CULTS

**How to escape With
Brian Bach**

1
00:00:10,900 --> 00:00:38,560

[Music]

2
00:00:45,229 --> 00:00:42,920

hello everyone so often in this world we

3
00:00:48,069 --> 00:00:45,239

don't know exactly what's going on

4
00:00:50,360 --> 00:00:48,079

there's a lot going on behind the scenes

5
00:00:55,150 --> 00:00:50,370

hard to read between the lines

6
00:01:00,459 --> 00:00:55,160

it seems that cults organizations and

7
00:01:03,080 --> 00:01:00,469

tightly woven symmetrical groups are

8
00:01:04,719 --> 00:01:03,090

absolutely and sincerely in control of a

9
00:01:10,969 --> 00:01:04,729

lot more than we give them credit for

10
00:01:15,289 --> 00:01:10,979

and tonight's guest is a rock star he's

11
00:01:17,630 --> 00:01:15,299

a very very good guy and he's gonna take

12
00:01:20,420 --> 00:01:17,640

us behind that curtain behind that veil

13
00:01:24,770 --> 00:01:20,430

and explain some of what goes on in

14

00:01:27,469 --> 00:01:24,780

these quote-unquote UFO cults societies

15

00:01:31,359 --> 00:01:27,479

that aren't as well known in Southerns

16

00:01:35,530 --> 00:01:31,369

and explain the inner workings and

17

00:01:39,250 --> 00:01:35,540

explain how he got out of it we

18

00:01:42,160 --> 00:01:39,260

of an amazing guy coming on here and I

19

00:01:45,730 --> 00:01:42,170

can't wait to talk to him this Brian

20

00:01:48,580 --> 00:01:45,740

Bach and he is related to the very

21

00:01:50,320 --> 00:01:48,590

famous Johann Sebastian Bach it's just

22

00:01:53,530 --> 00:01:50,330

one of the neat things about Brian

23

00:01:57,969 --> 00:01:53,540

he's an altruistic aliy good good guy

24

00:02:02,530 --> 00:01:57,979

and it's gonna be quite the treat

25

00:02:05,620 --> 00:02:02,540

talking to him on that note I would do a

26
00:02:07,390 --> 00:02:05,630
little shameless self-promotion all of

27
00:02:10,240 --> 00:02:07,400

47

00:03:10,720 --> 00:03:03,590

Brian Bach welcome to the hero

48

00:03:13,660 --> 00:03:10,730

paranormal podcast it has been too long

49

00:03:16,840 --> 00:03:13,670

too long it was it was a good time when

50

00:03:20,190 --> 00:03:16,850

I met yet yeah I wish we were still

51
00:03:24,670 --> 00:03:20,200
there in a way it was a lot of fun and I

52
00:03:27,400 --> 00:03:24,680
enjoy we met at the Utah UFO Fest down

53
00:03:34,410 --> 00:03:27,410
in Cedar City Utah thanks to Nathan :

