[Music]

2
00:00:43,310 --> 00:00:39,619

so today we have an amazing podcast with

3
00:00:46,700 --> 00:00:43,320

the favorite wrestler I have ex pro

4
00:00:48,619 --> 00:00:46,710

wrestler turned ufologist Donnybrook who

5
00:00:51,979 --> 00:00:48,629

always seems to have some of the coolest

6
00:00:53,900 --> 00:00:51,989

and most intense information that he

7
00:00:55,279 --> 00:00:53,910

gathers through his research anyway he's

8
00:00:57,740 --> 00:00:55,289

going to enlighten us on a bunch of

9
00:01:00,110 --> 00:00:57,750

stuff including what's going on with

10
00:01:03,049 --> 00:01:00,120

this new meta material perfectly

11
00:01:07,609 --> 00:01:03,059

explained in a series of emails and

12
00:01:09,230 --> 00:01:07,619

handing off from someone that had to do

13
00:01:11,539 --> 00:01:09,240

well their father had to do with the

14

00:01:14,510 --> 00:01:11,549

Roswell crash from the 47 then handing

15

00:01:17,330 --> 00:01:14,520

it off to art bell art bell handing it

16

00:01:21,140 --> 00:01:17,340

off to Linda Moulton Howe etc etc ends

17

00:01:22,310 --> 00:01:21,150

up it to the stars Academy that will be

18

00:01:23,510 --> 00:01:22,320

interesting and intriguing and we're

19

00:01:26,870 --> 00:01:23,520

going to get in all kinds of other stuff

20

00:01:29,149 --> 00:01:26,880

so it was no further ado subscribe drop

21

00:01:31,640 --> 00:01:29,159

us a buck or two per month get in on the

22

00:01:34,219 --> 00:01:31,650

insider list or donate towards our space

23

00:01:36,530 --> 00:01:34,229

wolf research project that's kind of why

24

00:01:38,300 --> 00:01:36,540

I haven't been on is cuz last couple

25

00:01:40,310 --> 00:01:38,310

weeks I've just been hitting that hard

26

00:01:43,950 --> 00:01:40,320

anyway look into that space wolf

27

00:01:47,490 --> 00:01:43,960

research on Facebook

28

00:01:51,780 --> 00:01:47,500

and here we have Donnie coming up in

29

00:01:55,050 --> 00:01:51,790

just a minute we're giving Donnie

30

00:01:58,050 --> 00:01:55,060

ecology Oh Donnie how's it going look

31

00:01:59,399 --> 00:01:58,060

going we are live so thanks so much for

32

00:02:02,280 --> 00:01:59,409

joining us today

33

00:02:05,760 --> 00:02:02,290

no problem my plants are alive and going

34

00:02:09,090 --> 00:02:05,770

we're live and going I'm I'm just

35

00:02:10,380 --> 00:02:09,100

mesmerized by like some of the things

36

00:02:11,550 --> 00:02:10,390

we've been discussing is some of the

37

00:02:15,720 --> 00:02:11,560

stuff you've been sending me especially

38

00:02:19,650 --> 00:02:15,730

this this strange chain of kind of like

39

00:02:22,949 --> 00:02:19,660

handing off from these metamaterials the

40

00:02:28,400 --> 00:02:22,959

arts parts or possible Roswell remnants

41

00:02:30,870 --> 00:02:28,410

and it's interesting at least the theory

42

00:02:35,310 --> 00:02:30,880

it's really not surprising to me if

43

00:02:38,040 --> 00:02:35,320

somebody did go out there in 1947 and

44

00:02:41,100 --> 00:02:38,050

you've got a team of servicemen out

45

00:02:44,640 --> 00:02:41,110

there cleaning up and getting all of the

46

00:02:47,430 --> 00:02:44,650

evidence and you're probably they're

47

00:02:49,740 --> 00:02:47,440

probably the servicemen are outnumbered

48

00:02:50,940 --> 00:02:49,750

in comparison to the supervisors out

49

00:02:51,900 --> 00:02:50,950

there I mean let's think about this

50

00:02:53,670 --> 00:02:51,910

logically

51
00:02:55,170 --> 00:02:53,680
somebody probably did put a little

52
00:02:56,789 --> 00:02:55,180
something in their pocket I'm probably

53
00:02:58,470 --> 00:02:56,799
sure that a lot of people did and

54
00:03:00,630 --> 00:02:58,480
probably didn't think much of it and

55
00:03:02,880 --> 00:03:00,640
they figure well you know this is what

56
00:03:04,920 --> 00:03:02,890
it could be maybe this will be worth

57
00:03:08,009 --> 00:03:04,930
something I'm not surprised about this

58
00:03:10,590 --> 00:03:08,019
at all but he is when people come or it

59
00:03:14,729 --> 00:03:10,600
may have these metals they've got to be

60
00:03:16,410 --> 00:03:14,739
tested and either they have an

61
00:03:18,810 --> 00:03:16,420
incredible truth in their hand or an

62
00:03:24,270 --> 00:03:18,820
incredible life but if it's a truth than

63
00:03:26,430 --> 00:03:24,280

incent and it's a game-changer some of

64

00:03:33,180 --> 00:03:26,440

the characteristics these metals have

65

00:03:35,490 --> 00:03:33,190

are pretty amazing yeah bending back

66

00:03:38,190 --> 00:03:35,500

from whatever position they're in into

67

00:03:40,259 --> 00:03:38,200

their original position I mean among all

68

00:03:41,039 --> 00:03:40,269

kinds of other stuff it reminds me

69

00:03:43,880 --> 00:03:41,049

exactly

70

00:03:46,470 --> 00:03:43,890

yeah there was a hate always go back to

71

00:03:47,640 --> 00:03:46,480

the Uintah Basin and the weird portals

72

00:03:51,630 --> 00:03:47,650

and stuff there but there was a

73

00:03:54,839 --> 00:03:51,640

gentleman who found a rod that was

74

00:03:57,660 --> 00:03:54,849

thought to be of a UFO on the ridgeline

75

00:04:01,349 --> 00:03:57,670

above skinwalker or at least the path of

76

00:04:04,349 --> 00:04:01,359

the skinwalker there and anyway long

77

00:04:07,679 --> 00:04:04,359

story short this thing he tried sawing

78

00:04:13,770 --> 00:04:07,689

into it welding it cutting it couldn't

79

00:04:16,800 --> 00:04:13,780

do a thing to it well that kind of

80

00:04:19,319 --> 00:04:16,810

brings have thought the mind and and I

81

00:04:23,129 --> 00:04:19,329

think we talked about this on the last

82

00:04:27,120 --> 00:04:23,139

episode but I can't remember but when

83

00:04:29,310 --> 00:04:27,130

the Roswell crash happened of course

84

00:04:32,219 --> 00:04:29,320

there were two crash sites but the one

85

00:04:34,170 --> 00:04:32,229

unique thing about the crash I don't

86

00:04:36,810 --> 00:04:34,180

know if anyone's ever thought about is

87

00:04:39,600 --> 00:04:36,820

when the crash happened and the debris

88

00:04:44,520 --> 00:04:39,610

was strewn all over the foster ranch and

89

00:04:49,740 --> 00:04:44,530

in Corona that nothing caught on fire

90

00:04:51,390 --> 00:04:49,750

and and explain the crash I mean I'm not

91

00:04:54,839 --> 00:04:51,400

trying to be more bit here but in a

92

00:04:57,779 --> 00:04:54,849

plane crash there's fire you called for

93

00:05:00,149 --> 00:04:57,789

the EMTs and you call for the fire

94

00:05:03,749 --> 00:05:00,159

department because there's usually fire

95

00:05:08,580 --> 00:05:03,759

now this metal that crashed on the

96

00:05:14,879 --> 00:05:08,590

foster ranch there was no fire there was

97

00:05:18,659 --> 00:05:14,889

no metal that was allegedly burned and

98

00:05:22,409 --> 00:05:18,669

that's what's odd to me I'm like okay so

99

00:05:24,540 --> 00:05:22,419

we got something here that crashed and

100

00:05:32,360 --> 00:05:24,550

there's debris everywhere but no fire

101
00:05:35,700 --> 00:05:34,529
extremely abnormal actually I never

102
00:05:39,600 --> 00:05:35,710
thought about that

103
00:05:41,580 --> 00:05:39,610
yeah what and another thing and I don't

104
00:05:44,939 --> 00:05:41,590
know if this is all perfect but if it is

105
00:05:47,939 --> 00:05:44,949
I do apologize but when the Roswell

106
00:05:53,430 --> 00:05:47,949
crash happened a lot of folks are not

107
00:05:56,430 --> 00:05:53,440
aware of the alleged and I say alleged I

108
00:05:59,730 --> 00:05:56,440
wasn't there I guess you could say

109
00:06:03,870 --> 00:05:59,740
meaning or conversation that Matilda

110
00:06:05,850 --> 00:06:03,880
O'Donnell McElroy had with the one and

111
00:06:07,860 --> 00:06:05,860
only alleged

112
00:06:13,770 --> 00:06:07,870
means that was actually picked up at the

113
00:06:19,409 --> 00:06:13,780

corona site when she informed her

114

00:06:22,709 --> 00:06:19,419

superiors that it is communicating with

115

00:06:25,890 --> 00:06:22,719

me but I hear the messages in my mind

116

00:06:28,559 --> 00:06:25,900

and wish she told her superiors of this

117

00:06:30,929 --> 00:06:28,569

that she was asked to sit in it and an

118

00:06:33,059 --> 00:06:30,939

exam room I guess with this being it was

119

00:06:36,209 --> 00:06:33,069

sitting in the chairs for mm-hmm

120

00:06:40,260 --> 00:06:36,219

that's when they realized this B could

121

00:06:44,490 --> 00:06:40,270

do things with it's mine now I believe

122

00:06:48,659 --> 00:06:44,500

that that is what opened up the door to

123

00:06:52,260 --> 00:06:48,669

the MK ULTRA experiment or mind-control

124

00:06:52,830 --> 00:06:52,270

or what could we as humans do with our

125

00:06:55,230 --> 00:06:52,840

mind

126

00:06:56,610 --> 00:06:55,240

could we replicate what this being is

127

00:06:59,219 --> 00:06:56,620

doing I mean they started all the

128

00:07:05,850 --> 00:06:59,229

questions within the milk it makes sense

129

00:07:07,619 --> 00:07:05,860

sure and it's probably a stretch to say

130

00:07:11,719 --> 00:07:07,629

this and this is just another theory

131

00:07:15,240 --> 00:07:11,729

that when Lieutenant Colonel Jim Channon

132

00:07:18,390 --> 00:07:15,250

actually went into his research for the

133

00:07:21,899 --> 00:07:18,400

super soldier program working on psychic

134

00:07:25,920 --> 00:07:21,909

ability I think it had something to do

135

00:07:28,110 --> 00:07:25,930

with the conversation that this be had

136

00:07:33,059 --> 00:07:28,120

with Miss McElroy now she was a

137

00:07:34,559 --> 00:07:33,069

registered nurse she was not um I guess

138

00:07:39,329 --> 00:07:34,569

you would say she didn't have anything

139

00:07:40,499 --> 00:07:39,339

to do with any technically technical

140

00:07:42,029 --> 00:07:40,509

things for the military she was a

141

00:07:45,600 --> 00:07:42,039

registered nurse you know serving her

142

00:07:48,059 --> 00:07:45,610

duty in the military and she was the

143

00:07:51,689 --> 00:07:48,069

young lady that basically interviewed

144

00:07:55,230 --> 00:07:51,699

this being you know her superiors would

145

00:07:57,749 --> 00:07:55,240

get her questions to ask and she would

146

00:08:00,899 --> 00:07:57,759

write it down you know it's all in the

147

00:08:03,659 --> 00:08:00,909

book and it's cool and she's the one

148

00:08:06,620 --> 00:08:03,669

young lady that does not get a lot of

149

00:08:09,030 --> 00:08:06,630

what I call

150

00:08:11,490 --> 00:08:09,040

mentioned in the world of you know

151

00:08:14,390 --> 00:08:11,500

ufology it made a little bit but not

152

00:08:17,730 --> 00:08:14,400

much you don't hear much about it and

153

00:08:20,130 --> 00:08:17,740

you've got to say that if this being was

154

00:08:22,920 --> 00:08:20,140

trying to communicate with her there was

155

00:08:26,820 --> 00:08:22,930

something very special about her now

156

00:08:29,520 --> 00:08:26,830

sergeant Clifford stone has said many

157

00:08:32,670 --> 00:08:29,530

times and I cannot remember the name

158

00:08:35,190 --> 00:08:32,680

that he was given but he was one of the

159

00:08:40,260 --> 00:08:35,200

ones that these beings would communicate

160

00:08:43,010 --> 00:08:40,270

with and so that's what put him a part

161

00:08:46,830 --> 00:08:43,020

of that were crashing retrieval team now

162

00:08:49,590 --> 00:08:46,840

so what is it what is so unique about

163

00:08:53,460 --> 00:08:49,600

miss McClure and sergeant stone has

164

00:08:55,890 --> 00:08:53,470

always intrigued me and I don't know if

165

00:08:59,160 --> 00:08:55,900

it has anything to do with the Rh

166

00:09:01,440 --> 00:08:59,170

negative blood line allegedly that is

167

00:09:04,410 --> 00:09:01,450

something amen and I'm paraphrasing

168

00:09:06,810 --> 00:09:04,420

there but it's been said that if someone

169

00:09:09,330 --> 00:09:06,820

has Rh negative blood then there's

170

00:09:12,450 --> 00:09:09,340

something very unique about that person

171

00:09:16,730 --> 00:09:12,460

so I don't know if the had something to

172

00:09:21,960 --> 00:09:16,740

do with that but this metal that has a

173

00:09:26,340 --> 00:09:21,970

surface I guess you would say we do talk

174

00:09:29,610 --> 00:09:26,350

to totally prove that it's something to

175

00:09:32,190 --> 00:09:29,620

it this day in time so many years after

176

00:09:35,070 --> 00:09:32,200

the fact the metal like you said got to

177

00:09:39,870 --> 00:09:35,080

be tested by record or labs Los Alamos

178

00:09:42,360 --> 00:09:39,880

what whoever but I'm telling you if it's

179

00:09:44,910 --> 00:09:42,370

possibility it truthfully is now like I

180

00:09:46,800 --> 00:09:44,920

said the soldier or the soldiers Family

181

00:09:50,160 --> 00:09:46,810

Court I've never had a conversation with

182

00:09:51,930 --> 00:09:50,170

them I don't know if it's somebody just

183

00:09:54,090 --> 00:09:51,940

trying to get their 15 minutes of fame

184

00:09:56,310 --> 00:09:54,100

but you know Ryan like you know me

185

00:09:58,110 --> 00:09:56,320

people are doing that you know think

186

00:10:00,090 --> 00:09:58,120

that they got something strange I right

187

00:10:02,040 --> 00:10:00,100

well let me get 15 minutes I'm out of

188

00:10:05,550 --> 00:10:02,050

this I'll be happy you know I'll pretend

189

00:10:07,710 --> 00:10:05,560

it's real well you know and that is one

190

00:10:09,570 --> 00:10:07,720

of the bad things about you've got so

191

00:10:11,340 --> 00:10:09,580

many people that are not respecting it

192

00:10:13,610 --> 00:10:11,350

so they like to waste our time which

193

00:10:15,960 --> 00:10:13,620

that goes with the territory I mean

194

00:10:17,830 --> 00:10:15,970

that's just the good with the bad

195

00:10:20,950 --> 00:10:17,840

but the thing is this week

196

00:10:23,080 --> 00:10:20,960

no and we don't research then we'll

197

00:10:24,340 --> 00:10:23,090

never know and we could be missing the

198

00:10:26,740 --> 00:10:24,350

biggest piece of the puzzle

199

00:10:29,650 --> 00:10:26,750

and that's why when I hear someone say

200

00:10:33,370 --> 00:10:29,660

something to me and say okay I wasn't

201
00:10:35,950 --> 00:10:33,380
done okay well I believed in abduction

202
00:10:38,290 --> 00:10:35,960
phenomena has happened at least two

203
00:10:40,990 --> 00:10:38,300
credible times while I'm not a third you

204
00:10:43,180 --> 00:10:41,000
know so you have to you have to research

205
00:10:44,710 --> 00:10:43,190
it and so I took this one time before

206
00:10:47,770 --> 00:10:44,720
and he says somebody said something

207
00:10:50,170 --> 00:10:47,780
incredibly odd and just totally

208
00:10:52,990 --> 00:10:50,180
unbelievable by the average person

209
00:10:56,740 --> 00:10:53,000
that's the stuff I will investigate

210
00:11:00,310 --> 00:10:56,750
myself because youth on G is not a

211
00:11:02,980 --> 00:11:00,320
normal science so we have to basically

212
00:11:04,900 --> 00:11:02,990
research and attempt to debunk

213
00:11:08,820 --> 00:11:04,910

everything because if we attempt to

214

00:11:11,710 --> 00:11:08,830

debunk it and we can't we get them and

215

00:11:15,040 --> 00:11:11,720

then we need to hold on to it and try to

216

00:11:16,360 --> 00:11:15,050

get to the truth you know I know I'm

217

00:11:20,020 --> 00:11:16,370

sounding like thoughts and older from

218

00:11:21,820 --> 00:11:20,030

the x-files but that's really how it

219

00:11:24,130 --> 00:11:21,830

needs to be looked at in real life and

220

00:11:26,590 --> 00:11:24,140

have ax - it's a television show it's a

221

00:11:29,830 --> 00:11:26,600

great chair I enjoy it but if the

222

00:11:33,190 --> 00:11:29,840

Hollywood dramatization and in my

