A person is sitting on a sandy beach, looking out at the ocean during a sunset. The sun is low on the horizon, creating a warm orange and red glow in the sky. The person is silhouetted against the bright light of the setting sun. There are some trees on the left side of the frame.

community as the greatest expert on

23

00:01:52,249 --> 00:01:49,979

extraterrestrial and ufos typology as

24

00:01:54,289 --> 00:01:52,259

well as UFO crashes reports of

25

00:01:57,830 --> 00:01:54,299

encounters between identified flying

26

00:02:01,190 --> 00:01:57,840

objects and militaries wala civilians

27

00:02:04,760 --> 00:02:01,200

00:02:08,830 --> 00:02:04,770

in his database more than 200 reports

29

00:02:11,809 --> 00:02:08,840

all which are very dedicated Lee

30

00:02:12,920 --> 00:02:11,819

analyzed and investigated as well as

31

00:02:15,949 --> 00:02:12,930

researched

32

00:02:18,410 --> 00:02:15,959

Tiago is also the first and only

33

00:02:22,190 --> 00:02:18,420

Brazilian researcher to have articles

34

00:02:25,580 --> 00:02:22,200

published by the British magazine UFO

35

00:02:27,140 --> 00:02:25,590

matrix he is currently a columnist for

36

00:02:29,960 --> 00:02:27,150

UFO truth magazine

37

00:02:33,140 --> 00:02:29,970

and he continues to be at the forefront

38

00:02:36,920 --> 00:02:33,150

of important UFO cases in Brasilia such

39

00:02:40,280 --> 00:02:36,930

as the Guara case the Semin buy a case

40

00:02:42,679 --> 00:02:40,290

in the UFO probe of the band TV team in

41

00:02:45,589 --> 00:02:42,689

addition he has investigated classic

42

00:02:48,440 --> 00:02:45,599

cases of ufology such as the pappu

43

00:02:51,649 --> 00:02:48,450

decays the paranoia damned case and

44

00:02:53,660 --> 00:02:51,659

tiket ii is considered basically the

45

00:02:55,490 --> 00:02:53,670

best of the best which is like pretty

46

00:02:59,690 --> 00:02:55,500

much who we want to talk to you this

47

00:03:02,599 --> 00:02:59,700

area is riddled in ufology cases and

48

00:03:05,210 --> 00:03:02,609

many of them are unfathomable we have

49

00:03:08,330 --> 00:03:05,220

everything from flying Volkswagen

50

00:03:10,729 --> 00:03:08,340

Beetles we have another case which

51  
00:03:12,770 --> 00:03:10,739  
includes a cyclops entity almost with

52  
00:03:16,009 --> 00:03:12,780  
like a bubble on his head and breathing

53  
00:03:18,020 --> 00:03:16,019  
tubes in the Sagrada família case so

54  
00:03:21,500 --> 00:03:18,030  
many cases it's hard to even keep them

55  
00:03:23,930 --> 00:03:21,510  
separate but enough of that let me make

56

70

00:04:12,729 --> 00:04:09,479

your books your magazine articles and

71

00:04:16,430 --> 00:04:12,739

the like make that clear and obvious

72

00:04:27,490 --> 00:04:16,440

Thiago welcome to the hero paranormal

73

00:04:32,409 --> 00:04:30,620

it's excellent it's it's great I like

74

00:04:35,390 --> 00:04:32,419

when I read a book that has so many

75

00:04:37,850 --> 00:04:35,400

cases that it's not just one case

76

00:04:41,090 --> 00:04:37,860

there's some cases which involve

77

00:04:50,210 --> 00:04:41,100

thousands of people and that that's

78

00:04:55,279 --> 00:04:50,220

pretty impressive all the 500 pages more

79

00:04:59,719 --> 00:04:55,289

than 300 photos it's pretty impressive

80

00:05:02,719 --> 00:04:59,729

it is I think it's I like that it has

81

00:05:05,510 --> 00:05:02,729

different kinds of cases to it has some

82

00:05:07,879 --> 00:05:05,520

cases involving abductions others I want

83

00:05:10,100 --> 00:05:07,889

to I'll get into all that and we I

84

00:05:11,900 --> 00:05:10,110

appreciate you making it so so amazing

85

00:05:14,420 --> 00:05:11,910

with like I love the pictures of like

86

00:05:17,000 --> 00:05:14,430

the flowing the flying Volkswagen Beetle

87

00:05:20,200 --> 00:05:17,010

and case and how did you get into

88

00:05:22,129 --> 00:05:20,210

ufology what sparked your interest and

89

00:05:23,689 --> 00:05:22,139

could you tell us a little bit about

90

00:05:37,659 --> 00:05:23,699

yourself

91

00:05:49,760 --> 00:05:44,629

to read the two things that comic books

92

00:05:54,649 --> 00:05:49,770

Piderman adventures and ecology

93

00:06:01,279 --> 00:05:54,659

magazines and when I was 8 years old

94

00:06:04,939 --> 00:06:01,289

in 1982 until I saw my first and so

95

00:06:12,129 --> 00:06:04,949

father's only one time I saw us so

96

00:06:26,990 --> 00:06:19,960

called Yaga and you were bigger and

97

00:06:30,770 --> 00:06:27,000

brighter red a red bright and make a

98

00:06:33,200 --> 00:06:30,780

movement arrest movement and feeling so

99

00:06:36,080 --> 00:06:33,210

fed to the sky

100

00:06:39,020 --> 00:06:36,090

that is impossible they're playing or

101  
00:06:42,080 --> 00:06:39,030  
helicopters comedic you was not

102  
00:06:46,790 --> 00:06:42,090  
there's no drones in the sky and well as

103  
00:06:50,030 --> 00:06:46,800  
a son of President Air Force pilot I was

104  
00:06:55,220 --> 00:06:50,040  
used to leave and s expensive I knew

105  
00:07:00,590 --> 00:06:55,230  
