with the best interests the most

8
00:01:05,030 --> 00:01:00,510

augmented donations to the field through

9
00:01:07,640 --> 00:01:05,040

either proximity of research or what

10
00:01:09,920 --> 00:01:07,650

they have going on currently and this

11
00:01:13,460 --> 00:01:09,930

particular individual who we have on the

12
00:01:16,399 --> 00:01:13,470

podcast tonight is he's a rock star he's

13
00:01:19,490 --> 00:01:16,409

awesome he's a resident of Rio Rancho

14

00:01:22,340 --> 00:01:19,500

New Mexico he's the director of civilian

15

00:01:26,390 --> 00:01:22,350

intelligence news service not only that

16

00:01:28,300 --> 00:01:26,400

he is somebody who's helped me in the

17

00:01:32,780 --> 00:01:28,310

past whether he knows it or not he

18

00:01:35,170 --> 00:01:32,790

manages UFO news area 51 dreamland and

19

00:01:40,930 --> 00:01:35,180

that's how he's helped me

20

00:01:43,000 --> 00:01:40,940

and he also has a YouTube channel if you

21

00:01:44,480 --> 00:01:43,010

don't know who I'm talking about yet you

22

00:01:49,460 --> 00:01:44,490

will see you know

23

00:01:52,340 --> 00:01:49,470

we're talking about Norio Hayakawa truly

24

00:01:55,450 --> 00:01:52,350

one of the most honest researchers in

25

00:01:58,190 --> 00:01:55,460

the field calls it like it is and

26

00:02:01,340 --> 00:01:58,200

doesn't sugarcoat anything his honesty

27

00:02:03,770 --> 00:02:01,350

is actually very refreshing so I can't

28

00:02:05,930 --> 00:02:03,780

wait to hit him with all kinds of

29

00:02:10,309 --> 00:02:05,940

questions I know he's gonna have answers

30

00:02:14,120 --> 00:02:10,319

too and before we get to that we have to

31

00:02:16,970 --> 00:02:14,130

mention my own shameless self-promotion

32

00:02:18,979 --> 00:02:16,980

I guess and the promotion of the podcast

33

00:02:22,940 --> 00:02:18,989

because it's important to me to keep it

34

00:02:25,790 --> 00:02:22,950

going and carve away time and try to do

35

00:02:28,420 --> 00:02:25,800

so in a way that keeps up with the pace

36

00:02:32,509 --> 00:02:28,430

of the fields that we're following which

37

00:02:34,070 --> 00:02:32,519

lately is pretty quick and if you

38

00:02:37,790 --> 00:02:34,080

haven't had a chance to go to hero

39

00:02:39,350 --> 00:02:37,800

out our research project and I say bar

46

00:02:58,130 --> 00:02:56,280

because it's really me but I have

47

00:03:03,170 --> 00:02:58,140

of Utah we are doing our best to seek

52
00:03:20,130 --> 00:03:14,860
and find

53
00:03:25,260 --> 00:03:20,140
the true reason for the anomalies in the

54
00:03:28,740 --> 00:03:25,270
area and there's a bunch of them it is

55
00:03:30,210 --> 00:03:28,750
been pretty eye-opening so far so check

56
00:03:32,760 --> 00:03:30,220

57
00:03:35,010 --> 00:03:32,770

00:03:40,470 --> 00:03:35,020
more than you could ever imagine as well

59
00:03:43,680 --> 00:03:40,480
back to norio he is a mastermind of this

60
00:03:45,240 --> 00:03:43,690
genre and he's been so helpful to me in

61
00:03:50,450 --> 00:03:45,250
the past when I've been asking questions

62
00:03:54,240 --> 00:03:50,460
about area 51 dreamland and the likes

63
00:03:56,400 --> 00:03:54,250

extremely knowledgeable extremely honest

64

00:03:58,920 --> 00:03:56,410

and just an all-around good guy can't

65

00:04:03,030 --> 00:03:58,930

wait to get to it so buckle up pour a

66

00:04:07,800 --> 00:04:03,040

cup and it's gonna be a heck of a ride

67

00:04:10,740 --> 00:04:07,810

with Norio so here we go noria welcome

68

00:04:13,710 --> 00:04:10,750

to the hyper anomalous esoteric research

69

00:04:17,880 --> 00:04:13,720

organization podcast my man thank you so

70

00:04:21,380 --> 00:04:17,890

much I'm glad to be talking with you

71

00:04:24,510 --> 00:04:21,390

today you know I I have to commend you

72

00:04:28,380 --> 00:04:24,520

because you are one of the most honest

73

00:04:31,080 --> 00:04:28,390

so often this field is absolutely

74

00:04:36,530 --> 00:04:31,090

cluttered with for a lack of a better

75

00:04:40,140 --> 00:04:36,540

word a lot of BS and what I found is you

76

00:04:43,860 --> 00:04:40,150

navigate that pretty well you call BS on

77

00:04:46,830 --> 00:04:43,870

the things that are not real or relevant

78

00:04:49,560 --> 00:04:46,840

which is 90% of it and you focus on the

79

00:04:52,680 --> 00:04:49,570

10% and I really wanted to thank you for

80

00:04:57,900 --> 00:04:52,690

that oh thank you very much for your

81

00:05:03,150 --> 00:04:57,910

kind words and because I am definitely

82

00:05:06,810 --> 00:05:03,160

interested in bringing out reason and

83

00:05:11,120 --> 00:05:06,820

logic when we talk about things that we

84

00:05:15,690 --> 00:05:11,130

don't know much about and that's why

85

00:05:19,560 --> 00:05:15,700

I've always maintained my position as a

86

00:05:21,870 --> 00:05:19,570

neutral person as far as you know things

87

00:05:27,800 --> 00:05:21,880

are concerned and so I've been doing

88

00:05:36,530 --> 00:05:32,320

and in particular the so-called

89

00:05:39,140 --> 00:05:36,540

unidentified aerial phenomenon which is

90

00:05:43,940 --> 00:05:39,150

UAP which is a much much better word

91

00:05:48,650 --> 00:05:43,950

than ufos or UFO phenomenon but

92

00:05:52,750 --> 00:05:48,660

basically you ap or unidentified aerial

93

00:05:55,580 --> 00:05:52,760

phenomena I believe is a real phenomenon

94

00:05:58,820 --> 00:05:55,590

no question about it I've been studying

95

00:06:00,860 --> 00:05:58,830

this for close to sixty years already

96

00:06:05,690 --> 00:06:00,870

year you know I began this whole thing

97

00:06:09,770 --> 00:06:05,700

in 1961 so you know Ryan are they doing

98

00:06:11,960 --> 00:06:09,780

this and I have seen things I mean I'm

99

00:06:15,680 --> 00:06:11,970

talking about you know things that

100

00:06:20,330 --> 00:06:15,690

happened in the UFO community and all

101
00:06:24,950 --> 00:06:20,340
this things associated with this weird

102
00:06:26,690 --> 00:06:24,960
field of study I know you have and

103
00:06:28,940 --> 00:06:26,700
you've actually helped me in the past

104
00:06:33,920 --> 00:06:28,950
whether you're aware of it or not you've

105
00:06:36,350 --> 00:06:33,930
actually really I know that you manage a

106
00:06:38,000 --> 00:06:36,360
lot of different websites and YouTube

107
00:06:38,900 --> 00:06:38,010
channels and things of that nature and

108
00:06:41,360 --> 00:06:38,910
Dreamland

109
00:06:45,380 --> 00:06:41,370
has been an extremely helpful resource

110
00:06:48,830 --> 00:06:45,390
to me living here in Nevada and it's

111
00:06:52,610 --> 00:06:48,840
been a great great help in addition I

112
00:06:56,000 --> 00:06:52,620
think that your your insight I mean with

113
00:06:58,940 --> 00:06:56,010

nearly 60 years in the field the UFO

114

00:07:05,170 --> 00:06:58,950

community oftentimes gets pretty muddled

115

00:07:08,140 --> 00:07:05,180

as far as what they consider reality and

116

00:07:11,080 --> 00:07:08,150

and that's to be expected in some

117

00:07:12,860 --> 00:07:11,090

organizations or communities that are

118

00:07:14,900 --> 00:07:12,870

interested in something that's not

119

00:07:18,350 --> 00:07:14,910

supposed to exist or the society is

120

00:07:20,120 --> 00:07:18,360

completely tossed to the side or it

121

00:07:24,320 --> 00:07:20,130

believes is irrelevant when in reality

122

00:07:26,900 --> 00:07:24,330

it may be the most important question or

123

00:07:28,760 --> 00:07:26,910

phenomenon that we have to deal with but

124

00:07:33,080 --> 00:07:28,770

I think you do so from a very realistic

125

00:07:37,150 --> 00:07:33,090

standpoint and talking of the unknown I

126
00:07:41,270 --> 00:07:37,160
agree with you that UAP is a lot better

127
00:07:44,150 --> 00:07:41,280
word than UFO can you kind of tell

128
00:07:48,260 --> 00:07:44,160
our listeners the reasons behind that

129
00:07:51,440 --> 00:07:48,270
and in your experience why that is a

130
00:07:56,020 --> 00:07:51,450
more acceptable term

131
00:07:59,000 --> 00:07:56,030
well basically rightly the term UFO

132
00:08:03,440 --> 00:07:59,010
which was coined by the United States

133
00:08:09,800 --> 00:08:03,450
Air Force many many years ago has become

134
00:08:15,610 --> 00:08:09,810
the standard term but has terrible

135
00:08:18,760 --> 00:08:15,620
terrible misunderstanding because

136
00:08:25,280 --> 00:08:18,770
unidentified flying object is a good

137
00:08:30,590 --> 00:08:25,290
interesting term but in already it

138
00:08:33,290 --> 00:08:30,600

already assumed that these things are

139

00:08:35,600 --> 00:08:33,300

flying and it's already assumed that

140

00:08:39,820 --> 00:08:35,610

we're talking about solid physical

141

00:08:44,690 --> 00:08:39,830

objects so these both of these things

142

00:08:49,700 --> 00:08:44,700

like flying and object are terrible

143

00:08:53,690 --> 00:08:49,710

choice of words but you know we have

144

00:08:57,710 --> 00:08:53,700

been using UFOs as a term to describe

145

00:09:01,820 --> 00:08:57,720

this phenomenon but in actuality I would

146

00:09:05,540 --> 00:09:01,830

rather prefer to use ufp or unidentified

147

00:09:09,440 --> 00:09:05,550

aerial phenomenon as opposed to UFO

148

00:09:14,440 --> 00:09:09,450

phenomena because UFO already connotes

149

00:09:18,160 --> 00:09:14,450

that whatever we have been seeing are

150

00:09:22,579 --> 00:09:18,170

definitely flying in the sense that

151
00:09:28,480 --> 00:09:22,589
we're talking about flying through some

152
00:09:31,370 --> 00:09:28,490
kind of propulsion system and also I

153
00:09:34,640 --> 00:09:31,380
hate the use of the word object because

154
00:09:39,820 --> 00:09:34,650
we have known yet determine whether they

155
00:09:44,680 --> 00:09:39,830
are objects or not and so this reason I

156
00:09:48,200 --> 00:09:44,690
highly commend dr. Jack LaLanne who

157
00:09:51,079 --> 00:09:48,210
stated many years ago and he has not

158
00:09:55,510 --> 00:09:51,089
changed his position dr. Jack LaLanne

159
00:09:58,570 --> 00:09:55,520
would who I considered one of the most

160
00:10:03,590 --> 00:09:58,580
reliable authorities on this phenomenon

161
00:10:07,190 --> 00:10:03,600
he said that UFOs may not actually be

162
00:10:10,449 --> 00:10:07,200
flying nor could they be objects so that

163
00:10:16,160 --> 00:10:10,459

is one possibility so this is the reason

164

00:10:18,620 --> 00:10:16,170

that I like the word UAV unidentified

165

00:10:21,880 --> 00:10:18,630

aerial phenomena rather than UFOs

166

00:10:24,829 --> 00:10:21,890

because you levels immediately connotes

