

1

00:00:00,000 --> 00:00:08,120

I decided when we bought the house to take a few days to come in and do a little bit

2

00:00:08,120 --> 00:00:11,400

of painting and everything before we moved the furniture in.

3

00:00:11,400 --> 00:00:18,520

So I was upstairs in our master bedroom scraping the walls and I came back down to the kitchen

4

00:00:18,520 --> 00:00:23,000

and I heard like literally a blood curdling scream coming from upstairs.

5

00:00:23,000 --> 00:00:24,760

And there's no one else here.

6

00:00:24,760 --> 00:00:25,720

There's nobody here but me.

7

00:00:31,000 --> 00:00:38,400

As far as the basement's concerned, I don't feel funny in any of the areas, you know?

8

00:00:38,400 --> 00:00:40,280

I don't feel like there's anybody watching me.

9

00:00:40,280 --> 00:00:43,000

I don't feel like there's any sort of other presence there.

10

00:00:43,000 --> 00:00:47,240

I don't think we should just take off and sell it short.

11

00:00:47,240 --> 00:00:51,120

No, we should probably hang out in this room for a little bit.

12

00:00:51,120 --> 00:00:54,120

That's the fridge.

13

00:00:55,120 --> 00:01:00,120

So I'll take a look out this way and that way.

14

00:01:00,120 --> 00:01:01,120

Alright.

15

00:01:01,120 --> 00:01:03,120

And you take a look out in that room and that room.

16

00:01:03,120 --> 00:01:04,120

Alright?

17

00:01:11,120 --> 00:01:12,120

Hello?

18

00:01:15,120 --> 00:01:16,120

I'm Steve.

19

00:01:16,120 --> 00:01:17,120

I'm Dave.

20

00:01:17,120 --> 00:01:19,120

We're here just to communicate with you.

21

00:01:20,120 --> 00:01:25,120

Mr. Hanum, are you here with us?

22

00:01:29,120 --> 00:01:32,120

We know this was your house for quite some time.

23

00:01:35,120 --> 00:01:38,120

Could you tell us what this basement was used for?

24

00:01:38,120 --> 00:01:49,120

If you're not Mr. Hanum, can you make a noise?

25

00:01:49,120 --> 00:01:54,120

Something very loud within this room?

26

00:01:56,120 --> 00:02:01,120

Mr. Hanum, if you can't see us, we're in the middle of the basement.

27

00:02:01,120 --> 00:02:08,120

If you want to come over to us and talk to us.

28

00:02:13,120 --> 00:02:19,120

Whoever is here with us, can you please let us know somehow?

29

00:02:20,120 --> 00:02:24,120

Give us any sort of sign just so we know that you don't want to talk to us.

30

00:02:24,120 --> 00:02:26,120

That way we can leave.

31

00:02:31,120 --> 00:02:40,120

Hey guys.

32

00:02:40,120 --> 00:02:41,120

Hey.

33

00:02:41,120 --> 00:02:42,120

Hey.

34

00:02:42,120 --> 00:02:44,120

So the Hanum house.

35

00:02:44,120 --> 00:02:45,120

Hanum house, yeah?

36

00:02:45,120 --> 00:02:49,120

We tried to, very, very heavy to debunk, at least to anyone I did.

37

00:02:49,120 --> 00:02:50,120

Well, we did too.

38

00:02:50,120 --> 00:02:55,120

The only thing we had that was strange was when we were in the daughter's room,

39

00:02:55,120 --> 00:02:56,120

you could hear footsteps.

40

00:02:56,120 --> 00:02:59,120

Somebody walking up and down the hallway, nobody was in there.

41

00:02:59,120 --> 00:03:03,120

And they even put my ear to the floor and you could hear the sound of walking.

42

00:03:03,120 --> 00:03:05,120

And that's when the house was empty.

43

00:03:05,120 --> 00:03:06,120

And then you had the bed vibrating.

44

00:03:06,120 --> 00:03:09,120

Yeah, I was sitting on the bed and we were hearing some things.

45

00:03:09,120 --> 00:03:14,120

Then the bed would start to, I wouldn't say vibrate, but just kind of sway like this.

46

00:03:14,120 --> 00:03:17,120

And you couldn't really feel it coming through the post.

47

00:03:17,120 --> 00:03:19,120

It was only on the bed.

48

00:03:19,120 --> 00:03:20,120

Oh, that's cool.

