farmers are seeing lights in the sky

46

00:02:51,940 --> 00:02:49,310

ancient peoples have eternally

47

00:02:54,970 --> 00:02:51,950

documented their sightings with divine

48

00:02:59,319 --> 00:02:54,980

Celestials on rock walls caves and

49

00:03:02,740 --> 00:02:59,329

glyphs which haunt us like reminders of

50

00:03:04,599 --> 00:03:02,750

their experiences whether it be

51  
00:03:08,110 --> 00:03:04,609  
petroglyphs pictographs or ancient

52  
00:03:11,199 --> 00:03:08,120  
artifacts the reminders are there some

53  
00:03:13,810 --> 00:03:11,209  
claim there's no connection others of us

54  
00:03:16,090 --> 00:03:13,820  
believe there is a connection the

55  
00:03:18,069 --> 00:03:16,100  
ancients were our ancestors and we have

56  
00:03:20,650 --> 00:03:18,079  
some of their DNA within us

57  
00:03:24,069 --> 00:03:20,660  
they weren't the savage stupid tribal

58  
00:03:26,110 --> 00:03:24,079  
morons some would have you believe it is

59  
00:03:28,180 --> 00:03:26,120  
my belief they may have known more in

60  
00:03:30,280 --> 00:03:28,190  
certain aspects and may have had much

61  
00:03:33,490 --> 00:03:30,290  
deeper connections to the mysteries that

62  
00:03:35,259 --> 00:03:33,500  
baffle modern man never underestimate

63  
00:03:39,309 --> 00:03:35,269

the seeds from which modern man was

64

00:03:42,210 --> 00:03:39,319

cultivated Arizona rock art is among the

65

00:03:45,789 --> 00:03:42,220

most telling and beautiful in the world

66

00:03:48,309 --> 00:03:45,799

for Texas extraterrestrials and even

67

00:03:51,490 --> 00:03:48,319

crafts that boggle the imagination are

68

00:03:54,120 --> 00:03:51,500

depicted today we speak with an Arizona

69

00:03:56,930 --> 00:03:54,130

expert his name is Jeff wool wine

70

00:04:00,510 --> 00:03:56,940

he has over 15 years experience

71

00:04:03,870 --> 00:04:00,520

72

00:04:07,110 --> 00:04:03,880

Arizona and filming UFOs he's an actual

73

00:04:09,180 --> 00:04:07,120

petroglyph guide and an author of the

74

00:04:12,060 --> 00:04:09,190

Phoenix lights petroglyphs in the sky

75

00:04:15,210 --> 00:04:12,070

landscape for the spirits the true

76

00:04:17,970 --> 00:04:15,220

stories myths legends and UFOs over

77

00:04:21,570 --> 00:04:17,980

Arizona Jeff is a leading UFO

78

00:04:24,960 --> 00:04:21,580

investigator in Arizona former world UFO

79

00:04:29,730 --> 00:04:24,970

day ambassador and former ancient aliens

80

00:04:32,430 --> 00:04:29,740

TV host for Tucson and South Mountain

81

00:04:36,180 --> 00:04:32,440

tour guide and UFO hunter so with no

82

00:04:41,730 --> 00:04:36,190

further ado mr. Jeff will wine welcome

83

00:04:43,800 --> 00:04:41,740

to the hero paranormal podcast hey doing

84

00:04:47,580 --> 00:04:43,810

great thanks so much for coming on the

85

00:04:50,670 --> 00:04:47,590

show today I'm I'm very interested in

86

00:04:53,190 --> 00:04:50,680

everything Arizona and you know this I

87

00:04:55,970 --> 00:04:53,200

love how you you've coined a lot of

88

00:04:58,710 --> 00:04:55,980

terms that I think are very true

89

00:05:01,920 --> 00:04:58,720

petroglyphs in the sky landscape for the

90

00:05:04,740 --> 00:05:01,930

spirits I think that there's a lot there

91

00:05:08,760 --> 00:05:04,750

and I wanted to know a little bit of

92

00:05:10,500 --> 00:05:08,770

background how you came to to kind of

93

00:05:14,030 --> 00:05:10,510

like carve this niche out which i think

94

00:05:16,080 --> 00:05:14,040

is an exact correlation of like what

95

00:05:26,700 --> 00:05:16,090

ancients were seeing and what we are

96

00:05:30,240 --> 00:05:26,710

seeing in the skies and you know it's

97

00:05:33,000 --> 00:05:30,250

interesting to you know get some I guess

98

00:05:36,780 --> 00:05:33,010

we could start off with the at the

99

00:05:43,080 --> 00:05:36,790

beginning of it all um I guess you can

100

00:05:44,640 --> 00:05:43,090

say the 1997 Phoenix lights that

101  
00:05:48,390 --> 00:05:44,650  
occurred on the west side of Phoenix

102  
00:05:52,440 --> 00:05:48,400  
Arizona and they are just kind of it

103  
00:05:56,540 --> 00:05:52,450  
just kind of took off it kind of it took

104  
00:06:02,219 --> 00:05:56,550  
off from there you know it's interesting

105  
00:06:04,100 --> 00:06:02,229  
going on way before 1997 matter of fact

106  
00:06:06,740 --> 00:06:04,110  
he's like the God at the beginning of

107  
00:06:08,390 --> 00:06:06,750  
time maybe

108  
00:06:12,110 --> 00:06:08,400  
especially in the mountains around the

109  
00:06:14,060 --> 00:06:12,120  
valley of the Sun these things actually

110  
00:06:15,920 --> 00:06:14,070  
you know I'm going to tell you there's

111  
00:06:18,620 --> 00:06:15,930  
going to be a lot of there's a lot of

112  
00:06:22,040 --> 00:06:18,630  
people all realized yet that I have

113  
00:06:24,380 --> 00:06:22,050

discovered and one of them is you know a

114

00:06:26,720 --> 00:06:24,390

lot of people think well you know

115

00:06:29,390 --> 00:06:26,730

they're they're from another planet

116

00:06:33,170 --> 00:06:29,400

well in fact studying the pentacle I

117

00:06:35,180 --> 00:06:33,180

study in the rock art studying the so

118

00:06:38,300 --> 00:06:35,190

called myths and legends of Phoenix

119

00:06:40,070 --> 00:06:38,310

Arizona and watching them seeing them

120

00:06:42,920 --> 00:06:40,080

firsthand and understanding the

121

00:06:45,290 --> 00:06:42,930

petroglyphs of a story that it tells it

122

00:06:47,690 --> 00:06:45,300

explains that these like these things

123

00:06:50,350 --> 00:06:47,700

that we Amos guys are not from another

124

00:06:55,909 --> 00:06:50,360

planet but this is their world although

125

00:06:58,880 --> 00:06:55,919

Mother Earth is their planet and they

126

00:07:01,340 --> 00:06:58,890

have always been here you know one of my

127

00:07:03,800 --> 00:07:01,350

sayings is just as the oceanographers I

128

00:07:06,620 --> 00:07:03,810

was finding new species of life below

129

00:07:09,680 --> 00:07:06,630

the ocean floor this is a new species

130

00:07:11,810 --> 00:07:09,690

above the ocean that the scientists and

131

00:07:17,719 --> 00:07:11,820

many that you know are in this field

132

00:07:19,400 --> 00:07:17,729

fail to recognize this is true it's but

133

00:07:23,710 --> 00:07:19,410

yeah we always seen things in the sky

134

00:07:27,110 --> 00:07:23,720

and you know it has everything to do

135

00:07:30,860 --> 00:07:27,120

with the carvings coming out then not

136

00:07:34,360 --> 00:07:30,870

only in Phoenix Arizona but anywhere

137

00:07:36,530 --> 00:07:34,370

around the world that we find sparkles

138

00:07:41,750 --> 00:07:36,540

representing doorways it's going to eat

139

00:07:43,730 --> 00:07:41,760

spirits now you know that yeah and if

140

00:07:49,790 --> 00:07:43,740

you notice I haven't said anything about

141

00:07:52,310 --> 00:07:49,800

a craft yet you know it that's very

142

00:07:53,960 --> 00:07:52,320

possible I mean because of scientist

143

00:07:55,190 --> 00:07:53,970

when you look at it the scientists you

144

00:07:59,240 --> 00:07:55,200

know have said that they've already

145

00:08:01,610 --> 00:07:59,250

found seven earth-like planets outside

146

00:08:04,280 --> 00:08:01,620

our solar system and sure what's this

147

00:08:06,560 --> 00:08:04,290

day that you know another advanced

148

00:08:08,540 --> 00:08:06,570

civilization could reside on these

149

00:08:10,310 --> 00:08:08,550

planets and they built some sort of

150

00:08:13,490 --> 00:08:10,320

prize and they have been visiting earth

151

00:08:15,680 --> 00:08:13,500

I'm open to that but I think what the

152

00:08:19,360 --> 00:08:15,690

majority of what the public is seeing

153

00:08:24,670 --> 00:08:19,370

that very recording are living

154

00:08:29,200 --> 00:08:24,680

I wish that these on a little dirt a

155

00:08:31,120 --> 00:08:29,210

little gray guys in a spaceship each

156

00:08:33,820 --> 00:08:31,130

right you've seen five lights out there

157

00:08:39,550 --> 00:08:33,830

you're looking at five living in the

158

00:08:43,149 --> 00:08:39,560

teeth five says the light is the beam

159

00:08:45,519 --> 00:08:43,159

itself and you know it's interesting to

160

00:08:48,130 --> 00:08:45,529

you because you know there were sky

161

00:08:51,730 --> 00:08:48,140

watchers ready for these lights March

162

00:08:54,130 --> 00:08:51,740

13th 1997 okay this is the reason why we

163

00:08:57,400 --> 00:08:54,140

have footage of what really happened

164

00:08:59,910 --> 00:08:57,410

that night okay we have footage of the

165

00:09:06,430 --> 00:08:59,920

light on the west side of South Mountain

166

00:09:09,250 --> 00:09:06,440

and and it's because of one gentleman by

167

00:09:12,430 --> 00:09:09,260

the name of Tom ting now there's been

168

00:09:16,060 --> 00:09:12,440

reports and the story has been spread

169

00:09:19,110 --> 00:09:16,070

the rumors have been spread then a craft

170

00:09:22,450 --> 00:09:19,120

went over Arizona and flew over Phoenix

171

00:09:26,500 --> 00:09:22,460

okay but yet it's been over 20 years now

172

00:09:29,710 --> 00:09:26,510

20 years on that one video has come

173

00:09:34,780 --> 00:09:29,720

forward on this information on this on

174

00:09:36,400 --> 00:09:34,790

this so-called crap going over Phoenix I

175

00:09:39,100 --> 00:09:36,410

have been investigating the Phoenix bike

176

00:09:40,960 --> 00:09:39,110

over 20 years now I am one of the

177

00:09:43,480 --> 00:09:40,970

component one of the most credible

178

00:09:45,880 --> 00:09:43,490

researchers here and Jenny goes on a

179

00:09:48,550 --> 00:09:45,890

knee and in the year follows your world

180

00:09:50,980 --> 00:09:48,560

when it comes to the Phoenix light and I

181

00:09:53,860 --> 00:09:50,990

can tell you I looked at all the angles

182

00:09:56,769 --> 00:09:53,870

to this and I can't find one shred of

183

00:09:59,500 --> 00:09:56,779

evidence proof that a crap whatever

184

00:10:02,560 --> 00:09:59,510

feigning okay so you have to really look

185

00:10:04,930 --> 00:10:02,570

at this okay so if hundreds or even

186

00:10:07,540 --> 00:10:04,940

thousands of people has witnessed a

187

00:10:10,240 --> 00:10:07,550

craft or something going over Phoenix

188

00:10:13,660 --> 00:10:10,250

Arizona and how come we haven't seen any

189

00:10:16,480 --> 00:10:13,670

video of the fit well we do see our life

190

00:10:19,060 --> 00:10:16,490

on the west side of Phoenix Arizona

191

00:10:21,730 --> 00:10:19,070

just doing a skirt just in a formation

192

00:10:24,850 --> 00:10:21,740

not going over the City of Phoenix but

193

00:10:29,079 --> 00:10:24,860

sitting in a formation of a arc

194

00:10:32,590 --> 00:10:29,089

none of these but an arc between the

195

00:10:35,680 --> 00:10:32,600

South Mountain and the Estrella Mountain

196

00:10:38,590 --> 00:10:35,690

and interest in destroying star mountain

197

00:10:41,230 --> 00:10:38,600

okay so he's fine we find these write

198

00:10:43,930 --> 00:10:41,240

the energy spot at the hot spot

199

00:10:47,410 --> 00:10:43,940

it's been a hot spot through all

200

00:10:49,600 --> 00:10:47,420

throughout time here getting started

201  
00:10:51,249 --> 00:10:49,610  
Arizona and also in the rain you haven't

202  
00:10:53,829 --> 00:10:51,259  
really had that gets up what how come

203  
00:10:55,480 --> 00:10:53,839  
why why are the lights long to leave

204  
00:10:58,150 --> 00:10:55,490  
mouth and there were these entities

205  
00:10:59,620 --> 00:10:58,160  
wrong do these mouth a bit it because

206  
00:11:02,590 --> 00:10:59,630  
these mountains around the valleys a

207  
00:11:05,350 --> 00:11:02,600  
firm were made by fault line and fault

208  
00:11:08,650 --> 00:11:05,360  
lines generate energy and it has

209  
00:11:10,960 --> 00:11:08,660  
everything to do with this fun and the

210  
00:11:14,439 --> 00:11:10,970  
fault lines on the earth the way the Sun

211  
00:11:16,990 --> 00:11:14,449  
moves across the moves across the sky

212  
00:11:19,660 --> 00:11:17,000  
moves around the earth and follows the

213  
00:11:23,379 --> 00:11:19,670

fault line so do these things in the sky

214

00:11:26,769 --> 00:11:23,389

they follow the energy pattern and this

215

00:11:29,139 --> 00:11:26,779

is one way to predict to predict that is

216

00:11:31,930 --> 00:11:29,149

scared how to do these things if you

217

00:11:34,329 --> 00:11:31,940

believe is to follow the stealin the

218

00:11:36,490 --> 00:11:34,339

follow the fin the track that's on the

219

00:11:38,800 --> 00:11:36,500

whole come we'll get into that here in a

220

00:11:42,460 --> 00:11:38,810

minute the whole commerce Sun Watchers

221

00:11:45,069 --> 00:11:42,470

okay and they understood thing to the

222

00:11:50,499 --> 00:11:45,079

sky they were waiting for these gods

