1
00:00:26,839 --> 00:00:20,000
i soften my time machine I feel like it

2
00:00:29,839 --> 00:00:26,849
needs a blast blast blast off come blast

3
00:00:34,060 --> 00:00:29,849
off your moustache in there I feel like

4
00:00:45,560 --> 00:00:39,920
blast off lights and unexplained

5
00:00:48,080 --> 00:00:45,570
phenomena roam our skies above our heads

6
00:00:50,930 --> 00:00:48,090
and yet right under our noses

7
00:00:56,390 --> 00:00:55,850
these possibly aerial threats as they're

8
00:01:02,240 --> 00:00:56,400
called

9
00:01:06,430 --> 00:01:02,250
or after something and what that

10
00:01:08,990 --> 00:01:06,440
something is can be hard to pinpoint

11
00:01:11,480 --> 00:01:09,000
cattle mutilations crop circles

12
00:01:14,630 --> 00:01:11,490
abductions they're all evidence that

13
00:01:18,770 --> 00:01:14,640

something is taking place on today's

14

00:01:24,230 --> 00:01:18,780

episode we will speak with well an

15

00:01:27,820 --> 00:01:24,240

amazing first hand experience er gaining

16

00:01:31,930 --> 00:01:27,830

knowledge of how his sighting and

paranormal comm on youtube so sometimes

27
00:02:13,120 --> 00:02:10,399
every great once in a while a case like

28
00:02:16,270 --> 00:02:13,130
this one we are going to discuss comes

29
00:02:19,660 --> 00:02:16,280
around it's a case so amazing and

30
00:02:24,060 --> 00:02:19,670
intriguing that society grabs a hold of

31
00:02:29,199 --> 00:02:24,070
it and won't let go when honesty and

32
00:02:32,920 --> 00:02:29,209
facts add up and lend credence to an

33
00:02:35,710 --> 00:02:32,930
experience so mind-boggling that the

34
00:02:40,180 --> 00:02:35,720
only real human reaction is to analyze

35
00:02:44,770 --> 00:02:40,190
it and learn more well we have that in

36
00:02:49,030 --> 00:02:44,780
this case the Pascagoula abduction case

37
00:02:52,259 --> 00:02:49,040
and sighting occurred in 1973 when

38
00:02:56,440 --> 00:02:52,269

co-workers Charles Hickson and Calvin

39

00:03:01,720 --> 00:02:56,450

Parker were abducted by aliens while

40

00:03:04,650 --> 00:03:01,730

fishing near Pascagoula Mississippi it

41

00:03:07,240 --> 00:03:04,660

was a different kind of case the

42

00:03:12,460 --> 00:03:07,250

incident immediately got media attention

43

00:03:14,650 --> 00:03:12,470

and has been among the top three to five

44

00:03:19,210 --> 00:03:14,660

UFO cases depending on who you talk to

45

00:03:22,690 --> 00:03:19,220

ever reported we are blessed enough to

46

00:03:29,920 --> 00:03:22,700

have Calvin Parker talking with us this

47

00:03:36,160 --> 00:03:29,930

episode and outlining how everything

48

00:03:41,470 --> 00:03:36,170

went down nearly gosh 45 46 years ago

49

00:03:45,280 --> 00:03:41,480

almost 45 and shedding light on possibly

50

00:03:45,760 --> 00:03:45,290

the most mysterious and intriguing form

51

00:03:48,610 --> 00:03:45,770

of

52

00:03:53,700 --> 00:03:48,620

in contact this century has possibly

53

00:03:56,250 --> 00:03:53,710

ever documented so without further ado

54

00:04:00,870 --> 00:03:56,260

the man with the plan

55

00:04:04,320 --> 00:04:00,880

fishing rod in hand mr. Calvin Parker

56

00:04:06,940 --> 00:04:04,330

welcome to the hero paranormal podcast

57

00:04:12,760 --> 00:04:06,950

Society grabs hold of a case like yours

58

00:04:15,340 --> 00:04:12,770

and it's one that is it brings in the

59

00:04:18,910 --> 00:04:15,350

human factor in my opinion and the facts

60

00:04:22,660 --> 00:04:18,920

add up and I just wanted a lot of people

61

00:04:25,180 --> 00:04:22,670

know about the Pascagoula case and it

62

00:04:29,620 --> 00:04:25,190

was immediately

63

00:04:31,600 --> 00:04:29,630

I mean drew attention you didn't want it

64

00:04:36,430 --> 00:04:31,610

to draw attention and that I think

65

00:04:39,610 --> 00:04:36,440

brings more credence to your your case

66

00:04:42,220 --> 00:04:39,620

but can you kind of go through the

67

00:04:45,400 --> 00:04:42,230

events that evening and and maybe even

68

00:04:47,560 --> 00:04:45,410

the evening before or you know that the

69

00:04:49,720 --> 00:04:47,570

things that led up to it and and however

70

00:04:52,240 --> 00:04:49,730

how it all went down I know that some

71

00:04:54,640 --> 00:04:52,250

listeners don't know all the details but

72

00:04:56,680 --> 00:04:54,650

how that evening started out anyway

73

00:04:57,870 --> 00:04:56,690

Calvin could you go into detail on how

74

00:05:01,240 --> 00:04:57,880

that went

75

00:05:06,160 --> 00:05:01,250

yes sir I can matter of fact I go back

76

00:05:09,220 --> 00:05:06,170

the day before I was working in the

77

00:05:14,850 --> 00:05:09,230

whole field 16 hours a day going to get

78

00:05:18,010 --> 00:05:14,860

married in the power of November so well

79

00:05:20,200 --> 00:05:18,020

let's say I got a health-code anyhow I

80

00:05:23,500 --> 00:05:20,210

was don't get married November the 9th

81

00:05:28,000 --> 00:05:23,510

this was in October so I called a friend

82

00:05:31,690 --> 00:05:28,010

up mass for a job and this was in 1973

83

00:05:33,520 --> 00:05:31,700

yet the FP Walker and son shift our he

84

00:05:37,780 --> 00:05:33,530

said we'll come on down take your pistol

85

00:05:41,909 --> 00:05:37,790

go to work my very first day of only job

86

00:05:44,800 --> 00:05:41,919

was October 11 to 73 we worked all day

87

00:05:46,630 --> 00:05:44,810

what we got ready to get off he decided

88

00:05:49,480 --> 00:05:46,640

to get one there's no fish and asked me

89

00:05:53,680 --> 00:05:49,490

if I wanted to go I said sure you know

90

00:05:56,230 --> 00:05:53,690

that I love the fish and we just go so

91

00:06:00,520 --> 00:05:56,240

we left work and we went by

92

00:06:02,379 --> 00:06:00,530

his house efficient equipment and we

93

00:06:04,839 --> 00:06:02,389

went to an old place called the

94

00:06:10,020 --> 00:06:04,849

salt peter shipyard it was an abandoned

95

00:06:12,730 --> 00:06:10,030

shipyard so well he but it was no

96

00:06:14,170 --> 00:06:12,740

trespassing signs honest first thing I

97

00:06:18,460 --> 00:06:14,180

asked him I said you know Charlie

98

00:06:20,710 --> 00:06:18,470

there's no trespassing signs here and I

99

00:06:24,339 --> 00:06:20,720

don't think we ought to be fishing there

100

00:06:28,629 --> 00:06:24,349

he said no son it's ok we can fish there

101
00:06:30,640 --> 00:06:28,639
I fish there many times before so we

102
00:06:32,379 --> 00:06:30,650
went ahead was walking in the first

103
00:06:36,279 --> 00:06:32,389
thing I noticed was all the debris

104
00:06:39,040 --> 00:06:36,289
laying around in the shipyard were in

105
00:06:40,960 --> 00:06:39,050
here explaining where the tide comes in

106
00:06:42,850 --> 00:06:40,970
and though the water gets up there

107
00:06:44,469 --> 00:06:42,860
brings us stuff in there when it leaves

108
00:06:49,600 --> 00:06:44,479
and goes out and just leaves it

109
00:06:52,420 --> 00:06:49,610
deposited on the bait so I took it and I

110
00:06:55,450 --> 00:06:52,430
was satisfied there so we went to the

111
00:06:57,370 --> 00:06:55,460
pier we drove to no longer setting out

112
00:06:58,749 --> 00:06:57,380
of here well being my first day working

113
00:07:01,149 --> 00:06:58,759

in the shipyard

114

00:07:03,909 --> 00:07:01,159

I was looking across the river the

115

00:07:07,270 --> 00:07:03,919

Pascagoula River and I noticed I was a

116

00:07:09,610 --> 00:07:07,280

big Coast Guard Cutter or maybe a NOAA

117

00:07:12,189 --> 00:07:09,620

Ship it was one another that said back

118

00:07:15,189 --> 00:07:12,199

there and I was thinking to myself and I

119

00:07:16,959 --> 00:07:15,199

had a steel float you know something

120

00:07:18,670 --> 00:07:16,969

made out of steel float because it's

121

00:07:22,180 --> 00:07:18,680

heavy and we've been big known it all

122

00:07:24,909 --> 00:07:22,190

day long with a hammer and that's what

123

00:07:27,459 --> 00:07:24,919

was going through my mind when I notice

124

00:07:31,170 --> 00:07:27,469

from aha me there was some hazy blue

125

00:07:35,909 --> 00:07:31,180

lights reflected out across the water

126

00:07:39,909 --> 00:07:35,919

and that was the same color as the

127

00:07:41,770 --> 00:07:39,919

police cars down here the blue lights so

128

00:07:43,689 --> 00:07:41,780

I thought maybe there was temping to

129

00:07:47,080 --> 00:07:43,699

rubble is also put us in jail for

130

00:07:48,580 --> 00:07:47,090

trespassing because I didn't know if he

131

00:07:52,510 --> 00:07:48,590

was telling me the truth but not about

132

00:07:55,649 --> 00:07:52,520

the trespassing part and I wish it

133

00:07:59,080 --> 00:07:55,659

hadn't been the law coming to pick us up

134

00:08:01,029 --> 00:07:59,090

so immediately we both stood up and

135

00:08:04,089 --> 00:08:01,039

turned around to see what was going on

136

00:08:06,760 --> 00:08:04,099

and these hazy blue lights turned into a

137

00:08:09,080 --> 00:08:06,770

big bright spotlight one of the

138

00:08:12,950 --> 00:08:09,090

brightest lights I've ever said about

139

00:08:15,860 --> 00:08:12,960

I don't know this time just shined I was

140

00:08:18,140 --> 00:08:15,870

just kind of enclosed around this well

141

00:08:20,180 --> 00:08:18,150

immediately we was kind of you know you

142

00:08:22,670 --> 00:08:20,190

get a lot higher than guys you don't

143

00:08:25,190 --> 00:08:22,680

scratch up a little bit and have a

144

00:08:29,000 --> 00:08:25,200

little problem seeing two guys could

145

00:08:31,280 --> 00:08:29,010

adjust so we was going through the eye

146

00:08:35,000 --> 00:08:31,290

adjustments and ER I was I don't know

147

00:08:38,830 --> 00:08:35,010

about Charlie and I know this they was

148

00:08:44,180 --> 00:08:38,840

three creatures coming toward us

149

00:08:46,370 --> 00:08:44,190

and I couldn't really make out the face

150

00:08:49,190 --> 00:08:46,380

or anything and you clearly got a little

151

00:08:51,560 --> 00:08:49,200

closer and two of them got ahold of

152

00:08:53,750 --> 00:08:51,570

Charlie and one of them got ahold of

153

00:08:57,230 --> 00:08:53,760

myself and immediately I felt an

154

00:08:59,570 --> 00:08:57,240

injection into my arm and what that was

155

00:09:01,370 --> 00:08:59,580

it had to be some kind of tranquilizers

156

00:09:04,700 --> 00:09:01,380

what they bigger died at the emergency

157

00:09:08,600 --> 00:09:04,710

room or something because all it just

158

00:09:11,540 --> 00:09:08,610

knocked a fear out and but it also

159

00:09:13,940 --> 00:09:11,550

paralyzed me I couldn't move nothing now

160

00:09:17,270 --> 00:09:13,950

I can turn my head and move in I can

161

00:09:20,450 --> 00:09:17,280

roll my eyes I can still see I can hear

162

00:09:24,350 --> 00:09:20,460

and I can smell you know the smells

163

00:09:29,560 --> 00:09:24,360

around but I just couldn't look at this

164

00:09:32,450 --> 00:09:29,570

time he picked us up and he carried us

165

00:09:34,970 --> 00:09:32,460

picked me up and carried me to the door

166

00:09:38,120 --> 00:09:34,980

of this crap that was sitting I floated

167

00:09:41,450 --> 00:09:38,130

me toward the snow and they put this

168

00:09:44,660 --> 00:09:41,460

down or hop I'll stop for a minute and I

169

00:09:46,700 --> 00:09:44,670

remember looking in to say what oh where

170

00:09:50,360 --> 00:09:46,710

the lights was coming from because if we

171

00:09:52,280 --> 00:09:50,370

still swallowed a nice big spotlight and

172

00:09:54,170 --> 00:09:52,290

it well I think was coming out of pain

173

00:09:57,080 --> 00:09:54,180

it's just illuminating out of the pain

