

1

00:00:00,000 --> 00:00:03,500

What about Dave coming up, right?

2

00:00:03,500 --> 00:00:04,760

That's his name, Jersey, right?

3

00:00:04,760 --> 00:00:06,160

Dave, yeah, that'll be good.

4

00:00:06,160 --> 00:00:07,600

Reminds me of Brian a little bit.

5

00:00:07,600 --> 00:00:09,360

Very excitable, he's very like,

6

00:00:09,360 --> 00:00:10,840

kid-like on Christmas about everything, you know?

7

00:00:10,840 --> 00:00:11,680

Right.

8

00:00:11,680 --> 00:00:12,840

Which one's the Minder shape?

9

00:00:12,840 --> 00:00:14,520

Bust his chops a little bit.

10

00:00:14,520 --> 00:00:15,360

Yep.

11

00:00:15,360 --> 00:00:16,520

Should I go marshmallow?

12

00:00:16,520 --> 00:00:17,360

No, man.

13

00:00:17,360 --> 00:00:18,200

Nope.

14

00:00:18,200 --> 00:00:20,360

You know what's vaguely and strangely erotic?

15

00:00:20,360 --> 00:00:22,640

Feeding a woman a marshmallow.

16

00:00:22,640 --> 00:00:23,480

Really?

17

00:00:23,480 --> 00:00:26,360

I can't possibly explain it, but you should do it.

18

00:00:26,360 --> 00:00:27,200

You may well.

19

00:00:28,080 --> 00:00:30,080

I'm just looking forward to getting over to this house

20

00:00:30,080 --> 00:00:32,480

in New Hampshire and really trying to help out these people.

21

00:00:32,480 --> 00:00:35,880

You know, it must be pretty bad if a 14-year-old boy won't

22

00:00:35,880 --> 00:00:37,280

even sleep in his own bed.

23

00:00:37,280 --> 00:00:39,000

We will have to see what the situation's like

24

00:00:39,000 --> 00:00:40,400

if it's a matter of having to educate

25

00:00:40,400 --> 00:00:42,080

or if we really got to deal with something.

26

00:00:42,080 --> 00:00:44,440

Oh, we won't know until we get there, so let's get up there.

27

00:00:44,440 --> 00:00:46,000

This case is from Mike Dion.

28

00:00:46,000 --> 00:00:47,840

Mike Dion's part of the TAPS family.

29

00:00:47,840 --> 00:00:49,680

He investigated this case a long time ago.

30

00:00:49,680 --> 00:00:51,280

He's been in the hospital for a long time.

31

00:00:51,280 --> 00:00:53,000

He's been in the hospital for a long time.

32

00:00:53,000 --> 00:00:54,680

He's been in the hospital for a long time.

33

00:00:54,680 --> 00:00:56,600

He's been in the hospital for a long time.

34

00:00:56,600 --> 00:00:58,080

He was in the hospital for a long time ago,

35

00:00:58,080 --> 00:00:59,680

and he's going to hang with us tonight.

36

00:00:59,680 --> 00:01:03,080

And I think his knowledge is going to be a big help.

37

00:01:03,080 --> 00:01:04,840

Once you just get the equipment ready,

38

00:01:04,840 --> 00:01:06,640

start getting the van set up.

39

00:01:06,640 --> 00:01:08,680

We're going to run out of the van tonight.

40

00:01:08,680 --> 00:01:09,500

All right.

41

00:01:21,000 --> 00:01:22,840

Why aren't you here?

42

00:01:22,840 --> 00:01:26,360

You left the children, didn't you?

43

00:01:26,360 --> 00:01:31,080

I've been in this room for about 45 minutes or so doing some EVP work.

44

00:01:31,080 --> 00:01:35,640

We didn't get any EMF or thermal scanning fluctuations.

45

00:01:35,640 --> 00:01:41,400

So we just turned our equipment off and sat around for a while, trying to pick up something

46

00:01:41,400 --> 00:01:47,440

on the human side of it, maybe a cool breeze or a physical touch, maybe a disembodied voice

47

00:01:47,440 --> 00:01:48,440

or something.

48

00:01:48,440 --> 00:01:49,440

We didn't get anything.

49

00:01:49,440 --> 00:01:50,440

What's going on?

50

00:01:50,440 --> 00:01:57,440

Paul, let me show you guys this.

51

00:01:57,440 --> 00:02:00,440

What the hell?

52

00:02:00,440 --> 00:02:04,440

What do you wear in that?

53

00:02:04,440 --> 00:02:05,440

What is it?

54

00:02:05,440 --> 00:02:06,440

I don't even wear it.