223

00:11:53,350 --> 00:11:50,509

that you will to be in the presence to

224

00:11:55,990 --> 00:11:53,360

be aware of them you know I thought

225

00:11:57,790 --> 00:11:56,000

nothing I found many tomb we're going

226

00:12:01,360 --> 00:11:57,800

for that here a little bit later and

227

00:12:05,710 --> 00:12:01,370

lots of sacrificing author much as we

228

00:12:09,160 --> 00:12:05,720

find in Mexico there's a same thing here

229

00:12:11,679 --> 00:12:09,170

skinny they're gonna track the Mayan the

230

00:12:13,870 --> 00:12:11,689

mind put here in Phoenix Arizona awesome

231

00:12:16,329 --> 00:12:13,880

go gotta go we're gonna go into a lot of

232

00:12:19,720 --> 00:12:16,339

deep stuff but I have discovered that I

233

00:12:23,439 --> 00:12:19,730

can prove not here day mind you but

234

00:12:25,360 --> 00:12:23,449

proven stuff from document but I have

235

00:12:28,720 --> 00:12:25,370

uncovered in a public Phoenix library

236

00:12:31,629 --> 00:12:28,730

downtown Phoenix to the petroglyphs and

237

00:12:34,059 --> 00:12:31,639

the tombs I discovered on South Mountain

238

00:12:36,429 --> 00:12:34,069

and documented and photograph in place

239

00:12:38,259 --> 00:12:36,439

to my book I mean there's so much

240

00:12:41,970 --> 00:12:38,269

information there's so much stuff that

241

00:12:44,890 --> 00:12:41,980

hasn't been told in the last 80 years of

242

00:12:47,620 --> 00:12:44,900

fear of feeling there

243

00:12:51,430 --> 00:12:47,630

of the history of Phoenix Aragon it that

244

00:12:53,560 --> 00:12:51,440

include that include the few slight and

245

00:12:55,240 --> 00:12:53,570

these things that we'd be in a guide

246

00:12:58,120 --> 00:12:55,250

today mm-hmm

247

00:13:00,610 --> 00:12:58,130

man I've loved where you're going with

248

00:13:04,270 --> 00:13:00,620

this because I know that nobody knows

249

00:13:06,580 --> 00:13:04,280

Arizona in the ways weather emotionally

250

00:13:09,520 --> 00:13:06,590

spiritually and otherwise that you do

251  
00:13:12,160 --> 00:13:09,530  
you've been hiking the mountains you've

252  
00:13:14,140 --> 00:13:12,170  
been like man you dated us like I can't

253  
00:13:19,950 --> 00:13:14,150  
believe the Phoenix lights are 20 years

254  
00:13:24,550 --> 00:13:22,750  
1997 doesn't sound that like old to me

255  
00:13:28,300 --> 00:13:24,560  
but it's like on the west side of

256  
00:13:31,000 --> 00:13:28,310  
Phoenix that that arc that you mentioned

257  
00:13:35,160 --> 00:13:31,010  
not a triangle that arc between South

258  
00:13:38,290 --> 00:13:35,170  
Mountain and the Estrella mountains the

259  
00:13:40,210 --> 00:13:38,300  
the mountains kind of are around the

260  
00:13:42,100 --> 00:13:40,220  
valley of the Sun and I'm really glad

261  
00:13:43,870 --> 00:13:42,110  
that you mentioned that and I know that

262  
00:13:45,280 --> 00:13:43,880  
a lot of people probably were like wow

263  
00:13:46,540 --> 00:13:45,290

you know what do you mean people were

264

00:13:49,380 --> 00:13:46,550

like waiting around for this and it's

265

00:13:52,000 --> 00:13:49,390

like in a way they probably were because

266

00:13:56,230 --> 00:13:52,010

you understand the petroglyphs better

267

00:13:58,720 --> 00:13:56,240

than anyone I know and the things in the

268

00:14:01,090 --> 00:13:58,730

sky the things in the water they call

269

00:14:05,530 --> 00:14:01,100

them UFOs you SOS there's all kinds of

270

00:14:07,840 --> 00:14:05,540

crazy scenarios but I love that you are

271

00:14:10,810 --> 00:14:07,850

kind of shying away from this nuts and

272

00:14:12,160 --> 00:14:10,820

bolts the nuts and bolts theories just

273

00:14:25,030 --> 00:14:12,170

don't add up

274

00:14:27,130 --> 00:14:25,040

can you go into that yeah that the nuts

275

00:14:30,040 --> 00:14:27,140

and bolts theories just don't add up and

276

00:14:31,900 --> 00:14:30,050

I love that you're you know following

277

00:14:33,220 --> 00:14:31,910

the energy you know people say follow

278

00:14:35,670 --> 00:14:33,230

the money while you're following the

279

00:14:38,860 --> 00:14:35,680

fault lines generating the energy and

280

00:14:41,710 --> 00:14:38,870

these spirals that follow the seasons

281

00:14:43,600 --> 00:14:41,720

and I love that you said gods and then

282

00:14:47,080 --> 00:14:43,610

you're like oh wait wait but it's true

283

00:14:50,590 --> 00:14:47,090

these it is true when you when you look

284

00:14:52,210 --> 00:14:50,600

back and you talk about these we and

285

00:14:54,310 --> 00:14:52,220

anyone talks about these indigenous

286

00:14:55,900 --> 00:14:54,320

people that were literally seeing things

287

00:14:59,530 --> 00:14:55,910

in the sky

288

00:15:03,160 --> 00:14:59,540

these were for all intents and purposes

289

00:15:07,580 --> 00:15:03,170

gods because they were not like us and

290

00:15:09,440 --> 00:15:07,590

you know they were sun watchers and you

291

00:15:12,530 --> 00:15:09,450

know the west side a sound Sun mountain

292

00:15:15,200 --> 00:15:12,540

that you mentioned you know this is a

293

00:15:17,420 --> 00:15:15,210

big deal and these these may very well

294

00:15:20,750 --> 00:15:17,430

be like you these are entities and I

295

00:15:23,360 --> 00:15:20,760

spoke recently with somebody nearby

296

00:15:26,330 --> 00:15:23,370

Arizona not a bean he was in New Mexico

297

00:15:28,580 --> 00:15:26,340

Norio Hayakawa and he referred to them

298

00:15:32,000 --> 00:15:28,590

as pair of physical entities and I love

299

00:15:34,370 --> 00:15:32,010

that because I do believe that they are

300

00:15:37,250 --> 00:15:34,380

in fact alive in some way shape or form

301  
00:15:38,540 --> 00:15:37,260  
and these spirals that man I'm hitting

302  
00:15:40,400 --> 00:15:38,550  
you with I'm hitting you from all

303  
00:15:44,830 --> 00:15:40,410  
directions but you I love where you're

304  
00:15:48,860 --> 00:15:44,840  
going the spirals I will get to that but

305  
00:15:51,350 --> 00:15:48,870  
getting back to the importance of these

306  
00:15:55,910 --> 00:15:51,360  
not necessarily being triangles in the

307  
00:15:59,330 --> 00:15:55,920  
skies more like arts and not being nuts

308  
00:16:02,570 --> 00:15:59,340  
and bolts more like biological entities

309  
00:16:04,370 --> 00:16:02,580  
or things that are maybe not alive the

310  
00:16:13,030 --> 00:16:04,380  
way we are but they're still alive could

311  
00:16:18,320 --> 00:16:13,040  
you go into that a bit you know in 2004

312  
00:16:20,870 --> 00:16:18,330  
you know I was I was I was I was born

313  
00:16:24,500 --> 00:16:20,880

and raised here and thanks Arizona I'm

314

00:16:28,780 --> 00:16:24,510

not saying tomato and so you know I was

315

00:16:32,090 --> 00:16:28,790

out I was outside that night during the

316

00:16:35,330 --> 00:16:32,100

1997 seeing slice of that bandicam like

317

00:16:36,950 --> 00:16:35,340

I perfect and honestly say you know I was

318

00:16:40,040 --> 00:16:36,960

a witness there wasn't anything that

319

00:16:43,340 --> 00:16:40,050

flew over think that night only people

320

00:16:45,520 --> 00:16:43,350

that are out you know to make a profit

321

00:16:48,500 --> 00:16:45,530

off this and I think that they're really

322

00:16:50,870 --> 00:16:48,510

sad it's really sad that people are

323

00:16:52,490 --> 00:16:50,880

trying to exploit people to be right not

324

00:16:55,880 --> 00:16:52,500

trying to figure out what exactly is

325

00:16:59,990 --> 00:16:55,890

going on and that's the whole point to

326

00:17:03,830 --> 00:17:00,000

my research is to find out exactly what

327

00:17:05,810 --> 00:17:03,840

was going on here so you know Haman was

328

00:17:06,840 --> 00:17:05,820

being you know wouldn't really started

329

00:17:09,179 --> 00:17:06,850

me on this path

330

00:17:11,909 --> 00:17:09,189

you know it's doing things on the sky

331

00:17:14,879 --> 00:17:11,919

you know a way before I connected the

332

00:17:16,470 --> 00:17:14,889

petroglyphs and you know it so made me

333

00:17:18,840 --> 00:17:16,480

it made me want to go out and touch

334

00:17:21,090 --> 00:17:18,850

figure out what these things are and so

335

00:17:25,379 --> 00:17:21,100

I started studying everything I could

336

00:17:28,499 --> 00:17:25,389

about these things on the sky and so I

337

00:17:32,820 --> 00:17:28,509

remember I finished Phoenix 90 in 2004

338

00:17:35,070 --> 00:17:32,830

and the news helicopter they're gonna

339

00:17:37,860 --> 00:17:35,080

string to life again

340

00:17:39,560 --> 00:17:37,870

on the west side of Phoenix now if you

341

00:17:44,190 --> 00:17:39,570

remember I mentioned about Tom Kane

342

00:17:48,119 --> 00:17:44,200

mm-hmm a UFO Skywalker I'm out here in

343

00:17:50,310 --> 00:17:48,129

spinning fair ball like that on a

344

00:17:52,320 --> 00:17:50,320

regular basis and this is I can honestly

345

00:17:56,310 --> 00:17:52,330

tell you because there were sky watchers

346

00:17:58,619 --> 00:17:56,320

March 13 1997 never ready for these

347

00:18:00,269 --> 00:17:58,629

lights and if anything would have to

348

00:18:02,249 --> 00:18:00,279

overthink they would have video that

349

00:18:04,350 --> 00:18:02,259

they little bit of day but they would

350

00:18:07,769 --> 00:18:04,360

have caught it on down yeah nothing of a

351

00:18:09,779 --> 00:18:07,779

sort actually occurred to this matter

352

00:18:13,350 --> 00:18:09,789

but what I what actually happened was

353

00:18:15,509 --> 00:18:13,360

like Allah on the website remember you

354

00:18:17,909 --> 00:18:15,519

know years back cuz he was chasin easily

355

00:18:20,490 --> 00:18:17,919

he was still in his life you know years

356

00:18:23,039 --> 00:18:20,500

ago and I remember it was he was in the

357

00:18:25,950 --> 00:18:23,049

east side of South Mountain and turn the

358

00:18:29,669 --> 00:18:25,960

lights out there so in the summer 2004

359

00:18:31,230 --> 00:18:29,679

the news helicopters irritating good cop

360

00:18:33,659 --> 00:18:31,240

they captured some lights on the West

361

00:18:35,430 --> 00:18:33,669

but I knew I kinda had a feeling I

362

00:18:36,899 --> 00:18:35,440

should go to the east side because

363

00:18:40,769 --> 00:18:36,909

that's where calm with that you know

364

00:18:42,749 --> 00:18:40,779

most the mostly but she got the yeah the

365

00:18:44,759 --> 00:18:42,759

lights right there in front of all my 13

366

00:18:46,619 --> 00:18:44,769

on the west side but he actually lived

367

00:18:49,830 --> 00:18:46,629

on the east side so he was Perry it was

368

00:18:51,060 --> 00:18:49,840

like a it was it was great that he was

369

00:18:53,070 --> 00:18:51,070

there at the right place at the right

370

00:18:55,230 --> 00:18:53,080

time like there's paints actually built

371

00:18:59,190 --> 00:18:55,240

they actually what happened

372

00:18:59,840 --> 00:18:59,200

and so in 2004 he begged to go to the

373

00:19:02,490 --> 00:18:59,850

east side

374

00:19:04,980 --> 00:19:02,500

you know the nudist cause capture him I

375

00:19:07,259 --> 00:19:04,990

knew the lights were here and so I was

376

00:19:10,289 --> 00:19:07,269

gonna come down so I moved out there

377

00:19:13,560 --> 00:19:10,299

kanata that's on the east side of

378

00:19:14,120 --> 00:19:13,570

Phoenix that is on and so every night I

379

00:19:16,370 --> 00:19:14,130

would just

380

00:19:18,830 --> 00:19:16,380

out there and I can do the direction to

381

00:19:20,510 --> 00:19:18,840

look you know and towards you know the

382

00:19:22,120 --> 00:19:20,520

south west

383

00:19:24,680 --> 00:19:22,130

I kind of was looking out that direction

384

00:19:27,200 --> 00:19:24,690

because that's where tom was telling a

385

00:19:30,230 --> 00:19:27,210

man kind of watch anything and long

386

00:19:32,750 --> 00:19:30,240

behold I had two orange amber white have

387

00:19:35,540 --> 00:19:32,760

appeared a few miles of front in front

388

00:19:37,970 --> 00:19:35,550

of me and then we're going on what they

389

00:19:39,650 --> 00:19:37,980

were going towards stuff mouths him sure

390

00:19:42,290 --> 00:19:39,660

they would reach stuff not they would

391

00:19:44,270 --> 00:19:42,300

disappear and then two more orange amber

392

00:19:46,160 --> 00:19:44,280

lights will appear in front of me and

393

00:19:48,800 --> 00:19:46,170

head towards the mountain and then

394

00:19:50,060 --> 00:19:48,810

disappear well this one I like three or

395

00:19:51,920 --> 00:19:50,070

four times now it was the very first

396

00:19:54,470 --> 00:19:51,930

time I actually got something like that

397

00:19:56,420 --> 00:19:54,480

out bill and I said what up my son and I

398

00:19:59,960 --> 00:19:56,430

we went out there and we waited for the

399

00:20:01,940 --> 00:19:59,970

