

HERO PARANORMAL

1
00:00:37,869 --> 00:00:25,330

[Music]

2
00:00:42,889 --> 00:00:40,490

hello ladies and gentlemen this is Ryan

3
00:00:44,959 --> 00:00:42,899

the original outlaw of the airwaves

4
00:00:50,119 --> 00:00:44,969

bringing you another episode of hero

5
00:00:51,110 --> 00:00:50,129

paranormal and tonight we have something

6
00:00:54,439 --> 00:00:51,120

a little bit different

7
00:00:58,160 --> 00:00:54,449

along the UFO file phenomena area this

8
00:01:00,229 --> 00:00:58,170

is across borders which is what I like

9
00:01:02,840 --> 00:01:00,239

it's it's it's going a little bit

10
00:01:04,549 --> 00:01:02,850

further or than actual name of what

11
00:01:08,960 --> 00:01:04,559

we're gonna be discussing is beyond the

12
00:01:11,000 --> 00:01:08,970

spectrum and we have one of my favorite

13
00:01:14,300 --> 00:01:11,010

people and that's film producer director

14

00:01:16,999 --> 00:01:14,310

at occult journeys Darcy Weir he is

15

00:01:20,960 --> 00:01:17,009

going to go over the latest documentary

16

00:01:24,700 --> 00:01:20,970

that he has on Amazon and it has

17

00:01:27,109 --> 00:01:24,710

massan's UFO FILES from Mexico now

18

00:01:30,289 --> 00:01:27,119

what's very interesting about this as

19

00:01:33,170 --> 00:01:30,299

most of these files are much harder to

20

00:01:34,760 --> 00:01:33,180

document they want no money they want no

21

00:01:36,289 --> 00:01:34,770

fame they really don't want any

22

00:01:40,249 --> 00:01:36,299

attention about it and these are usually

23

00:01:43,190 --> 00:01:40,259

cases where well we'll get into that now

24

00:01:48,050 --> 00:01:43,200

Darcy is a coming to us from Vancouver

25

00:01:49,670 --> 00:01:48,060

British Columbia and he has been on the

26
00:01:52,880 --> 00:01:49,680
show before because of some of his other

27
00:01:56,840 --> 00:01:52,890
shows and they are also available on

28
00:01:58,660 --> 00:01:56,850
Amazon definitely give Amazon a peek go

29
00:02:01,130 --> 00:01:58,670
through everything you can find on

30
00:02:03,969 --> 00:02:01,140
paranormal or UFO phenomena and you

31
00:02:06,499 --> 00:02:03,979
probably see a few Darcy we're

32
00:02:08,270 --> 00:02:06,509
productions and what I like is they're

33
00:02:10,010 --> 00:02:08,280
honest productions they usually go a

34
00:02:11,830 --> 00:02:10,020
little bit further than most and their

35
00:02:15,520 --> 00:02:11,840
documentary style for the most

36
00:02:19,449 --> 00:02:15,530
so check them out and it's a it's a

37
00:02:20,890 --> 00:02:19,459
whole new whole new realm of documentary

38
00:02:23,410 --> 00:02:20,900

filmmaking and that's what I like about

39

00:02:25,839 --> 00:02:23,420

great doing great I'm fascinated by your

53
00:03:12,789 --> 00:03:08,750
latest show on Amazon it's got some

54
00:03:14,350 --> 00:03:12,799
interesting interesting stuff thanks man

55
00:03:18,460 --> 00:03:14,360
I'm glad you like it

56
00:03:22,449 --> 00:03:18,470
well what yes what would be a one of the

57
00:03:24,789 --> 00:03:22,459
encounters that time a describes that

58
00:03:27,990 --> 00:03:24,799
kind of strikes your your interests the

59
00:03:32,140 --> 00:03:28,000
most they're all pretty interesting I

60
00:03:35,349 --> 00:03:32,150
think the one that is just the the jaw

61
00:03:38,470 --> 00:03:35,359
dropper is well there's a few there's

62
00:03:41,710 --> 00:03:38,480
the the rumor de la rumor OSA case I

63
00:03:43,479 --> 00:03:41,720

thought that was interesting and also

64

00:03:45,309 --> 00:03:43,489

the kids playing baseball video I

65

00:03:47,170 --> 00:03:45,319

thought what was most interesting about

66

00:03:50,740 --> 00:03:47,180

most of the video it's at least the

67

00:03:52,750 --> 00:03:50,750

video footage was that these people had

68

00:03:55,599 --> 00:03:52,760

no real reason they weren't looking for

69

00:03:59,379 --> 00:03:55,609

fame or money or really any attention

70

00:04:05,470 --> 00:03:59,389

for the most part yeah that's right I

71

00:04:10,449 --> 00:04:05,480

mean most of these people you know for

72

00:04:14,770 --> 00:04:10,459

example the baseball game humanoids

73

00:04:17,170 --> 00:04:14,780

let's call it that was that we'll call

74

00:04:22,440 --> 00:04:17,180

it the Burundi Park incident and that

75

00:04:24,240 --> 00:04:22,450

happened in the city of Juarez Chihuahua

76

00:04:31,790 --> 00:04:24,250

Mexico area

77

00:04:36,330 --> 00:04:31,800

in 2014 and armando martinez was

78

00:04:43,710 --> 00:04:36,340

recording his grandson playing you know

79

00:04:47,910 --> 00:04:43,720

little league softball and it wasn't a

80

00:04:51,600 --> 00:04:47,920

defect in the camera it wasn't a you

81

00:04:53,790 --> 00:04:51,610

know flaw that was present on the lens

82

00:04:55,710 --> 00:04:53,800

or something like that there there

83

00:05:01,290 --> 00:04:55,720

seemed to be he while he was recording

84

00:05:03,390 --> 00:05:01,300

this game some visible entity or

85

00:05:08,010 --> 00:05:03,400

presence right in the middle of the

86

00:05:12,680 --> 00:05:08,020

baseball game and you know the footage

87

00:05:18,330 --> 00:05:12,690

was taken by hime a mouse on and his his

88

00:05:20,250 --> 00:05:18,340

team directly they analyzed the footage

89

00:05:24,870 --> 00:05:20,260

they literally got it right off the

90

00:05:26,520 --> 00:05:24,880

phone from the a man the old man that

91

00:05:31,260 --> 00:05:26,530

had recorded this video and he didn't

92

00:05:33,090 --> 00:05:31,270

actually see this strange high

93

00:05:35,850 --> 00:05:33,100

strangeness that was going on in the

94

00:05:39,320 --> 00:05:35,860

video himself when he first looked at

95

00:05:43,400 --> 00:05:39,330

the video he was just focused on his

96

00:05:47,850 --> 00:05:43,410

grandson and all the players on on the

97

00:05:50,330 --> 00:05:47,860

park on the on the diamond and it came

98

00:05:52,950 --> 00:05:50,340

to his attention because his partner

99

00:05:55,380 --> 00:05:52,960

actually we're looking at the video and

100

00:05:57,659 --> 00:05:55,390

said what is that that is so strange and

101
00:06:02,130 --> 00:05:57,669
then they looked at it together and they

102
00:06:04,290 --> 00:06:02,140
checked it out with their family and you

103
00:06:06,060 --> 00:06:04,300
know now they decided let's reach out to

104
00:06:09,710 --> 00:06:06,070
tourists from Milenio and and that's how

105
00:06:15,360 --> 00:06:09,720
high may got involved in that case so

106
00:06:20,190 --> 00:06:15,370
pretty interesting video and it kind of

107
00:06:22,710 --> 00:06:20,200
goes to show that this stuff that we

108
00:06:23,719 --> 00:06:22,720
cover in this documentary it tends to

109
00:06:32,630 --> 00:06:23,729
happen

110
00:06:36,510 --> 00:06:32,640
strangely more often in mexico and i

111
00:06:40,400 --> 00:06:36,520
mean i can't i can't say

112
00:06:43,370 --> 00:06:40,410
how many times I've ever heard of a

113
00:06:49,040 --> 00:06:43,380

close encounter or some kind of humanoid

114

00:06:51,930 --> 00:06:49,050

being being caught on camera that's not

115

00:06:54,180 --> 00:06:51,940

other than sasquatch I mean that that is

116

00:06:58,110 --> 00:06:54,190

something that's covered in North

117

00:07:00,150 --> 00:06:58,120

America quite often that you know people

118

00:07:03,390 --> 00:07:00,160

say oh I got another video or without

119

00:07:06,270 --> 00:07:03,400

what-have-you and you can find all that

120

00:07:09,839 --> 00:07:06,280