49

00:03:20,120 --> 00:03:25,120

So yeah, I put my ear to the floor again, listen to see if the furnace was kicking on and off, creating that.

50

00:03:25,120 --> 00:03:27,120

No, the furnace had been on the whole time.

51

00:03:27,120 --> 00:03:30,120

So I don't know really what to say about that.

52

00:03:30,120 --> 00:03:31,120

Did you guys have anything else happen?

53

00:03:31,120 --> 00:03:36,120

I remember one point telling you and I thought we were to get heard a strange like rustling or a movement or something,

54

00:03:36,120 --> 00:03:39,120

but we just chalked that up to the wind.

55

00:03:39,120 --> 00:03:41,120

That's about it.

56

00:03:41,120 --> 00:03:44,120

And Amy and I were in the attic off to the right.

57

00:03:44,120 --> 00:03:45,120

There was this little door.

58

00:03:45,120 --> 00:03:51,120

We're sitting there for a while and Amy kept saying that she was feeling the cobweb effect.

59

00:03:51,120 --> 00:03:53,120

That was pretty much it for us.

60

00:03:53,120 --> 00:03:55,120

So would we catch evidence-wise though, anything?

61

00:03:55,120 --> 00:04:00,120

Yeah, we did get some things that have taken our interest and hopefully yours as well.

62

00:04:00,120 --> 00:04:01,120

Alright, let's see it.

63

00:04:01,120 --> 00:04:02,120

Let's take a look.

64

00:04:02,120 --> 00:04:04,120

First, we're going to play a few audio clips for you.

65

00:04:04,120 --> 00:04:07,120

Dave, which one do you think we should start with?

66

00:04:07,120 --> 00:04:08,120

Chris and Amy in the attic.

67

00:04:08,120 --> 00:04:10,120

Alright, let's see this.

68

00:04:16,120 --> 00:04:17,120

I didn't hear anything.

69

00:04:17,120 --> 00:04:18,120

Here we go.

70

00:04:23,120 --> 00:04:25,120

It's a real low grumbly voice.

71

00:04:25,120 --> 00:04:26,120

It's very low.

72

00:04:26,120 --> 00:04:27,120

Do it again?

73

00:04:27,120 --> 00:04:28,120

Deep.

74

00:04:28,120 --> 00:04:29,120

Very deep.

75

00:04:34,120 --> 00:04:36,120

You signed it or you find it?

76

00:04:36,120 --> 00:04:39,120

It's saying, yeah, you find it or you signed it.

77

00:04:39,120 --> 00:04:42,120

It almost sounds like you signed the wall or you'll find it in the wall.

78

00:04:42,120 --> 00:04:43,120

It's interesting.

79

00:04:43,120 --> 00:04:45,120

You can go somewhere with that, you know?

80

00:04:45,120 --> 00:04:46,120

It's not just a voice.

81

00:04:46,120 --> 00:04:48,120

Giving you information, yeah.

82

00:04:48,120 --> 00:04:49,120

Clues.

83

00:04:49,120 --> 00:04:51,120

Well, that's great.

84

00:04:51,120 --> 00:04:52,120

What else we got?

85

00:04:52,120 --> 00:04:54,120

We have another one here that-

86

00:04:54,120 --> 00:04:55,120

Same place.

87

00:04:55,120 --> 00:04:56,120

You think you like the same place, yeah?

88

00:04:56,120 --> 00:04:57,120

Chris and Amy.

89

00:04:57,120 --> 00:04:58,120

Chris and Amy.

90

00:04:58,120 --> 00:04:59,120

Okay, I'll play it.

91

00:05:06,120 --> 00:05:10,120

Honestly, it sounds like thousand is the last word, so I have no idea what the whole is saying.

92

00:05:10,120 --> 00:05:11,120

Thousand.

93

00:05:11,120 --> 00:05:13,120

It's definitely a female.

94

00:05:13,120 --> 00:05:18,120

Alright, well, we got some really good EVPs and some really strange ones as well.

95

00:05:18,120 --> 00:05:19,120

What else do we got?

96

00:05:19,120 --> 00:05:20,120

We did.

97

00:05:20,120 --> 00:05:22,120

Well, we have one last clip here for you guys.

98

00:05:22,120 --> 00:05:27,120

You're going to see right here what looks like a reflection and then something moving.

99

00:05:27,120 --> 00:05:33,120

But if it was your flashlight or something, I find it hard to believe it would just be that little, little spot.