next couple bags of anything so my my

400

00:20:03,470 --> 00:20:01,950

can gonna let you know what let's follow

401  
00:20:05,270 --> 00:20:03,480  
the light but see where they're going

402  
00:20:10,250 --> 00:20:05,280  
they're going with did they want me to

403  
00:20:14,060 --> 00:20:10,260  
fall you know so I ended up finding Mesa

404  
00:20:15,890 --> 00:20:14,070  
Community College and I climbed upon

405  
00:20:18,380 --> 00:20:15,900  
their setup leechers well the football

406  
00:20:19,910 --> 00:20:18,390  
games you know incorrect so I went up on

407  
00:20:21,920 --> 00:20:19,920  
their bleachers like it see the whole

408  
00:20:25,970 --> 00:20:21,930  
city I could see the whole sky light

409  
00:20:29,050 --> 00:20:25,980  
there and so the whole summer I said

410  
00:20:32,120 --> 00:20:29,060  
right there on top of those bleachers

411  
00:20:35,000 --> 00:20:32,130  
watching the skies and all behold those

412  
00:20:37,700 --> 00:20:35,010  
life would appear right in front of us

413  
00:20:40,160 --> 00:20:37,710

few miles in front of us on the east

414

00:20:44,270 --> 00:20:40,170

side of South Mountain that pretty much

415

00:20:46,490 --> 00:20:44,280

the whole summer of 2004 I was getting

416

00:20:49,460 --> 00:20:46,500

lightning bolt formations I was getting

417

00:20:52,640 --> 00:20:49,470

white triangle formation I was getting

418

00:20:55,700 --> 00:20:52,650

dots in the sky that were a mile along I

419

00:20:57,440 --> 00:20:55,710

mean it was it was crazy every night my

420

00:21:00,110 --> 00:20:57,450

son and I my friends would go out there

421

00:21:02,390 --> 00:21:00,120

and we set up our tripods and cameras

422

00:21:05,720 --> 00:21:02,400

and we'd watch these like hovering over

423

00:21:09,290 --> 00:21:05,730

the sand spot okay so I never saw him

424

00:21:11,240 --> 00:21:09,300

again on the east side you know when I

425

00:21:13,280 --> 00:21:11,250

first saw man you know I never saw a

426

00:21:16,100 --> 00:21:13,290

little there they they I actually

427

00:21:18,500 --> 00:21:16,110

followed them they wanted me to follow

428

00:21:20,450 --> 00:21:18,510

them and I did and i sat there all

429

00:21:24,980 --> 00:21:20,460

summer and I watched these lights

430

00:21:26,080 --> 00:21:24,990

hovering appearing over this major major

431

00:21:28,480 --> 00:21:26,090

toll

432

00:21:31,120 --> 00:21:28,490

plant there's an electrical power plant

433

00:21:36,490 --> 00:21:31,130

out there that oil down into the fault

434

00:21:39,070 --> 00:21:36,500

line and I remember you know seeing

435

00:21:41,350 --> 00:21:39,080

these light over the pile of burning

436

00:21:44,980 --> 00:21:41,360

nuclear power plant I was sitting

437

00:21:48,310 --> 00:21:44,990

spiograph years ago and I remember just

438

00:21:50,470 --> 00:21:48,320

before I went out there I haven't saw

439

00:21:52,180 --> 00:21:50,480

something on the news that they were

440

00:21:53,740 --> 00:21:52,190

going to shut down some of this polymer

441

00:21:56,260 --> 00:21:53,750

they knew Philip our plan turned on the

442

00:21:59,920 --> 00:21:56,270

electrical power plan for the summer of

443

00:22:02,020 --> 00:21:59,930

2004 and when they did it attracted and

444

00:22:03,940 --> 00:22:02,030

attracted these white to these power

445

00:22:07,470 --> 00:22:03,950

plants to the spotlight on South

446

00:22:09,540 --> 00:22:07,480

Mountain well about a year later

447

00:22:14,350 --> 00:22:09,550

investigating but with you know

448

00:22:17,980 --> 00:22:14,360

investigating the whole calm and some of

449

00:22:19,690 --> 00:22:17,990

the ancient structures some of the old

450

00:22:21,790 --> 00:22:19,700

ruins that were out there were out there

451  
00:22:23,320 --> 00:22:21,800  
one time I came across this old nap that

452  
00:22:26,110 --> 00:22:23,330  
hasn't been seen in a tiara

453  
00:22:28,180 --> 00:22:26,120  
and it shows it shows that the holcom

454  
00:22:31,060 --> 00:22:28,190  
used to live right there where that

455  
00:22:33,010 --> 00:22:31,070  
power plant used to be right there with

456  
00:22:35,500 --> 00:22:33,020  
a power plant stands today so the whole

457  
00:22:37,900 --> 00:22:35,510  
calm used to live right there at that

458  
00:22:41,410 --> 00:22:37,910  
energy spot day this is the reason why

459  
00:22:43,330 --> 00:22:41,420  
they live on the mountains and they live

460  
00:22:45,520 --> 00:22:43,340  
close to these things and all of these

461  
00:22:47,980 --> 00:22:45,530  
things would appear in the sky or come

462  
00:22:50,260 --> 00:22:47,990  
out of the ground they would live there

463  
00:22:51,910 --> 00:22:50,270

they would they would make their Hogan

464

00:22:54,430 --> 00:22:51,920

the nerd there and they would make their

465

00:22:56,980 --> 00:22:54,440

cities and spots around around the

466

00:22:59,380 --> 00:22:56,990

valley on where these things would come

467

00:23:03,370 --> 00:22:59,390

and go from I'm gonna get as close as

468

00:23:06,670 --> 00:23:03,380

they could did their God and so in 2004

469

00:23:09,130 --> 00:23:06,680

I'm saving these life you know and I'm

470

00:23:11,950 --> 00:23:09,140

like hey you know I'm calling the news

471

00:23:14,020 --> 00:23:11,960

dude I'm calling it and I'm I heard

472

00:23:16,750 --> 00:23:14,030

nobody else seeing these light you know

473

00:23:18,970 --> 00:23:16,760

I've got I've got a whole bunch of video

474

00:23:22,240 --> 00:23:18,980

of these things man well it took him a

475

00:23:26,410 --> 00:23:22,250

few weeks to get a hold of me and in

476

00:23:30,010 --> 00:23:26,420

2004 I ended up doing about four or five

477

00:23:33,370 --> 00:23:30,020

news reports that summer no no no I'm

478

00:23:36,000 --> 00:23:33,380

still I'm still thinking hey where the

479

00:23:38,430 --> 00:23:36,010

crash at what is

480

00:23:42,390 --> 00:23:38,440

everybody's reported right you know what

481

00:23:45,539 --> 00:23:42,400

would cause that period class like less

482

00:23:49,890 --> 00:23:45,549

information I have been any crap you

483

00:23:53,400 --> 00:23:49,900

know and so the end result the news

484

00:23:57,180 --> 00:23:53,410

report is that everybody was being a

485

00:23:58,950 --> 00:23:57,190

hundred fifty miles away in Tucson and

486

00:24:01,610 --> 00:23:58,960

dirty smarts and Air Force Base and

487

00:24:04,590 --> 00:24:01,620

that's crazy people you can clearly tell

488

00:24:06,720 --> 00:24:04,600

these light are in the city and they're

489

00:24:11,330 --> 00:24:06,730

over people's houses and it's next to

490

00:24:19,919 --> 00:24:16,950

and so tired to this prior to this I

491

00:24:22,530 --> 00:24:19,929

remember watching a Native American

492

00:24:24,330 --> 00:24:22,540

shaman who worked there at the puzzle

493

00:24:26,850 --> 00:24:24,340

Indian Army's doing spinning turbine I

494

00:24:29,539 --> 00:24:26,860

fell on television he's doing a tour

495

00:24:32,640 --> 00:24:29,549

he's doing a tour on South Mountain and

496

00:24:34,350 --> 00:24:32,650

he's showing some stick figure guys

497

00:24:37,710 --> 00:24:34,360

they're you know showing the rock art

498

00:24:40,710 --> 00:24:37,720

carving with it and one of the guys says

499

00:24:43,140 --> 00:24:40,720

hey you know it looks like it looks like

500

00:24:46,380 --> 00:24:43,150

that this guy is looking up at something

501  
00:24:49,230 --> 00:24:46,390  
in the sky and then automatically the

502  
00:24:51,750 --> 00:24:49,240  
the shaman turn around and said yes this

503  
00:24:56,039 --> 00:24:51,760  
is part of the interpretations out here

504  
00:24:58,950 --> 00:24:56,049  
is that our ancestors saw and recorded

505  
00:24:59,610 --> 00:24:58,960  
things in the sky and I'm like wait a

506  
00:25:02,100 --> 00:24:59,620  
minute

507  
00:25:04,680 --> 00:25:02,110  
I'm oldest for dear life all went over

508  
00:25:07,350 --> 00:25:04,690  
my head I was like dude we have strange

509  
00:25:10,080 --> 00:25:07,360  
lights in the sky now we have strange

510  
00:25:13,799 --> 00:25:10,090  
begins on the rock down here it has to

511  
00:25:15,690 --> 00:25:13,809  
be a connection so in 2005 after the

512  
00:25:18,210 --> 00:25:15,700  
flare incident with all the lies out

513  
00:25:21,539 --> 00:25:18,220

there that what they're trying to say

514

00:25:22,560 --> 00:25:21,549

I'm seeing players I'm like dude that's

515

00:25:27,080 --> 00:25:22,570

impossible

516

00:25:30,210 --> 00:25:27,090

you know because all their all the

517

00:25:32,100 --> 00:25:30,220

information and I'm gathering here it's

518

00:25:35,669 --> 00:25:32,110

been like mountains where the source

519

00:25:37,560 --> 00:25:35,679

mountains were the hot spots to see

520

00:25:39,900 --> 00:25:37,570

these fighting dad I'm doing my

521

00:25:43,590 --> 00:25:39,910

investigation them I'm reading up on the

522

00:25:45,990 --> 00:25:43,600

stories on on the some of the ancestors

523

00:25:48,210 --> 00:25:46,000

we came down the mountain yeah oh my

524

00:25:49,980 --> 00:25:48,220

good I saw these things headed towards

525

00:25:51,870 --> 00:25:49,990

out mouth that I saw these things right

526

00:25:54,720 --> 00:25:51,880

there next to South Mountain rollin how

527

00:25:56,760 --> 00:25:54,730

about in 2005 I moved to South Mountain

528

00:25:58,860 --> 00:25:56,770

and I watch and see what I can get

529

00:26:02,130 --> 00:25:58,870

during the day so and that's exactly

530

00:26:04,080 --> 00:26:02,140

what I did I went out to the east side

531

00:26:08,120 --> 00:26:04,090

of South mouth and I sat there for

532

00:26:11,190 --> 00:26:08,130

almost three years and doing so I

533

00:26:13,380 --> 00:26:11,200

witnessed a lot of crazy things coming

534

00:26:15,450 --> 00:26:13,390

and going from my mouth there and I can

535

00:26:19,620 --> 00:26:15,460

tell you it wasn't spaceship there

536

00:26:21,299 --> 00:26:19,630

wasn't crap okay and so I called up Dave

537

00:26:23,549 --> 00:26:21,309

and I was like you know what I saw you

538

00:26:26,100 --> 00:26:23,559

on television you know you're talking

539

00:26:29,130 --> 00:26:26,110

about the petroglyph can you go up there

540

00:26:30,750 --> 00:26:29,140

and can you show me the glyphs and then

541

00:26:33,510 --> 00:26:30,760

you know talk about you know so many

542

00:26:35,010 --> 00:26:33,520

interpretations out here so he agreed

543

00:26:36,750 --> 00:26:35,020

and we went out there and spent a couple

544

00:26:39,029 --> 00:26:36,760

hours out there I'll stop now but he

545

00:26:41,010 --> 00:26:39,039

talked about the spiral he talked about

546

00:26:43,529 --> 00:26:41,020

the lizard people he talked about the

547

00:26:45,899 --> 00:26:43,539

giant alright he talked about this whole

548

00:26:48,180 --> 00:26:45,909

kind of crazy stuff right and he's

549

00:26:51,330 --> 00:26:48,190

telling me is telling me that these

550

00:26:53,190 --> 00:26:51,340

spirals represent doorways and and when

551  
00:26:56,430 --> 00:26:53,200  
it's carved on the rocks here that's

552  
00:26:59,399 --> 00:26:56,440  
sometimes when the spirals end down is

553  
00:27:02,340 --> 00:26:59,409  
talking about the plastic let's the

554  
00:27:05,340 --> 00:27:02,350  
crevices and the boulders in the stone

555  
00:27:06,510 --> 00:27:05,350  
that are the doorway for the underworld

556  
00:27:09,090 --> 00:27:06,520  
to the Otherworld

557  
00:27:11,760 --> 00:27:09,100  
all right so I'm thinking to myself how

558  
00:27:14,970 --> 00:27:11,770  
can a big spaceship right I'm thinking

559  
00:27:18,360 --> 00:27:14,980  
craft did having a big spaceship getting

560  
00:27:21,510 --> 00:27:18,370  
a little crack like that right until I

561  
00:27:24,720 --> 00:27:21,520  
finally understood that it's not craft

562  
00:27:26,909 --> 00:27:24,730  
that we're dealing with it inner spirit

563  
00:27:32,190 --> 00:27:26,919

the Native Americans like the calm is

564

00:27:35,760 --> 00:27:32,200

ended living being okay and I have seen

565

00:27:38,070 --> 00:27:35,770

anything coming and going so stop now

566

00:27:41,399 --> 00:27:38,080

and going within the mouth and coming

567

00:27:43,289 --> 00:27:41,409

out of the mouth and finding down on the

568

00:27:45,180 --> 00:27:43,299

mouth and understand why they call these

569

00:27:47,010 --> 00:27:45,190

days spirits is because when they're

570

00:27:50,760 --> 00:27:47,020

high in the sky when it's starting to

571

00:27:53,370 --> 00:27:50,770

come down to go into the door to go into

572

00:27:54,310 --> 00:27:53,380

the vortex bore there this solid there

573

00:27:57,070 --> 00:27:54,320

shape-shift

574

00:27:59,499 --> 00:27:57,080

they're changing colors and as they get

575

00:28:01,330 --> 00:27:59,509

closer to the mountain then all of a

