Episode #27

1  
00:00:35,709 --> 00:00:24,440

[Music]

2  
00:00:42,530 --> 00:00:39,110

every once in a while I come across

3  
00:00:45,410 --> 00:00:42,540

someone so humble so knowledgeable and

4  
00:00:48,799 --> 00:00:45,420

so dedicated to the mysteries of their

5  
00:00:53,180 --> 00:00:48,809

particular region that I wonder how I

6  
00:00:54,819 --> 00:00:53,190

could become so lucky then I realized

7  
00:00:56,840 --> 00:00:54,829

that isn't about me

8  
00:00:59,930 --> 00:00:56,850

synchronicities bring like minds

9  
00:01:03,049 --> 00:00:59,940

together in the very same fashion as for

10  
00:01:05,359 --> 00:01:03,059

Texas across the world are connected if

11  
00:01:08,960 --> 00:01:05,369

you put the time in it's not a matter of

12  
00:01:14,719 --> 00:01:08,970

if these amazing connections happen but

13  
00:01:17,510 --> 00:01:14,729

rather when Missouri a home of high

14

00:01:19,760 --> 00:01:17,520

strangeness and nobody knows the

15

00:01:23,480 --> 00:01:19,770

backwoods and anomalous playgrounds

16

00:01:26,830 --> 00:01:23,490

better than our guests and guide to all

17

00:01:30,380 --> 00:01:26,840

things Missouri mr. Michael Huntington

18

00:01:33,550 --> 00:01:30,390

whether talking UFOs lights in the skies

19

00:01:36,800 --> 00:01:33,560

strange orbs spotlight Cesare called

20

00:01:39,450 --> 00:01:36,810

Momo the Missouri monster were urban

21

00:01:43,080 --> 00:01:39,460

legends like the AH baño farm

22

00:01:46,620 --> 00:01:43,090

or the infamous Marley woods talking

23

00:01:49,670 --> 00:01:46,630

geomancy lay Lyons the 37th parallel and

24

00:01:52,380 --> 00:01:49,680

a cult truce of river goddess worship

25

00:01:54,870 --> 00:01:52,390

mr. Michael Huntington is a season

26

00:01:57,180 --> 00:01:54,880

travel writer with articles presented

27

00:02:00,719 --> 00:01:57,190

all over the world all over the web

28

00:02:03,359 --> 00:02:00,729

including strange travels he's an

29

00:02:07,590 --> 00:02:03,369

experienced vlogger with works on

30

00:02:10,050 --> 00:02:07,600

vice.com local news social media

31

00:02:14,370 --> 00:02:10,060

motherboard somewhere in the skies

32

00:02:18,360 --> 00:02:14,380

outlets and more nobody has the pulse of

33

00:02:21,720 --> 00:02:18,370

all things mysterious and Missouri like

34

00:02:24,060 --> 00:02:21,730

mr. Michael Huntington we are blessed to

35

00:02:26,490 --> 00:02:24,070

have this Cape Girardeau resident share

36

00:02:29,040 --> 00:02:26,500

his perspectives theories and general

37

00:02:31,650 --> 00:02:29,050

overall knowledge with us and I couldn't

38

00:02:34,350 --> 00:02:31,660

be happier to introduce the hero of

39

00:02:37,110 --> 00:02:34,360

Missouri high strangeness mr. Michael

40

00:02:40,340 --> 00:02:37,120

Huntington to the hyper anomalous

41

00:02:43,310 --> 00:02:40,350

esoteric research organization podcast

42

00:02:47,539 --> 00:02:43,320

hi good evening Michael how you doing

43

00:02:50,009 --> 00:02:47,549

I'm doing good thanks for having me here

44

00:02:52,740 --> 00:02:50,019

I've been following your work for years

45

00:02:55,740 --> 00:02:52,750

and it's finally good to be able to talk

46

00:02:57,810 --> 00:02:55,750

to you man I'm so excited to talk to you

47

00:03:01,320 --> 00:02:57,820

there's there's so much that Missouri

48

00:03:02,789 --> 00:03:01,330

has to offer and I know that you're

49

00:03:04,740 --> 00:03:02,799

there pretty much boots on the ground

50

00:03:07,050 --> 00:03:04,750

and and not only that you're somebody

51  
00:03:09,470 --> 00:03:07,060  
that's like absolutely interested and

52  
00:03:12,900 --> 00:03:09,480  
wholeheartedly involved with this

53  
00:03:16,650 --> 00:03:12,910  
there's I mean there's castle ruins

54  
00:03:20,640 --> 00:03:16,660  
there's there's I mean it's Kansas City

55  
00:03:21,990 --> 00:03:20,650  
workhouse the psychiatric museums the

56  
00:03:24,660 --> 00:03:22,000  
devil's icebox

57  
00:03:26,400 --> 00:03:24,670  
the albino farm the infamous Marley

58  
00:03:28,770 --> 00:03:26,410  
woods I went to the Missouri State

59  
00:03:32,390 --> 00:03:28,780  
Penitentiary in Jefferson City expecting

60  
00:03:36,509 --> 00:03:32,400  
not too much and I was blown away and I

61  
00:03:39,660 --> 00:03:36,519  
mean it's absolutely and sincerely one

62  
00:03:44,449 --> 00:03:39,670  
of the neatest treasure troves of

63  
00:03:49,319 --> 00:03:44,459

mystery in the United States yeah

64

00:03:50,850 --> 00:03:49,329

certainly a Missouri probably more than

65

00:03:53,430 --> 00:03:50,860

a lot of states and

66

00:03:54,930 --> 00:03:53,440

more than its fair share but strange

67

00:03:56,790 --> 00:03:54,940

happenings although I think if you look

68

00:03:59,760 --> 00:03:56,800

around pretty much you can find every

69

00:04:01,500 --> 00:03:59,770

state has some sort of but something

70

00:04:05,460 --> 00:04:01,510

along those lines you know some sort of

71

00:04:08,190 --> 00:04:05,470

haunted institution or you know an urban

72

00:04:11,690 --> 00:04:08,200

legend in velvet you know strange people

73

00:04:16,229 --> 00:04:11,700

and you know secret bases and the

74

00:04:19,710 --> 00:04:16,239

unusual hot spots yeah I'm from Missouri

75

00:04:21,990 --> 00:04:19,720

I was born in st. Louis back in the

76

00:04:24,630 --> 00:04:22,000

sixties I'm in my 50s so I'm a little

77

00:04:28,460 --> 00:04:24,640

older than some of the younger folks out

78

00:04:31,740 --> 00:04:28,470

there and I've been into this subject

79

00:04:34,590 --> 00:04:31,750

pretty much all of my life even since I

80

00:04:37,980 --> 00:04:34,600

was a little kid you know so it's been a

81

00:04:40,890 --> 00:04:37,990

lifelong thing and certainly living in

82

00:04:42,120 --> 00:04:40,900

Missouri you know we do have our motto

83

00:04:44,100 --> 00:04:42,130

as the show-me-state

84

00:04:47,370 --> 00:04:44,110

so we look at everything with sort of a

85

00:04:50,340 --> 00:04:47,380

skeptical eye but we do luckily had

86

00:04:56,190 --> 00:04:50,350

abundance of strange stories urban

87

00:05:00,210 --> 00:04:56,200

legends unusual phenomenon and locations

88

00:05:03,690 --> 00:05:00,220

that are still you know a variety of

89  
00:05:06,090 --> 00:05:03,700  
phenomena such as the Marley woods which

90  
00:05:09,930 --> 00:05:06,100  
is often called Azuri skinwalker ranch

91  
00:05:12,960 --> 00:05:09,940  
so but there's a lot of places like that

92  
00:05:15,120 --> 00:05:12,970  
Missouri and some good research come out

93  
00:05:18,360 --> 00:05:15,130  
of here and yeah pretty much

94  
00:05:20,580 --> 00:05:18,370  
I'm a travel writer I you know it's on

95  
00:05:22,590 --> 00:05:20,590  
my full-time job but I like to travel

96  
00:05:25,530 --> 00:05:22,600  
around and explore a lot of places and

97  
00:05:27,930 --> 00:05:25,540  
document them and yeah if you want to

98  
00:05:31,469 --> 00:05:27,940  
talk about Missouri or talking about

99  
00:05:34,530 --> 00:05:31,479  
some stuff yeah it's being a travel

100  
00:05:36,480 --> 00:05:34,540  
writer I'm really impressed with you

101  
00:05:37,980 --> 00:05:36,490  
know I guess I'll just be honest I've

102  
00:05:42,120 --> 00:05:37,990  
kind of been following your work as well

103  
00:05:44,490 --> 00:05:42,130  
for quite a while and I really think

104  
00:05:47,190 --> 00:05:44,500  
that the urban legends and you know

105  
00:05:50,180 --> 00:05:47,200  
being that you grew up in st. Louis you

106  
00:05:53,340 --> 00:05:50,190  
know and are so aware of all this

107  
00:05:55,380 --> 00:05:53,350  
there's there's so many urban legends

108  
00:05:58,230 --> 00:05:55,390  
that it's really kind of hard to

109  
00:06:01,230 --> 00:05:58,240  
separate the the wheat from the chaff so

110  
00:06:03,900 --> 00:06:01,240  
to speak because it seems like you

111  
00:06:04,470 --> 00:06:03,910  
everybody has an opinion and not many

112  
00:06:06,210 --> 00:06:04,480  
people

113  
00:06:11,190 --> 00:06:06,220

have ever been to any of the locations

114

00:06:13,710 --> 00:06:11,200

and the ones who have keep it very close

115

00:06:16,350 --> 00:06:13,720

to the chest and it seems like they

116

00:06:18,600 --> 00:06:16,360

don't want to share much and I find that

117

00:06:23,760 --> 00:06:18,610

with with the Marley woods for example

118

00:06:26,550 --> 00:06:23,770

and what what it is it is it's it's it's

119

00:06:29,930 --> 00:06:26,560

it's fascinating what what what could

120

00:06:34,370 --> 00:06:29,940

you tell us about the Marley woods well

121

00:06:38,600 --> 00:06:34,380

yes the Marley woods has sort of been an

122

00:06:41,790 --> 00:06:38,610

admirer for the past 20 years or so

123

00:06:44,070 --> 00:06:41,800

mostly because there's not even such a

124

00:06:47,610 --> 00:06:44,080

place as Murli woods the Morley woods

125

00:06:50,250 --> 00:06:47,620

it's a it's a moniker that was devised

126

00:06:52,860 --> 00:06:50,260

by Ted Phillips the famous trace

127

00:06:55,920 --> 00:06:52,870

investigator who was dr. J Allen Hynek

128

00:07:00,450 --> 00:06:55,930

crow BJ incidentally a Missouri

129

00:07:04,010 --> 00:07:00,460

researcher very you know established and

130

00:07:08,340 --> 00:07:04,020

very respected he started doing a study

131

00:07:12,450 --> 00:07:08,350

in south-central Missouri at a couple of

132

00:07:16,110 --> 00:07:12,460

farms I think in the late 90s when he

133

00:07:21,600 --> 00:07:16,120

started looking into it but he wanted to

134

00:07:23,490 --> 00:07:21,610

do a scientific base observation project

135

00:07:26,730 --> 00:07:23,500

as much as we could and you know the

136

00:07:29,040 --> 00:07:26,740

best way to to make sure that people are

