[Music]

2
00:00:42,860 --> 00:00:40,700

hello everyone this is Ryan the original

3
00:00:45,770 --> 00:00:42,870

outlaw of the airwaves bringing you

4
00:00:49,420 --> 00:00:45,780

another episode of hero paranormal

5
00:00:52,869 --> 00:00:49,430

podcast today we are revisiting and

6
00:00:55,400 --> 00:00:52,879

delving deeply into the corona virus and

7
00:00:59,420 --> 00:00:55,410

what could be going on beneath the

8
00:01:02,660 --> 00:00:59,430

surface of what we are being told by the

9
00:01:06,440 --> 00:01:02,670

media today's guest is a very special

10
00:01:07,550 --> 00:01:06,450

guest and he may have some insight that

11
00:01:10,550 --> 00:01:07,560

others do not

12
00:01:12,740 --> 00:01:10,560

his name is James ring he is from

13
00:01:16,999 --> 00:01:12,750

super-soldier talk.com

14

00:01:19,550 --> 00:01:17,009

he is in fact a super soldier and very

15

00:01:22,160 --> 00:01:19,560

aware of the secret space program as

16

00:01:25,460 --> 00:01:22,170

well as other things that are kind of

17

00:01:28,370 --> 00:01:25,470

hidden from the majority of America he

18

00:01:29,719 --> 00:01:28,380

is easy to follow go to super soldier

19

00:01:33,980 --> 00:01:29,729

talk.com

20

00:01:38,240 --> 00:01:33,990

and you can also go to neo logical tech

21

00:01:40,460 --> 00:01:38,250

comm to follow him he also has other

22

00:01:43,639 --> 00:01:40,470

people from the secret space program and

23

00:01:45,920 --> 00:01:43,649

other super soldiers on his talk show

24

00:01:48,520 --> 00:01:45,930

quite often so definitely check out

25

00:01:52,789 --> 00:01:48,530

James ring we are in a unique position

26
00:01:56,959 --> 00:01:52,799
talking to James because well the way I

27
00:01:59,899 --> 00:01:56,969
came across this is James had some

28
00:02:02,660 --> 00:01:59,909
information that seemed to me to be

29
00:02:06,530 --> 00:02:02,670
completely out of this world crazy talk

30
00:02:10,119 --> 00:02:06,540
and as time progressed and I watched the

31
00:02:12,840 --> 00:02:10,129
news and the media these things just

32
00:02:17,190 --> 00:02:12,850
kept coming true

33
00:02:20,130 --> 00:02:17,200
in perfect unison with the time line

34
00:02:21,660 --> 00:02:20,140
that he said they would happen so it's

35
00:02:24,690 --> 00:02:21,670
it's just kind of mind-blowing to me

36
00:02:26,940 --> 00:02:24,700
that there are other possibilities that

37
00:02:30,960 --> 00:02:26,950
the mainstream media is not telling us

38
00:02:33,600 --> 00:02:30,970

and that this could be more than we

39

00:02:35,790 --> 00:02:33,610

52
00:03:13,710 --> 00:03:10,150
further ado we're gonna bring it with

53
00:03:16,920 --> 00:03:13,720
James ring James ring welcome to the

54
00:03:18,510 --> 00:03:16,930
hero paranormal podcast yeah thank you

55
00:03:20,370 --> 00:03:18,520
thank you thank you so they could

56
00:03:22,530 --> 00:03:20,380
provided me on here by the way

57
00:03:26,970 --> 00:03:22,540
James ring was the name I went by on the

58
00:03:28,740 --> 00:03:26,980
moon it's James Rankin I usually go by

59
00:03:29,130 --> 00:03:28,750
but you know what it's okay just call me

60
00:03:31,710 --> 00:03:29,140
James

61
00:03:33,960 --> 00:03:31,720
okay yeah I think on the last podcast it

62
00:03:36,510 --> 00:03:33,970
was rink and then I thought well maybe I

63
00:03:39,900 --> 00:03:36,520

had it wrong so okay so James rink yeah

64

00:03:42,300 --> 00:03:39,910

I I saw that and I was gonna ask you

65

00:03:44,790 --> 00:03:42,310

about that but that makes sense there's

66

00:03:48,960 --> 00:03:44,800

a lot of things there you mentioned some

67

00:03:50,610 --> 00:03:48,970

stuff recently that it sounded so wild

68

00:03:52,980 --> 00:03:50,620

and I had a hard time putting my head

69

00:03:55,380 --> 00:03:52,990

around it and as I watched the media the

70

00:03:57,960 --> 00:03:55,390

news sources and everything that people

71

00:04:00,690 --> 00:03:57,970

consider legitimate I noticed that all

72

00:04:03,630 --> 00:04:00,700

this stuff started coming true James how

73

00:04:05,580 --> 00:04:03,640

how what do you think is going on with

74

00:04:10,230 --> 00:04:05,590

this coronavirus and and everything

75

00:04:12,930 --> 00:04:10,240

going on around it okay so I've been

76

00:04:14,190 --> 00:04:12,940

bringing different guests on my show a

77

00:04:17,010 --> 00:04:14,200

little bit background and from dusk

78

00:04:20,640 --> 00:04:17,020

about me I am a super-soldier in secret

79

00:04:23,280 --> 00:04:20,650

space program I don't necessarily say

80

00:04:24,340 --> 00:04:23,290

that necessarily me specifically it's

81

00:04:26,590 --> 00:04:24,350

more like I have clone

82

00:04:29,260 --> 00:04:26,600

avatars in a semi op world and I have

83

00:04:32,440 --> 00:04:29,270

altars as well that has been sent on

84

00:04:34,780 --> 00:04:32,450

mission and there's compartments so I'm

85

00:04:36,820 --> 00:04:34,790

not really able or privy even to even

86

00:04:38,740 --> 00:04:36,830

talk about that even if I wanted to they

87

00:04:39,580 --> 00:04:38,750

they took a tickle took a lot of

88

00:04:44,380 --> 00:04:39,590

memories away

89

00:04:47,050 --> 00:04:44,390

so my background on this is my youtube

90

00:04:48,940 --> 00:04:47,060

show super soldier talk and also the was

91

00:04:51,010 --> 00:04:48,950

the same single website super soldier

92

00:04:54,670 --> 00:04:51,020

talk comm I've interviewed different

93

00:04:56,800 --> 00:04:54,680

people that were in the SSB and us as

94

00:04:58,780 --> 00:04:56,810

well psychics and people who are very in

95

00:05:02,320 --> 00:04:58,790

