00:00:09,850 --> 00:00:34,420

[Music]

2
00:00:42,880 --> 00:00:37,760

hello everybody this is Hiro paranormal

3
00:00:45,979 --> 00:00:42,890

and glad to have a very important and

4
00:00:46,490 --> 00:00:45,989

interesting guest I respect him very

5
00:00:49,639 --> 00:00:46,500

much

6
00:00:51,380 --> 00:00:49,649

it is Bruce Cornett dr. Bruce Cornett on

7
00:00:53,990 --> 00:00:51,390

the line I think we still have him here

8
00:00:56,750 --> 00:00:54,000

are you there Bruce yes

9
00:00:58,819 --> 00:00:56,760

oh that's wonderful I'm so happy to be

10
00:01:01,849 --> 00:00:58,829

able to have you on the podcast because

11
00:01:04,939 --> 00:01:01,859

I think you just bring such a amazing

12
00:01:09,230 --> 00:01:04,949

wealth of information to this genre if

13
00:01:12,550 --> 00:01:09,240

you if you want to call it that and I

14

00:01:15,380 --> 00:01:12,560

kind of wanted to see where this leads

15

00:01:17,600 --> 00:01:15,390

we we know that there's a lot going on

16

00:01:21,789 --> 00:01:17,610

with the to the stars Academy with a lot

17

00:01:24,800 --> 00:01:21,799

of UFOs in the news media you have a

18

00:01:26,870 --> 00:01:24,810

rigorous and impressive background in

19

00:01:29,270 --> 00:01:26,880

the subject matter and I just wanted to

20

00:01:33,980 --> 00:01:29,280

ask your opinion of what you think of

21

00:01:36,590 --> 00:01:33,990

all this it's kind of a circus yes to a

22

00:01:39,499 --> 00:01:36,600

certain degree it is and there have been

23

00:01:44,510 --> 00:01:39,509

a lot of questions as to what the

24

00:01:48,380 --> 00:01:44,520

objective or of these disclosures are

25

00:01:53,210 --> 00:01:48,390

and whether or not we can really trust

26

00:01:57,249 --> 00:01:53,220

them the one of the things that I am

27

00:01:59,929 --> 00:01:57,259

aware of is that you're dealing with the

28

00:02:02,240 --> 00:01:59,939

intelligence community in much of this

29

00:02:05,780 --> 00:02:02,250

and this has been pointed out by a

30

00:02:10,630 --> 00:02:05,790

number of different people Don Greenwald

31

00:02:12,410 --> 00:02:10,640

and others have commented on this

32

00:02:15,710 --> 00:02:12,420

problem of

33

00:02:18,790 --> 00:02:15,720

just how much if true information and

34

00:02:22,850 --> 00:02:18,800

how much disinformation is in these

35

00:02:24,590 --> 00:02:22,860

disclosures this is a big question but

36

00:02:28,840 --> 00:02:24,600

one of the things that seems to be quite

37

00:02:32,240 --> 00:02:28,850

certain is that they're trying to now to

38

00:02:35,120 --> 00:02:32,250

get the public its interest in the

39

00:02:38,600 --> 00:02:35,130

phenomena in order to raise the level of

40

00:02:42,320 --> 00:02:38,610

not just awareness but support for

41

00:02:44,479 --> 00:02:42,330

additional funding for such research by

42

00:02:47,449 --> 00:02:44,489

the government and by agencies like to

43

00:02:51,979 --> 00:02:47,459

the Stars Academy so there is a certain

44

00:02:56,449 --> 00:02:51,989

amount of of interest in the financing

45

00:03:00,920 --> 00:02:56,459

of all of this that goes on and which is

46

00:03:04,130 --> 00:03:00,930

always a big problem with you know this

47

00:03:06,830 --> 00:03:04,140

type of research and there is still a

48

00:03:09,650 --> 00:03:06,840

lot of people out there that are unaware

49

00:03:13,160 --> 00:03:09,660

of the phenomenon or who do not believe

50

00:03:15,710 --> 00:03:13,170

that we are being visited or have been

51
00:03:18,590 --> 00:03:15,720
and visited although if you think about

52
00:03:21,319 --> 00:03:18,600
it the various History Channel and

53
00:03:24,470 --> 00:03:21,329
Travel Channel documentaries on of the

54
00:03:26,060 --> 00:03:24,480
subject it's quite spectacular it's

55
00:03:28,340 --> 00:03:26,070
never nothing like this has ever

56
00:03:31,430 --> 00:03:28,350
happened before occasionally from time

57
00:03:36,350 --> 00:03:31,440
to time during the 80s and 90s we had

58
00:03:39,590 --> 00:03:36,360
events documentaries on the subject I

59
00:03:41,630 --> 00:03:39,600
think the one that got me started was

60
00:03:44,860 --> 00:03:41,640
the miniseries on television called

61
00:03:49,729 --> 00:03:44,870
intruders based on Budd Hopkins work and

62
00:03:55,180 --> 00:03:49,739
was supported by dr. John Mack and I at

63
00:03:59,259 --> 00:03:55,190

the time had not been aware that such

64

00:04:04,130 --> 00:03:59,269

interest in abductions was taking place

65

00:04:06,979 --> 00:04:04,140

as a somebody who worked in academia and

66

00:04:09,340 --> 00:04:06,989

was a a professional scientist we never

67

00:04:12,199 --> 00:04:09,350

talked about this type of material and

68

00:04:14,599 --> 00:04:12,209

it's that's going to be the the biggest

69

00:04:17,650 --> 00:04:14,609

challenge for the government is to get

70

00:04:22,460 --> 00:04:17,660

the scientific community to accept

71

00:04:25,770 --> 00:04:22,470

research funded research in the subject

72

00:04:30,600 --> 00:04:25,780

very well put I couldn't agree more

73

00:04:33,960 --> 00:04:30,610

I think this this is really it's come to

74

00:04:37,710 --> 00:04:33,970

a head it seems like a lot of it almost

75

00:04:39,420 --> 00:04:37,720

seems like it could redefine a lot of

76

00:04:43,050 --> 00:04:39,430

things religion among other things

77

00:04:45,360 --> 00:04:43,060

depending on people's views and it also

78

00:04:47,370 --> 00:04:45,370

I think you know religion was on one

79

00:04:48,689 --> 00:04:47,380

course and this is just my opinion and

80

00:04:51,450 --> 00:04:48,699

then there was a fork in the road and

81

00:04:54,230 --> 00:04:51,460

science went on another course and it

82

00:04:58,020 --> 00:04:54,240

almost seems that through quantum theory

83

00:05:00,089 --> 00:04:58,030

this parts of science or at least those

84

00:05:03,240 --> 00:05:00,099

areas dealing with quantum mechanics and

85

00:05:07,080 --> 00:05:03,250

such are starting to kind of make that

86

00:05:09,930 --> 00:05:07,090

turn over to I don't want to say towards

87

00:05:14,219 --> 00:05:09,940

religion but some of the more esoteric

88

00:05:18,210 --> 00:05:14,229

or older views that were written in in

89

00:05:20,580 --> 00:05:18,220

in past times is is that do you think

90

00:05:22,760 --> 00:05:20,590

that's just perception on my behalf or

91

00:05:28,800 --> 00:05:22,770

is there any legitimacy to that

92

00:05:32,399 --> 00:05:28,810

no no not perception at all back in 1991

93

00:05:33,749 --> 00:05:32,409

I was exposed to something that was

94

00:05:38,300 --> 00:05:33,759

quite extraordinary

95

00:05:41,969 --> 00:05:38,310

my late wife she died and over her grave

96

00:05:45,330 --> 00:05:41,979

on video camera she appeared in spirit

97

00:05:48,029 --> 00:05:45,340

and then was beamed up in a beam of

98

00:05:52,249 --> 00:05:48,039

golden light into a second Sun at 8:30

99

00:05:55,890 --> 00:05:52,259

in the morning and that later I when

100

00:05:59,430 --> 00:05:55,900

computer graph processing came I could

101
00:06:02,459 --> 00:05:59,440
capture images from the video and I was

102
00:06:05,310 --> 00:06:02,469
able to reveal a huge circular dome

103
00:06:09,450 --> 00:06:05,320
shaped white mothership embedded in that

104
00:06:12,379 --> 00:06:09,460
cloud and at the time I did not realize

105
00:06:15,749 --> 00:06:12,389
that I had been abducted back in 1981

106
00:06:20,760 --> 00:06:15,759
wasn't until the 1992 that my awakening

107
00:06:24,689 --> 00:06:20,770
game and so what this did for me was to

108
00:06:31,200 --> 00:06:24,699
connect our spiritual existence with ETS

109
00:06:33,510 --> 00:06:31,210
and that was profound for me and then I

110
00:06:35,700 --> 00:06:33,520
was led to one contact after another

111
00:06:38,100 --> 00:06:35,710
after another with other

112
00:06:41,129 --> 00:06:38,110
individuals who were literally they

113
00:06:43,529 --> 00:06:41,139

claimed that they were working with this

114

00:06:48,659 --> 00:06:43,539

group that I was working with who are

115

00:06:51,870 --> 00:06:48,669

abducting me and they basically one of

116

00:06:55,290 --> 00:06:51,880

them gave me a book called Genesis by

117

00:06:57,390 --> 00:06:55,300

David Wood published in 1986 and when I

118

00:06:59,879 --> 00:06:57,400

read that I was blown away I had never

119

00:07:03,029 --> 00:06:59,889

been exposed to the esoteric subject in

120

00:07:04,920 --> 00:07:03,039

all of the different symbols that come

121

00:07:08,010 --> 00:07:04,930

out of ancient Egypt and Sumeria and

122

00:07:12,210 --> 00:07:08,020

Babylonia and it was profound

123

00:07:15,089 --> 00:07:12,220

I you know had no clue and I developed a

124

00:07:20,219 --> 00:07:15,099

web page called the original sin in

125

00:07:22,230 --> 00:07:20,229

which I revealed my concepts of what I

126
00:07:24,860 --> 00:07:22,240
learned from reading that book and other

127
00:07:30,719 --> 00:07:24,870
articles on the same subject

128
00:07:33,469 --> 00:07:30,729
so that yes in reply to your question

129
00:07:36,510 --> 00:07:33,479
that is how much does the esoteric and

130
00:07:39,480 --> 00:07:36,520
relate to all of this I would say that's

131
00:07:42,510 --> 00:07:39,490
just in one of the languages that has

132
00:07:45,540 --> 00:07:42,520
been used for those who do not want

133
00:07:47,600 --> 00:07:45,550
authorities such especially the church

134
00:07:53,219 --> 00:07:47,610
to know what they're saying and what

135
00:07:56,370 --> 00:07:53,229
they're talking about and the there's a

136
00:07:59,029 --> 00:07:56,380
lot of connection between all of the

137
00:08:03,270 --> 00:07:59,039
religions that derived from Abraham and

138
00:08:06,390 --> 00:08:03,280

this invisible world that we are now

139

00:08:10,790 --> 00:08:06,400

being exposed to and with the question

140

00:08:15,779 --> 00:08:10,800

as who are the gods of our ancestors are

141

00:08:18,540 --> 00:08:15,789

they truly spiritual entities of divine

142

00:08:22,499 --> 00:08:18,550

entities or is it possible they could

143

00:08:25,469 --> 00:08:22,509

just simply be extraterrestrial groups

144

00:08:30,810 --> 00:08:25,479

that are interacting with humans on

145

00:08:33,750 --> 00:08:30,820

earth yes and and that I think you're a

146

00:08:37,949 --> 00:08:33,760

lot of it comes down to semantics a lot

147

00:08:40,889 --> 00:08:37,959

of individuals have have you know what

148

00:08:44,040 --> 00:08:40,899

used to be related to and spoken of as

149

00:08:49,030 --> 00:08:44,050

celestial beings in the air are now seen

150

00:08:52,019 --> 00:08:49,040

as you know UFOs or aerial threats more

151

00:08:56,920 --> 00:08:52,029

and bolts when in reality we have

152

00:09:02,019 --> 00:08:56,930

possibly something more than that yes

153

00:09:04,420 --> 00:09:02,029

much more the free organization started

154

00:09:08,860 --> 00:09:04,430

by Mitchell Edgar Mitchell and now

155

00:09:10,900 --> 00:09:08,870

headed by Ray Hernandez who was with his

156

00:09:15,819 --> 00:09:10,910

team put together this questionnaire

157

00:09:17,860 --> 00:09:15,829

this book 800 pages of questionnaires

158

00:09:21,129 --> 00:09:17,870

that were they analyzed them and

159

00:09:23,410 --> 00:09:21,139

basically said that the nuts and bolts

160

00:09:26,290 --> 00:09:23,420

aspect of this phenomena is very small

161

00:09:29,860 --> 00:09:26,300

so no more maybe than 15 to 20 percent

162

00:09:31,990 --> 00:09:29,870

where the rest of it is not nuts and

163

00:09:35,559 --> 00:09:32,000

bolts as we know it and therein lies the

164

00:09:40,920 --> 00:09:35,569

big gap between science and what is

165

00:09:44,199 --> 00:09:40,930

going on that the science has to come to

166

00:09:47,379 --> 00:09:44,209

accept the idea that there are things in

167

00:09:49,749 --> 00:09:47,389

our reality parts of our reality that

168

00:09:53,259 --> 00:09:49,759

are invisible and can only be detected

169

00:09:58,600 --> 00:09:53,269

through technology and instrumentation I

170

00:10:01,059 --> 00:09:58,610

mean without radio waves and we would

171

00:10:04,420 --> 00:10:01,069

not have our communication we would not

172

00:10:08,769 --> 00:10:04,430

be talking on cell phones and and an

173

00:10:11,829 --> 00:10:08,779

Internet communication through but not

174

00:10:15,250 --> 00:10:11,839

only through fiber optics but also

175

00:10:20,259 --> 00:10:15,260

through the air this is all technology

176

00:10:22,059 --> 00:10:20,269

that we've only really mastered in the

177

00:10:25,449 --> 00:10:22,069

last hundred years

178

00:10:27,970 --> 00:10:25,459