167

00:10:29,270 --> 00:10:24,839

some kind of a spacecraft from outer

168

00:10:32,600 --> 00:10:29,280

space and that's me almost 99% of the

169

00:10:35,750 --> 00:10:32,610

connotation of the word UFO that is

170

00:10:40,960 --> 00:10:35,760

associated with something from outer

171

00:10:43,370 --> 00:10:40,970

space like spacecraft from outer space

172

00:10:48,010 --> 00:10:43,380

extraterrestrial so this is very limited

173

00:10:53,710 --> 00:10:48,020

term and you know for this reason I

174

00:10:57,699 --> 00:10:53,720

commend the recent United States Navy's

175

00:11:02,860 --> 00:10:57,709

collections of the word

176

00:11:07,069 --> 00:11:02,870

UFOs they the US Navy talking about the

177

00:11:11,329 --> 00:11:07,079

so called tick-tack UFOs and you know

178

00:11:14,810 --> 00:11:11,339

pilot Craver and you know the decided

179

00:11:21,050 --> 00:11:14,820

you know in 2004 different incidents and

180

00:11:25,790 --> 00:11:21,060

so on the US Navy recently changed the

181

00:11:28,730 --> 00:11:25,800

terminology to UAP unidentified aerial

182

00:11:33,650 --> 00:11:28,740

phenomena rather than using the word UFO

183

00:11:37,400 --> 00:11:33,660

which I commanded I agree with you on

184

00:11:40,730 --> 00:11:37,410

all counts norio and I I can't

185

00:11:44,390 --> 00:11:40,740

I agree more with you as far as Jacques

186

00:11:45,230 --> 00:11:44,400

Vallee you know he I mean talk about a

187

00:11:48,079 --> 00:11:45,240

class act

188

00:11:52,370 --> 00:11:48,089

I had the blessing to meet him earlier

189

00:11:53,920 --> 00:11:52,380

in life and almost immediately he you

190

00:11:57,770 --> 00:11:53,930

know started sending me Christmas cards

191

00:12:01,400 --> 00:11:57,780

he he is exactly what he seems he is

192

00:12:04,400 --> 00:12:01,410

sincere he's a very that yeah very kind

193

00:12:06,890 --> 00:12:04,410

soul very I mean I haven't met a shaman

194

00:12:07,550 --> 00:12:06,900

or yoga instructor her even a religious

195

00:12:10,730 --> 00:12:07,560

authority

196

00:12:15,290 --> 00:12:10,740

that has exude 'add that kind of

197

00:12:16,910 --> 00:12:15,300

sincerity and he he's definitely his

198

00:12:19,810 --> 00:12:16,920

efforts in the field are very

199

00:12:22,700 --> 00:12:19,820

appreciated and I agree with you that

200

00:12:26,720 --> 00:12:22,710

for some reason in the 50s and 60s this

201
00:12:28,490 --> 00:12:26,730
whole spacecraft UFO I don't know what

202
00:12:31,850 --> 00:12:28,500
to call it it's almost like a whole

203
00:12:37,519 --> 00:12:31,860
genre of its own took on a whole life of

204
00:12:40,370 --> 00:12:37,529
its own and the UAP phenomena is

205
00:12:42,950 --> 00:12:40,380
completely different than that because

206
00:12:47,210 --> 00:12:42,960
we're not necessarily talking about

207
00:12:49,960 --> 00:12:47,220
something that fits in our spectrum or

208
00:12:55,370 --> 00:12:49,970
that we can put in a box I really I

209
00:12:57,590 --> 00:12:55,380
really like that you have mentioned you

210
00:13:03,320 --> 00:12:57,600
know art is this a pair of physical

211
00:13:05,530 --> 00:13:03,330
extra dimensional entity and we yeah

212
00:13:09,680 --> 00:13:05,540
could you go into a little bit of that

213
00:13:14,770 --> 00:13:09,690

well the reason I began using the word

214

00:13:17,840 --> 00:13:14,780

pair of physical is because to me

215

00:13:21,280 --> 00:13:17,850

there's no question that this phenomenon

216

00:13:25,910 --> 00:13:21,290

exists but I have come to the conclusion

217

00:13:33,290 --> 00:13:25,920

many years ago that we may be dealing

218

00:13:37,300 --> 00:13:33,300

with a phenomenon that may be intruding

219

00:13:40,490 --> 00:13:37,310

into our physical dimension from another

220

00:13:45,170 --> 00:13:40,500

dimension in other words I'm a firm

221

00:13:49,160 --> 00:13:45,180

believer actually since around the 1978

222

00:13:52,250 --> 00:13:49,170

when I began to devolve books why you

223

00:13:53,780 --> 00:13:52,260

know dr. Alaine and even the people like

224

00:13:59,120 --> 00:13:53,790

John Aquino

225

00:14:04,250 --> 00:13:59,130

with another great researchers and in

226

00:14:09,260 --> 00:14:04,260

the late seventies jung-ae who began

227

00:14:12,970 --> 00:14:09,270

espousing the theory that we may not be

228

00:14:15,550 --> 00:14:12,980

talking necessarily about physical

229

00:14:18,050 --> 00:14:15,560

extraterrestrial phenomenon but rather

230

00:14:21,650 --> 00:14:18,060

some kind of

231

00:14:23,450 --> 00:14:21,660

but intuitive extra dimensional

232

00:14:32,350 --> 00:14:23,460

phenomenon including

233

00:14:37,180 --> 00:14:32,360

it were physical dimension and these the

234

00:14:40,250 --> 00:14:37,190

perpetrators of this phenomenon are

235

00:14:43,850 --> 00:14:40,260

appears to be sentient in other words

236

00:14:48,920 --> 00:14:43,860

they have a feeling or they know what's

237

00:14:56,110 --> 00:14:48,930

good or bad and so I am a believer that

238

00:14:59,470 --> 00:14:56,120

there are probably in this wide cosmos

239

00:15:08,180 --> 00:14:59,480

many many many countless number of

240

00:15:14,230 --> 00:15:08,190

sentient extraterrestrial para physical

241

00:15:19,340 --> 00:15:14,240

entities that have the ability to

242

00:15:25,400 --> 00:15:19,350

temporarily intrude into a physical

243

00:15:29,600 --> 00:15:25,410

dimension and appearing to the observers

244

00:15:34,100 --> 00:15:29,610

as a hundred percent physical phenomenon

245

00:15:37,280 --> 00:15:34,110

to the observer and what I have been

246

00:15:42,640 --> 00:15:37,290

saying especially in the last few years

247

00:15:47,570 --> 00:15:42,650

is that this phenomenon seemed to select

248

00:15:53,390 --> 00:15:47,580

in advance its özil of this phenomenon

249

00:15:56,840 --> 00:15:53,400

and you know I get a lot of influence

250

00:16:02,000 --> 00:15:56,850

from dr. Jack LaLanne in this regard but

251
00:16:06,650 --> 00:16:02,010
it's my contention that a hundred

252
00:16:14,050 --> 00:16:06,660
percent physical object will be very

253
00:16:18,800 --> 00:16:14,060
very difficult to maintain its shape as

254
00:16:22,220 --> 00:16:18,810
the object travels or even entities

255
00:16:26,030 --> 00:16:22,230
travel at the speed of light for many

256
00:16:30,900 --> 00:16:26,040
many years without drastically changing

257
00:16:34,170 --> 00:16:30,910
its appearance and you know the

258
00:16:37,680 --> 00:16:34,180
and so this is the reason why I came to

259
00:16:41,750 --> 00:16:37,690
the conclusion that somehow these

260
00:16:45,210 --> 00:16:41,760
sentient entities have the potential to

261
00:16:49,610 --> 00:16:45,220
suddenly materialize and that's the key

262
00:16:54,090 --> 00:16:49,620
word I have seen a lot of footages of

263
00:16:57,350 --> 00:16:54,100

so-called UFO phenomenon but and then I

264

00:17:03,210 --> 00:16:57,360

have you know talked to so many people

265

00:17:07,620 --> 00:17:03,220

but basic characteristic is that this

266

00:17:11,760 --> 00:17:07,630

phenomenon does not seem to be able to

267

00:17:15,530 --> 00:17:11,770

survive in our physical act of fear or

268

00:17:20,670 --> 00:17:15,540

physical dimension except for a few

269

00:17:24,950 --> 00:17:20,680

minutes or few seconds at a time and but

270

00:17:31,500 --> 00:17:24,960

yet they seem to have the power to

271

00:17:41,340 --> 00:17:31,510

affect our you know for example radar

272

00:17:43,940 --> 00:17:41,350

and they seem to chemically mean some

273

00:17:47,690 --> 00:17:43,950

kind of a residue temporarily

274

00:17:54,240 --> 00:17:47,700

but you know it's a media life

275

00:17:58,980 --> 00:17:54,250

speculation but I have been considering

276

00:18:03,540 --> 00:17:58,990

this because I have seen lots of things

277

00:18:07,110 --> 00:18:03,550

I mean as far as talking to so many

278

00:18:10,410 --> 00:18:07,120

people and as you know Ryan I live in

279

00:18:13,940 --> 00:18:10,420

the state of New Mexico and I live in

280

00:18:17,910 --> 00:18:13,950

outside of Albuquerque and Rio Rancho

281

00:18:21,000 --> 00:18:17,920

which is only about three hour drive

282

00:18:24,870 --> 00:18:21,010

from another interesting place in New

283

00:18:28,290 --> 00:18:24,880

Mexico called the Dulce area the Hickory

284

00:18:30,420 --> 00:18:28,300

Apache reservation and I have actually

285

00:18:35,150 --> 00:18:30,430

talked to so many folks over there in an

286

00:18:41,010 --> 00:18:35,160

Indian Reservation who have told me all

287

00:18:44,880 --> 00:18:41,020

strange experiences they had yet there

288

00:18:48,110 --> 00:18:44,890

is no evidence whatsoever

289

00:18:50,220 --> 00:18:48,120

that there's any kind of physical

290

00:18:52,950 --> 00:18:50,230

extraterrestrial off the ground base in

291

00:18:58,230 --> 00:18:52,960

Dulce New Mexico and this this applies

292

00:19:01,020 --> 00:18:58,240

to all other topics we're talking about

293

00:19:08,730 --> 00:19:01,030

this anomalous that we can't get rolled

294

00:19:12,720 --> 00:19:08,740

off so far and you know so what else can

295

00:19:16,740 --> 00:19:12,730

I say you know uh it's a it's a fact

296

00:19:24,080 --> 00:19:16,750

it's an amazing set of it but yet so

297

00:19:31,230 --> 00:19:24,090

many people are deceived by con artists

298

00:19:36,539 --> 00:19:31,240

hoaxsters who claim unsubstantiated

299

00:19:39,980 --> 00:19:36,549

claims of things that relevant to this

300

00:19:44,970 --> 00:19:39,990

phenomena and create their own

301
00:19:47,750 --> 00:19:44,980
ridiculous stories and you know that's

302
00:19:50,430 --> 00:19:47,760
the whole problem in contemporary

303
00:19:55,289 --> 00:19:50,440
contemporary ecology as far as I'm

304
00:19:59,760 --> 00:19:55,299
concerned there's a you know people talk

305
00:20:02,700 --> 00:19:59,770
about area 51 and all that stuff but you

306
00:20:07,680 --> 00:20:02,710
know there's absolutely no physical

307
00:20:11,880 --> 00:20:07,690
evidence whatsoever or even documentary

308
00:20:14,820 --> 00:20:11,890
evidence whatsoever that area 51 is or

309
00:20:18,270 --> 00:20:14,830
have ever been associated with aliens or

310
00:20:22,230 --> 00:20:18,280
alien technology it's just it's all talk

311
00:20:25,770 --> 00:20:22,240
and the no solid evidence but yet in

312
00:20:29,789 --> 00:20:25,780
this field there are many many con

313
00:20:33,870 --> 00:20:29,799

artists who deceive people and profit

314

00:20:40,080 --> 00:20:33,880

from people's gullibility in believing

