American magic delve into the

29

00:02:01,310 --> 00:01:58,680

differences between different cultures

30

00:02:05,560 --> 00:02:01,320

and their magical traditions and

31

00:02:08,210 --> 00:02:05,570

possibly even how this all equates into

32

00:02:11,540 --> 00:02:08,220

shapeshifter territory in northeastern

33

00:02:13,309 --> 00:02:11,550

Utah where the skinwalkers run free this

34

00:02:14,539 --> 00:02:13,319

could be interesting stuff in

35

00:02:16,520 --> 00:02:14,549

interesting territory to roam with

64

00:03:36,550 --> 00:03:31,379

mr. Gordon white welcome to the hero

65

00:03:39,129 --> 00:03:36,560

paranormal podcast oh that's great I'm

66

00:03:42,800 --> 00:03:39,139

so excited to talk to you I've been

67

00:03:44,990 --> 00:03:42,810

reading the Kaos protocols great book

68

00:03:46,520 --> 00:03:45,000

all of your books are very interesting I

69

00:03:49,509 --> 00:03:46,530

wanted to delve a little bit into them

70

00:03:53,599 --> 00:03:49,519

but not not be held or bound by that and

71

00:03:58,610 --> 00:03:53,609

I I wanted to discuss some other things

72

00:04:00,319 --> 00:03:58,620

that are going on and also discuss you

73

00:04:03,379 --> 00:04:00,329

know there's so there's so much it seems

74

00:04:08,300 --> 00:04:03,389

is at the forefront right now with magic

75

00:04:11,240 --> 00:04:08,310

and it's it's it's strange I wanted to

76

00:04:13,490 --> 00:04:11,250

get your opinion there's a lot of

77

00:04:18,289 --> 00:04:13,500

oddities going on take for example the

78

00:04:21,649 --> 00:04:18,299

bush fires in Australia and we we've had

79

00:04:24,050 --> 00:04:21,659

a new year and the the propaganda

80

00:04:26,160 --> 00:04:24,060

machine has just been off the chain I

81

00:04:28,230 --> 00:04:26,170

just wanted to get your opinion of of

82

00:04:31,080 --> 00:04:28,240

of how things are going in the current

83

00:04:36,300 --> 00:04:31,090

state in the world and and what that

84

00:04:37,200 --> 00:04:36,310

means to you um interesting so I would

85

00:04:39,030 --> 00:04:37,210

agree with you and they're on a

86

00:04:42,210 --> 00:04:39,040

propaganda front and and generally it's

87

00:04:44,190 --> 00:04:42,220

because a big part of or at least some

88

00:04:46,380 --> 00:04:44,200

part of it is that more people are

89

00:04:48,420 --> 00:04:46,390

starting to notice how much or how

90

00:04:50,550 --> 00:04:48,430

pervasive propaganda is as well as it's

91

00:04:52,050 --> 00:04:50,560

sort of being dialed up because at the

92

00:04:54,180 --> 00:04:52,060

moment it it's at levels of

93

00:04:57,270 --> 00:04:54,190

ridiculousness whether it's Russia gate

94

00:05:01,800 --> 00:04:57,280

or or reheated Russia gate or whatever

95

00:05:03,840 --> 00:05:01,810

else you want and fewer if you google

96

00:05:06,060 --> 00:05:03,850

being suckered in by it now what that

97

00:05:08,520 --> 00:05:06,070

means is the people who emits propaganda

98

00:05:10,140 --> 00:05:08,530

do so in a more and more shrill in a

99

00:05:11,790 --> 00:05:10,150

louder and louder way and that's

100

00:05:14,280 --> 00:05:11,800

probably going to continue at least

101

00:05:16,440 --> 00:05:14,290

until after the election because they

102

00:05:18,900 --> 00:05:16,450

don't actually know how to do anything

103

00:05:21,930 --> 00:05:18,910

else other than other than lie and just

104

00:05:24,510 --> 00:05:21,940

give you Fiat declarations of what

105

00:05:26,190 --> 00:05:24,520

reality actually is and and that appears

106

00:05:27,900 --> 00:05:26,200

to just be a thing that happens now is

107

00:05:30,360 --> 00:05:27,910

it so I'm very interested in different

108

00:05:32,640 --> 00:05:30,370

cycle models so astrology being the main

109

00:05:35,160 --> 00:05:32,650

one but also mountain Armstrong's a l

110

00:05:38,640 --> 00:05:35,170

called Socrates and how he uses the

111

00:05:40,980 --> 00:05:38,650

economic confidence model to to to hang

112

00:05:42,630 --> 00:05:40,990

different events in in time I guess it's

113

00:05:44,220 --> 00:05:42,640

a way of thinking about it and and you

114

00:05:47,430 --> 00:05:44,230

just look at of course any of the cycle

115

00:05:49,740 --> 00:05:47,440

models that are available and have held

116

00:05:51,060 --> 00:05:49,750

up to scrutiny and we're aware at a

117

00:05:52,950 --> 00:05:51,070

point where this kind of thing happens

118

00:05:55,110 --> 00:05:52,960

we're at a point where we get increasing

119

00:05:57,000 --> 00:05:55,120

polarization decrease in quality and

120

00:05:59,550 --> 00:05:57,010

governance and and that's just a thing

121

00:06:03,180 --> 00:05:59,560

that happens now it seems like it's it's

122

00:06:06,030 --> 00:06:03,190

been very well mapped out by people

123

00:06:08,520 --> 00:06:06,040

before us the signs were on the wall so

124

00:06:10,200 --> 00:06:08,530

to speak in many cases obviously a lot

125

00:06:13,290 --> 00:06:10,210

of things come to mind at the forefront

126  
00:06:14,970 --> 00:06:13,300  
what it could be something our Connacht

127  
00:06:17,790 --> 00:06:14,980  
the Demiurge how it applies to our

128  
00:06:20,550 --> 00:06:17,800  
social media television programming and

129  
00:06:24,630 --> 00:06:20,560  
and and all the time people spend in

130  
00:06:26,730 --> 00:06:24,640  
front or in that world is that the

131  
00:06:33,120 --> 00:06:26,740  
direction we're headed or is there a lot

132  
00:06:37,400 --> 00:06:33,130  
other possibilities well interesting

133  
00:06:38,999 --> 00:06:37,410  
question so that is the direction a

134  
00:06:40,980 --> 00:06:39,009  
certain

135  
00:06:42,749 --> 00:06:40,990  
level of the power elite would want us

136  
00:06:46,679 --> 00:06:42,759  
to head in which is a very technocratic

137  
00:06:48,059 --> 00:06:46,689  
and entirely managed way of existing but

138  
00:06:50,249 --> 00:06:48,069

I think more and more people because

139

00:06:51,779 --> 00:06:50,259

that is so it satisfactory it is you

140

00:06:53,760 --> 00:06:51,789

know it does things like shorten your

141

00:06:55,109 --> 00:06:53,770

life and give you depression and and all

142

00:06:57,149 --> 00:06:55,119

the other things that come with sort of

143

00:07:01,260 --> 00:06:57,159

over managed too much screen time etc

144

00:07:02,399 --> 00:07:01,270

etc so when people are looking to

145

00:07:05,279 --> 00:07:02,409

navigate

146

00:07:07,049 --> 00:07:05,289

I guess reality in general and they

147

00:07:08,760 --> 00:07:07,059

don't have and it doesn't necessarily

148

00:07:10,049 --> 00:07:08,770

need to be magical but they don't have

149

00:07:13,559 --> 00:07:10,059

what I would consider as efficiently

150

00:07:15,360 --> 00:07:13,569

haunted world view you two things happen

151  
00:07:16,649 --> 00:07:15,370  
either you don't have and the most

152  
00:07:20,159 --> 00:07:16,659  
important one is that you don't have I

153  
00:07:22,170 --> 00:07:20,169  
think a coherent set of tactics and

154  
00:07:23,760 --> 00:07:22,180  
approaches in your own life that you can

155  
00:07:25,439 --> 00:07:23,770  
use and it doesn't mean you have to do

156  
00:07:27,420 --> 00:07:25,449  
magic but you need to be aware that the

157  
00:07:29,459 --> 00:07:27,430  
universe is fundamentally spiritual in

158  
00:07:32,489 --> 00:07:29,469  
one way or the other and if you don't

159  
00:07:34,799 --> 00:07:32,499  
have that when it comes to trying to get

160  
00:07:36,799 --> 00:07:34,809  
a read on the power of politics or the

161  
00:07:38,999 --> 00:07:36,809  
geopolitics of our world

162  
00:07:42,469 --> 00:07:39,009  
without the spiritual component you will

163  
00:07:45,480 --> 00:07:42,479

over describe the impact of

164

00:07:47,070 --> 00:07:45,490

conspiratorial groups I guess here's one

165

00:07:49,709 --> 00:07:47,080

way of saying it so that without

166

00:07:53,639 --> 00:07:49,719

realizing that much of this stuff does

167

00:07:55,379 --> 00:07:53,649

emanate from the spiritual without

168

00:07:57,320 --> 00:07:55,389

realizing that then you end up over

169

00:08:00,779 --> 00:07:57,330

describing and giving too much power to

170

00:08:03,029 --> 00:08:00,789

purport a deep state or you know a

171

00:08:04,379 --> 00:08:03,039

classic Illuminati style group and it's

172

00:08:06,389 --> 00:08:04,389

not that these groups don't have power

173

00:08:09,799 --> 00:08:06,399

or don't exist it's that they are

174

00:08:12,269 --> 00:08:09,809

players operating in a universe that is

175

00:08:14,549 --> 00:08:12,279

fundamentally haunted for for one of a

176

00:08:15,989 --> 00:08:14,559

less dramatic world so for me it's a

177

00:08:17,339 --> 00:08:15,999

question of stacking and you can come at

178

00:08:20,939 --> 00:08:17,349

it from whichever angle and I don't

179

00:08:22,679 --> 00:08:20,949

necessarily mind by that beginning that

180

00:08:24,769 --> 00:08:22,689

the first thing one has to do is to

181

00:08:27,299 --> 00:08:24,779

realize and know in your bones that

182

00:08:28,199 --> 00:08:27,309

there is a spiritual reality one way or

183

00:08:29,339 --> 00:08:28,209

the other and in the book that you

184

00:08:31,079 --> 00:08:29,349

mentioned chaos protocol to have a

185

00:08:32,579 --> 00:08:31,089

chapter called becoming invisible which

186

00:08:34,139 --> 00:08:32,589

is specifically about that and the keys

187

00:08:37,800 --> 00:08:34,149

to have an exercise or an experience

188

00:08:39,209 --> 00:08:37,810

that is undeniably and I hate this term

189

00:08:42,360 --> 00:08:39,219

but we have to use it at this point

190

00:08:43,920 --> 00:08:42,370

undeniably supernatural so it just

191

00:08:45,809 --> 00:08:43,930

rattles you and you will never

192

00:08:47,550 --> 00:08:45,819

accidentally slip back into a

193

00:08:49,530 --> 00:08:47,560

materialist mode because once that

194

00:08:50,740 --> 00:08:49,540

happens you realize that you and

195

00:08:53,230 --> 00:08:50,750

everyone else is playing a much

196

00:08:56,050 --> 00:08:53,240

game and that necessarily changes your

197

00:08:59,260 --> 00:08:56,060

tactics and how you view the game board

198

00:09:04,540 --> 00:08:59,270

I suppose yeah that is the best chapter

199

00:09:06,970 --> 00:09:04,550

I love I just love it and there are a

200

00:09:10,240 --> 00:09:06,980

lot of great things in the book one of

201  
00:09:11,950 --> 00:09:10,250  
my favorite sayings is that in fact the

202  
00:09:14,470 --> 00:09:11,960  
question of how one becomes truly

203  
00:09:17,290 --> 00:09:14,480  
initiated in magic is perhaps the one

204  
00:09:20,230 --> 00:09:17,300  
you're asked more than any other my

205  
00:09:22,210 --> 00:09:20,240  
answer is always the same inevitably and

206  
00:09:24,810 --> 00:09:22,220  
I think that's a classic question which

207  
00:09:28,840 --> 00:09:24,820  
kind of brings up the next question

208  
00:09:31,270 --> 00:09:28,850  
herbs potions magic medicine and as long

209  
00:09:34,560 --> 00:09:31,280  
as it's been a part of our human

210  
00:09:37,300 --> 00:09:34,570  
existence on earth what is with the

211  
00:09:40,060 --> 00:09:37,310  
power elite are those in control who

212  
00:09:42,160 --> 00:09:40,070  
