

HEROparanormal.com

Juan Ayala

Coolest podcast EVER!

1
00:00:35,139 --> 00:00:21,880

[Music]

2
00:00:40,250 --> 00:00:37,729

hello everybody this is Ryan the

3
00:00:43,600 --> 00:00:40,260

original outlaw of the airwaves bringing

4
00:00:47,420 --> 00:00:43,610

you another episode of hero paranormal

5
00:00:50,720 --> 00:00:47,430

we have a fun chat today with Juan lola

6
00:00:52,040 --> 00:00:50,730

of Juan on haunt podcast definitely

7
00:00:56,569 --> 00:00:52,050

recommend you check it out it's pretty

8
00:00:59,240 --> 00:00:56,579

fun good guy enjoy it and if you have a

9
00:01:01,369 --> 00:00:59,250

chance go to hero paranormal calm and

10
00:01:03,439 --> 00:01:01,379

see what we have going there we have an

11
00:01:05,950 --> 00:01:03,449

archive available there you can listen

12
00:01:10,580 --> 00:01:05,960

to you can also download our podcast

13
00:01:12,590 --> 00:01:10,590

hero paranormal pod being calm and you

14

00:01:14,840 --> 00:01:12,600

can also see us on youtube at hero

15

00:01:17,719 --> 00:01:14,850

paranormal we're working on patreon I'm

16

00:01:20,210 --> 00:01:17,729

just slow I got a kid I'm taking care of

17

00:01:21,800 --> 00:01:20,220

all the time takes forever for me to be

18

00:01:24,499 --> 00:01:21,810

able to carve away the time to do this

19

00:01:27,050 --> 00:01:24,509

but it is what I enjoy so I'm going to

20

00:01:31,640 --> 00:01:27,060

continue to do it also check us out on

21

00:01:34,399 --> 00:01:31,650

social media at Facebook we are at SWR

22

00:01:37,120 --> 00:01:34,409

which stands for space wolf for research

23

00:01:39,679 --> 00:01:37,130

or you can find us at hero paranormal

24

00:01:42,950 --> 00:01:39,689

definitely keep in touch with us and

25

00:01:45,289 --> 00:01:42,960

keep up on the podcast we have a great

26

00:01:47,810 --> 00:01:45,299

deal going on at hero paranormal pod

27

00:01:50,330 --> 00:01:47,820

been calm for a dollar or more you

28

00:01:52,609 --> 00:01:50,340

become a patron you listen to all patron

29

00:01:55,010 --> 00:01:52,619

episodes at least for the time being

30

00:01:57,590 --> 00:01:55,020

we've got some really neat interviews

31

00:02:00,649 --> 00:01:57,600

coming up but I like where Juan asked me

32

00:02:03,800 --> 00:02:00,659

to go and I hope that you guys enjoy it

33

00:02:08,570 --> 00:02:03,810

talk about theology

34

00:02:10,490 --> 00:02:08,580

you know enlightenment the consciousness

35

00:02:13,339 --> 00:02:10,500

everything and today's my first

36

00:02:13,520 --> 00:02:13,349

paranormal cuz like it's like you look

37

00:02:14,840 --> 00:02:13,530

at

38

00:02:16,910 --> 00:02:14,850

theology and then you have this kind of

39

00:02:18,680 --> 00:02:16,920

stuff and it's like what is what because

40

00:02:21,770 --> 00:02:18,690

I know you've had I read your book and

41

00:02:23,030 --> 00:02:21,780

you've had so many crazy things happen

42

00:02:25,400 --> 00:02:23,040

to you and the things that you've seen

43

00:02:27,860 --> 00:02:25,410

and I really want to talk about that so

44

00:02:30,410 --> 00:02:27,870

before we get started where can people

45

00:02:34,780 --> 00:02:30,420

find your work any social media want to

46

00:02:38,360 --> 00:02:34,790

share you can go ahead and plug it in

47

00:02:40,190 --> 00:02:38,370

yeah you can get ahold of me pretty much

48

00:02:44,300 --> 00:02:40,200

gosh I'm all over the place

49

00:02:47,560 --> 00:02:44,310

YouTube at hero paranormal social media

50

00:02:49,850 --> 00:02:47,570

Instagram its space wolf research

51
00:02:51,350 --> 00:02:49,860
Facebook its baseball for research I

52
00:02:53,479 --> 00:02:51,360
like literally just started the

53
00:02:56,000 --> 00:02:53,489
Instagram though so there's like nothing

54
00:02:58,070 --> 00:02:56,010
there but Facebook at space wolf

55
00:03:01,160 --> 00:02:58,080
research or you can go to space wolf

56
00:03:05,509 --> 00:03:01,170
research comm or hero paranormal calm or

57
00:03:07,640 --> 00:03:05,519
also Ryan Patrick burns calm all right I

58
00:03:08,870 --> 00:03:07,650
leave in a couple books and if I'm not

59
00:03:12,110 --> 00:03:08,880
mistaken you're coming out with a new

60
00:03:13,910 --> 00:03:12,120
book light coming out soon yeah man I've

61
00:03:16,790 --> 00:03:13,920
got like three books and the works and

62
00:03:18,530 --> 00:03:16,800
that's what's weird is it's like I'm not

63
00:03:21,920 --> 00:03:18,540

necessarily dropping the one that's like

64

00:03:23,060 --> 00:03:21,930

closest it's just whatever is closest to

65

00:03:25,160 --> 00:03:23,070

my heart at the moment and that's why

66

00:03:26,780 --> 00:03:25,170

I've got three going so I've got one

67

00:03:28,520 --> 00:03:26,790

coming out on the Vegas shooting which

68

00:03:33,050 --> 00:03:28,530

is going to be that's that's I'm like

69

00:03:34,910 --> 00:03:33,060

super scared the other one is space wolf

70

00:03:36,229 --> 00:03:34,920

research in a wait and see what the

71

00:03:38,030 --> 00:03:36,239

other is going to be called I'm still on

72

00:03:39,890 --> 00:03:38,040

the fence but yeah some other books are

73

00:03:43,039 --> 00:03:39,900

in the works for sure right on right on

74

00:03:44,660 --> 00:03:43,049

dude and so before we dive into it

75

00:03:45,860 --> 00:03:44,670

because I you know a lot of people they

76

00:03:47,690 --> 00:03:45,870

reach out to you to learn about

77

00:03:50,240 --> 00:03:47,700

skinwalker and I'm interested in that as

78

00:03:52,370 --> 00:03:50,250

well but I read your book man and I'm

79

00:03:54,380 --> 00:03:52,380

like what is up with this guy you know

80

00:03:56,150 --> 00:03:54,390

like what is happening with it with him

81

00:03:58,430 --> 00:03:56,160

with all these experiences so before we

82

00:04:00,680 --> 00:03:58,440

get into it this is a question I asked

83

00:04:03,020 --> 00:04:00,690

everybody who comes on the podcast and I

84

00:04:04,280 --> 00:04:03,030

like to get philosophical as well but

85

00:04:09,560 --> 00:04:04,290

who is Ryan Byrne

86

00:04:14,539 --> 00:04:09,570

I think Ryan burns you know it's really

87

00:04:17,719 --> 00:04:14,549

just a name or you know when you're

88

00:04:20,599 --> 00:04:17,729

christened as a child it is a reference

89

00:04:23,870 --> 00:04:20,609

or whatever to you know this particular

90

00:04:26,930 --> 00:04:23,880

soul path that you walk in this

91

00:04:28,580 --> 00:04:26,940

particular dimension and you may be

92

00:04:32,330 --> 00:04:28,590

walking other soul paths and other

93

00:04:34,040 --> 00:04:32,340

dimensions but I think it's really just

94

00:04:36,920 --> 00:04:34,050

what's it's like the Church of what's

95

00:04:38,090 --> 00:04:36,930

happening now Ryan Patrick Burns is you

96

00:04:40,400 --> 00:04:38,100

know the guy you'll meet if we're gonna

97

00:04:45,050 --> 00:04:40,410

go get coffee and stuff like that yeah

98

00:04:46,610 --> 00:04:45,060

right on what got you started in order

99

00:04:48,980 --> 00:04:46,620

can you tell us a little bit about what

100

00:04:51,320 --> 00:04:48,990

you do because I kind of admire you

101
00:04:53,390 --> 00:04:51,330
because I talk about fulfillment on the

102
00:04:54,830 --> 00:04:53,400
show and people really wanting to do

103
00:04:57,620 --> 00:04:54,840
what they want to do but then obviously

104
00:04:59,540 --> 00:04:57,630
you have obligations responsibilities

105
00:05:01,490 --> 00:04:59,550
and things that will stop you from doing

106
00:05:04,100 --> 00:05:01,500
that and again correct me if I'm wrong

107
00:05:06,470 --> 00:05:04,110
you practically drops everything they

108
00:05:09,230 --> 00:05:06,480
must pursue your dreams and I could

109
00:05:11,990 --> 00:05:09,240
admire that you know not everybody will

110
00:05:13,760 --> 00:05:12,000
is willing to do that and then I have to

111
00:05:15,140 --> 00:05:13,770
ask you as well after after you answer

112
00:05:17,090 --> 00:05:15,150
that question what got you started in

113
00:05:20,210 --> 00:05:17,100

all of this how'd you yeah are you

114

00:05:21,830 --> 00:05:20,220

married alright yes you know also how

115

00:05:23,840 --> 00:05:21,840

you convince your wife to let you do all

116

00:05:27,950 --> 00:05:23,850

these things and by your a paranormal

117

00:05:30,380 --> 00:05:27,960

property collector as I thought correct

118

00:05:31,550 --> 00:05:30,390

so see how I talk about that a little

119

00:05:32,450 --> 00:05:31,560

bit what got you started on all this

120

00:05:35,390 --> 00:05:32,460

because I obviously had near-death

121

00:05:37,430 --> 00:05:35,400

experiences with the kid and I've never

122

00:05:40,100 --> 00:05:37,440

personally had a paranormal experience

123

00:05:42,230 --> 00:05:40,110

that I'm aware of but I do believe in

124

00:05:46,130 --> 00:05:42,240

the occult and I don't mess with that

125

00:05:49,220 --> 00:05:46,140

sort of thing and you know I believe

126

00:05:51,830 --> 00:05:49,230

it's real evil does exist I'm Puerto

127

00:05:54,200 --> 00:05:51,840

Rican so you know you have something and

128

00:05:55,909 --> 00:05:54,210

you have all those different rituals and

129

00:05:58,150 --> 00:05:55,919

black magic and curses and stuff like

130

00:06:00,230 --> 00:05:58,160

that that we know he believed in and

131

00:06:03,830 --> 00:06:00,240

yeah but what got you started in all of

132

00:06:06,380 --> 00:06:03,840

this yeah man I can totally relate but

133

00:06:10,400 --> 00:06:06,390

It quite cool I'm Costa Rican so I'm

134

00:06:13,430 --> 00:06:10,410

still really yeah so it's like I feel

135

00:06:16,040 --> 00:06:13,440

you like were you know Costa Rica's a

136

00:06:19,190 --> 00:06:16,050

protectorate but you know we're kind of

137

00:06:21,020 --> 00:06:19,200

like those how you know it's difficult

138

00:06:23,870 --> 00:06:21,030

to it's very difficult to talk to like

139

00:06:26,180 --> 00:06:23,880

your your friends about this you know

140

00:06:29,530 --> 00:06:26,190

they're like not familiar with something

141

00:06:32,930 --> 00:06:29,540

yeah like you said and the other

142

00:06:34,940 --> 00:06:32,940

essences or beliefs you know that come

143

00:06:39,710 --> 00:06:34,950

across you know in this type of stuff

144

00:06:40,490 --> 00:06:39,720

and it is it's something that's not

145

00:06:45,020 --> 00:06:40,500

necessarily

146

00:06:49,580 --> 00:06:45,030

your cultural upbringing but the you are

147

00:06:51,890 --> 00:06:49,590

reticent of you're aware and you know

148

00:06:53,300 --> 00:06:51,900

that there are these other things that

149

00:06:54,980 --> 00:06:53,310

you've been taught that are a

150

00:06:56,990 --> 00:06:54,990

possibility so it just kind of opens

151
00:06:59,210 --> 00:06:57,000
your mind to something else I can only

152
00:07:00,680 --> 00:06:59,220
imagine you know like people from Africa

153
00:07:02,960 --> 00:07:00,690
with like voodoo and all kinds of cool

154
00:07:06,080 --> 00:07:02,970
stuff so I can relate a little bit to

155
00:07:09,290 --> 00:07:06,090
that but at the same time I think the

156
00:07:12,440 --> 00:07:09,300
more open-minded you are the more kind

157
00:07:15,260 --> 00:07:12,450
of even kill you can be in a state of

158
00:07:17,240 --> 00:07:15,270
chaos their conditioning what I call it

159
00:07:19,280 --> 00:07:17,250
you know if you're raised Christian or

160
00:07:22,610 --> 00:07:19,290
Catholic or whatever you know your

161
00:07:24,470 --> 00:07:22,620
beliefs are only going to be boxed in to

162
00:07:27,650 --> 00:07:24,480
what that is you know what I mean like

163
00:07:30,680 --> 00:07:27,660

you're not open to other ideas

164

00:07:32,810 --> 00:07:30,690

um and I know the way I feel about that

165

00:07:34,250 --> 00:07:32,820

is that if how do you know the whole

166

00:07:36,950 --> 00:07:34,260

thing if you don't know the whole thing

167

00:07:38,000 --> 00:07:36,960

you understand like how can you relate

168

00:07:39,650 --> 00:07:38,010

to everything when you only know a

169

00:07:41,600 --> 00:07:39,660

little bit of it you know what I mean

170

00:07:42,950 --> 00:07:41,610

like I'm using religion as an example

171

00:07:46,909 --> 00:07:42,960

but that can reach a lot of things in

172

00:07:49,520 --> 00:07:46,919

life because obviously you you've had

173

00:07:52,250 --> 00:07:49,530

all these things happen to you and I

174

00:07:54,920 --> 00:07:52,260

read your book I'm trying to find

175

00:07:59,200 --> 00:07:54,930

containers at the UFO the Utah your

176

00:08:05,360 --> 00:07:59,210

whole ranch that's it man that's it yeah

177

00:08:07,430 --> 00:08:05,370

yeah so the chapter one is Jones and

178

00:08:09,020 --> 00:08:07,440

another thing I liked about you too and

179

00:08:11,090 --> 00:08:09,030

I've been telling my fiancée I'm like

180

00:08:13,190 --> 00:08:11,100

man I gotta go I got to get out there to

181

00:08:14,330 --> 00:08:13,200

Utah you know I got I gotta go out there

182

00:08:16,640 --> 00:08:14,340

and see what this is about because you

183

00:08:18,710 --> 00:08:16,650