315

00:20:44,820 --> 00:20:40,090

in you know alien related things

316

00:20:45,710 --> 00:20:44,830

concerns the area 51 and even Rob's

317

00:20:48,950 --> 00:20:45,720

world

318

00:20:52,860 --> 00:20:48,960

don't say New Mexico you name it all

319

00:20:55,740 --> 00:20:52,870

these places are interesting and there

320

00:20:58,080 --> 00:20:55,750

are important in many sense in fact I am

321

00:21:02,990 --> 00:20:58,090

a firm believer in important

322

00:21:08,370 --> 00:21:03,000

area 51 as United States for most vital

323

00:21:12,450 --> 00:21:08,380

military research development and

324

00:21:13,350 --> 00:21:12,460

testing area for national defense no

325

00:21:16,650 --> 00:21:13,360

question about it

326

00:21:19,430 --> 00:21:16,660

but along comes you know all of the

327

00:21:24,840 --> 00:21:19,440

garbage that has nothing to do with this

328

00:21:27,360 --> 00:21:24,850

this authority and so but you know

329

00:21:30,600 --> 00:21:27,370

unfortunately there are many many people

330

00:21:33,630 --> 00:21:30,610

who make a profit out of people to go do

331

00:21:39,240 --> 00:21:33,640

things you know Bob Lazar and listen

332

00:21:42,510 --> 00:21:39,250

that not all this this crap see and so

333

00:21:44,580 --> 00:21:42,520

that's pretty the authentic research on

334

00:21:47,130 --> 00:21:44,590

this phenomena which is real the

335

00:21:51,210 --> 00:21:47,140

phenomenon itself is real no question

336

00:21:52,320 --> 00:21:51,220

about it but you can go from one extreme

337

00:21:58,470 --> 00:21:52,330

to the other

338

00:22:00,480 --> 00:21:58,480

now I know I knew actually gentleman by

339

00:22:07,730 --> 00:22:00,490

the name of William Cooper or bill

340

00:22:12,360 --> 00:22:07,740

Cooper for many years and Bill Cooper

341

00:22:15,900 --> 00:22:12,370

started his career in ethology by

342

00:22:20,370 --> 00:22:15,910

proclaiming that he had seen things and

343

00:22:23,580 --> 00:22:20,380

he had information that the government

344

00:22:26,820 --> 00:22:23,590

has been keeping the Flying Saucer

345

00:22:29,970 --> 00:22:26,830

technology secret and all that blah blah

346

00:22:33,570 --> 00:22:29,980

blah and he went on for a few years but

347

00:22:37,770 --> 00:22:33,580

I give credit to Bill Cooper because he

348

00:22:40,950 --> 00:22:37,780

admitted later on that what he was given

349

00:22:45,090 --> 00:22:40,960

the information was probably this

350

00:22:48,420 --> 00:22:45,100

information and so he admitted that he

351
00:22:51,690 --> 00:22:48,430
was wrong and that but on the other hand

352
00:22:57,650 --> 00:22:51,700
he went to the other extreme and started

353
00:23:02,730 --> 00:22:57,660
saying that that there are no you know

354
00:23:07,350 --> 00:23:02,740
into flying saucers and so on which is

355
00:23:11,400 --> 00:23:07,360
true in a sense but you know he has to l

356
00:23:11,869 --> 00:23:11,410
wish he knew that the other explanation

357
00:23:14,299 --> 00:23:11,879
for the

358
00:23:16,789 --> 00:23:14,309
dominant and that that's the actual

359
00:23:19,609 --> 00:23:16,799
dimensionality of this manometer which

360
00:23:24,279 --> 00:23:19,619
he unfortunately didn't talk about all

361
00:23:28,609 --> 00:23:24,289
he talked was nothing both ufology and

362
00:23:32,959 --> 00:23:28,619
so but we can't blame

363
00:23:35,659 --> 00:23:32,969

William Cooper for what he said he was

364

00:23:41,359 --> 00:23:35,669

affected by a lot of other comp artists

365

00:23:46,939 --> 00:23:41,369

who who you know talk about crazy stuff

366

00:23:49,729 --> 00:23:46,949

and he he just combined all the things

367

00:23:52,399 --> 00:23:49,739

that he learned from people like John

368

00:23:55,479 --> 00:23:52,409

Maxwell and you know many other

369

00:23:58,819 --> 00:23:55,489

researchers and he combined everything

370

00:24:01,309 --> 00:23:58,829

methodically and cleverly and he

371

00:24:02,959 --> 00:24:01,319

produced a book called the beholder

372

00:24:06,439 --> 00:24:02,969

pinholes which was an interesting book

373

00:24:11,599 --> 00:24:06,449

but you know towards the end of this

374

00:24:14,689 --> 00:24:11,609

career he definitely began to admit that

375

00:24:19,459 --> 00:24:14,699

many of the things he'd been saying

376
00:24:22,430 --> 00:24:19,469
was probably not true I I commend him

377
00:24:27,829 --> 00:24:22,440
for that but unfortunately he passed

378
00:24:31,789 --> 00:24:27,839
away due to you know the disaster is

379
00:24:37,279 --> 00:24:31,799
accurate incident that took his life due

380
00:24:40,159 --> 00:24:37,289
to mainly to his own oh I couldn't agree

381
00:24:44,539 --> 00:24:40,169
with you more and and I I love Bill for

382
00:24:48,079 --> 00:24:44,549
all the reasons you said he was Bill

383
00:24:51,829 --> 00:24:48,089
bill was built bill was definitely at

384
00:24:53,379 --> 00:24:51,839
that his book was amazing and it was an

385
00:24:57,439 --> 00:24:53,389
international

386
00:25:00,529 --> 00:24:57,449
blockbuster however it was unfortunate

387
00:25:02,779 --> 00:25:00,539
that I think that Bill's own seeds that

388
00:25:07,699 --> 00:25:02,789

he planted were the cause of his demise

389

00:25:11,539 --> 00:25:07,709

and unlike many self-promoting people I

390

00:25:16,249 --> 00:25:11,549

think bill had altruistic goals however

391

00:25:21,319 --> 00:25:16,259

he was like you said skewed by others

392

00:25:24,229 --> 00:25:21,329

who didn't didn't take this this this

393

00:25:25,760 --> 00:25:24,239

thing as seriously as you do or you know

394

00:25:29,870 --> 00:25:25,770

they promote

395

00:25:32,060 --> 00:25:29,880

the ET hypothesis with origins of you

396

00:25:35,740 --> 00:25:32,070

know that are just wacky and I think the

397

00:25:38,090 --> 00:25:35,750

actual physical you know a

398

00:25:39,710 --> 00:25:38,100

extraterrestrial spacecraft piloted and

399

00:25:41,539 --> 00:25:39,720

you that you've mentioned you know

400

00:25:43,909 --> 00:25:41,549

there's a lot of people that try and

401
00:25:46,760 --> 00:25:43,919
this is kind of a human condition norio

402
00:25:48,620 --> 00:25:46,770
like we're looking at something we don't

403
00:25:52,820 --> 00:25:48,630
understand and we're trying to put it in

404
00:25:57,019 --> 00:25:52,830
human boxes and I I really believe that

405
00:26:02,060 --> 00:25:57,029
you know these lights these you ApS

406
00:26:07,450 --> 00:26:02,070
these para physical entities they people

407
00:26:10,430 --> 00:26:07,460
tend to pollute this with humanism and

408
00:26:12,820 --> 00:26:10,440
Jacques Vallee yourself and many others

409
00:26:17,870 --> 00:26:12,830
will not that many I wish there was more

410
00:26:21,139 --> 00:26:17,880
have cut through the muck and seen a

411
00:26:25,370 --> 00:26:21,149
more clear path of where this reality

412
00:26:29,210 --> 00:26:25,380
really is it's I I think like minds are

413
00:26:31,250 --> 00:26:29,220

often drawn together much like the

414

00:26:37,760 --> 00:26:31,260

phenomena attracts the observer like you

415

00:26:41,450 --> 00:26:37,770

mentioned and it it's interesting that

416

00:26:45,950 --> 00:26:41,460

these lights in the sky these pair of

417

00:26:50,169 --> 00:26:45,960

physical dimensional entities are able

418

00:26:52,850 --> 00:26:50,179

to manipulate space-time and I think

419

00:26:53,630 --> 00:26:52,860

every when I have seen them I'm much

420

00:26:56,539 --> 00:26:53,640

like yourself

421

00:26:59,659 --> 00:26:56,549

i I I have this feeling that everything

422

00:27:03,740 --> 00:26:59,669

makes sense when I see them but like you

423

00:27:05,630 --> 00:27:03,750

said it's so short and it's not it's

424

00:27:08,840 --> 00:27:05,640

like gold through your fingers it's gone

425

00:27:12,049 --> 00:27:08,850

before you can actually pinpoint it

426
00:27:15,440 --> 00:27:12,059
anchor it and throw a human box around

427
00:27:18,279 --> 00:27:15,450
it because it's para physical it is not

428
00:27:21,500 --> 00:27:18,289
physical it may not be nuts and bolts I

429
00:27:24,430 --> 00:27:21,510
believe that there is a concerted effort

430
00:27:27,080 --> 00:27:24,440
among humanity to try to weaponize this

431
00:27:30,399 --> 00:27:27,090
reverse engineer this whatever you want

432
00:27:34,430 --> 00:27:30,409
to call it because that's what we do we

433
00:27:37,070 --> 00:27:34,440
we try to do that and the humanism is

434
00:27:39,160 --> 00:27:37,080
what's ruining the phenomenon and I

435
00:27:43,280 --> 00:27:39,170
really believe that

436
00:27:48,290 --> 00:27:43,290
these historically would have been known

437
00:27:50,930 --> 00:27:48,300
as the Watchers or the calculators they

438
00:27:54,740 --> 00:27:50,940

can manipulate space and time I think

439

00:27:58,550 --> 00:27:54,750

they're sentient celestial intelligences

440

00:28:02,420 --> 00:27:58,560

and I love your word para physical

441

00:28:05,900 --> 00:28:02,430

because that that's just so dead on it's

442

00:28:07,430 --> 00:28:05,910

just so dead on and I think that you're

443

00:28:12,920 --> 00:28:07,440

right maybe what we're seeing is just

444

00:28:15,950 --> 00:28:12,930

the trace energies left by them you know

445

00:28:18,860 --> 00:28:15,960

uh yeah thank you for you you know I

446

00:28:22,100 --> 00:28:18,870

worked about my choice of the word para

447

00:28:24,670 --> 00:28:22,110

physical because for a long time I was

448

00:28:29,420 --> 00:28:24,680

thinking of using word paranormal but I

449

00:28:33,980 --> 00:28:29,430

I told myself that you know the word

450

00:28:37,940 --> 00:28:33,990

paranormal has a very very weird

451

00:28:41,540 --> 00:28:37,950

you know really weird connotations among

452

00:28:44,200 --> 00:28:41,550

a lot of people and so that's why I

453

00:28:48,440 --> 00:28:44,210

chose the word para tentacles because

454

00:28:51,410 --> 00:28:48,450

it's what it is because we're talking

455

00:28:54,860 --> 00:28:51,420

about instant materialization and

456

00:29:02,150 --> 00:28:54,870

instant almost instant dematerialization

457

00:29:05,660 --> 00:29:02,160

and you know many times these objects

458

00:29:11,750 --> 00:29:05,670

were the predominant that appears to be

459

00:29:17,990 --> 00:29:11,760

object seem to fly away at unbelievable

460

00:29:23,720 --> 00:29:18,000

speed but to me it is just a show to

461

00:29:28,250 --> 00:29:23,730

deceive us and no way is it possible to

462

00:29:31,130 --> 00:29:28,260

produce that kind of a scenario to any

463

00:29:35,140 --> 00:29:31,140