576

00:28:03,279 --> 00:28:01,340

sudden you can can speed through them

577

00:28:05,499 --> 00:28:03,289

they're like a ghost right I like them

578

00:28:07,210 --> 00:28:05,509

spirit and then they come down the

579

00:28:09,759 --> 00:28:07,220

mountain and then they just absorb

580

00:28:12,039 --> 00:28:09,769

themselves into the rock and then

581

00:28:14,799 --> 00:28:12,049

anything is when they come out when they

582

00:28:16,480 --> 00:28:14,809

come out of the mountains big nothing is

583

00:28:18,639 --> 00:28:16,490

there and all of a sudden something is

584

00:28:20,320 --> 00:28:18,649

there you can kind of see something

585

00:28:22,240 --> 00:28:20,330

there something's not there what the

586

00:28:24,879 --> 00:28:22,250

hell is it you know right and then it

587

00:28:27,070 --> 00:28:24,889

goes up into the sky and it becomes more

588

00:28:29,830 --> 00:28:27,080

solid and then it starts to shape-shift

589

00:28:32,470 --> 00:28:29,840

it starts to change colors it's alive

590

00:28:34,990 --> 00:28:32,480

it's looking at people on the ground

591

00:28:38,560 --> 00:28:35,000

it's looking at me looking at the sky

592

00:28:40,600 --> 00:28:38,570

it's alive and then I just kind of

593

00:28:45,249 --> 00:28:40,610

disappeared it goes on it's very way

594

00:28:48,519 --> 00:28:45,259

yeah and I saw and actually actually I

595

00:28:52,419 --> 00:28:48,529

followed I wasn't I was the first one to

596

00:28:54,909 --> 00:28:52,429

discover these entities a night 2005 and

597

00:28:58,419 --> 00:28:54,919

I was the first one to film a flying

598

00:29:01,810 --> 00:28:58,429

serpent here in Phoenix Arizona not only

599

00:29:04,600 --> 00:29:01,820

big but in the United States and

600

00:29:07,600 --> 00:29:04,610

actually what this serpent did is the

601  
00:29:09,220 --> 00:29:07,610  
tomato style mountain for the valley and

602  
00:29:11,490 --> 00:29:09,230  
went into another mountain on the other

603  
00:29:14,049 --> 00:29:11,500  
side of Phoenix Arizona

604  
00:29:16,659 --> 00:29:14,059  
so after them you know watching these

605  
00:29:18,580 --> 00:29:16,669  
things and I'm making my discoveries I'm

606  
00:29:20,440 --> 00:29:18,590  
going out there on the mountains and and

607  
00:29:22,240 --> 00:29:20,450  
you know I saw something I thought this

608  
00:29:24,789 --> 00:29:22,250  
flying serpent you don't come out of the

609  
00:29:27,879 --> 00:29:24,799  
mountain right so I go out to the spot

610  
00:29:31,060 --> 00:29:27,889  
was and long behold I find a spiral and

611  
00:29:32,980 --> 00:29:31,070  
I man looking up at a flying snake like

612  
00:29:36,310 --> 00:29:32,990  
no one has ever done this before no one

613  
00:29:38,710 --> 00:29:36,320

has ever made a connection has actually

614

00:29:40,659 --> 00:29:38,720

proven that the Native Americans were

615

00:29:42,490 --> 00:29:40,669

actually seeing strange things there

616

00:29:45,009 --> 00:29:42,500

there were carving strange things on the

617

00:29:47,350 --> 00:29:45,019

rock because up and to this point it was

618

00:29:49,299 --> 00:29:47,360

just a theory always been to Native

619

00:29:51,100 --> 00:29:49,309

Americans we all saw things in the sky

620

00:29:53,019 --> 00:29:51,110

in cars it on the rocks we when you

621

00:29:55,450 --> 00:29:53,029

think this and we think that but now

622

00:29:57,970 --> 00:29:55,460

over the last three years ago living by

623

00:30:00,279 --> 00:29:57,980

South Mountain I proved it I proved it

624

00:30:02,379 --> 00:30:00,289

this is a whole new topic about the

625

00:30:04,150 --> 00:30:02,389

panic place so that's why I brought this

626

00:30:07,060 --> 00:30:04,160

to the news I brought my

627

00:30:07,510 --> 00:30:07,070

my findings my evidence my proof didn't

628

00:30:09,430 --> 00:30:07,520

it

629

00:30:11,680 --> 00:30:09,440

and lo and behold they cannot yet they

630

00:30:13,840 --> 00:30:11,690

ended up and then again I'm starting

631

00:30:16,410 --> 00:30:13,850

doing more to support been more news

632

00:30:19,360 --> 00:30:16,420

important and this was around the 2005

633

00:30:22,570 --> 00:30:19,370

now the UFO Horror Show in ancient

634

00:30:23,260 --> 00:30:22,580

aliens TV series wasn't on television at

635

00:30:28,420 --> 00:30:23,270

that time

636

00:30:32,200 --> 00:30:28,430

matter of fact Pat Oscar was the concept

637

00:30:34,990 --> 00:30:32,210

he was him and Bill burns the creator of

638

00:30:39,640 --> 00:30:35,000

youthful magazine after I wrote an

639

00:30:42,300 --> 00:30:39,650

article for UFO magazine in 2005 patos

640

00:30:45,100 --> 00:30:42,310

decided to come out and actually film

641

00:30:47,020 --> 00:30:45,110

fill me up there on South Mountain and

642

00:30:49,390 --> 00:30:47,030

this actually and to talk about the

643

00:30:53,440 --> 00:30:49,400

Patrick let's talk about the sky spread

644

00:30:55,840 --> 00:30:53,450

and this was actually the pilot for the

645

00:30:59,940 --> 00:30:55,850

ancient aliens series and also for the

646

00:31:03,580 --> 00:30:59,950

year for show on the History Channel

647

00:31:06,280 --> 00:31:03,590

after a few years after the UFO has show

648

00:31:08,140 --> 00:31:06,290

finally aired because Hollywood death

649

00:31:13,330 --> 00:31:08,150

for about two years before somebody

650

00:31:16,030 --> 00:31:13,340

finally picked it up but that here for

651  
00:31:19,780 --> 00:31:16,040  
honey show aired on History Channel they

652  
00:31:21,880 --> 00:31:19,790  
came back out with me in 2007 and we

653  
00:31:23,710 --> 00:31:21,890  
went to a miller mountain on the west

654  
00:31:25,240 --> 00:31:23,720  
side the white tank mountains because I

655  
00:31:27,100 --> 00:31:25,250  
felt that there was better seeing me

656  
00:31:29,230 --> 00:31:27,110  
it's better for the cameras there's a

657  
00:31:30,880 --> 00:31:29,240  
whole lot of Petra goes there and it's

658  
00:31:32,710 --> 00:31:30,890  
talking about the same fantasies you

659  
00:31:35,260 --> 00:31:32,720  
know so I took them up there and and

660  
00:31:37,300 --> 00:31:35,270  
then tell me they're telling me now Jeff

661  
00:31:40,450 --> 00:31:37,310  
when you're talking about these things

662  
00:31:44,380 --> 00:31:40,460  
don't go saying spirit don't go stand

663  
00:31:46,480 --> 00:31:44,390

entities don't go thing angel he's like

664

00:31:47,980 --> 00:31:46,490

the public is not ready for that like

665

00:31:51,070 --> 00:31:47,990

you know what you're filming some

666

00:31:52,780 --> 00:31:51,080

bizarre stuff did you know and if you're

667

00:31:55,300 --> 00:31:52,790

gonna refer to this and you have a

668

00:31:59,050 --> 00:31:55,310

comment you're selling crack I don't

669

00:32:01,270 --> 00:31:59,060

think you know that's just crazy because

670

00:32:03,250 --> 00:32:01,280

you know the public better get ready for

671

00:32:05,620 --> 00:32:03,260

this because this is what's really going

672

00:32:07,390 --> 00:32:05,630

on here you know I have proven this I've

673

00:32:09,940 --> 00:32:07,400

documented this you know this look

674

00:32:12,040 --> 00:32:09,950

really here and so I ended up doing the

675

00:32:13,450 --> 00:32:12,050

show and you know I was just tired you

676  
00:32:14,890 --> 00:32:13,460  
know I think we better take a look take

677  
00:32:16,100 --> 00:32:14,900  
a look at these testicle is there

678  
00:32:19,340 --> 00:32:16,110  
because it

679  
00:32:22,190 --> 00:32:19,350  
well yep and this is whole new subject

680  
00:32:24,380 --> 00:32:22,200  
to the UFO phenomenon you know no one

681  
00:32:26,780 --> 00:32:24,390  
has really discovered it this guy and

682  
00:32:29,000 --> 00:32:26,790  
then like seven is really started here

683  
00:32:31,520 --> 00:32:29,010  
within like seven to ten years later

684  
00:32:33,710 --> 00:32:31,530  
people are emailing me did I saw you on

685  
00:32:35,270 --> 00:32:33,720  
TV I on the History Channel

686  
00:32:36,860 --> 00:32:35,280  
you know you're talking about flying

687  
00:32:38,390 --> 00:32:36,870  
snakes you know it's talking about the

688  
00:32:40,910 --> 00:32:38,400

penis bikes and the carvings you know

689

00:32:44,390 --> 00:32:40,920

hey I saw a flying fake the other day

690

00:32:46,940 --> 00:32:44,400

well I started all this I thought I was

691

00:32:51,950 --> 00:32:46,950

the original sport to the city's

692

00:32:54,530 --> 00:32:51,960

entities phenomenon discovery and matter

693

00:32:58,010 --> 00:32:54,540

of fact there's a lot of discovery

694

00:33:00,980 --> 00:32:58,020

sources that the public just isn't aware

695

00:33:04,460 --> 00:33:00,990

of yet and it's getting taken it's taken

696

00:33:07,539 --> 00:33:04,470

some of these so-called UFO experts to

697

00:33:10,220 --> 00:33:07,549

admit that what I've discovered is true

698

00:33:12,049 --> 00:33:10,230

and but they're finally getting there

699

00:33:14,450 --> 00:33:12,059

they're finally catching up to my work

700

00:33:16,610 --> 00:33:14,460

I'm so far ahead of all these full of

701  
00:33:18,500 --> 00:33:16,620  
people did you know it gets frustrating

702  
00:33:21,080 --> 00:33:18,510  
because you know you've done your

703  
00:33:23,330 --> 00:33:21,090  
homework do you find out exactly what

704  
00:33:25,820 --> 00:33:23,340  
blood going on but now you gotta wait

705  
00:33:27,440 --> 00:33:25,830  
you got to sit back and wait for the

706  
00:33:29,620 --> 00:33:27,450  
public and for these those people to

707  
00:33:33,020 --> 00:33:29,630  
catch up to your work but eventually

708  
00:33:37,669 --> 00:33:33,030  
they will and I'm here to tell you I am

709  
00:33:40,700 --> 00:33:37,679  
the source of many discoveries I in this

710  
00:33:43,070 --> 00:33:40,710  
beautiful field and you can see can push

711  
00:33:44,539 --> 00:33:43,080  
my name on the intern and you can first

712  
00:33:46,460 --> 00:33:44,549  
cut your glutes in the sky on the

713  
00:33:50,780 --> 00:33:46,470

internet you can see all this crazy

714

00:33:52,789 --> 00:33:50,790

stuff I've been paying wait 2005 you

715

00:33:54,590 --> 00:33:52,799

know I'm in saying this but now some of

716

00:33:56,960 --> 00:33:54,600

these UFO expert they're just now

717

00:33:58,760 --> 00:33:56,970

bringing with my findings and his weapon

718

00:34:02,030 --> 00:33:58,770

17 years later or so

719

00:34:05,450 --> 00:34:02,040

yeah 16 years later it was like man you

720

00:34:07,730 --> 00:34:05,460

know so it's it's been a fun ride but

721

00:34:10,129 --> 00:34:07,740

it's also been a frustrating ride yeah

722

00:34:12,740 --> 00:34:10,139

because you're like dude you discovered

723

00:34:14,720 --> 00:34:12,750

something completely new and now you

724

00:34:19,220 --> 00:34:14,730

have to wait though like you know

725

00:34:24,080 --> 00:34:19,230

catches up and but you know it's there

726

00:34:26,990 --> 00:34:24,090

and it's true you know what you're right

727

00:34:29,870 --> 00:34:27,000

and you're right on so many levels I

728

00:34:31,460 --> 00:34:29,880

love that Pat and Bill I love Pat Oh

729

00:34:33,470 --> 00:34:31,470

skirt and bill birnes I love that they

730

00:34:37,250 --> 00:34:33,480

said the public wasn't ready for this

731

00:34:40,010 --> 00:34:37,260

because like you said this is

732

00:34:41,870 --> 00:34:40,020

exploitation it's it's not the answer

733

00:34:44,030 --> 00:34:41,880

many are finding that out

734

00:34:48,470 --> 00:34:44,040

but I think there's just too much money

735

00:34:50,690 --> 00:34:48,480

to be made in between and I agree with

736

00:34:53,540 --> 00:34:50,700

you that these entities are following

737

00:34:56,720 --> 00:34:53,550

the observers we are the key to that

738

00:34:58,670 --> 00:34:56,730

display and Jeff like much like I I

739

00:35:00,650 --> 00:34:58,680

always think of like dolphins who like

740

00:35:01,940 --> 00:35:00,660

jump and perform alongside boats and

741

00:35:03,650 --> 00:35:01,950

people are like why do they do that

742

00:35:05,210 --> 00:35:03,660

why do they do that and it's like

743

00:35:10,670 --> 00:35:05,220

they're beautiful creatures this is what

744

00:35:12,440 --> 00:35:10,680

they do you know this is like and I love

745

00:35:14,750 --> 00:35:12,450

that you went into the flying serpent

746

00:35:17,270 --> 00:35:14,760

because a flying serpent as you know

747

00:35:19,760 --> 00:35:17,280

these the the snake worship these are

748

00:35:23,360 --> 00:35:19,770

big deals that's a whole other topic but

749

00:35:25,310 --> 00:35:23,370

I also wanted to ask you about following

750

00:35:27,260 --> 00:35:25,320

the hokum where they lived the you would

751  
00:35:29,780 --> 00:35:27,270  
follow where they you know these may

752  
00:35:31,790 --> 00:35:29,790  
