

1

00:00:00,000 --> 00:00:03,840

All right, guys, so we got a case right outside of Seattle.

2

00:00:03,840 --> 00:00:06,340

Christa Gibbons, it's a great case, and they need our help.

3

00:00:06,340 --> 00:00:09,340

As a child involved, the whole family's experiencing stuff.

4

00:00:09,340 --> 00:00:11,680

They're seeing limbless black shadows.

5

00:00:11,680 --> 00:00:12,680

Wow.

6

00:00:12,680 --> 00:00:14,880

Voices, footsteps, they've seen a face appear.

7

00:00:14,880 --> 00:00:17,480

There's a young 12-year-old girl that moved into the house,

8

00:00:17,480 --> 00:00:19,280

and the problems have really picked up.

9

00:00:19,280 --> 00:00:20,720

So is the truck all packed up?

10

00:00:20,720 --> 00:00:21,720

Yeah, it's all set.

11

00:00:21,720 --> 00:00:22,760

All right, you guys ready to go?

12

00:00:22,760 --> 00:00:23,760

We got a long ride.

13

00:00:23,760 --> 00:00:24,760

Yep.

14

00:00:24,760 --> 00:00:25,760

All right, come on, let's get out of here.

15

00:00:25,760 --> 00:00:27,760

Let's get out of here.

16

00:00:27,760 --> 00:00:42,840

So what else was on up there?

17

00:00:42,840 --> 00:00:48,640

In the corner of the room is my sister's urn, my dog, trying to jump on top of the entertainment

18

00:00:48,640 --> 00:00:51,040

center to get to the urn.

19

00:00:51,040 --> 00:00:52,640

It has been here for over two years.

20

00:00:52,640 --> 00:00:54,440

She's never tried to do that before.

21

00:00:54,440 --> 00:00:57,160

When you brought it down, she was sniffing, wagging her tail.

22

00:00:57,160 --> 00:00:59,040

So when you brought it down, that was what the dog was having?

23

00:00:59,040 --> 00:01:00,280

That's what she wanted.

24

00:01:00,280 --> 00:01:09,080

She wanted that urn.

25

00:01:09,080 --> 00:01:10,080

So where else?

26

00:01:10,080 --> 00:01:11,000

Upstairs.

27

00:01:11,000 --> 00:01:18,280

Right over here by the bathroom, my daughter has witnessed a black shape that she cannot

28

00:01:18,280 --> 00:01:19,280

explain.

29

00:01:19,920 --> 00:01:26,240

I looked up and there was a tall, dark, skinny man walking out of the bathroom.

30

00:01:26,240 --> 00:01:29,920

And I saw the dark baguette staring at me.

31

00:01:29,920 --> 00:01:36,480

It kept on walking in a straight line and I chased after it and it was gone.

32

00:01:36,480 --> 00:01:38,640

This is my son's bedroom.

33

00:01:38,640 --> 00:01:39,640

Okay.

34

00:01:39,640 --> 00:01:41,200

So what kind of things happened in this area?

35

00:01:41,200 --> 00:01:45,000

He has heard and seen the hangers shaking in his closet.

36

00:01:45,000 --> 00:01:47,320

The coat hangers were moving.

37

00:01:47,680 --> 00:01:49,760

There was weird sound.

38

00:01:49,760 --> 00:01:53,040

I was starting to get a little scared of our house.

39

00:01:53,040 --> 00:01:57,400

I don't really want a ghost too badly here.

40

00:01:57,400 --> 00:02:00,680

He did hear kind of groaning, like a deep groan sound.

41

00:02:00,680 --> 00:02:05,360

And there's been several incidences with this vanity shaking, but nothing else in the room

42

00:02:05,360 --> 00:02:06,360

was shaking.

43

00:02:06,360 --> 00:02:07,840

No seismic activity in Washington.

44

00:02:07,840 --> 00:02:08,840

No.

45

00:02:18,320 --> 00:02:23,320

This is where they saw a figure, right?