also do fly-fishing I'm into fishing as

184

00:08:20,540 --> 00:08:18,720

well so have you ever in Florida do to

185

00:08:22,730 --> 00:08:20,550

hit me up I got a boat we can go out and

186

00:08:23,930 --> 00:08:22,740

you know I fished for a bass law and

187

00:08:26,330 --> 00:08:23,940

I've done a little bit of fly-fishing

188

00:08:28,010 --> 00:08:26,340

but I'm not like too crazy about it you

189

00:08:30,440 --> 00:08:28,020

know I'm not that good at it that's the

190

00:08:32,529 --> 00:08:30,450

thing but I knew you were a god for a

191

00:08:35,480 --> 00:08:32,539

lot of years doing that you know

192

00:08:36,890 --> 00:08:35,490

fly-fishing is so similar to like all

193

00:08:38,750 --> 00:08:36,900

the stuff we're talking about it's like

194

00:08:40,850 --> 00:08:38,760

anything you put your mind to and I

195

00:08:43,250 --> 00:08:40,860

think it's just got a huge learning

196

00:08:44,870 --> 00:08:43,260

curve so yeah you'll pick it up so fast

197

00:08:48,200 --> 00:08:44,880

and if you have a boat in Florida where

198

00:08:51,260 --> 00:08:48,210

like instantly friends guaranteed yeah

199

00:08:53,840 --> 00:08:51,270

I'm in Central Florida so you know I do

200

00:08:54,420 --> 00:08:53,850

a lot of bass fishing and it's a

201
00:08:56,970 --> 00:08:54,430
learning curve

202
00:08:59,310 --> 00:08:56,980
but but I mean I'm gonna talk peacock

203
00:09:00,900 --> 00:08:59,320
bass and all type of stuff on it you

204
00:09:04,889 --> 00:09:00,910
know so it's super fun

205
00:09:07,380 --> 00:09:04,899
but anyways chapter one you named it

206
00:09:13,500 --> 00:09:07,390
drones can you talk a little bit about

207
00:09:18,240 --> 00:09:13,510
what drones are and and threading what

208
00:09:20,550 --> 00:09:18,250
all that is about yeah you know it took

209
00:09:22,730 --> 00:09:20,560
some time to we were really like and I

210
00:09:27,600 --> 00:09:22,740
say we it was like a there was a few

211
00:09:30,470 --> 00:09:27,610
researchers not a lot though and we had

212
00:09:33,329 --> 00:09:30,480
to name him you know like these these

213
00:09:36,090 --> 00:09:33,339

things these things that shouldn't exist

214

00:09:39,900 --> 00:09:36,100

that we're seeing filming watching and

215

00:09:41,820 --> 00:09:39,910

running from and we went with drones

216

00:09:43,530 --> 00:09:41,830

because we didn't know if they were

217

00:09:46,500 --> 00:09:43,540

military at the time and it really

218

00:09:48,420 --> 00:09:46,510

didn't matter because it was kind of you

219

00:09:49,860 --> 00:09:48,430

were under the impression at least I was

220

00:09:52,470 --> 00:09:49,870

under the impression I think other

221

00:09:54,360 --> 00:09:52,480

researchers were as well that this was

222

00:09:58,530 --> 00:09:54,370

some kind of technology similar to a

223

00:10:03,110 --> 00:09:58,540

drone like we have that is really just

224

00:10:05,390 --> 00:10:03,120

able to navigate the landscape look for

225

00:10:09,030 --> 00:10:05,400

anomalies or things that are different

226
00:10:11,760 --> 00:10:09,040
report them somewhere or show them to

227
00:10:13,710 --> 00:10:11,770
whoever is navigating them but it was

228
00:10:16,860 --> 00:10:13,720
something that almost shouldn't exist in

229
00:10:19,350 --> 00:10:16,870
a place that it just you know these

230
00:10:21,420 --> 00:10:19,360
things didn't look like they were I

231
00:10:23,940 --> 00:10:21,430
don't know they just didn't look like

232
00:10:26,699 --> 00:10:23,950
they were of this earth and I hate to

233
00:10:29,100 --> 00:10:26,709
say that because I'm not like a I'm not

234
00:10:31,230 --> 00:10:29,110
like a proponent of little green man and

235
00:10:31,650 --> 00:10:31,240
UFOs and if they are hey I'm cool with

236
00:10:35,340 --> 00:10:31,660
that

237
00:10:37,560 --> 00:10:35,350
but I'm not a proponent of it and to see

238
00:10:40,050 --> 00:10:37,570

something that you think in your mind

239

00:10:43,019 --> 00:10:40,060

shouldn't exist just like casually

240

00:10:47,220 --> 00:10:43,029

casually flying along landscape like

241

00:10:49,769 --> 00:10:47,230

it's done it as iliyen times is really

242

00:10:51,600 --> 00:10:49,779

kind of like you know soul shaking and

243

00:10:54,019 --> 00:10:51,610

you know it kind of like wakes you up in

244

00:10:56,370 --> 00:10:54,029

a deeper level yeah

245

00:10:59,190 --> 00:10:56,380

yeah we should have probably talked is

246

00:11:03,470 --> 00:10:59,200

that that's that's so skinwalker ranch

247

00:11:07,380 --> 00:11:03,480

is a certain part right of this huge

248

00:11:08,130 --> 00:11:07,390

it's always skin-walker territory the

249

00:11:09,540 --> 00:11:08,140

same thing

250

00:11:11,250 --> 00:11:09,550

necessarily a skinwalker ranch can you

251
00:11:13,680 --> 00:11:11,260
talk about that what skinwalker ranch is

252
00:11:17,550 --> 00:11:13,690
and then obviously the surrounding areas

253
00:11:20,340 --> 00:11:17,560
of it and seems to have this this energy

254
00:11:21,960 --> 00:11:20,350
and and you know whatever is going on I

255
00:11:24,530 --> 00:11:21,970
don't even know how to explain it

256
00:11:28,200 --> 00:11:24,540
because again how can you determine

257
00:11:30,330 --> 00:11:28,210
what's real versus what's what's not

258
00:11:31,800 --> 00:11:30,340
real at this point especially you know

259
00:11:33,150 --> 00:11:31,810
from your point of view because you've

260
00:11:34,770 --> 00:11:33,160
experienced all these things can you

261
00:11:36,300 --> 00:11:34,780
talk a little bit about what skinwalker

262
00:11:39,450 --> 00:11:36,310
ranch is and then obviously the

263
00:11:42,060 --> 00:11:39,460

surrounding territories of that that

264

00:11:43,920 --> 00:11:42,070

area yeah I think you know really what

265

00:11:46,410 --> 00:11:43,930

you're looking at is like a diamond and

266

00:11:50,460 --> 00:11:46,420

actually if you look on a map it's

267

00:11:55,710 --> 00:11:50,470

called the dinosaur diamond it is route

268

00:11:59,610 --> 00:11:55,720

191 which used to be route 666 and it's

269

00:12:02,760 --> 00:11:59,620

an area that yeah man it's crazy it's an

270

00:12:05,490 --> 00:12:02,770

area that encompasses about a 80 square

271

00:12:08,130 --> 00:12:05,500

miles of like high-intensity where it's

272

00:12:11,070 --> 00:12:08,140

like yeah it's not a matter of if but

273

00:12:14,250 --> 00:12:11,080

when you're gonna see it and it goes

274

00:12:18,180 --> 00:12:14,260

everywhere from the Colorado border and

275

00:12:20,640 --> 00:12:18,190

over it to a little town called Duchene

276

00:12:23,400 --> 00:12:20,650

really which is the gateway to the UN it

277

00:12:24,570 --> 00:12:23,410

Basin and that's I mean all these names

278

00:12:26,660 --> 00:12:24,580

just freak you out because it's like

279

00:12:30,420 --> 00:12:26,670

basically the whole you in a basin and

280

00:12:32,970 --> 00:12:30,430

the UN a basin is an anomaly in and of

281

00:12:36,300 --> 00:12:32,980

itself there's all these ranches and

282

00:12:38,190 --> 00:12:36,310

strange Ridge lines and there's other

283

00:12:40,080 --> 00:12:38,200

factors that are man-made factors

284

00:12:42,890 --> 00:12:40,090

there's factors geologically like

285

00:12:45,540 --> 00:12:42,900

there's gills tonight in the earth that

286

00:12:50,790 --> 00:12:45,550

exists nowhere else on the planet except

287

00:12:53,190 --> 00:12:50,800

this little area and it has a lot of

288

00:12:57,090 --> 00:12:53,200

other anomalies it's got one of the east

289

00:12:59,580 --> 00:12:57,100

to west large called the wynn 'as an

290

00:13:02,130 --> 00:12:59,590

east to west large mountain range not

291

00:13:04,470 --> 00:13:02,140

too many of those on this North American

292

00:13:09,330 --> 00:13:04,480

area so it's it's got other anomalies

293

00:13:14,070 --> 00:13:09,340

gilsu night the un a--'s the attraction

294

00:13:17,430 --> 00:13:14,080

of Spanish gold it has all kinds of

295

00:13:19,710 --> 00:13:17,440

history of anomalies being present and

296

00:13:21,960 --> 00:13:19,720

just basically owning the landscape in a

297

00:13:23,639 --> 00:13:21,970

place where but very few only

298

00:13:26,850 --> 00:13:23,649

the toughest people used to live there

299

00:13:28,590 --> 00:13:26,860

and even to this day it's a beautiful

300

00:13:30,720 --> 00:13:28,600

place it's raw and rugged and it's

301

00:13:35,100 --> 00:13:30,730

gorgeous but it's not like your usual

302

00:13:36,869 --> 00:13:35,110

place yeah that's the thing like when

303

00:13:39,600 --> 00:13:36,879

you describe it it does seem like this

304

00:13:41,519 --> 00:13:39,610

rugged place that it's like why would

305

00:13:44,819 --> 00:13:41,529

anybody want to live there

306

00:13:46,079 --> 00:13:44,829

you know because you know first of all

307

00:13:48,960 --> 00:13:46,089

you have all this stuff happening and

308

00:13:51,929 --> 00:13:48,970

then you have the terrain and the coal -

309

00:13:55,499 --> 00:13:51,939

right how cold does it get there oh dude

310

00:13:57,240 --> 00:13:55,509

it's negative 20 is not out of the

311

00:13:58,860 --> 00:13:57,250

question you know there's times when it

312

00:14:04,110 --> 00:13:58,870

gets negative 20 and then you add wind

313

00:14:06,990 --> 00:14:04,120

chill and it just gets ugly Wow and

314

00:14:08,610 --> 00:14:07,000

that's uh yeah that sounds again I'm in

315

00:14:10,350 --> 00:14:08,620

Florida so that sounds horrible I guess

316

00:14:11,999 --> 00:14:10,360

50 degrees here and everybody's pretty

317

00:14:15,150 --> 00:14:12,009

much dying and bundled up I can't

318

00:14:18,389 --> 00:14:15,160

imagine I could have 20 plus a windchill

319

00:14:22,069 --> 00:14:18,399

and then you talk about how when the

320

00:14:25,129 --> 00:14:22,079

weather is the worst is when the most

321

00:14:27,929 --> 00:14:25,139

activity happens

322

00:14:30,809 --> 00:14:27,939

yeah it's they call it inclement weather

323

00:14:32,790 --> 00:14:30,819

and it there's it's it's difficult in

324

00:14:34,559 --> 00:14:32,800

the winter to like know when that's

325

00:14:36,869 --> 00:14:34,569

happening but you still get them there's

326

00:14:39,509 --> 00:14:36,879

a ton of what they call ball lightning

327

00:14:44,720 --> 00:14:39,519

and this ball lightning is basically

328

00:14:47,220 --> 00:14:44,730

like man it is like this it's basically

329

00:14:49,679 --> 00:14:47,230

it's impossible just Google ball

330

00:14:52,139 --> 00:14:49,689

lightning YouTube ball lightning I

331

00:14:55,499 --> 00:14:52,149

highly recommend everybody just look up

332

00:14:57,720 --> 00:14:55,509

ball lightning because it's like

333

00:14:59,639 --> 00:14:57,730

lightning on a hole baller status like

334

00:15:02,309 --> 00:14:59,649

it's doing whatever it wants it's pure

335

00:15:05,549 --> 00:15:02,319

energy and it's just cruising around you

336

00:15:08,970 --> 00:15:05,559

get that all the time and when that yeah

337

00:15:11,160 --> 00:15:08,980

when that's happening o-m-g these

338

00:15:14,429 --> 00:15:11,170

electromagnetic frequencies the

339

00:15:17,460 --> 00:15:14,439

anomalies with it geography the history

340

00:15:21,059 --> 00:15:17,470

with Voodoo's yeah I almost said

341

00:15:22,860 --> 00:15:21,069

something yeah but voodoo from the Prince

342

00:15:25,439 --> 00:15:22,870

Hall Mason's buffalo soldiers who were

343

00:15:29,009 --> 00:15:25,449

looking over the Ute who happened to be

344

00:15:32,009 --> 00:15:29,019

well on the fort Dushane reservation and

345

00:15:34,650 --> 00:15:32,019

they were practicing native magic

346

00:15:37,019 --> 00:15:34,660

against the Buffalo Soldiers

347

00:15:39,660 --> 00:15:37,029

and you know when you look into the ute

348

00:15:41,550 --> 00:15:39,670

and you know their DNA and everything

349

00:15:44,670 --> 00:15:41,560

else you start getting into some really

350

00:15:47,990 --> 00:15:44,680

interesting stuff and that interesting

351
00:15:51,269 --> 00:15:48,000
stuff is that they share a common

352
00:15:54,869 --> 00:15:51,279
genetic anomaly and I mean we're talking

353
00:15:55,889 --> 00:15:54,879
this goes all down through Central and

354
00:15:59,429 --> 00:15:55,899
South America

355
00:16:02,670 --> 00:15:59,439
this goes to be honest all the way to

356
00:16:07,939 --> 00:16:02,680
like it's really wild if you follow

357
00:16:10,740 --> 00:16:07,949
23andme it is this genetic anomaly and

358
00:16:13,230 --> 00:16:10,750
they anyway there's some genetics

359
00:16:15,059 --> 00:16:13,240
involved it bottom line it ends up in

360
00:16:16,110 --> 00:16:15,069
like the hills of Galilee is crazy I

361
00:16:18,740 --> 00:16:16,120
could tell you the whole story it would

362
00:16:23,090 --> 00:16:18,750
take probably a whole other podcast but

363
00:16:27,360 --> 00:16:23,100

there are anomalies in the genetic

364

00:16:30,420 --> 00:16:27,370

system that these tribes have and I say

365

00:16:34,439 --> 00:16:30,430

the Navajo are no different if you do

366

00:16:36,210 --> 00:16:34,449

your research on other native tribes the