55

00:02:06,440 --> 00:02:07,440

Who made you wear it?

56

00:02:07,440 --> 00:02:08,440

Steve?

57

00:02:08,440 --> 00:02:09,440

Yeah.

58

00:02:09,440 --> 00:02:10,440

What is it?

59

00:02:10,440 --> 00:02:11,440

What is it?

60

00:02:11,440 --> 00:02:12,440

What is it?

61

00:02:12,440 --> 00:02:13,440

What is it?

62

00:02:13,440 --> 00:02:14,440

What do you mean?

63

00:02:14,440 --> 00:02:15,440

You can't look at it?

64

00:02:15,440 --> 00:02:16,440

Dude, you're a princess.

65

00:02:16,440 --> 00:02:17,440

Take it.

66

00:02:17,440 --> 00:02:18,440

It's a crown.

67

00:02:18,440 --> 00:02:19,440

It's a freaking tiara.

68

00:02:19,440 --> 00:02:22,440

Everyone kept a real straight face.

69

00:02:22,440 --> 00:02:23,440

I had no idea.

70

00:02:23,440 --> 00:02:24,440

You guys are good.

71

00:02:24,440 --> 00:02:25,440

Oh my god.

72

00:02:25,440 --> 00:02:26,440

You know those light things.

73

00:02:26,440 --> 00:02:27,440

Those little pipes, too.

74

00:02:27,440 --> 00:02:28,440

Jeez.

75

00:02:28,440 --> 00:02:29,440

Put this in the kids room.

76

00:02:29,440 --> 00:02:30,440

I'm going to go talk to Steve.

77

00:02:30,440 --> 00:02:31,440

All right.

78

00:02:31,440 --> 00:02:32,440

What the hell are you thinking?

79

00:02:32,440 --> 00:02:33,440

I'm just having a little fun.

80

00:02:33,440 --> 00:02:34,440

It's freaking hilarious.

81

00:02:34,440 --> 00:02:35,440

I'll give you that one.

82

00:02:35,440 --> 00:02:36,440

Is it professional?

83

00:02:36,440 --> 00:02:37,440

No.

84

00:02:37,440 --> 00:02:38,440

All right.

85

00:02:38,440 --> 00:02:39,440

I'm sorry.

86

00:02:39,440 --> 00:02:44,440

It's even more hilarious than I thought it was a light.

87

00:02:44,440 --> 00:02:47,440

I'm like, dude, you're good.

88

00:02:47,440 --> 00:02:50,440

You couldn't feel the difference.

89

00:02:50,440 --> 00:02:53,440

I'd pull it off and show it when you're like that.

90

00:03:17,440 --> 00:03:20,440

I mean, you can see it there.

91

00:03:20,440 --> 00:03:21,440

So obviously, it went.

92

00:03:21,440 --> 00:03:23,440

It was over here when it fell.

93

00:03:23,440 --> 00:03:25,440

You're freaking me out.

94

00:03:25,440 --> 00:03:27,440

I'm going to go in there.

95

00:03:27,440 --> 00:03:28,440

Dude, you going there?

96

00:03:28,440 --> 00:03:29,440

Oh, god.

97

00:03:29,440 --> 00:03:31,440

Let's fire me off to picture.

98

00:03:31,440 --> 00:03:32,440

I couldn't.

99

00:03:32,440 --> 00:03:33,440

It's not heavy, man.

100

00:03:33,440 --> 00:03:35,440

What do you mean it went like what?

101

00:03:35,440 --> 00:03:37,440

Right behind your leg?

102

00:03:37,440 --> 00:03:38,440

Well, I heard Steve come in it.

103

00:03:38,440 --> 00:03:40,440

I just came over here.

104

00:03:40,440 --> 00:03:44,440

I was about here and it came and caught my ankle.

105

00:03:44,440 --> 00:03:45,440

Mike, I screwed up.

106

00:03:45,440 --> 00:03:48,440

You got a camera set, or I didn't have my animal.

107

00:03:48,440 --> 00:03:49,440

No.

108

00:03:49,440 --> 00:03:50,440

So the snare moved up.

109

00:03:50,440 --> 00:03:51,440

You didn't catch it?

110

00:03:51,440 --> 00:03:52,440

Yeah.

111

00:03:52,440 --> 00:03:54,440

It was going to be a heart attack.

112

00:03:54,440 --> 00:03:55,440

Look, I'll recreate it.

113

00:03:55,440 --> 00:03:56,440

This is what I did.

114

00:03:56,440 --> 00:03:58,440

I was just sitting like this.

