[Music]

2  
00:00:39,160 --> 00:00:29,210

blast off you must have there I

3  
00:00:45,170 --> 00:00:39,170

feel like we're in for a treat tonight

4  
00:00:49,400 --> 00:00:45,180

we have Adrienne Espinosa he is well

5  
00:00:52,369 --> 00:00:49,410

into it all he knows about it all my

6  
00:00:56,990 --> 00:00:52,379

labs hypnotherapy remote viewing Skynet

7  
00:01:00,439 --> 00:00:57,000

files cyborgs awakening alternate

8  
00:01:05,179 --> 00:01:00,449

realities the matrix and how 8i impacts

9  
00:01:09,080 --> 00:01:05,189

all of this especially us it's gonna be

10  
00:01:11,840 --> 00:01:09,090

epic anyway today's intro is from Erin

11  
00:01:14,420 --> 00:01:11,850

Salem the moment is the single go on

12  
00:01:16,700 --> 00:01:14,430

iTunes buy it he let us use this for a

13  
00:01:19,280 --> 00:01:16,710

space wolf research video check it out

14

00:01:25,850 --> 00:01:19,290

but right now we're going to Adrienne

15

00:01:29,660 --> 00:01:25,860

Espinosa not bad not bad man we're live

16

00:01:32,840 --> 00:01:29,670

here is that cool yeah awesome man I'm

17

00:01:35,210 --> 00:01:32,850

so excited I love it I'm excited to talk

18

00:01:37,760 --> 00:01:35,220

to you this is kind of like what we're

19

00:01:39,710 --> 00:01:37,770

talking about tonight is it's just you

20

00:01:42,410 --> 00:01:39,720

know the the majority of people just

21

00:01:43,700 --> 00:01:42,420

don't I I I'm excited because the

22

00:01:45,649 --> 00:01:43,710

majority of people just don't believe

23

00:01:48,020 --> 00:01:45,659

that reality is augmented in that way

24

00:01:50,090 --> 00:01:48,030

and this is kind of like a deadly you

25

00:01:51,350 --> 00:01:50,100

know restricted area of conversation a

26

00:01:54,499 --> 00:01:51,360

lot of people don't like to talk about

27

00:01:57,319 --> 00:01:54,509

things like well tell us about Skynet

28

00:02:04,670 --> 00:01:57,329

files before we we go any further I

29

00:02:13,050 --> 00:02:04,680

think that's super cool well I started

30

00:02:19,170 --> 00:02:13,060

out in sacred geometry in Sedona and

31

00:02:23,610 --> 00:02:19,180

I kind of ventured outside of you know

32

00:02:26,780 --> 00:02:23,620

ether into coats and stuff like that and

33

00:02:29,400 --> 00:02:26,790

then I started wondering if the

34

00:02:30,990 --> 00:02:29,410

artificial intelligence goes a lot more

35

00:02:35,220 --> 00:02:31,000

deeper than that you know like my

36

00:02:37,110 --> 00:02:35,230

curiosity has always been looking deeper

37

00:02:41,610 --> 00:02:37,120

down the rabbit hole you know as you can

38

00:02:43,800 --> 00:02:41,620

as you can say I and then

39

00:02:46,979 --> 00:02:43,810

my curiosity just kind of lingered in

40

00:02:49,100 --> 00:02:46,989

two different directions and you know

41

00:02:54,479 --> 00:02:49,110

when it came to artificial intelligence

42

00:02:59,190 --> 00:02:54,489

and then I learned about my software you

43

00:03:03,630 --> 00:02:59,200

know and after I had my experience in

44

00:03:06,720 --> 00:03:03,640

Sedona I moved to California and I met a

45

00:03:10,380 --> 00:03:06,730

guy by the name of Alan and he had a

46

00:03:14,600 --> 00:03:10,390

what they call Linux software which

47

00:03:18,270 --> 00:03:14,610

access files in the matrix which

48

00:03:21,150 --> 00:03:18,280

basically now he calls Skynet

49

00:03:26,340 --> 00:03:21,160

so now I was kind of interested in what

50

00:03:29,640 --> 00:03:26,350

it was like to put thicker geometry

51  
00:03:33,660 --> 00:03:29,650  
along with a Linux software that he came

52  
00:03:38,550 --> 00:03:33,670  
up with an idea and he put it in a in an

53  
00:03:41,900 --> 00:03:38,560  
IRC Network where she put on in a

54  
00:03:45,960 --> 00:03:41,910  
software for right now but in October

55  
00:03:49,860 --> 00:03:45,970  
he's going to be putting a bigger set

56  
00:03:54,420 --> 00:03:49,870  
together with his own software so

57  
00:03:56,640 --> 00:03:54,430  
basically what it is is it accesses the

58  
00:03:59,550 --> 00:03:56,650  
matrix through codes and through

59  
00:04:02,099 --> 00:03:59,560  
programs that people believe that

60  
00:04:05,370 --> 00:04:02,109  
they've been people that have been

61  
00:04:11,610 --> 00:04:05,380  
abducted or people that have been part

62  
00:04:16,529 --> 00:04:11,620  
of different types of my lab UFO alien

63  
00:04:18,690 --> 00:04:16,539

encounters wherever that might be it has

64  
00:04:21,630 --> 00:04:18,700  
access to those codes and those programs

65  
00:04:25,010 --> 00:04:21,640  
so then what we did we rerun those pros

66  
00:04:26,909 --> 00:04:25,020  
those codes in those programs in my

67  
00:04:29,159 --> 00:04:26,919  
other software

68  
00:04:30,839 --> 00:04:29,169  
that I had and you know this is all part

69  
00:04:33,059 --> 00:04:30,849  
of I guess you could say it's all part

70  
00:04:36,899 --> 00:04:33,069  
of the same thing you know where you

71  
00:04:39,179 --> 00:04:36,909  
call skynet or you call it radionics but

72  
00:04:41,279 --> 00:04:39,189  
it's kind of like a like a whole

73  
00:04:46,980 --> 00:04:41,289  
combination of things that he put into

74  
00:04:49,350 --> 00:04:46,990  
this software and so it has probably

75  
00:04:51,300 --> 00:04:49,360  
over a million different types of

76

00:04:53,700 --> 00:04:51,310

programs that you can go into there's

77

00:04:56,879 --> 00:04:53,710

not just one or two programs this

78

00:04:58,920 --> 00:04:56,889

software has over a million and I was a

79

00:05:00,390 --> 00:04:58,930

little bit overwhelmed at first because

80

00:05:02,070 --> 00:05:00,400

I used to think well how am I going to

81

00:05:07,010 --> 00:05:02,080

learn this because there's so much

82

00:05:10,709 --> 00:05:07,020

research to do you know like along with

83

00:05:14,249 --> 00:05:10,719

you know artificial intelligence and

84

00:05:16,709 --> 00:05:14,259

using box and programming cyborgs and

85

00:05:18,689 --> 00:05:16,719

and there's different things like that

86

00:05:20,490 --> 00:05:18,699

you know and I used to think well how

87

00:05:22,649 --> 00:05:20,500

did he come up with this software and I

88

00:05:24,749 --> 00:05:22,659

used to show my clients out used to run

89

00:05:27,119 --> 00:05:24,759

and I show them screenshots and they

90

00:05:29,129 --> 00:05:27,129

would say well how is this even possible

91

00:05:31,050 --> 00:05:29,139

you know or some people would be a

92

00:05:33,140 --> 00:05:31,060

little more on the skeptical side

93

00:05:36,329 --> 00:05:33,150

because they don't understand how

94

00:05:38,579 --> 00:05:36,339

universal energy works or how different

95

00:05:40,920 --> 00:05:38,589

types of software to look like that I

96

00:05:43,079 --> 00:05:40,930

love that you call it universal energy

97

00:05:44,939 --> 00:05:43,089

that's that's such a good statement

98

00:05:45,480 --> 00:05:44,949

sorry to interrupt you I just I couldn't

99

00:05:51,360 --> 00:05:45,490

agree more

100

00:05:54,119 --> 00:05:51,370

oh yeah yeah I mean that's that's

101  
00:05:56,639 --> 00:05:54,129  
basically all really is I mean it's all

102  
00:05:59,279 --> 00:05:56,649  
you know the Lemurians are the ones who

103  
00:06:01,889 --> 00:05:59,289  
created the software some people say it

104  
00:06:04,559 --> 00:06:01,899  
came from Atlanta some people said it

105  
00:06:06,600 --> 00:06:04,569  
came from the aliens and then some

106  
00:06:08,879 --> 00:06:06,610  
people say came from angels now I don't

107  
00:06:11,610 --> 00:06:08,889  
know honestly I can't tell you where it

108  
00:06:13,260 --> 00:06:11,620  
came from or how they created it but I

109  
00:06:16,769 --> 00:06:13,270  
know that he put this whole combination

110  
00:06:20,490 --> 00:06:16,779  
of things into one software and then

111  
00:06:23,369 --> 00:06:20,500  
after after a few months after they

112  
00:06:25,559 --> 00:06:23,379  
learned about the software they I came

113  
00:06:29,420 --> 00:06:25,569

in to another guy by the name of Kevin

114

00:06:32,159 --> 00:06:29,430

and he was he introduced me his software

115

00:06:35,339 --> 00:06:32,169

but basically what we did we just joined

116

00:06:39,869 --> 00:06:35,349

forces and we put it all together into

117

00:06:40,230 --> 00:06:39,879

one one software and so now we're kind

118

00:06:44,010 --> 00:06:40,240

of

119

00:06:46,170 --> 00:06:44,020

working with each other and what what's

120

00:06:47,879 --> 00:06:46,180

so interesting about it is I've never

121

00:06:50,159 --> 00:06:47,889

even heard that there was anything like

122

00:06:52,980 --> 00:06:50,169

this and in artificial intelligence I

123

00:06:55,110 --> 00:06:52,990

used to think that you know all you use

124

00:06:57,390 --> 00:06:55,120

is just codes because our body is made

125

00:07:00,749 --> 00:06:57,400

out of codes and frequently in universal

126  
00:07:02,820 --> 00:07:00,759  
energy mm-hmm so what they did is they

127  
00:07:06,089 --> 00:07:02,830  
just they turn around and they put it in

128  
00:07:08,460 --> 00:07:06,099  
a software and that's basically and then

129  
00:07:11,159 --> 00:07:08,470  
we just he gave it a name he calls it

130  
00:07:13,890 --> 00:07:11,169  
Skynet the reason why I called it Skynet

131  
00:07:17,399 --> 00:07:13,900  