223

00:11:37,390 --> 00:11:33,200

opinion one of the biggest forms of

224

00:11:39,130 --> 00:11:37,400

operation Mockingbird and I believe

225

00:11:40,810 --> 00:11:39,140

we've talked about that know that show

226

00:11:44,920 --> 00:11:40,820

yeah I think there's a lot to that

227

00:11:46,720 --> 00:11:44,930

there's a lot of image like art artists

228

00:11:50,140 --> 00:11:46,730

imitating life but a life is also

229

00:11:53,560 --> 00:11:50,150

imitating art and I think you know being

230

00:12:01,410 --> 00:11:53,570

a communications major I just see it so

231

00:12:04,600 --> 00:12:01,420

so clearly how how our TV shows are

232

00:12:07,960 --> 00:12:04,610

series movies Hollywood movies

233

00:12:12,460 --> 00:12:07,970

everything is kind of navigating towards

234

00:12:15,910 --> 00:12:12,470

a certain area and you know whether it's

235

00:12:17,950 --> 00:12:15,920

superheroes or aliens and and that's

236

00:12:20,620 --> 00:12:17,960

pretty much it like it's going into time

237

00:12:22,810 --> 00:12:20,630

travel on some shows but if you if I

238

00:12:25,350 --> 00:12:22,820

would say that 80% of Hollywood shows

239

00:12:27,730 --> 00:12:25,360

that are blockbusters have to do with

240

00:12:30,530 --> 00:12:27,740

something like that superheroes are

241

00:12:33,680 --> 00:12:30,540

aliens I'm so glad that jeez

242

00:12:35,450 --> 00:12:33,690

said time travel mm-hmm because I was

243

00:12:41,540 --> 00:12:35,460

looking through something this morning

244

00:12:43,490 --> 00:12:41,550

and it was about Andrew basiago and what

245

00:12:45,740 --> 00:12:43,500

is unique about his story

246

00:12:47,630 --> 00:12:45,750

Nina of course if anyone in your

247

00:12:50,420 --> 00:12:47,640

colleges heard over me know the gist of

248

00:12:52,100 --> 00:12:50,430

this story it's time travel than that we

249

00:12:55,790 --> 00:12:52,110

have the technology okay

250

00:12:58,540 --> 00:12:55,800

I'm not a mathematician but I do know

251
00:13:02,540 --> 00:12:58,550
that the scientific community has said

252
00:13:03,200 --> 00:13:02,550
that mathematically it's possibly it's

253
00:13:06,290 --> 00:13:03,210
possible

254
00:13:08,150 --> 00:13:06,300
okay I'll go along with that they know

255
00:13:11,150 --> 00:13:08,160
more than I do that comes to science and

256
00:13:13,880 --> 00:13:11,160
math but my thing is can we do it

257
00:13:17,090 --> 00:13:13,890
logistically can we actually take a

258
00:13:18,110 --> 00:13:17,100
person or persons and actually do

259
00:13:23,450 --> 00:13:18,120
something like that

260
00:13:27,380 --> 00:13:23,460
now operation Mockingbird putting real

261
00:13:29,030 --> 00:13:27,390
Intel into fictional programming in the

262
00:13:32,990 --> 00:13:29,040
media whether it's a television show a

263
00:13:36,380 --> 00:13:33,000

movie or even books and magazines the

264

00:13:40,250 --> 00:13:36,390

show timeless the indicia NBC show

265

00:13:42,530 --> 00:13:40,260

timeless really struck a good chord with

266

00:13:45,440 --> 00:13:42,540

me and when I looked at I watched the

267

00:13:48,170 --> 00:13:45,450

pilot and I said to myself my god it's

268

00:13:51,530 --> 00:13:48,180

operation Mockingbird but nobody sees it

269

00:13:55,010 --> 00:13:51,540

you remember the pilot for that show did

270

00:13:58,760 --> 00:13:55,020

you happen to see very vaguely very

271

00:14:01,820 --> 00:13:58,770

really all right the time machine in the

272

00:14:03,680 --> 00:14:01,830

show that they were using of course it

273

00:14:06,290 --> 00:14:03,690

was a prophet was it real time she knows

274

00:14:09,770 --> 00:14:06,300

like but it was shaped and it looked

275

00:14:12,190 --> 00:14:09,780

like a human eye now let's say you

276

00:14:16,070 --> 00:14:12,200

wanted this is just bone-chilling

277

00:14:18,560 --> 00:14:16,080

the Rendlesham forest case Lieutenant

278

00:14:21,710 --> 00:14:18,570

Colonel Charles halt when he explained

279

00:14:26,360 --> 00:14:21,720

the light that he saw he said it looked

280

00:14:29,990 --> 00:14:26,370

like a human eye now this is in 1980

281

00:14:33,020 --> 00:14:30,000

when this happens okay so many years

282

00:14:36,410 --> 00:14:33,030

down the road we have a television show

283

00:14:39,160 --> 00:14:36,420

that's a fictional dramatization it's

284

00:14:42,950 --> 00:14:39,170

make-believe this fictitious fictitious

285

00:14:47,390 --> 00:14:42,960

story but putting the timeless

286

00:14:48,860 --> 00:14:47,400

in that show shaped like a human I did I

287

00:14:50,330 --> 00:14:48,870

got a picture and I'll send it to you

288

00:14:53,030 --> 00:14:50,340

after what the popular bike

289

00:14:56,030 --> 00:14:53,040

mm-hmm my thing is an operation

290

00:14:59,630 --> 00:14:56,040

Mockingbird because I know and I feel

291

00:15:04,610 --> 00:14:59,640

like let me say that that the military

292

00:15:07,130 --> 00:15:04,620

knew that Colonel halts story was real

293

00:15:08,510 --> 00:15:07,140

but they got it downplayed this was 1980

294

00:15:11,410 --> 00:15:08,520

you know there's a lot of controversy

295

00:15:14,750 --> 00:15:11,420

around the Rendlesham forest incident

296

00:15:16,490 --> 00:15:14,760

but Colonel Hall said he he looked at

297

00:15:19,210 --> 00:15:16,500

this thing and it looked like a human

298

00:15:23,000 --> 00:15:19,220

eye now you're taking a real event

299

00:15:26,510 --> 00:15:23,010

putting it into a television show nobody

300

00:15:28,430 --> 00:15:26,520

realizes that it's a lot more real than

301
00:15:32,150 --> 00:15:28,440
what they're realizing just like you

302
00:15:34,610 --> 00:15:32,160
said a minute ago and I cannot I don't

303
00:15:37,670 --> 00:15:34,620
remember if it was actually sergeant

304
00:15:41,020 --> 00:15:37,680
Penniston or airman John Burroughs it

305
00:15:45,880 --> 00:15:41,030
may have been the both of them but they

306
00:15:49,340 --> 00:15:45,890
theorized that the crash that they saw

307
00:15:52,730 --> 00:15:49,350
was a time machine there were time

308
00:15:56,320 --> 00:15:52,740
travelers now here is the skinny with

309
00:15:59,840 --> 00:15:56,330
this they fear as time travel and

310
00:16:02,300 --> 00:15:59,850
Colonel halts all aligned is what he

311
00:16:05,060 --> 00:16:02,310
said that looked like or attractive like

312
00:16:06,860 --> 00:16:05,070
a human eye so here you got it Colonel

313
00:16:10,490 --> 00:16:06,870

halt in a human eye and you've got

314

00:16:12,680 --> 00:16:10,500

Burris or innocence fear I think these

315

00:16:15,110 --> 00:16:12,690

are time travelers and come home if

316

00:16:17,630 --> 00:16:15,120

they're right the same thing and now

317

00:16:19,550 --> 00:16:17,640

you've got it on a television show but

318

00:16:21,650 --> 00:16:19,560

people will watch it and they were going

319

00:16:23,240 --> 00:16:21,660

to say oh it's a great show it's cool

320

00:16:24,980 --> 00:16:23,250

you know it tells about some of the

321

00:16:27,980 --> 00:16:24,990

things in history that kind of a thing

322

00:16:30,770 --> 00:16:27,990

which is true but they've got truth

323

00:16:33,590 --> 00:16:30,780

right there on television in front of

324

00:16:34,070 --> 00:16:33,600

them they don't realize it and it blew

325

00:16:36,190 --> 00:16:34,080

me away

326

00:16:39,080 --> 00:16:36,200

there's us watching the pilot and I saw

327

00:16:41,600 --> 00:16:39,090

the time machine there they were going

328

00:16:44,360 --> 00:16:41,610

to be using and I'm like oh my god how

329

00:16:45,650 --> 00:16:44,370

about Colonel Hall what he said and then

330

00:16:47,900 --> 00:16:45,660

I wrote it down I'm a little notebook

331

00:16:49,580 --> 00:16:47,910

operation Mockingbird about the showdown

332

00:16:51,290 --> 00:16:49,590

it's amazing

333

00:16:55,760 --> 00:16:51,300

you know it's good going forever on that

334

00:16:58,280 --> 00:16:55,770

well it's it's real it's it that's the

335

00:17:00,019 --> 00:16:58,290

scary thing is this is decent projects

336

00:17:02,240 --> 00:17:00,029

it actually happened and I mean there's

337

00:17:03,920 --> 00:17:02,250

the TV thing you said I mean there's a

338

00:17:04,640 --> 00:17:03,930

reason it's called programming and not

339

00:17:08,630 --> 00:17:04,650

entertainment

340

00:17:10,309 --> 00:17:08,640

this is I mean it's a very real and you

341

00:17:12,290 --> 00:17:10,319

they've even got it down to the Hertz

342

00:17:13,610 --> 00:17:12,300

that effect up certain areas of the

343

00:17:16,160 --> 00:17:13,620

brain when you really get into research

344

00:17:19,670 --> 00:17:16,170

this and you know that has to do with

345

00:17:22,130 --> 00:17:19,680

the digitization of the images and and

346

00:17:23,600 --> 00:17:22,140

how they have to keep tempo and it's

347

00:17:25,550 --> 00:17:23,610

just getting faster and faster the

348

00:17:28,189 --> 00:17:25,560

vibration I mean you look at older TV

349

00:17:30,590 --> 00:17:28,199

shows they were quite easy to follow the

350

00:17:33,350 --> 00:17:30,600

new ones it's I forget how many frame

351

00:17:36,050 --> 00:17:33,360

rates are second and they changes of

352

00:17:37,910 --> 00:17:36,060

angles and that all has a function and

353

00:17:38,900 --> 00:17:37,920

it all has something to do with the view

354

00:17:42,880 --> 00:17:38,910

in the mix that they're trying to

355

00:17:47,780 --> 00:17:42,890

program but yeah you're absolutely right

356

00:17:52,750 --> 00:17:47,790

it's it's it's really interesting that

357

00:17:57,880 --> 00:17:52,760

the the times are a-changing I mean

358

00:18:00,380 --> 00:17:57,890

everybody it seems like immediately is

359

00:18:02,660 --> 00:18:00,390

streaming constantly it's like what I've

360

00:18:05,919 --> 00:18:02,670

noticed if you go somewhere you wait

361

00:18:08,330 --> 00:18:05,929

everybody just engages with their phone

362

00:18:10,520 --> 00:18:08,340

literally like a small version of

363

00:18:13,460 --> 00:18:10,530

transhumanism like they just zombie out

364

00:18:15,320 --> 00:18:13,470

in public and it's called a zombie

365

00:18:19,040 --> 00:18:15,330

apocalypse that people said would happen

366

00:18:21,470 --> 00:18:19,050

and when these theories came out what do

367

00:18:23,330 --> 00:18:21,480

people think they think about zombies on

368

00:18:25,040 --> 00:18:23,340

the movies Walking Dead and all these

369

00:18:27,650 --> 00:18:25,050

other zombie pictures they think about

370

00:18:30,470 --> 00:18:27,660

the Dead coming up out of the ground but

371

00:18:33,320 --> 00:18:30,480

you're right it's another version of

372

00:18:36,230 --> 00:18:33,330

that so there's a zombie apocalypse is

373

00:18:40,630 --> 00:18:36,240

happening right now that's why you see

374

00:18:43,970 --> 00:18:40,640

people like you say working to restore

375

00:18:45,380 --> 00:18:43,980

parked on the side of the road run out

376

00:18:46,850 --> 00:18:45,390

there in the car and they're doing that

377

00:18:51,350 --> 00:18:46,860

then that's good but they don't need to

378

00:18:52,940 --> 00:18:51,360

be taking you see people not knowing

379

00:18:54,919 --> 00:18:52,950

what's going on around them they get

380

00:18:58,820 --> 00:18:54,929

their ear buds man and they're just a

381

00:19:01,530 --> 00:18:58,830

zombie out and it's like if if somebody

382

00:19:04,110 --> 00:19:01,540

I was in a grocery store one time enough

383

00:19:05,850 --> 00:19:04,120

this lady she had her ear but and she

384

00:19:07,050 --> 00:19:05,860

was talking on her phone and I'm praying

385

00:19:10,020 --> 00:19:07,060

it's okay she's not paying attention

386

00:19:13,710 --> 00:19:10,030

anything she not been over this display

387

00:19:15,570 --> 00:19:13,720

and means to associate sweating that and

388

00:19:19,530 --> 00:19:15,580

now that was last and I walked over that

389

00:19:21,870 --> 00:19:19,540

help but it's a great example and I

390

00:19:24,840 --> 00:19:21,880

don't honestly believe that the woman

391

00:19:27,390 --> 00:19:24,850

knew she did that because if she did I

392

00:19:29,280 --> 00:19:27,400

need you getting any self-respect you're

393

00:19:34,920 --> 00:19:29,290

gonna stop them so god I'm sorry she

394

00:19:36,030 --> 00:19:34,930

just kept walking it's like they just

395

00:19:38,490 --> 00:19:36,040

become oblivious

396

00:19:40,890 --> 00:19:38,500

it's janella yeah I'm so glad that you

397

00:19:42,360 --> 00:19:40,900

mentioned that but you know and I'm

398

00:19:43,950 --> 00:19:42,370

trying to get off subject here but it's

399

00:19:46,620 --> 00:19:43,960

kind of not - because one thing always

400

00:19:49,740 --> 00:19:46,630

lead to another but yeah Laura Laura

401
00:19:51,900 --> 00:19:49,750
Eisenhower told us about and her and her

402
00:19:54,000 --> 00:19:51,910
family they still say that President

403
00:19:58,430 --> 00:19:54,010
Eisenhower had a very special meeting at

404
00:20:01,440 --> 00:19:58,440
home near Fort Lee I know you know and

405
00:20:02,820 --> 00:20:01,450
people and on television you'll see it

406
00:20:06,030 --> 00:20:02,830
you know you'll see doctor meteors don't

407
00:20:09,720 --> 00:20:06,040
see be like making contact and when

408
00:20:12,570 --> 00:20:09,730
aliens they they will that ever happen

409
00:20:14,670 --> 00:20:12,580
in all this kind of stuff and primitive

410
00:20:17,480 --> 00:20:14,680
thinking which is what the human mind is

411
00:20:19,860 --> 00:20:17,490
I think it's going to be some type of

412
00:20:21,180 --> 00:20:19,870
Hollywood dramatization where the ships

413
00:20:23,760 --> 00:20:21,190

are falling over and they're going

414

00:20:24,030 --> 00:20:23,770

unfilled they're not done an attack like

415

00:20:28,140 --> 00:20:24,040

that

416

00:20:30,420 --> 00:20:28,150

how did pal it's the easiest way what's

417

00:20:33,180 --> 00:20:30,430

the easiest way to take something over

418

00:20:36,390 --> 00:20:33,190

or to take a person up what would you

419

00:20:39,300 --> 00:20:36,400

say that from within there you go the

420

00:20:42,540 --> 00:20:39,310

mind once you control the mind you

421

00:20:46,800 --> 00:20:42,550

control the person so we have all this

422

00:20:51,510 --> 00:20:46,810

technology that sounds great but I

423

00:20:55,470 --> 00:20:51,520

believe that it is a version of them

424

00:20:59,160 --> 00:20:55,480

actually taking over our planet by way

425

00:21:02,250 --> 00:20:59,170

of these devices like you say it's a

426
00:21:04,860 --> 00:21:02,260
zombie apocalypse the more Eisenhower

427
00:21:06,840 --> 00:21:04,870
said to me in an email she said the

428
00:21:09,090 --> 00:21:06,850
invasion has already happened now when

429
00:21:11,460 --> 00:21:09,100
she said that in the email

430
00:21:13,980 --> 00:21:11,470
my thing was okay it was the Eisenhower

431
00:21:16,799 --> 00:21:13,990
meeting that he had okay it makes sense

432
00:21:19,529 --> 00:21:16,809
it's not going to happen in the way that

433
00:21:21,980 --> 00:21:19,539
people think because they're taught to

434
00:21:24,779 --> 00:21:21,990
think this stuff's all science fiction

435
00:21:27,240 --> 00:21:24,789
so they're thinking it's going to be a

436
00:21:29,460 --> 00:21:27,250
fleet of ships blowing up buildings and

437
00:21:31,890 --> 00:21:29,470
whatnot when they don't realize it

438
00:21:34,010 --> 00:21:31,900

already happened and take over with in

439

00:21:36,539 --> 00:21:34,020

1958

440

00:21:38,010 --> 00:21:36,549

it's amazing you try to tell somebody

441

00:21:41,880 --> 00:21:38,020

that they're gonna call you nuts only

442

00:21:43,320 --> 00:21:41,890

because they're not informed like dr.

