01:48:57,290 --> 01:48:54,000

which came first

2469

01:48:59,149 --> 01:48:57,300

yeah I mean that's that's kind of the

2470

01:49:03,229 --> 01:48:59,159

problem that

2471

01:49:05,930 --> 01:49:03,239

science Material Science has when you go

2472

01:49:07,850 --> 01:49:05,940

back to the very very beginning and I

2473

01:49:10,609 --> 01:49:07,860

think the the terminology might be

2474

01:49:12,410 --> 01:49:10,619

called objective causality

2475

01:49:14,510 --> 01:49:12,420

um and it's a conundrum in the sense

2476

01:49:16,790 --> 01:49:14,520

that science

2477

01:49:19,550 --> 01:49:16,800

can go back to that very beginning but

2478

01:49:21,649 --> 01:49:19,560

then they have to go into subjective

2479

01:49:24,669 --> 01:49:21,659

ideals to explain what happened before

2480

01:49:28,310 --> 01:49:24,679

that right like if

2481

01:49:31,189 --> 01:49:28,320

the nature of physical reality what you

2482

01:49:33,709 --> 01:49:31,199

have to go what happened before that and

2483

01:49:35,870 --> 01:49:33,719

then you're in the realm of religion and

2484

01:49:38,209 --> 01:49:35,880

beliefs of what happened because you

2485

01:49:41,209 --> 01:49:38,219

can't predict that at that point you

2486

01:49:43,930 --> 01:49:41,219

can't go beyond that in some ways if you

2487

01:49:47,450 --> 01:49:43,940

flip it around and then go into a

2488

01:49:50,030 --> 01:49:47,460

primary Consciousness model where

2489

01:49:52,070 --> 01:49:50,040

Consciousness is the first

2490

01:49:55,430 --> 01:49:52,080

um energy field and then physical

2491

01:49:58,669 --> 01:49:55,440

reality merges from that it does in some

2492

01:50:00,470 --> 01:49:58,679

ways as I understand it begin to answer

2493

01:50:04,729 --> 01:50:00,480

some of those questions so that you can

2494

01:50:07,070 --> 01:50:04,739

go before uh the first manifestation

2495

01:50:08,990 --> 01:50:07,080

manifestation of physical matter and

2496

01:50:13,910 --> 01:50:09,000

reality

2497

01:50:16,609 --> 01:50:13,920

but it is is four and a half not even

2498

01:50:19,729 --> 01:50:16,619

four and a half billion years uh for us

2499

01:50:22,970 --> 01:50:19,739

on Earth if we listen to

2500

01:50:26,090 --> 01:50:22,980

you know uh somebody that's educated

2501
01:50:28,330 --> 01:50:26,100
with letters after their name uh that

2502
01:50:31,310 --> 01:50:28,340
that I don't possess

2503
01:50:34,370 --> 01:50:31,320
we've got about two billion years of

2504
01:50:36,470 --> 01:50:34,380
evolution time on this planet you know

2505
01:50:39,350 --> 01:50:36,480
we had to cool down it was lava it was

2506
01:50:43,310 --> 01:50:39,360
molten you know no oxygen and all that

2507
01:50:45,109 --> 01:50:43,320
stuff no water but we've had it's two

2508
01:50:47,149 --> 01:50:45,119
billion years

2509
01:50:50,570 --> 01:50:47,159
long enough

2510
01:50:52,790 --> 01:50:50,580
for this magic to happen for you and I

2511
01:50:56,689 --> 01:50:52,800
to talk about souls and Consciousness

2512
01:50:58,790 --> 01:50:56,699
and and the micro and the macro like we

2513
01:51:01,490 --> 01:50:58,800

are right we're talking about particles

2514

01:51:02,810 --> 01:51:01,500

and we're talking about the expanse of

2515

01:51:04,910 --> 01:51:02,820

the universe

2516

01:51:08,229 --> 01:51:04,920

in a conversation

2517

01:51:10,729 --> 01:51:08,239

and so we've evolved that that that

2518

01:51:12,290 --> 01:51:10,739

quickly in two billion years I don't

2519

01:51:13,370 --> 01:51:12,300

think it's long enough I think that the

2520

01:51:16,129 --> 01:51:13,380

