many of the conspiracies and alternative

7
00:01:11,600 --> 00:01:07,500
fringe developments that our culture

8
00:01:14,620 --> 00:01:11,610

00:01:21,410 --> 00:01:18,119
possibly well I'll just be honest I mean

11
00:01:24,620 --> 00:01:21,420

12
00:01:29,890 --> 00:01:24,630
big deal and to have him on talking

13
00:01:33,370 --> 00:01:29,900

about something that is so important and

14

00:01:37,160 --> 00:01:33,380

emotionally relevant for his family

15

00:01:38,390 --> 00:01:37,170

historically and kind of a secret that's

16

00:01:41,359 --> 00:01:38,400

been passed along through the

17

00:01:43,660 --> 00:01:41,369

generations having to do with something

18

00:01:46,100 --> 00:01:43,670

81

00:04:56,770 --> 00:04:53,540

glorification let's move on to what's

82

00:04:59,290 --> 00:04:56,780

important here which is Pearl Harbor Day

83

00:05:01,600 --> 00:04:59,300

and the remembrance of Pearl Harbor Day

84

00:05:03,760 --> 00:05:01,610

this is a very important day not only

85

00:05:09,490 --> 00:05:03,770

for our nation but for the world as a

86

00:05:12,220 --> 00:05:09,500

whole this was a strategic attack that

87

00:05:14,790 --> 00:05:12,230

was placed on multiple countries all

88

00:05:19,560 --> 00:05:14,800

having connections to the United States

89

00:05:23,310 --> 00:05:19,570

in a display that is record-breaking

90

00:05:25,640 --> 00:05:23,320

complete annihilation and destruction on

91

00:05:28,230 --> 00:05:25,650

a level that had not been seen before

92

00:05:31,470 --> 00:05:28,240

especially at this time period

93

00:05:34,140 --> 00:05:31,480

historically and we are here to discuss

94

00:05:37,790 --> 00:05:34,150

the things that just don't quite pass

95

00:05:41,130 --> 00:05:37,800

the smell test not detracting from or

96

00:05:43,950 --> 00:05:41,140

taking away from the remembrance the

97

00:05:46,410 --> 00:05:43,960

importance of our veterans or any of the

98

00:05:48,350 --> 00:05:46,420

issues that we all hold so dear and

99

00:05:52,440 --> 00:05:48,360

dear to our heart

100

00:05:55,410 --> 00:05:52,450

we're here to wholeheartedly delve into

101

00:05:57,540 --> 00:05:55,420

the back recesses of the mind to the

102

00:06:00,030 --> 00:05:57,550

things that make you go hmm why did that

103

00:06:04,260 --> 00:06:00,040

happen her why was this not spoken of

104

00:06:07,560 --> 00:06:04,270

and there's a lot of them as many of you

105

00:06:09,570 --> 00:06:07,570

know and some of you may not know Pearl

106

00:06:13,580 --> 00:06:09,580

Harbor was not the only point of attack

107

00:06:17,129 --> 00:06:15,270

and also

108

00:06:19,670 --> 00:06:17,139

protectorates attacked at the same time

109

00:06:22,410 --> 00:06:19,680

with extreme loss of life the

110

00:06:25,650 --> 00:06:22,420

remembrance of this horrific event

111

00:06:29,850 --> 00:06:25,660

especially on this day it's important to

112

00:06:31,440 --> 00:06:29,860

not lose track of that and the loss of

113

00:06:32,700 --> 00:06:31,450

human life is really what's important

114

00:06:35,550 --> 00:06:32,710

here and those that are here to protect

115

00:06:38,629 --> 00:06:35,560

it was also historic in a sense that

116

00:06:41,280 --> 00:06:38,639

this was the first and only time that

117

00:06:43,620 --> 00:06:41,290

the United States had been hit on

118

00:06:45,950 --> 00:06:43,630

territory which would be considered

119

00:06:49,409 --> 00:06:45,960

mainland at this point or our own

120

00:06:53,250 --> 00:06:49,419

property never has this happened before

121

00:06:54,780 --> 00:06:53,260

since the Redcoats came storming and he

122

00:06:58,170 --> 00:06:54,790

sent them back with their tail between

123

00:07:00,240 --> 00:06:58,180

their legs now the way we address this

124

00:07:02,400 --> 00:07:00,250

situation is not really what we're here

125

00:07:04,110 --> 00:07:02,410

to discuss we're more here to discuss

126

00:07:07,770 --> 00:07:04,120

the events that took place on that day

127

00:07:11,370 --> 00:07:07,780

in we have my very special very best

128

00:07:13,560 --> 00:07:11,380

friend great guy will Hoffman a pastor a

129

00:07:16,020 --> 00:07:13,570

all-around good guy here to discuss it

130

00:07:20,700 --> 00:07:16,030

with this soap we'll welcome to the hero

131

00:07:24,020 --> 00:07:20,710

paranormal podcast I'm doing doing

132

00:07:27,719 --> 00:07:24,030

pretty good can't complain too much

133

00:07:29,930 --> 00:07:27,729

yeah things things are great I'm not as

134

00:07:35,820 --> 00:07:29,940

cold here as it is where you're at but

135

00:07:37,680 --> 00:07:35,830

other than that I'm I mean I'm good yeah

136

00:07:40,800 --> 00:07:37,690

we uh we just had a little bit of snow

137

00:07:44,490 --> 00:07:40,810

this morning and we're supposed to have

138

00:07:45,900 --> 00:07:44,500

a whitening didn't Oh see that's awesome

139

00:07:47,430 --> 00:07:45,910

cuz I always like pray for a white

140

00:07:51,810 --> 00:07:47,440

Christmas which doesn't happen very

141

00:07:57,510 --> 00:07:51,820

often but it did last year so yeah

142

00:07:58,800 --> 00:07:57,520

there's there's a lot going on it's this

143

00:08:03,510 --> 00:07:58,810

is kind of in remembrance of Pearl

144

00:08:05,640 --> 00:08:03,520

Harbor day and we've only lightly spoken

145

00:08:07,469 --> 00:08:05,650

about just the idea of having a podcast

146

00:08:12,260 --> 00:08:07,479

about this so this is all new to both of

147

00:08:15,390 --> 00:08:12,270

us but we are going to discuss some

148

00:08:18,360 --> 00:08:15,400

events that like pay respects all the

149

00:08:20,070 --> 00:08:18,370

military and all that in addition we'll

150

00:08:23,120 --> 00:08:20,080

go into why some names are being

151
00:08:26,149 --> 00:08:23,130
excluded and things of that nature but

152
00:08:28,060 --> 00:08:26,159
yeah well you you have a very unique

153
00:08:30,190 --> 00:08:28,070
personal

154
00:08:33,130 --> 00:08:30,200
history at least from a family

155
00:08:35,680 --> 00:08:33,140
standpoint about some possibilities that

156
00:08:37,930 --> 00:08:35,690
may have happened at Pearl Harbor that

157
00:08:40,300 --> 00:08:37,940
it's a coincidental thing there's some

158
00:08:43,690 --> 00:08:40,310
coincidences as there oftentimes are

159
00:08:45,310 --> 00:08:43,700
with these major monumental historic

160
00:08:48,460 --> 00:08:45,320
events that take place in the US history

161
00:08:51,070 --> 00:08:48,470
and this is one of those like a much

162
00:08:53,200 --> 00:08:51,080
like 9/11 and the message that it

163
00:08:58,300 --> 00:08:53,210

conveyed but could you tell us a little

164

00:09:02,320 --> 00:08:58,310

bit about that well yeah well my my

165

00:09:05,560 --> 00:09:02,330

grandfather was in World War two and he

166

00:09:08,860 --> 00:09:05,570

was a he was a pilot he was a medical

167

00:09:12,670 --> 00:09:08,870

pilot and he he never really talked

168

00:09:15,250 --> 00:09:12,680

about the war I mean this this was the

169

00:09:18,430 --> 00:09:15,260

only story I actually heard come from

170

00:09:22,210 --> 00:09:18,440

his lips and it was kind of in the later

171

00:09:27,520 --> 00:09:22,220

stages of his life he came to Missouri

172

00:09:29,320 --> 00:09:27,530

for to visit the family and just I

173

00:09:31,420 --> 00:09:29,330

didn't know where he liked because we

174

00:09:35,680 --> 00:09:31,430

kind of asked him about you know where

175

00:09:38,620 --> 00:09:35,690

he was that on the day prologue or

176
00:09:42,190 --> 00:09:38,630
happened and he just goes into the story

177
00:09:47,650 --> 00:09:42,200
and Mike my grandfather at the time he

