

UFOparanormal # 23

JOHN EDMONDS

The Stardust Ranch

KILLING ALIENS AND MUCH MORE

1
00:00:06,980 --> 00:00:15,220

[Music]

2
00:00:24,830 --> 00:00:18,740

come blast off in my time machine there

3
00:00:29,089 --> 00:00:24,840

I feel like it needs a blast-off blast

4
00:00:33,640 --> 00:00:29,099

off cut blast off in my solution there I

5
00:00:49,150 --> 00:00:46,110

[Music]

6
00:00:53,200 --> 00:00:49,160

ladies and gentlemen this is Ryan your

7
00:00:54,580 --> 00:00:53,210

host of the hero paranormal podcast I've

8
00:00:57,819 --> 00:00:54,590

been having a lot of people asking me

9
00:01:02,020 --> 00:00:57,829

what the hero paranormal is about what

10
00:01:05,020 --> 00:01:02,030

does hero paranormal stand for well to

11
00:01:08,080 --> 00:01:05,030

put it simply it is the hyper anomalous

12
00:01:12,580 --> 00:01:08,090

esoteric research organization but more

13
00:01:14,680 --> 00:01:12,590

importantly it is the heroes in status

14

00:01:18,400 --> 00:01:14,690

those of the paranormal field or the

15

00:01:22,480 --> 00:01:18,410

fringe of culture who have that hero

16

00:01:25,840 --> 00:01:22,490

status or ability to give tremendous

17

00:01:29,170 --> 00:01:25,850

amounts to the field and tonight we have

18

00:01:30,100 --> 00:01:29,180

in my opinion a very big hero in the

19

00:01:33,120 --> 00:01:30,110

paranormal field

20

00:01:37,450 --> 00:01:33,130

he's a narrow zone a man who has a

21

00:01:39,570 --> 00:01:37,460

paranormal property and being a

22

00:01:42,749 --> 00:01:39,580

paranormal property owner myself I can

23

00:01:47,139 --> 00:01:42,759

attest that it can become very difficult

24

00:01:50,020 --> 00:01:47,149

to not only manage the property and the

25

00:01:55,180 --> 00:01:50,030

opinions expressed by usually the elites

26
00:01:57,010 --> 00:01:55,190
who also seem to have a tendency to want

27
00:02:00,070 --> 00:01:57,020
to collect these paranormal properties

28
00:02:03,760 --> 00:02:00,080
and do research on them of course but

29
00:02:07,809 --> 00:02:03,770
the field in general

30
00:02:11,620 --> 00:02:07,819
ufology cryptozoology and the paranormal

31
00:02:14,530 --> 00:02:11,630
field has a tendency to attack those who

32
00:02:19,300 --> 00:02:14,540
have had experiences that are beyond the

33
00:02:22,300 --> 00:02:19,310
norm or hero status and that's the case

34
00:02:27,660 --> 00:02:22,310
with with a lot of individuals now the

35
00:02:30,160 --> 00:02:27,670
individual today is quite amazing and he

36
00:02:32,040 --> 00:02:30,170
well he's the owner of the Stardust

37
00:02:36,630 --> 00:02:32,050
Ranch in rainbow valley about an

38
00:02:39,300 --> 00:02:36,640

west of Phoenix and he has dealt with

39

00:02:43,190 --> 00:02:39,310

harassment constantly and he's a very

40

00:02:47,390 --> 00:02:43,200

well-grounded individual and he has

41

00:02:50,670 --> 00:02:47,400

endured a barrage of activity much like

42

00:02:54,110 --> 00:02:50,680

other ranches with similar paranormal

43

00:02:57,270 --> 00:02:54,120

attributes a few come to mind the

44

00:03:00,240 --> 00:02:57,280

Bradshaw ranch also in Arizona Arizona

45

00:03:04,260 --> 00:03:00,250

is quite the hotspot and my hat is off

46

00:03:05,760 --> 00:03:04,270

to the individuals who go to Arizona in

47

00:03:09,390 --> 00:03:05,770

search of research one of those

48

00:03:12,030 --> 00:03:09,400

individuals is Nathan : Shaw Nathan is

49

00:03:16,890 --> 00:03:12,040

most well known for being the founder of

50

00:03:18,840 --> 00:03:16,900

the Utah UFO fest a wonderful get

51
00:03:22,200 --> 00:03:18,850
together in a beautiful part of the

52
00:03:24,060 --> 00:03:22,210
state Cedar City Utah and he's done an

53
00:03:26,700 --> 00:03:24,070
amazing job at gathering people with

54
00:03:31,170 --> 00:03:26,710
similar interest to speak about things

55
00:03:33,960 --> 00:03:31,180
that are usually not acceptable and hats

56
00:03:36,510 --> 00:03:33,970
off to Nathan Nathan's not only limited

57
00:03:39,000 --> 00:03:36,520
at that he's trying to do the same thing

58
00:03:40,740 --> 00:03:39,010
in Arizona and I hope he has all the

59
00:03:44,280 --> 00:03:40,750
support that he can possibly have I know

60
00:03:49,380 --> 00:03:44,290
he's got mine and with Arizona there is

61
00:03:52,890 --> 00:03:49,390
just a multitude of energies and extreme

62
00:03:54,840 --> 00:03:52,900
locations where these type of things

63
00:03:57,680 --> 00:03:54,850

have the ability to come into our

64

00:04:01,230 --> 00:03:57,690
dimension and interact in a very

65

00:04:05,160 --> 00:04:01,240
different way and then is usually the

66

00:04:07,860 --> 00:04:05,170
case now the property that mr. John

67

00:04:10,620 --> 00:04:07,870
Edmonds owns the Stardust ranch

68

00:04:13,199 --> 00:04:10,630
it's been featured on you name it Ghost

69

00:04:15,970 --> 00:04:13,209
Adventures the Travel Channel

70

00:04:20,979 --> 00:04:15,980
it's got international acclaim at this

71

00:04:24,280 --> 00:04:20,989
point and well it's not old news as John

72

00:04:29,110 --> 00:04:24,290
has told me there are some new things

73

00:04:32,260 --> 00:04:29,120
going on and John would know on another

74

00:04:34,840 --> 00:04:32,270
note I would like to well explain why I

75

00:04:37,510 --> 00:04:34,850
haven't done a podcast at least a free

76

00:04:40,000 --> 00:04:37,520

podcast I've done some patron only

77

00:04:42,730 --> 00:04:40,010

podcasts but I haven't done a free

78

00:04:44,140 --> 00:04:42,740

podcast and well it's been a minute at

79

00:04:45,850 --> 00:04:44,150

least a couple of weeks a little over

80

00:04:49,150 --> 00:04:45,860

that and that's because well there's

81

00:04:55,540 --> 00:04:49,160

been a lot going on I had a trip to Utah

82

00:04:59,409 --> 00:04:55,550

I had a trip to Texas and I also well

83

00:05:03,670 --> 00:04:59,419

went to the storm area51 event to get a

84

00:05:05,980 --> 00:05:03,680

very real and in my opinion honest look

85

00:05:08,200 --> 00:05:05,990

at what's going on and it's surrounded

86

00:05:09,969 --> 00:05:08,210

by a lot of controversy and that's

87

00:05:12,700 --> 00:05:09,979

unfortunate because I think it was a big

88

00:05:15,100 --> 00:05:12,710

win much like the original Burning Man

89

00:05:19,719 --> 00:05:15,110

who only had oh I don't know eight

90

00:05:22,570 --> 00:05:19,729

people show up it was a win because you

91

00:05:25,060 --> 00:05:22,580

have people of like mind like attitude

92

00:05:27,850 --> 00:05:25,070

just overall great folks I didn't run

93

00:05:30,040 --> 00:05:27,860

into one person I didn't like and really

94

00:05:33,250 --> 00:05:30,050

there was nothing no drama to speak of I

95

00:05:35,590 --> 00:05:33,260

think one person happened to alleviate

96

00:05:37,719 --> 00:05:35,600

themselves in public even though it's

97

00:05:39,450 --> 00:05:37,729

far from public it's quite out there in

98

00:05:42,190 --> 00:05:39,460

the middle of nowhere but that was the

99

00:05:44,440 --> 00:05:42,200

that's that's that's the story that the

100

00:05:47,920 --> 00:05:44,450

nation God is Oh somebody was arrested

101
00:05:52,990 --> 00:05:47,930
well that's true there was probably just

102
00:05:55,540 --> 00:05:53,000
as many officers and personnel as there

103
00:05:57,909 --> 00:05:55,550
were individuals there by the looks of

104
00:05:59,980 --> 00:05:57,919
it which is good the emergency personnel

105
00:06:01,960 --> 00:05:59,990
were there for a good reason it's a

106
00:06:05,140 --> 00:06:01,970
location that's very difficult to

107
00:06:07,540 --> 00:06:05,150
withstand to just the heat lack of water

108
00:06:10,900 --> 00:06:07,550
lack of services and I think everybody

109
00:06:13,650 --> 00:06:10,910
did a good job and I think it's getting

110
00:06:16,719 --> 00:06:13,660
a bum rap so don't don't let that

111
00:06:19,150 --> 00:06:16,729
narrative discourage you from going in

112
00:06:19,719 --> 00:06:19,160
the future is it for everybody

113
00:06:22,659 --> 00:06:19,729

absolutely

114

00:06:25,600 --> 00:06:22,669

not was it for me I don't know I was

115

00:06:27,909 --> 00:06:25,610

there the day before the storm area went

116

00:06:30,519 --> 00:06:27,919

51 events so I can't actually speak as

117

00:06:32,679 --> 00:06:30,529

far as the storm itself but I'll tell

118

00:06:36,450 --> 00:06:32,689

you the calm before the storm was just

119

00:06:40,089 --> 00:06:36,460

amazing great people Paul Oakenfold

120

00:06:41,950 --> 00:06:40,099

showed up and did a concert and that I'm

121

00:06:43,839 --> 00:06:41,960

aware I believe it was free that kind of

122

00:06:45,939 --> 00:06:43,849

gives you the idea of what kind of

123

00:06:49,869 --> 00:06:45,949

people were dealing with quality

124

00:06:53,889 --> 00:06:49,879

individuals we also had George Knapp was

125

00:06:55,239 --> 00:06:53,899

there and Jeremy Korbelt and it seems

126

00:06:58,450 --> 00:06:55,249

like they're always there when it's a

127

00:07:02,409 --> 00:06:58,460

grassroots type of a event to support

128

00:07:06,339 --> 00:07:02,419

the public and to basically disclose

129

00:07:08,829 --> 00:07:06,349

what it is they know and help out in any

130

00:07:10,510 --> 00:07:08,839

way shape or form that they can and

131

00:07:12,730 --> 00:07:10,520

there were other individuals that were

132

00:07:16,320 --> 00:07:12,740

there as well and Dave Rosenfeld you may

133

00:07:18,700 --> 00:07:16,330

know him from the Utah UFO hunters and I

134

00:07:20,409 --> 00:07:18,710

saw a lot of other individuals who I

135

00:07:23,290 --> 00:07:20,419

have a lot of respect for including Nick

136

00:07:26,139 --> 00:07:23,300

Pope and many others too many too many

137

00:07:28,209 --> 00:07:26,149

dimension to be honest but it was very

138

00:07:30,749 --> 00:07:28,219

nice to just see so many people if

139

00:07:34,239 --> 00:07:30,759

you're into this sort of thing you know

140

00:07:37,329 --> 00:07:34,249

taking some time to get away in a place

141

00:07:39,010 --> 00:07:37,339

that is magical to them and to enjoy

142

00:07:42,399 --> 00:07:39,020

each other's company that's really all I

143

00:07:44,709 --> 00:07:42,409

saw now I left before things I guess got

144

00:07:46,869 --> 00:07:44,719

a little bit hectic but it sounds to me

145

00:07:49,689 --> 00:07:46,879

like it was a big one in and my hats off

146

00:07:51,670 --> 00:07:49,699

to Jeremy Korbelt to George Knapp and to

147

00:07:54,639 --> 00:07:51,680

all those who took the time and the

148

00:07:55,929 --> 00:07:54,649

effort to go out and actually put their

149

00:07:57,939 --> 00:07:55,939

money where their mouth is there's

150

00:08:00,610 --> 00:07:57,949

there's many people who talk a mean game

151
00:08:04,389 --> 00:08:00,620
but they never show up and armchair

152
00:08:06,369 --> 00:08:04,399
research is great I on doing a lot of it

153
00:08:07,899 --> 00:08:06,379
in my retirement but I'm nowhere close

154
00:08:11,199 --> 00:08:07,909
to being retired and I don't plan on

155
00:08:15,129 --> 00:08:11,209
doing it anytime soon so while these old

156
00:08:16,929 --> 00:08:15,139
legs of mine keep working and I can

157
00:08:17,439 --> 00:08:16,939
still get out there and have a good time

158
00:08:19,600 --> 00:08:17,449
with P

159
00:08:23,170 --> 00:08:19,610
people who believe that possibilities

160
00:08:24,939 --> 00:08:23,180
are much greater than the majority of

161
00:08:27,249 --> 00:08:24,949
the public believe well I'll take my

162
00:08:29,739 --> 00:08:27,259
I'll take my chances with those folks I

163
00:08:31,209 --> 00:08:29,749

mean really good people so to everyone

164

00:08:32,740 --> 00:08:31,219

that went out there great thanks to

165

00:08:34,360 --> 00:08:32,750

everybody that didn't I guess I should

166

00:08:36,790 --> 00:08:34,370

give you a great thanks too because much

167

00:08:39,009 --> 00:08:36,800

like Burning Man which I haven't ever

168

00:08:42,490 --> 00:08:39,019

gone but I've heard it started very

169

00:08:44,170 --> 00:08:42,500

small I believe you know and and the

170

00:08:46,240 --> 00:08:44,180

nice thing is you talk to people that go

171

00:08:48,519 --> 00:08:46,250

now and they say gosh I wish I wish it

172

00:08:51,910 --> 00:08:48,529

was the way it used to be I wish it was

173

00:08:56,230 --> 00:08:51,920

still small and you know it's huge now

174

00:08:58,750 --> 00:08:56,240

so I felt very blessed to be there on

175

00:08:59,829 --> 00:08:58,760

the first event of that type and I

176

00:09:02,170 --> 00:08:59,839

believe they're just going to be very

177

00:09:06,250 --> 00:09:02,180

many more and it would be a yearly thing

178

00:09:09,250 --> 00:09:06,260

and yeah it definitely caught national

179

00:09:11,910 --> 00:09:09,260

attention I guess I guess the reality of

180

00:09:16,420 --> 00:09:11,920

the public not accepting the narrative

181

00:09:17,889 --> 00:09:16,430

that has been spoon-fed to them is it's

182

00:09:19,480 --> 00:09:17,899

starting to wear a little bit thin and

183

00:09:21,790 --> 00:09:19,490

people know that there's there's more

184

00:09:23,620 --> 00:09:21,800

going on whatever that is and a lot of

185

00:09:27,189 --> 00:09:23,630

that has to do with your own perception

186

00:09:28,930 --> 00:09:27,199

so my perception was it was a great time

187

00:09:33,430 --> 00:09:28,940

so if you know people that went don't

188

00:09:35,860 --> 00:09:33,440

give them a hard time and something I

189

00:09:38,980 --> 00:09:35,870

should mention we are still plugging

190

00:09:40,840 --> 00:09:38,990

forward with podcasts we are doing our

191

00:09:43,420 --> 00:09:40,850

best to bring you the heroes of the

192

00:09:46,050 --> 00:09:43,430

paranormal bringing you everything the

193

00:09:49,480 --> 00:09:46,060

hyper anomalous esoteric research

194

00:09:51,430 --> 00:09:49,490

organization can gather and there's many

195

00:09:55,710 --> 00:09:51,440

