

1

00:00:00,000 --> 00:00:05,200

Alright Jay, all our flashlights are off.

2

00:00:05,200 --> 00:00:11,600

Brian's got the guvateen and he's gonna try to see what he can get.

3

00:00:11,600 --> 00:00:18,600

He's ready, go.

4

00:00:18,600 --> 00:00:19,600

Can you even see?

5

00:00:19,600 --> 00:00:21,680

Alright, alright, back up.

6

00:00:21,680 --> 00:00:22,680

Back up.

7

00:00:22,680 --> 00:00:23,680

You look like Grimace.

8

00:00:23,680 --> 00:00:25,680

Okay, there we go.

9

00:00:25,680 --> 00:00:27,680

How's that?

10

00:00:27,680 --> 00:00:34,680

Alright, he's gonna give it another shot.

11

00:00:34,680 --> 00:00:43,680

Trying to spin it and run real fast.

12

00:00:43,680 --> 00:00:49,680

What the hell can you do?

13

00:00:49,680 --> 00:00:53,680

You gotta run.

14

00:00:53,680 --> 00:00:54,680

I can't run.

15

00:00:54,680 --> 00:00:55,680

You're barely walking.

16

00:00:55,680 --> 00:00:56,680

Dude, I can't run.

17

00:00:56,680 --> 00:00:57,680

I can't fucking see anything.

18

00:00:57,680 --> 00:00:58,680

You're probably just hauling.

19

00:00:58,680 --> 00:00:59,680

You wanna do it?

20

00:00:59,680 --> 00:01:00,680

Just haul ass.

21

00:01:00,680 --> 00:01:01,680

You wanna do it?

22

00:01:01,680 --> 00:01:02,680

Haul ass.

23

00:01:02,680 --> 00:01:03,680

I can't see.

24

00:01:03,680 --> 00:01:04,680

So you can still haul.

25

00:01:04,680 --> 00:01:08,680

You know, you're going in the straight line so I'm requesting you to go around the lab

26

00:01:08,680 --> 00:01:09,680

and...

27

00:01:09,680 --> 00:01:11,680

You're a fucking ass dude.

28

00:01:11,680 --> 00:01:12,680

Okay, ready?

29

00:01:12,680 --> 00:01:13,680

Go ahead, tell him I'm ready.

30

00:01:13,680 --> 00:01:15,680

Alright, he's gonna do it again going faster.

31

00:01:15,680 --> 00:01:17,680

Now let's see some speed.

32

00:01:17,680 --> 00:01:19,680

This thing was hauling ass.

33

00:01:19,680 --> 00:01:21,680

I can't see dude.

34

00:01:21,680 --> 00:01:23,680

Whenever I start running the club goes over me.

35

00:01:23,680 --> 00:01:25,680

I can't even see where the railings are.

36

00:01:25,680 --> 00:01:27,680

You're not supposed to see.

37

00:01:27,680 --> 00:01:30,680

Dude, there's no way somebody's running down that hallway.

38

00:01:30,680 --> 00:01:39,680

Yeah, it's similar but it's really not a match.

39

00:01:39,680 --> 00:01:44,680

And so I'm standing there and I'm looking at the car.

40

00:01:44,680 --> 00:01:51,680

And so I'm standing there and I'm looking at this ghost.

41

00:01:51,680 --> 00:01:57,680

It was three rings of mist, fog, steam, whatever you wanna call it.

42

00:01:57,680 --> 00:02:01,680

In the rough outline of a human being about five feet tall.

43

00:02:01,680 --> 00:02:02,680

And where do you saw that, right?

44

00:02:02,680 --> 00:02:03,680

Over there?

45

00:02:03,680 --> 00:02:05,680

Right over there by the little wall.

46

00:02:05,680 --> 00:02:11,680

So I started inching over against the wall looking at this thing.

47

00:02:11,680 --> 00:02:13,680

It was unreal.

48

00:02:13,680 --> 00:02:16,680

And I'm looking at it and I wanted to get closer to it.

49

00:02:16,680 --> 00:02:21,680

So I started walking real slow, real slow.

50

00:02:21,680 --> 00:02:27,680

And just about when I got here I was looking at him and it was funny.

51

00:02:27,680 --> 00:02:33,680

Like I took a step and right where his head was I saw like a shadow up here.

52

00:02:33,680 --> 00:02:35,680

Like a black shadow.