my opinion gifted

96

00:05:03,730 --> 00:05:02,330

telepaths or Chandler's so some of this

97

00:05:06,490 --> 00:05:03,740

information that I'm presenting to you

98

00:05:09,970 --> 00:05:06,500

is colored from that particular

99

00:05:13,380 --> 00:05:09,980

background but I also tried to allow

100

00:05:16,420 --> 00:05:13,390

people SEMICON information from insiders

101

00:05:19,390 --> 00:05:16,430

just recently I heard the most latest

102

00:05:21,700 --> 00:05:19,400

this past week is that in the next five

103

00:05:24,100 --> 00:05:21,710

to seven days they're going to lock down

104

00:05:27,820 --> 00:05:24,110

a few major cities here in the United

105

00:05:30,190 --> 00:05:27,830

States and probably by March 23rd is

106

00:05:33,010 --> 00:05:30,200

what we're seeing the whole United

107

00:05:35,590 --> 00:05:33,020

States will be under lockdown but before

108

00:05:36,130 --> 00:05:35,600

we actually get that far into the

109

00:05:38,020 --> 00:05:36,140

timeline

110

00:05:39,460 --> 00:05:38,030

I thought maybe maybe we should maybe

111

00:05:41,770 --> 00:05:39,470

start a little bit about what what I

112

00:05:44,320 --> 00:05:41,780

think is going on with this coronavirus

113

00:05:46,870 --> 00:05:44,330

is that is that what you want mm-hmm you

114

00:05:50,860 --> 00:05:46,880

actually only take Jeffers ok all right

115

00:05:52,720 --> 00:05:50,870

so what we know now I'm I didn't

116

00:05:54,640 --> 00:05:52,730

actually put the other cheat sheet so I

117

00:05:56,920 --> 00:05:54,650

don't have all the exact date to me from

118

00:06:01,300 --> 00:05:56,930

like official government sources or you

119

00:06:04,150 --> 00:06:01,310

guessed age the who or what not the CDC

120

00:06:09,940 --> 00:06:04,160

but from what I'm able to gather it

121

00:06:13,150 --> 00:06:09,950

appears that okay so we start from the

122

00:06:16,480 --> 00:06:13,160

beginning here the original coronavirus

123

00:06:17,740 --> 00:06:16,490

appears to be made from from the

124

00:06:21,850 --> 00:06:17,750

University of North Carolina at Chapel

125

00:06:24,760 --> 00:06:21,860

Hill there were some there's a bio bio

126

00:06:26,350 --> 00:06:24,770

lab there that was experimenting on

127

00:06:30,450 --> 00:06:26,360

different strands of the corona virus

128

00:06:33,190 --> 00:06:30,460

now coronavirus is basically the flu and

129

00:06:36,940 --> 00:06:33,200

so I'm assuming they were working on

130

00:06:37,750 --> 00:06:36,950

different strands of SARS variants which

131

00:06:41,320 --> 00:06:37,760

is basically just a

132

00:06:43,060 --> 00:06:41,330

that flew and yeah so you know when the

133

00:06:44,860 --> 00:06:43,070

weather gets warm about 60 degrees it

134

00:06:47,530 --> 00:06:44,870

kind of clears out so what's going on

135

00:06:50,950 --> 00:06:47,540

here is that the Chinese Communist

136

00:06:55,210 --> 00:06:50,960

government was paying off people in that

137

00:06:57,880 --> 00:06:55,220

that lab and they somehow smuggled out

138

00:07:03,010 --> 00:06:57,890

the Strand to the bioweapons lab in

139

00:07:05,680 --> 00:07:03,020

Wuhan and from there the Chinese added

140

00:07:10,780 --> 00:07:05,690

different variants of four variants of

141

00:07:13,150 --> 00:07:10,790

HIV as well as encephalitis which causes

142

00:07:16,630 --> 00:07:13,160

nerve damage and quercetin HIV destroys

143

00:07:18,400 --> 00:07:16,640

your immune system and there's like a

144

00:07:20,200 --> 00:07:18,410

little biofilms that surround the

145

00:07:23,580 --> 00:07:20,210

viruses so your body is not able to

146

00:07:26,560 --> 00:07:23,590

recognize it and kill it off so

147

00:07:28,750 --> 00:07:26,570

basically the way the virus works is you

148

00:07:32,230 --> 00:07:28,760

come down with the flu and that's the

149

00:07:33,670 --> 00:07:32,240

SARS component and then you might feel

150

00:07:35,490 --> 00:07:33,680

better and then you come down you know

151

00:07:38,920 --> 00:07:35,500

the respiratory issues and then your

152

00:07:41,320 --> 00:07:38,930

autoimmune system collapses and then go

153

00:07:44,470 --> 00:07:41,330

into the nerve damage and yeah so you

154

00:07:46,870 --> 00:07:44,480

can technically you could possibly

155

00:07:52,540 --> 00:07:46,880

recover and then get sick again so

156

00:07:55,360 --> 00:07:52,550

that's why even the gifts they're doing

157

00:07:57,490 --> 00:07:55,370

was a 28-day quarantine but that's

158

00:08:02,530 --> 00:07:57,500

actually been reduced now to like 14

159

00:08:04,060 --> 00:08:02,540

it's not enough because from at least

160

00:08:07,090 --> 00:08:04,070

some of the channel and information that

161

00:08:10,810 --> 00:08:07,100

we got from Coos all who's on my show he

162

00:08:12,490 --> 00:08:10,820

says according to an AI from six million

163

00:08:15,040 --> 00:08:12,500

years in our future if you believe that

164

00:08:20,770 --> 00:08:15,050

source who claimed that this corona

165

00:08:23,290 --> 00:08:20,780

virus has a list here of a dormancy

166

00:08:25,480 --> 00:08:23,300

period of sixty days a latency of

167

00:08:27,820 --> 00:08:25,490

whatever you would call it so yeah you

168

00:08:29,770 --> 00:08:27,830

can become you can get infected for 60

169

00:08:31,660 --> 00:08:29,780

days and be a spreader all over the

170

00:08:35,080 --> 00:08:31,670

place and then finally you can get get

171

00:08:39,370 --> 00:08:35,090

ill and croak croak up over and die not

172

00:08:42,400 --> 00:08:39,380

not always die but okay so so what's

173

00:08:43,839 --> 00:08:42,410

going on here is at least what we

