

1  
00:00:04,100 --> 00:00:35,139

[Music]

2  
00:00:38,240 --> 00:00:37,069  
feeling like you can on Christmas

3  
00:00:41,330 --> 00:00:38,250  
morning today is a good one

4  
00:00:43,610 --> 00:00:41,340  
happy Sunday everyone I've got the one

5  
00:00:45,049 --> 00:00:43,620  
and only Ryan Gable yeah he's the one

6  
00:00:48,470 --> 00:00:45,059  
you know the one from the secret

7  
00:00:51,200 --> 00:00:48,480  
teachings I'm a happy camper Ryan has

8  
00:00:53,650 --> 00:00:51,210  
amazing books fantastic author whether

9  
00:00:56,630 --> 00:00:53,660  
those books are on the occult Arcana

10  
00:00:59,389 --> 00:00:56,640  
food philosophy or the technical elixir

11  
00:01:00,349 --> 00:00:59,399  
book which is awesome his merchandise is

12  
00:01:02,360 --> 00:01:00,359  
off the chain

13  
00:01:04,219 --> 00:01:02,370

amazing t-shirts and everything else but

14

00:01:06,289 --> 00:01:04,229

most importantly he's just a true hero

15

00:01:09,350 --> 00:01:06,299

to the movement the guys on five days a

16

00:01:12,109 --> 00:01:09,360

week rocking the airwaves with his

17

00:01:14,480 --> 00:01:12,119

knowledge and with what's going on right

18

00:01:17,780 --> 00:01:14,490

now I can't think of a better individual

19

00:01:21,140 --> 00:01:17,790

to have on as Ryan Gable please support

20

00:01:23,780 --> 00:01:21,150

him and get ready buckle up pour a cup

21

00:01:34,929 --> 00:01:23,790

whatever you need because it's coming

22

00:01:37,069 --> 00:01:34,939

Ryan Gable hello hi Ryan how you doing

23

00:01:41,690 --> 00:01:37,079

hey I'm going good right now are you not

24

00:01:44,870 --> 00:01:41,700

bad not bad man I'm so excited I not

25

00:01:50,210 --> 00:01:44,880

that I usually try to like hold back on

26

00:01:52,490 --> 00:01:50,220

excitement but you know just being aware

27

00:01:54,550 --> 00:01:52,500

of your ability to kind of like see

28

00:01:57,649 --> 00:01:54,560

through so much of the smoke and mirrors

29

00:01:59,389 --> 00:01:57,659

that takes place I think this is a

30

00:02:02,539 --> 00:01:59,399

unique time to speak with you because

31

00:02:04,539 --> 00:02:02,549

there is a lot going on there's there's

32

00:02:08,139 --> 00:02:04,549

quite a bit going on in the media and

33

00:02:12,530 --> 00:02:08,149

quite a bit going on with this epstein

34

00:02:13,850 --> 00:02:12,540

suicide and a lot of information

35

00:02:17,930 --> 00:02:13,860

disinformation

36

00:02:21,830 --> 00:02:17,940

and even scarier kind of the patterning

37

00:02:24,350 --> 00:02:21,840

is there it seems when you say

38

00:02:29,300 --> 00:02:24,360

patterning patterning what do you mean

39

00:02:32,510 --> 00:02:29,310

exactly well it seems and like from time

40

00:02:35,000 --> 00:02:32,520

to time the the elites have a playbook

41

00:02:36,650 --> 00:02:35,010

and and and after a while I don't know

42

00:02:38,600 --> 00:02:36,660

they're from time to time you'll have

43

00:02:42,650 --> 00:02:38,610

new ideas that come up and pop up and

44

00:02:45,320 --> 00:02:42,660

things that are unique however if there

45

00:02:49,490 --> 00:02:45,330

is any validity to the conspiracy

46

00:02:52,220 --> 00:02:49,500

movement that there is a capstone so to

47

00:02:55,490 --> 00:02:52,230

speak of the human population that is

48

00:02:57,670 --> 00:02:55,500

more or less you know in controller has

49

00:03:00,530 --> 00:02:57,680

their thumb on the rest at least

50

00:03:01,910 --> 00:03:00,540

philosophically speaking and you know

51  
00:03:04,040 --> 00:03:01,920  
making them believe in things that

52  
00:03:08,420 --> 00:03:04,050  
really don't exist whether that be a a

53  
00:03:10,100 --> 00:03:08,430  
false monetary system or you know you

54  
00:03:12,199 --> 00:03:10,110  
know that they that they're needed

55  
00:03:13,970 --> 00:03:12,209  
really that we need them and to an

56  
00:03:16,520 --> 00:03:13,980  
extent I think we do need government

57  
00:03:18,350 --> 00:03:16,530  
you know chaos is horrible for the time

58  
00:03:20,840 --> 00:03:18,360  
you don't want that we've seen in

59  
00:03:22,550 --> 00:03:20,850  
history but it seems what I mean by

60  
00:03:27,670 --> 00:03:22,560  
patterning and I'm glad you asked me

61  
00:03:31,490 --> 00:03:27,680  
because yeah I it seems like oftentimes

62  
00:03:41,060 --> 00:03:31,500  
those in control who seem to be passing

63  
00:03:43,070 --> 00:03:41,070

the torch kind of the same moves oh my

64

00:03:44,810 --> 00:03:43,080

head my microphone down yes

65

00:03:47,509 --> 00:03:44,820

I kind of see what you mean by pattern

66

00:03:51,130 --> 00:03:47,519

ll and especially with yeah the Epstein

67

00:03:53,509 --> 00:03:51,140

suicide I've waited to talk about it and

68

00:03:54,199 --> 00:03:53,519

I'm reading through some of the news

69

00:03:57,440 --> 00:03:54,209

articles

70

00:04:00,199 --> 00:03:57,450

it's obviously suspicious and there's a

71

00:04:03,320 --> 00:04:00,209

pattern within this story because of

72

00:04:05,390 --> 00:04:03,330

obviously the so-called Clinton body

73

00:04:07,789 --> 00:04:05,400

count but I think it's much more than

74

00:04:11,720 --> 00:04:07,799

that though I think it's less than the

75

00:04:14,060 --> 00:04:11,730

immediate message board type reactions

76

00:04:15,740 --> 00:04:14,070

where people post anonymous things to

77

00:04:18,050 --> 00:04:15,750

message boards and in that spreads on

78

00:04:20,620 --> 00:04:18,060

Facebook and now everybody thinks that

79

00:04:23,180 --> 00:04:20,630

Epstein was taken to Guantanamo Bay or

80

00:04:25,790 --> 00:04:23,190

taken to a secret military base in

81

00:04:26,690 --> 00:04:25,800

Germany I've heard and read everything

82

00:04:30,350 --> 00:04:26,700

you can imagine

83

00:04:32,330 --> 00:04:30,360

if you haven't already yourself that's

84

00:04:34,730 --> 00:04:32,340

that's kind of part of the pattern to

85

00:04:38,000 --> 00:04:34,740

now every time on the event happens now

86

00:04:40,310 --> 00:04:38,010

you have this other branch of so-called

87

00:04:43,280 --> 00:04:40,320

research that comes up with these

88

00:04:44,600 --> 00:04:43,290

outrageous I mean they're entitled to

89

00:04:48,460 --> 00:04:44,610

their own view and if they can prove it

90

00:04:50,780 --> 00:04:48,470

that's fine but really really outrageous

91

00:04:52,790 --> 00:04:50,790

things that they think are facts but

92

00:04:56,780 --> 00:04:52,800

it's just based on anonymous posts on

93

00:04:58,100 --> 00:04:56,790

4chan or something or reddit part of

94

00:05:02,120 --> 00:04:58,110

them hat and I think that meant that

95

00:05:06,080 --> 00:05:02,130

there's credit everything else two two

96

00:05:09,860 --> 00:05:06,090

hands working together more or less or

97

00:05:11,440 --> 00:05:09,870

at least that in the dialectic seems to

98

00:05:15,830 --> 00:05:11,450

be you know you have this problem

99

00:05:18,950 --> 00:05:15,840

reaction solution and like I I can't

100

00:05:24,110 --> 00:05:18,960

it's just so difficult because this time

101  
00:05:26,960 --> 00:05:24,120  
around we have a unique at least for me

102  
00:05:32,110 --> 00:05:26,970  
I have a unique view of what's happening

103  
00:05:34,880 --> 00:05:32,120  
because it seems to me like for a day it

104  
00:05:37,790 --> 00:05:34,890  
everyone online and everybody in the

105  
00:05:40,670 --> 00:05:37,800  
mass media and you know really even kind

106  
00:05:44,690 --> 00:05:40,680  
of spilling over into you know the days

107  
00:05:49,120 --> 00:05:44,700  
following it seems like people are

108  
00:05:52,640 --> 00:05:49,130  
questioning the playbook even those who

109  
00:05:55,790 --> 00:05:52,650  
you wouldn't expect and I'm wondering if

110  
00:05:57,650 --> 00:05:55,800  
that isn't again like you said like one

111  
00:06:00,350 --> 00:05:57,660  
hand over here and the other hand over

112  
00:06:04,610 --> 00:06:00,360  
there and by the time we realize it

113  
00:06:05,960 --> 00:06:04,620

we've been taken again yep I I agree

114

00:06:07,490 --> 00:06:05,970

with you I know exactly what you mean I

115

00:06:09,200 --> 00:06:07,500

feel like that was the same thing with

116

00:06:11,450 --> 00:06:09,210

Trump and I think it's the same thing

117

00:06:14,570 --> 00:06:11,460

with Epstein I don't think people are

118

00:06:18,800 --> 00:06:14,580

really in an agreement over Epstein's

119

00:06:20,960 --> 00:06:18,810

suicide being suspicious per se only in

120

00:06:24,020 --> 00:06:20,970

the sense that people that objectively

121

00:06:26,090 --> 00:06:24,030

look at it find suspicion and then there

122

00:06:28,220 --> 00:06:26,100

are people that look at it subjectively

123

00:06:30,560 --> 00:06:28,230

because they're looking for anything and

124

00:06:33,020 --> 00:06:30,570

everything to confirm the q posts or to

125

00:06:35,510 --> 00:06:33,030

confirm the things they read on some

126

00:06:36,920 --> 00:06:35,520

internet blog or internet forum I don't

127

00:06:39,050 --> 00:06:36,930

know where people get this stuff I don't

128

00:06:40,410 --> 00:06:39,060

understand 4chan and all that but a lot

129

00:06:42,870 --> 00:06:40,420

of stuff I've seen posted

130

00:06:44,580 --> 00:06:42,880

there or just like random pictures

131

00:06:46,440 --> 00:06:44,590

spliced together oh that doesn't look

132

00:06:49,200 --> 00:06:46,450

like Epstein it looks like somebody else

133

00:06:51,480 --> 00:06:49,210

it's just very very strange because now

134

00:06:53,910 --> 00:06:51,490

that's become the alternative and if you

135

00:06:57,240 --> 00:06:53,920

question things objectively you get

136

00:06:59,340 --> 00:06:57,250

grouped in with that so I did that I I

137

00:07:01,740 --> 00:06:59,350

agree that yeah people seem to be in

138

00:07:06,660 --> 00:07:01,750

agreement but I don't know if

139

00:07:08,880 --> 00:07:06,670

everybody's really collectively coming

140

00:07:11,940 --> 00:07:08,890

to the same kind of conclusion for the

141

00:07:13,740 --> 00:07:11,950

same the same objective reasons I think

142

00:07:15,180 --> 00:07:13,750

there's a lot of subjectivity involved

143

00:07:17,220 --> 00:07:15,190

people just want to believe what they

144

00:07:23,090 --> 00:07:17,230

want to believe if that makes sense

145

00:07:30,380 --> 00:07:23,100

mm-hm it makes so much sense it's it's

146

00:07:32,670 --> 00:07:30,390

yeah it's a bit unnerving when you have

147

00:07:35,670 --> 00:07:32,680

at least for me it's a bit unnerving

148

00:07:41,460 --> 00:07:35,680

when you have these these main artery

149

00:07:46,050 --> 00:07:41,470

media talking points that are in sync

150

00:07:48,920 --> 00:07:46,060

with what I think would typically be

151  
00:07:51,780 --> 00:07:48,930  
happening and they're agreeing with my

152  
00:07:56,670 --> 00:07:51,790  
particular unique conspiracy if you will

153  
00:08:03,180 --> 00:07:56,680  
perspective but when I see that I take a

154  
00:08:08,580 --> 00:08:03,190  
few steps back and I get very troubled

155  
00:08:14,370 --> 00:08:08,590  
because usually they're able to navigate

156  
00:08:16,770 --> 00:08:14,380  
the the waters really easily the the way

157  
00:08:19,140 --> 00:08:16,780  
to the public's opinion and having

158  
00:08:20,850 --> 00:08:19,150  
public opinion on their side is is just

159  
00:08:25,290 --> 00:08:20,860  
very very easy for them in second nature

160  
00:08:31,580 --> 00:08:25,300  
so when it seemingly seems like they

161  
00:08:34,710 --> 00:08:31,590  
dropped the ball I really start to worry

162  
00:08:39,420 --> 00:08:34,720  
because I yeah you're saying what you

163  
00:08:41,550 --> 00:08:39,430

mean so do you want to talk about that

164

00:08:42,750 --> 00:08:41,560

for the for the broadcast or what do you

165

00:08:45,690 --> 00:08:42,760

have another subject the widow

166

00:08:47,700 --> 00:08:45,700

absolutely I'm wondering you know and

167

00:08:48,690 --> 00:08:47,710

and this is the thing is like I'm not a

168

00:08:51,750 --> 00:08:48,700

fan of the Clintons

169

00:08:53,910 --> 00:08:51,760

and I hate to you know I'm I think that

170

00:08:56,639 --> 00:08:53,920

it in one aspect I think that bill

171

00:08:57,960 --> 00:08:56,649

was remarkable I mean scholar you know I

172

00:09:00,000 --> 00:08:57,970

think I believe it was a Rhodes Scholar

173

00:09:02,970 --> 00:09:00,010

he accomplished more than I mean just

174

00:09:07,470 --> 00:09:02,980

amazing tenacity so I mean he does have

175

00:09:09,660 --> 00:09:07,480

his positive traits from a political

176

00:09:12,540 --> 00:09:09,670

perspective and at least from you know

177

00:09:14,160 --> 00:09:12,550

being someone that I I feel more

178

00:09:15,120 --> 00:09:14,170

comfortable when I feel like I know

179

00:09:21,000 --> 00:09:15,130

what's going on

180

00:09:23,910 --> 00:09:21,010

and when someone who I have questions or

181

00:09:25,970 --> 00:09:23,920

doubts about is everybody online is

182

00:09:33,150 --> 00:09:25,980

pointing the finger at the Clintons and

183

00:09:35,759 --> 00:09:33,160

for once I'm not I'm wondering if they

184

00:09:37,340 --> 00:09:35,769

are also a casualty of this system that

185

00:09:40,170 --> 00:09:37,350

has been put into place because it

186

00:09:44,400 --> 00:09:40,180

apparently seems like it's very cut and

187

00:09:46,470 --> 00:09:44,410

dried yeah I choked I joked about it

188

00:09:49,319 --> 00:09:46,480

about the Clintons being involved but I

189

00:09:50,370 --> 00:09:49,329

don't know nobody really I don't think

190

00:09:52,199 --> 00:09:50,380

anybody really knows they're probably

191

00:09:55,920 --> 00:09:52,209

maybe like a handful of people that know

192

00:09:58,740 --> 00:09:55,930

I actually what happened to him and it's

193

00:10:02,519 --> 00:09:58,750

just like what was another was another

194

00:10:04,319 --> 00:10:02,529

event that happened uh wasn't sense rich

195

00:10:06,150 --> 00:10:04,329

it was bright Breitbart when Breitbart

196

00:10:07,800 --> 00:10:06,160

got shot or shot heard I know he had to

197

00:10:08,910 --> 00:10:07,810

had a heart attack when Breitbart had a

198

00:10:12,210 --> 00:10:08,920

heart attack he came out of that

199

00:10:13,500 --> 00:10:12,220

restaurant and he had like a nice dinner

200

00:10:16,680 --> 00:10:13,510

a glass of wine came out of the

201  
00:10:19,079 --> 00:10:16,690  
restaurant has a heart attack and then

202  
00:10:23,910 --> 00:10:19,089  
when they sent his body to the corner to

203  
00:10:26,579 --> 00:10:23,920  
do an autopsy I think it was right when

204  
00:10:28,470 --> 00:10:26,589  
they announced that it might not have

205  
00:10:30,240 --> 00:10:28,480  
been from a heart attack or there might

206  
00:10:32,550 --> 00:10:30,250  
have been some other form of strange

207  
00:10:34,560 --> 00:10:32,560  
substance in his body something like

208  
00:10:39,269 --> 00:10:34,570  
that it was mainstream news even then

209  
00:10:41,699 --> 00:10:39,279  
the coroner died so I don't know why I

210  
00:10:43,740 --> 00:10:41,709  
feel like it's a very similar situation

211  
00:10:45,269 --> 00:10:43,750  
but where I agree with you I'm not

212  
00:10:47,519 --> 00:10:45,279  
necessarily of the belief that the

213  
00:10:50,250 --> 00:10:47,529

Clintons are directly involved or they

214

00:10:53,550 --> 00:10:50,260

have a long long history of murdering

215

00:10:56,189 --> 00:10:53,560

people and having people knocked off but

216

00:10:57,569 --> 00:10:56,199

the people involved here are more than

217

00:11:00,389 --> 00:10:57,579

just the Clintons you're talking about

218

00:11:03,090 --> 00:11:00,399

the royal family which we saw the same

219

00:11:05,639 --> 00:11:03,100

thing in a Jimmy Savile who is probably

220

00:11:07,650 --> 00:11:05,649

who is not probably it was connected to

221

00:11:10,410 --> 00:11:07,660

the same networks as Epstein

222

00:11:13,560 --> 00:11:10,420

he was procuring children for the Royals

223

00:11:16,020 --> 00:11:13,570

and then you had people like I mean and

224

00:11:19,730 --> 00:11:16,030

dirt all these people are part of the

225

00:11:21,660 --> 00:11:19,740

same network and you know

226

00:11:25,050 --> 00:11:21,670

historically we know that the royal

227

00:11:28,880 --> 00:11:25,060

family in Britain gins for name's sake I

228

00:11:33,330 --> 00:11:28,890

don't really control family in Britain

229

00:11:35,100 --> 00:11:33,340

in a ritualistic fashion a princess and

230

00:11:36,600 --> 00:11:35,110

I don't have anything that they might

231

00:11:38,460 --> 00:11:36,610

not be that they might be involved in

232

00:11:41,010 --> 00:11:38,470

this case as well in fact I would put

233

00:11:43,230 --> 00:11:41,020

more blame on them than I would even the

234

00:11:47,760 --> 00:11:43,240

Clintons because it's one thing to have

235

00:11:49,380 --> 00:11:47,770