govern others usually forbidding this or

213  
00:09:44,770 --> 00:09:42,170

trying to turn a blind eye and almost

214

00:09:46,330 --> 00:09:44,780

make fun of it I think of that show I

215

00:09:48,310 --> 00:09:46,340

was waiting for something for a long

216

00:09:49,990 --> 00:09:48,320

time I'm really into remote viewing and

217

00:09:52,720 --> 00:09:50,000

I was waiting for that show to come out

218

00:09:54,820 --> 00:09:52,730

about the Stargate program and you know

219

00:09:57,250 --> 00:09:54,830

the men who stare at goats came out and

220

00:10:01,060 --> 00:09:57,260

I was so excited but then of course it's

221

00:10:03,460 --> 00:10:01,070

a comedy it's it's almost a way of

222

00:10:05,620 --> 00:10:03,470

declassifying something with humor so

223

00:10:07,630 --> 00:10:05,630

that it's completely ignored yet still

224

00:10:11,380 --> 00:10:07,640

coming out with it what what is the

225

00:10:12,579 --> 00:10:11,390

reason for that um it's a really it's a

226

00:10:15,760 --> 00:10:12,589

really good question and it comes back

227

00:10:17,440 --> 00:10:15,770

to I have this saying that Gnosticism is

228

00:10:20,530 --> 00:10:17,450

the map animism is the territory which

229

00:10:22,240 --> 00:10:20,540

is my version of there does appear to be

230

00:10:24,340 --> 00:10:22,250

at least in the West because here's the

231

00:10:26,860 --> 00:10:24,350

thing and you know putting quotation

232

00:10:29,829 --> 00:10:26,870

marks around the West here's the thing

233

00:10:32,560 --> 00:10:29,839

if you look at power elite around the

234

00:10:34,600 --> 00:10:32,570

worlds relationship to magic and

235

00:10:36,160 --> 00:10:34,610

herblore and things that can purportedly

236

00:10:38,410 --> 00:10:36,170

heal or extend your life you have

237

00:10:40,870 --> 00:10:38,420

Chinese alchemy which was practiced on

238

00:10:43,120 --> 00:10:40,880

and by Emperor's and so on so there and

239

00:10:46,829 --> 00:10:43,130

same thing with Kings and Vedic India

240

00:10:49,630 --> 00:10:46,839

and whatever so it's pretty much been a

241

00:10:51,910 --> 00:10:49,640

Roman suspicion and squeamishness about

242

00:10:53,230 --> 00:10:51,920

magics and Christianity inherited

243

00:10:54,640 --> 00:10:53,240

because we think it was Christianity

244

00:10:56,950 --> 00:10:54,650

that didn't like my chicken it doesn't

245

00:10:58,540 --> 00:10:56,960

but it largely inherited and didn't

246

00:11:01,030 --> 00:10:58,550

change any of the Roman laws

247

00:11:02,410 --> 00:11:01,040

circumscribing the use of soothsayers

248

00:11:04,300 --> 00:11:02,420

and astrology and what-have-you

249

00:11:06,910 --> 00:11:04,310

which you know I'm criminalized in

250

00:11:09,400 --> 00:11:06,920

various cities around run around in the

251  
00:11:12,400 --> 00:11:09,410  
Roman Empire so we've kind of had a

252  
00:11:15,750 --> 00:11:12,410  
legacy of Roman squeamishness about

253  
00:11:18,129 --> 00:11:15,760  
magic and and that's been inherited for

254  
00:11:19,720 --> 00:11:18,139  
well 2,000 years ago it would take it is

255  
00:11:23,230 --> 00:11:19,730  
slightly different from about the mid

256  
00:11:26,319 --> 00:11:23,240  
20th century in the US and the rise of

257  
00:11:28,060 --> 00:11:26,329  
the kind of national security state that

258  
00:11:29,860 --> 00:11:28,070  
happened in conjunction with whatever

259  
00:11:31,150 --> 00:11:29,870  
Roswell was and all the other kind of

260  
00:11:33,639 --> 00:11:31,160  
post-world War two

261  
00:11:35,410 --> 00:11:33,649  
mysterious things to do with you know

262  
00:11:38,759 --> 00:11:35,420  
paperclip and all the rest of it's very

263  
00:11:41,470 --> 00:11:38,769

well picked over area but clearly a

264

00:11:43,329 --> 00:11:41,480

either a realization or an event

265

00:11:45,790 --> 00:11:43,339

happened in the late 40s that

266

00:11:48,660 --> 00:11:45,800

necessitated the build-out of a whole

267

00:11:51,400 --> 00:11:48,670

kind of like classified world and

268

00:11:54,220 --> 00:11:51,410

whatever you think Roswell all those

269

00:11:55,870 --> 00:11:54,230

things happen to be in arguably in

270

00:11:58,060 --> 00:11:55,880

Stargate the Stargate program is a good

271

00:12:00,970 --> 00:11:58,070

example of this and arguably there are

272

00:12:03,460 --> 00:12:00,980

people who are at a senior level in a

273

00:12:05,379 --> 00:12:03,470

purported deep state or shadow state who

274

00:12:07,900 --> 00:12:05,389

are well aware of things that we would

275

00:12:11,290 --> 00:12:07,910

call magic having some reality to them

276

00:12:14,290 --> 00:12:11,300

and we're actively trying to and still

277

00:12:16,090 --> 00:12:14,300

are actively trying to make sure that we

278

00:12:17,560 --> 00:12:16,100

don't actually sit with the implications

279

00:12:19,439 --> 00:12:17,570

of that and in the case of remote

280

00:12:23,829 --> 00:12:19,449

viewing it's because it's [h\_\_\h] easy

281

00:12:25,650 --> 00:12:23,839

and if people can read inside you know

282

00:12:28,870 --> 00:12:25,660

which they can if people can read inside

283

00:12:30,430 --> 00:12:28,880

classified bolts it's a whole new

284

00:12:31,960 --> 00:12:30,440

security game right and I think you're

285

00:12:33,730 --> 00:12:31,970

coming back to the minitor code it's a

286

00:12:37,050 --> 00:12:33,740

great film but as you say oh how

287

00:12:38,829 --> 00:12:37,060

interesting what should be a fundamental

288

00:12:40,720 --> 00:12:38,839

game-changer for people who are

289

00:12:42,880 --> 00:12:40,730

philosophically inclined which is to say

290

00:12:46,030 --> 00:12:42,890

how model of mind equals brain is

291

00:12:47,530 --> 00:12:46,040

entirely wrong came out as a comedy so

292

00:12:49,329 --> 00:12:47,540

that you can kind of laugh at it and go

293

00:12:52,030 --> 00:12:49,339

it wasn't that wacky and fun and it is a

294

00:12:56,769 --> 00:12:52,040

fun movie but wasn't that lucky in fun

295

00:13:01,030 --> 00:12:56,779

yea those silly guys and it's it's it's

296

00:13:03,160 --> 00:13:01,040

so true it is the Western Way of just

297

00:13:05,829 --> 00:13:03,170

the public relations and spin involved

298

00:13:08,019 --> 00:13:05,839

is so good in some of these especially

299

00:13:10,809 --> 00:13:08,029

with Hollywood it's one of those things

300

00:13:12,579 --> 00:13:10,819

we just can't get away from a question I

301  
00:13:15,710 --> 00:13:12,589  
wanted to ask you that is a little off

302  
00:13:18,170 --> 00:13:15,720  
topic beckons a bit of Native American

303  
00:13:20,569 --> 00:13:18,180  
or witchcraft and magic as well

304  
00:13:22,759 --> 00:13:20,579  
something I'm very interested in the

305  
00:13:26,480 --> 00:13:22,769  
skinwalker culture and these

306  
00:13:29,059 --> 00:13:26,490  
quote-unquote hitchhikers that when in

307  
00:13:31,160 --> 00:13:29,069  
said locations or hotspots of

308  
00:13:34,699 --> 00:13:31,170  
high-energy quote-unquote portal

309  
00:13:36,139 --> 00:13:34,709  
activity that these hitchhikers or

310  
00:13:37,970 --> 00:13:36,149  
spirits you don't want to come home with

311  
00:13:40,879 --> 00:13:37,980  
you and of course there's magic medicine

312  
00:13:43,790 --> 00:13:40,889  
and things you can do to ward this off

313  
00:13:46,069 --> 00:13:43,800

but this is something that we are

314

00:13:48,290 --> 00:13:46,079

hearing about more and more often it

315

00:13:51,439 --> 00:13:48,300

didn't used to be as popular and I think

316

00:13:56,480 --> 00:13:51,449

it is a reality to some level what if

317

00:13:58,879 --> 00:13:56,490

anything is the consistency in like that

318

00:14:00,829 --> 00:13:58,889

the rise in this where it used to just

319

00:14:04,819 --> 00:14:00,839

be shrugged off is this an acceptance

320

00:14:08,030 --> 00:14:04,829

that magic is real yeah

321

00:14:08,480 --> 00:14:08,040

and it's better late than never I

322

00:14:12,230 --> 00:14:08,490

suppose

323

00:14:14,030 --> 00:14:12,240

oh the idea that to be in magically

324

00:14:16,400 --> 00:14:14,040

charged areas or to do magically charged

325

00:14:18,559 --> 00:14:16,410

things attract look let's just take evil

326

00:14:20,590 --> 00:14:18,569

spirits right is if universally attested

327

00:14:23,509 --> 00:14:20,600

so I've actually just finished up a

328

00:14:26,319 --> 00:14:23,519

several day ayahuasca retreat with a

329

00:14:29,090 --> 00:14:26,329

properly trained shaman and and she

330

00:14:31,309 --> 00:14:29,100

spent a lot of the time that we're in

331

00:14:33,079 --> 00:14:31,319

ceremony essentially shoring up the

332

00:14:35,509 --> 00:14:33,089

boundaries of the ceremony area because

333

00:14:37,009 --> 00:14:35,519

the the shaman sort of principle role in

334

00:14:38,600 --> 00:14:37,019

testing that and it's an overused term

335

00:14:41,119 --> 00:14:38,610

but we'll use it like this between the

336

00:14:42,769 --> 00:14:41,129

worldspace active is to make sure that

337

00:14:44,420 --> 00:14:42,779

once you open something like that uh oh

338

00:14:46,999 --> 00:14:44,430

these are stuff that you want to come

339

00:14:48,559 --> 00:14:47,009

through comes through and and so if you

340

00:14:50,090 --> 00:14:48,569

don't have those skills or if you're

341

00:14:51,949 --> 00:14:50,100

unaware that that's what happens in

342

00:14:54,499 --> 00:14:51,959

magically charged areas or environments

343

00:14:57,410 --> 00:14:54,509

then yeah you pick up some some Gerstner

344

00:14:59,150 --> 00:14:57,420

and and that if you just look at magical

345

00:15:00,230 --> 00:14:59,160

practices not just the ones that have

346

00:15:01,549 --> 00:15:00,240

come down to it's throughout the West

347

00:15:04,629 --> 00:15:01,559

but if you look horizontally around the

348

00:15:08,299 --> 00:15:04,639

world the majority of it is this kind of

349

00:15:09,860 --> 00:15:08,309

banishing and and and placed protection

350

00:15:12,139 --> 00:15:09,870

and home protection and so on because

351  
00:15:14,749 --> 00:15:12,149  
again coming back to once you realize

352  
00:15:20,150 --> 00:15:14,759  
you're in a fundamental there I say

353  
00:15:22,189 --> 00:15:20,160  
crowded universe it there are tactics

354  
00:15:23,629 --> 00:15:22,199  
that you kind of sort of implications of

355  
00:15:25,999 --> 00:15:23,639  
that like there's the tactics flow on

356  
00:15:28,460 --> 00:15:26,009  
and one of them is you know brute

357  
00:15:29,420 --> 00:15:28,470  
energetic hygiene in that sense and and

358  
00:15:31,850 --> 00:15:29,430  
I think

359  
00:15:33,890 --> 00:15:31,860  
a lot of the scarier events that

360  
00:15:36,260 --> 00:15:33,900  
happened in that overlap between the

361  
00:15:39,590 --> 00:15:36,270  
sort of 40 in or paranormal world and

362  
00:15:41,590 --> 00:15:39,600  
magic are definitely better understood

363  
00:15:45,110 --> 00:15:41,600

at least initially through that frame of

364

00:15:47,810 --> 00:15:45,120

well what would your energetic I dream

365

00:15:50,140 --> 00:15:47,820

like and I think you just hit on

366

00:15:54,110 --> 00:15:50,150

something that when I first became

367

00:15:57,290 --> 00:15:54,120

hooked on this enigma which was really

368

