[Music]

2  
00:00:43,369 --> 00:00:37,890

ok ladies and gentlemen today we have a

3  
00:00:44,630 --> 00:00:43,379

very unique guest he is gonna speak

4  
00:00:47,029 --> 00:00:44,640

about something that I think is very

5  
00:00:48,740 --> 00:00:47,039

important for our culture to delve into

6  
00:00:53,360 --> 00:00:48,750

and this is just stuff I found out

7  
00:00:55,430 --> 00:00:53,370

speaking to him individually and he's

8  
00:00:57,080 --> 00:00:55,440

got an interesting background he's a got

9  
00:01:00,799 --> 00:00:57,090

a background as a professional wrestler

10  
00:01:04,060 --> 00:01:00,809

so without any further ado let's give

11  
00:01:16,580 --> 00:01:04,070

him a call he'll introduce himself and

12  
00:01:19,450 --> 00:01:16,590

we will get into our discussion hello

13  
00:01:24,980 --> 00:01:19,460

hey Donny Oh

14

00:01:27,380 --> 00:01:24,990

doing good doing good so I hope you're

15

00:01:29,300 --> 00:01:27,390

in a comfortable position I'd like to

16

00:01:31,520 --> 00:01:29,310

chat with you about you know some of the

17

00:01:36,230 --> 00:01:31,530

things we've chatted about before and

18

00:01:38,569 --> 00:01:36,240

we're rolling here we're live and oh you

19

00:01:40,460 --> 00:01:38,579

know tell people a little bit about

20

00:01:43,280 --> 00:01:40,470

yourself and then you know I just love

21

00:01:47,920 --> 00:01:43,290

the topic the psychology of UFOs

22

00:01:50,780 --> 00:01:47,930

I started from professional wrestling in

23

00:01:54,109 --> 00:01:50,790

1990 I actually started training in 89

24

00:01:58,039 --> 00:01:54,119

when I was still in high school my last

25

00:02:00,889 --> 00:01:58,049

match was say 23 2011 and I pretty much

26

00:02:03,850 --> 00:02:00,899

retired from that basically able to do

27

00:02:08,479 --> 00:02:03,860

it just don't wanna do it because in

28

00:02:11,660 --> 00:02:08,489

2006 I got into research in USA heavily

29

00:02:13,920 --> 00:02:11,670

because I was so intrigued with a

30

00:02:15,649 --> 00:02:13,930

documentary that I saw

31

00:02:18,690 --> 00:02:15,659

and it was called the day after Roswell

32

00:02:21,390 --> 00:02:18,700

and if anyone's ever seen it I know

33

00:02:25,500 --> 00:02:21,400

anything about that story it's about

34

00:02:27,930 --> 00:02:25,510

what happened after the Roswell wreckage

35

00:02:30,149 --> 00:02:27,940

was collected and all of the things that

36

00:02:33,089 --> 00:02:30,159

was allegedly found now I say allegedly

37

00:02:35,309 --> 00:02:33,099

because of course in 1947 I wasn't there

38

00:02:38,250 --> 00:02:35,319

but I was thinking now and it was

39

00:02:40,170 --> 00:02:38,260

sticking sticking with me that it's just

40

00:02:42,630 --> 00:02:40,180

half of the things that repent of course

41

00:02:44,789 --> 00:02:42,640

since it was true then the reality of

42

00:02:48,599 --> 00:02:44,799

our world it's not what we think it is

43

00:02:52,770 --> 00:02:48,609

and I started reading any and everything

44

00:02:56,690 --> 00:02:52,780

to get my hands on and I'm really

45

00:03:02,610 --> 00:02:56,700

intrigued at the fact that the term UFO

46

00:03:05,910 --> 00:03:02,620

very 20:19 so many people assume that

47

00:03:08,670 --> 00:03:05,920

that means alien and it's aggravating in

48

00:03:11,309 --> 00:03:08,680

a way but I think I can understand why

49

00:03:16,170 --> 00:03:11,319

they think that and it's based on the

50

00:03:20,430 --> 00:03:16,180

fact that Hollywood presents that and if

51  
00:03:24,120 --> 00:03:20,440  
Hollywood 10% something to the public in

52  
00:03:26,069 --> 00:03:24,130  
a certain way they will believe and and

53  
00:03:27,960 --> 00:03:26,079  
that's one that's another way how you

54  
00:03:30,030 --> 00:03:27,970  
hide in tell you hide it up on the

55  
00:03:32,250 --> 00:03:30,040  
silver screen and you're taught as a

56  
00:03:33,930 --> 00:03:32,260  
child oh it's just a movie you don't

57  
00:03:39,629 --> 00:03:33,940  
take it serious mm-hmm

58  
00:03:42,930 --> 00:03:39,639  
so that's got a lot to do with it the

59  
00:03:46,229 --> 00:03:42,940  
psychology of the word UFO in my opinion

60  
00:03:49,470 --> 00:03:46,239  
I'm going on what people say what people

61  
00:03:51,569 --> 00:03:49,480  
say to me and messages or scuse me

62  
00:03:54,390 --> 00:03:51,579  
comments that I have seen to some of my

63  
00:03:57,180 --> 00:03:54,400

facebook post well if I post and use the

64  
00:04:01,050 --> 00:03:57,190  
terms UFO somebody will comment and say

65  
00:04:04,830 --> 00:04:01,060  
alien so that tells me that when people

66  
00:04:09,539 --> 00:04:04,840  
see that word they don't see the real

67  
00:04:12,509 --> 00:04:09,549  
story they in their mind it's processed

68  
00:04:15,000 --> 00:04:12,519  
as okay this person saw this alien

69  
00:04:17,300 --> 00:04:15,010  
spaceship unless the news report says

70  
00:04:19,589 --> 00:04:17,310  
that a person saw and explained right

71  
00:04:22,380 --> 00:04:19,599  
then that's what they're saying because

72  
00:04:24,480 --> 00:04:22,390  
they don't know the origin of them but

73  
00:04:25,810 --> 00:04:24,490  
society takes it to a whole nother

74  
00:04:27,880 --> 00:04:25,820  
different area

75  
00:04:33,060 --> 00:04:27,890  
different aspect and that's that to

76

00:04:35,440 --> 00:04:33,070

change because we live in it an age of

77

00:04:37,870 --> 00:04:35,450

advanced technologies I guess you would

78

00:04:40,210 --> 00:04:37,880

say you know everybody knows we have

79

00:04:42,550 --> 00:04:40,220

area 51 that's out there in the desert

80

00:04:44,260 --> 00:04:42,560

and our military and our government are

81

00:04:48,400 --> 00:04:44,270

doing things out there and it other

82

00:04:51,610 --> 00:04:48,410

places so if they triangle flies over a

83

00:04:54,580 --> 00:04:51,620

city and someone sees it they

84

00:04:56,770 --> 00:04:54,590

automatically assume alien they don't

85

00:04:58,500 --> 00:04:56,780

think about the fact well it could be

86

00:05:01,240 --> 00:04:58,510

something that we don't know about yet

87

00:05:03,820 --> 00:05:01,250

as far as the military especially the

88

00:05:05,200 --> 00:05:03,830

Air Force they want to jump to the alien

89

00:05:09,400 --> 00:05:05,210

conclusion because that's what they've

90

00:05:11,950 --> 00:05:09,410

been taught and I mean if you ask

91

00:05:13,720 --> 00:05:11,960

anybody these days you know do you

92

00:05:15,360 --> 00:05:13,730

believe in aliens they don't want to

93

00:05:17,140 --> 00:05:15,370

answer that question

94

00:05:19,990 --> 00:05:17,150

because they're afraid of what

95

00:05:22,840 --> 00:05:20,000

somebody's gonna think in this and

96

00:05:24,550 --> 00:05:22,850

that's fine that's no big deal but you

97

00:05:26,590 --> 00:05:24,560

shouldn't have people should not assume

98

00:05:29,080 --> 00:05:26,600

one thing without having the facts and

99

00:05:31,810 --> 00:05:29,090

things don't you know in geology I don't

100

00:05:34,660 --> 00:05:31,820

believe everything I hear I investigate

101  
00:05:36,700 --> 00:05:34,670  
and I asked other ufologist their

102  
00:05:39,160 --> 00:05:36,710  
opinions on a certain sentence before I

103  
00:05:42,130 --> 00:05:39,170  
get to a point where I just say to

104  
00:05:44,440 --> 00:05:42,140  
myself okay I better get to a point to

105  
00:05:47,020 --> 00:05:44,450  
where I believe this may be going on and

106  
00:05:50,340 --> 00:05:47,030  
this may not and it's taken me 10 years

107  
00:05:53,650 --> 00:05:50,350  
to clean up to the conclusion that

108  
00:05:55,870 --> 00:05:53,660  
project horizon was probably a reality

109  
00:05:58,660 --> 00:05:55,880  
when you're on the moon before 69 and

110  
00:06:03,010 --> 00:05:58,670  
through the development of technology is

111  
00:06:05,200 --> 00:06:03,020  
why we have the space force and I've

112  
00:06:07,810 --> 00:06:05,210  
told many people this the space force is

113  
00:06:08,770 --> 00:06:07,820

disclosure on Kazakh solar warden but

114

00:06:17,310 --> 00:06:08,780

they're not going to tell the public

115

00:06:26,730 --> 00:06:21,460

that means we have come so far tech tech

116

00:06:30,910 --> 00:06:26,740

not technologically and there's so much

117

00:06:34,000 --> 00:06:30,920

technology I feel that is buried in

118

00:06:37,510 --> 00:06:34,010

black projects we may we may need never

119

00:06:38,710 --> 00:06:37,520

say ok but I didn't have a unique story

120

00:06:41,520 --> 00:06:38,720

for you and this is kind of

121

00:06:44,740 --> 00:06:41,530

controversial mm-hmm

122

00:06:47,619 --> 00:06:44,750

everyone is aware of the Betty and

123

00:06:51,219 --> 00:06:47,629

Barney Hill abduction yes they follow

124

00:06:53,050 --> 00:06:51,229

your college okay and I'm going to give

125

00:06:55,600 --> 00:06:53,060

you the short version of this story

126

00:07:00,879 --> 00:06:55,610

Betty hill basically said in many

127

00:07:02,499 --> 00:07:00,889

interviews that she was Elena she was

128

00:07:05,589 --> 00:07:02,509

laying on what she called a surgical

129

00:07:07,809 --> 00:07:05,599

table and she had explained how

130

00:07:11,920 --> 00:07:07,819

something was inserted into her navel

131

00:07:13,149 --> 00:07:11,930

and extraction was done collect that's

132

00:07:17,620 --> 00:07:13,159

what she said

133

00:07:21,040 --> 00:07:17,630

happened to her now this was in 1961

134

00:07:25,240 --> 00:07:21,050

when this happened to her mr. Barney now

135

00:07:27,550 --> 00:07:25,250

I don't know if people know this but in

136

00:07:31,270 --> 00:07:27,560

hospitals now there is something known

137

00:07:34,360 --> 00:07:31,280

as robotic surgery I had a surgical

138

00:07:37,629 --> 00:07:34,370

procedure done in 2015 I had gallbladder

139

00:07:40,779 --> 00:07:37,639

surgery they did it by way of robotic

140

00:07:43,559 --> 00:07:40,789

surgery I was in the hospital the night

141

00:07:46,149 --> 00:07:43,569

before the surgeon came and explained

142

00:07:48,850 --> 00:07:46,159

how the surgical procedure were done

143

00:07:50,499 --> 00:07:48,860

with would go and he explained how they

144

00:07:52,450 --> 00:07:50,509

go in through the navel to do the

145

00:07:55,240 --> 00:07:52,460

extraction a banging there passed out

146

00:07:58,659 --> 00:07:55,250

because I right good lord isn't exactly

147

00:08:02,170 --> 00:07:58,669

what happened to Betty here and I'm

148

00:08:05,019 --> 00:08:02,180

convinced because of that incident there

149

00:08:08,589 --> 00:08:05,029

that everything I've ever heard about

150

00:08:13,120 --> 00:08:08,599

them meaning alien given us technology

151  
00:08:15,339 --> 00:08:13,130  
has got to be real because and I think

152  
00:08:18,189 --> 00:08:15,349  
it came from the Eisenhower treaty when

153  
00:08:22,570 --> 00:08:18,199  
he met no legs species and sitting in

154  
00:08:25,719 --> 00:08:22,580  
1958 I believe that's an example of that

155  
00:08:29,260 --> 00:08:25,729  
treaty and because there's no way Betty

156  
00:08:32,680 --> 00:08:29,270  
hill could just guess back in 1961 we

157  
00:08:36,969 --> 00:08:32,690  
didn't have that in 1961 but we have it

158  
00:08:40,269 --> 00:08:36,979  
now so I believe her Dustin was very

159  
