

HEROparanormal #25
Arron Crawford

Cabal Bankers, Shapeshifting, UFOs, and secret programs

1
00:00:37,060 --> 00:00:25,320

[Music]

2
00:00:44,900 --> 00:00:41,900

hello everyone out there wherever you

3
00:00:47,630 --> 00:00:44,910

may be across the country around the

4
00:00:51,770 --> 00:00:47,640

world this is Ryan burns host of the

5
00:00:53,270 --> 00:00:51,780

hero paranormal podcast as I sit perched

6
00:00:55,610 --> 00:00:53,280

in the hills of the Mojave Desert

7
00:00:58,369 --> 00:00:55,620

looking at the glowing lights of the Las

8
00:01:00,799 --> 00:00:58,379

Vegas Strip below me I can only

9
00:01:04,369 --> 00:01:00,809

contemplate the reality we all live on a

10
00:01:07,399 --> 00:01:04,379

daily basis what is really real what is

11
00:01:09,440 --> 00:01:07,409

reality is it the hills behind me filled

12
00:01:12,410 --> 00:01:09,450

with creatures cactuses and birds of

13
00:01:15,770 --> 00:01:12,420

prey engaged in daily battle for

14

00:01:17,929 --> 00:01:15,780

survival or is it the wild glow of

15

00:01:20,749 --> 00:01:17,939

billions of lights along the main artery

16

00:01:23,390 --> 00:01:20,759

of the concrete jungle below me like a

17

00:01:25,399 --> 00:01:23,400

moth to flame billions of dollars

18

00:01:29,240 --> 00:01:25,409

changing hands at an unbelievable rate

19

00:01:32,120 --> 00:01:29,250

of speed cash skin and sin being the

20

00:01:35,050 --> 00:01:32,130

currency of choice or is it more likely

21

00:01:37,789 --> 00:01:35,060

that reality is something much deeper

22

00:01:40,160 --> 00:01:37,799

something bigger than ourselves could

23

00:01:43,670 --> 00:01:40,170

this all be a distraction from a darker

24

00:01:46,069 --> 00:01:43,680

deeper reality one that very few of us

25

00:01:48,179 --> 00:01:46,079

are aware of but many of us feel in the

26

00:01:51,029 --> 00:01:48,189

depths of our souls

27

00:01:53,669 --> 00:01:51,039

in a world where debt based system of

28

00:01:55,230 --> 00:01:53,679

slavery is accepted a credit score means

29

00:01:57,660 --> 00:01:55,240

more than what you've done to help your

30

00:01:59,880 --> 00:01:57,670

fellow man and you don't know where

31

00:02:04,499 --> 00:01:59,890

exactly your dinner came from let alone

32

00:02:06,929 --> 00:02:04,509

your lunch or breakfast how can we be so

33

00:02:09,690 --> 00:02:06,939

sure about anything secrets at every

34

00:02:12,990 --> 00:02:09,700

turn a legal system which seems at times

35

00:02:15,000 --> 00:02:13,000

to be the opposite of justice a military

36

00:02:17,130 --> 00:02:15,010

so compartmentalized even soldiers

37

00:02:19,410 --> 00:02:17,140

themselves don't know exactly what their

38

00:02:22,830 --> 00:02:19,420

missions are let alone what they're

39

00:02:24,839 --> 00:02:22,840

fighting for well tonight's guest Aaron

40

00:02:27,839 --> 00:02:24,849

Crawford will surely be able to shed

41

00:02:30,210 --> 00:02:27,849

some light on our play he is overly

42

00:02:33,089 --> 00:02:30,220

familiar with time manipulation and

43

00:02:34,949 --> 00:02:33,099

we're gonna get to a lot more but first

44

00:02:37,440 --> 00:02:34,959

if you're not a patron of hero

45

00:02:39,960 --> 00:02:37,450

paranormal become one it's cheap like

46

00:02:42,089 --> 00:02:39,970

whatever you can afford don't find that

47

00:02:46,140 --> 00:02:42,099

at other castes stop by the hero

48

00:02:48,119 --> 00:02:46,150

paranormal comm website and hit the

49

00:02:50,990 --> 00:02:48,129

donate button to either do a one-time

50

00:02:53,309 --> 00:02:51,000

donation or be one of our patrons and

51
00:02:55,530 --> 00:02:53,319
for the price of a designer cup of

52
00:02:58,589 --> 00:02:55,540
coffee a month you'll get patron only

53
00:03:01,470 --> 00:02:58,599
content every month if you want a hat

54
00:03:03,569 --> 00:03:01,480
t-shirt or care to support research

55
00:03:06,720 --> 00:03:03,579
projects in the heart of shapeshifter

56
00:03:07,589 --> 00:03:06,730
territory of Utah I do that too every

57
00:03:09,479 --> 00:03:07,599
little bit helps

58
00:03:12,240 --> 00:03:09,489
and I will continue to bring you the

59
00:03:14,789 --> 00:03:12,250
best fringe topics and guests from the

60
00:03:17,330 --> 00:03:14,799
east to the west people from across the

61
00:03:19,610 --> 00:03:17,340
country people from around the world and

62
00:03:23,369 --> 00:03:19,620
further

63
00:03:26,059 --> 00:03:23,379

well let's get to it enough

64

00:03:29,330 --> 00:03:26,069

self-promotion as badly as I need it

65

00:03:32,339 --> 00:03:29,340

this bio tonight reads like something

66

00:03:35,580 --> 00:03:32,349

from a science fiction novel I've seen

67

00:03:39,179 --> 00:03:35,590

some stuff that left me reeling erin has

68

00:03:42,780 --> 00:03:39,189

shared some things with me that are well

69

00:03:45,750 --> 00:03:42,790

sincerely amazing actual photographic

70

00:03:48,270 --> 00:03:45,760

proof of things and more files and

71

00:03:50,819 --> 00:03:48,280

another things he's very familiar with

72

00:03:53,009 --> 00:03:50,829

he is the owner of his own supplement

73

00:03:56,339 --> 00:03:53,019

company and is working with Emery Smith

74

00:03:59,729 --> 00:03:56,349

on products in addition he's a former

75

00:04:01,470 --> 00:03:59,739

professional athlete he is a targeted an

76

00:04:05,879 --> 00:04:01,480

individual who has had threats on his

77

00:04:07,830 --> 00:04:05,889

life and multiple attempts people have

78

00:04:11,250 --> 00:04:07,840

claimed the ciarán shape-shift before

79

00:04:13,470 --> 00:04:11,260

their very eyes he has sent me some

80

00:04:17,759 --> 00:04:13,480

interesting images showing time

81

00:04:20,249 --> 00:04:17,769

travelers where he is also involved he

82

00:04:23,430 --> 00:04:20,259

is a Krueger Runner which is a Nazi

83

00:04:25,920 --> 00:04:23,440

military contractor he has had past life

84

00:04:29,250 --> 00:04:25,930

experiences as a Nazi which we'll get

85

00:04:32,670 --> 00:04:29,260

into he has memories of being on a craft

86

00:04:36,480 --> 00:04:32,680

and coming to earth he's also a Montauk

87

00:04:39,659 --> 00:04:36,490

superstar we'll talk about that he's the

88

00:04:41,850 --> 00:04:39,669

fastest on his feet the best experiences

89

00:04:43,710 --> 00:04:41,860

in the dark fleet Aaron it is my

90

00:04:49,680 --> 00:04:43,720

pleasure to welcome you to the hero

91

00:04:52,020 --> 00:04:49,690

paranormal podcast my name's Eric

92

00:04:54,680 --> 00:04:52,030

awkward I'm living in Perth Western

93

00:04:59,219 --> 00:04:54,690

Australia on the form of pro athletes

94

00:05:02,909 --> 00:04:59,229

and I also was running a natural

95

00:05:05,730 --> 00:05:02,919

supplement company I feel that I've been

96

00:05:10,379 --> 00:05:05,740

a targeted individuals and a child

97

00:05:13,950 --> 00:05:10,389

and recently have found out that I have

98

00:05:17,219 --> 00:05:13,960

been involved with my lads the secret

99

00:05:21,540 --> 00:05:17,229

space program and the super soldier

100

00:05:23,990 --> 00:05:21,550

programs and all of those types of

101
00:05:27,540 --> 00:05:24,000
things I am getting some memory recall

102
00:05:30,360 --> 00:05:27,550
but a lot of the a lot of the strangest

103
00:05:32,390 --> 00:05:30,370
experiences that I've had that haven't

104
00:05:33,469 --> 00:05:32,400
been like with the other

105
00:05:36,070 --> 00:05:33,479
experiences where they're having

106
00:05:39,890 --> 00:05:36,080
recalled memories from another reality

107
00:05:44,210 --> 00:05:39,900
my kind of story has happened within

108
00:05:47,060 --> 00:05:44,220
this reality this 3d reality and some

109
00:05:50,060 --> 00:05:47,070
stuff happened to me that it's just

110
00:05:52,370 --> 00:05:50,070
insane it sounds like a movie script in

111
00:05:56,779 --> 00:05:52,380
the last couple of years and still

112
00:05:59,240 --> 00:05:56,789
continues on to this day but I get going

113
00:06:03,230 --> 00:05:59,250

back to my childhood for as long as I

114

00:06:05,840 --> 00:06:03,240

can remember I've experienced sleep

115

00:06:09,500 --> 00:06:05,850

paralysis or what what is called being

116

00:06:11,210 --> 00:06:09,510

called sleep paralysis where I mean I

117

00:06:13,520 --> 00:06:11,220

don't believe it's sleep paralysis but I

118

00:06:17,659 --> 00:06:13,530

used to think that it was demonic attack

119

00:06:21,080 --> 00:06:17,669

because I'm kind of get a feeling like

120

00:06:23,000 --> 00:06:21,090

like that like electrical static feeling

121

00:06:25,310 --> 00:06:23,010

up the back of my neck before it was

122

00:06:26,750 --> 00:06:25,320

going to happen so it was almost like if

123

00:06:28,089 --> 00:06:26,760

there was some type of presence or

124

00:06:31,040 --> 00:06:28,099

something

125

00:06:34,010 --> 00:06:31,050

electromagnetic happening before you'd

126

00:06:36,890 --> 00:06:34,020

get frozen and you're not you're not

127

00:06:38,420 --> 00:06:36,900

asleep but I'm and and like even my eyes

128

00:06:42,050 --> 00:06:38,430

would be open but you can't move you

129

00:06:46,370 --> 00:06:42,060

can't yell out or you know call out to

130

00:06:49,700 --> 00:06:46,380

someone are anything an end like I would

131

00:06:51,589 --> 00:06:49,710

see what what people refer to as shadow

132

00:06:54,710 --> 00:06:51,599

people would come into the rear end of

133

00:06:58,399 --> 00:06:54,720

it there it may only last for you know

134

00:06:59,930 --> 00:06:58,409

15 seconds or but look I used to think

135

00:07:03,820 --> 00:06:59,940

it was kind of some type of spiritual

136

00:07:05,779 --> 00:07:03,830

attack that was happening but um now

137

00:07:09,379 --> 00:07:05,789

with everything that's happened to me I

138

00:07:16,040 --> 00:07:09,389

really believe that this is where my

139

00:07:18,950 --> 00:07:16,050

lads or ETS are coming in taking you at

140

00:07:21,770 --> 00:07:18,960

a certain time taking you out using you

141

00:07:24,170 --> 00:07:21,780

or doing whatever and then wiping your

142

00:07:27,800 --> 00:07:24,180

memory with MKULTRA and then placing the

143

00:07:29,990 --> 00:07:27,810

back and like there's just a few

144

00:07:33,680 --> 00:07:30,000

glitches in the matrix I guess which is

145

00:07:36,310 --> 00:07:33,690

kind of kind of freezing or sleep

146

00:07:38,659 --> 00:07:36,320

paralysis but that of experience and

147

00:07:40,670 --> 00:07:38,669

experience that all the way up to my

148

00:07:45,200 --> 00:07:40,680

thirties and sometimes it comes with

149

00:07:45,970 --> 00:07:45,210

visions but it's always come with the

150

00:07:53,810 --> 00:07:45,980

feelings

151
00:07:55,820 --> 00:07:53,820
entail true torture abuse and one of the

152
00:07:59,360 --> 00:07:55,830
visual side of it is blank but like I'm

153
00:08:03,950 --> 00:07:59,370
actually feeling and hearing the the

154
00:08:07,780 --> 00:08:03,960
abuse or the torture during that kind of

155
00:08:10,870 --> 00:08:07,790
paralysis for split second or however

156
00:08:14,180 --> 00:08:10,880
many moments that it goes goes on for so

157
00:08:16,310 --> 00:08:14,190
I also used to believe that this was me

158
00:08:19,909 --> 00:08:16,320
kind of having episode or flashbacks to

159
00:08:21,650 --> 00:08:19,919
child abuse as a child but you know now

160
00:08:25,159 --> 00:08:21,660
now with everything that I that I know

161
00:08:30,170 --> 00:08:25,169
it definitely seems like it could be

162
00:08:34,040 --> 00:08:30,180
that I'm being taken out of time and

163
00:08:35,930 --> 00:08:34,050

used in say my lab program or whatever

164

00:08:39,440 --> 00:08:35,940

and then to what my very they're using

165

00:08:42,140 --> 00:08:39,450

MKULTRA to then what my memory so I

166

00:08:48,140 --> 00:08:42,150

can't remember anything and put place me

167

00:08:50,660 --> 00:08:48,150

back in my bed or wherever I may be so I

168

00:08:53,810 --> 00:08:50,670

mean I've just kind of I've had almost

169

00:08:56,870 --> 00:08:53,820

died nurse files and it looks like

170

00:09:01,550 --> 00:08:56,880

myself and my fiance had been used

171

00:09:06,620 --> 00:09:01,560

extensively by darkly and and I'm a

172

00:09:09,200 --> 00:09:06,630

Montauk boy as well so yeah it's very

173

00:09:11,930 --> 00:09:09,210

impressive I you know we spoke a little

174

00:09:14,240 --> 00:09:11,940

bit and this is the sleep paralysis is

175

00:09:17,240 --> 00:09:14,250

very common and and the shadow people is

176
00:09:19,700 --> 00:09:17,250
pretty scary this is you know these are

177
00:09:22,460 --> 00:09:19,710
these are dark forces absolutely and

178
00:09:25,400 --> 00:09:22,470
this reality it does sound like a like a

179
00:09:27,920 --> 00:09:25,410
movie script Erin and and with the my

180
00:09:29,510 --> 00:09:27,930
labs the ETS and and taking you and

181
00:09:31,010 --> 00:09:29,520
doing whatever they want you know I've

182
00:09:33,079 --> 00:09:31,020
had the experience of being able to

183
00:09:36,440 --> 00:09:33,089
speak with a lot of individuals who

184
00:09:40,280 --> 00:09:36,450
claim to be abductors contactees and

185
00:09:42,800 --> 00:09:40,290
everything in between and I'm very very

186
00:09:44,630 --> 00:09:42,810
interested in like the visual side of

187
00:09:46,519 --> 00:09:44,640
this all being blank as you mentioned

188
00:09:54,740 --> 00:09:46,529

the shadow people I'd like to get to

189

00:09:56,630 --> 00:09:54,750

that as well see visual memories and

190

00:09:58,850 --> 00:09:56,640

there's notes down so people are talking

191

00:10:03,170 --> 00:09:58,860

in that and they are there's no

192

00:10:06,950 --> 00:10:03,180

boys with me actually feel the the

193

00:10:09,890 --> 00:10:06,960

torture and the abuses and you know like

194

00:10:12,290 --> 00:10:09,900

it's out of it it is to say I'm going to

195

00:10:14,630 --> 00:10:12,300

be brave like the fact the sexual trauma

196

00:10:18,950 --> 00:10:14,640

and stuff like that I actually feel

197

00:10:22,640 --> 00:10:18,960

during the paralysis but visually in my

198

00:10:25,070 --> 00:10:22,650

mind's eye and also my eyes is black

199

00:10:26,750 --> 00:10:25,080

it's blacked out so that the entails has

200

00:10:31,460 --> 00:10:26,760

work and I believe that the shadow

201
00:10:34,220 --> 00:10:31,470
people are not kind of at shadow

202
00:10:36,260 --> 00:10:34,230
entities they're actually the human

203
00:10:38,480 --> 00:10:36,270
people or ETS that have walked in the

204
00:10:42,410 --> 00:10:38,490
room and grabs me and taken me out

205
00:10:45,230 --> 00:10:42,420
but because the MK ULTRA and the the

206
00:10:46,160 --> 00:10:45,240
programming there's almost does

207
00:10:48,500 --> 00:10:46,170
themselves out

208
00:10:50,060 --> 00:10:48,510
so there's programmed you to not

209
00:10:53,350 --> 00:10:50,070
remember who they are

210
00:10:56,150 --> 00:10:53,360
I think mingle I worked out how to sit

211
00:11:00,680 --> 00:10:56,160
self-destruct triggers and things where

212
00:11:02,480 --> 00:11:00,690
they're kind of once that the person

213
00:11:03,920 --> 00:11:02,490

that's been put in the in the into the

214

00:11:05,570 --> 00:11:03,930

trauma until the point where they're

215

00:11:07,010 --> 00:11:05,580

conscious mind had left and said you

216

00:11:08,990 --> 00:11:07,020

know I can't handle this I'm out of here

217

00:11:11,360 --> 00:11:09,000

and they're left with a completely

218

00:11:13,430 --> 00:11:11,370

programmable fractured mind they're

219

00:11:15,350 --> 00:11:13,440

actually programming that if you

220

00:11:17,030 --> 00:11:15,360

remember my faith or if you remember

221

00:11:19,580 --> 00:11:17,040

who's done this you you'll commit

222

00:11:21,830 --> 00:11:19,590

suicide or you know that's definitely

223

00:11:24,080 --> 00:11:21,840

the part that they're kind of are making

224

00:11:26,270 --> 00:11:24,090

sure that you you don't remember and I

225

00:11:30,670 --> 00:11:26,280

actually believe that the so-called

226

00:11:33,820 --> 00:11:30,680

shadow people are basically people that

227

00:11:37,030 --> 00:11:33,830

the either government or et that have

228

00:11:39,170 --> 00:11:37,040

been erased kind of from my memory

229

00:11:42,530 --> 00:11:39,180

through through the programming or

230

00:11:44,780 --> 00:11:42,540

MKULTRA when I've been with over there

231

00:11:48,830 --> 00:11:44,790

finished up in there and and brought me

232

00:11:50,960 --> 00:11:48,840

back to to drop and drop me back off yes

233

00:11:53,690 --> 00:11:50,970

I think that's what I'm experiencing

234

00:11:56,870 --> 00:11:53,700

that kind of being frozen in time is

235

00:11:59,480 --> 00:11:56,880

that time dilation technology or them

236

00:12:02,150 --> 00:11:59,490

able to take you out and put you back

237

00:12:07,010 --> 00:12:02,160

like when people talk about the twenty

238

00:12:09,200 --> 00:12:07,020

and backs to the SSP yeah they can take

239

00:12:11,810 --> 00:12:09,210

you out YouTube twenty years in in and

240

00:12:12,500 --> 00:12:11,820

then reverse Adrienne place you back at

241

00:12:15,140 --> 00:12:12,510

the same

242

00:12:18,050 --> 00:12:15,150

working nevertheless I think that is

243

00:12:20,030 --> 00:12:18,060

actually where there is you know some

244

00:12:23,960 --> 00:12:20,040

glitches in time experienced by myself

245

00:12:26,540 --> 00:12:23,970

only maybe for fifteen seconds but you

246

00:12:29,750 --> 00:12:26,550

know maybe I've been used for 20 years

247

00:12:33,040 --> 00:12:29,760

plus which has been communicated to me

248

00:12:37,310 --> 00:12:33,050

that they dart fleet has used me for

249

00:12:40,310 --> 00:12:37,320

longer than a 20-year periods initially

250

00:12:44,450 --> 00:12:40,320

and also a second twenty and back at

251

00:12:50,800 --> 00:12:44,460

least this is because in my previous

252

00:12:54,580 --> 00:12:50,810

life apparently of very loyal SS Nazi

253

00:13:01,580 --> 00:12:54,590

soldier in the Second World War and

254

00:13:05,600 --> 00:13:01,590

darkly actually looked for those songs

255

00:13:08,030 --> 00:13:05,610

or and the genetics to actually use them

256

00:13:10,510 --> 00:13:08,040

again in the next life when they're

257

00:13:13,280 --> 00:13:10,520

recruiting into their programs

258

00:13:17,450 --> 00:13:13,290

apparently so you know selected face

259

00:13:20,330 --> 00:13:17,460

based on the fact that I was loyal to to

260

00:13:23,330 --> 00:13:20,340

the cause in a previous life that's

261

00:13:25,580 --> 00:13:23,340

what's been communicated to me anyway so

262

00:13:27,890 --> 00:13:25,590

which is which is doing very interesting

263

00:13:31,070 --> 00:13:27,900

I to say the least

264

00:13:34,880 --> 00:13:31,080

I mean if you look at me I look like I'm

265

00:13:36,800 --> 00:13:34,890

out of it then the nazis superbaby

266

00:13:40,190 --> 00:13:36,810

program I mean I'm six foot four broad

267

00:13:43,790 --> 00:13:40,200

shoulder blue-eyed blonde-haired yeah

268

00:13:46,910 --> 00:13:43,800

I've got all the attributes of yeah my

269

00:13:50,030 --> 00:13:46,920

sister as well my sister suits for broad

270

00:13:51,760 --> 00:13:50,040

shoulder and I keep I keep boxing world

271

00:13:56,330 --> 00:13:51,770

champion I'm sorry

272

00:13:58,760 --> 00:13:56,340

yeah like and really look at my parents

273

00:14:00,560 --> 00:13:58,770

what they're both well under six for my

274

00:14:02,840 --> 00:14:00,570

dad's dark head and a lot of people

275

00:14:07,490 --> 00:14:02,850

often ask know where did you kids come

276

00:14:08,180 --> 00:14:07,500

from because yeah you know it looks like

277

00:14:10,670 --> 00:14:08,190

way

278

00:14:14,600 --> 00:14:10,680

yeah we're not our parents keeps con

279

00:14:16,460 --> 00:14:14,610

opinion and it was told to me that I've

280

00:14:21,590 --> 00:14:16,470

got a twin brother that that runs around

281

00:14:24,410 --> 00:14:21,600

I'm not applying but a tween that is you

282

00:14:26,140 --> 00:14:24,420

know when I was like to be placed in his

283

00:14:28,610 --> 00:14:26,150

family or you know

284

00:14:33,050 --> 00:14:28,620

I'm not quite sure on those details but

285

00:14:36,170 --> 00:14:33,060

um yeah you've got more pointing out now

286

00:14:38,360 --> 00:14:36,180

you know the the interesting thing is um

287

00:14:40,790 --> 00:14:38,370

you've shared some very very intriguing

288

00:14:43,580 --> 00:14:40,800

and personal things with me that that

289

00:14:45,950 --> 00:14:43,590

really have it reminds me a lot of the

290

00:14:47,750 --> 00:14:45,960

men in black you know the movie where

291

00:14:49,730 --> 00:14:47,760

you're able to just mine white people

292

00:14:51,560 --> 00:14:49,740

and and as far as I'm kale try I know

293

00:14:53,120 --> 00:14:51,570

that a lot of people have issues with

294

00:14:56,390 --> 00:14:53,130

that and don't believe it's real well it

295

00:14:58,400 --> 00:14:56,400

I there's just so much background so

296

00:14:59,930 --> 00:14:58,410

much information and psychological

297

00:15:02,000 --> 00:14:59,940

manipulation that's been taking place

298

00:15:05,180 --> 00:15:02,010

it's actually been studied by tons of

299

00:15:07,310 --> 00:15:05,190

scientists across the globe and you know

300

00:15:07,970 --> 00:15:07,320

they even have there's a whole code

301
00:15:09,560 --> 00:15:07,980

language

302
00:15:10,940 --> 00:15:09,570

you know the different colors mean

303
00:15:13,430 --> 00:15:10,950

different things like you said hurt

304
00:15:14,750 --> 00:15:13,440

yourself or commit suicide is kind of

305
00:15:16,190 --> 00:15:14,760

towards the end if the missions not

306
00:15:18,790 --> 00:15:16,200

going the way they want it to or if you

307
00:15:21,770 --> 00:15:18,800

start to grow it's all verified

308
00:15:29,440 --> 00:15:21,780

documented this is all stuff that people

309
00:15:32,210 --> 00:15:29,450

can look up and it's very real where the

310
00:15:34,820 --> 00:15:32,220

the Nazi scientists and that way we're

311
00:15:37,340 --> 00:15:34,830

kind of allowed to move into the u.s.