so what what is really out there we

179

00:10:30,309 --> 00:10:27,980

don't know and science wants to stick to

180

00:10:32,530 --> 00:10:30,319

the nuts and bolts it wants physical

181

00:10:34,600 --> 00:10:32,540

evidence that it can capture and put

182

00:10:38,620 --> 00:10:34,610

under a microscope or analyzed in a lab

183

00:10:42,939 --> 00:10:38,630

and many of these phenomena that include

184

00:10:46,170 --> 00:10:42,949

ghosts and and orbs and intimate

185

00:10:50,920 --> 00:10:46,180

dimensional portals and and dimensions

186

00:10:53,920 --> 00:10:50,930

we don't yet have the ability to resolve

187

00:10:56,110 --> 00:10:53,930

them in such a way that scientists can

188

00:10:59,199 --> 00:10:56,120

work with them but I think that's in

189

00:11:01,720 --> 00:10:59,209

part just a an illusion a delusion on

190

00:11:02,650 --> 00:11:01,730

the Prados I insist and and the

191

00:11:05,410 --> 00:11:02,660

government which is

192

00:11:10,360 --> 00:11:05,420

not wanted them to investigate these

193

00:11:13,090 --> 00:11:10,370

phenomena that's part of the problem yes

194

00:11:15,550 --> 00:11:13,100

and I if it's okay I'd like to go back

195

00:11:18,430 --> 00:11:15,560

to a comment you said about this book

196

00:11:21,850 --> 00:11:18,440

that you mentioned I believe you said it

197

00:11:24,040 --> 00:11:21,860

was Genesis is it now would that be

198

00:11:27,999 --> 00:11:24,050

referring to that that generation of

199

00:11:32,679 --> 00:11:28,009

Isis or is that yes okay it means the

200

00:11:35,559 --> 00:11:32,689

genes of Isis and a signal book with by

201
00:11:38,590 --> 00:11:35,569
would and Campbell this would be in

202
00:11:41,499 --> 00:11:38,600
about I would say nine years later is

203
00:11:45,160 --> 00:11:41,509
called Jenna set and the genes of set

204
00:11:48,790 --> 00:11:45,170
and they get very much into the

205
00:11:57,579 --> 00:11:48,800
mythologies of ancient Egypt and of Isis

206
00:12:00,189 --> 00:11:57,589
set Nexus and Osiris all of that but

207
00:12:03,840 --> 00:12:00,199
those are the the subjects that are

208
00:12:06,850 --> 00:12:03,850
common to many secret societies

209
00:12:09,129 --> 00:12:06,860
everywhere from the Masons to the

210
00:12:12,730 --> 00:12:09,139
Rosicrucians to the Knights Templar they

211
00:12:14,470 --> 00:12:12,740
all study those ancient myths and they

212
00:12:17,139 --> 00:12:14,480
have their own interpretations of them

213
00:12:21,569 --> 00:12:17,149

and would and Campbell came out in their

214

00:12:24,939 --> 00:12:21,579

books with some unique and in very

215

00:12:27,819 --> 00:12:24,949

astounding interpretations that just

216

00:12:30,040 --> 00:12:27,829

blew me away and I began to realizing

217

00:12:32,050 --> 00:12:30,050

that they you know when you're including

218

00:12:36,280 --> 00:12:32,060

the area of Ren Loire chateaux

219

00:12:40,389 --> 00:12:36,290

in southern France a lot of amazing

220

00:12:43,569 --> 00:12:40,399

stuff is tied to that there's been a

221

00:12:46,139 --> 00:12:43,579

number of programs on the Travel Channel

222

00:12:49,150 --> 00:12:46,149

History Channel on the rennes-le-chateau

223

00:12:52,540 --> 00:12:49,160

mystery and how it relates to all of

224

00:12:57,749 --> 00:12:52,550

this because it connects to the idea

225

00:13:01,530 --> 00:12:57,759

that Jesus after he was resurrected

226

00:13:05,949 --> 00:13:01,540

stayed on earth came back to earth and

227

00:13:07,900 --> 00:13:05,959

with Mary Magdalene they went off and

228

00:13:11,019 --> 00:13:07,910

and lived in an area near Rennes le

229

00:13:14,499 --> 00:13:11,029

Chateau and they had a whole family and

230

00:13:15,960 --> 00:13:14,509

that there was that there are bloodlines

231

00:13:19,920 --> 00:13:15,970

from

232

00:13:24,240 --> 00:13:19,930

Jesus that are still exists today this

233

00:13:27,840 --> 00:13:24,250

was the main underlying purpose for all

234

00:13:31,860 --> 00:13:27,850

of this these books is to trace the

235

00:13:33,629 --> 00:13:31,870

lineage of Jesus yeah I mean the

236

00:13:36,559 --> 00:13:33,639

mainstream has caught on a little bit

237

00:13:40,829 --> 00:13:36,569

with these down but the Dan Brown work

238

00:13:43,040 --> 00:13:40,839

and I think you know people are a little

239

00:13:45,840 --> 00:13:43,050

bit aware of some of these things

240

00:13:47,040 --> 00:13:45,850

however the mainstream has really looked

241

00:13:51,210 --> 00:13:47,050

at it more from an entertainment

242

00:13:52,920 --> 00:13:51,220

perspective than a actual esoteric

243

00:13:54,749 --> 00:13:52,930

perspective or or that the way the

244

00:14:03,650 --> 00:13:54,759

teachings were really meant to be

245

00:14:06,900 --> 00:14:03,660

offered if if you were to make any

246

00:14:08,369 --> 00:14:06,910

correlations or comparisons let's say if

247

00:14:11,879 --> 00:14:08,379

there was some cross-pollination between

248

00:14:16,499 --> 00:14:11,889

our current situation with the to the

249

00:14:18,300 --> 00:14:16,509

Stars Academy and the possible I really

250

00:14:20,100 --> 00:14:18,310

liked what you said about the funding I

251

00:14:23,670 --> 00:14:20,110

do really think this has to do with

252

00:14:26,249 --> 00:14:23,680

money in many respects and the funding

253

00:14:32,150 --> 00:14:26,259

that may be needed for things like space

254

00:14:35,790 --> 00:14:32,160

force is there a connection there oh

255

00:14:38,790 --> 00:14:35,800

well some societies yeah I mean there's

256

00:14:41,600 --> 00:14:38,800

been some word with Tom DeLonge has

257

00:14:46,559 --> 00:14:41,610

spoken some about speaking with these

258

00:14:48,960 --> 00:14:46,569

high-level government people who he will

259

00:14:51,210 --> 00:14:48,970

not mention but many believe they know

260

00:14:54,090 --> 00:14:51,220

who they are and they have mentioned to

261

00:14:57,059 --> 00:14:54,100

Tom with whether he's being used by them

262

00:14:59,699 --> 00:14:57,069

or not that there are some things from

263

00:15:02,670 --> 00:14:59,709

the esoteric that were involved for

264

00:15:05,790 --> 00:15:02,680

example the Atlantean quote-unquote myth

265

00:15:10,350 --> 00:15:05,800

is not as mythical as many believe and

266

00:15:13,860 --> 00:15:10,360

other things do you think this could be

267

00:15:15,869 --> 00:15:13,870

related in any way to the possible

268

00:15:18,720 --> 00:15:15,879

funding of space force although we have

269

00:15:20,610 --> 00:15:18,730

kind of a bipartisan you know I from

270

00:15:22,139 --> 00:15:20,620

what I understand you know some is some

271

00:15:24,210 --> 00:15:22,149

are leaning more to the left some are

272

00:15:25,740 --> 00:15:24,220

more to the right but in reality with

273

00:15:27,360 --> 00:15:25,750

this subject matter I think it's

274

00:15:29,880 --> 00:15:27,370

important to just erase those lines

275

00:15:33,930 --> 00:15:29,890

because so much is being lost in the

276

00:15:36,920 --> 00:15:33,940

in the back-and-forth right in the

277

00:15:40,350 --> 00:15:36,930

identification of who's involved and why

278

00:15:42,300 --> 00:15:40,360

but one thing that does stand out is and

279

00:15:45,180 --> 00:15:42,310

I'm pretty sure you are familiar with

280

00:15:48,480 --> 00:15:45,190

this is that many people in government

281

00:15:51,660 --> 00:15:48,490

who work in to enforce the laws of our

282

00:15:54,390 --> 00:15:51,670

country belong to the secret societies

283

00:15:57,140 --> 00:15:54,400

the Masons in particular but also the

284

00:16:00,660 --> 00:15:57,150

Knights Templar and this is always

285

00:16:04,040 --> 00:16:00,670

fascinated me and that the these

286

00:16:06,810 --> 00:16:04,050

organizations for the most part the the

287

00:16:09,540 --> 00:16:06,820

secret information the important

288

00:16:13,860 --> 00:16:09,550

information that is talked about in

289

00:16:16,470 --> 00:16:13,870

Genesis and Genesis those books most of

290

00:16:18,900 --> 00:16:16,480

the members of these societies are

291

00:16:22,620 --> 00:16:18,910

unfamiliar with them you only get to

292

00:16:25,110 --> 00:16:22,630

know this these truths if you will when

293

00:16:30,810 --> 00:16:25,120

you get up into the high rank the 32nd

294

00:16:33,780 --> 00:16:30,820

33rd degrees of these societies and so

295

00:16:37,830 --> 00:16:33,790

the information is kept very close to

296

00:16:39,510 --> 00:16:37,840

their chest and not revealed and but

297

00:16:41,850 --> 00:16:39,520

then again you have the other side of it

298

00:16:45,960 --> 00:16:41,860

is that if you want to belong to these

299

00:16:48,660 --> 00:16:45,970

societies you have to literally swear on

300

00:16:51,360 --> 00:16:48,670

oath that you will always keep their

301

00:16:54,450 --> 00:16:51,370

information secret there you will not

302

00:16:57,960 --> 00:16:54,460

reveal any of it to any outsiders and if

303

00:17:00,180 --> 00:16:57,970

ever asked you will say I don't know no

304

00:17:02,520 --> 00:17:00,190

that never happened that's not correct

305

00:17:05,490 --> 00:17:02,530

in other words you will mislead people

306

00:17:09,000 --> 00:17:05,500

into thinking that you really don't have

307

00:17:10,829 --> 00:17:09,010

access to this information and that's

308

00:17:14,689 --> 00:17:10,839

one of the things I studied and it was

309

00:17:17,820 --> 00:17:14,699

rather fascinated by what the overall

310

00:17:21,750 --> 00:17:17,830

implications are is that who's really in

311

00:17:23,670 --> 00:17:21,760

control Brian who's a you know we all

312

00:17:27,600 --> 00:17:23,680

think about humans as being in control

313

00:17:31,380 --> 00:17:27,610

but I wonder if there's something even

314

00:17:33,060 --> 00:17:31,390

more than that of course those who in

315

00:17:36,160 --> 00:17:33,070

religion will say oh yes will you have

316

00:17:41,380 --> 00:17:36,170

God in all of his angels

317

00:17:47,770 --> 00:17:41,390

but that that can be debated as to who

318

00:17:51,880 --> 00:17:47,780

is god yes and and I really like the the

319

00:17:54,970 --> 00:17:51,890

information is power aspect of this as

320

00:17:57,310 --> 00:17:54,980

you said if this information is so

321

00:18:00,580 --> 00:17:57,320

highly regarded that it is secretive and

322

00:18:04,270 --> 00:18:00,590

that it isn't being shared then this

323

00:18:06,430 --> 00:18:04,280

information really is power and if it's

324

00:18:08,860 --> 00:18:06,440

being used by the classes that are

325

00:18:11,160 --> 00:18:08,870

governing the majority of the population

326

00:18:14,880 --> 00:18:11,170

I think that's evidence in itself

327

00:18:19,120 --> 00:18:14,890

however on a slightly different topic

328

00:18:22,210 --> 00:18:19,130

the capstone the missing capstone really

329

00:18:25,570 --> 00:18:22,220

to the pyramids that we often see is

330

00:18:28,840 --> 00:18:25,580

this something that could be an example

331

00:18:33,390 --> 00:18:28,850

of that otherworldly power

332

00:18:36,130 --> 00:18:33,400

I believe we're alluding to possible

333

00:18:42,880 --> 00:18:36,140

extraterrestrial celestial or otherwise

334

00:18:47,910 --> 00:18:42,890

unseen governance that is being well for

335

00:18:51,520 --> 00:18:47,920

lack of a better word in charge right

336

00:18:55,690 --> 00:18:51,530

yeah yeah absolutely the capstone by

337

00:19:01,210 --> 00:18:55,700

missing implies that that that authority

338

00:19:03,160 --> 00:19:01,220

is invisible to us it is secret and only

339

00:19:08,260 --> 00:19:03,170

those who are in direct communication

340

00:19:12,610 --> 00:19:08,270

with that those entities know of its

341

00:19:17,080 --> 00:19:12,620

existence existence so we have that a

342

00:19:20,200 --> 00:19:17,090

potential problem of in disclosure could

343

00:19:24,220 --> 00:19:20,210

disclosure of the stuff that we can see

344

00:19:28,270 --> 00:19:24,230

the nuts and bolts that we can videotape

345

00:19:31,510 --> 00:19:28,280

in photograph will that lead people then

346

00:19:36,100 --> 00:19:31,520

to want to know okay well who's running

347

00:19:38,710 --> 00:19:36,110

the show and and could expose more of

348

00:19:40,690 --> 00:19:38,720

who's really behind all of this but I

349

00:19:43,090 --> 00:19:40,700

think personally ancient aliens has

350

00:19:47,110 --> 00:19:43,100

brought a lot of this out and shown us

351
00:19:49,030 --> 00:19:47,120
through reinterpreting archaeological

352
00:19:55,030 --> 00:19:49,040
evidence that there

353
00:19:58,120 --> 00:19:55,040
is that the God so to speak did walk

354
