

1

00:00:00,000 --> 00:00:03,700

On this episode of Ghost Hunters,

2

00:00:03,700 --> 00:00:06,140

TAPS investigates a hostile force.

3

00:00:06,140 --> 00:00:08,180

This is an inhuman type haunting.

4

00:00:08,180 --> 00:00:09,100

Scratches.

5

00:00:09,100 --> 00:00:09,940

Aggression.

6

00:00:09,940 --> 00:00:12,380

Aggression, pressure on the chest.

7

00:00:12,380 --> 00:00:14,420

With an appetite for violence.

8

00:00:14,420 --> 00:00:18,220

Something grabbed me by the throat and I couldn't talk.

9

00:00:18,220 --> 00:00:21,620

Keep hearing these small gasps behind me.

10

00:00:21,620 --> 00:00:23,820

38 degrees, 32 degrees.

11

00:00:23,820 --> 00:00:25,920

One of them is a bad ghost.

12

00:00:25,920 --> 00:00:26,900

I want it out of here.

13

00:00:27,000 --> 00:00:30,660

Will the Ghost Hunters find the evil that inhabits this house?

14

00:00:30,660 --> 00:00:32,960

Just went down to 48 degrees.

15

00:00:32,960 --> 00:00:33,960

He's here.

16

00:00:36,040 --> 00:00:39,740

And TAPS explores a house haunted by dead grandparents.

17

00:00:39,740 --> 00:00:42,080

I heard the door slam and when I came down,

18

00:00:42,080 --> 00:00:45,380

it was in the closed position with a lock lock.

19

00:00:45,380 --> 00:00:47,520

Hear a woman's voice all the time.

20

00:00:50,180 --> 00:00:52,720

Are the spirits trying to make contact?

21

00:00:52,720 --> 00:00:54,120

Dude, what?

22

00:00:54,120 --> 00:00:54,960

What?

23

00:00:54,960 --> 00:00:55,780

Dude, check us out.

24

00:00:55,780 --> 00:00:57,780

Is this the voice of the dead?

25

00:01:25,780 --> 00:01:49,780

MUSIC

26

00:01:49,780 --> 00:01:50,780

What's up, brothers?

27

00:01:50,780 --> 00:01:52,780

We've got to go to an album in New York.

28

00:01:52,780 --> 00:01:53,780

Linda Johnson is her name.

29

00:01:53,780 --> 00:01:55,780

The level of spirit there, she's being choked.

30

00:01:55,780 --> 00:01:58,780

Her husband, Don, has actually had something attach

31

00:01:58,780 --> 00:02:01,280

onto his back and like hang onto his back.

32

00:02:01,280 --> 00:02:02,780

It's only us three?

33

00:02:02,780 --> 00:02:04,280

No, Steve and Sherry are going to meet us there.

34

00:02:04,280 --> 00:02:06,280

Since they're, they live on the way.

35

00:02:06,280 --> 00:02:07,280

They're going to meet us over there.

36

00:02:07,280 --> 00:02:08,780

Is this going to be a little too much for Sherry?

37

00:02:08,780 --> 00:02:10,280

I mean, is she ready for something like this?

38

00:02:10,280 --> 00:02:11,780

I talked to her.

39

00:02:11,780 --> 00:02:14,780

And then Steve talked to her and she says she's ready for this.

40

00:02:14,780 --> 00:02:16,780

And she's, you know, she's gotten some good training.

41

00:02:16,780 --> 00:02:17,780

So.

42

00:02:17,780 --> 00:02:19,780

You honestly believe this is an inhuman case?

43

00:02:19,780 --> 00:02:20,780

It sounds legitimate.

44

00:02:20,780 --> 00:02:22,780

She, when she called, she was pretty frightened.

45

00:02:22,780 --> 00:02:23,780

All right, well, let's go help her out.

46

00:02:23,780 --> 00:02:24,780

All right.

47

00:02:24,780 --> 00:02:25,780

I want a truck.

48

00:02:25,780 --> 00:02:26,780

Just think I'll pack up.

49

00:02:26,780 --> 00:02:27,780

I'll pack up, man.

50

00:02:27,780 --> 00:02:28,780

Do it when you're here.

51

00:02:28,780 --> 00:02:29,780

Jeez.

52

00:02:29,780 --> 00:02:30,780

It's all over it.

53

00:02:30,780 --> 00:02:31,780

Well, good job.

54

00:02:31,780 --> 00:02:32,780

Thanks.

55

00:02:32,780 --> 00:02:34,780

Steve's not on the ball today.

56

00:02:34,780 --> 00:02:35,780

He's getting better.

57

00:02:35,780 --> 00:02:36,780

I got to give the kid that.

58

00:02:36,780 --> 00:02:37,780

That's right.

59

00:02:37,780 --> 00:02:38,780

Bus in his butt.

60

00:02:38,780 --> 00:02:43,780

MUSIC

61

00:02:43,780 --> 00:02:45,780

Well, this is going to be a strange scenario,

62

00:02:45,780 --> 00:02:49,780

especially if it really has any negative, you know, entities.

63

00:02:49,780 --> 00:02:50,780

Like Brian seems to think.

64

00:02:50,780 --> 00:02:51,780

Yeah, but Jay, you know Brian.

65

00:02:51,780 --> 00:02:54,780

I mean, it's, I, you got to always calculate that difference

66

00:02:54,780 --> 00:02:56,780

for him blowing things out of proportions.

67

00:02:56,780 --> 00:02:59,780

Oh, I'm not believing by any means that there's a negative entity here.

68

00:02:59,780 --> 00:03:04,780

But if for whatever reason there is, you know, it'll be pretty wild.

69

00:03:04,780 --> 00:03:06,780

MUSIC

70

00:03:06,780 --> 00:03:07,780

We're going to have fun tonight.

71

00:03:07,780 --> 00:03:09,780

We're going to find some ghosts, hopefully.

72

00:03:09,780 --> 00:03:10,780

Okay?

73

00:03:10,780 --> 00:03:11,780

Okay.

74

00:03:11,780 --> 00:03:14,780

I really hope I see something, but I probably be very scared.

75

00:03:14,780 --> 00:03:15,780

But I do want to see something.

76

00:03:15,780 --> 00:03:18,780

What are we going to do about this Sherry and Steve scenario?

77

00:03:18,780 --> 00:03:19,780

Well.

78

00:03:19,780 --> 00:03:22,780

If this place is a really inhuman, I think Steve, you know,

79

00:03:22,780 --> 00:03:24,780

she's going to be jumping into his arms.

80

00:03:24,780 --> 00:03:26,780

That might solidify the relationship there.

81

00:03:26,780 --> 00:03:31,780

Hey, this is like the third case we've been on.

82

00:03:31,780 --> 00:03:33,780

Four cases maybe, right?

83

00:03:33,780 --> 00:03:36,780

And obviously we hang out, like outside of tabs.

84

00:03:36,780 --> 00:03:38,780

And there's some kind of chemistry.

85

00:03:38,780 --> 00:03:43,780

If it keeps progressing, there may be some issues, you know,

86

00:03:43,780 --> 00:03:45,780

in tabs as far as relationships.

87

00:03:45,780 --> 00:03:50,780

If Jason Grant really were like against you and me being involved

88

00:03:50,780 --> 00:03:52,780

or whatever, what would you do?

89

00:03:52,780 --> 00:03:54,780

I don't know.

90

00:03:54,780 --> 00:03:55,780

I don't know.

91

00:03:55,780 --> 00:03:58,780

Maybe we should remind Steve of that, that, hey, remember,

92

00:03:58,780 --> 00:04:01,780

if you make this thing a solid thing, we can't bring you both.

93

00:04:01,780 --> 00:04:03,780

Or we can't have you both in the group.

94

00:04:03,780 --> 00:04:05,780

I think that that's already passed that point that they're making

95

00:04:05,780 --> 00:04:07,780

in a solid thing.

96

00:04:07,780 --> 00:04:09,780

MUSIC

97

00:04:09,780 --> 00:04:12,780

MUSIC

98

00:04:12,780 --> 00:04:14,780

MUSIC

99

00:04:14,780 --> 00:04:17,780

MUSIC

100

00:04:17,780 --> 00:04:20,780

MUSIC

101

00:04:20,780 --> 00:04:22,780

MUSIC

102

00:04:22,780 --> 00:04:24,780

MUSIC

103

00:04:24,780 --> 00:04:26,780

What are you doing? I'm Grant from TAS. You're here to help.

104

00:04:26,780 --> 00:04:27,780

How are you doing?

105

00:04:27,780 --> 00:04:28,780

How are you doing? I'm Jason.

106

00:04:28,780 --> 00:04:29,780

Hey, Jason, Dan Weber.

107

00:04:29,780 --> 00:04:30,780

Mind if we come in?

108

00:04:30,780 --> 00:04:31,780

Absolutely.

109

00:04:31,780 --> 00:04:32,780

Been waiting for you.

110

00:04:32,780 --> 00:04:33,780

Thank you.

111

00:04:33,780 --> 00:04:37,780

It all started right after my son left for college.

112

00:04:37,780 --> 00:04:38,780

Okay.

113

00:04:38,780 --> 00:04:40,780

I'm going to be hearing music in his bedroom.

114

00:04:40,780 --> 00:04:41,780

You can hear people talking.

115

00:04:41,780 --> 00:04:42,780

You can hear people walking.

116

00:04:42,780 --> 00:04:44,780

You can hear moving stuff around.

117

00:04:44,780 --> 00:04:48,780

What's the general feeling of your day-to-day life in the home?

118

00:04:48,780 --> 00:04:49,780

Is it...

119

00:04:49,780 --> 00:04:51,780

Oh, you can feel the ghosts around here all the time.

120

00:04:51,780 --> 00:04:52,780

Is it a threatening?

121

00:04:52,780 --> 00:04:53,780

I mean...

122

00:04:53,780 --> 00:04:56,780

One of them is a bad ghost.

123

00:04:56,780 --> 00:04:59,780

Something grabbed me by the throat and I couldn't talk.

124

00:04:59,780 --> 00:05:02,780

Why are you stating that it's bad because of the grab on the neck?

125

00:05:02,780 --> 00:05:04,780

No. See, I'm a sensitive.