stuff pretty easily online but in terms

121

00:07:14,969 --> 00:07:09,849

of this phenomenon where it's something

122

00:07:17,249 --> 00:07:14,979

that can't be described as human it's

123

00:07:21,600 --> 00:07:17,259

interesting that it happens so often in

124

00:07:24,809 --> 00:07:21,610

Mexico and that high maize team follow

125

00:07:30,740 --> 00:07:24,819

it up and and dive into the story of it

126
00:07:33,629 --> 00:07:30,750
deeper jaime is awesome with how he

127
00:07:35,850 --> 00:07:33,639
really delves in there when he's given

128
00:07:38,700 --> 00:07:35,860
one of these cases one of the other

129
00:07:41,070 --> 00:07:38,710
cases I couldn't talk to you without

130
00:07:44,459 --> 00:07:41,080
mentioning it is the the Meredith's

131
00:07:47,370 --> 00:07:44,469
alien and what apparently looks sort of

132
00:07:50,040 --> 00:07:47,380
like a portal coming out and really

133
00:07:53,580 --> 00:07:50,050
almost trying to abduct someone in plain

134
00:07:55,740 --> 00:07:53,590
sight and you know looking at it I

135
00:08:03,089 --> 00:07:55,750
thought to myself this would be very

136
00:08:05,070 --> 00:08:03,099
very hard to fake yeah I mean over the

137
00:08:08,820 --> 00:08:05,080
years no one has come forward saying

138
00:08:12,180 --> 00:08:08,830

that they faked that the three boys that

139

00:08:14,550 --> 00:08:12,190

were involved in in that recording in

140

00:08:21,209 --> 00:08:14,560

that video they're all adults now living

141

00:08:23,189 --> 00:08:21,219

in Merida Yucatan Mexico and they still

142

00:08:26,249 --> 00:08:23,199

affirm to this date that they've never

143

00:08:31,680 --> 00:08:26,259

been paid they'd never wanted Fame and

144

00:08:33,449 --> 00:08:31,690

in actually quitting obviously if you

145

00:08:36,959 --> 00:08:33,459

watch the documentary they got quite

146

00:08:39,360 --> 00:08:36,969

harassed by the mainstream media saying

147

00:08:45,990 --> 00:08:39,370

there were Liars they were frauds they

148

00:08:48,300 --> 00:08:46,000

were you know basically causing problems

149

00:08:50,970 --> 00:08:48,310

and and all that and they didn't want

150

00:08:52,950 --> 00:08:50,980

that attention at all and

151
00:08:57,300 --> 00:08:52,960
they wouldn't even talk to me when I

152
00:09:02,640 --> 00:08:57,310
followed up when I went to interview

153
00:09:08,490 --> 00:09:02,650
them in this year to here right I went

154
00:09:10,560 --> 00:09:08,500
and spoke to Gustavo Aleman and he was

155
00:09:13,710 --> 00:09:10,570
one of the investigators that originally

156
00:09:18,090 --> 00:09:13,720
brought this to Jaime mouth-on-mouth on

157
00:09:22,050 --> 00:09:18,100
detention who lives out in merida mexico

158
00:09:27,690 --> 00:09:22,060
and he showed me the location where went

159
00:09:30,000 --> 00:09:27,700
down and you know described what had

160
00:09:35,040 --> 00:09:30,010
happened and how it affected the boys

161
00:09:38,160 --> 00:09:35,050
that were involved and you know even the

162
00:09:40,740 --> 00:09:38,170
mayor was contacted the mayor of Merida

163
00:09:42,330 --> 00:09:40,750

was contacted by Jaime Mouse on at the

164

00:09:47,130 --> 00:09:42,340

time and he said look there's a really

165

00:09:53,880 --> 00:09:47,140

high level of radiation around this pole

166

00:09:56,180 --> 00:09:53,890

in this area of your city I where we've

167

00:10:00,360 --> 00:09:59,040

radiologists and physicists out here

168

00:10:03,150 --> 00:10:00,370

that are actually looking at the data

169

00:10:05,550 --> 00:10:03,160

and it looks like it might be kind of

170

00:10:09,800 --> 00:10:05,560

dangerous but the mayor wanted nothing

171

00:10:13,230 --> 00:10:09,810

to do with it and and you know didn't

172

00:10:16,920 --> 00:10:13,240

provide any more details about what was

173

00:10:19,260 --> 00:10:16,930

going on there so I it's pretty standard

174

00:10:21,900 --> 00:10:19,270

though whenever this type of thing

175

00:10:26,990 --> 00:10:21,910

happens you're shunned by mainstream

176
00:10:30,660 --> 00:10:27,000
media you're locked out by any

177
00:10:34,920 --> 00:10:30,670
authorities to take it seriously

178
00:10:37,320 --> 00:10:34,930
and you know if everything looks okay

179
00:10:41,160 --> 00:10:37,330
people just maintain the course and and

180
00:10:45,030 --> 00:10:41,170
pretend like nothing has happened but it

181
00:10:46,560 --> 00:10:45,040
was very incredible and strange case

182
00:10:51,660 --> 00:10:46,570
where you know if you even look at the

183
00:10:56,420 --> 00:10:51,670
video it looks as if the being has no

184
00:11:04,490 --> 00:11:00,480
invisible to a certain extent and then

185
00:11:09,449 --> 00:11:04,500
his torso and everything else becomes

186
00:11:15,120 --> 00:11:09,459
and then somehow somehow hides behind

187
00:11:19,069 --> 00:11:15,130
this really small pole that you know a

188
00:11:23,639 --> 00:11:19,079

normal person can't really stay within

189

00:11:28,920 --> 00:11:23,649

you know hidden completely behind so it

190

00:11:30,720 --> 00:11:28,930

seems hi BAE's series that it might

191

00:11:37,430 --> 00:11:30,730

might have been stepping kind of out of

192

00:11:42,590 --> 00:11:37,440

a portal but I have no way of completely

193

00:11:44,790 --> 00:11:42,600

justifying that claim or making that

194

00:11:50,040 --> 00:11:44,800

saying that that's completely true but

195

00:11:53,370 --> 00:11:50,050

based on the testimony of the boys who

196

00:11:56,040 --> 00:11:53,380

are now men the investigators that went

197

00:11:59,420 --> 00:11:56,050

around the sort of scientific data that

198

00:12:03,360 --> 00:11:59,430

there was high radiation in the area and

199

00:12:07,710 --> 00:12:03,370

high manias crew I found it was pretty

200

00:12:10,429 --> 00:12:07,720

incredible case yeah for the listeners

201
00:12:13,530 --> 00:12:10,439
it's really hard to kind of describe

202
00:12:16,980 --> 00:12:13,540
it's literally this pole is like a four

203
00:12:19,740 --> 00:12:16,990
inch pole and there's an entity that has

204
00:12:22,230 --> 00:12:19,750
an arm nearly at least three-quarters

205
00:12:26,490 --> 00:12:22,240
longer if not twice as long as a human

206
00:12:29,730 --> 00:12:26,500
arm and it it's a big entity with a big

207
00:12:31,379 --> 00:12:29,740
head it seems and it reaches out and

208
00:12:34,050 --> 00:12:31,389
tries to grab this boy and actually I

209
00:12:36,689 --> 00:12:34,060
believe does kind of graze him and

210
00:12:39,090 --> 00:12:36,699
touches him and he felt what it felt

211
00:12:41,850 --> 00:12:39,100
like it's an amazing it's something that

212
00:12:44,309 --> 00:12:41,860
must be watched and definitely check it

213
00:12:46,740 --> 00:12:44,319

out beyond the spectrum on Amazon

214

00:12:49,490 --> 00:12:46,750

because without seeing that image in

215

00:12:52,740 --> 00:12:49,500

your head it's kind of hard to shake and

216

00:12:55,620 --> 00:12:52,750

as if that's not enough I thought that

217

00:12:59,069 --> 00:12:55,630

yeah the unjustified amounts of energy

218

00:13:00,990 --> 00:12:59,079

were just too high that you know they

219

00:13:02,759 --> 00:13:01,000

were measuring it first if I believe it

220

00:13:06,059 --> 00:13:02,769

was three meters at first around the

221

00:13:09,480 --> 00:13:06,069

pole and then the energy rose and went

222

00:13:13,199 --> 00:13:09,490

all the way to a Mayan pyramids and how

223

00:13:16,830 --> 00:13:13,209

and a thousand times the normal level

224

00:13:18,300 --> 00:13:16,840