00:20:01,710 --> 00:19:58,130
among us in ancient societies and they

355
00:20:06,190 --> 00:20:01,720
did help us teach us how to build

356
00:20:10,710 --> 00:20:06,200
pyramids and other architectural marvels

357
00:20:14,740 --> 00:20:10,720
and that that is important to know that

358
00:20:19,600 --> 00:20:14,750
we are now in a period where we could go

359
00:20:22,750 --> 00:20:19,610
back to a time when they are walking

360
00:20:27,220 --> 00:20:22,760
among us again and I have to ask the

361
00:20:29,800 --> 00:20:27,230
question or why do we have to think that

362
00:20:32,770 --> 00:20:29,810
they haven't come back in my own

363
00:20:35,320 --> 00:20:32,780

personal research and understanding and

364

00:20:37,270 --> 00:20:35,330

from what I've learned they've never

365

00:20:40,440 --> 00:20:37,280

left if all the state here has always

366

00:20:44,700 --> 00:20:40,450

been here and they've just stayed out of

367

00:20:47,650 --> 00:20:44,710

our view and in the shadows so to speak

368

00:20:53,910 --> 00:20:47,660

in their underground base's undersea

369

00:20:58,570 --> 00:20:53,920

bases and orbital ships they have stayed

370

00:21:03,130 --> 00:20:58,580

invisible to most of us and revealing

371

00:21:05,920 --> 00:21:03,140

that when it comes out is going to shake

372

00:21:09,700 --> 00:21:05,930

up a lot of people because even though

373

00:21:13,180 --> 00:21:09,710

we see a great interest now in the

374

00:21:16,960 --> 00:21:13,190

subject of UFOs and or UAP as i like to

375

00:21:20,110 --> 00:21:16,970

call them the problem is that this only

376

00:21:22,030 --> 00:21:20,120

is what people can see you know who are

377

00:21:27,340 --> 00:21:22,040

those who are standing up and saying

378

00:21:30,430 --> 00:21:27,350

count me in otherwise a large majority

379

00:21:33,220 --> 00:21:30,440

of people still are unaware that this is

380

00:21:36,070 --> 00:21:33,230

all taking place they when they see in

381

00:21:39,730 --> 00:21:36,080

our news item about of the government

382

00:21:43,960 --> 00:21:39,740

about the Navy and and naval pirate

383

00:21:46,360 --> 00:21:43,970

pilots talking about UFOs they they just

384

00:21:49,030 --> 00:21:46,370

close their ears and turn to another

385

00:21:51,090 --> 00:21:49,040

channel they don't want to deal with

386

00:21:56,230 --> 00:21:51,100

that subject they think it's ridiculous

387

00:21:59,980 --> 00:21:56,240

it is not happening and it's so where do

388

00:22:02,090 --> 00:21:59,990

you go when and when you have to educate

389

00:22:05,799 --> 00:22:02,100

the majority of people

390

00:22:10,480 --> 00:22:05,809

enough people if the government wants

391

00:22:14,049 --> 00:22:10,490

public support for more funding

392

00:22:16,490 --> 00:22:14,059

absolutely and it reminds me so much of

393

00:22:19,909 --> 00:22:16,500

some of the comments you said remind me

394

00:22:22,850 --> 00:22:19,919

so much of the interview with Bob

395

00:22:24,500 --> 00:22:22,860

Bigelow the famous interview with Bob

396

00:22:28,760 --> 00:22:24,510

Bigelow for those who are not familiar

397

00:22:31,549 --> 00:22:28,770

with mr. Bigelow he is probably the

398

00:22:34,610 --> 00:22:31,559

person at least in our generation that

399

00:22:36,770 --> 00:22:34,620

has done the most to study this out of

400

00:22:40,850 --> 00:22:36,780

his own pocket and I believe his words

401
00:22:42,740 --> 00:22:40,860
were along the lines of yes they are

402
00:22:46,250 --> 00:22:42,750
here and they're right under our nose

403
00:22:50,029 --> 00:22:46,260
and and people laughed at him and and I

404
00:22:54,399 --> 00:22:50,039
it it I was offended that you know some

405
00:22:59,210 --> 00:22:54,409
of the public found that amusing but

406
00:23:01,520 --> 00:22:59,220
right and you know getting getting back

407
00:23:03,970 --> 00:23:01,530
to this this funding is there a

408
00:23:07,430 --> 00:23:03,980
possibility in your opinion that these

409
00:23:09,260 --> 00:23:07,440
let's call them disclosure movements and

410
00:23:12,380 --> 00:23:09,270
there's many we don't have to use their

411
00:23:16,549 --> 00:23:12,390
names there are very different movements

412
00:23:18,500 --> 00:23:16,559
that have different theories and they

413
00:23:21,289 --> 00:23:18,510

all seem to have government connections

414

00:23:23,029 --> 00:23:21,299

is is there a possibility that this is

415

00:23:25,299 --> 00:23:23,039

in some way shape or form similar to

416

00:23:29,180 --> 00:23:25,309

like what we've seen in the 50s with

417

00:23:34,789 --> 00:23:29,190

control of the narrative oh yes

418

00:23:36,860 --> 00:23:34,799

absolutely the government if it's if

419

00:23:39,890 --> 00:23:36,870

can't remain in control is not

420

00:23:43,730 --> 00:23:39,900

government correct correct it has to

421

00:23:46,430 --> 00:23:43,740

have control of not just a narrative but

422

00:23:50,720 --> 00:23:46,440

of the people and of the I mean we're

423

00:23:51,909 --> 00:23:50,730

coming to a time when you're having a

424

00:23:56,140 --> 00:23:51,919

rift between

425

00:24:01,880 --> 00:23:56,150

science the science of archaeology and

426

00:24:07,990 --> 00:24:01,890

also the the facts that are being

427

00:24:11,600 --> 00:24:08,000

investigated again now by new

428

00:24:14,930 --> 00:24:11,610

investigators the so-called ancient

429

00:24:15,720 --> 00:24:14,940

ancient astronaut theorists who are

430

00:24:17,940 --> 00:24:15,730

looking at

431

00:24:20,400 --> 00:24:17,950

things in a different light are coming

432

00:24:23,670 --> 00:24:20,410

up with radically new interpretations

433

00:24:26,100 --> 00:24:23,680

that go very much against what is in the

434

00:24:29,610 --> 00:24:26,110

textbooks that you'll learn if you go to

435

00:24:32,100 --> 00:24:29,620

college and and major in archaeology and

436

00:24:36,780 --> 00:24:32,110

anthropology you'll get a very different

437

00:24:39,570 --> 00:24:36,790

view by mainstream science and now

438

00:24:41,550 --> 00:24:39,580

they're finding out that a lot of these

439

00:24:45,060 --> 00:24:41,560

things that we thought were true are

440

00:24:48,180 --> 00:24:45,070

rarely not for example dr. Bruce Fenton

441

00:24:50,790 --> 00:24:48,190

has come out with a book into Africa

442

00:24:53,760 --> 00:24:50,800

theory of human evolution in which he

443

00:24:56,900 --> 00:24:53,770

shows gives evidence that the oldest

444

00:25:00,690 --> 00:24:56,910

humans now have been documented in

445

00:25:04,050 --> 00:25:00,700

Australia along before that the time

446

00:25:06,030 --> 00:25:04,060

that we ever had any immigration out of

447

00:25:08,250 --> 00:25:06,040

Africa I mean you're talking about

448

00:25:12,170 --> 00:25:08,260

many tens of thousands if not hundreds

449

00:25:14,790 --> 00:25:12,180

of thousands of years ago and the humans

450

00:25:18,000 --> 00:25:14,800

existence is being pushed back further

451
00:25:22,470 --> 00:25:18,010
and further and we're finding that those

452
00:25:25,910 --> 00:25:22,480
early humans Homo sapiens walked among

453
00:25:29,790 --> 00:25:25,920
many other species very similar to us

454
00:25:34,920 --> 00:25:29,800
who were who could interbreed with us

455
00:25:37,920 --> 00:25:34,930
and thus there was a very mixed origin

456
00:25:42,030 --> 00:25:37,930
of humans you know thirty to a hundred

457
00:25:44,970 --> 00:25:42,040
thousand years ago that most theorists

458
00:25:48,000 --> 00:25:44,980
in in academia have not yet come to

459
00:25:52,890 --> 00:25:48,010
accept they were they're still all this

460
00:25:55,650 --> 00:25:52,900
idea that man evolved in Africa and it

461
00:25:59,540 --> 00:25:55,660
came out of Africa for now bruce fenton

462
00:26:02,640 --> 00:25:59,550
is saying no the evidence now points to

463
00:26:07,590 --> 00:26:02,650

australia and that they moved up through

464

00:26:09,870 --> 00:26:07,600

the the Indonesia and islands and then

465

00:26:12,330 --> 00:26:09,880

into eastern Asia and spread through

466

00:26:15,870 --> 00:26:12,340

Asia then down into Africa and then

467

00:26:18,270 --> 00:26:15,880

there was the Mount Toba a super

468

00:26:20,960 --> 00:26:18,280

volcanic explosion around 70,000 years

469

00:26:25,620 --> 00:26:20,970

ago that wiped out almost all of them

470

00:26:27,990 --> 00:26:25,630

and the remnant human survivors in

471

00:26:28,989 --> 00:26:28,000

southernmost Africa in several other

472

00:26:32,079 --> 00:26:28,999

places around

473

00:26:36,459 --> 00:26:32,089

the world they repopulated the the world

474

00:26:39,909 --> 00:26:36,469

but that was only after a bottleneck in

475

00:26:43,149 --> 00:26:39,919

human evolution where some theorists say

476
00:26:45,519 --> 00:26:43,159
they see genetic tracing all of the

477
00:26:47,679 --> 00:26:45,529
different races of humans back to the

478
00:26:52,209 --> 00:26:47,689
added so-called Adam and Eve the first

479
00:26:55,769 --> 00:26:52,219
humans that happened about the same time

480
00:27:00,969 --> 00:26:55,779
that Mount Toba explosion occurred and

481
00:27:04,029 --> 00:27:00,979
it also indicated that human genome our

482
00:27:06,729 --> 00:27:04,039
population was reduced to as little as

483
00:27:11,139 --> 00:27:06,739
five to ten thousand individuals and

484
00:27:14,139 --> 00:27:11,149
from that those survivors came we came

485
00:27:15,729 --> 00:27:14,149
from there Out of Africa and that was

486
00:27:18,279 --> 00:27:15,739
pretty amazing when you think about it

487
00:27:21,029 --> 00:27:18,289
that our history is so different and the

488
00:27:24,269 --> 00:27:21,039

truth may be so different from what the

489

00:27:27,279 --> 00:27:24,279

experts in human evolution think

490

00:27:30,459 --> 00:27:27,289

actually happened I think that's just

491

00:27:32,079 --> 00:27:30,469

fascinating it reminds me of that common

492

00:27:33,579 --> 00:27:32,089

saying that the history is written by

493

00:27:36,099 --> 00:27:33,589

the victors

494

00:27:38,109 --> 00:27:36,109

you know you don't have to go back very

495

00:27:41,559 --> 00:27:38,119

many generations before people will just

496

00:27:43,329 --> 00:27:41,569

tend to forget this and yeah I I just

497

00:27:44,679 --> 00:27:43,339

think that's fascinating absolutely I

498

00:27:46,509 --> 00:27:44,689

mean much like dead Library of

499

00:27:49,179 --> 00:27:46,519

Alexandria and other places that we've

500

00:27:51,339 --> 00:27:49,189

seen more recently unfortunately some of

501
00:27:53,229 --> 00:27:51,349
them by our own hand places that have

502
00:27:55,509 --> 00:27:53,239
just an Isis as well I mean I'm not

503
00:27:58,989 --> 00:27:55,519
talking about obviously the the deity

504
00:28:01,899 --> 00:27:58,999
but the the group the terror group you

505
00:28:05,529 --> 00:28:01,909
know it seems like we racing parts of

506
00:28:10,109 --> 00:28:05,539
these cultures and history is a tool

507
00:28:14,199 --> 00:28:10,119
that has worked very well in the past

508
00:28:17,589 --> 00:28:14,209
yeah like in Cambodia when all of the

509
00:28:20,949 --> 00:28:17,599
intellectuals were slaughtered by what

510
00:28:23,319 --> 00:28:20,959
pot or whoever he was back then and in

511
00:28:26,559 --> 00:28:23,329
the during the Vietnam War I mean it was

512
00:28:31,119 --> 00:28:26,569
mass genocide of intellectuals in order

513
00:28:34,869 --> 00:28:31,129

to rewrite history and we've seen this

514

00:28:37,359 --> 00:28:34,879

time and time again on this planet even

515

00:28:42,100 --> 00:28:37,369

the biblical example of the Great Flood

516

00:28:44,320 --> 00:28:42,110

to remove all of the human humanoid

517

00:28:46,180 --> 00:28:44,330

populations that existed prior to that

518

00:28:51,190 --> 00:28:46,190

even though many of them still survived

519

00:28:54,310 --> 00:28:51,200

that we now know an isolated areas that

520

00:28:56,350 --> 00:28:54,320

there's just more we discover the more

521

00:28:58,149 --> 00:28:56,360

we dig the more we're gonna find and

522

00:29:01,600 --> 00:28:58,159

we're gonna have to revise our story

523

00:29:05,560 --> 00:29:01,610

about where we came from and when but

524

00:29:07,180 --> 00:29:05,570

that is for certain and one of the

525

00:29:11,409 --> 00:29:07,190

things that I got involved with Ryan

526
00:29:14,500 --> 00:29:11,419
when in the early 90s I was introduced

527
00:29:17,710 --> 00:29:14,510
to Richard Hoagland at the time and I

528
00:29:20,830 --> 00:29:17,720
became part of his moon team he had

529
00:29:25,000 --> 00:29:20,840
already published everything on Mars the

530
00:29:28,870 --> 00:29:25,010
cydonia complex etc and I helped him do