367

00:16:38,100 --> 00:16:36,220

Hopi and you go further and further back

368

00:16:42,389 --> 00:16:38,110

you can talking about the same people as

369

00:16:44,460 --> 00:16:42,399

Tex Mayans goes on and on and they share

370

00:16:47,009 --> 00:16:44,470

this commonality with the hills of

371

00:16:49,050 --> 00:16:47,019

galilee which is like in the area of the

372

00:16:51,540 --> 00:16:49,060

Nazarene which is it gets really weird

373

00:16:52,980 --> 00:16:51,550

and I didn't do this research this is

374

00:16:55,019 --> 00:16:52,990

done by people with a lot more money

375

00:16:59,370 --> 00:16:55,029

than me a lot more time than me

376

00:17:02,129 --> 00:16:59,380

and what they've found out is that there

377

00:17:05,370 --> 00:17:02,139

is like this little key to unlocking

378

00:17:09,000 --> 00:17:05,380

this and I don't know what that is yet

379

00:17:10,380 --> 00:17:09,010

but it's interesting so you're saying

380

00:17:15,779 --> 00:17:10,390

that they have something in their DNA

381

00:17:19,169 --> 00:17:15,789

that lets them see these things manifest

382

00:17:20,939 --> 00:17:19,179

these things keep key alive a little bit

383

00:17:24,270 --> 00:17:20,949

more on that cuz you got me hooked now

384

00:17:25,679 --> 00:17:24,280

man right it would be like it would be

385

00:17:27,569 --> 00:17:25,689

like okay you get your car from the

386

00:17:30,270 --> 00:17:27,579

dealer and it's just got like a regular

387

00:17:32,310 --> 00:17:30,280

antenna and then you know those people

388

00:17:33,270 --> 00:17:32,320

you see with like super long antennas on

389

00:17:36,000 --> 00:17:33,280

their car and they can like hear

390

00:17:42,120 --> 00:17:36,010

everything yeah it's basically that but

391

00:17:45,090 --> 00:17:42,130

like on a DNA train so do you think that

392

00:17:47,070 --> 00:17:45,100

because I'm a big and again there's so

393

00:17:48,390 --> 00:17:47,080

there's so many things going on in this

394

00:17:51,210 --> 00:17:48,400

area

395

00:17:54,810 --> 00:17:51,220

you have the actual skinwalker then you

396

00:17:56,640 --> 00:17:54,820

have these bulletproof what werewolves

397

00:17:59,820 --> 00:17:56,650

then you have the portals and you have

398

00:18:04,680 --> 00:17:59,830

these orbs you have all this crazy stuff

399

00:18:07,920 --> 00:18:04,690

it's like I'm a big fan of you know

400

00:18:10,140 --> 00:18:07,930

ancient civilizations ancient technology

401
00:18:12,540 --> 00:18:10,150
all that stuff the Anunnaki whatever you

402
00:18:17,040 --> 00:18:12,550
want to call them fallen angels do you

403
00:18:19,770 --> 00:18:17,050
think that these people back then maybe

404
00:18:21,810 --> 00:18:19,780
you know you have they had knowledge

405
00:18:25,200 --> 00:18:21,820
that there's no possible way like the

406
00:18:27,540 --> 00:18:25,210
Dogon tribe in Africa you know the with

407
00:18:28,950 --> 00:18:27,550
the Sirius B Stark our system but they

408
00:18:31,140 --> 00:18:28,960
knew these things and then when they

409
00:18:33,270 --> 00:18:31,150
asked him about it it's like who told

410
00:18:35,430 --> 00:18:33,280
you this and they're like all the Nomos

411
00:18:37,560 --> 00:18:35,440
it's like who the hell the normals oh

412
00:18:40,050 --> 00:18:37,570
these people that came from the sky and

413
00:18:41,670 --> 00:18:40,060

like some craft or something and they

414

00:18:43,800 --> 00:18:41,680

hung out with us and they were like

415

00:18:45,690 --> 00:18:43,810

listen there's this this and this and

416

00:18:47,970 --> 00:18:45,700

it's like where did they come from from

417

00:18:50,100 --> 00:18:47,980

up there and they knew about like that

418

00:18:52,290 --> 00:18:50,110

star system and that wasn't discovered

419

00:18:54,990 --> 00:18:52,300

so fifty years after they had discovered

420

00:18:57,990 --> 00:18:55,000

that tribe in Africa and it's like do

421

00:18:59,310 --> 00:18:58,000

you think that these people you know

422

00:19:02,760 --> 00:18:59,320

it's the same thing like they have like

423

00:19:05,910 --> 00:19:02,770

this higher consciousness is that like

424

00:19:09,750 --> 00:19:05,920

is that what that means like it's just

425

00:19:11,760 --> 00:19:09,760

so crazy you know man I think you're

426

00:19:14,820 --> 00:19:11,770

right I think you're absolutely right to

427

00:19:19,050 --> 00:19:14,830

be honest with you on it is it's exactly

428

00:19:21,390 --> 00:19:19,060

that it is you know that ability or and

429

00:19:23,520 --> 00:19:21,400

you know this is seen like you said

430

00:19:24,990 --> 00:19:23,530

you're into like this ain't the ancient

431

00:19:27,170 --> 00:19:25,000

I'm thrilled that you're into that

432

00:19:30,810 --> 00:19:27,180

because I'm willing the same thing and

433

00:19:34,530 --> 00:19:30,820

it is amazing how culture after culture

434

00:19:36,540 --> 00:19:34,540

depicts the same typical same entity the

435

00:19:39,290 --> 00:19:36,550

same people the same thing it's crazy

436

00:19:42,210 --> 00:19:39,300

dude it's crazy mind-blowing

437

00:19:45,180 --> 00:19:42,220

mind-blowing and again and you asked

438

00:19:50,190 --> 00:19:45,190

them who told you and they'll tell you

439

00:19:53,370 --> 00:19:50,200

you know these people these winged God

440

00:19:56,640 --> 00:19:53,380

these whatever they are and again it

441

00:19:58,710 --> 00:19:56,650

goes Mesoamerica ancient Mesopotamia and

442

00:20:01,570 --> 00:19:58,720

it's like then you go in and it's like

443

00:20:03,340 --> 00:20:01,580

well are they really aliens but

444

00:20:06,210 --> 00:20:03,350

you have stuff that's going on that you

445

00:20:10,300 --> 00:20:06,220

see you know there's like another

446

00:20:13,990 --> 00:20:10,310

interdimensional other realm factor to

447

00:20:16,300 --> 00:20:14,000

this that's like maybe those people like

448

00:20:19,480 --> 00:20:16,310

the Mayans where the hell did they go

449

00:20:21,490 --> 00:20:19,490

you know that they you know in a way

450

00:20:25,930 --> 00:20:21,500

find something as a people that they

451
00:20:27,460 --> 00:20:25,940
could leave this realm you know what I

452
00:20:29,290 --> 00:20:27,470
mean like now you've opened up my mind

453
00:20:32,050 --> 00:20:29,300
so like the possibility of that because

454
00:20:34,800 --> 00:20:32,060
I had no idea about this this genetic

455
00:20:37,870 --> 00:20:34,810
thing that's that blows my mind dude

456
00:20:40,540 --> 00:20:37,880
yeah man it's really interesting because

457
00:20:42,010 --> 00:20:40,550
it is like the Mayans and it is like

458
00:20:45,430 --> 00:20:42,020
it's like a lot of what you're

459
00:20:47,740 --> 00:20:45,440
mentioning sadly humanity throughout its

460
00:20:49,960 --> 00:20:47,750
course has whenever they see something

461
00:20:54,690 --> 00:20:49,970
they can't understand or explain it's

462
00:21:00,160 --> 00:20:54,700
either one God like or to the enemy and

463
00:21:02,770 --> 00:21:00,170

they engage and if they if they win well

464

00:21:06,550 --> 00:21:02,780

then it's the enemy they won and if they

465

00:21:08,260 --> 00:21:06,560

don't win then they realize holy hell we

466

00:21:13,870 --> 00:21:08,270

are out of our element it must be

467

00:21:15,730 --> 00:21:13,880

godlike and sadly this godlike you know

468

00:21:17,890 --> 00:21:15,740

it like you said it's every culture

469

00:21:22,740 --> 00:21:17,900

talks about the star people those from

470

00:21:25,720 --> 00:21:22,750

the skies the star you know brothers the

471

00:21:27,340 --> 00:21:25,730

my favorite is just Celestials because

472

00:21:29,560 --> 00:21:27,350

it's just something that can fly that

473

00:21:31,720 --> 00:21:29,570

shouldn't and I like that because it

474

00:21:34,510 --> 00:21:31,730

just shows they have a power that you

475

00:21:37,000 --> 00:21:34,520

know these people didn't and you see it

476

00:21:39,580 --> 00:21:37,010

in the Bible you see it in every tribe

477

00:21:41,860 --> 00:21:39,590

every tribe there's not a tribe you can

478

00:21:43,930 --> 00:21:41,870

come across even the cargo cults who

479

00:21:45,310 --> 00:21:43,940

think are planes which I love I just

480

00:21:47,430 --> 00:21:45,320

think that's amazing it's like don't

481

00:21:51,340 --> 00:21:47,440

touch those people they're perfect and

482

00:21:54,070 --> 00:21:51,350

you know they could be the only race

483

00:21:55,540 --> 00:21:54,080

that survives something like this wuhan

484

00:21:57,970 --> 00:21:55,550

virus or something like that so it's

485

00:21:59,920 --> 00:21:57,980

very important that we keep things in

486

00:22:02,020 --> 00:21:59,930

their place and not try to like mess up

487

00:22:04,450 --> 00:22:02,030

the ecosystem but yeah man there's

488

00:22:06,280 --> 00:22:04,460

there's some heavy stuff and the

489

00:22:07,950 --> 00:22:06,290

pyramids a lot bigger than we think it

490

00:22:10,540 --> 00:22:07,960

is

491

00:22:12,160 --> 00:22:10,550

yeah dude I've had I don't know if you

492

00:22:14,050 --> 00:22:12,170

know Brien Foerster on I've had him on

493

00:22:14,630 --> 00:22:14,060

the show as well and we talk about

494

00:22:18,950 --> 00:22:14,640

ancient

495

00:22:21,410 --> 00:22:18,960

you know I've had other people as well

496

00:22:23,390 --> 00:22:21,420

because I love Egypt Egypt is so amazing

497

00:22:25,490 --> 00:22:23,400

to me and it's like when you said people

498

00:22:26,570 --> 00:22:25,500

don't question this you know and it's

499

00:22:28,280 --> 00:22:26,580

like dude

500

00:22:30,440 --> 00:22:28,290

these people are onto something these

501
00:22:32,840 --> 00:22:30,450
people were onto something we don't know

502
00:22:34,850 --> 00:22:32,850
what it is and like you said and then

503
00:22:36,710 --> 00:22:34,860
you're in Chapter I think after five

504
00:22:37,940 --> 00:22:36,720
shapeshifters of their book you talk

505
00:22:40,580 --> 00:22:37,950
about you know the conditioning of

506
00:22:42,530 --> 00:22:40,590
society to think a certain way and it's

507
00:22:45,680 --> 00:22:42,540
right because Terence that kind of has a

508
00:22:50,000 --> 00:22:45,690
you know quote a you know a level of

509
00:22:52,190 --> 00:22:50,010
sanity there's a level anyways

510
00:22:54,110 --> 00:22:52,200
paraphrase in order to be seen in

511
00:22:55,910 --> 00:22:54,120
society there's a level of alienation

512
00:22:58,520 --> 00:22:55,920
because you alienate yourself with these

513
00:23:02,930 --> 00:22:58,530

with these different ideas like rock

514

00:23:06,200 --> 00:23:02,940

rhymes talking about seeing this big

515

00:23:08,600 --> 00:23:06,210

robot like things that he went out with

516

00:23:10,700 --> 00:23:08,610

a dog to see and it's like Rhines crazy

517

00:23:12,950 --> 00:23:10,710

you know what I mean but it's like like

518

00:23:14,660 --> 00:23:12,960

you said there's there it goes deeper it

519

00:23:16,280 --> 00:23:14,670

goes deeper than that you know and and

520

00:23:19,460 --> 00:23:16,290

people don't realize that and that's why

521

00:23:23,720 --> 00:23:19,470

that's why I don't mess with the occult

522

00:23:27,800 --> 00:23:23,730

I believe in it and you know I've even

523

00:23:30,110 --> 00:23:27,810

to do a real-life example I I was going

524

00:23:32,480 --> 00:23:30,120

to have this guy on who was like super

525

00:23:34,760 --> 00:23:32,490

into esoterica but he was he was

526
00:23:36,740 --> 00:23:34,770
dabbling in that stuff and and you know

527
00:23:38,000 --> 00:23:36,750
magic and all that stuff and he was

528
00:23:40,580 --> 00:23:38,010
telling me about how they're they're

529
00:23:43,340 --> 00:23:40,590
watching him and how they're interfering

530
00:23:46,280 --> 00:23:43,350
with his life and I was like he's locals

531
00:23:48,110 --> 00:23:46,290
like maybe I'm not gonna have him over

532
00:23:50,120 --> 00:23:48,120
to my house I will just do episode

533
00:23:53,330 --> 00:23:50,130
remotely because whatever like how you

534
00:23:55,280 --> 00:23:53,340
talk about how these things linger after

535
00:23:56,990 --> 00:23:55,290
you go there that's I've been talking to

536
00:23:58,400 --> 00:23:57,000
my fiance about like planning a trip out

537
00:23:59,690 --> 00:23:58,410
there I'm like all he's got a better

538
00:24:01,490 --> 00:23:59,700

breakfast I want to go there I want to

539

00:24:04,220 --> 00:24:01,500

go fish I want to go see this stuff like

540

00:24:06,920 --> 00:24:04,230

firsthand because I like to keep my mind

541

00:24:09,590 --> 00:24:06,930

open to the possibility of anything you

542

00:24:11,630 --> 00:24:09,600

know I'm not just set on one thing I

543

00:24:13,100 --> 00:24:11,640

believe you know like how our strata

544

00:24:15,140 --> 00:24:13,110

said it's the mark of an educated man

545

00:24:16,610 --> 00:24:15,150

too and you know entertain thoughts

546

00:24:18,410 --> 00:24:16,620

pretty much without accepting them you

547

00:24:21,560 --> 00:24:18,420

know just does your tell me other stuff

548

00:24:24,470 --> 00:24:21,570

