

1

00:00:00,000 --> 00:00:01,920

Let's go ahead and move on to the medical center.

2

00:00:01,920 --> 00:00:03,400

Oh, what do we got here?

3

00:00:03,400 --> 00:00:06,320

If you could step right this way, this is the morgue.

4

00:00:06,320 --> 00:00:08,340

This is where they actually put the bodies

5

00:00:08,340 --> 00:00:09,600

until they were picked up.

6

00:00:09,600 --> 00:00:12,380

About right here would have been the autopsy table.

7

00:00:12,380 --> 00:00:15,880

Now on the wall right over here, there were several shelves.

8

00:00:15,880 --> 00:00:17,580

And as they took the body parts out,

9

00:00:17,580 --> 00:00:19,400

they would actually put them on the shelf.

10

00:00:19,400 --> 00:00:22,240

It's actually all buried here on the property somewhere.

11

00:00:22,240 --> 00:00:24,880

It's fine if there's anything actually going on down here.

12

00:00:24,880 --> 00:00:26,680

No, I just wanted to show you the place.

13

00:00:26,680 --> 00:00:27,480

So where do we now?

14

00:00:27,480 --> 00:00:28,880

We're going to walk to the third floor

15

00:00:28,880 --> 00:00:30,520

where lots of things have happened.

16

00:00:30,520 --> 00:00:32,320

So what kind of things have happened up here?

17

00:00:32,320 --> 00:00:34,880

Well, this room, any patient that was put in here,

18

00:00:34,880 --> 00:00:37,120

even the commist of patients, would

19

00:00:37,120 --> 00:00:39,960

become very abusive to the people who worked here.

20

00:00:39,960 --> 00:00:41,080

So anything else up here?

21

00:00:41,080 --> 00:00:42,960

There's another room I'd like to show you.

22

00:00:42,960 --> 00:00:45,960

One staff member was coming in to check on the gentleman

23

00:00:45,960 --> 00:00:47,280

in this dorm room.

24

00:00:47,280 --> 00:00:49,200

And as she walked in the door, she

25

00:00:49,200 --> 00:00:51,560

felt something that she couldn't walk through.

26

00:00:51,560 --> 00:00:54,480

And it actually put her back on her back, threw her down.

27

00:00:54,480 --> 00:00:55,160

Wow.

28

00:00:55,160 --> 00:00:56,840

And lots of stuff actually happened

29

00:00:56,840 --> 00:00:58,520

like that in the main building, which

30

00:00:58,520 --> 00:00:59,800

is the next place we're going.

31

00:01:08,320 --> 00:01:09,320

Did you hear that?

32

00:01:09,320 --> 00:01:11,800

Yeah, I did.

33

00:01:11,800 --> 00:01:14,040

It sounded like a crackling noise down there.

34

00:01:14,040 --> 00:01:16,080

Like somebody stepped on something.

35

00:01:16,080 --> 00:01:18,200

Grant and I started off by doing a thermal sweep

36

00:01:18,200 --> 00:01:20,160

in the second floor in the main building.

37

00:01:20,160 --> 00:01:22,080

A pond heading up there, actually getting

38

00:01:22,080 --> 00:01:26,000

sounded like footsteps at the opposite end of the hallway.

39

00:01:26,000 --> 00:01:26,500

Hello?

40

00:01:29,960 --> 00:01:32,400

It sounded like a door or something,

41

00:01:32,400 --> 00:01:34,600

or like a window getting hit or something.

42

00:01:34,600 --> 00:01:36,440

We're the people that are keeping you in here,

43

00:01:36,440 --> 00:01:39,720

so if you're angry, you can come and get us.

44

00:01:39,720 --> 00:01:41,320

We really wanted to do some provoking

45

00:01:41,320 --> 00:01:43,480

and see if we could get some activity rather than just

46

00:01:43,480 --> 00:01:46,920

wait to be in the right place at the right time.

47

00:01:46,920 --> 00:01:48,400

Can you bang some doors for us?

48

00:01:50,880 --> 00:01:51,760

Let's make sure.

49

00:01:51,760 --> 00:01:52,760

Who's that?

50

00:01:56,200 --> 00:01:57,840

Hello?

51

00:01:57,840 --> 00:01:59,400

Windows are closed.

52

00:01:59,400 --> 00:02:00,920

Windows closed?

53

00:02:00,920 --> 00:02:02,280

What was that bang?