00:08:43,420 --> 00:08:40,279  
real and I believe Eisenhower did have

160  
00:08:46,420 --> 00:08:43,430  
two very special meetings with alien

161  
00:08:49,420 --> 00:08:46,430  
beings at Holloman Air one at the

162  
00:08:51,010 --> 00:08:49,430  
Pentagon the story of valiant Thor now

163  
00:08:53,590 --> 00:08:51,020

that does not mean

164

00:08:55,540 --> 00:08:53,600

every time somebody sees a UFO lately

165

00:08:57,820 --> 00:08:55,550

doesn't mean that the turns you're

166

00:09:02,769 --> 00:08:57,830

serving the term a limit to different

167

00:09:05,019 --> 00:09:02,779

sex altogether but they're serious the

168

00:09:08,170 --> 00:09:05,029

serious thing about this is like when

169

00:09:10,570 --> 00:09:08,180

someone sees something in the sky they

170

00:09:14,139 --> 00:09:10,580

don't understand I've had clients tell

171

00:09:17,199 --> 00:09:14,149

me that it scared them now let's think

172

00:09:19,960 --> 00:09:17,209

about this something flies over a town

173

00:09:23,139 --> 00:09:19,970

someone sees it and gets scared that's

174

00:09:25,810 --> 00:09:23,149

not anything but laugh at it's really

175

00:09:30,760 --> 00:09:25,820

really not because people fear what they

176

00:09:33,220 --> 00:09:30,770

don't understand they end the fact that

177

00:09:36,220 --> 00:09:33,230

unknowns are flying over if it's black

178

00:09:39,820 --> 00:09:36,230

projects maybe they shouldn't do it as

179

00:09:41,710 --> 00:09:39,830

much this that's what it is you know

180

00:09:44,620 --> 00:09:41,720

because it's this is more than just

181

00:09:47,050 --> 00:09:44,630

working at something and not knowing

182

00:09:50,019 --> 00:09:47,060

what you're working at or not or

183

00:09:52,030 --> 00:09:50,029

assuming alien a lot of people will do

184

00:09:54,910 --> 00:09:52,040

that so they wouldn't have to think

185

00:09:57,940 --> 00:09:54,920

about it out of sight out of mind

186

00:09:59,920 --> 00:09:57,950

and it is like Lois Elizondo you know

187

00:10:02,260 --> 00:09:59,930

are we gonna stick our heads in the

188

00:10:04,480 --> 00:10:02,270

ground and not worry about this or are

189

00:10:05,920 --> 00:10:04,490

we gonna look up and see if we can

190

00:10:07,870 --> 00:10:05,930

figure out what the world's going on

191

00:10:11,380 --> 00:10:07,880

he's right I agree with that statement

192

00:10:13,720 --> 00:10:11,390

but I mean I've thought that for years I

193

00:10:15,579 --> 00:10:13,730

know you've got a question for me I

194

00:10:17,290 --> 00:10:15,589

don't mean you keep going on I don't

195

00:10:19,660 --> 00:10:17,300

like it no I like where you're going

196

00:10:21,579 --> 00:10:19,670

with the you know our culture you know

197

00:10:24,550 --> 00:10:21,589

letting ourselves be manipulated by

198

00:10:29,970 --> 00:10:24,560

Hollywood you know filling in all those

199

00:10:32,050 --> 00:10:29,980

blanks when we do see this either

200

00:10:34,240 --> 00:10:32,060

whatever you want to call it

201  
00:10:35,860 --> 00:10:34,250  
unidentified aerial phenomena people

202  
00:10:39,490 --> 00:10:35,870  
don't like to deal with the processing

203  
00:10:41,380 --> 00:10:39,500  
or seeing of that and as far as the I

204  
00:10:44,920 --> 00:10:41,390  
loved what you said about the Eisenhower

205  
00:10:48,790 --> 00:10:44,930  
thing I recently had an opportunity to

206  
00:10:50,560 --> 00:10:48,800  
go to a dinner at dinner party at Laura

207  
00:10:51,819 --> 00:10:50,570  
Eisenhower's and I had to bow out I

208  
00:10:55,410 --> 00:10:51,829  
couldn't make it because of some

209  
00:10:58,120 --> 00:10:55,420  
scheduling stuff but I think that yes

210  
00:11:00,819 --> 00:10:58,130  
there's some practices especially with

211  
00:11:02,440 --> 00:11:00,829  
surgery and mimicking what would be

212  
00:11:04,660 --> 00:11:02,450  
otherwise considered alien tech

213  
00:11:08,110 --> 00:11:04,670

g'bye the masses but very careful with

214

00:11:09,970 --> 00:11:08,120

that word alien but maybe only me you

215

00:11:11,830 --> 00:11:09,980

know like you said that surgery you had

216

00:11:14,290 --> 00:11:11,840

this is this is stuff that could have

217

00:11:16,840 --> 00:11:14,300

come from the Eisenhower treaty and I

218

00:11:21,340 --> 00:11:16,850

love that you mentioned the day after

219

00:11:23,740 --> 00:11:21,350

Roswell and have a that is you know

220

00:11:27,910 --> 00:11:23,750

brings in things like the Eisenhower

221

00:11:30,310 --> 00:11:27,920

treaty and project horizon

222

00:11:32,140 --> 00:11:30,320

you know advanced technology area 51 do

223

00:11:35,050 --> 00:11:32,150

I believe yes do I believe that there's

224

00:11:37,300 --> 00:11:35,060

something else yes and I mean project

225

00:11:40,960 --> 00:11:37,310

horizon disclosure on solar warden can

226

00:11:45,880 --> 00:11:40,970

can we get more into that info um

227

00:11:48,940 --> 00:11:45,890

basically the with the solar awarded

228

00:11:52,650 --> 00:11:48,950

situation as you know there has been

229

00:11:55,720 --> 00:11:52,660

many people that have come forward and

230

00:11:58,240 --> 00:11:55,730

said yes I was a part of project so

231

00:12:00,880 --> 00:11:58,250

rewarding I've done this I've done that

232

00:12:06,280 --> 00:12:00,890

I've been to Mars we have a secret space

233

00:12:09,390 --> 00:12:06,290

fleet after Gary McKinnon was arrested

234

00:12:13,720 --> 00:12:09,400

for hacking into that NASA database I

235

00:12:17,290 --> 00:12:13,730

find it awfully odd awfully awfully odd

236

00:12:20,350 --> 00:12:17,300

that if mr. McKinnon hacked into a

237

00:12:22,180 --> 00:12:20,360

government computer database which he

238

00:12:26,380 --> 00:12:22,190

did because he admitted doing it because

239

00:12:29,290 --> 00:12:26,390

he was arrest in England why would the

240

00:12:33,370 --> 00:12:29,300

United States government drop the

241

00:12:36,370 --> 00:12:33,380

charges against him because he I mean

242

00:12:39,010 --> 00:12:36,380

come on he hacked a computer database

243

00:12:41,980 --> 00:12:39,020

and some information he wasn't supposed

244

00:12:45,520 --> 00:12:41,990

to okay it's against the law okay why

245

00:12:48,130 --> 00:12:45,530

didn't they prosecute my theory is they

246

00:12:51,040 --> 00:12:48,140

knew if they prosecuted mr. Mackenna

247

00:12:53,380 --> 00:12:51,050

every single thing he's saying would

248

00:12:55,180 --> 00:12:53,390

have to would come out as evidence in a

249

00:12:58,690 --> 00:12:55,190

court case that's the one thing you

250

00:13:00,790 --> 00:12:58,700

don't want so what do you do to drop the

251

00:13:04,240 --> 00:13:00,800

charges and then you try to discredit

252

00:13:08,350 --> 00:13:04,250

him and deny all of these things that he

253

00:13:12,210 --> 00:13:08,360

found such as the United States secret

254

00:13:13,920 --> 00:13:12,220

spaceships and non-terrestrial officers

255

00:13:17,310 --> 00:13:13,930

discredit

256

00:13:19,590 --> 00:13:17,320

okay then unis amazing since that

257

00:13:23,720 --> 00:13:19,600

happened how so many people have never

258

00:13:25,980 --> 00:13:23,730

heard of the term secret space program

259

00:13:26,700 --> 00:13:25,990

you know I'm telling Pete I tell people

260

00:13:29,880 --> 00:13:26,710

all the time

261

00:13:32,490 --> 00:13:29,890

um I said this space forces disclosure

262

00:13:35,880 --> 00:13:32,500

on something we already know because of

263

00:13:37,560 --> 00:13:35,890

Gary McKinnon but you know you disclose

264

00:13:39,870 --> 00:13:37,570

it so many years down the road that

265

00:13:42,000 --> 00:13:39,880

nobody could still into that when I

266

00:13:43,950 --> 00:13:42,010

first heard president company just space

267

00:13:45,390 --> 00:13:43,960

for a bang there fell on the floor I

268

00:13:50,610 --> 00:13:45,400

like world they're gonna disclose it

269

00:13:53,490 --> 00:13:50,620

mm-hmm it was crazy and my thing is this

270

00:13:56,010 --> 00:13:53,500

if they're gonna disclose project solar

271

00:13:58,860 --> 00:13:56,020

warden and call it the United States

272

00:14:01,830 --> 00:13:58,870

space force what else do they have on

273

00:14:05,250 --> 00:14:01,840

deck because my theory is when something

274

00:14:07,680 --> 00:14:05,260

is disclosed or declassified you've

275

00:14:10,230 --> 00:14:07,690

always got something on deck it's kind

276

00:14:13,680 --> 00:14:10,240

of like your x-ray or you extra Joker if

277

00:14:17,780 --> 00:14:13,690

you will oh yeah well that information

278

00:14:19,410 --> 00:14:17,790

is no longer cutting edge or necessary

279

00:14:22,830 --> 00:14:19,420

exactly yes sir

280

00:14:24,390 --> 00:14:22,840

now my I don't know if this is true I'm

281

00:14:27,510 --> 00:14:24,400

going on what I was told

282

00:14:30,480 --> 00:14:27,520

my understanding okay when I'm is that

283

00:14:33,210 --> 00:14:30,490

clear is that allegedly we had stealth

284

00:14:37,230 --> 00:14:33,220

technology in the same I do not know if

285

00:14:39,990 --> 00:14:37,240

that's true okay but if we did yes we

286

00:14:43,050 --> 00:14:40,000

did a lot of us those same in the

287

00:14:46,260 --> 00:14:43,060

sentence and they these bit of itself if

288

00:14:49,500 --> 00:14:46,270

we did I honestly don't know if we did

289

00:14:52,230 --> 00:14:49,510

but it seems like we probably could have

290

00:14:55,740 --> 00:14:52,240

but that's a guess it's a gift and a

291

00:14:57,990 --> 00:14:55,750

theory because all of the information

292

00:15:01,770 --> 00:14:58,000

about these triangles that have been

293

00:15:03,660 --> 00:15:01,780

seen and people coming forward and

294

00:15:05,220 --> 00:15:03,670

saying oh that's a that's when the TR

295

00:15:08,250 --> 00:15:05,230

program or whatnot

296

00:15:11,400 --> 00:15:08,260

I had a we had a triangle fly over my

297

00:15:12,840 --> 00:15:11,410

hometown of Grove town and a gentleman

298

00:15:15,600 --> 00:15:12,850

sent me a picture of it was at a

299

00:15:17,580 --> 00:15:15,610

football game he said also I know you're

300

00:15:19,680 --> 00:15:17,590

into this what is this and as soon as I

301  
00:15:21,810 --> 00:15:19,690  
looked at it I said well they Messick

302  
00:15:25,320 --> 00:15:21,820  
tr-3b what thing else is known over

303  
00:15:26,310 --> 00:15:25,330  
Grove town you know and I'm thinking to

304  
00:15:27,790 --> 00:15:26,320  
myself okay

305  
00:15:31,110 --> 00:15:27,800  
why anyway I told him what I thought

306  
00:15:34,030 --> 00:15:31,120  
was I was on the local news about it and

307  
00:15:35,949 --> 00:15:34,040  
that's pretty much it you know but I

308  
00:15:38,259 --> 00:15:35,959  
told him I said it's part of what we

309  
00:15:41,290 --> 00:15:38,269  
what is called project solar warden and

310  
00:15:43,540 --> 00:15:41,300  
my theory is that it's an advanced

311  
00:15:45,910 --> 00:15:43,550  
aircraft that's probably a step up from

312  
00:15:49,720 --> 00:15:45,920  
what we have now what yourself I said I

313  
00:15:52,060 --> 00:15:49,730

mean I don't know what it can do but my

314

00:15:54,790 --> 00:15:52,070

I would imagine because the witness did

315

00:15:57,850 --> 00:15:54,800

say it was barely moving so that makes

316

00:15:59,829 --> 00:15:57,860

