

1

00:00:00,000 --> 00:00:08,040

When we were little girls, our bed used to come off this wall and about to right here.

2

00:00:08,040 --> 00:00:13,760

So we'd wake up and see this little girl standing there wanting to play.

3

00:00:13,760 --> 00:00:15,640

We used to wake up screaming.

4

00:00:15,640 --> 00:00:19,640

Other than just seeing something you're not expecting, what other feelings did you feel?

5

00:00:19,640 --> 00:00:20,640

Terrified.

6

00:00:20,640 --> 00:00:21,640

Terrified.

7

00:00:21,640 --> 00:00:24,800

But did you feel like threatened at all?

8

00:00:24,800 --> 00:00:25,800

Not threatened.

9

00:00:25,800 --> 00:00:26,800

Just terrified.

10

00:00:26,800 --> 00:00:27,800

Terrified.

11

00:00:27,800 --> 00:00:28,800

Yeah, it's good.

12

00:00:28,800 --> 00:00:33,560

I had no idea what you'd paint from middle of the night and it's like, who are you?

13

00:00:33,560 --> 00:00:36,160

And you'd wake up screaming and we would get pushed out of bed.

14

00:00:36,160 --> 00:00:40,200

You could actually like feel the hand slide you across the sheets and just boom on the

15

00:00:40,200 --> 00:00:41,200

floor.

16

00:00:41,200 --> 00:00:45,720

This room, I would say, would be the scariest room for any child to ever sleep in.

17

00:00:45,720 --> 00:00:49,880

Any child that has ever slept in this room for any period of time has experienced something

18

00:00:49,880 --> 00:00:55,200

that will scare them the rest of their lives.

19

00:00:55,200 --> 00:01:00,720

When we had first came in here, it was like the second I were here, we were sleeping in

20

00:01:00,720 --> 00:01:01,720

bed.

21

00:01:01,720 --> 00:01:05,120

I was facing this wall basically when she was facing me.

22

00:01:05,120 --> 00:01:07,640

I heard something.

23

00:01:07,640 --> 00:01:12,000

I didn't want to look away.

24

00:01:12,000 --> 00:01:14,400

So I was still looking directly at her.

25

00:01:14,400 --> 00:01:19,120

And it was like a dark figure, like a black shadow.

26

00:01:19,120 --> 00:01:24,920

Like, I mean, an average adult size walking in the room.

27

00:01:25,880 --> 00:01:28,240

I just, right away, I knew it wasn't the kids.

28

00:01:28,240 --> 00:01:31,760

I looked at her and I said, somebody just came into the room.

29

00:01:31,760 --> 00:01:36,000

Next day, in the morning, she's like, you were messing with me last night.

30

00:01:36,000 --> 00:01:38,560

I'm like, no, I wasn't.

31

00:01:38,560 --> 00:01:39,560

Somebody came into the room.

32

00:01:39,560 --> 00:01:42,440

As far as I saw him, it was like right over by the door.

33

00:01:42,440 --> 00:01:43,960

And that was the end of it.

34

00:01:43,960 --> 00:01:46,200

How long would you say that this lasted for?

35

00:01:46,200 --> 00:01:47,560

I'd say about five seconds.

36

00:01:55,920 --> 00:01:57,720

What are we looking for first?

37

00:01:57,720 --> 00:01:58,720

Think obvious.

38

00:01:58,720 --> 00:02:04,040

What do you see right off the bat here that doesn't quite make a lot of sense?

39

00:02:04,040 --> 00:02:07,320

There's no real normal handle to get into the thing.

40

00:02:07,320 --> 00:02:08,320

Okay, good.

41

00:02:08,320 --> 00:02:14,920

I believe that what's happened with the activity here is we've actually had this kind of jiggle.

42

00:02:14,920 --> 00:02:15,920

Kind of rattle on the mat.

43

00:02:15,920 --> 00:02:16,920

Okay, all right.

44

00:02:16,920 --> 00:02:18,920

I can turn that with my hand.

45

00:02:18,920 --> 00:02:23,200

So we know that this isn't a tight latch.

46

00:02:23,200 --> 00:02:29,120

Could we count this as a good form of scientific evidence?

47

00:02:29,120 --> 00:02:30,120

I'd have to say no.

48

00:02:30,120 --> 00:02:31,120

Absolutely not.

49

00:02:31,120 --> 00:02:38,720

There's just too much going on in this door where it could affect the outbreak.

50

00:02:42,320 --> 00:02:43,800

This is my parents' bedroom.

51

00:02:43,800 --> 00:02:44,800

Okay.

52

00:02:44,800 --> 00:02:46,960

A few things have happened in here.

53

00:02:46,960 --> 00:02:53,840

I saw an apparition of a baby lying right here in my parents' bed of a baby in fetal

54

00:02:53,840 --> 00:02:54,840

position.