115

00:03:58,440 --> 00:03:59,440

I heard Steve.

116

00:03:59,440 --> 00:04:00,440

I got up.

117

00:04:00,440 --> 00:04:01,440

I mean, I was here.

118

00:04:01,440 --> 00:04:04,440

It was actually like this and it hit the back of my ankle.

119

00:04:04,440 --> 00:04:06,440

I don't know if it slid.

120

00:04:06,440 --> 00:04:08,440

Kind of like get out and stay out.

121

00:04:08,440 --> 00:04:11,440

I didn't notice the temperature change.

122

00:04:11,440 --> 00:04:12,440

No odd feeling, nothing.

123

00:04:12,440 --> 00:04:13,440

You know what?

124

00:04:13,440 --> 00:04:14,440

Why don't we clear this room?

125

00:04:14,440 --> 00:04:16,440

I'll do some ABP and EF work.

126

00:04:16,440 --> 00:04:17,440

Do your work, Steve.

127

00:04:17,440 --> 00:04:18,440

And then we'll...

128

00:04:18,440 --> 00:04:19,440

Okay, from there.

129

00:04:19,440 --> 00:04:31,440

So, do you learn anything in particular?

130

00:04:31,440 --> 00:04:32,440

Yes.

131

00:04:32,440 --> 00:04:37,440

Steve showed me how to use the data with the finding.

132

00:04:37,440 --> 00:04:38,440

Don't again.

133

00:04:38,440 --> 00:04:39,440

I'm missing things.

134

00:04:39,440 --> 00:04:40,440

Good.

135

00:04:40,440 --> 00:04:41,440

Good.

136

00:04:41,440 --> 00:04:42,440

Dave, I should start.

137

00:04:42,440 --> 00:04:43,440

Okay.

138

00:04:43,440 --> 00:04:48,440

Steve showed me how to pinpoint where exactly the...

139

00:04:48,440 --> 00:04:49,440

Relax.

140

00:04:49,440 --> 00:04:50,440

Relax.

141

00:04:50,440 --> 00:04:51,440

I'm not laughing.

142

00:04:51,440 --> 00:04:52,440

I think it's cool.

143

00:04:52,440 --> 00:04:53,440

I'm sorry.

144

00:04:53,440 --> 00:04:54,440

Just relax.

145

00:04:54,440 --> 00:04:55,440

Just relax.

146

00:04:55,440 --> 00:04:56,440

Just relax.

147

00:04:56,440 --> 00:05:00,440

Just think of how to say it nice and easy where the audience is going to understand

148

00:05:00,440 --> 00:05:01,440

it.

149

00:05:01,440 --> 00:05:03,440

Because right now I don't know what the f*** you've been saying.

150

00:05:03,440 --> 00:05:04,440

Really?

151

00:05:04,440 --> 00:05:05,440

Are you serious?

152

00:05:05,440 --> 00:05:09,440

You said it to me three times and I'm still trying to figure it out.

153

00:05:09,440 --> 00:05:12,440

Pretty much when you get distracted, pause it.

154

00:05:12,440 --> 00:05:13,440

You don't lose any second.

155

00:05:13,440 --> 00:05:14,440

I stopped losing.

156

00:05:14,440 --> 00:05:15,440

You know.

157

00:05:15,440 --> 00:05:16,440

I'm sorry, man.

158

00:05:16,440 --> 00:05:17,440

All right.

159

00:05:17,440 --> 00:05:19,440

Steve showed me how to...

160

00:05:19,440 --> 00:05:20,440

Review?

161

00:05:20,440 --> 00:05:25,440

Steve showed me how to review, you know, the EVPs.

162

00:05:25,440 --> 00:05:26,440

You know what Steve said?

163

00:05:26,440 --> 00:05:27,440

I got it.

164

00:05:27,440 --> 00:05:28,440

I got it.

165

00:05:28,440 --> 00:05:29,440

All right, Dave.

166

00:05:29,440 --> 00:05:30,440

I'm just making him more.

167

00:05:30,440 --> 00:05:31,440

It's tabus cheek, Dave.

168

00:05:31,440 --> 00:05:32,440

All right.

169

00:05:32,440 --> 00:05:33,440

All right.

170

00:05:33,440 --> 00:05:34,440

All right.

171

00:05:34,440 --> 00:05:35,440

All right.

172

00:05:35,440 --> 00:05:36,440

All right.

173

00:05:36,440 --> 00:05:37,440

All right.

174

00:05:37,440 --> 00:05:38,440

All right.

175

00:05:38,440 --> 00:05:39,440

What's up, Jim?

