

1  
00:00:36,290 --> 00:00:34,210

[Music]

2  
00:00:42,540 --> 00:00:36,300

[Laughter]

3  
00:00:44,979 --> 00:00:42,550

[Music]

4  
00:00:45,670 --> 00:00:44,989  
hello guys today we have a heck of a

5  
00:00:48,820 --> 00:00:45,680  
guest

6  
00:00:50,020 --> 00:00:48,830  
it's Greg Bishop there's so much we're

7  
00:00:52,540 --> 00:00:50,030  
gonna cover here it's gonna be

8  
00:00:55,450 --> 00:00:52,550  
unbelievable I heard this guy talk at

9  
00:01:01,210 --> 00:00:55,460  
the Utah UFO fest down in Cedar City and

10  
00:01:02,979 --> 00:01:01,220  
I was blown away so it's it's a blessing

11  
00:01:05,649 --> 00:01:02,989  
and truly an honor to have him here on

12  
00:01:09,490 --> 00:01:05,659  
the show can't wait for us to get into

13  
00:01:11,410 --> 00:01:09,500

what we're about to talk to also keep an

14

00:01:13,930 --> 00:01:11,420

eye out for our stuff being on YouTube

15

00:01:16,180 --> 00:01:13,940

we're dropping it on YouTube now and you

16

00:01:18,790 --> 00:01:16,190

can find it here Oh a paranormal you can

17

00:01:21,460 --> 00:01:18,800

also find us on facebook at hero

18

00:01:23,560 --> 00:01:21,470

paranormal you can find us or at least

19

00:01:29,320 --> 00:01:23,570

our research project space full of

20

00:01:31,630 --> 00:01:29,330

research or SWR on facebook and you can

21

00:01:35,530 --> 00:01:31,640

also find us at hero paranormal com if

22

00:01:38,380 --> 00:01:35,540

you want to buy hats buy shirts stuff

23

00:01:41,020 --> 00:01:38,390

that supports hero paranormal the Utah

24

00:01:44,380 --> 00:01:41,030

UFO hunters and others that are becoming

25

00:01:46,210 --> 00:01:44,390

involved that are local researchers in

26

00:01:49,150 --> 00:01:46,220

the field boots on the ground in the

27

00:01:50,980 --> 00:01:49,160

areas that we are researching so anyway

28

00:01:55,180 --> 00:01:50,990

support us anyway you can also go to

29

00:01:57,760 --> 00:01:55,190

hero paranormal pod beam comm there you

30

00:01:59,590 --> 00:01:57,770

can listen to everything everything is

31

00:02:01,810 --> 00:01:59,600

there it's also the fastest way to

32

00:02:05,469 --> 00:02:01,820

listen if you download the online app

33

00:02:07,750 --> 00:02:05,479

and you can become a patron there and

34

00:02:11,100 --> 00:02:07,760

get access to content that's not

35

00:02:14,009 --> 00:02:11,110

available to everybody so go there and

36

00:02:16,479 --> 00:02:14,019

it's not very much - it's pretty cheap

37

00:02:18,699 --> 00:02:16,489

you can also give anything you want buck

38

00:02:23,320 --> 00:02:18,709

whatever you want keep an eye out for a

39

00:02:28,090 --> 00:02:23,330

lot coming out and let's get Greg here

40

00:02:30,430 --> 00:02:28,100

the line hey hey Greg how you doing I'm

41

00:02:31,320 --> 00:02:30,440

doing well good good that's what I like

42

00:02:34,420 --> 00:02:31,330

to hear

43

00:02:38,680 --> 00:02:34,430

I'm eating my favorite breakfast which

44

00:02:39,640 --> 00:02:38,690

is leftover pizza and espresso that's

45

00:02:45,940 --> 00:02:39,650

perfect

46

00:02:48,040 --> 00:02:45,950

we're well I can't I can't wait to uh I

47

00:02:49,450 --> 00:02:48,050

don't know are you on the move right now

48

00:02:51,670 --> 00:02:49,460

from one place to another

49

00:02:53,470 --> 00:02:51,680

yeah what's the story what's the last

50

00:02:56,020 --> 00:02:53,480

time I saw you you were kind of going

51  
00:03:03,040 --> 00:02:56,030  
from one place to one event to another

52  
00:03:06,100 --> 00:03:03,050  
event and very busy I was after I came

53  
00:03:10,420 --> 00:03:06,110  
back from Utah where I saw you I went to

54  
00:03:12,790 --> 00:03:10,430  
Washington DC and and then to

55  
00:03:15,670 --> 00:03:12,800  
Williamsburg where my sister-in-law

56  
00:03:19,960 --> 00:03:15,680  
lives so that's where I was I was I

57  
00:03:22,690 --> 00:03:19,970  
wasn't on any I wasn't on any UFOs thing

58  
00:03:28,150 --> 00:03:22,700  
really I mean I I saw UFO people when I

59  
00:03:29,860 --> 00:03:28,160  
was in DC like Ben moss but no that's

60  
00:03:32,199 --> 00:03:29,870  
not that's very cool basically because

61  
00:03:34,479 --> 00:03:32,209  
my wife was the librarian and she was

62  
00:03:37,900 --> 00:03:34,489  
going for a librarians convention in DC

63  
00:03:39,850 --> 00:03:37,910

so but before that I was in Utah for the

64

00:03:42,850 --> 00:03:39,860

Utah UFO Fest and that's where I saw you

65

00:03:45,310 --> 00:03:42,860

speak a nice book yeah that was that was

66

00:03:47,920 --> 00:03:45,320

I was amazed I loved what you spoke

67

00:03:49,780 --> 00:03:47,930

about and you know I kind of wanted to

68

00:03:52,810 --> 00:03:49,790

you know see if we could touch base on

69

00:03:54,880 --> 00:03:52,820

some of those things it's okay if I can

70

00:03:57,729 --> 00:03:54,890

yeah it was a new talkin it was only a

71

00:04:00,630 --> 00:03:57,739

second time I gave it it was a not

72

00:04:03,449 --> 00:04:00,640

significantly but it was much much

73

00:04:09,310 --> 00:04:03,459

changed from the first time I gave it

74

00:04:11,560 --> 00:04:09,320

yeah absolutely I would be honored okay

75

00:04:13,509 --> 00:04:11,570

your your volume is quite low is that

76

00:04:15,009 --> 00:04:13,519

because you get feedback right I can

77

00:04:18,280 --> 00:04:15,019

turn it up a little bit can you hear me

78

00:04:19,960 --> 00:04:18,290

okay I can hear you fine I just have to

79

00:04:21,250 --> 00:04:19,970

turn it up here a little bit I just

80

00:04:23,110 --> 00:04:21,260

don't want to make it too loud because

81

00:04:24,010 --> 00:04:23,120

okay let's leave it there I could hear

82

00:04:28,719 --> 00:04:24,020

you enough we can have a conversation

83

00:04:34,150 --> 00:04:28,729

that's no problem okay good deal I can't

84

00:04:38,100 --> 00:04:34,160

crank this up a little bit too yeah I

85

00:04:42,459 --> 00:04:38,110

when I when I heard your talk I

86

00:04:46,359 --> 00:04:42,469

you know with kind of mentally alerted

87

00:04:52,119 --> 00:04:46,369

at all times because you spoke so much

88

00:04:55,510 --> 00:04:52,129

about things that the majority of the

89

00:04:58,600 --> 00:04:55,520

population just ignore or when it comes

90

00:05:03,790 --> 00:04:58,610

up they make every effort to deflect

91

00:05:07,239 --> 00:05:03,800

from and I thought it would benefit

92

00:05:11,200 --> 00:05:07,249

everybody you know and like at least

93

00:05:12,969 --> 00:05:11,210

progress in in the form of knowledge and

94

00:05:15,159 --> 00:05:12,979

spiritually and everything else to kind

95

00:05:18,219 --> 00:05:15,169

of like hear some of the things that you

96

00:05:22,230 --> 00:05:18,229

were talking about how many books do you

97

00:05:28,719 --> 00:05:25,799

probably nine is perfect that's great

98

00:05:30,730 --> 00:05:28,729

flips by Jeff cry pole which is actually

99

00:05:34,389 --> 00:05:30,740

part of the inspiration for my talk oh

100

00:05:38,290 --> 00:05:34,399

cool okay here we go

101  
00:05:42,899 --> 00:05:38,300  
um what did I call it that's the earlier

102  
00:05:46,179 --> 00:05:42,909  
version of it I think I called it day

103  
00:05:54,860 --> 00:05:46,189  
you tell you our Pope s top oh yeah you

104  
00:06:00,409 --> 00:05:58,460  
ah my talk was called it exists what do

105  
00:06:04,000 --> 00:06:00,419  
we do about it science at its changing

106  
00:06:12,409 --> 00:06:04,010  
attitude towards the paranormal awesome

107  
00:06:15,020 --> 00:06:12,419  
yeah that was it yeah yeah it is and and

108  
00:06:18,680 --> 00:06:15,030  
I think you you really kind of douve in

109  
00:06:22,310 --> 00:06:18,690  
into some areas that you know frequently

110  
00:06:26,300 --> 00:06:22,320  
the study of voids some of the more

111  
00:06:30,440 --> 00:06:26,310  
esoteric areas that uh it was

112  
00:06:33,409 --> 00:06:30,450  
interesting yeah well what I did was I

113  
00:06:35,180 --> 00:06:33,419

noticed well everybody listening is

114

00:06:38,150 --> 00:06:35,190

probably noticed this you and I and

115

00:06:43,100 --> 00:06:38,160

everybody listening that there's more

116

00:06:46,070 --> 00:06:43,110

coverage of particularly UFOs stuff in

117

00:06:49,629 --> 00:06:46,080

the news academia is paying more

118

00:06:54,590 --> 00:06:49,639

attention to it and not as quietly

119

00:06:56,810 --> 00:06:54,600

looking into it as it used to people are

120

00:06:59,360 --> 00:06:56,820

I think a lot of people that especially

121

00:07:03,950 --> 00:06:59,370

people that are younger like maybe under

122

00:07:06,500 --> 00:07:03,960

forty and I'm talking about people that

123

00:07:09,950 --> 00:07:06,510

are in their careers like scientists and

124

00:07:11,779 --> 00:07:09,960

journalists and all that they don't seem

125

00:07:14,570 --> 00:07:11,789

to be laughing at the subject as much

126

00:07:16,490 --> 00:07:14,580

anymore they seem to be wanting to

127

00:07:19,400 --> 00:07:16,500

tackle it as a serious subject or at

128

00:07:22,430 --> 00:07:19,410

least a subject not for Eurasian and to

129

00:07:24,170 --> 00:07:22,440

be swept under the table or whatever and

130

00:07:25,640 --> 00:07:24,180

those are the people that determine what

131

00:07:27,500 --> 00:07:25,650

people believe and what they talk about

132

00:07:29,600 --> 00:07:27,510

and what's talked about you know around

133

00:07:31,370 --> 00:07:29,610

the water cooler and all that they're

134

00:07:32,690 --> 00:07:31,380

doing that that means you know

135

00:07:37,400 --> 00:07:32,700

everything's that all the boats are

136

00:07:39,980 --> 00:07:37,410

being floated and that that more serious

137

00:07:42,350 --> 00:07:39,990

people are taking it seriously and I'll

138

00:07:46,640 --> 00:07:42,360

say something that I didn't say at the

139

00:07:49,550 --> 00:07:46,650

talk which is probably insulting but my

140

00:07:51,409 --> 00:07:49,560

idea is that the apology as we know it

141

00:07:54,650 --> 00:07:51,419

will disappear and people with degrees

142

00:07:56,510 --> 00:07:54,660

and money and and smarts and everything

143

00:07:58,460 --> 00:07:56,520

you need to push this thing forward will

144

00:08:01,700 --> 00:07:58,470

start looking at it and they already are

145

00:08:03,620 --> 00:08:01,710

- whether you follow just comes on and

146

00:08:05,480 --> 00:08:03,630

it says UFO expert nobody's gonna care

147

00:08:06,959 --> 00:08:05,490

anymore but if somebody comes on it's

148

00:08:09,479 --> 00:08:06,969

like you know so-and-so after

149

00:08:11,609 --> 00:08:09,489

and they're talking about he or she are

150

00:08:13,289 --> 00:08:11,619

talking about the subject then people

151

00:08:15,389 --> 00:08:13,299

will listen you know what I think that's

152

00:08:17,129 --> 00:08:15,399

great I mean I don't I don't really care

153

00:08:20,729 --> 00:08:17,139

if you follow Jesus goes by the wayside

154

00:08:23,579 --> 00:08:20,739

and become something else or something

155

00:08:25,679 --> 00:08:23,589

you know but it will it'll be forced to

156

00:08:26,929 --> 00:08:25,689