174

00:10:00,200 --> 00:09:57,090

and then he kind of got me a maybe left

175

00:10:02,390 --> 00:10:00,210

turn we went down the hall a little way

176
00:10:07,160 --> 00:10:02,400
and gentle open the right hand side that

177
00:10:09,740 --> 00:10:07,170
was the door and he turned us and we

178
00:10:12,620 --> 00:10:09,750
would still he still had me by the arm

179
00:10:16,010 --> 00:10:12,630
and I noticed the only thing in this

180
00:10:20,150 --> 00:10:16,020
room that I could see was like a glass

181
00:10:22,199 --> 00:10:20,160
looking table and he carried me over to

182
00:10:23,879 --> 00:10:22,209
this table and lay

183
00:10:27,780 --> 00:10:23,889
here on the table and I was late a

184
00:10:30,780 --> 00:10:27,790
little bit of an angel on this table so

185
00:10:33,150 --> 00:10:30,790
well but I was laying on my back so I

186
00:10:35,129 --> 00:10:33,160
could look up and this thing that

187
00:10:38,129 --> 00:10:35,139
carried me in as I'm calling him the big

188
00:10:40,679 --> 00:10:38,139

ugly one just kind of back up in a

189

00:10:42,749 --> 00:10:40,689

corner and shut down so that made me

190

00:10:46,109 --> 00:10:42,759

think this was a robotic some kind of

191

00:10:48,600 --> 00:10:46,119

robotic creature he was great I had

192

00:10:52,259 --> 00:10:48,610

scared kind of like an elephant or a

193

00:10:55,230 --> 00:10:52,269

manatee and look like he had mittens on

194

00:10:57,269 --> 00:10:55,240

his hands but when he backed in that

195

00:10:59,189 --> 00:10:57,279

corner it just shut down just like a

196

00:11:02,160 --> 00:10:59,199

machine would shut now like to turn the

197

00:11:04,230 --> 00:11:02,170

switch off hold him and while I was

198

00:11:06,929 --> 00:11:04,240

laying on this table I was looking up

199

00:11:08,819 --> 00:11:06,939

and I noticed something about the size

200

00:11:11,369 --> 00:11:08,829

of a deck of cards came out of the

201
00:11:13,769 --> 00:11:11,379
ceiling and it stopped about a foot

202
00:11:16,949 --> 00:11:13,779
maybe a foot and a half two foot from my

203
00:11:19,829 --> 00:11:16,959
face and it started revolving around my

204
00:11:23,009 --> 00:11:19,839
head and every time it revolved it would

205
00:11:24,299 --> 00:11:23,019
clear so then it got up in front of my

206
00:11:26,609 --> 00:11:24,309
head and it paused

207
00:11:28,579 --> 00:11:26,619
they shot right back up into the ceiling

208
00:11:32,280 --> 00:11:28,589
and just disappeared

209
00:11:35,309 --> 00:11:32,290
well I sense the presence I didn't see

210
00:11:37,109 --> 00:11:35,319
nothing right there but I just said that

211
00:11:39,059 --> 00:11:37,119
there was somebody else in the room and

212
00:11:43,410 --> 00:11:39,069
I turned my head kind of to the right

213
00:11:47,129 --> 00:11:43,420

and started looking and there was this

214

00:11:49,019 --> 00:11:47,139

song I'm calling it a female looking

215

00:11:52,379 --> 00:11:49,029

creature now I don't know it was female

216

00:11:54,749 --> 00:11:52,389

or male or what it was but I just said

217

00:11:58,919 --> 00:11:54,759

that this was a female creature that was

218

00:12:03,419 --> 00:11:58,929

coming in and she looked kind of human

219

00:12:07,049 --> 00:12:03,429

she had a eyes nose ears mouth a little

220

00:12:08,699 --> 00:12:07,059

bit of hat and you know but I couldn't

221

00:12:12,389 --> 00:12:08,709

see any breasts or anything to

222

00:12:15,989 --> 00:12:12,399

distinguish any kind of sex over until

223

00:12:20,129 --> 00:12:15,999

later on you know I recognize the boy

224

00:12:23,039 --> 00:12:20,139

salute yeah but uh she came over and her

225

00:12:25,980 --> 00:12:23,049

hands she grabbed me took her hands and

226

00:12:28,319 --> 00:12:25,990

kind of grabbed me by the chica I didn't

227

00:12:31,499 --> 00:12:28,329

feel any kind of sensation in her hands

228

00:12:32,009 --> 00:12:31,509

but I did notice our overhead over and

229

00:12:35,129 --> 00:12:32,019

uh note

230

00:12:38,669 --> 00:12:35,139

her two middle fingers was a little

231

00:12:40,590 --> 00:12:38,679

longer than normal and she took her

232

00:12:44,009 --> 00:12:40,600

other hand as she pushed down on my

233

00:12:46,350 --> 00:12:44,019

cheek and then she took their other

234

00:12:47,519 --> 00:12:46,360

fingers and she brought them down my

235

00:12:49,499 --> 00:12:47,529

throat

236

00:12:52,049 --> 00:12:49,509

straight down behind this little deal

237

00:12:54,989 --> 00:12:52,059

that hangs down and try to come up into

238

00:12:59,660 --> 00:12:54,999

my nasal cavities I guess I don't know

239

00:13:03,229 --> 00:12:59,670

what I was back then I lined up was on

240

00:13:07,919 --> 00:13:03,239

mm-hmm out of my mouth out of her nose

241

00:13:11,749 --> 00:13:07,929

and when was she saying I was into race

242

00:13:14,519 --> 00:13:11,759

and I was she pulled her hand down and

243

00:13:19,109 --> 00:13:14,529

telepathically and this was in a

244

00:13:21,090 --> 00:13:19,119

female's noise in English just like we

245

00:13:23,850 --> 00:13:21,100

speak they're here in the South you know

246

00:13:24,569 --> 00:13:23,860

kind of a southern slang a little bit

247

00:13:26,519 --> 00:13:24,579

hmm

248

00:13:30,419 --> 00:13:26,529

now I think that can kind of disguise

249

00:13:32,970 --> 00:13:30,429

her boys were they don't not as scary to

250

00:13:36,869 --> 00:13:32,980

you as she said we're not going to harm

251

00:13:38,910 --> 00:13:36,879

you and you know I was thinking to

252

00:13:45,239 --> 00:13:38,920

myself well it's just a little bit late

253

00:13:48,329 --> 00:13:45,249

for that but she did this in a way that

254

00:13:50,579 --> 00:13:48,339

I felt comfortable where because you

255

00:13:52,530 --> 00:13:50,589

know any any time you're choking and

256

00:13:55,699 --> 00:13:52,540

bleeding you want to hear you know

257

00:13:58,769 --> 00:13:55,709

they're not gonna kill you but I lost it

258

00:13:59,249 --> 00:13:58,779

she backed up out of the way a little

259

00:14:02,249 --> 00:13:59,259

bit

260

00:14:05,819 --> 00:14:02,259

and she made a go a mumbling noise from

261

00:14:08,220 --> 00:14:05,829

her throat and I'm just rise describe

262

00:14:10,829 --> 00:14:08,230

this noise in the south we have

263

00:14:14,129 --> 00:14:10,839

alligators down here and during the

264

00:14:16,590 --> 00:14:14,139

spring they do a mating call and it's

265

00:14:20,329 --> 00:14:16,600

low growth and you can hear it all but

266

00:14:22,889 --> 00:14:20,339

across video there got carried for miles

267

00:14:25,499 --> 00:14:22,899

and that's what this kind of sounded

268

00:14:27,929 --> 00:14:25,509

like to me and when they did they're so

269

00:14:30,720 --> 00:14:27,939

big ugly one that was standing in the

270

00:14:33,449 --> 00:14:30,730

corner he came alive and jumped up like

271

00:14:36,539 --> 00:14:33,459

a jack-in-the-box and come over and

272

00:14:38,939 --> 00:14:36,549

dragged me back neither arm again and I

273

00:14:41,069 --> 00:14:38,949

felt another injection well

274

00:14:43,870 --> 00:14:41,079

automatically that kind of took the edge

275

00:14:53,260 --> 00:14:50,250

she bats don't up out of the water no he

276

00:14:56,130 --> 00:14:53,270

proceeded to carry me out and he took me

277

00:15:00,370 --> 00:14:56,140

back to the river and sent me down all

278

00:15:02,410 --> 00:15:00,380

and almost the same spot except I was

279

00:15:06,430 --> 00:15:02,420

standing facing the river that it didn't

280

00:15:08,350 --> 00:15:06,440

you up to you well by that time Charlie

281

00:15:11,500 --> 00:15:08,360

was on the ground and he got up and he

282

00:15:13,180 --> 00:15:11,510

said son son you okay well I kind of

283

00:15:19,360 --> 00:15:13,190

contained of my sentence a little bit

284

00:15:21,550 --> 00:15:19,370

and I turned around and he was dead and

285

00:15:24,190 --> 00:15:21,560

Charlie was standing that mother so I

286

00:15:25,870 --> 00:15:24,200

turn around and look and this thing just

287

00:15:28,990 --> 00:15:25,880

picked up off the ground

288

00:15:31,480 --> 00:15:29,000

real slow for little ways just made a

289

00:15:33,190 --> 00:15:31,490

little whistling noise then it shot up

290

00:15:36,000 --> 00:15:33,200

into the air like a streak of lightning

291

00:15:39,070 --> 00:15:36,010

just ball-less disappeared

292

00:15:42,490 --> 00:15:39,080

well by then we knew the danger was over

293

00:15:45,010 --> 00:15:42,500

so we decided to all set out and talk

294

00:15:47,170 --> 00:15:45,020

about it for a minute so we both agreed

295

00:15:50,530 --> 00:15:47,180

right there we're not going to tell

296

00:15:52,150 --> 00:15:50,540

anybody about this because back in the

297

00:15:52,720 --> 00:15:52,160

seventies people would think you're

298

00:15:55,480 --> 00:15:52,730

crazy

299

00:15:58,540 --> 00:15:55,490

and keep in mind there was no cellphones

300

00:16:02,740 --> 00:15:58,550

back in or you had to be rich to have

301

00:16:05,140 --> 00:16:02,750

one and I was far from that and no

302

00:16:07,980 --> 00:16:05,150

social media so we figured the best

303

00:16:11,350 --> 00:16:07,990

thing to do was there from the south and

304

00:16:13,900 --> 00:16:11,360

takes a lot of ridicule like we did and

305

00:16:15,810 --> 00:16:13,910

may fish to get married in November we

306

00:16:20,350 --> 00:16:15,820

just wasn't gonna say that

307

00:16:22,330 --> 00:16:20,360

but we said it and talked about that for

308

00:16:25,330 --> 00:16:22,340

a second we left to went back and get in

309

00:16:27,610 --> 00:16:25,340

the car when I got to the car I'll

310

00:16:31,240 --> 00:16:27,620

notice the windows on the passenger side

311

00:16:33,880 --> 00:16:31,250

was all shattered in place and the call

312

00:16:36,760 --> 00:16:33,890

was really hard to pray and that was a

313

00:16:38,740 --> 00:16:36,770

brand new caller back in but we finally

314

00:16:41,140 --> 00:16:38,750

got it right now didn't run right

315

00:16:43,930 --> 00:16:41,150

because what had happened to graphite it

316

00:16:48,070 --> 00:16:43,940

in the club wash what a mechanic tony

317

00:16:50,230 --> 00:16:48,080

has separated and it was from a magnetic

318

00:16:53,020 --> 00:16:50,240

field or let's go clear or something it

319

00:16:53,620 --> 00:16:53,030

was in there but anyhow the car got

320

00:16:55,540 --> 00:16:53,630

cranked

321

00:16:57,490 --> 00:16:55,550

we got in it lay off and we was going

322

00:17:01,780 --> 00:16:57,500

back home and only

323

00:17:03,970 --> 00:17:01,790

way home they say the store and they

324

00:17:06,160 --> 00:17:03,980

have blue walls here so the store wasn't

325

00:17:08,829 --> 00:17:06,170

open but it was the payphone hanging on

326

00:17:09,640 --> 00:17:08,839

the outside they said I need to make a

327

00:17:11,110 --> 00:17:09,650

phone call

328

00:17:13,860 --> 00:17:11,120

well I thought he was just gonna call

329

00:17:16,870 --> 00:17:13,870

his wife and talk to her for a minute

330

00:17:19,929 --> 00:17:16,880

but he got out we hunted some chains

331

00:17:22,179 --> 00:17:19,939

understood to the car we got got a dime

332

00:17:24,429 --> 00:17:22,189

right there he dropped it in the phone

333

00:17:25,870 --> 00:17:24,439

well I didn't listen to his side of the

334

00:17:29,800 --> 00:17:25,880

conversation right there

335

00:17:31,540 --> 00:17:29,810

but he come back to the car he said they

336

00:17:33,760 --> 00:17:31,550

said they didn't handle nothing like

337

00:17:37,930 --> 00:17:33,770

this no more :

