

1
00:00:08,060 --> 00:00:24,099

[Music]

2
00:00:35,170 --> 00:00:27,920

blast off in my service there I feel

3
00:00:40,170 --> 00:00:37,380

[Music]

4
00:00:45,780 --> 00:00:40,180

okay guys we got a heck of a showing for

5
00:00:49,650 --> 00:00:45,790

you today we have the amazing fantastic

6
00:00:51,780 --> 00:00:49,660

the real Rob gray not made of plastic

7
00:00:54,900 --> 00:00:51,790

this guy's the guy he is the political

8
00:00:57,330 --> 00:00:54,910

analyst of choice at least for me this

9
00:00:59,820 --> 00:00:57,340

guy can just blaze through the [h__\h]

10
00:01:02,900 --> 00:00:59,830

if that's the best way I can put it he

11
00:01:05,010 --> 00:01:02,910

can perfectly explained in a

12
00:01:09,180 --> 00:01:05,020

understandable manner what's going on in

13
00:01:12,330 --> 00:01:09,190

our political circus today and a lot of

14

00:01:15,180 --> 00:01:12,340

times you know you don't want a water

15

00:01:17,490 --> 00:01:15,190

weed and cultivate one political agenda

16

00:01:23,310 --> 00:01:17,500

over the other but this guy's got some

17

00:01:27,930 --> 00:01:23,320

very laser-beam clear obvious displays

18

00:01:30,900 --> 00:01:27,940

of agendas on some certain political

19

00:01:32,790 --> 00:01:30,910

sites that can't be denied so like I

20

00:01:35,010 --> 00:01:32,800

said I try to keep an open mind I try to

21

00:01:37,230 --> 00:01:35,020

do that I want to get I want to get some

22

00:01:39,150 --> 00:01:37,240

more liberal people on this show but

23

00:01:43,200 --> 00:01:39,160

they just don't want to talk to me so

24

00:01:45,539 --> 00:01:43,210

I'll keep trying but it could happen it

25

00:01:49,730 --> 00:01:45,549

could happen it could happen we'll keep

26

00:01:53,370 --> 00:01:49,740

at it in addition we have some huge news

27

00:01:56,760 --> 00:01:53,380

basically hero paranormal aka me Ryan

28

00:01:59,640 --> 00:01:56,770

burns is sponsoring has secured and paid

29

00:02:03,000 --> 00:01:59,650

for a location for Leo Sagami to come

30

00:02:07,260 --> 00:02:03,010

speak in Las Vegas Nevada July 16th from

31

00:02:10,020 --> 00:02:07,270

5:30 to 8 p.m. in the patio gallery room

32

00:02:11,910 --> 00:02:10,030

at the Springs Preserve and he's gonna

33

00:02:13,530 --> 00:02:11,920

basically talk about everything he

34

00:02:15,570 --> 00:02:13,540

usually talks about inside Illuminati

35

00:02:18,090 --> 00:02:15,580

information his latest book tour

36

00:02:20,009 --> 00:02:18,100

throughout the u.s. being all kinds of

37

00:02:21,780 --> 00:02:20,019

amazing stuff but without further ado

38

00:02:24,000 --> 00:02:21,790

let's get to our guest today Rob gray

39

00:02:27,570 --> 00:02:24,010

the real deal Rob gray let's give him a

40

00:02:32,160 --> 00:02:27,580

call one moment ladies and gentlemen hey

41

00:02:34,380 --> 00:02:32,170

Rob how's it going I'm just stoked to

42

00:02:37,080 --> 00:02:34,390

talk to you man there's so much going on

43

00:02:38,670 --> 00:02:37,090

there is like it's this is like the

44

00:02:40,680 --> 00:02:38,680

right time to chat and I'm just blessed

45

00:02:43,410 --> 00:02:40,690

that we really like carve out a little

46

00:02:46,050 --> 00:02:43,420

bit of time to chat about things I agree

47

00:02:49,980 --> 00:02:46,060

I agree it's a good time absolutely

48

00:02:52,050 --> 00:02:49,990

so without any further ado I I came

49

00:02:54,330 --> 00:02:52,060

across that kind of gave an intro I came

50

00:02:56,550 --> 00:02:54,340

across you online and I was just blown

51
00:02:59,060 --> 00:02:56,560
away with like your in-depth analysis

52
00:03:01,320 --> 00:02:59,070
and understanding of a lot of the things

53
00:03:02,730 --> 00:03:01,330
that other people don't get especially

54
00:03:04,710 --> 00:03:02,740
politically you were able to like

55
00:03:07,440 --> 00:03:04,720
perfectly explain like laser beam

56
00:03:10,610 --> 00:03:07,450
accuracy a lot of these agendas that

57
00:03:16,500 --> 00:03:13,680
so a lot of it goes back to my childhood

58
00:03:19,770 --> 00:03:16,510
I was just really into light from the

59
00:03:21,810 --> 00:03:19,780
Diggle operatives and politics kind of

60
00:03:24,840 --> 00:03:21,820
the shady side of it so I've always been

61
00:03:27,180 --> 00:03:24,850
into that kinda stuff and then as I got

62
00:03:29,460 --> 00:03:27,190
older I started going into like UFOs and

63
00:03:31,830 --> 00:03:29,470

how that whole thing connected is it

64

00:03:33,750 --> 00:03:31,840

like just a disabled thing or is it real

65

00:03:37,560 --> 00:03:33,760

so that kind of that it's always been on

66

00:03:40,950 --> 00:03:37,570

my my agenda yes but um yeah I mean I

67

00:03:44,190 --> 00:03:40,960

really just I was started out like I

68

00:03:46,370 --> 00:03:44,200

said looking for proof of UFOs and I

69

00:03:50,940 --> 00:03:46,380

started looking at like Gary McKinnon I

70

00:03:52,650 --> 00:03:50,950

remember that guy yeah so that was his

71

00:03:54,390 --> 00:03:52,660

he was the first one that got me

72

00:03:56,910 --> 00:03:54,400

involved in all this stuff about you

73

00:03:59,100 --> 00:03:56,920

know UFOs and politics and how it

74

00:04:01,500 --> 00:03:59,110

intertwines and then when Trump came

75

00:04:02,970 --> 00:04:01,510

along I had I had been in real estate

76

00:04:04,920 --> 00:04:02,980

for a little bit like just trying to

77

00:04:10,800 --> 00:04:04,930

kind of get into real estate back in

78

00:04:13,410 --> 00:04:10,810

like 2002 2003 for 500 that area and I

79

00:04:15,390 --> 00:04:13,420

would read all of trumps books like just

80

00:04:17,010 --> 00:04:15,400

because I knew that he was pretty much

81

00:04:19,560 --> 00:04:17,020

the top as far as when it comes to real

82

00:04:20,910 --> 00:04:19,570

estate so as I started reading his books

83

00:04:22,830 --> 00:04:20,920

I noticed that he had a really good

84

00:04:24,900 --> 00:04:22,840

attitude just about life in general so I

85

00:04:26,340 --> 00:04:24,910

just followed him you know throughout

86

00:04:28,860 --> 00:04:26,350

the years through the apprentice years

87

00:04:30,840 --> 00:04:28,870

and all that and my ex-wife hated it

88

00:04:33,720 --> 00:04:30,850

because I had the remote of life crisis

89
00:04:35,790 --> 00:04:33,730
as my my way marijuana for windows song

90
00:04:38,280 --> 00:04:35,800
reading it first came out so it's kind

91
00:04:40,020 --> 00:04:38,290
of like I kind of always follow Trump I

92
00:04:42,240 --> 00:04:40,030
know when he and in one of his books he

93
00:04:44,340 --> 00:04:42,250
actually talks about how he would be

94
00:04:47,360 --> 00:04:44,350
president if you know things got too bad

95
00:04:49,410 --> 00:04:47,370
and then he said it on TV so here we are

96
00:04:50,940 --> 00:04:49,420
when I thought he was going in and

97
00:04:52,320 --> 00:04:50,950
people were like joking about it I was

98
00:04:55,080 --> 00:04:52,330
like not really like if you read of the

99
00:04:57,390 --> 00:04:55,090
books he pretty much lays out what he

100
00:04:58,170 --> 00:04:57,400
would do and they him it makes whoever

101
00:05:01,320 --> 00:04:58,180
makes it a

102
00:05:02,909 --> 00:05:01,330
without like 20 or 30 different people

103
00:05:04,680 --> 00:05:02,919
kind of advising them on all different

104
00:05:06,659 --> 00:05:04,690
sides and so he makes a really

105
00:05:08,700 --> 00:05:06,669
intelligent decision so when he came

106
00:05:11,490 --> 00:05:08,710
down the escalator I was like okay so

107
00:05:12,749 --> 00:05:11,500
this news for it in Syria and then when

108
00:05:14,189 --> 00:05:12,759
he came out and said what he was saying

109
00:05:16,529 --> 00:05:14,199
which is pretty much with everybody

110
00:05:19,770 --> 00:05:16,539
thought I knew that he had like the

111
00:05:21,029 --> 00:05:19,780
niche she knew the wrestling niche I

112
00:05:23,189 --> 00:05:21,039
guess you could say his word to how to

113
00:05:24,900 --> 00:05:23,199

get people's attention um he was really

114

00:05:26,939 --> 00:05:24,910

highly trained by McMahon

115

00:05:28,800 --> 00:05:26,949

so all that put together was like the

116

00:05:30,240 --> 00:05:28,810

ultimate showman and then he goes up

117

00:05:31,980 --> 00:05:30,250

against his lady who like doesn't even

118

00:05:34,529 --> 00:05:31,990

know heroin not her head at the right

119

00:05:38,189 --> 00:05:34,539

times it's kind of insane that he that's

120

00:05:40,290 --> 00:05:38,199

even got close but the beginning that he

121

00:05:41,820 --> 00:05:40,300

was gonna win man and then now it's just

122

00:05:44,159 --> 00:05:41,830

another he's just a normal guy like that

123

00:05:45,629 --> 00:05:44,169

I mean I know he's rich but it's fun

124

00:05:48,659 --> 00:05:45,639

everyone I've talked to you they all say

125

00:05:51,450 --> 00:05:48,669

yeah he likes women and he likes you

126
00:05:53,400 --> 00:05:51,460
know hanging out and having fun so like

127
00:05:55,710 --> 00:05:53,410
one of these rich elite [h__h] is just

128
00:05:58,110 --> 00:05:55,720
you know drinks his in thousand-dollar

129
00:06:00,540 --> 00:05:58,120
one whatever his I don't mind you but

130
00:06:03,029 --> 00:06:00,550
yeah I that's kind of how I started with

131
00:06:04,589 --> 00:06:03,039
this whole Donald Trump following thing

132
00:06:07,140 --> 00:06:04,599
and then it just blew up during the

133
00:06:09,089 --> 00:06:07,150
election there were so many people on

134
00:06:11,129 --> 00:06:09,099
the on the left that I think if anybody

135
00:06:13,409 --> 00:06:11,139
just came out on the right the other

136
00:06:15,210 --> 00:06:13,419
people that were too scared to listen

137
00:06:15,659 --> 00:06:15,220
would follow along does that make any

138
00:06:19,110 --> 00:06:15,669

sense

139

00:06:22,800 --> 00:06:19,120

oh yeah totally so that's kind of what

140

00:06:24,990 --> 00:06:22,810

happened I kept my friends I wasn't

141

00:06:29,189 --> 00:06:25,000

actually went to Border Patrol training

142

00:06:31,140 --> 00:06:29,199

in 2001 I'm in South Carolina and it's

143

00:06:33,029 --> 00:06:31,150

called flexi looks like this the federal

144

00:06:35,159 --> 00:06:33,039

law enforcement training center and I

145

00:06:36,689 --> 00:06:35,169

was there for about two months and while

146

00:06:38,159 --> 00:06:36,699

I was there I mean a lot of friends a

147

00:06:40,800 --> 00:06:38,169

lot of people that I still keep in touch

148

00:06:42,450 --> 00:06:40,810

with so those are the dudes that kind of

149

00:06:43,560 --> 00:06:42,460

either told me hey you know what contact

150

00:06:45,540 --> 00:06:43,570

this guy he'll tell you more about it

151
00:06:47,279 --> 00:06:45,550
whatever but you know throughout the

152
00:06:48,659 --> 00:06:47,289
years I kept building these

153
00:06:50,490 --> 00:06:48,669
relationships there's some times when

154
00:06:52,170 --> 00:06:50,500
you know years ago by I don't talk about

155
00:06:53,969 --> 00:06:52,180
and then I'll just get an email and

156
00:06:55,770 --> 00:06:53,979
company know and they'll say hey check

157
00:06:58,469 --> 00:06:55,780
this video out I just I got it from you

158
00:07:00,360 --> 00:06:58,479
know another agent that's on the on the

159
00:07:02,730 --> 00:07:00,370
board or whatever so that's kind of how

160
00:07:04,230 --> 00:07:02,740
my Intel fun it's just when I don't

161
00:07:06,120 --> 00:07:04,240
really ask them for it it's more of like

162
00:07:07,760 --> 00:07:06,130
I know that this guy can get our message

163
00:07:10,950 --> 00:07:07,770

out and just send it to him that deal

164

00:07:12,659 --> 00:07:10,960

and if it's like I get

165

00:07:15,150 --> 00:07:12,669

a lot all the time and I always ask

166

00:07:16,559 --> 00:07:15,160

people send to me no matter what I'll

167

00:07:18,330 --> 00:07:16,569

never be like I don't believe you

168

00:07:21,059 --> 00:07:18,340

there's always going to be I'm always

169

00:07:22,800 --> 00:07:21,069

going to be open-minded about stuff some

170

00:07:25,260 --> 00:07:22,810

guy just sent me some stuff about the

171

00:07:27,480 --> 00:07:25,270

pizza gate situation and how there's

172

00:07:29,390 --> 00:07:27,490

like cops that are going after him you

173

00:07:31,860 --> 00:07:29,400

know and he has a recording he's like

174

00:07:33,450 --> 00:07:31,870

sending me recordings of like phone

175

00:07:35,010 --> 00:07:33,460

calls but they're sending in digitally

176

00:07:36,809 --> 00:07:35,020

but like I got all this all the time

177

00:07:38,370 --> 00:07:36,819

sometimes I have to like go through it

178

00:07:40,589 --> 00:07:38,380

invented and she's like this guy's kind

179

00:07:42,710 --> 00:07:40,599

of just messing with me or serious you

180

00:07:46,260 --> 00:07:42,720

know so yeah there's this whole other

181

00:07:48,300 --> 00:07:46,270

realm going on just stuff that comes in

182

00:07:50,790 --> 00:07:48,310

Intel that's not good people who might

183

00:07:52,469 --> 00:07:50,800

want to do this info with other people

184

00:07:53,850 --> 00:07:52,479

so they might send them some means that

185

00:07:55,950 --> 00:07:53,860

are like I've seen some means that are

186

00:07:57,210 --> 00:07:55,960

so op like the Tony Kadesh the one with

187

00:07:59,850 --> 00:07:57,220

dope tension that's funny I'm Tony

188

00:08:01,650 --> 00:07:59,860

Podesta so like this little hits and

189

00:08:03,510 --> 00:08:01,660

stuff like that that people send me that

190

00:08:06,149 --> 00:08:03,520

I'm kind of I had active bet all the

191

00:08:07,560 --> 00:08:06,159

time but it's interesting man I didn't

192

00:08:08,879 --> 00:08:07,570

everything I was gonna get into this I

193

00:08:11,040 --> 00:08:08,889

just always wanted to be kind of like it

194

00:08:12,659 --> 00:08:11,050

on the outside watching what's going on

195

00:08:14,399 --> 00:08:12,669

and you know having my own ideas but

196

00:08:17,029 --> 00:08:14,409

when I tried a posting on my facebook

197

00:08:19,260 --> 00:08:17,039

boom I mean I within a day or two

198

00:08:22,649 --> 00:08:19,270

approaching one of my videos I got like

199

00:08:24,180 --> 00:08:22,659

a million views or whatever on it was

200

00:08:26,279 --> 00:08:24,190

like a voter fraud video and then from

201
00:08:28,020 --> 00:08:26,289
there people were just I mean ask any

202
00:08:31,439 --> 00:08:28,030
questions and I was like I don't know I

203
00:08:34,800 --> 00:08:31,449
guess like I'm not an expert rash right

204
00:08:36,569 --> 00:08:34,810
oh yeah yeah and yeah you've become one

205
00:08:38,699 --> 00:08:36,579
I mean with more disinformation out

206
00:08:41,569 --> 00:08:38,709
there than information it just seems

207
00:08:44,790 --> 00:08:41,579
like you navigate these seas so well and

208
00:08:46,440 --> 00:08:44,800
with politics UFOs disinfo like you were

209
00:08:49,500 --> 00:08:46,450
saying the the Trump books are

210
00:08:52,050 --> 00:08:49,510
interesting and the McMahan connection

211
00:08:55,650 --> 00:08:52,060
wow you got I mean like he is a showman

212
00:09:00,569 --> 00:08:55,660
and that first election was carnage he

213
00:09:02,579 --> 00:09:00,579

destroyed everybody and had a name for

214

00:09:06,240 --> 00:09:02,589

everybody I mean it was just like

215

00:09:08,610 --> 00:09:06,250

literally I was like okay and once I saw

216

00:09:12,389 --> 00:09:08,620

like heck I was done it was like shadow

217

00:09:14,730 --> 00:09:12,399

lay I'm out and it literally the the

218

00:09:16,920 --> 00:09:14,740

crazy thing is like you have insiders

219

00:09:18,720 --> 00:09:16,930

out the wazoo what's what's what's

220

00:09:22,769 --> 00:09:18,730

what's the craziest stuff going on now

221

00:09:24,600 --> 00:09:22,779

it seems very interesting the crazy

222

00:09:26,250 --> 00:09:24,610

stuff that I know that's going

223

00:09:28,199 --> 00:09:26,260

I mean at all compartmentalizing stuff

224

00:09:31,259 --> 00:09:28,209

but the craziest stuff that I've been

225

00:09:34,980 --> 00:09:31,269

told that's going on right now so I

226

00:09:37,530 --> 00:09:34,990

think today yesterday uh William Bonner

227

00:09:39,210 --> 00:09:37,540

put out a letter on officers even

228

00:09:40,350 --> 00:09:39,220

publicly I'm pretty sure it's probably

229

00:09:43,170 --> 00:09:40,360

good days they're trying to this but

230

00:09:45,120 --> 00:09:43,180

they put out a letter saying look to

231

00:09:47,340 --> 00:09:45,130

like all the like everybody that you're

232

00:09:49,050 --> 00:09:47,350

just saying if you know about Jeffrey

233

00:09:51,060 --> 00:09:49,060

Epstein we already know and we already

234

00:09:52,769 --> 00:09:51,070

had warrants for August places so we

235

00:09:55,259 --> 00:09:52,779

find something on you before you tell us

236

00:09:56,490 --> 00:09:55,269

we're going to like come down double so

237

00:09:59,009 --> 00:09:56,500

you better just come out and tell us

238

00:10:01,730 --> 00:09:59,019

like what you know about it okay that's

239

00:10:04,440 --> 00:10:01,740

like unprecedented for like an actual

240

00:10:06,360 --> 00:10:04,450

DOJ letter you know I mean like that's

241

00:10:07,560 --> 00:10:06,370

crazy they shouldn't so I'm assuming

242

00:10:08,850 --> 00:10:07,570

they already have everything on

243

00:10:09,600 --> 00:10:08,860

everybody and they're just gonna wait to

244

00:10:11,699 --> 00:10:09,610

see who comes up

245

00:10:13,560 --> 00:10:11,709

who comes up front you know is cool

246

00:10:15,990 --> 00:10:13,570

about it and tries to cut a deal and who

247

00:10:17,970 --> 00:10:16,000

does but yeah I mean that's that's kind

248

00:10:20,040 --> 00:10:17,980

of on that I'm in that realm that's the

249

00:10:23,940 --> 00:10:20,050

crazy part and then on the other side

250

00:10:26,310 --> 00:10:23,950

paranormal kind of stuff I've been

251
00:10:28,160 --> 00:10:26,320
looking into the back rooms I think

252
00:10:29,759 --> 00:10:28,170
they're caught we don't talk about I

253
00:10:32,850 --> 00:10:29,769
think I do

254
00:10:38,460 --> 00:10:32,860
I it's okay are you talking about the

255
00:10:40,680 --> 00:10:38,470
back rooms of the internet not really

256
00:10:42,509 --> 00:10:40,690
I'm not on the internet the back rooms

257
00:10:46,259 --> 00:10:42,519
it's like this thing that came out

258
00:10:49,550 --> 00:10:46,269
recently where like you know those those

259
00:10:51,689 --> 00:10:49,560
staircases in the woods or whatever okay

260
00:10:53,840 --> 00:10:51,699
you know like people have been finding

261
00:10:55,769 --> 00:10:53,850
these staircases in the woods reason I

262
00:10:57,600 --> 00:10:55,779
don't know about recent I don't know how

263
00:11:00,870 --> 00:10:57,610

recent it is I just kind of jumped onto

264

00:11:03,030 --> 00:11:00,880

it recently no yeah this is new to me

265

00:11:03,990 --> 00:11:03,040

I'm intrigued this anyway yeah this is

266

00:11:08,400 --> 00:11:04,000

new I'm intrigued

267

00:11:10,170 --> 00:11:08,410

I'm intrigued yeah so these are and

268

00:11:11,220 --> 00:11:10,180

again this is something that I've heard

269

00:11:13,470 --> 00:11:11,230

about which is the reason I guys

270

00:11:14,699 --> 00:11:13,480

involved because like I said friends of

271

00:11:16,439 --> 00:11:14,709

mine that are in Border Patrol are

272

00:11:18,509 --> 00:11:16,449

always out in the fields if you've ever

273

00:11:20,400 --> 00:11:18,519

been to South Texas you know how it's

274

00:11:22,590 --> 00:11:20,410

just pretty much we call it Monday in

275

00:11:24,180 --> 00:11:22,600

Spanish but it's just just flag plant I

276

00:11:27,000 --> 00:11:24,190

mean it's just pure ranch land I'm just

277

00:11:29,160 --> 00:11:27,010

like mesquite and just it sort of miles

278

00:11:30,720 --> 00:11:29,170

miles and hours of that okay

279

00:11:33,210 --> 00:11:30,730

well out there in the middle of nowhere

280

00:11:35,189 --> 00:11:33,220

I've had a few people and I think Wise

281

00:11:36,769 --> 00:11:35,199

Ones and old was an older engine and

282

00:11:38,370 --> 00:11:36,779

then the other guy was really on that

283

00:11:40,350 --> 00:11:38,380

but they both

284

00:11:41,460 --> 00:11:40,360

different times that they have to hit in

285

00:11:45,270 --> 00:11:41,470

the middle of nowhere they have found

286

00:11:46,380 --> 00:11:45,280

what looks like brand-new stairs in the

287

00:11:48,120 --> 00:11:46,390

woods like they didn't look like they

288

00:11:50,100 --> 00:11:48,130

were withered or they didn't look like

289

00:11:53,640 --> 00:11:50,110

beer to beer but they were just stairs

290

00:11:55,910 --> 00:11:53,650

like a set of 10 or 15 stairs and I was

291

00:11:58,650 --> 00:11:55,920

in they would just go off and snow it

292

00:12:00,180 --> 00:11:58,660

and it would always freak them out am I

293

00:12:02,100 --> 00:12:00,190

good always had they'd always come back

294

00:12:04,290 --> 00:12:02,110

like it wasn't just like oh I saw a shed

295

00:12:07,020 --> 00:12:04,300

I don't come back and tell me here tell

296

00:12:08,790 --> 00:12:07,030

their friend it was something that

297

00:12:11,130 --> 00:12:08,800

freaked them out which is weird cause

298

00:12:12,690 --> 00:12:11,140

it's just Peter pair you know a set of

299

00:12:12,960 --> 00:12:12,700

stairs so it shouldn't freak you out of

300

00:12:15,210 --> 00:12:12,970

me

301
00:12:17,520 --> 00:12:15,220
maybe the house was there or whatever so

302
00:12:19,470 --> 00:12:17,530
this was years ago so recently when I

303
00:12:20,880 --> 00:12:19,480
started seeing these pop-up online about

304
00:12:22,440 --> 00:12:20,890
