

1

00:00:00,000 --> 00:00:04,520

Look at this f**king train.

2

00:00:04,520 --> 00:00:06,000

Another big kind of train that is.

3

00:00:06,000 --> 00:00:08,600

And those tanks are holding.

4

00:00:08,600 --> 00:00:09,600

Fuel.

5

00:00:09,600 --> 00:00:10,600

Yep.

6

00:00:10,600 --> 00:00:12,600

You got it there, f**king head.

7

00:00:12,600 --> 00:00:14,600

And the fuel oil.

8

00:00:14,600 --> 00:00:15,600

Yep.

9

00:00:15,600 --> 00:00:17,600

That's right, oil is fuel, man.

10

00:00:17,600 --> 00:00:19,600

It's a fossil fuel.

11

00:00:19,600 --> 00:00:20,600

Yes, it is.

12

00:00:20,600 --> 00:00:21,600

Oil is a fuel.

13

00:00:21,600 --> 00:00:25,640

Oil is turned into fuel, but oil itself is not a fuel.

14

00:00:25,640 --> 00:00:27,440

You can't put oil in something and fuel it.

15

00:00:27,440 --> 00:00:28,440

Yes, you can.

16

00:00:28,440 --> 00:00:30,440

Oil tanks are f**king...

17

00:00:30,440 --> 00:00:34,440

F**king oil running through the heat.

18

00:00:34,440 --> 00:00:36,440

And what does the oil do?

19

00:00:36,440 --> 00:00:38,440

The oil burns into a fuel.

20

00:00:38,440 --> 00:00:41,440

Yeah, but still, you still put the oil in the tanks for it to burn.

21

00:00:41,440 --> 00:00:43,440

So it's still a fuel.

22

00:00:43,440 --> 00:00:47,440

Hey guys, is oil a fuel or is oil turned into fuel?

23

00:00:47,440 --> 00:00:49,440

Oil is turned into fuel.

24

00:00:49,440 --> 00:00:51,440

Crude oil is turned into fuel.

25

00:00:51,440 --> 00:00:53,440

Crude oil is turned into fuel.

26

00:00:53,440 --> 00:00:54,440

See?

27

00:00:54,440 --> 00:00:56,440

Are they having like a debate about this?

28

00:00:56,440 --> 00:00:58,440

Oh, Brian probably said something stupid.

29

00:00:58,440 --> 00:01:01,440

It might not be crude oil, but it might be cut with something.

30

00:01:01,440 --> 00:01:02,440

I don't know what's in the tank.

31

00:01:02,440 --> 00:01:05,440

Brian always says that, I know for a fact.

32

00:01:05,440 --> 00:01:06,440

Dot, dot, dot.

33

00:01:06,440 --> 00:01:08,440

And then it's never true.

34

00:01:08,440 --> 00:01:11,440

It's never true, like there's no truth to whatsoever.

35

00:01:15,440 --> 00:01:17,440

So this is where they were placing the recording equipment.

36

00:01:17,440 --> 00:01:19,440

He's got his microphone on the stairs over here.

37

00:01:19,440 --> 00:01:21,440

My brother was complaining.

38

00:01:21,440 --> 00:01:24,440

There was a lot of noise coming from the stairway.

39

00:01:24,440 --> 00:01:26,440

And one night I heard the noises.

40

00:01:26,440 --> 00:01:29,440

They were hearing so much activity coming from this area

41

00:01:29,440 --> 00:01:32,440

that they actually covered the railings and the stairs with paper.

42

00:01:32,440 --> 00:01:37,440

We bought a cassette recorder, and the very first time we tried it,

43

00:01:37,440 --> 00:01:39,440

we picked up a voice.

44

00:01:39,440 --> 00:01:44,440

One of the recordings that they picked up sounded like someone was messing with the paper,

45

00:01:44,440 --> 00:01:45,440

walking all over it.

46

00:01:45,440 --> 00:01:46,440

I was loud.

47

00:01:46,440 --> 00:01:48,440

It just kind of blew me away.

48

00:01:48,440 --> 00:01:49,440

There was so much noise on it.

49

00:01:49,440 --> 00:01:52,440

When they came to check the paper, there was nothing there.

50

00:01:52,440 --> 00:01:56,440

There was nothing to indicate any disruption to the paper that they placed it.

51

00:02:04,440 --> 00:02:06,440

Now let's go back up, Steve.

52

00:02:06,440 --> 00:02:07,440

What?

53

00:02:07,440 --> 00:02:09,440

It's now at 68 degrees.

54

00:02:09,440 --> 00:02:11,440

What about a 74 degree average?

55

00:02:11,440 --> 00:02:13,440

What's your opinion?

56

00:02:13,440 --> 00:02:16,440

Sit in here for about 20 minutes.

57

00:02:16,440 --> 00:02:17,440

Emotionless.

58

00:02:17,440 --> 00:02:19,440

It went down to 65.

59

00:02:19,440 --> 00:02:23,440

I think that maybe normal houses changed.

60

00:02:23,440 --> 00:02:27,440

If there was a 10 degree temperature change, we would have felt it.

