

1

00:00:00,000 --> 00:00:11,000

I'm Steve, the Tech Manager for TAPS and we're here in Rhode Island.

2

00:00:11,000 --> 00:00:15,040

We're actually leaving Rhode Island in the past four years that we've been doing investigations

3

00:00:15,040 --> 00:00:16,040

all over the country.

4

00:00:16,040 --> 00:00:20,560

I've done this drive from the east coast to the west coast three or four times.

5

00:00:20,560 --> 00:00:23,560

We're on the road for hours and hours and hours driving.

6

00:00:23,560 --> 00:00:30,560

One of the only ways to pass time is with useless walkie talk banter back and forth between

7

00:00:30,560 --> 00:00:31,560

the vehicles.

8

00:00:31,560 --> 00:00:36,120

What's your favorite walkie talkie game to pass the time?

9

00:00:36,120 --> 00:00:40,560

So one of the most common ways to pass time on these long road trips is Star Wars Trivia.

10

00:00:40,560 --> 00:00:42,120

Here's a new game.

11

00:00:42,120 --> 00:00:46,480

The premise of this game is someone calls out broken nose.

12

00:00:46,480 --> 00:00:50,800

So you need to think of what you think you could be referencing to in television and

13

00:00:50,800 --> 00:00:51,800

movies.

14

00:00:51,800 --> 00:00:59,160

For instance, I may think, oh it's when Marsha got the football thrown at her in a Brady

15

00:00:59,160 --> 00:01:05,040

Bunch of broken nose, but what the person who is saying it is really talking about is

16

00:01:05,040 --> 00:01:10,200

when the white supremacist busted up for Aldo Rivera's nose on his talk show back in

17

00:01:10,200 --> 00:01:11,200

the day.

18

00:01:11,200 --> 00:01:12,200

This game could be fun.

19

00:01:12,200 --> 00:01:13,200

It might not be fun.

20

00:01:21,800 --> 00:01:30,600

So how did you get started?

21

00:01:30,600 --> 00:01:31,600

Just pure curiosity.

22

00:01:31,600 --> 00:01:34,520

Like a lot of these guys, they hatched out the capping to them.

23

00:01:34,520 --> 00:01:36,520

That made them want to search for answers.

24

00:01:36,520 --> 00:01:38,520

But me, I just pure curiosity.

25

00:01:38,520 --> 00:01:41,520

You know, I just love it.

26

00:01:41,520 --> 00:01:45,320

So this is your first time doing a really mainstream investigation.

27

00:01:45,320 --> 00:01:46,800

Yeah, yeah, like you.

28

00:01:46,800 --> 00:01:51,320

I mean, I had little things happen here and there, but it was never big enough to kind

29

00:01:51,320 --> 00:01:52,840

of sway me one way or another.

30

00:01:52,840 --> 00:01:55,840

So hopefully you'll be swayed.

31

00:01:55,840 --> 00:01:56,840

Hopefully today.

32

00:01:56,840 --> 00:01:57,840

You never know.

33

00:01:57,840 --> 00:02:02,280

So every time I go into a different investigation, it's like this is the day where I'm going

34

00:02:02,280 --> 00:02:03,520

to get picked up and thrown on the ground.

35

00:02:03,520 --> 00:02:05,040

You know, I'm like, all right.

36

00:02:05,040 --> 00:02:07,040

People don't like that, but I like that.

37

00:02:07,040 --> 00:02:08,040

I want that.

38

00:02:08,040 --> 00:02:09,040

So it makes a ghost on it.

39

00:02:09,040 --> 00:02:11,080

They want to, whatever it takes.

40

00:02:11,080 --> 00:02:15,120

So like what got you into the whole supernatural?

41

00:02:15,120 --> 00:02:18,280

I've just had some odd experiences growing up.

42

00:02:18,280 --> 00:02:22,720

My mom lived in a house with a lot of activity in it when she was younger.

43

00:02:22,720 --> 00:02:26,160

Strange story is just on both sides of my family and I've had my own things happen.

44

00:02:26,160 --> 00:02:31,120

So I've known Jane Grant for about five years and I kept meeting to go with them and it

45

00:02:31,120 --> 00:02:32,560

just never seemed to work out.