all of the the conspiracy dirt on the

236

00:11:52,800 --> 00:11:49,390

Clintons and how that's kind of spread

237

00:11:55,020 --> 00:11:52,810

as a popular culture meme now it's

238

00:11:57,150 --> 00:11:55,030

another thing for the royal family to be

239

00:11:59,340 --> 00:11:57,160

involved especially because of the links

240

00:12:01,080 --> 00:11:59,350

to Prince Andrew so if anything I'd say

241

00:12:03,180 --> 00:12:01,090

that they might be more guilty than the

242

00:12:07,290 --> 00:12:03,190

Clintons are but I'm sure that there was

243

00:12:09,240 --> 00:12:07,300

there was a mix of involvement and for

244

00:12:12,600 --> 00:12:09,250

the first time a lot of powerful people

245

00:12:15,660 --> 00:12:12,610

told me that the guy had to go mm-hmm

246

00:12:18,060 --> 00:12:15,670

and you know I'm so glad that you this

247

00:12:22,500 --> 00:12:18,070

is very thin ice for walking on Ryan and

248

00:12:25,500 --> 00:12:22,510

and I'm so glad that you kind of pointed

249

00:12:28,410 --> 00:12:25,510

that out first because I've been

250

00:12:31,890 --> 00:12:28,420

thinking you know this these two players

251

00:12:34,470 --> 00:12:31,900

that are literally being and I love you

252

00:12:36,510 --> 00:12:34,480

know the memes as well like nothing

253

00:12:38,760 --> 00:12:36,520

better than a who visited Hugh visited

254

00:12:41,880 --> 00:12:38,770

Epstein last and it's Hillary in a

255

00:12:46,370 --> 00:12:41,890

mustache and sunglasses in it yeah I

256

00:12:48,810 --> 00:12:46,380

love the memes as well but honestly the

257

00:12:51,120 --> 00:12:48,820

procurement and the quickness and the I

258

00:12:53,700 --> 00:12:51,130

don't know the quality and the speed and

259

00:12:57,060 --> 00:12:53,710

just this entire takeover of the

260

00:12:58,890 --> 00:12:57,070

internet with this someone who is you

261

00:13:02,040 --> 00:12:58,900

know worth at least 500 million and

262

00:13:04,770 --> 00:13:02,050

we're talking about Epstein and Clinton

263

00:13:06,390 --> 00:13:04,780

as well and you know you would think you

264

00:13:08,310 --> 00:13:06,400

would think that in the game of Monopoly

265

00:13:10,320 --> 00:13:08,320

that would get you a game at it you know

266

00:13:12,750 --> 00:13:10,330

get-out-of-jail-free card but I

267

00:13:17,070 --> 00:13:12,760

yeah I think like you said we are

268

00:13:19,079 --> 00:13:17,080

getting a glimpse with possibly the

269

00:13:20,220 --> 00:13:19,089

Royals or someone else we're getting a

270

00:13:23,850 --> 00:13:20,230

glimpse

271

00:13:26,910 --> 00:13:23,860

the power the tactic and the technique

272

00:13:30,360 --> 00:13:26,920

it's almost like it just takes it's just

273

00:13:33,270 --> 00:13:30,370

poof and and just massive what you would

274

00:13:39,900 --> 00:13:33,280

consider people who have attained

275

00:13:44,340 --> 00:13:39,910

massive power are nothing yeah let's

276

00:13:46,080 --> 00:13:44,350

let's uh before we expend that are some

277

00:13:48,150 --> 00:13:46,090

of our initial conversational thoughts

278

00:13:50,850 --> 00:13:48,160

let's get the show started and talk

279

00:13:53,790 --> 00:13:50,860

about it live oh my gosh we've been live

280

00:13:55,920 --> 00:13:53,800

oh I didn't realize they were like oh

281

00:13:59,310 --> 00:13:55,930

you guys yes we've been live I'm so

282

00:14:01,440 --> 00:13:59,320

sorry I apologize I didn't even check my

283

00:14:02,970 --> 00:14:01,450

microphone I hope I found okay man you

284

00:14:08,370 --> 00:14:02,980

sound awesome right you pry sound like

285

00:14:12,120 --> 00:14:08,380

way better than me it's but I it just

286

00:14:15,330 --> 00:14:12,130

did just seems like a ghost of power in

287

00:14:16,920 --> 00:14:15,340

and all the leaks and you know some of

288

00:14:19,530 --> 00:14:16,930

some of the individuals I know very well

289

00:14:23,660 --> 00:14:19,540

and their leaks are very very congruent

290

00:14:27,300 --> 00:14:23,670

and always on point and there are

291

00:14:31,170 --> 00:14:27,310

significantly impressive leaks of

292

00:14:33,000 --> 00:14:31,180

information coming out that even point

293

00:14:36,480 --> 00:14:33,010

in that direction more I mean when you

294

00:14:39,450 --> 00:14:36,490

start looking at this is all the same

295

00:14:41,280 --> 00:14:39,460

web it the entire what we're looking at

296

00:14:44,280 --> 00:14:41,290

this this this picture that's been cast

297

00:14:46,830 --> 00:14:44,290

you know more or less to the public

298

00:14:48,690 --> 00:14:46,840

whether that's Aleph antis ping pong

299

00:14:51,630 --> 00:14:48,700

which has all been debunked by Snopes

300

00:14:54,150 --> 00:14:51,640

whatever that means and everything else

301  
00:14:57,630 --> 00:14:54,160  
um you know this entire whether it's a

302  
00:14:59,790 --> 00:14:57,640  
hologram a fake construction not real

303  
00:15:04,590 --> 00:14:59,800  
power they seem like very powerful

304  
00:15:07,320 --> 00:15:04,600  
individuals but on one hand they're

305  
00:15:12,330 --> 00:15:07,330  
powerful and on the other they seem to

306  
00:15:15,390 --> 00:15:12,340  
be very puppeted I think that what we're

307  
00:15:17,370 --> 00:15:15,400  
seeing today is a new revolution it's a

308  
00:15:20,760 --> 00:15:17,380  
psychological revolution it's similar to

309  
00:15:25,400 --> 00:15:20,770  
the 1960s and today instead of having

310  
00:15:29,580 --> 00:15:25,410  
people subdued and distracted and

311  
00:15:32,730 --> 00:15:29,590  
entertained by sex drugs alcohol and

312  
00:15:33,750 --> 00:15:32,740  
music nowadays people are distracted by

313  
00:15:43,319 --> 00:15:33,760

the

314

00:15:44,490 --> 00:15:43,329

to operate as vigilantes as forensic

315

00:15:47,069 --> 00:15:44,500

experts looking at photographs

316

00:15:49,530 --> 00:15:47,079

everybody's an expert now everybody has

317

00:15:53,699 --> 00:15:49,540

a as a picture of Epstein and has a

318

00:15:55,530 --> 00:15:53,709

picture of some some body supposedly

319

00:15:57,210 --> 00:15:55,540

that was released and that's the image

320

00:15:59,430 --> 00:15:57,220

of his dead body and then they compare

321

00:16:01,110 --> 00:15:59,440

the two and if you don't agree with them

322

00:16:03,560 --> 00:16:01,120

then your money you must be one of the

323

00:16:06,689 --> 00:16:03,570

people that want to cover up his his

324

00:16:08,970 --> 00:16:06,699

extraction from the jail and taken to

325

00:16:11,850 --> 00:16:08,980

like I said they heard Guantanamo I've

326

00:16:15,120 --> 00:16:11,860

heard Germany I've heard Israel and

327

00:16:18,329 --> 00:16:15,130

these are all confirmed sources I'm

328

00:16:20,699 --> 00:16:18,339

hearing from internet message boards and

329

00:16:22,889 --> 00:16:20,709

social media platforms random accounts

330

00:16:24,480 --> 00:16:22,899

that post information and if I don't

331

00:16:26,939 --> 00:16:24,490

agree with you and what you're saying or

332

00:16:28,949 --> 00:16:26,949

even I mean I guess I can be open to the

333

00:16:32,610 --> 00:16:28,959

possibility but I just don't find it

334

00:16:34,860 --> 00:16:32,620

reasonable or logical then I'm dismissed

335

00:16:37,470 --> 00:16:34,870

as being a nut by people who are

336

00:16:39,269 --> 00:16:37,480

arguably nuts if you will and I think

337

00:16:42,420 --> 00:16:39,279

unfortunately what we're seeing today is

338

00:16:45,120 --> 00:16:42,430

a co-opting and a reap elitism of people

339

00:16:47,370 --> 00:16:45,130

that otherwise would just be curious

340

00:16:48,960 --> 00:16:47,380

people that don't want anything to do

341

00:16:51,439 --> 00:16:48,970

with politics we saw that with Trump

342

00:16:54,449 --> 00:16:51,449

selection that recoletta sized a

343

00:16:56,309 --> 00:16:54,459

majority of the people that had D

344

00:16:57,660 --> 00:16:56,319

politicized prior to that who wanted

345

00:17:00,809 --> 00:16:57,670

nothing to do with ticks

346

00:17:02,790 --> 00:17:00,819

Trump has repol it aside them and no

347

00:17:05,699 --> 00:17:02,800

matter what you do or don't like about

348

00:17:08,510 --> 00:17:05,709

Trump the fact that Trump is now

349

00:17:11,000 --> 00:17:08,520

discussing pre-crime technology and

350

00:17:13,350 --> 00:17:11,010

executions of people who commit crimes

351

00:17:16,169 --> 00:17:13,360

of the nature of the so-called mass

352

00:17:17,850 --> 00:17:16,179

shooting but then suggesting that will

353

00:17:20,039 --> 00:17:17,860

arrest people before they commit the

354

00:17:22,140 --> 00:17:20,049

crimes and execute them basically

355

00:17:24,360 --> 00:17:22,150

without a jury that's getting into a

356

00:17:26,429 --> 00:17:24,370

very very dark and dangerous area that

357

00:17:30,390 --> 00:17:26,439

alone is a reason for Donald Trump to be

358

00:17:31,530 --> 00:17:30,400

to be muscies if you will so I don't

359

00:17:33,060 --> 00:17:31,540

know if there's a whole bunch of stuff

360

00:17:35,010 --> 00:17:33,070

going on here but I guess the point is

361

00:17:37,080 --> 00:17:35,020

what we're seeing with Epstein is the

362

00:17:38,370 --> 00:17:37,090

same thing we saw with with pizza gate I

363

00:17:38,909 --> 00:17:38,380

thought Pizza Gate and I said it from

364

00:17:41,250 --> 00:17:38,919

the beginning

365

00:17:42,930 --> 00:17:41,260

it's a PSYOP that doesn't mean there

366

00:17:44,909 --> 00:17:42,940

isn't an international network and the

367

00:17:46,710 --> 00:17:44,919

files I've been talking about that for

368

00:17:47,520 --> 00:17:46,720

years on my show since the very

369

00:17:49,110 --> 00:17:47,530

beginning I've been

370

00:17:53,040 --> 00:17:49,120

kicked off radio networks because of

371

00:17:55,830 --> 00:17:53,050

that and when I saw when when PCA came

372

00:17:58,020 --> 00:17:55,840

out was a way to subvert people and and

373

00:17:59,280 --> 00:17:58,030

to divert their attention to subvert the

374

00:18:01,920 --> 00:17:59,290

investigation divert their attention

375

00:18:03,360 --> 00:18:01,930

away from from the exposure of thing

376

00:18:06,120 --> 00:18:03,370

that's whether that's in the Catholic

377

00:18:07,800 --> 00:18:06,130

Church or it's Jimmy Savile I mean

378

00:18:09,990 --> 00:18:07,810

there's another connection to the royal

379

00:18:11,940 --> 00:18:10,000

family as well as Jimmy Savile he was

380

00:18:14,400 --> 00:18:11,950

good friends with Prince Charles he was

381

00:18:17,010 --> 00:18:14,410

procuring children the guy was working

382

00:18:19,740 --> 00:18:17,020

at the BBC he had molested hundreds of

383

00:18:22,380 --> 00:18:19,750

people on property of the BBC which

384

00:18:24,150 --> 00:18:22,390

means that security with all the cameras

385

00:18:26,400 --> 00:18:24,160

and the people in charge that ran the

386

00:18:28,590 --> 00:18:26,410

BBC either were completely oblivious and

387

00:18:30,900 --> 00:18:28,600

not going their jobs and they should

388

00:18:32,820 --> 00:18:30,910

have been fired or they were completely

389

00:18:35,700 --> 00:18:32,830

aware of what Jimmy Savile was doing

390

00:18:38,670 --> 00:18:35,710

bringing kids all the way up to 40

391

00:18:40,800 --> 00:18:38,680

something year old people into the BBC

392

00:18:43,620 --> 00:18:40,810

and raping them are performing these

393

00:18:45,690 --> 00:18:43,630

rituals that women that they were part a

394

00:18:47,640 --> 00:18:45,700

part of in the hospital that Savile

395

00:18:49,560 --> 00:18:47,650

worked at so there's a connection to the

396

00:18:53,850 --> 00:18:49,570

Royals again all of this is just like

397

00:18:55,770 --> 00:18:53,860

painting and constructing the straw man

398

00:18:57,480 --> 00:18:55,780

the paper tiger and it just diverts

399

00:18:59,640 --> 00:18:57,490

everybody's attention away this is kind

400

00:19:02,940 --> 00:18:59,650

of that new revolution it's part of a

401  
00:19:04,620 --> 00:19:02,950  
pseudo New Age movement and its really

402  
00:19:07,290 --> 00:19:04,630  
really bothersome to me because I'm

403  
00:19:09,750 --> 00:19:07,300  
sitting here as an individual not even

404  
00:19:11,250 --> 00:19:09,760  
as a radio host and I'm reading what

405  
00:19:12,990 --> 00:19:11,260  
mainstream news says and then I'm

406  
00:19:15,930 --> 00:19:13,000  
looking at patterns historically I'm

407  
00:19:18,570 --> 00:19:15,940  
open to well controlled speculation but

408  
00:19:20,850 --> 00:19:18,580  
to immediately suggest that this this or

409  
00:19:25,650 --> 00:19:20,860  
this happened because of anonymous posts

410  
00:19:28,110 --> 00:19:25,660  
online that came from and then I'm crazy

411  
00:19:32,870 --> 00:19:28,120  
if I don't believe them that the problem

412  
00:19:37,280 --> 00:19:32,880  
I think mmm-hmm Oh massive and I I'm so

413  
00:19:41,160 --> 00:19:37,290

glad that you brought up Jimmy Savile

414

00:19:45,120 --> 00:19:41,170

mainly mainly because he's an individual

415

00:19:48,750 --> 00:19:45,130

this individual is almost the epitome at

416

00:19:51,330 --> 00:19:48,760

least in my worked you know mind I like

417

00:19:53,670 --> 00:19:51,340

to say that I'm an entertainer of occult

418

00:19:55,560 --> 00:19:53,680

ideas in the in the in the fact that I

419

00:19:57,150 --> 00:19:55,570

believe that this is something that's

420

00:19:59,520 --> 00:19:57,160

been around for thousands of years and

421

00:20:01,230 --> 00:19:59,530

thousands if not millions of people

422

00:20:04,170 --> 00:20:01,240

millions of individuals have taken part

423

00:20:05,850 --> 00:20:04,180

of and this is a very energetic thing

424

00:20:07,800 --> 00:20:05,860

that's happening behind the scenes and

425

00:20:11,460 --> 00:20:07,810

and and for the most part is ignored by

426

00:20:14,870 --> 00:20:11,470

the mainstream it's it's but Jimmy

427

00:20:18,570 --> 00:20:14,880

Savile is almost the epitome of that

428

00:20:20,790 --> 00:20:18,580

what you would picture is that I mean a

429

00:20:26,570 --> 00:20:20,800

true dark sorcerer in that he's

430

00:20:30,720 --> 00:20:26,580

extremely eccentric ridiculously liked

431

00:20:34,290 --> 00:20:30,730

respected like no other and he is quite

432

00:20:37,380 --> 00:20:34,300

literally a gesture of all traits he is

433

00:20:39,330 --> 00:20:37,390

whatever is needed to attain the power

434

00:20:42,150 --> 00:20:39,340

and he's literally just a puppet of

435

00:20:43,650 --> 00:20:42,160

whatever conduit he's using to entertain

436

00:20:46,110 --> 00:20:43,660

these dark forces or whatever is

437

00:20:48,300 --> 00:20:46,120

controlling him obviously isn't human at

438

00:20:51,300 --> 00:20:48,310

that point I mean with just with the

439

00:20:54,270 --> 00:20:51,310

with the intense amount of historical

440

00:20:56,460 --> 00:20:54,280

data of the the boys the I mean it

441

00:20:58,590 --> 00:20:56,470

really didn't matter you know he was in

442

00:21:00,600 --> 00:20:58,600

- I don't even want to get into it but

443

00:21:01,710 --> 00:21:00,610

back to the cheese of choice and I'm

444

00:21:04,350 --> 00:21:01,720

glad that you mentioned the drugs

445

00:21:07,950 --> 00:21:04,360

alcohol these things you know of the 60s

446

00:21:10,670 --> 00:21:07,960

are no longer you know the the menu item

447

00:21:13,380 --> 00:21:10,680

this is this isn't a now like a false

448

00:21:16,460 --> 00:21:13,390

construct of security that people are

449

00:21:18,360 --> 00:21:16,470

feeding on and that's frightening i

450

00:21:20,010 --> 00:21:18,370

whatever people want to say about

451  
00:21:22,200 --> 00:21:20,020  
founding fathers I don't want to go

452  
00:21:24,480 --> 00:21:22,210  
either way but you know I love Ben

453  
00:21:26,070 --> 00:21:24,490  
Franklin saying that those who are

454  
00:21:28,080 --> 00:21:26,080  
willing to give up their freedom right

455  
00:21:30,210 --> 00:21:28,090  
massacring this those who are willing to

456  
00:21:33,960 --> 00:21:30,220  
get up give up their freedoms for

457  
00:21:37,020 --> 00:21:33,970  
security deserve neither is a hundred

458  
00:21:40,830 --> 00:21:37,030  
percent true here because this this

459  
00:21:44,310 --> 00:21:40,840  
Trump thing with the pre-crime this is

460  
00:21:47,690 --> 00:21:44,320  
no joke I mean people don't this is no

461  
00:21:51,510 --> 00:21:47,700  
joke this is quite literally the

462  
00:21:52,800 --> 00:21:51,520  
implications of and I think someone that

463  
00:21:54,930 --> 00:21:52,810

just would run into me on the street

464

00:21:57,030 --> 00:21:54,940

would say oh you're freaking you're just

465

00:21:59,700 --> 00:21:57,040

a freaking Trumpster and I'm really not

466

00:22:01,290 --> 00:21:59,710

but I like to give people the benefit of

467

00:22:03,660 --> 00:22:01,300

the doubt I'm like this is an older guy

468

00:22:05,460 --> 00:22:03,670

he's probably set in his ways you know