facets that are involved here we

196

00:09:59,590 --> 00:09:55,720

recently did some research with a group

197

00:10:02,230 --> 00:09:59,600

from all over all over the country from

198

00:10:04,840 --> 00:10:02,240

Europe and others and we were involved

199

00:10:06,759 --> 00:10:04,850

with a project call space wolf research

200

00:10:08,769 --> 00:10:06,769

which is really just a little tiny ranch

201
00:10:10,689 --> 00:10:08,779
where we're looking at the sky and

202
00:10:14,860 --> 00:10:10,699
trying to interact with much of the same

203
00:10:18,910 --> 00:10:14,870
type of phenomena that others such as

204
00:10:21,220 --> 00:10:18,920
mr. John Edmonds I have to take my hats

205
00:10:25,250 --> 00:10:21,230
off to II SETI

206
00:10:27,620 --> 00:10:25,260
Gilliland ranch there's there's too many

207
00:10:29,600 --> 00:10:27,630
dimension and the more there are the

208
00:10:32,090 --> 00:10:29,610
better in my opinion because this is not

209
00:10:34,580 --> 00:10:32,100
something that should be held by a

210
00:10:37,430 --> 00:10:34,590
select few this is something that is for

211
00:10:41,300 --> 00:10:37,440
all of us and the more of us are out

212
00:10:44,000 --> 00:10:41,310
there trying to make it happen I don't

213
00:10:46,280 --> 00:10:44,010

think that's a bad thing so let's stay

214

00:10:46,940 --> 00:10:46,290

positive and keep our eyes to the skies

215

00:10:50,240 --> 00:10:46,950

right

216

00:10:52,550 --> 00:10:50,250

on another note please support hero

217

00:10:55,640 --> 00:10:52,560

paranormal podcast in any way you can go

218

00:10:58,520 --> 00:10:55,650

to hero paranormal comm and there you

219

00:11:00,950 --> 00:10:58,530

can become a patron and you can get

220

00:11:03,050 --> 00:11:00,960

those patron only episodes and no one

221

00:11:05,360 --> 00:11:03,060

else can hear you also get special

222

00:11:06,950 --> 00:11:05,370

content and we're working on a bunch of

223

00:11:08,960 --> 00:11:06,960

other things that we can bring you also

224

00:11:11,150 --> 00:11:08,970

stop by the hero paranormal store or

225

00:11:12,500 --> 00:11:11,160

pick up a hat a t-shirt whatever it is

226

00:11:14,450 --> 00:11:12,510

just kind of showing your true colors

227

00:11:16,850 --> 00:11:14,460

and that you are interested in this type

228

00:11:19,880 --> 00:11:16,860

of thing also if you don't want to be a

229

00:11:22,340 --> 00:11:19,890

patron no big deal you can donate as

230

00:11:24,050 --> 00:11:22,350

little as a dollar and you can only do

231

00:11:26,390 --> 00:11:24,060

it once if you want you can do one-time

232

00:11:28,820 --> 00:11:26,400

donations don't be scared by that donate

233

00:11:31,100 --> 00:11:28,830

button they will say you know recurring

234

00:11:33,980 --> 00:11:31,110

payment not a big deal you hit the

235

00:11:36,560 --> 00:11:33,990

button you make a one-time donation of 1

236

00:11:38,270 --> 00:11:36,570

5 10 dollars and it's not recurring you

237

00:11:40,070 --> 00:11:38,280

just go back in to manage account you

238

00:11:42,200 --> 00:11:40,080

hit stop recurring payment and you just

239

00:11:45,110 --> 00:11:42,210

donated once which I am truly thankful

240

00:11:47,630 --> 00:11:45,120

for it's hard to pay for all these

241

00:11:49,640 --> 00:11:47,640

things and I never believed it what's

242

00:11:52,310 --> 00:11:49,650

expensive as it is but you know it's

243

00:11:53,570 --> 00:11:52,320

worth it and I will continue to do it as

244

00:11:59,030 --> 00:11:53,580

long as I'm physically and financially

245

00:12:01,220 --> 00:11:59,040

able also stop by our partner sites like

246

00:12:05,450 --> 00:12:01,230

the Utah UFO hunters

247

00:12:08,240 --> 00:12:05,460

that's a great great site ran by alien

248

00:12:10,460 --> 00:12:08,250

Dave Rosenfeld true veteran in the field

249

00:12:12,950 --> 00:12:10,470

he's come under a lot of scrutiny lately

250

00:12:14,780 --> 00:12:12,960

and some of all of us here in Utah

251
00:12:17,560 --> 00:12:14,790
there's been there's been some movements

252
00:12:19,850 --> 00:12:17,570
towards really just kind of

253
00:12:22,280 --> 00:12:19,860
going after anybody that came before

254
00:12:24,949 --> 00:12:22,290
them and trying to blaze their own Trail

255
00:12:28,250 --> 00:12:24,959
and pretend like they came up with all

256
00:12:30,019 --> 00:12:28,260
the answers well they didn't and we

257
00:12:32,030 --> 00:12:30,029
didn't either you gotta pass the baton

258
00:12:35,269 --> 00:12:32,040
and be open-minded and research is

259
00:12:37,100 --> 00:12:35,279
supposed to be a community effort so in

260
00:12:39,530 --> 00:12:37,110
your own community get involved with

261
00:12:41,870 --> 00:12:39,540
these types of research organizations

262
00:12:45,949 --> 00:12:41,880
and support them do the same for other

263
00:12:48,650 --> 00:12:45,959

podcasts I my hat goes off to the higher

264

00:12:50,750 --> 00:12:48,660

side chats and mr. great Carl wood it

265

00:12:53,570 --> 00:12:50,760

was his inspiration really that got me

266

00:12:55,610 --> 00:12:53,580

doing anything at all and the reason is

267

00:12:59,240 --> 00:12:55,620

you know the more we are able to

268

00:13:02,060 --> 00:12:59,250

document and keep a recorded history

269

00:13:03,920 --> 00:13:02,070

whether audio or otherwise written

270

00:13:07,010 --> 00:13:03,930

whatever the case may be it's very

271

00:13:09,170 --> 00:13:07,020

important because these are things that

272

00:13:12,740 --> 00:13:09,180

traditionally were only spoken by mouths

273

00:13:15,560 --> 00:13:12,750

and then lost and thus comes the

274

00:13:18,170 --> 00:13:15,570

disbelief well mr. gray Carl Wood has

275

00:13:20,060 --> 00:13:18,180

blazed the path for a phenomenal amount

276

00:13:21,350 --> 00:13:20,070

of podcasts in my opinion I'm not gonna

277

00:13:23,449 --> 00:13:21,360

speak for others but I know he

278

00:13:25,190 --> 00:13:23,459

definitely inspired me and so definitely

279

00:13:28,400 --> 00:13:25,200

if you have a chance go to the higher

280

00:13:30,290 --> 00:13:28,410

side chats and donate there become a

281

00:13:34,250 --> 00:13:30,300

patron of that they have the higher side

282

00:13:35,750 --> 00:13:34,260

chats plus it's an epic epic podcast in

283

00:13:39,769 --> 00:13:35,760

all honesty I think it's the best in the

284

00:13:40,730 --> 00:13:39,779

game but we're gonna do our best and I

285

00:13:42,740 --> 00:13:40,740

know that there's a lot of others that

286

00:13:46,340 --> 00:13:42,750

are doing their best and

287

00:13:49,730 --> 00:13:46,350

people like him are very hard to come by

288

00:13:52,550 --> 00:13:49,740

they are true heroes as well in addition

289

00:13:53,300 --> 00:13:52,560

if you're interested in things that go

290

00:13:55,519 --> 00:13:53,310

bump in the night

291

00:13:58,220 --> 00:13:55,529

and research projects that allow the

292

00:14:00,740 --> 00:13:58,230

best of the best researchers to get

293

00:14:02,990 --> 00:14:00,750

their opinions and possibly interact

294

00:14:05,480 --> 00:14:03,000

with phenomena in locations that are not

295

00:14:09,879 --> 00:14:05,490

typically accessible go to space wolf

296

00:14:13,009 --> 00:14:09,889

research calm it is a small but very

297

00:14:15,920 --> 00:14:13,019

honest research organization that is

298

00:14:19,519 --> 00:14:15,930

continually trying to get to the bottom

299

00:14:22,309 --> 00:14:19,529

of not the answer of but get to the

300

00:14:24,110 --> 00:14:22,319

bottom of the rabbit hole we want to

301
00:14:25,850 --> 00:14:24,120
experience it all see it all and we're

302
00:14:27,889 --> 00:14:25,860
doing so with unconventional methods

303
00:14:29,569 --> 00:14:27,899
well methods that haven't been used

304
00:14:32,569 --> 00:14:29,579
before so we're trying to do our part

305
00:14:35,900 --> 00:14:32,579
and hopefully if we are able to give a

306
00:14:39,559 --> 00:14:35,910
little something that means a big deal

307
00:14:42,100 --> 00:14:39,569
to me and on to our guests mr. John

308
00:14:45,139 --> 00:14:42,110
Edmunds his property has been featured

309
00:14:47,929 --> 00:14:45,149
internationally it holds secrets to what

310
00:14:50,809 --> 00:14:47,939
I believe are the answers to our very

311
00:14:51,439 --> 00:14:50,819
existence and what else exists in this

312
00:14:54,980 --> 00:14:51,449
universe

313
00:14:56,749 --> 00:14:54,990

John Edmunds is a fantastic individual

314

00:14:59,329 --> 00:14:56,759

and I couldn't be more honored that he's

315

00:15:01,939 --> 00:14:59,339

on this podcast please also support John

316

00:15:05,360 --> 00:15:01,949

and anything that he does so let's get

317

00:15:08,090 --> 00:15:05,370

to John Edmunds and the mysteries of the

318

00:15:12,679 --> 00:15:08,100

Stardust ranch and see what's new and

319

00:15:19,280 --> 00:15:12,689

what's happening now hello John how are

320

00:15:22,819 --> 00:15:19,290

you doing well I am so excited to chat

321

00:15:25,100 --> 00:15:22,829

with you today I am ecstatic to hear

322

00:15:28,129 --> 00:15:25,110

that there there may be some new

323

00:15:30,499 --> 00:15:28,139

developments at the Stardust ranch I I

324

00:15:33,139 --> 00:15:30,509

know that a lot of people are aware you

325

00:15:35,660 --> 00:15:33,149

you've your property is has had

326

00:15:37,249 --> 00:15:35,670

international acclaim if it's kind of

327

00:15:40,369 --> 00:15:37,259

like if people don't know about it

328

00:15:43,009 --> 00:15:40,379

they're probably not too involved with

329

00:15:45,290 --> 00:15:43,019

the paranormal but could you kind of

330

00:15:47,660 --> 00:15:45,300

give us for those that don't know

331

00:15:49,280 --> 00:15:47,670

because it there is a pretty big

332

00:15:50,900 --> 00:15:49,290

audience you never know it could you

333

00:15:54,740 --> 00:15:50,910

give us a little bit of background and

334

00:15:55,070 --> 00:15:54,750

history and your experiences on on your

335

00:15:58,190 --> 00:15:55,080

magic

336

00:16:03,800 --> 00:15:58,200

property sir well I don't know about it

337

00:16:05,210 --> 00:16:03,810

being magical it's more like infamous we

338

00:16:10,250 --> 00:16:05,220

bought the ranch

339

00:16:13,460 --> 00:16:10,260

in 1996 moved in June 1st of the same

340

00:16:15,050 --> 00:16:13,470

year thinking that we bought a good

341

00:16:18,410 --> 00:16:15,060

horse property out in the middle of

342

00:16:21,980 --> 00:16:18,420

nowhere about 40 45 miles southwest of

343

00:16:24,410 --> 00:16:21,990

Phoenix Arizona and you know the idea

344

00:16:27,170 --> 00:16:24,420

was to just kind of take this property

345

00:16:30,860 --> 00:16:27,180

and turn it into a nice show property

346

00:16:31,850 --> 00:16:30,870

and rescue horses and turn around and

347

00:16:36,350 --> 00:16:31,860

train the horses

348

00:16:40,070 --> 00:16:36,360

and use them for f-fine therapy with our

349

00:16:43,490 --> 00:16:40,080

veterans and with kids that were not

350

00:16:46,370 --> 00:16:43,500

able to do therapy in a traditional way

351
00:16:48,020 --> 00:16:46,380
you know in an office someplace and to

352
00:16:50,570 --> 00:16:48,030
help women that were survivors of

353
00:16:53,570 --> 00:16:50,580
domestic violence both my wife and I

354
00:16:56,990 --> 00:16:53,580
have backgrounds extensive backgrounds

355
00:16:59,330 --> 00:16:57,000
in providing therapy and counseling and

356
00:17:02,480 --> 00:16:59,340
doing work you know with all those

357
00:17:04,760 --> 00:17:02,490
populations and you know I was trying to

358
00:17:08,090 --> 00:17:04,770
kind of combine my love of horses with

359
00:17:10,070 --> 00:17:08,100
my love was trying to help people that

360
00:17:13,430 --> 00:17:10,080
are trying to recover from you know

361
00:17:15,790 --> 00:17:13,440
tough positions in life and you know

362
00:17:18,439 --> 00:17:15,800
different experiences that they've had

363
00:17:19,640 --> 00:17:18,449

unfortunately it turned out to be just

364

00:17:23,150 --> 00:17:19,650

about anything but that

365

00:17:24,620 --> 00:17:23,160

we found out after we moved in and after

366

00:17:27,650 --> 00:17:24,630

we've been here for a little bit that

367

00:17:31,640 --> 00:17:27,660

the property was smack dab in the middle

368

00:17:35,390 --> 00:17:31,650

of UFO Central and that it was being

369

00:17:39,230 --> 00:17:35,400

visited by ETS from various different

370

00:17:40,130 --> 00:17:39,240

parts of the universe and that we were

371

00:17:42,320 --> 00:17:40,140

not wanted here

372

00:17:44,510 --> 00:17:42,330

and that we were going to have to fight

373

00:17:46,880 --> 00:17:44,520

for everything that we had and that it

374

00:17:50,030 --> 00:17:46,890

was going to be the battle and sort of

375

00:17:53,060 --> 00:17:50,040

an epic battle for as long as we held

376

00:17:55,100 --> 00:17:53,070

the property now it's been 25 years I've

377

00:17:57,890 --> 00:17:55,110

killed 19 grades that have been here on

378

00:17:59,690 --> 00:17:57,900

the properties that have me every

379

00:18:04,150 --> 00:17:59,700

which way there was try to get rid of us

380

00:18:08,870 --> 00:18:04,160

and so on and so forth it's it's been

381

00:18:11,450 --> 00:18:08,880

the most trying experience of my life

382

00:18:14,210 --> 00:18:11,460

and I had plenty of them and at the same

383

00:18:16,640 --> 00:18:14,220

time it's just been unbelievable you

384

00:18:18,740 --> 00:18:16,650

know my wife and I are grounded in you

385

00:18:21,860 --> 00:18:18,750

know mental health and my wife worked

386

00:18:23,360 --> 00:18:21,870

for the FBI as well and you know so the

387

00:18:25,640 --> 00:18:23,370

last thing in the world we ever thought

388

00:18:27,830 --> 00:18:25,650

we were ever going to encounter was

389

00:18:31,130 --> 00:18:27,840

anything from you know off-planet

390

00:18:32,960 --> 00:18:31,140

and you know we've just struggled all