was was there any I mean there's actual

225

00:13:20,510 --> 00:13:18,310

science behind this and that's what's so

226

00:13:24,420 --> 00:13:20,520

great about Jaime and this documentary

227

00:13:29,240 --> 00:13:24,430

Darcy is it's not just hey here's an

228

00:13:31,380 --> 00:13:29,250

amazing video but then there is real

229

00:13:35,220 --> 00:13:31,390

scientific research that went down

230

00:13:37,650 --> 00:13:35,230

afterwards it was really cool yeah and

231

00:13:41,850 --> 00:13:37,660

I've been out to the Zen hoe complex

232

00:13:45,300 --> 00:13:41,860

it's about I'd say an hour and a half

233

00:13:49,350 --> 00:13:45,310

outside of Nevada so maybe an hour

234

00:13:53,450 --> 00:13:49,360

probably an hour of Medi de so I don't

235

00:13:56,700 --> 00:13:53,460

understand why there would be any

236

00:13:59,280 --> 00:13:56,710

radiation detected that that normally

237

00:14:01,650 --> 00:13:59,290

wasn't there you know they had a

238

00:14:04,110 --> 00:14:01,660

baseline and then after this incident

239

00:14:09,990 --> 00:14:04,120

they're detecting radiation even that

240

00:14:12,350 --> 00:14:10,000

far away it's crazy it is it's it's one

241

00:14:16,770 --> 00:14:12,360

of probably one of the most jaw-dropping

242

00:14:21,570 --> 00:14:16,780

cases in the documentary but they're all

243

00:14:23,610 --> 00:14:21,580

pretty jaw-dropping the the the

244

00:14:28,320 --> 00:14:23,620

interesting thing is that a lot of the

245

00:14:31,020 --> 00:14:28,330

people involved there was the case with

246

00:14:33,030 --> 00:14:31,030

in the UK with the guy that his dog

247

00:14:35,130 --> 00:14:33,040

freaked out and he saw a UFO over his

248

00:14:39,060 --> 00:14:35,140

house and ran in and grabbed a camera

249

00:14:41,640 --> 00:14:39,070

and that case I thought was really

250

00:14:45,350 --> 00:14:41,650

interesting at how it ended up on the

251
00:14:48,120 --> 00:14:45,360
desk of mi6 and all of a sudden you have

252
00:14:51,930 --> 00:14:48,130
Her Majesty's intelligence on it and

253
00:14:56,250 --> 00:14:51,940
then they get hacked which is kind of

254
00:14:58,470 --> 00:14:56,260
showing how high this might go but that

255
00:15:00,420 --> 00:14:58,480
case was very interesting because it was

256
00:15:02,070 --> 00:15:00,430
a video and then turned in they were

257
00:15:03,600 --> 00:15:02,080
able to have these hackers if I'm not

258
00:15:08,520 --> 00:15:03,610
mistaken were able to save some of the

259
00:15:11,160 --> 00:15:08,530
images is that correct RC yeah I'd seem

260
00:15:13,890 --> 00:15:11,170
like that's how it went down according

261
00:15:17,970 --> 00:15:13,900
to the story and those images end up on

262
00:15:20,790 --> 00:15:17,980
a website that basically was taken down

263
00:15:25,770 --> 00:15:20,800

and has never been seen again about a

264

00:15:29,700 --> 00:15:25,780

month later so this happened in 1999 hi

265

00:15:30,450 --> 00:15:29,710

my mouse on got the images right around

266

00:15:36,540 --> 00:15:30,460

like

267

00:15:39,780 --> 00:15:36,550

doctor they went online and or yeah and

268

00:15:45,360 --> 00:15:39,790

and the website went down shortly after

269

00:15:49,730 --> 00:15:45,370

and severe calm and allegedly they were

270

00:15:54,350 --> 00:15:49,740

images still images from a video that

271

00:15:59,520 --> 00:15:54,360

was on a server that these hackers had

272

00:16:02,570 --> 00:15:59,530

leaked out and Jaime believes that they

273

00:16:05,670 --> 00:16:02,580

had gotten in trouble and possibly just

274

00:16:09,060 --> 00:16:05,680

incarcerated no one's heard them again

275

00:16:14,340 --> 00:16:09,070

but pretty interesting images looks like

276

00:16:15,930 --> 00:16:14,350

they kind of fit the description that so

277

00:16:25,020 --> 00:16:15,940

many people around the world have

278

00:16:28,970 --> 00:16:25,030

described as the gray alien a group of

279

00:16:34,370 --> 00:16:28,980

them traveling around a farm sort of

280

00:16:38,340 --> 00:16:34,380

property and you see will look like a

281

00:16:42,140 --> 00:16:38,350

craft in the background a triangular

282

00:16:46,160 --> 00:16:42,150

craft which is also described as a

283

00:16:51,780 --> 00:16:46,170

vehicle that's quite often seen the UFO

284

00:16:54,180 --> 00:16:51,790

so very interesting story and yeah we

285

00:16:55,740 --> 00:16:54,190

just wanted to I mean I'm a was one of

286

00:16:59,790 --> 00:16:55,750

the only people that ever talked about

287

00:17:05,610 --> 00:16:59,800

that right so it was a this this

288

00:17:08,340 --> 00:17:05,620

documentary covers a whole gamut of

289

00:17:11,730 --> 00:17:08,350

different accounts there's eight

290

00:17:16,620 --> 00:17:11,740

different humanoid accounts that

291

00:17:21,329 --> 00:17:16,630

happened with I'm a reporting on this

292

00:17:26,180 --> 00:17:21,339

from around Latin America and the

293

00:17:29,820 --> 00:17:26,190

England case was the only one kind of

294

00:17:34,170 --> 00:17:29,830

didn't fit within Latin America there

295

00:17:38,780 --> 00:17:34,180

and I'm making a follow up documentary

296

00:17:41,760 --> 00:17:38,790

that will include other Latin American

297

00:17:45,630 --> 00:17:41,770

stories that have happened in terms of

298

00:17:48,900 --> 00:17:45,640

this humanoid sort of

299

00:17:53,310 --> 00:17:48,910

encounters or beings that people believe

300

00:17:55,410 --> 00:17:53,320

or not to be of human origin that's

301

00:17:57,330 --> 00:17:55,420

great I like I love that you're not

302

00:18:02,430 --> 00:17:57,340

you're not scared of like going beyond

303

00:18:04,560 --> 00:18:02,440

the boundaries and there there's there

304

00:18:05,670 --> 00:18:04,570

are cases like this that just kind of

305

00:18:08,670 --> 00:18:05,680

blow you away

306

00:18:11,850 --> 00:18:08,680

one of them in your documentary in fact

307

00:18:16,020 --> 00:18:11,860

that I Gabriel I believe his name was

308

00:18:18,690 --> 00:18:16,030

Gabriel he he it was very strange there

309

00:18:22,140 --> 00:18:18,700

was a shadow creature that was about the

310

00:18:23,820 --> 00:18:22,150

size of gosh I don't know six inches or

311

00:18:26,490 --> 00:18:23,830

so going up and down stairs and then he

312

00:18:28,440 --> 00:18:26,500

caught it in the house and this is all

313

00:18:30,510 --> 00:18:28,450

done with at the time I believe was with

314

00:18:33,630 --> 00:18:30,520

just a flip phone technology but you're

315

00:18:35,910 --> 00:18:33,640

very able to see this and that was a lot

316

00:18:40,050 --> 00:18:35,920

more difficult to CGI back then with

317

00:18:43,620 --> 00:18:40,060

with flip phone technology oh yeah I

318

00:18:46,910 --> 00:18:43,630

mean I don't the the images came right

319

00:18:51,060 --> 00:18:46,920

off of his phone the video image

320

00:18:53,780 --> 00:18:51,070

everything you see and like right on to

321

00:18:56,430 --> 00:18:53,790

a computer where high man is team

322

00:19:02,360 --> 00:18:56,440

investigated that and yeah it was

323

00:19:07,860 --> 00:19:02,370

Gabriel song same from Monterrey Nuevo

324

00:19:12,600 --> 00:19:07,870

Leon and it happened back in October of

325

00:19:16,800 --> 00:19:12,610

2010 he there was a storm outside a

326
00:19:19,080 --> 00:19:16,810
hurricane something like that and he was

327
00:19:22,320 --> 00:19:19,090
confined to his house and he was

328
00:19:25,410 --> 00:19:22,330