531
00:29:32,560 --> 00:29:28,880
some productions and I was the cameraman

532
00:29:37,529 --> 00:29:32,570
for him at a number of his Moon talks

533
00:29:45,039 --> 00:29:40,779
but at that time I was going through my

534
00:29:47,830 --> 00:29:45,049
awakening as to who what my relationship

535
00:29:52,210 --> 00:29:47,840
was to our visitors and who they were

536
00:29:54,960 --> 00:29:52,220
and I was discovering that I was

537
00:29:57,250 --> 00:29:54,970
connected to them in a much more

538
00:30:02,289 --> 00:29:57,260

intimate fashion that I could ever

539

00:30:05,740 --> 00:30:02,299

possibly have imagined as I said earlier

540

00:30:08,470 --> 00:30:05,750

than that I recorded my the spirit of my

541

00:30:12,190 --> 00:30:08,480

late wife over her grave as it ascended

542

00:30:14,440 --> 00:30:12,200

in a golden beam of light into a second

543

00:30:17,200 --> 00:30:14,450

Sun and then discovered that there was a

544

00:30:20,470 --> 00:30:17,210

huge white mothership embedded in that

545

00:30:25,060 --> 00:30:20,480

overhead cloud that began to resonate

546

00:30:28,720 --> 00:30:25,070

with me that somehow my late wife was

547

00:30:31,870 --> 00:30:28,730

connected to our visitors and then she

548

00:30:33,279 --> 00:30:31,880

came back in spirit and we communicated

549

00:30:36,700 --> 00:30:33,289

and we've haven't communicated ever

550

00:30:40,240 --> 00:30:36,710

since and she taught me many many things

551
00:30:43,629 --> 00:30:40,250
and I I'm not afraid to you know reveal

552
00:30:46,680 --> 00:30:43,639
this because I do real it in and a

553
00:30:53,700 --> 00:30:46,690
number of my publications online and

554
00:30:55,220 --> 00:30:53,710
that she was one of the main individuals

555
00:30:57,740 --> 00:30:55,230
entities that

556
00:31:02,990 --> 00:30:57,750
was running this whole show and that was

557
00:31:05,419 --> 00:31:03,000
a surprise in the 23rd of October 1994 I

558
00:31:08,200 --> 00:31:05,429
was introduced to my two of my three

559
00:31:11,419 --> 00:31:08,210
hybrid children who were born before

560
00:31:14,230 --> 00:31:11,429
either a Bonnie or I had lost our

561
00:31:17,900 --> 00:31:14,240
virginity by typical you know et

562
00:31:20,960 --> 00:31:17,910
manipulation I I was abducted for sperm

563
00:31:24,289 --> 00:31:20,970

sample she became pregnant as a virgin

564

00:31:26,810 --> 00:31:24,299

at age 17 and then after four months

565

00:31:30,169 --> 00:31:26,820

pregnancy suddenly her pregnancy was

566

00:31:33,020 --> 00:31:30,179

ended and we know what happens now with

567

00:31:37,970 --> 00:31:33,030

all that's being revealed about alien

568

00:31:40,430 --> 00:31:37,980

hybrid interaction with humans and I was

569

00:31:43,610 --> 00:31:40,440

introduced to two of my three children

570

00:31:46,700 --> 00:31:43,620

in astronaut suits floating in space

571

00:31:50,090 --> 00:31:46,710

next to an alien in a different type of

572

00:31:52,820 --> 00:31:50,100

decompression suit over my dead this was

573

00:31:55,580 --> 00:31:52,830

a projection from space a live

574

00:31:57,770 --> 00:31:55,590

projection in which they were moving and

575

00:31:59,770 --> 00:31:57,780

looking at me and I was moving around

576

00:32:03,730 --> 00:31:59,780

and looking at them through this

577

00:32:08,510 --> 00:32:03,740

two-dimensional screen and after this

578

00:32:10,520 --> 00:32:08,520

vision was over I woke my wife who were

579

00:32:13,039 --> 00:32:10,530

sleeping under II all of this and she

580

00:32:16,039 --> 00:32:13,049

said I was I woke her in the middle of a

581

00:32:17,240 --> 00:32:16,049

dream about me meeting my children and I

582

00:32:19,760 --> 00:32:17,250

said well they didn't tell me their

583

00:32:21,919 --> 00:32:19,770

names in the vision and me she said in

584

00:32:25,250 --> 00:32:21,929

the dream there our names were an AR and

585

00:32:29,330 --> 00:32:25,260

Kyle so this just kept on escalating

586

00:32:32,299 --> 00:32:29,340

over and over again Ryan with more and

587

00:32:34,490 --> 00:32:32,309

more contact and it got to the point

588

00:32:37,430 --> 00:32:34,500

that I was wondering you know who can I

589

00:32:40,430 --> 00:32:37,440

turn to I mean I I really empathize with

590

00:32:42,620 --> 00:32:40,440

all these people who are awakened to

591

00:32:44,960 --> 00:32:42,630

their abductions and they can't go to a

592

00:32:46,400 --> 00:32:44,970

psychiatrist or a psychologist there's

593

00:32:49,100 --> 00:32:46,410

nobody out there other than other

594

00:32:51,590 --> 00:32:49,110

abductees that they can share their

595

00:32:55,250 --> 00:32:51,600

information with without ridicule or

596

00:33:00,110 --> 00:32:55,260

even you know getting a label of being

597

00:33:03,950 --> 00:33:00,120

crazy and so I was in that type of a

598

00:33:07,990 --> 00:33:03,960

situation my wife was having a hard time

599

00:33:10,330 --> 00:33:08,000

believing what I was telling her and her

600

00:33:13,000 --> 00:33:10,340

children who didn't believe what I was

601
00:33:16,150 --> 00:33:13,010
saying so there was a lot of conflict

602
00:33:18,460 --> 00:33:16,160
going on at that time and that is the

603
00:33:21,250 --> 00:33:18,470
time that I was traveling to Weehawken

604
00:33:23,500 --> 00:33:21,260
New Jersey to meet up with Hoagland and

605
00:33:25,930 --> 00:33:23,510
his team and seeing all of his evidence

606
00:33:28,120 --> 00:33:25,940
about the moon so I was being bombarded

607
00:33:32,770 --> 00:33:28,130
with an enormous amount of information

608
00:33:36,460 --> 00:33:32,780
this is about 30 years ago on all of

609
00:33:40,240 --> 00:33:36,470
what is now being revealed over and over

610
00:33:41,890 --> 00:33:40,250
again in order to educate the public one

611
00:33:46,300 --> 00:33:41,900
of the things that I discovered when I

612
00:33:50,710 --> 00:33:46,310
was doing my geologic work there this

613
00:33:53,410 --> 00:33:50,720

was actually before I met Hoagland I was

614

00:33:57,070 --> 00:33:53,420

wanted to map the area where all of

615

00:34:01,030 --> 00:33:57,080

these sightings of uoit were occurring

616

00:34:04,150 --> 00:34:01,040

near Pine Bush New York and so I

617

00:34:06,040 --> 00:34:04,160

borrowed a magnetometer from the

618

00:34:09,040 --> 00:34:06,050

lamont-doherty Earth Observatory and

619

00:34:11,280 --> 00:34:09,050

started a 24 square mile magnetic survey

620

00:34:14,409 --> 00:34:11,290

which took me three years to complete

621

00:34:17,290 --> 00:34:14,419

1,800 different stations and I generated

622

00:34:20,950 --> 00:34:17,300

a map which was very interesting it

623

00:34:23,860 --> 00:34:20,960

showed that all of the European was

624

00:34:26,260 --> 00:34:23,870

associated with magnetic anomalies below

625

00:34:31,540 --> 00:34:26,270

ground and Ellen Crystal in her book

626

00:34:32,950 --> 00:34:31,550

1991 book silent invasion said that she

627

00:34:36,490 --> 00:34:32,960

thought there was an underground base

628

00:34:38,320 --> 00:34:36,500

why because she would see ships diving

629

00:34:42,159 --> 00:34:38,330

are these lights diving into the ground

630

00:34:44,950 --> 00:34:42,169

and no explosion and others coming out

631

00:34:47,050 --> 00:34:44,960

of the ground and she saw many pieces of

632

00:34:49,899 --> 00:34:47,060

evidence that there were some something

633

00:34:52,780 --> 00:34:49,909

going on under the ground and during my

634

00:34:56,830 --> 00:34:52,790

11 years involvement and fieldwork I

635

00:34:59,770 --> 00:34:56,840

confirmed all of her suspicions but I

636

00:35:02,550 --> 00:34:59,780

had the scientific data that Magne the

637

00:35:05,490 --> 00:35:02,560

magnetic map that subset substantiated

638

00:35:09,880 --> 00:35:05,500

that indeed there is underground

639

00:35:14,950 --> 00:35:09,890

activity that is unlikely to be caused

640

00:35:17,770 --> 00:35:14,960

by humans and so but and the process of

641

00:35:19,450 --> 00:35:17,780

doing that I discovered I started

642

00:35:21,580 --> 00:35:19,460

discovering features on the surface as a

643

00:35:25,080 --> 00:35:21,590

geologist who had done a lot of mapping

644

00:35:28,810 --> 00:35:25,090

I've started finding remnants of

645

00:35:31,930 --> 00:35:28,820

monuments and features on earth that

646

00:35:34,450 --> 00:35:31,940

match the sodon't of the features and

647

00:35:38,980 --> 00:35:34,460

the monuments in the cydonia complex on

648

00:35:41,440 --> 00:35:38,990

Mars and this was largely came out of

649

00:35:45,880 --> 00:35:41,450

the fact that Richard Hoagland had given

650

00:35:49,660 --> 00:35:45,890

a talk before on United Nations on the

651
00:35:52,030 --> 00:35:49,670
sill Silbury Hill and Avebury circle in

652
00:35:54,730 --> 00:35:52,040
England associated with all the UFO

653
00:35:59,020 --> 00:35:54,740
activity there and she and he had said

654
00:36:01,930 --> 00:35:59,030
that these are these monuments were like

655
00:36:05,950 --> 00:36:01,940
a one-sixth version of the the crater

656
00:36:09,400 --> 00:36:05,960
and the pholis on earth and I had

657
00:36:12,790 --> 00:36:09,410
already done something mapped the area

658
00:36:15,910 --> 00:36:12,800
around Pine Bush and found remnants of a

659
00:36:18,810 --> 00:36:15,920
huge crater that nobody else had

660
00:36:22,390 --> 00:36:18,820
discovered before and I was amazed

661
00:36:24,310 --> 00:36:22,400
because the during the last ice age

662
00:36:26,740 --> 00:36:24,320
the glaciers came down that valley and

663
00:36:30,700 --> 00:36:26,750

toppled any structures more than maybe

664

00:36:33,250 --> 00:36:30,710

50 feet tall so if the all those

665

00:36:35,500 --> 00:36:33,260

pyramids that are in the cydonia complex

666

00:36:38,020 --> 00:36:35,510

of Mars all that would remain on earth

667

00:36:41,250 --> 00:36:38,030

would be their basis and when I realized

668

00:36:42,910 --> 00:36:41,260

this and after I had mapped this

669

00:36:46,660 --> 00:36:42,920

circular crater

670

00:36:49,360 --> 00:36:46,670

I called Hoagland and I said what is the

671

00:36:52,570 --> 00:36:49,370

width of that crater on on Mars and he

672

00:36:54,940 --> 00:36:52,580

said 2.3 miles and I had already mapped

673

00:36:58,270 --> 00:36:54,950

it and I knew that the one I identified

674

00:37:01,300 --> 00:36:58,280

was 2.3 miles in diameter then I asked

675

00:37:03,600 --> 00:37:01,310

him what is the latitude of that crater

676

00:37:06,370 --> 00:37:03,610

on Mars and he said contact his

677

00:37:09,490 --> 00:37:06,380

geologists and I did and it turned out

678

00:37:12,490 --> 00:37:09,500

to be the same latitude as the one on on

679

00:37:14,920 --> 00:37:12,500

Mars they're both at 41 degrees 36

680

00:37:17,590 --> 00:37:14,930

minutes what is the probability of that

681

00:37:20,830 --> 00:37:17,600

once I've gotten that confirmation I

682

00:37:23,650 --> 00:37:20,840

said okay let me try to find the pholis

683

00:37:24,130 --> 00:37:23,660

because in his talk to the United

684

00:37:26,800 --> 00:37:24,140

Nations

685

00:37:28,990 --> 00:37:26,810

he had emphasized Avebury Circle and the

686

00:37:33,720 --> 00:37:29,000

silver Hill which represented the

687

00:37:34,920 --> 00:37:33,730

fullest and I went off in the in the

688

00:37:38,099 --> 00:37:34,930

compass direction where I would expect

689

00:37:40,849 --> 00:37:38,109

to be and I found it the the solace on

690

00:37:43,470 --> 00:37:40,859

earth is beautifully preserved and the

691

00:37:45,870 --> 00:37:43,480

Stewart International Airport and our

692

00:37:48,359 --> 00:37:45,880

Army and Air Force Base is built on top

693

00:37:51,599 --> 00:37:48,369

of it and it's well preserved along with

694

00:37:53,849 --> 00:37:51,609

its satellite mouth okay that's that

695

00:37:57,660 --> 00:37:53,859

congestive a coincidence I thought let

696

00:38:00,359 --> 00:37:57,670

me then go for the you know the big one

697

00:38:02,880 --> 00:38:00,369

the face let's see if the face is still

698

00:38:04,830 --> 00:38:02,890

existing on earth so I went off in that

699

00:38:08,670 --> 00:38:04,840

direction I had my topographic sheets

700

00:38:14,040 --> 00:38:08,680

all pieced together and my ruler down

701
00:38:17,670 --> 00:38:14,050
there I oaklands geologist Jim of Javik

702
00:38:20,040 --> 00:38:17,680
had sent me a map that he had created

703
00:38:22,620 --> 00:38:20,050
for the cydonia complex on Mars and I

704
00:38:26,250 --> 00:38:22,630
was able to measure the the direction

705
00:38:29,490 --> 00:38:26,260
and the distance and when my ruler

706
00:38:32,190 --> 00:38:29,500
measuring came to an end I was staring