391

00:18:35,870 --> 00:18:32,970

these years to try to hold the property

392

00:18:38,140 --> 00:18:35,880

and trying to figure out you know how to

393

00:18:40,850 --> 00:18:38,150

deal with it

394

00:18:42,350 --> 00:18:40,860

fascinating John it's it's interesting

395

00:18:44,210 --> 00:18:42,360

and I don't want it I don't want to draw

396

00:18:46,400 --> 00:18:44,220

correlations to other paranormal

397

00:18:49,250 --> 00:18:46,410

properties which there's many in Arizona

398

00:18:52,010 --> 00:18:49,260

as you're aware there's also some in

399

00:18:54,710 --> 00:18:52,020

Utah and and I'm reminded you know that

400

00:18:58,880 --> 00:18:54,720

that 1996 date reminds me of the old

401

00:19:02,150 --> 00:18:58,890

Sherman ranch there in Utah and I'm

402

00:19:04,130 --> 00:19:02,160

wondering I'm very interested because it

403

00:19:07,250 --> 00:19:04,140

seems like you know you had such an

404

00:19:09,890 --> 00:19:07,260

altruistic direction for your property

405

00:19:14,450 --> 00:19:09,900

you know the equine therapy veterans and

406

00:19:16,310 --> 00:19:14,460

kids and having the backgrounds you do

407

00:19:18,230 --> 00:19:16,320

with yourself and your wife I mean

408

00:19:20,450 --> 00:19:18,240

having work for the FBI she did and and

409

00:19:22,570 --> 00:19:20,460

I I've noticed this with other

410

00:19:25,520 --> 00:19:22,580

individuals who work with the you know

411

00:19:27,050 --> 00:19:25,530

mental health and and people that are

412

00:19:29,090 --> 00:19:27,060

really just trying to do the right thing

413

00:19:32,630 --> 00:19:29,100

that sometimes these altruistic

414

00:19:37,880 --> 00:19:32,640

directions can take a really quick turn

415

00:19:40,370 --> 00:19:37,890

now these ETS I'm fascinated by the

416

00:19:44,420 --> 00:19:40,380

theme I think everybody's fascinated by

417

00:19:47,170 --> 00:19:44,430

Gray's but that's because we're not

418

00:19:50,750 --> 00:19:47,180

living with them like you are and and

419

00:19:53,180 --> 00:19:50,760

the majority of people anyway and you

420

00:19:55,280 --> 00:19:53,190

mentioned that it's UFO central I think

421

00:19:59,090 --> 00:19:55,290

a lot of people are aware that Arizona

422

00:20:01,670 --> 00:19:59,100

is kind of it's one of those areas that

423

00:20:04,550 --> 00:20:01,680

is fairly fringe there's there something

424

00:20:08,480 --> 00:20:04,560

about it and you know I've been to

425

00:20:10,850 --> 00:20:08,490

places like the Bradshaw ranch I have an

426
00:20:12,590 --> 00:20:10,860
acquaintance of mine mr. Ryan Skinner

427
00:20:15,170 --> 00:20:12,600
who I believe has met with you and he

428
00:20:16,580 --> 00:20:15,180
was fascinated to hold the actual

429
00:20:20,420 --> 00:20:16,590
samurai sword he thought you were a

430
00:20:22,670 --> 00:20:20,430
great guy and you know it's just it's

431
00:20:24,350 --> 00:20:22,680
just wild that's such an altruistic

432
00:20:27,500 --> 00:20:24,360
correction for the property would take

433
00:20:29,450 --> 00:20:27,510
such a wild turn do you have any insight

434
00:20:33,110 --> 00:20:29,460
as to what might have caught it with it

435
00:20:36,770 --> 00:20:33,120
has it always been this way well we've

436
00:20:39,650 --> 00:20:36,780
been told part of the background on this

437
00:20:42,320 --> 00:20:39,660
place you know because I had like zero

438
00:20:44,660 --> 00:20:42,330

insight about any of this stuff I didn't

439

00:20:47,570 --> 00:20:44,670

even really want to believe too much and

440

00:20:49,400 --> 00:20:47,580

eat these or anything I was you know

441

00:20:52,310 --> 00:20:49,410

pretty much just your garden-variety

442

00:20:53,900 --> 00:20:52,320

strict Christian and to me anything that

443

00:20:58,040 --> 00:20:53,910

had anything to do with anything that

444

00:21:00,170 --> 00:20:58,050

wasn't you know clearly good men it was

445

00:21:03,530 --> 00:21:00,180

evil and probably meant it was you know

446

00:21:06,320 --> 00:21:03,540

not related to anything to do with

447

00:21:08,540 --> 00:21:06,330

Christianity you know sort of that the

448

00:21:11,690 --> 00:21:08,550

old idea that you know all this stuff

449

00:21:15,140 --> 00:21:11,700

was probably demonic and that it was you

450

00:21:17,090 --> 00:21:15,150

know just downright ugly bad and you

451
00:21:20,030 --> 00:21:17,100
know there was no in-between what I

452
00:21:22,370 --> 00:21:20,040
discovered was is that over time as I

453
00:21:25,310 --> 00:21:22,380
tried to open my mind to try to cope and

454
00:21:28,340 --> 00:21:25,320
understand this thing and that is it's

455
00:21:30,470 --> 00:21:28,350
not that simple yeah definitely there is

456
00:21:34,880 --> 00:21:30,480
things that that we would consider to be

457
00:21:37,400 --> 00:21:34,890
demonic and but not everything that that

458
00:21:39,830 --> 00:21:37,410
we don't understand is demonic in this

459
00:21:42,770 --> 00:21:39,840
case it's from elsewhere you know I mean

460
00:21:45,950 --> 00:21:42,780
we've got DNA proof we've got photos

461
00:21:48,350 --> 00:21:45,960
we've got video we've got artifacts

462
00:21:50,150 --> 00:21:48,360
you know we've got two portals it just

463
00:21:53,540 --> 00:21:50,160

happened to be on the property and

464

00:21:56,480 --> 00:21:53,550

things come through the portal and you

465

00:21:58,610 --> 00:21:56,490

know literally kind of like clue us in

466

00:22:01,910 --> 00:21:58,620

about how all this stuff works and why

467

00:22:05,300 --> 00:22:01,920

it's this way and you know we just

468

00:22:06,470 --> 00:22:05,310

happened to be in the absolutely wrong

469

00:22:09,860 --> 00:22:06,480

place at the wrong time

470

00:22:11,870 --> 00:22:09,870

I mean I I was you know not looking for

471

00:22:14,440 --> 00:22:11,880

this kind of an education at all you

472

00:22:16,580 --> 00:22:14,450

know I'm a social worker I'm a therapist

473

00:22:18,760 --> 00:22:16,590

you know the last thing in the world I

474

00:22:22,790 --> 00:22:18,770

ever wanted to do was was easy

475

00:22:25,510 --> 00:22:22,800

involuntary you know participant here my

476

00:22:28,940 --> 00:22:25,520

wife certainly even less than than I am

477

00:22:31,040 --> 00:22:28,950

so you know the interesting thing about

478

00:22:34,400 --> 00:22:31,050

the ranch is you've got skinwalker

479

00:22:35,730 --> 00:22:34,410

you've got Bradshaw and below that but

480

00:22:38,820 --> 00:22:35,740

those other two ranches

481

00:22:41,130 --> 00:22:38,830

you have us and out of the three we're

482

00:22:44,190 --> 00:22:41,140

the only ones that have just stayed and

483

00:22:47,010 --> 00:22:44,200

fought it out I'm you know I'm one of

484

00:22:49,620 --> 00:22:47,020

those guys you know that you know I paid

485

00:22:51,120 --> 00:22:49,630

a cold hard money for this place and

486

00:22:53,100 --> 00:22:51,130

I'll be damned if I'm gonna let it be

487

00:22:56,700 --> 00:22:53,110

run off by a bunch of these little

488

00:22:58,290 --> 00:22:56,710

bastards and you know so I just slugged

489

00:23:00,180 --> 00:22:58,300

it out with them I've given every bit of

490

00:23:03,419 --> 00:23:00,190

the best I could come up with in terms

491

00:23:06,900 --> 00:23:03,429

of retribution and you know a good plate

492

00:23:10,620 --> 00:23:06,910

I'm a I'm a bad loving American and I'm

493

00:23:15,030 --> 00:23:10,630

not giving in any which way amen amen

494

00:23:19,140 --> 00:23:15,040

amen to that John and you know I think

495

00:23:22,080 --> 00:23:19,150

you do stand out you you you were able

496

00:23:25,830 --> 00:23:22,090

and have been able to do that and that

497

00:23:28,350 --> 00:23:25,840

truth is is pretty phenomenal I mean you

498

00:23:31,200 --> 00:23:28,360

are an individual that isn't after

499

00:23:34,140 --> 00:23:31,210

popularity fame money you're interested

500

00:23:35,870 --> 00:23:34,150

in family and love and the realness of

501
00:23:40,860 --> 00:23:35,880
the entire thing

502
00:23:44,190 --> 00:23:40,870
amen to the being open-minded and to all

503
00:23:48,180 --> 00:23:44,200
this and it's not that simple like you

504
00:23:50,970 --> 00:23:48,190
said that very often it's there's so

505
00:23:53,549 --> 00:23:50,980
many people that want to put things in

506
00:23:57,410 --> 00:23:53,559
boxes you know it's done it's demonic or

507
00:23:59,610 --> 00:23:57,420
its its extraterrestrial or it is

508
00:24:02,930 --> 00:23:59,620
interdimensional and I think all these

509
00:24:05,400 --> 00:24:02,940
things as you know better than anyone

510
00:24:06,060 --> 00:24:05,410
there's proof that there's a lot more

511
00:24:09,480 --> 00:24:06,070
going on

512
00:24:11,910 --> 00:24:09,490
you have portals opening on the property

513
00:24:15,120 --> 00:24:11,920

and being a social worker and a

514

00:24:16,470 --> 00:24:15,130

therapist how have you dealt this I can

515

00:24:21,060 --> 00:24:16,480

only imagine how have you dealt with

516

00:24:24,930 --> 00:24:21,070

this and your wife interacting with

517

00:24:27,180 --> 00:24:24,940

these beams that don't belong well you

518

00:24:30,090 --> 00:24:27,190

know Ryan it's kind of interesting I'm

519

00:24:32,600 --> 00:24:30,100

not a violent person by nature I mean I

520

00:24:36,419 --> 00:24:32,610

grew up pretty hard and chicagoans up

521

00:24:38,970 --> 00:24:36,429

you know which is where I'm from and you

522

00:24:42,180 --> 00:24:38,980

know I grew up in the late 50s and the

523

00:24:44,780 --> 00:24:42,190

60s so I saw a lot of social change and

524

00:24:47,690 --> 00:24:44,790

I had to do a lot of you know personal

525

00:24:50,690 --> 00:24:47,700

adaptation in order to survive and

526

00:24:52,490 --> 00:24:50,700

- you know try to be the best person I

527

00:24:54,529 --> 00:24:52,500

could be so I you know I've been through

528

00:24:56,840 --> 00:24:54,539

a lot of change in my life

529

00:24:58,669 --> 00:24:56,850

and so when this happened here I just

530

00:25:03,049 --> 00:24:58,679

kind of took it in stride and I said

531

00:25:05,539 --> 00:25:03,059

okay you know you know the big picture

532

00:25:07,039 --> 00:25:05,549

is no matter what this is my property

533

00:25:08,659 --> 00:25:07,049

and I'm going to stay here as long as I

534

00:25:11,060 --> 00:25:08,669

want to be here and I'm going to make

535

00:25:13,129 --> 00:25:11,070

sure that these other beings understand

536

00:25:14,659 --> 00:25:13,139

that I have no beef with them but you

537

00:25:16,759 --> 00:25:14,669

don't get to come to my property and

538

00:25:19,759 --> 00:25:16,769

raise hell and get away with it it's

539

00:25:21,409 --> 00:25:19,769

just that simple I make the rules in you

540

00:25:23,000 --> 00:25:21,419

guys are gonna deal with it and if you

541

00:25:24,230 --> 00:25:23,010

don't you're gonna get to sharpen a

542

00:25:27,430 --> 00:25:24,240

sword up your ass

543

00:25:32,570 --> 00:25:27,440

and that's exactly what ended up an and

544

00:25:36,379 --> 00:25:32,580

you know samurai sword you know has been

545

00:25:38,360 --> 00:25:36,389

the I don't know sort of the way that

546

00:25:40,340 --> 00:25:38,370

I've been able to protect the property

547

00:25:44,539 --> 00:25:40,350

and protect my animals and protect my

548

00:25:46,159 --> 00:25:44,549

wife at one point she she was attacked

549

00:25:49,669 --> 00:25:46,169

to the point where she was floated out

550

00:25:51,430 --> 00:25:49,679

of the house up into a craft and in a

551
00:25:55,060 --> 00:25:51,440
samurai sword wouldn't work anymore so

552
00:25:58,820 --> 00:25:55,070
ak-47 became the weapon of choice but

553
00:26:01,039 --> 00:25:58,830
beyond that you know I I'm not a violent

554
00:26:02,360 --> 00:26:01,049
person I didn't want to have to struggle

555
00:26:04,820 --> 00:26:02,370
and fight with these things if they

556
00:26:07,279 --> 00:26:04,830
could have just come here and you know

557
00:26:09,379 --> 00:26:07,289
made their peace with me and and we

558
00:26:11,720 --> 00:26:09,389
could have coexisted I was cool with it

559
00:26:14,120 --> 00:26:11,730
I would have allowed that but that's not

560
00:26:15,620 --> 00:26:14,130
that's not what they wanted you know

561
00:26:17,570 --> 00:26:15,630
they wanted to be able to kick us off

562
00:26:21,590 --> 00:26:17,580
the property to try to scare us off and

563
00:26:24,919 --> 00:26:21,600

take the property not happening all

564

00:26:27,289 --> 00:26:24,929

right John I mean that is many people

565

00:26:29,419 --> 00:26:27,299

you know you really stand out to me it's

566

00:26:30,710 --> 00:26:29,429

one of the heroes of the paranormal if

567

00:26:33,560 --> 00:26:30,720

you want to call it that there's really

568

00:26:36,320 --> 00:26:33,570

just so many genres but many people have

569

00:26:39,110 --> 00:26:36,330

not been able to handle these types of

570

00:26:43,190 --> 00:26:39,120

things and your willpower and faith is

571

00:26:45,409 --> 00:26:43,200

obvious the the samurai sword it's

572

00:26:49,700 --> 00:26:45,419

interesting that you use that because

573

00:26:52,220 --> 00:26:49,710

that is such a significant device or

574

00:26:54,980 --> 00:26:52,230

tool at least historically for mankind

575

00:26:57,320 --> 00:26:54,990

you know it takes so much I'm sure

576
00:27:00,010 --> 00:26:57,330
having having had a samurai sword I'm

577
00:27:05,020 --> 00:27:00,020
sure you're aware of the history and

578
00:27:07,080 --> 00:27:05,030
and how important that is and I I want

579
00:27:09,730 --> 00:27:07,090
it I know you're not a violent person

580
00:27:13,210 --> 00:27:09,740
but I want to ask if you don't mind

581
00:27:19,780 --> 00:27:13,220
about the experience of the levitation

582
00:27:23,380 --> 00:27:19,790
that with your wife well I mean it just

583
00:27:26,710 --> 00:27:23,390
we throughout these experiences my wife

584
00:27:28,000 --> 00:27:26,720