what was a airplane had a loon like that

106  
00:07:03,080 --> 00:07:00,600  
what I saw was it was very obviously a

107  
00:07:04,160 --> 00:07:03,090  
UFO that you had seen it wasn't it

108  
00:07:09,650 --> 00:07:04,170  
wasn't something that could be

109  
00:07:11,630 --> 00:07:09,660  
misidentified correct even today you

110  
00:07:14,480 --> 00:07:11,640  
know that is so wild because that's so

111  
00:07:17,659 --> 00:07:14,490  
often the case with ufology you have

112  
00:07:21,380 --> 00:07:17,669  
these cases that defy explanation

113  
00:07:23,450 --> 00:07:21,390

and oftentimes people are so caught up

114

00:07:26,000 --> 00:07:23,460

on the unidentified part that they think

115

00:07:27,560 --> 00:07:26,010

it is something it and that's where we

116

00:07:30,320 --> 00:07:27,570

kind of foul ourselves is putting it

117

00:07:33,440 --> 00:07:30,330

into boxes but what I love about your

118

00:07:37,340 --> 00:07:33,450

book is that it has so many different

119

00:07:40,010 --> 00:07:37,350

cases that have abs they're so wild in

120

00:07:42,140 --> 00:07:40,020

unique and dynamic each on their own I

121

00:07:45,590 --> 00:07:42,150

wanted to ask you about a bunch of them

122

00:07:47,659 --> 00:07:45,600

and I'm a big fan of the flying disc

123

00:07:49,400 --> 00:07:47,669

press Philip mantel and everything he's

124

00:07:50,990 --> 00:07:49,410

got going on as well that's so neat that

125

00:07:53,540 --> 00:07:51,000

you got caught up with those guys I

126  
00:07:55,670 --> 00:07:53,550  
wanted to ask you about that how did you

127  
00:08:16,270 --> 00:07:55,680  
get in touch with Philip and what

128  
00:08:24,730 --> 00:08:19,400  
some of the Articles that I translated

129  
00:08:29,000 --> 00:08:24,740  
was groped by a pencil and it was my cup

130  
00:08:35,120 --> 00:08:29,010  
2001 and I started to chat with Mentos

131  
00:08:39,380 --> 00:08:35,130  
and and when it starts with that signing

132  
00:08:43,820 --> 00:08:39,390  
flying practice happy he said I don't if

133  
00:08:47,329 --> 00:08:43,830  
I didn't want to write well I had more

134  
00:08:52,150 --> 00:08:47,339  
than 600 books of pathology in my house

135  
00:08:56,770 --> 00:08:52,160  
and I used to read of course into right

136  
00:09:00,070 --> 00:08:56,780  
homes and make my research and reading

137  
00:09:01,870 --> 00:09:00,080  
this this books the most most of it

138  
00:09:03,220 --> 00:09:01,880

isn't he in English opposed to giving

139

00:09:10,750 --> 00:09:03,230

Spanish

140

00:09:17,310 --> 00:09:10,760

I felt that missing a lot of course you

141

00:09:22,120 --> 00:09:17,320

know many cases no but one classic cases

142

00:09:26,980 --> 00:09:22,130

happened in the 60s in the seventies but

143

00:09:30,820 --> 00:09:26,990

cases very known in Brazil was unknown

144

00:09:33,370 --> 00:09:30,830

in other countries so I I talked to to

145

00:09:37,630 --> 00:09:33,380

Philip well let's do it and I start to

146

00:09:40,390 --> 00:09:37,640

research things some very known and

147

00:09:44,320 --> 00:09:40,400

others on the whole night as I said and

148

00:09:49,780 --> 00:09:44,330

the result was this book about more than

149

00:09:52,840 --> 00:09:49,790

a 500-page man it is and it is so neat

150

00:09:55,600 --> 00:09:52,850

the some of it some of the cases are

151

00:09:57,370 --> 00:09:55,610

just so neat they they really stood out

152

00:10:01,210 --> 00:09:57,380

to me and I wanted to ask you about some

153

00:10:03,160 --> 00:10:01,220

of them in particular and among one of

154

00:10:05,920 --> 00:10:03,170

those is the one with is is it captain

155

00:10:07,960 --> 00:10:05,930

holanda and he had six men and I think

156

00:10:10,540 --> 00:10:07,970

he had a he was next to a village that

157

00:10:38,530 --> 00:10:10,550

had like 2,000 people could you tell us

158

00:10:51,340 --> 00:10:38,540

a bit about that case in Quad City they

159

00:10:57,030 --> 00:10:51,350

were they have been attacking attacked

160

00:11:01,350 --> 00:10:57,040

by a light both white shape like

161

00:11:05,620 --> 00:11:01,360

patients that shut him a ray of light

162

00:11:16,900 --> 00:11:12,610

shoulder females over the breast and of

163

00:11:25,470 --> 00:11:16,910

people think busy and they went to the

164

00:11:31,150 --> 00:11:25,480

hospital and the doctor said they had a

165

00:11:38,800 --> 00:11:31,160

disease because this right took this

166

00:11:42,030 --> 00:11:38,810

blood so from there the UFOs and this

167

00:11:47,999 --> 00:11:42,040

case let's call it the super super case

168

00:11:53,410 --> 00:11:48,009

this light was one name like SEC SEC and

169

00:11:56,530 --> 00:11:53,420

I well we know one of these one person

170

00:12:01,990 --> 00:11:56,540

dies because of it officially want

171

00:12:06,009 --> 00:12:02,000

people died but we know that some cases

172

00:12:11,019 --> 00:12:06,019

some some death people we're not sure

173

00:12:14,069 --> 00:12:11,029

but some say that four or five people

174

00:12:18,249 --> 00:12:14,079

died because it and then their fourth

