

1

00:00:00,000 --> 00:00:06,000

All right, Dave, here it is, the basement.

2

00:00:06,000 --> 00:00:08,000

Huh.

3

00:00:08,000 --> 00:00:09,000

It's pretty spacious.

4

00:00:09,000 --> 00:00:11,000

It is a big basement.

5

00:00:11,000 --> 00:00:13,000

A lot of activity down here.

6

00:00:13,000 --> 00:00:14,000

Yeah?

7

00:00:14,000 --> 00:00:16,000

Yeah, shadows, hearing voices,

8

00:00:16,000 --> 00:00:19,000

seeing actual things walk,

9

00:00:19,000 --> 00:00:21,000

like footsteps walking above them

10

00:00:21,000 --> 00:00:23,000

and seeing the dirt come down.

11

00:00:23,000 --> 00:00:25,000

Oh.

12

00:00:25,000 --> 00:00:27,000

So would you say what was visual again?

13

00:00:27,000 --> 00:00:28,000

What was visual down here?

14

00:00:29,000 --> 00:00:31,000

Oh, God.

15

00:00:31,000 --> 00:00:33,000

I didn't see that.

16

00:00:35,000 --> 00:00:36,000

I didn't see it.

17

00:00:36,000 --> 00:00:37,000

I thought it was a web or something.

18

00:00:37,000 --> 00:00:38,000

I thought it was like a spider-man.

19

00:00:38,000 --> 00:00:39,000

Yeah.

20

00:00:42,000 --> 00:00:43,000

Jeez, man.

21

00:00:43,000 --> 00:00:44,000

That's long.

22

00:00:44,000 --> 00:00:46,000

I mean, does it really have to be that long?

23

00:00:46,000 --> 00:00:48,000

Ooh, it's a golden net.

24

00:00:48,000 --> 00:00:49,000

Feels nice, man.

25

00:00:49,000 --> 00:00:50,000

Wow.

26

00:00:50,000 --> 00:00:52,000

Ooh.

27

00:00:52,000 --> 00:00:53,000

Ooh.

28

00:00:58,000 --> 00:01:00,000

The third floor.

29

00:01:00,000 --> 00:01:04,000

The third floor is the floor that has the skeleton in the casket.

30

00:01:04,000 --> 00:01:08,000

Where the heck would I keep a skeleton out of here?

31

00:01:08,000 --> 00:01:11,000

On this floor, they've reported seeing shadows,

32

00:01:11,000 --> 00:01:13,000

hearing voices from the floor above

33

00:01:13,000 --> 00:01:16,000

and also hearing what sounds like bowling from a floor above.

34

00:01:16,000 --> 00:01:18,000

So what's the third floor?

35

00:01:18,000 --> 00:01:21,000

The third floor is the floor that has the skeleton in the casket.

36

00:01:21,000 --> 00:01:24,000

Where the heck would I keep a skeleton out of here?

37

00:01:24,000 --> 00:01:26,000

Hearing voices from the floor above

38

00:01:26,000 --> 00:01:29,000

and also hearing what sounds like bowling from a floor above.

39

00:01:31,000 --> 00:01:33,000

Oh, that.

40

00:01:33,000 --> 00:01:35,000

No way.

41

00:01:39,000 --> 00:01:41,000

Are you freaking kidding me?

42

00:01:46,000 --> 00:01:48,000

God, this sucks.

43

00:01:48,000 --> 00:01:50,000

All right.

44

00:01:51,000 --> 00:01:53,000

Oh.

45

00:01:54,000 --> 00:01:56,000

I ended up checking out the skeleton.

46

00:01:56,000 --> 00:01:57,000

Very, very strange.

47

00:01:57,000 --> 00:01:59,000

Why it's here, I'm not really sure.

48

00:01:59,000 --> 00:02:01,000

Kind of a weird place for it to end up.

49

00:02:03,000 --> 00:02:05,000

Oh, my God.

50

00:02:10,000 --> 00:02:14,000

There's absolutely nothing normal about this.

51

00:02:15,000 --> 00:02:17,000

And then for them to go and stick it in a casket

52

00:02:17,000 --> 00:02:19,000

and just leave it lying around

53

00:02:19,000 --> 00:02:22,000

is even stranger, don't understand that at all.

54

00:02:24,000 --> 00:02:26,000

Okay, that's enough for me.

55

00:02:29,000 --> 00:02:33,000

All right, this is Chris on the third floor with the skeleton.

56

00:02:34,000 --> 00:02:37,000

I have brought two objects with me.