469

00:22:08,790 --> 00:22:05,470

I've seen older people that are set in

470

00:22:10,770 --> 00:22:08,800

their ways but this this pre-crime thing

471

00:22:12,000 --> 00:22:10,780

is really scary and when I found out

472

00:22:12,810 --> 00:22:12,010

that it I think it's been happening

473

00:22:15,210 --> 00:22:12,820

since 2000

474

00:22:17,220 --> 00:22:15,220

eleven this is at least the

475

00:22:18,930 --> 00:22:17,230

investigation the software the

476

00:22:24,210 --> 00:22:18,940

artificial intelligence involved with

477

00:22:26,220 --> 00:22:24,220

the idea of pre criminalization is it is

478

00:22:27,529 --> 00:22:26,230

this is this not just like the scariest

479

00:22:30,210 --> 00:22:27,539

thing ever

480

00:22:33,029 --> 00:22:30,220

yeah right it is it's a terrifying

481

00:22:36,269 --> 00:22:33,039

concept especially considering that

482

00:22:40,019 --> 00:22:36,279

Trump added on to this by saying that

483

00:22:42,899 --> 00:22:40,029

we'll just execute people quickly so

484

00:22:45,600 --> 00:22:42,909

what that means is let's say we have

485

00:22:48,119 --> 00:22:45,610

pre-crime software that's being used by

486

00:22:50,430 --> 00:22:48,129

local law enforcement which you said

487

00:22:53,039 --> 00:22:50,440

back in 2011 that's what I remember

488

00:22:54,960 --> 00:22:53,049

reading and and watching news reports

489

00:22:56,310 --> 00:22:54,970

about it then I just caught one for my

490

00:22:59,940 --> 00:22:56,320

show the other night on the secret

491

00:23:02,789 --> 00:22:59,950

teachings as well so yeah 2011 DHS was

492

00:23:07,320 --> 00:23:02,799

working on it so it's not about orange

493

00:23:09,090 --> 00:23:07,330

man bad orange man good people that

494

00:23:11,430 --> 00:23:09,100

don't like Trump and people that do like

495

00:23:13,350 --> 00:23:11,440

Trump respond in the same way orange man

496

00:23:15,240 --> 00:23:13,360

good orange man good orange man bad

497

00:23:17,460 --> 00:23:15,250

orange man bad so that's the same thing

498

00:23:19,860 --> 00:23:17,470

as far as I'm concerned but the

499

00:23:21,990 --> 00:23:19,870

pre-crime technology and what Trump was

500

00:23:23,789 --> 00:23:22,000

talking about in that speech he might

501  
00:23:25,740 --> 00:23:23,799  
not have even ever in a speech but

502  
00:23:30,299 --> 00:23:25,750  
either way even supporting those

503  
00:23:32,700 --> 00:23:30,309  
concepts means that you can be arrested

504  
00:23:35,279 --> 00:23:32,710  
for something you haven't done yet

505  
00:23:40,529 --> 00:23:35,289  
pretty obvious what pre-crime is and

506  
00:23:42,869 --> 00:23:40,539  
then you can be not only accused without

507  
00:23:45,389 --> 00:23:42,879  
any evidence except some algorithm in

508  
00:23:48,269 --> 00:23:45,399  
some pattern but you can be convicted in

509  
00:23:51,930 --> 00:23:48,279  
the court of public opinion first and

510  
00:23:55,980 --> 00:23:51,940  
foremost and then beyond that you can be

511  
00:23:58,680 --> 00:23:55,990  
executed without any trial Trump said

512  
00:24:00,840 --> 00:23:58,690  
that you'll be executed we don't want a

513  
00:24:03,119 --> 00:24:00,850

long legal process drawn-out will

514

00:24:07,259 --> 00:24:03,129

execute you quickly and you can do all

515

00:24:09,509 --> 00:24:07,269

that based on somebody doing nothing but

516

00:24:11,430 --> 00:24:09,519

the real I think threat has nothing to

517

00:24:12,720 --> 00:24:11,440

do with the potentiality of someone

518

00:24:15,029 --> 00:24:12,730

committing a murder

519

00:24:16,529 --> 00:24:15,039

so we committed a shooting or someone

520

00:24:18,509 --> 00:24:16,539

raping somebody or whatever the case

521

00:24:21,419 --> 00:24:18,519

might be like Minority Report

522

00:24:24,149 --> 00:24:21,429

it's about isolating and identifying

523

00:24:26,730 --> 00:24:24,159

people that are at threat on a threat to

524

00:24:29,070 --> 00:24:26,740

one political party or the other

525

00:24:30,660 --> 00:24:29,080

because in 2011 Obama's president trucks

526

00:24:33,360 --> 00:24:30,670

talking about it now through different

527

00:24:34,140 --> 00:24:33,370

registration the worker had to suppress

528

00:24:36,799 --> 00:24:34,150

the pout

529

00:24:38,940 --> 00:24:36,809

they're both where is the beauty Oliver

530

00:24:41,730 --> 00:24:38,950

the Judean evening of everything to

531

00:24:44,580 --> 00:24:41,740

maintain that house and so if you have a

532

00:24:48,390 --> 00:24:44,590

pinion and you post up in social media

533

00:24:54,060 --> 00:24:48,400

you express that a pitch different than

534

00:24:56,910 --> 00:24:54,070

what the AB read oblique and even

535

00:24:59,000 --> 00:24:56,920

violent like hit keifa and just as

536

00:25:02,580 --> 00:24:59,010

betting on the right side horizontal sir

537

00:25:04,980 --> 00:25:02,590

now having an opinion justice it's a

538

00:25:10,200 --> 00:25:04,990

threat a threat account and you can be

539

00:25:13,290 --> 00:25:10,210

arrested you can be executed and you are

540

00:25:16,470 --> 00:25:13,300

guilty so pretty so that's the first

541

00:25:20,370 --> 00:25:16,480

part of problem and that's said that the

542

00:25:22,980 --> 00:25:20,380

horrific danger of this type of thing

543

00:25:26,270 --> 00:25:22,990

and the strangest thing I think about it

544

00:25:29,370 --> 00:25:26,280

is be easy when you have a look what

545

00:25:32,040 --> 00:25:29,380

justified based on its being justified

546

00:25:35,250 --> 00:25:32,050

on a couple of shootings and sure a

547

00:25:37,110 --> 00:25:35,260

couple people dying in Gilroy a couple

548

00:25:40,169 --> 00:25:37,120

people valued in El Paso a couple people

549

00:25:42,330 --> 00:25:40,179

died in a date I didn't say I'm glad

550

00:25:43,860 --> 00:25:42,340

those people died I didn't say that I'm

551

00:25:46,020 --> 00:25:43,870

glad those families have to suffer

552

00:25:48,270 --> 00:25:46,030

that's something that nobody I don't

553

00:25:50,070 --> 00:25:48,280

think wants to go through but when you

554

00:25:50,700 --> 00:25:50,080

have free events like this back to back

555

00:25:54,120 --> 00:25:50,710

to back

556

00:25:55,919 --> 00:25:54,130

you have the Gilroy shooting and then in

557

00:25:57,630 --> 00:25:55,929

the middle of the Gilroy shooting before

558

00:25:59,340 --> 00:25:57,640

you have the El Paso shooting is the

559

00:26:04,530 --> 00:25:59,350

next night you have Dayton shooting the

560

00:26:07,049 --> 00:26:04,540

next morning you have the FBI in a

561

00:26:09,530 --> 00:26:07,059

document that was released that they may

562

00:26:14,040 --> 00:26:09,540

30th but Yahoo News got to hold up

563

00:26:17,280 --> 00:26:14,050

identifying and label e.q supporters and

564

00:26:20,570 --> 00:26:17,290

cue believers and I because of that

565

00:26:23,760 --> 00:26:20,580

Donald Trump a pizza gate as potential

566

00:26:26,460 --> 00:26:23,770

extremists as potential terrorists and

567

00:26:29,040 --> 00:26:26,470

they do that while in FIFA calls for the

568

00:26:30,600 --> 00:26:29,050

death of ice officials and to burn down

569

00:26:32,910 --> 00:26:30,610

government facility to burn an American

570

00:26:36,750 --> 00:26:32,920

flag and yet 80 foot isn't labeled as a

571

00:26:38,310 --> 00:26:36,760

domestic extremist threat so all of this

572

00:26:40,410 --> 00:26:38,320

ties together I think because what

573

00:26:43,460 --> 00:26:40,420

happens is now if you

574

00:26:46,830 --> 00:26:43,470

or Trump and you have any openness or

575

00:26:49,440 --> 00:26:46,840

publish meant to queue well now you are

576

00:26:51,810 --> 00:26:49,450

potential extremists if you maybe don't

577

00:26:54,270 --> 00:26:51,820

support Trump but you still maybe have

578

00:26:56,820 --> 00:26:54,280

an idea have a have enough your own idea

579

00:26:59,070 --> 00:26:56,830

I think some of this new stuff may be

580

00:27:01,710 --> 00:26:59,080

accurate both you're still Malatesta

581

00:27:04,020 --> 00:27:01,720

extremists and furthermore you believe

582

00:27:06,720 --> 00:27:04,030

the gate is real whatever that might be

583

00:27:08,850 --> 00:27:06,730

you're a domestic extreme but more

584

00:27:11,280 --> 00:27:08,860

importantly if you believe that Jeffrey

585

00:27:15,540 --> 00:27:11,290

Epstein was operated in an international

586

00:27:17,730 --> 00:27:15,550

network of human child and young girl

587

00:27:19,920 --> 00:27:17,740

traffic and you believe that Jimmy

588

00:27:22,380 --> 00:27:19,930

Savile was likewise during the same

589

00:27:24,840 --> 00:27:22,390

thing you believe in a pastor was

590

00:27:27,450 --> 00:27:24,850

involved with that and all of the other

591

00:27:30,120 --> 00:27:27,460

famous and not-so-famous things all the

592

00:27:32,910 --> 00:27:30,130

networks all the way up the Vatican from

593

00:27:33,870 --> 00:27:32,920

Washington to once then and you name it

594

00:27:36,420 --> 00:27:33,880

all across the world

595

00:27:38,610 --> 00:27:36,430

well now that associations of the gates

596

00:27:41,010 --> 00:27:38,620

associated with you and associates with

597

00:27:43,740 --> 00:27:41,020

Trump and therefore it associates you as

598

00:27:47,510 --> 00:27:43,750

a domestic extremist so now you can't

599

00:27:50,100 --> 00:27:47,520

spit out a [h\_\_h] you can't even speak

600

00:27:52,980 --> 00:27:50,110

what you feel you can't have an opinion

601  
00:27:55,380 --> 00:27:52,990  
without you be considered an extremist

602  
00:27:59,150 --> 00:27:55,390  
or asking a question as absurd as the

603  
00:28:02,880 --> 00:27:59,160  
pizza gate stuff as far as I'm concerned

604  
00:28:05,670 --> 00:28:02,890  
there's an absolute kernel of truth in

605  
00:28:07,350 --> 00:28:05,680  
that SIA which is why the current the

606  
00:28:09,960 --> 00:28:07,360  
truth is used because it's something

607  
00:28:12,750 --> 00:28:09,970  
that abuse food that part of whatever

608  
00:28:14,370 --> 00:28:12,760  
the favorite is it's true and now what

609  
00:28:17,520 --> 00:28:14,380  
you have the roll out if this happens

610  
00:28:19,770 --> 00:28:17,530  
but that's and you find out that he's

611  
00:28:23,540 --> 00:28:19,780  
supposedly force young girls to have

612  
00:28:26,610 --> 00:28:23,550  
sexual governor's with senators with

613  
00:28:30,000 --> 00:28:26,620

leaders of other countries with very

614

00:28:31,320 --> 00:28:30,010

very famous people all around now if

615

00:28:33,750 --> 00:28:31,330

you're interested in that it could be

616

00:28:34,260 --> 00:28:33,760

NBC News seeing it you see does it

617

00:28:36,900 --> 00:28:34,270

matter

618

00:28:40,110 --> 00:28:36,910

now with the post that there could be a

619

00:28:42,720 --> 00:28:40,120

link from that to pizza gate to domestic

620

00:28:45,120 --> 00:28:42,730

extremism and that's been done for a

621

00:28:48,270 --> 00:28:45,130

number of different reasons but I think

622

00:28:50,810 --> 00:28:48,280

the major one is it's a threat to the

623

00:28:52,740 --> 00:28:50,820

power to threat through the oligarchs

624

00:28:53,940 --> 00:28:52,750

obviously that this stuff is now

625

00:28:56,400 --> 00:28:53,950

becoming mainstream

626  
00:29:00,660 --> 00:28:56,410  
so they worked for this something about

627  
00:29:02,670 --> 00:29:00,670  
to create the alternative narrative that

628  
00:29:06,120 --> 00:29:02,680  
this is being conducted at the basement

629  
00:29:07,770 --> 00:29:06,130  
of a restaurant when in reality it's

630  
00:29:10,410 --> 00:29:07,780  
being conducted at branches in New

631  
00:29:13,230 --> 00:29:10,420  
Mexico she conducted it South :

632  
00:29:16,170 --> 00:29:13,240  
that's the Caribbean he conducted at the

633  
00:29:17,970 --> 00:29:16,180  
PC at the Vatican so in the nether they

634  
00:29:20,970 --> 00:29:17,980  
burst their attacks like you said left

635  
00:29:23,190 --> 00:29:20,980  
right hands look at my left hand while I

636  
00:29:26,150 --> 00:29:23,200  
lose my right look at my right hand well

637  
00:29:30,390 --> 00:29:26,160  
I believe my left that's a very very

638  
00:29:32,040 --> 00:29:30,400

face it is a form of magic and it keeps

639

00:29:34,740 --> 00:29:32,050

people distracted from what's going on

640

00:29:36,840 --> 00:29:34,750

or the more criminalizes having an

641

00:29:41,070 --> 00:29:36,850

opinion and I think it's very dangerous

642

00:29:43,350 --> 00:29:41,080

it's David Barry it's horrifying it's

643

00:29:46,590 --> 00:29:43,360

worse than any Hollywood movie I've ever

644

00:29:49,310 --> 00:29:46,600

seen if there is as and I love that

645

00:29:52,560 --> 00:29:49,320

comment Ryan a kernel of truth because

646

00:29:58,680 --> 00:29:52,570

there's always a kernel of truth and the

647

00:30:01,820 --> 00:29:58,690

the for those who follow certain a cult

648

00:30:05,820 --> 00:30:01,830

even if you want to call it theology

649

00:30:08,370 --> 00:30:05,830

mysticism legends whatever you want to

650

00:30:10,860 --> 00:30:08,380

call it if you follow that that you have

651

00:30:16,680 --> 00:30:10,870

the these individuals have to leave a

652

00:30:19,770 --> 00:30:16,690

kernel of truth otherwise the spell

653

00:30:21,990 --> 00:30:19,780

won't work and it's it's very

654

00:30:24,300 --> 00:30:22,000

frightening if you have like like like

655

00:30:25,860 --> 00:30:24,310

you said if they have us to the point if

656

00:30:28,650 --> 00:30:25,870

they have is program to the point which

657

00:30:33,330 --> 00:30:28,660

unfortunately I'm a sick one I believe

658

00:30:37,020 --> 00:30:33,340

they may have the majority programmed to

659

00:30:38,940 --> 00:30:37,030

a point and if if pre-crime is where

660

00:30:43,920 --> 00:30:38,950

we're at what's next it's pre thought

661

00:30:46,230 --> 00:30:43,930

and before that it's pre life and this

662

00:30:47,460 --> 00:30:46,240

this pre thought is what worries me the

663

00:30:49,860 --> 00:30:47,470

most because that's exactly what you're

664

00:30:52,320 --> 00:30:49,870

speaking about you you can't even have

665

00:30:56,900 --> 00:30:52,330

an opinion you cannot even support our

666

00:31:00,270 --> 00:30:56,910

leader of our country because if you do

667

00:31:02,310 --> 00:31:00,280

you have an opinion if you don't support

668

00:31:05,090 --> 00:31:02,320

him you're automatically on the other

669

00:31:07,230 --> 00:31:05,100

side and you have an opinion and

670

00:31:12,360 --> 00:31:07,240

possibly the most frightening

671

00:31:14,940 --> 00:31:12,370

thing is this well that this whole

672

00:31:18,090 --> 00:31:14,950

Hollywood connection because you know

673

00:31:20,580 --> 00:31:18,100

with Minority Report I'm maybe it's it's

674

00:31:22,650 --> 00:31:20,590

the fault of my education I'm you know i

675

00:31:25,380 --> 00:31:22,660

got into communications early in the

676  
00:31:27,690 --> 00:31:25,390  
university and immediately there at that

677  
00:31:29,910 --> 00:31:27,700  
point they were teaching the hypodermic

678  
00:31:32,310 --> 00:31:29,920  
needle theory which just really grabbed

679  
00:31:35,250 --> 00:31:32,320  
my attention because it was explaining

680  
00:31:37,590 --> 00:31:35,260  
how the media and life can imitate art

681  
00:31:39,000 --> 00:31:37,600  
but after a minute you can't tell one

682  
00:31:43,530 --> 00:31:39,010  
from the other and it's literally a

683  
00:31:45,450 --> 00:31:43,540  
shell game of you don't you don't know

684  
00:31:47,610 --> 00:31:45,460  
what's going on it's like a shell game

685  
00:31:49,910 --> 00:31:47,620  
at a carnival you know where's the nut

686  
00:31:53,640 --> 00:31:49,920  
and they half of the three shells and

687  
00:31:56,040 --> 00:31:53,650  
with with this scenario of mine a

688  
00:31:58,049 --> 00:31:56,050

Minority Report and Spielberg coming out

689

00:31:59,820 --> 00:31:58,059

and the Hollywood connection with all of

690

00:32:04,020 --> 00:31:59,830

this it's a very very tight web they've

691

00:32:06,000 --> 00:32:04,030

weaved in Hollywood and you know I get

692

00:32:09,630 --> 00:32:06,010

why the Grove says weaving spiders come

693

00:32:14,250 --> 00:32:09,640

not here because one Colonel gets out

694

00:32:16,740 --> 00:32:14,260

and you can but this is all over and and

695

00:32:21,000 --> 00:32:16,750

I think what we're seeing here is the

696

00:32:23,220 --> 00:32:21,010

mass I don't really even want to have an

697

00:32:25,890 --> 00:32:23,230

opinion because I am fearful of that but

698

00:32:30,140 --> 00:32:25,900

the mass programming where as you said

699

00:32:34,980 --> 00:32:30,150

pre thought is now possibly at least

700

00:32:37,510 --> 00:32:34,990

discriminative Lee held against you pre

701  
00:32:39,350 --> 00:32:37,520  
activity they can go back through your

702  
00:32:43,080 --> 00:32:39,360  
[Music]

