

Jay Matthews

UFOs in the UK, Special programs, Dogmen, and wild animal mutilations. Of course we delve into shapeshifters and the Uintah basin.

HEROparanormal

1
00:00:03,090 --> 00:00:25,990

[Music]

2
00:00:41,229 --> 00:00:36,110

this explains comment down up never

3
00:00:46,020 --> 00:00:41,239

laugh but you shoes yet you shoot

4
00:00:51,040 --> 00:00:46,030

illustrators you pump beat in the way

5
00:00:55,720 --> 00:00:51,050

grantee to till the ground please rupees

6
00:01:06,850 --> 00:00:55,730

falls to the roadway come on

7
00:01:11,450 --> 00:01:06,860

[Music]

8
00:01:21,590 --> 00:01:11,460

if the note that seal loves to antics is

9
00:01:24,620 --> 00:01:21,600

you just my man Spivey killing it

10
00:01:29,050 --> 00:01:24,630

he's just killing it murdering it if you

11
00:01:32,180 --> 00:01:29,060

guys have not partaken of Spivey music

12
00:01:39,050 --> 00:01:32,190

definitely check it out multi-talented

13
00:01:41,870 --> 00:01:39,060

artist and they don't get much better

14

00:01:46,249 --> 00:01:41,880

than Ryan Spivey so definitely support

15

00:01:49,040 --> 00:01:46,259

Spivey music today we have a bang-up

16

00:01:52,700 --> 00:01:49,050

show this is gonna be crazy we have J

17

00:01:55,130 --> 00:01:52,710

Matthews he's a UFO researcher and

18

00:01:59,810 --> 00:01:55,140

blogger from Chester North West England

19

00:02:01,520 --> 00:01:59,820

who now lives in North Wales and he's

20

00:02:02,559 --> 00:02:01,530

almost had a fascination with the

21

00:02:07,309 --> 00:02:02,569

paranormal

22

00:02:11,029 --> 00:02:07,319

ufology which started with a sighting he

23

00:02:14,059 --> 00:02:11,039

had as a 14 year old boy and since then

24

00:02:17,059 --> 00:02:14,069

he searched for answers which have led

25

00:02:21,890 --> 00:02:17,069

him down a rabbit hole of this

26
00:02:24,680 --> 00:02:21,900
misunderstood subject he now runs a

27
00:02:26,840 --> 00:02:24,690
successful page on social media that's

28
00:02:31,699 --> 00:02:26,850
where I found him which is dedicated to

29
00:02:33,770 --> 00:02:31,709
helping to find those very answers Jay

30
00:02:37,730 --> 00:02:33,780
Matthews ladies and gentlemen we're

31
00:02:41,420 --> 00:02:37,740
gonna we're gonna go everywhere we can I

32
00:02:45,800 --> 00:02:41,430
think Jay and Ryan are gonna have a good

33
00:02:46,510 --> 00:02:45,810
mighty good old time and I'm super

34
00:02:51,620 --> 00:02:46,520
excited

35
00:02:54,890 --> 00:02:51,630
so stop over to hero paranormal check it

36
00:02:57,080 --> 00:02:54,900
out go to hero paranormal pod bean calm

37
00:02:59,000 --> 00:02:57,090
you know I don't care what you do just

38
00:03:01,610 --> 00:02:59,010

listen to future episodes keep in touch

39

00:03:03,830 --> 00:03:01,620

with us and with no further ado Jay

40

00:03:10,700 --> 00:03:03,840

Matthews welcome to the hero paranormal

41

00:03:11,700 --> 00:03:10,710

podcast oh man we've tried so hard for

42

00:03:19,050 --> 00:03:11,710

this one if

43

00:03:22,020 --> 00:03:19,060

people only knew it's like everything

44

00:03:25,890 --> 00:03:22,030

was working against us it was Murphy's

45

00:03:34,820 --> 00:03:25,900

Law times ten and we just stayed the

46

00:03:42,530 --> 00:03:39,180

well yeah I wanted to get into gosh I

47

00:03:45,870 --> 00:03:42,540

I've been seeing some of the YouTube

48

00:03:47,960 --> 00:03:45,880

videos online and you're in them some

49

00:03:49,860 --> 00:03:47,970

beautiful scenery in the background I

50

00:03:53,700 --> 00:03:49,870

wanted to get into some of your

51
00:03:55,440 --> 00:03:53,710
sightings not just the most recent but

52
00:03:58,650 --> 00:03:55,450
also some of the early ones when you

53
00:04:00,960 --> 00:03:58,660
were a boy and I guess what direction

54
00:04:16,110 --> 00:04:00,970
should we stars we start with the early

55
00:04:19,410 --> 00:04:16,120
ones or the game question I was made to

56
00:04:21,750 --> 00:04:19,420
go to Sunday school every Sunday it was

57
00:04:23,550 --> 00:04:21,760
always sort of drilled into me that

58
00:04:26,520 --> 00:04:23,560
there was something else out there so

59
00:04:29,510 --> 00:04:26,530
you know I don't know if that set the

60
00:04:33,440 --> 00:04:29,520
tone for me being inquisitive to

61
00:04:37,200 --> 00:04:33,450
anything to do the paranormal war UFOs

62
00:04:39,540 --> 00:04:37,210
but it goes back to my mother's

63
00:04:42,300 --> 00:04:39,550

childhood actually where my mom's are

64

00:04:44,250 --> 00:04:42,310

kidney patients and she has dialysis a

65

00:04:47,670 --> 00:04:44,260

few times a week to make sure her

66

00:04:49,820 --> 00:04:47,680

kidneys still function and literally as

67

00:04:52,050 --> 00:04:49,830

a child she was given overnight to live

68

00:04:54,570 --> 00:04:52,060

they didn't think she was going to make

69

00:04:58,590 --> 00:04:54,580

it was working pretty bleak now she

70

00:05:01,130 --> 00:04:58,600

swears for this day that she woke and

71

00:05:03,540 --> 00:05:01,140

saw an angel stood by her bedside

72

00:05:05,970 --> 00:05:03,550

obviously my mom went on to make a

73

00:05:11,190 --> 00:05:05,980

recovery somewhat you know she was able

74

00:05:14,340 --> 00:05:11,200

to birth me so in a nutshell my my child

75

00:05:17,010 --> 00:05:14,350

has always been kind of I don't know so

76

00:05:18,450 --> 00:05:17,020

regimented but you know I was always

77

00:05:24,670 --> 00:05:18,460

made to believe that there's something

78

00:05:27,820 --> 00:05:24,680

else above us higher than us so when

79

00:05:30,310 --> 00:05:27,830

story short you know as a young kid I've

80

00:05:33,219 --> 00:05:30,320

accordingly went to Sunday school every

81

00:05:37,590 --> 00:05:33,229

Sunday and you know said my prayers and

82

00:05:43,300 --> 00:05:37,600

everything else and I got to the age of

83

00:05:45,460 --> 00:05:43,310

14 and my father passed away probably

84

00:05:49,680 --> 00:05:45,470

about six six six to eight months prior

85

00:05:52,510 --> 00:05:49,690

I moved into my father's old bedroom

86

00:05:58,180 --> 00:05:52,520

more for comfort reasons more than

87

00:06:02,350 --> 00:05:58,190

anything else and I can only describe

88

00:06:05,589 --> 00:06:02,360

this as how I remember it because

89

00:06:09,939 --> 00:06:05,599

obviously you talking over 20 years ago

90

00:06:13,990 --> 00:06:09,949

but I remember being in bed and then I

91

00:06:17,379 --> 00:06:14,000

woke to found this bright light in the

92

00:06:19,930 --> 00:06:17,389

room which was like when you have a

93

00:06:22,270 --> 00:06:19,940

thunder and lightning storm lightning

94

00:06:24,670 --> 00:06:22,280

strikes nearby and it illuminates earth

95

00:06:27,730 --> 00:06:24,680

and in the bedroom and this might woke

96

00:06:31,659 --> 00:06:27,740

me up I went to we had a big bay window

97

00:06:34,000 --> 00:06:31,669

at the back of the house and sort of

98

00:06:36,250 --> 00:06:34,010

rubbed me eyes got off and water the

99

00:06:40,420 --> 00:06:36,260

window expectancy you know the police

100

00:06:43,510 --> 00:06:40,430

helicopter and you know looking someone

101
00:06:45,820 --> 00:06:43,520
with the searchlight on so I've gone up

102
00:06:48,339 --> 00:06:45,830
to the window bit this light is

103
00:06:50,980 --> 00:06:48,349
absolutely blinded and it illuminated

104
00:06:54,670 --> 00:06:50,990
everything in my back yard and the

105
00:06:56,649 --> 00:06:54,680
neighbor's backyard and I couldn't see

106
00:06:58,600 --> 00:06:56,659
in the cynical boughs you know looking

107
00:07:00,850 --> 00:06:58,610
for the window and looking up and you

108
00:07:04,149 --> 00:07:00,860
can just see that this crazy light come

109
00:07:07,300 --> 00:07:04,159
from the sky so I hope you the idea and

110
00:07:09,399 --> 00:07:07,310
I dunno why did this well I opened the

111
00:07:11,770 --> 00:07:09,409
window I sort of stuck my head out the

112
00:07:15,129 --> 00:07:11,780
window and passed there was trying to

113
00:07:17,649 --> 00:07:15,139

look past the eaves and the house and I

114

00:07:22,180 --> 00:07:17,659

could see it was like straight outline

115

00:07:24,550 --> 00:07:22,190

but it's huge and literally I'm looking

116

00:07:27,010 --> 00:07:24,560

at this outline trying to make out what

117

00:07:31,029 --> 00:07:27,020

it is there's no Sam and completely

118

00:07:34,089 --> 00:07:31,039

silent and and what I remember is

119

00:07:37,600 --> 00:07:34,099

everything was evenly silent because

120

00:07:38,439 --> 00:07:37,610

this would have been about 3:30 4:00

121

00:07:42,279 --> 00:07:38,449

a.m. in the more

122

00:07:45,249 --> 00:07:42,289

then just before dawn broke and there

123

00:07:47,730 --> 00:07:45,259

was no bird thing in which they were

124

00:07:52,420 --> 00:07:47,740

usually I saw that time in the morning

125

00:07:55,839 --> 00:07:52,430

so basically I heard a loud bang behind

126

00:07:56,170 --> 00:07:55,849

me and you know which made me jump you

127

00:07:58,510 --> 00:07:56,180

know

128

00:08:00,309 --> 00:07:58,520

startled turn round turned back around

129

00:08:03,429 --> 00:08:00,319

to the window and whatever it was was

130

00:08:05,499 --> 00:08:03,439

gone tell my grandmother about exes were

131

00:08:09,790 --> 00:08:05,509

grandmother's hamster was loving it my

132

00:08:12,670 --> 00:08:09,800

grandmother sort of rubbish the idea

133

00:08:17,589 --> 00:08:12,680

that it was anything strange or untoward

134

00:08:19,390 --> 00:08:17,599

and because I I think even mentioned to

135

00:08:22,119 --> 00:08:19,400

you know something about long lines of

136

00:08:24,579 --> 00:08:22,129

it bidding us out because there was

137

00:08:29,829 --> 00:08:24,589

nothing like it ever seen before in what

138

00:08:32,259 --> 00:08:29,839

you remember in 1994 rather been yet 14

139

00:08:35,370 --> 00:08:32,269

so there was no internet back then and

140

00:08:39,969 --> 00:08:35,380

there wasn't many books on the subject

141

00:08:43,329 --> 00:08:39,979

at least not that I read at the time so

142

00:08:44,680 --> 00:08:43,339

when when school and you know it wasn't

143

00:08:46,900 --> 00:08:44,690

the kind of thing that you spoke about

144

00:08:50,530 --> 00:08:46,910

at school with your friends because you

145

00:08:52,329 --> 00:08:50,540

know there was a lot of ridicule you

146

00:08:55,090 --> 00:08:52,339

know people would kind of take the

147

00:08:59,019 --> 00:08:55,100

mickey and you know it wasn't something

148

00:09:02,379 --> 00:08:59,029

you spoke about my best friend a guy

149

00:09:05,949 --> 00:09:02,389

called Lee lived about two streets

150

00:09:10,750 --> 00:09:05,959

behind the house and he said he woke

151
00:09:14,199 --> 00:09:10,760
early in the morning and then went to

152
00:09:16,329 --> 00:09:14,209
his window to look out so then he says

153
00:09:18,970 --> 00:09:16,339
to this day he doesn't know what made

154
00:09:21,879 --> 00:09:18,980
him go to the window he said he went to

155
00:09:23,829 --> 00:09:21,889
the window he see this light and he was

156
00:09:26,829 --> 00:09:23,839
immediatly drawn to it and over my

157
00:09:28,809 --> 00:09:26,839
house was this huge triangular craft and

158
00:09:32,129 --> 00:09:28,819
he said it was it was black

159
00:09:35,920 --> 00:09:32,139
you know because bearing in mind this is

160
00:09:39,309 --> 00:09:35,930
say our three four o'clock so you know

161
00:09:41,199 --> 00:09:39,319
the sky is starting to go mightor and he

162
00:09:44,050 --> 00:09:41,209
said this thing was as black as black

163
00:09:48,040 --> 00:09:44,060

you could see there was just this light

164

00:09:51,970 --> 00:09:48,050

from what I presume was the center and

165

00:09:54,910 --> 00:09:51,980

it was over the house so

166

00:09:57,910 --> 00:09:54,920

and I'll pop that to the back of my mind

167

00:10:00,280 --> 00:09:57,920

as you do really these things kind of

168

00:10:03,100 --> 00:10:00,290

scare you when you're a kid in you know

169

00:10:07,480 --> 00:10:03,110

I've seen the movies aliened and you

170

00:10:12,340 --> 00:10:07,490

know everything else and then I decided

171

00:10:15,040 --> 00:10:12,350

not to provoke it and then you had some

172

00:10:18,460 --> 00:10:15,050

strange paranormal goings-on and

173

00:10:24,370 --> 00:10:18,470

thereafter where and moved back to my

174

00:10:27,100 --> 00:10:24,380

parents house and without things like be

175

00:10:29,260 --> 00:10:27,110

strangely instances laughter now I get

176

00:10:31,390 --> 00:10:29,270

in trouble for them and they'd be like

177

00:10:33,670 --> 00:10:31,400

before I went to bed would be like

178

00:10:34,740 --> 00:10:33,680

shampoo warm up the walls in the

179

00:10:38,440 --> 00:10:34,750

bathroom

180

00:10:41,140 --> 00:10:38,450

you know like shenanigans going on if

181

00:10:43,420 --> 00:10:41,150

you will and of course like you know my

182

00:10:45,850 --> 00:10:43,430

parents were like well you know you set

183

00:10:48,280 --> 00:10:45,860

that doesn't film this you know my mom

184

00:10:50,320 --> 00:10:48,290

saying she hasn't done it felt like me I

185

00:10:54,100 --> 00:10:50,330

used to get punished for these things

186

00:10:57,470 --> 00:10:54,110

and they're you know done AG you kind of

187

00:10:58,920 --> 00:10:57,480

thinking it was stepped up doing this is

188

00:11:03,010 --> 00:10:58,930

[Music]