707
00:38:34,980 --> 00:38:32,200
at a face on earth that was the mirror

708
00:38:37,080 --> 00:38:34,990
image of that on Mars I mean it even

709
00:38:38,640 --> 00:38:37,090
though it's it's highly eroded you can

710
00:38:41,430 --> 00:38:38,650
still make out the forehead the eye

711
00:38:44,280 --> 00:38:41,440
sockets the nose the mouth the chin etc

712
00:38:46,349 --> 00:38:44,290
it's all there and it's in the exact

713
00:38:48,720 --> 00:38:46,359

right position where it should be a

714

00:38:50,970 --> 00:38:48,730

factor taking a point I said oh my god

715

00:38:53,280 --> 00:38:50,980

let me go let's try to find the DNN

716

00:38:54,990 --> 00:38:53,290

pyramid which I realized would have been

717

00:38:57,540 --> 00:38:55,000

toppled because that pyramid would be

718

00:39:00,060 --> 00:38:57,550

close to you know twice the height of

719

00:39:04,349 --> 00:39:00,070

the Giza pyramids have been around a

720

00:39:06,960 --> 00:39:04,359

thousand feet tall and I wouldn't my

721

00:39:08,970 --> 00:39:06,970

when I laid it out and look for an area

722

00:39:12,510 --> 00:39:08,980

where that the pyramid base could be I

723

00:39:14,370 --> 00:39:12,520

found it near Warwick new journey York

724

00:39:17,730 --> 00:39:14,380

and it was the right size right

725

00:39:21,420 --> 00:39:17,740

orientation five sided area that was

726
00:39:23,910 --> 00:39:21,430
between mountains and hills in the you

727
00:39:26,240 --> 00:39:23,920
appeal River Valley then I said okay let

728
00:39:29,250 --> 00:39:26,250
me go try to find the city of pyramids

729
00:39:33,030 --> 00:39:29,260
lo and behold I found them I found that

730
00:39:35,670 --> 00:39:33,040
the Pine Island was built on the base of

731
00:39:39,510 --> 00:39:35,680
a six sided pyramid in the that in on

732
00:39:42,420 --> 00:39:39,520
Mars is the largest six sided pyramid in

733
00:39:47,010 --> 00:39:42,430
that city of pyramids and so we have a

734
00:39:50,250 --> 00:39:47,020
whole town built on top of a

735
00:39:52,370 --> 00:39:50,260
face of what could be a huge pyramid

736
00:39:58,260 --> 00:39:52,380
that existed at that point before the

737
00:40:01,580 --> 00:39:58,270
glaciers removed and I did a a major

738
00:40:05,100 --> 00:40:01,590

website which is now on the bouffant

739

00:40:07,950 --> 00:40:05,110

website over in the UK it's called a

740

00:40:10,920 --> 00:40:07,960

Cydonia to report and it's had quite a

741

00:40:14,400 --> 00:40:10,930

history of up and down but the

742

00:40:17,300 --> 00:40:14,410

information is still there what concerns

743

00:40:21,090 --> 00:40:17,310

me Ryan is that very few people have

744

00:40:24,560 --> 00:40:21,100

recognized this as as being significant

745

00:40:28,320 --> 00:40:24,570

or important and it almost seems to

746

00:40:32,540 --> 00:40:28,330

speak of of individual egos of people

747

00:40:36,900 --> 00:40:32,550

that don't want me to undercut their own

748

00:40:41,370 --> 00:40:36,910

expertise and authority on on this

749

00:40:45,420 --> 00:40:41,380

because the implications are that these

750

00:40:46,320 --> 00:40:45,430

Cydonia complex on Mars is a copy of the

751

00:40:50,100 --> 00:40:46,330

one on earth

752

00:40:53,220 --> 00:40:50,110

that was built when the civilization

753

00:40:59,250 --> 00:40:53,230

that existed on earth before the last

754

00:41:01,830 --> 00:40:59,260

ice age began began to realize that the

755

00:41:05,370 --> 00:41:01,840

ice age would destroy their monuments in

756

00:41:08,700 --> 00:41:05,380

in New York so they built a temple a

757

00:41:13,860 --> 00:41:08,710

duplicate on Mars so that when we get a

758

00:41:17,340 --> 00:41:13,870

recover from our destruction of that

759

00:41:20,640 --> 00:41:17,350

civilization and get back to exploring

760

00:41:23,520 --> 00:41:20,650

our solar system with with probes we

761

00:41:25,980 --> 00:41:23,530

would discover that complex and low ball

762

00:41:28,710 --> 00:41:25,990

that's exactly what I recognized and

763

00:41:32,600 --> 00:41:28,720

used to find all of the remnants of

764

00:41:36,090 --> 00:41:32,610

those monuments here on earth so really

765

00:41:38,730 --> 00:41:36,100

did we come from Mars or did Martians

766

00:41:41,880 --> 00:41:38,740

come from us which is which which came

767

00:41:44,610 --> 00:41:41,890

first I was able to date the cydonia

768

00:41:46,850 --> 00:41:44,620

complex on earth when it or what on the

769

00:41:51,720 --> 00:41:46,860

one on Mars when I was built based on

770

00:41:54,840 --> 00:41:51,730

tectonic plate movement and the distance

771

00:41:57,820 --> 00:41:54,850

that of the center of the craters on

772

00:42:01,690 --> 00:41:57,830

both are just enough

773

00:42:04,690 --> 00:42:01,700

a part that I was able to as estimate

774

00:42:07,930 --> 00:42:04,700

that the one on Mars was built right

775

00:42:10,690 --> 00:42:07,940

before the end of the last interglacial

776

00:42:12,400 --> 00:42:10,700

Demian interglacial about a hundred and

777

00:42:15,790 --> 00:42:12,410

eighteen thousand five hundred years ago

778

00:42:20,020 --> 00:42:15,800

so everything is fitting into a an

779

00:42:22,360 --> 00:42:20,030

amazing connection you still there it

780

00:42:24,640 --> 00:42:22,370

really is it's fascinating absolutely

781

00:42:27,160 --> 00:42:24,650

I'm fascinated by the amount of research

782

00:42:29,110 --> 00:42:27,170

you put into these subjects that in my

783

00:42:32,050 --> 00:42:29,120

opinion are the most important of our

784

00:42:34,450 --> 00:42:32,060

time Bruce kudos there's so many

785

00:42:38,590 --> 00:42:34,460

directions I could go here but I wanted

786

00:42:40,660 --> 00:42:38,600

to ask you back to the possibility of

787

00:42:46,030 --> 00:42:40,670

hybridization is there a possibility

788

00:42:51,250 --> 00:42:46,040

were all hybrids absolutely I think we

789

00:42:55,390 --> 00:42:51,260

all have DNA that did not come from our

790

00:42:57,280 --> 00:42:55,400

primate origins I think that we are of

791

00:43:00,220 --> 00:42:57,290

primate origins which is why there is

792

00:43:03,190 --> 00:43:00,230

such a close connection a genetic

793

00:43:07,440 --> 00:43:03,200

connection between us and chimpanzees

794

00:43:10,840 --> 00:43:07,450

and apes etc but you know that the

795

00:43:14,160 --> 00:43:10,850

functional genes in our 46 chromosomes

796

00:43:17,340 --> 00:43:14,170

are very few compared to the number of

797

00:43:20,290 --> 00:43:17,350

genes that don't seem to have any

798

00:43:27,090 --> 00:43:20,300

function so where did they come from and

799

00:43:29,650 --> 00:43:27,100

why there's a lot of room for including

800

00:43:33,450 --> 00:43:29,660

non-human DNA and now they're finding

801

00:43:37,420 --> 00:43:33,460

these you know Long's called

802

00:43:40,690 --> 00:43:37,430

individuals in baracus and in other

803

00:43:44,560 --> 00:43:40,700

places of the world and getting DNA

804

00:43:47,680 --> 00:43:44,570

results from them that show that there

805

00:43:51,760 --> 00:43:47,690

they were not 100% human there were

806

00:43:54,460 --> 00:43:51,770

other types of DNA genes in in those

807

00:43:56,590 --> 00:43:54,470

individuals and and so the question

808

00:43:58,870 --> 00:43:56,600

becomes where did those come from we're

809

00:44:03,190 --> 00:43:58,880

still in the dark as far as how many

810

00:44:06,160 --> 00:44:03,200

different types of humanoid homo species

811

00:44:08,980 --> 00:44:06,170

existed in the past so you can't yet

812

00:44:11,000 --> 00:44:08,990

rule out that they were not just hybrids

813

00:44:13,700 --> 00:44:11,010

between different

814

00:44:16,100 --> 00:44:13,710

types of hominid species that had

815

00:44:20,860 --> 00:44:16,110

evolved on earth but at the same time

816

00:44:24,250 --> 00:44:20,870

one has to wonder why their their DNA

817

00:44:30,460 --> 00:44:24,260

corresponds in practice with those in

818

00:44:32,750 --> 00:44:30,470

the in Central Asia in in Europe and in

819

00:44:37,070 --> 00:44:32,760

Scotland where they're finding were

820

00:44:39,260 --> 00:44:37,080

humans DNA you know is very similar how

821

00:44:42,710 --> 00:44:39,270

did they get there all the way across

822

00:44:44,720 --> 00:44:42,720

the Atlantic Ocean at a time when we

823

00:44:48,470 --> 00:44:44,730

supposedly according to the

824

00:44:51,830 --> 00:44:48,480

archaeologist we're not traversing the

825

00:44:54,230 --> 00:44:51,840

the seas but of course that is that that

826

00:44:55,670 --> 00:44:54,240

paradigm is is collapsing now that

827

00:44:59,590 --> 00:44:55,680

they're finding more and more evidence

828

00:45:03,260 --> 00:44:59,600

that our ancestors before the sextant

829

00:45:05,540 --> 00:45:03,270

were able to get across the oceans quite

830

00:45:09,310 --> 00:45:05,550

quite well and find their way around to

831

00:45:12,920 --> 00:45:09,320

various islands in the Pacific and that

832

00:45:16,490 --> 00:45:12,930

European DNA has been found in colonies

833

00:45:18,440 --> 00:45:16,500

or remnants of humans our groups on the

834

00:45:22,060 --> 00:45:18,450

east coast and they're finding more

835

00:45:26,870 --> 00:45:22,070

evidence that there are other types of

836

00:45:29,810 --> 00:45:26,880

Asians that made it over to the Americas

837

00:45:31,460 --> 00:45:29,820

including Africans or the Olmecs in the

838

00:45:36,830 --> 00:45:31,470

Central America where did they come from

839

00:45:38,840 --> 00:45:36,840

so my word is one of caution that we

840

00:45:40,820 --> 00:45:38,850

do not have enough evidence yet to

841

00:45:45,460 --> 00:45:40,830

really know what was going on in the

842

00:45:48,110 --> 00:45:45,470

past and to think that there were no

843

00:45:53,390 --> 00:45:48,120

advanced high-tech civilizations in the

844

00:45:57,110 --> 00:45:53,400

past is is just blatant ignorance on

845

00:46:01,960 --> 00:45:57,120

those peoples part that we've been told

846

00:46:04,310 --> 00:46:01,970

in in ancient literature and that human

847

00:46:05,450 --> 00:46:04,320

civilizations have gone through cycles

848

00:46:08,600 --> 00:46:05,460

after some pickles

849

00:46:12,590 --> 00:46:08,610

after cycles and now more and more

850

00:46:15,110 --> 00:46:12,600

evidence is coming up to support that so

851
00:46:19,070 --> 00:46:15,120
that we've gone through boom and bust a

852
00:46:20,540 --> 00:46:19,080
periods of high-tech spacefaring and

853
00:46:23,120 --> 00:46:20,550
then back to

854
00:46:30,079 --> 00:46:23,130
hunting gathering and living in caves

855
00:46:32,000 --> 00:46:30,089
over and over again yes and so much of

856
00:46:35,990 --> 00:46:32,010
what you're saying is resonating with me

857
00:46:38,000 --> 00:46:36,000
that I'm yeah I I just I have so many

858
00:46:40,099 --> 00:46:38,010
questions but we're on such a limited

859
00:46:41,900 --> 00:46:40,109
time schedule let me ask you you

860
00:46:44,900 --> 00:46:41,910
mentioned the something I'm fascinated

861
00:46:47,839 --> 00:46:44,910
by is the magnetic anomalies underground

862
00:46:50,480 --> 00:46:47,849
and you know many many different people

863
00:46:54,109 --> 00:46:50,490

have mentioned this with connections to

864

00:46:58,210 --> 00:46:54,119

the Anunnaki with D um bees or deep

865

00:47:03,140 --> 00:46:58,220

underground military bases in your

866

00:47:06,290 --> 00:47:03,150

opinion is there a possibility that we

867

00:47:09,160 --> 00:47:06,300

or those who govern us more likely our

868

00:47:12,770 --> 00:47:09,170

governments are working together with

869

00:47:15,920 --> 00:47:12,780

possible non-human entities in some of

870

00:47:19,160 --> 00:47:15,930

these locations very good question a

871

00:47:21,020 --> 00:47:19,170

very relevant question today one of the

872

00:47:23,839 --> 00:47:21,030

problems I had when I was in the field

873

00:47:26,480 --> 00:47:23,849

working with all of the sightings I had

874

00:47:28,849 --> 00:47:26,490

over a hundred and thirty seven close

875

00:47:31,130 --> 00:47:28,859

encounters with these ships and they

876

00:47:33,770 --> 00:47:31,140

were many of them were you could see the

877

00:47:36,020 --> 00:47:33,780

physical shapes the the angular shapes

878

00:47:40,190 --> 00:47:36,030

of these from triangles to

879

00:47:43,310 --> 00:47:40,200

diamond-shaped and you could see that

880

00:47:47,060 --> 00:47:43,320

they had in a physical component to them

881

00:47:49,640 --> 00:47:47,070

even though I also did an experiments

882

00:47:52,460 --> 00:47:49,650

that showed that the images that we

883