61

00:02:27,440 --> 00:02:28,440

You know what I mean?

62

00:02:28,440 --> 00:02:29,440

Yeah.

63

00:02:29,440 --> 00:02:31,440

I don't think it's paranormal.

64

00:02:31,440 --> 00:02:35,440

When I first started in the room, it was 70, it was about 475 degrees.

65

00:02:35,440 --> 00:02:39,440

I did another temperature check, and it was like 64, 65 degrees.

66

00:02:39,440 --> 00:02:41,440

So it was about a 10 degree temperature check.

67

00:02:41,440 --> 00:02:44,440

A lot of people said they had a lot of weird feelings in that area.

68

00:02:44,440 --> 00:02:45,440

I was wondering what was going on.

69

00:02:45,440 --> 00:02:47,440

I just came into the whole room, and the whole room was 64 degrees.

70

00:02:47,440 --> 00:02:49,440

And it was about 10 degrees on the land there.

71

00:02:56,440 --> 00:02:58,440

Wow.

72

00:02:58,440 --> 00:02:59,440

This is nice.

73

00:02:59,440 --> 00:03:00,440

Thank you.

74

00:03:00,440 --> 00:03:02,440

This is the library's meeting room.

75

00:03:02,440 --> 00:03:06,440

One of the stories happened in the early 1980s.

76

00:03:06,440 --> 00:03:09,440

The library had installed a burglary slash fire alarm.

77

00:03:09,440 --> 00:03:13,440

And that alarm triggered the library director of the time.

78

00:03:13,440 --> 00:03:16,440

I came in, walked through the building with the police sergeant,

79

00:03:16,440 --> 00:03:21,440

while the rookie patrol officer waited in the car.

80

00:03:21,440 --> 00:03:25,440

Went through the building, didn't find anything unusual.

81

00:03:25,440 --> 00:03:28,440

There was no forced entry anywhere.

82

00:03:28,440 --> 00:03:30,440

They came back out.

83

00:03:30,440 --> 00:03:33,440

And the rookie police officer said, did you see the people?

84

00:03:33,440 --> 00:03:37,440

And the sergeant had no idea what this young officer was talking about.

85

00:03:37,440 --> 00:03:41,440

And the officer swore up and down that he saw a figure

86

00:03:41,440 --> 00:03:45,440

standing in this window.

87

00:03:45,440 --> 00:03:50,440

What he said was a woman with a man standing behind her.

88

00:03:59,440 --> 00:04:02,440

A fairly recent event, two library assistants,

89

00:04:02,440 --> 00:04:04,440

they were taking books on putting them on a cart.

90

00:04:04,440 --> 00:04:07,440

And they had wheeled the cart back behind the desk.

91

00:04:07,440 --> 00:04:08,440

It was a pretty slow day.

92

00:04:08,440 --> 00:04:11,440

They didn't see anybody come in, they didn't see anybody leave.

93

00:04:11,440 --> 00:04:13,440

When they returned to this area,

94

00:04:13,440 --> 00:04:17,440

they found about every fourth book pulled out at a perfect angle

95

00:04:17,440 --> 00:04:20,440

on every single one of these shelves.

96

00:04:22,440 --> 00:04:24,440

That mean I'm screened?

97

00:04:24,440 --> 00:04:25,440

Yes.

98

00:04:25,440 --> 00:04:30,440

And in fact, I was really worried that one of the library assistants wouldn't come back.

99

00:04:30,440 --> 00:04:33,440

She was very shaken up.

100

00:04:33,440 --> 00:04:34,440

And she was a skeptic.

101

00:04:34,440 --> 00:04:36,440

She didn't believe in the ghost stories.

102

00:04:36,440 --> 00:04:39,440

And after that, became a believer.

103

00:04:39,440 --> 00:04:42,440

So has there been any other activity or is that pretty much it?

104

00:04:42,440 --> 00:04:43,440

No, no.

105

00:04:43,440 --> 00:04:46,440

Well, when we go into the story pit room,

106

00:04:46,440 --> 00:04:51,440

that's probably the area that has been reported the most haunted.

107

00:04:58,440 --> 00:05:02,440

Brian, Tango and I are getting ready to review evidence for the Willow Library.

108

00:05:02,440 --> 00:05:05,440

In the meantime, we're sending Kristen out to do some research

109

00:05:05,440 --> 00:05:09,440

to see if we can find out any information or maybe historical facts about the library or the property.

110

00:05:09,440 --> 00:05:11,440

It's going to take us a while to get through it all.

111

00:05:11,440 --> 00:05:15,440

This place has the Grey Lady and we're hoping to find her in this review.

112

00:05:15,440 --> 00:05:17,440

So let's hope it comes out good for us.

113

00:05:25,440 --> 00:05:27,440

Brian, why do you wear that hat?

114

00:05:27,440 --> 00:05:28,440

What?

115

00:05:28,440 --> 00:05:29,440

Why do you wear that hat?

116

00:05:29,440 --> 00:05:31,440

Because I like it.

117

00:05:31,440 --> 00:05:32,440

But you said that.