189

00:11:05,230 --> 00:11:03,020

you know is the more to this so this

190

00:11:07,390 --> 00:11:05,240

this went on for a number of years and

191

00:11:09,730 --> 00:11:07,400

you know through that I sort of got

192

00:11:14,560 --> 00:11:09,740

labeled as a blacks watching and the

193

00:11:19,030 --> 00:11:14,570

family it's only now and a lot back and

194

00:11:25,620 --> 00:11:19,040

all of this that you start to notice all

195

00:11:33,130 --> 00:11:29,740

we get to we get to I'm probably about

196

00:11:36,340 --> 00:11:33,140

20 21 and obviously you got the Internet

197

00:11:39,250 --> 00:11:36,350

then I started looking into a lot of UFO

198

00:11:41,650 --> 00:11:39,260

sightings and that any of the sightings

199

00:11:44,980 --> 00:11:41,660

you know after that first one that was

200

00:11:49,570 --> 00:11:44,990

40 started looking into UFO sightings

201
00:11:53,020 --> 00:11:49,580
and more the wanted answers and then you

202
00:11:57,070 --> 00:11:53,030
know I've seen these videos the Belgium

203
00:12:00,850 --> 00:11:57,080
UFO flap with the triangular craft that

204
00:12:03,760 --> 00:12:00,860
was spotted there was a several local

205
00:12:05,660 --> 00:12:03,770
videos and obviously now you know people

206
00:12:10,580 --> 00:12:05,670
say that tr-3b

207
00:12:16,400 --> 00:12:10,590
or the Astra crafts and they're ours but

208
00:12:21,200 --> 00:12:16,410
some dispute about that so yeah

209
00:12:23,590 --> 00:12:21,210
basically all these strange accounts

210
00:12:30,650 --> 00:12:23,600
that I've kind of gone through my

211
00:12:34,600 --> 00:12:30,660
teenage years a talk made me curious so

212
00:12:36,850 --> 00:12:34,610
I was searching for stuff online and

213
00:12:40,100 --> 00:12:36,860

obviously came across all the mainstream

214

00:12:44,390 --> 00:12:40,110

stories like Roswell and some of the

215

00:12:46,310 --> 00:12:44,400

bigger known stories and this really

216

00:12:49,400 --> 00:12:46,320

sort of piqued my interest because I

217

00:12:53,350 --> 00:12:49,410

didn't know to this degree that there

218

00:12:55,940 --> 00:12:53,360

was this level of information out there

219

00:12:58,820 --> 00:12:55,950

you know my brother he books I think I'd

220

00:13:01,940 --> 00:12:58,830

read Timothy gods box around that time

221

00:13:04,730 --> 00:13:01,950

and but other than that you know nothing

222

00:13:08,990 --> 00:13:04,740

was forthcoming and I wanted to know

223

00:13:13,280 --> 00:13:09,000

more and you know maybe provoked by what

224

00:13:16,930 --> 00:13:13,290

I'd seen as a teenager and you know it

225

00:13:19,340 --> 00:13:16,940

sort of had my curiosity there and then

226

00:13:23,930 --> 00:13:19,350

so I decided to look into this a little

227

00:13:26,390 --> 00:13:23,940

bit more and you know to see thousands

228

00:13:30,350 --> 00:13:26,400

I'd seen a few things in the sky which I

229

00:13:32,300 --> 00:13:30,360

can explain and again you know the

230

00:13:34,160 --> 00:13:32,310

thirst for knowledge and to find out

231

00:13:35,720 --> 00:13:34,170

what these things are leads you back to

232

00:13:38,090 --> 00:13:35,730

the internet you know you do some

233

00:13:41,870 --> 00:13:38,100

research you look at bunch of YouTube

234

00:13:45,650 --> 00:13:41,880

videos and this got me to the point

235

00:13:46,700 --> 00:13:45,660

where I decided to create a Facebook

236

00:13:50,720 --> 00:13:46,710

page called

237

00:13:54,740 --> 00:13:50,730

ufology UK and I say like Batman you

238

00:13:57,290 --> 00:13:54,750

know all I really knew was you know all

239

00:13:59,390 --> 00:13:57,300

the mainstream stories that you see on

240

00:14:04,700 --> 00:13:59,400

the History Channel and on these TV

241

00:14:06,800 --> 00:14:04,710

shows I'm really locked into any of the

242

00:14:08,990 --> 00:14:06,810

other sightings but wasn't a great deal

243

00:14:13,100 --> 00:14:09,000

out there at the time it was kind of

244

00:14:17,060 --> 00:14:13,110

sort of regurgitated same stories and

245

00:14:19,500 --> 00:14:17,070

different opinions and whatnot and so I

246

00:14:23,579 --> 00:14:19,510

started the website and then

247

00:14:26,280 --> 00:14:23,589

as you know you know once you delve down

248

00:14:27,990 --> 00:14:26,290

the rabbit hole there's coming no going

249

00:14:31,829 --> 00:14:28,000

back and as I started to learn more

250

00:14:34,019 --> 00:14:31,839

about this subject and I aspired to have

251

00:14:37,379 --> 00:14:34,029

encounters revoir can only describe

252

00:14:41,280 --> 00:14:37,389

those shadow entities I've moved back

253

00:14:44,699 --> 00:14:41,290

from London and either been twenty nine

254

00:14:50,250 --> 00:14:44,709

thirty years of age and member for

255

00:14:52,920 --> 00:14:50,260

London from parents house then I went in

256

00:14:55,579 --> 00:14:52,930

the middle of the night out of roll over

257

00:14:59,069 --> 00:14:55,589

in bed and I'd see these very tall

258

00:15:00,960 --> 00:14:59,079

faceless watch shadows below my bed I'd

259

00:15:02,850 --> 00:15:00,970

always be gasping for air like I was

260

00:15:06,840 --> 00:15:02,860

having a panic attack now I've never

261

00:15:09,689 --> 00:15:06,850

suffered a panic attack lucid and so I

262

00:15:13,560 --> 00:15:09,699

have nothing to compare this to

263

00:15:16,680 --> 00:15:13,570

and these things are terrifying

264

00:15:18,180 --> 00:15:16,690

and I can make out you know of a fairly

265

00:15:21,480 --> 00:15:18,190

chilled it was in the bad dream when the

266

00:15:24,840 --> 00:15:21,490

tea these things and and then literally

267

00:15:27,420 --> 00:15:24,850

it stopped wake up next more than kind

268

00:15:29,579 --> 00:15:27,430

of confused and you know did a Google

269

00:15:33,329 --> 00:15:29,589

search that came up you know a bunch of

270

00:15:35,759 --> 00:15:33,339

things like sleep paralysis and you know

271

00:15:39,660 --> 00:15:35,769

various medications can induce these

272

00:15:42,269 --> 00:15:39,670

things and a friend sent me and I think

273

00:15:44,699 --> 00:15:42,279

it was a coast-to-coast interview I am

274

00:15:49,220 --> 00:15:44,709

where are the late art Ballard on their

275

00:15:51,960 --> 00:15:49,230

a show talking about shadow entities

276

00:15:54,750 --> 00:15:51,970

so I've listened to this show and I

277

00:15:56,340 --> 00:15:54,760

cannot start to discover that there's a

278

00:16:01,800 --> 00:15:56,350

lot of people out there that about these

279

00:16:04,829 --> 00:16:01,810

experiences and these instances would

280

00:16:06,569 --> 00:16:04,839

happen almost nightly and I got to the

281

00:16:12,090 --> 00:16:06,579

point where I was kind of scared to go

282

00:16:13,800 --> 00:16:12,100

to sleep and then they got worse in

283

00:16:16,710 --> 00:16:13,810

nature like that there's a couple of

284

00:16:17,340 --> 00:16:16,720

instances where I've ever do they ripped

285

00:16:19,680 --> 00:16:17,350

from me

286

00:16:22,730 --> 00:16:19,690

and I guess I'd wrap myself in the do

287

00:16:27,030 --> 00:16:22,740

they say I guess some kind of security

288

00:16:30,569 --> 00:16:27,040

or to feel safe and you know we I do

289

00:16:33,330 --> 00:16:30,579

after state that all the ex-girlfriend

290

00:16:35,820 --> 00:16:33,340

said a dancer mostly and well

291

00:16:39,740 --> 00:16:35,830

obviously I stay compliant to once but I

292

00:16:42,780 --> 00:16:39,750

don't roll around or not restless and

293

00:16:44,850 --> 00:16:42,790

well I went to find this you know I'd

294

00:16:48,360 --> 00:16:44,860

feel the sensation of the Dubey being

295

00:16:51,360 --> 00:16:48,370

ripped from me by these tall shadow

296

00:16:53,340 --> 00:16:51,370

figures I wake up them that do they

297

00:16:55,920 --> 00:16:53,350

covered me down the end of the bed and

298

00:16:59,400 --> 00:16:55,930

the real instance where I felt like I

299

00:17:01,290 --> 00:16:59,410

was pulled from the bed and I woke my my

300

00:17:03,240 --> 00:17:01,300

head was about three feet away from

301
00:17:05,900 --> 00:17:03,250
where my pillows where my legs are

302
00:17:12,720 --> 00:17:05,910
hanging over the side of the bed and

303
00:17:15,720 --> 00:17:12,730
then again you know um you know scared

304
00:17:19,640 --> 00:17:15,730
the hell out of me and shortly after I

305
00:17:23,930 --> 00:17:19,650
moved in with my then-girlfriend choir

306
00:17:26,760 --> 00:17:23,940
and we moved to a house in Wrexham and

307
00:17:30,060 --> 00:17:26,770
you know everything was going well she

308
00:17:32,070 --> 00:17:30,070
knew about me interest in UFOs I was

309
00:17:34,440 --> 00:17:32,080
doing more and more research and looking

310
00:17:38,340 --> 00:17:34,450
into a lot you know a lot of these

311
00:17:41,340 --> 00:17:38,350
subjects a lot more closely and then

312
00:17:45,690 --> 00:17:41,350
these experiences have been shadow

313
00:17:48,570 --> 00:17:45,700

beings followed me and you know she'd

314

00:17:51,780 --> 00:17:48,580

say I used to wake up and I've been sort

315

00:17:54,390 --> 00:17:51,790

of screaming in my sleep and I always

316

00:17:57,570 --> 00:17:54,400

thought you know I always felt like was

317

00:18:01,350 --> 00:17:57,580

paralyzed in fear I couldn't do anything

318

00:18:03,150 --> 00:18:01,360

about these beings being there I don't

319

00:18:07,220 --> 00:18:03,160

know what they were doing and they were

320

00:18:13,200 --> 00:18:07,230

always sort of crouched over my bed and

321

00:18:15,000 --> 00:18:13,210

so anyway I wake one day and my

322

00:18:17,490 --> 00:18:15,010

ex-girlfriend and your life of their

323

00:18:21,390 --> 00:18:17,500

shinchon shiromar that the scratch marks

324

00:18:23,040 --> 00:18:21,400

on my back and she saw the joke that you

325

00:18:26,220 --> 00:18:23,050

know I've been playing away with another

326

00:18:29,120 --> 00:18:26,230

woman and you know you're always all the

327

00:18:31,740 --> 00:18:29,130

jokes came out in regards for that and

328

00:18:35,220 --> 00:18:31,750

I've become friends with a guy called

329

00:18:40,650 --> 00:18:35,230

Jason Graves who's a really good image

330

00:18:43,140 --> 00:18:40,660

analyst and things at once UFOs and he'd

331

00:18:47,190 --> 00:18:43,150

give me a ultraviolet talk shortly

332

00:18:48,720 --> 00:18:47,200

before this happened and he'd always

333

00:18:52,500 --> 00:18:48,730

you know sort of said that outdoor

334

00:18:54,060 --> 00:18:52,510

teaser marked and they're taken a lot of

335

00:18:57,060 --> 00:18:54,070

things aren't seen with the naked eye

336

00:18:58,620 --> 00:18:57,070

you shining UV torch on them and it will

337

00:19:02,580 --> 00:18:58,630

show a lot of things that you can't

338

00:19:05,490 --> 00:19:02,590

necessarily see so I told them about

339

00:19:07,230 --> 00:19:05,500

these scratch marks and at the time he

340

00:19:10,139 --> 00:19:07,240

was the only person I told about it

341

00:19:12,930 --> 00:19:10,149

because you know who to tell this sort

342

00:19:17,850 --> 00:19:12,940

of thing to about him yeah looking like

343

00:19:20,940 --> 00:19:17,860

you like me going crazy so he advised me

344

00:19:23,970 --> 00:19:20,950

to go into a dark room and shiny Evie

345

00:19:28,500 --> 00:19:23,980

torch on my back and get quiet take some

346

00:19:33,240 --> 00:19:28,510

pictures and send them to him and there

347

00:19:35,250 --> 00:19:33,250

what appeared was it almost looked like

348

00:19:37,500 --> 00:19:35,260

I've been branded on the back end and

349

00:19:41,730 --> 00:19:37,510

then the pictures are on my facebook you

350

00:19:44,610 --> 00:19:41,740

might have seen the riot and I literally

351
00:19:46,500 --> 00:19:44,620
only got there the photos back recently

352
00:19:49,919 --> 00:19:46,510
because they weren't missing for a

353
00:19:52,919 --> 00:19:49,929
number of years but those people have

354
00:19:54,960 --> 00:19:52,929
said it looks like a word fine and some

355
00:19:57,509 --> 00:19:54,970
people said it looks like there's

356
00:20:00,440 --> 00:19:57,519
numbers and because you can make out

357
00:20:05,730 --> 00:20:00,450
what looks like a two in the one and

358
00:20:08,909 --> 00:20:05,740
again I I don't know what this means it

359
00:20:10,680 --> 00:20:08,919
has no relevance or significance to me

360
00:20:13,340 --> 00:20:10,690
at this point of my life

361
00:20:16,680 --> 00:20:13,350
you know needless to say there's nearly

362
00:20:20,810 --> 00:20:16,690
pretty much scared me off looking into

363
00:20:23,610 --> 00:20:20,820

this subject further the mother dead and

364

00:20:28,259 --> 00:20:23,620

anyways me and Jason went to this UFO

365

00:20:30,870 --> 00:20:28,269

convention and live in st. Anne's the

366

00:20:36,950 --> 00:20:30,880

one the stinkers was staying at the

367

00:20:41,909 --> 00:20:36,960

hotel was sustaining and I immediately

368

00:20:44,759 --> 00:20:41,919

bar area up and a few drinks and for

369

00:20:47,399 --> 00:20:44,769

some reason something sparing me to go

370

00:20:50,399 --> 00:20:47,409

and listen to this guy you have to take

371

00:20:51,779 --> 00:20:50,409

all of about 14 people around there and

372

00:20:52,659 --> 00:20:51,789

they're all telling them about their

373

00:20:55,299 --> 00:20:52,669

experience

374

00:20:58,599 --> 00:20:55,309

you know like I saw the sat patiently

375

00:21:01,989 --> 00:20:58,609

and listened and when the time was right

376

00:21:04,930 --> 00:21:01,999

outside speak up because you know I

377

00:21:06,340 --> 00:21:04,940

wanted answers about all this weird

378

00:21:10,180 --> 00:21:06,350

stuff that I've been going on in my life

379

00:21:12,999 --> 00:21:10,190

so called long story short I spoke to

380

00:21:17,310 --> 00:21:13,009

him about him and he said it was a very

381

00:21:20,649 --> 00:21:17,320

real phenomenon and he also told me that

382

00:21:25,359 --> 00:21:20,659

these things feed off fear they're

383

00:21:27,249 --> 00:21:25,369

almost parasitic in nature and he

384

00:21:31,090 --> 00:21:27,259

advised me to use like passive call a

385

00:21:35,049 --> 00:21:31,100

night light you know I've been using

386

00:21:39,930 --> 00:21:35,059

that ever since and he did sort of go on

387

00:21:43,629 --> 00:21:39,940

to say that you know I was protected and

388

00:21:48,039 --> 00:21:43,639

these experiences would pretty much stop

389

00:21:50,139 --> 00:21:48,049

overnight and he did so I returned how

390

00:21:52,509 --> 00:21:50,149

he was kind of happy that you know all

391

00:21:57,609 --> 00:21:52,519

these experiences and stopped now to be

392

00:21:59,849 --> 00:21:57,619

shadow games and but this is where the

393

00:22:02,769 --> 00:21:59,859

sightings got a lot more frequent and

394

00:22:05,109 --> 00:22:02,779

then he said to me one of the strange

395

00:22:07,180 --> 00:22:05,119

things inside and I've kind of almost

396

00:22:09,430 --> 00:22:07,190

took his comment tongue-in-cheek

397

00:22:11,680 --> 00:22:09,440

as you do when you meet some of these