178
00:09:51,070 --> 00:09:47,660
was stationed in California and they

179
00:09:55,030 --> 00:09:51,080
were told that if anything was to ever

180
00:09:58,840 --> 00:09:55,040
happen in Hawaii that there would be the

181
00:10:02,770 --> 00:09:58,850
first responders again you know a lot of

182
00:10:06,840 --> 00:10:02,780
his career he flew medical planes so

183
00:10:09,880 --> 00:10:06,850
they would want to go over and you know

184
00:10:11,380 --> 00:10:09,890
being being on the airbase wherever was

185
00:10:13,810 --> 00:10:11,390
about for sure which airbase they were

186
00:10:17,350 --> 00:10:13,820
at at the time I know they were close to

187
00:10:19,450 --> 00:10:17,360
a beach and they always tried to ask

188
00:10:21,730 --> 00:10:19,460

their commanding officer if they could

189

00:10:25,060 --> 00:10:21,740

go to the beach for the day and there

190

00:10:26,970 --> 00:10:25,070

was always no don't you can't go in case

191

00:10:31,390 --> 00:10:26,980

something happens

192

00:10:33,190 --> 00:10:31,400

got to be on on station well that's

193

00:10:35,020 --> 00:10:33,200

Sunday morning they went to their

194

00:10:38,770 --> 00:10:35,030

commanding officer and said hey can we

195

00:10:39,490 --> 00:10:38,780

go to the beach and he just said yes sir

196

00:10:41,980 --> 00:10:39,500

go have fun

197

00:10:44,139 --> 00:10:41,990

and

198

00:10:45,639 --> 00:10:44,149

you know being young young men they

199

00:10:47,710 --> 00:10:45,649

didn't think anything about it they just

200

00:10:50,350 --> 00:10:47,720

thought this was their time to go to the

201
00:10:54,960 --> 00:10:50,360
beach go play volleyball go play in the

202
00:10:58,780 --> 00:10:54,970
sand you know do all that stuff and

203
00:11:01,120 --> 00:10:58,790
about I can't remember what time you

204
00:11:03,510 --> 00:11:01,130
said it was but they there was a radio

205
00:11:06,790 --> 00:11:03,520
somebody had a radio on the beach and

206
00:11:09,790 --> 00:11:06,800
the reports that the attack was taking

207
00:11:12,660 --> 00:11:09,800
place and so they they rushed back to

208
00:11:14,829 --> 00:11:12,670
base started getting their planes ready

209
00:11:16,180 --> 00:11:14,839
didn't even check in they just went

210
00:11:19,030 --> 00:11:16,190
straight to their plane started getting

211
00:11:24,040 --> 00:11:19,040
ready and they remaining officer came

212
00:11:26,380 --> 00:11:24,050
out and told him to stand down and they

213
00:11:29,139 --> 00:11:26,390

basically sit there and you know kind of

214

00:11:30,130 --> 00:11:29,149

was asking why why are you having us

215

00:11:34,329 --> 00:11:30,140

stand down

216

00:11:36,040 --> 00:11:34,339

we're the first line and they were just

217

00:11:38,139 --> 00:11:36,050

told stand down

218

00:11:41,170 --> 00:11:38,149

you'll get the order to go when we tell

219

00:11:43,060 --> 00:11:41,180

you to go and they waited on base they

220

00:11:45,490 --> 00:11:43,070

wooded next to their planes for the rest

221

00:11:47,710 --> 00:11:45,500

of day until they were told to go and

222

00:11:49,720 --> 00:11:47,720

this is what after the attack already

223

00:11:52,240 --> 00:11:49,730

happened it was you know there's over it

224

00:11:56,710 --> 00:11:52,250

was done and then they were told okay

225

00:11:58,990 --> 00:11:56,720

now you can go then they really were the

226

00:12:03,400 --> 00:11:59,000

first ones that flew over and saw all

227

00:12:05,500 --> 00:12:03,410

the destruction and when my grandfather

228

00:12:06,699 --> 00:12:05,510

always said was you know during this

229

00:12:08,530 --> 00:12:06,709

time when we were talking about it

230

00:12:12,699 --> 00:12:08,540

because we're just being kind of blown

231

00:12:15,579 --> 00:12:12,709

away by this his whole thing was I never

232

00:12:18,880 --> 00:12:15,589

understood why they wouldn't let us go

233

00:12:22,870 --> 00:12:18,890

why they wouldn't let us go and try to

234

00:12:26,710 --> 00:12:22,880

save lives we were the first line of you

235

00:12:32,110 --> 00:12:26,720

know of support for help and we were

236

00:12:36,670 --> 00:12:32,120

sitting by airplanes and it really just

237

00:12:38,470 --> 00:12:36,680

it's trepang there with him as me and my

238

00:12:42,600 --> 00:12:38,480

mother are sitting there listening to

239

00:12:46,840 --> 00:12:42,610

this we're just like you know what and

240

00:12:48,069 --> 00:12:46,850

he just he was told to stand down he he

241

00:12:53,630 --> 00:12:48,079

couldn't go save lives

242

00:12:54,980 --> 00:12:53,640

and it was you know it was hard for

243

00:12:56,720 --> 00:12:54,990

it's one of the things that kept them

244

00:12:59,000 --> 00:12:56,730

off at night it was one of the things

245

00:13:02,930 --> 00:12:59,010

that reason why he didn't talk about his

246

00:13:10,850 --> 00:13:02,940

time in the war and it really affected

247

00:13:18,050 --> 00:13:10,860

them and I mean that could cause some

248

00:13:23,090 --> 00:13:18,060

serious PTSD oh he he he did he did suffer

249

00:13:25,670 --> 00:13:23,100

from that you know we again I you know

250

00:13:29,440 --> 00:13:25,680

the stories I heard from my mom you know

251

00:13:32,840 --> 00:13:29,450

the the night terrors that he would have

252

00:13:37,220 --> 00:13:32,850

even even when Saving Private Ryan came

253

00:13:38,720 --> 00:13:37,230

out you know he was he was taken to the

254

00:13:40,850 --> 00:13:38,730

premiere of that he got one of those

255

00:13:44,960 --> 00:13:40,860

premiere tickets because he was a

256

00:13:50,680 --> 00:13:44,970

serviceman during World War two and even

257

00:13:54,890 --> 00:13:50,690

that set set him off for a few months of

258

00:13:59,630 --> 00:13:54,900

reliving this stuff in his dreams he saw

259

00:14:03,040 --> 00:13:59,640

a lot of stuff happened he was you know

260

00:14:07,910 --> 00:14:03,050

his plane was fire back you know shot at

261

00:14:09,620 --> 00:14:07,920

and yeah it really it really affected

262

00:14:12,770 --> 00:14:09,630

him to the point where he didn't he

263

00:14:16,610 --> 00:14:12,780

didn't tell her many stories my mom can

264

00:14:19,160 --> 00:14:16,620

only recount you know two or three

265

00:14:24,290 --> 00:14:19,170

stories that he would ever sit down and

266

00:14:27,350 --> 00:14:24,300

tell and yeah the Pearl Harbor story was

267

00:14:31,340 --> 00:14:27,360

was one of them seriously not to be

268

00:14:33,020 --> 00:14:31,350

allowed to you know go and being told to

269

00:14:37,130 --> 00:14:33,030

stand down and I think it's important to

270

00:14:38,960 --> 00:14:37,140

mention that we'll get we'll get to this

271

00:14:41,390 --> 00:14:38,970

bit it's important to mention that this

272

00:14:45,170 --> 00:14:41,400

was afterwards so after the attack had

273

00:14:46,910 --> 00:14:45,180

already taken place and literally being

274

00:14:51,110 --> 00:14:46,920

the first line of support or defense

275

00:14:52,700 --> 00:14:51,120

being young man and and not really

276

00:14:55,070 --> 00:14:52,710

thinking anything about your orders

277

00:14:58,790 --> 00:14:55,080

because you're just there to do that

278

00:15:00,380 --> 00:14:58,800

there's you know just not be you know

279

00:15:04,340 --> 00:15:00,390

them being allowed to go to the beach

280

00:15:05,820 --> 00:15:04,350

words anyway there's a lot of questions

281

00:15:08,280 --> 00:15:05,830

when he was selling

282

00:15:11,490 --> 00:15:08,290

a story I didn't want to I really didn't

283

00:15:16,380 --> 00:15:11,500

want to ask me questions cuz you know my

284

00:15:19,080 --> 00:15:16,390