46

00:02:23,320 --> 00:02:24,320

Mm-hmm.

47

00:02:24,320 --> 00:02:26,320

We have the fan in here.

48

00:02:26,320 --> 00:02:28,320

The fan in here is always on.

49

00:02:28,320 --> 00:02:31,320

There might be thermostat controls.

50

00:02:32,320 --> 00:02:35,320

What would produce a black mass right here?

51

00:02:35,320 --> 00:02:36,320

Yes.

52

00:02:39,320 --> 00:02:40,320

The fan turned off.

53

00:02:40,320 --> 00:02:41,320

Yeah, just turned off.

54

00:02:41,320 --> 00:02:44,320

That's why they made just a faulty switch.

55

00:02:44,320 --> 00:02:45,320

Check his bedroom.

56

00:02:45,320 --> 00:02:49,320

So this is where he hears the hangers move by themselves.

57

00:02:50,320 --> 00:02:52,320

It's right out of a horror foot.

58

00:02:52,320 --> 00:02:53,320

Growling from your closet.

59

00:02:53,320 --> 00:02:54,320

I know.

60

00:02:54,320 --> 00:02:56,320

Kid wants to deal with that.

61

00:03:06,320 --> 00:03:08,320

How have things been since we've been going?

62

00:03:08,320 --> 00:03:09,320

Any activity?

63

00:03:09,320 --> 00:03:13,320

My mom received a phone call that had my sister's old phone number on it.

64

00:03:13,320 --> 00:03:17,320

And the caller ID had my niece's name on it.

65

00:03:17,320 --> 00:03:19,320

That phone number does not exist.

66

00:03:19,320 --> 00:03:21,320

Very interesting.

67

00:03:27,320 --> 00:03:29,320

Our band used to practice here.

68

00:03:29,320 --> 00:03:36,320

And as we were practicing once, and I was playing my guitar, all of a sudden someone snuck up behind me and grabbed me.

69

00:03:36,320 --> 00:03:39,320

I turned around, and there was no one there.

70

00:03:39,320 --> 00:03:42,320

I just went completely pale and thought I was going to faint.

71

00:03:42,320 --> 00:03:47,320

And everyone in the band looked at me and went, what's up? What's going on? What's wrong?

72

00:03:47,320 --> 00:03:51,320

And to this day, we all talk about that experience.

73

00:04:00,320 --> 00:04:01,320

You hear that truck?

74

00:04:01,320 --> 00:04:04,320

That truck sounds like it's going through that alley back there.

75

00:04:04,320 --> 00:04:06,320

So I bet that's what made that noise.

76

00:04:06,320 --> 00:04:09,320

Hey, if I go outside and make Ruckus in that alleyway,

77

00:04:09,320 --> 00:04:10,320

Okay.

78

00:04:10,320 --> 00:04:11,320

Then tell me if you hear it.

79

00:04:11,320 --> 00:04:12,320

Okay.

80

00:04:12,320 --> 00:04:13,320

Do you mind?

81

00:04:13,320 --> 00:04:14,320

No, that's fine.

82

00:04:14,320 --> 00:04:15,320

Okay.

83

00:04:15,320 --> 00:04:21,320

Steve's going outside to see if anything he does out there will be picked up in this room.

84

00:04:21,320 --> 00:04:22,320

All right.

85

00:04:24,320 --> 00:04:26,320

Now we're going to make some noise.

86

00:04:36,320 --> 00:04:43,320

Yeah, that's definitely Steve outside.

87

00:04:47,320 --> 00:04:48,320

Chris.

88

00:04:48,320 --> 00:04:49,320

Yep.

89

00:04:49,320 --> 00:04:50,320

Did you hear that, Ruckus?

90

00:04:50,320 --> 00:04:51,320

I did.

91

00:04:51,320 --> 00:04:54,320

The sound was, it didn't sound the same as what we heard,

92

00:04:54,320 --> 00:04:57,320

and it wasn't coming from the same, like, locations.