126

00:05:04,780 --> 00:05:06,780

What causes you to believe that you're sensitive?

127

00:05:06,780 --> 00:05:08,780

I'm not saying I believe you or don't. I'm just saying.

128

00:05:08,780 --> 00:05:13,780

I started seeing things and stuff when I was about four or five years old,

129

00:05:13,780 --> 00:05:16,780

paranormal things.

130

00:05:16,780 --> 00:05:21,780

This ear is the room where we've been feeling more activity.

131

00:05:21,780 --> 00:05:26,780

I literally had to leave here because the anger in the room was so thick.

132

00:05:26,780 --> 00:05:28,780

I felt like I was being smothered.

133

00:05:28,780 --> 00:05:34,780

Last night, I slept in here with my husband and when we got to bed

134

00:05:34,780 --> 00:05:38,780

and everything got quiet in the house, we heard people talking.

135

00:05:38,780 --> 00:05:40,780

So I actually thought it was a TV on in her room.

136

00:05:40,780 --> 00:05:41,780

Okay.

137

00:05:41,780 --> 00:05:44,780

And I didn't turn the TV on. I went right straight to bed.

138

00:05:44,780 --> 00:05:48,780

In here is where we think most of the problems are coming from.

139

00:05:48,780 --> 00:05:52,780

This here area is where the ghosts come in and out of.

140

00:05:54,780 --> 00:05:55,780

This is my room.

141

00:05:55,780 --> 00:05:59,780

Now, I can look at where the heater is and there's always a line

142

00:05:59,780 --> 00:06:02,780

and I can always see shadows walking through.

143

00:06:02,780 --> 00:06:06,780

From here to here, you see the shadows walk by.

144

00:06:06,780 --> 00:06:10,780

Between these two chairs, you can feel somebody walk by.

145

00:06:10,780 --> 00:06:11,780

A forced out air in the house.

146

00:06:11,780 --> 00:06:13,780

He's always looking over his shoulder.

147

00:06:13,780 --> 00:06:14,780

We're being watched.

148

00:06:14,780 --> 00:06:16,780

We're being watched? Where?

149

00:06:16,780 --> 00:06:18,780

By something out there.

150

00:06:20,780 --> 00:06:22,780

I can feel it watching me.

151

00:06:22,780 --> 00:06:23,780

You can feel it?

152

00:06:23,780 --> 00:06:24,780

Yeah.

153

00:06:25,780 --> 00:06:27,780

What do you feel? What is it? Guy, girl?

154

00:06:27,780 --> 00:06:28,780

Old, young?

155

00:06:28,780 --> 00:06:30,780

I tell if it's a guy or a girl.

156

00:06:32,780 --> 00:06:33,780

It's a guy.

157

00:06:38,780 --> 00:06:39,780

Gone.

158

00:06:39,780 --> 00:06:40,780

Gone?

159

00:06:42,780 --> 00:06:44,780

Gone. Sorry.

160

00:06:44,780 --> 00:06:46,780

That's cool. Anytime that happens, you let us know.

161

00:06:46,780 --> 00:06:49,780

I wanted you to know right then and there that we were being watched.

162

00:06:50,780 --> 00:06:56,780

The reason I called Taps was because of the attack on her.

163

00:06:56,780 --> 00:06:58,780

And I don't know if you can get rid of them.

164

00:06:58,780 --> 00:06:59,780

All right.

165

00:06:59,780 --> 00:07:03,780

If there is an evil one, I want it out of here.

166

00:07:03,780 --> 00:07:07,780

The people who call us are usually looking for two separate things.

167

00:07:07,780 --> 00:07:09,780

A peace of mind of what's going on in their home.

168

00:07:09,780 --> 00:07:11,780

Also somebody to believe what they're stating.

169

00:07:11,780 --> 00:07:14,780

Also they're looking for if there is something in their home

170

00:07:14,780 --> 00:07:16,780

to try to rid the home of it.

171

00:07:18,780 --> 00:07:19,780

Is she knowing your girl?

172

00:07:19,780 --> 00:07:21,780

Because if so, we're going to have to talk, man.

173

00:07:21,780 --> 00:07:23,780

She becomes a full-fledged member of Taps.

174

00:07:23,780 --> 00:07:24,780

And so aren't you.

175

00:07:24,780 --> 00:07:26,780

And you guys don't work out.

176

00:07:26,780 --> 00:07:29,780

We're going to lose one a year. We're going to lose both of you.

177

00:07:29,780 --> 00:07:30,780

We're going to lose something.

178

00:07:30,780 --> 00:07:31,780

Yeah.

179

00:07:32,780 --> 00:07:33,780

Wow, it's seen to happen too many times.

180

00:07:33,780 --> 00:07:34,780

You know this.

181

00:07:34,780 --> 00:07:36,780

You're just looking at it different because it's you.

182

00:07:36,780 --> 00:07:43,780

If we'd progressed to that level, maybe that's a discussion she and I would have to have before we took into that.

183

00:07:43,780 --> 00:07:44,780

You know what I mean?

184

00:07:45,780 --> 00:07:46,780

Cool.

185

00:07:46,780 --> 00:07:47,780

Cool.

186

00:07:52,780 --> 00:07:55,780

You can cover pretty much the majority of the room.

187

00:07:55,780 --> 00:07:57,780

If you got to set a camera up over there.

188

00:07:57,780 --> 00:07:59,780

Something covering this area I think would be great.

189

00:07:59,780 --> 00:08:01,780

Make sure you utilize all the digital recorders.

190

00:08:01,780 --> 00:08:02,780

Oh yeah.

191

00:08:02,780 --> 00:08:04,780

What the DVR is, it's a digital video recording system.

192

00:08:04,780 --> 00:08:06,780

And it's got wireless cameras that tie into it.

193

00:08:06,780 --> 00:08:11,780

So they can actually see four to eight rooms from their location.

194

00:08:11,780 --> 00:08:16,780

Taps mobile command central.

195

00:08:16,780 --> 00:08:19,780

I was setting up an event today because there's not enough room in the house.

196

00:08:19,780 --> 00:08:21,780

There's just way too many people in there.

197

00:08:21,780 --> 00:08:24,780

So we can have a main station so everybody's not looking over our shoulders.

198

00:08:24,780 --> 00:08:26,780

I'm going to DVR, going, what's that? What's that? What's that? What's that?

199

00:08:26,780 --> 00:08:29,780

We're going to put this cord back in the freaking bag.

200

00:08:29,780 --> 00:08:32,780

Didn't put it back good enough and now it's all tangled.

201

00:08:34,780 --> 00:08:38,780

Did you see the cobweb of the wires that he's got trying to feed into the DVR system?

202

00:08:38,780 --> 00:08:40,780

So if he needs some help.

203

00:08:40,780 --> 00:08:43,780

No, I'm fine. Just get those cords off me please.

204

00:08:43,780 --> 00:08:45,780

So I'm just going to go over here and punch the wall.

205

00:08:45,780 --> 00:08:46,780

Which cords?

206

00:08:46,780 --> 00:08:47,780

Just the ones in the back.

207

00:08:47,780 --> 00:08:48,780

Why are you going to punch a wall?

208

00:08:48,780 --> 00:08:49,780

I'm an exaggerator right now.

209

00:08:49,780 --> 00:08:50,780

But what?

210

00:08:50,780 --> 00:08:51,780

Nothing to know about it.

211

00:08:51,780 --> 00:08:53,780

Just can you get those for me please?

212

00:08:53,780 --> 00:08:54,780

There's no iron team.

213

00:08:54,780 --> 00:08:56,780

That's good. There is right now.

214

00:08:56,780 --> 00:08:57,780

Damn.

215

00:08:59,780 --> 00:09:01,780

He's like, I'm going to go punch the wall like 10 times.

216

00:09:01,780 --> 00:09:03,780

He just told me to straighten these cords.

217

00:09:03,780 --> 00:09:04,780

He told you?

218

00:09:04,780 --> 00:09:05,780

Yeah.

219

00:09:05,780 --> 00:09:09,780

He also told me that he thought you would wrap up the other one that was tangled up like a cobweb.

220

00:09:09,780 --> 00:09:11,780

I'll be completely honest with you. I may have.

221

00:09:11,780 --> 00:09:14,780

I try to do like, but sometimes it gets goofy.

222

00:09:14,780 --> 00:09:18,780

Saturday October 9th and it is 10.25 p.m.

223

00:09:18,780 --> 00:09:21,780

I'm going to start the investigation now.

224

00:09:22,780 --> 00:09:27,780

Right now we're starting to kill the lights so we can start shooting with the wireless cameras.

225

00:09:27,780 --> 00:09:28,780

Okay, let's get down to business.

226

00:09:28,780 --> 00:09:30,780

I'm in his bedroom.

227

00:09:30,780 --> 00:09:33,780

We're going to start doing some EVP work.

228

00:09:35,780 --> 00:09:37,780

Is there any spirits in here?

229

00:09:37,780 --> 00:09:39,780

They would like to communicate with us tonight.

230

00:09:43,780 --> 00:09:46,780

Have you been following Linda since she was a child?

231

00:09:49,780 --> 00:09:51,780

Why are you following her?

232

00:09:51,780 --> 00:09:53,780

Getting point 2.1.

233

00:09:56,780 --> 00:10:01,780

It's the spirit that choked Linda in this room with us tonight.

234

00:10:03,780 --> 00:10:05,780

Man, it's so hot in here.

235

00:10:05,780 --> 00:10:07,780

No, it's very hot in here.

236

00:10:09,780 --> 00:10:11,780

What is that supposed to be, Brian?

237

00:10:11,780 --> 00:10:12,780

Looks like a banana.

238

00:10:12,780 --> 00:10:14,780

An octopus with a pricing gun.

239

00:10:17,780 --> 00:10:19,780

Henry works at Target or something.

240

00:10:20,780 --> 00:10:23,780

Okay, we are opening the door to the closet.

241

00:10:23,780 --> 00:10:26,780

It seems like this is the entities are in the closet.

242

00:10:26,780 --> 00:10:28,780

So here we go.

243

00:10:28,780 --> 00:10:31,780

One, two, three.

244

00:10:32,780 --> 00:10:34,780

What was that doing?

245

00:10:37,780 --> 00:10:41,780

I'm not going to lie to you, but I felt a little energy charge on my neck.