312
00:15:39,980 --> 00:15:37,350

CIA where that's what they wanted mingle

313
00:15:42,380 --> 00:15:39,990

up because they want they wanted in for

314

00:15:46,640 --> 00:15:42,390

his knowledge and what he was doing in

315

00:15:49,400 --> 00:15:46,650

and MKULTRA became a big part of CIA's I

316

00:15:53,330 --> 00:15:49,410

once it went from the OSS through the

317

00:15:55,460 --> 00:15:53,340

CIA and and mingler that year was they

318

00:15:57,890 --> 00:15:55,470

were very big with the MKULTRA and I

319

00:16:00,950 --> 00:15:57,900

think you know now that they've kind of

320

00:16:03,230 --> 00:16:00,960

perfected it whereas the you know like

321

00:16:06,850 --> 00:16:03,240

that earlier kind of super soldiers or

322

00:16:08,870 --> 00:16:06,860

people better be tested on you know they

323

00:16:12,500 --> 00:16:08,880

they want some problems with the

324

00:16:14,960 --> 00:16:12,510

programming and you know it's something

325

00:16:17,300 --> 00:16:14,970

that could be like a lot more prevalent

326

00:16:19,400 --> 00:16:17,310

in the society where you know people

327

00:16:21,410 --> 00:16:19,410

start to have these probably true

328

00:16:22,850 --> 00:16:21,420

memories and if you can't come forward

329

00:16:23,240 --> 00:16:22,860

and talk to a doctor or tell some

330

00:16:25,040 --> 00:16:23,250

friends

331

00:16:27,950 --> 00:16:25,050

straight away can be labeled with a

332

00:16:32,360 --> 00:16:27,960

mental illness like multiple personality

333

00:16:35,090 --> 00:16:32,370

or psychosis and kind of be locked in an

334

00:16:37,790 --> 00:16:35,100

inner solemn kind of thing when you know

335

00:16:40,370 --> 00:16:37,800

like this it's now kind of age they're

336

00:16:42,410 --> 00:16:40,380

starting to talk about dissociative

337

00:16:45,230 --> 00:16:42,420

disorder where you know you people have

338

00:16:48,410 --> 00:16:45,240

altered and and these alters are created

339

00:16:52,730 --> 00:16:48,420

up if you've listened to the students

340

00:16:55,280 --> 00:16:52,740

third ladies then got the numbers they

341

00:16:59,150 --> 00:16:55,290

said that the mind can be fractured like

342

00:17:02,720 --> 00:16:59,160

13 by 13 by 13 which allows to have you

343

00:17:05,300 --> 00:17:02,730

know X amount of thousand alters in one

344

00:17:07,490 --> 00:17:05,310

in one point so they're loaded they've

345

00:17:09,590 --> 00:17:07,500

loaded the tested and they're loaded

346

00:17:13,730 --> 00:17:09,600

people with as many alters as they can

347

00:17:16,340 --> 00:17:13,740

before they kind of break and you know

348

00:17:20,000 --> 00:17:16,350

like should specialize if you listen to

349

00:17:21,680 --> 00:17:20,010

any of his stuff they've got to find out

350

00:17:25,310 --> 00:17:21,690

exactly how many alters can be in a

351

00:17:27,140 --> 00:17:25,320

fractured model and you know it's it's

352

00:17:29,660 --> 00:17:27,150

scary stuff when you you know you could

353

00:17:33,590 --> 00:17:29,670

alter can be triggered in I think that

354

00:17:36,710 --> 00:17:33,600

like I listened to a lot of Max Spears a

355

00:17:40,220 --> 00:17:36,720

lot of his work and you know he said

356

00:17:41,990 --> 00:17:40,230

when he was experiencing this stuff he

357

00:17:44,120 --> 00:17:42,000

would wake up was fully clothed with his

358

00:17:46,940 --> 00:17:44,130

receipts in his pockets that he had been

359

00:17:48,320 --> 00:17:46,950

out he left the house previous the

360

00:17:51,680 --> 00:17:48,330

previous night and here's no

361

00:17:53,660 --> 00:17:51,690

recollection of it and you know he had

362

00:17:57,590 --> 00:17:53,670

no idea what he could have been doing or

363

00:18:01,100 --> 00:17:57,600

and who fall you know that's the that's

364

00:18:02,840 --> 00:18:01,110

the scary part about it but you know you

365

00:18:05,720 --> 00:18:02,850

people people kind of tend to not but

366

00:18:08,870 --> 00:18:05,730

not believe it but it and think it it's

367

00:18:10,400 --> 00:18:08,880

kind of a fantasy but really what would

368

00:18:11,840 --> 00:18:10,410

the perfect soldier be with it would be

369

00:18:14,650 --> 00:18:11,850

a soldier that can't remember what he's

370

00:18:18,260 --> 00:18:14,660

done and one that you don't have to pay

371

00:18:20,390 --> 00:18:18,270

perfect mm-hmm absolutely when you talk

372

00:18:25,760 --> 00:18:20,400

about cutting and budgeting and stuff

373

00:18:29,030 --> 00:18:25,770

like this you know like yeah I think the

374

00:18:30,770 --> 00:18:29,040

first it first I was starting the

375

00:18:33,020 --> 00:18:30,780

country in the movie with Matt Damon and

376

00:18:35,150 --> 00:18:33,030

the Bourne Identity when if you watch

377

00:18:36,770 --> 00:18:35,160

that series yeah I think it's the third

378

00:18:38,840 --> 00:18:36,780

one where they're asking you know do you

379

00:18:42,500 --> 00:18:38,850

commit to this program and then you know

380

00:18:46,790 --> 00:18:42,510

kind of torturing him and and just like

381

00:18:49,880 --> 00:18:46,800

a lot of the memories for for experience

382

00:18:51,830 --> 00:18:49,890

malas experiences like we basically you

383

00:18:54,210 --> 00:18:51,840

know has enough of it to a point that he

384

00:18:55,830 --> 00:18:54,220

takes a gun and shoots the god got there

385

00:18:57,749 --> 00:18:55,840

the hood over his head in the corner and

386

00:18:59,850 --> 00:18:57,759

you know they kind of say oh you're no

387

00:19:01,950 --> 00:18:59,860

longer David Webb you're now Jason

388

00:19:05,480 --> 00:19:01,960

Bourne and and I think that was a bit of

389

00:19:08,369 --> 00:19:05,490

its closure there through those movies

390

00:19:09,570 --> 00:19:08,379

absolutely and it's man Aaron it's so

391

00:19:11,070 --> 00:19:09,580

interesting that you mentioned the

392

00:19:15,330 --> 00:19:11,080

Bourne Identity that just gave me chills

393

00:19:19,649 --> 00:19:15,340

because without giving too much

394

00:19:22,680 --> 00:19:19,659

information I am a personal friend of a

395

00:19:24,330 --> 00:19:22,690

consultant who he consulted on the

396

00:19:28,710 --> 00:19:24,340

Hollywood films because he actually

397

00:19:31,200 --> 00:19:28,720

lived this and without he he's an

398

00:19:34,379 --> 00:19:31,210

amazing guy I mean we're talking you

399

00:19:37,259 --> 00:19:34,389

know has the the background and like the

400

00:19:38,999 --> 00:19:37,269

body like you have that it's just when

401
00:19:40,919 --> 00:19:39,009
I've met him personally I mean the first

402
00:19:42,600 --> 00:19:40,929
thing is such a kind guy but the first

403
00:19:45,149 --> 00:19:42,610
thought that came to my mind this guy

404
00:19:45,720 --> 00:19:45,159
could just snap me like a twig in a

405
00:19:49,350 --> 00:19:45,730
second

406
00:19:50,879 --> 00:19:49,360
and it's so interesting because he

407
00:19:52,950 --> 00:19:50,889
mentioned the very same thing that he

408
00:19:56,879 --> 00:19:52,960
does not that there's just so much going

409
00:19:59,669 --> 00:19:56,889
on and and these these missions these

410
00:20:02,369 --> 00:19:59,679
and and this is a very real thing and I

411
00:20:05,369 --> 00:20:02,379
think I think we all experience these

412
00:20:07,379 --> 00:20:05,379
alters to a much smaller degree you hear

413
00:20:09,480 --> 00:20:07,389

about I mean you hear it all the time

414

00:20:11,310 --> 00:20:09,490

about a mother that sees her child get

415

00:20:13,560 --> 00:20:11,320

run over by a car she runs over lifts

416

00:20:15,389 --> 00:20:13,570

the car off the baby this is a pot you

417

00:20:18,060 --> 00:20:15,399

know that's an altar correct or more or

418

00:20:21,419 --> 00:20:18,070

less like in a way you know I think we

419

00:20:26,029 --> 00:20:21,429

all experience that in a small a smaller

420

00:20:33,629 --> 00:20:26,039

degree what's what I'm really amazed by

421

00:20:35,310 --> 00:20:33,639

is kind of talked about in any other

422

00:20:40,259 --> 00:20:35,320

each of you that I've done on James ring

423

00:20:45,360 --> 00:20:40,269

show in 2017 just like I was in a

424

00:20:49,919 --> 00:20:45,370

position where I was in fear of my life

425

00:20:52,230 --> 00:20:49,929

for a couple of months because Jabar

426
00:20:54,690 --> 00:20:52,240
banks to involve the Cabal bankers so I

427
00:20:55,860 --> 00:20:54,700
had my company was going along fine and

428
00:21:00,269 --> 00:20:55,870
the one day I kind of went into my

429
00:21:02,279 --> 00:21:00,279
foreign currency trader and there was

430
00:21:04,980 --> 00:21:02,289
all these transactions on what looked

431
00:21:07,289 --> 00:21:04,990
like high-level money laundering huge

432
00:21:07,590 --> 00:21:07,299
amounts of US dollars and the weather

433
00:21:10,650 --> 00:21:07,600
was

434
00:21:11,610 --> 00:21:10,660
planted there or I'd caught the bank

435
00:21:14,909 --> 00:21:11,620
with their pants down

436
00:21:16,380 --> 00:21:14,919
oh I'm not sure but I knew exactly what

437
00:21:18,480 --> 00:21:16,390
I just seen because they're the count

438
00:21:22,409 --> 00:21:18,490

numbers of where the money was cash into

439

00:21:23,970 --> 00:21:22,419

and when I see stupidly enough like

440

00:21:29,580 --> 00:21:23,980

brought forward to the bank and said oh

441

00:21:33,060 --> 00:21:29,590

look I need my money in a month you know

442

00:21:35,070 --> 00:21:33,070

they I had there's not much money

443

00:21:36,330 --> 00:21:35,080

compared to the transactions that were

444

00:21:39,360 --> 00:21:36,340

in there but we're not going to pour to

445

00:21:42,779 --> 00:21:39,370

the bank I had meetings either kind of

446

00:21:46,590 --> 00:21:42,789

three or four months but I'm after the

447

00:21:48,529 --> 00:21:46,600

last meeting where the beg was just just

448

00:21:51,750 --> 00:21:48,539

flexing what I broke my proof that they

449

00:21:55,649 --> 00:21:51,760

were in the wrong and it was then that

450

00:21:57,450 --> 00:21:55,659

actually set out to destroy my life by

451
00:22:00,690 --> 00:21:57,460
basically two days after the last

452
00:22:03,570 --> 00:22:00,700
meeting with the with the bank I thought

453
00:22:06,690 --> 00:22:03,580
the police come in my door and they said

454
00:22:08,159 --> 00:22:06,700
Aaron we're just we're either you got to

455
00:22:10,020 --> 00:22:08,169
come with us what he means am i under

456
00:22:11,580 --> 00:22:10,030
arrest or I what's going on well we're

457
00:22:15,930 --> 00:22:11,590
just worried about you make you need to

458
00:22:19,200 --> 00:22:15,940
come about and basically I knew it

459
00:22:23,630 --> 00:22:19,210
wasn't good but um they kind of took me

460
00:22:27,539 --> 00:22:23,640
the hospital more on for occasion and

461
00:22:29,820 --> 00:22:27,549
twice that I was actually assaulted held

462
00:22:35,760 --> 00:22:29,830
down over sedated to the point that I

463
00:22:38,360 --> 00:22:35,770

actually flatlined and it was what's

464

00:22:41,159 --> 00:22:38,370

probably the most scariest and

465

00:22:44,159 --> 00:22:41,169

empowering experience of my life

466

00:22:46,950 --> 00:22:44,169

actually crossing over or leaving my

467

00:22:50,010 --> 00:22:46,960

body and you know that you're dying you

468

00:22:53,340 --> 00:22:50,020

kind of end it's really hard to explain

469

00:22:55,440 --> 00:22:53,350

and kind of suck something but what was

470

00:22:59,250 --> 00:22:55,450

happened twice within a month I've got

471

00:23:01,169 --> 00:22:59,260

the medical Nichols to show this but

472

00:23:02,730 --> 00:23:01,179

yeah going ahead of your body and coming

473

00:23:05,310 --> 00:23:02,740

back you do it they're coming back into

474

00:23:07,620 --> 00:23:05,320

you meet Carla corporeal body feels

475

00:23:09,149 --> 00:23:07,630

disgusting but somehow I can't really

476
00:23:10,500 --> 00:23:09,159
explain what's almost what the universe

477
00:23:12,720 --> 00:23:10,510
said knows it's not going to happen this

478
00:23:13,890 --> 00:23:12,730
way but basically the police or the

479
00:23:16,409 --> 00:23:13,900
people that were dressed in police

480
00:23:19,710 --> 00:23:16,419
uniforms acting as police that were

481
00:23:21,500 --> 00:23:19,720
coming and picking me up and taking me

482
00:23:25,220 --> 00:23:21,510
straight to hospital

483
00:23:26,870 --> 00:23:25,230
taking me into the observation room and

484
00:23:31,040 --> 00:23:26,880
then straight through an injection room

485
00:23:34,970 --> 00:23:31,050
to twice it happened four times but I'm

486
00:23:36,920 --> 00:23:34,980
twice actually passed away and just what

487
00:23:42,590 --> 00:23:36,930
you're Groundhog Day woke up the next

488
00:23:45,050 --> 00:23:42,600

day and basically I got a restraining

489

00:23:47,600 --> 00:23:45,060

order to protect myself at my at my

490

00:23:49,580 --> 00:23:47,610

house that was mine I was painful

491

00:23:52,760 --> 00:23:49,590

whatever the police kept on coming and

492

00:23:56,900 --> 00:23:52,770

removing me and I kind of had two bags

493

00:24:00,710 --> 00:23:56,910

of evidence of the bank's kind of crimes

494

00:24:02,120 --> 00:24:00,720

and I was like trying to stay ahead or

495

00:24:05,210 --> 00:24:02,130

once they're all hide from the police

496

00:24:07,910 --> 00:24:05,220

like every door closed on me I didn't go

497

00:24:09,350 --> 00:24:07,920

anywhere to help and I mean I tried to

498

00:24:11,450 --> 00:24:09,360

report what's going winter or the

499

00:24:13,940 --> 00:24:11,460

correct channel then I guess it was just

500

00:24:19,370 --> 00:24:13,950

so big and you know the corruption is

501
00:24:20,810 --> 00:24:19,380
that right rather than all those people

502
00:24:24,230 --> 00:24:20,820
getting in the accounts kind of be

503
00:24:25,610 --> 00:24:24,240
exposed it was probably easier just to

504
00:24:27,770 --> 00:24:25,620
get rid of one person that doesn't

505
00:24:29,840 --> 00:24:27,780
really matter which is myself who is

506
00:24:31,640 --> 00:24:29,850
kind of built up my little business to

507
00:24:34,370 --> 00:24:31,650
being epic you know just getting into

508
00:24:37,580 --> 00:24:34,380
the corporate becoming a corporate

509
00:24:39,320 --> 00:24:37,590
because I you know created it from

510
00:24:42,320 --> 00:24:39,330
nothing and you know it took off you

511
00:24:46,220 --> 00:24:42,330
know God's work hard and anyway so I

512
00:24:47,960 --> 00:24:46,230
think um I mean like I knew what I what

513
00:24:51,200 --> 00:24:47,970

I was in for when I kind of found the

514

00:24:53,240 --> 00:24:51,210

the evidence but um but like afterwards

515

00:24:56,000 --> 00:24:53,250

second time that I've kind of flatlined

516

00:24:58,460 --> 00:24:56,010

the venue I go I'd wake up was that the

517

00:25:01,670 --> 00:24:58,470

police would grab me basically drag me

518

00:25:05,000 --> 00:25:01,680

in there cuffed they would hold me down

519

00:25:07,880 --> 00:25:05,010

and obvious you know firing screaming

520

00:25:09,170 --> 00:25:07,890

from what to my life and this is where

521

00:25:11,530 --> 00:25:09,180

some really strange anomalies happened

522

00:25:13,880 --> 00:25:11,540

which I'll get into in a little bit but

523

00:25:17,450 --> 00:25:13,890

they would hold me down me I'd get the

524

00:25:19,670 --> 00:25:17,460

injection I'll go through that shift the

525

00:25:22,280 --> 00:25:19,680

probe is the same thing like I kind of

526

00:25:24,230 --> 00:25:22,290

would hit my body take came back these

527

00:25:27,320 --> 00:25:24,240

two times I'll when I woke up the next

528

00:25:30,740 --> 00:25:27,330

morning there was no police around I've

529

00:25:33,770 --> 00:25:30,750

still just in the emergency ward I wake

530

00:25:35,299 --> 00:25:33,780

up to the nurses and ideal but like my

531

00:25:38,720 --> 00:25:35,309

first name after a couple

532

00:25:41,119 --> 00:25:38,730

hi Claire hi hey yeah good try the shell

533

00:25:43,220 --> 00:25:41,129

yep sure what go have a shower okay see

534

00:25:45,529 --> 00:25:43,230

you later and just literally walk out of

535

00:25:48,489 --> 00:25:45,539

it so it's almost like the police had

536

00:25:54,169 --> 00:25:48,499

left because they thought job done and

537

00:25:56,779 --> 00:25:54,179

as I said in James's David interview I

538

00:25:59,840 --> 00:25:56,789

was taken into the hospital on the 22nd

539

00:26:01,720 --> 00:25:59,850

of December and my best mates drove me

540

00:26:04,789 --> 00:26:01,730

home on the 23rd and I spent Christmas

541

00:26:07,549 --> 00:26:04,799

at home with my partner at the time in

542

00:26:12,379 --> 00:26:07,559

my roommate and very very happy that I

543

00:26:16,389 --> 00:26:12,389

just cheated death now my wristband from

544

00:26:18,889 --> 00:26:16,399

the hospital and my roommates phone

545

00:26:21,499 --> 00:26:18,899

confirmed that it's the 22nd December

546

00:26:27,950 --> 00:26:21,509

that I went in and the 23rd that I that

547

00:26:31,369 --> 00:26:27,960

I came out but my girlfriend at the time

548

00:26:36,169 --> 00:26:31,379

and my best mate he drove me home their

549

00:26:39,409 --> 00:26:36,179

phones and they have proof that I went

550

00:26:41,840 --> 00:26:39,419

in on the 26th of December and came home

551
00:26:42,470 --> 00:26:41,850
on the 27th and my best mates where you

552
00:26:46,249 --> 00:26:42,480
know me

553
00:26:50,149 --> 00:26:46,259
I drove me home on the 27th and to this

554
00:26:52,100 --> 00:26:50,159
day I tell you Ryan that I was driven

555
00:26:53,539 --> 00:26:52,110
home by my best mate on the 23rd and

556
00:26:55,279 --> 00:26:53,549
spent Christmas at Ireland made

557
00:26:57,259 --> 00:26:55,289
Christmas is a big thing you know you

558
00:27:00,440 --> 00:26:57,269
wouldn't you wouldn't mistakenly be our

559
00:27:03,889 --> 00:27:00,450
you know our 27th no no no no so we had

560
00:27:05,299 --> 00:27:03,899
two people that had proof that was 26th

561
00:27:06,950 --> 00:27:05,309
and 27th so that's for the hospital

562
00:27:09,680 --> 00:27:06,960
called them and they showed them a fine

563
00:27:11,659 --> 00:27:09,690

they show me that this is when hospital

564

00:27:13,249 --> 00:27:11,669

corner but no and then the roommate

565

00:27:16,489 --> 00:27:13,259

Connor on his phone confirmed that it

566

00:27:20,989 --> 00:27:16,499

was a 22nd folks that that kind of

567

00:27:22,310 --> 00:27:20,999

moment at the hospital was a big a big

568

00:27:24,680 --> 00:27:22,320

moment and I don't know what happened

569

00:27:26,539 --> 00:27:24,690

with reality's all the time whatever

570

00:27:30,409 --> 00:27:26,549

there's kind of three missing days there

571

00:27:34,430 --> 00:27:30,419

well I still had the three days but you

572

00:27:35,720 --> 00:27:34,440

know I passed away on the 22nd and you

573

00:27:39,649 --> 00:27:35,730

know the best mate drive me home on the

574

00:27:41,299 --> 00:27:39,659

23rd and yes but they swear they've got

575

00:27:43,279 --> 00:27:41,309

through and they swear that it was a 26

576

00:27:45,740 --> 00:27:43,289

and 27 and this is what started some

577

00:27:48,080 --> 00:27:45,750

anomalies with with time through that

578

00:27:48,980 --> 00:27:48,090

all the remove me from my house in the

579

00:27:52,880 --> 00:27:48,990

end they just

580

00:27:57,770 --> 00:27:52,890

ended up picking after dad so take me to

581

00:28:00,470 --> 00:27:57,780

a suburb or you know across the other

582

00:28:03,110 --> 00:28:00,480

side of town take my shoes take my shirt

583

00:28:08,840 --> 00:28:03,120

to Hewitt and just dump me there and

584

00:28:11,270 --> 00:28:08,850

leave me and yeah but it's like my mind

585

00:28:12,799 --> 00:28:11,280

was probably in a situation and I'm

586

00:28:15,650 --> 00:28:12,809

getting back to the super-soldier

587

00:28:17,600 --> 00:28:15,660

ability and what you said about the

588

00:28:20,120 --> 00:28:17,610

woman being an elusive car when the win

589

00:28:22,880 --> 00:28:20,130

the boat winner child is stuck under it

590

00:28:24,530 --> 00:28:22,890

I think coz I was pushed I had my back

591

00:28:27,890 --> 00:28:24,540

to the wall when I was in an extreme

592

00:28:30,169 --> 00:28:27,900

situation where you know I was you know

593

00:28:32,030 --> 00:28:30,179

these people come and kill me and when

594

00:28:33,830 --> 00:28:32,040

it's the winners people dressed up like

595

00:28:37,669 --> 00:28:33,840

all the authorities what where do you go

596

00:28:42,740 --> 00:28:37,679

Oh exams you know I didn't know where to

597

00:28:47,000 --> 00:28:42,750

go so there was a couple of nights

598

00:28:50,600 --> 00:28:47,010

that where I accessed abilities that are

599

00:28:54,950 --> 00:28:50,610

either my alters ability as a super

600

00:28:57,020 --> 00:28:54,960

soldier or just accessed part of the

601
00:29:00,950 --> 00:28:57,030
minds that you know we don't normally

602
00:29:07,910 --> 00:29:00,960
access and had was able to do things

603
00:29:11,000 --> 00:29:07,920
which I still can't explain it varies a

604
00:29:13,040 --> 00:29:11,010
court page related to where the court

605
00:29:16,070 --> 00:29:13,050
case is being discontinued because there

606
00:29:19,610 --> 00:29:16,080
was malicious damage of property but my

607
00:29:20,990 --> 00:29:19,620
DNA was all over the scene but the case

608
00:29:24,140 --> 00:29:21,000
had to be straight out because there's

609
00:29:27,410 --> 00:29:24,150
no way a human being would be able to do

610
00:29:31,400 --> 00:29:27,420