how people receive these and taking

305
00:12:23,940 --> 00:12:22,450
pictures of them and stuff I started

306
00:12:25,500 --> 00:12:23,950
researching and sealing the house it was

307
00:12:28,110 --> 00:12:25,510
well there's a custom little counts

308
00:12:30,120 --> 00:12:28,120
online nothing about how if you go up

309
00:12:32,010 --> 00:12:30,130
those stairs like you glitch out like

310
00:12:33,750 --> 00:12:32,020
it's kind of like a ditch and you go

311
00:12:35,430 --> 00:12:33,760
into like another well and like the

312
00:12:37,860 --> 00:12:35,440
realm was called the back roads and it's

313
00:12:41,570 --> 00:12:37,870

just like a bunch of like like I don't

314

00:12:45,180 --> 00:12:41,580

know like industrial looking kind of

315

00:12:47,790 --> 00:12:45,190

cubical looking style rooms that don't

316

00:12:52,830 --> 00:12:47,800

really have they just keep going and

317

00:12:56,550 --> 00:12:52,840

going and going for like ever so it's

318

00:12:58,500 --> 00:12:56,560

literally like a portal kind of to

319

00:13:01,530 --> 00:12:58,510

something well it's like a portal to

320

00:13:02,850 --> 00:13:01,540

something you or you see that yeah it

321

00:13:05,280 --> 00:13:02,860

seems to me like that's what they're

322

00:13:07,590 --> 00:13:05,290

trying to you know say that it's like a

323

00:13:10,560 --> 00:13:07,600

portal to another or another dimension

324

00:13:12,870 --> 00:13:10,570

or it's like a glitch in the matrix or

325

00:13:14,190 --> 00:13:12,880

whatever like you know there's so many

326

00:13:16,260 --> 00:13:14,200

different theories on this stuff but

327

00:13:19,280 --> 00:13:16,270

this is just the most recent thing that

328

00:13:21,300 --> 00:13:19,290

I've been with it's called the backrooms

329

00:13:22,620 --> 00:13:21,310

it's kind of interesting I mean I just

330

00:13:25,050 --> 00:13:22,630

I'll just sit there for hours reading

331

00:13:28,620 --> 00:13:25,060

about and like reading other people's

332

00:13:30,450 --> 00:13:28,630

stories their accounts on all that stuff

333

00:13:32,250 --> 00:13:30,460

is kind of crazy like how I think I

334

00:13:33,720 --> 00:13:32,260

think the reason they comes out was

335

00:13:35,790 --> 00:13:33,730

because somebody glitched out and then

336

00:13:38,610 --> 00:13:35,800

[h__h] back back in and was like whoa

337

00:13:39,810 --> 00:13:38,620

like what like it's like thank God they

338

00:13:42,960 --> 00:13:39,820

were able to come back and talk about

339

00:13:46,140 --> 00:13:42,970

what happened yeah so and I mean yeah so

340

00:13:47,430 --> 00:13:46,150

I don't even know exactly what what's

341

00:13:48,570 --> 00:13:47,440

the locations that they talk about I

342

00:13:50,040 --> 00:13:48,580

don't know any of that I know is that

343

00:13:52,730 --> 00:13:50,050

people are finding staircases in the

344

00:13:57,570 --> 00:13:55,470

supposedly the people that have I guess

345

00:13:59,010 --> 00:13:57,580

gone and never come back will obviously

346

00:14:00,530 --> 00:13:59,020

didn't say anything but the ones that

347

00:14:03,720 --> 00:14:00,540

supposedly come back to say that there's

348

00:14:05,700 --> 00:14:03,730

there's something to it so that could be

349

00:14:07,020 --> 00:14:05,710

like the missing for one one stuff I

350

00:14:10,020 --> 00:14:07,030

mean it could it could go into it all

351
00:14:13,310 --> 00:14:10,030
that it could be linked I don't know man

352
00:14:16,980 --> 00:14:13,320
it could be linked to CERN well we know

353
00:14:20,580 --> 00:14:16,990
there's a lot go like those higher

354
00:14:24,540 --> 00:14:20,590
groups and yeah their their interest in

355
00:14:27,150 --> 00:14:24,550
a lot of these locations whether it be

356
00:14:28,950 --> 00:14:27,160
like - Amon a UFO locations it seems

357
00:14:30,750 --> 00:14:28,960
like a lot of political groups are

358
00:14:35,160 --> 00:14:30,760
interested in this I mean obviously on

359
00:14:37,950 --> 00:14:35,170
both sides but it you know I'm dying to

360
00:14:40,020 --> 00:14:37,960
know I know that there's you know

361
00:14:42,030 --> 00:14:40,030
William Bart's a huge deal and I think

362
00:14:44,970 --> 00:14:42,040
it's interesting that you say you know

363
00:14:48,630 --> 00:14:44,980

if you know anything play ball like if

364

00:14:50,010 --> 00:14:48,640

they don't play ball then I guess it's

365

00:14:51,630 --> 00:14:50,020

kind of like what they did to Anthony

366

00:14:54,660 --> 00:14:51,640

Weiner am I correct

367

00:14:57,090 --> 00:14:54,670

yes yeah well here's a thing man they

368

00:14:58,590 --> 00:14:57,100

don't make a decision just willy-nilly

369

00:15:01,079 --> 00:14:58,600

if that makes sense like they'll just

370

00:15:02,340 --> 00:15:01,089

say there's no way William by I woke up

371

00:15:04,140 --> 00:15:02,350

with names like we're gonna put this out

372

00:15:06,450 --> 00:15:04,150

there it's because something is either

373

00:15:08,670 --> 00:15:06,460

going on they want to like they want to

374

00:15:10,110 --> 00:15:08,680

like dog whistle to somebody and make

375

00:15:12,870 --> 00:15:10,120

them see it or something there's

376

00:15:14,460 --> 00:15:12,880

something else going on because for some

377

00:15:18,480 --> 00:15:14,470

reason they put out that letter

378

00:15:21,930 --> 00:15:18,490

yesterday or the day and then all of a

379

00:15:23,970 --> 00:15:21,940

sudden the whole I think it was deep I

380

00:15:27,170 --> 00:15:23,980

kept a tally but one of the I just

381

00:15:29,329 --> 00:15:27,180

posted the video it was about how

382

00:15:31,710 --> 00:15:29,339

Jeffrey Epstein was a Mossad agent

383

00:15:36,120 --> 00:15:31,720

basically he was he was just a Mossad

384

00:15:37,980 --> 00:15:36,130

agent who became the guy who was doing

385

00:15:39,960 --> 00:15:37,990

blackmail for them and just playing

386

00:15:42,750 --> 00:15:39,970

macro whose dad was a message like the

387

00:15:44,640 --> 00:15:42,760

head of Mossad was I was his handler and

388

00:15:46,230 --> 00:15:44,650

she was the ones like she was

389

00:15:49,140 --> 00:15:46,240

establishing the trust for the girls

390

00:15:50,760 --> 00:15:49,150

like the girls would trust her and she'd

391

00:15:52,530 --> 00:15:50,770

like to tell them about him and how cool

392

00:15:53,880 --> 00:15:52,540

he was or whatever and then she'd say

393

00:15:54,900 --> 00:15:53,890

okay we'll come and meet him and then

394

00:15:57,150 --> 00:15:54,910

when they met him

395

00:16:01,350 --> 00:15:57,160

that's when everything would happen so I

396

00:16:03,210 --> 00:16:01,360

mean I don't know man hey and I always

397

00:16:05,020 --> 00:16:03,220

look at it like this let's play it out

398

00:16:07,150 --> 00:16:05,030

to the end like that's kind of my

399

00:16:08,470 --> 00:16:07,160

my theory like just like with Lester's

400

00:16:10,240 --> 00:16:08,480

like that's why I know they're just so

401
00:16:11,800 --> 00:16:10,250
stupid and the way that they thing

402
00:16:14,320 --> 00:16:11,810
because when you play things out to the

403
00:16:17,650 --> 00:16:14,330
end on their side it always lead to some

404
00:16:19,600 --> 00:16:17,660
kind of chaos or you're not woken up or

405
00:16:22,270 --> 00:16:19,610
you can never make it there and I'm

406
00:16:23,560 --> 00:16:22,280
happy because everything it's subjective

407
00:16:25,090 --> 00:16:23,570
with them it's not objective so

408
00:16:28,330 --> 00:16:25,100
everybody you know I mean it's not

409
00:16:31,870 --> 00:16:28,340
science it's just like fluffy thoughts I

410
00:16:34,960 --> 00:16:31,880
guess so so I always look at it very I

411
00:16:37,300 --> 00:16:34,970
guess I look at it from a from a an

412
00:16:39,850 --> 00:16:37,310
alien's perspective of an alien landed

413
00:16:41,110 --> 00:16:39,860

today and you told him this story right

414

00:16:43,450 --> 00:16:41,120

like this is what's going on in the

415

00:16:45,010 --> 00:16:43,460

world today just using their

416

00:16:46,930 --> 00:16:45,020

intelligence and their common sense how

417

00:16:48,460 --> 00:16:46,940

would they will really tell like what

418

00:16:51,100 --> 00:16:48,470

would take over in the reaction and a

419

00:16:52,960 --> 00:16:51,110

lot of times it's so simple like nobody

420

00:16:54,910 --> 00:16:52,970

knew there was no trading activity from

421

00:16:57,130 --> 00:16:54,920

texting so he was a hedge fund manager

422

00:17:00,610 --> 00:16:57,140

obviously he was I mean what was he

423

00:17:03,160 --> 00:17:00,620

quoting tricky there's history of him

424

00:17:06,069 --> 00:17:03,170

like doing anything with stocks or

425

00:17:09,100 --> 00:17:06,079

boundary so what was his job right well

426

00:17:11,230 --> 00:17:09,110

if you really look at the guy he's a guy

427

00:17:12,790 --> 00:17:11,240

who dropped out of what was it it was

428

00:17:14,920 --> 00:17:12,800

College for sure he ducked out of I

429

00:17:18,189 --> 00:17:14,930

think it was Harvard he dropped out of

430

00:17:20,650 --> 00:17:18,199

Harvard gets what you've always seen was

431

00:17:21,850 --> 00:17:20,660

this just fine Maxwell but he's never

432

00:17:23,439 --> 00:17:21,860

seen with her as like a girlfriend

433

00:17:26,050 --> 00:17:23,449

boyfriend I think there's one picture of

434

00:17:27,340 --> 00:17:26,060

them huggy kind of like happily but all

435

00:17:29,920 --> 00:17:27,350

the rest of them are just kind of like

436

00:17:32,350 --> 00:17:29,930

they're they're in the same like area so

437

00:17:33,880 --> 00:17:32,360

that tells me that they're not together

438

00:17:36,220 --> 00:17:33,890

like they weren't married they never got

439

00:17:38,110 --> 00:17:36,230

together so just from an outside

440

00:17:39,130 --> 00:17:38,120

perspective there's this one woman who's

441

00:17:42,010 --> 00:17:39,140

you know

442

00:17:45,460 --> 00:17:42,020

croaks here just so happens that our dad

443

00:17:47,500 --> 00:17:45,470

with a massage like leader who's hanging

444

00:17:50,950 --> 00:17:47,510

around with another dude or with this

445

00:17:53,650 --> 00:17:50,960

guy who is putting together these

446

00:17:55,870 --> 00:17:53,660

blackmail like situations or whatever

447

00:17:58,330 --> 00:17:55,880

for politicians and then you and then

448

00:18:00,130 --> 00:17:58,340

you say well who does that help well it

449

00:18:00,880 --> 00:18:00,140

doesn't help us like it doesn't help the

450

00:18:03,460 --> 00:18:00,890

United States

451
00:18:05,020 --> 00:18:03,470
it doesn't help China the only people

452
00:18:07,480 --> 00:18:05,030
that really helps was Israel and then

453
00:18:12,480 --> 00:18:07,490
you start looking at who exactly is

454
00:18:15,669 --> 00:18:12,490
pushing the stuff online like as far as

455
00:18:17,440 --> 00:18:15,679
you know that free speech or taking away

456
00:18:17,880 --> 00:18:17,450
like rights or any of that stuff and it

457
00:18:23,370 --> 00:18:17,890
almost

458
00:18:26,180 --> 00:18:23,380
there's a huge spider network of Israeli

459
00:18:28,740 --> 00:18:26,190
spies and we just don't know it yet

460
00:18:31,170 --> 00:18:28,750
that's kind of it feels to me but

461
00:18:33,900 --> 00:18:31,180
they're all blackmailing our Congress

462
00:18:35,940 --> 00:18:33,910
and our people but everybody's so

463
00:18:38,490 --> 00:18:35,950

involved in it and so like deeply

464

00:18:41,100 --> 00:18:38,500

embedded in it that like no even the

465

00:18:43,170 --> 00:18:41,110

media that nobody wants to be the first

466

00:18:44,760 --> 00:18:43,180

one that's all once that follow the

467

00:18:46,170 --> 00:18:44,770

whole Domino's come down and people see

468

00:18:48,540 --> 00:18:46,180

how it was all just a blackmail

469

00:18:50,490 --> 00:18:48,550

operation and how we were writing checks

470

00:18:52,170 --> 00:18:50,500

to certain people for billions of

471

00:18:55,050 --> 00:18:52,180

dollars because of the blackmail not be

472

00:18:56,790 --> 00:18:55,060

can see that the merits and so it's

473

00:18:58,920 --> 00:18:56,800

going to be a huge deal if it actually

474

00:19:00,600 --> 00:18:58,930

comes out just like think a mano wants

475

00:19:04,080 --> 00:19:00,610

candle I don't feel like the Senate even

476

00:19:05,940 --> 00:19:04,090

hit the hit the front page in a week I

477

00:19:08,720 --> 00:19:05,950

mean I don't know I don't know I hope it

478

00:19:11,460 --> 00:19:08,730

does I'd love to be wrong about it but

479

00:19:13,650 --> 00:19:11,470

people like these I mean they have so

480

00:19:15,360 --> 00:19:13,660

many I guess you can call them

481

00:19:17,340 --> 00:19:15,370

operatives like they're just look at how

482

00:19:19,950 --> 00:19:17,350

Obama I just put so many operatives in

483

00:19:22,320 --> 00:19:19,960

every single spot and so did Hillary to

484

00:19:24,000 --> 00:19:22,330

where like they can always just move to

485

00:19:25,200 --> 00:19:24,010

the next judge and the next step is

486

00:19:28,140 --> 00:19:25,210

gonna be like an important scene or

487

00:19:30,390 --> 00:19:28,150

something so yeah it's hard it's that's

488

00:19:31,680 --> 00:19:30,400

what he calls it the swamp I would have

489

00:19:33,180 --> 00:19:31,690

called it the octopus because there's

490

00:19:34,950 --> 00:19:33,190

just so many tentacles and they're all

491

00:19:36,900 --> 00:19:34,960

there in everything I mean literally

492

00:19:39,960 --> 00:19:36,910

they're in media they're in the church

493

00:19:42,090 --> 00:19:39,970

they're in banking everywhere you look

494

00:19:44,190 --> 00:19:42,100

there and I'm and it's not just Israel I

495

00:19:47,540 --> 00:19:44,200

mean it's China it's basically like

496

00:19:50,970 --> 00:19:47,550

communist ideals like controlling

497

00:19:53,160 --> 00:19:50,980

everything having ultimate control it's

498

00:19:55,290 --> 00:19:53,170

look very much and I don't see it as

499

00:19:57,630 --> 00:19:55,300

like a Jewish thing or like a Spanish

500

00:20:00,440 --> 00:19:57,640

finger like that Chinese thing it's just

501
00:20:02,220 --> 00:20:00,450
this this small group of intohe

502
00:20:03,990 --> 00:20:02,230
operatives really is what they are

503
00:20:06,870 --> 00:20:04,000
they're not they're not elected

504
00:20:10,320 --> 00:20:06,880
either they're not elected and they're

505
00:20:11,970 --> 00:20:10,330
going around getting mail on others they

506
00:20:13,560 --> 00:20:11,980
have more power than them to be able to

507
00:20:18,000 --> 00:20:13,570
pull their Street that's essentially

508
00:20:20,310 --> 00:20:18,010
happen all around everywhere so yeah man

509
00:20:22,920 --> 00:20:20,320
I mean the esting thing is huge I hope

510
00:20:24,480 --> 00:20:22,930
it blows up more than it you know more

511
00:20:26,220 --> 00:20:24,490
than happened now I hope some other

512
00:20:30,780 --> 00:20:26,230
people go down I hope other names are

513
00:20:31,620 --> 00:20:30,790

named but knowing how knowing what I

514

00:20:35,490 --> 00:20:31,630

know about

515

00:20:38,010 --> 00:20:35,500

justice in America work I see that I see

516

00:20:41,610 --> 00:20:38,020

I always see the rich getting off chief

517

00:20:44,159 --> 00:20:41,620

oh it's sort of like the Epstein

518

00:20:45,720 --> 00:20:44,169

pedophile Island thing that the

519

00:20:47,909 --> 00:20:45,730

pedophile island thing and that drone

520

00:20:54,390 --> 00:20:47,919

footage man that shows some interesting

521

00:20:57,419 --> 00:20:54,400

stuff it really does yeah it's it's

522

00:20:59,880 --> 00:20:57,429

really weird I mean just when you zoom

523

00:21:01,799 --> 00:20:59,890

in on like the beds and stuff like it's

524

00:21:03,150 --> 00:21:01,809

just people were saying that that wasn't

525

00:21:05,250 --> 00:21:03,160

like the people that are trying to like

526

00:21:09,470 --> 00:21:05,260

quite cover for Epstein or like no it's

527

00:21:14,669 --> 00:21:11,460

you know I mean like just stuff like

528

00:21:16,049 --> 00:21:14,679

that it's just really weird and if you

529

00:21:17,669 --> 00:21:16,059

zoom out and you look at it from a

530

00:21:20,070 --> 00:21:17,679

perspective like I said like a alien

531

00:21:25,020 --> 00:21:20,080

it's it's a it's a blackmail operation

532

00:21:27,299 --> 00:21:25,030

and it goes back to the 80s even he

533

00:21:30,380 --> 00:21:27,309

bought for the island I think in 98 so

534

00:21:32,669 --> 00:21:30,390

from that from 98 all the way up until

535

00:21:34,289 --> 00:21:32,679

recently he was getting these and you

536

00:21:37,020 --> 00:21:34,299

know it was only the island I mean he

537

00:21:39,149 --> 00:21:37,030

had the Ireland I think he had a New

538

00:21:41,039 --> 00:21:39,159

Mexico property too and it took in the

539

00:21:41,460 --> 00:21:41,049

middle of nowhere as well like a wax or

540

00:21:45,029 --> 00:21:41,470

something

541

00:21:48,299 --> 00:21:45,039

mm-hmm so romantic and then he also had

542

00:21:49,890 --> 00:21:48,309

I think Palm Beach was another place he

543

00:21:52,020 --> 00:21:49,900

had the New York mansion so all these

544

00:21:53,909 --> 00:21:52,030

places he's come out and said that they

545

00:21:57,990 --> 00:21:53,919

were wired for surveillance like that's

546

00:22:00,180 --> 00:21:58,000

on the court wreck huh so yeah so what

547

00:22:02,010 --> 00:22:00,190

does that tell you I mean I I have my

548

00:22:03,930 --> 00:22:02,020

house surveillance at my house like a

549

00:22:04,500 --> 00:22:03,940

ring I think you know to me like a ring

550

00:22:06,360 --> 00:22:04,510

doorbell

551

00:22:09,090 --> 00:22:06,370

mm-hmm but like this guy this guy

552

00:22:13,500 --> 00:22:09,100

straight up like installed surveillance

553

00:22:15,210 --> 00:22:13,510

in his mansion in the island like pretty

554

00:22:17,340 --> 00:22:15,220

much everywhere and and you got to think

555

00:22:18,539 --> 00:22:17,350

like what and what kind of videos of me

556

00:22:23,789 --> 00:22:18,549

I think either about the state that he

557

00:22:25,590 --> 00:22:23,799

has no house no one of the one of the

558

00:22:27,600 --> 00:22:25,600

servants or whatever that said the

559

00:22:30,720 --> 00:22:27,610

people that like live on the island that

560

00:22:34,860 --> 00:22:30,730

his house cleaning up keep say that or

561

00:22:37,409 --> 00:22:34,870

said that there's a door behind her face

562

00:22:39,659 --> 00:22:37,419

behind it the word that that he has

563

00:22:41,850 --> 00:22:39,669

extra like protection haunt

564

00:22:44,039 --> 00:22:41,860

like somebody's never left them and like

565

00:22:44,560 --> 00:22:44,049

nobody not even that like usually they

566

00:22:46,029 --> 00:22:44,570

can go in

567

00:22:48,159 --> 00:22:46,039

the saints or whatever the queen yeah

568

00:22:50,590 --> 00:22:48,169

but that's safe for whatever reason they

569

00:22:52,960 --> 00:22:50,600

he was like super protective oh he can

570

00:22:55,389 --> 00:22:52,970

only imagine what the hell he had man

571

00:22:57,159 --> 00:22:55,399

that island is so interesting it had

572

00:22:59,200 --> 00:22:57,169

some super like like he said this

573

00:23:03,009 --> 00:22:59,210

octopus thing it makes sense it had some

574

00:23:05,980 --> 00:23:03,019

super occult like a dome and owls

575

00:23:07,629 --> 00:23:05,990

they've since removed them with that

576

00:23:09,190 --> 00:23:07,639

footage if they weren't there and like

577

00:23:13,200 --> 00:23:09,200

you said like an octopus it would make

578

00:23:16,930 --> 00:23:13,210

sense if this not elected communist

579

00:23:18,999 --> 00:23:16,940

fringe movement or elites they it makes

580

00:23:22,090 --> 00:23:19,009

sense that they could literally like hey

581

00:23:24,879 --> 00:23:22,100

this works you know having this extra

582

00:23:27,249 --> 00:23:24,889

you know Epstein playing the same game

583

00:23:28,389 --> 00:23:27,259

because you know they're not only are

584

00:23:29,769 --> 00:23:28,399

the end of the same stuff they're

585

00:23:32,470 --> 00:23:29,779

getting the same things and I think

586

00:23:33,999 --> 00:23:32,480

you're right as far as you know when

587

00:23:36,340 --> 00:23:34,009

you're getting this elite I mean just

588

00:23:38,169 --> 00:23:36,350

look at the Clinton death list and the

589

00:23:40,360 --> 00:23:38,179

people that still ignore that I mean how

590

00:23:43,749 --> 00:23:40,370

could that still be ignored is what I

591

00:23:46,269 --> 00:23:43,759

say sometimes yeah not only that I'd say

592

00:23:50,350 --> 00:23:46,279

even the fact that these people have so

593

00:23:52,180 --> 00:23:50,360

much power that like the Clintons like

594

00:23:55,749 --> 00:23:52,190

you say like the clinch is right the

595

00:23:57,369 --> 00:23:55,759

only thing that the only you can't buy

596

00:23:59,200 --> 00:23:57,379

their diamond they're not gonna be

597

00:24:02,529 --> 00:23:59,210

impressed with that they're not gonna be

598

00:24:03,940 --> 00:24:02,539

impressed with gold or silver or food or

599

00:24:06,159 --> 00:24:03,950

a house they're not gonna be impressive

600

00:24:08,110 --> 00:24:06,169

that so the next thing up is well what

601
00:24:10,090 --> 00:24:08,120
can you do to get them under your spell

602
00:24:11,680 --> 00:24:10,100
or get them to be able to control them

603
00:24:13,389 --> 00:24:11,690
well you have to have some kind of dirt

604
00:24:15,490 --> 00:24:13,399
on that's the next step that's it

605
00:24:16,869 --> 00:24:15,500
hey I know your secrets if you don't do

606