has been sort of what they picked on you

585
00:27:31,300 --> 00:27:28,010
know I don't know if it's just because

586
00:27:34,090 --> 00:27:31,310
she was the most vulnerable but you know

587
00:27:38,320 --> 00:27:34,100
if we had experienced after experience

588
00:27:41,470 --> 00:27:38,330

where we'd be asleep at night and I I'm

589

00:27:44,920 --> 00:27:41,480

a person that sleeps very lightly and

590

00:27:47,980 --> 00:27:44,930

I'm very aware of my environment and you

591

00:27:49,390 --> 00:27:47,990

know each time that they came they would

592

00:27:52,260 --> 00:27:49,400

try to sneak in in the middle of the

593

00:27:55,090 --> 00:27:52,270

night and try to do something to her and

594

00:27:56,830 --> 00:27:55,100

over several different experiences I

595

00:28:00,520 --> 00:27:56,840

caught them in the process of trying to

596

00:28:02,440 --> 00:28:00,530

take her and you know I wasn't having

597

00:28:03,760 --> 00:28:02,450

any of that and she was totally asleep

598

00:28:06,370 --> 00:28:03,770

she almost slept through the whole

599

00:28:09,040 --> 00:28:06,380

experience until right before she got

600

00:28:11,830 --> 00:28:09,050

lifted up into like through a cone of

601
00:28:16,150 --> 00:28:11,840
light up into one of the ships and you

602
00:28:17,740 --> 00:28:16,160
know she had implored me over and over

603
00:28:20,380 --> 00:28:17,750
and over again no matter what don't let

604
00:28:22,600 --> 00:28:20,390
them take me and I said well you realize

605
00:28:24,670 --> 00:28:22,610
something and that is that if I'm out

606
00:28:27,460 --> 00:28:24,680
there having to use a gun of any kind

607
00:28:29,350 --> 00:28:27,470
there's a possibility you might get

608
00:28:32,080 --> 00:28:29,360
caught in the crossfire she goes I don't

609
00:28:35,890 --> 00:28:32,090
care do whatever you've got to to save

610
00:28:37,210 --> 00:28:35,900
me and keep me from being taken and you

611
00:28:40,240 --> 00:28:37,220
know in this particular case that

612
00:28:43,570 --> 00:28:40,250
occurred I had no choice except to you

613
00:28:45,970 --> 00:28:43,580

know use EA K and you know I'd dump two

614

00:28:49,810 --> 00:28:45,980

clips into the where the cone of light

615

00:28:52,480 --> 00:28:49,820

emanated from the ship and they cut off

616

00:28:55,540 --> 00:28:52,490

the light and draft her and she fell on

617

00:28:57,580 --> 00:28:55,550

top of me and I tried to catch her the

618

00:29:00,430 --> 00:28:57,590

best I could but it was about 20 to 25

619

00:29:03,220 --> 00:29:00,440

feet and she's not a real small woman

620

00:29:05,430 --> 00:29:03,230

and so we both ended up getting hurt and

621

00:29:08,740 --> 00:29:05,440

ended up going to the hospital and

622

00:29:10,450 --> 00:29:08,750

within about 72 hours after we went to

623

00:29:13,930 --> 00:29:10,460

the hospital the next thing I know we

624

00:29:15,640 --> 00:29:13,940

were we were being visited by Center for

625

00:29:18,160 --> 00:29:15,650

Disease Control and a bunch of different

626
00:29:19,930 --> 00:29:18,170
agencies and you name it and you know

627
00:29:21,730 --> 00:29:19,940
you talk about the men in black well

628
00:29:24,100 --> 00:29:21,740
these were like the men in black and

629
00:29:26,620 --> 00:29:24,110
knight suits instead of you know cheap

630
00:29:28,780 --> 00:29:26,630
crummy suits and you know they were

631
00:29:31,210 --> 00:29:28,790
absolutely serious about talking to us

632
00:29:33,390 --> 00:29:31,220
and find out what was happening and you

633
00:29:35,830 --> 00:29:33,400
know how we were surviving and

634
00:29:39,310 --> 00:29:35,840
unfortunately in the case of my wife she

635
00:29:41,770 --> 00:29:39,320
ended up having all of these skin

636
00:29:43,840 --> 00:29:41,780
lesions all over her she was terribly

637
00:29:47,290 --> 00:29:43,850
ill she almost died from it she's still

638
00:29:48,970 --> 00:29:47,300

suffering from it and I was fortunate in

639

00:29:51,310 --> 00:29:48,980

the fact that I was really sick with it

640

00:29:54,280 --> 00:29:51,320

for about a week to ten days from

641

00:29:56,950 --> 00:29:54,290

exposure to the radiation but I ended up

642

00:29:58,240 --> 00:29:56,960

recovery and you know I've just been

643

00:30:04,510 --> 00:29:58,250

trying to keep up the good fight

644

00:30:07,330 --> 00:30:04,520

ever since yeah I hear ya that I the the

645

00:30:10,270 --> 00:30:07,340

skin lesions and the sickness and the

646

00:30:12,100 --> 00:30:10,280

radiation I'm sure you've heard of

647

00:30:14,350 --> 00:30:12,110

Morgellons and I mean this is very

648

00:30:16,360 --> 00:30:14,360

common there's there's that the center

649

00:30:19,770 --> 00:30:16,370

of Disease Control showing up I mean

650

00:30:22,090 --> 00:30:19,780

that is kind of like weirdness times 10

651
00:30:26,500 --> 00:30:22,100
it there's a lot

652
00:30:28,510 --> 00:30:26,510
I'm originally from Utah and I visited

653
00:30:31,690 --> 00:30:28,520
some areas that you're aware of that are

654
00:30:33,280 --> 00:30:31,700
very you know interesting as well it's

655
00:30:35,890 --> 00:30:33,290
similar to yours

656
00:30:38,440 --> 00:30:35,900
I'm fascinated when she was dropped from

657
00:30:41,380 --> 00:30:38,450
the ship the I I know I couldn't I

658
00:30:44,260 --> 00:30:41,390
couldn't catch my wife and I'm sure that

659
00:30:46,560 --> 00:30:44,270
the injuries were substantial so I mean

660
00:30:49,750 --> 00:30:46,570
you're kind of a hero in that respect

661
00:30:51,340 --> 00:30:49,760
what did the what did this spaceship

662
00:30:53,440 --> 00:30:51,350
look like I know you mentioned that

663
00:30:55,270 --> 00:30:53,450

there was a cone of light and I know

664

00:30:57,780 --> 00:30:55,280

whitley strieber is mentioned something

665

00:31:00,670 --> 00:30:57,790

very similar to that and although these

666

00:31:01,810 --> 00:31:00,680

motive I don't want to I don't want to

667

00:31:06,010 --> 00:31:01,820

put them in boxes

668

00:31:08,680 --> 00:31:06,020

John but I know that the others as many

669

00:31:11,080 --> 00:31:08,690

call them these creatures that sneak in

670

00:31:12,490 --> 00:31:11,090

and abduct people and I'm sure they

671

00:31:15,760 --> 00:31:12,500

would have abducted your wife if you

672

00:31:17,560 --> 00:31:15,770

weren't such a light sleeper and they go

673

00:31:21,580 --> 00:31:17,570

after you know obviously this is what

674

00:31:23,380 --> 00:31:21,590

they do what do you think their

675

00:31:24,680 --> 00:31:23,390

motivations are I know that that's just

676

00:31:28,070 --> 00:31:24,690

a theory

677

00:31:28,970 --> 00:31:28,080

we don't know but you probably being at

678

00:31:31,280 --> 00:31:28,980

ground zero

679

00:31:33,020 --> 00:31:31,290

do you have any idea what their

680

00:31:35,030 --> 00:31:33,030

motivations were what did their ship

681

00:31:38,660 --> 00:31:35,040

look like I have so many questions man

682

00:31:40,820 --> 00:31:38,670

it's like unreal well as far as

683

00:31:43,850 --> 00:31:40,830

motivation goes realized something ran I

684

00:31:47,330 --> 00:31:43,860

had never had one bit of communication

685

00:31:49,610 --> 00:31:47,340

with these teams at all you know I tried

686

00:31:52,310 --> 00:31:49,620

I mean I you know I did everything from

687

00:31:55,790 --> 00:31:52,320

I mean I literally you know put up

688

00:31:58,250 --> 00:31:55,800

pictures on the walls of the you know I

689

00:32:00,080 --> 00:31:58,260

tried to find ways to communicate with

690

00:32:03,110 --> 00:32:00,090

them I did I did everything I could in

691

00:32:05,890 --> 00:32:03,120

lis think of you know I've tried you

692

00:32:08,630 --> 00:32:05,900

know not fighting with them I have tried

693

00:32:11,590 --> 00:32:08,640

you know standing there staring at them

694

00:32:14,330 --> 00:32:11,600

until they disappeared I mean you know

695

00:32:17,030 --> 00:32:14,340

the bottom line is is that you know that

696

00:32:18,650 --> 00:32:17,040

they date I have a feeling they've been

697

00:32:20,660 --> 00:32:18,660

doing this for a long time to various

698

00:32:23,210 --> 00:32:20,670

different people and so they're kind of

699

00:32:25,520 --> 00:32:23,220

used to being able to scare people and

700

00:32:27,980 --> 00:32:25,530

get away with it it's intimidation it's

701

00:32:29,840 --> 00:32:27,990

a matter of most people don't have

702

00:32:32,570 --> 00:32:29,850

enough control over their emotions to be

703

00:32:33,350 --> 00:32:32,580

able to you know figure out what they

704

00:32:36,290 --> 00:32:33,360

want to do next

705

00:32:37,910 --> 00:32:36,300

my thing was I I warned them in no

706

00:32:40,490 --> 00:32:37,920

uncertain terms that I was going to

707

00:32:42,620 --> 00:32:40,500

fight them every which way and that I

708

00:32:44,180 --> 00:32:42,630

didn't want to do that but you know they

709

00:32:46,760 --> 00:32:44,190

weren't welcome and just you know come

710

00:32:49,160 --> 00:32:46,770

in my house like predators and hurt my

711

00:32:51,140 --> 00:32:49,170

animals and hurt my wife well and try to

712

00:32:53,660 --> 00:32:51,150

hurt me I got scars all over me I mean

713

00:32:56,180 --> 00:32:53,670

bad scars you know I look like a like I

714

00:32:59,090 --> 00:32:56,190

was a night fighter for a profession or

715

00:33:04,220 --> 00:32:59,100

something and you know I mean I went

716

00:33:06,350 --> 00:33:04,230

from 280 pounds down to 160 due to you

717

00:33:09,410 --> 00:33:06,360

know becoming ill because of this whole

718

00:33:11,140 --> 00:33:09,420

thing you know like I told you before my

719

00:33:14,720 --> 00:33:11,150

wife's dying from it I mean she has a

720

00:33:16,730 --> 00:33:14,730

literally you know a life-threatening

721

00:33:18,860 --> 00:33:16,740

disease that there's no cure from and

722

00:33:20,750 --> 00:33:18,870

you know we've been told that there's

723

00:33:22,790 --> 00:33:20,760

lots of people that have been on

724

00:33:24,860 --> 00:33:22,800

recovery teens and all sorts of things

725

00:33:27,590 --> 00:33:24,870

around the world anytime you have the

726

00:33:28,790 --> 00:33:27,600

exposure to these craft it's quite

727

00:33:31,670 --> 00:33:28,800

likely you're going to come down with

728

00:33:34,880 --> 00:33:31,680

these illnesses so you know this is you

729

00:33:36,710 --> 00:33:34,890

know we're just one more case amongst

730

00:33:37,310 --> 00:33:36,720

many that are out there the bottom line

731

00:33:38,900 --> 00:33:37,320

is

732

00:33:41,000 --> 00:33:38,910

the only person that came out and talked

733

00:33:43,130 --> 00:33:41,010

about it you know I'm not like all these

734

00:33:47,630 --> 00:33:43,140

other paranormal guys that are out there

735

00:33:49,820 --> 00:33:47,640

you know rehashing stories about you

736

00:33:52,490 --> 00:33:49,830

know experiences that happen you know 50

737

00:33:54,980 --> 00:33:52,500

60 70 years ago this is here and now

738

00:33:58,310 --> 00:33:54,990

this is real this is you know this is

739

00:34:00,140 --> 00:33:58,320

what's happening and you know there are

740

00:34:02,330 --> 00:34:00,150

these ships there are these groups there

741

00:34:05,600 --> 00:34:02,340

are many different branches of ETS that

742

00:34:08,090 --> 00:34:05,610

are out there species they are coming to

743

00:34:10,159 --> 00:34:08,100

the - you know the earth and they are

744

00:34:12,560 --> 00:34:10,169

some of them been here for thousands of

745

00:34:14,290 --> 00:34:12,570

years it's just that you know people

746

00:34:17,419 --> 00:34:14,300

just don't come out and talk about it

747

00:34:20,840 --> 00:34:17,429

you know I'm the only one I guess they

748

00:34:24,169 --> 00:34:20,850

did you know his head the I don't know

749

00:34:29,930 --> 00:34:24,179

the all to come out and talk about it

750

00:34:32,000 --> 00:34:29,940

I have to agree John then and as far as

751

00:34:33,290 --> 00:34:32,010

coming to earth you're so on point I

752

00:34:34,850 --> 00:34:33,300

think you're right they've been here

753

00:34:37,490 --> 00:34:34,860

possibly longer than we have

754

00:34:40,159 --> 00:34:37,500

or at least visiting the planet I i

755

00:34:42,169 --> 00:34:40,169

recently this is something I probably

756

00:34:44,840 --> 00:34:42,179

shouldn't have taken on but I recently

757

00:34:47,750 --> 00:34:44,850

purchased a property south of the old

758

00:34:51,080 --> 00:34:47,760

Sherman ranch adjacent to one of the

759

00:34:54,470 --> 00:34:51,090

most active spots and I've run into

760

00:34:58,550 --> 00:34:54,480

nothing but trouble and you're the only

761

00:34:58,940 --> 00:34:58,560

one I know who has basically for over 20

762

00:35:04,640 --> 00:34:58,950

years

763

00:35:11,080 --> 00:35:04,650

I've been able to be at ground zero so

764

00:35:15,530 --> 00:35:11,090

to speak and you've been able to well

765

00:35:17,750 --> 00:35:15,540

you've worn them you've you fought with

766

00:35:19,750 --> 00:35:17,760

them you've reached out so to speak

767

00:35:22,100 --> 00:35:19,760

you've tried to be peaceful with them

768

00:35:24,890 --> 00:35:22,110

they've been doing this for a long time

769

00:35:26,810 --> 00:35:24,900

they it's really interesting John

770

00:35:29,450 --> 00:35:26,820

something that really really kind of

771

00:35:33,500 --> 00:35:29,460

struck a chord with me one of my best

772

00:35:37,430 --> 00:35:33,510

friends yeah he is I would consider him

773

00:35:41,660 --> 00:35:37,440

a contact D and you mentioned control

774

00:35:44,000 --> 00:35:41,670

over your emotions and he often mentions

775

00:35:46,450 --> 00:35:44,010

to me that that was the message that if

776

00:35:49,700 --> 00:35:46,460

you're able to control your emotions

777

00:35:50,480 --> 00:35:49,710

that that is a big deal and you've done

778

00:35:59,410 --> 00:35:50,490

that

779

00:36:03,320 --> 00:35:59,420