137

00:07:30,990 --> 00:07:29,050

not interfering with your investigation

138

00:07:34,230 --> 00:07:31,000

is to keep the location locked down

139

00:07:37,080 --> 00:07:34,240

because I think he and a lot of

140

00:07:39,000 --> 00:07:37,090

researchers are sort of of the notion if

141

00:07:42,840 --> 00:07:39,010

you're going to observe phenomena the

142

00:07:46,640 --> 00:07:42,850

best places to to do so is to find these

143

00:07:48,660 --> 00:07:46,650

anomalous spots where there is recurring

144

00:07:51,680 --> 00:07:48,670

phenomena where there where there are

145

00:07:54,440 --> 00:07:51,690

anomalies that are maybe not predictably

146

00:07:56,940 --> 00:07:54,450

observable but if you put the time and

147

00:07:59,310 --> 00:07:56,950

you'll more than likely to come across

148

00:08:03,360 --> 00:07:59,320

something I think that the approach that

149

00:08:07,200 --> 00:08:03,370

was that that was tried at skinwalker is

150

00:08:08,610 --> 00:08:07,210

the same sort of thing you know and you

151

00:08:11,340 --> 00:08:08,620

know that's the big deal with a lot of

152

00:08:12,840 --> 00:08:11,350

these phenomena is trying to lock them

153

00:08:15,210 --> 00:08:12,850

down to be able to study them you know

154

00:08:17,850 --> 00:08:15,220

because they seem to move and they seem

155

00:08:19,950 --> 00:08:17,860

to almost have a mind of their own

156

00:08:21,270 --> 00:08:19,960

so you know it's understandable that you

157

00:08:23,790 --> 00:08:21,280

would kind of keep it like down and

158

00:08:26,270 --> 00:08:23,800

that's what that's what Enzo's did yet

159

00:08:28,920 --> 00:08:26,280

he had a special investigative unit

160

00:08:32,579 --> 00:08:28,930

comprised of some Missouri researchers

161

00:08:34,440 --> 00:08:32,589

and they observed her they around a

162

00:08:36,089 --> 00:08:34,450

decade at least and I caught some

163

00:08:41,759 --> 00:08:36,099

interesting anomalous stuff at this

164

00:08:44,069 --> 00:08:41,769

location and it's sort of a semi secret

165

00:08:47,009 --> 00:08:44,079

location out of respect for Ted

166

00:08:49,380 --> 00:08:47,019

Phillips's it's generally not exploited

167

00:08:52,769 --> 00:08:49,390

or promoted or you know the folks don't

168

00:08:55,290 --> 00:08:52,779

go generally into the specific location

169

00:08:57,060 --> 00:08:55,300

where he did this investigations you

170

00:08:59,790 --> 00:08:57,070

know out of respect because it is their

171

00:09:01,800 --> 00:08:59,800

their project and I do think there's

172

00:09:03,329 --> 00:09:01,810

going to be some stuff coming out I

173

00:09:05,550 --> 00:09:03,339

think they are finally going to put some

174

00:09:07,050 --> 00:09:05,560

of that stuff together and into some

175

00:09:12,329 --> 00:09:07,060

movies or whatever so we can look

176

00:09:17,310 --> 00:09:12,339

forward to that but the Marlene woods is

177

00:09:20,780 --> 00:09:17,320

actually not just a series of farms it's

178

00:09:25,170 --> 00:09:20,790

actually an entire area there's there's

179

00:09:28,319 --> 00:09:25,180

a whole it's sort of a triangular area

180

00:09:30,150 --> 00:09:28,329

was an interesting but it's a all

181

00:09:32,689 --> 00:09:30,160

throughout that whole region and indeed

182

00:09:37,769 --> 00:09:32,699

throughout all of Southeast Missouri

183

00:09:41,460 --> 00:09:37,779

there have been recurring instances of

184

00:09:43,290 --> 00:09:41,470

strange phenomena in a lot of these same

185

00:09:46,560 --> 00:09:43,300

locations now certainly some of them are

186

00:09:48,480 --> 00:09:46,570

going to be urban legends but those you

187

00:09:50,220 --> 00:09:48,490

know urban legends we can sort of

188

00:09:53,900 --> 00:09:50,230

separate separate the wheat from the

189

00:09:57,480 --> 00:09:53,910

chaff we can sort of identify what is

190

00:09:59,610 --> 00:09:57,490

you know stories that teenagers tell you

191

00:10:02,819 --> 00:09:59,620

know such as the failed final farm you

192

00:10:05,819 --> 00:10:02,829

know near Springfield which really

193

00:10:08,160 --> 00:10:05,829

hasn't you know been documented as being

194

00:10:12,030 --> 00:10:08,170

a legitimate thing outside of you know

195

00:10:14,939 --> 00:10:12,040

teenage war but certainly if there's a

196

00:10:16,860 --> 00:10:14,949

long history going back you know even to

197

00:10:20,069 --> 00:10:16,870

Native times in some of these locations

198

00:10:21,449 --> 00:10:20,079

of having strange phenomena that it's

199

00:10:25,110 --> 00:10:21,459

something that you can take a look at

200

00:10:28,819 --> 00:10:25,120

and the Marley would it is very similar

201  
00:10:30,230 --> 00:10:28,829  
in a lot of ways you know to skinwalker

202  
00:10:32,900 --> 00:10:30,240  
situation you know

203  
00:10:37,160 --> 00:10:32,910  
the study was done on a couple of you

204  
00:10:39,740 --> 00:10:37,170  
know ranches although the entire base in

205  
00:10:41,480 --> 00:10:39,750  
there is actually phenomenological you

206  
00:10:43,720 --> 00:10:41,490  
know same thing with the Marley woods

207  
00:10:46,760 --> 00:10:43,730  
the whole region down there is

208  
00:10:49,190 --> 00:10:46,770  
phenomenological and there's a variety

209  
00:10:52,130 --> 00:10:49,200  
of buzz things that have have occurred

210  
00:10:54,290 --> 00:10:52,140  
UFOs have been seen lights have been

211  
00:10:55,699 --> 00:10:54,300  
seen you know strange orbs you know

212  
00:10:58,579 --> 00:10:55,709  
everybody's familiar with the best of

213  
00:11:01,310 --> 00:10:58,589

both sides amber or white or you know

214

00:11:04,730 --> 00:11:01,320

spook lights is another term that you

215

00:11:09,440 --> 00:11:04,740

could call them cattle mutilations a

216

00:11:12,350 --> 00:11:09,450

cryptid sightings of creatures weird

217

00:11:18,889 --> 00:11:12,360

times flips and sort of poltergeist like

218

00:11:21,530 --> 00:11:18,899

activity has been alleged by observers

219

00:11:24,250 --> 00:11:21,540

researchers as well as people in those

220

00:11:26,840 --> 00:11:24,260

areas that are willing to come forward

221

00:11:30,980 --> 00:11:26,850

vortex light phenomenon you know strange

222

00:11:34,040 --> 00:11:30,990

atmospheric openings you know for lack

223

00:11:37,400 --> 00:11:34,050

of a better word where things come in

224

00:11:39,590 --> 00:11:37,410

and out seemingly so very similar sort

225

00:11:43,070 --> 00:11:39,600

of thing and I think if you look around

226

00:11:46,610 --> 00:11:43,080

enough you'll find a number of places

227

00:11:48,650 --> 00:11:46,620

like this where things can be you know

228

00:11:52,250 --> 00:11:48,660

readily experienced and and where

229

00:11:55,100 --> 00:11:52,260

science and research should focus its

230

00:11:57,620 --> 00:11:55,110

attention because that's you know we can

231

00:11:59,870 --> 00:11:57,630

we can debate whether the Pentagon has

232

00:12:01,790 --> 00:11:59,880

all the secrets but ultimately you know

233

00:12:04,430 --> 00:12:01,800

we still need to focus on the phenomena

234

00:12:07,640 --> 00:12:04,440

and try to engage it and try to

235

00:12:09,560 --> 00:12:07,650

understand it you know where it's at and

236

00:12:13,690 --> 00:12:09,570

I think there's a lot of places out

237

00:12:17,930 --> 00:12:16,340

Yakima lights Marfa lights there's you

238

00:12:20,420 --> 00:12:17,940

know there's spook lights galore they're

239

00:12:22,340 --> 00:12:20,430

responding places galore there's there's

240

00:12:25,069 --> 00:12:22,350

places where there's a you know a lot of

241

00:12:27,170 --> 00:12:25,079

activity centralized and the Marley

242

00:12:29,660 --> 00:12:27,180

Woods is one such place I have been

243

00:12:32,329 --> 00:12:29,670

through there half a dozen times

244

00:12:35,150 --> 00:12:32,339

you know just to document and take

245

00:12:37,610 --> 00:12:35,160

pictures and I really haven't anything

246

00:12:39,590 --> 00:12:37,620

overt happens to be there but of course

247

00:12:43,180 --> 00:12:39,600

I didn't spend long periods of time but

248

00:12:46,360 --> 00:12:43,190

you know yo you get those those photos

249

00:12:49,059 --> 00:12:46,370

and video anomalies that sort of show up

250

00:12:51,670 --> 00:12:49,069

you know which is an intriguing thing

251  
00:12:56,740 --> 00:12:51,680  
that's necessarily evidentiary in itself

252  
00:12:59,139 --> 00:12:56,750  
but I think it's worthy of further study

253  
00:13:02,639 --> 00:12:59,149  
and I think places like this are worthy

254  
00:13:06,730 --> 00:13:02,649  
of long-term study and study that can

255  
00:13:08,650 --> 00:13:06,740  
that we can all be involved in instead

256  
00:13:12,670 --> 00:13:08,660  
of you know say keeping it secret and

257  
00:13:14,769 --> 00:13:12,680  
proprietary you know that sort of

258  
00:13:17,860 --> 00:13:14,779  
frustrating thing you know because we

259  
00:13:21,759 --> 00:13:17,870  
want to know more and we want to dig

260  
00:13:23,439 --> 00:13:21,769  
into these places and and find out some

261  
00:13:28,150 --> 00:13:23,449  
of the mysteries and try to answer some

262  
00:13:30,040 --> 00:13:28,160  
of these things which is what we should

263  
00:13:31,869 --> 00:13:30,050

do we should definitely try to get out

264

00:13:34,720 --> 00:13:31,879

there and visit some of these spots if

265

00:13:38,379 --> 00:13:34,730

we can that's awesome

266

00:13:40,780 --> 00:13:38,389

and Michael teeth I hate to pinpoint

267

00:13:42,749 --> 00:13:40,790

that I know everybody wants to know

268

00:13:46,059 --> 00:13:42,759

where the Maile woods are and it's like

269

00:13:48,100 --> 00:13:46,069