338

00:17:40,600 --> 00:17:37,940

both or ities and I said who is they he

339

00:17:43,240 --> 00:17:40,610

said Keesler Air Force Base I said

340

00:17:46,660 --> 00:17:43,250

Charlie we agreed not to talk about this

341

00:17:49,210 --> 00:17:46,670

to nobody or tell nobody stay in just

342

00:17:53,070 --> 00:17:49,220

shut down Project Blue Book you know so

343

00:17:56,430 --> 00:17:53,080

where was this happened just after there

344

00:18:00,820 --> 00:17:56,440

sorry said I I need to make another call

345

00:18:03,340 --> 00:18:00,830

he raced and got another dime went back

346

00:18:04,720 --> 00:18:03,350

onto the phone and he called but this

347

00:18:07,300 --> 00:18:04,730

time he called the local sheriff's

348

00:18:09,670 --> 00:18:07,310

department which that would be the

349

00:18:11,650 --> 00:18:09,680

Jackson County South Department they

350

00:18:13,600 --> 00:18:11,660

said we'll stand my other eye for just a

351

00:18:17,260 --> 00:18:13,610

few minutes and they said two officers

352

00:18:19,960 --> 00:18:17,270

out they looked inside the car you know

353

00:18:21,280 --> 00:18:19,970

I was driving so Louis not really

354

00:18:25,590 --> 00:18:21,290

concerned about quality

355

00:18:28,450 --> 00:18:25,600

they just got advanced in the car and

356

00:18:30,760 --> 00:18:28,460

asked me if I've been drinking I said no

357

00:18:34,570 --> 00:18:30,770

so they got me out give us a little

358

00:18:37,510 --> 00:18:34,580

field sobriety test and they said we'll

359

00:18:41,560 --> 00:18:37,520

follow us to the self department so we

360

00:18:44,350 --> 00:18:41,570

followed him back to be y'all Jackson

361

00:18:46,950 --> 00:18:44,360

County Sheriff Department and they stood

362

00:18:49,750 --> 00:18:46,960

us up and put us both in different rooms

363

00:18:51,790 --> 00:18:49,760

they took Charlie to a room and took me

364

00:18:54,430 --> 00:18:51,800

to her birth and they asked me well

365

00:18:56,500 --> 00:18:54,440

what's going on I said we'll tell her I

366

00:19:00,130 --> 00:18:56,510

don't really know what's going on myself

367

00:19:02,800 --> 00:19:00,140

What did he say and he said well I need

368

00:19:05,470 --> 00:19:02,810

to know what's doing them you tell me

369

00:19:08,740 --> 00:19:05,480

what's happening here ice as far as I

370

00:19:10,899 --> 00:19:08,750

know that to me is we went fishing well

371

00:19:14,019 --> 00:19:10,909

Charlie was back there still

372

00:19:15,609 --> 00:19:14,029

just to these other deputies then they

373

00:19:19,570 --> 00:19:15,619

Turkish have put us in the same room

374

00:19:22,119 --> 00:19:19,580

together and this is for what they call

375

00:19:24,999 --> 00:19:22,129

the secret tape came out they haven't

376

00:19:27,009 --> 00:19:25,009

the tape recorder hand in the room where

377

00:19:29,289 --> 00:19:27,019

all we didn't know what it was in there

378

00:19:30,759 --> 00:19:29,299

and they put this in another say what we

379

00:19:35,289 --> 00:19:30,769

talked about it was a little laugh

380

00:19:37,419 --> 00:19:35,299

amount and to carry on about it well we

381

00:19:40,210 --> 00:19:37,429

did talk between ourselves about what

382

00:19:42,849 --> 00:19:40,220

was going on little bit and they could

383

00:19:45,789 --> 00:19:42,859

see the fear or hear the fear and our

384

00:19:47,440 --> 00:19:45,799

voices and all when they let us enter in

385

00:19:49,749 --> 00:19:47,450

there for a few minutes then they came

386

00:19:52,419 --> 00:19:49,759

in the door and I could shut up Charlie

387

00:19:54,159 --> 00:19:52,429

and they played and then got the tape

388

00:19:55,960 --> 00:19:54,169

recorder the sheriff there then he

389

00:20:02,409 --> 00:19:55,970

walked outside and they listened to it

390

00:20:04,119 --> 00:20:02,419

and he come back and all she said you

391

00:20:06,430 --> 00:20:04,129

know I know something's going on with

392

00:20:08,409 --> 00:20:06,440

y'all I want to talk to know more about

393

00:20:14,080 --> 00:20:08,419

this in the morning once don't go home

394

00:20:16,450 --> 00:20:14,090

and get some rest I said we'll look if

395

00:20:19,899 --> 00:20:16,460

you know what's going on we need to see

396

00:20:22,269 --> 00:20:19,909

a doctor because I don't want I want my

397

00:20:24,849 --> 00:20:22,279

state of Palo missions and I sent him

398

00:20:27,099 --> 00:20:24,859

come back down and they quarantined our

399

00:20:29,589 --> 00:20:27,109

astronauts for seven days not even your

400

00:20:32,499 --> 00:20:29,599

wife stays here so I was starting to get

401
00:20:34,810 --> 00:20:32,509
concerned about some kind of infection

402
00:20:36,759 --> 00:20:34,820
that would have hurt somebody else I

403
00:20:39,609 --> 00:20:36,769
wasn't concerned about myself that much

404
00:20:41,349 --> 00:20:39,619
but I was concerned about giving it to

405
00:20:44,979 --> 00:20:41,359
somebody else I was concerned about

406
00:20:48,249 --> 00:20:44,989
radiation because my father worked for

407
00:20:50,379 --> 00:20:48,259
the Atomic Energy Commission and is all

408
00:20:53,589 --> 00:20:50,389
about radiation and I didn't know these

409
00:20:56,159 --> 00:20:53,599
things might put it off or not they said

410
00:21:00,159 --> 00:20:56,169
well we'll talk about all this later and

411
00:21:03,190 --> 00:21:00,169
we went on home I got to the house and I

412
00:21:05,560 --> 00:21:03,200
went in my room and I went in to take a

413
00:21:07,930 --> 00:21:05,570

shower I pulled all my clothes off and I

414

00:21:10,239 --> 00:21:07,940

put the paper bag a wet and plastic bags

415

00:21:11,440 --> 00:21:10,249

back in something all my clothes

416

00:21:14,320 --> 00:21:11,450

including my shoes

417

00:21:16,210 --> 00:21:14,330

I took a gallon of the bleach and I got

418

00:21:18,159 --> 00:21:16,220

in the shower and I pour this over my

419

00:21:21,849 --> 00:21:18,169

head and rubbed it all over my body the

420

00:21:24,430 --> 00:21:21,859

best bet Pakistan me and this you know

421

00:21:27,460 --> 00:21:24,440

got off it up got out

422

00:21:31,780 --> 00:21:27,470

clean clothes pick this bag up carried

423

00:21:34,960 --> 00:21:31,790

it to the dumpster oh don't you well we

424

00:21:38,200 --> 00:21:34,970

went to bay at all but not got up the

425

00:21:40,870 --> 00:21:38,210

next morning and I walked in there and

426

00:21:42,940 --> 00:21:40,880

Charlie was already up of course I

427

00:21:45,790 --> 00:21:42,950

didn't sleeping in I said you ready to

428

00:21:50,080 --> 00:21:45,800

go to work he said yeah we left going to

429

00:21:51,670 --> 00:21:50,090

work now I didn't know how many cars was

430

00:21:54,430 --> 00:21:51,680

supposed to be there because this is

431

00:21:58,120 --> 00:21:54,440

just my second day at work but they was

432

00:22:03,460 --> 00:21:58,130

all kind of cars at the shipyard it was

433

00:22:06,310 --> 00:22:03,470

all these uplink bans for the TV news

434

00:22:09,640 --> 00:22:06,320

and all had their big tall sub written

435

00:22:11,980 --> 00:22:09,650

up the satellites the same and I still

436

00:22:14,320 --> 00:22:11,990

didn't put two and two together what was

437

00:22:17,080 --> 00:22:14,330

going on I thought it was just something

438

00:22:20,710 --> 00:22:17,090

shared ignored was doing so we branched

439

00:22:22,860 --> 00:22:20,720

it in with tor workstation and we

440

00:22:25,810 --> 00:22:22,870

weren't there just a few minutes and

441

00:22:27,970 --> 00:22:25,820

they called her name on the PA speaking

442

00:22:31,120 --> 00:22:27,980

they said somebody there to get us total

443

00:22:34,120 --> 00:22:31,130

terms of office so when we got to the

444

00:22:37,030 --> 00:22:34,130

office the owner of video company said

445

00:22:40,360 --> 00:22:37,040

we we don't have to do don't have to

446

00:22:42,520 --> 00:22:40,370

give a press release or do something

447

00:22:46,120 --> 00:22:42,530

would you not convert any kind of

448

00:22:48,070 --> 00:22:46,130

business in this office today because we

449

00:22:49,390 --> 00:22:48,080

can't even get a phone line in because

450

00:22:51,940 --> 00:22:49,400

the phone just rings

451
00:22:54,460 --> 00:22:51,950
we got people we don't even know coming

452
00:22:59,020 --> 00:22:54,470
into the office to the yard y'all can't

453
00:23:01,080 --> 00:22:59,030
even go out on the yard and work because

454
00:23:05,590 --> 00:23:01,090
people's gonna be asking you questions

455
00:23:08,350 --> 00:23:05,600
well I knew then that something somebody

456
00:23:10,060 --> 00:23:08,360
had spilt remains now I didn't know if

457
00:23:11,680 --> 00:23:10,070
it was Charlie or the Sheriff Department

458
00:23:14,170 --> 00:23:11,690
or who it was

459
00:23:16,570 --> 00:23:14,180
well it had to be Charlie to start with

460
00:23:18,520 --> 00:23:16,580
me the department did tell because I

461
00:23:22,480 --> 00:23:18,530
wouldn't I know I didn't tell him

462
00:23:27,190 --> 00:23:22,490
anything so the people we work for

463
00:23:29,140 --> 00:23:27,200

Center Oh company attorney over they

464

00:23:32,040 --> 00:23:29,150

said man with Charlie and he worked up a

465

00:23:34,900 --> 00:23:32,050

press release they get my press release

466

00:23:37,970 --> 00:23:34,910

well by that time the Sheriff Department

467

00:23:39,669 --> 00:23:37,980

had already showed up back there

468

00:23:43,659 --> 00:23:39,679

the deputies and the sheriff

469

00:23:46,820 --> 00:23:43,669

investigated this and he said look

470

00:23:49,789 --> 00:23:46,830

you're right my lady touch over to the

471

00:23:52,250 --> 00:23:49,799

emergency room and get your check so the

472

00:23:54,139 --> 00:23:52,260

load is up in the patrol car and they

473

00:23:56,690 --> 00:23:54,149

left and they went to the Jackson County

474

00:23:59,600 --> 00:23:56,700

or the Salmon River Hospital to the

475

00:24:04,090 --> 00:23:59,610

emergency room and they did a thorough

476
00:24:06,830 --> 00:24:04,100
examination blood work and all this and

477
00:24:11,000 --> 00:24:06,840
the doctor come out he said everything

478
00:24:12,980 --> 00:24:11,010
looks okay then the sheriff said we are

479
00:24:15,379 --> 00:24:12,990
the deputy that pictures up him

480
00:24:18,440 --> 00:24:15,389
I've got orders to take y'all to kill

481
00:24:20,950 --> 00:24:18,450
you and get you check for radiation and

482
00:24:25,310 --> 00:24:20,960
kiss her was after Force Base which

483
00:24:28,639 --> 00:24:25,320
probably was 30 miles from where we were

484
00:24:31,850 --> 00:24:28,649
mm-hmm so he got in there we went

485
00:24:33,950 --> 00:24:31,860
straight to kiss her they had a MP made

486
00:24:35,500 --> 00:24:33,960
us at the gate and we just followed him

487
00:24:38,299 --> 00:24:35,510
on back in the back

488
00:24:40,940 --> 00:24:38,309

well we went to get out he told

489

00:24:43,730 --> 00:24:40,950

everybody else set in the car we pulled

490

00:24:46,430 --> 00:24:43,740

up and I say no not six guys in hazmat

491

00:24:48,529 --> 00:24:46,440

suits they got us out of the car they

492

00:24:51,350 --> 00:24:48,539

took us up sectors of whatever they

493

00:24:52,580 --> 00:24:51,360

check his where for radiation what I'm

494

00:24:54,860 --> 00:24:52,590

saying all clear

495

00:24:58,970 --> 00:24:54,870

well when they said that they pulled

496

00:25:01,629 --> 00:24:58,980

their row hazmat suits on and they say

497

00:25:04,430 --> 00:25:01,639

blue they want to see y'all in the

498

00:25:07,149 --> 00:25:04,440

meeting room it's all the way down this

499

00:25:10,970 --> 00:25:07,159

hall right here to bury Mack

500

00:25:13,580 --> 00:25:10,980

so we won't know how I was afraid not to

501
00:25:17,379 --> 00:25:13,590
comply with them in because what will I

502
00:25:20,870 --> 00:25:17,389
be done doc you know something going on

503
00:25:24,409 --> 00:25:20,880
we walk down that hall and they had

504
00:25:27,769 --> 00:25:24,419
several uniformed officers enough from

505
00:25:30,620 --> 00:25:27,779
the service from the Air Force and then

506
00:25:33,710 --> 00:25:30,630
though they had every Police Department

507
00:25:36,500 --> 00:25:33,720
on three there's three counties on the

508
00:25:39,080 --> 00:25:36,510
Gulf Coast all the sheriff's was down

509
00:25:41,779 --> 00:25:39,090
here all the mayor's from the police

510
00:25:43,909 --> 00:25:41,789
department was down here well they took

511
00:25:46,909 --> 00:25:43,919
his back they interrogated just I

512
00:25:49,519 --> 00:25:46,919
wouldn't say interrogated asked us what

513
00:25:51,039 --> 00:25:49,529

went on and that was extremely nice

514

00:25:54,700 --> 00:25:51,049

about everything

515

00:25:57,519 --> 00:25:54,710

oh that touch just told him I didn't

516

00:26:02,350 --> 00:25:57,529

know I did not want nothing to do with

517

00:26:06,009 --> 00:26:02,360

this and so I just told him I really

518

00:26:10,090 --> 00:26:06,019

didn't know didn't remember passed out

519

00:26:12,850 --> 00:26:10,100

some I told him something there was you

520

00:26:14,590 --> 00:26:12,860

know something besides the truth because

521

00:26:17,830 --> 00:26:14,600

I didn't feel like the truth needed to

522

00:26:21,369 --> 00:26:17,840

be told right to him they said well

523

00:26:22,769 --> 00:26:21,379

don't go so we got went back out and got

524

00:26:28,869 --> 00:26:22,779

in a patrol car

525

00:26:31,060 --> 00:26:28,879

and we laughed and we water the depth it

526

00:26:34,269 --> 00:26:31,070

took us back to the shipyard what was

527

00:26:36,249 --> 00:26:34,279

working and he said on you don't wave

528

00:26:39,820 --> 00:26:36,259

right yet there's somebody you know that

529

00:26:43,419 --> 00:26:39,830

wants to see you and I thought oh gosh

530

00:26:46,149 --> 00:26:43,429

this is gonna go wrong so we went in and

531

00:26:48,930 --> 00:26:46,159

of course dr. John Allen Hynek which was

532

00:26:52,419 --> 00:26:48,940

over Project Blue Book but not in a

533

00:26:56,680 --> 00:26:52,429

fishel capacity was that Aaron dr. John

534

00:27:00,009 --> 00:26:56,690

Allen Hynek dr. Hajra that was over Alto

535

00:27:02,590 --> 00:27:00,019

which he was a doctor he was there to

536

00:27:05,799 --> 00:27:02,600

talk to us now how they got there that

537

00:27:09,639 --> 00:27:05,809

past this was the next morning I have no

538

00:27:14,259 --> 00:27:09,649

idea but they did so dr. Hynek took me

539

00:27:16,960 --> 00:27:14,269

first and talked to me while law dr.