kind of propulsion system because what

464

00:29:38,720 --> 00:29:35,150

it is absolute dematerialization and

465

00:29:45,790 --> 00:29:38,730

material nation and so this is something

466

00:29:50,570 --> 00:29:45,800

that interests me and you know right now

467

00:29:53,260 --> 00:29:50,580

many people are talking about well I'm

468

00:29:56,300 --> 00:29:53,270

glad that this whole

469

00:29:58,580 --> 00:29:56,310

nonsense about storming area 51 has

470

00:30:00,290 --> 00:29:58,590

finished already because that was one of

471

00:30:08,480 --> 00:30:00,300

the most ridiculous things that were

472

00:30:12,710 --> 00:30:08,490

hurt and you know in actuality there are

473

00:30:15,230 --> 00:30:12,720

people that take advantage of the

474

00:30:21,650 --> 00:30:15,240

gullibility will speak other people and

475

00:30:23,870 --> 00:30:21,660

you know I for example I have always

476
00:30:28,010 --> 00:30:23,880
been interested in bomb bizarre stories

477
00:30:31,010 --> 00:30:28,020
but in the end there's nothing to show

478
00:30:37,370 --> 00:30:31,020
there's nothing to show for it bubbles

479
00:30:40,700 --> 00:30:37,380
us or anybody yet you know people who

480
00:30:45,920 --> 00:30:40,710
promote the bubble of those stories keep

481
00:30:52,580 --> 00:30:45,930
promoting him and so I believe that all

482
00:30:59,500 --> 00:30:52,590
these things is relative to making Fame

483
00:31:02,230 --> 00:30:59,510
and actually profit through the use of

484
00:31:07,030 --> 00:31:02,240
unsubstantiated stories in the claims

485
00:31:11,150 --> 00:31:07,040
and so it's a dangerous thing in a way

486
00:31:13,730 --> 00:31:11,160
because look at the recent you know as I

487
00:31:18,730 --> 00:31:13,740
told you about the event called stone

488
00:31:25,160 --> 00:31:22,760

actually which was a total loss

489

00:31:29,320 --> 00:31:25,170

you know it was a total disaster in the

490

00:31:33,530 --> 00:31:29,330

sense that the Lincoln County spent

491

00:31:41,300 --> 00:31:33,540

thousands and thousands of dollars to

492

00:31:47,380 --> 00:31:41,310

prepare for that crazy event and you

493

00:31:50,480 --> 00:31:47,390

know it became of the money became the

494

00:31:54,770 --> 00:31:50,490

center of contention and there's still

495

00:31:58,580 --> 00:31:54,780

talk of Lincoln County suing the

496

00:32:03,260 --> 00:31:58,590

promoters of this storm area 51 imagine

497

00:32:04,430 --> 00:32:03,270

Roberts and so on and so this is just a

498

00:32:08,690 --> 00:32:04,440

weird

499

00:32:11,960 --> 00:32:08,700

thing but it shows that today is that it

500

00:32:15,470 --> 00:32:11,970

states especially in America there's a

501
00:32:21,740 --> 00:32:15,480
cult of the alien it's almost like a

502
00:32:25,750 --> 00:32:21,750
religion and so I call this movement the

503
00:32:29,540 --> 00:32:25,760
cult of the alien and look at all those

504
00:32:35,990 --> 00:32:29,550
crazy folks who came to Rachel Nevada

505
00:32:39,710 --> 00:32:36,000
home last month dressed up in alien

506
00:32:44,750 --> 00:32:39,720
costumes and all these things and you

507
00:32:47,030 --> 00:32:44,760
know they were expecting thousands and

508
00:32:49,610 --> 00:32:47,040
thousands or even tens of thousands of

509
00:32:52,160 --> 00:32:49,620
people but yet only about 3,000 people

510
00:32:53,030 --> 00:32:52,170
at most showed up and in for the total

511
00:32:59,120 --> 00:32:53,040
disaster

512
00:33:02,240 --> 00:32:59,130
five actually fall or even even you know

513
00:33:05,740 --> 00:33:02,250

business like little alien which lost a

514

00:33:12,590 --> 00:33:05,750

lot of money through their own fault for

515

00:33:16,310 --> 00:33:12,600

accommodating to this crazy festival or

516

00:33:21,080 --> 00:33:16,320

so Mary fits in one idea and the storm

517

00:33:24,770 --> 00:33:21,090

area51 idea came from the continuous

518

00:33:27,530 --> 00:33:24,780

beliefs that area 51 had something to do

519

00:33:30,860 --> 00:33:27,540

with aliens and that the government is

520

00:33:33,710 --> 00:33:30,870

you know keeping aliens off the jugular

521

00:33:37,310 --> 00:33:33,720

and you know this kind of a concept came

522

00:33:40,940 --> 00:33:37,320

from unsubstantiated story told by

523

00:33:46,730 --> 00:33:40,950

people like Bob Lazar and even promoted

524

00:33:53,330 --> 00:33:46,740

by what I call debonair raconteur which

525

00:33:58,970 --> 00:33:53,340

means that a dashing skill storyteller

526

00:34:01,220 --> 00:33:58,980

debonair raccoon turner is a very it's a

527

00:34:04,700 --> 00:34:01,230

good word that describes somebody who

528

00:34:08,480 --> 00:34:04,710

can tell good stories and look

529

00:34:16,460 --> 00:34:08,490

believable but you know it's just story

530

00:34:18,290 --> 00:34:16,470

and so I I kind of possibly blame the

531

00:34:22,520 --> 00:34:18,300

bob lazar story

532

00:34:24,889 --> 00:34:22,530

and it had a deep impact on some people

533

00:34:26,750 --> 00:34:24,899

that started to stone the area 51

534

00:34:30,770 --> 00:34:26,760

movement because of they were

535

00:34:32,600 --> 00:34:30,780

brainwashed about this you know that

536

00:34:33,380 --> 00:34:32,610

there are aliens that there isn't one

537

00:34:38,750 --> 00:34:33,390

and so on

538

00:34:44,510 --> 00:34:38,760

so there are people who Lucia be blamed

539

00:34:48,139 --> 00:34:44,520

for bringing up this nonsensical belief

540

00:34:50,810 --> 00:34:48,149

in aliens and the physical aliens that

541

00:34:56,480 --> 00:34:50,820

are roaming our earth right now this

542

00:34:58,970 --> 00:34:56,490

kind of stuff so to me this is all

543

00:35:01,850 --> 00:34:58,980

ridiculous but this does not mean that

544

00:35:04,580 --> 00:35:01,860

the UFO phenomenon does not exist in

545

00:35:07,070 --> 00:35:04,590

fact as I told you over and over I'm a

546

00:35:10,970 --> 00:35:07,080

firm believer in the reality of the UFO

547

00:35:13,420 --> 00:35:10,980

phenomena but you hope and Amna must not

548

00:35:16,070 --> 00:35:13,430

necessarily being associated with

549

00:35:18,430 --> 00:35:16,080

extraterrestrial visible visitation at

550

00:35:20,990 --> 00:35:18,440

all there's no proof of that

551

00:35:24,320 --> 00:35:21,000

so this is the reason why I agree

552

00:35:28,510 --> 00:35:24,330

totally with and naturally and John

553

00:35:32,830 --> 00:35:28,520

thank you and this is still unknown

554

00:35:36,170 --> 00:35:32,840

phenomena that we are perplexed with and

555

00:35:38,360 --> 00:35:36,180

probably have existed since time

556

00:35:42,050 --> 00:35:38,370

immemorial it's not just a modern thing

557

00:35:43,640 --> 00:35:42,060

from time immemorial people have been

558

00:35:47,810 --> 00:35:43,650

kings and strange things in the sky

559

00:35:50,690 --> 00:35:47,820

quite often and we still don't have any

560

00:35:53,570 --> 00:35:50,700

explanation for it and anybody that said

561

00:35:57,970 --> 00:35:53,580

that they have the answer such as will

562

00:36:02,600 --> 00:35:57,980

be visited by alien it did totally

563

00:36:06,800 --> 00:36:02,610

reality absolutely there's there's a lot

564

00:36:13,280 --> 00:36:06,810

with the area 51 event it is almost as

565

00:36:17,270 --> 00:36:13,290

convoluted and murky as the entire UFO

566

00:36:20,210 --> 00:36:17,280

culture and the science surrounding it

567

00:36:23,840 --> 00:36:20,220

because from the human perspective I

568

00:36:25,940 --> 00:36:23,850

think we have a lot of powerful forces

569

00:36:29,360 --> 00:36:25,950

whether they be human or mostly

570

00:36:32,359 --> 00:36:29,370

otherwise and it's difficult because

571

00:36:34,430 --> 00:36:32,369

this and I don't want to call it

572

00:36:36,680 --> 00:36:34,440

normal because as you said norio this

573

00:36:39,200 --> 00:36:36,690

has a horrible connotation attached to

574

00:36:41,239 --> 00:36:39,210

it I've I have attached it to the name

575

00:36:44,329 --> 00:36:41,249

of my podcast and and and my because

576

00:36:47,690 --> 00:36:44,339

it's it used to be okay and now if

577

00:36:50,049 --> 00:36:47,700

there's so many so many attachments have

578

00:36:54,380 --> 00:36:50,059

gathered around it that are negatively

579

00:36:56,180 --> 00:36:54,390

connotated much like the UFO word that

580

00:36:59,109 --> 00:36:56,190

there's a point where you just want to

581

00:37:03,650 --> 00:36:59,119

shed that skin and grab something new in

582

00:37:05,630 --> 00:37:03,660

that trek towards the truth and I

583

00:37:07,640 --> 00:37:05,640

believe you're correct about the Maddie

584

00:37:11,239 --> 00:37:07,650

Roberts phenomenon which I believe was

585

00:37:13,549 --> 00:37:11,249

used for the deflection from other world

586

00:37:16,849 --> 00:37:13,559

events at the time because what are the

587

00:37:18,709 --> 00:37:16,859

odds that somebody post this which has

588

00:37:22,370 --> 00:37:18,719

absolutely no relevant meaning at an

589

00:37:24,769 --> 00:37:22,380

awkward hour and just throws it out

590

00:37:28,069 --> 00:37:24,779

there now we all know Google and other

591

00:37:30,620 --> 00:37:28,079

search engines algorithms and things of

592

00:37:32,749 --> 00:37:30,630

the like are able to even YouTube which

593

00:37:35,450 --> 00:37:32,759

you and I are very you know connected to

594

00:37:38,359 --> 00:37:35,460

and aware of they are able to defuse

595

00:37:40,819 --> 00:37:38,369

these things as quickly as they start I

596

00:37:43,819 --> 00:37:40,829

can't help but wonder if the Maddie

597

00:37:46,430 --> 00:37:43,829

Roberts phenomenon that viral sensation

598

00:37:48,170 --> 00:37:46,440

was just nothing but a deflection from

599

00:37:50,690 --> 00:37:48,180

other world events which there were many

600

00:37:52,430 --> 00:37:50,700

at the time that we're very much more

601
00:37:54,680 --> 00:37:52,440
important and all of a sudden all of our

602
00:37:57,109 --> 00:37:54,690
mainstream media which anybody who

603
00:37:59,959 --> 00:37:57,119
watches that I feel sorry for because

604
00:38:01,069 --> 00:37:59,969
unless there's a local news channel and

605
00:38:03,019 --> 00:38:01,079
you're keeping track of what's happening

606
00:38:07,370 --> 00:38:03,029
in your community to have absolutely no

607
00:38:09,829 --> 00:38:07,380
relevance there's probably something

608
00:38:11,719 --> 00:38:09,839
else going on that we are not of the

609
00:38:12,680 --> 00:38:11,729
majority of the population I should say

610
00:38:15,410 --> 00:38:12,690
is not aware of

611