176

00:05:39,440 --> 00:05:40,440

Hey, guys.

177

00:05:40,440 --> 00:05:45,440

It's one of them want to go down to the office to take a look some evidence.

178

00:05:45,440 --> 00:05:46,440

Absolutely.

179

00:05:46,440 --> 00:05:47,440

Welcome to the office, guys.

180

00:05:47,440 --> 00:05:48,440

Sweet.

181

00:05:48,440 --> 00:05:49,440

Wow.

182

00:05:49,440 --> 00:05:50,440

Look at you.

183

00:05:50,440 --> 00:05:56,440

This is 12 minutes of an orb interacting with one of our guys.

184

00:05:56,440 --> 00:06:00,440

It's going to float over.

185

00:06:00,440 --> 00:06:04,440

What the hell?

186

00:06:04,440 --> 00:06:05,440

Okay.

187

00:06:05,440 --> 00:06:06,440

Can we go back?

188

00:06:06,440 --> 00:06:07,440

Yeah.

189

00:06:07,440 --> 00:06:08,440

Just there.

190

00:06:08,440 --> 00:06:09,440

Right there.

191

00:06:09,440 --> 00:06:10,440

Do you see that?

192

00:06:10,440 --> 00:06:11,440

It's like a thread or something.

193

00:06:11,440 --> 00:06:12,440

Come here, Jim.

194

00:06:12,440 --> 00:06:13,440

Check this out.

195

00:06:13,440 --> 00:06:14,440

Okay.

196

00:06:14,440 --> 00:06:15,440

Yeah, I did just see something.

197

00:06:15,440 --> 00:06:16,440

Now, you see that little strip?

198

00:06:16,440 --> 00:06:17,440

Yeah.

199

00:06:17,440 --> 00:06:18,440

It almost looks like a web.

200

00:06:18,440 --> 00:06:19,440

See, it could have been a piece of his hair, though.

201

00:06:19,440 --> 00:06:20,440

Right.

202

00:06:20,440 --> 00:06:21,440

That's hard.

203

00:06:21,440 --> 00:06:22,440

That's hard.

204

00:06:22,440 --> 00:06:23,440

You got to analyze it.

205

00:06:23,440 --> 00:06:24,440

That's hard.

206

00:06:24,440 --> 00:06:25,440

But based on behavior and how it slowly climbs up, you know, there's a good chance it could

207

00:06:25,440 --> 00:06:26,440

be a very small spider.

208

00:06:26,440 --> 00:06:27,440

I'm going to go down.

209

00:06:27,440 --> 00:06:28,440

I'm going to go down.

210

00:06:28,440 --> 00:06:29,440

I'm going to go down.

211

00:06:29,440 --> 00:06:30,440

I'm going to go down.

212

00:06:30,440 --> 00:06:31,440

I'm going to go down.

213

00:06:31,440 --> 00:06:32,440

I'm going to go down.

214

00:06:32,440 --> 00:06:33,440

I'm going to go down.

215

00:06:33,440 --> 00:06:34,440

I'm going to go down.

216

00:06:34,440 --> 00:06:35,440

I'm going to go down.

217

00:06:35,440 --> 00:06:36,440

I'm going to go down.

218

00:06:36,440 --> 00:06:37,440

I'm going to go down.

219

00:06:37,440 --> 00:06:38,440

I'm going to go down.

220

00:06:38,440 --> 00:06:39,440

I'm going to go down.

221

00:06:39,440 --> 00:06:40,440

I'm going to go down.

222

00:06:40,440 --> 00:06:41,440

I'm going to go down.

223

00:06:41,440 --> 00:06:42,440

I'm going to go down.

224

00:06:42,440 --> 00:06:43,440

I'm going to go down.

225

00:06:43,440 --> 00:06:44,440

I'm going to go down.

226

00:06:44,440 --> 00:06:45,440

I'm going to go down.

227

00:06:45,440 --> 00:06:46,440

I'm going to go down.

228

00:06:46,440 --> 00:06:47,440

I'm going to go down.

229

00:06:47,440 --> 00:06:48,440

I'm going to go down.

230

00:06:48,440 --> 00:06:49,440

I'm going to go down.

231

00:06:49,440 --> 00:06:50,440

I'm going to go down.

232

00:06:50,440 --> 00:06:51,440

I'm going to go down.

233

00:06:51,440 --> 00:06:52,440

I'm going to go down.

234

00:06:52,440 --> 00:06:53,440

I'm going to go down.

235

00:06:53,440 --> 00:06:54,440

I'm going to go down.

236

00:06:54,440 --> 00:06:55,440

I'm going to go down.