703  
00:32:44,820 --> 00:32:43,090  
like snow yeah newsfeed right anything

704  
00:32:50,700 --> 00:32:44,830  
they can go through and they can paint

705  
00:32:53,730 --> 00:32:50,710  
any picture they want if needed yeah now

706  
00:32:56,460 --> 00:32:53,740  
you have a lot of people who only take

707  
00:32:58,710 --> 00:32:56,470  
up this story about Epstein because it's

708  
00:33:01,110 --> 00:32:58,720  
considered socially and politically

709  
00:33:05,790 --> 00:33:01,120  
acceptable to do so to some degree and

710  
00:33:09,560 --> 00:33:05,800  
they do it because in my view maybe like

711  
00:33:12,840 --> 00:33:09,570  
a quarter of the people are cowards and

712  
00:33:15,270 --> 00:33:12,850  
if they were aware of this prior to this

713  
00:33:17,400 --> 00:33:15,280

become so well known they didn't want to

714

00:33:19,590 --> 00:33:17,410

talk about it because it's scary and

715

00:33:20,770 --> 00:33:19,600

that's fine but a lot of people would

716

00:33:23,970 --> 00:33:20,780

refuse to Poe

717

00:33:26,740 --> 00:33:23,980

this kind of stuff I would I would um I

718

00:33:29,770 --> 00:33:26,750

had a friend of mine who didn't even

719

00:33:31,900 --> 00:33:29,780

want me to print out articles about this

720

00:33:34,480 --> 00:33:31,910

type of thing years ago on his printer

721

00:33:36,370 --> 00:33:34,490

because he thought that it would be it

722

00:33:38,410 --> 00:33:36,380

would be compromised because of that and

723

00:33:40,180 --> 00:33:38,420

there I've had been kicked off of radio

724

00:33:41,980 --> 00:33:40,190

networks for talking about this kind of

725

00:33:45,280 --> 00:33:41,990

stuff but now since it's socially

726

00:33:47,620 --> 00:33:45,290

acceptable now everybody has insight and

727

00:33:49,270 --> 00:33:47,630

everybody's concerned everybody wants to

728

00:33:51,520 --> 00:33:49,280

get the clicks on YouTube everybody

729

00:33:53,770 --> 00:33:51,530

wants to get the likes on Facebook and

730

00:33:55,840 --> 00:33:53,780

everybody has an opinion but I find that

731

00:33:58,990 --> 00:33:55,850

their opinions are all very very similar

732

00:34:01,300 --> 00:33:59,000

I look through my Facebook feed and I

733

00:34:01,900 --> 00:34:01,310

see all these stories Epstein was not

734

00:34:03,970 --> 00:34:01,910

killed

735

00:34:06,160 --> 00:34:03,980

Epstein did not commit suicide Epstein

736

00:34:08,200 --> 00:34:06,170

definitely isn't Montano MoBay Epstein

737

00:34:10,419 --> 00:34:08,210

definitely is in Germany he's definitely

738

00:34:12,550 --> 00:34:10,429

Israel and all of this stuff is coming

739

00:34:14,500 --> 00:34:12,560

from anonymous sources and it makes

740

00:34:16,119 --> 00:34:14,510

people feel like not only are they a

741

00:34:17,770 --> 00:34:16,129

part of something but that they're

742

00:34:19,720 --> 00:34:17,780

making a difference when they're not

743

00:34:22,180 --> 00:34:19,730

doing anything except reposting

744

00:34:23,409 --> 00:34:22,190

propaganda on social media and the

745

00:34:25,960 --> 00:34:23,419

internet well they're not on anything

746

00:34:29,590 --> 00:34:25,970

except participating in a very large

747

00:34:31,060 --> 00:34:29,600

SIOP for which the intentionality of the

748

00:34:34,300 --> 00:34:31,070

SIOP is to make people feel like they're

749

00:34:37,139 --> 00:34:34,310

in power to give them the the apparent

750

00:34:39,850 --> 00:34:37,149

means to decipher codes and everything

751  
00:34:41,860 --> 00:34:39,860  
letters and numbers which the funny

752  
00:34:43,720 --> 00:34:41,870  
thing is patterns as you said earlier

753  
00:34:45,250 --> 00:34:43,730  
your patterns are very real and there

754  
00:34:47,619 --> 00:34:45,260  
are patterns here there are patterns

755  
00:34:50,169 --> 00:34:47,629  
from Epstein to Jimmy Saville to the

756  
00:34:51,730 --> 00:34:50,179  
next cm cult and so on and so forth

757  
00:34:54,159 --> 00:34:51,740  
there really are patterns and there

758  
00:34:57,160 --> 00:34:54,169  
really are connections but we don't find

759  
00:34:58,660 --> 00:34:57,170  
that out by decoding random posts by

760  
00:35:01,390 --> 00:34:58,670  
something that we don't even know what

761  
00:35:03,670 --> 00:35:01,400  
it is in the case of Q to social media

762  
00:35:05,770 --> 00:35:03,680  
and then feeling like we have all the

763  
00:35:10,660 --> 00:35:05,780

answers because some obscure anonymous

764

00:35:14,590 --> 00:35:10,670

force gave it to us I don't know if Q is

765

00:35:17,230 --> 00:35:14,600

is not an individual or is I can't prove

766

00:35:20,680 --> 00:35:17,240

that to you with a document by based on

767

00:35:22,540 --> 00:35:20,690

patterns q to me sounds like the

768

00:35:24,700 --> 00:35:22,550

anonymous movement it's an anonymous

769

00:35:26,080 --> 00:35:24,710

group of people and they work to take

770

00:35:28,420 --> 00:35:26,090

down the big banks and the big

771

00:35:30,370 --> 00:35:28,430

corporations and we live vicariously

772

00:35:32,740 --> 00:35:30,380

through them we live as social media

773

00:35:33,870 --> 00:35:32,750

warriors through anonymous and that's

774

00:35:35,370 --> 00:35:33,880

what's happening now with

775

00:35:37,410 --> 00:35:35,380

it's the same thing and Hugh connects

776

00:35:40,170 --> 00:35:37,420

all this in the same way because you had

777

00:35:41,820 --> 00:35:40,180

people like Jordan say there and David

778

00:35:43,590 --> 00:35:41,830

Wilcock who have been consistently

779

00:35:45,810 --> 00:35:43,600

claiming well we've got insiders

780

00:35:47,490 --> 00:35:45,820

insiders insiders and Q dropped this and

781

00:35:49,860 --> 00:35:47,500

we're decoding stuff and deciphering

782

00:35:52,020 --> 00:35:49,870

stuff and and yet people like that

783

00:35:54,570 --> 00:35:52,030

didn't talk about this even what five

784

00:35:55,950 --> 00:35:54,580

six years ago no none of these guys were

785

00:35:57,600 --> 00:35:55,960

talking about this now they're experts

786

00:35:59,130 --> 00:35:57,610

on it and now all of the insiders are

787

00:36:00,690 --> 00:35:59,140

coming to them with the information when

788

00:36:02,940 --> 00:36:00,700

five six years ago they didn't know

789

00:36:05,100 --> 00:36:02,950

anything about it that's just maybe that

790

00:36:07,350 --> 00:36:05,110

timelines not exactly accurate but

791

00:36:09,150 --> 00:36:07,360

within within my 10 years of radio I

792

00:36:11,250 --> 00:36:09,160

don't remember David Wilcock ever

793

00:36:12,780 --> 00:36:11,260

talking levels or numerous other people

794

00:36:14,910 --> 00:36:12,790

and now there's now there are apparent

795

00:36:16,920 --> 00:36:14,920

experts and because Robert David Steele

796

00:36:18,960 --> 00:36:16,930

says one thing everybody's like Rolf's

797

00:36:20,940 --> 00:36:18,970

Iranian hold on a second Ryan you got to

798

00:36:23,340 --> 00:36:20,950

understand that this is a possibility

799

00:36:25,320 --> 00:36:23,350

it's like yeah it's a possibility but

800

00:36:27,330 --> 00:36:25,330

there's also a possibility Jeffrey

801  
00:36:29,250 --> 00:36:27,340  
Epstein was abducted by aliens there's a

802  
00:36:31,650 --> 00:36:29,260  
whole bunch of possibilities it's it's

803  
00:36:33,270 --> 00:36:31,660  
the flooding that maybe you don't he'll

804  
00:36:34,980 --> 00:36:33,280  
be open to bond I am so sorry to

805  
00:36:38,100 --> 00:36:34,990  
interrupt but that may be the closest

806  
00:36:40,050 --> 00:36:38,110  
thing to the truth in not abducted but

807  
00:36:41,880 --> 00:36:40,060  
you know like in a way I'm so sorry to

808  
00:36:44,730 --> 00:36:41,890  
interrupt you but my gosh er you're

809  
00:36:49,350 --> 00:36:44,740  
completely correct you are completely

810  
00:36:50,970 --> 00:36:49,360  
correct there is I mean this Epstein

811  
00:36:54,020 --> 00:36:50,980  
thing to be honest with you this time

812  
00:36:56,580 --> 00:36:54,030  
Ryan this one kind of made me sad and

813  
00:36:59,070 --> 00:36:56,590

which is weird because here we have like

814

00:37:01,950 --> 00:36:59,080

you said somebody a bad guy I nobody's

815

00:37:05,250 --> 00:37:01,960

gonna argue that he's not a bad guy he's

816

00:37:07,860 --> 00:37:05,260

a bad guy but here we have a bad guy

817

00:37:08,580 --> 00:37:07,870

that's placed in a position by other bad

818

00:37:18,060 --> 00:37:08,590

guys

819

00:37:20,070 --> 00:37:18,070

we are getting too close and I say

820

00:37:22,440 --> 00:37:20,080

sacrificed because in a way I think this

821

00:37:27,090 --> 00:37:22,450

whole media frenzy is quite literally

822

00:37:31,250 --> 00:37:27,100

the Coliseum and we're seeing you know

823

00:37:34,140 --> 00:37:31,260

like them literally being walked out and

824

00:37:38,400 --> 00:37:34,150

is this the one and will that do for now

825

00:37:41,190 --> 00:37:38,410

will that appease the masses and you

826

00:37:42,840 --> 00:37:41,200

know for now it's a frenzy it's a frenzy

827

00:37:45,210 --> 00:37:42,850

because everybody gets to have an

828

00:37:47,110 --> 00:37:45,220

opinion hey there's a pedophile he's a

829

00:37:49,240 --> 00:37:47,120

bad guy he's gone now

830

00:37:52,240 --> 00:37:49,250

and maybe there's more to it we're smart

831

00:37:53,800 --> 00:37:52,250

and everybody's an expert like you said

832

00:37:56,560 --> 00:37:53,810

and that's why I interrupted you I'm

833

00:38:02,490 --> 00:37:56,570

sorry like it was just so low okay but

834

00:38:05,350 --> 00:38:02,500

the experts are flooding the stream and

835

00:38:07,750 --> 00:38:05,360

and this this this this

836

00:38:09,610 --> 00:38:07,760

there's no congruence at all everything

837

00:38:12,070 --> 00:38:09,620

is going every which way you can take

838

00:38:15,040 --> 00:38:12,080

any pathway you want to satisfy your own

839

00:38:16,780 --> 00:38:15,050

need to believe that there's this false

840

00:38:19,900 --> 00:38:16,790

sense of security and justice has been

841

00:38:21,610 --> 00:38:19,910

served and in reality I think the

842

00:38:27,160 --> 00:38:21,620

furthest thing from the truth is

843

00:38:31,390 --> 00:38:27,170

happening than that here's another

844

00:38:35,680 --> 00:38:31,400

really good example and I just saw this

845

00:38:38,470 --> 00:38:35,690

about 30 minutes ago right before we we

846

00:38:41,020 --> 00:38:38,480

started the show it's a New York Times

847

00:38:44,410 --> 00:38:41,030

article and it says it was just posted

848

00:38:48,010 --> 00:38:44,420

today the 11th and it says that Jeffrey

849

00:38:52,180 --> 00:38:48,020

Epstein was left alone he was taken off

850

00:38:55,360 --> 00:38:52,190

suicide watch and this was done right

851  
00:38:59,650 --> 00:38:55,370  
before he committed suicide and and I

852  
00:39:02,080 --> 00:38:59,660  
bring that up because I think that it's

853  
00:39:04,540 --> 00:39:02,090  
really it's such a perfect example of

854  
00:39:07,600 --> 00:39:04,550  
what we're talking about all I've seen

855  
00:39:10,360 --> 00:39:07,610  
on social media and I had this initial

856  
00:39:13,870 --> 00:39:10,370  
thought too was how did Jeffrey Epstein

857  
00:39:15,880 --> 00:39:13,880  
kill himself if he was on suicide watch

858  
00:39:19,330 --> 00:39:15,890  
it must not have been watching very

859  
00:39:21,940 --> 00:39:19,340  
closely well that's what I initially

860  
00:39:25,720 --> 00:39:21,950  
thought I called a friend of mine the

861  
00:39:27,670 --> 00:39:25,730  
other day well yesterday and I said that

862  
00:39:29,260 --> 00:39:27,680  
you hear about Jeffrey Epstein and he

863  
00:39:31,930 --> 00:39:29,270

said no I didn't I haven't even looked

864

00:39:34,210 --> 00:39:31,940

at the computer today so I said yeah and

865

00:39:35,710 --> 00:39:34,220

even here that he died so you should

866

00:39:38,140 --> 00:39:35,720

have a look at that go look up some of

867

00:39:40,060 --> 00:39:38,150

the news reports and my friend said was

868

00:39:41,740 --> 00:39:40,070

it was he on suicide watch I said yes he

869

00:39:43,180 --> 00:39:41,750

was on suicide watch so I don't know how

870

00:39:44,800 --> 00:39:43,190

he killed himself now that was my

871

00:39:47,470 --> 00:39:44,810

initial thought and I saw that posted

872

00:39:48,970 --> 00:39:47,480

all over social media then I had that's

873

00:39:52,270 --> 00:39:48,980

suspicious how did he kill himself on

874

00:39:53,730 --> 00:39:52,280

suicide watch but turns out the New York

875

00:39:56,230 --> 00:39:53,740

Times and other news sites are

876

00:40:00,490 --> 00:39:56,240

publishing stories that he was taken off

877

00:40:01,330 --> 00:40:00,500

suicide watch he was basically left on

878

00:40:05,400 --> 00:40:01,340

mana

879

00:40:07,600 --> 00:40:05,410

when he committed suicide so my point is

880

00:40:10,090 --> 00:40:07,610

fishes that he could kill himself on

881

00:40:12,850 --> 00:40:10,100

suicide watch I agree it is suspicious

882

00:40:15,010 --> 00:40:12,860

and that should be talked about but when

883

00:40:17,350 --> 00:40:15,020

information comes out that they actually

884

00:40:18,300 --> 00:40:17,360

he was taken off suicide watch and

885

00:40:22,420 --> 00:40:18,310

that's when he committed suicide

886

00:40:24,280 --> 00:40:22,430

supposedly that obviously as if not more

887

00:40:25,320 --> 00:40:24,290

suspicious that he taken off right

888

00:40:27,190 --> 00:40:25,330

before he does it

889

00:40:29,950 --> 00:40:27,200

officially that's the New York Times

890

00:40:32,980 --> 00:40:29,960

that reported that and I don't see

891

00:40:34,840 --> 00:40:32,990

anybody on social media thus far today

892

00:40:36,370 --> 00:40:34,850

saying anything about how that's

893

00:40:38,320 --> 00:40:36,380

suspicious they're sticking with the

894

00:40:40,150 --> 00:40:38,330

initial report because they haven't done

895

00:40:43,000 --> 00:40:40,160

any more investigation they haven't read

896

00:40:47,110 --> 00:40:43,010

anything more and they're continuing to

897

00:40:50,800 --> 00:40:47,120

parrot the alternative psychological

898

00:40:52,870 --> 00:40:50,810

narrative that is this is suspicious it

899

00:40:56,260 --> 00:40:52,880

must have been the White House I have a

900

00:40:58,930 --> 00:40:56,270

real I have a real issue with that so

901  
00:41:00,610 --> 00:40:58,940  
excuse my constant battering of it but I

902  
00:41:02,320 --> 00:41:00,620  
just think that it's more suspicious

903  
00:41:04,000 --> 00:41:02,330  
that he's taken off suicide watch and

904  
00:41:05,890 --> 00:41:04,010  
dies than if he would have died on

905  
00:41:08,620 --> 00:41:05,900  
suicide watch but applause I bring that

906  
00:41:10,360 --> 00:41:08,630  
up I'm told I was already told no that's

907  
00:41:11,920 --> 00:41:10,370  
not true he was on suicide watch Ryan

908  
00:41:13,450 --> 00:41:11,930  
and I said well I'm reading the New York

909  
00:41:18,580 --> 00:41:13,460  
Times they can't get more mainstream

910  
00:41:20,800 --> 00:41:18,590  
than 100 anyway that's a really good

911  
00:41:23,260 --> 00:41:20,810  
point Ryan because the mainstream right

912  
00:41:27,160 --> 00:41:23,270  
now is willing to put it all on the line

913  
00:41:29,350 --> 00:41:27,170

and it doesn't matter which media format

914

00:41:32,200 --> 00:41:29,360

you're listening to whether it's CBS the

915

00:41:36,100 --> 00:41:32,210

New York Post like you said and The

916

00:41:39,010 --> 00:41:36,110

Smoking Gun is is well that's always

917

00:41:40,000 --> 00:41:39,020

kind of a rabbit hole and one thing I've

918

00:41:42,280 --> 00:41:40,010

learned is you don't want to look

919

00:41:45,340 --> 00:41:42,290

because that usually neutralizes you

920

00:41:47,500 --> 00:41:45,350

they already have a back-up plan and for

921

00:41:50,710 --> 00:41:47,510

these individual the moment I heard that

922

00:41:52,660 --> 00:41:50,720

oh you know the real free thinkers he's

923

00:41:56,020 --> 00:41:52,670

free he got a bigger island he's got

924

00:42:00,910 --> 00:41:56,030

more girls and I I realized this guy's

925

00:42:04,060 --> 00:42:00,920

gone he's gone and the fact that you can

926  
00:42:07,630 --> 00:42:04,070  
be gone whether or not under suicide

927  
00:42:10,000 --> 00:42:07,640  
watch like you said and in a place where

928  
00:42:13,829 --> 00:42:10,010  
there seemingly would be no way to

929  
00:42:16,589 --> 00:42:13,839  
literally kill yourself at least not

930  
00:42:17,819 --> 00:42:16,599  
obviously and I don't know what to

931  
00:42:20,309 --> 00:42:17,829  
believe anymore because like you said

932  
00:42:22,289 --> 00:42:20,319  
Ryan I heard recently that there and

933  
00:42:25,589 --> 00:42:22,299  
this is from a very this is from a

934  
00:42:27,209 --> 00:42:25,599  
politician that there was a that there

935  
00:42:29,279 --> 00:42:27,219  
was a malfunction with the cameras at

936  
00:42:31,049 --> 00:42:29,289  
the point of death and these are the

937  
00:42:33,359 --> 00:42:31,059  
type of things when he starts when it

938  
00:42:37,170 --> 00:42:33,369

starts looking like this it's just so

939

00:42:39,569 --> 00:42:37,180

well it's it's just you know it's like

940

00:42:41,430 --> 00:42:39,579

coming up on it I feel like you're

941

00:42:46,650 --> 00:42:41,440

coming up on a bomb like you don't want

942

00:42:48,839 --> 00:42:46,660

to cut the wrong wire because yeah but I

943

00:42:50,940 --> 00:42:48,849

mean I think you you have a really good

944

00:42:52,739 --> 00:42:50,950

I really appreciate everything you've

945

00:42:54,329 --> 00:42:52,749

said so far because you know back to

946

00:42:57,089 --> 00:42:54,339

that game of shells you know that

947

00:42:59,039 --> 00:42:57,099

unknown you have a really good way of

948

00:43:02,120 --> 00:42:59,049

knowing where the shell isn't you can't

949

00:43:07,099 --> 00:43:02,130

tell always no one can tell where it is

950

00:43:13,339 --> 00:43:07,109

but when the patterning and the

951  
00:43:16,130 --> 00:43:13,349  
indescribable exact you know layering

952  
00:43:19,200 --> 00:43:16,140  
one over the other the same behaviors

953  
00:43:21,209 --> 00:43:19,210  
happen time after time you get almost

954  
00:43:23,700 --> 00:43:21,219  
like a mathematical sense of how the

955  
00:43:25,499 --> 00:43:23,710  
pendulum swinging in and right now right

956  
00:43:27,959 --> 00:43:25,509  
now we should feel like we're in control

957  
00:43:29,640 --> 00:43:27,969  
and I feel completely out of control as

958  
00:43:35,160 --> 00:43:29,650  
someone who usually doesn't follow the

959  
00:43:39,690 --> 00:43:35,170  
mainstream media yeah yeah well I think

960  
00:43:41,700 --> 00:43:39,700  
what you said there about referring oh

961  
00:43:44,069 --> 00:43:41,710  
this is really good we have thought of

962  
00:43:45,989 --> 00:43:44,079  
so many different reports obviously

963  
00:43:48,719 --> 00:43:45,999

there's there's a natural and organic

964

00:43:50,999 --> 00:43:48,729

reason for that because whether it's CNN

965

00:43:53,400 --> 00:43:51,009

or it's somebody on YouTube everybody

966

00:43:55,650 --> 00:43:53,410

wants to get a report out really quickly

967

00:43:57,749 --> 00:43:55,660

so that they can obtain the views and

968

00:43:59,609 --> 00:43:57,759

hey your news here you're here first

969

00:44:02,549 --> 00:43:59,619

this is where you got the the accurate

970

00:44:04,289 --> 00:44:02,559

information and yeah you might get some

971

00:44:06,120 --> 00:44:04,299

accurate information in the first couple

972

00:44:08,640 --> 00:44:06,130

of minutes of a report like hey he's

973

00:44:10,589 --> 00:44:08,650

dead or hey there was a shooting not

974

00:44:13,529 --> 00:44:10,599

anything beyond that if you're not

975

00:44:16,349 --> 00:44:13,539

allowing information to come out it's

976

00:44:18,959 --> 00:44:16,359

just publishing a story adding some

977

00:44:20,789 --> 00:44:18,969

fluff to it and and and and sending it

978

00:44:22,950 --> 00:44:20,799

out there into the world in order to get

979

00:44:25,529 --> 00:44:22,960

some clicks on YouTube or some hits on

980

00:44:26,720 --> 00:44:25,539

your website or some views on television

981

00:44:29,030 --> 00:44:26,730

for CNN

982