175

00:12:23,590 --> 00:12:18,259

sent to display to justice scalia's

176

00:12:31,379 --> 00:12:23,600

accrual-based against his life and they

177

00:12:41,259 --> 00:12:37,449

Captain London detective x was happy he

178

00:12:45,999 --> 00:12:41,269

was he got some clothes of ailing ding

179

00:12:48,939 --> 00:12:46,009

like 5 meters distance of aliasing they

180

00:12:54,100 --> 00:12:48,949

take off more than a hundred pictures

181

00:12:55,569 --> 00:12:54,110

more than 3.5 hours of film of us oh you

182

00:12:58,749 --> 00:12:55,579

know he might walk we have a lot of

183

00:13:02,710 --> 00:12:58,759

photos of this operation but of films

184

00:13:05,620 --> 00:13:02,720

the film that were so much impressive so

185

00:13:10,300 --> 00:13:05,630

much more impressive we're still looking

186

00:13:14,470 --> 00:13:10,310

for suitable to the airport and they say

187

00:13:18,309 --> 00:13:14,480

that they didn't have it they lost it or

188

00:13:19,310 --> 00:13:18,319

never existed why it's alright because

189

00:13:26,060 --> 00:13:19,320

the

190

00:13:29,060 --> 00:13:26,070

captain toad - AJ share virus and 82 of

191

00:13:33,260 --> 00:13:29,070

the most brilliant resilience follow

192

00:13:36,050 --> 00:13:33,270

Jesus that made the film his doom at the

193

00:13:38,960 --> 00:13:36,060

object it was humid by a professional

194

00:13:42,470 --> 00:13:38,970

from the business course so this case

195

00:13:46,150 --> 00:13:42,480

was amazed in seven eight it was ordered

196

00:13:50,410 --> 00:13:46,160

to shut out shut down the investigation

197

00:13:55,300 --> 00:13:50,420

but we know that the United States

198

00:13:59,240 --> 00:13:55,310

government and people to investigate a

199

00:14:00,950 --> 00:13:59,250

whiskey and soda surrounded the

200

00:14:08,210 --> 00:14:00,960

supership a phenomenal success

201  
00:14:09,370 --> 00:14:08,220  
phenomenon what researchers in 1982 four

202  
00:14:16,580 --> 00:14:09,380  
more years

203  
00:14:19,160 --> 00:14:16,590  
years and we saw no I think that much

204  
00:14:26,690 --> 00:14:19,170  
more material and this material North in

205  
00:14:29,120 --> 00:14:26,700  
Brazil yeah it seems so often with these

206  
00:14:30,800 --> 00:14:29,130  
cases and it's an amazing case I'll have

207  
00:14:33,440 --> 00:14:30,810  
to ask you about the name Troopa because

208  
00:14:36,140 --> 00:14:33,450  
here we we have at least in the you in a

209  
00:14:38,000 --> 00:14:36,150  
basin of Utah where we do a research

210  
00:14:39,830 --> 00:14:38,010  
project we have these crafts we called

211  
00:14:42,920 --> 00:14:39,840  
chupa just kind of like what you're

212  
00:14:47,260 --> 00:14:42,930  
saying kind of connected to sucking or

213  
00:14:50,900 --> 00:14:47,270

cattle mutilations or malevolent

214

00:14:55,160 --> 00:14:50,910

activity but this case there were so

215

00:15:04,580 --> 00:14:55,170

many witnesses just so many witnesses in

216

00:15:09,590 --> 00:15:04,590

general and many many city the people

217

00:15:21,550 --> 00:15:09,600

made the town free they were sleeping

218

00:15:28,610 --> 00:15:25,520

in the food throwing the way to hit you

219

00:15:31,960 --> 00:15:28,620

it was so afraid that they leave the

220

00:15:37,199 --> 00:15:31,970

town the leprechaun amazing

221

00:15:41,309 --> 00:15:37,209

and I love the detail and as far as

222

00:15:43,679 --> 00:15:41,319

paperwork or you know these sightings

223

00:15:47,529 --> 00:15:43,689

missing and going to the United States

224

00:15:49,749 --> 00:15:47,539

there's a history of this back and forth

225

00:15:52,419 --> 00:15:49,759

through intelligences whether it be the

226

00:15:55,359 --> 00:15:52,429

United States Brazil with the the your

227

00:15:57,879 --> 00:15:55,369

aerospace division I love that in your

228

00:16:00,669 --> 00:15:57,889

book you actually have pictures of you

229

00:16:02,439 --> 00:16:00,679

know great paperwork top-secret papers

230

00:16:04,419 --> 00:16:02,449

going back and forth that have been

231

00:16:07,359 --> 00:16:04,429

Declassified some that we're not quite

232

00:16:09,729 --> 00:16:07,369

sure really really impressive and I

233

00:16:13,749 --> 00:16:09,739

wanted to ask you gosh there's so many

234

00:16:15,489 --> 00:16:13,759

cases it is this common with with it

235

00:16:17,319 --> 00:16:15,499

seems like he at least here in the

236

00:16:19,059 --> 00:16:17,329

United States we talked about the men in

237

00:16:22,029 --> 00:16:19,069

black or those government types that

238

00:16:23,229 --> 00:16:22,039

show up to these cases and before you

239

00:16:26,859 --> 00:16:23,239

know what they're swept under the rug

240

00:16:29,949 --> 00:16:26,869

does this happen as well in Brazil well

241

00:16:35,289 --> 00:16:29,959

we have some cases that we can compare

242

00:16:37,599 --> 00:16:35,299

with men and blacks the the most

243

00:16:39,999 --> 00:16:37,609

importantly that we have not not that

244

00:16:43,229 --> 00:16:40,009

many black they were officials from the

245