evolve if it survives and I think that's

157

00:08:29,999 --> 00:08:26,939

good

158

00:08:32,550 --> 00:08:30,009

absolutely it's it served its purpose if

159

00:08:36,719 --> 00:08:32,560

it's able to direct the study into

160

00:08:39,779 --> 00:08:36,729

something that's more concentrated and

161

00:08:41,939 --> 00:08:39,789

focused on results am i right that would

162

00:08:45,749 --> 00:08:41,949

be more yeah exactly

163

00:08:47,850 --> 00:08:45,759

or at least inquiry in a way that is not

164

00:08:49,290 --> 00:08:47,860

just going around the merry-go-round up

165

00:08:52,139 --> 00:08:49,300

there coming from other planets how do

166

00:08:53,639 --> 00:08:52,149

we prove it and and and say and

167

00:08:55,410 --> 00:08:53,649

eventually say I told you so to

168

00:08:58,590 --> 00:08:55,420

everybody that's completely the wrong

169

00:09:00,230 --> 00:08:58,600

approach at this point mm-hmm it's it's

170

00:09:03,720 --> 00:09:00,240

been it's become very ego based

171

00:09:05,460 --> 00:09:03,730

unfortunately in and yeah well most

172

00:09:07,470 --> 00:09:05,470

anything you do is ego based but so

173

00:09:09,329 --> 00:09:07,480

there's since it's the Wild West in

174

00:09:13,769 --> 00:09:09,339

regards to how you look at this and how

175

00:09:17,490 --> 00:09:13,779

it's uh studied anybody can say I have a

176

00:09:22,590 --> 00:09:17,500

UFO expert that's I I was on no somehow

177

00:09:25,230 --> 00:09:22,600

I got on that unidentified Sean History

178

00:09:28,199 --> 00:09:25,240

Channel I was on last not last night's

179

00:09:30,780 --> 00:09:28,209

what last week's show and it's a Greg

180

00:09:33,449 --> 00:09:30,790

Bishop UFO expert author and UFO expert

181

00:09:35,790 --> 00:09:33,459

and I cringe because I'm not an expert

182

00:09:37,259 --> 00:09:35,800

on UFOs and if they put you follow gist

183

00:09:43,189 --> 00:09:37,269

I probably would have died I probably

184

00:09:49,499 --> 00:09:47,639

oh my god anything I'm just really

185

00:09:51,509 --> 00:09:49,509

interested in stuff if I was an expert

186

00:09:52,980 --> 00:09:51,519

there would be a recognized field I was

187

00:09:55,170 --> 00:09:52,990

in where I was an expert and to me

188

00:09:57,809 --> 00:09:55,180

apology is not a recognized field it's a

189

00:09:59,400 --> 00:09:57,819

it's an it's a group of people that are

190

00:10:02,990 --> 00:09:59,410

interested in something to varying

191

00:10:07,379 --> 00:10:03,000

degrees of interest involvement

192

00:10:08,999 --> 00:10:07,389

intelligence and everything I mean it's

193

00:10:10,920 --> 00:10:09,009

their ability yeah

194

00:10:15,389 --> 00:10:10,930

yes ability there's there's people that

195

00:10:17,129 --> 00:10:15,399

I think are really pushing things

196

00:10:18,600 --> 00:10:17,139

forward and have been for a while and

197

00:10:20,519 --> 00:10:18,610

have been recently and there's other

198

00:10:24,960 --> 00:10:20,529

people that will never push things for

199

00:10:26,340 --> 00:10:24,970

and just keep looking to the past so I'm

200

00:10:28,199 --> 00:10:26,350

interested in those people that are

201  
00:10:30,569 --> 00:10:28,209  
pushing things forward and that's kind

202  
00:10:33,329 --> 00:10:30,579  
of what my talk was about I agree and

203  
00:10:36,480 --> 00:10:33,339  
you know I think that's no small feat to

204  
00:10:37,170 --> 00:10:36,490  
get on an identified that that's pretty

205  
00:10:40,860 --> 00:10:37,180  
awesome

206  
00:10:42,600 --> 00:10:40,870  
and I totally because of project beta

207  
00:10:46,970 --> 00:10:42,610  
and they just needed somebody to talk

208  
00:10:50,879 --> 00:10:46,980  
about you know to bring up the issue of

209  
00:10:53,519 --> 00:10:50,889  
is TTS a it's composed of intelligence

210  
00:10:57,780 --> 00:10:53,529  
people why should we believe then given

211  
00:10:59,400 --> 00:10:57,790  
what's happened in the past and I think

212  
00:11:01,049 --> 00:10:59,410  
that that was my only reason for being

213  
00:11:03,179 --> 00:11:01,059

on there just to bring that out so they

214

00:11:05,069 --> 00:11:03,189

could say this has happened in the past

215

00:11:06,780 --> 00:11:05,079

it was horrible no we're not doing that

216

00:11:10,499 --> 00:11:06,790

that's basically what they did in that

217

00:11:12,689 --> 00:11:10,509

episode right and I don't know if I

218

00:11:14,699 --> 00:11:12,699

believe them but what as I said before

219

00:11:15,929 --> 00:11:14,709

it doesn't make me say I'm gonna crusade

220

00:11:17,220 --> 00:11:15,939

against them I think they've done a

221

00:11:19,949 --> 00:11:17,230

great job part of the reason we're

222

00:11:23,369 --> 00:11:19,959

talking now is because of their

223

00:11:25,610 --> 00:11:23,379

effort right that's absolutely true that

224

00:11:28,439 --> 00:11:25,620

I think anything to raise the

225

00:11:31,980 --> 00:11:28,449

consciousness and awareness is a good

226

00:11:34,949 --> 00:11:31,990

deed and yeah you know regardless of

227

00:11:38,100 --> 00:11:34,959

what the harvest becomes after that it's

228

00:11:43,259 --> 00:11:38,110

it's it's dependent on so many things

229

00:11:45,869 --> 00:11:43,269

and yeah you know anyway navigating that

230

00:11:47,610 --> 00:11:45,879

is is just a whole I don't know it's

231

00:11:52,110 --> 00:11:47,620

it's very difficult just to navigate my

232

00:11:56,610 --> 00:11:52,120

own you know actions so when I go when I

233

00:11:58,049 --> 00:11:56,620

start going again on my show I'd like to

234

00:11:59,249 --> 00:11:58,059

have you come on and we'll talk about

235

00:12:01,710 --> 00:11:59,259

what you've been doing since I was

236

00:12:02,999 --> 00:12:01,720

fascinated with all your with your

237

00:12:05,790 --> 00:12:03,009

presentation everything you've looked

238

00:12:08,730 --> 00:12:05,800

into and my favorite part of your

239

00:12:10,980 --> 00:12:08,740

presentation was you didn't assign

240

00:12:12,329 --> 00:12:10,990

agency to anything you just said look at

241

00:12:13,980 --> 00:12:12,339

all this weird stuff that's going on

242

00:12:16,319 --> 00:12:13,990

who's know who knows what's but what

243

00:12:17,249 --> 00:12:16,329

this is it's not you know where they who

244

00:12:19,470 --> 00:12:17,259

are the aliens where are they coming

245

00:12:22,009 --> 00:12:19,480

from what do they look like you know all

246

00:12:26,610 --> 00:12:22,019

this stuff it's I I think the the

247

00:12:29,280 --> 00:12:26,620

approach of not having a specific source

248

00:12:32,669 --> 00:12:29,290

even though we know there's is one if

249

00:12:33,900 --> 00:12:32,679

there's got to be the approach of not

250

00:12:35,400 --> 00:12:33,910

saying this is

251  
00:12:37,800 --> 00:12:35,410  
this thing look at this thing that I

252  
00:12:40,830 --> 00:12:37,810  
figured out and you know because then

253  
00:12:42,150 --> 00:12:40,840  
you're already locked into a a belief

254  
00:12:43,590 --> 00:12:42,160  
system about what you're looking at

255  
00:12:47,180 --> 00:12:43,600  
since there's no way to prove it

256  
00:12:49,590 --> 00:12:47,190  
it just you know the belief system just

257  
00:12:51,440 --> 00:12:49,600  
builds upon itself and you didn't do

258  
00:12:54,330 --> 00:12:51,450  
that which is why I like your talk

259  
00:12:58,680 --> 00:12:54,340  
Thanks it's just it seems like that kind

260  
00:13:00,390 --> 00:12:58,690  
of is the the end of the conversation or

261  
00:13:02,370 --> 00:13:00,400  
the downfall to so many of these

262  
00:13:04,680 --> 00:13:02,380  
discussions is when people try to be the

263  
00:13:05,520 --> 00:13:04,690

cowboys and wrangle up you know we're

264

00:13:07,830 --> 00:13:05,530

not cattle

265

00:13:10,650 --> 00:13:07,840

you know we're not Wranglers and we

266

00:13:12,660 --> 00:13:10,660

don't have to like you know round them

267

00:13:16,410 --> 00:13:12,670

up and move them and box them up into

268

00:13:18,450 --> 00:13:16,420

Corral's and name them we yeah this is

269

00:13:21,000 --> 00:13:18,460

we don't have to put things in boxes and

270

00:13:24,900 --> 00:13:21,010

because once you do that the

271

00:13:28,770 --> 00:13:24,910

conversation disappears and the ability

272

00:13:32,670 --> 00:13:28,780

to find more outer learn something is

273

00:13:34,740 --> 00:13:32,680

gone yeah you're putting in words you

274

00:13:36,570 --> 00:13:34,750

know what I try to say all the time the

275

00:13:40,980 --> 00:13:36,580

minute you you have an idea about it

276

00:13:44,400 --> 00:13:40,990

that's all you look at and is there you

277

00:13:47,940 --> 00:13:44,410

make an assertion about especially UFO

278

00:13:52,790 --> 00:13:47,950

issues you're gonna find fifty or

279

00:13:55,710 --> 00:13:52,800

hundred people that have it's not valid

280

00:13:58,620 --> 00:13:55,720

it's not equally valid but different

281

00:14:00,570 --> 00:13:58,630

opinions and all kinds of statistics and

282

00:14:02,690 --> 00:14:00,580

whatever they want to back it up it's a

283

00:14:06,620 --> 00:14:02,700

it's a giant roar shot clock

284

00:14:11,430 --> 00:14:06,630

it totally is it seems it's so often the

285

00:14:14,070 --> 00:14:11,440

people think that it's a crusade it's

286

00:14:16,980 --> 00:14:14,080

not you can do a crusade you're lost

287

00:14:18,690 --> 00:14:16,990

yeah that's the problem is your ego and

288

00:14:20,940 --> 00:14:18,700

your emotions are tied up in it and if

289

00:14:21,990 --> 00:14:20,950

that happens you're you're lost I mean

290

00:14:24,210 --> 00:14:22,000

that's not I think use the word

291

00:14:26,940 --> 00:14:24,220

scientific because I don't think science

292

00:14:28,080 --> 00:14:26,950

is exactly science is a tool we can use

293

00:14:30,330 --> 00:14:28,090

but it's not going to solve the issue

294

00:14:32,780 --> 00:14:30,340

it's not going to by itself it will not

295

00:14:36,900 --> 00:14:32,790

solve what's going on here mm-hmm I

296

00:14:40,320 --> 00:14:36,910

don't think I and I'm sorry I

297

00:14:43,650 --> 00:14:40,330

interrupted you no no I know I was dead

298

00:14:47,040 --> 00:14:43,660

completely I just it was a good listen

299

00:14:50,070 --> 00:14:47,050

you know what you were saying yeah all

300

00:14:52,500 --> 00:14:50,080

right yeah I'm sorry you were making a

301

00:14:54,420 --> 00:14:52,510

point no just just that it just is

302

00:14:56,820 --> 00:14:54,430

exactly what what you were what you were

303

00:15:00,660 --> 00:14:56,830

leading into yeah that's exactly what I

304

00:15:02,550 --> 00:15:00,670

was leading into yeah there's there's a

305

00:15:04,290 --> 00:15:02,560

part of our minds that nobody thinks

306

00:15:06,330 --> 00:15:04,300

about in the UFO subject Azhar all

307

00:15:07,800 --> 00:15:06,340

saying where is it coming from how big

308

00:15:11,160 --> 00:15:07,810

is it what color is and how fast is it

309

00:15:14,130 --> 00:15:11,170

going all these things and they leave

310

00:15:16,170 --> 00:15:14,140

out you know half or more of what's

311

00:15:18,150 --> 00:15:16,180

