

1

00:00:00,000 --> 00:00:02,200

On this episode of Ghost Hunters,

2

00:00:02,200 --> 00:00:04,840

Taps reveals the findings from their investigation

3

00:00:04,840 --> 00:00:07,040

of Waverly Hills Sanatorium.

4

00:00:07,040 --> 00:00:11,440

Will their return engagement yield new paranormal evidence?

5

00:00:11,440 --> 00:00:12,380

Go all left, go all left.

6

00:00:12,380 --> 00:00:13,280

Jake, go further.

7

00:00:13,280 --> 00:00:14,180

What?

8

00:00:14,180 --> 00:00:15,080

Oh, my God!

9

00:00:15,080 --> 00:00:16,240

Evil!

10

00:00:16,240 --> 00:00:18,720

Then, Jason and Grant announce their choice

11

00:00:18,720 --> 00:00:21,620

for a new Taps member when the hunt for the hunter

12

00:00:21,620 --> 00:00:23,620

comes to a close.

13

00:00:23,620 --> 00:00:26,820

And a suicide in this house lives on

14

00:00:26,820 --> 00:00:29,300

in the drawings of a four-year-old girl.

15

00:00:29,300 --> 00:00:31,500

She said, I see a man with a booboo on his head,

16

00:00:31,500 --> 00:00:32,760

and he shows me his brain.

17

00:00:59,300 --> 00:01:22,080

Guys, Waverly Hills has been a long time since we've been here.

18

00:01:22,080 --> 00:01:23,180

It's good to be back.

19

00:01:23,180 --> 00:01:24,380

So last time we were here, we were

20

00:01:24,380 --> 00:01:26,580

able to catch what appeared to be an apparition of a boy

21

00:01:26,580 --> 00:01:28,620

on the thermal voices steps.

22

00:01:28,620 --> 00:01:31,500

Dango, you had your own little running experience.

23

00:01:31,500 --> 00:01:33,500

Now, Steve, maybe this time you can catch the shadow.

24

00:01:33,500 --> 00:01:34,300

I hope so.

25

00:01:34,300 --> 00:01:35,100

We stand a good chance.

26

00:01:35,100 --> 00:01:36,860

63,000 deaths here.

27

00:01:36,860 --> 00:01:39,740

If there's paranormal out in Louisville, Kentucky, it's here.

28

00:01:39,740 --> 00:01:40,700

Let's waste no more time.

29

00:01:40,700 --> 00:01:41,700

Let's get in there, huh?

30

00:01:41,700 --> 00:01:42,200

Let's do it.

31

00:01:42,200 --> 00:01:42,700

Cool.

32

00:01:42,700 --> 00:01:43,200

OK.

33

00:01:45,420 --> 00:01:47,860

Opened in 1910, the sanatorium was

34

00:01:47,860 --> 00:01:50,420

built to care for victims of tuberculosis

35

00:01:50,420 --> 00:01:53,620

in an epidemic that killed tens of millions.

36

00:01:53,620 --> 00:01:57,540

As many as 63,000 people died at this facility alone,

37

00:01:57,580 --> 00:01:59,660

the corpses were carted off the grounds

38

00:01:59,660 --> 00:02:02,100

through this tunnel known as the body shoot.

39

00:02:02,100 --> 00:02:05,540

Waverly Hills has long been an infamous paranormal site.

40

00:02:05,540 --> 00:02:08,620

Apparitions of children have been reported, footsteps,

41

00:02:08,620 --> 00:02:11,500

doors slamming, sounds of screaming.

42

00:02:11,500 --> 00:02:13,300

TAPS' first visit to Waverly Hills

43

00:02:13,300 --> 00:02:15,220

resulted in a flurry of activity.

44

00:02:15,220 --> 00:02:18,140

Jason and Grant had a thermal hit on the second floor,

45

00:02:18,140 --> 00:02:20,820

while Steve had multiple experiences on the fifth.

46

00:02:20,820 --> 00:02:23,700

All of this made Waverly Hills an easy choice

47

00:02:23,700 --> 00:02:26,300

for their second live investigation.

48

00:02:28,540 --> 00:02:32,540

Ready?

49

00:02:32,540 --> 00:02:35,540

Grant and I went up to the second floor with ECW superstar

50

00:02:35,540 --> 00:02:39,540

Elijah Burke to investigate the spirit known as Timmy.

51

00:02:39,540 --> 00:02:40,540

A lot of people believe that they've

52

00:02:40,540 --> 00:02:44,540

seen a child by the name of Timmy run across the hall.

53

00:02:44,540 --> 00:02:47,540

Last year when Grant and I were here, on the thermal imaging,

54

00:02:47,540 --> 00:02:49,540

we did have something run across the hall,

55

00:02:49,540 --> 00:02:52,540

which it was about 3 and 1 half to 4 and 1 half feet tall.

56

00:02:52,540 --> 00:02:55,540

A lot of people bring these balls up because they say,

57

00:02:56,540 --> 00:02:58,540

like, the boy Timmy likes to play with them.

58

00:02:58,540 --> 00:03:00,540

Oh, whoa, whoa, whoa, whoa, whoa, whoa.

59

00:03:00,540 --> 00:03:01,540

You all right?

60

00:03:01,540 --> 00:03:03,540

What?

61

00:03:03,540 --> 00:03:06,540

I saw an image.

62

00:03:06,540 --> 00:03:07,540

What was it?

63

00:03:07,540 --> 00:03:08,540

No joke. I saw a reflection.

64

00:03:08,540 --> 00:03:10,540

I thought I was looking at a reflection.

65

00:03:10,540 --> 00:03:12,540

Yeah, there's no glass, man. There's nothing here.

66

00:03:12,540 --> 00:03:14,540

Any of these doors? Nothing.

67

00:03:14,540 --> 00:03:16,540

Oh, okay, I'm getting...

68

00:03:16,540 --> 00:03:17,540

not my heart's racing.

69

00:03:17,540 --> 00:03:19,540

As long as your heart's racing and your feet aren't.

70

00:03:19,540 --> 00:03:21,540

That's what matters.

71

00:03:21,540 --> 00:03:23,540

All right, well, I'm gonna go verify

72

00:03:23,540 --> 00:03:25,540

exactly where that ball is.

73

00:03:25,540 --> 00:03:27,540

Let's do that. Why don't you mark the ball?

74

00:03:27,540 --> 00:03:29,540

If the things move, I'm gonna freak out.

75

00:03:29,540 --> 00:03:31,540

People come after you with chairs

76

00:03:31,540 --> 00:03:33,540

and you're gonna freak out and wear a ball.

77

00:03:33,540 --> 00:03:35,540

Hey, man, you know...

78

00:03:35,540 --> 00:03:38,540

Timmy, kick that ball, buddy. Let's see what you got.

79

00:03:38,540 --> 00:03:40,540

Whoa. Did you hear that?

80

00:03:40,540 --> 00:03:42,540

Yeah, I heard that.

81

00:03:42,540 --> 00:03:44,540

I'll just stay here.

82

00:03:45,540 --> 00:03:47,540

Guys, look at this, look at this, look at this.

83

00:03:47,540 --> 00:03:49,540

Come here, check it out.

84

00:03:49,540 --> 00:03:50,540

It's the ball.

85

00:03:50,540 --> 00:03:53,540

Look, it's not up against the wall. Let me see, let me see.

86

00:03:55,540 --> 00:03:57,540

Oh, it's moving right now. It's moving.

87

00:03:57,540 --> 00:03:59,540

It's moving right now. Look.

88

00:03:59,540 --> 00:04:01,540

That's it, Timmy. Kick that sucker.

89

00:04:01,540 --> 00:04:03,540

This is where it was right here.

90

00:04:03,540 --> 00:04:05,540

Where's the marker? What do you say? How far is that?

91

00:04:05,540 --> 00:04:07,540

That's about 20 feet, man.

92

00:04:07,540 --> 00:04:10,540

The fact that it moved, a good 16 feet.

93

00:04:10,540 --> 00:04:12,540

There's no breeze here.

94

00:04:12,540 --> 00:04:14,540

Let's give whoever it is...

95

00:04:14,540 --> 00:04:16,540

Let's sit down that other way.

96

00:04:16,540 --> 00:04:18,540

Wow.

97

00:04:18,540 --> 00:04:19,540

That's awesome.

98

00:04:19,540 --> 00:04:21,540

Good job, Timmy.

99

00:04:23,540 --> 00:04:26,540

Was this shoot originally designed for the body, sir?

100

00:04:26,540 --> 00:04:30,540

No, originally they used it to wheel supplies up, yeah.

101

00:04:30,540 --> 00:04:33,540

And then once it got to the point where they had so many people passing away,

102

00:04:33,540 --> 00:04:38,540

they threw them in carts and they had some pulley system set up here to bring them down.

103

00:04:38,540 --> 00:04:39,540

Did you see that?

104

00:04:39,540 --> 00:04:40,540

No, I didn't.

105

00:04:40,540 --> 00:04:43,540

It was a flash, and this one was on this one, the left one was this side.

106

00:04:44,540 --> 00:04:47,540

There's nothing up there.

107

00:04:47,540 --> 00:04:49,540

That's weird, because we're not at the bottom yet,

108

00:04:49,540 --> 00:04:51,540

but I thought I saw a little flash down there myself.

109

00:04:51,540 --> 00:04:55,540

Can you move an object in here? There's a lot of stuff on the floor.

110

00:04:57,540 --> 00:04:59,540

Give us a sign. Let us know that you're here.

111

00:04:59,540 --> 00:05:01,540

It just set up more down there.

112

00:05:04,540 --> 00:05:05,540

Huh?

113

00:05:06,540 --> 00:05:07,540

Oh, f**k!

114

00:05:07,540 --> 00:05:08,540

Jesus! What is that?

115

00:05:08,540 --> 00:05:09,540

I don't know.

116

00:05:09,540 --> 00:05:10,540

Did you saw that too?

117

00:05:10,540 --> 00:05:11,540

Yeah.

118

00:05:12,540 --> 00:05:14,540

Back up.

119

00:05:16,540 --> 00:05:17,540

It didn't go anywhere.

120

00:05:17,540 --> 00:05:19,540

It was like a little ball or something.

121

00:05:19,540 --> 00:05:23,540

It wasn't a bat, because it was like running or something.

122

00:05:24,540 --> 00:05:25,540

That's weird.

123

00:05:25,540 --> 00:05:27,540

That was really weird.

124

00:05:28,540 --> 00:05:30,540

I wonder if it was just like a little shadow or something.

125

00:05:30,540 --> 00:05:32,540

You know, like the little shadow figures?

126

00:05:32,540 --> 00:05:33,540

Yeah.

127

00:05:34,540 --> 00:05:35,540

That was strange.

128

00:05:35,540 --> 00:05:36,540

That was really strange.

129

00:05:36,540 --> 00:05:39,540

Oh, I'm like shaking. I did not expect that at all.

130

00:05:42,540 --> 00:05:44,540

There's anybody in here with us.

131

00:05:44,540 --> 00:05:47,540

We'd really like to see you.

