

HERO PARANORMAL

1
00:00:04,519 --> 00:00:00,730

[Music]

2
00:00:08,150 --> 00:00:04,529

this is hero paranormal podcast just

3
00:00:09,919 --> 00:00:08,160

super excited man about the show that

4
00:00:13,310 --> 00:00:09,929

we've got coming tomorrow we're gonna be

5
00:00:15,770 --> 00:00:13,320

discussing this area right up here it is

6
00:00:18,380 --> 00:00:15,780

called la madre mountain this is

7
00:00:21,439 --> 00:00:18,390

basically the end of town I love it up

8
00:00:26,630 --> 00:00:21,449

here that's la Madre the site and

9
00:00:29,750 --> 00:00:26,640

location well just a bunch you know at

10
00:00:31,310 --> 00:00:29,760

first I kind of I just really didn't pay

11
00:00:33,139 --> 00:00:31,320

attention I just figured hey it's Vegas

12
00:00:37,150 --> 00:00:33,149

it's got to be Plains private jets

13
00:00:41,389 --> 00:00:37,160

helicopters what-have-you drones

14

00:00:43,610 --> 00:00:41,399

military stuff but there's that but

15

00:00:45,979 --> 00:00:43,620

there's something else too and that's

16

00:00:48,110 --> 00:00:45,989

why we are going to have the podcast

17

00:00:51,049 --> 00:00:48,120

that we're recording tomorrow with a

18

00:00:53,900 --> 00:00:51,059

very special individual Steve Barone

19

00:00:55,910 --> 00:00:53,910

he's been on fade to black coast to

20

00:00:59,200 --> 00:00:55,920

coast most recently what's going on up

21

00:01:02,450 --> 00:00:59,210

here these mountains are without a doubt

22

00:01:04,070 --> 00:01:02,460

unique there's these features that are

23

00:01:06,830 --> 00:01:04,080

called like Red Rocks and then there's

24

00:01:10,250 --> 00:01:06,840

also Red Rock Canyon to the south of me

25

00:01:11,990 --> 00:01:10,260

there's a little Red Rocks just a hop

26

00:01:13,760 --> 00:01:12,000

skip and a jump from where I live you

27

00:01:15,859 --> 00:01:13,770

can walk there you can actually see it

28

00:01:20,780 --> 00:01:15,869

through the palm trees there that is

29

00:01:22,730 --> 00:01:20,790

Little Red Rocks and it is really unique

30

00:01:24,560 --> 00:01:22,740

in that it has some of the most amazing

31

00:01:29,929 --> 00:01:24,570

petroglyphs I've ever seen depicting

32

00:01:33,380 --> 00:01:29,939

skinwalkers shaman Christianity in pre

33

00:01:36,200 --> 00:01:33,390

Christianity times influences that may

34

00:01:38,770 --> 00:01:36,210

have come from well you know I hate to

35

00:01:41,359 --> 00:01:38,780

say Aztec but I'm gonna say Aztec and

36

00:01:45,010 --> 00:01:41,369

the same thing has been seen in Arizona

37

00:01:48,139 --> 00:01:45,020

it is a very unique situation but anyway

38

00:01:51,730 --> 00:01:48,149

tune in Steve Barone hero paranormal

39

00:01:53,810 --> 00:01:51,740

40

00:01:58,180 --> 00:01:53,820