00:16:49,329 --> 00:16:43,239

army or the Air Force but happened in

246

00:16:53,439 --> 00:16:49,339

Virginia when the witnesses receive a

247

00:16:55,329 --> 00:16:53,449

visit the some of these this man went to

248

00:16:58,739 --> 00:16:55,339

house of the witness in Essen

249

00:17:02,349 --> 00:16:58,749

well it sure Appleton we can pay you

250

00:17:07,470 --> 00:17:02,359

amount of money you just have to shut up

251  
00:17:12,159 --> 00:17:07,480  
shut up or say that what you saw nothing

252  
00:17:17,230 --> 00:17:12,169  
it was alien but in this case like play

253  
00:17:22,840 --> 00:17:17,240  
separation they don't needed to to push

254  
00:17:25,779 --> 00:17:22,850  
people two to three to threat people was

255  
00:17:29,259 --> 00:17:25,789  
a rather frayed and treated by by the

256  
00:17:33,159 --> 00:17:29,269  
the US homes so they went there to

257  
00:17:38,460 --> 00:17:33,169  
investigate and they got hundreds of

258  
00:17:41,859 --> 00:17:38,470  
pages of reports hundreds of photos and

259  
00:17:45,340 --> 00:17:41,869  
sketches and toys and was something

260  
00:17:47,590 --> 00:17:45,350  
amazing that if you were few

261  
00:17:50,460 --> 00:17:47,600  
looking for more details and more

262  
00:17:54,039 --> 00:17:50,470  
toughness and moment photo and module

263  
00:17:55,509 --> 00:17:54,049

that is great because what I noticed

264

00:17:57,759 --> 00:17:55,519

about all the cases in your book is

265

00:17:59,529 --> 00:17:57,769

they're very involved with as you said

266

00:18:02,700 --> 00:17:59,539

if there's not photos or is usually a

267

00:18:06,029 --> 00:18:02,710

sketch or a very detailed account of

268

00:18:09,789 --> 00:18:06,039

what had taken place in those areas and

269

00:18:12,220 --> 00:18:09,799

there's another one that really caught

270

00:18:25,570 --> 00:18:12,230

my attention was this was it the Sagrada

271

00:18:31,570 --> 00:18:25,580

família case with the Cyclops in the 50s

272

00:18:34,779 --> 00:18:31,580

as a 50 or 60 group of kids were out of

273

00:18:39,269 --> 00:18:34,789

the house washing the dishes of the

274

00:18:43,090 --> 00:18:39,279

dinner and then they saw a huge UFO

275

00:18:49,409 --> 00:18:43,100

circular arts area for looters friends

276

00:18:53,980 --> 00:18:49,419

being seated inside it was like less and

277

00:18:58,990 --> 00:18:53,990

one of the kids was was cleaning the

278

00:19:05,019 --> 00:18:59,000

dishes and from there they were 14 right

279

00:19:09,549 --> 00:19:05,029

and satisfied came a huge being I tried

280

00:19:14,350 --> 00:19:09,559

been a type of being that got closer to

281

00:19:17,590 --> 00:19:14,360

the kid and it was almost we were almost

282

00:19:22,960 --> 00:19:17,600

to touch the shoulder of the kid his

283

00:19:26,409 --> 00:19:22,970

brother first of it and then being think

284

00:19:31,090 --> 00:19:26,419

that he got angry and tried to to groom

285

00:19:35,529 --> 00:19:31,100

something and then returned like looking

286

00:19:38,860 --> 00:19:35,539

like a robot to delight in then I guess

287

00:19:43,869 --> 00:19:38,870

inside they were so and by way but this

288

00:19:46,509 --> 00:19:43,879

case was so amazing that these kids were

289

00:19:49,419 --> 00:19:46,519

interviewed by ufology and was

290

00:19:52,600 --> 00:19:49,429

interviewed by police it is never never

291

00:19:56,850 --> 00:19:52,610

changed their testimony they always say

292

00:19:58,930 --> 00:19:56,860

the same thing all the time it was I

293

00:20:00,880 --> 00:19:58,940

think that's really important

294

00:20:03,130 --> 00:20:00,890

with a lot of these cases is they've

295

00:20:05,230 --> 00:20:03,140

been looked through and prepared very

296

00:20:07,600 --> 00:20:05,240

well and with as far as how you

297

00:20:10,780 --> 00:20:07,610

documented them it was really well and

298

00:20:12,880 --> 00:20:10,790

documented involving small details and

299

00:20:15,760 --> 00:20:12,890

obviously a lot of times the devil is in

300

00:20:18,760 --> 00:20:15,770

the details with these because I mean a

301  
00:20:21,610 --> 00:20:18,770  
huge giant being almost touching the kid

302  
00:20:27,070 --> 00:20:21,620  
it was a really creepy experience for

303  
00:20:30,640 --> 00:20:27,080  
this for this child in a scary a scary a

304  
00:20:32,350 --> 00:20:30,650  
scary alien or you know reptilian space

305  
00:20:36,070 --> 00:20:32,360  
alien type looking thing if I'm not

306  
00:20:39,610 --> 00:20:36,080  
mistaken it had tubes and almost like a

307  
00:20:42,700 --> 00:20:39,620  
I could be wrong but the drawing was

308  
00:20:45,220 --> 00:20:42,710  
really good it had almost like like

309  
00:20:49,000 --> 00:20:45,230  
something around its head possibly very

310  
00:20:54,340 --> 00:20:49,010  
interesting case yes like a helmet like

311  
00:20:56,740 --> 00:20:54,350  
a visor helmet it's a sight Dyson helmet

312  
00:21:01,060 --> 00:20:56,750  
made of glass yeah that's what it

313  
00:21:02,890 --> 00:21:01,070

reminded me of amazing and the and some

314