me think the antigravity technology and

317

00:16:03,699 --> 00:15:59,839

he said it was silent you know you cook

318

00:16:06,400 --> 00:16:03,709

those you know that being said a lot

319

00:16:08,829 --> 00:16:06,410

about a UFO sighting no it was flying

320

00:16:11,829 --> 00:16:08,839

low or slow and it was fine you know

321

00:16:13,810 --> 00:16:11,839

that kind of thing um I don't know if

322

00:16:18,910 --> 00:16:13,820

you have ever heard of something known

323

00:16:21,880 --> 00:16:18,920

as a tea or six pellets I put that

324

00:16:26,079 --> 00:16:21,890

particular air and spacecraft with the

325

00:16:31,449 --> 00:16:26,089

tr-3b now if we all remember the Phoenix

326

00:16:36,130 --> 00:16:31,459

like states 1997 there was actually two

327

00:16:39,550 --> 00:16:36,140

events on the same day one earlier in

328

00:16:42,670 --> 00:16:39,560

the evening there was a huge boomerang

329

00:16:46,090 --> 00:16:42,680

shaped craft that flew over Phoenix it

330

00:16:50,440 --> 00:16:46,100

was allegedly seen in Henderson Nevada

331

00:16:54,400 --> 00:16:50,450

search window things then this from past

332

00:16:56,650 --> 00:16:54,410

history went down for Phoenix now I am

333

00:16:59,860 --> 00:16:56,660

theorizing that that was not alien it

334

00:17:02,740 --> 00:16:59,870

was a TR six hours which is a huge boom

335

00:17:05,230 --> 00:17:02,750

line which is a part of solar warden I'm

336

00:17:07,809 --> 00:17:05,240

guessing that I'm sterilizing that okay

337

00:17:10,030 --> 00:17:07,819

I wasn't there I didn't see it but based

338

00:17:15,400 --> 00:17:10,040

on the description the pr6

339

00:17:19,780 --> 00:17:15,410

is is it is just like with the way

340

00:17:21,939 --> 00:17:19,790

family described so I'm thinking okay

341

00:17:24,250 --> 00:17:21,949

that's possible it's extremely possible

342

00:17:26,679 --> 00:17:24,260

and I'm serializing that that's what it

343

00:17:28,240 --> 00:17:26,689

was and you know you think well why

344

00:17:31,840 --> 00:17:28,250

don't they do this while ethics flight

345

00:17:34,360 --> 00:17:31,850

instinct to drummer UFO reports because

346

00:17:37,090 --> 00:17:34,370

society that hears about it people in

347

00:17:39,640 --> 00:17:37,100

society but nothing ailing and really

348

00:17:41,410 --> 00:17:39,650

it's the air force it ain't nothing

349

00:17:44,350 --> 00:17:41,420

about it you know the time

350

00:17:46,930 --> 00:17:44,360

around but with the technology that

351  
00:17:50,320 --> 00:17:46,940  
technology aboard the TRC and that you

352  
00:17:52,510 --> 00:17:50,330  
are privy could be from back engineer a

353  
00:17:55,180 --> 00:17:52,520  
Jungian technology but those actual

354  
00:17:57,220 --> 00:17:55,190  
crack roundup you know it's not from

355  
00:17:59,620 --> 00:17:57,230  
another world but when people don't

356  
00:18:03,310 --> 00:17:59,630  
understand what they're looking at it

357  
00:18:04,930 --> 00:18:03,320  
will sink otherworldly to there but not

358  
00:18:09,670 --> 00:18:04,940  
legitimately from some other

359  
00:18:12,520 --> 00:18:09,680  
civilization yeah it's it's such a high

360  
00:18:16,510 --> 00:18:12,530  
technology that it's otherwise seen as

361  
00:18:19,320 --> 00:18:16,520  
magic because and and I agree with you a

362  
00:18:24,100 --> 00:18:19,330  
hundred percent that we're talking about

363  
00:18:27,700 --> 00:18:24,110

very likely with the tr6 and the tr-3b I

364

00:18:31,660 --> 00:18:27,710

mean that's a new generation possibly of

365

00:18:34,480 --> 00:18:31,670

like these old reverse engineered things

366

00:18:37,660 --> 00:18:34,490

like the rods in the Roswell incident

367

00:18:40,930 --> 00:18:37,670

it's a possibility that and my late

368

00:18:43,450 --> 00:18:40,940

father-in-law who swore up and down he

369

00:18:46,540 --> 00:18:43,460

just recently passed and he him and my

370

00:18:48,970 --> 00:18:46,550

wife and a bunch of other people swore

371

00:18:51,790 --> 00:18:48,980

up and down that they saw one of these

372

00:18:53,740 --> 00:18:51,800

huge triangles when they were living in

373

00:18:55,060 --> 00:18:53,750

Oregon that just literally they were you

374

00:18:57,040 --> 00:18:55,070

know sitting out in their hot tub

375

00:19:01,060 --> 00:18:57,050

outside the family home the whole family

376

00:19:04,300 --> 00:19:01,070

and here came this huge triangle that in

377

00:19:07,000 --> 00:19:04,310

their words blacked out the sky you know

378

00:19:09,610 --> 00:19:07,010

it was yeah yeah a lot of these lot of

379

00:19:11,860 --> 00:19:09,620

these triangles that the Air Force has

380

00:19:16,900 --> 00:19:11,870

that are in the TDR program we stained a

381

00:19:18,820 --> 00:19:16,910

black metal so willing to lay family

382

00:19:21,460 --> 00:19:18,830

mentioned about the fact that it flew

383

00:19:23,260 --> 00:19:21,470

over and it blacked out the stars they

384

00:19:25,960 --> 00:19:23,270

were looking at a clamp that was black

385

00:19:28,630 --> 00:19:25,970

metal with the lights on it which is the

386

00:19:32,260 --> 00:19:28,640

spitting image of the tr6 based on where

387

00:19:34,900 --> 00:19:32,270

we know about this alleged existence let

388

00:19:37,780 --> 00:19:34,910

me makes me birthday quickly there

389

00:19:41,200 --> 00:19:37,790

because it's still not official but

390

00:19:44,140 --> 00:19:41,210

that's what the late family said that

391

00:19:46,120 --> 00:19:44,150

they saw fly over their home okay

392

00:19:48,700 --> 00:19:46,130

I mean I've listened to their testimony

393

00:19:50,920 --> 00:19:48,710

on documentaries okay I think they're

394

00:19:53,650 --> 00:19:50,930

telling the truth okay because I don't

395

00:19:55,069 --> 00:19:53,660

see why they would lie and I study

396

00:19:59,099 --> 00:19:55,079

people how

397

00:20:01,079 --> 00:19:59,109

they tell a story once I learned about a

398

00:20:03,479 --> 00:20:01,089

story I'll go back and watch the

399

00:20:07,259 --> 00:20:03,489

people's body language and see if I can

400

00:20:09,659 --> 00:20:07,269

pick up on any weird body language that

401  
00:20:12,209 --> 00:20:09,669  
would make them think their line and the

402  
00:20:12,930 --> 00:20:12,219  
lay family from the documentary I know

403  
00:20:15,209 --> 00:20:12,940  
what I saw

404  
00:20:16,859 --> 00:20:15,219  
I believed them and there wasn't the

405  
00:20:19,139 --> 00:20:16,869  
only personal witness witness that

406  
00:20:24,749 --> 00:20:19,149  
I've Simonton the governor at the time

407  
00:20:26,849 --> 00:20:24,759  
he said he saw okay so I mean granted he

408  
00:20:29,849 --> 00:20:26,859  
admitted that later on after the fact

409  
00:20:33,239 --> 00:20:29,859  
that he says he saw the type mm-hmm but

410  
00:20:35,549 --> 00:20:33,249  
the actual Phoenix lights that the video

411  
00:20:37,680 --> 00:20:35,559  
that we have all seen that's a totally

412  
00:20:40,109 --> 00:20:37,690  
separate thing than this boomerang

413  
00:20:42,209 --> 00:20:40,119

correct a lot of folks think it was the

414

00:20:47,609 --> 00:20:42,219

same event and it's not they just had

415

00:20:49,349 --> 00:20:47,619

two events on the same needle um and I

416

00:20:53,099 --> 00:20:49,359

have to agree with you on the triangle

417

00:20:55,439 --> 00:20:53,109

craft both the tr-3b and the tr6 the

418

00:20:58,619 --> 00:20:55,449

newer generations I mean this in my

419

00:21:01,259 --> 00:20:58,629

opinion is unquestionably our technology

420

00:21:03,989 --> 00:21:01,269

because of there's so many things so

421

00:21:06,389 --> 00:21:03,999

many telltale signs there's then the

422

00:21:08,489 --> 00:21:06,399

occult has a has a part in it the

423

00:21:11,249 --> 00:21:08,499

triangle itself you know I think human

424

00:21:13,229 --> 00:21:11,259

lead to make it better you know we got

425

00:21:16,019 --> 00:21:13,239

tidbits that we were actually able to

426

00:21:18,809 --> 00:21:16,029

take and make better but we didn't

427

00:21:21,299 --> 00:21:18,819

gather how the entire craft worked as a

428

00:21:24,299 --> 00:21:21,309

whole reverse-engineer wise however we

429

00:21:25,859 --> 00:21:24,309

got it to fly mm-hm and then we took

430

00:21:27,719 --> 00:21:25,869

with it's just what I've heard but I

431

00:21:29,249 --> 00:21:27,729

think I think yeah I mean people that

432

00:21:31,469 --> 00:21:29,259

don't believe this look at the mild

433

00:21:33,479 --> 00:21:31,479

reverse engineering and the b-2 bomber

434

00:21:36,539 --> 00:21:33,489

the stuff bomber out in Tonopah and

435

00:21:41,729 --> 00:21:36,549

we're talking these were considered UFOs

436

00:21:43,109 --> 00:21:41,739

at the time like you said you know you

437

00:21:46,579 --> 00:21:43,119

know we're talking about back

438

00:21:51,119 --> 00:21:46,589

engineering and reverse engineering and

439

00:21:53,279 --> 00:21:51,129

several people bob lazar John Lear other

440

00:21:55,319 --> 00:21:53,289

people have said I don't that that's

441

00:21:58,049 --> 00:21:55,329

what the military is doing I believe

442

00:21:59,879 --> 00:21:58,059

that but there's one key thing here and

443

00:22:04,079 --> 00:21:59,889

holy crap and this goes back to

444

00:22:05,969 --> 00:22:04,089

Eisenhower god bless that man yes we are

445

00:22:07,490 --> 00:22:05,979

actually back engineering alien

446

00:22:09,320 --> 00:22:07,500

technology now let's back up

447

00:22:12,890 --> 00:22:09,330

this logically Brian let's say phew an

448

00:22:14,810 --> 00:22:12,900

hour out there let's say and an event

449

00:22:17,960 --> 00:22:14,820

and let's say you call somewhere someone

450

00:22:21,620 --> 00:22:17,970

else southwester know it's a clash we

451  
00:22:26,720 --> 00:22:21,630  
will be soon we went to what I said we

452  
00:22:28,279 --> 00:22:26,730  
will be soon yeah let's say if you and I

453  
00:22:30,950 --> 00:22:28,289  
were in the military and we were

454  
00:22:33,770 --> 00:22:30,960  
dispatched to go investigate this we get

455  
00:22:35,570 --> 00:22:33,780  
out there and we say that it's something

456  
00:22:40,190 --> 00:22:35,580  
that doesn't belong to us and we can

457  
00:22:42,590 --> 00:22:40,200  
honestly see it's futuristic okay it's

458  
00:22:46,460 --> 00:22:42,600  
this technology that's way off ahead of

459  
00:22:49,310 --> 00:22:46,470  
what our military can do we know it's

460  
00:22:52,399 --> 00:22:49,320  
not ours okay what do you do with it

461  
00:22:55,480 --> 00:22:52,409  
well obviously you're gonna see what you

462  
00:23:00,110 --> 00:22:55,490  
can do with that for a possible military

463  
00:23:02,919 --> 00:23:00,120

advancement but if a technology is so

464

00:23:05,330 --> 00:23:02,929

many years ahead of what we're used to

465

00:23:08,750 --> 00:23:05,340

we're not going to know what the hell're

466

00:23:12,950 --> 00:23:08,760

is and how counter back engineer in my

467

00:23:15,700 --> 00:23:12,960

opinion okay the only way that we can

468

00:23:19,970 --> 00:23:15,710

back engineer in Spain is we've got to

469

00:23:23,539 --> 00:23:19,980

understand what we're looking at and if

470

00:23:27,049 --> 00:23:23,549

if it's so many years in the future say

471

00:23:29,149 --> 00:23:27,059

fifty or a hundred years the only way we