grandfather was and he's passed away but

285

00:15:21,840 --> 00:15:19,090

he would always tell us stories he would

286

00:15:24,680 --> 00:15:21,850

always come you know I you know he's one

287

00:15:27,600 --> 00:15:24,690

of those snowbirds he lived in Arizona

288

00:15:29,850 --> 00:15:27,610

he would come up to Missouri you know

289

00:15:32,190 --> 00:15:29,860

during the summer but spent most his

290

00:15:35,850 --> 00:15:32,200

time in Arizona and you know he would

291

00:15:36,960 --> 00:15:35,860

always tell his stories that was kind of

292

00:15:38,730 --> 00:15:36,970

the thing he would sit around the

293

00:15:42,330 --> 00:15:38,740

kitchen table he just saw stories about

294

00:15:44,640 --> 00:15:42,340

his life about everything but never that

295

00:15:46,830 --> 00:15:44,650

part of his life so I think I don't want

296

00:15:48,930 --> 00:15:46,840

to ask a lot of questions just because I

297

00:15:54,240 --> 00:15:48,940

honestly I didn't know when he would

298

00:15:55,680 --> 00:15:54,250

shut down you know he you know sometimes

299

00:15:59,220 --> 00:15:55,690

when he just wouldn't want to talk about

300

00:16:01,920 --> 00:15:59,230

something he would just shut down so you

301

00:16:04,200 --> 00:16:01,930

know when I'm listening to this and you

302

00:16:07,260 --> 00:16:04,210

know I was I was I believe a teenager at

303

00:16:12,690 --> 00:16:07,270

the time you know I'm just I'm kind of

304

00:16:16,320 --> 00:16:12,700

shocked at hearing this stuff thinking

305

00:16:19,740 --> 00:16:16,330

you know and even even he said you know

306

00:16:22,290 --> 00:16:19,750

I remember him saying very very clearly

307

00:16:24,420 --> 00:16:22,300

that when they were told they could go

308

00:16:25,520 --> 00:16:24,430

to the beach his first thought was well

309

00:16:28,260 --> 00:16:25,530

that's weird

310

00:16:30,630 --> 00:16:28,270

I'm gonna do it because you know I want

311

00:16:33,690 --> 00:16:30,640

to go I want to go to the beach you know

312

00:16:37,200 --> 00:16:33,700

I want to you know hang out and have fun

313

00:16:39,900 --> 00:16:37,210

and you know their first thought was

314

00:16:41,640 --> 00:16:39,910

nothing's gonna happen

315

00:16:44,520 --> 00:16:41,650

but that was always one of those things

316

00:16:46,950 --> 00:16:44,530

was it was just weird that day was weird

317

00:16:51,510 --> 00:16:46,960

that day on the base was weird when he

318

00:16:53,520 --> 00:16:51,520

woke up just how things were going and

319

00:16:56,220 --> 00:16:53,530

then yeah getting permission to do

320

00:17:00,410 --> 00:16:56,230

something that they never could really

321

00:17:03,420 --> 00:17:00,420

do just getting that permission was

322

00:17:07,800 --> 00:17:03,430

again he would just say it was strange

323

00:17:12,000 --> 00:17:07,810

it was weird but didn't think much about

324

00:17:14,220 --> 00:17:12,010

it until until after the fact and then

325

00:17:16,930 --> 00:17:14,230

you know by after the fact he was

326

00:17:20,800 --> 00:17:16,940

constantly you know

327

00:17:22,510 --> 00:17:20,810

the war that's what got us in and you

328

00:17:27,870 --> 00:17:22,520

didn't really think much about it until

329

00:17:31,360 --> 00:17:27,880

after he came oh wow

330

00:17:34,870 --> 00:17:31,370

so you mentioned you'd always tell

331

00:17:38,110 --> 00:17:34,880

stories and that he really never talked

332

00:17:40,060 --> 00:17:38,120

about this part of his life you hearing

333

00:17:42,070 --> 00:17:40,070

this as a teenager yeah you know you

334

00:17:44,380 --> 00:17:42,080

this part about them being teenagers

335

00:17:47,200 --> 00:17:44,390

yeah they want to go to the beach

336

00:17:50,350 --> 00:17:47,210

have fun they said it was a weird day is

337

00:17:53,350 --> 00:17:50,360

is there any possibility after the fact

338

00:17:54,430 --> 00:17:53,360

and in that you know that it was after

339

00:17:57,490 --> 00:17:54,440

in his life

340

00:17:59,620 --> 00:17:57,500

could this be considered possibly like

341

00:18:01,300 --> 00:17:59,630

when did he die after all of these

342

00:18:07,480 --> 00:18:01,310

stories could have possibly been a

343

00:18:09,430 --> 00:18:07,490

deathbed confession well I mean what I

344

00:18:16,000 --> 00:18:09,440

said was later on in his life I mean he

345

00:18:17,530 --> 00:18:16,010

still he still lived oh man he you know

346

00:18:21,870 --> 00:18:17,540

this was he probably lived another I

347

00:18:27,910 --> 00:18:23,910

you know maybe even a little bit longer

348

00:18:30,910 --> 00:18:27,920

but it was just one of those moments

349

00:18:33,040 --> 00:18:30,920

where you asked somebody a story and

350

00:18:36,100 --> 00:18:33,050

you're expecting not to get an answer

351
00:18:38,710 --> 00:18:36,110
because again he you know when when he

352
00:18:43,540 --> 00:18:38,720
would come you know to the farm house

353
00:18:46,780 --> 00:18:43,550
and he tell stories I mean I knew I knew

354
00:18:53,200 --> 00:18:46,790
pretty much every aspect of his wife his

355
00:18:59,970 --> 00:18:53,210
days of being a a plane mechanic after

356
00:19:03,130 --> 00:18:59,980
the war his time being a TV repairman

357
00:19:05,350 --> 00:19:03,140
you know all these other jobs that he

358
00:19:08,740 --> 00:19:05,360
had working on the farm everything he

359
00:19:10,270 --> 00:19:08,750
would talk all about that it just seemed

360
00:19:12,640 --> 00:19:10,280
to be like one of those times where you

361
00:19:15,040 --> 00:19:12,650
ask them the right question on the right

362
00:19:19,030 --> 00:19:15,050
day and he just he told you this story

363
00:19:21,190 --> 00:19:19,040

and that that question and I remember

364

00:19:23,560 --> 00:19:21,200

you know my mom asked the question you

365

00:19:25,540 --> 00:19:23,570

know where were you during Pearl Harbor

366

00:19:27,460 --> 00:19:25,550

you're kind of thinking you know that

367

00:19:29,440 --> 00:19:27,470

was just that was a time he you know

368

00:19:30,740 --> 00:19:29,450

well the time that got us into the war

369

00:19:32,870 --> 00:19:30,750

but God

370

00:19:36,650 --> 00:19:32,880

kind of before you know might be an

371

00:19:40,490 --> 00:19:36,660

easier question for him to answer and he

372

00:19:42,080 --> 00:19:40,500

just tells us this incredible story so I

373

00:19:44,570 --> 00:19:42,090

don't necessarily think it was just a

374

00:19:46,670 --> 00:19:44,580

deathbed confession I I think it was

375

00:19:50,420 --> 00:19:46,680

just that that right question the right

376

00:19:52,580 --> 00:19:50,430

time and he just opened up and then it

377

00:19:54,110 --> 00:19:52,590

and it was we interesting because as

378

00:19:56,960 --> 00:19:54,120

soon as he was done telling the story

379

00:20:00,290 --> 00:19:56,970

he's just he was done it was like a

380

00:20:04,070 --> 00:20:00,300

light switch went off and Tory coming

381

00:20:07,670 --> 00:20:04,080

over no no no question ah yeah

382

00:20:09,830 --> 00:20:07,680

no questions afterwards probably because

383

00:20:13,040 --> 00:20:09,840

it was like I told you what I told you

384

00:20:14,660 --> 00:20:13,050

type thing yeah yeah

385

00:20:17,870 --> 00:20:14,670

it was that was kind of feeling was like

386

00:20:23,810 --> 00:20:17,880

this is this is the one one story you'll

387

00:20:26,480 --> 00:20:23,820

get that time and yeah it was it was it

388

00:20:29,390 --> 00:20:26,490

made you think really I I remember the

389

00:20:32,930 --> 00:20:29,400

ride home you know me and my mom are

390

00:20:34,760 --> 00:20:32,940

