

1

00:00:00,000 --> 00:00:01,000

This is nice.

2

00:00:01,000 --> 00:00:02,000

At least there's no contamination.

3

00:00:02,000 --> 00:00:03,000

There won't be cars flying by.

4

00:00:03,000 --> 00:00:06,000

We'll probably work him up the task van if you just want to switch the vehicles around.

5

00:00:06,000 --> 00:00:07,000

Yep.

6

00:00:07,000 --> 00:00:08,000

All right.

7

00:00:08,000 --> 00:00:09,000

Cool.

8

00:00:09,000 --> 00:00:10,000

See you guys in a few.

9

00:00:10,000 --> 00:00:11,000

All right, guys.

10

00:00:11,000 --> 00:00:12,000

See you in a bit.

11

00:00:12,000 --> 00:00:21,000

I'm having a little sit-down chat with Ali about what goes on in the house, primarily

12

00:00:21,000 --> 00:00:24,000

Maddie, who has claimed to have the most experiences.

13

00:00:24,000 --> 00:00:27,000

When she saw the big man, was she awake when she saw this?

14

00:00:27,000 --> 00:00:29,000

Running into my room crying and shaking.

15

00:00:29,000 --> 00:00:31,000

She was awake and he was real.

16

00:00:31,000 --> 00:00:32,000

He was there.

17

00:00:32,000 --> 00:00:34,000

There's nightmares and there's night terrors.

18

00:00:34,000 --> 00:00:36,000

Night can cause sleep paralysis, all kinds of things.

19

00:00:36,000 --> 00:00:38,000

Violent shaking fits a terrible fear.

20

00:00:38,000 --> 00:00:39,000

Yeah.

21

00:00:39,000 --> 00:00:42,000

She doesn't display, you know, any permanent...

22

00:00:42,000 --> 00:00:43,000

Permanent damage?

23

00:00:43,000 --> 00:00:44,000

No.

24

00:00:44,000 --> 00:00:45,000

Yeah.

25

00:00:45,000 --> 00:00:47,000

Hopefully we can find out what's going on.

26

00:00:47,000 --> 00:00:51,000

We'll find out how much truth her statements have, whether people realize it or not.

27

00:00:51,000 --> 00:00:56,000

When you're inquisitive and you want to find out what the child knows so that you can comfort them,

28

00:00:56,000 --> 00:01:01,000

you may coach them to answer in a certain way, whether you realize you're doing it or not.

29

00:01:06,000 --> 00:01:07,000

All right, so where to now?

30

00:01:07,000 --> 00:01:08,000

This is my son's room.

31

00:01:08,000 --> 00:01:10,000

One night I was changing his diaper.

32

00:01:10,000 --> 00:01:11,000

My husband wasn't here.

33

00:01:11,000 --> 00:01:13,000

I was alone with the kids.

34

00:01:13,000 --> 00:01:16,000

And on the other side of this wall is the stairway to the basement.

35

00:01:16,000 --> 00:01:19,000

And I heard heavy footsteps running up the basement stairs.

36

00:01:19,000 --> 00:01:21,000

And I thought someone might have broken in.

37

00:01:21,000 --> 00:01:23,000

So I bolted the door and made sure it was locked.

38

00:01:23,000 --> 00:01:26,000

I called the cops and we checked it out and no one was down there.

39

00:01:26,000 --> 00:01:27,000

Holy cow.

40

00:01:27,000 --> 00:01:28,000

That's probably something with great hands.

41

00:01:33,000 --> 00:01:36,000

So do you actually get activity downstairs in the basement as well?

42

00:01:36,000 --> 00:01:37,000

Yeah, we get a lot of activity.

43

00:01:37,000 --> 00:01:39,000

What kind of things have happened down here?

44

00:01:39,000 --> 00:01:42,000

I've actually was doing laundry one time and I had the dryer running.

45

00:01:42,000 --> 00:01:46,000

And it opened for like five seconds and then just shut.

46

00:01:46,000 --> 00:01:47,000

Those things don't stay.

47

00:01:47,000 --> 00:01:48,000

I know.

48

00:01:48,000 --> 00:01:50,000

I did it like ten times and I tried it.

49

00:01:50,000 --> 00:01:52,000

It shuts every time.

50

00:01:52,000 --> 00:01:54,000

Above Maddie's room, a lot of sounds.

51

00:01:54,000 --> 00:01:57,000

It sounds like my coffee table being dragged on a wood floor.