00:15:59,920 --> 00:15:57,300

just light shows and energies and balls

369

00:16:02,990 --> 00:15:59,930

of light and just amazing you know

370

00:16:04,760 --> 00:16:03,000

things manifesting and lights opening up

371

00:16:07,460 --> 00:16:04,770

in the sky and things coming in and out

372

00:16:09,470 --> 00:16:07,470

of them just barely off the ground these

373

00:16:14,270 --> 00:16:09,480

are things that other researchers quite

374

00:16:16,910 --> 00:16:14,280

a few have seen and it's very strange

375

00:16:19,670 --> 00:16:16,920

Gordon because like you said when I

376

00:16:24,110 --> 00:16:19,680

found this out and it was way too late

377

00:16:25,940 --> 00:16:24,120

it was a it was almost like a quarantine

378

00:16:28,820 --> 00:16:25,950

moment where I realized that was like

379

00:16:32,110 --> 00:16:28,830

giving a monkey a machine gun you know I

380

00:16:35,120 --> 00:16:32,120

had no right to hear the implications

381

00:16:36,710 --> 00:16:35,130

well I mean good I mean that's that's a

382

00:16:39,620 --> 00:16:36,720

becoming invincible moment because now

383

00:16:40,940 --> 00:16:39,630

it is it's so big to start with and of

384

00:16:43,070 --> 00:16:40,950

course you wouldn't I mean how we're

385

00:16:46,160 --> 00:16:43,080

just not good enough at growing people

386

00:16:47,960 --> 00:16:46,170

up in cultures that are aware of it but

387

00:16:49,910 --> 00:16:47,970

I think that's changing and if you look

388

00:16:50,870 --> 00:16:49,920

at I mean let's be honest it could have

389

00:16:53,270 --> 00:16:50,880

been worse one of the things that

390

00:16:56,060 --> 00:16:53,280

interests me in the sort of classic long

391

00:16:57,860 --> 00:16:56,070

term UFO cases if people don't have a

392

00:16:59,240 --> 00:16:57,870

spiritual practice there there's a high

393

00:17:01,310 --> 00:16:59,250

correlation between that and early

394

00:17:01,820 --> 00:17:01,320

deaths from things like cancer or or

395

00:17:03,290 --> 00:17:01,830

what-have-you

396

00:17:06,680 --> 00:17:03,300

so we kind of know that there's like

397

00:17:09,140 --> 00:17:06,690

there's a bad health diagnosis cohort

398

00:17:10,340 --> 00:17:09,150

amongst experiences and encounter

399

00:17:12,800 --> 00:17:10,350

examples would be someone like Whitley

400

00:17:14,810 --> 00:17:12,810

Strieber who even before is his initial

401

00:17:16,370 --> 00:17:14,820

encounters with big on the Gurdjieff

402

00:17:19,220 --> 00:17:16,380

material so you know he's been doing

403

00:17:22,550 --> 00:17:19,230

energetic work for 50 years and he's

404

00:17:23,840 --> 00:17:22,560

still here right and if you look at some

405

00:17:25,960 --> 00:17:23,850

of the other stuff that's repeated

406

00:17:29,870 --> 00:17:25,970

contact with things that we don't really

407

00:17:31,640 --> 00:17:29,880

have an adequate name for because of

408

00:17:35,210 --> 00:17:31,650

historical reasons to do with

409

00:17:37,190 --> 00:17:35,220

materialism and so on there's probably

410

00:17:38,420 --> 00:17:37,200

something to it and and I kind of when I

411

00:17:40,070 --> 00:17:38,430

checked to people who are ongoing

412

00:17:42,810 --> 00:17:40,080

experiences I try to get a feel for

413

00:17:45,690 --> 00:17:42,820

their energetic hygiene practice

414

00:17:47,190 --> 00:17:45,700

until they have a do they have wards

415

00:17:49,769 --> 00:17:47,200

around their house and that kind of

416

00:17:51,740 --> 00:17:49,779

thing and and invariably they don't and

417

00:17:54,720 --> 00:17:51,750

that simply wouldn't be the case

418

00:17:56,909 --> 00:17:54,730

anywhere else or anywhere else around

419

00:17:58,620 --> 00:17:56,919

the world including our own kind of like

420

00:18:04,440 --> 00:17:58,630

Northwest European cultures up until

421

00:18:08,070 --> 00:18:04,450

about 300 years ago so we we sort of

422

00:18:12,389 --> 00:18:08,080

feared from dare I say some health

423

00:18:15,710 --> 00:18:12,399

practices that we should bring back my

424

00:18:19,950 --> 00:18:15,720

interest is extremely peak now Gordon I

425

00:18:21,810 --> 00:18:19,960

and I that brings up another question

426

00:18:25,139 --> 00:18:21,820

but I don't want to veer off of this

427

00:18:28,049 --> 00:18:25,149

road too far something I've noticed and

428

00:18:29,909 --> 00:18:28,059

I don't know I guess talismans amulets

429

00:18:32,490 --> 00:18:29,919

things of that nature things that you

430

00:18:35,960 --> 00:18:32,500

pick up during your life I have noticed

431

00:18:38,669 --> 00:18:35,970

some of the strangest ones that I

432

00:18:43,440 --> 00:18:38,679

wouldn't have expected have some of the

433

00:18:45,360 --> 00:18:43,450

strangest correlations to activity but

434

00:18:49,919 --> 00:18:45,370

coming back to what we were just talking

435

00:18:57,269 --> 00:18:49,929

about the what you were mentioning could

436

00:19:02,460 --> 00:18:57,279

you go into detail a bit about that as

437

00:19:06,330 --> 00:19:02,470

far as the hygiene and the the how it

438

00:19:09,450 --> 00:19:06,340

applies to our well I guess it's to to

439

00:19:13,499 --> 00:19:09,460

to our spirituality and our well

440

00:19:16,230 --> 00:19:13,509

consider we used to do things like pray

441

00:19:18,060 --> 00:19:16,240

every night and before bed and go to

442

00:19:19,649 --> 00:19:18,070

church and we used to have witches

443

00:19:23,039 --> 00:19:19,659

bottles that we'd bury underneath our

444

00:19:25,110 --> 00:19:23,049

hearts or or make little markings you

445

00:19:27,600 --> 00:19:25,120

know above the fireplace or any of these

446

00:19:30,930 --> 00:19:27,610

kind of you know throwing salt planting

447

00:19:33,539 --> 00:19:30,940

lavender - or rosemary rather to protect

448

00:19:36,269 --> 00:19:33,549

against witchcraft and all these little

449

00:19:39,869 --> 00:19:36,279

folk customs that because we decided

450

00:19:42,240 --> 00:19:39,879

they were cute and quaint and primitive

451  
00:19:44,009 --> 00:19:42,250  
we just stopped doing because 300 years

452  
00:19:46,560 --> 00:19:44,019  
ago we had the Enlightenment and and a

453  
00:19:48,210 --> 00:19:46,570  
whole bunch of waste coated white men

454  
00:19:50,430 --> 00:19:48,220  
told us that the only thing that exists

455  
00:19:52,169 --> 00:19:50,440  
was matter and so we sort of abandoned

456  
00:19:53,850 --> 00:19:52,179  
these practices that in the case of

457  
00:19:56,850 --> 00:19:53,860  
things like the correlations

458  
00:19:58,950 --> 00:19:56,860  
Queen rosemary and witchcraft may well

459  
00:20:01,980 --> 00:19:58,960  
go back to literally the Neolithic and

460  
00:20:03,419 --> 00:20:01,990  
so we have these long-lived customs and

461  
00:20:07,980 --> 00:20:03,429  
relationships that we just spent three

462  
00:20:09,180 --> 00:20:07,990  
hundred years ignoring and and look and

463  
00:20:10,560 --> 00:20:09,190

the interesting thing about it is when

464

00:20:12,330 --> 00:20:10,570

when people kind of sit with those

465

00:20:13,590 --> 00:20:12,340

realizations I'm sure people listen to

466

00:20:15,600 --> 00:20:13,600

this show the majority of them would

467

00:20:19,200 --> 00:20:15,610

have and I don't care what kind some

468

00:20:21,900 --> 00:20:19,210

kind of spiritual kinda like view on the

469

00:20:24,030 --> 00:20:21,910

world right and so it might be the case

470

00:20:27,230 --> 00:20:24,040

okay yeah I'm driving on this I'm

471

00:20:30,030 --> 00:20:27,240

getting what you're saying I am going to

472

00:20:31,710 --> 00:20:30,040

go and buy a house blessing kit from

473

00:20:33,000 --> 00:20:31,720

from a nearby Britannica and they find

474

00:20:35,190 --> 00:20:33,010

it it's the easiest thing in the world

475

00:20:37,560 --> 00:20:35,200

for whatever reason place protection is

476

00:20:39,240 --> 00:20:37,570

comes naturally to anyone it is not a

477

00:20:41,280 --> 00:20:39,250

different but difficult kind of magic

478

00:20:42,720 --> 00:20:41,290

and and and it's something probably

479

00:20:45,630 --> 00:20:42,730

because if the thing humans are meant to

480

00:20:47,340 --> 00:20:45,640

do is part of making habitat right and

481

00:20:49,440 --> 00:20:47,350

and people do that and they

482

00:20:51,390 --> 00:20:49,450

fundamentally have a change in the dream

483

00:20:52,980 --> 00:20:51,400

state particularly for people who have

484

00:20:54,570 --> 00:20:52,990

persistent nightmares one day I was

485

00:20:56,430 --> 00:20:54,580

talking to would have hag attacks which

486

00:20:58,289 --> 00:20:56,440

happened to me as a child but they

487

00:21:00,450 --> 00:20:58,299

typically end as you head into puberty

488

00:21:01,409 --> 00:21:00,460

and he was having a reason early 30s

489

00:21:02,520 --> 00:21:01,419

when we met and he was still getting

490

00:21:03,659 --> 00:21:02,530

them so I told him have been house

491

00:21:04,799 --> 00:21:03,669

blessing kits when he went off and

492

00:21:07,289 --> 00:21:04,809

bought one and he hasn't had one since

493

00:21:10,740 --> 00:21:07,299

and that was three or four years ago so

494

00:21:12,570 --> 00:21:10,750

it's people will notice a night-and-day

495

00:21:13,860 --> 00:21:12,580

difference just by doing something as

496

00:21:15,990 --> 00:21:13,870

simple as literally buying an

497

00:21:18,659 --> 00:21:16,000

off-the-shelf house protection kit from

498

00:21:22,770 --> 00:21:18,669

a Botanica and just using it right and

499

00:21:24,450 --> 00:21:22,780

and that is that is worth thinking about

500

00:21:26,789 --> 00:21:24,460

that's we're thinking about why that is

501  
00:21:28,500 --> 00:21:26,799  
so except effective in materially

502  
00:21:30,570 --> 00:21:28,510  
changing something like persistent

503  
00:21:33,690 --> 00:21:30,580  
nightmares or sense of gloom and

504  
00:21:37,560 --> 00:21:33,700  
depression in in a house or a home or an

505  
00:21:40,260 --> 00:21:37,570  
area yeah I remember the first time that

506  
00:21:42,840 --> 00:21:40,270  
it was actually in the Uintah Basin of

507  
00:21:44,490 --> 00:21:42,850  
Utah near an area called well that near

508  
00:21:47,880 --> 00:21:44,500  
a shape-shifter territory where these

509  
00:21:52,680 --> 00:21:47,890  
tricksters just love to just engage

510  
00:21:55,230 --> 00:21:52,690  
right and I remember and I'm the I

511  
00:21:58,890 --> 00:21:55,240  
honestly lived a good 25 minutes away

512  
00:22:02,610 --> 00:21:58,900  
from this place and that's a fast route

513  
00:22:06,299 --> 00:22:02,620

and I thought I was free and clear well

514

00:22:07,620 --> 00:22:06,309

it the first time somebody said you know

515

00:22:10,169 --> 00:22:07,630

what is this around your house

516

00:22:14,460 --> 00:22:10,179

and I said salt and they looked at me

517

00:22:16,799 --> 00:22:14,470

like I was crazy and they said that must

518

00:22:19,740 --> 00:22:16,809

be for the bugs right and it just kind

519

00:22:25,110 --> 00:22:19,750

of hit me like woah thank you sort of

520

00:22:27,600 --> 00:22:25,120

yeah reminded me a little bit of Tom

521

00:22:31,440 --> 00:22:27,610

DeLonge into the Stars Academy it's a

522

00:22:34,140 --> 00:22:31,450

great name the others or the bugs the