that damage eg pool cement bollard out

611
00:29:34,790 --> 00:29:31,410
of the ground and try to just rip them

612
00:29:37,610 --> 00:29:34,800
out and then also when I wanted to leave

613
00:29:39,290 --> 00:29:37,620

leave the thing I there was a bike that

614

00:29:40,910 --> 00:29:39,300

was chained to a post or I was walked up

615

00:29:46,180 --> 00:29:40,920

and just bang broke the chain in my

616

00:29:53,870 --> 00:29:49,850

besides only occurred like what what on

617

00:29:57,110 --> 00:29:53,880

one particular day one of the other

618

00:30:01,940 --> 00:29:57,120

things that are and still sounds crazy

619

00:30:04,600 --> 00:30:01,950

but I wanted to go into the building

620

00:30:07,730 --> 00:30:04,610

because

621

00:30:10,370 --> 00:30:07,740

somebody from a balcony started talking

622

00:30:12,410 --> 00:30:10,380

to me and you know saying what's wrong

623

00:30:14,510 --> 00:30:12,420

you know you seem like a very angry and

624

00:30:16,430 --> 00:30:14,520

do person and now I believe that this

625

00:30:20,060 --> 00:30:16,440

may have been a handler that showed up

626

00:30:23,900 --> 00:30:20,070

to kind of karma Galland and pulling

627

00:30:26,600 --> 00:30:23,910

back into my normal state from whatever

628

00:30:31,220 --> 00:30:26,610

altar this may be that I mean because

629

00:30:32,870 --> 00:30:31,230

I'll triggered like oh yeah and I told

630

00:30:35,390 --> 00:30:32,880

this person I said I want you to come be

631

00:30:37,310 --> 00:30:35,400

in here or we'll have a talk and so I

632

00:30:39,560 --> 00:30:37,320

don't know why can't the people here

633

00:30:41,930 --> 00:30:39,570

will get very angry and I said okay and

634

00:30:45,410 --> 00:30:41,940

then there was a kind of a staircase

635

00:30:47,140 --> 00:30:45,420

sets there was you should see the

636

00:30:51,890 --> 00:30:47,150

staircase because clear plate glass

637

00:30:53,990 --> 00:30:51,900

windows and I wanted to get into the

638

00:30:56,270 --> 00:30:54,000

building and I took it off and I don't

639

00:30:58,430 --> 00:30:56,280

know I can't can't really explain it

640

00:31:01,160 --> 00:30:58,440

that I manifested the door in the window

641

00:31:03,770 --> 00:31:01,170

and walked short but the handle appeared

642

00:31:04,430 --> 00:31:03,780

and I walked in and I thought well it's

643

00:31:06,470 --> 00:31:04,440

dark in here

644

00:31:10,390 --> 00:31:06,480

and then a simple thought it's dark in

645

00:31:12,980 --> 00:31:10,400

here a green exit sign light lit up and

646

00:31:14,720 --> 00:31:12,990

then I thought well could this door

647

00:31:15,950 --> 00:31:14,730

wasn't here previously I'm gonna get one

648

00:31:17,960 --> 00:31:15,960

of these bollards that I backed out of

649

00:31:21,080 --> 00:31:17,970

the ground and I'm gonna just Jimmy the

650

00:31:25,430 --> 00:31:21,090

door open in closes in places slams shut

651
00:31:26,930 --> 00:31:25,440
and and then get the piece so and there

652
00:31:29,120 --> 00:31:26,940
was a three-story building but it was

653
00:31:30,620 --> 00:31:29,130
gonna take I only went up one floor and

654
00:31:32,420 --> 00:31:30,630
they're doing up a horrible doing on the

655
00:31:34,700 --> 00:31:32,430
streets I went out that I'd knock on

656
00:31:36,500 --> 00:31:34,710
door I'm 618 and box so I came back

657
00:31:39,740 --> 00:31:36,510
there it won't back out the door that I

658
00:31:42,500 --> 00:31:39,750
left jimmed open it was about seven to

659
00:31:47,420 --> 00:31:42,510
ten o'clock cars like just absolutely

660
00:31:49,550 --> 00:31:47,430
rushed me like because I don't I don't

661
00:31:51,020 --> 00:31:49,560
know I think some of them ends up being

662
00:31:52,970 --> 00:31:51,030
military contractors that were brought

663
00:31:55,850 --> 00:31:52,980

in to handle me because I've got a made

664

00:31:57,590 --> 00:31:55,860

it he's ex-special forces and he

665

00:31:59,330 --> 00:31:57,600

describes some of them are told with the

666

00:32:01,310 --> 00:31:59,340

police are wearing something insignia

667

00:32:04,430 --> 00:32:01,320

and they're not police they're private

668

00:32:05,870 --> 00:32:04,440

military contractors so whether they

669

00:32:08,630 --> 00:32:05,880

were brought in to handle a

670

00:32:11,600 --> 00:32:08,640

malfunctioning super soldier I'm not

671

00:32:14,540 --> 00:32:11,610

sure but destroy my credibility with the

672

00:32:14,990 --> 00:32:14,550

bank case that I had or whether it was

673

00:32:19,700 --> 00:32:15,000

too

674

00:32:21,500 --> 00:32:19,710

put me on drugs in and reduce my ability

675

00:32:26,510 --> 00:32:21,510

to what whatever was Bill hell because

676
00:32:29,060 --> 00:32:26,520
through that period you know like I you

677
00:32:32,530 --> 00:32:29,070
know my what I believe my said I was

678
00:32:36,110 --> 00:32:32,540
open I was able to do things that I

679
00:32:38,720 --> 00:32:36,120
wouldn't normally be able to do I had

680
00:32:43,030 --> 00:32:38,730
you know extra strength I you know

681
00:32:47,270 --> 00:32:43,040
slightly telepathic very intuitive and

682
00:32:50,330 --> 00:32:47,280
but the thing is the supplement and the

683
00:32:53,930 --> 00:32:50,340
things that I was using and trying like

684
00:32:58,640 --> 00:32:53,940
Mae had opened up different Cortex's of

685
00:33:01,310 --> 00:32:58,650
the mind and things like that because a

686
00:33:04,640 --> 00:33:01,320
lot of the stuff that the supplement and

687
00:33:09,530 --> 00:33:04,650
that that I get in basically you know

688
00:33:11,150 --> 00:33:09,540

stuff that would you know that possibly

689

00:33:12,140 --> 00:33:11,160

access abilities that normal humans

690

00:33:14,270 --> 00:33:12,150

don't because we don't get their

691

00:33:16,490 --> 00:33:14,280

nutrients would I get their fuel we

692

00:33:19,520 --> 00:33:16,500

don't get their the towline in the mind

693

00:33:20,840 --> 00:33:19,530

we don't come get these things out of

694

00:33:23,990 --> 00:33:20,850

their food so they're basically running

695

00:33:26,660 --> 00:33:24,000

on fumes so if you kind of do the body

696

00:33:29,030 --> 00:33:26,670

would fuel that amazing it absorbable

697

00:33:32,090 --> 00:33:29,040

fashion when all of a sudden maybe you

698

00:33:33,410 --> 00:33:32,100

are gonna be firing on all cylinders you

699

00:33:35,750 --> 00:33:33,420

know maybe we only need six percent of

700

00:33:38,420 --> 00:33:35,760

our bandages you know we don't get

701
00:33:40,790 --> 00:33:38,430
enough you get 32 percent of the amino

702
00:33:43,970 --> 00:33:40,800
acid relevant foods maximum you know

703
00:33:44,900 --> 00:33:43,980
which is just not enough time so you

704
00:33:46,910 --> 00:33:44,910
know like I was using a lot of

705
00:33:49,550 --> 00:33:46,920
supplements that we're just putting back

706
00:33:52,070 --> 00:33:49,560
in exactly what the body's made made up

707
00:33:53,810 --> 00:33:52,080
of plus using things like banking firms

708
00:33:56,990 --> 00:33:53,820
which Jesus comment go to there's a tip

709
00:33:58,790 --> 00:33:57,000
about that one in the Bible he and I had

710
00:34:03,200 --> 00:33:58,800
a really really good nootropic formula

711
00:34:06,080 --> 00:34:03,210
which kind of hacking parts of the brain

712
00:34:09,530 --> 00:34:06,090
that normally you know you're not using

713
00:34:14,060 --> 00:34:09,540

so you know get our kind of unlock

714

00:34:15,379 --> 00:34:14,070

abilities that the human body's quite

715

00:34:19,369 --> 00:34:15,389

able I'm not sure

716

00:34:22,129 --> 00:34:19,379

or rather than alter I'm not sure or you

717

00:34:26,230 --> 00:34:22,139

know did I experience 5d reality which

718

00:34:28,530 --> 00:34:26,240

is everything that I was doing was was

719

00:34:31,260 --> 00:34:28,540

out of love at the time

720

00:34:33,690 --> 00:34:31,270

compassion and no matter like what was

721

00:34:35,639 --> 00:34:33,700

happening even though my life is falling

722

00:34:37,830 --> 00:34:35,649

apart in the worst way possible where

723

00:34:39,090 --> 00:34:37,840

you know I just kept on walking I kept

724

00:34:41,220 --> 00:34:39,100

on being positive and doing positive

725

00:34:42,510 --> 00:34:41,230

things each each and every day you know

726

00:34:47,070 --> 00:34:42,520

you know it was hopeless

727

00:34:50,580 --> 00:34:47,080

and you know I think you know you kind

728

00:34:52,560 --> 00:34:50,590

of can gain well what you know you can

729

00:34:55,310 --> 00:34:52,570

raise your vibration maybe took a point

730

00:34:57,810 --> 00:34:55,320

that you know you can enter into five D

731

00:34:59,940 --> 00:34:57,820

you know like going up an escalator you

732

00:35:01,500 --> 00:34:59,950

know and you kind of leave your lower

733

00:35:04,859 --> 00:35:01,510

self behind and you experience a

734

00:35:07,170 --> 00:35:04,869

different reality or different dimension

735

00:35:10,230 --> 00:35:07,180

that's exactly how I experienced the

736

00:35:14,010 --> 00:35:10,240

only person that kind of sees things

737

00:35:16,260 --> 00:35:14,020

like that aren't there I'm kind of up

738

00:35:19,680 --> 00:35:16,270

until kind of around about 2012 always

739

00:35:23,040 --> 00:35:19,690

been very skeptical never seen a ghost

740

00:35:25,170 --> 00:35:23,050

just I don't kind of get paranoid away

741

00:35:27,150 --> 00:35:25,180

as if I've been away too long or having

742

00:35:29,250 --> 00:35:27,160

enough food or whatever these things

743

00:35:33,660 --> 00:35:29,260

don't happen to be our mum very much

744

00:35:36,330 --> 00:35:33,670

with reality all the time but I am a

745

00:35:37,530 --> 00:35:36,340

person that is very open-minded I like

746

00:35:41,010 --> 00:35:37,540

to believe that anything can happen

747

00:35:45,420 --> 00:35:41,020

engines possible but yeah that is

748

00:35:47,730 --> 00:35:45,430

exactly as I experienced that so I know

749

00:35:50,060 --> 00:35:47,740

it sounds crazy but that's what I wanted

750

00:35:53,250 --> 00:35:50,070

to talk to you about today so I didn't

751

00:35:54,990 --> 00:35:53,260

talk about this kind of stuff I kind of

752

00:35:57,720 --> 00:35:55,000

at that particular point I don't think

753

00:35:59,220 --> 00:35:57,730

there would have been anyone in my life

754

00:36:03,359 --> 00:35:59,230

that would have actually known where I

755

00:36:07,880 --> 00:36:03,369

was or at that point really cared where

756

00:36:10,770 --> 00:36:07,890

I was so in terms of cope created cost

757

00:36:12,810 --> 00:36:10,780

consciousness making something you know

758

00:36:15,330 --> 00:36:12,820

if enough people believe something then

759

00:36:19,140 --> 00:36:15,340

it becomes real you know you people

760

00:36:20,700 --> 00:36:19,150

don't really know care where you are or

761

00:36:22,770 --> 00:36:20,710

that you exist

762

00:36:25,290 --> 00:36:22,780

do you even exist or do you just fade

763

00:36:27,270 --> 00:36:25,300

into the grey and maybe I did you know

764

00:36:30,750 --> 00:36:27,280

maybe I disappeared you know just out of

765

00:36:32,910 --> 00:36:30,760

everyone cool so even you know I you

766

00:36:34,230 --> 00:36:32,920

know you real at all I'm not sure so

767

00:36:35,550 --> 00:36:34,240

I've still got a lot of question marks

768

00:36:40,620 --> 00:36:35,560

saying what happened during that period

769

00:36:41,910 --> 00:36:40,630

but um the Tyler's individual stuff

770

00:36:45,510 --> 00:36:41,920

still happened to this

771

00:36:47,160 --> 00:36:45,520

des and spaced around ever since I

772

00:36:49,710 --> 00:36:47,170

brought towards that Bank evidence my

773

00:36:52,490 --> 00:36:49,720

life spiraled out of control and I've

774

00:36:54,990 --> 00:36:52,500

had kind of four attempts on my life

775

00:36:58,950 --> 00:36:55,000

including a car accident where we will

776

00:37:00,990 --> 00:36:58,960

professionally hit from behind and yeah

777

00:37:04,530 --> 00:37:01,000

we can and straight into a power pole

778

00:37:05,460 --> 00:37:04,540

and I was front seat in a missing mantra

779

00:37:09,809 --> 00:37:05,470

which is probably one of the smallest

780

00:37:12,380 --> 00:37:09,819

cars on the road and yes somehow we all

781

00:37:18,930 --> 00:37:12,390

walked away from that one as well and

782

00:37:21,450 --> 00:37:18,940

which is just it's hard to believe but

783

00:37:22,980 --> 00:37:21,460

yeah there's that and then um you know I

784

00:37:26,849 --> 00:37:22,990

merely stabbed to death at my front

785

00:37:31,620 --> 00:37:26,859

doorstep in 2013 by an unknown assailant

786

00:37:35,220 --> 00:37:31,630

so and yeah I should have bled to death

787

00:37:38,809 --> 00:37:35,230

that that not this is a horrific injury

788

00:37:43,670 --> 00:37:38,819

I will send you a photo of mascara after

789

00:37:45,750 --> 00:37:43,680

after the interview but um yeah that I

790

00:37:49,049 --> 00:37:45,760

mean that that should have been the end

791

00:37:52,559 --> 00:37:49,059

of it as well but you know I've come had

792

00:37:55,130 --> 00:37:52,569

a conversation of the high self or you

793

00:37:57,599 --> 00:37:55,140

know maybe a higher being that kind of

794

00:37:59,370 --> 00:37:57,609

started answering a lot of questions in

795

00:38:03,030 --> 00:37:59,380

my head and then I kind of knew a little

796

00:38:06,450 --> 00:38:03,040

gonna survive you know when that moment

797

00:38:11,010 --> 00:38:06,460

kind of ended but um it's been it's been

798

00:38:14,010 --> 00:38:11,020

crazy it's been absolutely crazy but

799

00:38:16,730 --> 00:38:14,020

yeah I think that the ability is cheat

800

00:38:20,190 --> 00:38:16,740

death so I believe I'm here for a reason

801

00:38:23,599 --> 00:38:20,200

but you know we've always kind of

802

00:38:26,010 --> 00:38:23,609

super-soldier stuff that I kind of just

803

00:38:29,059 --> 00:38:26,020

becoming known to me now then you know

804

00:38:33,150 --> 00:38:29,069

maybe that answers a few questions about

805

00:38:35,190 --> 00:38:33,160

either targeting and B you know the

806

00:38:38,370 --> 00:38:35,200

abilities that I've had when women

807

00:38:42,299 --> 00:38:38,380

backspin against the wall you know in an

808

00:38:44,789 --> 00:38:42,309

extreme situation you know did I access

809

00:38:47,460 --> 00:38:44,799

and altos any kind of abilities and that

810

00:38:49,799 --> 00:38:47,470

that I had access to a kind of gone

811

00:38:51,480 --> 00:38:49,809

either my memories right after you've

812

00:38:54,960 --> 00:38:51,490

proven the interest so definitely got

813

00:38:57,329 --> 00:38:54,970

PTSD and I can definitely be triggered

814

00:38:58,980 --> 00:38:57,339

through that and you know treating

815

00:39:01,260 --> 00:38:58,990

that's just recognizing your triggers

816

00:39:03,839 --> 00:39:01,270

and and trying to reduce those triggers

817

00:39:06,540 --> 00:39:03,849

I think Tom you know anyone out there

818

00:39:09,120 --> 00:39:06,550

that's got PTSD is kind of being

819

00:39:11,910 --> 00:39:09,130

self-aware with it but um yeah look

820

00:39:15,120 --> 00:39:11,920

that's a little who look into the the

821

00:39:16,470 --> 00:39:15,130

craziness that's going on and you know

822

00:39:18,630 --> 00:39:16,480

it sounds like a tall story but

823

00:39:21,030 --> 00:39:18,640

unfortunately it definitely will have

824

00:39:23,120 --> 00:39:21,040

meant yeah I mean I had quite

825

00:39:26,970 --> 00:39:23,130

sensational coming happening there with

826
00:39:28,829 --> 00:39:26,980
first five or six years and yeah I

827
00:39:30,780 --> 00:39:28,839
forgot told her that what the premise

828
00:39:34,650 --> 00:39:30,790
within a couple of months and and you

829
00:39:38,069 --> 00:39:34,660
know unfortunately rather due to you

830
00:39:39,809 --> 00:39:38,079
know the bank you know with your

831
00:39:40,980 --> 00:39:39,819
investigations and stuff like that they

832
00:39:43,410 --> 00:39:40,990
just treated be like absolute garbage

833
00:39:46,319 --> 00:39:43,420
and you know I really feel what other

834
00:39:48,000 --> 00:39:46,329
victim of Tabar bankers and the

835
00:39:49,530 --> 00:39:48,010
criminality which I'm trying to expose

836
00:39:52,500 --> 00:39:49,540
which I've got all the evidence black

837
00:39:55,640 --> 00:39:52,510
and white so it's all I've still got

838
00:40:00,530 --> 00:39:55,650

everything here that I can um you know

839

00:40:03,990 --> 00:40:00,540

put it out into the media and you know

840

00:40:05,910 --> 00:40:04,000

these things actually did come out in

841

00:40:09,480 --> 00:40:05,920

their Australian media there was a Royal

842

00:40:14,220 --> 00:40:09,490

Commission into the criminality top four

843

00:40:15,660 --> 00:40:14,230

banks they were all kind of under

844

00:40:18,079 --> 00:40:15,670

investigation service for laundering

845

00:40:21,540 --> 00:40:18,089

money for organized crime syndicates and

846

00:40:22,650 --> 00:40:21,550

things like that so you know like what

847

00:40:24,599 --> 00:40:22,660

do you do

848

00:40:28,319 --> 00:40:24,609

but yeah they take time carried on what

849

00:40:31,609 --> 00:40:28,329

hi gases and then really just made a

850

00:40:33,630 --> 00:40:31,619

good effort to destroy my life yeah so

851
00:40:36,030 --> 00:40:33,640
that's it and that happened in this

852
00:40:38,099 --> 00:40:36,040
reality might say a lies regardless of

853
00:40:40,140 --> 00:40:38,109
anything else I've done that you know

854
00:40:42,089 --> 00:40:40,150
I've had someone tell me that it's

855
00:40:43,859 --> 00:40:42,099
actually dark fleet that was responsible

856
00:40:47,760 --> 00:40:43,869
for those chairs actually being in my

857
00:40:50,010 --> 00:40:47,770
account so I'm not I'm not too sure

858
00:40:52,140 --> 00:40:50,020
about that but now something to do with

859
00:40:55,920 --> 00:40:52,150
money that they were using for

860
00:40:58,500 --> 00:40:55,930
technology to to buy technology or or

861
00:40:59,640 --> 00:40:58,510
something like that but I um yeah II had

862
00:41:01,980 --> 00:40:59,650
to be substantiative

863
00:41:04,230 --> 00:41:01,990

at the moment of justice like a hell of

864

00:41:07,050 --> 00:41:04,240

a lot of laundered money going through

865

00:41:07,520 --> 00:41:07,060

an account and but in my account the

866

00:41:09,200 --> 00:41:07,530

talk

867

00:41:10,760 --> 00:41:09,210

had the fear that you know I didn't want

868

00:41:13,270 --> 00:41:10,770

to be arrested because I mean it looks

869

00:41:15,910 --> 00:41:13,280

like the money's in my account long time

870

00:41:19,940 --> 00:41:15,920

obviously just to pass to you but uh

871

00:41:23,240 --> 00:41:19,950

yeah I kind of got a real fear in me

872

00:41:24,470 --> 00:41:23,250

about what might happen to me and yeah

873

00:41:27,160 --> 00:41:24,480

the authorities didn't want to hear

874

00:41:29,600 --> 00:41:27,170

about it you know major falls board and

875

00:41:31,280 --> 00:41:29,610

you know gang crimes what they they all

876

00:41:32,390 --> 00:41:31,290

they all know about this cake everyone

877

00:41:35,740 --> 00:41:32,400

knew about my case

878

00:41:37,580 --> 00:41:35,750

everybody but they just yeah they uh

879

00:41:39,620 --> 00:41:37,590

yeah they didn't want to know that

880

00:41:45,530 --> 00:41:39,630

didn't want to didn't want to take a

881

00:41:47,390 --> 00:41:45,540

statement or you know so I'm not sure

882

00:41:50,080 --> 00:41:47,400

who the council in there but obviously

883

00:41:53,060 --> 00:41:50,090

pretty particularly protective baby

884

00:41:55,040 --> 00:41:53,070

Aaron let me ask you I I think it's

885

00:41:59,290 --> 00:41:55,050

really awesome that you mentioned max

886

00:42:02,420 --> 00:41:59,300

Spears rest in peace he was definitely a

887

00:42:08,390 --> 00:42:02,430

hero to I think a lot of people

888

00:42:11,900 --> 00:42:08,400

including myself took you now because

889

00:42:14,030 --> 00:42:11,910

his information was actually pretty

890

00:42:15,560 --> 00:42:14,040

close to the truth possibly you know

891

00:42:17,480 --> 00:42:15,570

like I mean there's a lot of whistle

892

00:42:19,040 --> 00:42:17,490

blows out there but you know really

893

00:42:22,280 --> 00:42:19,050

people were out there telling the truth

894

00:42:26,240 --> 00:42:22,290

but they would be taken out so and then

895

00:42:29,960 --> 00:42:26,250

I think max actually yeah I think he was

896

00:42:31,910 --> 00:42:29,970

being targeted and I mean that last

897

00:42:35,290 --> 00:42:31,920

interview was I still can't get over

898

00:42:38,270 --> 00:42:35,300

that like was I don't know if you heard

899

00:42:40,460 --> 00:42:38,280

their only complete injury and like hair

900

00:42:43,220 --> 00:42:40,470

you know why they continued with that in

901
00:42:46,520 --> 00:42:43,230
you and clearly clearly he wasn't well

902
00:42:48,950 --> 00:42:46,530
and you know even resorting to him jump

903
00:42:51,620 --> 00:42:48,960
jumping on the trampoline to to stay

904
00:42:53,900 --> 00:42:51,630
awake and stuff and he's uh I don't know

905
00:42:59,480 --> 00:42:53,910
what someone didn't call some help then

906
00:43:01,640 --> 00:42:59,490
but um tragic but yeah sorry yeah yeah

907
00:43:03,470 --> 00:43:01,650
it's it's really interesting though

908
00:43:05,150 --> 00:43:03,480
because I you know and it's interesting

909
00:43:08,300 --> 00:43:05,160
I also I'm really glad that you

910
00:43:10,430 --> 00:43:08,310
mentioned the previous super soldiers