00:44:30,950 --> 00:44:29,040

but then there's another element that I

983

00:44:33,550 --> 00:44:30,960

think is intentional that's inorganic

984

00:44:36,530 --> 00:44:33,560

and it's meant to create and so

985

00:44:40,089 --> 00:44:36,540

confusion so that people become so

986

00:44:43,400 --> 00:44:40,099

overwhelmed with okay did he die did he

987

00:44:45,109 --> 00:44:43,410

survive is he alive is dead like did he

988

00:44:46,520 --> 00:44:45,119

commit suicide that the clintons doer

989

00:44:48,319 --> 00:44:46,530

who did it and then eventually you're

990

00:44:50,210 --> 00:44:48,329

just like and I can't deal with this

991

00:44:52,069 --> 00:44:50,220

anymore I'm gonna go to the movies I'm

992

00:44:53,960 --> 00:44:52,079

gonna go watch the game and that's what

993

00:44:55,160 --> 00:44:53,970

it's intended to do and then the only

994

00:44:57,980 --> 00:44:55,170

other people that are going to go

995

00:45:15,370 --> 00:44:57,990

further than that they might be able to

996

00:45:15,380 --> 00:45:23,370

diabolic

997

00:45:31,610 --> 00:45:29,370

and well we could get reports like this

998

00:45:34,740 --> 00:45:31,620

that'll come out for a week about

999

00:45:38,520 --> 00:45:34,750

Epstein from from all types of different

1000

00:45:42,120 --> 00:45:38,530

sources and I'm sure that most of them

1001  
00:45:44,730 --> 00:45:42,130  
are going to to say the same thing but

1002  
00:45:47,190 --> 00:45:44,740  
we're going to create this it'll

1003  
00:45:48,780 --> 00:45:47,200  
primarily formal social media you see

1004  
00:45:54,780 --> 00:45:48,790  
this in a lot of cases you're going to

1005  
00:45:57,780 --> 00:45:54,790  
create this this sub narrative where the

1006  
00:46:00,120 --> 00:45:57,790  
average person while all people will

1007  
00:46:03,000 --> 00:46:00,130  
believe that the guys that the guy's a

1008  
00:46:04,860 --> 00:46:03,010  
threat to to anybody and everybody who

1009  
00:46:06,450 --> 00:46:04,870  
has any type of kind of power in the

1010  
00:46:08,490 --> 00:46:06,460  
world because of what he knew and what

1011  
00:46:09,750 --> 00:46:08,500  
he did are you going to have one set of

1012  
00:46:11,700 --> 00:46:09,760  
people once again that are going to

1013  
00:46:12,930 --> 00:46:11,710

believe that the official narrative is

1014

00:46:14,520 --> 00:46:12,940

true and then you can have people in the

1015

00:46:16,560 --> 00:46:14,530

subcategories that are going to believe

1016

00:46:19,020 --> 00:46:16,570

but the official narratives not true and

1017

00:46:20,490 --> 00:46:19,030

then he's still alive and so then you're

1018

00:46:22,910 --> 00:46:20,500

just going to end up with another

1019

00:46:25,680 --> 00:46:22,920

left-right paradigm and anybody's saying

1020

00:46:27,270 --> 00:46:25,690

well he's a thread I agree with you but

1021

00:46:29,880 --> 00:46:27,280

hold on a second I don't think that he's

1022

00:46:32,340 --> 00:46:29,890

alive at Guantanamo Bay and I don't

1023

00:46:34,200 --> 00:46:32,350

think that he died by suicide I think I

1024

00:46:36,750 --> 00:46:34,210

think the truth is he was probably

1025

00:46:38,160 --> 00:46:36,760

killed and that said somewhere in the

1026

00:46:40,350 --> 00:46:38,170

middle do you see what I mean

1027

00:46:43,500 --> 00:46:40,360

so it creates these two parties once

1028

00:46:45,540 --> 00:46:43,510

again these two camps and then well I

1029

00:46:48,480 --> 00:46:45,550

think the truth whatever that might be

1030

00:46:51,960 --> 00:46:48,490

lies somewhere in the middle mm-hmm it

1031

00:46:54,000 --> 00:46:51,970

it always usually does and and and

1032

00:46:56,190 --> 00:46:54,010

that's so true the cliques the views the

1033

00:46:59,550 --> 00:46:56,200

money that everybody everybody's gotten

1034

00:47:02,810 --> 00:46:59,560

so rich off of this in every way off of

1035

00:47:05,370 --> 00:47:02,820

this feeding or sacrifice or offering

1036

00:47:08,280 --> 00:47:05,380

that will they even care when it's all

1037

00:47:10,320 --> 00:47:08,290

over and the Pavlovian mentality this

1038

00:47:13,080 --> 00:47:10,330

time among the masses kind of scared me

1039

00:47:16,310 --> 00:47:13,090

to the point of whoa like he was kind of

1040

00:47:20,300 --> 00:47:16,320

like the pedophile moammar qaddafi like

1041

00:47:23,400 --> 00:47:20,310

like he was just he just had to go and

1042

00:47:26,700 --> 00:47:23,410

for you know not to getting cut off yeah

1043

00:47:31,220 --> 00:47:26,710

I don't think Qaddafi had to go not at

1044

00:47:35,070 --> 00:47:31,230

all but but you know these are the same

1045

00:47:36,720 --> 00:47:35,080

pathways and power structures and that

1046

00:47:40,110 --> 00:47:36,730

we're noticing that are

1047

00:47:44,880 --> 00:47:40,120

making a lot of these moves and the very

1048

00:47:47,760 --> 00:47:44,890

fact that this this entire this entire

1049

00:47:50,340 --> 00:47:47,770

thing it like you said if you go too far

1050

00:47:52,890 --> 00:47:50,350

with it then you're just you're

1051  
00:47:55,740 --> 00:47:52,900  
discounted so you just you just you have

1052  
00:47:58,890 --> 00:47:55,750  
these three boxes check one that's what

1053  
00:48:03,030 --> 00:47:58,900  
you believe that'll go down is your your

1054  
00:48:04,530 --> 00:48:03,040  
opinion and on to the next one and I

1055  
00:48:06,120 --> 00:48:04,540  
think it's best like you said to not

1056  
00:48:10,740 --> 00:48:06,130  
have an opinion on this one because this

1057  
00:48:14,940 --> 00:48:10,750  
is if this is certifiably one of the

1058  
00:48:16,530 --> 00:48:14,950  
most incredible psyops I've ever at

1059  
00:48:19,350 --> 00:48:16,540  
least I don't know if we're encountering

1060  
00:48:23,700 --> 00:48:19,360  
letting I don't but it sure has all of

1061  
00:48:28,170 --> 00:48:23,710  
the characteristics and attributes of a

1062  
00:48:33,570 --> 00:48:28,180  
very well planned accomplished drafted

1063  
00:48:36,240 --> 00:48:33,580

and surgically precise SIOP yes yes it

1064

00:48:39,210 --> 00:48:36,250

doesn't I think that the reason for that

1065

00:48:40,800 --> 00:48:39,220

is because it's being controlled in part

1066

00:48:45,140 --> 00:48:40,810

the way that information is spread

1067

00:48:47,790 --> 00:48:45,150

online by self organizing collective

1068

00:48:51,290 --> 00:48:47,800

intelligences it's being controlled by

1069

00:48:55,110 --> 00:48:51,300

AI it's being controlled by algorithms

1070

00:48:58,500 --> 00:48:55,120

that I think is what Q is and has been

1071

00:49:00,870 --> 00:48:58,510

from the beginning and I think that this

1072

00:49:03,210 --> 00:49:00,880

how this information is allowed to

1073

00:49:05,250 --> 00:49:03,220

spread and it's not even a matter of

1074

00:49:07,320 --> 00:49:05,260

thinking that it's not even a matter of

1075

00:49:09,930 --> 00:49:07,330

hey this is kind of my opinion based on

1076

00:49:13,200 --> 00:49:09,940

some patterns a lot of this is actually

1077

00:49:15,240 --> 00:49:13,210

very factual considering that like we

1078

00:49:16,830 --> 00:49:15,250

talked about pre-crime pre-crime is

1079

00:49:18,930 --> 00:49:16,840

based on how the rhythms what people are

1080

00:49:20,730 --> 00:49:18,940

going to do before they do it well

1081

00:49:22,440 --> 00:49:20,740

that's pretty much all social media has

1082

00:49:26,340 --> 00:49:22,450

become it's a platform for gathering

1083

00:49:30,090 --> 00:49:26,350

information Amazon Google Apple all of

1084

00:49:32,790 --> 00:49:30,100

them know what you're going to do is is

1085

00:49:34,890 --> 00:49:32,800

to exercise that power choose to

1086

00:49:38,160 --> 00:49:34,900

exercise that information gathering and

1087

00:49:39,840 --> 00:49:38,170

track what you currently are doing what

1088

00:49:41,790 --> 00:49:39,850

you have done and determine what you're

1089

00:49:43,590 --> 00:49:41,800

going to do Amazon even said they can

1090

00:49:46,770 --> 00:49:43,600

they can ship you packages because they

1091

00:49:48,930 --> 00:49:46,780

they know your pattern so the pre-crime

1092

00:49:50,280 --> 00:49:48,940

technology already exists for commerce

1093

00:49:52,620 --> 00:49:50,290

if

1094

00:49:54,630 --> 00:49:52,630

the algorithms in the AI it's the same

1095

00:49:56,370 --> 00:49:54,640

thing with the hive mind that Google

1096

00:49:58,860 --> 00:49:56,380

says they want by 2030

1097

00:50:00,390 --> 00:49:58,870

well the hive mind is already here the

1098

00:50:02,370 --> 00:50:00,400

hive mind has run through social media

1099

00:50:04,140 --> 00:50:02,380

and there are different kinds of the

1100

00:50:05,970 --> 00:50:04,150

hive mind there's the mainstream hive

1101  
00:50:08,250 --> 00:50:05,980  
mind there's the alternative I've my

1102  
00:50:10,530 --> 00:50:08,260  
there's the hive mind of people that in

1103  
00:50:12,510 --> 00:50:10,540  
unison turn it all at once and say yes

1104  
00:50:15,630 --> 00:50:12,520  
I'm going to storm area 51

1105  
00:50:19,200 --> 00:50:15,640  
there's the Unison the turn of people in

1106  
00:50:21,540 --> 00:50:19,210  
unison that say yes epstein is a bad guy

1107  
00:50:23,610 --> 00:50:21,550  
and then you have individual hive minds

1108  
00:50:26,430 --> 00:50:23,620  
collectives of people that say all was

1109  
00:50:28,740 --> 00:50:26,440  
suicide all he's alive and if you say no

1110  
00:50:30,240 --> 00:50:28,750  
he was executed or get out of here you

1111  
00:50:32,010 --> 00:50:30,250  
you just don't understand what's going

1112  
00:50:33,420 --> 00:50:32,020  
on because you're not connected to the

1113  
00:50:35,430 --> 00:50:33,430

insiders and you don't know what the

1114

00:50:38,850 --> 00:50:35,440

white hats are doing it's just so

1115

00:50:41,940 --> 00:50:38,860

completely absurd yet I've got reports

1116

00:50:43,530 --> 00:50:41,950

in front of me here from this is the New

1117

00:50:46,140 --> 00:50:43,540

York magazine

1118

00:50:49,140 --> 00:50:46,150

this is NBC News where they say Jeffrey

1119

00:50:54,690 --> 00:50:49,150

Epstein and his tour Jeffrey Epstein and

1120

00:50:57,900 --> 00:50:54,700

his death began as he was found

1121

00:51:01,980 --> 00:50:57,910

unresponsive in his cell he was taken to

1122

00:51:04,650 --> 00:51:01,990

a New York downtown hospital where he

1123

00:51:06,360 --> 00:51:04,660

was pronounced dead and then another

1124

00:51:07,770 --> 00:51:06,370

story from New York Magazine says

1125

00:51:10,320 --> 00:51:07,780

Jeffrey Epstein the millionaire

1126  
00:51:12,330 --> 00:51:10,330  
financier and convicted sex offender was

1127  
00:51:16,980 --> 00:51:12,340  
found dead by suicide in his jail cell

1128  
00:51:18,960 --> 00:51:16,990  
he hanged himself so apparently he was

1129  
00:51:21,180 --> 00:51:18,970  
found dead from hanging which had

1130  
00:51:24,120 --> 00:51:21,190  
occurred the night before that's what

1131  
00:51:25,800 --> 00:51:24,130  
the New York magazine reports and then

1132  
00:51:28,050 --> 00:51:25,810  
they find him and they say that he was

1133  
00:51:30,540 --> 00:51:28,060  
unresponsive you assume because he's

1134  
00:51:33,720 --> 00:51:30,550  
dead but then they decided to take him

1135  
00:51:35,670 --> 00:51:33,730  
to the hospital where they said he had

1136  
00:51:37,620 --> 00:51:35,680  
he went into cardiac arrest which

1137  
00:51:39,180 --> 00:51:37,630  
possibly if you hanged yourself or you

1138  
00:51:40,650 --> 00:51:39,190

know cut your wrists or you took some

1139

00:51:43,830 --> 00:51:40,660

type of drug that could induce better

1140

00:51:45,710 --> 00:51:43,840

you were poisoned or you were targeted

1141

00:51:50,010 --> 00:51:45,720

by some type of weapon that could uh

1142

00:51:52,440 --> 00:51:50,020

that could um ensure that you have a

1143

00:51:54,150 --> 00:51:52,450

heart attack then yeah he might have

1144

00:51:55,890 --> 00:51:54,160

went into cardiac arrest at that point

1145

00:51:57,870 --> 00:51:55,900

so he committed suicide but he died of

1146

00:52:00,360 --> 00:51:57,880

cardiac arrest but then they took him to

1147

00:52:03,410 --> 00:52:00,370

the hospital and there's a report here

1148

00:52:05,599 --> 00:52:03,420

from ABC News that says

1149

00:52:06,980 --> 00:52:05,609

that's where he was pronounced dead I'll

1150

00:52:08,539 --> 00:52:06,990

tell you what this actually reminds me

1151  
00:52:10,370 --> 00:52:08,549  
of with the cameras if that's actually

1152  
00:52:14,269 --> 00:52:10,380  
true and I looked it up and I couldn't

1153  
00:52:15,890 --> 00:52:14,279  
find a direct main line or even

1154  
00:52:17,930 --> 00:52:15,900  
alternative source of information

1155  
00:52:20,359 --> 00:52:17,940  
pertaining to that but if that's true

1156  
00:52:23,390 --> 00:52:20,369  
this all sounds like I said earlier it

1157  
00:52:25,789 --> 00:52:23,400  
sounds kind of like the death of

1158  
00:52:28,059 --> 00:52:25,799  
Princess Diana the car goes into the

1159  
00:52:31,039 --> 00:52:28,069  
tunnel the cameras all go out that night

1160  
00:52:34,220 --> 00:52:31,049  
nobody has any visual video evidence of

1161  
00:52:35,809 --> 00:52:34,230  
what happened and then after she was

1162  
00:52:37,759 --> 00:52:35,819  
pronounced dead in the tunnel

1163  
00:52:39,289 --> 00:52:37,769

they took her by ambulance and performed

1164

00:52:41,000 --> 00:52:39,299

surgery on her for like what two or

1165

00:52:41,920 --> 00:52:41,010

three hours and then pronounced her dead

1166

00:52:43,880 --> 00:52:41,930

at the hospital

1167

00:52:46,160 --> 00:52:43,890

sounds kind of like the same thing with

1168

00:52:47,900 --> 00:52:46,170

Epstein the cameras go out he's dead in

1169

00:52:50,509 --> 00:52:47,910

his jail cell but they transporting to

1170

00:52:52,490 --> 00:52:50,519

the hospital anyway and then they they

1171

00:52:54,710 --> 00:52:52,500

they pronounced him dead later and I

1172

00:52:56,180 --> 00:52:54,720

just it kind of sounds like looking at

1173

00:53:03,160 --> 00:52:56,190

this it kind of sounds like the death of

1174

00:53:08,720 --> 00:53:06,559

believe it is I think they get and I

1175

00:53:10,940 --> 00:53:08,730

hate to use the words they like comply

1176  
00:53:13,779 --> 00:53:10,950  
conspiracy theorists use the word they

1177  
00:53:18,160 --> 00:53:13,789  
often I hate to use that word but I mean

1178  
00:53:21,230 --> 00:53:18,170  
the individuals if this was a

1179  
00:53:22,910 --> 00:53:21,240  
well-groomed drafted plan of a PSYOP

1180  
00:53:27,499 --> 00:53:22,920  
they get the gold medallion award

1181  
00:53:30,980 --> 00:53:27,509  
because this is it and I hate to say

1182  
00:53:35,599 --> 00:53:30,990  
that it makes me sad again but it is so

1183  
00:53:37,940 --> 00:53:35,609  
well managed and Epstein I mean was very

1184  
00:53:39,799 --> 00:53:37,950  
groomed he I think he was as groomed

1185  
00:53:42,319 --> 00:53:39,809  
possibly as the girls that he was

1186  
00:53:46,579 --> 00:53:42,329  
grooming himself for others of this

1187  
00:53:48,620 --> 00:53:46,589  
power structure and if this power

1188  
00:53:52,609 --> 00:53:48,630

structure is able to do this as we know

1189

00:53:53,990 --> 00:53:52,619

it that there at least in capability

1190

00:53:56,329 --> 00:53:54,000

able to I'm not saying that they are

1191

00:53:59,210 --> 00:53:56,339

because this is a very like I said very

1192

00:54:01,099 --> 00:53:59,220

thin ice but as the opposition to

1193

00:54:03,410 --> 00:54:01,109

something that would take place if this

1194

00:54:05,359 --> 00:54:03,420

is happening which I believe it is I'm

1195

00:54:08,059 --> 00:54:05,369

not saying it is I believe it is which

1196

00:54:14,420 --> 00:54:08,069

is an opinion that's uh none popular yet

1197

00:54:16,580 --> 00:54:14,430

popular at the moment this is horrifying

1198

00:54:18,470 --> 00:54:16,590

and my eye

1199

00:54:21,080 --> 00:54:18,480

have you know I've heard some things

1200

00:54:23,210 --> 00:54:21,090

from other individuals one of which I

1201  
00:54:25,520 --> 00:54:23,220  
have to throw a shout-out to Leo's egami

1202  
00:54:27,290 --> 00:54:25,530  
he has sometimes interesting thoughts

1203  
00:54:30,020 --> 00:54:27,300  
and he was mentioning to me about this

1204  
00:54:33,650 --> 00:54:30,030  
cyber Satan as he calls it others would

1205  
00:54:36,080 --> 00:54:33,660  
call it like the AI Sophia or some

1206  
00:54:40,070 --> 00:54:36,090  
others would call it the ghost in the

1207  
00:54:45,380 --> 00:54:40,080  
machine but like you said this is so

1208  
00:54:49,580 --> 00:54:45,390  
well managed and this is so precise and

1209  
00:54:51,170 --> 00:54:49,590  
just the tentacles are so connected and

1210  
00:54:56,480 --> 00:54:51,180  
aware of what is going on as far as

1211  
00:54:58,250 --> 00:54:56,490  
pulse that I just feel like you know I

1212  
00:55:00,260 --> 00:54:58,260  
don't know what to do I feel like a deer

1213  
00:55:02,900 --> 00:55:00,270

in the headlights kind of because not

1214

00:55:04,430 --> 00:55:02,910

that I anything I do would matter but it

1215

00:55:10,340 --> 00:55:04,440

just seems like having an opinion at all

1216

00:55:12,320 --> 00:55:10,350

puts me in fear and there's another part

1217

00:55:14,030 --> 00:55:12,330

of the SIOP perhaps you know it's

1218

00:55:15,800 --> 00:55:14,040

supposed to have an opinion and if you

1219

00:55:18,320 --> 00:55:15,810

do then it's criminalized to have an

1220

00:55:20,630 --> 00:55:18,330

opinion everybody fights with each other

1221

00:55:23,320 --> 00:55:20,640

over what's true or what's not true

1222

00:55:26,990 --> 00:55:23,330

based on their own opinions that are

1223

00:55:28,460 --> 00:55:27,000

that are sanctioned you're allowed to

1224

00:55:30,260 --> 00:55:28,470

have those opinions you're allowed to

1225

00:55:32,030 --> 00:55:30,270

have it it's now it's now normalized if

1226

00:55:33,530 --> 00:55:32,040

you look all over the internet it's kind

1227

00:55:35,330 --> 00:55:33,540

of normal now to believe in the

1228

00:55:39,200 --> 00:55:35,340

quote/unquote conspiracy theory that

1229

00:55:41,930 --> 00:55:39,210

Epstein was was you know killed or he

1230

00:55:44,000 --> 00:55:41,940

died because of his connections to the

1231

00:55:46,190 --> 00:55:44,010

Royals and specifically to the Clintons

1232

00:55:48,350 --> 00:55:46,200

see all that's normalized and what

1233

00:55:51,440 --> 00:55:48,360

that's doing now is allowing for

1234

00:55:52,820 --> 00:55:51,450

whomever they might be and it really

1235

00:55:55,160 --> 00:55:52,830

doesn't matter whom they they are

1236

00:55:58,190 --> 00:55:55,170

because we're watching the story and

1237

00:56:01,040 --> 00:55:58,200

hold he died by somebody's hand even if

1238

00:56:04,220 --> 00:56:01,050

his own if it was by his own so it

1239

00:56:06,140 --> 00:56:04,230

normal eise's the and it creates the

1240

00:56:10,010 --> 00:56:06,150

acceptability to ask those kinds of

1241

00:56:12,410 --> 00:56:10,020

questions but it's like it's like a

1242

00:56:15,620 --> 00:56:12,420

second net because now it offers you the

1243

00:56:17,630 --> 00:56:15,630

option to have that thought and it be

1244

00:56:19,910 --> 00:56:17,640

considered acceptable to believe in that

1245

00:56:24,350 --> 00:56:19,920

conspiracy theory but if you take a step

1246

00:56:26,510 --> 00:56:24,360

further than what this does is it

1247

00:56:28,880 --> 00:56:26,520

basically creates a situation where

1248

00:56:30,320 --> 00:56:28,890

you're still a conspiracy theorist

1249

00:56:33,080 --> 00:56:30,330

because you don't

1250

00:56:35,090 --> 00:56:33,090

believe that he committed suicide and

1251  
00:56:37,070 --> 00:56:35,100  
you don't believe that he was killed by

1252  
00:56:39,110 --> 00:56:37,080  
the clintons and you don't believe that

1253  
00:56:41,470 --> 00:56:39,120  
Epstein is at some secret government

1254  
00:56:44,360 --> 00:56:41,480  
facility underground in Germany or

1255  
00:56:47,090 --> 00:56:44,370  
whoever the hell people say he is so it

1256  
00:56:49,580 --> 00:56:47,100  
creates an open acceptability for

1257  
00:56:51,710 --> 00:56:49,590  
certain conspiracy theories while still

1258  
