

1

00:00:00,000 --> 00:00:02,000

On this episode of Ghost Hunters,

2

00:00:02,000 --> 00:00:03,500

Jay is back in jail.

3

00:00:03,500 --> 00:00:05,500

Taps heads to Jason's hometown.

4

00:00:05,500 --> 00:00:07,780

I'm happy to get back to the area I was born in

5

00:00:07,780 --> 00:00:09,680

to help a terrorized child.

6

00:00:09,680 --> 00:00:12,340

Tamsaub full body operation.

7

00:00:12,340 --> 00:00:13,980

Just got really cold over here.

8

00:00:16,620 --> 00:00:17,460

Did you hear that?

9

00:00:17,460 --> 00:00:18,300

Yeah, I did.

10

00:00:18,300 --> 00:00:21,320

Then Taps investigates an historic building

11

00:00:21,320 --> 00:00:22,480

with a violent past.

12

00:00:22,480 --> 00:00:23,780

There was a murder here.

13

00:00:23,780 --> 00:00:25,840

One of our staff, he saw a dark shadow

14

00:00:25,840 --> 00:00:27,120

and went up the stairs.

15

00:00:27,120 --> 00:00:28,660

Do Jason and Grant have a run in

16

00:00:28,660 --> 00:00:29,980

with the former residents?

17

00:00:29,980 --> 00:00:30,800

He started again.

18

00:00:30,800 --> 00:00:32,460

It almost sounded like a music box.

19

00:00:32,460 --> 00:00:34,260

They just saw a shadow walk right into it.

20

00:00:34,260 --> 00:00:35,100

Do you know what it was?

21

00:00:35,100 --> 00:00:35,920

Who?

22

00:00:35,920 --> 00:00:36,900

What the frig was that?

23

00:00:36,900 --> 00:00:38,420

But shades of the old Brian

24

00:00:38,420 --> 00:00:40,580

start to cause friction on the team.

25

00:00:40,580 --> 00:00:41,860

It's nothing for a damn mouse.

26

00:00:41,860 --> 00:00:42,700

I know I saw it.

27

00:00:42,700 --> 00:00:43,780

This is that assuming thing.

28

00:00:43,780 --> 00:00:45,300

Brian swore he knew where it was.

29

00:00:45,300 --> 00:00:47,020

I think it's f***ing when we got real, okay?

30

00:00:47,020 --> 00:00:50,580

Will Brian shape up before Taps decides to ship him out?

31

00:00:50,580 --> 00:00:52,300

You don't see me sitting there, bitchin'.

32

00:00:52,300 --> 00:00:54,700

If there's that much of an issue, go f***ing home.

33

00:01:24,700 --> 00:01:27,100

Hey, hey, Donna.

34

00:01:27,100 --> 00:01:28,020

How you doing, guys?

35

00:01:28,020 --> 00:01:29,020

Good, how are you?

36

00:01:29,020 --> 00:01:30,300

I'm doing really good.

37

00:01:30,300 --> 00:01:31,300

What do we got?

38

00:01:31,300 --> 00:01:35,300

I've got two cases that are located in your hometown.

39

00:01:35,300 --> 00:01:36,820

Canada Wagua, how do you say it?

40

00:01:36,820 --> 00:01:37,820

Canada Dagua.

41

00:01:37,820 --> 00:01:38,820

Canada Dagua?

42

00:01:38,820 --> 00:01:39,820

How do you say it?

43

00:01:39,820 --> 00:01:40,820

Canada Dagua?

44

00:01:40,820 --> 00:01:41,820

Canada Dagua.

45

00:01:41,820 --> 00:01:42,820

That's where I was born.

46

00:01:42,820 --> 00:01:43,820

Yeah, I knew that.

47

00:01:43,820 --> 00:01:45,900

Well, anyways, the first thing I did was I went to the

48

00:01:45,900 --> 00:01:48,020

city of San Francisco and I was like,

49

00:01:48,020 --> 00:01:50,060

oh, I'm going to the city of San Francisco.

50

00:01:50,060 --> 00:01:53,260

I was like, oh, I'm going to the city of San Francisco.

51

00:01:53,260 --> 00:01:54,260

I knew that.

52

00:01:54,260 --> 00:01:56,260

Well, anyways, the first one is the Leonard home.

53

00:01:56,260 --> 00:02:00,140

It's a private residence of Tim and Elizabeth Leonard.

54

00:02:00,140 --> 00:02:05,020

They have a 12-month-old son, and most recently they went into the baby's room and saw the

55

00:02:05,020 --> 00:02:07,220

baby with scratches on its belly.

56

00:02:07,220 --> 00:02:09,460

How bad of a scratch?

57

00:02:09,460 --> 00:02:10,460

I'm not sure.

58

00:02:10,460 --> 00:02:13,340

I haven't seen pictures, but according to them, they're pretty frightened.

59

00:02:13,340 --> 00:02:16,620

They want us to come in and see what's going on.

60

00:02:16,620 --> 00:02:20,940

Tim actually did see a full body apparition of a man in his son's room.

61

00:02:20,940 --> 00:02:22,580

And he nicknamed him George.

62

00:02:22,580 --> 00:02:26,820

Any case that involves a child, of course, takes president's over anything else.

63

00:02:26,820 --> 00:02:29,780

So yeah, I'm good with that and up there, I say.

64

00:02:29,780 --> 00:02:30,780

All right.

65

00:02:30,780 --> 00:02:31,780

So that's first priority.

66

00:02:31,780 --> 00:02:32,780

Let's set that up.

67

00:02:32,780 --> 00:02:35,460

This other case that I have is a museum.

68

00:02:35,460 --> 00:02:36,960

It's called Valentine Square Museum.

69

00:02:36,960 --> 00:02:37,960

Are you familiar with it?

70

00:02:37,960 --> 00:02:38,960

Yeah.

71

00:02:38,960 --> 00:02:41,220

When I was a kid, I remember they used to talk about the place being haunted.

72

00:02:41,220 --> 00:02:45,580

Actually, it used to say Ghost City of Valentine actually on the side of the building.

73

00:02:45,580 --> 00:02:46,580

Oh, really?

74

00:02:46,580 --> 00:02:52,100

The staff there and the employees and the volunteers have all witnessed what they think are paranormal

75

00:02:52,100 --> 00:02:53,100

events.

76

00:02:53,100 --> 00:02:56,020

But I think it'd be a great case to go on and see if we can give them some answers.

77

00:02:56,020 --> 00:02:57,020

Yeah, I'm looking forward to it.

78

00:02:57,020 --> 00:02:58,020

It'd be cool to check it out.

79

00:02:58,020 --> 00:03:00,300

It'd be good for you to go back and check it out.

80

00:03:00,300 --> 00:03:02,300

Take a trip down memory lane.

81

00:03:02,300 --> 00:03:03,300

All right.

82

00:03:03,300 --> 00:03:04,300

Good job, hun.

83

00:03:04,300 --> 00:03:05,300

All right.

84

00:03:05,300 --> 00:03:07,300

I'll get the guys together and I'll give you a call.

85

00:03:07,300 --> 00:03:08,300

Thanks, Donna.

86

00:03:08,300 --> 00:03:09,300

You're welcome.

87

00:03:09,300 --> 00:03:16,940

Well, it's going to be an interesting case and I'm happy to get back to the area I was

88

00:03:16,940 --> 00:03:17,940

born in.

89

00:03:17,940 --> 00:03:18,940

You know, that should be nice.

90

00:03:19,100 --> 00:03:22,620

They say that the scratches are on the back of the baby's neck and I can vouch for it,

91

00:03:22,620 --> 00:03:24,780

you know, having five kids.

92

00:03:24,780 --> 00:03:27,340

There are certain cases that send up a red flag immediately.

93

00:03:27,340 --> 00:03:30,580

The foremost is one where there are kids involved.

94

00:03:30,580 --> 00:03:33,260

We just don't want kids to be scared or hurt.

95

00:03:33,260 --> 00:03:36,540

And I mean, from my own personal standpoint, I have to be small boys.

96

00:03:36,540 --> 00:03:39,980

And if I were in a situation where something was going on and they were frightened and I

97

00:03:39,980 --> 00:03:43,580

did not know where to turn, I would want people to come quick.

98

00:03:43,580 --> 00:03:46,500

My main concern is that a baby scratch himself or is it paranormal?

99

00:03:46,500 --> 00:03:47,500

No.

100

00:03:47,700 --> 00:03:51,420

Everything else you can live with as a parent, but when your child starts getting hurt, that's

101

00:03:51,420 --> 00:03:52,420

when you get nervous.

102

00:03:54,020 --> 00:03:55,020

Small little house.

103

00:03:56,020 --> 00:03:57,500

Oh, yeah, it's going to be tight.

104

00:03:57,500 --> 00:03:58,500

Look at this though.

105

00:04:09,900 --> 00:04:10,900

Hi.

106

00:04:10,900 --> 00:04:11,900

Hi.

107

00:04:11,900 --> 00:04:12,900

Nice to see you.

108

00:04:12,900 --> 00:04:13,900

I'm Jason.

109

00:04:13,900 --> 00:04:14,900

Thanks so much for coming.

110

00:04:14,900 --> 00:04:15,900

Great.

111

00:04:15,900 --> 00:04:16,900

No problem.

112

00:04:16,900 --> 00:04:17,900

Oh, thank you.

113

00:04:18,900 --> 00:04:20,300

I'm really glad you guys came.

114

00:04:20,300 --> 00:04:21,300

Well, thanks for having us out.

115

00:04:21,300 --> 00:04:24,420

It's been a lot of strange things going on.

116

00:04:24,420 --> 00:04:29,940

I really hope that Taps is going to be able to find something and help me out here because

117

00:04:29,940 --> 00:04:36,140

of the concern that I have for my son Robert's well-being and safety in the house.

118

00:04:36,140 --> 00:04:40,820

A couple different times during the summer when I was rocking Robert, it felt like something

119

00:04:40,820 --> 00:04:42,420

was punching from the basement.

120

00:04:42,420 --> 00:04:44,540

All right, so you were getting thumbs.

121

00:04:44,540 --> 00:04:45,540

Yeah.

122

00:04:45,540 --> 00:04:46,540

Now, where were you when you were rocking him?

123

00:04:47,020 --> 00:04:49,020

Yeah, sure.

124

00:04:49,020 --> 00:04:51,700

When I was rocking him, I was sitting in this chair.

125

00:04:51,700 --> 00:04:53,660

Where would you guess that it came from?

126

00:04:53,660 --> 00:04:54,980

It was right directly under my foot.

127

00:04:54,980 --> 00:04:55,980

Oh, really?