523

00:22:36,450 --> 00:22:34,150

what are your thoughts and I'm neither

524

00:22:38,940 --> 00:22:36,460

here nor there I'm a um I'm I'm a

525

00:22:41,850 --> 00:22:38,950

spectator only in this in how it applies

526  
00:22:44,730 --> 00:22:41,860  
to the Stars Academy there's good things

527  
00:22:49,230 --> 00:22:44,740  
and bad things I think about these years

528  
00:22:52,350 --> 00:22:49,240  
really 2019 was a huge year for UFO

529  
00:22:55,230 --> 00:22:52,360  
disclosure or at least skirting around

530  
00:22:58,110 --> 00:22:55,240  
it in retrospect it might not be I think

531  
00:23:00,600 --> 00:22:58,120  
a lot of it so it the to the stars stuff

532  
00:23:03,029 --> 00:23:00,610  
I think was propaganda designed to be

533  
00:23:05,399 --> 00:23:03,039  
associated with a Clinton presidency

534  
00:23:07,049 --> 00:23:05,409  
that never happened and and it was

535  
00:23:08,669 --> 00:23:07,059  
supposed to be the air cover for where

536  
00:23:12,029 --> 00:23:08,679  
all these devices and flying saucers

537  
00:23:13,649 --> 00:23:12,039  
that the military-industrial complex is

538  
00:23:15,419 --> 00:23:13,659

clearly built especially air cover for

539

00:23:16,890 --> 00:23:15,429

that because they were presumably going

540

00:23:20,149 --> 00:23:16,900

to use them in into Russia in a war

541

00:23:23,399 --> 00:23:20,159

right and so it's sort of been this

542

00:23:27,539 --> 00:23:23,409

abandoned stepchild disclosure project

543

00:23:29,370 --> 00:23:27,549

that is and it and diminishing in use or

544

00:23:32,669 --> 00:23:29,380

utility I think they gave it a shot by

545

00:23:37,350 --> 00:23:32,679

2018 early 2019 but you've seen the walk

546

00:23:39,000 --> 00:23:37,360

backs of this guy you know yes he worked

547

00:23:41,940 --> 00:23:39,010

for it no he didn't know he didn't do

548

00:23:45,049 --> 00:23:41,950

this yes he did this and so you can I

549

00:23:47,669 --> 00:23:45,059

have this mess

550

00:23:49,380 --> 00:23:47,679

yeah an abandoned stepchild of

551  
00:23:51,060 --> 00:23:49,390  
disclosure right and I think it's

552  
00:23:53,640 --> 00:23:51,070  
because whenever we get disclosure it

553  
00:23:55,980 --> 00:23:53,650  
will be because it has a geostrategic

554  
00:23:57,210 --> 00:23:55,990  
purpose it won't just be the public has

555  
00:23:58,880 --> 00:23:57,220  
a right to know the public doesn't have

556  
00:24:01,529 --> 00:23:58,890  
a right to know anything it never has

557  
00:24:03,060 --> 00:24:01,539  
we're peasants to them like if they

558  
00:24:06,630 --> 00:24:03,070  
could kill us and they're trying and

559  
00:24:08,789 --> 00:24:06,640  
they would so when we do get it it's

560  
00:24:11,039 --> 00:24:08,799  
gross and I think that's been the

561  
00:24:12,750 --> 00:24:11,049  
situation with something like to the

562  
00:24:15,090 --> 00:24:12,760  
Stars and it's just coming back to the

563  
00:24:16,950 --> 00:24:15,100

initial question of its the thing that

564

00:24:19,560 --> 00:24:16,960

happens now there are some longer

565

00:24:21,660 --> 00:24:19,570

astrological cycles that

566

00:24:23,850 --> 00:24:21,670

would suggest that events like the to

567

00:24:25,970 --> 00:24:23,860

the stars Academy and the abandoned

568

00:24:29,010 --> 00:24:25,980

stepchild version of disclosure

569

00:24:30,750 --> 00:24:29,020

happening would happen now write longer

570

00:24:32,580 --> 00:24:30,760

cycles to do with triplicities moving

571

00:24:33,840 --> 00:24:32,590

from an earth went to an air one and all

572

00:24:37,830 --> 00:24:33,850

this other stuff that I talk about on

573

00:24:41,790 --> 00:24:37,840

the show sometimes and so again I think

574

00:24:43,590 --> 00:24:41,800

without a a robust model of dare I say

575

00:24:46,020 --> 00:24:43,600

like a living or haunted universe as

576

00:24:48,300 --> 00:24:46,030

your step one I think we either put too

577

00:24:50,010 --> 00:24:48,310

little or too much emphasis because the

578

00:24:52,320 --> 00:24:50,020

funny thing is from a from a cycle model

579

00:24:54,420 --> 00:24:52,330

or a wanted universe perspective to the

580

00:24:56,190 --> 00:24:54,430

started and up but it's an up that

581

00:24:58,020 --> 00:24:56,200

happens because these are the things

582

00:25:00,960 --> 00:24:58,030

that happen now so it's also a proof of

583

00:25:04,170 --> 00:25:00,970

a thing and that's I think more useful

584

00:25:06,510 --> 00:25:04,180

more useful perspective on whether or

585

00:25:09,930 --> 00:25:06,520

not to form an opinion on if it's good

586

00:25:12,680 --> 00:25:09,940

and bad if it's good or bad as an active

587

00:25:17,660 --> 00:25:12,690

disclosure I hope that makes sense

588

00:25:20,490 --> 00:25:17,670

absolutely and I'm completely with that

589

00:25:24,000 --> 00:25:20,500

things happen now and it's a thing and

590

00:25:27,720 --> 00:25:24,010

and and this this entire trump

591

00:25:30,930 --> 00:25:27,730

presidency may be one of those things we

592

00:25:35,550 --> 00:25:30,940

see a whole adjustment from the

593

00:25:38,940 --> 00:25:35,560

conspiracy side with Keck and a frog and

594

00:25:41,640 --> 00:25:38,950

a meme and me magic and then all sudden

595

00:25:44,370 --> 00:25:41,650

we hear that word and it perfectly

596

00:25:46,220 --> 00:25:44,380

explains the rest of the consequences to

597

00:25:50,970 --> 00:25:46,230

the election nothing made sense

598

00:25:54,600 --> 00:25:50,980

everything was a mess and then it's made

599

00:25:58,320 --> 00:25:54,610

great again and nobody it was the

600

00:26:00,000 --> 00:25:58,330

weirdest thing ever but coming back to

601  
00:26:02,130 --> 00:26:00,010  
where we were talking about Gordon I

602  
00:26:05,220 --> 00:26:02,140  
don't think you could be more accurate

603  
00:26:07,440 --> 00:26:05,230  
and how you described that the the

604  
00:26:09,390 --> 00:26:07,450  
competitive nature of society and how

605  
00:26:13,020 --> 00:26:09,400  
its based around this false narrative of

606  
00:26:15,540 --> 00:26:13,030  
the federal reserve system and those who

607  
00:26:18,030 --> 00:26:15,550  
are relentlessly after success will

608  
00:26:19,770 --> 00:26:18,040  
always use whatever they can and it

609  
00:26:22,680 --> 00:26:19,780  
seems like they are using these works in

610  
00:26:25,020 --> 00:26:22,690  
these magics this medicine from a native

611  
00:26:27,690 --> 00:26:25,030  
perspective and so when I hear people

612  
00:26:29,520 --> 00:26:27,700  
that don't believe the elites are using

613  
00:26:31,770 --> 00:26:29,530

magic I'm blown away it embarrassing

614

00:26:33,960 --> 00:26:31,780

right yeah what

615

00:26:36,930 --> 00:26:33,970

how you just did yeah I don't think

616

00:26:38,370 --> 00:26:36,940

people who've sent with you think just

617

00:26:40,740 --> 00:26:38,380

there's a failure to understand history

618

00:26:45,120 --> 00:26:40,750

right there because it's just simply it

619

00:26:50,310 --> 00:26:45,130

is like historically incorrect why is it

620

00:26:53,010 --> 00:26:50,320

that the one or the few with the

621

00:26:55,740 --> 00:26:53,020

differences the bloodline or the elite

622

00:26:57,750 --> 00:26:55,750

have always had information or it always

623

00:26:59,250 --> 00:26:57,760

reminds me of the Baphomet you know

624

00:27:01,680 --> 00:26:59,260

they're weighing the positive and the

625

00:27:04,230 --> 00:27:01,690

negative or they're they're doing as

626

00:27:08,010 --> 00:27:04,240

they are told but this has been done

627

00:27:10,410 --> 00:27:08,020

it's really performing magic over the

628

00:27:12,870 --> 00:27:10,420

entire populace this has been done for

629

00:27:16,140 --> 00:27:12,880

generations and I wanted to bring

630

00:27:18,210 --> 00:27:16,150

something people attacking others who

631

00:27:20,400 --> 00:27:18,220

this is this is what we hear about on

632

00:27:22,620 --> 00:27:20,410

the reservation which is I know this is

633

00:27:24,390 --> 00:27:22,630

we're gonna take a huge sidetrack here

634

00:27:27,510 --> 00:27:24,400

people attacking out it's the same story

635

00:27:30,870 --> 00:27:27,520

here anywhere others who have things

636

00:27:34,980 --> 00:27:30,880

they want and doing so through damaging

637

00:27:38,460 --> 00:27:34,990

consequences magic and basically what

638

00:27:40,800 --> 00:27:38,470

we're talking about in any elite VIP

639

00:27:42,870 --> 00:27:40,810

usually the top of the pyramid

640

00:27:45,930 --> 00:27:42,880

are the most suspect but I don't wanna I

641

00:27:47,880 --> 00:27:45,940

don't want to end up you know like the

642

00:27:50,040 --> 00:27:47,890

bottom of the pyramid so let me let me

643

00:27:54,120 --> 00:27:50,050

switch faces here and go into ethnic

644

00:27:56,940 --> 00:27:54,130

Jen's magic and traveling and the

645

00:27:59,040 --> 00:27:56,950

messages and how everyone rips you a new

646

00:28:01,500 --> 00:27:59,050

one when you even mention the connection

647

00:28:03,600 --> 00:28:01,510

or the word eff Nia Jen the first time I

648

00:28:07,520 --> 00:28:03,610

mentioned it everybody immediately it

649

00:28:10,860 --> 00:28:07,530

goes into are you a druggie and the

650

00:28:15,060 --> 00:28:10,870

interesting thing is nobody disputes

651  
00:28:17,790 --> 00:28:15,070  
what happens after the taking of said

652  
00:28:19,650 --> 00:28:17,800  
substance they dispute the taking of it

653  
00:28:21,570 --> 00:28:19,660  
which is the strangest thing ever

654  
00:28:23,130 --> 00:28:21,580  
what are your thoughts on that and how

655  
00:28:25,620 --> 00:28:23,140  
its kind of been defined by the

656  
00:28:27,480 --> 00:28:25,630  
government here and and and yet we were

657  
00:28:29,490 --> 00:28:27,490  
the ones that have probably manipulated

658  
00:28:33,810 --> 00:28:29,500  
it used it on the populace the most I

659  
00:28:38,100 --> 00:28:33,820  
know that both the Nazis and then the

660  
00:28:40,620 --> 00:28:38,110  
early precursor to the CIA investigated

661  
00:28:41,940 --> 00:28:40,630  
the use of peyote as an truth zero so

662  
00:28:43,750 --> 00:28:41,950  
that was the sort of first one right

663  
00:28:46,270 --> 00:28:43,760

once it went to German as opposed

664

00:28:49,660 --> 00:28:46,280

counted in the late 19th century in the

665

00:28:52,300 --> 00:28:49,670

US so the first one but in the kind of

666

00:28:57,840 --> 00:28:52,310

post-war period if you look at the use

667

00:29:00,400 --> 00:28:57,850

of things like LSD you can see that the

668

00:29:01,870 --> 00:29:00,410

most of its production was done by

669

00:29:03,910 --> 00:29:01,880

intelligence agencies and it was kind of

670

00:29:05,940 --> 00:29:03,920

farmed out through the colleges and

671

00:29:08,470 --> 00:29:05,950

universities in the land it's a mass

672

00:29:10,870 --> 00:29:08,480

experiment in mind control of mind

673

00:29:13,330 --> 00:29:10,880

manipulation and what's fascinating

674

00:29:16,360 --> 00:29:13,340

about that is the other MK projects have

675

00:29:19,450 --> 00:29:16,370

included things like the methods of

676  
00:29:21,040 --> 00:29:19,460  
attempting to debrief dead CIA agents

677  
00:29:23,440 --> 00:29:21,050  