00:56:53,930 --> 00:56:51,720  
thinking for yourself is deemed to be a

1259  
00:56:55,610 --> 00:56:53,940  
threat and not only that but the people

1260  
00:56:58,670 --> 00:56:55,620  
that believe in the conspiracy theories

1261  
00:57:00,230 --> 00:56:58,680  
also see you as a threat because they

1262  
00:57:02,390 --> 00:57:00,240  
state they believe that what they

1263  
00:57:03,920 --> 00:57:02,400

believe is correct and anybody

1264

00:57:05,240 --> 00:57:03,930

disagreeing with them or even asking

1265

00:57:08,300 --> 00:57:05,250

questions they have to be a threat

1266

00:57:09,950 --> 00:57:08,310

because you're questioning obviously

1267

00:57:13,610 --> 00:57:09,960

what they believe so that's a threat to

1268

00:57:15,440 --> 00:57:13,620

their their their hope B it's a threat

1269

00:57:18,140 --> 00:57:15,450

to their belief system and that's a

1270

00:57:19,550 --> 00:57:18,150

dangerous thing but but even then this

1271

00:57:22,220 --> 00:57:19,560

whole thing is very dangerous because

1272

00:57:25,460 --> 00:57:22,230

this is like a this is like a movie

1273

00:57:27,470 --> 00:57:25,470

mm-hmm I mean it's playing out in real

1274

00:57:29,120 --> 00:57:27,480

time and people go to the movies to see

1275

00:57:31,580 --> 00:57:29,130

this kind of stuff this is happening in

1276

00:57:33,770 --> 00:57:31,590

real life and you know I've heard people

1277

00:57:37,460 --> 00:57:33,780

say to me before you know people aren't

1278

00:57:38,870 --> 00:57:37,470

really aren't really killed off anymore

1279

00:57:41,690 --> 00:57:38,880

that kind of stuff doesn't really happen

1280

00:57:44,660 --> 00:57:41,700

no no it still happens you just don't

1281

00:57:46,220 --> 00:57:44,670

think about it with Hans Zimmer music

1282

00:57:48,080 --> 00:57:46,230

playing you don't think about it with

1283

00:57:49,490 --> 00:57:48,090

credits rolling it's this is real life

1284

00:57:51,440 --> 00:57:49,500

that's where the movies come from that

1285

00:57:54,530 --> 00:57:51,450

comes from real life because like you

1286

00:57:56,510 --> 00:57:54,540

said earlier art mimics life and that's

1287

00:57:58,790 --> 00:57:56,520

why you see this kind of thing in movies

1288

00:58:00,890 --> 00:57:58,800

it's not because writers and Hollywood's

1289

00:58:02,840 --> 00:58:00,900

brought it up first because this stuff

1290

00:58:05,450 --> 00:58:02,850

happens in real life and that's why it

1291

00:58:07,970 --> 00:58:05,460

looks and it feels and smell the tastes

1292

00:58:09,410 --> 00:58:07,980

like a movie so there's going to be a

1293

00:58:11,120 --> 00:58:09,420

lot more coming out that's going to make

1294

00:58:14,000 --> 00:58:11,130

this seem like even more of a

1295

00:58:19,850 --> 00:58:14,010

blockbuster I guarantee you that that's

1296

00:58:24,590 --> 00:58:19,860

so true it is it's it's it's so real

1297

00:58:27,350 --> 00:58:24,600

it's so real that you know I'm guilty of

1298

00:58:29,870 --> 00:58:27,360

geno immediately when I saw you know I

1299

00:58:31,840 --> 00:58:29,880

thought oh good it much like the UFO and

1300

00:58:34,130 --> 00:58:31,850

the tic-tac when it went mainstream

1301

00:58:36,590 --> 00:58:34,140

originally I thought there we go there's

1302

00:58:38,420 --> 00:58:36,600

some validation I'm not so crazy maybe

1303

00:58:41,120 --> 00:58:38,430

you know looking in the shadows wasn't

1304

00:58:43,460 --> 00:58:41,130

such a bad idea and I blame that my own

1305

00:58:43,910 --> 00:58:43,470

fault I you know try to follow augmented

1306

00:58:45,980 --> 00:58:43,920

reality

1307

00:58:47,180 --> 00:58:45,990

through portal proximity and meditative

1308

00:58:50,150 --> 00:58:47,190

States and things I probably shouldn't

1309

00:58:53,509 --> 00:58:50,160

be dabbling with but Ryan in your

1310

00:58:55,960 --> 00:58:53,519

opinion is it a possibility that you

1311

00:58:59,230 --> 00:58:55,970

know the otherwise historically hidden

1312

00:59:03,349 --> 00:58:59,240

controlling non-human entities that

1313

00:59:06,769 --> 00:59:03,359

planted us with AI which is possibly

1314

00:59:09,470 --> 00:59:06,779

just reverse engineered alien tech if

1315

00:59:12,980 --> 00:59:09,480

you follow that you know quite literally

1316

00:59:16,460 --> 00:59:12,990

could be a I'm sounding crazy but is

1317

00:59:18,620 --> 00:59:16,470

technology a spirituality killing

1318

00:59:21,920 --> 00:59:18,630

character character killing opinion

1319

00:59:24,289 --> 00:59:21,930

killing just soul killing virus because

1320

00:59:25,519 --> 00:59:24,299

you know I try to go back and I'm

1321

00:59:27,170 --> 00:59:25,529

thinking okay so where did the

1322

00:59:28,730 --> 00:59:27,180

Internet's to blame for a second so

1323

00:59:30,019 --> 00:59:28,740

where did the internet comes from this

1324

00:59:33,170 --> 00:59:30,029

and comes from that and as you go back

1325

00:59:36,039 --> 00:59:33,180

you realize like this gets the view

1326  
00:59:39,410 --> 00:59:36,049  
might not be as murky as it seems and

1327  
00:59:41,990 --> 00:59:39,420  
everything from and I hate to rant but

1328  
00:59:47,690 --> 00:59:42,000  
like I just hate how everything is based

1329  
00:59:49,880 --> 00:59:47,700  
on covet means selfishness what can you

1330  
00:59:52,039 --> 00:59:49,890  
do the crab in the bucket mentality you

1331  
00:59:54,650 --> 00:59:52,049  
know I want an open-concept house

1332  
00:59:56,990 --> 00:59:54,660  
because it looks bigger from the inside

1333  
00:59:58,999 --> 00:59:57,000  
and and it has this and it has the other

1334  
01:00:02,900 --> 00:59:59,009  
and and and people are unaware that this

1335  
01:00:05,299 --> 01:00:02,910  
whole open concept thing is is possibly

1336  
01:00:07,660 --> 01:00:05,309  
programming and there for a reason

1337  
01:00:11,089 --> 01:00:07,670  
and whether your Wi-Fi works better

1338  
01:00:14,809 --> 01:00:11,099

whether you're able to be viewed easier

1339

01:00:16,759 --> 01:00:14,819

from other perspectives whether those be

1340

01:00:19,660 --> 01:00:16,769

outside of your home or inside of your

1341

01:00:24,259 --> 01:00:19,670

home with the invention of Alexa and

1342

01:00:26,299 --> 01:00:24,269

Smart TVs and it's it's almost like it's

1343

01:00:28,849 --> 01:00:26,309

too late and that that's I hate to go

1344

01:00:30,170 --> 01:00:28,859

back to Leo Sagami but that's kind of

1345

01:00:32,079 --> 01:00:30,180

what he told me I said well this sounds

1346

01:00:34,460 --> 01:00:32,089

really scary if there's like a

1347

01:00:35,749 --> 01:00:34,470

possibility even and I don't want to you

1348

01:00:38,960 --> 01:00:35,759

know say that this is what's going on

1349

01:00:41,870 --> 01:00:38,970

but if there's a possibility even that

1350

01:00:47,180 --> 01:00:41,880

these entities could manifest in the

1351  
01:00:49,279 --> 01:00:47,190  
form of this technology intelligence

1352  
01:00:50,859 --> 01:00:49,289  
artificial is what we're calling it I'm

1353  
01:00:56,720 --> 01:00:50,869  
not so sure about that

1354  
01:01:00,030 --> 01:00:56,730  
if that's taking place then

1355  
01:01:01,890 --> 01:01:00,040  
you know what can we do and and he he

1356  
01:01:03,960 --> 01:01:01,900  
was kind of like yeah we're pretty

1357  
01:01:08,579 --> 01:01:03,970  
screwed but you know there's always a

1358  
01:01:15,089 --> 01:01:08,589  
way out and it's it like you said it's

1359  
01:01:17,910 --> 01:01:15,099  
so real this time so exactly what kind

1360  
01:01:20,280 --> 01:01:17,920  
of what kind of questions specifically

1361  
01:01:22,349 --> 01:01:20,290  
are you asking me I guess about ecology

1362  
01:01:24,810 --> 01:01:22,359  
yeah like I know and I hate to dabble in

1363  
01:01:26,819 --> 01:01:24,820

air like go into like you know the the

1364

01:01:29,010 --> 01:01:26,829

occult and stuff but it's so hard to not

1365

01:01:31,770 --> 01:01:29,020

explore those secrets you know that

1366

01:01:33,300 --> 01:01:31,780

these elites are quote-unquote doing you

1367

01:01:35,940 --> 01:01:33,310

know many of which are involved in

1368

01:01:39,270 --> 01:01:35,950

secret societies and spiritual isms that

1369

01:01:43,410 --> 01:01:39,280

the average individual would only you

1370

01:01:45,630 --> 01:01:43,420

know imagine and I guess I'm asking is

1371

01:01:50,099 --> 01:01:45,640

it a possibility if that's a reality

1372

01:01:52,260 --> 01:01:50,109

that possibly this entire technology

1373

01:01:53,970 --> 01:01:52,270

that's been bestowed upon us quite

1374

01:01:56,520 --> 01:01:53,980

literally a gift which I was blown away

1375

01:01:59,150 --> 01:01:56,530

the first time I got an iPhone I was

1376

01:02:01,380 --> 01:01:59,160

like what did someone just hand me and

1377

01:02:06,480 --> 01:02:01,390

you know this power that we've been

1378

01:02:09,770 --> 01:02:06,490

given isn't really power at all yeah

1379

01:02:12,030 --> 01:02:09,780

certainly I I know what you mean and

1380

01:02:14,309 --> 01:02:12,040

there are a lot of ways that we could

1381

01:02:18,359 --> 01:02:14,319

cut this and look at it but I think in a

1382

01:02:21,660 --> 01:02:18,369

simple form obviously when somebody is

1383

01:02:25,760 --> 01:02:21,670

is obsessed with something material

1384

01:02:28,829 --> 01:02:25,770

whether that's money physical money cash

1385

01:02:31,740 --> 01:02:28,839

the concept of money having money in

1386

01:02:36,780 --> 01:02:31,750

your bank account in digits a new car

1387

01:02:40,290 --> 01:02:36,790

house clothes you know haircut makeup to

1388

01:02:43,079 --> 01:02:40,300

have a nice car is not a bad or a

1389

01:02:44,490 --> 01:02:43,089

negative thing and this might be

1390

01:02:47,339 --> 01:02:44,500

overstating the obvious for some

1391

01:02:49,380 --> 01:02:47,349

listeners for some people but having a

1392

01:02:52,050 --> 01:02:49,390

nice car is not a bad thing having a

1393

01:02:54,690 --> 01:02:52,060

nice new haircut is not a bad thing but

1394

01:02:56,130 --> 01:02:54,700

when you obsess over it to the point

1395

01:02:57,780 --> 01:02:56,140

where you can't leave your house unless

1396

01:02:58,710 --> 01:02:57,790

your hair looks a certain way because

1397

01:03:00,540 --> 01:02:58,720

you're worried what other people are

1398

01:03:03,540 --> 01:03:00,550

thinking about you that's really no

1399

01:03:07,319 --> 01:03:03,550

different than when we take on that new

1400

01:03:08,810 --> 01:03:07,329

iPhone or when we take on that new Smart

1401

01:03:11,030 --> 01:03:08,820

Watch

1402

01:03:13,460 --> 01:03:11,040

or Bluetooth device whatever people are

1403

01:03:14,870 --> 01:03:13,470

plugging up to their bodies nowadays and

1404

01:03:16,580 --> 01:03:14,880

I'm somewhat no pun intended

1405

01:03:17,990 --> 01:03:16,590

disconnected from that because I just

1406

01:03:19,940 --> 01:03:18,000

don't participate in that part of

1407

01:03:22,040 --> 01:03:19,950

society but I see people wearing those

1408

01:03:24,260 --> 01:03:22,050

types of things all the time and it's a

1409

01:03:26,780 --> 01:03:24,270

slow integration it's just like I said

1410

01:03:28,550 --> 01:03:26,790

with the hive mind people might be if

1411

01:03:30,740 --> 01:03:28,560

you're interested in technology in

1412

01:03:32,840 --> 01:03:30,750

Silicon Valley you might be worried

1413

01:03:35,390 --> 01:03:32,850

about a hive mind by 2030 or you might

1414

01:03:37,550 --> 01:03:35,400

be excited excited for it but the fact

1415

01:03:39,440 --> 01:03:37,560

is the hive mind is here now people

1416

01:03:41,900 --> 01:03:39,450

already think in a hive mind collective

1417

01:03:43,610 --> 01:03:41,910

group mentality it's the same thing with

1418

01:03:45,950 --> 01:03:43,620

pre-crime technology yeah that speech

1419

01:03:47,540 --> 01:03:45,960

Trump gave after the two shootings was

1420

01:03:50,180 --> 01:03:47,550

pretty terrifying suggesting we can

1421

01:03:53,660 --> 01:03:50,190

execute people and we can do that based

1422

01:03:55,250 --> 01:03:53,670

on no trial no jury just arresting

1423

01:03:57,410 --> 01:03:55,260

people before they commit a crime based

1424

01:04:00,050 --> 01:03:57,420

on the algorithm well like you said

1425

01:04:01,370 --> 01:04:00,060

earlier too back in 2011 that was

1426  
01:04:03,350 --> 01:04:01,380  
already being discussed and that was

1427  
01:04:06,380 --> 01:04:03,360  
during the Obama administration so

1428  
01:04:09,020 --> 01:04:06,390  
remove politics from it remove faces and

1429  
01:04:12,440 --> 01:04:09,030  
hair and suits and you get the

1430  
01:04:15,280 --> 01:04:12,450  
foundation of this underlying current

1431  
01:04:18,200 --> 01:04:15,290  
this underlying theme of technological

1432  
01:04:20,900 --> 01:04:18,210  
control and so in that case the

1433  
01:04:22,790 --> 01:04:20,910  
pre-crime technology is and has been for

1434  
01:04:25,190 --> 01:04:22,800  
a while already here it's in the

1435  
01:04:27,470 --> 01:04:25,200  
algorithms it's in social media it's in

1436  
01:04:29,990 --> 01:04:27,480  
the means by which companies or in the

1437  
01:04:32,000 --> 01:04:30,000  
ways by which companies develop the

1438  
01:04:34,790 --> 01:04:32,010

means to sell you products to sell you

1439

01:04:36,830 --> 01:04:34,800

ideas it's how you're advertised to all

1440

01:04:38,900 --> 01:04:36,840

of that's already here now the same kind

1441

01:04:40,970 --> 01:04:38,910

of technology but then when you go a

1442

01:04:44,090 --> 01:04:40,980

step further and you can't function

1443

01:04:47,630 --> 01:04:44,100

without it all that obviously to state

1444

01:04:49,880 --> 01:04:47,640

the obvious is a big problem because if

1445

01:04:52,550 --> 01:04:49,890

you can't add two plus two on your

1446

01:04:54,800 --> 01:04:52,560

fingers and you can't figure out two

1447

01:04:57,230 --> 01:04:54,810

plus two equals four and you have to

1448

01:04:59,270 --> 01:04:57,240

rely on a calculation really or you know

1449

01:05:00,770 --> 01:04:59,280

and seam here well that creates the

1450

01:05:03,220 --> 01:05:00,780

problem what that if what if the

1451

01:05:06,320 --> 01:05:03,230

calculator doesn't work in any capacity

1452

01:05:08,770 --> 01:05:06,330

or it gives you the wrong answer because

1453

01:05:12,050 --> 01:05:08,780

you know you don't know how to use it

1454

01:05:13,640 --> 01:05:12,060

due to the fact that you're you're used

1455

01:05:15,230 --> 01:05:13,650

to let's say I mean there's various

1456

01:05:18,260 --> 01:05:15,240

levels here but if you used to asking

1457

01:05:20,480 --> 01:05:18,270

Alexa Alexa what's 2+2 and Alexa tells

1458

01:05:21,350 --> 01:05:20,490

you for well can you first of all can

1459

01:05:22,490 --> 01:05:21,360

you believe that

1460

01:05:23,660 --> 01:05:22,500

but if

1461

01:05:25,010 --> 01:05:23,670

you only know how to use that and you

1462

01:05:27,350 --> 01:05:25,020

even try to go back to using a

1463

01:05:29,720 --> 01:05:27,360

calculator you might not know even not

1464

01:05:31,730 --> 01:05:29,730

know how to type in two plus two equals

1465

01:05:34,130 --> 01:05:31,740

four so now you're playing around with

1466

01:05:36,350 --> 01:05:34,140

it and you have no way to even determine

1467

01:05:39,080 --> 01:05:36,360

an answer so you're lost you're relying

1468

01:05:40,880 --> 01:05:39,090

either too heavily on technology that

1469

01:05:44,270 --> 01:05:40,890

you move from the calculator which is a

1470

01:05:45,590 --> 01:05:44,280

nice tool to the Alexa and then you lose

1471

01:05:47,180 --> 01:05:45,600

yourself and don't even know how to use

1472

01:05:49,760 --> 01:05:47,190

the calculator you only know how to rely

1473

01:05:52,880 --> 01:05:49,770

on an Alexa device just using Alexa or

1474

01:05:55,490 --> 01:05:52,890

an example here of course and then

1475

01:05:57,110 --> 01:05:55,500

eventually you're asking Alexa what's

1476

01:05:59,570 --> 01:05:57,120

the temperature what's the movie time

1477

01:06:02,360 --> 01:05:59,580

and that moves on to how deep is the

1478

01:06:05,630 --> 01:06:02,370

Grand Canyon and how lets you know how

1479

01:06:08,300 --> 01:06:05,640

wide is Lake Ontario and how far is you

1480

01:06:09,350 --> 01:06:08,310

know Berlin from hongkong and and and

1481

01:06:10,940 --> 01:06:09,360

that's all fine if you get the

1482

01:06:13,370 --> 01:06:10,950

information but what happens when

1483

01:06:14,840 --> 01:06:13,380

Alexa's not there just like when the

1484

01:06:17,750 --> 01:06:14,850

calculators not there what happens when

1485

01:06:19,610 --> 01:06:17,760

the calculators not there you can't do

1486

01:06:21,860 --> 01:06:19,620

the equation you don't know how to do it

1487

01:06:25,100 --> 01:06:21,870

in your head on paper and on your hands

1488

01:06:26,990 --> 01:06:25,110

you don't know how to do research and so

1489

01:06:29,630 --> 01:06:27,000

technology provides us with with a

1490

01:06:33,020 --> 01:06:29,640

wonderful tool and we have information

1491

01:06:34,580 --> 01:06:33,030

at our fingertips but to keep things

1492

01:06:37,160 --> 01:06:34,590

balanced here I think we have to also

1493

01:06:40,280 --> 01:06:37,170

address the human element and the fact

1494

01:06:41,720 --> 01:06:40,290

that humans have been exploited by other

1495

01:06:44,330 --> 01:06:41,730

humans and perhaps otherworldly

1496

01:06:46,730 --> 01:06:44,340

intelligences maybe that provides us

1497

01:06:49,730 --> 01:06:46,740

with this technology I don't know where

1498

01:06:51,500 --> 01:06:49,740

human beings have have a natural

1499

01:06:53,780 --> 01:06:51,510

instinct to search for things that are

1500

01:06:56,180 --> 01:06:53,790

that are more easygoing we want we want

1501  
01:06:58,670 --> 01:06:56,190  
shelter we want food we want cut you

1502  
01:06:59,360 --> 01:06:58,680  
know connection with people sex and

1503  
01:07:02,150 --> 01:06:59,370  
things like that

1504  
01:07:03,950 --> 01:07:02,160  
and we want easy access so when somebody

1505  
01:07:05,720 --> 01:07:03,960  
or something tells us this is the

1506  
01:07:08,120 --> 01:07:05,730  
reality this is how it is this is what

1507  
01:07:09,980 --> 01:07:08,130  
two plus two equals we're happy with

1508  
01:07:11,780 --> 01:07:09,990  
that because we don't have to do any

1509  
01:07:13,760 --> 01:07:11,790  
additional work expend any more energy

1510  
01:07:15,470 --> 01:07:13,770  
to acquire that information we just let

1511  
01:07:17,930 --> 01:07:15,480  
something or somebody else feed us that

1512  
01:07:20,390 --> 01:07:17,940  
information the problem then becomes not

1513  
01:07:23,060 --> 01:07:20,400

that the technology is a horrible

1514

01:07:26,330 --> 01:07:23,070

negative bad evil thing but when it's

1515

01:07:29,870 --> 01:07:26,340

used by people who have the intention to

1516

01:07:32,930 --> 01:07:29,880

enslave who have the intention to be

1517

01:07:34,550 --> 01:07:32,940

tyrants and to control other people well

1518

01:07:35,980 --> 01:07:34,560

that's when you reach that crossroads

1519

01:07:39,730 --> 01:07:35,990

where technology is

1520

01:07:41,650 --> 01:07:39,740

useful but in the wrong hands it can be

1521

01:07:44,109 --> 01:07:41,660

a very very detrimental thing to people

1522

01:07:47,200 --> 01:07:44,119

to society to culture to civilization

1523

01:07:49,230 --> 01:07:47,210

but then beyond that there are certain

1524

01:07:52,930 --> 01:07:49,240

forms of technology that in my view

1525

01:07:54,220 --> 01:07:52,940

shouldn't exist at all and I just leave

1526

01:07:56,890 --> 01:07:54,230

that open I won't give you an example

1527

01:07:59,260 --> 01:07:56,900

that's just my opinion and those kinds

1528

01:08:01,420 --> 01:07:59,270

of technologies that I think are

1529

01:08:03,640 --> 01:08:01,430

irrelevant who wields them because their

1530

01:08:06,130 --> 01:08:03,650

entire purpose is to create destruction

1531

01:08:08,740 --> 01:08:06,140

and to harm others I guess you could use

1532

01:08:10,150 --> 01:08:08,750

weapons of war for an example so maybe

1533

01:08:11,890 --> 01:08:10,160

I'm digressing from the point but

1534

01:08:14,500 --> 01:08:11,900

technology is not necessarily a bad

1535

