

1

00:00:00,000 --> 00:00:03,880

Do you guys know how old the house is?

2

00:00:03,880 --> 00:00:06,240

It's over a hundred years old, I know that one.

3

00:00:06,240 --> 00:00:07,640

This is actually a historical landmark.

4

00:00:07,640 --> 00:00:09,000

Yeah, I saw that on the door.

5

00:00:09,000 --> 00:00:10,000

Yeah.

6

00:00:10,000 --> 00:00:11,000

Have you researched the house at all?

7

00:00:11,000 --> 00:00:12,000

I have.

8

00:00:12,000 --> 00:00:18,360

Actually, from 33rd Street down to before 34th from Paladin, which we're on right now,

9

00:00:18,360 --> 00:00:23,120

down to Race Street, this used to be the grounds for a huge mansion.

10

00:00:23,120 --> 00:00:27,800

Back when the Powell family actually owned this whole area.

11

00:00:27,800 --> 00:00:32,080

Right on the other side of the street, one of the buildings for the university used to

12

00:00:32,080 --> 00:00:34,080

be a morgue.

13

00:00:34,080 --> 00:00:39,280

So this whole area has a lot of historic, you know, characteristics to it.

14

00:00:39,280 --> 00:00:40,920

Yeah, it's a pretty historical area.

15

00:00:40,920 --> 00:00:44,560

So I see the whole brownstone seems to be just full of college students, though, correct?

16

00:00:44,560 --> 00:00:45,560

Yeah, yeah, that's right.

17

00:00:45,560 --> 00:00:46,560

Yeah, that's right.

18

00:00:46,560 --> 00:00:49,040

So you want to show us the fourth floor?

19

00:00:49,040 --> 00:00:50,040

Sure.

20

00:00:50,040 --> 00:00:53,840

Well, the guys were over here when they, you know, the story about the guys that saw the

21

00:00:53,840 --> 00:00:54,840

face.

22

00:00:54,840 --> 00:00:55,840

Yeah.

23

00:00:55,840 --> 00:01:01,160

They were over here, and that's when they heard the tapping on the window.

24

00:01:01,160 --> 00:01:03,160

That window right there, yeah.

25

00:01:03,160 --> 00:01:06,640

And they looked and actually saw a woman in white out there?

26

00:01:06,640 --> 00:01:08,360

Yeah, that's what they said.

27

00:01:08,360 --> 00:01:12,240

They just saw her face and got spooked and walked away.

28

00:01:12,240 --> 00:01:15,200

We can certainly have someone travel quite a distance just on the rooftop.

29

00:01:15,200 --> 00:01:16,200

Yeah, well, yeah.

30

00:01:16,200 --> 00:01:19,200

Oh, yeah, you can get all the way up and down the road.

31

00:01:19,200 --> 00:01:22,160

Sure wasn't a squirrel in white?

32

00:01:22,160 --> 00:01:24,720

Well, when you hear someone say, help me, help me.

33

00:01:25,840 --> 00:01:26,840

There's nothing.

34

00:01:26,840 --> 00:01:27,840

I feel nothing cold.

35

00:01:27,840 --> 00:01:28,840

It's jumping like...

36

00:01:28,840 --> 00:01:31,840

She's hitting you, and it's only going to 48 degrees, 50 degrees.

37

00:01:31,840 --> 00:01:33,840

Is there any, anybody in this room right now?

38

00:01:33,840 --> 00:01:36,840

Please give us a sign of your presence now.

39

00:01:36,840 --> 00:01:41,840

Steve, this happened to me in a cemetery one day when it went down to negative six.

40

00:01:41,840 --> 00:01:43,840

This doesn't make sense because we can't hear it.

41

00:01:43,840 --> 00:01:44,840

Something here.

42

00:01:44,840 --> 00:01:45,840

There's no cold spot here.

43

00:01:45,840 --> 00:01:46,840

It's going down to 46 degrees.

44

00:01:46,840 --> 00:01:47,840

21.

45

00:01:47,840 --> 00:01:48,840

Hold on.

46

00:01:48,840 --> 00:01:49,840

You guys, I'm going to get Grant.

47

00:01:49,840 --> 00:01:50,840

Maybe he can help us to disturb this.

48

00:01:50,840 --> 00:01:51,840

I was just going to say, I'm going to get Grant.

49

00:01:51,840 --> 00:01:52,840

I'm going to get Grant.

50

00:01:52,840 --> 00:01:54,840

Maybe he can help us to disturb this.

51

00:01:54,840 --> 00:01:58,840

I was just walking on the hallway and Brian called me in and they were having some weird

52

00:01:58,840 --> 00:01:59,840

readings on the thermometer.