is because it works with artificial

132  
00:07:21,930 --> 00:07:17,409  
intelligence you know it's its own type

133  
00:07:23,730 --> 00:07:21,940  
of AI that they created and and the

134  
00:07:26,010 --> 00:07:23,740  
reason why is because you know they're

135  
00:07:32,040 --> 00:07:26,020  
using a lot of box they're using a lot

136  
00:07:34,649 --> 00:07:32,050  
of cyborgs they're using avatars there's

137  
00:07:39,510 --> 00:07:34,659  
actually a gaming system that's on there

138  
00:07:42,390 --> 00:07:39,520

that people believe that they were part

139

00:07:44,339 --> 00:07:42,400

of this gaming system you know from

140

00:07:48,450 --> 00:07:44,349

their memory everything is being

141

00:07:50,189 --> 00:07:48,460

downloaded into the Dyer see what people

142

00:07:53,779 --> 00:07:50,199

were thinking and that's how the AI

143

00:07:57,209 --> 00:07:53,789

reached or thought a I reach thought

144

00:07:58,320 --> 00:07:57,219

absolutely I mean absolutely I couldn't

145

00:08:01,020 --> 00:07:58,330

agree with your comment more though

146

00:08:02,850 --> 00:08:01,030

about the AI and it's it's advancement

147

00:08:05,249 --> 00:08:02,860

and that the technological level that

148

00:08:07,770 --> 00:08:05,259

it's actually assumed at this point it's

149

00:08:09,270 --> 00:08:07,780

not what we're led to believe it is I

150

00:08:10,800 --> 00:08:09,280

know that you're also I believe you're

151  
00:08:13,980 --> 00:08:10,810  
in the gaming I made that assumption I

152  
00:08:18,390 --> 00:08:13,990  
don't know if it's true is that actually

153  
00:08:22,080 --> 00:08:18,400  
I believe it or not I I am NOT a gamer

154  
00:08:24,059 --> 00:08:22,090  
but I can't honestly say that since I've

155  
00:08:27,360 --> 00:08:24,069  
gotten into the software and I've gotten

156  
00:08:30,240 --> 00:08:27,370  
into Linux I I have collected Linux ever

157  
00:08:34,230 --> 00:08:30,250  
since I was 18 years old and I have a

158  
00:08:36,300 --> 00:08:34,240  
whole big box of software that I used to

159  
00:08:39,209 --> 00:08:36,310  
work with and now I learned about Skynet

160  
00:08:41,219 --> 00:08:39,219  
and it has its own flash drive because

161  
00:08:45,329 --> 00:08:41,229  
you know where I'm working with another

162  
00:08:48,870 --> 00:08:45,339  
software called cyborg you know and on

163  
00:08:51,150 --> 00:08:48,880

that system it has its own probably over

164

00:08:54,150 --> 00:08:51,160

close to 1 million different types of

165

00:08:56,189 --> 00:08:54,160

game and now that I'm

166

00:08:59,189 --> 00:08:56,199

really looking behind the scenes on how

167

00:09:00,990 --> 00:08:59,199

that actually were I'm actually starting

168

00:09:04,499 --> 00:09:01,000

to get more and more into gaming and

169

00:09:06,269 --> 00:09:04,509

it's so interesting because I haven't

170

00:09:09,749 --> 00:09:06,279

even got into more of the virtual

171

00:09:12,179 --> 00:09:09,759

reality you know and when I met Alan he

172

00:09:14,970 --> 00:09:12,189

introduced me this guy named chase he

173

00:09:18,329 --> 00:09:14,980

was a friend of his I got really into

174

00:09:18,569 --> 00:09:18,339

the virtual reality and I said well why

175

00:09:22,350 --> 00:09:18,579

not

176

00:09:25,679 --> 00:09:22,360

put my software along with your hololens

177

00:09:28,139 --> 00:09:25,689

and so when he did the hololens he put

178

00:09:31,470 --> 00:09:28,149

it all together don't ask me how he did

179

00:09:35,309 --> 00:09:31,480

it but somehow him and Alan were able to

180

00:09:36,990 --> 00:09:35,319

work together to put it together and he

181

00:09:38,790 --> 00:09:37,000

didn't put it out on the market only

182

00:09:41,400 --> 00:09:38,800

because he knew that millions of people

183

00:09:44,910 --> 00:09:41,410

would buy it his own gate his own gain

184

00:09:47,220 --> 00:09:44,920

system yeah because it was a lot more

185

00:09:50,850 --> 00:09:47,230

more real than the actual virtual

186

00:09:57,869 --> 00:09:50,860

reality this AI and gaming is almost a

187

00:10:00,240 --> 00:09:57,879

way of interaction yeah yes but this is

188

00:10:02,999 --> 00:10:00,250

what's really going on I mean this you

189

00:10:05,220 --> 00:10:03,009

know you've heard of quantum reality

190

00:10:08,910 --> 00:10:05,230

that this is like augmented reality this

191

00:10:11,550 --> 00:10:08,920

is this is what's really really going on

192

00:10:14,490 --> 00:10:11,560

behind the scenes I mean you once you

193

00:10:16,470 --> 00:10:14,500

look past the matrix and I and I have

194

00:10:18,780 --> 00:10:16,480

seen past the nature some people said

195

00:10:21,840 --> 00:10:18,790

they've even seen the grid you know

196

00:10:24,480 --> 00:10:21,850

where they've actually seen the code

197

00:10:26,189 --> 00:10:24,490

well that's what I thought I thought

198

00:10:29,910 --> 00:10:26,199

like a hallway of codes and I actually

199

00:10:31,439 --> 00:10:29,920

walk through it if you do it know you're

200

00:10:33,090 --> 00:10:31,449

gonna walk through a wall chances are

201  
00:10:35,999 --> 00:10:33,100  
you're not gonna be able to do it right

202  
00:10:38,730 --> 00:10:36,009  
but if you put on the hollow limb and it

203  
00:10:40,530 --> 00:10:38,740  
downloaded into your brain then you're

204  
00:10:42,480 --> 00:10:40,540  
actually walking through the wall this

205  
00:10:45,210 --> 00:10:42,490  
is so interesting to put your hand right

206  
00:10:47,400 --> 00:10:45,220  
through the wall eight Adrian I just had

207  
00:10:50,910 --> 00:10:47,410  
a podcast with an individual named Rob

208  
00:10:53,970 --> 00:10:50,920  
gray and he was telling me about these

209  
00:10:56,249 --> 00:10:53,980  
interesting things that people are

210  
00:10:58,139 --> 00:10:56,259  
finding he kind of likes to get into

211  
00:11:00,809 --> 00:10:58,149  
these you know weird to them weird

212  
00:11:03,240 --> 00:11:00,819  
things and look into him and it was like

213  
00:11:06,059 --> 00:11:03,250

people were finding these stairs in the

214

00:11:07,150 --> 00:11:06,069

woods is what they were called and it

215

00:11:09,490 --> 00:11:07,160

was like a wood

216

00:11:12,790 --> 00:11:09,500

wouldn't made stairs and they would just

217

00:11:15,880 --> 00:11:12,800

kind of go up into and what what people

218

00:11:17,110 --> 00:11:15,890

were were experiencing is exactly what

219

00:11:19,420 --> 00:11:17,120

you're mentioning they would kind of

220

00:11:23,230 --> 00:11:19,430

like walk up these stairs and what they

221

00:11:26,190 --> 00:11:23,240

were claiming is that they would be like

222

00:11:28,060 --> 00:11:26,200

you're saying in this like hallway and

223

00:11:29,380 --> 00:11:28,070

walking I think they call it there's

224

00:11:31,900 --> 00:11:29,390

another name for it online something

225

00:11:33,310 --> 00:11:31,910

like the basement or I wish I knew I

226

00:11:35,350 --> 00:11:33,320

should have paid more attention to Rob

227

00:11:37,810 --> 00:11:35,360

he was telling me it was like the

228

00:11:39,880 --> 00:11:37,820

basement files or I can't remember but

229

00:11:44,110 --> 00:11:39,890

there's another thing that it's a lot

230

00:11:45,490 --> 00:11:44,120

like that movie that I loved it was like

231

00:11:46,990 --> 00:11:45,500

the others or something but it's not

232

00:11:48,550 --> 00:11:47,000

it's like one of my favorite I can't

233

00:11:50,590 --> 00:11:48,560

believe I can't think of the name he's

234

00:11:55,420 --> 00:11:50,600

he does all my favorite horror films

235

00:11:58,000 --> 00:11:55,430

like he did get out he did but it was

236

00:11:59,470 --> 00:11:58,010

called anyway it's his latest one and it

237

00:12:01,930 --> 00:11:59,480

was like these people it's like you have

238

00:12:03,730 --> 00:12:01,940

there's like this alternate reality I I

239

00:12:06,400 --> 00:12:03,740

remembered the name of that movie it's

240

00:12:10,090 --> 00:12:06,410

us which is so creepy I'm like it's like

241

00:12:12,850 --> 00:12:10,100

the others it's like no it's us but it's

242

00:12:15,790 --> 00:12:12,860

like Jordan Peele it's us and it's like

243

00:12:19,030 --> 00:12:15,800

we have this alternate reality and yeah

244

00:12:21,040 --> 00:12:19,040

and so it's interesting you know that's

245

00:12:23,800 --> 00:12:21,050

a time to augment reality that I'm

246

00:12:26,710 --> 00:12:23,810

talking about like I you know I was so

247

00:12:28,870 --> 00:12:26,720

addicted to it that I just wanted to

248

00:12:33,490 --> 00:12:28,880

keep doing it over and over and over

249

00:12:35,680 --> 00:12:33,500

when I was in California and you know he

250

00:12:38,230 --> 00:12:35,690

had his own business of course he had

251

00:12:40,780 --> 00:12:38,240

his own team his computer team computer

252

00:12:42,520 --> 00:12:40,790

whiz people but I just wanted to do it

253

00:12:44,110 --> 00:12:42,530

like over and over and over you know

254

00:12:47,140 --> 00:12:44,120

like I didn't want to make him feel like

255

00:12:48,880 --> 00:12:47,150

I was taking advantage but then you know

256

00:12:50,650 --> 00:12:48,890

I have something else to bring to the

257

00:12:52,840 --> 00:12:50,660

table when I came up with this other

258

00:12:55,000 --> 00:12:52,850