54

00:02:02,280 --> 00:02:03,680

I wouldn't.

55

00:02:03,680 --> 00:02:05,160

We walked past a room, and it sounded

56

00:02:05,160 --> 00:02:09,080

like something was either thrown or scurrying in the room.

57

00:02:09,080 --> 00:02:11,760

And Jay and I went right in there and couldn't find anything.

58

00:02:11,760 --> 00:02:14,200

And couldn't find any heat signature of any kind of rodent

59

00:02:14,200 --> 00:02:15,160

or anything like that.

60

00:02:23,720 --> 00:02:25,320

The boys couldn't do the job right,

61

00:02:25,320 --> 00:02:26,720

so they sent in the women.

62

00:02:28,720 --> 00:02:29,720

Silly.

63

00:02:31,440 --> 00:02:32,440

What the hell was that?

64

00:02:37,440 --> 00:02:39,560

I just heard like a metal on metal sound.

65

00:02:46,080 --> 00:02:47,080

What?

66

00:02:49,000 --> 00:02:50,480

What the hell was that?

67

00:02:50,480 --> 00:02:51,280

I didn't hear it.

68

00:02:51,280 --> 00:02:52,280

I did.

69

00:02:53,280 --> 00:02:55,280

This is where we need to go.

70

00:03:08,280 --> 00:03:10,280

Did you hear that?

71

00:03:10,280 --> 00:03:11,280

It was like a woman.

72

00:03:15,280 --> 00:03:18,280

Coming down this section tonight has been pretty active,

73

00:03:18,280 --> 00:03:21,280

so I'm kind of happy that we did get to come down here.

74

00:03:22,280 --> 00:03:24,280

I'm glad we got to come down here.

75

00:03:31,280 --> 00:03:34,280

Stephen and I were ready to investigate another area.

76

00:03:34,280 --> 00:03:37,280

But all of a sudden, we heard this loud bang, almost like a slide.

77

00:03:37,280 --> 00:03:39,280

Like something was moving.

78

00:03:46,280 --> 00:03:48,280

Where'd it come from?

79

00:03:48,280 --> 00:03:50,280

Just not sure exactly what made the noise.

80

00:03:50,280 --> 00:03:53,280

Was it debris falling? Was it an object moving?

81

00:03:53,280 --> 00:03:55,280

We heard it coming from this hallway.

82

00:03:55,280 --> 00:03:57,280

We both instantly went that way.

83

00:03:57,280 --> 00:03:59,280

We both knew exactly where it came from.

84

00:03:59,280 --> 00:04:01,280

We instantly didn't even hesitate.

85

00:04:01,280 --> 00:04:03,280

We both just turned and went right for it.

86

00:04:03,280 --> 00:04:07,280

I'm telling you, I know we have a digital recorder over here in that room.

87

00:04:07,280 --> 00:04:12,280

So let's see if maybe that may have caught that noise.

88

00:04:12,280 --> 00:04:15,280

We listened to the recorder we had nearby.

89

00:04:15,280 --> 00:04:17,280

I don't know why.

90

00:04:19,280 --> 00:04:21,280

That was it.

91

00:04:21,280 --> 00:04:25,280

And to me it sounds like an object or something actually moving.

92

00:04:25,280 --> 00:04:31,280

Well, Tango, I don't think we were able to find the source of that noise.

93

00:04:31,280 --> 00:04:32,280

No.

94

00:04:32,280 --> 00:04:34,280

Maybe we'll find some activity.

95

00:04:34,280 --> 00:04:36,280

I mean, if there's something going on, that was paranormal.

96

00:04:36,280 --> 00:04:39,280

Hopefully we'll get it again, you know?

97

00:04:46,280 --> 00:04:48,280

You've already talked to us a few times.

98

00:04:48,280 --> 00:04:51,280

You've sort of showed yourself to us.

99

00:04:55,280 --> 00:04:58,280

Keep on hearing the whispering.

100

00:04:59,280 --> 00:05:01,280

There it is again.

101

00:05:09,280 --> 00:05:11,280

Do you see the shadow?

102

00:05:11,280 --> 00:05:14,280

It's the same shadow I saw.

103

00:05:15,280 --> 00:05:19,280

Just earlier. It's a same freaking shadow.

104

00:05:19,280 --> 00:05:24,280

The great night we walked by the kitchen area where I had seen what appeared to be a shadow

105

00:05:24,280 --> 00:05:27,280

dark from one side of the room to the other.