911
00:43:13,310 --> 00:43:10,440
like the past generations I don't know

912
00:43:15,290 --> 00:43:13,320
if it was like 1.0 or 2.0 I've spoken

913
00:43:16,700 --> 00:43:15,300

with previous super soldiers and I'm

914

00:43:19,430 --> 00:43:16,710

talking about the stuff they were doing

915

00:43:20,810 --> 00:43:19,440

in the 70s and early 80s and these guys

916

00:43:22,670 --> 00:43:20,820

I don't know if it's Glee

917

00:43:23,960 --> 00:43:22,680

chi or what but there really messed up

918

00:43:26,060 --> 00:43:23,970

and they'll tell you like there's

919

00:43:29,000 --> 00:43:26,070

there's just it there were problems and

920

00:43:30,950 --> 00:43:29,010

it seems like you know and people say oh

921

00:43:33,800 --> 00:43:30,960

the super-soldier program doesn't exist

922

00:43:36,290 --> 00:43:33,810

well it does and the reason I'm gonna

923

00:43:40,010 --> 00:43:36,300

say that is there's always a level above

924

00:43:42,200 --> 00:43:40,020

that which you are told and we know that

925

00:43:43,730 --> 00:43:42,210

there are for example people say oh the

926

00:43:45,530 --> 00:43:43,740

Marines are the best and it's like well

927

00:43:47,750 --> 00:43:45,540

no there's the Navy SEALs and and

928

00:43:49,880 --> 00:43:47,760

there's always something above they're

929

00:43:53,840 --> 00:43:49,890

special projects there's special

930

00:43:56,630 --> 00:43:53,850

programs and yeah I've spoken with some

931

00:43:58,940 --> 00:43:56,640

of these previous individuals and they

932

00:44:01,760 --> 00:43:58,950

admit that they're just completely

933

00:44:04,100 --> 00:44:01,770

broken completely broken malfunctioning

934

00:44:05,450 --> 00:44:04,110

and you know they they they have a hard

935

00:44:09,050 --> 00:44:05,460

time doing something like going down to

936

00:44:10,960 --> 00:44:09,060

the store and getting milk and yet in a

937

00:44:15,260 --> 00:44:10,970

warzone they feel completely at ease

938

00:44:18,110 --> 00:44:15,270

completely you know like they're okay

939

00:44:21,140 --> 00:44:18,120

they're fine they're calm they're not

940

00:44:22,610 --> 00:44:21,150

worried but yet going down to the store

941

00:44:25,310 --> 00:44:22,620

to grab a glass of milk they're nervous

942

00:44:27,350 --> 00:44:25,320

they're you know and so I'll think that

943

00:44:30,920 --> 00:44:27,360

there's actually a lot of truth to this

944

00:44:33,260 --> 00:44:30,930

in fact yeah I think we we all

945

00:44:35,570 --> 00:44:33,270

experiences to a smaller variety at a

946

00:44:37,700 --> 00:44:35,580

smaller extent and and if you for those

947

00:44:39,380 --> 00:44:37,710

that don't don't believe it something

948

00:44:43,130 --> 00:44:39,390

that recently kind of caught my

949

00:44:44,720 --> 00:44:43,140

attention is I found something out about

950

00:44:46,370 --> 00:44:44,730

the prison systems at least here in the

951
00:44:48,770 --> 00:44:46,380
United States and and you look at the

952
00:44:51,920 --> 00:44:48,780
prison system and I mean they use low

953
00:44:53,570 --> 00:44:51,930
light mostly florescent high levels of

954
00:44:56,960 --> 00:44:53,580
fluoride in the water the meals are

955
00:44:59,150 --> 00:44:56,970
lacking any real nutrients and this is

956
00:45:01,580 --> 00:44:59,160
something that anybody can look at

957
00:45:03,500 --> 00:45:01,590
anybody can access this information what

958
00:45:06,860 --> 00:45:03,510
I found out recently is if there's ever

959
00:45:11,420 --> 00:45:06,870
any kind of a state of emergency or we

960
00:45:14,600 --> 00:45:11,430
go on any kind of well military lockdown

961
00:45:19,370 --> 00:45:14,610
or an act of natural disaster that these

962
00:45:22,520 --> 00:45:19,380
prisons actually have in their AC units

963
00:45:25,310 --> 00:45:22,530

their heating systems they actually have

964

00:45:29,540 --> 00:45:25,320

a system that goes into place that will

965

00:45:32,840 --> 00:45:29,550

literally euthanize all the people

966

00:45:34,610 --> 00:45:32,850

inside the prison now that just seemed

967

00:45:37,190 --> 00:45:34,620

very wrong to me

968

00:45:40,700 --> 00:45:37,200

even though you know I don't think the

969

00:45:42,860 --> 00:45:40,710

legal system is always you know a true

970

00:45:45,440 --> 00:45:42,870

prism of justice in fact a lot of times

971

00:45:47,180 --> 00:45:45,450

it isn't and this is all very common

972

00:45:50,210 --> 00:45:47,190

with people who've been used for special

973

00:45:53,300 --> 00:45:50,220

projects like like you mentioned Dark

974

00:45:55,280 --> 00:45:53,310

Matters dark projects and I think

975

00:45:58,160 --> 00:45:55,290

something else that really struck a

976

00:46:00,290 --> 00:45:58,170

chord with me is this 5d reality and I

977

00:46:02,540 --> 00:46:00,300

want to bring up the 13 by 13 by 13

978

00:46:04,640 --> 00:46:02,550

because we do know that a small

979

00:46:07,910 --> 00:46:04,650

percentage of the brain is actually used

980

00:46:11,330 --> 00:46:07,920

and with these alters exponential the

981

00:46:15,710 --> 00:46:11,340

way you can utilize someone to

982

00:46:18,230 --> 00:46:15,720

accomplish a goal and like I wanted to

983

00:46:20,180 --> 00:46:18,240

ask you I guess my question I'm kind of

984

00:46:23,750 --> 00:46:20,190

ranting myself and I apologize I'm so

985

00:46:26,690 --> 00:46:23,760

fascinated I'm very interested just just

986

00:46:28,760 --> 00:46:26,700

from a personal respect in your

987

00:46:30,650 --> 00:46:28,770

shape-shifting experiences and when

988

00:46:34,580 --> 00:46:30,660

people have actually seen you shift I

989

00:46:37,520 --> 00:46:34,590

believe that's very telling of what may

990

00:46:41,090 --> 00:46:37,530

be going on and your abilities it's been

991

00:46:45,280 --> 00:46:41,100

consumed that my my soul is a royal

992

00:46:49,280 --> 00:46:45,290

Draco like a Draco reptilians also is my

993

00:46:52,540 --> 00:46:49,290

fiance let Levi J so we're kind of Twin

994

00:46:57,620 --> 00:46:52,550

Flames and we both get the reptile eyes

995

00:47:00,770 --> 00:46:57,630

vertical slit in photos we both we both

996

00:47:02,180 --> 00:47:00,780

shipped in photos so a lot of photos we

997

00:47:03,860 --> 00:47:02,190

look like we share keeping like those

998

00:47:08,210 --> 00:47:03,870

ones that just reported you to viewer

999

00:47:10,520 --> 00:47:08,220

said years of myself at the Rio Olympics

1000

00:47:12,740 --> 00:47:10,530

and like all right kind of my face look

1001
00:47:16,010 --> 00:47:12,750
look part reptilian like it's got the

1002
00:47:18,800 --> 00:47:16,020
the lamps on on the endless and scarring

1003
00:47:21,410 --> 00:47:18,810
and the whole right side of my face it

1004
00:47:23,330 --> 00:47:21,420
is marked and then in Germany you know

1005
00:47:25,850 --> 00:47:23,340
you can see someone else's face on top

1006
00:47:29,330 --> 00:47:25,860
of my face none of these people

1007
00:47:31,220 --> 00:47:29,340
experienced me so tricky now I don't

1008
00:47:33,050 --> 00:47:31,230
know whether that's because those two

1009
00:47:36,320 --> 00:47:33,060
times I asked all that I was one foot in

1010
00:47:41,750 --> 00:47:36,330
the grave and that maybe that is why I

1011
00:47:44,450 --> 00:47:41,760
like like I you know like being that

1012
00:47:46,790 --> 00:47:44,460
close to being into the next the next

1013
00:47:47,910 --> 00:47:46,800

world like whether that's kind of

1014

00:47:52,079 --> 00:47:47,920

triggers coming or whether

1015

00:47:53,250 --> 00:47:52,089

Draco's DNA which they which they shape

1016

00:47:57,390 --> 00:47:53,260

kids will have the ability to

1017

00:48:02,789 --> 00:47:57,400

shape-shift but your people have told me

1018

00:48:04,680 --> 00:48:02,799

in that like I'll be driving along and

1019

00:48:06,480 --> 00:48:04,690

kind of the lights you know just look at

1020

00:48:09,510 --> 00:48:06,490

them and they kind of look at me know

1021

00:48:11,130 --> 00:48:09,520

that the hidden jerk away knows and I'll

1022

00:48:13,410 --> 00:48:11,140

say what and they go oh you just you

1023

00:48:15,630 --> 00:48:13,420

know you you know your face just kind of

1024

00:48:18,079 --> 00:48:15,640

changed they're like I went what am I

1025

00:48:22,500 --> 00:48:18,089

one of my indigenous friends Aboriginal

1026

00:48:26,370 --> 00:48:22,510

God we hang out he yes at one point he

1027

00:48:29,910 --> 00:48:26,380

thought that oh and he's he's what makes

1028

00:48:33,539 --> 00:48:29,920

that a died from cancer because he he

1029

00:48:35,819 --> 00:48:33,549

said that I would [\h__\h] almost look like

1030

00:48:39,270 --> 00:48:35,829

him and sometimes he made a mistake and

1031

00:48:43,589 --> 00:48:39,280

actually called me by his dead friend

1032

00:48:47,160 --> 00:48:43,599

name and yeah like my partner's seen me

1033

00:48:51,000 --> 00:48:47,170

shift our people have seen you know my

1034

00:48:53,430 --> 00:48:51,010

body kind of like more some very big to

1035

00:48:59,760 --> 00:48:53,440

to kind of almost like my body's gonna

1036

00:49:05,370 --> 00:48:59,770

breathing but what I love it actually

1037

00:49:08,059 --> 00:49:05,380

speaks I mean I've seen people shake in

1038

00:49:10,859 --> 00:49:08,069

front of my eyes now my theory is

1039

00:49:14,730 --> 00:49:10,869

because I've seen the indigenous door

1040

00:49:16,020 --> 00:49:14,740

here so we're in a suburb here at

1041

00:49:17,789 --> 00:49:16,030

Midland which has got a lot of

1042

00:49:19,589 --> 00:49:17,799

indigenous and I was out I was with my

1043

00:49:21,900 --> 00:49:19,599

my friend Michael and we're out the

1044

00:49:23,849 --> 00:49:21,910

front of this house and it's about 2:00

1045

00:49:26,250 --> 00:49:23,859

3:00 in the morning and we can clearly

1046

00:49:30,630 --> 00:49:26,260

hear guys working on motorbikes in the

1047

00:49:32,760 --> 00:49:30,640

garage anyway so it's two guys at the

1048

00:49:35,010 --> 00:49:32,770

front a bit I've had a bit to drink and

1049

00:49:36,569 --> 00:49:35,020

and they get into a bit of a scratch it

1050

00:49:40,520 --> 00:49:36,579

looks like they're going to punch on

1051

00:49:42,390 --> 00:49:40,530

they're gonna that's his fight and so

1052

00:49:45,359 --> 00:49:42,400

some of the women coming out the front

1053

00:49:46,799 --> 00:49:45,369

and a little bit we here come the work

1054

00:49:47,130 --> 00:49:46,809

in their workshop all those in the

1055

00:49:51,089 --> 00:49:47,140

garage

1056

00:49:53,220 --> 00:49:51,099

kind of the tools go down and then out

1057

00:49:56,480 --> 00:49:53,230

the front lucky

1058

00:49:59,789 --> 00:49:56,490

I was expecting to see full-grown

1059

00:50:01,470 --> 00:49:59,799

indigenous men but there was two or

1060

00:50:03,870 --> 00:50:01,480

three

1061

00:50:08,400 --> 00:50:03,880

long haired blue-eyed watches that would

1062

00:50:09,870 --> 00:50:08,410

have been maybe six seven years old like

1063

00:50:11,070 --> 00:50:09,880

walked out front and this is like 3:00

1064

00:50:14,040 --> 00:50:11,080

a.m. in the morning and this is really

1065

00:50:15,960 --> 00:50:14,050

out of place right they kind of walked

1066

00:50:18,510 --> 00:50:15,970

out like they were kind of 10 foot tall

1067

00:50:20,580 --> 00:50:18,520

looked around a lot and what's going on

1068

00:50:21,930 --> 00:50:20,590

and I said all these guys over here this

1069

00:50:23,970 --> 00:50:21,940

look like they're gonna you know get

1070

00:50:26,099 --> 00:50:23,980

into it and then kind of look well look

1071

00:50:27,810 --> 00:50:26,109

through that look through the fence and

1072

00:50:31,800 --> 00:50:27,820

then kind of like walk back in the house

1073

00:50:33,900 --> 00:50:31,810

now when I went back in the house like I

1074

00:50:38,700 --> 00:50:33,910

I saw them walking and they look like

1075

00:50:41,460 --> 00:50:38,710

just white children then when they kind

1076

00:50:42,450 --> 00:50:41,470

of crossed paths in the doorway like

1077

00:50:45,330 --> 00:50:42,460

going back to the garage

1078

00:50:50,340 --> 00:50:45,340

I saw briefly that they were fully grown

1079

00:50:53,240 --> 00:50:50,350

indigenous men so they have the ability

1080

00:50:55,590 --> 00:50:53,250

to put a cloak on and I think it a

1081

00:50:59,820 --> 00:50:55,600

frequency thing so the frequency that

1082

00:51:03,480 --> 00:50:59,830

they're projecting like I've read a lot

1083

00:51:06,390 --> 00:51:03,490

about you know yogi masters and the

1084

00:51:09,510 --> 00:51:06,400

ninja back in the day being able to go

1085

00:51:11,330 --> 00:51:09,520

invisible so to speak but they're not

1086

00:51:14,460 --> 00:51:11,340

actually going invisible in their mind

1087

00:51:16,050 --> 00:51:14,470

they're mindfulness that they're you

1088

00:51:18,590 --> 00:51:16,060

know think of themselves turning

1089

00:51:22,650 --> 00:51:18,600

invisible and they project that

1090

00:51:24,540 --> 00:51:22,660

frequency out of it that's right and to

1091

00:51:27,270 --> 00:51:24,550

other people's eyes or minds me they're

1092

00:51:30,570 --> 00:51:27,280

kind of manipulating the reality so they

1093

00:51:32,370 --> 00:51:30,580

are still there but you know they're

1094

00:51:35,730 --> 00:51:32,380

everyone's kind of getting a projection

1095

00:51:40,620 --> 00:51:35,740

of something that's invisible so I mean

1096

00:51:43,980 --> 00:51:40,630

I've seen the indigenous youth and the

1097

00:51:45,330 --> 00:51:43,990

end change like from like me and my

1098

00:51:48,180 --> 00:51:45,340

young maid of mine who were just pulling

1099

00:51:50,640 --> 00:51:48,190

up to the bank like an ATM like it was

1100

00:51:53,550 --> 00:51:50,650

the auto teller machine and there was

1101

00:51:56,160 --> 00:51:53,560

what looked like a tall black African

1102

00:52:00,150 --> 00:51:56,170

man standing with his back to the ATM

1103

00:52:01,290 --> 00:52:00,160

and as we pulled into the car park just

1104

00:52:03,540 --> 00:52:01,300

in front of our eyes

1105

00:52:05,940 --> 00:52:03,550

boom turned into a god that was probably

1106

00:52:08,010 --> 00:52:05,950

about a foot shorter and looked almost

1107

00:52:10,500 --> 00:52:08,020

Mexican with a ponytail and then he just

1108

00:52:12,359 --> 00:52:10,510

walked forward got me to car and like a

1109

00:52:14,430 --> 00:52:12,369

month late the front did go did you just

1110

00:52:16,950 --> 00:52:14,440

see that did you I said share my

1111

00:52:18,630 --> 00:52:16,960

I said I saw that we know this reality

1112

00:52:21,329 --> 00:52:18,640

is false you know like we're just

1113

00:52:24,510 --> 00:52:21,339

particles vibrating you know at a

1114

00:52:28,970 --> 00:52:24,520

certain vibration so why why would we be

1115

00:52:31,500 --> 00:52:28,980

able to do you know appear or project

1116

00:52:33,390 --> 00:52:31,510

ourselves as looking you know something

1117

00:52:35,630 --> 00:52:33,400

else but I definitely think it's at the

1118

00:52:37,920 --> 00:52:35,640

relation of frequency

1119

00:52:41,579 --> 00:52:37,930

especially when the indigenous to over

1120

00:52:43,609 --> 00:52:41,589

there I've seen them yet be able to do

1121

00:52:46,789 --> 00:52:43,619

this island shape ships like you know

1122

00:52:48,059 --> 00:52:46,799

and I don't think that's a physical DNA

1123

00:52:50,849 --> 00:52:48,069

charting

1124

00:52:52,410 --> 00:52:50,859

however with everything that I look at

1125

00:52:54,750 --> 00:52:52,420

in supplements and where it will study

1126
00:52:57,000 --> 00:52:54,760
and that is going and what I want to do

1127
00:52:59,220 --> 00:52:57,010
do I believe we can physically shake

1128
00:53:02,609 --> 00:52:59,230
[h__h] yes I think it's in our DNA all the

1129
00:53:04,529 --> 00:53:02,619
so-called what my label jump DNA I think

1130
00:53:06,480 --> 00:53:04,539
that that's where the goodies are and

1131
00:53:08,700 --> 00:53:06,490
all the abilities are and if we can

1132
00:53:11,279 --> 00:53:08,710
unlock that I think definitely you know

1133
00:53:14,130 --> 00:53:11,289
we have reptilian genetics which is in

1134
00:53:16,109 --> 00:53:14,140
every human I definitely see we have a

1135
00:53:17,490 --> 00:53:16,119
lot of ability there and to be out of

1136
00:53:20,279 --> 00:53:17,500
shape you're definitely one of them

1137
00:53:23,120 --> 00:53:20,289
mm-hmm I agree 100%

1138
00:53:26,210 --> 00:53:23,130

it's it's it's very vibrational and and

1139

00:53:29,220 --> 00:53:26,220

you're absolutely right there there is

1140

00:53:31,980 --> 00:53:29,230

so much evidence so much evidence out

1141

00:53:34,859 --> 00:53:31,990

there and I've witnessed it myself so I

1142

00:53:38,460 --> 00:53:34,869

mean I hear yeah I believe it I've often

1143

00:53:40,620 --> 00:53:38,470

thought you know that there there's

1144

00:53:43,799 --> 00:53:40,630

there's it's very interesting the

1145

00:53:46,140 --> 00:53:43,809

control factors because we are very

1146

00:53:49,380 --> 00:53:46,150

we're kept at very low vibrational

1147

00:53:51,990 --> 00:53:49,390

levels as societies were kept in cities

1148

00:53:55,440 --> 00:53:52,000

which are basically you know where we

1149

00:54:00,210 --> 00:53:55,450

are able to were herded basically and

1150

00:54:03,150 --> 00:54:00,220

like animals and those who you know live

1151
00:54:05,640 --> 00:54:03,160
out in areas that are unpopulated are

1152
00:54:07,140 --> 00:54:05,650
usually viewed as more wild or there's

1153
00:54:09,150 --> 00:54:07,150
something wrong with them or what you

1154
00:54:13,650 --> 00:54:09,160
know when when the very it's a very

1155
00:54:16,710 --> 00:54:13,660
opposite we shared some some photos back

1156
00:54:23,510 --> 00:54:16,720
and forth in in confidentiality and I

1157
00:54:27,599 --> 00:54:23,520
was very impressed and it's very

1158
00:54:28,770 --> 00:54:27,609
stunning to me what you showed me but

1159
00:54:30,480 --> 00:54:28,780
going back a little bit I know

1160
00:54:32,370 --> 00:54:30,490
that some of our guests may not be aware

1161
00:54:33,870 --> 00:54:32,380
of what dark fleet is and I was

1162
00:54:36,260 --> 00:54:33,880
wondering if you could explain a bit

1163
00:54:41,960 --> 00:54:36,270

what dark fleet is for our listeners

1164

00:54:48,870 --> 00:54:41,970

okay what I know of darks a dark lady

1165

00:54:53,730 --> 00:54:48,880

say that nappy do Germany discovered

1166

00:54:56,580 --> 00:54:53,740

edge gravity and and craft that could go

1167

00:54:59,730 --> 00:54:56,590

into space well before gnats or anything

1168

00:55:01,440 --> 00:54:59,740

like that they had disability during the

1169

00:55:04,980 --> 00:55:01,450

Second World War so they've got to the

1170

00:55:06,870 --> 00:55:04,990

moon's apparently in the thirties or

1171

00:55:08,940 --> 00:55:06,880

forties now when they turned up there

1172

00:55:10,920 --> 00:55:08,950

they realized that well this place is

1173

00:55:13,110 --> 00:55:10,930

pretty busy and the only way they could

1174

00:55:16,200 --> 00:55:13,120

kind of get get some real estate there

1175

00:55:20,610 --> 00:55:16,210

was to to make some alliances with some

1176

00:55:22,820 --> 00:55:20,620

of the existing et races that that were

1177

00:55:26,330 --> 00:55:22,830

there now the two races that they

1178

00:55:30,090 --> 00:55:26,340

apparently formed alliances with were

1179

00:55:33,950 --> 00:55:30,100

the tall white or the Nordics from older

1180

00:55:38,340 --> 00:55:33,960

broom and also the Draco reptilians so

1181

00:55:41,820 --> 00:55:38,350

in terms they didn't like in technology

1182

00:55:45,330 --> 00:55:41,830

and had the breakaway civilization and

1183

00:55:50,160 --> 00:55:45,340

they had different groups of the leaves

1184

00:55:54,000 --> 00:55:50,170

of secret space programs and the dark

1185

00:55:58,830 --> 00:55:54,010

sleep is that the most technologically

1186

00:56:03,210 --> 00:55:58,840

advanced but is run by the Draco side of

1187

00:56:08,540 --> 00:56:03,220

the Alliance as opposed to the Nordic

1188

00:56:18,180 --> 00:56:13,230

candidates to take or to work for darkly

1189

00:56:22,080 --> 00:56:18,190

they prefer people with more of the

1190

00:56:24,360 --> 00:56:22,090

reptilian genetics that when they're

1191

00:56:27,450 --> 00:56:24,370

more pronounced so that's how they

1192

00:56:30,330 --> 00:56:27,460

select even the people that are in dark

1193

00:56:32,250 --> 00:56:30,340

sleet so young darkly I'm not sure it's

1194

00:56:34,890 --> 00:56:32,260

kind of a break away from the rest of

1195

00:56:39,000 --> 00:56:34,900

the secret space program and other Nazi

1196

00:56:40,170 --> 00:56:39,010

groups they yeah they definitely do

1197

00:56:42,720 --> 00:56:40,180

their own thing and there's a most

1198

00:56:44,790 --> 00:56:42,730

technologically in there but you

1199

00:56:50,910 --> 00:56:44,800

they founded Draco control I believe

1200

00:56:53,280 --> 00:56:50,920

mm-hmm and let's talk facilities or

1201
00:56:56,099 --> 00:56:53,290
military installations have you we

1202
00:56:59,180 --> 00:56:56,109
briefly mentioned Montauk and some

1203
00:57:03,120 --> 00:56:59,190
others have do you have any memories or

1204
00:57:11,609 --> 00:57:03,130
instances where you remember facilities

1205
00:57:15,870 --> 00:57:11,619
or military installations memories of

1206
00:57:18,030 --> 00:57:15,880
being I believe offworld military

1207
00:57:19,740 --> 00:57:18,040