54
00:03:40,030 --> 00:03:38,140
you know invasion there I think it's

55
00:03:43,270 --> 00:03:40,040
gonna be just what a big thing to make

56
00:03:46,330 --> 00:03:43,280
year I'm looking forward for the next

57
00:03:47,800 --> 00:03:46,340
one I think so too and I guess Nathan's

58
00:03:49,180 --> 00:03:47,810
in Arizona now and he's talking about

59
00:03:51,580 --> 00:03:49,190
maybe doing one out there

60
00:03:56,110 --> 00:03:51,590
so that that could be fun if I'm able to

61
00:03:57,760 --> 00:03:56,120
get out there yes maybe here the one

62
00:03:59,980 --> 00:03:57,770
thing you know we kind of race to go for

63
00:04:03,190 --> 00:03:59,990

it the one in his done then the one meat

64

00:04:05,560 --> 00:04:03,200

by organized marathon that though he

65

00:04:06,700 --> 00:04:05,570

what happened yeah yeah it was it was a

66

00:04:10,210 --> 00:04:06,710

pleasure meeting you you're one of the

67

00:04:11,080 --> 00:04:10,220

coolest guys that I met and you have

68

00:04:13,090 --> 00:04:11,090

great family

69

00:04:16,600 --> 00:04:13,100

we were actually camping right next to

70

00:04:18,990 --> 00:04:16,610

each other so that was really cool so

71

00:04:24,000 --> 00:04:19,000

yeah I wanted to discuss some of the

72

00:04:26,790 --> 00:04:24,010

less known facts about ufology so often

73

00:04:30,280 --> 00:04:26,800

it seems like everyone is very

74

00:04:33,910 --> 00:04:30,290

introduced to ufology through social

75

00:04:35,650 --> 00:04:33,920

media or through the mass media the TV

76

00:04:37,480 --> 00:04:35,660

shows on the Discovery Channel the

77

00:04:40,660 --> 00:04:37,490

Travel Channel in the History Channel

78

00:04:44,230 --> 00:04:40,670

and that's all well and good and very

79

00:04:47,320 --> 00:04:44,240

entertaining but you have a long history

80

00:04:50,950 --> 00:04:47,330

in ufology and a lot more unique

81

00:04:52,210 --> 00:04:50,960

experiences than most ufologists and i

82

00:04:53,650 --> 00:04:52,220

was just wondering if you could give us

83

00:04:55,660 --> 00:04:53,660

a little bit of background kind of let

84

00:05:10,860 --> 00:04:55,670

listeners know some of the more unique

85

00:05:14,770 --> 00:05:10,870

things that you know about ufology I

86

00:05:16,690 --> 00:05:14,780

investigated the phenomena don't think

87

00:05:18,940 --> 00:05:16,700

you know didn't know whenever somebody

88

00:05:24,070 --> 00:05:18,950

is distracted was just something that

89

00:05:25,060 --> 00:05:24,080

would thin you and [h__h] the day I'm a

90

00:05:27,670 --> 00:05:25,070

fifty years old

91

00:05:29,620 --> 00:05:27,680

and back in the day when I was a little

92

00:05:33,190 --> 00:05:29,630

kid there was no interest there was not

93

00:05:35,080 --> 00:05:33,200

much media promotion about the UFO

94

00:05:38,140 --> 00:05:35,090

unless there was something that was

95

00:05:45,360 --> 00:05:38,150

promoted on TV what you would hear from

96

00:05:47,860 --> 00:05:45,370

folks like Erich von däniken and such so

97

00:05:49,270 --> 00:05:47,870

beautiful thing has Aquino was the kid

98

00:05:52,900 --> 00:05:49,280

stuff was something that always think

99

00:05:54,820 --> 00:05:52,910

this is for some reason and growing up

100

00:05:56,820 --> 00:05:54,830

you know there was a festival in

101

00:06:01,000 --> 00:05:56,830

Argentina that that's where I grew up

102

00:06:02,890 --> 00:06:01,010

okay and some of those groups actually

103

00:06:04,600 --> 00:06:02,900

were dedicated

104

00:06:08,290 --> 00:06:04,610

investigate the phenomenon and the

105

00:06:13,170 --> 00:06:08,300

seriously but my experience actually

106

00:06:16,210 --> 00:06:13,180

took a turn when I got into a group that

107

00:06:19,629 --> 00:06:16,220

looked investigating the phenomena that

108

00:06:23,650 --> 00:06:19,639

also turn into a cult and that is one of

109

00:06:26,400 --> 00:06:23,660

the biggest dangers that people that

110

00:06:31,360 --> 00:06:26,410

want to investigate the phenomena

111

00:06:35,100 --> 00:06:31,370

learning field are like you remember

112

00:06:38,640 --> 00:06:35,110

faction didn't nine mid nineties

113

00:06:41,140 --> 00:06:38,650

Marshall Applewhite and gates are heaven

114

00:06:42,820 --> 00:06:41,150

that was the u.s. whole group you know

115

00:06:45,820 --> 00:06:42,830

very similar to the one that I caught

116

00:06:49,840 --> 00:06:45,830

related knowledge that that had a very

117

00:06:51,450 --> 00:06:49,850

very bad ending do you remember that one

118

00:06:55,060 --> 00:06:51,460

yes yes I do

119

00:06:57,180 --> 00:06:55,070

absolutely and then was what is one of

120

00:07:00,279 --> 00:06:57,190

the very big dangers that anybody that

121

00:07:02,469 --> 00:07:00,289

to get the phenomena can get into

122

00:07:05,499 --> 00:07:02,479

holding for the hands of one of these

123

00:07:08,140 --> 00:07:05,509

groups that has no very good intention

124

00:07:16,140 --> 00:07:08,150

they brainwashed you they [h__h] you up in

125

00:07:23,409 --> 00:07:16,150

the faith that mixes the companies with

126

00:07:29,110 --> 00:07:23,419

spiritual thoughts and and explain your

127

00:07:32,070 --> 00:07:29,120

life literally I was lucky that at one

128

00:07:34,930 --> 00:07:32,080

point I realized what was going on and

129

00:07:38,290 --> 00:07:34,940

the leader of the cult engineering

130

00:07:47,050 --> 00:07:38,300

suicide and at that point I just now got

131

00:07:49,149 --> 00:07:47,060

my my ears together and just I took

132

00:07:55,990 --> 00:07:49,159

charge of the small group that we were

133

00:08:01,480 --> 00:07:56,000

and managed to get everybody into a

134

00:08:03,460 --> 00:08:01,490

group therapy but it's trying to make it

135

00:08:05,100 --> 00:08:03,470

into a nutshell ready because everything

136

00:08:09,219 --> 00:08:05,110

that happened actually she's not going

137

00:08:12,820 --> 00:08:09,229

for 15 years but being related and

138

00:08:14,800 --> 00:08:12,830

working with this group and each speech

139

00:08:16,370 --> 00:08:14,810

groupings does actually have their own

140

00:08:19,610 --> 00:08:16,380

different flavor

141

00:08:22,190 --> 00:08:19,620

but they always target people that are

142

00:08:27,500 --> 00:08:22,200

in a very specific end of just you know

143

00:08:32,920 --> 00:08:27,510

funny trouble recognition parental

144

00:08:44,590 --> 00:08:40,190

let me find the word for it they prey on

145

00:08:47,120 --> 00:08:44,600

these people and they [h__h] in there

146

00:08:49,250 --> 00:08:47,130

filling them in interest on something

147

00:08:51,950 --> 00:08:49,260

spiritual something that the promise of

148

00:08:54,530 --> 00:08:51,960

a better future the fear of an

149

00:08:56,120 --> 00:08:54,540

apocalypse was and also the thoughts

150

00:08:58,940 --> 00:08:56,130

that tells that in others the

151

00:09:00,290 --> 00:08:58,950