light of all this I mean it's a war zone

780

00:36:07,820 --> 00:36:03,330

it is it truly is right I grew up in a

781

00:36:09,500 --> 00:36:07,830

time when I was very interested in the

782

00:36:15,530 --> 00:36:09,510

martial arts I was very interested in

783

00:36:20,390 --> 00:36:15,540

kung fu' and I studied on my own as well

784

00:36:22,250 --> 00:36:20,400

as actually had some instruction and one

785

00:36:27,350 --> 00:36:22,260

of the first things you learn and that

786

00:36:33,800 --> 00:36:27,360

is is that the body is something that if

787

00:36:36,350 --> 00:36:33,810

you listen to it and you learn to master

788

00:36:39,250 --> 00:36:36,360

it you're in a position where you can

789

00:36:41,300 --> 00:36:39,260

control almost every aspect of it and

790

00:36:46,370 --> 00:36:41,310

one of the things that I learned very

791

00:36:48,980 --> 00:36:46,380

early and that was that that fear is not

792

00:36:53,270 --> 00:36:48,990

an element of control so you cannot

793

00:36:56,359 --> 00:36:53,280

allow fear to manifest in you and for

794

00:36:58,760 --> 00:36:56,369

you to look to react to it and so I have

795

00:37:01,250 --> 00:36:58,770

no fear of anything you know I fully

796

00:37:03,230 --> 00:37:01,260

accept the fact that I'm vulnerable and

797

00:37:06,200 --> 00:37:03,240

fully accept the fact that you know

798

00:37:08,240 --> 00:37:06,210

anything could happen but I choose for

799

00:37:11,000 --> 00:37:08,250

those things not to happen and so I

800

00:37:14,270 --> 00:37:11,010

choose for myself to be an instrument of

801
00:37:16,910 --> 00:37:14,280
my own control and so I'm in a position

802
00:37:20,510 --> 00:37:16,920
where you know when I'm in these

803
00:37:23,480 --> 00:37:20,520
firefighting experiences I'm you know

804
00:37:25,910 --> 00:37:23,490
I'm fully I'm completely you know

805
00:37:29,120 --> 00:37:25,920
manifested of my ability to control

806
00:37:30,890 --> 00:37:29,130
every aspect of myself and that's why

807
00:37:34,160 --> 00:37:30,900
the samurai sword is such a good weapon

808
00:37:36,680 --> 00:37:34,170
for me because it allows me to be able

809
00:37:39,650 --> 00:37:36,690
to reach out and do exactly what I need

810
00:37:43,190 --> 00:37:39,660
to do and I asked oh I live in a brick

811
00:37:47,960 --> 00:37:43,200
house literally it is a huge brick house

812
00:37:50,540 --> 00:37:47,970
and guns guns are not a good thing

813
00:37:53,030 --> 00:37:50,550

bullets bounce and you know they do a

814

00:37:56,720 --> 00:37:53,040

lot of damage so the samurai sword is a

815

00:37:58,849 --> 00:37:56,730

much better weapon of Defense yeah

816

00:38:01,010 --> 00:37:58,859

I was I was mesmerized by that because I

817

00:38:02,900 --> 00:38:01,020

think you're absolutely right the

818

00:38:03,700 --> 00:38:02,910

samurai sword I mean for thousands of

819

00:38:06,849 --> 00:38:03,710

years

820

00:38:08,980 --> 00:38:06,859

i I'm amazed by you know I've studied

821

00:38:10,720 --> 00:38:08,990

the samurai and exactly what you're

822

00:38:14,410 --> 00:38:10,730

saying is is just it's just really

823

00:38:18,250 --> 00:38:14,420

striking a lot of interest with me

824

00:38:21,490 --> 00:38:18,260

because they were in fact very in tune

825

00:38:23,170 --> 00:38:21,500

with their surroundings and always aware

826

00:38:25,569 --> 00:38:23,180

of their peripheral and the samurai

827

00:38:27,549 --> 00:38:25,579

sword is you know it keeps them at a

828

00:38:29,859 --> 00:38:27,559

distance that if they're that close to

829

00:38:31,870 --> 00:38:29,869

you they deserve what they get and I

830

00:38:33,490 --> 00:38:31,880

think you're a very peaceful man I don't

831

00:38:35,799 --> 00:38:33,500

think you're a violent man I think we

832

00:38:38,020 --> 00:38:35,809

were I mean obviously you're Christian

833

00:38:41,140 --> 00:38:38,030

you're aware of the body and were built

834

00:38:42,760 --> 00:38:41,150

in his image and we are divined and the

835

00:38:46,120 --> 00:38:42,770

fact that you have no fear yet you're

836

00:38:49,329 --> 00:38:46,130

vulnerable and you control every aspect

837

00:38:55,170 --> 00:38:49,339

of this do you think when it stepped up

838

00:38:58,299 --> 00:38:55,180

to the firefight experiences what what

839

00:39:01,569 --> 00:38:58,309

what were you like I guess what I'm

840

00:39:03,339 --> 00:39:01,579

trying to ask is obviously that's kind

841

00:39:06,010 --> 00:39:03,349

of taken it to the next level they it

842

00:39:12,220 --> 00:39:06,020

sounds like they started to make it even

843

00:39:15,160 --> 00:39:12,230

more personal well and that is there is

844

00:39:18,339 --> 00:39:15,170

not a moment during these experiences

845

00:39:20,859 --> 00:39:18,349

that I haven't been in prayer I have

846

00:39:24,010 --> 00:39:20,869

always asked for forgiveness

847

00:39:26,470 --> 00:39:24,020

I have always asked for guidance and I

848

00:39:29,829 --> 00:39:26,480

have always been in a place where I had

849

00:39:33,099 --> 00:39:29,839

you know said Lord I am deeply deeply

850

00:39:34,870 --> 00:39:33,109

troubled by these experiences and I

851

00:39:36,579 --> 00:39:34,880

don't want them to go the way they're

852

00:39:40,029 --> 00:39:36,589

going but I don't know what else to do

853

00:39:46,480 --> 00:39:40,039

and I've asked to have you know some

854

00:39:48,279 --> 00:39:46,490

kind of help and along the way I got

855

00:39:51,640 --> 00:39:48,289

some of that help I actually ended up

856

00:39:54,730 --> 00:39:51,650

being introduced to several other races

857

00:39:59,319 --> 00:39:54,740

and at this point we have one race that

858

00:40:04,120 --> 00:39:59,329

has interceded and most of the violence

859

00:40:07,660 --> 00:40:04,130

has ended we we've been fortunate that

860

00:40:09,849 --> 00:40:07,670

way and I literally have you know

861

00:40:12,120 --> 00:40:09,859

photographic images these beings that

862

00:40:15,250 --> 00:40:12,130

allowed me to photograph them up close

863

00:40:16,280 --> 00:40:15,260

so I have proof that they're here and

864

00:40:18,200 --> 00:40:16,290

that they

865

00:40:21,110 --> 00:40:18,210

have now basically taken over the

866

00:40:23,090 --> 00:40:21,120

management of the ranch in terms of you

867

00:40:26,560 --> 00:40:23,100

know and the grades every are terrified

868

00:40:30,050 --> 00:40:26,570

of these things the Mantis beings are

869

00:40:33,130 --> 00:40:30,060

absolutely will not tolerate the kind of

870

00:40:36,950 --> 00:40:33,140

stuff that has been going on here and I

871

00:40:40,490 --> 00:40:36,960

guess they they I don't know they heard

872

00:40:44,270 --> 00:40:40,500

my prayers are heard my cries for help

873

00:40:46,040 --> 00:40:44,280

and we're not having the kind of violent

874

00:40:46,760 --> 00:40:46,050

experiences that we used to have here

875

00:40:49,660 --> 00:40:46,770

anymore

876

00:40:53,480 --> 00:40:49,670

and it all happened due to the fact that

877

00:40:55,370 --> 00:40:53,490

one of them showed up and it didn't

878

00:40:58,850 --> 00:40:55,380

speak to me or communicate with me all I

879

00:41:01,580 --> 00:40:58,860

did was stand there in front of me and I

880

00:41:02,990 --> 00:41:01,590

was shocked to see it because you know

881

00:41:05,360 --> 00:41:03,000

most of the stuff just sounds like a

882

00:41:06,740 --> 00:41:05,370

bunch of hokey BS but the problem is is

883

00:41:08,630 --> 00:41:06,750

that when it happens to you you don't

884

00:41:11,900 --> 00:41:08,640

have a choice except to believe it and

885

00:41:13,640 --> 00:41:11,910

that's what happened and so I I just

886

00:41:15,200 --> 00:41:13,650

that there are so they're in front of

887

00:41:17,450 --> 00:41:15,210

this being and I said I hope you're here

888

00:41:19,010 --> 00:41:17,460

for good I'm not interested in fighting

889

00:41:19,580 --> 00:41:19,020

with you and not interested in trying to

890

00:41:22,130 --> 00:41:19,590

hurt you

891

00:41:24,800 --> 00:41:22,140

in fact if you could I wish you with you

892

00:41:27,740 --> 00:41:24,810

would Bank wish the grades that are here

893

00:41:29,480 --> 00:41:27,750

and ever since that time that the grades

894

00:41:32,270 --> 00:41:29,490

are still here they come and they go but

895

00:41:35,090 --> 00:41:32,280

they have not made any attempts to hurt

896

00:41:37,190 --> 00:41:35,100

me or to hurt my wife or to hurt my

897

00:41:40,280 --> 00:41:37,200

animals they just seem to come and go

898

00:41:42,410 --> 00:41:40,290

very rapidly and you see them for a few

899

00:41:45,400 --> 00:41:42,420

seconds as they they kind of go in and

900

00:41:48,800 --> 00:41:45,410

out of phase and then they're gone and

901
00:41:51,320 --> 00:41:48,810
every once in a while this this mantis

902
00:41:53,840 --> 00:41:51,330
shows up and it just kind of walks

903
00:41:55,570 --> 00:41:53,850
through and and that's it I mean it's

904
00:41:59,000 --> 00:41:55,580
kind of like saying hey you know what

905
00:42:01,160 --> 00:41:59,010
we're here even we're in charge and I

906
00:42:05,270 --> 00:42:01,170
think it's gonna hurt you so you know I

907
00:42:08,540 --> 00:42:05,280
I'm very cool with that that's that John

908
00:42:10,460 --> 00:42:08,550
I think that's great that you but you

909
00:42:12,560 --> 00:42:10,470
know I I don't like to go down that like

910
00:42:14,780 --> 00:42:12,570
extremely of course I'm Christian and

911
00:42:18,080 --> 00:42:14,790
but I don't want to you know turn it

912
00:42:19,040 --> 00:42:18,090
into a religious podcast but I think

913
00:42:21,500 --> 00:42:19,050

that's great that you're praying for

914

00:42:23,060 --> 00:42:21,510

forgiveness and with you know with him

915

00:42:26,440 --> 00:42:23,070

all things are possible your ability to

916

00:42:29,850 --> 00:42:26,450

succeed is obviously been proven and

917

00:42:33,090 --> 00:42:29,860

these beings these these several other

918

00:42:35,270 --> 00:42:33,100

raises the it just kind of goes to show

919

00:42:38,640 --> 00:42:35,280

there's there's good and bad the greys

920

00:42:41,280 --> 00:42:38,650

you know I know a lot of people think of

921

00:42:43,560 --> 00:42:41,290

them as order takers or worker bees but

922

00:42:46,950 --> 00:42:43,570

the Mantis I mean they they're perhaps

923

00:42:49,020 --> 00:42:46,960

the most mysterious and a lot of people

924

00:42:51,480 --> 00:42:49,030

call them the overseers and I know when

925

00:42:53,340 --> 00:42:51,490

I ever whenever I see an actual like

926

00:42:56,400 --> 00:42:53,350

just just a praying mantis in the yard

927

00:42:59,370 --> 00:42:56,410

or the garden or in the outdoors I do my

928

00:43:01,950 --> 00:42:59,380

best to you know make sure that it's

929

00:43:05,460 --> 00:43:01,960

safe and and what does the Mantis do it

930

00:43:08,130 --> 00:43:05,470

takes it eats the other bugs I mean I

931

00:43:11,520 --> 00:43:08,140

don't want to talk in riddles but they

932

00:43:13,650 --> 00:43:11,530

they appear to be it's it's interesting

933

00:43:16,800 --> 00:43:13,660

that you put them in that light because

934

00:43:19,380 --> 00:43:16,810

I've heard a very interesting story in a

935

00:43:21,180 --> 00:43:19,390

place called Fruitland Utah where some

936

00:43:25,620 --> 00:43:21,190

individuals had some experiences with

937

00:43:31,680 --> 00:43:25,630

mantis and the Mantis they got the exact

938

00:43:34,200 --> 00:43:31,690

same vibration or the specific idea that

939

00:43:42,000 --> 00:43:34,210

you were trying to get across that they

940

00:43:45,150 --> 00:43:42,010

are more positive right well I mean I

941

00:43:47,490 --> 00:43:45,160

and I'm grateful that you know order has

942

00:43:52,710 --> 00:43:47,500

been sort of restored here to a certain

943

00:43:54,420 --> 00:43:52,720

extent you know honestly this is not

944

00:43:56,850 --> 00:43:54,430

some place that I plan to stay for the

945

00:43:59,340 --> 00:43:56,860

rest of my life you know I'm hoping to

946

00:44:02,310 --> 00:43:59,350

kind of just clean up the ranch and used

947

00:44:04,590 --> 00:44:02,320

it for other purposes and you know move

948

00:44:08,270 --> 00:44:04,600

away someplace where we can do what our

949

00:44:11,010 --> 00:44:08,280

original plan was you know but we'll see

950

00:44:16,370 --> 00:44:11,020

recently I've had an individual come

951
00:44:18,810 --> 00:44:16,380
forward that managed to procure

952
00:44:22,050 --> 00:44:18,820
photographs of the ranch from a

953
00:44:23,940 --> 00:44:22,060
satellite at least this is how he tells

954
00:44:28,170 --> 00:44:23,950
the story and the photographs that I've

955
00:44:30,120 --> 00:44:28,180
seen are kind of mind-blowing because we

956
00:44:32,610 --> 00:44:30,130
were told originally that there was some

957
00:44:34,830 --> 00:44:32,620
kind of object that was under the ranch

958
00:44:37,230 --> 00:44:34,840
and we've been told that over and over

959
00:44:40,470 --> 00:44:37,240
and over again and a few years ago

960
00:44:42,660 --> 00:44:40,480
Robert Bigelow sent out a crew here to

961
00:44:44,040 --> 00:44:42,670
investigate the ranch and they were here

962
00:44:46,480 --> 00:44:44,050
for almost a week

963
00:44:48,940 --> 00:44:46,490

and we were told that they would tell us

964

00:44:52,180 --> 00:44:48,950

at the end of the the exploration

965

00:44:54,849 --> 00:44:52,190

process what was here well they go

966

00:44:56,740 --> 00:44:54,859

offered to buy the ranch many times but

967

00:44:59,560 --> 00:44:56,750

he never wanted to pay anything that was

968

00:45:03,010 --> 00:44:59,570

for selling it for and so I refused to

969

00:45:04,690 --> 00:45:03,020

sell it to him and he refused I guess to

970

00:45:06,550 --> 00:45:04,700

give me the information because I never

971

00:45:09,250 --> 00:45:06,560

received it well somehow or another

972

