

1

00:00:00,000 --> 00:00:04,340

According to what they said, this is George's chair,

2

00:00:04,340 --> 00:00:06,340

George being the entity of the house.

3

00:00:06,340 --> 00:00:09,940

And they say a lot of times, he doesn't appreciate it

4

00:00:09,940 --> 00:00:11,380

when people sit in his chair.

5

00:00:11,380 --> 00:00:13,180

And also when you do sit in his chair,

6

00:00:13,180 --> 00:00:16,620

it tends to get extremely cold.

7

00:00:16,620 --> 00:00:19,080

I'm sitting in his chair, and I'm feeling perfectly normal

8

00:00:19,080 --> 00:00:20,260

right now.

9

00:00:20,260 --> 00:00:22,020

She was saying that she felt these,

10

00:00:22,020 --> 00:00:27,860

that Tim saw the entity over here, George.

11

00:00:28,320 --> 00:00:29,820

It's our point of words.

12

00:00:51,820 --> 00:00:54,260

It's typical attic.

13

00:00:54,260 --> 00:00:55,900

So now whose room is this?

14

00:00:55,900 --> 00:00:56,860

This is my daughter, Nick.

15

00:00:56,880 --> 00:00:57,820

This is Nick.

16

00:00:57,820 --> 00:00:58,960

He's the one who's in the keys room.

17

00:00:58,960 --> 00:01:00,260

OK.

18

00:01:00,260 --> 00:01:01,660

This is George's chair.

19

00:01:01,660 --> 00:01:06,760

A couple of times I've sat in it and sat in him and gotten up.

20

00:01:06,760 --> 00:01:09,200

It's very cold.

21

00:01:09,200 --> 00:01:10,840

So I can sit in this chair?

22

00:01:10,840 --> 00:01:12,800

You might make a man.

23

00:01:12,800 --> 00:01:13,800

I think that's good.

24

00:01:23,680 --> 00:01:26,080

I bought a lightsaber today.

25

00:01:26,080 --> 00:01:27,800

I don't sell that price to Halloween shop,

26

00:01:27,800 --> 00:01:29,300

but it's like real metal.

27

00:01:29,300 --> 00:01:29,800

Mm-hmm.

28

00:01:29,800 --> 00:01:30,300

Yeah.

29

00:01:30,300 --> 00:01:32,300

I would make \$300.

30

00:01:32,300 --> 00:01:33,300

I don't sell that.

31

00:01:33,300 --> 00:01:34,800

I was down for \$300.

32

00:01:34,800 --> 00:01:35,800

I don't believe you.

33

00:01:35,800 --> 00:01:36,800

I don't.

34

00:01:36,800 --> 00:01:38,800

\$300.

35

00:01:38,800 --> 00:01:41,800

It's literally like all metal.

36

00:01:41,800 --> 00:01:43,800

And you turn it on and the light raises.

37

00:01:43,800 --> 00:01:45,300

Yeah.

38

00:01:45,300 --> 00:01:46,800

And you go like this.

39

00:01:46,800 --> 00:01:48,300

It'll be like, whoa.

40

00:01:48,300 --> 00:01:49,300

Yeah.

41

00:01:49,300 --> 00:01:51,800

I feel like \$20 is the one I got Bailey that does the same

42

00:01:51,800 --> 00:01:53,300

as I think it was plastic.

43

00:01:53,300 --> 00:01:55,800

I just don't believe that you spend \$300 on a light.

44

00:01:56,520 --> 00:01:58,520

Go on eBay sometime.

45

00:01:58,520 --> 00:02:01,520

Type in Anakin Replica lightsaber.

46

00:02:01,520 --> 00:02:04,020

And you'll see four, five, six, 700 bucks.

47

00:02:04,020 --> 00:02:06,560

I still don't believe you tried to convince Tango that you

48

00:02:06,560 --> 00:02:08,960

could pay like \$700 for a friggin' tape recorder.

49

00:02:08,960 --> 00:02:10,960

It's all metal, rubber grip.

50

00:02:10,960 --> 00:02:12,960

I mean, it's amazing.

51

00:02:12,960 --> 00:02:14,960

It seriously is amazing.

52

00:02:14,960 --> 00:02:16,960

When did you buy it?

53

00:02:16,960 --> 00:02:17,960

Today.

54

00:02:17,960 --> 00:02:18,960

So you have it here?

55

00:02:18,960 --> 00:02:19,960

Yeah.

56

00:02:19,960 --> 00:02:20,960

I can show it to you when you get to the hotel.

57

00:02:20,960 --> 00:02:21,960

Okay.

58

00:02:26,800 --> 00:02:29,800

Okay, here we go.

59

00:02:29,800 --> 00:02:30,800

Pages.

60

00:02:30,800 --> 00:02:31,800

Wait a minute.

61

00:02:31,800 --> 00:02:32,800

What?

62

00:02:32,800 --> 00:02:33,800

That's weird.

63

00:02:33,800 --> 00:02:34,800

Has that booked that?

64

00:02:34,800 --> 00:02:35,800

Like warped over?

65

00:02:35,800 --> 00:02:36,800

Let me see.

66

00:02:36,800 --> 00:02:39,800

For some reason, I guess they've caught the thing.

67

00:02:39,800 --> 00:02:41,800

Magazine pages flipping.

68

00:02:41,800 --> 00:02:45,800

Six, 18, 233.

69

00:02:45,800 --> 00:02:46,800

Nope.

70

00:02:46,800 --> 00:02:47,800

I haven't flipped yet.

71

00:02:47,800 --> 00:02:48,800

Let's go this way.

72

00:02:48,800 --> 00:02:49,800

Cool.

73

00:02:55,800 --> 00:02:56,800

Okay.

74

00:02:56,800 --> 00:02:57,800

I'm going to flip it over.

75

00:02:57,800 --> 00:02:58,800

Okay.

76

00:02:58,800 --> 00:02:59,800

I'm going to flip it over.

77

00:02:59,800 --> 00:03:00,800

Okay.

78

00:03:00,800 --> 00:03:01,800

Okay.

79

00:03:01,800 --> 00:03:02,800

Okay.

80

00:03:02,800 --> 00:03:03,800

Okay.

81

00:03:03,800 --> 00:03:04,800

Okay.

82

00:03:04,800 --> 00:03:05,800

Okay.

83

00:03:05,800 --> 00:03:06,800

Okay.

84

00:03:06,800 --> 00:03:07,800

Okay.

85

00:03:07,800 --> 00:03:08,800

Okay.

86

00:03:08,800 --> 00:03:09,800

Okay.

87

00:03:09,800 --> 00:03:10,800

Okay.

88

00:03:10,800 --> 00:03:11,800

Okay.

89

00:03:11,800 --> 00:03:12,800

Okay.

90

00:03:12,800 --> 00:03:13,800

Okay.

91

00:03:13,800 --> 00:03:14,800

Okay.

92

00:03:14,800 --> 00:03:15,800

Okay.

93

00:03:15,800 --> 00:03:16,800

Okay.

94

00:03:16,800 --> 00:03:17,800

Okay.

95

00:03:17,800 --> 00:03:18,800

Okay.

96

00:03:18,800 --> 00:03:19,800

Okay.

97

00:03:19,800 --> 00:03:20,800

Okay.

98

00:03:20,800 --> 00:03:21,800

Okay.

99

00:03:21,800 --> 00:03:22,800

Okay.

100

00:03:22,800 --> 00:03:23,800

Okay.

101

00:03:23,800 --> 00:03:24,800

Okay.