46

00:02:32,560 --> 00:02:33,560

So now it worked.

47

00:02:33,560 --> 00:02:34,560

Yes, it did.

48

00:02:34,560 --> 00:02:35,560

It's awesome.

49

00:02:35,560 --> 00:02:36,560

We're at the aviaboard site.

50

00:02:36,560 --> 00:02:37,960

So what was your first case like?

51

00:02:37,960 --> 00:02:39,200

I was nervous at first.

52

00:02:39,200 --> 00:02:42,680

You know, these guys are like professionals and I'm, you know, just getting into it.

53

00:02:42,680 --> 00:02:47,640

And but they may be comfortable, you know, and that's the best part of, you know, when

54

00:02:47,640 --> 00:02:48,640

you're ghost hunting, you have to be comfortable.

55

00:02:48,640 --> 00:02:51,160

You have to, you know, because just to be aware of everything.

56

00:02:51,160 --> 00:02:53,160

And very honest, very honest people.

57

00:02:53,160 --> 00:02:54,160

Exactly.

58

00:02:54,160 --> 00:02:57,800

And they'll tell you if you're doing something right or wrong, they'll tell you nicely.

59

00:02:57,800 --> 00:02:58,800

And that really helped.

60

00:02:58,800 --> 00:03:04,840

They had patience and, you know, so that makes a big difference having patience, but they

61

00:03:04,840 --> 00:03:06,840

really helped me along, you know.

62

00:03:06,840 --> 00:03:08,640

So now I get to do this stuff like this.

63

00:03:08,640 --> 00:03:09,640

Now you're training me?

64

00:03:09,640 --> 00:03:10,640

Yeah.

65

00:03:10,640 --> 00:03:11,640

That's weird.

66

00:03:11,640 --> 00:03:12,640

That's going to be a switch.

67

00:03:12,640 --> 00:03:13,640

That's weird.

68

00:03:13,640 --> 00:03:28,200

I was coming out of the makeup room all of a sudden I heard somebody call my name and

69

00:03:28,200 --> 00:03:32,880

I turned around and there was nobody there and I went back into the makeup room and nobody

70

00:03:32,880 --> 00:03:34,080

was there.

71

00:03:34,080 --> 00:03:36,280

It sounded exactly like me.

72

00:03:36,280 --> 00:03:38,080

It was me calling my own name.

73

00:03:43,960 --> 00:03:46,960

I saw it.

74

00:03:46,960 --> 00:03:51,360

Dude, it was a spider.

75

00:03:51,360 --> 00:03:53,160

You saw it.

76

00:03:53,160 --> 00:03:54,160

I saw it.

77

00:03:54,160 --> 00:03:55,160

It came right out of your pocket.

78

00:03:55,160 --> 00:03:57,160

Like it was in there waiting for you.

79

00:03:57,160 --> 00:03:59,160

You alright, man?

80

00:03:59,160 --> 00:04:00,160

Alright, thanks.

81

00:04:00,160 --> 00:04:01,160

No problem.

82

00:04:01,160 --> 00:04:11,160

I apparently had an experience when I was a little girl.

83

00:04:12,000 --> 00:04:14,840

I apparently had an experience when I was little but I don't remember it.

84

00:04:14,840 --> 00:04:21,160

I've had a few small personal experiences that I couldn't really come up with my own

85

00:04:21,160 --> 00:04:22,160

answers for.

86

00:04:22,160 --> 00:04:27,160

My ex's house, for whatever reason, this hallway freaked me out.

87

00:04:27,160 --> 00:04:31,160

Every time I hit the hallway I had to turn the lights on in the kitchen, turn the lights

88

00:04:31,160 --> 00:04:33,080

on in the living room.

89

00:04:33,080 --> 00:04:37,160

So I just got this feeling that I was like a little kid sitting on the stairs.

90

00:04:37,160 --> 00:04:40,240

Like I just felt like someone was going to pull up my clothes.

91

00:04:40,320 --> 00:04:43,320

So it was strange and I finally said something to his mother.

92

00:04:43,320 --> 00:04:44,320

I'm like, it's so weird.

93

00:04:44,320 --> 00:04:45,320

She's like, why?