472

00:23:32,049 --> 00:23:29,159

can do anything with that is the owners

473

00:23:38,270 --> 00:23:32,059

of that technology has to teach us what

474

00:23:42,820 --> 00:23:38,280

it is and how it works now this goes

475

00:23:47,390 --> 00:23:42,830

back to making the Eisenhower treaty and

476  
00:23:51,860 --> 00:23:47,400  
them giving us technology but they also

477  
00:23:55,310 --> 00:23:51,870  
have to teach us how to use it and then

478  
00:23:57,649 --> 00:23:55,320  
once they do that boom we can create

479  
00:23:59,690 --> 00:23:57,659  
things like the P or 3 into T or 6 and

480  
00:24:01,880 --> 00:23:59,700  
what have you I mean we got direct

481  
00:24:05,480 --> 00:24:01,890  
energy weapons now there's still people

482  
00:24:08,659 --> 00:24:05,490  
don't believe that but we did and that's

483  
00:24:10,700 --> 00:24:08,669  
part of I mean if we're back engineering

484  
00:24:14,299 --> 00:24:10,710  
anything then it kind of adds

485  
00:24:16,669 --> 00:24:14,309  
credibility to the story of they're here

486  
00:24:21,090 --> 00:24:16,679  
and they're helping us cuz they're

487  
00:24:27,269 --> 00:24:24,960  
I was terrible in school in math and

488  
00:24:29,159 --> 00:24:27,279

let's say for example you are the

489

00:24:31,919 --> 00:24:29,169

valedictorian of the high school and I

490

00:24:34,019 --> 00:24:31,929

can barely add two plus two but somebody

491

00:24:36,810 --> 00:24:34,029

wants me to do calculus I got to go find

492

00:24:39,389 --> 00:24:36,820

somebody that I'm changed so so I called

493

00:24:41,190 --> 00:24:39,399

my buddy Ryan you tell me what's going

494

00:24:44,340 --> 00:24:41,200

on and if I can't figure it out then I

495

00:24:47,009 --> 00:24:44,350

can't work with it so what's going to

496

00:24:49,999 --> 00:24:47,019

happen is you're going to have to catch

497

00:24:52,740 --> 00:24:50,009

me up to that level of mathematics

498

00:24:55,560 --> 00:24:52,750

correct then I if I meet that they meet

499

00:24:57,629 --> 00:24:55,570

in the middle time now I believe Bob

500

00:25:02,700 --> 00:24:57,639

Lazar story I'm going record and say I

501  
00:25:05,249 --> 00:25:02,710  
believe the man's story and quite simply

502  
00:25:08,340 --> 00:25:05,259  
because he was talking about the element

503  
00:25:10,649 --> 00:25:08,350  
115 in the 80s and everyone said there's

504  
00:25:11,999 --> 00:25:10,659  
no way that could be but now scientific

505  
00:25:15,769 --> 00:25:12,009  
me saying oh yeah

506  
00:25:20,610 --> 00:25:15,779  
oh no 150 yep but Bob said it first

507  
00:25:21,899 --> 00:25:20,620  
right okay I believe his story I do not

508  
00:25:23,700 --> 00:25:21,909  
believe he is some type of

509  
00:25:27,930 --> 00:25:23,710  
disinformation agent

510  
00:25:32,419 --> 00:25:27,940  
I believe he worked out at s4 he saw

511  
00:25:35,279 --> 00:25:32,429  
what he saw and it's kind of funny that

512  
00:25:37,860 --> 00:25:35,289  
the way he looked at it was well the

513  
00:25:40,769 --> 00:25:37,870

people needed to know this the last

514

00:25:42,659 --> 00:25:40,779

person that said that James Forrestal

515

00:25:47,009 --> 00:25:42,669

things didn't really work out too well

516

00:25:49,950 --> 00:25:47,019

huh not good I mean so James Forrestal

517

00:25:53,549 --> 00:25:49,960

in my opinion did not kill himself James

518

00:25:55,830 --> 00:25:53,559

Forrestal was thrown out of that temple

519

00:25:58,080 --> 00:25:55,840

thank you potential is up he was thrown

520

00:26:00,539 --> 00:25:58,090

out of that high-rise window but there's

521

00:26:03,659 --> 00:26:00,549

another gentleman that died the same way

522

00:26:07,200 --> 00:26:03,669

his name was dr. Frank Olson he was the

523

00:26:10,860 --> 00:26:07,210

he was a leader of the nko surprise

524

00:26:12,600 --> 00:26:10,870

that's right Wow they bad the same way

525

00:26:15,210 --> 00:26:12,610

because they both wanted to tell people

526  
00:26:16,529 --> 00:26:15,220  
about what was going on I think those

527  
00:26:21,240 --> 00:26:16,539  
are accidents that's just my opinion

528  
00:26:23,100 --> 00:26:21,250  
they've done wrong but you're preaching

529  
00:26:25,619 --> 00:26:23,110  
to the corium constant I believe I

530  
00:26:28,049 --> 00:26:25,629  
believe bob lazar story very much you

531  
00:26:30,149 --> 00:26:28,059  
know and I'm not going to say the

532  
00:26:33,419 --> 00:26:30,159  
person's name because I don't know if it

533  
00:26:34,159 --> 00:26:33,429  
but if I say their name on the show but

534  
00:26:35,989 --> 00:26:34,169  
assert the

535  
00:26:37,759 --> 00:26:35,999  
and told me that there was not the kind

536  
00:26:40,489 --> 00:26:37,769  
of time that bad that he won here the

537  
00:26:45,799 --> 00:26:40,499  
time he thought it was crazy until we

538  
00:26:50,749 --> 00:26:45,809

started to work at area 51 and s4 so

539

00:26:53,570 --> 00:26:50,759

evidently Bob saw something thank you

540

00:26:59,869 --> 00:26:53,580

right okay this was out there you know

541

00:27:02,180 --> 00:26:59,879

believe it or not you know but it's it's

542

00:27:06,229 --> 00:27:02,190

it's a similar I mean yeah I want to get

543

00:27:09,560 --> 00:27:06,239

into you know these this stuff like out

544

00:27:11,330 --> 00:27:09,570

at s4 and that you see area 51 papoose

545

00:27:13,190 --> 00:27:11,340

Lake and I mean this is all stuff that

546

00:27:15,889 --> 00:27:13,200

let's get back to James Forrestal that

547

00:27:18,919 --> 00:27:15,899

he was very involved with he was with

548

00:27:20,930 --> 00:27:18,929

her and and talking about Jimmy

549

00:27:22,489 --> 00:27:20,940

Forrestal and I hate to say it like that

550

00:27:27,950 --> 00:27:22,499

because sometimes people comment on

551  
00:27:30,190 --> 00:27:27,960  
documentaries which is unique he was no

552  
00:27:33,769 --> 00:27:30,200  
let me say this image over its correctly

553  
00:27:36,320 --> 00:27:33,779  
and respectfully he was allegedly a part

554  
00:27:38,629 --> 00:27:36,330  
of mj-12 no I say allegedly cuz I was

555  
00:27:41,149 --> 00:27:38,639  
not there in those days but I believe in

556  
00:27:42,259 --> 00:27:41,159  
k-12 was a real group so that's why I'm

557  
00:27:46,279 --> 00:27:42,269  
boarding it like that

558  
00:27:50,029 --> 00:27:46,289  
so mj-12 is is there to monitor and

559  
00:27:53,450 --> 00:27:50,039  
manage of alien tech and the UFO crash

560  
00:27:56,149 --> 00:27:53,460  
retrieval debris okay well if this force

561  
00:27:59,810 --> 00:27:56,159  
all saw that he felt like the public

562  
00:28:01,190 --> 00:27:59,820  
needed that no something in those days

563  
00:28:03,529 --> 00:28:01,200

they didn't really know what's in the

564

00:28:07,009 --> 00:28:03,539

world they were dealing with so they had

565

00:28:08,899 --> 00:28:07,019

to be extra cautious I don't believe

566

00:28:11,269 --> 00:28:08,909

that I would ever kill somebody I would

567

00:28:13,729 --> 00:28:11,279

come up with some other way to keeping

568

00:28:18,259 --> 00:28:13,739

quiet but that's what they chose to do

569

00:28:20,830 --> 00:28:18,269

you know so and I can't miss you James

570

00:28:24,979 --> 00:28:20,840

Forster without mentioned John F Kennedy

571

00:28:26,419 --> 00:28:24,989

President Kennedy and most people feel

572

00:28:29,539 --> 00:28:26,429

like President Kennedy was assassinated

573

00:28:31,369 --> 00:28:29,549

because of his political views and he

574

00:28:33,049 --> 00:28:31,379

didn't invade Cuba in all the things

575

00:28:35,899 --> 00:28:33,059

like that but you can read about any

576

00:28:39,710 --> 00:28:35,909

history books but I know what one other

577

00:28:41,629 --> 00:28:39,720

person in ethology that agrees with me

578

00:28:44,119 --> 00:28:41,639

cuz she has said she has agreed with me

579

00:28:46,239 --> 00:28:44,129

Linda Moulton Howe I have a lot of

580

00:28:47,830 --> 00:28:46,249

respect for that young lady

581

00:28:50,600 --> 00:28:47,840

inject well

582

00:28:56,750 --> 00:28:50,610

has a document that is referring to

583

00:28:59,440 --> 00:28:56,760

Lancer LAN CPR now Lancer was President

584

00:29:02,120 --> 00:28:59,450

Kennedy's Secret Service pregnant and

585

00:29:04,220 --> 00:29:02,130

this dark and I've got the documents if

586

00:29:06,740 --> 00:29:04,230

somebody he emailed me I'll forward it

587

00:29:09,890 --> 00:29:06,750

to him if the document is an integer of

588

00:29:12,500 --> 00:29:09,900

document and I don't have economy but

589

00:29:16,370 --> 00:29:12,510

it's basically the way it's worded it's

590

00:29:20,270 --> 00:29:16,380

giving the order or the okay to kill

591

00:29:23,330 --> 00:29:20,280

President John F Kennedy because on

592

00:29:26,380 --> 00:29:23,340

November the twelve he requested UFO

593

00:29:29,030 --> 00:29:26,390

into I've got that letter as well and

594

00:29:33,290 --> 00:29:29,040

then like I say ten days later he's

595

00:29:36,380 --> 00:29:33,300

assassinated and now now that's been

596

00:29:38,030 --> 00:29:36,390

chilling because when you read those

597

00:29:40,990 --> 00:29:38,040

documents enough god I mean I'm happy to

598

00:29:45,920 --> 00:29:41,000

share me whoever you know contact me

599

00:29:49,310 --> 00:29:45,930

Douglass caddy mentioned a dinner that

600

00:29:50,930 --> 00:29:49,320

he had with E Howard hunt tell you

601  
00:29:52,880 --> 00:29:50,940  
everybody probably heard of a Howard

602  
00:29:56,330 --> 00:29:52,890  
hunt he was one of the Watergate work

603  
00:29:58,790 --> 00:29:56,340  
burglars excuse me Deborah Scotty had

604  
00:30:02,690 --> 00:29:58,800  
dinner with Mr Hunt the evening before

605  
00:30:06,920 --> 00:30:02,700  
he had to report to prison and mr. caddy

606  
00:30:08,840 --> 00:30:06,930  
this is mr. caddies works he asked why

607  
00:30:13,820 --> 00:30:08,850  
was President Kennedy killed and

608  
00:30:16,100 --> 00:30:13,830  
according to what mr. caddy has said he

609  
00:30:18,020 --> 00:30:16,110  
was killed because it was believed he

610  
00:30:21,580 --> 00:30:18,030  
was going to give our most vital secret

611  
00:30:25,880 --> 00:30:21,590  
to the Russians and he Howard hunt said

612  
00:30:28,600 --> 00:30:25,890  
the alien existence on this planet now

613  
00:30:31,250 --> 00:30:28,610

is that true or is that not true I

614

00:30:32,930 --> 00:30:31,260

believe that probably that conversation

615

00:30:33,590 --> 00:30:32,940

did happen between because of those

616

00:30:35,960 --> 00:30:33,600

documents

617

00:30:39,260 --> 00:30:35,970

I believe it's theoretically possible

618

00:30:43,160 --> 00:30:39,270

any more than likely yes what calls the

619

00:30:44,660 --> 00:30:43,170

assessments but that's just a theory you

620

00:30:46,310 --> 00:30:44,670

know there's no way to open that we

621

00:30:48,740 --> 00:30:46,320

really really know but so we can't

622

00:30:50,750 --> 00:30:48,750

really discredit or Gaeta

623

00:30:53,300 --> 00:30:50,760

we are absolutely right with the

624

00:30:55,460 --> 00:30:53,310

ketamine assassination and and then also

625

00:30:57,770 --> 00:30:55,470

the assassination of his brother I mean

626  
00:31:00,500 --> 00:30:57,780  
there's there's the Kennedys have always

627  
00:31:01,130 --> 00:31:00,510  
