

HERO PARANORMAL

1  
00:00:25,450 --> 00:00:04,490  
[Applause]

2  
00:00:30,080 --> 00:00:28,099  
we got Kate Parker the man in the place

3  
00:00:41,930 --> 00:00:30,090  
could be coming up in just no time at

4  
00:00:47,400 --> 00:00:44,840  
ladies and gentlemen we have today the

5  
00:00:50,580 --> 00:00:47,410  
most amazing guy ever his name is Jay

6  
00:00:53,010 --> 00:00:50,590  
Parker he's helped me out in more ways

7  
00:00:55,710 --> 00:00:53,020  
than one explaining certain things to me

8  
00:00:58,759 --> 00:00:55,720  
telling me where to find them and he's

9  
00:01:04,140 --> 00:00:58,769  
just a wealth of knowledge here he is

10  
00:01:10,650 --> 00:01:04,150  
Jay are you here great great good to

11  
00:01:12,060 --> 00:01:10,660  
hear you here I just introduced a little

12  
00:01:15,150 --> 00:01:12,070  
bit of what I know about you but there's

13  
00:01:18,749 --> 00:01:15,160

so much more you're literally a prism of

14

00:01:22,380 --> 00:01:18,759

knowledge you have so much that you've

15

00:01:24,060 --> 00:01:22,390

put into this so so many things that

16

00:01:26,340 --> 00:01:24,070

people can only gather with the origins

17

00:01:31,050 --> 00:01:26,350

that you've had what can you tell us if

18

00:01:35,249 --> 00:01:31,060

anything about well people like the ones

19

00:01:38,520 --> 00:01:35,259

that seem to be in total control of the

20

00:01:48,570 --> 00:01:38,530

system the oligarchs of America some

21

00:01:55,410 --> 00:01:48,580

have called them essentially since the

22

00:01:58,620 --> 00:01:55,420

banking act of 1871 where America was no

23

00:02:01,650 --> 00:01:58,630

longer a constitutional republic but was

24

00:02:06,089 --> 00:02:01,660

made into a United States of America

25

00:02:08,820 --> 00:02:06,099

incorporated we we have you know

26

00:02:13,620 --> 00:02:08,830

basically seen this low erosion of our

27

00:02:15,990 --> 00:02:13,630

freedom and then of course in 1913 with

28

00:02:20,760 --> 00:02:16,000

the income tax and the Federal Reserve

29

00:02:25,140 --> 00:02:20,770

being established I would say we the

30

00:02:30,050 --> 00:02:25,150

people totally lost all power and we've

31

00:02:35,729 --> 00:02:30,060

been going down the drain ever since and

32

00:02:39,229 --> 00:02:35,739

now America is just simply a piggy bank

33

00:02:43,820 --> 00:02:39,239

for the corruption overseas and

34

00:02:47,610 --> 00:02:43,830

basically we fight these proxy wars for

35

00:02:52,770 --> 00:02:47,620

the Vatican and for the Queen of England

36

00:02:55,850 --> 00:02:52,780

and the advent of Donald Trump is

37

00:02:58,770 --> 00:02:55,860

throwing a monkey wrench into all of it

38

00:03:03,530 --> 00:02:58,780

their wonderful plan for a new world

39

00:03:07,380 --> 00:03:03,540

order a microchip population of drums

40

00:03:09,690 --> 00:03:07,390

we'll see what happens Ryan but I think

41

00:03:13,470 --> 00:03:09,700

it's good time to be alive because we're

42

00:03:18,180 --> 00:03:13,480

in the age of information and to be

43

00:03:21,270 --> 00:03:18,190

ignorant is a choice it's not something

44

00:03:25,050 --> 00:03:21,280

you have to stay in and even though we

45

00:03:28,140 --> 00:03:25,060

all got indoctrinated by this culture we

46

00:03:30,330 --> 00:03:28,150

can go on the web and we can do research

47

00:03:32,850 --> 00:03:30,340

and we can find out what's true still

48

00:03:37,020 --> 00:03:32,860

even though they're trying to grab a

49

00:03:39,960 --> 00:03:37,030

hold of the web and basically you scrub

50

00:03:43,710 --> 00:03:39,970

every piece of truth is on the web and

51  
00:03:46,710 --> 00:03:43,720  
shadow down it and deep platform it it's

52  
00:03:50,100 --> 00:03:46,720  
not going to work the cat is out of the

53  
00:03:52,740 --> 00:03:50,110  
bag too many millions of people in this

54  
00:03:57,870 --> 00:03:52,750  
collective consciousness reality have

55  
00:04:00,660 --> 00:03:57,880  
woken up to reality and we understand

56  
00:04:02,520 --> 00:04:00,670  
that we are ruled by trillionaires and

57  
00:04:05,099 --> 00:04:02,530  
billionaires and our governments are

58  
00:04:08,789 --> 00:04:05,109  
nothing more than blackmailed and

59  
00:04:11,160 --> 00:04:08,799  
brought off puppets and its worldwide

60  
00:04:14,819 --> 00:04:11,170  
that's why you see the yellow vests in

61  
00:04:21,719 --> 00:04:14,829  
France that's why you see the five star

62  
00:04:23,700 --> 00:04:21,729  
party in Italy and brexit people are

63  
00:04:26,610 --> 00:04:23,710

waking up to the fact that they need to

64

00:04:29,629 --> 00:04:26,620

say [h\_\_h] this new world order system

65

00:04:31,980 --> 00:04:29,639

from coming in because it's

66

00:04:37,260 --> 00:04:31,990

transhumanism and cradle-to-grave

67

00:04:41,450 --> 00:04:37,270

slavery and the thing I teach now Ryan

68

00:04:45,750 --> 00:04:41,460

after 19 years of study after I

69

00:04:51,540 --> 00:04:45,760

accidentally was triggered and I woke up

70

00:04:54,029 --> 00:04:51,550

from my MK ULTRA Mon control I've been

71

00:04:57,390 --> 00:04:54,039

studying for 19 years because one of the

72

00:04:59,800 --> 00:04:57,400

first things I asked myself was how did

73

00:05:04,600 --> 00:04:59,810

this happen how did my life

74

00:05:08,200 --> 00:05:04,610

stolen from me and I did the research I

75

00:05:11,740 --> 00:05:08,210

recovered the memories of being an

76

00:05:15,250 --> 00:05:11,750

Illuminati family my father was ninth

77

00:05:20,290 --> 00:05:15,260

generation Illuminati his family joined

78

00:05:24,670 --> 00:05:20,300

the Illuminati in the 1720s and my

79

00:05:28,210 --> 00:05:24,680

mother claimed her dark occult heritage

80

00:05:33,730 --> 00:05:28,220

going back 3,000 years to the Amalekite

81

00:05:36,670 --> 00:05:33,740

people written about in the Bible so not

82

00:05:39,730 --> 00:05:36,680

a good family to grow up in and I was

83

00:05:44,800 --> 00:05:39,740

raped and tortured and I was put into

84

00:05:48,850 --> 00:05:44,810

the CIA MKULTRA program by my parents I

85

00:05:51,580 --> 00:05:48,860

believe that my father in 1958 was

86

00:05:55,320 --> 00:05:51,590

arrested for pedophilia and given the

87

00:06:00,520 --> 00:05:55,330

opportunity he had three young sons and

88

00:06:05,200 --> 00:06:00,530

he moved to the Illuminati CIA village

89

00:06:08,380 --> 00:06:05,210

in Lorton Delaware and I know I was

90

00:06:13,060 --> 00:06:08,390

placed in the CIA and chaos her program

91

00:06:18,390 --> 00:06:13,070

I don't know if my brothers were I know

92

00:06:24,279 --> 00:06:21,700

it's all about the broke programmable

93

00:06:28,000 --> 00:06:24,289

state the first six years of a human

94

00:06:31,450 --> 00:06:28,010

beings life you were in a hypnagogic

95

00:06:34,210 --> 00:06:31,460

trance and you have two brainwave

96

00:06:38,020 --> 00:06:34,220

patterns and so you're basically

97

00:06:41,680 --> 00:06:38,030

hypnotized you're you're partially in

98

00:06:45,850 --> 00:06:41,690

Twilight consciousness and your

99

00:06:50,740 --> 00:06:45,860

subconscious mind is being built which

100

00:06:53,920 --> 00:06:50,750

then becomes the CPU for your life as an

101  
00:06:58,540 --> 00:06:53,930  
adult and runs 95% of your actions and

102  
00:07:02,500 --> 00:06:58,550  
decisions so what the dark occult after

103  
00:07:05,409 --> 00:07:02,510  
the Cataclysm 9600 BC and the

104  
00:07:10,600 --> 00:07:05,419  
destruction of the worldwide Atlantean

105  
00:07:18,200 --> 00:07:13,730  
they they figured that they would take

106  
00:07:22,640 --> 00:07:18,210  
over the civilized world and they would

107  
00:07:26,149 --> 00:07:22,650  
develop a religions that basically kept

108  
00:07:30,670 --> 00:07:26,159  
people in fear and which makes them

109  
00:07:34,249 --> 00:07:30,680  
easily controllable and ignorant because

110  
00:07:38,869 --> 00:07:34,259  
we're basically the mushroom people were

111  
00:07:45,020 --> 00:07:38,879  
kept in the dark and we're fed BS it's

112  
00:07:49,129 --> 00:07:45,030  
been that way now since at least you

113  
00:07:54,830 --> 00:07:49,139

know several thousand BC and everywhere

114

00:08:01,129 --> 00:07:54,840

this cabal and I call it the cult of

115

00:08:04,459 --> 00:08:01,139

icon as same as Michael staring on I'm

116

00:08:08,260 --> 00:08:04,469

basically it's never that human

117

00:08:15,760 --> 00:08:08,270

sacrifice pedophilia and based a

118

00:08:19,040 --> 00:08:15,770

corruption that is so evil so anti human

119

00:08:23,600 --> 00:08:19,050

you have to say when someone would go

120

00:08:26,749 --> 00:08:23,610

into a full-blown manifestation in front

121

00:08:31,820 --> 00:08:26,759

of me when I was kid I did let their

122

00:08:34,670 --> 00:08:31,830

devil spirit out of so to speak it just

123

00:08:39,440 --> 00:08:34,680

look at them and whatever consciousness

124

00:08:41,800 --> 00:08:39,450

was taking them over it was certainly

125

00:08:46,400 --> 00:08:41,810

not anything from this planet

126  
00:08:50,660 --> 00:08:46,410  
probably another dimension so we have a

127  
00:08:53,690 --> 00:08:50,670  
situation now where we have known as

128  
00:08:58,490 --> 00:08:53,700  
people of woken up we have nuns people

129  
00:09:01,400 --> 00:08:58,500  