132

00:05:47,540 --> 00:05:49,540

We'd like to hear from you.

133

00:05:49,540 --> 00:05:51,540

You don't have to hide.

134

00:05:51,540 --> 00:05:53,540

We don't work here.

135

00:05:53,540 --> 00:05:57,540

We're not here to bring you medicine or to make you sick

136

00:05:57,540 --> 00:05:59,540

or to bring you to an operation room

137

00:05:59,540 --> 00:06:02,540

or to feed you the daily gruel.

138

00:06:02,540 --> 00:06:04,540

We're here just to communicate.

139

00:06:05,540 --> 00:06:06,540

Point two.

140

00:06:07,540 --> 00:06:09,540

There's anybody here with us.

141

00:06:09,540 --> 00:06:11,540

Could you please give us a sign?

142

00:06:12,540 --> 00:06:13,540

Point one.

143

00:06:13,540 --> 00:06:14,540

Point nine.

144

00:06:14,540 --> 00:06:15,540

What? Where?

145

00:06:15,540 --> 00:06:16,540

Point nine.

146

00:06:16,540 --> 00:06:17,540

Point one.

147

00:06:17,540 --> 00:06:18,540

What?

148

00:06:18,540 --> 00:06:19,540

Point three.

149

00:06:19,540 --> 00:06:21,540

If you do find a high electromagnetic field,

150

00:06:21,540 --> 00:06:23,540

but you can't find the source of it

151

00:06:23,540 --> 00:06:25,540

and it moves or it comes and goes,

152

00:06:25,540 --> 00:06:28,540

it could be something paranormal.

153

00:06:28,540 --> 00:06:29,540

One point one, Tango.

154

00:06:29,540 --> 00:06:31,540

Straight up one point one.

155

00:06:31,540 --> 00:06:32,540

Wait, point three.

156

00:06:33,540 --> 00:06:34,540

One point one.

157

00:06:34,540 --> 00:06:35,540

Oh, man, we're getting spikes.

158

00:06:35,540 --> 00:06:38,540

One point three would be the highest we've had all night.

159

00:06:39,540 --> 00:06:40,540

One point one.

160

00:06:52,540 --> 00:06:53,540

What the f***?

161

00:06:53,540 --> 00:06:54,540

What?

162

00:07:01,540 --> 00:07:02,540

What the f***?

163

00:07:03,540 --> 00:07:04,540

Oh, it's...

164

00:07:04,540 --> 00:07:05,540

Tango.

165

00:07:05,540 --> 00:07:06,540

What?

166

00:07:06,540 --> 00:07:07,540

It's just a...

167

00:07:07,540 --> 00:07:08,540

No.

168

00:07:08,540 --> 00:07:09,540

What?

169

00:07:09,540 --> 00:07:10,540

It's not just a leaf.

170

00:07:10,540 --> 00:07:11,540

What just happened?

171

00:07:11,540 --> 00:07:13,540

Tango, when I just felt there would have to be

172

00:07:13,540 --> 00:07:16,540

literally like branches sticking up out of this concrete.

173

00:07:16,540 --> 00:07:17,540

That's nothing.

174

00:07:17,540 --> 00:07:18,540

No.

175

00:07:18,540 --> 00:07:20,540

Tango, I swear to you.

176

00:07:20,540 --> 00:07:21,540

I've been leading you.

177

00:07:21,540 --> 00:07:22,540

Right hand up to God.

178

00:07:22,540 --> 00:07:23,540

I felt this.

179

00:07:23,540 --> 00:07:24,540

Just now.

180

00:07:26,540 --> 00:07:27,540

No.

181

00:07:27,540 --> 00:07:28,540

Like...

182

00:07:28,540 --> 00:07:29,540

Just like that.

183

00:07:29,540 --> 00:07:30,540

Like...

184

00:07:30,540 --> 00:07:31,540

But there's...

185

00:07:31,540 --> 00:07:32,540

That's not...

186

00:07:32,540 --> 00:07:33,540

No, what is that gonna do?

187

00:07:33,540 --> 00:07:34,540

No, I'm just saying, that's nothing.

188

00:07:34,540 --> 00:07:36,540

I wouldn't feel this if I knew it was...

189

00:07:36,540 --> 00:07:37,540

I would eat this for supper.

190

00:07:37,540 --> 00:07:38,540

That's nothing.

191

00:07:38,540 --> 00:07:41,540

Tango, it was honestly like I was walking through...

192

00:07:41,540 --> 00:07:42,540

Like branches.

193

00:07:42,540 --> 00:07:44,540

Like branches sticking up out of the ground.

194

00:07:44,540 --> 00:07:45,540

But without a rigid feeling.

195

00:07:45,540 --> 00:07:48,540

I didn't feel like there was stuff poking at me.

196

00:07:48,540 --> 00:07:50,540

It just felt like movement.

197

00:07:50,540 --> 00:07:51,540

Like...

198

00:07:51,540 --> 00:07:52,540

You're serious.

199

00:07:53,540 --> 00:07:54,540

Something touched me.

200

00:07:54,540 --> 00:07:57,540

Something grabbed at me and pulled on my pants.

201

00:07:57,540 --> 00:08:00,540

And pretended like they were playing...

202

00:08:00,540 --> 00:08:01,540

You know, the...

203

00:08:01,540 --> 00:08:03,540

The Grammy, I said.

204

00:08:03,540 --> 00:08:05,540

You know, they were playing games.

205

00:08:05,540 --> 00:08:06,540

Yeah.

206

00:08:06,540 --> 00:08:08,540

That was awesome.

207

00:08:10,540 --> 00:08:13,540

I think it's about time we get the thermal in here because...

208

00:08:13,540 --> 00:08:14,540

These guys are seeing all sorts of stuff.

209

00:08:14,540 --> 00:08:16,540

And we can see if we actually have animals in here.

210

00:08:16,540 --> 00:08:18,540

Yeah, watch where you're walking, man.

211

00:08:18,540 --> 00:08:21,540

You don't need to take a nose dive down the stairs.

212

00:08:21,540 --> 00:08:22,540

What do you got down there?

213

00:08:22,540 --> 00:08:24,540

Something at the very end.

214

00:08:29,540 --> 00:08:31,540

Is there anybody in here?

215

00:08:35,540 --> 00:08:36,540

Can you hear that?

216

00:08:36,540 --> 00:08:37,540

Yeah.

217

00:08:40,540 --> 00:08:42,540

It almost sounded like an extra set of footsteps there.

218

00:08:42,540 --> 00:08:44,540

Is there anybody in here with us?

219

00:08:44,540 --> 00:08:45,540

Don't be afraid.

220

00:08:45,540 --> 00:08:46,540

Feel free to walk right up to us.

221

00:08:46,540 --> 00:08:48,540

You don't have to follow us.

222

00:08:54,540 --> 00:08:56,540

Tang, you have that EVP recorder fired up?

223

00:08:56,540 --> 00:08:57,540

It's gone.

224

00:08:57,540 --> 00:08:58,540

It's on.

225

00:08:58,540 --> 00:08:59,540

All right.

226

00:08:59,540 --> 00:09:02,540

Well, Mark, if you want to lead us in a little EVP session...

227

00:09:02,540 --> 00:09:03,540

You want to hold this?

228

00:09:03,540 --> 00:09:04,540

Sure.

229

00:09:04,540 --> 00:09:05,540

Okay.

230

00:09:05,540 --> 00:09:07,540

Thank you.

231

00:09:07,540 --> 00:09:12,540

All right, this is Mark, Tango and Steve on the third floor of Waverly Hills, San itan.

232

00:09:12,540 --> 00:09:15,540

31st of October, 2007.

233

00:09:15,540 --> 00:09:16,540

Okay.

234

00:09:16,540 --> 00:09:19,540

Sir, what is your name if you are here?

235

00:09:19,540 --> 00:09:21,540

Would you like to tell me your name?

236

00:09:26,540 --> 00:09:27,540

Bang.

237

00:09:27,540 --> 00:09:28,540

Okay.

238

00:09:31,540 --> 00:09:33,540

There's definitely something going on.

239

00:09:35,540 --> 00:09:37,540

I just heard something.

240

00:09:37,540 --> 00:09:38,540

I just saw something.

241

00:09:38,540 --> 00:09:39,540

Did you see that?

242

00:09:39,540 --> 00:09:40,540

In the light?

243

00:09:43,540 --> 00:09:45,540

Then I heard that bang.

244

00:09:45,540 --> 00:09:51,540

It just looked like something interrupted the shadow more across the floor.

245

00:09:51,540 --> 00:09:53,540

Just stand for a second.

246

00:09:56,540 --> 00:09:58,540

I'm going to check the other after.

247

00:10:02,540 --> 00:10:03,540

What did you do?

248

00:10:03,540 --> 00:10:05,540

It's like memory.

249

00:10:05,540 --> 00:10:07,540

I thought I was hitting zoom.

250

00:10:07,540 --> 00:10:08,540

Yeah.

251

00:10:08,540 --> 00:10:09,540

What you did?

252

00:10:09,540 --> 00:10:11,540

Breaking everything already.

253

00:10:11,540 --> 00:10:13,540

Off to a rousing start already.

254

00:10:13,540 --> 00:10:14,540

All right.

255

00:10:14,540 --> 00:10:15,540

Now we're good.

256

00:10:15,540 --> 00:10:16,540

Okay.

257

00:10:16,540 --> 00:10:22,540

Now, I just really want to head over here just because of everything that's been caught

258

00:10:22,540 --> 00:10:23,540

over here.

259

00:10:26,540 --> 00:10:29,540

If there's anyone here tonight, we'd love to hear from you.

260

00:10:29,540 --> 00:10:32,540

Now is a perfect time.

261

00:10:33,540 --> 00:10:38,540

Catching the apparition of a bald man.

262

00:10:44,540 --> 00:10:46,540

It's not like a door.

263

00:10:46,540 --> 00:10:47,540

Did it just move?

264

00:10:47,540 --> 00:10:48,540

No.

265

00:10:48,540 --> 00:10:50,540

No wind maybe?

266

00:10:57,540 --> 00:10:58,540

What was that?

267

00:10:58,540 --> 00:10:59,540

Oh my gosh.

268

00:11:01,540 --> 00:11:02,540

Come on, focus.

269

00:11:02,540 --> 00:11:03,540

Go on this way.

270

00:11:03,540 --> 00:11:04,540

Focus.

271

00:11:04,540 --> 00:11:05,540

Go out left.

272

00:11:05,540 --> 00:11:06,540

Go out left.

273

00:11:06,540 --> 00:11:07,540

Go out left.

274

00:11:07,540 --> 00:11:08,540

Jay, go further.

275

00:11:08,540 --> 00:11:10,540

Run all the way down, man.

276

00:11:20,540 --> 00:11:22,540

Jay, go further.

277

00:11:22,540 --> 00:11:24,540

Run all the way down, man.

278

00:11:29,540 --> 00:11:31,540

That just took right off.

279

00:11:31,540 --> 00:11:34,540

I don't know where that went, Grant.

280

00:11:34,540 --> 00:11:36,540

What was that?