100

00:05:33,120 --> 00:05:37,120

It would have some sort of panning motion or some sort of, you know what I mean?

101

00:05:37,120 --> 00:05:40,120

But take a look at it and see what you guys think of it.

102

00:05:40,120 --> 00:05:41,120

And over here.

103

00:05:41,120 --> 00:05:42,120

There it is.

104

00:05:42,120 --> 00:05:44,120

But then you're going to see a little bit of a left to right movement.

105

00:05:44,120 --> 00:05:46,120

It doesn't quite make sense.

106

00:05:46,120 --> 00:05:47,120

See that?

107

00:05:47,120 --> 00:05:49,120

Very slow, very slight.

108

00:05:49,120 --> 00:05:54,120

Three line back to when that reflection comes through.

109

00:05:54,120 --> 00:05:55,120

Watch.

110

00:05:57,120 --> 00:05:58,120

Cool.

111

00:05:58,120 --> 00:05:59,120

Yeah, it happens on the other one.

112

00:05:59,120 --> 00:06:00,120

Yeah, this I saw on there.

113

00:06:00,120 --> 00:06:02,120

That's some sort of reflection reflecting off.

114

00:06:02,120 --> 00:06:03,120

Okay, good.

115

00:06:03,120 --> 00:06:04,120

Excellent.

116

00:06:04,120 --> 00:06:05,120

Thanks guys.

117

00:06:05,120 --> 00:06:06,120

Alright, well, we definitely got some weird stuff to show.

118

00:06:06,120 --> 00:06:07,120

I'm excited.

119

00:06:07,120 --> 00:06:08,120

Yeah, make us a copy.

120

00:06:08,120 --> 00:06:09,120

Cool.

121

00:06:09,120 --> 00:06:10,120

Alright, thanks guys.

122

00:06:10,120 --> 00:06:11,120

Bye-bye.

123

00:06:12,120 --> 00:06:16,120

Here's the namey.

124

00:06:16,120 --> 00:06:17,120

Making a lot of noise.

125

00:06:17,120 --> 00:06:19,120

I feel hurting things.

126

00:06:19,120 --> 00:06:20,120

Alright.

127

00:06:20,120 --> 00:06:21,120

Alright.

128

00:06:21,120 --> 00:06:22,120

Okay.

129

00:06:22,120 --> 00:06:23,120

Wow.

130

00:06:23,120 --> 00:06:27,120

This is the smallest pan.

131

00:06:27,120 --> 00:06:31,120

Amy and I were investigating the loft where people were saying they were hearing loud

132

00:06:31,120 --> 00:06:33,120

noises like somebody was up there moving things around.

133

00:06:33,120 --> 00:06:35,120

There's a lot of stuff up here.

134

00:06:35,120 --> 00:06:40,120

It seems like if anything fell, it would have been a lot of noise.

135

00:06:40,120 --> 00:06:45,120

If anything fell or moved, that would be enough to make a huge amount of noise, even

136

00:06:45,120 --> 00:06:48,120

if it's just like a little box falling or something.

137

00:06:48,120 --> 00:06:50,120

What would cause things to fall over?

138

00:06:50,120 --> 00:06:52,120

Well, we saw mice outside.

139

00:06:52,120 --> 00:07:00,120

I mean, if it was a mouse or something, maybe it just sounded louder down there.

140

00:07:00,120 --> 00:07:01,120

We're telling you a mouse.

141

00:07:01,120 --> 00:07:02,120

Okay.

142

00:07:02,120 --> 00:07:03,120

I'm going to go down there.

143

00:07:03,120 --> 00:07:04,120

Alright.

144

00:07:04,120 --> 00:07:05,120

Make mouse noises.

145

00:07:05,120 --> 00:07:06,120

Alright.

146

00:07:06,120 --> 00:07:07,120

At one point Amy and I did split up.

147

00:07:07,120 --> 00:07:08,120

We went down to the first floor.

148

00:07:08,120 --> 00:07:11,120

I stayed up on the loft.

149

00:07:11,120 --> 00:07:13,120

I was lightly tapping things with my foot.

150

00:07:13,120 --> 00:07:16,120

A bag full of ties, buckets full of clothes.

151

00:07:16,120 --> 00:07:18,120

I'm hearing all kinds of noise.

152

00:07:18,120 --> 00:07:19,120

It sounds like a ruckus.