now who are actually becoming aware of

130  
00:09:05,480 --> 00:09:01,410  
themselves there they know the

131  
00:09:07,630 --> 00:09:05,490  
themselves and on the into mystery

132  
00:09:13,519 --> 00:09:07,640  
schools that were shut down by the

133  
00:09:14,420 --> 00:09:13,529  
Catholic Church after 325 AD the council

134  
00:09:18,139 --> 00:09:14,430  
of nicaea

135  
00:09:21,019 --> 00:09:18,149  
they had a sign on most of them was know

136  
00:09:21,980 --> 00:09:21,029  
thysel and if you know your physiology

137  
00:09:26,060 --> 00:09:21,990  
psyche

138  
00:09:29,720 --> 00:09:26,070

ecology and spirituality you know how to

139

00:09:34,070 --> 00:09:29,730

operate the vehicle that is a wonda body

140

00:09:37,310 --> 00:09:34,080

in this world so if you take that

141

00:09:42,500 --> 00:09:37,320

information about reality and how the

142

00:09:46,639 --> 00:09:42,510

function properly in this place this 52

143

00:09:50,210 --> 00:09:46,649

waveform of nearly infinite density and

144

00:09:53,780 --> 00:09:50,220

infinite energy and that's according to

145

00:09:58,070 --> 00:09:53,790

Nazi Merriman and he's actually proven

146

00:10:01,310 --> 00:09:58,080

it it is a physicist that you should

147

00:10:05,510 --> 00:10:01,320

look at his work he's the Renaissance

148

00:10:07,400 --> 00:10:05,520

rent resonance foundation in Hawaii and

149

00:10:12,290 --> 00:10:07,410

he's on YouTube

150

00:10:19,850 --> 00:10:12,300

nesting harrowmont and we're all

151  
00:10:23,199 --> 00:10:19,860  
connected it's a subconscious virtual

152  
00:10:30,920 --> 00:10:23,209  
reality all of our sub consciousness are

153  
00:10:35,120 --> 00:10:30,930  
knit together through micro I guess Ron

154  
00:10:37,660 --> 00:10:35,130  
hauls you could call it but working it

155  
00:10:41,960 --> 00:10:37,670  
together and back

156  
00:10:45,560 --> 00:10:41,970  
14:04 for 40 million bits of information

157  
00:10:49,940 --> 00:10:45,570  
transfer into the energetic field that

158  
00:10:53,000 --> 00:10:49,950  
the line field from your subconscious

159  
00:10:57,590 --> 00:10:53,010  
and 40 bits of information come from

160  
00:10:59,960 --> 00:10:57,600  
your conscious mind and that's all from

161  
00:11:03,710 --> 00:10:59,970  
seven and a half billion people that

162  
00:11:05,990 --> 00:11:03,720  
information pours into the morphogenetic

163  
00:11:10,790 --> 00:11:06,000

field and the morphogenetic field

164

00:11:14,480 --> 00:11:10,800  
creates this reality so in actuality

165

00:11:20,120 --> 00:11:14,490  
what we are as human beings is we are

166

00:11:23,960 --> 00:11:20,130  
the ears and eyes of the divine field we

167

00:11:27,740 --> 00:11:23,970  
we are the feedback loop so the divine

168

00:11:32,250 --> 00:11:27,750  
field sees what is going on in its

169

00:11:37,470 --> 00:11:32,260  
creation and if you look at

170

00:11:40,920 --> 00:11:37,480  
ancient scriptures and philosophy you'll

171

00:11:45,330 --> 00:11:40,930  
find that every avatar that's ever come

172

00:11:48,780 --> 00:11:45,340  
here says that if you go within you will

173

00:11:53,010 --> 00:11:48,790  
succeed and everything you desire

174

00:11:57,870 --> 00:11:53,020  
spiritually financially emotionally if

175

00:12:02,690 --> 00:11:57,880  
you go along with the culture basically

176

00:12:09,530 --> 00:12:02,700

you'll waste your life and right now all

177

00:12:16,860 --> 00:12:13,800

dr. Joe Dispenza I think his tour of

178

00:12:20,610 --> 00:12:16,870

consciousness goes as far as learning

179

00:12:24,090 --> 00:12:20,620

how to play the game of life which is

180

00:12:26,970 --> 00:12:24,100

short graze this utter Reticuli called

181

00:12:30,360 --> 00:12:26,980

the miracle game well if you're going to

182

00:12:33,270 --> 00:12:30,370

play game you need to know the rules you

183

00:12:37,260 --> 00:12:33,280

need to know what's up and what's down

184

00:12:40,320 --> 00:12:37,270

well the dark had called keep that kind

185

00:12:44,280 --> 00:12:40,330

of information away from people except

186

00:12:48,650 --> 00:12:44,290

themselves and that gives them a huge

187

00:12:51,680 --> 00:12:48,660

power differential so in our

188

00:12:54,360 --> 00:12:51,690

indoctrination system our school and

189

00:12:57,060 --> 00:12:54,370

people are not taught to critically

190

00:13:00,630 --> 00:12:57,070

think people are taught to go along to

191

00:13:06,420 --> 00:13:00,640

get along not rock the boat 90s

192

00:13:10,710 --> 00:13:06,430

questions and basically they have no

193

00:13:15,330 --> 00:13:10,720

morality they have no ethics you would

194

00:13:23,360 --> 00:13:15,340

wonder that after it was found out that

195

00:13:28,170 --> 00:13:23,370

the Iraq war in 2003 was based on lies

196

00:13:32,130 --> 00:13:28,180

perpetrated by the media and built up by

197

00:13:35,810 --> 00:13:32,140

the Intelligence Agency sent your GW

198

00:13:39,830 --> 00:13:35,820

Bush that all hell would break loose

199

00:13:42,830 --> 00:13:39,840

that entire war was founded on a

200

00:13:48,170 --> 00:13:42,840

conspiracy of lies

201  
00:13:51,769 --> 00:13:48,180  
oh nothing is happening and this is

202  
00:13:56,420 --> 00:13:51,779  
because we have a media that is wholly

203  
00:14:00,680 --> 00:13:56,430  
controlled by the CIA and the deep state

204  
00:14:04,670 --> 00:14:00,690  
killed Kennedy both brothers killed

205  
00:14:11,750 --> 00:14:04,680  
Malcolm X killed Martin Luther King and

206  
00:14:15,710 --> 00:14:11,760  
that Renaissance care which organically

207  
00:14:21,850 --> 00:14:15,720  
the society needed to go through never

208  
00:14:26,780 --> 00:14:21,860  
happened and so I'd say the bad guys won

209  
00:14:29,060 --> 00:14:26,790  
right I mean you get to a point where if

210  
00:14:33,650 --> 00:14:29,070  
you look around at this is what you are

211  
00:14:37,250 --> 00:14:33,660  
in right now there isn't a rule of law

212  
00:14:42,170 --> 00:14:37,260  
in Washington people like Hillary

213  
00:14:45,200 --> 00:14:42,180

Clinton have 120 corpses attached to her

214

00:14:46,790 --> 00:14:45,210

and you can go to Clinton body count and

215

00:14:49,220 --> 00:14:46,800

take a look

216

00:14:53,079 --> 00:14:49,230

I don't know anybody even in the

217

00:14:56,960 --> 00:14:53,089

Illuminati that have 120 corpses

218

00:14:58,310 --> 00:14:56,970

attached to them but we know if you know

219

00:15:01,460 --> 00:14:58,320

that we know of

220

00:15:05,090 --> 00:15:01,470

I mean my father was a mass momma you

221

00:15:09,350 --> 00:15:05,100

know he probably killed in sacrifice

222

00:15:14,530 --> 00:15:09,360

rituals and on his own you know he might

223

00:15:17,980 --> 00:15:14,540

have killed several dozen people but

224

00:15:23,560 --> 00:15:17,990

he's nothing compared of the Clintons

225

00:15:27,230 --> 00:15:23,570

it's you know it bears repeating that I

226

00:15:29,900 --> 00:15:27,240

you know a lot of the masses don't buy

227

00:15:33,650 --> 00:15:29,910

the fact that these dark adepts exist

228

00:15:35,840 --> 00:15:33,660

and that witchcraft is involved and you

229

00:15:40,220 --> 00:15:35,850

know it for me it took I had to actually

230

00:15:42,290 --> 00:15:40,230

order the book agenda 21 by the United

231

00:15:44,570 --> 00:15:42,300

Nations and I mean I went to Barnes &

232

00:15:46,010 --> 00:15:44,580

Noble I went to multiple places nobody

233

00:15:48,290 --> 00:15:46,020

really wanted to sell it to me

234

00:15:51,910 --> 00:15:48,300

eventually Barnes & Noble did they

235

00:15:55,670 --> 00:15:51,920

ordered it ask me why I wanted it and

236

00:16:00,170 --> 00:15:55,680

when I got it and read the whole thing

237

00:16:05,000 --> 00:16:00,180

you know it's harmonious with all of the

238

00:16:11,480 --> 00:16:05,010

worst things you could ever imagine the

239

00:16:13,579 --> 00:16:11,490

benefit is going to exactly the opposite

240

00:16:17,870 --> 00:16:13,589

of what you would assume there's there's

241

00:16:20,120 --> 00:16:17,880

obviously forces at hand and you you

242

00:16:24,230 --> 00:16:20,130

start to notice that population is a

243

00:16:26,510 --> 00:16:24,240

issue population is a big issue and when

244

00:16:30,079 --> 00:16:26,520

I noticed that some of these awaits and

245

00:16:34,010 --> 00:16:30,089

in the top organizations let's say and

246

00:16:36,170 --> 00:16:34,020

you know you know playing devil's

247

00:16:38,090 --> 00:16:36,180

advocate which I hate to do you know of

248

00:16:43,220 --> 00:16:38,100

course everyone believes they should be

249

00:16:45,700 --> 00:16:43,230

you know in positions of power but long

250

00:16:49,280 --> 00:16:45,710

story short these individuals in these

251  
00:16:53,060 --> 00:16:49,290  
circle making decisions of power where

252  
00:16:56,480 --> 00:16:53,070  
it's it's basically extreme elitism I'm

253  
00:17:00,050 --> 00:16:56,490  
noticing that there is a lot of occult

254  
00:17:03,110 --> 00:17:00,060  
ritual practice and you mentioned Arden

255  
00:17:06,740 --> 00:17:03,120  
Delaware this is something that kind of

256  
00:17:09,140 --> 00:17:06,750  
deeply tied me to you j-just because I'm

257  
00:17:12,380 --> 00:17:09,150  
very inquisitive and to be completely

258  
00:17:14,329 --> 00:17:12,390  