recording this video and he noticed he

329
00:19:30,000 --> 00:19:25,420
heard at first sort of what sounded like

330
00:19:34,470 --> 00:19:30,010
laughter or like a child's children sort

331
00:19:40,740 --> 00:19:34,480
of crying noise and inside of his home

332
00:19:45,690 --> 00:19:40,750
and when he looked around he found you

333
00:19:47,820 --> 00:19:45,700
know something that was not visible it

334
00:19:50,100 --> 00:19:47,830
was kind of outside of the visible

335
00:19:53,070 --> 00:19:50,110
spectra into his eye but he started

336
00:19:55,670 --> 00:19:53,080
recording with his camera and he could

337
00:19:56,970 --> 00:19:55,680
pick it up but it was still very

338
00:19:59,310 --> 00:19:56,980

invisible

339

00:20:02,310 --> 00:19:59,320

it just looked more like a shadow with a

340

00:20:04,740 --> 00:20:02,320

little bit of shape you know had like a

341

00:20:10,100 --> 00:20:04,750

head and legs and arms and like little

342

00:20:15,360 --> 00:20:10,110

shoulders and yeah so it was a pretty

343

00:20:20,480 --> 00:20:15,370

incredible little case again

344

00:20:23,700 --> 00:20:20,490

she had no he was not a real believer in

345

00:20:26,930 --> 00:20:23,710

ETS or anything like that he was more a

346

00:20:35,700 --> 00:20:26,940

believer of paranormal sort of you know

347

00:20:37,620 --> 00:20:35,710

beings or spirits and she was working

348

00:20:41,220 --> 00:20:37,630

with a lady locally and they were

349

00:20:43,920 --> 00:20:41,230

picking up data from around his

350

00:20:45,570 --> 00:20:43,930

apartment complex and and found that you

351
00:20:49,710 --> 00:20:45,580
know they were did they were hearing

352
00:20:55,290 --> 00:20:49,720
sort of voices on their tape recorders

353
00:20:59,130 --> 00:20:55,300
and sort of doing that whole paranormal

354
00:21:00,750 --> 00:20:59,140
research of this area and they started

355
00:21:04,020 --> 00:21:00,760
getting data and started getting

356
00:21:06,360 --> 00:21:04,030
responses so that was a pretty cool

357
00:21:10,070 --> 00:21:06,370
little case that happened there - yeah

358
00:21:12,960 --> 00:21:10,080
it's really creepy how it is

359
00:21:15,270 --> 00:21:12,970
semi-transparent and you can't really

360
00:21:18,420 --> 00:21:15,280
see the creature unless but once you see

361
00:21:21,600 --> 00:21:18,430
it you can't unsee it through technology

362
00:21:24,270 --> 00:21:21,610
whether a cellphone camera the people

363
00:21:27,660 --> 00:21:24,280

can actually see what they couldn't see

364

00:21:31,380 --> 00:21:27,670

when they are at the location is that

365

00:21:34,320 --> 00:21:31,390

yeah that's right I mean like basically

366

00:21:39,750 --> 00:21:34,330

the premise of my documentary series

367

00:21:42,720 --> 00:21:39,760

beyond the spectrum is you know we have

368

00:21:47,040 --> 00:21:42,730

a couple different stories that we cover

369

00:21:49,440 --> 00:21:47,050

but in every story the sort of prevalent

370

00:21:52,700 --> 00:21:49,450

subject is that these things are

371

00:21:56,690 --> 00:21:52,710

happening that are beyond our

372

00:21:59,370 --> 00:21:56,700

comprehension behind beyond our visible

373

00:22:05,780 --> 00:21:59,380

spectrum that we can see with our our

374

00:22:10,830 --> 00:22:08,610

underground bases you know that's hidden

375

00:22:13,680 --> 00:22:10,840

in plain sight or

376

00:22:19,670 --> 00:22:13,690

hidden out of sight you know below

377

00:22:25,400 --> 00:22:19,680

mountains and and the like and then I

378

00:22:30,750 --> 00:22:25,410

did do a documentary on abduction and

379

00:22:34,020 --> 00:22:30,760

people coming forward in large numbers

380

00:22:36,060 --> 00:22:34,030

and saying yes you know I've been I was

381

00:22:40,620 --> 00:22:36,070

abducted and these things happen to me

382

00:22:45,510 --> 00:22:40,630

and and the media tends to keep that

383

00:22:52,520 --> 00:22:45,520

hidden or not acknowledge it as quite

384

00:22:59,910 --> 00:22:52,530

openly right so in this case and in the

385

00:23:03,480 --> 00:22:59,920

Burundi Park baseball game they seem to

386

00:23:09,660 --> 00:23:03,490

be somewhat invisible also the merida

387

00:23:15,240 --> 00:23:09,670

incident invisible and there's a couple

388

00:23:19,050 --> 00:23:15,250

other experiences that have happened to

389

00:23:22,440 --> 00:23:19,060

people where they say they see something

390

00:23:25,260 --> 00:23:22,450

that looks like an apparition and it

391

00:23:29,820 --> 00:23:25,270

just kind of disappears

392

00:23:32,180 --> 00:23:29,830

strangely enough from some of the people

393

00:23:36,260 --> 00:23:32,190

I've interviewed over the years about

394

00:23:40,760 --> 00:23:36,270

Sasquatch or Bigfoot encounters people

395

00:23:44,430 --> 00:23:40,770

have described that they would see it

396

00:23:46,770 --> 00:23:44,440

physically at one point and then all of

397

00:23:50,160 --> 00:23:46,780

a sudden like it would evaporate it

398

00:23:53,010 --> 00:23:50,170

would sort of step into the the forest

399

00:23:55,320 --> 00:23:53,020

and just completely disappear you

400

00:23:59,250 --> 00:23:55,330

couldn't hear it you couldn't track it

401
00:24:04,580 --> 00:23:59,260
it just it's almost like it vanished and

402
00:24:06,750 --> 00:24:04,590
I don't know what's that play there but

403
00:24:11,040 --> 00:24:06,760
seems like it's something that that

404
00:24:14,610 --> 00:24:11,050
wants to be hidden you know yeah

405
00:24:17,460 --> 00:24:14,620
it's very strange how that they can

406
00:24:19,530 --> 00:24:17,470
enter and exit at least our reality it

407
00:24:22,590 --> 00:24:19,540
looks like especially in that Murata's

408
00:24:24,190 --> 00:24:22,600
case I was blown away I mean there's no

409
00:24:26,019 --> 00:24:24,200
craft there's no you

410
00:24:28,330 --> 00:24:26,029
there's just this creature that

411
00:24:31,960 --> 00:24:28,340
literally is using kind of like a line

412
00:24:34,930 --> 00:24:31,970
in our site because it's a pole just an

413
00:24:37,330 --> 00:24:34,940

electric pole and they're just trying to

414

00:24:40,359 --> 00:24:37,340

enter our dimension and and they're

415

00:24:42,639 --> 00:24:40,369

using their finding away it seems like

416

00:24:44,919 --> 00:24:42,649

and I hate to try to figure out what

417

00:24:47,560 --> 00:24:44,929

they're doing but looking at some of

418

00:24:49,470 --> 00:24:47,570

these cases there's you know they're all

419

00:24:52,359 --> 00:24:49,480

really wild but there's some

420

00:24:55,599 --> 00:24:52,369

similarities for our listeners it just

421

00:24:58,629 --> 00:24:55,609

appeared really like like a Christmas

422

00:25:02,080 --> 00:24:58,639

tree drone all these lights kind of

423

00:25:04,659 --> 00:25:02,090

flashing flying down and then you

424

00:25:08,229 --> 00:25:04,669

basically start to see these transparent

425

00:25:11,259 --> 00:25:08,239

legs of some sort of entity appear and

426

00:25:14,169 --> 00:25:11,269

it just begins walking down the street

427

00:25:16,299 --> 00:25:14,179

that was mind-blowing and it was caught

428

00:25:19,269 --> 00:25:16,309

from I mean people saw it and it was

429

00:25:22,720 --> 00:25:19,279

also caught on a security camera

430

00:25:26,229 --> 00:25:22,730

is that correct Darci yeah multiple

431

00:25:30,770 --> 00:25:26,239

multiple security cameras in fact yeah

432

00:25:32,009 --> 00:25:30,780

so it's quite common in Mexico for

433

00:25:35,789 --> 00:25:32,019

[Music]