94

00:04:45,320 --> 00:04:48,320

I'm like, I just feel like there's a little kid sitting on the stairs like staring at me

95

00:04:48,320 --> 00:04:50,320

through the thing, going to pull on my clothes or whatever.

96

00:04:50,320 --> 00:04:55,320

She's like, my brother died when he was eight and that was something he used to do.

97

00:04:55,320 --> 00:04:56,320

And I was like, oh my God.

98

00:04:56,320 --> 00:04:59,320

So after that it was just done with his house.

99

00:04:59,320 --> 00:05:02,320

I was like, oh.

100

00:05:05,320 --> 00:05:07,320

Tonight we had a new investigator with us.

101

00:05:07,400 --> 00:05:10,400

We had Chris Williams, she's an investigator in training.

102

00:05:10,400 --> 00:05:14,400

I gave her some training tonight and I think she's going to do a good job.

103

00:05:14,400 --> 00:05:20,400

But one thing that she can offer TAPS that we've never had on our team before is genealogy.

104

00:05:20,400 --> 00:05:21,400

She's a genealogist.

105

00:05:21,400 --> 00:05:22,400

Really?

106

00:05:22,400 --> 00:05:23,400

Yeah, I didn't know that.

107

00:05:23,400 --> 00:05:27,400

Like little, she says she's studied genealogy for 11 years now.

108

00:05:27,400 --> 00:05:28,400

Wow.

109

00:05:28,400 --> 00:05:29,400

Yeah.

110

00:05:29,400 --> 00:05:31,400

Oh, that one's alive.

111

00:05:31,400 --> 00:05:32,400

She's just...

112

00:05:32,480 --> 00:05:35,480

You saw, think that was honest.

113

00:05:35,480 --> 00:05:37,480

I was like, I think it was...

114

00:05:37,480 --> 00:05:38,480

She's a pussy but I can't take it.

115

00:05:38,480 --> 00:05:39,480

I can't help you.

116

00:05:39,480 --> 00:05:40,480

Take it, do me a favor.

117

00:05:40,480 --> 00:05:41,480

Just check me out.

118

00:05:41,480 --> 00:05:42,480

Yeah.

119

00:05:42,480 --> 00:05:45,480

You'll get all jacked up in here.

120

00:05:45,480 --> 00:05:47,480

Like I'm really feeling her sh\*\* all over me.

121

00:05:47,480 --> 00:05:49,480

Nah, I think you're good man.

122

00:05:51,480 --> 00:05:55,480

So she can literally, she'll be good at researching location.

123

00:05:55,480 --> 00:05:56,480

Yeah.

124

00:05:56,480 --> 00:05:58,480

She'll be good at researching family and everything.

125

00:05:58,480 --> 00:05:59,480

Yeah.

126

00:05:59,480 --> 00:06:00,480

And...

127

00:06:02,480 --> 00:06:03,480

Tango was there.

128

00:06:03,480 --> 00:06:04,480

But nothing, nothing.

129

00:06:04,480 --> 00:06:06,480

Please, you promised don't f\*\*king wait, there's a little...

130

00:06:06,480 --> 00:06:07,480

What?

131

00:06:07,480 --> 00:06:08,480

It's right, nothing, it's just a little web.

132

00:06:08,480 --> 00:06:09,480

Okay.

133

00:06:09,480 --> 00:06:10,480

You got it though, I felt it.

134

00:06:10,480 --> 00:06:11,480

Yeah, it's just a web.

135

00:06:11,480 --> 00:06:12,480

Jesus.

136

00:06:14,480 --> 00:06:15,480

What the f\*\*k?

137

00:06:17,480 --> 00:06:18,480

It is.

138

00:06:18,480 --> 00:06:19,480

Oh my God.

139

00:06:23,480 --> 00:06:24,480

It's huge.

140

00:06:25,480 --> 00:06:26,480

It's always these corners.

141

00:06:26,480 --> 00:06:27,480

It's always these little...

142

00:06:27,480 --> 00:06:28,480

What?

143

00:06:28,480 --> 00:06:29,480

What?

144

00:06:29,480 --> 00:06:30,480

What?