398

00:22:13,450 --> 00:22:11,690

people I mean Chad you know are speaking

399

00:22:17,320 --> 00:22:13,460

to me one of the things that will happen

400

00:22:21,669 --> 00:22:17,330

to you is you'll learn see a lot more

401
00:22:24,820 --> 00:22:21,679
UFOs and you know the rate you seeing on

402
00:22:27,789 --> 00:22:24,830
this it's going to be pretty full-on and

403
00:22:30,279 --> 00:22:27,799
you know you can't take me in to comment

404
00:22:32,919 --> 00:22:30,289
tumbled and you know you go away with

405
00:22:37,479 --> 00:22:32,929
them and you think so nothing more about

406
00:22:40,180 --> 00:22:37,489
it as I say a1 back home and my

407
00:22:44,950 --> 00:22:40,190
ex-girlfriend she she was aware of my

408
00:22:47,919 --> 00:22:44,960
fascination and into the subject but she

409
00:22:51,519 --> 00:22:47,929
didn't want to understand it and if I'm

410
00:22:54,999 --> 00:22:51,529
honest the subject and obviously when

411
00:22:57,460 --> 00:22:55,009
you go deeper into some of the issues

412
00:23:00,879 --> 00:22:57,470
that present themselves she didn't want

413
00:23:04,389 --> 00:23:00,889

to know and you know it scared her so

414

00:23:06,250 --> 00:23:04,399

we're still looking out of our bedroom

415

00:23:10,180 --> 00:23:06,260

window one evening and they

416

00:23:13,000 --> 00:23:10,190

there's a beautiful clear sky and where

417

00:23:15,910 --> 00:23:13,010

we lived in Wales and overlooked a place

418

00:23:19,510 --> 00:23:15,920

called worlds and there's like a lot

419

00:23:22,090 --> 00:23:19,520

more London you know there's like always

420

00:23:24,640 --> 00:23:22,100

hilly areas if you'll imagine in Wales

421

00:23:28,720 --> 00:23:24,650

and it's pretty desolate and pretty

422

00:23:32,620 --> 00:23:28,730

remote somewhere and I turn round to her

423

00:23:35,050 --> 00:23:32,630

and I said you know because I had I

424

00:23:38,320 --> 00:23:35,060

think she probably believed a lot of

425

00:23:40,840 --> 00:23:38,330

this stuff but I'd said the sightings

426

00:23:43,180 --> 00:23:40,850

that I'd had one of the team or you know

427

00:23:45,520 --> 00:23:43,190

it's one of them unless people see it

428

00:23:46,900 --> 00:23:45,530

with their own eyes they they can't

429

00:23:47,610 --> 00:23:46,910

probably understand what you're going

430

00:23:51,250 --> 00:23:47,620

through

431

00:23:53,080 --> 00:23:51,260

so I calmed him to her as we're looking

432

00:23:56,380 --> 00:23:53,090

out this window and I said I would

433

00:23:59,770 --> 00:23:56,390

absolutely love it if you would see

434

00:24:02,260 --> 00:23:59,780

something right now that would appear to

435

00:24:05,980 --> 00:24:02,270

you that you could have absolutely no

436

00:24:08,590 --> 00:24:05,990

explanation for I literally and I'm

437

00:24:11,350 --> 00:24:08,600

talking seconds like well looking out

438

00:24:14,280 --> 00:24:11,360

this window looking at the night sky in

439

00:24:17,610 --> 00:24:14,290

the stars and Venus and whatnot and this

440

00:24:22,270 --> 00:24:17,620

starlight object appears in the sky

441

00:24:25,540 --> 00:24:22,280

really bright the brightest white I've

442

00:24:29,830 --> 00:24:25,550

probably ever seen and this thing starts

443

00:24:31,360 --> 00:24:29,840

moving towards the house so we kind of

444

00:24:34,480 --> 00:24:31,370

look at each other she's you know

445

00:24:36,400 --> 00:24:34,490

picking a jar of pasta flour and I run

446

00:24:38,590 --> 00:24:36,410

downstairs and I run into the back

447

00:24:40,240 --> 00:24:38,600

garden and by the time I've gone to the

448

00:24:43,560 --> 00:24:40,250

back guard next things literally going

449

00:24:46,990 --> 00:24:43,570

over the house now you know we've got

450

00:24:49,960 --> 00:24:47,000

Liverpool Airport is you know in our

451

00:24:53,110 --> 00:24:49,970

flight path and we've also got an air

452

00:24:55,030 --> 00:24:53,120

box Factory which is pretty close by so

453

00:24:57,610 --> 00:24:55,040

we're used to seeing you know all kinds

454

00:25:01,240 --> 00:24:57,620

of aircraft going over and also our flb

455

00:25:03,760 --> 00:25:01,250

isn't too far away so this wasn't a

456

00:25:07,450 --> 00:25:03,770

plane and saying this thing was flying

457

00:25:13,330 --> 00:25:07,460

silently and I can only say it was like

458

00:25:16,030 --> 00:25:13,340

a beach ball sized orb this brilliant

459

00:25:20,320 --> 00:25:16,040

white and it just wink silently over the

460

00:25:23,320 --> 00:25:20,330

house and from there on in you know

461

00:25:28,500 --> 00:25:23,330

I became known as their the u.s. own

462

00:25:31,030 --> 00:25:28,510

guardian of the weird guy literally

463

00:25:34,090 --> 00:25:31,040

pretty much every time I would go

464

00:25:36,430 --> 00:25:34,100

outside - at the time I you know was

465

00:25:37,870 --> 00:25:36,440

smoke cigarettes I'd go outside of the

466

00:25:41,470 --> 00:25:37,880

cigarette in the back garden of an

467

00:25:44,170 --> 00:25:41,480

evening and we'd see these billion old

468

00:25:49,060 --> 00:25:44,180

swine over and those people there with

469

00:25:55,750 --> 00:25:49,070

me who weren't believers of UFOs or a

470

00:25:59,070 --> 00:25:55,760

lot of this phenomenon you know that

471

00:26:01,840 --> 00:25:59,080

they were witness as well and you know

472

00:26:04,390 --> 00:26:01,850

again I didn't I've not asked to see

473

00:26:06,700 --> 00:26:04,400

anything like this and but it was almost

474

00:26:10,540 --> 00:26:06,710

like this phenomenon was presented

475

00:26:13,620 --> 00:26:10,550

itself to me you know this has gone on

476

00:26:15,970 --> 00:26:13,630

for as long as I can remember and

477

00:26:19,420 --> 00:26:15,980

obviously more recently you know I've

478

00:26:22,240 --> 00:26:19,430

had some pretty major sightings what was

479

00:26:24,190 --> 00:26:22,250

a day like seitan which the pictures are

480

00:26:27,340 --> 00:26:24,200

up on my facebook the videos are on my

481

00:26:29,530 --> 00:26:27,350

youtube channel where we vlog to these

482

00:26:34,420 --> 00:26:29,540

things and then they're pretty

483

00:26:36,520 --> 00:26:34,430

spectacular in nature so yeah further

484

00:26:41,050 --> 00:26:36,530

down the rabbit hole we travel and then

485

00:26:43,480 --> 00:26:41,060

onwards we go you mentioned so many

486

00:26:47,680 --> 00:26:43,490

things that rang true with what I

487

00:26:53,910 --> 00:26:47,690

consider exactly kind of like my path of

488

00:26:58,270 --> 00:26:53,920

life as well like these these times when

489

00:27:03,400 --> 00:26:58,280

you are able to see behind the veil and

490

00:27:05,530 --> 00:27:03,410

I think you mentioned that you know you

491

00:27:07,870 --> 00:27:05,540

knew from an early age there was

492

00:27:14,970 --> 00:27:07,880

something above did you realize there

493

00:27:21,600 --> 00:27:18,460

sort of suddenly school scholars and the

494

00:27:24,400 --> 00:27:21,610

teachers you know I was very aware of

495

00:27:26,980 --> 00:27:24,410

you know my mom had spoken about demonic

496

00:27:30,830 --> 00:27:26,990

Anthes and

497

00:27:32,660 --> 00:27:30,840

you know the dangers have get involved

498

00:27:36,980 --> 00:27:32,670

with anything like that and you know

499

00:27:39,260 --> 00:27:36,990

like as a young teen remember and this

500

00:27:41,450 --> 00:27:39,270

was just after my father passed away and

501
00:27:44,180 --> 00:27:41,460
I met this girl and the place called

502
00:27:47,750 --> 00:27:44,190
mark Hampton and then her family were

503
00:27:50,030 --> 00:27:47,760
really into cults they were into like

504
00:27:53,810 --> 00:27:50,040
ghost huntin and what line she suggested

505
00:27:56,330 --> 00:27:53,820
doing a Ouija board and I went to the

506
00:27:58,280 --> 00:27:56,340
house and you know again tongue-in-cheek

507
00:28:00,230 --> 00:27:58,290
I'm colorful we spend more most

508
00:28:03,590 --> 00:28:00,240
personalities but I have to sing

509
00:28:07,790 --> 00:28:03,600
something to believe that so we did this

510
00:28:10,850 --> 00:28:07,800
Ouija board and the Ouija board spells

511
00:28:14,210 --> 00:28:10,860
out a nickname that my father had for me

512
00:28:15,860 --> 00:28:14,220
and it wasn't something that I shared

513
00:28:18,230 --> 00:28:15,870

with these people they they wouldn't

514

00:28:21,020 --> 00:28:18,240

have known this and I was kind of blown

515

00:28:23,000 --> 00:28:21,030

away by that and they you know being

516

00:28:27,190 --> 00:28:23,010

quite open with my mother at young age

517

00:28:29,750 --> 00:28:27,200

you know I told her about this and then

518

00:28:32,060 --> 00:28:29,760

one of the things that came through and

519

00:28:36,320 --> 00:28:32,070

on the Ouija board that I had the

520

00:28:38,900 --> 00:28:36,330

guardian spirit that was a dog now my

521

00:28:43,910 --> 00:28:38,910

mom being a Christian her interpretation

522

00:28:46,400 --> 00:28:43,920

of that is obviously a lot of darker

523

00:28:50,030 --> 00:28:46,410

stuff as you as you talking about it

524

00:28:54,680 --> 00:28:50,040

spelled backwards so you know in here my

525

00:28:56,950 --> 00:28:54,690

dog acquainted to God so when she thinks

526

00:29:03,250 --> 00:28:56,960

perhaps i attracted something bad and

527

00:29:06,110 --> 00:29:03,260

back then so yeah i was very aware with

528

00:29:09,860 --> 00:29:06,120

you know both sides light and darkness

529

00:29:12,110 --> 00:29:09,870

and after the Ouija board it kind of

530

00:29:16,790 --> 00:29:12,120

scared me off it was a bit too real from

531

00:29:20,000 --> 00:29:16,800

i understood and then you know I I

532

00:29:21,920 --> 00:29:20,010

kind of was left with the opinion of the

533

00:29:23,840 --> 00:29:21,930

things out there that maybe you

534

00:29:25,970 --> 00:29:23,850

shouldn't provoke you know we all search

535

00:29:30,200 --> 00:29:25,980

for answers we all want to hear from old

536

00:29:32,960 --> 00:29:30,210

ones when they pass and you know crosses

537

00:29:37,430 --> 00:29:32,970

where things out there that you know

538

00:29:39,620 --> 00:29:37,440

forces if you want to call it that but

539

00:29:42,110 --> 00:29:39,630

you shouldn't necessarily

540

00:29:43,940 --> 00:29:42,120

problem than last year's you know you

541

00:29:46,850 --> 00:29:43,950

know exactly what are you doing

542

00:29:50,180 --> 00:29:46,860

I agree more I think there are

543

00:29:51,890 --> 00:29:50,190

definitely forces that whether you

544

00:29:54,440 --> 00:29:51,900

acknowledge them or not they're there

545

00:29:57,350 --> 00:29:54,450

and by the time you realize it sometimes

546

00:30:02,450 --> 00:29:57,360

it's too late at least in many cases

547

00:30:04,910 --> 00:30:02,460

great minds of ufology have alluded to

548

00:30:07,870 --> 00:30:04,920

the possibility that some of these

549

00:30:10,730 --> 00:30:07,880

entities are demonic in nature and

550

00:30:14,600 --> 00:30:10,740

actually some governmental programs in

551

00:30:18,650 --> 00:30:14,610

fact there's been a lot that has been

552

00:30:22,760 --> 00:30:18,660

Declassified in documents is there a

553

00:30:25,610 --> 00:30:22,770

possibility that this is possibly

554

00:30:27,950 --> 00:30:25,620

demonic I guess and you know and I'm

555

00:30:33,860 --> 00:30:27,960

talking I'll just I'll just say and I'm

556

00:30:36,890 --> 00:30:33,870

talking about a tip a SAP TTS a just

557

00:30:38,450 --> 00:30:36,900

things that have been alluded others as

558

00:30:46,570 --> 00:30:38,460

well I don't I don't want to get it

559

00:30:54,350 --> 00:30:50,330

skinwalker ranch in Utah basically you

560

00:30:56,420 --> 00:30:54,360

know it's I I do think there's a lot out

561

00:30:57,740 --> 00:30:56,430

there that I do tend to believe that

562

00:31:01,370 --> 00:30:57,750

it's all connected

563

00:31:05,450 --> 00:31:01,380

in the same instance and I think a lot

564

00:31:07,760 --> 00:31:05,460

is on vibrational frequency and when

565

00:31:10,930 --> 00:31:07,770

people want to lose to you being awoken

566

00:31:13,850 --> 00:31:10,940

I think it's a case of like when we

567

00:31:16,370 --> 00:31:13,860

we've got the receiver you know which in

568

00:31:18,620 --> 00:31:16,380

an in a radio station of all some you

569

00:31:20,990 --> 00:31:18,630

know we find our favorite radio station

570

00:31:23,390 --> 00:31:21,000

and boom you know those messages are

571

00:31:27,530 --> 00:31:23,400

coming through and I think it's somewhat

572

00:31:29,630 --> 00:31:27,540

similar in the sense and you know if you

573

00:31:34,220 --> 00:31:29,640

want to allude to these being demonic

574

00:31:36,170 --> 00:31:34,230

and you know the speculation recently

575

00:31:37,790 --> 00:31:36,180

that some of the things that have been

576

00:31:42,560 --> 00:31:37,800

seen and the things that have been

577

00:31:44,780 --> 00:31:42,570

released publicly there's a bit more to

578

00:31:49,790 --> 00:31:44,790

it than you know little green men flying

579

00:31:52,070 --> 00:31:49,800

craps around and I started to look into

580

00:31:52,760 --> 00:31:52,080

skinwalker ranch as a consequence of

581

00:31:55,850 --> 00:31:52,770

this

582

00:31:58,700 --> 00:31:55,860

you know we fascinated me because you

583

00:32:01,370 --> 00:31:58,710

know this one place obviously you want a

584

00:32:04,490 --> 00:32:01,380

lot UFO sightings there and whole you

585

00:32:07,549 --> 00:32:04,500

went to Basin but also the phenomenon

586

00:32:09,470 --> 00:32:07,559

that the scene on the ranch and I think

587

00:32:12,560 --> 00:32:09,480

it was a Davis that spoke about the

588

00:32:14,510 --> 00:32:12,570

tunnel apparent and you know this tall

589

00:32:16,779 --> 00:32:14,520

shadowy figure it comes out and it's

590

00:32:19,639 --> 00:32:16,789

elbowing its way out this tunnel and

591

00:32:22,549 --> 00:32:19,649

climbs out of this tunnel which they can

592

00:32:24,620 --> 00:32:22,559

only say free night vision I believe and

593

00:32:26,990 --> 00:32:24,630

they you know he finds into our reality

594

00:32:32,450 --> 00:32:27,000

and then just runs off into there into

595

00:32:34,159 --> 00:32:32,460

the darkness so there's an awful lot to

596

00:32:39,049 --> 00:32:34,169

hear and what obviously when you hear

597

00:32:42,289 --> 00:32:39,059

about all this phenomenon happening on

598

00:32:44,720 --> 00:32:42,299

such a grand scale was on the ranch it

599

00:32:49,519 --> 00:32:44,730

kind of reassures you that one you not

600

00:32:52,549 --> 00:32:49,529

going mud to the best stuff is all

601
00:32:54,250 --> 00:32:52,559
pretty much connected I know you've got

602
00:32:56,240 --> 00:32:54,260
different facets you've got

603
00:32:58,490 --> 00:32:56,250
cryptozoology you know you've got people

604
00:33:00,919 --> 00:32:58,500
of look into demons and you've got the

605
00:33:02,630 --> 00:33:00,929
religious aspects of that and then

606
00:33:04,549 --> 00:33:02,640
you've got you know the nuts and bolts

607