443

00:21:47,460 --> 00:21:43,330

Stanton Friedman would always say

444

00:21:50,430 --> 00:21:47,470

they're not informed on the product just

445

00:21:51,930 --> 00:21:50,440

think about it if you were like I used

446

00:21:53,820 --> 00:21:51,940

to be in the flooring business if you

447

00:21:55,740 --> 00:21:53,830

and your wife came in and wanted to know

448

00:21:57,539 --> 00:21:55,750

about boring but you always heard that

449

00:21:59,430 --> 00:21:57,549

hardwood it's the best thing then I

450

00:22:01,590 --> 00:21:59,440

explained it to you you don't think I'm

451
00:22:03,539 --> 00:22:01,600
crazy because you've never heard the

452
00:22:06,510 --> 00:22:03,549
pros and cons I would lay them out for

453
00:22:09,630 --> 00:22:06,520
you but then if I did that and you have

454
00:22:11,730 --> 00:22:09,640
a free-thinking mind you see that oh

455
00:22:13,260 --> 00:22:11,740
well okay maybe hard what's not the best

456
00:22:16,710 --> 00:22:13,270
we're family maybe we need to do this

457
00:22:19,289 --> 00:22:16,720
you know but it's programming you're

458
00:22:24,000 --> 00:22:19,299
right it's a version of mind control

459
00:22:26,310 --> 00:22:24,010
yeah and it's very wild you know I love

460
00:22:28,919 --> 00:22:26,320
when my my skeptical friends who are

461
00:22:30,750 --> 00:22:28,929
some of my best friends they say this

462
00:22:32,909 --> 00:22:30,760
just sounds so crazy to mean you don't

463
00:22:34,350 --> 00:22:32,919

you don't have to point them in to too

464

00:22:37,230 --> 00:22:34,360

many directions before they see the

465

00:22:38,430 --> 00:22:37,240

patterning and I usually point them

466

00:22:41,039 --> 00:22:38,440

first you know when I talk about

467

00:22:44,010 --> 00:22:41,049

transhumanism and AI and integrating

468

00:22:46,799 --> 00:22:44,020

into society the programming and I'll

469

00:22:49,529 --> 00:22:46,809

point to agenda 21 the United Nations

470

00:22:51,149 --> 00:22:49,539

and how them as well as the Bilderberg

471

00:22:55,590 --> 00:22:51,159

Group you'll notice that on the agenda

472

00:22:58,110 --> 00:22:55,600

the top three issues it's always AI now

473

00:23:00,060 --> 00:22:58,120

when why would a group like that be so

474

00:23:07,320 --> 00:23:00,070

ahead of the curve and this was years

475

00:23:11,100 --> 00:23:07,330

ago because they know the the the thing

476
00:23:12,299 --> 00:23:11,110
about and this is chemistry is kind of

477
00:23:17,549 --> 00:23:12,309
weird I can't believe I never admitted

478
00:23:21,629 --> 00:23:17,559
it or but the day after Roswell when

479
00:23:23,369 --> 00:23:21,639
lieutenant Corso came forward

480
00:23:25,919 --> 00:23:23,379
and said all the things he had said

481
00:23:29,749 --> 00:23:25,929
about the technology that he allegedly

482
00:23:34,440 --> 00:23:29,759
held in his hand he said that we were

483
00:23:41,039 --> 00:23:34,450
moving into eighth now listen to this a

484
00:23:43,889 --> 00:23:41,049
new world order of technology they think

485
00:23:48,029 --> 00:23:43,899
about this first three words now he's

486
00:23:49,859 --> 00:23:48,039
right because now at least the United

487
00:23:53,180 --> 00:23:49,869
States maybe other countries but at

488
00:23:57,599 --> 00:23:53,190

least the US had something otherworldly

489

00:24:02,159 --> 00:23:57,609

okay so it was our world was changing

490

00:24:03,899 --> 00:24:02,169

into a new world in it and it's the

491

00:24:06,329 --> 00:24:03,909

order of how things are going to happen

492

00:24:07,919 --> 00:24:06,339

I don't believe he was a part of any of

493

00:24:10,440 --> 00:24:07,929

the bonanni I mean that was just a

494

00:24:14,190 --> 00:24:10,450

phrase but the thing is the phrase is

495

00:24:17,609 --> 00:24:14,200

telling us that okay this is not the

496

00:24:19,529 --> 00:24:17,619

same ballgame okay we didn't have this

497

00:24:24,089 --> 00:24:19,539

before that's why our technology was

498

00:24:27,479 --> 00:24:24,099

slow moving and now it took off in the

499

00:24:30,899 --> 00:24:27,489

1950s I mean even though the Eisenhower

500

00:24:35,879 --> 00:24:30,909

treaty it did not happen until 1958 but

501
00:24:37,799 --> 00:24:35,889
you know in 1957 when valiant Thor met

502
00:24:41,969 --> 00:24:37,809
with President Eisenhower and Vice

503
00:24:44,489 --> 00:24:41,979
President Nixon and the response was to

504
00:24:46,289 --> 00:24:44,499
commander Thor well we this all sounds

505
00:24:49,199 --> 00:24:46,299
good but we can't do any of this it

506
00:24:52,319 --> 00:24:49,209
would make the economy in our country

507
00:24:55,139 --> 00:24:52,329
collapse now I've never heard anyone put

508
00:24:59,479 --> 00:24:55,149
this two and two together I have maybe

509
00:25:02,190 --> 00:24:59,489
someone else had I just had an urge but

510
00:25:03,989 --> 00:25:02,200
selling it for I believe that meeting

511
00:25:07,739 --> 00:25:03,999
happened and he lived at the Pentagon

512
00:25:11,579 --> 00:25:07,749
from 1957 to 1960 okay I believe that

513
00:25:14,279 --> 00:25:11,589

but I believe that valiant Thor had to

514

00:25:16,589 --> 00:25:14,289

have had something to do with the

515

00:25:22,440 --> 00:25:16,599

meeting that President Eisenhower had in

516

00:25:24,810 --> 00:25:22,450

1958 there's no way around in my opinion

517

00:25:28,889 --> 00:25:24,820

and the only reason is because the ice

518

00:25:31,529 --> 00:25:28,899

and our family stand behind the value or

519

00:25:33,960 --> 00:25:31,539

story even to this day and it's not just

520

00:25:36,729 --> 00:25:33,970

one is it's the whole thing so

521

00:25:38,379 --> 00:25:36,739

there's got to be truth there but it's

522

00:25:41,200 --> 00:25:38,389

never going to be a truth that you and I

523

00:25:44,560 --> 00:25:41,210

or any of our fellow colleagues Chuck

524

00:25:47,619 --> 00:25:44,570

Zukowski or whoever can get evidence of

525

00:25:49,810 --> 00:25:47,629

because it's so amazing no evidence will

526

00:25:52,720 --> 00:25:49,820

be you know I had miles and the

527

00:25:55,509 --> 00:25:52,730

wrestlers wake up but I just choose not

528

00:25:57,479 --> 00:25:55,519

to take any perfumes but if you look to

529

00:26:00,639 --> 00:25:57,489

somebody and say it's wrestling they're

530

00:26:02,019 --> 00:26:00,649

okay people have been told it's fakers

531

00:26:06,009 --> 00:26:02,029

they want when they were little kids

532

00:26:08,169 --> 00:26:06,019

okay but the thing is if someone asks me

533

00:26:09,970 --> 00:26:08,179

that question no matter what answer I

534

00:26:11,950 --> 00:26:09,980

give them it's what I'm going to do

535

00:26:14,080 --> 00:26:11,960

because they got it set up in their mind

536

00:26:17,109 --> 00:26:14,090

that it is they just simply either start

537

00:26:19,859 --> 00:26:17,119

trouble or just see how I react which is

538

00:26:22,479 --> 00:26:19,869

a starting trouble if you ask me but

539

00:26:24,340 --> 00:26:22,489

it's the same thing when you follow you

540

00:26:26,200 --> 00:26:24,350

try to tell somebody that presen I know

541

00:26:32,799 --> 00:26:26,210

it's my first thing they're going to say

542

00:26:35,109 --> 00:26:32,809

is why didn't any people yeah the

543

00:26:37,060 --> 00:26:35,119

valiant third story has a lot it's an

544

00:26:40,330 --> 00:26:37,070

interesting story first of all and

545

00:26:42,099 --> 00:26:40,340

there's a lot that can be traced but

546

00:26:44,200 --> 00:26:42,109

you're right if it's not in the history

547

00:26:47,019 --> 00:26:44,210

books I always love that because I mean

548

00:26:48,960 --> 00:26:47,029

really the who's writing the history

549

00:26:53,710 --> 00:26:48,970

books that's what it comes down to

550

00:26:55,560 --> 00:26:53,720

mm-hmm that's all it comes down to the

551
00:26:59,109 --> 00:26:55,570
news I mean it's just like the news that

552
00:27:01,690 --> 00:26:59,119
it gets and then I gotta say this about

553
00:27:03,999 --> 00:27:01,700
the national news tucker carlson

554
00:27:07,599 --> 00:27:04,009
i am very appreciative of him and how

555
00:27:11,109 --> 00:27:07,609
he's reporting these UFO stories now it

556
00:27:13,570 --> 00:27:11,119
is not up to him what text or put on the

557
00:27:18,820 --> 00:27:13,580
television screen okay he has nothing to

558
00:27:23,169 --> 00:27:18,830
do with that but anytime CNN or Fox News

559
00:27:27,879 --> 00:27:23,179
or whoever does a UFO story whenever you

560
00:27:32,320 --> 00:27:27,889
put a reference on the screen up from

561
00:27:35,379 --> 00:27:32,330
the x-files TV show like the truth is

562
00:27:38,229 --> 00:27:35,389
out there or whatever people are not

563
00:27:41,019 --> 00:27:38,239

going to take it serious because that is

564

00:27:43,989 --> 00:27:41,029

from a Hollywood creation which is

565

00:27:46,509 --> 00:27:43,999

fictional every time they do that it

566

00:27:47,230 --> 00:27:46,519

hurts the story that's trying to be told

567

00:27:49,810 --> 00:27:47,240

and I'm

568

00:27:53,080 --> 00:27:49,820

so when Tucker Carlson was doing all the

569

00:27:55,240 --> 00:27:53,090

reports on these three Navy videos that

570

00:27:59,260 --> 00:27:55,250

were released okay

571

00:28:02,770 --> 00:27:59,270

I believe he was doing his job as a

572

00:28:03,880 --> 00:28:02,780

journalist and recording this but the

573

00:28:05,919 --> 00:28:03,890

news network

574

00:28:08,890 --> 00:28:05,929

tom was kind of shooting us in the foot

575

00:28:11,919 --> 00:28:08,900

because their references referencing

576

00:28:15,040 --> 00:28:11,929

this to the X file you've got to

577

00:28:17,169 --> 00:28:15,050

separate the two Hollywood creation good

578

00:28:21,400 --> 00:28:17,179

it's great entertainment but when you

579

00:28:24,730 --> 00:28:21,410

get three real events that need to be

580

00:28:26,560 --> 00:28:24,740

looked at leave Hollywood alone let's

581

00:28:29,490 --> 00:28:26,570

look at what really really happened to

582

00:28:32,049 --> 00:28:29,500

you so these from these Navy pilots okay

583

00:28:36,790 --> 00:28:32,059

that's what we need to do and it

584

00:28:39,490 --> 00:28:36,800

confuses the general public now Ryan are

585

00:28:42,520 --> 00:28:39,500

you aware of what the Pentagon is now

586

00:28:44,710 --> 00:28:42,530

saying about Lewis Amazon that Louie I'm

587

00:28:46,110 --> 00:28:44,720

sorry Louella Thunder it's it's pretty

588

00:28:49,180 --> 00:28:46,120

muddled

589

00:28:51,400 --> 00:28:49,190

okay well Louie was under as you know

590

00:28:56,590 --> 00:28:51,410

historian he said he ran to eat that

591

00:28:59,290 --> 00:28:56,600

burger yeah okay now and he pushed to

592

00:29:04,299 --> 00:28:59,300

have these three videos Declassified

593

00:29:07,480 --> 00:29:04,309

okay they're Declassified all right now

594

00:29:09,760 --> 00:29:07,490

the Pentagon is now saying that he did

595

00:29:13,150 --> 00:29:09,770

not have anything to do with the program

596

00:29:15,190 --> 00:29:13,160

okay they're changing things putting

597

00:29:18,370 --> 00:29:15,200

that out in the public's of someone

598

00:29:20,169 --> 00:29:18,380

that's not a believer when you say okay

599

00:29:22,750 --> 00:29:20,179

what Lou al was under there was the

600

00:29:25,930 --> 00:29:22,760

leader of this HF program he ran it and

601
00:29:28,000 --> 00:29:25,940
then all of a sudden the Pentagon said

602
00:29:28,480 --> 00:29:28,010
oh no he wasn't people don't know what

603
00:29:30,760 --> 00:29:28,490
to believe

604
00:29:32,799 --> 00:29:30,770
and what happens they look at the

605
00:29:35,980 --> 00:29:32,809
situation like it's all a bunch of bull

606
00:29:38,799 --> 00:29:35,990
mm-hm and it's killing everything to mr.

607
00:29:41,590 --> 00:29:38,809
Elizondo I was trying to do and I'm

608
00:29:43,720 --> 00:29:41,600
saying that in defense of you know

609
00:29:45,970 --> 00:29:43,730
changing changing the history would

610
00:29:48,580 --> 00:29:45,980
happen in John burrows we talked about

611
00:29:50,380 --> 00:29:48,590
that last year about his records very

612
00:29:53,620 --> 00:29:50,390
little okay

613
00:29:55,590 --> 00:29:53,630

well as you know 1980 was the Rendlesham

614

00:29:58,450 --> 00:29:55,600

forest incident okay

615

00:29:59,330 --> 00:29:58,460

airman Burroughs was there with Colonel

616

00:30:01,940 --> 00:29:59,340

Hall and

617

00:30:05,480 --> 00:30:01,950

and sergeant Penniston he was in the Air

618

00:30:08,869 --> 00:30:05,490

Force in 1980 but when he tried to apply

619

00:30:11,570 --> 00:30:08,879