00:21:04,450 --> 00:21:02,900

of the vivid pictures in your in your

315

00:21:07,330 --> 00:21:04,460

book as well I wanted to talk about the

316

00:21:10,390 --> 00:21:07,340

flying Volkswagen Beetle case which was

317

00:21:20,110 --> 00:21:10,400

hard too hard to ignore could you tell

318

00:21:22,600 --> 00:21:20,120

us a bit about that case you know we

319

00:21:32,230 --> 00:21:22,610

call video here in Brazil we hope future

320

00:21:36,130 --> 00:21:32,240

and this case happened in 1907 when home

321

00:21:38,800 --> 00:21:36,140

built our bodies he was driving the the

322

00:21:47,950 --> 00:21:38,810

you know seventh wife and his daughter

323

00:21:52,330 --> 00:21:47,960

he saw beautiful of them and this is

324

00:21:56,770 --> 00:21:52,340

hard to get away from this is always

325

00:22:02,730 --> 00:21:56,780

didn't know what was but certainly the

326

00:22:11,780 --> 00:22:07,860

should sometimes rain all around like

327

00:22:15,710 --> 00:22:11,790

like around God

328

00:22:17,840 --> 00:22:15,720

treason like the time like it's the time

329

00:22:22,060 --> 00:22:17,850

of topic

330

00:22:29,450 --> 00:22:22,070

oh this all our them what reason number

331

00:22:34,180 --> 00:22:29,460

they call raise up two men two methods

332

00:22:39,440 --> 00:22:34,190

from the road he was so afraid so afraid

333

00:22:42,020 --> 00:22:39,450

they can move after that they were put

334

00:22:47,420 --> 00:22:42,030

there the car in the road again

335

00:22:53,210 --> 00:22:47,430

and they try to keep this the trip and

336

00:23:02,410 --> 00:22:53,220

when they they got home they like no

337

00:23:06,710 --> 00:23:02,420

like you know fifty either in a car they

338

00:23:10,190 --> 00:23:06,720

cannot explain up there and after that

339

00:23:13,160 --> 00:23:10,200

they say that somebody said it has a

340

00:23:16,070 --> 00:23:13,170

nothing counters of your cells and they

341

00:23:18,320 --> 00:23:16,080

mean but this we don't know who this

342

00:23:23,000 --> 00:23:18,330

true but this case was amazing and it

343

00:23:25,220 --> 00:23:23,010

was investigate by that is so amazing

344

00:23:27,440 --> 00:23:25,230

that the there are some really actual

345

00:23:30,890 --> 00:23:27,450

investigations that were they where they

346

00:23:33,370 --> 00:23:30,900

go through and they they've displayed

347

00:23:35,930 --> 00:23:33,380

quite an interest in some of these cases

348

00:23:38,060 --> 00:23:35,940

because of the effect it had on the

349

00:23:41,090 --> 00:23:38,070

people and I mean I can't even imagine

350

00:23:43,640 --> 00:23:41,100

seeing a Volkswagen Beetle flowing

351  
00:23:46,400 --> 00:23:43,650  
through the air but there are cases like

352  
00:23:49,310 --> 00:23:46,410  
that there is a case that I heard of

353  
00:23:51,290 --> 00:23:49,320  
with a army official here where same

354  
00:24:05,650 --> 00:23:51,300  
same thing where their vehicle got

355  
00:24:15,140 --> 00:24:07,040  
competition

356  
00:24:18,470 --> 00:24:15,150  
from the tradition and rest

357  
00:24:24,770 --> 00:24:18,480  
cosmic kilometers after there is another

358  
00:24:25,620 --> 00:24:24,780  
plane and in your book UFO contacts in

359  
00:24:28,650 --> 00:24:25,630  
Brazil I know

360  
00:24:30,480 --> 00:24:28,660  
that you were very careful to not there

361  
00:24:31,950 --> 00:24:30,490  
was there wasn't a ton of judgment it

362  
00:24:35,490 --> 00:24:31,960  
was just really sticking to the facts

363  
00:24:35,910 --> 00:24:35,500

like there was another case the is it

364

00:24:38,460 --> 00:24:35,920

Betty

365

00:24:40,590 --> 00:24:38,470

and Deborah okay that Deborah case with

366

00:24:44,280 --> 00:24:40,600

had an interesting case about abduction

367

00:25:02,220 --> 00:24:44,290

involving two cousins that case was

368

00:25:06,660 --> 00:25:02,230

strange very strange many people many

369

00:25:11,280 --> 00:25:06,670

times this is the displeases Banshee in

370

00:25:14,940 --> 00:25:11,290

Deborah they were Coby and they were

371

00:25:20,430 --> 00:25:14,950

abduction at the same time it happened

372

00:25:27,030 --> 00:25:20,440

into town in 1991 actually this part in

373

00:25:30,540 --> 00:25:27,040

1991 and this two two cousins were and

374

00:25:37,200 --> 00:25:30,550

they reported that the aliens were so

375

00:25:45,180 --> 00:25:37,210

trained like he had like brown and grey

376

00:25:49,250 --> 00:25:45,190

and blue team with four fingers a little

377

00:25:52,830 --> 00:25:49,260

somewhat older than others and they had

378

00:25:59,490 --> 00:25:52,840

immediate ammeter a nice image at all

379

00:26:04,230 --> 00:25:59,500

and the true cousin endeavor where

380

00:26:09,030 --> 00:26:04,240

abductions several times and the aliens

381

00:26:11,940 --> 00:26:09,040

put some implants on them but when they

382

00:26:15,780 --> 00:26:11,950

put implanted trying to shake because of

383

00:26:19,110 --> 00:26:15,790

they fathered was like hurt that they

384

00:26:22,760 --> 00:26:19,120

had so they took the implant off and

385