128

00:04:55,980 --> 00:04:58,340

Yeah, when I was sitting in the chair, my foot was on it.

129

00:04:58,340 --> 00:05:01,740

It was rocking back and forth, and I felt it punch on the floor.

130

00:05:01,740 --> 00:05:04,300

How many times did that happen?

131

00:05:04,300 --> 00:05:07,020

It happened twice, and then I heard get out.

132

00:05:07,020 --> 00:05:08,020

So I left.

133

00:05:08,020 --> 00:05:11,740

Where could you guess where the words get out came from?

134

00:05:11,740 --> 00:05:12,740

The basement.

135

00:05:13,740 --> 00:05:16,540

So this is the baby's room?

136

00:05:16,540 --> 00:05:18,340

Yeah, this is Robert's room.

137

00:05:18,340 --> 00:05:19,340

All right.

138

00:05:19,340 --> 00:05:24,540

About a week and a half ago, there was one night when I got him up and turned on the

139

00:05:24,540 --> 00:05:29,540

light to change him, and he had scratch marks just like this across the stomach.

140

00:05:29,540 --> 00:05:31,860

You're going to both sides?

141

00:05:31,860 --> 00:05:34,660

Yeah, just like someone had just done just like that.

142

00:05:34,660 --> 00:05:36,900

How far away were they, would you say?

143

00:05:36,900 --> 00:05:39,700

Probably about that far apart.

144

00:05:39,700 --> 00:05:46,460

Then one night he woke up from a nap and had scratches up the back of his neck.

145

00:05:46,460 --> 00:05:47,460

Like how many scratches?

146

00:05:47,460 --> 00:05:49,620

There was probably three or four different ones.

147

00:05:49,620 --> 00:05:50,620

OK.

148

00:05:50,620 --> 00:05:52,020

And I have pictures of those.

149

00:05:52,020 --> 00:05:53,020

OK.

150

00:05:53,020 --> 00:05:54,020

All righty.

151

00:05:54,020 --> 00:05:55,020

So where to now?

152

00:05:55,020 --> 00:05:56,020

Upstairs?

153

00:05:56,020 --> 00:05:57,020

Yeah, we can go upstairs.

154

00:05:57,020 --> 00:05:58,020

Awesome, after you.

155

00:05:58,020 --> 00:06:00,020

Typical attic.

156

00:06:00,020 --> 00:06:05,300

So now whose room is this?

157

00:06:05,300 --> 00:06:06,700

This is my daughter, Nakeezerum.

158

00:06:06,700 --> 00:06:07,700

OK.

159

00:06:07,700 --> 00:06:11,020

She has a full body operation right in the stairwell.

160

00:06:11,020 --> 00:06:12,020

OK.

161

00:06:12,020 --> 00:06:13,020

Right there.

162

00:06:13,020 --> 00:06:14,020

And that would be George?

163

00:06:14,020 --> 00:06:15,020

If George, yes.

164

00:06:15,020 --> 00:06:16,020

What does George look like?

165

00:06:16,020 --> 00:06:20,140

George has red hair, red beard, overalls, and a flannel shirt.

166

00:06:20,140 --> 00:06:23,460

So we're looking for half of the residents of Canandaig when you are?

167

00:06:23,460 --> 00:06:24,460

Exactly.

168

00:06:24,460 --> 00:06:25,460

Farmer.

169

00:06:25,460 --> 00:06:26,460

Well, it's all farm.

170

00:06:26,460 --> 00:06:27,460

It is farm.

171

00:06:27,460 --> 00:06:28,460

It really is.

172

00:06:28,460 --> 00:06:29,460

It's not a footnote.

173

00:06:29,460 --> 00:06:30,460

So where'd you get the name George?

174

00:06:30,460 --> 00:06:31,460

Tim's always called him George.

175

00:06:31,460 --> 00:06:32,460

All right, so where to now?

176

00:06:32,460 --> 00:06:33,460

The basement?

177

00:06:33,460 --> 00:06:34,460

You can go to the basement.

178

00:06:34,460 --> 00:06:35,460

I'll go to the basement.

179

00:06:35,460 --> 00:06:36,460

I'll go to the basement.

180

00:06:36,460 --> 00:06:37,460

I spent half of my life in the basement.

181

00:06:37,460 --> 00:06:39,060

Wait, where were you five weeks ago?

182

00:06:39,060 --> 00:06:41,980

Probably on a job for Rota Ruta.

183

00:06:41,980 --> 00:06:42,980

OK.

184

00:06:42,980 --> 00:06:43,980

Coming down?

185

00:06:43,980 --> 00:06:44,980

Nope.

186

00:06:44,980 --> 00:06:45,980

To you.

187

00:06:45,980 --> 00:06:46,980

No, I'm not going.

188

00:06:46,980 --> 00:06:47,980

Thank you.

189

00:06:47,980 --> 00:06:49,980

What kind of things are going on down there?

190

00:06:49,980 --> 00:06:50,980

Tim's been in the basement.

191

00:06:50,980 --> 00:06:53,180

In fact, he was in the basement today.

192

00:06:53,180 --> 00:06:56,620

And the light kept going on and off.

193

00:06:56,620 --> 00:06:58,580

And when you tell him to stop, they stop.

194

00:06:58,580 --> 00:07:01,940

So you don't go down there because it's just a foreboding feeling?

195

00:07:01,940 --> 00:07:03,700

It's just like a pending doom.

196

00:07:03,700 --> 00:07:05,620

All right, well, thank you for the tour.

197

00:07:05,620 --> 00:07:08,220

And we're going to go out and figure out how to set up the equipment, get everything

198

00:07:08,220 --> 00:07:09,220

going.

199

00:07:09,220 --> 00:07:10,220

OK, thank you very much for coming.

200

00:07:10,220 --> 00:07:11,220

Not a problem.

201

00:07:11,220 --> 00:07:13,580

Bring this to the basement.

202

00:07:13,580 --> 00:07:16,380

Put this in the baby's room with the crib.

203

00:07:16,380 --> 00:07:17,380

OK.

204

00:07:17,380 --> 00:07:19,380

And I'll bring these upstairs.

205

00:07:19,380 --> 00:07:20,620

I'll stop doing this.

206

00:07:20,620 --> 00:07:23,900

I think we're up against a lot of obstacles in this place, honestly.

207

00:07:23,900 --> 00:07:26,020

We've got a child that's being scratched.

208

00:07:26,020 --> 00:07:27,700

We've got a concerned mother.

209

00:07:27,700 --> 00:07:29,340

We've got a very small house.

210

00:07:29,340 --> 00:07:32,660

We're going to have a child sleeping through the whole investigation.

211

00:07:32,660 --> 00:07:35,620

All this adds up to just making it really difficult for us.

212

00:07:35,620 --> 00:07:38,020

I want to find out what's going on with the child.

213

00:07:38,020 --> 00:07:43,420

And I want to find out what's making her so uneasy in the house.

214

00:07:43,420 --> 00:07:47,060

I think the only thing that really needs to be looked into from the plumbing perspective

215

00:07:47,060 --> 00:07:48,180

is the bangs on the floor.

216

00:07:48,180 --> 00:07:51,980

We need to make sure that it wasn't a water pipe or anything.

217

00:07:51,980 --> 00:07:57,140

So we'll definitely take a look at that at some point tonight.

218

00:07:57,140 --> 00:08:02,180

So my friend and I, Robert, we're taping down all the wires.

219

00:08:02,180 --> 00:08:05,620

And we do this to make sure we don't have a safety issue where people are tripping on

220

00:08:05,620 --> 00:08:06,900

them and get tangled up in them.

221

00:08:06,900 --> 00:08:07,900

You're such a good helper.

222

00:08:07,900 --> 00:08:09,300

You want to hold this for me?

223

00:08:09,300 --> 00:08:12,940

When I was a little girl, I was probably four years old.

224

00:08:12,940 --> 00:08:16,620

I would experience noises in the hallway outside my bedroom.

225

00:08:16,620 --> 00:08:19,060

And it would sound like a man who was running.

226

00:08:19,060 --> 00:08:21,620

And he sounded like he was calling for his mom.

227

00:08:21,620 --> 00:08:26,300

And I always thought to myself, I want to know what happens to that energy when a living

228

00:08:26,300 --> 00:08:28,700

being passes from this world.

229

00:08:28,700 --> 00:08:30,700

There you go.

230

00:08:30,700 --> 00:08:31,700

Put the wireless audio.

231

00:08:31,700 --> 00:08:36,140

I'm going to put it over here in the basement because Elizabeth says that the most activity

232

00:08:36,140 --> 00:08:38,860

for audio is in the basement or in living room.

233

00:08:38,860 --> 00:08:40,780

Hopefully we can catch something on the wireless audio.

234

00:08:40,780 --> 00:08:42,900

I'm going to go set it up in the van right now.

235

00:08:42,900 --> 00:08:45,060

Those are the scratches, huh?

236

00:08:45,060 --> 00:08:47,540

This was the one that looked like it broke the surface.

237

00:08:47,540 --> 00:08:49,980

You keep this fingernails trimmed and everything?

238

00:08:49,980 --> 00:08:50,980

Oh, yeah.

239

00:08:50,980 --> 00:08:52,660

Wow, that's pretty cool.

240

00:08:52,660 --> 00:08:55,980

This is the one in particular that really kind of bothered me.

241

00:08:55,980 --> 00:08:58,140

Hopefully we'll be able to get some answers for you.

242

00:08:58,140 --> 00:08:59,140

I hope so, too.

243

00:08:59,140 --> 00:09:03,660

I'm searching for a damn mouse.

244

00:09:03,660 --> 00:09:05,380

That's what I'm thinking.

245

00:09:05,380 --> 00:09:07,380

I might have fell back there.

246

00:09:07,380 --> 00:09:11,460

But the mouse missing means we can't run the wireless audio.

247

00:09:11,460 --> 00:09:16,140

When it comes to recording wireless audio, the program we use, you cannot start without

248

00:09:16,140 --> 00:09:18,260

having a mouse to hit the record button.

249

00:09:18,260 --> 00:09:19,260

I know I saw it.

250

00:09:19,260 --> 00:09:20,780

I know when you picked up something with dangling.

251

00:09:20,780 --> 00:09:22,460

It wasn't just that little piece of cord.

252

00:09:22,460 --> 00:09:24,500

This is that assuming thing that I'm talking about.

253

00:09:24,500 --> 00:09:26,220

I saw it, Steve.

254

00:09:26,220 --> 00:09:30,660

He used to do a thing where he would assume that things were where they should be and

255

00:09:30,660 --> 00:09:32,660

tell you that he's hot.

256

00:09:32,660 --> 00:09:38,460

I don't know why he would do that just to lie or just to save himself a walk.