extra-terrestrial either in my face for

152

00:09:03,670 --> 00:09:00,300

instance with a lungful within a

153

00:09:06,350 --> 00:09:03,680

favorite planet so that evacuation spot

154

00:09:09,320 --> 00:09:06,360

so to make up you know just a very long

155

00:09:12,980 --> 00:09:09,330

story short by the end of it when things

156

00:09:17,090 --> 00:09:12,990

actually never ends and they were

157

00:09:18,200 --> 00:09:17,100

running out of excuses the leadership of

158

00:09:20,900 --> 00:09:18,210

this thought they were running out of

159

00:09:23,660 --> 00:09:20,910

excuses in ended up you know being warm

160

00:09:27,640 --> 00:09:23,670

and obvious that everything left and I

161

00:09:30,620 --> 00:09:27,650

left this town and our leader ended up

162

00:09:32,510 --> 00:09:30,630

committing suicide and almost

163

00:09:36,380 --> 00:09:32,520

immediately I love the only one who can

164

00:09:38,360 --> 00:09:36,390

I just got Brits of that and I try to

165

00:09:41,150 --> 00:09:38,370

manage the thing you know just gathering

166

00:09:42,890 --> 00:09:41,160

all the members of the book trying to

167

00:09:46,340 --> 00:09:42,900

clear out you know what was going on

168

00:09:49,130 --> 00:09:46,350

ie I had been training in psychology and

169

00:09:52,220 --> 00:09:49,140

I noticed the meal somewhat somehow how

170

00:09:54,320 --> 00:09:52,230

cults worked and even though I was

171

00:09:56,570 --> 00:09:54,330

brainwashed into one I would be what you

172

00:09:58,400 --> 00:09:56,580

look like that the internet and that's

173

00:10:01,040 --> 00:09:58,410

what one of the main things that helped

174

00:10:01,370 --> 00:10:01,050

me out to help all the other members of

175

00:10:04,250 --> 00:10:01,380

the group

176

00:10:07,000 --> 00:10:04,260

I think saving ours I was able to

177

00:10:10,280 --> 00:10:07,010

government into a group at the end that

178

00:10:13,100 --> 00:10:10,290

with the help of a very very Congress

179

00:10:16,550 --> 00:10:13,110

book of psychology

180

00:10:17,960 --> 00:10:16,560

they took individual therapies and in

181

00:10:23,860 --> 00:10:17,970

turn you know that you're able to

182

00:10:27,980 --> 00:10:23,870

recover one shot from the brain cults

183

00:10:29,790 --> 00:10:27,990

brainwashing in the Pope and well at

184

00:10:32,730 --> 00:10:29,800

least you know none of them

185

00:10:36,269 --> 00:10:32,740

sois diapers what let me actually what

186

00:10:38,480 --> 00:10:36,279

the story of success at that point man

187

00:10:42,060 --> 00:10:38,490

though that's a huge win that is a

188

00:10:44,250 --> 00:10:42,070

situation like that you know one thing

189

00:10:45,570 --> 00:10:44,260

that was something that was with me you

190

00:10:48,120 --> 00:10:45,580

know that that inserts of the

191

00:10:50,190 --> 00:10:48,130

investigating of the UFO phenomena I

192

00:10:52,500 --> 00:10:50,200

have to take almost appointing a break

193

00:10:55,530 --> 00:10:52,510

out of that here our once that pulse

194

00:10:57,960 --> 00:10:55,540

what result I spent enough of Nick and I

195

00:11:03,540 --> 00:10:57,970

separated myself from any kind of field

196

00:11:06,389 --> 00:11:03,550

investigation until well couple years

197

00:11:08,220 --> 00:11:06,399

ago exciting you know just delving into

198

00:11:10,769 --> 00:11:08,230

it again just you know getting books

199

00:11:15,120 --> 00:11:10,779

about it or watching YouTube video

200

00:11:17,940 --> 00:11:15,130

thinking off into the internet and well

201
00:11:21,240 --> 00:11:17,950
this year I ended up going to this

202
00:11:23,130 --> 00:11:21,250
convention that lengthen organize and I

203
00:11:27,480 --> 00:11:23,140
was really happy you know just to see

204
00:11:32,569 --> 00:11:27,490
that okay there is still room to need to

205
00:11:35,639 --> 00:11:32,579
restart and doing some research again

206
00:11:39,120 --> 00:11:35,649
but this time I'm gonna be very

207
00:11:41,370 --> 00:11:39,130
skeptical kid going it mm-hmm

208
00:11:46,260 --> 00:11:41,380
well I think I think you're a real hero

209
00:11:47,940 --> 00:11:46,270
for for that huge win and I mean saving

210
00:11:50,880 --> 00:11:47,950
the people that you did I mean you

211
00:11:53,639 --> 00:11:50,890
literally you know we're saving lives

212
00:11:55,530 --> 00:11:53,649
and I think this is a much more common

213
00:11:58,160 --> 00:11:55,540

thing than people think

214

00:12:00,060 --> 00:11:58,170

there are these scams out there and

215

00:12:02,250 --> 00:12:00,070

sadly you know when the

216

00:12:05,160 --> 00:12:02,260

extra-terrestrial like you said is mixed

217

00:12:08,250 --> 00:12:05,170

very deeply with something spiritual it

218

00:12:11,430 --> 00:12:08,260

can take on a life of its own and I

219

00:12:13,560 --> 00:12:11,440

think when you're interested in ufology

220

00:12:15,510 --> 00:12:13,570

I think it's so true that we're all kind

221

00:12:20,610 --> 00:12:15,520

of attracted to the phenomenon much like

222

00:12:24,150 --> 00:12:20,620

a moth to a flame it and cults Heaven's

223

00:12:26,639 --> 00:12:24,160

Gate whichever they they do historically

224

00:12:28,680 --> 00:12:26,649

have the power not all of them but they

225

00:12:31,110 --> 00:12:28,690

have the power through belief to

226

00:12:34,110 --> 00:12:31,120

brainwash and destroy lives literally

227

00:12:37,199 --> 00:12:34,120

and I mean the leader of the cult it's

228

00:12:40,079 --> 00:12:37,209

spooky stuff and I think that was a huge

229

00:12:41,519 --> 00:12:40,089

win on your part so mad props I think

230

00:12:43,650 --> 00:12:41,529

that that's awesome

231

00:12:45,810 --> 00:12:43,660

the the UFO

232

00:12:48,630 --> 00:12:45,820

and I agree is a very real and amazing

233

00:12:51,390 --> 00:12:48,640

thing and I'm happy that you're putting

234

00:12:56,070 --> 00:12:51,400

the toe back in the water of the UFO

235

00:12:59,040 --> 00:12:56,080

pool so to speak but carefully and that

236

00:13:02,160 --> 00:12:59,050

is probably how a great deal of

237

00:13:04,680 --> 00:13:02,170

individuals should interact with this

238

00:13:10,050 --> 00:13:04,690

because it is very easy isn't it to get

239

00:13:11,640 --> 00:13:10,060

sucked up into this that you've got to

240

00:13:13,500 --> 00:13:11,650

follow up when you're getting to this

241

00:13:19,470 --> 00:13:13,510

that's what getting any kind of

242

00:13:21,870 --> 00:13:19,480

Investigation even although you know my

243

00:13:24,990 --> 00:13:21,880

life I have the chance to experience

244

00:13:27,660 --> 00:13:25,000

different kinds of things you know and

245

00:13:29,910 --> 00:13:27,670

things that happen in my life not only

246

00:13:33,360 --> 00:13:29,920

were to us both but you know all related

247

00:13:36,210 --> 00:13:33,370

to the paranormal this particular group

248

00:13:39,150 --> 00:13:36,220