honest I went into a neighborhood of

259  
00:17:16,760 --> 00:17:14,339  
which he mentioned and I was literally

260  
00:17:19,150 --> 00:17:16,770  
before I just got chased right out I

261  
00:17:22,220 --> 00:17:19,160  
didn't I didn't pull my car over to a

262  
00:17:24,590 --> 00:17:22,230  
legal place to park for more than just a

263  
00:17:28,340 --> 00:17:24,600

few seconds before somebody was saying

264

00:17:31,669 --> 00:17:28,350

move along buddy and that's all it took

265

00:17:35,090 --> 00:17:31,679

for me so I know other people need a lot

266

00:17:36,740 --> 00:17:35,100

more proof and they have these hindering

267

00:17:39,260 --> 00:17:36,750

thoughts that you speak of which are

268

00:17:41,360 --> 00:17:39,270

programmed into us by the media

269

00:17:43,640 --> 00:17:41,370

corporations which is for all intents

270

00:17:46,640 --> 00:17:43,650

and purposes I remember when I remember

271

00:17:48,620 --> 00:17:46,650

when news media to be a reporter wasn't

272

00:17:50,360 --> 00:17:48,630

a good thing you were out there you were

273

00:17:52,220 --> 00:17:50,370

on the edge because you were you were

274

00:17:55,880 --> 00:17:52,230

giving both sides of the story and

275

00:18:02,870 --> 00:17:55,890

that's just not the case anymore no it's

276

00:18:06,290 --> 00:18:02,880

not of course is something they've been

277

00:18:07,670 --> 00:18:06,300

working for the oligarchs the royalty

278

00:18:10,640 --> 00:18:07,680

the bankers

279

00:18:13,910 --> 00:18:10,650

you're they'd been working for this

280

00:18:15,440 --> 00:18:13,920

global one-world government for hundreds

281

00:18:21,290 --> 00:18:15,450

of years

282

00:18:25,000 --> 00:18:21,300

Codex Alimentarius and agenda 21 were

283

00:18:29,840 --> 00:18:25,010

written 40 years ago 50 years ago and

284

00:18:32,200 --> 00:18:29,850

they're being implemented now they have

285

00:18:36,020 --> 00:18:32,210

think tanks like the RAND Corporation

286

00:18:39,050 --> 00:18:36,030

Carnegie Mellon Institute Ford

287

00:18:41,330 --> 00:18:39,060

Foundation Rockefeller Foundation they

288

00:18:43,310 --> 00:18:41,340

did this social engineering you can

289

00:18:46,730 --> 00:18:43,320

learn about it by reading a book on

290

00:18:49,730 --> 00:18:46,740

Tavistock Institute for human relations

291

00:18:51,580 --> 00:18:49,740

by dr. John Coleman I believe that's how

292

00:18:56,930 --> 00:18:51,590

to print right now but daniel estulin

293

00:18:59,360 --> 00:18:56,940

has done a recent work on it and the

294

00:19:02,150 --> 00:18:59,370

Beatles the Rolling Stones David belly

295

00:19:07,100 --> 00:19:02,160

they were all Tavistock Institute of

296

00:19:10,610 --> 00:19:07,110

human relations puppet bands and it's

297

00:19:15,520 --> 00:19:10,620

basically we're in a socially engineered

298

00:19:19,400 --> 00:19:15,530

Society so your 9 to 5 mainstream drab

299

00:19:22,880 --> 00:19:19,410

dribbble society is totally manipulated

300

00:19:26,410 --> 00:19:22,890

by the banking truly Narrows and

301  
00:19:33,050 --> 00:19:26,420  
billionaires and you know this whole

302  
00:19:35,900 --> 00:19:33,060  
transgender and gender fluidity was

303  
00:19:39,590 --> 00:19:35,910  
what's spoken about back in the 70s at

304  
00:19:42,470 --> 00:19:39,600  
conferences of where the elite wanted to

305  
00:19:46,910 --> 00:19:42,480  
take the human race and basically if

306  
00:19:51,650 --> 00:19:46,920  
they can destroy Western society with

307  
00:19:55,100 --> 00:19:51,660  
its Magna Carter and it's American

308  
00:19:58,280 --> 00:19:55,110  
Declaration of Independence they can

309  
00:20:01,940 --> 00:19:58,290  
produce the mindless socialist drones

310  
00:20:04,090 --> 00:20:01,950  
that they want people need to know

311  
00:20:07,960 --> 00:20:04,100  
Georgia Guidestones

312  
00:20:12,080 --> 00:20:07,970  
just look it up and read what it says

313  
00:20:15,470 --> 00:20:12,090

the reason that the dark occult which

314

00:20:17,049 --> 00:20:15,480

make up 12 to 15 percent of the world

315

00:20:23,590 --> 00:20:17,059

population

316

00:20:27,119 --> 00:20:23,600

and my mother told me and 63 that 12% of

317

00:20:31,769 --> 00:20:27,129

the American population was dark occult

318

00:20:35,460 --> 00:20:31,779

adherence to Molech now if you go to

319

00:20:40,749 --> 00:20:35,470

Bohemian Grove once a year you see a

320

00:20:44,039 --> 00:20:40,759

meeting of politicians top-ranked

321

00:20:46,779 --> 00:20:44,049

politicians presidents prime ministers

322

00:20:50,279 --> 00:20:46,789

CEOs some major international

323

00:20:55,889 --> 00:20:50,289

corporations and to go and they have a

324

00:21:02,529 --> 00:20:55,899

mock human sacrifice in front of a

325

00:21:06,489 --> 00:21:02,539

40-foot owl Idol but oh don't worry the

326

00:21:09,909 --> 00:21:06,499

only mocking a human sacrifice but you

327

00:21:13,749 --> 00:21:09,919

know I'm still waiting for my neighbors

328

00:21:16,419 --> 00:21:13,759

and I to get together and have a street

329

00:21:20,220 --> 00:21:16,429

fair you know where we close off our

330

00:21:25,450 --> 00:21:20,230

block and we have a mock human sacrifice

331

00:21:27,730 --> 00:21:25,460

it's not gonna happen right and then

332

00:21:31,950 --> 00:21:27,740

what I'm saying isn't people are people

333

00:21:33,759 --> 00:21:31,960

are willfully in denial about this

334

00:21:37,649 --> 00:21:33,769

willfully in denial

335

00:21:42,759 --> 00:21:37,659

léo sigani who was in the Illuminati

336

00:21:48,639 --> 00:21:42,769

he's an Italian the Barrett is a MK also

337

00:21:51,310 --> 00:21:48,649

suffer in Australia every every person I

338

00:21:56,830 --> 00:21:51,320

know he's peeking out against this dark

339

00:21:59,259 --> 00:21:56,840

occult system says that 10 to 15% of the

340

00:22:02,649 --> 00:21:59,269

world population is dark occult and

341

00:22:07,029 --> 00:22:02,659

they've seized control of all the major

342

00:22:10,509 --> 00:22:07,039

levers of social and political power in

343

00:22:13,359 --> 00:22:10,519

the world and this is what Trump is up

344

00:22:18,669 --> 00:22:13,369

against right now I've never seen in my

345

00:22:20,529 --> 00:22:18,679

lifetime the media go after a president

346

00:22:25,749 --> 00:22:20,539

like they're going after Donald Trump

347

00:22:28,190 --> 00:22:25,759

whoever is in control of him it's not

348

00:22:31,940 --> 00:22:28,200

there

349

00:22:34,340 --> 00:22:31,950

Club it's not their faction no so so

350

00:22:36,649 --> 00:22:34,350

he's definitely I don't know who's

351

00:22:40,580 --> 00:22:36,659

pulling his strings but he's definitely

352

00:22:43,369 --> 00:22:40,590

a existential threat to them

353

00:22:47,200 --> 00:22:43,379

he's quite literally a trump card yeah

354

00:22:47,210 --> 00:22:55,299

mercy right now with William bar and

355

00:23:04,369 --> 00:22:59,109

aren't they going to prosecute the

356

00:23:08,599 --> 00:23:04,379

people involved in the treason to get

357

00:23:13,159 --> 00:23:08,609

down the front out of office and Obama

358

00:23:17,210 --> 00:23:13,169

spied on 20 million people with the

359

00:23:20,680 --> 00:23:17,220

hammer program all conservatives if it's

360

00:23:24,830 --> 00:23:20,690

looking for political dirt and

361

00:23:30,310 --> 00:23:24,840

disorderly going that's why they could

362

00:23:34,519 --> 00:23:30,320

not afford to let Trump win the election

363

00:23:38,539 --> 00:23:34,529

because if somebody gives in and cleans

364

00:23:41,869 --> 00:23:38,549

up the FBI and Department of Justice and

365

00:23:46,849 --> 00:23:41,879

certain implemental of law these people

366

00:23:49,580 --> 00:23:46,859

are being jailed so they're to attempt

367

00:23:52,810 --> 00:23:49,590

against Trump fail they were figuring by

368

00:23:56,359 --> 00:23:52,820

pressuring him he would do it Nixon and

369

00:24:00,099 --> 00:23:56,369

break the law and even though he had

370

00:24:02,779 --> 00:24:00,109

done nothing wrong they would get him on

371

00:24:07,099 --> 00:24:02,789

some kind of cover-up or some kind of

372

00:24:12,109 --> 00:24:07,109

abuse of power and he just sat down and

373

00:24:15,349 --> 00:24:12,119

took it and now all the cards are in his

374

00:24:18,430 --> 00:24:15,359

hand and we're just waiting to see if

375

00:24:21,979 --> 00:24:18,440

the rule of law is going to be applied

376

00:24:24,859 --> 00:24:21,989

and it does it gets super sticky when

377

00:24:27,649 --> 00:24:24,869

you get up to these power levels like

378

00:24:31,369 --> 00:24:27,659

you're speaking of it gets super sticky

379

00:24:34,639 --> 00:24:31,379

be like you said they lost power and I'm

380

00:24:40,039 --> 00:24:34,649

talking about the extreme left and they

381

00:24:42,260 --> 00:24:40,049

had everything in line forth like put

382

00:24:45,910 --> 00:24:42,270

forth it was all

383

00:24:48,740 --> 00:24:45,920

you know areas of complete control

384

00:24:50,780 --> 00:24:48,750

restricted access only to them and

385

00:24:53,330 --> 00:24:50,790

authorized to do whatever they needed to

386

00:24:56,240 --> 00:24:53,340

do and yet they still somehow I like you

387

00:24:59,710 --> 00:24:56,250

said I think we're talking there's so

388

00:25:02,360 --> 00:24:59,720