like it's wild dude it's wild but then

549

00:24:26,540 --> 00:24:24,480

at the same time it could all be you

550

00:24:28,320 --> 00:24:26,550

know it's it's it's real you know it's

551
00:24:30,760 --> 00:24:28,330
here

552
00:24:33,070 --> 00:24:30,770
and obviously you've experienced it

553
00:24:35,940 --> 00:24:33,080
yourself like I said I haven't had a

554
00:24:39,010 --> 00:24:35,950
paranormal experience but that I know

555
00:24:42,040 --> 00:24:39,020
but you know you do feel that energy

556
00:24:43,450 --> 00:24:42,050
sometimes when you go places and and you

557
00:24:45,130 --> 00:24:43,460
know while frequencies like you know

558
00:24:48,040 --> 00:24:45,140
Nikola Tesla was onto something as well

559
00:24:49,440 --> 00:24:48,050
because who knows that this place are

560
00:24:52,000 --> 00:24:49,450
you talking about they have certain

561
00:24:53,890 --> 00:24:52,010
rocks that you only find there in the

562
00:24:55,870 --> 00:24:53,900
you know and nowhere else in the world

563
00:24:57,160 --> 00:24:55,880

and you only find them there it's just

564

00:24:58,720 --> 00:24:57,170

like the ley lines you know the

565

00:25:00,430 --> 00:24:58,730

Egyptians there's a reason why they

566

00:25:02,590 --> 00:25:00,440

built the pyramids where they built them

567

00:25:03,910 --> 00:25:02,600

because of the way that you know the way

568

00:25:06,970 --> 00:25:03,920

it's set up and they're not only not but

569

00:25:09,370 --> 00:25:06,980

the precision of the the footprint of

570

00:25:11,970 --> 00:25:09,380

the other apparently just 13 acres you

571

00:25:16,090 --> 00:25:11,980

you know about land 13 acres is

572

00:25:19,060 --> 00:25:16,100

ginormous it and then not only that the

573

00:25:20,200 --> 00:25:19,070

precision and the craftsmanship of how

574

00:25:22,420 --> 00:25:20,210

they did it and then they want to come

575

00:25:28,210 --> 00:25:22,430

and tell you in school that they were

576

00:25:30,630 --> 00:25:28,220

tombs what tombs really they've never

577

00:25:33,190 --> 00:25:30,640

found a body inside one of these

578

00:25:36,700 --> 00:25:33,200

pyramids they're all buried a thousand

579

00:25:38,980 --> 00:25:36,710

miles down felt Valley of the Kings come

580

00:25:42,430 --> 00:25:38,990

on you know it's like like you said if

581

00:25:44,590 --> 00:25:42,440

they don't understand it it's either you

582

00:25:46,930 --> 00:25:44,600

know an act of God whatever or it's evil

583

00:25:48,610 --> 00:25:46,940

you know it's one or the other but then

584

00:25:51,430 --> 00:25:48,620

you know you have the things that are

585

00:25:53,710 --> 00:25:51,440

happening to you but I'm just I'm just

586

00:25:57,460 --> 00:25:53,720

ranting right now but it's it gets me

587

00:25:59,140 --> 00:25:57,470

high subdued what what do you what do

588

00:26:02,080 --> 00:25:59,150

you think is happening out there do you

589

00:26:04,690 --> 00:26:02,090

think I know you're uh you're you admire

590

00:26:10,630 --> 00:26:04,700

Bigelow but the ownership has changed

591

00:26:12,640 --> 00:26:10,640

right yeah yes and no yes and no and the

592

00:26:16,930 --> 00:26:12,650

reason I say that is yes ownership has

593

00:26:19,690 --> 00:26:16,940

changed and Bigelow I mean is my hero by

594

00:26:21,250 --> 00:26:19,700

beyond-a-reasonable-doubt Bigelow is you

595

00:26:23,020 --> 00:26:21,260

know I'm that guy that would be sporting

596

00:26:26,560 --> 00:26:23,030

the like what would Bob do bumper

597

00:26:29,790 --> 00:26:26,570

sticker on the back of his car and he's

598

00:26:32,110 --> 00:26:29,800

my hero he's a visionary but he's also

599

00:26:34,380 --> 00:26:32,120

getting closer and closer to the end of

600

00:26:37,210 --> 00:26:34,390

his life like we all are each day and

601
00:26:39,670 --> 00:26:37,220
you know he's exemplary in everything

602
00:26:41,570 --> 00:26:39,680
that he's done it's it's fascinating the

603
00:26:47,600 --> 00:26:41,580
new ownership in my opinion

604
00:26:50,330 --> 00:26:47,610
is similar they are very exemplary they

605
00:26:54,499 --> 00:26:50,340
I mean it's very noble for anyone in my

606
00:26:58,039 --> 00:26:54,509
opinion to take on something that is way

607
00:27:00,460 --> 00:26:58,049
more than a burden than they should with

608
00:27:02,629 --> 00:27:00,470
the belief that it may help humanity and

609
00:27:05,359 --> 00:27:02,639
I think that's what we're dealing with

610
00:27:12,560 --> 00:27:05,369
because these really big questions this

611
00:27:16,580 --> 00:27:12,570
is this is a big thing do you how much

612
00:27:19,220 --> 00:27:16,590
of it cuz it just blows my mind you know

613
00:27:22,009 --> 00:27:19,230

you look up to Bigelow I love you long

614

00:27:25,430 --> 00:27:22,019

months but then you know I don't trust

615

00:27:28,430 --> 00:27:25,440

the media I don't listen to anything

616

00:27:30,499 --> 00:27:28,440

they say anymore because it's just so

617

00:27:32,749 --> 00:27:30,509

toxic and a lot of it you know how some

618

00:27:36,259 --> 00:27:32,759

cells fake news and nowadays you don't

619

00:27:41,389 --> 00:27:36,269

even know what's real what's not how

620

00:27:43,190 --> 00:27:41,399

much of it you think is what it is you

621

00:27:45,259 --> 00:27:43,200

know as far as the actual that's going

622

00:27:47,720 --> 00:27:45,269

on and skinwalker ranch and then how

623

00:27:49,310 --> 00:27:47,730

much do you think it's related to the

624

00:27:51,499 --> 00:27:49,320

military because they say the military

625

00:27:53,989 --> 00:27:51,509

is what 30 40 years more advanced than

626

00:27:55,879 --> 00:27:53,999

us but then you have you know I feel

627

00:27:59,960 --> 00:27:55,889

like there's this there's going to be

628

00:28:01,909 --> 00:27:59,970

this post disclosure world where you

629

00:28:03,499 --> 00:28:01,919

know they're like prepping us helping us

630

00:28:07,039 --> 00:28:03,509

for something you know and I don't know

631

00:28:09,409 --> 00:28:07,049

if you're into like Greek mythology and

632

00:28:12,529 --> 00:28:09,419

all this stuff and I've done episodes

633

00:28:13,729 --> 00:28:12,539

where everything revolves around and I

634

00:28:16,340 --> 00:28:13,739

came up with this theory that everything

635

00:28:19,399 --> 00:28:16,350

revolves around you know Chronos Saturn

636

00:28:20,570 --> 00:28:19,409

you know people talk about how he is

637

00:28:22,310 --> 00:28:20,580

that you know he's controlling

638

00:28:24,649 --> 00:28:22,320

everything when I did an episode the

639

00:28:26,570 --> 00:28:24,659

kind of Saturn time cube simulation

640

00:28:28,999 --> 00:28:26,580

where the guy talks about how he relates

641

00:28:30,369 --> 00:28:29,009

that to House Tavern is controlling

642

00:28:32,479 --> 00:28:30,379

everything and when the simulation

643

00:28:34,639 --> 00:28:32,489

controlled by the planet Saturn Kronus

644

00:28:36,919 --> 00:28:34,649

healer god of of time and all this stuff

645

00:28:39,019 --> 00:28:36,929

and I've also done episodes of other

646

00:28:41,899 --> 00:28:39,029

people we break down and it all relates

647

00:28:43,940 --> 00:28:41,909

you know everything the Anunnaki you

648

00:28:45,470 --> 00:28:43,950

know the Book of Enoch the Fallen Angels

649

00:28:47,090 --> 00:28:45,480

the Watchers all this stuff in it you

650

00:28:49,669 --> 00:28:47,100

know interrelate and it goes back to the

651

00:28:52,789 --> 00:28:49,679

same thing and it's like why are we

652

00:28:54,499 --> 00:28:52,799

starting a space force you know we have

653

00:28:55,340 --> 00:28:54,509

enough followers here on earth that we

654

00:28:57,110 --> 00:28:55,350

got to take care of

655

00:28:59,900 --> 00:28:57,120

are we trying to spare space for us to

656

00:29:01,970 --> 00:28:59,910

go to Saturn you know do we want to you

657

00:29:05,060 --> 00:29:01,980

know I told that so many on the pockets

658

00:29:07,190 --> 00:29:05,070

and they were like oh my god dude I even

659

00:29:09,500 --> 00:29:07,200

think about that you know so how much do

660

00:29:12,370 --> 00:29:09,510

you think of it as what it is and then

661

00:29:14,990 --> 00:29:12,380

how much you think of it is military

662

00:29:16,640 --> 00:29:15,000

intervention you know uh intervening in

663

00:29:18,710 --> 00:29:16,650

what I was happening out there because

664

00:29:20,779 --> 00:29:18,720

there's obviously an interest out there

665

00:29:23,690 --> 00:29:20,789

from what I've read from your books and

666

00:29:27,049 --> 00:29:23,700

what you said I couldn't I couldn't

667

00:29:30,919 --> 00:29:27,059

agree more on it is it there is fear in

668

00:29:34,070 --> 00:29:30,929

the military we wouldn't have a space

669

00:29:35,870 --> 00:29:34,080

force unless we needed one and we

670

00:29:37,340 --> 00:29:35,880

wouldn't need a space for us unless we

671

00:29:41,390 --> 00:29:37,350

knew more than we were telling our

672

00:29:44,600 --> 00:29:41,400

peasants which is you and I and the

673

00:29:47,299 --> 00:29:44,610

elite and when I say elite everybody's

674

00:29:50,110 --> 00:29:47,309

like oh dude dude you know what the guy

675

00:29:53,390 --> 00:29:50,120

down the block with the freakin rolls

676

00:29:55,070 --> 00:29:53,400

right right they picture exactly they

677

00:29:56,930 --> 00:29:55,080

they're not they're not getting it it's

678

00:30:01,100 --> 00:29:56,940

like no no not at all

679

00:30:03,649 --> 00:30:01,110

in its but yes there's I think that you

680

00:30:05,870 --> 00:30:03,659

kind of nailed it quanis it is basically

681

00:30:07,940 --> 00:30:05,880

they can't hide it anymore

682

00:30:09,680 --> 00:30:07,950

there was a faction of the government

683

00:30:12,440 --> 00:30:09,690

that I think would have liked to have

684

00:30:13,669 --> 00:30:12,450

hidden it under a false pretense but I

685

00:30:16,279 --> 00:30:13,679

don't know that for a fact

686

00:30:17,960 --> 00:30:16,289

not that anything we get is a full

687

00:30:19,970 --> 00:30:17,970

pretense because you got to realize that

688

00:30:21,980 --> 00:30:19,980

we're not dealing with people you can't

689

00:30:23,810 --> 00:30:21,990

say like you can't you just can't guess

690

00:30:25,310 --> 00:30:23,820

and say the average American

691

00:30:29,840 --> 00:30:25,320

quote-unquote and I hate to use that

692

00:30:32,810 --> 00:30:29,850

word but the average United States

693

00:30:34,700 --> 00:30:32,820

citizen is like me if if you think that

694

00:30:36,770 --> 00:30:34,710

to yourself you're like way out of the

695

00:30:39,950 --> 00:30:36,780

box because the truth is you don't know

696

00:30:41,450 --> 00:30:39,960

they do and they're horribly fearful

697

00:30:43,430 --> 00:30:41,460

because there's such a wide gamut of

698

00:30:46,850 --> 00:30:43,440

individuals personalities character

699

00:30:48,710 --> 00:30:46,860

traits cultural beliefs religious

700

00:30:52,070 --> 00:30:48,720

beliefs all this stuff you can't tell

701
00:30:54,230 --> 00:30:52,080
the people everything and I that sounds

702
00:30:57,470 --> 00:30:54,240
pretty a damn elitist on my part and I'm

703
00:30:59,720 --> 00:30:57,480
not an elite but you can't because

704
00:31:02,450 --> 00:30:59,730
complete anarchy will take place and

705
00:31:04,700 --> 00:31:02,460
people people would I mean God

706
00:31:09,080 --> 00:31:04,710
just imagine what people would do if God

707
00:31:11,510 --> 00:31:09,090
was proven just that just that dude

708
00:31:13,940 --> 00:31:11,520
I was actually I was talking to somebody

709
00:31:18,410 --> 00:31:13,950
about that the other day I was like what

710
00:31:20,710 --> 00:31:18,420
is what is I was watching the movie

711
00:31:26,570 --> 00:31:20,720
prometheus have you seen that movie

712
00:31:28,550 --> 00:31:26,580
great memory yeah you saw saw Prometheus

713
00:31:29,990 --> 00:31:28,560

obviously you know they went and and you

714

00:31:31,700 --> 00:31:30,000

know the engine years whatever they were

715

00:31:34,610 --> 00:31:31,710

calling them and it's like I was

716

00:31:37,880 --> 00:31:34,620

watching it I'm like dude what if that

717

00:31:40,790 --> 00:31:37,890

was what if that was real because like

718

00:31:43,550 --> 00:31:40,800

you said and then this is what I talk

719

00:31:44,810 --> 00:31:43,560

about on my show I I come up with you

720

00:31:48,590 --> 00:31:44,820

know I have different people on

721

00:31:51,890 --> 00:31:48,600

different theories because obviously the

722

00:31:54,020 --> 00:31:51,900

Bible is I feel it's a manual in life

723

00:31:56,270 --> 00:31:54,030

you know to be able to live a better

724

00:31:58,100 --> 00:31:56,280

life you know some people need direction

725

00:32:00,410 --> 00:31:58,110

in their life and if they can follow

726

00:32:02,870 --> 00:32:00,420

that and it betters them as a person

727

00:32:04,670 --> 00:32:02,880

more power to them you know that's they

728

00:32:05,870 --> 00:32:04,680

don't think I believe that there is a

729

00:32:08,600 --> 00:32:05,880

higher powers raised Christian

730