257

00:09:38,460 --> 00:09:40,780

But I thought maybe he did change as he said he has.

258

00:09:40,780 --> 00:09:45,100

So I should have known better given his track record and I should have checked up and made

259

00:09:45,100 --> 00:09:46,100

sure the mouse was there.

260

00:09:46,100 --> 00:09:47,100

But they didn't.

261

00:09:47,100 --> 00:09:48,100

I took his word for it.

262

00:09:48,100 --> 00:09:49,100

I think it's f***ing wings on me all the time.

263

00:09:49,100 --> 00:09:50,100

I shouldn't have zoomed in.

264

00:09:50,100 --> 00:09:51,100

I shouldn't have zoomed in that.

265

00:09:51,100 --> 00:09:53,100

I ain't the f***ing damn tick manager anymore.

266

00:09:53,100 --> 00:09:54,100

Why?

267

00:09:54,100 --> 00:09:55,100

I'm not talking about nothing.

268

00:09:55,100 --> 00:09:56,100

Just stop acting like you're three years old.

269

00:09:56,100 --> 00:09:58,100

I just said I know that when I'm suggesting Grant.

270

00:09:58,100 --> 00:10:00,980

I'm suggesting Grant that he's going to blame me.

271

00:10:00,980 --> 00:10:02,700

He's just thinking I'm assuming I saw it.

272

00:10:02,700 --> 00:10:06,460

Which is really, really pissing me off because if he can't believe me about a stupid little

273

00:10:06,460 --> 00:10:11,460

mouse I wasn't going to believe me about anything.

274

00:10:11,460 --> 00:10:16,940

I'm searching for a damn mouse.

275

00:10:16,940 --> 00:10:20,020

I'm thinking it may have fell back there.

276

00:10:20,020 --> 00:10:22,500

With the mouse missing it means we can't run into wireless audio.

277

00:10:22,500 --> 00:10:23,500

This is your department.

278

00:10:23,900 --> 00:10:24,900

No I know.

279

00:10:24,900 --> 00:10:25,900

The way it went down is yesterday.

280

00:10:25,900 --> 00:10:27,400

You had confirmation from Brian.

281

00:10:27,400 --> 00:10:31,260

I said Brian, I said we need the mouse for the computer for wireless audio and he said

282

00:10:31,260 --> 00:10:32,260

it's in the van.

283

00:10:32,260 --> 00:10:34,260

I said to Shory, yeah he said I saw it.

284

00:10:34,260 --> 00:10:35,260

It's in the van.

285

00:10:35,260 --> 00:10:36,980

As far as audio goes we're at a standstill.

286

00:10:36,980 --> 00:10:39,060

Brian swore he knew where it was.

287

00:10:39,060 --> 00:10:40,060

Steve trusted that.

288

00:10:40,060 --> 00:10:41,780

Now we don't know where it is.

289

00:10:41,780 --> 00:10:47,540

I don't hold Steve that responsible because he checked and double checked with Brian.

290

00:10:47,540 --> 00:10:48,940

What more could Steve have done?

291

00:10:48,940 --> 00:10:52,700

So officially I think I'm giving up on the freaking mouse.

292

00:10:52,900 --> 00:10:53,900

I don't think it's in here.

293

00:10:53,900 --> 00:10:56,220

Steve thought that the mouse was with the computer.

294

00:10:56,220 --> 00:10:57,220

Turns out it wasn't.

295

00:10:57,220 --> 00:10:58,740

Brian told him it was.

296

00:10:58,740 --> 00:11:00,860

So it's still Steve's department.

297

00:11:00,860 --> 00:11:02,300

Steve's supposed to be in charge of that.

298

00:11:02,300 --> 00:11:05,060

So I guess he really shouldn't be taking Brian's word on it.

299

00:11:05,060 --> 00:11:07,380

Hey maybe that's what we already had.

300

00:11:07,380 --> 00:11:09,220

Will that accept a regular size mouse grant?

301

00:11:09,220 --> 00:11:10,220

Yeah.

302

00:11:10,220 --> 00:11:11,900

I'm going to ask the homeowner if we can use her computer mouse.

303

00:11:11,900 --> 00:11:14,300

I have a favor to ask you.

304

00:11:14,300 --> 00:11:17,860

Can we borrow your computer mouse for like 10 seconds?

305

00:11:17,860 --> 00:11:21,860

Steve shouldn't have to double check everything that someone else does in his department.

306

00:11:21,860 --> 00:11:23,300

He shouldn't have to do that.

307

00:11:23,300 --> 00:11:26,980

So right now we have to kind of look stupid and go in and ask the homeowner if we can

308

00:11:26,980 --> 00:11:27,980

use our mouse.

309

00:11:27,980 --> 00:11:31,660

If Brian doesn't want to feature in taps he's going to have to break this pattern.

310

00:11:31,660 --> 00:11:33,740

He's going to have to change his behavior.

311

00:11:33,740 --> 00:11:38,340

I got the client's mouse and I've actually talked to him about his assumptions.

312

00:11:38,340 --> 00:11:40,380

He can't treat his assumption as fact.

313

00:11:40,380 --> 00:11:43,460

He needs to make sure things are what he says.

314

00:11:45,140 --> 00:11:48,940

All four cameras up and recording wireless audio is up and recording.

315

00:11:48,940 --> 00:11:49,940

All right cool.

316

00:11:49,940 --> 00:11:51,540

So we're pretty much set to go lights up.

317

00:11:51,540 --> 00:11:55,220

Guys, remember, child is sleepy so just a light.

318

00:11:55,220 --> 00:11:56,220

Awesome.

319

00:11:56,220 --> 00:11:57,220

All right let's go the lights.

320

00:11:57,220 --> 00:11:58,220

Let's do it.

321

00:11:58,220 --> 00:11:59,220

Okay man.

322

00:11:59,220 --> 00:12:07,140

All right GW, let's do this.

323

00:12:07,140 --> 00:12:08,420

You know this is where I'm from.

324

00:12:08,420 --> 00:12:12,220

I was born in Canada, and I can really identify with these people.

325

00:12:12,220 --> 00:12:14,540

They're worried about their son's safety and their own safety.

326

00:12:14,540 --> 00:12:15,540

I really want to help out.

327

00:12:15,540 --> 00:12:19,540

She was saying that if you ask him to show himself, you might.

328

00:12:19,540 --> 00:12:23,540

I don't know about that but it's worth a shot.

329

00:12:23,540 --> 00:12:26,540

I got no problem with that.

330

00:12:26,540 --> 00:12:29,540

Hey George, are you here?

331

00:12:29,540 --> 00:12:33,540

George, you wanted to show yourself to us.

332

00:12:37,540 --> 00:12:43,540

Our client and her husband have both said that in a basement lights down there go on

333

00:12:43,540 --> 00:12:46,540

and off on their own and you can actually kind of control them.

334

00:12:46,540 --> 00:12:50,540

If you tell George, they call the spirit George, just stop playing with the lights.

335

00:12:50,540 --> 00:12:51,540

He does stop.

336

00:12:51,540 --> 00:12:55,540

I'll try to play with the ball but see if it's loose.

337

00:12:55,540 --> 00:12:58,540

All right, let's do it.

338

00:13:01,540 --> 00:13:02,540

Very nice.

339

00:13:02,540 --> 00:13:05,540

Oh yeah, look at that.

340

00:13:05,540 --> 00:13:08,540

So any vibration from upstairs as they're walking by?

341

00:13:08,540 --> 00:13:10,540

That's definitely debunked.

342

00:13:10,540 --> 00:13:15,540

I'll tell Jane Grant, I'll tell him how we took care of that light bulb thing.

343

00:13:15,540 --> 00:13:17,540

Deep bunk, that light bulb thing in the basement.

344

00:13:17,540 --> 00:13:18,540

You did it, sweetie.

345

00:13:18,540 --> 00:13:21,540

What I'd like to do is at least give Lisa and Brian a chance to do a walkthrough.

346

00:13:21,540 --> 00:13:22,540

Okay.

347

00:13:22,540 --> 00:13:23,540

You want to check out the basement?

348

00:13:23,540 --> 00:13:24,540

Yes.

349

00:13:28,540 --> 00:13:30,540

We just checked us out.

350

00:13:30,540 --> 00:13:31,540

Oh my gosh.

351

00:13:31,540 --> 00:13:35,540

My day job as a rotor-router plumber definitely helps solve cases of the paranormal.

352

00:13:35,540 --> 00:13:38,540

You know, there's just, there's a lot of factors down here.

353

00:13:38,540 --> 00:13:40,540

There's air in the lines, the pipe's banging in the wall.

354

00:13:40,540 --> 00:13:44,540

You'd be surprised how many cases you can solve just because we're plumbers.

355

00:13:44,540 --> 00:13:47,540

You know what, I definitely do see first off the banging.

356

00:13:47,540 --> 00:13:49,540

We've got a sump pump right here.

357

00:13:49,540 --> 00:13:54,540

Look at this, when this moves, when it kicks on for any water, it's going to do that.

358

00:13:54,540 --> 00:13:56,540

It goes right under where she was sitting.

359

00:13:56,540 --> 00:13:58,540

It's going to bang this thing, see?

360

00:13:58,540 --> 00:14:02,540

And you know it's going to kick, so it's going to create a probe right into where she's sitting.

361

00:14:02,540 --> 00:14:04,540

You know what I mean?

362

00:14:04,540 --> 00:14:05,540

It would be too bad.

363

00:14:05,540 --> 00:14:07,540

It's the way it bounces on.

364

00:14:07,540 --> 00:14:08,540

Dang, dang.

365

00:14:08,540 --> 00:14:10,540

I don't feel Satan down here, but...

366

00:14:10,540 --> 00:14:12,540

Oh, I totally feel fine, do I?

367

00:14:12,540 --> 00:14:13,540

Alright.

368

00:14:13,540 --> 00:14:14,540

What else can we figure out?

369

00:14:14,540 --> 00:14:16,540

How long before our knees give out?

370

00:14:23,540 --> 00:14:25,540

Are there any house pots in this room?

371

00:14:25,540 --> 00:14:28,540

Ah, yeah, actually, it's one of the most popular, you know, a lot of banging.

372

00:14:28,540 --> 00:14:29,540

Oh, it's...

373

00:14:32,540 --> 00:14:35,540

I think this is the first time we've ever worked together as a team.

374

00:14:35,540 --> 00:14:36,540

Yeah, I think it is.

375

00:14:36,540 --> 00:14:37,540

Cool.

376

00:14:37,540 --> 00:14:39,540

We're a good team.

377

00:14:39,540 --> 00:14:40,540

We're a good team.