kind of been you know the family that is

628  
00:31:02,660 --> 00:31:01,140  
triangle

629  
00:31:05,090 --> 00:31:02,670  
though they are an elite family they're

630  
00:31:05,990 --> 00:31:05,100  
always trying to more or less balance

631  
00:31:09,680 --> 00:31:06,000  
the scales

632  
00:31:11,270 --> 00:31:09,690  
or make things even let's take that

633  
00:31:12,950 --> 00:31:11,280  
center path and it almost seems like

634  
00:31:16,870 --> 00:31:12,960  
even with you know the quote-unquote

635  
00:31:20,350 --> 00:31:16,880  
Kennedy curse you know there's an occult

636  
00:31:23,210 --> 00:31:20,360  
aspect to this you know John F Kennedy

637  
00:31:26,539 --> 00:31:23,220  
publicly scrutinized secret societies

638  
00:31:29,330 --> 00:31:26,549

and well I and I wanted to get to like a

639

00:31:31,970 --> 00:31:29,340

lot of the intellectuals have kind of

640

00:31:34,130 --> 00:31:31,980

reclosed their original ideas as a

641

00:31:37,130 --> 00:31:34,140

secret society and a lot of this

642

00:31:39,409 --> 00:31:37,140

phraseology and they've used some of the

643

00:31:41,840 --> 00:31:39,419

key symbolisms like the triangle and the

644

00:31:43,750 --> 00:31:41,850

you know the secrecy that they're

645

00:31:46,490 --> 00:31:43,760

swearing because a lot of these groups

646

00:31:49,010 --> 00:31:46,500

yet you wonder if the president even

647

00:31:52,340 --> 00:31:49,020

gets debriefed I don't think he does and

648

00:31:56,480 --> 00:31:52,350

a president in my opinion based on what

649

00:31:57,950 --> 00:31:56,490

I President Eisenhower said that exists

650

00:32:00,380 --> 00:31:57,960

speech I guess is what you want to call

651

00:32:02,000 --> 00:32:00,390

it he was basically telling the country

652

00:32:07,060 --> 00:32:02,010

the president doesn't have the power

653

00:32:14,360 --> 00:32:10,760

the story goes story goes okay

654

00:32:17,330 --> 00:32:14,370

the president quarter said that he saw a

655

00:32:19,130 --> 00:32:17,340

UFO while camping he said he would

656

00:32:22,220 --> 00:32:19,140

really sure for doctrine okay

657

00:32:26,240 --> 00:32:22,230

the story goes that when President

658

00:32:29,000 --> 00:32:26,250

Carter was elected he had a meeting with

659

00:32:31,640 --> 00:32:29,010

it was either the director or the deputy

660

00:32:35,710 --> 00:32:31,650

director of CIA it was one of those two

661

00:32:38,090 --> 00:32:35,720

gentlemen and he basically requested UFO

662

00:32:41,150 --> 00:32:38,100

material and what was said to him was

663

00:32:45,850 --> 00:32:41,160

it's a neat enough okay now here is the

664

00:32:49,610 --> 00:32:45,860

unique thing about that allegedly if

665

00:32:52,909 --> 00:32:49,620

President Carter was seen sitting at his

666

00:32:55,400 --> 00:32:52,919

desk the door to the Oval Office was

667

00:32:58,640 --> 00:32:55,410

open and allegedly he was sitting there

668

00:33:00,530 --> 00:32:58,650

had tears running down his I don't know

669

00:33:03,740 --> 00:33:00,540

what told a man we'll probably never

670

00:33:06,680 --> 00:33:03,750

know but I am theorizing it's one of

671

00:33:07,880 --> 00:33:06,690

those things like leave it alone and

672

00:33:12,530 --> 00:33:07,890

everything will be fine

673

00:33:14,370 --> 00:33:12,540

and I think she caught the hint and I'm

674

00:33:16,500 --> 00:33:14,380

referring to the plenteous

675

00:33:18,810 --> 00:33:16,510

well that's what I think that's what I

676

00:33:20,640 --> 00:33:18,820

think as a freak thank you every day a

677

00:33:23,190 --> 00:33:20,650

magnificent there's something to it

678

00:33:25,260 --> 00:33:23,200

there's something to it Mike this is so

679

00:33:28,680 --> 00:33:25,270

strange my sister-in-law and this has to

680

00:33:32,789 --> 00:33:28,690

do with Robert Kennedy anyway

681

00:33:35,299 --> 00:33:32,799

she she and someone else purchased a

682

00:33:37,649 --> 00:33:35,309

weapon that was the weapon that was

683

00:33:40,440 --> 00:33:37,659

theorized to be used in the

684

00:33:41,940 --> 00:33:40,450

assassination and they have all this but

685

00:33:45,299 --> 00:33:41,950

getting back to so I'm with you on that

686

00:33:47,639 --> 00:33:45,309

path but getting back to the UM you know

687

00:33:50,130 --> 00:33:47,649

starting with area 51 this this Q

688

00:33:52,110 --> 00:33:50,140

clearances this new need-to-know status

689

00:33:53,399 --> 00:33:52,120

which is unheard of in the military at

690

00:33:55,950 --> 00:33:53,409

this point this is a brand new thing

691

00:33:57,510 --> 00:33:55,960

where it's kind of like are you in the

692

00:33:59,490 --> 00:33:57,520

good ol boys club or not

693

00:34:03,570 --> 00:33:59,500

well they just get to pick and choose

694

00:34:06,330 --> 00:34:03,580

who needs to know what that is such a

695

00:34:11,280 --> 00:34:06,340

secret destiny of America like I mean it

696

00:34:14,099 --> 00:34:11,290

seems so almost like a secret society or

697

00:34:19,230 --> 00:34:14,109

a well you know what I'll tell you you

698

00:34:21,930 --> 00:34:19,240

know in a way I can understand that rule

699

00:34:24,570 --> 00:34:21,940

now what I mean by that is let's say

700

00:34:27,629 --> 00:34:24,580

hypothetically right now within our

701  
00:34:29,460 --> 00:34:27,639  
military I don't think we have it but we

702  
00:34:32,359 --> 00:34:29,470  
may let's say if we actually have

703  
00:34:35,399 --> 00:34:32,369  
technology to where we can teleport

704  
00:34:37,169 --> 00:34:35,409  
that's something so sensitive that you

705  
00:34:39,389 --> 00:34:37,179  
don't need to tell everyone because how

706  
00:34:43,230 --> 00:34:39,399  
do you know somebody or not sell the

707  
00:34:45,960 --> 00:34:43,240  
information to another country or what

708  
00:34:48,889 --> 00:34:45,970  
not so I think I can understand them

709  
00:34:52,859 --> 00:34:48,899  
taking that equipped I really really do

710  
00:34:55,020 --> 00:34:52,869  
and some things or need to know and they

711  
00:35:00,359 --> 00:34:55,030  
should be for national security I do

712  
00:35:04,620 --> 00:35:00,369  
agree with that but at the same time yes

713  
00:35:08,099 --> 00:35:04,630

and I'm using this as an example if we

714

00:35:12,180 --> 00:35:08,109

have the cure for cancer it should not

715

00:35:14,400 --> 00:35:12,190

be held back it should be used but at

716

00:35:15,900 --> 00:35:14,410

the same time if we did there's a lot of

717

00:35:17,970 --> 00:35:15,910

people that would go out be out at work

718

00:35:20,250 --> 00:35:17,980

and so what does the country want to

719

00:35:22,680 --> 00:35:20,260

deal with I think they have those type

720

00:35:24,510 --> 00:35:22,690

of issues to deal with it you and I

721

00:35:25,770 --> 00:35:24,520

don't say no I'm not taking up for

722

00:35:31,010 --> 00:35:25,780

anything I understand

723

00:35:34,140 --> 00:35:31,020

objective but that is taught that's what

724

00:35:36,810 --> 00:35:34,150

town things are so different now ever

725

00:35:39,720 --> 00:35:36,820

since Roswell things have changed people

726

00:35:41,880 --> 00:35:39,730

don't want to admit it they don't want

727

00:35:43,440 --> 00:35:41,890

to look at it but so many things in this

728

00:35:45,750 --> 00:35:43,450

country has changed since the Roswell

729

00:35:48,210 --> 00:35:45,760

crash but we didn't start collecting

730

00:35:51,720 --> 00:35:48,220

technology in 47 we actually started in

731

00:35:55,910 --> 00:35:51,730

1941 that I'm aware with the cape

732

00:36:00,930 --> 00:35:55,920

girardeau crash and then we had one in

733

00:36:03,960 --> 00:36:00,940

1945 in San Antonio in Mexico 1947 was

734

00:36:06,720 --> 00:36:03,970

Roswell and Aztec was 48 now those are

735

00:36:08,490 --> 00:36:06,730

four crashes that in order but that's

736

00:36:10,650 --> 00:36:08,500

been that's been talked about okay so

737

00:36:13,650 --> 00:36:10,660

that's four and then of course we had

738

00:36:15,450 --> 00:36:13,660

the Battle of LA and many people have

739

00:36:18,840 --> 00:36:15,460

said that they shot at the thing and

740

00:36:21,180 --> 00:36:18,850

they didn't bring it down so they heard

741

00:36:23,550 --> 00:36:21,190

they shot at the thing and it did come

742

00:36:26,490 --> 00:36:23,560

down and the Navy recovered it don't

743

00:36:28,830 --> 00:36:26,500

really know so we started collecting

744

00:36:34,620 --> 00:36:28,840

product you know from them and since

745

00:36:36,780 --> 00:36:34,630

1941 in my opinion but if they're here

746

00:36:38,880 --> 00:36:36,790

and they connect and I believe it it's

747

00:36:40,500 --> 00:36:38,890

possible there's no telling what kind of

748

00:36:43,890 --> 00:36:40,510

awesome technologies with Jack now

749

00:36:46,230 --> 00:36:43,900

whenever six mm-hmm I mean I was

750

00:36:49,170 --> 00:36:46,240

watching a documentary that was on

751  
00:36:50,430 --> 00:36:49,180  
YouTube and it was mention a person

752  
00:36:53,040 --> 00:36:50,440  
website is that okay

753  
00:36:58,980 --> 00:36:53,050  
I don't want okay the name of the

754  
00:37:00,810 --> 00:36:58,990  
website is UFO tv.com and I was watching

755  
00:37:03,570 --> 00:37:00,820  
one of their documentaries that they had

756  
00:37:05,400 --> 00:37:03,580  
on the YouTube page and there was a

757  
00:37:09,360 --> 00:37:05,410  
gentleman on there and I think member

758  
00:37:11,190 --> 00:37:09,370  
man's name but he said that he had spoke

759  
00:37:14,310 --> 00:37:11,200  
with someone with within the military

760  
00:37:15,900 --> 00:37:14,320  
and the person was in the military told

761  
00:37:18,420 --> 00:37:15,910  
the shin and I wish I could remember the

762  
00:37:20,430 --> 00:37:18,430  
guys name he said we've got friends out

763  
00:37:22,770 --> 00:37:20,440

there in the desert that make George

764

00:37:26,760 --> 00:37:22,780

Lucas's mouth and Steven Spielberg no

765

00:37:27,240 --> 00:37:26,770

water no that's either easy but true or

766

00:37:29,400 --> 00:37:27,250

false

767

00:37:31,170 --> 00:37:29,410

of course I don't know but to say that

768

00:37:34,160 --> 00:37:31,180

it's true it's not an unbelievable

769

00:37:37,860 --> 00:37:34,170

statement MIT

770

00:37:40,070 --> 00:37:37,870

no yeah and I think I think that's kind

771

00:37:42,540 --> 00:37:40,080

of like what we're finding is

772

00:37:44,550 --> 00:37:42,550

you know that for those that believe

773

00:37:48,810 --> 00:37:44,560

like going back to what you said about

774

00:37:50,370 --> 00:37:48,820

gary mckinnon that these entities exist

775

00:37:53,220 --> 00:37:50,380

not only exist but have been here for

776

00:37:57,060 --> 00:37:53,230

quite some time well that you know you

777

00:38:00,450 --> 00:37:57,070

run into that the higher you go up this

778

00:38:03,780 --> 00:38:00,460

declassified and disclosure territory

779

00:38:09,870 --> 00:38:03,790

you find that there's a lot of things

780

00:38:12,630 --> 00:38:09,880

like the you know the secret space

781

00:38:14,100 --> 00:38:12,640

programs and you know lucky I think you

782

00:38:18,090 --> 00:38:14,110

mentioned earlier the non-terrestrial

783

00:38:20,130 --> 00:38:18,100

officers things that people don't you

784

00:38:21,780 --> 00:38:20,140