00:33:06,919 --> 00:33:04,559
you I found fanatics

608
00:33:08,779 --> 00:33:06,929
um the UM come of like have their own

609
00:33:12,590 --> 00:33:08,789
little interest and the role on the

610
00:33:14,389 --> 00:33:12,600
fruit but really they need to come

611
00:33:16,850 --> 00:33:14,399
together because a lot of this stuff

612
00:33:20,870 --> 00:33:16,860
goes hand in hand and looking into

613
00:33:23,620 --> 00:33:20,880

events what happen in the ranch and I I

614

00:33:27,710 --> 00:33:23,630

don't know if you want to talk about

615

00:33:31,700 --> 00:33:27,720

these things being dimensionals renter

616

00:33:33,049 --> 00:33:31,710

dimensional but I believe one of the

617

00:33:36,590 --> 00:33:33,059

going back to talking about the

618

00:33:38,450 --> 00:33:36,600

vibrational frequency thing I think you

619

00:33:40,970 --> 00:33:38,460

know obviously we can only see through

620

00:33:43,760 --> 00:33:40,980

the naked eye I think it's fair to and

621

00:33:47,210 --> 00:33:43,770

three days so whilst our dimensions

622

00:33:52,850 --> 00:33:47,220

behind that that you have to be in tune

623

00:33:54,440 --> 00:33:52,860

to necessarily see these things the

624

00:33:57,200 --> 00:33:54,450

events that were going on at the ranch

625

00:34:00,580 --> 00:33:57,210

perhaps you know there's some sort of

626
00:34:03,200 --> 00:34:00,590
dimensional portal where all these

627
00:34:07,150 --> 00:34:03,210
dimensions intersect and the absence

628
00:34:13,610 --> 00:34:10,850
yes I I can't agree more and the

629
00:34:15,230 --> 00:34:13,620
dimensional aspect is hard to escape Jay

630
00:34:17,240 --> 00:34:15,240
it could be demonic there's a

631
00:34:18,890 --> 00:34:17,250
possibility sure like everything there's

632
00:34:23,900 --> 00:34:18,900
good and bad people why wouldn't there

633
00:34:26,390 --> 00:34:23,910
be good and bad of this yeah one of the

634
00:34:29,030 --> 00:34:26,400
stories that stood out to me was and

635
00:34:33,919 --> 00:34:29,040
what when there the young man came to

636
00:34:36,370 --> 00:34:33,929
meditate on the ranch on them with the

637
00:34:39,290 --> 00:34:36,380
ranch owner Terry Sherman

638
00:34:42,860 --> 00:34:39,300

happily and you know we sort of invited

639

00:34:45,560 --> 00:34:42,870

himself onto the ranch and you know

640

00:34:47,690 --> 00:34:45,570

approached Terry and I think his son and

641

00:34:49,880 --> 00:34:47,700

said you know we had to meditate in a

642

00:34:53,210 --> 00:34:49,890

certain place on the ranch up by there

643

00:34:55,190 --> 00:34:53,220

the first homes that and he goes out you

644

00:34:59,480 --> 00:34:55,200

know and he's meeting him down and he's

645

00:35:01,370 --> 00:34:59,490

got his arms open and then I I think the

646

00:35:03,410 --> 00:35:01,380

story goes one the lines of you know

647

00:35:05,780 --> 00:35:03,420

tearing this son of watching and they

648

00:35:09,260 --> 00:35:05,790

they saw something which I believe was

649

00:35:12,320 --> 00:35:09,270

like opaque to the scenery behind

650

00:35:14,540 --> 00:35:12,330

Pratt's on skinwalker Ridge and this

651
00:35:18,620 --> 00:35:14,550
thing runs towards this man and just

652
00:35:20,840 --> 00:35:18,630
lets out this one almighty wrong scares

653
00:35:22,970 --> 00:35:20,850
the living hell out of this guy this guy

654
00:35:26,090 --> 00:35:22,980
comes running back he's hanging on to

655
00:35:29,090 --> 00:35:26,100
Terry Sherman's leg and you know recess

656
00:35:32,440 --> 00:35:29,100
for Sarah shame and that you know the

657
00:35:35,210 --> 00:35:32,450
devil is there it's Satan himself now

658
00:35:37,400 --> 00:35:35,220
you know things things like that these

659
00:35:40,430 --> 00:35:37,410
people are inching I think you know you

660
00:35:44,030 --> 00:35:40,440
I just think there's so much going on

661
00:35:46,910 --> 00:35:44,040
there and you know whether the lunge

662
00:35:50,750 --> 00:35:46,920
cast from you know obviously the Navajo

663
00:35:55,610 --> 00:35:50,760

I mean you tried the freaks in that area

664

00:35:57,860 --> 00:35:55,620

and I don't know but there's battling

665

00:36:00,100 --> 00:35:57,870

more questions and what there are

666

00:36:03,290 --> 00:36:00,110

answers when it comes to that place and

667

00:36:06,590 --> 00:36:03,300

I'm an illegally there's more of these

668

00:36:10,490 --> 00:36:06,600

places around the world and you know we

669

00:36:12,710 --> 00:36:10,500

went to a place called Benton and to

670

00:36:14,770 --> 00:36:12,720

look at the work of a chap called punks

671

00:36:18,620 --> 00:36:14,780

Inquirer

672

00:36:24,380 --> 00:36:18,630

Paul's been researching this area

673

00:36:27,289 --> 00:36:24,390

over 20 years now his story

674

00:36:30,140 --> 00:36:27,299

I'd say broke mainstream in the last few

675

00:36:33,559 --> 00:36:30,150

years because initially I believe he was

676

00:36:39,410 --> 00:36:33,569

looking into cryptid sightings where in

677

00:36:41,749 --> 00:36:39,420

the area in this Dodman and this goes

678

00:36:43,759 --> 00:36:41,759

back for hundreds and hundreds of years

679

00:36:46,009 --> 00:36:43,769

that people have seen this thing and

680

00:36:49,390 --> 00:36:46,019

you're talking about seven to eight foot

681

00:36:53,049 --> 00:36:49,400

tall by pad you know heavily muscled and

682

00:36:58,190 --> 00:36:53,059

you know face face like on wolves and

683

00:37:00,140 --> 00:36:58,200

then so I start looking into this story

684

00:37:02,539 --> 00:37:00,150

and I you know will come to me Paul and

685

00:37:07,549 --> 00:37:02,549

others got long conversation with them

686

00:37:11,200 --> 00:37:07,559

and I realized he spoken an event I went

687

00:37:15,349 --> 00:37:11,210

to what a little bomb rushed you in

688

00:37:18,529 --> 00:37:15,359

Manchester and he spoke about this area

689

00:37:22,120 --> 00:37:18,539

called Benton and up to this point I was

690

00:37:25,430 --> 00:37:22,130

only aware of the dog mum Titans and

691

00:37:28,339 --> 00:37:25,440

basically his whole talk was on this

692

00:37:31,009 --> 00:37:28,349

area which is on their northeast coast

693

00:37:36,019 --> 00:37:31,019

and just underneath the seaside town of

694

00:37:39,200 --> 00:37:36,029

Scarborough he alluded to this place

695

00:37:41,180 --> 00:37:39,210

being somewhat of the UK skinwalker

696

00:37:43,279 --> 00:37:41,190

ranch because the same type of

697

00:37:46,579 --> 00:37:43,289

phenomenon that was happening on the

698

00:37:51,200 --> 00:37:46,589

ranch in Utah was presenting itself in

699

00:37:53,470 --> 00:37:51,210

this area off the northeast coast the

700

00:37:56,870 --> 00:37:53,480

story after all you know you've got

701
00:38:01,309 --> 00:37:56,880
there's an old redundant RAF base which

702
00:38:05,059 --> 00:38:01,319
sits on the cliff tops and then you know

703
00:38:07,640 --> 00:38:05,069
I do need to state that there the RAF

704
00:38:11,390 --> 00:38:07,650
base I don't condone anyone going out

705
00:38:13,329 --> 00:38:11,400
there it is private property and you

706
00:38:17,089 --> 00:38:13,339
know people will get prosecuted

707
00:38:18,829 --> 00:38:17,099
trespassing so I'm not advising they

708
00:38:20,569 --> 00:38:18,839
want to go out there and obviously on

709
00:38:24,349 --> 00:38:20,579
the clifftops it's pretty dangerous

710
00:38:26,690 --> 00:38:24,359
place to go out at night but the

711
00:38:29,210 --> 00:38:26,700
phenomenon seems to be the epicenter

712
00:38:31,520 --> 00:38:29,220
around this RAF base

713
00:38:35,300 --> 00:38:31,530

you've got many many many accounts of

714

00:38:39,620 --> 00:38:35,310

people seeing a structured craft over

715

00:38:44,420 --> 00:38:39,630

the base there was one story by a South

716

00:38:48,349 --> 00:38:44,430

African area pilot who was a you've got

717

00:38:51,200 --> 00:38:48,359

a lot of endangered species of birds

718

00:38:53,030 --> 00:38:51,210

that last one request tops so no trucks

719

00:38:57,349 --> 00:38:53,040

and a lot of people and you've got an

720

00:39:00,650 --> 00:38:57,359

RSP behaviors in it literally probably

721

00:39:01,309 --> 00:39:00,660

five by five hundred yards away from

722

00:39:04,579 --> 00:39:01,319

this area

723

00:39:05,900 --> 00:39:04,589

thanks that sits on the help and you

724

00:39:08,780 --> 00:39:05,910

know he's they were walking back and

725

00:39:11,420 --> 00:39:08,790

then he said he you know we saw this

726

00:39:14,030 --> 00:39:11,430

spear right over there all the earth

727

00:39:15,020 --> 00:39:14,040

banks and he said it was like a dirty

728

00:39:19,520 --> 00:39:15,030

gray in color

729

00:39:21,349 --> 00:39:19,530

and his wife you know knowing his RAF

730

00:39:23,030 --> 00:39:21,359

background took what that and I'm

731

00:39:25,550 --> 00:39:23,040

initially suing he thought it was a

732

00:39:29,480 --> 00:39:25,560

barrage balloon so they're walking

733

00:39:32,359 --> 00:39:29,490

toward there and he's watched this spear

734

00:39:36,530 --> 00:39:32,369

kind of change from this dirty gray

735

00:39:39,230 --> 00:39:36,540

color to this brilliant white and he

736

00:39:41,720 --> 00:39:39,240

said you know you know sort of thought

737

00:39:44,450 --> 00:39:41,730

and inside at the time it was a UFO and

738

00:39:46,069 --> 00:39:44,460

they looked away you know something

739

00:39:49,040 --> 00:39:46,079

called the retention you walk back and

740

00:39:52,550 --> 00:39:49,050

this thing is gone now you also have a

741

00:39:56,559 --> 00:39:52,560

lot of what anglers that fish off the

742

00:39:59,780 --> 00:39:56,569

cliff tops and for years and years and

743

00:40:04,099 --> 00:39:59,790

people the leaders seen these orange old

744

00:40:07,210 --> 00:40:04,109

out at sea and these things on the pier

745

00:40:10,400 --> 00:40:07,220

down but don't best appear randomly

746

00:40:12,530 --> 00:40:10,410

reappearing somewhere else there's all

747

00:40:14,950 --> 00:40:12,540

kinds of stuff going on there and you

748

00:40:20,900 --> 00:40:14,960

know even recently one by the farmers

749

00:40:23,180 --> 00:40:20,910

had sheep on one the fields and I think

750

00:40:27,140 --> 00:40:23,190

it's been said that he lost over sixty

751
00:40:28,609 --> 00:40:27,150
sheeping and over a two-year period and

752
00:40:31,309 --> 00:40:28,619
these sheep display all the

753
00:40:34,280 --> 00:40:31,319
characteristics of the usual mutilations

754
00:40:36,950 --> 00:40:34,290
you know George struts memory and eyes

755
00:40:40,760 --> 00:40:36,960
removed as if they've been sucked out by

756
00:40:42,950 --> 00:40:40,770
you know about you McQueen reproductive

757
00:40:45,019 --> 00:40:42,960
organs and you know missing

758
00:40:47,750 --> 00:40:45,029
you know I need to acetate as well

759
00:40:51,910 --> 00:40:47,760
there's never any the Lord you know

760
00:40:55,579 --> 00:40:51,920
palms working looking for marks of

761
00:40:58,039 --> 00:40:55,589
something that we know to be a predator

762
00:41:04,460 --> 00:40:58,049
attack inning sheep there's no signs of

763
00:41:07,059 --> 00:41:04,470

that and it's a very very strange place

764

00:41:11,630 --> 00:41:07,069

and I say I one term while camp there

765

00:41:12,920 --> 00:41:11,640

last October one of the few friends up

766

00:41:15,710 --> 00:41:12,930

there and we had a look around the our

767

00:41:18,170 --> 00:41:15,720

airspace and we stayed for a couple of

768

00:41:21,200 --> 00:41:18,180

nights and on the Saturday night wild

769

00:41:26,029 --> 00:41:21,210

camped in the woods where there's been a

770

00:41:29,750 --> 00:41:26,039

sighting at this Dogma werewolf whatever

771

00:41:31,670 --> 00:41:29,760

you want to call it and as we're

772

00:41:34,760 --> 00:41:31,680

returning home on the Sunday I got a

773

00:41:37,700 --> 00:41:34,770

message of all and to say that there was

774

00:41:41,539 --> 00:41:37,710

a game insulated there pretty much about

775

00:41:44,210 --> 00:41:41,549

a mile like from ivory cabs you know you

776

00:41:46,900 --> 00:41:44,220

see these deer they're big animals you

777

00:41:49,549 --> 00:41:46,910

know something's would attack a deer

778

00:41:52,700 --> 00:41:49,559

they'd put up one hell of a fight

779

00:41:55,789 --> 00:41:52,710

and again you know there's no signs of

780

00:42:01,609 --> 00:41:55,799

struggle the years of almost surgically

781

00:42:04,370 --> 00:42:01,619

removed off this animal and yeah I think

782

00:42:07,760 --> 00:42:04,380

it's a very weird place but it displays

783

00:42:12,170 --> 00:42:07,770

all the characteristics which have made

784

00:42:13,519 --> 00:42:12,180

the ranch in Utah famous so I think that

785

00:42:15,740 --> 00:42:13,529

there's probably a lot of these bikes

786

00:42:21,859 --> 00:42:15,750

has dotted around the world where you

787

00:42:24,410 --> 00:42:21,869

know these dimensions intersect I find

788

00:42:26,599 --> 00:42:24,420

it all very interesting and I'm glad

789

00:42:31,460 --> 00:42:26,609

that you mentioned Jason Gleaves earlier

790

00:42:35,420 --> 00:42:31,470

he has helped a bunch with stuff that

791

00:42:39,500 --> 00:42:35,430

I've caught on cameras etc and some of

792

00:42:48,079 --> 00:42:39,510

us have seen there in the basin so props

793

00:42:50,299 --> 00:42:48,089

to Jason he's he's very good at yes he's

794

00:42:54,049 --> 00:42:50,309

actually the chap that I sent the photos

795

00:42:56,089 --> 00:42:54,059

the markoma back to and it was only

796

00:42:58,189 --> 00:42:56,099

recently when he was

797

00:43:01,219 --> 00:42:58,199

attempting to rebuild his pili scene

798

00:43:03,259 --> 00:43:01,229

they stumbled across them because you

799

00:43:05,269 --> 00:43:03,269

know I've mentioned about these markings

800

00:43:08,569 --> 00:43:05,279

on berries over into nudes that I've

801
00:43:11,029 --> 00:43:08,579
done what without the pictures as you

802
00:43:15,109 --> 00:43:11,039
know yourself evidence seems to speak

803
00:43:18,410 --> 00:43:15,119
louder so to get these photos back and

804
00:43:20,689 --> 00:43:18,420
obviously Jason's analyzed them bought

805
00:43:23,599 --> 00:43:20,699
us a little bit more detail on them is

806
00:43:29,329 --> 00:43:23,609
you know it backs up what I've said now

807
00:43:33,319 --> 00:43:29,339
it's credibility to my story yeah he's a

808
00:43:36,400 --> 00:43:33,329
good guy and I your story is amazing it

809
00:43:39,529 --> 00:43:36,410
is so amazing and there are so many

810
00:43:41,779 --> 00:43:39,539
significant similarities the deer

811
00:43:43,969 --> 00:43:41,789
instance that I've looked into that

812
00:43:46,539 --> 00:43:43,979
situation the deer instance that you're

813
00:43:49,420 --> 00:43:46,549

mentioned there are various cases of

814

00:43:52,309 --> 00:43:49,430

these for all intents and purposes

815

00:43:57,620 --> 00:43:52,319

mutilated deer it's it's really quite

816

00:43:59,749 --> 00:43:57,630

wild isn't it yeah you know especially

817

00:44:02,539 --> 00:43:59,759

when this is afternoon only you know a