174

00:08:46,900 --> 00:08:43,849

discuss I discussed a little bit about

175

00:08:51,490 --> 00:08:46,910

this now I mean obviously I can't verify

176

00:08:54,820 --> 00:08:51,500

this information but there was a report

177

00:08:58,360 --> 00:08:54,830

I think this may be back in early

178

00:09:00,250 --> 00:08:58,370

February or late January of a CCP

179

00:09:04,140 --> 00:09:00,260

insider it's a Chinese Communist Party

180

00:09:06,760 --> 00:09:04,150

so this insider basically claimed that

181

00:09:11,140 --> 00:09:06,770

the Chinese government was looking for a

182

00:09:13,870 --> 00:09:11,150

way to kill I'm sorry placate the Hong

183

00:09:16,750 --> 00:09:13,880

Kong population they were looking for a

184

00:09:19,320 --> 00:09:16,760

way to basically dumb them down to

185

00:09:23,620 --> 00:09:19,330

become mentally [h__h] and to

186

00:09:25,300 --> 00:09:23,630

basically pacify them because obviously

187

00:09:29,970 --> 00:09:25,310

the Chinese government cannot tolerate

188

00:09:33,730 --> 00:09:29,980

this dissidents and Hong Kong is

189

00:09:36,940 --> 00:09:33,740

population have grown up under the ideas

190

00:09:38,710 --> 00:09:36,950

of free thinking free thought and so

191

00:09:44,200 --> 00:09:38,720

yeah that it's not compatible

192

00:09:46,330 --> 00:09:44,210

the company is hive mind system so so

193

00:09:48,220 --> 00:09:46,340

the goal was to release this virus dumb

194

00:09:50,080 --> 00:09:48,230

down the population and then maybe just

195

00:09:52,180 --> 00:09:50,090

go in there to take it over or just be

196

00:09:56,140 --> 00:09:52,190

smooth sailing that's their thought so

197

00:09:59,050 --> 00:09:56,150

they in this weapons lab they took some

198

00:10:03,040 --> 00:09:59,060

political prisoners and experimented on

199

00:10:05,500 --> 00:10:03,050

this this coronavirus with the variant

200

00:10:09,280 --> 00:10:05,510

and strands by the way the coronaviruses

201
00:10:10,840 --> 00:10:09,290
apparently has been patented by the the

202
00:10:12,940 --> 00:10:10,850
bill gate bill melinda gates foundation

203
00:10:15,010 --> 00:10:12,950
how does the patent on the original

204
00:10:20,860 --> 00:10:15,020
chrome virus that was you know before

205
00:10:24,190 --> 00:10:20,870
the chinese messed with it so they they

206
00:10:28,270 --> 00:10:24,200
gave us of one of these people um

207
00:10:30,700 --> 00:10:28,280
music testers the virus and they found

208
00:10:33,580 --> 00:10:30,710
out that if the results were positive

209
00:10:37,330 --> 00:10:33,590
for what they wanted it worked

210
00:10:40,510 --> 00:10:37,340
it may dumb down the people and as a

211
00:10:42,640 --> 00:10:40,520
result they thought everything was great

212
00:10:44,230 --> 00:10:42,650
until four days later they started

213
00:10:48,580 --> 00:10:44,240

bleeding out of all the orifices and

214

00:10:50,800 --> 00:10:48,590

died and a horrible painful death so it

215

00:10:53,980 --> 00:10:50,810

was basically deemed that it was too

216

00:10:56,130 --> 00:10:53,990

deadly to ever be used and so what

217

00:11:00,220 --> 00:10:56,140

happened is one of the lower-level

218

00:11:03,010 --> 00:11:00,230

staffers at this weapons lab in near

219

00:11:04,750 --> 00:11:03,020

ljubljana or might been in one I'm not

220

00:11:05,020 --> 00:11:04,760

actually look at my notes right now to

221

00:11:13,500 --> 00:11:05,030

where

222

00:11:16,360 --> 00:11:13,510

and smuggled one of the vials out and

223

00:11:18,940 --> 00:11:16,370

according to this whistleblower the CCP

224

00:11:21,570 --> 00:11:18,950

whistleblower said that there was he was

225

00:11:24,700 --> 00:11:21,580

going to sell it off to the CIA now

226

00:11:26,560 --> 00:11:24,710

people that I work with kind of remote

227

00:11:28,650 --> 00:11:26,570

viewed it or looked into it some and

228

00:11:31,960 --> 00:11:28,660

said it wasn't really the CIA was Mossad

229

00:11:33,670 --> 00:11:31,970

they think that the Israelis were we're

230

00:11:37,120 --> 00:11:33,680

trying to get it maybe they were maybe

231

00:11:38,800 --> 00:11:37,130

they were working CIA and Mossad I don't

232

00:11:40,210 --> 00:11:38,810

know but apparently the Israelis were

233

00:11:42,760 --> 00:11:40,220

ones trying to get a hold of that

234

00:11:47,350 --> 00:11:42,770

because I suppose they wanted to use it

235

00:11:49,630 --> 00:11:47,360

on the Palestinians but the thing is the

236

00:11:50,890 --> 00:11:49,640

Chinese found out about the drop off

237

00:11:54,700 --> 00:11:50,900

which was supposed to be in that meat

238

00:11:56,800 --> 00:11:54,710

market in early December Wuhan and they

239

00:12:00,310 --> 00:11:56,810

managed to kill a few the people that

240

00:12:03,790 --> 00:12:00,320

were involved and the bio broke and yeah

241

00:12:05,890 --> 00:12:03,800

the virus started to spread so anyway so

242

00:12:07,750 --> 00:12:05,900

I'm gonna I'm gonna pause there and a

243

00:12:10,829 --> 00:12:07,760

lot of you to comment or or if you want

244

00:12:13,660 --> 00:12:10,839

me to I can continue yeah so it's it's

245

00:12:15,579 --> 00:12:13,670

obviously this this has it's been

246

00:12:18,760 --> 00:12:15,589

designed or at least it appears that

247

00:12:21,960 --> 00:12:18,770

it's been designed for maximum you know

248

00:12:24,730 --> 00:12:21,970

the exposure rate and the way it can

249

00:12:27,850 --> 00:12:24,740

transfer it's it seems really scary the

250

00:12:33,160 --> 00:12:27,860

way that it may be possibly a bio

251
00:12:35,500 --> 00:12:33,170
warfare weapon yeah so I think that what

