

1

00:00:00,000 --> 00:00:02,160

On this episode of Ghost Hunters,

2

00:00:02,160 --> 00:00:05,880

Taps hunts for spirits in Florida's oldest lighthouse.

3

00:00:05,880 --> 00:00:08,100

Down here, Brian, is where they've seen supposedly

4

00:00:08,100 --> 00:00:11,080

apparitions.

5

00:00:11,080 --> 00:00:12,960

What the hell was that?

6

00:00:12,960 --> 00:00:15,480

Did you hear that?

7

00:00:15,480 --> 00:00:18,440

Will Steve's fear of heights hamper the investigation?

8

00:00:18,440 --> 00:00:19,320

It was really dark.

9

00:00:19,320 --> 00:00:20,560

It was disorienting.

10

00:00:20,560 --> 00:00:21,960

We just had a flashlight.

11

00:00:21,960 --> 00:00:22,760

What's going on?

12

00:00:22,760 --> 00:00:23,520

What are these heights?

13

00:00:23,520 --> 00:00:24,720

Are you OK?

14

00:00:24,720 --> 00:00:28,240

And what has the team frantically running up the stairs?

15

00:00:28,240 --> 00:00:30,800

I don't think we're alone.

16

00:00:30,800 --> 00:00:31,680

Holy shit.

17

00:00:31,680 --> 00:00:32,320

What the f***?

18

00:00:32,320 --> 00:00:32,720

All the way up.

19

00:00:32,720 --> 00:00:33,240

All the way up.

20

00:00:33,240 --> 00:00:34,000

Did you see it?

21

00:00:34,000 --> 00:00:34,800

Did you see that?

22

00:00:34,800 --> 00:00:35,800

It's coming.

23

00:00:35,800 --> 00:00:38,520

Are you crazy?

24

00:00:38,520 --> 00:00:39,320

Move it.

25

00:00:39,320 --> 00:00:39,720

Come on.

26

00:00:39,720 --> 00:00:40,080

Don't go.

27

00:00:40,080 --> 00:00:40,320

Go.

28

00:00:40,320 --> 00:00:40,720

Move it.

29

00:00:40,720 --> 00:00:41,040

Move it.

30

00:00:41,040 --> 00:00:41,560

Go.

31

00:00:41,560 --> 00:00:42,400

Something just moved up there.

32

00:00:42,400 --> 00:00:43,680

It went up and around.

33

00:00:43,680 --> 00:00:45,680

This is the Mona Lisa wall paranormal activity

34

00:00:45,680 --> 00:00:47,320

that I have experienced in my own eyes.

35

00:00:47,320 --> 00:00:48,760

The freak was that.

36

00:00:48,760 --> 00:00:49,560

Sounded like a laser.

37

00:00:49,560 --> 00:00:50,560

Help me.

38

00:01:20,560 --> 00:01:24,440

See you guys ready?

39

00:01:24,440 --> 00:01:26,120

St. Augustine, Florida.

40

00:01:26,120 --> 00:01:27,240

Nice lighthouse out there.

41

00:01:27,240 --> 00:01:28,480

A little warm weather.

42

00:01:28,480 --> 00:01:30,240

There was a lot of history to this lighthouse

43

00:01:30,240 --> 00:01:32,720

and a lot of the locals talk about it being haunted.

44

00:01:32,720 --> 00:01:35,160

Donnas actually had a bunch of information on it.

45

00:01:35,160 --> 00:01:37,760

Basically, the history of the lighthouse,

46

00:01:37,760 --> 00:01:40,920

it was built in 1871, completed in 1874.

47

00:01:40,920 --> 00:01:42,920

It has some tragedy attached to it.

48

00:01:42,920 --> 00:01:44,920

A man hung himself on a tree.

49

00:01:44,920 --> 00:01:46,920

He was a man who was a man of the art.

50

00:01:46,920 --> 00:01:47,920

He was a man of the art.

51

00:01:47,920 --> 00:01:48,920

He was a man of the art.

52

00:01:48,920 --> 00:01:49,920

He was attached to it.

53

00:01:49,920 --> 00:01:51,920

A man hung himself, one of the caretakers,

54

00:01:51,920 --> 00:01:53,440

hung himself on the front porch.

55

00:01:53,440 --> 00:01:55,440

People think they hear footsteps of little girls

56

00:01:55,440 --> 00:01:57,040

running up and down the stairs.

57

00:01:57,040 --> 00:01:59,840

And they've heard the female voice of the 12-year-old girl

58

00:01:59,840 --> 00:02:00,560

calling out.

59

00:02:00,560 --> 00:02:03,360

So there's a lot of history and events

60

00:02:03,360 --> 00:02:04,360

attached to this lighthouse.

61

00:02:04,360 --> 00:02:06,640

Yeah, I know a lot of the locals talk about it being

62

00:02:06,640 --> 00:02:08,640

the most haunted place in St. Augustine.

63

00:02:08,640 --> 00:02:10,520

We got a heck of a ride ahead of us.

64

00:02:10,520 --> 00:02:13,240

Well, I'm really jealous that I can't go with you guys.

65

00:02:13,240 --> 00:02:14,080

Don't worry about us guys.

66

00:02:14,080 --> 00:02:14,960

We'll have a blast.

67

00:02:14,960 --> 00:02:15,960

Yeah.

68

00:02:15,960 --> 00:02:17,200

We have a good time.

69

00:02:17,200 --> 00:02:18,200

Thanks, Donna.

70

00:02:18,200 --> 00:02:19,200

Let's go.

71

00:02:19,200 --> 00:02:20,200

Awesome.

72

00:02:20,200 --> 00:02:25,040

We got a tech department that we're running out of the downstairs

73

00:02:25,040 --> 00:02:26,040

here.

74

00:02:26,040 --> 00:02:27,040

What's up, bro?

75

00:02:27,040 --> 00:02:28,040

Hey, Steve.

76

00:02:28,040 --> 00:02:29,040

How's it going?

77

00:02:29,040 --> 00:02:30,040

So we've got Ron Milleone who's heading that up.

78

00:02:30,040 --> 00:02:32,680

He's an inventor, and he's been building equipment suited to our needs.

79

00:02:32,680 --> 00:02:35,520

The latest thing that I have would be a portable Geiger

80

00:02:35,520 --> 00:02:36,760

counter system.

81

00:02:36,760 --> 00:02:39,120

We got some big new cases happening.

82

00:02:39,120 --> 00:02:41,080

I wanted to do is expand some new equipment.

83

00:02:41,080 --> 00:02:42,880

It's pretty simple.

84

00:02:42,880 --> 00:02:44,680

Tell us about these things, Ron.

85

00:02:44,680 --> 00:02:46,000

Take the cap war first.

86

00:02:46,000 --> 00:02:47,000

Turn the power on.

87

00:02:47,000 --> 00:02:51,400

A lot of scientists think that a Geiger counter would be useful in paranormal research, because

88

00:02:51,400 --> 00:02:55,960

one of the theories out there is that paranormal phenomena, a ghost or a spirit, does emit

89

00:02:55,960 --> 00:03:00,120

some sort of radioactive detectable frequency.

90

00:03:00,120 --> 00:03:05,680

So what that's doing right now, we're measuring some background radiation.

91

00:03:05,680 --> 00:03:07,880

I got some real radioactive sources here.

92

00:03:07,880 --> 00:03:08,880

Petroleum?

93

00:03:08,880 --> 00:03:09,880

Uranium.

94

00:03:09,880 --> 00:03:10,880

Uranium.

95

00:03:10,880 --> 00:03:11,880

Uranium.

96

00:03:11,880 --> 00:03:12,880

That's crazy, dude.

97

00:03:12,880 --> 00:03:13,880

You hear that?

98

00:03:14,120 --> 00:03:18,360

Once that tone starts getting louder and louder, you get into a concentrated area of maybe

99

00:03:18,360 --> 00:03:20,040

some entity out there.

100

00:03:20,040 --> 00:03:21,040

Okay.

101

00:03:21,040 --> 00:03:22,040

And then we melt.

102

00:03:22,040 --> 00:03:24,800

You got something active right there, so you can zero in on it.

103

00:03:24,800 --> 00:03:29,760

So as soon as we get a Geiger reading or an EMF reading, it's time to do EVP, time to

104

00:03:29,760 --> 00:03:30,760

take pictures.

105

00:03:30,760 --> 00:03:31,760

Yeah, exactly.

106

00:03:31,760 --> 00:03:34,840

The cool thing about all these devices, now we can take all the data that we capture.

107

00:03:34,840 --> 00:03:39,800

It can really focus on getting closer to an answer about this paranormal activity.

108

00:03:39,800 --> 00:03:40,800

All right, thanks a lot, Ron.

109

00:03:40,800 --> 00:03:41,800

Here you go, sir.

110

00:03:41,800 --> 00:03:42,800

Have a good trip, huh?

111

00:03:42,800 --> 00:03:43,800

Okay.

112

00:03:51,800 --> 00:03:53,520

This is warm down here, eh?

113

00:03:53,520 --> 00:03:54,520

Yeah.

114

00:03:54,520 --> 00:03:56,440

Not bad, 58 degrees compared to 20.

115

00:03:56,440 --> 00:03:57,440

You see the drawbridge?

116

00:03:57,440 --> 00:03:58,440

That's pretty cool.

117

00:03:58,440 --> 00:04:01,240

Make sure you take a left over the drawbridge.

118

00:04:01,240 --> 00:04:02,240

Is this place half power?

119

00:04:02,240 --> 00:04:03,720

I remember the other one didn't have power.

120

00:04:03,720 --> 00:04:05,800

Yeah, there's actually, there's power here.

121

00:04:05,800 --> 00:04:06,800

Bathrooms?

122

00:04:06,800 --> 00:04:07,800

Yes, there's bathroom.

123

00:04:07,800 --> 00:04:08,800

Sweet.

124

00:04:08,800 --> 00:04:10,600

I don't know if that's...

125

00:04:10,600 --> 00:04:13,240

Is it both patrons and employees?

126

00:04:13,240 --> 00:04:14,840

Say they experience things?

127

00:04:14,840 --> 00:04:18,400

People have been camping around there and they've come in the next day and asked who lives there

128

00:04:18,400 --> 00:04:20,920

because they've heard people talking.

129

00:04:20,920 --> 00:04:21,920

So even...

130

00:04:21,920 --> 00:04:23,760

Visitors have experienced a lot of things.

131

00:04:23,760 --> 00:04:24,760

That's good.

132

00:04:24,760 --> 00:04:27,200

So we may have a good probability of capturing something.

133

00:04:27,200 --> 00:04:28,200

This lighthouse.