434

00:25:38,560 --> 00:25:35,799

neighborhoods to have homes that are

435

00:25:42,609 --> 00:25:38,570

outfitted with multiple camera systems

436

00:25:45,399 --> 00:25:42,619

and you know it's for security it's it

437

00:25:48,700 --> 00:25:45,409

can be a bit dangerous a bit more

438

00:25:50,560 --> 00:25:48,710

dangerous we're lucky to live in the

439

00:25:51,840 --> 00:25:50,570

part of the world we we do that we don't

440

00:25:58,149 --> 00:25:51,850

have to worry about that type of thing

441

00:26:01,529 --> 00:25:58,159

but this entity that kind of hovered

442

00:26:07,090 --> 00:26:01,539

down to the street and then started

443

00:26:11,440 --> 00:26:07,100

cruising down the street bipedally you

444

00:26:15,669 --> 00:26:11,450

know two people saw it firsthand it was

445

00:26:21,039 --> 00:26:15,679

a doctor a medical doctor and his

446

00:26:24,849 --> 00:26:21,049

daughter and she left the house to look

447

00:26:27,669 --> 00:26:24,859

at it with her father they had walked

448

00:26:30,999 --> 00:26:27,679

out that actually had seen it on their

449

00:26:33,190 --> 00:26:31,009

security camera first and they said okay

450

00:26:36,519 --> 00:26:33,200

let's go check this out what is that and

451
00:26:37,190 --> 00:26:36,529
when they walked outside it's sort of

452
00:26:44,960 --> 00:26:37,200
tech

453
00:26:47,870 --> 00:26:44,970
and turned around what they said they

454
00:26:50,570 --> 00:26:47,880
saw with their naked eye was it took on

455
00:26:54,590 --> 00:26:50,580
the form of a human sort of a silhouette

456
00:26:58,750 --> 00:26:54,600
a humanoid being and started walking

457
00:27:02,480 --> 00:26:58,760
towards that night to watch the video

458
00:27:06,380 --> 00:27:02,490
the daughter just freaked right out and

459
00:27:08,780 --> 00:27:06,390
ran away Shan dedup slamming the front

460
00:27:10,370 --> 00:27:08,790
door I'm walking her father a poor guy

461
00:27:17,870 --> 00:27:10,380
had to walk around the back of the house

462
00:27:24,140 --> 00:27:17,880
but basically that same encounter that

463
00:27:29,300 --> 00:27:24,150

in that same entity flying in and out of

464

00:27:33,770 --> 00:27:29,310

view it could be it was recorded on a

465

00:27:37,300 --> 00:27:33,780

second neighbors security cameras so two

466

00:27:41,140 --> 00:27:37,310

separate data sources that confirm a

467

00:27:49,210 --> 00:27:41,150

really strange encounter that was

468

00:27:51,920 --> 00:27:49,220

experienced by two eyewitnesses and its

469

00:27:55,580 --> 00:27:51,930

people will have described this

470

00:27:58,130 --> 00:27:55,590

happening for years and you know it's

471

00:28:02,210 --> 00:27:58,140

quite often people have reported videos

472

00:28:02,990 --> 00:28:02,220

of humanoids flying in the air and those

473

00:28:05,600 --> 00:28:03,000

are strange

474

00:28:12,050 --> 00:28:05,610

you could chalk that up to being a

475

00:28:15,130 --> 00:28:12,060

flying drone but in this case where it

476

00:28:19,520 --> 00:28:15,140

it definitely didn't look like a drone

477

00:28:22,220 --> 00:28:19,530

in the typical sense that we a man-made

478

00:28:25,670 --> 00:28:22,230

drone that is that we would describe or

479

00:28:33,770 --> 00:28:25,680

see it looks like some kind of

480

00:28:36,620 --> 00:28:33,780

shimmering strange like metallic

481

00:28:40,910 --> 00:28:36,630

seahorse or something like that you know

482

00:28:45,290 --> 00:28:40,920

and then the fact that people said it

483

00:28:48,290 --> 00:28:45,300

sprouted legs and you know had a human

484

00:28:49,820 --> 00:28:48,300

figure at one point that's just mind

485

00:28:56,630 --> 00:28:49,830

boggling you know it's

486

00:29:00,250 --> 00:28:56,640

super strange and lent lends to the idea

487

00:29:04,810 --> 00:29:00,260

that we're dealing with something that

488

00:29:09,740 --> 00:29:04,820

higher technology and possibly

489

00:29:13,279 --> 00:29:09,750

extraterrestrial then you know then it's

490

00:29:18,500 --> 00:29:13,289

definitely something worth looking into

491

00:29:19,970 --> 00:29:18,510

further you know it it really does it's

492

00:29:23,389 --> 00:29:19,980

hard to explain to the listeners they

493

00:29:26,090 --> 00:29:23,399

really have to watch this and it it

494

00:29:28,940 --> 00:29:26,100

really does look like sort of like you

495

00:29:32,860 --> 00:29:28,950

said like this this shimmering flashing

496

00:29:37,789 --> 00:29:32,870

amorphous blob like biological but yet

497

00:29:40,909 --> 00:29:37,799

metallic and missing spaces and areas

498

00:29:42,830 --> 00:29:40,919

and then gaining them and then BOOM legs

499

00:29:46,580 --> 00:29:42,840

coming out and walking with just kind of

500

00:29:49,940 --> 00:29:46,590

very easy to assimilate into our reality

501
00:29:51,950 --> 00:29:49,950
and it's it's just animate it's amazing

502
00:29:54,740 --> 00:29:51,960
footage and it's just really cool that

503
00:29:58,250 --> 00:29:54,750
different you know angles of the same

504
00:30:01,399 --> 00:29:58,260
footage you're shown and it's again

505
00:30:06,080 --> 00:30:01,409
having witnesses to it's it's really

506
00:30:09,049 --> 00:30:06,090
wild not to not to go off too much on

507
00:30:11,480 --> 00:30:09,059
that one but it there are other cases

508
00:30:13,879 --> 00:30:11,490
I've seen other cases of similar things

509
00:30:17,029 --> 00:30:13,889
and I thought it was really cool that

510
00:30:20,690 --> 00:30:17,039
you had two cases both the both the

511
00:30:22,759 --> 00:30:20,700
baseball video and that one and there's

512
00:30:24,560 --> 00:30:22,769
just so many it's hard to pick the best

513
00:30:26,680 --> 00:30:24,570

ones it's really a it's really a

514

00:30:29,360 --> 00:30:26,690

documentary but you should see because

515

00:30:30,980 --> 00:30:29,370

not all of them really revolved around

516

00:30:32,990 --> 00:30:30,990

footage which I thought was great others

517

00:30:35,930 --> 00:30:33,000

were eyewitness accounts with multiple

518

00:30:39,169 --> 00:30:35,940

people having the same experience the

519

00:30:42,350 --> 00:30:39,179

the case with the snakes and then oh my

520

00:30:44,419 --> 00:30:42,360

gosh if you could tell our listeners a

521

00:30:49,879 --> 00:30:44,429

little bit about that case that blew me

522

00:30:52,310 --> 00:30:49,889

away and then yeah I mean craft and then

523

00:30:54,110 --> 00:30:52,320

I mean the contact level with possible

524

00:30:56,389 --> 00:30:54,120

extraterrestrials went through the roof

525

00:31:03,440 --> 00:30:56,399

yeah LaRue LaRosa

526

00:31:12,860 --> 00:31:08,600

so it happened in May of 1999 and that's

527

00:31:17,149 --> 00:31:12,870

when the three gentlemen were basically

528

00:31:22,490 --> 00:31:17,159

on an expedition a hike you know camping

529

00:31:24,830 --> 00:31:22,500

out that the I think the initial thought

530

00:31:27,740 --> 00:31:24,840

were intention for that expedition was

531

00:31:33,340 --> 00:31:27,750

just to do a day hike that was you know

532