00:32:10,160 --> 00:32:08,610

Pentecostal so you know that is and I

731

00:32:11,570 --> 00:32:10,170

believe in a higher power you know I

732

00:32:14,240 --> 00:32:11,580

believe somebody's up there pulling the

733

00:32:16,550 --> 00:32:14,250

strings what is it or who is it I don't

734

00:32:19,870 --> 00:32:16,560

know because like you said there's just

735

00:32:21,650 --> 00:32:19,880

so much diversity and so much

736

00:32:24,050 --> 00:32:21,660

segregation between all these different

737

00:32:26,240 --> 00:32:24,060

people but at the end of the day at the

738

00:32:28,130 --> 00:32:26,250

end of the day we go back to ancient

739

00:32:30,170 --> 00:32:28,140

civilizations when you look at all these

740

00:32:32,360 --> 00:32:30,180

different civilizations all these

741

00:32:34,940 --> 00:32:32,370

different stories of creation all these

742

00:32:37,100 --> 00:32:34,950

different entities it's all the same

743

00:32:38,960 --> 00:32:37,110

thing dude just has different names why

744

00:32:41,480 --> 00:32:38,970

because it's gone out through all of

745

00:32:44,540 --> 00:32:41,490

history so many different cultures so

746

00:32:46,730 --> 00:32:44,550

many different people and it's just it's

747

00:32:48,110 --> 00:32:46,740

just changed names you know that's the

748

00:32:51,170 --> 00:32:48,120

only thing that's changed it's the same

749

00:32:54,440 --> 00:32:51,180

story you know the Epic of Gilgamesh

750

00:32:56,870 --> 00:32:54,450

you know Archer hey sis you know Noah's

751

00:33:00,830 --> 00:32:56,880

Ark same thing you know what I mean and

752

00:33:04,220 --> 00:33:00,840

then my my my thing is who comes up with

753

00:33:06,560 --> 00:33:04,230

what's canonical was non canonical like

754

00:33:08,600 --> 00:33:06,570

you said the elitist who decides who the

755

00:33:11,900 --> 00:33:08,610

elitist are and who is not

756

00:33:14,030 --> 00:33:11,910

who's royalty and who is not and my goal

757

00:33:15,860 --> 00:33:14,040

and my go back you know I say reptilians

758

00:33:17,330 --> 00:33:15,870

but I might go back to the how you were

759

00:33:18,980 --> 00:33:17,340

talking about this genetic makeup of

760

00:33:21,200 --> 00:33:18,990

these people it might go back to that

761

00:33:22,220 --> 00:33:21,210

you know in might it might be this elite

762

00:33:24,350 --> 00:33:22,230

bloodline of P

763

00:33:27,500 --> 00:33:24,360

people that have ruled since the

764

00:33:31,490 --> 00:33:27,510

beginning of time and and it just that's

765

00:33:35,870 --> 00:33:31,500

the way it is and yeah dude I don't know

766

00:33:39,799 --> 00:33:35,880

man you got me fired up bro I love it

767

00:33:43,460 --> 00:33:39,809

it's the truth it is the truth it's the

768

00:33:46,549 --> 00:33:43,470

bloodline thing is a it's a beautiful

769

00:33:48,380 --> 00:33:46,559

tree of life type of explanation from a

770

00:33:51,260 --> 00:33:48,390

DNA back to where we were talking about

771

00:33:54,980 --> 00:33:51,270

like the 23andme thing of why things

772

00:33:58,130 --> 00:33:54,990

happen the way they do and if you talk

773

00:34:00,500 --> 00:33:58,140

to a individual who doesn't believe in

774

00:34:02,210 --> 00:34:00,510

any of this they're going to they start

775

00:34:04,789 --> 00:34:02,220

running into brick walls because it's

776

00:34:06,169 --> 00:34:04,799

math and the math just keeps adding up

777

00:34:10,930 --> 00:34:06,179

he keeps throwing the paint at the wall

778

00:34:14,869 --> 00:34:10,940

it keeps landing the same exact way and

779

00:34:16,760 --> 00:34:14,879

this is either well there's a lot of

780

00:34:19,820 --> 00:34:16,770

things I mean like you said Egypt was on

781

00:34:22,550 --> 00:34:19,830

to something they were on to it not only

782

00:34:25,070 --> 00:34:22,560

did they have you know people with dog

783

00:34:27,139 --> 00:34:25,080

heads and people you know the typical

784

00:34:29,540 --> 00:34:27,149

dog man or people with the head of a

785

00:34:30,980 --> 00:34:29,550

bird the typical blue avian I don't you

786

00:34:33,290 --> 00:34:30,990

want to go down those tress oh my that's

787

00:34:35,780 --> 00:34:33,300

way oh my god and I you make me think of

788

00:34:38,480 --> 00:34:35,790

skinwalker do you dude it is it's

789

00:34:39,859 --> 00:34:38,490

something you have been little lanky all

790

00:34:41,510 --> 00:34:39,869

these guys you know with like you said

791

00:34:43,099 --> 00:34:41,520

that depictions that make sense dude and

792

00:34:44,780 --> 00:34:43,109

like the battle between heaven and earth

793

00:34:48,169 --> 00:34:44,790

absolutely you have the blue avians

794

00:34:51,379 --> 00:34:48,179

above you have the Animus or the more

795

00:34:53,810 --> 00:34:51,389

elemental faction below yet they're

796

00:34:58,099 --> 00:34:53,820

brothers you know whatever it's you know

797

00:34:59,930 --> 00:34:58,109

it's and you know it's very young and

798

00:35:01,790 --> 00:34:59,940

yang but getting back to what you were

799

00:35:03,440 --> 00:35:01,800

saying this you know how is this

800

00:35:04,880 --> 00:35:03,450

happening how is the paint landing on

801
00:35:07,580 --> 00:35:04,890
the wall the same time every time is

802
00:35:09,320 --> 00:35:07,590
this actually an elite bloodline where

803
00:35:10,640 --> 00:35:09,330
oh my gosh you know this person's DNA I

804
00:35:12,430 --> 00:35:10,650
lived on is that what they're talking

805
00:35:14,870 --> 00:35:12,440
about when they're talking about

806
00:35:16,460 --> 00:35:14,880
immortal life is that you actually live

807
00:35:17,720 --> 00:35:16,470
on through your DNA and that's all that

808
00:35:20,690 --> 00:35:17,730
really matters your download

809
00:35:22,430 --> 00:35:20,700
quote-unquote into this matrix or is

810
00:35:24,470 --> 00:35:22,440
this deeper than that

811
00:35:26,990 --> 00:35:24,480
and the matrix is actually failing which

812
00:35:31,010 --> 00:35:27,000
in a way I love that argument but I

813
00:35:32,720 --> 00:35:31,020

don't it's it's very deep and again you

814

00:35:34,430 --> 00:35:32,730

have the same thing why would there be a

815

00:35:35,070 --> 00:35:34,440

matrix why would there be a net cast

816

00:35:37,680 --> 00:35:35,080

upon

817

00:35:40,200 --> 00:35:37,690

you know the minority quote-unquote from

818

00:35:42,570 --> 00:35:40,210

the elite hiding the truth which we know

819

00:35:45,660 --> 00:35:42,580

is happening that happens man that

820

00:35:47,040 --> 00:35:45,670

happens you know everywhere let's face

821

00:35:48,540 --> 00:35:47,050

it you go down to the bodega you go down

822

00:35:49,800 --> 00:35:48,550

to the corner store you know there's

823

00:35:51,450 --> 00:35:49,810

you're gonna run into five different

824

00:35:52,710 --> 00:35:51,460

kinds of people one of them is

825

00:35:54,000 --> 00:35:52,720

definitely lying to the next whether

826

00:35:55,440 --> 00:35:54,010

it's a guy mowing the other guy's lawn

827

00:35:57,840 --> 00:35:55,450

or the guy cleaning the other guy's pool

828

00:35:59,820 --> 00:35:57,850

or they you know a little bit just a

829

00:36:01,710 --> 00:35:59,830

little bit and that's what it takes that

830

00:36:03,270 --> 00:36:01,720

little bit adds to a lot of it and

831

00:36:04,740 --> 00:36:03,280

pretty soon you have layers in a pyramid

832

00:36:07,800 --> 00:36:04,750

you have somebody at the top that's like

833

00:36:11,070 --> 00:36:07,810

holy crap this is easy and that closer

834

00:36:12,690 --> 00:36:11,080

to the top you get unfortunately we

835

00:36:15,270 --> 00:36:12,700

don't know what we're dealing with we do

836

00:36:20,850 --> 00:36:15,280

not know who they are or what they are

837

00:36:24,990 --> 00:36:20,860

or what they could be and that's the

838

00:36:27,810 --> 00:36:25,000

scary part Ryan did you know I touched

839

00:36:30,990 --> 00:36:27,820

on what you're saying about you know

840

00:36:32,730 --> 00:36:31,000

what this is you know you have the

841

00:36:34,920 --> 00:36:32,740

caustic records you have to eat there

842

00:36:36,960 --> 00:36:34,930

you have remember that the I can only

843

00:36:41,160 --> 00:36:36,970

see point zero zero two files are like

844

00:36:45,000 --> 00:36:41,170

spectrum we can only hear a sliver of

845

00:36:47,150 --> 00:36:45,010

the frequencies of the range you know of

846

00:36:50,010 --> 00:36:47,160

frequencies and it's like is there

847

00:36:52,350 --> 00:36:50,020

another dimension right now is there

848

00:36:54,150 --> 00:36:52,360

another universe you know the multiverse

849

00:36:56,760 --> 00:36:54,160

theory string theory you have all these

850

00:37:00,090 --> 00:36:56,770

different theories of of things that you

851
00:37:02,430 --> 00:37:00,100
can't see on this plane and energy does

852
00:37:05,400 --> 00:37:02,440
not go away it's only transformed you

853
00:37:07,320 --> 00:37:05,410
know what I mean so obviously you've had

854
00:37:11,450 --> 00:37:07,330
experiences with the paranormal and I

855
00:37:14,430 --> 00:37:11,460
know you go ghost hunting or whatever

856
00:37:16,260 --> 00:37:14,440
you know how do you feel about that that

857
00:37:17,610 --> 00:37:16,270
this is you know another dimension

858
00:37:20,310 --> 00:37:17,620
because obviously we could talk about

859
00:37:26,100 --> 00:37:20,320
the portals that you see on schedule

860
00:37:27,770 --> 00:37:26,110
Walker on skinwalker territory where do

861
00:37:29,700 --> 00:37:27,780
you stay on that with the

862
00:37:31,380 --> 00:37:29,710
interdimensional aspect of this you know

863
00:37:33,990 --> 00:37:31,390

seeing these portals open up and

864

00:37:36,270 --> 00:37:34,000

something walking out of it or whatever

865

00:37:38,100 --> 00:37:36,280

in the skinwalkers you know mid-shift or

866

00:37:40,350 --> 00:37:38,110

something like that you know what's that

867

00:37:42,360 --> 00:37:40,360

about how do you feel about that you

868

00:37:44,040 --> 00:37:42,370

know other dimensions other realms that

869

00:37:48,510 --> 00:37:44,050

we can't see that are going on around us

870

00:37:51,870 --> 00:37:50,730

you know I think the ghost I'm glad you

871

00:37:53,010 --> 00:37:51,880

brought that up the ghost hunting

872

00:37:54,870 --> 00:37:53,020

because that was kind of my first

873

00:37:57,390 --> 00:37:54,880

introduction to all this as like hey

874

00:37:59,970 --> 00:37:57,400

I've seen some stuff and if this stuff

875

00:38:03,630 --> 00:37:59,980

is weird enough then I may perceive it

876

00:38:06,060 --> 00:38:03,640

as an actual entity and that got that

877

00:38:08,250 --> 00:38:06,070

was like my first anyway that got out

878

00:38:10,080 --> 00:38:08,260

quick I quickly saw some stuff I

879

00:38:12,420 --> 00:38:10,090

couldn't explain some residual things

880

00:38:14,220 --> 00:38:12,430

most likely moved on to the next you

881

00:38:15,870 --> 00:38:14,230

know went into the Bigfoot territory saw

882

00:38:17,670 --> 00:38:15,880

some of that goodness and I was like

883

00:38:20,520 --> 00:38:17,680

okay sweet that's he like kind of the

884

00:38:24,180 --> 00:38:20,530

elemental aspect of possibly a larger

885

00:38:24,630 --> 00:38:24,190

puzzle and maybe something that isn't

886

00:38:26,820 --> 00:38:24,640

there

887

00:38:28,950 --> 00:38:26,830

the problem is other researchers saw

888

00:38:31,650 --> 00:38:28,960

with me we had to sign an NDA it was I

889

00:38:34,520 --> 00:38:31,660

can't go into it and you know we were

890

00:38:37,440 --> 00:38:34,530

separated and asked what happened Oh

891

00:38:40,860 --> 00:38:37,450

fast-forward okay so we saw that crazy

892

00:38:42,650 --> 00:38:40,870

crazy double crazy and then we go on to

893

00:38:45,060 --> 00:38:42,660

the next thing with is the portals and

894

00:38:47,400 --> 00:38:45,070

there are these portals in the U n a

895

00:38:50,220 --> 00:38:47,410

basin which are very difficult to

896

00:38:52,770 --> 00:38:50,230

explain and they're very location Airy

897

00:38:54,390 --> 00:38:52,780

constant and what I mean by that is they

898

00:38:57,390 --> 00:38:54,400

have like favorite spots they have

899

00:39:00,480 --> 00:38:57,400

within a football fields length they

900

00:39:02,010 --> 00:39:00,490

have a favorite spot and they can move

901
00:39:03,570 --> 00:39:02,020
around that spot and do whatever they

902
00:39:06,900 --> 00:39:03,580
want then go to other spots if they need

903
00:39:10,160 --> 00:39:06,910
to but what are they and why do we call

904
00:39:13,890 --> 00:39:10,170
them they it that the weird thing man is

905
00:39:15,270 --> 00:39:13,900
you know when I first had my experience

906
00:39:16,920 --> 00:39:15,280
with a ghost I'm like okay I could

907
00:39:19,320 --> 00:39:16,930
explain that maybe that's like a

908
00:39:21,390 --> 00:39:19,330
research fellow in there telling I want

909
00:39:24,210 --> 00:39:21,400
to talk to you about that yeah man a

910
00:39:26,370 --> 00:39:24,220
ghost is easily explainable I love what

911
00:39:27,990 --> 00:39:26,380
zak bagans is doing from a you know