93

00:04:57,320 --> 00:04:58,320

Hmm.

94

00:04:58,320 --> 00:05:02,320

Did it have the same sort of volume and reverberation?

95

00:05:02,320 --> 00:05:04,320

It was pretty loud.

96

00:05:04,320 --> 00:05:07,320

It just, like you said, it was a different noise.

97

00:05:08,320 --> 00:05:09,320

Yeah, it was about right there.

98

00:05:09,320 --> 00:05:10,320

I don't know.

99

00:05:11,320 --> 00:05:14,320

But if you heard it in here, the most likely it was coming from outside.

100

00:05:14,320 --> 00:05:15,320

Yeah.

101

00:05:23,320 --> 00:05:27,320

One of the things we wanted to debunk was the light that she had seen up in the balcony.

102

00:05:27,320 --> 00:05:31,320

What we did was take my LED flashlight and kind of position it in various ways

103

00:05:31,320 --> 00:05:35,320

and had Mike Dion and Dave Tango down there giving us feedback.

104

00:05:35,320 --> 00:05:37,320

Do you see a light off to my left?

105

00:05:39,320 --> 00:05:40,320

No.

106

00:05:40,320 --> 00:05:41,320

How about that?

107

00:05:41,320 --> 00:05:43,320

Well, we're seeing it on the ceiling.

108

00:05:43,320 --> 00:05:46,320

So you're seeing it on the wall in the ceiling, right?

109

00:05:46,320 --> 00:05:47,320

Wall in the ceiling, yes.

110

00:05:47,320 --> 00:05:49,320

Not just freestanding.

111

00:05:49,320 --> 00:05:51,320

It goes across the whole ceiling.

112

00:05:51,320 --> 00:05:52,320

OK.

113

00:05:52,320 --> 00:05:53,320

All right.

114

00:05:53,320 --> 00:05:57,320

It wasn't a pillar of light, which we could not recreate,

115

00:05:57,320 --> 00:06:00,320

which leads us to believe that, you know, maybe that was something,

116

00:06:00,320 --> 00:06:01,320

maybe paranormal.

117

00:06:14,320 --> 00:06:15,320

It's an interesting building.

118

00:06:15,320 --> 00:06:17,320

It's a beautiful building.

119

00:06:18,320 --> 00:06:20,320

I'm just not sure about what's going on in there.

120

00:06:25,320 --> 00:06:26,320

Let's do this.

121

00:06:31,320 --> 00:06:34,320

Jay and I want to come down the basement and really just know for sure

122

00:06:34,320 --> 00:06:36,320

if that footage was a reflection or not.

123

00:06:36,320 --> 00:06:40,320

I mean, we were 99% sure it was, but that's not good enough.

124

00:06:40,320 --> 00:06:42,320

We had to come down and check it.

125

00:06:42,320 --> 00:06:43,320

We're walking right through here.

126

00:06:43,320 --> 00:06:46,320

I think the top of the block is bent out.

127

00:06:46,320 --> 00:06:48,320

I think we can see it.

128

00:06:48,320 --> 00:06:49,320

Yep.

129

00:06:49,320 --> 00:06:50,320

Just be still.

130

00:06:50,320 --> 00:06:51,320

It's the way it is.

131

00:06:51,320 --> 00:06:52,320

It's shifting.

132

00:06:52,320 --> 00:06:54,320

Yeah, and it's bent, so anything's going to slide off it faster.

133

00:06:54,320 --> 00:06:55,320

Any kind of reflection.

134

00:06:55,320 --> 00:06:56,320

It flexes a light.

135

00:06:56,320 --> 00:06:57,320

Cool.

136

00:06:57,320 --> 00:06:58,320

Got it.

137

00:06:58,320 --> 00:06:59,320

We know.

138

00:06:59,320 --> 00:07:02,320

If you look far enough away from that locker, you can see that it's very reflective

139

00:07:02,320 --> 00:07:04,320

and it's actually reflecting light right now.