using Ouija board and so on so these

678  
00:29:25,570 --> 00:29:23,450  
projects are being run by a group that

679  
00:29:27,670 --> 00:29:25,580  
knows that there is something about mind

680  
00:29:29,430 --> 00:29:27,680  
and spirit that is officially not the

681  
00:29:33,280 --> 00:29:29,440  
same and by the same token they're

682  
00:29:36,910 --> 00:29:33,290  
testing in particular LSD on a bunch of

683  
00:29:38,050 --> 00:29:36,920  
people and and you think well in each of

684  
00:29:41,470 --> 00:29:38,060  
these different groups they would have

685  
00:29:42,910 --> 00:29:41,480  
been told the objectives were something

686  
00:29:45,070 --> 00:29:42,920  
different to what they are because if

687  
00:29:46,990 --> 00:29:45,080  
you kind of step foot throughout that

688  
00:29:48,160 --> 00:29:47,000

shadow state pyramid you'll see people

689

00:29:49,510 --> 00:29:48,170

who have a world view that allow things

690

00:29:51,490 --> 00:29:49,520

like spirits and telepathy and whatever

691

00:29:53,920 --> 00:29:51,500

to exist doing things like mass

692

00:29:55,360 --> 00:29:53,930

manipulation of students minds but

693

00:29:57,850 --> 00:29:55,370

largely to see what would happen and

694

00:30:02,950 --> 00:29:57,860

that again brings us back to remote

695

00:30:04,780 --> 00:30:02,960

viewing where and Godley was essentially

696

00:30:06,310 --> 00:30:04,790

suggested that they started using LSD

697

00:30:08,290 --> 00:30:06,320

with remote viewers but it makes it

698

00:30:10,630 --> 00:30:08,300

worse but it's interesting right so that

699

00:30:13,960 --> 00:30:10,640

you know that they have somewhere

700

00:30:16,930 --> 00:30:13,970

officially kind of like an overlap of

701  
00:30:20,500 --> 00:30:16,940  
truths to do with the nature of the mind

702  
00:30:22,720 --> 00:30:20,510  
being at least partially immaterial and

703  
00:30:25,090 --> 00:30:22,730  
the capacity of the mind to do things

704  
00:30:27,040 --> 00:30:25,100  
like telepathy and see in places where

705  
00:30:29,710 --> 00:30:27,050  
the body isn't and then the third one is

706  
00:30:31,360 --> 00:30:29,720  
that the mind can be adjusted or

707  
00:30:33,520 --> 00:30:31,370  
encountered different things via

708  
00:30:36,970 --> 00:30:33,530  
entheogens or hallucinogens or whatever

709  
00:30:38,560 --> 00:30:36,980  
so you kind of see that there's a logic

710  
00:30:41,590 --> 00:30:38,570  
and especially as these groups are the

711  
00:30:43,590 --> 00:30:41,600  
ones who are going to have anyone in the

712  
00:30:45,790 --> 00:30:43,600  
government are the most likely to have

713  
00:30:47,230 --> 00:30:45,800

some understanding or the best

714

00:30:49,810 --> 00:30:47,240

understanding which i think is

715

00:30:53,260 --> 00:30:49,820

necessarily incomplete of what the UFO

716

00:30:55,150 --> 00:30:53,270

phenomena are right and you have these

717

00:30:59,710 --> 00:30:55,160

essentially overlaps of true

718

00:31:03,130 --> 00:30:59,720

that in at a senior enough level can you

719

00:31:04,420 --> 00:31:03,140

kind of point to it and go okay so what

720

00:31:07,180 --> 00:31:04,430

would you do if you were sitting with

721

00:31:08,410 --> 00:31:07,190

all these participation ways I find

722

00:31:11,700 --> 00:31:08,420

fascinating but anything in terms in

723

00:31:14,290 --> 00:31:11,710

general I think implicated Ian Murray

724

00:31:16,000 --> 00:31:14,300

the rise of modern humans in the first

725

00:31:18,310 --> 00:31:16,010

place right so that's a very full

726

00:31:21,220 --> 00:31:18,320

stomach thing which is if you look at

727

00:31:23,460 --> 00:31:21,230

some of the monkeys that are kind of

728

00:31:26,440 --> 00:31:23,470

closely related to hominins or in it

729

00:31:28,390 --> 00:31:26,450

they would consume between twenty and

730

00:31:30,190 --> 00:31:28,400

thirty kilos of mushrooms a year in

731

00:31:31,480 --> 00:31:30,200

Africa which means eventually you're

732

00:31:33,910 --> 00:31:31,490

going to be consuming ones that have

733

00:31:36,040 --> 00:31:33,920

psychedelic effects right and then that

734

00:31:37,570 --> 00:31:36,050

sort of process kicks off different ways

735

00:31:38,770 --> 00:31:37,580

of thinking or encountering the spirits

736

00:31:40,630 --> 00:31:38,780

and so and so it does appear that

737

00:31:43,750 --> 00:31:40,640

throughout the history of the building

738

00:31:46,600 --> 00:31:43,760

of humans by whatever built us and we've

739

00:31:48,310 --> 00:31:46,610

encountered plant teachers and fungus

740

00:31:50,530 --> 00:31:48,320

teachers and and so on and that's

741

00:31:53,620 --> 00:31:50,540

generally been one of the principal

742

00:31:56,260 --> 00:31:53,630

methods of interaction with the spirit

743

00:31:58,930 --> 00:31:56,270

world for hundreds of thousands of years

744

00:32:01,900 --> 00:31:58,940

and and we're trying to view it sort of

745

00:32:04,000 --> 00:32:01,910

five decades after a shadow State hijack

746

00:32:07,180 --> 00:32:04,010

and that does tend to unbalance and

747

00:32:08,680 --> 00:32:07,190

broadly speaking the the I'm quite

748

00:32:09,970 --> 00:32:08,690

bullish about the changes particularly

749

00:32:12,610 --> 00:32:09,980

in the u.s. at the legal status of

750

00:32:14,320 --> 00:32:12,620

psilocybin because I think one it has an

751

00:32:17,320 --> 00:32:14,330

amazing and tremendous therapeutic

752

00:32:19,630 --> 00:32:17,330

potential but two it really does open up

753

00:32:22,000 --> 00:32:19,640

the possibility of having a really

754

00:32:24,180 --> 00:32:22,010

worthwhile becoming invincible moment

755

00:32:27,580 --> 00:32:24,190

because you will legally get access to

756

00:32:30,520 --> 00:32:27,590

terence mckenna's and favorite five

757

00:32:33,520 --> 00:32:30,530

grams in silent darkness and sort of

758

00:32:36,220 --> 00:32:33,530

superhero dose and and that i think is a

759

00:32:38,530 --> 00:32:36,230

positive thing again from an a Onex

760

00:32:40,030 --> 00:32:38,540

perspective like from a cycle model this

761

00:32:42,640 --> 00:32:40,040

is a thing that happens now and in the

762

00:32:46,540 --> 00:32:42,650

medium term where these allies return to

763

00:32:49,660 --> 00:32:46,550

us as i like the medicine we need yeah

764

00:32:52,030 --> 00:32:49,670

in that superhero dose that is you know

765

00:32:56,410 --> 00:32:52,040

when I heard that the in darkness that's

766

00:32:59,470 --> 00:32:56,420

so true this is a necessary your vision

767

00:33:02,950 --> 00:32:59,480

is actually impeding at that point that

768

00:33:06,240 --> 00:33:02,960

is the interesting part about a lot of

769

00:33:08,979 --> 00:33:06,250

the FD a-- genic secret truth or

770

00:33:11,379 --> 00:33:08,989

symbolism or significant

771

00:33:13,959 --> 00:33:11,389

and the impact it has on brain chemistry

772

00:33:15,939 --> 00:33:13,969

and ballet brain electrochemistry in

773

00:33:20,229 --> 00:33:15,949

particular isn't a heightening it's a

774

00:33:21,339 --> 00:33:20,239

dampening so DMT and psilocybin are so

775

00:33:24,369 --> 00:33:21,349

loose and once it hits the brain

776

00:33:25,810 --> 00:33:24,379

actually reduces brain activity rather

777

00:33:28,060 --> 00:33:25,820

than increases it and that it's that

778

00:33:30,189 --> 00:33:28,070

reduction in brain activity that opens

779

00:33:32,319 --> 00:33:30,199

up all these cosmic worlds around you

780

00:33:35,439 --> 00:33:32,329

and that's fascinating because if it

781

00:33:36,819 --> 00:33:35,449

were caused by brain chemistry it should

782

00:33:39,310 --> 00:33:36,829

go in the opposite direction because

783

00:33:41,079 --> 00:33:39,320

these experiences are the most profound

784

00:33:43,029 --> 00:33:41,089

things one can essentially go through

785

00:33:44,349 --> 00:33:43,039

and they're associated with lower brain

786

00:33:46,059 --> 00:33:44,359

activity rather than higher which

787

00:33:48,129 --> 00:33:46,069

suggests again that you're actually

788

00:33:51,399 --> 00:33:48,139

interacting with spirit rather than

789

00:33:54,399 --> 00:33:51,409

having a having a molecular reaction in

790

00:33:56,829 --> 00:33:54,409

your brain do and that brings me to the

791

00:33:59,529 --> 00:33:56,839

next subject which I have to delve into

792

00:34:01,899 --> 00:33:59,539

which is that elemental subject the

793

00:34:03,339 --> 00:34:01,909

force that you are feeling openness

794

00:34:07,089 --> 00:34:03,349

although there are multiple entities

795

00:34:10,419 --> 00:34:07,099

that can engage this source is is this a

796

00:34:13,349 --> 00:34:10,429

force that we come from it's very

797

00:34:16,269 --> 00:34:13,359

interesting that people report the same

798

00:34:18,309 --> 00:34:16,279

things over and over again it's it's

799

00:34:21,190 --> 00:34:18,319

either aliens or spirits or machine

800

00:34:23,379 --> 00:34:21,200

elves and I'm down with all of them and

801

00:34:26,490 --> 00:34:23,389

believe all of them exist in our realm

802

00:34:30,220 --> 00:34:26,500

in some way shape or form and I don't

803

00:34:32,019 --> 00:34:30,230

necessarily believe that engaging the

804

00:34:34,269 --> 00:34:32,029

possibility that one could exist while

805

00:34:37,539 --> 00:34:34,279

another does at the same time would make

806

00:34:39,609 --> 00:34:37,549

me a non-believer of anything really but

807

00:34:43,450 --> 00:34:39,619

I can I'm more of an omni theistic

808

00:34:45,460 --> 00:34:43,460

individual so does this omni theism is

809

00:34:47,440 --> 00:34:45,470

this necessary when you're looking at

810

00:34:49,329 --> 00:34:47,450

the spectrum or is this something that

811

00:34:50,919 --> 00:34:49,339

why is this so hard for people to wrap

812

00:34:53,649 --> 00:34:50,929

their heads around if that is in fact

813

00:34:57,819 --> 00:34:53,659

what we're looking at oh it's big

814

00:34:59,670 --> 00:34:57,829

honestly and so people generally don't

815

00:35:02,620 --> 00:34:59,680

like they don't like to think about

816

00:35:04,329 --> 00:35:02,630

implications and and that's even in

817

00:35:06,759 --> 00:35:04,339

living in spiritual universes so even

818

00:35:08,319 --> 00:35:06,769

like the high medieval ages that was

819

00:35:10,569 --> 00:35:08,329

generally the case most people the

820

00:35:13,660 --> 00:35:10,579

majority people aren't that interested

821

00:35:14,499 --> 00:35:13,670

in the reality of spirits or angels or

822

00:35:16,829 --> 00:35:14,509

or what-have-you

823

00:35:19,680 --> 00:35:16,839

it really is just

824

00:35:21,089 --> 00:35:19,690

Noora T and seekers right so I think

825

00:35:22,739 --> 00:35:21,099

that's just how it goes I think that's

826

00:35:24,509 --> 00:35:22,749

always how it's done and it's why not

827

00:35:26,069 --> 00:35:24,519

everyone just because spirits are real

828

00:35:27,900 --> 00:35:26,079

doesn't mean everyone becomes a shaman

829

00:35:29,190 --> 00:35:27,910

in the same way just because teeth the

830

00:35:32,670 --> 00:35:29,200

real doesn't mean everyone becomes a

831

00:35:35,009 --> 00:35:32,680

dentist is is this why the elites have

832

00:35:38,940 --> 00:35:35,019