it's kind of how skin walk used to be

270

00:13:51,639 --> 00:13:48,110

that that whole shapeshifter corridor

271

00:13:54,550 --> 00:13:51,649

area used to be where everybody wanted

272

00:13:58,120 --> 00:13:54,560

to know where it is nobody really knew

273

00:14:01,300 --> 00:13:58,130

and then as time developed certain

274

00:14:04,269 --> 00:14:01,310

individuals and people and and you know

275

00:14:06,639 --> 00:14:04,279

institutions and and such it eventually

276

00:14:08,800 --> 00:14:06,649

made the limelight let's say or the

277

00:14:11,280 --> 00:14:08,810

attention it was grabbed the attention

278

00:14:13,929 --> 00:14:11,290

of the people was grabbed in the area

279

00:14:16,780 --> 00:14:13,939

before then it was just locals that knew

280

00:14:19,689 --> 00:14:16,790

and I I don't want a pinpoint and

281

00:14:21,759 --> 00:14:19,699

because I respect the semi secret

282

00:14:25,059 --> 00:14:21,769

location would it be wrong to assume

283

00:14:30,249 --> 00:14:25,069

that it is somewhere around the lake of

284

00:14:34,480 --> 00:14:30,259

the ozarks okay perfect

285

00:14:36,069 --> 00:14:34,490

that's good because that's I will I did

286

00:14:38,559 --> 00:14:36,079

write an article recently for the

287

00:14:40,569 --> 00:14:38,569

International paranormal Inquisitor if

288

00:14:44,199 --> 00:14:40,579

people want to kind of check that out it

289

00:14:47,230 --> 00:14:44,209

has a larger map on there of the region

290

00:14:50,650 --> 00:14:47,240

and pretty much in the center of that

291

00:14:53,079 --> 00:14:50,660

map is where the the Ted Phillips's

292

00:14:56,590 --> 00:14:53,089

group did their study I don't want to

293

00:14:59,110 --> 00:14:56,600

you know tell people or the exact study

294

00:15:00,700 --> 00:14:59,120

was although like I said if you do your

295

00:15:04,230 --> 00:15:00,710

research you'll be able to plan some

296

00:15:06,640 --> 00:15:04,240

places that actually go into detail more

297

00:15:09,280 --> 00:15:06,650

there's couple websites out there

298

00:15:12,430 --> 00:15:09,290

the Missouri investigators group which

299

00:15:14,740 --> 00:15:12,440

is conducted of Missourians has some

300

00:15:17,530 --> 00:15:14,750

more detailed information if you want to

301  
00:15:20,350 --> 00:15:17,540  
you know be in the same spot where you

302  
00:15:23,710 --> 00:15:20,360  
know Phillips and his people you know

303  
00:15:27,840 --> 00:15:23,720  
did their observations but you know

304  
00:15:33,750 --> 00:15:27,850  
they're there study pretty much you know

305  
00:15:37,000 --> 00:15:33,760  
Peter now you know a decade or so ago so

306  
00:15:39,340 --> 00:15:37,010  
there are other investigators actually

307  
00:15:41,080 --> 00:15:39,350  
conducting some field investigations

308  
00:15:43,360 --> 00:15:41,090  
throughout that area and it's not just

309  
00:15:46,810 --> 00:15:43,370  
that handful of farms where they were

310  
00:15:49,930 --> 00:15:46,820  
given permission you know to camp out

311  
00:15:51,600 --> 00:15:49,940  
it's actually the the entire area in

312  
00:15:57,240 --> 00:15:51,610  
south-central Missouri

313  
00:15:59,800 --> 00:15:57,250

you know west of West Plains east of

314

00:16:03,010 --> 00:15:59,810

Alton you know all within that corridor

315

00:16:07,360 --> 00:16:03,020

and that those those ranches and farms

316

00:16:13,120 --> 00:16:07,370

and what it feels it is pretty anomalous

317

00:16:15,790 --> 00:16:13,130

and so you know it says yeah I just

318

00:16:20,530 --> 00:16:15,800

don't want to step on no no the ferries

319

00:16:24,070 --> 00:16:20,540

work so much and but it is important

320

00:16:26,080 --> 00:16:24,080

that we do look at these things and do

321

00:16:28,840 --> 00:16:26,090

recognize that there are a long term

322

00:16:33,610 --> 00:16:28,850

that there are places that are deserving

323

00:16:36,700 --> 00:16:33,620

a long term study and I I try to

324

00:16:40,270 --> 00:16:36,710

encourage people to focus on on some of

325

00:16:42,610 --> 00:16:40,280

these anomalous spots because that's

326

00:16:46,240 --> 00:16:42,620

where we can get some data as opposed to

327

00:16:48,220 --> 00:16:46,250

just being reactionary and you know just

328

00:16:51,790 --> 00:16:48,230

taking a report after the fact you know

329

00:16:56,050 --> 00:16:51,800

and then but yeah so at South Central

330

00:16:58,750 --> 00:16:56,060

Missouri area east of southeast of Lake

331

00:17:01,630 --> 00:16:58,760

of the Ozarks a couple hours from there

332

00:17:02,980 --> 00:17:01,640

awesome uh the the reason I asked and

333

00:17:05,560 --> 00:17:02,990

the only reason I asked is because I

334

00:17:07,960 --> 00:17:05,570

remember and again this is going off of

335

00:17:09,280 --> 00:17:07,970

like memory which I'm getting up there

336

00:17:12,790 --> 00:17:09,290

in years

337

00:17:15,220 --> 00:17:12,800

Chris O'Brien had mentioned on a podcast

338

00:17:17,290 --> 00:17:15,230

I couldn't find it before we recorded

339

00:17:19,540 --> 00:17:17,300

this one but he had mentioned some odd

340

00:17:22,090 --> 00:17:19,550

goings-on around the lake of the ozarks

341

00:17:25,300 --> 00:17:22,100

and that's the only reason I mentioned

342

00:17:30,000 --> 00:17:25,310

it but I think you're right that there's

343

00:17:33,700 --> 00:17:30,010

there's so much going on all over and I

344

00:17:36,070 --> 00:17:33,710

completely understand the the secret

345

00:17:38,710 --> 00:17:36,080

location and the ability to try to keep

346

00:17:42,460 --> 00:17:38,720

those areas somewhat locked down because

347

00:17:46,930 --> 00:17:42,470

and I I recently purchased a property

348

00:17:49,420 --> 00:17:46,940

that I've I totally went around about

349

00:17:51,910 --> 00:17:49,430

this the wrong way and you know I was

350

00:17:54,490 --> 00:17:51,920

like oh great we've got a spot and you

351

00:17:57,700 --> 00:17:54,500

know I got a piece of the pie in oddly

352

00:18:02,400 --> 00:17:57,710

enough it is also triangular and form as

353

00:18:05,830 --> 00:18:02,410

you mentioned and I noticed that these

354

00:18:09,370 --> 00:18:05,840

these areas these urban legend areas

355

00:18:13,030 --> 00:18:09,380

that have Timeslips mutilations vortex

356

00:18:16,210 --> 00:18:13,040

like phenomena it's not only difficult

357

00:18:19,740 --> 00:18:16,220

to keep the locations locked down but

358

00:18:22,900 --> 00:18:19,750

you find that from time to time it's

359

00:18:24,280 --> 00:18:22,910

it's not a matter of like if you're

360

00:18:28,890 --> 00:18:24,290

gonna see something it's a matter of

361

00:18:33,520 --> 00:18:28,900

when and you know you'd mentioned that

362

00:18:35,830 --> 00:18:33,530

with the albino farm near Springfield do

363

00:18:38,020 --> 00:18:35,840

you think that is mostly hype I mean

364

00:18:43,570 --> 00:18:38,030

there's been really really bad movies

365

00:18:46,230 --> 00:18:43,580

made about it some pretty yeah it's is

366

00:18:51,640 --> 00:18:46,240

get ye it'll eat any legitimacy to that

367

00:18:53,650 --> 00:18:51,650

well there's always some legitimacy to

368

00:18:55,840 --> 00:18:53,660

the stories because ultimately you know

369

00:18:58,270 --> 00:18:55,850

a lot of this stuff comes down to

370

00:19:02,290 --> 00:18:58,280

anecdote and it does come down to small

371

00:19:04,330 --> 00:19:02,300

town you know lore and urban legend and

372

00:19:07,780 --> 00:19:04,340

rumors even if you know there's

373

00:19:09,970 --> 00:19:07,790

something substantive behind it you know

374

00:19:12,610 --> 00:19:09,980

they they still hold their place within

375

00:19:14,440 --> 00:19:12,620

these communities as you know

376

00:19:16,600 --> 00:19:14,450

influencing the culture and yeah and

377

00:19:20,950 --> 00:19:16,610

part of the history you know you can't

378

00:19:22,150 --> 00:19:20,960

really escape that I do think there are

379

00:19:24,280 --> 00:19:22,160

urban legends that

380

00:19:28,450 --> 00:19:24,290

their basis and truth and then there are

381

00:19:31,480 --> 00:19:28,460

urban legends that have their bases in a

382

00:19:34,710 --> 00:19:31,490

pop culture or some sort of circumstance

383

00:19:38,590 --> 00:19:34,720

that was just sort of extrapolated and

384

00:19:41,410 --> 00:19:38,600

changed over the decades the albino farm

385

00:19:44,110 --> 00:19:41,420

near Springfield Missouri I think for

386

00:19:46,810 --> 00:19:44,120

the most part it is an urban legend

387

00:19:48,430 --> 00:19:46,820

because people have looked into it

388

00:19:50,590 --> 00:19:48,440

researchers had tried to nail it down

389

00:19:52,930 --> 00:19:50,600

they've been able to nail down you know

390

00:19:55,060 --> 00:19:52,940

the specific farm and you know the

391

00:19:58,240 --> 00:19:55,070

families about but they're you know as

392

00:20:00,880 --> 00:19:58,250

to rumors of secret government

393

00:20:05,680 --> 00:20:00,890

experiment on albino children and all

394

00:20:08,770 --> 00:20:05,690

that you know there's really nothing

395

00:20:14,890 --> 00:20:08,780

there to substantiate that it it or may

396

00:20:18,400 --> 00:20:14,900

not be the case but I think largely at

397

00:20:20,760 --> 00:20:18,410

least that urban legend is an urban

398

00:20:23,200 --> 00:20:20,770

legend

399

00:20:25,690 --> 00:20:23,210

cuz whether they're there there's really

400

00:20:27,550 --> 00:20:25,700

nothing else to back up any of the other

401

00:20:30,220 --> 00:20:27,560

contentions other than it was a real

402

00:20:35,100 --> 00:20:30,230

place and maybe at one time there was

403

00:20:39,550 --> 00:20:35,110

you know an albino or two the person was