540

00:27:19,180 --> 00:27:16,970

Harley took Charlie back give him talk

541

00:27:21,849 --> 00:27:19,190

to him give me the physical and all that

542

00:27:24,669 --> 00:27:21,859

then they just kind of swapped up and I

543

00:27:28,269 --> 00:27:24,679

went back to dr. harder and Charlie

544

00:27:31,239 --> 00:27:28,279

within there were dr. Hackney well when

545

00:27:34,690 --> 00:27:31,249

they got food on dr. Harlan says I'm I

546

00:27:37,389 --> 00:27:34,700

need to go to the side to get them back

547

00:27:41,529 --> 00:27:37,399

over here in the morning I was thinking

548

00:27:43,749 --> 00:27:41,539

sure you know I'll do that then I kind

549

00:27:46,869 --> 00:27:43,759

of open up and talk to dr. Hynek a

550

00:27:49,330 --> 00:27:46,879

little bit about what went on because

551
00:27:51,369 --> 00:27:49,340
you know he was just that reassuring of

552
00:27:54,789 --> 00:27:51,379
a person that I never felt comfortable

553
00:27:57,899 --> 00:27:54,799
around here so we left we went home we

554
00:28:01,359 --> 00:27:57,909
got up the next morning went back in

555
00:28:04,470 --> 00:28:01,369
when I remember dr. Hynek being upset

556
00:28:06,989 --> 00:28:04,480
because they didn't ribbon off

557
00:28:08,970 --> 00:28:06,999
what I would call the crime saying cuz

558
00:28:12,180 --> 00:28:08,980
that's what it was because we was

559
00:28:15,239 --> 00:28:12,190
abducted against our will and its tended

560
00:28:17,549 --> 00:28:15,249
to like I told somebody my first day at

561
00:28:20,580 --> 00:28:17,559
work the very first day on the job I got

562
00:28:24,149 --> 00:28:20,590
a physical I got fired and they got a

563
00:28:24,899 --> 00:28:24,159

dirty and nice that's kind of what

564

00:28:27,899 --> 00:28:24,909

happened

565

00:28:30,869 --> 00:28:27,909

well they got through it alone the

566

00:28:34,700 --> 00:28:30,879

shipyard it dies over [h__h] Johnson when

567

00:28:37,229 --> 00:28:34,710

y'all need to take a few days off cause

568

00:28:42,599 --> 00:28:37,239

you know y'all might we'll be able to

569

00:28:46,259 --> 00:28:42,609

work here because the people is linked

570

00:28:49,470 --> 00:28:46,269

leave you alone and I understand that I

571

00:28:53,669 --> 00:28:49,480

didn't want any disruptions so I got in

572

00:28:56,549 --> 00:28:53,679

a car and I went back to law Mississippi

573

00:28:59,159 --> 00:28:56,559

because my head talked to my family yet

574

00:29:00,840 --> 00:28:59,169

had talked him none of my friends hadn't

575

00:29:04,080 --> 00:29:00,850

talked to my parents I did the girl I

576

00:29:07,529 --> 00:29:04,090

was engaged to but I went back to law

577

00:29:10,139 --> 00:29:07,539

and the thing about it they knew about

578

00:29:13,560 --> 00:29:10,149

what had happened I was just glad to see

579

00:29:17,070 --> 00:29:13,570

me and nobody asked me what happened so

580

00:29:19,349 --> 00:29:17,080

up until I made the book last year I've

581

00:29:20,159 --> 00:29:19,359

never talked about it to anyone I kept

582

00:29:24,539 --> 00:29:20,169

my mouth shut

583

00:29:27,629 --> 00:29:24,549

the news media would come in on start

584

00:29:29,399 --> 00:29:27,639

asking questions and if you told them

585

00:29:31,769 --> 00:29:29,409

something he gave some kind of little

586

00:29:33,950 --> 00:29:31,779

press release or something there just

587

00:29:37,529 --> 00:29:33,960

make it bigger than what it was or

588

00:29:40,039 --> 00:29:37,539

change it to what it was so I was

589

00:29:42,539 --> 00:29:40,049

discouraged with the news media and

590

00:29:45,119 --> 00:29:42,549

camera lot Donald Trump's there's fake

591

00:29:49,710 --> 00:29:45,129

news you know I that's what they was

592

00:29:52,529 --> 00:29:49,720

doing with me so I chose not to tell my

593

00:30:00,139 --> 00:29:52,539

family I chose not to tell my friends

594

00:30:07,349 --> 00:30:04,560

left and I told the girl I was engaged

595

00:30:10,560 --> 00:30:07,359

to November 2 that we're supposed to get

596

00:30:11,009 --> 00:30:10,570

me that I'd be back then we'd get

597

00:30:13,560 --> 00:30:11,019

married

598

00:30:16,409 --> 00:30:13,570

and by then I'd have a job somewhere in

599

00:30:17,400 --> 00:30:16,419

a place to live and we'd go there and

600

00:30:19,980 --> 00:30:17,410

that's what I do

601
00:30:22,350 --> 00:30:19,990
less than a month later you know came

602
00:30:25,460 --> 00:30:22,360
back we got married we got in the car I

603
00:30:28,440 --> 00:30:25,470
went back to work in the oil field and

604
00:30:30,300 --> 00:30:28,450
we just followed that around then I

605
00:30:32,700 --> 00:30:30,310
found him out a little construction

606
00:30:35,430 --> 00:30:32,710
company and I moved back to the

607
00:30:38,550 --> 00:30:35,440
Mississippi Gulf Coast because I was

608
00:30:41,070 --> 00:30:38,560
plenty of work here but had in public I

609
00:30:43,280 --> 00:30:41,080
never would call my name out I never

610
00:30:46,110 --> 00:30:43,290
would let nobody know who I was

611
00:30:49,410 --> 00:30:46,120
so you know I kept it quiet I didn't

612
00:30:52,530 --> 00:30:49,420
even tell my wife married to her 45

613
00:30:55,020 --> 00:30:52,540

years I kept it secret from her now she

614

00:30:57,330 --> 00:30:55,030

knew I had been abducted or went through

615

00:31:01,410 --> 00:30:57,340

something but I never sat down and told

616

00:31:03,570 --> 00:31:01,420

her the story well one day we had a

617

00:31:05,040 --> 00:31:03,580

neighbor passed away you'd like to say

618

00:31:07,170 --> 00:31:05,050

my neighbors didn't know who it was

619

00:31:10,530 --> 00:31:07,180

because I wouldn't go by my real name

620

00:31:14,850 --> 00:31:10,540

around here and we had a neighbor pass

621

00:31:24,840 --> 00:31:14,860

away and we went to the wake and this

622

00:31:26,760 --> 00:31:24,850

was this dog 2017 yeah 2017 and we went

623

00:31:29,070 --> 00:31:26,770

to the break and I messed up and I sign

624

00:31:32,220 --> 00:31:29,080

my real name on the register you know we

625

00:31:35,490 --> 00:31:32,230

as a guest you know coming out whatever

626

00:31:39,300 --> 00:31:35,500

you do matter about how to recognize her

627

00:31:42,270 --> 00:31:39,310

my name this is 45 years later and they

628

00:31:46,500 --> 00:31:42,280

come up and started asking questions and

629

00:31:49,140 --> 00:31:46,510

that's like a total you know this is not

630

00:31:51,150 --> 00:31:49,150

the place to talk about this this man's

631

00:31:53,520 --> 00:31:51,160

wife sitting there his daughters in

632

00:31:55,740 --> 00:31:53,530

there and they grieve it and we need to

633

00:31:58,310 --> 00:31:55,750

respect our feelings and not put the

634

00:32:00,960 --> 00:31:58,320

attention on your own mind me or myself

635

00:32:04,490 --> 00:32:00,970

so man my wife went out we got in the

636

00:32:07,260 --> 00:32:04,500

truck left on the way home she said look

637

00:32:09,930 --> 00:32:07,270

you need to write a book people want to

638

00:32:12,720 --> 00:32:09,940

know about you this has been 45 years

639

00:32:15,500 --> 00:32:12,730

you never talked about it no more you

640

00:32:19,290 --> 00:32:15,510

had to you know you just blow them all

641

00:32:22,470 --> 00:32:19,300

and people really want to know they

642

00:32:24,780 --> 00:32:22,480

really care what happened maybe you need

643

00:32:27,690 --> 00:32:24,790

to write a book I said no one in I don't

644

00:32:28,460 --> 00:32:27,700

have the education to write a book and I

645

00:32:31,760 --> 00:32:28,470

didn't either

646

00:32:34,520 --> 00:32:31,770

how much of an education and I said

647

00:32:36,110 --> 00:32:34,530

there's no way that I could set there me

648

00:32:41,180 --> 00:32:36,120

write a book because I just don't know

649

00:32:43,610 --> 00:32:41,190

how well she we time to let it die and I

650

00:32:46,700 --> 00:32:43,620

figured she would forget about this in a

651
00:32:49,940 --> 00:32:46,710
better cake it was just a passing thing

652
00:32:52,279 --> 00:32:49,950
well just so happened the very next day

653
00:32:56,029 --> 00:32:52,289
it was just like everything fell right

654
00:33:01,190 --> 00:32:56,039
into place I got a call from Philip

655
00:33:03,830 --> 00:33:01,200
mental publisher in the UK and they said

656
00:33:07,190 --> 00:33:03,840
I wanted to talk about me Charlie had

657
00:33:09,770 --> 00:33:07,200
reasonable and everybody keep in mind

658
00:33:12,049 --> 00:33:09,780
Charlie his cheapest thing alive for

659
00:33:14,419 --> 00:33:12,059
years he was going to lectures and

660
00:33:19,789 --> 00:33:14,429
conferences and talking about it riding

661
00:33:23,149 --> 00:33:19,799
a bull and but I didn't I wanted to stay

662
00:33:25,700 --> 00:33:23,159
out of the spotlight so Philip mental

663
00:33:30,950 --> 00:33:25,710

called the next day he managed to find

664

00:33:32,840 --> 00:33:30,960

me through a friend and asked me wanted

665

00:33:33,440 --> 00:33:32,850

to ask me some questions about Charlie's

666

00:33:36,799 --> 00:33:33,450

bull

667

00:33:38,750 --> 00:33:36,809

I said well Philip you're asking the

668

00:33:41,270 --> 00:33:38,760

wrong one because I've never read the

669

00:33:44,210 --> 00:33:41,280

book not going to read I don't even

670

00:33:47,450 --> 00:33:44,220

have a copy of it don't want a copy of

671

00:33:50,810 --> 00:33:47,460

it with this day they sent me one but

672

00:33:52,610 --> 00:33:50,820

I'm still at ready and because I thought

673

00:33:56,750 --> 00:33:52,620

Charlie was someone that broke this

674

00:33:59,450 --> 00:33:56,760

story to no taste look Alan why why

675

00:34:01,430 --> 00:33:59,460

don't you write a book I said I don't

676
00:34:03,909 --> 00:34:01,440
have the education to write one I don't

677
00:34:06,260 --> 00:34:03,919
want to deal with this bull right now I

678
00:34:09,290 --> 00:34:06,270
said I know what happened and that's

679
00:34:11,839 --> 00:34:09,300
enough was still at this time I had

680
00:34:14,329 --> 00:34:11,849
never talked to my wife or my family or

681
00:34:16,849 --> 00:34:14,339
my friends about it he said would think

682
00:34:19,810 --> 00:34:16,859
about it for about a week and I called

683
00:34:24,440 --> 00:34:19,820
you back well when I hung the phone up

684
00:34:26,750 --> 00:34:24,450
and like to say sort of the UK so I just

685
00:34:30,349 --> 00:34:26,760
couldn't home his phone number or my

686
00:34:32,180 --> 00:34:30,359
caller ID ain't no answer and I was

687
00:34:34,159 --> 00:34:32,190
downloading my boat up on the trailer

688
00:34:36,379 --> 00:34:34,169

one day and the phone can wrong and it

689

00:34:38,750 --> 00:34:36,389

wrong and it kept ringing it I thought

690

00:34:40,760 --> 00:34:38,760

something might be wrong at home but I

691

00:34:43,730 --> 00:34:40,770

was holding a rope with one

692

00:34:45,590 --> 00:34:43,740

and I Pig my phone with other and just

693

00:34:51,050 --> 00:34:45,600

answered without looking at the caller

694

00:34:53,330 --> 00:34:51,060

ID it was Philip mental and I didn't

695

00:34:55,010 --> 00:34:53,340

want to be rude and hang up on him so I

696

00:34:56,389 --> 00:34:55,020

listened to him what have you thought

697

00:34:59,990 --> 00:34:56,399

about writing a book

698

00:35:02,900 --> 00:35:00,000

he said I'll think about this let me

699

00:35:05,180 --> 00:35:02,910

explain it to you when you need to you

700

00:35:08,330 --> 00:35:05,190

told me that the press changes your

701
00:35:11,060 --> 00:35:08,340
stories all the time that it's nothing

702
00:35:13,880 --> 00:35:11,070
like you tell them most of the time so

703
00:35:17,360 --> 00:35:13,890