378

00:14:40,540 --> 00:14:41,540

You're right.

379

00:14:41,540 --> 00:14:46,540

If there is anybody in this house, a presence, can you please give me a sign?

380

00:14:46,540 --> 00:14:49,540

EVP stands for electronic voice phenomenon.

381

00:14:49,540 --> 00:14:52,540

This is a phenomenon that's captured on audio recorders.

382

00:14:52,540 --> 00:14:56,540

When you're walking around a place that has paranormal activity, you don't hear anything at the time,

383

00:14:56,540 --> 00:15:02,540

but then when you play back the recording, you capture voices on it that you can't explain.

384

00:15:03,540 --> 00:15:06,540

Who is putting the scratches on Robert?

385

00:15:06,540 --> 00:15:10,540

Is there another spirit in this house that means to do this family harm?

386

00:15:13,540 --> 00:15:15,540

Actually, I'm gonna sit on the floor for a minute.

387

00:15:15,540 --> 00:15:16,540

Okay.

388

00:15:16,540 --> 00:15:19,540

Were you the original owner of this house?

389

00:15:19,540 --> 00:15:22,540

Oh, it just got really cold over here.

390

00:15:22,540 --> 00:15:23,540

Yeah, did it?

391

00:15:23,540 --> 00:15:24,540

Did you feel that?

392

00:15:24,540 --> 00:15:25,540

No.

393

00:15:25,540 --> 00:15:27,540

It just got really cold over here.

394

00:15:27,540 --> 00:15:31,540

George, is that you that Lisa is feeling right now?

395

00:15:31,540 --> 00:15:32,540

No.

396

00:15:45,540 --> 00:15:48,540

George, is this just you or is there anybody else in this room?

397

00:15:48,540 --> 00:15:52,540

Could you please touch my hand or give me a sign of your presence?

398

00:15:55,540 --> 00:15:57,540

Ryan and I went into the living room.

399

00:15:57,540 --> 00:15:59,540

We did feel some cold spots in the room,

400

00:15:59,540 --> 00:16:03,540

whether it's because there may be a draft in the house, we're not sure.

401

00:16:03,540 --> 00:16:06,540

Wanna try going into the other part where the baby sleeps now?

402

00:16:06,540 --> 00:16:07,540

Yeah, sure.

403

00:16:10,540 --> 00:16:12,540

Watch out, the stairs are really steep.

404

00:16:12,540 --> 00:16:13,540

Creaky.

405

00:16:24,540 --> 00:16:26,540

Oh man, there's dolls up here.

406

00:16:26,540 --> 00:16:27,540

No.

407

00:16:27,540 --> 00:16:29,540

They had the creepiest things of all.

408

00:16:31,540 --> 00:16:33,540

They're like dolls.

409

00:16:33,540 --> 00:16:34,540

Wanna sit in the chair?

410

00:16:34,540 --> 00:16:36,540

Heck no.

411

00:16:36,540 --> 00:16:40,540

If anybody's gonna get their butt kicked, it's gonna be you.

412

00:16:42,540 --> 00:16:43,540

This is very creaky, see?

413

00:16:43,540 --> 00:16:45,540

It felt like my bit.

414

00:16:54,540 --> 00:16:56,540

48.9, 42.

415

00:16:56,540 --> 00:16:59,540

Most of the activity seems to happen when the things are normal.

416

00:16:59,540 --> 00:17:02,540

The baby's in its crib, the parents are asleep in their bedroom.

417

00:17:02,540 --> 00:17:04,540

Alright, let's go.

418

00:17:04,540 --> 00:17:09,540

So we wanted to allow them to have their environment back and record them in their own environment.

419

00:17:12,540 --> 00:17:15,540

According to what we were told last night is George was staying in the room around the baby.

420

00:17:15,540 --> 00:17:20,540

So we decided at that point that it was time to give them their house back and try to catch George.

421

00:17:20,540 --> 00:17:24,540

What we're thinking about doing is that a little while, you know, it's getting really late.

422

00:17:24,540 --> 00:17:28,540

We'd like to wrap it up, but leave our equipment here rolling.

423

00:17:28,540 --> 00:17:32,540

So what'll happen is everybody, all our people will be out of the house.

424

00:17:32,540 --> 00:17:34,540

You guys will be able to live your life like you usually do.

425

00:17:34,540 --> 00:17:36,540

We'll just have the cameras here.

426

00:17:36,540 --> 00:17:37,540

Are you okay with that?

427

00:17:37,540 --> 00:17:38,540

Yeah, that's fine.

428

00:17:38,540 --> 00:17:39,540

What time do you think we'll be back?

429

00:17:39,540 --> 00:17:40,540

You tell us when.

430

00:17:40,540 --> 00:17:44,540

Somebody might have to be back here kind of early to pick up the wires.

431

00:17:44,540 --> 00:17:46,540

Alright, so then that's what we'll do then.

432

00:17:46,540 --> 00:17:47,540

Okay.

433

00:17:47,540 --> 00:17:48,540

Alright, thanks.

434

00:17:48,540 --> 00:17:49,540

Okay.

435

00:17:51,540 --> 00:17:52,540

What's up, brother?

436

00:17:52,540 --> 00:17:53,540

What's up?

437

00:17:53,540 --> 00:17:58,540

Jay just informed me to let you know that we're going to keep the equipment up all night.

438

00:17:58,540 --> 00:18:00,540

Why does he want it left overnight?

439

00:18:00,540 --> 00:18:01,540

I don't know, man.

440

00:18:01,540 --> 00:18:02,540

Especially this place.

441

00:18:02,540 --> 00:18:03,540

I don't even think it's haunted.

442

00:18:03,540 --> 00:18:04,540

I don't think it's haunted at all.

443

00:18:04,540 --> 00:18:07,540

We haven't had one personal experience and we've been all through this house.

444

00:18:07,540 --> 00:18:08,540

It doesn't make much sense to me.

445

00:18:08,540 --> 00:18:09,540

Yeah, it doesn't.

446

00:18:09,540 --> 00:18:12,540

Brian and I kind of got the feeling that perhaps it wasn't haunted.

447

00:18:12,540 --> 00:18:17,540

So leaving the equipment running overnight seemed like it was kind of beating this thing to death.

448

00:18:17,540 --> 00:18:19,540

It's what Jay wants, so, you know, what Jay wants, he gets.

449

00:18:19,540 --> 00:18:20,540

He's the boss.

450

00:18:20,540 --> 00:18:21,540

Okay.

451

00:18:21,540 --> 00:18:22,540

What you mean?

452

00:18:22,540 --> 00:18:25,540

Guys, admit it.

453

00:18:25,540 --> 00:18:30,540

Admit that the main issue here is you don't want to get up in the morning, that you want to sleep in.

454

00:18:30,540 --> 00:18:31,540

That's the issue, is it not?

455

00:18:31,540 --> 00:18:36,540

You know, I hate popping off on my guys, but I really don't appreciate when they give me attitude either,

456

00:18:36,540 --> 00:18:38,540

especially when it comes down to the equipment.

457

00:18:38,540 --> 00:18:42,540

The equipment is TAPS equipment and if we want to set it up and leave it rolling overnight,

458

00:18:42,540 --> 00:18:43,540

well, then that's what we're going to do.

459

00:18:43,540 --> 00:18:45,540

That's the issue, is it not?

460

00:18:45,540 --> 00:18:46,540

Is it not?

461

00:18:46,540 --> 00:18:47,540

And you know what?

462

00:18:47,540 --> 00:18:50,540

Sometimes I do have to pop off on them and try to keep them motivated.

463

00:18:50,540 --> 00:18:53,540

But if that's what I got to do, then I got to do it, bottom line.

464

00:18:53,540 --> 00:18:55,540

You don't see me sitting there bitching.

465

00:18:55,540 --> 00:18:58,540

If it's that much of an issue, go the f***ing home.

466

00:19:00,540 --> 00:19:04,540

It was just, you know, him blowing off on us was actually more like blowing off on me

467

00:19:04,540 --> 00:19:06,540

because he didn't even look at Steve the whole time.

468

00:19:06,540 --> 00:19:09,540

He told us about yelling at me, which, you know, I'm getting used to.

469

00:19:09,540 --> 00:19:11,540

Seems like Steve's got the pass all the time, you know,

470

00:19:11,540 --> 00:19:15,540

but it's like if you're going to yell at both of us considering he's the one that brought up the topic,

471

00:19:15,540 --> 00:19:19,540

you know, yell at both of us, don't yell at me and then let him walk away with nothing.

472

00:19:19,540 --> 00:19:21,540

Well, hon, we really appreciate you having us out.

473

00:19:21,540 --> 00:19:23,540

Thank you so much for coming. I really appreciate it.

474

00:19:23,540 --> 00:19:24,540

You guys have been wonderful.

475

00:19:24,540 --> 00:19:27,540

And what's going to happen is my guys will be here early tomorrow morning.

476

00:19:27,540 --> 00:19:28,540

Okay.

477

00:19:28,540 --> 00:19:29,540

They'll gather up the equipment.

478

00:19:29,540 --> 00:19:32,540

In the next few days, they'll go over the evidence and we'll see what we call it.

479

00:19:32,540 --> 00:19:34,540

Okay. I look forward to it. Thank you very much.

480

00:19:34,540 --> 00:19:37,540

We'll talk to you real soon. Any problems from now to then, you call us.

481

00:19:37,540 --> 00:19:39,540

Okay, well, great things.

482

00:19:39,540 --> 00:19:40,540

We'll talk to you some sleep, all right?

483

00:19:40,540 --> 00:19:41,540

Well, you too.

484

00:19:41,540 --> 00:19:42,540

Good.

485

00:19:42,540 --> 00:19:43,540

All right, so we're good to go in here?

486

00:19:43,540 --> 00:19:44,540

Yeah.

487

00:19:44,540 --> 00:19:45,540

All right, let's get this all shut up.

488

00:19:45,540 --> 00:19:46,540

How are we going to lock this?

489

00:19:46,540 --> 00:19:47,540

Yeah, lock it.

490

00:19:47,540 --> 00:19:49,540

Maybe the keys to the home wash too.

491

00:19:49,540 --> 00:19:51,540

Awesome. Well, let's get out of here.

492

00:19:51,540 --> 00:19:53,540

Good job, guys.

493

00:20:07,540 --> 00:20:09,540

It's too early to be awake.

494

00:20:09,540 --> 00:20:13,540

It's definitely too early to be breaking down all of our equipment.

495

00:20:13,540 --> 00:20:15,540

They mentioned if anything happened in the night, you know?

496

00:20:15,540 --> 00:20:17,540

I had four hours of sleep.

497

00:20:17,540 --> 00:20:18,540

I'm doing this.