404

00:20:40,900 --> 00:20:39,560

you know the pigment derived not present

405

00:20:42,850 --> 00:20:40,910

in their body that gives them circle

406

00:20:44,680 --> 00:20:42,860

white appearance or whatever even the

407

00:20:46,960 --> 00:20:44,690

term of I know I think it's sort of a

408

00:20:49,570 --> 00:20:46,970

you know consider to splurge so I do

409

00:20:53,920 --> 00:20:49,580

apologize you know that that that is

410

00:20:58,450 --> 00:20:53,930

what it's called but yeah I haven't been

411

00:21:00,520 --> 00:20:58,460

out there to the specific spot I know

412

00:21:02,740 --> 00:21:00,530

where exact if I do make it at the

413

00:21:05,290 --> 00:21:02,750

Springfield I'm sure you know if I have

414

00:21:06,340 --> 00:21:05,300

time I'll try to do some documenting

415

00:21:09,940 --> 00:21:06,350

because you know I'm all about the

416

00:21:13,600 --> 00:21:09,950

stories and the Lord and and documenting

417

00:21:15,880 --> 00:21:13,610

the locations and then you know letting

418

00:21:19,000 --> 00:21:15,890

them stand where they where they stand

419

00:21:22,180 --> 00:21:19,010

you know absolutely it's interesting

420

00:21:26,230 --> 00:21:22,190

that these locations

421

00:21:29,110 --> 00:21:26,240

much like the albino farm that I'm so

422

00:21:31,780 --> 00:21:29,120

glad that you said that it is not

423

00:21:35,020 --> 00:21:31,790

because that's always been my stance so

424

00:21:36,970 --> 00:21:35,030

I appreciate that but

425

00:21:40,540 --> 00:21:36,980

getting back to the strange orbs the

426

00:21:43,960 --> 00:21:40,550

spook lights the UFOs do you think

427

00:21:45,610 --> 00:21:43,970

Missouri has been bypassed because it's

428

00:21:48,600 --> 00:21:45,620

just been overlooked

429

00:21:52,720 --> 00:21:48,610

I think it's been overlooked personally

430

00:21:54,490 --> 00:21:52,730

well you can you can get that

431

00:21:57,010 --> 00:21:54,500

interpretation but I think it's a

432

00:22:01,210 --> 00:21:57,020

mistaken interpretation because Missouri

433

00:22:06,760 --> 00:22:01,220

actually has been at the center of the

434

00:22:09,430 --> 00:22:06,770

apology for a number of times it has on

435

00:22:14,020 --> 00:22:09,440

more than one occasion than the state

436

00:22:16,870 --> 00:22:14,030

with the highest reports from time to

437

00:22:20,790 --> 00:22:16,880

time it does have an active MUFON group

438

00:22:22,690 --> 00:22:20,800

that constantly is investigating

439

00:22:25,960 --> 00:22:22,700

aircraft

440

00:22:29,590 --> 00:22:25,970

I think the hotspot for seeing UFOs this

441

00:22:31,600 --> 00:22:29,600

is near Whiteman Air Force Base just

442

00:22:34,510 --> 00:22:31,610

outside of Kansas City where we

443

00:22:39,810 --> 00:22:34,520

incidentally have all of our stealth

444

00:22:42,220 --> 00:22:39,820

bombers located and nuclear weapons and

445

00:22:44,350 --> 00:22:42,230

incidentally at the home of the five-o a

446

00:22:46,720 --> 00:22:44,360

nice bond group bomb group the guys that

447

00:22:48,490 --> 00:22:46,730

you know supposedly found the saucer

448

00:22:52,720 --> 00:22:48,500

Roswell

449

00:22:55,920 --> 00:22:52,730

most of our sightings I around that area

450

00:23:01,300 --> 00:22:55,930

although Missouri has had a history of

451  
00:23:05,470 --> 00:23:01,310  
sightings going back to you know the the

452  
00:23:08,140 --> 00:23:05,480  
modern age of flying saucers Missouri

453  
00:23:13,180 --> 00:23:08,150  
actually the flying saucer groups in

454  
00:23:17,050 --> 00:23:13,190  
Missouri actually were from where MUFON

455  
00:23:20,560 --> 00:23:17,060  
Springs so you know MUFON has it's grass

456  
00:23:23,700 --> 00:23:20,570  
roots here in Missouri Ted Phillips is

457  
00:23:27,940 --> 00:23:23,710  
from Missouri and as I said he

458  
00:23:30,820 --> 00:23:27,950  
investigated I think 3,000 or more you

459  
00:23:34,210 --> 00:23:30,830  
know waning visits over the course of

460  
00:23:35,380 --> 00:23:34,220  
his studies most of that stuff was done

461  
00:23:39,670 --> 00:23:35,390  
in Missouri

462  
00:23:44,470 --> 00:23:39,680  
I have retraced and visited dozens and

463  
00:23:47,680 --> 00:23:44,480

dozens of some of his original what a

464

00:23:49,210 --> 00:23:47,690

cases you know just to go there and take

465

00:23:51,100 --> 00:23:49,220

because I think it's you know it's

466

00:23:54,880 --> 00:23:51,110

needed for the history documented some

467

00:23:58,090 --> 00:23:54,890

of this stuff yeah I think got a Hynek

468

00:24:01,600 --> 00:23:58,100

and the ten Phillips's first case

469

00:24:04,930 --> 00:24:01,610

together was at Loring River just south

470

00:24:07,150 --> 00:24:04,940

of Springfield so you know it has that

471

00:24:10,780 --> 00:24:07,160

and of course Missouri you know aside

472

00:24:12,820 --> 00:24:10,790

from its its number of sightings there

473

00:24:15,040 --> 00:24:12,830

was an alleged flying saucer crash in

474

00:24:17,470 --> 00:24:15,050

1941 outside of Cape Girardeau work

475

00:24:23,650 --> 00:24:17,480

where I'm at

476

00:24:26,610 --> 00:24:23,660

there was a very public flap of

477

00:24:30,040 --> 00:24:26,620

encounters that occurred around Piedmont

478

00:24:33,610 --> 00:24:30,050

1973 hundreds and hundreds of people

479

00:24:37,680 --> 00:24:33,620

some of them masked Encounters of UFOs

480

00:24:40,120 --> 00:24:37,690

over over months near Piedmont Missouri

481

00:24:44,880 --> 00:24:40,130

impression creek area which is actually

482

00:24:47,650 --> 00:24:44,890

this east oppa of the Marly woods area

483

00:24:49,330 --> 00:24:47,660

that there were so many that Hynek

484

00:24:52,720 --> 00:24:49,340

actually came down for a couple days

485

00:24:55,570 --> 00:24:52,730

they actually sent divers into the the

486

00:25:01,410 --> 00:24:55,580

lake here because people encountered us

487

00:25:04,570 --> 00:25:01,420

Oh is over the water and it also

488

00:25:06,670 --> 00:25:04,580

instigated as the first University and

489

00:25:07,270 --> 00:25:06,680

I'm not talking Condon they got County

490

00:25:10,030 --> 00:25:07,280

Committee

491

00:25:12,280 --> 00:25:10,040

suddenly you know was the University of

492

00:25:15,640 --> 00:25:12,290

Colorado study instigated by the

493

00:25:19,890 --> 00:25:15,650

airport's but the first real sort of

494

00:25:22,300 --> 00:25:19,900

University Department study into UFOs

495

00:25:25,360 --> 00:25:22,310

came out of Southeast Missouri State

496

00:25:26,500 --> 00:25:25,370

here under Harley Rutledge dr. Harley

497

00:25:30,670 --> 00:25:26,510

Rutledge who was the head of

498

00:25:34,480 --> 00:25:30,680

astrophysics he he did a study in

499

00:25:35,790 --> 00:25:34,490

Piedmont of the lights and roads the

500

00:25:38,460 --> 00:25:35,800

project was called project that

501  
00:25:41,140 --> 00:25:38,470  
identification he wrote a book

502  
00:25:43,960 --> 00:25:41,150  
publishing his findings and he came to

503  
00:25:46,510 --> 00:25:43,970  
the conclusion that you know there were

504  
00:25:49,600 --> 00:25:46,520  
there was some sort of our norm unknown

505  
00:25:52,560 --> 00:25:49,610  
phenomena that could be you know

506  
00:25:56,380 --> 00:25:52,570  
categorized it could be you know

507  
00:25:57,700 --> 00:25:56,390  
quantified it could be observed he

508  
00:25:58,370 --> 00:25:57,710  
called him protostars

509  
00:26:09,770 --> 00:25:58,380  
you know

510  
00:26:13,690 --> 00:26:09,780  
woods in the early 2000s where Ted

511  
00:26:17,180 --> 00:26:13,700  
Phillips and some Missouri researchers

512  
00:26:19,700 --> 00:26:17,190  
engaged in that study Missouri also a

513  
00:26:23,870 --> 00:26:19,710

couple of the researchers that were

514

00:26:29,830 --> 00:26:23,880

involved in Ted Phillips study Debbie's

515

00:26:33,169 --> 00:26:29,840

Eagle Meier and her brother Chris

516

00:26:35,659 --> 00:26:33,179

Zukowski they're brother and sisters

517

00:26:37,909 --> 00:26:35,669

they actually came up with that you know

518

00:26:42,409 --> 00:26:37,919

from studying a lot of the cases in

519

00:26:45,500 --> 00:26:42,419

Missouri the theory of the 37th parallel

520

00:26:47,899 --> 00:26:45,510

that was written and Ben Mezrich book

521

00:26:53,080 --> 00:26:47,909

and it's now a you know a TV show

522

00:26:59,690 --> 00:26:58,010

alien highway yeah the northern part of

523

00:27:01,940 --> 00:26:59,700

the Marley woods actually goes along

524

00:27:04,120 --> 00:27:01,950

that that parallel and I think that

525

00:27:09,049 --> 00:27:04,130

parallel does extend all the way out to

526  
00:27:13,010 --> 00:27:09,059  
to Utah as they say in that book so yeah

527  
00:27:14,870 --> 00:27:13,020  
Missouri has had its fair share in UFOs

528  
00:27:17,330 --> 00:27:14,880  
definitely but it's also you know got

529  
00:27:18,799 --> 00:27:17,340  
the Missouri monster Bigfoots

530  
00:27:20,950 --> 00:27:18,809  
you know there's a movie out about it

531  
00:27:25,460 --> 00:27:20,960  
right now that you can check out and

532  
00:27:26,330 --> 00:27:25,470  
indeed Missouri has quite a few haunted

533  
00:27:29,480 --> 00:27:26,340  
locations

534  
00:27:33,529 --> 00:27:29,490  
you know spook hollows and ghost leg

535  
00:27:38,450 --> 00:27:33,539  
roads and you know the Joplin lights

536  
00:27:41,060 --> 00:27:38,460  
near Missouri are pretty famous and and

537  
00:27:43,340 --> 00:27:41,070  
there's you know haunted places like the

538  
00:27:45,529 --> 00:27:43,350

original Exorcist house you know where

539

00:27:48,409 --> 00:27:45,539

the real Exorcist story took place that

540

00:27:50,600 --> 00:27:48,419

was in st. Louis went mansion in st.