01:08:16,269 --> 01:08:14,510

thing although when we rely on

1536

01:08:19,240 --> 01:08:16,279

technology even if it's even if it's a

1537

01:08:21,519 --> 01:08:19,250

good thing we rely too heavily on it we

1538

01:08:23,650 --> 01:08:21,529

forget how to do basic things and there

1539

01:08:25,360 --> 01:08:23,660

of course are people and perhaps

1540

01:08:28,120 --> 01:08:25,370

entities let's say that would like to

1541

01:08:32,160 --> 01:08:28,130

utilize that technology in order to

1542

01:08:35,230 --> 01:08:32,170

coerce us into a a comfortable

1543

01:08:36,640 --> 01:08:35,240

substitute like Aldous Huxley said where

1544

01:08:37,269 --> 01:08:36,650

not only do we not question our

1545

01:08:41,590 --> 01:08:37,279

servitude

1546

01:08:44,079 --> 01:08:41,600

dangerously close to that point today

1547

01:08:46,030 --> 01:08:44,089

with the way that technology has been

1548

01:08:47,249 --> 01:08:46,040

used because I use it for computers I'm

1549

01:08:50,289 --> 01:08:47,259

talking to you right now through

1550

01:08:53,920 --> 01:08:50,299

technology quote-unquote but I don't I

1551

01:08:57,190 --> 01:08:53,930

don't use this technology to to bomb

1552

01:08:59,680 --> 01:08:57,200

villages or to shoot people to shoot

1553

01:09:03,789 --> 01:08:59,690

people or I don't use this technology to

1554

01:09:05,980 --> 01:09:03,799

harm people in cyberspace digitally I'm

1555

01:09:08,769 --> 01:09:05,990

using it to try to maybe have a

1556

01:09:11,920 --> 01:09:08,779

conversation and an open conversation

1557

01:09:14,349 --> 01:09:11,930

about various subjects so a lot of stuff

1558

01:09:16,570 --> 01:09:14,359

there I don't know what you think I am

1559

01:09:21,309 --> 01:09:16,580

fascinated and I I couldn't agree more

1560

01:09:24,160 --> 01:09:21,319

it's it's it's a very interesting time

1561

01:09:26,559 --> 01:09:24,170

and I hate to jump to like the biggest

1562

01:09:28,329 --> 01:09:26,569

wrong conclusion but like in the back of

1563

01:09:30,099 --> 01:09:28,339

my mind I have you know all of these

1564

01:09:32,349 --> 01:09:30,109

people that came before us pointing out

1565

01:09:34,150 --> 01:09:32,359

the world like you warning flags or red

1566

01:09:37,360 --> 01:09:34,160

flags or warning signs I mean there's

1567

01:09:40,030 --> 01:09:37,370

been Jim Marrs there's been the list is

1568

01:09:42,190 --> 01:09:40,040

there's you know many are still alive I

1569

01:09:44,140 --> 01:09:42,200

mean there's Stan Friedman there's

1570

01:09:48,450 --> 01:09:44,150

people that have dedicated a lot of time

1571

01:09:51,599 --> 01:09:48,460

and effort to at least trying to

1572

01:09:53,400 --> 01:09:51,609

give others you know guiding at least

1573

01:09:55,740 --> 01:09:53,410

you know keeping people from literally

1574

01:09:58,460 --> 01:09:55,750

you know just going into a state of

1575

01:10:01,170 --> 01:09:58,470

complete program ization where it's

1576

01:10:03,570 --> 01:10:01,180

orange guy pad orange guy good pic left

1577

01:10:05,100 --> 01:10:03,580

or right white or black and it does seem

1578

01:10:08,810 --> 01:10:05,110

like it's getting there like that that

1579

01:10:11,790 --> 01:10:08,820

that false just just pick something and

1580

01:10:14,070 --> 01:10:11,800

and and that that picking is is very

1581

01:10:16,670 --> 01:10:14,080

reliant on what people think of you

1582

01:10:19,500 --> 01:10:16,680

and and a lot of these covent means have

1583

01:10:21,570 --> 01:10:19,510

integrated into the technology and

1584

01:10:24,420 --> 01:10:21,580

that's it's frightening i think you're

1585

01:10:30,840 --> 01:10:24,430

so right it's it's it's a it's a brave

1586

01:10:33,090 --> 01:10:30,850

new world it's a 1984 is here and this

1587

01:10:36,510 --> 01:10:33,100

these cameras that at least in my city I

1588

01:10:39,090 --> 01:10:36,520

live in Las Vegas and I'm noticing so

1589

01:10:43,280 --> 01:10:39,100

many more cameras after well especially

1590

01:10:47,070 --> 01:10:43,290

after October 1st but the shooting the

1591

01:10:50,580 --> 01:10:47,080

tragedy but there is the increase in

1592

01:10:52,470 --> 01:10:50,590

security seems to be more again I hate

1593

01:10:54,840 --> 01:10:52,480

to use this word artificial intelligence

1594

01:10:56,910 --> 01:10:54,850

or cameras or AI or you know these

1595

01:10:59,310 --> 01:10:56,920

computer-controlled tracking systems on

1596

01:11:00,900 --> 01:10:59,320

the sides of buildings and and some of

1597

01:11:04,020 --> 01:11:00,910

them have facial recognition and you

1598

01:11:06,479 --> 01:11:04,030

know artificial intelligence just the

1599

01:11:11,820 --> 01:11:06,489

name I mean those two things are kind of

1600

01:11:13,500 --> 01:11:11,830

opposite and I always think of that I

1601  
01:11:15,960 --> 01:11:13,510  
don't know why close to my mind it I

1602  
01:11:18,030 --> 01:11:15,970  
think of you know the greatest trick the

1603  
01:11:20,100 --> 01:11:18,040  
devil ever pulled was convincing people

1604  
01:11:21,680 --> 01:11:20,110  
he didn't exist and that sounds a lot

1605  
01:11:24,170 --> 01:11:21,690  
like artificial intelligence because

1606  
01:11:31,080 --> 01:11:24,180  
something intelligent is by no means

1607  
01:11:33,750 --> 01:11:31,090  
artificial and it true intelligence and

1608  
01:11:35,820 --> 01:11:33,760  
I think that you know if we're talking

1609  
01:11:39,150 --> 01:11:35,830  
about zeros and ones and ones and zeros

1610  
01:11:41,190 --> 01:11:39,160  
it's really just a matrix that could be

1611  
01:11:42,540 --> 01:11:41,200  
utilized like you said in anyway we want

1612  
01:11:44,820 --> 01:11:42,550  
some people are looking at porn all day

1613  
01:11:46,710 --> 01:11:44,830

I'm not a big porn guy other people are

1614

01:11:48,150 --> 01:11:46,720

looking at stocks all day you know

1615

01:11:52,530 --> 01:11:48,160

everybody's entitled to look what they

1616

01:11:54,390 --> 01:11:52,540

want to look at but that in turn this

1617

01:11:56,370 --> 01:11:54,400

that little black mirror that you're

1618

01:12:00,810 --> 01:11:56,380

looking at that lights up when you want

1619

01:12:01,899 --> 01:12:00,820

it to with your intention is you know

1620

01:12:04,719 --> 01:12:01,909

very likely that

1621

01:12:05,919 --> 01:12:04,729

key that can undo you and you know like

1622

01:12:07,330 --> 01:12:05,929

you said a lot of people have him

1623

01:12:09,129 --> 01:12:07,340

strapped to their wrists I did until

1624

01:12:10,509 --> 01:12:09,139

just about a week ago you know it fell

1625

01:12:15,189 --> 01:12:10,519

off in the shower and broke and I was

1626  
01:12:17,679 --> 01:12:15,199  
like huh and I'm packed or what but you

1627  
01:12:19,509 --> 01:12:17,689  
know it's kind of spooky what that thing

1628  
01:12:22,330 --> 01:12:19,519  
is telling you all the time like move

1629  
01:12:24,040 --> 01:12:22,340  
more do this do that stand up I I was

1630  
01:12:24,909 --> 01:12:24,050  
kind of whoa what why is my watch

1631  
01:12:30,100 --> 01:12:24,919  
telling me what to do

1632  
01:12:33,040 --> 01:12:30,110  
and if there's any room for theorizing

1633  
01:12:34,719 --> 01:12:33,050  
it's it's it's very interesting what's

1634  
01:12:37,750 --> 01:12:34,729  
what's taking place with technology but

1635  
01:12:39,819 --> 01:12:37,760  
I I think that that covet means that you

1636  
01:12:45,759 --> 01:12:39,829  
speak of sometimes in that that the the

1637  
01:12:49,899 --> 01:12:45,769  
warning signs here are evident yeah

1638  
01:12:54,909 --> 01:12:49,909

there's a progress a progressive call it

1639

01:13:01,390 --> 01:12:54,919

uh a series of steps that technology is

1640

01:13:05,279 --> 01:13:01,400

is unveiled as and is is unveiled and

1641

01:13:11,109 --> 01:13:07,929

unveiled and utilized it's always

1642

01:13:13,870 --> 01:13:11,119

unveiled as something to keep us safe

1643

01:13:18,609 --> 01:13:13,880

and something to keep our information

1644

01:13:21,250 --> 01:13:18,619

safe and something to generally protect

1645

01:13:24,580 --> 01:13:21,260

everything protect the the power grid

1646

01:13:26,049 --> 01:13:24,590

protect you know theater from viruses

1647

01:13:27,580 --> 01:13:26,059

all of the things that it can protect

1648

01:13:29,679 --> 01:13:27,590

all the things that I can save

1649

01:13:32,709 --> 01:13:29,689

technology can be used for X that can be

1650

01:13:35,859 --> 01:13:32,719

used for use for why take a LAN Musk's

1651  
01:13:38,140 --> 01:13:35,869  
brain ship for example one of the things

1652  
01:13:41,859 --> 01:13:38,150  
he said that the brain ship could do was

1653  
01:13:44,229 --> 01:13:41,869  
help quadriplegics I've never even seen

1654  
01:13:47,319 --> 01:13:44,239  
a quadriplegic in twenty eight years of

1655  
01:13:50,620 --> 01:13:47,329  
my life if it wasn't on television how

1656  
01:13:53,469 --> 01:13:50,630  
many quadriplegics are in desperate need

1657  
01:13:56,020 --> 01:13:53,479  
of Elon Musk's brain ship but since

1658  
01:13:57,969 --> 01:13:56,030  
there aren't one in three pair of you

1659  
01:13:59,799 --> 01:13:57,979  
know quadriplegics walking down the road

1660  
01:14:02,620 --> 01:13:59,809  
or well they might not be walking down

1661  
01:14:04,509 --> 01:14:02,630  
the road but coming down the road I'm

1662  
01:14:07,479 --> 01:14:04,519  
imagining that there aren't many of them

1663  
01:14:10,689 --> 01:14:07,489

in relationship to the the average the

1664

01:14:13,320 --> 01:14:10,699

average person so why they would sell it

1665

01:14:16,560 --> 01:14:13,330

as that is just to pull

1666

01:14:18,690 --> 01:14:16,570

people's heartstrings and to sell

1667

01:14:22,650 --> 01:14:18,700

obviously this to the medical industry

1668

01:14:26,400 --> 01:14:22,660

as a means by which to help people as

1669

01:14:28,320 --> 01:14:26,410

how its sold and yet the kind of thing

1670

01:14:30,300 --> 01:14:28,330

that he's talking about is literally

1671

01:14:32,640 --> 01:14:30,310

bluetooth that he said he'll hook up

1672

01:14:35,160 --> 01:14:32,650

from your brain to your earpiece which

1673

01:14:37,620 --> 01:14:35,170

will be a computer and broadcast that to

1674

01:14:39,630 --> 01:14:37,630

your phone so not only do you have to

1675

01:14:43,140 --> 01:14:39,640

worry about if you're concerned with

1676

01:14:46,440 --> 01:14:43,150

Wi-Fi signals or 5g Taylor's but now you

1677

01:14:50,060 --> 01:14:46,450

have a microchip inside of your skull in

1678

01:14:53,820 --> 01:14:50,070

the brain tissue constantly transmitting

1679

01:14:59,550 --> 01:14:53,830

pulsating radiation something that it's

1680

01:15:02,720 --> 01:14:59,560

no big mystery will absolutely not only

1681

01:15:06,570 --> 01:15:02,730

give you cancer if you're exposed to it

1682

01:15:09,180 --> 01:15:06,580

to the right amount and some people love

1683

01:15:12,690 --> 01:15:09,190

so some people more so but it can

1684

01:15:13,230 --> 01:15:12,700

absolutely break apart your DNA like the

1685

01:15:15,990 --> 01:15:13,240

TSA

1686

01:15:19,680 --> 01:15:16,000

body scanners or the the outright 5g

1687

01:15:21,240 --> 01:15:19,690

small cell boxes so he wants to put that

1688

01:15:23,480 --> 01:15:21,250

in your head and he's selling it to you

1689

01:15:25,980 --> 01:15:23,490

by saying that hey we can help

1690

01:15:28,590 --> 01:15:25,990

quadriplegics with this we can help

1691

01:15:30,300 --> 01:15:28,600

people that might be paralyzed well

1692

01:15:33,000 --> 01:15:30,310

that's fine but you're also assuming

1693

01:15:34,740 --> 01:15:33,010

that every single person who is in a

1694

01:15:37,890 --> 01:15:34,750

condition who's in a state like that

1695

01:15:41,880 --> 01:15:37,900

once a microchip so if you only have a

1696

01:15:44,130 --> 01:15:41,890

couple people in the grand scheme of the

1697

01:15:45,780 --> 01:15:44,140

population if you will out of hundreds

1698

01:15:48,990 --> 01:15:45,790

of millions that that suffer from

1699

01:15:50,490 --> 01:15:49,000

whatever the condition might be I can't

1700

01:15:53,520 --> 01:15:50,500

imagine that every single one of them

1701

01:15:56,390 --> 01:15:53,530

wants the brain chip so I'm expected to

1702

01:15:59,400 --> 01:15:56,400

then believe that Elon Musk spent

1703

01:16:01,560 --> 01:15:59,410

billions of dollars developing a brain

1704

01:16:04,050 --> 01:16:01,570

chip to help a couple people in a

1705

01:16:06,990 --> 01:16:04,060

wheelchair I have a hard time believing

1706

01:16:08,760 --> 01:16:07,000

that Google and Facebook who likewise

1707

01:16:12,150 --> 01:16:08,770

are developing the technology alongside

1708

01:16:14,460 --> 01:16:12,160

of Elon Musk Elon Musk is just the front

1709

01:16:17,540 --> 01:16:14,470

man who gets up there with his you know

1710

01:16:19,740 --> 01:16:17,550

Asian counterparts who do the math and

1711

01:16:22,500 --> 01:16:19,750

which he does he gets something like as

1712

01:16:23,820 --> 01:16:22,510

an Asian guy there he's you know musk is

1713

01:16:26,100 --> 01:16:23,830

kind of sweating he kind of has us

1714

01:16:26,770 --> 01:16:26,110

better when he talks he's the everyman

1715

01:16:29,200 --> 01:16:26,780

everybody

1716

01:16:31,000 --> 01:16:29,210

Elon Musk he's the front guy that's how

1717

01:16:33,220 --> 01:16:31,010

they sell the cell the thing to the

1718

01:16:36,460 --> 01:16:33,230

public and so then Google and Facebook

1719

01:16:38,380 --> 01:16:36,470

are developing this alongside of him if

1720

01:16:40,600 --> 01:16:38,390

he if he's even the one in control but

1721

01:16:43,140 --> 01:16:40,610

developing it perceptually alongside of

1722

01:16:46,030 --> 01:16:43,150

him and these are the companies that

1723

01:16:48,540 --> 01:16:46,040

don't want you no matter what you think

1724

01:16:49,720 --> 01:16:48,550

of the individual to say Alex Jones on

1725

01:16:51,070 --> 01:16:49,730

Facebook

1726

01:16:53,560 --> 01:16:51,080

you can't even type that in as a

1727

01:16:54,880 --> 01:16:53,570

positive comment or a neutral comment

1728

01:16:59,140 --> 01:16:54,890

for that matter unless it's in the

1729

01:17:00,760 --> 01:16:59,150

negative way social media platforms like

1730

01:17:03,130 --> 01:17:00,770

Facebook that don't want you to post

1731

01:17:04,660 --> 01:17:03,140

certain news articles so basically I

1732

01:17:07,780 --> 01:17:04,670

guess what I'm getting out here is we're

1733

01:17:10,300 --> 01:17:07,790

being expected to believe that the

1734

01:17:12,430 --> 01:17:10,310

technology is going to help us while the

1735

01:17:15,640 --> 01:17:12,440

people developing the technology want to

1736

01:17:17,950 --> 01:17:15,650

ensor basic conversation they want to

1737

01:17:20,230 --> 01:17:17,960

ensor information that they consider to

1738

01:17:22,300 --> 01:17:20,240

be a threat to their way of thinking to

1739

01:17:24,700 --> 01:17:22,310

their beliefs to their opinions they

1740

01:17:28,600 --> 01:17:24,710

want to censor people from being able to

1741

01:17:30,700 --> 01:17:28,610

have open discussion and I'm supposed to

1742

01:17:33,040 --> 01:17:30,710

think that those are the same that that

1743

01:17:35,860 --> 01:17:33,050

those same companies are going to spend

1744

01:17:37,840 --> 01:17:35,870

billions of dollars on me to develop

1745

01:17:39,490 --> 01:17:37,850

things that will make my life easier I

1746

01:17:43,420 --> 01:17:39,500

don't think so

1747

01:17:45,310 --> 01:17:43,430

and I think the whole thing is a scam

1748

01:17:47,710 --> 01:17:45,320

just like that the way that it's rolled

1749

01:17:51,100 --> 01:17:47,720

out I mean for example real quick the

1750

01:17:53,020 --> 01:17:51,110

Apple assistant Siri was developed by

1751  
01:17:55,300 --> 01:17:53,030  
the Department of Defense and DARPA

1752  
01:17:57,490 --> 01:17:55,310  
I'm sure DARPA and the Department of

1753  
01:18:00,760 --> 01:17:57,500  
Defense in the United States developed

1754  
01:18:02,940 --> 01:18:00,770  
this cognitive assistant I think they

1755  
01:18:05,230 --> 01:18:02,950  
called it callow C alo

1756  
01:18:08,140 --> 01:18:05,240  
cognitive assistant that learns and

1757  
01:18:10,810 --> 01:18:08,150  
organizes they develop us with billions

1758  
01:18:12,310 --> 01:18:10,820  
of dollars the DoD has all their all the

1759  
01:18:16,120 --> 01:18:12,320  
free time on their hands they decided to

1760  
01:18:18,730 --> 01:18:16,130  
create a virtual digital cognitive

1761  
01:18:24,700 --> 01:18:18,740  
assistant to help you with your everyday

1762  
01:18:27,510 --> 01:18:24,710  
life I don't think so I don't buy it it

1763  
01:18:30,940 --> 01:18:27,520

is it's fascinating the apple the Apple

1764

01:18:33,130 --> 01:18:30,950

dynamic is so fascinating and just you

1765

01:18:34,480 --> 01:18:33,140

know there's so much evidence out there

1766

01:18:36,070 --> 01:18:34,490

but you have to kind of go through it

1767

01:18:38,530 --> 01:18:36,080

and do the research on your own but just

1768

01:18:39,430 --> 01:18:38,540

the whole idea even biblically of the

1769

01:18:41,260 --> 01:18:39,440

Apple and

1770

01:18:42,850 --> 01:18:41,270

you know their symbol and taking a bite

1771

01:18:45,760 --> 01:18:42,860

out of the Apple and that's knowledge

1772

01:18:49,780 --> 01:18:45,770

and I think the first Apple computer

1773

01:18:52,510 --> 01:18:49,790

sold for 666 dollars if I'm not mistaken

1774

01:18:55,720 --> 01:18:52,520

and not that that matters but you also

1775

01:18:57,640 --> 01:18:55,730

have you know with with with this whole

1776

01:18:59,530 --> 01:18:57,650

mark of the beast' thing that people

1777

01:19:03,150 --> 01:18:59,540

talk about and I'm not I don't like

1778

01:19:05,260 --> 01:19:03,160

going big into religion necessarily but

1779

01:19:06,550 --> 01:19:05,270

like you said these kernels of truth

1780

01:19:09,400 --> 01:19:06,560

that are just one after another

1781

01:19:10,900 --> 01:19:09,410

sometimes it's it's quite interesting

1782

01:19:12,430 --> 01:19:10,910

and impressive you know when they came

1783

01:19:14,740 --> 01:19:12,440

out with the iPhone X I was like whoa

1784

01:19:16,570 --> 01:19:14,750

that's too much the facial recognition 8

1785

01:19:18,250 --> 01:19:16,580

is enough I have an iPhone 8 but it's

1786

01:19:21,400 --> 01:19:18,260

quickly you know it's old it's all

1787

01:19:24,580 --> 01:19:21,410

garbage at this point and you know the

1788

01:19:28,480 --> 01:19:24,590

the the intelligence within these things

1789

01:19:31,390 --> 01:19:28,490

is you open them up you like my eye

1790

01:19:33,100 --> 01:19:31,400

watch fell apart like when it fell just

1791

01:19:35,290 --> 01:19:33,110

the right way and that's how these are

1792

01:19:38,020 --> 01:19:35,300

constructed is you know it's all about

1793

01:19:40,300 --> 01:19:38,030

angles and and you know the

1794

01:19:42,520 --> 01:19:40,310

specifications are indestructible from

1795

01:19:43,900 --> 01:19:42,530

almost every angle but if you can tap

1796

01:19:46,840 --> 01:19:43,910

them just the right way these things

1797

01:19:51,690 --> 01:19:46,850

just fall apart and it's a lot like what

1798

01:19:55,090 --> 01:19:51,700

we're talking about the these these

1799

01:19:59,730 --> 01:19:55,100

these products that we are purchasing

1800

01:20:01,330 --> 01:19:59,740

and they're not cheap we're we're just

1801

01:20:03,540 --> 01:20:01,340

salivating at the mouth for this

1802

01:20:07,810 --> 01:20:03,550

technology this energy this this

1803

01:20:09,790 --> 01:20:07,820

seemingly good thing and when I compare

1804

01:20:11,980 --> 01:20:09,800

myself with my grandparents for example

1805

01:20:14,110 --> 01:20:11,990

who you know balance their checkbooks

1806

01:20:16,240 --> 01:20:14,120

with a good old-fashioned pen and paper

1807

01:20:18,250 --> 01:20:16,250

and and you know we're doing all the

1808

01:20:20,080 --> 01:20:18,260

math in their heads they would be

1809

01:20:21,520 --> 01:20:20,090

rolling in their graves and you know

1810

01:20:25,150 --> 01:20:21,530

some of the things I'm letting slip by

1811

01:20:26,740 --> 01:20:25,160

and you know why balance your checkbook

1812