00:26:28,440 --> 00:26:22,770

they were abducted again and it puts

386

00:26:37,260 --> 00:26:28,450

implants again on them like to attract

387

00:26:39,510 --> 00:26:37,270

them and they would happen Ozzie and put

388

00:26:43,710 --> 00:26:39,520

him to

389

00:26:47,890 --> 00:26:43,720

and they say the same story they both

390

00:26:52,120 --> 00:26:47,900

said the same story so it's amazing to

391

00:26:56,350 --> 00:26:52,130

me that because if they are other gnosis

392

00:27:00,880 --> 00:26:56,360

they cannot fly and they cannot fake the

393

00:27:04,320 --> 00:27:00,890

same thing that other faiths yeah it's a

394

00:27:08,170 --> 00:27:04,330

fascinating close encounter case and

395

00:27:12,280 --> 00:27:08,180

it's I think it's important that I was

396

00:27:13,810 --> 00:27:12,290

unaware that Brazil is it's one of the

397

00:27:18,310 --> 00:27:13,820

countries with the highest UFO

398

00:27:20,610 --> 00:27:18,320

incidences in the world yeah it I mean

399

00:27:23,530 --> 00:27:20,620

the case is occurring in the country are

400

00:27:28,600 --> 00:27:23,540

some pretty pretty pretty fascinating a

401  
00:27:30,850 --> 00:27:28,610  
lot of a lot of direct contact and it's

402  
00:27:33,549 --> 00:27:30,860  
there's there's quite a few cases that

403  
00:27:35,830 --> 00:27:33,559  
what I liked is the difference in the

404  
00:27:38,350 --> 00:27:35,840  
actual observers or the people involved

405  
00:27:42,280 --> 00:27:38,360  
with the cases everything from country

406  
00:27:44,560 --> 00:27:42,290  
folk to judges - you know police

407  
00:27:46,780 --> 00:27:44,570  
officers themselves which are which the

408  
00:27:48,910 --> 00:27:46,790  
police officers were actually

409  
00:27:51,310 --> 00:27:48,920  
reprimanded or we kind of got in trouble

410  
00:27:55,210 --> 00:27:51,320  
for admitting they saw things in some of

411  
00:27:57,430 --> 00:27:55,220  
the cases and I wanted to also mention

412  
00:27:59,080 --> 00:27:57,440  
that you have written more than nine

413  
00:28:02,620 --> 00:27:59,090

books on this so I don't want our

414

00:28:05,260 --> 00:28:02,630

audience to just stop at you know UFOs

415

00:28:07,750 --> 00:28:05,270

contacts in Brazil but there's a lot

416

00:28:09,220 --> 00:28:07,760

more books available and I was wondering

417

00:28:11,169 --> 00:28:09,230

if you could tell us about some of your

418

00:28:26,560 --> 00:28:11,179

favorite cases or the ones that you

419

00:28:30,370 --> 00:28:26,570

think are most important I actually

420

00:28:35,710 --> 00:28:30,380

temple and the protects my is my 11th

421

00:28:39,460 --> 00:28:35,720

book apology I will talk about US

422

00:28:43,090 --> 00:28:39,470

foreign aliens policy and books about

423

00:28:47,500 --> 00:28:43,100

the UFO cases in general and books about

424

00:28:52,300 --> 00:28:47,510

my ad code articles that were in

425

00:28:55,360 --> 00:28:52,310

magazines in Brazil and England well

426

00:28:59,590 --> 00:28:55,370

I really like the place operation

427

00:29:03,460 --> 00:28:59,600

I do realize it and I do lose occurred

428

00:29:14,040 --> 00:29:03,470

here in Brasilia that was the plan at

429

00:29:27,760 --> 00:29:19,990

buy police officers by doctors by

430

00:29:32,410 --> 00:29:27,770

fireman fireman and 90 80 1996 it was in

431

00:29:35,200 --> 00:29:32,420

it three men are coming I finish the

432

00:29:39,690 --> 00:29:35,210

trip they are in our state and they're

433

00:29:43,270 --> 00:29:39,700

coming to to Brasilia they saw a UFO

434

00:29:46,450 --> 00:29:43,280

first of all they probably was with Paul

435

00:29:49,630 --> 00:29:46,460

there were before the train store in

436

00:29:54,370 --> 00:29:49,640

Douglas high but the first tried to

437

00:29:56,380 --> 00:29:54,380

change them and got closer and they

438

00:30:04,300 --> 00:29:56,390

realize that what what what they thought

439

00:30:06,400 --> 00:30:04,310

was a huge huge UFO in a shake if some

440

00:30:08,920 --> 00:30:06,410

of them say one of them said it would

441

00:30:12,730 --> 00:30:08,930

she like a cross obviously there was

442

00:30:16,290 --> 00:30:12,740

assuming there but anyway this will

443

00:30:19,020 --> 00:30:16,300

change them and the one point in

444

00:30:26,340 --> 00:30:19,030

neighborhood we call here at Roger Lodge

445

00:30:28,990 --> 00:30:26,350

96 was very very remote area this were

446

00:30:31,360 --> 00:30:29,000

hobart over the street in the front of

447

00:30:37,600 --> 00:30:31,370

the cars his cars

448

00:30:42,490 --> 00:30:37,610

he's caught and they do a bid for 10

449

00:30:47,740 --> 00:30:42,500

seconds 15 seconds and they fell we had

450

00:30:52,720 --> 00:30:47,750

to cross the room together accelerate

451  
00:30:55,570 --> 00:30:52,730  
this car and passes over the us all the

452  
00:31:00,330 --> 00:30:55,580  
phone starts changing them and they

453  
00:31:04,720 --> 00:31:00,340  
stopped it in a place where there was a

454  
00:31:08,380 --> 00:31:04,730  
it's not a police office

455  
00:31:10,630 --> 00:31:08,390  