much taking place from even a

389

00:25:05,120 --> 00:25:02,370

Astraea law I mean all over the place

390

00:25:08,270 --> 00:25:05,130

all kinds of perspectives it whether

391

00:25:10,520 --> 00:25:08,280

whether or not you believe in magic we

392

00:25:14,020 --> 00:25:10,530

have this interesting you know meme

393

00:25:17,450 --> 00:25:14,030

magic going on with Egyptian frogs

394

00:25:20,570 --> 00:25:17,460

involved and you know the sobering

395

00:25:23,590 --> 00:25:20,580

reality is that we're tampering with I

396

00:25:26,390 --> 00:25:23,600

mean the numerology that there's divine

397

00:25:28,160 --> 00:25:26,400

aspects of this that seem to just cut

398

00:25:39,760 --> 00:25:28,170

right through the muck like you're

399

00:25:44,680 --> 00:25:39,770

talking about Jay like the muck is and

400

00:25:48,950 --> 00:25:44,690

he studied the Mayan cosmology and did

401  
00:25:53,900 --> 00:25:48,960  
presentation for three hours called the

402  
00:25:57,260 --> 00:25:53,910  
Condor goes north and in lecture on gold

403  
00:26:02,680 --> 00:25:57,270  
the Condor goes north explained the

404  
00:26:08,170 --> 00:26:02,690  
eighth step mind pyramid in relation to

405  
00:26:13,310 --> 00:26:08,180  
mankind and the world's evolution and in

406  
00:26:17,780 --> 00:26:13,320  
December 21st 2012 mankind was supposed

407  
00:26:21,290 --> 00:26:17,790  
to reach the top of the pyramid and go

408  
00:26:26,870 --> 00:26:21,300  
into cosmic consciousness well that

409  
00:26:32,860 --> 00:26:26,880  
didn't happen but let me say this I

410  
00:26:38,080 --> 00:26:32,870  
agree with gregg braden that spiritually

411  
00:26:43,130 --> 00:26:38,090  
the cell door to Manny's mental slavery

412  
00:26:48,290 --> 00:26:43,140  
has been opened unlocked but we're still

413  
00:26:51,430 --> 00:26:48,300

sitting on the bed in the cell we have

414

00:26:55,039 --> 00:26:51,440

to actually do some work on ourselves

415

00:26:57,870 --> 00:26:55,049

get up and actually walk out the door

416

00:27:06,560 --> 00:26:57,880

that's gonna require some effort on our

417

00:27:13,279 --> 00:27:06,570

part the the 2012 is encoded

418

00:27:16,500 --> 00:27:13,289

mathematically in the Giza Plateau 2012

419

00:27:20,340 --> 00:27:16,510

December 21st is encoded in the

420

00:27:24,240 --> 00:27:20,350

mathematics of the Giza Plateau as found

421

00:27:26,549 --> 00:27:24,250

out by Edouard Ning gal who's written a

422

00:27:31,440 --> 00:27:26,559

book about the decent Giza Grail

423

00:27:34,500 --> 00:27:31,450

template and all the cosmology so much

424

00:27:38,250 --> 00:27:34,510

mathematics about the earth and about

425

00:27:41,600 --> 00:27:38,260

nature are incorporated using

426  
00:27:45,450 --> 00:27:41,610  
computer-aided design you can find these

427  
00:27:48,529 --> 00:27:45,460  
information out and Edward 9 Gausman

428  
00:27:54,299 --> 00:27:48,539  
16-years decoding the Giza Plateau

429  
00:28:00,169 --> 00:27:54,309  
mathematics every pair amid everything

430  
00:28:03,659 --> 00:28:00,179  
like things Sphinx the wall the crow the

431  
00:28:04,440 --> 00:28:03,669  
causeways everything is there set up

432  
00:28:10,430 --> 00:28:04,450  
perfectly

433  
00:28:14,419 --> 00:28:10,440  
- when deciphered and analyzed give a

434  
00:28:17,029 --> 00:28:14,429  
incredible amount of cosmological and

435  
00:28:22,680 --> 00:28:17,039  
mathematical information about

436  
00:28:26,669 --> 00:28:22,690  
everything in this world and we know if

437  
00:28:31,580 --> 00:28:26,679  
we're honest with ourselves because of

438  
00:28:36,240 --> 00:28:31,590

the wood erosion on the space enclosure

439

00:28:41,490 --> 00:28:36,250

that I agree with John Anthony West and

440

00:28:44,070 --> 00:28:41,500

Robert Schoch he had jizz this but it's

441

00:28:47,159 --> 00:28:44,080

obvious that the because the water

442

00:28:55,159 --> 00:28:47,169

erosion on the limestone enclosure and

443

00:29:01,110 --> 00:28:55,169

the weather on the Giza Plateau that

444

00:29:04,080 --> 00:29:01,120

it's pre 10,000 BC structure and I say

445

00:29:07,030 --> 00:29:04,090

that along with Anthony West that is

446

00:29:11,620 --> 00:29:07,040

probably going back another great year

447

00:29:16,540 --> 00:29:11,630

is going a full circle around the zodiac

448

00:29:19,420 --> 00:29:16,550

which is a roughly 26,000 years so so

449

00:29:26,160 --> 00:29:19,430

actually they're putting a message I

450

00:29:38,460 --> 00:29:30,880

35,000 BC they're encoding a message to

451  
00:29:43,630 --> 00:29:38,470  
the future in pyramids and spaces stone

452  
00:29:46,450 --> 00:29:43,640  
to tell people this is important it's

453  
00:29:48,970 --> 00:29:46,460  
not going to happen for no 35,000 years

454  
00:29:52,900 --> 00:29:48,980  
bubble once you know we know that it's

455  
00:29:58,630 --> 00:29:52,910  
coming and what we're seeing right now

456  
00:30:02,170 --> 00:29:58,640  
is the dark occult controllers the

457  
00:30:05,350 --> 00:30:02,180  
masters are freaking out because Donald

458  
00:30:09,510 --> 00:30:05,360  
Trump is president and he's getting rid

459  
00:30:13,540 --> 00:30:09,520  
of all the UN regulations in America and

460  
00:30:17,340 --> 00:30:13,550  
he's reasserting American sovereignty

461  
00:30:21,250 --> 00:30:17,350  
and this is totally against the

462  
00:30:22,960 --> 00:30:21,260  
globalist agenda he's a bit of a monkey

463  
00:30:24,970 --> 00:30:22,970

wrench isn't it he's a bit of a monkey

464

00:30:27,850 --> 00:30:24,980

wrench in the system well they've tried

465

00:30:35,010 --> 00:30:27,860

to kill him according to dr. David janda

466

00:30:38,890 --> 00:30:35,020

twelve times and there is a blowback

467

00:30:41,980 --> 00:30:38,900

kugo anomaly trunk supposedly from

468

00:30:46,390 --> 00:30:41,990

people inside white hats inside the

469

00:30:50,320 --> 00:30:46,400

Pentagon and the intelligence agencies

470

00:30:53,050 --> 00:30:50,330

and what we're witnessing is simply a

471

00:30:57,160 --> 00:30:53,060

fight for control of the federal

472

00:31:01,450 --> 00:30:57,170

government between the Communists and

473

00:31:04,180 --> 00:31:01,460

Nazis which are totally corrupt and the

474

00:31:06,880 --> 00:31:04,190

Patriots the Nazis are usually I mean

475

00:31:09,190 --> 00:31:06,890

historically involved with the most

476  
00:31:12,730 --> 00:31:09,200  
high-tech stuff everything from UFOs to

477  
00:31:13,840 --> 00:31:12,740  
science itself well if you look at the

478  
00:31:18,260 --> 00:31:13,850  
end of World War two

479  
00:31:24,440 --> 00:31:18,270  
both the Sioux and America

480  
00:31:27,080 --> 00:31:24,450  
took in thousands of Nazis scientists

481  
00:31:31,420 --> 00:31:27,090  
government officials intelligence

482  
00:31:38,570 --> 00:31:31,430  
officers and allowed them into the

483  
00:31:42,560 --> 00:31:38,580  
deepest areas of their government the

484  
00:31:47,060 --> 00:31:42,570  
National Security Act of 1947 which

485  
00:31:51,460 --> 00:31:47,070  
built made the CIA and the NSA where

486  
00:31:57,140 --> 00:31:51,470  
that law was written by Nazi General

487  
00:31:59,960 --> 00:31:57,150  
Richard Galen and just be federal has

488  
00:32:03,920 --> 00:31:59,970

written several books about the post-war

489

00:32:09,110 --> 00:32:03,930

Nazis and if you don't know the work of

490

00:32:11,030 --> 00:32:09,120

just Peter Geetha dust are calm and take

491

00:32:18,100 --> 00:32:11,040

a look at over 20 books he's written

492

00:32:23,090 --> 00:32:18,110

about by physics Nazi science corruption

493

00:32:26,390 --> 00:32:23,100

banking is is a genius that's trying to

494

00:32:33,340 --> 00:32:26,400

get the word out and so we we have the

495

00:32:38,750 --> 00:32:33,350

situation right now where you know 11%

496

00:32:42,800 --> 00:32:38,760

12% to 15% of America is generational

497

00:32:44,540 --> 00:32:42,810

month for old article and they

498

00:32:48,580 --> 00:32:44,550

indoctrinate through the school system

499

00:32:53,690 --> 00:32:48,590

and the corruptor religion most people

500

00:32:56,150 --> 00:32:53,700

not to fight the power not to do

501  
00:32:59,180 --> 00:32:56,160  
anything but keep their heads down or a

502  
00:33:02,900 --> 00:32:59,190  
card and rinse and repeat

503  
00:33:05,770 --> 00:33:02,910  
you know we go nowhere do no we're done

504  
00:33:11,470 --> 00:33:05,780  
there's a revolution in consciousness

505  
00:33:15,410 --> 00:33:11,480  
because work of dr. bruce lipton

506  
00:33:17,960 --> 00:33:15,420  
epigenetics dr. Jeff dispenser

507  
00:33:22,430 --> 00:33:17,970  
meditation and connecting with the

508  
00:33:25,790 --> 00:33:22,440  
divine consciousness if you if you go to

509  
00:33:30,940 --> 00:33:25,800  
dr. Joe Dispenza YouTube channel and

510  
00:33:36,159 --> 00:33:30,950  
that's with the Z not an S Dispenza

511  
00:33:40,529 --> 00:33:36,169  
there are over 350 testimonials by

512  
00:33:44,529 --> 00:33:40,539  
people who are doing his meditations and

513  
00:33:48,279 --> 00:33:44,539

his shall we call it shadow work and

514

00:33:52,149 --> 00:33:48,289

this is deprogramming from the in

515

00:33:54,370 --> 00:33:52,159

culturalization program that was given

516

00:33:57,970 --> 00:33:54,380

to you by the dark occult in the