118

00:05:32,440 --> 00:05:33,440

That's your thing.

119

00:05:33,440 --> 00:05:34,440

Yeah.

120

00:05:34,440 --> 00:05:35,440

I'm just aware of your own stuff.

121

00:05:35,440 --> 00:05:36,440

Who made that rule up?

122

00:05:36,440 --> 00:05:38,440

It's just a rule.

123

00:05:38,440 --> 00:05:40,440

Like when I'm in bands, I won't wear my own band stuff.

124

00:05:40,440 --> 00:05:41,440

I'm not in a band.

125

00:05:41,440 --> 00:05:43,440

That's even worse.

126

00:05:43,440 --> 00:05:44,440

What?

127

00:05:44,440 --> 00:05:46,440

Something bad that happened in the case.

128

00:05:46,440 --> 00:05:47,440

You ran out.

129

00:05:47,440 --> 00:05:48,440

Yeah.

130

00:05:48,440 --> 00:05:51,440

So why should it be celebrated on hats and shirts?

131

00:05:51,440 --> 00:05:56,440

And why would you wear something to be proud that you ran out of a prison saying, do it run?

132

00:05:56,440 --> 00:05:58,440

You got a hat with your thing on it?

133

00:05:58,440 --> 00:06:00,440

You're proud of this dude.

134

00:06:00,440 --> 00:06:01,440

What does that even do with anything?

135

00:06:01,440 --> 00:06:02,440

I'm immortalized now.

136

00:06:02,440 --> 00:06:03,440

You're immortalized now?

137

00:06:03,440 --> 00:06:04,440

I like it.

138

00:06:04,440 --> 00:06:06,440

You want to wear it for what?

139

00:06:06,440 --> 00:06:08,440

Hell, I don't want to be corny.

140

00:06:13,440 --> 00:06:15,440

Hey guys, I'm done with the DV.

141

00:06:15,440 --> 00:06:16,440

You want to take over DVR for a little bit?

142

00:06:16,440 --> 00:06:17,440

Have you fun?

143

00:06:17,440 --> 00:06:18,440

Cool.

144

00:06:23,440 --> 00:06:25,440

I think that's the first time I've actually sat next to you.

145

00:06:25,440 --> 00:06:26,440

Who's going with us?

146

00:06:26,440 --> 00:06:27,440

Right.

147

00:06:28,440 --> 00:06:29,440

How's it feel?

148

00:06:30,440 --> 00:06:32,440

Like I'm sitting next to you reviewing evidence?

149

00:06:32,440 --> 00:06:33,440

There you go.

150

00:06:33,440 --> 00:06:34,440

That's why I wanted to hear.

151

00:06:38,440 --> 00:06:39,440

What is this dude?

152

00:06:39,440 --> 00:06:40,440

What?

153

00:06:40,440 --> 00:06:41,440

Check this out.

154

00:06:41,440 --> 00:06:42,440

What's this?

155

00:06:42,440 --> 00:06:43,440

A camera rolling.

156

00:06:43,440 --> 00:06:44,440

Like the chandelier thing?

157

00:06:44,440 --> 00:06:45,440

Yeah, look at it.

158

00:06:45,440 --> 00:06:48,440

Half the chandelier goes on once, and then it all goes on.

159

00:06:48,440 --> 00:06:49,440

How did that happen?

160

00:06:49,440 --> 00:06:51,440

The thing is with this though is...

161

00:06:51,440 --> 00:06:52,440

I'm there too.

162

00:06:52,440 --> 00:06:53,440

I don't even see it happening.

163

00:06:53,440 --> 00:06:54,440

Check this out.

164

00:06:54,440 --> 00:06:55,440

Can I see that again?

165

00:06:55,440 --> 00:06:56,440

You're blind a little bit?

166

00:06:56,440 --> 00:06:58,440

See how tango is sitting there at the table?

167

00:06:58,440 --> 00:07:02,440

I was sitting down there looking down that long aisle.

168

00:07:02,440 --> 00:07:04,440

It could be my flashlight.

169

00:07:04,440 --> 00:07:07,440

Because it seems like all the light's coming from that direction.

170

00:07:07,440 --> 00:07:09,440

Where the shadows are coming from.

171

00:07:09,440 --> 00:07:12,440

I think it's probably a flashlight, but let's get Jane Grant's take on it.

172

00:07:15,440 --> 00:07:16,440

Whoa!

173

00:07:16,440 --> 00:07:17,440

What's up dude?

174

00:07:17,440 --> 00:07:18,440

Look at that.

175

00:07:19,440 --> 00:07:20,440

What do you got there guys?

176

00:07:20,440 --> 00:07:21,440

Check this out, Steve.

177

00:07:21,440 --> 00:07:22,440

What is that?

178

00:07:22,440 --> 00:07:23,440

A bookcase or what?

179

00:07:24,440 --> 00:07:26,440

Watch the bookcase right above the shirt.

180

00:07:27,440 --> 00:07:29,440

Why don't you guys write that down?

181

00:07:29,440 --> 00:07:30,440

Shout to Jason and Grant.

182