00:45:12,160 --> 00:45:09,260

somebody managed to get that information

973

00:45:14,140 --> 00:45:12,170

and we were able to actually see some of

974

00:45:16,960 --> 00:45:14,150

the photographs and it looks like there

975

00:45:20,260 --> 00:45:16,970

is a ship or some kind of very large

976

00:45:25,240 --> 00:45:20,270

object underneath the ranch and it may

977

00:45:26,800 --> 00:45:25,250

be that that is key to the different

978

00:45:29,080 --> 00:45:26,810

things that are here and why they're

979

00:45:32,460 --> 00:45:29,090

here and that this has been here for you

980

00:45:35,109 --> 00:45:32,470

know hundreds if not thousands of years

981

00:45:37,210 --> 00:45:35,119

and that was what I was alluding to when

982

00:45:40,870 --> 00:45:37,220

I said that we have some surprising new

983

00:45:43,960 --> 00:45:40,880

developments because very clearly there

984

00:45:45,970 --> 00:45:43,970

is something here under the range that

985

00:45:50,020 --> 00:45:45,980

is a surprising new development John

986

00:45:54,280 --> 00:45:50,030

that's you know Robert Bigelow as you

987

00:45:56,410 --> 00:45:54,290

know I know you're aware is definitely a

988

00:45:58,780 --> 00:45:56,420

pioneer in this and and if there's some

989

00:46:01,599 --> 00:45:58,790

kind of object under the ranch

990

00:46:04,359 --> 00:46:01,609

is that that that's that's that's huge

991

00:46:06,370 --> 00:46:04,369

that is huge information it's

992

00:46:07,660 --> 00:46:06,380

interesting that you mentioned it's a

993

00:46:13,750 --> 00:46:07,670

ship or something under the ranch

994

00:46:17,440 --> 00:46:13,760

because an individual near the Uintah

995

00:46:19,090 --> 00:46:17,450

base well it's it's very close to the

996

00:46:22,090 --> 00:46:19,100

epicenter of some of some of the

997

00:46:26,650 --> 00:46:22,100

activity an individual also that I know

998

00:46:30,880 --> 00:46:26,660

very he's good guy he shot at something

999

00:46:35,620 --> 00:46:30,890

and he was visited much like you were by

1000

00:46:37,870 --> 00:46:35,630

some government types afterwards and he

1001
00:46:40,630 --> 00:46:37,880
also was shown some of these satellite

1002
00:46:42,520 --> 00:46:40,640
images that when he told me about them

1003
00:46:44,890 --> 00:46:42,530
and I don't want to put I don't want to

1004
00:46:48,099 --> 00:46:44,900
mess his words up but it was more along

1005
00:46:50,349 --> 00:46:48,109
the lines of the clarity he didn't know

1006
00:46:52,090 --> 00:46:50,359
if it was a drone or a satellite but the

1007
00:46:54,850 --> 00:46:52,100
you know the high-definition there was

1008
00:46:56,410 --> 00:46:54,860
they had footage of of him

1009
00:46:59,680 --> 00:46:56,420
actually shooting at this and said you

1010
00:47:01,930 --> 00:46:59,690
can't do that anymore well regardless of

1011
00:47:06,010 --> 00:47:01,940
that I think that's a human reaction and

1012
00:47:09,010 --> 00:47:06,020
and and I hate to go back to the Mantis

1013
00:47:12,160 --> 00:47:09,020

but you know in Native American and

1014

00:47:14,740 --> 00:47:12,170

African folklore the I believe it's the

1015

00:47:17,260 --> 00:47:14,750

cohesion tribe of Africa specifically

1016

00:47:20,500 --> 00:47:17,270

regard the Mantis as possibly the first

1017

00:47:23,380 --> 00:47:20,510

living creature upon earth who you know

1018

00:47:25,480 --> 00:47:23,390

that I think that might be interesting

1019

00:47:28,300 --> 00:47:25,490

just from the other nough spective that

1020

00:47:31,210 --> 00:47:28,310

you know these are both depending on

1021

00:47:34,150 --> 00:47:31,220

what people think of greys or not what

1022

00:47:38,020 --> 00:47:34,160

is your opinion of the greys and what do

1023

00:47:40,090 --> 00:47:38,030

you think they're doing well I I'm very

1024

00:47:42,760 --> 00:47:40,100

aware that there's various different

1025

00:47:45,430 --> 00:47:42,770

varieties of greys you know we've seen

1026
00:47:48,250 --> 00:47:45,440
the little ones that are about three and

1027
00:47:51,340 --> 00:47:48,260
a half feet tall we've seen some that

1028
00:47:54,940 --> 00:47:51,350
are about maybe five feet tall and then

1029
00:47:58,720 --> 00:47:54,950
we've seen some that are the tall white

1030
00:48:01,570 --> 00:47:58,730
greys that are at least 6 feet tall I'm

1031
00:48:06,310 --> 00:48:01,580
six-three and they're they're almost my

1032
00:48:08,800 --> 00:48:06,320
size those don't seem to be particularly

1033
00:48:14,580 --> 00:48:08,810
violent they just seem to be there for

1034
00:48:17,500 --> 00:48:14,590
kind of like managerial or supervisory

1035
00:48:19,810 --> 00:48:17,510
responsibilities but the small ones and

1036
00:48:23,740 --> 00:48:19,820
the mid-sized ones are the ones that

1037
00:48:27,940 --> 00:48:23,750
that you know get into all the bad

1038
00:48:31,120 --> 00:48:27,950

behavior and and I've had and and you

1039

00:48:35,620 --> 00:48:31,130

know fights with the small ones and the

1040

00:48:38,560 --> 00:48:35,630

mid-sized ones and they literally seem

1041

00:48:40,570 --> 00:48:38,570

to kind of like pop in and out they

1042

00:48:41,320 --> 00:48:40,580

don't move like you know humans do where

1043

00:48:45,010 --> 00:48:41,330

humans

1044

00:48:49,660 --> 00:48:45,020

you know have a you know bipedal

1045

00:48:52,530 --> 00:48:49,670

locomotion they literally just kind of

1046

00:48:55,690 --> 00:48:52,540

disappear from one one place to another

1047

00:48:57,700 --> 00:48:55,700

instantaneously and they just seem to go

1048

00:49:00,960 --> 00:48:57,710

in and out of face and you have to kind

1049

00:49:05,020 --> 00:49:00,970

of calculate where they're going to be

1050

00:49:06,880 --> 00:49:05,030

you know in the next one they when they

1051
00:49:08,480 --> 00:49:06,890
kind of pop back in I mean I hate to say

1052
00:49:13,580 --> 00:49:08,490
it but it's it's

1053
00:49:14,990 --> 00:49:13,590
it's sort of a guessing game but I once

1054
00:49:17,660 --> 00:49:15,000
you've been around them long enough easy

1055
00:49:19,790 --> 00:49:17,670
it's like you know how you have a chess

1056
00:49:22,340 --> 00:49:19,800
match and you have different pieces that

1057
00:49:23,830 --> 00:49:22,350
move in different positions it's kind of

1058
00:49:27,640 --> 00:49:23,840
the same thing

1059
00:49:30,350 --> 00:49:27,650
amazing when I think it's interesting

1060
00:49:32,810 --> 00:49:30,360
very interesting you say it's a guessing

1061
00:49:35,450 --> 00:49:32,820
game because I've spoken with some other

1062
00:49:39,170 --> 00:49:35,460
individuals who had some time research

1063
00:49:41,420 --> 00:49:39,180

centers etc where they claim to have

1064

00:49:44,690 --> 00:49:41,430

portal activity and that's what they say

1065

00:49:46,340 --> 00:49:44,700

that it is this guessing game that you

1066

00:49:50,990 --> 00:49:46,350

can either be right or you can be wrong

1067

00:49:54,200 --> 00:49:51,000

and the the popping in and out I mean

1068

00:49:58,010 --> 00:49:54,210

that sounds very dimensional it is it

1069

00:50:00,230 --> 00:49:58,020

with the hand-to-hand combat I I want to

1070

00:50:02,660 --> 00:50:00,240

ask a con so many questions done this is

1071

00:50:05,960 --> 00:50:02,670

so amazing but what did they feel like

1072

00:50:10,970 --> 00:50:05,970

to you you actually had contact like

1073

00:50:14,540 --> 00:50:10,980

physical contact they kind of have the

1074

00:50:15,830 --> 00:50:14,550

skin texture of like a snake you know

1075

00:50:19,490 --> 00:50:15,840

like if you were touching a boa

1076
00:50:21,610 --> 00:50:19,500
constrictor or a Python they're not warm

1077
00:50:26,080 --> 00:50:21,620
to the touch and all they're sort of a

1078
00:50:30,650 --> 00:50:26,090
cool you know sort of a neutral

1079
00:50:33,560 --> 00:50:30,660
temperature they have a sort of I don't

1080
00:50:37,040 --> 00:50:33,570
know it's there's it's a very strange

1081
00:50:39,050 --> 00:50:37,050
thing I mean I mean I've ended up sort

1082
00:50:41,390 --> 00:50:39,060
of you know unfortunately I bet to play

1083
00:50:44,630 --> 00:50:41,400
like alien whack-a-mole with them and

1084
00:50:46,700 --> 00:50:44,640
you know stand off and you know and

1085
00:50:49,310 --> 00:50:46,710
vitamins like I said man to and you know

1086
00:50:52,280 --> 00:50:49,320
if you take the edge it's everything in

1087
00:50:53,720 --> 00:50:52,290
tennis and the body stays if you don't

1088
00:50:58,760 --> 00:50:53,730

take the edge just the whole thing

1089

00:51:01,310 --> 00:50:58,770

disappears they in some cases they smell

1090

00:51:02,660 --> 00:51:01,320

like absolute rotten garbage I mean they

1091

00:51:08,840 --> 00:51:02,670

smell like spoiled meat they're

1092

00:51:11,120 --> 00:51:08,850

disgusting horrible smelling I don't

1093

00:51:14,360 --> 00:51:11,130

know I you know I don't have the first

1094

00:51:16,280 --> 00:51:14,370

notion of why they're here you know

1095

00:51:19,310 --> 00:51:16,290

nothing's ever been explained to me this

1096

00:51:21,410 --> 00:51:19,320

place didn't come with like a DVD you

1097

00:51:21,960 --> 00:51:21,420

know or sort of written instructions or

1098

00:51:23,550 --> 00:51:21,970

nothing I'm

1099

00:51:25,530 --> 00:51:23,560

I just literally walked in off the

1100

00:51:28,380 --> 00:51:25,540

street and just started having problems

1101
00:51:30,060 --> 00:51:28,390
practically from day one and you know

1102
00:51:34,560 --> 00:51:30,070
I've just kind of had to get my way

1103
00:51:36,330 --> 00:51:34,570
through mm-hmm a question I have about

1104
00:51:40,980 --> 00:51:36,340
the madness and this is just from things

1105
00:51:42,599 --> 00:51:40,990
I've read I've heard of individuals and

1106
00:51:44,160 --> 00:51:42,609
this may or may not be factual that

1107
00:51:47,490 --> 00:51:44,170
they've encountered them wearing long

1108
00:51:49,980 --> 00:51:47,500
robes or in a variety of colors and some

1109
00:51:51,570 --> 00:51:49,990
were unclothed were they clothed the

1110
00:51:56,310 --> 00:51:51,580
Mantis that you saw or were they

1111
00:51:58,980 --> 00:51:56,320
unclothed or both well I didn't see the

1112
00:52:02,450 --> 00:51:58,990
whole body all I saw was literally the

1113
00:52:07,460 --> 00:52:02,460

face and that's what I photographed yeah

1114

00:52:10,349 --> 00:52:07,470

you know it was in in both cases it

1115

00:52:11,940 --> 00:52:10,359

apparently I you know I'm sure we kind

1116

00:52:14,280 --> 00:52:11,950

of have a reputation or I have a

1117

00:52:17,700 --> 00:52:14,290

reputation for not being exactly the

1118

00:52:20,310 --> 00:52:17,710

greatest host when it comes to et's you

1119

00:52:23,990 --> 00:52:20,320

know due to the nature of things have

1120

00:52:26,550 --> 00:52:24,000

been here and so in the case of the the

1121

00:52:28,829 --> 00:52:26,560

Mantis beings they didn't come all the

1122

00:52:30,540 --> 00:52:28,839

way through you know into our dimension

1123

00:52:33,750 --> 00:52:30,550

it was literally just kind of stuck

1124

00:52:37,349 --> 00:52:33,760

their head through and that was all they

1125

00:52:39,480 --> 00:52:37,359

allowed so I don't really know what the

1126

00:52:41,280 --> 00:52:39,490

rest of them looks like sure no and

1127

00:52:44,910 --> 00:52:41,290

that's that's kind of the they're

1128

00:52:47,040 --> 00:52:44,920

commonly described as like you said

1129

00:52:48,210 --> 00:52:47,050

overseers they pop in they pop out

1130

00:52:50,160 --> 00:52:48,220

they're looking and they're just making

1131

00:52:51,329 --> 00:52:50,170

sure that things are running the way

1132

00:52:55,230 --> 00:52:51,339

they're supposed to run that's

1133

00:52:59,190 --> 00:52:55,240

interesting the the I'm blown away and

1134

00:53:02,430 --> 00:52:59,200

very interested in asking you about you

1135

00:53:04,500 --> 00:53:02,440

mentioned that they felt the greys the I

1136

00:53:06,750 --> 00:53:04,510

believe you said three and a half foot

1137

00:53:09,180 --> 00:53:06,760

two five foot tall variety we're a

1138

00:53:11,609 --> 00:53:09,190

little bit more devious and and they

1139

00:53:15,690 --> 00:53:11,619

felt in your hand to hand combat they

1140

00:53:18,120 --> 00:53:15,700

felt like snake-like and I recently

1141

00:53:20,089 --> 00:53:18,130

spoke with a very intelligent individual

1142

00:53:23,010 --> 00:53:20,099

who mentioned that a lot of these

1143

00:53:25,260 --> 00:53:23,020

ancient cultures were interested in this

1144

00:53:29,130 --> 00:53:25,270

snake worship much of which has been

1145

00:53:32,040 --> 00:53:29,140

erased from history and it focused

1146

00:53:33,230 --> 00:53:32,050

around many of these dimensional if you

1147

00:53:36,279 --> 00:53:33,240

want to call them intra or

1148

00:53:41,019 --> 00:53:36,289

extraterrestrial beings that

1149

00:53:42,579 --> 00:53:41,029

were for lack of a better word we

1150

00:53:44,650 --> 00:53:42,589

weren't sure of their intentions on

1151

00:53:47,199 --> 00:53:44,660

earth the elites were praying to them

1152

00:53:50,019 --> 00:53:47,209

for power and projections and other

1153

00:53:52,779 --> 00:53:50,029

means of education yet it sounds like

1154

00:53:57,489 --> 00:53:52,789

there could be some human DNA harvesting

1155

00:53:59,769 --> 00:53:57,499

is from your experiences from a little

1156

00:54:03,219 --> 00:53:59,779

darker point of view do you think they

1157

00:54:06,249 --> 00:54:03,229

were targeting you obviously you you you

1158

00:54:08,229 --> 00:54:06,259

were there they were there as well but

1159

00:54:12,039 --> 00:54:08,239

were they targeting you for any

1160

00:54:15,519 --> 00:54:12,049

particular purpose that I don't know all

1161

00:54:19,599 --> 00:54:15,529

I know is that I have places where you

1162

00:54:22,269 --> 00:54:19,609

know I have had skin taken I've had

1163

00:54:24,130 --> 00:54:22,279

blood taken pretty much anything that