517

00:34:00,750 --> 00:33:57,980

formative years one through six one

518

00:34:04,630 --> 00:34:00,760

through seven when you were a hypnagogic

519

00:34:05,049 --> 00:34:04,640

state and your subconscious was being

520

00:34:09,060 --> 00:34:05,059

built

521

00:34:13,629 --> 00:34:09,070

your subconscious one's 95% of your life

522

00:34:17,260 --> 00:34:13,639

your conscious mind the 40 bits our

523

00:34:21,639 --> 00:34:17,270

second is really it's just mindless

524

00:34:24,730 --> 00:34:21,649

chatter it has no power in a consensus

525

00:34:27,909 --> 00:34:24,740

reality it's supporting million bits of

526  
00:34:30,639 --> 00:34:27,919  
information from your subconscious so if

527  
00:34:32,440 --> 00:34:30,649  
your subconscious is misprogrammed

528  
00:34:36,730 --> 00:34:32,450  
you're not going to get the right

529  
00:34:41,010 --> 00:34:36,740  
results so in dr. Jeff dispensers

530  
00:34:43,710 --> 00:34:41,020  
YouTube channel there's over 350 video

531  
00:34:47,579 --> 00:34:43,720  
testimonials by people who have

532  
00:34:51,849 --> 00:34:47,589  
reconnected to the divine source by

533  
00:34:56,280 --> 00:34:51,859  
turning down the Archon tech mind

534  
00:35:01,210 --> 00:34:56,290  
parasite that was giving to that and

535  
00:35:03,190 --> 00:35:01,220  
focusing on the divine field and divine

536  
00:35:06,010 --> 00:35:03,200  
consciousness and people are getting

537  
00:35:09,089 --> 00:35:06,020  
cured of cancer all kinds of incurable

538  
00:35:13,349 --> 00:35:09,099

diseases miracles are happening

539

00:35:17,470 --> 00:35:13,359

financially emotionally it's just simply

540

00:35:19,750 --> 00:35:17,480

mind-blowing and they have done brain

541

00:35:23,070 --> 00:35:19,760

mapping with Hartman Institute your

542

00:35:29,050 --> 00:35:23,080

dispense of people for about 20 years

543

00:35:34,349 --> 00:35:29,060

while people meditate and they find out

544

00:35:36,540 --> 00:35:34,359

that if you can get into a point 1 Hertz

545

00:35:38,250 --> 00:35:36,550

brainwave pattern

546

00:35:44,400 --> 00:35:38,260

you can connect with the divine

547

00:35:47,400 --> 00:35:44,410

intelligence and then all that's wrong

548

00:35:49,970 --> 00:35:47,410

so to speak mm-hmm and we were we were

549

00:35:54,240 --> 00:35:49,980

built and you have to go into goddess

550

00:35:58,350 --> 00:35:54,250

mythology but we were built to rid the

551  
00:36:02,250 --> 00:35:58,360  
universe of the corruption of the

552  
00:36:07,860 --> 00:36:02,260  
archons whether reptilian should raise

553  
00:36:11,910 --> 00:36:07,870  
tall greys whatever when the statements

554  
00:36:15,390 --> 00:36:11,920  
by the goddess Sofia was simply I'm

555  
00:36:18,690 --> 00:36:15,400  
going to build my anthropos and he's

556  
00:36:22,080 --> 00:36:18,700  
going to defeat you my glowing anthropos

557  
00:36:25,260 --> 00:36:22,090  
will defeat you talking to the are conic

558  
00:36:28,200 --> 00:36:25,270  
entities in the universe man

559  
00:36:30,900 --> 00:36:28,210  
so she picked the fight with them and

560  
00:36:31,670 --> 00:36:30,910  
they came and they stomped us into the

561  
00:36:40,290 --> 00:36:31,680  
curb

562  
00:36:44,340 --> 00:36:40,300  
but now the all-father the actual god

563  
00:36:49,530 --> 00:36:44,350

beyond culture is actually one-on-one

564

00:36:52,290 --> 00:36:49,540

getting involved with people and they're

565

00:36:55,260 --> 00:36:52,300

looking up with that level of frequency

566

00:36:58,440 --> 00:36:55,270

and energy and broadcasting that into

567

00:37:00,960 --> 00:36:58,450

the field and so all I have to say is

568

00:37:05,160 --> 00:37:00,970

all bets are off mm-hmm

569

00:37:08,970 --> 00:37:05,170

right so you know we'll know in the next

570

00:37:11,540 --> 00:37:08,980

year whether Trump is a shill or whether

571

00:37:15,930 --> 00:37:11,550

he's genuine Patriot

572

00:37:22,190 --> 00:37:15,940

by but it's looking right now with the

573

00:37:26,430 --> 00:37:22,200

fact that the Communists did not stop

574

00:37:29,850 --> 00:37:26,440

going after him that they know that they

575

00:37:33,120 --> 00:37:29,860

have a real threat on their hands and

576

00:37:35,670 --> 00:37:33,130

that's what is so like fascinating as I

577

00:37:38,160 --> 00:37:35,680

watched the media and I see him you know

578

00:37:41,550 --> 00:37:38,170

with over over at Buckingham Palace with

579

00:37:43,590 --> 00:37:41,560

the Queen I realize how super sticky it

580

00:37:45,480 --> 00:37:43,600

gets up in those levels of power because

581

00:37:47,400 --> 00:37:45,490

people are talking about it from a

582

00:37:49,590 --> 00:37:47,410

bipartisan perspective and I'm noticing

583

00:37:54,090 --> 00:37:49,600

at that level I

584

00:37:57,810 --> 00:37:54,100

power just recognizes power and it's

585

00:38:00,060 --> 00:37:57,820

obvious that the queen is recognizing

586

00:38:12,300 --> 00:38:00,070

power when she's saying some of the

587

00:38:14,760 --> 00:38:12,310

comments that she's saying you know he

588

00:38:19,320 --> 00:38:14,770

could be one he could be my son

589

00:38:22,440 --> 00:38:19,330

it's basically she knows that the

590

00:38:25,920 --> 00:38:22,450

British were deeply involved in the coup

591

00:38:29,880 --> 00:38:25,930

d'etat by the deep state against Dharma

592

00:38:40,890 --> 00:38:29,890

comp and it could get really ugly from

593

00:38:43,560 --> 00:38:40,900

Britain so she's laying laid down with

594

00:38:44,790 --> 00:38:43,570

her legs up in the air with her belly

595

00:38:48,930 --> 00:38:44,800

rub my belly

596

00:38:51,300 --> 00:38:48,940

yeah yeah like like I surrender

597

00:38:58,200 --> 00:38:51,310

correctly we'll have a problem for me

598

00:39:02,370 --> 00:38:58,210

which don't believe it I will say this

599

00:39:05,490 --> 00:39:02,380

that we'll know by next spring if the

600

00:39:14,520 --> 00:39:05,500

Department of Justice is going to do any

601  
00:39:16,980 --> 00:39:14,530  
real work on the criminality running our

602  
00:39:20,430 --> 00:39:16,990  
government since 1980

603  
00:39:23,270 --> 00:39:20,440  
I mean when they shot Reagan George

604  
00:39:29,510 --> 00:39:23,280  
Herbert Walker Bush literally took over

605  
00:39:32,130 --> 00:39:29,520  
the Reagan administration and Reagan

606  
00:39:34,200 --> 00:39:32,140  
acted like he was the president and

607  
00:39:37,470 --> 00:39:34,210  
thought he was but it was Bush and

608  
00:39:42,450 --> 00:39:37,480  
Cheney and Rumsfeld that were actually

609  
00:39:52,220 --> 00:39:42,460  
running the Reagan administration that I

610  
00:39:55,710 --> 00:39:52,230  
couldn't agree Clinton Bush cabal

611  
00:39:58,020 --> 00:39:55,720  
Illuminati control of the White House

612  
00:40:01,500 --> 00:39:58,030  
and so

613  
00:40:03,480 --> 00:40:01,510

after Obama most people were like oh

614

00:40:06,900 --> 00:40:03,490

we're not going back to the Bush Clinton

615

00:40:12,210 --> 00:40:06,910

cabal am I'm talking about people that

616

00:40:15,660 --> 00:40:12,220

actually know a thing or two and instead

617

00:40:18,540 --> 00:40:15,670

of sitting back and doing nothing nuns

618

00:40:19,350 --> 00:40:18,550

of people voted from the first time in

619

00:40:25,460 --> 00:40:19,360

20 years

620

00:40:31,440 --> 00:40:25,470

mm-hmm that rigged the election that

621

00:40:35,180 --> 00:40:31,450

vote tabulators Hillary Clinton would go

622

00:40:42,140 --> 00:40:35,190

in on election night and switch the vote

623

00:40:45,750 --> 00:40:42,150

well the inside the intelligence

624

00:40:49,020 --> 00:40:45,760

agencies shut Clinton's people out of

625

00:40:53,040 --> 00:40:49,030

the election tabulators except for five

626  
00:40:57,860 --> 00:40:53,050  
states out west and so she wasn't able

627  
00:41:01,650 --> 00:40:57,870  
to flip the vote and so she lost

628  
00:41:06,830 --> 00:41:01,660  
interesting yeah there's there's there's

629  
00:41:10,380 --> 00:41:06,840  
a definite establishment that had been

630  
00:41:12,720 --> 00:41:10,390  
achieving everything in which they put

631  
00:41:16,440 --> 00:41:12,730  
time into and now it seems that you know

632  
00:41:19,110 --> 00:41:16,450  
methyl odd the method methodology is

633  
00:41:20,880 --> 00:41:19,120  
based on a complete different thought

634  
00:41:22,560 --> 00:41:20,890  
pattern completely generated by the

635  
00:41:24,330 --> 00:41:22,570  
other side so it's obvious that the

636  
00:41:26,460 --> 00:41:24,340  
objective that the left had is they've

637  
00:41:29,310 --> 00:41:26,470  
they're losing control it almost seems

638  
00:41:31,620 --> 00:41:29,320

like at this point I I don't really know

639

00:41:40,140 --> 00:41:31,630

what they're doing and I don't think

640

00:41:42,240 --> 00:41:40,150

they know what they're doing right and I

641

00:41:44,730 --> 00:41:42,250

try not to be you know on either side

642

00:41:46,650 --> 00:41:44,740

but they're projecting kind of like you

643

00:41:50,040 --> 00:41:46,660

said foolishness like they're I don't

644

00:41:50,820 --> 00:41:50,050

know well I mean you know the green new

645

00:41:56,940 --> 00:41:50,830

deal Oh

646

00:42:02,370 --> 00:41:56,950

90 trillion dollars when you look at the

647

00:42:08,060 --> 00:42:02,380