498

00:20:18,540 --> 00:20:20,540

I'm going to beat you.

499

00:20:20,540 --> 00:20:22,540

13 hours per camera on this.

500

00:20:22,540 --> 00:20:24,540

13 hours of audio on this.

501

00:20:24,540 --> 00:20:27,540

Steve's upset about having 13 hours of audio to review.

502

00:20:27,540 --> 00:20:29,540

He's a bad man.

503

00:20:41,540 --> 00:20:43,540

Town of Avon.

504

00:20:43,540 --> 00:20:44,540

So this is Avon, man.

505

00:20:44,540 --> 00:20:46,540

Is this where you spend most of your time?

506

00:20:46,540 --> 00:20:47,540

I'm entry school and stuff like that?

507

00:20:47,540 --> 00:20:48,540

I'm sure it is.

508

00:20:48,540 --> 00:20:50,540

You're coming up near my school now, gee.

509

00:20:50,540 --> 00:20:51,540

Oh, right.

510

00:20:51,540 --> 00:20:52,540

Jay's, I'm a moderate.

511

00:20:52,540 --> 00:20:54,540

Jay is back in town.

512

00:20:54,540 --> 00:20:56,540

I was a kid and you said you were from Avon.

513

00:20:56,540 --> 00:20:58,540

Everybody knew everybody in Avon.

514

00:20:58,540 --> 00:20:59,540

Do you remember that, man?

515

00:20:59,540 --> 00:21:00,540

First-press for Darian.

516

00:21:00,540 --> 00:21:01,540

I was Catholic.

517

00:21:01,540 --> 00:21:02,540

Look at that tree.

518

00:21:02,540 --> 00:21:04,540

Wow, that's bright.

519

00:21:04,540 --> 00:21:05,540

There's a little center of town.

520

00:21:05,540 --> 00:21:07,540

When I say little center of town, watch.

521

00:21:07,540 --> 00:21:09,540

We're going to go around this circle,

522

00:21:09,540 --> 00:21:11,540

and that's going to be the whole center of town.

523

00:21:15,540 --> 00:21:18,540

You know, I'll show you where my house used to be,

524

00:21:18,540 --> 00:21:20,540

and then I'll take you down and show you the actual,

525

00:21:20,540 --> 00:21:22,540

there's a park down the road that we used to go on,

526

00:21:22,540 --> 00:21:23,540

but you get to be prepared.

527

00:21:23,540 --> 00:21:25,540

You get to smell cow manure the way they're.

528

00:21:25,540 --> 00:21:27,540

Will they make the manufacturing manure?

529

00:21:27,540 --> 00:21:28,540

Yeah.

530

00:21:28,540 --> 00:21:30,540

It used to be right here,

531

00:21:30,540 --> 00:21:32,540

and then we all set a frog pond back here.

532

00:21:32,540 --> 00:21:33,540

That's just the pond.

533

00:21:33,540 --> 00:21:35,540

That's exactly what it is.

534

00:21:35,540 --> 00:21:37,540

It's going to be weird for you to be here

535

00:21:37,540 --> 00:21:38,540

and have it all different.

536

00:21:38,540 --> 00:21:40,540

It is wicked strange to look back.

537

00:21:40,540 --> 00:21:41,540

Yeah.

538

00:21:41,540 --> 00:21:42,540

You know what I mean?

539

00:21:42,540 --> 00:21:45,540

Life moves on 20-something years, you know?

540

00:21:45,540 --> 00:21:46,540

We got a little bridge.

541

00:21:46,540 --> 00:21:47,540

Oh, cool.

542

00:21:47,540 --> 00:21:48,540

We'll go check it out.

543

00:21:48,540 --> 00:21:49,540

Yeah.

544

00:21:50,540 --> 00:21:52,540

It's so bad for whoever's got a rake these leaves.

545

00:21:53,540 --> 00:21:55,540

So what do you think of Canada, will grant?

546

00:21:55,540 --> 00:21:56,540

It's frigging sweet.

547

00:21:56,540 --> 00:21:58,540

I'd live here if I didn't have to live in Rhode Island.

548

00:21:58,540 --> 00:21:59,540

You did?

549

00:21:59,540 --> 00:22:01,540

You didn't have to live in Rhode Island?

550

00:22:01,540 --> 00:22:02,540

All right, let's go.

551

00:22:13,540 --> 00:22:14,540

Hey, guys.

552

00:22:14,540 --> 00:22:15,540

What's up, guys?

553

00:22:15,540 --> 00:22:16,540

What's up, Steve?

554

00:22:16,540 --> 00:22:17,540

What's up?

555

00:22:17,540 --> 00:22:18,540

What do we got?

556

00:22:18,540 --> 00:22:19,540

Show us, oh, Steve.

557

00:22:19,540 --> 00:22:21,540

Well, we reviewed all the DVR footage

558

00:22:21,540 --> 00:22:23,540

and didn't come up with anything.

559

00:22:23,540 --> 00:22:25,540

We listened to all the audio.

560

00:22:25,540 --> 00:22:28,540

We just have one possible clip of something.

561

00:22:28,540 --> 00:22:30,540

Anything with the child moving, scratching himself?

562

00:22:30,540 --> 00:22:31,540

No.

563

00:22:31,540 --> 00:22:32,540

I didn't see him move.

564

00:22:32,540 --> 00:22:33,540

I didn't see him scratch himself.

565

00:22:33,540 --> 00:22:35,540

He got up a few times.

566

00:22:35,540 --> 00:22:36,540

What do you got?

567

00:22:36,540 --> 00:22:38,540

Well, here's one possible audio file.

568

00:22:38,540 --> 00:22:41,540

Brad was listening to the recorders

569

00:22:41,540 --> 00:22:45,540

and heard a slight, like, remember, or moment,

570

00:22:45,540 --> 00:22:47,540

take a listen.

571

00:22:47,540 --> 00:22:49,540

Who is putting the scratches on Robert?

572

00:22:53,540 --> 00:22:54,540

That mm-hmm.

573

00:22:54,540 --> 00:22:55,540

Yeah.

574

00:22:55,540 --> 00:22:56,540

Wait a minute.

575

00:23:04,540 --> 00:23:06,540

You got a bit of car outside?

576

00:23:06,540 --> 00:23:08,540

No, the cars you can actually hear,

577

00:23:08,540 --> 00:23:10,540

you got one actually right down the way

578

00:23:10,540 --> 00:23:12,540

a little bit on this audio recording.

579

00:23:12,540 --> 00:23:14,540

You can hear it go, hmm.

580

00:23:16,540 --> 00:23:17,540

Here's the car.

581

00:23:19,540 --> 00:23:20,540

Hmm.

582

00:23:20,540 --> 00:23:21,540

She's really worried.

583

00:23:21,540 --> 00:23:23,540

She's scared for her child.

584

00:23:23,540 --> 00:23:25,540

Right, and personally, I think that she's got nothing

585

00:23:25,540 --> 00:23:26,540

to worry about with her son.

586

00:23:26,540 --> 00:23:28,540

All she's got to do is videotape her son at night

587

00:23:28,540 --> 00:23:30,540

and she can figure out if he's done that or not.

588

00:23:30,540 --> 00:23:31,540

Yeah, exactly.

589

00:23:31,540 --> 00:23:32,540

All right.

590

00:23:32,540 --> 00:23:33,540

Oh, make us a copy of it.

591

00:23:33,540 --> 00:23:34,540

We'll let her hear it.

592

00:23:34,540 --> 00:23:35,540

All right, great.

593

00:23:35,540 --> 00:23:36,540

Good job, guys.

594

00:23:36,540 --> 00:23:37,540

Thanks, guys.

595

00:23:37,540 --> 00:23:38,540

How have you been?

596

00:23:38,540 --> 00:23:39,540

Good, how are you?

597

00:23:39,540 --> 00:23:40,540

Good.

598

00:23:40,540 --> 00:23:41,540

Feel good.

599

00:23:41,540 --> 00:23:43,540

All right, well, as you know, we came in here

600

00:23:43,540 --> 00:23:45,540

mostly concerned about Robert,

601

00:23:45,540 --> 00:23:46,540

what was happening to him.

602

00:23:46,540 --> 00:23:48,540

And we learned very quickly that you were very uncomfortable

603

00:23:48,540 --> 00:23:49,540

with the basement as well.

604

00:23:49,540 --> 00:23:50,540

Mm-hmm.

605

00:23:50,540 --> 00:23:52,540

So there are a few things we've said about trying

606

00:23:52,540 --> 00:23:53,540

to debunk in the house.

607

00:23:53,540 --> 00:23:55,540

Not for any other reason than to just maybe

608

00:23:55,540 --> 00:23:58,540

get put your ease and say, this is, this noise

609

00:23:58,540 --> 00:23:59,540

or whatever could be caused by this.

610

00:23:59,540 --> 00:24:00,540

Mm-hmm.

611

00:24:00,540 --> 00:24:02,540

We've been talking about this for a long time.

612

00:24:02,540 --> 00:24:04,540

We've been talking about this for a long time.

613

00:24:04,540 --> 00:24:06,540

So this is the noise or whatever could be caused by this.

614

00:24:06,540 --> 00:24:07,540

Mm-hmm.

615

00:24:07,540 --> 00:24:08,540

We went into the basement.

616

00:24:08,540 --> 00:24:09,540

We were checking out down there.

617

00:24:09,540 --> 00:24:11,540

I know that you said that you had witnessed two bangs

618

00:24:11,540 --> 00:24:12,540

under your feet.

619

00:24:12,540 --> 00:24:13,540

Mm-hmm.

620

00:24:13,540 --> 00:24:14,540

It could have been many factors,

621

00:24:14,540 --> 00:24:17,540

but what we did see is there's actually a sump pump

622

00:24:17,540 --> 00:24:20,540

down there that's pipe comes up and it's not bracketed.

623

00:24:20,540 --> 00:24:22,540

So as soon as the sump pump kicks on,

624

00:24:22,540 --> 00:24:25,540

it slams up against the joist of the floor.

625

00:24:25,540 --> 00:24:27,540

And there's also two wooden beams that used to be

626

00:24:27,540 --> 00:24:29,540

a support that are laying up against the heating,

627

00:24:29,540 --> 00:24:31,540

the actual heating duct.

628

00:24:31,540 --> 00:24:32,540

They fell.

629

00:24:32,540 --> 00:24:34,540

And now it's funny because we tried to recreate it that night

630

00:24:34,540 --> 00:24:37,540

and when they fall, they hit twice.

631

00:24:37,540 --> 00:24:40,540

So, you know, just possibilities, of course.

632

00:24:40,540 --> 00:24:43,540

And also down there, there was a complaint about the light

633

00:24:43,540 --> 00:24:44,540

turning on and off.