145

00:06:32,480 --> 00:06:37,480

That thing, I mean that's a, that's a mammal.

146

00:06:37,480 --> 00:06:38,480

That's a mammal.

147

00:06:38,480 --> 00:06:39,480

That's not a m-

148

00:06:39,480 --> 00:06:40,480

That's not a m-

149

00:06:40,480 --> 00:06:41,480

A m-

150

00:06:41,480 --> 00:06:43,480

That's a mammal, straight up a mammal.

151

00:06:45,480 --> 00:06:47,480

There's a food right there.

152

00:06:47,480 --> 00:06:48,480

Lighten.

153

00:06:49,480 --> 00:06:51,480

I mean that thing is absolutely...

154

00:06:52,480 --> 00:06:54,480

I mean that's a trash lot, that's a camel splatter.

155

00:06:54,480 --> 00:06:56,480

And I rack a camel splatter.

156

00:06:56,480 --> 00:06:58,480

Right here in Seattle.

157

00:06:58,560 --> 00:07:06,560

I'm gonna be honest with you, this basement, and this, what we've been doing here, is absolutely

158

00:07:06,560 --> 00:07:11,560

a hundred times more petrifying than any ghost hunt I've ever been on.

159

00:07:11,560 --> 00:07:12,560

Really?

160

00:07:12,560 --> 00:07:17,560

Dodging all these spiders and spider webs, living spiders, dead spiders, the dead spiders

161

00:07:17,560 --> 00:07:20,560

with the living spiders, centipedes and millipedes.

162

00:07:20,560 --> 00:07:21,560

Oh.

163

00:07:21,560 --> 00:07:25,560

Everywhere, every inch, right there, every inch.

164

00:07:25,560 --> 00:07:26,560

F\*\*king places.

165

00:07:26,640 --> 00:07:27,640

Living insects.

166

00:07:29,640 --> 00:07:31,640

Spiders make me believe in the mammal.

167

00:07:31,640 --> 00:07:32,640

Yeah.

168

00:07:32,640 --> 00:07:33,640

It's that easy.

169

00:07:34,640 --> 00:07:38,640

Because, I'm telling you, he's the only person who would put sh\*\* like that on a certain.

170

00:07:38,640 --> 00:07:39,640

Yeah.

171

00:07:39,720 --> 00:07:40,720

Oh.

172

00:07:53,720 --> 00:07:56,720

We're gonna do a little walkthrough, try to do some EVP work.

173

00:07:56,720 --> 00:08:02,720

See if the K2 meter goes off at all, and just hope that we're able to catch something going on there.

174

00:08:02,720 --> 00:08:06,720

Is there anybody in here who'd like to make contacts?

175

00:08:09,720 --> 00:08:11,720

Do you see that?

176

00:08:15,720 --> 00:08:17,720

Dude, this place is ridiculous.

177

00:08:17,720 --> 00:08:18,720

I don't think so.

178

00:08:19,720 --> 00:08:23,720

The whole thing, this whole place is got just a steady height, you know?

179

00:08:23,720 --> 00:08:25,720

Oh, look, look, look.

180

00:08:26,720 --> 00:08:28,720

Right here, right where they do their tours.

181

00:08:28,720 --> 00:08:30,720

We got a friggin disco club here right here.

182

00:08:30,800 --> 00:08:41,800

Right down the path in the tour, that just blows my mind.

183

00:08:41,800 --> 00:08:47,800

The whole tour, you're getting steeped, like a tea bag in friggin electromagnetic fields.

184

00:08:47,800 --> 00:08:51,800

So you come down, and the further you go on the tour, the more you get creeped out.

185

00:08:51,800 --> 00:08:54,800

It's right ahead level all around this place.

186

00:08:54,800 --> 00:08:55,800

Like it's targeting it.

187

00:08:55,800 --> 00:08:58,800

You know, it's like this place is designed to make you feel creeped out.

188

00:08:58,880 --> 00:09:00,880

I knew we were going to find high readings.

189

00:09:00,880 --> 00:09:07,880

So anyone who's going through here can experience paranoia, nausea, even skin irritations.

190

00:09:07,880 --> 00:09:11,880

They can even experience the sensation of seeing things and aren't even here.