traditionally been those who engage

833

00:35:40,559 --> 00:35:38,950

manifest and to come to some of these

834

00:35:44,819 --> 00:35:40,569

entities depending on the entities that

835

00:35:46,259 --> 00:35:44,829

come through the spectrum because they

836

00:35:47,969 --> 00:35:46,269

have more time on their hands to

837

00:35:50,519 --> 00:35:47,979

actually engage in this sort of scenario

838

00:35:55,349 --> 00:35:50,529

where others are more dealing with the

839

00:35:58,170 --> 00:35:55,359

day to day maybe I think it's a

840

00:36:01,440 --> 00:35:58,180

power-play so that's like the fact that

841

00:36:04,440 --> 00:36:01,450

it works is why and it was so

842

00:36:05,969 --> 00:36:04,450

interesting to the American shadow State

843

00:36:09,150 --> 00:36:05,979

during the Cold War and the Russian one

844

00:36:11,549 --> 00:36:09,160

of course during the Cold War is it

845

00:36:12,749 --> 00:36:11,559

works so there's there's a pragmatism to

846

00:36:15,120 --> 00:36:12,759

ever say wait a minute are you telling

847

00:36:17,640 --> 00:36:15,130

me I can view the building of Soviet

848

00:36:19,709 --> 00:36:17,650

submarines for free from Fort Mary like

849

00:36:21,900 --> 00:36:19,719

from Maryland right from foot Meade

850

00:36:23,130 --> 00:36:21,910

today okay let's do that

851  
00:36:25,440 --> 00:36:23,140  
do you know what I mean it's something

852  
00:36:27,180 --> 00:36:25,450  
it's kind of their job and I think

853  
00:36:30,150 --> 00:36:27,190  
that's more to do it there is the

854  
00:36:31,799 --> 00:36:30,160  
further back you go when there are we

855  
00:36:35,370 --> 00:36:31,809  
were saying it more benign forms of

856  
00:36:37,680 --> 00:36:35,380  
kingship when when tribal governance had

857  
00:36:40,289 --> 00:36:37,690  
a spiritual legitimacy is a better way

858  
00:36:43,499 --> 00:36:40,299  
of saying that you couldn't you couldn't

859  
00:36:45,719 --> 00:36:43,509  
actually run a tribe without the support

860  
00:36:47,549 --> 00:36:45,729  
of the ancestors or in a Taoist terms

861  
00:36:49,829 --> 00:36:47,559  
like the Mandate of Heaven so it's

862  
00:36:51,630 --> 00:36:49,839  
actually always been there it's been an

863  
00:36:53,279 --> 00:36:51,640

interest from a power perspective and

864

00:36:56,160 --> 00:36:53,289

that it used to come with the sort of

865

00:36:58,019 --> 00:36:56,170

bearing to seem to learn but levels of

866

00:36:59,459 --> 00:36:58,029

responsibility which is if the spirits

867

00:37:00,809 --> 00:36:59,469

have chose you to lead and protect the

868

00:37:03,089 --> 00:37:00,819

tribe then you were probably the first

869

00:37:07,259 --> 00:37:03,099

one to die in that protecting of the

870

00:37:09,059 --> 00:37:07,269

tribe so it was it was a mixed bag you

871

00:37:10,950 --> 00:37:09,069

know being being the boss but having the

872

00:37:12,779 --> 00:37:10,960

spirits choose you as the same thing for

873

00:37:15,630 --> 00:37:12,789

a shaman I mean that's a it's not a

874

00:37:19,529 --> 00:37:15,640

sight I would I would wish so many

875

00:37:22,079 --> 00:37:19,539

people to be the permanent sort of

876

00:37:23,609 --> 00:37:22,089

extra-dimensional diplomat for a tribe

877

00:37:27,019 --> 00:37:23,619

because they also tend to die young with

878

00:37:29,170 --> 00:37:27,029

spirit interactions are fraught I guess

879

00:37:31,000 --> 00:37:29,180

for real this is so

880

00:37:33,490 --> 00:37:31,010

interesting that you say this I recently

881

00:37:36,790 --> 00:37:33,500

have had a few conversations that went

882

00:37:39,040 --> 00:37:36,800

down this path where people say well

883

00:37:41,319 --> 00:37:39,050

what's the only way to guarantee this or

884

00:37:43,540 --> 00:37:41,329

that in this particular scenario and and

885

00:37:45,970 --> 00:37:43,550

you have to go back to what other

886

00:37:48,099 --> 00:37:45,980

cultures did and do the same thing and

887

00:37:49,930 --> 00:37:48,109

when you're talking about tethering

888

00:37:52,480 --> 00:37:49,940

yourself to the middle of the path of

889

00:37:53,950 --> 00:37:52,490

the skinwalker on F the engines you know

890

00:37:56,740 --> 00:37:53,960

possibly in the middle of the night

891

00:37:59,200 --> 00:37:56,750

alone you know these are not things

892

00:38:01,089 --> 00:37:59,210

people want to engage in yet at the same

893

00:38:03,309 --> 00:38:01,099

time the secret truth behind some of

894

00:38:06,040 --> 00:38:03,319

these areas is especially like in that

895

00:38:08,859 --> 00:38:06,050

parallel or that 37th parallel the

896

00:38:13,420 --> 00:38:08,869

secret truth is that you have to

897

00:38:15,309 --> 00:38:13,430

participate in some practices that were

898

00:38:17,680 --> 00:38:15,319

there before or there wouldn't be

899

00:38:21,579 --> 00:38:17,690

tradition however what I love about the

900

00:38:26,109 --> 00:38:21,589

Chaos magic is the recognition of these

901  
00:38:29,140 --> 00:38:26,119  
patterns and we want it what I wanted to

902  
00:38:32,319 --> 00:38:29,150  
bring up is this this Western political

903  
00:38:34,660 --> 00:38:32,329  
agenda is totally against anything

904  
00:38:37,450 --> 00:38:34,670  
having to do when you suggest something

905  
00:38:42,359 --> 00:38:37,460  
like regardless those shaman are looked

906  
00:38:47,770 --> 00:38:42,369  
at as insignificant without opinion and

907  
00:38:52,059 --> 00:38:47,780  
in reality this is the furthest thing

908  
00:38:54,250 --> 00:38:52,069  
from the truth yes well it brings up the

909  
00:38:56,410 --> 00:38:54,260  
practical black magic that is inherent

910  
00:39:02,400 --> 00:38:56,420  
in all these cultures however large or

911  
00:39:05,289 --> 00:39:02,410  
small and how for everyone else this

912  
00:39:08,740 --> 00:39:05,299  
magic is a means to obtain power

913  
00:39:10,780 --> 00:39:08,750

protection and it's a way to get control

914

00:39:15,130 --> 00:39:10,790

or or things that you want in your life

915

00:39:19,089 --> 00:39:15,140

and a tool for an imbalance world to

916

00:39:21,730 --> 00:39:19,099

obtain a justice sometimes that you know

917

00:39:24,640 --> 00:39:21,740

you look historically and this is where

918

00:39:26,770 --> 00:39:24,650

these types of practices were cultivated

919

00:39:29,770 --> 00:39:26,780

when when justice was something that was

920

00:39:32,020 --> 00:39:29,780

nowhere to be seen where your enemies

921

00:39:36,280 --> 00:39:32,030

right yeah like a lot of these Native

922

00:39:39,250 --> 00:39:36,290

American traditions sorry I'm tangential

923

00:39:42,080 --> 00:39:39,260

as heck on this but I tend to go down

924

00:39:45,140 --> 00:39:42,090

this you know when

925

00:39:48,010 --> 00:39:45,150

when there was no other options

926  
00:39:50,450 --> 00:39:48,020  
many of these Native American traditions

927  
00:39:52,550 --> 00:39:50,460  
mentioned the use of shape-shifting or

928  
00:39:59,290 --> 00:39:52,560  
black magic practical magic scan

929  
00:40:02,030 --> 00:39:59,300  
Walker's shapeshifters and is is this

930  
00:40:03,920 --> 00:40:02,040  
necessarily unique I don't know if it is

931  
00:40:06,700 --> 00:40:03,930  
this has been seen throughout the world

932  
00:40:10,160 --> 00:40:06,710  
is that right Gordon I mean practical

933  
00:40:13,340 --> 00:40:10,170  
shape-shifting is universal absolutely

934  
00:40:16,730 --> 00:40:13,350  
and and it's a deep shag Manik power one

935  
00:40:19,130 --> 00:40:16,740  
of the shamans I've been on DSA in the

936  
00:40:22,250 --> 00:40:19,140  
jungle with for a couple of weeks and I

937  
00:40:23,810 --> 00:40:22,260  
was he he stood in front of me I was on

938  
00:40:25,700 --> 00:40:23,820

ayahuasca but you actually get what's

939

00:40:27,380 --> 00:40:25,710

going on he shape-shift it into this

940

00:40:28,910 --> 00:40:27,390

amazing Panther thing in front of me

941

00:40:33,920 --> 00:40:28,920

during the Olympia was incredible

942

00:40:34,970 --> 00:40:33,930

so yes it's it is a language of movement

943

00:40:37,820 --> 00:40:34,980

through the spirit world and then

944

00:40:40,640 --> 00:40:37,830

because we don't have any of that

945

00:40:43,640 --> 00:40:40,650

background anymore the tanks the heart

946

00:40:46,970 --> 00:40:43,650

take on shapeshifters and-and-and

947

00:40:49,790 --> 00:40:46,980

skinwalkers and so on are often so dumb

948

00:40:52,070 --> 00:40:49,800

is to be too lively racist and they're

949

00:40:54,620 --> 00:40:52,080

just dreadful and if they don't situate

950

00:40:55,940 --> 00:40:54,630

it within the actual nations of these

951  
00:40:57,860 --> 00:40:55,950  
stories are happening with and those

952  
00:41:01,730 --> 00:40:57,870  
nations aren't situated within the wider

953  
00:41:03,920 --> 00:41:01,740  
context of antecedent shape-shifting

954  
00:41:06,110 --> 00:41:03,930  
antecedent that have had impacts like

955  
00:41:08,660 --> 00:41:06,120  
this Iberian stuff on the First Nations

956  
00:41:11,260 --> 00:41:08,670  
culture so it's generally a mess of a

957  
00:41:17,180 --> 00:41:11,270  
discussion but if you're talking about

958  
00:41:19,370 --> 00:41:17,190  
the magic and even black magic as a

959  
00:41:21,410 --> 00:41:19,380  
recourse for the powerless that's one of

960  
00:41:23,150 --> 00:41:21,420  
the interesting things I find in history

961  
00:41:25,910 --> 00:41:23,160  
of magic you know my favorite example is

962  
00:41:28,280 --> 00:41:25,920  
hoodoo so who do is the most American

963  
00:41:30,530 --> 00:41:28,290

melting pot system of magic ever it's

964

00:41:33,190 --> 00:41:30,540

inspired by where it takes pieces from

965

00:41:36,350 --> 00:41:33,200

traditional Chinese herbalism and

966

00:41:38,210 --> 00:41:36,360

folklore and astrology and and Jewish

967

00:41:39,770 --> 00:41:38,220

pharmacists in the south and obviously

968

00:41:42,440 --> 00:41:39,780

First Nations

969

00:41:46,160 --> 00:41:42,450

herb-lore and magic and and some of the

970

00:41:48,500 --> 00:41:46,170

cultural practices of the slaves that

971

00:41:51,050 --> 00:41:48,510

were brought over and obviously there's

972

00:41:52,580 --> 00:41:51,060

a kind of like weird veneer of a Baptist

973

00:41:54,470 --> 00:41:52,590

Christianity or it not so much of the

974

00:41:56,540 --> 00:41:54,480

Catholic thing but if usually look

975

00:41:58,970 --> 00:41:56,550

at the historic lists of like who do

976  
00:42:01,850 --> 00:41:58,980  
spells and enchantments they are filled

977  
00:42:03,460 --> 00:42:01,860  
with like court case spells they're

978  
00:42:07,070 --> 00:42:03,470  
filled with like getting a judge to

979  
00:42:10,070 --> 00:42:07,080  
treat you fairly and so oh and if you

980  
00:42:11,660 --> 00:42:10,080  
consider the sort of experience of

981  
00:42:14,180 --> 00:42:11,670  
justice for African Americans over the

982  
00:42:16,940 --> 00:42:14,190  
late 19th world - now but like in 20th

983  
00:42:20,690 --> 00:42:16,950  
century you can see in the historic

984  
00:42:22,580 --> 00:42:20,700  
spell patents people using magic when

985  
00:42:24,770 --> 00:42:22,590  
they didn't have access to justice and

986  
00:42:26,360 --> 00:42:24,780  