134

00:04:28,200 --> 00:04:29,680

How is this different from other ones?

135

00:04:29,680 --> 00:04:30,680

It's really tall.

136

00:04:30,680 --> 00:04:31,680

Okay.

137

00:04:31,680 --> 00:04:33,800

Yeah, the ones we've been in, I really like that tall.

138

00:04:33,800 --> 00:04:37,040

Oh my gosh, there it is right there.

139

00:04:37,040 --> 00:04:38,040

It's tall.

140

00:04:38,040 --> 00:04:39,040

It's beautiful.

141

00:04:39,040 --> 00:04:40,560

It's a house right in front of it.

142

00:04:40,560 --> 00:04:41,560

Yeah, it's weird.

143

00:04:41,560 --> 00:04:42,760

You got a lighthouse like in the middle of...

144

00:04:42,760 --> 00:04:44,240

Usually it's on the coast.

145

00:04:44,240 --> 00:04:45,600

You can see the water.

146

00:04:45,600 --> 00:04:47,560

You can definitely see the water from there.

147

00:04:47,560 --> 00:04:48,560

It's beautiful.

148

00:04:48,560 --> 00:04:49,560

It's beautiful.

149

00:04:49,560 --> 00:04:50,560

Oh my God.

150

00:04:50,560 --> 00:04:51,560

Wow.

151

00:04:51,560 --> 00:04:52,560

That's a tall building.

152

00:04:52,560 --> 00:05:01,600

Your first reaction when you see something like that, having a fear of heights is, you

153

00:05:01,600 --> 00:05:03,200

know, I'm not doing it.

154

00:05:03,200 --> 00:05:07,200

And I did tell Jason Grant and a few guys, you know, there's no way I can get up there

155

00:05:07,200 --> 00:05:08,200

and investigate that.

156

00:05:08,200 --> 00:05:12,000

My first response was definitely why, like, there's no way I can go up there.

157

00:05:12,000 --> 00:05:13,680

All the activities at the very top.

158

00:05:13,680 --> 00:05:14,680

Are you serious?

159

00:05:14,680 --> 00:05:15,680

No, I'm just kidding.

160

00:05:15,680 --> 00:05:16,680

Oh, I'm sorry.

161

00:05:16,680 --> 00:05:19,040

I want you two to start getting the equipment ready.

162

00:05:19,040 --> 00:05:20,040

Steve, let's go in.

163

00:05:20,040 --> 00:05:21,040

All right.

164

00:05:21,040 --> 00:05:22,040

Hi.

165

00:05:22,040 --> 00:05:23,040

Hi guys.

166

00:05:23,040 --> 00:05:24,040

I'm Jason.

167

00:05:24,040 --> 00:05:25,040

Paul.

168

00:05:25,040 --> 00:05:26,040

Grant.

169

00:05:26,040 --> 00:05:27,040

How are you doing?

170

00:05:27,040 --> 00:05:28,040

Nice to meet you, Grant.

171

00:05:28,040 --> 00:05:29,040

Hey Steve.

172

00:05:29,040 --> 00:05:30,040

Hey Steve.

173

00:05:30,040 --> 00:05:31,040

Nice to meet you.

174

00:05:31,040 --> 00:05:35,480

I don't know what TAPS is going to find, but hopefully Jason and Grant can answer our

175

00:05:35,480 --> 00:05:38,480

questions if there are spirits here at the lighthouse.

176

00:05:38,480 --> 00:05:39,480

Wow.

177

00:05:39,480 --> 00:05:41,600

We're going to need a lot of cord to get up there.

178

00:05:41,600 --> 00:05:42,720

That thing's pretty high.

179

00:05:42,720 --> 00:05:48,600

It's the eighth tallest lighthouse in the entire United States.

180

00:05:48,600 --> 00:05:52,560

While they were building this lighthouse, there was some tragedy involved.

181

00:05:52,560 --> 00:05:56,880

The supervisor that was in charge, Hezakaya Pitti, moved his entire family down here

182

00:05:56,880 --> 00:05:58,960

while they were building the lighthouse.

183

00:05:58,960 --> 00:06:04,800

And in order to get the supplies up from the beach, they had a hand car rail type system.

184

00:06:04,800 --> 00:06:09,640

Now his children would love to get into the rail car and ride it down.

185

00:06:09,640 --> 00:06:13,440

And one day, unfortunately, the brakes failed.

186

00:06:13,440 --> 00:06:15,440

And the car plunged into the ocean.

187

00:06:15,440 --> 00:06:18,440

Two of his daughters, Mary and Eliza, did drown.

188

00:06:18,440 --> 00:06:19,440

Jason.

189

00:06:19,440 --> 00:06:20,440

Let's go in.

190

00:06:20,440 --> 00:06:21,440

Wow.

191

00:06:21,440 --> 00:06:22,440

It's beautiful.

192

00:06:22,440 --> 00:06:27,440

It's only 219 steps, guys.

193

00:06:27,440 --> 00:06:28,440

Yeah, only?

194

00:06:28,440 --> 00:06:29,440

Let's take a picture.

195

00:06:29,440 --> 00:06:30,440

Ready for this, Steve?

196

00:06:30,440 --> 00:06:32,400

I'll go as high up as I can.

197

00:06:33,000 --> 00:06:34,000

Guys ready?

198

00:06:34,000 --> 00:06:35,000

Here we go.

199

00:06:35,000 --> 00:06:38,200

I didn't really want to investigate in the lighthouse.

200

00:06:38,200 --> 00:06:43,320

I told them Jane Grant, you know, Dustin and Brian do that if they need someone else.

201

00:06:43,320 --> 00:06:46,160

It's approximately 100 feet in the air right now, guys.

202

00:06:46,160 --> 00:06:48,160

How you doing, Stevie?

203

00:06:48,160 --> 00:06:49,160

Good.

204

00:06:49,160 --> 00:06:53,920

Now at this landing, there has been some activity.

205

00:06:53,920 --> 00:06:57,960

This bucket simulates the weight of the oil that the lighthouse keepers would have to

206

00:06:57,960 --> 00:06:58,960

carry.

207

00:06:59,000 --> 00:07:04,400

And people inside the tower have heard it been picked up and dropped.

208

00:07:04,400 --> 00:07:06,880

I can't miss that.

209

00:07:06,880 --> 00:07:10,240

No, and that goes throughout the entire tower.

210

00:07:10,240 --> 00:07:18,040

Just as I was going up to the top of the tower, there was a very long, delayed, drawn-out,

211

00:07:18,040 --> 00:07:23,960

groaning sound that just emanated from the interior of the tower.

212

00:07:23,960 --> 00:07:32,360

Right now you're standing at 140 feet up in the air.

213

00:07:32,360 --> 00:07:33,360

All right, Steve?

214

00:07:33,360 --> 00:07:34,360

Yeah, I'll be right here, guys.

215

00:07:34,360 --> 00:07:35,360

You staying there, Steve?

216

00:07:35,360 --> 00:07:36,360

Yeah.

217

00:07:36,360 --> 00:07:38,520

I was able to get all the way up to the top of the lighthouse.

218

00:07:38,520 --> 00:07:39,880

I wasn't going to go outside, though.

219

00:07:39,880 --> 00:07:43,840

Once you get up there, there's that viewing tower, that viewing stoop where you can look

220

00:07:43,840 --> 00:07:47,240

down, and there's no way I was going to go on there.

221

00:07:47,240 --> 00:07:51,320

And Jane knows when to push me appropriately and when not to push me appropriately, and

222

00:07:51,320 --> 00:07:54,760

he let me stay back and inside, so it was good.

223

00:07:54,760 --> 00:08:00,640

Every evening, the closing person will close that door and padlock it.

224

00:08:00,640 --> 00:08:06,560

Numerous times, the opening person will come in, come all the way up to the top, the door

225

00:08:06,560 --> 00:08:11,400

will be open, unlocked, and the alarm in the tower has not gone off.

226

00:08:11,400 --> 00:08:13,880

Has that been investigated by the alarm company?

227

00:08:13,880 --> 00:08:18,880

It has been, and nothing has tripped the motion sensors or anything causing the alarm to go

228

00:08:18,880 --> 00:08:19,880

off.

229

00:08:19,880 --> 00:08:25,720

We have also seen either a woman in white or a little girl in period dress up at the

230

00:08:25,720 --> 00:08:28,560

top of the tower during severe storms.

231

00:08:28,560 --> 00:08:29,560

All right.

232

00:08:29,560 --> 00:08:31,920

From here, we're heading into the house out there?

233

00:08:31,920 --> 00:08:36,480

From here, we're going to head into the house, and this is where the lighthouse keepers lift.

234

00:08:36,480 --> 00:08:40,920

Now the room that you're entering right now is the parlor, or would have been the parlor

235

00:08:40,920 --> 00:08:42,640

room for the lighthouse keepers.

236

00:08:42,640 --> 00:08:45,080

Now, what kind of activity goes on in here?

237

00:08:45,080 --> 00:08:48,200

The last lighthouse keeper, James Pippin.

238

00:08:48,200 --> 00:08:51,520

When he was inside this house, he heard footsteps.

239

00:08:51,520 --> 00:08:53,080

Lights would turn on and off.

240

00:08:53,080 --> 00:08:56,720

He heard voices, so he refused to sleep in this house.

241

00:08:56,720 --> 00:09:02,960

Instead, he slept in a little Coast Guard bungalow.

242

00:09:02,960 --> 00:09:04,960

I'm going to take you downstairs now.

243

00:09:04,960 --> 00:09:06,960

Can you handle this one, Steve?

244

00:09:06,960 --> 00:09:09,480

Yeah, this one will be okay.

245

00:09:09,480 --> 00:09:13,640

Now the basement is where the majority of the activity has been found.

246

00:09:13,640 --> 00:09:14,840

Anything in this room right here?

247

00:09:14,840 --> 00:09:20,880

Now in that room over there, our executive director of all people saw an image of a man

248

00:09:20,880 --> 00:09:22,320

walk past.

249

00:09:22,320 --> 00:09:27,200

She called out to him, and when she walked in there, there was nobody there.

250

00:09:27,200 --> 00:09:31,840

And other people have also reported seeing a man walking in that area.

251

00:09:31,840 --> 00:09:34,320

People ever reported any detail about the guy that walks around?

252

00:09:34,320 --> 00:09:38,160

They know it's a male, and it looks to be a uniform that he's wearing.

253

00:09:38,160 --> 00:09:39,760

Maybe this guy slides across.

254

00:09:39,760 --> 00:09:40,760

Exactly.

255

00:09:40,760 --> 00:09:41,760

Thanks, Paul.