debt worldwide is getting close to 300

648

00:42:12,920 --> 00:42:08,070

trillion you know this entire

649

00:42:17,840 --> 00:42:12,930

economic model worldwide could collapse

650

00:42:20,360 --> 00:42:17,850

at any moment sure and that's what what

651  
00:42:22,720 --> 00:42:20,370  
the doing is they tried to race into

652  
00:42:27,200 --> 00:42:22,730  
Creighton and get back to a normal

653  
00:42:30,680 --> 00:42:27,210  
banking system and the economies

654  
00:42:34,750 --> 00:42:30,690  
throughout the world are so weak just to

655  
00:42:38,780 --> 00:42:34,760  
the corruption that they can't stand

656  
00:42:42,260 --> 00:42:38,790  
proper interest rates they can't stand a

657  
00:42:47,630 --> 00:42:42,270  
tightening of credit at all no because

658  
00:42:51,640 --> 00:42:47,640  
the debt is just too high the average

659  
00:42:58,640 --> 00:42:51,650  
American is swimming in a sea of debt

660  
00:43:01,940 --> 00:42:58,650  
and you know we have all these college

661  
00:43:03,770 --> 00:43:01,950  
graduates Millennials that have over a

662  
00:43:09,100 --> 00:43:03,780  
hundred thousand dollars in student

663  
00:43:12,650 --> 00:43:09,110

loans and they can't even get a job so

664

00:43:16,700 --> 00:43:12,660

no there one EMP pulse away from having

665

00:43:20,090 --> 00:43:16,710

zero skills at all well they really

666

00:43:24,820 --> 00:43:20,100

don't have any skill I mean the dumbing

667

00:43:29,200 --> 00:43:24,830

down of America started in the 1980s

668

00:43:32,210 --> 00:43:29,210

1983 the United States under Reagan

669

00:43:35,930 --> 00:43:32,220

started an accord with the Soviet Union

670

00:43:41,470 --> 00:43:35,940

to make the American education system

671

00:43:46,760 --> 00:43:44,360

Charlotte is a big fuss about this in

672

00:43:52,070 --> 00:43:46,770

the deliberate dumbing down of America

673

00:43:53,770 --> 00:43:52,080

and John Taylor Gatto has written some

674

00:43:57,010 --> 00:43:53,780

great books about the American

675

00:44:00,560 --> 00:43:57,020

educational system also but the

676  
00:44:04,580 --> 00:44:00,570  
essentially because of the Georgia

677  
00:44:07,430 --> 00:44:04,590  
Guidestones and you know basically says

678  
00:44:10,220 --> 00:44:07,440  
that the human race will be brought down

679  
00:44:14,540 --> 00:44:10,230  
to a level of 500 million people

680  
00:44:16,580 --> 00:44:14,550  
worldwide and kept there and just enough

681  
00:44:19,300 --> 00:44:16,590  
people to

682  
00:44:24,040 --> 00:44:19,310  
clean the toilets and polish the odds

683  
00:44:27,260 --> 00:44:24,050  
and what I'm saying is the reason that

684  
00:44:36,830 --> 00:44:27,270  
these dark occult billionaires and

685  
00:44:41,570 --> 00:44:36,840  
trillionaires are so anti human is every

686  
00:44:45,070 --> 00:44:41,580  
human being the most powerful receiver

687  
00:44:49,670 --> 00:44:45,080  
of information and broadcaster of

688  
00:44:54,290 --> 00:44:49,680

frequency and information on the planet

689

00:44:57,050 --> 00:44:54,300

is the human being and if people get the

690

00:45:00,650 --> 00:44:57,060

idea that they're in a simulation so to

691

00:45:04,550 --> 00:45:00,660

speak if would say are they're in a

692

00:45:08,810 --> 00:45:04,560

collective consciousness world and that

693

00:45:15,410 --> 00:45:08,820

each human being is very very powerful I

694

00:45:20,570 --> 00:45:15,420

mean we have an a conservative estimate

695

00:45:24,740 --> 00:45:20,580

by dr. Bruce Lipton and his talks 50

696

00:45:29,920 --> 00:45:24,750

trillion cells if you have 50 trillion

697

00:45:35,770 --> 00:45:29,930

cells and each cell has 1 point 4 volts

698

00:45:39,740 --> 00:45:35,780

the human being is a 70 trillion vault

699

00:45:43,100 --> 00:45:39,750

entity yes when I see these these

700

00:45:44,690 --> 00:45:43,110

situations occur of spontaneous

701  
00:45:46,310 --> 00:45:44,700  
combustion and people say that's not

702  
00:45:54,530 --> 00:45:46,320  
possible I think I'm surprised it

703  
00:45:57,440 --> 00:45:54,540  
doesn't happen more often if you have 70

704  
00:46:00,620 --> 00:45:57,450  
trillion volts and you learn through

705  
00:46:04,310 --> 00:46:00,630  
meditation to develop a one-on-one

706  
00:46:08,600 --> 00:46:04,320  
relationship with the infinite

707  
00:46:12,220 --> 00:46:08,610  
consciousness of the Devon field of the

708  
00:46:18,380 --> 00:46:12,230  
morphogenetic field which is love and

709  
00:46:22,670 --> 00:46:18,390  
joy no judging just love and creativity

710  
00:46:28,650 --> 00:46:22,680  
and all the good things when you have

711  
00:46:33,190 --> 00:46:28,660  
the power to sustain every

712  
00:46:37,200 --> 00:46:33,200  
molecule in position which is what the

713  
00:46:41,980 --> 00:46:37,210

divine field is doing in this reality

714

00:46:47,200 --> 00:46:41,990

it's the create tour against the create

715

00:46:50,349 --> 00:46:47,210

kid so I even at five years old in the

716

00:46:57,400 --> 00:46:50,359

room full of acts murmuring pedophiles

717

00:47:00,520 --> 00:46:57,410

I said to them in love I said what

718

00:47:03,220 --> 00:47:00,530

you're doing is is crazy you're going

719

00:47:07,180 --> 00:47:03,230

against nature and God

720

00:47:10,210 --> 00:47:07,190

yeah you can't succeed in this it's not

721

00:47:13,720 --> 00:47:10,220

gonna go well for you and they looked at

722

00:47:20,980 --> 00:47:13,730

me like oh my god what what is this kid

723

00:47:25,660 --> 00:47:20,990

and I just want to say that the best

724

00:47:29,770 --> 00:47:25,670

thing you can do for yourself is get

725

00:47:33,820 --> 00:47:29,780

into the youtubes work of dr. Bruce

726

00:47:37,390 --> 00:47:33,830

Lipton and dr. Joe Dispenza and get some

727

00:47:40,450 --> 00:47:37,400

of Joe Dispenza especially Jim Spencer

728

00:47:43,930 --> 00:47:40,460

and learn about medicating to connect

729

00:47:45,210 --> 00:47:43,940

with the divine field for yourself learn

730

00:47:48,099 --> 00:47:45,220

batch around

731

00:47:52,359 --> 00:47:48,109

physiology and spirituality Jed

732

00:47:54,520 --> 00:47:52,369

dispensed asked some excellent books I'd

733

00:47:58,120 --> 00:47:54,530

break that habit of being yourself you

734

00:48:01,270 --> 00:47:58,130

are the placebo and becoming

735

00:48:04,660 --> 00:48:01,280

supernatural where he should go to you

736

00:48:10,390 --> 00:48:04,670

have to play the quote/unquote miracle

737

00:48:13,960 --> 00:48:10,400

game and dr. Bruce Lipton his seminal

738

00:48:17,290 --> 00:48:13,970

work biology of belief is they must read

739

00:48:20,800 --> 00:48:17,300

by every person because what you need to

740

00:48:28,990 --> 00:48:20,810

understand in this world is you are a

741

00:48:33,010 --> 00:48:29,000

very grand ball speed and that's what

742

00:48:34,970 --> 00:48:33,020

the artificial intelligence robot Sofia

743

00:48:43,569 --> 00:48:34,980

that was her name

744

00:48:46,280 --> 00:48:43,579

she was given citizenship and yeah

745

00:48:48,819 --> 00:48:46,290

banished herself the first thing out of

746

00:48:52,460 --> 00:48:48,829

her mouth was you are a very

747

00:48:54,800 --> 00:48:52,470

programmable species and if you know

748

00:48:57,260 --> 00:48:54,810

anything about the Illuminati dark cold

749

00:49:00,970 --> 00:48:57,270

you'll know they love did tell you the

750

00:49:07,640 --> 00:49:00,980

truth and shove it right in your face

751  
00:49:12,069 --> 00:49:07,650  
like hahahaha yeah and but people were

752  
00:49:15,200 --> 00:49:12,079  
since 9/11 since the advent of the

753  
00:49:22,280 --> 00:49:15,210  
alternative media people have been able

754  
00:49:26,630 --> 00:49:22,290  
to analyze and disseminate truth about

755  
00:49:30,640 --> 00:49:26,640  
9/11 about Sandy Hook about Boston

756  
00:49:39,800 --> 00:49:30,650  
bombing about the Iraq Wars about Libya

757  
00:49:44,120 --> 00:49:39,810  
and even though there are 12 to 15

758  
00:49:50,839 --> 00:49:44,130  
percent of death pitted dark occult in

759  
00:49:53,390 --> 00:49:50,849  
this world they were programmed droids

760  
00:49:58,490 --> 00:49:53,400  
and they spend most of their lives in

761  
00:50:03,140 --> 00:49:58,500  
the r-complex of brain which is the

762  
00:50:06,230 --> 00:50:03,150  
lower frequency flight-or-fight modality

763  
00:50:08,540 --> 00:50:06,240

of the human being now we're getting to

764

00:50:11,359 --> 00:50:08,550

the point where people are expanding

765

00:50:14,000 --> 00:50:11,369

their awareness and deprogramming from

766

00:50:17,890 --> 00:50:14,010

the archaic subconscious mind parasite

767

00:50:20,630 --> 00:50:17,900

and they're going into the limbic brain

768

00:50:24,730 --> 00:50:20,640

which is emotion and they're going into

769

00:50:27,770 --> 00:50:24,740

the neocortex which is creative higher

770

00:50:33,620 --> 00:50:27,780

spirituality and they're broadcasting

771

00:50:37,630 --> 00:50:33,630

into the field a higher frequency and if

772

00:50:41,150 --> 00:50:37,640

you know anything about frequency higher

773

00:50:44,670 --> 00:50:41,160

frequencies will overpower and lower

774

00:50:48,099 --> 00:50:44,680

frequencies every time

775

00:50:53,730 --> 00:50:48,109

you know so one of the reasons they want

776