and the first member of the Arkansas

456  
00:31:12,970 --> 00:31:10,640  
there they were so bad well I cannot do

457  
00:31:18,460 --> 00:31:12,980  
nothing because I don't know anything

458  
00:31:19,690 --> 00:31:18,470  
so they because they decide to history

459  
00:31:25,060 --> 00:31:19,700  
their trip again

460  
00:31:25,720 --> 00:31:25,070  
at one point in a job or another they

461  
00:31:31,390 --> 00:31:25,730  
stop it

462  
00:31:34,110 --> 00:31:31,400  
and all of this business called his son

463  
00:31:39,370 --> 00:31:34,120

it was a professional photographer and

464

00:31:43,060 --> 00:31:39,380

he said when they're and 236 forums

465

00:31:48,310 --> 00:31:43,070

offeree of the three of us hope one of

466

00:31:52,480 --> 00:31:48,320

this photo season is in my book very

467

00:31:55,240 --> 00:31:52,490

bright white likes lingered and this I

468

00:32:01,590 --> 00:31:55,250

was so blue and clearer that photo is

469

00:32:05,550 --> 00:32:01,600

beautiful and then they were there two

470

00:32:10,560 --> 00:32:05,560

police officers one of them had a camera

471

00:32:15,640 --> 00:32:10,570

and Cara and tried to feel bigger for

472

00:32:19,120 --> 00:32:15,650

five minutes and then the result

473

00:32:22,630 --> 00:32:19,130

accelerated disappear and this film is

474

00:32:28,480 --> 00:32:22,640

this officer the core team his name was

475

00:32:30,640 --> 00:32:28,490

Georgina the corporal go Gina show to a

476

00:32:34,800 --> 00:32:30,650

whole battalion of the military police

477

00:32:39,690 --> 00:32:34,810

and they asked the media the press and

478

00:32:42,450 --> 00:32:39,700

the forest to see the defeated and

479

00:32:46,000 --> 00:32:42,460

investigate and we did with this case

480

00:32:49,210 --> 00:32:46,010

our conclusion was that was not an

481

00:32:55,230 --> 00:32:49,220

airplane was not in helicopters was a

482

00:32:58,570 --> 00:32:55,240

balloon actually with UFO it did amazing

483

00:33:00,910 --> 00:32:58,580

there are so many of them and it seems

484

00:33:04,210 --> 00:33:00,920

like there is a larger scheme of some

485

00:33:06,690 --> 00:33:04,220

sort you know with these craft some are

486

00:33:09,130 --> 00:33:06,700

able to some summer scene actually

487

00:33:11,080 --> 00:33:09,140

contacting the victims others are taking

488

00:33:14,560 --> 00:33:11,090

off at rates of speed that the military

489

00:33:17,740 --> 00:33:14,570

is blown away by and I if I'm not

490

00:33:18,470 --> 00:33:17,750

mistaken there was a recent case was it

491

00:33:22,250 --> 00:33:18,480

near south

492

00:33:26,120 --> 00:33:22,260

with some fishermen Fernando Becerra and

493

00:33:28,760 --> 00:33:26,130

Wilson de Silva Oliviera where they were

494

00:33:31,820 --> 00:33:28,770

gathering their nets it just goes to

495

00:33:34,970 --> 00:33:31,830

show that the amount of cases that are

496

00:33:37,280 --> 00:33:34,980

taking place in Brazil it's a very

497

00:33:41,630 --> 00:33:37,290

active area any ideas of what could

498

00:33:43,760 --> 00:33:41,640

cause so much activity and you know why

499

00:34:01,150 --> 00:33:43,770

is the specific area such a hot spot

500

00:34:11,240 --> 00:34:01,160

because it seems to be the word fishing

501  
00:34:16,760 --> 00:34:11,250  
when they saw a UFO famine and got so

502  
00:34:21,159 --> 00:34:16,770  
close to them they could move when they

503  
00:34:24,830 --> 00:34:21,169  
move it they were planted ended in the

504  
00:34:30,580 --> 00:34:24,840  
last March on the grass like square

505  
00:34:33,950 --> 00:34:30,590  
marks and forties from the info

506  
00:34:36,609 --> 00:34:33,960  
aeronautical investigation phenomena in

507  
00:34:45,470 --> 00:34:36,619  
some Paulo leading I call this code

508  
00:34:50,899 --> 00:34:45,480  
that's already passed away they may mark

509  
00:35:14,630 --> 00:34:50,909  
in the grass the map the grass and they

510  
00:35:19,310 --> 00:35:14,640  
they concluded to make something and now

511  
00:35:25,580 --> 00:35:19,320  
we have to blend it in okay let's be

512  
00:35:28,810 --> 00:35:25,590  
more than four okay that is so one that

513  
00:35:32,300 --> 00:35:28,820

fathers as well the the landmark that

514

00:35:35,300 --> 00:35:32,310

that is so wild because yeah these it's

515

00:35:39,260 --> 00:35:35,310

literally like this tripod this landing

516

00:35:40,670 --> 00:35:39,270

gear in the dirt leaving a very obvious

517

00:35:43,040 --> 00:35:40,680

impression like something you would

518

00:35:46,580 --> 00:35:43,050

expect out of Star Wars or something it

519

00:35:50,090 --> 00:35:46,590

has a very high-tech high-tech little

520

00:35:51,860 --> 00:35:50,100

these tripod booth feet I guess it was

521

00:35:53,450 --> 00:35:51,870

like a saucer with feet is what it looks

522

00:36:05,840 --> 00:35:53,460

like because it left a mark on the earth

523

00:36:10,700 --> 00:36:05,850

as well very heavy very very heavy and

524

00:36:16,040 --> 00:36:10,710

last month we call beautiful net in the

525

00:36:30,320 --> 00:36:16,050