246

00:10:41,780 --> 00:10:46,780

Man, there was a pretty good sounding noise in there when we were in there.

247

00:10:46,780 --> 00:10:47,780

What?

248

00:10:47,780 --> 00:10:49,780

She's going to default this parent.

249

00:10:49,780 --> 00:10:51,780

What are you going to do, ma'am?

250

00:10:51,780 --> 00:10:54,780

Don't make me do this before. These are chickens.

251

00:10:54,780 --> 00:10:55,780

I have a break.

252

00:10:56,780 --> 00:10:58,780

You can come out now.

253

00:11:02,780 --> 00:11:04,780

The air is changing in here.

254

00:11:04,780 --> 00:11:05,780

It's not as hot.

255

00:11:05,780 --> 00:11:06,780

No, no.

256

00:11:07,780 --> 00:11:08,780

It's just crazy.

257

00:11:08,780 --> 00:11:09,780

Maybe it was hiding in here.

258

00:11:09,780 --> 00:11:11,780

Maybe it still is.

259

00:11:11,780 --> 00:11:13,780

Just went down to 48 degrees.

260

00:11:13,780 --> 00:11:16,780

That was the weirdest thing I've seen in my life.

261

00:11:17,780 --> 00:11:18,780

They're out.

262

00:11:18,780 --> 00:11:21,780

That was a 22 degree temperature change.

263

00:11:22,780 --> 00:11:23,780

They come joking?

264

00:11:23,780 --> 00:11:25,780

What, the 42 degrees?

265

00:11:25,780 --> 00:11:28,780

When an entity has to manage a man's life,

266

00:11:28,780 --> 00:11:29,780

it has to use energy.

267

00:11:29,780 --> 00:11:32,780

One of the ways you can gather energy is through heat.

268

00:11:32,780 --> 00:11:35,780

And it can actually drop the temperature of a person

269

00:11:35,780 --> 00:11:38,780

without dropping the temperature of the room and vice versa.

270

00:11:38,780 --> 00:11:40,780

So that's why we look for them,

271

00:11:40,780 --> 00:11:43,780

because that just shows that something is trying to gather energy to manifest.

272

00:11:43,780 --> 00:11:47,780

Just the temperature has dropped like it was outside.

273

00:11:47,780 --> 00:11:49,780

There's spirits in here with us right now.

274

00:11:51,780 --> 00:11:52,780

Come on.

275

00:11:53,780 --> 00:11:55,780

Just walk through the room.

276

00:11:55,780 --> 00:11:56,780

Come on.

277

00:11:57,780 --> 00:11:59,780

Just walk by him.

278

00:12:00,780 --> 00:12:02,780

Wow, real cold spot.

279

00:12:02,780 --> 00:12:03,780

Go ahead, communicate with him.

280

00:12:03,780 --> 00:12:05,780

I have a cold spot on my right arm.

281

00:12:05,780 --> 00:12:07,780

I've got it on both sides of me.

282

00:12:07,780 --> 00:12:08,780

Yeah.

283

00:12:09,780 --> 00:12:10,780

They're here.

284

00:12:10,780 --> 00:12:11,780

They're here.

285

00:12:11,780 --> 00:12:14,780

2.0, 1.8, 2.8, 2.3.7.

286

00:12:14,780 --> 00:12:16,780

I think everyone's gone batting.

287

00:12:16,780 --> 00:12:17,780

I don't feel anything.

288

00:12:19,780 --> 00:12:21,780

Jay and I went in to investigate.

289

00:12:21,780 --> 00:12:24,780

We sat down and tried to feel some sort of presence.

290

00:12:24,780 --> 00:12:25,780

They felt.

291

00:12:25,780 --> 00:12:28,780

Now she said that she has activity every night.

292

00:12:28,780 --> 00:12:31,780

She said no, not a day has gone by.

293

00:12:32,780 --> 00:12:34,780

Since it started, I guess.

294

00:12:34,780 --> 00:12:37,780

But that grabbing around her neck, I don't know.

295

00:12:37,780 --> 00:12:40,780

When you have chairs against the wall,

296

00:12:40,780 --> 00:12:44,780

you feel more comfortable because you know what exactly was behind you.

297

00:12:44,780 --> 00:12:46,780

When there's a space between you and the wall,

298

00:12:46,780 --> 00:12:48,780

you feel that space and you feel the looming of it.

299

00:12:48,780 --> 00:12:49,780

Exactly.

300

00:12:49,780 --> 00:12:52,780

I tell you right now, my right arm feels cold in my left arm.

301

00:12:52,780 --> 00:12:54,780

But I don't think it's anything paranormal.

302

00:12:54,780 --> 00:12:56,780

I think it's because you've got the airflow here.

303

00:12:56,780 --> 00:12:57,780

Uh-huh.

304

00:12:57,780 --> 00:12:59,780

Hey, if I go sit in that bedroom, man,

305

00:12:59,780 --> 00:13:02,780

that's close enough that's not going to be breaking any rules, right?

306

00:13:03,780 --> 00:13:04,780

No.

307

00:13:04,780 --> 00:13:05,780

No, go ahead.

308

00:13:05,780 --> 00:13:07,780

Go lay down in the bedroom.

309

00:13:08,780 --> 00:13:10,780

I mean, investigate the bedroom.

310

00:13:11,780 --> 00:13:13,780

Well, that frigging cat's on the bed.

311

00:13:13,780 --> 00:13:15,780

I think she's getting the pants off of me.

312

00:13:18,780 --> 00:13:20,780

We're going to go over in the bedroom.

313

00:13:22,780 --> 00:13:23,780

Come on.

314

00:13:23,780 --> 00:13:25,780

What's the noise, cat?

315

00:13:25,780 --> 00:13:26,780

Did you hear it?

316

00:13:48,780 --> 00:13:50,780

What's the noise, cat?

317

00:13:50,780 --> 00:13:51,780

Did you hear it?

318

00:13:51,780 --> 00:13:52,780

Did you hear it?

319

00:13:56,780 --> 00:13:59,780

Keep hearing these small ingasps behind you.

320

00:14:08,780 --> 00:14:11,780

It's you, you stupid cat, your nose whistles.

321

00:14:11,780 --> 00:14:12,780

God!

322

00:14:14,780 --> 00:14:17,780

Stupid cat's nose whistles.

323

00:14:18,780 --> 00:14:20,780

Did you get out of here?

324

00:14:20,780 --> 00:14:22,780

Too old to move?

325

00:14:22,780 --> 00:14:25,780

So that was at 247.

326

00:14:38,780 --> 00:14:39,780

We're not alone.

327

00:14:39,780 --> 00:14:41,780

Somebody's in the room with us.

328

00:14:41,780 --> 00:14:42,780

Who?

329

00:14:42,780 --> 00:14:44,780

He's here.

330

00:14:48,780 --> 00:14:51,780

Whoa, I got chills.

331

00:14:54,780 --> 00:14:56,780

Now there's something around me right here.

332

00:15:05,780 --> 00:15:07,780

This was a battleground up here.

333

00:15:07,780 --> 00:15:08,780

Yes.

334

00:15:08,780 --> 00:15:10,780

They had a lot of fights and massacres.

335

00:15:10,780 --> 00:15:14,780

And what I was thinking, if you walked around this property,

336

00:15:14,780 --> 00:15:16,780

because they had the burial, they didn't just leave them there.

337

00:15:16,780 --> 00:15:18,780

Big piles of stones.

338

00:15:18,780 --> 00:15:22,780

I found so many piles of stones all around this place,

339

00:15:22,780 --> 00:15:24,780

and I knew that there was Indians buried here.

340

00:15:34,780 --> 00:15:36,780

They had to have disturbed something.

341

00:15:36,780 --> 00:15:39,780

Honestly, if it's an Indian burial ground and you start, you know,

342

00:15:39,780 --> 00:15:43,780

moving stuff and messing with their gravesites,

343

00:15:43,780 --> 00:15:44,780

you're asking for trouble.

344

00:15:44,780 --> 00:15:45,780

Yeah.

345

00:15:46,780 --> 00:15:50,780

And after we get any more activity tonight, they're done.

346

00:15:50,780 --> 00:15:53,780

They withdrew completely.

347

00:15:53,780 --> 00:15:55,780

Well, I got my guys wrapping up the equipment.

348

00:15:55,780 --> 00:15:57,780

That way you guys can at least get some sleep.

349

00:15:57,780 --> 00:16:00,780

And we can head back and grab some sleep as well.

350

00:16:08,780 --> 00:16:10,780

All right, so what's the deal in this house?

351

00:16:10,780 --> 00:16:11,780

All right.

352

00:16:11,780 --> 00:16:14,780

Well, me and Steve checked out the video.

353

00:16:14,780 --> 00:16:18,780

Checked out the hard lines, the DVR cameras.

354

00:16:18,780 --> 00:16:20,780

The one thing I had was when I was with Linda by myself,

355

00:16:20,780 --> 00:16:23,780

I got a very cold spot when I was in that back room

356

00:16:23,780 --> 00:16:26,780

with her son's at the old room.

357

00:16:26,780 --> 00:16:29,780

And we were sitting there, and we had the email detective going and stuff.

358

00:16:29,780 --> 00:16:31,780

And the cold spot never came back.

359

00:16:31,780 --> 00:16:34,780

It dropped about five or six degrees and stuff.

360

00:16:34,780 --> 00:16:37,780

But then I shot my digital thermometer.

361

00:16:37,780 --> 00:16:40,780

And when I was sitting back like this and I was pushing it back,

362

00:16:40,780 --> 00:16:41,780

the temperature was dropping.

363

00:16:41,780 --> 00:16:44,780

And it dropped to a negative 10 and it went to bars.

364

00:16:44,780 --> 00:16:46,780

So there's electrical interference.

365

00:16:46,780 --> 00:16:47,780

That's what I'm saying.

366

00:16:47,780 --> 00:16:49,780

And then where I was sitting in my chair,

367

00:16:49,780 --> 00:16:51,780

if you draw a straight line into the sunk bedroom,

368

00:16:51,780 --> 00:16:54,780

that's exactly where I was sitting on the chair in there.

369

00:16:54,780 --> 00:16:57,780

So there's probably something underneath in that crawl space

370

00:16:57,780 --> 00:17:02,780

or whatever's under there that is screwing up with the frequencies.