634

00:24:44,540 --> 00:24:45,540

Mm-hmm.

635

00:24:45,540 --> 00:24:47,540

And Stephen Bryan found that that light is actually

636

00:24:47,540 --> 00:24:51,540

very precariously perched on there so that if there's

637

00:24:51,540 --> 00:24:53,540

anything, anything hits anything else or if you move

638

00:24:53,540 --> 00:24:56,540

kind of quickly almost, it's like even if you breathe,

639

00:24:56,540 --> 00:24:58,540

that will turn on and off.

640

00:24:58,540 --> 00:25:01,540

So those particular events you don't have to worry about.

641

00:25:01,540 --> 00:25:03,540

But we caught a piece of audio, I think, grant one.

642

00:25:03,540 --> 00:25:05,540

And we'd really like you to hear.

643

00:25:05,540 --> 00:25:07,540

You're going to hear one of our investigators, Lisa,

644

00:25:07,540 --> 00:25:10,540

asking a question and then you'll hear something afterwards.

645

00:25:10,540 --> 00:25:11,540

Okay.

646

00:25:11,540 --> 00:25:13,540

Who is putting the scratches on Robert?

647

00:25:17,540 --> 00:25:18,540

Did you hear that?

648

00:25:18,540 --> 00:25:19,540

Yeah, I did.

649

00:25:19,540 --> 00:25:21,540

It sounds to me, it doesn't sound like Robert.

650

00:25:21,540 --> 00:25:23,540

It sounds like kind of like a cooling.

651

00:25:23,540 --> 00:25:25,540

Yeah, and it's tough because if you listen to it,

652

00:25:25,540 --> 00:25:27,540

you're not sure if it, you know, a humming noise

653

00:25:27,540 --> 00:25:30,540

or if it's actually saying something, but it's there.

654

00:25:30,540 --> 00:25:32,540

And what we'll do is we'll make you a copy of this,

655

00:25:32,540 --> 00:25:35,540

you know, because when we leave here, it's not like

656

00:25:35,540 --> 00:25:38,540

we're not going to talk with you or anything anymore.

657

00:25:38,540 --> 00:25:39,540

Okay.

658

00:25:39,540 --> 00:25:41,540

Because you know what, we know that you're bothered.

659

00:25:41,540 --> 00:25:43,540

We know that you're upset, you know.

660

00:25:43,540 --> 00:25:45,540

If you ever need anything, well, they call away.

661

00:25:45,540 --> 00:25:46,540

You know that.

662

00:25:46,540 --> 00:25:48,540

Your mother should be worried about her child.

663

00:25:48,540 --> 00:25:50,540

The biggest thing is you got to be able to stand

664

00:25:50,540 --> 00:25:52,540

in your own two feet and power yourself and take back your home.

665

00:25:52,540 --> 00:25:54,540

Yeah, I really appreciate you coming.

666

00:25:54,540 --> 00:25:56,540

Thank you very much for taking the time.

667

00:25:56,540 --> 00:25:57,540

We really appreciate you having us.

668

00:25:57,540 --> 00:25:58,540

You've been wonderful.

669

00:25:58,540 --> 00:25:59,540

Thank you very much.

670

00:25:59,540 --> 00:26:01,540

I know George exists in this house,

671

00:26:01,540 --> 00:26:04,540

and I think that the house has activity,

672

00:26:04,540 --> 00:26:07,540

but Taps has really helped me become more at ease

673

00:26:07,540 --> 00:26:09,540

of being in the house.

674

00:26:10,540 --> 00:26:12,540

All right, so, you know what?

675

00:26:12,540 --> 00:26:13,540

Let's go on to the next one.

676

00:26:13,540 --> 00:26:14,540

Yep.

677

00:26:18,540 --> 00:26:19,540

All right, guys, follow me.

678

00:26:19,540 --> 00:26:20,540

I know how to get there.

679

00:26:20,540 --> 00:26:21,540

Aye-aye, Captain.

680

00:26:21,540 --> 00:26:23,540

All right, so, Valentine, here we go.

681

00:26:23,540 --> 00:26:25,540

Kristen, Dave.

682

00:26:25,540 --> 00:26:26,540

Yeah.

683

00:26:26,540 --> 00:26:28,540

Hey, glad you guys could get up here fast.

684

00:26:28,540 --> 00:26:29,540

I appreciate that.

685

00:26:29,540 --> 00:26:30,540

No problem.

686

00:26:30,540 --> 00:26:31,540

We're happy to do it.

687

00:26:31,540 --> 00:26:33,540

Lisa had at home after the first investigation,

688

00:26:33,540 --> 00:26:34,540

and then we brought Kristen in.

689

00:26:34,540 --> 00:26:36,540

A couple reasons why we did that are

690

00:26:36,540 --> 00:26:38,540

there's so many members in Taps

691

00:26:38,540 --> 00:26:40,540

that we constantly need to rotate people in and out.

692

00:26:40,540 --> 00:26:42,540

Also, you know, it's a big building.

693

00:26:42,540 --> 00:26:44,540

We figured Kristen knew a little more about the equipment

694

00:26:44,540 --> 00:26:45,540

than Lisa.

695

00:26:45,540 --> 00:26:47,540

So, who do you like working with the best?

696

00:26:47,540 --> 00:26:48,540

Honestly, everyone has the...

697

00:26:48,540 --> 00:26:49,540

I like working with everyone.

698

00:26:49,540 --> 00:26:50,540

I do.

699

00:26:50,540 --> 00:26:51,540

Everyone has their own experiences,

700

00:26:51,540 --> 00:26:53,540

and that makes them different investigators, I think.

701

00:26:53,540 --> 00:26:54,540

Yep.

702

00:26:54,540 --> 00:26:55,540

You know?

703

00:26:55,540 --> 00:26:56,540

Hey, Stevie.

704

00:26:56,540 --> 00:26:58,540

Yeah, what's up, Jay?

705

00:26:58,540 --> 00:27:00,540

Just to give you a little heads up on this museum.

706

00:27:00,540 --> 00:27:02,540

It's about 128 years old.

707

00:27:02,540 --> 00:27:04,540

Is it going to be the same situation

708

00:27:04,540 --> 00:27:06,540

that we usually encounter in the museums,

709

00:27:06,540 --> 00:27:09,540

where you can't touch anything,

710

00:27:09,540 --> 00:27:10,540

can't tape anything down?

711

00:27:10,540 --> 00:27:12,540

Well, you know, of course, we got to respect

712

00:27:12,540 --> 00:27:14,540

the stuff that's in there.

713

00:27:14,540 --> 00:27:16,540

They got a lot of old trinkets from

714

00:27:16,540 --> 00:27:18,540

when the place was initially built.

715

00:27:18,540 --> 00:27:19,540

Aye, that's fair.

716

00:27:19,540 --> 00:27:22,540

You know, it's funny, because I always drove by it as a kid,

717

00:27:22,540 --> 00:27:23,540

and I heard the stories.

718

00:27:23,540 --> 00:27:25,540

This is a situation where it's employees

719

00:27:25,540 --> 00:27:26,540

and stuff that are upset, right?

720

00:27:26,540 --> 00:27:28,540

No, there's been a lot of reports.

721

00:27:28,540 --> 00:27:29,540

Well, maybe we'll get lucky.

722

00:27:29,540 --> 00:27:30,540

The elements are right, man.

723

00:27:30,540 --> 00:27:32,540

If, you know, they talk about storms and everything,

724

00:27:32,540 --> 00:27:35,540

bringing in the energy and electrifying the air

725

00:27:35,540 --> 00:27:38,540

to make things happen, perfect elements.

726

00:27:38,540 --> 00:27:39,540

Yeah, air's ionized.

727

00:27:39,540 --> 00:27:40,540

Ready to go?

728

00:27:40,540 --> 00:27:42,540

There's a theory out there that when there's a thunderstorm

729

00:27:42,540 --> 00:27:45,540

or lightning storm outside, that that's going to create

730

00:27:45,540 --> 00:27:47,540

a better atmosphere for paranormal activity.

731

00:27:47,540 --> 00:27:49,540

And that's just because ionized air

732

00:27:49,540 --> 00:27:52,540

holds more potential energy that a spirit could draw from.

733

00:27:53,540 --> 00:27:55,540

Rellen's out here, is she?

734

00:27:55,540 --> 00:27:57,540

Oh, wow, that's so cool looking.

735

00:27:57,540 --> 00:27:58,540

Awesome.

736

00:27:58,540 --> 00:28:00,540

Oh, my God, it looks like someone at a two-stone.

737

00:28:00,540 --> 00:28:01,540

It does.

738

00:28:08,540 --> 00:28:09,540

Hi, hey, Carol.

739

00:28:09,540 --> 00:28:10,540

Yes.

740

00:28:10,540 --> 00:28:11,540

Hi, I'm Jason.

741

00:28:11,540 --> 00:28:12,540

The DAPS.

742

00:28:12,540 --> 00:28:13,540

Hi, guys.

743

00:28:13,540 --> 00:28:14,540

Bring it to me.

744

00:28:14,540 --> 00:28:15,540

Hi, come on in.

745

00:28:15,540 --> 00:28:16,540

Thank you.

746

00:28:16,540 --> 00:28:18,540

We call TAPS in because we've had so many experiences here

747

00:28:18,540 --> 00:28:20,540

that we can't explain, and we thought it'd be really good

748

00:28:20,540 --> 00:28:22,540

to have someone that knew what they were doing

749

00:28:22,540 --> 00:28:24,540

tell us exactly what we have here.

750

00:28:24,540 --> 00:28:26,540

All right, well, let me show you some of our spots

751

00:28:26,540 --> 00:28:28,540

where we have some strange happening.

752

00:28:28,540 --> 00:28:29,540

That's why we're here.

753

00:28:29,540 --> 00:28:30,540

OK, we're going to go into the bakery,

754

00:28:30,540 --> 00:28:33,540

and that's where we've seen shadows and creepy things.

755

00:28:33,540 --> 00:28:35,540

It's like we're kind of things.

756

00:28:35,540 --> 00:28:38,540

We had one of our staff coming into lock up

757

00:28:38,540 --> 00:28:40,540

and they came over to this door,

758

00:28:40,540 --> 00:28:42,540

and he heard footsteps on the stairs.

759

00:28:42,540 --> 00:28:44,540

And as he looked up, he saw a dark shadow,

760

00:28:44,540 --> 00:28:46,540

went up the stairs, walked right through the door.

761

00:28:46,540 --> 00:28:48,540

We'll go up to the second floor.