sitting there just kind of going what

391

00:20:39,410 --> 00:20:34,770

just happened what did he just tell us

392

00:20:40,610 --> 00:20:39,420

because that was you know I and of all

393

00:20:44,060 --> 00:20:40,620

the things I could say about my

394

00:20:50,750 --> 00:20:44,070

grandfather you know I loved him he was

395

00:20:52,730 --> 00:20:50,760

a great guy he never never lied that was

396

00:20:55,760 --> 00:20:52,740

one of the things that he stood strongly

397

00:20:58,840 --> 00:20:55,770

with was he and he was very blunt he

398

00:21:01,430 --> 00:20:58,850

would tell you to your face about things

399

00:21:04,280 --> 00:21:01,440

you know he didn't like something he

400

00:21:08,360 --> 00:21:04,290

would tell you if you liked it he would

401
00:21:10,370 --> 00:21:08,370
tell you you know he wanted hate if he

402
00:21:12,140 --> 00:21:10,380
thought you should do something he would

403
00:21:16,910 --> 00:21:12,150
he would tell you blunt

404
00:21:19,430 --> 00:21:16,920
honest truth so this is the reason I I

405
00:21:21,650 --> 00:21:19,440
never questioned his judgment on the

406
00:21:25,360 --> 00:21:21,660
story that's why I've never questioned I

407
00:21:29,870 --> 00:21:25,370
got a lot of other questions not for him

408
00:21:32,270 --> 00:21:29,880
by when he told me that story there was

409
00:21:36,620 --> 00:21:32,280
never any reason he should I should

410
00:21:39,410 --> 00:21:36,630
everything he was telling me a lie right

411
00:21:41,970 --> 00:21:39,420
that makes perfect sense I mean if he

412
00:21:44,700 --> 00:21:41,980
had a good track record and

413
00:21:47,370 --> 00:21:44,710

absolutely sincere open confessions it's

414

00:21:50,660 --> 00:21:47,380

it's neat that you said that if you ask

415

00:21:53,520 --> 00:21:50,670

him the right question at the right day

416

00:21:56,880 --> 00:21:53,530

and he would just help this I mean a

417

00:21:58,700 --> 00:21:56,890

amazing story so it wasn't a deathbed

418

00:22:02,130 --> 00:21:58,710

confession that's kind of like you know

419

00:22:03,750 --> 00:22:02,140

like he it was more of it you know it

420

00:22:04,860 --> 00:22:03,760

wasn't like a realization it was more of

421

00:22:13,820 --> 00:22:04,870

a truth in his mind

422

00:22:15,960 --> 00:22:13,830

and you mentioned that he he said that I

423

00:22:22,590 --> 00:22:15,970

remember that and I could be out of

424

00:22:24,660 --> 00:22:22,600

place here that there there was reports

425

00:22:26,430 --> 00:22:24,670

that the because they went to the beach

426

00:22:27,930 --> 00:22:26,440

or something associated possibly with

427

00:22:35,670 --> 00:22:27,940

going to the beach that the weapons were

428

00:22:40,170 --> 00:22:35,680

actually locked down oh okay so that's a

429

00:22:43,860 --> 00:22:40,180

whole nother story so I was exactly in

430

00:22:47,460 --> 00:22:43,870

college and one of my history professors

431

00:22:50,460 --> 00:22:47,470

her I believe was her uncle's were

432

00:22:55,860 --> 00:22:50,470

stationed at Pearl Harbor during the

433

00:22:57,420 --> 00:22:55,870

attack so and again this coincides with

434

00:23:00,690 --> 00:22:57,430

like the things of my grandpa was

435

00:23:02,700 --> 00:23:00,700

telling me right but so her her her

436

00:23:05,250 --> 00:23:02,710

uncle's were stationed at Pearl Harbor

437

00:23:09,840 --> 00:23:05,260

was attacking Pearl Harbor and they they

438

00:23:12,770 --> 00:23:09,850

actually did survive but again they they

439

00:23:15,480 --> 00:23:12,780

expressed how weird it was that day and

440

00:23:17,640 --> 00:23:15,490

their habit there was issues with the

441

00:23:22,740 --> 00:23:17,650

shipping lanes of how the boats were

442

00:23:25,260 --> 00:23:22,750

stacked in in the harbor which is wrong

443

00:23:27,800 --> 00:23:25,270

but one of the one of the key things is

444

00:23:30,660 --> 00:23:27,810

that they had an inspection that weekend

445

00:23:32,340 --> 00:23:30,670

which never happened on the weekend it

446

00:23:34,980 --> 00:23:32,350

just it just didn't happen you know the

447

00:23:39,780 --> 00:23:34,990

weekend was a time was you know people

448

00:23:43,260 --> 00:23:39,790

went home so you had these these people

449

00:23:45,810 --> 00:23:43,270

and and again at the time a lot of

450

00:23:49,860 --> 00:23:45,820

people work on the church they had

451
00:23:52,350 --> 00:23:49,870
Church on one of the ships I forget and

452
00:23:55,380 --> 00:23:52,360
I remember that one of the reasons he he

453
00:23:58,140 --> 00:23:55,390
survived my teachers on

454
00:24:00,120 --> 00:23:58,150
was because if he forgot something in

455
00:24:01,410 --> 00:24:00,130
his bunk I think he forgot his Bible or

456
00:24:04,140 --> 00:24:01,420
something like that so he actually went

457
00:24:07,380 --> 00:24:04,150
back to response to grab the Bible and

458
00:24:10,140 --> 00:24:07,390
then the attack happened well what is

459
00:24:12,060 --> 00:24:10,150
the weather one of the things you got to

460
00:24:13,680 --> 00:24:12,070
do during the inspection is you have to

461
00:24:16,169 --> 00:24:13,690
lock down the ammunition you have to

462
00:24:20,610 --> 00:24:16,179
lock down the guns everything has to

463
00:24:24,360 --> 00:24:20,620

look [h__\h] and span so when that time

464

00:24:26,940 --> 00:24:24,370

happened and she's explaining this in a

465

00:24:30,150 --> 00:24:26,950

classroom she has the the blackboard

466

00:24:35,220 --> 00:24:30,160

she's drawing us a diagram of what the

467

00:24:36,690 --> 00:24:35,230

hub would look like and she said you

468

00:24:40,890 --> 00:24:36,700

know when the attack started happening

469

00:24:43,610 --> 00:24:40,900

and they started going to the guns they

470

00:24:47,669 --> 00:24:43,620

couldn't find the keys the keys were

471

00:24:49,500 --> 00:24:47,679

good away and they can get to the ammo

472

00:24:51,120 --> 00:24:49,510

they can get to the guns because

473

00:24:56,100 --> 00:24:51,130

everything was on lockdown for this

474

00:25:01,200 --> 00:24:56,110

disliked inspection that they had so

475

00:25:06,450 --> 00:25:01,210

that was that was a big reason why they

476

00:25:09,360 --> 00:25:06,460

didn't have a lot of office to shoot at

477

00:25:12,260 --> 00:25:09,370

the at the Japanese planes was because

478

00:25:15,780 --> 00:25:12,270

they they couldn't operate the guns and

479

00:25:20,070 --> 00:25:15,790

it all all of this like everything

480

00:25:21,780 --> 00:25:20,080

happened you know if you believe in

481

00:25:25,220 --> 00:25:21,790

coincidences everything happened

482

00:25:27,510 --> 00:25:25,230

perfectly where it was just setup that

483

00:25:30,120 --> 00:25:27,520

you know the Japanese just picked the

484

00:25:34,350 --> 00:25:30,130

right time the right day to bomb Pearl

485

00:25:39,450 --> 00:25:34,360

Harbor so realistically you look at it

486

00:25:42,720 --> 00:25:39,460

and you go man this deal where there's

487

00:25:50,220 --> 00:25:42,730

smoke there's fire and everything was

488

00:25:52,350 --> 00:25:50,230

just weird that day you know and I you

489

00:25:54,870 --> 00:25:52,360

know when you jump into the conspiracy

490

00:25:56,490 --> 00:25:54,880

theory realm and you know again you'll

491

00:25:59,580 --> 00:25:56,500

you're wanting to be respectful you're

492

00:26:01,500 --> 00:25:59,590

wanting to remember what happened

493

00:26:05,010 --> 00:26:01,510

remember those who lost their lives and

494

00:26:10,009 --> 00:26:05,020

stuff but you just sit there and you add

495

00:26:15,840 --> 00:26:12,899

either it was just the perfect scenario