00:47:56,800 --> 00:47:52,470

can't captured both visually and with

884

00:47:59,540 --> 00:47:56,810

our other cameras could be manipulated

885

00:48:05,390 --> 00:47:59,550

so that they could present to us what

886

00:48:09,200 --> 00:48:05,400

they wanted us to see and excuse me so

887

00:48:12,109 --> 00:48:09,210

the question became how far advanced are

888

00:48:15,260 --> 00:48:12,119

we in our own technology that we could

889

00:48:17,450 --> 00:48:15,270

do what they are doing and when I would

890

00:48:20,990 --> 00:48:17,460

see actually photograph these large

891

00:48:22,820 --> 00:48:21,000

ships the size of a 747 diving through a

892

00:48:25,579 --> 00:48:22,830

forest without interacting with the

893

00:48:28,040 --> 00:48:25,589

trees and disappearing below ground what

894

00:48:31,130 --> 00:48:28,050

the heck if we have that type of

895

00:48:33,150 --> 00:48:31,140

technology why do we still use rockets

896

00:48:37,529 --> 00:48:33,160

you know I mean this is this

897

00:48:40,770 --> 00:48:37,539

absurd so but then you get all of this

898

00:48:42,870 --> 00:48:40,780

this disinformation coming out of about

899

00:48:43,710 --> 00:48:42,880

us having this technology about

900

00:48:46,859 --> 00:48:43,720

skunkworks

901
00:48:51,089 --> 00:48:46,869
having triangular craft that can fly and

902
00:48:54,180 --> 00:48:51,099
and in discussing this with dr. Jack

903
00:48:58,980 --> 00:48:54,190
Safari especially on an interview which

904
00:49:01,770 --> 00:48:58,990
was on Star Drive report about couple

905
00:49:05,910 --> 00:49:01,780
months ago the the thing that he pointed

906
00:49:09,180 --> 00:49:05,920
out is that the triangular craft are do

907
00:49:10,740 --> 00:49:09,190
not operate you know their propulsion

908
00:49:14,099 --> 00:49:10,750
system is very different from that of

909
00:49:16,910 --> 00:49:14,109
the tic-tac and that is now being

910
00:49:22,470 --> 00:49:16,920
revealed to the Stars Academy and and

911
00:49:25,890 --> 00:49:22,480
1/18 etc this is important because the

912
00:49:26,789 --> 00:49:25,900
if you have multiple ways of defying

913
00:49:30,920 --> 00:49:26,799

gravity

914

00:49:34,220 --> 00:49:30,930

okay the implication is that our

915

00:49:37,440 --> 00:49:34,230

government and secret military has

916

00:49:42,059 --> 00:49:37,450

achieved success in some of these areas

917

00:49:45,180 --> 00:49:42,069

but not in all of them and so if the

918

00:49:48,950 --> 00:49:45,190

question I had in the field are these

919

00:49:53,069 --> 00:49:48,960

things that I'm seeing merely government

920

00:49:56,309 --> 00:49:53,079

sponsored entertainment for the sky

921

00:49:58,620 --> 00:49:56,319

watchers in rural roads around Pine Bush

922

00:50:01,170 --> 00:49:58,630

and I had to come to the conclusion no

923

00:50:04,410 --> 00:50:01,180

no these are quite different but then

924

00:50:06,779 --> 00:50:04,420

you have these communities living

925

00:50:09,440 --> 00:50:06,789

underground and I've identified several

926

00:50:12,359 --> 00:50:09,450

areas where there were underground bases

927

00:50:14,210 --> 00:50:12,369

doesn't them our CIA doesn't our

928

00:50:17,579 --> 00:50:14,220

government already know about them and

929

00:50:20,309 --> 00:50:17,589

and that the amazing thing is that many

930

00:50:23,940 --> 00:50:20,319

people I've witnessed said that they see

931

00:50:27,960 --> 00:50:23,950

have encountered humans coming out of

932

00:50:29,970 --> 00:50:27,970

the ground and out of tunnels and

933

00:50:33,569 --> 00:50:29,980

opening up hatches and coming out where

934

00:50:38,460 --> 00:50:33,579

these bases are located so one has to

935

00:50:40,680 --> 00:50:38,470

ask the question are we cooperating with

936

00:50:44,220 --> 00:50:40,690

them or are they cooperating with us I

937

00:50:45,930 --> 00:50:44,230

mean when you have a huge military

938

00:50:50,160 --> 00:50:45,940

complex in the wall care

939

00:50:52,260 --> 00:50:50,170

Valley at Stewart Airport and then you

940

00:50:55,770 --> 00:50:52,270

have an underground base that is a very

941

00:51:00,030 --> 00:50:55,780

extensive that it extends for many tens

942

00:51:02,630 --> 00:51:00,040

of miles not hundreds of miles how in

943

00:51:05,579 --> 00:51:02,640

the world could they coexist in the same

944

00:51:08,490 --> 00:51:05,589

space so to speak without knowing of

945

00:51:10,290 --> 00:51:08,500

each other's existence and with bits and

946

00:51:14,609 --> 00:51:10,300

pieces of information that have come out

947

00:51:17,250 --> 00:51:14,619

from various sources my suspicion is

948

00:51:20,670 --> 00:51:17,260

that they are very well aware of what's

949

00:51:24,390 --> 00:51:20,680

going on with these underground BTW

950

00:51:27,120 --> 00:51:24,400

groups and they may in fact not be

951
00:51:30,420 --> 00:51:27,130
working some divisions within our

952
00:51:32,579 --> 00:51:30,430
military may be working with them we

953
00:51:37,950 --> 00:51:32,589
keep on hearing this information from

954
00:51:40,650 --> 00:51:37,960
various sources so I I don't have a a

955
00:51:45,990 --> 00:51:40,660
confirm confirm the answer on this

956
00:51:48,390 --> 00:51:46,000
mm-hmm I just have a suspicion mm-hmm it

957
00:51:51,329 --> 00:51:48,400
would only make sense right no right

958
00:51:54,960 --> 00:51:51,339
there one of the objectives of our

959
00:51:59,390 --> 00:51:54,970
military would be to make contact and to

960
00:52:02,579 --> 00:51:59,400
get cooperation and even though the the

961
00:52:04,740 --> 00:52:02,589
nonhumans may be giving sharing some of

962
00:52:07,349 --> 00:52:04,750
their information they're not in sharing

963
00:52:10,650 --> 00:52:07,359

the most critical information that we

964

00:52:13,620 --> 00:52:10,660

could turn into weapons so that's one of

965

00:52:17,099 --> 00:52:13,630

the big differences that there has to be

966

00:52:22,170 --> 00:52:17,109

a separation of these technologies

967

00:52:24,720 --> 00:52:22,180

otherwise our you know and another thing

968

00:52:27,780 --> 00:52:24,730

that the military would want that ciat

969

00:52:30,359 --> 00:52:27,790

would want to do is to get us to pretend

970

00:52:32,370 --> 00:52:30,369

that these ships that are being seen by

971

00:52:36,210 --> 00:52:32,380

hundreds of people in the Pine Bush area

972

00:52:39,809 --> 00:52:36,220

during the 1990s thousands of people in

973

00:52:43,800 --> 00:52:39,819

fact that they somehow were connected to

974

00:52:45,630 --> 00:52:43,810

our secret military hardware because

975

00:52:50,670 --> 00:52:45,640

they wouldn't want our enemies to know

976

00:52:54,300 --> 00:52:50,680

that they had this technology right

977

00:52:57,980 --> 00:52:54,310

mm-hmm that would make us an even

978

00:53:01,760 --> 00:52:57,990

greater threat to Russia and China

979

00:53:05,120 --> 00:53:01,770

if we had this technology just as a

980

00:53:06,710 --> 00:53:05,130

recent article I saw coming out of the

981

00:53:09,370 --> 00:53:06,720

rations are admitting that they have

982

00:53:14,000 --> 00:53:09,380

some of this technology themselves and

983

00:53:16,120 --> 00:53:14,010

so eventually it's going to have to come

984

00:53:19,010 --> 00:53:16,130

out that we are all I've been

985

00:53:23,960 --> 00:53:19,020

researching and studying this phenomena

986

00:53:28,460 --> 00:53:23,970

and that oh it gets very complicated

987

00:53:33,020 --> 00:53:28,470

very fast it does I'm I'm very intrigued

988

00:53:35,180 --> 00:53:33,030

by by the the aspects like you mentioned

989

00:53:38,599 --> 00:53:35,190

with a lot of these you ApS UFOs and

990

00:53:40,579 --> 00:53:38,609

aerial phenomena how many observers and

991

00:53:43,070 --> 00:53:40,589

this is everywhere from the Uintah Basin

992

00:53:45,890 --> 00:53:43,080

of Utah across the globe a lot of these

993

00:53:49,400 --> 00:53:45,900

craft as you mentioned are seen flying

994

00:53:52,210 --> 00:53:49,410

directly into ridgelines directly into

995

00:53:58,579 --> 00:53:52,220

structures directly into the ground and

996

00:54:01,490 --> 00:53:58,589

is this a scenario where our rules just

997

00:54:05,630 --> 00:54:01,500

don't apply to them or could it be more

998

00:54:08,660 --> 00:54:05,640

of a live projection Project Blue Beam

999

00:54:11,900 --> 00:54:08,670

type scenario well I've thought about

1000

00:54:15,140 --> 00:54:11,910

that is this all just illusion you know

1001
00:54:18,050 --> 00:54:15,150
that's what they are wanting is to think

1002
00:54:21,560 --> 00:54:18,060
in belief and one can never rule that

1003
00:54:25,400 --> 00:54:21,570
out but at the same time I have been

1004
00:54:29,599 --> 00:54:25,410
abducted and back in 1981 at my drill

1005
00:54:30,500 --> 00:54:29,609
site and my crew saw that solved me

1006
00:54:32,180 --> 00:54:30,510
being abducted

1007
00:54:34,460 --> 00:54:32,190
they found me missing and they saw me

1008
00:54:40,339 --> 00:54:34,470
bring being brought back and when I was

1009
00:54:43,390 --> 00:54:40,349
hypnotically regress I recalled how they

1010
00:54:46,339 --> 00:54:43,400
touched my head with a wand and a

1011
00:54:50,530 --> 00:54:46,349
vibration went through me and suddenly I

1012
00:54:54,620 --> 00:54:50,540
was no longer part of the matter of this

1013
00:54:56,660 --> 00:54:54,630

world and they just passed me through

1014

00:54:59,780 --> 00:54:56,670

the wall of this trailer along with

1015

00:55:02,839 --> 00:54:59,790

themselves and so and that freaked me

1016

00:55:04,550 --> 00:55:02,849

out when I recalled that seeing the the

1017

00:55:07,359 --> 00:55:04,560

physical wall of this trailer passed

1018

00:55:10,430 --> 00:55:07,369

through my body and not even feel it so

1019

00:55:13,490 --> 00:55:10,440

they have this technology of

1020

00:55:17,000 --> 00:55:13,500

of changing the vibrational nuclear

1021

00:55:20,890 --> 00:55:17,010

frequencies of atoms so that they no

1022

00:55:24,799 --> 00:55:20,900

longer recognize the atoms of our

1023

00:55:26,930 --> 00:55:24,809

material world and that is how they can

1024

00:55:30,440 --> 00:55:26,940

pass through the ground into their

1025

00:55:33,109 --> 00:55:30,450

underground bases is that they no longer

1026
00:55:35,779 --> 00:55:33,119
are part of this world there you could

1027
00:55:39,289 --> 00:55:35,789
call them interdimensional are quasi

1028
00:55:43,220 --> 00:55:39,299
dimensional that they just sidestep the

1029
00:55:46,609 --> 00:55:43,230
issue of interaction with our matter and

1030
00:55:48,799 --> 00:55:46,619
yet this interaction sometimes is

1031
00:55:53,500 --> 00:55:48,809
incomplete and that's one of the reasons

1032
00:55:56,059 --> 00:55:53,510
why we have like the Derrel Sims finding

1033
00:55:59,599 --> 00:55:56,069
fingerprints or handprints or body

1034
00:56:02,770 --> 00:55:59,609
prints on doors and walls of where the

1035
00:56:05,630 --> 00:56:02,780
ETS passed through them they hadn't been

1036
00:56:07,880 --> 00:56:05,640
completely separated or isolated from

1037
00:56:10,460 --> 00:56:07,890
our matter and thus they interacted with

1038
00:56:16,130 --> 00:56:10,470

it a little bit and left a residue that

1039

00:56:18,470 --> 00:56:16,140

could be studied and so I don't think

1040

00:56:22,910 --> 00:56:18,480

it's an illusion I think they're very

1041

00:56:24,799 --> 00:56:22,920

much capable of disappearing into a

1042

00:56:26,900 --> 00:56:24,809

parallel dimension or creating a

1043

00:56:28,519 --> 00:56:26,910

parallel dimension where they can hide

1044

00:56:31,819 --> 00:56:28,529

and that's how they could cloak

1045

00:56:34,760 --> 00:56:31,829

themselves and disappear and maybe only

1046

00:56:39,279 --> 00:56:34,770

their lights we would see where as their

1047

00:56:42,250 --> 00:56:39,289

physical ships were invisible

1048

00:56:44,809 --> 00:56:42,260

fascinating hey I'm glad that you really

1049

00:56:51,220 --> 00:56:44,819

spoke and brought up the vibration

1050

00:56:55,099 --> 00:56:51,230

aspect because in speaking with another

1051
00:56:56,839 --> 00:56:55,109
person who worked in really side by side

1052
00:57:02,150 --> 00:56:56,849
with you they had mentioned to me at one

1053
00:57:04,730 --> 00:57:02,160
point that certain Hertz and certain

1054
00:57:07,880 --> 00:57:04,740
vibrations were more effective when

1055
00:57:11,000 --> 00:57:07,890
trying to visualize these these entities

1056
00:57:12,769 --> 00:57:11,010
and it reminds me so much of the

1057
00:57:16,130 --> 00:57:12,779
hermetic law of vibration that

1058
00:57:19,400 --> 00:57:16,140
everything has a different vibration and

1059