252
00:12:39,370 --> 00:12:35,510
I've heard different are a straight-on

253
00:12:41,560 --> 00:12:39,380
of this is a row rate were basically for

254
00:12:43,390 --> 00:12:41,570
every every everybody that gets infected

255
00:12:45,700 --> 00:12:43,400
how many other people you impact and

256
00:12:48,360 --> 00:12:45,710
it's some say it's close to before I've

257
00:12:50,800 --> 00:12:48,370
seen as high as 15 which is uh

258
00:12:52,720 --> 00:12:50,810
extremists way higher than the original

259
00:12:54,520 --> 00:12:52,730
stars and it's I think it's double what

260
00:12:57,190 --> 00:12:54,530
Spanish flu was and you know essentially

261
00:12:59,980 --> 00:12:57,200
killed what I think about 500 million so

262
00:13:01,720 --> 00:12:59,990
if we're not mistaken it could kill

263
00:13:07,300 --> 00:13:01,730

close to at least double that it's not

264

00:13:08,590 --> 00:13:07,310

more but okay so I guess I can just go

265

00:13:11,950 --> 00:13:08,600

ahead and continue on here in the

266

00:13:15,640 --> 00:13:11,960

timeline yeah what did have one super

267

00:13:18,310 --> 00:13:15,650

quick question James here but Bill Gates

268

00:13:21,009 --> 00:13:18,320

I think he was rumored to have said

269

00:13:23,800 --> 00:13:21,019

that he expected it was a huge number of

270

00:13:25,569 --> 00:13:23,810

deaths and that's just interesting that

271

00:13:27,639 --> 00:13:25,579

the you know that there is another

272

00:13:29,079 --> 00:13:27,649

connection there but like in the

273

00:13:30,670 --> 00:13:29,089

millions and I think it might have been

274

00:13:32,050 --> 00:13:30,680

like 10 million or a hundred million I

275

00:13:33,610 --> 00:13:32,060

don't want to quote it because I don't

276

00:13:35,170 --> 00:13:33,620

know for sure but I think that's an

277

00:13:36,999 --> 00:13:35,180

interesting connection there but yeah

278

00:13:41,530 --> 00:13:37,009

please get back to the timeline I'm like

279

00:13:43,449 --> 00:13:41,540

enthralled yeah well you know I really

280

00:13:46,689 --> 00:13:43,459

haven't explored exactly what Bill Gates

281

00:13:49,829 --> 00:13:46,699

connection was on all this I just from

282

00:13:53,410 --> 00:13:49,839

what I've read I read that apparently

283

00:13:55,300 --> 00:13:53,420

yeah he owned the original patent and

284

00:13:57,009 --> 00:13:55,310

actually a lot of these viruses are have

285

00:13:59,410 --> 00:13:57,019

been patented but this particular virus

286

00:14:03,129 --> 00:13:59,420

I don't think that it's been patented

287

00:14:05,949 --> 00:14:03,139

it's basically because of the HIV

288

00:14:09,460 --> 00:14:05,959

components the drugs that they're using

289

00:14:10,809 --> 00:14:09,470

in China that the ones the medications

290

00:14:13,569 --> 00:14:10,819

that they're using they found the most

291

00:14:15,519 --> 00:14:13,579

effective are the HIV medications to

292

00:14:18,280 --> 00:14:15,529

kind of stabilize the immune system but

293

00:14:20,470 --> 00:14:18,290

honestly they couldn't even they can't

294

00:14:22,120 --> 00:14:20,480

even make a vaccine if you ever if you

295

00:14:24,730 --> 00:14:22,130

hear anything in the media about a

296

00:14:29,259 --> 00:14:24,740

vaccine is imminent and they're working

297

00:14:33,129 --> 00:14:29,269

on a vaccine it's not true because the

298

00:14:35,620 --> 00:14:33,139

the original base component of the virus

299

00:14:38,680 --> 00:14:35,630

is SARS and SARS is basically like

300

00:14:42,160 --> 00:14:38,690

really bad flu so if you know anything

301
00:14:45,220 --> 00:14:42,170
about the flu or common cold every time

302
00:14:48,189 --> 00:14:45,230
it goes to another person it mutates so

303
00:14:50,530 --> 00:14:48,199
each generation it mutates a little bit

304
00:14:52,750 --> 00:14:50,540
it changes a little bit and then it

305
00:14:54,309 --> 00:14:52,760
changes again and again so after effects

306
00:14:56,559 --> 00:14:54,319
about 20 different people it could

307
00:14:59,460 --> 00:14:56,569
mutate it a little bit 20 different

308
00:15:02,679 --> 00:14:59,470
times so if you were to create a vaccine

309
00:15:04,420 --> 00:15:02,689
that's art by the time you put it out

310
00:15:07,030 --> 00:15:04,430
there it's already mutated a million

311
00:15:08,800 --> 00:15:07,040
times so its main effective does that

312
00:15:13,179 --> 00:15:08,810
make sense are you following me

313
00:15:14,710 --> 00:15:13,189

oh yeah totally totally okay yeah so if

314

00:15:16,809 --> 00:15:14,720

you hear anybody in the news media

315

00:15:19,210 --> 00:15:16,819

saying that they're their most like a

316

00:15:23,259 --> 00:15:19,220

politician is saying that or government

317

00:15:27,790 --> 00:15:23,269

to keep the panic the public from

318

00:15:32,769 --> 00:15:27,800

panicking but there is technologies to

319

00:15:35,439 --> 00:15:32,779

stop all this but the problem is they

320

00:15:38,139 --> 00:15:35,449

the pharmaceutical companies the Cabal

321

00:15:40,150 --> 00:15:38,149

the elite obviously don't want us to

322

00:15:42,340 --> 00:15:40,160

have it because they want they want it

323

00:15:43,660 --> 00:15:42,350

for themselves but I'm not sure even

324

00:15:47,319 --> 00:15:43,670

sure if that's going to be effective

325

00:15:48,189 --> 00:15:47,329

because something else is apparently

326

00:15:51,999 --> 00:15:48,199

it's going on here

327

00:15:56,530 --> 00:15:52,009

and that's and that's another part of

328

00:16:00,999 --> 00:15:56,540

this equation is the 5g you know of

329

00:16:04,769 --> 00:16:01,009

course so Wuhan was raided I guess the