912
00:39:30,270 --> 00:39:28,000
entertainment standpoint because I get

913
00:39:32,460 --> 00:39:30,280

it it's absolutely entertain a bowl that

914

00:39:35,400 --> 00:39:32,470

there is a residual energy left from a

915

00:39:38,040 --> 00:39:35,410

life-form who took the form of you or I

916

00:39:39,360 --> 00:39:38,050

I get it it makes sense and somebody

917

00:39:42,570 --> 00:39:39,370

else is able to see that under certain

918

00:39:45,660 --> 00:39:42,580

circumstances or there is a causal

919

00:39:47,430 --> 00:39:45,670

effect like you know there however when

920

00:39:50,100 --> 00:39:47,440

it starts moving into things like the

921

00:39:52,890 --> 00:39:50,110

toe I mean we're talking and for those

922

00:39:54,720 --> 00:39:52,900

who don't know about the toe man you

923

00:39:57,750 --> 00:39:54,730

start reading the book yeah read the

924

00:40:01,020 --> 00:39:57,760

book the Utah are you a ranch the toe

925

00:40:02,210 --> 00:40:01,030

sucks because it's you know a lot of

926
00:40:10,720 --> 00:40:02,220
kids have these

927
00:40:13,670 --> 00:40:10,730
of these boogeymen these el cuoco type

928
00:40:16,130 --> 00:40:13,680
bad you know it's it's what parents use

929
00:40:18,470 --> 00:40:16,140
to keep kids in line you know are they

930
00:40:22,490 --> 00:40:18,480
co-creating it I don't know but it's

931
00:40:26,210 --> 00:40:22,500
there and you know I was a kid I was

932
00:40:28,700 --> 00:40:26,220
about 11 years old and I had I was

933
00:40:30,770 --> 00:40:28,710
sleeping over at an aunt's house it

934
00:40:33,680 --> 00:40:30,780
ended up there's more to the room and

935
00:40:35,000 --> 00:40:33,690
I'll go into that in a minute I was

936
00:40:36,530 --> 00:40:35,010
hanging out with my cousin who was older

937
00:40:38,300 --> 00:40:36,540
than me we had a great time I remember

938
00:40:39,830 --> 00:40:38,310

what movie we watched American ninja

939

00:40:43,820 --> 00:40:39,840

horrible maybe I thought it was awesome

940

00:40:45,950 --> 00:40:43,830

at 11 and I was staying up later than I

941

00:40:47,900 --> 00:40:45,960

should having a great time drinking you

942

00:40:50,150 --> 00:40:47,910

know soda doing all kinds of stuff at my

943

00:40:52,760 --> 00:40:50,160

aunt's house which is great I go to

944

00:40:53,030 --> 00:40:52,770

sleep in this particular room and close

945

00:40:57,320 --> 00:40:53,040

the door

946

00:41:00,490 --> 00:40:57,330

lock it and something as I start to go

947

00:41:03,340 --> 00:41:00,500

to sleep and that Lou stood yet fading

948

00:41:07,460 --> 00:41:03,350

to that you know darkness of sleep

949

00:41:09,470 --> 00:41:07,470

something grabs my left toe and I can

950

00:41:13,040 --> 00:41:09,480

tell that there's like some really eerie

951
00:41:19,550 --> 00:41:13,050
creature like nails on this thing like

952
00:41:21,650 --> 00:41:19,560
it's not quite human okay and and and it

953
00:41:24,350 --> 00:41:21,660
latches on and it pulls and it pulls so

954
00:41:26,360 --> 00:41:24,360
hard that I hear it pop I move down the

955
00:41:28,760 --> 00:41:26,370
bed about a foot and a half you know my

956
00:41:30,710 --> 00:41:28,770
legs hanging on me it's just scary like

957
00:41:33,410 --> 00:41:30,720
I'm moving this thing has moved me by

958
00:41:35,990 --> 00:41:33,420
just grabbing my toe I jump up I hit the

959
00:41:37,490 --> 00:41:36,000
light I'm looking under the bed

960
00:41:39,320 --> 00:41:37,500
first I'm like it's gotta be my cousin

961
00:41:41,630 --> 00:41:39,330
he's twice my age he could do that you

962
00:41:43,100 --> 00:41:41,640
know what else could do that and he's

963
00:41:46,460 --> 00:41:43,110

not there doors locked

964

00:41:50,780 --> 00:41:46,470

there's nobody in the room and I'm like

965

00:41:53,360 --> 00:41:50,790

oh oh dude it was kind of a anyway I

966

00:41:55,970 --> 00:41:53,370

turn off the light I go back to bed and

967

00:41:58,280 --> 00:41:55,980

it happens again this time more forceful

968

00:42:00,710 --> 00:41:58,290

definitely damage done to the toe on

969

00:42:03,320 --> 00:42:00,720

some level the toe story goes on and on

970

00:42:08,540 --> 00:42:03,330

throughout my life with this particular

971

00:42:11,330 --> 00:42:08,550

tow this toe is a mess but it pulled me

972

00:42:14,420 --> 00:42:11,340

again and this time it was like that's

973

00:42:17,930 --> 00:42:14,430

it egos gone my ego was

974

00:42:19,609 --> 00:42:17,940

ripped from my soul and I immediately

975

00:42:21,500 --> 00:42:19,619

went to the thing I could latch on

976

00:42:24,230 --> 00:42:21,510

closest to my parents weren't there they

977

00:42:27,020 --> 00:42:24,240

were in the US I was in Costa Rica I'm

978

00:42:30,970 --> 00:42:27,030

at a dance house and I immediately go to

979

00:42:33,579 --> 00:42:30,980

God and I pray and I'm like what do I do

980

00:42:36,470 --> 00:42:33,589

turn turn the light on

981

00:42:36,859 --> 00:42:36,480

it's so clear so simple just turn the

982

00:42:44,690 --> 00:42:36,869

light on

983

00:42:50,559 --> 00:42:44,700

that was kind of my moment my little

984

00:42:55,640 --> 00:42:53,180

yeah and then obviously you both but

985

00:42:57,620 --> 00:42:55,650

earlier on and then you had the lady who

986

00:43:00,950 --> 00:42:57,630

healed it with the light I put in

987

00:43:03,140 --> 00:43:00,960

parentheses maxillary WTF and you had

988

00:43:04,730 --> 00:43:03,150

the shady doctor prescribing you things

989

00:43:08,690 --> 00:43:04,740

that you didn't even know he was giving

990

00:43:10,430 --> 00:43:08,700

you the weird text messages you know the

991

00:43:12,740 --> 00:43:10,440

list goes on and on dude you got some

992

00:43:15,349 --> 00:43:12,750

you got some stuff happen you know

993

00:43:16,930 --> 00:43:15,359

you've had some stuff happen and to

994

00:43:20,480 --> 00:43:16,940

touch on what you said about these

995

00:43:24,380 --> 00:43:20,490

legends and these stories are people

996

00:43:26,750 --> 00:43:24,390

tell their kids to you know to keep him

997

00:43:28,309 --> 00:43:26,760

in check keep him a line just like it

998

00:43:30,020 --> 00:43:28,319

goes back to these ancient stories

999

00:43:31,339 --> 00:43:30,030

there's always some truth to it there's

1000

00:43:32,990 --> 00:43:31,349

always there's always that a little bit

1001
00:43:35,089 --> 00:43:33,000
but then like you said I believe in the

1002
00:43:38,660 --> 00:43:35,099
law of attraction how much of it is on

1003
00:43:40,670 --> 00:43:38,670
that manifestation you know and I feel

1004
00:43:42,410 --> 00:43:40,680
that kids sometimes see things that we

1005
00:43:44,870 --> 00:43:42,420
don't you know what I mean like did I

1006
00:43:47,270 --> 00:43:44,880
say kids can see angels or you can see

1007
00:43:50,329 --> 00:43:47,280
things I'm like even my son sometimes oh

1008
00:43:51,740 --> 00:43:50,339
he's about to be to tomorrow I think or

1009
00:43:54,950 --> 00:43:51,750
one day yeah

1010
00:43:57,260 --> 00:43:54,960
he well sometimes like look and say hi

1011
00:43:59,960 --> 00:43:57,270
you know and I look and I'm like what

1012
00:44:01,579 --> 00:43:59,970
the what the hell he tells you waving it

1013
00:44:04,819 --> 00:44:01,589

you know you just brush it off but it's

1014

00:44:06,260 --> 00:44:04,829

like you do that and a quick story I

1015

00:44:09,109 --> 00:44:06,270

went camping there speaking for the

1016

00:44:10,549 --> 00:44:09,119

first time in like 12 or 13 years and I

1017

00:44:12,920 --> 00:44:10,559

was reading your book while I was in the

1018

00:44:14,839 --> 00:44:12,930

tent right and I'm in Florida you know

1019

00:44:17,839 --> 00:44:14,849

anything anything is possible Florida

1020

00:44:21,980 --> 00:44:17,849

and Here I am reading your book it's

1021

00:44:23,809 --> 00:44:21,990

super dark out you know and I start I

1022

00:44:25,309 --> 00:44:23,819

don't know again because the mind is a

1023

00:44:26,690 --> 00:44:25,319

powerful thing I don't know how much of

1024

00:44:28,190 --> 00:44:26,700

it that's why I asked you how much how

1025

00:44:30,170 --> 00:44:28,200

much of it do you think is

1026
00:44:32,630 --> 00:44:30,180
what it is and then obviously government

1027
00:44:34,579 --> 00:44:32,640
intervention or military whatever it is

1028
00:44:36,640 --> 00:44:34,589
because when I was reading this and

1029
00:44:38,690 --> 00:44:36,650
obviously you talk about Bigfoot's

1030
00:44:41,180 --> 00:44:38,700
werewolves all this stuff I kept hearing

1031
00:44:44,839 --> 00:44:41,190
outside my tent like footsteps you know

1032
00:44:45,829 --> 00:44:44,849
like the ground crunching and then I

1033
00:44:49,670 --> 00:44:45,839
would get up and I was looking around

1034
00:44:51,500 --> 00:44:49,680
and then I go back to reading again and

1035
00:44:53,329 --> 00:44:51,510
I'll hear it again and I'm like oh maybe

1036
00:44:55,460 --> 00:44:53,339
it's a deer but it's freaking pitch

1037
00:44:57,470 --> 00:44:55,470
black I can't see anything I said only

1038
00:45:00,380 --> 00:44:57,480

be two deer an animal but it kept

1039

00:45:02,660 --> 00:45:00,390

happening I'm like what the hell is in

1040

00:45:05,540 --> 00:45:02,670

my mind playing tricks on me you know

1041

00:45:07,849 --> 00:45:05,550

and then I heard like obviously I had

1042

00:45:10,220 --> 00:45:07,859

never heard an owl my life before until

1043

00:45:11,630 --> 00:45:10,230

then I was hearing an that I was hearing

1044

00:45:14,210 --> 00:45:11,640

all kinds of calls and everything and

1045

00:45:17,329 --> 00:45:14,220

then just for the hell of it I googled

1046

00:45:19,160 --> 00:45:17,339

is there monkeys in Florida and dude

1047

00:45:20,390 --> 00:45:19,170

there's monkeys in Central Florida not

1048

00:45:24,500 --> 00:45:20,400

too far away from me bro

1049

00:45:27,650 --> 00:45:24,510

and it's like like how this place is so

1050

00:45:29,900 --> 00:45:27,660

vast you know acres thousands of acres

1051
00:45:33,440 --> 00:45:29,910
thousands hundreds of acres of land that

1052
00:45:34,880 --> 00:45:33,450
are unexplored just like the Amazon you

1053
00:45:36,859 --> 00:45:34,890
know there's thousands of acres that are

1054
00:45:38,839 --> 00:45:36,869
unexplored like the swamp down here is

1055
00:45:41,420 --> 00:45:38,849
thousands of acres I want me to pour

1056
00:45:42,800 --> 00:45:41,430
stuff you know we have anacondas we have

1057
00:45:45,050 --> 00:45:42,810
pythons we have all these invasive

1058
00:45:47,359 --> 00:45:45,060
species who knows that we have these

1059
00:45:49,490 --> 00:45:47,369
interdimensional Bigfoot's you know are

1060
00:45:50,630 --> 00:45:49,500
they descendants of the Nephilim is that

1061
00:45:52,040 --> 00:45:50,640
why they're interdimensional because

1062
00:45:53,990 --> 00:45:52,050
they have some divinity within them you

1063
00:45:57,500 --> 00:45:54,000

know what I mean that text oh that's

1064

00:46:02,270 --> 00:45:57,510

deep dude I'm with you I am with you

1065

00:46:04,430 --> 00:46:02,280

there is in those expenses you have to

1066

00:46:06,170 --> 00:46:04,440

look at and I'm glad you brought up the

1067

00:46:08,780 --> 00:46:06,180

occult now you don't practice it because

1068

00:46:10,700 --> 00:46:08,790

you know everybody gets into this stuff

1069

00:46:12,710 --> 00:46:10,710

about the occult what is it what is it

1070

00:46:15,140 --> 00:46:12,720

what is it what is the occult the occult

1071

00:46:17,960 --> 00:46:15,150

all the occult is is what you don't do

1072

00:46:19,819 --> 00:46:17,970

in front of other people and when you

1073

00:46:22,130 --> 00:46:19,829

start talking about areas that are this

1074

00:46:24,559 --> 00:46:22,140

large like you just said there's not a

1075

00:46:31,160 --> 00:46:24,569

lot of other people there and it's very

1076

00:46:35,270 --> 00:46:31,170

occult and from a earth-style Geographic

1077

00:46:37,309 --> 00:46:35,280

type consensus everybody could agree you

1078

00:46:39,829 --> 00:46:37,319

know why would you go in there and

1079

00:46:41,390 --> 00:46:39,839

that's the word why I also have a young

1080

00:46:41,930 --> 00:46:41,400

kid and I've seen what you're talking

1081

00:46:45,349 --> 00:46:41,940

about when they

1082

00:46:48,440 --> 00:46:45,359

even that stuff that's not there and but

1083

00:46:50,059 --> 00:46:48,450

you know you're like mm-hmm and I would

1084

00:46:51,800 --> 00:46:50,069

totally lie to my kid and say hey there

1085

00:46:53,569 --> 00:46:51,810

could be something out there that you

1086

00:46:55,940 --> 00:46:53,579

don't there's monsters out there I know

1087

00:46:58,640 --> 00:46:55,950

there are I mean I'm not lying and that

1088

00:47:00,950 --> 00:46:58,650

brings up why do people say this to

1089

00:47:03,319 --> 00:47:00,960

their children like you asked I think it

1090

00:47:05,960 --> 00:47:03,329

is because they do know on a deeper

1091

00:47:08,000 --> 00:47:05,970

level there are monsters out there

1092

00:47:09,980 --> 00:47:08,010

whether they're human or whether they're

1093