153

00:07:19,120 --> 00:07:20,120

Nuh-uh.

154

00:07:20,120 --> 00:07:22,120

It's loud down here, Chris.

155

00:07:22,120 --> 00:07:23,120

I swear.

156

00:07:23,120 --> 00:07:27,120

Those slight movements that I was making, she described as a ruckus.

157

00:07:27,120 --> 00:07:28,120

That's really loud.

158

00:07:28,120 --> 00:07:29,120

What are you doing?

159

00:07:29,120 --> 00:07:30,120

Pushing the bag with the ties.

160

00:07:30,120 --> 00:07:32,120

You just pushed that bag with the ties.

161

00:07:32,120 --> 00:07:33,120

That was loud.

162

00:07:33,120 --> 00:07:34,120

Alright, let's switch.

163

00:07:34,120 --> 00:07:35,120

I'm going to see this.

164

00:07:35,120 --> 00:07:36,120

Alright.

165

00:07:36,120 --> 00:07:37,120

I'm going to hear it.

166

00:07:37,120 --> 00:07:41,120

We actually had to switch because I couldn't believe that what I was doing, which was so

167

00:07:41,120 --> 00:07:44,120

slight, would make so much noise on the first floor.

168

00:07:44,120 --> 00:07:45,120

Alright, ready?

169

00:07:45,120 --> 00:07:46,120

Yep.

170

00:07:46,120 --> 00:07:55,120

So you're not hearing any of that?

171

00:07:55,120 --> 00:07:56,120

No, I'm hearing all of it.

172

00:07:56,120 --> 00:08:00,120

Yeah, I mean it's got to be just because it's so close to the ceiling and the sounds get

173

00:08:00,120 --> 00:08:01,120

nowhere else to go.

174

00:08:01,120 --> 00:08:02,120

Because it's loud, right?

175

00:08:02,120 --> 00:08:03,120

Yeah.

176

00:08:03,120 --> 00:08:04,120

It's really loud.

177

00:08:04,120 --> 00:08:05,120

I'm hardly doing anything.

178

00:08:05,120 --> 00:08:06,120

Yeah.

179

00:08:06,120 --> 00:08:07,120

From downstairs, it's not allowed.

180

00:08:07,120 --> 00:08:09,880

It's not like somebody was up there physically moving things.

181

00:08:09,880 --> 00:08:21,120

So I think it's completely possible that it's just a problem with rodents.

182

00:08:21,120 --> 00:08:26,120

While we were looking for an explanation for that moan upstairs, we opened up the bathroom.

183

00:08:26,120 --> 00:08:33,120

Smell like, smell like cigar smoke in there.

184

00:08:34,120 --> 00:08:35,120

It really does, yeah.

185

00:08:35,120 --> 00:08:38,120

Cigar, like a flavored cigar, like a pipe.

186

00:08:38,120 --> 00:08:40,120

It was pretty strong in the bathroom.

187

00:08:40,120 --> 00:08:43,120

And I was looking all over for anything that could explain that odor.

188

00:08:43,120 --> 00:08:47,120

Now there was an air freshener on the wall, but that emitted a totally different smell.

189

00:08:47,120 --> 00:08:49,120

No, it smells like soap.

190

00:08:49,120 --> 00:08:50,120

Yeah.

191

00:08:50,120 --> 00:08:51,120

I'm smelling more.

192

00:08:51,120 --> 00:08:52,120

Do you smell it?

193

00:08:52,120 --> 00:08:53,120

No, really.

194

00:08:53,120 --> 00:08:57,120

As we were looking for the source of it, it disappeared.

195

00:08:58,120 --> 00:09:05,120

Getting a pipe slash cigar smell in the bathroom quickly dissipated.

196

00:09:05,120 --> 00:09:07,120

You still smell it?

197

00:09:07,120 --> 00:09:09,120

No, really.

198

00:09:09,120 --> 00:09:14,120

I'm gonna shut the door, give it a minute or two, and see if it does it again.

199

00:09:14,120 --> 00:09:16,120

K2 just went off on it.

200

00:09:16,120 --> 00:09:18,120

Yeah, I don't smell it over here.

201

00:09:18,120 --> 00:09:20,120

K2's going off.

202

00:09:20,120 --> 00:09:26,120

Shut the door and let it go.

203

00:09:26,120 --> 00:09:31,120

But this is a product, it's a manly where that noise came from.