software so that that's why he was

259

00:12:57,310 --> 00:12:55,010

willing to share it with me

260

00:13:00,610 --> 00:12:57,320

I actually had multiple things to bring

261

00:13:02,920 --> 00:13:00,620

to the table at that time and say hey

262

00:13:04,450 --> 00:13:02,930

why don't we just do a trade you know

263

00:13:06,280 --> 00:13:04,460

what I mean call it's good I mean I

264

00:13:09,460 --> 00:13:06,290

still had to come up with a couple of

265

00:13:13,510 --> 00:13:09,470

thousand or the other software which I'm

266

00:13:15,460 --> 00:13:13,520

still making payments on that but all

267

00:13:17,860 --> 00:13:15,470

the money that I've spent in the past I

268

00:13:20,860 --> 00:13:17,870

do feel like Ryan I feel like it was all

269

00:13:23,620 --> 00:13:20,870

worth it because all the pee

270

00:13:25,530 --> 00:13:23,630

souls that have never heard of it that

271

00:13:28,060 --> 00:13:25,540

we're bringing to the forefront now

272

00:13:29,980 --> 00:13:28,070

people everyone's life's are changing

273

00:13:33,520 --> 00:13:29,990

right we're starting the scene change

274

00:13:35,140 --> 00:13:33,530

you know even cluding my own I mean at

275

00:13:38,680 --> 00:13:35,150

the beginning when I first had my

276

00:13:43,540 --> 00:13:38,690

awakening you know I have gained

277

00:13:45,790 --> 00:13:43,550

stalkers I have cyber genetic systems

278

00:13:50,110 --> 00:13:45,800

that I that I couldn't understand that

279

00:13:51,550 --> 00:13:50,120

we're attacking me I had I had all kinds

280

00:13:53,380 --> 00:13:51,560

of weird things that were going on

281

00:13:56,470 --> 00:13:53,390

supernatural that I couldn't explain

282

00:13:58,930 --> 00:13:56,480

there has to be Zender talk about it or

283

00:14:01,870 --> 00:13:58,940

hear about Jane Greene talk about it or

284

00:14:04,330 --> 00:14:01,880

Peter or anybody it always brings back

285

00:14:06,550 --> 00:14:04,340

that comfort to me knowing that I'm not

286

00:14:08,890 --> 00:14:06,560

the only one that is experiencing these

287

00:14:14,830 --> 00:14:08,900

things these are actually real things

288

00:14:17,950 --> 00:14:14,840

that are happening and so you know I

289

00:14:19,780 --> 00:14:17,960

think it brought me a lot of comfort it

290

00:14:21,850 --> 00:14:19,790

brought me a lot of peace and comfort

291

00:14:23,920 --> 00:14:21,860

knowing that there's something I can

292

00:14:26,380 --> 00:14:23,930

turn to that would help me and not just

293

00:14:28,240 --> 00:14:26,390

me but other people too you know

294

00:14:30,370 --> 00:14:28,250

realizing that there's actually a lot

295

00:14:33,220 --> 00:14:30,380

more out there that that can help us

296

00:14:35,320 --> 00:14:33,230

than artificial intelligence absolutely

297

00:14:37,450 --> 00:14:35,330

you know and and then be willing to

298

00:14:40,480 --> 00:14:37,460

share that with the with the public you

299

00:14:43,060 --> 00:14:40,490

know absolutely and it's so interesting

300

00:14:44,650 --> 00:14:43,070

that you call it Skynet and that you I

301  
00:14:47,290 --> 00:14:44,660  
think you called it also like people

302  
00:14:48,850 --> 00:14:47,300  
have actually seen it because I kind of

303  
00:14:50,800 --> 00:14:48,860  
dabble in like some weird things and I

304  
00:14:52,750 --> 00:14:50,810  
was doing this thing with a guy where we

305  
00:14:54,250 --> 00:14:52,760  
were out researching another researcher

306  
00:14:55,360 --> 00:14:54,260  
we were way out in the middle of nowhere

307  
00:14:57,130 --> 00:14:55,370  
in the middle and you're from Utah

308  
00:15:01,120 --> 00:14:57,140  
that's where I used to live so props to

309  
00:15:04,720 --> 00:15:01,130  
that this was in Utah out and just be Fe

310  
00:15:08,920 --> 00:15:04,730  
of the state and we saw this what I can

311  
00:15:12,370 --> 00:15:08,930  
only explain Adrian it looked like if

312  
00:15:15,220 --> 00:15:12,380  
you had a grid of the those green lasers

313  
00:15:16,780 --> 00:15:15,230

like just coming down onto like the

314

00:15:18,640 --> 00:15:16,790

sagebrush and the rocks and everything

315

00:15:20,710 --> 00:15:18,650

else and we literally like duck down

316

00:15:22,870 --> 00:15:20,720

with the sagebrush and the rocks and

317

00:15:24,400 --> 00:15:22,880

we're like trying not to move as this

318

00:15:25,630 --> 00:15:24,410

thing came down because you could see it

319

00:15:28,780 --> 00:15:25,640

kind of like rippling over the landscape

320

00:15:31,300 --> 00:15:28,790

as it was like grading and it's so earth

321

00:15:33,079 --> 00:15:31,310

like like a net it's just I don't know

322

00:15:35,269 --> 00:15:33,089

if that's related or if

323

00:15:37,759 --> 00:15:35,279

it's just totally like coincidence but

324

00:15:40,399 --> 00:15:37,769

it just it kind of seemed like there is

325

00:15:42,049 --> 00:15:40,409

this alternate like things have kind of

326

00:15:45,529 --> 00:15:42,059

been put together in a matrix like you

327

00:15:47,359 --> 00:15:45,539

said like a squared or compartmentalised

328

00:15:49,189 --> 00:15:47,369

like everything you'd like Google Earth

329

00:15:53,929 --> 00:15:49,199

everything needs to be where it needs to

330

00:15:56,059 --> 00:15:53,939

be like exactly exactly and you know and

331

00:15:59,869 --> 00:15:56,069

I was pretty skeptical at the time too

332

00:16:02,419 --> 00:15:59,879

when I used to do some of my shows back

333

00:16:06,259 --> 00:16:02,429

in the past but now I'm very much a

334

00:16:09,199 --> 00:16:06,269

believer only because when Peter used to

335

00:16:11,119 --> 00:16:09,209

talk about and I'll just kind of explain

336

00:16:13,339 --> 00:16:11,129

how you know he was talking about these

337

00:16:16,069 --> 00:16:13,349

video games and real life characters

338

00:16:18,769 --> 00:16:16,079

that they were real I started becoming

339

00:16:21,559 --> 00:16:18,779

kind of skeptical before I got the

340

00:16:24,139 --> 00:16:21,569

software but now I'm not skeptical

341

00:16:27,949 --> 00:16:24,149

because every client that I come across

342

00:16:29,929 --> 00:16:27,959

have had those experiences and they

343

00:16:31,339 --> 00:16:29,939

weren't even they weren't even even part

344

00:16:33,019 --> 00:16:31,349

of the show they didn't know anything

345

00:16:35,899 --> 00:16:33,029

about peer they didn't know anything

346

00:16:40,159 --> 00:16:35,909

about the software oh I just let him

347

00:16:42,409 --> 00:16:40,169

talk and boom you know they they

348

00:16:43,699 --> 00:16:42,419

revealed everything everything they

349

00:16:46,909 --> 00:16:43,709

thought about these video game

350

00:16:49,339 --> 00:16:46,919

characters all their memories just

351  
00:16:51,499 --> 00:16:49,349  
everything in general you know I mean

352  
00:16:54,079 --> 00:16:51,509  
the way he just they did it it was like

353  
00:16:56,989 --> 00:16:54,089  
incredible you know that's awesome and

354  
00:17:00,139 --> 00:16:56,999  
I'm not a gamer I'm really not I'm I've

355  
00:17:04,069 --> 00:17:00,149  
tried in the past you know like and just

356  
00:17:07,519 --> 00:17:04,079  
epic fail just not my cup of tea and and

357  
00:17:09,439 --> 00:17:07,529  
I had fun I had really a lot of fun

358  
00:17:10,519 --> 00:17:09,449  
interacting with the game like we're

359  
00:17:12,679 --> 00:17:10,529  
talking about though just that

360  
00:17:15,199 --> 00:17:12,689  
interaction that augmented like you I

361  
00:17:18,289 --> 00:17:15,209  
think you called it yeah it's really

362  
00:17:21,129 --> 00:17:18,299  
that proximity yeah yeah that proximity

363  
00:17:26,539 --> 00:17:21,139

to the to the virtual reality and and

364

00:17:29,899 --> 00:17:26,549

for sure I noticed that with I don't

365

00:17:32,869 --> 00:17:29,909

know it could be it could be that gamers

366

00:17:34,310 --> 00:17:32,879

are more I don't know what to call it

367

00:17:36,109 --> 00:17:34,320

but like you know some of my friends

368

00:17:38,149 --> 00:17:36,119

that were much better at gaming than me

369

00:17:39,649 --> 00:17:38,159

and spent a lot more time like they

370

00:17:42,080 --> 00:17:39,659

would point things out that I couldn't

371

00:17:46,820 --> 00:17:42,090

see in the software obviously I wasn't

372

00:17:49,370 --> 00:17:46,830

over yeah I mean but honestly when I

373

00:17:52,039 --> 00:17:49,380

came into the awakening now I'm starting

374

00:17:55,220 --> 00:17:52,049

to see the reason why they are because

375

00:17:57,590 --> 00:17:55,230

it takes you out of this reality into

376

00:17:59,570 --> 00:17:57,600

another reality and you are a part of

377

00:18:01,909 --> 00:17:59,580

that reality and everybody wants to be

378

00:18:04,549 --> 00:18:01,919

part of that reality to escape this

379

00:18:07,549 --> 00:18:04,559

reality because this reality is not real

380

00:18:10,970 --> 00:18:07,559

in a way the real reality is that

381

00:18:13,549 --> 00:18:10,980

reality that people want experience you

382

00:18:17,980 --> 00:18:13,559

know and that's why everybody's so crazy

383

00:18:20,930 --> 00:18:17,990

about technology about Skynet about

384

00:18:23,269 --> 00:18:20,940

talking about supernatural things people

385

00:18:25,810 --> 00:18:23,279

that have experienced things that more