52

00:01:57,000 --> 00:01:59,000

And it sounds like it's coming from her bedroom.

53

00:01:59,000 --> 00:02:01,000

It's definitely coming from her bedroom.

54

00:02:01,000 --> 00:02:02,000

We couldn't recreate it.

55

00:02:02,000 --> 00:02:05,000

We tried all her toys and it just still sound heavier and louder.

56

00:02:11,000 --> 00:02:15,000

So guys, Waverly Hills, you know, all teams experience stuff.

57

00:02:15,000 --> 00:02:17,000

Chris, I didn't really get to investigate with you much.

58

00:02:17,000 --> 00:02:20,000

But did you have any personal experiences?

59

00:02:20,000 --> 00:02:21,000

Just now I had a few.

60

00:02:21,000 --> 00:02:23,000

We started off in a body shoot.

61

00:02:23,000 --> 00:02:25,000

Flash is a light from both ends.

62

00:02:25,000 --> 00:02:28,000

It seemed to happen on the opposite end of whatever side we're on.

63

00:02:28,000 --> 00:02:30,000

So the whole night we're just like up and down.

64

00:02:30,000 --> 00:02:33,000

So after the lights, we saw this thing.

65

00:02:33,000 --> 00:02:36,000

I don't know what it was, but it was a small mass of kind of white.

66

00:02:36,000 --> 00:02:37,000

And it was just rolling.

67

00:02:37,000 --> 00:02:39,000

It was rolling really fast.

68

00:02:39,000 --> 00:02:41,000

The first thing we both thought was an animal.

69

00:02:41,000 --> 00:02:45,000

So we both jumped and freaked out and it just completely disappeared.

70

00:02:45,000 --> 00:02:48,000

Well, Tango, you and I had some pretty intense experiences.

71

00:02:48,000 --> 00:02:50,000

I never experienced anything.

72

00:02:50,000 --> 00:02:53,000

But last night I had two or three in one night.

73

00:02:53,000 --> 00:02:56,000

Matter of fact, whenever one of us comes across the footage of it,

74

00:02:56,000 --> 00:02:58,000

we make sure we all take a look at it.

75

00:02:58,000 --> 00:03:02,000

Because I want to take a close look at all the experiences.

76

00:03:10,000 --> 00:03:11,000

Hey guys.

77

00:03:11,000 --> 00:03:12,000

Yeah.

78

00:03:12,000 --> 00:03:14,000

It may not be anything.

79

00:03:14,000 --> 00:03:16,000

It's sort of behind the door here.

80

00:03:16,000 --> 00:03:17,000

You see a doorway.

81

00:03:17,000 --> 00:03:20,000

Looks like a little light comes out and goes.

82

00:03:20,000 --> 00:03:23,000

At first I thought maybe it was the record light from the camera.

83

00:03:23,000 --> 00:03:26,000

You know, there's usually a little red light in here or something.

84

00:03:26,000 --> 00:03:30,000

But it sort of acts independently from the movement of the camera.

85

00:03:30,000 --> 00:03:31,000

Who shot this?

86

00:03:31,000 --> 00:03:33,000

This is Kristen and Heather.

87

00:03:33,000 --> 00:03:34,000

But take a look right here.

88

00:03:34,000 --> 00:03:35,000

Now what? You see that?

89

00:03:35,000 --> 00:03:36,000

Yeah.

90

00:03:36,000 --> 00:03:37,000

Now watch.

91

00:03:37,000 --> 00:03:38,000

See there? It kind of disappeared on its own.

92

00:03:38,000 --> 00:03:40,000

It just comes back every once in a while.

93

00:03:40,000 --> 00:03:42,000

I say we bring this to Jane Graham.

94

00:03:42,000 --> 00:03:43,000

Yeah, definitely show it to them.

95

00:03:43,000 --> 00:03:46,000

Just not necessarily say, hey, this is a ghost.

96

00:03:46,000 --> 00:03:49,000

But anything helps clarify what it is.

97

00:03:49,000 --> 00:03:52,000

It'll help us in our debunking process in the future.

98

00:03:52,000 --> 00:03:54,000

If they're like, hey, that's nothing.

99

00:03:54,000 --> 00:03:56,000

But here's what we think it is.

100

00:03:56,000 --> 00:03:58,000

Now next time we see something like that,

101

00:03:58,000 --> 00:04:01,000

we'll be able to say, hey, this is probably what it is.