going on is which is how does it affect

312

00:15:19,620 --> 00:15:18,160

people how does it affect their lives

313

00:15:22,980 --> 00:15:19,630

how does it affect their psychology

314

00:15:26,010 --> 00:15:22,990

their personality people's lives are

315

00:15:28,380 --> 00:15:26,020

changed in 30 seconds sometimes but the

316

00:15:30,030 --> 00:15:28,390

place if I can create a piece of artwork

317

00:15:32,250 --> 00:15:30,040

that changed somebody's life in 30

318

00:15:36,420 --> 00:15:32,260

seconds I'd be a billionaire I'd be a

319

00:15:38,130 --> 00:15:36,430

multi billionaire because it'd be like

320

00:15:40,980 --> 00:15:38,140

nothing it's like having a religious

321

00:15:42,240 --> 00:15:40,990

conversion in a certain way and very

322

00:15:48,110 --> 00:15:42,250

specifically you know not even a certain

323

00:15:49,950 --> 00:15:48,120

way but in very specific ways that are

324

00:15:51,300 --> 00:15:49,960

proven over and over and over again

325

00:15:52,830 --> 00:15:51,310

since the beginning at Wilson's

326

00:15:55,440 --> 00:15:52,840

beginning of hit recorded history but

327

00:15:57,420 --> 00:15:55,450

especially you know in through the 20th

328

00:15:59,190 --> 00:15:57,430

century up to now when people have been

329

00:16:01,050 --> 00:15:59,200

studying it carefully they they don't

330

00:16:02,640 --> 00:16:01,060

care about the don't care about the

331

00:16:04,800 --> 00:16:02,650

effect on people what they care about is

332

00:16:08,550 --> 00:16:04,810

what is see or what is apparently seen

333

00:16:10,710 --> 00:16:08,560

and that to me that's less half or less

334

00:16:13,020 --> 00:16:10,720

than half of what's going on you've got

335

00:16:17,090 --> 00:16:13,030

to worry about you know what's going on

336

00:16:21,450 --> 00:16:19,770

how do they change people's beliefs you

337

00:16:23,610 --> 00:16:21,460

know why do people suddenly have you

338

00:16:26,550 --> 00:16:23,620

know have religious conversions or or

339

00:16:30,620 --> 00:16:26,560

get divorces or quit their jobs or

340

00:16:33,150 --> 00:16:30,630

whatever the hell because of this I mean

341

00:16:34,500 --> 00:16:33,160

that's really important part of the

342

00:16:39,780 --> 00:16:34,510

equation and nobody pays much attention

343

00:16:43,130 --> 00:16:39,790

to it yeah the the observer seems so

344

00:16:46,620 --> 00:16:43,140

integral in the occurrence or the event

345

00:16:49,500 --> 00:16:46,630

yeah so much of it is reliant on the

346

00:16:51,810 --> 00:16:49,510

observer and how it makes them feel and

347

00:16:52,500 --> 00:16:51,820

that got completely left out of the

348

00:16:56,120 --> 00:16:52,510

equation

349

00:16:58,470 --> 00:16:56,130

yeah we're not video and audio recorders

350

00:16:59,530 --> 00:16:58,480

that's what people treat that's what

351  
00:17:02,410 --> 00:16:59,540  
researchers treat people

352  
00:17:03,960 --> 00:17:02,420  
well you recorded something play it back

353  
00:17:07,679 --> 00:17:03,970  
for me

354  
00:17:09,939 --> 00:17:07,689  
you look into psychology at any level

355  
00:17:12,340 --> 00:17:09,949  
and you realize that we are not

356  
00:17:18,069 --> 00:17:12,350  
recording devices our memories are

357  
00:17:25,539 --> 00:17:18,079  
formed by our backgrounds our genetics

358  
00:17:27,490 --> 00:17:25,549  
are our culture past experience it's a

359  
00:17:30,789 --> 00:17:27,500  
traumatic experience nobody really

360  
00:17:33,039 --> 00:17:30,799  
thinks about that so there's all these

361  
00:17:37,810 --> 00:17:33,049  
factors going into it that show you that

362  
00:17:40,659 --> 00:17:37,820  
the reactions to an encounter with

363  
00:17:43,810 --> 00:17:40,669

anything like this are quite individual

364

00:17:48,850 --> 00:17:43,820

and that has to be taken to an account

365

00:17:50,409 --> 00:17:48,860

in fact I think the best way for anybody

366

00:17:52,630 --> 00:17:50,419

to understand the subject is to have

367

00:17:55,570 --> 00:17:52,640

their own encounter because that's

368

00:17:58,870 --> 00:17:55,580

that's the only way to understand on

369

00:18:02,350 --> 00:17:58,880

your level and deeply within you as a

370

00:18:03,909 --> 00:18:02,360

person what it means to you

371

00:18:05,980 --> 00:18:03,919

I think I've you know Whitley Strieber

372

00:18:07,659 --> 00:18:05,990

said this a long time ago I mean it's if

373

00:18:09,159 --> 00:18:07,669

there's any kind of contact going on

374

00:18:11,380 --> 00:18:09,169

it's on in the most democratic way

375

00:18:13,270 --> 00:18:11,390

possible individual by individual and

376

00:18:17,020 --> 00:18:13,280

I'm not saying that there's aliens here

377

00:18:19,840 --> 00:18:17,030

doing anything to us but why I am saying

378

00:18:21,760 --> 00:18:19,850

is that the reactions are so

379

00:18:25,870 --> 00:18:21,770

individualistic that you cannot really

380

00:18:29,950 --> 00:18:25,880

make a database out of them right they

381

00:18:31,870 --> 00:18:29,960

seem to just do there's nothing like

382

00:18:34,120 --> 00:18:31,880

like you said as far as a database

383

00:18:36,100 --> 00:18:34,130

concern the only thing that they seem to

384

00:18:38,049 --> 00:18:36,110

do is drive at the core of whatever

385

00:18:40,210 --> 00:18:38,059

makes that individual function whether

386

00:18:43,539 --> 00:18:40,220

it be I think that's interesting that

387

00:18:45,630 --> 00:18:43,549

you said it can make changes as far as

388

00:18:49,390 --> 00:18:45,640

their behavior with like religious

389

00:18:52,299 --> 00:18:49,400

changes after these events or encounters

390

00:18:54,760 --> 00:18:52,309

or a divorce after these events or

391

00:18:58,169 --> 00:18:54,770

encounters almost as if these

392

00:19:02,980 --> 00:18:58,179

experiences are driven by something that

393

00:19:04,930 --> 00:19:02,990

resets some part of them yeah if they

394

00:19:06,789 --> 00:19:04,940

needed it I mean if you know if the

395

00:19:11,080 --> 00:19:06,799

Dalai Lama saw a UFO he'd probably say

396

00:19:12,580 --> 00:19:11,090

oh cool but I'm just using an extreme

397

00:19:17,200 --> 00:19:12,590

example

398

00:19:20,840 --> 00:19:17,210

but you know somebody with a lot of

399

00:19:22,940 --> 00:19:20,850

unresolved issues yeah it's like it

400

00:19:24,499 --> 00:19:22,950

probably throws all those switches like

401  
00:19:26,239 --> 00:19:24,509  
you know pay these unresolved issues

402  
00:19:27,320 --> 00:19:26,249  
have been sitting here here they all are

403  
00:19:29,509 --> 00:19:27,330  
you've been covering up forever

404  
00:19:32,419 --> 00:19:29,519  
everything is thrown into everything's

405  
00:19:33,919 --> 00:19:32,429  
thrown into a question here because what

406  
00:19:35,989 --> 00:19:33,929  
you thought you based your reality on

407  
00:19:37,549 --> 00:19:35,999  
doesn't seem to work anymore so what

408  
00:19:38,840 --> 00:19:37,559  
does that mean about everything else

409  
00:19:43,279 --> 00:19:38,850  
that you're unsure about or have

410  
00:19:45,169 --> 00:19:43,289  
unresolved I think that that's happening

411  
00:19:46,489 --> 00:19:45,179  
and the closer the encounter the more

412  
00:19:48,230 --> 00:19:46,499  
that happens I mean you just see a light

413  
00:19:49,759 --> 00:19:48,240

going through the sky people just kind

414

00:19:51,230 --> 00:19:49,769

of like whoa who looks cool but

415

00:19:52,789 --> 00:19:51,240

something's sitting right in front of

416

00:19:55,369 --> 00:19:52,799

you beeping or something walking out of

417

00:19:57,470 --> 00:19:55,379

it or whatever that those are the ones

418

00:19:59,989 --> 00:19:57,480

that really start to affect people in

419

00:20:01,399 --> 00:19:59,999

deep ways because they're undeniable at

420

00:20:07,009 --> 00:20:01,409

that point it leads to the least of the

421

00:20:11,299 --> 00:20:07,019

witness yeah they kind of crumble some

422

00:20:13,970 --> 00:20:11,309

of those foundations yeah I mean it I

423

00:20:16,249 --> 00:20:13,980

guess it has to just basically putting

424

00:20:21,859 --> 00:20:16,259

huh I wrote something a long time ago I

425

00:20:24,350 --> 00:20:21,869

said is is the UFO you know phenomenon

426  
00:20:26,359 --> 00:20:24,360  
holding up a mirror to us every time we

427  
00:20:30,799 --> 00:20:26,369  
try and look too deeply into it I mean

428  
00:20:33,350 --> 00:20:30,809  
it's like it's not us it's you not it's

429  
00:20:35,779 --> 00:20:33,360  
not this it's you you're you're the your

430  
00:20:40,399 --> 00:20:35,789  
you know so you know I know yourself

431  
00:20:42,259 --> 00:20:40,409  
first and then maybe you can go a little

432  
00:20:43,850 --> 00:20:42,269  
bit further I mean your research should

433  
00:20:45,560 --> 00:20:43,860  
I think they should really be aware of

434  
00:20:46,999 --> 00:20:45,570  
what their motivations are before that

435  
00:20:48,109 --> 00:20:47,009  
and make sure that they're pure before

436  
00:20:49,779 --> 00:20:48,119  
they start looking otherwise you're

437  
00:20:54,379 --> 00:20:49,789  
getting too caught up in webs of of

438  
00:20:55,730 --> 00:20:54,389

celebrity and belief and handshaking and

439

00:20:59,299 --> 00:20:55,740

all that other stuff don't get me wrong

440

00:21:01,999 --> 00:20:59,309

I love going to conventions and meetings

441

00:21:03,379 --> 00:21:02,009

and stuff like we met at and meeting all

442

00:21:05,629 --> 00:21:03,389

these people talking I think that's

443

00:21:07,310 --> 00:21:05,639

wonderful but when you make that you're

444

00:21:08,180 --> 00:21:07,320

you know I want to be on the lecture

445

00:21:10,850 --> 00:21:08,190

circuit please

446

00:21:12,379 --> 00:21:10,860

well why because you want to be an

447

00:21:15,139 --> 00:21:12,389

electric circuit or because you want to

448

00:21:16,639 --> 00:21:15,149

find out what's going on in and and get

449

00:21:17,720 --> 00:21:16,649

some answers for yourself and that's the

450

00:21:19,879 --> 00:21:17,730

other thing I think you're trying to

451  
00:21:22,879 --> 00:21:19,889  
answer questions for yourself and you

452  
00:21:24,289 --> 00:21:22,889  
have to acknowledge that I see that in

453  
00:21:25,180 --> 00:21:24,299  
the in a little bit I've seen of your

454  
00:21:27,549 --> 00:21:25,190  
work and

455  
00:21:32,849 --> 00:21:27,559  
oh but I've talked to you yeah I think

456  
00:21:35,739 --> 00:21:32,859  
there is I think there is a bit of a

457  
00:21:38,139 --> 00:21:35,749  
know thyself you know you have to

458  
00:21:39,789 --> 00:21:38,149  
crumble foundations and and you don't

459  
00:21:41,979 --> 00:21:39,799  
have to fill in the gaps you know with

460  
00:21:44,919 --> 00:21:41,989  
with so often what I find with people is

461  
00:21:49,629 --> 00:21:44,929  
what do you think it is and like you

462  
00:21:52,779 --> 00:21:49,639  
were saying for me to name something

463  
00:21:54,519 --> 00:21:52,789

that an entity that not only has most

464

00:21:58,499 --> 00:21:54,529

likely been around longer than I have

465

00:22:01,570 --> 00:21:58,509