for military benefit the records say he

620

00:30:14,899 --> 00:30:11,580

didn't enter the Air Force until 1982 or

621

00:30:17,180 --> 00:30:14,909

three now that's obviously a lie he was

622

00:30:22,100 --> 00:30:17,190

there because you heard his name uncurl

623

00:30:25,299 --> 00:30:22,110

all recording and then they had to he

624

00:30:28,909 --> 00:30:25,309

had to sue to get his medical records

625

00:30:31,789 --> 00:30:28,919

his military records now why would

626

00:30:35,570 --> 00:30:31,799

anyone need to sue to get their own

627

00:30:38,119 --> 00:30:35,580

personal records eventually he did you

628

00:30:40,549 --> 00:30:38,129

know he got why would that happen and

629

00:30:42,980 --> 00:30:40,559

it's the same with Bob Lazar he comes

630

00:30:44,720 --> 00:30:42,990

forward with this amazing claim and then

631

00:30:49,009 --> 00:30:44,730

all of a sudden there's no record of him

632

00:30:52,299 --> 00:30:49,019

working at E and G and Los Alamos and

633

00:30:55,100 --> 00:30:52,309

all these places but if it wasn't for

634

00:30:56,960 --> 00:30:55,110

some employee that had an old songbook

635

00:31:00,289 --> 00:30:56,970

and his name was right there in it that

636

00:31:02,180 --> 00:31:00,299

crew team had to be there so these

637

00:31:06,379 --> 00:31:02,190

people that are coming forward their

638

00:31:08,480 --> 00:31:06,389

credibility is being erased away there's

639

00:31:11,840 --> 00:31:08,490

no telling how much more than happen oh

640

00:31:14,619 --> 00:31:11,850

it's happening fast very fast I mean

641

00:31:18,080 --> 00:31:14,629

it's amazing how fast they're able to I

642

00:31:19,879 --> 00:31:18,090

was told I can't talk about where this

643

00:31:22,999 --> 00:31:19,889

was but somebody was basically

644

00:31:27,080 --> 00:31:23,009

whistleblowing on a top-secret project

645

00:31:28,340 --> 00:31:27,090

and they just decided to ruin this it

646

00:31:31,549 --> 00:31:28,350

was a woman in this case they just

647

00:31:34,039 --> 00:31:31,559

decided to ruin her life online and they

648

00:31:36,980 --> 00:31:34,049

I guess this is a new common practice

649

00:31:38,680 --> 00:31:36,990

they they throw some cyber where at you

650

00:31:43,700 --> 00:31:38,690

and they get your passwords and then

651
00:31:44,960 --> 00:31:43,710
they get you all virus DUP and in

652
00:31:46,279 --> 00:31:44,970
connection with things that you

653
00:31:49,779 --> 00:31:46,289
shouldn't be in connection with and

654
00:31:51,950 --> 00:31:49,789
that's just kind of the end of you yeah

655
00:31:54,109 --> 00:31:51,960
kind of makes you wonder all these

656
00:31:57,529 --> 00:31:54,119
pedophile stories actually real yeah if

657
00:31:59,330 --> 00:31:57,539
it's like a new way of new way of taking

658
00:32:01,190 --> 00:31:59,340
care of people with very little effort

659
00:32:02,779 --> 00:32:01,200
you never have to you never have to

660
00:32:04,730 --> 00:32:02,789
leave your office you can do all of this

661
00:32:06,830 --> 00:32:04,740
online you don't have to go scope them

662
00:32:10,070 --> 00:32:06,840
out like the old days and no magnum p.i

663
00:32:11,690 --> 00:32:10,080

stuff you just you just

664

00:32:16,940 --> 00:32:11,700

like you said attack them from the

665

00:32:21,230 --> 00:32:16,950

inside out you know I guarantee someone

666

00:32:25,330 --> 00:32:21,240

like me or you or Chuck Zukowski err any

667

00:32:28,159 --> 00:32:25,340

other I guess you would call it

668

00:32:31,730 --> 00:32:28,169

self-motivated investigators with this

669

00:32:35,509 --> 00:32:31,740

there is no way in the world that we

670

00:32:40,090 --> 00:32:35,519

don't have somewhere and there's no way

671

00:32:42,320 --> 00:32:40,100

in the world CIA because with all of the

672

00:32:47,120 --> 00:32:42,330

podcast and radio shows and television

673

00:32:48,560 --> 00:32:47,130

shows they're watching you know you know

674

00:32:50,149 --> 00:32:48,570

the technically if you're talking about

675

00:32:52,970 --> 00:32:50,159

a subject you know you can't get

676

00:32:55,669 --> 00:32:52,980

interested for that but if you say the

677

00:32:57,950 --> 00:32:55,679

wrong thing your life will be ruined

678

00:33:04,159 --> 00:32:57,960

now gary mckinnon we all know what he

679

00:33:06,110 --> 00:33:04,169

did so the fact that he found what he

680

00:33:09,350 --> 00:33:06,120

found is really what kept him out of

681

00:33:11,180 --> 00:33:09,360

jail because if you missed it they would

682

00:33:13,750 --> 00:33:11,190

have charged him with that took him to

683

00:33:16,519 --> 00:33:13,760

court all of that would be on the back

684

00:33:21,230 --> 00:33:16,529

so what do you do what do you do you

685

00:33:23,659 --> 00:33:21,240

drop the charges and discredit so if he

686

00:33:27,560 --> 00:33:23,669

found the goal the goose that laid the

687

00:33:29,149 --> 00:33:27,570

golden egg if you ask me because the

688

00:33:32,090 --> 00:33:29,159

fact that the non-terrestrial officers

689

00:33:34,730 --> 00:33:32,100

were there that he found the information

690

00:33:37,370 --> 00:33:34,740

tells us that we have people working off

691

00:33:40,399 --> 00:33:37,380

this planet which gives my I feel my

692

00:33:42,110 --> 00:33:40,409

credibility to the fact that project

693

00:33:45,049 --> 00:33:42,120

horizon or something like it did happen

694

00:33:46,909 --> 00:33:45,059

you know because if you got

695

00:33:50,389 --> 00:33:46,919

non-terrestrial officers I mean where

696

00:33:52,009 --> 00:33:50,399

are they I fear as the moon now Corey

697

00:33:54,350 --> 00:33:52,019

Mueller have said that yes we have a

698

00:33:57,710 --> 00:33:54,360

base on Mars and you know what I

699

00:33:59,450 --> 00:33:57,720

wouldn't be surprised but my first

700

00:34:01,430 --> 00:33:59,460

thought is it's a little bit easier to

701
00:34:03,169 --> 00:34:01,440
have them on the moon as the closest but

702
00:34:05,060 --> 00:34:03,179
you know what there's a lot of

703
00:34:06,980 --> 00:34:05,070
technology I know I don't know about

704
00:34:10,310 --> 00:34:06,990
so everything that Corey Goode has been

705
00:34:11,389 --> 00:34:10,320
saying it's potentially true I can't say

706
00:34:13,940 --> 00:34:11,399
it's false because I don't have the

707
00:34:17,030 --> 00:34:13,950
evidence but with knowing that we have

708
00:34:19,399 --> 00:34:17,040
non-terrestrial officers in reality so

709
00:34:21,109 --> 00:34:19,409
maybe they're you know where the

710
00:34:22,909 --> 00:34:21,119
public's are less to know about all this

711
00:34:27,049 --> 00:34:22,919
and when Barack Obama

712
00:34:29,450 --> 00:34:27,059
so we're gonna start planning and a

713
00:34:32,240 --> 00:34:29,460

journey to Mars I'm thinking to myself

714

00:34:34,220 --> 00:34:32,250

okay he says this and coming by ten

715

00:34:36,799 --> 00:34:34,230

years after after the fact we'll

716

00:34:38,899 --> 00:34:36,809

announce we were finally there just like

717

00:34:41,029 --> 00:34:38,909

the moon landing we were there before 69

718

00:34:43,159 --> 00:34:41,039

but when commander Armstrong walked on

719

00:34:44,509 --> 00:34:43,169

the moon that was disclosure or telling

720

00:34:46,430 --> 00:34:44,519

everybody okay we're here

721

00:34:47,899 --> 00:34:46,440

but you just don't know how long we've

722

00:34:51,529 --> 00:34:47,909

been here you know it's not telling the

723

00:34:55,299 --> 00:34:51,539

whole truth so it's like these tr3 bees

724

00:34:57,980 --> 00:34:55,309

that in reality that pretty much already

725

00:35:00,920 --> 00:34:57,990

Declassified everybody knows about but

726

00:35:03,319 --> 00:35:00,930

just because they haven't sent out a an

727

00:35:05,299 --> 00:35:03,329

official memorandum to the public these

728

00:35:07,839 --> 00:35:05,309

things don't exist it's kind of like hey

729

00:35:10,910 --> 00:35:07,849

51 and you could look up on Google

730

00:35:12,529 --> 00:35:10,920

Images or you can well yeah Google

731

00:35:16,009 --> 00:35:12,539

Images and you see all these pictures of

732

00:35:18,380 --> 00:35:16,019

the base well what you could see for it

733

00:35:21,410 --> 00:35:18,390

the underground stuff the bases there

734

00:35:23,720 --> 00:35:21,420

you got all these signs out so the base

735

00:35:25,160 --> 00:35:23,730

is there but just because the CIA said

736

00:35:27,230 --> 00:35:25,170

oh no we don't have nothing out there

737

00:35:29,470 --> 00:35:27,240

but don't go out there you'll get shot

738

00:35:32,180 --> 00:35:29,480

you know come on I mean come on you know

739

00:35:34,249 --> 00:35:32,190

so all these people were just gonna try

740

00:35:37,960 --> 00:35:34,259

to charge that daggone base on September

741

00:35:40,579 --> 00:35:37,970

the 20th or allegedly do it I cannot

742

00:35:42,019 --> 00:35:40,589

sometimes something with that is a that

743

00:35:45,589 --> 00:35:42,029

it's a distraction

744

00:35:47,720 --> 00:35:45,599

I believe so - I believe so - there was

745

00:35:51,289 --> 00:35:47,730

a lot going on I believe it was actually

746

00:35:53,029 --> 00:35:51,299

a distraction from the evidence that you

747

00:35:55,370 --> 00:35:53,039

were talking about with fleece Elizondo

748

00:35:57,140 --> 00:35:55,380

because here we had the Pentagon saying

749

00:35:59,089 --> 00:35:57,150

no I had we had nothing to do with him

750

00:36:01,910 --> 00:35:59,099

and then all of a sudden it was like

751
00:36:04,849 --> 00:36:01,920
that's over all sudden it's storm area51

752
00:36:10,670 --> 00:36:04,859
just the most ridiculous idea and

753
00:36:13,249 --> 00:36:10,680
concept and you know it was very very

754
00:36:15,829 --> 00:36:13,259
easy I don't know if that was the only

755
00:36:18,410 --> 00:36:15,839
thing but I believe it was a distraction

756
00:36:21,019 --> 00:36:18,420
as well some house okay and and the kid

757
00:36:22,849 --> 00:36:21,029
the kid I think I think his name was

758
00:36:25,190 --> 00:36:22,859
Manny Johnson I've been trying to find

759
00:36:28,670 --> 00:36:25,200
out if he had any connection to anybody

760
00:36:34,160 --> 00:36:28,680
in the military his mom dad or anybody

761
00:36:35,269 --> 00:36:34,170
because if he posted that event on

762
00:36:40,640 --> 00:36:35,279
Facebook about

763
00:36:43,669 --> 00:36:40,650

Stormin area 51 okay somebody if if our

764

00:36:47,049 --> 00:36:43,679

theories are correct somebody put him up

765

00:36:49,579 --> 00:36:47,059

to that okay so who could it have been

766

00:36:52,219 --> 00:36:49,589

obviously I would say somebody within

767

00:36:56,809 --> 00:36:52,229

the CIA but of course it's just a theory

768

00:36:58,909 --> 00:36:56,819

that somebody put him up to that now it

769

00:37:01,969 --> 00:36:58,919

could be that he's just an ignorant

770

00:37:04,579 --> 00:37:01,979

person because there's a lot of those

771

00:37:06,549 --> 00:37:04,589

but I agree with you I think this was

772

00:37:13,339 --> 00:37:06,559

done purposely as a distraction I

773

00:37:15,409 --> 00:37:13,349

believe probably a week or so either a

774

00:37:19,039 --> 00:37:15,419

week before that - of that date or a

775

00:37:21,919 --> 00:37:19,049

week after something big is gonna hit

776

00:37:24,890 --> 00:37:21,929

the news yeah because we also forgot all

777

00:37:27,049 --> 00:37:24,900

about the all about the emails back and

778

00:37:29,449 --> 00:37:27,059

forth from Eric Davis - you know the

779

00:37:32,209 --> 00:37:29,459

bass people with the UFOs and the

780

00:37:34,519 --> 00:37:32,219

possible alien autopsy stuff all of that

781

00:37:37,640 --> 00:37:34,529

was also just completely forgotten about

782

00:37:40,009 --> 00:37:37,650

with this ridiculous meme and now yeah

783

00:37:42,049 --> 00:37:40,019

there's quite a few different things

784

00:37:43,699 --> 00:37:42,059

that were really we were really getting

785

00:37:45,679 --> 00:37:43,709

some stuff done and it seemed like we

786

00:37:47,239 --> 00:37:45,689

were at a culmination of her some light

787

00:37:49,099 --> 00:37:47,249

would really be shed in some certain

788

00:37:50,959 --> 00:37:49,109

areas and then it was just like it was

789

00:37:56,179 --> 00:37:50,969

all washed over by a wave of stupidity

790

00:38:00,589 --> 00:37:56,189

you know I can't remember I think it was

791

00:38:04,910 --> 00:38:00,599

a Citizen hearing on disclosure yes I

792

00:38:06,309 --> 00:38:04,920

think that's what it was in 2001 and

793

00:38:09,019 --> 00:38:06,319

[Music]