very well be gods with a small G a lot

753  
00:35:33,410 --> 00:35:31,800  
of people use that or I like to

754  
00:35:35,090 --> 00:35:33,420  
sometimes say with a big G depending on

755  
00:35:37,310 --> 00:35:35,100  
your viewpoints depending on what you're

756  
00:35:42,080 --> 00:35:37,320  
in contact with and how often because

757  
00:35:45,380 --> 00:35:42,090  
these these are part of this this this

758  
00:35:47,420 --> 00:35:45,390  
whole display and it sounds so familiar

759  
00:35:50,150 --> 00:35:47,430  
to some of the things we see in Utah

760  
00:35:53,660 --> 00:35:50,160  
like the spirals and I mean I mean I'm

761  
00:35:55,790 --> 00:35:53,670  
in Nevada now but I go back every month

762  
00:35:57,530 --> 00:35:55,800  
to Utah and do research and like these

763  
00:36:00,410 --> 00:35:57,540

spirals you're talking about you're

764

00:36:03,760 --> 00:36:00,420

absolutely right they're just so perfect

765

00:36:09,050 --> 00:36:03,770

and they seem to also be another key and

766

00:36:11,240 --> 00:36:09,060

I wanted to ask you before I forget the

767

00:36:13,550 --> 00:36:11,250

connection to the Mayans because that is

768

00:36:17,690 --> 00:36:13,560

I mean that's just mind-boggling and I

769

00:36:20,180 --> 00:36:17,700

would love to hear about that well you

770

00:36:22,550 --> 00:36:20,190

know up there on so about them you know

771

00:36:25,160 --> 00:36:22,560

I'm an amateur archaeologist and I can

772

00:36:27,470 --> 00:36:25,170

spy it spot something you know man-made

773

00:36:29,330 --> 00:36:27,480

or out of place you know a mile away you

774

00:36:31,490 --> 00:36:29,340

know I'm very good at what I did I was

775

00:36:33,710 --> 00:36:31,500

able to discover your most big tomb down

776

00:36:37,400 --> 00:36:33,720

here on South Mountain and some of the

777

00:36:39,500 --> 00:36:37,410

altars out here and you know I'm seeing

778

00:36:43,500 --> 00:36:39,510

like I'm getting familiar with the

779

00:36:49,020 --> 00:36:45,359

so let's talk about the whole column

780

00:36:52,290 --> 00:36:49,030

just world briefly Hong Kong is a PMO

781

00:36:54,450 --> 00:36:52,300

word for the people who are gone the

782

00:36:56,310 --> 00:36:54,460

people who got taken away the people who

783

00:36:58,859 --> 00:36:56,320

are missing because we don't know what

784

00:37:00,930 --> 00:36:58,869

happenes people they rules here for a

785

00:37:03,240 --> 00:37:00,940

thousand years and then all of a sudden

786

00:37:07,890 --> 00:37:03,250

they were here one day and gone the next

787

00:37:10,020 --> 00:37:07,900

now this not only this tribe here in the

788

00:37:12,540 --> 00:37:10,030

United States but also tribes around the

789

00:37:14,280 --> 00:37:12,550

world it seemed like they were here one

790

00:37:16,710 --> 00:37:14,290

day and gone the next just simply

791

00:37:19,830 --> 00:37:16,720

vanished but no trade and so the team

792

00:37:21,480 --> 00:37:19,840

was call these people the whole which

793

00:37:24,900 --> 00:37:21,490

means the people who are gone the people

794

00:37:27,480 --> 00:37:24,910

are missing now even when we when you

795

00:37:27,870 --> 00:37:27,490

and I move we take our belongings with

796

00:37:30,630 --> 00:37:27,880

it

797

00:37:32,970 --> 00:37:30,640

we at the whole con dinner okay they

798

00:37:35,550 --> 00:37:32,980

left all their belongings here and he's

799

00:37:37,380 --> 00:37:35,560

simply gone now the archaeologists the

800

00:37:39,870 --> 00:37:37,390

archaeologists here was asked to believe

801  
00:37:41,910 --> 00:37:39,880  
well they just simply migrated somewhere

802  
00:37:43,980 --> 00:37:41,920  
else but it got too hot well if that's

803  
00:37:46,710 --> 00:37:43,990  
the case so where's the hell did it go

804  
00:37:47,370 --> 00:37:46,720  
there is no proof on any place on where

805  
00:37:51,690 --> 00:37:47,380  
they went

806  
00:37:53,760 --> 00:37:51,700  
okay when you look at the rock art when

807  
00:37:56,750 --> 00:37:53,770  
you when you examine the rock art and

808  
00:38:00,030 --> 00:37:56,760  
you examine some of the tales that I've

809  
00:38:01,980 --> 00:38:00,040  
some of the stories that I've got from

810  
00:38:04,140 --> 00:38:01,990  
any of the Native American about here

811  
00:38:07,160 --> 00:38:04,150  
who understand what really happened

812  
00:38:09,840 --> 00:38:07,170  
Aloha you understand how only and

813  
00:38:13,590 --> 00:38:09,850

cigarette this mountain is about now

814

00:38:15,840 --> 00:38:13,600

them they will tell you they will tell

815

00:38:18,690 --> 00:38:15,850

you that the devil the devil came from a

816

00:38:20,609 --> 00:38:18,700

tease and took these people away some

817

00:38:22,440 --> 00:38:20,619

will say that a great meteor came down

818

00:38:25,310 --> 00:38:22,450

and took these people up and the

819

00:38:29,130 --> 00:38:25,320

pendulous the petroglyphs will look well

820

00:38:32,010 --> 00:38:29,140

described is carving these blind serpent

821

00:38:32,730 --> 00:38:32,020

these flying orbs these flying Phoenix

822

00:38:35,640 --> 00:38:32,740

light

823

00:38:38,520 --> 00:38:35,650

picking people up by their head and tie

824

00:38:40,470 --> 00:38:38,530

them off into the sky now this is what I

825

00:38:42,570 --> 00:38:40,480

believe happened to the whole calm

826  
00:38:45,240 --> 00:38:42,580  
because this was was this was a written

827  
00:38:47,520 --> 00:38:45,250  
record these carvings you know they

828  
00:38:50,460 --> 00:38:47,530  
didn't have video cameras back then they

829  
00:38:54,180 --> 00:38:50,470  
had stole boulders to record something

830  
00:38:54,990 --> 00:38:54,190  
significant to remember in history to

831  
00:38:57,480 --> 00:38:55,000  
tell them

832  
00:38:59,640 --> 00:38:57,490  
still children on this special took

833  
00:39:02,010 --> 00:38:59,650  
place this is the reason why we find

834  
00:39:03,750 --> 00:39:02,020  
glitz on one side of the mountain but we

835  
00:39:05,730 --> 00:39:03,760  
don't see this on the other style about

836  
00:39:07,620 --> 00:39:05,740  
this because there's nothing that

837  
00:39:09,240 --> 00:39:07,630  
happened over there it happened over

838  
00:39:11,370 --> 00:39:09,250

here where the petroglyphs are being

839

00:39:13,410 --> 00:39:11,380

recorded at where the world embrace to

840

00:39:15,300 --> 00:39:13,420

be found at now when you look at the

841

00:39:17,070 --> 00:39:15,310

petroglyphs you're not supposed to look

842

00:39:19,410 --> 00:39:17,080

at the heart you're supposed to include

843

00:39:21,750 --> 00:39:19,420

the whole landscape and with the art

844

00:39:23,820 --> 00:39:21,760

because the artist is trying to include

845

00:39:26,220 --> 00:39:23,830

the art than the landscape he's telling

846

00:39:28,260 --> 00:39:26,230

your story there for instance if you see

847

00:39:30,540 --> 00:39:28,270

a coyote and he's looking in a certain

848

00:39:32,490 --> 00:39:30,550

direction you want to follow that kayo

849

00:39:35,340 --> 00:39:32,500

do you want to follow her he's look at

850

00:39:37,980 --> 00:39:35,350

and it'll take you to the next sport and

851  
00:39:39,690 --> 00:39:37,990  
then sometimes to the next term you know

852  
00:39:41,430 --> 00:39:39,700  
so I'm finding all these terms I'm

853  
00:39:43,680 --> 00:39:41,440  
understanding the stories out here I'm

854  
00:39:46,920 --> 00:39:43,690  
understanding their art but I'm also

855  
00:39:50,460 --> 00:39:46,930  
finding another type of art a type of

856  
00:39:55,230 --> 00:39:50,470  
Mayan I'm finding Mayan rock carvings

857  
00:39:57,180 --> 00:39:55,240  
out there and it wasn't until about a

858  
00:39:59,610 --> 00:39:57,190  
year later you know cuz I'm finding the

859  
00:40:03,750 --> 00:39:59,620  
terms I'm finding the Mayan of finding

860  
00:40:07,530 --> 00:40:03,760  
the site of the sacrifice okay and but

861  
00:40:10,020 --> 00:40:07,540  
yeah there's the clutch about the school

862  
00:40:11,790 --> 00:40:10,030  
situation he's not telling anything you

863  
00:40:15,240 --> 00:40:11,800

know I've been on the news I think I

864

00:40:17,760 --> 00:40:15,250

think I'm the only person who has ever

865

00:40:20,430 --> 00:40:17,770

gotten archaeologists out to be all my

866

00:40:22,590 --> 00:40:20,440

natives to talk about UFOs connected to

867

00:40:24,150 --> 00:40:22,600

the rock art and there's pity I don't

868

00:40:27,300 --> 00:40:24,160

think no one has ever done that before

869

00:40:28,770 --> 00:40:27,310

but I was able to do it and of course

870

00:40:32,250 --> 00:40:28,780

you know he's not going to agree with

871

00:40:34,890 --> 00:40:32,260

anything like that because is the big

872

00:40:36,900 --> 00:40:34,900

story because what really happened there

873

00:40:39,630 --> 00:40:36,910

the whole comic really are the Phoenix

874

00:40:42,320 --> 00:40:39,640

place but really I like terms can feel

875

00:40:47,460 --> 00:40:42,330

the fear of a mountain goes way back and

876

00:40:49,700 --> 00:40:47,470

in a sense in a sense I understand I

877

00:40:52,470 --> 00:40:49,710

understand now why they're

878

00:40:54,900 --> 00:40:52,480

archaeologists and the government isn't

879

00:40:57,810 --> 00:40:54,910

talking about these things is because

880

00:41:01,350 --> 00:40:57,820

this is a scary thing right this is

881

00:41:03,570 --> 00:41:01,360

something kind of you know some of the

882

00:41:06,420 --> 00:41:03,580

Indian did in familiar

883

00:41:08,220 --> 00:41:06,430

like that I talk to you sometimes it

884

00:41:09,840 --> 00:41:08,230

will shut up they will not tell you

885

00:41:12,510 --> 00:41:09,850

anything this is what the type of a

886

00:41:14,190 --> 00:41:12,520

booth there's a good thing we're not

887

00:41:15,480 --> 00:41:14,200

supposed to stand these things we're not

888

00:41:18,480 --> 00:41:15,490

supposed to know that these things are

889

00:41:21,600 --> 00:41:18,490

here what's really going on here is what

890

00:41:23,790 --> 00:41:21,610

led the down stall of the Hong Kong the

891

00:41:26,490 --> 00:41:23,800

people who first dealt with a Phoenix

892

00:41:28,650 --> 00:41:26,500

life they were here one one day Dominic

893

00:41:30,540 --> 00:41:28,660

they treated these benek right they

894

00:41:33,420 --> 00:41:30,550

treated these flying serpents and

895

00:41:36,120 --> 00:41:33,430

treated these organs of sky as God and

896

00:41:38,880 --> 00:41:36,130

then all of a sudden something happened

897

00:41:42,600 --> 00:41:38,890

and they were taken away vanish from

898

00:41:44,490 --> 00:41:42,610

civilization just brought ok so I'm

899

00:41:47,820 --> 00:41:44,500

finding all this information I'm like

900

00:41:50,640 --> 00:41:47,830

beer so I'm investigating stock mountain

901  
00:41:52,470 --> 00:41:50,650  
I go into the Phoenix library and I go

902  
00:41:54,210 --> 00:41:52,480  
up to the government department I asked

903  
00:41:57,210 --> 00:41:54,220  
them you know Jimmy all your files on

904  
00:42:00,030 --> 00:41:57,220  
South Mountain they sent out this huge

905  
00:42:03,960 --> 00:42:00,040  
file I opened it up

906  
00:42:05,820 --> 00:42:03,970  
holy cow boom there it was there was all

907  
00:42:09,330 --> 00:42:05,830  
the information there it talked about

908  
00:42:11,190 --> 00:42:09,340  
Charles Oberg the first part Ranger

909  
00:42:14,060 --> 00:42:11,200  
Scout mountain in the night in the

910  
00:42:17,520 --> 00:42:14,070  
beginning of the 1930 to the end of the

911  
00:42:20,250 --> 00:42:17,530  
1940s he was the first park ranger here

912  
00:42:22,500 --> 00:42:20,260  
on South Mountain and in the Indians the

913  
00:42:25,770 --> 00:42:22,510

Native Americans told Charles about the

914

00:42:28,140 --> 00:42:25,780

Tim told them about the Mayan told them

915

00:42:30,390 --> 00:42:28,150

about what happened to the people the

916

00:42:32,190 --> 00:42:30,400

people who were gone now you know they

917

00:42:34,880 --> 00:42:32,200

entrusted travel and he was out there

918

00:42:37,620 --> 00:42:34,890

actually protecting protecting the to

919

00:42:40,050 --> 00:42:37,630

hope is beta we're in the fourth world

920

00:42:42,780 --> 00:42:40,060

ok it we're about ready to enter the fit

921

00:42:46,140 --> 00:42:42,790

ok so at the beginning of the 4th world

922

00:42:49,680 --> 00:42:46,150

in the whole cause you were here we're

923

00:42:51,960 --> 00:42:49,690

here and they didn't know how to live so

924

00:42:54,750 --> 00:42:51,970

these things came up out of the stand

925

00:42:56,730 --> 00:42:54,760

world and they had lost it and some

926

00:42:59,880 --> 00:42:56,740

people with typist like this bad if

927

00:43:02,010 --> 00:42:59,890

they're a type of lizard man and they