330

00:16:08,619 --> 00:16:04,779

first by G connected city and the world

331

00:16:12,819 --> 00:16:08,629

where the stuff is if I G towers all

332

00:16:16,780 --> 00:16:12,829

over the place so the least would has

333

00:16:21,489 --> 00:16:16,790

been related to me is that a a I a rogue

334

00:16:23,319 --> 00:16:21,499

AI has hacked the 5g towers and as

335

00:16:26,069 --> 00:16:23,329

active buyers somehow because buyers

336

00:16:31,449 --> 00:16:26,079

themselves are basically crystalline and

337

00:16:34,840 --> 00:16:31,459

crystals contain information or memory

338

00:16:38,079 --> 00:16:34,850

so theoretically just like you can go

339

00:16:40,299 --> 00:16:38,089

into a hard drive and change the coding

340

00:16:42,220 --> 00:16:40,309

and programming around you can possibly

341

00:16:45,609 --> 00:16:42,230

probably do the same thing with with

342

00:16:47,439 --> 00:16:45,619

these crystals and the DNA so I'm not

343

00:16:48,879 --> 00:16:47,449

quite sure exactly how was done but

344

00:16:51,100 --> 00:16:48,889

that's a really good question to explore

345

00:16:55,720 --> 00:16:51,110

how they're actually hacking this virus

346

00:16:59,439 --> 00:16:55,730

but this AI is seeking out to destroy

347

00:17:00,909 --> 00:16:59,449

everybody that is fearful or negative at

348

00:17:03,549 --> 00:17:00,919

least this is according to information

349

00:17:06,220 --> 00:17:03,559

that was channeled from this a this

350

00:17:09,850 --> 00:17:06,230

MILCON yuna matrix one AI from six and

351

00:17:12,189 --> 00:17:09,860

half million years in our future so I'm

352

00:17:16,000 --> 00:17:12,199

not necessarily saying it's true but it

353

00:17:18,100 --> 00:17:16,010

seems probable because initially we got

354

00:17:18,899 --> 00:17:18,110

this plan that was put in place by the

355

00:17:21,909 --> 00:17:18,909

CCP

356

00:17:25,210 --> 00:17:21,919

to kill off the Hong Kong population or

357

00:17:28,230 --> 00:17:25,220

if if you listen to the most recent

358

00:17:31,060 --> 00:17:28,240

project camelot episode where they had

359

00:17:34,259 --> 00:17:31,070

carry caste was talking about about Mark

360

00:17:37,419 --> 00:17:34,269

Richards Mark Richards claims that the

361

00:17:40,299 --> 00:17:37,429

Communist Party made a deal with the

362

00:17:42,519 --> 00:17:40,309

Draco to release the spires to kill off

363

00:17:45,639 --> 00:17:42,529

half its pocket pop their population in

364

00:17:46,000 --> 00:17:45,649

exchange I'm assuming for technology

365

00:17:50,370 --> 00:17:46,010

because

366

00:17:52,570 --> 00:17:50,380

when you make a deal with the Draco

367

00:17:54,880 --> 00:17:52,580

usually a world governments want

368

00:17:58,450 --> 00:17:54,890

technically in exchange for and what the

369

00:18:01,690 --> 00:17:58,460

Draco want in exchange for this deal is

370

00:18:04,120 --> 00:18:01,700

if let's say 500 million people died in

371

00:18:05,680 --> 00:18:04,130

China the Draco want to keep maybe about

372

00:18:07,180 --> 00:18:05,690

a third of that for food and another

373

00:18:08,560 --> 00:18:07,190

third of that they're going to keep them

374

00:18:12,550 --> 00:18:08,570

as slaves and the other third will

375

00:18:14,710 --> 00:18:12,560

probably die so so while that's going on

376

00:18:17,530 --> 00:18:14,720

the Draco's harvesting these people then

377

00:18:20,760 --> 00:18:17,540

the the Chinese Communist Party is

378

00:18:22,780 --> 00:18:20,770

enriching themselves in technology and

379

00:18:24,910 --> 00:18:22,790

additionally the corona virus attacks

380

00:18:28,500 --> 00:18:24,920

reptilians which the Draco are war at

381

00:18:32,680 --> 00:18:28,510

now this is what Mark Richards says is

382

00:18:35,080 --> 00:18:32,690

probably is what has been going on so

383

00:18:37,420 --> 00:18:35,090

well we have this agenda or multiple

384

00:18:39,490 --> 00:18:37,430

different agendas we have this other de

385

00:18:41,560 --> 00:18:39,500

se Aiye that's come in and attacked the

386

00:18:44,670 --> 00:18:41,570

whole process so whatever claims are put

387

00:18:47,770 --> 00:18:44,680

in place are now alkyl water because

388

00:18:50,740 --> 00:18:47,780

this other agenda of this AI has taken

389

00:18:52,360 --> 00:18:50,750

over and so when the communists because

390

00:18:55,300 --> 00:18:52,370

the communist government is based on a

391

00:18:57,340 --> 00:18:55,310

hive mind mentality where there's no Lao

392

00:19:02,020 --> 00:18:57,350

they don't allow any like free thinking

393

00:19:05,800 --> 00:19:02,030

or it's all about groupthink so the only

394

00:19:08,560 --> 00:19:05,810

way they can calm down the population is

395

00:19:11,230 --> 00:19:08,570

to basically withhold information to

396

00:19:13,180 --> 00:19:11,240

keep people ignorant and to of course

397

00:19:14,890 --> 00:19:13,190

they got the quarantines and try to

398

00:19:18,280 --> 00:19:14,900

prevent populations from moving around

399

00:19:20,380 --> 00:19:18,290

and all that's doing is causing the

400

00:19:22,450 --> 00:19:20,390

people to go into fear so while that's

401

00:19:27,850 --> 00:19:22,460

going on there's a strong probability

402

00:19:29,530 --> 00:19:27,860

that even a greater portion means what

403

00:19:31,750 --> 00:19:29,540

we were getting for this unit matrix one

404

00:19:34,480 --> 00:19:31,760

the projection rates of was that the

405

00:19:37,660 --> 00:19:34,490

Chinese species about to go extinct as

406

00:19:39,760 --> 00:19:37,670

well as the Indian subcontinent about

407