00:31:37,240 --> 00:31:33,350

a full let's say 16 kilometer day and

533

00:31:44,930 --> 00:31:37,250

you're looking at a very rocky terrain

534

00:31:48,259 --> 00:31:44,940

hilly desert you know I guess the

535

00:31:55,850 --> 00:31:48,269

closest thing to that would be somewhere

536

00:31:59,629 --> 00:31:55,860

like Joshua Tree in California and you

537

00:32:04,250 --> 00:31:59,639

know big boulders of rocks and such and

538

00:32:07,519 --> 00:32:04,260

these men were trying to get back home

539

00:32:10,430 --> 00:32:07,529

and they basically got a little bit lost

540

00:32:14,690 --> 00:32:10,440

they ended up having to spend the night

541

00:32:17,779 --> 00:32:14,700

in the desert and while they were in the

542

00:32:22,070 --> 00:32:17,789

desert they noticed there was plenty of

543

00:32:26,419 --> 00:32:22,080

snakes hi may calls them serpents in the

544

00:32:30,409 --> 00:32:26,429

documentary and these snakes are highly

545

00:32:34,159 --> 00:32:30,419

venomous quite a bit intimidating so

546

00:32:38,960 --> 00:32:34,169

they decided to take refuge in a tree

547

00:32:42,350 --> 00:32:38,970

and they climb this tree there trying to

548

00:32:45,379 --> 00:32:42,360

relax up there as best they can get a

549

00:32:47,930 --> 00:32:45,389

bearing of where they are as well to

550

00:32:51,620 --> 00:32:47,940

overlook the landscape in there they're

551
00:32:55,100 --> 00:32:51,630
up a hill anyways so they do have a bit

552
00:32:59,930 --> 00:32:55,110
of a vantage point to see what's going

553
00:33:05,389 --> 00:32:59,940
on around them they do notice across

554
00:33:10,100 --> 00:33:05,399
from them at a adjacent Hill a bunch of

555
00:33:13,629 --> 00:33:10,110
lights coming down the hill and it

556
00:33:16,070 --> 00:33:13,639
looked like other hikers that were

557
00:33:17,240 --> 00:33:16,080
traveling towards them so they were

558
00:33:21,550 --> 00:33:17,250
yelling and

559
00:33:25,700 --> 00:33:21,560
hey we're over here come over here and

560
00:33:28,580 --> 00:33:25,710
on the horizon line apparently they also

561
00:33:33,760 --> 00:33:28,590
saw what looked like UFOs

562
00:33:38,230 --> 00:33:33,770
they saw triangular crafts they saw a

563
00:33:43,850 --> 00:33:38,240

disc-shaped craft and they kind of came

564

00:33:46,730 --> 00:33:43,860

above their tree at one point but while

565

00:33:49,430 --> 00:33:46,740

they were viewing all these people these

566

00:33:55,870 --> 00:33:49,440

lights coming towards them they started

567

00:34:00,250 --> 00:33:55,880

to discern as this approaching force

568

00:34:02,350 --> 00:34:00,260

became more and more visible closer that

569

00:34:05,540 --> 00:34:02,360

they weren't human

570

00:34:09,040 --> 00:34:05,550

they looked humanoid they looked like

571

00:34:12,590 --> 00:34:09,050

they had these classic egg-shaped head

572

00:34:16,760 --> 00:34:12,600

big black eyes they were short and

573

00:34:20,690 --> 00:34:16,770

stature skinny sort of spindly legs and

574

00:34:23,180 --> 00:34:20,700

spindly arms and they some of them were

575

00:34:26,480 --> 00:34:23,190

a little bit taller but overall were

576

00:34:33,350 --> 00:34:26,490

quite a bit smaller than than the men

577

00:34:36,850 --> 00:34:33,360

and the boys that were there and believe

578

00:34:40,399 --> 00:34:36,860

it or not what they said was that the

579

00:34:43,490 --> 00:34:40,409

humanoids climbed up the tree observed

580

00:34:47,649 --> 00:34:43,500

them very closely but they were like

581

00:34:54,340 --> 00:34:47,659

almost transparent and they glowed and

582

00:35:02,270 --> 00:34:54,350

they they actually climbed into this

583

00:35:04,100 --> 00:35:02,280

ship and left them and two of the boys

584

00:35:08,300 --> 00:35:04,110

were a little bit younger one of them

585

00:35:13,880 --> 00:35:08,310

was 21 and so was you know a man the

586

00:35:17,170 --> 00:35:13,890

others were I think 13 and 16 and they

587

00:35:19,900 --> 00:35:17,180

were shaken they were completely

588

00:35:24,800 --> 00:35:19,910

gobsmacked at what they were seeing and

589

00:35:30,600 --> 00:35:24,810

experiencing and they ran back to their

590

00:35:34,710 --> 00:35:30,610

town Leroux morosa they told everybody

591

00:35:37,350 --> 00:35:34,720

what they had seen this ended up getting

592

00:35:39,450 --> 00:35:37,360

reported back to you know mainstream

593

00:35:43,320 --> 00:35:39,460

newspapers and stuff like that and timey

594

00:35:47,610 --> 00:35:43,330

Mouse song picked up the story so Jaime

595

00:35:49,170 --> 00:35:47,620

Mouse Shawn he decided to send his team

596

00:35:53,540 --> 00:35:49,180

out there and he was going to go of

597

00:35:58,170 --> 00:35:53,550

course when he went out there it was

598

00:36:01,530 --> 00:35:58,180

October of 1999 so this happened in May

599

00:36:03,740 --> 00:36:01,540

originally and they went out there in

600

00:36:10,530 --> 00:36:06,300

extremely hot during the day but then at

601
00:36:14,460 --> 00:36:10,540
night very cold as desert climates tend

602
00:36:17,580 --> 00:36:14,470
to be and they went to the same tree the

603
00:36:20,520 --> 00:36:17,590
same lookout point where the boys had

604
00:36:26,400 --> 00:36:20,530
experienced this encounter to sort of

605
00:36:29,700 --> 00:36:26,410
recreate and get a video footage of

606
00:36:32,910 --> 00:36:29,710
where this all happened and their

607
00:36:36,630 --> 00:36:32,920
testimony in person you know recorded

608
00:36:39,330 --> 00:36:36,640
testimony of what they had seen so while

609
00:36:42,390 --> 00:36:39,340
they're out there hi my mouth on was

610
00:36:48,000 --> 00:36:42,400
actually woken up and they they had seen

611
00:36:51,480 --> 00:36:48,010
UFO activity in that area they had heard

612
00:36:57,930 --> 00:36:51,490
of multiple groups I actually have

613
00:37:00,900 --> 00:36:57,940

footage of the UFO investigative groups

614

00:37:08,570 --> 00:37:00,910

that had gone out there and recorded

615

00:37:10,800 --> 00:37:08,580

live video of UFOs in that area and I

616

00:37:12,420 --> 00:37:10,810

didn't included in the documentary I

617

00:37:16,620 --> 00:37:12,430

think I'm going to included in another

618

00:37:19,110 --> 00:37:16,630

one but those men had contacted Jaime

619

00:37:21,720 --> 00:37:19,120

let him know UFOs in the area as well

620

00:37:27,390 --> 00:37:21,730

that are still were still active and

621

00:37:31,110 --> 00:37:27,400

possibly are active today anyways they

622

00:37:34,200 --> 00:37:31,120

the whole team had seen UFOs at night

623

00:37:38,040 --> 00:37:34,210

and high made gone to sleep he was woken

624

00:37:39,930 --> 00:37:38,050

up and when he went to see what they

625

00:37:43,290 --> 00:37:39,940

were looking at

626
00:37:44,090 --> 00:37:43,300
he got binoculars and he saw what looked

627
00:37:51,130 --> 00:37:44,100
like

628
00:37:54,290 --> 00:37:51,140
to humanoid beings that were down this

629
00:38:00,400 --> 00:37:54,300
this sort of chill they were probably

630
00:38:03,620 --> 00:38:00,410
about a hundred meters away and you know