00:24:18,789 --> 00:24:16,879
what I say I'm gonna let it out and

607
00:24:21,039 --> 00:24:18,799
that's it and that's literally but that

608
00:24:23,799 --> 00:24:21,049
is the currency of the intelligence ease

609
00:24:26,049 --> 00:24:23,809
that's what they do and I think a lot of

610
00:24:27,299 --> 00:24:26,059
times when Americans like I remember

611
00:24:32,889 --> 00:24:27,309
thinking like why is it always the

612
00:24:34,930 --> 00:24:32,899
lowest dumbest among us that are elected

613
00:24:36,519 --> 00:24:34,940

into these positions like I'm not trying

614

00:24:39,970 --> 00:24:36,529

to judge you know be a dick or anything

615

00:24:41,350 --> 00:24:39,980

but the lowest as far as like you always

616

00:24:43,450 --> 00:24:41,360

find out they're dirt you know like

617

00:24:46,299 --> 00:24:43,460

sooner or later you find out that the

618

00:24:48,129 --> 00:24:46,309

anti-gay politician was like gay and

619

00:24:50,950 --> 00:24:48,139

like having sex to like a bunch of dudes

620

00:24:52,810 --> 00:24:50,960

or XYZ like it always happens there's

621

00:24:54,909 --> 00:24:52,820

always these weird controversies you're

622

00:24:56,860 --> 00:24:54,919

like why are these people who have all

623

00:24:57,340 --> 00:24:56,870

these flaws and they're just crazy with

624

00:24:59,380 --> 00:24:57,350

it I mean

625

00:25:01,480 --> 00:24:59,390

not just regular cause I eat too much or

626

00:25:04,210 --> 00:25:01,490

I don't exercise it or whatever you know

627

00:25:06,100 --> 00:25:04,220

I cut my nails too short or something I

628

00:25:09,760 --> 00:25:06,110

mean if you're in st. cloud like oh I

629

00:25:13,299 --> 00:25:09,770

gambled my my life away or I go to gay

630

00:25:15,760 --> 00:25:13,309

bath houses or I you know I do cocaine

631

00:25:17,169 --> 00:25:15,770

or whatever I mean they're juicy and

632

00:25:20,890 --> 00:25:17,179

these are the guys these are the people

633

00:25:22,539 --> 00:25:20,900

that we see front and center pushing for

634

00:25:24,940 --> 00:25:22,549

laws and doing all this stuff and being

635

00:25:27,039 --> 00:25:24,950

powerful and all that well why why is it

636

00:25:28,779 --> 00:25:27,049

that the worst among us become powerful

637

00:25:30,370 --> 00:25:28,789

and I have a feeling that because the

638

00:25:33,820 --> 00:25:30,380

only currency that the intelligences

639

00:25:34,690 --> 00:25:33,830

have is black milk so you're not black

640

00:25:36,130 --> 00:25:34,700

available they don't even give a [h__h]

641

00:25:37,330 --> 00:25:36,140

about like they just like whatever be

642

00:25:39,010 --> 00:25:37,340

like we're not gonna give you whatever

643

00:25:40,240 --> 00:25:39,020

we're not gonna signal boost II which is

644

00:25:42,850 --> 00:25:40,250

essentially what they do with the people

645

00:25:44,980 --> 00:25:42,860

that are tall so like Ron Paul was in

646

00:25:47,260 --> 00:25:44,990

control in o8 and they like totally just

647

00:25:49,029 --> 00:25:47,270

ignored it like they would not let him

648

00:25:51,159 --> 00:25:49,039

on the debate stages it was just insane

649

00:25:52,539 --> 00:25:51,169

mm-hmm they didn't smear him I mean I

650

00:25:56,799 --> 00:25:52,549

think they came out with like a racist

651
00:25:58,779 --> 00:25:56,809
thing but for the most part if you look

652
00:26:01,360 --> 00:25:58,789
at what they were doing those signal

653
00:26:03,700 --> 00:26:01,370
boost people that they can control so it

654
00:26:05,620 --> 00:26:03,710
goes to the media and they literally I

655
00:26:06,880 --> 00:26:05,630
think they're literally in cahoots with

656
00:26:08,860 --> 00:26:06,890
the media and I'm not talking about like

657
00:26:10,750 --> 00:26:08,870
just friendly I mean straight up like

658
00:26:11,860 --> 00:26:10,760
this is what you're gonna say this was

659
00:26:13,600 --> 00:26:11,870
you're gonna tell you're gonna say if

660
00:26:16,029 --> 00:26:13,610
not you're gonna lose our [h__\h] Oh God

661
00:26:18,039 --> 00:26:16,039
like I feel like that's kind of what

662
00:26:19,180 --> 00:26:18,049
happened because a lot of these places

663
00:26:21,220 --> 00:26:19,190

there's no way like they're not

664

00:26:22,990 --> 00:26:21,230

profitable so how else are they are they

665

00:26:25,149 --> 00:26:23,000

surviving except that they take orders

666

00:26:26,260 --> 00:26:25,159

from somebody bigger that's what a kind

667

00:26:29,200 --> 00:26:26,270

of when I see what's going on it's like

668

00:26:30,760 --> 00:26:29,210

the worst among us are able to go into

669

00:26:32,830 --> 00:26:30,770

these high positions because that's how

670

00:26:34,210 --> 00:26:32,840

the Intel agencies are really kind of

671

00:26:36,250 --> 00:26:34,220

putting them to power so that doesn't

672

00:26:38,320 --> 00:26:36,260

say okay today's agenda this go along

673

00:26:39,820 --> 00:26:38,330

with it we want those control go get it

674

00:26:43,350 --> 00:26:39,830

like that kind of stuff that's what it

675

00:26:46,659 --> 00:26:43,360

feels like I've used it's it's so much

676
00:26:49,060 --> 00:26:46,669
like the Intel and the blackmailing that

677
00:26:51,880 --> 00:26:49,070
signal boost thing that you mentioned is

678
00:26:54,130 --> 00:26:51,890
like a whole I phrase that it I mean

679
00:26:56,440 --> 00:26:54,140
yeah if secrets are the currency of our

680
00:26:58,720 --> 00:26:56,450
political system that is the coolest

681
00:27:01,630 --> 00:26:58,730
Freddy's Rob I'm like totally sealed

682
00:27:08,560 --> 00:27:01,640
gonna steal that secrets of the currency

683
00:27:10,750 --> 00:27:08,570
yeah yeah it's true I grew up I don't

684
00:27:11,100 --> 00:27:10,760
know posted this before online but I

685
00:27:14,789 --> 00:27:11,110
grew up

686
00:27:18,860 --> 00:27:14,799
rudo the raid was like a super I think

687
00:27:21,210 --> 00:27:18,870
it's like 98% Mexican people and like 2%

688
00:27:23,549 --> 00:27:21,220

whatever like whatever but it's

689

00:27:25,470 --> 00:27:23,559

basically just we speak Spanish you go

690

00:27:27,570 --> 00:27:25,480

to you go to water burger or like Burger

691

00:27:29,610 --> 00:27:27,580

King and it's like hola that kind of

692

00:27:31,590 --> 00:27:29,620

[h__h] like it's straight up you're living

693

00:27:32,250 --> 00:27:31,600

in Mexico pretty much and everybody

694

00:27:35,280 --> 00:27:32,260

there

695

00:27:36,810 --> 00:27:35,290

it's either leftist or just doesn't know

696

00:27:38,190 --> 00:27:36,820

like they just don't care but they're

697

00:27:39,750 --> 00:27:38,200

dead they everybody talks [h__h] about the

698

00:27:41,039 --> 00:27:39,760

public it's for the most part or like

699

00:27:42,570 --> 00:27:41,049

conservatives they're not very

700

00:27:45,630 --> 00:27:42,580

well-liked out there here's the thing

701
00:27:47,700 --> 00:27:45,640
though it's corrupt this [\h__\h] like you

702
00:27:49,289 --> 00:27:47,710
walk into the city the burrito like

703
00:27:51,600 --> 00:27:49,299
offices and all you're going to see is

704
00:27:53,520 --> 00:27:51,610
like oh hey that's my cousin and that's

705
00:27:55,169 --> 00:27:53,530
my uncle and that's my aunt and they all

706
00:27:57,450 --> 00:27:55,179
worked in they're all making a cut and

707
00:27:59,490 --> 00:27:57,460
it's all like it's all out in the open

708
00:28:01,200 --> 00:27:59,500
and nobody talks [\h__\h] about everybody

709
00:28:04,169 --> 00:28:01,210
else does it it's really messed up and

710
00:28:06,530 --> 00:28:04,179
for years like for decades and decades

711
00:28:08,669 --> 00:28:06,540
this place has been corrupt and

712
00:28:10,409 --> 00:28:08,679
politicians come along and promise stuff

713
00:28:12,120 --> 00:28:10,419

and as a kid I remember thinking yeah

714

00:28:14,250 --> 00:28:12,130

this is the guy I mean behind certain

715

00:28:15,600 --> 00:28:14,260

politicians and then you wait for

716

00:28:17,850 --> 00:28:15,610

something to happen and it was like

717

00:28:20,340 --> 00:28:17,860

what's going on what the hairatan boner

718

00:28:21,480 --> 00:28:20,350

and you were like oh it's just to get

719

00:28:22,799 --> 00:28:21,490

there's somebody else that they're

720

00:28:24,810 --> 00:28:22,809

listening to like they're not they're

721

00:28:26,430 --> 00:28:24,820

just lying like I'm just telling you

722

00:28:28,140 --> 00:28:26,440

what you want to hear the way a girl

723

00:28:30,180 --> 00:28:28,150

does like when you're trying to date her

724

00:28:31,830 --> 00:28:30,190

or a guy or whatever mmm right you're

725

00:28:33,690 --> 00:28:31,840

like you're trying to date a you're

726

00:28:35,130 --> 00:28:33,700

trying to like court time or whatever

727

00:28:37,320 --> 00:28:35,140

but as soon as you like get what you

728

00:28:38,580 --> 00:28:37,330

want or whatever it's like okay yeah go

729

00:28:40,260 --> 00:28:38,590

get me a sandwich right well that's

730

00:28:42,659 --> 00:28:40,270

exactly what they do every single four

731

00:28:44,669 --> 00:28:42,669

years or two years so they're just mind

732

00:28:46,049 --> 00:28:44,679

us and for some reason I guess you have

733

00:28:48,000 --> 00:28:46,059

a short attention span where people are

734

00:28:49,409 --> 00:28:48,010

like oh yeah I believe in this time like

735

00:28:52,799 --> 00:28:49,419

it's easier to believe them than it is

736

00:28:54,810 --> 00:28:52,809

to fight the system so that's kind of

737

00:28:57,000 --> 00:28:54,820

why not when I thought Trump actually

738

00:28:58,289 --> 00:28:57,010

coming out against the things that need

739

00:28:59,909 --> 00:28:58,299

to be tried again it's like safe news

740

00:29:01,770 --> 00:28:59,919

which is basically just Papa God does

741

00:29:03,720 --> 00:29:01,780

we've had we've dealt with it forever

742

00:29:05,640 --> 00:29:03,730

with the yellow journalism but now it's

743

00:29:08,159 --> 00:29:05,650

just you know how fate means but

744

00:29:09,630 --> 00:29:08,169

basically when I saw what he was

745

00:29:11,280 --> 00:29:09,640

fighting I thought hey this is number

746

00:29:13,680 --> 00:29:11,290

guy this is definitely something to get

747

00:29:17,159 --> 00:29:13,690

me had like we need a signal boost that

748

00:29:19,140 --> 00:29:17,169

side of it and I think I think he really

749

00:29:20,760 --> 00:29:19,150

needs to start putting some penalties

750

00:29:23,830 --> 00:29:20,770

towards you social media companies man

751
00:29:27,070 --> 00:29:23,840
because they're not going to allow us to

752
00:29:28,810 --> 00:29:27,080
to get together and actually do

753
00:29:30,280 --> 00:29:28,820
something this this time around like

754
00:29:32,100 --> 00:29:30,290
they're real Starbucks for sure

755
00:29:35,110 --> 00:29:32,110
I can guarantee you they're gonna stop

756
00:29:38,250 --> 00:29:35,120
everybody that wants to be pro-trump

757
00:29:41,230 --> 00:29:38,260
from gathering from posting online

758
00:29:42,700 --> 00:29:41,240
30-day bad here 20 days here like it's

759
00:29:44,830 --> 00:29:42,710
just a bad actually needs to do

760
00:29:46,840 --> 00:29:44,840
something before me that [h__\h] like I'm

761
00:29:48,820 --> 00:29:46,850
talking like yesterday not even because

762
00:29:50,260 --> 00:29:48,830
you don't have lawyers are they're gonna

763
00:29:51,580 --> 00:29:50,270

be like oh we're gonna Sabrina fight

764

00:29:54,190 --> 00:29:51,590

this we're gonna get so it's gonna take

765

00:29:56,530 --> 00:29:54,200

forever just to get done that's why he

766

00:29:57,640 --> 00:29:56,540

needs to do it like it's that's the one

767

00:30:00,160 --> 00:29:57,650

thing that I'm really worried about

768

00:30:03,730 --> 00:30:00,170

besides Kamala Harris and the court

769

00:30:05,980 --> 00:30:03,740

hooker are these social media companies

770

00:30:09,100 --> 00:30:05,990

and like Google pretty much all the tech

771

00:30:10,720 --> 00:30:09,110

giant's cuz their man they are doing a

772

00:30:14,800 --> 00:30:10,730

number on conservatives right now it's

773

00:30:16,990 --> 00:30:14,810

bad it's really bad you you you were you

774

00:30:21,100 --> 00:30:17,000

mentioned something that really caught

775

00:30:24,640 --> 00:30:21,110

my attention and that it was that you

776

00:30:27,120 --> 00:30:24,650

know these like I don't know what to

777

00:30:28,390 --> 00:30:27,130

call it I guess you call it deep state

778

00:30:31,150 --> 00:30:28,400

mmm

779

00:30:35,200 --> 00:30:31,160

that this octopus of control may be

780

00:30:38,050 --> 00:30:35,210

involved with things like Google and and

781

00:30:42,280 --> 00:30:38,060

and they're just in control of the

782

00:30:43,600 --> 00:30:42,290

narrative so here's a cool I guess

783

00:30:46,060 --> 00:30:43,610

tidbit that a lot of people don't know

784

00:30:48,610 --> 00:30:46,070

but the owner of Google but not the

785

00:30:49,990 --> 00:30:48,620

owner but the surgery brands or brand or

786

00:30:55,120 --> 00:30:50,000

whatever the guy that started Google

787

00:30:56,620 --> 00:30:55,130

right mmm-hmm his wife is the lady who

788

00:31:00,400 --> 00:30:56,630

started 23andme

789

00:31:05,920 --> 00:31:00,410

like the CEO her sister is the CEO of

790

00:31:14,170 --> 00:31:05,930

YouTube they're all Russians

791

00:31:16,660 --> 00:31:14,180

I like 50s or acne but my point is not

792

00:31:17,950 --> 00:31:16,670

look they're like just working I

793

00:31:20,200 --> 00:31:17,960

wouldn't I told you hey man I'm gonna go

794

00:31:21,970 --> 00:31:20,210

to the tire shop whose tire shop Oh John

795

00:31:24,790 --> 00:31:21,980

you know his sister's the lady that owns

796

00:31:26,710 --> 00:31:24,800

the inspection station oh yeah yeah okay

797

00:31:28,600 --> 00:31:26,720

and how about the other sister oh the

798

00:31:30,400 --> 00:31:28,610

other sister owns the lube down the

799

00:31:32,950 --> 00:31:30,410

street you'd be like man that's like a

800

00:31:34,720 --> 00:31:32,960

lot of controls for mechanics places

801
00:31:35,180 --> 00:31:34,730
like why do they happen okay now imagine

802
00:31:38,750 --> 00:31:35,190
that

803
00:31:41,090 --> 00:31:38,760
people are what they're doing but nobody

804
00:31:44,210 --> 00:31:41,100
sees that now what are the chances that

805
00:31:46,730 --> 00:31:44,220
maybe the life of the Google guy has

806
00:31:48,590 --> 00:31:46,740
some dirt on mr. Google and was I giving

807
00:31:51,290 --> 00:31:48,600
my sister CDs now we're gonna do what

808
00:31:54,320 --> 00:31:51,300
you know XYZ people want us to do now on

809
00:31:56,300 --> 00:31:54,330
YouTube and we're gonna back me again

810
00:31:59,990 --> 00:31:56,310
it's all those that can tell you can see

811
00:32:01,550 --> 00:32:00,000
you and yeah I mean Google's Google is

812
00:32:03,320 --> 00:32:01,560
just an Intel agency man that probably

813
00:32:05,210 --> 00:32:03,330

are if you really want to get to the

814

00:32:06,740 --> 00:32:05,220

nitty gritty and like define what Google

815

00:32:08,690 --> 00:32:06,750

is it's an Intelligence Agency

816

00:32:14,240 --> 00:32:08,700

masquerading as a social media and

817

00:32:16,220 --> 00:32:14,250

search engine company basically yeah I

818

00:32:18,560 --> 00:32:16,230

like that and the thing is they have

819

00:32:21,920 --> 00:32:18,570

they have like a monopoly on hiring or

820

00:32:24,200 --> 00:32:21,930

something because what happens is these

821

00:32:25,550 --> 00:32:24,210

Clinton Easter people or people that

822

00:32:27,950 --> 00:32:25,560

work for the Clinton campaign or

823

00:32:29,330 --> 00:32:27,960

whatever these let this they get into a

824

00:32:31,490 --> 00:32:29,340

position of power and then they just

825

00:32:34,070 --> 00:32:31,500

either a place or they just hire all

826

00:32:36,410 --> 00:32:34,080

that and they let them know this is what

827

00:32:38,270 --> 00:32:36,420

we're gonna do now this is a rule and

828

00:32:39,710 --> 00:32:38,280

you're lefty and you're getting a good

829

00:32:41,330 --> 00:32:39,720

amount of money at mansour whatever

830

00:32:42,710 --> 00:32:41,340

you're not gonna you're not gonna you're

831

00:32:45,100 --> 00:32:42,720

not gonna go against that you're not

832

00:32:48,110 --> 00:32:45,110

gonna go against your your weekly

833

00:32:50,930 --> 00:32:48,120

stipend of propaganda money you know I

834

00:32:52,070 --> 00:32:50,940

mean you're not gonna do it yeah so

835

00:32:54,500 --> 00:32:52,080

that's kind of the problem we're in now

836

00:32:56,510 --> 00:32:54,510

and I I'm really worried about this one

837

00:32:59,330 --> 00:32:56,520

of my big worry we need to do something

838

00:33:02,570 --> 00:32:59,340

about social media and Google because

839

00:33:04,490 --> 00:33:02,580

Google's I mean Google is doing if that

840

00:33:06,650 --> 00:33:04,500

man how much how much money do you think

841

00:33:08,600 --> 00:33:06,660

they're giving the Democrats by doing

842

00:33:11,060 --> 00:33:08,610

these search engine queries because I

843

00:33:13,610 --> 00:33:11,070

know I work in SEO like that's my job I

844

00:33:15,020 --> 00:33:13,620

do that ceiling and what design if

845

00:33:17,270 --> 00:33:15,030

somebody came to me I was like I want

846

00:33:18,860 --> 00:33:17,280

you to do this for Google to do that to

847

00:33:20,900 --> 00:33:18,870

where whenever you search for day sirs

848

00:33:21,910 --> 00:33:20,910

this comes up man that's like a million

849

00:33:24,410 --> 00:33:21,920

bucks easy

850

00:33:26,600 --> 00:33:24,420

easily you have to spend at least a

851

00:33:29,510 --> 00:33:26,610

million dollars to get no kind of and

852

00:33:30,860 --> 00:33:29,520

this is per search by the way that's the

853

00:33:32,450 --> 00:33:30,870

kind of money that they're going out

854

00:33:34,790 --> 00:33:32,460

that Democrats to help them with these

855

00:33:36,350 --> 00:33:34,800

like searches that don't come up or like

856

00:33:39,080 --> 00:33:36,360

Hillary Clinton emails it doesn't come

857

00:33:41,030 --> 00:33:39,090

up all that stuff is like it's almost an

858

00:33:43,070 --> 00:33:41,040

in-kind donation to the Democrats dude

859

00:33:44,510 --> 00:33:43,080

that's really what it is or snow do you

860

00:33:47,030 --> 00:33:44,520

want to that is Pattison opes

861

00:33:48,070 --> 00:33:47,040

decide what is and isn't like they've

862

00:33:50,590 --> 00:33:48,080

debunked ever

863

00:33:52,330 --> 00:33:50,600

think they're doing this man they're

864

00:33:55,060 --> 00:33:52,340

trying to get a monopoly on consensus

865

00:33:57,250 --> 00:33:55,070

that's the best way I can put it um they

866

00:33:58,570 --> 00:33:57,260

want people to they know ninety eighty

867

00:33:59,680 --> 00:33:58,580

percent of North genes or whatever

868

00:34:01,659 --> 00:33:59,690

people they don't really take much

869

00:34:03,880 --> 00:34:01,669

attention I'm just gonna read the front

870

00:34:06,820 --> 00:34:03,890

page the headline to like read it's a

871

00:34:10,060 --> 00:34:06,830

big deal because supposedly register

872

00:34:12,250 --> 00:34:10,070

front page in the Internet but communist

873

00:34:15,010 --> 00:34:12,260

lefties have figured out if they take

874

00:34:18,399 --> 00:34:15,020

over the politics board since everybody

875

00:34:19,930 --> 00:34:18,409

sees that as a neutral board they just

876

00:34:22,270 --> 00:34:19,940

take that over and they start putting

877

00:34:24,940 --> 00:34:22,280

all anti Trump stuff they can literally

878

00:34:26,740 --> 00:34:24,950

switch consensus in America just to

879

00:34:29,139 --> 00:34:26,750

hating I mean that's literally what

880

00:34:30,909 --> 00:34:29,149

they're trying to do a small group of

881

00:34:32,919 --> 00:34:30,919

people that weren't elected I just

882

00:34:35,470 --> 00:34:32,929

decided one day there may be mods for

883

00:34:38,020 --> 00:34:35,480

reddit and who I don't know they're

884

00:34:41,500 --> 00:34:38,030

going to Kate or not but I mean whatever

885

00:34:44,500 --> 00:34:41,510

these people are deciding everything Pro

886

00:34:47,349 --> 00:34:44,510

Trump is not for the politics board

887

00:34:48,730 --> 00:34:47,359

everything anti Trump is so when you go

888

00:34:51,159 --> 00:34:48,740

to the front page of the internet and

889

00:34:52,629 --> 00:34:51,169

click politics all you see is stuff

890

00:34:54,760 --> 00:34:52,639

that's bad about trunk when that's not

891

00:34:55,990 --> 00:34:54,770

the truth we all know that but my mom

892

00:34:58,000 --> 00:34:56,000

down the street doesn't know that or

893

00:34:59,950 --> 00:34:58,010

whatever you know my my dad who just

894

00:35:01,720 --> 00:34:59,960

goes she just sees this propaganda that

895

00:35:04,780 --> 00:35:01,730

says front page in the internet with all

896

00:35:06,760 --> 00:35:04,790

these bad stories about Trump that's

897

00:35:09,940 --> 00:35:06,770

called Astro trippin that's what they're

898

00:35:11,650 --> 00:35:09,950

doing and they did that they've done

899

00:35:14,980 --> 00:35:11,660

that really well they did it really well

900

00:35:17,710 --> 00:35:14,990

during the 2016 election they hired a

901
00:35:20,650 --> 00:35:17,720
company called CTR to ask the record to

902
00:35:24,550 --> 00:35:20,660
do that for them which just think about

903
00:35:27,700 --> 00:35:24,560
this man political group a political

904
00:35:31,450 --> 00:35:27,710
dynasty really in the Clinton hired a

905
00:35:32,890 --> 00:35:31,460
bunch of trolls to go online and defend

906
00:35:34,960 --> 00:35:32,900
them from people that were talking [h__h]