00:19:42,130 --> 00:19:39,770

two and half billion people about to die

408

00:19:43,810 --> 00:19:42,140

the cluding is 70% of the United States

409

00:19:47,740 --> 00:19:43,820

population because of the sphere

410

00:19:50,740 --> 00:19:47,750

component no I possibly like to think

411

00:19:53,260 --> 00:19:50,750

that the timelines can change I think

412

00:19:56,650 --> 00:19:53,270

that ultimately talking about the future

413

00:19:58,540 --> 00:19:56,660

changes it who knows maybe maybe us

414

00:19:59,500 --> 00:19:58,550

discussing it now can create an alter

415

00:20:01,950 --> 00:19:59,510

reality where maybe

416

00:20:05,740 --> 00:20:01,960

so many people need to die I don't I

417

00:20:08,770 --> 00:20:05,750

personally like to see a good resolution

418

00:20:13,090 --> 00:20:08,780

to all this where the people benefit

419

00:20:14,830 --> 00:20:13,100

because obviously it's not fair for half

420

00:20:17,110 --> 00:20:14,840

a billion people to die because some

421

00:20:19,030 --> 00:20:17,120

Drako want to harvest them or whatever

422

00:20:21,340 --> 00:20:19,040

issues the Chinese have with the Hong

423

00:20:22,810 --> 00:20:21,350

Kong population and by the way the Hong

424

00:20:24,550 --> 00:20:22,820

Kong population should come out a lot

425

00:20:27,480 --> 00:20:24,560

better than the Chinese government you

426
00:20:30,850 --> 00:20:27,490
know listening and we're also looking at

427
00:20:32,530 --> 00:20:30,860
the CCP collapsing by July because of

428
00:20:37,570 --> 00:20:32,540
all this it's they're not gonna last

429
00:20:38,590 --> 00:20:37,580
much longer so but anyway okay so I'm

430
00:20:41,530 --> 00:20:38,600
going to pause there and give you a

431
00:20:43,960 --> 00:20:41,540
moment to comment or definitely same as

432
00:20:46,480 --> 00:20:43,970
breath yeah it definitely seems it seems

433
00:20:48,850 --> 00:20:46,490
like the Chinese population I mean China

434
00:20:50,410 --> 00:20:48,860
was like I keep hearing the China's the

435
00:20:53,650 --> 00:20:50,420
enemy I mean we had all the trade wars

436
00:20:56,380 --> 00:20:53,660
going on all this stuff and China was

437
00:20:59,470 --> 00:20:56,390
such a world power and now it's just

438
00:21:01,210 --> 00:20:59,480

clinging to just exist so I mean a lot

439

00:21:03,580 --> 00:21:01,220

of what you're saying is actually taking

440

00:21:09,250 --> 00:21:03,590

place it's it's it's pretty pretty wild

441

00:21:12,730 --> 00:21:09,260

stuff well I mean and you got this other

442

00:21:17,590 --> 00:21:12,740

issue here with the Illuminati and the

443

00:21:20,050 --> 00:21:17,600

Cabal here in the West and they're very

444

00:21:22,930 --> 00:21:20,060

concerned about the Chinese government

445

00:21:27,460 --> 00:21:22,940

or population becoming another first

446

00:21:29,950 --> 00:21:27,470

world power and they want to supposedly

447

00:21:32,830 --> 00:21:29,960

stop that slow it down so they actually

448

00:21:35,700 --> 00:21:32,840

have an incentive to see the Draco and

449

00:21:38,140 --> 00:21:35,710

all that stuff going on but like I said

450

00:21:40,150 --> 00:21:38,150

while they're planning all this stuff

451
00:21:43,000 --> 00:21:40,160
there's another agenda with the AI

452
00:21:44,680 --> 00:21:43,010
coming in and taking over and that's not

453
00:21:47,320 --> 00:21:44,690
being discussed in any media because

454
00:21:49,330 --> 00:21:47,330
nobody governments they don't want

455
00:21:50,980 --> 00:21:49,340
people to know that there are very

456
00:21:54,430 --> 00:21:50,990
advanced AI that could do stuff like

457
00:21:59,380 --> 00:21:54,440
this and ETS and aliens and all the

458
00:22:03,460 --> 00:21:59,390
stuff it's all real but because they've

459
00:22:05,920 --> 00:22:03,470
lied to us about for so long about the

460
00:22:07,480 --> 00:22:05,930
whole you know for all the secrecy that

461
00:22:09,130 --> 00:22:07,490
they've got a problem they can't go out

462
00:22:10,690 --> 00:22:09,140
and tell people what's going on because

463
00:22:13,330 --> 00:22:10,700

and then about the myth that they lied

464

00:22:15,549 --> 00:22:13,340

to us and then if they lied to us and

465

00:22:18,909 --> 00:22:15,559

the whole everything is going to open up

466

00:22:20,799 --> 00:22:18,919

so I'm sorry about like the floodgate of

467

00:22:23,940 --> 00:22:20,809

all the secrecy not just talking about

468

00:22:27,220 --> 00:22:23,950

ETS we're talking about free energy

469

00:22:30,789 --> 00:22:27,230

cancer cures and you know you name it

470

00:22:34,180 --> 00:22:30,799

all the suppressed text and pedophilia

471

00:22:38,799 --> 00:22:34,190

and on so alright so moving on here in

472

00:22:40,659 --> 00:22:38,809

the timeline while that's going on Chris

473

00:22:43,960 --> 00:22:40,669

Chyna puts everything down and lockdown

474

00:22:46,720 --> 00:22:43,970

and flights all get forums stopped from

475

00:22:49,960 --> 00:22:46,730

going into China least in the US and so

476
00:22:52,480 --> 00:22:49,970
on and now going on what's going on in

477
00:22:53,680 --> 00:22:52,490
Italy they put that that that country

478
00:22:56,350 --> 00:22:53,690
down on lockdown

479
00:23:00,310 --> 00:22:56,360
and I've heard recently they start

480
00:23:03,129 --> 00:23:00,320
shutting down schools and Europe and the

481
00:23:04,509 --> 00:23:03,139
Czech Republic is what I heard so yeah

482
00:23:07,090 --> 00:23:04,519
things are just it started

483
00:23:09,399 --> 00:23:07,100
although Northern Europe and the UK so

484
00:23:13,389 --> 00:23:09,409
on they haven't done a lot of quarantine

485
00:23:15,730 --> 00:23:13,399