794

00:38:11,599 --> 00:38:09,029

those and this would have been when I

795

00:38:14,689 --> 00:38:11,609

believe Larry King Live was still on CNN

796

00:38:17,529 --> 00:38:14,699

every night anyway they were having

797

00:38:20,630 --> 00:38:17,539

those meetings and those testimonies and

798

00:38:23,569 --> 00:38:20,640

right even like right at the peak of it

799

00:38:26,469 --> 00:38:23,579

right when it ended 9/11 happened yeah

800

00:38:30,349 --> 00:38:26,479

and then all of that was forgotten and

801
00:38:37,969 --> 00:38:30,359
with what we have heard about 9/11 it

802
00:38:39,349 --> 00:38:37,979
makes sense that but possibly that could

803
00:38:42,390 --> 00:38:39,359
have been a distraction from the

804
00:38:47,370 --> 00:38:42,400
citizens hearing on disclosure now

805
00:38:53,820 --> 00:38:47,380
in 2013 mike mike i'm saying his name

806
00:38:57,810 --> 00:38:53,830
right Mike Gravel gr ADL mm-hmm said to

807
00:39:00,510 --> 00:38:57,820
a sergeant David something I can't the

808
00:39:03,660 --> 00:39:00,520
gentleman's last night he asked the

809
00:39:07,710 --> 00:39:03,670
senator about a secret space program and

810
00:39:09,750 --> 00:39:07,720
Mike Gravel the senator said yes we do

811
00:39:12,750 --> 00:39:09,760
have a secret Spacely

812
00:39:16,970 --> 00:39:12,760
it's in operation but you never heard

813
00:39:21,570 --> 00:39:16,980

anything more about it this was in 2013

814

00:39:23,340 --> 00:39:21,580

so how would that senator know that how

815

00:39:25,410 --> 00:39:23,350

would he even if he's lying

816

00:39:29,520 --> 00:39:25,420

how would he know to lie about something

817

00:39:31,970 --> 00:39:29,530

like that yeah for the record under now

818

00:39:38,370 --> 00:39:31,980

Matt you know we're saying all these

819

00:39:42,390 --> 00:39:38,380

stories are senators being debriefed on

820

00:39:46,500 --> 00:39:42,400

UFOs and this has happened after Louie

821

00:39:48,990 --> 00:39:46,510

Elizondo got those three videos released

822

00:39:51,780 --> 00:39:49,000

there's a connection in between those

823

00:39:55,620 --> 00:39:51,790

two events those videos being released

824

00:39:58,140 --> 00:39:55,630

and the Senators or letting us know that

825

00:40:00,840 --> 00:39:58,150

the Senators have been debriefed now in

826

00:40:03,690 --> 00:40:00,850

2013 by Senator Mike Gravel saying that

827

00:40:05,340 --> 00:40:03,700

I know he had to be debrief and probably

828

00:40:10,640 --> 00:40:05,350

others but we didn't know it then but we

829

00:40:13,260 --> 00:40:10,650

know it now that's right mm-hmm and I

830

00:40:14,970 --> 00:40:13,270

don't know I guess I guess I remember

831

00:40:17,580 --> 00:40:14,980

things and I guess I'm just putting

832

00:40:19,680 --> 00:40:17,590

pieces together I guess because I know

833

00:40:23,310 --> 00:40:19,690

you've read my theory of our technology

834

00:40:28,080 --> 00:40:23,320

but during the Kennedy administration

835

00:40:31,710 --> 00:40:28,090

and this is telling me now while Kennedy

836

00:40:36,810 --> 00:40:31,720

made his moon speeches what I'm going to

837

00:40:39,300 --> 00:40:36,820

call it in 1961 John F Kennedy started

838

00:40:43,520 --> 00:40:39,310

the National Reconnaissance Office it

839

00:40:47,880 --> 00:40:43,530

was a secret tape its own secret space

840

00:40:56,009 --> 00:40:51,370

JFK knew about the secret space program

841

00:41:00,819 --> 00:40:56,019

and projects possibly to come okay

842

00:41:02,650 --> 00:41:00,829

because the 61 the N already starts up

843

00:41:04,539 --> 00:41:02,660

and people did not really understand

844

00:41:07,739 --> 00:41:04,549

they had no it wasn't six wonders or

845

00:41:10,809 --> 00:41:07,749

wasn't the classified cover nineties and

846

00:41:13,900 --> 00:41:10,819

that was the beginning that is where we

847

00:41:16,539 --> 00:41:13,910

went from project horizon to the NIRS to

848

00:41:20,169 --> 00:41:16,549

Seoul award so the NRL was what really

849

00:41:23,229 --> 00:41:20,179

got solar warden going mm-hmm and I'm

850

00:41:25,239 --> 00:41:23,239

like okay if the president President

851
00:41:27,669 --> 00:41:25,249
Kennedy knew we had the secret space

852
00:41:31,539 --> 00:41:27,679
project a new daggone well we could

853
00:41:34,870 --> 00:41:31,549
either get to the moon or he may have

854
00:41:39,699 --> 00:41:34,880
suspected we were already there and and

855
00:41:43,029 --> 00:41:39,709
in reality 1961 when he created the NRA

856
00:41:46,179 --> 00:41:43,039
where he started the NRA that probably

857
00:41:48,519 --> 00:41:46,189
was the beginning of us actually being

858
00:41:52,029 --> 00:41:48,529
there that's that's something I've put

859
00:41:54,519 --> 00:41:52,039
together so the 1958 was President

860
00:41:57,969 --> 00:41:54,529
Eisenhower's meeting and 1961 with

861
00:42:00,689 --> 00:41:57,979
President Kennedy starting the NRL that

862
00:42:05,109 --> 00:42:00,699
was s on the mouth that's that was the

863
00:42:08,229 --> 00:42:05,119

political program or the political plan

864

00:42:10,089 --> 00:42:08,239

or operation even though I had said and

865

00:42:11,620 --> 00:42:10,099

I still will say this the only reason we

866

00:42:14,140 --> 00:42:11,630

got this because we weren't biting and

867

00:42:16,359 --> 00:42:14,150

they helped us they helped us build our

868

00:42:18,819 --> 00:42:16,369

Space Station on the dark Ottoman I'm

869

00:42:20,529 --> 00:42:18,829

going to go so far as to say well maybe

870

00:42:22,509 --> 00:42:20,539

we don't have our own but we're working

871

00:42:24,309 --> 00:42:22,519

with them and it's basically I was as

872

00:42:26,079 --> 00:42:24,319

part of the treaty that's how we got

873

00:42:28,319 --> 00:42:26,089

there but you're not going to put that

874

00:42:30,509 --> 00:42:28,329

in a book into facts fiction yeah yeah

875

00:42:33,729 --> 00:42:30,519

cooperation people would never believe

876

00:42:35,319 --> 00:42:33,739

cooperation but honestly you know I

877

00:42:41,199 --> 00:42:35,329

don't see what the other alternative

878

00:42:43,769 --> 00:42:41,209

would be when you have the situation

879

00:42:46,329 --> 00:42:43,779

that we have which we have a very

880

00:42:47,709 --> 00:42:46,339

unbelievable space program where we go

881

00:42:52,349 --> 00:42:47,719

to the moon and then we don't go back

882

00:42:55,569 --> 00:42:52,359

for 50 years we it's just it's just

883

00:42:57,969 --> 00:42:55,579

unbelievable and and you know of any

884

00:42:59,160 --> 00:42:57,979

project and and you know I had that I

885

00:43:01,630 --> 00:42:59,170

had

886

00:43:04,840 --> 00:43:01,640

wonderful opportunity to take gene

887

00:43:08,920 --> 00:43:04,850

cernan who was last man on the moon as a

888

00:43:11,800 --> 00:43:08,930

fly-fishing client for about a week and

889

00:43:14,580 --> 00:43:11,810

he was in my boat we spoke a lot we

890

00:43:19,990 --> 00:43:14,590

talked a lot but at the end of the day I

891

00:43:21,670 --> 00:43:20,000

wasn't convinced and the questions I had

892

00:43:23,020 --> 00:43:21,680

to ask you would think being there you

893

00:43:25,720 --> 00:43:23,030

could answer and it's not that he didn't

894

00:43:27,280 --> 00:43:25,730

answer them in the correct way but you

895

00:43:29,710 --> 00:43:27,290

know being with him all that time it

896

00:43:33,700 --> 00:43:29,720

just didn't seem it kind of just seemed

897

00:43:35,260 --> 00:43:33,710

to canned and scripted and you know you

898

00:43:36,850 --> 00:43:35,270

hear this with astronauts I mean there's

899

00:43:39,040 --> 00:43:36,860

even a theory out there that astronauts

900

00:43:41,350 --> 00:43:39,050

have you know have to do what they're

901
00:43:45,730 --> 00:43:41,360
told or they're in big trouble

902
00:43:49,420 --> 00:43:45,740
and yeah so there's I think that our

903
00:43:52,359 --> 00:43:49,430
space program you know there is most

904
00:43:56,640 --> 00:43:52,369
likely a declassified program going on

905
00:43:59,770 --> 00:43:56,650
as well oh absolutely because it's and

906
00:44:03,640 --> 00:43:59,780
ever the evidence of that quite simply

907
00:44:07,109 --> 00:44:03,650
is the NRO yeah when President Kennedy

908
00:44:10,060 --> 00:44:07,119
started the NRO nobody knew about it and

909
00:44:12,160 --> 00:44:10,070
in all really the reason we were able to

910
00:44:15,160 --> 00:44:12,170
have something like that it's the

911
00:44:16,720 --> 00:44:15,170
technology from that the technology from

912
00:44:17,430 --> 00:44:16,730
that I don't believe Kennedy know about

913
00:44:28,930 --> 00:44:17,440

it

914

00:44:32,200 --> 00:44:28,940

because apparent that be getting tears

915

00:44:34,359 --> 00:44:32,210

from him they told him to slip off and I

916

00:44:37,660 --> 00:44:34,369

don't believe that he knew about us in

917

00:44:41,170 --> 00:44:37,670

the moon and our contact I don't believe

918

00:44:43,150 --> 00:44:41,180

he did but in my opinion I think he was

919

00:44:45,730 --> 00:44:43,160

a smart man he probably suspected a

920

00:44:48,690 --> 00:44:45,740

whole lot of things but he probably he

921

00:44:52,390 --> 00:44:48,700

was never officially told a lot I and

922

00:44:55,210 --> 00:44:52,400

but there again you know maybe somebody

923

00:44:58,810 --> 00:44:55,220

did unofficially telling it's difficult

924

00:45:03,070 --> 00:44:58,820

to say but the NRO is what got us into

925

00:45:04,990 --> 00:45:03,080

the solar warden jazz and what's going

926
00:45:07,330 --> 00:45:05,000
on and so the ward and I get asked all

927
00:45:09,670 --> 00:45:07,340
the time what's going on in solar warden

928
00:45:10,160 --> 00:45:09,680
what are they doing blah blah and of

929
00:45:12,950 --> 00:45:10,170
course I

930
00:45:18,620 --> 00:45:12,960
no but now you ready for this grab your

931
00:45:21,890 --> 00:45:18,630
socks and pull the NRA their catchphrase

932
00:45:26,540 --> 00:45:21,900
is we own the night okay

933
00:45:31,010 --> 00:45:26,550
it's a lot of the tr3 triangles and the

934
00:45:32,810 --> 00:45:31,020
TRF six tell us is made of black no okay

935
00:45:34,670 --> 00:45:32,820
well you can hide at night you pretty

936
00:45:40,040 --> 00:45:34,680
much deal on the night but the key is

937
00:45:44,060 --> 00:45:40,050
why are they saying we on the night now

938
00:45:45,470 --> 00:45:44,070

I'm gonna say this is my theory the

939

00:45:47,900 --> 00:45:45,480

first thing I think I showed you this

940

00:45:50,000 --> 00:45:47,910

picture and I sent it to you in 2017

941

00:45:53,630 --> 00:45:50,010

paragraph town we had a triangle flyover