00:57:21,740 --> 00:57:19,410
Ill just I could totally see how this

1060
00:57:23,430 --> 00:57:21,750
especially dealing with something that

1061
00:57:27,510 --> 00:57:23,440
is able to do that would

1062
00:57:32,700 --> 00:57:27,520
would be explicable by that form exactly

1063
00:57:36,750 --> 00:57:32,710

and on another that this is one that is

1064

00:57:40,230 --> 00:57:36,760

it gets a lot of Attraction online this

1065

00:57:42,029 --> 00:57:40,240

is just came out yesterday and I'm sure

1066

00:57:45,990 --> 00:57:42,039

you're aware of it you're very in the

1067

00:57:48,870 --> 00:57:46,000

know Bruce this older alien autopsy

1068

00:57:50,599 --> 00:57:48,880

video and then someone has leaked in

1069

00:57:52,470 --> 00:57:50,609

some way shape or form email

1070

00:57:56,039 --> 00:57:52,480

communications between different

1071

00:57:59,250 --> 00:57:56,049

individuals and they're trying to find a

1072

00:58:03,299 --> 00:57:59,260

correlation or verify something I'm

1073

00:58:05,730 --> 00:58:03,309

fairly sure that the alien autopsy video

1074

00:58:08,670 --> 00:58:05,740

that most of us are familiar with may

1075

00:58:11,099 --> 00:58:08,680

not be a complete or exactly legitimate

1076
00:58:12,510 --> 00:58:11,109
or perfect picture of what is being

1077
00:58:13,920 --> 00:58:12,520
communicated in these email

1078
00:58:15,990 --> 00:58:13,930
communications I'm wondering if you've

1079
00:58:17,940 --> 00:58:16,000
heard anything about this or seen

1080
00:58:21,539 --> 00:58:17,950
anything about this online and what your

1081
00:58:24,150 --> 00:58:21,549
opinion would be on this okay

1082
00:58:26,549 --> 00:58:24,160
I've seen a little bit of it and but

1083
00:58:29,010 --> 00:58:26,559
then back when the alien autopsy videos

1084
00:58:30,510 --> 00:58:29,020
came out there was a lot of debate all

1085
00:58:34,470 --> 00:58:30,520
the way from one extreme to the other

1086
00:58:37,529 --> 00:58:34,480
that it was all fake you know special

1087
00:58:38,250 --> 00:58:37,539
effects by people who worked with the

1088
00:58:42,240 --> 00:58:38,260

Hollow

1089

00:58:44,819 --> 00:58:42,250

Hollywood film industry and also that it

1090

00:58:46,950 --> 00:58:44,829

could actually be real there were just a

1091

00:58:49,589 --> 00:58:46,960

lot of pieces of evidence that somebody

1092

00:58:53,609 --> 00:58:49,599

wanted us to think that these and this

1093

00:58:58,170 --> 00:58:53,619

these aliens bodies were real that is

1094

00:59:02,190 --> 00:58:58,180

obvious but at the same time was this in

1095

00:59:05,190 --> 00:59:02,200

order to you know pull the rug out from

1096

00:59:07,620 --> 00:59:05,200

under us so that it would get people to

1097

00:59:10,710 --> 00:59:07,630

say oh yes it's real they are real and

1098

00:59:14,039 --> 00:59:10,720

then they'd suddenly reveal the the fake

1099

00:59:16,650 --> 00:59:14,049

aspects of it but then again the

1100

00:59:20,640 --> 00:59:16,660

disinformation groups that don't want

1101
00:59:25,099 --> 00:59:20,650
people to accept this as reality would

1102
00:59:28,230 --> 00:59:25,109
want to go to that extent to create

1103
00:59:31,170 --> 00:59:28,240
questions in our minds but one thing

1104
00:59:33,980 --> 00:59:31,180
that stands out with all of this Ryan is

1105
00:59:35,940 --> 00:59:33,990
that in 1990 before I had any

1106
00:59:38,040 --> 00:59:35,950
information on

1107
00:59:42,660 --> 00:59:38,050
the UFOs are even knew that I had I was

1108
00:59:47,600 --> 00:59:42,670
an abductee I saw a TV program when I

1109
00:59:52,650 --> 00:59:47,610
was living in New York with my family in

1110
00:59:54,180 --> 00:59:52,660
Middletown that was stunning I couldn't

1111
00:59:57,300 --> 00:59:54,190
believe that they were showing this and

1112
01:00:01,290 --> 00:59:57,310
like 1 or 2 a.m. in the morning and it

1113
01:00:05,520 --> 01:00:01,300

was a documentary on an alien autopsy in

1114

01:00:08,310 --> 01:00:05,530

which they showed x-rays and diagrams of

1115

01:00:11,640 --> 01:00:08,320

the internal organs and these two people

1116

01:00:17,130 --> 01:00:11,650

were talking very intelligently about

1117

01:00:19,470 --> 01:00:17,140

this being a real organism that they had

1118

01:00:22,140 --> 01:00:19,480

studied and they were presenting this

1119

01:00:23,820 --> 01:00:22,150

information to the public but at a time

1120

01:00:27,600 --> 01:00:23,830

when very few people would be watching

1121

01:00:32,910 --> 01:00:27,610

and and that was surprising was like

1122

01:00:35,660 --> 01:00:32,920

this was one of the first shows in order

1123

01:00:40,350 --> 01:00:35,670

to try to get this information out and

1124

01:00:42,480 --> 01:00:40,360

prepare the public for considering that

1125

01:00:46,110 --> 01:00:42,490

you know there are other humanoids on

1126

01:00:48,590 --> 01:00:46,120

this planet that are not human and don't

1127

01:00:51,180 --> 01:00:48,600

look human I mean I've heard a lot of

1128

01:00:54,030 --> 01:00:51,190

interesting subjects I mean Linda

1129

01:00:57,110 --> 01:00:54,040

Moulton Howe has access to a tremendous

1130

01:01:01,770 --> 01:00:57,120

amount of information on on leaked

1131

01:01:04,860 --> 01:01:01,780

stories about these ETS and a lot of it

1132

01:01:07,320 --> 01:01:04,870

intercepted you know question about well

1133

01:01:09,270 --> 01:01:07,330

where's the evidence let's see the

1134

01:01:12,300 --> 01:01:09,280

evidence yes we have these people saying

1135

01:01:15,120 --> 01:01:12,310

that some of the greys don't even have a

1136

01:01:17,270 --> 01:01:15,130

digestive tract or a mouth or or you

1137

01:01:20,490 --> 01:01:17,280

know have ears or anything like that and

1138

01:01:23,850 --> 01:01:20,500

how do they operate how do how were they

1139

01:01:28,350 --> 01:01:23,860

energized by what type of system are

1140

01:01:32,490 --> 01:01:28,360

they just robots so there are a lot of

1141

01:01:36,150 --> 01:01:32,500

questions we have yet to answer and my

1142

01:01:38,340 --> 01:01:36,160

mind realization is that disclosure is

1143

01:01:40,550 --> 01:01:38,350

going to have to be a drip drip drip

1144

01:01:44,850 --> 01:01:40,560

because there's just simply so much

1145

01:01:47,340 --> 01:01:44,860

information out there and once it

1146

01:01:49,470 --> 01:01:47,350

reaches a certain threshold of people

1147

01:01:52,230 --> 01:01:49,480

accepting that this phenom

1148

01:01:55,050 --> 01:01:52,240

is real we're going to get fewer and

1149

01:01:58,230 --> 01:01:55,060

fewer skeptics although you can easily

1150

01:02:00,450 --> 01:01:58,240

pick out a skeptic by strongly and

1151

01:02:08,069 --> 01:02:00,460

emotionally he fights against the

1152

01:02:11,040 --> 01:02:08,079

acceptance of certain data and this is

1153

01:02:15,510 --> 01:02:11,050

true so far as far as the alien autopsy

1154

01:02:20,609 --> 01:02:15,520

I don't know I must admit that back in

1155

01:02:23,520 --> 01:02:20,619

1995 I was featured in a the first issue

1156

01:02:26,609 --> 01:02:23,530

of a journal called encounters first and

1157

01:02:31,609 --> 01:02:26,619

on the front of it the it shows the

1158

01:02:35,670 --> 01:02:31,619

picture of that alien so I'm forever now

1159

01:02:42,290 --> 01:02:35,680

connected to that image of the alien

1160

01:02:45,660 --> 01:02:42,300

autopsy so me there it goes and I'm I

1161

01:02:47,460 --> 01:02:45,670

have to go back to this disinfo you know

1162

01:02:49,829 --> 01:02:47,470

people hear this term and I don't think

1163

01:02:54,079 --> 01:02:49,839

they realize that this is one of the

1164

01:02:56,849 --> 01:02:54,089

most powerful tools in the tool set that

1165

01:02:59,579 --> 01:02:56,859

those in positions of power are using

1166

01:03:03,000 --> 01:02:59,589

instead of getting an agenda crossed on

1167

01:03:05,730 --> 01:03:03,010

its own merits it's much easier to take

1168

01:03:07,800 --> 01:03:05,740

the other agenda and put out a very hack

1169

01:03:10,920 --> 01:03:07,810

job if you will something that can

1170

01:03:13,230 --> 01:03:10,930

easily be debunked and then you

1171

01:03:18,230 --> 01:03:13,240

automatically gain traction for the

1172

01:03:22,740 --> 01:03:18,240

agenda you're working at right and and I

1173

01:03:25,800 --> 01:03:22,750

it's just it's just such a powerful tool

1174

01:03:30,660 --> 01:03:25,810

in the tool set of the elite or the

1175

01:03:34,829 --> 01:03:30,670

governing powers and it's I feel like

1176

01:03:37,650 --> 01:03:34,839

we're all aware that it happens from

1177

01:03:39,390 --> 01:03:37,660

time to time but we don't you know when

1178

01:03:41,339 --> 01:03:39,400

I speak to people like yourself and

1179

01:03:44,309 --> 01:03:41,349

individuals who really know how things

1180

01:03:48,740 --> 01:03:44,319

work in my opinion you understand just

1181

01:03:57,520 --> 01:03:55,500

okay this tends to happen when you have

1182

01:04:09,140 --> 01:03:57,530

these conversations of

1183

01:04:15,410 --> 01:04:12,289

hopefully we hear back okay Larry I'm

1184

01:04:17,779 --> 01:04:15,420

glad you're back um going off of that I

1185

01:04:21,140 --> 01:04:17,789

also wanted to speak a little bit more

1186

01:04:23,839 --> 01:04:21,150

about the Lockheed recently has had an

1187

01:04:26,539 --> 01:04:23,849

actual partnership that's been rumored

1188

01:04:30,049 --> 01:04:26,549

with the T TSA or the to the Stars

1189

01:04:33,589 --> 01:04:30,059

Academy in a limited capacity which I

1190

01:04:36,349 --> 01:04:33,599

found very interesting and and and of

1191

01:04:38,660 --> 01:04:36,359

course my initial response was well this

1192

01:04:41,120 --> 01:04:38,670

could be what tom has alluded to that

1193

01:04:43,539 --> 01:04:41,130

they plan on actually reverse

1194

01:04:46,279 --> 01:04:43,549

engineering a craft with the help of

1195

01:04:48,650 --> 01:04:46,289

individuals with the right connections

1196

01:04:55,460 --> 01:04:48,660

and they have alloys from fallen space

1197

01:04:58,039 --> 01:04:55,470

craft or non earthly metals and I

1198

01:05:02,680 --> 01:04:58,049

believe arts parts is actually one that

1199

01:05:05,420 --> 01:05:02,690

is undeniably been accepted by multiple

1200

01:05:08,019 --> 01:05:05,430

organizations as being legitimate so

1201

01:05:12,230 --> 01:05:08,029

there's some validation there is

1202

01:05:14,779 --> 01:05:12,240

Lockheed going to be able to actually do

1203

01:05:18,349 --> 01:05:14,789

this is this just something that a lot

1204

01:05:23,359 --> 01:05:18,359

of people are anticipating and hoping

1205

01:05:25,700 --> 01:05:23,369

for well first off as I said earlier on

1206

01:05:33,220 --> 01:05:25,710

in our interview is that there are two

1207

01:05:37,160 --> 01:05:33,230

more than one way of neutralizing or

1208

01:05:39,650 --> 01:05:37,170

gaining lift without against gravity

1209

01:05:42,140 --> 01:05:39,660

okay it's not there's just not one

1210

01:05:44,690 --> 01:05:42,150

single way apparently there are multiple

1211

01:05:48,890 --> 01:05:44,700

different mechanisms and technologies

1212

01:05:55,009 --> 01:05:48,900

that can achieve this but the one thing

1213

01:05:57,460 --> 01:05:55,019

that you know that I do know is well

1214

01:06:02,150 --> 01:05:57,470

what Jack's if addy told me he said that

1215

01:06:05,319 --> 01:06:02,160

the tr-3b that is supposedly was

1216

01:06:10,309 --> 01:06:05,329

developed by the Lockheed skunkworks

1217

01:06:12,920 --> 01:06:10,319

does exist it is functional and whereas

1218

01:06:16,519 --> 01:06:12,930

it's not what the tic-tac is that was

1219

01:06:17,750 --> 01:06:16,529

viewed playing games with the fighter

1220

01:06:22,160 --> 01:06:17,760

pilots

1221

01:06:23,590 --> 01:06:22,170

of the you know Navy and that they

1222

01:06:27,470 --> 01:06:23,600

operate on completely different

1223

01:06:30,530 --> 01:06:27,480

principles that the hull of the tic-tac

1224

01:06:33,290 --> 01:06:30,540

based on material supposedly recovered

1225

01:06:37,370 --> 01:06:33,300

from the Roswell crash is a meta

1226
01:06:40,910 --> 01:06:37,380
material of micro layered elements and

1227
01:06:46,130 --> 01:06:40,920
alternating layers that it literally has

1228
01:06:48,950 --> 01:06:46,140
the effect of slowing light down to zero

1229
01:06:51,050 --> 01:06:48,960
and with that when one slate it is not a

1230
01:06:53,960 --> 01:06:51,060
we're not talking about the absorption

1231
01:06:56,180 --> 01:06:53,970
of photons we're talking about slowing

1232
01:07:00,670 --> 01:06:56,190
the speed of light down to zero that

1233