541

00:27:52,820 --> 00:27:50,610

Louis and yet yeah there's on in

542

00:27:56,270 --> 00:27:52,830

cemeteries and haunted houses and

543

00:27:58,250 --> 00:27:56,280

haunted prisons and the institutions and

544

00:28:00,890 --> 00:27:58,260

hospitals all over the state so Missouri

545

00:28:04,190 --> 00:28:00,900

does have an abundance of this sort of

546

00:28:07,640 --> 00:28:04,200

strangers in a long history of trends

547

00:28:10,460 --> 00:28:07,650

you were trying to relate to it and come

548

00:28:11,529 --> 00:28:10,470

up come up with some answers Michael I

549

00:28:14,320 --> 00:28:11,539

think it's so

550

00:28:17,889 --> 00:28:14,330

that it really does and I don't think

551

00:28:20,440 --> 00:28:17,899

anyone is really I mean when I was

552

00:28:22,960 --> 00:28:20,450

searching my very best friend lives in

553

00:28:25,539 --> 00:28:22,970

Missouri and he's a pastor he's a

554

00:28:27,190 --> 00:28:25,549

Baptist paps pastor and he's he's

555

00:28:29,580 --> 00:28:27,200

interested in the paranormal but more

556

00:28:33,039 --> 00:28:29,590

from a theology SAN standpoint and he

557

00:28:37,119 --> 00:28:33,049

you know he's interested in this stuff

558

00:28:39,940 --> 00:28:37,129

and it's hard to navigate because in

559

00:28:42,310 --> 00:28:39,950

other areas it's very easy to find the

560

00:28:44,769 --> 00:28:42,320

quote-unquote expert in an area but

561

00:28:47,009 --> 00:28:44,779

Missouri it seems like even finding

562

00:28:50,259 --> 00:28:47,019

someone who is involved with or

563

00:28:52,060 --> 00:28:50,269

understands the functions of the

564

00:28:56,080 --> 00:28:52,070

landscape like you do it's it's

565

00:28:58,960 --> 00:28:56,090

difficult and I I really I just have to

566

00:29:01,539 --> 00:28:58,970

tip my hat to you because you're you're

567

00:29:03,339 --> 00:29:01,549

you're very interested in this and I'm

568

00:29:06,849 --> 00:29:03,349

glad that you mentioned the Bigfoot

569

00:29:08,349 --> 00:29:06,859

Michael because Momo how can you you

570

00:29:10,060 --> 00:29:08,359

know how can you have a Missouri

571

00:29:11,739 --> 00:29:10,070

conversation we're gonna have to have

572

00:29:13,810 --> 00:29:11,749

you back on the podcast cousin hours not

573

00:29:17,320 --> 00:29:13,820

enough for Missouri okay

574

00:29:17,950 --> 00:29:17,330

the Momo the you know the whole Momo

575

00:29:23,109 --> 00:29:17,960

thing

576

00:29:27,539 --> 00:29:23,119

I mean Missouri is it's just a

577

00:29:32,649 --> 00:29:27,549

checkerboard of mysterious events and

578

00:29:36,629 --> 00:29:32,659

what have you heard of the the areas and

579

00:29:39,369 --> 00:29:36,639

the situations where Momo has been

580

00:29:43,269 --> 00:29:39,379

interacted with or seen I know a lot of

581

00:29:45,039 --> 00:29:43,279

people may not know what Momo is but and

582

00:29:46,539 --> 00:29:45,049

I want to get to everything but there's

583

00:29:49,810 --> 00:29:46,549

just not time there's the Whitman Air

584

00:29:51,029 --> 00:29:49,820

Force is there's like well we'll leave

585

00:29:54,820 --> 00:29:51,039

that for next time

586

00:29:58,810 --> 00:29:54,830

we should say the Momo which stands for

587

00:30:02,830 --> 00:29:58,820

of Missouri monster Momo specifically

588

00:30:04,960 --> 00:30:02,840

was a certain creature Bigfoot life but

589

00:30:07,839 --> 00:30:04,970

also very different than your typical

590

00:30:09,849 --> 00:30:07,849

Bigfoot hominid it was seen around the

591

00:30:11,680 --> 00:30:09,859

town of Louisiana Missouri which is up

592

00:30:15,320 --> 00:30:11,690

in the northeastern part of the state on

593

00:30:19,690 --> 00:30:15,330

the Mississippi River back in the

594

00:30:23,029 --> 00:30:19,700

the 71-72 primarily and it became a

595

00:30:24,830 --> 00:30:23,039

monster craze you know the press from

596

00:30:27,499 --> 00:30:24,840

all over the world kind of focused on it

597

00:30:29,600 --> 00:30:27,509

you know with the tabloid journalism of

598

00:30:31,669 --> 00:30:29,610

the seventies you know sensationalism

599

00:30:35,139 --> 00:30:31,679

and monsters and weirdness was

600

00:30:38,779 --> 00:30:35,149

everywhere so and but there were

601  
00:30:40,879 --> 00:30:38,789  
legitimately a lot of sightings okay

602  
00:30:44,619 --> 00:30:40,889  
there's different theories as to whether

603  
00:30:48,529 --> 00:30:44,629  
or not you know it was a hoax hysteria

604  
00:30:51,229 --> 00:30:48,539  
something underlying that was legitimate

605  
00:30:54,859 --> 00:30:51,239  
but Momo is different than other

606  
00:30:56,330 --> 00:30:54,869  
Missouri Bigfoot creatures in that you

607  
00:30:58,310 --> 00:30:56,340  
know throughout other parts of the state

608  
00:31:01,700 --> 00:30:58,320  
Bigfoot generally fits that description

609  
00:31:06,739 --> 00:31:01,710  
you know of being eight foot tall you

610  
00:31:08,810 --> 00:31:06,749  
know 300 pounds you know five digits on

611  
00:31:13,539 --> 00:31:08,820  
the toes or whatever Momo was a little

612  
00:31:17,869 --> 00:31:13,549  
different you know hairier shed years

613  
00:31:20,060 --> 00:31:17,879

glowing orange eyes three toes and and

614

00:31:23,330 --> 00:31:20,070

you know there is more of an UFO

615

00:31:27,229 --> 00:31:23,340

connection to that creature than the

616

00:31:30,109 --> 00:31:27,239

other month Missouri stuff but yeah we

617

00:31:31,940 --> 00:31:30,119

can we go into detail some other time if

618

00:31:34,039 --> 00:31:31,950

you want I agree I think that's a good a

619

00:31:36,109 --> 00:31:34,049

really yeah that's a certain way yeah

620

00:31:39,710 --> 00:31:36,119

what you talking about there's a whole

621

00:31:41,779 --> 00:31:39,720

other podcast there it you know I'm

622

00:31:43,099 --> 00:31:41,789

really glad that you brought up to 37th

623

00:31:47,710 --> 00:31:43,109

parallel and Ben Mezrich

624

00:31:50,389 --> 00:31:47,720

and the the UFO phenomenon because

625

00:31:54,080 --> 00:31:50,399

there's there's a lot there there's a

626  
00:31:57,220 --> 00:31:54,090  
lot there do you think that these I know

627  
00:32:01,220 --> 00:31:57,230  
people will go a little bit wild with

628  
00:32:03,859 --> 00:32:01,230  
the G oh man see a bit but is there

629  
00:32:08,299 --> 00:32:03,869  
something to that parallel and to the

630  
00:32:10,849 --> 00:32:08,309  
ley lines well you know there's sort of

631  
00:32:13,009 --> 00:32:10,859  
a debate right now with any apology and

632  
00:32:14,960 --> 00:32:13,019  
I think it's a or the research UFO

633  
00:32:17,810 --> 00:32:14,970  
research community I think it's a good

634  
00:32:20,060 --> 00:32:17,820  
debate to have there's a debate as to

635  
00:32:23,659 --> 00:32:20,070  
whether or not there are even such

636  
00:32:25,369 --> 00:32:23,669  
places as hot spots okay and certainly

637  
00:32:27,120 --> 00:32:25,379  
you know if you have a line a line is

638  
00:32:30,870 --> 00:32:27,130

good series of

639

00:32:32,640 --> 00:32:30,880

you know points on a map so you know you

640

00:32:36,360 --> 00:32:32,650

sort of do have to get back to that idea

641

00:32:39,330 --> 00:32:36,370

are there hot spots and and what are

642

00:32:41,130 --> 00:32:39,340

their characteristics and I and you know

643

00:32:43,680 --> 00:32:41,140

it could be argued certainly from a

644

00:32:46,049 --> 00:32:43,690

statistical point of view you know if

645

00:32:48,570 --> 00:32:46,059

you talk to somebody like Cheryl Koster

646

00:32:50,850 --> 00:32:48,580

who just does reporting data and you

647

00:32:53,460 --> 00:32:50,860

know can calculate reports and put them

648

00:32:56,190 --> 00:32:53,470

on a map or whatever it appears that the

649

00:32:59,640 --> 00:32:56,200

phenomena is everywhere and it appears

650

00:33:02,850 --> 00:32:59,650

that you know maybe it's random or you

651  
00:33:04,320 --> 00:33:02,860  
know tied in to population you know

652  
00:33:07,950 --> 00:33:04,330  
certainly you have to have a witness to

653  
00:33:09,659 --> 00:33:07,960  
witness something right so so that's an

654  
00:33:12,000 --> 00:33:09,669  
interesting sort of thing but but I

655  
00:33:18,110 --> 00:33:12,010  
think a lot of the statistical

656  
00:33:23,100 --> 00:33:18,120  
approaches are dismissive of traditional

657  
00:33:24,840 --> 00:33:23,110  
stories tied to locations okay not it's

658  
00:33:26,250 --> 00:33:24,850  
nowhere in those statistics those you

659  
00:33:30,450 --> 00:33:26,260  
have both the tests are you going to

660  
00:33:33,270 --> 00:33:30,460  
find Bigfoot accounts boring taxes you

661  
00:33:35,820 --> 00:33:33,280  
know cattle mutilations a Bigfoot or

662  
00:33:38,490 --> 00:33:35,830  
whatever nor are you to find long

663  
00:33:41,250 --> 00:33:38,500

traditional stories you know lure even

664

00:33:44,340 --> 00:33:41,260

folklore even religious tales going back

665

00:33:46,350 --> 00:33:44,350

to the natives you know which also needs

666

00:33:52,140 --> 00:33:46,360

to be taken into account I think if a

667

00:33:54,840 --> 00:33:52,150

place is active and has been active for

668

00:33:56,549 --> 00:33:54,850

a long period of time you know you know

669

00:34:00,960 --> 00:33:56,559

maybe a hundred years or whatever and

670

00:34:04,770 --> 00:34:00,970

there are stories anecdote in entails

671

00:34:07,470 --> 00:34:04,780

that go back then I think that backs up

672

00:34:13,500 --> 00:34:07,480

the notion that some places is a

673

00:34:15,750 --> 00:34:13,510

localized anomalous area now what does

674

00:34:19,560 --> 00:34:15,760

that mean well you know we're sort of

675

00:34:23,099 --> 00:34:19,570

getting into the big questions here you

676

00:34:28,889 --> 00:34:23,109

know with ghost Bigfoot UFOs on it

677

00:34:32,190 --> 00:34:28,899

places what makes a place active right

678

00:34:35,399 --> 00:34:32,200

why are certain phenomenological

679

00:34:39,540 --> 00:34:35,409

anomalous events occurring at specific

680

00:34:40,610 --> 00:34:39,550

places tied to geography some people

681

00:34:44,090 --> 00:34:40,620

have speculated

682

00:34:47,630 --> 00:34:44,100

energy lines have you know talked about

683

00:34:49,870 --> 00:34:47,640

the magnetosphere and you know there are

684

00:34:54,050 --> 00:34:49,880

certain electromagnetic things that

685

00:34:55,910 --> 00:34:54,060

allow who knows spiritual beings or

686

00:34:58,880 --> 00:34:55,920

interdimensional or whatever there are

687

00:35:00,980 --> 00:34:58,890

degrees of you know sort of a spiritual

688

00:35:03,350 --> 00:35:00,990

approach or you know a scientific

689

00:35:05,840 --> 00:35:03,360

approach with this delay line stuff

690

00:35:10,190 --> 00:35:05,850

generally it's been sort of you know it

691

00:35:12,260 --> 00:35:10,200

does have its magical components but you

692

00:35:14,120 --> 00:35:12,270

know if we're trying to look at stuff

693

00:35:17,630 --> 00:35:14,130

objectively and rationally and

694

00:35:20,450 --> 00:35:17,640

scientifically if some place does have a

695

00:35:23,570 --> 00:35:20,460

demonstration or it demonstrates that it

696

00:35:26,750 --> 00:35:23,580

is phenomenological and it's repeatable

697

00:35:28,670 --> 00:35:26,760

and therefore observational you know

698

00:35:31,970 --> 00:35:28,680

then we get into you know what's causing

699

00:35:36,500 --> 00:35:31,980

this what allows for this what within

700

00:35:39,890 --> 00:35:36,510

the geology the geography you know the

701  
00:35:43,070 --> 00:35:39,900  
conditions are allowing these you know

702  
00:35:45,320 --> 00:35:43,080  
these anomalous events of the only place

703  
00:35:48,470 --> 00:35:45,330  
that's really done long-term Studies on

704  
00:35:52,070 --> 00:35:48,480  
this is hash them in Norway they have

705  
00:35:54,590 --> 00:35:52,080  
had a long term field study observing

706  
00:35:58,210 --> 00:35:54,600  
this anomalous area since the eighties

707  
00:36:00,290 --> 00:35:58,220  
and they're still going to this day and

708  
00:36:01,970 --> 00:36:00,300  