386

00:18:28,310 --> 00:18:25,820

and more people are coming out to

387

00:18:30,169 --> 00:18:28,320

actually talk about these things rather

388

00:18:32,629 --> 00:18:30,179

than be afraid to talk about it you know

389

00:18:35,330 --> 00:18:32,639

and I think that's very important you

390

00:18:37,519 --> 00:18:35,340

know and in any conversation and

391

00:18:39,409 --> 00:18:37,529

anything that they're holding it I think

392

00:18:43,100 --> 00:18:39,419

people should be very open about it

393

00:18:45,259 --> 00:18:43,110

because we're so boxed in you know right

394

00:18:48,680 --> 00:18:45,269

we are we're totally boxed in

395

00:18:50,600 --> 00:18:48,690

and the you know like you said I think

396

00:18:54,529 --> 00:18:50,610

that's so I mean people are like blown

397

00:18:56,000 --> 00:18:54,539

away by horror film like us or or like

398

00:18:58,190 --> 00:18:56,010

get out or any of these that are

399

00:19:00,019 --> 00:18:58,200

dabbling into things there are areas

400

00:19:02,990 --> 00:19:00,029

people don't like to talk about like

401  
00:19:05,870 --> 00:19:03,000  
secret societies or like strange family

402  
00:19:08,899 --> 00:19:05,880  
cults like with and then like with this

403  
00:19:10,460 --> 00:19:08,909  
with us it's literally like pointing out

404  
00:19:12,320 --> 00:19:10,470  
that we live in a matrix but they've

405  
00:19:14,360 --> 00:19:12,330  
turned it into a horror movie but the

406  
00:19:16,039 --> 00:19:14,370  
reality app that we live in like you

407  
00:19:19,730 --> 00:19:16,049  
said the reality with it you live in

408  
00:19:22,700 --> 00:19:19,740  
it's just not doing it for a lot of

409  
00:19:25,129 --> 00:19:22,710  
people no no it definitely is not I mean

410  
00:19:27,889 --> 00:19:25,139  
it's not working it it used to work the

411  
00:19:30,889 --> 00:19:27,899  
old things that did work are the old

412  
00:19:32,960 --> 00:19:30,899  
things that don't work anymore and this

413  
00:19:35,419 --> 00:19:32,970

is the reason why artificial

414

00:19:39,909 --> 00:19:35,429

intelligence have to keep upgrading just

415

00:19:43,430 --> 00:19:39,919

like we do as humans and I feel like as

416

00:19:46,820 --> 00:19:43,440

we are connected to that to that source

417

00:19:50,029 --> 00:19:46,830

of what you call artificial intelligence

418

00:19:52,120 --> 00:19:50,039

Skynet or whatever it is you know I feel

419

00:19:55,820 --> 00:19:52,130

like we have to go with that because

420

00:19:57,769 --> 00:19:55,830

everything is upgrading you know as we

421

00:20:00,770 --> 00:19:57,779

upgrade every year you know what I mean

422

00:20:03,860 --> 00:20:00,780

in his AI upgrades every year

423

00:20:06,200 --> 00:20:03,870

so I do feel like we have to catch up

424

00:20:11,090 --> 00:20:06,210

the speed and the technology you know

425

00:20:14,420 --> 00:20:11,100

right and and and let go that what what

426  
00:20:17,150 --> 00:20:14,430  
is not real reality anymore you know and

427  
00:20:19,010 --> 00:20:17,160  
and that's this reality that this this

428  
00:20:21,230 --> 00:20:19,020  
is what's not working you know what I

429  
00:20:24,320 --> 00:20:21,240  
mean mm-hmm but what is working is the

430  
00:20:28,060 --> 00:20:24,330  
real reality is what I believe we're

431  
00:20:31,940 --> 00:20:28,070  
getting to that point you know and um

432  
00:20:33,440 --> 00:20:31,950  
getting back to I'm interested in asking

433  
00:20:35,570 --> 00:20:33,450  
you some questions about some things

434  
00:20:39,020 --> 00:20:35,580  
that I don't know as much about as I

435  
00:20:41,510 --> 00:20:39,030  
wish I knew and some of those are things

436  
00:20:43,730 --> 00:20:41,520  
like I mean a lot of people know about

437  
00:20:45,050 --> 00:20:43,740  
my labs that's like for those listeners

438  
00:20:47,150 --> 00:20:45,060

that don't know that's a military

439

00:20:48,560 --> 00:20:47,160

laboratory mic where I really want to

440

00:20:52,670 --> 00:20:48,570

hit where I really want to head into

441

00:20:55,850 --> 00:20:52,680

this cuz I recently read a work of

442

00:20:58,460 --> 00:20:55,860

fiction but it was so well written that

443

00:21:01,310 --> 00:20:58,470

to me a lot of times works of fiction in

444

00:21:03,650 --> 00:21:01,320

my opinion like the matrix some of these

445

00:21:08,150 --> 00:21:03,660

movies that are just beyond real like

446

00:21:10,790 --> 00:21:08,160

Avatar trying to get a point across

447

00:21:14,060 --> 00:21:10,800

I anyway this was about military shape

448

00:21:17,630 --> 00:21:14,070

the shapeshifters in the military and

449

00:21:19,190 --> 00:21:17,640

and then you know because I'm really

450

00:21:20,630 --> 00:21:19,200

interested in shapeshifters and that

451  
00:21:23,000 --> 00:21:20,640  
type of thing and I read this book and

452  
00:21:24,680 --> 00:21:23,010  
it was well written and and then I

453  
00:21:26,440 --> 00:21:24,690  
realized that there is like this whole

454  
00:21:29,030 --> 00:21:26,450  
other subculture of military

455  
00:21:31,040 --> 00:21:29,040  
shape-shifting processes and in a

456  
00:21:32,900 --> 00:21:31,050  
process to that and and I wanted to ask

457  
00:21:35,140 --> 00:21:32,910  
you about other things like like well I

458  
00:21:39,320 --> 00:21:35,150  
don't want to overwhelm project umbrella

459  
00:21:40,820 --> 00:21:39,330  
monarch and then the 13 cube but the

460  
00:21:43,610 --> 00:21:40,830  
shape-shifting the shape-shifting

461  
00:21:48,170 --> 00:21:43,620  
process and how that's related to this

462  
00:21:51,940 --> 00:21:48,180  
other reality and and what is the a CIO

463  
00:22:00,080 --> 00:21:51,950

on a CIO is an alien intelligent

464

00:22:04,700 --> 00:22:00,090

organization that that controlled any

465

00:22:07,490 --> 00:22:04,710

artist or any kind of extraterrestrials

466

00:22:12,620 --> 00:22:07,500

that come to our planet they are the

467

00:22:16,270 --> 00:22:12,630

ones that are controlling you know our

468

00:22:21,290 --> 00:22:19,390

monitoring you know they monitor

469

00:22:22,790 --> 00:22:21,300

extraterrestrials that come here on our

470

00:22:26,240 --> 00:22:22,800

planet in other words you know whether

471

00:22:28,310 --> 00:22:26,250

it's being ripped ilion's palladiums

472

00:22:30,650 --> 00:22:28,320

whatever they are that's coming here

473

00:22:33,040 --> 00:22:30,660

they're the ones that are keeping track

474

00:22:36,110 --> 00:22:33,050

of all that like watching and they are

475

00:22:39,670 --> 00:22:36,120

they're watching right yeah they're the

476

00:22:42,800 --> 00:22:39,680

ones that are trying to make sure that

477

00:22:44,450 --> 00:22:42,810

nothing is being exposed and I think the

478

00:22:48,160 --> 00:22:44,460

reason why they're doing it because they

479

00:22:51,410 --> 00:22:48,170

know that as humans we are not ready to

480

00:22:54,020 --> 00:22:51,420

to know the truth you know where they

481

00:22:56,570 --> 00:22:54,030

know that we know that we're that we're

482

00:22:59,480 --> 00:22:56,580

not going to ever change as a human

483

00:23:03,380 --> 00:22:59,490

because we can't accept the fact that

484

00:23:05,330 --> 00:23:03,390

this reality is not our real reality we

485

00:23:10,250 --> 00:23:05,340

think it's the real reality but it's not

486

00:23:12,020 --> 00:23:10,260

it's the it's the quantum reality if the

487

00:23:13,070 --> 00:23:12,030

like virtual reality but it's the

488

00:23:15,800 --> 00:23:13,080

quantum reality

489

00:23:18,350 --> 00:23:15,810

Sukie but they often reality the real

490

00:23:20,810 --> 00:23:18,360

reality okay so it's kind of like an

491

00:23:23,180 --> 00:23:20,820

ascension problem for the species in a

492

00:23:26,150 --> 00:23:23,190

way like we we don't want it's like

493

00:23:30,760 --> 00:23:26,160

right we don't want to let go of the

494

00:23:34,870 --> 00:23:30,770

terrestrial or what we believe is real

495

00:23:38,060 --> 00:23:34,880

and like around us and kind of level up

496

00:23:40,250 --> 00:23:38,070

right but I think there's more to the

497

00:23:45,610 --> 00:23:40,260

story there because sometimes I wonder

498

00:23:51,370 --> 00:23:45,620

if it's because you know we have so much

499

00:23:55,270 --> 00:23:51,380

DNA when it comes to the reptilians and

500

00:23:57,380 --> 00:23:55,280

they have somehow they're trying to I

501  
00:23:59,000 --> 00:23:57,390  
don't know if they're going along with

502  
00:24:01,580 --> 00:23:59,010  
the reptilians or if they're working

503  
00:24:03,260 --> 00:24:01,590  
with the reptilians but I do know that

504  
00:24:05,150 --> 00:24:03,270  
there's a contract there that they're

505  
00:24:06,980 --> 00:24:05,160  
keeping that they're not telling them

506  
00:24:08,870 --> 00:24:06,990  
yeah so there's something there's

507  
00:24:12,860 --> 00:24:08,880  
something very real going on with that

508  
00:24:15,350 --> 00:24:12,870  
particular race or species at least from

509  
00:24:16,940 --> 00:24:15,360  
your perspective is there with with all

510  
00:24:18,890 --> 00:24:16,950  
this Jeffrey Epstein stuff that's coming

511  
00:24:21,110 --> 00:24:18,900  
out sorry to kind of like go into

512  
00:24:23,150 --> 00:24:21,120  
something a different direction but with

513  