grass like the we like if we had you

526

00:36:32,690 --> 00:36:30,330

know separate yeah yeah and to have

527

00:36:35,240 --> 00:36:32,700

landing gear like that and leave them in

528

00:36:38,720 --> 00:36:35,250

the in the dirt I mean I was really

529

00:36:40,520 --> 00:36:38,730

blown away by by the image of seeing

530

00:36:43,250 --> 00:36:40,530

something like that and seeing those

531

00:36:45,350 --> 00:36:43,260

those feet that like like the

532

00:36:47,090 --> 00:36:45,360

traditional UFO like a child would draw

533

00:36:50,780 --> 00:36:47,100

with like the little feet coming off or

534

00:36:52,550 --> 00:36:50,790

any of us that would think and it's it's

535

00:36:55,220 --> 00:36:52,560

pretty fascinating and that's you know a

536

00:36:57,490 --> 00:36:55,230

more recent case pretty intense and the

537

00:37:01,010 --> 00:36:57,500

fishermen if I'm not mistaken they were

538

00:37:09,530 --> 00:37:01,020

their boats engine actually even stopped

539

00:37:14,840 --> 00:37:09,540

when the object passed over and this

540

00:37:18,830 --> 00:37:14,850

statement went back to the same place 20

541

00:37:24,290 --> 00:37:18,840

years 20 years later and the place where

542

00:37:29,480 --> 00:37:24,300

they landed a small fish a little black

543

00:37:35,780 --> 00:37:29,490

on it oh that's so wild

544

00:37:38,960 --> 00:37:35,790

Sony such a neat case and I I just loved

545

00:37:41,900 --> 00:37:38,970

it really it really sounds like one of

546

00:37:45,470 --> 00:37:41,910

those cases that is not only traditional

547

00:37:48,410 --> 00:37:45,480

it was it you know but it it fits

548

00:37:49,640 --> 00:37:48,420

all those boxes of you know rectangular

549

00:37:52,160 --> 00:37:49,650

support legs

550

00:37:54,620 --> 00:37:52,170

the vegetation being dry twisted and

551  
00:37:56,359 --> 00:37:54,630  
flattened in a clockwise direction kind

552  
00:38:03,620 --> 00:37:56,369  
of the same things you would see in a

553  
00:38:07,010 --> 00:38:03,630  
crop circle it's really fascinating and

554  
00:38:09,290 --> 00:38:07,020  
it's it's fabulous the way that they

555  
00:38:10,940 --> 00:38:09,300  
described it I think the way the the you

556  
00:38:12,980 --> 00:38:10,950  
know the psychological effects on the

557  
00:38:14,900 --> 00:38:12,990  
eyewitnesses and both of them

558  
00:38:17,660 --> 00:38:14,910  
complaining about ie rotation and

559  
00:38:20,000 --> 00:38:17,670  
diarrhea I mean tests this is some scary

560  
00:38:23,359 --> 00:38:20,010  
stuff and we get we find this a lot with

561  
00:38:25,690 --> 00:38:23,369  
people that see these craft do you find

562  
00:38:29,480 --> 00:38:25,700  
that there is a common thread in

563  
00:38:31,550 --> 00:38:29,490

somewhat of medical malfunctions or

564

00:38:36,079 --> 00:38:31,560

shorter lifespans after seeing these

565

00:38:45,710 --> 00:38:36,089

craft up close and personal you know do

566

00:38:59,120 --> 00:38:45,720

people get sick often yeah terrified

567

00:39:09,770 --> 00:38:59,130

cases that's a man that melted after we

568

00:39:22,990 --> 00:39:09,780

know what and this case happened in

569

00:39:31,700 --> 00:39:23,000

night 1945 and your presence was city

570

00:39:35,780 --> 00:39:31,710

well back in the in the forties let's

571

00:39:38,630 --> 00:39:35,790

whiskey in in the in on the street

572

00:39:47,589 --> 00:39:38,640

so what welcome and before you were to

573

00:39:52,150 --> 00:39:47,599

describe and well we don't know why he

574

00:39:57,859 --> 00:39:52,160

didn't know why you shut him alight

575

00:40:00,230 --> 00:39:57,869

happy not right and he are to to self

576

00:40:07,580 --> 00:40:00,240

easy and

577

00:40:11,750 --> 00:40:07,590

pain on leg and a few days later he's

578

00:40:19,610 --> 00:40:11,760

flesh hard to get apart from this bone

579

00:40:25,130 --> 00:40:19,620

from the chest and fingers legs and feet

580

00:40:28,520 --> 00:40:25,140

and she died you know slicer radiation

581

00:40:32,660 --> 00:40:28,530

contamination or predation when you lost

582

00:40:41,470 --> 00:40:32,670

parts of your body like falling the

583

00:40:47,090 --> 00:40:41,480

flesh so his body but 1946 so and

584

00:40:49,460 --> 00:40:47,100

something hit him I reapplied with

585

00:40:54,260 --> 00:40:49,470

nothing like a Chernobyl but like a

586

00:40:59,950 --> 00:40:54,270

Fukushima now alien or you had folded

587

00:41:05,960 --> 00:41:03,020

it's really scary it's really a scary

588

00:41:08,540 --> 00:41:05,970

case that really is so there is some

589

00:41:13,280 --> 00:41:08,550

danger and problems with this these

590

00:41:15,350 --> 00:41:13,290

these type of encounters at times and so

591

00:41:19,970 --> 00:41:15,360

it's it can be very devastating to the

592

00:41:21,590 --> 00:41:19,980

victims pretty amazing stuff for our

593

00:41:24,350 --> 00:41:21,600

listeners that are interested in getting

594

00:41:26,450 --> 00:41:24,360

614

00:42:53,210 --> 00:42:49,790

years to write this book and you know

615

00:42:58,600 --> 00:42:53,220