things have been observed they had

709  
00:36:04,340 --> 00:36:01,980  
things have been recorded in things have

710  
00:36:09,080 --> 00:36:04,350  
been medically scientific data so there

711  
00:36:12,220 --> 00:36:09,090  
is something there you know now what

712  
00:36:16,430 --> 00:36:12,230  
does that mean are certain areas

713  
00:36:18,620 --> 00:36:16,440

creating some sort of natural occurrence

714

00:36:20,870 --> 00:36:18,630

that were not aware of there are

715

00:36:23,600 --> 00:36:20,880

theories as to you know maybe certain

716

00:36:27,110 --> 00:36:23,610

orbs or earth lights you know some sort

717

00:36:29,260 --> 00:36:27,120

of unknown poignant plasma that has high

718

00:36:31,580 --> 00:36:29,270

electromagnetic fields and kind of can

719

00:36:34,970 --> 00:36:31,590

influence how we perceive them or

720

00:36:39,230 --> 00:36:34,980

whatever others have extrapolated the

721

00:36:45,100 --> 00:36:39,240

notion that maybe certain areas allow

722

00:36:48,050 --> 00:36:45,110

for quantum fluctuations to where

723

00:36:51,190 --> 00:36:48,060

realities can be traversed you know the

724

00:36:54,200 --> 00:36:51,200

interdimensional sort of thing the

725

00:36:54,830 --> 00:36:54,210

interdimensional portal or gateway or at

726  
00:36:57,020 --> 00:36:54,840  
least

727  
00:37:00,500 --> 00:36:57,030  
a place where it's easier to go through

728  
00:37:02,570 --> 00:37:00,510  
or in and out or you know maybe maybe

729  
00:37:06,500 --> 00:37:02,580  
there are just some places geologically

730  
00:37:11,030 --> 00:37:06,510  
natural that allow for you know blurring

731  
00:37:15,410 --> 00:37:11,040  
of realities or at least a a influence

732  
00:37:18,740 --> 00:37:15,420  
upon our perceptions so I think that's

733  
00:37:21,170 --> 00:37:18,750  
where we need to go ultimately is to you

734  
00:37:25,760 --> 00:37:21,180  
know look at these localized places and

735  
00:37:28,100 --> 00:37:25,770  
do study that the the geography I think

736  
00:37:34,160 --> 00:37:28,110  
one thing you do find it a lot of hot

737  
00:37:36,110 --> 00:37:34,170  
spots is Springs underwater Springs you

738  
00:37:40,310 --> 00:37:36,120

know some sort of flowing water under

739

00:37:42,170 --> 00:37:40,320

underneath would that contribute to you

740

00:37:44,630 --> 00:37:42,180

know some sort of earth place phenomena

741

00:37:46,610 --> 00:37:44,640

some sort of blank plasma maybe but it

742

00:37:48,620 --> 00:37:46,620

it also doesn't explain to you know a

743

00:37:52,400 --> 00:37:48,630

lot of the more high strangest stuff you

744

00:37:54,050 --> 00:37:52,410

know like physical craft and cattle

745

00:37:56,350 --> 00:37:54,060

mutilations you know certainly it can't

746

00:38:00,230 --> 00:37:56,360

be explained by you know some sort of

747

00:38:02,600 --> 00:38:00,240

atmospheric phenomena but each case and

748

00:38:04,460 --> 00:38:02,610

each place should be looked at it on its

749

00:38:07,460 --> 00:38:04,470

own merit some places I think are more

750

00:38:09,080 --> 00:38:07,470

active than others some places exhibit

751

00:38:13,460 --> 00:38:09,090

certain types of phenomena and others

752

00:38:15,950 --> 00:38:13,470

don't so you know with it we do need to

753

00:38:17,570 --> 00:38:15,960

start looking at these I there's a new

754

00:38:22,370 --> 00:38:17,580

phrase out there it's called luminol

755

00:38:25,190 --> 00:38:22,380

cartography and it's pretty much what I

756

00:38:27,800 --> 00:38:25,200

do and other people do we travel around

757

00:38:30,970 --> 00:38:27,810

and we try to you know first document as

758

00:38:34,220 --> 00:38:30,980

many anomalous places as we can

759

00:38:35,960 --> 00:38:34,230

certainly you know for heritage to

760

00:38:38,300 --> 00:38:35,970

preserve the folklore because a lot of

761

00:38:40,400 --> 00:38:38,310

these small towns are dying and with

762

00:38:43,100 --> 00:38:40,410

them their stories are dying you know so

763

00:38:45,620 --> 00:38:43,110

that just from a sociological folklore

764

00:38:49,970 --> 00:38:45,630

expanse it's good to document some of

765

00:38:53,690 --> 00:38:49,980

this stuff but you know I put pins on

766

00:38:56,660 --> 00:38:53,700

maps and I also Google stuff and you can

767

00:39:00,080 --> 00:38:56,670

see pattern it's amazing you know all

768

00:39:02,930 --> 00:39:00,090

around the Marley woods you know just

769

00:39:06,140 --> 00:39:02,940

north of the Marley was is where a UFO

770

00:39:08,510 --> 00:39:06,150

contactee named buck Nelson had flying

771

00:39:10,520 --> 00:39:08,520

saucer convention he claimed that

772

00:39:13,880 --> 00:39:10,530

aliens will come down use a classic you

773

00:39:15,260 --> 00:39:13,890

know 50s era contactees that's just

774

00:39:16,010 --> 00:39:15,270

north of the Marley woods about a

775

00:39:20,750 --> 00:39:16,020

coincidence

776

00:39:24,020 --> 00:39:20,760

I don't know we're pretty far out here

777

00:39:26,270 --> 00:39:24,030

we're in rural Missouri you know for

778

00:39:28,250 --> 00:39:26,280

people to make some of these claims no

779

00:39:30,050 --> 00:39:28,260

there's got to be some basis and then

780

00:39:33,950 --> 00:39:30,060

just a few miles to the west of that

781

00:39:39,190 --> 00:39:33,960

near Norwood there were 30 cattle

782

00:39:43,520 --> 00:39:39,200

mutilations you know a decade or so ago

783

00:39:45,080 --> 00:39:43,530

so every everywhere around you know it's

784

00:39:47,630 --> 00:39:45,090

there's there's a lot of different

785

00:39:52,040 --> 00:39:47,640

things that sort of make you wonder it's

786

00:39:54,680 --> 00:39:52,050

like you know are these connected I I'm

787

00:39:57,950 --> 00:39:54,690

really interested in what you're talking

788

00:40:01,010 --> 00:39:57,960

about with this and I think that you're

789

00:40:02,990 --> 00:40:01,020

right there is there's something there

790

00:40:06,170 --> 00:40:03,000

and I think the waterways may be a key

791

00:40:08,300 --> 00:40:06,180

issue Heche Stalin is at the top of my

792

00:40:10,580 --> 00:40:08,310

list of places to visit I probably won't

793

00:40:13,070 --> 00:40:10,590

go there until I go with another local

794

00:40:16,190 --> 00:40:13,080

researcher here in Utah Erica Luke's

795

00:40:20,780 --> 00:40:16,200

because I I don't know about the area

796

00:40:23,200 --> 00:40:20,790

and but but back to the water it's it's

797

00:40:25,340 --> 00:40:23,210

an area you know this you know

798

00:40:27,260 --> 00:40:25,350

oftentimes these waterways have been

799

00:40:29,660 --> 00:40:27,270

revered as there's a lot of river

800

00:40:32,510 --> 00:40:29,670

worship and goddess worship with like

801  
00:40:34,640 --> 00:40:32,520  
the purification and the man Satori

802  
00:40:38,900 --> 00:40:34,650  
powers that the worst thing the river

803  
00:40:42,460 --> 00:40:38,910  
traditionally involves and Missouri is a

804  
00:40:47,900 --> 00:40:42,470  
main artery for not only a waterway but

805  
00:40:49,280 --> 00:40:47,910  
you know multiple waterways and it you

806  
00:40:52,070 --> 00:40:49,290  
know whether it's the Missouri the

807  
00:40:54,470 --> 00:40:52,080  
Mississippi that do you think I mean and

808  
00:40:56,720 --> 00:40:54,480  
it says this this is obviously across

809  
00:40:59,300 --> 00:40:56,730  
the country this you see this also in

810  
00:41:03,140 --> 00:40:59,310  
the shape-shifter corridor where water

811  
00:41:05,060 --> 00:41:03,150  
is very rare and you see this in the

812  
00:41:08,810 --> 00:41:05,070  
Susquehanna Valley in Pennsylvania like

813  
00:41:10,370 --> 00:41:08,820

do you think that a water deity or like

814

00:41:12,490 --> 00:41:10,380

in mythology associated with these

815

00:41:16,070 --> 00:41:12,500

things do you think that there is a

816

00:41:19,880 --> 00:41:16,080

crossover to some of these anomalous

817

00:41:21,499 --> 00:41:19,890

lights behaviors and patterns that we

818

00:41:25,579 --> 00:41:21,509

see

819

00:41:28,410 --> 00:41:25,589

well I think it's a possibility

820

00:41:30,089 --> 00:41:28,420

certainly Missouri does have a lot of

821

00:41:31,950 --> 00:41:30,099

you know underground streams and

822

00:41:33,900 --> 00:41:31,960

aquifers and Springs and sites you know

823

00:41:37,859 --> 00:41:33,910

the Ozarks is you know it's actually a

824

00:41:40,140 --> 00:41:37,869

mountain you know system in Missouri and

825

00:41:45,329 --> 00:41:40,150

there's a lot of things going on but I

826

00:41:49,019 --> 00:41:45,339

do think in some places certainly the

827

00:41:52,289 --> 00:41:49,029

how the geographies is arranged you know

828

00:41:56,279 --> 00:41:52,299

what minerals are in it and how water is

829

00:41:58,349 --> 00:41:56,289

flowing certainly can have the

830

00:42:01,829 --> 00:41:58,359

possibility of creating some sort of

831

00:42:03,959 --> 00:42:01,839

natural phenomena that we are unaware of

832

00:42:06,479 --> 00:42:03,969

and we're still discovering stuff you

833

00:42:08,099 --> 00:42:06,489

know we only discovered high atmospheric

834

00:42:11,279 --> 00:42:08,109

sprites you know just within the past

835

00:42:13,469 --> 00:42:11,289

decade or so and and they're getting

836

00:42:16,700 --> 00:42:13,479

photos and documenting them and you know

837

00:42:20,900 --> 00:42:16,710

finding the varieties and whatnot so

838

00:42:23,099 --> 00:42:20,910

there's still a lot to learn as far as

839

00:42:27,180 --> 00:42:23,109

geological science and atmospheric

840

00:42:32,069 --> 00:42:27,190

science as to water ways being

841

00:42:33,660 --> 00:42:32,079

traditional spots you know with you know

842

00:42:35,549 --> 00:42:33,670

a magical component to it and a

843

00:42:39,650 --> 00:42:35,559

phenomenological component to it I mean

844

00:42:42,299 --> 00:42:39,660

certainly there are native stories of

845

00:42:45,089 --> 00:42:42,309

creatures you know along the Mississippi

846

00:42:48,479 --> 00:42:45,099

in the Mississippi you know in the in

847

00:42:50,940 --> 00:42:48,489

the ponds and streams around here you

848

00:42:54,630 --> 00:42:50,950

know they go that go back and you know

849

00:42:56,640 --> 00:42:54,640

there's there's newer stories even you

850

00:43:01,229 --> 00:42:56,650

know related there's a town just across

851  
00:43:03,630 --> 00:43:01,239  
the river over here called a Grand Tower

852  
00:43:06,329 --> 00:43:03,640  
and it's called that because there's a

853  
00:43:09,719 --> 00:43:06,339  
rock teacher in the middle of the

854  
00:43:14,370 --> 00:43:09,729  
Mississippi okay and it's a it's like a

855  
00:43:18,539 --> 00:43:14,380  
rock and it's called Tower Rock and that

856  
00:43:20,729 --> 00:43:18,549  
place has the the rock itself goes back

857  
00:43:23,609 --> 00:43:20,739  
to the Indian lore as being a you know a

858  
00:43:25,469 --> 00:43:23,619  
haunted place and soft limits are the

859  
00:43:28,349 --> 00:43:25,479  
conquista doors when they explored the

860  
00:43:32,459 --> 00:43:28,359  
the Mississippi actually placed the

861  
00:43:33,460 --> 00:43:32,469  
cross at the top of it too to note the

862  
00:43:36,520 --> 00:43:33,470  
expansion

863  
00:43:39,579 --> 00:43:36,530

you know the Spanish conquest you know

864

00:43:43,540 --> 00:43:39,589

and there's stories to go back to there

865

00:43:47,920 --> 00:43:43,550

and in this little town of Grand Tower

866

00:43:50,200 --> 00:43:47,930

there are haunted houses the mountain

867

00:43:52,270 --> 00:43:50,210

range is called The Devil's Backbone and

868

00:43:54,370 --> 00:43:52,280

all the features are seem to be related

869

00:43:57,309 --> 00:43:54,380

to the devil at one time there were like

870

00:44:02,370 --> 00:43:57,319

pirates like river pirates there that

871

00:44:05,230 --> 00:44:02,380

lived in the caves and strange creatures

872

00:44:08,829 --> 00:44:05,240

the Murphysboro mud monster was seen

873

00:44:10,990 --> 00:44:08,839

there in the 70s and and at the same

874

00:44:14,890 --> 00:44:11,000

time of the appeasement encounter over