631
00:38:06,380 --> 00:38:03,630
walking in between large boulders and

632
00:38:09,260 --> 00:38:06,390
rocks they could see them popping in and

633
00:38:13,400 --> 00:38:09,270
out of you and they were observing

634
00:38:17,000 --> 00:38:13,410
something along the desert terrain he

635
00:38:23,720 --> 00:38:17,010
wasn't quite sure observing but they had

636
00:38:30,560 --> 00:38:23,730
found signs that in this area there were

637
00:38:31,730 --> 00:38:30,570
rocks that were machined they seemed to

638
00:38:35,360 --> 00:38:31,740

be split right in half

639

00:38:38,570 --> 00:38:35,370

with some kind of machine tool and in

640

00:38:40,460 --> 00:38:38,580

this area it's very poor there's no one

641

00:38:42,380 --> 00:38:40,470

that really has technology to do this

642

00:38:47,720 --> 00:38:42,390

type of thing some of the rocks almost

643

00:38:51,260 --> 00:38:47,730

look laser cut and I may had found a

644

00:38:55,880 --> 00:38:51,270

rock at this area brought it back they

645

00:38:58,250 --> 00:38:55,890

investigated that as well but they tried

646

00:39:01,160 --> 00:38:58,260

to record video of these beings that

647

00:39:05,050 --> 00:39:01,170

that they had seen that night and Jaime

648

00:39:10,640 --> 00:39:05,060

was just blown away was his first

649

00:39:14,060 --> 00:39:10,650

sighting of a what could be described as

650

00:39:19,520 --> 00:39:14,070

something extraterrestrial or non-human

651
00:39:24,050 --> 00:39:19,530
and there was a guide that came on their

652
00:39:26,660 --> 00:39:24,060
trip the guide was you know uh a nature

653
00:39:30,950 --> 00:39:26,670
guide so he knows he's cataloged

654
00:39:35,800 --> 00:39:30,960
everything in that sort of area before

655
00:39:38,330 --> 00:39:35,810
and when they were traveling out to the

656
00:39:40,850 --> 00:39:38,340
geographical area to investigate all

657
00:39:43,190 --> 00:39:40,860
this the guide was making fun of Jaime

658
00:39:45,110 --> 00:39:43,200
mouth on making fun of pretty much

659
00:39:47,330 --> 00:39:45,120
everybody that was doing the

660
00:39:49,310 --> 00:39:47,340
investigation saying oh yeah we're going

661
00:39:52,810 --> 00:39:49,320
to get abducted and there's aliens up

662
00:39:58,269 --> 00:39:52,820
there watch out and all this and

663
00:40:02,690 --> 00:39:58,279

apparently he was shaken when he saw

664

00:40:07,700 --> 00:40:02,700

these beings himself that night the

665

00:40:12,529 --> 00:40:07,710

guide said and I quote he said this is a

666

00:40:17,509 --> 00:40:12,539

revelation from God so it was a pretty

667

00:40:20,440 --> 00:40:17,519

interesting case and you know the fact

668

00:40:25,459 --> 00:40:20,450

that hi may saw something himself and

669

00:40:28,549 --> 00:40:25,469

has he testifies for the fact that's

670

00:40:30,289 --> 00:40:28,559

pretty that's a pretty big deal not a

671

00:40:31,789 --> 00:40:30,299

lot of investigators you know there's so

672

00:40:35,319 --> 00:40:31,799

many journalists out there there's

673

00:40:39,499 --> 00:40:35,329

people like George Knapp that take take

674

00:40:41,870 --> 00:40:39,509

these types of sightings with

675

00:40:47,630 --> 00:40:41,880

credibility he takes them into account

676
00:40:49,999 --> 00:40:47,640
you know George Noory Richard Dolan all

677
00:40:52,849 --> 00:40:50,009
these types of people that believe that

678
00:40:58,700 --> 00:40:52,859
something is happening around our planet

679
00:41:00,950 --> 00:40:58,710
that is incredible but I don't know how

680
00:41:03,920 --> 00:41:00,960
many of them have actually seen anything

681
00:41:09,370 --> 00:41:03,930
firsthand and George Knapp has even been

682
00:41:13,009 --> 00:41:09,380
out to places like skinwalker ranch and

683
00:41:14,630 --> 00:41:13,019
he tried to experience something but

684
00:41:17,779 --> 00:41:14,640
never experienced something with his

685
00:41:22,309 --> 00:41:17,789
first firsthand with his own naked eye

686
00:41:25,400 --> 00:41:22,319
and so I find it quite interesting and

687
00:41:27,229 --> 00:41:25,410
cool that I mean my song was able to

688
00:41:32,150 --> 00:41:27,239

actually experience something himself

689

00:41:35,239 --> 00:41:32,160

and reported of it yeah to go out into

690

00:41:37,549 --> 00:41:35,249

the area and put himself in harm's way

691

00:41:40,309 --> 00:41:37,559

there was it's a dangerous area it looks

692

00:41:43,969 --> 00:41:40,319

beautiful and rugged but looks dangerous

693

00:41:47,059 --> 00:41:43,979

and he he he went out there and you're

694

00:41:49,430 --> 00:41:47,069

right the the fact that these could be

695

00:41:51,319 --> 00:41:49,440

entering our reality whatever they are I

696

00:41:53,359 --> 00:41:51,329

like that you see non-human Darcy

697

00:41:56,630 --> 00:41:53,369

because we really don't know what they

698

00:41:59,089 --> 00:41:56,640

are and what what they're doing I mean

699

00:42:03,259 --> 00:41:59,099

possibly messing with rocks possibly

700

00:42:05,209 --> 00:42:03,269

taking people but when you spoke with

701
00:42:08,930 --> 00:42:05,219
the people what were their similarities

702
00:42:11,360 --> 00:42:08,940
as to what the people believed they were

703
00:42:16,490 --> 00:42:11,370
here doing I think

704
00:42:22,280 --> 00:42:16,500
the common I think the common view from

705
00:42:24,040 --> 00:42:22,290
all these cases is that whatever the

706
00:42:29,050 --> 00:42:24,050
humanoid was doing there

707
00:42:32,090 --> 00:42:29,060
they were they were sort of

708
00:42:38,510 --> 00:42:32,100
investigating that the humanoids looked

709
00:42:46,160 --> 00:42:38,520
like they were observing and doing some

710
00:42:52,070 --> 00:42:46,170
kind of research by being there as far

711
00:42:56,450 --> 00:42:52,080
as the baseball diamond video goes you

712
00:42:58,610 --> 00:42:56,460
can kind of see the object move a bit

713
00:43:03,260 --> 00:42:58,620

but not very far and it seems to be

714

00:43:06,170 --> 00:43:03,270

taking interest in the children the

715

00:43:12,650 --> 00:43:06,180

Murata incident the being takes interest

716

00:43:16,600 --> 00:43:12,660

in these young young boys hmm in the the

717

00:43:20,600 --> 00:43:16,610

in sitio calm incident in England the

718

00:43:23,870 --> 00:43:20,610

humanoid seemed to be researching or

719

00:43:29,920 --> 00:43:23,880

investigating this property where this

720

00:43:33,170 --> 00:43:29,930

man had caught video of them in the

721

00:43:36,950 --> 00:43:33,180

filiberto Capone a incident that

722

00:43:41,870 --> 00:43:36,960

happened in Italy this being seemed to

723

00:43:44,090 --> 00:43:41,880

be interested in filiberto Gabriel Sanz

724

00:43:46,220 --> 00:43:44,100

in that incident

725

00:43:53,440 --> 00:43:46,230

this being seemed to also take interest

726

00:43:57,110 --> 00:43:53,450

in him but it seemed to also be taking

727

00:44:04,730 --> 00:43:57,120

refuge in his home because there was

728

00:44:10,480 --> 00:44:04,740

this hurricane originally yeah and then

729

00:44:16,190 --> 00:44:10,490