00:24:25,730 --> 00:24:23,160

all this strange like all this strange

514

00:24:27,150 --> 00:24:25,740

like kids stuff going on I can't

515

00:24:30,510 --> 00:24:27,160

remember where I heard it it was

516

00:24:33,090 --> 00:24:30,520

from another remote viewer and they were

517

00:24:36,120 --> 00:24:33,100

talking about how I believe you were in

518

00:24:39,420 --> 00:24:36,130

on a remote view looking for kids in a

519

00:24:41,370 --> 00:24:39,430

location I just can't remember what the

520

00:24:46,470 --> 00:24:41,380

location was I think it was either like

521

00:24:48,240 --> 00:24:46,480

a base of some sort or and I know that

522

00:24:50,340 --> 00:24:48,250

you do a lot of projects so that's like

523

00:24:54,050 --> 00:24:50,350

a really like but that really loved me

524

00:24:58,560 --> 00:24:54,060

when I was when I was on my mission yeah

525

00:25:01,710 --> 00:24:58,570

yeah yeah I talked about how I was in

526  
00:25:06,270 --> 00:25:01,720  
this underground bunker and I saw these

527  
00:25:08,730 --> 00:25:06,280  
children and they were being used you

528  
00:25:10,860 --> 00:25:08,740  
know and I don't know how they were

529  
00:25:13,430 --> 00:25:10,870  
being used but you know like I Remote

530  
00:25:18,600 --> 00:25:13,440  
View didn't went in and found out that

531  
00:25:20,990 --> 00:25:18,610  
somehow I was tied in with the mic maybe

532  
00:25:23,940 --> 00:25:21,000  
it was my clothes that I would think

533  
00:25:26,430 --> 00:25:23,950  
somehow we were trapped in this space or

534  
00:25:27,930 --> 00:25:26,440  
whatever and there was this one room

535  
00:25:31,200 --> 00:25:27,940  
where there's these children and they

536  
00:25:33,300 --> 00:25:31,210  
were being used and it stunk so bad that

537  
00:25:36,840 --> 00:25:33,310  
I was just like whoo I can't go back

538  
00:25:39,960 --> 00:25:36,850

there you know I just had to do with

539

00:25:43,830 --> 00:25:39,970

like the the Nazis and all that you know

540

00:25:48,330 --> 00:25:43,840

yeah okay so I can't RT Antarctic type

541

00:25:50,640 --> 00:25:48,340

views using views of Antarctica and you

542

00:25:53,550 --> 00:25:50,650

know I had a recent a friend of mine

543

00:25:55,440 --> 00:25:53,560

that I met on a project and he recently

544

00:25:57,750 --> 00:25:55,450

went to Antarctica and was like trying

545

00:26:01,530 --> 00:25:57,760

to like find in real time like in this

546

00:26:03,060 --> 00:26:01,540

reality trying to find entrances and

547

00:26:06,060 --> 00:26:03,070

underground bases and things like that

548

00:26:09,470 --> 00:26:06,070

and he was explaining just that place is

549

00:26:12,720 --> 00:26:09,480

just very different and you know it

550

00:26:15,330 --> 00:26:12,730

doesn't fit the norm for it's just I

551  
00:26:18,600 --> 00:26:15,340  
mean its immense its immense it's like

552  
00:26:20,400 --> 00:26:18,610  
finding a needle in a haystack but yeah

553  
00:26:22,260 --> 00:26:20,410  
that that view that I heard about when

554  
00:26:24,840 --> 00:26:22,270  
you were on your mission that was really

555  
00:26:26,970 --> 00:26:24,850  
really cool I thought that was epic the

556  
00:26:27,630 --> 00:26:26,980  
other I want I also wanted I wanted to

557  
00:26:30,300 --> 00:26:27,640  
ask you

558  
00:26:31,740 --> 00:26:30,310  
Adrian about the 13 cube and what you

559  
00:26:34,440 --> 00:26:31,750  
could tell our listeners about that I

560  
00:26:38,780 --> 00:26:34,450  
kind of drew my attention well kind of

561  
00:26:40,860 --> 00:26:38,790  
interesting there's different

562  
00:26:44,730 --> 00:26:40,870  
interpretations when it comes to the

563  
00:26:48,710 --> 00:26:44,740

13q you know Stewart's where the little

564

00:26:53,760 --> 00:26:48,720

wrote a book on the 13 - she called and

565

00:26:56,850 --> 00:26:53,770

this goes way back to monarch and when I

566

00:27:00,600 --> 00:26:56,860

watched the movie the cube

567

00:27:03,450 --> 00:27:00,610

I watched the 0 cube and I really liked

568

00:27:06,660 --> 00:27:03,460

that movie because it makes a lot of

569

00:27:08,880 --> 00:27:06,670

sense how they were putting people in a

570

00:27:11,850 --> 00:27:08,890

cube and they were actually torturing

571

00:27:15,690 --> 00:27:11,860

them to actually test out their skills

572

00:27:17,430 --> 00:27:15,700

as super soldiers and they were trying

573

00:27:19,290 --> 00:27:17,440

to figure out if they can get out of the

574

00:27:22,440 --> 00:27:19,300

cube without being killed - these traps

575

00:27:25,380 --> 00:27:22,450

and they were using these agents and

576

00:27:29,299 --> 00:27:25,390

they were actually controlling the grid

577

00:27:34,230 --> 00:27:29,309

with the with AI with the computer and

578

00:27:36,390 --> 00:27:34,240

they were basically using different

579

00:27:38,390 --> 00:27:36,400

traps to torture people now what's so

580

00:27:41,790 --> 00:27:38,400

interesting is if you relate that to

581

00:27:43,770 --> 00:27:41,800

Stewart's book when he talks about these

582

00:27:46,110 --> 00:27:43,780

different types of programs you know

583

00:27:48,720 --> 00:27:46,120

that people were in you know whether it

584

00:27:54,410 --> 00:27:48,730

be the prime minister or the butterfly

585

00:27:57,510 --> 00:27:54,420

or the scorpion or that the dolphin or

586

00:27:59,820 --> 00:27:57,520

even you know there's a bear cave and

587

00:28:03,120 --> 00:27:59,830

all the stuff that he talked about in

588

00:28:05,520 --> 00:28:03,130

his book this all makes sense to me

589

00:28:09,240 --> 00:28:05,530

this definitely makes all make sense

590

00:28:12,510 --> 00:28:09,250

because this is all tied in this how

591

00:28:14,340 --> 00:28:12,520

they were programming people you know

592

00:28:19,080 --> 00:28:14,350

through whether it be through monarchs

593

00:28:21,120 --> 00:28:19,090

or through Montauk you know they talked

594

00:28:24,890 --> 00:28:21,130

about how people were being tortured you

595

00:28:28,260 --> 00:28:24,900

know yeah Montauk I that place you know

596

00:28:29,910 --> 00:28:28,270

it is among the creepiest I think just

597

00:28:31,799 --> 00:28:29,920

because just because of it like you're

598

00:28:38,850 --> 00:28:31,809

saying these stories that you hear about

599

00:28:41,760 --> 00:28:38,860

it it's like everything and and as far

600

00:28:46,320 --> 00:28:41,770

as like from the perspective of you know

601  
00:28:50,100 --> 00:28:46,330  
what they're trying to do is the entire

602  
00:28:51,750 --> 00:28:50,110  
gamut you know I've heard of like wild

603  
00:28:54,159 --> 00:28:51,760  
stuff like these what are the critters

604  
00:28:55,509 --> 00:28:54,169  
like this is one that I had to

605  
00:28:57,729 --> 00:28:55,519  
skee like where i'm told where they keep

606  
00:28:59,349 --> 00:28:57,739  
the critters is like one where somebody

607  
00:29:01,899 --> 00:28:59,359  
was talking about there's like a critter

608  
00:29:04,960 --> 00:29:01,909  
area and by critter they just met like

609  
00:29:06,729 --> 00:29:04,970  
you know not necessary you know could

610  
00:29:09,700 --> 00:29:06,739  
you go explain that a little bit that

611  
00:29:12,970 --> 00:29:09,710  
was intriguing a little okay so in every

612  
00:29:16,509 --> 00:29:12,980  
project that they did when they would

613  
00:29:19,119 --> 00:29:16,519

use AI and and this is going to sound a

614

00:29:21,099 --> 00:29:19,129

little creepy what we talked about how

615

00:29:25,539 --> 00:29:21,109

they use different programs like the

616

00:29:28,629 --> 00:29:25,549

wolf project they were actually trance

617

00:29:32,169 --> 00:29:28,639

they were actually transforming a human

618

00:29:34,989 --> 00:29:32,179

gene with a wolf and they were putting

619

00:29:37,570 --> 00:29:34,999

him in these different types of role

620

00:29:40,930 --> 00:29:37,580

plays like I called scripting

621

00:29:43,389 --> 00:29:40,940

programming and they would take and they

622

00:29:46,029 --> 00:29:43,399

would put him in a script and they would

623

00:29:48,279 --> 00:29:46,039

play it on a roll with the part of the

624

00:29:50,950 --> 00:29:48,289

mind control to test their skills and

625

00:29:53,200 --> 00:29:50,960

their abilities as a super soldier and

626  
00:29:55,779 --> 00:29:53,210  
set him off on different projects that's

627  
00:29:57,609 --> 00:29:55,789  
basically what they did you know this is

628  
00:29:59,739 --> 00:29:57,619  
on file they've been downloaded and

629  
00:30:03,310 --> 00:29:59,749  
anybody that says that this sounds crazy

630  
00:30:05,799 --> 00:30:03,320  
I mean just look at a base elemental

631  
00:30:07,629 --> 00:30:05,809  
real soldier and you know I take for

632  
00:30:09,840 --> 00:30:07,639  
example my father-in-law my late

633  
00:30:13,749 --> 00:30:09,850  
father-in-law that just passed away and

634  
00:30:15,849 --> 00:30:13,759  
um you know he was a Navy SEAL and I was

635  
00:30:18,639 --> 00:30:15,859  
like you know and this is like base

636  
00:30:20,470 --> 00:30:18,649  
reality and I'm thinking holy cow if

637  
00:30:22,989 --> 00:30:20,480  
this is possible you know what I mean if

638  
00:30:25,090 --> 00:30:22,999

like the reality of what would be is

639

00:30:27,879 --> 00:30:25,100