496

00:26:24,509 --> 00:26:15,850

for the enemy or there was something

497

00:26:27,659 --> 00:26:24,519

else at play and yeah I it's all though

498

00:26:33,149 --> 00:26:27,669

to say that my grandfather said is it

499

00:26:38,249 --> 00:26:33,159

was strange it's it's super strange to

500

00:26:41,909 --> 00:26:38,259

have do you know like that so much going

501
00:26:43,409 --> 00:26:41,919
on and so much at play and I mean there

502
00:26:48,149 --> 00:26:43,419
has to be some smoke to that

503
00:26:51,180 --> 00:26:48,159
conspiratorial fire if you know there's

504
00:26:53,789 --> 00:26:51,190
there's other possibilities that it

505
00:26:57,690 --> 00:26:53,799
could be a spy or something but more

506
00:26:59,970 --> 00:26:57,700
likely in my eyes do you know if you

507
00:27:01,560 --> 00:26:59,980
were your history teacher knew how long

508
00:27:04,230 --> 00:27:01,570
did they actually have to stand down

509
00:27:08,549 --> 00:27:04,240
after the events took place do you

510
00:27:11,460 --> 00:27:08,559
remember how long the lockdown was all I

511
00:27:13,560 --> 00:27:11,470
would say was doing hours and I mean the

512
00:27:16,109 --> 00:27:13,570
people that were there I know that you

513
00:27:20,419 --> 00:27:16,119

know as she told us that they were very

514

00:27:25,680 --> 00:27:20,429

active on trying to survive trying to

515

00:27:28,409 --> 00:27:25,690

fight back but I know what that father

516

00:27:32,190 --> 00:27:28,419

said it was just hours he'd ever he

517

00:27:35,340 --> 00:27:32,200

never really gave me timeframe but he

518

00:27:36,600 --> 00:27:35,350

just said by the time they got you know

519

00:27:39,210 --> 00:27:36,610

because you got to go through all that

520

00:27:41,269 --> 00:27:39,220

check all those checks and that's what

521

00:27:44,549 --> 00:27:41,279

they were actually doing when they were

522

00:27:47,879 --> 00:27:44,559

told to stand down was preparing the

523

00:27:49,350 --> 00:27:47,889

plane going through the chats so they

524

00:27:52,080 --> 00:27:49,360

had a read go through all those checks

525

00:27:54,330 --> 00:27:52,090

again they had to you know make sure the

526
00:27:59,340 --> 00:27:54,340
planes were ready to go and then take

527
00:28:01,470 --> 00:27:59,350
off and you know he said I I'm thinking

528
00:28:04,529 --> 00:28:01,480
and again this is just trying to

529
00:28:06,629 --> 00:28:04,539
remember from years ago that it was

530
00:28:11,509 --> 00:28:06,639
already starting to you know be evening

531
00:28:14,249 --> 00:28:11,519
time by the time they got over there and

532
00:28:17,430 --> 00:28:14,259
so you know from the morning that had

533
00:28:18,109 --> 00:28:17,440
happened to you know mid afternoon into

534
00:28:21,880 --> 00:28:18,119
evening

535
00:28:29,230 --> 00:28:25,840
man and to be to be there and not be

536
00:28:32,740 --> 00:28:29,240
able to do anything for hours if even

537
00:28:34,870 --> 00:28:32,750
even an hour that it would have to be so

538
00:28:39,070 --> 00:28:34,880

consuming just because you're just so

539

00:28:40,750 --> 00:28:39,080

riled up and ready to go and I guess on

540

00:28:42,400 --> 00:28:40,760

the other hand they may have not known

541

00:28:44,200 --> 00:28:42,410

if they were coming back for another hit

542

00:28:45,970 --> 00:28:44,210

and you don't want to be kind of caught

543

00:28:49,630 --> 00:28:45,980

with your pants down right like loading

544

00:28:52,810 --> 00:28:49,640

up and doing all that but it's

545

00:28:55,240 --> 00:28:52,820

interesting that it it it seemed to have

546

00:28:56,140 --> 00:28:55,250

hit so quickly they really didn't see it

547

00:29:00,039 --> 00:28:56,150

coming in yet

548

00:29:01,630 --> 00:29:00,049

I don't know it's it's got an

549

00:29:05,190 --> 00:29:01,640

interesting history and many other

550

00:29:09,090 --> 00:29:05,200

countries were also decimated or areas

551

00:29:11,950 --> 00:29:09,100

the Philippines and others and

552

00:29:15,789 --> 00:29:11,960

historically we really only hear about

553

00:29:18,460 --> 00:29:15,799

and are taught in our history lessons at

554

00:29:22,210 --> 00:29:18,470

school elementary schools and such that

555

00:29:24,100 --> 00:29:22,220

it was just Pearl Harbor they leave the

556

00:29:26,740 --> 00:29:24,110

other stuff out usually unless you're in

557

00:29:30,220 --> 00:29:26,750

a very intense historical discussion

558

00:29:32,140 --> 00:29:30,230

pulling in files and records of you know

559

00:29:35,289 --> 00:29:32,150

dates and times that are sporadic but

560

00:29:37,480 --> 00:29:35,299

the loss of life just if you account for

561

00:29:40,020 --> 00:29:37,490

at all which took place all on the same

562

00:29:45,340 --> 00:29:40,030

day it was like a multi hit three places

563

00:29:53,320 --> 00:29:45,350

Guam I believe as well so there were big

564

00:29:55,090 --> 00:29:53,330

time loss of life big time yeah and do

565

00:29:58,090 --> 00:29:55,100

you know to be hit that hard and not be

566

00:30:01,750 --> 00:29:58,100

able you know I guess it was a strange

567

00:30:03,730 --> 00:30:01,760

attack because it pretty much did

568

00:30:07,990 --> 00:30:03,740

exactly what it was supposed to do

569

00:30:10,030 --> 00:30:08,000

however there's a conspiratorial aspect

570

00:30:12,820 --> 00:30:10,040

of this that does seem like there's some

571

00:30:15,490 --> 00:30:12,830

smoke and mirrors involved not only how

572

00:30:18,130 --> 00:30:15,500

its viewed historically how it

573

00:30:20,680 --> 00:30:18,140

functioned as an actual like retaliation

574

00:30:22,360 --> 00:30:20,690

when it came to retaliation how it there

575

00:30:25,419 --> 00:30:22,370

was a mechanical shutdown either on

576

00:30:26,980 --> 00:30:25,429

purpose or you know if all the

577

00:30:29,440 --> 00:30:26,990

synchronicities in the universe were

578

00:30:31,330 --> 00:30:29,450

against everybody that day on you know

579

00:30:33,940 --> 00:30:31,340

being able to go to the beach having

580

00:30:36,010 --> 00:30:33,950

their guns lockdown in certain sectors

581

00:30:40,390 --> 00:30:36,020

all kinds of stuff just basically hands

582

00:30:42,760 --> 00:30:40,400

tied pants down is it possible that the

583

00:30:47,080 --> 00:30:42,770

Japanese just knew about this I mean

584

00:30:49,840 --> 00:30:47,090

what's the coincidence in your eyes man

585

00:30:51,760 --> 00:30:49,850

you know I've looked into this for years

586

00:30:54,190 --> 00:30:51,770

and I mean I've looked at it every

587

00:30:57,640 --> 00:30:54,200

aspect I looked at the official records

588

00:30:59,350 --> 00:30:57,650

I've looked at you know the the stories

589

00:31:01,120 --> 00:30:59,360

that were told to me by people that

590

00:31:03,490 --> 00:31:01,130

there are people that heard it from

591

00:31:06,010 --> 00:31:03,500

people that were there you know from my

592

00:31:10,810 --> 00:31:06,020

grandfather who was you know just

593

00:31:12,970 --> 00:31:10,820

devastated when you know I'll do remember

594

00:31:18,040 --> 00:31:12,980

and I want to say this that when they

595

00:31:20,140 --> 00:31:18,050

were told Hey go one is my grandfather

596

00:31:23,020 --> 00:31:20,150

didn't say this but another guy in the

597

00:31:25,690 --> 00:31:23,030

squadron said why it's over you know

598

00:31:26,860 --> 00:31:25,700

just just in that aspect of it you know

599

00:31:30,700 --> 00:31:26,870

apparently they were listening to

600

00:31:33,790 --> 00:31:30,710

reports and was just like you know it's

601
00:31:35,890 --> 00:31:33,800
done why are we going now while you know