00:38:17,989 --> 00:38:15,420
I showed up that I call it the calm

612
00:38:21,200 --> 00:38:17,999
before the storm I showed up the day

613
00:38:23,359 --> 00:38:21,210

before to do an interview with Telemundo

614

00:38:26,089 --> 00:38:23,369

they needed somebody who spoke Spanish

615

00:38:28,969 --> 00:38:26,099

and I speak Spanish and I had to leave

616

00:38:31,789 --> 00:38:28,979

for other things but I didn't see the

617

00:38:34,279 --> 00:38:31,799

actual storm I got there the calm before

618

00:38:37,539 --> 00:38:34,289

the storm is when you realize that these

619

00:38:40,759 --> 00:38:37,549

are more likely pair of physical

620

00:38:42,319 --> 00:38:40,769

sentient beings if you can even call

621

00:38:45,499 --> 00:38:42,329

them beings because I even think that

622

00:38:46,640 --> 00:38:45,509

it's again I'm ruining this with my

623

00:38:50,250 --> 00:38:46,650

human

624

00:38:51,900 --> 00:38:50,260

it's it's it's very I believe you're

625

00:38:54,660 --> 00:38:51,910

correct about the Maddy Roberts

626
00:38:57,150 --> 00:38:54,670
phenomenon and although I think people

627
00:39:00,120 --> 00:38:57,160
are doing things for the right reasons

628
00:39:03,750 --> 00:39:00,130
it's a deflection from other world

629
00:39:06,090 --> 00:39:03,760
events and I wonder when when I drove

630
00:39:10,470 --> 00:39:06,100
out there the day before it all started

631
00:39:13,200 --> 00:39:10,480
I was amazed there was a traffic jam and

632
00:39:13,710 --> 00:39:13,210
it wasn't people that were going to the

633
00:39:18,000 --> 00:39:13,720
event

634
00:39:21,890 --> 00:39:18,010
I was stuck between Bearcats you know

635
00:39:25,370 --> 00:39:21,900
those big Ford SWAT vehicles ambulances

636
00:39:28,950 --> 00:39:25,380
emergency responders police vehicles I

637
00:39:31,500 --> 00:39:28,960
believe that there were more of those

638
00:39:34,650 --> 00:39:31,510

like you said than actual people that

639

00:39:37,410 --> 00:39:34,660

showed up at the event and that's

640

00:39:41,160 --> 00:39:37,420

interesting because that just goes to

641

00:39:44,130 --> 00:39:41,170

show that this area 51 this restricted

642

00:39:47,640 --> 00:39:44,140

area where deadly force is authorized

643

00:39:51,930 --> 00:39:47,650

people were showing up to that I mean I

644

00:39:53,610 --> 00:39:51,940

mean put that into perspective and I I'm

645

00:39:56,550 --> 00:39:53,620

I was thinking the same thing I'm like

646

00:39:58,890 --> 00:39:56,560

where am I going what in the world am i

647

00:40:01,770 --> 00:39:58,900

doing to speak with telemundo to you

648

00:40:06,030 --> 00:40:01,780

know kind of like give my opinion which

649

00:40:08,640 --> 00:40:06,040

was not at all at least shown in this

650

00:40:12,930 --> 00:40:08,650

country however i think it's very

651
00:40:16,340 --> 00:40:12,940
interesting to raise that consciousness

652
00:40:21,240 --> 00:40:16,350
of that people would actually consider

653
00:40:23,730 --> 00:40:21,250
jumping offense that is at the very

654
00:40:24,030 --> 00:40:23,740
heart of everything this country stands

655
00:40:28,170 --> 00:40:24,040
for

656
00:40:32,040 --> 00:40:28,180
and getting back to villekulla

657
00:40:36,720 --> 00:40:32,050
and i hate to do this but he kind of his

658
00:40:39,300 --> 00:40:36,730
his book kind of did the same thing he

659
00:40:43,470 --> 00:40:39,310
attacked this straight on and he

660
00:40:46,350 --> 00:40:43,480
attacked it much like that movement i'm

661
00:40:48,990 --> 00:40:46,360
all for having thoughts that are not

662
00:40:51,120 --> 00:40:49,000
like the mainstream but when you attack

663
00:40:54,060 --> 00:40:51,130

the very core values of something that

664

00:40:56,640 --> 00:40:54,070

you are a part of it could become very

665

00:40:59,820 --> 00:40:56,650

dangerous as it did for bill and I thank

666

00:41:03,750 --> 00:40:59,830

bill because much like you said Norio

667

00:41:07,320 --> 00:41:03,760

with his works I got so interested in

668

00:41:08,990 --> 00:41:07,330

Bill Mystery Babylon heard every hour of

669

00:41:12,510 --> 00:41:09,000

every talk that he ever said

670

00:41:15,290 --> 00:41:12,520

interestingly enough as I investigated

671

00:41:20,010 --> 00:41:15,300

much of his works everything from

672

00:41:23,430 --> 00:41:20,020

government corruption to religious and

673

00:41:26,220 --> 00:41:23,440

Illuminati groups that supposedly around

674

00:41:31,280 --> 00:41:26,230

the world as I as I investigated this I

675

00:41:36,420 --> 00:41:31,290

was actually shown that by seeking I

676
00:41:39,050 --> 00:41:36,430
found other answers now bill didn't have

677
00:41:41,220 --> 00:41:39,060
all the right answers he didn't in fact

678
00:41:43,740 --> 00:41:41,230
the ones that were most important to me

679
00:41:47,970 --> 00:41:43,750
were completely opposite day and night

680
00:41:50,120 --> 00:41:47,980
but he did kind of get up on the podium

681
00:41:54,470 --> 00:41:50,130
and point everything out he went after

682
00:41:58,560 --> 00:41:54,480
everybody he went after everybody and

683
00:42:00,390 --> 00:41:58,570
sadly we know how it all ended I wanted

684
00:42:00,780 --> 00:42:00,400
to ask you Nuria I think he was a great

685
00:42:04,260 --> 00:42:00,790
man

686
00:42:07,010 --> 00:42:04,270
I really do and did you personally know

687
00:42:10,080 --> 00:42:07,020
Bill I've talked to others that have and

688
00:42:14,420 --> 00:42:10,090

they have mixed emotions like he's a

689

00:42:15,950 --> 00:42:14,430

great guy but took it a little too far

690

00:42:20,550 --> 00:42:15,960

yes I

691

00:42:26,340 --> 00:42:20,560

in fact I helped him organize his first

692

00:42:28,890 --> 00:42:26,350

public UFO lecture appearance at

693

00:42:31,410 --> 00:42:28,900

Hollywood High School several helpers

694

00:42:35,550 --> 00:42:31,420

that organized Bill's first appearance

695

00:42:38,070 --> 00:42:35,560

and he he definitely had a charismatic

696

00:42:41,130 --> 00:42:38,080

personality and he was a powerful

697

00:42:44,580 --> 00:42:41,140

speaker and he captivated a lot of

698

00:42:49,190 --> 00:42:44,590

people and so in the beginning everybody

699

00:42:52,260 --> 00:42:49,200

thought he was just so tremendous and

700

00:42:56,100 --> 00:42:52,270

charismatic personality and everybody

701
00:43:00,810 --> 00:42:56,110
was affected but you know we told the

702
00:43:03,690 --> 00:43:00,820
analyst career he just went into another

703
00:43:09,000 --> 00:43:03,700
direction and started this one-man

704
00:43:12,090 --> 00:43:09,010
militia and I knew him and I'm a type of

705
00:43:13,790 --> 00:43:12,100
a person that except person as they are

706
00:43:17,030 --> 00:43:13,800
so I knew

707
00:43:20,080 --> 00:43:17,040
Perez you know he liked to drink and he

708
00:43:23,450 --> 00:43:20,090
get very obnoxious too many drinks and

709
00:43:27,200 --> 00:43:23,460
he starts to fight with other people

710
00:43:29,420 --> 00:43:27,210
even in dude conventions sometimes he

711
00:43:31,460 --> 00:43:29,430
got drunk and he started arguing and

712
00:43:34,520 --> 00:43:31,470
fighting actually just fighting another

713
00:43:41,180 --> 00:43:34,530

pallet of ether and so on so I knew him

714

00:43:45,560 --> 00:43:41,190

but I I accepted him as he was and but

715

00:43:52,090 --> 00:43:45,570

you know I anybody that says that bill

716

00:43:54,830 --> 00:43:52,100

Cooper had no influence or no meaning it

717

00:43:57,440 --> 00:43:54,840

definitely doesn't know what to talk

718

00:44:00,040 --> 00:43:57,450

about because there's no question that

719

00:44:05,530 --> 00:44:00,050

bill Cooper had a tremendous influence

720

00:44:08,360 --> 00:44:05,540

in thousands of people who listen to his

721

00:44:12,980 --> 00:44:08,370

speeches and listen to the shortwave

722

00:44:15,380 --> 00:44:12,990

radios and and so on he did affect a lot

723

00:44:20,780 --> 00:44:15,390

of people he had was a tremendous

724

00:44:25,190 --> 00:44:20,790

influence on people and you know there's

725

00:44:28,370 --> 00:44:25,200

nothing that everything is good that it

726

00:44:32,380 --> 00:44:28,380

was but it means that you cannot

727

00:44:36,290 --> 00:44:32,390

discount bill Cooper's role at all and

728

00:44:40,750 --> 00:44:36,300

so I talked to many people including

729

00:44:43,970 --> 00:44:40,760

people like Don Ecker who was you know

730

00:44:48,740 --> 00:44:43,980

the editor of UFO magazine in Los

731

00:44:51,620 --> 00:44:48,750

Angeles the dollmaker had a tremendous

732

00:44:55,640 --> 00:44:51,630

dislike of will Cooper and I understand

733

00:44:58,930 --> 00:44:55,650

because he can't see a person dollmaker

734

00:45:03,200 --> 00:44:58,940

couldn't see Bill Cooper as a person

735

00:45:05,350 --> 00:45:03,210

that he was and the only saw the

736

00:45:11,060 --> 00:45:05,360

obnoxious side of Bill Cooper

737

00:45:14,330 --> 00:45:11,070

so naturally Don Ecker had a bad image

738

00:45:21,530 --> 00:45:14,340

of Bill Cooper and you know tammini

739

00:45:23,840 --> 00:45:21,540

about Cooper he really wasn't a bad

740

00:45:25,730 --> 00:45:23,850

person he tried to be good no question

741

00:45:28,790 --> 00:45:25,740

but he tried to be a good person

742

00:45:31,100 --> 00:45:28,800

try to be kind but many times the

743

00:45:35,600 --> 00:45:31,110

certain people certain people cannot

744

00:45:37,820 --> 00:45:35,610

accept criticism and so certain people

745

00:45:41,109 --> 00:45:37,830

have the short temper such as will

746

00:45:46,340 --> 00:45:41,119

cooker but we have to look beyond his

747

00:45:50,540 --> 00:45:46,350

beyond the pot and accept him and who he

748

00:45:55,100 --> 00:45:50,550

was and so that's my position and you

749

00:45:59,720 --> 00:45:55,110

know as far as William Cooper now the

750

00:46:03,620 --> 00:45:59,730

other person that I have a problem with

751
00:46:06,250 --> 00:46:03,630
and he this person still lives here name

752
00:46:12,350 --> 00:46:06,260
is Richard C Dodi

753
00:46:14,060 --> 00:46:12,360
who who used to work as a wife personnel

754
00:46:18,130 --> 00:46:14,070
in Kirtland Air Force Base in

755
00:46:21,770 --> 00:46:18,140
Albuquerque you know for many years but

756
00:46:23,990 --> 00:46:21,780
it's my contention that that's the kind

757
00:46:29,440 --> 00:46:24,000
of person that more dangerous because

758
00:46:38,359 --> 00:46:33,560
talking about nonsense items and he

759
00:46:41,510 --> 00:46:38,369
claims he was part of the government

760
00:46:47,120 --> 00:46:41,520
this information program but I have very