57

00:02:37,000 --> 00:02:41,000

Both are here to help me talk with you.

58

00:02:41,000 --> 00:02:44,000

While I was doing EVP work, I was also using a K2.

59

00:02:44,000 --> 00:02:47,000

There is someone here and you are listening to me

60

00:02:47,000 --> 00:02:49,000

and you can understand me.

61

00:02:49,000 --> 00:02:53,000

I really need you to do something to get my attention.

62

00:02:56,000 --> 00:02:58,000

There's a person in this coffin here.

63

00:02:58,000 --> 00:03:00,000

Can they talk to me?

64

00:03:06,000 --> 00:03:08,000

Holy freaking shit.

65

00:03:10,000 --> 00:03:14,000

There was a couple times where the K2 did flicker, it did light up.

66

00:03:14,000 --> 00:03:16,000

Holy shit.

67

00:03:16,000 --> 00:03:18,000

All right, I just got the serious chills

68

00:03:18,000 --> 00:03:21,000

because I haven't seen that thing flash at all so far.

69

00:03:21,000 --> 00:03:25,000

The odd thing to me was as soon as I directed my questions

70

00:03:25,000 --> 00:03:29,000

to the bones in the casket, it started lighting up.

71

00:03:29,000 --> 00:03:33,000

Okay, if you want to tell me your name, go as close to that red light

72

00:03:33,000 --> 00:03:36,000

right here as possible and yell it.

73

00:03:36,000 --> 00:03:39,000

Yell it as loud as you can. Can you do that for me?

74

00:03:39,000 --> 00:03:42,000

Holy shit.

75

00:03:47,000 --> 00:03:50,000

Not really sure what caused it to do that.

76

00:03:50,000 --> 00:03:53,000

It did last for very long, worked for a couple of questions,

77

00:03:53,000 --> 00:03:55,000

then it stopped.

78

00:03:55,000 --> 00:03:57,000

The battery's on this thing too.

79

00:03:57,000 --> 00:04:00,000

So I'm not sure if it's just some random thing,

80

00:04:00,000 --> 00:04:03,000

some interference that the K2's picking up on,

81

00:04:03,000 --> 00:04:05,000

or if it's something here.

82

00:04:06,000 --> 00:04:09,000

Hello? Is anybody here?

83

00:04:17,000 --> 00:04:20,000

I'm going to start with some base EMF readings, okay?

84

00:04:20,000 --> 00:04:22,000

All right.

85

00:04:22,000 --> 00:04:28,000

As the EMF is low, despite having all this machinery down here,

86

00:04:28,000 --> 00:04:30,000

it's not too bad, you know?

87

00:04:30,000 --> 00:04:32,000

Yeah.

88

00:04:33,000 --> 00:04:45,000

0.2, 0.1, 0.3, 0.2, 0.1, 0.3, 0.2.

89

00:04:47,000 --> 00:04:49,000

All right, Dave. I'm going to have a seat here.

90

00:04:49,000 --> 00:04:50,000

All right.

91

00:04:50,000 --> 00:04:52,000

You're going to have a seat there.

92

00:05:03,000 --> 00:05:08,000

Especially on this shelving unit, or close by it,

93

00:05:08,000 --> 00:05:12,000

I just keep seeing almost like a swirling type look,

94

00:05:12,000 --> 00:05:14,000

like a misty swirl, same color.

95

00:05:14,000 --> 00:05:16,000

Yeah.

96

00:05:16,000 --> 00:05:18,000

But dark.

97

00:05:18,000 --> 00:05:20,000

And I'm honestly having a hard time

98

00:05:20,000 --> 00:05:22,000

knowing if it's my eyes or not.

99

00:05:22,000 --> 00:05:24,000

Take a minute to investigate it in the basement,

100

00:05:24,000 --> 00:05:26,000

and there was one particular instance where

101

00:05:26,000 --> 00:05:29,000

I sort of thought I was seeing some misty kind of swirling.

102

00:05:29,000 --> 00:05:31,000

Shadow-like type of images,

103

00:05:31,000 --> 00:05:34,000

but it's pretty easy for your eyes to play tricks on you,

104

00:05:34,000 --> 00:05:36,000

especially when they're adjusting to the light

105

00:05:36,000 --> 00:05:38,000

and adjusting to the dark.

106

00:05:38,000 --> 00:05:40,000

I'm seeing it again, Dave.

107

00:05:40,000 --> 00:05:41,000

Right now?

108

00:05:41,000 --> 00:05:43,000

Just off in the left.