875

00:44:18,099 --> 00:44:14,900

there there was two instances of UFOs

876

00:44:20,760 --> 00:44:18,109

siphoning electricity off of the local

877

00:44:23,880 --> 00:44:20,770

power plant that were observed you know

878

00:44:26,380 --> 00:44:23,890

UFOs were observed siphoning electricity

879

00:44:29,710 --> 00:44:26,390

seemingly before they were chased off by

880

00:44:32,680 --> 00:44:29,720

jets but with it

881

00:44:35,740 --> 00:44:32,690

the reason i bring that up is that read

882

00:44:39,190 --> 00:44:35,750

that area right there were power iraq is

883

00:44:40,690 --> 00:44:39,200

is one of the spots on the mississippi

884

00:44:45,130 --> 00:44:40,700

river and i've talked to river about

885

00:44:48,309 --> 00:44:45,140

people who navigated the river it's one

886

00:44:54,970 --> 00:44:48,319

spot where they're there some other

887

00:44:57,280 --> 00:44:54,980

equipment seems to fail okay it's there

888

00:44:59,500 --> 00:44:57,290

there sometimes their navigational stuff

889

00:45:02,880 --> 00:44:59,510

will fail sometimes their communication

890

00:45:06,940 --> 00:45:02,890

stuff equipment will fail

891

00:45:09,609 --> 00:45:06,950

you know it's sort of a frequent thing

892

00:45:13,150 --> 00:45:09,619

but it's like it's known as just being a

893

00:45:15,700 --> 00:45:13,160

place for some reasons where you know

894

00:45:16,660 --> 00:45:15,710

you might get your radio cut out of it

895

00:45:19,599 --> 00:45:16,670

you know it's also there's a little

896

00:45:22,839 --> 00:45:19,609

whirlpools and stuff there so that gets

897

00:45:25,839 --> 00:45:22,849

to the question of you know you haven't

898

00:45:28,000 --> 00:45:25,849

a lot anomalous spot in a place with a

899

00:45:31,150 --> 00:45:28,010

history in a plethora of you know

900

00:45:36,040 --> 00:45:31,160

weirdness going on and then you also

901  
00:45:39,460 --> 00:45:36,050  
have some actual scientific anomalous

902  
00:45:42,280 --> 00:45:39,470  
stuff occurring that seems connected to

903  
00:45:46,430 --> 00:45:42,290  
the river and seems connected to perhaps

904  
00:45:49,100 --> 00:45:46,440  
the geology that you know

905  
00:45:53,120 --> 00:45:49,110  
makes you wonder and certainly should be

906  
00:45:55,370 --> 00:45:53,130  
looked at and all of these things should

907  
00:45:58,040 --> 00:45:55,380  
be taken into consideration and thank

908  
00:46:03,170 --> 00:45:58,050  
all of these variant stories I think

909  
00:46:05,630 --> 00:46:03,180  
sort of created ponderings of evidence

910  
00:46:09,470 --> 00:46:05,640  
not that conclusive of anything but at

911  
00:46:11,810 --> 00:46:09,480  
least demonstrates that there are areas

912  
00:46:14,140 --> 00:46:11,820  
that are phenomenological and in a lot

913  
00:46:17,000 --> 00:46:14,150

of cases they are connected to water

914

00:46:20,090 --> 00:46:17,010

yeah I'm glad that you brought up Tower

915

00:46:21,950 --> 00:46:20,100

Rock Michael that's so cool because you

916

00:46:23,350 --> 00:46:21,960

know it reminds me a lot it's almost

917

00:46:25,370 --> 00:46:23,360

like it doesn't belong there

918

00:46:26,120 --> 00:46:25,380

geographically it's much like Devil's

919

00:46:28,460 --> 00:46:26,130

Tower

920

00:46:31,240 --> 00:46:28,470

you know it's right and you know we know

921

00:46:33,590 --> 00:46:31,250

Devil's Tower from Close Encounters and

922

00:46:36,140 --> 00:46:33,600

you know it's one of those areas that

923

00:46:38,030 --> 00:46:36,150

not only did I went before I was married

924

00:46:40,430 --> 00:46:38,040

I used to love riding my Harley there

925

00:46:44,090 --> 00:46:40,440

from you know the Sturgis and the Black

926  
00:46:46,340 --> 00:46:44,100  
Hills but these areas you know it seems

927  
00:46:48,770 --> 00:46:46,350  
like they they they're different and

928  
00:46:50,930 --> 00:46:48,780  
they're there there's something

929  
00:46:53,720 --> 00:46:50,940  
different about them and when it comes

930  
00:46:56,510 --> 00:46:53,730  
to the waterways I think you know so

931  
00:47:00,050 --> 00:46:56,520  
often in history we see things like

932  
00:47:02,210 --> 00:47:00,060  
Egypt and the river worship there you

933  
00:47:04,280 --> 00:47:02,220  
know with the Nile and if the United

934  
00:47:08,510 --> 00:47:04,290  
States had a Nile it would be in

935  
00:47:11,210 --> 00:47:08,520  
Missouri no question there's no question

936  
00:47:12,950 --> 00:47:11,220  
about that and the time line with the

937  
00:47:15,350 --> 00:47:12,960  
Marlee woods and I know I'm throwing a

938  
00:47:17,270 --> 00:47:15,360

lot out here but I know we have a little

939

00:47:19,340 --> 00:47:17,280

bit of time left but the time line with

940

00:47:23,990 --> 00:47:19,350

the Marlee woods you mentioned seems

941

00:47:26,240 --> 00:47:24,000

eerily familiar with the time line in

942

00:47:28,010 --> 00:47:26,250

the shape-shifter corridor of Utah

943

00:47:32,960 --> 00:47:28,020

they're in shapeshifter territory and

944

00:47:35,870 --> 00:47:32,970

you know do you think that there's

945

00:47:38,840 --> 00:47:35,880

something about that so that 37th

946

00:47:41,120 --> 00:47:38,850

parallel and the waterways that may be

947

00:47:45,350 --> 00:47:41,130

cyclical or that this is something that

948

00:47:48,020 --> 00:47:45,360

is really truly a fact of mother nature

949

00:47:51,550 --> 00:47:48,030

literally exposing herself in a way or

950

00:47:58,220 --> 00:47:51,560

the oddities of her universe

951  
00:47:59,460 --> 00:47:58,230  
yes be honestly I don't know I don't

952  
00:48:17,500 --> 00:47:59,470  
know

953  
00:48:20,260 --> 00:48:17,510  
draw a line pretty much anywhere be

954  
00:48:22,780 --> 00:48:20,270  
confined you know this sort of stuff

955  
00:48:27,310 --> 00:48:22,790  
going on everywhere

956  
00:48:28,900 --> 00:48:27,320  
I certainly am more interested in points

957  
00:48:32,920 --> 00:48:28,910  
on the map

958  
00:48:34,810 --> 00:48:32,930  
you know than lines because you know you

959  
00:48:37,120 --> 00:48:34,820  
can even kind of narrow down the stuff a

960  
00:48:39,040 --> 00:48:37,130  
little better and you can you can see

961  
00:48:41,250 --> 00:48:39,050  
the locations and you can see their

962  
00:48:48,730 --> 00:48:41,260  
connectivity I think a little bit better

963  
00:48:51,520 --> 00:48:48,740

I don't know what could be going on as I

964

00:48:54,190 --> 00:48:51,530

said yet it might be you know in some

965

00:48:55,990 --> 00:48:54,200

places maybe it's geological and natural

966

00:49:03,930 --> 00:48:56,000

I think maybe in some places there is

967

00:49:10,000 --> 00:49:07,960

there may be in some circumstances you

968

00:49:13,870 --> 00:49:10,010

know some intelligence at work you know

969

00:49:18,580 --> 00:49:13,880

some sort of everybody sort of has this

970

00:49:21,130 --> 00:49:18,590

that this idea that at least in some

971

00:49:23,110 --> 00:49:21,140

places in some cases that there is an

972

00:49:25,620 --> 00:49:23,120

intelligence at work especially when you

973

00:49:28,270 --> 00:49:25,630

get like the poltergeist type activity

974

00:49:30,790 --> 00:49:28,280

you know things disappearing you know

975

00:49:33,130 --> 00:49:30,800

things reappearing you know the sort of

976

00:49:36,370 --> 00:49:33,140

the time stuff the mind games sort of

977

00:49:38,770 --> 00:49:36,380

things you know the synchronicities and

978

00:49:40,390 --> 00:49:38,780

all that and those are prevalent and

979

00:49:43,870 --> 00:49:40,400

skinwalker and they're all so prevalent

980

00:49:46,230 --> 00:49:43,880

in Marley woods and other spots you know

981

00:49:50,850 --> 00:49:46,240

i I've been in the Waverly Hills

982

00:49:53,920 --> 00:49:50,860

Sanatorium you know the haunted place

983

00:49:56,440 --> 00:49:53,930

outside of Louisville there and you get

984

00:49:59,050 --> 00:49:56,450

the same sort of stuff in a haunted

985

00:50:01,390 --> 00:49:59,060

places as you do that or allege that you

986

00:50:03,460 --> 00:50:01,400

know place play skinwalker and Marley

987

00:50:05,420 --> 00:50:03,470

woods you know you can get the mind

988

00:50:09,260 --> 00:50:05,430

games and the voices and the

989

00:50:10,940 --> 00:50:09,270

the electricity drains and the equipment

990

00:50:14,599 --> 00:50:10,950

disappearing and reappearing you know

991

00:50:17,569 --> 00:50:14,609

you get that same sort of stuff which

992

00:50:19,130 --> 00:50:17,579

gets you to you know if there is an

993

00:50:21,049 --> 00:50:19,140

intelligence where it where is it coming

994

00:50:24,230 --> 00:50:21,059

from you know is it coming from

995

00:50:27,799 --> 00:50:24,240

ourselves somehow is it coming from some

996

00:50:31,120 --> 00:50:27,809

sort of interdimensional being or are we

997

00:50:34,160 --> 00:50:31,130

talking about you know the classic

998

00:50:37,730 --> 00:50:34,170

spiritual beings you know whatever that

999

00:50:39,950 --> 00:50:37,740

means you know and I think it might be

1000

00:50:45,099 --> 00:50:39,960

different in different places the

1001  
00:50:50,780 --> 00:50:45,109  
skinwalker lore incidentally is not just

1002  
00:50:54,290 --> 00:50:50,790  
limited to to Utah Missouri has

1003  
00:50:57,170 --> 00:50:54,300  
skinwalkers as well because you know we

1004  
00:50:59,120 --> 00:50:57,180  
were along the path of we had quite a

1005  
00:51:01,880 --> 00:50:59,130  
few native tribes in this area and we

1006  
00:51:05,299 --> 00:51:01,890  
were you know part of the Trail of Tears

1007  
00:51:07,790 --> 00:51:05,309  
that brought thee the natives to the

1008  
00:51:12,410 --> 00:51:07,800  
reservations and we you know we even

1009  
00:51:14,770 --> 00:51:12,420  
have some parts here a trailer tears

1010  
00:51:17,510 --> 00:51:14,780  
park here in cape girardeau that has

1011  
00:51:21,160 --> 00:51:17,520  
quite a few good other stories you know

1012  
00:51:24,109 --> 00:51:21,170  
and some of them are skinwalker related

1013  
00:51:27,410 --> 00:51:24,119

you know some sort of being some sort of

1014

00:51:31,670 --> 00:51:27,420

native being spiritual / even being that

1015

00:51:35,210 --> 00:51:31,680

can manipulate its appearance and

1016

00:51:41,030 --> 00:51:35,220

deceive people and and has some sort of

1017

00:51:42,950 --> 00:51:41,040

nefarious ominous essence to itself you

1018

00:51:44,839 --> 00:51:42,960

know like maybe a werewolf maybe

1019

00:51:49,130 --> 00:51:44,849

people's shame and maybe you know some

1020

00:51:51,500 --> 00:51:49,140

sort of devourers creature it those

1021

00:51:54,250 --> 00:51:51,510

things happen here in this area to it

1022

00:51:56,180 --> 00:51:54,260

Missouri has werewolf stories I

1023

00:51:58,250 --> 00:51:56,190

investigated one a couple months ago

1024

00:52:00,829 --> 00:51:58,260

near seymour that took place 100 years

1025

00:52:03,920 --> 00:52:00,839

ago where they actually shot you know a

1026

00:52:11,059 --> 00:52:03,930

giant wolf that looked like a dire wolf

1027

00:52:13,250 --> 00:52:11,069

from the photograph and you know could

1028

00:52:16,620 --> 00:52:13,260

there be some sort of spiritual being

1029

00:52:20,130 --> 00:52:16,630

could there be some sort of

1030

00:52:22,710 --> 00:52:20,140

a magical thing that's where you get

1031

00:52:25,680 --> 00:52:22,720

into speculation but I will tell you you

1032

00:52:27,900 --> 00:52:25,690

know regardless of how skeptical you are

1033

00:52:30,000 --> 00:52:27,910

and I certainly am skeptical on a lot of

1034

00:52:31,830 --> 00:52:30,010

things you know when you're out in these

1035

00:52:33,950 --> 00:52:31,840

places in the dark and these stories

1036

00:52:39,570 --> 00:52:33,960

come back into your mind you know you

1037

00:52:45,150 --> 00:52:39,580

you sort of but dispense with your

1038

00:52:48,120 --> 00:52:45,160

breaker absolutely and I'm I'm a sucker

1039

00:52:50,760 --> 00:52:48,130

for that I love that and and and then

1040

00:52:53,850 --> 00:52:50,770

that I I think that's really interesting

1041