53

00:02:35,680 --> 00:02:40,680

And then when I took another step it was like a skull.

54

00:02:40,680 --> 00:02:44,680

But it looked like a negative, like an x-ray of a skull.

55

00:02:44,680 --> 00:02:54,680

And I stopped and I knew that somehow he was guarding that and that he was warning me I couldn't get closer.

56

00:02:54,680 --> 00:02:58,680

So I took one step back and it was like the reverse.

57

00:02:58,680 --> 00:03:02,680

His skull disappeared and all there was was like this black shape.

58

00:03:02,680 --> 00:03:09,680

And then when I took another second step back he went back and I knew I couldn't get any closer than this.

59

00:03:09,680 --> 00:03:14,680

So I'm standing there and I'm looking at this thing.

60

00:03:14,680 --> 00:03:19,680

And all the time it wasn't moving but yet it was changing.

61

00:03:19,680 --> 00:03:21,680

Has he been identified since then?

62

00:03:21,680 --> 00:03:23,680

Have you ever seen a picture of him saying hey that's the guy?

63

00:03:23,680 --> 00:03:25,680

Yeah, never seen anything like him.

64

00:03:25,680 --> 00:03:27,680

So I made up my mind.

65

00:03:27,680 --> 00:03:34,680

I said you know what I'm going to walk in that block, walk straight through as fast as I can and

get the hell out of here.

66

00:03:34,680 --> 00:03:36,680

Here I go, I go into the block.

67

00:03:36,680 --> 00:03:40,680

Up into this point what were your thoughts on the paranormal?

68

00:03:40,680 --> 00:03:42,680

Did you believe? Did you agree?

69

00:03:42,680 --> 00:03:45,680

I believe all things are possible.

70

00:03:45,680 --> 00:03:48,680

There's a lot in this universe we don't know about.

71

00:03:48,680 --> 00:03:50,680

But that's it, I never gave it a thought.

72

00:03:50,680 --> 00:03:52,680

Never gave it a thought.

73

00:03:52,680 --> 00:03:56,680

And then after I took about the second, you know another step or two,

74

00:03:56,680 --> 00:04:01,680

we finally dawned on a real, I guess, this was for real.

75

00:04:01,680 --> 00:04:06,680

I mean I knew it was but then I remember and now this is the strangest part.

76

00:04:06,680 --> 00:04:10,680

I remember saying to myself, God, I think we only exist.

77

00:04:10,680 --> 00:04:12,680

But a bunch of stinky noises.

78

00:04:12,680 --> 00:04:14,680

Check it out, here's Al Capone's cell.

79

00:04:14,680 --> 00:04:15,680

That's Al Capone's cell right over here.

80

00:04:15,680 --> 00:04:16,680

Is he still in there?

81

00:04:16,680 --> 00:04:17,680

I don't think he's in there now.

82

00:04:17,680 --> 00:04:19,680

Ow, it's time to get out.

83

00:04:19,680 --> 00:04:21,680

Wow.

84

00:04:21,680 --> 00:04:22,680

Yeah, that's, wait a minute.

85

00:04:22,680 --> 00:04:24,680

This is too nice for a cell.

86

00:04:24,680 --> 00:04:25,680

What's going on?

87

00:04:25,680 --> 00:04:26,680

His own radio.

88

00:04:26,680 --> 00:04:27,680

Yeah, his own radio.

89

00:04:27,680 --> 00:04:30,680

The story goes that he broke up a fight between some inmates here

90

00:04:30,680 --> 00:04:34,680

and an awarding gamer radio so he could listen to some operas and some Waltz's.

91

00:04:34,680 --> 00:04:35,680

Because he was helping the effort?

92

00:04:35,680 --> 00:04:37,680

He was helping the effort, yeah.

93

00:04:37,680 --> 00:04:40,680

Also we think that he donated some money to the Eastern state.

94

00:04:40,680 --> 00:04:43,680

I know he supplied uniforms for some of the sports teams when he was here.

95

00:04:43,680 --> 00:04:44,680

Some money for the uniforms.

96

00:04:44,680 --> 00:04:45,680

Was he a short man?

97

00:04:45,680 --> 00:04:46,680

They were all short.

98

00:04:46,680 --> 00:04:48,680

All the doors are short this way.

99

00:04:48,680 --> 00:04:50,680

So is this the only cell that Al Capone was in?

