

1

00:00:00,000 --> 00:00:02,000

I

2

00:00:02,400 --> 00:00:04,400

Problem if I do this

3

00:00:04,920 --> 00:00:06,920

No, actually that helps. Oh

4

00:00:08,520 --> 00:00:13,960

Hey Chris, what's up? Hey you? I want to talk to you grant about a case that just came in

5

00:00:15,000 --> 00:00:17,160

It's actually the lake

6

00:00:17,160 --> 00:00:22,440

Air station in Lake Harrison Jersey. It's the site of Hindenburg disaster. Oh, okay

7

00:00:22,440 --> 00:00:25,840

They've just got a ton of things going on and I guess there's a few buildings

8

00:00:25,840 --> 00:00:31,480

They want us to check out but the main one is hangar one. I guess most the activity revolves around that building

9

00:00:31,480 --> 00:00:36,700

All right, it sounds good. We're we're just finishing up a job. We should be able to be back at the office later

10

00:00:36,720 --> 00:00:39,280

Okay, sounds good. I'll be here. All right. Bye

11

00:00:47,160 --> 00:00:55,000

Down here in this room there's a dental chair in there and there have been incidents where the chair was up in the air

12

00:00:55,840 --> 00:01:01,120

So it was put down the person who put the chair down would come back find it back up in the air again

13

00:01:01,280 --> 00:01:06,640

Just this chair. I see other chairs in other rooms. My knowledge. This is the dental chair where it's occurred. Yes, okay?

14

00:01:06,760 --> 00:01:08,760

Okay

15

00:01:11,720 --> 00:01:13,880

Is everyone from the US Navy here tonight?

16

00:01:16,960 --> 00:01:19,160

Are there any German citizens here tonight?

17

00:01:19,760 --> 00:01:28,520

We've been told that there's been someone spotted walking through here

18

00:01:31,320 --> 00:01:37,120

Know whether your energy is just a memory that's playing throughout this place or if you're actually still here

19

00:01:38,760 --> 00:01:43,920

Being active trying to interact with people maybe looking for something

20

00:01:44,360 --> 00:01:50,000

We're just here to try to to document your existence

21

00:01:51,200 --> 00:01:54,360

It probably sounds silly to you being on that side, but on our side

22

00:01:55,120 --> 00:01:58,720

Keep in mind that we can't see you. We don't really know what's going on

23

00:02:00,760 --> 00:02:06,560

So if you'd be so kind to say something to our microphone down there or into the camera here

24

00:02:07,000 --> 00:02:09,000

I

25

00:02:09,440 --> 00:02:11,720

So who you are and what is your looking for?

26

00:02:12,880 --> 00:02:15,800

Why did you haven't you haven't moved on past here?

27

00:02:17,040 --> 00:02:19,040

Maybe that's all there is

28

00:02:19,680 --> 00:02:21,680

About something simple

29

00:02:22,680 --> 00:02:26,320

Could you tell us if you're a male or if you're female?

30

00:02:28,120 --> 00:02:30,680

You know, I'll do is all slide right inside this door

31

00:02:36,640 --> 00:02:39,240

All right, I'm in here completely alone. There's no one with me

32

00:02:40,360 --> 00:02:43,280

You'd like to show yourself to people once you show yourself to me

33

00:02:45,400 --> 00:02:49,480

We're here to pay attention to you. We're here to document your existence

34

00:02:50,760 --> 00:02:53,000

So now would be a great time for you to show us a sign

35

00:02:58,240 --> 00:03:04,160

Being all of it that far and alone and it's a creepy creepy hallway to be down there by yourself.
Yeah chillin

36

00:03:04,520 --> 00:03:08,720

It's uh, I can see where the brain could get away from you if you weren't quite used to it

37

00:03:15,280 --> 00:03:19,160

Smells like the dentist. I know. Oh, I hate it so much

38

00:03:20,640 --> 00:03:22,640

I have a huge dental phobia

39

00:03:24,000 --> 00:03:29,240

Amy and I ended up investigating the second floor of the medical clinic and up there

40

00:03:29,240 --> 00:03:34,960

There's this dental chair that they say moves up and down by itself. You're gonna have to get over your fear for a little bit

41

00:03:36,000 --> 00:03:38,000

Well, have you sitting it?