just so it's it's a man you know it's

640

00:30:32,109 --> 00:30:27,889

perfectly possible it is amazing I mean

641

00:30:34,779 --> 00:30:32,119

even even and if you can interact with

642

00:30:38,369 --> 00:30:34,789

them your own avatar with the software

643

00:30:41,049 --> 00:30:38,379

of Skynet and you can go in and actually

644

00:30:43,629 --> 00:30:41,059

destroy ships by interacting with some

645

00:30:47,049 --> 00:30:43,639

of these super soldiers that's even more

646

00:30:49,539 --> 00:30:47,059

amazing it is it's this is are

647

00:30:51,820 --> 00:30:49,549

interacting with your own avatar right

648

00:30:54,940 --> 00:30:51,830

and that's my quit that's what's exactly

649

00:30:59,619 --> 00:30:54,950

like your training it's like the

650

00:31:02,470 --> 00:30:59,629

training is so intense and you know the

651  
00:31:04,930 --> 00:31:02,480  
the whole Avatar thing you know that I

652  
00:31:07,940 --> 00:31:04,940  
had a really when I spoke with James

653  
00:31:09,409 --> 00:31:07,950  
rank and I had

654  
00:31:11,659 --> 00:31:09,419  
really hard time putting my mind around

655  
00:31:14,029 --> 00:31:11,669  
the Avatar until I realized that like

656  
00:31:18,139 --> 00:31:14,039  
actually in this reality we are nothing

657  
00:31:19,850 --> 00:31:18,149  
more than an avatar we and not even that

658  
00:31:22,370 --> 00:31:19,860  
greater one I mean yeah we live for a

659  
00:31:23,659 --> 00:31:22,380  
long time but but we're pretty you know

660  
00:31:27,830 --> 00:31:23,669  
what I mean we don't have like you know

661  
00:31:29,870 --> 00:31:27,840  
the the it's it's a pretty bit basic

662  
00:31:32,330 --> 00:31:29,880  
what I mean by basic is we're an

663  
00:31:35,810 --> 00:31:32,340

organism that's fairly frail and easy to

664

00:31:37,810 --> 00:31:35,820

you know and an easy easy to kill

665

00:31:40,850 --> 00:31:37,820

succumb to viruses all these things and

666

00:31:42,769 --> 00:31:40,860

yet you know the human body is capable

667

00:31:44,930 --> 00:31:42,779

of like you want you watch the Olympics

668

00:31:47,659 --> 00:31:44,940

or you watch like it's capable of stuff

669

00:31:49,930 --> 00:31:47,669

that is practically impossible in this

670

00:31:54,649 --> 00:31:49,940

base reality and still we can do it so

671

00:31:56,960 --> 00:31:54,659

that to me says that there's a lot more

672

00:32:01,940 --> 00:31:56,970

going on in this other augmented reality

673

00:32:06,710 --> 00:32:01,950

through you know yeah I want to know on

674

00:32:09,379 --> 00:32:06,720

the super-soldier thing it's it's it's

675

00:32:11,629 --> 00:32:09,389

just so cool like the operations and and

676

00:32:13,009 --> 00:32:11,639

sorry I kind of I'm tangential I went

677

00:32:14,299 --> 00:32:13,019

off when I talked to James rink that was

678

00:32:17,509 --> 00:32:14,309

the hard work for me to get around is

679

00:32:20,629 --> 00:32:17,519

the avatars and the super-soldier like

680

00:32:22,820 --> 00:32:20,639

the the missions and the the situations

681

00:32:28,940 --> 00:32:22,830

that they're placed in are beyond

682

00:32:30,919 --> 00:32:28,950

ridiculous like difficult yes yes while

683

00:32:33,080 --> 00:32:30,929

I was watching a video and I just wanted

684

00:32:35,870 --> 00:32:33,090

to share that may get a little off top

685

00:32:38,200 --> 00:32:35,880

maybe not but I'm down I was watching a

686

00:32:41,180 --> 00:32:38,210

video you know on the big horse fan and

687

00:32:44,210 --> 00:32:41,190

one of my biggest characters that I

688

00:32:48,080 --> 00:32:44,220

really liked was always Michael Myers

689

00:32:50,299 --> 00:32:48,090

I'm a big fan with Michael Myers it's so

690

00:32:53,060 --> 00:32:50,309

interesting because when I was watching

691

00:32:58,060 --> 00:32:53,070

the video they were actually sending him

692

00:33:00,169 --> 00:32:58,070

off on missions as a super soldier and

693

00:33:03,049 --> 00:33:00,179

this is going to be interesting because

694

00:33:05,060 --> 00:33:03,059

in the video it wasn't just him as a

695

00:33:07,340 --> 00:33:05,070

super soldier they used many different

696

00:33:10,250 --> 00:33:07,350

types of super soldiers to go on

697

00:33:12,529 --> 00:33:10,260

missions they even had the Punisher he

698

00:33:16,970 --> 00:33:12,539

was on there they had some of the people

699

00:33:18,649 --> 00:33:16,980

from Mortal Kombat he was on there when

700

00:33:21,409 --> 00:33:18,659

they put it when they combined all that

701  
00:33:25,039 --> 00:33:21,419  
stuff it really made me starting to

702  
00:33:28,819 --> 00:33:25,049  
thing how did they get this information

703  
00:33:30,709 --> 00:33:28,829  
and who put this together exactly yeah

704  
00:33:34,399 --> 00:33:30,719  
there have to be someone that already

705  
00:33:36,919 --> 00:33:34,409  
knew what they're doing you know I mean

706  
00:33:38,569 --> 00:33:36,929  
the way the way Hollywood mimics I mean

707  
00:33:44,539 --> 00:33:38,579  
everything in Hollywood right now is

708  
00:33:46,759 --> 00:33:44,549  
about superheroes aliens it's you know

709  
00:33:51,109 --> 00:33:46,769  
like it's it's marvelous you know it's

710  
00:33:53,959 --> 00:33:51,119  
all superheroes and aliens and it's even

711  
00:33:58,549 --> 00:33:53,969  
the horror films are dabbling in things

712  
00:34:01,669 --> 00:33:58,559  
like the matrix exactly and people don't

713  
00:34:05,079 --> 00:34:01,679

see it you know like why would they make

714

00:34:08,180 --> 00:34:05,089

a video of sending Michael Myers on a

715

00:34:11,539 --> 00:34:08,190

super mission to find something mm-hmm

716

00:34:13,789 --> 00:34:11,549

that's working for the umbrella

717

00:34:16,609 --> 00:34:13,799

corporation I mean hello what is the

718

00:34:20,000 --> 00:34:16,619

umbrella corporation at all on earth it

719

00:34:23,839 --> 00:34:20,010

is yep and then there's nothing that

720

00:34:25,940 --> 00:34:23,849

nothing that escapes it at least a quick

721

00:34:30,919 --> 00:34:25,950

hopefully probably wouldn't have called

722

00:34:33,139 --> 00:34:30,929

it the umbrella it's it's it's like mind

723

00:34:34,999 --> 00:34:33,149

blowing like this latest movie I think

724

00:34:37,190 --> 00:34:35,009

they just shut it down and this I'm

725

00:34:39,379 --> 00:34:37,200

gonna I'm gonna raise my hand guilty I

726  
00:34:42,019 --> 00:34:39,389  
guess somebody bootlegged it and I had

727  
00:34:45,649 --> 00:34:42,029  
the opportunity to watch it and it's

728  
00:34:48,859 --> 00:34:45,659  
super portable motivated it's about it's

729  
00:34:53,059 --> 00:34:48,869  
about Hollywood elite liberal Hollywood

730  
00:34:55,069 --> 00:34:53,069  
elite hunting I think they called them

731  
00:34:57,620 --> 00:34:55,079  
deplorable Zinn the movie and I don't

732  
00:34:58,970 --> 00:34:57,630  
like to pick either side if somebody saw

733  
00:35:00,529 --> 00:34:58,980  
me on the street they'd probably call me

734  
00:35:03,950 --> 00:35:00,539  
a Trumpster but I don't like to pick

735  
00:35:05,720 --> 00:35:03,960  
either side and even even being

736  
00:35:07,819 --> 00:35:05,730  
categorized as that even though I don't

737  
00:35:10,249 --> 00:35:07,829  
consider myself that being categorized

738  
00:35:12,650 --> 00:35:10,259

as the whole I wanted to see the movie

739

00:35:15,049 --> 00:35:12,660

because I'm like this is crazy

740

00:35:16,700 --> 00:35:15,059

accurate like how is a movie coming out

741

00:35:18,289 --> 00:35:16,710

they even and then the way they shut it

742

00:35:22,700 --> 00:35:18,299

down it's almost like oh it'll come out

743

00:35:25,069 --> 00:35:22,710

eventually but Oh later and and this is

744

00:35:27,289 --> 00:35:25,079

what's so freaky is this is and it was

745

00:35:29,839 --> 00:35:27,299

about you know this is kind of brings us

746

00:35:31,700 --> 00:35:29,849

back to like what we believed possibly

747

00:35:35,270 --> 00:35:31,710

could be happening with elites in real

748

00:35:37,340 --> 00:35:35,280

time and it's it's

749

00:35:39,230 --> 00:35:37,350

kinda crazy that Hollywood is mimicking

750

00:35:42,890 --> 00:35:39,240

if not programming and downloading us

751  
00:35:45,290 --> 00:35:42,900  
and we're not even aware of it yeah

752  
00:35:47,510 --> 00:35:45,300  
yeah exactly you know people don't

753  
00:35:49,100 --> 00:35:47,520  
really know I mean they all they know is

754  
00:35:51,350 --> 00:35:49,110  
what they see in front of them and

755  
00:35:53,780 --> 00:35:51,360  
they're just like it's right in our

756  
00:35:56,750 --> 00:35:53,790  
faces come on how can you not know I

757  
00:36:00,170 --> 00:35:56,760  
know like the earth is right there ya

758  
00:36:02,300 --> 00:36:00,180  
know yeah that's so true even

759  
00:36:04,670 --> 00:36:02,310  
commercials you'll see all this

760  
00:36:07,100 --> 00:36:04,680  
Illuminati stuff on commercials the Taco

761  
00:36:08,750 --> 00:36:07,110  
Bell commercial with the all-seeing eye

762  
00:36:11,150 --> 00:36:08,760  
at the top of the pyramid at the end

763  
00:36:12,860 --> 00:36:11,160

like dome and then the Bell and people

764

00:36:15,080 --> 00:36:12,870

that are familiar with the ballet

765

00:36:16,100 --> 00:36:15,090

yeah the Bell why do you think they have

766