761
00:46:49,460 --> 00:46:47,130
doubtful that that he was working under

762
00:46:53,240 --> 00:46:49,470
the direction of a government but

763
00:46:56,060 --> 00:46:53,250

whether he was working for himself in

764

00:46:56,630 --> 00:46:56,070

private even though he looked at Condon

765

00:47:01,700 --> 00:46:56,640

aerospace

766

00:47:04,430 --> 00:47:01,710

I believe he he had a plan to brainwash

767

00:47:07,810 --> 00:47:04,440

people and he brainwashed people like

768

00:47:11,210 --> 00:47:07,820

Paul bennewitz of Albuquerque in

769

00:47:13,700 --> 00:47:11,220

believing that they're the secret base

770

00:47:20,540 --> 00:47:13,710

in northern New Mexico and so on you

771

00:47:25,340 --> 00:47:20,550

know and this same Richard Doty even

772

00:47:28,940 --> 00:47:25,350

went to the stove area 51 revenge and

773

00:47:32,030 --> 00:47:28,950

then he was interviewed by Travel

774

00:47:36,170 --> 00:47:32,040

Channel program in the middle of the

775

00:47:37,460 --> 00:47:36,180

desert and I watched that what our

776

00:47:40,270 --> 00:47:37,470

travel

777

00:47:44,170 --> 00:47:40,280

program called storming area 51 it was

778

00:47:49,640 --> 00:47:44,180

broadcasted a couple of weeks ago but I

779

00:47:53,570 --> 00:47:49,650

was surprised that here comes the good

780

00:47:54,410 --> 00:47:53,580

old Richard Doty uttering the same

781

00:47:56,780 --> 00:47:54,420

nonsense

782

00:48:00,950 --> 00:47:56,790

this time he's saying that he was a very

783

00:48:03,500 --> 00:48:00,960

important official at area 51 so on and

784

00:48:07,460 --> 00:48:03,510

so this is the type of people that are

785

00:48:14,660 --> 00:48:07,470

very dangerous that can brainwash people

786

00:48:18,710 --> 00:48:14,670

and it's unfortunate that that this kind

787

00:48:24,970 --> 00:48:18,720

of people still goes around the nation

788

00:48:31,270 --> 00:48:24,980

and becomes the you know limelight of

789

00:48:39,250 --> 00:48:31,280

speakers and so on and so I believe that

790

00:48:47,120 --> 00:48:43,670

and the dangerous thing about people

791

00:48:48,970 --> 00:48:47,130

like Richard Doty is that he is very

792

00:48:55,070 --> 00:48:48,980

good in brainwashing people and

793

00:48:57,829 --> 00:48:55,080

brainwashing even gullible people such

794

00:49:00,560 --> 00:48:57,839

as Linda Howe who live in Albuquerque

795

00:49:03,560 --> 00:49:00,570

you know Linda Howell is a crazy old

796

00:49:09,190 --> 00:49:03,570

lady that has been brainwashed by people

797

00:49:17,079 --> 00:49:09,200

like the Richard C Doty and you know so

798

00:49:21,579 --> 00:49:17,089

people are in this field of ethology can

799

00:49:24,980 --> 00:49:21,589

escape from the bad habit of associating

800

00:49:28,220 --> 00:49:24,990

everything with a for example Linda Howe

801
00:49:31,990 --> 00:49:28,230
associate every single cattle

802
00:49:35,210 --> 00:49:32,000
mutilations - alien and once you do that

803
00:49:38,750 --> 00:49:35,220
you have to continue doing what you

804
00:49:41,780 --> 00:49:38,760
start telling us exaggerated world lies

805
00:49:43,970 --> 00:49:41,790
okay you have to keep all that faint

806
00:49:50,820 --> 00:49:43,980
line and this is the reason why people

807
00:49:54,510 --> 00:49:50,830
like George Knapp who actually made a

808
00:49:57,090 --> 00:49:54,520
during career out of composing bob was

809
00:50:01,170 --> 00:49:57,100
on a story he was only one of the few

810
00:50:04,140 --> 00:50:01,180
people that continuously helped them

811
00:50:07,230 --> 00:50:04,150
about the dollar story and once you do

812
00:50:09,930 --> 00:50:07,240
that you can't escape no matter how many

813
00:50:12,960 --> 00:50:09,940

is packed on you're not associated with

814

00:50:17,130 --> 00:50:12,970

that thing so he has to keep doing it

815

00:50:21,770 --> 00:50:17,140

this is the reason why recently just a

816

00:50:24,360 --> 00:50:21,780

few days ago I got the information that

817

00:50:28,800 --> 00:50:24,370

there's a new book coming out on October

818

00:50:30,140 --> 00:50:28,810

15 called dreamland an autobiography by

819

00:50:33,780 --> 00:50:30,150

Bob Lazar

820

00:50:36,810 --> 00:50:33,790

that's gonna be on sale and you know

821

00:50:41,010 --> 00:50:36,820

guess who is the writer of the forward

822

00:50:44,220 --> 00:50:41,020

to this book George Mack and because

823

00:50:46,670 --> 00:50:44,230

like I said what you are associated with

824

00:50:50,910 --> 00:50:46,680

something it's very difficult to

825

00:50:53,220 --> 00:50:50,920

distance one person from the other

826
00:50:56,970 --> 00:50:53,230
person that we have association with and

827
00:51:00,990 --> 00:50:56,980
so this is a very unfortunate thing and

828
00:51:05,010 --> 00:51:01,000
you know as I said don't that is a maybe

829
00:51:08,310 --> 00:51:05,020
a good news caster but once he got

830
00:51:13,080 --> 00:51:08,320
associated the bubbles or he had to keep

831
00:51:17,220 --> 00:51:13,090
repeating the same thing and even today

832
00:51:22,320 --> 00:51:17,230
he has to be a spokesman and a handler

833
00:51:24,990 --> 00:51:22,330
of Bob Lazar the extraterrestrial

834
00:51:27,410 --> 00:51:25,000
payload which are called entails it

835
00:51:30,630 --> 00:51:27,420
sounded you know his story may be

836
00:51:34,220 --> 00:51:30,640
interesting but bottom line is Suki's

837
00:51:37,470 --> 00:51:34,230
that gets is that so unsubstantiated and

838
00:51:40,590 --> 00:51:37,480

it's just like a story story telling

839

00:51:42,840 --> 00:51:40,600

just like but guy by the name of bill

840

00:51:46,800 --> 00:51:42,850

Schneider he was a good storyteller so

841

00:51:50,190 --> 00:51:46,810

in this world of apology there are many

842

00:51:54,030 --> 00:51:50,200

many good storytellers or what I call

843

00:51:57,630 --> 00:51:54,040

rap concurs that people who are skilled

844

00:52:00,180 --> 00:51:57,640

in telling his dog tell me stories you

845

00:52:04,200 --> 00:52:00,190

know and you know this is a weird field

846

00:52:07,680 --> 00:52:04,210

of ethology we have to face this

847

00:52:11,220 --> 00:52:07,690

day because there are so many gullible

848

00:52:13,589 --> 00:52:11,230

folks who watch programs like ancient

849

00:52:17,720 --> 00:52:13,599

aliens on TV and just believe me

850

00:52:22,740 --> 00:52:17,730

everything that is being told in that

851
00:52:25,290 --> 00:52:22,750
nonsensical program you know and this is

852
00:52:29,370 --> 00:52:25,300
a very dangerous thing in a way that

853
00:52:32,310 --> 00:52:29,380
belief systems can eventually even

854
00:52:35,609 --> 00:52:32,320
affect society and if it's a belief

855
00:52:39,930 --> 00:52:35,619
system that is unbalanced there is a

856
00:52:42,870 --> 00:52:39,940
danger of such a belief system held by a

857
00:52:46,380 --> 00:52:42,880
lot of people that can actually change

858
00:52:50,700 --> 00:52:46,390
the social structure so that's why I

859
00:52:53,220 --> 00:52:50,710
happen by me this is a weird field of

860
00:52:56,040 --> 00:52:53,230
ufology you can make enemies without

861
00:52:59,010 --> 00:52:56,050
even wanting to I've had people call me

862
00:53:00,810 --> 00:52:59,020
angry because I have an unfriend at

863
00:53:05,240 --> 00:53:00,820

others based on their beliefs or

864

00:53:08,670 --> 00:53:05,250

opinions and then they unfriended me

865

00:53:11,940 --> 00:53:08,680

quite literally for being open to all

866

00:53:15,030 --> 00:53:11,950

sides as you know I consider jackal a

867

00:53:18,390 --> 00:53:15,040

yourself George Knapp and Jeremy Korbel

868

00:53:20,370 --> 00:53:18,400

friends I try to be open to all sides

869

00:53:23,250 --> 00:53:20,380

but I do appreciate opinions without

870

00:53:25,500 --> 00:53:23,260

judgment I think that's important it's

871

00:53:27,329 --> 00:53:25,510

difficult because we are two humans

872

00:53:31,589 --> 00:53:27,339

having a conversation about something

873

00:53:36,930 --> 00:53:31,599

that's in my opinion not human or at

874

00:53:39,690 --> 00:53:36,940

least not physically human and I think I

875

00:53:41,670 --> 00:53:39,700

think it's it's very interesting that

876
00:53:44,099 --> 00:53:41,680
you bring up many of the things that you

877
00:53:46,440 --> 00:53:44,109
brought up because I think a lot of

878
00:53:47,910 --> 00:53:46,450
times were connected by by whatever

879
00:53:49,500 --> 00:53:47,920
reason I don't think anything happens

880
00:53:51,570 --> 00:53:49,510
you hear it all the time it's super

881
00:53:56,550 --> 00:53:51,580
overplayed but nothing happens by

882
00:54:01,170 --> 00:53:56,560
coincidence and it's it's interesting

883
00:54:03,390 --> 00:54:01,180
that you know Bill Cooper people like

884
00:54:06,720 --> 00:54:03,400
Bill Cooper and people like Phil

885
00:54:09,450 --> 00:54:06,730
Schneider there's there's a manipulation

886
00:54:12,300 --> 00:54:09,460
at hand here both both human and

887
00:54:14,550 --> 00:54:12,310
non-human possibly and I think Bill

888
00:54:17,470 --> 00:54:14,560

Cooper's actually the reason I have the

889

00:54:19,810 --> 00:54:17,480

beliefs I do from a spiritual and almost

890

00:54:22,990 --> 00:54:19,820

religious standpoint but not for the

891

00:54:24,250 --> 00:54:23,000

reasons he said so I like literally

892

00:54:27,310 --> 00:54:24,260

thank him for that

893

00:54:29,410 --> 00:54:27,320

he was also absolutely right about many

894

00:54:31,390 --> 00:54:29,420

of the general beliefs in secret

895

00:54:35,740 --> 00:54:31,400

societies much of what isn't

896

00:54:38,530 --> 00:54:35,750

disinformation that is what is or isn't

897

00:54:41,680 --> 00:54:38,540

real and I think people in high

898

00:54:44,260 --> 00:54:41,690

positions of power aren't there by

899

00:54:48,940 --> 00:54:44,270

accident they are quite literally forces

900

00:54:50,410 --> 00:54:48,950

of nature much like the you AP's or this

901
00:54:52,930 --> 00:54:50,420
you know that lights in the sky that

902
00:54:58,720 --> 00:54:52,940
we're seeing we're seeing something that

903
00:55:02,830 --> 00:54:58,730
is power or energy and the after-effects

904
00:55:06,160 --> 00:55:02,840
do you could be more powerful than we

905
00:55:09,010 --> 00:55:06,170
know when it comes to OSI I'm not gonna

906
00:55:15,040 --> 00:55:09,020
touch that as you said he was utilized

907
00:55:17,340 --> 00:55:15,050
and it reminds me of the words that I

908
00:55:20,950 --> 00:55:17,350
got from a source of mine of a scientist

909
00:55:24,130 --> 00:55:20,960