53

00:01:59,840 --> 00:02:04,840

The whole room, it has 75 degrees, 34 degrees, okay?

54

00:02:04,840 --> 00:02:08,840

It's one little area that we can't feel a cold spot for.

55

00:02:08,840 --> 00:02:10,840

It's 23 degrees.

56

00:02:10,840 --> 00:02:11,840

It's dropped down to...

57

00:02:11,840 --> 00:02:12,840

It's dropped down to negative one.

58

00:02:12,840 --> 00:02:15,840

Now, I mean, that would have just caused, like, frost on something.

59

00:02:15,840 --> 00:02:18,840

So, my first impulse was that something was wrong with the thermometer.

60

00:02:18,840 --> 00:02:21,840

Knowing Brian, he pretty much sees a weird reading and stops.

61

00:02:21,840 --> 00:02:23,840

He didn't continue to sweep.

62

00:02:23,840 --> 00:02:28,840

The thing that bothers me is that it's giving a cold reading and we're not physically picking

63

00:02:28,840 --> 00:02:29,840

up the cold.

64

00:02:29,840 --> 00:02:30,840

You know what I'm saying?

65

00:02:30,840 --> 00:02:31,840

There it is.

66

00:02:31,840 --> 00:02:32,840

Bingo.

67

00:02:32,840 --> 00:02:33,840

It's the freaking camera guys.

68

00:02:33,840 --> 00:02:34,840

There you go.

69

00:02:34,840 --> 00:02:37,840

I saw the DVR camera, put it right in front of it and, you know, sure enough, that thing

70

00:02:37,840 --> 00:02:38,840

screws up all of our equipment.

71

00:02:38,840 --> 00:02:39,840

What is it?

72

00:02:39,840 --> 00:02:40,840

What is it?

73

00:02:40,840 --> 00:02:41,840

Nice.

74

00:02:41,840 --> 00:02:42,840

It's a little old-fashioned.

75

00:02:42,840 --> 00:02:43,840

We know it was nothing paranormal.

76

00:02:43,840 --> 00:02:45,840

We're just trying to figure out what it was.

77

00:02:45,840 --> 00:02:46,840

Right.

78

00:02:46,840 --> 00:02:47,840

No, I know that.

79

00:02:47,840 --> 00:02:48,840

Beautiful.

80

00:02:48,840 --> 00:02:49,840

Negative 17.

81

00:02:49,840 --> 00:02:50,840

Cool.

82

00:02:50,840 --> 00:02:51,840

Great.

83

00:02:51,840 --> 00:02:52,840

Great.

84

00:02:52,840 --> 00:02:54,840

I'm glad that they called me rather than freaking out about it.

85

00:02:54,840 --> 00:02:55,840

And we got a soft.

86

00:02:55,840 --> 00:02:58,840

This is what I'm talking about.

87

00:02:58,840 --> 00:02:59,840

Nice.

88

00:02:59,840 --> 00:03:00,840

Perfect one for you.

89

00:03:00,840 --> 00:03:01,840

Is this custom?

90

00:03:01,840 --> 00:03:02,840

That's excellent.

91

00:03:02,840 --> 00:03:05,840

And Grant takes the white right, white right.

92

00:03:05,840 --> 00:03:06,840

He's out of control.

93

00:03:06,840 --> 00:03:07,840

Oh!

94

00:03:07,840 --> 00:03:14,840

This is what is our non-smoking dining room area where people sit.

95

00:03:14,840 --> 00:03:19,840

This is also the room that is a lot of activity with my little girl spirit that I have.

96

00:03:19,840 --> 00:03:24,840

There was a small girl and she had died in this room.

97

00:03:24,840 --> 00:03:27,840

So this is the room where she normally hangs out.

98

00:03:27,840 --> 00:03:32,840

I was told that in this past, not a winter ago, she hung in this corner.

99

00:03:32,840 --> 00:03:39,840

I had a Christmas tree that was set up in there and I particularly had all glass balls on the tree.

100

00:03:39,840 --> 00:03:43,840

One ball all winter long, just swayed back and forth.

101

00:03:43,840 --> 00:03:48,840

We've had things with this ceiling fan where in the middle of the winter, of course, you

102

00:03:48,840 --> 00:03:54,840

have your fan going, but the middle string was going around in circles.

103

00:03:54,840 --> 00:03:58,840

The outside string between the two gloves was swaying back and forth.

104

00:03:58,840 --> 00:04:04,840

And when I saw it, I brought my husband in and one of our other servers had seen the same thing.

105

00:04:04,840 --> 00:04:08,840

He lifted up his cane and he stopped the chains.