907
00:35:38,980 --> 00:35:34,970
about why would you need that

908
00:35:41,710 --> 00:35:38,990
unless you're a total piece of [h__h] you

909
00:35:45,280 --> 00:35:41,720
know looks like an army but army of

910
00:35:48,160 --> 00:35:45,290
people just defending you socially why

911
00:35:51,040 --> 00:35:48,170
if I thought yes if I talked to a tow

912
00:35:53,530 --> 00:35:51,050
truck driver in [h__h] Flint Michigan

913
00:35:55,810 --> 00:35:53,540

and he tells me that he has a scheme of

914

00:35:57,550 --> 00:35:55,820

being a company that anytime somebody

915

00:36:00,130 --> 00:35:57,560

writes a [h__\h] about him they go and they

916

00:36:01,450 --> 00:36:00,140

good [h__\h] about him I'd be like well

917

00:36:04,930 --> 00:36:01,460

what's the fuss it's truth man

918

00:36:06,339 --> 00:36:04,940

Machinery somebody I can trust really

919

00:36:07,930 --> 00:36:06,349

don't say and that's literally and there

920

00:36:10,540 --> 00:36:07,940

was they were they were coming out and

921

00:36:13,120 --> 00:36:10,550

saying the day hire discovered and it

922

00:36:14,920 --> 00:36:13,130

you know like it's correct the real what

923

00:36:17,680 --> 00:36:14,930

happens and what a name yeah I called

924

00:36:20,680 --> 00:36:17,690

correct correct the record yeah exactly

925

00:36:22,540 --> 00:36:20,690

if you so correct the record when they

926
00:36:24,730 --> 00:36:22,550
become now they change their name to

927
00:36:27,640 --> 00:36:24,740
share blue said lose that they're

928
00:36:29,050 --> 00:36:27,650
currently David Brock is the owner of

929
00:36:32,380 --> 00:36:29,060
this these two companies are this

930
00:36:35,530 --> 00:36:32,390
company but essentially who's a Clinton

931
00:36:36,730 --> 00:36:35,540
operated this David Blatt guy who's that

932
00:36:38,859 --> 00:36:36,740
David brought that he's also the

933
00:36:45,040 --> 00:36:38,869
boyfriend of James out of faxes by the

934
00:36:47,290 --> 00:36:45,050
way no yes but um so these to correct

935
00:36:49,750 --> 00:36:47,300
the record would go on face book read in

936
00:36:53,079 --> 00:36:49,760
all these other places and use their box

937
00:36:56,290 --> 00:36:53,089
to manipulate online dissent and

938
00:36:58,390 --> 00:36:56,300

manipulate online conversations so hey

939

00:37:00,160 --> 00:36:58,400

if you post something hey I'm a guy from

940

00:37:02,109 --> 00:37:00,170

market on you know I remember when the

941

00:37:04,000 --> 00:37:02,119

Clintons were doing this shitty would

942

00:37:04,720 --> 00:37:04,010

shape somebody will come out and be like

943

00:37:09,609 --> 00:37:04,730

you're lying

944

00:37:11,560 --> 00:37:09,619

like well the line the person who came

945

00:37:13,720 --> 00:37:11,570

out and say they were line is it being

946

00:37:16,359 --> 00:37:13,730

sincere this is a bot this is the person

947

00:37:18,400 --> 00:37:16,369

who's getting paid to talk nice things

948

00:37:20,589 --> 00:37:18,410

about the tensions and about the BNC and

949

00:37:23,170 --> 00:37:20,599

the benefits you still see it every day

950

00:37:24,490 --> 00:37:23,180

every time you see upsets rich stored go

951
00:37:26,380 --> 00:37:24,500
into the comments and you'll see people

952
00:37:29,079 --> 00:37:26,390
that it's just their argument is so

953
00:37:30,130 --> 00:37:29,089
ridiculous but there's no way anybody

954
00:37:32,170 --> 00:37:30,140
could really believe that unless they're

955
00:37:35,440 --> 00:37:32,180
being paid and I still see it would

956
00:37:36,849 --> 00:37:35,450
separate stuff I personally and I'd love

957
00:37:38,680 --> 00:37:36,859
to come out right now the record says

958
00:37:42,220 --> 00:37:38,690
I'm personally a hundred percent sure

959
00:37:46,750 --> 00:37:42,230
that the NSA had these a DNC had Himmler

960
00:37:48,910 --> 00:37:46,760
mmm-hmm that's it I really replay blank

961
00:37:51,540 --> 00:37:48,920
if I was a police officer right I'd love

962
00:37:54,640 --> 00:37:51,550
to investigate that but the DNC or

963
00:37:58,150 --> 00:37:54,650

operatives of the DNC either SEIU thugs

964

00:38:00,190 --> 00:37:58,160

or whatever where if went out fought

965

00:38:02,740 --> 00:38:00,200

beat him up because he had bruising on

966

00:38:05,890 --> 00:38:02,750

his face and on his knuckles they beat

967

00:38:08,859 --> 00:38:05,900

that and they shot her people say he was

968

00:38:11,109 --> 00:38:08,869

in robbed that's a lie he was a news bar

969

00:38:13,839 --> 00:38:11,119

that same night working on a laptop when

970

00:38:14,950 --> 00:38:13,849

he was found there was no laptop hmm

971

00:38:19,270 --> 00:38:14,960

I'm telling you right

972

00:38:20,920 --> 00:38:19,280

has a murder everybody who comes out and

973

00:38:24,609 --> 00:38:20,930

says it's a Russia and they switch their

974

00:38:27,790 --> 00:38:24,619

lies their lies their big [h__h] loud I

975

00:38:30,670 --> 00:38:27,800

would go in front of Congress and show

976
00:38:32,920 --> 00:38:30,680
them all the evidence and say if this is

977
00:38:34,630 --> 00:38:32,930
not at least reasonable doubt and this

978
00:38:37,089 --> 00:38:34,640
is not at least what they call

979
00:38:38,559 --> 00:38:37,099
circumstantial evidence then I don't

980
00:38:40,329 --> 00:38:38,569
know what the [h__\h] is like people are

981
00:38:43,120 --> 00:38:40,339
going to jail for way less it's just it

982
00:38:45,099 --> 00:38:43,130
it feels like Wasserman Schultz and her

983
00:38:47,130 --> 00:38:45,109
people had something to do with it it's

984
00:38:49,690 --> 00:38:47,140
Brazil and then like all of them

985
00:38:53,020 --> 00:38:49,700
something was up like something happened

986
00:38:55,720 --> 00:38:53,030
there and they hired Brad Bauman and

987
00:38:57,370 --> 00:38:55,730
like their rep to like talk to the rich

988
00:39:01,120 --> 00:38:57,380

family and that guy Brad Baumann has

989

00:39:03,790 --> 00:39:01,130

like leads to NGP bad who was like the

990

00:39:05,650 --> 00:39:03,800

company that supposedly helped Cloud

991

00:39:08,589 --> 00:39:05,660

Strife do the report like it's just a

992

00:39:11,530 --> 00:39:08,599

big web of craziness dude and long story

993

00:39:13,540 --> 00:39:11,540

short that's what happened he hacked

994

00:39:15,400 --> 00:39:13,550

their emails because he was to stalk

995

00:39:17,290 --> 00:39:15,410

about the Bernie [h__h] and they decided

996

00:39:18,880 --> 00:39:17,300

to take him out that's it that's what

997

00:39:21,400 --> 00:39:18,890

happened there's no there's no other

998

00:39:24,549 --> 00:39:21,410

story that should be front and center on

999

00:39:26,109 --> 00:39:24,559

every media like Palin except for that

1000

00:39:28,660 --> 00:39:26,119

and for some reason they don't want to

1001
00:39:30,579 --> 00:39:28,670
cover it even yeah the Bernie stuff was

1002
00:39:33,730 --> 00:39:30,589
pretty bad that was pretty bad and then

1003
00:39:35,589 --> 00:39:33,740
like like you I mean Hillary getting

1004
00:39:38,890 --> 00:39:35,599
like the ants you know Brazil giving her

1005
00:39:41,200 --> 00:39:38,900
the the questions before the and animal

1006
00:39:43,839 --> 00:39:41,210
what I can't believe if I don't know if

1007
00:39:46,150 --> 00:39:43,849
this would have happened to anyone else

1008
00:39:48,789 --> 00:39:46,160
it would have been game over but it was

1009
00:39:51,160 --> 00:39:48,799
just kind of like Oh oopsie no big deal

1010
00:39:53,620 --> 00:39:51,170
what and and so there's obviously some

1011
00:39:56,890 --> 00:39:53,630
kind of social control or some

1012
00:39:58,240 --> 00:39:56,900
perspective I love how you said earlier

1013
00:40:00,039 --> 00:39:58,250

that you look at everything from an

1014

00:40:01,569 --> 00:40:00,049

aliens perspective because yeah if you

1015

00:40:03,579 --> 00:40:01,579

saw that from the outside looking in you

1016

00:40:08,140 --> 00:40:03,589

would just say this is ridiculous this

1017

00:40:10,299 --> 00:40:08,150

is a circus what yeah yeah I don't know

1018

00:40:12,339 --> 00:40:10,309

it's just a good way of the power like

1019

00:40:13,630 --> 00:40:12,349

being objective about things I'm not not

1020

00:40:15,730 --> 00:40:13,640

playing your emotions in front of

1021

00:40:17,799 --> 00:40:15,740

everything else and thinking cuz I mean

1022

00:40:19,510 --> 00:40:17,809

I look I look - he's awesome he's a good

1023

00:40:21,160 --> 00:40:19,520

guy I don't agree with everything he

1024

00:40:23,260 --> 00:40:21,170

does or says I mean that's just sorry

1025

00:40:25,480 --> 00:40:23,270

like I'm not fat I'm not I'm not the

1026
00:40:27,540 --> 00:40:25,490
person that's gonna rah rah rah be your

1027
00:40:29,430 --> 00:40:27,550
cheerleader I'm gonna

1028
00:40:31,440 --> 00:40:29,440
always question because humans are not

1029
00:40:33,060 --> 00:40:31,450
perfect there's no person on in the

1030
00:40:34,560 --> 00:40:33,070
world who's president so I'm always

1031
00:40:36,240 --> 00:40:34,570
going to question motives with people it

1032
00:40:39,030 --> 00:40:36,250
doesn't matter who it is I mean you just

1033
00:40:41,370 --> 00:40:39,040
have to so when people are like oh yeah

1034
00:40:43,560 --> 00:40:41,380
I don't believe what Hilary did anything

1035
00:40:46,110 --> 00:40:43,570
wrong or this it's like just as just

1036
00:40:47,970 --> 00:40:46,120
objectively as a person do you really

1037
00:40:48,930 --> 00:40:47,980
believe that that person that she can't

1038
00:40:51,270 --> 00:40:48,940

do anything wrong

1039

00:40:53,070 --> 00:40:51,280

because that's crazy like you think just

1040

00:40:54,540 --> 00:40:53,080

to think that is crazy just to just to

1041

00:40:56,670 --> 00:40:54,550

believe that some of these that high

1042

00:40:57,900 --> 00:40:56,680

above you is crazy mm-hmm I don't care

1043

00:40:59,040 --> 00:40:57,910

who you are you know what I mean and

1044

00:41:02,160 --> 00:40:59,050

then four and then you have all these

1045

00:41:04,290 --> 00:41:02,170

people that just go by the leftist line

1046

00:41:06,180 --> 00:41:04,300

I have a feeling and this is maybe gonna

1047

00:41:09,180 --> 00:41:06,190

come out later but I was feeling that

1048

00:41:10,470 --> 00:41:09,190

they just want to be wrong that's really

1049

00:41:12,990 --> 00:41:10,480

all it is I think that a lot of these

1050

00:41:14,640 --> 00:41:13,000

kids are people that I deal whatever I'm

1051

00:41:17,760 --> 00:41:14,650

a little older than I'm 39

1052

00:41:20,460 --> 00:41:17,770

so people that like are maybe late 20s

1053

00:41:23,340 --> 00:41:20,470

early 30s right now and even the teams

1054

00:41:25,170 --> 00:41:23,350

maybe like around there they all grew up

1055

00:41:28,710 --> 00:41:25,180

with that whole life everybody gets an

1056

00:41:30,480 --> 00:41:28,720

award right situation so that kind of

1057

00:41:31,980 --> 00:41:30,490

times they did tonight I'm never wrong

1058

00:41:33,660 --> 00:41:31,990

right like you're never gonna lose

1059

00:41:35,310 --> 00:41:33,670

you're never wrong so whenever they

1060

00:41:36,750 --> 00:41:35,320

figured out they didn't came up

1061

00:41:38,400 --> 00:41:36,760

attention that's what happened they

1062

00:41:41,070 --> 00:41:38,410

didn't pay enough attention to Trump I

1063

00:41:42,450 --> 00:41:41,080

was yelling at at it from drafted I like

1064

00:41:43,530 --> 00:41:42,460

y'all are stupid if you don't pay

1065

00:41:46,860 --> 00:41:43,540

attention is that he's gonna be

1066

00:41:49,980 --> 00:41:46,870

everybody nobody pay attention they look

1067

00:41:52,620 --> 00:41:49,990

off and now it's like oh well we're not

1068

00:41:54,120 --> 00:41:52,630

wrong in your law does this any what

1069

00:41:56,370 --> 00:41:54,130

they're telling people we're not wrong

1070

00:41:58,050 --> 00:41:56,380

you're the racist we're not wrong we

1071

00:42:01,560 --> 00:41:58,060

were right about Henry you're the ones

1072

00:42:03,390 --> 00:42:01,570

in the wrong like popular vote like you

1073

00:42:04,800 --> 00:42:03,400

got him saying like it's just real agent

1074

00:42:06,930 --> 00:42:04,810

if trumpeter won the popular vote they

1075

00:42:09,810 --> 00:42:06,940

wouldn't even venture they would even

1076

00:42:12,270 --> 00:42:09,820

fire it up so the fact that like he just

1077

00:42:14,070 --> 00:42:12,280

had the right strategy and was smart

1078

00:42:17,520 --> 00:42:14,080

enough as a businessman to see that

1079

00:42:19,140 --> 00:42:17,530

there was like a gap in the the middle

1080

00:42:21,420 --> 00:42:19,150

of America like all of those people

1081

00:42:24,090 --> 00:42:21,430

voted for Trump because he saw that

1082

00:42:25,620 --> 00:42:24,100

these rich elites don't care man like I

1083

00:42:28,020 --> 00:42:25,630

said they're just talking out there one

1084

00:42:29,880 --> 00:42:28,030

at one one side and doing something else

1085

00:42:32,730 --> 00:42:29,890

and it's all about control and

1086

00:42:35,220 --> 00:42:32,740

patrolling what you do and who you do it

1087

00:42:37,200 --> 00:42:35,230

with and you know knowing your medical

1088

00:42:39,540 --> 00:42:37,210

history and finding you if you don't

1089

00:42:40,390 --> 00:42:39,550

like it do it today like it's [h__h]