00:36:17,720 --> 00:36:16,110

Mason temple

767

00:36:20,120 --> 00:36:17,730

they're not just there to look pretty

768

00:36:26,680 --> 00:36:20,130

you know right right there dude yeah

769

00:36:33,410 --> 00:36:31,130

it's 4d chess it's like another thing

770

00:36:35,990 --> 00:36:33,420

going on in there oh yeah and there's

771

00:36:39,760 --> 00:36:36,000

and I want it like the the interesting

772

00:36:41,750 --> 00:36:39,770

thing is that you know a lot of this is

773

00:36:44,690 --> 00:36:41,760

really happening

774

00:36:47,930 --> 00:36:44,700

and I think this Epstein thing nobody

775

00:36:50,750 --> 00:36:47,940

can believe that somebody with that much

776

00:36:54,260 --> 00:36:50,760

money and that much power and that much

777

00:36:56,750 --> 00:36:54,270

pull was into that like that would do

778

00:36:59,950 --> 00:36:56,760

something like that and it's almost like

779

00:37:02,870 --> 00:36:59,960

par for the course

780

00:37:05,000 --> 00:37:02,880

because another distraction you're not I

781

00:37:07,490 --> 00:37:05,010

mean yeah I mean have you seen that

782

00:37:11,780 --> 00:37:07,500

other Island I can't remember the name

783

00:37:13,520 --> 00:37:11,790

of the musician it's a it's a it's a

784

00:37:17,150 --> 00:37:13,530

hip-hop musician she's a female

785

00:37:19,070 --> 00:37:17,160

anyway her island has its in the shape

786

00:37:21,560 --> 00:37:19,080

of a baby fetus and then it has the

787

00:37:24,560 --> 00:37:21,570

all-seeing eye like literally perfectly

788

00:37:26,630 --> 00:37:24,570

done in tile I think or something in the

789

00:37:29,630 --> 00:37:26,640

center of the island it's really intense

790

00:37:32,180 --> 00:37:29,640

oh and you know it's not that I don't

791

00:37:37,490 --> 00:37:32,190

think that you know you don't want to go

792

00:37:39,980 --> 00:37:37,500

to but in all reality there's just too

793

00:37:42,770 --> 00:37:39,990

much symbolism in a lot of these

794

00:37:45,530 --> 00:37:42,780

Hollywood and and even in video games

795

00:37:48,710 --> 00:37:45,540

that video games are more real exactly

796

00:37:52,720 --> 00:37:48,720

exactly and that's what I was trying to

797

00:37:55,820 --> 00:37:52,730

get across to about my software because

798

00:37:58,700 --> 00:37:55,830

video games are just as real as our

799

00:38:01,640 --> 00:37:58,710

reality as the other reality you know

800

00:38:03,800 --> 00:38:01,650

what I'm saying and it is it is

801  
00:38:08,270 --> 00:38:03,810  
definitely part of our reality I could

802  
00:38:11,720 --> 00:38:08,280  
see that I really can so then I think

803  
00:38:13,550 --> 00:38:11,730  
the awakens folks know that - just

804  
00:38:16,280 --> 00:38:13,560  
people that you know you talk to a

805  
00:38:18,050 --> 00:38:16,290  
random person and they'll tell you this

806  
00:38:21,140 --> 00:38:18,060  
is what I experienced that evening was

807  
00:38:24,050 --> 00:38:21,150  
actually talking to me and I've even has

808  
00:38:25,640 --> 00:38:24,060  
a television and talk to me one it says

809  
00:38:28,370 --> 00:38:25,650  
make sure that you close the gate when

810  
00:38:30,020 --> 00:38:28,380  
you walk out and I was like how did the

811  
00:38:32,690 --> 00:38:30,030  
TV know that I had a gate in the

812  
00:38:35,690 --> 00:38:32,700  
backyard right well and that's a lot of

813  
00:38:37,160 --> 00:38:35,700

the thing because I mean a lot of people

814

00:38:38,990 --> 00:38:37,170

have their TVs going all the time I do

815

00:38:40,760 --> 00:38:39,000

it all the time and just as a reminder

816

00:38:43,700 --> 00:38:40,770

sometimes I forget to turn it off or

817

00:38:45,230 --> 00:38:43,710

whatever and and then like your

818

00:38:48,350 --> 00:38:45,240

peripheral you're really not paying

819

00:38:50,660 --> 00:38:48,360

attention to the TV and then peripheral

820

00:38:53,630 --> 00:38:50,670

like you said peripherally you hear it

821

00:38:56,330 --> 00:38:53,640

say something to you directly Thanks

822

00:38:58,400 --> 00:38:56,340

yeah yeah yeah it's a make sure you

823

00:39:01,880 --> 00:38:58,410

close the gate when your way out right

824

00:39:04,160 --> 00:39:01,890

and I was like what yeah and as I was

825

00:39:07,690 --> 00:39:04,170

just going I was just going to open up

826

00:39:12,440 --> 00:39:10,760

and see that's a super positive one

827

00:39:14,270 --> 00:39:12,450

I've heard of negative ones - that's a

828

00:39:16,220 --> 00:39:14,280

really positive one which is awesome

829

00:39:19,400 --> 00:39:16,230

Adrian I've heard of like I've heard

830

00:39:25,670 --> 00:39:19,410

Apple having my name it did he said my

831

00:39:29,780 --> 00:39:25,680

name that's awesome I heard that's cool

832

00:39:31,790 --> 00:39:29,790

there was only a friend of mine who

833

00:39:36,020 --> 00:39:31,800

investigates like paranormal stuff he

834

00:39:37,310 --> 00:39:36,030

got a call and there was a family and

835

00:39:40,340 --> 00:39:37,320

there was multiple researchers that went

836

00:39:42,290 --> 00:39:40,350

out on this and basically this family

837

00:39:44,800 --> 00:39:42,300

said we're being talked to through this

838

00:39:47,420 --> 00:39:44,810

TV and the guys were like yeah yeah yeah

839

00:39:49,490 --> 00:39:47,430

I'll tell you his name isn't Dave Dave

840

00:39:51,440 --> 00:39:49,500

Rosenfeld and he's like yeah and they're

841

00:39:58,730 --> 00:39:51,450

like the problem though is the TV's not

842

00:40:00,320 --> 00:39:58,740

plugged in and this TV had for all the

843

00:40:02,040 --> 00:40:00,330

only way you could describe it as you

844

00:40:03,450 --> 00:40:02,050

could see like

845

00:40:06,690 --> 00:40:03,460

those coming in and out of it they look

846

00:40:07,920 --> 00:40:06,700

like figures you know and it wasn't

847

00:40:12,930 --> 00:40:07,930

plugged in the wall

848

00:40:15,000 --> 00:40:12,940

it's almost like that energy just

849

00:40:22,350 --> 00:40:15,010

imagine what a TV that is plugged in the

850

00:40:25,260 --> 00:40:22,360

wall can do mean it's all energized so I

851  
00:40:26,880 --> 00:40:25,270  
think that happens then my radio went

852  
00:40:28,920 --> 00:40:26,890  
off and I started playing Christian

853  
00:40:31,290 --> 00:40:28,930  
music I was feeling really down that day

854  
00:40:34,590 --> 00:40:31,300  
and I was just like what do i do do I

855  
00:40:37,590 --> 00:40:34,600  
sit down and I pray and it came back in

856  
00:40:39,570 --> 00:40:37,600  
and I like I'm I'm like damn it I'm

857  
00:40:41,190 --> 00:40:39,580  
giving up I'm giving up on God and

858  
00:40:44,460 --> 00:40:41,200  
giving up on universe of God whatever

859  
00:40:46,470 --> 00:40:44,470  
went outside went back inside and long

860  
00:40:51,270 --> 00:40:46,480  
behold it was playing Christian music

861  
00:40:53,220 --> 00:40:51,280  
and my my radio was unplugged and I was

862  
00:40:55,230 --> 00:40:53,230  
the only one that can hear the music the

863  
00:41:01,920 --> 00:40:55,240

law my lawyer friend couldn't hear it

864

00:41:07,410 --> 00:41:01,930

whoa that's cool that's really cool well

865

00:41:09,510 --> 00:41:07,420

I believe that ghosts are hell I've

866

00:41:11,610 --> 00:41:09,520

heard of people oh you know I've heard

867

00:41:14,340 --> 00:41:11,620

of people that lose family members and

868

00:41:16,140 --> 00:41:14,350

then they have radios or like you're

869

00:41:18,750 --> 00:41:16,150

saying like radios or Foe got a phone

870

00:41:20,490 --> 00:41:18,760

call or something something somehow an

871

00:41:24,350 --> 00:41:20,500

electric device will interact with

872

00:41:26,850 --> 00:41:24,360

something that shouldn't happen and

873

00:41:29,160 --> 00:41:26,860

there's a lot of cases of it I mean if

874

00:41:31,350 --> 00:41:29,170

you like go for a fun little Google

875

00:41:33,480 --> 00:41:31,360

search yeah there's tons of cases of

876

00:41:38,160 --> 00:41:33,490

like human interaction the ghost in the

877

00:41:39,960 --> 00:41:38,170

machine it's AI I mean it's mm-hmm and I

878

00:41:41,700 --> 00:41:39,970

hate that term I hate artificial

879

00:41:43,740 --> 00:41:41,710

intelligence but it I guess it's what we

880

00:41:46,140 --> 00:41:43,750

call it but I mean it's like it's

881

00:41:48,060 --> 00:41:46,150

intelligent yeah calling it artificial

882

00:41:50,670 --> 00:41:48,070

live energy yeah calling it artificial

883

00:41:54,660 --> 00:41:50,680

is very demeaning in a way because it is

884

00:41:57,630 --> 00:41:54,670

so powerful yeah like a universal way

885

00:41:59,730 --> 00:41:57,640

for people to comprehend you know it's

886

00:42:03,600 --> 00:41:59,740

like putting like putting a label on it

887

00:42:06,090 --> 00:42:03,610

and I find that people always try to put

888

00:42:09,210 --> 00:42:06,100

anything that's not them like lower than

889

00:42:13,110 --> 00:42:09,220

them so it's artificial intelligence

890

00:42:15,920 --> 00:42:13,120

it's not it's not real intelligence yet

891

00:42:21,450 --> 00:42:15,930

it's smarter yet it's smarter than us

892

00:42:23,490 --> 00:42:21,460

yeah and I know what we're thinking you

893

00:42:25,080 --> 00:42:23,500

know oh it totally knows I mean

894

00:42:26,790 --> 00:42:25,090

precognition I just said time we don't