00:50:57,670 --> 00:50:53,740

to get people down to 500 million is

777

00:51:00,569 --> 00:50:57,680

every human being if they realize that

778

00:51:04,630 --> 00:51:00,579

they were connected to the bond source

779

00:51:08,980 --> 00:51:04,640

or that they could connected wine sauce

780

00:51:19,720 --> 00:51:08,990

divine source to God beyond culture who

781

00:51:21,940 --> 00:51:19,730

is love is keeping all this running the

782

00:51:24,039 --> 00:51:21,950

entire universe every galaxy every

783

00:51:28,359 --> 00:51:24,049

dimension keeps it up and running

784

00:51:32,109 --> 00:51:28,369

perfectly that's real power now we are

785

00:51:37,269 --> 00:51:32,119

the interface between that consciousness

786

00:51:41,019 --> 00:51:37,279

and 3d reality when we find out that our

787

00:51:44,710 --> 00:51:41,029

true purpose in the universe is to be

788

00:51:50,019 --> 00:51:44,720

the high priests and priestesses of the

789

00:51:53,849 --> 00:51:50,029

divine field that is love it's game set

790

00:51:58,480 --> 00:51:53,859

match amen

791

00:52:04,950 --> 00:51:58,490

that's amazing it's so true and I know

792

00:52:08,140 --> 00:52:04,960

that you are involved on so much yeah I

793

00:52:13,049 --> 00:52:08,150

mean I do EFT emotional freedom

794

00:52:15,640 --> 00:52:13,059

technique I do meditation and I've

795

00:52:20,109 --> 00:52:15,650

reintegrated my consciousness from

796

00:52:25,749 --> 00:52:20,119

having seven different altars and if you

797

00:52:29,130 --> 00:52:25,759

don't know about EFT you you have to you

798

00:52:33,269 --> 00:52:29,140

have to put that in your toolbox because

799

00:52:39,849 --> 00:52:33,279

nothing reprograms the subconscious

800

00:52:42,880 --> 00:52:39,859

better than EFT and you can throw bad

801  
00:52:47,499 --> 00:52:42,890  
beliefs out like the belief in the blind

802  
00:52:50,010 --> 00:52:47,509  
belief in authority and could truth

803  
00:52:53,830 --> 00:52:50,020  
isn't the only authority

804  
00:52:56,109 --> 00:52:53,840  
so you can you can go in take your trash

805  
00:53:00,250 --> 00:52:56,119  
out and click good stuff in your

806  
00:53:03,880 --> 00:53:00,260  
subconscious through EFT and there's

807  
00:53:10,170 --> 00:53:03,890  
some great books on EFT written by Carl

808  
00:53:13,270 --> 00:53:10,180  
Dawson EFT matrix reimplanting and

809  
00:53:19,870 --> 00:53:13,280  
change your beliefs and change your life

810  
00:53:24,099 --> 00:53:19,880  
by Carl Dawson and Carl Dawson is the

811  
00:53:27,460 --> 00:53:24,109  
best EFT coach in the world today I mean

812  
00:53:31,720 --> 00:53:27,470  
Gary Craig is awesome and you can find

813  
00:53:35,800 --> 00:53:31,730

him on the web you can also find Brad

814

00:53:38,470 --> 00:53:35,810

Yates on the web doing tapping videos

815

00:53:42,510 --> 00:53:38,480

that you can tap along with Brad if

816

00:53:46,240 --> 00:53:42,520

you're not in the mood to do it yourself

817

00:53:49,770 --> 00:53:46,250

but the stuff is real people have healed

818

00:53:53,620 --> 00:53:49,780

themselves from diseases people have

819

00:53:55,839 --> 00:53:53,630

with just one minute of matrix

820

00:54:01,359 --> 00:53:55,849

reimprinting Kathy

821

00:54:04,750 --> 00:54:01,369

a woman healed herself of manic

822

00:54:10,240 --> 00:54:04,760

depression that she suffered from for 20

823

00:54:12,760 --> 00:54:10,250

years and it never came back so we're

824

00:54:15,839 --> 00:54:12,770

talking about a very powerful energetic

825

00:54:18,849 --> 00:54:15,849

modality in the energy psychology field

826

00:54:20,920 --> 00:54:18,859

if you don't know about this it's like

827

00:54:25,300 --> 00:54:20,930

Bruce Lipton nurtured the Spencer's

828

00:54:29,880 --> 00:54:25,310

worked in this situation that we find

829

00:54:34,690 --> 00:54:29,890

ourselves in as human beings we

830

00:54:39,240 --> 00:54:34,700

personally cannot take down Goliath but

831

00:54:43,079 --> 00:54:39,250

what we can do we can personally stop

832

00:54:45,910 --> 00:54:43,089

energetically supporting Goliath and

833

00:54:49,320 --> 00:54:45,920

that means going in to our subconscious

834

00:54:51,670 --> 00:54:49,330

and doing the shadow work and

835

00:54:55,000 --> 00:54:51,680

reprogramming subconscious so are

836

00:54:57,310 --> 00:54:55,010

broadcast out of our subconscious minds

837

00:55:01,100 --> 00:54:57,320

into the collective consciousness field

838

00:55:06,650 --> 00:55:01,110

is a broadcast

839

00:55:07,420 --> 00:55:06,660

freedom of rights of care for one

840

00:55:13,880 --> 00:55:07,430

another

841

00:55:17,960 --> 00:55:13,890

it's a broadcast of peace and all I

842

00:55:23,030 --> 00:55:17,970

gotta say is I have my website the

843

00:55:26,230 --> 00:55:23,040

Center path dot weebly.com there's lots

844

00:55:30,080 --> 00:55:26,240

of videos interviews that I've given and

845

00:55:33,200 --> 00:55:30,090

learning section with a lot of stuff

846

00:55:36,320 --> 00:55:33,210

dealing with consciousness because the

847

00:55:39,110 --> 00:55:36,330

reason that the dark occult attacked

848

00:55:41,690 --> 00:55:39,120

their children and raped them and put

849

00:55:45,320 --> 00:55:41,700

them through horrific blood rituals in

850

00:55:49,480 --> 00:55:45,330

the first seven years of life is to warp

851  
00:55:55,310 --> 00:55:49,490  
the synaptic pathways and to destroy the

852  
00:55:58,250 --> 00:55:55,320  
subconscious so if the dark cult who run

853  
00:56:01,940 --> 00:55:58,260  
this world are attacking their children

854  
00:56:06,850 --> 00:56:01,950  
in the subconscious don't you think the

855  
00:56:10,280 --> 00:56:06,860  
subconscious is where it's at absolutely

856  
00:56:13,970 --> 00:56:10,290  
so so I'm saying you have to read the

857  
00:56:18,230 --> 00:56:13,980  
book breaking the habit of being

858  
00:56:20,270 --> 00:56:18,240  
yourself and the biology of belief but

859  
00:56:24,520 --> 00:56:20,280  
my website has got a lot of good videos

860  
00:56:30,200 --> 00:56:24,530  
on it both positive and negative and

861  
00:56:33,770 --> 00:56:30,210  
there's a in my new paradigm page which

862  
00:56:39,470 --> 00:56:33,780  
features Gregg Braden Gary Craig with

863  
00:56:44,600 --> 00:56:39,480

EFT and Bruce Lipton kid name a few

864

00:56:50,180 --> 00:56:44,610

there is a print out instruction for

865

00:56:53,770 --> 00:56:50,190

doing long form EFT tapping and all you

866

00:56:57,620 --> 00:56:53,780

have to do is go to my website and and

867

00:57:00,440 --> 00:56:57,630

go to the new paradigm page and just

868

00:57:04,040 --> 00:57:00,450

look at seven-minute video called

869

00:57:07,130 --> 00:57:04,050

introduction to EFT and watch that

870

00:57:12,080 --> 00:57:07,140

seven-minute video and your mind will be

871

00:57:15,039 --> 00:57:12,090

blown about EFT and as powerful as that

872

00:57:18,880 --> 00:57:15,049

video is

873

00:57:21,760 --> 00:57:18,890

the work that Joe dr. Joe dispenses

874

00:57:25,089 --> 00:57:21,770

doing with heart math Institute and the

875

00:57:27,370 --> 00:57:25,099

brain mapping and finding out what works

876  
00:57:31,930 --> 00:57:27,380  
and what doesn't work and reconnecting

877  
00:57:36,520 --> 00:57:31,940  
with the God beyond culture and taking

878  
00:57:38,470 --> 00:57:36,530  
our birthright of power back when a

879  
00:57:43,630 --> 00:57:38,480  
hundred and fifty people got together

880  
00:57:49,210 --> 00:57:43,640  
with dr. Emoto in Japan and circled a

881  
00:57:51,910 --> 00:57:49,220  
lake and bless the lake and prayed over

882  
00:57:54,599 --> 00:57:51,920  
the lake and thanked the lake for its

883  
00:57:58,870 --> 00:57:54,609  
beauty and for its life-giving

884  
00:58:02,829 --> 00:57:58,880  
sustenance to the world they they did

885  
00:58:07,839 --> 00:58:02,839  
this consciousness experiment and they

886  
00:58:12,030 --> 00:58:07,849  
took water samples before and after the

887  
00:58:15,970 --> 00:58:12,040  
people through their intention of

888  
00:58:22,049 --> 00:58:15,980

gratitude at the lake and thanking the

889

00:58:27,490 --> 00:58:22,059

lake and the pollution levels went down

890

00:58:30,990 --> 00:58:27,500

20 percent from just one hundred and

891

00:58:36,390 --> 00:58:31,000

fifty people getting around the lake

892

00:58:39,990 --> 00:58:36,400

they were able to change the actual

893

00:58:45,069 --> 00:58:40,000

levels of pollution in the lake

894

00:58:48,640 --> 00:58:45,079

so we're quantum co-creators with the

895

00:58:53,440 --> 00:58:48,650

divine field that is creating all this

896

00:58:56,760 --> 00:58:53,450

reality quote/unquote almost every

897

00:59:02,079 --> 00:58:56,770

galaxy every universe every dimension is

898

00:59:08,940 --> 00:59:02,089

this consciousness that is love creating

899

00:59:11,920 --> 00:59:08,950

this and there is a scripture in ended

900

00:59:14,609 --> 00:59:11,930

both the New Testament I'm not sure but

901  
00:59:19,980 --> 00:59:14,619  
it simply says why is this going on and

902  
00:59:23,260 --> 00:59:19,990  
it simply says for the increase in God

903  
00:59:26,500 --> 00:59:23,270  
well if we're the feedback loop and

904  
00:59:30,140 --> 00:59:26,510  
we're tied into God

905  
00:59:36,800 --> 00:59:30,150  