00:47:11,839 --> 00:47:09,990

not gonna be killed it you know there

1094

00:47:13,579 --> 00:47:11,849

are monsters out there and the last

1095

00:47:17,660 --> 00:47:13,589

thing they want their loved one I mean

1096

00:47:19,910 --> 00:47:17,670

you know to be having a little kid the

1097

00:47:21,650 --> 00:47:19,920

last thing you want is for them to fall

1098

00:47:23,120 --> 00:47:21,660

in the wrong hands and we know there's

1099

00:47:26,839 --> 00:47:23,130

monsters out there even if they're human

1100

00:47:30,349 --> 00:47:26,849

which I consider the worst and the

1101
00:47:33,349 --> 00:47:30,359
bottom line is well maybe not the worst

1102
00:47:35,450 --> 00:47:33,359
but the bottom line is you know we know

1103
00:47:37,760 --> 00:47:35,460
what we know better we know better we

1104
00:47:40,190 --> 00:47:37,770
know better we have this intrinsic

1105
00:47:42,710 --> 00:47:40,200
development as we grow up that we're

1106
00:47:45,440 --> 00:47:42,720
taught about boogeyman staying out of

1107
00:47:46,730 --> 00:47:45,450
places that are dark not going into the

1108
00:47:50,240 --> 00:47:46,740
woods by ourselves

1109
00:47:53,650 --> 00:47:50,250
all of these tales that culturally have

1110
00:47:57,589 --> 00:47:53,660
gone on for generations prehistory

1111
00:48:01,760 --> 00:47:57,599
prehistory why did we why did we want

1112
00:48:04,160 --> 00:48:01,770
fire so we could keep that out and that

1113
00:48:06,170 --> 00:48:04,170

brings a you know that brings up the

1114

00:48:09,470 --> 00:48:06,180

whole Prometheus thing where did we get

1115

00:48:12,020 --> 00:48:09,480

fire and you know Prometheus gets a bad

1116

00:48:13,910 --> 00:48:12,030

rap in my opinion and what's wrong with

1117

00:48:15,859 --> 00:48:13,920

knowledge and Fire well the problem is

1118

00:48:19,700 --> 00:48:15,869

you can burn yourself and that's with

1119

00:48:22,970 --> 00:48:19,710

both of them and it is one of those

1120

00:48:25,160 --> 00:48:22,980

things where you know I I think that

1121

00:48:27,859 --> 00:48:25,170

everything happens for a reason and when

1122

00:48:30,260 --> 00:48:27,869

it comes to the Nephilim that is again

1123

00:48:34,849 --> 00:48:30,270

you know those who got burned those who

1124

00:48:36,620 --> 00:48:34,859

obviously are not quite right and you

1125

00:48:38,059 --> 00:48:36,630

know brother doesn't kill brother or

1126
00:48:40,490 --> 00:48:38,069
does he

1127
00:48:43,579 --> 00:48:40,500
it's it's one of those really scary

1128
00:48:46,780 --> 00:48:43,589
things it's it's it's strange how

1129
00:48:50,150 --> 00:48:46,790
humanity has all these small

1130
00:48:53,569 --> 00:48:50,160
developments and stories and things that

1131
00:48:55,130 --> 00:48:53,579
even pre writing you know we were aware

1132
00:48:57,440 --> 00:48:55,140
we don't want to be where it's dark

1133
00:48:59,480 --> 00:48:57,450
not be able to see well why is that it

1134
00:49:06,200 --> 00:48:59,490
is like being in a deprivation chamber

1135
00:49:12,350 --> 00:49:06,210
and it is a reality that we can't handle

1136
00:49:16,490 --> 00:49:12,360
I actually do sensory deprivation dude

1137
00:49:18,710 --> 00:49:16,500
and are you talking about the dark it

1138
00:49:19,550 --> 00:49:18,720

does play tricks on you you know if you

1139

00:49:22,910 --> 00:49:19,560

go in there

1140

00:49:27,560 --> 00:49:22,920

your thoughts are amplified times a

1141

00:49:29,780 --> 00:49:27,570

thousand and you know if you're at a

1142

00:49:32,780 --> 00:49:29,790

dark place in your life or whatever it

1143

00:49:36,890 --> 00:49:32,790

can manifest itself be normal for a

1144

00:49:38,630 --> 00:49:36,900

believer in that but yeah dude Miguel's

1145

00:49:41,120 --> 00:49:38,640

like how we said at the beginning it

1146

00:49:43,280 --> 00:49:41,130

goes deeper than than just what we can

1147

00:49:44,960 --> 00:49:43,290

see and other people don't understand

1148

00:49:48,350 --> 00:49:44,970

that you know it's like oh well this

1149

00:49:50,180 --> 00:49:48,360

guy's crazy you know this guy you know

1150

00:49:51,440 --> 00:49:50,190

you know I'm from Puerto Rico's they

1151
00:49:52,850 --> 00:49:51,450
have the chupacabra over there you know

1152
00:49:54,500 --> 00:49:52,860
what I mean like I remember when that

1153
00:49:57,170 --> 00:49:54,510
first started happening and I started

1154
00:49:59,330 --> 00:49:57,180
you know about that and I was I was I

1155
00:50:00,590 --> 00:49:59,340
was a kid you know it's freaked out you

1156
00:50:02,210 --> 00:50:00,600
know they're talking about I was

1157
00:50:04,580 --> 00:50:02,220
reaching inside of people's houses and

1158
00:50:06,470 --> 00:50:04,590
having our arms and scratching them up

1159
00:50:07,940 --> 00:50:06,480
and it's like I grew up with that you

1160
00:50:09,950 --> 00:50:07,950
know and like you said I don't like

1161
00:50:12,530 --> 00:50:09,960
going out I love nature because again

1162
00:50:14,810 --> 00:50:12,540
I'm a big fishing guy and you know I'll

1163
00:50:16,190 --> 00:50:14,820

go out but you know there's times where

1164

00:50:17,960 --> 00:50:16,200

I've gone out fishing by myself and I'm

1165

00:50:19,730 --> 00:50:17,970

out in the wilderness you know on this

1166

00:50:22,250 --> 00:50:19,740

swamp pretty much that's before it is

1167

00:50:24,590 --> 00:50:22,260

and I get that eerie feeling dude like

1168

00:50:26,510 --> 00:50:24,600

somebody somebody's watching me do you

1169

00:50:28,490 --> 00:50:26,520

know what I mean like it's like what's

1170

00:50:32,500 --> 00:50:28,500

out there because again it's just this

1171

00:50:37,970 --> 00:50:32,510

vast land you know that this this this

1172

00:50:39,920 --> 00:50:37,980

desolate place and who knows what's out

1173

00:50:42,200 --> 00:50:39,930

there who knows about that man

1174

00:50:43,610 --> 00:50:42,210

you know I get freaked out sometimes you

1175

00:50:47,710 --> 00:50:43,620

know I'll be trolling up to this spot

1176

00:50:52,810 --> 00:50:47,720

and and I'll back out dude cuz I'm like

1177

00:50:59,030 --> 00:50:57,050

it's crazy and it's not it's those

1178

00:51:01,130 --> 00:50:59,040

feelings what brings on those feelings

1179

00:51:05,160 --> 00:51:01,140

we have obviously we have some you know

1180

00:51:10,289 --> 00:51:05,170

in sensory deprivation we have the

1181

00:51:11,520 --> 00:51:10,299

you know basically the issue is were

1182

00:51:14,490 --> 00:51:11,530

there by ourselves

1183

00:51:18,690 --> 00:51:14,500

and that's why people live in cities

1184

00:51:22,319 --> 00:51:18,700

that's why you know people need light

1185

00:51:24,510 --> 00:51:22,329

that's why people need things like you

1186

00:51:26,970 --> 00:51:24,520

know just that reassurance you're not

1187

00:51:29,220 --> 00:51:26,980

here alone now why is that why do people

1188

00:51:34,890 --> 00:51:29,230

need that because maybe the biggest fear

1189

00:51:37,339 --> 00:51:34,900

is that we are here alone and that

1190

00:51:42,089 --> 00:51:37,349

brings all kinds of matrix issues up and

1191

00:51:43,589 --> 00:51:42,099

the funny thing about that is I always

1192

00:51:46,589 --> 00:51:43,599

tend to live on the outskirts of the

1193

00:51:51,180 --> 00:51:46,599

city like as far as possibly close to

1194

00:51:53,670 --> 00:51:51,190

the danger as possible because I like it

1195

00:51:55,049 --> 00:51:53,680

I don't know why I watch out and you

1196

00:51:57,270 --> 00:51:55,059

know this you go out on your boat you

1197

00:51:59,160 --> 00:51:57,280

know there's a peace also the guns

1198

00:52:02,010 --> 00:51:59,170

there's a peace that comes with that you

1199

00:52:03,960 --> 00:52:02,020

get out in nature itself and you go out

1200

00:52:06,480 --> 00:52:03,970

in the day and that fear is just like

1201
00:52:08,130 --> 00:52:06,490
the the all sudden your relevance there

1202
00:52:11,099 --> 00:52:08,140
you realize that there's more going on

1203
00:52:13,470 --> 00:52:11,109
than just you and it's not because

1204
00:52:15,299 --> 00:52:13,480
there's other people there it's because

1205
00:52:16,920 --> 00:52:15,309
there's just more going on than just you

1206
00:52:20,190 --> 00:52:16,930
and that's that's what brings people

1207
00:52:22,200 --> 00:52:20,200
into like these things to like wanting

1208
00:52:23,609 --> 00:52:22,210
to know more than the average human

1209
00:52:28,470 --> 00:52:23,619
wants to know and I think that's awesome

1210
00:52:30,180 --> 00:52:28,480
it's very noble yeah but that's the

1211
00:52:32,130 --> 00:52:30,190
thing when you push too hard that's when

1212
00:52:34,260 --> 00:52:32,140
you when you can you know what what can

1213
00:52:36,299 --> 00:52:34,270

you get you know you have experiences

1214

00:52:38,880 --> 00:52:36,309

that you can't explain or if you look

1215

00:52:41,190 --> 00:52:38,890

too deep in the wrong areas so you said

1216

00:52:45,150 --> 00:52:41,200

Neil Colt that's when it can get

1217

00:52:47,789 --> 00:52:45,160

complicated and you know I'm an amateur

1218

00:52:49,770 --> 00:52:47,799

astronomer I have a telescope and I love

1219

00:52:52,380 --> 00:52:49,780

stargazing and I love all that you know

1220

00:52:54,329 --> 00:52:52,390

that's where is why I love I love nature

1221

00:52:56,490 --> 00:52:54,339

you know when I went camping I cook and

1222

00:52:58,799 --> 00:52:56,500

showered with like a freaking spider

1223

00:53:00,809 --> 00:52:58,809

right next to me and I was like I could

1224

00:53:01,380 --> 00:53:00,819

either kill the spider because it's

1225

00:53:03,599 --> 00:53:01,390

right there

1226
00:53:05,880 --> 00:53:03,609
big spider or I could just let it be why

1227
00:53:07,589 --> 00:53:05,890
because I'm in it I'm in its realm you

1228
00:53:12,109 --> 00:53:07,599
know I mean like I'm in nature why would

1229
00:53:15,500 --> 00:53:12,119
I kill it if I'm in its home you know

1230
00:53:18,510 --> 00:53:15,510
but like you said the energy around and

1231
00:53:19,140 --> 00:53:18,520
you know you have 5g rolling out what

1232
00:53:22,680 --> 00:53:19,150
that's do

1233
00:53:24,450 --> 00:53:22,690
people they're talking about now how the

1234
00:53:26,400 --> 00:53:24,460
corona viruses and even the virus it's

1235
00:53:27,749 --> 00:53:26,410
just how they were implementing 5g over

1236
00:53:30,480 --> 00:53:27,759
there you know Wuhan was the first place

1237
00:53:32,370 --> 00:53:30,490
they implemented 5g in and it's killing

1238
00:53:34,680 --> 00:53:32,380

people over there I have a buddy of mine

1239

00:53:37,440 --> 00:53:34,690

who works up on cell towers installing

1240

00:53:38,489 --> 00:53:37,450

5g and he's turned it on he's like dude

1241

00:53:40,200 --> 00:53:38,499

I got sick one time you know people

1242

00:53:41,940 --> 00:53:40,210

getting burned and it's like they're

1243

00:53:45,480 --> 00:53:41,950

you're pumping this puppet to the air

1244

00:53:47,370 --> 00:53:45,490

bro what you know what I mean like

1245

00:53:49,859 --> 00:53:47,380

they're we're killing ourselves softly

1246

00:53:50,730 --> 00:53:49,869

and that's why you have people like Elon

1247

00:53:52,799 --> 00:53:50,740

Musk

1248

00:53:54,509 --> 00:53:52,809

you know Iran was probably some alien

1249

00:53:56,009 --> 00:53:54,519

who wants to go back to Mars it was from

1250

00:53:57,120 --> 00:53:56,019

Mars because he's probably talks about

1251
00:53:58,890 --> 00:53:57,130
you know going tomorrow it's colonize

1252
00:54:01,499 --> 00:53:58,900
Mars going why do you want to colonize

1253
00:54:03,839 --> 00:54:01,509
some other place the world that we're

1254
00:54:05,579 --> 00:54:03,849
now dying black is you don't you don't

1255
00:54:08,370 --> 00:54:05,589
want to deal with the mess now do you

1256
00:54:10,890 --> 00:54:08,380
you know there's veteran dying homeless

1257
00:54:14,999 --> 00:54:10,900
and they serve this country you want to

1258
00:54:18,180 --> 00:54:15,009
go what give us space Wars to do what to

1259
00:54:22,410 --> 00:54:18,190
protect us from what you know this is an

1260
00:54:24,779 --> 00:54:22,420
Independence Day you know what I mean so

1261
00:54:28,950 --> 00:54:24,789
you said were the monsters I'm gonna

1262
00:54:32,460 --> 00:54:28,960
have this guy on dr. Michael P masters

1263
00:54:34,799 --> 00:54:32,470

who talks about how the greys are us

1264

00:54:37,890 --> 00:54:34,809

from the future and we're coming back to

1265

00:54:39,599 --> 00:54:37,900

to examine ourselves you know like an

1266

00:54:42,539 --> 00:54:39,609

archaeologist look at our bones they're

1267

00:54:44,970 --> 00:54:42,549

going back in time to study us you know

1268

00:54:46,710 --> 00:54:44,980

then in the future and that takes

1269

00:54:48,120 --> 00:54:46,720

everything and puts it on its head but

1270

00:54:51,479 --> 00:54:48,130

then you have what you experience a

1271

00:54:53,970 --> 00:54:51,489

little at the ranch that you see these

1272

00:54:55,979 --> 00:54:53,980

things come out of portals and yeah big

1273

00:55:01,019 --> 00:54:55,989

flare then you have the bulletproof

1274