100

00:04:50,680 --> 00:04:51,680

That's for sure.

101

00:04:51,680 --> 00:04:54,680

Because we had heard stories that he used to yell at the ghosts.

102

00:04:54,680 --> 00:04:59,680

No, I haven't heard of those stories, but no, this is the only cell that he was in.

103

00:04:59,680 --> 00:05:00,680

This is death row.

104

00:05:00,680 --> 00:05:01,680

Why don't we go inside?

105

00:05:01,680 --> 00:05:04,680

This first floor is where most of the more violent inmates were held.

106

00:05:04,680 --> 00:05:10,680

These people were so violent in this particular cell, they had their own exercise yards down that way.

107

00:05:10,680 --> 00:05:13,680

They weren't even allowed to mingle with the other inmates.

108

00:05:13,680 --> 00:05:14,680

Almost Smith.

109

00:05:14,680 --> 00:05:15,680

Almost Maria with him.

110

00:05:15,680 --> 00:05:17,680

What was the stuff that he did?

111

00:05:17,680 --> 00:05:25,680

Well, he was convicted of murdering, raping and mutilating a young school girl in the 60s.

112

00:05:25,680 --> 00:05:27,680

That just makes my blood boil.

113

00:05:27,680 --> 00:05:34,680

He also has the distinction of being the last inmate executed by the electric chair in Pennsylvania back in 1965.

114

00:05:34,680 --> 00:05:37,680

This is the control panel that would open and close the doors.

115

00:05:37,680 --> 00:05:42,680

It's the only cell block at Eastern state that has electronically opening and closing doors.

116

00:05:42,680 --> 00:05:44,680

So the guy would just push a button and close the door.

117

00:05:44,680 --> 00:05:48,680

Well, he hopes you're in a place with people like this, you definitely want to be able to do that.

118

00:05:48,680 --> 00:05:49,680

You're not going to get too close.

119

00:05:49,680 --> 00:05:53,680

What's also interesting is if you look on the ceiling up here, you'll see a line.

120

00:05:53,680 --> 00:05:58,680

And if you look down the floor down there, you'll see some pegs along the floor.

121

00:05:58,680 --> 00:06:04,680

There was actually a line of bars separating the cells themselves and the guards.

122

00:06:04,680 --> 00:06:11,680

Even though the cells had bars on them, there was a line of bars separating the guards on this side and inmates on that side.

123

00:06:11,680 --> 00:06:13,680

I could never work that close to people like that.

124

00:06:13,680 --> 00:06:14,680

Oh man, that would drive me nuts.

125

00:06:14,680 --> 00:06:18,680

The warden, he would come in here and say, I'm walking on the inmate's side.

126

00:06:18,680 --> 00:06:23,680

Because that shows weakness if you're on this side and the inmates are on this side.

127

00:06:23,680 --> 00:06:26,680

It shows also that you're not intimidated by walking in there.

128

00:06:26,680 --> 00:06:27,680

Exactly.

129

00:06:27,680 --> 00:06:30,680

There's an interesting story that happened here in one of these cells here.

130

00:06:30,680 --> 00:06:33,680

One of the inmates needed dental work.

131

00:06:33,680 --> 00:06:38,680

Now, this inmate was so violent that they didn't want to bring him up and put him up in the dentist area.

132

00:06:38,680 --> 00:06:40,680

So they brought the dentist down here.

133

00:06:40,680 --> 00:06:41,680

It sucks to be the dentist.

134

00:06:41,680 --> 00:06:43,680

They didn't even put the dentist in the cell.

135

00:06:43,680 --> 00:06:44,680

They wouldn't let the dentist go in the cell.

136

00:06:44,680 --> 00:06:49,680

They brought the inmate and had to lead against the bars and the dentist worked on him between the bars.

137

00:06:49,680 --> 00:06:50,680

Oh my gosh.

138

00:06:50,680 --> 00:06:55,680

And not two feet away from that man being worked on was a guard with a rifle pointed right at his head.

139

00:06:55,680 --> 00:06:58,680

So in case the guy made the wrong move, he wouldn't need any more down work.

140

00:06:58,680 --> 00:06:59,680

That's it.

141

00:06:59,680 --> 00:07:00,680

That's it.

142

00:07:00,680 --> 00:07:01,680

They needed his dental work to wreck it.

143

00:07:01,680 --> 00:07:02,680

Right, they would.