1164

00:54:27,099 --> 00:54:24,140

you can take from a human being I've had

1165

00:54:29,019 --> 00:54:27,109

taken from me my wife has puncture marks

1166

00:54:31,660 --> 00:54:29,029

and her as well

1167

00:54:35,130 --> 00:54:31,670

we know the animals have had you know

1168

00:54:38,199 --> 00:54:35,140

punctures we've had horses unfortunately

1169

00:54:41,469 --> 00:54:38,209

you know back in the 90s late 90s that

1170

00:54:46,239 --> 00:54:41,479

were killed they were mutilated they had

1171

00:54:49,049 --> 00:54:46,249

hooves taken they the anus was cored out

1172

00:54:52,959 --> 00:54:49,059

and the guts inside the horse were taken

1173

00:54:55,299 --> 00:54:52,969

the eyes were taken you know and all

1174

00:54:58,269 --> 00:54:55,309

that is recorded history I mean we you

1175

00:55:01,900 --> 00:54:58,279

know we we filled out police reports we

1176

00:55:04,630 --> 00:55:01,910

filled out you know the livestock Bureau

1177

00:55:07,479 --> 00:55:04,640

agents were out here you know the whole

1178

00:55:09,969 --> 00:55:07,489

works so what I would tell you is that

1179

00:55:12,579 --> 00:55:09,979

there I can't imagine that they're not

1180

00:55:15,939 --> 00:55:12,589

taking those things for some reason that

1181

00:55:20,349 --> 00:55:15,949

you know is either going to be some kind

1182

00:55:22,989 --> 00:55:20,359

of cellular reproduction purpose or you

1183

00:55:25,390 --> 00:55:22,999

know I mean you know it could have

1184

00:55:27,400 --> 00:55:25,400

something to do with hormones and and

1185

00:55:30,609 --> 00:55:27,410

you know we hear stories about

1186

00:55:33,329 --> 00:55:30,619

adrenochrome it could be that you know

1187

00:55:36,249 --> 00:55:33,339

all these things are being used that way

1188

00:55:38,739 --> 00:55:36,259

it's just you know unfortunately when

1189

00:55:41,130 --> 00:55:38,749

you're the victim as much as I hate to

1190

00:55:45,279 --> 00:55:41,140

refer to myself as a victim of anything

1191

00:55:48,009 --> 00:55:45,289

you know you don't get the the overview

1192

00:55:49,180 --> 00:55:48,019

all you get is you know sort of the end

1193

00:55:52,480 --> 00:55:49,190

result

1194

00:55:54,430 --> 00:55:52,490

so I can't really speak forward to bleep

1195

00:55:56,110 --> 00:55:54,440

about any of this other than the fact

1196

00:55:58,870 --> 00:55:56,120

that I lived through it I survived it

1197

00:56:01,750 --> 00:55:58,880

and my wife survived it and you know

1198

00:56:03,630 --> 00:56:01,760

we're just continuing to try to find a

1199

00:56:06,850 --> 00:56:03,640

way off this ranch I mean if somebody

1200

00:56:09,340 --> 00:56:06,860

would you know help us to find a place

1201
00:56:11,290 --> 00:56:09,350
that we can afford to go to we can have

1202
00:56:13,420 --> 00:56:11,300
our horses and continue to do the rescue

1203
00:56:14,920 --> 00:56:13,430
work that we do with the animals we

1204
00:56:17,890 --> 00:56:14,930
would get rid of this place and

1205
00:56:21,190 --> 00:56:17,900
heartbeat and blah mm-hmm

1206
00:56:22,870 --> 00:56:21,200
this is not you know I you know I've

1207
00:56:25,330 --> 00:56:22,880
been kind of dragged into being the

1208
00:56:29,500 --> 00:56:25,340
ambassador of all this but this is not

1209
00:56:32,500 --> 00:56:29,510
my chosen you know life profession you

1210
00:56:34,630 --> 00:56:32,510
know and there's there's so much that I

1211
00:56:36,130 --> 00:56:34,640
know matter how many hours that I would

1212
00:56:38,560 --> 00:56:36,140
sit here and talk to you about these

1213
00:56:41,590 --> 00:56:38,570

experiences there's just no way that I

1214

00:56:44,530 --> 00:56:41,600

can convey to you the depth of

1215

00:56:48,310 --> 00:56:44,540

everything that's happened this ranch

1216

00:56:50,080 --> 00:56:48,320

has become the focal point or some of

1217

00:56:53,890 --> 00:56:50,090

the most important individuals in the

1218

00:56:57,190 --> 00:56:53,900

world that are involved not only in the

1219

00:57:01,920 --> 00:56:57,200

paranormal but in many other science and

1220

00:57:06,250 --> 00:57:01,930

scientific aspects you know July 29th of

1221

00:57:08,710 --> 00:57:06,260

2009 I had a chance to ask you know my

1222

00:57:10,420 --> 00:57:08,720

list of over a hundred questions if you

1223

00:57:13,780 --> 00:57:10,430

ever meet an ET that's willing to sit

1224

00:57:16,090 --> 00:57:13,790

down and talk to you about life you know

1225

00:57:17,950 --> 00:57:16,100

I sat down with this list and asked you

1226
00:57:20,140 --> 00:57:17,960
know dozens and dozens and dozens of

1227
00:57:22,690 --> 00:57:20,150
questions and I got the answers and I

1228
00:57:24,250 --> 00:57:22,700
got proof that this is all real and as

1229
00:57:26,080 --> 00:57:24,260
much as I didn't want it to be you know

1230
00:57:29,890 --> 00:57:26,090
I really didn't want it to be real but

1231
00:57:32,530 --> 00:57:29,900
it is it is real you know to the

1232
00:57:35,230 --> 00:57:32,540
hundredth power I mean humans do not

1233
00:57:36,820 --> 00:57:35,240
have any clue you know how real this

1234
00:57:39,340 --> 00:57:36,830
whole thing is and it's not just this

1235
00:57:41,170 --> 00:57:39,350
ranch this is going on around the world

1236
00:57:45,220 --> 00:57:41,180
it has been going on around the world

1237
00:57:47,370 --> 00:57:45,230
for over 8,000 years you know we we have

1238
00:57:50,740 --> 00:57:47,380

literally the portals have allowed us to

1239

00:57:53,680 --> 00:57:50,750

see things and to have contact with

1240

00:57:56,650 --> 00:57:53,690

things in terms of information that I've

1241

00:57:58,930 --> 00:57:56,660

never divulged because it's just too

1242

00:57:59,320 --> 00:57:58,940

phenomenal you know I'm right now trying

1243

00:58:00,790 --> 00:57:59,330

to find

1244

00:58:02,980 --> 00:58:00,800

somebody that wants to sit down with me

1245

00:58:04,210 --> 00:58:02,990

and write the books we thought we had

1246

00:58:05,800 --> 00:58:04,220

people that would do that but

1247

00:58:08,950 --> 00:58:05,810

unfortunately things fell apart with

1248

00:58:10,870 --> 00:58:08,960

that and so we're right now looking for

1249

00:58:13,810 --> 00:58:10,880

you know people that are professional

1250

00:58:16,240 --> 00:58:13,820

writers that are willing to sit down

1251

00:58:18,460 --> 00:58:16,250

with me and tell these stories and

1252

00:58:22,120 --> 00:58:18,470

include the videos and the photographs

1253

00:58:25,240 --> 00:58:22,130

and put the whole thing out there Wow

1254

00:58:27,780 --> 00:58:25,250

yeah that's I you know I think a book

1255

00:58:29,890 --> 00:58:27,790

it's definitely in your future John and

1256

00:58:32,110 --> 00:58:29,900

I'm by no means skilled

1257

00:58:33,640 --> 00:58:32,120

I mean I've written a few but I'd be

1258

00:58:35,170 --> 00:58:33,650

honored to help you out with any of that

1259

00:58:38,110 --> 00:58:35,180

so like in the future that's a whole

1260

00:58:41,770 --> 00:58:38,120

other story but I I wanted to ask you

1261

00:58:45,190 --> 00:58:41,780

just know that I'm there for you okay

1262

00:58:49,000 --> 00:58:45,200

thank you it's it's it's it's

1263

00:58:50,500 --> 00:58:49,010

interesting that you know the horses I

1264

00:58:54,220 --> 00:58:50,510

mean there's such beautiful animals I've

1265

00:58:57,850 --> 00:58:54,230

been a horse owner myself and I I was

1266

00:58:59,910 --> 00:58:57,860

very it's kind of scary when it goes

1267

00:59:01,930 --> 00:58:59,920

from cattle to horses because we

1268

00:59:05,080 --> 00:59:01,940

interact differently with that animal

1269

00:59:10,540 --> 00:59:05,090

and you know I know I've seen your scars

1270

00:59:13,660 --> 00:59:10,550

the the pictures of skin taken the maybe

1271

00:59:15,580 --> 00:59:13,670

they are doing cellular reproduction the

1272

00:59:17,170 --> 00:59:15,590

adrenochrome the the fact that you

1273

00:59:19,290 --> 00:59:17,180

mentioned that it's really interesting

1274

00:59:23,320 --> 00:59:19,300

to me because I Stephen Hawkings

1275

00:59:26,260 --> 00:59:23,330

who recently passed he he was under the

1276
00:59:27,790 --> 00:59:26,270
impression that yes these entities and I

1277
00:59:29,860 --> 00:59:27,800
mean we're talking very intelligent

1278
00:59:32,380 --> 00:59:29,870
people like you said you have become the

1279
00:59:34,780 --> 00:59:32,390
focal point of this and Stephen Hawking

1280
00:59:40,360 --> 00:59:34,790
mentioned that these things most likely

1281
00:59:43,060 --> 00:59:40,370
do not like us and we become their focal

1282
00:59:48,150 --> 00:59:43,070
point for whatever reason they they

1283
00:59:52,720 --> 00:59:48,160
don't like us they they observe us and

1284
00:59:57,250 --> 00:59:52,730
they try to incorporate us in some kind

1285
00:59:59,110 --> 00:59:57,260
of study and I think you're there's

1286
01:00:03,460 --> 00:59:59,120
there's some recent information I

1287
01:00:05,920 --> 01:00:03,470
believe it was well from the scientific

1288
01:00:07,930 --> 01:00:05,930

perspective they don't like us and other

1289

01:00:10,930 --> 01:00:07,940

properties you've been the long-term

1290

01:00:12,790 --> 01:00:10,940

you're the you're the homerun King right

1291

01:00:16,640 --> 01:00:12,800

now as far as

1292

01:00:20,870 --> 01:00:16,650

absolutely being able to long-term deal

1293

01:00:24,200 --> 01:00:20,880

with this the old Sherman ranch has

1294

01:00:26,690 --> 01:00:24,210

changed hands various times mr. Bigelow

1295

01:00:28,790 --> 01:00:26,700

himself sold it I think when he got

1296

01:00:35,330 --> 01:00:28,800

tired of it he's obviously interested in

1297

01:00:36,980 --> 01:00:35,340

your property as well and this these

1298

01:00:40,910 --> 01:00:36,990

civilizations which may have long

1299

01:00:42,770 --> 01:00:40,920

existed they seem to be isolated in

1300

01:00:45,980 --> 01:00:42,780

areas like you said that have portals

1301
01:00:48,620 --> 01:00:45,990
have you witnessed any of these these

1302
01:00:53,200 --> 01:00:48,630
these portals opening up or have you

1303
01:00:55,820 --> 01:00:53,210
seen any any examples of portal activity

1304
01:01:00,230 --> 01:00:55,830
many times I have photographs of the

1305
01:01:04,850 --> 01:01:00,240
portals opening outside to the point

1306
01:01:08,780 --> 01:01:04,860
where I actually have a photograph of of

1307
01:01:11,720 --> 01:01:08,790
the portal in the composite photo with

1308
01:01:14,810 --> 01:01:11,730
the mountains behind us and it will it

1309
01:01:16,910 --> 01:01:14,820
actually shows how large this portal is

1310
01:01:22,390 --> 01:01:16,920
I mean it's to the point where you could

1311
01:01:25,960 --> 01:01:22,400
fly you know 747s through it it's huge

1312
01:01:29,210 --> 01:01:25,970
the one in the living room is a

1313
01:01:30,770 --> 01:01:29,220

moderate-sized we've had lots of people

1314

01:01:35,840 --> 01:01:30,780

that have come and experienced that

1315

01:01:38,270 --> 01:01:35,850

phenomena that the the see the thing

1316

01:01:39,830 --> 01:01:38,280

that's really unique beyond just all the

1317

01:01:41,390 --> 01:01:39,840

things I've already said and that is

1318

01:01:43,370 --> 01:01:41,400

that the portals here on this property

1319

01:01:46,190 --> 01:01:43,380

seem to be not only capable of

1320

01:01:49,250 --> 01:01:46,200

transmitting matter from point A to

1321

01:01:52,130 --> 01:01:49,260

point B but they seem to have a time

1322

01:01:54,770 --> 01:01:52,140

aspect to them where they can go back

1323

01:01:56,630 --> 01:01:54,780

and forth in time and so what's

1324

01:01:59,180 --> 01:01:56,640

happening is things from the past are

1325

01:02:01,250 --> 01:01:59,190

coming into the current time period and

1326

01:02:03,140 --> 01:02:01,260

things from the time the current time

1327

01:02:07,340 --> 01:02:03,150

period are going into the past and

1328

01:02:10,340 --> 01:02:07,350

they're interactive and that makes this

1329

01:02:12,680 --> 01:02:10,350

particular set of coordinates you know

1330

01:02:14,930 --> 01:02:12,690

quite a bit more complicated and quite a

1331

01:02:19,280 --> 01:02:14,940

bit more interesting than maybe your

1332

01:02:21,500 --> 01:02:19,290

your standard portal you know and that

1333

01:02:23,570 --> 01:02:21,510

has been also sort of a key factor to

1334

01:02:26,120 --> 01:02:23,580

some of the teams that have come here

1335

01:02:27,920 --> 01:02:26,130

and examined these you

1336

01:02:29,990 --> 01:02:27,930

everything here on the range and it's

1337

01:02:33,170 --> 01:02:30,000

not just our range Rainbow Valley is

1338

01:02:35,599 --> 01:02:33,180

full of this there are other properties

1339

01:02:37,039 --> 01:02:35,609

where these things exist and that sure

1340

01:02:38,589 --> 01:02:37,049

people are aware of them but they do

1341

01:02:41,180 --> 01:02:38,599

exist

1342

01:02:42,920 --> 01:02:41,190

yeah I agree with you that these these

1343

01:02:45,349 --> 01:02:42,930

things don't no boundaries

1344

01:02:49,190 --> 01:02:45,359

I think your your your ranch is

1345

01:02:52,910 --> 01:02:49,200

definitely an epicenter and the time

1346

01:02:54,710 --> 01:02:52,920

aspect to them it I recently spoke with

1347

01:02:57,140 --> 01:02:54,720

an individual who came out doing some

1348

01:02:58,910 --> 01:02:57,150

research in Utah actually and he

1349

01:03:03,980 --> 01:02:58,920

mentioned that these odd have you had

1350

01:03:05,779 --> 01:03:03,990

any objects moving that you know you

1351

01:03:07,249 --> 01:03:05,789

have seen look for example you lose

1352

01:03:11,029 --> 01:03:07,259

something and then it's in another room

1353

01:03:14,029 --> 01:03:11,039

or have you had any any anything Mandela

1354

01:03:17,180 --> 01:03:14,039

effect type like absolutely okay

1355

01:03:18,799 --> 01:03:17,190

absolutely we've had one of the very

1356

01:03:22,279 --> 01:03:18,809