and I find that I find that very

987  
00:42:28,190 --> 00:42:26,370  
interesting rather very interesting when

988  
00:42:30,470 --> 00:42:28,200

people are squeamish about it yeah well

989

00:42:33,650 --> 00:42:30,480

okay well why there's so many court case

990

00:42:35,360 --> 00:42:33,660

spells in hoodoo canon is it because why

991

00:42:37,820 --> 00:42:35,370

do you think that is and you have to

992

00:42:39,350 --> 00:42:37,830

tell them well yes the the

993

00:42:40,460 --> 00:42:39,360

african-american experience of justice

994

00:42:42,590 --> 00:42:40,470

over the last hundred and fifty years

995

00:42:44,750 --> 00:42:42,600

has been deeply racist and can end in

996

00:42:48,920 --> 00:42:44,760

hangings so of course they're a quote

997

00:42:52,210 --> 00:42:48,930

capable and extreme need brings about

998

00:42:57,170 --> 00:42:52,220

these extreme facility facilities and

999

00:43:00,320 --> 00:42:57,180

it's it's so true I think it's it's it's

1000

00:43:03,910 --> 00:43:00,330

very interesting a lot of the hoodoo

1001  
00:43:05,900 --> 00:43:03,920  
magic was also present in the

1002  
00:43:08,380 --> 00:43:05,910  
shapeshifter territory because they were

1003  
00:43:11,210 --> 00:43:08,390  
Buffalo Soldiers who were quote on

1004  
00:43:14,780 --> 00:43:11,220  
writing quote-unquote like over the fort

1005  
00:43:17,180 --> 00:43:14,790  
you know slaves watching prisoners who

1006  
00:43:20,510 --> 00:43:17,190  
would eventually be granted lands and

1007  
00:43:22,580 --> 00:43:20,520  
then be subsequently have those lands

1008  
00:43:27,110 --> 00:43:22,590  
taken from them by it'll ill-gotten

1009  
00:43:32,530 --> 00:43:27,120  
means but the the new stuff about the

1010  
00:43:35,360 --> 00:43:32,540  
rules of engagement with these new-age

1011  
00:43:38,450 --> 00:43:35,370  
acceptance of different magical

1012  
00:43:40,880 --> 00:43:38,460  
practices without direction is is a

1013  
00:43:43,730 --> 00:43:40,890

theology involved the tradition or

1014

00:43:51,350 --> 00:43:43,740

keeping a main direction that important

1015

00:43:54,170 --> 00:43:51,360

or not if it's not necessarily important

1016

00:43:57,110 --> 00:43:54,180

in this new age it seems that people are

1017

00:43:59,350 --> 00:43:57,120

very Omni theistic or people tend to

1018

00:44:03,770 --> 00:43:59,360

like you said in the Hoodoo tradition

1019

00:44:06,290 --> 00:44:03,780

except Saints from Catholicism and merge

1020

00:44:07,930 --> 00:44:06,300

them with their own belief system and

1021

00:44:12,160 --> 00:44:07,940

the reality is

1022

00:44:14,410 --> 00:44:12,170

magic it was the same yeah the question

1023

00:44:16,570 --> 00:44:14,420

is the there's not a there's not a

1024

00:44:19,350 --> 00:44:16,580

particular path you have to take down

1025

00:44:23,380 --> 00:44:19,360

this this journey of memory right okay

1026

00:44:25,210 --> 00:44:23,390

well you're it's binary that's why it's

1027

00:44:28,030 --> 00:44:25,220

becoming invincible right so so magic is

1028

00:44:29,170 --> 00:44:28,040

an on off proposition which is one way

1029

00:44:30,790 --> 00:44:29,180

or the other you have to get yourself

1030

00:44:32,350 --> 00:44:30,800

into a magical universe and the glib

1031

00:44:33,970 --> 00:44:32,360

example I get which is in the book is if

1032

00:44:36,250 --> 00:44:33,980

you spend a night where the new Ouija

1033

00:44:37,810 --> 00:44:36,260

board in an abandoned mental hospital in

1034

00:44:40,330 --> 00:44:37,820

the middle of the woods

1035

00:44:42,970 --> 00:44:40,340

you will come when you run screaming

1036

00:44:45,340 --> 00:44:42,980

from that place at about 4:00 a.m. you

1037

00:44:47,050 --> 00:44:45,350

will if you haven't got insane you will

1038

00:44:48,610 --> 00:44:47,060

never not think spirits are really good

1039

00:44:50,320 --> 00:44:48,620

right and I don't recommend doing that

1040

00:44:52,840 --> 00:44:50,330

that's not a very pleasant evening

1041

00:44:54,850 --> 00:44:52,850

but it's binary so now you live in a

1042

00:44:57,520 --> 00:44:54,860

world where magic is a thing and and you

1043

00:45:00,040 --> 00:44:57,530

subsequently have to form an opinion of

1044

00:45:02,080 --> 00:45:00,050

it but as for do you need to adopt a

1045

00:45:05,170 --> 00:45:02,090

theistic what day is tick more

1046

00:45:06,940 --> 00:45:05,180

specifically approach to it no you can

1047

00:45:09,790 --> 00:45:06,950

you just need to be able to live with

1048

00:45:12,100 --> 00:45:09,800

reality and it's scientifically attested

1049

00:45:14,140 --> 00:45:12,110

of of paranormal and sigh phenomena and

1050

00:45:16,390 --> 00:45:14,150

okay well there appear to be techniques

1051

00:45:18,670 --> 00:45:16,400

that exist and have existed for

1052

00:45:20,440 --> 00:45:18,680

countless millennia around the world for

1053

00:45:22,090 --> 00:45:20,450

activating these these inherent human

1054

00:45:23,560 --> 00:45:22,100

capacities whether they are telepathy

1055

00:45:25,900 --> 00:45:23,570

whether they are things like remote

1056

00:45:27,730 --> 00:45:25,910

viewing and that that's enough it's a

1057

00:45:30,640 --> 00:45:27,740

binary of get yourself into a magical

1058

00:45:31,120 --> 00:45:30,650

universe and and you kind of off to the

1059

00:45:35,980 --> 00:45:31,130

races

1060

00:45:39,550 --> 00:45:35,990

I I love it and I I love what you said

1061

00:45:42,790 --> 00:45:39,560

about how you're off to the races and

1062

00:45:45,550 --> 00:45:42,800

the the truth is the randomness may be

1063

00:45:50,290 --> 00:45:45,560

part not not to overthink it may be part

1064

00:45:52,300 --> 00:45:50,300

of the actual accuracy you mentioned

1065

00:45:54,160 --> 00:45:52,310

that yeah believe in your book you were

1066

00:45:56,230 --> 00:45:54,170

mentioning card oh man see and that's

1067

00:45:58,660 --> 00:45:56,240

something I think the Tarot is just you

1068

00:46:03,310 --> 00:45:58,670

look at the history of the Tarot and the

1069

00:46:05,230 --> 00:46:03,320

Tarot has its just evolved and when you

1070

00:46:07,450 --> 00:46:05,240

look at the sales of Tarot

1071

00:46:09,760 --> 00:46:07,460

there's your answer I mean everybody

1072

00:46:12,250 --> 00:46:09,770

denies any of anyone is paying any

1073

00:46:14,200 --> 00:46:12,260

attention to any of this yet you look at

1074

00:46:17,410 --> 00:46:14,210

cycles of Tarot or things of that nature

1075

00:46:18,910 --> 00:46:17,420

it's pretty dynamic how much magic is

1076

00:46:20,750 --> 00:46:18,920

taking place before everybody's very

1077

00:46:23,780 --> 00:46:20,760

eyes the West

1078

00:46:25,760 --> 00:46:23,790

political agenda is have they thrown up

1079

00:46:28,880 --> 00:46:25,770

an iron curtain between the reality of

1080

00:46:31,160 --> 00:46:28,890

magic while some practice behind it yeah

1081

00:46:32,690 --> 00:46:31,170

absolutely and the people who are

1082

00:46:35,540 --> 00:46:32,700

Manning the curtain so the sort of

1083

00:46:38,660 --> 00:46:35,550

technocrats don't think it's fair but at

1084

00:46:42,080 --> 00:46:38,670

an extremely senior level they do to the

1085

00:46:46,340 --> 00:46:42,090

point that sort of too long to go into

1086

00:46:48,200 --> 00:46:46,350

but at a very very senior level at the

1087

00:46:50,150 --> 00:46:48,210

level they have some sort of ancient

1088

00:46:51,680 --> 00:46:50,160

alien religion and so on where they

1089

00:46:53,240 --> 00:46:51,690

genuinely believe they are the bloodline

1090

00:46:54,920 --> 00:46:53,250

descendants of people kanita who is an

1091

00:46:56,540 --> 00:46:54,930

alien and whatever it's crazy

1092

00:46:58,070 --> 00:46:56,550

and they're the ones who have access to

1093

00:47:00,680 --> 00:46:58,080

a whole bunch of sumerian tablets that

1094

00:47:02,060 --> 00:47:00,690

never make it into the public and so on

1095

00:47:03,470 --> 00:47:02,070

i doesn't mean they're right but there

1096

00:47:06,340 --> 00:47:03,480

are belief systems at a super league

1097

00:47:10,010 --> 00:47:06,350

level that would make Alex Jones blush

1098

00:47:12,080 --> 00:47:10,020

but at a fulfilment layer level and sort

1099

00:47:13,910 --> 00:47:12,090

of like the EU doesn't believe any of

1100

00:47:16,880 --> 00:47:13,920

that at all it is a technocratic attempt

1101  
00:47:19,070 --> 00:47:16,890  
at managing all of reality and so it's a

1102  
00:47:20,980 --> 00:47:19,080  
thing and it's outgoing likey that one

1103  
00:47:23,600 --> 00:47:20,990  
of the reasons we're seeing such a

1104  
00:47:25,430 --> 00:47:23,610  
polarization and collapse in in

1105  
00:47:27,410 --> 00:47:25,440  
discourse around the world is because it

1106  
00:47:30,260 --> 00:47:27,420  
doesn't work and my favorite model for

1107  
00:47:31,490 --> 00:47:30,270  
this is the model by charles fort which

1108  
00:47:33,410 --> 00:47:31,500  
is where we get the word fourteen right

1109  
00:47:37,370 --> 00:47:33,420  
and he had this idea of dominance or

1110  
00:47:39,530 --> 00:47:37,380  
essentially IRA's so we are moving out

1111  
00:47:42,800 --> 00:47:39,540  
we were in the eon of religion until

1112  
00:47:44,960 --> 00:47:42,810  
about the early 19th century and then

1113  
00:47:47,750 --> 00:47:44,970

ratings really and then we moved into

1114

00:47:49,520 --> 00:47:47,760

the eon or the dominant of science and

1115

00:47:51,200 --> 00:47:49,530

we are crossing over from the dominant

1116

00:47:53,150 --> 00:47:51,210

of science into the dominant of way to

1117

00:47:57,860 --> 00:47:53,160

inclusions or dominant of witchcraft now

1118

00:47:59,480 --> 00:47:57,870

this is sort of like turns structural

1119

00:48:01,370 --> 00:47:59,490

scientific revolution right so it's sort

1120

00:48:03,740 --> 00:48:01,380

of like paradigm shift except that was

1121

00:48:05,810 --> 00:48:03,750

modernist cold war propaganda designed

1122

00:48:09,110 --> 00:48:05,820

to prove to the soviets that they will

1123

00:48:11,840 --> 00:48:09,120

eventually end up capitalist force was

1124

00:48:15,890 --> 00:48:11,850

more mystical and better and more

1125

00:48:17,990 --> 00:48:15,900

accurate because in a dominant reality

1126

00:48:20,450 --> 00:48:18,000

the things that are allowed to be real

1127

00:48:22,880 --> 00:48:20,460

really does shift so that is a feature

1128

00:48:25,820 --> 00:48:22,890

in the universe it's not just a question

1129

00:48:28,490 --> 00:48:25,830

in in tunes model where additional data

1130

00:48:29,950 --> 00:48:28,500

points tipped into the model which then

1131

00:48:32,050 --> 00:48:29,960

widens and

1132

00:48:33,160 --> 00:48:32,060

increases slightly inaccuracy in its

1133

00:48:35,650 --> 00:48:33,170

description of the universe and that's

1134

00:48:37,180 --> 00:48:35,660

this kind of grand scientific project of

1135

00:48:38,620 --> 00:48:37,190

us getting better and better at

1136

00:48:40,630 --> 00:48:38,630

describing things influenced when it's

1137

00:48:42,970 --> 00:48:40,640

like that some things are actually true

1138

00:48:44,890 --> 00:48:42,980

now that weren't before and the

1139

00:48:46,990 --> 00:48:44,900

dominance of why the inclusion is called

1140

00:48:48,579 --> 00:48:47,000