1090

00:42:43,180 --> 00:42:40,400

it's clay

1091

00:42:44,589 --> 00:42:43,190

but it's super crazy I mean it's wait

1092

00:42:46,809 --> 00:42:44,599

man that's what they are like the legend

1093

00:42:48,489 --> 00:42:46,819

Oh laughing mm-hmm

1094

00:42:50,289 --> 00:42:48,499

I thought it was there's some

1095

00:42:52,150 --> 00:42:50,299

interesting perspectives on this that

1096

00:42:54,279 --> 00:42:52,160

kind of have to do with the whole like

1097

00:42:57,460 --> 00:42:54,289

UFO phenomena too because I've noticed

1098

00:42:59,259 --> 00:42:57,470

that a lot of the higher-ups and what I

1099

00:43:01,059 --> 00:42:59,269

mean by higher-ups this is I mean people

1100

00:43:03,970 --> 00:43:01,069

making big decisions you know that can

1101
00:43:07,299 --> 00:43:03,980
grant contracts and and things they seem

1102
00:43:10,239 --> 00:43:07,309
to be in the on the left and they also

1103
00:43:12,519 --> 00:43:10,249
kind of seem to have an agenda is going

1104
00:43:14,529 --> 00:43:12,529
that octopus thing is very so true

1105
00:43:16,059 --> 00:43:14,539
because they have many agendas going and

1106
00:43:17,380 --> 00:43:16,069
if you follow each tentacle you get to

1107
00:43:19,420 --> 00:43:17,390
like this agenda and you're just like

1108
00:43:21,700 --> 00:43:19,430
whoa what is this really about is like

1109
00:43:24,279 --> 00:43:21,710
what I'm almost finding myself asking

1110
00:43:26,019 --> 00:43:24,289
you know and like the latest thing seems

1111
00:43:28,180 --> 00:43:26,029
to really like they're they definitely

1112
00:43:30,759 --> 00:43:28,190
have a presence in the UFO field and

1113
00:43:33,730 --> 00:43:30,769

it's like it's got a definite agenda

1114

00:43:35,859 --> 00:43:33,740

aliens of demons and we need protection

1115

00:43:37,980 --> 00:43:35,869

from this and I'm sure it has to do with

1116

00:43:47,259 --> 00:43:37,990

some funding I don't know enough to know

1117

00:43:49,150 --> 00:43:47,269

but why I mean the info that we've been

1118

00:43:52,269 --> 00:43:49,160

given that I've been told and things I

1119

00:43:54,460 --> 00:43:52,279

mean it feels to me like there's

1120

00:43:56,019 --> 00:43:54,470

definitely I have a feeling and this is

1121

00:44:00,700 --> 00:43:56,029

just my own personal perspective about

1122

00:44:04,989 --> 00:44:00,710

ufos or extraterrestrial things or

1123

00:44:06,519 --> 00:44:04,999

whatever they're definitely not from

1124

00:44:08,109 --> 00:44:06,529

Earth like they're definitely but I

1125

00:44:10,029 --> 00:44:08,119

don't think they're man either I think

1126

00:44:12,009 --> 00:44:10,039

they're just like I think they're just

1127

00:44:13,960 --> 00:44:12,019

like drones like like let's say you do

1128

00:44:16,539 --> 00:44:13,970

you are a civilization and you want to

1129

00:44:18,400 --> 00:44:16,549

check out other planet you can just send

1130

00:44:20,589 --> 00:44:18,410

drones why would you send yourself or

1131

00:44:23,289 --> 00:44:20,599

like you're bad when you can just send

1132

00:44:25,690 --> 00:44:23,299

it on and the way they saved it out and

1133

00:44:27,849 --> 00:44:25,700

the way that they're like they're not

1134

00:44:29,380 --> 00:44:27,859

there's a certain shape that they all

1135

00:44:30,400 --> 00:44:29,390

taste even though people say there's

1136

00:44:33,339 --> 00:44:30,410

triangles on it

1137

00:44:34,930 --> 00:44:33,349

they're all aerodynamically flat then

1138

00:44:36,579 --> 00:44:34,940

you don't ever see one that's like that

1139

00:44:38,920 --> 00:44:36,589

a perfectly round sphere would like a

1140

00:44:40,390 --> 00:44:38,930

bunch of like yeah I don't know like

1141

00:44:41,650 --> 00:44:40,400

spikes coming out you know what I mean

1142

00:44:43,299 --> 00:44:41,660

like this there's always there's a

1143

00:44:45,729 --> 00:44:43,309

certain shape so that tells you that

1144

00:44:47,079 --> 00:44:45,739

they have the same physics meaning so

1145

00:44:48,789 --> 00:44:47,089

they're definitely the thing to mention

1146

00:44:51,519 --> 00:44:48,799

is us they're not like jumping

1147

00:44:53,950 --> 00:44:51,529

dimensions so I don't know I mean they

1148

00:44:55,900 --> 00:44:53,960

could be something as simple

1149

00:44:58,450 --> 00:44:55,910

you know where they're like traveling

1150

00:45:00,609 --> 00:44:58,460

through time but it's like I got one

1151

00:45:02,410 --> 00:45:00,619

whole kind of deal it could it's

1152

00:45:05,140 --> 00:45:02,420

definitely not like speed like there's

1153

00:45:06,790 --> 00:45:05,150

no speed involved this is gravity maybe

1154

00:45:09,099 --> 00:45:06,800

but there's no speed involved and I

1155

00:45:11,049 --> 00:45:09,109

think a lot of these pilots that I've

1156

00:45:13,150 --> 00:45:11,059

listened to recently they talk about it

1157

00:45:15,190 --> 00:45:13,160

I mean these are guys that know what

1158

00:45:16,660 --> 00:45:15,200

what is in the air and when they say

1159

00:45:20,109 --> 00:45:16,670

that they don't know what that was I

1160

00:45:23,170 --> 00:45:20,119

check to believe them a lot more so yeah

1161

00:45:25,599 --> 00:45:23,180

I mean they always say that it's not

1162

00:45:27,339 --> 00:45:25,609

from this earth or whatever there could

1163

00:45:29,470 --> 00:45:27,349

be this whole like breakaway

1164

00:45:32,290 --> 00:45:29,480

civilization that we haven't even talked

1165

00:45:34,720 --> 00:45:32,300

about that could be what it is I mean

1166

00:45:36,430 --> 00:45:34,730

that could be them phasing in and out

1167

00:45:38,109 --> 00:45:36,440

trying to like check on us or something

1168

00:45:39,819 --> 00:45:38,119

there could be a solution civilization

1169

00:45:42,220 --> 00:45:39,829

that took off in the forties from the

1170

00:45:43,930 --> 00:45:42,230

earth you know I mean and just came and

1171

00:45:45,640 --> 00:45:43,940

then just comes back now and then to

1172

00:45:47,710 --> 00:45:45,650

like check on us mm-hmm

1173

00:45:52,150 --> 00:45:47,720

I mean listen do you don't turn for cut

1174

00:45:59,349 --> 00:45:52,160

in you bet yeah okay he has a lecture

1175

00:46:03,940 --> 00:45:59,359

about the I want to say it's not another

1176

00:46:05,980 --> 00:46:03,950

dimension it's like the size the a grid

1177

00:46:08,890 --> 00:46:05,990

war or whatever like the whole edges of

1178

00:46:10,809 --> 00:46:08,900

like yeah like there was a he's

1179

00:46:12,430 --> 00:46:10,819

basically a story but he took shrooms

1180

00:46:14,289 --> 00:46:12,440

and he was one of those dudes it would

1181

00:46:16,180 --> 00:46:14,299

take shrooms and like ask the mushroom

1182

00:46:19,690 --> 00:46:16,190

questions or whatever right mm-hmm

1183

00:46:21,370 --> 00:46:19,700

so so he asked the question like why are

1184

00:46:23,260 --> 00:46:21,380

we like what's our purpose and he said

1185

00:46:28,270 --> 00:46:23,270

that the mushroom went into this long

1186

00:46:29,950 --> 00:46:28,280

story about how in like Jesus times or

1187

00:46:33,789 --> 00:46:29,960

whatever like around the two thousand

1188

00:46:35,589 --> 00:46:33,799

years ago that something in this space

1189

00:46:39,990 --> 00:46:35,599

that we don't even know like what it is

1190

00:46:42,490 --> 00:46:40,000

like it's a provide dimensional

1191

00:46:44,349 --> 00:46:42,500

something or other that hit us like a

1192

00:46:46,150 --> 00:46:44,359

gravitational wave hit on earth and

1193

00:46:48,420 --> 00:46:46,160

split it into two different dimensions

1194

00:46:50,559 --> 00:46:48,430

and so there's and then so at that time

1195

00:46:51,880 --> 00:46:50,569

there was one dimension that went

1196

00:46:53,910 --> 00:46:51,890

through the dark ages which is this

1197

00:46:56,020 --> 00:46:53,920

dimension but that the other dimension

1198

00:46:58,510 --> 00:46:56,030

did it hit the dark ages

1199

00:47:01,420 --> 00:46:58,520

so they started like using shamanistic

1200

00:47:04,539 --> 00:47:01,430

ways of like living being and like he

1201
00:47:07,060 --> 00:47:04,549
saw them he took the mushroom took him

1202
00:47:08,770 --> 00:47:07,070
to like the modern day other

1203
00:47:10,810 --> 00:47:08,780
and that place is like super like

1204
00:47:12,810 --> 00:47:10,820
Egyptian looking and there's like a

1205
00:47:15,220 --> 00:47:12,820
bunch of weird ships like in the air

1206
00:47:17,740 --> 00:47:15,230
because they've had like another like

1207
00:47:20,680 --> 00:47:17,750
five or six hundred years of advancement

1208
00:47:23,080 --> 00:47:20,690
over us and he talked about how like the

1209
00:47:25,060 --> 00:47:23,090
the Aztecs made their way to the

1210
00:47:27,280 --> 00:47:25,070
Egyptians and that they like instead of

1211
00:47:29,190 --> 00:47:27,290
fighting they put their stuff together

1212
00:47:33,790 --> 00:47:29,200
and I've made this weird like

1213
00:47:36,310 --> 00:47:33,800

technological / psychedelic like world

1214

00:47:38,560 --> 00:47:36,320

or something and he so he saw all that

1215

00:47:40,660 --> 00:47:38,570

and he said that whenever we see aliens

1216

00:47:42,760 --> 00:47:40,670

or stations it's those other people

1217

00:47:44,830 --> 00:47:42,770

checking up on us and trying to tell us

1218

00:47:46,330 --> 00:47:44,840

hey like we're over here we want to help

1219

00:47:51,760 --> 00:47:46,340

you because like we're in the match

1220

00:47:53,950 --> 00:47:51,770

we're in the back mm-hmm yeah I love I

1221

00:47:56,260 --> 00:47:53,960

love it who don't man you know what I

1222

00:47:58,390 --> 00:47:56,270

mean it could literally be that crazy oh

1223

00:47:59,920 --> 00:47:58,400

no it could it could be split like you

1224

00:48:02,440 --> 00:47:59,930

said in two different dimensions and the

1225

00:48:04,330 --> 00:48:02,450

other side it's just above us

1226

00:48:08,560 --> 00:48:04,340

I love the whole breakaway civilization

1227

00:48:10,420 --> 00:48:08,570

that's just so cool yeah and something

1228

00:48:11,830 --> 00:48:10,430

you mentioned about on miles something

1229

00:48:14,320 --> 00:48:11,840

you mentioned about the mines is like

1230

00:48:15,820 --> 00:48:14,330

crazy kind of I had to interrupt and ask

1231

00:48:17,590 --> 00:48:15,830

you this when I was looking through that

1232

00:48:19,390 --> 00:48:17,600

drone footage of Epstein's island there

1233

00:48:22,480 --> 00:48:19,400

was a bunch of things that kind of like

1234

00:48:25,240 --> 00:48:22,490

called out to me and one thing is he had

1235

00:48:27,280 --> 00:48:25,250

like this area that looked like a field

1236

00:48:30,610 --> 00:48:27,290

that he would walk into from one area

1237

00:48:36,340 --> 00:48:30,620

and it was literally just berms of dirt

1238

00:48:40,030 --> 00:48:36,350

around it it looked like a shooting

1239

00:48:42,430 --> 00:48:40,040

range but it just it looked URI didn't

1240

00:48:46,470 --> 00:48:42,440

it like reminded me a lot of these like

1241

00:48:54,490 --> 00:48:46,480

ancient cultish like strange physical

1242

00:48:57,300 --> 00:48:54,500

ceremonies sports yeah man I saw the

1243

00:48:59,740 --> 00:48:57,310

circle like what made those circles I

1244

00:49:02,170 --> 00:48:59,750

don't know that I don't know I saw that

1245

00:49:03,640 --> 00:49:02,180

too and I was like whoa like it looks

1246

00:49:04,960 --> 00:49:03,650

like a shooting range at first and I was

1247

00:49:07,960 --> 00:49:04,970

like oh okay he was shooting but then

1248

00:49:09,640 --> 00:49:07,970

there was no targets there was no pieces

1249

00:49:11,410 --> 00:49:09,650

of like you know metal where like you

1250

00:49:12,940 --> 00:49:11,420

would shoot there was no bullet hole but

1251

00:49:15,490 --> 00:49:12,950

there were so there's nothing like it

1252

00:49:16,120 --> 00:49:15,500

was just mounds of something it was very

1253

00:49:18,040 --> 00:49:16,130

strange

1254

00:49:18,340 --> 00:49:18,050

you're like if that was a wood I could

1255

00:49:20,650 --> 00:49:18,350

tell

1256

00:49:23,980 --> 00:49:20,660

part of it back that weird sundial was

1257

00:49:25,420 --> 00:49:23,990

also kind of strange mm-hmm cuz I mean

1258

00:49:27,520 --> 00:49:25,430

like why would you need that like what

1259

00:49:30,850 --> 00:49:27,530

is that a watch like what's the deal

1260

00:49:33,100 --> 00:49:30,860

back just weird stuff

1261

00:49:35,320 --> 00:49:33,110

yeah it looks the FCI live thing and I

1262

00:49:37,150 --> 00:49:35,330

hope is going to offer a lot more things

1263

00:49:39,160 --> 00:49:37,160

like in the next maybe six eight months

1264

00:49:40,540 --> 00:49:39,170

or something because so when I

1265

00:49:42,670 --> 00:49:40,550

understand these warrants are like

1266

00:49:43,960 --> 00:49:42,680

all-inclusive like everything they're

1267

00:49:46,960 --> 00:49:43,970

going to go through everything and

1268

00:49:49,510 --> 00:49:46,970

they're gonna go to his mansion his

1269

00:49:51,790 --> 00:49:49,520

house in New Mexico who acts like

1270

00:49:54,160 --> 00:49:51,800

everywhere so hopefully we'll get to the

1271

00:49:56,050 --> 00:49:54,170

bottom of what exactly it is like what

1272

00:49:58,660 --> 00:49:56,060

was his whole deal like who was paying

1273

00:50:01,960 --> 00:49:58,670

him who was giving him power what's the

1274

00:50:04,660 --> 00:50:01,970

deal you know so I hope we can see what

1275

00:50:06,550 --> 00:50:04,670

what happened there but people that live

1276

00:50:07,840 --> 00:50:06,560

I was reading some accounts about people

1277

00:50:10,720 --> 00:50:07,850

that actually lived on the I heard on

1278

00:50:12,160 --> 00:50:10,730

the were in the Virgin Islands like on

1279

00:50:13,720 --> 00:50:12,170

the actual Big Island or whatever and

1280

00:50:15,550 --> 00:50:13,730

they talked about how everybody there

1281

00:50:18,490 --> 00:50:15,560

knew it was like a sec sighs mm-hmm

1282

00:50:20,110 --> 00:50:18,500

that's all it was people there locally

1283

00:50:23,260 --> 00:50:20,120

will talk about it as like oh that's the

1284

00:50:25,740 --> 00:50:23,270

speck time so I mean people do man

1285

00:50:27,070 --> 00:50:25,750

people knew what was going on for sure

1286

00:50:28,900 --> 00:50:27,080

yeah

1287

00:50:31,000 --> 00:50:28,910

and there was definitely some secrets

1288

00:50:34,090 --> 00:50:31,010

going on there like that that I think

1289

00:50:35,920 --> 00:50:34,100

you caught a spot where I was blown away

1290

00:50:38,050 --> 00:50:35,930

it looks like um I don't even know what

1291

00:50:42,340 --> 00:50:38,060

to call it you like it like it carved

1292

00:50:44,740 --> 00:50:42,350

out square into the earth and looks like

1293

00:50:47,170 --> 00:50:44,750

rocks lining on the way up to it I mean

1294

00:50:49,210 --> 00:50:47,180

it looks like it's either a dumpster an

1295

00:50:52,690 --> 00:50:49,220

entrance to a base or something even

1296

00:50:55,150 --> 00:50:52,700

worse and I hate to call it those three

1297

00:50:56,740 --> 00:50:55,160

things but it it just doesn't look right

1298

00:51:00,670 --> 00:50:56,750

like there's a lot of things there that

1299

00:51:02,260 --> 00:51:00,680

just don't look right the house itself

1300

00:51:03,310 --> 00:51:02,270

is we don't know if you saw when

1301
00:51:04,810 --> 00:51:03,320
everything went over the house it

1302
00:51:06,190 --> 00:51:04,820
there's this weird statue right there by

1303
00:51:11,170 --> 00:51:06,200
the pool I don't know if you saw that

1304
00:51:13,660 --> 00:51:11,180
hmm the somebody had sent me a picture

1305
00:51:15,570 --> 00:51:13,670
now I never went back to see those real

1306
00:51:19,470 --> 00:51:15,580
or not but they had shown like that a

1307
00:51:22,000 --> 00:51:19,480
Masonic check the board kind of tile

1308
00:51:24,340 --> 00:51:22,010
reminded by the ocean side like by the

1309
00:51:26,740 --> 00:51:24,350
by where the boats command and stuff and

1310
00:51:28,240 --> 00:51:26,750
I was like whoa like that that was weird

1311
00:51:30,340 --> 00:51:28,250
I just didn't go it looked like a

1312
00:51:31,549 --> 00:51:30,350
release to play chess with humans I

1313
00:51:33,439 --> 00:51:31,559

remember seeing that too

1314

00:51:34,609 --> 00:51:33,449

like a place to play chess with humans

1315

00:51:37,099 --> 00:51:34,619

it was big

1316

00:51:38,359 --> 00:51:37,109

yeah I know it's been gone I can't find

1317

00:51:39,979 --> 00:51:38,369

it anywhere I can't either

1318

00:51:41,870 --> 00:51:39,989

I was looking for it just earlier this

1319

00:51:42,289 --> 00:51:41,880

morning and I'm like holy [\h__\h] that's

1320

00:51:48,589 --> 00:51:42,299

weird

1321

00:51:50,059 --> 00:51:48,599

very strange in that yeah but it looks

1322

00:51:53,299 --> 00:51:50,069

like someone tipped them off for sure

1323

00:51:55,489 --> 00:51:53,309

because if you look at the island like

1324

00:51:56,989 --> 00:51:55,499

recently like you know today as opposed

1325

00:51:58,759 --> 00:51:56,999

to how it was named a couple years ago I

1326
00:52:01,160 --> 00:51:58,769
mean he took down the dome all those

1327
00:52:03,910 --> 00:52:01,170
Eagles that Phoenician weird little

1328
00:52:06,829 --> 00:52:03,920
thing that Poseidon the statues are gone

1329
00:52:09,380 --> 00:52:06,839
the fire pits gone like a bunch of ships

1330
00:52:12,079 --> 00:52:09,390
gone and a bunch of stuff it almost had

1331
00:52:14,209 --> 00:52:12,089
a things like who who gave him the was

1332
00:52:16,249 --> 00:52:14,219
it a Costa because I mean you gotta you

1333
00:52:18,319 --> 00:52:16,259
gotta realize these guys once the once

1334
00:52:20,209 --> 00:52:18,329
the commanders put out there it takes

1335
00:52:22,489 --> 00:52:20,219
days of not weeks for the best to get it

1336
00:52:24,380 --> 00:52:22,499
all done and I know for a fact he was

1337
00:52:26,239 --> 00:52:24,390
talking with authorities and told them

1338
00:52:28,370 --> 00:52:26,249

he would meet them in his plane or

1339

00:52:30,049 --> 00:52:28,380

whatever like oh I'll meet you at like

1340

00:52:31,099 --> 00:52:30,059

you can arrest me at the airport here

1341

00:52:32,539 --> 00:52:31,109

I'll meet you there

1342

00:52:34,880 --> 00:52:32,549

so I mean he was already hunted him so

1343

00:52:36,650 --> 00:52:34,890

how long before he got arrested did you

1344

00:52:39,469 --> 00:52:36,660

know because that's the case he got

1345

00:52:42,380 --> 00:52:39,479

shipped off and did you hear about the

1346

00:52:45,799 --> 00:52:42,390

hundred ninety pound uh pile remover no

1347

00:52:48,769 --> 00:52:45,809

for tile cleaner there you go he he just

1348

00:52:51,169 --> 00:52:48,779

recently ordered somebody was going to

1349

00:52:52,819 --> 00:52:51,179

like his Amazon or some [h__h] I think was

1350

00:52:55,039 --> 00:52:52,829

the divers honor maybe his or like some

1351
00:52:56,630 --> 00:52:55,049
orders to the island because like that

1352
00:53:02,299 --> 00:52:56,640
you have to like get a special ordered

1353
00:53:06,319 --> 00:53:02,309
guys and somebody has seen but it says

1354
00:53:07,880 --> 00:53:06,329
tile and carpet extractor 190-pound and

1355
00:53:09,650 --> 00:53:07,890
so when they did a reverse search they

1356
00:53:11,749 --> 00:53:09,660
found like the one that it is and it's

1357
00:53:14,390 --> 00:53:11,759
like one of those heavy duty like

1358
00:53:17,419 --> 00:53:14,400
cleaners like like in Youngblood it'll

1359
00:53:18,140 --> 00:53:17,429
take that [h__\h] out it's gone yeah yeah

1360
00:53:19,939 --> 00:53:18,150
yeah

1361
00:53:21,229 --> 00:53:19,949
so I mean that you got it's got to make

1362
00:53:23,839 --> 00:53:21,239
you wonder dude like if they did a

1363
00:53:25,939 --> 00:53:23,849

[h__h] luminol spray all over that

1364

00:53:27,709 --> 00:53:25,949

guy's [h__h] house can you imagine all

1365

00:53:30,049 --> 00:53:27,719

the blood and [h__h] on the walls because

1366

00:53:31,880 --> 00:53:30,059

dental surgery is pretty [h__h] messy

1367

00:53:35,539 --> 00:53:31,890

but that's what he was doing you know

1368

00:53:38,029 --> 00:53:35,549

that is so wacky like when I saw that I

1369

00:53:40,999 --> 00:53:38,039

can't believe people yeah I don't I I

1370

00:53:43,729 --> 00:53:41,009

parent that blew my mind that there was

1371

00:53:45,059 --> 00:53:43,739

a dental chatter on the island you want

1372

00:53:46,919 --> 00:53:45,069

to hear something else it's pretty great

1373

00:53:48,870 --> 00:53:46,929

I don't know I don't even know this is

1374

00:53:52,439 --> 00:53:48,880

this is big broadcast very you know

1375

00:53:53,880 --> 00:53:52,449

publicly or whatever but supposedly when

1376

00:53:54,239 --> 00:53:53,890

you walk into his house there's like

1377

00:53:58,099 --> 00:53:54,249

this

1378

00:54:00,989 --> 00:53:58,109

a waffle look like eyeball associate and

1379

00:54:03,539 --> 00:54:00,999

what's weird about that is that if you

1380

00:54:05,999 --> 00:54:03,549

go back to old pictures of Jimmy Savile

1381

00:54:08,309 --> 00:54:06,009

he actually used to wear rings on his

1382

00:54:15,509 --> 00:54:08,319

fingers with people's eyeballs on them

1383

00:54:18,959 --> 00:54:15,519

oh my gosh yeah so like Jimmy Savile is

1384

00:54:20,579 --> 00:54:18,969

like [h__h] the most messed up editor

1385

00:54:22,169 --> 00:54:20,589

ever like she [h__h] their bodies and

1386

00:54:22,559 --> 00:54:22,179

their kids body and he got away with

1387

00:54:25,829 --> 00:54:22,569

everything

1388

00:54:28,589 --> 00:54:25,839

yeah yeah he got away with all of that

1389

00:54:30,390 --> 00:54:28,599

[h__h] yeah of course of course as a

1390

00:54:33,329 --> 00:54:30,400

matter of fact the editor in chief of

1391

00:54:37,130 --> 00:54:33,339

the of the BBC has now become the editor

1392

00:54:39,749 --> 00:54:37,140

of the New York Times it's the same dude

1393

00:54:42,569 --> 00:54:39,759

like he just was that he was he was

1394

00:54:43,949 --> 00:54:42,579

covering up at the BBC for saddle and

1395

00:54:45,150 --> 00:54:43,959

then when the saddle fit dropped he

1396

00:54:47,099 --> 00:54:45,160

bought in trouble or like you know

1397

00:54:49,109 --> 00:54:47,109

people were talking [h__h] and so he left

1398

00:54:50,640 --> 00:54:49,119

BBC and what's been the New York Times

1399

00:54:53,459 --> 00:54:50,650

and that he just became the New York

1400

00:54:56,370 --> 00:54:53,469

Times editor so I've been weird bad you

1401

00:54:58,799 --> 00:54:56,380

know i this is really like you know I

1402

00:55:00,959 --> 00:54:58,809

think you have such a knack at this cuz

1403

00:55:05,459 --> 00:55:00,969

this really is kind of like a larger

1404

00:55:06,689 --> 00:55:05,469

version of Laredo where everybody knows

1405

00:55:09,299 --> 00:55:06,699

everybody they're scratching each

1406

00:55:10,919 --> 00:55:09,309

other's backs and it's not a big sham to

1407

00:55:14,159 --> 00:55:10,929

you because you're just like oh I know

1408

00:55:15,959 --> 00:55:14,169

what this is this is yes I grew up

1409

00:55:18,599 --> 00:55:15,969

around him and my grandfather was a

1410

00:55:20,939 --> 00:55:18,609

Korean War vet like an X paratrooper

1411

00:55:22,259 --> 00:55:20,949

like [h__h] hardcore dude and he used

1412

00:55:25,489 --> 00:55:22,269

to tell me all the time right

1413

00:55:28,499 --> 00:55:25,499

don't ever trust a politician and

1414

00:55:29,819 --> 00:55:28,509

especially not a politician who tells

1415

00:55:31,679 --> 00:55:29,829

you that they're gonna help you like

1416

00:55:32,849 --> 00:55:31,689

just in general don't trust them but if

1417

00:55:35,069 --> 00:55:32,859

they actually tell them if they have a

1418

00:55:37,380 --> 00:55:35,079

solution for something that's so that's

1419

00:55:38,609 --> 00:55:37,390

a red flag run the other way so that

1420

00:55:41,069 --> 00:55:38,619

kind of that's kind of how I see

1421

00:55:43,169 --> 00:55:41,079

everything cuz I don't I just I don't

1422

00:55:44,699 --> 00:55:43,179

believe I haven't been bullshitting

1423

00:55:47,429 --> 00:55:44,709

either essentially

1424

00:55:49,199 --> 00:55:47,439

and when I when I see an article like

1425

00:55:52,679 --> 00:55:49,209

when I see the headline the first thing

1426

00:55:52,979 --> 00:55:52,689

I do is click the author because here's

1427

00:55:54,659 --> 00:55:52,989

the thing

1428

00:55:57,149 --> 00:55:54,669

I don't know I don't know why people

1429

00:55:57,900 --> 00:55:57,159

don't do this one it's you right like if

1430

00:55:59,730 --> 00:55:57,910

you're at a bar

1431

00:56:03,030 --> 00:55:59,740

something and some guys stood up and was

1432

00:56:05,730 --> 00:56:03,040

like hey everybody guess what turns an

1433

00:56:08,160 --> 00:56:05,740

[h__h] okay right and the venoms

1434

00:56:11,400 --> 00:56:08,170

yelling it has pink hair and [h__h]