where you're right he said this book is

704
00:35:19,760 --> 00:35:17,370
your legacy you put it back in why in a

705
00:35:20,900 --> 00:35:19,770
book let him get your story man they

706
00:35:23,360 --> 00:35:20,910
can't change it

707
00:35:26,050 --> 00:35:23,370
that's the way that it is well he

708
00:35:29,930 --> 00:35:26,060
started making a little sense to me then

709
00:35:32,960 --> 00:35:29,940
and we Center and talked I said will

710
00:35:36,170 --> 00:35:32,970
Philip you know here's the data I don't

711
00:35:38,750 --> 00:35:36,180
have a education your rideable paces

712
00:35:42,110 --> 00:35:38,760
well I'll help you up

713
00:35:45,170 --> 00:35:42,120

I'll get you on the right track you know

714

00:35:47,450 --> 00:35:45,180

I'll tell you what to write about in the

715

00:35:49,280 --> 00:35:47,460

first chapter in the second chapter he

716

00:35:52,490 --> 00:35:49,290

said the first chapter just tell about

717

00:35:55,970 --> 00:35:52,500

yourself who you are then a second one

718

00:35:57,680 --> 00:35:55,980

tell how you met Charlie how long you

719

00:36:02,540 --> 00:35:57,690

known him and the third tell your

720

00:36:07,100 --> 00:36:02,550

deduction then so and so so I said well

721

00:36:10,130 --> 00:36:07,110

I'll do this under one condition I said

722

00:36:11,990 --> 00:36:10,140

I'm not a writer I never did like

723

00:36:12,770 --> 00:36:12,000

English or a little tear or anything

724

00:36:17,060 --> 00:36:12,780

like that

725

00:36:20,750 --> 00:36:17,070

oh if you don't change any word in that

726

00:36:24,080 --> 00:36:20,760

book if you don't change nothing I don't

727

00:36:26,120 --> 00:36:24,090

want you to correct a misspelled work to

728

00:36:29,540 --> 00:36:26,130

the punch selection mark in where it is

729

00:36:31,880 --> 00:36:29,550

not one ASA but I agree I won't do it

730

00:36:35,570 --> 00:36:31,890

well but what you write is what you're

731

00:36:37,370 --> 00:36:35,580

gonna get where the man stood by his

732

00:36:41,600 --> 00:36:37,380

word not one of ahead let's do it the

733

00:36:43,520 --> 00:36:41,610

bull and I come in on told my wife I

734

00:36:45,740 --> 00:36:43,530

said look you don't want me to do a book

735

00:36:49,220 --> 00:36:45,750

I hadn't talked to you about what's

736

00:36:52,730 --> 00:36:49,230

happening fella wants me to do a book I

737

00:36:53,750 --> 00:36:52,740

don't want to do this book but the

738

00:36:57,260 --> 00:36:53,760

college will pay

739

00:37:00,050 --> 00:36:57,270

surround the house I am I said I'm going

740

00:37:04,880 --> 00:37:00,060

to my office in the back so I'm closing

741

00:37:08,930 --> 00:37:04,890

my door once a day bring me something to

742

00:37:13,010 --> 00:37:08,940

eat and keep you something to drink back

743

00:37:14,840 --> 00:37:13,020

to water tea or something and I did not

744

00:37:18,140 --> 00:37:14,850

want to answer the phone or talk on the

745

00:37:21,340 --> 00:37:18,150

phone so I come back and got on my

746

00:37:26,900 --> 00:37:21,350

little computer and done some pen notes

747

00:37:28,970 --> 00:37:26,910

and started on the bull about two weeks

748

00:37:30,860 --> 00:37:28,980

time I was finished with it well the

749

00:37:34,040 --> 00:37:30,870

first time I sent him in the field

750

00:37:36,260 --> 00:37:34,050

he's heavy Mac he said you know I told

751
00:37:39,470 --> 00:37:36,270
you to change your heading nothing his

752
00:37:43,250 --> 00:37:39,480
this is quite a mist and it was I didn't

753
00:37:45,290 --> 00:37:43,260
in trying to do it he said oh they sing

754
00:37:48,920 --> 00:37:45,300
let me just highlight a few things that

755
00:37:50,960 --> 00:37:48,930
you need to do and I said no the way it

756
00:37:53,450 --> 00:37:50,970
is it's the way it is this is the way

757
00:37:55,550 --> 00:37:53,460
we're running you got the book you won't

758
00:37:58,900 --> 00:37:55,560
hear one that's not the book she wanted

759
00:38:02,510 --> 00:37:58,910
I'm not changing it to me and I didn't

760
00:38:06,950 --> 00:38:02,520
we put it on we was printed on putting

761
00:38:11,420 --> 00:38:06,960
it on the market in September of 2008

762
00:38:14,060 --> 00:38:11,430
came but instead he said it said it in

763
00:38:16,040 --> 00:38:14,070

for publishing his eye he had a

764

00:38:20,810 --> 00:38:16,050

published for descended in for printing

765

00:38:23,390 --> 00:38:20,820

to Amazon and in July and they

766

00:38:27,500 --> 00:38:23,400

accidentally released the book for a few

767

00:38:29,990 --> 00:38:27,510

days in July book sales went wild I

768

00:38:32,360 --> 00:38:30,000

would have never believed it actually I

769

00:38:35,300 --> 00:38:32,370

fit and I wouldn't sell but terrible so

770

00:38:37,070 --> 00:38:35,310

we wouldn't and then it would be to my

771

00:38:38,930 --> 00:38:37,080

family I'd had to buy them and hand them

772

00:38:42,500 --> 00:38:38,940

out to my family and I wouldn't have to

773

00:38:45,970 --> 00:38:42,510

sit there and tell them stories but but

774

00:38:49,550 --> 00:38:45,980

it got temporarily released in July and

775

00:38:52,930 --> 00:38:49,560

as many copies have sold it was in four

776

00:38:55,940 --> 00:38:52,940

days it was on the best north list

777

00:38:58,520 --> 00:38:55,950

Philip called me and I was don't take

778

00:39:01,100 --> 00:38:58,530

the book off the market but I'm just

779

00:39:04,730 --> 00:39:01,110

gonna have to slow down myself and we're

780

00:39:07,150 --> 00:39:04,740

gonna have to get everything straight

781

00:39:13,060 --> 00:39:07,160

here because it's just seven to good

782

00:39:15,400 --> 00:39:13,070

ready go and it was and the more this

783

00:39:17,980 --> 00:39:15,410

first book which is passed go to the

784

00:39:22,540 --> 00:39:17,990

closest encounter my story Calvin parks

785

00:39:25,000 --> 00:39:22,550

the more all we got into the book the

786

00:39:26,710 --> 00:39:25,010

more witnesses that we started having

787

00:39:29,170 --> 00:39:26,720

coming forward more people that

788

00:39:37,270 --> 00:39:29,180

knowledge I went to my first book

789

00:39:38,890 --> 00:39:37,280

signing October the 11th at 2018 and you

790

00:39:43,360 --> 00:39:38,900

know we did the book you coming out in

791

00:39:44,380 --> 00:39:43,370

July September and October and I went to

792

00:39:46,990 --> 00:39:44,390

a book signing

793

00:39:50,560 --> 00:39:47,000

they was people they had to shut the

794

00:39:52,240 --> 00:39:50,570

streets down in Pascagoula to keep

795

00:39:53,950 --> 00:39:52,250

people out of the streets

796

00:39:57,040 --> 00:39:53,960

that was curved all the way around the

797

00:39:58,720 --> 00:39:57,050

ball I ain't never seen so much interest

798

00:40:02,470 --> 00:39:58,730

in anything in my life

799

00:40:05,080 --> 00:40:02,480

of course I had been living here people

800

00:40:07,810 --> 00:40:05,090

you knew that I was here but they didn't

801
00:40:10,270 --> 00:40:07,820
know where and the people that did know

802
00:40:13,360 --> 00:40:10,280
me didn't know my real name here and

803
00:40:16,750 --> 00:40:13,370
when I came out I don't know how many

804
00:40:19,510 --> 00:40:16,760
books resigned estudian through that at

805
00:40:22,810 --> 00:40:19,520
night and went on way up into the night

806
00:40:28,000 --> 00:40:22,820
and I finally just got tired until the

807
00:40:29,650 --> 00:40:28,010
next and we had extended over and you

808
00:40:31,900 --> 00:40:29,660
know is there a roller coaster ever

809
00:40:35,110 --> 00:40:31,910
since they said we've had our witnesses

810
00:40:38,320 --> 00:40:35,120
come home work we've had a law

811
00:40:41,680 --> 00:40:38,330
enforcement come fold that stated that

812
00:40:43,960 --> 00:40:41,690
night and we had talked to the

813
00:40:47,500 --> 00:40:43,970

dispatcher that was on duty that night

814

00:40:51,550 --> 00:40:47,510

that very night if this happened to us

815

00:40:55,180 --> 00:40:51,560

now this is right before he knew about

816

00:40:58,480 --> 00:40:55,190

our cases he had 50 calls of people

817

00:41:01,150 --> 00:40:58,490

reporting for dinner five Florin object

818

00:41:03,040 --> 00:41:01,160

after he said he got so tired about

819

00:41:05,920 --> 00:41:03,050

Merida's that ninety couldn't already

820

00:41:11,020 --> 00:41:05,930

standing and that's kind of what led to

821

00:41:13,450 --> 00:41:11,030

the second Bull the next book is like

822

00:41:16,420 --> 00:41:13,460

Asperger love the story continues new

823

00:41:19,450 --> 00:41:16,430

evidence and new witnesses so Phillips

824

00:41:20,410 --> 00:41:19,460

like a bloodhound dog she got onto the

825

00:41:24,999 --> 00:41:20,420

case here

826

00:41:27,819 --> 00:41:25,009

and he he's the evidence that I didn't

827

00:41:30,489 --> 00:41:27,829

know people had they've been witnesses

828

00:41:34,900 --> 00:41:30,499

come forward on their own credible

829

00:41:37,960 --> 00:41:34,910

witnesses and you know like military law

830

00:41:41,170 --> 00:41:37,970

enforcement preachers are just your

831

00:41:42,940 --> 00:41:41,180

average person that live here the first

832

00:41:45,489 --> 00:41:42,950

one that came forward was just by

833

00:41:49,089 --> 00:41:45,499

mistake but when she came out of the

834

00:41:52,749 --> 00:41:49,099

woodwork everybody did and what happened

835

00:41:56,049 --> 00:41:52,759

Fox News come down to the interview this

836

00:41:58,630 --> 00:41:56,059

lady's daughter say no the interview on

837

00:42:00,910 --> 00:41:58,640

Fox News and her daughter just made a

838

00:42:02,890 --> 00:42:00,920

comment well my mother seen this that

839

00:42:05,710 --> 00:42:02,900

night had happened she's always morning

840

00:42:08,220 --> 00:42:05,720

to make mr. Parker you know how people

841

00:42:11,259 --> 00:42:08,230

are comment under something what

842

00:42:13,930 --> 00:42:11,269

happened to say the comment and he got a

843

00:42:17,140 --> 00:42:13,940

hold of this girl's daughter on contact

844

00:42:20,890 --> 00:42:17,150

information for her it wasn't liked like

845

00:42:23,769 --> 00:42:20,900

this lady approaches and she finally get

846

00:42:27,789 --> 00:42:23,779

some contact information and Philip and

847

00:42:32,049 --> 00:42:27,799

Irene Scott got a hold over and wanted

848

00:42:35,259 --> 00:42:32,059

to do a in-depth interview with her and

849

00:42:38,349 --> 00:42:35,269

then I would go meet her after this and

850

00:42:40,390 --> 00:42:38,359

that's got it all started there and when

851
00:42:43,210 --> 00:42:40,400
she come out and this wasn't something

852
00:42:44,499 --> 00:42:43,220
she wanted to do either her husband told

853
00:42:46,960 --> 00:42:44,509
her and you know people's don't thank

854
00:42:49,839 --> 00:42:46,970
you crazy you don't want to do this but

855
00:42:52,960 --> 00:42:49,849
she was right across the river seen this

856
00:42:56,289 --> 00:42:52,970
thing leaning over their sacks I said

857
00:42:58,509 --> 00:42:56,299
the crowd actually seen the beads and as

858
00:43:01,120 --> 00:42:58,519
she was her husband went to work that

859
00:43:03,430 --> 00:43:01,130
she was walking back from the boat she

860
00:43:07,930 --> 00:43:03,440
actually said one in the water and he

861
00:43:11,410 --> 00:43:07,940
did take and the Coast Guard that night

862
00:43:14,289 --> 00:43:11,420
they called a Coast Guard Cutter out now

863
00:43:17,170 --> 00:43:14,299

I had wasn't that not but it was two

864

00:43:22,749 --> 00:43:17,180

three nights later a Coast Guard Cutter

865

00:43:25,720 --> 00:43:22,759

went out and they took all a rod a [h__h]