answer

2521

01:51:20,510 --> 01:51:16,139

is is the opposite that Consciousness

2522

01:51:23,450 --> 01:51:20,520

was was here already I mean I

2523

01:51:26,570 --> 01:51:23,460

it seems like my entire life have looked

2524

01:51:29,149 --> 01:51:26,580

at the nature of

2525

01:51:31,850 --> 01:51:29,159

you know what we know and physical

2526
01:51:36,590 --> 01:51:31,860
um science in the earth and biology and

2527
01:51:40,189 --> 01:51:36,600
these systems that it is incredibly

2528
01:51:43,250 --> 01:51:40,199
um advanced technology is it you know

2529
01:51:45,229 --> 01:51:43,260
you might say like in humans commuter

2530
01:51:47,330 --> 01:51:45,239
simulation that we're creating uh

2531
01:51:49,850 --> 01:51:47,340
simulated realities and you could say

2532
01:51:52,189 --> 01:51:49,860
that this is some type of creation I

2533
01:51:57,169 --> 01:51:52,199
agree with that I mean I think that uh

2534
01:52:00,590 --> 01:51:57,179
you know biological entities are super

2535
01:52:02,689 --> 01:52:00,600
complex technology that we're now put in

2536
01:52:05,149 --> 01:52:02,699
a position where we are beginning to

2537
01:52:08,270 --> 01:52:05,159
understand it ourselves so it's like we

2538
01:52:09,830 --> 01:52:08,280

are the creation and we're looking at it

2539

01:52:12,410 --> 01:52:09,840

trying to reverse engineer the

2540

01:52:14,570 --> 01:52:12,420

technology ourselves in the beginning

2541

01:52:16,910 --> 01:52:14,580

you know we weren't able to do that or

2542

01:52:19,430 --> 01:52:16,920

it was like in all those billions of

2543

01:52:22,729 --> 01:52:19,440

years how many steps we had to take to

2544

01:52:25,550 --> 01:52:22,739

be able to develop instrumentation and

2545

01:52:27,350 --> 01:52:25,560

the the science discoveries and

2546

01:52:29,689 --> 01:52:27,360

breakthroughs that allow allowed us to

2547

01:52:32,090 --> 01:52:29,699

understand one piece of it there's so

2548

01:52:34,970 --> 01:52:32,100

much more we don't understand about you

2549

01:52:39,109 --> 01:52:34,980

know even ourselves nature and reality

2550

01:52:41,169 --> 01:52:39,119

you know is Way Way Beyond that but I

2551

01:52:45,410 --> 01:52:41,179

mean I I have to say that

2552

01:52:48,590 --> 01:52:45,420

this must have existed a lot longer than

2553

01:52:52,250 --> 01:52:48,600

we've been around and that you know

2554

01:52:53,810 --> 01:52:52,260

somebody had a hand in it for sure so it

2555

01:52:59,470 --> 01:52:53,820

is that

2556

01:53:03,830 --> 01:52:59,480

Green

2557

01:53:06,169 --> 01:53:03,840

physics side of it of of thought and

2558

01:53:08,990 --> 01:53:06,179

that's where creation came from I mean

2559

01:53:13,970 --> 01:53:09,000

if if you if you really look at it right

2560

01:53:17,450 --> 01:53:13,980

out of time but we're talking about time

2561

01:53:20,090 --> 01:53:17,460

um forever an infinite right

2562

01:53:22,490 --> 01:53:20,100

that's that's a long time

2563

01:53:24,530 --> 01:53:22,500

that's a big number right and it's

2564

01:53:26,870 --> 01:53:24,540

bigger than the number that we're

2565

01:53:30,350 --> 01:53:26,880

talking about for our own Universe of

2566

01:53:34,970 --> 01:53:30,360

13.8 billion years our son is four and a

2567

01:53:36,910 --> 01:53:34,980

half billion years old but infinite and

2568

01:53:40,310 --> 01:53:36,920

and going back before the Big Bang

2569

01:53:42,169 --> 01:53:40,320

existence and if you go with what Brian

2570

01:53:44,750 --> 01:53:42,179

Green is talking about you know a

2571

01:53:50,350 --> 01:53:44,760