00:52:55,830 --> 00:52:53,860

that there is so many similarities when

1042

00:52:57,540 --> 00:52:55,840

I publish my article in the

1043

00:53:00,080 --> 00:52:57,550

International paranormal Inquisitor on

1044

00:53:04,680 --> 00:53:00,090

Oh Marley woods

1045

00:53:08,120 --> 00:53:04,690

Georgian app actually you know got on to

1046

00:53:10,260 --> 00:53:08,130

one of the posts on lion and he said

1047

00:53:11,850 --> 00:53:10,270

same sort of thing that you're saying

1048

00:53:14,010 --> 00:53:11,860

and George Knapp would know about

1049

00:53:16,650 --> 00:53:14,020

skinwalker ranch right so you know he

1050

00:53:18,780 --> 00:53:16,660

said he has talked to Ted Phillips and

1051

00:53:20,900 --> 00:53:18,790

he sort of agrees with the idea that if

1052

00:53:23,700 --> 00:53:20,910

there's any other place like skinwalker

1053

00:53:26,220 --> 00:53:23,710

you know it's there in Missouri and that

1054

00:53:27,480 --> 00:53:26,230

there are other places like this you

1055

00:53:31,140 --> 00:53:27,490

know perhaps places that are

1056

00:53:34,440 --> 00:53:31,150

undiscovered you know because the people

1057

00:53:36,300 --> 00:53:34,450

just don't want to be known for the

1058

00:53:38,040 --> 00:53:36,310

creepiness you know her weirdness or

1059

00:53:41,450 --> 00:53:38,050

whatever I'm certain there are places

1060

00:53:44,850 --> 00:53:41,460

and and Marley wood is way out there

1061

00:53:46,890 --> 00:53:44,860

it's you know people aren't just gonna

1062

00:53:49,250 --> 00:53:46,900

go out there and you know you're gonna

1063

00:53:52,500 --> 00:53:49,260

have to drive four hours from wherever

1064

00:53:55,800 --> 00:53:52,510

you know to get out there to those rural

1065

00:54:00,030 --> 00:53:55,810

areas so you really have to kind of go

1066

00:54:01,830 --> 00:54:00,040

out of your way and so I don't think too

1067

00:54:04,260 --> 00:54:01,840

many people hooky venturing out there

1068

00:54:09,420 --> 00:54:04,270

even if they're interested researchers

1069

00:54:11,070 --> 00:54:09,430

that's true that is so true and I have

1070

00:54:15,120 --> 00:54:11,080

to I just have to ask I know were

1071

00:54:17,100 --> 00:54:15,130

limited on time but the 1941 you're

1072

00:54:21,570 --> 00:54:17,110

right there at the pinpoint the area

1073

00:54:24,630 --> 00:54:21,580

that the activity the UFO what happened

1074

00:54:25,980 --> 00:54:24,640

there in where you live could you could

1075

00:54:27,210 --> 00:54:25,990

you tell us a little bit about Cape

1076

00:54:30,390 --> 00:54:27,220

Girardeau

1077

00:54:32,700 --> 00:54:30,400

how that all went down yeah I live in

1078

00:54:35,010 --> 00:54:32,710

Cape Girardeau which is a small River

1079

00:54:36,870 --> 00:54:35,020

town on the Mississippi in Southeast

1080

00:54:39,900 --> 00:54:36,880

Missouri the area that's called the

1081

00:54:41,430 --> 00:54:39,910

Bootheel that little notch down there

1082

00:54:45,630 --> 00:54:41,440

I'm a little bit north of the Nigerian

1083

00:54:51,420 --> 00:54:45,640

but Kate Gerardo along with its other

1084

00:54:55,950 --> 00:54:51,430

UFO accomplishments boasts a flying

1085

00:54:58,770 --> 00:54:55,960

saucer crash that predated allegedly the

1086

00:55:00,930 --> 00:54:58,780

Roswell crash should Kato crash took

1087

00:55:03,870 --> 00:55:00,940

place sometime in April of 1941

1088

00:55:05,720 --> 00:55:03,880

allegedly and the story is unlike

1089

00:55:07,430 --> 00:55:05,730

Roswell you know we're dealing with the

1090

00:55:09,480 --> 00:55:07,440

secondhand accounts and

1091

00:55:15,530 --> 00:55:09,490

multi-generational accounts more so than

1092

00:55:18,450 --> 00:55:15,540

first and witnesses but classic tale a

1093

00:55:21,839 --> 00:55:18,460

reverend was asked by the local police

1094

00:55:24,710 --> 00:55:21,849

chief to come and get rights or some

1095

00:55:27,870 --> 00:55:24,720

sort of you know blessings at a

1096

00:55:29,520 --> 00:55:27,880

supposedly an airplane crash site one

1097

00:55:31,290 --> 00:55:29,530

night you know they and they get to the

1098

00:55:34,410 --> 00:55:31,300

car and they head outside of town and

1099

00:55:38,010 --> 00:55:34,420

you know it sits in a burning field and

1100

00:55:40,710 --> 00:55:38,020

it turns out to be not an airplane it

1101  
00:55:45,510 --> 00:55:40,720  
turns out to be you know your classic

1102  
00:55:48,329 --> 00:55:45,520  
flying saucer crash silvery disc cracked

1103  
00:55:50,550 --> 00:55:48,339  
open with a couple of dead aliens and

1104  
00:55:52,440 --> 00:55:50,560  
and one supposedly still alive you know

1105  
00:55:57,089 --> 00:55:52,450  
you kind of get that same sort of

1106  
00:55:58,859 --> 00:55:57,099  
archetype with a lot of these and you

1107  
00:56:01,560 --> 00:55:58,869  
know they they look at it they look

1108  
00:56:04,170 --> 00:56:01,570  
inside they you know see hieroglyphics

1109  
00:56:07,140 --> 00:56:04,180  
and the the creature is a gray looking

1110  
00:56:09,930 --> 00:56:07,150  
tight beam and then before you know it

1111  
00:56:12,000 --> 00:56:09,940  
you know as the firemen and police are

1112  
00:56:14,930 --> 00:56:12,010  
putting the stuff back you know you get

1113  
00:56:18,690 --> 00:56:14,940

the military that comes up the army and

1114

00:56:21,089 --> 00:56:18,700

you know they cordon off the area they

1115

00:56:24,450 --> 00:56:21,099

swear everybody just you know secrecy

1116

00:56:26,460 --> 00:56:24,460

under penalty of you know trees under or

1117

00:56:28,560 --> 00:56:26,470

whatever and you know they clean

1118

00:56:30,839 --> 00:56:28,570

everything up and ship it off to the

1119

00:56:33,390 --> 00:56:30,849

nearest base and eventually you know

1120

00:56:37,170 --> 00:56:33,400

probably ends up in wright-patterson Air

1121

00:56:40,150 --> 00:56:37,180

Force Base but this this account comes

1122

00:56:44,470 --> 00:56:40,160

from Charlotte man he was

1123

00:56:47,650 --> 00:56:44,480

accounts that supposedly had been shown

1124

00:56:48,430 --> 00:56:47,660

pictures of the alien that was still

1125

00:56:50,740 --> 00:56:48,440

alive

1126  
00:56:52,960 --> 00:56:50,750  
it comes primarily from her as she spoke

1127  
00:56:56,559 --> 00:56:52,970  
at the international yokel congress I

1128  
00:57:00,069 --> 00:56:56,569  
think recently but she's not the only

1129  
00:57:04,180 --> 00:57:00,079  
person that has substantiated this story

1130  
00:57:06,039 --> 00:57:04,190  
I've spoken to dozens of people that you

1131  
00:57:07,680 --> 00:57:06,049  
know remember their grandparents tell

1132  
00:57:11,109 --> 00:57:07,690  
him about it

1133  
00:57:14,920 --> 00:57:11,119  
you know I've even met people that

1134  
00:57:17,620 --> 00:57:14,930  
claimed to have pieces of the craft you

1135  
00:57:21,089 --> 00:57:17,630  
know in the way I've been out to you

1136  
00:57:23,589 --> 00:57:21,099  
know a couple of the alleged crash sites

1137  
00:57:26,529 --> 00:57:23,599  
you know to document them or whatever

1138  
00:57:31,750 --> 00:57:26,539

it's sort of a it's sort of an ongoing

1139

00:57:33,490 --> 00:57:31,760

story although there's not much more to

1140

00:57:38,020 --> 00:57:33,500

go further with it because we're dealing

1141

00:57:40,029 --> 00:57:38,030

with 1941 as opposed to like 1947 so

1142

00:57:43,480 --> 00:57:40,039

most of the primary people are just dead

1143

00:57:46,059 --> 00:57:43,490

but you know it's possible if we can

1144

00:57:48,880 --> 00:57:46,069

nail down some of these locations we can

1145

00:57:50,650 --> 00:57:48,890

you know maybe find some debris that's

1146

00:57:55,740 --> 00:57:50,660

something that that might be doable in

1147

00:58:00,250 --> 00:57:55,750

the future there also was a nearby

1148

00:58:03,789 --> 00:58:00,260

airplane hangar field that was devoted

1149

00:58:06,690 --> 00:58:03,799

to training pilots and we're talking

1150

00:58:12,240 --> 00:58:06,700

1941 so it's the lead-up to the war

1151

00:58:15,579 --> 00:58:12,250

there was a pilot training facility

1152

00:58:19,630 --> 00:58:15,589

right nearby and there were certainly

1153

00:58:21,760 --> 00:58:19,640

some crashes of students in that time

1154

00:58:24,460 --> 00:58:21,770

period so you know are we the only with

1155

00:58:25,150 --> 00:58:24,470

the legitimate crash you know urban

1156

00:58:29,200 --> 00:58:25,160

legend

1157

00:58:31,539 --> 00:58:29,210

you know something miss identified you

1158

00:58:35,049 --> 00:58:31,549

know it's sort of upper grabs with with

1159

00:58:38,620 --> 00:58:35,059

all of this but people claim flying

1160

00:58:42,880 --> 00:58:38,630

saucer people do claim that it was a UFO

1161

00:58:44,470 --> 00:58:42,890

and it wasn't one of ours and it's

1162

00:58:47,650 --> 00:58:44,480

something that Kate's rather is it's got

1163

00:58:50,529 --> 00:58:47,660

to deal with but for the rest of history

1164

00:58:53,380 --> 00:58:50,539

you know it's good once you get the

1165

00:58:53,770 --> 00:58:53,390

legends attached to you it's not going

1166

00:59:01,390 --> 00:58:53,780

to

1167

00:59:04,390 --> 00:59:01,400

as we can but it gets harder and harder

1168

00:59:07,260 --> 00:59:04,400

each year you know yep I hear that and

1169

00:59:11,380 --> 00:59:07,270

the thought of metamaterials in Missouri

1170

00:59:13,270 --> 00:59:11,390

fascinates me man any chance like just

1171

00:59:14,760 --> 00:59:13,280

that you know if I get any chance to

1172

00:59:17,350 --> 00:59:14,770

come to Missouri it's a good one because

1173

00:59:19,090 --> 00:59:17,360

not only you guys have White Castle but

1174

00:59:21,850 --> 00:59:19,100

my best friend lives there

1175

00:59:23,470 --> 00:59:21,860

my favorite podcast host is from there

1176

00:59:25,930 --> 00:59:23,480

the list goes on and on I think it's

1177

00:59:27,820 --> 00:59:25,940

beautiful I and I think there's nobody

1178

00:59:29,680 --> 00:59:27,830

better to talk to about the mysteries in

1179

00:59:31,750 --> 00:59:29,690

Missouri you've dedicated much of your

1180

00:59:35,500 --> 00:59:31,760

life to this amazing part of the United

1181

00:59:37,750 --> 00:59:35,510

States and I believe that if I had to

1182

00:59:39,520 --> 00:59:37,760

pick one place to focus my attention

1183

00:59:42,700 --> 00:59:39,530

from a river goddess perspective or

1184

00:59:45,280 --> 00:59:42,710

worshipping waterways and that amazing

1185

00:59:49,150 --> 00:59:45,290

phenomena that that follows the arteries

1186

00:59:51,130 --> 00:59:49,160

of Missouri and I can't thank you enough

1187

00:59:53,320 --> 00:59:51,140

for your time Michael not only tonight

1188

00:59:55,780 --> 00:59:53,330

but also the time you've put in in

1189

00:59:59,590 --> 00:59:55,790

general to these this area these

1190

01:00:02,740 --> 00:59:59,600

subjects and they interest so many of us

1191

01:00:04,990 --> 01:00:02,750

you you're a true help to us all a hero

1192

01:00:07,750 --> 01:00:05,000

to us all and a fountain of knowledge to

1193

01:00:10,660 --> 01:00:07,760

a place that many like you said will

1194

01:00:12,910 --> 01:00:10,670

never investigate the way you have your

1195

01:00:17,340 --> 01:00:12,920

efforts are truly appreciated my man and

1196

01:00:19,930 --> 01:00:17,350

by many including myself thank you

1197

01:00:23,860 --> 01:00:19,940

Michael Huntington ladies and gentlemen

1198

01:00:26,680 --> 01:00:23,870

what a rockstar couldn't be happier with

1199

01:00:29,550 --> 01:00:26,690

the knowledge research and attention to

1200

01:00:32,430 --> 01:00:29,560

detail Michael has put into everything

1201  
01:00:36,310 --> 01:00:32,440  
explaining the mysteries of Missouri I

1202  
01:00:38,980 --> 01:00:36,320  
for one can't wait to get him back

1203  
01:00:41,170 --> 01:00:38,990  
he is the only one out there doing what

1204  
01:00:44,740 --> 01:00:41,180  
he's doing to the extent that he's doing

1205  
01:00:46,930 --> 01:00:44,750  
and for the lengths that he's been doing

1206  
01:00:50,440 --> 01:00:46,940  
it and I hope to have him back on the