facilities so far

1208
00:57:22,890 --> 00:57:19,750
no nothing that I recognized as being

1209
00:57:26,849 --> 00:57:22,900
kind of underground or it or anything

1210
00:57:28,680 --> 00:57:26,859
like that you know I mean a lot of the

1211
00:57:33,270 --> 00:57:28,690
stuff that I'm kind of recalling is

1212
00:57:37,050 --> 00:57:33,280
actually pretty close behind what I the

1213
00:57:41,339 --> 00:57:37,060

only other night I had a full memory

1214

00:57:45,270 --> 00:57:41,349

recall of being I - I was Brock Lesnar

1215

00:57:49,559 --> 00:57:45,280

the WWE athlete and in the UFC champion

1216

00:57:53,420 --> 00:57:49,569

and we were in the same unit gearing up

1217

00:57:55,680 --> 00:57:53,430

to go on on a mission or a job or

1218

00:58:00,589 --> 00:57:55,690

whatever and we were actually at my

1219

00:58:03,329 --> 00:58:00,599

Chronicles family not a classroom that

1220

00:58:05,490 --> 00:58:03,339

in this reality when I first got the

1221

00:58:09,140 --> 00:58:05,500

primary school a group of people came

1222

00:58:12,000 --> 00:58:09,150

out to school one day only and they put

1223

00:58:15,300 --> 00:58:12,010

headsets on every kids and we were

1224

00:58:18,540 --> 00:58:15,310

testing what we had to do we would hear

1225

00:58:21,240 --> 00:58:18,550

tone through the headphones and we had

1226
00:58:24,540 --> 00:58:21,250
to guess what musical notes it was with

1227
00:58:26,910 --> 00:58:24,550
no client knowledge of music because

1228
00:58:29,309 --> 00:58:26,920
we're learning first got there it

1229
00:58:33,180 --> 00:58:29,319
occurred to me down the track that they

1230
00:58:35,490 --> 00:58:33,190
were testing for our empathic intuitive

1231
00:58:39,540 --> 00:58:35,500
abilities because how would you know

1232
00:58:40,109 --> 00:58:39,550
what musical note a time was if you had

1233
00:58:42,000 --> 00:58:40,119
no knowledge

1234
00:58:45,569 --> 00:58:42,010
music and you were just being played

1235
00:58:49,500 --> 00:58:45,579
different times what kind of beer mm-hmm

1236
00:58:51,690 --> 00:58:49,510
what that kind of thing there's only

1237
00:58:54,540 --> 00:58:51,700
three kids in school that that kind of a

1238
00:58:56,640 --> 00:58:54,550

picked out of it and we kind of yeah you

1239

00:58:59,730 --> 00:58:56,650

got to do trumpet instrument

1240

00:59:01,770 --> 00:58:59,740

for an hour after so will we put in

1241

00:59:05,070 --> 00:59:01,780

something to build our lung people not

1242

00:59:06,180 --> 00:59:05,080

sure but probably not my mom my mom she

1243

00:59:08,940 --> 00:59:06,190

told me other day we're talking about

1244

00:59:11,430 --> 00:59:08,950

she didn't sleep paralysis as well and I

1245

00:59:14,610 --> 00:59:11,440

had a memory of us being at the local

1246

00:59:21,330 --> 00:59:14,620

shop at night I'm kind of camped out

1247

00:59:26,250 --> 00:59:21,340

there and we saw this like transparent

1248

00:59:29,100 --> 00:59:26,260

like peach colored sphere craft kind of

1249

00:59:33,600 --> 00:59:29,110

come on and come overhead and one zip it

1250

00:59:35,850 --> 00:59:33,610

around goes across you know I told you I

1251
00:59:38,640 --> 00:59:35,860
told you is really above the bar kind of

1252
00:59:43,770 --> 00:59:38,650
thing and then then I kind of had

1253
00:59:46,500 --> 00:59:43,780
missing on and like came to in the

1254
00:59:48,780 --> 00:59:46,510
memory kind of dumped literally on my

1255
00:59:51,300 --> 00:59:48,790
ass and the sand on the side of the road

1256
00:59:52,410 --> 00:59:51,310
and like my mum was there almost like

1257
00:59:55,050 --> 00:59:52,420
she was waiting to pick me up

1258
00:59:57,690 --> 00:59:55,060
and I said what happened she said oh you

1259
01:00:00,770 --> 00:59:57,700
were taken by a Jason you know like

1260
01:00:04,950 --> 01:00:00,780
you've been gone for palaver long and

1261
01:00:06,660 --> 01:00:04,960
you know and I had no kind of memory and

1262
01:00:11,040 --> 01:00:06,670
all that missing time but I definitely

1263
01:00:14,250 --> 01:00:11,050

remember the you know like a translucent

1264

01:00:16,350 --> 01:00:14,260

peach colored sphere craft that we saw

1265

01:00:19,260 --> 01:00:16,360

and I mean that was just up at the local

1266

01:00:21,420 --> 01:00:19,270

local area so this weather to recall of

1267

01:00:23,430 --> 01:00:21,430

you know me and my mom get triggered at

1268

01:00:25,920 --> 01:00:23,440

my mum's my handler and takes me

1269

01:00:28,170 --> 01:00:25,930

somewhere and I'm kind of used and

1270

01:00:30,060 --> 01:00:28,180

brought back or you know because I'm she

1271

01:00:34,260 --> 01:00:30,070

did tell me that I've always been a

1272

01:00:38,030 --> 01:00:34,270

sleepwalker as a child we also kind of

1273

01:00:40,350 --> 01:00:38,040

points towards abduction type stuff that

1274

01:00:42,540 --> 01:00:40,360

you know you kind of just woken up and

1275

01:00:45,390 --> 01:00:42,550

then going to sleep state and walk

1276

01:00:48,060 --> 01:00:45,400

outside and then kind of get picked up

1277

01:00:50,790 --> 01:00:48,070

you know almost like subconsciously so

1278

01:00:52,740 --> 01:00:50,800

yeah but nothing no recalls of anything

1279

01:00:55,920 --> 01:00:52,750

that's kind of our underground base E or

1280

01:00:57,990 --> 01:00:55,930

any anything like that definitely the

1281

01:01:01,080 --> 01:00:58,000

memories of the places that that aren't

1282

01:01:04,830 --> 01:01:01,090

aren't on this planet but only very

1283

01:01:06,450 --> 01:01:04,840

briefly and you know that that maybe to

1284

01:01:08,740 --> 01:01:06,460

me the most fascinating

1285

01:01:11,480 --> 01:01:08,750

Aaron is

1286

01:01:14,180 --> 01:01:11,490

you mentioned that you may have memories

1287

01:01:17,510 --> 01:01:14,190

of actually coming to Earth and like

1288

01:01:19,670 --> 01:01:17,520

being on a craft and I would love to

1289

01:01:21,820 --> 01:01:19,680

hear about that and I've spoken with

1290

01:01:24,860 --> 01:01:21,830

other individuals who have had those and

1291

01:01:26,330 --> 01:01:24,870

it's just a very real experience could

1292

01:01:28,520 --> 01:01:26,340

you explain a little bit what that was

1293

01:01:30,260 --> 01:01:28,530

like what that seemed like what it what

1294

01:01:35,180 --> 01:01:30,270

what feelings you were feeling and what

1295

01:01:37,340 --> 01:01:35,190

the planet looked like okay so going

1296

01:01:42,080 --> 01:01:37,350

back to what I said about the sleep

1297

01:01:48,350 --> 01:01:42,090

paralysis no this vision or memory came

1298

01:01:51,320 --> 01:01:48,360

during a paralysis - where I I kind of

1299

01:01:54,350 --> 01:01:51,330

was frozen and I kind of just got this

1300

01:01:58,940 --> 01:01:54,360

visual that and it was and I think it

1301
01:02:01,760 --> 01:01:58,950
was at the time of some reason I worked

1302
01:02:03,680 --> 01:02:01,770
out or some something or someone and

1303
01:02:06,860 --> 01:02:03,690
told told put me in my head that at

1304
01:02:09,280 --> 01:02:06,870
cosmic law that if because of this kind

1305
01:02:11,630 --> 01:02:09,290
of tilting maybe spiritual attack and

1306
01:02:13,670 --> 01:02:11,640
some reason in my head of a cosmic law

1307
01:02:16,520 --> 01:02:13,680
that you can demand that something to

1308
01:02:19,400 --> 01:02:16,530
show yourself you don't show yourself or

1309
01:02:22,970 --> 01:02:19,410
it has to it has to go what they have to

1310
01:02:24,590 --> 01:02:22,980
they have to show themselves and in my

1311
01:02:26,630 --> 01:02:24,600
head I was kind of like you know shall I

1312
01:02:28,610 --> 01:02:26,640
show you some self and then all the

1313
01:02:31,370 --> 01:02:28,620

sudden knows these rapid downloads of

1314

01:02:35,900 --> 01:02:31,380

what and it's in the craft but otherwise

1315

01:02:37,910 --> 01:02:35,910

what you know from a distant star system

1316

01:02:40,790 --> 01:02:37,920

and then kind of I'll fast forward like

1317

01:02:45,080 --> 01:02:40,800

always stuff what I know I was like a

1318

01:02:47,900 --> 01:02:45,090

blue type 3d computer screen that was in

1319

01:02:49,850 --> 01:02:47,910

front of me and then kind of water the

1320

01:02:51,740 --> 01:02:49,860

whole he's an information flash stuck in

1321

01:02:55,460 --> 01:02:51,750

my head and then Connor buggy it stops

1322

01:02:59,480 --> 01:02:55,470

for a moment at the side of the milk as

1323

01:03:02,420 --> 01:02:59,490

the Milky Way then what all this

1324

01:03:04,370 --> 01:03:02,430

information stuff like flu items it was

1325

01:03:06,470 --> 01:03:04,380

a real kind of heartache there's a lot

1326

01:03:09,740 --> 01:03:06,480

of as always what something was was

1327

01:03:11,570 --> 01:03:09,750

waiting for me to give access or say

1328

01:03:13,670 --> 01:03:11,580

okay show me what's going on kind of

1329

01:03:17,660 --> 01:03:13,680

thing and kind of like boom I was like

1330

01:03:20,420 --> 01:03:17,670

this massive upload and so but it would

1331

01:03:22,220 --> 01:03:20,430

slow it down and pull certain parts and

1332

01:03:24,500 --> 01:03:22,230

one of the it kind of

1333

01:03:26,690 --> 01:03:24,510

the edge of the Milky Way and then kind

1334

01:03:28,730 --> 01:03:26,700

of light again before just before Earth

1335

01:03:30,740 --> 01:03:28,740

had kind of like paused and I saw like

1336

01:03:33,410 --> 01:03:30,750

that earth kind of spinning there and

1337

01:03:36,109 --> 01:03:33,420

then what and and it was almost like

1338

01:03:38,420 --> 01:03:36,119

that coming across from the so out of my

1339

01:03:43,550 --> 01:03:38,430

vision like I'm on the computer screen

1340

01:03:45,290 --> 01:03:43,560

almost like an ETA was coming Club

1341

01:03:49,250 --> 01:03:45,300

almost like it was going to interface

1342

01:03:52,370 --> 01:03:49,260

with me as I was as I was approaching in

1343

01:03:55,250 --> 01:03:52,380

this class and I basically I was looking

1344

01:03:57,680 --> 01:03:55,260

out the front window and and by in front

1345

01:03:59,680 --> 01:03:57,690

of me almost not in the window but in

1346

01:04:03,290 --> 01:03:59,690

front of the window there was like a 3d

1347

01:04:04,910 --> 01:04:03,300

- computer one you know like an Iron Man

1348

01:04:07,160 --> 01:04:04,920

with Tony Stark

1349

01:04:08,900 --> 01:04:07,170

pulls up their blue computer and

1350

01:04:12,470 --> 01:04:08,910

controlled around it's like three

1351

01:04:17,920 --> 01:04:12,480

dimensional that's what was I mean

1352

01:04:21,320 --> 01:04:17,930

farming and I believe that memory of me

1353

01:04:24,280 --> 01:04:21,330

coming to the job being told that I came

1354

01:04:27,050 --> 01:04:24,290

was coming here as an adult visitor and

1355

01:04:32,840 --> 01:04:27,060

that I was intercepted on the way in and

1356

01:04:34,970 --> 01:04:32,850

then then some either place to be or the

1357

01:04:41,050 --> 01:04:34,980

reverse age or placed in the human body

1358

01:04:44,150 --> 01:04:41,060

in place placed in his family yeah yeah

1359

01:04:49,130 --> 01:04:44,160

what they communicated to me from people

1360

01:04:50,720 --> 01:04:49,140

that read things or thing and I find it

1361

01:04:53,930 --> 01:04:50,730

interesting that a lot of the media

1362

01:04:55,940 --> 01:04:53,940

you'll see even on regular TV shows you

1363

01:04:58,190 --> 01:04:55,950

know these these if you want to call

1364

01:05:00,950 --> 01:04:58,200

them they're getting us prepared for

1365

01:05:03,050 --> 01:05:00,960

this technology that we obviously know

1366

01:05:06,500 --> 01:05:03,060

doesn't exist yet you see it on

1367

01:05:09,530 --> 01:05:06,510

everything from NCIS to you know science

1368

01:05:11,390 --> 01:05:09,540

fiction everything has these computers

1369

01:05:13,520 --> 01:05:11,400

where you can just grab things slide

1370

01:05:15,230 --> 01:05:13,530

them across the room there's not really

1371

01:05:18,080 --> 01:05:15,240

a screen they're not there but you can

1372

01:05:20,960 --> 01:05:18,090

move these these holographic windows

1373

01:05:24,620 --> 01:05:20,970

around and I think everybody is aware

1374

01:05:26,990 --> 01:05:24,630

that that's coming or it exists in some

1375

01:05:34,520 --> 01:05:27,000

other parallel I find that really

1376

01:05:35,590 --> 01:05:34,530

interesting huh right yeah the more you

1377

01:05:38,380 --> 01:05:35,600

go back to do we

1378

01:05:39,970 --> 01:05:38,390

when you see when you listen to Emery

1379

01:05:41,980 --> 01:05:39,980

Smith them when he's talking to kind of

1380

01:05:43,990 --> 01:05:41,990

guys like John Lear and in that if you

1381

01:05:46,090 --> 01:05:44,000

watch any of the cosmic disclosure like

1382

01:05:49,570 --> 01:05:46,100

the way they're talking about how the

1383

01:05:52,000 --> 01:05:49,580

tire technology is so outdated and and

1384

01:05:54,790 --> 01:05:52,010

you know the stuff they do have that

1385

01:05:55,960 --> 01:05:54,800

they you know suppress and then keep it

1386

01:05:58,630 --> 01:05:55,970

to themselves and kind of just want to

1387

01:06:00,550 --> 01:05:58,640

drift these to it slowly so they make

1388

01:06:02,710 --> 01:06:00,560

maximum money I mean that that's the

1389

01:06:04,360 --> 01:06:02,720

most disappointing thing really is you

1390

01:06:06,610 --> 01:06:04,370

know when you've got you know just

1391

01:06:08,230 --> 01:06:06,620

corporate greed that's just holding the

1392

01:06:11,470 --> 01:06:08,240

rest of us up and the only reason that

1393

01:06:14,530 --> 01:06:11,480

we are like being turned into almost

1394

01:06:16,900 --> 01:06:14,540

like a prison planet of slaves that are

1395

01:06:19,630 --> 01:06:16,910

you know in the rat race by trying to

1396

01:06:21,820 --> 01:06:19,640

earn enough to pay the taxes and you

1397

01:06:25,360 --> 01:06:21,830

know like not really kind of looking up

1398

01:06:28,090 --> 01:06:25,370

and seeing the truth because they're

1399

01:06:30,790 --> 01:06:28,100

this small group of corporates just want

1400

01:06:32,590 --> 01:06:30,800

to keep making money and you know and

1401

01:06:34,420 --> 01:06:32,600

and and holding us down in there and

1402

01:06:38,170 --> 01:06:34,430

make I mean it's just it's just

1403

01:06:40,240 --> 01:06:38,180

corporate corporate greed I mean the

1404

01:06:42,700 --> 01:06:40,250

sooner they get rid of this kind of

1405

01:06:45,520 --> 01:06:42,710

fluctuating currency system which and

1406

01:06:47,560 --> 01:06:45,530

Reserve Bank's we're you know countries

1407

01:06:49,950 --> 01:06:47,570

are getting printed money but you know a

1408

01:06:52,450 --> 01:06:49,960

dollar will cost you a dollar point

1409

01:06:53,980 --> 01:06:52,460

something you know you're never going to

1410

01:06:56,710 --> 01:06:53,990

get out of debt I mean it's a flawed

1411

01:06:59,800 --> 01:06:56,720

system from your start you know it's a

1412

01:07:04,210 --> 01:06:59,810

magic money slavery system absolutely

1413

01:07:06,550 --> 01:07:04,220

which you know one of the theories is

1414

01:07:14,050 --> 01:07:06,560

that artificial intelligence created

1415

01:07:16,600 --> 01:07:14,060

Bitcoin as a way to kind of end a lot of

1416

01:07:20,470 --> 01:07:16,610

the problems with or a problem that it's

1417

01:07:23,680 --> 01:07:20,480

always you know how our system like was

1418

01:07:25,030 --> 01:07:23,690

the punctuating County system which can

1419

01:07:28,320 --> 01:07:25,040

be manipulated and something that

1420

01:07:31,750 --> 01:07:28,330

Bitcoin of the artificial intelligence

1421

01:07:34,260 --> 01:07:31,760

creation in just the term itself

1422

01:07:38,470 --> 01:07:34,270

artificial intelligence it's it's kinda

1423

01:07:43,180 --> 01:07:38,480

ghetto and yeah yeah intelligence is not

1424

01:07:44,710 --> 01:07:43,190

artificial it's it's divine and so

1425

01:07:47,230 --> 01:07:44,720

that's a really good point I wanted to

1426

01:07:49,330 --> 01:07:47,240

ask you about something you know a lot

1427

01:07:51,520 --> 01:07:49,340

about nutrients sup

1428

01:07:56,080 --> 01:07:51,530

the human body and what we need to run

1429

01:08:00,960 --> 01:07:56,090

at levels we should be running okay so

1430

01:08:06,160 --> 01:08:00,970

human body is made up of 22 amino acids

1431

01:08:13,000 --> 01:08:06,170

16 vitamin 3 fatty acids and 72 trace

1432

01:08:17,700 --> 01:08:13,010

minerals if you can get those into your

1433

01:08:21,329 --> 01:08:17,710

body in a bioavailable form you will

1434

01:08:23,680 --> 01:08:21,339

experience all kinds of benefits and

1435

01:08:25,540 --> 01:08:23,690

ailments and injuries and this kind of

1436

01:08:28,890 --> 01:08:25,550

just disappear our first product that I

1437

01:08:33,670 --> 01:08:28,900

brought to the market was the first ever

1438

01:08:36,180 --> 01:08:33,680

100% predigested protein and the

1439

01:08:38,050 --> 01:08:36,190

proteins not derived from whey or milk

1440

01:08:40,660 --> 01:08:38,060

of something to the body the body

1441

01:08:42,670 --> 01:08:40,670

doesn't recognize lactose it doesn't

1442

01:08:45,250 --> 01:08:42,680

absorb white particles are too large and

1443

01:08:48,280 --> 01:08:45,260

and whey proteins Coop's are dead and

1444

01:08:51,250 --> 01:08:48,290

you absorb 50% of something with 50%

1445

01:08:52,840 --> 01:08:51,260

pure and that's not going to work and

1446

01:08:54,940 --> 01:08:52,850

working 100 hours and getting paid to

1447

01:08:58,690 --> 01:08:54,950

ten you just wouldn't do it so why would

1448

01:09:00,190 --> 01:08:58,700

you ask the body to do it so came with

1449

01:09:03,760 --> 01:09:00,200

the product that was derived in

1450

01:09:07,840 --> 01:09:03,770

Switzerland a Porten Porten serum

1451

01:09:09,910 --> 01:09:07,850

element so it's the plasma I am Otto

1452

01:09:12,099 --> 01:09:09,920

automatically in bar peptide form

1453

01:09:13,960 --> 01:09:12,109

because it's in the plasma form and the

1454

01:09:16,240 --> 01:09:13,970

serum albumin is the good part of the

1455

01:09:19,240 --> 01:09:16,250

plasma where all the goodies are and

1456

01:09:20,890 --> 01:09:19,250

it's we had it pressed into a tablet so

1457

01:09:22,960 --> 01:09:20,900

there's absolutely no fillers no clay

1458

01:09:25,510 --> 01:09:22,970

there's nothing in there that's going to

1459

01:09:27,340 --> 01:09:25,520

slow down the absorption and what this

1460

01:09:29,680 --> 01:09:27,350

product does is actually absorbed into

1461

01:09:31,840 --> 01:09:29,690

your bloodstream within seven to ten

1462

01:09:36,550 --> 01:09:31,850

minutes and it doesn't require their

1463

01:09:40,540 --> 01:09:36,560

organs or anything any hard work by the

1464

01:09:45,160 --> 01:09:40,550

body to absorb it so the products also

1465

01:09:48,400 --> 01:09:45,170

used in Africa and places like that as

1466

01:09:51,690 --> 01:09:48,410

as a charity product because you know

1467

01:09:55,690 --> 01:09:51,700

someone's going through a treatment

1468

01:09:56,850 --> 01:09:55,700

cancer treatment or malnutrition this

1469

01:10:00,120 --> 01:09:56,860

product

1470

01:10:04,740 --> 01:10:00,130

you're 22 amino acid which your body is

1471

01:10:07,410 --> 01:10:04,750

93% amino acids their ability they want

1472

01:10:08,850 --> 01:10:07,420

your bodies made up of and they're the

1473

01:10:10,229 --> 01:10:08,860

building blocks to every function in

1474

01:10:12,209 --> 01:10:10,239

your body

1475

01:10:15,570 --> 01:10:12,219

yeah I can't seventh inning bottom of

1476

01:10:18,780 --> 01:10:15,580

the minerals so you need to be getting

1477

01:10:23,520 --> 01:10:18,790

to 22 all 22 amino acids into your

1478

01:10:25,470 --> 01:10:23,530

system and so when you're kind of using

1479

01:10:27,990 --> 01:10:25,480

this product with someone that suffering

1480

01:10:29,580 --> 01:10:28,000

from aids cancer because cleanup therapy

1481

01:10:34,919 --> 01:10:29,590

eventually you can't hold down food and

1482

01:10:38,850 --> 01:10:34,929

that's when the person loses muscle mass

1483

01:10:40,770 --> 01:10:38,860

and then their immune system lowers and

1484

01:10:43,470 --> 01:10:40,780

it general is a common at the common

1485

01:10:44,550 --> 01:10:43,480

cold that will well pass away so with

1486

01:10:48,060 --> 01:10:44,560

this product you kind of getting

1487

01:10:49,649 --> 01:10:48,070

everything you need from from your food

1488

01:10:52,470 --> 01:10:49,659

or your or your proteins it's all made

1489

01:10:54,120 --> 01:10:52,480

up of we are a meat product so the only

1490

01:10:56,609 --> 01:10:54,130

complete proteins the students are meat

1491

01:10:58,200 --> 01:10:56,619

polling unless you know you if you're a

1492

01:11:01,649 --> 01:10:58,210

vegetarian or a vegan in each suit

1493

01:11:03,540 --> 01:11:01,659

combined but you know there's also

1494

01:11:05,340 --> 01:11:03,550

digestion issues and stuff like that so

1495

01:11:09,030 --> 01:11:05,350

this product takes that all out of the

1496

01:11:10,500 --> 01:11:09,040

arm out of it out of the equation it's

1497

01:11:13,950 --> 01:11:10,510

already digested before it's the only

1498

01:11:16,140 --> 01:11:13,960

hundred percent predigested protein in

1499

01:11:17,910 --> 01:11:16,150

the world and this is a that part is why

1500

01:11:22,590 --> 01:11:17,920

I think we did get targeted with leads

1501
01:11:24,689 --> 01:11:22,600
um you know there's money laundering

1502
01:11:27,899 --> 01:11:24,699