1435

00:56:13,260 --> 00:56:11,410

bangle earrings and and whatever right

1436

00:56:15,060 --> 00:56:13,270

he's dressed all crazy you wouldn't

1437

00:56:18,060 --> 00:56:15,070

trust that guy like that guy's a bias

1438

00:56:21,990 --> 00:56:18,070

dude like he sees life through a lens of

1439

00:56:24,480 --> 00:56:22,000

I'm a victim and craziness and leftist

1440

00:56:26,580 --> 00:56:24,490

ideology what is the thing we're doing

1441

00:56:28,710 --> 00:56:26,590

that with the news those people that are

1442

00:56:30,120 --> 00:56:28,720

like yelling are the same people those

1443

00:56:31,830 --> 00:56:30,130

are the journalists that you're reading

1444

00:56:33,360 --> 00:56:31,840

and if you look at them on their Twitter

1445

00:56:35,280 --> 00:56:33,370

that's [h__\h] doing the same [h__\h]

1446

00:56:37,320 --> 00:56:35,290

they're going on top of the cable

1447

00:56:38,640 --> 00:56:37,330

yelling Johnson [h__\h] house and you're

1448

00:56:40,860 --> 00:56:38,650

listening to them for their like

1449

00:56:42,150 --> 00:56:40,870

unbiased opinion that's [h__\h] don't

1450

00:56:44,280 --> 00:56:42,160

do that that's stupid

1451
00:56:46,680 --> 00:56:44,290
like don't do that go ahead go see who

1452
00:56:48,180 --> 00:56:46,690
the journalist journalist is read up on

1453
00:56:50,040 --> 00:56:48,190
them look at their Twitter feed it's

1454
00:56:51,930 --> 00:56:50,050
really simple if you see that they're

1455
00:56:53,190 --> 00:56:51,940
posting anti-trump stuff and then

1456
00:56:55,350 --> 00:56:53,200
they're going and writing an article on

1457
00:56:56,850 --> 00:56:55,360
like New York or whatever and it's super

1458
00:56:59,220 --> 00:56:56,860
anti-trump it kind of makes sense

1459
00:57:00,690 --> 00:56:59,230
they're just act like they just don't

1460
00:57:02,910 --> 00:57:00,700
like Trump for whatever reason there are

1461
00:57:04,110 --> 00:57:02,920
their editor you know doesn't like him

1462
00:57:06,150 --> 00:57:04,120
so they have to go along with it

1463
00:57:08,130 --> 00:57:06,160

whatever it is but a lot of these people

1464

00:57:10,020 --> 00:57:08,140

are pushing opinion pieces that's fact

1465

00:57:13,200 --> 00:57:10,030

and that's another thing that a lot of

1466

00:57:15,090 --> 00:57:13,210

people don't realize is that 90% dude my

1467

00:57:16,920 --> 00:57:15,100

number one like enemy right now is

1468

00:57:21,570 --> 00:57:16,930

Jennifer Rubin the one at the Washington

1469

00:57:23,940 --> 00:57:21,580

Post you know what she is yes dude holy

1470

00:57:28,380 --> 00:57:23,950

crap how does that lady call herself a

1471

00:57:30,390 --> 00:57:28,390

journalist that like oh dude I just I'm

1472

00:57:32,100 --> 00:57:30,400

not gonna talk a you know crap about her

1473

00:57:34,370 --> 00:57:32,110

and she's probably you know getting a

1474

00:57:36,720 --> 00:57:34,380

paycheck but whenever I go on her on her

1475

00:57:38,910 --> 00:57:36,730

articles which I always highlighted on

1476

00:57:40,410 --> 00:57:38,920

record I click it and I'm like dude like

1477

00:57:43,170 --> 00:57:40,420

this is an opinion piece but it's like

1478

00:57:44,940 --> 00:57:43,180

an Trump it's the biggest liar because

1479

00:57:46,680 --> 00:57:44,950

he and it's like no no no wait a second

1480

00:57:48,570 --> 00:57:46,690

you really think you know more than the

1481

00:57:50,280 --> 00:57:48,580

guy who gets [h__h] briefings from

1482

00:57:52,350 --> 00:57:50,290

national security every single day come

1483

00:57:54,360 --> 00:57:52,360

on now bye what are you doing like

1484

00:57:56,340 --> 00:57:54,370

gliding Wyden can call him a liar about

1485

00:57:58,590 --> 00:57:56,350

these when he keeps on getting up right

1486

00:58:01,680 --> 00:57:58,600

you know like about sweet and it was

1487

00:58:03,720 --> 00:58:01,690

right about the racist which I should be

1488

00:58:05,400 --> 00:58:03,730

honest I knew this I would talk to these

1489

00:58:07,710 --> 00:58:05,410

ladies that's another thing man like

1490

00:58:10,650 --> 00:58:07,720

this whole immigration for the

1491

00:58:11,140 --> 00:58:10,660

immigration issue that like was near and

1492

00:58:13,540 --> 00:58:11,150

dear to my

1493

00:58:15,040 --> 00:58:13,550

even before Trump because of where I

1494

00:58:16,780 --> 00:58:15,050

grew up I mean it's right on the border

1495

00:58:18,490 --> 00:58:16,790

literally like I would I would go

1496

00:58:20,500 --> 00:58:18,500

fishing up in the Rio Grande and look at

1497

00:58:22,900 --> 00:58:20,510

Mexico on the other side like and watch

1498

00:58:26,980 --> 00:58:22,910

people cross and shame I live in

1499

00:58:28,150 --> 00:58:26,990

real-time so when I would see or when I

1500

00:58:29,590 --> 00:58:28,160

heard Trump talking about this I was

1501

00:58:31,660 --> 00:58:29,600

like holy [h__h] like he knows that that's

1502

00:58:33,340 --> 00:58:31,670

an actual issue it never been talked

1503

00:58:36,340 --> 00:58:33,350

about before it was just it was just

1504

00:58:38,530 --> 00:58:36,350

accepted that whenever you would look at

1505

00:58:40,060 --> 00:58:38,540

Mexico you would understand that there

1506

00:58:42,400 --> 00:58:40,070

were going to be coming here legally and

1507

00:58:44,950 --> 00:58:42,410

Obama did the whole patch release thing

1508

00:58:46,450 --> 00:58:44,960

and it was really bad and I remember

1509

00:58:49,270 --> 00:58:46,460

like I have a lot of friends dude who

1510

00:58:51,760 --> 00:58:49,280

actually were murdered by cartel members

1511

00:58:53,200 --> 00:58:51,770

and [h__h] I'm not saying that there was

1512

00:58:55,390 --> 00:58:53,210

the people they were probably involved

1513

00:58:56,440 --> 00:58:55,400

as you know back stuff or whatever but a

1514

00:58:58,510 --> 00:58:56,450

lot of there was a lot of collateral

1515

00:59:00,760 --> 00:58:58,520

damage back then and you know during

1516

00:59:02,620 --> 00:59:00,770

Obama's time because of don't patch

1517

00:59:04,000 --> 00:59:02,630

every [h__\h] I mean everybody knew they

1518

00:59:07,830 --> 00:59:04,010

could just walk right across and they'll

1519

00:59:09,790 --> 00:59:07,840

be which other mentioning my uncle is a

1520

00:59:12,310 --> 00:59:09,800

supervisor of one of the border patrol

1521

00:59:14,950 --> 00:59:12,320

stations in Laredo actually and he tells

1522

00:59:17,680 --> 00:59:14,960

me about least told me about there's

1523

00:59:19,540 --> 00:59:17,690

people that other like you know train

1524

00:59:21,700 --> 00:59:19,550

carriages and train carts that the

1525

00:59:23,980 --> 00:59:21,710

cartels put them in and that they're so

1526
00:59:26,380 --> 00:59:23,990
packed in together that they get chased

1527
00:59:28,930 --> 00:59:26,390
on their stomachs and stuff from like

1528
00:59:31,570 --> 00:59:28,940
the train ride like that's how bad it is

1529
00:59:33,730 --> 00:59:31,580
we get chased from and it's not American

1530
00:59:35,620 --> 00:59:33,740
doing it it's it's the cartel people

1531
00:59:37,810 --> 00:59:35,630
that push that are sending them you know

1532
00:59:40,720 --> 00:59:37,820
over to the over to the United States

1533
00:59:42,850 --> 00:59:40,730
with all their drugs it's really bad and

1534
00:59:45,010 --> 00:59:42,860
so when I heard Trump talking about this

1535
00:59:47,830 --> 00:59:45,020
I said wow this guy actually has a good

1536
00:59:49,780 --> 00:59:47,840
perspective on what's going on and then

1537
00:59:51,670 --> 00:59:49,790
when I talked I would talk to women in

1538
00:59:53,440 --> 00:59:51,680

the Raider who would talk to me about

1539

00:59:55,240 --> 00:59:53,450

the stand they were gonna pull dude like

1540

00:59:56,710 --> 00:59:55,250

I'll be like so how do you do it and

1541

00:59:59,620 --> 00:59:56,720

they tell me what in Spanish I would see

1542

01:00:01,600 --> 00:59:59,630

but they'd be like well as soon as I had

1543

01:00:03,790 --> 01:00:01,610

a baby I come to and I go to the

1544

01:00:05,350 --> 01:00:03,800

hospital since I don't have a social

1545

01:00:07,660 --> 01:00:05,360

they can't send me anything in the mail

1546

01:00:09,040 --> 01:00:07,670

as far as a bill and she's like them

1547

01:00:11,500 --> 01:00:09,050

because they'll say then with ink when I

1548

01:00:12,730 --> 01:00:11,510

come home I have paperwork I ready from

1549

01:00:15,190 --> 01:00:12,740

the hospital telling you how to get

1550

01:00:17,140 --> 01:00:15,200

insurance how to get free medical how to

1551

01:00:19,420 --> 01:00:17,150

get free benefits and since I have a

1552

01:00:21,400 --> 01:00:19,430

baby here already they'll like allow it

1553

01:00:23,550 --> 01:00:21,410

to happen they're not gonna lean back so

1554

01:00:25,470 --> 01:00:23,560

they already know that this is like a

1555

01:00:27,390 --> 01:00:25,480

an actual like scam that they can pool

1556

01:00:30,300 --> 01:00:27,400

they're not these people that are coming

1557

01:00:31,050 --> 01:00:30,310

over maybe 2 percent I'm not even

1558

01:00:34,560 --> 01:00:31,060

kidding

1559

01:00:37,260 --> 01:00:34,570

maybe 2 percent are really in dire

1560

01:00:38,580 --> 01:00:37,270

straits and need to come over to America

1561

01:00:40,950 --> 01:00:38,590

the rest of them are bullshitting

1562

01:00:43,320 --> 01:00:40,960

they're lying they're telling these

1563

01:00:45,930 --> 01:00:43,330

they're there my wife used to be a

1564

01:00:48,180 --> 01:00:45,940

teacher for a bilingual teacher and she

1565

01:00:49,650 --> 01:00:48,190

should tell me during the Obama time she

1566

01:00:50,940 --> 01:00:49,660

was she was asking issues like why is

1567

01:00:52,500 --> 01:00:50,950

everybody making a big deal about kids

1568

01:00:54,330 --> 01:00:52,510

being afraid during the Obama

1569

01:00:56,280 --> 01:00:54,340

administration time there be reported

1570

01:00:58,320 --> 01:00:56,290

and double the rate and they were always

1571

01:01:00,810 --> 01:00:58,330

afraid and nobody gave a big you know

1572

01:01:01,560 --> 01:01:00,820

nobody made a stink about it like holy

1573

01:01:04,080 --> 01:01:01,570

[h__h] you're right

1574

01:01:05,400 --> 01:01:04,090

like I remember that she would come home

1575

01:01:06,630 --> 01:01:05,410

and tell me how they were scared as

1576

01:01:08,790 --> 01:01:06,640

they're gonna get raided or whatever

1577

01:01:11,310 --> 01:01:08,800

little kids she teach but none of these

1578

01:01:12,780 --> 01:01:11,320

things are all right back then there

1579

01:01:15,000 --> 01:01:12,790

could there was actual stories now

1580

01:01:17,520 --> 01:01:15,010

there's not really a story of glad days

1581

01:01:18,680 --> 01:01:17,530

I mean it's just they're just they're

1582

01:01:21,300 --> 01:01:18,690

almost like it's almost like they're

1583

01:01:24,480 --> 01:01:21,310

sensationalizing everything that Trump

1584

01:01:25,950 --> 01:01:24,490

is doing and trying to like put aside

1585

01:01:28,350 --> 01:01:25,960

everything that the Democrats are doing

1586

01:01:31,620 --> 01:01:28,360

and it's very scary like like that's

1587

01:01:33,390 --> 01:01:31,630

that's how civil war start that's how

1588

01:01:34,980 --> 01:01:33,400

that's how that's the reason we got out

1589

01:01:36,510 --> 01:01:34,990

of the British Empire was because they

1590

01:01:39,330 --> 01:01:36,520

wanted out they weren't representing us

1591

01:01:41,460 --> 01:01:39,340

I don't okay without you know that yeah

1592

01:01:44,130 --> 01:01:41,470

without prerequisites very polarized

1593

01:01:46,620 --> 01:01:44,140

it's very polarized it's and like you

1594

01:01:49,500 --> 01:01:46,630

said like this whole the the the picture

1595

01:01:52,350 --> 01:01:49,510

of you know the parent and the child in

1596

01:01:54,300 --> 01:01:52,360

the river and when I saw that and then I

1597

01:01:57,120 --> 01:01:54,310

saw how the how it was being flipped

1598

01:01:59,640 --> 01:01:57,130

into how this is Trump's football wait

1599

01:02:02,520 --> 01:01:59,650

first of all syndicated yeah right now

1600

01:02:04,920 --> 01:02:02,530

during during summer which is like for

1601

01:02:08,040 --> 01:02:04,930

over there down the border

1602

01:02:10,980 --> 01:02:08,050

it's like April through October right

1603

01:02:13,260 --> 01:02:10,990

mm-hmm the whole river I'm talking the

1604

01:02:18,090 --> 01:02:13,270

whole length of the river from Laredo to

1605

01:02:19,620 --> 01:02:18,100

[h__h] wherever is walkable so I don't

1606

01:02:21,540 --> 01:02:19,630

know how they died but they didn't die

1607

01:02:24,210 --> 01:02:21,550

they didn't drown there was they were

1608

01:02:26,610 --> 01:02:24,220

put there somehow because I I guarantee

1609

01:02:29,310 --> 01:02:26,620

you and I will guarantee I will go to my

1610

01:02:32,010 --> 01:02:29,320

grave on this whenever I was a kid in

1611

01:02:34,710 --> 01:02:32,020

Laredo we knew that from April and May

1612

01:02:36,040 --> 01:02:34,720

all the way to October if we wanted to

1613

01:02:38,560 --> 01:02:36,050

we could go fishing

1614

01:02:39,850 --> 01:02:38,570

and we can cross walking to Mexico we

1615

01:02:42,700 --> 01:02:39,860

didn't have to get a boat or anything

1616

01:02:44,530 --> 01:02:42,710

you just walk and that's everywhere so I

1617

01:02:46,390 --> 01:02:44,540

don't know how or what they did with

1618

01:02:47,770 --> 01:02:46,400

that picture but I can promise you that

1619

01:02:49,300 --> 01:02:47,780

they didn't those kids and that that

1620

01:02:51,040 --> 01:02:49,310

little boy and that old man or whatever

1621

01:02:53,320 --> 01:02:51,050

they didn't just drown unless they

1622

01:02:56,230 --> 01:02:53,330

unless they could drown in like knee

1623

01:02:58,090 --> 01:02:56,240

knee high water which I doubt or they

1624

01:02:59,680 --> 01:02:58,100

were murdered or something but I promise

1625

01:03:01,420 --> 01:02:59,690

you dude they were not they didn't drown

1626

01:03:04,240 --> 01:03:01,430

a knee-high water that doesn't it didn't

1627

01:03:06,280 --> 01:03:04,250

happen so I feel like that's a dated

1628

01:03:08,800 --> 01:03:06,290

photo to be honest it just sucks man

1629

01:03:10,570 --> 01:03:08,810

because like all these images and stuff

1630

01:03:13,030 --> 01:03:10,580

like it's getting to the point where I

1631

01:03:15,670 --> 01:03:13,040

literally think to myself my the first

1632

01:03:17,800 --> 01:03:15,680

thing I think to myself is is this fake

1633

01:03:20,590 --> 01:03:17,810

is this like a state is this like a

1634

01:03:23,230 --> 01:03:20,600

crisis actor or I mean they've been

1635

01:03:26,080 --> 01:03:23,240

caught at their own game so many times

1636

01:03:29,710 --> 01:03:26,090

yeah I wouldn't I wouldn't put a lot of

1637

01:03:32,200 --> 01:03:29,720

a lot of weight into that whole crisis

1638

01:03:35,170 --> 01:03:32,210

actor thing just because it's been

1639

01:03:37,330 --> 01:03:35,180

printed six come out after the signing

1640

01:03:40,150 --> 01:03:37,340

of the thing that I want to say a couple

1641

01:03:42,010 --> 01:03:40,160

of CIA a or somebody operatives were

1642

01:03:43,480 --> 01:03:42,020

like trying to like do this info and

1643

01:03:44,830 --> 01:03:43,490

we're saying that they're not saying

1644

01:03:47,800 --> 01:03:44,840

they're non-price factors they are

1645

01:03:49,810 --> 01:03:47,810

absolutely exist I just think that

1646

01:03:51,010 --> 01:03:49,820

that's kind of like a rabbit hole I did

1647

01:03:52,690 --> 01:03:51,020

I went through down that rabbit hole

1648

01:03:54,250 --> 01:03:52,700

that's what I'm telling you yeah and it

1649

01:03:57,040 --> 01:03:54,260

was almost like it was almost like a

1650

01:03:58,660 --> 01:03:57,050

circular argument thing where you get

1651

01:04:00,340 --> 01:03:58,670

there and you're like okay I get it

1652

01:04:03,190 --> 01:04:00,350

there's type they're private actors now

1653

01:04:04,450 --> 01:04:03,200

what even I mean like okay now what like

1654

01:04:06,340 --> 01:04:04,460

okay here you go so I feel like

1655

01:04:08,560 --> 01:04:06,350

sometimes they people put that out there

1656

01:04:11,080 --> 01:04:08,570

to kind of make you chase your tail a

1657

01:04:12,160 --> 01:04:11,090

little bit what I would look into the

1658

01:04:13,830 --> 01:04:12,170

hole that you don't know they're kind of

1659

01:04:17,050 --> 01:04:13,840

here's what I would do

1660

01:04:18,040 --> 01:04:17,060

how does a human being act when they're

1661

01:04:20,050 --> 01:04:18,050

doing what you're doing

1662

01:04:21,940 --> 01:04:20,060

okay the only one that I've ever seen

1663

01:04:24,550 --> 01:04:21,950

that look like an actor or Sonia nice

1664

01:04:29,410 --> 01:04:24,560

was that that dad that had lost his kid

1665

01:04:33,370 --> 01:04:29,420

do you remember that Robbie Parker is

1666

01:04:38,290 --> 01:04:33,380

this Sandy Hook Sandy Hook yeah yep yep

1667

01:04:40,330 --> 01:04:38,300

huh so that whenever I researched it

1668

01:04:43,390 --> 01:04:40,340

that's you know that's the only time I

1669

01:04:45,400 --> 01:04:43,400

remember seeing that guy I seen that

1670

01:04:47,680 --> 01:04:45,410

reaction and thinking what the [h__\h] like

1671

01:04:48,290 --> 01:04:47,690

that freed my life me and my life over

1672

01:04:50,840 --> 01:04:48,300

there

1673

01:04:53,150 --> 01:04:50,850

watch it she was like his daughter just

1674

01:04:57,920 --> 01:04:53,160

died I think yeah she's like what

1675

01:05:00,890 --> 01:04:57,930

so I mean it wouldn't surprise me that

1676

01:05:05,900 --> 01:05:00,900

if the Intel agencies were behind Sandy

1677

01:05:08,120 --> 01:05:05,910

Hook only because there's rogue agent

1678

01:05:09,530 --> 01:05:08,130

there's world groups inside a little

1679

01:05:12,170 --> 01:05:09,540

agencies that people would even know

1680

01:05:15,080 --> 01:05:12,180

like you remember that old seventh-floor

1681

01:05:16,430 --> 01:05:15,090