109

00:05:43,000 --> 00:05:45,000

But to be honest with you, the more I see it,

110

00:05:45,000 --> 00:05:48,000

the more I tend to think it's just the depth of the darkness.

111

00:05:48,000 --> 00:05:50,000

Even though it continued to happen,

112

00:05:50,000 --> 00:05:52,000

I don't think it's anything paranormal.

113

00:05:52,000 --> 00:05:54,000

I think it was just my eyes.

114

00:06:00,000 --> 00:06:03,000

Can you knock on something if you're here?

115

00:06:11,000 --> 00:06:13,000

Let's see.

116

00:06:13,000 --> 00:06:15,000

After Kristen had asked if it could knock on something,

117

00:06:15,000 --> 00:06:18,000

we did hear some sort of knock or bump or...

118

00:06:18,000 --> 00:06:20,000

I'm not sure what it was.

119

00:06:20,000 --> 00:06:23,000

We're not here to hurt you or to be mean.

120

00:06:23,000 --> 00:06:26,000

So could you please knock on something?

121

00:06:30,000 --> 00:06:32,000

Dude, what?

122

00:06:32,000 --> 00:06:34,000

Is that a pipe though?

123

00:06:34,000 --> 00:06:35,000

No!

124

00:06:35,000 --> 00:06:38,000

So she asked again, we got the same sound.

125

00:06:38,000 --> 00:06:40,000

The second time, it sounded like a pipe to me.

126

00:06:40,000 --> 00:06:43,000

Okay, if that was you and you are knocking for us,

127

00:06:43,000 --> 00:06:45,000

can you do two right away?

128

00:06:45,000 --> 00:06:47,000

Two quick knocks.

129

00:06:51,000 --> 00:06:53,000

There's tons of pipes down here.

130

00:06:53,000 --> 00:06:55,000

There's tons of machines down here.

131

00:06:55,000 --> 00:06:57,000

There's no saying it's definitely paranormal.

132

00:06:57,000 --> 00:06:59,000

There's no saying that it's definitely a pipe.

133

00:06:59,000 --> 00:07:01,000

But when we asked for the third time,

134

00:07:01,000 --> 00:07:03,000

we didn't get a response.

135

00:07:07,000 --> 00:07:10,000

Nantay, this will let them know that we're coming.

136

00:07:10,000 --> 00:07:12,000

And they'll come out to interact with us.

137

00:07:12,000 --> 00:07:14,000

Or it'll let them know we're coming

138

00:07:14,000 --> 00:07:16,000

and they'll stay away from us.

139

00:07:16,000 --> 00:07:18,000

Which do you think will happen?

140

00:07:18,000 --> 00:07:20,000

Well, when you hear a bell, it usually...

141

00:07:20,000 --> 00:07:22,000

So if we ring the bell, they'll come towards us.

142

00:07:22,000 --> 00:07:24,000

Roll them up.

143

00:07:24,000 --> 00:07:26,000

Hey, man, I never did we get a bell.

144

00:07:28,000 --> 00:07:30,000

We're coming now.

145

00:07:35,000 --> 00:07:37,000

Now, the good thing is here is that,

146

00:07:37,000 --> 00:07:40,000

I mean, having a haunted house is probably more of a novelty

147

00:07:40,000 --> 00:07:43,000

to you than most people who would be pretty scared.

148

00:07:43,000 --> 00:07:45,000

So you're in a good situation. You've got the right mindset.

149

00:07:45,000 --> 00:07:50,000

What we would recommend to you is just give you a few tips.

150

00:07:50,000 --> 00:07:53,000

There's a lot of different things we recommend to homeowners.

151

00:07:53,000 --> 00:07:56,000

You know, first off, you can get your own digital recorder.

152

00:07:56,000 --> 00:07:58,000

You can get your own camcorders.

153

00:07:58,000 --> 00:08:00,000

You can get your own logbook.

154

00:08:00,000 --> 00:08:02,000

You know, when something happens,

155

00:08:02,000 --> 00:08:04,000

write down the time where it happened in the logbook.

156

00:08:04,000 --> 00:08:07,000

And you actually might see that it might start adding up

157

00:08:07,000 --> 00:08:10,000

where you're getting the same sort of activity at the same time

158

00:08:10,000 --> 00:08:13,000

in certain areas, which help in investigation.

159

00:08:13,000 --> 00:08:16,000

Because then you're able to actually set up your own camcorder

160

00:08:16,000 --> 00:08:19,000

or a digital recorder in those areas

161

00:08:19,000 --> 00:08:21,000

and catch that great activity as well.