942

00:45:56,420 --> 00:45:53,640

mm-hmm and I'm like okay it's the tr-3b

943

00:45:59,810 --> 00:45:56,430

align the oil supply number kinda small

944

00:46:02,240 --> 00:45:59,820

town now I believe that the National

945

00:46:06,800 --> 00:46:02,250

Reconnaissance Office and reconnaissance

946

00:46:14,300 --> 00:46:06,810

is the key worrier they had the ability

947

00:46:16,550 --> 00:46:14,310

to spy on Internet devices now they

948

00:46:19,160 --> 00:46:16,560

might say monitor for this or that but

949

00:46:22,010 --> 00:46:19,170

it same thing they can fly over a

950

00:46:23,870 --> 00:46:22,020

certain area and listen like right now

951
00:46:25,160 --> 00:46:23,880
there's one up there if there's one

952
00:46:27,680 --> 00:46:25,170
around somewhere they could be here

953
00:46:31,280 --> 00:46:27,690
comes conversation yeah I believe that's

954
00:46:37,160 --> 00:46:31,290
what they're doing and the tr6 that flew

955
00:46:37,940 --> 00:46:37,170
low over that neighborhood in 1997 there

956
00:46:41,150 --> 00:46:37,950
in Phoenix

957
00:46:42,800 --> 00:46:41,160
I believe that tr6 could possibly do the

958
00:46:46,730 --> 00:46:42,810
same thing and it's not more these

959
00:46:49,250 --> 00:46:46,740
things come on now that's what I think

960
00:46:53,260 --> 00:46:49,260
the in order started out doing I really

961
00:46:55,970 --> 00:46:53,270
do and the we had steps at that time

962
00:46:58,190 --> 00:46:55,980
okay we didn't have the T or a3 program

963
00:47:00,110 --> 00:46:58,200

at that time but we got it now that's

964

00:47:03,860 --> 00:47:00,120

why this that's why stealth was

965

00:47:06,890 --> 00:47:03,870

Declassified and talking about stealth

966

00:47:10,190 --> 00:47:06,900

and talking about project Mockingbird I

967

00:47:13,190 --> 00:47:10,200

got a picture of a comic book that was

968

00:47:16,550 --> 00:47:13,200

released in 1967 it's just the cover up

969

00:47:18,530 --> 00:47:16,560

in an NFS flying saucer across the top

970

00:47:21,680 --> 00:47:18,540

and it should be flying saucers on the

971

00:47:23,780 --> 00:47:21,690

comic book but they're in battle with

972

00:47:27,620 --> 00:47:23,790

two futuristic

973

00:47:30,980 --> 00:47:27,630

looking fighter jets and the two fighter

974

00:47:33,620 --> 00:47:30,990

jets or sr-71 blackbird here's my

975

00:47:34,850 --> 00:47:33,630

question how did an illustrator or a

976

00:47:38,270 --> 00:47:34,860

comic-book writer

977

00:47:42,290 --> 00:47:38,280

know to draw and as our 71 Blackbird

978

00:47:44,420 --> 00:47:42,300

unless they were told about project

979

00:47:51,430 --> 00:47:44,430

skidding operation Mockingbird right

980

00:47:54,620 --> 00:47:51,440

there 19 1967 but then in the 1990s boom

981

00:47:57,110 --> 00:47:54,630

it's be classified and if you don't have

982

00:47:59,690 --> 00:47:57,120

that comic book to refer back to you

983

00:48:03,920 --> 00:47:59,700

have no idea that was done it's so far

984

00:48:06,380 --> 00:48:03,930

down the river that you know people call

985

00:48:08,060 --> 00:48:06,390

me crazy yeah it's like people who want

986

00:48:09,980 --> 00:48:08,070

to know what the Bob Lazar

987

00:48:11,480 --> 00:48:09,990

you know sport model looks like it's

988

00:48:13,430 --> 00:48:11,490

like we'll just go to your local toy

989

00:48:16,730 --> 00:48:13,440

store you can buy the tester version

990

00:48:19,310 --> 00:48:16,740

which is identical yeah basically what

991

00:48:21,200 --> 00:48:19,320

was they thoughtful yeah no boy yeah

992

00:48:25,310 --> 00:48:21,210

it's like this is all there's it's

993

00:48:27,020 --> 00:48:25,320

seeping between the cracks like the you

994

00:48:28,990 --> 00:48:27,030

can't keep all the information back

995

00:48:33,140 --> 00:48:29,000

there's too much money to be made on it

996

00:48:34,730 --> 00:48:33,150

yes sir and I think we talked about this

997

00:48:38,180 --> 00:48:34,740

on the last show that I can't exactly

998

00:48:42,410 --> 00:48:38,190

remember but the two people one was

999

00:48:45,050 --> 00:48:42,420

James Forrestal and one was dr. funk

1000

00:48:48,350 --> 00:48:45,060

Olsen there to project their two

1001
00:48:50,720 --> 00:48:48,360
projects that they wanted to come clean

1002
00:48:52,790 --> 00:48:50,730
with and before I touched on that let me

1003
00:48:55,330 --> 00:48:52,800
just say one merihelp full disclosure I

1004
00:48:59,390 --> 00:48:55,340
have to do it thank you for that and

1005
00:49:03,230 --> 00:48:59,400
that is past and it's because of all of

1006
00:49:05,540 --> 00:49:03,240
the Hollywood hype around aliens and

1007
00:49:08,560 --> 00:49:05,550
everything being fictitious if you do

1008
00:49:11,030 --> 00:49:08,570
disclosure now nobody's don't believe it

1009
00:49:12,320 --> 00:49:11,040
disclosure is happening right now but

1010
00:49:14,540 --> 00:49:12,330
you know what they don't realize that

1011
00:49:16,640 --> 00:49:14,550
space force is really disclosed eternal

1012
00:49:17,980 --> 00:49:16,650
civil war but but people are not going

1013
00:49:20,570 --> 00:49:17,990

to see that they're going to say oh

1014

00:49:24,050 --> 00:49:20,580

they're part of the military okay cool

1015

00:49:26,840 --> 00:49:24,060

you know yeah but this is I saw

1016

00:49:28,850 --> 00:49:26,850

something new yeah Jimmy for yeah Jimmy

1017

00:49:33,190 --> 00:49:28,860

for Saul wanted to tell the public about

1018

00:49:35,540 --> 00:49:33,200

what they were mj-12 was managing and

1019

00:49:36,770 --> 00:49:35,550

well that wasn't the most popular

1020

00:49:39,130 --> 00:49:36,780

decisions

1021

00:49:41,120 --> 00:49:39,140

that because he conveniently

1022

00:49:44,450 --> 00:49:41,130

accidentally on purpose fellows a

1023

00:49:46,400 --> 00:49:44,460

10-story window hmm the same thing

1024

00:49:49,310 --> 00:49:46,410

happened with Frank Olson what he wanted

1025

00:49:53,180 --> 00:49:49,320

to leave the CIA because he didn't like

1026
00:49:55,160 --> 00:49:53,190
what the MKULTRA plan how that it was

1027
00:49:58,970 --> 00:49:55,170
being carried out all of the torturous

1028
00:50:01,940 --> 00:49:58,980
things they did now hey he died the same

1029
00:50:08,110 --> 00:50:01,950
way that something it's very convenient

1030
00:50:11,750 --> 00:50:08,120
yeah I mean I think that there's a

1031
00:50:13,580 --> 00:50:11,760
certain way of doing things and I love

1032
00:50:15,530 --> 00:50:13,590
how it's all neat to know once you get

1033
00:50:18,440 --> 00:50:15,540
to a certain level it doesn't matter how

1034
00:50:22,700 --> 00:50:18,450
many badges you have or what rank you

1035
00:50:24,800 --> 00:50:22,710
have it matters do you need to know and

1036
00:50:27,230 --> 00:50:24,810
that could be waste on things that have

1037
00:50:30,410 --> 00:50:27,240
absolutely nothing to do with rank or

1038
00:50:34,490 --> 00:50:30,420

power perceived power in the military or

1039

00:50:36,620 --> 00:50:34,500

any other organization well what started

1040

00:50:38,540 --> 00:50:36,630

all that Mike and I agree with it what

1041

00:50:42,740 --> 00:50:38,550

started all that in my opinion is when

1042

00:50:45,620 --> 00:50:42,750

the alien intervention-- came into the

1043

00:50:47,030 --> 00:50:45,630

came into the program yeah before you

1044

00:50:49,250 --> 00:50:47,040

know before we started having all these

1045

00:50:53,020 --> 00:50:49,260

crashes you know we didn't have any

1046

00:50:55,700 --> 00:50:53,030

secret top secret air air

1047

00:50:57,320 --> 00:50:55,710

aerospace technology we hadn't just the

1048

00:50:58,820 --> 00:50:57,330

fighter jets but everybody knew we and

1049

00:51:02,420 --> 00:50:58,830

we didn't really have anything but then

1050

00:51:04,070 --> 00:51:02,430

boom all these crashes in the 1940s

1051
00:51:05,570 --> 00:51:04,080
we're collecting all this okay that

1052
00:51:07,940 --> 00:51:05,580
changes everything

1053
00:51:09,970 --> 00:51:07,950
not everybody can know about this mm-hmm

1054
00:51:12,170 --> 00:51:09,980
and you know and the thing is I can

1055
00:51:13,670 --> 00:51:12,180
national security I can understand you

1056
00:51:17,090 --> 00:51:13,680
don't tell everybody everything because

1057
00:51:20,450 --> 00:51:17,100
you don't know who you can trust okay

1058
00:51:23,570 --> 00:51:20,460
and when you're - excuse me when you're

1059
00:51:28,310 --> 00:51:23,580
talking about technology that's not ours

1060
00:51:29,660 --> 00:51:28,320
and it's so futuristic number one what

1061
00:51:31,670 --> 00:51:29,670
are you gonna do is if you don't

1062
00:51:34,190 --> 00:51:31,680
understand what in the world you're

1063
00:51:39,050 --> 00:51:34,200

looking at so that is another reason why

1064

00:51:42,140 --> 00:51:39,060

in 1958 when President Eisenhower met

1065

00:51:46,190 --> 00:51:42,150

with those individuals at Holloman Air

1066

00:51:49,890 --> 00:51:46,200

Force Base they promised to help us with

1067

00:51:52,069 --> 00:51:49,900

technology now 1958 is the exact

1068

00:51:55,680 --> 00:51:52,079

same year we started to quote-unquote

1069

00:51:57,599 --> 00:51:55,690

research stealth technology I think it

1070

00:52:01,769 --> 00:51:57,609

was the year they started to teach us

1071

00:52:03,089 --> 00:52:01,779

stealth technology but you know you look

1072

00:52:04,710 --> 00:52:03,099

at the history book they'll just tell

1073

00:52:08,400 --> 00:52:04,720

you we started to research it and

1074

00:52:11,250 --> 00:52:08,410

they're not going to tell you that a

1075

00:52:12,359 --> 00:52:11,260

race of individuals not from here we

1076

00:52:14,730 --> 00:52:12,369

made a treaty with them

1077

00:52:16,710 --> 00:52:14,740

that's not going to be told and so at

1078

00:52:19,019 --> 00:52:16,720

times I don't even try to have these

1079

00:52:20,789 --> 00:52:19,029

conversations with some people the only

1080

00:52:24,180 --> 00:52:20,799

time I'll have conversations like this

1081

00:52:26,010 --> 00:52:24,190

with people is if they ask me a question

1082

00:52:27,809 --> 00:52:26,020

and I read their body language they

1083

00:52:29,579 --> 00:52:27,819

really seem like they want to know

1084

00:52:32,099 --> 00:52:29,589

something I'll have some kind of a

1085

00:52:34,980 --> 00:52:32,109

conversation and until I get to know I

1086

00:52:37,250 --> 00:52:34,990

don't even mention I because it's to

1087

00:52:39,210 --> 00:52:37,260

only it is I'm you know but I'm

1088

00:52:42,539 --> 00:52:39,220

confident it happened because of the

1089

00:52:45,799 --> 00:52:42,549

Eisenhower seat so but it's like dr.