hundred trillion years these are

2572

01:53:54,169 --> 01:53:50,360

ginormous numbers and that that explains

2573

01:53:58,729 --> 01:53:54,179

more about the magic of our creation

2574

01:54:01,970 --> 01:53:58,739

that this has evolved over infinite time

2575

01:54:04,430 --> 01:54:01,980

not 13.8 billion years or two billion

2576

01:54:06,649 --> 01:54:04,440

years it's not that's not long enough

2577

01:54:07,850 --> 01:54:06,659

for the evolution of us being so

2578

01:54:10,430 --> 01:54:07,860

sentient

2579

01:54:12,890 --> 01:54:10,440

yeah yeah that's true and also the the

2580

01:54:14,810 --> 01:54:12,900

systems that are so perfected I mean

2581

01:54:17,990 --> 01:54:14,820

just an individual cell cellular

2582

01:54:20,450 --> 01:54:18,000

structure in the way that our different

2583

01:54:22,189 --> 01:54:20,460

um limbic systems and our um endocrine

2584

01:54:24,350 --> 01:54:22,199

our brain and all the different physical

2585

01:54:26,510 --> 01:54:24,360

uh things have to come together to work

2586

01:54:29,050 --> 01:54:26,520

in harmony I mean it's it's unbelievable

2587

01:54:31,490 --> 01:54:29,060

and I know that that's why um you know

2588

01:54:33,470 --> 01:54:31,500

doctors become doctors and so on because

2589

01:54:36,290 --> 01:54:33,480

you could study that for your whole life

2590

01:54:38,510 --> 01:54:36,300

it's another problem with this topic in

2591

01:54:40,609 --> 01:54:38,520

general is that I mean I've spent the

2592

01:54:43,070 --> 01:54:40,619

last two years just trying to get a

2593

01:54:46,490 --> 01:54:43,080

basic understanding of what are some of

2594

01:54:49,070 --> 01:54:46,500

these subject areas and how you can

2595

01:54:52,250 --> 01:54:49,080

um sort of refine it into a way that

2596

01:54:54,470 --> 01:54:52,260

people can even understand I mean honest

2597

01:54:56,330 --> 01:54:54,480

to God I mean you know you start talking

2598

01:54:58,790 --> 01:54:56,340

about Consciousness people like they're

2599

01:55:01,550 --> 01:54:58,800

they're kind of like you know roll their

2600

01:55:02,689 --> 01:55:01,560

eyes and like oh God you know like do I

2601

01:55:04,609 --> 01:55:02,699

do we really want to have this

2602

01:55:07,189 --> 01:55:04,619

conversation because

2603

01:55:09,410 --> 01:55:07,199

it's no one really is on the same page

2604

01:55:14,229 --> 01:55:09,420

on it it's like just a word and it just

2605

01:55:20,030 --> 01:55:17,510

they can't measure it they can't touch

2606

01:55:22,310 --> 01:55:20,040

it they can't feel it therefore right

2607

01:55:24,950 --> 01:55:22,320

it's not they're not going to spend time

2608

01:55:28,270 --> 01:55:24,960

thinking about it but they know that

2609

01:55:31,550 --> 01:55:28,280

they can think about it

2610

01:55:33,709 --> 01:55:31,560

it just doesn't make any sense it's true

2611

01:55:36,410 --> 01:55:33,719

yeah yeah yeah yeah just because you

2612

01:55:39,050 --> 01:55:36,420

can't measure it what a fascinating show

2613

01:55:41,990 --> 01:55:39,060

tonight Dave and uh I can't wait for the

2614

01:55:44,270 --> 01:55:42,000

film uh to come out just keep doing your

2615

01:55:48,229 --> 01:55:44,280

thing and and again thank you so much

2616

01:55:50,570 --> 01:55:48,239

and and uh this whole night

2617

01:55:53,990 --> 01:55:50,580

think about the first 30 minutes before

2618

01:55:55,669 --> 01:55:54,000

the show tonight and and what what ended

2619

01:55:58,189 --> 01:55:55,679

up happening just a perfect perfect

2620

01:55:59,750 --> 01:55:58,199