928

00:43:03,600 --> 00:43:02,020

lost their tails but the stories go on

929

00:43:05,280 --> 00:43:03,610

to say that they lost their health and

930

00:43:07,680 --> 00:43:05,290

they taught the people how to survive

931

00:43:10,950 --> 00:43:07,690

and every time they worship these things

932

00:43:12,840 --> 00:43:10,960

of God and this woman for a thousand

933

00:43:16,349 --> 00:43:12,850

years this is how mankind was able to

934

00:43:19,380 --> 00:43:16,359

survive was from their from helping

935

00:43:22,559 --> 00:43:19,390

these things in the sky but actually in

936

00:43:25,890 --> 00:43:22,569

fact it led to their downfall

937

00:43:29,370 --> 00:43:25,900

okay so when we look at the Sumerian

938

00:43:31,970 --> 00:43:29,380

taxon we look at the Anunnaki okay that

939

00:43:34,920 --> 00:43:31,980

really doesn't rely there's a lot of

940

00:43:39,210 --> 00:43:34,930

carving down here on South Mountain that

941

00:43:41,670 --> 00:43:39,220

kind of referred to the Anunnaki can

942

00:43:44,160 --> 00:43:41,680

refer to some of the Babylonian texts

943

00:43:46,440 --> 00:43:44,170

but I tell you what I tell you what the

944

00:43:47,460 --> 00:43:46,450

most really what resembles what's really

945

00:43:50,160 --> 00:43:47,470

going on out here

946

00:43:52,620 --> 00:43:50,170

is the Bible okay if you take religion

947

00:43:55,620 --> 00:43:52,630

out of the Bible just build religion out

948

00:43:58,529 --> 00:43:55,630

the door and look at it and interpret it

949

00:44:00,870 --> 00:43:58,539

as like a history book for the world it

950

00:44:03,390 --> 00:44:00,880

tells you what these things harder dead

951  
00:44:05,880 --> 00:44:03,400  
it tells you in Genesis 6 that these

952  
00:44:08,549 --> 00:44:05,890  
things are cast down to earth okay so

953  
00:44:11,069 --> 00:44:08,559  
the Bible only the Bible has a lot of

954  
00:44:13,200 --> 00:44:11,079  
stuff has been left out of the Bible

955  
00:44:15,749 --> 00:44:13,210  
they'll mount hermon as the Bible

956  
00:44:17,700 --> 00:44:15,759  
describes isn't the only mountain that

957  
00:44:19,710 --> 00:44:17,710  
these things were cast down at that's

958  
00:44:21,359 --> 00:44:19,720  
just one mountain there were other

959  
00:44:23,519 --> 00:44:21,369  
mountains around the world that these

960  
00:44:26,279 --> 00:44:23,529  
things were cats were thrown upon and

961  
00:44:27,809 --> 00:44:26,289  
Phoenix Arizona and South now tenement

962  
00:44:30,779 --> 00:44:27,819  
and the existing mountains around

963  
00:44:33,359 --> 00:44:30,789

Phoenix were part of the civilization

964

00:44:35,489 --> 00:44:33,369

where they were tasked down at but they

965

00:44:37,170 --> 00:44:35,499

were thrown here it was pulled here I

966

00:44:39,749 --> 00:44:37,180

was out of seven and there are stones

967

00:44:44,970 --> 00:44:39,759

get out of the sky this is their own but

968

00:44:47,789 --> 00:44:44,980

they've always been her okay and so when

969

00:44:50,099 --> 00:44:47,799

you look at Genesis 6 it says that the

970

00:44:53,430 --> 00:44:50,109

Nephilim the Nephilim were here the

971

00:44:55,920 --> 00:44:53,440

giant the giant okay so when you look at

972

00:44:58,710 --> 00:44:55,930

the petroglyphs out here it's detecting

973

00:45:02,670 --> 00:44:58,720

giant but I found him they have been can

974

00:45:05,970 --> 00:45:02,680

filled with heavy stone boulders that

975

00:45:08,190 --> 00:45:05,980

way too time Benes by how the whole

976  
00:45:10,680 --> 00:45:08,200  
country will take these babies molars up

977  
00:45:12,809 --> 00:45:10,690  
and place these boulders here is the

978  
00:45:15,479 --> 00:45:12,819  
army so they had to a bit somebody was

979  
00:45:17,489 --> 00:45:15,489  
very powerful very strong possibly a

980  
00:45:21,120 --> 00:45:17,499  
giant that's what talks about up here

981  
00:45:23,609 --> 00:45:21,130  
are the Giants out there so with the

982  
00:45:25,770 --> 00:45:23,619  
Mayans are here and everybody came from

983  
00:45:27,990 --> 00:45:25,780  
all nations to gather at

984  
00:45:31,050 --> 00:45:28,000  
South Mountain South Mountain where the

985  
00:45:33,180 --> 00:45:31,060  
holy mountain and androids spread about

986  
00:45:35,760 --> 00:45:33,190  
all the gods that were coming and going

987  
00:45:38,820 --> 00:45:35,770  
from this valley here and all the spirit

988  
00:45:41,370 --> 00:45:38,830

and so took place and so all the people

989

00:45:44,310 --> 00:45:41,380

from all over the lands you saw used to

990

00:45:48,690 --> 00:45:44,320

gather at South Mountain for for a trade

991

00:45:51,090 --> 00:45:48,700

and for worship and you know the story

992

00:45:52,890 --> 00:45:51,100

goes on you know a handful of gold for a

993

00:45:54,900 --> 00:45:52,900

handful of corn it doesn't sound like

994

00:45:56,580 --> 00:45:54,910

much but that's the way to destroy go

995

00:46:00,900 --> 00:45:56,590

that's the way Hulbert right but in

996

00:46:03,150 --> 00:46:00,910

itself and he goes on to say that is

997

00:46:05,850 --> 00:46:03,160

going on this were on for a thousand

998

00:46:08,490 --> 00:46:05,860

years until you know something happened

999

00:46:11,190 --> 00:46:08,500

now I believe I believe because the

1000

00:46:14,490 --> 00:46:11,200

stories on it it's a little bit kind of

1001  
00:46:18,080 --> 00:46:14,500  
confusing but I have found the altered

1002  
00:46:21,150 --> 00:46:18,090  
out there sacrificing altars and um I

1003  
00:46:23,670 --> 00:46:21,160  
think for some for some reasons the

1004  
00:46:26,190 --> 00:46:23,680  
sacrifice and head stop and when a

1005  
00:46:28,110 --> 00:46:26,200  
sacrifice you saw that's what that's

1006  
00:46:30,540 --> 00:46:28,120  
when these things got upset I mean

1007  
00:46:33,090 --> 00:46:30,550  
because it wasn't always a desert out

1008  
00:46:35,880 --> 00:46:33,100  
here it was like a tropical like web day

1009  
00:46:37,830 --> 00:46:35,890  
then the whole calm air I mean even you

1010  
00:46:40,830 --> 00:46:37,840  
can see evidence if the water falls on

1011  
00:46:43,470 --> 00:46:40,840  
South Mountain you can see the evidence

1012  
00:46:45,950 --> 00:46:43,480  
of the strings of the water I mean it

1013  
00:46:49,170 --> 00:46:45,960

wasn't all dried up like that until

1014

00:46:53,280 --> 00:46:49,180

until the sacrificing had stopped and

1015

00:46:57,120 --> 00:46:53,290

when that did it upset the Sun Devils of

1016

00:47:00,060 --> 00:46:57,130

sky know that it's a upset the Phoenix

1017

00:47:02,670 --> 00:47:00,070

right and then one day one day they came

1018

00:47:04,380 --> 00:47:02,680

out and they took people away they just

1019

00:47:08,100 --> 00:47:04,390

took him up in the sky never to return

1020

00:47:10,110 --> 00:47:08,110

and the story goes a Hobart ripen is on

1021

00:47:13,820 --> 00:47:10,120

in his journal die and then you can find

1022

00:47:17,130 --> 00:47:13,830

all this on my website he write that

1023

00:47:19,170 --> 00:47:17,140

some zombies hid somewhere watching what

1024

00:47:21,630 --> 00:47:19,180

was going on and they hit him caves and

1025

00:47:24,240 --> 00:47:21,640

they were afraid and we was all over it

1026

00:47:25,440 --> 00:47:24,250

they knew they knew that they messed up

1027

00:47:28,310 --> 00:47:25,450

that they shouldn't have stopped the

1028

00:47:32,070 --> 00:47:28,320

sacrificing and so they knew that they

1029

00:47:35,460 --> 00:47:32,080

stepped up set it to God and so the

1030

00:47:37,620 --> 00:47:35,470

cheese the cheese ended up taking their

1031

00:47:38,790 --> 00:47:37,630

own lives and taking out their hearts

1032

00:47:42,030 --> 00:47:38,800

and put them on the stack of

1033

00:47:44,760 --> 00:47:42,040

in table because they knew a mirror that

1034

00:47:46,890 --> 00:47:44,770

it was wrong to stop the sacrifice so

1035

00:47:48,840 --> 00:47:46,900

all the people that that witness what

1036

00:47:51,060 --> 00:47:48,850

was going on here they were afraid and

1037

00:47:53,640 --> 00:47:51,070

they felt never to come back into this

1038

00:47:55,470 --> 00:47:53,650

village into the valley of the Sun never

1039

00:47:57,810 --> 00:47:55,480

to come back in the finish because this

1040

00:47:59,430 --> 00:47:57,820

planet was cursed they knew that if they

1041

00:48:01,380 --> 00:47:59,440

were going to continue to live in this

1042

00:48:04,320 --> 00:48:01,390

plan and eventually they were going to

1043

00:48:06,690 --> 00:48:04,330

have to go back to war back to war with

1044

00:48:08,790 --> 00:48:06,700

these spirits of the earth and sky and

1045

00:48:11,430 --> 00:48:08,800

that's exactly what that's exactly what

1046

00:48:14,370 --> 00:48:11,440

the the petroglyphs depict out here and

1047

00:48:16,620 --> 00:48:14,380

we don't see impetus of the Indians

1048

00:48:19,590 --> 00:48:16,630

shooting arrows that flying serpent them

1049

00:48:22,170 --> 00:48:19,600

of guys out here flying orbs shooting at

1050

00:48:24,330 --> 00:48:22,180

the Phoenix right and so they were

1051

00:48:26,280 --> 00:48:24,340

afraid and they vowed never to come into

1052

00:48:31,080 --> 00:48:26,290

this valley so they buried their gold

1053

00:48:33,510 --> 00:48:31,090

and the tales

1054

00:48:36,540 --> 00:48:33,520

Charles Hobart said that the gold

1055

00:48:40,890 --> 00:48:36,550

measured as high as a tallest saguaro

1056

00:48:44,310 --> 00:48:40,900

cactus and as well as the Sun that there

1057

00:48:46,350 --> 00:48:44,320

was mazes amount of gold that was buried

1058

00:48:48,840 --> 00:48:46,360

in the mountains here and they filled

1059

00:48:51,240 --> 00:48:48,850

them all up and they vowed never to come

1060

00:48:54,510 --> 00:48:51,250

back in this and they all took back

1061

00:48:58,020 --> 00:48:54,520

they don't look back to Mexico never to

1062

00:49:01,140 --> 00:48:58,030

return here so for 400 years for 400

1063

00:49:02,910 --> 00:49:01,150

years nobody lived in Phoenix Arizona

1064

00:49:05,160 --> 00:49:02,920

now nobody lived in the valley at this

1065

00:49:07,440 --> 00:49:05,170

time they were tribes on the outskirts

1066

00:49:09,840 --> 00:49:07,450

of the valley that saw the light that

1067

00:49:12,270 --> 00:49:09,850

saw the serpent that saw the orbs and

1068

00:49:15,270 --> 00:49:12,280

they were afraid they knew they knew

1069

00:49:16,770 --> 00:49:15,280

because you know last time the people

1070

00:49:18,990 --> 00:49:16,780

dealt with those things man they got

1071

00:49:21,300 --> 00:49:19,000

taken away you know and that's exactly

1072

00:49:24,110 --> 00:49:21,310

what they didn't want to happen because

1073

00:49:27,330 --> 00:49:24,120

this this land was cursed it was until

1074

00:49:30,990 --> 00:49:27,340

later on about four or five hundred

1075

00:49:33,960 --> 00:49:31,000

years later with Jack's a man and his

1076

00:49:37,170 --> 00:49:33,970

people and so all the canals two stones

1077

00:49:39,930 --> 00:49:37,180

less bonus left from the whole calm and

1078

00:49:41,450 --> 00:49:39,940

he said he's so he's all like masters

1079

00:49:45,270 --> 00:49:41,460

farm lands and he's like what a

1080

00:49:47,970 --> 00:49:45,280

wonderful Valley to start you know crop

1081

00:49:51,210 --> 00:49:47,980

it in you know to bring inner cows to

1082

00:49:53,430 --> 00:49:51,220

live in this valley and you know you

1083

00:49:55,200 --> 00:49:53,440

that's spirits here you know something

1084

00:49:57,839 --> 00:49:55,210

something is going to happen you just

1085

00:50:00,330 --> 00:49:57,849

have no idea what you're stepping into

1086

00:50:03,030 --> 00:50:00,340

here but of course the right-handers

1087

00:50:06,960 --> 00:50:03,040

believe them and so here we are today

1088

00:50:09,120 --> 00:50:06,970

and we have this five eight million

1089

00:50:11,310 --> 00:50:09,130

people living in Phoenix Arizona and

1090

00:50:13,140 --> 00:50:11,320

we're seeing the light and we're seeing

1091

00:50:14,520 --> 00:50:13,150

the light and we're standing serpent

1092

00:50:17,490 --> 00:50:14,530

they were seeing the orb

1093

00:50:19,349 --> 00:50:17,500

oh my what is that state of our future

1094

00:50:20,910 --> 00:50:19,359

because they have to look at the answer

1095

00:50:23,609 --> 00:50:20,920

look at the pay up a little bit back

1096

00:50:26,280 --> 00:50:23,619

there to spend our future just look at

1097

00:50:29,099 --> 00:50:26,290

our past and our past says that mankind

1098

00:50:31,020 --> 00:50:29,109

were school was fooled into thinking

1099

00:50:34,290 --> 00:50:31,030

that this Phoenix light that these

1100

00:50:35,790 --> 00:50:34,300

things from the sky were God and we were

1101

00:50:38,040 --> 00:50:35,800

meant to worship Him

1102