256

00:09:41,760 --> 00:09:43,760

We really appreciate the tour.

257

00:09:43,760 --> 00:09:47,240

What we're going to do now is set up all the equipment in all these different areas

258

00:09:47,240 --> 00:09:49,240

and start investigating.

259

00:09:49,240 --> 00:09:50,240

Well, good luck.

260

00:09:50,240 --> 00:09:52,840

I'm not a so-called believer in the paranormal.

261

00:09:52,840 --> 00:09:58,160

I like to be proven wrong, so I hope TAPS finds some evidence that I am proven wrong.

262

00:09:58,160 --> 00:10:01,160

Being a man of science, I need those cold hard facts.

263

00:10:01,160 --> 00:10:03,160

What's going on?

264

00:10:03,160 --> 00:10:04,160

Gentlemen.

265

00:10:04,160 --> 00:10:05,680

A little cool for Florida, huh?

266

00:10:05,680 --> 00:10:14,760

We're looking for a couple of different things tonight.

267

00:10:14,760 --> 00:10:19,920

Reports of people talking inside the lighthouse, shadowy figures in the basement, so we get

268

00:10:19,920 --> 00:10:21,920

everything set up and we just got to see what we'll catch.

269

00:10:21,920 --> 00:10:23,760

Well, we got a lot of room to go over tonight.

270

00:10:23,760 --> 00:10:24,760

Where we set up base?

271

00:10:24,760 --> 00:10:26,680

We're setting up right in the main building.

272

00:10:26,680 --> 00:10:29,640

So how are we going to cover the actual tower itself, the lighthouse?

273

00:10:29,640 --> 00:10:32,800

I'm thinking the best thing to do is have a camera at the bottom shooting all the way

274

00:10:32,800 --> 00:10:34,920

up, one of the big DVR cameras.

275

00:10:35,120 --> 00:10:37,120

Show me where the camera is going and we'll be going.

276

00:10:37,120 --> 00:10:38,120

All right, let's do it.

277

00:10:38,120 --> 00:10:39,440

I think it's going to be a real good investigation.

278

00:10:39,440 --> 00:10:43,720

It's going to be a tough setup, but once we get it all set up and start going, everything

279

00:10:43,720 --> 00:10:44,720

will fall into place.

280

00:10:44,720 --> 00:10:49,720

Two, three, four, five, six, seven.

281

00:10:49,720 --> 00:10:51,720

And it will go up four levels up.

282

00:10:51,720 --> 00:10:53,720

I run the wireless audio.

283

00:10:53,720 --> 00:10:54,720

Like Rocky.

284

00:10:54,720 --> 00:10:58,720

All right, now I'm going to put the wireless audio right here.

285

00:10:58,720 --> 00:11:01,720

I learned my lesson with other places with steel.

286

00:11:01,720 --> 00:11:05,640

I said if you put it on the steel itself, the reverberation of your voice make everybody

287

00:11:05,640 --> 00:11:07,360

sound like a robot.

288

00:11:07,360 --> 00:11:10,600

So I got to make sure it dangles off so that it doesn't hit that metal and doesn't reverberate

289

00:11:10,600 --> 00:11:11,600

like that.

290

00:11:11,600 --> 00:11:14,600

Hey, Brian, is the wireless audio up?

291

00:11:14,600 --> 00:11:15,600

Yeah, you can record.

292

00:11:15,600 --> 00:11:17,720

It's a ton of fit the fourth floor.

293

00:11:17,720 --> 00:11:19,320

I didn't say halfway up.

294

00:11:19,320 --> 00:11:21,320

I wanted to get it as high as possible.

295

00:11:21,320 --> 00:11:22,320

Yeah?

296

00:11:22,320 --> 00:11:25,520

Because there's been reports of sounds up near the top.

297

00:11:25,520 --> 00:11:27,320

Well, tell Steve then, because he told me halfway up.

298

00:11:27,320 --> 00:11:29,320

All right, well, get it up to the top for me.

299

00:11:29,320 --> 00:11:30,320

Gee, thanks.

300

00:11:30,320 --> 00:11:32,040

I had a little problem with the wireless audio.

301

00:11:32,040 --> 00:11:34,760

Steve told me to put it up about halfway, so I put it up more than halfway, about three

302

00:11:34,760 --> 00:11:35,760

fourths of the way.

303

00:11:35,760 --> 00:11:36,760

What are you going to do?

304

00:11:36,760 --> 00:11:38,760

I go to the top floor now and put the wireless audio.

305

00:11:38,760 --> 00:11:39,760

What?

306

00:11:39,760 --> 00:11:40,760

Do you want it all the way up?

307

00:11:40,760 --> 00:11:41,760

He wants it all the way up to the top?

308

00:11:41,760 --> 00:11:42,760

Yeah.

309

00:11:42,760 --> 00:11:49,520

So, like all the way back up there, put it up to the top floor, come all the way back

310

00:11:49,520 --> 00:11:50,520

now.

311

00:11:50,520 --> 00:11:52,520

How you doing?

312

00:11:52,520 --> 00:11:54,520

Did you check the battery in there?

313

00:11:54,520 --> 00:11:56,520

I didn't check nothing.

314

00:11:56,520 --> 00:11:58,960

Because we're not picking anything up.

315

00:11:58,960 --> 00:11:59,960

Really?

316

00:11:59,960 --> 00:12:00,960

Yeah, and it cut out.

317

00:12:00,960 --> 00:12:03,760

Yeah, look, I just recorded this and then it stopped.

318

00:12:03,760 --> 00:12:04,760

So, it stopped?

319

00:12:04,760 --> 00:12:05,760

Yeah.

320

00:12:05,760 --> 00:12:08,760

Oh, you've got to be kidding me.

321

00:12:08,760 --> 00:12:09,760

Granted it's not working anymore.

322

00:12:09,760 --> 00:12:12,680

So then I had to go back all the way up there to make sure the battery was working and everything

323

00:12:12,680 --> 00:12:16,240

else, everything was on, the battery was not drained, came all the way back down.

324

00:12:16,240 --> 00:12:19,640

I better be working now, because I'm not going back up there.

325

00:12:19,640 --> 00:12:21,640

It was working, but it's coming in fuzzy.

326

00:12:21,640 --> 00:12:23,760

How far up the tower is it?

327

00:12:23,760 --> 00:12:24,760

All the way.

328

00:12:24,760 --> 00:12:26,920

Well, the one way of getting crappy signal is at the top.

329

00:12:26,920 --> 00:12:27,920

Oh, that's good.

330

00:12:27,920 --> 00:12:30,120

It's coming back a bit of a strange thing.

331

00:12:30,120 --> 00:12:32,520

We've got to get it, there's no point recording.

332

00:12:32,520 --> 00:12:35,240

Granted, instead of it was not working, it was very tinny.

333

00:12:35,240 --> 00:12:39,840

So most likely it was the steel inside the building itself, not letting the wireless

334

00:12:39,840 --> 00:12:42,040

feed go back and forth from the receiver to the transmitter.

335

00:12:42,040 --> 00:12:48,000

All right, well, at the top it's not going to work, so we've got to put it back.

336

00:12:48,000 --> 00:12:51,200

So then I had to go back to the top of the lighthouse, put it back on the bench that

337

00:12:51,200 --> 00:12:54,120

I originally had it on, and it's working fine now.

338

00:12:54,120 --> 00:12:59,400

So I did about 800 stairs in the last half an hour, so my legs a little wobbly.

339

00:12:59,400 --> 00:13:02,440

All right, so we got wireless, we've got digital recorders.

340

00:13:02,440 --> 00:13:04,000

Oh, we got wireless, all right.

341

00:13:04,000 --> 00:13:05,600

And cameras all set to go.

342

00:13:05,600 --> 00:13:07,080

So let's go to the lights.

343

00:13:07,080 --> 00:13:08,080

Lights out.

344

00:13:08,080 --> 00:13:14,080

So what's supposed to happen?

345

00:13:14,080 --> 00:13:15,080

Not nasty.

346

00:13:15,080 --> 00:13:21,640

Down here, Brian, is really here, a lot of noises, and they see black shadows.

347

00:13:21,640 --> 00:13:27,440

In this hallway here and in this room they've seen supposedly apparition in soldier uniform.

348

00:13:27,440 --> 00:13:30,240

Well, let's sit back and relax and we'll find out.

349

00:13:30,240 --> 00:13:31,240

You have EVP running?

350

00:13:31,240 --> 00:13:32,240

Mm-hmm.

351

00:13:32,240 --> 00:13:33,240

Sweet.

352

00:13:33,240 --> 00:13:35,440

Could you please tell us your name?

353

00:13:35,440 --> 00:13:39,120

EVP stands for Electronic Voice Phenomena.

354

00:13:39,120 --> 00:13:42,080

This is a phenomena that happens very frequently.

355

00:13:42,080 --> 00:13:46,680

It's when we capture voice on a recording device that you don't hear with the human ear at

356

00:13:46,680 --> 00:13:47,680

the time.

357

00:13:47,680 --> 00:13:51,480

Are you one of the three girls that died in this area?

358

00:13:52,240 --> 00:13:56,320

When we go on a case for an investigation, we want to get scientific proof of an actual

359

00:13:56,320 --> 00:13:57,320

ghost.

360

00:13:57,320 --> 00:13:59,480

I want to sit there with a camera and watch a ghost walk through the room.

361

00:13:59,480 --> 00:14:03,880

If even if I feel it and Steve feels it and Jason feels it, if there's no seeing it on

362

00:14:03,880 --> 00:14:06,720

the cameras, there's no proof.

363

00:14:06,720 --> 00:14:08,720

If you've passed, why are you still here?

364

00:14:08,720 --> 00:14:13,720

What the hell is that?

365

00:14:13,720 --> 00:14:16,920

Did it sound like a girl?

366

00:14:16,920 --> 00:14:19,320

Yeah, it sounded like a guy and then a woman.

367

00:14:19,320 --> 00:14:21,320

There's no woman in this whole area.

368

00:14:21,320 --> 00:14:22,320

Shh.

369

00:14:22,320 --> 00:14:25,320

What was that?

370

00:14:25,320 --> 00:14:29,320

What the hell was that?

371

00:14:29,320 --> 00:14:31,320

Did you hear that?

372

00:14:31,320 --> 00:14:32,320

Yeah.

373

00:14:32,320 --> 00:14:33,320

That was weird.

374

00:14:33,320 --> 00:14:34,320

Where'd it come from?

375

00:14:34,320 --> 00:14:36,320

It sounded like it came from inside that thing.

376

00:14:36,320 --> 00:14:37,320

No, it was standing right there.