762

00:28:48,540 --> 00:28:50,540

OK, I'm going to take you right over to where the apparition

763

00:28:50,540 --> 00:28:51,540

came through the doorway.

764

00:28:51,540 --> 00:28:53,540

Ooh, that's the good stuff.

765

00:28:53,540 --> 00:28:54,540

This is the wall.

766

00:28:54,540 --> 00:28:55,540

These are the stairs.

767

00:28:55,540 --> 00:28:56,540

They came right up.

768

00:28:56,540 --> 00:28:57,540

Even though the store was closed,

769

00:28:57,540 --> 00:28:59,540

it just passed right through.

770

00:28:59,540 --> 00:29:01,540

All right, so where to next?

771

00:29:01,540 --> 00:29:03,540

I think we'll go up to the third floor ballroom.

772

00:29:03,540 --> 00:29:06,540

All right, now we're in what is now storage area,

773

00:29:06,540 --> 00:29:08,540

but this used to be the grand ballroom.

774

00:29:08,540 --> 00:29:09,540

There was a murder here.

775

00:29:09,540 --> 00:29:12,540

Apparently, some woman was dancing with another fella,

776

00:29:12,540 --> 00:29:14,540

and her bow came in and shot him.

777

00:29:14,540 --> 00:29:17,540

Now, we also had some Boy Scouts that stayed overnight,

778

00:29:17,540 --> 00:29:20,540

and two of them, at 2 o'clock in the morning,

779

00:29:20,540 --> 00:29:21,540

heard music coming from up here.

780

00:29:21,540 --> 00:29:23,540

So is that pretty much the activity here?

781

00:29:23,540 --> 00:29:25,540

In this building, yes,

782

00:29:25,540 --> 00:29:28,540

but on the ground, we've had a lot of other activities.

Well, let's do Brian, Steve, Dave, Kristen, me and you.

795

00:29:43,540 --> 00:29:44,540

I'll start a pie.

796

00:29:44,540 --> 00:29:46,540

I'm going to start in the attic.

797

00:29:46,540 --> 00:29:48,540

You got to be extremely careful in the attic,

798

00:29:48,540 --> 00:29:49,540

half the floor is missing.

799

00:29:49,540 --> 00:29:52,540

Dave and Kristen, you guys can start in the basement.

800

All right, let's go.

801

00:29:53,540 --> 00:29:54,540

Sounds good.

Yep.

I feel like we're in a movie.

805

You got to grab the ammo.

So why were you out here?

820

876

00:32:06,540 --> 00:32:08,540

The spooky woods.

He's just retarded.

891

00:32:29,540 --> 00:32:30,540

Yeah.

892

00:32:30,540 --> 00:32:32,540

Like, like one of those porcelain dolls with faces in it,

893

00:32:32,540 --> 00:32:34,540

and they just come walking up to you with a knife.

894

00:32:34,540 --> 00:32:35,540

Oh, yeah.

895

00:32:35,540 --> 00:32:36,540

Yeah, I can see that.

896

00:32:36,540 --> 00:32:37,540

That's my worst fear.

897

00:32:37,540 --> 00:32:38,540

You know what?

898

00:32:38,540 --> 00:32:39,540

I think we're lost.

899

00:32:43,540 --> 00:32:44,540

I don't mind working with Brian.

900

00:32:44,540 --> 00:32:47,540

How do you like working with him since he's been back?

901

00:32:47,540 --> 00:32:50,540

He always says, like, he always says things that he,

902

00:32:50,540 --> 00:32:53,540

he claims them to be fact.

903

00:32:53,540 --> 00:32:55,540

Like, he came in from outside,

904

00:32:55,540 --> 00:32:58,540

and he's like, all the flashlights are gone.

905

00:32:58,540 --> 00:32:59,540

And I'm like, really?

906

00:32:59,540 --> 00:33:01,540

He's like, yeah, there must be a tap service.

907

00:33:01,540 --> 00:33:03,540

Do you check up in front?

908

00:33:03,540 --> 00:33:04,540

Nope.

909

00:33:04,540 --> 00:33:05,540

Do you check in the shelves?

910

00:33:05,540 --> 00:33:06,540

Nope.

911

00:33:06,540 --> 00:33:09,540

Well, then how do you know they're all gone?

912

00:33:09,540 --> 00:33:10,540

Like, how do you know they're not there?

913

00:33:10,540 --> 00:33:11,540

No.

914

00:33:11,540 --> 00:33:13,540

You're just assuming they're not there because the one place

915

00:33:13,540 --> 00:33:14,540

you looked, they weren't there?

916

00:33:14,540 --> 00:33:17,540

I think he's a good investigator, no?

917

00:33:19,540 --> 00:33:22,540

I mean, as an investigator, he's all right.

918

00:33:22,540 --> 00:33:24,540

Helen, do you think he'll last this time?

919

00:33:27,540 --> 00:33:28,540

It depends.

920

00:33:28,540 --> 00:33:31,540

I will say it's much easier working, I think, under you

921

00:33:31,540 --> 00:33:33,540

than it is working under him.

922

00:33:34,540 --> 00:33:36,540

Is there someone in here?

923

00:33:36,540 --> 00:33:38,540

Okay, are you hearing that?

924

00:33:42,540 --> 00:33:44,540

I hear what almost sounds like music.

925

00:33:44,540 --> 00:33:46,540

Is that what you're talking about?

926

00:33:46,540 --> 00:33:48,540

Light music.

927

00:33:48,540 --> 00:33:51,540

Yes, you started again.

928

00:33:51,540 --> 00:33:54,540

It almost sounds like a music box,

929

00:33:54,540 --> 00:33:56,540

but not as harsh.

930

00:33:56,540 --> 00:33:57,540

What?

931

00:34:02,540 --> 00:34:04,540

What, you got something?

932

00:34:06,540 --> 00:34:09,540

I just saw a shadow walk right through that door.

933

00:34:18,540 --> 00:34:20,540

What, you got something?

934

00:34:22,540 --> 00:34:24,540

I swear to you, I thought I just saw some shadow walk

935

00:34:25,540 --> 00:34:26,540

right through that door.

936

00:34:26,540 --> 00:34:28,540

Great, just rewind the tape just a hair.

937

00:34:28,540 --> 00:34:29,540

Okay.

938

00:34:31,540 --> 00:34:33,540

What the freak was that?

939

00:34:33,540 --> 00:34:34,540

Go back.

940

00:34:34,540 --> 00:34:36,540

Hold on, what are you saying?

941

00:34:36,540 --> 00:34:38,540

What the freak was that?

942

00:34:38,540 --> 00:34:40,540

It's hard to tell, yeah.

943

00:34:40,540 --> 00:34:42,540

You know, I caught something on the thermal.

944

00:34:42,540 --> 00:34:46,540

It looked like a shadow darting at the bottom of the stairs.

945

00:34:46,540 --> 00:34:48,540

We got to look it over.

946

00:34:48,540 --> 00:34:50,540

This is the stairway where they saw that thing running around.

947

00:34:50,540 --> 00:34:52,540

Yeah, sure is.

948

00:34:52,540 --> 00:34:54,540

Alright, let's go back that way.

949

00:34:56,540 --> 00:34:59,540

Wonder if you want to hang out here or you want to go upstairs?

950

00:35:00,540 --> 00:35:02,540

Let's get out of here.

951

00:35:02,540 --> 00:35:03,540

Alright.

952

00:35:05,540 --> 00:35:07,540

Oh, there's some flashlight near my feet, man.

953

00:35:07,540 --> 00:35:09,540

You know me, I fall too much.

954

00:35:10,540 --> 00:35:12,540

That's a bit.

955

00:35:14,540 --> 00:35:16,540

What's going on?

956

00:35:16,540 --> 00:35:18,540

Oh, f***!

957

00:35:19,540 --> 00:35:22,540

It's funny every time.

958

00:35:24,540 --> 00:35:27,540

You know what, it's about time to call it a night to wrap up.

959

00:35:27,540 --> 00:35:28,540

Oh really?

960

00:35:28,540 --> 00:35:30,540

Yeah, let's get down and wrap it up.

961

00:35:33,540 --> 00:35:36,540

When me and Grant first started investigating, we caught a few things.

962

00:35:36,540 --> 00:35:39,540

We heard some music at one point.

963

00:35:39,540 --> 00:35:41,540

I thought I had seen a shadow.

964

00:35:41,540 --> 00:35:43,540

We've got a lot of stuff that we definitely need to analyze.

965

00:35:43,540 --> 00:35:46,540

Might have interesting activity, who knows, we need to look into it.

966

00:35:49,540 --> 00:35:52,540

I didn't mean to do that, sorry, sorry, sorry.

967

00:35:52,540 --> 00:35:53,540

You serious, you just did that?

968

00:35:53,540 --> 00:35:55,540

I did and I didn't mean to, I'm sorry.

969

00:35:55,540 --> 00:35:58,540

When we were wrapping up, I pulled up the cord trying to get the gaff tape off

970

00:35:58,540 --> 00:36:02,540

and I completely disconnected the computer before they could save any of the audio.

971

00:36:04,540 --> 00:36:07,540

I mean, I know we all want to get out of here, but we're getting a little too hasty.

972

00:36:08,540 --> 00:36:09,540

It's completely gone.

973

00:36:09,540 --> 00:36:12,540

Yeah, 1.7 gig of audio.

974

00:36:13,540 --> 00:36:18,540

Unfortunately, one of the people unplugged the computer before we were able to save the wireless

audio.

975

00:36:19,540 --> 00:36:23,540

We lost a good chunk of our audio.

976

00:36:23,540 --> 00:36:24,540

Hey Steve.

977

00:36:24,540 --> 00:36:25,540

Yes.

978

00:36:25,540 --> 00:36:27,540

Did we have battery backup with us?

979

00:36:27,540 --> 00:36:31,540

We did and we tried to use it in Georgia and neither one of them worked.

980

00:36:31,540 --> 00:36:33,540

Did you charge them up?

981

00:36:34,540 --> 00:36:39,540

We're really relying heavily on the recorded evidence and we just took a bunch of that

982

00:36:39,540 --> 00:36:43,540

pumping and balling through it away, you know, we'll never see it again, we'll never know what happened.

983

00:36:44,540 --> 00:36:47,540

That was a lot of audio.

984

00:36:48,540 --> 00:36:52,540

The thing is that it could have been avoided and that's what's most frustrating about it.

985

00:36:52,540 --> 00:36:56,540

And hopefully we got some other stuff that we can really look at closely.

986

00:37:04,540 --> 00:37:06,540

Well Carol, thank you very much for having us out.

987

00:37:06,540 --> 00:37:07,540

Thank you so much.

988

00:37:07,540 --> 00:37:08,540

Yes, we had a blast.