at the heart of shapeshifter territory

910
00:55:26,380 --> 00:55:24,140
in Utah and he said every time you look

911
00:55:28,630 --> 00:55:26,390
behind the veil or see something you

912
00:55:32,950 --> 00:55:28,640
shouldn't you give something of yourself

913
00:55:35,109 --> 00:55:32,960

and I think the important thing from a

914

00:55:36,970 --> 00:55:35,119

human standpoint it's really hard for us

915

00:55:40,510 --> 00:55:36,980

humans we have this thing called an ego

916

00:55:43,109 --> 00:55:40,520

which just it's trying to kill us and if

917

00:55:47,050 --> 00:55:43,119

we can stay away from these narratives

918

00:55:51,670 --> 00:55:47,060

isn't that humanism or a lot of what can

919

00:55:52,840 --> 00:55:51,680

be said about oh I think it's really

920

00:55:54,820 --> 00:55:52,850

interesting you mentioned the Dreamland

921

00:55:56,800 --> 00:55:54,830

book coming out October 15th with George

922

00:55:59,830 --> 00:55:56,810

Knapp because a lot can be said by those

923

00:56:02,710 --> 00:55:59,840

who write the forwards of books etc as

924

00:56:07,349 --> 00:56:02,720

human beings we are observers of

925

00:56:10,510 --> 00:56:07,359

something much larger than ourselves and

926

00:56:14,590 --> 00:56:10,520

this is the reason throughout humanity

927

00:56:17,530 --> 00:56:14,600

wars have been fought and I'm glad you

928

00:56:19,930 --> 00:56:17,540

brought up Hollywood the that the

929

00:56:24,010 --> 00:56:19,940

changing social structures and the media

930

00:56:26,830 --> 00:56:24,020

they are able to sway and you know

931

00:56:29,109 --> 00:56:26,840

there's all sides of media but they are

932

00:56:30,540 --> 00:56:29,119

able to sway these things and sometimes

933

00:56:33,030 --> 00:56:30,550

I wonder you know everything

934

00:56:35,940 --> 00:56:33,040

is not everything is not always as it

935

00:56:38,780 --> 00:56:35,950

seems and I think that much of the

936

00:56:43,590 --> 00:56:38,790

phenomena that we are witnessing may be

937

00:56:46,320 --> 00:56:43,600

much greater much greater then we are

938

00:56:47,520 --> 00:56:46,330

giving it credit for you know people see

939

00:56:49,740 --> 00:56:47,530

a light in the sky and what do they

940

00:56:52,470 --> 00:56:49,750

think they think little green men there

941

00:56:53,060 --> 00:56:52,480

in a little metal saucer and that's what

942

00:57:00,230 --> 00:56:53,070

it is

943

00:57:03,120 --> 00:57:00,240

well I'm not so sure about that and I

944

00:57:05,400 --> 00:57:03,130

want to kind of enter I know that we're

945

00:57:10,220 --> 00:57:05,410

getting really really short on time but

946

00:57:14,190 --> 00:57:10,230

from the fruits of your own labor norio

947

00:57:17,070 --> 00:57:14,200

and and this is this is very difficult

948

00:57:18,060 --> 00:57:17,080

to ask but do you think people like Phil

949

00:57:20,940 --> 00:57:18,070

Schneider do you think this

950

00:57:21,480 --> 00:57:20,950

disinformation in the government has an

951
00:57:24,030 --> 00:57:21,490

agenda

952
00:57:34,020 --> 00:57:24,040

or is this just disinformation to keep

953
00:57:36,780 --> 00:57:34,030

us away from truth well source of all my

954
00:57:40,590 --> 00:57:36,790

belief is that we give too much credit

955
00:57:43,740 --> 00:57:40,600

to the government because I believe that

956
00:57:48,000 --> 00:57:43,750

the government is incapable of keeping

957
00:57:50,390 --> 00:57:48,010

secrets for too long and we give too

958
00:57:55,460 --> 00:57:50,400

much credit to the government and so

959
00:57:59,060 --> 00:57:55,470

again I John Colonel John Alexander I

960
00:58:02,100 --> 00:57:59,070

believe that there has not been in any

961
00:58:03,720 --> 00:58:02,110

intentional cover-up of the UFO

962
00:58:06,540 --> 00:58:03,730

phenomenon by the government because

963
00:58:10,530 --> 00:58:06,550

first of all the government itself is

964

00:58:13,380 --> 00:58:10,540

being perplexed by this unsolved

965

00:58:17,610 --> 00:58:13,390

phenomena so anything that the

966

00:58:24,200 --> 00:58:17,620

government cannot explain is not gonna

967

00:58:26,690 --> 00:58:24,210

be discussed by the government that will

968

00:58:28,950 --> 00:58:26,700

seem to appear that the government is

969

00:58:32,790 --> 00:58:28,960

incapable and the government certainly

970

00:58:37,260 --> 00:58:32,800

don't want to give publicly impression

971

00:58:39,700 --> 00:58:37,270

of being incapable of anything so to me

972

00:58:42,610 --> 00:58:39,710

there's no intentional

973

00:58:47,500 --> 00:58:42,620

it's just a little one talk about it

974

00:58:51,130 --> 00:58:47,510

unless something is definitely food so

975

00:58:54,520 --> 00:58:51,140

that's my position but you know in a

976
00:58:57,670 --> 00:58:54,530
defense industries in the United States

977
00:59:03,040 --> 00:58:57,680
there are many companies that use cover

978
00:59:08,410 --> 00:59:03,050
stories to confuse people and the

979
00:59:12,550 --> 00:59:08,420
so-called UFO thing is a good cover

980
00:59:14,860 --> 00:59:12,560
story to conceal important matters or

981
00:59:18,340 --> 00:59:14,870
important technological developments

982
00:59:25,420 --> 00:59:18,350
that government or the military has come

983
00:59:28,210 --> 00:59:25,430
up with so in doing so in creating cover

984
00:59:32,580 --> 00:59:28,220
stories the government couldn't could

985
00:59:38,110 --> 00:59:32,590
intentionally so throw in some

986
00:59:42,730 --> 00:59:38,120
ridiculous items to confuse people they

987
00:59:51,130 --> 00:59:42,740
could manipulate eccentric people's

988
00:59:54,730 --> 00:59:51,140

belief in some kind of you know thing

989

00:59:56,800 --> 00:59:54,740

that they could flow into the public to

990

01:00:00,670 --> 00:59:56,810

confuse people and so this is what the

991

01:00:04,080 --> 01:00:00,680

whole thing is it you know there are

992

01:00:08,230 --> 01:00:04,090

some people that are unwittingly being

993

01:00:10,810 --> 01:00:08,240

manipulated by the government without

994

01:00:14,440 --> 01:00:10,820

even them knowing that they are being

995

01:00:18,580 --> 01:00:14,450

manipulated so you know that's important

996

01:00:22,480 --> 01:00:18,590

to to understand this because we are

997

01:00:24,670 --> 01:00:22,490

faced with the unknown if we have always

998

01:00:30,370 --> 01:00:24,680

been faced with the unknown and that

999

01:00:32,910 --> 01:00:30,380

this mystery will never be solved by

1000

01:00:36,310 --> 01:00:32,920

human hands and that's my ultimate

1001

01:00:41,710 --> 01:00:36,320

position this is my ultimate position

1002

01:00:44,320 --> 01:00:41,720

and like I said the reality of the UFO

1003

01:00:47,770 --> 01:00:44,330

phenomena was in you unidentified aerial

1004

01:00:51,640 --> 01:00:47,780

phenomena is real to me it's real just

1005

01:00:53,430 --> 01:00:51,650

like doctors everything it's real but to

1006

01:00:59,170 --> 01:00:53,440

go beyond there

1007

01:01:02,229 --> 01:00:59,180

is just not advisable because we just

1008

01:01:05,890 --> 01:01:02,239

don't have that much reliable

1009

01:01:08,829 --> 01:01:05,900

information and substance to make up any

1010

01:01:11,489 --> 01:01:08,839

conclusion about this strange mountain

1011

01:01:16,799 --> 01:01:11,499

and so this will remain this way

1012

01:01:21,509 --> 01:01:16,809

whoever until such day when those

1013

01:01:28,870 --> 01:01:25,239

declare to us physically that they are

1014

01:01:32,079 --> 01:01:28,880

here after so until that time comes

1015

01:01:36,329 --> 01:01:32,089

which may never come we just have to

1016

01:01:39,690 --> 01:01:36,339

stay away from any kind of they do

1017

01:01:42,729 --> 01:01:39,700

speculation about this phenomena

1018

01:01:45,400 --> 01:01:42,739

absolutely norio and I can't appreciate

1019

01:01:48,660 --> 01:01:45,410

you enough living where you were at this

1020

01:01:54,370 --> 01:01:48,670

I think the New Mexico landscape is

1021

01:01:56,650 --> 01:01:54,380

possibly if not the fulcrum of a lot of

1022

01:01:57,789 --> 01:01:56,660

this and I couldn't agree more with you

1023

01:02:00,819 --> 01:01:57,799

with what you said about John Alexander

1024

01:02:02,410 --> 01:02:00,829

I I met a guy at the highest levels of

1025

01:02:05,529 --> 01:02:02,420

national security and I don't think

1026

01:02:08,049 --> 01:02:05,539

there are any other countries to worry

1027

01:02:10,449 --> 01:02:08,059

about except maybe ourselves and Russia

1028

01:02:15,069 --> 01:02:10,459

but it's not for the reasons that we are

1029

01:02:16,959 --> 01:02:15,079

told and New Mexico I have a close

1030

01:02:18,939 --> 01:02:16,969

friend her name is Stephanie Gro she she

1031

01:02:21,339 --> 01:02:18,949

has family in New Mexico and the things

1032

01:02:22,180 --> 01:02:21,349

she's told me and the beauty that is

1033

01:02:24,759 --> 01:02:22,190

there

1034

01:02:27,430 --> 01:02:24,769

you're just so blessed to live right in

1035

01:02:29,319 --> 01:02:27,440

the heart of this mystery and I think it

1036

01:02:32,680 --> 01:02:29,329

won't be solved by human hands as you

1037

01:02:34,239 --> 01:02:32,690

said norio and human hands have tried

1038

01:02:36,160 --> 01:02:34,249

and failed throughout all time and I

1039

01:02:38,589 --> 01:02:36,170

think this is like you said this is the

1040

01:02:41,439 --> 01:02:38,599

reason humans have actually had wars and

1041

01:02:43,479 --> 01:02:41,449

just you know all kind many many

1042

01:02:47,949 --> 01:02:43,489

probably millions of people have died

1043

01:02:51,880 --> 01:02:47,959

over people taking different opinions of

1044

01:02:55,779 --> 01:02:51,890

something that the Egyptians many have

1045

01:02:59,170 --> 01:02:55,789

tried to encapsulate this in a human

1046

01:03:01,209 --> 01:02:59,180

scenario and put it in boxes and what I

1047

01:03:04,199 --> 01:03:01,219

like about you know yo is that you don't

1048

01:03:05,309 --> 01:03:04,209

do that I think that your knowledge of

1049

01:03:11,819 --> 01:03:05,319

the

1050

01:03:15,630 --> 01:03:11,829

you said para physical that that word is

1051

01:03:17,849 --> 01:03:15,640

so monumental in my opinion there are

1052

01:03:20,789 --> 01:03:17,859

certain individuals who have a knowledge

1053

01:03:23,880 --> 01:03:20,799

of this a flame if you will that cannot

1054

01:03:25,380 --> 01:03:23,890

be put out and you are one of those

1055

01:03:26,910 --> 01:03:25,390

flames that I constantly follow I

1056

01:03:29,549 --> 01:03:26,920