that I got internally was targeting very

249

00:13:41,190 --> 00:13:39,160

special people you know when I was going

250

00:13:43,260 --> 00:13:41,200

on when I was a little kid I was always

251
00:13:45,360 --> 00:13:43,270
having you know these prohibitions that

252
00:13:46,830 --> 00:13:45,370
ended up being true things that happened

253
00:13:52,860 --> 00:13:46,840
in the future

254
00:13:55,020 --> 00:13:52,870
i I had recalled from different ships

255
00:13:57,900 --> 00:13:55,030
ignite and things like that

256
00:13:59,520 --> 00:13:57,910
and you know more than once I was

257
00:14:02,730 --> 00:13:59,530
thinking about somebody and they just

258
00:14:04,320 --> 00:14:02,740
you know or knowing their intentions and

259
00:14:08,280 --> 00:14:04,330
then everything that I was having a

260
00:14:12,270 --> 00:14:08,290
feelings of an impact you know things

261
00:14:13,800 --> 00:14:12,280
that came true so this group was

262
00:14:15,660 --> 00:14:13,810
targeting people like that that would

263
00:14:19,410 --> 00:14:15,670

have these kind of experiences that were

264

00:14:22,500 --> 00:14:19,420

impact for sensitive people that could

265

00:14:30,000 --> 00:14:22,510

steal other people's thoughts and things

266

00:14:32,790 --> 00:14:30,010

like that so in my case it was you know

267

00:14:37,500 --> 00:14:32,800

something that I hit that thing in there

268

00:14:39,300 --> 00:14:37,510

and I wasn't lucky to get out but if

269

00:14:41,130 --> 00:14:39,310

they said before recognizing the signs

270

00:14:44,160 --> 00:14:41,140

of the group that you're fine and joined

271

00:14:46,350 --> 00:14:44,170

that he defecates look both if it's a

272

00:14:48,210 --> 00:14:46,360

very important thing there's a lot of

273

00:14:51,030 --> 00:14:48,220

local groups there's a lot of national

274

00:14:52,590 --> 00:14:51,040

groups and even if they are in the media

275

00:14:54,450 --> 00:14:52,600

you know that doesn't guarantee that

276

00:14:56,160 --> 00:14:54,460

they cannot turn into a college or

277

00:14:58,500 --> 00:14:56,170

secretly they can be a call

278

00:15:01,140 --> 00:14:58,510

mmm-hmm many of the things that they do

279

00:15:03,450 --> 00:15:01,150

for 850 and the brainwashing process is

280

00:15:04,550 --> 00:15:03,460

a creative dependency a codependency

281

00:15:08,780 --> 00:15:04,560

from the group

282

00:15:12,390 --> 00:15:08,790

you know levels of you know spiritual

283

00:15:14,130 --> 00:15:12,400

degrees that you can only acquire doing

284

00:15:17,100 --> 00:15:14,140

you know special trainings that would

285

00:15:19,260 --> 00:15:17,110

cost money so if you follow the money

286

00:15:21,210 --> 00:15:19,270

trail on these groups sometimes you can

287

00:15:22,890 --> 00:15:21,220

identify you know which ones are honors

288

00:15:25,290 --> 00:15:22,900

refilling the research and they are

289

00:15:27,120 --> 00:15:25,300

putting their time to investigate these

290

00:15:29,520 --> 00:15:27,130

phenomena but it's really interesting

291

00:15:33,930 --> 00:15:29,530

you know this has been a nice fashion

292

00:15:35,880 --> 00:15:33,940

for me and you know whenever you see

293

00:15:37,350 --> 00:15:35,890

that they're just using funds and we are

294

00:15:37,890 --> 00:15:37,360

not clear about where the funds are

295

00:15:40,080 --> 00:15:37,900

going

296

00:15:41,550 --> 00:15:40,090

that's what elbows one of the other

297

00:15:47,240 --> 00:15:41,560

signs that he's got us taking account

298

00:15:49,590 --> 00:15:47,250

when they start mixing spiritual dogma

299

00:15:52,530 --> 00:15:49,600

into the u.s. whole and they are trying

300

00:15:55,710 --> 00:15:52,540

to say you know that they would be

301
00:15:56,820 --> 00:15:55,720
messages from a special 18 loop and

302
00:16:00,570 --> 00:15:56,830
that's not true

303
00:16:02,370 --> 00:16:00,580
from that you know might take right now

304
00:16:05,070 --> 00:16:02,380
I throw the experiences that I had and

305
00:16:08,220 --> 00:16:05,080
in the past what they you know if I see

306
00:16:11,010 --> 00:16:08,230
something I better throw it stone to it

307
00:16:14,340 --> 00:16:11,020
and it better make the noise of chain

308
00:16:17,310 --> 00:16:14,350
and sometimes it it's just you know to

309
00:16:19,230 --> 00:16:17,320
prove from a very skeptical point that

310
00:16:23,490 --> 00:16:19,240
you know it's something that has to be

311
00:16:26,190 --> 00:16:23,500
there it has to be real and doing field

312
00:16:28,740 --> 00:16:26,200
research we have a lot of things you

313
00:16:31,320 --> 00:16:28,750

know that we can use measuring

314

00:16:33,420 --> 00:16:31,330

instruments and things and actually

315

00:16:35,820 --> 00:16:33,430

taking an account to prove that you know

316

00:16:40,260 --> 00:16:35,830

whatever it happened there it's not a

317

00:16:44,880 --> 00:16:40,270

natural phenomena it's something that

318

00:16:47,400 --> 00:16:44,890

can be problematic sin and so forth so

319

00:16:48,990 --> 00:16:47,410

thing aware your surrounding aware of

320

00:16:53,100 --> 00:16:49,000

the people that you're getting in or

321

00:16:55,140 --> 00:16:53,110

just associated with to investigate the

322

00:17:00,450 --> 00:16:55,150

phenomena so it's something that you

323

00:17:03,180 --> 00:17:00,460

have to be very aware yes and I I agree

324

00:17:04,439 --> 00:17:03,190

with you that it's not just UFOs but it

325

00:17:07,260 --> 00:17:04,449

is the paranormal there

326

00:17:08,569 --> 00:17:07,270

the paranormally and ufology are very

327

00:17:12,769 --> 00:17:08,579

connected in my opinion

328

00:17:15,500 --> 00:17:12,779

and I I kind of find that empathic

329

00:17:18,019 --> 00:17:15,510

individuals are among the best people on

330

00:17:20,779 --> 00:17:18,029

the planet and it's sad that they are

331

00:17:24,409 --> 00:17:20,789

targeted and preyed upon and this this

332

00:17:26,449 --> 00:17:24,419

UFO madness or whatever you want to call

333

00:17:29,630 --> 00:17:26,459

it's very real and I think many people

334

00:17:32,120 --> 00:17:29,640

complain about groups like MUFON and the

335

00:17:34,100 --> 00:17:32,130

politics involved but I think there's

336

00:17:35,180 --> 00:17:34,110

larger groups and the special training

337

00:17:38,779 --> 00:17:35,190

you mentioned sounds a lot like

338

00:17:41,240 --> 00:17:38,789

Scientology and creating that

339

00:17:45,590 --> 00:17:41,250
codependency yeah is are there

340

00:17:47,539 --> 00:17:45,600
similarities to that oh you know these

341

00:17:50,090 --> 00:17:47,549
thing makes option of people and they

342

00:17:52,340 --> 00:17:50,100
make promises the body houses the

343

00:17:54,470 --> 00:17:52,350
different future a better future but

344

00:17:56,090 --> 00:17:54,480
they've always required funds they

345

00:17:58,669 --> 00:17:56,100
always require money

346