281

00:11:36,540 --> 00:11:37,540

I don't know.

282

00:11:37,540 --> 00:11:38,540

It went down around the corner.

283

00:11:38,540 --> 00:11:41,540

I took off after it and it was following it.

284

00:11:41,540 --> 00:11:44,540

Then it took off to the left and then I saw you out there.

285

00:11:46,540 --> 00:11:47,540

Shoot.

286

00:11:47,540 --> 00:11:50,540

There was a massive bang over here.

287

00:11:50,540 --> 00:11:51,540

Are you okay?

288

00:11:58,540 --> 00:11:59,540

Whoa.

289

00:12:00,540 --> 00:12:01,540

You see that?

290

00:12:01,540 --> 00:12:02,540

You saw that?

291

00:12:02,540 --> 00:12:03,540

Whoa.

292

00:12:03,540 --> 00:12:04,540

You saw that?

293

00:12:04,540 --> 00:12:05,540

All right, good.

294

00:12:05,540 --> 00:12:06,540

So I'm not alone.

295

00:12:06,540 --> 00:12:07,540

You saw that?

296

00:12:07,540 --> 00:12:08,540

Yes.

297

00:12:08,540 --> 00:12:09,540

That's what I'm talking about.

298

00:12:09,540 --> 00:12:11,540

That's what I've been saying.

299

00:12:11,540 --> 00:12:12,540

It just walked right by it.

300

00:12:12,540 --> 00:12:14,540

And you saw it the same time I did.

301

00:12:14,540 --> 00:12:15,540

I caught my head.

302

00:12:15,540 --> 00:12:19,540

I don't know if it was walking by or coming back.

303

00:12:19,540 --> 00:12:21,540

But blocking out the entire light.

304

00:12:21,540 --> 00:12:22,540

I saw it.

305

00:12:22,540 --> 00:12:24,540

That's exactly what we've been after all night, man.

306

00:12:24,540 --> 00:12:25,540

You want to go take a look?

307

00:12:25,540 --> 00:12:26,540

Let's go.

308

00:12:26,540 --> 00:12:28,540

We've been chasing it for the last hour.

309

00:12:28,540 --> 00:12:30,540

There's no glass.

310

00:12:30,540 --> 00:12:32,540

There's nobody out there and that doesn't go to the ground.

311

00:12:32,540 --> 00:12:33,540

Yeah.

312

00:12:33,540 --> 00:12:35,540

Well, that was one of my first thoughts, man,

313

00:12:35,540 --> 00:12:36,540

was when it first started happening,

314

00:12:36,540 --> 00:12:39,540

I was thinking somebody might have been on the actual fire escape

315

00:12:39,540 --> 00:12:42,540

and looking through or bouncing their head back at four.

316

00:12:42,540 --> 00:12:44,540

We have somebody incoming, right?

317

00:12:44,540 --> 00:12:45,540

Who is it?

318

00:12:45,540 --> 00:12:46,540

Steve?

319

00:12:46,540 --> 00:12:47,540

Yo, man.

320

00:12:47,540 --> 00:12:48,540

We were chasing shadows.

321

00:12:48,540 --> 00:12:49,540

Are you serious?

322

00:12:49,540 --> 00:12:52,540

Yeah, actually, actually, me, Elijah and me,

323

00:12:52,540 --> 00:12:54,540

just we both witnessed on the same time.

324

00:12:54,540 --> 00:12:56,540

Are you serious, man?

325

00:12:56,540 --> 00:12:59,540

All night long, we've been watching something walk past the door

326

00:12:59,540 --> 00:13:01,540

at the end, block out the light.

327

00:13:01,540 --> 00:13:03,540

And then Elijah and I are walking down

328

00:13:03,540 --> 00:13:08,540

and all of a sudden, you just see a body just walk by the door.

329

00:13:08,540 --> 00:13:09,540

Get out of here.

330

00:13:09,540 --> 00:13:10,540

Elijah, was it solid?

331

00:13:10,540 --> 00:13:11,540

Or was it a shadow?

332

00:13:11,540 --> 00:13:14,540

I'm getting chills just that maybe it's telling me to shut up.

333

00:13:14,540 --> 00:13:16,540

I was standing in the middle of the hall and I was moving

334

00:13:16,540 --> 00:13:19,540

and making hand gestures, thinking that I'm seeing a reflection

335

00:13:19,540 --> 00:13:22,540

and all of a sudden, basically, I saw it.

336

00:13:22,540 --> 00:13:23,540

It's just...

337

00:13:23,540 --> 00:13:24,540

What?

338

00:13:24,540 --> 00:13:25,540

What is she doing?

339

00:13:25,540 --> 00:13:26,540

Oh, my God.

340

00:13:26,540 --> 00:13:27,540

What happened?

341

00:13:27,540 --> 00:13:28,540

What?

342

00:13:28,540 --> 00:13:29,540

Oh, my God.

343

00:13:29,540 --> 00:13:34,540

I thought I was going to get an elbow to the face, man.

344

00:13:34,540 --> 00:13:35,540

What happened to make you run like this?

345

00:13:35,540 --> 00:13:40,540

I guess I don't know if I'm looking here and I feel it.

346

00:13:40,540 --> 00:13:41,540

It felt something.

347

00:13:41,540 --> 00:13:45,540

It was like the noise and realizing it's not you instantaneously.

348

00:13:45,540 --> 00:13:47,540

I don't want to feel any presence, anything.

349

00:13:47,540 --> 00:13:50,540

Just you pushing me out of the way to get by.

350

00:13:50,540 --> 00:13:52,540

You guys can head down.

351

00:13:52,540 --> 00:13:53,540

Are you on crest?

352

00:13:53,540 --> 00:13:54,540

Sounds good.

353

00:13:54,540 --> 00:13:55,540

Good luck, buddy.

354

00:13:55,540 --> 00:13:56,540

Thanks, Steve.

355

00:13:56,540 --> 00:13:58,540

It's been a very eventful six hours, man.

356

00:13:58,540 --> 00:14:00,540

It's been a life-changing experience for you, man.

357

00:14:00,540 --> 00:14:03,540

Not just a life-changing experience, but I'm sure the viewers

358

00:14:03,540 --> 00:14:06,540

can agree it's been an Elijah experience.

359

00:14:06,540 --> 00:14:08,540

So welcome to the team.

360

00:14:08,540 --> 00:14:10,540

We're going to keep at it.

361

00:14:10,540 --> 00:14:23,540

We're about to analyze the evidence for Waverly Hills,

362

00:14:23,540 --> 00:14:25,540

and it wasn't our longest investigation.

363

00:14:25,540 --> 00:14:28,540

It was a six-hour investigation, but we ran so much equipment.

364

00:14:28,540 --> 00:14:31,540

We had five mini-DVs going, changing the tapes every hour.

365

00:14:31,540 --> 00:14:34,540

We had all kinds of stuff, and we have to analyze all of it.

366

00:14:34,540 --> 00:14:36,540

Now, there was a high degree of personal experiences,

367

00:14:36,540 --> 00:14:39,540

which makes us really excited to review the evidence.

368

00:14:39,540 --> 00:14:41,540

We have a huge workload.

369

00:14:41,540 --> 00:14:43,540

Tons of stuff to analyze, but there's three of us.

370

00:14:43,540 --> 00:14:46,540

We're going to do it, and hopefully have stuff to bring Jason and Grant.

371

00:14:46,540 --> 00:14:49,540

Aside from our personal experiences, we have to look for stuff

372

00:14:49,540 --> 00:14:51,540

that they have all the stories from.

373

00:14:51,540 --> 00:14:53,540

I mean, they're seeing everything, hearing everything at this place.

374

00:14:53,540 --> 00:14:55,540

So we've got to keep our eyes peeled.

375

00:14:55,540 --> 00:14:59,540

Not to mention, we have a lot of submissions from people

376

00:14:59,540 --> 00:15:02,540

that were pressing the panic button at Syfy,

377

00:15:02,540 --> 00:15:05,540

and they want us to look at a lot of that stuff, too.

378

00:15:05,540 --> 00:15:09,540

So we're going to analyze a lot, and a lot of stuff.

379

00:15:09,540 --> 00:15:12,540

Chris, we've got mini-DV, Tango.

380

00:15:12,540 --> 00:15:15,540

You remember when I got touched in the legs?

381

00:15:15,540 --> 00:15:16,540

Oh, yeah.

382

00:15:16,540 --> 00:15:19,540

But whatever it was, if you want to just review that section,

383

00:15:19,540 --> 00:15:21,540

and when you get to that part, just let me know.

384

00:15:21,540 --> 00:15:23,540

Even though we didn't see anything then,

385

00:15:23,540 --> 00:15:26,540

we could see a weird mass or a weird shadow or a mist.

386

00:15:26,540 --> 00:15:27,540

Who knows what we'll see.

387

00:15:27,540 --> 00:15:28,540

Steve.

388

00:15:28,540 --> 00:15:29,540

Yeah. You there?

389

00:15:29,540 --> 00:15:30,540

Yeah, I got it.

390

00:15:30,540 --> 00:15:31,540

All right. There it is.

391

00:15:31,540 --> 00:15:32,540

There it is. Yeah.

392

00:15:32,540 --> 00:15:33,540

Jeez.

393

00:15:35,540 --> 00:15:36,540

Hey, guys.

394

00:15:36,540 --> 00:15:37,540

Hey.

395

00:15:37,540 --> 00:15:38,540

Hey.

396

00:15:38,540 --> 00:15:39,540

How's it going?

397

00:15:39,540 --> 00:15:40,540

Man, it's a pretty eventful night.

398

00:15:40,540 --> 00:15:42,540

We had all kinds of stuff happening.

399

00:15:42,540 --> 00:15:45,540

Well, there were a couple of things that really stick out.

400

00:15:45,540 --> 00:15:47,540

At one point, we had a lot of stuff going on.

401

00:15:47,540 --> 00:15:49,540

We had a lot of stuff going on.

402

00:15:49,540 --> 00:15:51,540

We had a lot of stuff going on.

403

00:15:51,540 --> 00:15:53,540

We had a lot of stuff going on.

404

00:15:53,540 --> 00:15:55,540

We had a lot of stuff going on.

405

00:15:55,540 --> 00:15:57,540

It really stick out.

406

00:15:57,540 --> 00:16:01,540

At one point, we had a ball move about 16 feet across the floor.

407

00:16:01,540 --> 00:16:03,540

We have some footage of the actual ball rolling.

408

00:16:03,540 --> 00:16:04,540

Oh, it stood.

409

00:16:04,540 --> 00:16:05,540

It really caught.

410

00:16:05,540 --> 00:16:06,540

Very good.

411

00:16:06,540 --> 00:16:07,540

All right, guys.

412

00:16:07,540 --> 00:16:09,540

Here's a straight from our DVR footage of the ball.

413

00:16:11,540 --> 00:16:13,540

We actually have another angle,

414

00:16:13,540 --> 00:16:15,540

but the one that you actually marked to see where it would move.

415

00:16:15,540 --> 00:16:16,540

And here it is here.

416

00:16:16,540 --> 00:16:17,540

Take a look.