00:50:40,470 --> 00:50:38,050

but when things didn't go the way it was

1103

00:50:42,960 --> 00:50:40,480

supposed to except take it away okay

1104

00:50:46,140 --> 00:50:42,970

was this a type of first Thessalonians

1105

00:50:49,740 --> 00:50:46,150

with this type of rapture that these

1106

00:50:52,170 --> 00:50:49,750

priests want us to believe will take

1107

00:50:54,960 --> 00:50:52,180

place to our future okay is this a

1108

00:50:57,240 --> 00:50:54,970

rapture that happens to the whole calm

1109

00:50:59,520 --> 00:50:57,250

could be because it does say that these

1110

00:51:01,620 --> 00:50:59,530

things came out of the sky took these

1111

00:51:04,740 --> 00:51:01,630

things up and first up alone in a state

1112

00:51:07,109 --> 00:51:04,750

we will be caught up to meet the Lord in

1113

00:51:09,000 --> 00:51:07,119

the sky well that's basically what had

1114

00:51:11,040 --> 00:51:09,010

happened to the whole cop and they were

1115

00:51:13,980 --> 00:51:11,050

judged they were taken up they never

1116

00:51:17,640 --> 00:51:13,990

came back okay and so that's basically

1117

00:51:21,300 --> 00:51:17,650

what we're seeing now today in our skies

1118

00:51:24,599 --> 00:51:21,310

we see the light we see the prophecies

1119

00:51:27,089 --> 00:51:24,609

the prophecies are coming and so we're

1120

00:51:30,720 --> 00:51:27,099

at the end I believe we're at the end of

1121

00:51:32,970 --> 00:51:30,730

the fourth world and this is the reason

1122

00:51:35,670 --> 00:51:32,980

why these things have not made contact

1123

00:51:39,829 --> 00:51:35,680

with it yet okay they simply or watching

1124

00:51:42,990 --> 00:51:39,839

the Watchers or watching them back and

1125

00:51:46,200 --> 00:51:43,000

you know a lot of people such as myself

1126

00:51:50,250 --> 00:51:46,210

or seeing them more than than others and

1127

00:51:52,500 --> 00:51:50,260

I really think that it has a couple I

1128

00:51:55,079 --> 00:51:52,510

mean there's no proven evidence for this

1129

00:51:57,230 --> 00:51:55,089

but just theories you know that there

1130

00:51:59,700 --> 00:51:57,240

could be some kind of bloodline going on

1131

00:52:02,040 --> 00:51:59,710

throughout the generations you know why

1132

00:52:04,980 --> 00:52:02,050

some people city things more than

1133

00:52:08,190 --> 00:52:04,990

others it could be I mean I had a

1134

00:52:10,710 --> 00:52:08,200

motorcycle accident I was 16 I died I

1135

00:52:14,130 --> 00:52:10,720

saw how I had an OBE I had an

1136

00:52:15,750 --> 00:52:14,140

out-of-body experience up on the roof I

1137

00:52:18,120 --> 00:52:15,760

was looking at the doctors worked on me

1138

00:52:20,370 --> 00:52:18,130

I got sucked back into my body so many

1139

00:52:22,800 --> 00:52:20,380

people who who have died and come back

1140

00:52:24,510 --> 00:52:22,810

might be closer they say they might be

1141

00:52:25,770 --> 00:52:24,520

able to see these things more I don't

1142

00:52:28,110 --> 00:52:25,780

know there's a lot of theories out there

1143

00:52:35,160 --> 00:52:28,120

that's going on that has been yet to

1144

00:52:39,080 --> 00:52:35,170

proven yet but man I love the the very

1145

00:52:42,210 --> 00:52:39,090

scary thing about the truth of this is

1146

00:52:45,270 --> 00:52:42,220

that it is very taboo and you mentioned

1147

00:52:48,510 --> 00:52:45,280

that it is very taboo it's very true

1148

00:52:50,880 --> 00:52:48,520

it's very real and these disappearances

1149

00:52:54,450 --> 00:52:50,890

are extremely unique much like the

1150

00:52:56,190 --> 00:52:54,460

rapture and it reminds me a lot of you

1151  
00:52:59,390 --> 00:52:56,200  
know this has happened throughout the

1152  
00:53:01,980 --> 00:52:59,400  
the West as you've said and Chaco Canyon

1153  
00:53:06,060 --> 00:53:01,990  
very similar thing you know that they're

1154  
00:53:10,560 --> 00:53:06,070  
just gone they're just poof and these

1155  
00:53:12,900 --> 00:53:10,570  
that I love the sand world and what you

1156  
00:53:15,570 --> 00:53:12,910  
mentioned about the sand world because I

1157  
00:53:18,770 --> 00:53:15,580  
mean what does Ana manake mean it's at

1158  
00:53:25,020 --> 00:53:18,780  
people you know it has that it has that

1159  
00:53:27,060 --> 00:53:25,030  
I guess it's it's basically letting us

1160  
00:53:30,660 --> 00:53:27,070  
know that there is a connection to the

1161  
00:53:32,910 --> 00:53:30,670  
underground or the underworld at least

1162  
00:53:34,800 --> 00:53:32,920  
this casting down to earth the that you

1163  
00:53:36,960 --> 00:53:34,810

mentioned in Genesis 6 and I think the

1164

00:53:37,410 --> 00:53:36,970

snake worship is such a big deal with

1165

00:53:43,320 --> 00:53:37,420

this

1166

00:53:46,740 --> 00:53:43,330

vaguely you know when when you mentioned

1167

00:53:49,740 --> 00:53:46,750

that the the sacrifice is stopped and

1168

00:53:52,410 --> 00:53:49,750

that the gods got angry I mean it's all

1169

00:53:55,320 --> 00:53:52,420

about perspective and these

1170

00:53:59,670 --> 00:53:55,330

disappearances these tombs and a lot of

1171

00:54:01,730 --> 00:53:59,680

the Sumerian the Anunnaki texts like

1172

00:54:05,070 --> 00:54:01,740

biblical texts a lot of this

1173

00:54:06,600 --> 00:54:05,080

incorporates these same things I wanted

1174

00:54:07,920 --> 00:54:06,610

to get back to something Jeff that you

1175

00:54:09,420 --> 00:54:07,930

mentioned earlier which was the

1176  
00:54:11,820 --> 00:54:09,430  
mountains and the ridge lines and I

1177  
00:54:14,040 --> 00:54:11,830  
agree with this that whatever you want

1178  
00:54:15,540 --> 00:54:14,050  
to call them the sky people the Sun

1179  
00:54:18,570 --> 00:54:15,550  
Devils the UFOs

1180  
00:54:22,290 --> 00:54:18,580  
they seem at least in the areas I've

1181  
00:54:26,280 --> 00:54:22,300  
been to be attracted to hover above go

1182  
00:54:30,030 --> 00:54:26,290  
along these mountains and ridge lines do

1183  
00:54:33,359 --> 00:54:30,040  
you have any insight as to as to why

1184  
00:54:35,250 --> 00:54:33,369  
that is absolutely has been in my

1185  
00:54:37,650 --> 00:54:35,260  
opinion and watching these things and

1186  
00:54:39,090 --> 00:54:37,660  
looking at the hot spots it has

1187  
00:54:42,510 --> 00:54:39,100  
everything to do with the fault line

1188  
00:54:47,100 --> 00:54:42,520

with the energies it has has everything

1189

00:54:48,780 --> 00:54:47,110

to do with tracking the season they they

1190

00:54:52,260 --> 00:54:48,790

follow the seasons like I mentioned

1191

00:54:55,050 --> 00:54:52,270

earlier you know watching watching the

1192

00:54:57,060 --> 00:54:55,060

mountain for so many years I noticed

1193

00:54:59,070 --> 00:54:57,070

that they were here one month they were

1194

00:55:01,410 --> 00:54:59,080

gone the next month or they were gone

1195

00:55:03,540 --> 00:55:01,420

one season and they came back another

1196

00:55:06,030 --> 00:55:03,550

see them you know there was heavy one

1197

00:55:09,300 --> 00:55:06,040

month they were like the other month you

1198

00:55:12,060 --> 00:55:09,310

know and so with the next year when it

1199

00:55:14,490 --> 00:55:12,070

repeated itself when it repeated itself

1200

00:55:16,440 --> 00:55:14,500

again I knew that was a secret

1201  
00:55:18,540 --> 00:55:16,450  
that was a major secret on how to

1202  
00:55:20,880 --> 00:55:18,550  
predict these things you know if they

1203  
00:55:23,280 --> 00:55:20,890  
follow the seasons they follow the Sun

1204  
00:55:25,440 --> 00:55:23,290  
you know it's because the Indians say

1205  
00:55:28,050 --> 00:55:25,450  
when the Sun gets in the right position

1206  
00:55:30,300 --> 00:55:28,060  
these doorways it opens up the doors and

1207  
00:55:32,400 --> 00:55:30,310  
it's like a type of vision up step and

1208  
00:55:35,520 --> 00:55:32,410  
these things are able to harness this

1209  
00:55:37,440 --> 00:55:35,530  
energy and use it as like maybe a type

1210  
00:55:39,720 --> 00:55:37,450  
of feeling I guess they're kind of

1211  
00:55:43,560 --> 00:55:39,730  
feeding off this energy this reason why

1212  
00:55:44,820 --> 00:55:43,570  
they go if I we see the light you know

1213  
00:55:47,700 --> 00:55:44,830

when they're all over that power plant

1214

00:55:49,020 --> 00:55:47,710

boy they were played they were shiny you

1215

00:55:51,570 --> 00:55:49,030

know they were absorbing that they were

1216

00:55:53,970 --> 00:55:51,580

hooking up that energy so bad man you

1217

00:55:57,150 --> 00:55:53,980

know and this reason why you know we see

1218

00:56:00,060 --> 00:55:57,160

colors in them and we see why they're so

1219

00:56:02,040 --> 00:56:00,070

bright and you know sometimes you know

1220

00:56:04,680 --> 00:56:02,050

they're silver and that's why a lot of

1221

00:56:06,960 --> 00:56:04,690

people mistake them of crap because they

1222

00:56:09,510 --> 00:56:06,970

you know their skin is like a type of

1223

00:56:11,640 --> 00:56:09,520

metallic you know and because of

1224

00:56:13,650 --> 00:56:11,650

Hollywood and because of the people so

1225

00:56:16,050 --> 00:56:13,660

in movie tickets trying to fail or crap

1226  
00:56:18,180 --> 00:56:16,060  
over Phoenix you know trying to exploit

1227  
00:56:20,430 --> 00:56:18,190  
what's really going on when they haven't

1228  
00:56:23,280 --> 00:56:20,440  
really investigated anything you know

1229  
00:56:25,950 --> 00:56:23,290  
they just assume they assume that these

1230  
00:56:27,269 --> 00:56:25,960  
businesses a spaceship and it that that

1231  
00:56:29,069 --> 00:56:27,279  
is that we're dealing with

1232  
00:56:30,630 --> 00:56:29,079  
down here we're dealing with technology

1233  
00:56:33,899 --> 00:56:30,640  
because that's all they can really

1234  
00:56:36,989 --> 00:56:33,909  
understand you know but if you go back

1235  
00:56:38,669 --> 00:56:36,999  
to the biblical tag doesn't act tell you

1236  
00:56:41,239 --> 00:56:38,679  
what these things are and a lot of

1237  
00:56:44,009 --> 00:56:41,249  
people don't a lot of people just

1238  
00:56:45,989 --> 00:56:44,019

overlook that they say oh it's religious

1239

00:56:49,199 --> 00:56:45,999

don't you go first all the words about

1240

00:56:51,149 --> 00:56:49,209

me young man you know but it's talking

1241

00:56:51,630 --> 00:56:51,159

about you know Moses dealt with these

1242

00:56:54,149 --> 00:56:51,640

things

1243

00:56:56,609 --> 00:56:54,159

the heck do you think Moses was falling

1244

00:56:58,919 --> 00:56:56,619

around in the sky for 40 years of tells

1245

00:57:01,169 --> 00:56:58,929

you what tells you it tells you that a

1246

00:57:04,259 --> 00:57:01,179

pillar of cloud by day and a pillar of

1247

00:57:07,289 --> 00:57:04,269

fire by night led the Israelites out of

1248

00:57:09,870 --> 00:57:07,299

Egypt and Pretender followed a UFO for

1249

00:57:11,609 --> 00:57:09,880

40 years okay and who was it that led

1250

00:57:13,529 --> 00:57:11,619

the people in the Promised Land

1251  
00:57:15,599 --> 00:57:13,539  
you know wasn't Moses Moses what

1252  
00:57:18,149 --> 00:57:15,609  
happened to him he got taken away on a

1253  
00:57:20,969 --> 00:57:18,159  
mountain by a light was it a Phoenix

1254  
00:57:23,189 --> 00:57:20,979  
light but it was a thing in the sky that

1255  
00:57:23,579 --> 00:57:23,199  
brought the people into the Promised

1256  
00:57:26,699 --> 00:57:23,589  
Land

1257  
00:57:28,079 --> 00:57:26,709  
they follow the UFO for 30 years it was

1258  
00:57:30,149 --> 00:57:28,089  
really neat too because when you when

1259  
00:57:32,489 --> 00:57:30,159  
you when you read the biblical text it

1260  
00:57:35,039 --> 00:57:32,499  
tells you that when Moses went in to

1261  
00:57:38,009 --> 00:57:35,049  
attend this Ben came down from the sky

1262  
00:57:40,140 --> 00:57:38,019  
and actually greeted Moses while he was

1263  
00:57:41,999 --> 00:57:40,150

in the tent you know I need come on did

1264

00:57:44,429 --> 00:57:42,009

you know there's other things in the

1265

00:57:47,279 --> 00:57:44,439

Bible there that talk about the Anunnaki

1266

00:57:50,849 --> 00:57:47,289

I talked about the guy with the wig all

1267

00:57:53,819 --> 00:57:50,859

right and what about BPOs feel and the

1268

00:57:57,239 --> 00:57:53,829

full living eyes the poor creatures okay

1269

00:57:59,640 --> 00:57:57,249

all these bishops later in class you

1270

00:58:01,919 --> 00:57:59,650

know because they were shipped out there

1271

00:58:04,259 --> 00:58:01,929

they were sailing ship you know there

1272

00:58:07,859 --> 00:58:04,269

there are ships on the sea so there was

1273

00:58:10,370 --> 00:58:07,869

that I saw a ship in the sky they would

1274

00:58:13,349 --> 00:58:10,380

have said that no they call these things

1275

00:58:15,239 --> 00:58:13,359