but has an intricate knowledge of how a

466

00:22:03,249 --> 00:22:01,580

lot more works than I do and possibly

467

00:22:04,719 --> 00:22:03,259

even the way the universe works is the

468

00:22:06,609 --> 00:22:04,729

way that we believe the universe works

469

00:22:09,339 --> 00:22:06,619

if this is exactly what we think it is

470

00:22:10,989 --> 00:22:09,349

as a reality and I do want to come back

471

00:22:13,930 --> 00:22:10,999

to what you were saying about how the

472

00:22:17,859 --> 00:22:13,940

materialist nature of people is attacked

473

00:22:21,070 --> 00:22:17,869

when they have an event or a display

474

00:22:28,149 --> 00:22:21,080

when they become the observer to one of

475

00:22:32,049 --> 00:22:28,159

these celestial yes yeah thank you

476

00:22:34,239 --> 00:22:32,059

yes yeah a celestial machination in the

477

00:22:35,950 --> 00:22:34,249

sky or something that you know basically

478

00:22:38,919 --> 00:22:35,960

things that that had biblical

479

00:22:40,659 --> 00:22:38,929

proportions in antiquity and like you

480

00:22:42,249 --> 00:22:40,669

said when when when some of us see him

481

00:22:45,369 --> 00:22:42,259

now it's like oh cool look oh it's gone

482

00:22:47,710 --> 00:22:45,379

okay no biggie yeah but you know I love

483

00:22:50,200 --> 00:22:47,720

seeing when somebody else sees that

484

00:22:54,249 --> 00:22:50,210

because it's I think I'm more of a guide

485

00:22:56,349 --> 00:22:54,259

by nature and like my favorite jobs have

486

00:22:58,029 --> 00:22:56,359

been you know fishing guide like things

487

00:23:00,369 --> 00:22:58,039

like that and it's not that I'm good at

488

00:23:03,279 --> 00:23:00,379

it it's just I enjoy seeing other people

489

00:23:07,060 --> 00:23:03,289

engage in phenomena more than I enjoy

490

00:23:10,210 --> 00:23:07,070

engaging that way you're good at it it's

491

00:23:13,450 --> 00:23:10,220

it's a unique principle but yeah you're

492

00:23:14,950 --> 00:23:13,460

right those those those base things are

493

00:23:18,339 --> 00:23:14,960

attacked when somebody when somebody

494

00:23:22,200 --> 00:23:18,349

sees that they something they they look

495

00:23:26,379 --> 00:23:25,029

yeah I mean you're forced to and as

496

00:23:29,349 --> 00:23:26,389

you're saying this I'm thinking you know

497

00:23:31,839 --> 00:23:29,359

when somebody maybe you know whatever it

498

00:23:35,769 --> 00:23:31,849

is that other people are seeing are not

499

00:23:38,320 --> 00:23:35,779

there to they're not purposely making

500

00:23:40,570 --> 00:23:38,330

people change or do whatever

501  
00:23:42,430 --> 00:23:40,580  
happens to seem a witness but that's

502  
00:23:46,750 --> 00:23:42,440  
just the nature of what happens when it

503  
00:23:48,610 --> 00:23:46,760  
appears it's like but like I said like

504  
00:23:50,200 --> 00:23:48,620  
looking at a mirror doesn't care what's

505  
00:23:53,769 --> 00:23:50,210  
going on but it is going to show you who

506  
00:23:57,009 --> 00:23:53,779  
you are a mirror is just a mirror but

507  
00:24:00,100 --> 00:23:57,019  
what it does is it's far more profound

508  
00:24:02,310 --> 00:24:00,110  
than just a mirror so you know sometimes

509  
00:24:06,190 --> 00:24:02,320  
that's how I think of the UFO subject

510  
00:24:08,049 --> 00:24:06,200  
sometimes well I just think that's very

511  
00:24:12,940 --> 00:24:08,059  
interesting that you mention that

512  
00:24:15,669 --> 00:24:12,950  
because the UFO subject is not anything

513  
00:24:18,190 --> 00:24:15,679

I love that comment ufology will

514

00:24:22,000 --> 00:24:18,200

disappear eventually that that could be

515

00:24:24,879 --> 00:24:22,010

a two-fold good thing if you know if you

516

00:24:28,240 --> 00:24:24,889

know it's gonna have a good part of it

517

00:24:30,250 --> 00:24:28,250

and a bad part of it but I believe yeah

518

00:24:32,080 --> 00:24:30,260

you know it's as far as it might be

519

00:24:34,240 --> 00:24:32,090

codified the good part is that maybe

520

00:24:36,820 --> 00:24:34,250

things will change a little mm-hmm I

521

00:24:38,379 --> 00:24:36,830

mean it's kind of fight now but it you

522

00:24:39,159 --> 00:24:38,389

know it'd be nice to see it codified in

523

00:24:41,680 --> 00:24:39,169

some other way

524

00:24:43,419 --> 00:24:41,690

like with open-ended curiosity rather

525

00:24:46,450 --> 00:24:43,429

than I'll show you that it's Eiland is

526

00:24:52,259 --> 00:24:46,460

coming from other planets correct

527

00:24:55,570 --> 00:24:52,269

stepping in as has every other you know

528

00:24:57,879 --> 00:24:55,580

hierarchy in our past that was governing

529

00:24:59,889 --> 00:24:57,889

over us stepping in and saying this is

530

00:25:03,159 --> 00:24:59,899

what it is we will be the gatekeepers to

531

00:25:06,480 --> 00:25:03,169

this knowledge and this new person on

532

00:25:08,259 --> 00:25:06,490

the block and you'll gradually get it

533

00:25:11,440 --> 00:25:08,269

will tell you this information

534

00:25:13,769 --> 00:25:11,450

eventually but you guys can't handle it

535

00:25:15,970 --> 00:25:13,779

let us take care of it or at least this

536

00:25:18,970 --> 00:25:15,980

systematically has occurred a little bit

537

00:25:21,340 --> 00:25:18,980

in some of the larger cultures but I

538

00:25:23,350 --> 00:25:21,350

noticed that a lot of reference is being

539

00:25:25,000 --> 00:25:23,360

made now towards the Greeks which I'm

540

00:25:28,680 --> 00:25:25,010

amazed by because they had a completely

541

00:25:33,190 --> 00:25:28,690

different more of a Declassified

542

00:25:36,009 --> 00:25:33,200

explanation well the Greeks

543

00:25:38,440 --> 00:25:36,019

where where they great great culture

544

00:25:40,029 --> 00:25:38,450

trip for a free BC you mean that Greek

545

00:25:43,210 --> 00:25:40,039

correct correct

546

00:25:45,700 --> 00:25:43,220

ah okay well I mean you know just this

547

00:25:49,840 --> 00:25:45,710

this this talk that you hear so often of

548

00:25:51,940 --> 00:25:49,850

Greek mythology the gods speaking above

549

00:25:54,399 --> 00:25:51,950

you in areas I've

550

00:25:57,159 --> 00:25:54,409

noticed I'll hate to make even this

551  
00:26:00,009 --> 00:25:57,169  
connection and I don't want to equate it

552  
00:26:01,919 --> 00:26:00,019  
as the same thing but these disembodied

553  
00:26:04,930 --> 00:26:01,929  
voices of people here in a lot of these

554  
00:26:08,049 --> 00:26:04,940  
fringe areas or when they have a

555  
00:26:11,470 --> 00:26:08,059  
sighting of a UFO or when they're in the

556  
00:26:13,870 --> 00:26:11,480  
proximity of a display or lights in the

557  
00:26:16,120 --> 00:26:13,880  
sky or portal activity any of the stuff

558  
00:26:18,820 --> 00:26:16,130  
you hear a lot of these almost like

559  
00:26:23,470 --> 00:26:18,830  
mechanized or robotic or voices either

560  
00:26:28,210 --> 00:26:23,480  
mimicking mocking some kind of attempt

561  
00:26:32,110 --> 00:26:28,220  
to engage some some disembodied entity

562  
00:26:34,480 --> 00:26:32,120  
noncorporeal maybe plasma intelligence I

563  
00:26:39,820 --> 00:26:34,490

don't know when these type of things

564

00:26:42,519 --> 00:26:39,830

come into the mix is when I believe you

565

00:26:45,430 --> 00:26:42,529

know that area that no matter how you're

566

00:26:47,889 --> 00:26:45,440

brought up whether it's a religion is

567

00:26:49,899 --> 00:26:47,899

just you know a belief in my opinion in

568

00:26:52,000 --> 00:26:49,909

what you believe in foundationally

569

00:26:56,789 --> 00:26:52,010

that's great but whatever it is these

570

00:26:59,230 --> 00:26:56,799

things tend to crumble a little bit ya

571

00:27:01,389 --> 00:26:59,240

know it's like if you become you

572

00:27:03,340 --> 00:27:01,399

instantly become an esoteric form of

573

00:27:05,830 --> 00:27:03,350

whatever your business in the esoteric

574

00:27:07,509 --> 00:27:05,840

form of whatever you're into rather than

575

00:27:08,860 --> 00:27:07,519

the exoteric which is you know everybody

576

00:27:11,049 --> 00:27:08,870

going to church and having tea had

577

00:27:13,269 --> 00:27:11,059

shaken hands and peace be with you and

578

00:27:17,860 --> 00:27:13,279

all that and but then there's the

579

00:27:20,350 --> 00:27:17,870

esoteric where you the experience of

580

00:27:22,960 --> 00:27:20,360

that whatever that foundation you have

581

00:27:25,480 --> 00:27:22,970

becomes more individualized and more

582

00:27:27,190 --> 00:27:25,490

meaningful to you I guess more people

583

00:27:30,639 --> 00:27:27,200

would call it a personal experience with

584

00:27:32,289 --> 00:27:30,649

God or whatever you want to call it it

585

00:27:34,690 --> 00:27:32,299

becomes more that way you're instantly

586

00:27:36,419 --> 00:27:34,700

an esoteric practitioner or or it blows

587

00:27:39,340 --> 00:27:36,429

that blows the gaskets and you just

588

00:27:42,370 --> 00:27:39,350

realize that at a certain level all

589

00:27:46,320 --> 00:27:42,380

belief systems at least religious belief

590

00:27:51,129 --> 00:27:46,330

systems have kind of the same basic

591

00:27:53,230 --> 00:27:51,139

underpinnings in them and that it's just

592

00:27:57,450 --> 00:27:53,240

seeing through different cultural lenses

593

00:28:00,970 --> 00:27:57,460

I think that the the the UFO witness

594

00:28:02,560 --> 00:28:00,980

will often realize this even though they

595

00:28:03,369 --> 00:28:02,570

can't really put it into words or see it

596

00:28:05,330 --> 00:28:03,379

in that way

597

00:28:08,000 --> 00:28:05,340

and I'm

598

00:28:10,550 --> 00:28:08,010

with my point of view no I think you're

599

00:28:13,100 --> 00:28:10,560

a hundred percent correct the the UFO

600

00:28:16,400 --> 00:28:13,110

witness is treated a lot like you know

601  
00:28:20,150 --> 00:28:16,410  
the heretics were or you know at least

602  
00:28:22,190 --> 00:28:20,160  
traditionally like the way that someone

603  
00:28:24,650 --> 00:28:22,200  
that is talking about something they

604  
00:28:26,090 --> 00:28:24,660  
shouldn't be talking about or a soul

605  
00:28:29,270 --> 00:28:26,100  
consciousness that's attained of

606  
00:28:32,420 --> 00:28:29,280  
evolution I'm sure exactly yeah I just

607  
00:28:34,340 --> 00:28:32,430  
went to the couple of weeks ago I went

608  
00:28:36,790 --> 00:28:34,350  
to the context in the desert because

609  
00:28:42,280 --> 00:28:36,800  
there were people there I wanted to see

610  
00:28:45,200 --> 00:28:42,290  
and I felt like for talks I mean I think

611  
00:28:47,900 --> 00:28:45,210  
and to Oklahoma or Whitley Street were

612  
00:28:49,370 --> 00:28:47,910  
in shock away because I had to there's

613  
00:28:54,320 --> 00:28:49,380

no way around it there to my favorite

614

00:29:00,140 --> 00:28:57,740

Lulay was assisted with and is in a film

615

00:29:03,140 --> 00:29:00,150

called witness of another world

616

00:29:06,050 --> 00:29:03,150

it's Argentinian cell it's not coming

617

00:29:10,520 --> 00:29:06,060

out till September 24th but they showed

618

00:29:14,770 --> 00:29:10,530

the film at the convention and then dr.

