

FADE TO BLACK

with **JIMMY CHURCH**
PRESENTS

BREAKING NEWS

Wed June 21, 2023 **LIVE**

1
00:00:32,700 --> 00:00:22,720

[Music]

2
00:00:36,490 --> 00:00:32,710

thank you

3
00:00:43,990 --> 00:00:39,470

good afternoon Fade to Black breaking

4
00:00:46,970 --> 00:00:44,000

news for this Wednesday June 21st 2023

5
00:00:49,430 --> 00:00:46,980

this is all of the news that you need

6
00:00:52,569 --> 00:00:49,440

I'm Jimmy Church let's get straight to

7
00:00:57,470 --> 00:00:52,579

it on this day in history

8
00:01:01,069 --> 00:00:57,480

1893 the first ferris wheel invented by

9
00:01:02,930 --> 00:01:01,079

George Washington Gail Ferris Jr a

10
00:01:07,010 --> 00:01:02,940

pittsburgh-based engineer by the way

11
00:01:11,630 --> 00:01:07,020

made its debut at the world's Colombian

12
00:01:15,310 --> 00:01:11,640

Exposition in Chicago yeah pretty big

13
00:01:18,109 --> 00:01:15,320

day 1893. here's your fader fact

14

00:01:20,990 --> 00:01:18,119

the apex predator

15

00:01:22,969 --> 00:01:21,000

with the highest kill rate

16

00:01:24,830 --> 00:01:22,979

is not the lion

17

00:01:27,350 --> 00:01:24,840

it's not the cheetah

18

00:01:31,550 --> 00:01:27,360

it's not even the wolf

19

00:01:33,170 --> 00:01:31,560

it's the African wild dog

20

00:01:35,210 --> 00:01:33,180

and that

21

00:01:37,789 --> 00:01:35,220

is your fader fact let's get to the

22

00:01:40,010 --> 00:01:37,799

breaking news the U.S Coast Guard and

23

00:01:42,950 --> 00:01:40,020

other agencies assisting in the effort

24

00:01:46,810 --> 00:01:42,960

to find a missing submersible are still

25

00:01:50,749 --> 00:01:46,820

conducting a search and rescue mission

26

00:01:53,389 --> 00:01:50,759

that is what they are doing it is search

27

00:01:56,389 --> 00:01:53,399

and rescue for the missing sub that was

28

00:01:59,590 --> 00:01:56,399

heading down to the Titanic nothing has

29

00:02:02,810 --> 00:01:59,600

changed here is the latest

30

00:02:05,330 --> 00:02:02,820

banging sounds have been heard the U.S

31

00:02:07,789 --> 00:02:05,340

Coast Guard said it has not identified

32

00:02:09,889 --> 00:02:07,799

the source of the banging noises that

33

00:02:13,670 --> 00:02:09,899

were picked up by sonar both on Tuesday

34

00:02:15,890 --> 00:02:13,680

and today but the information has been

35

00:02:18,050 --> 00:02:15,900

shared with experts from the United

36

00:02:20,449 --> 00:02:18,060

States Navy as the search for the

37

00:02:23,510 --> 00:02:20,459

missing submersible continues

38

00:02:26,449 --> 00:02:23,520

they're running out of oxygen there is a

39

00:02:29,869 --> 00:02:26,459

dwindling Air Supply they have less than

40

00:02:32,390 --> 00:02:29,879

a day of oxygen and left on The Vessel

41

00:02:33,890 --> 00:02:32,400

based on Coast Guard officials latest

42

00:02:36,770 --> 00:02:33,900

estimate

43

00:02:39,530 --> 00:02:36,780

who's on board the sub is carrying five

44

00:02:42,170 --> 00:02:39,540

people a British Adventure a French

45

00:02:43,970 --> 00:02:42,180

diver a Pakistani Father and Son and the

46

00:02:44,890 --> 00:02:43,980

founder of the company that operates the

47

00:02:48,410 --> 00:02:44,900

tour

48

00:02:51,410 --> 00:02:48,420

and all of this according to the company

49

00:02:52,850 --> 00:02:51,420

social media posts and the family's

50

00:02:55,250 --> 00:02:52,860

statements

51

00:02:57,229 --> 00:02:55,260

uh I think

52

00:02:58,670 --> 00:02:57,239

I'm holding out hope

53

00:03:01,990 --> 00:02:58,680

I just am

54

00:03:06,229 --> 00:03:02,000

all right this is a crazy news

55

00:03:08,270 --> 00:03:06,239

thousands of dolphins and sea lions have

56

00:03:10,970 --> 00:03:08,280

been washing up dead on the coast of

57

00:03:13,369 --> 00:03:10,980

California throughout the month there

58

00:03:15,949 --> 00:03:13,379

have been over a thousand reports of

59

00:03:19,430 --> 00:03:15,959

sick and dead mammals washing ashore

60

00:03:21,949 --> 00:03:19,440

between June 8th and June 14th according

61

00:03:25,309 --> 00:03:21,959

to the National Oceanic and Atmospheric

62

00:03:27,410 --> 00:03:25,319

Administration the cause for the test of

63

00:03:30,710 --> 00:03:27,420

these sea creatures has been identified

64

00:03:32,750 --> 00:03:30,720

as the harmful algae growing in large

65

00:03:36,110 --> 00:03:32,760

numbers along the southern California

66

00:03:39,350 --> 00:03:36,120

coast the algae bloom produces an

67

00:03:43,430 --> 00:03:39,360

abundance of a neurotoxin called domoic

68

00:03:46,430 --> 00:03:43,440

acid when marine mammals ingest the acid

69

00:03:51,710 --> 00:03:46,440

through infected prey it can cause

70

00:03:55,610 --> 00:03:51,720