989

00:37:08,540 --> 00:37:12,540

Really, I'm glad Taps came out and I hope you can solve some of the mysteries of Valentine's.

990

00:37:12,540 --> 00:37:13,540

All right, good night.

991

00:37:13,540 --> 00:37:14,540

Great.

992

00:37:14,540 --> 00:37:15,540

What a great place.

993

00:37:15,540 --> 00:37:16,540

Take care, get some sleep.

994

00:37:16,540 --> 00:37:17,540

Thanks.

995

00:37:17,540 --> 00:37:18,540

All right.

996

00:37:18,540 --> 00:37:24,540

I really hope the Taps found some spirits at least, some shadows, some sound, something to really help us find out who we have here.

997

00:37:24,540 --> 00:37:31,540

I talked to Kristen and helped her understand that it wasn't, I wasn't mad at her for pulling the plug.

998

00:37:31,540 --> 00:37:33,540

It's just that situation.

999

00:37:33,540 --> 00:37:35,540

It's just like, oh, it's frustrating.

1000

00:37:35,540 --> 00:37:36,540

What's it down to?

1001

00:37:36,540 --> 00:37:41,540

First off, we've got those battery backups and now we're being told they don't work.

1002

00:37:41,540 --> 00:37:44,540

But the fact is we should have been told that a long time ago.

1003

00:37:44,540 --> 00:37:51,540

We should have been told that right when they tried them, not four weeks or five weeks later when we're sitting on the middle of New York State.

1004

00:37:51,540 --> 00:37:58,540

Maybe Steve just needs to sit everyone down and have a training meeting with people and say, you know, this is the way we go about it.

1005

00:37:58,540 --> 00:38:01,540

Yeah, we need to make sure there's no ifs ands and buts about it.

1006

00:38:01,540 --> 00:38:02,540

You live your life.

1007

00:38:02,540 --> 00:38:03,540

That's it.

1008

00:38:03,540 --> 00:38:09,540

I don't grab that DVR.

1009

00:38:09,540 --> 00:38:13,540

While telling you when I review evidence, I'm sending Brian down to the library.

1010

00:38:13,540 --> 00:38:16,540

This evening, I'll find out any more history in the place.

1011

00:38:16,540 --> 00:38:19,540

We wanted to find out if there's any truth to the ballroom murder.

1012

00:38:19,540 --> 00:38:31,540

Oh, what the hell was that?

1013

00:38:31,540 --> 00:38:32,540

Oh, that's freaky.

1014

00:38:32,540 --> 00:38:33,540

There's no heat to it.

1015

00:38:33,540 --> 00:38:34,540

It's just news.

1016

00:38:34,540 --> 00:38:45,540

Three dollars and 70 cents were the change on the drain.

1017

00:38:46,540 --> 00:38:49,540

All right.

1018

00:38:49,540 --> 00:38:50,540

So what do we got?

1019

00:38:50,540 --> 00:38:53,540

I'm going to show you guys the thermal that you caught there.

1020

00:38:53,540 --> 00:38:56,540

You would ask me to show it to you on a big screen.

1021

00:38:56,540 --> 00:38:57,540

Here it comes.

1022

00:38:57,540 --> 00:38:58,540

See?

1023

00:38:58,540 --> 00:38:59,540

Yeah.

1024

00:38:59,540 --> 00:39:00,540

Can you do it on?

1025

00:39:00,540 --> 00:39:02,540

I could do a slow-mo for you.

1026

00:39:02,540 --> 00:39:07,540

I think it's the railing that goes down the stairs.

1027

00:39:07,540 --> 00:39:10,540

Yeah, look at that.

1028

00:39:10,540 --> 00:39:12,540

Yeah, on there you can see it attached for us.

1029

00:39:12,540 --> 00:39:15,540

That's why we wanted to make sure it was on a big screen.

1030

00:39:15,540 --> 00:39:18,540

We debunked what it looks like an apparition going into the wall.

1031

00:39:18,540 --> 00:39:21,540

Well, it definitely comes down to a thing where we need to be careful with the thermal.

1032

00:39:21,540 --> 00:39:26,540

We really need to look at the footage because sometimes it doesn't really appear to be what it is.

1033

00:39:26,540 --> 00:39:29,540

Yeah, it's really hard to gauge your depth perception and stuff on that.

1034

00:39:29,540 --> 00:39:31,540

Really, you get to sorry on it easy.

1035

00:39:31,540 --> 00:39:33,540

Brian is out right now doing research.

1036

00:39:33,540 --> 00:39:37,540

Maybe he'll come up with some history for us and interesting facts maybe.

1037

00:39:37,540 --> 00:39:38,540

Yeah.

1038

00:39:38,540 --> 00:39:39,540

All right, guys.

1039

00:39:39,540 --> 00:39:40,540

Great job.

1040

00:39:40,540 --> 00:39:41,540

Thanks.

1041

00:39:41,540 --> 00:39:42,540

Hey, Carol.

1042

00:39:42,540 --> 00:39:43,540

Hi there.

1043

00:39:43,540 --> 00:39:44,540

How've you been?

1044

00:39:44,540 --> 00:39:45,540

Great.

1045

00:39:45,540 --> 00:39:46,540

Really anxious.

1046

00:39:46,540 --> 00:39:49,540

You guys believe that this place is haunted.

1047

00:39:49,540 --> 00:39:50,540

I mean, yes.

1048

00:39:50,540 --> 00:39:54,540

You just wanted to try and capture this activity on film.

1049

00:39:54,540 --> 00:39:55,540

Exactly.

1050

00:39:55,540 --> 00:39:57,540

And that's what we said about to do.

1051

00:39:57,540 --> 00:40:00,540

When it came to video and audio, it really didn't catch much.

1052

00:40:00,540 --> 00:40:05,540

But now what did happen was we had a bunch of personal experiences that night.

1053

00:40:05,540 --> 00:40:07,540

I thought I had seen a shadow.

1054

00:40:07,540 --> 00:40:12,540

I looked over Grant's shoulder and saw what I believed to be my co-producer on the show.

1055

00:40:12,540 --> 00:40:17,540

I went to say something to him and it was gone.

1056

00:40:17,540 --> 00:40:20,540

So come to find out my co-producer was still downstairs.

1057

00:40:20,540 --> 00:40:21,540

No kidding.

1058

00:40:21,540 --> 00:40:25,540

So we had some experiences that all seemed to fall within this one time frame.

1059

00:40:25,540 --> 00:40:30,540

Him seeing what he thought was a person and also heard little bits of music.

1060

00:40:30,540 --> 00:40:31,540

Okay.

1061

00:40:31,540 --> 00:40:33,540

Okay.

1062

00:41:01,540 --> 00:41:03,540

I'm from the town of the Valentine band, I guess.

1063

00:41:03,540 --> 00:41:04,540

Yes.

1064

00:41:04,540 --> 00:41:07,540

And I thought it was kind of funny if you notice.

1065

00:41:07,540 --> 00:41:08,540

Look at him.

1066

00:41:08,540 --> 00:41:12,540

I look at the gentleman on the bottom row third from the left.

1067

00:41:12,540 --> 00:41:14,540

Very similar.

1068

00:41:14,540 --> 00:41:16,540

That's not true.

1069

00:41:16,540 --> 00:41:18,540

He's actually a ghost.

1070

00:41:18,540 --> 00:41:20,540

See, you've been here all this time.

1071

00:41:20,540 --> 00:41:22,540

I'm from the area, but...

1072

00:41:22,540 --> 00:41:23,540

Ikebahto.

1073

00:41:23,540 --> 00:41:24,540

Yeah, exactly.

1074

00:41:24,540 --> 00:41:28,540

Well, unfortunately, we came here to try and give you some concrete evidence.

1075

00:41:28,540 --> 00:41:29,540

We didn't get that.

1076

00:41:29,540 --> 00:41:32,540

And all we have is just more experiences to add to the collection.

1077

00:41:32,540 --> 00:41:33,540

But that's great too.

1078

00:41:33,540 --> 00:41:34,540

At least they showed up.

1079

00:41:34,540 --> 00:41:38,540

We were afraid they were on vacation or something when we were here.

1080

00:41:38,540 --> 00:41:40,540

Well, we really wanted to thank you for having us.

1081

00:41:40,540 --> 00:41:44,540

You've got a great building, an interesting building, and I definitely think this is a place people should come and visit.

1082

00:41:44,540 --> 00:41:45,540

Absolutely.

1083

00:41:45,540 --> 00:41:48,540

Well, we really appreciate TAPS team coming out and doing all they did.

1084

00:41:48,540 --> 00:41:49,540

Well, thank you very much.

1085

00:41:49,540 --> 00:41:50,540

Thank you.

1086

00:41:50,540 --> 00:41:51,540

Thank you.

1087

00:41:51,540 --> 00:41:52,540

Thanks.

1088

00:41:52,540 --> 00:41:58,540

We were really hoping that TAPS would get some real concrete scientific evidence, but what better than first person?

1089

00:41:58,540 --> 00:42:00,540

So, we're really happy with it.

1090

00:42:00,540 --> 00:42:04,540

I was really afraid the ghosts wouldn't show up, so I think that's terrific.

1091

00:42:04,540 --> 00:42:07,540

I'm torn to what's going on there.

1092

00:42:07,540 --> 00:42:09,540

Yeah, it's hard to say the place is haunted or not.

1093

00:42:09,540 --> 00:42:13,540

I mean, they believe it's haunted, and no matter what we said, you couldn't change that.

1094

00:42:13,540 --> 00:42:15,540

They just wanted us to try and capture it.

1095

00:42:15,540 --> 00:42:17,540

Yeah, it's definitely an interesting place.

1096

00:42:17,540 --> 00:42:19,540

I appreciate them having us out there.

1097

00:42:19,540 --> 00:42:20,540

But you know what?

1098

00:42:20,540 --> 00:42:23,540

It's time to go home.

1099

00:42:24,540 --> 00:42:26,540

Next time on Ghost Hunters.

1100

00:42:27,540 --> 00:42:30,540

TAPS investigates a haunted library in Indiana.

1101

00:42:30,540 --> 00:42:34,540

Literally thousands of people have reported a great lady ghost encounters.

1102

00:42:34,540 --> 00:42:37,540

Will someone come face to face with this bitter ghost?

1103

00:42:38,540 --> 00:42:40,540

And what is disturbing Grant?

1104

00:42:40,540 --> 00:42:42,540

I don't like any of it at all.

1105

00:42:42,540 --> 00:42:43,540

In a Massachusetts house.

1106

00:42:43,540 --> 00:42:45,540

Ah, what the bet?

1107

00:43:26,540 --> 00:43:31,540

Ghost Hunters