619

00:29:18,530 --> 00:29:14,780

brulee and the filmmaker talked about it

620

00:29:21,260 --> 00:29:18,540

afterwards and what really struck well

621

00:29:24,500 --> 00:29:21,270

I'll try and like encapsulate the film

622

00:29:26,150 --> 00:29:24,510

what it is it's like this this man he's

623

00:29:28,270 --> 00:29:26,160

a man now but he had this experience

624

00:29:30,620 --> 00:29:28,280

with something that landed and something

625

00:29:33,800 --> 00:29:30,630

he went up a ladder and went in some

626

00:29:36,110 --> 00:29:33,810

kind of structured appearing craft when

627

00:29:40,370 --> 00:29:36,120

he was 12 and this occurred in Argentina

628

00:29:42,920 --> 00:29:40,380

I think it like in 1978 what happened

629

00:29:44,900 --> 00:29:42,930

was that it estranged him from first his

630

00:29:47,630 --> 00:29:44,910

family or his community and then his

631

00:29:50,120 --> 00:29:47,640

family and he was living out in the

632

00:29:53,150 --> 00:29:50,130

middle of nowhere in Argentina just you

633

00:29:55,100 --> 00:29:53,160

know as kind of a weirdo that nobody

634

00:29:56,690 --> 00:29:55,110

would talk to because of this experience

635

00:30:00,080 --> 00:29:56,700

he had when he was 12 that he could not

636

00:30:02,890 --> 00:30:00,090

integrate into his life and as he told

637

00:30:06,050 --> 00:30:02,900

that he had nightmares every night about

638

00:30:08,780 --> 00:30:06,060

this filming maker came out to visit him

639

00:30:11,600 --> 00:30:08,790

and at least I was depicted in the film

640

00:30:18,740 --> 00:30:11,610

very slowly got him to talk about what

641

00:30:22,730 --> 00:30:18,750

happened to himself and then they

642

00:30:25,550 --> 00:30:22,740

took this witness out to an indigenous

643

00:30:30,230 --> 00:30:25,560

tribe in Argentina which I guess he's

644

00:30:32,180 --> 00:30:30,240

you know he he he is part of its

645

00:30:34,760 --> 00:30:32,190

Heritage's indigenous tribe although

646

00:30:37,190 --> 00:30:34,770

he'd never met any of them when he gets

647

00:30:40,220 --> 00:30:37,200

there they tell him your experience is

648

00:30:42,830 --> 00:30:40,230

not weird it's a pretty normal thing

649

00:30:45,080 --> 00:30:42,840

this is how it fits into our cosmology

650

00:30:46,640 --> 00:30:45,090

you're actually probably kind of lucky

651  
00:30:47,690 --> 00:30:46,650  
that it happened to you and you

652  
00:30:49,670 --> 00:30:47,700  
shouldn't worry about it used to

653  
00:30:51,770 --> 00:30:49,680  
celebrate it and they accepted him into

654  
00:30:55,430 --> 00:30:51,780  
the tribe and gave him a name a tribal

655  
00:30:57,260 --> 00:30:55,440  
name and all this he went back home his

656  
00:30:59,630 --> 00:30:57,270  
family he got back together with his

657  
00:31:01,460 --> 00:30:59,640  
family they showed the film and the town

658  
00:31:03,560 --> 00:31:01,470  
he was from and the filmmaker said

659  
00:31:05,690 --> 00:31:03,570  
people started crying and apologizing

660  
00:31:07,430 --> 00:31:05,700  
they felt so bad for him and there they

661  
00:31:09,410 --> 00:31:07,440  
felt so horrible that they treat him so

662  
00:31:12,050 --> 00:31:09,420  
badly the guy got his life back

663  
00:31:14,090 --> 00:31:12,060

mm-hmm because of this because of this

664

00:31:15,320 --> 00:31:14,100

filmmaker the Stillman and boule coming

665

00:31:17,600 --> 00:31:15,330

and talk to him because he had talked to

666

00:31:20,150 --> 00:31:17,610

him originally I think a year or two or

667

00:31:23,690 --> 00:31:20,160

maybe less around before the original I

668

00:31:27,260 --> 00:31:23,700

mean after the original experience so

669

00:31:29,990 --> 00:31:27,270

boule comes back like what forty years

670

00:31:33,500 --> 00:31:30,000

later and a little over forty years

671

00:31:36,950 --> 00:31:33,510

later to talk to the guy and find out

672

00:31:38,810 --> 00:31:36,960

what's going on after the film well I

673

00:31:41,390 --> 00:31:38,820

said something that stuck with me he

674

00:31:45,010 --> 00:31:41,400

said you know people are looking in

675

00:31:48,320 --> 00:31:45,020

government files and and other places

676  
00:31:50,060 --> 00:31:48,330  
for the answer to this to the phenomenon

677  
00:31:52,700 --> 00:31:50,070  
and he said that's not the phenomenon

678  
00:31:55,550 --> 00:31:52,710  
this is what happened in this film of

679  
00:31:59,150 --> 00:31:55,560  
this witness this is the phenomenon and

680  
00:32:00,830 --> 00:31:59,160  
I totally got that mm-hmm and it was it

681  
00:32:04,730 --> 00:32:00,840  
was amazing to me I mean it's like yeah

682  
00:32:06,830 --> 00:32:04,740  
you're right but in in helping a witness

683  
00:32:09,470 --> 00:32:06,840  
to understand or at least accept or

684  
00:32:12,110 --> 00:32:09,480  
somehow come to terms with what happened

685  
00:32:14,150 --> 00:32:12,120  
to them you're actually you're actually

686  
00:32:17,390 --> 00:32:14,160  
studying whatever it is because you're

687  
00:32:18,980 --> 00:32:17,400  
studying its effects Quran in this in

688  
00:32:20,570 --> 00:32:18,990

this way one you're helping somebody

689

00:32:22,730 --> 00:32:20,580

which is the most important thing and

690

00:32:24,620 --> 00:32:22,740

two you're getting more of an insight as

691

00:32:25,940 --> 00:32:24,630

to what's going on rather than just you

692

00:32:27,830 --> 00:32:25,950

know collecting a whole bunch of stuff

693

00:32:29,570 --> 00:32:27,840

throw in a database and say look see

694

00:32:31,340 --> 00:32:29,580

here there's something going on we know

695

00:32:32,290 --> 00:32:31,350

there's something going on just about

696

00:32:35,390 --> 00:32:32,300

everybody does

697

00:32:38,210 --> 00:32:35,400

mm-hmm but you know what does it do to

698

00:32:40,040 --> 00:32:38,220

people how does it affect them that's

699

00:32:41,480 --> 00:32:40,050

the only thing we have we don't have you

700

00:32:44,170 --> 00:32:41,490

know except for some physical ground

701  
00:32:47,420 --> 00:32:44,180  
traces and maybe some you know pieces if

702  
00:32:50,870 --> 00:32:47,430  
you uh if you accept what T TSA and

703  
00:32:53,420 --> 00:32:50,880  
others have said about having artifacts

704  
00:32:55,250 --> 00:32:53,430  
all really most of us you know the vast

705  
00:32:57,530 --> 00:32:55,260  
majority the databases people's

706  
00:33:00,710 --> 00:32:57,540  
experiences so maybe that's what she'd

707  
00:33:03,860 --> 00:33:00,720  
be concentrating on I agree it's it's

708  
00:33:06,500 --> 00:33:03,870  
and you know I love that it's coming to

709  
00:33:07,910 --> 00:33:06,510  
this because the I like how you call

710  
00:33:11,660 --> 00:33:07,920  
them the lucky ones or at least they

711  
00:33:13,100 --> 00:33:11,670  
they told him that he could have been

712  
00:33:16,310 --> 00:33:13,110  
one of the lucky ones having this

713  
00:33:18,620 --> 00:33:16,320

display or an opening of information and

714

00:33:20,120 --> 00:33:18,630

with yeah I made a paraphrase or you

715

00:33:22,580 --> 00:33:20,130

know taking things out of context but

716

00:33:26,180 --> 00:33:22,590

there's a point once for that tribe look

717

00:33:28,670 --> 00:33:26,190

this is not weird it's pretty normal and

718

00:33:31,220 --> 00:33:28,680

you shouldn't be freaked out about it's

719

00:33:33,770 --> 00:33:31,230

a it's it's totally you know it's it's

720

00:33:36,440 --> 00:33:33,780

totally accepted you know they have a

721

00:33:38,000 --> 00:33:36,450

different idea about it but it's not you

722

00:33:39,800 --> 00:33:38,010

know space aliens coming brother to

723

00:33:41,690 --> 00:33:39,810

planets I don't know what their idea is

724

00:33:43,310 --> 00:33:41,700

in fact the filmmaker didn't even tell

725

00:33:44,840 --> 00:33:43,320

you what generally with their idea was

726

00:33:47,480 --> 00:33:44,850

about it which I thought was great the

727

00:33:50,950 --> 00:33:47,490

best that's the best and that's how

728

00:33:57,560 --> 00:33:50,960

fillet is he's very he's fascinatingly

729

00:33:59,840 --> 00:33:57,570

open-minded and unprejudiced yeah it's

730

00:34:01,580 --> 00:33:59,850

yeah so I'm glad he was involved in the

731

00:34:03,140 --> 00:34:01,590

film I mean it was almost by chance who

732

00:34:04,400 --> 00:34:03,150

the filmmaker wrote him and said okay

733

00:34:07,520 --> 00:34:04,410

you know you were involved in this thing

734

00:34:09,169 --> 00:34:07,530

this thing years ago and I'm talking to

735

00:34:10,820 --> 00:34:09,179

this guy now you're interested in ballet

736

00:34:13,159 --> 00:34:10,830

suddenly said yeah I'm very interested

737

00:34:14,869 --> 00:34:13,169

in he actually told he told us he spent

738

00:34:16,190 --> 00:34:14,879

six months relearning Spanish like you

739

00:34:18,710 --> 00:34:16,200

talked with a witness and then the film

740

00:34:21,530 --> 00:34:18,720

is there talking to him in Spanish which

741

00:34:23,300 --> 00:34:21,540

is wonderful that's so and and and hope

742

00:34:25,280 --> 00:34:23,310

helping somebody out which I you know

743

00:34:27,350 --> 00:34:25,290

you said it's the most yeah yeah he said

744

00:34:29,990 --> 00:34:27,360

you know what most important thing is

745

00:34:32,119 --> 00:34:30,000

just helping somebody out with with the

746

00:34:35,180 --> 00:34:32,129

weirdness if it's bothering them you

747

00:34:36,590 --> 00:34:35,190

know because one you're left with

748

00:34:39,169 --> 00:34:36,600

somebody that doesn't have a ruined wife

749

00:34:41,720 --> 00:34:39,179

anymore and to you add something

750

00:34:43,280 --> 00:34:41,730

probably to your personal database more

751  
00:34:46,020 --> 00:34:43,290  
than something you can throw out there

752  
00:34:49,109 --> 00:34:46,030  
and say look whatever

753  
00:34:51,000 --> 00:34:49,119  
but it's it's it's data points for you

754  
00:34:53,089 --> 00:34:51,010  
like okay this person was affected this

755  
00:34:55,409 --> 00:34:53,099  
way and this is what happened to them

756  
00:34:56,909 --> 00:34:55,419  
you can write that up I don't know if

757  
00:34:58,740 --> 00:34:56,919  
you can put it in a like I said I don't

758  
00:35:02,609 --> 00:34:58,750  
think you can put it in a in a bunch of

759  
00:35:04,710 --> 00:35:02,619  
columns and a database that you have if

760  
00:35:06,210 --> 00:35:04,720  
I collect it it's almost like collecting

761  
00:35:07,710 --> 00:35:06,220  
a bunch of paintings by an artist you

762  
00:35:09,839 --> 00:35:07,720  
like and trying to figure out what that

763  
00:35:12,089 --> 00:35:09,849

artist is trying to say through a series

764

00:35:14,819 --> 00:35:12,099

of you know 400 different pieces of

765

00:35:16,380 --> 00:35:14,829

artwork they put out ie the UFO you know

766

00:35:18,720 --> 00:35:16,390

whatever the source of the UFO they get

767

00:35:21,349 --> 00:35:18,730

it's throwing out artworks to you and

768

00:35:27,599 --> 00:35:21,359

you have to figure out what they mean

769

00:35:32,190 --> 00:35:27,609

yes and do you think Greg in your

770

00:35:35,940 --> 00:35:32,200

opinion in reference to the loss of the

771

00:35:37,980 --> 00:35:35,950

old self or the after an event or

772

00:35:41,250 --> 00:35:37,990

display or the the shaking of the

773

00:35:43,290 --> 00:35:41,260

foundation so to speak this yeah this

774

00:35:45,690 --> 00:35:43,300

that I think you know what we were

775

00:35:47,609 --> 00:35:45,700

talking about with the tribe they and I

776

00:35:49,290 --> 00:35:47,619

don't want to paraphrase or like assume

777

00:35:51,300 --> 00:35:49,300

what you were they were getting at even

778

00:35:55,020 --> 00:35:51,310

because as you said they didn't say but

779

00:35:57,630 --> 00:35:55,030

it sounds like it's more of a life quest

780

00:36:00,329 --> 00:35:57,640

or a Vision Quest a search within

781

00:36:03,660 --> 00:36:00,339

thyself and this is part of the losing

782

00:36:05,579 --> 00:36:03,670

the old yeah yeah you didn't have to go

783

00:36:07,740 --> 00:36:05,589

out there and fast and you know whatever

784

00:36:10,319 --> 00:36:07,750

the hell else you do for a Vision Quest

785

00:36:13,589 --> 00:36:10,329

or a shamanic initiation or whatever it

786

00:36:16,230 --> 00:36:13,599

was handed to him he didn't expect that

787

00:36:19,920 --> 00:36:16,240

he didn't particularly want it but it

788

00:36:22,740 --> 00:36:19,930

was added to it and so that that I think

789

00:36:25,349 --> 00:36:22,750

that's what their point was it's you

790

00:36:28,680 --> 00:36:25,359

were you were somehow chosen to be to

791

00:36:31,319 --> 00:36:28,690

have this experience and that must mean

792

00:36:33,240 --> 00:36:31,329

that you have either something special

793

00:36:38,010 --> 00:36:33,250

about you or you were ready for it or

794

00:36:39,870 --> 00:36:38,020

you needed it or you know this was your

795

00:36:41,309 --> 00:36:39,880

purpose part of your purpose here while

796