first things that happened on this ranch

1357

01:03:25,809 --> 01:03:22,289

was that I my wedding ring I was you

1358

01:03:28,819 --> 01:03:25,819

know I do I do a lot of work on cars I'm

1359

01:03:30,559 --> 01:03:28,829

sort of a half-assed mechanic I wouldn't

1360

01:03:34,880 --> 01:03:30,569

call myself a real mechanic I'm just a

1361

01:03:36,620 --> 01:03:34,890

guy who's a wannabe but I was working on

1362

01:03:40,430 --> 01:03:36,630

a vehicle and I took my wedding ring off

1363

01:03:43,309 --> 01:03:40,440

and I said it you know next to the

1364

01:03:45,170 --> 01:03:43,319

radiator under the hood and then when I

1365

01:03:46,819 --> 01:03:45,180

was getting ready to when I finish the

1366

01:03:49,220 --> 01:03:46,829

work and I was getting ready to start

1367

01:03:53,599 --> 01:03:49,230

the vehicle up I went to put my wedding

1368

01:03:55,400 --> 01:03:53,609

ring back on and it was gone and I was I

1369

01:03:58,549 --> 01:03:55,410

looked everywhere for it that you know I

1370

01:04:00,799 --> 01:03:58,559

mean I was you know just heartbroken

1371

01:04:03,109 --> 01:04:00,809

because my wife gave it them in you know

1372

01:04:07,339 --> 01:04:03,119

that was one of the first important

1373

01:04:11,059 --> 01:04:07,349

symbols of our marriage and he just was

1374

01:04:14,359 --> 01:04:11,069

gone well it was 20 years practically to

1375

01:04:18,109 --> 01:04:14,369

the day and I was in bed I had just woke

1376

01:04:20,029 --> 01:04:18,119

up in the morning and I felt something

1377

01:04:23,839 --> 01:04:20,039

on my hand and I looked at my ring

1378

01:04:28,430 --> 01:04:23,849

finger and there was my ring 20 years

1379

01:04:32,299 --> 01:04:28,440

passed by but that's happened with lots

1380

01:04:35,930 --> 01:04:32,309

of other things I mean keys wallets you

1381

01:04:36,380 --> 01:04:35,940

know personal items tools you name it I

1382

01:04:39,360 --> 01:04:36,390

mean I

1383

01:04:44,130 --> 01:04:39,370

we had a cat in Gumby that

1384

01:04:46,650 --> 01:04:44,140

disappeared in early December he was

1385

01:04:49,230 --> 01:04:46,660

literally chased through the house by a

1386

01:04:50,490 --> 01:04:49,240

couple of these grays and then he just

1387

01:04:52,320 --> 01:04:50,500

disappeared in thin air

1388

01:04:56,310 --> 01:04:52,330

and I was heartbroken because he's a

1389

01:04:58,200 --> 01:04:56,320

really good cat and you know I kept

1390

01:05:00,030 --> 01:04:58,210

praying on it kept asking for some kind

1391

01:05:03,750 --> 01:05:00,040

of intervention and you know try to get

1392

01:05:07,200 --> 01:05:03,760

him back about four weeks later I went

1393

01:05:10,770 --> 01:05:07,210

out to my suburban to get in it and feed

1394

01:05:14,460 --> 01:05:10,780

the horses and the calf was asleep on

1395

01:05:20,340 --> 01:05:14,470

the passenger seat in a wax vehicle with

1396

01:05:21,960 --> 01:05:20,350

the windows up so it's not just objects

1397

01:05:27,770 --> 01:05:21,970

that disappear and come back it's

1398

01:05:33,150 --> 01:05:30,840

usually this is fasten the 20-year mark

1399

01:05:34,890 --> 01:05:33,160

for your wedding ring usually these

1400

01:05:38,370 --> 01:05:34,900

items and there's there's people as

1401
01:05:41,730 --> 01:05:38,380
you're aware like mr. Bigelow and others

1402
01:05:44,400 --> 01:05:41,740
very high in the in the community as far

1403
01:05:46,230 --> 01:05:44,410
as a scientific perspective they've

1404
01:05:48,240 --> 01:05:46,240
analyzed these things and usually these

1405
01:05:50,550 --> 01:05:48,250
items will go missing and reappear

1406
01:05:54,960 --> 01:05:50,560
usually seconds or minutes that 20-year

1407
01:05:57,990 --> 01:05:54,970
mark is so mind-blowing because I was

1408
01:06:00,330 --> 01:05:58,000
told that these possibly may be anchor

1409
01:06:03,740 --> 01:06:00,340
points for these entities to re-enter

1410
01:06:08,610 --> 01:06:03,750
the timeline so that 20 years is like

1411
01:06:11,250 --> 01:06:08,620
wow that is um that's amazing it's the

1412
01:06:14,580 --> 01:06:11,260
time aspect to them and the objects

1413
01:06:15,840 --> 01:06:14,590

moving and the grounding this what's

1414

01:06:18,060 --> 01:06:15,850

what's really interesting about these

1415

01:06:21,120 --> 01:06:18,070

items is they've been tested

1416

01:06:23,370 --> 01:06:21,130

scientifically often times they aren't

1417

01:06:25,650 --> 01:06:23,380

the same item they're they're well

1418

01:06:27,990 --> 01:06:25,660

they're they're similar in that they are

1419

01:06:30,300 --> 01:06:28,000

the same item but they have differences

1420

01:06:34,200 --> 01:06:30,310

molecular ly than what was there before

1421

01:06:36,180 --> 01:06:34,210

is we obviously know that Bigelow

1422

01:06:38,720 --> 01:06:36,190

doesn't investigate anything that

1423

01:06:41,700 --> 01:06:38,730

doesn't have merit and I think that that

1424

01:06:44,370 --> 01:06:41,710

speaks volumes to your property your

1425

01:06:47,640 --> 01:06:44,380

experiences and the barrage of attacks

1426

01:06:49,770 --> 01:06:47,650

that you've encountered you're an

1427

01:06:51,330 --> 01:06:49,780

inspiration to the rest of us Jon and I

1428

01:06:52,859 --> 01:06:51,340

just I just blessings to you and your

1429

01:06:57,120 --> 01:06:52,869

family your honesty and truth

1430

01:06:59,579 --> 01:06:57,130

this are just so so refreshing I I

1431

01:07:00,870 --> 01:06:59,589

really appreciate you taking time out of

1432

01:07:02,400 --> 01:07:00,880

your day I know you've had a really

1433

01:07:04,589 --> 01:07:02,410

hectic day today and you still took the

1434

01:07:06,630 --> 01:07:04,599

time out to speak with me and and I

1435

01:07:09,569 --> 01:07:06,640

can't thank you enough I think you're

1436

01:07:12,599 --> 01:07:09,579

you're a great guy and I appreciate you

1437

01:07:15,059 --> 01:07:12,609

being on the podcast well thank you for

1438

01:07:17,099 --> 01:07:15,069

having me you know I'm just trying to be

1439

01:07:20,970 --> 01:07:17,109

the best man I can be and do do right by

1440

01:07:22,920 --> 01:07:20,980

myself my family and my country amen I

1441

01:07:27,269 --> 01:07:22,930

hope to speak you do to you again and

1442

01:07:37,579 --> 01:07:27,279

thanks again you're very welcome

1443

01:07:42,150 --> 01:07:37,589

thank you for having me man oh man an

1444

01:07:45,859 --> 01:07:42,160

individual who is a definite hero of the

1445

01:07:50,249 --> 01:07:45,869

parallel hand-to-hand combat Gray's

1446

01:07:55,019 --> 01:07:50,259

small and medium-size what do they feel

1447

01:07:57,029 --> 01:07:55,029

like apparently snake light tall whites

1448

01:08:00,230 --> 01:07:57,039

also seen popping in and out of

1449

01:08:12,230 --> 01:08:05,660

much of this is of interest to me and

1450

01:08:15,380 --> 01:08:12,240

others and he's had skin taken horses

1451

01:08:16,309 --> 01:08:15,390

killed I've been a horse owner myself

1452

01:08:19,309 --> 01:08:16,319

this is rough

1453

01:08:21,280 --> 01:08:19,319

owning a paranormal property is not an

1454

01:08:24,680 --> 01:08:21,290

easy business

1455

01:08:27,769 --> 01:08:24,690

he's been vulnerable he's had experience

1456

01:08:31,459 --> 01:08:27,779

after experience luckily he sleeps very

1457

01:08:33,709 --> 01:08:31,469

lightly and you know he's been able to

1458

01:08:36,170 --> 01:08:33,719

interact with these others as many call

1459

01:08:39,440 --> 01:08:36,180

them even though their motivations

1460

01:08:40,099 --> 01:08:39,450

aren't known he's witnessed the cone of

1461

01:08:43,180 --> 01:08:40,109

Lights

1462

01:08:46,059 --> 01:08:43,190

the portals what the ship looked like

1463

01:08:49,760 --> 01:08:46,069

you hear this time and time again from

1464

01:08:52,360 --> 01:08:49,770

our fellow abductees contactees and just

1465

01:09:00,079 --> 01:08:52,370

witnesses people like whitley strieber

1466

01:09:04,010 --> 01:09:00,089

Travis Walton many more and regardless

1467

01:09:06,849 --> 01:09:04,020

of your perception or idea of it all mr.

1468

01:09:11,630 --> 01:09:06,859

John Edmunds has relied on prayer and

1469

01:09:15,920 --> 01:09:11,640

his belief he's a patriot he's a

1470

01:09:17,420 --> 01:09:15,930

Christian blessings to him for all that

1471

01:09:22,880 --> 01:09:17,430

he's dealing with in the Rainbow Valley

1472

01:09:25,400 --> 01:09:22,890

a very paranormal Valley indeed he has

1473

01:09:27,410 --> 01:09:25,410

encountered these anchor points of

1474

01:09:30,039 --> 01:09:27,420

missing objects that allow these

1475

01:09:34,670 --> 01:09:30,049

entities to re-enter the timeline

1476

01:09:38,209 --> 01:09:34,680

usually in seconds minutes or hours his

1477

01:09:40,760 --> 01:09:38,219

wedding ring hits the 20 year mark he's

1478

01:09:44,120 --> 01:09:40,770

an inspiration to many of us the time

1479

01:09:47,120 --> 01:09:44,130

aspect the objects moving the

1480

01:09:50,059 --> 01:09:47,130

hand-to-hand combat it's UFO central

1481

01:09:54,650 --> 01:09:50,069

reminds me so much of so many places in

1482

01:09:58,580 --> 01:09:54,660

Utah as well as Arizona very trying

1483

01:10:01,320 --> 01:09:58,590

experiences everything from samurai

1484

01:10:04,270 --> 01:10:01,330

swords to ak-47s

1485

01:10:05,440 --> 01:10:04,280

there is something going on at the

1486

01:10:09,100 --> 01:10:05,450

Stardust ranch

1487

01:10:13,720 --> 01:10:09,110

and there's something going on at a lot

1488

01:10:17,140 --> 01:10:13,730

of other ranches as well if you have it

1489

01:10:21,520 --> 01:10:17,150

already please do me a favor and read

1490

01:10:23,530 --> 01:10:21,530

the utah UFO ranch it explains that a

1491

01:10:27,790 --> 01:10:23,540

lot of these paranormal properties are

1492

01:10:30,400 --> 01:10:27,800

in fact connected if not directed

1493

01:10:32,800 --> 01:10:30,410

towards a whole new way of looking at

1494

01:10:36,490 --> 01:10:32,810

reality in the universe itself and our

1495

01:10:40,360 --> 01:10:36,500

part in it something's got to give

1496

01:10:44,440 --> 01:10:40,370

sometimes we become more aware of this

1497

01:10:47,520 --> 01:10:44,450

Steven Hawkings himself mentioned that

1498

01:10:49,870 --> 01:10:47,530

it's very likely that these entities or

1499

01:10:52,960 --> 01:10:49,880

varieties of these entities don't like

1500

01:10:55,480 --> 01:10:52,970

to sit all they possibly hate us Tom

1501

01:10:58,600 --> 01:10:55,490

DeLonge has said the same thing to the

1502

01:11:02,470 --> 01:10:58,610

Stars Academy whether individuals or

1503

01:11:05,590 --> 01:11:02,480

groups these grades may be worker bees

1504

01:11:08,350 --> 01:11:05,600

order takers dimensional robots so to

1505

01:11:11,560 --> 01:11:08,360

speak biological entities doing the

1506

01:11:15,130 --> 01:11:11,570

bidding of others sure there's good and

1507

01:11:17,620 --> 01:11:15,140

bad beings our ability to understand

1508

01:11:21,040 --> 01:11:17,630

this is very limited given the amount of

1509

01:11:23,040 --> 01:11:21,050

resources we are allowed not to see it

1510

01:11:25,690 --> 01:11:23,050

is possible our government knows more

1511

01:11:29,650 --> 01:11:25,700

it's more possible they're not telling

1512

01:11:33,670 --> 01:11:29,660

us and the time aspect is possibly one

1513

01:11:35,730 --> 01:11:33,680

of the most interesting unique objects

1514

01:11:37,980 --> 01:11:35,740

moving grounding points

1515

01:11:41,490 --> 01:11:37,990

can't wait to get out to the Rainbow

1516

01:11:43,590 --> 01:11:41,500

Valley blessings to everybody that's

1517

01:11:45,480 --> 01:11:43,600

listening tonight for the time you've

1518

01:11:52,040 --> 01:11:45,490

taken out of your own hectic schedules

1519

01:11:54,990 --> 01:11:52,050

to listening to things not so well-known

1520

01:11:58,740 --> 01:11:55,000

so I wholeheartedly thank you please do

1521

01:12:03,690 --> 01:11:58,750

your best to support hero a paranormal

1522

01:12:05,280 --> 01:12:03,700

podcast and all of its affiliates we

1523

01:12:09,420 --> 01:12:05,290

don't do this for the money we barely

1524

01:12:13,260 --> 01:12:09,430

keep the lights on so hop over the hero

1525

01:12:15,540 --> 01:12:13,270

paranormal comm shoot us a buck shoot us

1526

01:12:18,360 --> 01:12:15,550

five bucks shoot us nothing just check

1527

01:12:21,240 --> 01:12:18,370

it out also hop over to space wolf

1528

01:12:23,340 --> 01:12:21,250

research com I will continue to do my

1529

01:12:24,180 --> 01:12:23,350

best to bring you the heroes of the

1530

01:12:27,150 --> 01:12:24,190

paranormal

1531

01:12:30,510 --> 01:12:27,160

the cryptozoological the fringe of

1532

01:12:34,170 --> 01:12:30,520

society secret societies and everything

1533

01:12:37,260 --> 01:12:34,180

else that falls outside of the

1534

01:12:41,010 --> 01:12:37,270

parameters of the well accepted

1535

01:12:43,140 --> 01:12:41,020

narrative there's more to this reality

1536

01:12:45,870 --> 01:12:43,150

ladies and gentlemen and I will be my

1537

01:12:48,300 --> 01:12:45,880

best to bring it to you I would like to

1538

01:12:52,020 --> 01:12:48,310

thank mr. John Edmonds one more time the

1539

01:12:54,180 --> 01:12:52,030

star des tranche and all of the people

1540

01:12:58,650 --> 01:12:54,190

who take time to listen to you hero

1541

01:13:01,350 --> 01:12:58,660

paranormal podcast keep your eyes to the

1542

01:13:11,810 --> 01:13:01,360

skies feet on the ground but don't

1543

01:13:22,980 --> 01:13:19,490

[Music]

1544

01:13:27,090 --> 01:13:22,990

blast-off of my time machine sir I feel

1545

01:13:27,810 --> 01:13:27,100

like it needs a blast not blast off last

1546

01:13:31,410 --> 01:13:27,820

night

1547

01:13:33,990 --> 01:13:31,420

blast off come blast off in my side of

1548

01:13:39,310 --> 01:13:34,000

the sheet there I feel like you need my