appreciate everything you've given to

1057

01:03:32,759 --> 01:03:29,559

the community your honesty is so

1058

01:03:34,799 --> 01:03:32,769

refreshing it is amazing and I just want

1059

01:03:36,329 --> 01:03:34,809

to thank you for all your time and the

1060

01:03:36,839 --> 01:03:36,339

time that you've taken today talking

1061

01:03:39,839 --> 01:03:36,849

with me

1062

01:03:41,640 --> 01:03:39,849

thank you Nuria thank you so much and

1063

01:03:46,680 --> 01:03:41,650

we'll talk again sometime in the future

1064

01:03:50,519 --> 01:03:46,690

yes sir absolutely be blessed holy moly

1065

01:03:53,789 --> 01:03:50,529

guacamole or in New Mexico that's the

1066

01:03:55,829 --> 01:03:53,799

spicy red peppers and that's that's what

1067

01:03:58,319 --> 01:03:55,839

I like about norio how can you not

1068

01:04:00,900 --> 01:03:58,329

appreciate someone who was so candid

1069

01:04:02,699 --> 01:04:00,910

with their opinion yet explains that he

1070

01:04:04,769 --> 01:04:02,709

is just a human being and he's

1071

01:04:07,499 --> 01:04:04,779

open-minded enough to accept others

1072

01:04:11,219 --> 01:04:07,509

regardless of their opinions based on

1073

01:04:14,039 --> 01:04:11,229

their humanity as well I try to remain

1074

01:04:16,199 --> 01:04:14,049

friends with a lot of people but won't

1075

01:04:19,910 --> 01:04:16,209

change my friendships based on what

1076

01:04:23,160 --> 01:04:19,920

others and their whims tell me to do

1077

01:04:25,499 --> 01:04:23,170

it's difficult as norio said to have

1078

01:04:28,249 --> 01:04:25,509

friends you can trust in this field I

1079

01:04:33,930 --> 01:04:28,259

have a lot of friends in this field and

1080

01:04:36,329 --> 01:04:33,940

maybe only one or two I can't trust but

1081

01:04:39,479 --> 01:04:36,339

we're still friends or at least I hope

1082

01:04:41,759 --> 01:04:39,489

we are the ones you can't trust are

1083

01:04:44,430 --> 01:04:41,769

usually the ones who have burned bridges

1084

01:04:48,239 --> 01:04:44,440

time after time asking for contacts

1085

01:04:50,160 --> 01:04:48,249

asking for whatever the case may be the

1086

01:04:52,979 --> 01:04:50,170

ones that take your material would ever

1087

01:04:56,219 --> 01:04:52,989

return those who try mudslinging in your

1088

01:04:58,589 --> 01:04:56,229

direction usually for intangible useless

1089

01:05:01,859 --> 01:04:58,599

glory like those policy offered by famed

1090

01:05:03,859 --> 01:05:01,869

TV shows and the like some of my quote

1091

01:05:06,629 --> 01:05:03,869

unquote

1092

01:05:10,709 --> 01:05:06,639

actually one is a guy and one is a girl

1093

01:05:13,889 --> 01:05:10,719

so this ego knows no gender they have

1094

01:05:17,639 --> 01:05:13,899

become like empty husks of humans who

1095

01:05:19,199 --> 01:05:17,649

are only after fame and recognition this

1096

01:05:21,509 --> 01:05:19,209

is well known in the field so I don't

1097

01:05:22,889 --> 01:05:21,519

even have to name them it's common

1098

01:05:25,769 --> 01:05:22,899

knowledge in certain circles and I

1099

01:05:27,269 --> 01:05:25,779

wouldn't name them even if I could I try

1100

01:05:30,449 --> 01:05:27,279

to refrain from that type of behavior

1101

01:05:34,829 --> 01:05:30,459

and I try to remain friends with these

1102

01:05:37,289 --> 01:05:34,839

people but won't change and sadly they

1103

01:05:39,479 --> 01:05:37,299

are their own worst enemies so no one

1104

01:05:41,969 --> 01:05:39,489

really has to attack them and they will

1105

01:05:45,089 --> 01:05:41,979

most likely destroy whatever they come

1106

01:05:47,189 --> 01:05:45,099

into contact with they will destroy what

1107

01:05:51,479 --> 01:05:47,199

they consider their careers with their

1108

01:05:53,579 --> 01:05:51,489

own knowledge and lack thereof it's hard

1109

01:05:56,759 --> 01:05:53,589

not to feel sorry for people like this

1110

01:05:58,529 --> 01:05:56,769

and well for those who accept them and

1111

01:06:01,769 --> 01:05:58,539

include them in their productions

1112

01:06:04,589 --> 01:06:01,779

promotions they are also deal with it I

1113

01:06:07,829 --> 01:06:04,599

must I don't have a dog in the fight so

1114

01:06:10,349 --> 01:06:07,839

it's not my place I guess I see the

1115

01:06:12,919 --> 01:06:10,359

human side of them which however

1116

01:06:15,839 --> 01:06:12,929

dwindling still exists on some level

1117

01:06:18,509 --> 01:06:15,849

much like norio explained we're all

1118

01:06:21,179 --> 01:06:18,519

humans we are trying to describe

1119

01:06:25,379 --> 01:06:21,189

something which to our best ability does

1120

01:06:29,849 --> 01:06:25,389

not appear human and I absolutely love

1121

01:06:32,749 --> 01:06:29,859

his description that they are pair of

1122

01:06:35,239 --> 01:06:32,759

physical can't get enough of that

1123

01:06:37,919 --> 01:06:35,249

quality individuals in the field

1124

01:06:40,079 --> 01:06:37,929

regardless of their pasts or backgrounds

1125

01:06:43,079 --> 01:06:40,089

are those who have more to offer than

1126

01:06:45,539 --> 01:06:43,089

they tank those who burn bridges at

1127

01:06:47,609 --> 01:06:45,549

every turn eventually end up on islands

1128

01:06:52,169 --> 01:06:47,619

of their own with nowhere to go except

1129

01:06:54,559 --> 01:06:52,179

their own egos haunting them whether

1130

01:07:00,199 --> 01:06:54,569

that be through entity attachment

1131

01:07:03,350 --> 01:07:00,209

madness feverish need for attention and

1132

01:07:06,170 --> 01:07:03,360

that recognition that they

1133

01:07:08,660 --> 01:07:06,180

well they know they don't deserve even

1134

01:07:12,040 --> 01:07:08,670

if they did deserve it recognition is

1135

01:07:17,000 --> 01:07:12,050

not up to us this is true

1136

01:07:20,210 --> 01:07:17,010

spiritualization and anyone who is after

1137

01:07:22,520 --> 01:07:20,220

that or continually trying to read

1138

01:07:26,480 --> 01:07:22,530

ascribe themselves as the next hot thing

1139

01:07:29,150 --> 01:07:26,490

or the messiah of the UFO world or you

1140

01:07:34,070 --> 01:07:29,160

get the idea you know the people these

1141

01:07:36,890 --> 01:07:34,080

are the ones who are sadly not going to

1142

01:07:39,080 --> 01:07:36,900

achieve the best achievement we can do

1143

01:07:42,260 --> 01:07:39,090

is giving to our fellow humans the

1144

01:07:45,110 --> 01:07:42,270

knowledge that we so freely gain from

1145

01:07:48,910 --> 01:07:45,120

these amazing celestial terror of

1146

01:07:52,370 --> 01:07:48,920

physical thanks for that Nuria and

1147

01:07:56,510 --> 01:07:52,380

otherwise spectacular entities that fly

1148

01:08:00,260 --> 01:07:56,520

our friendly skies and bestow upon our

1149

01:08:03,770 --> 01:08:00,270

eyes the glorious and divine celestial

1150

01:08:06,410 --> 01:08:03,780

aspects of this reality which we can't

1151

01:08:09,140 --> 01:08:06,420

find in a regular existence those who

1152

01:08:13,370 --> 01:08:09,150

are in this field their lives are truly

1153

01:08:15,800 --> 01:08:13,380

augmented by these amazing things taking

1154

01:08:18,230 --> 01:08:15,810

place right above us and it's

1155

01:08:20,180 --> 01:08:18,240

understandable how for all time in

1156

01:08:23,750 --> 01:08:20,190

history people have looked to the skies

1157

01:08:26,180 --> 01:08:23,760

pointed in awe and asked larger

1158

01:08:29,599 --> 01:08:26,190

questions larger questions than

1159

01:08:31,790 --> 01:08:29,609

themselves and that's the hard part

1160

01:08:35,000 --> 01:08:31,800

isn't it getting getting over yourself

1161

01:08:37,750 --> 01:08:35,010

so I'm wishing that everybody have the

1162

01:08:40,490 --> 01:08:37,760

best of luck doing that including myself

1163

01:08:42,890 --> 01:08:40,500

now that I'm trying to do that I will

1164

01:08:45,020 --> 01:08:42,900

try to self glorify myself at least to

1165

01:08:48,440 --> 01:08:45,030

some small extent to pay the bills that

1166

01:08:50,349 --> 01:08:48,450

are and that reality we can't escape if

1167

01:08:53,900 --> 01:08:50,359

you haven't been to hear a paranormal

1168

01:08:56,630 --> 01:08:53,910

dot-com check it out those who podcasts

1169

01:08:58,700 --> 01:08:56,640

themselves you know it's not easy takes

1170

01:09:00,260 --> 01:08:58,710

time it takes money takes you away from

1171

01:09:03,500 --> 01:09:00,270

your family and a lot of things that

1172

01:09:05,300 --> 01:09:03,510

matter but it also allows you to be a

1173

01:09:07,730 --> 01:09:05,310

part of something and give something to

1174

01:09:10,809 --> 01:09:07,740

the community that they would not have

1175

01:09:13,690 --> 01:09:10,819

unless you're doing it so I love this

1176

01:09:16,440 --> 01:09:13,700

idea I need to thank people like Greg

1177

01:09:18,670 --> 01:09:16,450

Carl wood of the higher side chance

1178

01:09:21,280 --> 01:09:18,680

wasn't for him I wouldn't be doing this

1179

01:09:24,789 --> 01:09:21,290

at all I would like to thank people like

1180

01:09:27,390 --> 01:09:24,799

Joe Rogan interestingly enough Rogan

1181

01:09:31,210 --> 01:09:27,400

gets heat sometimes for not liking

1182

01:09:33,870 --> 01:09:31,220

Mencia and that's another comedian who

1183

01:09:39,039 --> 01:09:33,880

does nothing but steal other people's

1184

01:09:41,349 --> 01:09:39,049

material and he's full of well crap I

1185

01:09:41,710 --> 01:09:41,359

guess you could say Rogan's got a pretty

1186

01:09:45,150 --> 01:09:41,720

good

1187

01:09:48,099 --> 01:09:45,160

yes meter don't hold that against him I

1188

01:09:50,920 --> 01:09:48,109

don't blame him Peck we're all just

1189

01:09:52,570 --> 01:09:50,930

human right so for those people that

1190

01:09:55,120 --> 01:09:52,580

steal your material and they're full of

1191

01:09:57,340 --> 01:09:55,130

crap here's a little hint quick giving

1192

01:09:58,090 --> 01:09:57,350

them material and start giving them a

1193

01:10:01,030 --> 01:09:58,100

little crap

1194

01:10:04,330 --> 01:10:01,040

they might just back off on that no I

1195

01:10:06,570 --> 01:10:04,340

would like to commend norio for taking

1196

01:10:08,950 --> 01:10:06,580

time being a part of our lives and

1197

01:10:11,130 --> 01:10:08,960

sharing some of the wisdom he's gathered

1198

01:10:13,870 --> 01:10:11,140

over 60 years in the field of ufology

1199

01:10:17,350 --> 01:10:13,880

yeah he was a friend to legends like

1200

01:10:20,650 --> 01:10:17,360

Bill Cooper many legends in fact please

1201

01:10:23,550 --> 01:10:20,660