00:36:43,800 --> 00:36:41,319

you're here on earth you know all these

797

00:36:46,050 --> 00:36:43,810

things were I think were communicated to

798

00:36:48,750 --> 00:36:46,060

him and in that context beats he was

799

00:36:51,660 --> 00:36:48,760

totally okay with it now I don't know

800

00:36:56,880 --> 00:36:51,670

from a Western context from a North

801  
00:36:58,410 --> 00:36:56,890  
American context cultural context you

802  
00:36:59,550 --> 00:36:58,420  
know how could how how could that be

803  
00:37:03,150 --> 00:36:59,560  
integrated I

804  
00:37:05,190 --> 00:37:03,160  
when I've seen the Dalai Lama twice you

805  
00:37:07,830 --> 00:37:05,200  
know that pro-life multi day teachings

806  
00:37:09,480 --> 00:37:07,840  
it was in it was in LA in Pasadena I

807  
00:37:13,500 --> 00:37:09,490  
mean it was I didn't travel in India and

808  
00:37:14,760 --> 00:37:13,510  
stay at the ashram or anything no but he

809  
00:37:18,420 --> 00:37:14,770  
said something which I thought was

810  
00:37:20,520 --> 00:37:18,430  
pretty interesting this crowd of 4,000

811  
00:37:22,740 --> 00:37:20,530  
people are sitting in the Pasadena Civic

812  
00:37:26,970 --> 00:37:22,750  
Auditorium and he's up there speaking in

813  
00:37:29,700 --> 00:37:26,980

Tibetan most of the time and there's a

814

00:37:33,030 --> 00:37:29,710

guy translating and one of the questions

815

00:37:37,140 --> 00:37:33,040

was you know how do I find spiritual

816

00:37:38,850 --> 00:37:37,150

peace or whatever through Buddhism and

817

00:37:42,090 --> 00:37:38,860

specifically Tibetan Buddhism and it's

818

00:37:43,770 --> 00:37:42,100

all encompassing if you're not Tibetan

819

00:37:44,940 --> 00:37:43,780

you probably shouldn't be looking for it

820

00:37:46,920 --> 00:37:44,950

here because it's not part of your

821

00:37:48,300 --> 00:37:46,930

heritage that's not going to make sense

822

00:37:49,980 --> 00:37:48,310

really a lot of sense to you and there

823

00:37:52,350 --> 00:37:49,990

was a huge gasp in the audience

824

00:37:54,420 --> 00:37:52,360

mm-hmm and I loved it he's like look

825

00:37:56,070 --> 00:37:54,430

don't don't come to us looking for

826

00:37:58,590 --> 00:37:56,080

answers the answers probably lie a lot

827

00:38:00,030 --> 00:37:58,600

closer to home than you think in places

828

00:38:05,040 --> 00:38:00,040

that you've rejected because it's been

829

00:38:07,290 --> 00:38:05,050

sold to you wrong you know so that's

830

00:38:09,150 --> 00:38:07,300

kind of what I think of with the UFO

831

00:38:10,590 --> 00:38:09,160

thing we have to find context that our

832

00:38:12,270 --> 00:38:10,600

own culture that makes sense to the

833

00:38:14,160 --> 00:38:12,280

people from that culture and I don't

834

00:38:15,540 --> 00:38:14,170

know what ours is ours is all messed up

835

00:38:19,140 --> 00:38:15,550

it's aliens coming from other planets

836

00:38:20,370 --> 00:38:19,150

proving you in the but like well that's

837

00:38:28,560 --> 00:38:20,380

not gonna make a lot of people very

838

00:38:32,900 --> 00:38:28,570

happy it it does seem like these voices

839

00:38:37,470 --> 00:38:32,910

from the other side have a wide array of

840

00:38:39,600 --> 00:38:37,480

I mean just when you when you see these

841

00:38:43,200 --> 00:38:39,610

charts of entities like you're talking

842

00:38:47,520 --> 00:38:43,210

about from a ufology perspective and you

843

00:38:51,330 --> 00:38:47,530

know the it's really whatever you need

844

00:38:53,940 --> 00:38:51,340

them to be and there's a lot of them and

845

00:38:56,340 --> 00:38:53,950

I'm I'm not a not trying to make any

846

00:38:59,520 --> 00:38:56,350

justification of you know whether there

847

00:39:00,570 --> 00:38:59,530

are or there aren't aliens because of

848

00:39:03,900 --> 00:39:00,580

course there's going to be something

849

00:39:06,480 --> 00:39:03,910

different to us or alien to us and I

850

00:39:09,120 --> 00:39:06,490

think someone so often the semantics are

851  
00:39:11,760 --> 00:39:09,130  
is mixed with you know Hollywood and and

852  
00:39:12,170 --> 00:39:11,770  
this universal consciousness is attained

853  
00:39:13,839 --> 00:39:12,180  
and

854  
00:39:16,370 --> 00:39:13,849  
Elson you're dealing with this

855  
00:39:21,859 --> 00:39:16,380  
smokescreen that you can't get through

856  
00:39:23,120 --> 00:39:21,869  
if you wanted to yeah it's ten times

857  
00:39:25,549 --> 00:39:23,130  
worse for somebody who's gone through

858  
00:39:27,770 --> 00:39:25,559  
some of these things because everybody's

859  
00:39:31,790 --> 00:39:27,780  
trying to tell them what it means mm-hmm

860  
00:39:34,280 --> 00:39:31,800  
and that's not what it means to them so

861  
00:39:35,900 --> 00:39:34,290  
I think the idea should be you know why

862  
00:39:37,400 --> 00:39:35,910  
don't we provide people with the tools

863  
00:39:39,650 --> 00:39:37,410

to find out what it means to them and

864

00:39:41,660 --> 00:39:39,660

not force anything upon them I mean

865

00:39:43,400 --> 00:39:41,670

unless they let's say start a religion

866

00:39:44,750 --> 00:39:43,410

and start trying to control people and

867

00:39:47,660 --> 00:39:44,760

asking and for money and everything that

868

00:39:50,540 --> 00:39:47,670

that becomes a manifestation of the ego

869

00:39:52,720 --> 00:39:50,550

and that's bad but if they can come to

870

00:39:55,640 --> 00:39:52,730

some kind of personal peace with it and

871

00:39:57,020 --> 00:39:55,650

go on with their lives either you know

872

00:39:58,339 --> 00:39:57,030

would this an integral part of their

873

00:40:00,290 --> 00:39:58,349

lives or at least where they can say

874

00:40:02,569 --> 00:40:00,300

okay it goes in that box now I'm gonna

875

00:40:04,640 --> 00:40:02,579

continue with you know going to work and

876

00:40:09,380 --> 00:40:04,650

having relationships and whatever the

877

00:40:11,750 --> 00:40:09,390

hell right yeah yeah there's two no

878

00:40:13,309 --> 00:40:11,760

Timothy Nestle ecology should be is just

879

00:40:14,690 --> 00:40:13,319

like find people that know how to take

880

00:40:17,000 --> 00:40:14,700

care of people and let them find their

881

00:40:19,549 --> 00:40:17,010

own way rather than trying to show them

882

00:40:21,920 --> 00:40:19,559

what they think it is and I'm gonna put

883

00:40:23,690 --> 00:40:21,930

you in my book and I'm gonna go on this

884

00:40:24,859 --> 00:40:23,700

leg can I can I use your story in my

885

00:40:27,890 --> 00:40:24,869

lecture and blah blah blah

886

00:40:32,720 --> 00:40:27,900

I find it's interesting that a lot of

887

00:40:38,049 --> 00:40:32,730

individuals gradually that are involved

888

00:40:44,359 --> 00:40:40,819

without without you know you can't you

889

00:40:46,960 --> 00:40:44,369

can't make generalizations but they it

890

00:40:54,289 --> 00:40:46,970

seems like they gradually develop a new

891

00:40:58,549 --> 00:40:54,299

self that is you know they become a

892

00:40:59,960 --> 00:40:58,559

happier in a sense because and I think

893

00:41:01,760 --> 00:40:59,970

that's kind of what it's all about is

894

00:41:05,180 --> 00:41:01,770

you know just becoming happy with

895

00:41:09,230 --> 00:41:05,190

yourself and with what your journey is

896

00:41:11,900 --> 00:41:09,240

what you've seen and experienced and you

897

00:41:13,370 --> 00:41:11,910

there they become very I've you know you

898

00:41:16,339 --> 00:41:13,380

hear it all the time oh that person's

899

00:41:17,630 --> 00:41:16,349

bulletproof or oh wow that you know this

900

00:41:19,370 --> 00:41:17,640

happen to that person and they hardly

901  
00:41:21,640 --> 00:41:19,380  
flinched

902  
00:41:26,019 --> 00:41:21,650  
in it I don't think that it's

903  
00:41:31,339 --> 00:41:28,880  
exoteric physical reaction to an event

904  
00:41:33,380 --> 00:41:31,349  
is you know that meaningful or showing

905  
00:41:36,260 --> 00:41:33,390  
of somebody's divine character or

906  
00:41:39,200 --> 00:41:36,270  
whatever but at the same time they seem

907  
00:41:41,059 --> 00:41:39,210  
more okay with whatever happens like you

908  
00:41:42,650 --> 00:41:41,069  
said about the Dali Lama if they saw

909  
00:41:46,250 --> 00:41:42,660  
something happened they would be more at

910  
00:41:48,349 --> 00:41:46,260  
peace with it and more observant of how

911  
00:41:54,799 --> 00:41:48,359  
they react to the situation then

912  
00:41:57,140 --> 00:41:54,809  
reaction reactionary mmm-hmm yeah I mean

913  
00:41:59,089 --> 00:41:57,150

that that I hope things are changing in

914

00:42:01,670 --> 00:41:59,099

that direction I hope I mean I see the

915

00:42:03,410 --> 00:42:01,680

door opening it's not like I've been

916

00:42:05,150 --> 00:42:03,420

hammering on that for years or anything

917

00:42:07,640 --> 00:42:05,160

like that but what I have been

918

00:42:09,620 --> 00:42:07,650

interested in for the longest time is

919

00:42:11,299 --> 00:42:09,630

one what's wrong with you follow gee and

920

00:42:16,549 --> 00:42:11,309

why don't we change it or get rid of it

921

00:42:18,980 --> 00:42:16,559

and and to what you know what do we

922

00:42:21,349 --> 00:42:18,990

replace it with and for the last maybe

923

00:42:24,319 --> 00:42:21,359

ten years I've been hammering on my show

924

00:42:30,130 --> 00:42:24,329

in other places like let's get people

925

00:42:32,750 --> 00:42:30,140

that are people that are not UFO fans

926

00:42:34,609 --> 00:42:32,760

interested in this and let's let them

927

00:42:39,609 --> 00:42:34,619

look at it from their point of view and

928

00:42:42,950 --> 00:42:39,619

from their discipline without and

929

00:42:45,050 --> 00:42:42,960

somehow get rid of that stigma and TTS a

930

00:42:47,410 --> 00:42:45,060

did it a bit

931

00:42:49,970 --> 00:42:47,420

[Music]

932

00:42:50,349 --> 00:42:49,980

Diana passel cos looked which I like a

933

00:42:52,880 --> 00:42:50,359

lot

934

00:42:56,120 --> 00:42:52,890

American cosmic that's doing it a bit

935

00:42:57,670 --> 00:42:56,130

Jeffery cripples work he's got a book

936

00:43:00,049 --> 00:42:57,680

called the flip right now which is

937

00:43:01,730 --> 00:43:00,059

basically this subject you know what

938

00:43:03,740 --> 00:43:01,740

what is science doing and how can it

939

00:43:05,930 --> 00:43:03,750

change what is the history of science

940

00:43:11,059 --> 00:43:05,940

how has it changed and what can be done

941

00:43:14,089 --> 00:43:11,069

now to address anomalous issues in the

942

00:43:15,740 --> 00:43:14,099

scientific community that's the I think

943

00:43:18,230 --> 00:43:15,750

that's one of the most important things

944

00:43:20,750 --> 00:43:18,240

going on right now and nobody is paying

945

00:43:22,279 --> 00:43:20,760

any attention to it really which is

946

00:43:23,839 --> 00:43:22,289

probably a good thing because all these

947

00:43:27,109 --> 00:43:23,849

people can do their work and pursue

948

00:43:28,940 --> 00:43:27,119

their their interests quietly in the

949

00:43:30,470 --> 00:43:28,950

background as they should and then when

950

00:43:34,190 --> 00:43:30,480

they come to some sort and then talk

951  
00:43:36,640 --> 00:43:34,200  
with each other and if something some

952  
00:43:40,220 --> 00:43:36,650  
sort of consensus is reached

953  
00:43:42,830 --> 00:43:40,230  
they can talk about that I'm not a

954  
00:43:44,990 --> 00:43:42,840  
secrecy person but I am a you know I

955  
00:43:46,820 --> 00:43:45,000  
have a fan of just shutting up about

956  
00:43:48,260 --> 00:43:46,830  
what you're doing until you get to some

957  
00:43:50,630 --> 00:43:48,270  
sort of point where you can report it to

958  
00:43:55,550 --> 00:43:50,640  
people and I think that's what a lot of

959  
00:43:57,530 --> 00:43:55,560  
these academics and scientists are doing

960  
00:43:59,420 --> 00:43:57,540  
in a large part because a lot of them

961  
00:44:03,200 --> 00:43:59,430  
have had experiences and some of them

962  
00:44:06,860 --> 00:44:03,210  
can admit it amazingly enough mm-hmm

963  
00:44:11,210 --> 00:44:06,870

there's a guy Kary Mullis who's a Nobel

964

00:44:13,220 --> 00:44:11,220

Prize winner for chemistry he's competed

965

00:44:17,240 --> 00:44:13,230

he's been quite open about his weird

966

00:44:19,220 --> 00:44:17,250

experiences and he can't explain them

967

00:44:21,200 --> 00:44:19,230

but he realizes that science isn't

968

00:44:24,110 --> 00:44:21,210

touching everything every part of your

969

00:44:27,260 --> 00:44:24,120

reality in the human experience so he's

970

00:44:30,080 --> 00:44:27,270

interested in figuring out how that you

971

00:44:33,200 --> 00:44:30,090

know how that reality in that human

972

00:44:35,030 --> 00:44:33,210

experience have been what if science

973

00:44:37,580 --> 00:44:35,040

missing here and he thinks it's a huge

974

00:44:39,680 --> 00:44:37,590

chunk and I agree with him and so do the

975

00:44:43,460 --> 00:44:39,690

people in American cosmic that dr.