371

00:17:02,780 --> 00:17:04,780

What kind of evidence that we can look at?

372

00:17:04,780 --> 00:17:08,780

We just got one little thing on the EVP here.

373

00:17:08,780 --> 00:17:12,780

It sounds like people walking around and wrestling and stuff.

374

00:17:12,780 --> 00:17:14,780

And we were all standing still.

375

00:17:14,780 --> 00:17:16,780

So I don't know what the heck it was.

376

00:17:16,780 --> 00:17:18,780

Yeah, there's a lot of people right in this place.

377

00:17:21,780 --> 00:17:23,780

With me talking.

378

00:17:23,780 --> 00:17:26,780

Yeah, like you're breathing over your voice.

379

00:17:26,780 --> 00:17:28,780

Like you're moving, man.

380

00:17:28,780 --> 00:17:29,780

We just wanted to show it to you.

381

00:17:29,780 --> 00:17:33,780

That's the only thing we even remotely thought it was something at London's house.

382

00:17:33,780 --> 00:17:35,780

Now, Don was awesome.

383

00:17:35,780 --> 00:17:37,780

He has experienced a few things in the house.

384

00:17:37,780 --> 00:17:38,780

It can't be explained.

385

00:17:38,780 --> 00:17:41,780

And I think Linda has blown the way out of proportion.

386

00:17:41,780 --> 00:17:43,780

Whether she's sensitive or not.

387

00:17:43,780 --> 00:17:45,780

No, I think with Steve that interview, Don,

388

00:17:45,780 --> 00:17:48,780

Linda, at the beginning of the case when we walked in there,

389

00:17:48,780 --> 00:17:50,780

Linda was saying that something jumped on his back and he couldn't breathe.

390

00:17:50,780 --> 00:17:52,780

He had a hard time walking.

391

00:17:52,780 --> 00:17:55,780

All Don said was he felt the pressure on his back.

392

00:17:55,780 --> 00:17:56,780

That's what I'm talking about.

393

00:17:56,780 --> 00:17:58,780

No, there may be a legitimate activity there.

394

00:17:58,780 --> 00:18:01,780

Someone is blowing it out of proportion.

395

00:18:01,780 --> 00:18:05,780

And someone else is feeding her fire, namely Marie.

396

00:18:05,780 --> 00:18:11,780

Now, you know how when this story was that the one evil spirit is holding all the other spirits back.

397

00:18:11,780 --> 00:18:13,780

Have you ever heard of anything like that before?

398

00:18:13,780 --> 00:18:19,780

Yeah, I've heard of other scenarios where a stronger entity has held others back.

399

00:18:19,780 --> 00:18:22,780

Right, but that's just ethereal speculation.

400

00:18:22,780 --> 00:18:23,780

You can't prove that.

401

00:18:23,780 --> 00:18:24,780

Of course not.

402

00:18:24,780 --> 00:18:26,780

I mean, you can hardly prove there's something there,

403

00:18:26,780 --> 00:18:28,780

but to prove its intentions, that's always tough.

404

00:18:28,780 --> 00:18:29,780

You can't do that.

405

00:18:29,780 --> 00:18:31,780

Well, this is going to be a good reveal.

406

00:18:31,780 --> 00:18:33,780

It's going to be tough. I first see confrontation.

407

00:18:33,780 --> 00:18:34,780

Yeah, it's a long one.

408

00:18:34,780 --> 00:18:35,780

All right, now, good job.

409

00:18:35,780 --> 00:18:36,780

Thank you.

410

00:18:53,780 --> 00:18:55,780

How you guys been over the last week?

411

00:18:55,780 --> 00:18:57,780

I really don't want to know.

412

00:18:57,780 --> 00:18:59,780

Sure we do.

413

00:18:59,780 --> 00:19:06,780

You guys know sooner left in about two hours later all the activities started right back in again.

414

00:19:06,780 --> 00:19:09,780

I said, see, I knew it.

415

00:19:09,780 --> 00:19:15,780

Okay, so as you know, we came here and we found out that you're sensitive.

416

00:19:15,780 --> 00:19:20,780

So while you may know that there are things all around you that doesn't necessarily mean we can catch it on film.

417

00:19:20,780 --> 00:19:21,780

You know what I'm saying?

418

00:19:21,780 --> 00:19:26,780

So we said about trying to find out what we could find here, okay?

419

00:19:26,780 --> 00:19:28,780

No one knows your home better than you.

420

00:19:28,780 --> 00:19:31,780

And we know that things don't always show when you want them to.

421

00:19:31,780 --> 00:19:32,780

Okay?

422

00:19:32,780 --> 00:19:38,780

We did have a couple of experiences in the home, but none of it was able to be documented on film.

423

00:19:38,780 --> 00:19:46,780

Brian did sit in that chair in the parlor and he had his digital thermometer.

424

00:19:46,780 --> 00:19:50,780

And the only time that thermometer will go to all dashes if there's an electrical interference.

425

00:19:50,780 --> 00:19:55,780

So he got that in that chair and he went into that room and he got the same situation.

426

00:19:55,780 --> 00:20:00,780

So there might be something underneath the house or maybe above that's causing that interference.

427

00:20:00,780 --> 00:20:02,780

There's nothing underneath the house we've checked.

428

00:20:02,780 --> 00:20:03,780

Okay.

429

00:20:03,780 --> 00:20:10,780

I personally sat in your bedroom on your bed and I did not witness the shadows on the wall.

430

00:20:10,780 --> 00:20:14,780

I did hear some weird noises which turned out to be your cat's nose whistling.

431

00:20:14,780 --> 00:20:16,780

She snores, I'm sorry.

432

00:20:16,780 --> 00:20:17,780

She snores.

433

00:20:17,780 --> 00:20:18,780

She snores.

434

00:20:18,780 --> 00:20:19,780

Really for a loop.

435

00:20:19,780 --> 00:20:25,780

And you also sat in the living room in those two chairs side by side with the cameras rolling.

436

00:20:25,780 --> 00:20:26,780

We didn't experience anything good.

437

00:20:26,780 --> 00:20:28,780

Unfortunately the house went dead.

438

00:20:28,780 --> 00:20:29,780

Sure.

439

00:20:29,780 --> 00:20:30,780

I felt it go dead.

440

00:20:30,780 --> 00:20:32,780

And you knew that and you told me that.

441

00:20:32,780 --> 00:20:33,780

And I told you so, yeah.

442

00:20:33,780 --> 00:20:36,780

Right, but we didn't capture anything on film.

443

00:20:36,780 --> 00:20:41,780

My house is up for sale because of all the spirits and everything that's been happening.

444

00:20:41,780 --> 00:20:42,780

It's a little too much for you.

445

00:20:42,780 --> 00:20:47,780

I wouldn't have called you if it didn't give so lot of control on me.

446

00:20:47,780 --> 00:20:53,780

Well what we'd like to do honestly Linda is we have someone that we think would be perfect for you to stay in contact with.

447

00:20:53,780 --> 00:20:54,780

Actually you might know him.

448

00:20:54,780 --> 00:20:55,780

It's Keith Johnson.

449

00:20:55,780 --> 00:20:56,780

Oh yes.

450

00:20:56,780 --> 00:20:57,780

He's in the big room.

451

00:20:57,780 --> 00:20:59,780

Yes, I know of Keith.

452

00:20:59,780 --> 00:21:03,780

I really think it'll benefit you to have Keith assisting you.

453

00:21:03,780 --> 00:21:04,780

Yeah.

454

00:21:04,780 --> 00:21:05,780

We do appreciate you having us back.

455

00:21:05,780 --> 00:21:06,780

Oh.

456

00:21:06,780 --> 00:21:07,780

Thank you for coming back.

457

00:21:07,780 --> 00:21:08,780

All right, good luck with everything, okay.

458

00:21:08,780 --> 00:21:10,780

And we do hope you're going to see more of the familiar from you soon.

459

00:21:10,780 --> 00:21:11,780

See you again.

460

00:21:11,780 --> 00:21:12,780

Yeah.

461

00:21:12,780 --> 00:21:13,780

Okay, thank you.

462

00:21:13,780 --> 00:21:14,780

Thank you.

463

00:21:14,780 --> 00:21:15,780

Thank you.

464

00:21:15,780 --> 00:21:20,780

I'm glad you came and helped me out on this situation because I really don't want to sell my home.

465

00:21:27,780 --> 00:21:28,780

This shouldn't take us long.

466

00:21:28,780 --> 00:21:30,780

I already started banging off the job.

467

00:21:30,780 --> 00:21:34,780

The guy ended up trying to do it himself and found out it was a little more work than he anticipated.

468

00:21:39,780 --> 00:21:40,780

Now it's funny.

469

00:21:40,780 --> 00:21:44,780

People think it's real easy to do stuff like this, like this guy.

470

00:21:44,780 --> 00:21:47,780

But you really need somebody who knows what's going on.

471

00:21:47,780 --> 00:21:50,780

Electrical-wise, plumbing-wise, everything.

472

00:21:50,780 --> 00:21:55,780

Exactly, because you got the water in the electricity and people just can't even listen to something they're thinking about.

473

00:21:55,780 --> 00:21:57,780

You got a calm motor scooter.

474

00:22:02,780 --> 00:22:03,780

Hey, you know what I was thinking, Grant?

475

00:22:03,780 --> 00:22:04,780

What?

476

00:22:04,780 --> 00:22:06,780

Running a contest actually on the website.

477

00:22:06,780 --> 00:22:11,780

See if people want to come and investigate a said-to-be-horns education with us.

478

00:22:11,780 --> 00:22:12,780

That would be cool.

479

00:22:12,780 --> 00:22:13,780

You like that?

480

00:22:13,780 --> 00:22:16,780

Yeah, I could put something up on the site, no problem.

481

00:22:16,780 --> 00:22:18,780

But no, I honestly think that'd be a great idea.

482

00:22:18,780 --> 00:22:20,780

You just got to come up with rules and stuff.

483

00:22:20,780 --> 00:22:21,780

Rules and regulations.

484

00:22:21,780 --> 00:22:23,780

No purchase necessary.

485

00:22:23,780 --> 00:22:24,780

Boydwood prohibited.