106

00:04:08,840 --> 00:04:12,840

He no sooner took the chains, his cane down and the same thing.

107

00:04:12,840 --> 00:04:16,840

One of the chains was going around a circle and the other one was clanging in between the things.

108

00:04:16,840 --> 00:04:18,840

So this is a very active room.

109

00:04:18,840 --> 00:04:25,840

Okay, and in here is our bar and this is also the original bar back from 1859, the original bar.

110

00:04:25,840 --> 00:04:30,840

And this is the room where the little girl, she will play down here in the corner of the bar.

111

00:04:30,840 --> 00:04:34,840

And I've had paranormal who has seen her.

112

00:04:34,840 --> 00:04:38,840

But when she wants to let us know that she's here because we may not be able to see her,

113

00:04:38,840 --> 00:04:41,840

she will send me messages on our computer.

114

00:04:41,840 --> 00:04:48,840

When she, in our computer, there is no button for a child's drink because their drink is included in on their meal.

115

00:04:48,840 --> 00:04:53,840

So when she's around and she wants attention, she will turn around and send a message and it will say,

116

00:04:53,840 --> 00:04:55,840

Child Coke.

117

00:04:55,840 --> 00:04:59,840

Lately she's been sending us a message saying, Child Shirley Temple.

118

00:04:59,840 --> 00:05:05,840

And all my servers don't send those through and the bartender knows that if they see a tag that has three asterisks

119

00:05:05,840 --> 00:05:09,840

and then it says Child Coke or Milk or Sprite,

120

00:05:09,840 --> 00:05:12,840

they know not to make it because they know it's our little girl.

121

00:05:12,840 --> 00:05:17,840

She's hanging around and she just wants to let us know that she's here.

122

00:05:17,840 --> 00:05:19,840

This is a great old kitchen.

123

00:05:19,840 --> 00:05:21,840

Well, my name is Amy.

124

00:05:21,840 --> 00:05:22,840

I'm Karen Miller, the head chef.

125

00:05:22,840 --> 00:05:23,840

Nice to meet you.

126

00:05:23,840 --> 00:05:25,840

We're two for about seven and a half years.

127

00:05:25,840 --> 00:05:26,840

Great, great.

128

00:05:26,840 --> 00:05:28,840

And you've had some experiences here in the kitchen.

129

00:05:28,840 --> 00:05:30,840

Yes, we have.

130

00:05:30,840 --> 00:05:34,840

Many years ago, actually, it was my first experience in the kitchen.

131

00:05:34,840 --> 00:05:36,840

We could be small-sea flake cups right here.

132

00:05:36,840 --> 00:05:38,840

And I was back here completely alone.

133

00:05:38,840 --> 00:05:41,840

There was no one in the restaurant and the whole pile just flew.

134

00:05:41,840 --> 00:05:43,840

Doors were not open.

135

00:05:43,840 --> 00:05:46,840

And a few moments later, the next stack fell off the line.

136

00:05:46,840 --> 00:05:47,840

These are heavy.

137

00:05:47,840 --> 00:05:48,840

Yes, they are very heavy.

138

00:05:48,840 --> 00:05:50,840

I mean, it's not like a breeze is just going to blow this around.

139

00:05:50,840 --> 00:05:51,840

Correct.

140

00:05:51,840 --> 00:05:52,840

And this hit what?

141

00:05:52,840 --> 00:05:54,840

That hit the floor as well.

142

00:05:54,840 --> 00:05:55,840

Okay.

143

00:05:55,840 --> 00:05:56,840

Hit the floor as well.

144

00:05:56,840 --> 00:05:57,840

All right, so you got stuff flying all over your kitchen.

145

00:05:57,840 --> 00:05:58,840

Yes, we do.

146

00:05:58,840 --> 00:06:04,840

The other thing that we have had that was probably the most memorable to myself was I was leaving the kitchen one evening

147

00:06:04,840 --> 00:06:08,840

and there was absolutely no one back here and I was leaving out the back door

148

00:06:08,840 --> 00:06:10,840

and the microwave turned on by itself.

149

00:06:10,840 --> 00:06:12,840

And so I stopped what I was doing.

150

00:06:12,840 --> 00:06:15,840

I went back thinking maybe I tapped it on the way out, you know, maybe hit the button.

151

00:06:15,840 --> 00:06:18,840

And I went back and it started again after I had shut it off.

152

00:06:18,840 --> 00:06:20,840

This is our microwave right here.

153

00:06:20,840 --> 00:06:23,840

Okay, so you actually, it's not something that it's just going to...

154

00:06:23,840 --> 00:06:26,840

Right, you actually have to press the buttons to get it to start.