602
00:31:38,920 --> 00:31:35,900
and knowing that there were survivors

603
00:31:41,320 --> 00:31:38,930
and stuff like that you know that was it

604
00:31:43,330 --> 00:31:41,330
was more the mentality of we could have

605
00:31:46,660 --> 00:31:43,340
saved more people if we would wrap when

606
00:31:49,780 --> 00:31:46,670
we were supposed to right but looking at

607
00:31:51,910 --> 00:31:49,790
you know looking at all the records you

608
00:31:55,900 --> 00:31:51,920
know and again trying to be careful not

609
00:31:58,480 --> 00:31:55,910
to you know you know hurt the memory of

610
00:32:00,460 --> 00:31:58,490
those who served during that time and

611
00:32:04,900 --> 00:32:00,470
who lost their life during that time

612
00:32:08,200 --> 00:32:04,910
because it was devastating but just

613
00:32:10,600 --> 00:32:08,210

knowing that all this stuff adding up

614

00:32:14,080 --> 00:32:10,610

knowing that there were spies who were

615

00:32:16,090 --> 00:32:14,090

calling you know trying to get reports

616

00:32:18,880 --> 00:32:16,100

what is it what is the harbor look like

617

00:32:21,970 --> 00:32:18,890

and stuff like that trying to get trying

618

00:32:23,560 --> 00:32:21,980

to get like an idea of how to attack

619

00:32:25,390 --> 00:32:23,570

this thing you know we know that there

620

00:32:28,720 --> 00:32:25,400

were spies doing this we know that there

621

00:32:32,200 --> 00:32:28,730

were people calling calling uh you know

622

00:32:34,060 --> 00:32:32,210

Japanese American people that's like we

623

00:32:35,220 --> 00:32:34,070

innocence as Americans had a

624

00:32:38,110 --> 00:32:35,230

concentration camp for

625

00:32:40,120 --> 00:32:38,120

japanese-americans we didn't know

626
00:32:41,770 --> 00:32:40,130
exactly who we could trust and I'm not

627
00:32:47,290 --> 00:32:41,780
saying that was right or wrong but

628
00:32:47,950 --> 00:32:47,300
that's just that's just fact but we know

629
00:32:49,930 --> 00:32:47,960
that they

630
00:32:52,090 --> 00:32:49,940
they were looking at this they would

631
00:32:54,129 --> 00:32:52,100
they were doing their their due

632
00:32:57,159 --> 00:32:54,139
diligence they were studying the area

633
00:33:01,389 --> 00:32:57,169
they were studying the situation ready

634
00:33:03,039 --> 00:33:01,399
for waiting for that stuff and yeah

635
00:33:06,629 --> 00:33:03,049
stuff that these days would be

636
00:33:11,289 --> 00:33:06,639
considered not politically correct oh

637
00:33:14,680 --> 00:33:11,299
yeah and you know so they were doing

638
00:33:16,810 --> 00:33:14,690

their stuff but you also have to

639

00:33:18,580 --> 00:33:16,820

remember that the United States was and

640

00:33:20,980 --> 00:33:18,590

you know we were going through a

641

00:33:24,220 --> 00:33:20,990

depression we're going through our times

642

00:33:28,869 --> 00:33:24,230

yeah it was it was it was this or we're

643

00:33:31,180 --> 00:33:28,879

done yeah it was you know and they

644

00:33:33,820 --> 00:33:31,190

always say what's the best way to get

645

00:33:39,789 --> 00:33:33,830

you know America back on track well you

646

00:33:42,310 --> 00:33:39,799

have a war and it just seemed to be the

647

00:33:44,950 --> 00:33:42,320

thing that restarted our economy you

648

00:33:49,330 --> 00:33:44,960

started you know the steel industry all

649

00:33:52,659 --> 00:33:49,340

of this stuff and you gotta you do have

650

00:33:56,200 --> 00:33:52,669

to ask yourself what the high reppin up

651
00:33:59,379 --> 00:33:56,210
in our government won this to happen

652
00:34:05,049 --> 00:33:59,389
one of us to be attacked because I mean

653
00:34:07,450 --> 00:34:05,059
we at the time we we took a stand in

654
00:34:11,020 --> 00:34:07,460
saying that no we were with England but

655
00:34:15,399 --> 00:34:11,030
even when Winston Churchill asked us to

656
00:34:17,859 --> 00:34:15,409
join we said no oh you know we were kind

657
00:34:19,450 --> 00:34:17,869
of like well hell we'll give you you

658
00:34:21,579 --> 00:34:19,460
know we'll give you weapons we'll do all

659
00:34:23,409 --> 00:34:21,589
this stuff but this happened really

660
00:34:26,319 --> 00:34:23,419
touched us and we don't we don't want to

661
00:34:33,190 --> 00:34:26,329
do this and then as soon as it touches

662
00:34:37,289 --> 00:34:33,200
eyes we were in hmm it's it's definitely

663
00:34:41,680 --> 00:34:37,299

a it's definitely a thing to study and

664

00:34:42,849 --> 00:34:41,690

the thing to look at but again if you're

665

00:34:44,500 --> 00:34:42,859

going to study and you're going to look

666

00:34:47,609 --> 00:34:44,510

at it you need to come from it from all

667

00:34:52,539 --> 00:34:50,139

definitely and you mentioned that he was

668

00:34:54,490 --> 00:34:52,549

kind of a snowbird and you like when you

669

00:34:57,309 --> 00:34:54,500

did see him and you were a teenager and

670

00:34:59,950 --> 00:34:57,319

you were hearing these stories this had

671

00:35:01,330 --> 00:34:59,960

to be a pretty magical experience being

672

00:35:05,260 --> 00:35:01,340

told these

673

00:35:08,710 --> 00:35:05,270

type of things hearing other people give

674

00:35:12,130 --> 00:35:08,720

confirmation of the same well they you

675

00:35:17,050 --> 00:35:12,140

know as I say the history is written by

676

00:35:19,150 --> 00:35:17,060

the victors and when you start to look

677

00:35:22,210 --> 00:35:19,160

into history and I mean I love it I love

678

00:35:24,040 --> 00:35:22,220

American history I love I really like

679

00:35:27,730 --> 00:35:24,050

early American history you know the

680

00:35:29,260 --> 00:35:27,740

Revolutionary Wars stuff like that but

681

00:35:33,640 --> 00:35:29,270

when you look at this stuff when you

682

00:35:38,440 --> 00:35:33,650

actually dig into like the actual facts

683

00:35:42,040 --> 00:35:38,450

and again you know I think the best way

684

00:35:43,570 --> 00:35:42,050

to come at any argument is not just

685

00:35:48,100 --> 00:35:43,580

knowing one side you have to know all

686

00:35:50,890 --> 00:35:48,110

the sides and you just look into it and

687

00:35:53,680 --> 00:35:50,900

you read the things that you may not

688

00:35:56,470 --> 00:35:53,690

even agree with but read those things so

689

00:36:00,310 --> 00:35:56,480

that you know what the other side was

690

00:36:05,500 --> 00:36:00,320

and you'll find a lot of times that the

691

00:36:07,780 --> 00:36:05,510

truth lies in the middle so you know

692

00:36:10,090 --> 00:36:07,790

yeah when it comes to wait what I

693

00:36:16,020 --> 00:36:10,100

learned in you know elementary school

694

00:36:19,150 --> 00:36:16,030

middle school high school you know again

695

00:36:23,020 --> 00:36:19,160

you know we were always told Christopher

696

00:36:26,800 --> 00:36:23,030

Columbus came to America hey and we know

697

00:36:29,800 --> 00:36:26,810

now that that's not true you know he

698

00:36:31,810 --> 00:36:29,810

didn't found it the history is stating

699

00:36:37,330 --> 00:36:31,820

more so that the Vikings were here

700

00:36:42,840 --> 00:36:37,340

before he was and you sit them you say

701
00:36:48,940 --> 00:36:42,850
when we find more evidence when we find

702
00:36:53,740 --> 00:36:48,950
more truth we can build a better reality

703
00:36:56,860 --> 00:36:53,750
of what history was and I think even

704
00:37:01,680 --> 00:36:56,870
with you know even with Pearl Harbor and

705
00:37:05,470 --> 00:37:01,690
I mean you can even look at more more

706
00:37:08,920 --> 00:37:05,480
recent events in our in our country and

707
00:37:12,300 --> 00:37:08,930
in our world not everything is reported

708