102

00:04:01,000 --> 00:04:02,000

Exactly.

103

00:04:06,000 --> 00:04:08,000

Guys, do you have any favorite points?

104

00:04:08,000 --> 00:04:09,000

I mean, I want to hear from you.

105

00:04:09,000 --> 00:04:11,000

We're seeing shadows back and forth.

106

00:04:11,000 --> 00:04:14,000

At one point Grant darted down the hallway.

107

00:04:14,000 --> 00:04:17,000

I took off the other way, tried to catch it.

108

00:04:17,000 --> 00:04:18,000

We met up in the middle.

109

00:04:18,000 --> 00:04:19,000

There was nothing there.

110

00:04:19,000 --> 00:04:21,000

And there were two loud bangs.

111

00:04:21,000 --> 00:04:24,000

And as we came together, we realized there was a mini-DV

112

00:04:24,000 --> 00:04:26,000

on tripod that had fallen down.

113

00:04:26,000 --> 00:04:27,000

All right.

114

00:04:27,000 --> 00:04:28,000

Something knocked it over.

115

00:04:28,000 --> 00:04:32,000

And these guys, you and Elijah were seeing shadows.

116

00:04:32,000 --> 00:04:34,000

Left and right through windows and things like that.

117

00:04:34,000 --> 00:04:36,000

Elijah also had a great experience himself

118

00:04:36,000 --> 00:04:38,000

and took off running.

119

00:04:38,000 --> 00:04:40,000

Yeah, almost killed us with his elbows.

120

00:04:40,000 --> 00:04:41,000

Yeah, about it.

121

00:04:41,000 --> 00:04:43,000

What about you?

122

00:04:43,000 --> 00:04:46,000

Dustin and I had an experience in the body shoot.

123

00:04:46,000 --> 00:04:48,000

It just lit up more down there.

124

00:04:48,000 --> 00:04:49,000

Jesus.

125

00:04:49,000 --> 00:04:50,000

Jesus.

126

00:04:50,000 --> 00:04:51,000

What was that?

127

00:04:51,000 --> 00:04:52,000

He just moved this flashlight up.

128

00:04:52,000 --> 00:04:53,000

It caught my eye.

129

00:04:53,000 --> 00:04:55,000

And there was just this object, about this big.

130

00:04:55,000 --> 00:04:56,000

And it was like a whitish color.

131

00:04:56,000 --> 00:04:58,000

It looked like it was rolling down towards us.

132

00:04:58,000 --> 00:05:00,000

And about two or three feet before Dustin,

133

00:05:00,000 --> 00:05:02,000

it just completely disappeared.

134

00:05:02,000 --> 00:05:05,000

So we both freaked out and there was nothing there.

135

00:05:10,000 --> 00:05:12,000

And we were like,

136

00:05:12,000 --> 00:05:14,000

I'm not sure if it was a big one.

137

00:05:14,000 --> 00:05:15,000

But it was a big one.

138

00:05:15,000 --> 00:05:16,000

And it was a big one.

139

00:05:16,000 --> 00:05:17,000

And it was a big one.

140

00:05:17,000 --> 00:05:18,000

And it was a big one.

141

00:05:18,000 --> 00:05:19,000

And it was a big one.

142

00:05:19,000 --> 00:05:20,000

And it was a big one.

143

00:05:20,000 --> 00:05:21,000

And it was a big one.

144

00:05:21,000 --> 00:05:22,000

And it was a big one.

145

00:05:22,000 --> 00:05:23,000

And it was a big one.

146

00:05:23,000 --> 00:05:24,000

And it was a big one.

147

00:05:24,000 --> 00:05:25,000

And it was a big one.

148

00:05:25,000 --> 00:05:26,000

And it was a big one.

149

00:05:26,000 --> 00:05:27,000

And it was a big one.

150

00:05:27,000 --> 00:05:28,000

And it was a big one.

151

00:05:28,000 --> 00:05:29,000

And it was a big one.

152

00:05:29,000 --> 00:05:30,000

And it was a big one.

153

00:05:30,000 --> 00:05:31,000

And it was a big one.

154

00:05:31,000 --> 00:05:32,000

And it was a big one.

155

00:05:32,000 --> 00:05:33,000

And it was a big one.

156

00:05:33,000 --> 00:05:34,000

And it was a big one.

157

00:05:34,000 --> 00:05:35,000

And it was a big one.

158

00:05:35,000 --> 00:05:36,000

And it was a big one.