00:18:02,049 --> 00:17:58,679
they're always milking you know the poor

347

00:18:05,389 --> 00:18:02,059
people that that cost into those groups

348

00:18:08,060 --> 00:18:05,399
to do their own that the beatings from

349

00:18:10,730 --> 00:18:08,070
the leadership and what that happen and

350

00:18:12,470 --> 00:18:10,740
the filtered services that's when you

351

00:18:16,870 --> 00:18:12,480

have to stop thinking that something

352

00:18:22,490 --> 00:18:19,850

usually if it's that part of the big

353

00:18:26,240 --> 00:18:22,500

scam they're bringing to the serious

354

00:18:28,159 --> 00:18:26,250

part of this he said before everything

355

00:18:30,649 --> 00:18:28,169

is related and this is life that they

356

00:18:33,350 --> 00:18:30,659

onion and the more you begin the more

357

00:18:36,500 --> 00:18:33,360

layers you find out that there are and

358

00:18:43,490 --> 00:18:36,510

the more ramifications everything has

359

00:18:45,620 --> 00:18:43,500

and everything is interrelated I can you

360

00:18:47,419 --> 00:18:45,630

know it doesn't wait to define it I

361

00:18:49,669 --> 00:18:47,429

could call myself maybe an empire

362

00:18:53,509 --> 00:18:49,679

because I've always been sensitive to

363

00:18:55,549 --> 00:18:53,519

any kind of a normal thing Western sense

364

00:18:58,730 --> 00:18:55,559

just you know things that could appear

365

00:19:01,490 --> 00:18:58,740

or anything like that I would always

366

00:19:08,360 --> 00:19:01,500

feel it around me and then minutes later

367

00:19:11,560 --> 00:19:08,370

it happens so being in fact that's a

368

00:19:15,320 --> 00:19:11,570

spite of my life that I cannot deny and

369

00:19:17,600 --> 00:19:15,330

I have to accept that it is what it is

370

00:19:19,820 --> 00:19:17,610

and I think that after 20 years of

371

00:19:22,260 --> 00:19:19,830

thinking you know a big break I owe you

372

00:19:25,020 --> 00:19:22,270

I gave this and I have to say

373

00:19:27,540 --> 00:19:25,030

as ready to start over again and see us

374

00:19:31,530 --> 00:19:27,550

you know for that from a different

375

00:19:34,340 --> 00:19:31,540

perspective and try to find what is

376

00:19:38,070 --> 00:19:34,350

behind all this like what happened

377

00:19:42,240 --> 00:19:38,080

yes one of the things that I realized

378

00:19:44,840 --> 00:19:42,250

both buzz that but something us for 20

379

00:19:47,340 --> 00:19:44,850

years the phrase you mean stuff and

380

00:19:50,490 --> 00:19:47,350

we're still talking about the things

381

00:19:53,820 --> 00:19:50,500

that happened 20 30 years ago this new

382

00:19:57,600 --> 00:19:53,830

sighting but it's its own more of the

383

00:19:59,100 --> 00:19:57,610

same thing so if I take the phone dais

384

00:20:01,950 --> 00:19:59,110

and I'm gonna start building if she said

385

00:20:04,940 --> 00:20:01,960

my toe into the waters again it's just

386

00:20:07,980 --> 00:20:04,950

to find out what Neil is happening and

387

00:20:13,680 --> 00:20:07,990

into that new what is what is real what

388

00:20:15,060 --> 00:20:13,690

is just tangible and start working into

389

00:20:16,740 --> 00:20:15,070

that instead of you know we actually

390

00:20:21,120 --> 00:20:16,750

want the old material that we've been

391

00:20:24,000 --> 00:20:21,130

talking forever 20-30 years ago we're

392

00:20:27,060 --> 00:20:24,010

talking about readings of information

393

00:20:29,520 --> 00:20:27,070

from the US the US government about us

394

00:20:31,800 --> 00:20:29,530

hope so that they were still talking

395

00:20:36,720 --> 00:20:31,810

about the same things and nothing else

396

00:20:41,580 --> 00:20:36,730

agreed so my idea to try to find a

397

00:20:45,240 --> 00:20:41,590

stunning points not media I have done a

398

00:20:47,490 --> 00:20:45,250

lot but you know for the most part we're

399

00:20:50,430 --> 00:20:47,500

still recycling old information it's

400

00:20:52,740 --> 00:20:50,440

time actually just start doing something

401
00:20:57,060 --> 00:20:52,750
and work together into getting new

402
00:21:00,620 --> 00:20:57,070
information new stuff that can be put

403
00:21:03,750 --> 00:21:00,630
into the table and investigate on that

404
00:21:06,120 --> 00:21:03,760
yeah there there is very little new

405
00:21:09,720 --> 00:21:06,130
stuff I mean a lot of the same things

406
00:21:13,080 --> 00:21:09,730
we're hearing they've been going on

407
00:21:15,390 --> 00:21:13,090
forever in fact the the answers from the

408
00:21:18,270 --> 00:21:15,400
cosmos these prophets or messiahs

409
00:21:21,810 --> 00:21:18,280
messiahs who can channel UFOs and aliens

410
00:21:24,240 --> 00:21:21,820
and the like I just saw recently a

411
00:21:26,970 --> 00:21:24,250
YouTube channel where a guy was doing

412
00:21:28,590 --> 00:21:26,980
exactly that Brian he he goes out and he

413
00:21:30,930 --> 00:21:28,600

prays and he does this and that the

414

00:21:33,630 --> 00:21:30,940

other thing and UFOs appear and I do

415

00:21:35,970 --> 00:21:33,640

believe that they are connected and this

416

00:21:40,010 --> 00:21:35,980

is wholehearted and this stuff can

417

00:21:42,000 --> 00:21:40,020

happen however there is some very scary

418

00:21:44,850 --> 00:21:42,010

codependency that comes along with that

419

00:21:46,260 --> 00:21:44,860

and you're a rock star for the good

420

00:21:49,110 --> 00:21:46,270

you've done for the people who were

421

00:21:52,260 --> 00:21:49,120

involved in in that situation in your

422

00:21:56,250 --> 00:21:52,270

past and I think that whenever somebody

423

00:21:59,280 --> 00:21:56,260

has that ability or they're able to

424

00:22:01,080 --> 00:21:59,290

convey this this UFO belief where it

425

00:22:03,330 --> 00:22:01,090

becomes it's almost like a madness and

426

00:22:07,650 --> 00:22:03,340

some of us joke around that it's a fever

427

00:22:10,500 --> 00:22:07,660

or a you know you have that need to like

428

00:22:15,960 --> 00:22:10,510

know more and it's almost like secret

429

00:22:18,560 --> 00:22:15,970

societies isn't it yes it works it works

430

00:22:24,330 --> 00:22:18,570

that way and also a lot of

431

00:22:27,180 --> 00:22:24,340

misinformation on things our fidelity to

432

00:22:31,280 --> 00:22:27,190

the media and just people here oh but

433

00:22:33,180 --> 00:22:31,290

it's Samantha that it has to be true and

434

00:22:35,370 --> 00:22:33,190

you've got to dig a little bit deeper

435

00:22:37,260 --> 00:22:35,380

you don't do your homework and doing

436

00:22:39,330 --> 00:22:37,270

research that smells doing research

437

00:22:41,280 --> 00:22:39,340

behind a computer and see what exposed

438

00:22:43,710 --> 00:22:41,290

it now I have seen a lot of people that

439

00:22:45,930 --> 00:22:43,720

did external things you know English

440

00:22:47,580 --> 00:22:45,940

type of information that when when

441

00:22:50,340 --> 00:22:47,590