42

00:03:38,000 --> 00:03:40,480

I'll run some of the tools and we'll see if he gets with it

43

00:03:43,320 --> 00:03:44,320

Why not?

44

00:03:44,320 --> 00:03:50,640

Just a couple of drills. No, I'm not qualified. I got Amy to sit in the chair and we're messing with all the buttons

45

00:03:50,640 --> 00:03:56,160

Whoa, okay, stop. You have no idea what you're doing. I do. I hate dentists

46

00:03:56,440 --> 00:04:00,760

Absolutely loath the dentist just even walking in that room. Maybe get a stomach ache

47

00:04:00,760 --> 00:04:04,000

I'm pulling some teeth out today. No one's scared. Wait, you're gonna fall

48

00:04:04,960 --> 00:04:06,960

Wait down, you're supposed to look down

49

00:04:08,760 --> 00:04:10,920

Can we please fix this? What was that?

50

00:04:10,920 --> 00:04:15,600

I was just you know had knots in my stomach the entire time. I just wanted out of that room

51

00:04:15,600 --> 00:04:21,600

I don't like the smell. I don't like the chair. I don't like the surroundings. Thank God they took

the drills down

52

00:04:21,800 --> 00:04:24,640

It was so fun. It was not. It was very fun for me

53

00:04:26,160 --> 00:04:28,160

I

54

00:04:34,720 --> 00:04:36,400

Alright, man

55

00:04:36,400 --> 00:04:38,360

It's pretty much about the whole building. There's

56

00:04:39,640 --> 00:04:42,320

Sounds of people walking around voices

57

00:04:43,680 --> 00:04:48,000

Sounds like shuffling papers rustling stuff like that

58

00:04:48,160 --> 00:04:50,160

Actually

59

00:04:53,080 --> 00:04:57,320

One of the stories it takes place right here. There's a woman that was

60

00:04:58,600 --> 00:05:04,000

Standing here like receptionist type. Was this a French door? Yeah, and she saw a

61

00:05:05,080 --> 00:05:09,840

Figure pass right through here a woman going to this room here

62

00:05:09,840 --> 00:05:14,360

And there was nobody in there and she said she could actually feel the movement. Oh, wow

63

00:05:14,840 --> 00:05:16,120

When it went by

64

00:05:16,120 --> 00:05:20,720

Actually, this is a Dutch door or a French door. Yeah, French doors opened like that, right?

65

00:05:21,440 --> 00:05:23,160

So we have the shadow figure here

66

00:05:23,160 --> 00:05:27,000

And then we have a chair in this hallway that's been manipulated and moved

67

00:05:27,280 --> 00:05:31,660

This is where the figure actually came through so I'd like to maybe start there and work our way through

68

00:05:32,160 --> 00:05:34,160

Let's see what's going on

69

00:05:34,520 --> 00:05:36,520

Is this an actual working clinic?

70

00:05:36,600 --> 00:05:40,880

Yeah, they still still use this for for the guys that are on the Navy base

71

00:05:41,840 --> 00:05:46,420

This is the chair that's in question this chair here

72

00:05:47,240 --> 00:05:52,720

Said to have been lifted up, you know positioned up in the air. They would put it back down

73

00:05:52,720 --> 00:05:54,720

They come back. It's moved again in a different position

74

00:05:55,480 --> 00:06:00,920

They've seen it raised up. They put it back to normal. They come back. It would be raised up again

75

00:06:00,920 --> 00:06:02,920

It would be tilted in a different position

76

00:06:03,480 --> 00:06:07,720

So that's why it's key to have the DVR on it for the night to see what happens to it

77

00:06:07,760 --> 00:06:11,080

And actually I was talking to to our client

78

00:06:11,800 --> 00:06:15,840

during setup I bumped into him and he said that since the tour

79

00:06:17,240 --> 00:06:20,400

They they had shut the lights off and stuff for us up here

80

00:06:20,400 --> 00:06:24,240

And the security had to be called to come over because there was lights on upstairs

81

00:06:24,240 --> 00:06:25,240

Oh, really?

82

00:06:25,240 --> 00:06:30,440

They know they shut everything off. So there's already been some type of activity tonight.

83

00:06:30,840 --> 00:06:32,840

That's good for us. Yeah

84

00:06:33,360 --> 00:06:35,360

So to keep our eye open and see what happens