know the average individual that's

785

00:38:24,150 --> 00:38:21,790

manipulated by the mass media isn't

786

00:38:26,790 --> 00:38:24,160

gonna know what that means and no I

787

00:38:29,130 --> 00:38:26,800

think that there is a fold however like

788

00:38:31,830 --> 00:38:29,140

there's a fold of some sort where this

789

00:38:34,320 --> 00:38:31,840

need-to-know gathers people pulls them

790

00:38:37,080 --> 00:38:34,330

back into this fold and from what I

791

00:38:39,150 --> 00:38:37,090

understand like there's you know

792

00:38:40,620 --> 00:38:39,160

everything from there's different levels

793

00:38:43,410 --> 00:38:40,630

like you said there's the old

794

00:38:45,390 --> 00:38:43,420

back-engineered Roswell stuff that we

795

00:38:49,350 --> 00:38:45,400

can fly and then there's new levels and

796

00:38:52,770 --> 00:38:49,360

new generations and and and this ties

797

00:38:56,100 --> 00:38:52,780

into you know the back then it was the

798

00:38:58,800 --> 00:38:56,110

OSS and NASA and then that brings in you

799

00:39:01,230 --> 00:38:58,810

know project horizon solar warden is the

800

00:39:05,670 --> 00:39:01,240

possibility of like what von Braun said

801  
00:39:07,680 --> 00:39:05,680  
about a a project that's gonna be called

802  
00:39:10,200 --> 00:39:07,690  
Blue Beam is that a possibility I mean

803  
00:39:13,020 --> 00:39:10,210  
there's so much go but yeah Blue Beam is

804  
00:39:16,500 --> 00:39:13,030  
the hologram technology you know project

805  
00:39:19,470 --> 00:39:16,510  
horizon as I said early interview I said

806  
00:39:22,200 --> 00:39:19,480  
that I believe project horizon became a

807  
00:39:24,720 --> 00:39:22,210  
reality because we were invited to the

808  
00:39:26,970 --> 00:39:24,730  
moon now let's think about something

809  
00:39:28,920 --> 00:39:26,980  
logically let's say if they helped us

810  
00:39:30,990 --> 00:39:28,930  
build a military installation anuman

811  
00:39:32,760 --> 00:39:31,000  
okay let's pretend for a minute say boom

812  
00:39:34,740 --> 00:39:32,770  
they help this we're going to need

813  
00:39:38,820 --> 00:39:34,750

people to work there

814

00:39:41,100 --> 00:39:38,830

and do whatever is our plans work to Des

815

00:39:43,620 --> 00:39:41,110

Moines to me which means we're going to

816

00:39:46,170 --> 00:39:43,630

have people working on the moon which

817

00:39:49,500 --> 00:39:46,180

means they are called non-terrestrial

818

00:39:51,330 --> 00:39:49,510

officers okay yeah isn't that exactly

819

00:39:53,530 --> 00:39:51,340

what Jerry McKenna said he found

820

00:39:56,560 --> 00:39:53,540

overthrow but that tells me

821

00:40:02,109 --> 00:39:56,570

The Horizon had to have become a reality

822

00:40:03,609 --> 00:40:02,119

and some form or fashion because if

823

00:40:05,890 --> 00:40:03,619

you're going to say that the

824

00:40:07,870 --> 00:40:05,900

non-terrestrial officers are not human

825

00:40:09,990 --> 00:40:07,880

then you're talking about something

826

00:40:12,700 --> 00:40:10,000

totally different here

827

00:40:14,740 --> 00:40:12,710

you know non-terrestrial officers to me

828

00:40:18,070 --> 00:40:14,750

it's military personnel not working on

829

00:40:19,840 --> 00:40:18,080

my planet in the closest place that's

830

00:40:21,760 --> 00:40:19,850

all it means to me too and I think

831

00:40:23,380 --> 00:40:21,770

that's where you act the psychology of

832

00:40:25,990 --> 00:40:23,390

UFOs you're talking about is so

833

00:40:28,560 --> 00:40:26,000

important because well you know people

834

00:40:30,730 --> 00:40:28,570

here alien and they think

835

00:40:33,310 --> 00:40:30,740

extraterrestrial and all that really

836

00:40:35,099 --> 00:40:33,320

means is that they're not on this tariff

837

00:40:38,320 --> 00:40:35,109

or they're not on this earth right now

838

00:40:40,420 --> 00:40:38,330

well at this particular time you know or

839

00:40:43,030 --> 00:40:40,430

for the most part and that means there

840

00:40:45,700 --> 00:40:43,040

are somewhere else now that well you

841

00:40:48,609 --> 00:40:45,710

know and and I think you know people

842

00:40:51,250 --> 00:40:48,619

take that fill in all the gaps and end

843

00:40:53,800 --> 00:40:51,260

up with a reality that just isn't

844

00:40:55,000 --> 00:40:53,810

reality whether that is you know that

845

00:40:57,280 --> 00:40:55,010

they're all Care Bears and space

846

00:40:58,630 --> 00:40:57,290

brothers or that they're all demons so

847

00:41:05,250 --> 00:40:58,640

there's something probably in between

848

00:41:08,050 --> 00:41:05,260

that's you know also true about you know

849

00:41:13,570 --> 00:41:08,060

the turns UFOs and the Canadians and

850

00:41:15,790 --> 00:41:13,580

I'll tell anybody this that my personal

851

00:41:19,359 --> 00:41:15,800

belief my personal religious belief is

852

00:41:22,060 --> 00:41:19,369

this that God just like the Bible says

853

00:41:25,000 --> 00:41:22,070

created the heavens and the earth and if

854

00:41:28,330 --> 00:41:25,010

God made a decision to put life on this

855

00:41:31,990 --> 00:41:28,340

planet I don't see why he would not put

856

00:41:33,880 --> 00:41:32,000

my other places now saying that it has

857

00:41:37,450 --> 00:41:33,890

been said that aliens had something to

858

00:41:39,790 --> 00:41:37,460

do with our genetic makeup after God

859

00:41:42,040 --> 00:41:39,800

created life that's possible actor

860

00:41:45,670 --> 00:41:42,050

hasn't sure I'm not saying that's not us

861

00:41:49,810 --> 00:41:45,680

but if God created our planet and put

862

00:41:52,630 --> 00:41:49,820

life on of any sort then what did God do

863

00:41:54,250 --> 00:41:52,640

with Mercury Venus Saturn and all the

864

00:41:56,050 --> 00:41:54,260

other planets at least the ones we

865

00:41:58,690 --> 00:41:56,060

learned about in school mm-hmm

866

00:42:00,220 --> 00:41:58,700

they're there for a reason so to say

867

00:42:02,170 --> 00:42:00,230

that life isn't out there is this

868

00:42:04,390 --> 00:42:02,180

pigment that's running out and

869

00:42:07,600 --> 00:42:04,400

understorm naked as a jaybird on the

870

00:42:11,290 --> 00:42:07,610

like the rock I mean that's

871

00:42:13,660 --> 00:42:11,300

that we may consolation ever seeing that

872

00:42:17,710 --> 00:42:13,670

life don't mean it's not there

873

00:42:21,580 --> 00:42:17,720

right and when and when a person sees a

874

00:42:24,510 --> 00:42:21,590

UFO or hear somebody say that don't just

875

00:42:27,400 --> 00:42:24,520

to the alien conclusion these days

876

00:42:30,160 --> 00:42:27,410

because there's too many things it could

877

00:42:34,230 --> 00:42:30,170

be and the one main thing is black

878

00:42:37,480 --> 00:42:34,240

project technology owned by our military

879

00:42:42,700 --> 00:42:37,490

no there is an open discussion about how

880

00:42:45,550 --> 00:42:42,710

we developed it sure but don't assume

881

00:42:47,980 --> 00:42:45,560

it's the little gray guys flying I mean

882

00:42:55,870 --> 00:42:47,990

come on this is a different world we're

883

00:42:58,150 --> 00:42:55,880

living in versus 1947 and the Bob Lazar

884

00:43:02,230 --> 00:42:58,160

thing I want to go back to that just a

885

00:43:06,910 --> 00:43:02,240

second well one reason that I swear Bob

886

00:43:08,740 --> 00:43:06,920

Lazar seems to be credible

887

00:43:12,160 --> 00:43:08,750

I believe he's credible because I've

888

00:43:16,000 --> 00:43:12,170

been trying to figure out okay why would

889

00:43:18,550 --> 00:43:16,010

Bob Lazar oh yeah about something like

890

00:43:22,920 --> 00:43:18,560

that because one thing that hasn't been

891

00:43:25,750 --> 00:43:22,930

done okay what I call a national level

892

00:43:28,420 --> 00:43:25,760

there was that documentary that came out

893

00:43:30,880 --> 00:43:28,430

about him that mr. Jeremy Corbyn is that

894

00:43:34,690 --> 00:43:30,890

this kind of - gentleman yes who was the

895

00:43:37,270 --> 00:43:34,700

producer of you been um good guy then

896

00:43:39,670 --> 00:43:37,280

okay that documentary was done and Bob

897

00:43:41,470 --> 00:43:39,680

has been on other documentaries but he

898

00:43:43,720 --> 00:43:41,480

hasn't no one yeah it's not like

899

00:43:46,300 --> 00:43:43,730

somebody has made the movie the bob

900

00:43:48,880 --> 00:43:46,310

lazar sword okay

901  
00:43:50,830 --> 00:43:48,890  
nothing has really happened that has

902  
00:43:53,530 --> 00:43:50,840  
catapulted him into like a celebrity

903  
00:43:57,310 --> 00:43:53,540  
status but he's considered that a much

904  
00:44:00,220 --> 00:43:57,320  
technology um that's why I just did that

905  
00:44:03,820 --> 00:44:00,230  
feeling is he stoned her and in truth is

906  
00:44:05,620 --> 00:44:03,830  
stranger than fiction and the reason

907  
00:44:07,330 --> 00:44:05,630  
nobody wants to believe you this because

908  
00:44:10,510 --> 00:44:07,340  
their head is stuck in Hollywood

909  
00:44:13,450 --> 00:44:10,520  
meaning the movies they have not

910  
00:44:16,360 --> 00:44:13,460  
realized that okay this could really be

911  
00:44:18,490 --> 00:44:16,370  
going on but what's so amazing is when

912  
00:44:21,250 --> 00:44:18,500  
somebody says the word UFO people think

913  
00:44:22,570 --> 00:44:21,260

alien so this it's like

914

00:44:27,580 --> 00:44:22,580

do you believe in or do you not believe

915

00:44:29,710 --> 00:44:27,590

in it right now but I'll even admit this

916

00:44:34,510 --> 00:44:29,720

Bob Lazar store is very complex

917

00:44:36,900 --> 00:44:34,520

sure it is and ultimately when a person

918

00:44:39,520 --> 00:44:36,910

in his situation said hey I saw this

919

00:44:42,540 --> 00:44:39,530

there's no way he could take us out and

920

00:44:45,640 --> 00:44:42,550

show us there so asking for the evidence

921

00:44:47,710 --> 00:44:45,650

is not going to happen because he can't

922

00:44:53,070 --> 00:44:47,720

get to it y'all don't think you have

923

00:44:57,190 --> 00:44:53,080

this is work that's true man it's sad

924

00:44:59,170 --> 00:44:57,200

and it's it's kind of like pushing a gas

925

00:45:02,590 --> 00:44:59,180

pedal and a brake pedal at the same time

926

00:45:05,410 --> 00:45:02,600

all right you just got to go in the

927

00:45:07,540 --> 00:45:05,420

man's work and make up your mind

928

00:45:10,770 --> 00:45:07,550

what you think is real and everyday life

929

00:45:13,410 --> 00:45:10,780

and I believe I really do there's some

930

00:45:16,000 --> 00:45:13,420

unquestionable coincidences that seem

931

00:45:18,790 --> 00:45:16,010

synchronistic how they could have

932

00:45:20,620 --> 00:45:18,800

slipped through the cracks like you know

933

00:45:22,540 --> 00:45:20,630

back when he worked at los alamos first

934

00:45:25,420 --> 00:45:22,550

they denied he worked there and then you

935

00:45:28,000 --> 00:45:25,430

know his pictures yeah the thing is that

936

00:45:31,270 --> 00:45:28,010

um when he came forward and said what he

937

00:45:33,730 --> 00:45:31,280

said um a lot of his records started to

938

00:45:36,130 --> 00:45:33,740

disappear like his credibility's of as

939

00:45:38,830 --> 00:45:36,140

you say worked at los alamos and all of

940

00:45:40,030 --> 00:45:38,840

this stuff the the evidence of him even