976  
00:44:44,990 --> 00:44:43,470  
posaga talks about you know we've gone

977  
00:44:48,200 --> 00:44:45,000  
to the moon we've done all these other

978  
00:44:50,150 --> 00:44:48,210  
wonderful things but we're not dealing

979  
00:44:52,010 --> 00:44:50,160  
with this giant piece of weirdness

980  
00:44:53,780 --> 00:44:52,020  
that's sitting right in front of us as I

981  
00:44:57,650 --> 00:44:53,790  
said in my says the title of my talk it

982  
00:44:59,780 --> 00:44:57,660  
exists what do we do about it mm-hmm and

983  
00:45:01,790 --> 00:44:59,790  
I think that's a good title and that's a

984  
00:45:04,940 --> 00:45:01,800  
good name for it it you know you don't

985  
00:45:07,820 --> 00:45:04,950  
it's not yeah the seeds have been

986  
00:45:09,200 --> 00:45:07,830  
planted and you know planting the seeds

987  
00:45:11,390 --> 00:45:09,210  
is the best somebody can do I think

988  
00:45:13,180 --> 00:45:11,400

above and beyond that it's just not our

989

00:45:17,330 --> 00:45:13,190

job

990

00:45:21,110 --> 00:45:17,340

but it's it's very interesting how it

991

00:45:25,640 --> 00:45:21,120

does seem like these gateways and these

992

00:45:28,190 --> 00:45:25,650

dams of information that have been held

993

00:45:32,180 --> 00:45:28,200

you know whether they're internally held

994

00:45:34,520 --> 00:45:32,190

by the masses or just kind of in this

995

00:45:35,450 --> 00:45:34,530

universal consciousness when it comes to

996

00:45:38,960 --> 00:45:35,460

this subject

997

00:45:43,070 --> 00:45:38,970

they are crumbling they're disappearing

998

00:45:46,250 --> 00:45:43,080

a lot you know a lot of these polls are

999

00:45:48,410 --> 00:45:46,260

showing that the masses believe it's a

1000

00:45:50,319 --> 00:45:48,420

lot more likely that something other

1001

00:45:53,559 --> 00:45:50,329

than ourselves exists

1002

00:45:55,269 --> 00:45:53,569

things that been then before it's

1003

00:45:58,120 --> 00:45:55,279

interesting there's there's a definite

1004

00:45:59,529 --> 00:45:58,130

change yes I think people is known and

1005

00:46:01,419 --> 00:45:59,539

thought and believed this for quite a

1006

00:46:03,489 --> 00:46:01,429

long time it's just that they've had to

1007

00:46:07,390 --> 00:46:03,499

drag academia and science kicking and

1008

00:46:08,949 --> 00:46:07,400

screaming to that point of view and it's

1009

00:46:10,269 --> 00:46:08,959

not because people are stupid or

1010

00:46:12,759 --> 00:46:10,279

anything like that it's because people

1011

00:46:15,189 --> 00:46:12,769

can people realize when there's you know

1012

00:46:17,289 --> 00:46:15,199

three thousand reports of something

1013

00:46:21,579 --> 00:46:17,299

staring you in the face it everybody

1014

00:46:22,929 --> 00:46:21,589

can't be lying or delusional I don't

1015

00:46:24,459 --> 00:46:22,939

think more than three thousand I mean

1016

00:46:25,749 --> 00:46:24,469

thousands of thousands of thousands of

1017

00:46:28,689 --> 00:46:25,759

reports and those are just people that

1018

00:46:30,219 --> 00:46:28,699

say something about it the people that

1019

00:46:34,089 --> 00:46:30,229

don't say anything about it are probably

1020

00:46:35,709 --> 00:46:34,099

more quite even more vast because

1021

00:46:37,380 --> 00:46:35,719

they're afraid of being made fun of or

1022

00:46:43,390 --> 00:46:37,390

it's freak them out or whatever but yeah

1023

00:46:47,019 --> 00:46:43,400

the so it does exist I got that phrase I

1024

00:46:49,359 --> 00:46:47,029

believe paraphrase from a group called

1025

00:46:52,719 --> 00:46:49,369

the Russian cosmos who were 19th century

1026

00:46:55,630 --> 00:46:52,729

philosopher scientists in Russia and

1027

00:46:58,419 --> 00:46:55,640

they they did not particularly care

1028

00:47:01,569 --> 00:46:58,429

whether whether their philosophy

1029

00:47:04,449 --> 00:47:01,579

included something existing or not what

1030

00:47:07,059 --> 00:47:04,459

they wanted to know was if it did exists

1031

00:47:07,479 --> 00:47:07,069

great and if it does what do we do about

1032

00:47:12,489 --> 00:47:07,489

it

1033

00:47:14,079 --> 00:47:12,499

is there some way we can make our lives

1034

00:47:16,179 --> 00:47:14,089

better by understanding whatever this

1035

00:47:20,079 --> 00:47:16,189

thing is that under die undeniably

1036

00:47:22,329 --> 00:47:20,089

exists whatever it might be that you

1037

00:47:24,759 --> 00:47:22,339

know that one of the early Russian

1038

00:47:29,019 --> 00:47:24,769

cosmas was a guy and what's his name

1039

00:47:32,769 --> 00:47:29,029

Konstantin Tsiolkovsky not Tchaikovsky

1040

00:47:34,959 --> 00:47:32,779

but Tchaikovsky he was um she had an

1041

00:47:37,509 --> 00:47:34,969

idea that that human beings would live

1042

00:47:39,910 --> 00:47:37,519

forever at some point if technology

1043

00:47:40,839 --> 00:47:39,920

worked right we could help make

1044

00:47:43,239 --> 00:47:40,849

ourselves live forever

1045

00:47:44,739 --> 00:47:43,249

and that was true and the other some

1046

00:47:47,199 --> 00:47:44,749

other was thinking that we could bring

1047

00:47:49,989 --> 00:47:47,209

people back from the dead and get all

1048

00:47:51,789 --> 00:47:49,999

these smart people that had died alive

1049

00:47:53,109 --> 00:47:51,799

again and get knowledge from them and he

1050

00:47:54,370 --> 00:47:53,119

said well if we do that the world

1051  
00:47:56,829 --> 00:47:54,380  
eventually it's going to become

1052  
00:47:57,999 --> 00:47:56,839  
overpopulated so we have to leave and he

1053  
00:48:01,359 --> 00:47:58,009  
was thinking about this in like the

1054  
00:48:03,699 --> 00:48:01,369  
1880s and if we have to leave how do we

1055  
00:48:04,210 --> 00:48:03,709  
do that so you figured out celestial

1056  
00:48:11,710 --> 00:48:04,220  
mechanic

1057  
00:48:13,770 --> 00:48:11,720  
in orbit orbital or equations to put

1058  
00:48:16,359 --> 00:48:13,780  
things into orbit like the net madison

1059  
00:48:18,250 --> 00:48:16,369  
energy that would be needed and you know

1060  
00:48:19,540 --> 00:48:18,260  
how high they would have to be and how

1061  
00:48:21,460 --> 00:48:19,550  
fast they would have to be doing all

1062  
00:48:24,309 --> 00:48:21,470  
these things he figured this out before

1063  
00:48:26,290 --> 00:48:24,319

anybody knew how to get us up there and

1064

00:48:28,750 --> 00:48:26,300

he wrote books about it and these books

1065

00:48:31,120 --> 00:48:28,760

were found were carried by vertebra and

1066

00:48:33,220 --> 00:48:31,130

bran when he was in Germany and later in

1067

00:48:34,809 --> 00:48:33,230

the United States so somebody with a

1068

00:48:37,089 --> 00:48:34,819

crazy idea about going into space

1069

00:48:39,460 --> 00:48:37,099

because he thought that we would be

1070

00:48:40,960 --> 00:48:39,470

eventually because he thought it was

1071

00:48:44,170 --> 00:48:40,970

possible and it was inevitable

1072

00:48:45,849 --> 00:48:44,180

became an inspiration of you know what

1073

00:48:48,430 --> 00:48:45,859

happened fifty years ago this month of

1074

00:48:50,770 --> 00:48:48,440

getting to the moon and beyond mm-hmm so

1075

00:48:53,559 --> 00:48:50,780

to me that's amazing you know you have

1076  
00:48:56,260 --> 00:48:53,569  
people have to think in that way to be

1077  
00:48:57,790 --> 00:48:56,270  
able to do anything amazing and this guy

1078  
00:49:00,579 --> 00:48:57,800  
was thinking of it almost a hundred

1079  
00:49:02,440 --> 00:49:00,589  
years before we made it to the moon yeah

1080  
00:49:03,900 --> 00:49:02,450  
there's a direct line of success or

1081  
00:49:05,890 --> 00:49:03,910  
whatever it was a direct line of

1082  
00:49:09,220 --> 00:49:05,900  
inspiration or whatever going straight

1083  
00:49:12,190 --> 00:49:09,230  
from him to to the space program then

1084  
00:49:15,069 --> 00:49:12,200  
and now in Russia and here a direct

1085  
00:49:18,640 --> 00:49:15,079  
panel of yeah huh it's a direct path of

1086  
00:49:20,020 --> 00:49:18,650  
information really and yeah inspiration

1087  
00:49:22,960 --> 00:49:20,030  
and them like we've got to do this

1088  
00:49:24,550 --> 00:49:22,970

there's no way around so how do we do it

1089

00:49:26,200 --> 00:49:24,560

and so that's how I think people are

1090

00:49:28,630 --> 00:49:26,210

thinking about the UFO subject it's here

1091

00:49:30,040 --> 00:49:28,640

people are being affected so how do we

1092

00:49:31,809 --> 00:49:30,050

get a handle on it what do we do about

1093

00:49:34,990 --> 00:49:31,819

it and I think that's becoming more

1094

00:49:36,849 --> 00:49:35,000

common as I said in science and academia

1095

00:49:39,250 --> 00:49:36,859

which I think it's great I think it's

1096

00:49:42,130 --> 00:49:39,260

wonderful I just I can't wait to hear

1097

00:49:44,290 --> 00:49:42,140

what they start saying it's it's opening

1098

00:49:47,260 --> 00:49:44,300

up and it's it's good for I think

1099

00:49:49,620 --> 00:49:47,270

everyone and it's not you know the

1100

00:49:53,319 --> 00:49:49,630

product on display is something that

1101

00:49:56,109 --> 00:49:53,329

we've hidden from ourselves for a long

1102

00:50:00,730 --> 00:49:56,119

time just because you know let's face it

1103

00:50:03,490 --> 00:50:00,740

people the the the the the way that we

1104

00:50:06,940 --> 00:50:03,500

are designed is is how does it affect us

1105

00:50:11,230 --> 00:50:06,950

and I think that you know to not raise

1106

00:50:14,559 --> 00:50:11,240

these questions and these these issues

1107

00:50:16,420 --> 00:50:14,569

would be very blind of us so I think I

1108

00:50:17,740 --> 00:50:16,430

mean it's it's a good thing it's a good

1109

00:50:20,110 --> 00:50:17,750

day it's a good you know

1110

00:50:21,910 --> 00:50:20,120

the the transhumanism thing that that

1111

00:50:23,080 --> 00:50:21,920

guy was talking about in the 1880s if

1112

00:50:26,850 --> 00:50:23,090

you could call it that

1113

00:50:30,580 --> 00:50:26,860

it sounds yeah fascinating how did he

1114

00:50:35,890 --> 00:50:30,590

after after after describing that did he

1115

00:50:41,710 --> 00:50:35,900

go into any of that with well he the the

1116

00:50:43,390 --> 00:50:41,720

guys should shall tell cops key his

1117

00:50:45,100 --> 00:50:43,400

basically his guru was a guy named

1118

00:50:46,350 --> 00:50:45,110

Nikolai Fedorov

1119

00:50:50,860 --> 00:50:46,360

[Music]