01:20:29,890 --> 01:20:26,750

we have online banking it does it for

1813

01:20:31,360 --> 01:20:29,900

you and why you know you can transfer

1814

01:20:35,650 --> 01:20:31,370

this and transfer that and it's getting

1815

01:20:37,480 --> 01:20:35,660

so easy and and it it is a little bit

1816

01:20:39,100 --> 01:20:37,490

frightening I hate to bring up Apple and

1817

01:20:41,740 --> 01:20:39,110

point a finger at you know a necessary

1818

01:20:43,450 --> 01:20:41,750

corporation but a lot of the writing

1819

01:20:45,880 --> 01:20:43,460

could be on the wall just as far as

1820

01:20:49,570 --> 01:20:45,890

symbolism because symbolism seems to

1821

01:20:52,180 --> 01:20:49,580

always be what it is you can't say it's

1822

01:20:52,810 --> 01:20:52,190

one thing or another and even if you do

1823

01:20:54,189 --> 01:20:52,820

there's some

1824

01:20:58,540 --> 01:20:54,199

thing there that's the same and that's

1825

01:21:00,430 --> 01:20:58,550

the symbolism and the the Apple thing

1826

01:21:02,530 --> 01:21:00,440

you bring up is very interesting and

1827

01:21:04,390 --> 01:21:02,540

with Elon everything he says is very

1828

01:21:07,270 --> 01:21:04,400

interesting I mean I've got it I've got

1829

01:21:09,729 --> 01:21:07,280

a picture of him on my wall a painting

1830

01:21:11,649 --> 01:21:09,739

of him on my wall you know and at the

1831

01:21:13,629 --> 01:21:11,659

same time you know with that Joe Rogan

1832

01:21:15,100 --> 01:21:13,639

episode a lot of the things that he said

1833

01:21:16,810 --> 01:21:15,110

if nobody's listened it's a very

1834

01:21:18,520 --> 01:21:16,820

interesting episode because like you

1835

01:21:22,419 --> 01:21:18,530

said he's always sweating a little he's

1836

01:21:25,330 --> 01:21:22,429

not comfortable he he does have an

1837

01:21:27,550 --> 01:21:25,340

opinion and unfortunately it's exactly

1838

01:21:32,109 --> 01:21:27,560

the opposite of what he's doing it seems

1839

01:21:36,729 --> 01:21:32,119

you know AI is our enemy yet that it's

1840

01:21:39,010 --> 01:21:36,739

frightening yeah he plays both sides he

1841

01:21:41,580 --> 01:21:39,020

plays both parts and that helps you to

1842

01:21:44,260 --> 01:21:41,590

feel more comfortable I think with

1843

01:21:47,729 --> 01:21:44,270

accepting the technological developments

1844

01:21:50,740 --> 01:21:47,739

and another part of the problem is I

1845

01:21:54,459 --> 01:21:50,750

mean I'm seeing it I'm 28

1846

01:21:57,729 --> 01:21:54,469

I was raised and I grew up with books

1847

01:21:59,859 --> 01:21:57,739

and yeah you still get books today but a

1848

01:22:02,410 --> 01:21:59,869

lot of schools colleges are going

1849

01:22:04,720 --> 01:22:02,420

towards digital books and that

1850

01:22:08,350 --> 01:22:04,730

information has been given to students

1851

01:22:13,089 --> 01:22:08,360

on tablets so what that means is within

1852

01:22:15,180 --> 01:22:13,099

this next generation most people that go

1853

01:22:17,950 --> 01:22:15,190

to any kind of school public or private

1854

01:22:20,169 --> 01:22:17,960

even if you're you know homeschool to

1855

01:22:22,569 --> 01:22:20,179

some degree everything is going to be

1856

01:22:25,780 --> 01:22:22,579

digital which means that kids are not

1857

01:22:28,810 --> 01:22:25,790

even going to and I don't mean this in

1858

01:22:30,700 --> 01:22:28,820

the sense that it's apocalyptic oh my

1859

01:22:32,800 --> 01:22:30,710

god nobody's going to be able to turn

1860

01:22:36,520 --> 01:22:32,810

the page of a book it's not what I mean

1861

01:22:39,609 --> 01:22:36,530

but kids are not going to have any

1862

01:22:41,919 --> 01:22:39,619

concept of what a book is if they're

1863

01:22:46,030 --> 01:22:41,929

raised on a tablet if they're raised

1864

01:22:48,160 --> 01:22:46,040

with digital copies of everything that

1865

01:22:50,740 --> 01:22:48,170

they're reading and that might sound

1866

01:22:53,560 --> 01:22:50,750

like a good thing that might sound like

1867

01:22:56,319 --> 01:22:53,570

a positive thing well States paper so

1868

01:22:58,419 --> 01:22:56,329

it's good for the environment oh well it

1869

01:22:59,979 --> 01:22:58,429

allows you to carry you know thousands

1870

01:23:02,109 --> 01:22:59,989

of books with you all at once

1871

01:23:04,089 --> 01:23:02,119

you know with the weight of I don't know

1872

01:23:06,580 --> 01:23:04,099

how heavy an iPad is a pound of how

1873

01:23:09,609 --> 01:23:06,590

and a half so it's really great for

1874

01:23:11,739 --> 01:23:09,619

people that like to read they can take a

1875

01:23:13,540 --> 01:23:11,749

bunch of stuff with them it's really

1876

01:23:15,729 --> 01:23:13,550

good for the environment because it

1877

01:23:18,129 --> 01:23:15,739

saves paper and it's really good because

1878

01:23:18,729 --> 01:23:18,139

you know you're this is my favorite

1879

01:23:20,770 --> 01:23:18,739

excuse

1880

01:23:22,810 --> 01:23:20,780

you know if your books get wet it could

1881

01:23:24,520 --> 01:23:22,820

ruin them like yeah well if you throw a

1882

01:23:26,379 --> 01:23:24,530

tablet in the pool it's gonna it's gonna

1883

01:23:29,199 --> 01:23:26,389

malfunction at least I can dry my books

1884

01:23:31,149 --> 01:23:29,209

out so my point is though once you race

1885

01:23:32,049 --> 01:23:31,159

someone in an environment where that's

1886

01:23:34,689 --> 01:23:32,059

all they know

1887

01:23:36,339 --> 01:23:34,699

sure yeah don't be even in 30 or 40 or

1888

01:23:38,949 --> 01:23:36,349

50 years there are going to be books

1889

01:23:41,109 --> 01:23:38,959

around bookstores aren't completely

1890

01:23:42,849 --> 01:23:41,119

disappearing and even if they did you

1891

01:23:44,889 --> 01:23:42,859

can still order books online that's a

1892

01:23:47,009 --> 01:23:44,899

huge part of Amazon's retail as people

1893

01:23:49,779 --> 01:23:47,019

that order books the point is

1894

01:23:52,569 --> 01:23:49,789

transitioning everything into the

1895

01:23:54,189 --> 01:23:52,579

digital realm and what do you think that

1896

01:23:56,379 --> 01:23:54,199

is just like with pre-crime pre-crime is

1897

01:23:57,849 --> 01:23:56,389

here now with the algorithms the hive

1898

01:24:01,689 --> 01:23:57,859

mind is here now through social media

1899

01:24:04,989 --> 01:24:01,699

and the uploading of consciousness as

1900

01:24:07,959 --> 01:24:04,999

Google and Ray Kurzweil call it the

1901

01:24:12,159 --> 01:24:07,969

upload of consciousness is essentially

1902

01:24:14,649 --> 01:24:12,169

already being done through uploading all

1903

01:24:17,529 --> 01:24:14,659

of our information individually and

1904

01:24:20,049 --> 01:24:17,539

collectively to social media platforms

1905

01:24:23,020 --> 01:24:20,059

into the Internet it's all being

1906

01:24:24,909 --> 01:24:23,030

uploaded now nobody has to go into a

1907

01:24:26,739 --> 01:24:24,919

Google facility and have electrodes

1908

01:24:29,169 --> 01:24:26,749

hooked up to their head and have all of

1909

01:24:31,629 --> 01:24:29,179

their memories uploaded into a computer

1910

01:24:33,759 --> 01:24:31,639

that's already being done it's being

1911

01:24:35,949 --> 01:24:33,769

done through social media the hive mind

1912

01:24:37,839 --> 01:24:35,959

is already here pre-crime is already

1913

01:24:39,639 --> 01:24:37,849

here and the uploading of consciousness

1914

01:24:40,929 --> 01:24:39,649

is already here and to think about any

1915

01:24:43,419 --> 01:24:40,939

of those things individually or

1916

01:24:47,979 --> 01:24:43,429

collectively as part of some dystopian

1917

01:24:49,000 --> 01:24:47,989

future is a rightful thing to do but I

1918

01:24:50,560 --> 01:24:49,010

don't think many or many people

1919

01:24:52,540 --> 01:24:50,570

recognize that those the types of things

1920

01:24:55,089 --> 01:24:52,550

that are here right now we just don't

1921

01:24:58,330 --> 01:24:55,099

see them because they're not happening

1922

01:25:00,459 --> 01:24:58,340

exactly like Minority Report they're not

1923

01:25:03,069 --> 01:25:00,469

happening exactly like transcendence

1924

01:25:04,750 --> 01:25:03,079

they're not fitting exactly like Lucy

1925

01:25:06,939 --> 01:25:04,760

but it's already here that's where the

1926

01:25:09,569 --> 01:25:06,949

movies come from right they're not

1927

01:25:13,169 --> 01:25:09,579

they're not kicking your door in and

1928

01:25:17,530 --> 01:25:13,179

exactly it's not right in your face it's

1929

01:25:22,450 --> 01:25:17,540

it's and it's it's so interesting

1930

01:25:24,670 --> 01:25:22,460

the the the splitting like the MKULTRA

1931

01:25:26,290 --> 01:25:24,680

like you know and I hate to come back to

1932

01:25:28,330 --> 01:25:26,300

patterning we've used that quite a bit

1933

01:25:32,560 --> 01:25:28,340

in this in this podcast but you know

1934

01:25:36,370 --> 01:25:32,570

magic what was perfectly explained in a

1935

01:25:40,930 --> 01:25:36,380

declassified CIA document as patterning

1936

01:25:43,450 --> 01:25:40,940

and the the way that like you said we

1937

01:25:48,190 --> 01:25:43,460

are downloading all of our thoughts our

1938

01:25:49,870 --> 01:25:48,200

emotions our opinions and literally

1939

01:25:52,180 --> 01:25:49,880

we're a carbon-based life form that's

1940

01:25:57,880 --> 01:25:52,190

you know downloading it onto these

1941

01:26:00,610 --> 01:25:57,890

little carbon chips and it's it's it's a

1942

01:26:02,380 --> 01:26:00,620

little freaky because you know we know

1943

01:26:05,410 --> 01:26:02,390

with in Kaltura they split your mind and

1944

01:26:07,690 --> 01:26:05,420

then they can control you well if this

1945

01:26:09,220 --> 01:26:07,700

is a splitting of sorts I don't think

1946

01:26:11,620 --> 01:26:09,230

it's the mind because they're trying to

1947

01:26:15,340 --> 01:26:11,630

just kind of get us to that point of

1948

01:26:16,030 --> 01:26:15,350

apathy where it's we just just take care

1949

01:26:21,400 --> 01:26:16,040

of us

1950

01:26:24,580 --> 01:26:21,410

I just want to be comfortable and you

1951

01:26:26,170 --> 01:26:24,590

know in in that case if they're actually

1952

01:26:28,780 --> 01:26:26,180

splitting it it's almost like a soul

1953

01:26:31,270 --> 01:26:28,790

splitting you know if we no longer have

1954

01:26:33,520 --> 01:26:31,280

character opinion and all of these

1955

01:26:37,020 --> 01:26:33,530

assets and traits that loved ones would

1956

01:26:39,640 --> 01:26:37,030

consider appreciated or that something

1957

01:26:42,370 --> 01:26:39,650

quality why is that something you want

1958

01:26:44,230 --> 01:26:42,380

to be around if these are no longer

1959

01:26:46,840 --> 01:26:44,240

appreciated as much as that hive

1960

01:26:49,810 --> 01:26:46,850

mentality that communal yes yes yeah

1961

01:26:52,360 --> 01:26:49,820

orange man bad orange man good that that

1962

01:26:56,860 --> 01:26:52,370

what is it that show it's almost like

1963

01:26:58,660 --> 01:26:56,870

idocracy the you know the mass is it

1964

01:27:01,660 --> 01:26:58,670

and and it reminds me of the Coliseum

1965

01:27:05,680 --> 01:27:01,670

like we are quite literally this magical

1966

01:27:07,920 --> 01:27:05,690

web of information is is is a beautiful

1967

01:27:10,030 --> 01:27:07,930

thing and it is you can do amazing

1968

01:27:13,300 --> 01:27:10,040

gorgeous there's beautiful things that

1969

01:27:16,030 --> 01:27:13,310

are cast across this web but at the same

1970

01:27:20,560 --> 01:27:16,040

time it is a web and it's easy to get

1971

01:27:22,390 --> 01:27:20,570

stuck in and man you your your presence

1972

01:27:26,170 --> 01:27:22,400

on this podcast is so greatly

1973

01:27:28,990 --> 01:27:26,180

appreciated tell us what's happening

1974

01:27:30,550 --> 01:27:29,000

what's new it's it's it's awesome thanks

1975

01:27:31,370 --> 01:27:30,560

for all you do what can you help our

1976

01:27:33,380 --> 01:27:31,380

listeners find in

1977

01:27:36,730 --> 01:27:33,390

information on you know what you bring

1978

01:27:39,530 --> 01:27:36,740

so well to the table books etcetera Ryan

1979

01:27:43,550 --> 01:27:39,540

yeah thanks for having me on the show

1980

01:27:45,350 --> 01:27:43,560

this evening I'm glad that we were able

1981

01:27:47,960 --> 01:27:45,360

to have a conversation about these types

1982

01:27:49,340 --> 01:27:47,970

of things and that you see and there's a

1983

01:27:51,950 --> 01:27:49,350

little bit of my bias that you see

1984

01:27:53,660 --> 01:27:51,960

things in a similar way that I do that I

1985

01:27:56,710 --> 01:27:53,670

do but you obviously have different

1986

01:27:59,930 --> 01:27:56,720

views and different opinions on things I

1987

01:28:01,610 --> 01:27:59,940

wanted to add one thing before I make

1988

01:28:03,620 --> 01:28:01,620

note of where people can find my

1989

01:28:05,600 --> 01:28:03,630

information and that is whether it's the

1990

01:28:07,430 --> 01:28:05,610

uploading of consciousness or pre-crime

1991

01:28:10,850 --> 01:28:07,440

or the hive mind or anything that you

1992

01:28:14,930 --> 01:28:10,860

just said that is the virtual reality

1993

01:28:17,380 --> 01:28:14,940

and that is the proverbial matrix it's

1994

01:28:19,340 --> 01:28:17,390

all around us all the time

1995

01:28:21,830 --> 01:28:19,350

does that really air that you're

1996

01:28:24,220 --> 01:28:21,840

breathing the movies become so cliché

1997

01:28:27,140 --> 01:28:24,230

it's become so cheesy

1998

01:28:29,930 --> 01:28:27,150

but that's exactly what we see that's

1999

01:28:32,150 --> 01:28:29,940

the predictive programming and that's

2000

01:28:34,190 --> 01:28:32,160

where we're living every single day but

2001

01:28:35,870 --> 01:28:34,200

when you disconnect from that not by

2002

01:28:38,750 --> 01:28:35,880

smashing your computers you're throwing

2003

01:28:40,400 --> 01:28:38,760

your phone into you know the toilet but

2004

01:28:44,780 --> 01:28:40,410

if you just I'll tell you I'll tell you

2005

01:28:46,790 --> 01:28:44,790

what when I one quick example I live

2006

01:28:48,290 --> 01:28:46,800

most of my life here in radio I do a

2007

01:28:50,420 --> 01:28:48,300

show five nights a week called the

2008

01:28:52,610 --> 01:28:50,430

secret teachings Monday Tuesday

2009

01:28:56,210 --> 01:28:52,620

Wednesday Thursday and Friday on the

2010

01:28:58,070 --> 01:28:56,220

fringe fm exclusively and when I'm done

2011

01:29:01,330 --> 01:28:58,080

with that show I upload it to my archive

2012

01:29:06,050 --> 01:29:01,340

then the next day I get started I do

2013

01:29:08,780 --> 01:29:06,060

pre-show prep I prepare a story a

2014

01:29:10,700 --> 01:29:08,790

subject maybe one or two ideas as a

2015

01:29:13,790 --> 01:29:10,710

talking point and just go with that

2016

01:29:15,680 --> 01:29:13,800

without any notes or I have a guest so

2017

01:29:18,110 --> 01:29:15,690

I'm constantly creating something I'm

2018

01:29:21,800 --> 01:29:18,120

constantly working on this so a lot of

2019

01:29:24,740 --> 01:29:21,810

times I have to pause although it gives

2020

01:29:27,230 --> 01:29:24,750

me some anxiety I have to pause and I

2021

01:29:30,440 --> 01:29:27,240

grab a book and I go outside I leave my

2022

01:29:33,290 --> 01:29:30,450

phone here and I take a nice rock and as

2023

01:29:36,290 --> 01:29:33,300

cliche as that might sound first couple

2024

01:29:38,900 --> 01:29:36,300

minutes still have that anxiety but even

2025

01:29:42,290 --> 01:29:38,910

living mostly in a city I can walk down

2026

01:29:44,750 --> 01:29:42,300

the street and you know birds chirping

2027

01:29:47,779 --> 01:29:44,760

insects flying by doesn't matter

2028

01:29:50,240 --> 01:29:47,789

hot cold Suns out even if it's you know

2029

01:29:54,729 --> 01:29:50,250

Jersey uh there's a drizzle that day of

2030

01:29:58,009 --> 01:29:54,739

rain I can still feel more connected to

2031

01:29:59,950 --> 01:29:58,019

things around me than I do when I'm

2032

01:30:02,839 --> 01:29:59,960

supposedly connected to everything

2033

01:30:05,450 --> 01:30:02,849

through my computers and through my mic

2034

01:30:07,819 --> 01:30:05,460

phone so my recommendation would be to

2035

01:30:09,379 --> 01:30:07,829

just put it down and to take a step

2036

01:30:11,569 --> 01:30:09,389

outside and I think that really is a

2037

01:30:14,270 --> 01:30:11,579

solution to a lot of these problems is

2038

01:30:15,379 --> 01:30:14,280

just put it down walk outside it's kind

2039

01:30:17,689 --> 01:30:15,389

of kind of like people that have an

2040

01:30:20,120 --> 01:30:17,699

eating problem and you eat too much just

2041

01:30:21,589 --> 01:30:20,130

put the fork down I know that's hard you

2042

01:30:24,200 --> 01:30:21,599

have to have people that help you to do

2043

01:30:26,149 --> 01:30:24,210

that and then people have all kinds of

2044

01:30:27,589 --> 01:30:26,159

reasons for that or for many other you

2045

01:30:29,600 --> 01:30:27,599

know issues they might have with with

2046

01:30:30,830 --> 01:30:29,610

with physical conditions or mental

2047

01:30:33,620 --> 01:30:30,840

conditions and you need help you need

2048

01:30:36,169 --> 01:30:33,630

support and so I'm trying to be that

2049

01:30:38,089 --> 01:30:36,179

support for some people and I'm going

2050

01:30:41,089 --> 01:30:38,099

along on this ride with you and I'm

2051  
01:30:43,399 --> 01:30:41,099  
trying to help people by providing at

2052  
01:30:45,049 --> 01:30:43,409  
least you know a similar if not an

2053  
01:30:47,120 --> 01:30:45,059  
entirely new perspective on each one of

2054  
01:30:50,959 --> 01:30:47,130  
my shows and that's what the secret

2055  
01:30:54,470 --> 01:30:50,969  
teachings is all about and I base it all

2056  
01:30:56,689 --> 01:30:54,480  
on occultism and esotericism again five

2057  
01:31:02,629 --> 01:30:56,699  
nights a week on the fringe FM and my

2058  
01:31:05,660 --> 01:31:02,639  
website is w-w-w dot t change dot info

2059  
01:31:08,810 --> 01:31:05,670  
that's the secret teachings dot info and

2060  
01:31:13,430 --> 01:31:08,820  
if anybody wants to message me my email

2061  
01:31:16,100 --> 01:31:13,440  
is rd like romeo delta gable GA ple at

2062  
01:31:18,939 --> 01:31:16,110  
yahoo.com and he can also find us on

2063  
01:31:22,520 --> 01:31:18,949

facebook at facebook.com forward slash

2064

01:31:23,930 --> 01:31:22,530

the secret teachings thanks again for

2065

01:31:26,240 --> 01:31:23,940

having me on the show is a very nice

2066

01:31:28,310 --> 01:31:26,250

conversation Thank You Ryan

2067

01:31:35,759 --> 01:31:28,320

your presence is so appreciated thanks

2068

01:31:35,769 --> 01:31:39,000

Wow

2069

01:31:42,120 --> 01:31:41,430

whether you believe the mainstream media

2070

01:31:44,400 --> 01:31:42,130

or not

2071

01:31:47,940 --> 01:31:44,410

Ryan gable points out elements in the

2072

01:31:49,950 --> 01:31:47,950

narrative that are hard to ignore sure

2073

01:31:52,650 --> 01:31:49,960

we may not be having our doors kicked in

2074

01:31:55,530 --> 01:31:52,660

like Steven Spielberg's Minority Report

2075

01:31:59,670 --> 01:31:55,540

movie but just because we aren't aware

2076  
01:32:03,500 --> 01:31:59,680  
of the consequences neither is the frog

2077  
01:32:06,570 --> 01:32:03,510  
in a slowly boiling pot of water

2078  
01:32:09,240 --> 01:32:06,580  
electronics and technology artificial

2079  
01:32:12,090 --> 01:32:09,250  
intelligence these are things to be

2080  
01:32:17,960 --> 01:32:12,100  
aware of don't be scared don't run don't

2081  
01:32:23,570 --> 01:32:20,790  
so head on over to hero paranormal and

2082  
01:32:26,190 --> 01:32:23,580  
get to know your way around the website

2083  
01:32:28,380 --> 01:32:26,200  
we got all kinds of stuff there for you

2084  
01:32:29,820 --> 01:32:28,390  
keep listening to the podcast I will

2085  
01:32:31,560 --> 01:32:29,830  
keep doing my best to bring you the

2086  
01:32:33,390 --> 01:32:31,570  
heroes of the subject matter they speak

2087  
01:32:35,070 --> 01:32:33,400  
of and thanks to everyone for your

2088  
01:32:40,100 --> 01:32:35,080

support all the best

2089

01:32:40,110 --> 01:32:56,739

[Music]

2090

01:33:03,580 --> 01:33:00,219

blast off last night blast off