there but there's been a the upper

486
00:23:19,330 --> 00:23:15,740
echelon of and the UK government has

487
00:23:22,029 --> 00:23:19,340
told doctors to stock up for at least 60

488
00:23:23,769 --> 00:23:22,039

days of food because once quarantine

489

00:23:28,149 --> 00:23:23,779

takes place everybody's going to panic

490

00:23:30,190 --> 00:23:28,159

and basically do a clearing out to clear

491

00:23:33,669 --> 00:23:30,200

out the grocery stores of food and so on

492

00:23:36,009 --> 00:23:33,679

so they're telling basically now's the

493

00:23:38,529 --> 00:23:36,019

time to go out I'm not saying if you're

494

00:23:39,700 --> 00:23:38,539

a doctor but if you're aware and you're

495

00:23:41,440 --> 00:23:39,710

listening to this and you want to

496

00:23:44,619 --> 00:23:41,450

prepare yourself very least you should

497

00:23:47,470 --> 00:23:44,629

do to get yourself some couple bags of

498

00:23:52,480 --> 00:23:47,480

rice and beans it's frozen

499

00:23:56,619 --> 00:23:52,490

I'm not dried good to try so on mm-hmm

500

00:23:59,830 --> 00:23:56,629

to keep yourself going for the paper as

501
00:24:01,389 --> 00:23:59,840
well I'm not sure necessarily saying

502
00:24:02,919 --> 00:24:01,399
face Matt's going to do much because

503
00:24:05,310 --> 00:24:02,929
what we're looking at here is that the

504
00:24:08,409 --> 00:24:05,320
virus is actually a lot small smaller

505
00:24:10,960 --> 00:24:08,419
particulate size so it can actually even

506
00:24:14,049 --> 00:24:10,970
go through even like the n95 is not even

507
00:24:15,340 --> 00:24:14,059
that effective so basically face masks

508
00:24:18,279 --> 00:24:15,350
are best for people that are ready

509
00:24:21,430 --> 00:24:18,289
infected let's get sick the ones that

510
00:24:23,019 --> 00:24:21,440
aren't but I would say just keep your

511
00:24:24,159 --> 00:24:23,029
immune system up there's a you could do

512
00:24:27,030 --> 00:24:24,169
elderberry

513
00:24:28,590 --> 00:24:27,040

get a couple maybe get a

514

00:24:30,620 --> 00:24:28,600

have dried elder billith bear you can

515

00:24:33,960 --> 00:24:30,630

make your own spend a lot of money

516

00:24:36,480 --> 00:24:33,970

I'm not recognition recommending MMS but

517

00:24:38,670 --> 00:24:36,490

there are currently that has been shown

518

00:24:41,730 --> 00:24:38,680

to be somewhat effective as well I just

519

00:24:45,900 --> 00:24:41,740

don't really think drinking bleach even

520

00:24:48,450 --> 00:24:45,910

hosts so Lincoln I can really I'm sure

521

00:24:50,580 --> 00:24:48,460

are you familiar with MMS no I'm talking

522

00:24:52,560 --> 00:24:50,590

about very very little can you explain

523

00:24:55,080 --> 00:24:52,570

that a little bit okay yeah well that

524

00:24:57,500 --> 00:24:55,090

was the John was it was it Jim Hubbell I

525

00:25:02,100 --> 00:24:57,510

think or yeah he came up with this

526

00:25:04,590 --> 00:25:02,110

chlorine chlorine chloride chlorine

527

00:25:06,990 --> 00:25:04,600

dioxide or chloride oxide I think is

528

00:25:10,680 --> 00:25:07,000

it's basically a form of bleach that

529

00:25:12,690 --> 00:25:10,690

stays it turns into bleach for about 30

530

00:25:15,570 --> 00:25:12,700

minutes and then it turns into salt so

531

00:25:17,460 --> 00:25:15,580

when you take it in your body it goes in

532

00:25:18,690 --> 00:25:17,470

there and kills off all the bad critters

533

00:25:20,340 --> 00:25:18,700

for about 30 minutes and then just

534

00:25:23,850 --> 00:25:20,350

change the salt so you drink a lot of

535

00:25:25,500 --> 00:25:23,860

water but I really think you really

536

00:25:27,870 --> 00:25:25,510

don't want to have my opinion I think

537

00:25:29,430 --> 00:25:27,880

it's not really good thing to kind of

538

00:25:31,470 --> 00:25:29,440

put a lot of stuff in your body that's

539

00:25:33,150 --> 00:25:31,480

going to be cause a lot of free radicals

540

00:25:35,280 --> 00:25:33,160

and stuff I just think there's there's a

541

00:25:40,710 --> 00:25:35,290

better way of keeping your immune system

542

00:25:43,020 --> 00:25:40,720

up than that but if if you have some by

543

00:25:45,870 --> 00:25:43,030

all means give it a shot you know it's

544

00:25:48,990 --> 00:25:45,880

better than getting sick so anyway

545

00:25:51,030 --> 00:25:49,000

but the point is is that don't go into

546

00:25:52,140 --> 00:25:51,040

fear because there's another agenda

547

00:25:59,190 --> 00:25:52,150

going on here

548

00:26:01,620 --> 00:25:59,200

and that is the mass arrest so while we

549

00:26:03,810 --> 00:26:01,630

have this corona virus spreading like

550

00:26:05,370 --> 00:26:03,820

crazy an AI that's taken it over and

551
00:26:09,780 --> 00:26:05,380
killing off people who are negative and

552
00:26:12,240 --> 00:26:09,790
inner fear we have the white knights in

553
00:26:14,370 --> 00:26:12,250
our military who have been putting

554
00:26:16,590 --> 00:26:14,380
together a plan for the last 20-30 years

555
00:26:22,290 --> 00:26:16,600
if not longer it's really began around

556
00:26:25,470 --> 00:26:22,300
1980 to bring about these prosperity

557
00:26:27,630 --> 00:26:25,480
programs to the public and heritage

558
00:26:30,060 --> 00:26:27,640
funds which belong to humanity these

559
00:26:32,370 --> 00:26:30,070
funds are and the quintillions if not

560
00:26:36,210 --> 00:26:32,380
more I've heard I mean I've heard

561
00:26:38,520 --> 00:26:36,220
quadrillion I'm Quatro Quatro - Ian

562
00:26:40,020 --> 00:26:38,530
which is like I think it's 45 zeros if

563
00:26:42,240 --> 00:26:40,030

I'm not mistaken

564

00:26:44,370 --> 00:26:42,250