417

00:16:17,540 --> 00:16:19,540

We actually did see it move a little bit.

418

00:16:19,540 --> 00:16:21,540

There is a pretty good movement right there.

419

00:16:21,540 --> 00:16:23,540

The thing is, there was no breeze in there.

420

00:16:23,540 --> 00:16:27,540

We weren't getting any breeze that would be blowing that ball back and forth that night.

421

00:16:27,540 --> 00:16:28,540

Well, that's awesome.

422

00:16:28,540 --> 00:16:29,540

What else we got?

423

00:16:29,540 --> 00:16:30,540

We actually have fear.

424

00:16:30,540 --> 00:16:32,540

This is Heather and Kristen's camera.

425

00:16:32,540 --> 00:16:37,540

And what's interesting is first I thought it was maybe the light from the camera reflection or something.

426

00:16:37,540 --> 00:16:41,540

But the light seems to move independently of her camera.

427

00:16:41,540 --> 00:16:42,540

You see it right there.

428

00:16:42,540 --> 00:16:44,540

It disappears on its own, comes out.

429

00:16:44,540 --> 00:16:48,540

I would be willing to bet that it's a light from the city or something way out there.

430

00:16:48,540 --> 00:16:50,540

Yeah, it's being blocked by trees every so often.

431

00:16:50,540 --> 00:16:51,540

I see.

432

00:16:51,540 --> 00:16:53,540

That makes, I don't even think of that to be honest with you.

433

00:16:53,540 --> 00:16:55,540

All right, guys, here's the clip of my experience.

434

00:16:55,540 --> 00:16:57,540

You'll see my reaction to it.

435

00:16:59,540 --> 00:17:01,540

What the f***?

436

00:17:01,540 --> 00:17:02,540

Can't see anything weird.

437

00:17:02,540 --> 00:17:04,540

I was hoping maybe we'd see something.

438

00:17:04,540 --> 00:17:07,540

I'll definitely see you quick on your feet, but nothing like Elijah though.

439

00:17:07,540 --> 00:17:09,540

Elijah's got your beat.

440

00:17:09,540 --> 00:17:11,540

You know what? I have that clip too.

441

00:17:11,540 --> 00:17:12,540

I saw it. It's just...

442

00:17:14,540 --> 00:17:18,540

In his defense, I'll say I would never step into the ring with some of the guys that's got steps.

443

00:17:18,540 --> 00:17:19,540

No, no, no.

444

00:17:19,540 --> 00:17:20,540

They terrified to do that.

445

00:17:20,540 --> 00:17:22,540

And he's stepping into our world.

446

00:17:22,540 --> 00:17:26,540

We had the whole panic button thing set up and, you know, millions of people watching.

447

00:17:26,540 --> 00:17:28,540

Did that yield anything? It was really cool.

448

00:17:28,540 --> 00:17:33,540

Yeah, we looked at a lot of what they submitted and we do have a clips here to show you guys.

449

00:17:33,540 --> 00:17:35,540

What's this one, Mr. Tango?

450

00:17:35,540 --> 00:17:38,540

There was a ball there. You see like these marks on it. It's kind of weird.

451

00:17:38,540 --> 00:17:42,540

The panic button people thought that those were probably hand prints.

452

00:17:42,540 --> 00:17:43,540

I doubt they were paranormal.

453

00:17:43,540 --> 00:17:49,540

Not just that, but it also had different designs on it, which could be given off a reflection off the thermal.

454

00:17:49,540 --> 00:17:51,540

So, what else?

455

00:17:51,540 --> 00:17:55,540

So we got this other one. It's a... So what was the face they saw?

456

00:17:55,540 --> 00:17:57,540

Oh, right. We got that live during the show.

457

00:17:57,540 --> 00:17:58,540

Yeah.

458

00:17:58,540 --> 00:18:01,540

And we didn't know where it is in that super long tunnel, so we couldn't really debunk it.

459

00:18:01,540 --> 00:18:03,540

Is that it? That blob there?

460

00:18:03,540 --> 00:18:04,540

Yeah.

461

00:18:04,540 --> 00:18:05,540

Yeah, it's a small face.

462

00:18:05,540 --> 00:18:07,540

I just think it's all spray paint that they used down there.

463

00:18:07,540 --> 00:18:10,540

Yeah, either that or just matrixing from all the pixelation there.

464

00:18:10,540 --> 00:18:12,540

Those people are watching to pick that up.

465

00:18:12,540 --> 00:18:13,540

Yeah.

466

00:18:13,540 --> 00:18:14,540

Hey.

467

00:18:14,540 --> 00:18:15,540

All right. So that's it?

468

00:18:15,540 --> 00:18:16,540

That's basically it, guys.

469

00:18:16,540 --> 00:18:17,540

All right. Awesome. Good job, guys.

470

00:18:17,540 --> 00:18:18,540

All right. Thank you.

471

00:18:18,540 --> 00:18:19,540

All right. Thank you.

472

00:18:25,540 --> 00:18:26,540

Hey, Tina.

473

00:18:26,540 --> 00:18:27,540

Hey.

474

00:18:27,540 --> 00:18:28,540

All right. It's good to see you again.

475

00:18:28,540 --> 00:18:29,540

Nice to see you.

476

00:18:29,540 --> 00:18:30,540

Thanks for having us back, man.

477

00:18:30,540 --> 00:18:31,540

Thanks for coming.

478

00:18:31,540 --> 00:18:33,540

It was definitely an interesting night that we had here.

479

00:18:33,540 --> 00:18:35,540

I'm really anxious to see what you all found.

480

00:18:35,540 --> 00:18:38,540

Now, right away, early in the night, stuff started to happen.

481

00:18:38,540 --> 00:18:43,540

We knew about Timmy, the supposed boy spirit that lurks around the place.

482

00:18:43,540 --> 00:18:48,540

We decided, well, maybe we could lure him out by using some of the balls that were in the building.

483

00:18:48,540 --> 00:18:50,540

We went in the room to investigate a noise.

484

00:18:50,540 --> 00:18:55,540

Came out and I looked at it and the ball was 16 feet away from its original location.

485

00:18:55,540 --> 00:19:00,540

And we took great care to check and see if there was any kind of breeze or anything.

486

00:19:00,540 --> 00:19:02,540

That was a great way to start off the evening.

487

00:19:02,540 --> 00:19:05,540

Yeah, we actually have some video of the ball moving.

488

00:19:05,540 --> 00:19:06,540

Take a look at it.

489

00:19:06,540 --> 00:19:07,540

All right. Show it to you.

490

00:19:09,540 --> 00:19:10,540

It goes.

491

00:19:11,540 --> 00:19:12,540

Did you see the movement?

492

00:19:12,540 --> 00:19:13,540

Yes, I did.

493

00:19:13,540 --> 00:19:14,540

You've seen this happen?

494

00:19:14,540 --> 00:19:15,540

Yeah, I've seen it happen a lot of times.

495

00:19:15,540 --> 00:19:18,540

Well, we caught it on tape, so I'm sure you have to.

496

00:19:18,540 --> 00:19:20,540

Glad I'd have had why you were here.

497

00:19:20,540 --> 00:19:24,540

The night we were here, the fourth floor seemed to be the most active floor.

498

00:19:24,540 --> 00:19:27,540

Steve had an experience which I'll show you.

499

00:19:27,540 --> 00:19:28,540

Ready?

500

00:19:28,540 --> 00:19:29,540

Ready.

501

00:19:31,540 --> 00:19:32,540

What the f***?

502

00:19:32,540 --> 00:19:33,540

Oh, it's...

503

00:19:34,540 --> 00:19:37,540

I literally just felt something smacking around.

504

00:19:37,540 --> 00:19:39,540

Down next to my legs.

505

00:19:39,540 --> 00:19:41,540

I can't even talk.

506

00:19:41,540 --> 00:19:43,540

That kind of really got him, didn't it?

507

00:19:43,540 --> 00:19:47,540

He felt what almost felt like something had grabbed his legs.

508

00:19:47,540 --> 00:19:50,540

Now watch closely for where the plant is.

509

00:19:51,540 --> 00:19:52,540

What was that?

510

00:19:52,540 --> 00:19:54,540

He didn't touch that plant until it backed up.

511

00:19:54,540 --> 00:19:59,540

He's never had adrenaline like that except when he's gotten into a physical altercation with someone.

512

00:19:59,540 --> 00:20:00,540

Is he okay?

513

00:20:00,540 --> 00:20:01,540

Yeah, he's fine.

514

00:20:01,540 --> 00:20:06,540

Last time on the fourth floor, we chased a shadow down and saw shadows.

515

00:20:06,540 --> 00:20:09,540

This time we chased a shadow down and saw shadows.

516

00:20:09,540 --> 00:20:11,540

Now there's one more thing we'd like to show you.

517

00:20:11,540 --> 00:20:14,540

We are here with Elijah Burke, the ECW wrestler.

518

00:20:14,540 --> 00:20:16,540

Let's show you Elijah's experience.

519

00:20:16,540 --> 00:20:17,540

You ready?

520

00:20:17,540 --> 00:20:18,540

I'm ready.

521

00:20:18,540 --> 00:20:21,540

All of a sudden, it basically...

522

00:20:21,540 --> 00:20:22,540

I saw it, it's just...

523

00:20:26,540 --> 00:20:27,540

You can see that there...

524

00:20:27,540 --> 00:20:31,540

Well, you can hear that there is a noise coming from behind him, some kind of a scraping noise.

525

00:20:31,540 --> 00:20:33,540

Really not sure what that was.

526

00:20:33,540 --> 00:20:35,540

Let's show you that reaction again.

527

00:20:35,540 --> 00:20:37,540

I saw it, it's just...

528

00:20:40,540 --> 00:20:43,540

It's tough when you're not used to being in situations like this.

529

00:20:43,540 --> 00:20:46,540

If you're used to being able to grab things with your hands and throw them around...

530

00:20:46,540 --> 00:20:47,540

And he can't see something.

531

00:20:47,540 --> 00:20:48,540

As a ghost, you know what I mean?

532

00:20:48,540 --> 00:20:50,540

That's a little unnerving.

533

00:20:50,540 --> 00:20:52,540

And anyone who laughs at that has got to stop and think,

534

00:20:52,540 --> 00:20:54,540

what would you do in that situation?

535

00:20:54,540 --> 00:20:55,540

I've done it.

536

00:20:55,540 --> 00:20:58,540

Whatever's up there just seems like it just wants to be left alone.

537

00:20:58,540 --> 00:21:00,540

I think when it comes down to what Tina Waverly's haunted...

538

00:21:00,540 --> 00:21:02,540

I'm glad you got to experience something.

539

00:21:02,540 --> 00:21:03,540

We appreciate you having us out.

540

00:21:03,540 --> 00:21:04,540

Oh, appreciate you all coming.

541

00:21:04,540 --> 00:21:05,540

So it's good to see you.

542

00:21:05,540 --> 00:21:06,540

Enjoy it.

543

00:21:06,540 --> 00:21:10,540

And we need to get going because we've got a big announcement to make about the hunt for the hunter contestants.