you're doing research you know that when

442

00:22:52,830 --> 00:22:50,350

they read information from and they're

443

00:22:55,530 --> 00:22:52,840

gaining you know from other people work

444

00:22:57,630 --> 00:22:55,540

they repost them into their own progress

445

00:23:01,049 --> 00:22:57,640

and then what happens is that you know

446

00:23:03,330 --> 00:23:01,059

we get a lot of recycling and nothing in

447

00:23:05,190 --> 00:23:03,340

and then you gotta keep on digging

448

00:23:07,560 --> 00:23:05,200

deeper and deeper and you gotta be in

449

00:23:09,539 --> 00:23:07,570

the business and in conscience with

450

00:23:12,169 --> 00:23:09,549

people that are doing the real Network

451
00:23:14,789 --> 00:23:12,179
just to find out what's going on so

452
00:23:17,970 --> 00:23:14,799
that's a lot of filtering that is done

453
00:23:20,880 --> 00:23:17,980
in my opinion a lot of cleansing will

454
00:23:22,680 --> 00:23:20,890
have to be done and you're talking about

455
00:23:25,020 --> 00:23:22,690
these groups that you mentioned this dye

456
00:23:28,799 --> 00:23:25,030
that is posting the video user that want

457
00:23:32,400 --> 00:23:28,809
channels et cetera practically and then

458
00:23:35,220 --> 00:23:32,410
the USO show in that case actually I

459
00:23:38,310 --> 00:23:35,230
would really like to have a bunch of

460
00:23:40,919 --> 00:23:38,320
cameras zooming in there and infrared

461
00:23:44,060 --> 00:23:40,929
ultraviolet in on all the spectrum just

462
00:23:48,870 --> 00:23:44,070
to prove that that is not a hope that

463
00:23:50,300 --> 00:23:48,880

the law hopes to going around and maybe

464

00:23:53,840 --> 00:23:50,310

and

465

00:23:57,260 --> 00:23:53,850

sweet skeptical about this but if these

466

00:23:59,390 --> 00:23:57,270

really happened then and we can prove

467

00:24:02,390 --> 00:23:59,400

that that person they just doing the

468

00:24:05,540 --> 00:24:02,400

channel name and the UFOs appear after

469

00:24:07,580 --> 00:24:05,550

work if that's real then you know that

470

00:24:10,940 --> 00:24:07,590

person needs protection because there's

471

00:24:15,050 --> 00:24:10,950

also not a lot of groups that are

472

00:24:18,410 --> 00:24:15,060

against us from knowing the truth are

473

00:24:21,260 --> 00:24:18,420

working hard on on hiding the truth and

474

00:24:24,020 --> 00:24:21,270

part of it is also just both things are

475

00:24:26,420 --> 00:24:24,030

totally most important people and

476

00:24:29,240 --> 00:24:26,430

getting everybody confused with

477

00:24:30,700 --> 00:24:29,250

misconceptions and things that are not

478

00:24:36,590 --> 00:24:30,710

true

479

00:24:39,440 --> 00:24:36,600

seems to be such a huge motivator that's

480

00:24:41,690 --> 00:24:39,450

what I liked about that festival we went

481

00:24:43,790 --> 00:24:41,700

to that it's a non-profit and that that

482

00:24:48,890 --> 00:24:43,800

always helps when you don't have that

483

00:24:52,040 --> 00:24:48,900

you know that money incentive why is the

484

00:24:53,660 --> 00:24:52,050

mixture of religion and ufology so

485

00:24:55,760 --> 00:24:53,670

oftenly mixed and why is it such a

486

00:24:59,990 --> 00:24:55,770

dangerous mix it's super hard to avoid

487

00:25:03,050 --> 00:25:00,000

isn't it it's really hard to avoid and I

488

00:25:06,080 --> 00:25:03,060

think that after 2000 years

489

00:25:08,600 --> 00:25:06,090

Jannetty and experiencing a crisis

490

00:25:11,330 --> 00:25:08,610

that's my point of view that might be

491

00:25:14,630 --> 00:25:11,340

so one thing enough with some people

492

00:25:19,690 --> 00:25:14,640

that can refuel that image of Christ

493

00:25:22,730 --> 00:25:19,700

coming back to famous on the UFO and the

494

00:25:24,500 --> 00:25:22,740

potential of spirituality and having a

495

00:25:26,950 --> 00:25:24,510

constant price that will come in the

496

00:25:30,350 --> 00:25:26,960

spaceship is both for bringing feelings

497

00:25:32,330 --> 00:25:30,360

and there's always being a spiritual

498

00:25:36,440 --> 00:25:32,340

connection because if you go back in

499

00:25:39,020 --> 00:25:36,450

history you'll see that summon any kind

500

00:25:40,580 --> 00:25:39,030

of spiritual leaders from any kind of

501
00:25:43,640 --> 00:25:40,590
religion all around the world right

502
00:25:48,200 --> 00:25:43,650
history they have that kind of spiritual

503
00:25:50,630 --> 00:25:48,210
communication with spirits ghosts things

504
00:25:53,420 --> 00:25:50,640
from other wheels and that's when the

505
00:25:56,930 --> 00:25:53,430
UFO thing you know it takes in because

506
00:25:58,760 --> 00:25:56,940
you see them coming from the heavens you

507
00:26:01,550 --> 00:25:58,770
see them popping at me not from under

508
00:26:03,299 --> 00:26:01,560
the water and then they communicate you

509
00:26:06,980 --> 00:26:03,309
know for most films in the face

510
00:26:10,860 --> 00:26:06,990
way it's being sold you know in

511
00:26:12,570 --> 00:26:10,870
history's run all around the web from

512
00:26:15,629 --> 00:26:12,580
thousands of years that they

513
00:26:22,379 --> 00:26:15,639

communicating with us in a democratic

514

00:26:27,450 --> 00:26:22,389

way so that's where the paranormal the

515

00:26:30,060 --> 00:26:27,460

nardole useful kicks in and we we end up

516

00:26:35,600 --> 00:26:30,070

mixing everything all into one big mesh

517

00:26:37,680 --> 00:26:35,610

and their spiritual gets intertwine with

518

00:26:40,109 --> 00:26:37,690

something that might not be that

519

00:26:43,049 --> 00:26:40,119

spiritual it's just you know one of the

520

00:26:45,269 --> 00:26:43,059

many activities of human beings being

521

00:26:49,769 --> 00:26:45,279

having the possibility of communication

522

00:26:51,690 --> 00:26:49,779

tactically mm-hmm I think that is always

523

00:26:53,279 --> 00:26:51,700

something that it's been related to the

524

00:26:55,560 --> 00:26:53,289

spiritual stuff because we get

525

00:26:58,350 --> 00:26:55,570

revelations of prophets get revelation

526

00:27:00,629 --> 00:26:58,360

so inspiration and they got it in their

527

00:27:01,590 --> 00:27:00,639

heads through God that's also

528

00:27:04,100 --> 00:27:01,600

telepathically

529

00:27:08,249 --> 00:27:04,110

and that's a very big link that people

530

00:27:12,269 --> 00:27:08,259

would go for and buy from sometimes so

531

00:27:15,590 --> 00:27:12,279

poor girls and people that come and tell

532

00:27:18,389 --> 00:27:15,600

you that you know they are channeling

533

00:27:20,519 --> 00:27:18,399

beings from other planets or from other

534

00:27:26,369 --> 00:27:20,529

dimensions and that's you know when

535

00:27:28,470 --> 00:27:26,379

everything get that big mix-up and you

536

00:27:30,509 --> 00:27:28,480

know most most most of times to do end

537

00:27:32,249 --> 00:27:30,519

up being the host somebody don't want to

538