941

00:45:45,130 --> 00:45:40,040

being in this place is kind of

942

00:45:48,220 --> 00:45:45,140

disappeared no last night I was watching

943

00:45:51,160 --> 00:45:48,230

Louie elizondo's show unidentified and

944

00:45:54,040 --> 00:45:51,170

they and something was said about John

945

00:45:57,550 --> 00:45:54,050

burrows that I did not know and I think

946

00:46:00,550 --> 00:45:57,560

in that day near oh so out the children

947

00:46:04,150 --> 00:46:00,560

I was watching this is that when John

948

00:46:05,230 --> 00:46:04,160

burrows applied for his military own

949

00:46:07,990 --> 00:46:05,240

benefits

950

00:46:11,050 --> 00:46:08,000

I think his what he said they said that

951

00:46:13,330 --> 00:46:11,060

and hit the military record said they

952

00:46:15,700 --> 00:46:13,340

John burrows was not even in the Air

953

00:46:19,180 --> 00:46:15,710

Force when the Rendlesham forest

954

00:46:22,840 --> 00:46:19,190

incident happened no I believe he was

955

00:46:24,820 --> 00:46:22,850

there okay I'm not saying that I believe

956

00:46:26,920 --> 00:46:24,830

he was there because who knows haunts

957

00:46:28,900 --> 00:46:26,930

recording that's been played on numerous

958

00:46:32,830 --> 00:46:28,910

documentaries you can hear his name

959

00:46:34,220 --> 00:46:32,840

mentioned so he was obviously there what

960

00:46:38,359 --> 00:46:34,230

they're doing is

961

00:46:41,810 --> 00:46:38,369

time to erase John Burroughs from even

962

00:46:44,050 --> 00:46:41,820

being in the situation of the Air Force

963

00:46:46,580 --> 00:46:44,060

when these Rendlesham forest incident

964

00:46:49,910 --> 00:46:46,590

happened we're trying to discredit

965

00:46:53,380 --> 00:46:49,920

everything the man is I'm like what is

966

00:46:56,390 --> 00:46:53,390

it exactly what happened above the law

967

00:47:00,859 --> 00:46:56,400

absolutely it's very easy to discredit a

968

00:47:03,440 --> 00:47:00,869

or or just hack an attempt a virus or

969

00:47:04,790 --> 00:47:03,450

you know that I'll think that this I've

970

00:47:06,800 --> 00:47:04,800

heard instances of this child

971

00:47:10,599 --> 00:47:06,810

pornography being put on people's okay

972

00:47:12,920 --> 00:47:10,609

you know computers that are giving the

973

00:47:15,290 --> 00:47:12,930

powers that are in control of some of

974

00:47:18,550 --> 00:47:15,300

these special projects a hard time but

975

00:47:21,830 --> 00:47:18,560

this is all I mean forget all that I

976

00:47:27,349 --> 00:47:21,840

there's just like you said there should

977

00:47:29,390 --> 00:47:27,359

be more of a disclosure of what's

978

00:47:32,810 --> 00:47:29,400

important you know maybe you know things

979

00:47:35,570 --> 00:47:32,820

of national security but but I have that

980

00:47:38,450 --> 00:47:35,580

I completely understand but there there

981

00:47:39,980 --> 00:47:38,460

should be more disclosures of things

982

00:47:44,240 --> 00:47:39,990

that could actually benefit society in a

983

00:47:47,120 --> 00:47:44,250

way to ease out the things that are not

984

00:47:49,700 --> 00:47:47,130

and I totally agree you can't have oil

985

00:47:53,000 --> 00:47:49,710

here today and gone tomorrow because all

986

00:47:55,490 --> 00:47:53,010

the seniors pensions will be zero and

987

00:47:59,210 --> 00:47:55,500

you know things of that nature you know

988

00:48:01,099 --> 00:47:59,220

you just can't do huge shifts so it's

989

00:48:04,150 --> 00:48:01,109

really a balancing act at this point not

990

00:48:07,070 --> 00:48:04,160

only like through this need to know and

991

00:48:09,650 --> 00:48:07,080

secret projects that are protecting

992

00:48:12,760 --> 00:48:09,660

people but there's also the trying to be

993

00:48:15,680 --> 00:48:12,770

harmonious with the political agenda and

994

00:48:21,830 --> 00:48:15,690

people's views of the subject and the

995

00:48:24,020 --> 00:48:21,840

psychology of UFOs like you said I have

996

00:48:25,609 --> 00:48:24,030

accepted the fact that the United States

997

00:48:27,920 --> 00:48:25,619

government is never gonna admit they

998

00:48:30,080 --> 00:48:27,930

lied about Roswell by trying to cover it

999

00:48:31,580 --> 00:48:30,090

up and say that one thing about the

1000

00:48:36,560 --> 00:48:31,590

Roswell crash and I want to take someone

1001  
00:48:39,710 --> 00:48:36,570  
else to say yes on the evening of July

1002  
00:48:41,810 --> 00:48:39,720  
the 4th it was a thunderstorm going

1003  
00:48:44,480 --> 00:48:41,820  
through Roswell in the southwestern you

1004  
00:48:47,310 --> 00:48:44,490  
know United States and the evening of

1005  
00:48:49,110 --> 00:48:47,320  
July the 4th when that brass

1006  
00:48:52,890 --> 00:48:49,120  
claims to have allegedly heard an

1007  
00:48:55,140 --> 00:48:52,900  
explosion outside of his house and he

1008  
00:48:57,120 --> 00:48:55,150  
couldn't see any evidence of any damage

1009  
00:48:59,640 --> 00:48:57,130  
10 thing the next morning when he went

1010  
00:49:01,470 --> 00:48:59,650  
out looking to check on his cattle he

1011  
00:49:03,210 --> 00:49:01,480  
sees all this debris now let's think

1012  
00:49:06,030 --> 00:49:03,220  
about something for a minute if an

1013  
00:49:09,210 --> 00:49:06,040

airplane is flying and it crashes it

1014

00:49:12,960 --> 00:49:09,220

catches on fire doesn't it mm-hmm okay

1015

00:49:15,780 --> 00:49:12,970

well the debris that was out on his

1016

00:49:19,430 --> 00:49:15,790

property the big metal debris that he

1017

00:49:22,590 --> 00:49:19,440

said was there didn't catch on fire

1018

00:49:24,630 --> 00:49:22,600

right nobody's ever talked about that

1019

00:49:27,750 --> 00:49:24,640

there's there was no fire on his land

1020

00:49:30,390 --> 00:49:27,760

from something crashing now I'm

1021

00:49:33,840 --> 00:49:30,400

sterilizing that okay if it would have

1022

00:49:36,180 --> 00:49:33,850

been something we were testing in 1947 I

1023

00:49:38,730 --> 00:49:36,190

don't believe that we would have any

1024

00:49:41,460 --> 00:49:38,740

type of metal that we could use to build

1025

00:49:42,450 --> 00:49:41,470

anything that would not take fire if

1026

00:49:46,190 --> 00:49:42,460

they crashed

1027

00:49:50,640 --> 00:49:46,200

so here's nothing I that's another

1028

00:49:53,430 --> 00:49:50,650

indirect piece of evidence that said

1029

00:49:56,100 --> 00:49:53,440

okay whatever crashed out there was not

1030

00:49:58,140 --> 00:49:56,110

conventional no more and we wouldn't be

1031

00:50:00,810 --> 00:49:58,150

testing anything and they thunderstorm

1032

00:50:02,760 --> 00:50:00,820

like that if it's something that we are

1033

00:50:04,560 --> 00:50:02,770

building and developing we're going to

1034

00:50:07,980 --> 00:50:04,570

do it on a clear day yeah nothing we

1035

00:50:10,080 --> 00:50:07,990

value yeah hey there you go if we're

1036

00:50:15,630 --> 00:50:10,090

gonna be testing something we're gonna

1037

00:50:17,820 --> 00:50:15,640

be following it on radar if that's that

1038

00:50:20,490 --> 00:50:17,830

debris was out there for days until the

1039

00:50:23,790 --> 00:50:20,500

army came together so nobody was looking

1040

00:50:26,760 --> 00:50:23,800

for anything yeah there's a lot of

1041

00:50:29,850 --> 00:50:26,770

interesting aspects to Roswell there's

1042

00:50:33,240 --> 00:50:29,860

you know the different debris fields the

1043

00:50:36,660 --> 00:50:33,250

oh yeah there was two crash site mm-hmm

1044

00:50:39,810 --> 00:50:36,670

you know the Fausto ant and then there

1045

00:50:42,150 --> 00:50:39,820

was Corona there was two crash site so

1046

00:50:45,780 --> 00:50:42,160

folks don't know that this been missing

1047

00:50:47,790 --> 00:50:45,790

before but not that much and if you

1048

00:50:50,400 --> 00:50:47,800

compare the Roswell incident the fact

1049

00:50:52,110 --> 00:50:50,410

that it was out there like four days and

1050

00:50:55,710 --> 00:50:52,120

nobody had clicked anything into July

1051  
00:50:59,100 --> 00:50:55,720  
the 8th Kecksburg as soon as that expert

1052  
00:51:00,849 --> 00:50:59,110  
UFO crashed in the hills the military

1053  
00:51:02,949 --> 00:51:00,859  
showed that like with an

1054  
00:51:04,660 --> 00:51:02,959  
so they were talking what what was it

1055  
00:51:08,259 --> 00:51:04,670  
well that was what over there why I was

1056  
00:51:10,239 --> 00:51:08,269  
probably ours didn't it didn't ya

1057  
00:51:12,039 --> 00:51:10,249  
there's AI there's so much to the

1058  
00:51:15,640 --> 00:51:12,049  
Kecksburg that is an interesting

1059  
00:51:17,440 --> 00:51:15,650  
scenario well as far as Roswell you're

1060  
00:51:21,609 --> 00:51:17,450  
absolutely right about the crash diets I

1061  
00:51:23,410 --> 00:51:21,619  
got when we were out there I got a for

1062  
00:51:27,969 --> 00:51:23,420  
whatever reason it's like a belt buckle

1063  
00:51:30,219 --> 00:51:27,979

an old 1940s belt like - a leather belt

1064

00:51:33,219 --> 00:51:30,229

and you know there's still people that

1065

00:51:36,479 --> 00:51:33,229

deny that this second crash sites even a

1066

00:51:39,940 --> 00:51:36,489

crash site but there's some manipulation

1067

00:51:42,099 --> 00:51:39,950

for sure as far as what the general

1068

00:51:44,199 --> 00:51:42,109

populace is told and what they accept

1069

00:51:46,870 --> 00:51:44,209

now I think the general populace most

1070

00:51:49,420 --> 00:51:46,880

likely doesn't believe what the

1071

00:51:51,789 --> 00:51:49,430

government was telling them for Roswell

1072

00:51:52,420 --> 00:51:51,799

but it's so far removed at this point it

1073

00:51:56,079 --> 00:51:52,430

doesn't matter

1074

00:52:03,579 --> 00:51:56,089

mm-hm yeah it's so long ago click to to

1075

00:52:05,439 --> 00:52:03,589

say that people were threatened it's

1076

00:52:08,140 --> 00:52:05,449

just like it's another time in theory I

1077

00:52:10,239 --> 00:52:08,150

guess you could say it it okay we know

1078

00:52:18,519 --> 00:52:10,249

it happened we've advanced helmet you

1079

00:52:21,939 --> 00:52:18,529

know that happen oh it's just uh I guess

1080

00:52:23,620 --> 00:52:21,949

like I've heard said before in the 1946

1081

00:52:25,900 --> 00:52:23,630

baby is that the government told you to

1082

00:52:28,719 --> 00:52:25,910

shut up today because she believes in

1083

00:52:32,319 --> 00:52:28,729

the government but where things changed

1084

00:52:35,380 --> 00:52:32,329

was the Kennedy assassination and it

1085

00:52:38,380 --> 00:52:35,390

wasn't necessarily in 1964 when the

1086

00:52:43,949 --> 00:52:38,390

Warren Commission came out but when Jim

1087

00:52:46,539 --> 00:52:43,959

Garrison brought clay shoulder clown and

1088

00:52:49,959 --> 00:52:46,549

brought up his evidence oh there was a

1089

00:52:55,329 --> 00:52:49,969

conspiracy in Dallas he showed the world

1090

00:52:58,689 --> 00:52:55,339

that they were lied to in 1964 and that

1091

00:53:01,269 --> 00:52:58,699

I believe is when people started

1092

00:53:03,910 --> 00:53:01,279

questioning things they were here it was

1093

00:53:06,249 --> 00:53:03,920

because of Jim Garrison going back into

1094

00:53:12,090 --> 00:53:06,259

the case I mean he was basically the

1095

00:53:16,410 --> 00:53:14,309

[Music]