486

00:22:24,780 --> 00:22:26,780

Only possible in three states.

487

00:22:26,780 --> 00:22:27,780

Yeah, you pay your own way.

488

00:22:27,780 --> 00:22:28,780

Some guy from California wins.

489

00:22:28,780 --> 00:22:29,780

Oops.

490

00:22:30,780 --> 00:22:31,780

Oh, man.

491

00:22:37,780 --> 00:22:38,780

Yeah.

492

00:22:38,780 --> 00:22:40,780

Let's get in the stride.

493

00:22:46,780 --> 00:22:48,780

This is getting a little ridiculous, guys.

494

00:22:48,780 --> 00:22:49,780

What's going on?

495

00:22:49,780 --> 00:22:51,780

It's like later than we said we'd meet.

496

00:22:51,780 --> 00:22:53,780

Maybe they all went to the bathroom together.

497

00:22:53,780 --> 00:22:54,780

Oh, hey.

498

00:22:54,780 --> 00:22:56,780

It's good to see you finally made it.

499

00:22:56,780 --> 00:22:58,780

It'd be much easier if I had the correct directions.

500

00:22:58,780 --> 00:23:00,780

We're going off the same directions we were.

501

00:23:00,780 --> 00:23:04,780

The rules on it that were listed to take lefts and rights, I didn't even need to turn on those, so that's not my fault.

502

00:23:04,780 --> 00:23:06,780

We're here, and we're happy.

503

00:23:06,780 --> 00:23:08,780

We can get happy.

504

00:23:08,780 --> 00:23:11,780

So, I mean, this is kind of a last minute case, so, Brian, you want to...

505

00:23:11,780 --> 00:23:13,780

Guys' name is Adam.

506

00:23:13,780 --> 00:23:15,780

He wants to know if he's crazy or not.

507

00:23:15,780 --> 00:23:17,780

He's got a lot of things going on in his house.

508

00:23:17,780 --> 00:23:19,780

His house was actually built by his grandparents.

509

00:23:19,780 --> 00:23:24,780

And in the back, one of the back bedrooms, his great-grandfather was there, and he died there.

510

00:23:24,780 --> 00:23:27,780

That's the spare bedroom, so a lot of people sleep over and stuff.

511

00:23:27,780 --> 00:23:32,780

And when they do, a lot of them don't want to come back, because they have that airy feeling in the bedroom.

512

00:23:32,780 --> 00:23:34,780

Anything actual activity?

513

00:23:34,780 --> 00:23:40,780

Yeah, actually, Adam had a bunch of stuff on his top of his bed board, like some glasses and stuff.

514

00:23:40,780 --> 00:23:44,780

And when he woke up in the morning, everything was around him, and at the end of his bed, like, he actually...

515

00:23:44,780 --> 00:23:46,780

It was moved during the night.

516

00:23:46,780 --> 00:23:48,780

Was it like thrown on the floor or a place?

517

00:23:48,780 --> 00:23:50,780

No, it was actually a very nicely placed.

518

00:23:50,780 --> 00:23:51,780

Him and a bunch of his...

519

00:23:51,780 --> 00:23:55,780

The people that have been here said that they hear a woman's voice, and there's no woman in the house.

520

00:23:55,780 --> 00:23:58,780

If he's getting this kind of phenomenon, why is he even questioning that?

521

00:23:58,780 --> 00:24:01,780

To me, it's a sign of a logical thinker.

522

00:24:01,780 --> 00:24:02,780

Yeah, good point.

523

00:24:02,780 --> 00:24:04,780

Alright, guys, let's do it. Let's go.

524

00:24:10,780 --> 00:24:11,780

Hey, how you guys doing?

525

00:24:11,780 --> 00:24:12,780

How you doing, buddy? I'm Jason.

526

00:24:12,780 --> 00:24:13,780

It's Adam. Here to help.

527

00:24:13,780 --> 00:24:14,780

Adam, Graham. Nice to meet you.

528

00:24:14,780 --> 00:24:15,780

Good morning, guys.

529

00:24:15,780 --> 00:24:16,780

Alright.

530

00:24:17,780 --> 00:24:18,780

So, how long have you lived in the house?

531

00:24:18,780 --> 00:24:20,780

I've lived here for about three years now.

532

00:24:20,780 --> 00:24:25,780

My grandfather passed away in 2000, and my grandmother, four months later, in 2001.

533

00:24:25,780 --> 00:24:26,780

Did they pass away in the house?

534

00:24:26,780 --> 00:24:30,780

No, they didn't pass away in the house, but I did have a great-grandfather of mine.

535

00:24:30,780 --> 00:24:32,780

Pass away in the back bedroom.

536

00:24:32,780 --> 00:24:35,780

Won't you show us around what's going on and where things have happened?

537

00:24:35,780 --> 00:24:36,780

Sure. Just follow me.

538

00:24:36,780 --> 00:24:37,780

Great.

539

00:24:38,780 --> 00:24:42,780

Alright, just to let you guys maybe know who you might be up against here.

540

00:24:42,780 --> 00:24:46,780

This is a picture of my grandparents, and this is their ashes.

541

00:24:46,780 --> 00:24:51,780

I've been told that a spirit can't really rest if it's not together.

542

00:24:51,780 --> 00:24:56,780

So, by me keeping some of their ashes, that it's actually allowing them not to rest.

543

00:24:56,780 --> 00:25:01,780

Some people do say that there's, you know, it matters. Each person's beliefs are different.

544

00:25:01,780 --> 00:25:02,780

Right.

545

00:25:02,780 --> 00:25:05,780

You gotta think too. I mean, they built the house.

546

00:25:05,780 --> 00:25:11,780

So, of course, it's a labor of love. I mean, it's not just a house they moved into. They built it.

547

00:25:11,780 --> 00:25:14,780

He made the hutch. He made the mantle.

548

00:25:15,780 --> 00:25:20,780

So, this is all stuff that they lived in. These are chairs they set, and this is...

549

00:25:20,780 --> 00:25:21,780

Right. Correct.

550

00:25:22,780 --> 00:25:26,780

Okay, this is the back bedroom where my great-grandfather passed away.

551

00:25:26,780 --> 00:25:31,780

The people who come in here and sleep in here, they got feelings like somebody was watching them.

552

00:25:31,780 --> 00:25:36,780

The hairs on the back here next stand up, and it's almost like you feel like somebody's in the room with you.

553

00:25:36,780 --> 00:25:37,780

Mm-hmm.

554

00:25:37,780 --> 00:25:39,780

You know, you get that kind of feeling.

555

00:25:39,780 --> 00:25:41,780

It's like, you know, you're in somebody else's area.

556

00:25:41,780 --> 00:25:42,780

Right.

557

00:25:43,780 --> 00:25:45,780

This is the pool room, which used to be their master bedroom.

558

00:25:45,780 --> 00:25:49,780

It's right here, a woman's voice, all the time, which would make sense, he's...

559

00:25:49,780 --> 00:25:52,780

This is where they slept for over 60 years.

560

00:25:52,780 --> 00:25:54,780

These are the actual glasses.

561

00:25:54,780 --> 00:25:59,780

That's about where they were that night, and they ended up right here.

562

00:26:00,780 --> 00:26:02,780

Do you have a history of sleepwalking?

563

00:26:02,780 --> 00:26:03,780

No.

564

00:26:03,780 --> 00:26:07,780

When the glasses moved, I had my grandparents' ashes in here.

565

00:26:09,780 --> 00:26:10,780

This is the basement door.

566

00:26:10,780 --> 00:26:11,780

It's a heavy oak fire door.

567

00:26:11,780 --> 00:26:16,780

One night I was lying in bed, and here it is, 3 o'clock in the morning, and I heard it slam,

568

00:26:16,780 --> 00:26:20,780

and when I came down, it was in the closed position with the lock locked.

569

00:26:20,780 --> 00:26:25,780

One night after work, I came home, and I had to check my number two home heating oil,

570

00:26:25,780 --> 00:26:28,780

which is in a door right over my right here.

571

00:26:28,780 --> 00:26:32,780

I get down to the bottom of the stairs, and I got through about right here,

572

00:26:32,780 --> 00:26:36,780

and all of a sudden, all the hairs on the back of my neck stood straight up,

573

00:26:36,780 --> 00:26:41,780

and I just felt like there was somebody watching me, and I'm down here, and I'm looking around,

574

00:26:41,780 --> 00:26:42,780

and I gotta go in there.

575

00:26:42,780 --> 00:26:46,780

I really didn't want to, and finally I said, that's it.

576

00:26:46,780 --> 00:26:49,780

I went back upstairs, and to this day, I have not come down here at night,

577

00:26:49,780 --> 00:26:50,780

and I looked up with somebody.

578

00:26:50,780 --> 00:26:51,780

Forget it.

579

00:26:51,780 --> 00:26:54,780

I was a skeptic before I moved into this house.

580

00:26:54,780 --> 00:26:57,780

Think you really don't believe until you've had something that you believe.

581

00:26:57,780 --> 00:26:58,780

Something that you believe.

582

00:26:59,780 --> 00:27:03,780

What I'd really like to get out of this investigation is, I'd like some sense of closure.

583

00:27:03,780 --> 00:27:07,780

Maybe there is something here, maybe there isn't, maybe it's in my head.

584

00:27:07,780 --> 00:27:11,780

I'd really like to know what's going on.

585

00:27:12,780 --> 00:27:23,780

You guys are going to set up the main headquarter area right in the living room,

586

00:27:23,780 --> 00:27:26,780

but just be careful, this whole house is full of antiques.

587

00:27:26,780 --> 00:27:28,780

Do you guys have a problem with me using dowsing rods?

588

00:27:28,780 --> 00:27:29,780

No.

589

00:27:29,780 --> 00:27:33,780

Grab like Jen with an EMF or something, go with you, and just keep that verification process going.

590

00:27:33,780 --> 00:27:34,780

Right.

591

00:27:34,780 --> 00:27:38,780

I'm a pagan, and my method of investigation differs.

592

00:27:38,780 --> 00:27:39,780

I use dowsing rods.

593

00:27:39,780 --> 00:27:43,780

When they cross like that, it means that you've detected spiritual energy.

594

00:27:43,780 --> 00:27:45,780

Well, let's get it going.