00:37:13,980 --> 00:37:12,310
and especially with our media today

709
00:37:19,260 --> 00:37:13,990
you're all are going to get

710
00:37:22,339 --> 00:37:19,270
one side so you have to you have to

711
00:37:24,839 --> 00:37:22,349
study you have to do your own research

712
00:37:26,970 --> 00:37:24,849
you have to ask questions you know what

713
00:37:31,560 --> 00:37:26,980

when we asked my grandfather this

714

00:37:33,870 --> 00:37:31,570

question I didn't know I the answer for

715

00:37:37,980 --> 00:37:33,880

the bed mothers in California and that

716

00:37:42,000 --> 00:37:37,990

was it but he goes and he tells us the

717

00:37:43,829 --> 00:37:42,010

entire day and again from from the

718

00:37:47,400 --> 00:37:43,839

stories I know what my grandfather went

719

00:37:52,520 --> 00:37:47,410

and did in World War two this was the

720

00:38:01,560 --> 00:37:58,109

and yeah it's I love history

721

00:38:07,380 --> 00:38:01,570

and I love discovering new things about

722

00:38:10,560 --> 00:38:07,390

history yeah it's pretty cool that you

723

00:38:15,480 --> 00:38:10,570

know this has given you a totally

724

00:38:17,970 --> 00:38:15,490

different idea of you know history and

725

00:38:19,710 --> 00:38:17,980

how it's written to us and how things

726

00:38:21,870 --> 00:38:19,720

have changed you know how something that

727

00:38:23,370 --> 00:38:21,880

now would be political almost martial

728

00:38:26,089 --> 00:38:23,380

law at this point to be able to get away

729

00:38:29,820 --> 00:38:26,099

with doing something like that causing a

730

00:38:33,480 --> 00:38:29,830

concentration camp for a specific you

731

00:38:36,420 --> 00:38:33,490

know gender or race and so things have

732

00:38:39,450 --> 00:38:36,430

changed and who discovered America with

733

00:38:41,760 --> 00:38:39,460

Christopher Columbus it's like it's not

734

00:38:44,160 --> 00:38:41,770

so much who found it it was most almost

735

00:38:46,560 --> 00:38:44,170

like most recently plundered being able

736

00:38:48,960 --> 00:38:46,570

to have the military might to plant a

737

00:38:55,859 --> 00:38:48,970

flag in the ground of another and that's

738

00:38:58,829 --> 00:38:55,869

that part sorta hasn't changed yeah you

739

00:39:01,980 --> 00:38:58,839

know knowing knowing how proudly my

740

00:39:05,940 --> 00:39:01,990

grandfather served in knowing how how

741

00:39:08,880 --> 00:39:05,950

the rest of my family had served you

742

00:39:12,030 --> 00:39:08,890

know I've had you know other family

743

00:39:14,579 --> 00:39:12,040

members that have served and I did I did

744

00:39:18,650 --> 00:39:14,589

actually have the pleasure to preside

745

00:39:22,290 --> 00:39:18,660

over my grandfather's military funeral

746

00:39:23,660 --> 00:39:22,300

which was very important to me in my

747

00:39:26,490 --> 00:39:23,670

life

748

00:39:30,240 --> 00:39:26,500

the be standing in front of my family

749

00:39:32,250 --> 00:39:30,250

and you know and proceeding over you

750

00:39:38,550 --> 00:39:32,260

know I have done many funerals in my day

751
00:39:41,040 --> 00:39:38,560
you know as pastor but just doing doing

752
00:39:45,359 --> 00:39:41,050
this one and being able to look at my

753
00:39:48,180 --> 00:39:45,369
family and say you know out of all the

754
00:39:51,750 --> 00:39:48,190
things you know my grandfather loved his

755
00:39:56,220 --> 00:39:51,760
family I stood up for his family he was

756
00:40:01,140 --> 00:39:56,230
a truthful man and he was an honorable

757
00:40:04,950 --> 00:40:01,150
man and knowing that these events Pearl

758
00:40:07,859 --> 00:40:04,960
Harbor other you know stories that I've

759
00:40:12,120 --> 00:40:07,869
heard secondhand from my my aunt's and

760
00:40:16,890 --> 00:40:12,130
my uncles of him in the war was this was

761
00:40:19,730 --> 00:40:16,900
the thing that the you know this was

762
00:40:22,890 --> 00:40:19,740
what really wanted him to serve more

763
00:40:24,900 --> 00:40:22,900

this was the thing that drove him you

764

00:40:28,530 --> 00:40:24,910

know he had a rough airplane she loved

765

00:40:37,290 --> 00:40:28,540

flying he went on to work for a

766

00:40:41,579 --> 00:40:37,300

McDonnell Douglas and they drove his

767

00:40:44,030 --> 00:40:41,589

life a very dark time in his life when

768

00:40:50,400 --> 00:40:44,040

he didn't talk about drove his life and

769

00:40:52,500 --> 00:40:50,410

it shaped my family it shaped me you

770

00:40:55,440 --> 00:40:52,510

know and I just I do wish that he would

771

00:40:58,620 --> 00:40:55,450

have been able to open up more but I

772

00:41:00,359 --> 00:40:58,630

know it just haunted him and Pearl

773

00:41:05,760 --> 00:41:00,369

Harbor was a day that did definitely

774

00:41:08,070 --> 00:41:05,770

haunt him it it is one of those days

775

00:41:11,910 --> 00:41:08,080

that just when it's mentioned it's a day

776

00:41:14,880 --> 00:41:11,920

that lives in infamy since I mean truly

777

00:41:22,970 --> 00:41:14,890

from an outside army in force so this

778

00:41:25,589 --> 00:41:22,980

was yeah pretty scary it was I mean it

779

00:41:29,370 --> 00:41:25,599

in a lot of our country to understand

780

00:41:32,250 --> 00:41:29,380

that someone can reach out and touch us

781

00:41:33,030 --> 00:41:32,260

and unfortunately we we've seen that

782

00:41:38,970 --> 00:41:33,040

happen again

783

00:41:43,859 --> 00:41:38,980

and again you know and

784

00:41:44,760 --> 00:41:43,869

it should give us a perspective here in

785

00:41:49,260 --> 00:41:44,770

the States

786

00:41:51,690 --> 00:41:49,270

to understand that you know I think

787

00:41:54,300 --> 00:41:51,700

sometimes we as Americans have gotten

788

00:42:00,329 --> 00:41:54,310

the big head and we thought we were

789

00:42:04,079 --> 00:42:00,339

untouchable and we can tell from from

790

00:42:09,950 --> 00:42:04,089

d-day and from you know Pearl Harbor all

791

00:42:12,359 --> 00:42:09,960

those events you know even 9/11 that

792

00:42:17,880 --> 00:42:12,369

American can have America can have a

793

00:42:21,390 --> 00:42:17,890

loss and sometimes we we get too

794

00:42:24,690 --> 00:42:21,400

comfortable and you know I I do fear

795

00:42:29,250 --> 00:42:24,700

that you know we've gotten into a state

796

00:42:31,380 --> 00:42:29,260

of you know a city comfort again where

797

00:42:35,970 --> 00:42:31,390

the next attack could be around the

798

00:42:41,970 --> 00:42:35,980

corner and unfortunately I think really

799

00:42:45,630 --> 00:42:41,980

now our our government is too concern

800

00:42:49,109 --> 00:42:45,640

with trivial issues that were not we're

801
00:42:52,500 --> 00:42:49,119
not looking and I you know at what can

802
00:42:54,920 --> 00:42:52,510
attack us we're too busy fighting

803
00:42:57,450 --> 00:42:54,930
amongst ourselves for petty things

804
00:43:01,800 --> 00:42:57,460
trying to figure out who's right who's

805
00:43:07,200 --> 00:43:01,810
wrong and that's usually when when we

806
00:43:09,780 --> 00:43:07,210
get attacked it's true that is true you

807
00:43:12,930 --> 00:43:09,790
know it wants to be remembered as it's

808
00:43:15,780 --> 00:43:12,940
remembered and yet even you wonder

809
00:43:19,109 --> 00:43:15,790
sometimes it's even that possibly a

810
00:43:21,720 --> 00:43:19,119
little bit of a manipulation of our

811
00:43:24,270 --> 00:43:21,730
mindset because sometimes we're kind of

812
00:43:26,910 --> 00:43:24,280
told what to believe but this specific

813
00:43:31,110 --> 00:43:26,920

idea I'm 100% with you know we got hit

814

00:43:35,670 --> 00:43:33,330

do you remember a significant loss of

815