transactions and and stuff that

1503
01:11:30,020 --> 01:11:27,909
basically we got set up with I think it

1504
01:11:35,879 --> 01:11:30,030
was because we were having so much

1505
01:11:39,330 --> 01:11:35,889
positive effect we've sitting while

1506
01:11:40,680 --> 01:11:39,340
people read as a therapeutic medicine

1507
01:11:42,060 --> 01:11:40,690
even though it's not a medicine in such

1508
01:11:44,729 --> 01:11:42,070
a food supplement so you can bar over

1509
01:11:47,850 --> 01:11:44,739
the counter but people who started to

1510
01:11:50,070 --> 01:11:47,860
notice that you know we're having great

1511
01:11:51,750 --> 01:11:50,080
results we now so we had a couple of

1512
01:11:53,580 --> 01:11:51,760
testimonials from oncologists that said

1513
01:11:55,500 --> 01:11:53,590

you know either work with our can cancer

1514

01:11:57,590 --> 01:11:55,510

patients is creakle and then surviving

1515

01:11:59,669 --> 01:11:57,600

and rebalancing their blood bath with

1516

01:12:04,410 --> 01:11:59,679

people Crohn's

1517

01:12:07,560 --> 01:12:04,420

it was the only it was the only amino

1518

01:12:10,800 --> 01:12:07,570

acid that a type one diabetic can absorb

1519

01:12:13,410 --> 01:12:10,810

without winding up into it so

1520

01:12:14,669 --> 01:12:13,420

when they kind of later the last kind of

1521

01:12:16,770 --> 01:12:14,679

go blind and they're cutting off limbs

1522

01:12:19,169 --> 01:12:16,780

that's purely a lifetime of amino acid

1523

01:12:20,910 --> 01:12:19,179

deficiency so Australia way they've got

1524

01:12:24,620 --> 01:12:20,920

a better quality of life and the longer

1525

01:12:28,379 --> 01:12:24,630

life was basically cheering fibromyalgia

1526

01:12:31,050 --> 01:12:28,389

yeah we people with tremors so even

1527

01:12:34,100 --> 01:12:31,060

people with depression so the two two

1528

01:12:37,439 --> 01:12:34,110

amino acids tryptophan and tyrosine

1529

01:12:42,330 --> 01:12:37,449

precursors and critical in the brain

1530

01:12:43,740 --> 01:12:42,340

producing serotonin these two amino

1531

01:12:47,310 --> 01:12:43,750

acids need across the blood-brain

1532

01:12:48,300 --> 01:12:47,320

barrier to be effective so with our

1533

01:12:50,700 --> 01:12:48,310

product we know how to defend

1534

01:12:53,040 --> 01:12:50,710

predigested it does cross the

1535

01:12:54,450 --> 01:12:53,050

blood-brain barrier and you know we

1536

01:12:56,790 --> 01:12:54,460

didn't we didn't kind of seven to ten

1537

01:12:58,890 --> 01:12:56,800

days people have an increase in the mood

1538

01:13:00,300 --> 01:12:58,900

they can sleep because you don't have

1539

01:13:02,490 --> 01:13:00,310

serotonin you can't sleep that's

1540

01:13:06,090 --> 01:13:02,500

brilliant between depression and

1541

01:13:09,570 --> 01:13:06,100

sleeplessness and also in the Thielen

1542

01:13:11,879 --> 01:13:09,580

when the fine is absorbed by the brain

1543

01:13:13,830 --> 01:13:11,889

you you've got more mental drives so you

1544

01:13:16,919 --> 01:13:13,840

just don't get up as quick so you know

1545

01:13:19,680 --> 01:13:16,929

some people that are dealing with kind

1546

01:13:21,419 --> 01:13:19,690

of addiction or they also depression as

1547

01:13:23,280 --> 01:13:21,429

well is this is critical when you're

1548

01:13:25,290 --> 01:13:23,290

looking at someone you know that that

1549

01:13:28,050 --> 01:13:25,300

person could commit suicide or is

1550

01:13:29,879 --> 01:13:28,060

depressed its Chilean amino acid

1551

01:13:31,859 --> 01:13:29,889

deficiency because when you exert

1552

01:13:34,740 --> 01:13:31,869

yourself in any way you know that the

1553

01:13:37,200 --> 01:13:34,750

body requires amino acids to feed its

1554

01:13:38,910 --> 01:13:37,210

muscles and if it is not getting them

1555

01:13:40,770 --> 01:13:38,920

through your suit it'll rip amino acids

1556

01:13:42,750 --> 01:13:40,780

from wherever can including other muscle

1557

01:13:45,450 --> 01:13:42,760

groups and that's where the body becomes

1558

01:13:48,689 --> 01:13:45,460

catabolic but uh you know this is the

1559

01:13:51,530 --> 01:13:48,699

reason that you know the brain and you

1560

01:13:54,090 --> 01:13:51,540

know people do get depressed or you know

1561

01:13:56,070 --> 01:13:54,100

yo someone's gotta leave a cook shoulder

1562

01:13:58,140 --> 01:13:56,080

with it their tendons or you know

1563

01:14:01,260 --> 01:13:58,150

someone suggestions not working

1564

01:14:02,850 --> 01:14:01,270

correctly every organ in the body is

1565

01:14:06,570 --> 01:14:02,860

made it's like a muscle that's made up

1566

01:14:09,149 --> 01:14:06,580

of the same 22 many lessons in terms of

1567

01:14:12,330 --> 01:14:09,159

the other the fatty acid 772 trace

1568

01:14:14,760 --> 01:14:12,340

minerals is very it's hard to get the

1569

01:14:16,560 --> 01:14:14,770

medals at eating your food at all you

1570

01:14:19,620 --> 01:14:16,570

know if you can get those things into

1571

01:14:23,700 --> 01:14:19,630

your body and fuel yourself is what you

1572

01:14:24,689 --> 01:14:23,710

need all of a sudden you know you feel

1573

01:14:27,390 --> 01:14:24,699

young

1574

01:14:29,609 --> 01:14:27,400

you know it's very anti-aging and then

1575

01:14:31,319 --> 01:14:29,619

then then you kind of get to play with

1576

01:14:34,739 --> 01:14:31,329

the fun stuff like new topics where he

1577

01:14:36,449 --> 01:14:34,749

kind of you know kind of expanding the

1578

01:14:39,179 --> 01:14:36,459

mind or you things like frankincense

1579

01:14:42,239 --> 01:14:39,189

which which are actually you know as

1580

01:14:45,569 --> 01:14:42,249

does amazing things with DNA in DNA

1581

01:14:49,140 --> 01:14:45,579

replication and you know this this

1582

01:14:51,689 --> 01:14:49,150

Chinese herbs that you know rip like

1583

01:14:54,000 --> 01:14:51,699

trigger stem cell production and

1584

01:14:56,370 --> 01:14:54,010

replication and you know when you think

1585

01:14:58,199 --> 01:14:56,380

about people are going you know overseas

1586

01:15:00,509 --> 01:14:58,209

rock from Australia overseas to get

1587

01:15:02,580 --> 01:15:00,519

stem-cell therapy and they're kind of

1588

01:15:04,169 --> 01:15:02,590

doing stuff in petri dishes and you know

1589

01:15:06,509 --> 01:15:04,179

this plants out there that do this

1590

01:15:09,120 --> 01:15:06,519

naturally you know and come on guys it's

1591

01:15:10,709 --> 01:15:09,130

fun it's fun some some research into

1592

01:15:12,449 --> 01:15:10,719

natural therapies and there's stuff that

1593

01:15:14,640 --> 01:15:12,459

grows in the ground that nearly cure

1594

01:15:16,500 --> 01:15:14,650

cancer without even without even do

1595

01:15:19,799 --> 01:15:16,510

anything over very touching it I mean

1596

01:15:22,080 --> 01:15:19,809

surely you know like the CBD oil has

1597

01:15:23,759 --> 01:15:22,090

been uh that's [h__\h] awesome

1598

01:15:25,379 --> 01:15:23,769

off the china-australia is going to be

1599

01:15:27,810 --> 01:15:25,389

the last place that kind of legalized it

1600

01:15:30,000 --> 01:15:27,820

but you know that stuff is so good so

1601
01:15:35,179 --> 01:15:30,010
you know with my alleged victims and

1602
01:15:38,129 --> 01:15:35,189
then sue people PTSD anxiety CBD oil is

1603
01:15:41,850 --> 01:15:38,139
absolutely brilliant you know without

1604
01:15:46,049 --> 01:15:41,860
the THC you know you know like twenty

1605
01:15:48,390 --> 01:15:46,059
drips under the tongue and you know you

1606
01:15:50,969 --> 01:15:48,400
you're cool calm and collected you know

1607
01:15:53,879 --> 01:15:50,979
those exam anxiety and the PTSD is gone

1608
01:15:55,469 --> 01:15:53,889
and on a pain level it's better than

1609
01:15:56,909 --> 01:15:55,479
criminal and some of the

1610
01:15:59,790 --> 01:15:56,919
over-the-counter painkillers so you know

1611
01:16:00,929 --> 01:15:59,800
why would we be you know so I mean you

1612
01:16:03,719 --> 01:16:00,939
know the government's got to work out

1613
01:16:05,879 --> 01:16:03,729

how much tax it wants the get them and

1614

01:16:07,739 --> 01:16:05,889

licensed cultivators and you know

1615

01:16:09,209 --> 01:16:07,749

they're gonna they're going to maximize

1616

01:16:12,000 --> 01:16:09,219

it there's gotta be like cigarettes I

1617

01:16:13,859 --> 01:16:12,010

mean the effector you know cigarettes

1618

01:16:15,629 --> 01:16:13,869

are so expensive the tobacco companies

1619

01:16:18,479 --> 01:16:15,639

have got to make less not allowed

1620

01:16:19,350 --> 01:16:18,489

advertising you know in Australia they

1621

01:16:21,419 --> 01:16:19,360

kind of said they're putting the

1622

01:16:24,319 --> 01:16:21,429

cigarette prices up to to deter

1623

01:16:26,669 --> 01:16:24,329

children's and starting smoking okay as

1624

01:16:29,009 --> 01:16:26,679

obvious achievement the government's are

1625

01:16:31,080 --> 01:16:29,019

taking a big whopping tax and making

1626

01:16:33,089 --> 01:16:31,090

lots of money it's one of those dried

1627

01:16:36,129 --> 01:16:33,099

taxable addictions like alcohol gambling

1628

01:16:42,669 --> 01:16:39,640

cigarette you know but um that's that's

1629

01:16:44,620 --> 01:16:42,679

my rant but I yes yes it's taking it

1630

01:16:46,990 --> 01:16:44,630

simple you know like you just got to put

1631

01:16:48,280 --> 01:16:47,000

that in what your body's made up all you

1632

01:16:49,479 --> 01:16:48,290

would need anything else so I wouldn't

1633

01:16:51,850 --> 01:16:49,489

people kind of going on to

1634

01:16:53,680 --> 01:16:51,860

antidepressant stuff like that well why

1635

01:16:56,800 --> 01:16:53,690

are you putting chemicals in your brains

1636

01:16:59,470 --> 01:16:56,810

like you know even when people say oh

1637

01:17:00,609 --> 01:16:59,480

I've got a chemical imbalance in my

1638

01:17:02,919 --> 01:17:00,619

brain one another

1639

01:17:05,859 --> 01:17:02,929

well you know the amino acids will get

1640

01:17:08,050 --> 01:17:05,869

you to reproduce those chemicals but if

1641

01:17:11,770 --> 01:17:08,060

you do have an imbalance in you in your

1642

01:17:14,530 --> 01:17:11,780

brain monatomic dog is great for kind of

1643

01:17:17,530 --> 01:17:14,540

leveling them left and right brain you

1644

01:17:21,010 --> 01:17:17,540

say please fart out of kilter or

1645

01:17:23,080 --> 01:17:21,020

whatever it's great that you know and

1646

01:17:25,120 --> 01:17:23,090

but that's about that stuff might take

1647

01:17:30,510 --> 01:17:25,130

every day and it works I believe it

1648

01:17:32,890 --> 01:17:30,520

works yeah more spiritual and be more

1649

01:17:36,490 --> 01:17:32,900

connected than that like the way he's

1650

01:17:39,459 --> 01:17:36,500

through kind of colloidal dogs and the

1651
01:17:42,160 --> 01:17:39,469
colloidal metals but yeah definitely dog

1652
01:17:44,620 --> 01:17:42,170
you know that's why the Egyptians were

1653
01:17:46,270 --> 01:17:44,630
you know wearing it and it was all

1654
01:17:48,100 --> 01:17:46,280
around in there

1655
01:17:51,010 --> 01:17:48,110
I kind of temples and everything like

1656
01:17:54,459 --> 01:17:51,020
that it was there it's it's a great

1657
01:17:56,310 --> 01:17:54,469
spiritual conductor and why not

1658
01:18:03,310 --> 01:17:56,320
something to do with in being able to

1659
01:18:05,379 --> 01:18:03,320
travel I think with dr. Wallach what a

1660
01:18:07,689 --> 01:18:05,389
great guy I mean here he found some

1661
01:18:11,229 --> 01:18:07,699
stuff to keep you know our animals

1662
01:18:13,209 --> 01:18:11,239
prospering and yet I say they are trying

1663
01:18:15,310 --> 01:18:13,219

to kill us but one of my best friends

1664

01:18:17,379 --> 01:18:15,320

says it best his name is Dave Rosenfeld

1665

01:18:19,720 --> 01:18:17,389

and he says you know if it has a

1666

01:18:22,570 --> 01:18:19,730

commercial it probably isn't food and

1667

01:18:24,820 --> 01:18:22,580

it's that greed it's that trash and

1668

01:18:28,209 --> 01:18:24,830

fillers and high fructose corn syrup and

1669

01:18:30,040 --> 01:18:28,219

I really do believe you know you

1670

01:18:31,300 --> 01:18:30,050

mentioned stem cells and this is

1671

01:18:34,660 --> 01:18:31,310

something that at least here in the

1672

01:18:35,740 --> 01:18:34,670

United States insurance won't cover they

1673

01:18:38,379 --> 01:18:35,750

don't take seriously

1674

01:18:42,070 --> 01:18:38,389

I had to blown shoulders and I had

1675

01:18:43,780 --> 01:18:42,080

carpal tunnel in one one arm and here in

1676

01:18:45,129 --> 01:18:43,790

Las Vegas there was a there was a guy

1677

01:18:47,589 --> 01:18:45,139

that was just starting out he was doing

1678

01:18:48,850 --> 01:18:47,599

a really good job it was dynamics stem

1679

01:18:51,460 --> 01:18:48,860

cell therapy I highly

1680

01:18:53,740 --> 01:18:51,470

commend them I went there and both

1681

01:18:55,420 --> 01:18:53,750

shoulders good as new and he had some

1682

01:18:58,090 --> 01:18:55,430

left over and he said where do you want

1683

01:19:00,010 --> 01:18:58,100

me to put this and I said well I've got

1684

01:19:01,900 --> 01:19:00,020

carpal tunnel but I've you know tennis

1685

01:19:03,850 --> 01:19:01,910

elbow it's not curable and he said well

1686

01:19:06,040 --> 01:19:03,860

let's let's put some in there and since

1687

01:19:09,640 --> 01:19:06,050

I couldn't even hold a coffee mug Aaron

1688

01:19:12,010 --> 01:19:09,650

and now I'm back to like when I was 18

1689

01:19:13,840 --> 01:19:12,020

so there's no money in the Cure and I

1690

01:19:16,540 --> 01:19:13,850

think Chris Rock said that in one of his

1691

01:19:19,810 --> 01:19:16,550

his stand-up routines but it's the truth

1692

01:19:21,870 --> 01:19:19,820

that unless there's so money there there

1693

01:19:24,910 --> 01:19:21,880

there's just no money in the Cure it's

1694

01:19:26,470 --> 01:19:24,920

it's it's really unfortunate but I think

1695

01:19:28,630 --> 01:19:26,480

it's great that you have such such

1696

01:19:31,330 --> 01:19:28,640

knowledge about this in as far as a

1697

01:19:33,940 --> 01:19:31,340

monatomic gold I I started taking that a

1698

01:19:38,290 --> 01:19:33,950

few months ago and since then like you

1699

01:19:41,050 --> 01:19:38,300

said I felt more more grounded do you

1700

01:19:42,310 --> 01:19:41,060

have to move on thank you so much for

1701

01:19:47,830 --> 01:19:42,320

all that information that was like

1702

01:19:50,740 --> 01:19:47,840

amazing do you have any memories of time

1703

01:19:58,090 --> 01:19:50,750

travel or what it entails and if so what

1704

01:20:00,370 --> 01:19:58,100

do you remember yes not consciously

1705

01:20:05,170 --> 01:20:00,380

doing it but um myself and my partner

1706

01:20:07,150 --> 01:20:05,180

both Kruger runner so it's super

1707

01:20:10,720 --> 01:20:07,160

soldiers that can travel at supersonic

1708

01:20:12,970 --> 01:20:10,730

speed or sit outside of time and in

1709

01:20:16,060 --> 01:20:12,980

order to get jobs done but we've gone to

1710

01:20:17,740 --> 01:20:16,070

sleep like that night previous and woken

1711

01:20:20,830 --> 01:20:17,750

up the next day with blisters on our

1712

01:20:23,820 --> 01:20:20,840

feet like that we would not before we

1713

01:20:36,610 --> 01:20:23,830

didn't you know we're fine like know

1714

01:20:38,770 --> 01:20:36,620

what we've got up and running you know

1715

01:20:40,840 --> 01:20:38,780

like I'm in tasered like before you know

1716

01:20:44,950 --> 01:20:40,850

like in another reality or just you know

1717

01:20:50,260 --> 01:20:44,960

without knowing yeah but I've noticed

1718

01:20:53,710 --> 01:20:50,270

that someone or something every I mean

1719

01:20:55,840 --> 01:20:53,720

it's kind of um you know like objects or

1720

01:20:58,870 --> 01:20:55,850

things that are made will be at the next

1721

01:21:01,840 --> 01:20:58,880

place already for me even though I

1722

01:21:02,610 --> 01:21:01,850

haven't been there yet things that I

1723

01:21:05,520 --> 01:21:02,620

can't explain

1724

01:21:08,160 --> 01:21:05,530

so I don't have sex myself I won't

1725

01:21:12,120 --> 01:21:08,170

explain his story but there's time time

1726
01:21:15,300 --> 01:21:12,130
traveling male that I got from 1997 that

1727
01:21:15,930 --> 01:21:15,310
I didn't get in nineteen nine 1997 and

1728
01:21:18,840 --> 01:21:15,940
this

1729
01:21:20,460 --> 01:21:18,850
I can't me and I partly come home after

1730
01:21:21,720 --> 01:21:20,470
you know being over at a friend's house

1731
01:21:24,930 --> 01:21:21,730
when we just had one of those debates

1732
01:21:26,670 --> 01:21:24,940
like about something like like there's

1733
01:21:29,370 --> 01:21:26,680
Tommy the debate was Michael Jackson and

1734
01:21:31,800 --> 01:21:29,380
whether he actually did you know did

1735
01:21:33,360 --> 01:21:31,810
anything to the kids or not and that was

1736
01:21:35,820 --> 01:21:33,370
the debate that was kind of going on

1737
01:21:38,760 --> 01:21:35,830
about now before he come home anyway I'm

1738
01:21:40,760 --> 01:21:38,770

telling home to restate it was staying

1739

01:21:44,340 --> 01:21:40,770

at my parents place at the time and um

1740

01:21:46,200 --> 01:21:44,350

for some reason I just kind of told go

1741

01:21:48,930 --> 01:21:46,210

through one of my little lamb dresser

1742

01:21:51,390 --> 01:21:48,940

drawers Nick next to my bed and there's

1743

01:21:53,280 --> 01:21:51,400

some old only this boxes of stuff from

1744

01:21:56,190 --> 01:21:53,290

my past and things like that but I

1745

01:21:59,190 --> 01:21:56,200

pulled out this box and I thought I'm

1746

01:22:02,090 --> 01:21:59,200

packing it and there was stuff in there

1747

01:22:05,250 --> 01:22:02,100

that like I've lost in another state

1748

01:22:09,240 --> 01:22:05,260

that some and this this box was

1749

01:22:11,940 --> 01:22:09,250

strategically packed for me to open it

1750

01:22:15,060 --> 01:22:11,950

and then be pulling out this stuff one

1751
01:22:18,840 --> 01:22:15,070
by one and there was some jewelry that I

1752
01:22:21,810 --> 01:22:18,850
bought when I was like 13

1753
01:22:23,940 --> 01:22:21,820
never saw lost it somewhere along the

1754
01:22:26,220 --> 01:22:23,950
line I never saw it again it was in

1755
01:22:30,990 --> 01:22:26,230
there like it was shined and cleaned

1756
01:22:32,850 --> 01:22:31,000
yesterday there are two CD covers that I

1757
01:22:34,290 --> 01:22:32,860
lost in know in Victoria which is in

1758
01:22:37,800 --> 01:22:34,300
those days it would have been in a car

1759
01:22:40,020 --> 01:22:37,810
that I sold I thought the the titles

1760
01:22:40,770 --> 01:22:40,030
were irrelevant was two albums by the

1761
01:22:44,250 --> 01:22:40,780
darkness

1762
01:22:46,350 --> 01:22:44,260
one was a one-way ticket to hell and

1763
01:22:47,120 --> 01:22:46,360

back and the other album was permission

1764

01:22:50,160 --> 01:22:47,130

to land

1765

01:22:53,550 --> 01:22:50,170

so which had a big spacecraft on the

1766

01:22:56,460 --> 01:22:53,560

front of it and in there also when there

1767

01:23:01,530 --> 01:22:56,470

was a piece of mail that was addressed

1768

01:23:03,450 --> 01:23:01,540

to me a coffered address and it's been

1769

01:23:04,920 --> 01:23:03,460

opened and I've never seen it before and

1770

01:23:06,960 --> 01:23:04,930

I've got a good rip memories of things

1771

01:23:11,190 --> 01:23:06,970

when when I was all have been in the

1772

01:23:13,200 --> 01:23:11,200

back year a year six or something anyway

1773

01:23:14,460 --> 01:23:13,210

as I said there's about an hour after

1774

01:23:15,950 --> 01:23:14,470

that this debate about Michael Jackson

1775

01:23:18,380 --> 01:23:15,960

I've pulled out

1776

01:23:22,310 --> 01:23:18,390

of this mail that apparently was sent to

1777

01:23:25,160 --> 01:23:22,320

me in 1997 I'll pull that to real still

1778

01:23:29,900 --> 01:23:25,170

photographs of Michael Jackson in

1779

01:23:33,020 --> 01:23:29,910

concert apparently when he came to Perth

1780

01:23:36,800 --> 01:23:33,030

in 1996 which I'm not a Michael Jackson

1781

01:23:39,770 --> 01:23:36,810

fan you would have to rot away and bake

1782

01:23:42,860 --> 01:23:39,780

the newspaper to send you these photos

1783

01:23:48,080 --> 01:23:42,870

the envelope had no send up it was

1784

01:23:50,840 --> 01:23:48,090

stamped with a newspaper and its address

1785

01:23:53,479 --> 01:23:50,850

which is it's no longer there doesn't

1786

01:23:56,510 --> 01:23:53,489

doesn't exist anymore but it had no

1787

01:23:58,820 --> 01:23:56,520

sender and yeah to real still

1788

01:24:03,800 --> 01:23:58,830

photographs of Michael Jackson and one

1789

01:24:08,780 --> 01:24:03,810

of the photographs was from a believer

1790

01:24:14,420 --> 01:24:08,790

the history tour and he's got the full

1791

01:24:16,280 --> 01:24:14,430

mask on and he's in full gold clothing

1792

01:24:18,470 --> 01:24:16,290

and he steps out of a rocket ship

1793

01:24:20,000 --> 01:24:18,480

and he looks like an alien until he

1794

01:24:22,130 --> 01:24:20,010

takes his mask off that's one of the

1795

01:24:26,810 --> 01:24:22,140

photos and the other one in colleges mid

1796

01:24:29,510 --> 01:24:26,820

concert with a guitarist and like so I

1797

01:24:34,280 --> 01:24:29,520

didn't get this mail at the time back

1798

01:24:37,900 --> 01:24:34,290

then and what what I'm saying is there's

1799

01:24:40,070 --> 01:24:37,910

that boxes packed by a time traveler or