595

00:27:49,780 --> 00:27:51,780

This is just a great case.

596

00:27:51,780 --> 00:27:55,780

The people are perfect, they're eager to be skeptic, and they just want validation.

597

00:27:55,780 --> 00:27:58,780

We don't really have any baggage to deal with on this case, which is great.

598

00:27:58,780 --> 00:28:00,780

So Steve, what's up with Charlie these days?

599

00:28:00,780 --> 00:28:03,780

Just continuously learning about the paranormal, of course.

600

00:28:03,780 --> 00:28:06,780

Steve, I'm talking about the paranormal, maybe.

601

00:28:06,780 --> 00:28:07,780

Can I give him the juice, man?

602

00:28:08,780 --> 00:28:11,780

We do the whole, like, cuddle-love thing.

603

00:28:11,780 --> 00:28:13,780

Well, be careful, dude. You know they're all intact.

604

00:28:13,780 --> 00:28:15,780

I don't want you to get reprimanded.

605

00:28:16,780 --> 00:28:22,780

I do want to have Brian and Steve do, like, an EMF suite, because if they built the house themselves,

606

00:28:22,780 --> 00:28:26,780

I noticed there were light switches in weird places, so there might be some electrical problems.

607

00:28:26,780 --> 00:28:27,780

Old house, real next cable.

608

00:28:27,780 --> 00:28:31,780

Right, with high EMF, people start to feel like they're being watched.

609

00:28:32,780 --> 00:28:33,780

This thing right here, right?

610

00:28:34,780 --> 00:28:35,780

I'm Jen. I'm a hairdresser.

611

00:28:35,780 --> 00:28:38,780

I've been with TAP for three years, and I'm a field researcher.

612

00:28:38,780 --> 00:28:41,780

I am real. Just like on every track, huh?

613

00:28:42,780 --> 00:28:43,780

Make a wish.

614

00:28:43,780 --> 00:28:46,780

Ah, let's see. I want a new car.

615

00:28:50,780 --> 00:28:52,780

Uh, I want a puppy.

616

00:28:52,780 --> 00:28:53,780

A puppy?

617

00:28:53,780 --> 00:28:55,780

I want my plants to stop dying on me.

618

00:28:56,780 --> 00:28:57,780

Someone record.

619

00:28:57,780 --> 00:28:59,780

Sweet shot. Let's move on.

620

00:28:59,780 --> 00:29:01,780

Alright, we gotta find power somewhere.

621

00:29:02,780 --> 00:29:03,780

Lights out?

622

00:29:03,780 --> 00:29:06,780

Yeah, as soon as he gets that up, Grant, we can kill all the lights.

623

00:29:06,780 --> 00:29:11,780

I'm kind of aggravated because it's here it is, you know, 1220, and we're just kind of

624

00:29:11,780 --> 00:29:14,780

running around aimlessly and nothing's really getting done.

625

00:29:15,780 --> 00:29:17,780

All I know is I want to get the lights out so I can get evidence.

626

00:29:17,780 --> 00:29:20,780

I'm coming in the back room and seeing if anything's going on.

627

00:29:20,780 --> 00:29:23,780

I'm going to go back with Jen and hang out there.

628

00:29:23,780 --> 00:29:25,780

So, do you want me to use digital?

629

00:29:26,780 --> 00:29:27,780

Would you rather me use digital?

630

00:29:27,780 --> 00:29:28,780

Whatever you want to use, Brian.

631

00:29:28,780 --> 00:29:30,780

Do you want to use that? That's fine. I just want an external mic.

632

00:29:31,780 --> 00:29:32,780

Alright. A little tense in here, huh?

633

00:29:32,780 --> 00:29:35,780

I don't know, the air got real thick in there for a second.

634

00:29:36,780 --> 00:29:38,780

Alright, Jen, let's go in the back room then.

635

00:29:38,780 --> 00:29:42,780

One night I come over and rather than having me sleep on the floor in the living room,

636

00:29:42,780 --> 00:29:44,780

he said, why don't you just take the back bedroom?

637

00:29:44,780 --> 00:29:48,780

As soon as I walked into the room, it just gave off a really weird vibe and all the lights were off.

638

00:29:48,780 --> 00:29:50,780

And I heard a woman's voice.

639

00:29:50,780 --> 00:29:53,780

It was really, really faint, but it was like a whisper.

640

00:29:53,780 --> 00:29:55,780

I refused to sleep in his house at all.

641

00:29:56,780 --> 00:29:59,780

We are in the great, great grandfather's bedroom.

642

00:29:59,780 --> 00:30:01,780

How long have you been here?

643

00:30:02,780 --> 00:30:04,780

Alright, let's go. Let's go to the back.

644

00:30:04,780 --> 00:30:05,780

Back out, dude. Let's go.

645

00:30:06,780 --> 00:30:10,780

Right now we are in the pool room upstairs.

646

00:30:11,780 --> 00:30:13,780

Okay, 1.8 over here, Brian.

647

00:30:13,780 --> 00:30:17,780

Is there a reason why you are still in this house?

648

00:30:20,780 --> 00:30:22,780

Do you like Adam living here?

649

00:30:23,780 --> 00:30:25,780

Are you Adam's grandmother?

650

00:30:29,780 --> 00:30:31,780

Is that an arm, though?

651

00:30:35,780 --> 00:30:37,780

Yeah, it's on this side of the pool table.

652

00:30:39,780 --> 00:30:41,780

It's right there.

653

00:30:41,780 --> 00:30:46,780

Let us know you're here so we can tell Adam that in fact his grandparents are still here with him,

654

00:30:46,780 --> 00:30:49,780

or whatever the spirit that is here.

655

00:30:49,780 --> 00:30:50,780

That's his spirit.

656

00:30:50,780 --> 00:30:51,780

Why?

657

00:30:51,780 --> 00:30:53,780

I've found out that's a bad thing to say.

658

00:30:53,780 --> 00:30:54,780

Why?

659

00:30:54,780 --> 00:30:56,780

Because sometimes I don't know what they did.

660

00:30:57,780 --> 00:31:00,780

There's just nothing they didn't believe in in normal lives.

661

00:31:01,780 --> 00:31:03,780

But for this moment.

662

00:31:07,780 --> 00:31:13,780

There's a type of haunting where it's what we call residual because it's just like an event that plays itself over.

663

00:31:13,780 --> 00:31:19,780

We've seen this happen before where something will move the same time every month or every year

664

00:31:19,780 --> 00:31:21,780

and it has no idea you're there.

665

00:31:21,780 --> 00:31:24,780

It walks through a wall if you build a wall, whatever.

666

00:31:24,780 --> 00:31:26,780

It just does the same path every time.

667

00:31:27,780 --> 00:31:30,780

This is his bedroom. This is where the shot glasses moved.

668

00:31:33,780 --> 00:31:35,780

Mr. Mr. Zubroski, are you in here right now?

669

00:31:37,780 --> 00:31:39,780

If so, could you give us a sign of your presence?

670

00:31:42,780 --> 00:31:43,780

This is pretty rad.

671

00:31:48,780 --> 00:31:49,780

What?

672

00:31:49,780 --> 00:31:50,780

You guys come downstairs.

673

00:31:50,780 --> 00:31:51,780

Alright, let's go.

674

00:31:51,780 --> 00:31:55,780

After Steve and Brian finish what they're doing, Heather's going to do her dousing rod thing

675

00:31:55,780 --> 00:32:02,780

and I'll probably let Brian be behind her with the EMF seeing if both of their things correspond with each other.

676

00:32:02,780 --> 00:32:07,780

As you approach spiritual energy, the dousing rods will begin to cross.

677

00:32:07,780 --> 00:32:11,780

The stronger the energy gets, the stronger the bond between the brass prongs become.

678

00:32:12,780 --> 00:32:14,780

Can you hear 1.7 right now?

679

00:32:14,780 --> 00:32:15,780

Yeah, they are.

680

00:32:15,780 --> 00:32:16,780

1.8.

681

00:32:17,780 --> 00:32:20,780

Alright, I want to go back this way and see.

682

00:32:22,780 --> 00:32:25,780

Now we're going to have 0.9 again, steady.

683

00:32:25,780 --> 00:32:26,780

Yeah, see that?

684

00:32:26,780 --> 00:32:27,780

1.1 now.

685

00:32:27,780 --> 00:32:29,780

Go this way and see what we get.

686

00:32:31,780 --> 00:32:32,780

Are they crossing?

687

00:32:32,780 --> 00:32:35,780

Yeah, they just cross there kind of rapidly, but...

688

00:32:35,780 --> 00:32:36,780

1.6.

689

00:32:36,780 --> 00:32:39,780

Alright, I think that we can head upstairs.

690

00:32:39,780 --> 00:32:40,780

Okay.

691

00:32:40,780 --> 00:32:42,780

Now, was this the grandparents' bedroom?

692

00:32:42,780 --> 00:32:44,780

Yes, the great-grandparents' room.

693

00:32:44,780 --> 00:32:45,780

Great-grandfather.

694

00:32:45,780 --> 00:32:46,780

This is the one that he died in.

695

00:32:47,780 --> 00:32:48,780

Nothing, huh?

696

00:32:48,780 --> 00:32:50,780

No, I mean they're like poker straight.

697

00:32:50,780 --> 00:32:52,780

I'm not getting anything here.

698

00:32:52,780 --> 00:32:53,780

Alright.

699

00:32:54,780 --> 00:32:56,780

Now, is this a plume on the left side?

700

00:32:56,780 --> 00:32:58,780

Plume on the left, yes.

701

00:32:59,780 --> 00:33:03,780

We've got a little crossing here as we approach the top of the stairs.

702

00:33:03,780 --> 00:33:06,780

Okay, yep, they're crossing a little bit more.

703

00:33:07,780 --> 00:33:12,780

They're like midway crossed here for the first time since we've started.

704

00:33:12,780 --> 00:33:13,780

Yeah, you're right.

705

00:33:13,780 --> 00:33:15,780

I'm reading 1.0 on this.

706

00:33:16,780 --> 00:33:19,780

This is where we're getting a lot of the wolves too, right around here.

707

00:33:20,780 --> 00:33:21,780

Oh.

708

00:33:22,780 --> 00:33:24,780

For some reason, it's over the pool table.