866

00:43:28,420 --> 00:43:25,730

and there was something under water and

867

00:43:30,190 --> 00:43:28,430

they mount this thing with a rod and it

868

00:43:33,100 --> 00:43:30,200

just shot out like a streak of lightning

869

00:43:36,610 --> 00:43:33,110

and they said and it's all in the book

870

00:43:38,770 --> 00:43:36,620

where they invented reports on it so it

871

00:43:41,770 --> 00:43:38,780

you know with credible witnesses to come

872

00:43:45,670 --> 00:43:41,780

forward and a lot of but back in the

873

00:43:47,140 --> 00:43:45,680

seventies people wouldn't come forward

874

00:43:49,750 --> 00:43:47,150

with something like there's not people

875

00:43:51,820 --> 00:43:49,760

for Mississippi you know because usually

876

00:43:53,590 --> 00:43:51,830

if you lived in Mississippi and worked

877

00:43:56,380 --> 00:43:53,600

around here you had a bad name meaning

878

00:43:58,780 --> 00:43:56,390

I'll run a world rest of the world so

879

00:44:01,270 --> 00:43:58,790

people didn't walk too well they really

880

00:44:03,510 --> 00:44:01,280

killed around here and that's one reason

881

00:44:06,760 --> 00:44:03,520

I kept my mouth shut

882

00:44:09,010 --> 00:44:06,770

one one reason I did want to say that

883

00:44:12,790 --> 00:44:09,020

interest I was engaged to get married

884

00:44:14,470 --> 00:44:12,800

her daddy was pretty strict you know

885

00:44:16,990 --> 00:44:14,480

what everything's different man you got

886

00:44:20,500 --> 00:44:17,000

your social media can find out more I

887

00:44:24,070 --> 00:44:20,510

didn't know back in what a lien was or

888

00:44:27,640 --> 00:44:24,080

your opponent actually I thought it was

889

00:44:30,370 --> 00:44:27,650

somebody we got a angle shipyard and

890

00:44:32,050 --> 00:44:30,380

they build ships the military I thought

891

00:44:34,120 --> 00:44:32,060

they might be working on some kind of

892

00:44:36,880 --> 00:44:34,130

experimental project a couple of

893

00:44:38,950 --> 00:44:36,890

rednecks got out drinking beer in it and

894

00:44:42,580 --> 00:44:38,960

wanted to have some fun and you know

895

00:44:45,640 --> 00:44:42,590

went around and did this you know I had

896

00:44:46,960 --> 00:44:45,650

considered that but then I found out

897

00:44:51,040 --> 00:44:46,970

there was nothing like that in the

898

00:44:53,560 --> 00:44:51,050

workings but that kind of catches up a

899

00:44:55,930 --> 00:44:53,570

little bit till today except you know

900

00:45:00,040 --> 00:44:55,940

for the other book since then I take a

901
00:45:02,700 --> 00:45:00,050
lie detector test boy stress test Ben's

902
00:45:06,220 --> 00:45:02,710
here because three different times and

903
00:45:09,430 --> 00:45:06,230
what the hypnosis does a lot of people

904
00:45:12,250 --> 00:45:09,440
don't believe it it and I really didn't

905
00:45:14,830 --> 00:45:12,260
myself but it sharpens your memory of

906
00:45:18,270 --> 00:45:14,840
what you saying and what you might not

907
00:45:23,230 --> 00:45:18,280
saying that night nor clarifies things

908
00:45:30,180 --> 00:45:23,240
so we'll you know that's that's what we

909
00:45:34,720 --> 00:45:30,190
are today yeah that it's amazing how a

910
00:45:41,110 --> 00:45:34,730
lot of people saw the ship leaving as

911
00:45:46,510 --> 00:45:41,120
you mentioned and back in 1973 I this

912
00:45:50,350 --> 00:45:46,520
did you I believe you said that

913
00:45:52,240 --> 00:45:50,360

it was kind of a foolish moon is that

914

00:45:55,590 --> 00:45:52,250

correct and did you get a good look at

915

00:45:59,020 --> 00:45:55,600

the ship yes sir

916

00:46:02,140 --> 00:45:59,030

well the last was so bad it was hard you

917

00:46:04,080 --> 00:46:02,150

know and it was a good full moon it was

918

00:46:08,800 --> 00:46:04,090

a harvest moon that night

919

00:46:11,230 --> 00:46:08,810

but uh the ship I'm guessing man it's

920

00:46:14,140 --> 00:46:11,240

hard to tell with all that life was

921

00:46:18,070 --> 00:46:14,150

going on I'm guessing it was 80 100 foot

922

00:46:22,120 --> 00:46:18,080

long maybe and probably 10 or 12 foot

923

00:46:24,130 --> 00:46:22,130

high now on the inside the only place I

924

00:46:27,690 --> 00:46:24,140

said was this Hall in this examination

925

00:46:31,960 --> 00:46:27,700

room but I didn't see any instruments

926
00:46:34,140 --> 00:46:31,970
the only living being I think I seen was

927
00:46:37,960 --> 00:46:34,150
the one that runner painted on my throat

928
00:46:40,510 --> 00:46:37,970
and then I send this robotic looking

929
00:46:43,930 --> 00:46:40,520
machine the big ugly one sitting over in

930
00:46:46,480 --> 00:46:43,940
the corner but all and the snail

931
00:46:49,540 --> 00:46:46,490
somebody aspirin did you have any could

932
00:46:52,450 --> 00:46:49,550
you spare any snails well it's like I

933
00:46:55,450 --> 00:46:52,460
explained to him we got a bogey plant

934
00:46:57,160 --> 00:46:55,460
here and they go out and they bring in

935
00:46:59,890 --> 00:46:57,170
these pogies and literally the moenay's

936
00:47:02,010 --> 00:46:59,900
boat said my days without ice momentum I

937
00:47:04,900 --> 00:47:02,020
can't figure out it they drowned a boat

938
00:47:07,240 --> 00:47:04,910

and it's a bad smell over in that

939

00:47:10,930 --> 00:47:07,250

direction then yeah and you can't smell

940

00:47:14,500 --> 00:47:10,940

anything else what you get that odor any

941

00:47:24,130 --> 00:47:14,510

notes and so you know it could have been

942

00:47:26,800 --> 00:47:24,140

something I don't know and you had after

943

00:47:31,360 --> 00:47:26,810

this this is interesting you had if I'm

944

00:47:34,420 --> 00:47:31,370

not mistaken were interviewed by Hynek

945

00:47:39,010 --> 00:47:34,430

and what did you think of him I mean

946

00:47:42,040 --> 00:47:39,020

obviously you you you had a lot going on

947

00:47:46,390 --> 00:47:42,050

in a short period of time there and it

948

00:47:51,490 --> 00:47:46,400

yeah it must have been just overwhelming

949

00:47:54,340 --> 00:47:51,500

like all of it it was at the time

950

00:47:58,599 --> 00:47:54,350

I just later on found out you know he

951
00:48:02,859 --> 00:47:58,609
was over Project Blue Book and Ospina we

952
00:48:04,809 --> 00:48:02,869
to wall this UFO Congress to a

953
00:48:08,259 --> 00:48:04,819
convention they had and I got to me

954
00:48:10,930 --> 00:48:08,269
discern tall honey but I had talked to

955
00:48:13,809 --> 00:48:10,940
Paul on the phone one time couldn't turn

956
00:48:15,819 --> 00:48:13,819
on it gave me his phone number and I

957
00:48:18,099 --> 00:48:15,829
called their Hall was just a little

958
00:48:20,620 --> 00:48:18,109
bitty thing in just barely enough to

959
00:48:24,099 --> 00:48:20,630
work big enough to answer the phone and

960
00:48:27,249 --> 00:48:24,109
take a message where it's dead and I I

961
00:48:30,160 --> 00:48:27,259
asked Paul I said did you ever get the

962
00:48:32,950 --> 00:48:30,170
death stare from your daddy okay so why

963
00:48:35,140 --> 00:48:32,960

why us tonight they said not really he

964

00:48:39,519 --> 00:48:35,150

said why are you asking us because he

965

00:48:42,339 --> 00:48:39,529

said this chair and he put his chin on

966

00:48:44,940 --> 00:48:42,349

his hand and he just stared at me like

967

00:48:48,640 --> 00:48:44,950

he was looking all the way through me

968

00:48:51,900 --> 00:48:48,650

but he was taking mental notes itself

969

00:48:56,529 --> 00:48:51,910

because I say the man was brilliant and

970

00:48:59,410 --> 00:48:56,539

you know he was last time lost enough

971

00:49:02,079 --> 00:48:59,420

Divac he wouldn't crack a smile he

972

00:49:06,670 --> 00:49:02,089

wouldn't retching I mean you couldn't

973

00:49:09,130 --> 00:49:06,680

read him at all but when he left it's

974

00:49:11,489 --> 00:49:09,140

like he said and there's also a many of

975

00:49:14,440 --> 00:49:11,499

you wouldn't Cheryl the very next day

976
00:49:17,069 --> 00:49:14,450
that one haunting left he said there is

977
00:49:20,249 --> 00:49:17,079
no doubt in my mind that these guys

978
00:49:23,799 --> 00:49:20,259
generally went through something and

979
00:49:26,620 --> 00:49:23,809
then the sheriff the next day and they

980
00:49:31,150 --> 00:49:26,630
got the radio interview posted up on a

981
00:49:35,620 --> 00:49:31,160
oh oh no a little website that I got

982
00:49:38,589 --> 00:49:35,630
Andrew Hoffman made up and he Michelle

983
00:49:40,960 --> 00:49:38,599
said over radio and said you know

984
00:49:43,599 --> 00:49:40,970
there's no doubt it was really reluctant

985
00:49:48,460 --> 00:49:43,609
when these guys come in that you could

986
00:49:51,249 --> 00:49:48,470
see the fear on them and you know that

987
00:49:56,349 --> 00:49:51,259
made them credible so we know that

988
00:50:01,809 --> 00:49:56,359

something happened and it's I mean being

989

00:50:06,069 --> 00:50:01,819

only 18 years old or so you you were

990

00:50:09,910 --> 00:50:06,079

really in the limelight you were kind of

991

00:50:12,530 --> 00:50:09,920

found out by the media you you lived way

992

00:50:15,380 --> 00:50:12,540

back in an area that you said it was

993