544

00:21:10,540 --> 00:21:11,540

So...

545

00:21:11,540 --> 00:21:12,540

Oh, okay.

546

00:21:22,540 --> 00:21:23,540

That was a good reveal.

547

00:21:23,540 --> 00:21:24,540

Yeah.

548

00:21:24,540 --> 00:21:26,540

And now we've got a big announcement to make.

549

00:21:26,540 --> 00:21:28,540

Yes, we've got some news that needs to be addressed.

550

00:21:30,540 --> 00:21:31,540

Here we have them.

551

00:21:33,540 --> 00:21:35,540

You guys have been through a lot.

552

00:21:35,540 --> 00:21:36,540

And you know what?

553

00:21:36,540 --> 00:21:38,540

When it comes down to it, all three are already winners.

554

00:21:38,540 --> 00:21:39,540

You've made it this far.

555

00:21:39,540 --> 00:21:41,540

I tell you what, you deserve to be here.

556

00:21:41,540 --> 00:21:44,540

You are all more than qualified to join the team,

557

00:21:44,540 --> 00:21:46,540

to come with us on another investigation.

558

00:21:46,540 --> 00:21:48,540

But it's got to come down to one.

559

00:21:49,540 --> 00:21:50,540

All right.

560

00:21:50,540 --> 00:21:52,540

Well, we want to throw our hand out to Mark.

561

00:21:52,540 --> 00:21:53,540

Look at that.

562

00:21:53,540 --> 00:21:54,540

That's bad.

563

00:21:54,540 --> 00:21:55,540

Great.

564

00:21:55,540 --> 00:21:56,540

You've come with us to the next case.

565

00:21:56,540 --> 00:21:58,540

Welcome to the hunt, man.

566

00:22:00,540 --> 00:22:01,540

It's real exciting.

567

00:22:01,540 --> 00:22:03,540

I honestly thought Deanna had it.

568

00:22:03,540 --> 00:22:05,540

Pat as well, his personality just carries him.

569

00:22:05,540 --> 00:22:06,540

I'm shocked.

570

00:22:06,540 --> 00:22:08,540

Still, I can't really believe it.

571

00:22:08,540 --> 00:22:11,540

I just feel being an investigator, you know,

572

00:22:11,540 --> 00:22:12,540

at my regular job,

573

00:22:12,540 --> 00:22:16,540

it's going to make me be a good investigator for Ghost Hunt.

574

00:22:16,540 --> 00:22:17,540

We'll be seeing you soon.

575

00:22:17,540 --> 00:22:18,540

All right.

576

00:22:18,540 --> 00:22:19,540

And we've got another case we've got to get to.

577

00:22:19,540 --> 00:22:20,540

Excellent.

578

00:22:20,540 --> 00:22:21,540

All right, man.

579

00:22:21,540 --> 00:22:22,540

We've got to move on.

580

00:22:22,540 --> 00:22:23,540

Another case.

581

00:22:23,540 --> 00:22:24,540

All right.

582

00:22:24,540 --> 00:22:25,540

Take it easy, gentlemen.

583

00:22:25,540 --> 00:22:26,540

I'm really, really happy, really excited.

584

00:22:26,540 --> 00:22:27,540

I can't wait to see what happens, what's next,

585

00:22:27,540 --> 00:22:29,540

and, you know, really get my hands into it.

586

00:22:31,540 --> 00:22:33,540

Now, of those three contestants, man,

587

00:22:33,540 --> 00:22:35,540

they all had a lot of the qualities we looked for.

588

00:22:35,540 --> 00:22:36,540

They all had common sense.

589

00:22:36,540 --> 00:22:37,540

They all had knowledge.

590

00:22:37,540 --> 00:22:38,540

They all had...

591

00:22:38,540 --> 00:22:39,540

Energetic.

592

00:22:39,540 --> 00:22:40,540

...energy.

593

00:22:40,540 --> 00:22:42,540

I just think Mark, Mark's going to fit in the best.

594

00:22:42,540 --> 00:22:44,540

Now it's time to just get out of here.

595

00:22:44,540 --> 00:22:45,540

Let's do it.

596

00:22:57,540 --> 00:22:58,540

All right, Heather, Steve.

597

00:22:58,540 --> 00:23:00,540

So we got this case.

598

00:23:00,540 --> 00:23:01,540

I'm a natural man.

599

00:23:01,540 --> 00:23:03,540

I'm mom and our husband.

600

00:23:03,540 --> 00:23:06,540

The daughter has been seeing what appears to be a man

601

00:23:06,540 --> 00:23:08,540

and years prior and that had taken her own life.

602

00:23:08,540 --> 00:23:11,540

Parenting is tough enough when things go normal

603

00:23:11,540 --> 00:23:12,540

and then when things get crazy.

604

00:23:12,540 --> 00:23:14,540

I mean, we don't have a manual as parents.

605

00:23:14,540 --> 00:23:17,540

So to have some place to turn and to be there for these people

606

00:23:17,540 --> 00:23:18,540

is important to you and I.

607

00:23:18,540 --> 00:23:19,540

It's the most important thing.

608

00:23:19,540 --> 00:23:20,540

All right, well, let's get over there.

609

00:23:20,540 --> 00:23:21,540

It's actually right around the bend.

610

00:23:21,540 --> 00:23:22,540

Let's get over there.

611

00:23:22,540 --> 00:23:23,540

Get this going.

612

00:23:26,540 --> 00:23:27,540

Allie.

613

00:23:27,540 --> 00:23:28,540

Hi.

614

00:23:28,540 --> 00:23:29,540

I am Jason from Taps.

615

00:23:29,540 --> 00:23:30,540

Here to help.

616

00:23:30,540 --> 00:23:31,540

Come on in.

617

00:23:31,540 --> 00:23:32,540

Thank you.

618

00:23:32,540 --> 00:23:33,540

I wanted Taps to investigate the house

619

00:23:33,540 --> 00:23:36,540

because there's been so much activity.

620

00:23:36,540 --> 00:23:39,540

My daughter has been running into our room, crying and shaking.

621

00:23:39,540 --> 00:23:42,540

It's really upsetting her, so that leaves me unsettled.

622

00:23:42,540 --> 00:23:44,540

We lived here for about two years.

623

00:23:44,540 --> 00:23:46,540

My husband and our two kids.

624

00:23:46,540 --> 00:23:47,540

My daughter's four.

625

00:23:47,540 --> 00:23:48,540

My son's two.

626

00:23:48,540 --> 00:23:49,540

So what kind of things are going on?

627

00:23:49,540 --> 00:23:52,540

I've seen a bright white ball of light start from the link

628

00:23:52,540 --> 00:23:53,540

right over your head.

629

00:23:53,540 --> 00:23:54,540

Right here?

630

00:23:54,540 --> 00:23:56,540

Yep, dark, right across the ceiling.

631

00:23:56,540 --> 00:23:57,540

This was at nine?

632

00:23:57,540 --> 00:23:58,540

Yep, 9.30-ish.

633

00:23:58,540 --> 00:23:59,540

Anything else right in here?

634

00:23:59,540 --> 00:24:00,540

I think that's it.

635

00:24:00,540 --> 00:24:01,540

All right, so where to now?

636

00:24:01,540 --> 00:24:02,540

The living room.

637

00:24:02,540 --> 00:24:03,540

So what kind of things happened in here?

638

00:24:03,540 --> 00:24:07,540

I've heard my name being called while I've been rocking my son.

639

00:24:07,540 --> 00:24:08,540

Is it a male or female boy?

640

00:24:08,540 --> 00:24:09,540

Sounds like a male.

641

00:24:09,540 --> 00:24:11,540

What kind of tone does it have?

642

00:24:11,540 --> 00:24:12,540

Anger, searching you out?

643

00:24:12,540 --> 00:24:13,540

Just saying my name.

644

00:24:13,540 --> 00:24:14,540

What else?

645

00:24:14,540 --> 00:24:16,540

My friend Sarah and I saw a shadow.

646

00:24:16,540 --> 00:24:18,540

We saw it dart down the hallway.

647

00:24:18,540 --> 00:24:20,540

My first reaction to it was I jumped up

648

00:24:20,540 --> 00:24:23,540

and I was trying to figure out what could it be.

649

00:24:23,540 --> 00:24:26,540

We saw it go into the bathroom.

650

00:24:26,540 --> 00:24:30,540

It was a black shadowy mass and I couldn't explain it.

651

00:24:30,540 --> 00:24:33,540

I've heard heavy footsteps walking down the hall

652

00:24:33,540 --> 00:24:35,540

while I've been giving my kids a bath.

653

00:24:35,540 --> 00:24:36,540

You saw heavy footsteps?

654

00:24:36,540 --> 00:24:37,540

Heavy footsteps.

655

00:24:37,540 --> 00:24:38,540

Like wearing shoes?

656

00:24:38,540 --> 00:24:39,540

Like boots, yeah.

657

00:24:39,540 --> 00:24:40,540

What kind of things have happened in this room?

658

00:24:40,540 --> 00:24:43,540

I've seen my duffel bag in my rocking chair

659

00:24:43,540 --> 00:24:46,540

lift out like someone just picked it up and tossed it.

660

00:24:46,540 --> 00:24:48,540

Okay, what other things?

661

00:24:48,540 --> 00:24:51,540

About 17 years ago, there was a man that was staying here

662

00:24:51,540 --> 00:24:53,540

and the police came to arrest him.

663

00:24:53,540 --> 00:24:55,540

They surrounded the house and they heard,

664

00:24:55,540 --> 00:24:57,540

you're not taking me, you're gonna have to shoot me.

665

00:24:57,540 --> 00:24:59,540

The police got to about the archway

666

00:24:59,540 --> 00:25:00,540

in between the kitchen and living room

667

00:25:00,540 --> 00:25:03,540

and they heard a gunshot from our bedroom.

668

00:25:03,540 --> 00:25:04,540

Took his own life in here?

669

00:25:04,540 --> 00:25:05,540

Yes.

670

00:25:05,540 --> 00:25:06,540

So that was pretty much to the head?

671

00:25:06,540 --> 00:25:07,540

Yes.

672

00:25:07,540 --> 00:25:10,540

This is actually where the bed was when it happened back then.

673

00:25:10,540 --> 00:25:11,540

Wow.

674

00:25:11,540 --> 00:25:15,540

I heard a loud bang one night and I saw a man as solid as me and you

675

00:25:15,540 --> 00:25:17,540

walk right past my door and into my daughter's room

676

00:25:17,540 --> 00:25:19,540

and I instantly thought it was my husband.

677

00:25:19,540 --> 00:25:20,540

I looked over and he's right next to me,

678

00:25:20,540 --> 00:25:22,540

but I checked the whole house and everything was shot in one.

679

00:25:22,540 --> 00:25:24,540

As a parent, that's gotta drive you nuts.

680

00:25:24,540 --> 00:25:25,540

Yeah, that was really scary.

681

00:25:25,540 --> 00:25:27,540

So where to now then?

682

00:25:27,540 --> 00:25:28,540

My daughter's room.