818

00:44:06,259 --> 00:44:02,549

short distance away from the touch that

819

00:44:08,469 --> 00:44:06,269

you comes in now when we went there we

820

00:44:10,999 --> 00:44:08,479

went to a place called slumbers ahead

821

00:44:14,569 --> 00:44:11,009

which is well little bit up on the

822

00:44:18,859 --> 00:44:14,579

coastline from Banten and we just parked

823

00:44:20,779 --> 00:44:18,869

up with them we exited the van got out

824

00:44:24,529 --> 00:44:20,789

to stretch our legs and a block around

825

00:44:27,049 --> 00:44:24,539

and we saw a man like Lionel and this

826

00:44:29,660 --> 00:44:27,059

thing's probably you know flying is in

827

00:44:33,680 --> 00:44:29,670

the same height as aircraft when it's

828

00:44:36,079 --> 00:44:33,690

coming into one again silent and took a

829

00:44:38,959 --> 00:44:36,089

video that's with another friend that

830

00:44:41,420 --> 00:44:38,969

was there work and as you cement adesh

831

00:44:48,370 --> 00:44:41,430

you can almost see like an energy within

832

00:44:51,339 --> 00:44:48,380

this orb I'm very very strange now Paul

833

00:44:54,170 --> 00:44:51,349

filmmaker Chris turned and release

834

00:44:57,259 --> 00:44:54,180

documentary last year called bringing

835

00:45:00,140 --> 00:44:57,269

down the light fantastic documentary I'd

836

00:45:02,599 --> 00:45:00,150

recommend anyone together

837

00:45:05,390 --> 00:45:02,609

gotta give them a quick shoutout so it's

838

00:45:10,120 --> 00:45:05,400

available armed don't mention the

839

00:45:12,440 --> 00:45:10,130

reptilians calm and this

840

00:45:17,120 --> 00:45:12,450

documentary centers around on this way

841

00:45:20,030 --> 00:45:17,130

the Benton phenomenon and there's a free

842

00:45:23,000 --> 00:45:20,040

YouTube documentary on

843

00:45:24,290 --> 00:45:23,010

I think it's on YouTube and Vimeo and a

844

00:45:27,080 --> 00:45:24,300

few other things called

845

00:45:30,110 --> 00:45:27,090

Benton phenomenal if anyone wants the

846

00:45:32,090 --> 00:45:30,120

Galman add up and it gives a really good

847

00:45:35,060 --> 00:45:32,100

overview of events that are going on

848

00:45:37,910 --> 00:45:35,070

there but the documentary they released

849

00:45:41,570 --> 00:45:37,920

last year he has them as if there's a

850

00:45:44,960 --> 00:45:41,580

witness on there who claims to have

851

00:45:46,910 --> 00:45:44,970

worked for the re app in the 80s and

852

00:45:50,120 --> 00:45:46,920

I'll go into the RAF base a little bit

853

00:45:53,090 --> 00:45:50,130

deeper it's quite significant

854

00:45:57,290 --> 00:45:53,100

he claims that he has an occult

855

00:46:00,380 --> 00:45:57,300

background it was hired once they

856

00:46:02,750 --> 00:46:00,390

learned about his psychic abilities and

857

00:46:06,830 --> 00:46:02,760

even stationed around respecting human

858

00:46:08,690 --> 00:46:06,840

see when try and capture what was going

859

00:46:13,670 --> 00:46:08,700

on there and he said the government at

860

00:46:15,980 --> 00:46:13,680

the time was aware of three ET races but

861

00:46:22,280 --> 00:46:15,990

we using the base some well as a door

862

00:46:24,770 --> 00:46:22,290

like to come through and you go round

863

00:46:26,870 --> 00:46:24,780

the bags and there's various videos on

864

00:46:29,840 --> 00:46:26,880

YouTube where you know these urban

865

00:46:32,200 --> 00:46:29,850

explorers come into and you go down into

866

00:46:36,020 --> 00:46:32,210

the tunnels and this RAF banks and

867

00:46:39,190 --> 00:46:36,030

there's a rhotic art displayed all over

868

00:46:42,320 --> 00:46:39,200

the walls and I'm not talking about some

869

00:46:45,280 --> 00:46:42,330

graffiti that a bunch of teenagers have

870

00:46:48,710 --> 00:46:45,290

done on a Friday night basing detailed

871

00:46:53,900 --> 00:46:48,720

pornographic art and it's displayed all

872

00:46:56,240 --> 00:46:53,910

over these walls now Paul has touched

873

00:46:59,120 --> 00:46:56,250

upon this in the documentary but said

874

00:47:01,340 --> 00:46:59,130

you know obvious reason to them when

875

00:47:04,340 --> 00:47:01,350

they're going to into that but it's

876

00:47:08,510 --> 00:47:04,350

believed the re FBI banks was used in

877

00:47:13,850 --> 00:47:08,520

late 80s for satanic rituals and there's

878

00:47:16,580 --> 00:47:13,860

a lot of pictograms and other occult

879

00:47:19,720 --> 00:47:16,590

markings on there in the tunnels of

880

00:47:22,400 --> 00:47:19,730

their space along with this erotic art

881

00:47:23,540 --> 00:47:22,410

and he's actually got someone who speaks

882

00:47:27,140 --> 00:47:23,550

on film

883

00:47:31,850 --> 00:47:27,150

I think his team agency you know they

884

00:47:34,190 --> 00:47:31,860

bench it down into these tunnels they'd

885

00:47:37,010 --> 00:47:34,200

sell the remnants of someone having a

886

00:47:39,590 --> 00:47:37,020

fire there and he found these clogs and

887

00:47:42,170 --> 00:47:39,600

he said they bought the cloaks out into

888

00:47:44,600 --> 00:47:42,180

the daylight and he said you can

889

00:47:47,780 --> 00:47:44,610

understand me these were cheaply made

890

00:47:50,840 --> 00:47:47,790

things these were proper stitch cloth

891

00:47:54,260 --> 00:47:50,850

they were you know like a pillowcase

892

00:47:58,730 --> 00:47:54,270

with a couple of holes in but a lot of

893

00:48:00,530 --> 00:47:58,740

the locals around they're using it they

894

00:48:04,100 --> 00:48:00,540

don't it's not a place where they

895

00:48:06,740 --> 00:48:04,110

readily accept Outsiders and so a lot of

896

00:48:09,470 --> 00:48:06,750

people want to talk about the satanic

897

00:48:15,080 --> 00:48:09,480

element to what went on there now the

898

00:48:18,620 --> 00:48:15,090

witness who claims or works looking to

899

00:48:22,520 --> 00:48:18,630

the activity around the RAF base states

900

00:48:24,500 --> 00:48:22,530

that they they made things occult groups

901
00:48:26,780 --> 00:48:24,510
may have known about the phenomenon that

902
00:48:31,060 --> 00:48:26,790
existed there and will possibly try and

903
00:48:33,440 --> 00:48:31,070
harness that energy or you know

904
00:48:38,240 --> 00:48:33,450
speculative reasons we can speculate

905
00:48:42,410 --> 00:48:38,250
about bottom it's a very very strange

906
00:48:47,270 --> 00:48:42,420
place and Utah and they gotta go there

907
00:48:48,920 --> 00:48:47,280
yourself to feel the energy it's still a

908
00:48:50,780 --> 00:48:48,930
story that's emboldened as well I

909
00:48:54,470 --> 00:48:50,790
believe they've got new film coming out

910
00:48:57,349 --> 00:48:54,480
this year and with a new witness so when

911
00:48:59,420 --> 00:48:57,359
I look forward to now and I'm hoping to

912
00:49:01,940 --> 00:48:59,430
get back up to banter in the spring and

913
00:49:05,030 --> 00:49:01,950

then hopefully camp out for a few days

914

00:49:07,849 --> 00:49:05,040

and you know that very similar to the

915

00:49:11,000 --> 00:49:07,859

ranch you know you'll get activity where

916

00:49:12,770 --> 00:49:11,010

it comes in bursts and a lot of best

917

00:49:14,720 --> 00:49:12,780

phenomena the scene and then it will go

918

00:49:17,599 --> 00:49:14,730

quiet for months on end and you don't

919

00:49:20,020 --> 00:49:17,609

see anything so you've kind of got to be

920

00:49:23,720 --> 00:49:20,030

in the right place at the right time and

921

00:49:25,340 --> 00:49:23,730

then you know we'll go out there because

922

00:49:27,950 --> 00:49:25,350

believe you know you've got to get out

923

00:49:30,380 --> 00:49:27,960

to these places it's no good sitting

924

00:49:31,700 --> 00:49:30,390

watching YouTube documentaries and you

925

00:49:33,410 --> 00:49:31,710

know if you want to know about this

926

00:49:37,290 --> 00:49:33,420

phenomenon you've you've got to be

927

00:49:40,590 --> 00:49:37,300

hands-on so we'll go up I hope

928

00:49:43,680 --> 00:49:40,600

we talk with paul i highly recommend

929

00:49:46,470 --> 00:49:43,690

perhaps you look into getting Paul to

930

00:49:49,020 --> 00:49:46,480

speak on your podcast because his his

931

00:49:50,150 --> 00:49:49,030

knowledge in his research is absolutely

932

00:49:53,850 --> 00:49:50,160

second to none

933

00:49:56,460 --> 00:49:53,860

I've got no reservations when it comes

934

00:50:00,570 --> 00:49:56,470

to Paul's work whatsoever he's a a

935

00:50:03,480 --> 00:50:00,580

straight-up individual and I say he's

936

00:50:05,700 --> 00:50:03,490

not a young man anymore which I hope he

937

00:50:07,890 --> 00:50:05,710

doesn't mind me saying but he is out on

938

00:50:10,470 --> 00:50:07,900

many fields on the quest tops five

939

00:50:13,310 --> 00:50:10,480

o'clock every morning you know the man's

940

00:50:15,930 --> 00:50:13,320

pretty much dedicated his life to

941

00:50:19,290 --> 00:50:15,940

studying and trying to capture what's

942

00:50:22,170 --> 00:50:19,300

going on out there and you've even got a

943

00:50:24,450 --> 00:50:22,180

sighting as fresh as the weekend just

944

00:50:28,380 --> 00:50:24,460

gone are now I'll read this to you

945

00:50:32,580 --> 00:50:28,390

briefly this was sent in support and

946

00:50:35,310 --> 00:50:32,590

it's titled a cliff top werewolf and it

947

00:50:38,670 --> 00:50:35,320

says and I quote well Bob Brown and I

948

00:50:40,500 --> 00:50:38,680

were at Benton the RSPB reserve at 7

949

00:50:43,230 --> 00:50:40,510

a.m. this morning to meet up with a

950

00:50:45,990 --> 00:50:43,240

couple who visited the area for the

951
00:50:48,300 --> 00:50:46,000
first time they contacted me Friday

952
00:50:51,470 --> 00:50:48,310
evening after observing while they can

953
00:50:56,070 --> 00:50:51,480
only describe as a huge canine type

954
00:50:57,990 --> 00:50:56,080
creature set off on the scar of the

955
00:51:00,630 --> 00:50:58,000
cliff top just announced to the circuit

956
00:51:03,000 --> 00:51:00,640
see the male of the couple is 6 feet

957
00:51:06,960 --> 00:51:03,010
tall they both say this animal was over

958
00:51:08,790 --> 00:51:06,970
6 foot tall seated the other selection

959
00:51:11,160 --> 00:51:08,800
of cameras with them including an

960
00:51:13,440 --> 00:51:11,170
infrared camera none of them is able to

961
00:51:16,640 --> 00:51:13,450
pick up the creature even though the

962
00:51:19,890 --> 00:51:16,650
cameras can see the cliff tops clearly

963
00:51:22,650 --> 00:51:19,900

so but you know that's butter sight and

964

00:51:26,490 --> 00:51:22,660

again of this dog man is recent is this

965

00:51:28,380 --> 00:51:26,500

weekend just gone so you know this stuff

966

00:51:32,520 --> 00:51:28,390

is current and it's happening to this

967

00:51:34,200 --> 00:51:32,530

day and again very very similar to

968

00:51:36,780 --> 00:51:34,210

what's been going on with skinwalker

969

00:51:39,750 --> 00:51:36,790

ranch there's other projects as well

970

00:51:42,870 --> 00:51:39,760

that seemed to have similarities like a

971

00:51:46,900 --> 00:51:42,880

tip a SAP yeah what have you come across

972

00:51:49,549 --> 00:51:46,910

that has been similar to that well

973

00:51:53,779 --> 00:51:49,559

well we go into the recent stuff

974

00:51:57,650 --> 00:51:53,789

regarding a tip in TSA and I started

975

00:51:59,900 --> 00:51:57,660

looking at this and the involvement of

976

00:52:02,539 --> 00:51:59,910

mr. Bigelow mr. Robert Bigelow we

977

00:52:08,630 --> 00:52:02,549

obviously purchased him more crunch but

978

00:52:10,700 --> 00:52:08,640

around 1995 so I created some other

979

00:52:14,329 --> 00:52:10,710

timeline of events the show of all

980

00:52:16,430 --> 00:52:14,339

lessons entered swine so big long buys

981

00:52:20,120 --> 00:52:16,440

the ranch I believe in that around the

982

00:52:23,029 --> 00:52:20,130

time of 1995 and I think he purchased it

983

00:52:25,609 --> 00:52:23,039

for about \$200,000 which was relatively

984

00:52:28,700 --> 00:52:25,619

cheap and he moved his new team of

985

00:52:30,769 --> 00:52:28,710

scientists onto the ranch and they were

986

00:52:34,190 --> 00:52:30,779

there to study the events that were

987

00:52:37,029 --> 00:52:34,200

going on at the ranch so you've got lid

988

00:52:40,640 --> 00:52:37,039

knits which is the National Institute

989

00:52:43,779 --> 00:52:40,650

discovery of science and which was

990

00:52:47,799 --> 00:52:43,789

created around 1995 and ran until about

991

00:52:50,569 --> 00:52:47,809

2004 and couple of the guys that were

992

00:52:53,650 --> 00:52:50,579

involved when deads was a deputy

993

00:52:59,749 --> 00:52:53,660

administrator : Kelleher and

994

00:53:01,670 --> 00:52:59,759

astrophysicists that Eric Davis so 2004

995

00:53:04,910 --> 00:53:01,680

niches shut down and it was then

996

00:53:08,170 --> 00:53:04,920

replaced by bus or which is Bigelow

997

00:53:11,329 --> 00:53:08,180

Aerospace advanced space for these and

998

00:53:13,430 --> 00:53:11,339

the assumption being a bus had a more

999

00:53:15,920 --> 00:53:13,440

quantifying mission statement than did

1000

00:53:21,170 --> 00:53:15,930

and also government sponsor on the

1001
00:53:25,190 --> 00:53:21,180
horizon 2005 and you have the release of

1002
00:53:28,839 --> 00:53:25,200
the infamous Oak hunt for the skinwalker

1003
00:53:32,059 --> 00:53:28,849
by George Knapp and calm camera and

1004
00:53:36,440 --> 00:53:32,069
fantastic book and I think it's got far

1005
00:53:39,140 --> 00:53:36,450
more in it than jeremy corbyn's film or

1006
00:53:43,039 --> 00:53:39,150
line corbels film is important part and

1007
00:53:47,359 --> 00:53:43,049
this and I'd recommend anyone to read

1008
00:53:51,140 --> 00:53:47,369
the book sold 2007 you have an unnamed

1009
00:53:53,029 --> 00:53:51,150
agent from the DIA who contact Robert

1010
00:53:55,940 --> 00:53:53,039
Bigelow and request see the ranch in

1011
00:53:57,859 --> 00:53:55,950
person Robert Bigelow blige's

1012
00:53:59,040 --> 00:53:57,869
and the agent has a personalized

1013
00:54:02,370 --> 00:53:59,050

Clarkson cancer

1014

00:54:04,620 --> 00:54:02,380

the ranch 11 reports his experience to

1015

00:54:07,100 --> 00:54:04,630

be superiors which would be initial

1016

00:54:09,900 --> 00:54:07,110

catalyst for Senator Harry Reid

1017

00:54:11,940 --> 00:54:09,910

appropriate in the 22 million dollars

1018

00:54:14,010 --> 00:54:11,950

from a skinwalker ranch which was

1019

00:54:20,270 --> 00:54:14,020

obviously the story that broke in

1020

00:54:24,780 --> 00:54:20,280

December 2016 so you fast forward to

1021

00:54:28,470 --> 00:54:24,790

2007 and this was the creation of alsa

1022

00:54:31,140 --> 00:54:28,480

which which later I believe went on to

1023

00:54:33,630 --> 00:54:31,150

become the advanced aviation threat

1024

00:54:39,120 --> 00:54:33,640

events McCartney that identification

1025

00:54:42,480 --> 00:54:39,130

program get the tongue working so the 22

1026

00:54:46,710 --> 00:54:42,490

million dollars which is drop in the

1027

00:54:51,830 --> 00:54:46,720