709

00:33:24,780 --> 00:33:28,780

I'm getting that 0.8, 0.6, 0.7, 0.8.

710

00:33:28,780 --> 00:33:30,780

Constant 0.8 now.

711

00:33:31,780 --> 00:33:33,780

EMF stands for the electromagnetic field.

712

00:33:33,780 --> 00:33:38,780

Now, an entity itself, when it manifests, it usually will give off a certain reading.

713

00:33:38,780 --> 00:33:40,780

We have a device that can detect that.

714

00:33:40,780 --> 00:33:42,780

It goes from 0.8 to a 1.1.

715

00:33:42,780 --> 00:33:45,780

Yeah, it's staying fairly consistent.

716

00:33:45,780 --> 00:33:46,780

Oh, now they're apart again.

717

00:33:46,780 --> 00:33:47,780

1.1.

718

00:33:47,780 --> 00:33:50,780

Over here, over here, we're going this side.

719

00:33:50,780 --> 00:33:52,780

Yeah, this is out, mine is...

720

00:33:52,780 --> 00:33:54,780

Okay, let's see here.

721

00:33:54,780 --> 00:33:55,780

Again, what happens?

722

00:33:55,780 --> 00:33:57,780

Let me come over here.

723

00:33:57,780 --> 00:33:58,780

See?

724

00:33:58,780 --> 00:34:00,780

That is freaky.

725

00:34:00,780 --> 00:34:02,780

Let's go tell this to Jason and we can...

726

00:34:02,780 --> 00:34:03,780

Yeah, all right.

727

00:34:03,780 --> 00:34:04,780

I think we'll be all done for the night.

728

00:34:04,780 --> 00:34:05,780

Okay.

729

00:34:06,780 --> 00:34:07,780

What's up?

730

00:34:07,780 --> 00:34:12,780

I just came to tell you about some of the things that we found in the house.

731

00:34:12,780 --> 00:34:17,780

From one room to the next, it's very inconsistent.

732

00:34:17,780 --> 00:34:20,780

Some rooms have absolutely nothing.

733

00:34:20,780 --> 00:34:24,780

And then other rooms where he's getting no reading whatsoever,

734

00:34:24,780 --> 00:34:27,780

my rods are crossing overall throughout the entire house.

735

00:34:27,780 --> 00:34:29,780

And personally, I don't feel anything really.

736

00:34:30,780 --> 00:34:34,780

I think we can all agree that there isn't much of a feeling in the place.

737

00:34:34,780 --> 00:34:35,780

Right.

738

00:34:35,780 --> 00:34:38,780

It's about time to start breaking stuff down and wrapping it up, guys.

739

00:34:38,780 --> 00:34:39,780

Just like that.

740

00:34:42,780 --> 00:34:43,780

Okay.

741

00:34:48,780 --> 00:34:50,780

Hey, bud, we're going to be getting out of here now, all right?

742

00:34:50,780 --> 00:34:52,780

Hey, guys, thank you so much for coming.

743

00:34:52,780 --> 00:34:53,780

I appreciate everything.

744

00:34:53,780 --> 00:34:54,780

You've been wonderful.

745

00:34:54,780 --> 00:34:55,780

Adam, you've been awesome.

746

00:34:55,780 --> 00:34:56,780

Thank you.

747

00:34:56,780 --> 00:34:57,780

Thank you very much, everybody.

748

00:34:57,780 --> 00:34:58,780

Thanks, Adam.

749

00:34:58,780 --> 00:34:59,780

We'll talk to you in a few days.

750

00:34:59,780 --> 00:35:01,780

We're going to go through the evidence and we'll give you a call.

751

00:35:01,780 --> 00:35:03,780

Come back and sit down with it.

752

00:35:03,780 --> 00:35:05,780

Okay, you guys go safe trip back.

753

00:35:05,780 --> 00:35:06,780

Thank you.

754

00:35:06,780 --> 00:35:07,780

Have a good night.

755

00:35:07,780 --> 00:35:08,780

Take it easy, man.

756

00:35:13,780 --> 00:35:17,780

All right, Steve, we're going to do some evidence review of Adam's house.

757

00:35:17,780 --> 00:35:19,780

We've got six hours of video.

758

00:35:19,780 --> 00:35:22,780

I've already downloaded the EVP audio to Jason's laptop,

759

00:35:22,780 --> 00:35:24,780

so I'm going to listen through there.

760

00:35:24,780 --> 00:35:27,780

And then I've got the DVR system.

761

00:35:27,780 --> 00:35:28,780

All right.

762

00:35:28,780 --> 00:35:30,780

I'm going to get a work trip because we have a lot of hours.

763

00:35:30,780 --> 00:35:31,780

Yeah, we do.

764

00:35:31,780 --> 00:35:32,780

Go ahead.

765

00:35:34,780 --> 00:35:36,780

You know, Adam's really, really cool.

766

00:35:36,780 --> 00:35:41,780

I hope we do find something because then we'll give validity to him.

767

00:35:42,780 --> 00:35:43,780

And he won't think he's crazy.

768

00:35:43,780 --> 00:35:44,780

You know what I mean?

769

00:35:44,780 --> 00:35:46,780

I don't care, dude.

770

00:35:46,780 --> 00:35:48,780

There's no way that shows shock glasses.

771

00:35:48,780 --> 00:35:52,780

We're on his bed board and they were all out of their foot of his bed after.

772

00:35:52,780 --> 00:35:53,780

That's like glass.

773

00:35:53,780 --> 00:35:55,780

I know, but do you know what people do when they're sleeping?

774

00:35:55,780 --> 00:35:56,780

Oh, I understand that.

775

00:35:56,780 --> 00:35:58,780

It's one of the options that happens.

776

00:35:58,780 --> 00:36:00,780

I'm terrible at sleepwalking.

777

00:36:04,780 --> 00:36:05,780

Hey, dude.

778

00:36:05,780 --> 00:36:06,780

What?

779

00:36:06,780 --> 00:36:08,780

Dude, check us out.

780

00:36:12,780 --> 00:36:13,780

What's up?

781

00:36:13,780 --> 00:36:14,780

How you doing, man?

782

00:36:14,780 --> 00:36:15,780

All right.

783

00:36:15,780 --> 00:36:16,780

So what do you got from Adam Zabrowski?

784

00:36:16,780 --> 00:36:20,780

Well, I didn't get any video evidence, but I did get a couple of EVPs I want you guys

785

00:36:20,780 --> 00:36:21,780

to listen to.

786

00:36:21,780 --> 00:36:23,780

And so, yeah, okay, we're going to have to clean this up a little bit.

787

00:36:23,780 --> 00:36:25,780

But you're going to hear this loud humming.

788

00:36:25,780 --> 00:36:28,780

And it sounds like an airplane, but it's not.

789

00:36:28,780 --> 00:36:32,780

Yeah, that's definitely here.

790

00:36:32,780 --> 00:36:33,780

Some whispering on it.

791

00:36:33,780 --> 00:36:34,780

Exactly.

792

00:36:34,780 --> 00:36:36,780

And we don't know what that loud humming is.

793

00:36:36,780 --> 00:36:37,780

It's a loud humming.

794

00:36:37,780 --> 00:36:40,780

Yeah, definitely, here's some whispering on it.

795

00:36:40,780 --> 00:36:41,780

Exactly.

796

00:36:41,780 --> 00:36:43,780

And we don't know what that loud humming is.

797

00:36:43,780 --> 00:36:47,780

It started happening like maybe 13 or 14 seconds before that EVP.

798

00:36:48,780 --> 00:36:49,780

The f**k is it?

799

00:36:53,780 --> 00:36:59,780

I don't, we couldn't figure it out, me and Steve sat there for 15, 20 minutes trying

800

00:36:59,780 --> 00:37:01,780

to figure it out.

801

00:37:04,780 --> 00:37:06,780

You know, it's not freaky.

802

00:37:06,780 --> 00:37:11,780

It's definitely freaky, but it's not clear enough to really be able to say it's definitely saying that.

803

00:37:11,780 --> 00:37:12,780

Wilson the Echo?

804

00:37:12,780 --> 00:37:13,780

Yes.

805

00:37:18,780 --> 00:37:19,780

What the frick?

806

00:37:21,780 --> 00:37:24,780

Whatever it is, Grant, it's not like we talk in Echo.

807

00:37:24,780 --> 00:37:25,780

That's strange.

808

00:37:25,780 --> 00:37:26,780

That's...

809

00:37:27,780 --> 00:37:29,780

You haven't heard the other one yet.

810

00:37:29,780 --> 00:37:31,780

Okay, here's the second EVP.

811

00:37:37,780 --> 00:37:40,780

Sounds like it says Adam in there, but...

812

00:37:43,780 --> 00:37:45,780

I can make out Adam?

813

00:37:45,780 --> 00:37:48,780

Sounds like a breathy, I miss Adam.

814

00:37:48,780 --> 00:37:49,780

Exactly. I miss Adam.

815

00:37:49,780 --> 00:37:52,780

So that's what we call the Adam's House.

816

00:37:52,780 --> 00:37:55,780

That first Echo one, and that just makes you feel uneasy.

817

00:37:55,780 --> 00:38:03,780

I gotta say that nothing, that Adam or his friend, nothing they did made me question what they were saying.

818

00:38:03,780 --> 00:38:06,780

They told their stories and they went on, and they were normal the whole night.

819

00:38:06,780 --> 00:38:09,780

When we went to the case, he wanted to find out if he was crazy or not.

820

00:38:09,780 --> 00:38:14,780

He wanted validity to the voices he's heard and the things that's happened in this house.

821

00:38:14,780 --> 00:38:16,780

I think that's pretty good validity right there.

822

00:38:16,780 --> 00:38:17,780

Pretty good.

823

00:38:17,780 --> 00:38:18,780

Yeah.

824

00:38:18,780 --> 00:38:19,780

Not the best.

825

00:38:19,780 --> 00:38:20,780

Not the best, I'm saying it's pretty good.

826

00:38:20,780 --> 00:38:23,780

I don't know what they say, maybe Adam will be able to shed some light on it.

827

00:38:23,780 --> 00:38:32,780

I say, yeah, I say we play it for Adam, see if he recognizes the voice, and see, I mean they got a tight family, so that may strike a chord with it.