that and it's a wonderful place of

1141

00:48:51,910 --> 00:48:48,589

science because there's science and this

1142

00:48:53,680 --> 00:48:51,920

has happened expands it hits things that

1143

00:48:55,540 --> 00:48:53,690

science can't explain so it hits

1144

00:48:57,280 --> 00:48:55,550

telepathy and it hits after death

1145

00:48:59,800 --> 00:48:57,290

communication and hits end of life

1146

00:49:02,230 --> 00:48:59,810

experiences and it hits some of the

1147

00:49:04,750 --> 00:49:02,240

stranger UFO contact cases and all of

1148

00:49:07,510 --> 00:49:04,760

these things which we have scientific

1149

00:49:09,460 --> 00:49:07,520

data for that breaks science are those

1150

00:49:10,570 --> 00:49:09,470

things that are included in the dominant

1151

00:49:12,130 --> 00:49:10,580

so that's why it's a dominant of

1152

00:49:14,220 --> 00:49:12,140

witchcraft the wider inclusions where

1153

00:49:16,630 --> 00:49:14,230

the things that are allowed to be real

1154

00:49:18,940 --> 00:49:16,640

literally shift and what do you have

1155

00:49:21,520 --> 00:49:18,950

over the last say five or so years but a

1156

00:49:23,410 --> 00:49:21,530

rise in culture and it isn't some of its

1157

00:49:27,490 --> 00:49:23,420

enough but only a small minority of it

1158

00:49:29,980 --> 00:49:27,500

is an arm the prominence of the devil in

1159

00:49:32,170 --> 00:49:29,990

witchcraft in in TV particularly things

1160

00:49:34,300 --> 00:49:32,180

like Netflix and the rise of Tarot

1161

00:49:36,250 --> 00:49:34,310

everywhere and the return of astrology

1162

00:49:40,329 --> 00:49:36,260

and all of these things that aren't this

1163

00:49:43,329 --> 00:49:40,339

isn't it is a fact but it is things that

1164

00:49:44,859 --> 00:49:43,339

happen in a new dominant it's literally

1165

00:49:47,109 --> 00:49:44,869

a new era where these things are allowed

1166

00:49:48,640 --> 00:49:47,119

to be real and it's funny I don't know

1167

00:49:50,440 --> 00:49:48,650

if it's been your experience I might

1168

00:49:53,290 --> 00:49:50,450

have a on my show I have a hypothetical

1169

00:49:55,390 --> 00:49:53,300

barbecue where I frequently asked my

1170

00:49:58,060 --> 00:49:55,400

guests like if you're at a barbecue it

1171

00:49:59,620 --> 00:49:58,070

gives with the parasites and someone

1172

00:50:01,420 --> 00:49:59,630

asks you what you do and in their

1173

00:50:02,890 --> 00:50:01,430

cynical when you tell what is the best

1174

00:50:04,510 --> 00:50:02,900

piece of data to come back at them with

1175

00:50:05,589 --> 00:50:04,520

and I feel as the same thing with you

1176

00:50:08,560 --> 00:50:05,599

follow just like what you're busy for

1177

00:50:09,730 --> 00:50:08,570

education and enter no one right and

1178

00:50:11,770 --> 00:50:09,740

those are the kind of things that are

1179

00:50:13,390 --> 00:50:11,780

allowed to be real in their dominant of

1180

00:50:16,750 --> 00:50:13,400

a wider inclusion so it doesn't surprise

1181

00:50:20,200 --> 00:50:16,760

me at all that Tarot and witchcraft and

1182

00:50:22,839 --> 00:50:20,210

all of this stuff is is exuberantly

1183

00:50:25,810 --> 00:50:22,849

existing now because for it's basically

1184

00:50:28,630 --> 00:50:25,820

said that's what would happen any time

1185

00:50:32,260 --> 00:50:28,640

in the 20th this this can be very

1186

00:50:32,980 --> 00:50:32,270

cyclical and something from your from

1187

00:50:35,050 --> 00:50:32,990

your book

1188

00:50:41,200 --> 00:50:35,060

chaos particles which I absolutely loved

1189

00:50:43,390 --> 00:50:41,210

is your that you mention you you go into

1190

00:50:44,829 --> 00:50:43,400

this a bit and I won't

1191

00:50:47,549 --> 00:50:44,839

ruin it for anybody that needs to read

1192

00:50:50,440 --> 00:50:47,559

the book because everyone does but how

1193

00:50:52,900 --> 00:50:50,450

you should jump on opportunity this is

1194

00:50:54,160 --> 00:50:52,910

not everybody gets very entrenched and I

1195

00:50:56,019 --> 00:50:54,170

think the actual code is you're being

1196

00:50:58,720 --> 00:50:56,029

intellectually on dishonest with

1197

00:51:01,210 --> 00:50:58,730

yourself if you think pockets of hyper

1198

00:51:03,160 --> 00:51:01,220

growth occurring in places beyond where

1199

00:51:05,230 --> 00:51:03,170

you currently live early relevant

1200

00:51:08,819 --> 00:51:05,240

they're not a very obvious opportunity

1201  
00:51:11,049 --> 00:51:08,829  
is staring you in the face move and the

1202  
00:51:13,269 --> 00:51:11,059  
interesting thing is people don't want

1203  
00:51:15,819 --> 00:51:13,279  
to move or very obstinate is this part

1204  
00:51:18,690 --> 00:51:15,829  
of the programming it is its cultural

1205  
00:51:20,529 --> 00:51:18,700  
laziness and an expectation I mean I had

1206  
00:51:22,690 --> 00:51:20,539  
was very close with all of my

1207  
00:51:24,039 --> 00:51:22,700  
grandparents and they were and on my

1208  
00:51:25,930 --> 00:51:24,049  
father's side they were involved in

1209  
00:51:28,269 --> 00:51:25,940  
essentially imperial service but they

1210  
00:51:30,789 --> 00:51:28,279  
were and so my grandmother introduced

1211  
00:51:32,289 --> 00:51:30,799  
the brownies to New Guinea and for

1212  
00:51:34,269 --> 00:51:32,299  
instance so I wish I find a light for

1213  
00:51:35,890 --> 00:51:34,279

this idea of actual brown girls sitting

1214

00:51:37,599 --> 00:51:35,900

on a beach learning how to tie knots and

1215

00:51:39,819 --> 00:51:37,609

so my grandfather ran parts of New

1216

00:51:43,480 --> 00:51:39,829

Guinea you know the other side he was a

1217

00:51:45,190 --> 00:51:43,490

banker so the doctor and he fought in

1218

00:51:49,750 --> 00:51:45,200

the war or doctor in the war and so we

1219

00:51:52,059 --> 00:51:49,760

have I grew up with stories of the doing

1220

00:51:54,670 --> 00:51:52,069

of things and you do what needs to be

1221

00:51:56,650 --> 00:51:54,680

done and we don't have that now we have

1222

00:51:59,500 --> 00:51:56,660

an entitled sense of well why can't I be

1223

00:52:03,010 --> 00:51:59,510

a ballerina a famous ballerina living in

1224

00:52:04,359 --> 00:52:03,020

Flint you can't you can live in Flint or

1225

00:52:06,160 --> 00:52:04,369

you can be you can live somewhere else

1226

00:52:07,990 --> 00:52:06,170

and be a famous ballerina and it's

1227

00:52:10,390 --> 00:52:08,000

entitlement if it's some reason at this

1228

00:52:13,120 --> 00:52:10,400

point in history you get all of it and I

1229

00:52:14,470 --> 00:52:13,130

don't have time for it and and it

1230

00:52:16,180 --> 00:52:14,480

definitely doesn't happen to the

1231

00:52:19,029 --> 00:52:16,190

children of migrants but it happens to

1232

00:52:21,670 --> 00:52:19,039

the next generation down and after that

1233

00:52:24,490 --> 00:52:21,680

and and particularly in the u.s. even

1234

00:52:25,870 --> 00:52:24,500

where the economy is extremely is

1235

00:52:27,339 --> 00:52:25,880

growing like you guys have the best

1236

00:52:29,470 --> 00:52:27,349

economy in the world at the moment but

1237

00:52:32,140 --> 00:52:29,480

it's growing extremely unevenly and

1238

00:52:34,660 --> 00:52:32,150

people still aren't moving in sufficient

1239

00:52:36,970 --> 00:52:34,670

amounts to take advantage of it and then

1240

00:52:38,380 --> 00:52:36,980

you know it's not necessarily a question

1241

00:52:40,079 --> 00:52:38,390

if this is where you're poor but this is

1242

00:52:43,720 --> 00:52:40,089

one of the reasons why you're poor like

1243

00:52:45,039 --> 00:52:43,730

you don't you fish in the river because

1244

00:52:48,160 --> 00:52:45,049

that's where the fish are you don't fish

1245

00:52:49,890 --> 00:52:48,170

in a car park and and that that just

1246

00:52:51,849 --> 00:52:49,900

seems self-evident to me a magic

1247

00:52:53,559 --> 00:52:51,859

particularly practical magic and

1248

00:52:55,990 --> 00:52:53,569

practical enchantment has that attitude

1249

00:52:57,140 --> 00:52:56,000

this is your lifetime this is what you

1250

00:53:00,230 --> 00:52:57,150

get and one day you

1251  
00:53:02,900 --> 00:53:00,240  
be dead so uh so go after it and that's

1252  
00:53:05,120 --> 00:53:02,910  
always said my attitude and and it's I

1253  
00:53:07,069 --> 00:53:05,130  
guess the good news for people who do

1254  
00:53:08,660 --> 00:53:07,079  
see the world that way is fewer and

1255  
00:53:10,700 --> 00:53:08,670  
fewer people do which means less

1256  
00:53:12,559 --> 00:53:10,710  
competition if you are willing to to

1257  
00:53:13,609 --> 00:53:12,569  
move and seek out opportunity and it's

1258  
00:53:15,410 --> 00:53:13,619  
to doesn't mean because this would be a

1259  
00:53:17,089 --> 00:53:15,420  
horrible life and trust me I know this

1260  
00:53:18,859 --> 00:53:17,099  
is what I did as a career before I

1261  
00:53:20,450 --> 00:53:18,869  
started doing this still doesn't mean

1262  
00:53:21,859 --> 00:53:20,460  
everyone has to toddle off the Silicon

1263  
00:53:25,279 --> 00:53:21,869

Valley and work for a start-up because

1264

00:53:26,420 --> 00:53:25,289

that's awful but in areas of in cities

1265

00:53:28,130 --> 00:53:26,430

where there is growth there are

1266

00:53:29,480 --> 00:53:28,140

ancillary things you can start your own

1267

00:53:31,370 --> 00:53:29,490

business somewhere where people are

1268

00:53:33,230 --> 00:53:31,380

getting paid Amazon salaries and and

1269

00:53:34,220 --> 00:53:33,240

what have you and that just seems

1270

00:53:37,430 --> 00:53:34,230

obvious to me those are the

1271

00:53:41,380 --> 00:53:37,440

opportunities that are available now in

1272

00:53:45,620 --> 00:53:41,390

the way that a horizontal industrial

1273

00:53:47,450 --> 00:53:45,630

post-war employment economy which is

1274

00:53:49,670 --> 00:53:47,460

gone permanently now but like the Boomer

1275

00:53:53,059 --> 00:53:49,680

employment landscape it's gone forever

1276  
00:53:54,890 --> 00:53:53,069  
and we're whining that it you know but

1277  
00:53:57,500 --> 00:53:54,900  
it's not that it isn't here anymore and

1278  
00:53:59,450 --> 00:53:57,510  
well it isn't so it might come back in

1279  
00:54:01,819 --> 00:53:59,460  
50 years time how many years have you

1280  
00:54:04,220 --> 00:54:01,829  
got left on earth and go at it and

1281  
00:54:06,380 --> 00:54:04,230  
that's a very Chaos magic attitude I

1282  
00:54:07,880 --> 00:54:06,390  
think and it's it's and I think it would

1283  
00:54:09,980 --> 00:54:07,890  
be the traditional witchcraft attitude

1284  
00:54:12,549 --> 00:54:09,990  
there's a sort of not necessarily an a

1285  
00:54:16,579 --> 00:54:12,559  
morality about it but there is a

1286  
00:54:19,099 --> 00:54:16,589  
pragmatism and and practicality to visit

1287  
00:54:22,660 --> 00:54:19,109  
my situation which is the situation I'm

1288  
00:54:25,069 --> 00:54:22,670

going to give it the old college try

1289

00:54:27,069 --> 00:54:25,079

absolutely unless unless companies are

1290

00:54:32,569 --> 00:54:27,079

handing out those gold watches anymore

1291

00:54:35,000 --> 00:54:32,579

it's it's totally true Gordon where

voted for for this quarter is a wealth

1301

00:54:58,700 --> 00:54:54,599