ocean I believe was partially funded by

1028

00:54:56,640 --> 00:54:51,840

events that went on at the ranch so

1029

00:54:58,710 --> 00:54:56,650

you're looking at the similarities if

1030

00:55:01,020 --> 00:54:58,720

you will the Bigelow's involvement from

1031

00:55:06,120 --> 00:55:01,030

all the phenomenon that the scene on the

1032

00:55:11,880 --> 00:55:06,130

ranch so obviously this this all

1033

00:55:14,340 --> 00:55:11,890

happened later later and you know you go

1034

00:55:17,100 --> 00:55:14,350

into it and that one thing that's always

1035

00:55:19,860 --> 00:55:17,110

stood out to me was the interview with

1036

00:55:25,470 --> 00:55:19,870

Robert because I've done by 60 minutes I

1037

00:55:27,930 --> 00:55:25,480

believe and then they Bigelow you know

1038

00:55:31,080 --> 00:55:27,940

he's not one to give a lot of interviews

1039

00:55:35,010 --> 00:55:31,090

and I think he's only given a handful

1040

00:55:37,830 --> 00:55:35,020

and he doesn't necessarily like talking

1041

00:55:41,210 --> 00:55:37,840

about the ranch and because of all the

1042

00:55:44,370 --> 00:55:41,220

stuff going on so the interview goes and

1043

00:55:47,040 --> 00:55:44,380

the interviewer asks mr. big lug do you

1044

00:55:49,380 --> 00:55:47,050

believe in aliens to which Robert

1045

00:55:52,830 --> 00:55:49,390

Bigelow sounds I'm absolutely convinced

1046

00:55:55,200 --> 00:55:52,840

that that's always - it the interviewer

1047

00:55:58,590 --> 00:55:55,210

then asks so do you believe that UFOs

1048

00:56:00,480 --> 00:55:58,600

have come from Earth Robert Bigelow

1049

00:56:03,270 --> 00:56:00,490

Lange goes on to say there has been an

1050

00:56:05,460 --> 00:56:03,280

existing present - neeti present and

1051

00:56:08,160 --> 00:56:05,470

I've spent millions and millions I

1052

00:56:10,340 --> 00:56:08,170

probably spent more as an individual

1053

00:56:13,760 --> 00:56:10,350

than anyone else in the US has ever

1054

00:56:17,270 --> 00:56:13,770

on the subject the interviewer then goes

1055

00:56:19,960 --> 00:56:17,280

on to say is it risky feed same public

1056

00:56:22,700 --> 00:56:19,970

that you believe in UFOs and aliens

1057

00:56:24,260 --> 00:56:22,710

Bigelow responded with I don't give a

1058

00:56:26,780 --> 00:56:24,270

damn I don't care

1059

00:56:28,580 --> 00:56:26,790

the interviewer dancers you don't worry

1060

00:56:31,550 --> 00:56:28,590

that some people will say did you hear

1061

00:56:35,390 --> 00:56:31,560

that guy he sounds crazy Bigelow then

1062

00:56:37,040 --> 00:56:35,400

replies I don't care why not Bigelow

1063

00:56:37,760 --> 00:56:37,050

says it's not going to make a big

1064

00:56:39,560 --> 00:56:37,770

difference

1065

00:56:43,220 --> 00:56:39,570

it's not going to change the reality of

1066

00:56:45,020 --> 00:56:43,230

what I know so the interviewer then

1067

00:56:47,600 --> 00:56:45,030

asked him do you imagine that in our

1068

00:56:50,230 --> 00:56:47,610

space travel travels that will encounter

1069

00:56:53,300 --> 00:56:50,240

all the forms of intelligent life and

1070

00:56:56,180 --> 00:56:53,310

this is the apartment that's in this

1071

00:56:58,940 --> 00:56:56,190

interview so Bigelow replies with you

1072

00:57:00,680 --> 00:56:58,950

don't have to go anywhere so the

1073

00:57:04,070 --> 00:57:00,690

interview and says you can find it here

1074

00:57:07,190 --> 00:57:04,080

so which Bigelow replies yes where

1075

00:57:10,490 --> 00:57:07,200

exactly Bigelow says it's right under

1076
00:57:12,400 --> 00:57:10,500
people's noses which i think is a very

1077
00:57:14,330 --> 00:57:12,410
telling thing to say and perhaps

1078
00:57:16,640 --> 00:57:14,340
coincides with what we'll be talking

1079
00:57:22,280 --> 00:57:16,650
about the end to the bench or aspect of

1080
00:57:27,020 --> 00:57:22,290
all of that so we fast forward to 2016

1081
00:57:29,450 --> 00:57:27,030
which was Tom DeLonge starts to come out

1082
00:57:31,400 --> 00:57:29,460
of the shadows from there obviously he

1083
00:57:36,650 --> 00:57:31,410
was the front man of the rock band

1084
00:57:38,660 --> 00:57:36,660
blink-182 and i listened to an entity i

1085
00:57:43,070 --> 00:57:38,670
think it was on jimmy church's fade to

1086
00:57:45,830 --> 00:57:43,080
black and he's talking to Jimmy and you

1087
00:57:48,500 --> 00:57:45,840
know we sort of l'd be all these claims

1088
00:57:53,060 --> 00:57:48,510

that he gained considerable access to

1089

00:57:55,400 --> 00:57:53,070

top-level military personnel and he also

1090

00:57:57,650 --> 00:57:55,410

mentions that he's being advised but why

1091

00:58:00,710 --> 00:57:57,660

was that point he wasn't at liberty to

1092

00:58:05,780 --> 00:58:00,720

name these people which we later now was

1093

00:58:09,340 --> 00:58:05,790

Lee was under so shortly after and the

1094

00:58:13,160 --> 00:58:09,350

WikiLeaks and hack to emails

1095

00:58:16,720 --> 00:58:13,170

Hillary Clinton and then a campaign with

1096

00:58:19,970 --> 00:58:16,730

Don Trump surface where these

1097

00:58:22,910 --> 00:58:19,980

conversations come belong and chief of

1098

00:58:24,120 --> 00:58:22,920

staff John Podesta now it's important to

1099

00:58:28,600 --> 00:58:24,130

say the jumper -

1100

00:58:33,790 --> 00:58:28,610

and then a you know some other public

1101
00:58:36,490 --> 00:58:33,800
can't pay enough for disclosure and it

1102
00:58:38,740 --> 00:58:36,500
goes on to say that you know the series

1103
00:58:43,630 --> 00:58:38,750
of meetings was held over the internet

1104
00:58:45,910 --> 00:58:43,640
between the lung and Podesta and he

1105
00:58:49,540 --> 00:58:45,920
mentioned enlisted the help of I think

1106
00:58:51,790 --> 00:58:49,550
it's General William McCaslin and former

1107
00:58:54,580 --> 00:58:51,800
commander at the Air Force Research Lab

1108
00:58:57,310 --> 00:58:54,590
in Alcon and homeys message to the youth

1109
00:59:01,060 --> 00:58:57,320
so we fast forward and then you've got

1110
00:59:05,080 --> 00:59:01,070
Hillary Clinton is on a show in the

1111
00:59:08,530 --> 00:59:05,090
States called Jimmy Kimmel and where she

1112
00:59:10,720 --> 00:59:08,540
discusses husband's attempts to gain

1113
00:59:12,480 --> 00:59:10,730

access for the secret classified UFO

1114

00:59:16,570 --> 00:59:12,490

FILES and was denied

1115

00:59:19,840 --> 00:59:16,580

so Jimmy Kimmel after we had your former

1116

00:59:22,000 --> 00:59:19,850

president or we had your husband former

1117

00:59:25,780 --> 00:59:22,010

President Bill Clinton on the show I

1118

00:59:28,360 --> 00:59:25,790

asked him about UFOs and alien 51 and if

1119

00:59:30,250 --> 00:59:28,370

he'd looked into it as if I was

1120

00:59:32,740 --> 00:59:30,260

president that's the first thing I would

1121

00:59:35,020 --> 00:59:32,750

then I'd go right to those files and see

1122

00:59:37,060 --> 00:59:35,030

what was going on and he said he did

1123

00:59:39,820 --> 00:59:37,070

that and he didn't find anything

1124

00:59:42,070 --> 00:59:39,830

so which Hillary but then replies well

1125

00:59:45,670 --> 00:59:42,080

I'm going to do it again and there's a

1126
00:59:50,170 --> 00:59:45,680
new name unexplained aerial phenomena

1127
00:59:55,180 --> 00:59:50,180
UAP that's the latest Norma quake that

1128
01:00:00,370 --> 00:59:55,190
was around March 2016 and we go on to I

1129
01:00:03,460 --> 01:00:00,380
think it was one time October 27 Tom

1130
01:00:05,680 --> 01:00:03,470
DeLonge has obviously thrust into the

1131
01:00:11,920 --> 01:00:05,690
public spotlight and he announced the

1132
01:00:17,220 --> 01:00:11,930
creation of this group of individuals as

1133
01:00:20,320 --> 01:00:17,230
friend there is intelligence personnel

1134
01:00:24,160 --> 01:00:20,330
called to the stars Academy of Arts and

1135
01:00:28,300 --> 01:00:24,170
Science and you've got some very

1136
01:00:33,340 --> 01:00:28,310
important people but you know he's he's

1137
01:00:35,980 --> 01:00:33,350
gone to seek advice and you know such

1138
01:00:39,750 --> 01:00:35,990

names as gem set family values

1139

01:00:45,640 --> 01:00:43,300

you've got doc-to-help Atif it was the

1140

01:00:50,680 --> 01:00:45,650

co-founder and vice president of Science

1141

01:00:53,170 --> 01:00:50,690

and Technology you know you've got speed

1142

01:00:57,010 --> 01:00:53,180

justice he was the chief operator

1143

01:01:00,460 --> 01:00:57,020

answered the aerospace division and you

1144

01:01:02,260 --> 01:01:00,470

know things are wrong and if you look

1145

01:01:04,990 --> 01:01:02,270

into these names they've all got

1146

01:01:09,520 --> 01:01:05,000

important parts to play in this

1147

01:01:12,970 --> 01:01:09,530

TTS a thing and a mum or suddenly while

1148

01:01:14,830 --> 01:01:12,980

I was on that and you know morale was on

1149

01:01:18,760 --> 01:01:14,840

those background was he's a career

1150

01:01:20,770 --> 01:01:18,770

intelligence officer a lot of experience

1151

01:01:23,140 --> 01:01:20,780

in the US Army in the Department of

1152

01:01:27,070 --> 01:01:23,150

Defense and was involved with the

1153

01:01:32,140 --> 01:01:27,080

National counterintelligence as a former

1154

01:01:36,310 --> 01:01:32,150

Special Agent so obviously it's come to

1155

01:01:38,740 --> 01:01:36,320

light that that blue is headed bphs

1156

01:01:42,880 --> 01:01:38,750

advanced aerial threat identification

1157

01:01:45,160 --> 01:01:42,890

program and there's been a lot of back

1158

01:01:47,650 --> 01:01:45,170

and forth about obviously the roles on

1159

01:01:50,950 --> 01:01:47,660

those involvement there's been some

1160

01:01:55,210 --> 01:01:50,960

talent statements made by the Pentagon

1161

01:01:57,220 --> 01:01:55,220

and even more so recently and that you

1162

01:02:03,930 --> 01:01:57,230

know a lost commander billion worth John

1163

01:02:07,870 --> 01:02:03,940

Green Walter as accomplished in in

1164

01:02:11,590 --> 01:02:07,880

scrutinizing T TSA because there seems

1165

01:02:19,540 --> 01:02:11,600

to be an awful lot of smoke and mirrors

1166

01:02:23,200 --> 01:02:19,550

if I can call like that whether Lou had

1167

01:02:27,970 --> 01:02:23,210

the involvement that he did III don't

1168

01:02:31,030 --> 01:02:27,980

know and from what I do understand I

1169

01:02:32,920 --> 01:02:31,040

would say that you know that there is

1170

01:02:34,930 --> 01:02:32,930

something going on within the government

1171

01:02:40,810 --> 01:02:34,940

and I love where there are people who

1172

01:02:43,210 --> 01:02:40,820

want to bring this subject to public

1173

01:02:46,810 --> 01:02:43,220

attention because I believe it's a

1174

01:02:49,240 --> 01:02:46,820

national defense threat and there are

1175

01:02:51,790 --> 01:02:49,250

people perhaps for these as

1176

01:02:55,090 --> 01:02:51,800

we spoke of earlier and you know the

1177

01:02:57,160 --> 01:02:55,100

religious aspects of this but don't want

1178

01:03:05,490 --> 01:02:57,170

misinformation to be out there to the

1179

01:03:12,310 --> 01:03:08,220

you got a look look at this objectively

1180

01:03:17,320 --> 01:03:12,320

and the way the way I look at this Ryan

1181

01:03:18,670 --> 01:03:17,330

is tts alien you know you look at them

1182

01:03:21,730 --> 01:03:18,680

as a collective and what they've

1183

01:03:23,890 --> 01:03:21,740

achieved and pretty much from when that

1184

01:03:27,700 --> 01:03:23,900

article was broken the New York Times

1185

01:03:30,430 --> 01:03:27,710

they change the conversation and they

1186

01:03:34,000 --> 01:03:30,440

change how this subject was perceived on

1187

01:03:36,910 --> 01:03:34,010

my mainstream level where is you know

1188

01:03:39,760 --> 01:03:36,920

you know yourself you know but it's

1189

01:03:42,880 --> 01:03:39,770

probably the same in America you rubbing

1190

01:03:44,800 --> 01:03:42,890

your folks or runnin you know the six

1191

01:03:47,860 --> 01:03:44,810

o'clock news and it was always played

1192

01:03:51,490 --> 01:03:47,870

with the x-files music and it was it was

1193

01:03:53,800 --> 01:03:51,500

always like they were kind of making us

1194

01:03:57,850 --> 01:03:53,810

all out to be fruit loops and you know

1195

01:04:03,430 --> 01:03:57,860

we all wear tinfoil hat and watch Star

1196

01:04:07,210 --> 01:04:03,440

Trek episodes on the beat so yeah and I

1197

01:04:10,630 --> 01:04:07,220

say you know where I saw which dolmens

1198

01:04:13,960 --> 01:04:10,640

think last November a lot of this talk

1199

01:04:16,900 --> 01:04:13,970

was based on you know this if you want

1200

01:04:19,270 --> 01:04:16,910

to call a disclosure efforts I know

1201

01:04:22,470 --> 01:04:19,280

people have said its disclosure with a

1202

01:04:27,150 --> 01:04:22,480

little B rather than their capital big

1203

01:04:31,390 --> 01:04:27,160

but they as a group you know for all the

1204

01:04:34,540 --> 01:04:31,400

criticisms that they face then you know

1205

01:04:38,020 --> 01:04:34,550

all the tearing and throwing I think

1206

01:04:41,770 --> 01:04:38,030

they brought this into the spotlight and

1207

01:04:44,560 --> 01:04:41,780

rightly so and you know you have stories

1208

01:04:47,290 --> 01:04:44,570

will in last year where the US Navy's

1209

01:04:50,380 --> 01:04:47,300

introduced you know an official protocol

1210

01:04:52,720 --> 01:04:50,390

a pilot to witness this type of

1211

01:04:55,810 --> 01:04:52,730

phenomena where they've actually got a

1212

01:04:59,680 --> 01:04:55,820

place to go to to report these sightings

1213

01:05:00,790 --> 01:04:59,690

where they won't be ridiculed so I you

1214

01:05:02,800 --> 01:05:00,800

know

1215

01:05:05,140 --> 01:05:02,810

look at you look at what they're trying

1216

01:05:09,280 --> 01:05:05,150

to do when you know what whether they've

1217

01:05:11,380 --> 01:05:09,290

gotten you know individual agendas you

1218

01:05:13,050 --> 01:05:11,390

know being from intelligence backgrounds

1219

01:05:18,790 --> 01:05:13,060

you know that's open to interpretation

1220

01:05:21,940 --> 01:05:18,800

but you know I've owned the country

1221

01:05:25,240 --> 01:05:21,950

where there was an interview that John

1222

01:05:28,360 --> 01:05:25,250

Green land of the black hole car had

1223

01:05:32,020 --> 01:05:28,370

recently acquired an engineer and was on

1224

01:05:34,660 --> 01:05:32,030

that you know as you know yourself

1225

01:05:38,320 --> 01:05:34,670

John's been very critical with Lin's

1226

01:05:39,880 --> 01:05:38,330

involvement and last year the Pentagon

1227

01:05:42,100 --> 01:05:39,890

Connor went back on their initial

1228

01:05:45,070 --> 01:05:42,110

statement about a check where they

1229

01:05:48,480 --> 01:05:45,080

claimed that eight then naturally

1230

01:05:53,400 --> 01:05:48,490

investigate UFOs or you AP's and

1231

01:05:57,340 --> 01:05:53,410

Alessandro have no involvement you know

1232

01:05:59,800 --> 01:05:57,350

for various reasons is not someone he

1233

01:06:00,880 --> 01:05:59,810

makes himself accessible to the UFO

1234