377

00:14:37,320 --> 00:14:40,320

It sounded like it came from somewhere over this way.

378

00:14:40,320 --> 00:14:41,320

Let's go.

379

00:14:41,320 --> 00:14:45,320

When Brian, Dustin, and I were in the basement investigating, all three of us thought we

380

00:14:45,320 --> 00:14:46,320

heard a female voice.

381

00:14:46,320 --> 00:14:48,320

There were no females with this investigating.

382

00:14:49,320 --> 00:14:52,320

Does it sound like it's coming from here?

383

00:14:52,320 --> 00:14:58,320

It sounded like it was coming from somewhere over here.

384

00:14:58,320 --> 00:15:07,320

We looked around and we couldn't figure out where it was coming from.

385

00:15:07,320 --> 00:15:10,320

The thermal will do a walkthrough.

386

00:15:10,320 --> 00:15:13,320

I say we set this up so it just shoots up while we're walking.

387

00:15:13,320 --> 00:15:14,320

Okay.

388

00:15:15,320 --> 00:15:19,320

When Grant and I headed into the lighthouse, we decided that we were going to set the

389

00:15:19,320 --> 00:15:22,320

thermal camera at the bottom pointing straight up.

390

00:15:22,320 --> 00:15:25,320

All right, let me see that monitor so I can see when I'm shooting at it.

391

00:15:25,320 --> 00:15:29,320

It being stationary, it would be able to catch anything that might lean over the

392

00:15:29,320 --> 00:15:31,320

rallying or any change in temperature.

393

00:15:31,320 --> 00:15:32,320

That's good.

394

00:15:32,320 --> 00:15:34,320

All right, let's set it up.

395

00:15:34,320 --> 00:15:39,320

I want to get up to that bucket and at least just get this out of that bucket.

396

00:15:39,320 --> 00:15:43,320

One of the claims of the lighthouse was that it was a bucket that would raise up

397

00:15:43,320 --> 00:15:46,320

and slam into the ground and make just a huge noise.

398

00:15:46,320 --> 00:15:51,320

Grant and I are going to see if we can debunk the sounds of the metal bucket.

399

00:15:51,320 --> 00:15:53,320

Look right here, Jay, you've got a window.

400

00:15:53,320 --> 00:15:57,320

We found a window that was being held shut by a sandbag.

401

00:16:03,320 --> 00:16:05,320

The wind hit that.

402

00:16:05,320 --> 00:16:06,320

Yeah.

403

00:16:06,320 --> 00:16:08,320

You want to drop that bucket?

404

00:16:08,320 --> 00:16:09,320

Yeah, I got you.

405

00:16:10,320 --> 00:16:11,320

Holy crap.

406

00:16:11,320 --> 00:16:12,320

All right, here's the window.

407

00:16:12,320 --> 00:16:13,320

You ready?

408

00:16:14,320 --> 00:16:15,320

It's pretty close.

409

00:16:15,320 --> 00:16:16,320

Want to do bucket again?

410

00:16:17,320 --> 00:16:18,320

Window.

411

00:16:19,320 --> 00:16:21,320

We debunked the sound of the bucket.

412

00:16:21,320 --> 00:16:24,320

We found that the window slamming makes almost exactly the same sound.

413

00:16:24,320 --> 00:16:27,320

Let's move down a level or two.

414

00:16:34,320 --> 00:16:38,320

I want to investigate the entire living quarters, especially where the bedrooms were.

415

00:16:38,320 --> 00:16:40,320

That's where most of the activity happens.

416

00:16:40,320 --> 00:16:43,320

That's where I think we have our best chances of finding something.

417

00:16:45,320 --> 00:16:48,320

If there's anybody in here, can you please tell us your name?

418

00:16:48,320 --> 00:16:53,320

We understand there is a light keeper here that you frightened quite a bit and you wouldn't sleep in here.

419

00:16:53,320 --> 00:16:55,320

We'd like to see what made him so scared.

420

00:16:56,320 --> 00:17:00,320

I didn't really want to investigate in the lighthouse because I do have a fear of heights.

421

00:17:00,320 --> 00:17:02,320

I'm afraid of a lot of things.

422

00:17:02,320 --> 00:17:03,320

I don't like spiders.

423

00:17:03,320 --> 00:17:04,320

I don't like heights.

424

00:17:04,320 --> 00:17:06,320

I don't like flying.

425

00:17:06,320 --> 00:17:10,320

It seems to be that the one thing I'm not afraid of is ghosts.

426

00:17:11,320 --> 00:17:12,320

This is a Geiger counter.

427

00:17:12,320 --> 00:17:14,320

It detects radioactivity.

428

00:17:16,320 --> 00:17:19,320

Can you give us a sign of your presence?

429

00:17:19,320 --> 00:17:21,320

Could you please show yourself?

430

00:17:24,320 --> 00:17:27,320

Is there anybody here with me that would like to communicate?

431

00:17:28,320 --> 00:17:29,320

Perhaps make a noise?

432

00:17:37,320 --> 00:17:39,320

That's a little weird.

433

00:17:40,320 --> 00:17:47,320

That's a little more what you're looking for when you think of a reading from this Geiger counter.

434

00:17:47,320 --> 00:17:50,320

So that was a nice little spike we had there.

435

00:17:50,320 --> 00:17:53,320

This Geiger counter is great and works appropriately.

436

00:17:53,320 --> 00:18:00,320

I'm not so sure how this is going to fit into our arsenal of tools, but I'm sure we'll make good use of it.

437

00:18:07,320 --> 00:18:11,320

Are you going to be alright in here?

438

00:18:11,320 --> 00:18:12,320

Yeah.

439

00:18:12,320 --> 00:18:14,320

Watch this step here.

440

00:18:14,320 --> 00:18:15,320

Alright.

441

00:18:15,320 --> 00:18:17,320

Here's the wireless, aren't you?

442

00:18:18,320 --> 00:18:19,320

Sweet.

443

00:18:21,320 --> 00:18:22,320

Just listen.

444

00:18:32,320 --> 00:18:33,320

You're talking.

445

00:18:37,320 --> 00:18:40,320

Jane, I want to start hearing some weird noises.

446

00:18:40,320 --> 00:18:44,320

And we decided to just be quiet and listen and see what we could hear.

447

00:18:44,320 --> 00:18:45,320

Hello.

448

00:18:49,320 --> 00:18:50,320

Okay, so it's not an echo.

449

00:18:50,320 --> 00:18:51,320

Anybody here?

450

00:18:58,320 --> 00:18:59,320

The chair front's down.

451

00:19:00,320 --> 00:19:01,320

The chair front's down.

452

00:19:05,320 --> 00:19:06,320

That sounds like a girl's voice.

453

00:19:15,320 --> 00:19:16,320

Hello.

454

00:19:19,320 --> 00:19:20,320

That sounds like a girl's voice.

455

00:19:21,320 --> 00:19:22,320

I can hear that.

456

00:19:22,320 --> 00:19:23,320

I hear a man and a girl.

457

00:19:23,320 --> 00:19:24,320

I hear a girl.

458

00:19:26,320 --> 00:19:27,320

Well, me and Grant were in the lighthouse.

459

00:19:27,320 --> 00:19:30,320

We'd hear steps and voices coming from above us.

460

00:19:31,320 --> 00:19:32,320

There was something there.

461

00:19:32,320 --> 00:19:33,320

It was moving.

462

00:19:33,320 --> 00:19:34,320

It kept us on the move.

463

00:19:35,320 --> 00:19:36,320

Hello?

464

00:19:49,320 --> 00:19:50,320

It sounds like a conversation.

465

00:19:51,320 --> 00:19:52,320

Totally.

466

00:19:52,320 --> 00:19:53,320

We'd actually hear conversations.

467

00:19:53,320 --> 00:19:56,320

It would sound like a man talking to a woman,

468

00:19:56,320 --> 00:19:58,320

sometimes a woman talking to a child.

469

00:19:58,320 --> 00:20:00,320

You can't hear someone just chattering.

470

00:20:03,320 --> 00:20:05,320

And it was very clear to us that there were voices.

471

00:20:05,320 --> 00:20:07,320

So we tried to follow them up the tower.

472

00:20:09,320 --> 00:20:10,320

Oh, the f***!

473

00:20:10,320 --> 00:20:11,320

What the f***?

474

00:20:11,320 --> 00:20:12,320

All the way up, all the way up.

475

00:20:12,320 --> 00:20:13,320

Did you see it?

476

00:20:17,320 --> 00:20:18,320

What's up there here?

477

00:20:18,320 --> 00:20:19,320

There it is.

478

00:20:20,320 --> 00:20:22,320

Yeah, I'm gonna have to see that.

479

00:20:24,320 --> 00:20:25,320

It sounds like a f***ing fire in the window.

480

00:20:25,320 --> 00:20:26,320

It don't leave the window.

481

00:20:26,320 --> 00:20:27,320

I'm not going to a door show you.

482

00:20:31,320 --> 00:20:32,320

Right there.

483

00:20:32,320 --> 00:20:35,320

I don't think we're alone.

484

00:20:36,320 --> 00:20:40,320

We were able to witness a shadow back up under a set of lights.

485

00:20:41,320 --> 00:20:44,320

It just floated, just floated right up against the wall.

486

00:20:44,320 --> 00:20:45,320

Kept on going.

487

00:20:48,320 --> 00:20:49,320

What is that?

488

00:20:50,320 --> 00:20:51,320

There it is.

489

00:20:52,320 --> 00:20:54,320

It's got something to look down at us.

490

00:20:55,320 --> 00:20:56,320

Oh my God, did you see it too?

491

00:20:56,320 --> 00:20:57,320

It looked just like it.

492

00:20:57,320 --> 00:20:59,320

Dude, it was just looking right over the rail.

493

00:21:01,320 --> 00:21:05,320

Jay and I saw a figure lean over the railing at us,

494

00:21:05,320 --> 00:21:07,320

not more than 10 feet away from us.

495

00:21:10,320 --> 00:21:11,320

Right, do this.

496

00:21:11,320 --> 00:21:12,320

Hold this light right here.

497

00:21:12,320 --> 00:21:14,320

Make sure nothing goes up those stairs.

498

00:21:15,320 --> 00:21:17,320

Don't move, keep it right there.

499

00:21:18,320 --> 00:21:20,320

We saw something move in and out of the light,

500

00:21:20,320 --> 00:21:22,320

and Jay wanted to intercept it,

501

00:21:22,320 --> 00:21:24,320

so I held the light on the stairs

502

00:21:24,320 --> 00:21:26,320

to make sure that nothing came off that landing.

503

00:21:31,320 --> 00:21:32,320

Hey, go up another flight.