00:43:40,980 --> 00:43:35,680

life that he spoke of which he witnessed

816

00:43:48,170 --> 00:43:40,990

himself uh no because he mentioned when

817

00:43:56,010 --> 00:43:52,440

you know by that time you know now wish

818

00:44:00,000 --> 00:43:56,020

I I knew my never I never really studied

819

00:44:04,260 --> 00:44:00,010

forward to all that much just really

820

00:44:08,520 --> 00:44:04,270

Pearl Harbor and not even I hadn't even

821

00:44:11,430 --> 00:44:08,530

say that for a while but knowing that

822

00:44:14,100 --> 00:44:11,440

you have you know ships that have sunk

823

00:44:18,870 --> 00:44:14,110

with people aboard that were still alive

824

00:44:21,270 --> 00:44:18,880

but they couldn't get them out you know

825

00:44:23,250 --> 00:44:21,280

things of that he just said he he was

826

00:44:28,530 --> 00:44:23,260

able to look down and he just saw smoke

827

00:44:30,510 --> 00:44:28,540

and fire and he just knew that more

828

00:44:33,180 --> 00:44:30,520

likely he was going to be bringing

829

00:44:35,730 --> 00:44:33,190

bodies back and said of people you know

830

00:44:37,620 --> 00:44:35,740

well there's still people but he's gonna

831

00:44:40,080 --> 00:44:37,630

be bringing back the dead instead of the

832

00:44:47,620 --> 00:44:44,170

it was his bling job was he would fly he

833

00:44:52,150 --> 00:44:47,630

was medical a plane so his job was to

834

00:44:55,620 --> 00:44:52,160

fly in to war zones and to pick up the

835

00:44:59,440 --> 00:44:55,630

wounded to pick up the dead and

836

00:45:02,380 --> 00:44:59,450

sometimes it was while well if I was

837

00:45:08,310 --> 00:45:02,390

going on he was being shot at he would

838

00:45:14,590 --> 00:45:11,260

so that that was what he was prepared

839

00:45:20,230 --> 00:45:14,600

for but she just she just saw smoke and

840

00:45:23,020 --> 00:45:20,240

fire and she just knew that there was

841

00:45:24,400 --> 00:45:23,030

going to be more dead than alive and you

842

00:45:26,890 --> 00:45:24,410

know I don't I don't remember the

843

00:45:32,670 --> 00:45:26,900

numbers and stuff but it was that would

844

00:45:39,940 --> 00:45:35,050

there are a lot of coincidences that

845

00:45:43,300 --> 00:45:39,950

took place you know and you know at the

846

00:45:48,570 --> 00:45:43,310

end of the day it's hardly any of the

847

00:45:52,360 --> 00:45:48,580

survivors are still alive yeah one and

848

00:45:54,910 --> 00:45:52,370

it's good to note that you know think

849

00:45:58,030 --> 00:45:54,920

about think about that day you know it's

850

00:46:00,010 --> 00:45:58,040

a Sunday morning you know during that

851
00:46:02,470 --> 00:46:00,020
time in our country where were most

852
00:46:06,130 --> 00:46:02,480
people at on Sunday mornings you know

853
00:46:08,650 --> 00:46:06,140
they were in church you know our country

854
00:46:12,730 --> 00:46:08,660
was very different back then

855
00:46:16,450 --> 00:46:12,740
you know stores you know most

856
00:46:21,430 --> 00:46:16,460
restaurants all those were closed it was

857
00:46:24,730 --> 00:46:21,440
quiet so you know you do have to give it

858
00:46:26,980 --> 00:46:24,740
to the enemy you know Japan at the time

859
00:46:30,550 --> 00:46:26,990
that they probably knew this they

860
00:46:32,200 --> 00:46:30,560
probably knew that you know Sunday money

861
00:46:34,060 --> 00:46:32,210
rolls around yeah you'll have some

862
00:46:38,290 --> 00:46:34,070
people on watch but a lot of people are

863
00:46:41,710 --> 00:46:38,300

going to church during that time and a

864

00:46:45,430 --> 00:46:41,720

lot of that time especially in the

865

00:46:49,600 --> 00:46:45,440

harbor churches were located within the

866

00:46:51,610 --> 00:46:49,610

ships so they would have a chapel so you

867

00:46:52,180 --> 00:46:51,620

know you would have a lot of people all

868

00:46:59,800 --> 00:46:52,190

of

869

00:47:02,559 --> 00:46:59,810

area on one time and yeah yeah I mean

870

00:47:05,020 --> 00:47:02,569

but I still you know looking at how the

871

00:47:07,510 --> 00:47:05,030

harbor was set up how there was a

872

00:47:11,010 --> 00:47:07,520

traffic jam of ships inside the harbor

873

00:47:13,180 --> 00:47:11,020

during that day during that weekend

874

00:47:17,950 --> 00:47:13,190

again a lot of things that shouldn't

875

00:47:21,819 --> 00:47:17,960

have happened did happen you know was it

876

00:47:28,380 --> 00:47:21,829

just the perfect setup for Japan or was

877

00:47:31,150 --> 00:47:28,390

there's something else working I mean

878

00:47:35,140 --> 00:47:31,160

the the speculations are out there the

879

00:47:39,640 --> 00:47:35,150

conspiracy are out there but it happened

880

00:47:42,339 --> 00:47:39,650

I am mesmerised by the coincidences the

881

00:47:43,930 --> 00:47:42,349

synchronicities in the odd like you said

882

00:47:46,750 --> 00:47:43,940

the things that shouldn't happen that

883

00:47:50,950 --> 00:47:46,760

happened they hit us when we were most

884

00:47:53,410 --> 00:47:50,960

spiritually vulnerable made us realize

885

00:47:54,819 --> 00:47:53,420

they knew exactly what was going on in

886

00:47:58,599 --> 00:47:54,829

the mind of their enemy when they hit

887

00:48:03,880 --> 00:47:58,609

him you know on it's like getting hit by

888

00:48:05,559 --> 00:48:03,890

a samurai force literally yeah yeah you

889

00:48:08,740 --> 00:48:05,569

know that the tag line that we have to

890

00:48:11,520 --> 00:48:08,750

911 you know never forget that means the

891

00:48:16,000 --> 00:48:11,530

attack line on a lot of things mmm-hmm

892

00:48:19,120 --> 00:48:16,010

you know never never forget Pearl Harbor

893

00:48:21,099 --> 00:48:19,130

you never forget our servicemen and

894

00:48:23,530 --> 00:48:21,109

women who have served who have given

895

00:48:27,880 --> 00:48:23,540

their life and those who you know in

896

00:48:33,430 --> 00:48:27,890

other ways that you know serve but came

897

00:48:37,089 --> 00:48:33,440

home with PTSD those who have struggled

898

00:48:40,569 --> 00:48:37,099

I have I have cousins who you know have

899

00:48:44,470 --> 00:48:40,579

been part of some of the biggest events

900

00:48:49,450 --> 00:48:44,480

in in our country in the past you know

901
00:48:51,760 --> 00:48:49,460
30 40 years and it has really you know

902
00:48:56,380 --> 00:48:51,770
shaped their the way they think the way

903
00:48:58,000 --> 00:48:56,390
things happen you know we should never

904
00:49:03,309 --> 00:48:58,010
forget and we should always stand behind

905
00:49:06,130 --> 00:49:03,319
our military they gave their lives you

906
00:49:09,009 --> 00:49:06,140
know and then also taking the time to

907
00:49:12,910 --> 00:49:09,019
you know pray for a government pray for

908
00:49:15,400 --> 00:49:12,920
those who who are you know being the

909
00:49:17,650 --> 00:49:15,410
public service and you know and this

910
00:49:19,930 --> 00:49:17,660
might be a pretty strong statement here

911
00:49:21,400 --> 00:49:19,940
but you know you've been taking the time

912
00:49:25,269 --> 00:49:21,410
to pray for those that you don't

913
00:49:27,160 --> 00:49:25,279

necessarily agree with but there's I

914

00:49:29,620 --> 00:49:27,170

believe there is something wrong with

915

00:49:32,620 --> 00:49:29,630

assuming everything that you're told is

916

00:49:36,039 --> 00:49:32,630

true do not believe this would not be

917

00:49:40,089 --> 00:49:36,049

the last time we will be attacked on our

918

00:49:41,650 --> 00:49:40,099

homeland it just comes from if it's

919

00:49:45,880 --> 00:49:41,660

gonna be from an outside source or an

920

00:49:49,059 --> 00:49:45,890