01:06:03,370 --> 01:06:00,890

community

1235

01:06:05,620 --> 01:06:03,380

I understand these reasons why he's

1236

01:06:10,990 --> 01:06:05,630

touched on man that you know they don't

1237

01:06:12,700 --> 01:06:11,000

want to they don't want differing

1238

01:06:15,760 --> 01:06:12,710

opinions from what they're trying to

1239

01:06:18,550 --> 01:06:15,770

concentrate that laptop because you know

1240

01:06:24,040 --> 01:06:18,560

what there's so many opinions to what

1241

01:06:25,930 --> 01:06:24,050

this problem could be but I think it's

1242

01:06:30,310 --> 01:06:25,940

important suspect and what they're

1243

01:06:32,760 --> 01:06:30,320

focusing on and you know the tagline

1244

01:06:37,620 --> 01:06:32,770

things for being if this is a national

1245

01:06:40,570 --> 01:06:37,630

defense issue and it's a threat to when

1246

01:06:44,410 --> 01:06:40,580

you know the United States of America

1247

01:06:48,580 --> 01:06:44,420

and all over the world so did the

1248

01:06:50,890 --> 01:06:48,590

interview with John Green Wang he

1249

01:06:53,200 --> 01:06:50,900

finally got the Rosenbergs fake and

1250

01:06:55,810 --> 01:06:53,210

leave those on say I chose speaking you

1251

01:06:58,270 --> 01:06:55,820

simply because you asked me I never

1252

01:07:01,210 --> 01:06:58,280

turned down the Cynthia Rockets clarify

1253

01:07:03,850 --> 01:07:01,220

or provide my perception I'm not

1254

01:07:07,330 --> 01:07:03,860

interested in social media drama or

1255

01:07:10,090 --> 01:07:07,340

artificially manufactured acts and so I

1256

01:07:14,210 --> 01:07:10,100

usually stay quiet if I add something

1257

01:07:16,730 --> 01:07:14,220

productive to say then goes on to say

1258

01:07:19,460 --> 01:07:16,740

gave the Pentagon ample time to deepen

1259

01:07:22,099 --> 01:07:19,470

flight now response and given them the

1260

01:07:25,370 --> 01:07:22,109

benefit of the doubt that it is function

1261

01:07:28,099 --> 01:07:25,380

over palace unfortunately I no longer

1262

01:07:31,310 --> 01:07:28,109

feel this is necessarily a case and

1263

01:07:32,599 --> 01:07:31,320

therefore it is incumbent upon me to set

1264

01:07:35,450 --> 01:07:32,609

the record straight

1265

01:07:37,849 --> 01:07:35,460

I'm also alright but I still have a

1266

01:07:40,880 --> 01:07:37,859

claimant I don't want the Pentagon

1267

01:07:43,700 --> 01:07:40,890

taking any primitive that measures to

1268

01:07:47,990 --> 01:07:43,710

risk my clearance or our ongoing efforts

1269

01:07:49,849 --> 01:07:48,000

regarding the see our ad a I have my

1270

01:07:52,310 --> 01:07:49,859

clearance fluttered barely on and I

1271

01:07:54,800 --> 01:07:52,320

don't want that being used as leverage

1272

01:07:57,080 --> 01:07:54,810

to keep the quiet but if there's a

1273

01:07:59,270 --> 01:07:57,090

possibility they could still trying to

1274

01:08:03,530 --> 01:07:59,280

move my clearance and an order to try

1275

01:08:05,990 --> 01:08:03,540

and further discredit me so it goes this

1276

01:08:10,220 --> 01:08:06,000

interview is very telling it goes on to

1277

01:08:11,990 --> 01:08:10,230

say judge judge on basically asked him

1278

01:08:15,410 --> 01:08:12,000

to set the record straight

1279

01:08:17,990 --> 01:08:15,420

as regards to his involvement and what's

1280

01:08:21,050 --> 01:08:18,000

wrong was that typically with their

1281

01:08:22,849 --> 01:08:21,060

nature so who goes on to say is the

1282

01:08:26,120 --> 01:08:22,859

senior ranking person and the eighty

1283

01:08:28,329 --> 01:08:26,130

program I was ultimately responsible for

1284

01:08:31,280 --> 01:08:28,339

ensuring the efficient and effective

1285

01:08:33,800 --> 01:08:31,290

operations of the overall effort and

1286

01:08:36,320 --> 01:08:33,810

whether in fairness Ryan's work was

1287

01:08:37,729 --> 01:08:36,330

formed by the upstanding men of women we

1288

01:08:40,970 --> 01:08:37,739

have working in the program

1289

01:08:43,160 --> 01:08:40,980

my job was primarily to fend off the

1290

01:08:45,950 --> 01:08:43,170

distractions so the rest of the team

1291

01:08:48,499 --> 01:08:45,960

could do their job in essence my job is

1292

01:08:50,289 --> 01:08:48,509

to catch the proverbial bullets or are

1293

01:08:53,570 --> 01:08:50,299

folks who do their jobs without

1294

01:08:56,120 --> 01:08:53,580

disruption not an unusual role for

1295

01:08:58,880 --> 01:08:56,130

senior person in any program to assume

1296

01:09:04,220 --> 01:08:58,890

this also includes fighting for

1297

01:09:07,789 --> 01:09:04,230

resources support and personnel so John

1298

01:09:10,599 --> 01:09:07,799

goes on to say that he's pointed out on

1299

01:09:12,490 --> 01:09:10,609

being this occasions that little water

1300

01:09:16,039 --> 01:09:12,500

reservations

1301

01:09:21,289 --> 01:09:16,049

accept a later partially in UFO program

1302

01:09:23,990 --> 01:09:21,299

and you know that changed in May 2009

1303

01:09:24,530 --> 01:09:24,000

team and the New York Post published the

1304

01:09:26,599 --> 01:09:24,540

Pentagon

1305

01:09:31,579 --> 01:09:26,609

nation then it didn't beats for the UI

1306

01:09:35,030 --> 01:09:31,589

pays fast forward to December 2019 just

1307

01:09:36,770 --> 01:09:35,040

last year and a pentium statement that

1308

01:09:40,520 --> 01:09:36,780

was released for John and the white

1309

01:09:43,280 --> 01:09:40,530

walls and they they basically rescinded

1310

01:09:48,320 --> 01:09:43,290

everything where the women say neighbor

1311

01:09:51,710 --> 01:09:48,330

a tip all AUSA when you ap related said

1312

01:09:54,890 --> 01:09:51,720

pentagon spokesperson and Susan golf the

1313

01:09:57,620 --> 01:09:54,900

purpose of HF was to investigate foreign

1314

01:10:00,590 --> 01:09:57,630

advanced aerospace weapon system

1315

01:10:03,050 --> 01:10:00,600

applications with future technology

1316

01:10:06,470 --> 01:10:03,060

projections over the next forty years

1317

01:10:10,850 --> 01:10:06,480

and to create a center of expertise on

1318

01:10:12,290 --> 01:10:10,860

advanced aerospace technology so we must

1319

01:10:14,240 --> 01:10:12,300

for say there was a lot of confusion

1320

01:10:18,320 --> 01:10:14,250

after that statement and there was a lot

1321

01:10:20,840 --> 01:10:18,330

of people calling you know commonly

1322

01:10:25,220 --> 01:10:20,850

while in and then in some sense rightly

1323

01:10:28,580 --> 01:10:25,230

so so no one was on those response that

1324

01:10:32,870 --> 01:10:28,590

was it was not about advanced aircraft

1325

01:10:34,850 --> 01:10:32,880

it was ambient about UFOs you AP's there

1326

01:10:38,330 --> 01:10:34,860

is additional information that clearly

1327

01:10:40,760 --> 01:10:38,340

indicates a tips focus being you ap l

1328

01:10:42,290 --> 01:10:40,770

don't think that info has been big

1329

01:10:45,770 --> 01:10:42,300

public just yet

1330

01:10:49,280 --> 01:10:45,780

I'm certain it is forthcoming there is

1331

01:10:53,660 --> 01:10:49,290

documented documentation that provides

1332

01:10:56,570 --> 01:10:53,670

no doubt as for what our focus was so

1333

01:10:59,150 --> 01:10:56,580

the interview I thought was very telling

1334

01:11:01,880 --> 01:10:59,160

and it goes on you know Lou goes on to

1335

01:11:04,790 --> 01:11:01,890

say emotionally and you know when he's

1336

01:11:08,810 --> 01:11:04,800

reacting to this panickin statement

1337

01:11:10,940 --> 01:11:08,820

we're trying to discredit him and a tip

1338

01:11:12,700 --> 01:11:10,950

and Allsop and Lou goes on so

1339

01:11:15,860 --> 01:11:12,710

emotionally it was very disappointing

1340

01:11:18,260 --> 01:11:15,870

I'm not entirely surprised and there are

1341

01:11:21,020 --> 01:11:18,270

elements in the pants game now seriously

1342

01:11:24,320 --> 01:11:21,030

upset with me for breaking rank in their

1343

01:11:27,350 --> 01:11:24,330

eyes however efforts are underway to

1344

01:11:29,840 --> 01:11:27,360

isolate and expose these individuals and

1345

01:11:33,230 --> 01:11:29,850

hold them accountable I am very

1346

01:11:36,170 --> 01:11:33,240

optimistic that 2020 this will be

1347

01:11:37,780 --> 01:11:36,180

resolved I can't go into great detail on

1348

01:11:40,090 --> 01:11:37,790

our strategy only

1349

01:11:42,460 --> 01:11:40,100

because it has not been finalized yet I

1350

01:11:44,740 --> 01:11:42,470

think it's a vendetta by a few in the

1351

01:11:48,130 --> 01:11:44,750

pantheon but I think we all know the

1352

01:11:49,000 --> 01:11:48,140

real reason this year so when it goes on

1353

01:11:51,010 --> 01:11:49,010

to say Aloha

1354

01:11:53,740 --> 01:11:51,020

Alessandra would not elaborate on the

1355

01:11:56,290 --> 01:11:53,750

measures he's currently taken to cancer

1356

01:11:58,540 --> 01:11:56,300

back he did remind us all about the

1357

01:12:02,500 --> 01:11:58,550

truth that the American people know all

1358

01:12:05,410 --> 01:12:02,510

too well the US government wise and you

1359

01:12:07,780 --> 01:12:05,420

know we look for that in you know time

1360

01:12:10,210 --> 01:12:07,790

and time again that the US government

1361

01:12:16,780 --> 01:12:10,220

has been caught out numerous times

1362

01:12:18,550 --> 01:12:16,790

throughout history so you know what why

1363

01:12:20,560 --> 01:12:18,560

you ascertain from those and you know

1364

01:12:23,980 --> 01:12:20,570

the Pentagon have come out they've tried

1365

01:12:28,090 --> 01:12:23,990

to pour cold water on the the whole

1366

01:12:30,840 --> 01:12:28,100

later course up scenario that they were

1367

01:12:34,830 --> 01:12:30,850

looking into this type of phenomenon and

1368

01:12:38,020 --> 01:12:34,840

trying to discredit with Elizondo and

1369

01:12:40,360 --> 01:12:38,030

now you've got this that this interview

1370

01:12:42,310 --> 01:12:40,370

with Lou Elizondo basically saying well

1371

01:12:45,520 --> 01:12:42,320

there's people that are happy with the

1372

01:12:47,860 --> 01:12:45,530

fact they resigned from office where you

1373

01:12:49,930 --> 01:12:47,870

know he's spoken on there I think it was

1374

01:12:52,150 --> 01:12:49,940

the show when identified when he says he

1375

01:12:58,120 --> 01:12:52,160

wasn't satisfied but the efforts they're

1376

01:13:00,490 --> 01:12:58,130

going to in looking into this so my gut

1377

01:13:01,630 --> 01:13:00,500

feeling is that there's a lot more to

1378

01:13:04,450 --> 01:13:01,640

this than meets the eye

1379

01:13:07,030 --> 01:13:04,460

obviously you know these documents think

1380

01:13:08,740 --> 01:13:07,040

when to fruition this year then

1381

01:13:11,400 --> 01:13:08,750

hopefully that clears up moons

1382

01:13:14,080 --> 01:13:11,410

involvement with a Turk and all SAP and

1383

01:13:19,180 --> 01:13:14,090

that these programs were actively

1384

01:13:21,520 --> 01:13:19,190

looking to you APs and UFOs so you know

1385

01:13:27,130 --> 01:13:21,530

there's a lot more information to come

1386

01:13:29,470 --> 01:13:27,140

but I tend to I tend to believe that you

1387

01:13:32,350 --> 01:13:29,480

know lose tell the truth and of course

1388

01:13:34,780 --> 01:13:32,360

you know we've been here before you know

1389

01:13:39,370 --> 01:13:34,790

the UFO community he's no stranger to

1390

01:13:41,620 --> 01:13:39,380

being metal you know you are I think it

1391

01:13:44,500 --> 01:13:41,630

was Bill Maher that you know came out

1392

01:13:46,330 --> 01:13:44,510

and you know it was right to prove that

1393

01:13:49,270 --> 01:13:46,340

they you know really sad disinformation

1394

01:13:51,700 --> 01:13:49,280

so you put out to the UFO community

1395

01:13:55,060 --> 01:13:51,710

so you know I understand people's cats

1396

01:13:58,630 --> 01:13:55,070

ISM you know it's important to look at

1397

01:14:02,260 --> 01:13:58,640

both sides of the coin but you know you

1398

01:14:04,630 --> 01:14:02,270

have to look what the longer and T GSA

1399

01:14:07,930 --> 01:14:04,640

of achieve in a relatively short space

1400

01:14:09,940 --> 01:14:07,940

of time you know for bonds are about

1401

01:14:12,310 --> 01:14:09,950

words you know as you know yourself the

1402

01:14:14,770 --> 01:14:12,320

you know subject to you fold you in the

1403

01:14:17,260 --> 01:14:14,780

year I found community you know we've

1404

01:14:20,290 --> 01:14:17,270

been chasing its tail for years and

1405

01:14:24,280 --> 01:14:20,300

years and you know it's the same cases

1406

01:14:25,810 --> 01:14:24,290

going on on and on you know they're

1407

01:14:28,060 --> 01:14:25,820

still talking about things like

1408

01:14:30,790 --> 01:14:28,070

Rendlesham forest and the incident that

1409

01:14:34,240 --> 01:14:30,800

happened there in 1980 and this is

1410

01:14:37,450 --> 01:14:34,250

thirty nine years on so people are still

1411

01:14:39,730 --> 01:14:37,460

going over the same old ground while all

1412

01:14:46,000 --> 01:14:39,740

this over stocks going on the background

1413

01:14:49,920 --> 01:14:46,010

and you look if they say the word

1414

01:14:53,380 --> 01:14:49,930

fast-track a subject on ok they

1415

01:14:59,590 --> 01:14:53,390

rebranded it new way paid and I believe

1416

01:15:01,900 --> 01:14:59,600

the reason for me new AP is so it's it

1417

01:15:05,760 --> 01:15:01,910

hasn't got the stigma of the UFO word

1418

01:15:08,860 --> 01:15:05,770

and of course when you dealing with

1419

01:15:12,250 --> 01:15:08,870

Congress and your beef and these people

1420

01:15:15,520 --> 01:15:12,260

I I suppose you want to get away from

1421

01:15:19,030 --> 01:15:15,530

that whole stigma and you know was a

1422

01:15:21,820 --> 01:15:19,040

touch from the reasons you know you UFOs

1423

01:15:23,500 --> 01:15:21,830

as a subject and this phenomenon hasn't

1424

01:15:25,570 --> 01:15:23,510

been there seen greatly by mainstream

1425

01:15:28,570 --> 01:15:25,580

media in the past you know and it's

1426

01:15:32,340 --> 01:15:28,580

always been you know camera like a dirty

1427

01:15:35,380 --> 01:15:32,350

little secret and you know we've been

1428

01:15:37,690 --> 01:15:35,390

all sort of been they'd have to be kind

1429

01:15:39,490 --> 01:15:37,700

of crazies you know the venal you know

1430

01:15:42,970 --> 01:15:39,500

we've got mental health issues or

1431

01:15:45,340 --> 01:15:42,980

whatnot so you know we understand the

1432

01:15:47,860 --> 01:15:45,350

reasons for their in that but you know

1433

01:15:50,320 --> 01:15:47,870

you if I was to be having this

1434

01:15:53,440 --> 01:15:50,330

conversation with you say ten years ago

1435

01:15:58,960 --> 01:15:53,450

when you tell me we'd be at this point

1436

01:16:02,980 --> 01:15:58,970

in 2020 you know I'd like you out the

1437

01:16:06,250 --> 01:16:02,990

building but you know here we are and

1438

01:16:08,230 --> 01:16:06,260

what the future holds for TDS I you know

1439

01:16:11,410 --> 01:16:08,240

I know they've got an entertainment side

1440

01:16:12,940 --> 01:16:11,420

in the release of books and I think