1800

01:24:42,650 --> 01:24:40,080

that's the only way I can explain these

1801

01:24:44,690 --> 01:24:42,660

items or being up but but like Michael

1802

01:24:46,490 --> 01:24:44,700

Jackson's photos like literally an hour

1803

01:24:48,470 --> 01:24:46,500

after we're having a debate about it and

1804

01:24:50,000 --> 01:24:48,480

like this finger in a box packed in my

1805

01:24:50,780 --> 01:24:50,010

room that I pull out and I pulled out in

1806

01:24:53,450 --> 01:24:50,790

front of my partner

1807

01:24:55,850 --> 01:24:53,460

I started freaking out I'm like what is

1808

01:24:58,640 --> 01:24:55,860

this cuz I didn't get this back then and

1809

01:25:01,400 --> 01:24:58,650

I'm not a Michael Jackson fan well I've

1810

01:25:04,220 --> 01:25:01,410

just you only my Luckies music in that

1811

01:25:05,810 --> 01:25:04,230

but like it's not like I right away that

1812

01:25:07,400 --> 01:25:05,820

you didn't ask for photos and they were

1813

01:25:11,270 --> 01:25:07,410

sent but there was addressed to me and

1814

01:25:13,910 --> 01:25:11,280

the envelopes dated 1997 and these were

1815

01:25:16,459 --> 01:25:13,920

real photographs from the concert ended

1816

01:25:19,610 --> 01:25:16,469

here except in 1996 and i've got no

1817

01:25:23,510 --> 01:25:19,620

explanation mate for that other than you

1818

01:25:25,970 --> 01:25:23,520

know someone someone's time travelling

1819

01:25:27,800 --> 01:25:25,980

or a time travel child come in and put

1820

01:25:29,909 --> 01:25:27,810

them there but you have business cards

1821

01:25:32,699 --> 01:25:29,919

that are you this so I closed a

1822

01:25:36,350 --> 01:25:32,709

a business cuter business card holder

1823

01:25:39,239 --> 01:25:36,360

was stamped with one of our really

1824

01:25:41,850 --> 01:25:39,249

incredible universities and I've never

1825

01:25:44,429 --> 01:25:41,860

been to be the best be and I'd like to

1826

01:25:46,080 --> 01:25:44,439

have that you'd have to be tonight look

1827

01:25:49,069 --> 01:25:46,090

good have to be that student board was

1828

01:25:52,319 --> 01:25:49,079

definitely a teacher also coming like

1829

01:25:53,279 --> 01:25:52,329

pretty soon but that was in there as

1830

01:25:54,870 --> 01:25:53,289

well so I don't know where that came

1831

01:25:57,139 --> 01:25:54,880

from or just you know nobody's kind of

1832

01:25:59,959 --> 01:25:57,149

gone for that university in our family

1833

01:26:04,889 --> 01:25:59,969

so yeah like a whole heap of tweets and

1834

01:26:08,330 --> 01:26:04,899

messages are beliefs left pot by someone

1835

01:26:12,209 --> 01:26:08,340

yeah that's the only thing to to tease

1836

01:26:16,799 --> 01:26:12,219

by coming adi keys with numbers 106 on

1837

01:26:19,189 --> 01:26:16,809

and therefore bank this for a bank

1838

01:26:24,239 --> 01:26:19,199

safety deposit box

1839

01:26:27,330 --> 01:26:24,249

we've got no idea where to start but

1840

01:26:29,129 --> 01:26:27,340

there yeah there was those two tees that

1841

01:26:32,549 --> 01:26:29,139

we looked up on the internet and adi

1842

01:26:35,639 --> 01:26:32,559

does a check deposit boxes you know

1843

01:26:39,149 --> 01:26:35,649

usually a unity bank was mentioned and

1844

01:26:41,699 --> 01:26:39,159

and whatever and so though the end

1845

01:26:44,250 --> 01:26:41,709

ologies I'd love to find out again

1846

01:26:46,919 --> 01:26:44,260

targeted targeted stuff it's a time of

1847

01:26:49,889 --> 01:26:46,929

um you know destroy it at the moment but

1848

01:26:52,770 --> 01:26:49,899

uh there was an alligator looked a lot

1849

01:26:55,049 --> 01:26:52,780

older than that which had cobblers are

1850

01:26:57,389 --> 01:26:55,059

us and I mean there hasn't been cobblers

1851

01:27:01,529 --> 01:26:57,399

like a shoe cobbler mm-hmm

1852

01:27:03,449 --> 01:27:01,539

they haven't been around for decades but

1853

01:27:08,310 --> 01:27:03,459

yeah there's three mystery keys in this

1854

01:27:09,989 --> 01:27:08,320

box as well so you know like in a

1855

01:27:11,669 --> 01:27:09,999

perfect world hopefully opened the box

1856

01:27:14,729 --> 01:27:11,679

for a cash that's been cashed out of the

1857

01:27:17,100 --> 01:27:14,739

bank their money back but um someone's

1858

01:27:18,929 --> 01:27:17,110

son someone's intruder running and

1859

01:27:21,870 --> 01:27:18,939

collected the cash for me clover them

1860

01:27:24,959 --> 01:27:21,880

know like it was very very strange but

1861

01:27:28,709 --> 01:27:24,969

um other stuff to do with time out there

1862

01:27:34,620 --> 01:27:28,719

again like a sleep paralysis moment

1863

01:27:38,100 --> 01:27:34,630

where literally of levitated logic cut

1864

01:27:43,500 --> 01:27:38,110

has gone sideways out of my bedroom

1865

01:27:45,360 --> 01:27:43,510

window out onto the road like any look

1866

01:27:48,240 --> 01:27:45,370

I don't think there was a sphere around

1867

01:27:51,060 --> 01:27:48,250

me or anything like that but karna just

1868

01:27:53,100 --> 01:27:51,070

yeah almost like I mean the cafe just

1869

01:27:54,870 --> 01:27:53,110

got out my bedroom window onto the road

1870

01:27:58,800 --> 01:27:54,880

and then bang

1871

01:28:01,020 --> 01:27:58,810

took off like at breakneck speed down

1872

01:28:02,400 --> 01:28:01,030

the road and that's where the never

1873

01:28:06,300 --> 01:28:02,410

ended but yeah that was that was

1874

01:28:08,490 --> 01:28:06,310

definitely supersonic speed that I took

1875

01:28:11,970 --> 01:28:08,500

like and whether I was traveling or been

1876

01:28:14,550 --> 01:28:11,980

collected through some type of mission

1877

01:28:17,400 --> 01:28:14,560

or something but yeah that was

1878

01:28:19,170 --> 01:28:17,410

definitely uh traveling as faster than

1879

01:28:21,300 --> 01:28:19,180

time was that's for sure but then that

1880

01:28:26,550 --> 01:28:21,310

was that kind of memory that came back

1881

01:28:29,640 --> 01:28:26,560

with the parameter mm-hmm I had another

1882

01:28:32,520 --> 01:28:29,650

question Erin that is sort of off topic

1883

01:28:36,720 --> 01:28:32,530

but you you had mentioned some knowledge

1884

01:28:39,630 --> 01:28:36,730

of you know these these Draco bloodlines

1885

01:28:41,850 --> 01:28:39,640

and your your awareness of it and its

1886

01:28:43,920 --> 01:28:41,860

implications in your life do you know

1887

01:28:45,630 --> 01:28:43,930

about the Mothman I'm shouldn't possibly

1888

01:28:47,670 --> 01:28:45,640

you've heard about the Mothman I've

1889

01:28:49,980 --> 01:28:47,680

often wondered if that could be related

1890

01:28:51,840 --> 01:28:49,990

I mean it seems like it has the wings it

1891

01:29:01,410 --> 01:28:51,850

seems like it could that be related to

1892

01:29:08,700 --> 01:29:01,420

the Draco phenomenon that's what I

1893

01:29:10,830 --> 01:29:08,710

believe I had a reader draw my partner's

1894

01:29:12,890 --> 01:29:10,840

true form actually in the title Draco we

1895

01:29:15,870 --> 01:29:12,900

are positive

1896

01:29:22,350 --> 01:29:15,880

Draco that came here to help wake up

1897

01:29:27,270 --> 01:29:22,360

humanity and teach that humans with 12

1898

01:29:29,970 --> 01:29:27,280

strand DNA and it can be activated and

1899

01:29:34,440 --> 01:29:29,980

and we're here to kind of help humanity

1900

01:29:36,630 --> 01:29:34,450

ascend and end evolve and that's why we

1901

01:29:40,260 --> 01:29:36,640

chose to take a contract to come here

1902

01:29:43,590 --> 01:29:40,270

but ow the top of Dracula where I

1903

01:29:47,070 --> 01:29:43,600

actually the wings had said which I've

1904

01:29:49,890 --> 01:29:47,080

never heard of or seen but um yes our

1905

01:29:53,940 --> 01:29:49,900

wings and said there's a little parently

1906

01:29:56,190 --> 01:29:53,950

but so that that damn in itself yeah it

1907

01:29:57,990 --> 01:29:56,200

goes down the path of like what what the

1908

01:30:01,020 --> 01:29:58,000

Mothman

1909

01:30:03,000 --> 01:30:01,030

or could be but yeah but I've got a

1910

01:30:07,410 --> 01:30:03,010

feeling like my intuition is telling me

1911

01:30:15,240 --> 01:30:07,420

that it's a it's a genetic cross breed

1912

01:30:16,950 --> 01:30:15,250

that humans have created yeah but I

1913

01:30:18,270 --> 01:30:16,960

think well I don't know I think there's

1914

01:30:22,260 --> 01:30:18,280

probably more than one of them because

1915

01:30:24,600 --> 01:30:22,270

we get faint around a bit another

1916

01:30:26,790 --> 01:30:24,610

question I wanted to ask you is about

1917

01:30:28,970 --> 01:30:26,800

Montauk I know that so many people are

1918

01:30:31,860 --> 01:30:28,980

fascinated with Montauk I've spoken with

1919

01:30:34,380 --> 01:30:31,870

one individual who had visited Montauk

1920

01:30:36,570 --> 01:30:34,390

Frankston period of time a few weeks and

1921

01:30:39,480 --> 01:30:36,580

then a few he lived close by and then he

1922

01:30:43,740 --> 01:30:39,490

immediately got cancer and blamed it on

1923

01:30:49,170 --> 01:30:43,750

on on the base and I wanted to ask you

1924

01:30:55,190 --> 01:30:49,180

what you know about Montauk ok they were

1925

01:31:02,490 --> 01:30:58,530

including MKULTRA fracturing lon

1926

01:31:04,500 --> 01:31:02,500

but the biggest thing I felt that come

1927

01:31:06,620 --> 01:31:04,510

out of Montauk was time travel and the

1928

01:31:10,500 --> 01:31:06,630

time tunnels that they were

1929

01:31:12,090 --> 01:31:10,510

experimenting with early your back in

1930

01:31:14,840 --> 01:31:12,100

the sixties I think they were losing a

1931

01:31:19,310 --> 01:31:14,850

lot of guys when they had perfected

1932

01:31:22,740 --> 01:31:19,320

traveling through time and you know they

1933

01:31:24,270 --> 01:31:22,750

guys weren't coming out at there at the

1934

01:31:25,920 --> 01:31:24,280

destination they were supposed to so

1935

01:31:29,150 --> 01:31:25,930

they kind of lost forever and they lost

1936

01:31:33,450 --> 01:31:29,160

a lot of their lost a lot of people

1937

01:31:35,640 --> 01:31:33,460

doing that other than that I mean I

1938

01:31:37,140 --> 01:31:35,650

heard spoodle I go through all the

1939

01:31:39,750 --> 01:31:37,150

different types of stuff that they were

1940

01:31:45,090 --> 01:31:39,760

doing there I said Montauk wasn't just

1941

01:31:46,830 --> 01:31:45,100

about time travel but yeah I mean it's

1942

01:31:49,170 --> 01:31:46,840

like I believe they had the trip seats

1943

01:31:54,210 --> 01:31:49,180

there I mean it sounds like a pretty

1944

01:31:57,960 --> 01:31:54,220

sinister slide I know that it goes not I

1945

01:32:01,290 --> 01:31:57,970

think nine levels nine levels down under

1946

01:32:04,980 --> 01:32:01,300

on the ground and I believe it's

1947

01:32:09,210 --> 01:32:04,990

probably still being used that that's

1948

01:32:10,689 --> 01:32:09,220

pretty much all or no okay I want all

1949

01:32:12,490 --> 01:32:10,699

another question

1950

01:32:14,590 --> 01:32:12,500

I know it's getting pretty lengthy here

1951

01:32:15,850 --> 01:32:14,600

I apologize you mentioned glitches in

1952

01:32:17,110 --> 01:32:15,860

the matrix and I think it you're

1953

01:32:19,750 --> 01:32:17,120

absolutely right that there could be

1954

01:32:21,040 --> 01:32:19,760

some we all have those instances where

1955

01:32:23,050 --> 01:32:21,050

it's like wait a minute something

1956

01:32:24,550 --> 01:32:23,060

doesn't seem right or at least if it's

1957

01:32:26,830 --> 01:32:24,560

not in our own minds maybe it's

1958

01:32:29,229 --> 01:32:26,840

something in our own reality however is

1959

01:32:31,840 --> 01:32:29,239

it related or could it possibly be

1960

01:32:33,820 --> 01:32:31,850

related or give any credibility to the

1961

01:32:37,560 --> 01:32:33,830

Mandela effect theory or what do you

1962

01:32:43,840 --> 01:32:37,570

think if anything is the Mandela effect

1963

01:32:47,410 --> 01:32:43,850

yeah you know I'm gonna say that yeah

1964

01:32:49,510 --> 01:32:47,420

I'm gonna cut you off there but I did -

1965

01:32:53,800 --> 01:32:49,520

I blew you I believe you you know I've

1966

01:32:55,360 --> 01:32:53,810

done this before just a hard one they

1967

01:32:55,990 --> 01:32:55,370

adjust the time one that you what you're

1968

01:32:59,709 --> 01:32:56,000

doing it again

1969

01:33:02,530 --> 01:32:59,719

but it's yes because they've gone back

1970

01:33:05,979 --> 01:33:02,540

in time to adjusting the alternate

1971

01:33:07,810 --> 01:33:05,989

future and you are going through it

1972

01:33:11,919 --> 01:33:07,820

again but it's due for the first time

1973

01:33:16,919 --> 01:33:11,929

you know what I mean that's what I feel

1974

01:33:19,450 --> 01:33:16,929

what the Mandela effect is yeah I mean I

1975

01:33:25,150 --> 01:33:19,460

think that there's multiple timelines

1976

01:33:29,520 --> 01:33:25,160

like at least 12 different reality or

1977

01:33:33,340 --> 01:33:29,530

time wand and I do believe based on what

1978

01:33:36,459 --> 01:33:33,350

how you're being influenced and and what

1979

01:33:39,070 --> 01:33:36,469

you actually do whether you are acting

1980

01:33:42,250 --> 01:33:39,080

in a higher vibration or whether you

1981

01:33:44,709 --> 01:33:42,260

have acting in a low vibration I believe

1982

01:33:48,820 --> 01:33:44,719

that that's what determines what

1983

01:33:51,640 --> 01:33:48,830

timeline you traverse onto in terms of

1984

01:33:53,860 --> 01:33:51,650

where you're conscious where your

1985

01:33:55,750 --> 01:33:53,870

consciousness even and your experience

1986

01:33:59,740 --> 01:33:55,760

so all the reality that you're

1987

01:34:01,720 --> 01:33:59,750

experiencing so I believe that the

1988

01:34:04,479 --> 01:34:01,730

future is not saying there baby

1989

01:34:07,600 --> 01:34:04,489

then your actions are determining you

1990

01:34:10,090 --> 01:34:07,610

know what what reality you're going to

1991

01:34:12,939 --> 01:34:10,100

experience and then you can kind of you

1992

01:34:16,860 --> 01:34:12,949

know be bumped on to a different

1993

01:34:21,550 --> 01:34:16,870

timeline by you know the way the media

1994

01:34:24,530 --> 01:34:21,560

manipulates mass consciousness with a

1995

01:34:27,830 --> 01:34:24,540

story or something kind of like you know

1996

01:34:30,380 --> 01:34:27,840

people onto a timeline or a trajectory

1997

01:34:35,180 --> 01:34:30,390

you know that they want that they're

1998

01:34:36,590 --> 01:34:35,190

manipulating you know because they again

1999

01:34:38,240 --> 01:34:36,600

with the police you know there's enough

2000

01:34:41,660 --> 01:34:38,250

people believe something it becomes real

2001

01:34:45,620 --> 01:34:41,670

but um yeah like I definitely there's

2002

01:34:47,270 --> 01:34:45,630

multiple timelines all happy and you

2003

01:34:50,600 --> 01:34:47,280

know just trying to do with you kind of

2004

01:34:53,390 --> 01:34:50,610

acts through in a negative manner about

2005

01:34:56,180 --> 01:34:53,400

things and then yeah you know I can't

2006

01:34:58,700 --> 01:34:56,190

rule ourselves or whatever you take a

2007

01:35:02,180 --> 01:34:58,710

low road as they say there is you raise

2008

01:35:05,690 --> 01:35:02,190

your vibration and I kind of acting out

2009

01:35:07,610 --> 01:35:05,700

of you know love and service to others

2010

01:35:09,920 --> 01:35:07,620

and stuff I think we kind of bumped on

2011

01:35:11,360 --> 01:35:09,930

to a much more positive timeline and I

2012

01:35:15,110 --> 01:35:11,370

think that's also where the magic

2013

01:35:17,570 --> 01:35:15,120

happens well we've got that you know

2014

01:35:19,490 --> 01:35:17,580

high frequency or love love frequencies

2015

01:35:22,160 --> 01:35:19,500

I believe there's only two there's only

2016

01:35:24,680 --> 01:35:22,170

two frequencies you know high frequency

2017

01:35:27,250 --> 01:35:24,690

low frequency love frequency and fear

2018

01:35:30,050 --> 01:35:27,260

frequency and those two emotions whether

2019

01:35:34,090 --> 01:35:30,060

yeah the two emotions that every other

2020

01:35:37,430 --> 01:35:34,100

human emotion stems from from those two

2021

01:35:42,170 --> 01:35:37,440

emotions and I believe you know like a

2022

01:35:45,110 --> 01:35:42,180

majority of the world is imprisoned in a

2023

01:35:47,800 --> 01:35:45,120

zone like mental prison with because

2024

01:35:52,520 --> 01:35:47,810

they were being kept in in low frequency

2025

01:35:55,880 --> 01:35:52,530

so if you can the more you can remain

2026

01:35:58,400 --> 01:35:55,890

you know compassionate and then do

2027

01:36:01,400 --> 01:35:58,410

things out of love and show empathy and

2028

01:36:05,030 --> 01:36:01,410

forgive others quickly and also yourself

2029

01:36:09,080 --> 01:36:05,040

i I believe that this is the way to kind

2030

01:36:14,360 --> 01:36:09,090

of raise your vibration so to speak and

2031

01:36:18,380 --> 01:36:14,370

and live a more positive or ideal

2032

01:36:21,920 --> 01:36:18,390

temporal reality and and also you know

2033

01:36:24,620 --> 01:36:21,930

releasing those negative emotions you

2034

01:36:26,270 --> 01:36:24,630

know so whether it's through religion or

2035

01:36:29,150 --> 01:36:26,280

you know Christians at the end of each

2036

01:36:31,220 --> 01:36:29,160

day kind of you know apologize for the

2037

01:36:34,130 --> 01:36:31,230

bad things they've done and you know

2038

01:36:37,430 --> 01:36:34,140

kind of you know after forgiveness and

2039

01:36:38,250 --> 01:36:37,440

whether that releases those need more

2040

01:36:40,740 --> 01:36:38,260

negative heavy

2041

01:36:42,570 --> 01:36:40,750

emotions that way you get keeps you in

2042

01:36:47,280 --> 01:36:42,580

the lower lower realms and the lower

2043

01:36:49,170 --> 01:36:47,290

densities you know what I think yeah you

2044

01:36:52,460 --> 01:36:49,180

need to really have that you know

2045

01:36:56,880 --> 01:36:52,470

release of both those negatives which

2046

01:36:59,460 --> 01:36:56,890

which you know definitely heavier like

2047

01:37:02,520 --> 01:36:59,470

that you know the negatives this was

2048

01:37:06,290 --> 01:37:02,530

negative things you know hang around in

2049

01:37:09,780 --> 01:37:06,300

the lower realms because you know

2050

01:37:13,979 --> 01:37:09,790

negativity is more dense and heavier

2051
01:37:16,320 --> 01:37:13,989
where is not rising the vibration is you

2052
01:37:19,979 --> 01:37:16,330
know is being boring and his love

2053
01:37:21,690 --> 01:37:19,989
frequency and that's where I think you

2054
01:37:24,440 --> 01:37:21,700
you're able to side shift and do a bit

2055
01:37:27,390 --> 01:37:24,450
of magic and you know

2056
01:37:28,830 --> 01:37:27,400
yeah that's had I think Jesus had to had

2057
01:37:30,690 --> 01:37:28,840
his abilities and there was a bit of

2058
01:37:33,540 --> 01:37:30,700
magician because he's trying to teach

2059
01:37:37,440 --> 01:37:33,550
him unto a reminding in love presence

2060
01:37:40,890 --> 01:37:37,450
the interviews and and that's that's how

2061
01:37:40,890 --> 01:37:40,900
he was able to do what he did

2062
01:37:45,840 --> 01:37:44,280
absolutely yeah the idea I like how you

2063
01:37:48,690 --> 01:37:45,850

called it the ideal temporal reality

2064

01:37:51,000 --> 01:37:48,700

that's so true exactly what exactly what

2065

01:37:54,540 --> 01:37:51,010

he was doing and and and and you'd

2066

01:37:56,430 --> 01:37:54,550

mentioned I think the CBD oil and a

2067

01:37:58,920 --> 01:37:56,440

scientific scientifically I've heard

2068

01:38:00,479 --> 01:37:58,930

some studies have been made that you

2069

01:38:02,040 --> 01:38:00,489

hear so much about this anointing with

2070

01:38:04,020 --> 01:38:02,050

oil and they they didn't know what kind

2071

01:38:06,510 --> 01:38:04,030

of oil he was using was it olive oil was

2072

01:38:08,850 --> 01:38:06,520

at this oil and there's been some recent

2073

01:38:11,030 --> 01:38:08,860

discoveries that it was very most likely

2074

01:38:14,880 --> 01:38:11,040

CBD oil which is really kind of

2075

01:38:18,180 --> 01:38:14,890

interesting you I something else that I

2076

01:38:20,550 --> 01:38:18,190

really kind of the said that kind of

2077

01:38:23,130 --> 01:38:20,560

struck a chord with me is altering the

2078

01:38:24,990 --> 01:38:23,140

future and that's also kind of been

2079

01:38:27,720 --> 01:38:25,000

scientifically proven from a scientific

2080

01:38:29,970 --> 01:38:27,730

wantem perspective that the future in

2081

01:38:37,890 --> 01:38:29,980

the past are actually happening

2082

01:38:40,500 --> 01:38:37,900

simultaneously and he knew that Tom

2083

01:38:42,270 --> 01:38:40,510

doesn't exist I would okay he could heal

2084

01:38:46,260 --> 01:38:42,280

someone will bring someone back from the

2085

01:38:47,729 --> 01:38:46,270

dead because I mean if the past the

2086

01:38:50,190 --> 01:38:47,739

present and the future is all happening

2087

01:38:51,250 --> 01:38:50,200

now or then if if he's lying did now or

2088

01:38:53,509 --> 01:38:51,260

then he still

2089

01:38:58,369 --> 01:38:53,519

because the past is still happening now

2090

01:39:00,649 --> 01:38:58,379

so you know when you kind of can wrap

2091

01:39:03,229 --> 01:39:00,659

your mind around the fact that that is

2092

01:39:06,790 --> 01:39:03,239

the truth that the future in the past

2093

01:39:09,649 --> 01:39:06,800

and now is all happening then you know

2094

01:39:12,469 --> 01:39:09,659