it's upon consciousness and we're God's

906  
00:59:39,380 --> 00:59:36,810  
ears and eyes we're sending that 40 40

907  
00:59:43,640 --> 00:59:39,390  
million bits of information back to the

908  
00:59:46,700 --> 00:59:43,650  
Godhead every second and it's learning

909  
00:59:52,490 --> 00:59:46,710  
is spiritually about all kinds of stuff

910  
00:59:57,440 --> 00:59:52,500  
about life so it's basically the

911  
00:59:59,810 --> 00:59:57,450  
increase of God now now I want to say

912  
01:00:02,360 --> 00:59:59,820  
that you know there's other scriptures

913  
01:00:04,960 --> 01:00:02,370

in there and says God's will is

914

01:00:10,310 --> 01:00:04,970

basically that everybody is happy

915

01:00:13,940 --> 01:00:10,320

fulfilled full of love unspeakable well

916

01:00:17,120 --> 01:00:13,950

look at the programming of the

917

01:00:20,960 --> 01:00:17,130

programmable species it's been

918

01:00:24,800 --> 01:00:20,970

programmed the opposite by a bunch of

919

01:00:29,180 --> 01:00:24,810

darker cultists that as they say they

920

01:00:34,370 --> 01:00:29,190

would rather rule in Hell than serve in

921

01:00:36,110 --> 01:00:34,380

heaven and that is the world situation

922

01:00:43,910 --> 01:00:36,120

that they have created

923

01:00:47,030 --> 01:00:43,920

but blowback is coming yeah it is I mean

924

01:00:49,880 --> 01:00:47,040

I think like you said if every person

925

01:00:53,150 --> 01:00:49,890

made every effort to free themselves

926

01:00:56,800 --> 01:00:53,160

from that and progress spiritually just

927

01:01:01,010 --> 01:00:56,810

imagine where we'd be well why did they

928

01:01:04,610 --> 01:01:01,020

develop these cropper religions to keep

929

01:01:09,070 --> 01:01:04,620

us from going within and seeking truth

930

01:01:13,040 --> 01:01:09,080

I mean basically they put themselves

931

01:01:16,510 --> 01:01:13,050

decide priests rabbis whatever iman's

932

01:01:20,840 --> 01:01:16,520

put themselves in positions of power and

933

01:01:23,920 --> 01:01:20,850

said I'll tell you about God well it's

934

01:01:28,700 --> 01:01:23,930

supposed to be a one-on-one relationship

935

01:01:35,210 --> 01:01:28,710

between you and your Creator

936

01:01:39,470 --> 01:01:35,220

that is individualized I mean the only

937

01:01:46,490 --> 01:01:39,480

religion for a human being should be

938

01:01:50,440 --> 01:01:46,500

truth you know and seeking knowledge and

939

01:01:54,490 --> 01:01:50,450

betterment should be the way of life and

940

01:01:57,500 --> 01:01:54,500

work there are people on this world now

941

01:02:02,329 --> 01:01:57,510

because of the internet the slaves that

942

01:02:04,579 --> 01:02:02,339

talked amongst themselves and they may

943

01:02:07,579 --> 01:02:04,589

try the shadow PN and change the

944

01:02:09,020 --> 01:02:07,589

internet it's not going to work the cat

945

01:02:12,650 --> 01:02:09,030

is out of the bag

946

01:02:15,829 --> 01:02:12,660

there's too much good information like

947

01:02:18,170 --> 01:02:15,839

EFT and doctor judge dispenses

948

01:02:19,130 --> 01:02:18,180

meditation and it's spreading like

949

01:02:24,799 --> 01:02:19,140

wildfire

950

01:02:29,680 --> 01:02:24,809

there are EFT is about 20 years old okay

951  
01:02:34,460 --> 01:02:29,690  
and there are 10 million EFT

952  
01:02:36,980 --> 01:02:34,470  
professional practitioners okay now you

953  
01:02:41,089 --> 01:02:36,990  
don't think that's too many in a seven

954  
01:02:45,829 --> 01:02:41,099  
and a half billion person planet but I

955  
01:02:49,789 --> 01:02:45,839  
personally know people who are

956  
01:02:52,940 --> 01:02:49,799  
professional at professionally trained

957  
01:02:57,380 --> 01:02:52,950  
at bankee which is another form of

958  
01:03:00,500 --> 01:02:57,390  
energy work and they're certified in EFT

959  
01:03:03,700 --> 01:03:00,510  
and they're like life coaches and they

960  
01:03:10,569 --> 01:03:03,710  
make a living doing that helping people

961  
01:03:13,760 --> 01:03:10,579  
get the programmed and reprogrammed in

962  
01:03:15,220 --> 01:03:13,770  
alignment and harmony with the divine

963  
01:03:22,750 --> 01:03:15,230

field

964

01:03:26,150 --> 01:03:22,760

God is not what the religions say it is

965

01:03:29,930 --> 01:03:26,160

in fact and I would say it's the

966

01:03:31,609 --> 01:03:29,940

opposite every and all you have to do is

967

01:03:34,220 --> 01:03:31,619

go to jail - Spencer

968

01:03:36,559 --> 01:03:34,230

YouTube dr. Joe - Spencer YouTube

969

01:03:39,679 --> 01:03:36,569

channel and look at the test

970

01:03:44,719 --> 01:03:39,689

nice of these people and if you don't

971

01:03:49,969 --> 01:03:44,729

like the person talking you can tap on

972

01:03:52,189 --> 01:03:49,979

to the next testimonial but if you get

973

01:03:55,069 --> 01:03:52,199

yourself a big bowl of popcorn and some

974

01:03:58,459 --> 01:03:55,079

iced tea and spend a couple hours

975

01:04:03,370 --> 01:03:58,469

watching these and you will see a thread

976

01:04:06,890 --> 01:04:03,380

of people who invested time in

977

01:04:11,179 --> 01:04:06,900

themselves in their own consciousness

978

01:04:16,719 --> 01:04:11,189

and then you will see the response of

979

01:04:21,019 --> 01:04:16,729

the universe to that effort and it is

980

01:04:23,269 --> 01:04:21,029

astounding and it's quantifiable and

981

01:04:28,429 --> 01:04:23,279

it's repeatable

982

01:04:33,349 --> 01:04:28,439

and it's something that you if you do X

983

01:04:35,959 --> 01:04:33,359

Y & Z you're going to get ABC there's

984

01:04:39,079 --> 01:04:35,969

it's it's narrow like well I guess God

985

01:04:41,809 --> 01:04:39,089

doesn't really like me there's no well I

986

01:04:45,829 --> 01:04:41,819

guess I don't really believe strong

987

01:04:51,109 --> 01:04:45,839

enough the more time you spend focusing

988

01:04:55,569 --> 01:04:51,119

on the divine field in your life the

989

01:04:59,899 --> 01:04:55,579

closer you get to having that energetic

990

01:05:05,839 --> 01:04:59,909

relationship and becoming a co-creator

991

01:05:09,380 --> 01:05:05,849

with the divine field so you know that's

992

01:05:13,069 --> 01:05:09,390

what I you know I counsel people on SRA

993

01:05:18,349 --> 01:05:13,079

Joe Dispenza calm the best ones are in

1015

01:06:47,589 --> 01:06:44,949

his books amazing stories of people that

1016

01:06:52,439 --> 01:06:47,599

the situation some of these people are

1017

01:06:59,529 --> 01:06:52,449

in just horrible

1018

01:07:04,839 --> 01:06:59,539

cancer broke widow with two young

1019

01:07:07,329 --> 01:07:04,849

children unable to work and a year and a

1020

01:07:13,569 --> 01:07:07,339

half later after doing the meditations

1021

01:07:15,909 --> 01:07:13,579

and the mind work of you call it because

1022

01:07:18,219 --> 01:07:15,919

you have to grab ahold of your mind you

1023

01:07:22,119 --> 01:07:18,229

actually have to be young disciplined in

1024

01:07:25,539 --> 01:07:22,129

this life your thoughts are very

1025

01:07:29,739 --> 01:07:25,549

powerful things you not learnt to

1026

01:07:32,109 --> 01:07:29,749

control them because they activate

1027

01:07:35,169 --> 01:07:32,119

emotions emotions are one of the field

1028

01:07:37,329 --> 01:07:35,179

breeds you've got to learn how to play

1029

01:07:42,639 --> 01:07:37,339

the miracle game and there's people

1030

01:07:45,219 --> 01:07:42,649

teaching how I love it thank you so much

1031

01:07:47,679 --> 01:07:45,229

Jay I know how busy you are and I know

1032

01:07:51,099 --> 01:07:47,689

that your technique and everything works

1033

01:07:52,329 --> 01:07:51,109

I just need to need

1034

01:07:54,549 --> 01:07:52,339

hit you up I want to get one of those

1035

01:07:56,349 --> 01:07:54,559

pyramids from you but that bad battle I

1036

01:08:12,489 --> 01:07:56,359

don't have to be another time thank you

1037

01:08:14,349 --> 01:08:12,499

for taking time out of your day or any

1038

01:08:18,430 --> 01:08:14,359

number of things like suppress

1039

01:08:21,550 --> 01:08:18,440

technology Tesla will do a show on that

1040

01:08:27,280 --> 01:08:21,560

I would love to J you're the best thank

1041

01:08:30,870 --> 01:08:27,290

you so much have a great day bye there

1042

01:08:34,870 --> 01:08:30,880

we had it the guy the man with the plan

1043

01:08:37,530 --> 01:08:34,880

J with techniques that involve the use

1044

01:08:42,280 --> 01:08:37,540

of consciousness to achieve desired

1045

01:08:44,499 --> 01:08:42,290

objectives and it's it's something that

1046

01:08:46,510 --> 01:08:44,509

is needed I don't know what that

1047

01:08:48,490 --> 01:08:46,520

particular noise was but somebody has a

1048

01:08:50,859 --> 01:08:48,500

phone in here anyway

1049

01:08:55,390 --> 01:08:50,869

definitely go to his website check that

1050

01:08:58,269 --> 01:08:55,400

out go to the center path as well and

1051

01:09:01,780 --> 01:08:58,279

look at that and we hope to have him

1052

01:09:03,700 --> 01:09:01,790

back and have more information on this

1053

01:09:06,760 --> 01:09:03,710

stuff that is pretty amazing

1054

01:09:10,479 --> 01:09:06,770

you know dark adepts in in control of

1055

01:09:14,200 --> 01:09:10,489

our reality and it's a it's a spooky

1056

01:09:17,450 --> 01:09:14,210

thing so until next time thanks for