00:55:04,650 --> 00:55:01,029

wolves I don't know dude oh no my head

1275

00:55:06,569 --> 00:55:04,660

hurts man yeah man it's there's a lot of

1276
00:55:08,729 --> 00:55:06,579
big questions and this Wuhan flu is not

1277
00:55:12,420 --> 00:55:08,739
normal this is definitely not normal

1278
00:55:15,569 --> 00:55:12,430
this is rolling out as expected but yeah

1279
00:55:18,989 --> 00:55:15,579
the portals and stuff that you know are

1280
00:55:21,930 --> 00:55:18,999
they are they areas where they're like

1281
00:55:23,970 --> 00:55:21,940
got lazy and they're like who the hell

1282
00:55:25,740 --> 00:55:23,980
is going to be out there at that time of

1283
00:55:27,900 --> 00:55:25,750
night

1284
00:55:30,390 --> 00:55:27,910
you know I mean who's gonna who's gonna

1285
00:55:36,210 --> 00:55:30,400
who's gonna yeah and it seemed lighted

1286
00:55:38,910 --> 00:55:36,220
by logic yes it's like it's like zactly

1287
00:55:40,950 --> 00:55:38,920
it like I wonder because it seems like a

1288
00:55:43,050 --> 00:55:40,960

lot of the areas where you see or hear

1289

00:55:47,570 --> 00:55:43,060

about these things are like we said

1290

00:55:52,260 --> 00:55:47,580

areas where that's not civilized not

1291

00:55:55,800 --> 00:55:52,270

populated and you know there is a safety

1292

00:55:58,380 --> 00:55:55,810

and a dumbing down that comes with

1293

00:56:00,570 --> 00:55:58,390

living in a city and you know the

1294

00:56:03,740 --> 00:56:00,580

further away you get to that you end up

1295

00:56:06,120 --> 00:56:03,750

having these reflexes that I can only

1296

00:56:09,960 --> 00:56:06,130

sleep better in nature did you sleep

1297

00:56:12,720 --> 00:56:09,970

better the air is different you it feels

1298

00:56:14,430 --> 00:56:12,730

different you know you use small restful

1299

00:56:17,280 --> 00:56:14,440

because again all the stuff they're

1300

00:56:20,099 --> 00:56:17,290

pumping into the air dude I'm a firm

1301
00:56:21,720 --> 00:56:20,109
believer in that man yeah this 5g is

1302
00:56:22,320 --> 00:56:21,730
they just they just threw it up in my

1303
00:56:25,080 --> 00:56:22,330
neighborhood

1304
00:56:27,810 --> 00:56:25,090
it's freaky looking it's like every few

1305
00:56:29,700 --> 00:56:27,820
posts and you know they're painting it

1306
00:56:32,670 --> 00:56:29,710
spray-painting it the same colors like

1307
00:56:36,510 --> 00:56:32,680
the palm trees and stuff and and you

1308
00:56:38,849 --> 00:56:36,520
know it's just freaky looking and yeah I

1309
00:56:41,609 --> 00:56:38,859
don't know I don't know enough about 5g

1310
00:56:43,530 --> 00:56:41,619
to get into it what are the chances you

1311
00:56:48,510 --> 00:56:43,540
talk about these the frequencies over

1312
00:56:50,130 --> 00:56:48,520
there the frequent sightings over there

1313
00:56:52,290 --> 00:56:50,140

if I was to go over there for example

1314

00:56:54,050 --> 00:56:52,300

how what are the chances that I would

1315

00:56:56,520 --> 00:56:54,060

see something but then at the same time

1316

00:56:59,730 --> 00:56:56,530

how do people react to people who are

1317

00:57:02,070 --> 00:56:59,740

skeptical do you believe that plays a

1318

00:57:03,900 --> 00:57:02,080

role in that when they first go they're

1319

00:57:05,310 --> 00:57:03,910

skeptical but I think I heard you say

1320

00:57:08,070 --> 00:57:05,320

something on a podcast where it was like

1321

00:57:09,660 --> 00:57:08,080

if you don't think about it you're gonna

1322

00:57:11,240 --> 00:57:09,670

see it but then if you do think about it

1323

00:57:13,589 --> 00:57:11,250

you're most likely not going to see it

1324

00:57:16,470 --> 00:57:13,599

how does like mindset play a role into

1325

00:57:21,420 --> 00:57:16,480

this both it's all line set so it's like

1326

00:57:24,839 --> 00:57:21,430

I try to think of it as an empty bowl

1327

00:57:27,210 --> 00:57:24,849

and if you have one grain of rice in

1328

00:57:30,329 --> 00:57:27,220

that bowl and you're thinking about you

1329

00:57:33,030 --> 00:57:30,339

know whatever jell-o pudding pops you

1330

00:57:36,000 --> 00:57:33,040

know you're gonna go Bill Cosby so the

1331

00:57:38,040 --> 00:57:36,010

best thing to do is to try to keep that

1332

00:57:39,450 --> 00:57:38,050

bowl completely empty if you can keep

1333

00:57:41,070 --> 00:57:39,460

your mind in a state

1334

00:57:43,110 --> 00:57:41,080

of complete emptiness in year that's all

1335

00:57:47,460 --> 00:57:43,120

the time from Buddhists from Christians

1336

00:57:51,780 --> 00:57:47,470

from monks from every religious sect

1337

00:57:53,910 --> 00:57:51,790

that emptiness brings that allows you to

1338

00:57:57,390 --> 00:57:53,920

actually observe and witness something

1339

00:57:59,100 --> 00:57:57,400

that isn't you and when you have

1340

00:58:00,960 --> 00:57:59,110

something in that bowl you are

1341

00:58:09,930 --> 00:58:00,970

co-creating that energy into something

1342

00:58:13,020 --> 00:58:09,940

that is you yeah that's a good point one

1343

00:58:15,000 --> 00:58:13,030

last thing before I wrap it up one of

1344

00:58:17,310 --> 00:58:15,010

the things that freaked me out I mean at

1345

00:58:19,920 --> 00:58:17,320

all freaked me out you know you have the

1346

00:58:24,780 --> 00:58:19,930

aliens you have these pen set around

1347

00:58:26,550 --> 00:58:24,790

that no ranch you know like bait pen one

1348

00:58:28,500 --> 00:58:26,560

of the stories that freaked me out was

1349

00:58:30,840 --> 00:58:28,510

the cave story how they thought that you

1350

00:58:34,380 --> 00:58:30,850

were living in the cave he talked about

1351
00:58:37,200 --> 00:58:34,390
that now that freaked me out dude yeah

1352
00:58:39,810 --> 00:58:37,210
there was an evening that we were in I

1353
00:58:43,380 --> 00:58:39,820
was I actually went into the cave and

1354
00:58:44,940 --> 00:58:43,390
with another researcher and you know we

1355
00:58:47,820 --> 00:58:44,950
went back ways they went away it's back

1356
00:58:49,710 --> 00:58:47,830
did not too far and that's it you know

1357
00:58:53,390 --> 00:58:49,720
maybe you left some imprints of shoes

1358
00:58:58,020 --> 00:58:53,400
whatever I hope nobody dropped anything

1359
00:58:59,460 --> 00:58:58,030
type of a scenario and this is years and

1360
00:59:02,520 --> 00:58:59,470
years and years and years and years and

1361
00:59:07,080 --> 00:59:02,530
years ago way prior to recent ownership

1362
00:59:08,250 --> 00:59:07,090
and way way way before that so it was

1363
00:59:10,050 --> 00:59:08,260

just one of those like we're like holy

1364

00:59:13,050 --> 00:59:10,060

crap there's a cave in here

1365

00:59:19,950 --> 00:59:13,060

I've heard that cave has since fallen in

1366

00:59:22,650 --> 00:59:19,960

and imploded but my cell Briah don't

1367

00:59:24,510 --> 00:59:22,660

know I'm not sure and possibly by itself

1368

00:59:27,830 --> 00:59:24,520

it's a pretty rocky ridge line so it's

1369

00:59:30,300 --> 00:59:27,840

possible and but the other you know the

1370

00:59:32,640 --> 00:59:30,310

whoever the security was at the moment

1371

00:59:35,400 --> 00:59:32,650

and I didn't I don't know they they they

1372

00:59:38,250 --> 00:59:35,410

saw that there's activity there and they

1373

00:59:40,080 --> 00:59:38,260

must have seen something that you know

1374

00:59:41,820 --> 00:59:40,090

they correlated with me and then I heard

1375

00:59:43,110 --> 00:59:41,830

from somebody else that was closer to

1376

00:59:45,060 --> 00:59:43,120

the inside oh yeah you're living in the

1377

00:59:49,290 --> 00:59:45,070

cave it's like no man I'm not leaving

1378

00:59:53,660 --> 00:59:49,300

the cave and they got they got weird

1379

00:59:59,940 --> 00:59:58,110

so Ryan what's next dude

1380

01:00:04,530 --> 00:59:59,950

well you're obviously working on three

1381

01:00:07,320 --> 01:00:04,540

books when when do you think they'll be

1382

01:00:10,230 --> 01:00:07,330

out what's going on in your life now you

1383

01:00:12,150 --> 01:00:10,240

can share obviously not too personal you

1384

01:00:15,660 --> 01:00:12,160

know what's now what what what happens

1385

01:00:18,600 --> 01:00:15,670

from here dude what's gonna happen you

1386

01:00:20,340 --> 01:00:18,610

know I think I'm going to finish up the

1387

01:00:22,800 --> 01:00:20,350

books hopefully there are all done this

1388

01:00:24,480 --> 01:00:22,810

year kind of off on mice

1389

01:00:27,120 --> 01:00:24,490

you know cycle there go a year without

1390

01:00:29,070 --> 01:00:27,130

and then three on or one on three on and

1391

01:00:30,300 --> 01:00:29,080

I don't know it's not making sense but

1392

01:00:32,600 --> 01:00:30,310

yeah I've been working on them for a

1393

01:00:37,590 --> 01:00:32,610

while so they'll be out soon

1394

01:00:40,560 --> 01:00:37,600

we have some other things we're working

1395

01:00:43,440 --> 01:00:40,570

on and I say we because I'm I do talk to

1396

01:00:45,330 --> 01:00:43,450

other people involved and I'm thinking

1397

01:00:49,710 --> 01:00:45,340

of possibly going kind of another

1398

01:00:54,780 --> 01:00:49,720

direction in in some things and not

1399

01:00:56,730 --> 01:00:54,790

being so technology reliant there have

1400

01:00:58,740 --> 01:00:56,740

been some aspects of research where

1401

01:01:02,460 --> 01:00:58,750

we've noticed that the less tech the

1402

01:01:07,260 --> 01:01:02,470

more which is really hard to explain but

1403

01:01:11,670 --> 01:01:07,270

it is what it is still probably be doing

1404

01:01:13,620 --> 01:01:11,680

the podcast for sure and yeah trying to

1405

01:01:15,870 --> 01:01:13,630

update people as much as possible but

1406

01:01:19,260 --> 01:01:15,880

yeah there could be some some big things

1407

01:01:20,580 --> 01:01:19,270

in the works that's cool dude yeah I

1408

01:01:22,800 --> 01:01:20,590

know you have your own podcasting up

1409

01:01:26,160 --> 01:01:22,810

some solid solid subjects on there I

1410

01:01:27,540 --> 01:01:26,170

check that out as well and obviously you

1411

01:01:29,010 --> 01:01:27,550

were telling me like well I'm excited

1412

01:01:31,800 --> 01:01:29,020

for up so today I'm like look at my

1413

01:01:34,110 --> 01:01:31,810

fianc I'm like this guy's excited for my

1414

01:01:36,060 --> 01:01:34,120

podcast like he's been on frickin

1415

01:01:39,780 --> 01:01:36,070

tinfoil hats and he's excited to be on

1416

01:01:43,110 --> 01:01:39,790

my I was like like okay I'm flattered

1417

01:01:44,910 --> 01:01:43,120

but I mean you know well yeah I've

1418

01:01:46,950 --> 01:01:44,920

actually been looking at like flights to

1419

01:01:48,600 --> 01:01:46,960

go to Utah my golf go over there dude

1420

01:01:52,860 --> 01:01:48,610

I'm like but then like you said that

1421

01:01:56,760 --> 01:01:52,870

aspect that lingering and oh man you

1422

01:01:59,670 --> 01:01:56,770

know but uh yeah Ryan what where can

1423

01:02:02,250 --> 01:01:59,680

people find your information plugging

1424

01:02:03,120 --> 01:02:02,260

your podcast as well YouTube whatever

1425

01:02:05,580 --> 01:02:03,130

one more time

1426
01:02:07,860 --> 01:02:05,590
the listeners at home so they can him I

1427
01:02:10,500 --> 01:02:07,870
know we went a little bit off the rails

1428
01:02:13,350 --> 01:02:10,510
there but you know we talked about the

1429
01:02:14,790 --> 01:02:13,360
the skinwalker ranch we talked about

1430
01:02:16,740 --> 01:02:14,800
some of the anomalies and then obviously

1431
01:02:18,420 --> 01:02:16,750
we went and you know a little bit of

1432
01:02:20,850 --> 01:02:18,430
everything this is just this is the type

1433
01:02:23,460 --> 01:02:20,860
of stuff that I loved you and when I get

1434
01:02:26,880 --> 01:02:23,470
to talk to somebody about it you know

1435
01:02:28,050 --> 01:02:26,890
who can relate it just I love it so one

1436
01:02:30,540 --> 01:02:28,060
more time for the listeners at home

1437
01:02:33,420 --> 01:02:30,550
where can they find your stuff yeah they

1438
01:02:36,600 --> 01:02:33,430

can find my stuff at hero paranormal

1439

01:02:38,190 --> 01:02:36,610

comm hero paranormal dot pod been calm

1440

01:02:41,640 --> 01:02:38,200

for a quick and easy way to download

1441

01:02:43,380 --> 01:02:41,650

podcasts or youtube at hero paranormal

1442

01:02:48,480 --> 01:02:43,390

you can also see space wolf research

1443

01:02:51,360 --> 01:02:48,490

calm or Ryan Patrick Burns calm and

1444

01:02:53,490 --> 01:02:51,370

again thank you so much this is only the

1445

01:02:54,620 --> 01:02:53,500

surface really only disguises there's so

1446

01:02:57,140 --> 01:02:54,630

many things there's so many more things

1447

01:03:00,450 --> 01:02:57,150

but I want to thank you again lion for

1448

01:03:01,650 --> 01:03:00,460

coming on my little show and and being

1449

01:03:04,140 --> 01:03:01,660

able to speak to me about these things

1450

01:03:05,520 --> 01:03:04,150

on it's awesome Han it's my pleasure and

1451

01:03:07,740 --> 01:03:05,530

I'm super glad we got to do it I was

1452

01:03:14,290 --> 01:03:07,750

excited for it and I think your honest