00:27:34,049 --> 00:27:32,259

get a name somebody who wants to make

539

00:27:40,799 --> 00:27:34,059

money out of it and how many people out

540

00:27:43,169 --> 00:27:40,809

of there mm-hmm it it is a lot of

541

00:27:44,999 --> 00:27:43,179

hoaxing a lot of hoaxing and like you

542

00:27:48,570 --> 00:27:45,009

mentioned on YouTube a lot of that with

543

00:27:50,369 --> 00:27:48,580

CGI now that's super easy to do it seems

544

00:27:52,049 --> 00:27:50,379

like a lot of these groups and I don't

545

00:27:54,180 --> 00:27:52,059

want to name names cuz there's so many

546

00:27:56,789 --> 00:27:54,190

of them but it takes a pretty penny to

547

00:27:59,340 --> 00:27:56,799

interact with these quote-unquote

548

00:28:01,529 --> 00:27:59,350

groups and entities and seems like

549

00:28:03,210 --> 00:28:01,539

there's a you know there's always a core

550

00:28:05,029 --> 00:28:03,220

group of individuals and those are the

551
00:28:09,499 --> 00:28:05,039
ones that spend the most money

552
00:28:16,790 --> 00:28:09,509
you mentioned a uh-huh and you also many

553
00:28:18,860 --> 00:28:16,800
yeah go on before

554
00:28:22,520 --> 00:28:18,870
follow the money I did not name names

555
00:28:24,440 --> 00:28:22,530
either because people are reading so

556
00:28:27,050 --> 00:28:24,450
happy and even though we have the

557
00:28:29,480 --> 00:28:27,060
benefit here in the states that you know

558
00:28:31,640 --> 00:28:29,490
freedom of speech if I say no that I

559
00:28:32,930 --> 00:28:31,650
believe or I think you know somebody can

560
00:28:35,180 --> 00:28:32,940
see for naming names

561
00:28:39,800 --> 00:28:35,190
but people can recognize these groups

562
00:28:41,300 --> 00:28:39,810
and these individuals are acting in the

563
00:28:45,020 --> 00:28:41,310

name of money rather than they

564

00:28:47,360 --> 00:28:45,030

experience about everything and I'm not

565

00:28:50,360 --> 00:28:47,370

against you know making money out of

566

00:28:52,220 --> 00:28:50,370

this for instance you might I go to the

567

00:28:54,770 --> 00:28:52,230

convention I could participate other

568

00:28:57,380 --> 00:28:54,780

things but I can fill my own boat just

569

00:28:59,090 --> 00:28:57,390

to find very reason and I would be okay

570

00:29:01,670 --> 00:28:59,100

with that that's that's a different

571

00:29:05,870 --> 00:29:01,680

matter that when somebody is making

572

00:29:09,650 --> 00:29:05,880

money out of innocent people gullible

573

00:29:12,500 --> 00:29:09,660

people and somebody's studying them you

574

00:29:14,980 --> 00:29:12,510

know just that information and they make

575

00:29:17,720 --> 00:29:14,990

a cult or a group that generates

576

00:29:21,230 --> 00:29:17,730

codependency through their members input

577

00:29:23,230 --> 00:29:21,240

a one-liter that it's just telling them

578

00:29:26,150 --> 00:29:23,240

you gotta be this you gotta do that

579

00:29:28,790 --> 00:29:26,160

that's when I get the goosebumps

580

00:29:32,990 --> 00:29:28,800

that's what I say then something there

581

00:29:34,510 --> 00:29:33,000

that it's just not going right you say

582

00:29:37,790 --> 00:29:34,520

so

583

00:29:41,690 --> 00:29:37,800

you gotta use a lot of experimenting all

584

00:29:43,180 --> 00:29:41,700

over the money trail a long time yeah I

585

00:29:47,090 --> 00:29:43,190

can't agree more

586

00:29:48,740 --> 00:29:47,100

also Brian the paranormal spirits go

587

00:29:51,620 --> 00:29:48,750

cetys I know you've had a lot of

588

00:29:54,080 --> 00:29:51,630

experiences switching gears just a

589

00:29:55,790 --> 00:29:54,090

little bit and jumping into that what

590

00:29:58,040 --> 00:29:55,800

are some of the most unique experiences

591

00:29:58,970 --> 00:29:58,050

you had that we're sincere or that made

592

00:30:06,800 --> 00:29:58,980

an impression on you

593

00:30:12,730 --> 00:30:06,810

through the years well he remember the

594

00:30:17,750 --> 00:30:12,740

week talks about skinwalker ranch

595

00:30:20,000 --> 00:30:17,760

opposed to home I've proven by the area

596

00:30:22,070 --> 00:30:20,010

of several times you know that being

597

00:30:24,350 --> 00:30:22,080

close to the area's you know going to

598

00:30:27,530 --> 00:30:24,360

vernal or night 1600 fishing or camping

599

00:30:30,600 --> 00:30:27,540

trip being close by you know when I went

600

00:30:30,610 --> 00:30:35,480

Thompson are just strawberry and

601
00:30:43,200 --> 00:30:40,830
starvation and French is one of those

602
00:30:45,960 --> 00:30:43,210
the most interesting thing years ago I

603
00:30:47,850 --> 00:30:45,970
heard about two Walker ranch and

604
00:30:50,070 --> 00:30:47,860
everything that was going on there and

605
00:30:55,230 --> 00:30:50,080
we talked about back in August when we

606
00:30:56,669 --> 00:30:55,240
met there as a convention and one thing

607
00:30:59,009 --> 00:30:56,679
that happened to me is that you know

608
00:31:02,279 --> 00:30:59,019
just say I was just quiet in my in my

609
00:31:04,769 --> 00:31:02,289
room once after watching this and I had

610
00:31:11,279 --> 00:31:04,779
kind of a remote feeling of the place

611
00:31:13,320 --> 00:31:11,289
and my real feeling of the place was you

612
00:31:15,060 --> 00:31:13,330
know everything had shifted and what was

613
00:31:18,299 --> 00:31:15,070

happening in one place no it was

614

00:31:20,730 --> 00:31:18,309

happening on the other and then you know

615

00:31:23,100 --> 00:31:20,740

where are you when we met and we stopped

616

00:31:25,680 --> 00:31:23,110

to talk about the issue and I shared

617

00:31:27,060 --> 00:31:25,690

with you my experience with what's been

618

00:31:28,649 --> 00:31:27,070

burned by the other people that were

619

00:31:30,870 --> 00:31:28,659

sitting up with people that everything

620

00:31:35,039 --> 00:31:30,880

was shifted was just a big surprise to

621

00:31:37,740 --> 00:31:35,049

me and couple weeks ago I was watching

622

00:31:42,560 --> 00:31:37,750

some videos about the same thing on

623

00:31:45,029 --> 00:31:42,570

YouTube and now the confirmation came by

624

00:31:47,909 --> 00:31:45,039

but everything that was happening inside

625

00:31:51,570 --> 00:31:47,919

the run our company outside or somewhere

626

00:31:55,310 --> 00:31:51,580

else so that actually came like I think

627

00:31:58,289 --> 00:31:55,320

wow I think aha moment that that remotes

628

00:32:00,690 --> 00:31:58,299

feeling that I had a couple of years ago

629

00:32:02,310 --> 00:32:00,700

about the things shifting and nothing on

630

00:32:08,129 --> 00:32:02,320

the same place that they were happening

631

00:32:10,230 --> 00:32:08,139

before anything true yeah so one of my

632

00:32:12,379 --> 00:32:10,240

life I have several experiences like

633

00:32:15,840 --> 00:32:12,389

that

634

00:32:19,320 --> 00:32:15,850

bidding processes and and thinking I was

635

00:32:23,580 --> 00:32:19,330