828

00:38:32,780 --> 00:38:34,780

So let's see what Adam thinks.

829

00:38:34,780 --> 00:38:36,780

Let's see if he makes anything out just like he did with Brandon.

830

00:38:36,780 --> 00:38:37,780

Let's do it.

831

00:38:37,780 --> 00:38:38,780

Sounds good.

832

00:38:44,780 --> 00:38:45,780

Adam, man, it's good to see you again.

833

00:38:45,780 --> 00:38:46,780

Good to see you guys.

834

00:38:46,780 --> 00:38:47,780

How you been?

835

00:38:47,780 --> 00:38:48,780

I've been pretty good.

836

00:38:48,780 --> 00:38:49,780

Yeah?

837

00:38:49,780 --> 00:38:50,780

Are we pretty quiet in the house?

838

00:38:50,780 --> 00:38:52,780

As much as it could be.

839

00:38:52,780 --> 00:38:53,780

Has anything happened?

840

00:38:53,780 --> 00:38:59,780

Nothing's moved around or anything like that, but I thought I did hear the woman's voice again.

841

00:38:59,780 --> 00:39:03,780

Although hopefully you guys will be able to tell me where I'm crazy or not this time.

842

00:39:03,780 --> 00:39:04,780

Well, you know what we did?

843

00:39:04,780 --> 00:39:06,780

We ended up setting up equipment in all different areas.

844

00:39:06,780 --> 00:39:11,780

We also, we recorded with audio recorders trying to see if we could catch any sounds.

845

00:39:11,780 --> 00:39:19,780

When we're listening to the audio evidence, we did come across with a couple of things that we call EVPs, which stands for electronic voice phenomena.

846

00:39:19,780 --> 00:39:25,780

And what that is, is it's voices that you pick up on tape that you may not necessarily have heard while it was recording.

847

00:39:25,780 --> 00:39:28,780

You're going to hear a rumble that almost sounds like a plane.

848

00:39:28,780 --> 00:39:30,780

We can't explain where that's coming from.

849

00:39:30,780 --> 00:39:33,780

Besides that, there's something else that you'll hear in.

850

00:39:33,780 --> 00:39:34,780

Okay.

851

00:39:39,780 --> 00:39:40,780

I can't really tell if I'm gonna say it.

852

00:39:40,780 --> 00:39:41,780

Maybe I'll put a fire for you.

853

00:39:41,780 --> 00:39:42,780

I want you to hear it.

854

00:39:43,780 --> 00:39:44,780

Listen again.

855

00:39:50,780 --> 00:39:51,780

Man.

856

00:39:51,780 --> 00:39:55,780

The problem is, what it's saying is not defended enough for us to conclude.

857

00:39:55,780 --> 00:39:56,780

Right, right.

858

00:39:56,780 --> 00:39:57,780

You could hear a number of things.

859

00:39:57,780 --> 00:40:00,780

Right, you pretty much, each person can discern what they want out of that.

860

00:40:00,780 --> 00:40:01,780

Right, so.

861

00:40:01,780 --> 00:40:04,780

So does that voice sound the least bit familiar to you?

862

00:40:04,780 --> 00:40:06,780

It almost, I mean, it does sound like a whisper.

863

00:40:06,780 --> 00:40:08,780

It almost sounds like a man whispering.

864

00:40:08,780 --> 00:40:09,780

I have to agree with you, you know.

865

00:40:09,780 --> 00:40:10,780

I agree with you.

866

00:40:10,780 --> 00:40:11,780

It doesn't sound like a woman whispering.

867

00:40:11,780 --> 00:40:12,780

Right.

868

00:40:12,780 --> 00:40:13,780

So.

869

00:40:13,780 --> 00:40:14,780

But we do have another one I'd like you to listen to.

870

00:40:14,780 --> 00:40:16,780

Now where was this one picked up?

871

00:40:16,780 --> 00:40:18,780

This was actually picked up in your bedroom.

872

00:40:18,780 --> 00:40:19,780

Great.

873

00:40:19,780 --> 00:40:20,780

I know.

874

00:40:20,780 --> 00:40:21,780

Okay.

875

00:40:21,780 --> 00:40:22,780

You ready?

876

00:40:22,780 --> 00:40:23,780

I'm ready.

877

00:40:28,780 --> 00:40:31,780

Your voices sound familiar to you at all?

878

00:40:34,780 --> 00:40:36,780

What does it sound like it's saying to you?

879

00:40:36,780 --> 00:40:38,780

It sounds like it's saying my name.

880

00:40:38,780 --> 00:40:40,780

That's what we thought.

881

00:40:40,780 --> 00:40:43,780

But what does it sound like he's saying right before that?

882

00:40:43,780 --> 00:40:44,780

I, I...

883

00:40:50,780 --> 00:40:52,780

I still can't pick up on it.

884

00:40:52,780 --> 00:40:55,780

There's something that really stuck in my mind about this investigation.

885

00:40:55,780 --> 00:40:58,780

It was definitely, your family has a tight bond.

886

00:40:58,780 --> 00:41:01,780

So we put that into our heads while listening to that.

887

00:41:01,780 --> 00:41:03,780

And it kind of seems to build that up.

888

00:41:03,780 --> 00:41:05,780

I don't want to tell you what we think it's saying.

889

00:41:05,780 --> 00:41:09,780

You guys, the professionals here, if you have an opinion, I would, I would like to hear it.

890

00:41:09,780 --> 00:41:14,780

We thought at the first words out of it were, I miss.

891

00:41:14,780 --> 00:41:17,780

It's pretty freaky.

892

00:41:17,780 --> 00:41:21,780

It hasn't been anything negative the whole time you've been here.

893

00:41:21,780 --> 00:41:22,780

Right.

894

00:41:22,780 --> 00:41:25,780

So, I wouldn't be freaked out by it.

895

00:41:25,780 --> 00:41:29,780

I always was extremely close with my grandfather, more so than my grandmother.

896

00:41:29,780 --> 00:41:36,780

It just really blows my mind that you did find something and it wasn't the voice that I've been hearing.

897

00:41:36,780 --> 00:41:37,780

Yeah.

898

00:41:37,780 --> 00:41:41,780

We were pretty shocked when Brian showed us that he had found this.

899

00:41:41,780 --> 00:41:45,780

And that evidence from what we can interpret is saying something that's pleasant.

900

00:41:45,780 --> 00:41:47,780

If anything is saying that it misses you.

901

00:41:47,780 --> 00:41:48,780

Right.

902

00:41:48,780 --> 00:41:53,780

All this adds up to a situation in your home that you have nothing to be afraid of.

903

00:41:53,780 --> 00:41:54,780

Right.

904

00:41:54,780 --> 00:41:58,780

You know, there may be things around you, but if anything, they got your best interest at heart.

905

00:41:58,780 --> 00:42:01,780

I just wanted to get a third party opinion on it.

906

00:42:01,780 --> 00:42:04,780

You wanted us to try to disprove anything in here.

907

00:42:04,780 --> 00:42:05,780

Right.

908

00:42:05,780 --> 00:42:07,780

We came in hoping to disprove anything in here.

909

00:42:07,780 --> 00:42:08,780

Right.

910

00:42:08,780 --> 00:42:10,780

But with this, I can't disprove these.

911

00:42:10,780 --> 00:42:12,780

I appreciate you guys coming down.

912

00:42:12,780 --> 00:42:13,780

We appreciate everything, buddy.

913

00:42:13,780 --> 00:42:14,780

We had a good time.

914

00:42:14,780 --> 00:42:15,780

It was very nice to meet you.

915

00:42:15,780 --> 00:42:16,780

Yes.

916

00:42:16,780 --> 00:42:17,780

Thank you.

917

00:42:17,780 --> 00:42:19,780

How about I won't?

918

00:42:19,780 --> 00:42:20,780

It did go well.

919

00:42:20,780 --> 00:42:22,780

He's not a good guy.

920

00:42:22,780 --> 00:42:26,780

He's so interested in it, but hopefully he finds something else in his house.

921

00:42:26,780 --> 00:42:30,780

The results of this investigation, it did bring closure to the subject for me where I know I'm not crazy.

922

00:42:30,780 --> 00:42:32,780

There is something there.

923

00:42:34,780 --> 00:42:39,780

It definitely sounds like it's most likely a member of my own family.

924

00:42:39,780 --> 00:42:42,780

But man, I gotta tell you, I'm surprised as hell.

925

00:43:16,780 --> 00:43:19,780

I'm not sure if I'm gonna be able to get a third party opinion on this.

926

00:43:19,780 --> 00:43:20,780

I'm not sure.

927

00:43:20,780 --> 00:43:21,780

I'm not sure.

928

00:43:21,780 --> 00:43:22,780

I'm not sure.

929

00:43:22,780 --> 00:43:23,780

I'm not sure.

930

00:43:23,780 --> 00:43:24,780

I'm not sure.

931

00:43:24,780 --> 00:43:25,780

I'm not sure.

932

00:43:25,780 --> 00:43:26,780

I'm not sure.

933

00:43:26,780 --> 00:43:27,780

I'm not sure.

934

00:43:27,780 --> 00:43:28,780

I'm not sure.

935

00:43:28,780 --> 00:43:29,780

I'm not sure.

936

00:43:29,780 --> 00:43:30,780

I'm not sure.

937

00:43:30,780 --> 00:43:31,780

I'm not sure.

938

00:43:31,780 --> 00:43:32,780

I'm not sure.

939

00:43:32,780 --> 00:43:33,780

I'm not sure.

940

00:43:33,780 --> 00:43:34,780

I'm not sure.

941

00:43:34,780 --> 00:43:35,780

I'm not sure.

942

00:43:35,780 --> 00:43:36,780

I'm not sure.

943

00:43:36,780 --> 00:43:37,780

I'm not sure.

944

00:43:37,780 --> 00:43:38,780

I'm not sure.

945

00:43:38,780 --> 00:43:39,780

I'm not sure.

946

00:43:39,780 --> 00:43:40,780

I'm not sure.

947

00:43:40,780 --> 00:43:41,780

I'm not sure.

948

00:43:41,780 --> 00:43:42,780

I'm not sure.

949

00:43:42,780 --> 00:43:43,780

I'm not sure.

950

00:43:43,780 --> 00:43:44,780

I'm not sure.