504

00:21:33,320 --> 00:21:34,320

Another flight?

505

00:21:39,320 --> 00:21:41,320

It went up and around.

506

00:21:45,320 --> 00:21:47,320

I saw something come off the landing

507

00:21:47,320 --> 00:21:49,320

and sweep up the staircase.

508

00:21:50,320 --> 00:21:52,320

You'd see it now, dude.

509

00:21:52,320 --> 00:21:53,320

There's nothing.

510

00:21:55,320 --> 00:21:57,320

It should be right on the landing right here.

511

00:21:57,320 --> 00:21:58,320

Right.

512

00:21:59,320 --> 00:22:00,320

And nothing.

513

00:22:00,320 --> 00:22:02,320

This is where we saw the light rock in the light.

514

00:22:02,320 --> 00:22:04,320

I was watching the staircase the whole time,

515

00:22:04,320 --> 00:22:07,320

and nothing came off that other floor above him.

516

00:22:07,320 --> 00:22:09,320

He would have come and run right into it.

517

00:22:10,320 --> 00:22:11,320

You alright?

518

00:22:12,320 --> 00:22:14,320

I watched it, and he went up and right on the stairs,

519

00:22:14,320 --> 00:22:15,320

right on off.

520

00:22:17,320 --> 00:22:18,320

Right here, right here.

521

00:22:18,320 --> 00:22:19,320

What do you say?

522

00:22:25,320 --> 00:22:26,320

Sounded like a lady.

523

00:22:26,320 --> 00:22:27,320

Yeah, it did.

524

00:22:27,320 --> 00:22:29,320

Sounded like a lady said, help me.

525

00:22:32,320 --> 00:22:34,320

Oh my gosh, you hear that conversation?

526

00:22:35,320 --> 00:22:36,320

Help me.

527

00:22:37,320 --> 00:22:39,320

It didn't sound like a child to me, man.

528

00:22:39,320 --> 00:22:40,320

No.

529

00:22:41,320 --> 00:22:42,320

No.

530

00:22:51,320 --> 00:22:53,320

Something keeps coming up on us.

531

00:22:54,320 --> 00:22:56,320

Whatever it is, it can only go up.

532

00:22:56,320 --> 00:22:58,320

Because we're blocking the way down.

533

00:22:59,320 --> 00:23:00,320

We have to do this.

534

00:23:00,320 --> 00:23:01,320

We can only go up there.

535

00:23:02,320 --> 00:23:05,320

If we go up to the door, the only door that allows you to go up.

536

00:23:07,320 --> 00:23:10,320

You know, we came up to the top with the whole idea

537

00:23:10,320 --> 00:23:12,320

that nothing could get by us.

538

00:23:17,320 --> 00:23:18,320

That's the shit.

539

00:23:19,320 --> 00:23:20,320

Is the motion activated?

540

00:23:20,320 --> 00:23:21,320

The motion light went off.

541

00:23:21,320 --> 00:23:22,320

It was an extreme shock.

542

00:23:22,320 --> 00:23:25,320

We had been walking around in the dark for the last hour.

543

00:23:25,320 --> 00:23:28,320

Well, that kills the whole sneak up and surprise it.

544

00:23:29,320 --> 00:23:31,320

As we continued to investigate,

545

00:23:31,320 --> 00:23:33,320

we went all the way up to the top to make sure

546

00:23:33,320 --> 00:23:35,320

there was no one playing tricks on us.

547

00:23:35,320 --> 00:23:36,320

It's freaking padlocked.

548

00:23:36,320 --> 00:23:37,320

So is that.

549

00:23:37,320 --> 00:23:38,320

Boom, boom.

550

00:23:38,320 --> 00:23:39,320

There's no way out.

551

00:23:39,320 --> 00:23:42,320

That means that whatever was up here would be standing right there.

552

00:23:44,320 --> 00:23:46,320

Yeah, you ain't getting in or out of this.

553

00:23:46,320 --> 00:23:48,320

We came to a dead end with two padlocked doors.

554

00:23:48,320 --> 00:23:50,320

There's no way anyone could have gone anywhere.

555

00:23:50,320 --> 00:23:53,320

And of course we're like, where did this thing go?

556

00:23:55,320 --> 00:23:57,320

Me and Gritty are gonna take a break for a few

557

00:23:57,320 --> 00:23:58,320

and we're gonna send it Dustin and Brian.

558

00:23:58,320 --> 00:24:01,320

See maybe if they can get some EVPs while they're in there.

559

00:24:06,320 --> 00:24:07,320

No.

560

00:24:10,320 --> 00:24:12,320

Can you hear me?

561

00:24:15,320 --> 00:24:17,320

It's responding to us.

562

00:24:18,320 --> 00:24:20,320

It started when Brian and I got to the landing.

563

00:24:20,320 --> 00:24:24,320

We started doing the hellos and we'd actually get a response.

564

00:24:24,320 --> 00:24:26,320

We just got a response or something.

565

00:24:26,320 --> 00:24:28,320

I don't like a whisper.

566

00:24:30,320 --> 00:24:31,320

Hello?

567

00:24:34,320 --> 00:24:36,320

That was definitely a female voice.

568

00:24:36,320 --> 00:24:37,320

That was definitely a female voice.

569

00:24:37,320 --> 00:24:38,320

I just always would be saying help.

570

00:24:38,320 --> 00:24:39,320

I know.

571

00:24:39,320 --> 00:24:42,320

But every time that we say hello you'd hear a woman's voice going

572

00:24:42,320 --> 00:24:44,320

some kind of moaning noise.

573

00:24:47,320 --> 00:24:49,320

Can you show yourself?

574

00:24:57,320 --> 00:24:59,320

We're not here to scare you.

575

00:25:02,320 --> 00:25:03,320

We need to know where you are.

576

00:25:03,320 --> 00:25:05,320

We need to help you.

577

00:25:06,320 --> 00:25:08,320

Dude, she's here.

578

00:25:08,320 --> 00:25:09,320

Move it.

579

00:25:09,320 --> 00:25:10,320

Come on.

580

00:25:10,320 --> 00:25:11,320

Go, go, go.

581

00:25:11,320 --> 00:25:12,320

Move it, move it, go.

582

00:25:12,320 --> 00:25:13,320

Something just moved up there.

583

00:25:20,320 --> 00:25:21,320

Dude, she's here.

584

00:25:21,320 --> 00:25:22,320

We got something going.

585

00:25:22,320 --> 00:25:23,320

Go, go, go.

586

00:25:23,320 --> 00:25:25,320

Something just moved up there.

587

00:25:25,320 --> 00:25:27,320

Go, go, go.

588

00:25:27,320 --> 00:25:29,320

Hello?

589

00:25:30,320 --> 00:25:32,320

Me and Dustin were investigating in the lighthouse

590

00:25:32,320 --> 00:25:35,320

and we looked up and all you could see

591

00:25:35,320 --> 00:25:37,320

was totally dark up there.

592

00:25:37,320 --> 00:25:40,320

They got totally like the shadow moved away from the area.

593

00:25:41,320 --> 00:25:43,320

Don't go, don't go any higher, don't go any higher.

594

00:25:43,320 --> 00:25:45,320

Give it a second.

595

00:25:50,320 --> 00:25:51,320

Well, it just changed a lot.

596

00:25:51,320 --> 00:25:53,320

Something just moved across that window up there.

597

00:25:58,320 --> 00:26:00,320

Dude, it looked like somebody grabbed the handrail.

598

00:26:00,320 --> 00:26:02,320

Up there, on the right top.

599

00:26:02,320 --> 00:26:03,320

It was like this.

600

00:26:05,320 --> 00:26:08,320

I saw something I've never seen before in my life.

601

00:26:08,320 --> 00:26:11,320

We could see something moving around on the top level.

602

00:26:11,320 --> 00:26:15,320

Then you see a hand grab the handrail and it's coming down.

603

00:26:18,320 --> 00:26:19,320

It's coming.

604

00:26:20,320 --> 00:26:21,320

Are you afraid?

605

00:26:21,320 --> 00:26:22,320

You can't fit.

606

00:26:22,320 --> 00:26:24,320

Here it comes.

607

00:26:27,320 --> 00:26:29,320

Dude, it came down one floor.

608

00:26:29,320 --> 00:26:31,320

It's two floors up now.

609

00:26:32,320 --> 00:26:34,320

What the f*** was that?

610

00:26:34,320 --> 00:26:36,320

You just see that?

611

00:26:36,320 --> 00:26:38,320

Holy f***!

612

00:26:39,320 --> 00:26:42,320

Dude, that was like a f***ing ball of light or something.

613

00:26:43,320 --> 00:26:46,320

We looked up again and there was this big ball of light flash.

614

00:26:46,320 --> 00:26:48,320

It was like poof!

615

00:26:48,320 --> 00:26:51,320

Dude, that was the most crazy f***ing time I've ever seen in my life.

616

00:26:52,320 --> 00:26:54,320

I don't know if I still can't believe it.

617

00:26:55,320 --> 00:26:57,320

It was like nothing else I've ever experienced before.

618

00:26:57,320 --> 00:27:01,320

It's one of those things that's like, if I wasn't there personally,

619

00:27:01,320 --> 00:27:03,320

I wouldn't have believed it myself.

620

00:27:03,320 --> 00:27:08,320

This is like the Mona Lisa of all paranormal activity that I have experienced with my own eyes.

621

00:27:08,320 --> 00:27:10,320

I can die a happy man now.

622

00:27:14,320 --> 00:27:16,320

That was crazy.

623

00:27:21,320 --> 00:27:24,320

So this is the room where the gentleman walks by.

624

00:27:24,320 --> 00:27:25,320

Yeah, like this.

625

00:27:26,320 --> 00:27:28,320

Well, come on, wherever you are.

626

00:27:28,320 --> 00:27:31,320

The room looks pretty much the same temperature where you go.

627

00:27:31,320 --> 00:27:33,320

Denoting that it's pretty well sealed.

628

00:27:35,320 --> 00:27:37,320

What the f*** is that?

629

00:27:37,320 --> 00:27:39,320

Something went right in front of us.

630

00:27:41,320 --> 00:27:43,320

Nope, I guess that was wrong.

631

00:27:43,320 --> 00:27:46,320

I thought I saw like a head and shoulders go by, but it was something else.

632

00:27:47,320 --> 00:27:50,320

Either we're jumpy tonight or I don't know what's going on.

633

00:27:50,320 --> 00:27:52,320

Jumpy? There's a lot in the thermal dude's thing.

634

00:27:52,320 --> 00:27:53,320

Yeah.

635

00:27:53,320 --> 00:27:54,320

Yeah.