106

00:05:27,280 --> 00:05:31,280

So we decided we were going to head in there and try to do a further investigation.

107

00:05:36,280 --> 00:05:38,280

Did you hear that?

108

00:05:38,280 --> 00:05:42,280

All of a sudden there was a loud bang from the back room area.

109

00:05:42,280 --> 00:05:45,280

We headed in there as quickly as possible.

110

00:05:45,280 --> 00:05:50,280

What the frick? How come that solid shadow is then you get bangs?

111

00:05:50,280 --> 00:05:52,280

But there's nothing here.

112

00:05:52,280 --> 00:05:55,280

There were no doorways out as well.

113

00:05:55,280 --> 00:06:01,280

So if there was something there, it was hiding somewhere right around us and we just couldn't see it.

114

00:06:01,280 --> 00:06:04,280

We don't know. People could have been killed in here, Tango.

115

00:06:04,280 --> 00:06:06,280

Never know, man.

116

00:06:06,280 --> 00:06:08,280

Let's go up here and take a ride.

117

00:06:08,280 --> 00:06:09,280

Be real careful.

118

00:06:09,280 --> 00:06:11,280

Be careful climbing this.

119

00:06:11,280 --> 00:06:13,280

Look at this.

120

00:06:13,280 --> 00:06:14,280

Pipes.

121

00:06:14,280 --> 00:06:15,280

Okay?

122

00:06:15,280 --> 00:06:16,280

Yeah.

123

00:06:19,280 --> 00:06:21,280

I tell you what, Tango.

124

00:06:21,280 --> 00:06:23,280

You take those tightest holes.

125

00:06:23,280 --> 00:06:25,280

You take the big ones.

126

00:06:25,280 --> 00:06:27,280

You take the big ones.

127

00:06:27,280 --> 00:06:29,280

You take the big ones.

128

00:06:30,280 --> 00:06:33,280

You take those tightest ones on a big level.

129

00:06:33,280 --> 00:06:35,280

Every time we go somewhere.

130

00:06:40,280 --> 00:06:42,280

We're now spelunkers.

131

00:06:42,280 --> 00:06:44,280

You sure?

132

00:06:45,280 --> 00:06:47,280

Here I got you.

133

00:06:47,280 --> 00:06:49,280

You good?

134

00:06:49,280 --> 00:06:51,280

There we go.

135

00:06:51,280 --> 00:06:53,280

We got her.

136

00:07:00,280 --> 00:07:03,280

What about you, Chris? What did you get?

137

00:07:03,280 --> 00:07:05,280

They went into the history a little bit.

138

00:07:05,280 --> 00:07:08,280

They said that it was originally built to hold 250 people.

139

00:07:08,280 --> 00:07:13,280

And by the time the place ended up shutting down, it held about five times that.

140

00:07:13,280 --> 00:07:15,280

So it was very crowded.

141

00:07:15,280 --> 00:07:19,280

And once it got to a point where it was overcrowded, it kind of went crazy.

142

00:07:19,280 --> 00:07:24,280

As far as crimes against patients, patients, patients against staff, all that.

143

00:07:24,280 --> 00:07:26,280

But he had heard of a shooting on the third floor.

144

00:07:26,280 --> 00:07:27,280

A shooting?

145

00:07:27,280 --> 00:07:28,280

A shooting.

146

00:07:28,280 --> 00:07:33,280

He had known of several suicides, but there was two that stuck out to him.

147

00:07:33,280 --> 00:07:35,280

One was a woman who was 23.

148

00:07:35,280 --> 00:07:37,280

It was 11 years after the place opened.

149

00:07:37,280 --> 00:07:39,280

She hung herself with a bed sheet.

150

00:07:39,280 --> 00:07:41,280

There was another male who had done the same thing in World 2.

151

00:07:41,280 --> 00:07:44,280

He said that the deaths a year kind of varied.

152

00:07:44,280 --> 00:07:46,280

It could be 100 a year, 200, 300.

153

00:07:46,280 --> 00:07:49,280

It all depended on if influenza or disease was coming through.

154

00:07:49,280 --> 00:07:50,280

We got to get out of here.

155

00:07:50,280 --> 00:07:53,280

Well, all in all, the building is just an incredible place.

156

00:07:53,280 --> 00:07:59,280

I'm just happy that we're able to back up our experiences with being able to actually catch it.