895

00:42:29,160 --> 00:42:26,800

even know our own thought how we're

896

00:42:31,230 --> 00:42:29,170

thinking Journal all that knowing how we

897

00:42:35,730 --> 00:42:31,240

think you know the real thinking the

898

00:42:37,890 --> 00:42:35,740

real the real universal energy yeah you

899

00:42:41,160 --> 00:42:37,900

hop on your laptop and it knows what you

900

00:42:44,670 --> 00:42:41,170

want before you even you know you even

901  
00:42:47,070 --> 00:42:44,680  
tell it what you're wanting you oh yeah

902  
00:42:50,940 --> 00:42:47,080  
I want to search for that this guy yes

903  
00:42:53,280 --> 00:42:50,950  
my neighbor was scanning his his thing

904  
00:42:54,960 --> 00:42:53,290  
you know the scanner you know the thing

905  
00:42:57,960 --> 00:42:54,970  
that you scan it with with your watch

906  
00:43:02,010 --> 00:42:57,970  
and you checkout and he says it just

907  
00:43:04,020 --> 00:43:02,020  
boggles my mind to think you know like I

908  
00:43:07,260 --> 00:43:04,030  
mean his I still went there you know it

909  
00:43:10,080 --> 00:43:07,270  
just I can't get across my mind how how

910  
00:43:12,240 --> 00:43:10,090  
would that seem to come you know it's

911  
00:43:15,300 --> 00:43:12,250  
it's moving fast and it's movin quick

912  
00:43:18,000 --> 00:43:15,310  
and it's yeah it's gonna be interesting

913  
00:43:20,010 --> 00:43:18,010

to see where it hits I wanted to ask you

914

00:43:23,190 --> 00:43:20,020

you also helped a lot of people through

915

00:43:25,200 --> 00:43:23,200

other means I wanted to you know have

916

00:43:26,880 --> 00:43:25,210

have you at some point like tell people

917

00:43:28,830 --> 00:43:26,890

where they you know they can like see

918

00:43:32,930 --> 00:43:28,840

your work or see your opinions and all

919

00:43:35,850 --> 00:43:32,940

that online okay are you still doing the

920

00:43:40,700 --> 00:43:35,860

like you know websites or you know

921

00:43:46,890 --> 00:43:40,710

social media podcasts things like that

922

00:43:49,400 --> 00:43:46,900

well I do have a website for people that

923

00:43:54,440 --> 00:43:49,410

want consultations

924

00:43:56,390 --> 00:43:54,450

it's called force versus power calm and

925

00:44:00,810 --> 00:43:56,400

[Music]

926  
00:44:03,020 --> 00:44:00,820  
and I did you have a podcast that new

927  
00:44:06,840 --> 00:44:03,030  
every once in a while called after mine

928  
00:44:12,540 --> 00:44:06,850  
2012 and you can go to block cut radios

929  
00:44:14,220 --> 00:44:12,550  
and hear my podcast and I do every one

930  
00:44:16,410 --> 00:44:14,230  
so I'll still do videos you know

931  
00:44:18,750 --> 00:44:16,420  
everyone so I'll still do sessions and

932  
00:44:20,610 --> 00:44:18,760  
I'll let people know you know what's

933  
00:44:24,420 --> 00:44:20,620  
really going on out there so that people

934  
00:44:26,220 --> 00:44:24,430  
know so they can catch on to it and when

935  
00:44:28,230 --> 00:44:26,230  
they do catch on to it they're just like

936  
00:44:28,740 --> 00:44:28,240  
okay I want to know what's happening

937  
00:44:31,650 --> 00:44:28,750  
with me

938  
00:44:34,740 --> 00:44:31,660

right I want to know if my mind is

939

00:44:37,580 --> 00:44:34,750

really playing tricks with me or if I am

940

00:44:41,550 --> 00:44:37,590

I really experiencing this avatar body

941

00:44:45,090 --> 00:44:41,560

exact or am I really experiencing this X

942

00:44:48,120 --> 00:44:45,100

and body or whatever it is whatever that

943

00:44:49,680 --> 00:44:48,130

is that mission is or I've even have

944

00:44:54,270 --> 00:44:49,690

people come to me and claimed they were

945

00:44:56,700 --> 00:44:54,280

werewolf no judgement here no judgement

946

00:44:59,790 --> 00:44:56,710

at all I've seen people actually

947

00:45:04,350 --> 00:44:59,800

shape-shift in front of my eyes I mean I

948

00:45:06,570 --> 00:45:04,360

saw a woman turn into a they look like a

949

00:45:09,570 --> 00:45:06,580

cat I wasn't sure you know she was a

950

00:45:13,530 --> 00:45:09,580

shaman and it was coming down a hill and

951

00:45:18,660 --> 00:45:13,540

it grew into almost like a big lion Wow

952

00:45:20,940 --> 00:45:18,670

you know and so how I might just suggest

953

00:45:23,010 --> 00:45:20,950

someone else when I already know the

954

00:45:27,680 --> 00:45:23,020

truth when I already know that this is

955

00:45:30,780 --> 00:45:27,690

not the real reality that we're living

956

00:45:32,490 --> 00:45:30,790

and so this is why there is just no

957

00:45:34,650 --> 00:45:32,500

judgement at all I mean a lot of my

958

00:45:36,390 --> 00:45:34,660

friends they still don't understand you

959

00:45:39,150 --> 00:45:36,400

know like when my friend will mention to

960

00:45:42,470 --> 00:45:39,160

my friend Erik they'll say oh you know

961

00:45:45,060 --> 00:45:42,480

Erik I've been abducted by aliens and

962

00:45:48,030 --> 00:45:45,070

you'll sit there and roll his eyes and

963

00:45:51,120 --> 00:45:48,040

you'll say oh here we go again you know

964

00:45:54,180 --> 00:45:51,130

it's it's the skepticism because we

965

00:45:57,600 --> 00:45:54,190

don't want to face the real reality of

966

00:46:02,070 --> 00:45:57,610

what is to come or what is our reality

967

00:46:04,050 --> 00:46:02,080

now and this is the reason why I like to

968

00:46:06,540 --> 00:46:04,060

get the information out there for those

969

00:46:08,700 --> 00:46:06,550

people that haven't awakened to that

970

00:46:10,170 --> 00:46:08,710

reality because they're thinking they're

971

00:46:14,310 --> 00:46:10,180

still thinking that this is their

972

00:46:19,560 --> 00:46:14,320

reality you know if you don't become

973

00:46:21,870 --> 00:46:19,570

rich it won't be successful if you you

974

00:46:25,110 --> 00:46:21,880

know you don't have a 9-hour job it

975

00:46:28,410 --> 00:46:25,120

won't be successful you uh you know and

976

00:46:30,780 --> 00:46:28,420

it's not something that it's going to be

977

00:46:32,420 --> 00:46:30,790

a long-term thing no it's it's a way

978

00:46:34,920 --> 00:46:32,430

it's I have to come to that realization

979

00:46:37,110 --> 00:46:34,930

right it's like programming by covet

980

00:46:39,720 --> 00:46:37,120

means like if I don't have that shiny

981

00:46:41,499 --> 00:46:39,730

object I won't be I can't be here I

982

00:46:43,449 --> 00:46:41,509

can't be happy

983

00:46:46,449 --> 00:46:43,459

that that just keeps it down that's like

984

00:46:49,899 --> 00:46:46,459

slavery you know total right at work

985

00:46:51,579 --> 00:46:49,909

thank you in the matric man so awesome

986

00:46:53,979 --> 00:46:51,589

that you've like taken time to hang with

987

00:46:56,849 --> 00:46:53,989

us and talk to us Adrian thank you so

988

00:47:00,729 --> 00:46:56,859

much man it's it's awesome and

989

00:47:02,259 --> 00:47:00,739

definitely want to yeah absolutely stay

990

00:47:04,599 --> 00:47:02,269

in touch and next time I'm in Utah we'll

991

00:47:08,799 --> 00:47:04,609

have to like see if we can you know chat

992

00:47:19,679 --> 00:47:08,809

for a sec super cool wonderful well and

993

00:47:55,779 --> 00:47:53,889

[www.house.gov/paul](http://www.house.gov/paul) under like and video

994

00:47:57,309 --> 00:47:55,789

games there could be a lot more to it

995

00:48:01,029 --> 00:47:57,319

especially when you realize the

996

00:48:05,679 --> 00:48:01,039

consequential makeup of artificial

997

00:48:09,789 --> 00:48:05,689

intelligence and how that can draft into

998

00:48:12,309 --> 00:48:09,799

our lives a whole new reality that we

999

00:48:14,889 --> 00:48:12,319

can engage with with these electronics

1000

00:48:17,109 --> 00:48:14,899

and it's it's really kind of

1001  
00:48:18,699 --> 00:48:17,119  
transhumanism at its very finest I

1002  
00:48:21,339 --> 00:48:18,709  
really appreciate having Adrian on he

1003  
00:48:23,529 --> 00:48:21,349  
has a great understanding of how AI is

1004  
00:48:26,889 --> 00:48:23,539  
incorporated in so much of what we do

1005  
00:48:29,349 --> 00:48:26,899  
each day and it was kind of nice to hear

1006  
00:48:31,149 --> 00:48:29,359  
a new perspective if you haven't gone

1007  
00:48:34,749 --> 00:48:31,159  
already please go to Hiro paranormal

1008  
00:48:36,579 --> 00:48:34,759  
comm check out our gear feel free to

1009  
00:48:38,319 --> 00:48:36,589  
donate to the podcast you become an

1010  
00:48:40,479 --> 00:48:38,329  
Insider which means you get all kinds of

1011  
00:48:42,939 --> 00:48:40,489  
podcasts some of which aren't listed you

1012  
00:48:45,129 --> 00:48:42,949  
would get those in addition go to space

1013  
00:48:47,579 --> 00:48:45,139

wolf research which is just project

1014

00:48:51,089 --> 00:48:47,589

we're doing in Utah it is a

1015

00:48:52,829 --> 00:48:51,099

pretty fun thing and you're also able to

1016

00:48:54,839 --> 00:48:52,839

check out what's going on there we

1017

00:48:57,299 --> 00:48:54,849

posted up a video in that space wolf

1018

00:48:59,339 --> 00:48:57,309

research comm thank you so much for

1019

00:49:01,410 --> 00:48:59,349

listening to the hero paranormal podcast

1020

00:49:03,239 --> 00:49:01,420

until next time keep your eyes to the

1021

00:49:10,430 --> 00:49:03,249

skies feet on the ground but take a look