01:07:04,670 --> 01:07:00,680
gravity goes to zero within these

1234
01:07:07,280 --> 01:07:04,680
metamaterial hulls of the ship and that

1235
01:07:10,460 --> 01:07:07,290
it just changes everything and and

1236
01:07:13,220 --> 01:07:10,470
isolates these shifts from our reality

1237
01:07:15,859 --> 01:07:13,230
much in the same way we I was discussing

1238
01:07:19,880 --> 01:07:15,869

earlier about how they can change the

1239

01:07:24,680 --> 01:07:19,890

frequency of everything and pass me

1240

01:07:28,340 --> 01:07:24,690

through a wall of a trailer they can do

1241

01:07:33,680 --> 01:07:28,350

this with these meta material halls and

1242

01:07:36,830 --> 01:07:33,690

one of the ways that I was able to come

1243

01:07:40,160 --> 01:07:36,840

up with so what JAXA Farley called a

1244

01:07:42,230 --> 01:07:40,170

smoking gun was when I recorded the

1245

01:07:44,000 --> 01:07:42,240

sounds that these craft made most of

1246

01:07:47,330 --> 01:07:44,010

these graphs do not have to make any

1247

01:07:49,520 --> 01:07:47,340

sound and don't make any sound but the

1248

01:07:53,180 --> 01:07:49,530

one thing that they did in their

1249

01:07:56,240 --> 01:07:53,190

performances at Pine Bush was to Bruce

1250

01:07:59,359 --> 01:07:56,250

sounds like that of a jet engine and

1251

01:08:01,670 --> 01:07:59,369

tried to mimic the nighttime lighting

1252

01:08:05,180 --> 01:08:01,680

patterns the navigation lights of jets

1253

01:08:07,400 --> 01:08:05,190

and we would fly over us and most of the

1254

01:08:09,620 --> 01:08:07,410

people there that were witness to this -

1255

01:08:12,590 --> 01:08:09,630

oh it's just a jet and I that fooled me

1256

01:08:14,690 --> 01:08:12,600

a lot too when I recorded this material

1257

01:08:17,539 --> 01:08:14,700

so did Ellen Crystal and through the

1258

01:08:20,329 --> 01:08:17,549

audio recordings we found discovered

1259

01:08:23,019 --> 01:08:20,339

that you have reversed Doppler the

1260

01:08:26,690 --> 01:08:23,029

Doppler effect is beautifully reversed

1261

01:08:30,110 --> 01:08:26,700

and this is not normal this is very

1262

01:08:31,819 --> 01:08:30,120

anomalous how this happens and what they

1263

01:08:36,229 --> 01:08:31,829

have found out through

1264

01:08:40,179 --> 01:08:36,239

with the developing metamaterials made

1265

01:08:43,479 --> 01:08:40,189

up of many different micro layers and

1266

01:08:46,879 --> 01:08:43,489

elements is that these meta materials

1267

01:08:50,259 --> 01:08:46,889

cause sound to reverse and you have a

1268

01:08:55,009 --> 01:08:50,269

reverse Doppler effect so there's a

1269

01:08:58,640 --> 01:08:55,019

connection here that when it I was

1270

01:09:01,249 --> 01:08:58,650

recording these sounds that to the human

1271

01:09:03,890 --> 01:09:01,259

ears sounded like maybe a turbofan jet

1272

01:09:08,319 --> 01:09:03,900

engine but then I looked at the the

1273

01:09:11,359 --> 01:09:08,329

whole spectrogram it wasn't the sounds

1274

01:09:14,870 --> 01:09:11,369

sound frequencies were composed of

1275

01:09:17,269 --> 01:09:14,880

multiple separate bands as many as 10 to

1276

01:09:19,489 --> 01:09:17,279

12 individual frequencies bundled

1277

01:09:21,169 --> 01:09:19,499

together and that these the frequency

1278

01:09:24,529 --> 01:09:21,179

overall frequency of these bands

1279

01:09:27,769 --> 01:09:24,539

decreased as the of the sound source

1280

01:09:30,019 --> 01:09:27,779

approached the microphone and after it

1281

01:09:32,649 --> 01:09:30,029

passed over and was moving away the

1282

01:09:35,029 --> 01:09:32,659

sound of frequencies increased as the

1283

01:09:38,359 --> 01:09:35,039

sound source moved further and further

1284

01:09:41,779 --> 01:09:38,369

away and I have many many recordings

1285

01:09:46,120 --> 01:09:41,789

like this and this is what Jack Safari

1286

01:09:49,099 --> 01:09:46,130

said is indication that the ships had

1287

01:09:51,919 --> 01:09:49,109

metamaterial halls and that they were

1288

01:09:56,799 --> 01:09:51,929

operating much like the tick tack and

1289

01:09:59,659 --> 01:09:56,809

the way their capability but the tr-3b

1290

01:10:04,640 --> 01:09:59,669

now that's an interesting and a story

1291

01:10:07,370 --> 01:10:04,650

because on the 17th of May 1997 three of

1292

01:10:09,770 --> 01:10:07,380

us were positioned on muddy kill Lane

1293

01:10:12,709 --> 01:10:09,780

waiting for something to happen and it

1294

01:10:16,459 --> 01:10:12,719

did we were given a performance by a

1295

01:10:20,419 --> 01:10:16,469

triangular craft and recorded on both

1296

01:10:25,609 --> 01:10:20,429

video and on time exposures I have a

1297

01:10:27,409 --> 01:10:25,619

whole website on it that later that Mark

1298

01:10:30,739 --> 01:10:27,419

Whitford who is one of the people there

1299

01:10:32,600 --> 01:10:30,749

he is an a naval veteran he said in one

1300

01:10:34,520 --> 01:10:32,610

of his contacts called him up and told

1301

01:10:36,890 --> 01:10:34,530

him that we had been given a

1302

01:10:40,520 --> 01:10:36,900

demonstration of the performance of the

1303

01:10:44,030 --> 01:10:40,530

tr-3b it had been authorized by the

1304

01:10:46,550 --> 01:10:44,040

government and that that a

1305

01:10:49,580 --> 01:10:46,560

skunkworks pilot would give us a

1306

01:10:52,310 --> 01:10:49,590

demonstration of it and if you can

1307

01:10:56,420 --> 01:10:52,320

believe that that's pretty amazing if

1308

01:11:00,140 --> 01:10:56,430

indeed that video that is on line shows

1309

01:11:02,930 --> 01:11:00,150

the tr-3b and what it's capable of doing

1310

01:11:05,720 --> 01:11:02,940

and how its able to rotate and upside

1311

01:11:07,160 --> 01:11:05,730

down and fly way upside down and

1312

01:11:10,340 --> 01:11:07,170

backwards and then flip over and

1313

01:11:13,340 --> 01:11:10,350

decrease in speed as it's moving down

1314

01:11:15,200 --> 01:11:13,350

its ascending towards the ground and all

1315

01:11:17,090 --> 01:11:15,210

of these other things that it's able was

1316

01:11:22,660 --> 01:11:17,100

able to do and it was all caught on

1317

01:11:29,360 --> 01:11:22,670

video so then that raises question okay

1318

01:11:30,410 --> 01:11:29,370

what is well what technology exactly wow

1319

01:11:33,260 --> 01:11:30,420

man

1320

01:11:36,440 --> 01:11:33,270

Bruce this is I'm just speechless at a

1321

01:11:39,260 --> 01:11:36,450

lot of this and I feel we're all so very

1322

01:11:41,000 --> 01:11:39,270

lucky to have you disseminate the the

1323

01:11:42,830 --> 01:11:41,010

rigorous research that you've dedicated

1324

01:11:44,270 --> 01:11:42,840

much of your life to I really appreciate

1325

01:11:50,330 --> 01:11:44,280

you being with us for the last hour

1326

01:11:52,160 --> 01:11:50,340

Bruce and thank you where can people

1327

01:11:54,260 --> 01:11:52,170

find more of your work research

1328

01:11:57,200 --> 01:11:54,270

contributions and support your efforts

1329

01:12:00,920 --> 01:11:57,210

websites books at cetera right now I

1330

01:12:03,890 --> 01:12:00,930

have a number of websites out there you

1331

01:12:08,350 --> 01:12:03,900

just have to do google Bruce cornet and

1332

01:12:10,910 --> 01:12:08,360

look for a long with internet or my

1333

01:12:12,440 --> 01:12:10,920

website you know and and click on there

1334

01:12:17,180 --> 01:12:12,450

and there are links to many different

1335

01:12:19,310 --> 01:12:17,190

webpages at that point and I have one

1336

01:12:24,110 --> 01:12:19,320

called serious onion works that you can

1337

01:12:26,780 --> 01:12:24,120

do that and come up with my webpages but

1338

01:12:28,820 --> 01:12:26,790

I'm in the middle of finalizing the

1339

01:12:33,290 --> 01:12:28,830

final editing on a book that I've just

1340

01:12:36,890 --> 01:12:33,300

completed it's about three 386 pages

1341

01:12:38,720 --> 01:12:36,900

long and it's unfortunately it's going

1342

01:12:43,070 --> 01:12:38,730

to be in black and white and probably

1343

01:12:46,880 --> 01:12:43,080

published by Kindle or an Amazon and I

1344

01:12:49,670 --> 01:12:46,890

also have a an appendix associated with

1345

01:12:52,220 --> 01:12:49,680

that and leaked so the people can copy

1346

01:12:55,480 --> 01:12:52,230

the link in the book when it comes out

1347

01:12:58,890 --> 01:12:55,490

and go to my online site

1348

01:13:03,250 --> 01:12:58,900

over 300 pages of a listing of all my

1349

01:13:07,720 --> 01:13:03,260

sightings and documented by date time

1350

01:13:10,240 --> 01:13:07,730

location and what it involved and the

1351
01:13:13,510 --> 01:13:10,250
witnesses that were present and you're

1352
01:13:17,580 --> 01:13:13,520
dealing with a total of 141 encounters

1353
01:13:21,370 --> 01:13:17,590
and over a period of 11 years so that's

1354
01:13:25,180 --> 01:13:21,380
gonna be my all of my data out there for

1355
01:13:26,620 --> 01:13:25,190
everybody to see and to ponder what the

1356
01:13:29,350 --> 01:13:26,630
heck's going on here

1357
01:13:32,800 --> 01:13:29,360
I mean why were these crafts and lights

1358
01:13:35,320 --> 01:13:32,810
putting on such shows time and time

1359
01:13:37,930 --> 01:13:35,330
again for my cameras and for other sky

1360
01:13:40,210 --> 01:13:37,940
watchers out there it you know that's a

1361
01:13:44,080 --> 01:13:40,220
big question is what was this was this

1362
01:13:46,570 --> 01:13:44,090
part of the ete disclosure independent

1363
01:13:49,570 --> 01:13:46,580

of government that's another interesting

1364

01:13:50,980 --> 01:13:49,580

question I mean we even had I was out

1365

01:13:55,540 --> 01:13:50,990

there in the field with Ellen Crystal

1366

01:13:58,000 --> 01:13:55,550

for many times many nights and she was

1367

01:14:02,260 --> 01:13:58,010

contacted by the sightings television

1368

01:14:07,090 --> 01:14:02,270

series at the time 1993 and on the 29th

1369

01:14:10,360 --> 01:14:07,100

of April 1993 with the sightings TV

1370

01:14:12,250 --> 01:14:10,370

camera crew out there with us we had six

1371

01:14:14,830 --> 01:14:12,260

ships put on performances for those

1372

01:14:17,560 --> 01:14:14,840

cameras I mean they came at us flipped

1373

01:14:20,230 --> 01:14:17,570

over past us right over the top some of

1374

01:14:20,890 --> 01:14:20,240

us curved back down and disappeared into

1375

01:14:23,590 --> 01:14:20,900

the ground

1376

01:14:26,650 --> 01:14:23,600

okay time and time again doing right

1377

01:14:29,740 --> 01:14:26,660

angle turns the manta ray as a came at

1378

01:14:33,130 --> 01:14:29,750

us banked towards us and passed in front

1379

01:14:34,090 --> 01:14:33,140

of us at 29 miles per hour 30 miles an

1380

01:14:38,770 --> 01:14:34,100

hour at the most

1381

01:14:40,930 --> 01:14:38,780

with it's a flat shape vertical to the

1382

01:14:44,230 --> 01:14:40,940

ground so it couldn't have been a

1383

01:14:46,360 --> 01:14:44,240

conventional air aircraft because planes

1384

01:14:48,970 --> 01:14:46,370

can't fly with their wings vertical to

1385

01:14:51,760 --> 01:14:48,980

the ground and it passed us was

1386

01:14:53,830 --> 01:14:51,770

screaming all sorts of turbine sounds

1387

01:14:57,220 --> 01:14:53,840

and putting out all sorts of lights and

1388

01:15:00,370 --> 01:14:57,230

the sad part about this ride was that

1389

01:15:02,580 --> 01:15:00,380

the show when it came up only had one

1390

01:15:05,530 --> 01:15:02,590

still photograph of that Manta gray

1391

01:15:06,980 --> 01:15:05,540

displayed on the show they had the

1392

01:15:11,380 --> 01:15:06,990

entire video

1393

01:15:14,120 --> 01:15:11,390

of what happened but it was probably too

1394

01:15:17,150 --> 01:15:14,130

extreme and they thought for the

1395

01:15:19,360 --> 01:15:17,160

American public or more likely the

1396

01:15:22,910 --> 01:15:19,370

government said don't show it

1397

01:15:26,300 --> 01:15:22,920

Wow Wow

1398

01:15:28,160 --> 01:15:26,310

so amazing well thank you so much Bruce

1399

01:15:29,690 --> 01:15:28,170

you are a master of your craft I just

1400

01:15:34,610 --> 01:15:29,700

want to thank you again for being with

1401

01:15:37,280 --> 01:15:34,620

us thank you Bruce Cornett ladies and

1402

01:15:39,860 --> 01:15:37,290

gentlemen definitely support his work

1403

01:15:41,300 --> 01:15:39,870

he's he's done a lot of it thank you so

1404

01:15:43,940 --> 01:15:41,310

much for being with us

1405

01:15:46,730 --> 01:15:43,950

sorry I kept him for about 20 minutes

1406

01:15:48,740 --> 01:15:46,740

over but I think it was definitely worth

1407

01:15:52,550 --> 01:15:48,750

it then I appreciate him staying on with