1441

01:16:15,160 --> 01:16:12,950

there's a new series and commissioned

1442

01:16:19,180 --> 01:16:15,170

upon identified which will call onto our

1443

01:16:22,480 --> 01:16:19,190

screens this year so I understand that

1444

01:16:26,100 --> 01:16:22,490

side of it but then you know you look at

1445

01:16:29,260 --> 01:16:26,110

the other side of what TGA is doing and

1446

01:16:32,350 --> 01:16:29,270

you know they just created the album

1447

01:16:36,100 --> 01:16:32,360

research product and a lot of statement

1448

01:16:38,470 --> 01:16:36,110

now pong from TGS Ali's website and it

1449

01:16:41,650 --> 01:16:38,480

goes on to say from time to time various

1450

01:16:44,460 --> 01:16:41,660

sources of collecting material samples

1451
01:16:47,910 --> 01:16:44,470
reporters who become the revamped

1452
01:16:50,110 --> 01:16:47,920
aerospace vehicles of unknown origin

1453
01:16:53,100 --> 01:16:50,120
popularly known is you a pink

1454
01:16:56,140 --> 01:16:53,110
unidentified aerial phenomenon or UFOs

1455
01:17:00,420 --> 01:16:56,150
those sources include private citizens

1456
01:17:03,000 --> 01:17:00,430
or an aerospace investigatory committees

1457
01:17:06,610 --> 01:17:03,010
aerospace operators and government

1458
01:17:09,010 --> 01:17:06,620
associations as being materials have

1459
01:17:12,550 --> 01:17:09,020
come come to light they can be made

1460
01:17:14,200 --> 01:17:12,560
available for inspection are they going

1461
01:17:16,900 --> 01:17:14,210
to say given the potential significance

1462
01:17:19,720 --> 01:17:16,910
and such findings through the Stars

1463
01:17:22,660 --> 01:17:19,730

Academy is made a Tier one priority to

1464

01:17:25,080 --> 01:17:22,670

use its resources to subject these

1465

01:17:28,830 --> 01:17:25,090

materials detailed and rigorous

1466

01:17:33,250 --> 01:17:28,840

scientific evaluation whenever feasible

1467

01:17:36,190 --> 01:17:33,260

as soon as T TSA Academy is notified the

1468

01:17:38,140 --> 01:17:36,200

materials unavailable a former effort

1469

01:17:40,360 --> 01:17:38,150

will be made to document their origin

1470

01:17:42,610 --> 01:17:40,370

and credibility followed by the

1471

01:17:45,460 --> 01:17:42,620

establishment of change of customer

1472

01:17:48,640 --> 01:17:45,470

custody procedures and ownership

1473

01:17:50,230 --> 01:17:48,650

protocols in addition to reviewing these

1474

01:17:53,410 --> 01:17:50,240

materials for their potential

1475

01:17:55,450 --> 01:17:53,420

significance and the habitants of exotic

1476

01:17:58,810 --> 01:17:55,460

origin the analysis will evaluate

1477

01:18:01,360 --> 01:17:58,820

materials or sort to characteristics as

1478

01:18:04,690 --> 01:18:01,370

exceptional strength light weight build

1479

01:18:07,660 --> 01:18:04,700

an alien usual advanced properties that

1480

01:18:09,490 --> 01:18:07,670

potentially could contribute the

1481

01:18:12,730 --> 01:18:09,500

developments of exciting new

1482

01:18:16,460 --> 01:18:12,740

technologies in the future as a first

1483

01:18:19,510 --> 01:18:16,470

step T GSA and such establish

1484

01:18:22,460 --> 01:18:19,520

contract with earth tech international a

1485

01:18:25,520 --> 01:18:22,470

well-respected research think-tank in

1486

01:18:27,860 --> 01:18:25,530

Austin Texas to evaluate the properties

1487

01:18:32,300 --> 01:18:27,870

are the available materials under the

1488

01:18:34,910 --> 01:18:32,310

leadership of dr. Haley putter a former

1489

01:18:37,940 --> 01:18:34,920

senior advisor in subcontractor to the

1490

01:18:41,140 --> 01:18:37,950

Pentagon's a tech program and current

1491

01:18:43,910 --> 01:18:41,150

vice president of technology for TGS a

1492

01:18:48,320 --> 01:18:43,920

attack as well positions had up this

1493

01:18:50,660 --> 01:18:48,330

materials research plan so I think

1494

01:18:53,180 --> 01:18:50,670

they're doing lots of good stuff and you

1495

01:18:56,600 --> 01:18:53,190

know what I don't know if you agree with

1496

01:18:59,270 --> 01:18:56,610

this if everybody has ignored things

1497

01:19:01,970 --> 01:18:59,280

that go bump in the night or lights in

1498

01:19:05,630 --> 01:19:01,980

the sky and all sudden those are sort of

1499

01:19:07,610 --> 01:19:05,640

being legitimized this has been when you

1500

01:19:12,670 --> 01:19:07,620

look at it pretty much three years

1501
01:19:15,770 --> 01:19:12,680
things push this to you know they're the

1502
01:19:18,500 --> 01:19:15,780
top of the food chain really and they

1503
01:19:22,130 --> 01:19:18,510
put this out there and regularly I don't

1504
01:19:23,890 --> 01:19:22,140
think a week goes by now I don't see one

1505
01:19:27,110 --> 01:19:23,900
under that you know the mainstream

1506
01:19:29,720 --> 01:19:27,120
website a story that's running on our

1507
01:19:33,680 --> 01:19:29,730
grater that you know the limiting

1508
01:19:36,350 --> 01:19:33,690
countering detect at UFO or you know

1509
01:19:42,710 --> 01:19:36,360
commander flavor or something this has

1510
01:19:46,190 --> 01:19:42,720
created so much so much interest I think

1511
01:19:51,050 --> 01:19:46,200
it's only healthy and a you know it's

1512
01:19:52,790 --> 01:19:51,060
attracting a lot of people's and a lot

1513
01:19:57,410 --> 01:19:52,800

of people's attention to probably one

1514

01:20:00,110 --> 01:19:57,420

was not a subject with the same kind of

1515

01:20:02,090 --> 01:20:00,120

ideas what they do now because the way

1516

01:20:04,790 --> 01:20:02,100

this was talked about you know it was

1517

01:20:06,710 --> 01:20:04,800

really cure but if you walked into this

1518

01:20:09,320 --> 01:20:06,720

yeah where it wasn't something you could

1519

01:20:12,320 --> 01:20:09,330

talk about with your friends you know

1520

01:20:15,320 --> 01:20:12,330

research was pretty much privately done

1521

01:20:17,810 --> 01:20:15,330

because people were scared to to come

1522

01:20:20,720 --> 01:20:17,820

out there that that you know I love this

1523

01:20:23,120 --> 01:20:20,730

stuff those going on and you know if you

1524

01:20:25,580 --> 01:20:23,130

thought about or there's there's all of

1525

01:20:28,100 --> 01:20:25,590

a sudden these things being declassified

1526

01:20:29,950 --> 01:20:28,110

these documents this these organizations

1527

01:20:32,740 --> 01:20:29,960

these projects these individuals

1528

01:20:35,350 --> 01:20:32,750

who have PhDs behind their name all

1529

01:20:38,800 --> 01:20:35,360

sudden yeah it's it's mainstream and

1530

01:20:40,209 --> 01:20:38,810

it's great your friends can't say oh you

1531

01:20:43,120 --> 01:20:40,219

know the friends that you speak I speak

1532

01:20:45,150 --> 01:20:43,130

to they say oh yeah I saw that on I saw

1533

01:20:50,440 --> 01:20:45,160

that on the news

1534

01:20:52,240 --> 01:20:50,450

absolutely yeah yeah you know that

1535

01:20:55,750 --> 01:20:52,250

you're talking about the least

1536

01:21:00,610 --> 01:20:55,760

statements and you know one but no more

1537

01:21:03,520 --> 01:21:00,620

important as Jay works which in January

1538

01:21:06,850 --> 01:21:03,530

of last year and the Defense

1539

01:21:09,940 --> 01:21:06,860

Intelligence Agency released a less than

1540

01:21:12,550 --> 01:21:09,950

38 research titles pursued by the

1541

01:21:15,670 --> 01:21:12,560

program English subs for a Freedom of

1542

01:21:19,030 --> 01:21:15,680

Information Act which was put in by

1543

01:21:24,790 --> 01:21:19,040

Stephen Africa direct through Federation

1544

01:21:27,520 --> 01:21:24,800

of American scientists and the topics

1545

01:21:29,350 --> 01:21:27,530

were traversable world Knowles stargates

1546

01:21:32,440 --> 01:21:29,360

and negative energy and it was led by

1547

01:21:35,050 --> 01:21:32,450

dr. Larry Davis who was obviously

1548

01:21:40,390 --> 01:21:35,060

involved with their nets which we

1549

01:21:42,190 --> 01:21:40,400

alluded to earlier and then you know

1550

01:21:45,430 --> 01:21:42,200

they looked into things such as

1551
01:21:47,500 --> 01:21:45,440
invisibility cloak and I believe this

1552
01:21:48,640 --> 01:21:47,510
was headed by German scientist by the

1553
01:21:51,580 --> 01:21:48,650
name hawk-like

1554
01:21:55,240 --> 01:21:51,590
art it was a professor at the Weizmann

1555
01:21:59,140 --> 01:21:55,250
Institute of Science in Israel and wine

1556
01:22:03,160 --> 01:21:59,150
art research potentially theoretical

1557
01:22:05,890 --> 01:22:03,170
quantum objects and I believe in 2006

1558
01:22:09,670 --> 01:22:05,900
his work on theoretically creating an

1559
01:22:12,790 --> 01:22:09,680
invisible hole in space inside which

1560
01:22:16,300 --> 01:22:12,800
objects can be hidden was sighted by

1561
01:22:18,970 --> 01:22:16,310
nature yet another title warp-drive dark

1562
01:22:23,620 --> 01:22:18,980
energy and the manipulation of extra

1563
01:22:26,700 --> 01:22:23,630

dimensions so you've got all this stuff

1564

01:22:30,370 --> 01:22:26,710

going on in the background and you know

1565

01:22:33,400 --> 01:22:30,380

this is again for me further evidence

1566

01:22:36,100 --> 01:22:33,410

that the soft which we've been

1567

01:22:40,090 --> 01:22:36,110

discussing this evening on this podcast

1568

01:22:42,280 --> 01:22:40,100

is stuff that they have been taken

1569

01:22:43,600 --> 01:22:42,290

seriously that has been being looked

1570

01:22:46,330 --> 01:22:43,610

into

1571

01:22:48,310 --> 01:22:46,340

whether that's a consequence and you

1572

01:22:50,290 --> 01:22:48,320

know we goes back to the premise of the

1573

01:22:54,310 --> 01:22:50,300

events that happened on skinwalker ranch

1574

01:22:57,669 --> 01:22:54,320

and you know I think that's quite

1575

01:22:59,890 --> 01:22:57,679

incredible don't you yeah there's

1576

01:23:02,530 --> 01:22:59,900

there's so much going on it's magic

1577

01:23:05,109 --> 01:23:02,540

really with these these secret machines

1578

01:23:08,830 --> 01:23:05,119

that Tom DeLonge speaks of in his books

1579

01:23:11,740 --> 01:23:08,840

and the you know the parallels that we

1580

01:23:14,140 --> 01:23:11,750

have in with other places and on the

1581

01:23:17,680 --> 01:23:14,150

planet I think there's a quest going on

1582

01:23:19,510 --> 01:23:17,690

and there's a very you know there's a

1583

01:23:21,760 --> 01:23:19,520

presence there's a presence that didn't

1584

01:23:25,530 --> 01:23:21,770

used to be there and with the

1585

01:23:27,189 --> 01:23:25,540

realization of a SAP a tip and

1586

01:23:28,750 --> 01:23:27,199

particular areas

1587

01:23:31,060 --> 01:23:28,760

I wanted to appreciate you coming on and

1588

01:23:34,899 --> 01:23:31,070

how can our listeners stay in touch with

1589

01:23:35,910 --> 01:23:34,909

what you've got going on and happening

1590

01:23:40,990 --> 01:23:35,920

in the future

1591

01:23:45,370 --> 01:23:41,000

yes now you mentioned Jason graves

1592

01:23:48,609 --> 01:23:45,380

earlier we're actually in the process on

1593

01:23:52,510 --> 01:23:48,619

whether it's in its infancy of looking

1594

01:23:55,330 --> 01:23:52,520

to producing a documentary and rich

1595

01:23:57,760 --> 01:23:55,340

you should detail a lot of their

1596

01:24:00,189 --> 01:23:57,770

historical UFO sightings but god I mean

1597

01:24:04,180 --> 01:24:00,199

are back in the woods where I live now

1598

01:24:05,950 --> 01:24:04,190

which is North Wales you know what I say

1599

01:24:10,060 --> 01:24:05,960

it's in its infancy there's a lot of

1600

01:24:12,399 --> 01:24:10,070

work to be done and there are pieces of

1601
01:24:16,149 --> 01:24:12,409
the jigsaw which is scattered around in

1602
01:24:18,640 --> 01:24:16,159
the moment and which over time will be

1603
01:24:22,300 --> 01:24:18,650
put into place you know something people

1604
01:24:26,260 --> 01:24:22,310
were enjoying as well so that's going on

1605
01:24:29,020 --> 01:24:26,270
I think in the next year or so obviously

1606
01:24:32,950 --> 01:24:29,030
I'm gonna still be keeping an eye on you

1607
01:24:34,209 --> 01:24:32,960
know things with a tip and tsi and

1608
01:24:36,819 --> 01:24:34,219
checking out a lot of the stuff that's

1609
01:24:39,970 --> 01:24:36,829
going on there and then you know I've

1610
01:24:41,560 --> 01:24:39,980
got my website I am which is a Facebook

1611
01:24:45,189 --> 01:24:41,570
page called

1612
01:24:47,709 --> 01:24:45,199
you forward you've got UK so feel free

1613
01:24:49,270 --> 01:24:47,719

to contact me there and finally one

1614

01:24:51,069 --> 01:24:49,280

wants to forget discussion about

1615

01:24:53,500 --> 01:24:51,079

anything any of this but we've talked

1616

01:24:57,250 --> 01:24:53,510

about tonight you know I'd be happy to

1617

01:24:59,890 --> 01:24:57,260

do so and so yeah

1618

01:25:02,440 --> 01:24:59,900

we'll see what the future holds for you

1619

01:25:05,380 --> 01:25:02,450

know for the time being I think it's

1620

01:25:08,170 --> 01:25:05,390

important to kind of watch how this all

1621

01:25:10,330 --> 01:25:08,180

plays out I think there's a lot more

1622

01:25:15,160 --> 01:25:10,340

information that would might possibly

1623

01:25:16,960 --> 01:25:15,170

see this year and then again you know

1624

01:25:19,990 --> 01:25:16,970

many things you know

1625

01:25:23,380 --> 01:25:20,000

jigsaw pieces for this are later all sat

1626
01:25:25,120 --> 01:25:23,390
and TTS anything you know hopefully

1627
01:25:26,890 --> 01:25:25,130
there's going to be more information

1628
01:25:29,440 --> 01:25:26,900
it's going to be forthcoming in Toulouse

1629
01:25:31,510 --> 01:25:29,450
for that I couldn't agree more so happy

1630
01:25:34,600 --> 01:25:31,520
that we finally made this podcast happen

1631
01:25:37,330 --> 01:25:34,610
and I hope to I hope to have you on soon

1632
01:25:42,010 --> 01:25:37,340
again yeah definitely magnets for the

1633
01:25:48,130 --> 01:25:42,020
project thank you bye-bye well there you

1634
01:25:51,880 --> 01:25:48,140
have it let the bell ring let the angels

1635
01:25:55,660 --> 01:25:51,890
sing we got Spivey in the background

1636
01:26:01,120 --> 01:25:55,670
doing strange objects from Chiefs

1637
01:26:02,800 --> 01:26:01,130
hideout is the name of the album it's

1638
01:26:05,680 --> 01:26:02,810

worth every penny this is the most

1639

01:26:08,770 --> 01:26:05,690

killer album I remember first receiving

1640

01:26:12,640 --> 01:26:08,780

this album in the you and a basin of

1641

01:26:14,920 --> 01:26:12,650

Utah and it said skinwalker music on the

1642

01:26:17,710 --> 01:26:14,930

outside it's excellent

1643

01:26:20,950 --> 01:26:17,720

Chiefs hideout Spivey you can find it on

1644

01:26:24,010 --> 01:26:20,960

iTunes and anywhere fine music is sold

1645

01:26:27,370 --> 01:26:24,020

also check out hero paranormal comm

1646

01:26:29,890 --> 01:26:27,380

check out hero paranormal dot pod bean

1647

01:26:35,150 --> 01:26:29,900

comm if you want to download that with a

1648

01:26:35,160 --> 01:26:40,100

No

1649

01:26:40,110 --> 01:26:58,400

[Music]

1650

01:26:58,410 --> 01:27:02,510

see