severe health effects and this is crazy

71

00:03:59,390 --> 00:03:55,620

new health warnings by Ireland set to be

72

00:04:02,270 --> 00:03:59,400

the world's strictest on beer wine and

73

00:04:04,490 --> 00:04:02,280

spirit have sparked alarm from alcohol

74

00:04:07,690 --> 00:04:04,500

producing countries that argue that

75

00:04:10,850 --> 00:04:07,700

labels would impose an obstacle to trade

76
00:04:12,830 --> 00:04:10,860
the U.S and Mexico have raised concerns

77
00:04:14,929 --> 00:04:12,840
over the legislation ahead of the World

78
00:04:19,310 --> 00:04:14,939
Trade Organization committee meetings

79
00:04:22,370 --> 00:04:19,320
this week Argentina Australia Chile Cuba

80
00:04:25,370 --> 00:04:22,380
and New Zealand have also expressed

81
00:04:28,249 --> 00:04:25,380
reservations about the law which Ireland

82
00:04:30,189 --> 00:04:28,259
passed last month while the European

83
00:04:34,129 --> 00:04:30,199
commission gave Ireland the green light

84
00:04:36,650 --> 00:04:34,139
at least nine weird wine and beer

85
00:04:39,409 --> 00:04:36,660
producing member countries oppose the

86
00:04:43,430 --> 00:04:39,419
measure the labels which go into effect

87
00:04:46,850 --> 00:04:43,440
in 2026 will highlight the risk of liver

88
00:04:49,490 --> 00:04:46,860

disease cancer and the risk of drinking

89

00:04:53,990 --> 00:04:49,500

while pregnant in Big Red Letters on

90

00:04:58,129 --> 00:04:54,000

every container of alcoholic beverages

91

00:05:00,770 --> 00:04:58,139

now in addition to this Canada now

92

00:05:06,350 --> 00:05:00,780

requires Health warnings to be printed

93

00:05:10,249 --> 00:05:07,909

all right

94

00:05:14,210 --> 00:05:10,259

check this out for years

95

00:05:17,270 --> 00:05:14,220

the demo tape that launched Prince's

96

00:05:20,390 --> 00:05:17,280

career has been tucked away in an attic

97

00:05:22,670 --> 00:05:20,400

of the home of Russ threat the Warner

98

00:05:26,210 --> 00:05:22,680

Brothers music executive that first

99

00:05:29,150 --> 00:05:26,220

signed him now music enthusiasts and

100

00:05:31,550 --> 00:05:29,160

Prince fans worldwide have a chance to

101
00:05:34,610 --> 00:05:31,560
own the tape that landed the Minneapolis

102
00:05:36,909 --> 00:05:34,620
Superstar his first record contract as

103
00:05:39,070 --> 00:05:36,919
it goes up for auction according to

104
00:05:43,969 --> 00:05:39,080
boston-based auction house

105
00:05:47,029 --> 00:05:43,979
RR auction the demo recorded in 1976

106
00:05:50,270 --> 00:05:47,039
Prince was 18 years old and still in its

107
00:05:52,909 --> 00:05:50,280
original custom packaging is part of the

108
00:05:56,029 --> 00:05:52,919
marvels of modern music auction that

109
00:05:58,490 --> 00:05:56,039
ends tomorrow the tape was discovered by

110
00:06:01,610 --> 00:05:58,500
Jeff gold a former Warner Brothers

111
00:06:05,390 --> 00:06:01,620
records music vice president and general

112
00:06:08,390 --> 00:06:05,400
manager who was friends with irat

113
00:06:11,930 --> 00:06:08,400

wow incredible finally

114

00:06:13,870 --> 00:06:11,940

I'm Gonna Leave You with this

115

00:06:17,529 --> 00:06:13,880

a pendant

116

00:06:20,510 --> 00:06:17,539

recently found in Northern Mongolia

117

00:06:25,189 --> 00:06:20,520

suggests our species has been

118

00:06:27,830 --> 00:06:25,199

artistically recreating the penis for at

119

00:06:29,930 --> 00:06:27,840

least 42 000 years

120

00:06:32,270 --> 00:06:29,940

yeah

121

00:06:34,670 --> 00:06:32,280

according to researchers behind the

122

00:06:38,570 --> 00:06:34,680

study of the pendant published this week

123

00:06:41,990 --> 00:06:38,580

in nature scientific reports the 4.3

124

00:06:45,010 --> 00:06:42,000

centimeter piece of carved graphite is

125

00:06:48,550 --> 00:06:45,020

the earliest known sext

126

00:06:52,670 --> 00:06:48,560

anthromorphic representation

127

00:06:55,670 --> 00:06:52,680

if so the pendant would predate the cave

128

00:06:59,629 --> 00:06:55,680

art and grot Chavez in France that

129

00:07:02,150 --> 00:06:59,639

depicts vulvas and dates back 32 000

130

00:07:05,270 --> 00:07:02,160

years it would even Edge out the Venus

131

00:07:09,770 --> 00:07:05,280

of all fell statue in Southwestern

132

00:07:11,210 --> 00:07:09,780

Germany that may be as old as 40

133

00:07:13,189 --> 00:07:11,220

000 years

134

00:07:15,050 --> 00:07:13,199

there you go

135

00:07:16,570 --> 00:07:15,060

that's all the fate of Life breaking

136

00:07:21,290 --> 00:07:16,580

news that you need for this Wednesday

137

00:07:23,990 --> 00:07:21,300

June 21st 2023 beta block breaking news

138

00:07:30,080 --> 00:07:24,000

is produced by Renee Newman I'm Jimmy

139

00:07:52,190 --> 00:07:42,210

[Music]