683

00:25:28,540 --> 00:25:30,540

She came to me crying and shaking,

684

00:25:30,540 --> 00:25:31,540

seeing she saw a big man.

685

00:25:31,540 --> 00:25:35,540

She tells me he'll stand like right about here and just watch her.

686

00:25:35,540 --> 00:25:38,540

And then one day she told me she wanted to draw the monster

687

00:25:38,540 --> 00:25:40,540

she sees in her room.

688

00:25:40,540 --> 00:25:44,540

Actually, I have him right here and she drew the big man that she sees.

689

00:25:44,540 --> 00:25:46,540

He looks pretty benign.

690

00:25:46,540 --> 00:25:47,540

And I said, oh, do you see anyone else?

691

00:25:47,540 --> 00:25:48,540

And she said, yes.

692

00:25:48,540 --> 00:25:50,540

She said, I see a man with a boo-boo on his head

693

00:25:50,540 --> 00:25:52,540

and he shows me his brain.

694

00:25:52,540 --> 00:25:55,540

And my heart just clenched.

695

00:25:55,540 --> 00:25:58,540

And I've never told her about what is happening in the house

696

00:25:58,540 --> 00:26:00,540

or anything that I've experienced.

697

00:26:00,540 --> 00:26:01,540

She's saying more than one.

698

00:26:01,540 --> 00:26:02,540

Right.

699

00:26:02,540 --> 00:26:06,540

As a mom, I would love to try and stop this.

700

00:26:06,540 --> 00:26:07,540

I'm glad Taps is here.

701

00:26:07,540 --> 00:26:13,540

They can help my family and help me find out what's going on.

702

00:26:13,540 --> 00:26:17,540

Allie definitely seems bothered with the activity going on in this home

703

00:26:17,540 --> 00:26:20,540

and it seems to be affecting her, her husband and her daughter.

704

00:26:20,540 --> 00:26:22,540

We've got to get to the bottom of this.

705

00:26:22,540 --> 00:26:27,540

Suicides not only have they died, but they died in probably the worst state they've ever been in.

706

00:26:27,540 --> 00:26:30,540

Sometimes that can leave a residual feeling and emotion.

707

00:26:30,540 --> 00:26:34,540

Other times it can leave what could be an entity that can negatively affect the family.

708

00:26:34,540 --> 00:26:38,540

In this situation, we've got a daughter that's being affected by something

709

00:26:38,540 --> 00:26:43,540

and we really need to make sure that whatever is interacting with her is not negative.

710

00:26:43,540 --> 00:26:44,540

Hey.

711

00:26:44,540 --> 00:26:45,540

Hey guys.

712

00:26:45,540 --> 00:26:47,540

Everything's pretty much set, right?

713

00:26:47,540 --> 00:26:48,540

Yep.

714

00:26:48,540 --> 00:26:49,540

This is the living room.

715

00:26:49,540 --> 00:26:50,540

The Harrington house is a really small home.

716

00:26:50,540 --> 00:26:52,540

So what we're going to do is send one team in at a time

717

00:26:52,540 --> 00:26:56,540

so we cut down on human contamination and also so we're not stepping on each other's toes.

718

00:26:56,540 --> 00:27:00,540

So let's just get digital recorders with the rest of the cameras and we're set to go lights out.

719

00:27:00,540 --> 00:27:01,540

Sounds good.

720

00:27:14,540 --> 00:27:18,540

Jane Grant, Harrington house investigation.

721

00:27:20,540 --> 00:27:21,540

Master bedroom.

722

00:27:21,540 --> 00:27:25,540

That guy sat right here and took his head off.

723

00:27:30,540 --> 00:27:31,540

Jane.

724

00:27:31,540 --> 00:27:32,540

Yeah, what do you got?

725

00:27:32,540 --> 00:27:33,540

We want the tape.

726

00:27:39,540 --> 00:27:41,540

Here we go, here we go.

727

00:27:42,540 --> 00:27:43,540

What?

728

00:27:43,540 --> 00:27:44,540

What is that?

729

00:27:44,540 --> 00:27:45,540

The big man.

730

00:27:45,540 --> 00:27:46,540

That'd be right.

731

00:27:55,540 --> 00:27:59,540

Grant and I headed into the bedroom where a man committed suicide.

732

00:28:00,540 --> 00:28:06,540

Jane was panning around the room and almost instantly he caught something.

733

00:28:09,540 --> 00:28:10,540

What the freak is that?

734

00:28:10,540 --> 00:28:13,540

It looks like a torso, upper body.

735

00:28:13,540 --> 00:28:15,540

It's a humanoid shape.

736

00:28:15,540 --> 00:28:16,540

It was here.

737

00:28:16,540 --> 00:28:23,540

And we were able to orient where it was in the room, how tall it would have to be in comparison to other things in the frame.

738

00:28:23,540 --> 00:28:24,540

There's the TV.

739

00:28:24,540 --> 00:28:26,540

And there's the closet.

740

00:28:26,540 --> 00:28:27,540

What?

741

00:28:27,540 --> 00:28:31,540

We were able to discern that the thing was sitting in the rocket chair.

742

00:28:32,540 --> 00:28:35,540

That's what she said her duffel bag launched out of.

743

00:28:35,540 --> 00:28:38,540

We each took turns sitting in the rocket chair.

744

00:28:38,540 --> 00:28:40,540

It seemed to all line up.

745

00:28:43,540 --> 00:28:44,540

That's nuts.

746

00:28:44,540 --> 00:28:46,540

It's a pretty good piece, man.

747

00:28:46,540 --> 00:28:50,540

There was a mirror to the right hand side, but we didn't get that far.

748

00:28:50,540 --> 00:28:54,540

So we even filmed ourselves reflecting in the mirror and then there were pictures in the way and things.

749

00:28:54,540 --> 00:28:55,540

And it had a totally different look.

750

00:28:55,540 --> 00:28:58,540

So immediately, Jane and I started getting into EVP work.

751

00:28:58,540 --> 00:29:01,540

We think we just saw you on our camera.

752

00:29:01,540 --> 00:29:02,540

We're not sure.

753

00:29:03,540 --> 00:29:06,540

We know you like to hang out by Maddie.

754

00:29:06,540 --> 00:29:10,540

She's not here tonight, but we are here in her best interest.

755

00:29:10,540 --> 00:29:12,540

Can you show yourself?

756

00:29:12,540 --> 00:29:14,540

Why do you come to this little girl?

757

00:29:14,540 --> 00:29:15,540

Come on, big man.

758

00:29:21,540 --> 00:29:22,540

Yo.

759

00:29:23,540 --> 00:29:24,540

All right.

760

00:29:25,540 --> 00:29:27,540

We got something we'll have you look at later.

761

00:29:27,540 --> 00:29:28,540

You guys want to get in there?

762

00:29:28,540 --> 00:29:29,540

Check it out.

763

00:29:29,540 --> 00:29:31,540

Make sure you guys check out the bedrooms and stuff.

764

00:29:31,540 --> 00:29:33,540

And what is it, a full moon tonight?

765

00:29:37,540 --> 00:29:41,540

So this here is the room where the guy took his life.

766

00:29:41,540 --> 00:29:44,540

Did you in fact die in this room?

767

00:29:44,540 --> 00:29:48,540

If there's anybody here with us, can you please make a noise?

768

00:29:48,540 --> 00:29:51,540

Here's a gun closet, a gun safe.

769

00:29:51,540 --> 00:29:53,540

Don't you think that's kind of weird?

770

00:29:53,540 --> 00:29:57,540

This is a room that the guy committed suicide by self-inflicted gunshot to the head.

771

00:29:57,540 --> 00:30:01,540

And then, you know, this is their bedroom and they've got a gun closet.

772

00:30:01,540 --> 00:30:06,540

They've got here the dowsing rods.

773

00:30:06,540 --> 00:30:11,540

These dowsing rods are charged to locate paranormal type energy.

774

00:30:11,540 --> 00:30:14,540

The rods, when they're parallel, nothing's going on.

775

00:30:14,540 --> 00:30:20,540

If this energy becomes present, they're directed to cross as a way to alert me to that presence.

776

00:30:20,540 --> 00:30:23,540

Dowsing rods have been used for centuries for many different reasons.

777

00:30:23,540 --> 00:30:27,540

Everything from finding water, oil, right down to finding bodies.

778

00:30:27,540 --> 00:30:32,540

I might not fully believe in dowsing rods, but Heather does, and that's what matters.

779

00:30:32,540 --> 00:30:36,540

As long as it's backed up by hard evidence that TAPS likes to have.

780

00:30:36,540 --> 00:30:43,540

What do we have to do to detect our friend with the boogaloo on his head, as the daughter would call him?

781

00:30:43,540 --> 00:30:46,540

That's right, we have a possible direct connection to this room.

782

00:30:46,540 --> 00:30:48,540

Oops.

783

00:30:50,540 --> 00:30:51,540

Did that thing just tap me?

784

00:30:51,540 --> 00:30:52,540

Yes, it did.

785

00:30:52,540 --> 00:30:55,540

Now it's crossing. What does that mean?

786

00:30:55,540 --> 00:31:01,540

When you're not sure if it's something legitimate or not, the best thing is to start over.

787

00:31:01,540 --> 00:31:06,540

Did you just manipulate these rods so that it touches me?

788

00:31:12,540 --> 00:31:14,540

I said there's a lot of spiders down here.

789

00:31:16,540 --> 00:31:18,540

Oh, God of mercy.

790

00:31:18,540 --> 00:31:20,540

Why do you have spider searching?

791

00:31:20,540 --> 00:31:22,540

There's one in there somewhere.

792

00:31:22,540 --> 00:31:25,540

Do you recall what goes on here?

793

00:31:25,540 --> 00:31:27,540

These things move in on their own.

794

00:31:27,540 --> 00:31:28,540

Oh, the bags and stuff?

795

00:31:28,540 --> 00:31:29,540

Yep.

796

00:31:29,540 --> 00:31:32,540

If somebody's walking upstairs, maybe that could cause them to move.

797

00:31:32,540 --> 00:31:39,540

I'm down here at the punching bag, and Steve is kindly upstairs walking back and forth on the floor,

798

00:31:39,540 --> 00:31:43,540

and the heavy bag moves when you walk upstairs.

799

00:31:45,540 --> 00:31:48,540

All right, Jane Grant, the basement.

800

00:31:48,540 --> 00:31:51,540

Is there anybody here that would like to communicate?

801

00:31:52,540 --> 00:31:55,540

We're here to help Maddie and the family.

802

00:31:55,540 --> 00:31:58,540

Can you give us some sign that you're here?

803

00:32:04,540 --> 00:32:06,540

Dude, it just got really cold over here.

804

00:32:06,540 --> 00:32:08,540

It was just really cold.

805

00:32:11,540 --> 00:32:15,540

Right before you said that, it almost looked like there was a...

806

00:32:15,540 --> 00:32:18,540

I see your shadow right behind your head, but there was another shadow.