636

00:27:58,320 --> 00:28:01,320

So now, Steve, me and Grant were in the lighthouse.

637

00:28:01,320 --> 00:28:07,320

And all of a sudden we look up and all you see is a black mass and just...

638

00:28:07,320 --> 00:28:09,320

Dude, you're rockin' it off the landing.

639

00:28:09,320 --> 00:28:10,320

We're right up the landing.

640

00:28:10,320 --> 00:28:13,320

We were experiencing a lot of activity in the lighthouse and, you know,

641

00:28:13,320 --> 00:28:16,320

I wanted Steve to experience it as well.

642

00:28:16,320 --> 00:28:19,320

So we decided to try to get Steve to come with us in the lighthouse.

643

00:28:19,320 --> 00:28:22,320

But then to top it all off, you hear,

644

00:28:22,320 --> 00:28:24,320

it helped me for my female.

645

00:28:24,320 --> 00:28:27,320

I didn't really want to investigate the tower of the lighthouse.

646

00:28:27,320 --> 00:28:31,320

But after I started hearing the firsthand experiences from Jane Grant,

647

00:28:31,320 --> 00:28:34,320

I really had to get in there and experience it for myself.

648

00:28:46,320 --> 00:28:50,320

Climbing the lighthouse tower stairs in the dark was pretty difficult,

649

00:28:50,320 --> 00:28:52,320

especially with my fair heights.

650

00:28:52,320 --> 00:28:54,320

It was really dark. I was alone.

651

00:28:54,320 --> 00:28:56,320

I just had a flashlight.

652

00:28:56,320 --> 00:28:58,320

It was disorienting at some points.

653

00:29:02,320 --> 00:29:04,320

It was really difficult to get up to the top,

654

00:29:04,320 --> 00:29:07,320

but I didn't want to be the only one that left there empty-handed

655

00:29:07,320 --> 00:29:09,320

without any personal experiences.

656

00:29:09,320 --> 00:29:12,320

What's going on with these heights? You okay?

657

00:29:12,320 --> 00:29:14,320

I can't really see it in the dark since that's...

658

00:29:14,320 --> 00:29:15,320

Very good.

659

00:29:21,320 --> 00:29:25,320

Could you please give us a sign to let us know that you're here with us?

660

00:29:33,320 --> 00:29:34,320

Jane...

661

00:29:36,320 --> 00:29:38,320

I need your footsteps.

662

00:29:39,320 --> 00:29:40,320

Let's check it out.

663

00:29:40,320 --> 00:29:41,320

I hear that.

664

00:29:41,320 --> 00:29:42,320

I hear that.

665

00:29:49,320 --> 00:29:50,320

Make yourself known.

666

00:29:54,320 --> 00:29:56,320

Can you show us a sign, please?

667

00:29:57,320 --> 00:29:58,320

Stand up there.

668

00:29:59,320 --> 00:30:01,320

There's something up there.

669

00:30:02,320 --> 00:30:04,320

Steve's terrified of heights,

670

00:30:04,320 --> 00:30:07,320

but the minute activity started picking up in the lighthouse,

671

00:30:07,320 --> 00:30:11,320

he was more than willing to climb as high as he needed to, to investigate.

672

00:30:11,320 --> 00:30:13,320

Can you show us a sign, please?

673

00:30:15,320 --> 00:30:16,320

Stand up there.

674

00:30:16,320 --> 00:30:18,320

There's something up there.

675

00:30:19,320 --> 00:30:20,320

There it is.

676

00:30:21,320 --> 00:30:24,320

On the next big landing, not just on the right.

677

00:30:25,320 --> 00:30:27,320

There's something up there.

678

00:30:27,320 --> 00:30:31,320

On the next big landing, not just on the right.

679

00:30:38,320 --> 00:30:42,320

Can we get some footsteps? Just walk around?

680

00:30:48,320 --> 00:30:50,320

Can you tell us your name?

681

00:30:54,320 --> 00:30:56,320

What do you think, Steve?

682

00:30:56,320 --> 00:30:58,320

Maybe she's talking for the night.

683

00:30:59,320 --> 00:31:02,320

I've definitely heard a few noises, and I've...

684

00:31:02,320 --> 00:31:04,320

saw how I did in seeing shadow.

685

00:31:05,320 --> 00:31:07,320

I was able to get all the way up to the top of the lighthouse

686

00:31:07,320 --> 00:31:09,320

to help Jane Grant,

687

00:31:09,320 --> 00:31:11,320

my desire to experience a paranormal

688

00:31:11,320 --> 00:31:14,320

did overcome my fear of heights for that hour or so.

689

00:31:15,320 --> 00:31:17,320

We're gonna say bye now.

690

00:31:19,320 --> 00:31:20,320

It's your last chance.

691

00:31:20,320 --> 00:31:21,320

Say hello.

692

00:31:27,320 --> 00:31:29,320

I was able to have a few experiences myself.

693

00:31:29,320 --> 00:31:32,320

I heard footsteps coming up the lighthouse stairs,

694

00:31:32,320 --> 00:31:35,320

and I was able to see the shadow that everybody was talking about.

695

00:31:35,320 --> 00:31:37,320

So hopefully this will help me.

696

00:31:37,320 --> 00:31:39,320

The next investigation we have that involves heights.

697

00:31:39,320 --> 00:31:42,320

But I do wish that I had been there with Brian and Dustin,

698

00:31:42,320 --> 00:31:45,320

so I could experience the half-body apparition.

699

00:31:47,320 --> 00:31:51,320

You know, it's that time, so let's wrap it up.

700

00:31:52,320 --> 00:31:55,320

Dude, you'll never ever experience what we're experiencing.

701

00:31:55,320 --> 00:31:58,320

I saw about an apparition now. We saw this.

702

00:32:00,320 --> 00:32:04,320

And you see the shadow moving back and forth like it was pacing.

703

00:32:04,320 --> 00:32:07,320

It was deciding whether or not to come down again.

704

00:32:07,320 --> 00:32:09,320

I'm all set now, dude.

705

00:32:09,320 --> 00:32:11,320

It's not full-body, but I gotta see full-body.

706

00:32:11,320 --> 00:32:13,320

It doesn't matter. I've seen it hand and shoulders.

707

00:32:13,320 --> 00:32:15,320

And I was... it's the whole time I'm like,

708

00:32:15,320 --> 00:32:18,320

I figure it's the one time I see an apparition and my boy's not with me.

709

00:32:18,320 --> 00:32:20,320

I mean, like, jeez, I can't win.

710

00:32:21,320 --> 00:32:23,320

That's it, bro.

711

00:32:23,320 --> 00:32:25,320

That's it.

712

00:32:32,320 --> 00:32:33,320

Damn.

713

00:32:33,320 --> 00:32:36,320

Well, Paul, we really want to say thank you for having us out.

714

00:32:36,320 --> 00:32:38,320

It's been wonderful. Definitely.

715

00:32:38,320 --> 00:32:40,320

And what we're gonna do over the next couple of days

716

00:32:40,320 --> 00:32:42,320

is go over the evidence we've gathered here,

717

00:32:42,320 --> 00:32:44,320

and we're gonna give you a shout-out, come back, sit out with you,

718

00:32:44,320 --> 00:32:46,320

let you know what we found, what we didn't find.

719

00:32:46,320 --> 00:32:47,320

Sounds good.

720

00:32:47,320 --> 00:32:49,320

You have a good night. All right, you too.

721

00:32:49,320 --> 00:32:51,320

Good night. Take it easy. Thank you.

722

00:32:51,320 --> 00:32:53,320

It's gonna be very interesting.

723

00:32:53,320 --> 00:32:55,320

If the jury's still out with me, if Taffz does find something,

724

00:32:55,320 --> 00:32:59,320

I'll definitely have to rethink my viewpoint on the paranormal.

725

00:33:01,320 --> 00:33:03,320

Dude, everybody experienced something.

726

00:33:03,320 --> 00:33:04,320

Yeah.

727

00:33:04,320 --> 00:33:06,320

Just stare at that freaking apparition right in the face

728

00:33:06,320 --> 00:33:08,320

as it looked down at us.

729

00:33:08,320 --> 00:33:12,320

I'm ecstatic. I can't wait to see what we've actually caught.

730

00:33:19,320 --> 00:33:22,320

For the Lighthouse case, we had five different camera angles running,

731

00:33:22,320 --> 00:33:26,320

mini-DVs, we had audio recorders everywhere, digital audio running.

732

00:33:26,320 --> 00:33:28,320

You know, we're pretty excited to watch this evidence

733

00:33:28,320 --> 00:33:32,320

because there's a lot of firsthand experiences, a lot of stuff went down,

734

00:33:32,320 --> 00:33:35,320

and I hope that we're able to validate some of our personal experiences

735

00:33:35,320 --> 00:33:38,320

with the evidence we find, so that's what we're hoping for.

736

00:33:40,320 --> 00:33:41,320

Check this out.

737

00:33:41,320 --> 00:33:42,320

No, just check this out, man.

738

00:33:42,320 --> 00:33:43,320

No, no, wait, wait, wait.

739

00:33:43,320 --> 00:33:44,320

Check this out first.

740

00:33:45,320 --> 00:33:47,320

This is somebody that's not accounted for,

741

00:33:47,320 --> 00:33:49,320

or something that's not accounted for.

742

00:33:49,320 --> 00:33:50,320

Whoa.

743

00:33:50,320 --> 00:33:51,320

See him come out?

744

00:33:51,320 --> 00:33:52,320

So, yes.

745

00:33:52,320 --> 00:33:54,320

They say a little light, but I don't think it's a flashlight

746

00:33:54,320 --> 00:33:55,320

because you would see the beam.

747

00:33:55,320 --> 00:33:56,320

Yeah, you see the beam.

748

00:33:56,320 --> 00:33:57,320

It looks like somebody go like this.

749

00:33:57,320 --> 00:34:00,320

Which is exactly what Jay and Grant said they saw.

750

00:34:00,320 --> 00:34:01,320

Dude, that's awesome.

751

00:34:01,320 --> 00:34:02,320

That's pretty good, dude.

752

00:34:02,320 --> 00:34:04,320

You want to see something else that's amazing?

753

00:34:04,320 --> 00:34:05,320

You can't top that.

754

00:34:05,320 --> 00:34:06,320

What the heck?

755

00:34:06,320 --> 00:34:07,320

I don't know.

756

00:34:07,320 --> 00:34:08,320

Nothing. Come on.

757

00:34:08,320 --> 00:34:10,320

Okay, watch this right here.

758

00:34:10,320 --> 00:34:11,320

On the stairwell right now.