1120

00:50:52,690 --> 00:50:50,870

and he he I'll read from my talk he said

1121

00:50:54,580 --> 00:50:52,700

Fedorov suggested that science was a

1122

00:50:56,260 --> 00:50:54,590

tool given to us by God to enable us to

1123

00:50:58,150 --> 00:50:56,270

resurrect the dead and as promised to

1124

00:51:00,010 --> 00:50:58,160

enjoy immortal life his ideas about

1125

00:51:01,390 --> 00:51:00,020

human evolution and in particularly idea

1126  
00:51:02,920 --> 00:51:01,400  
that humans should take control of the

1127  
00:51:04,690 --> 00:51:02,930  
process and directed toward their own

1128  
00:51:07,870 --> 00:51:04,700  
goals helped inspire generations of

1129  
00:51:09,760 --> 00:51:07,880  
Russian scientists so yeah that that was

1130  
00:51:11,850 --> 00:51:09,770  
a humanist philosophy way back then

1131  
00:51:14,170 --> 00:51:11,860  
before people were even calling it that

1132  
00:51:17,590 --> 00:51:14,180  
and they didn't they didn't care about

1133  
00:51:20,200 --> 00:51:17,600  
they cared little or in fact they were

1134  
00:51:22,690 --> 00:51:20,210  
very down on any kind of belief system

1135  
00:51:26,920 --> 00:51:22,700  
that would keep humans from doing

1136  
00:51:28,600 --> 00:51:26,930  
exactly what they wanted to and not not

1137  
00:51:30,250 --> 00:51:28,610  
in a bad way like you know murdering

1138  
00:51:32,560 --> 00:51:30,260

thousands of thousands or millions of

1139

00:51:34,240 --> 00:51:32,570

people but you know how do we live

1140

00:51:35,860 --> 00:51:34,250

longer how do we feed everybody how do

1141

00:51:37,720 --> 00:51:35,870

we get off this planet how do we fly

1142

00:51:39,040 --> 00:51:37,730

through the air nobody knew how to do

1143

00:51:40,420 --> 00:51:39,050

that yet but they knew it was going to

1144

00:51:42,130 --> 00:51:40,430

come they said there's inevitable that

1145

00:51:44,170 --> 00:51:42,140

we find out how to fly so let's figure

1146

00:51:47,920 --> 00:51:44,180

it out mm-hmm while other people were

1147

00:51:49,120 --> 00:51:47,930

saying it was impossible right and

1148

00:51:51,550 --> 00:51:49,130

that's the kind of thinking that's

1149

00:51:57,820 --> 00:51:51,560

needed to move things forward you know

1150

00:52:00,010 --> 00:51:57,830

just not dump not not putting restraints

1151  
00:52:01,090 --> 00:52:00,020  
on what what what can be done I mean

1152  
00:52:02,500 --> 00:52:01,100  
obviously there's going to be moral

1153  
00:52:03,700 --> 00:52:02,510  
restraints and certain things that we

1154  
00:52:06,550 --> 00:52:03,710  
shouldn't between with a lot of

1155  
00:52:09,010 --> 00:52:06,560  
knowledge that hurt pieces

1156  
00:52:14,590 --> 00:52:09,020  
but anything that helps people should

1157  
00:52:17,350 --> 00:52:14,600  
and and increases our knowledge and it

1158  
00:52:19,930 --> 00:52:17,360  
makes life easier or more interesting or

1159  
00:52:21,340 --> 00:52:19,940  
more fun or whatever those should be

1160  
00:52:22,960 --> 00:52:21,350  
pursued and that's I think that's what

1161  
00:52:25,090 --> 00:52:22,970  
the cosmos were after and I think that's

1162  
00:52:27,580 --> 00:52:25,100  
a lot a lot of these people I'm talking

1163  
00:52:29,470 --> 00:52:27,590

about that are looking into this

1164

00:52:30,920 --> 00:52:29,480

weirdness right now I think that's part

1165

00:52:34,520 --> 00:52:30,930

of their I mean apart from

1166

00:52:37,579 --> 00:52:34,530

normal garden-variety wonderful human

1167

00:52:40,640 --> 00:52:37,589

curiosity they're thinking you know what

1168

00:52:44,270 --> 00:52:40,650

what is going on how do we explain this

1169

00:52:46,849 --> 00:52:44,280

and and what can we do with it and about

1170

00:52:49,970 --> 00:52:46,859

it if we if we find that out and I think

1171

00:52:53,210 --> 00:52:49,980

they're they realized that all those all

1172

00:52:57,260 --> 00:52:53,220

those questions are related yeah

1173

00:53:00,950 --> 00:52:57,270

I can't I could it's it's it's such an

1174

00:53:02,720 --> 00:53:00,960

amazing thing that were you know that

1175

00:53:06,020 --> 00:53:02,730

were we're involved with these these are

1176

00:53:08,210 --> 00:53:06,030

fascinating times and it's it's okay I

1177

00:53:09,710 --> 00:53:08,220

appreciate you taking you know time out

1178

00:53:11,660 --> 00:53:09,720

of your busy schedule to be here with us

1179

00:53:13,220 --> 00:53:11,670

Greg you're you're nailing all the

1180

00:53:14,900 --> 00:53:13,230

points that I wanted you to know and you

1181

00:53:18,049 --> 00:53:14,910

know so much about it I appreciate it

1182

00:53:19,790 --> 00:53:18,059

where where can we follow you how do we

1183

00:53:23,540 --> 00:53:19,800

support you how can we keep up with

1184

00:53:25,370 --> 00:53:23,550

what's going on I don't know about the

1185

00:53:27,170 --> 00:53:25,380

only place doesn't well by the books

1186

00:53:29,780 --> 00:53:27,180

just go on Amazon and buy books from me

1187

00:53:30,920 --> 00:53:29,790

what should be nice okay um I have to do

1188

00:53:32,480 --> 00:53:30,930

it look up my name and there's a bunch

1189

00:53:34,339 --> 00:53:32,490

of titles there

1190

00:53:37,490 --> 00:53:34,349

I guess people mostly know wait for

1191

00:53:40,309 --> 00:53:37,500

project beta I realized to book a couple

1192

00:53:41,780 --> 00:53:40,319

years ago called it defies language and

1193

00:53:43,309 --> 00:53:41,790

it's basically a lot of stuff we're

1194

00:53:46,069 --> 00:53:43,319

talking about here except kind of an

1195

00:53:48,370 --> 00:53:46,079

embryonic form when I was first thinking

1196

00:53:53,299 --> 00:53:48,380

about it maybe ten or twelve years ago

1197

00:53:57,020 --> 00:53:53,309

and the other thing is my podcast radio

1198

00:54:03,079 --> 00:53:57,030

show radio misterioso just sort of ra di

1199

00:54:06,049 --> 00:54:03,089

om is PE RI Oso calm and you can see

1200

00:54:09,620 --> 00:54:06,059

that I don't about ten years of shows

1201  
00:54:10,910 --> 00:54:09,630  
there and you know listen to them and

1202  
00:54:12,620 --> 00:54:10,920  
tell me what you think I'm kind of on a

1203  
00:54:14,329 --> 00:54:12,630  
hiatus right now because it's so much

1204  
00:54:15,829 --> 00:54:14,339  
stuff was going on but awesome shows

1205  
00:54:17,900 --> 00:54:15,839  
when I start up again I'd like to have

1206  
00:54:19,670 --> 00:54:17,910  
you on Ryan so we can talk about some of

1207  
00:54:20,829 --> 00:54:19,680  
the stuff that you've been doing if I

1208  
00:54:24,079 --> 00:54:20,839  
only just heard about it recently

1209  
00:54:27,850 --> 00:54:24,089  
through Erica and then meeting yeah man

1210  
00:54:32,830 --> 00:54:30,160  
anybody that hasn't heard your show has

1211  
00:54:39,609 --> 00:54:32,840  
to because it's it's epic it's just

1212  
00:54:47,970 --> 00:54:43,200  
well definitely appreciate you coming on

1213  
00:54:50,520 --> 00:54:47,980

Greg and I hope to talk to you soon and

1214

00:54:52,810 --> 00:54:50,530

appreciate all you're doing

1215

00:54:54,960 --> 00:54:52,820

sure likewise thanks so much for having

1216

00:54:59,050 --> 00:54:54,970

me on all right take care

1217

00:55:01,510 --> 00:54:59,060

thank you there you have it ladies and

1218

00:55:04,750 --> 00:55:01,520

gentlemen Greg Bishop definitely a

1219

00:55:06,730 --> 00:55:04,760

master of his craft the harvest of that

1220

00:55:10,180 --> 00:55:06,740

is showing with all of the seeds that

1221

00:55:13,510 --> 00:55:10,190

he's planting as far as knowledge and

1222

00:55:16,540 --> 00:55:13,520

and what I what I'm fascinated by with

1223

00:55:21,030 --> 00:55:16,550

Greg is his approach you know he's he's

1224

00:55:23,830 --> 00:55:21,040

very open minded and there's no

1225

00:55:26,650 --> 00:55:23,840

prejudice on his part whatsoever

1226  
00:55:28,240 --> 00:55:26,660  
very very harmonious speaking with him

1227  
00:55:29,740 --> 00:55:28,250  
and he's very established in the

1228  
00:55:34,599 --> 00:55:29,750  
community which is nice you know it's

1229  
00:55:37,980 --> 00:55:34,609  
not it's not he's here to stay and so

1230  
00:55:41,080 --> 00:55:37,990  
I'm very blessed to have had him on and

1231  
00:55:43,450 --> 00:55:41,090  
frequently listen and keep up with what

1232  
00:55:46,210 --> 00:55:43,460  
he's doing it's it's very important on

1233  
00:55:47,980 --> 00:55:46,220  
that note definitely support us guys if

1234  
00:55:51,550 --> 00:55:47,990  
you can if you want to pick up we've got

1235  
00:55:53,560 --> 00:55:51,560  
awesome hats t-shirts keep up with our

1236  
00:55:55,750 --> 00:55:53,570  
research which is coming out and I'm

1237  
00:55:57,070 --> 00:55:55,760  
just trying to hold off on that a little

1238  
00:55:59,859 --> 00:55:57,080

bit because we don't have anything to

1239

00:56:01,300 --> 00:55:59,869

show you yet so we want to have

1240

00:56:03,190 --> 00:56:01,310

something to show you and then we can

1241

00:56:06,910 --> 00:56:03,200

start going into what we're doing but

1242

00:56:09,160 --> 00:56:06,920

it's very fun so go to hero paranormal

1243

00:56:10,870 --> 00:56:09,170

comm pick up a hat or a t-shirt you can

1244

00:56:13,480 --> 00:56:10,880

also get things from the Utah UFO

1245

00:56:17,140 --> 00:56:13,490

Hunters among other local research

1246

00:56:18,790 --> 00:56:17,150

groups also follow us on YouTube we're

1247

00:56:21,430 --> 00:56:18,800

putting it under hero paranormal if

1248

00:56:25,150 --> 00:56:21,440

you're on Facebook go to hero paranormal

1249

00:56:30,760 --> 00:56:25,160

or go to SWR which is space wolf

1250

00:56:32,349 --> 00:56:30,770

research our research group and support

1251  
00:56:34,630 --> 00:56:32,359  
us any way you can if you want to listen

1252  
00:56:37,420 --> 00:56:34,640  
to the podcast on the go

1253  
00:56:39,640 --> 00:56:37,430  
and not have to take up a bunch of band

1254  
00:56:40,380 --> 00:56:39,650  
width downloading it just go to hero

1255  
00:56:44,230 --> 00:56:40,390  
pair

1256  
00:56:46,630 --> 00:56:44,240  
pod bean dot-com and you can do that

1257  
00:56:49,540 --> 00:56:46,640  
fastest way to listen to not only our

1258  
00:56:53,230 --> 00:56:49,550  
podcast but a ton of others so until

1259  
00:56:55,510 --> 00:56:53,240  
next time keep an eye out for anything

1260  
00:56:59,500 --> 00:56:55,520  
that is showing you how this is

1261  
00:57:02,470 --> 00:56:59,510  
continuing this path of disclosure this

1262  
00:57:05,740 --> 00:57:02,480  
path of knowledge really that's being a

1263  
00:57:08,200 --> 00:57:05,750

gateway to a lot of other things keep an

1264

00:57:10,930 --> 00:57:08,210

eye out on what Greg Bishop is doing

1265

00:57:13,510 --> 00:57:10,940

he's sure to be working on a bunch of

1266

00:57:17,890 --> 00:57:13,520

new stuff that I'm sure we will

1267

00:57:20,530 --> 00:57:17,900

hopefully revisit and do well for

1268

00:57:22,460 --> 00:57:20,540

yourselves take care and keep those eyes

1269

00:57:47,030 --> 00:57:22,470

to the skies

1270

00:57:50,330 --> 00:57:47,290

[Music]

1271

00:57:59,160 --> 00:57:50,340

[Applause]

1272

00:58:04,189 --> 00:58:02,109

[Music]

1273

00:58:05,569 --> 00:58:04,199

just a little bit little kid little

1274

00:58:07,669 --> 00:58:05,579

tubes yeah but a little bit blended