1090

00:52:49,950 --> 00:52:45,809

Stanton Friedman said it doesn't matter

1091

00:52:53,010 --> 00:52:49,960

if if someone is not informed on the

1092

00:52:55,650 --> 00:52:53,020

subject no matter what you say is hoping

1093

00:52:58,559 --> 00:52:55,660

no matter how authentic absolutely it

1094

00:53:00,180 --> 00:52:58,569

exactly it doesn't matter it's like it's

1095

00:53:03,750 --> 00:53:00,190

a restricted area that their brain

1096

00:53:06,960 --> 00:53:03,760

cannot go and they won't even enter the

1097

00:53:09,569 --> 00:53:06,970

conversation I they won't I agree

1098

00:53:13,680 --> 00:53:09,579

because the human mind if it can't mate

1099

00:53:16,260 --> 00:53:13,690

if it can't understand something or make

1100

00:53:19,680 --> 00:53:16,270

sense of something it puts it away

1101

00:53:22,859 --> 00:53:19,690

and this subject that we research is

1102

00:53:27,319 --> 00:53:22,869

such a complex subject it takes a very

1103

00:53:30,690 --> 00:53:27,329

special articulate minded individual a

1104

00:53:32,880 --> 00:53:30,700

scientific educated and non-scientific

1105

00:53:35,430 --> 00:53:32,890

educated because you got to have an

1106

00:53:38,039 --> 00:53:35,440

equal amount of those who are your

1107

00:53:39,990 --> 00:53:38,049

scientists and an equal amount of those

1108

00:53:41,549 --> 00:53:40,000

who are looking at this from neither

1109

00:53:44,039 --> 00:53:41,559

layman point of view which is what I did

1110

00:53:46,890 --> 00:53:44,049

I mean I look at this like a regular

1111

00:53:50,730 --> 00:53:46,900

person I'm like okay all this stuff has

1112

00:53:52,920 --> 00:53:50,740

been thin all reality then it must mean

1113

00:53:54,839 --> 00:53:52,930

this and that and that's what I did I

1114

00:53:56,880 --> 00:53:54,849

try to make sense of it from the

1115

00:53:59,450 --> 00:53:56,890

layman's point of view and I don't

1116

00:54:01,960 --> 00:53:59,460

believe everything I hear I mean I

1117

00:54:04,390 --> 00:54:01,970

investigate things if I think they

1118

00:54:07,059 --> 00:54:04,400

like both those things the stuff that

1119

00:54:09,339 --> 00:54:07,069

that I investigate you know but it's all

1120

00:54:11,200 --> 00:54:09,349

a learning process but there are

1121

00:54:14,950 --> 00:54:11,210

patterns and I like how you've Donnie

1122

00:54:19,030 --> 00:54:14,960

you you you've recognized that there's

1123

00:54:21,760 --> 00:54:19,040

patterns and that whatever this is

1124

00:54:24,400 --> 00:54:21,770

whether it's a an elaborate takeover of

1125

00:54:26,140 --> 00:54:24,410

the of humanity or whether it's you know

1126

00:54:28,630 --> 00:54:26,150

the betterment of humanity is some

1127

00:54:30,730 --> 00:54:28,640

believe or something in the middle

1128

00:54:32,890 --> 00:54:30,740

whatever it is it's kind of a beautiful

1129

00:54:34,900 --> 00:54:32,900

dance and when you notice the same

1130

00:54:38,380 --> 00:54:34,910

patterns it's easy to see the big

1131

00:54:40,780 --> 00:54:38,390

picture I know that you we've spoken and

1132

00:54:42,910 --> 00:54:40,790

you you recognize those patterns like

1133

00:54:45,280 --> 00:54:42,920

you said that other people they just

1134

00:54:49,120 --> 00:54:45,290

won't even consider they won't consider

1135

00:54:51,700 --> 00:54:49,130

it in it's because of tunnel vision you

1136

00:54:53,829 --> 00:54:51,710

know how they say that a very small a

1137

00:54:58,329 --> 00:54:53,839

very small percentage of people are

1138

00:55:01,890 --> 00:54:58,339

left-handed okay Oh a very small

1139

00:55:04,630 --> 00:55:01,900

percentage of people are truly

1140

00:55:06,190 --> 00:55:04,640

open-minded people might say that it's

1141

00:55:09,190 --> 00:55:06,200

politically correct oh I'm open-minded

1142

00:55:11,230 --> 00:55:09,200

but they go behind closed doors and not

1143

00:55:14,910 --> 00:55:11,240

in the open-minded be their real self

1144

00:55:19,109 --> 00:55:14,920

very few people are truly open-minded

1145

00:55:21,970 --> 00:55:19,119

24/7 no matter where they are and it's

1146

00:55:23,800 --> 00:55:21,980

rare and when most of the people that

1147

00:55:25,000 --> 00:55:23,810

say to me hey I'm open-minded those are

1148

00:55:26,260 --> 00:55:25,010

the ones I think that or not because

1149

00:55:29,620 --> 00:55:26,270

they're already kind of sold me on

1150

00:55:32,079 --> 00:55:29,630

something and I hadn't even gotten into

1151

00:55:34,390 --> 00:55:32,089

a conversation with those are the ones

1152

00:55:36,990 --> 00:55:34,400

that I feel are not open minded so I

1153

00:55:40,240 --> 00:55:37,000

don't get too deep into subject with I

1154

00:55:43,150 --> 00:55:40,250

have been questions for then to give me

1155

00:55:44,589 --> 00:55:43,160

their food back like it's sort of like

1156

00:55:47,079 --> 00:55:44,599

the race card the one that usually

1157

00:55:52,900 --> 00:55:47,089

brings it up first is the one that is

1158

00:55:56,230 --> 00:55:52,910

more phobic of that topic oh yeah yeah I

1159

00:55:58,240 --> 00:55:56,240

mean if someone tells me you know which

1160

00:56:00,579 --> 00:55:58,250

I did know a long time ago and I had

1161

00:56:03,220 --> 00:56:00,589

someone telling you about a possible

1162

00:56:04,990 --> 00:56:03,230

abduction scenario and of course you

1163

00:56:07,450 --> 00:56:05,000

know I asked them about where they were

1164

00:56:10,089 --> 00:56:07,460

doing and and all this kind of a thing

1165

00:56:12,880 --> 00:56:10,099

but the one thing they didn't miss which

1166

00:56:15,849 --> 00:56:12,890

made me suspicious they did not mention

1167

00:56:19,549 --> 00:56:15,859

anything about me

1168

00:56:23,240 --> 00:56:19,559

and that is a common thing that happens

1169

00:56:26,329 --> 00:56:23,250

with these abductions they were able

1170

00:56:29,059 --> 00:56:26,339

they were able to remember things that I

1171

00:56:32,270 --> 00:56:29,069

think was odd that they remember without

1172

00:56:34,280 --> 00:56:32,280

being under hypnosis but could not they

1173

00:56:38,170 --> 00:56:34,290

did not mention missing time so that

1174

00:56:41,000 --> 00:56:38,180

made me suspicious of an individual

1175

00:56:42,950 --> 00:56:41,010

so but I never heard anything more from

1176
00:56:45,140 --> 00:56:42,960
them so I so I chopped that up it's okay

1177
00:56:47,180 --> 00:56:45,150
so maybe explain some things and I hate

1178
00:56:50,960 --> 00:56:47,190
to say that but you know it was just

1179
00:56:53,150 --> 00:56:50,970
what it was you know did that I find

1180
00:56:55,460 --> 00:56:53,160
that the most interesting phenomena of

1181
00:56:57,440 --> 00:56:55,470
the abduction scenario is the missing

1182
00:57:02,390 --> 00:56:57,450
time because what's happening there that

1183
00:57:05,930 --> 00:57:02,400
into me that's really the the meet well

1184
00:57:08,780 --> 00:57:05,940
yeah oh well have you heard the stories

1185
00:57:11,480 --> 00:57:08,790
about this missing time it's related to

1186
00:57:13,670 --> 00:57:11,490
President Reagan and Nancy Reagan I'm

1187
00:57:15,559 --> 00:57:13,680
going to a party in Hollywood where

1188
00:57:19,280 --> 00:57:15,569

Lucille and David where have you heard

1189

00:57:20,660 --> 00:57:19,290

that story I have but will you kind of

1190

00:57:23,120 --> 00:57:20,670

just go through it all because I'm sure

1191

00:57:26,329 --> 00:57:23,130

a lot of people have it okay great

1192

00:57:28,579 --> 00:57:26,339

when I almost said present Reagan when

1193

00:57:30,170 --> 00:57:28,589

Ronald Reagan was campaigning

1194

00:57:33,440 --> 00:57:30,180

that's why still hate that to UFO

1195

00:57:35,720 --> 00:57:33,450

experiences the one I'll tell you about

1196

00:57:38,420 --> 00:57:35,730

I don't know if this was his first one

1197

00:57:41,660 --> 00:57:38,430

or the second one but President

1198

00:57:43,280 --> 00:57:41,670

President Ronald Reagan and Nancy were

1199

00:57:44,660 --> 00:57:43,290

driving down the Pacific Coast Highway

1200

00:57:46,970 --> 00:57:44,670

there in California

1201
00:57:49,280 --> 00:57:46,980
don't be Malibu there they were going to

1202
00:57:52,730 --> 00:57:49,290
go through a party that was filled all

1203
00:57:54,799 --> 00:57:52,740
indigenous we're okay I can't remember

1204
00:57:58,039 --> 00:57:54,809
the name of the person's house they were

1205
00:58:00,680 --> 00:57:58,049
going to but I do know that allegedly I

1206
00:58:04,789 --> 00:58:00,690
think was going to be at the party but

1207
00:58:06,710 --> 00:58:04,799
who is that I'm sorry who was that the

1208
00:58:08,569 --> 00:58:06,720
they're running down the Pacific Coast

1209
00:58:11,390 --> 00:58:08,579
Highway and where they were going they

1210
00:58:14,569 --> 00:58:11,400
hit oh no it's going like a 15 to 20

1211
00:58:15,770 --> 00:58:14,579
minute drive okay it was far so they're

1212
00:58:18,920 --> 00:58:15,780
going down the Pacific Coast Highway

1213
00:58:20,839 --> 00:58:18,930

there and Ronald Reagan looked out to

1214

00:58:25,039 --> 00:58:20,849

his left over the ocean in season brain

1215

00:58:27,960 --> 00:58:25,049

line so he kind of slows down a little

1216

00:58:29,910 --> 00:58:27,970

bit and so they can nancy pull

1217

00:58:34,050 --> 00:58:29,920

the road there and they watch it for a

1218

00:58:36,900 --> 00:58:34,060

little bit then they proceed on to the

1219

00:58:39,180 --> 00:58:36,910

party now what's unique is that's what

1220

00:58:41,790 --> 00:58:39,190

they remember happening is then pulling

1221

00:58:44,640 --> 00:58:41,800

over watching the life a little bit and

1222

00:58:46,730 --> 00:58:44,650

then proceeded Milton party now when

1223

00:58:48,810 --> 00:58:46,740

they got to the party

1224

00:58:51,780 --> 00:58:48,820

some of the guests were starting to

1225

00:58:53,910 --> 00:58:51,790

leave and they walked in and I think I

1226

00:58:55,200 --> 00:58:53,920

think Ronald Reagan made a joke like man

1227

00:58:56,339 --> 00:58:55,210

into I stink or something I mean you

1228

00:58:59,960 --> 00:58:56,349

know this one's relieving

1229

00:59:03,830 --> 00:58:59,970

they had no idea it was three hours

1230

00:59:06,570 --> 00:59:03,840

later that they got to the party now

1231

00:59:08,190 --> 00:59:06,580

Lucille Ball actually said well where

1232

00:59:10,950 --> 00:59:08,200

are we all that you know that kind of a

1233

00:59:12,990 --> 00:59:10,960

thing and they and they said what do you

1234

00:59:15,210 --> 00:59:13,000

talk throughout and they and then that's

1235

00:59:18,839 --> 00:59:15,220

when they realized what time it was no

1236

00:59:20,339 --> 00:59:18,849

Ronald Reagan and Nancy thought it was a

1237

00:59:24,030 --> 00:59:20,349

jerk everybody changed the clock

1238

00:59:27,180 --> 00:59:24,040

smelling that kind of thing and but just

1239

00:59:29,010 --> 00:59:27,190

to prove that it was probably a joke I

1240

00:59:31,200 --> 00:59:29,020

think you've been Ron or Nancy called

1241

00:59:33,120 --> 00:59:31,210

the local police department or something

1242

00:59:36,180 --> 00:59:33,130

and passed what time it was or called

1243

00:59:38,220 --> 00:59:36,190

somebody official and they said it was

1244

00:59:41,490 --> 00:59:38,230

three hours later and then that's when

1245

00:59:43,440 --> 00:59:41,500

they realized they had three hours of

1246

00:59:46,020 --> 00:59:43,450

mission time and then they told Lucille

1247

00:59:51,060 --> 00:59:46,030

Ball about what they saw the life they

1248

00:59:53,280 --> 00:59:51,070

saw now to me they were abducted because

1249

00:59:58,050 --> 00:59:53,290

it was after this event that mrs. Reagan

1250

01:00:01,740 --> 00:59:58,060

got into astrology and because of that

1251

01:00:04,740 --> 01:00:01,750

event maybe that may have been the first

1252

01:00:07,050 --> 01:00:04,750

in retrospect because when he was aboard

1253

01:00:11,609 --> 01:00:07,060

his plane and saw that UFO he told his

1254

01:00:13,829 --> 01:00:11,619

power caller so then that have been the

1255

01:00:16,770 --> 01:00:13,839

first but he had three hours of missing

1256

01:00:19,500 --> 01:00:16,780

time and then later on Ronald Reagan

1257

01:00:23,880 --> 01:00:19,510

said to the UN when he becomes president

1258

01:00:26,460 --> 01:00:23,890

he says okay if there was an alien

1259

01:00:29,849 --> 01:00:26,470

threat outside this world all of our

1260

01:00:33,870 --> 01:00:29,859

problems would go away and he said is

1261

01:00:36,000 --> 01:00:33,880

there yet not an alien among us or

1262

01:00:37,530 --> 01:00:36,010

something like I'm paraphrasing here he

1263

01:00:40,829 --> 01:00:37,540

was trying to tell people something that

1264

01:00:41,440 --> 01:00:40,839

he knew he could you know and a lot of

1265

01:00:43,870 --> 01:00:41,450

people don't

1266

01:00:47,440 --> 01:00:43,880

the store between Ronald Reagan speaking

1267

01:00:49,510 --> 01:00:47,450

to bill burr I think I think just to put

1268

01:00:52,089 --> 01:00:49,520

it I have but to put it in perspective I

1269

01:00:54,099 --> 01:00:52,099

mean when you connect those dots I mean

1270

01:00:56,410 --> 01:00:54,109

the Reagan's became very involved with

1271

01:00:58,630 --> 01:00:56,420

the occult like you said after this and

1272

01:01:01,960 --> 01:00:58,640

if you connect these dots here you have

1273

01:01:05,349 --> 01:01:01,970

a couple being abducted more or less

1274

01:01:10,180 --> 01:01:05,359

missing time and then he becomes our

1275

01:01:11,859 --> 01:01:10,190

leader I mean whoa the leader mmm yeah I

1276

01:01:13,420 --> 01:01:11,869

mean this I just did I just didn't want

1277

01:01:15,280 --> 01:01:13,430

to go that over that without you know

1278

01:01:17,440 --> 01:01:15,290

just obviously pointing out like the

1279

01:01:20,440 --> 01:01:17,450

dots like what the heck

1280

01:01:23,079 --> 01:01:20,450

but anyway no coke please go on in to

1281

01:01:26,470 --> 01:01:23,089

explain to our guests I'm sorry to our

1282

01:01:29,650 --> 01:01:26,480

listeners the the story with Steven

1283

01:01:35,109 --> 01:01:29,660

Spielberg Steven Spielberg was invited

1284

01:01:36,760 --> 01:01:35,119

to the White House to have dinner with

1285

01:01:40,450 --> 01:01:36,770

the Reagan's and staff members and

1286

01:01:42,670 --> 01:01:40,460

what-have-you but it was also you would

1287

01:01:45,870 --> 01:01:42,680

think I have to check my notes but it

1288

01:01:50,260 --> 01:01:45,880

was like a week or two before the

1289

01:01:51,940 --> 01:01:50,270

release of the movie et okay they what

1290

01:01:53,470 --> 01:01:51,950

they're in the theater there at the

1291

01:01:55,030 --> 01:01:53,480

White House or wherever they want to

1292

01:01:57,910 --> 01:01:55,040

film they watch them everybody enjoyed

1293

01:02:00,309 --> 01:01:57,920

it and when it was over Ronald Reagan

1294

01:02:02,140 --> 01:02:00,319

leaned over to Steven Spielberg and he

1295

01:02:03,760 --> 01:02:02,150

said you know you were you and I think

1296

01:02:06,190 --> 01:02:03,770

only two people in this room know that

1297

01:02:09,069 --> 01:02:06,200

that's real why and Steven Spielberg

1298

01:02:16,059 --> 01:02:09,079

looked at him like what did you just

1299

01:02:18,760 --> 01:02:16,069

tell me now it was either a joke or he

1300

01:02:21,599 --> 01:02:18,770

was trying to tell Spielberg some now

1301

01:02:24,730 --> 01:02:21,609

this is after Close Encounters and

1302

01:02:28,750 --> 01:02:24,740

Steven Spielberg at the very end of

1303

01:02:32,589 --> 01:02:28,760