then the in the l'amour La Rue morosa

730

00:44:19,730 --> 00:44:16,200

Baja California incident it seemed like

731

00:44:23,330 --> 00:44:19,740

they were investigating minerals and

732

00:44:27,080 --> 00:44:23,340

looking at the geography of the desert

733

00:44:30,260 --> 00:44:27,090

so something interesting was happening

734

00:44:35,060 --> 00:44:30,270

there too but it all seems I mean if you

735

00:44:39,860 --> 00:44:35,070

think about our planet and you look at

736

00:44:42,490 --> 00:44:39,870

how we treat other cultures other beings

737

00:44:48,070 --> 00:44:42,500

that exist on our planet we're

738

00:44:53,180 --> 00:44:48,080

constantly investigating and and

739

00:44:56,770 --> 00:44:53,190

researching everything around us and if

740

00:45:01,310 --> 00:44:56,780

you thought about a spacefaring race

741

00:45:08,090 --> 00:45:01,320

that was able to visit earth this is

742

00:45:11,590 --> 00:45:08,100

like a fascinating planet there's so

743

00:45:14,380 --> 00:45:11,600

much going on there's war there's

744

00:45:18,320 --> 00:45:14,390

different technology being developed

745

00:45:22,910 --> 00:45:18,330

there's we are genetically a unique

746

00:45:26,110 --> 00:45:22,920

being were we there's all flora and

747

00:45:29,350 --> 00:45:26,120

fauna surrounding us that complements

748

00:45:34,610 --> 00:45:29,360

what we do here on the planet how we

749

00:45:37,790 --> 00:45:34,620

subsist and exist so there's lots of

750

00:45:40,580 --> 00:45:37,800

interesting things about our planet and

751
00:45:43,160 --> 00:45:40,590
who's to say that we're not you know

752
00:45:45,500 --> 00:45:43,170
being investigated or researched just

753
00:45:47,570 --> 00:45:45,510
like we would go to another planet

754
00:45:51,500 --> 00:45:47,580
ourselves and investigate and research

755
00:45:55,460 --> 00:45:51,510
it yeah exactly

756
00:45:57,560 --> 00:45:55,470
the shimmering humanoid drone like I

757
00:45:59,870 --> 00:45:57,570
mean again no spaceship just kind of

758
00:46:03,140 --> 00:45:59,880
flying down onto a road and walking with

759
00:46:07,370 --> 00:46:03,150
almost like legs appearing also seemed

760
00:46:10,670 --> 00:46:07,380
very dimensional and I like seem to be

761
00:46:13,040 --> 00:46:10,680
know where it was going and what it was

762
00:46:15,920 --> 00:46:13,050
doing and it had kind of a mission and

763
00:46:18,710 --> 00:46:15,930

they all seemed to be doing something

764

00:46:20,750 --> 00:46:18,720

and you know I love how you mentioned

765

00:46:23,120 --> 00:46:20,760

that we could it's a very interesting

766

00:46:26,480 --> 00:46:23,130

planet they could do this for millennia

767

00:46:28,760 --> 00:46:26,490

just finding stuff out really really

768

00:46:30,350 --> 00:46:28,770

cool documentary Darcy I highly

769

00:46:33,980 --> 00:46:30,360

recommend everybody watch out on Amazon

770

and where can people keep up with you

771

00:46:42,799 --> 00:46:36,839

what you're doing and things of that

772

00:46:44,630 --> 00:46:42,809

sure sure thank you well the films are

773

00:46:49,489 --> 00:46:44,640

YouTube Brett whatever you fancy to

776

00:47:01,209 --> 00:46:57,359

watch through and we have a Facebook

777

00:47:05,959 --> 00:47:01,219

group that's called occult journeys and

778

00:47:11,059 --> 00:47:05,969

we have a Facebook page called be on the

779

00:47:14,930 --> 00:47:11,069

spectrum documentary series working on

780

00:47:20,019 --> 00:47:14,940

four more films right now so as soon as

781

00:47:23,299 --> 00:47:20,029

those are out I will contact you and

782

00:47:24,950 --> 00:47:23,309

thank you for checking out the films

783

00:47:27,650 --> 00:47:24,960

I've been doing this one's very

784

00:47:29,959 --> 00:47:27,660

different from all the other ones you'll

785

00:47:33,410 --> 00:47:29,969

notice that each documentary is very

786

00:47:37,599 --> 00:47:33,420

different from each other and that's why

787

00:47:50,769 --> 00:47:43,120

analyze different aspects of different

788

00:47:53,930 --> 00:47:50,779

parts of UFO ology and the phenomenon

789

00:47:56,930 --> 00:47:53,940

and yeah just shine some interesting

790

00:47:59,979 --> 00:47:56,940

light on them and credible late I think

791

00:48:02,450 --> 00:47:59,989

some some pretty incredible light too so

792

00:48:04,819 --> 00:48:02,460

thanks thanks for talking with me today

793

00:48:06,289 --> 00:48:04,829

Ryan and I hope you're doing well

794

00:48:08,209 --> 00:48:06,299

thank you so much for coming on the

795

00:48:11,059 --> 00:48:08,219

podcast Darcy hope to talk to you soon

796

00:48:11,959 --> 00:48:11,069

an amazing work well there you have it

797

00:48:15,559 --> 00:48:11,969

ladies and gentlemen

798

00:48:19,339 --> 00:48:15,569

Darcy we're the class act from way up

799

00:48:20,839 --> 00:48:19,349

north he is literally killing it when it

800

00:48:23,930 --> 00:48:20,849

comes to these documentaries he does

801
00:48:26,359 --> 00:48:23,940
such a good job of not only explaining

802
00:48:29,989 --> 00:48:26,369
what's going on he gets into the work

803
00:48:34,120 --> 00:48:29,999
itself and he actually is interested in

804
00:48:38,209 --> 00:48:34,130
what the truth behind it is tries not to

805
00:48:41,180 --> 00:48:38,219
describe what he believes it is but he

806
00:48:43,549 --> 00:48:41,190
really does a good job of going through

807
00:48:45,950 --> 00:48:43,559
each case analyzing it if there is

808
00:48:47,460 --> 00:48:45,960
footage and even if there's not footage

809
00:48:49,920 --> 00:48:47,470
getting into

810
00:48:52,370 --> 00:48:49,930
what really happened with the

811
00:48:56,069 --> 00:48:52,380
eyewitnesses I mean going to Mexico

812
00:48:59,609 --> 00:48:56,079
talking to them in person having high

813
00:49:01,890 --> 00:48:59,619

medicid really knowledgeable and this

814

00:49:05,760 --> 00:49:01,900

is a documentary that anybody that's

815

00:49:08,040 --> 00:49:05,770

even mildly interested in phenomena UFOs

816

00:49:10,430 --> 00:49:08,050

or even if they're not interested if

817

00:49:14,339 --> 00:49:10,440

they just want to see some amazing

818

00:49:17,099 --> 00:49:14,349

fascinating footage oftentimes caught by

819

00:49:21,690 --> 00:49:17,109

accident cell phones at baseball games

820

00:49:25,220 --> 00:49:21,700

we're talking security cameras in front

821

00:49:27,630 --> 00:49:25,230

of businesses and homes these these

822

00:49:30,180 --> 00:49:27,640

individuals that aren't out trying to

823

00:49:32,520 --> 00:49:30,190

find this but it finds them and they're

824

00:49:35,190 --> 00:49:32,530

able to document it in some way shape or

825

00:49:37,710 --> 00:49:35,200

form must watch beyond the spectrum on

826

00:49:40,800 --> 00:49:37,720

Amazon Prime is where I saw it really

827

00:49:42,240 --> 00:49:40,810

great show and it's a lot like darts

828

00:49:45,030 --> 00:49:42,250

these other shows I'm excited to see

829

00:49:46,950 --> 00:49:45,040

what else he comes out with and I can't

830

00:49:49,050 --> 00:49:46,960