759

00:34:11,320 --> 00:34:12,320

See, it moves over a little bit,

760

00:34:12,320 --> 00:34:13,320

and he's not moving.

761

00:34:13,320 --> 00:34:14,320

It's going up.

762

00:34:14,320 --> 00:34:16,320

That's not a shadow because there's no underlight

763

00:34:16,320 --> 00:34:17,320

coming up to you guys.

764

00:34:17,320 --> 00:34:18,320

We were up there doing it.

765

00:34:18,320 --> 00:34:20,320

It was on the stairs looking at us.

766

00:34:20,320 --> 00:34:21,320

You believe this?

767

00:34:21,320 --> 00:34:22,320

Jeez.

768

00:34:23,320 --> 00:34:25,320

Now, that lighthouse was awesome,

769

00:34:25,320 --> 00:34:26,320

so there better be some good stuff.

770

00:34:26,320 --> 00:34:28,320

We didn't catch anything in the pheromone,

771

00:34:28,320 --> 00:34:30,320

but we did catch the help mean.

772

00:34:30,320 --> 00:34:31,320

Here we go.

773

00:34:34,320 --> 00:34:36,320

The frig was at it.

774

00:34:37,320 --> 00:34:38,320

Can you hear it again?

775

00:34:38,320 --> 00:34:39,320

Do it one more time.

776

00:34:39,320 --> 00:34:40,320

One more time.

777

00:34:43,320 --> 00:34:44,320

The frig was at it.

778

00:34:46,320 --> 00:34:47,320

That's awesome. That's great.

779

00:34:47,320 --> 00:34:48,320

Did we catch any video up there?

780

00:34:48,320 --> 00:34:49,320

Yes.

781

00:34:49,320 --> 00:34:50,320

This is the one.

782

00:34:50,320 --> 00:34:51,320

Now we're going to show it.

783

00:34:51,320 --> 00:34:52,320

Watch this right here.

784

00:34:52,320 --> 00:34:53,320

Me and Dustin are upstairs.

785

00:34:53,320 --> 00:34:54,320

We're hearing the voices, seeing the shadows.

786

00:34:54,320 --> 00:34:55,320

This is the next landing up,

787

00:34:55,320 --> 00:34:57,320

and that's the stairs going up to the next landing.

788

00:34:57,320 --> 00:34:58,320

It's right above us.

789

00:35:00,320 --> 00:35:01,320

Take a minute.

790

00:35:01,320 --> 00:35:02,320

See it?

791

00:35:02,320 --> 00:35:03,320

Watch. Watch.

792

00:35:03,320 --> 00:35:04,320

Watch.

793

00:35:04,320 --> 00:35:05,320

Take off.

794

00:35:05,320 --> 00:35:06,320

Take off to the right.

795

00:35:06,320 --> 00:35:07,320

That's like what I saw.

796

00:35:07,320 --> 00:35:08,320

That's exactly what I saw.

797

00:35:08,320 --> 00:35:10,320

That's when you were up there and had your first landing.

798

00:35:10,320 --> 00:35:12,320

When we saw what was pacing, that's what we saw.

799

00:35:12,320 --> 00:35:13,320

Pacing.

800

00:35:13,320 --> 00:35:14,320

That's exactly what I saw when I was like,

801

00:35:14,320 --> 00:35:15,320

Gag off another level.

802

00:35:16,320 --> 00:35:17,320

I let out fast emotions too.

803

00:35:17,320 --> 00:35:18,320

That's sweet.

804

00:35:19,320 --> 00:35:22,320

Nothing to bid about what we're going to see in this one.

805

00:35:22,320 --> 00:35:24,320

That's awesome because that's exactly what I saw.

806

00:35:24,320 --> 00:35:26,320

This one, let me set this up for you.

807

00:35:26,320 --> 00:35:29,320

What you're actually going to see is a little disturbance here,

808

00:35:29,320 --> 00:35:33,320

and then something peek over the railing.

809

00:35:33,320 --> 00:35:34,320

See there?

810

00:35:34,320 --> 00:35:35,320

Yeah.

811

00:35:35,320 --> 00:35:36,320

And then...

812

00:35:36,320 --> 00:35:37,320

Oh, look at that.

813

00:35:37,320 --> 00:35:38,320

Dude, that's nuts.

814

00:35:38,320 --> 00:35:41,320

There is a triggered light when you go all the way up top.

815

00:35:41,320 --> 00:35:44,320

So if it was a person, that light would have gone on,

816

00:35:44,320 --> 00:35:45,320

but it doesn't.

817

00:35:46,320 --> 00:35:47,320

That's awesome.

818

00:35:47,320 --> 00:35:48,320

That gives you chills right up the spine.

819

00:35:48,320 --> 00:35:50,320

It does because that's so perfect.

820

00:35:50,320 --> 00:35:51,320

That's what we saw.

821

00:35:51,320 --> 00:35:52,320

That's what I saw.

822

00:35:52,320 --> 00:35:53,320

That's what we heard.

823

00:35:53,320 --> 00:35:54,320

Everything just came.

824

00:35:54,320 --> 00:35:56,320

And everything validates the experiences we had.

825

00:35:56,320 --> 00:35:58,320

Make me a copy of that.

826

00:35:58,320 --> 00:35:59,320

That's awesome.

827

00:35:59,320 --> 00:36:00,320

Alright guys, see you later.

828

00:36:07,320 --> 00:36:14,320

I am like ecstatic to do this reveal over here.

829

00:36:14,320 --> 00:36:17,320

Yes, I can't wait to talk to Paul and see what he thinks.

830

00:36:17,320 --> 00:36:19,320

I think it's going to blow his mind.

831

00:36:19,320 --> 00:36:21,320

There was a lot of creepy things that happened over here.

832

00:36:21,320 --> 00:36:23,320

See, we've caught good evidence,

833

00:36:23,320 --> 00:36:28,320

but I mean rarely does it corroborate perfectly with what you experience.

834

00:36:28,320 --> 00:36:29,320

Kick that's that.

835

00:36:29,320 --> 00:36:32,320

I guess we made the right call by putting a camera in that lighthouse.

836

00:36:32,320 --> 00:36:34,320

Yeah, we should have put more.

837

00:36:34,320 --> 00:36:35,320

Yeah, well, I'm ecstatic.

838

00:36:35,320 --> 00:36:36,320

Let's get over there.

839

00:36:36,320 --> 00:36:37,320

Let's talk to this guy.

840

00:36:37,320 --> 00:36:38,320

Yeah, let's do it.

841

00:36:42,320 --> 00:36:43,320

Hey Paul, good to see you again.

842

00:36:43,320 --> 00:36:44,320

You too Jason.

843

00:36:44,320 --> 00:36:45,320

How you been?

844

00:36:45,320 --> 00:36:46,320

Good, good.

845

00:36:46,320 --> 00:36:47,320

Anything strange happened since we've been here?

846

00:36:47,320 --> 00:36:49,320

Not since you've been here, no.

847

00:36:49,320 --> 00:36:51,320

But I'm interested in seeing what you guys found.

848

00:36:51,320 --> 00:36:52,320

Well, you know what we did.

849

00:36:52,320 --> 00:36:55,320

We came here, we listened to the claims of activity that have gone on.

850

00:36:55,320 --> 00:36:58,320

Everything from reports of voices.

851

00:36:58,320 --> 00:37:01,320

Yeah, the banging of the bucket in the lighthouse,

852

00:37:01,320 --> 00:37:05,320

the woman at the top, and all the activity in here.

853

00:37:05,320 --> 00:37:07,320

You name it, we tried to catch it all.

854

00:37:07,320 --> 00:37:09,320

We set up cameras, audio equipment.

855

00:37:09,320 --> 00:37:11,320

We carpeted the place.

856

00:37:11,320 --> 00:37:15,320

One thing we set about doing was trying to debunk that bucket in the lighthouse,

857

00:37:15,320 --> 00:37:16,320

that drop of the bucket.

858

00:37:16,320 --> 00:37:21,320

And we went in and as actually there was a window because the wind that was banging.

859

00:37:21,320 --> 00:37:25,320

So we secured that window and we also, J went down and dropped the bucket and we announced it.

860

00:37:25,320 --> 00:37:27,320

This is what the bucket sounds like.

861

00:37:27,320 --> 00:37:30,320

This is what the window sounds like.

862

00:37:30,320 --> 00:37:35,320

Because we wanted to take the two sounds and pretty much put them together and hear how different they were.

863

00:37:35,320 --> 00:37:39,320

When it came to the bumping, we thought maybe that window could slip open at times

864

00:37:39,320 --> 00:37:41,320

and people think they're hearing the bucket drown.

865

00:37:41,320 --> 00:37:43,320

Because they sounded very similar.

866

00:37:43,320 --> 00:37:46,320

But we caught three things that we want to show you that we all experienced.

867

00:37:46,320 --> 00:37:48,320

Yeah, I'd love to see it.

868

00:37:48,320 --> 00:37:50,320

Okay, no further ado then.

869

00:37:50,320 --> 00:37:55,320

Yeah, me and Grant at this exact time had been chasing something up the stairs

870

00:37:55,320 --> 00:37:57,320

and trying to make contact.

871

00:37:57,320 --> 00:37:59,320

You all right?

872

00:37:59,320 --> 00:38:00,320

I watched it.

873

00:38:00,320 --> 00:38:01,320

You listened close.

874

00:38:01,320 --> 00:38:02,320

All the stairs.

875

00:38:02,320 --> 00:38:03,320

Right on up.

876

00:38:03,320 --> 00:38:04,320

Here.

877

00:38:04,320 --> 00:38:05,320

Rewinded just to hear.

878

00:38:05,320 --> 00:38:07,320

I thought I heard something.

879

00:38:07,320 --> 00:38:09,320

Right after I say something, it's done.

880

00:38:09,320 --> 00:38:11,320

Right on up.

881

00:38:11,320 --> 00:38:13,320

Right here, right here.

882

00:38:13,320 --> 00:38:18,320

No, upon checking it out, what it appears to be is a woman's voice saying help me.

883

00:38:18,320 --> 00:38:19,320

Really?

884

00:38:19,320 --> 00:38:22,320

For whatever reason, we're not sure why she's asking for help.

885

00:38:22,320 --> 00:38:24,320

So here, give it another listen.

886

00:38:24,320 --> 00:38:26,320

Right on up.

887

00:38:26,320 --> 00:38:27,320

Right here.

888

00:38:28,320 --> 00:38:29,320

Does it again?

889

00:38:29,320 --> 00:38:30,320

It does twice.

890

00:38:30,320 --> 00:38:31,320

Wow.