1096

00:53:17,880 --> 00:53:16,420

everybody sit in that courtroom and

1097

00:53:18,329 --> 00:53:17,890

throughout the United States and of the

1098

00:53:20,099 --> 00:53:18,339

world

1099

00:53:22,339 --> 00:53:20,109

that just because the government says it

1100

00:53:25,049 --> 00:53:22,349

doesn't mean it's true

1101  
00:53:27,959 --> 00:53:25,059  
now they could have covert reasons for

1102  
00:53:29,489 --> 00:53:27,969  
line or whatever but you have to be

1103  
00:53:30,900 --> 00:53:29,499  
careful what you believe and that's like

1104  
00:53:33,569 --> 00:53:30,910  
new what you followed yelling boy grip

1105  
00:53:35,519 --> 00:53:33,579  
right here no I mean I research it read

1106  
00:53:38,009 --> 00:53:35,529  
about it and get opinions from people to

1107  
00:53:41,479 --> 00:53:38,019  
see what they thought and then at some

1108  
00:53:43,380 --> 00:53:41,489  
point I've gotten to make a decision so

1109  
00:53:45,150 --> 00:53:43,390  
yeah they're like they said you know

1110  
00:53:47,729 --> 00:53:45,160  
everybody everybody said all these

1111  
00:53:48,839 --> 00:53:47,739  
things about Jim Garrison like not Jim

1112  
00:53:51,569 --> 00:53:48,849  
Garrison excuse me

1113  
00:53:54,120 --> 00:53:51,579

Alex Jones and all the crazy things it

1114

00:53:55,979 --> 00:53:54,130

says the one thing that needs to be done

1115

00:53:59,130 --> 00:53:55,989

that will never get done is did that man

1116

00:54:01,890 --> 00:53:59,140

a two-hour block on ABC on a Monday

1117

00:54:04,229 --> 00:54:01,900

night and let him lay some evidence out

1118

00:54:06,180 --> 00:54:04,239

about some things that he said and let

1119

00:54:09,150 --> 00:54:06,190

people make up their own mind but there

1120

00:54:10,979 --> 00:54:09,160

again so he had so much bad press god

1121

00:54:14,279 --> 00:54:10,989

bless and me nobody's gonna want to

1122

00:54:16,019 --> 00:54:14,289

listen and that doesn't know it says I

1123

00:54:20,579 --> 00:54:16,029

think it speaks volumes the fact that

1124

00:54:24,479 --> 00:54:20,589

he's been denied access to so many

1125

00:54:28,189 --> 00:54:24,489

different types of media like YouTube

1126

00:54:31,319 --> 00:54:28,199

yeah Twitter and I mean literally

1127

00:54:35,849 --> 00:54:31,329

considering him hate speech is I just

1128

00:54:39,599 --> 00:54:35,859

find that such a stretch and recently I

1129

00:54:43,769 --> 00:54:39,609

guess with this one of the cases that

1130

00:54:46,049 --> 00:54:43,779

he's involved in his lawyers supposedly

1131

00:54:48,870 --> 00:54:46,059

sent some child pornography to the

1132

00:54:51,359 --> 00:54:48,880

parents of Sandy Hook and according to

1133

00:54:53,459 --> 00:54:51,369

the lawyers of the parents of Sandy Hook

1134

00:54:55,979 --> 00:54:53,469

this was should be another charge

1135

00:54:58,769 --> 00:54:55,989

against Alex Jones and it's like are you

1136

00:55:01,019 --> 00:54:58,779

kidding me there's who in their right

1137

00:55:03,660 --> 00:55:01,029

mind defending themselves in a case

1138

00:55:08,400 --> 00:55:03,670

would send something like that it's just

1139

00:55:11,249 --> 00:55:08,410

it it it does seem like there is some

1140

00:55:15,529 --> 00:55:11,259

and for some length of time there has

1141

00:55:18,569 --> 00:55:15,539

been an establishment that is able to

1142

00:55:22,829 --> 00:55:18,579

like you said lean on people or

1143

00:55:24,569 --> 00:55:22,839

institutions and call it chance or

1144

00:55:28,880 --> 00:55:24,579

coincidence they usually get their way

1145

00:55:32,190 --> 00:55:28,890

you know so many people

1146

00:55:35,309 --> 00:55:32,200

when Edward Snowden came forward and

1147

00:55:37,859 --> 00:55:35,319

said all the things that he did because

1148

00:55:42,269 --> 00:55:37,869

it did not seem believable believable

1149

00:55:45,380 --> 00:55:42,279

and the average person's mind he was

1150

00:55:47,760 --> 00:55:45,390

made fun of you know he says that

1151  
00:55:51,240 --> 00:55:47,770  
smartphones and what-have-you they can

1152  
00:55:54,480 --> 00:55:51,250  
be spied on and what have you

1153  
00:55:55,789 --> 00:55:54,490  
well he was in a position to know

1154  
00:55:58,230 --> 00:55:55,799  
something like that

1155  
00:55:59,940 --> 00:55:58,240  
you know we're in the general public we

1156  
00:56:02,190 --> 00:55:59,950  
went in there with him so we have to

1157  
00:56:05,130 --> 00:56:02,200  
make it a sieve then we believe anything

1158  
00:56:05,970 --> 00:56:05,140  
or whatnot and I will tell you I did

1159  
00:56:07,950 --> 00:56:05,980  
mm-hmm

1160  
00:56:09,539 --> 00:56:07,960  
I believe there's technology and it goes

1161  
00:56:11,339 --> 00:56:09,549  
back to having technologies that the

1162  
00:56:15,210 --> 00:56:11,349  
government and the military have I don't

1163  
00:56:17,069 --> 00:56:15,220

know anything about but there again if

1164

00:56:20,190 --> 00:56:17,079

you're not doing anything wrong you

1165

00:56:23,609 --> 00:56:20,200

ain't got that in the house right that's

1166

00:56:25,799 --> 00:56:23,619

for all of my life you have to you have

1167

00:56:27,480 --> 00:56:25,809

to because if you if you don't you

1168

00:56:30,990 --> 00:56:27,490

either end up paranoid on the one hand

1169

00:56:31,260 --> 00:56:31,000

or overly manipulated on you know on the

1170

00:56:35,720 --> 00:56:31,270

other

1171

00:56:38,940 --> 00:56:35,730

oh so it's a it's a tough it's a tough

1172

00:56:41,010 --> 00:56:38,950

you're riding the wave well you've been

1173

00:56:44,490 --> 00:56:41,020

I appreciate you taking some time out of

1174

00:56:47,730 --> 00:56:44,500

your day and speaking with us it's been

1175

00:56:50,339 --> 00:56:47,740

a pleasure I think that you've got so

1176

00:56:52,319 --> 00:56:50,349

many complete views of like the

1177

00:56:54,720 --> 00:56:52,329

structure of what's otherwise not spoken

1178

00:56:56,849 --> 00:56:54,730

about which is a psychology of UFOs and

1179

00:56:59,519 --> 00:56:56,859

you know you have a very interesting

1180

00:57:06,870 --> 00:56:59,529

background and you're not definitely not

1181

00:57:09,870 --> 00:57:06,880

one of the sheeple what do you have

1182

00:57:11,730 --> 00:57:09,880

coming up what's new where can people

1183

00:57:12,799 --> 00:57:11,740

follow you on social media things of

1184

00:57:15,900 --> 00:57:12,809

that nature

1185

00:57:19,260 --> 00:57:15,910

well like I said don't the only way

1186

00:57:23,490 --> 00:57:19,270

people can get me is on my Facebook page

1187

00:57:25,620 --> 00:57:23,500

and I'll get you those on links all I

1188

00:57:30,900 --> 00:57:25,630

got to do is just look at Donnybrook do

1189

00:57:34,140 --> 00:57:30,910

and and ie Brooke B or o ke -

1190

00:57:37,410 --> 00:57:34,150

pro-wrestler UFO hunter and you'll find

1191

00:57:39,240 --> 00:57:37,420

me and like I said I'll get you my

1192

00:57:41,940 --> 00:57:39,250

contact and so you can post it or

1193

00:57:44,849 --> 00:57:41,950

whatnot and my email

1194

00:57:47,190 --> 00:57:44,859

Donnybrook at medCom anybody has a

1195

00:57:49,380 --> 00:57:47,200

question about anything we talk about or

1196

00:57:50,880 --> 00:57:49,390

if they say something and stand they

1197

00:57:53,910 --> 00:57:50,890

want to send me their pictures in story

1198

00:57:56,190 --> 00:57:53,920

everything is confident oh that's great

1199

00:57:59,420 --> 00:57:56,200

Donny thank you so much and I hope you

1200

00:58:05,849 --> 00:57:59,430

enjoy your weekend all the best to you

1201  
00:58:09,950 --> 00:58:05,859  
take care o Donnybrook ladies and

1202  
00:58:13,260 --> 00:58:09,960  
gentlemen pro wrestler UFO hunter and

1203  
00:58:15,960 --> 00:58:13,270  
absolutely a pleasure to speak with his

1204  
00:58:19,170 --> 00:58:15,970  
knowledge of disclosure on solar warden

1205  
00:58:23,819 --> 00:58:19,180  
the tr6 the tr-3b knowing about the

1206  
00:58:26,250 --> 00:58:23,829  
Kennedy assassination I mean gosh even

1207  
00:58:28,650 --> 00:58:26,260  
that pathway of like Jim Garrison the

1208  
00:58:31,859 --> 00:58:28,660  
CIA I wanted to get into more of that

1209  
00:58:33,599 --> 00:58:31,869  
and connections maybe with Bush maybe

1210  
00:58:35,430 --> 00:58:33,609  
Brown Brothers Harriman will try to get

1211  
00:58:41,550 --> 00:58:35,440  
him back because he's got such a great

1212  
00:58:43,520 --> 00:58:41,560  
knowledge of so much and you know he he

1213  
00:58:47,430 --> 00:58:43,530

knows things that most people don't know

1214

00:58:49,559 --> 00:58:47,440

connections to MKULTRA through Frank

1215

00:58:52,290 --> 00:58:49,569

Olson and the similar death of James

1216

00:58:55,680 --> 00:58:52,300

Forrestal who was involved with area 51

1217

00:58:57,690 --> 00:58:55,690

and again it's stuff people don't like

1218

00:59:00,329 --> 00:58:57,700

to deal with the processing and seeing

1219

00:59:03,210 --> 00:59:00,339

of this stuff taking place and you know

1220

00:59:05,099 --> 00:59:03,220

the power structure that is supposedly

1221

00:59:08,609 --> 00:59:05,109

their governess in a fair and normal way

1222

00:59:12,270 --> 00:59:08,619

but anyway let's stick with the aircraft

1223

00:59:15,870 --> 00:59:12,280

in the and the message I really like it

1224

00:59:19,130 --> 00:59:15,880

Donnie the man with the plan Brooke he's

1225

00:59:43,500 --> 00:59:23,550

til next time listen in on YouTube -