Close Encounters put two references once

1304

01:02:34,390 --> 01:02:32,599

again operation Mockingbird up to real

1305

01:02:35,859 --> 01:02:34,400

events at the end of Close Encounters

1306

01:02:40,540 --> 01:02:35,869

now do you know what they were

1307

01:02:43,059 --> 01:02:40,550

I do not okay remember in Close

1308

01:02:46,329 --> 01:02:43,069

Encounters were where the ships finally

1309

01:02:51,460 --> 01:02:46,339

lands yeah don't Devil's Tower

1310

01:02:54,790 --> 01:02:51,470

okay you saw all the grades coming off

1311

01:02:55,330 --> 01:02:54,800

of the ship but memory did you see all

1312

01:02:58,330 --> 01:02:55,340

of the

1313

01:03:02,350 --> 01:02:58,340

lined up with sunglasses on to get on

1314

01:03:06,880 --> 01:03:02,360

the ship right that's a reference to

1315

01:03:09,850 --> 01:03:06,890

project circle the human-alien exchange

1316

01:03:11,620 --> 01:03:09,860

program which was told to me

1317

01:03:14,500 --> 01:03:11,630

well I can't say a person's name but he

1318

01:03:17,710 --> 01:03:14,510

was former CIA mm-hmm he said he said it

1319

01:03:20,320 --> 01:03:17,720

happened but it was only three humans

1320

01:03:24,520 --> 01:03:20,330

that went instead of like a team of

1321

01:03:26,230 --> 01:03:24,530

twelve I believe the gentleman said it

1322

01:03:28,060 --> 01:03:26,240

would say that he either said two men

1323

01:03:30,910 --> 01:03:28,070

and one lady or two ladies and working

1324

01:03:35,890 --> 01:03:30,920

but it was three it was not a team of

1325

01:03:40,270 --> 01:03:35,900

twelve but it did happen and having the

1326

01:03:44,140 --> 01:03:40,280

craft land that was a reference to

1327

01:03:48,490 --> 01:03:44,150

Holloman Air Force Base and Eisenhower's

1328

01:03:50,830 --> 01:03:48,500

meeting and at the end of the movie now

1329

01:03:53,410 --> 01:03:50,840

I'm sure in the middle there were

1330

01:03:55,810 --> 01:03:53,420

references to things I'm sure but at the

1331

01:04:00,760 --> 01:03:55,820

very end the climax of the movie were

1332

01:04:02,320 --> 01:04:00,770

those two foam references there and they

1333

01:04:04,570 --> 01:04:02,330

can they each have something to do with

1334

01:04:06,790 --> 01:04:04,580

the other because the Holloman Air Force

1335

01:04:09,370 --> 01:04:06,800

Base landing and I said how it makes the

1336

01:04:11,740 --> 01:04:09,380

deal I'll take surplus part of it so you

1337

01:04:14,290 --> 01:04:11,750

put them together at the end you know

1338

01:04:16,900 --> 01:04:14,300

that's not a close encounter I really

1339

01:04:20,230 --> 01:04:16,910

don't know what it was and it was genius

1340

01:04:22,690 --> 01:04:20,240

but being cooler yeah and you know the

1341

01:04:25,030 --> 01:04:22,700

scary with projects serpo the really

1342

01:04:28,450 --> 01:04:25,040

horrific thing is this was an agreement

1343

01:04:30,580 --> 01:04:28,460

that if this is the case this is still

1344

01:04:32,650 --> 01:04:30,590

taking place and going back and forth

1345

01:04:34,120 --> 01:04:32,660

and you know a lot of times when people

1346

01:04:36,220 --> 01:04:34,130

say well what could have happened to

1347

01:04:38,140 --> 01:04:36,230

that group of people once you read

1348

01:04:40,030 --> 01:04:38,150

Project serpo you start to wonder but

1349

01:04:41,560 --> 01:04:40,040

then again it does actually say that

1350

01:04:44,590 --> 01:04:41,570

they were all military and things of

1351

01:04:47,680 --> 01:04:44,600

that nature but it's an interesting view

1352

01:04:50,260 --> 01:04:47,690

of what's possible when think absolutely

1353

01:04:55,660 --> 01:04:50,270

yeah there could be cooperation on many

1354

01:04:58,360 --> 01:04:55,670

many levels yeah I mean if Bob Lazar he

1355

01:05:00,400 --> 01:04:58,370

talked about the element 115 now what's

1356

01:05:02,650 --> 01:05:00,410

so unique about that and this was in the

1357

01:05:05,370 --> 01:05:02,660

early 80s we started to talk about this

1358

01:05:13,240 --> 01:05:11,650

lieutenant courses when make the Roswell

1359

01:05:15,420 --> 01:05:13,250

crash happens and they were trying to

1360

01:05:17,770 --> 01:05:15,430

figure out how these things worked and

1361

01:05:19,780 --> 01:05:17,780

I'm gonna have to paraphrase here and I

1362

01:05:23,470 --> 01:05:19,790

hate not to do that that lieutenant

1363

01:05:24,940 --> 01:05:23,480

Corso said when you attend of course I

1364

01:05:26,770 --> 01:05:24,950

came forward he wrote the book the day

1365

01:05:29,440 --> 01:05:26,780

after Roswell and those interviews he

1366

01:05:31,330 --> 01:05:29,450

gave in his last days of life he said

1367

01:05:34,480 --> 01:05:31,340

that they were the only thing they could

1368

01:05:38,050 --> 01:05:34,490

figure out about the crafts were there

1369

01:05:41,440 --> 01:05:38,060

was a wave of energy that surrounded

1370

01:05:43,750 --> 01:05:41,450

these crafts they in time it made it not

1371

01:05:47,020 --> 01:05:43,760

necessarily a spacecraft but a time

1372

01:05:49,990 --> 01:05:47,030

machine right all right now

1373

01:05:53,710 --> 01:05:50,000

this is what allegedly lieutenant Corso

1374

01:05:55,690 --> 01:05:53,720

and what researchers in those days found

1375

01:05:58,330 --> 01:05:55,700

here comes involved with those things

1376

01:06:00,490 --> 01:05:58,340

he's working on on this et crap and he

1377

01:06:06,670 --> 01:06:00,500

said these things are powered by element

1378

01:06:08,680 --> 01:06:06,680

115 okay element 115 he said was a wave

1379

01:06:11,650 --> 01:06:08,690

of energy around the spacecraft that's

1380

01:06:14,130 --> 01:06:11,660

exactly what caused it and that's

1381

01:06:17,980 --> 01:06:14,140

another reason I believe Bob Lazar

1382

01:06:22,750 --> 01:06:17,990

yeah no different and and and element

1383

01:06:26,920 --> 01:06:22,760

115 is what causes it to be a time

1384

01:06:28,690 --> 01:06:26,930

machine I don't understand elements and

1385

01:06:29,980 --> 01:06:28,700

physics and math and all that but I'm

1386

01:06:32,590 --> 01:06:29,990

just going on what I hear the

1387

01:06:35,080 --> 01:06:32,600

professional people say now some people

1388

01:06:37,980 --> 01:06:35,090

say element 115 is only stable for just

1389

01:06:40,570 --> 01:06:37,990

effective maybe maybe not I'm not a fun

1390

01:06:42,370 --> 01:06:40,580

if it's only stable for a second that

1391

01:06:47,170 --> 01:06:42,380

could be forever under the right

1392

01:06:49,750 --> 01:06:47,180

circumstances exactly and now after they

1393

01:06:53,050 --> 01:06:49,760

have now realized that element 115 this

1394

01:06:54,820 --> 01:06:53,060

was powering this thing it was since the

1395

01:06:56,620 --> 01:06:54,830

early day I think it was 82 or 83

1396

01:06:59,080 --> 01:06:56,630

involves artists are talking about this

1397

01:07:02,740 --> 01:06:59,090

since that time they said oh yeah we

1398

01:07:04,180 --> 01:07:02,750

found it that wasn't 150 it is real they

1399

01:07:06,280 --> 01:07:04,190

knew it was real but they could come out

1400

01:07:08,230 --> 01:07:06,290

and agree with Balthazar because of what

1401
01:07:10,110 --> 01:07:08,240
he was talking about you have to present

1402
01:07:12,880 --> 01:07:10,120
it like we came up with

1403
01:07:15,850 --> 01:07:12,890
that's just like technology these days

1404
01:07:18,370 --> 01:07:15,860
if people think DARPA scum

1405
01:07:20,860 --> 01:07:18,380
stuff on their own right now there's a

1406
01:07:24,790 --> 01:07:20,870
lot of smart people I'm sure but they're

1407
01:07:26,830 --> 01:07:24,800
giving they are given direction I mean

1408
01:07:29,020 --> 01:07:26,840
it to me it's obvious cuz you have to

1409
01:07:31,420 --> 01:07:29,030
create something super awesome you get

1410
01:07:35,290 --> 01:07:31,430
to have something super also to start

1411
01:07:37,150 --> 01:07:35,300
with and expand from that's right you

1412
01:07:39,760 --> 01:07:37,160
can't don't bake a cake without any

1413
01:07:43,270 --> 01:07:39,770

techniques you've got to go get the tool

1414

01:07:45,340 --> 01:07:43,280

you need I mean and that's exactly what

1415

01:07:47,590 --> 01:07:45,350

we're looking at here for a person

1416

01:07:49,390 --> 01:07:47,600

somebody said this is not my saying but

1417

01:07:53,110 --> 01:07:49,400

it was like you can't reverse engineer a

1418

01:07:55,030 --> 01:07:53,120

turd like you need to know you need to

1419

01:07:57,670 --> 01:07:55,040

have something better than something you

1420

01:08:01,180 --> 01:07:57,680

can create you know indeed you're

1421

01:08:03,100 --> 01:08:01,190

talking about all the thing of alien

1422

01:08:07,840 --> 01:08:03,110

technology in this back engineering yes

1423

01:08:10,000 --> 01:08:07,850

we're back engineering but only only if

1424

01:08:12,310 --> 01:08:10,010

we understand what we're looking at yeah

1425

01:08:13,930 --> 01:08:12,320

now if something crashes and we'll know

1426

01:08:16,060 --> 01:08:13,940

what the world it is we all haven't even

1427

01:08:19,180 --> 01:08:16,070

started back in there don't look at that

1428

01:08:21,610 --> 01:08:19,190

the owners of that technology has got to

1429

01:08:24,550 --> 01:08:21,620

teach it to us number one number two

1430

01:08:28,060 --> 01:08:24,560

they got to find out how educated we are

1431

01:08:30,520 --> 01:08:28,070

let's say you know a kid goes to school

1432

01:08:32,349 --> 01:08:30,530

and I said it's on another show she goes

1433

01:08:33,820 --> 01:08:32,359

into the first grade you're not going to

1434

01:08:35,110 --> 01:08:33,830

give that kid a 12th grade math but

1435

01:08:37,030 --> 01:08:35,120

you'll get my fresh bread in that book

1436

01:08:39,220 --> 01:08:37,040

the things I had to do know calculus

1437

01:08:41,470 --> 01:08:39,230

knowing that jump it can barely had to

1438

01:08:43,480 --> 01:08:41,480

plus one you know you start them out

1439

01:08:45,820 --> 01:08:43,490

where they're educated and you have to

1440

01:08:50,170 --> 01:08:45,830

advance them and that's exactly what

1441

01:08:52,300 --> 01:08:50,180

they did was still that's what they did

1442

01:08:54,910 --> 01:08:52,310

with stealth and that got us going

1443

01:08:59,440 --> 01:08:54,920

I believe I believe we've come a long

1444

01:09:01,300 --> 01:08:59,450

way but that's what they had to do to

1445

01:09:05,079 --> 01:09:01,310

get us to the point that the way we can

1446

01:09:08,650 --> 01:09:05,089

understand how to take and back kids in

1447

01:09:10,660 --> 01:09:08,660

your summer but you know they call me

1448

01:09:13,210 --> 01:09:10,670

crazy no you look call you crazy

1449

01:09:14,980 --> 01:09:13,220

oh no but only at first and the probably

1450

01:09:17,800 --> 01:09:14,990

with you too but that's the thing like

1451

01:09:19,780 --> 01:09:17,810

when you're in search of answers and

1452

01:09:21,460 --> 01:09:19,790

it's not really answers really you're

1453

01:09:23,470 --> 01:09:21,470

just in search of a little bit of

1454

01:09:25,210 --> 01:09:23,480

illumination over like dots that you've

1455

01:09:25,720 --> 01:09:25,220

already connected you're not trying to

1456

01:09:28,150 --> 01:09:25,730

read

1457

01:09:29,920 --> 01:09:28,160

make the wheel but when you find that

1458

01:09:32,140 --> 01:09:29,930

and you're able to show these these

1459

01:09:34,570 --> 01:09:32,150

patterns and the progress and how one

1460

01:09:36,880 --> 01:09:34,580

thing is related to another this is like

1461

01:09:40,150 --> 01:09:36,890

you said they don't and I save a too

1462

01:09:42,580 --> 01:09:40,160

much but just in general humanity

1463

01:09:45,280 --> 01:09:42,590

doesn't switch up the PlayBook all that

1464

01:09:46,990 --> 01:09:45,290

often and you find this in professional

1465

01:09:49,150 --> 01:09:47,000

sports it's like you're going up against

1466

01:09:51,100 --> 01:09:49,160

a team you know what they do you know

1467

01:09:52,930 --> 01:09:51,110

how they play and that's all we're

1468

01:09:57,070 --> 01:09:52,940

pointing out we're just pointing out the

1469

01:10:01,300 --> 01:09:57,080

play-by-play and it's it's interesting

1470

01:10:03,250 --> 01:10:01,310

how the circle is is completed Dottie

1471

01:10:05,230 --> 01:10:03,260

thanks so much for hitting us up again

1472

01:10:07,510 --> 01:10:05,240

and and and coming back on with me I

1473

01:10:09,640 --> 01:10:07,520

know that I've been talking to you for

1474

01:10:13,020 --> 01:10:09,650

quite a while and I've wanted to have

1475

01:10:16,120 --> 01:10:13,030

you back on and you're always amazing

1476

01:10:17,710 --> 01:10:16,130

what uh what what else is going on what

1477

01:10:20,470 --> 01:10:17,720

could we expect from you next time

1478

01:10:22,060 --> 01:10:20,480

well next time you have you know I want

1479

01:10:25,000 --> 01:10:22,070

to go ahead and touch on this and take

1480

01:10:26,470 --> 01:10:25,010

like two minutes here if that I've been

1481

01:10:30,010 --> 01:10:26,480

researching something that I've been

1482

01:10:32,350 --> 01:10:30,020

trying to validate are you aware of the

1483

01:10:34,710 --> 01:10:32,360

Blue Planet project that was written by

1484

01:10:37,840 --> 01:10:34,720

Jefferson so have you ever heard of that

1485

01:10:41,560 --> 01:10:37,850

you know I have but in my mind I can't

1486

01:10:44,860 --> 01:10:41,570

picture it clearly obviously I don't

1487

01:10:46,930 --> 01:10:44,870

know as much as you do okay what I want

1488

01:10:48,970 --> 01:10:46,940

to talk about next time and hopefully

1489

01:10:49,750 --> 01:10:48,980

this will be soon is something called

1490

01:10:58,590 --> 01:10:49,760

project

1491

01:11:01,210 --> 01:10:58,600

been able to validate its validity but

1492

01:11:03,840 --> 01:11:01,220

it gives me chills when I look at

1493

01:11:09,160 --> 01:11:03,850

through this document that it's a real

1494

01:11:13,570 --> 01:11:09,170

project because it mentioned m.k ultra

1495

01:11:15,760 --> 01:11:13,580

and it mentions the vegans not the

1496

01:11:19,180 --> 01:11:15,770

vegetarian diet I'm talking about the

1497

01:11:21,640 --> 01:11:19,190

beings the vegans and the reason that

1498

01:11:24,370 --> 01:11:21,650

that sticks with me is because in the

1499

01:11:27,940 --> 01:11:24,380

movie contact once again operation

1500

01:11:30,210 --> 01:11:27,950

Mockingbird the vegans are the aliens

1501
01:11:33,040 --> 01:11:30,220
that have connected with the Earthlings

1502
01:11:35,980 --> 01:11:33,050
because their name is used that in

1503
01:11:38,410 --> 01:11:35,990
writing so I want to talk about Project

1504
01:11:39,040 --> 01:11:38,420
Pulsar now and I've already got you know

1505
01:11:41,020 --> 01:11:39,050
it's moved from

1506
01:11:43,660 --> 01:11:41,030
laid out for talked about what else to

1507
01:11:45,250 --> 01:11:43,670
hit it next time because awesome it's

1508
01:11:47,109 --> 01:11:45,260
what it's one of those things that if

1509
01:11:49,149 --> 01:11:47,119
people listen to it and they and they

1510
01:11:52,120 --> 01:11:49,159
say they have an open mind it shouldn't

1511
01:11:53,950 --> 01:11:52,130
get them killed awesome Gani we got to

1512
01:11:55,270 --> 01:11:53,960

1523

01:12:26,260 --> 01:12:24,590

the situation and he knows how to

1524

01:12:30,250 --> 01:12:26,270

connect the dots it's always a pleasure

1525

01:12:32,080 --> 01:12:30,260

1527

01:12:35,979 --> 01:12:33,920

1529

01:12:42,660 --> 01:12:39,860

researchers to study and implement

1530

01:12:44,859 --> 01:12:42,670

hardcore research on an area of

1531