891

00:38:31,320 --> 00:38:35,320

That's definitely, that's a great piece of audio evidence because there were absolutely no females here.

892

00:38:35,320 --> 00:38:38,320

There's no females from TAPS and you had no females here.

893

00:38:38,320 --> 00:38:39,320

Yeah.

894

00:38:39,320 --> 00:38:40,320

So, wow.

895

00:38:40,320 --> 00:38:41,320

Let's move on.

896

00:38:41,320 --> 00:38:45,320

So what you're looking at here are the different stairs going up and here are the landing's all stacked.

897

00:38:45,320 --> 00:38:46,320

Okay.

898

00:38:46,320 --> 00:38:49,320

Now you can see some light passing through the stairs.

899

00:38:49,320 --> 00:38:50,320

Okay.

900

00:38:50,320 --> 00:38:52,320

Just keep your eye on them.

901

00:38:52,320 --> 00:38:53,320

We're not here to scare you.

902

00:38:53,320 --> 00:38:55,320

You can see something moving on it.

903

00:38:55,320 --> 00:38:57,320

You should have saw something.

904

00:38:57,320 --> 00:38:58,320

Hold on, it keeps...

905

00:38:59,320 --> 00:39:00,320

There it goes.

906

00:39:00,320 --> 00:39:02,320

The watch is going to blast off to the right.

907

00:39:03,320 --> 00:39:04,320

Wow.

908

00:39:04,320 --> 00:39:05,320

Yeah, can I see that clip again?

909

00:39:05,320 --> 00:39:06,320

Of course.

910

00:39:06,320 --> 00:39:07,320

Absolutely.

911

00:39:07,320 --> 00:39:10,320

It's like it stopped while they were talking and then continues.

912

00:39:10,320 --> 00:39:11,320

There it is.

913

00:39:11,320 --> 00:39:12,320

Yeah.

914

00:39:12,320 --> 00:39:13,320

You can see it.

915

00:39:13,320 --> 00:39:14,320

There it went.

916

00:39:14,320 --> 00:39:16,320

Wow, that's under-chilling my spine.

917

00:39:16,320 --> 00:39:21,320

Yeah, so there was something over them and it's funny because me and Grant were experiencing the same thing.

918

00:39:21,320 --> 00:39:23,320

It felt like something was toying with us.

919

00:39:23,320 --> 00:39:24,320

Okay.

920

00:39:24,320 --> 00:39:29,320

This next piece of evidence that we're going to show you, this is during the time that we were following something

921

00:39:29,320 --> 00:39:33,320

and it was like every time we went up a staircase, it would go up a staircase.

922

00:39:33,320 --> 00:39:37,320

Now me and Grant are right around here on the staircase.

923

00:39:37,320 --> 00:39:40,320

You're going to see something up here and you're going to see it move.

924

00:39:40,320 --> 00:39:44,320

And it's going to go straight up to the very top in a very, very short time.

925

00:39:44,320 --> 00:39:46,320

Okay, you see this thing moving?

926

00:39:46,320 --> 00:39:48,320

Now look, look at the very top.

927

00:39:50,320 --> 00:39:52,320

Was that it just leaning over right there?

928

00:39:52,320 --> 00:39:57,320

Watch, you're going to see it go up two flights of stairs in a matter of a couple seconds.

929

00:39:57,320 --> 00:39:58,320

Watch.

930

00:39:58,320 --> 00:39:59,320

Watch.

931

00:39:59,320 --> 00:40:00,320

Boom.

932

00:40:02,320 --> 00:40:03,320

And there it is.

933

00:40:03,320 --> 00:40:05,320

It's peeking right over at us.

934

00:40:05,320 --> 00:40:06,320

It gives me chills right now.

935

00:40:06,320 --> 00:40:07,320

Because I ain't never seen it.

936

00:40:07,320 --> 00:40:08,320

Wow.

937

00:40:08,320 --> 00:40:09,320

I want to see that one more time.

938

00:40:09,320 --> 00:40:10,320

That's a lot of smoke.

939

00:40:10,320 --> 00:40:11,320

There you go, see that?

940

00:40:11,320 --> 00:40:13,320

That it moves to the right.

941

00:40:13,320 --> 00:40:14,320

Yeah.

942

00:40:14,320 --> 00:40:16,320

And that's where it will disappear.

943

00:40:16,320 --> 00:40:17,320

Here it goes.

944

00:40:18,320 --> 00:40:19,320

Let's go.

945

00:40:19,320 --> 00:40:22,320

Your motion sensor didn't pick that up.

946

00:40:22,320 --> 00:40:27,320

So I think that that's a very important thing that you need to understand when it comes to this.

947

00:40:27,320 --> 00:40:29,320

You're sending chills down my spine.

948

00:40:29,320 --> 00:40:31,320

I'm not trying to, I'm just telling you the facts.

949

00:40:31,320 --> 00:40:32,320

You know what I mean?

950

00:40:32,320 --> 00:40:34,320

You know, I got to go into that tower after you guys leave tonight.

951

00:40:34,320 --> 00:40:39,320

I can honestly say, and I don't say this much, that I do believe that that lighthouse to be haunted.

952

00:40:39,320 --> 00:40:40,320

100%.

953

00:40:40,320 --> 00:40:41,320

Wow.

954

00:40:41,320 --> 00:40:46,320

I mean, you can't ask for any better evidence in my mind than what we've been through.

955

00:40:46,320 --> 00:40:48,320

I am a skeptic.

956

00:40:48,320 --> 00:40:49,320

How do you feel now?

957

00:40:49,320 --> 00:40:51,320

I think you got me believing now.

958

00:40:51,320 --> 00:40:53,320

So how many spirits do you think are in there?

959

00:40:53,320 --> 00:40:54,320

I can't tell you that.

960

00:40:54,320 --> 00:40:57,320

I can tell you that we caught one thing for sure.

961

00:40:57,320 --> 00:41:00,320

Now Paul, we don't want to just show you this and then say, bye and hightail it out of here.

962

00:41:00,320 --> 00:41:01,320

Okay.

963

00:41:01,320 --> 00:41:03,320

We want to give you some advice and that is,

964

00:41:03,320 --> 00:41:05,320

Every News Work here has been comfortable here.

965

00:41:05,320 --> 00:41:08,320

There's been stories, but no one's been hurt or harmed or anything like that.

966

00:41:08,320 --> 00:41:10,320

So there's no need to be afraid.

967

00:41:10,320 --> 00:41:13,320

I mean, it is chilling, but there's no need to change behavior.

968

00:41:13,320 --> 00:41:14,320

Whatever, get panicked at all.

969

00:41:14,320 --> 00:41:16,320

You ever need anything, you just give us a shout.

970

00:41:16,320 --> 00:41:18,320

Okay, definitely will.

971

00:41:18,320 --> 00:41:19,320

I mean, thanks a lot.

972

00:41:19,320 --> 00:41:21,320

Thanks a lot.

973

00:41:22,320 --> 00:41:25,320

It's one thing hearing them say that they saw something,

974

00:41:25,320 --> 00:41:27,320

but to actually see the video,

975

00:41:27,320 --> 00:41:32,320

it's got my mind racing right now because that video is pretty conclusive proof that

976

00:41:32,320 --> 00:41:34,320

Tats did catch something.

977

00:41:34,320 --> 00:41:37,320

I have to say that I've gone into the other side that

978

00:41:37,320 --> 00:41:39,320

I do believe that there's something in that lighthouse now.

979

00:41:43,320 --> 00:41:45,320

Oh man, that one was awesome.

980

00:41:45,320 --> 00:41:46,320

You had awesome evidence.

981

00:41:46,320 --> 00:41:49,320

You had a down to earth guy who was blown away by what we found.

982

00:41:49,320 --> 00:41:51,320

I mean, it's 10 for 10.

983

00:41:51,320 --> 00:41:53,320

We caught what people had been experiencing there.

984

00:41:53,320 --> 00:41:55,320

And I think that that's a huge thing.

985

00:41:55,320 --> 00:41:59,320

Helps bring credibility to them and to the field, of course,

986

00:41:59,320 --> 00:42:01,320

and solidifies everything that they've been stating.

987

00:42:01,320 --> 00:42:03,320

It's just too bad it's so far away, man.

988

00:42:03,320 --> 00:42:05,320

I'd come back in a heartbeat.

989

00:42:05,320 --> 00:42:07,320

Well, that's definitely one I'm coming back here in the future.

990

00:42:07,320 --> 00:42:10,320

And I got to be honest, the team did really well that night.

991

00:42:10,320 --> 00:42:12,320

Brian, Stephen, Dustin really did awesome.

992

00:42:12,320 --> 00:42:13,320

They were on their game.

993

00:42:13,320 --> 00:42:15,320

Well, you know what, Mary? Good job.

994

00:42:15,320 --> 00:42:17,320

On to the next one.

995

00:42:17,320 --> 00:42:18,320

Yeah.

996

00:42:21,320 --> 00:42:25,320

On the next episode of Ghost Hunters, Taps investigates a restaurant

997

00:42:25,320 --> 00:42:29,320

where a cursed mirror invokes the spirit of the former owner.

998

00:42:29,320 --> 00:42:31,320

He didn't want anybody touching a mirror.

999

00:42:31,320 --> 00:42:33,320

Oh, I love you, Anna.

1000

00:42:33,320 --> 00:42:34,320

It's round of thine.

1001

00:42:34,320 --> 00:42:38,320

And then Jason and Grant investigate a 19th century jail.

1002

00:42:38,320 --> 00:42:40,320

There was eight hangings in the jail.

1003

00:42:40,320 --> 00:42:43,320

Where ghostly inmates still populate the cells.

1004

00:42:43,320 --> 00:42:45,320

Cool. It's in the cell.

1005

00:42:45,320 --> 00:42:46,320

Extending right here.

1006

00:43:10,320 --> 00:43:13,320

Taps investigates a restaurant where a cursed mirror invokes the spirit of the former owner.

1007

00:43:13,320 --> 00:43:16,320

And then Jason and Grant investigate a 19th century jail.

1008

00:43:16,320 --> 00:43:19,320

And then Jason and Grant investigate a 19th century jail.

1009

00:43:19,320 --> 00:43:22,320

And then Jason and Grant investigate a 19th century jail.

1010

00:43:22,320 --> 00:43:25,320

And then Jason and Grant investigate a 19th century jail.

1011

00:43:25,320 --> 00:43:28,320

And then Jason and Grant investigate a 19th century jail.

1012

00:43:28,320 --> 00:43:31,320

And then Jason and Grant investigate a 19th century jail.

1013

00:43:31,320 --> 00:43:34,320

And then Jason and Grant investigate a 19th century jail.