807

00:32:22,540 --> 00:32:25,540

Grant was sitting in the chair on the far side of the room,

808

00:32:25,540 --> 00:32:29,540

and I could see his shadow from the light from the camcorder,

809

00:32:29,540 --> 00:32:34,540

and all of a sudden, it appeared that another shadow right next to his shadow,

810

00:32:34,540 --> 00:32:37,540

and he felt an instant change in the temperature.

811

00:32:37,540 --> 00:32:38,540

Really cold.

812

00:32:38,540 --> 00:32:43,540

It was like I was sitting in front of a freezer that just was amazing coldness.

813

00:32:43,540 --> 00:32:44,540

What could do that?

814

00:32:44,540 --> 00:32:46,540

The air doesn't even move down here, man.

815

00:32:46,540 --> 00:32:50,540

We quickly searched around to see if there's a draft from anywhere,

816

00:32:50,540 --> 00:32:54,540

but there's no temperature change or draft whatsoever in that area.

817

00:32:54,540 --> 00:32:56,540

Have a seat in the chair, see if you can get it.

818

00:32:56,540 --> 00:32:59,540

All right, Jay, I got this camera pointing right at you,

819

00:32:59,540 --> 00:33:02,540

so if there's any shadow, we'll catch it.

820

00:33:05,540 --> 00:33:07,540

Were you just here?

821

00:33:07,540 --> 00:33:08,540

Now's the time.

822

00:33:08,540 --> 00:33:10,540

Grab us, push us.

823

00:33:21,540 --> 00:33:23,540

Somebody come in downstairs.

824

00:33:32,540 --> 00:33:34,540

Somebody come in downstairs.

825

00:33:34,540 --> 00:33:37,540

All of a sudden, we heard what sounded like somebody coming down the stairs.

826

00:33:37,540 --> 00:33:40,540

It really sounded like somebody was coming to us.

827

00:33:40,540 --> 00:33:42,540

Upon looking, nobody was there.

828

00:33:43,540 --> 00:33:45,540

So instantly, I tried to recreate it.

829

00:33:45,540 --> 00:33:46,540

You okay?

830

00:33:46,540 --> 00:33:47,540

Yeah, I'm good.

831

00:33:50,540 --> 00:33:52,540

All right, here we go.

832

00:33:55,540 --> 00:33:57,540

That sounds like what I heard, yeah.

833

00:33:57,540 --> 00:33:59,540

That's what it sounded like.

834

00:33:59,540 --> 00:34:01,540

We tried to do some debunking.

835

00:34:01,540 --> 00:34:06,540

We tried to see if the footsteps in the hallway could be caused by some pipes that were directly underneath it.

836

00:34:06,540 --> 00:34:09,540

So it went upstairs to hear the sound.

837

00:34:09,540 --> 00:34:11,540

Jay shook them.

838

00:34:11,540 --> 00:34:13,540

It didn't sound like footsteps at all.

839

00:34:13,540 --> 00:34:16,540

We got like an instant cold spot behind me.

840

00:34:16,540 --> 00:34:18,540

It felt like someone opened up a freezer door.

841

00:34:18,540 --> 00:34:20,540

I didn't know what it was.

842

00:34:20,540 --> 00:34:23,540

I saw a shadow at the same time he caught a cold spot.

843

00:34:23,540 --> 00:34:26,540

We heard someone walking down the stairs.

844

00:34:26,540 --> 00:34:27,540

It was very discernible.

845

00:34:27,540 --> 00:34:29,540

Let's get in the light, guys.

846

00:34:29,540 --> 00:34:31,540

Kick on the lights and break it all down.

847

00:34:31,540 --> 00:34:33,540

Taps came and did a thorough investigation.

848

00:34:33,540 --> 00:34:36,540

Hopefully they've experienced some of the things that me and my family have.

849

00:34:36,540 --> 00:34:44,540

I hope they caught the apparition that I've seen of the big man or the man that has the booboo on his head that my daughter has seen.

850

00:34:44,540 --> 00:34:46,540

It's our home and it's not there.

851

00:34:46,540 --> 00:34:51,540

So we'd like to just live a normal life and be comfortable.

852

00:34:51,540 --> 00:34:53,540

I just want to analyze the evidence.

853

00:34:53,540 --> 00:34:56,540

I'm hoping that we're able to help out Ally and them over there, man.

854

00:34:56,540 --> 00:35:00,540

We caught that figure that was sitting around the area of the rocking chair.

855

00:35:00,540 --> 00:35:03,540

We got to get that on the big screen and really take a look at it.

856

00:35:03,540 --> 00:35:06,540

The footsteps in the basement, the shadow, the cold spots.

857

00:35:06,540 --> 00:35:08,540

Good job, man. Let's get back and crash.

858

00:35:08,540 --> 00:35:09,540

All right.

859

00:35:14,540 --> 00:35:16,540

Hey, man. Hey, guys.

860

00:35:16,540 --> 00:35:19,540

Hey, Jim. Yeah, we're all set up, ready to go.

861

00:35:19,540 --> 00:35:21,540

So begins the long dark road of analysis.

862

00:35:21,540 --> 00:35:24,540

It'll be a long day, but we'll have a good time.

863

00:35:24,540 --> 00:35:27,540

Grant and I decided that it would be best to try to help out Steve.

864

00:35:27,540 --> 00:35:31,540

Instead of Steve being stuck there trying to analyze all the footage by himself.

865

00:35:39,540 --> 00:35:42,540

I think I see what you guys are talking about in that thermal.

866

00:35:42,540 --> 00:35:45,540

I believe this is what you guys saw right there.

867

00:35:45,540 --> 00:35:46,540

Exactly.

868

00:35:46,540 --> 00:35:49,540

It's right after we go by the dresser.

869

00:35:49,540 --> 00:35:51,540

You can see the IR camera. Boom, the dresser.

870

00:35:51,540 --> 00:35:52,540

Yep.

871

00:35:52,540 --> 00:35:53,540

And boom, there it is.

872

00:35:53,540 --> 00:35:57,540

As we were looking at it on the screen, we could see the air conditioner, the camera.

873

00:35:57,540 --> 00:36:01,540

My thought is if it was a reflection, it would happen more than just that one time.

874

00:36:01,540 --> 00:36:02,540

There is a mirror in the room.

875

00:36:02,540 --> 00:36:03,540

Yep.

876

00:36:03,540 --> 00:36:04,540

But it's over on this side.

877

00:36:04,540 --> 00:36:05,540

It's very disorienting.

878

00:36:05,540 --> 00:36:06,540

It's something unexplained right now.

879

00:36:06,540 --> 00:36:07,540

All right.

880

00:36:07,540 --> 00:36:08,540

Nice piece of evidence.

881

00:36:13,540 --> 00:36:17,540

Hey, Steve.

882

00:36:17,540 --> 00:36:21,540

When you and Heather were talking about gun control, where were you guys?

883

00:36:21,540 --> 00:36:23,540

That was in the master bedroom.

884

00:36:23,540 --> 00:36:24,540

They had a gun safe.

885

00:36:24,540 --> 00:36:25,540

Listen to us.

886

00:36:25,540 --> 00:36:26,540

Heather said something.

887

00:36:26,540 --> 00:36:27,540

You say something and right after.

888

00:36:27,540 --> 00:36:34,540

But if everybody properly kicks the trigger locks on the gun, they could never, ever go off.

889

00:36:34,540 --> 00:36:35,540

It sounds like a small girl.

890

00:36:35,540 --> 00:36:37,540

It sounds like a female voice.

891

00:36:37,540 --> 00:36:39,540

But there was only Heather there.

892

00:36:39,540 --> 00:36:40,540

It doesn't sound like Heather.

893

00:36:40,540 --> 00:36:44,540

And it's at a different distance than Heather.

894

00:36:44,540 --> 00:36:46,540

Kicks the trigger locks on the gun.

895

00:36:46,540 --> 00:36:49,540

Kicks the trigger locks on the gun.

896

00:36:49,540 --> 00:36:50,540

Woo, woo, woo.

897

00:36:50,540 --> 00:36:51,540

Yeah.

898

00:36:51,540 --> 00:36:52,540

Really weak.

899

00:36:52,540 --> 00:36:54,540

It sounds female.

900

00:36:54,540 --> 00:36:56,540

That house was completely free of anybody but us.

901

00:36:56,540 --> 00:36:58,540

And we only went in one team at a time.

902

00:36:58,540 --> 00:36:59,540

All right.

903

00:36:59,540 --> 00:37:00,540

We'll document it.

904

00:37:00,540 --> 00:37:01,540

We'll try to clean it up.

905

00:37:01,540 --> 00:37:02,540

We'll bring it to her.

906

00:37:02,540 --> 00:37:04,540

See if maybe it's the same voice that she's heard in the past.

907

00:37:04,540 --> 00:37:05,540

Right?

908

00:37:05,540 --> 00:37:06,540

All right.

909

00:37:09,540 --> 00:37:13,540

I'm going to hear this, man.

910

00:37:13,540 --> 00:37:15,540

It's like some weird humming.

911

00:37:15,540 --> 00:37:16,540

Weird humming?

912

00:37:16,540 --> 00:37:17,540

Yeah.

913

00:37:17,540 --> 00:37:22,540

Can you hear it?

914

00:37:22,540 --> 00:37:25,540

It sounds like something dying.

915

00:37:25,540 --> 00:37:30,540

Hey, Alex.

916

00:37:30,540 --> 00:37:32,540

Good to see you again.

917

00:37:32,540 --> 00:37:33,540

Good to see you guys again.

918

00:37:33,540 --> 00:37:34,540

How you been?

919

00:37:34,540 --> 00:37:35,540

Good.

920

00:37:35,540 --> 00:37:36,540

Any activity since we've last been here?

921

00:37:36,540 --> 00:37:37,540

It's been quiet.

922

00:37:37,540 --> 00:37:38,540

Oh, really?

923

00:37:38,540 --> 00:37:39,540

Yeah.

924

00:37:39,540 --> 00:37:40,540

Well, you know what we did?

925

00:37:40,540 --> 00:37:41,540

We came in, we listened to the claims of activity.

926

00:37:41,540 --> 00:37:43,540

You took us in a tour of the home, showed us the hot spots.

927

00:37:43,540 --> 00:37:44,540

Yeah.

928

00:37:44,540 --> 00:37:46,540

One of the things we tried to do is try to see what we could debunk here.

929

00:37:46,540 --> 00:37:51,540

We did notice that there was a loose pipe downstairs that if the furnace kicked on,

930

00:37:51,540 --> 00:37:54,540

it might shake the pipe and might sound like footsteps.

931

00:37:54,540 --> 00:37:57,540

I was up here as Jay was shaking the pipe and sounding like footsteps.

932

00:37:57,540 --> 00:37:58,540

Yeah.

933

00:37:58,540 --> 00:38:00,540

A couple of us did have some personal experiences as well.

934

00:38:00,540 --> 00:38:02,540

Grant and I were downstairs in the basement.

935

00:38:02,540 --> 00:38:07,540

I was looking at Grant and he's holding a camcorder so it was casting a shadow.

936

00:38:07,540 --> 00:38:09,540

He's holding his shadow on the wall.

937

00:38:09,540 --> 00:38:14,540

And for a quick second, there appear to be two shadows there.