angel they call these things the Spirit

1276  
00:58:19,469 --> 00:58:15,249  
of the Lord they could call these things

1277  
00:58:22,559 --> 00:58:19,479  
spirit okay so it's not a ship but a

1278  
00:58:26,009 --> 00:58:22,569  
living being that we're doing with some

1279  
00:58:29,640 --> 00:58:26,019  
are good some are bad hmm

1280  
00:58:32,579 --> 00:58:29,650  
I man sucking up the energy like you

1281  
00:58:34,049 --> 00:58:32,589  
said in in the shapeshifter territory of

1282  
00:58:35,969 --> 00:58:34,059  
what I like to call it of Utah there

1283  
00:58:39,059 --> 00:58:35,979  
were a lot of shapeshifters and stuff

1284  
00:58:40,920 --> 00:58:39,069  
Racine these 10 - like you said hover

1285  
00:58:43,380 --> 00:58:40,930  
over the ridge lines with

1286  
00:58:44,819 --> 00:58:43,390  
power lines and man do they ever love

1287  
00:58:49,079 --> 00:58:44,829  
that energy it seems like they just

1288  
00:58:51,780 --> 00:58:49,089

power up and it's it's so true when

1289

00:58:54,210 --> 00:58:51,790

people get you know angry about talking

1290

00:58:56,579 --> 00:58:54,220

religion it's like or anything it's like

1291

00:59:02,030 --> 00:58:56,589

why do you think these individuals left

1292

00:59:04,680 --> 00:59:02,040

such you know extensive historical

1293

00:59:07,579 --> 00:59:04,690

writings behind much like the

1294

00:59:11,609 --> 00:59:07,589

petroglyphs pictographs and such these

1295

00:59:14,700 --> 00:59:11,619

may well be like the best keys we have

1296

00:59:18,630 --> 00:59:14,710

to understanding this and to not be open

1297

00:59:21,390 --> 00:59:18,640

to all of it you close yourself off to

1298

00:59:22,980 --> 00:59:21,400

the answers so I think that's really

1299

00:59:26,579 --> 00:59:22,990

cool that you haven't closed yourself

1300

00:59:28,620 --> 00:59:26,589

off you're following you know various

1301

00:59:32,520 --> 00:59:28,630

lines that are leading to the same

1302

00:59:34,260 --> 00:59:32,530

answers and man it's Jeff you're such a

1303

00:59:35,790 --> 00:59:34,270

wealth of knowledge and a blessing to so

1304

00:59:37,770 --> 00:59:35,800

many out there I wish we could talk all

1305

00:59:41,069 --> 00:59:37,780

day I really do and I hope we talk again

1306

00:59:43,950 --> 00:59:41,079

soon where can listeners and others

1307

00:59:50,099 --> 00:59:43,960

follow your work and keep in touch with

1308

00:59:52,559 --> 00:59:50,109

what you're doing to get a whole day and

1309

00:59:54,870 --> 00:59:52,569

and to see some of the sightings and

1310

00:59:55,940 --> 00:59:54,880

somebody up and coming your vampire you

1311

00:59:58,770 --> 00:59:55,950

know I have my own show

1312

01:00:01,650 --> 00:59:58,780

yeah it's been down right now because my

1313

01:00:04,140 --> 01:00:01,660

FTO is under construction so I'll be

1314

01:00:07,829 --> 01:00:04,150

back up with my with my own face book

1315

01:00:09,150 --> 01:00:07,839

show again hopefully next month I'm

1316

01:00:12,599 --> 01:00:09,160

hopefully if we can get it all

1317

01:00:14,250 --> 01:00:12,609

straightened out by them but Facebook is

1318

01:00:17,220 --> 01:00:14,260

the best way to get a hold of me and

1319

01:00:20,460 --> 01:00:17,230

from there you can find my website you

1320

01:00:23,640 --> 01:00:20,470

can find my website on there and so Meg

1321

01:00:26,640 --> 01:00:23,650

you got poked by my book the Pink's like

1322

01:00:28,620 --> 01:00:26,650

bicyclists on the sky volume 1 2 stories

1323

01:00:31,230 --> 01:00:28,630

miss president's annual photo of Phoenix

1324

01:00:34,380 --> 01:00:31,240

now this is 15 years 15 years of

1325

01:00:37,170 --> 01:00:34,390

research into the Phoenix right into the

1326

01:00:39,480 --> 01:00:37,180

lost history of Phoenix Arizona berry

1327

01:00:42,510 --> 01:00:39,490

that has been brought that I have

1328

01:00:44,880 --> 01:00:42,520

uncovered and Collins photographs eight

1329

01:00:49,620 --> 01:00:44,890

color photographs of the terms of the

1330

01:00:50,430 --> 01:00:49,630

petroglyphs it reads so the reader can

1331

01:00:52,830 --> 01:00:50,440

understand

1332

01:00:55,350 --> 01:00:52,840

if you can't come them about them that I

1333

01:00:58,020 --> 01:00:55,360

bring the mountains to you through all

1334

01:01:00,780 --> 01:00:58,030

the other the documentation and the

1335

01:01:05,520 --> 01:01:00,790

photographs in the book this is this

1336

01:01:10,050 --> 01:01:05,530

this book has never been like it's only

1337

01:01:13,050 --> 01:01:10,060

one this is a completely new unique UFO

1338

01:01:15,570 --> 01:01:13,060

book at a normal UFO book it is a book

1339

01:01:18,480 --> 01:01:15,580

that talked about the true history of

1340

01:01:20,160 --> 01:01:18,490

Phoenix that I have been covered and and

1341

01:01:23,060 --> 01:01:20,170

what really happened to the whole car

1342

01:01:26,100 --> 01:01:23,070

what the Phoenix lights really is and

1343

01:01:30,390 --> 01:01:26,110

this information hasn't been told in the

1344

01:01:33,450 --> 01:01:30,400

last 80 years so this is all new to

1345

01:01:37,230 --> 01:01:33,460

people and so yeah the best way to get a

1346

01:01:39,300 --> 01:01:37,240

hold me is the face book and if you guys

1347

01:01:41,310 --> 01:01:39,310

go up there and tell something in the

1348

01:01:44,580 --> 01:01:41,320

sky please let me know because you know

1349

01:01:46,350 --> 01:01:44,590

this much let's not worry about the

1350

01:01:47,970 --> 01:01:46,360

archaeologists told us what's really

1351

01:01:49,830 --> 01:01:47,980

going on cuz they're gonna deplete it

1352

01:01:52,020 --> 01:01:49,840

but I'm a little worried about you know

1353

01:01:53,940 --> 01:01:52,030

it's up to us it's up to me and you you

1354

01:01:55,950 --> 01:01:53,950

know it took to the people out there in

1355

01:01:57,540 --> 01:01:55,960

the audience to actually go out there

1356

01:01:59,580 --> 01:01:57,550

and find the evidence for themselves

1357

01:02:01,710 --> 01:01:59,590

just don't believe somebody that you

1358

01:02:03,990 --> 01:02:01,720

know that's on the radio that's on TV

1359

01:02:06,330 --> 01:02:04,000

but thought ancient alien but that is

1360

01:02:09,000 --> 01:02:06,340

trying to show you movies and take it

1361

01:02:11,880 --> 01:02:09,010

you know to some crafts going over

1362

01:02:14,060 --> 01:02:11,890

Phoenix investigate for yourself you

1363

01:02:17,670 --> 01:02:14,070

know because that's exactly what I did I

1364

01:02:20,100 --> 01:02:17,680

wouldn't and I investigated all this for

1365

01:02:22,560 --> 01:02:20,110

this for myself and why I did when I did

1366

01:02:24,390 --> 01:02:22,570

it opened up my eyes it opened up a

1367

01:02:26,490 --> 01:02:24,400

whole new chapter on you all what's

1368

01:02:28,410 --> 01:02:26,500

really going on here on earth and when

1369

01:02:30,150 --> 01:02:28,420

you really sit down and when you really

1370

01:02:32,430 --> 01:02:30,160

investigate what's really going on here

1371

01:02:33,780 --> 01:02:32,440

you will find out this to it you will

1372

01:02:35,790 --> 01:02:33,790

find out the truth because the truth

1373

01:02:37,800 --> 01:02:35,800

will always be there you know I was

1374

01:02:39,420 --> 01:02:37,810

thinking I'm thinking hey you know these

1375

01:02:41,700 --> 01:02:39,430

things are here to help us they things

1376

01:02:44,160 --> 01:02:41,710

are a good thing you know but once I

1377

01:02:46,080 --> 01:02:44,170

actually understood but I understood

1378

01:02:47,970 --> 01:02:46,090

them when I understood what the Phoenix

1379

01:02:50,250 --> 01:02:47,980

Wright daughter when I understood about

1380

01:02:52,920 --> 01:02:50,260

what the really with the lost history

1381

01:02:55,260 --> 01:02:52,930

Phoenix there's on it I like totally

1382

01:02:57,090 --> 01:02:55,270

went all 180 on it but this is the

1383

01:02:59,760 --> 01:02:57,100

reason why they don't want to tell you

1384

01:03:00,990 --> 01:02:59,770

what your faults really are because it's

1385

01:03:04,140 --> 01:03:01,000

a scary thing

1386

01:03:06,390 --> 01:03:04,150

keep they're trying to mislead the

1387

01:03:09,000 --> 01:03:06,400

public this is why I don't do the

1388

01:03:12,810 --> 01:03:09,010

ancient aliens but TV series anymore I

1389

01:03:14,790 --> 01:03:12,820

won't do it because in my in my tenants

1390

01:03:17,790 --> 01:03:14,800

there's a lot of misleading information

1391

01:03:20,040 --> 01:03:17,800

they're mad that I started retail it pop

1392

01:03:22,350 --> 01:03:20,050

it's not evidence but not credible it

1393

01:03:28,350 --> 01:03:22,360

also what is evidence what is credible

1394

01:03:31,500 --> 01:03:28,360

is for you to go out there and fight in

1395

01:03:33,210 --> 01:03:31,510

your area find out the history find out

1396

01:03:36,350 --> 01:03:33,220

if the Native Americans you know talk

1397

01:03:39,930 --> 01:03:36,360

about you know beautiful sky spirit but

1398

01:03:41,880 --> 01:03:39,940

spirits of the earth this guy 3ff and

1399

01:03:44,610 --> 01:03:41,890

has the petroglyph thought it was spiral

1400

01:03:46,020 --> 01:03:44,620

man you are on point your wealth and

1401

01:03:49,190 --> 01:03:46,030

knowledge I appreciate you coming on

1402

01:03:51,510 --> 01:03:49,200

Jeff I hope we talk again seeing my man

1403

01:03:54,870 --> 01:03:51,520

thank you Jeff take care all the best

1404

01:03:58,500 --> 01:03:54,880

have a great day man oh man I can't say

1405

01:04:00,210 --> 01:03:58,510

enough good things about Jeff he's one

1406

01:04:02,270 --> 01:04:00,220

of those guys that not only knows his

1407

01:04:05,760 --> 01:04:02,280

stuff but he's passionate about it and

1408

01:04:09,870 --> 01:04:05,770

he has so many of the same ideas that

1409

01:04:13,530 --> 01:04:09,880

many of us have that spent a ton of time

1410

01:04:16,200 --> 01:04:13,540

in the field these realities can be

1411

01:04:18,390 --> 01:04:16,210

augmented significantly by spending that

1412

01:04:19,740 --> 01:04:18,400

amount of time in the field and and this

1413

01:04:23,730 --> 01:04:19,750

guy's far from being an armchair

1414

01:04:25,950 --> 01:04:23,740

researcher he has hiked all over the

1415

01:04:28,880 --> 01:04:25,960

place captured some of the most amazing

1416

01:04:31,620 --> 01:04:28,890

footage in the most unique locations and

1417

01:04:35,700 --> 01:04:31,630

definitely helped Jeff out

1418

01:04:38,760 --> 01:04:35,710

look at his social media look at his

1419

01:04:40,590 --> 01:04:38,770

past present and his future videos

1420

01:04:44,910 --> 01:04:40,600

coming out and definitely pick up his

1421

01:04:46,890 --> 01:04:44,920

book it is a great book if you want to

1422

01:04:50,190 --> 01:04:46,900

keep up with everything Jeff wool wine

1423

01:04:54,510 --> 01:04:50,200

goat look on social media Jeff wool wine

1424

01:04:56,040 --> 01:04:54,520

at Facebook and his book is available in

1425

01:04:58,080 --> 01:04:56,050

a lot of locations I've seen it on

1426

01:05:01,530 --> 01:04:58,090

Amazon and I think you can find it where

1427

01:05:04,860 --> 01:05:01,540

most quality book sellers have UFO books

1428

01:05:09,510 --> 01:05:04,870

and the like I hope to have him on soon

1429

01:05:11,070 --> 01:05:09,520

he's absolutely awesome and even more

1430

01:05:12,600 --> 01:05:11,080

than that I hope to meet up with him

1431

01:05:14,740 --> 01:05:12,610

soon and actually get out in the field

1432

01:05:16,810 --> 01:05:14,750

with him something really interesting

1433

01:05:19,480 --> 01:05:16,820

about his videos is that they are

1434

01:05:24,280 --> 01:05:19,490

oftentimes in these locations that are

1435

01:05:27,550 --> 01:05:24,290

energy hotspots and that's really cool

1436

01:05:30,520 --> 01:05:27,560

he's perfectly kind of got this dynamic

1437

01:05:32,560 --> 01:05:30,530

where he's one of the originals he's

1438

01:05:35,280 --> 01:05:32,570

connected something that should be

1439

01:05:39,520 --> 01:05:35,290

connected and other people are ignoring

1440

01:05:44,910 --> 01:05:39,530

so do what you can definitely support

1441

01:05:48,640 --> 01:05:44,920

Jeff one and I hope we get him back soon

1442

01:05:51,220 --> 01:05:48,650

so on to the other unnecessaries but

1443

01:05:54,580 --> 01:05:51,230

necessary to keep the podcast going I've

1444

01:05:57,490 --> 01:05:54,590

got to do the shameless self-promotion

1445

01:06:00,010 --> 01:05:57,500

the pitch the original outlaw of the

1446

01:06:04,180 --> 01:06:00,020

airwaves has to do the hijacking a bit

1447

01:06:06,490 --> 01:06:04,190

and hit you up for a buck or two if you

1448

01:06:08,050 --> 01:06:06,500

can if not just keep doing what you're

1449

01:06:10,240 --> 01:06:08,060