00:50:22,990 --> 00:50:15,390

pretty hard and amazing that they found

994

00:50:25,970 --> 00:50:23,000

you and this is this is amazing that the

995

00:50:30,040 --> 00:50:25,980

apparently were there was chatter of

996

00:50:35,150 --> 00:50:30,050

this throughout Mississippi correct oh

997

00:50:37,400 --> 00:50:35,160

yes sir and you know you can't hide from

998

00:50:37,849 --> 00:50:37,410

the press I figured that out long time

999

00:50:40,880 --> 00:50:37,859

ago

1000

00:50:44,089 --> 00:50:40,890

I did I would get lost sometimes going

1001
00:50:46,130 --> 00:50:44,099
to where I live and it was just a little

1002
00:50:49,700 --> 00:50:46,140
bribe old country road back in there

1003
00:50:51,620 --> 00:50:49,710
were no signs or nothing no it would be

1004
00:50:55,819 --> 00:50:51,630
kinda scary if you didn't read about

1005
00:50:59,390 --> 00:50:55,829
other tribal down that road so but they

1006
00:51:01,910 --> 00:50:59,400
managed they they kept on me up I got

1007
00:51:04,160 --> 00:51:01,920
sick I know one of them stuck the camera

1008
00:51:07,130 --> 00:51:04,170
in my face one day and I died the camera

1009
00:51:09,859 --> 00:51:07,140
I told them to put it down and that

1010
00:51:12,470 --> 00:51:09,869
camera cost me \$600 by the time the

1011
00:51:15,020 --> 00:51:12,480
judge got through with me I mean it was

1012
00:51:17,569 --> 00:51:15,030
just a middle time for me going through

1013
00:51:20,630 --> 00:51:17,579

all this and I didn't want to talk about

1014

00:51:25,430 --> 00:51:20,640

it I didn't want to live through this

1015

00:51:28,910 --> 00:51:25,440

thing and you know the older you get the

1016

00:51:31,040 --> 00:51:28,920

more you learn to deal with things but

1017

00:51:33,440 --> 00:51:31,050

when you're eight ten years old you're

1018

00:51:35,089 --> 00:51:33,450

still really trying to catch on the

1019

00:51:39,230 --> 00:51:35,099

light and learn life

1020

00:51:41,150 --> 00:51:39,240

I just turned 65 the other day and I can

1021

00:51:41,710 --> 00:51:41,160

deal with about anything that comes my

1022

00:51:53,120 --> 00:51:41,720

way

1023

00:51:56,720 --> 00:51:53,130

you met other people like Budd Hopkins

1024

00:52:01,609 --> 00:51:56,730

which is very impressive and with I

1025

00:52:05,960 --> 00:52:01,619

guess the interesting thing to me is the

1026
00:52:08,930 --> 00:52:05,970
you know amount of time the initial time

1027
00:52:10,880 --> 00:52:08,940
and I guess you would call it missing

1028
00:52:14,720 --> 00:52:10,890
time how much time do you think took

1029
00:52:17,510 --> 00:52:14,730
place when you were actually on the yard

1030
00:52:22,880 --> 00:52:17,520
and then and then in the ship or in the

1031
00:52:25,760 --> 00:52:22,890
on the table I don't know it was uh it's

1032
00:52:26,030 --> 00:52:25,770
hard to say because that happened you

1033
00:52:29,180 --> 00:52:26,040
know

1034
00:52:31,670 --> 00:52:29,190
it was October those Sun just went down

1035
00:52:36,560 --> 00:52:31,680
you know but the moon was falling expire

1036
00:52:38,060 --> 00:52:36,570
and it was about eleven twelve o'clock I

1037
00:52:41,210 --> 00:52:38,070
guess when we got to be Sheriff

1038
00:52:45,140 --> 00:52:41,220

Department so you know we spent a pretty

1039

00:52:49,820 --> 00:52:45,150

good deal of time in there and say my

1040

00:52:52,430 --> 00:52:49,830

kid just flew by but when you're sturdy

1041

00:52:56,600 --> 00:52:52,440

when you're in pain I describe to

1042

00:52:58,600 --> 00:52:56,610

somebody one time this is like all you

1043

00:53:01,280 --> 00:52:58,610

said no you can't swatching can be

1044

00:53:03,260 --> 00:53:01,290

somebody drives up in a band kick your

1045

00:53:06,940 --> 00:53:03,270

door there and grab you take you out in

1046

00:53:10,310 --> 00:53:06,950

that band give you an examination and

1047

00:53:13,370 --> 00:53:10,320

you think you're gonna die it that's a

1048

00:53:15,680 --> 00:53:13,380

crime it's like home invasion

1049

00:53:17,840 --> 00:53:15,690

it's the same thing if you said no

1050

00:53:20,270 --> 00:53:17,850

riverbank to me it's the most nights you

1051
00:53:24,740 --> 00:53:20,280
often you fishing minding your own

1052
00:53:27,710 --> 00:53:24,750
business and you know I just don't feel

1053
00:53:30,320 --> 00:53:27,720
like it was right to them to do it

1054
00:53:35,180 --> 00:53:30,330
especially something scary is what they

1055
00:53:37,550 --> 00:53:35,190
were know and the the the way that you

1056
00:53:41,240 --> 00:53:37,560
it's so mind-boggling the way that you

1057
00:53:43,370 --> 00:53:41,250
describe them kind of like that they

1058
00:53:46,220 --> 00:53:43,380
look at least the drawings that I've

1059
00:53:49,580 --> 00:53:46,230
seen of the I guess you would call them

1060
00:53:56,960 --> 00:53:49,590
the ugly ones they look right there

1061
00:53:58,820 --> 00:53:56,970
eerie looking they are and now video

1062
00:54:02,890 --> 00:53:58,830
female looking one

1063
00:54:07,460 --> 00:54:02,900

she wasn't really that bad but I think

1064

00:54:10,400 --> 00:54:07,470

that all she had been practicing talking

1065

00:54:14,690 --> 00:54:10,410

to make you feel comfortable and she

1066

00:54:17,510 --> 00:54:14,700

probably was practicing oh I think she

1067

00:54:20,600 --> 00:54:17,520

was really masked I don't know under her

1068

00:54:23,480 --> 00:54:20,610

mask or she would really look like but

1069

00:54:25,520 --> 00:54:23,490

they probably studied you before they

1070

00:54:29,600 --> 00:54:25,530

get down and know what scary and what's

1071

00:54:35,240 --> 00:54:29,610

not but you know find about it they I

1072

00:54:36,880 --> 00:54:35,250

felt like a lab animal I've talked about

1073

00:54:39,710 --> 00:54:36,890

all

1074

00:54:43,130 --> 00:54:39,720

you know how people used to experiment

1075

00:54:46,610 --> 00:54:43,140

on animals how we used today you know

1076

00:54:50,030 --> 00:54:46,620

that's what I felt like and that has

1077

00:54:57,010 --> 00:54:50,040

actually got me closer to animals cause

1078

00:55:00,680 --> 00:54:57,020

I felt like warm man yeah it was a it I

1079

00:55:02,870 --> 00:55:00,690

yeah the disregard for they just just

1080

00:55:06,590 --> 00:55:02,880

getting done whatever needs to get done

1081

00:55:09,050 --> 00:55:06,600

and right like you said kicking in the

1082

00:55:11,780 --> 00:55:09,060

door I think that's a really amazing way

1083

00:55:13,460 --> 00:55:11,790

to put it and one that society can grab

1084

00:55:15,800 --> 00:55:13,470

hold of because yeah you were just

1085

00:55:22,210 --> 00:55:15,810

fishing it wasn't like you were asking

1086

00:55:25,250 --> 00:55:22,220

for any of this and I wanted to ask you

1087

00:55:29,000 --> 00:55:25,260

where people can get a hold of your book

1088

00:55:31,480 --> 00:55:29,010

that's easiest anything that you wanted

1089

00:55:36,770 --> 00:55:31,490

them to check out things of that nature

1090

00:55:40,810 --> 00:55:36,780

Kelvin ah the only places settlement he

1091

00:55:44,630 --> 00:55:40,820

said right here in Pascagoula is Amazon

1092

00:55:46,970 --> 00:55:44,640

they can go to the book section under

1093

00:55:48,920 --> 00:55:46,980

Amazon just google my neighbor in the

1094

00:55:51,200 --> 00:55:48,930

first book is past the goal of the

1095

00:55:55,430 --> 00:55:51,210

closest encounter of my story Calvin

1096

00:56:02,450 --> 00:55:55,440

Parker the book he just came out last

1097

00:56:04,730 --> 00:56:02,460

month this new the new evidence you know

1098

00:56:07,700 --> 00:56:04,740

I can't even think of the name of it

1099

00:56:11,050 --> 00:56:07,710

sometimes mm-hmm ask for go to the story

1100

00:56:14,590 --> 00:56:11,060

continues new evidence and new witnesses

1101

00:56:19,910 --> 00:56:14,600

and believe it or not since then

1102

00:56:22,820 --> 00:56:19,920

Pascagoula has thought enough of me to

1103

00:56:25,610 --> 00:56:22,830

put up a historical marker but it'd be

1104

00:56:28,490 --> 00:56:25,620

tough for the rest of my life and for a

1105

00:56:32,030 --> 00:56:28,500

long time and they keep it up and I went

1106

00:56:34,310 --> 00:56:32,040

to the dedication of that they had a big

1107

00:56:39,680 --> 00:56:34,320

thing with the city the the mayor come

1108

00:56:42,980 --> 00:56:39,690

out some historical the Historical

1109

00:56:44,330 --> 00:56:42,990

Society came out they had a big thing at

1110

00:56:46,730 --> 00:56:44,340

the Historical Marker

1111

00:56:49,160 --> 00:56:46,740

and you know that was quite an honor

1112

00:56:49,920 --> 00:56:49,170

because I wasn't used to all this

1113

00:56:51,809 --> 00:56:49,930

publicity

1114

00:56:54,720 --> 00:56:51,819

I just kind of stayed in the back and

1115

00:56:59,430 --> 00:56:54,730

now these books has really put me in a

1116

00:57:02,790 --> 00:56:59,440

spot line where I didn't motivate but

1117

00:57:05,460 --> 00:57:02,800

what is done is brought me closer to my

1118

00:57:07,530 --> 00:57:05,470

community the place that I live and I

1119

00:57:11,069 --> 00:57:07,540

still read within five miles of where

1120

00:57:15,990 --> 00:57:11,079