group right the seventh floor you're

1682

01:05:19,550 --> 01:05:16,440

gonna have to remind me I've kind of

1683

01:05:21,140 --> 01:05:19,560

like lost the whole by the seventh floor

1684

01:05:23,270 --> 01:05:21,150

group came out of awakenings you should

1685

01:05:25,190 --> 01:05:23,280

have been a bigger story anything I

1686

01:05:27,950 --> 01:05:25,200

actually try to do a foyer on the

1687

01:05:29,930 --> 01:05:27,960

seventh row group and I got shut down

1688

01:05:31,820 --> 01:05:29,940

three different times so I'm gonna put

1689

01:05:36,620 --> 01:05:31,830

some nasals but I hope your listeners

1690

01:05:38,660 --> 01:05:36,630

don't mind you're just there anyways so

1691

01:05:41,330 --> 01:05:38,670

I appointed the the seventh floor group

1692

01:05:43,370 --> 01:05:41,340

to just regular for your request and

1693

01:05:46,120 --> 01:05:43,380

they kept on in stolen so I just decided

1694

01:05:49,400 --> 01:05:46,130

to quit but basically what that was is

1695

01:05:51,770 --> 01:05:49,410

Hillary Clinton and a few others had a

1696

01:05:54,500 --> 01:05:51,780

group that they would meet every week on

1697

01:05:56,450 --> 01:05:54,510

the seventh floor group which was the

1698

01:05:59,330 --> 01:05:56,460

seventh floor of the Marvel or one of

1699

01:06:01,880 --> 01:05:59,340

the buildings of the FBI like building

1700

01:06:03,230 --> 01:06:01,890

or another so essentially the seventh

1701

01:06:07,910 --> 01:06:03,240

floor group here I'm gonna go to wiki

1702

01:06:09,020 --> 01:06:07,920

scoops to tell you about it says seventh

1703

01:06:10,310 --> 01:06:09,030

row group was a group of State

1704

01:06:11,960 --> 01:06:10,320

Department officials who met regularly

1705

01:06:14,480 --> 01:06:11,970

on the seventh floor of the hairiest

1706

01:06:16,040 --> 01:06:14,490

Truman building in DC that was exposed

1707

01:06:17,540 --> 01:06:16,050

in autumn of 2016

1708

01:06:19,610 --> 01:06:17,550

the FBI referred to the group as a

1709

01:06:21,260 --> 01:06:19,620

shadow government inside the State

1710

01:06:22,550 --> 01:06:21,270

Department which briefly attracted the

1711

01:06:24,350 --> 01:06:22,560

attention of commercially controlled

1712

01:06:26,060 --> 01:06:24,360

media the Google peers have formed

1713

01:06:27,620 --> 01:06:26,070

around Hillary Clinton although no

1714

01:06:29,360 --> 01:06:27,630

direct evidence has yet emerged

1715

01:06:30,950 --> 01:06:29,370

tired of the group most if not all

1716

01:06:32,450 --> 01:06:30,960

remaining members had their employment

1717

01:06:35,240 --> 01:06:32,460

terminated outside they say so when

1718

01:06:37,430 --> 01:06:35,250

Trump team but essentially in one of

1719

01:06:40,850 --> 01:06:37,440

them in one other Peter Strahm text he

1720

01:06:43,220 --> 01:06:40,860

said his text was a man or a girl or

1721

01:06:44,630 --> 01:06:43,230

whatever into his girlfriend murder this

1722

01:06:47,030 --> 01:06:44,640

article highlights the thing I mentioned

1723

01:06:49,030 --> 01:06:47,040

to you earlier asking if bill had noted

1724

01:06:52,970 --> 01:06:49,040

it to the subfloor

1725

01:06:54,260 --> 01:06:52,980

whoa if you won't paint yeah yeah he

1726

01:06:58,640 --> 01:06:54,270

said I'm going to send it so who's a

1727

01:07:00,650 --> 01:06:58,650

bill well the only proof that I think

1728

01:07:02,480 --> 01:07:00,660

but

1729

01:07:05,000 --> 01:07:02,490

and then I haven't heard much about

1730

01:07:06,140 --> 01:07:05,010

priests at like as far as his role in

1731

01:07:09,020 --> 01:07:06,150

the whole thing so I'm assuming he's

1732

01:07:10,010 --> 01:07:09,030

working with the fence usually they're

1733

01:07:12,800 --> 01:07:10,020

not working with the fence they get

1734

01:07:15,470 --> 01:07:12,810

exposed like straw he discusses he

1735

01:07:19,040 --> 01:07:15,480

[h__\h] pulled through the render but

1736

01:07:21,830 --> 01:07:19,050

anyways my point was if there's an axe

1737

01:07:24,500 --> 01:07:21,840

if this can exist if this is real and if

1738

01:07:26,480 --> 01:07:24,510

this could exist there's no reason why

1739

01:07:28,760 --> 01:07:26,490

it wouldn't exist right now if anything

1740

01:07:30,170 --> 01:07:28,770

it would exist on a more insane level

1741

01:07:32,710 --> 01:07:30,180

because of all the resistors and all the

1742

01:07:36,800 --> 01:07:32,720

holdovers from the Obama administration

1743

01:07:38,330 --> 01:07:36,810

well you know these guys are so they've

1744

01:07:39,590 --> 01:07:38,340

been caught so many times you think that

1745

01:07:44,420 --> 01:07:39,600

they're getting better if not being

1746

01:07:46,700 --> 01:07:44,430

caught - like you said I always think

1747

01:07:49,100 --> 01:07:46,710

people they get caught one pot and I

1748

01:07:52,010 --> 01:07:49,110

only say that because I used to study

1749

01:07:53,810 --> 01:07:52,020

serial killers and just their whole mo I

1750

01:07:55,310 --> 01:07:53,820

got my bail I wouldn't used to regulate

1751

01:07:57,260 --> 01:07:55,320

papers and college about serial killers

1752

01:08:00,110 --> 01:07:57,270

I wrote was gonna like thesis about it

1753

01:08:02,000 --> 01:08:00,120

but anyways I'm into that whole crime

1754

01:08:04,840 --> 01:08:02,010

and you know that kind of stuff like

1755

01:08:07,310 --> 01:08:04,850

that's all mystery aw hi mm-hmm and so

1756

01:08:10,040 --> 01:08:07,320

that's why this s rich thing [h__h]

1757

01:08:13,610 --> 01:08:10,050

hurts me so much man but whatever but

1758

01:08:17,450 --> 01:08:13,620

yeah like this whole this whole getting

1759

01:08:19,610 --> 01:08:17,460

costing I really have I mean the acting

1760

01:08:21,230 --> 01:08:19,620

thing who seems pretty genuine but as

1761

01:08:22,550 --> 01:08:21,240

far as like what people get caught like

1762

01:08:24,560 --> 01:08:22,560

with their pants down like Anthony

1763

01:08:27,530 --> 01:08:24,570

Weiner [h__h] dude he's [h__h] wanted to

1764

01:08:30,050 --> 01:08:27,540

get content come on I mean there's no

1765

01:08:32,360 --> 01:08:30,060

other there's no I don't know I just I

1766

01:08:34,340 --> 01:08:32,370

feel like these people at this point

1767

01:08:36,620 --> 01:08:34,350

like they say you know what I'm gonna

1768

01:08:38,420 --> 01:08:36,630

get close to show you that you know you

1769

01:08:40,400 --> 01:08:38,430

don't mean like I have this is this is

1770

01:08:41,930 --> 01:08:40,410

the cloud I'm gonna get over you like it

1771

01:08:44,060 --> 01:08:41,940

let's say Joe Biden and Weiner had

1772

01:08:46,250 --> 01:08:44,070

something and weiner dot-com guess who's

1773

01:08:48,170 --> 01:08:46,260

on the phone with with Weiner within a

1774

01:08:50,750 --> 01:08:48,180

probably the same day you know what I

1775

01:08:52,820 --> 01:08:50,760

mean and again you know I'll do this for

1776

01:08:54,500 --> 01:08:52,830

you just hold tight the same thing like

1777

01:08:56,480 --> 01:08:54,510

they're doing they're doing a really bad

1778

01:08:58,040 --> 01:08:56,490

job of metaphor I really it really

1779

01:08:59,960 --> 01:08:58,050

pisses me off of that more latley

1780

01:09:01,310 --> 01:08:59,970

I know that was coming out of that field

1781

01:09:04,460 --> 01:09:01,320

but I just thought about that apartment

1782

01:09:07,970 --> 01:09:04,470

he looks like man he looks so bad he

1783

01:09:11,360 --> 01:09:07,980

looks he looks really bad I mean just

1784

01:09:13,280 --> 01:09:11,370

just the fact that thing it essentially

1785

01:09:15,140 --> 01:09:13,290

it was like oh you help

1786

01:09:17,960 --> 01:09:15,150

when okay now we're gonna go [\h__\h] with

1787

01:09:19,309 --> 01:09:17,970

your life yeah everything okay yeah

1788

01:09:20,150 --> 01:09:19,319

that's what the FBI is doing right

1789

01:09:21,920 --> 01:09:20,160

that's what they did

1790

01:09:24,320 --> 01:09:21,930

this whole shadow government seventh

1791

01:09:26,570 --> 01:09:24,330

chord [h__h] let's just call them like

1792

01:09:28,730 --> 01:09:26,580

the octopus okay these are some this is

1793

01:09:30,980 --> 01:09:28,740

a group that gets together on the eighth

1794

01:09:32,599 --> 01:09:30,990

floor of some other building and talks

1795

01:09:34,760 --> 01:09:32,609

about how they're gonna [h__h] Trump oh

1796

01:09:36,530 --> 01:09:34,770

okay we're gonna [h__h] let's let's go

1797

01:09:38,920 --> 01:09:36,540

after my report let's go away I mean

1798

01:09:41,390 --> 01:09:38,930

who's to say that this doesn't exist

1799

01:09:43,910 --> 01:09:41,400

it's this is a coordinated effort to

1800

01:09:46,190 --> 01:09:43,920

take down truck and once they take down

1801
01:09:48,740 --> 01:09:46,200
Trump it's like a domino effect did they

1802
01:09:50,720 --> 01:09:48,750
get back the power they get back all the

1803
01:09:53,480 --> 01:09:50,730
[h__h] that they had won when Obama was in

1804
01:09:55,790 --> 01:09:53,490
power all their little lackeys go into

1805
01:09:58,280 --> 01:09:55,800
from praveen dormant to be an int

1806
01:10:01,340 --> 01:09:58,290
activation mode and you know the next

1807
01:10:03,740 --> 01:10:01,350
thing you know we have socialized

1808
01:10:06,080 --> 01:10:03,750
healthcare and immigrants and terror

1809
01:10:08,990 --> 01:10:06,090
attacks shits going on in the you know I

1810
01:10:10,880 --> 01:10:09,000
mean we were so close to disaster with

1811
01:10:13,130 --> 01:10:10,890
Hillary holy [h__h] man

1812
01:10:14,870 --> 01:10:13,140
holy Sh I mean I think I would probably

1813
01:10:17,870 --> 01:10:14,880

be in prison right now I'm not even sure

1814

01:10:19,490 --> 01:10:17,880

because I mean debbie Wasserman Schultz

1815

01:10:21,830 --> 01:10:19,500

blocked me on Facebook dude without

1816

01:10:24,200 --> 01:10:21,840

talking [h__h] like like there were people

1817

01:10:26,000 --> 01:10:24,210

that really hated during the election

1818

01:10:28,430 --> 01:10:26,010

and I would never shut up about it

1819

01:10:29,930 --> 01:10:28,440

like like I got death threats dude I

1820

01:10:32,210 --> 01:10:29,940

would post them on Facebook like I

1821

01:10:34,460 --> 01:10:32,220

posted the rats I think I just recently

1822

01:10:37,490 --> 01:10:34,470

posted one I still get them all the time

1823

01:10:39,410 --> 01:10:37,500

probably named [h__h] and all these other

1824

01:10:40,760 --> 01:10:39,420

things I never talk I mean you've been

1825

01:10:43,010 --> 01:10:40,770

on my page a while right yeah yeah a

1826

01:10:44,540 --> 01:10:43,020

long time long time about a year long

1827

01:10:52,000 --> 01:10:44,550

before the election yeah I was just

1828

01:10:57,290 --> 01:10:54,980

like record the election and up until

1829

01:10:59,000 --> 01:10:57,300

now this is I mean you can tell me yet

1830

01:11:00,740 --> 01:10:59,010

if I have had I ever said anything that

1831

01:11:06,350 --> 01:11:00,750

would remotely be considered hate speech

1832

01:11:08,270 --> 01:11:06,360

no no never ever in my life I I try to I

1833

01:11:10,370 --> 01:11:08,280

look at things from an unemotional

1834

01:11:13,640 --> 01:11:10,380

perspective dude that's my whole MMA

1835

01:11:16,010 --> 01:11:13,650

fight my wife hates it my wife hates it

1836

01:11:17,750 --> 01:11:16,020

she's like you're a robot but at the

1837

01:11:19,670 --> 01:11:17,760

same time it helps me in our

1838

01:11:22,070 --> 01:11:19,680

relationship and it helps me in life so

1839

01:11:24,560 --> 01:11:22,080

when I look at this in the media people

1840

01:11:25,419 --> 01:11:24,570

and I bet a lot of people saying I'm so

1841

01:11:26,830 --> 01:11:25,429

mad

1842

01:11:28,390 --> 01:11:26,840

so angry that they're doing this or

1843

01:11:31,330 --> 01:11:28,400

they're doing it no I mean it's cool

1844

01:11:32,950 --> 01:11:31,340

like if you don't laugh at it first of

1845

01:11:35,050 --> 01:11:32,960

all you can you can get angry that's

1846

01:11:37,240 --> 01:11:35,060

what they want when you see people

1847

01:11:38,860 --> 01:11:37,250

talking [h__h] on Trump's Twitter that's

1848

01:11:40,780 --> 01:11:38,870

exactly what they want to see you get

1849

01:11:43,390 --> 01:11:40,790

pissed that's what they want what they

1850

01:11:45,189 --> 01:11:43,400

don't want to see you to expose them but

1851

01:11:47,290 --> 01:11:45,199

when they really are that's why it was

1852

01:11:48,760 --> 01:11:47,300

so valuable when those what those

1853

01:11:49,240 --> 01:11:48,770

brothers that were on what the [\h__\h] were

1854

01:11:51,390 --> 01:11:49,250

their names

1855

01:11:54,580 --> 01:11:51,400

Kraken Stein or whatever huh crab 16

1856

01:11:56,410 --> 01:11:54,590

when those guys got exposed as chills

1857

01:11:57,640 --> 01:11:56,420

when that guy he like recorded them and

1858

01:11:59,200 --> 01:11:57,650

what they were like popping out how they

1859

01:12:02,560 --> 01:11:59,210

got page post and [\h__\h] like that

1860

01:12:06,100 --> 01:12:02,570

right that was so that's what they

1861

01:12:07,600 --> 01:12:06,110

scared up that like earth Tim but when

1862

01:12:09,490 --> 01:12:07,610

you fight with them online that doesn't

1863

01:12:12,700 --> 01:12:09,500

hurt then they want that they're 12 you

1864

01:12:15,340 --> 01:12:12,710

know what I mean so like when i get

1865

01:12:17,470 --> 01:12:15,350

banned on facebook for [h__h] it's just

1866

01:12:18,760 --> 01:12:17,480

like whoa wait a second this isn't

1867

01:12:20,740 --> 01:12:18,770

something that's bad or i was just

1868

01:12:23,050 --> 01:12:20,750

saying my opinion about hillary and how

1869

01:12:24,280 --> 01:12:23,060

much of a big deal trimmed a life or you

1870

01:12:25,959 --> 01:12:24,290

know what dude i don't know if there's

1871

01:12:28,510 --> 01:12:25,969

like a rule that we haven't learned yet

1872

01:12:31,209 --> 01:12:28,520

but apparently you can't talk [h__h] about

1873

01:12:34,300 --> 01:12:31,219

obama on social media obama is like a

1874

01:12:38,800 --> 01:12:34,310

sacred [h__h] goat attacks or whatever

1875

01:12:42,340 --> 01:12:38,810

he is he i don't know i just posted an

1876
01:12:44,800 --> 01:12:42,350
article where he over okay i got banned

1877
01:12:46,720 --> 01:12:44,810
for posting an article on facebook about

1878
01:12:48,520 --> 01:12:46,730
where he he bought a house in Kalorama

1879
01:12:51,399 --> 01:12:48,530
in washington which is like a super

1880
01:12:52,479 --> 01:12:51,409
upscale like neighborhood eight million

1881
01:12:55,090 --> 01:12:52,489
or something like that it would have

1882
01:12:56,680 --> 01:12:55,100
cost them but the article when you when

1883
01:12:58,959 --> 01:12:56,690
you click on the address in the article

1884
01:13:01,030 --> 01:12:58,969
it takes you to the actual like house

1885
01:13:03,399 --> 01:13:01,040
well three houses down there's the

1886
01:13:11,530 --> 01:13:03,409
[h__h] washington dc's biggest mosque

1887
01:13:13,540 --> 01:13:11,540
oh well yeah you know I mean it's not

1888
01:13:15,490 --> 01:13:13,550

Muslim neighbors just [h__h] Coolidge

1889

01:13:17,620 --> 01:13:15,500

[h__h] I had barbecue with one the other

1890

01:13:19,810 --> 01:13:17,630

day and he was telling me how licensed

1891

01:13:22,720 --> 01:13:19,820

[h__h] that all these people are like

1892

01:13:27,910 --> 01:13:22,730

getting mad about Muslims with whatever

1893

01:13:30,189 --> 01:13:27,920

anyway my point is if I was if I was

1894

01:13:31,810 --> 01:13:30,199

living in a city and I could choose

1895

01:13:36,129 --> 01:13:31,820

whether I could live but I had billions

1896

01:13:38,060 --> 01:13:36,139

and millions of dollars I wouldn't go

1897

01:13:41,660 --> 01:13:38,070

next to a Catholic Church

1898

01:13:43,730 --> 01:13:41,670

my real password there's no way you can

1899

01:13:45,170 --> 01:13:43,740

even close to the passengers not because

1900

01:13:47,480 --> 01:13:45,180

I mean they're beautiful the turkey

1901

01:13:49,160 --> 01:13:47,490

tonight but I'm just not a turkey guy

1902

01:13:51,680 --> 01:13:49,170

like I don't really have been eating the

1903

01:13:53,690 --> 01:13:51,690

whole life priest has power over you to

1904

01:13:55,760 --> 01:13:53,700

confess I believe on that like I think

1905

01:13:58,070 --> 01:13:55,770

religion should be a personal thing not

1906

01:13:59,420 --> 01:13:58,080

a I don't I mean to be honest I think

1907

01:14:02,480 --> 01:13:59,430

all the churches should be made on the

1908

01:14:03,860 --> 01:14:02,490

shelter's that's me that's just me and

1909

01:14:07,310 --> 01:14:03,870

I'll surgery should be taxed with us

1910

01:14:09,110 --> 01:14:07,320

with me I feel like the I feel like in

1911

01:14:13,340 --> 01:14:09,120

Jesus came back so I have to whisper a

1912

01:14:16,100 --> 01:14:13,350

little bit anyway I feel like if needed

1913

01:14:18,320 --> 01:14:16,110

some that he would want people to put

1914

01:14:21,920 --> 01:14:18,330

the churches to use and make them into

1915

01:14:23,990 --> 01:14:21,930

like shelters all right okay so my point

1916

01:14:25,910 --> 01:14:24,000

my point but I I got a fun tension but

1917

01:14:29,360 --> 01:14:25,920

my point is I'm not a religious person

1918

01:14:31,010 --> 01:14:29,370

so this by law by whatever default I

1919

01:14:33,890 --> 01:14:31,020

wouldn't look for a house close to a

1920

01:14:35,960 --> 01:14:33,900

church the fact that she didn't I being

1921

01:14:37,850 --> 01:14:35,970

a Muslim for so long and then I said let

1922

01:14:42,620 --> 01:14:37,860

me get out of the White House I've asked

1923

01:14:45,530 --> 01:14:42,630

three houses down from huge mosque yeah

1924

01:14:47,990 --> 01:14:45,540

like it's just like that's all I posted

1925

01:14:50,420 --> 01:14:48,000

dude that's how that's all I post it man

1926

01:14:52,330 --> 01:14:50,430

I didn't post my key the Muslim [\h__\h]

1927

01:14:55,070 --> 01:14:52,340

[\h__\h] I didn't say any of that [\h__\h]