night on the show thank you so much well

2621

01:56:03,830 --> 01:55:59,760

you know I don't know if you notice that

2622

01:56:06,169 --> 01:56:03,840

in my camera I have a Canon that um uh

2623

01:56:07,910 --> 01:56:06,179

just kept like you know shutting off um

2624

01:56:09,590 --> 01:56:07,920

because I guess it must have a heat

2625

01:56:11,450 --> 01:56:09,600

sensor or something so I was like

2626

01:56:13,070 --> 01:56:11,460

reaching up and finally I just put my

2627

01:56:15,229 --> 01:56:13,080

Mac on because I know that would keep

2628

01:56:17,090 --> 01:56:15,239

working but I mean really I'm like what

2629

01:56:19,729 --> 01:56:17,100

if the camera just died in the middle of

2630

01:56:22,310 --> 01:56:19,739

the the show or whatever so well I I

2631

01:56:24,770 --> 01:56:22,320

I've got news for you

2632

01:56:26,990 --> 01:56:24,780

the Mac has got a better lens than the

2633

01:56:29,390 --> 01:56:27,000

Canon I'd sell the Canon shoot all your

2634

01:56:32,090 --> 01:56:29,400

movies on your Mac from now on just take

2635

01:56:34,070 --> 01:56:32,100

the laptop around and and shoot with

2636

01:56:36,950 --> 01:56:34,080

that Dave Beatty you're the absolute

2637

01:56:39,590 --> 01:56:36,960

best my friend thank you so much

2638

01:56:43,490 --> 01:56:39,600

perfect night of the show perfect night

2639

01:56:45,410 --> 01:56:43,500

on the show and uh thank you Dave and uh

2640

01:56:48,169 --> 01:56:45,420

I want to remind everybody about what's

2641

01:56:50,810 --> 01:56:48,179

going on tomorrow

2642

01:56:54,050 --> 01:56:50,820

um check this out

2643

01:56:55,910 --> 01:56:54,060

there's a new movie out it is called and

2644

01:56:59,750 --> 01:56:55,920

I've seen it it's called a flash of

2645

01:57:01,669 --> 01:56:59,760

beauty Bigfoot revealed tomorrow night I

2646

01:57:04,790 --> 01:57:01,679

have the co-producing director Brett

2647

01:57:06,410 --> 01:57:04,800

eisenberger is with us tomorrow night so

2648

01:57:08,629 --> 01:57:06,420

if you want to check out the film it's

2649

01:57:11,689 --> 01:57:08,639

called the flashy Beauty Bigfoot

2650

01:57:13,490 --> 01:57:11,699

revealed tomorrow night that's what's

2651
01:57:15,770 --> 01:57:13,500
happening on Fade to Black thank you so

2652
01:57:18,830 --> 01:57:15,780
much thank you Dave Beatty what a

2653
01:57:20,990 --> 01:57:18,840
perfect show tonight and uh let's just

2654
01:57:23,990 --> 01:57:21,000
get straight to it so I can get out of

2655
01:57:26,930 --> 01:57:24,000
here Fade to Black is produced by Hilton

2656
01:57:28,990 --> 01:57:26,940
J Palm Renee Newman and Michelle free

2657
01:57:31,910 --> 01:57:29,000
very special thanks to Dennis and Kevin

2658
01:57:34,689 --> 01:57:31,920
webmaster is Drew the geek music Doug

2659
01:57:37,250 --> 01:57:34,699
Aldridge intro space boys

2660
01:57:39,229 --> 01:57:37,260
spaceboymusic.com made the black is

2661
01:57:41,629 --> 01:57:39,239
produced by kjcr for the game changer

2662
01:57:45,109 --> 01:57:41,639
Network and this broadcast is owned and

2663
01:57:47,209 --> 01:57:45,119

copyrighted 2023 by Fade to Black and

2664

01:57:49,250 --> 01:57:47,219

The Game Changer networking it cannot be

2665

01:57:51,410 --> 01:57:49,260

rebroadcast downloaded copied or used

2666

01:57:53,390 --> 01:57:51,420

anywhere in the known universe without

2667

01:57:54,709 --> 01:57:53,400

written permission from Fade to Black to

2668

01:57:57,109 --> 01:57:54,719

the game changer Network I'm real

2669

01:57:59,450 --> 01:57:57,119

chimney church until tomorrow night I