55

00:02:54,840 --> 00:02:57,440

He was fully clothed, like an old-fashioned attire.

56

00:02:57,440 --> 00:03:00,880

And then I went downstairs and got my mother, and it wasn't here anymore, but there was

57

00:03:00,880 --> 00:03:06,480

an indentation that she saw of like a small child.

58

00:03:06,480 --> 00:03:11,800

Along with that, my parents have also seen a black shadowy figure sitting on the edge

59

00:03:11,800 --> 00:03:12,800

of the bed.

60

00:03:12,800 --> 00:03:17,680

Someone sat down, and then they felt someone get up and it just disappeared.

61

00:03:17,680 --> 00:03:22,960

And there also was a time where there was my father and my mother actually saw water

62

00:03:22,960 --> 00:03:23,960

pouring down the wall.

63

00:03:23,960 --> 00:03:26,720

It was during a rainstorm.

64

00:03:26,720 --> 00:03:30,480

But then we went upstairs in the attic to go put pants and stuff up.

65

00:03:30,480 --> 00:03:31,480

There was no water whatsoever.

66

00:03:31,480 --> 00:03:33,480

It was dry, bone dry, nothing.

67

00:03:33,480 --> 00:03:38,400

It was like someone was trying to tell him to put pants upstairs or he'd have a massive

68

00:03:38,400 --> 00:03:39,400

leak.

69

00:03:39,400 --> 00:03:40,400

Interesting.

70

00:03:40,400 --> 00:03:41,400

Very interesting.

71

00:03:41,400 --> 00:03:47,760

And there also was a few times that to go back to my room that I heard someone, I woke

72

00:03:47,760 --> 00:03:51,800

up to get a drink of water, and I heard someone walk in the hallway, and I heard someone sit

73

00:03:51,800 --> 00:03:54,400

in my bed in the middle of the night and just roll over.

74

00:03:54,400 --> 00:03:58,760

My bed has a distinct creak when you sit on it, a move, and that happened also.

75

00:03:58,760 --> 00:04:02,920

We hear a lot of footsteps up here and in the downstairs hallway.

76

00:04:02,920 --> 00:04:09,200

Brian, what's up with this?

77

00:04:09,200 --> 00:04:10,200

Broken.

78

00:04:10,200 --> 00:04:11,200

What happened?

79

00:04:11,200 --> 00:04:15,600

I went to go take it out of the thing today and it just, doof, let go.

80

00:04:15,600 --> 00:04:19,040

That happened most before Jay-Hawes fixed it.

81

00:04:19,040 --> 00:04:23,360

The only thing I did with this was this piece right here, when it was on the camera it would

82

00:04:23,360 --> 00:04:26,440

just fall over and it would fall over.

83

00:04:26,440 --> 00:04:29,000

This is two pieces of plastic broken.

84

00:04:29,000 --> 00:04:30,240

Was it like this before when you fixed it?

85

00:04:30,240 --> 00:04:32,040

I'm just saying, not the cheapest in tennis.

86

00:04:32,040 --> 00:04:33,040

Oh, I know.

87

00:04:33,040 --> 00:04:38,840

Again, it's not me who's in charge of the equipment and getting put in the way and stuff like this.

88

00:04:38,840 --> 00:04:41,560

But every time it's put away and every time it comes out, it's sticking that little, we

89

00:04:41,560 --> 00:04:42,760

took just one little slip of farm.

90

00:04:42,760 --> 00:04:46,480

I'm not blaming you for breaking the antenna, but I'm not taking the blame because I had

91

00:04:46,480 --> 00:04:47,480

nothing to do with it.

92

00:04:47,480 --> 00:04:48,480

No, I'm not saying we take the blame, Jason.

93

00:04:48,480 --> 00:04:53,400

I just think, he remembers it being broken last year and that's what I think it was.

94

00:04:53,400 --> 00:04:54,400

It wasn't broken.

95

00:04:54,400 --> 00:04:55,400

It's just delicate, guys.

96

00:04:55,400 --> 00:05:00,480

I'm always delicate when I think of it, you know that.

97

00:05:00,480 --> 00:05:04,200

I see Jason's point of view too, where every little thing kind of adds up.

98

00:05:04,200 --> 00:05:06,400

It's probably a little harsh, just in the antenna.

99

00:05:06,480 --> 00:05:08,280

I think they're only like \$7.

100

00:05:08,280 --> 00:05:12,200

Yeah, you can't get too mad about an antenna.

101

00:05:12,200 --> 00:05:15,480

I'm just wanting to take an opportunity to remind them that this stuff is delicate.

102

00:05:15,480 --> 00:05:16,960

You've got to be careful with it.