1928

01:14:56,630 --> 01:14:55,080

and I quit on your podcast by the way I

1929

01:14:59,300 --> 01:14:56,640

get it you're late yeah that's not okay

1930

01:15:02,330 --> 01:14:59,310

but it does seem like it seems like the

1931

01:15:04,010 --> 01:15:02,340

rules aren't equal or applicable to both

1932

01:15:05,480 --> 01:15:04,020

sides and you're right the more I think

1933

01:15:07,070 --> 01:15:05,490

about it with the whole man a fourth

1934

01:15:10,340 --> 01:15:07,080

thing I mean they got this Roger stone

1935

01:15:13,040 --> 01:15:10,350

still locked up as well no no no Rogers

1936

01:15:16,460 --> 01:15:13,050

out okay he's actually doing some pretty

1937

01:15:20,270 --> 01:15:16,470

good stuff um so I have a weird

1938

01:15:22,610 --> 01:15:20,280

connection with Roger stone my good

1939

01:15:26,200 --> 01:15:22,620

friend Josh who works at Breitbart she

1940

01:15:28,310 --> 01:15:26,210

had a podcast wound way before Trump was

1941

01:15:31,370 --> 01:15:28,320

elected but during the whole campaign

1942

01:15:34,190 --> 01:15:31,380

and he invited Roger stone on this show

1943

01:15:35,630 --> 01:15:34,200

and Roger stone came out and I was kind

1944

01:15:37,820 --> 01:15:35,640

of in the middle like listening and

1945

01:15:39,170 --> 01:15:37,830

talking and stuff and and then I sent

1946

01:15:40,310 --> 01:15:39,180

him an email saying hey I'm Josh's

1947

01:15:45,050 --> 01:15:40,320

friend whatever we can run back and

1948

01:15:47,030 --> 01:15:45,060

forth and when when Trump won he

1949

01:15:50,510 --> 01:15:47,040

messed me maybe three or four days

1950

01:15:51,169 --> 01:15:50,520

after just with I told you so I don't

1951

01:15:53,479 --> 01:15:51,179

know

1952

01:15:54,830 --> 01:15:53,489

he actually took the time to tell me cuz

1953

01:15:56,750 --> 01:15:54,840

I was telling how they do we need to do

1954

01:15:57,830 --> 01:15:56,760

this don't worry about this yet you know

1955

01:15:59,780 --> 01:15:57,840

what I mean like this back and forth

1956

01:16:01,040 --> 01:15:59,790

kind of talking about the whole campaign

1957

01:16:03,110 --> 01:16:01,050

or whatever and it's just funny that you

1958

01:16:04,700 --> 01:16:03,120

can fun saying don't worry the fact that

1959

01:16:06,169 --> 01:16:04,710

the polls are with that I was telling

1960

01:16:07,640 --> 01:16:06,179

them dude you got to do something about

1961

01:16:09,560 --> 01:16:07,650

the posi like the polls are wrong and I

1962

01:16:12,439 --> 01:16:09,570

didn't believe him and sure enough they

1963

01:16:15,680 --> 01:16:12,449

were right he was right so yeah man I

1964

01:16:17,570 --> 01:16:15,690

mean Roger stone is working right now

1965

01:16:19,370 --> 01:16:17,580

with an attorney

1966

01:16:20,780 --> 01:16:19,380

he dropped his old attorney I think if

1967

01:16:23,300 --> 01:16:20,790

you hired some you guys and they're

1968

01:16:25,820 --> 01:16:23,310

going after the actual CrowdStrike

1969

01:16:27,860 --> 01:16:25,830

report now which is [h__h] amazing

1970

01:16:30,020 --> 01:16:27,870

because it's cloud said if they just

1971

01:16:32,149 --> 01:16:30,030

website and prove that the DNC kind of

1972

01:16:34,010 --> 01:16:32,159

like held their hands through the whole

1973

01:16:36,649 --> 01:16:34,020

reporting then the whole reports

1974

01:16:38,959 --> 01:16:36,659

[h__h] the whole thing is because and

1975

01:16:42,110 --> 01:16:38,969

I know it is but cloud strike is like a

1976

01:16:44,390 --> 01:16:42,120

DNC [h__h] Lackey company dude and for

1977

01:16:46,610 --> 01:16:44,400

them to have basically not even got in

1978

01:16:48,380 --> 01:16:46,620

the server from the DNC tells you a lot

1979

01:16:50,270 --> 01:16:48,390

about who they were really serving if

1980

01:16:53,240 --> 01:16:50,280

you think about it mm-hmm it's

1981

01:16:54,620 --> 01:16:53,250

staggering I mean you know yeah did you

1982

01:16:58,160 --> 01:16:54,630

know about the types the CrowdStrike

1983

01:17:02,419 --> 01:16:58,170

report about like happy bird you read

1984

01:17:04,160 --> 01:17:02,429

that no no no so you know that you know

1985

01:17:08,169 --> 01:17:04,170

about the cloud strike report right with

1986

01:17:13,939 --> 01:17:08,179

the DNC server uh-huh okay so basically

1987

01:17:17,450 --> 01:17:13,949

long story short the FBI told the DNC

1988

01:17:18,620 --> 01:17:17,460

that they wanted the server the DNC was

1989

01:17:21,200 --> 01:17:18,630

like no we're not gonna give you the

1990

01:17:23,840 --> 01:17:21,210

server we're gonna give you a port from

1991

01:17:25,399 --> 01:17:23,850

cloud strike who are the people who set

1992

01:17:28,100 --> 01:17:25,409

up our servers and we'll do our tech

1993

01:17:31,399 --> 01:17:28,110

support class I could also add ENC donor

1994

01:17:34,459 --> 01:17:31,409

or a crown strike say they report to the

1995

01:17:36,380 --> 01:17:34,469

FBI f days like okay we're cool thanks

1996

01:17:38,600 --> 01:17:36,390

anyways like it's cool so they didn't

1997

01:17:40,880 --> 01:17:38,610

nobody investigated the server they just

1998

01:17:44,030 --> 01:17:40,890

used whatever the cloud strike told them

1999

01:17:46,399 --> 01:17:44,040

problem is CrowdStrike just ask the DNC

2000

01:17:48,140 --> 01:17:46,409

what to say DNC gave them the whole rest

2001

01:17:55,700 --> 01:17:48,150

narrative and that became the Russian

2002

01:17:59,840 --> 01:17:55,710

[h__h] story no way oh my gosh yeah so

2003

01:18:01,790 --> 01:17:59,850

it's it's literally yeah it's all its

2004

01:18:03,439 --> 01:18:01,800

setup madness the Russian and you

2005

01:18:03,970 --> 01:18:03,449

believe the Russian thing I mean I think

2006

01:18:05,890 --> 01:18:03,980

that

2007

01:18:07,479 --> 01:18:05,900

specially posted 2016 when I was talking

2008

01:18:08,830 --> 01:18:07,489

about how they were going to blame the

2009

01:18:11,380 --> 01:18:08,840

Russians on the hackett I mean I

2010

01:18:13,450 --> 01:18:11,390

literally called it because Rob EMU was

2011

01:18:16,300 --> 01:18:13,460

coming out on like MSNBC talking about

2012

01:18:18,610 --> 01:18:16,310

Russia hacking though emails and I was

2013

01:18:20,440 --> 01:18:18,620

like nothing I knew which had nothing to

2014

01:18:22,770 --> 01:18:20,450

do with Russia there's no there's no

2015

01:18:25,570 --> 01:18:22,780

like wiki Russia office or anything like

2016

01:18:27,310 --> 01:18:25,580

it's just WikiLeaks is you they get the

2017

01:18:27,640 --> 01:18:27,320

info and they post that's it that's all

2018

01:18:29,320 --> 01:18:27,650

I did

2019

01:18:31,479 --> 01:18:29,330

they're [h__h] publisher that's they

2020

01:18:33,550 --> 01:18:31,489

publish info that other people give so

2021

01:18:34,780 --> 01:18:33,560

the fact that with the fact that they

2022

01:18:38,020 --> 01:18:34,790

were blaming WikiLeaks on having an

2023

01:18:39,640 --> 01:18:38,030

agenda I already knew they were I knew

2024

01:18:40,930 --> 01:18:39,650

they were lying because when remember

2025

01:18:43,120 --> 01:18:40,940

when he came out with all the Bush files

2026

01:18:45,190 --> 01:18:43,130

but in the left loved WikiLeaks antennas

2027

01:18:47,620 --> 01:18:45,200

oh yeah they were like suckin on it oh

2028

01:18:51,850 --> 01:18:47,630

dude there's sometimes dick but as soon

2029

01:18:54,550 --> 01:18:51,860

as he get basically helps get Hillary

2030

01:18:56,860 --> 01:18:54,560

[h__\h] unelected so she was already

2031

01:18:59,140 --> 01:18:56,870

elected in their mind that whole thing

2032

01:19:00,850 --> 01:18:59,150

became oh it's Russia Russia Russia this

2033

01:19:03,040 --> 01:19:00,860

is being pushed by about more people

2034

01:19:05,740 --> 01:19:03,050

from the top I mean it's really just

2035

01:19:08,320 --> 01:19:05,750

John Podesta Robby Mook Jennifer

2036

01:19:10,660 --> 01:19:08,330

Palmieri and another guy Sullivan I

2037

01:19:12,070 --> 01:19:10,670

forgot it's personal but basically these

2038

01:19:14,590 --> 01:19:12,080

four dudes went out on in the media

2039

01:19:15,940 --> 01:19:14,600

would near a Camden and Media Matters

2040

01:19:18,490 --> 01:19:15,950

and all these other companies that they

2041

01:19:20,710 --> 01:19:18,500

work for and basically told the media it

2042

01:19:22,750 --> 01:19:20,720

was Russia talk about this this is

2043

01:19:26,680 --> 01:19:22,760

Liberty man we're gonna signal boost the

2044

01:19:27,940 --> 01:19:26,690

fact that Russia hack death okay now if

2045

01:19:30,340 --> 01:19:27,950

I kill somebody

2046

01:19:32,800 --> 01:19:30,350

the I would want to deflect from it as

2047

01:19:34,240 --> 01:19:32,810

fast as I could you know what I mean I

2048

01:19:35,800 --> 01:19:34,250

know they're doing something else

2049

01:19:38,410 --> 01:19:35,810

and literally that's exactly what they

2050

01:19:39,610 --> 01:19:38,420

did they have a murdered staffer now

2051

01:19:41,410 --> 01:19:39,620

what always got to me would always

2052

01:19:43,660 --> 01:19:41,420

bothered me was the fact that you don't

2053

01:19:45,700 --> 01:19:43,670

know like when San Bernardino happen or

2054

01:19:47,290 --> 01:19:45,710

when Parkland or any of these cases

2055

01:19:48,940 --> 01:19:47,300

whenever they happen who are the first

2056

01:19:51,820 --> 01:19:48,950

people to talk about that control oh

2057

01:19:55,300 --> 01:19:51,830

yeah yeah it's the it's nice you're

2058

01:19:58,780 --> 01:19:55,310

right right Democrats always jump on it

2059

01:20:00,640 --> 01:19:58,790

they always it's Hillary it's Obama we

2060

01:20:01,870 --> 01:20:00,650

need your guns we look what happened

2061

01:20:04,330 --> 01:20:01,880

look at this tragedy happen this happen

2062

01:20:06,610 --> 01:20:04,340

again right mm-hmm okay

2063

01:20:08,860 --> 01:20:06,620

but when somebody close to them that

2064

01:20:13,209 --> 01:20:08,870

works for the DNC gets shot in the back

2065

01:20:17,620 --> 01:20:13,219

by a gun they don't even talk about it

2066

01:20:20,950 --> 01:20:17,630

they don't even bring it up why is that

2067

01:20:22,480 --> 01:20:20,960

mmm-hmm Thank You Wonder yeah make sure

2068

01:20:24,820 --> 01:20:22,490

wonder why they didn't use that as their

2069

01:20:26,500 --> 01:20:24,830

little political no I think it was Donna

2070

01:20:28,420 --> 01:20:26,510

Brazile who said that she was scared

2071

01:20:29,830 --> 01:20:28,430

right afterwards this there was going to

2072

01:20:31,420 --> 01:20:29,840

be a sniper out to get her

2073

01:20:33,810 --> 01:20:31,430

well what is what is it that she knew

2074

01:20:36,850 --> 01:20:33,820

and she was so scared

2075

01:20:38,320 --> 01:20:36,860

that's right that's right and there's a

2076

01:20:40,870 --> 01:20:38,330

lot of little there's a lot of little

2077

01:20:43,270 --> 01:20:40,880

slips that's another thing like if you

2078

01:20:45,310 --> 01:20:43,280

go back I said everything did I save so

2079

01:20:47,620 --> 01:20:45,320

many links like I have like congeries of

2080

01:20:49,510 --> 01:20:47,630

just like videos from like I saw her

2081

01:20:51,040 --> 01:20:49,520

once and I saved it kind of deal and I

2082

01:20:54,310 --> 01:20:51,050

was going back to them and one of them

2083

01:20:55,630 --> 01:20:54,320

had like what if he was robbing yeah I

2084

01:20:57,730 --> 01:20:55,640

was robbing moved and he was talking

2085

01:20:59,590 --> 01:20:57,740

about getting hacked was the day after

2086

01:21:01,300 --> 01:20:59,600

the hacks came out and they were talking

2087

01:21:04,210 --> 01:21:01,310

about something with the King of Morocco

2088

01:21:06,190 --> 01:21:04,220

giving a donation to Hillary and he

2089

01:21:08,920 --> 01:21:06,200

jumped from out of nowhere and he goes

2090

01:21:10,150 --> 01:21:08,930

oh but yeah but see I can't even I can't

2091

01:21:12,760 --> 01:21:10,160

even tell you these are real or not

2092

01:21:14,380 --> 01:21:12,770

because we all know Russia acted like

2093

01:21:16,840 --> 01:21:14,390

straight-up like it almost looked like

2094

01:21:18,520 --> 01:21:16,850

he had that in his head as an other line

2095

01:21:19,900 --> 01:21:18,530

waiting for it to just come out and

2096

01:21:22,480 --> 01:21:19,910

click Raleigh's listed I'm like what

2097

01:21:24,520 --> 01:21:22,490

like yeah okay but and then they even

2098

01:21:26,770 --> 01:21:24,530

asked Craig was called me on and he said

2099

01:21:28,660 --> 01:21:26,780

well why is it that when Trump's taxes

2100

01:21:30,850 --> 01:21:28,670

came out those were also hacking stolen

2101

01:21:32,320 --> 01:21:30,860

were you ran with those why can't we

2102

01:21:34,180 --> 01:21:32,330

look at your stuff attacked and he was

2103

01:21:36,130 --> 01:21:34,190

like who knows because Russia were and

2104

01:21:38,710 --> 01:21:36,140

we were I was like whoa like he slipped

2105

01:21:40,180 --> 01:21:38,720

right there like he he should've said

2106

01:21:43,600 --> 01:21:40,190

Russia like you should have said you

2107

01:21:45,250 --> 01:21:43,610

know bad actors or whatever Ukrainian or

2108

01:21:48,190 --> 01:21:45,260

something no he stirred up said Russia

2109

01:21:49,330 --> 01:21:48,200

and it was the day after so it tells you

2110

01:21:53,320 --> 01:21:49,340

they're they already have a narrative

2111

01:21:56,170 --> 01:21:53,330

cooking in their heads right now there's

2112

01:21:58,600 --> 01:21:56,180

another slit if you read the Hillary

2113

01:22:01,180 --> 01:21:58,610

Clinton book what happened I think it's

2114

01:22:02,590 --> 01:22:01,190

called it happened or whatever there's a

2115

01:22:06,790 --> 01:22:02,600

part in that book where they're talking

2116

01:22:08,380 --> 01:22:06,800

about on election night on election

2117

01:22:09,640 --> 01:22:08,390

night which she's in her room crying how

2118

01:22:14,550 --> 01:22:09,650

they're talking about how they're gonna

2119

01:22:18,550 --> 01:22:14,560

spin it to blame it on Russia no way I

2120

01:22:21,220 --> 01:22:18,560

got oh man see that's what's that's

2121

01:22:23,290 --> 01:22:21,230

awesome he's like you I've got her

2122

01:22:25,060 --> 01:22:23,300

you've got your hand your hands and all

2123

01:22:28,990 --> 01:22:25,070

this and it like your eyes on all this

2124

01:22:30,670 --> 01:22:29,000

it's amazing like that book fact is a

2125

01:22:33,790 --> 01:22:30,680

pretty big deal

2126
01:22:35,830 --> 01:22:33,800
because yeah and that excerpt and the

2127
01:22:37,960 --> 01:22:35,840
thing is I I'll sit there for hours need

2128
01:22:39,460 --> 01:22:37,970
at night when I can't keep whatever I'll

2129
01:22:39,880 --> 01:22:39,470
just sit there for hours reading their

2130
01:22:42,190 --> 01:22:39,890
stuff

2131
01:22:43,210 --> 01:22:42,200
my wife would come at like 3:00 or 4:00

2132
01:22:45,160 --> 01:22:43,220
in the morning be like are you still

2133
01:22:47,110 --> 01:22:45,170
reading the same day yeah so really need

2134
01:22:48,790 --> 01:22:47,120
these court documents or whatever like

2135
01:22:50,890 --> 01:22:48,800
and it's just interesting to me but

2136
01:22:53,080 --> 01:22:50,900
there's some excerpts in those books

2137
01:22:54,520 --> 01:22:53,090
that you really like I could I sometimes

2138
01:22:56,890 --> 01:22:54,530

I take screenshots of them and post them

2139

01:22:59,260 --> 01:22:56,900

on my page just because man like some of

2140

01:23:03,700 --> 01:22:59,270

these are so good it's just yeah it's

2141

01:23:05,800 --> 01:23:03,710

really just not the really a octopus the

2142

01:23:09,070 --> 01:23:05,810

reason it works on so many levels is

2143

01:23:11,170 --> 01:23:09,080

because just a bit of judicial and look

2144

01:23:12,610 --> 01:23:11,180

at everything else like you don't think

2145

01:23:14,590 --> 01:23:12,620

the way they think you're never going to

2146

01:23:15,940 --> 01:23:14,600

be able to beat them you know I mean

2147

01:23:17,440 --> 01:23:15,950

it's the same thing with zero feathers

2148

01:23:19,240 --> 01:23:17,450

like that's like the whole size of the

2149

01:23:20,830 --> 01:23:19,250

land movie was about that you can't

2150

01:23:22,960 --> 01:23:20,840

think like a cereal cutter you can't eat

2151

01:23:24,010 --> 01:23:22,970

it so you can't think like your enemy

2152

01:23:25,330 --> 01:23:24,020

you can't there's no way you can beat

2153

01:23:26,800 --> 01:23:25,340

them you don't even know what the next

2154

01:23:28,150 --> 01:23:26,810

step is going to be and it's almost

2155

01:23:29,830 --> 01:23:28,160

gotten to the point where I know what

2156

01:23:31,360 --> 01:23:29,840

their next like when I see it a new

2157

01:23:33,070 --> 01:23:31,370

story I already know what they're

2158

01:23:35,020 --> 01:23:33,080

married at I already know how they're

2159

01:23:39,190 --> 01:23:35,030

gonna try to spin it you know and it's

2160

01:23:41,470 --> 01:23:39,200

scary because knowing that tells you

2161

01:23:42,850 --> 01:23:41,480

that it's not unbiased but there's a

2162

01:23:44,770 --> 01:23:42,860

certain narrative and a certain bias

2163

01:23:46,900 --> 01:23:44,780

that they have you try to push so that

2164

01:23:50,530 --> 01:23:46,910

right there is what kind of gets you

2165

01:23:52,230 --> 01:23:50,540

know scary a little bit but it's

2166

01:23:55,350 --> 01:23:52,240

interesting to me and I like I like

2167

01:23:58,750 --> 01:23:55,360

actually going to all these different

2168

01:24:01,240 --> 01:23:58,760

you know just shown how like he's not

2169

01:24:02,560 --> 01:24:01,250

bad just everything that's it it's

2170

01:24:05,230 --> 01:24:02,570

interesting yeah you mentioned that

2171

01:24:06,820 --> 01:24:05,240

because like Alex Jones I know a guy who

2172

01:24:09,400 --> 01:24:06,830

posted a picture

2173

01:24:11,650 --> 01:24:09,410

his name's Leo Sagami we're actually

2174

01:24:13,840 --> 01:24:11,660

having him out here in Las Vegas here on

2175

01:24:16,780 --> 01:24:13,850

the 16th and he posted a picture with

2176
01:24:19,120 --> 01:24:16,790
Alex Jones and they D platformed him off

2177
01:24:22,690 --> 01:24:19,130
Instagram just for a picture like no

2178
01:24:24,130 --> 01:24:22,700
comment or anything and it's there is a

2179
01:24:26,530 --> 01:24:24,140
point where it's just control and I

2180
01:24:28,450 --> 01:24:26,540
think you can see that man I know you've

2181
01:24:30,760 --> 01:24:28,460
cut out a lot of time for you from your

2182
01:24:32,200 --> 01:24:30,770
day Rob I I can't thank you enough you

2183
01:24:34,090 --> 01:24:32,210
mentioned your website can't thank you

2184
01:24:37,870 --> 01:24:34,100
enough for coming out and talking with

2185
01:24:40,270 --> 01:24:37,880
us I know you have a lot going on can

2186
01:24:42,190 --> 01:24:40,280
you you just slice them through it like

2187
01:24:43,930 --> 01:24:42,200
a hot knife through butter but where can

2188
01:24:45,550 --> 01:24:43,940

we keep her

2189

01:24:47,080 --> 01:24:45,560

we keep up with things and follow you

2190

01:24:49,870 --> 01:24:47,090

and support you and and what you're

2191

01:24:51,580 --> 01:24:49,880

doing so I'm actually working on getting

2192

01:24:53,610 --> 01:24:51,590

a website going that actually has you

2193

01:24:56,280 --> 01:24:53,620

know posts and blog and all that

2194

01:24:58,300 --> 01:24:56,290

donation or whatever but for now

2195

01:25:00,100 --> 01:24:58,310

Facebook's the best way man every

2196

01:25:02,860 --> 01:25:00,110

everywhere else is D platform me I'm not

2197

01:25:04,930 --> 01:25:02,870

alone I'm not on Twitter anymore I have

2198

01:25:05,890 --> 01:25:04,940

a job that I don't really use parlors

2199

01:25:07,390 --> 01:25:05,900

kind of like the new thing I've been

2200

01:25:10,090 --> 01:25:07,400

playing around with but as far as like

2201

01:25:12,729 --> 01:25:10,100

my everyday posting habits it's usually

2202

01:25:15,250 --> 01:25:12,739

going to just be on Facebook you can

2203

01:25:17,740 --> 01:25:15,260

find me actually on Facebook under real

2204

01:25:19,500 --> 01:25:17,750

Rob gray so just it's actually an ads I

2205

01:25:23,320 --> 01:25:19,510

had a friend page but I also have a

2206

01:25:25,900 --> 01:25:23,330

shadow squad is my like business page

2207

01:25:28,540 --> 01:25:25,910

which I just kind of came up with during

2208

01:25:31,570 --> 01:25:28,550

the election and that's kind of the

2209

01:25:34,060 --> 01:25:31,580

whole like journalism Beach State UFOs

2210

01:25:36,370 --> 01:25:34,070

page that I kind of reserved on my crazy

2211

01:25:39,729 --> 01:25:36,380

post for so shadow squad on Facebook and

2212

01:25:41,320 --> 01:25:39,739

then also real Rob gray on please man

2213

01:25:43,470 --> 01:25:41,330

you're awesome I can't thank you enough

2214

01:25:46,090 --> 01:25:43,480

and I hope we can talk again I know it's

2215

01:25:48,220 --> 01:25:46,100

it's just awesome seeing that you know

2216

01:25:49,780 --> 01:25:48,230

what is really going on behind the

2217

01:25:52,390 --> 01:25:49,790

political system absolutely yeah

2218

01:25:55,000 --> 01:25:52,400

anytime I'm free anytime whenever you

2219

01:25:56,470 --> 01:25:55,010

need to have a good conversation or

2220

01:25:58,000 --> 01:25:56,480

whatever just give me give me a ring and

2221

01:26:00,520 --> 01:25:58,010

I'll be here all right thank you Rob

2222

01:26:03,130 --> 01:26:00,530

have a great weekend holy cow

2223

01:26:07,270 --> 01:26:03,140

Rob great blowing the barn doors off the

2224

01:26:08,860 --> 01:26:07,280

building with his aliens perspective I

2225

01:26:10,000 --> 01:26:08,870

love that if you were in a heli and you

2226

01:26:11,740 --> 01:26:10,010

came down you looked at our political

2227

01:26:13,120 --> 01:26:11,750

system what would you think you know

2228

01:26:15,820 --> 01:26:13,130

people saying hey when you take your

2229

01:26:17,229 --> 01:26:15,830

guns that sounds kind of spooky and then

2230

01:26:20,260 --> 01:26:17,239

we've got other things going on that are

2231

01:26:22,090 --> 01:26:20,270

also spooky can't thank Rob enough so

2232

01:26:23,620 --> 01:26:22,100

many terms that I'd never heard before I

2233

01:26:25,330 --> 01:26:23,630

guess they're political intelligence

2234

01:26:29,470 --> 01:26:25,340

terms

2235

01:26:31,060 --> 01:26:29,480

astroturf thing I can't even think of

2236

01:26:33,880 --> 01:26:31,070

all of them but consensus I mean like

2237

01:26:36,040 --> 01:26:33,890

how how does this happen how does this

2238

01:26:39,100 --> 01:26:36,050

come to this work were this the social

2239

01:26:41,560 --> 01:26:39,110

media and Google are possibly armed

2240

01:26:43,209 --> 01:26:41,570

enemies of the populace who knows what's

2241

01:26:45,700 --> 01:26:43,219

really going on that's why it's nice to

2242

01:26:48,340 --> 01:26:45,710

have people like Rob tell us if you're

2243

01:26:51,430 --> 01:26:48,350

in Las Vegas July 16th definitely stop

2244

01:26:54,070 --> 01:26:51,440

by the event that hero paranormal aka

2245

01:26:55,790 --> 01:26:54,080

Ryan burns myself is sponsoring we are

2246

01:26:58,100 --> 01:26:55,800

getting a room for

2247

01:27:00,649 --> 01:26:58,110

the amazing speaker Leo Sagami

2248

01:27:03,140 --> 01:27:00,659

confessions of an Illuminati author he

2249

01:27:06,560 --> 01:27:03,150

will be speaking there from 5:30 to 8

2250

01:27:12,040 --> 01:27:06,570

p.m. and it's it's it's not the biggest

2251

01:27:14,209 --> 01:27:12,050

room so like show up and enjoy it and if

2252

01:27:15,439 --> 01:27:14,219

there's too many people there's too many

2253

01:27:18,229 --> 01:27:15,449

people we can't make a room for

2254

01:27:20,660 --> 01:27:18,239

everybody but it's located Springs

2255

01:27:23,629 --> 01:27:20,670

Preserve Las Vegas Nevada

2256

01:27:27,290 --> 01:27:23,639

it's the patio gallery room 5:30 to 8:00

2257

01:27:39,880 --> 01:27:27,300

p.m. July 16th and you will hear Leos