doing some research many many years ago

636

00:32:27,029 --> 00:32:23,590

in the city of Korea in the province of

637

00:32:30,299 --> 00:32:27,039

Asbury affecting Augustine and the same

638

00:32:34,560 --> 00:32:30,309

thing happened you know we were in a

639

00:32:36,360 --> 00:32:34,570

hill that so it's reported you know that

640

00:32:38,789 --> 00:32:36,370

there was a lot of beautiful tidings in

641

00:32:44,190 --> 00:32:38,799

there and getting out of that hill and

642

00:32:47,130 --> 00:32:44,200

we have like five mile walk

643

00:32:49,590 --> 00:32:47,140

back to our camping sites and I was

644

00:32:54,150 --> 00:32:49,600

fitting that you know just very blessed

645

00:32:56,760 --> 00:32:54,160

all the way and finally made it back to

646

00:33:00,900 --> 00:32:56,770

hundreds our camping sites and then the

647

00:33:02,630 --> 00:33:00,910

following day or you know just we didn't

648

00:33:05,580 --> 00:33:02,640

see anything that the following day

649

00:33:08,160 --> 00:33:05,590

people were reporting you know sightings

650

00:33:10,470 --> 00:33:08,170

and weird things happening you know

651
00:33:14,280 --> 00:33:10,480
around our houses and you know in that

652
00:33:17,340 --> 00:33:14,290
area so but that kind of things you know

653
00:33:19,170 --> 00:33:17,350
the only slower thing but I couldn't

654
00:33:21,330 --> 00:33:19,180
think point expecting one that was more

655
00:33:22,980 --> 00:33:21,340
than the other one that one of the most

656
00:33:25,350 --> 00:33:22,990
interesting lately is just you know I

657
00:33:27,450 --> 00:33:25,360
inspired to down back and cook you know

658
00:33:32,520 --> 00:33:27,460
just go back into the into the basement

659
00:33:34,020 --> 00:33:32,530
of your house and where she's sitting

660
00:33:36,900 --> 00:33:34,030
there just put my foot into the water

661
00:33:38,250 --> 00:33:36,910
again and there we go we met and I would

662
00:33:40,980 --> 00:33:38,260
be able to confirm something that

663
00:33:44,460 --> 00:33:40,990

happened although result about the shift

664

00:33:49,380 --> 00:33:44,470

that is happening right now and get a

665

00:33:53,490 --> 00:33:49,390

walker ranch mm-hmm yeah there is

666

00:33:56,340 --> 00:33:53,500

definitely a shift and it's it's it's a

667

00:33:59,400 --> 00:33:56,350

weird one and you know the remote

668

00:34:01,290 --> 00:33:59,410

viewing is so very real Brian and the

669

00:34:03,090 --> 00:34:01,300

view you shared with us was pretty cool

670

00:34:04,680 --> 00:34:03,100

you're such a great guy I wish our

671

00:34:07,500 --> 00:34:04,690

listeners need you the way I do luckily

672

00:34:09,260 --> 00:34:07,510

you talking with me and and that I think

673

00:34:11,880 --> 00:34:09,270

they're getting to know you a bit and

674

00:34:14,370 --> 00:34:11,890

learning some valuable tools and red

675

00:34:16,110 --> 00:34:14,380

flags to watch out for if they get

676

00:34:19,710 --> 00:34:16,120

involved with these groups or they're

677

00:34:21,870 --> 00:34:19,720

thinking about it and I can't thank you

678

00:34:24,120 --> 00:34:21,880

enough for coming on are there any final

679

00:34:37,889 --> 00:34:24,130

thoughts or ideas Brian for our

680

00:34:39,930 --> 00:34:37,899

listeners before we let you go I want

681

00:34:42,389 --> 00:34:39,940

you to stone in stating that you've got

682

00:34:46,800 --> 00:34:42,399

so much excitement any into something

683

00:34:50,370 --> 00:34:46,810

that it's not an edible thing keep your

684

00:34:54,120 --> 00:34:50,380

feet on the ground always look for in

685

00:34:55,440 --> 00:34:54,130

our Restless be aware if your

686

00:34:57,990 --> 00:34:55,450

surroundings you know where are the

687

00:35:01,349 --> 00:34:58,000

people that you relate with

688

00:35:03,990 --> 00:35:01,359

just don't make the spiritual with the

689

00:35:05,940 --> 00:35:04,000

USO because one thing is just you know

690

00:35:08,490 --> 00:35:05,950

curative research and the other one it

691

00:35:11,250 --> 00:35:08,500

your spiritual needs and they don't

692

00:35:15,150 --> 00:35:11,260

totally separately in my experience you

693

00:35:17,210 --> 00:35:15,160

know you're not related and whatever you

694

00:35:19,140 --> 00:35:17,220

do you know just use the buddy system

695

00:35:22,530 --> 00:35:19,150

never going on

696

00:35:24,720 --> 00:35:22,540

never leave the group because this is

697

00:35:29,400 --> 00:35:24,730

also a very serious thing you don't know

698

00:35:31,589 --> 00:35:29,410

what you're dealing with so always you

699

00:35:33,329 --> 00:35:31,599

got to be careful you know what are you

700

00:35:36,800 --> 00:35:33,339

getting to not only just you're not

701
00:35:42,290 --> 00:35:38,849
places you know that you don't know that

702
00:35:45,300 --> 00:35:42,300
you don't know do it I'm in a room and

703
00:35:47,430 --> 00:35:45,310
you know do your homework and there's

704
00:35:49,140 --> 00:35:47,440
nothing wrong I'm just you know googling

705
00:35:51,780 --> 00:35:49,150
or investigating the people here you're

706
00:35:54,450 --> 00:35:51,790
relating with or you know leaders of

707
00:35:56,660 --> 00:35:54,460
group just beware of those you know when

708
00:36:00,450 --> 00:35:56,670
they try to study some information

709
00:36:02,609 --> 00:36:00,460
support man you're so right and you've

710
00:36:04,410 --> 00:36:02,619
devoted so much time to the effort and I

711
00:36:06,660 --> 00:36:04,420
appreciate you giving people these tools

712
00:36:09,300 --> 00:36:06,670
and the heads up I hope to talk to you

713
00:36:27,000 --> 00:36:09,310

soon Brian and blessings my man thanks

714

00:36:28,680 --> 00:36:27,010

for coming on the podcast I would love

715

00:36:31,559 --> 00:36:28,690

it I would love to go out camping in the

716

00:36:35,309 --> 00:36:31,569

desert again it was a blast

717

00:36:37,950 --> 00:36:35,319

all right take care yes sir

718

00:36:42,059 --> 00:36:37,960

the real deal is real in the field as

719

00:36:46,200 --> 00:36:42,069

they get he's a good guy mr. Brian Bach

720

00:36:49,349 --> 00:36:46,210

and we will continue to bring you the

721

00:36:52,340 --> 00:36:49,359

best heroes in the field I mean a guy

722

00:36:55,580 --> 00:36:52,350

literally saving lives and

723

00:36:59,030 --> 00:36:55,590

getting people out including himself of

724

00:37:01,550 --> 00:36:59,040

UFO cults there is a dark side to this

725

00:37:05,900 --> 00:37:01,560

and it's important to be able to see

726

00:37:09,140 --> 00:37:05,910

that you mix religion and UFOs and you

727

00:37:14,090 --> 00:37:09,150

get a very toxic and dangerous mix that

728

00:37:16,880 --> 00:37:14,100

can quite literally kill so I really

729

00:37:19,610 --> 00:37:16,890

appreciate having them so do your best

730

00:37:23,030 --> 00:37:19,620

and stay in touch with hero paranormal

731

00:37:26,150 --> 00:37:23,040