you know there's a broken leg me six

2095

01:39:16,939 --> 01:39:12,479

months to you or is it even being broken

2096

01:39:17,869 --> 01:39:16,949

yet no well at some point no what

2097

01:39:19,879 --> 01:39:17,879

happened hmm

2098

01:39:21,109 --> 01:39:19,889

yes but it's already had six months to

2099

01:39:24,259 --> 01:39:21,119

heal but it's all happen at the same

2100

01:39:26,649 --> 01:39:24,269

time by I you know too complex of either

2101

01:39:29,029 --> 01:39:26,659

to understand right now but obviously

2102

01:39:32,569 --> 01:39:29,039

that's how he'd you need to perform his

2103

01:39:34,909 --> 01:39:32,579

miracles because man the man-made time

2104

01:39:36,770 --> 01:39:34,919

construct is ridiculous the fact that

2105

01:39:40,119 --> 01:39:36,780

time only goes forward in a linear

2106

01:39:43,159 --> 01:39:40,129

fashion it's um you know like that

2107

01:39:45,409 --> 01:39:43,169

that's absurd and everything's still

2108

01:39:48,500 --> 01:39:45,419

happening all the once like mm-hmm

2109

01:39:50,389 --> 01:39:48,510

so yeah like people say the futures not

2110

01:39:54,349 --> 01:39:50,399

set well I don't think the past is set

2111

01:39:56,479 --> 01:39:54,359

either yeah yeah that's where the

2112

01:40:00,229 --> 01:39:56,489

Mandela effect comes comes in you know

2113

01:40:03,469 --> 01:40:00,239

and I'm sure time travel and that is

2114

01:40:06,229 --> 01:40:03,479

probably much much simpler than what you

2115

01:40:07,489 --> 01:40:06,239

know everyone always scientist and that

2116

01:40:09,229 --> 01:40:07,499

thing that it's going to be some big

2117

01:40:13,580 --> 01:40:09,239

great equation it's probably just like

2118

01:40:15,799 --> 01:40:13,590

you know I just stepping outside the you

2119

01:40:19,159 --> 01:40:15,809

know the the man-made construct that was

2120

01:40:21,709 --> 01:40:19,169

made and you know I'm undoing all the

2121

01:40:23,779 --> 01:40:21,719

conditioning that was gone and then the

2122

01:40:26,629 --> 01:40:23,789

island that that's all sudden gave me a

2123

01:40:32,299 --> 01:40:26,639

whole you know admit mental expansion

2124

01:40:33,919 --> 01:40:32,309

like you know yeah because I mean we

2125

01:40:37,069 --> 01:40:33,929

they did this one thing that I want to

2126
01:40:38,719 --> 01:40:37,079
ask you I mean from quantum physics are

2127
01:40:41,359 --> 01:40:38,729
in mechanic's level if we're all

2128
01:40:43,310 --> 01:40:41,369
particles vibrating at a certain

2129
01:40:45,319 --> 01:40:43,320
vibration well when you kind of look at

2130
01:40:51,919 --> 01:40:45,329
everything in that the smallest one

2131
01:40:54,679 --> 01:40:51,929
level what why would people believe that

2132
01:40:55,819 --> 01:40:54,689
you know we die we age die and then our

2133
01:40:58,580 --> 01:40:55,829
soul leaves our body

2134
01:41:00,259 --> 01:40:58,590
surely if we're just particles vibrating

2135
01:41:04,580 --> 01:41:00,269
we just take our physical body with it

2136
01:41:07,339 --> 01:41:04,590
hmm and like and then something

2137
01:41:10,010 --> 01:41:07,349
with Nikon's the constructive time I'll

2138
01:41:11,660 --> 01:41:10,020

bleed young reason we age is because

2139

01:41:13,010 --> 01:41:11,670

co-created consciousness they were

2140

01:41:15,169 --> 01:41:13,020

tricked ourselves with aging because

2141

01:41:16,970 --> 01:41:15,179

everything I've looked at in in the

2142

01:41:18,470 --> 01:41:16,980

human's DNA and blood work and

2143

01:41:22,370 --> 01:41:18,480

everything like that we should actually

2144

01:41:25,609 --> 01:41:22,380

lose we could you know immortality is in

2145

01:41:28,070 --> 01:41:25,619

our genes but you know like it's almost

2146

01:41:29,270 --> 01:41:28,080

like whips you know stuck on stuck a

2147

01:41:32,089 --> 01:41:29,280

stick in the ground Greenwich Mean Time

2148

01:41:33,770 --> 01:41:32,099

ok we're all going forward now orgy make

2149

01:41:35,950 --> 01:41:33,780

you get involved you mean like your past

2150

01:41:38,450 --> 01:41:35,960

it you know your past it's like I

2151
01:41:40,910 --> 01:41:38,460
believe it's actually belated even when

2152
01:41:43,700 --> 01:41:40,920
DNA is replicating cells it's almost

2153
01:41:47,089 --> 01:41:43,710
like there's a glitch and there's no

2154
01:41:49,040 --> 01:41:47,099
reason for it yeah when it's laying down

2155
01:41:51,530 --> 01:41:49,050
still growing and it doesn't yellow and

2156
01:41:52,939 --> 01:41:51,540
talked about backward but yeah I'm kind

2157
01:41:58,129 --> 01:41:52,949
of explaining that's really badly but

2158
01:41:59,689 --> 01:41:58,139
yeah part of Glee said that the college

2159
01:42:01,760 --> 01:41:59,699
shouldn't be and it's what we've been

2160
01:42:04,010 --> 01:42:01,770
tricked ourselves into into aging and

2161
01:42:04,459 --> 01:42:04,020
dying correct I I couldn't agree with

2162
01:42:07,820 --> 01:42:04,469
you more

2163
01:42:10,040 --> 01:42:07,830

and it because I I noticed that myself I

2164

01:42:12,740 --> 01:42:10,050

I'll have people telling me for example

2165

01:42:14,030 --> 01:42:12,750

I did a biometric scan today so I could

2166

01:42:17,300 --> 01:42:14,040

get a discount on my health insurance

2167

01:42:19,280 --> 01:42:17,310

and what I noticed is you know the guys

2168

01:42:21,310 --> 01:42:19,290

like washing really good shape and this

2169

01:42:23,450 --> 01:42:21,320

and that and the other and I and I

2170

01:42:25,520 --> 01:42:23,460

automatically you know how old are you

2171

01:42:27,800 --> 01:42:25,530

and I automatically said oh no I'm 44 I

2172

01:42:31,490 --> 01:42:27,810

feel pretty a nice kind of stop myself

2173

01:42:35,540 --> 01:42:31,500

because I think just accepting that

2174

01:42:37,910 --> 01:42:35,550

narrative you you and I've noticed this

2175

01:42:39,770 --> 01:42:37,920

myself you actually age quicker as soon

2176

01:42:42,169 --> 01:42:39,780

as you realize oh wait no I'm this age

2177

01:42:47,200 --> 01:42:42,179

or I should look like this

2178

01:42:50,680 --> 01:42:47,210

or I should look like that amen brother

2179

01:42:53,839 --> 01:42:50,690

Aaron I've kept you quite a while where

2180

01:43:05,050 --> 01:42:53,849

where can our listeners support you and

2181

01:43:10,370 --> 01:43:08,810

education and awareness page and you

2182

01:43:12,169 --> 01:43:10,380

know there's no products on that at the

2183

01:43:14,899 --> 01:43:12,179

moment it's just sharing information

2184

01:43:17,120 --> 01:43:14,909

about health and wellness and cures and

2185

01:43:18,279 --> 01:43:17,130

you know guys like doctors heavy that

2186

01:43:20,799 --> 01:43:18,289

I've got

2187

01:43:22,359 --> 01:43:20,809

Supreme Court ruling back in 1987 that

2188

01:43:24,219 --> 01:43:22,369

he can cure all disease

2189

01:43:25,839 --> 01:43:24,229

I mean people should know that they

2190

01:43:27,339 --> 01:43:25,849

don't people have gone and getting

2191

01:43:29,379 --> 01:43:27,349

chemotherapy and this kind of stuff and

2192

01:43:32,229 --> 01:43:29,389

you know people suffering your days but

2193

01:43:33,729 --> 01:43:32,239

you know there's cure you know there's

2194

01:43:34,989 --> 01:43:33,739

cures already cures for the stuff some

2195

01:43:36,669 --> 01:43:34,999

people have already done but you won't

2196

01:43:38,140 --> 01:43:36,679

find it is hard for them and it would

2197

01:43:42,520 --> 01:43:38,150

kind of sharing a lot of that kind of

2198

01:43:46,600 --> 01:43:42,530

knowledge as well as other formulas for

2199

01:43:48,930 --> 01:43:46,610

good health and and wellness and that

2200

01:43:53,350 --> 01:43:48,940

page is called the gnostic dispensary

2201

01:43:56,199 --> 01:43:53,360

and we so you can you can hit us up

2202

01:44:00,339 --> 01:43:56,209

there ask me a question and or you can

2203

01:44:05,580 --> 01:44:00,349

email me at contact at shapeshifters net

2204

01:44:08,229 --> 01:44:05,590

a you if you want to talk to me and yeah

2205

01:44:10,719 --> 01:44:08,239

you know I love talking to people while

2206

01:44:15,850 --> 01:44:10,729

of raising people's vibration and just

2207

01:44:17,439 --> 01:44:15,860

being really positive you know and yeah

2208

01:44:19,810 --> 01:44:17,449

hearing people's stories but also you

2209

01:44:22,810 --> 01:44:19,820

know trying to find more avenues and

2210

01:44:26,229 --> 01:44:22,820

more platforms to to share information

2211

01:44:28,870 --> 01:44:26,239

and raise awareness you know whether

2212

01:44:30,719 --> 01:44:28,880

it's my lads victims or you know health

2213

01:44:35,140 --> 01:44:30,729

and wellness and all that stuff I think

2214

01:44:38,290 --> 01:44:35,150

I love the truth and disclosure movement

2215

01:44:41,020 --> 01:44:38,300

and you know the more people we get

2216

01:44:43,029 --> 01:44:41,030

involved you know the more likely you

2217

01:44:45,819 --> 01:44:43,039

know strength in numbers and we're going

2218

01:44:49,899 --> 01:44:45,829

to have the ideal typical reality is

2219

01:44:52,239 --> 01:44:49,909

this I come up with before yeah

2220

01:44:56,160 --> 01:44:52,249

Aaron your your freshening breath of fresh

2221

01:44:57,779 --> 01:44:56,170

air and a mist of confusion corruption

2222

01:44:59,799 --> 01:44:57,789

manipulation and lies

2223

01:45:01,870 --> 01:44:59,809

thank you for your knowledge your

2224

01:45:03,430 --> 01:45:01,880

honesty all your altruistic methods

2225

01:45:05,649 --> 01:45:03,440

you're the kind of guy that we're all

2226

01:45:09,640 --> 01:45:05,659

just blessed to not only speak with us

2227

01:45:11,319 --> 01:45:09,650

but to also have our backs and I can't

2228

01:45:13,390 --> 01:45:11,329

think of anyone I'd rather be stuck on a

2229

01:45:15,549 --> 01:45:13,400

desert island with than someone like you

2230

01:45:18,189 --> 01:45:15,559

a beacon of truth and a sea of lies and

2231

01:45:20,830 --> 01:45:18,199

deception blessings to you and yours

2232

01:45:24,939 --> 01:45:20,840

Aaron thanks for being on the podcast I

2233

01:45:27,339 --> 01:45:24,949

appreciate you and god bless to everyone

2234

01:45:29,640 --> 01:45:27,349

that's listening and keep doing what you

2235

01:45:32,669 --> 01:45:29,650

doing man

2236

01:45:35,000 --> 01:45:32,679

without a doubt this is the nicest Nazi

2237

01:45:37,050 --> 01:45:35,010

Krueger runner I've ever talked to

2238

01:45:39,510 --> 01:45:37,060

without a doubt aaron has had some

2239

01:45:42,270 --> 01:45:39,520

experiences in a world where it's easy

2240

01:45:44,189 --> 01:45:42,280

to accept with the Talking Heads tell us

2241

01:45:47,040 --> 01:45:44,199

what to think what to drink and have a

2242

01:45:49,379 --> 01:45:47,050

soul on the brink cabal banksters are

2243

01:45:51,629 --> 01:45:49,389

still after Aaron in fact the day after

2244

01:45:53,970 --> 01:45:51,639

we recorded this podcast Aaron was put

2245

01:45:56,430 --> 01:45:53,980

on the front page of his local paper

2246

01:45:59,339 --> 01:45:56,440

accused of hanging out with bikers and a

2247

01:46:01,770 --> 01:45:59,349

possibly affiliated biker gang scenario

2248

01:46:04,589 --> 01:46:01,780

ever so carefully getting him closer to

2249

01:46:08,100 --> 01:46:04,599

possible silence incarceration and maybe

2250

01:46:10,589 --> 01:46:08,110

worse if hanging out with Harley bikers

2251
01:46:12,120 --> 01:46:10,599
and talking esoteric conspiracies and

2252
01:46:14,010 --> 01:46:12,130
delving into the fringe elements of

2253
01:46:17,160 --> 01:46:14,020
society and culture or punishable

2254
01:46:20,310 --> 01:46:17,170
offenses well I think we all have some

2255
01:46:23,220 --> 01:46:20,320
stuff to worry about I love a good

2256
01:46:25,350 --> 01:46:23,230
Harley ride listening the Karl wood on

2257
01:46:28,649 --> 01:46:25,360
the higher side and talking about things

2258
01:46:31,680 --> 01:46:28,659
that make you go hmm I don't doubt for a

2259
01:46:34,140 --> 01:46:31,690
minute that this front-page expose of

2260
01:46:37,589 --> 01:46:34,150
lies are partly in response to Aaron

2261
01:46:40,410 --> 01:46:37,599
being a podcast guest on multiple

2262
01:46:42,540 --> 01:46:40,420
podcasts getting the truth about huge

2263
01:46:43,919 --> 01:46:42,550

amounts of American dollars sliding

2264

01:46:46,800 --> 01:46:43,929

through his bank account like he was a

2265

01:46:51,200 --> 01:46:46,810

billionaire cartel kingpin checking off

2266

01:46:53,339 --> 01:46:51,210

a bucket list of fun things to do and

2267

01:46:55,620 --> 01:46:53,349

high-end folks to piss off

2268

01:46:57,750 --> 01:46:55,630

Aaron's tales of high-end organized

2269

01:47:00,660 --> 01:46:57,760

crime organizations cabal banksters

2270

01:47:02,820 --> 01:47:00,670

time-traveling reptilian undertones and

2271

01:47:04,800 --> 01:47:02,830

shape-shifting with super human

2272

01:47:09,240 --> 01:47:04,810

activities reads like the latest Mission

2273

01:47:11,459 --> 01:47:09,250

Possible movie and I will do my best to

2274

01:47:14,430 --> 01:47:11,469

get Aaron back on to do a patron only

2275

01:47:16,560 --> 01:47:14,440

part 2 episode where we talk a bit about

2276

01:47:19,260 --> 01:47:16,570

crazier things if you can believe it of

2277

01:47:22,500 --> 01:47:19,270

the esoteric nature trust me when I say

2278

01:47:24,180 --> 01:47:22,510

it does get weirder I just hope I can do

2279

01:47:27,510 --> 01:47:24,190

so before he is silenced

2280

01:47:30,030 --> 01:47:27,520

they've snagged his passport won't let

2281

01:47:32,399 --> 01:47:30,040

him into the airport and I sadly think

2282

01:47:34,410 --> 01:47:32,409

it may just be a matter of time before

2283

01:47:36,540 --> 01:47:34,420

Aaron is silenced by the elite

2284

01:47:38,500 --> 01:47:36,550

organizations funneling hordes of

2285

01:47:41,830 --> 01:47:38,510

international money through accounts

2286

01:47:44,890 --> 01:47:41,840

his name what better patsy than one who

2287

01:47:47,890 --> 01:47:44,900

speaks of ufos shape-shifting nazis time

2288

01:47:51,189 --> 01:47:47,900

travel and superhuman feats if past

2289

01:47:54,129 --> 01:47:51,199

researchers who danced this close to the

2290

01:47:56,259 --> 01:47:54,139

edge of taught us anything they don't do

2291

01:47:58,870 --> 01:47:56,269

these things to win popularity contests

2292

01:47:59,620 --> 01:47:58,880

and in the end it usually doesn't end up

2293

01:48:02,919 --> 01:47:59,630

well for them

2294

01:48:04,629 --> 01:48:02,929

I hope Erin's contacts in secret

2295

01:48:07,839 --> 01:48:04,639

programs here in the United States can

2296

01:48:11,080 --> 01:48:07,849

help him out but at this moment it looks

2297

01:48:13,089 --> 01:48:11,090

bleak if you want to see how real the

2298

01:48:16,180 --> 01:48:13,099

dark underbelly of international banking

2299

01:48:18,729 --> 01:48:16,190

cartels really are start thinking about

2300

01:48:21,310 --> 01:48:18,739

them and looking into them and you will

2301

01:48:23,709 --> 01:48:21,320

find a long list of predecessors like

2302

01:48:25,810 --> 01:48:23,719

Qaddafi Hussein and more other world

2303

01:48:28,020 --> 01:48:25,820

leaders of nations blown away like

2304

01:48:31,240 --> 01:48:28,030

candles in the wind these are guys with

2305

01:48:33,970 --> 01:48:31,250

armies on their side and it doesn't

2306

01:48:35,770 --> 01:48:33,980

matter if you have an army or not and I

2307

01:48:37,600 --> 01:48:35,780

sorta don't blame Erin for hanging out

2308

01:48:40,359 --> 01:48:37,610

with bikers who may be able to protect

2309

01:48:43,000 --> 01:48:40,369

him to some short extent a little while

2310

01:48:45,430 --> 01:48:43,010

anyway I can't say I wouldn't do the

2311

01:48:48,100 --> 01:48:45,440

same thing I'm a sucker for Harley's

2312

01:48:50,470 --> 01:48:48,110

though the evidence that has been laid

2313

01:48:52,810 --> 01:48:50,480

out on the table for generations shows

2314

01:48:55,240 --> 01:48:52,820

that the banking cabal is completely

2315

01:48:56,939 --> 01:48:55,250

integrated with the arms race the drug

2316

01:49:00,490 --> 01:48:56,949

trade the military-industrial complex

2317

01:49:03,850 --> 01:49:00,500

and black projects through money

2318

01:49:07,120 --> 01:49:03,860

laundering intimidation bloody Wars it's

2319

01:49:09,970 --> 01:49:07,130

necessary to have chess pieces and with

2320

01:49:10,689 --> 01:49:09,980

Wall Street banks expanding their net of

2321

01:49:12,339 --> 01:49:10,699

control

2322

01:49:13,870 --> 01:49:12,349

follow the money and it doesn't take

2323

01:49:15,839 --> 01:49:13,880

long to get to the drug cartel

2324

01:49:19,839 --> 01:49:15,849

connections the fentanyl trade and

2325

01:49:21,939 --> 01:49:19,849

officials of massive banks like HSBC who

2326

01:49:24,600 --> 01:49:21,949

seemed to never be held accountable for

2327

01:49:26,859 --> 01:49:24,610

anything I use them only as an example

2328

01:49:28,750 --> 01:49:26,869

HSBC is pledged to clean up its

2329

01:49:30,759 --> 01:49:28,760

institutional culture submit to

2330

01:49:33,189 --> 01:49:30,769

monitoring and pay a fine of two billion

2331

01:49:35,529 --> 01:49:33,199

dollars but they aren't the only ones

2332

01:49:37,810 --> 01:49:35,539

and two billion is a drop in the bucket

2333

01:49:40,919 --> 01:49:37,820

to these institutions which never get

2334

01:49:43,120 --> 01:49:40,929

caught anyway except once in a blue moon

2335

01:49:45,549 --> 01:49:43,130

nobody ever goes to jail in these

2336

01:49:47,930 --> 01:49:45,559

organizations and instead operatives

2337

01:49:49,880 --> 01:49:47,940

lower on the food chain or hung

2338

01:49:52,310 --> 01:49:49,890

to dryin replaced with more calculating

2339

01:49:55,340 --> 01:49:52,320

and corrupt ones look no further than

2340

01:49:58,100 --> 01:49:55,350

the 2008 crisis in this country and the

2341

01:50:00,530 --> 01:49:58,110

ease the sleaze wriggle out from

2342

01:50:03,920 --> 01:50:00,540

underneath corruption is evident no

2343

01:50:06,650 --> 01:50:03,930

prosecution and nothing really to pay

2344

01:50:08,000 --> 01:50:06,660

for the sins against humanity continue

2345

01:50:10,340 --> 01:50:08,010

and the little guy always ends up with

2346

01:50:12,950 --> 01:50:10,350

the check if he ends up surviving at all

2347

01:50:15,229 --> 01:50:12,960

I don't like talking trash on anybody

2348

01:50:17,390 --> 01:50:15,239

especially the banks I rely on to hold

2349

01:50:19,280 --> 01:50:17,400

my money but if I had billions of

2350

01:50:21,170 --> 01:50:19,290

dollars going through my bank account on

2351

01:50:23,180 --> 01:50:21,180

a weekly basis or something along those

2352

01:50:25,430 --> 01:50:23,190

lines I'd get a little sweaty under the

2353

01:50:29,229 --> 01:50:25,440

collar and wonder if something was about

2354

01:50:31,910 --> 01:50:29,239

to go down as well yes a wealthy

2355

01:50:34,790 --> 01:50:31,920

oligarchy of corporations banks and

2356

01:50:36,410 --> 01:50:34,800

dynastic families isn't control no

2357

01:50:38,860 --> 01:50:36,420

matter how hard you try to bury your

2358

01:50:41,479 --> 01:50:38,870

head in the sand and pretend it is not

2359

01:50:43,400 --> 01:50:41,489

they run the world in general their

2360

01:50:46,670 --> 01:50:43,410

games of choice include funding Wars

2361

01:50:52,150 --> 01:50:46,680

weapons trafficking and the global drug

2362

01:50:57,229 --> 01:50:54,550

they control every region of the globe

2363

01:50:59,570 --> 01:50:57,239

exploit the less fortunate and destroy

2364

01:51:01,840 --> 01:50:59,580

the hopes and dreams of humanity with a

2365

01:51:04,580 --> 01:51:01,850

countless deathcount in their wake

2366

01:51:06,650 --> 01:51:04,590

global financial domination and a

2367

01:51:10,040 --> 01:51:06,660

one-world government is the endgame and

2368

01:51:12,920 --> 01:51:10,050

so far they are the homerun kings with

2369

01:51:15,250 --> 01:51:12,930

no competition in sight but it's not all

2370

01:51:18,800 --> 01:51:15,260

doom and gloom awareness is key

2371

01:51:21,140 --> 01:51:18,810

enlightenment is possible and the moment

2372

01:51:23,750 --> 01:51:21,150

we realized the magic trick they've

2373

01:51:25,850 --> 01:51:23,760

pulled is all smoke and mirrors when we

2374

01:51:28,340 --> 01:51:25,860

look down at the green paper they swear

2375

01:51:29,290 --> 01:51:28,350

it's valuable and fully realize it's

2376

01:51:33,229 --> 01:51:29,300

just paper

2377

01:51:35,120 --> 01:51:33,239

when this realization is made trust me

2378

01:51:36,580 --> 01:51:35,130

when I say the house of cards will come

2379

01:51:39,890 --> 01:51:36,590

tumbling down

2380

01:51:41,959 --> 01:51:39,900

until then take a little bit of that

2381

01:51:45,200 --> 01:51:41,969

paper head over to a hero paranormal

2382

01:51:47,720 --> 01:51:45,210

podcast and definitely become a patron

2383

01:51:50,870 --> 01:51:47,730

support other podcasts such as this one

2384

01:51:52,910 --> 01:51:50,880

as we bring you the best the cutting

2385

01:51:55,080 --> 01:51:52,920

edge and the reality of what's really

2386

01:51:58,180 --> 01:51:55,090

going on behind the scenes

2387

01:52:02,650 --> 01:51:58,190

there is a way out of this mess and I

2388

01:52:05,860 --> 01:52:02,660

confess that my only advice is keep your

2389

01:52:08,260 --> 01:52:05,870

eyes to the skies feet on the ground but

2390

01:52:14,330 --> 01:52:08,270

don't forget