938

00:38:14,540 --> 00:38:16,540

A shadow right next to Grant.

939

00:38:16,540 --> 00:38:23,540

But now at that same exact second that I saw that, he turned around quickly because it got extremely cold in that area.

940

00:38:23,540 --> 00:38:25,540

Down there, the air is still.

941

00:38:25,540 --> 00:38:26,540

Right.

942

00:38:26,540 --> 00:38:28,540

And it felt like a freezer door had opened.

943

00:38:28,540 --> 00:38:31,540

We were hoping to get something on video or audio to correlate with that.

944

00:38:31,540 --> 00:38:32,540

Right.

945

00:38:32,540 --> 00:38:33,540

Nothing.

946

00:38:33,540 --> 00:38:36,540

While we were down there, we heard what sounded like someone was coming down the stairs.

947

00:38:36,540 --> 00:38:38,540

I was sitting pretty close to the stairs.

948

00:38:38,540 --> 00:38:39,540

I just got up and looked.

949

00:38:39,540 --> 00:38:40,540

There was no one there.

950

00:38:40,540 --> 00:38:42,540

And that was one of your claims before.

951

00:38:42,540 --> 00:38:43,540

Right.

952

00:38:43,540 --> 00:38:49,540

Grant and I headed into the master bedroom with EMF, digital recorder, and also the thermal imaging camera.

953

00:38:49,540 --> 00:38:54,540

We had an experience as soon as we walked into the room, right when we got over towards the rocking chair,

954

00:38:54,540 --> 00:38:57,540

we picked something quickly up with a thermal that was there and then it was gone.

955

00:38:57,540 --> 00:38:58,540

You want to see it?

956

00:38:58,540 --> 00:38:59,540

Yeah.

957

00:38:59,540 --> 00:39:04,540

We want to know if this thing looks the least bit familiar, if this is what you've experienced in this house in the past.

958

00:39:04,540 --> 00:39:06,540

Now, what you're looking at is thermal imaging.

959

00:39:06,540 --> 00:39:09,540

The whiter it is, the colder it is, black is hot, okay?

960

00:39:09,540 --> 00:39:13,540

There's AC, blast pass, a TV, and we get this.

961

00:39:16,540 --> 00:39:17,540

Wow.

962

00:39:17,540 --> 00:39:19,540

That's really cool.

963

00:39:19,540 --> 00:39:23,540

Now, if you look over the top of the head, you can see where your picture is up on the wall.

964

00:39:23,540 --> 00:39:24,540

Right.

965

00:39:26,540 --> 00:39:29,540

So, now we know that in the room there's a mirror.

966

00:39:29,540 --> 00:39:30,540

Yeah.

967

00:39:30,540 --> 00:39:33,540

When we filmed ourselves in the mirror to get a sense of what that looked like,

968

00:39:33,540 --> 00:39:35,540

totally different, you could see our facial features and all that.

969

00:39:35,540 --> 00:39:36,540

Yeah.

970

00:39:36,540 --> 00:39:37,540

We know that wasn't what we were filming.

971

00:39:37,540 --> 00:39:40,540

What does the outline of that body look, the least bit familiar?

972

00:39:40,540 --> 00:39:41,540

It's pretty standard human shape.

973

00:39:41,540 --> 00:39:43,540

Yeah, but yeah.

974

00:39:43,540 --> 00:39:44,540

Okay.

975

00:39:44,540 --> 00:39:46,540

That looks like the same figure.

976

00:39:46,540 --> 00:39:50,540

I remember what I saw because it was pretty shocking.

977

00:39:50,540 --> 00:39:54,540

Later on in the night, Steve and Heather were in your bedroom.

978

00:39:54,540 --> 00:39:58,540

We caught a couple EVPs and here's one of them we'd like you to hear.

979

00:39:58,540 --> 00:40:04,540

But if everybody properly kicks the trigger locks on the gun, they could never ever go off.

980

00:40:04,540 --> 00:40:06,540

You hear each of their voices in something else.

981

00:40:06,540 --> 00:40:07,540

I loop it.

982

00:40:07,540 --> 00:40:12,540

The trigger locks on the gun, the trigger locks on the gun, the trigger locks on the gun.

983

00:40:12,540 --> 00:40:15,540

I don't know what it's saying, but yeah, it sounds like a female to me.

984

00:40:15,540 --> 00:40:17,540

So you've never heard anything like that here?

985

00:40:17,540 --> 00:40:18,540

I haven't heard anything like that.

986

00:40:18,540 --> 00:40:22,540

That's definitely more activity than I thought happened in my room.

987

00:40:22,540 --> 00:40:24,540

We had one other EVP that really stood out.

988

00:40:24,540 --> 00:40:28,540

This one, we had a camera on the high chair and a recorder on the high chair.

989

00:40:28,540 --> 00:40:31,540

This is at the point in the night where I was trying to get Jay to shake the pipes.

990

00:40:31,540 --> 00:40:35,540

So you hear me come up and say, you know, do it again as he shakes the pipes.

991

00:40:35,540 --> 00:40:36,540

Okay.

992

00:40:36,540 --> 00:40:37,540

But something else happens.

993

00:40:37,540 --> 00:40:38,540

Okay.

994

00:40:38,540 --> 00:40:39,540

Do it again.

995

00:40:39,540 --> 00:40:46,540

That's so crazy.

996

00:40:46,540 --> 00:40:49,540

Oh my God.

997

00:40:49,540 --> 00:40:54,540

That's a pretty weird one.

998

00:40:54,540 --> 00:40:55,540

Yeah.

999

00:40:55,540 --> 00:40:56,540

Wow.

1000

00:40:56,540 --> 00:41:00,540

To me, it sounds like an old guy sitting on his porch or something.

1001

00:41:00,540 --> 00:41:01,540

Just humming away.

1002

00:41:01,540 --> 00:41:02,540

Humming away.

1003

00:41:02,540 --> 00:41:03,540

Yeah.

1004

00:41:03,540 --> 00:41:07,540

I'm actually really excited that you guys got to experience some of the things that I've

1005

00:41:07,540 --> 00:41:09,540

seen and other people have heard.

1006

00:41:09,540 --> 00:41:11,540

So do you guys think the place is haunted?

1007

00:41:11,540 --> 00:41:15,540

I definitely believe there's paranormal activity here to what extent I'm not sure yet.

1008

00:41:15,540 --> 00:41:17,540

You obviously aren't too fearful of it.

1009

00:41:17,540 --> 00:41:20,540

You seem pretty courageous and just want to understand it.

1010

00:41:20,540 --> 00:41:24,540

Your daughter on the other hand can never truly express her feelings about it.

1011

00:41:24,540 --> 00:41:26,540

We don't know exactly what she's going through.

1012

00:41:26,540 --> 00:41:29,540

Our advice is always to be honest with your daughter.

1013

00:41:29,540 --> 00:41:31,540

We don't know exactly what she's going through.

1014

00:41:31,540 --> 00:41:35,540

Our advice is always when there's a child involved to comfort them.

1015

00:41:35,540 --> 00:41:37,540

Don't encourage them one way or the other.

1016

00:41:37,540 --> 00:41:39,540

Don't say all that stuff doesn't exist.

1017

00:41:39,540 --> 00:41:40,540

Right.

1018

00:41:40,540 --> 00:41:41,540

Because now she's gotten to where to turn.

1019

00:41:41,540 --> 00:41:45,540

But you also don't want to feed, you know, hey, you know, some guy blew his head off

1020

00:41:45,540 --> 00:41:46,540

and you're, you know.

1021

00:41:46,540 --> 00:41:47,540

Yeah, I know.

1022

00:41:47,540 --> 00:41:48,540

And always remember it's your place.

1023

00:41:48,540 --> 00:41:49,540

It's your house.

1024

00:41:49,540 --> 00:41:50,540

You're the one that's supposed to be here.

1025

00:41:50,540 --> 00:41:51,540

Right.

1026

00:41:51,540 --> 00:41:53,540

I think that we need to keep on going with the investigation.

1027

00:41:53,540 --> 00:41:54,540

Yeah.

1028

00:41:54,540 --> 00:41:55,540

I would love to have you guys come back.

1029

00:41:55,540 --> 00:41:57,540

Well, we appreciate you having us down.

1030

00:41:57,540 --> 00:41:58,540

Thank you very much for coming.

1031

00:41:58,540 --> 00:41:59,540

Thank you.

1032

00:41:59,540 --> 00:42:00,540

And give us a call when you need us.

1033

00:42:00,540 --> 00:42:01,540

Okay.

1034

00:42:01,540 --> 00:42:02,540

Definitely.

1035

00:42:02,540 --> 00:42:03,540

Thanks.

1036

00:42:03,540 --> 00:42:04,540

Let's get out of here.

1037

00:42:04,540 --> 00:42:07,540

I can't believe Taps actually caught an image of a man in my bedroom.

1038

00:42:07,540 --> 00:42:10,540

That just helps solidify what I've been seeing.

1039

00:42:10,540 --> 00:42:15,540

I don't ever want to label a place haunted unless I have undisputable proof that there

1040

00:42:15,540 --> 00:42:16,540

is something there.

1041

00:42:16,540 --> 00:42:21,540

Yeah, I'm okay with saying there might be paranormal activity, which just means it's

1042

00:42:21,540 --> 00:42:23,540

above the normal of what we used to.

1043

00:42:23,540 --> 00:42:26,540

But I don't ever want to say haunted unless I'm sure.

1044

00:42:26,540 --> 00:42:30,540

Yeah, I'm just glad that she's the type of parent that can handle it.

1045

00:42:30,540 --> 00:42:35,540

And she's just satisfied with the fact that we experienced it too and that she can get

1046

00:42:35,540 --> 00:42:36,540

in touch with it.

1047

00:42:36,540 --> 00:42:39,540

Well, it helps solidify and helps her realize that she's not crazy.

1048

00:42:39,540 --> 00:42:40,540

Yeah.

1049

00:42:40,540 --> 00:42:41,540

I think that's the biggest thing.

1050

00:42:41,540 --> 00:42:42,540

Good job, Nick.

1051

00:42:42,540 --> 00:42:43,540

Good case.

1052

00:42:43,540 --> 00:42:44,540

Let's get home.

1053

00:42:44,540 --> 00:42:45,540

Yeah.

1054

00:42:45,540 --> 00:42:52,540

On the next episode of Ghost Hunters, Jason, Grant and the rest of the team answer your

1055

00:42:52,540 --> 00:42:53,540

questions for the first time.

1056

00:42:53,540 --> 00:42:54,540

Do you fight?

1057

00:42:54,540 --> 00:42:55,540

Knock them out a couple times.

1058

00:42:55,540 --> 00:42:56,540

The terror.

1059

00:42:56,540 --> 00:42:57,540

Do it, Grant.

1060

00:42:57,540 --> 00:42:58,540

The controversy.

1061

00:42:58,540 --> 00:43:00,540

Even the practical jokes.

1062

00:43:00,540 --> 00:43:04,540

Everything's on the table for this one of a kind discussion.

1063

00:43:25,540 --> 00:43:32,540

.