this happens when this happen I go by my

1121

00:57:17,910 --> 00:57:16,000

boat pretty regular and I get involved

1122

00:57:20,400 --> 00:57:17,920

in all the stuff that Pascagoula has

1123

00:57:25,380 --> 00:57:20,410

going on and the coastal counties down

1124

00:57:27,599 --> 00:57:25,390

here I donate a lot of time and do a lot

1125

00:57:29,870 --> 00:57:27,609

of charitable work and things like here

1126
00:57:34,680 --> 00:57:29,880
just getting involved in the community

1127
00:57:37,799 --> 00:57:34,690
because for 46 years I was a recluse

1128
00:57:39,930 --> 00:57:37,809
I did not come out of hiding I wouldn't

1129
00:57:43,200 --> 00:57:39,940
talk to nobody too much about my family

1130
00:57:44,940 --> 00:57:43,210
and I didn't have that many friends the

1131
00:57:48,270 --> 00:57:44,950
friends that I had were good friends

1132
00:57:51,930 --> 00:57:48,280
true friends and we all lived here on

1133
00:57:54,839 --> 00:57:51,940
dae-jung Mississippi coast and we all

1134
00:57:57,210 --> 00:57:54,849
had boats and every summer we're all

1135
00:57:59,849 --> 00:57:57,220
made up and with fish together or go out

1136
00:58:02,430 --> 00:57:59,859
on the sandbars and camp out and stay

1137
00:58:04,500 --> 00:58:02,440
and swim together now that's the friends

1138
00:58:06,299 --> 00:58:04,510

that I had did in the winter with all go

1139

00:58:08,940 --> 00:58:06,309

our separate ways we would see each

1140

00:58:11,400 --> 00:58:08,950

other at the summer unless one of us

1141

00:58:14,730 --> 00:58:11,410

needed each other for something didn't

1142

00:58:16,650 --> 00:58:14,740

we would go and help this person and you

1143

00:58:20,099 --> 00:58:16,660

know no questions asked just whatever

1144

00:58:23,579 --> 00:58:20,109

they need that's the type of friends I

1145

00:58:27,870 --> 00:58:23,589

had just a handful of and it was true

1146

00:58:29,730 --> 00:58:27,880

friendship and my family still never

1147

00:58:32,160 --> 00:58:29,740

really asked me about it and I said I

1148

00:58:35,010 --> 00:58:32,170

told them the story since the books came

1149

00:58:39,780 --> 00:58:35,020

out of course my wife passed she gets

1150

00:58:43,049 --> 00:58:39,790

involved she she goes these last year

1151

00:58:45,240 --> 00:58:43,059

I've done several conferences at all and

1152

00:58:47,339 --> 00:58:45,250

she would go with me on them they would

1153

00:58:50,190 --> 00:58:47,349

pay my way and you know give me a little

1154

00:58:52,799 --> 00:58:50,200

speaking fee and I would take out not

1155

00:58:57,450 --> 00:58:52,809

her train ticket with it I mean it

1156

00:58:59,490 --> 00:58:57,460

wasn't that much and we got to spend a

1157

00:59:01,500 --> 00:58:59,500

lot of time together she got to travel

1158

00:59:03,070 --> 00:59:01,510

with me and it's brought actually

1159

00:59:05,530 --> 00:59:03,080

brought us closer

1160

00:59:08,230 --> 00:59:05,540

but is kinda like I'm telling everybody

1161

00:59:13,120 --> 00:59:08,240

and I was serious

1162

00:59:16,150 --> 00:59:13,130

I'm working on my houseboat now and I've

1163

00:59:18,010 --> 00:59:16,160

got a few things to wrap up in here and

1164

00:59:21,430 --> 00:59:18,020

what I know I'm getting on my houseboat

1165

00:59:24,460 --> 00:59:21,440

and I'm going off grid any it would be

1166

00:59:27,970 --> 00:59:24,470

hard for anybody to get in contact but I

1167

00:59:30,630 --> 00:59:27,980

did tell the publisher and hit stop

1168

00:59:34,360 --> 00:59:30,640

we've got movie deals working and stuff

1169

00:59:36,970 --> 00:59:34,370

which you know my rate of it's made

1170

00:59:41,170 --> 00:59:36,980

without all this bull and there's no it

1171

00:59:45,190 --> 00:59:41,180

had been no money in the books what I

1172

00:59:47,140 --> 00:59:45,200

get I usually give back but uh I did

1173

00:59:50,350 --> 00:59:47,150

tell the publisher that I will hang

1174

00:59:53,410 --> 00:59:50,360

around till we got all this penny stuff

1175

00:59:55,810 --> 00:59:53,420

and then I would go but I hadn't made

1176

00:59:57,760 --> 00:59:55,820

any more I told her about that wasn't

1177

00:59:59,080 --> 00:59:57,770

going in to conferences this year and I

1178

01:00:01,840 --> 00:59:59,090

made that I'm not

1179

01:00:03,460 --> 01:00:01,850

I enjoyed the ones that I went to now I

1180

01:00:07,060 --> 01:00:03,470

met some great people

1181

01:00:09,820 --> 01:00:07,070

and you would figure you know I figured

1182

01:00:13,030 --> 01:00:09,830

my I told my wife who was doing us in

1183

01:00:17,110 --> 01:00:13,040

there it might be a few weirdos in there

1184

01:00:19,800 --> 01:00:17,120

know that she the people that we met was

1185

01:00:21,100 --> 01:00:19,810

good quality down-to-earth people

1186

01:00:23,320 --> 01:00:21,110

serious

1187

01:00:25,810 --> 01:00:23,330

and that's the reason name is that and

1188

01:00:27,990 --> 01:00:25,820

the reason I was that I'm still in fact

1189

01:00:31,060 --> 01:00:28,000

I still don't know what happened to me

1190

01:00:32,830 --> 01:00:31,070

and I'm just her managers that's the

1191

01:00:37,780 --> 01:00:32,840

reason I'm staying with this as long as

1192

01:00:40,120 --> 01:00:37,790

I had and that's that's what we are

1193

01:00:42,750 --> 01:00:40,130

blessed enough to have had John here

1194

01:00:44,980 --> 01:00:42,760

Calvin talking to us about this and

1195

01:00:49,150 --> 01:00:44,990

outlining everything that went down

1196

01:00:52,030 --> 01:00:49,160

forty five plus years ago and shedding

1197

01:00:55,390 --> 01:00:52,040

light on in my opinion possibly the most

1198

01:00:57,550 --> 01:00:55,400

mysterious and intriguing form of alien

1199

01:01:02,890 --> 01:00:57,560

contact this century or among the top

1200

01:01:04,750 --> 01:01:02,900

three and it is it's a it's a blessing

1201
01:01:06,070 --> 01:01:04,760
to have had you on appreciate it so much

1202
01:01:09,550 --> 01:01:06,080
for coming on and chatting with us

1203
01:01:12,540 --> 01:01:09,560
Calvin well I've been Jordan thank you

1204
01:01:15,570 --> 01:01:12,550
for having me I really appreciate you

1205
01:01:18,270 --> 01:01:15,580
hope to talk to you soon and and

1206
01:01:21,180 --> 01:01:18,280
have a wonderful have a wonderful

1207
01:01:23,430 --> 01:01:21,190
holiday you too

1208
01:01:25,310 --> 01:01:23,440
everybody have a good Merry Christmas I

1209
01:01:28,530 --> 01:01:25,320
know they don't say Merry Christmas

1210
01:01:30,450 --> 01:01:28,540
anymore most people don't they say Happy

1211
01:01:33,510 --> 01:01:30,460
Holidays but it always be Merry

1212
01:01:37,050 --> 01:01:33,520
Christmas and it's Christ's birthday to

1213
01:01:40,580 --> 01:01:37,060

me so you know you can't go wrong with

1214

01:01:43,200 --> 01:01:40,590

celebrating the Lord shaggers birthday

1215

01:01:46,500 --> 01:01:43,210

no it's good that's a good celebration

1216

01:01:51,140 --> 01:01:46,510

and always always I always put on a few

1217

01:01:55,530 --> 01:01:51,150

extra pounds too so but well how often I

1218

01:01:58,860 --> 01:01:55,540

140 pounds last year and I try to watch

1219

01:02:02,130 --> 01:01:58,870

what I ate the during holidays I catch

1220

01:02:04,230 --> 01:02:02,140

myself wanting to eat something that I'm

1221

01:02:06,450 --> 01:02:04,240

not supposed to but I still go ahead and

1222

01:02:09,930 --> 01:02:06,460

do it sometimes you know moderation food

1223

01:02:13,260 --> 01:02:09,940

and moderation but I just don't want to

1224

01:02:17,940 --> 01:02:13,270

get off the track I was 340 pounds on

1225

01:02:20,580 --> 01:02:17,950

that 100 and ran 170 pounds now matter

1226

01:02:22,080 --> 01:02:20,590

of fact my doctor told me last week if I

1227

01:02:24,570 --> 01:02:22,090

didn't go back to eight and I'm starting

1228

01:02:27,240 --> 01:02:24,580

to - so maybe the holidays it is a

1229

01:02:30,180 --> 01:02:27,250

blessing for me that's a good thing

1230

01:02:33,960 --> 01:02:30,190

that's a good excuse to eat for the

1231

01:02:34,620 --> 01:02:33,970

holidays I have today it I think it's a

1232

01:02:37,470 --> 01:02:34,630

great one

1233

01:02:40,440 --> 01:02:37,480

well thanks so much sir appreciate you

1234

01:02:44,580 --> 01:02:40,450

coming on and I hope to talk to you in

1235

01:02:46,350 --> 01:02:44,590

the future soon we will anytime you know

1236

01:02:50,730 --> 01:02:46,360

how to get out of you thank you

1237

01:02:53,640 --> 01:02:50,740

all right take care enjoy this what a

1238

01:02:55,890 --> 01:02:53,650

great guy Calvin Parker definitely read

1239

01:02:59,070 --> 01:02:55,900

the books are they're amazing the

1240

01:03:00,470 --> 01:02:59,080

Pascagoula case is one just continues to

1241

01:03:05,599 --> 01:03:00,480

fascinate

1242

01:03:08,680 --> 01:03:05,609

I delve into researching it through

1243

01:03:11,930 --> 01:03:08,690

books like those that he mentioned and

1244

01:03:16,370 --> 01:03:11,940

definitely check them out they are

1245

01:03:20,000 --> 01:03:16,380

amazing and until next time keep your

1246

01:03:50,900 --> 01:03:20,010

eyes to the skies feet on the ground but