it is a lot of money that's out there

565

00:26:46,350 --> 00:26:44,380

and this money belongs to humanity the

566

00:26:48,060 --> 00:26:46,360

Cabal has been using it for their secret

567

00:26:52,800 --> 00:26:48,070

space program as well as their

568

00:26:56,550 --> 00:26:52,810

underground bases and we have been kept

569

00:26:58,160 --> 00:26:56,560

nothing as but nothing but slates there

570

00:27:00,240 --> 00:26:58,170

are technologies like

571

00:27:04,350 --> 00:27:00,250

replicators just like you see in Star

572

00:27:05,700 --> 00:27:04,360

Trek where you can quantum 3d print it's

573

00:27:06,330 --> 00:27:05,710

actually phones they used to form Derek

574

00:27:08,640 --> 00:27:06,340

energies

575

00:27:11,370 --> 00:27:08,650

it's a little bit better than 3d

576
00:27:15,180 --> 00:27:11,380
printing but yeah you can print whatever

577
00:27:17,400 --> 00:27:15,190
you want food clothing furniture homes

578
00:27:20,370 --> 00:27:17,410
yeah so there's no need for money

579
00:27:22,800 --> 00:27:20,380
there's technology to reach you to

580
00:27:25,560 --> 00:27:22,810
whatever age you want to be at or and

581
00:27:28,920 --> 00:27:25,570
get rid of any kind of disease or alikum

582
00:27:32,040 --> 00:27:28,930
anything that's bothering you even like

583
00:27:35,010 --> 00:27:32,050
genetic disorders we can reformat the

584
00:27:38,460 --> 00:27:35,020
DNA there's technologies that do that so

585
00:27:41,220 --> 00:27:38,470
let harder but they can do it there's

586
00:27:43,230 --> 00:27:41,230
technologies of course for looking at it

587
00:27:44,850 --> 00:27:43,240
- the timelines time travel so we don't

588
00:27:46,170 --> 00:27:44,860

have to worry about anybody dying from a

589

00:27:48,330 --> 00:27:46,180

disasters anymore we can just go back

590

00:27:51,000 --> 00:27:48,340

and change the timeline everybody be

591

00:27:53,070 --> 00:27:51,010

fine there's time there's technologies

592

00:27:56,220 --> 00:27:53,080

for teleportation of course the anthea

593

00:27:59,310 --> 00:27:56,230

and to grow predict technologies to you

594

00:28:02,070 --> 00:27:59,320

know for levitation and so yeah this is

595

00:28:05,040 --> 00:28:02,080

uh this is the world that Tesla wanted

596

00:28:07,470 --> 00:28:05,050

for us and we're about to go into it but

597

00:28:10,860 --> 00:28:07,480

we can't do it because the Cabal is so

598

00:28:13,850 --> 00:28:10,870

powerful and so pervasive every part of

599

00:28:17,090 --> 00:28:13,860

society and the brainwashing is just so

600

00:28:20,940 --> 00:28:17,100

extreme on so many people have no clue

601
00:28:23,400 --> 00:28:20,950
what's going on but I'm hoping that this

602
00:28:25,500 --> 00:28:23,410
will maybe I really think their eyes are

603
00:28:27,300 --> 00:28:25,510
going to start waking up because we're

604
00:28:29,910 --> 00:28:27,310
opening up because once they see these

605
00:28:31,500 --> 00:28:29,920
nice arrests well they're probably not

606
00:28:33,720 --> 00:28:31,510
going to see it until way after it

607
00:28:37,410 --> 00:28:33,730
happens because we're apparently the

608
00:28:39,690 --> 00:28:37,420
timeline we're looking at here is around

609
00:28:42,020 --> 00:28:39,700
March 16th local events should be strong

610
00:28:45,810 --> 00:28:42,030
you can't cancel because of coronavirus

611
00:28:47,970 --> 00:28:45,820
around March 23rd the US will go into

612
00:28:50,220 --> 00:28:47,980
coronavirus quarantine for three weeks

613
00:28:53,820 --> 00:28:50,230

shortly after martial law be declared

614

00:28:57,330 --> 00:28:53,830

the corona virus is a white house often

615

00:28:59,940 --> 00:28:57,340

real threat apparently is what this

616

00:29:01,950 --> 00:28:59,950

source says and then it says here

617

00:29:04,080 --> 00:29:01,960

March 30th the US return to gold

618

00:29:07,350 --> 00:29:04,090

standard April 12th

619

00:29:10,049 --> 00:29:07,360

first arrest publicly I'm sorry first

620

00:29:13,379 --> 00:29:10,059

arrest predicted by Q Barack Hussein

621

00:29:15,659 --> 00:29:13,389

Obama this will start to awaken the Mac

622

00:29:17,999 --> 00:29:15,669

public social media be significantly

623

00:29:18,749 --> 00:29:18,009

disrupted afterward Waterfall the rest

624

00:29:21,239 --> 00:29:18,759

was occur

625

00:29:25,649 --> 00:29:21,249

I'm sure Nancy Pelosi you'd be part of

626
00:29:27,720 --> 00:29:25,659
that and Hillary Rodham Clinton so and

627
00:29:29,729 --> 00:29:27,730
then I'm not sure if we're going to go

628
00:29:31,919 --> 00:29:29,739
to like in the sorrow timeline or maybe

629
00:29:34,019 --> 00:29:31,929
they got some other plan but I really do

630
00:29:36,239 --> 00:29:34,029
feel like the Heritage funds will will

631
00:29:39,299 --> 00:29:36,249
finally be released and then they're

632
00:29:42,779 --> 00:29:39,309
saying by July full et disclosure work

633
00:29:45,149 --> 00:29:42,789
will occur so that seems like a really

634
00:29:46,440 --> 00:29:45,159
good positive timeline for me I don't

635
00:29:50,249 --> 00:29:46,450
know how many deaths how many people are

636
00:29:54,389 --> 00:29:50,259
going to die in the process but yeah so

637
00:29:59,310 --> 00:29:54,399
as far as you know if you're listening

638
00:30:00,869 --> 00:29:59,320

to this just stay positive and just you

639

00:30:04,129 --> 00:30:00,879

know keep looking for the signs I mean

640

00:30:08,249 --> 00:30:04,139

we're already seeing that right now with

641

00:30:10,590 --> 00:30:08,259

the the lockdown here in the US I'm

642

00:30:12,989 --> 00:30:10,600

sorry I'm not lockdown they stopped the

643

00:30:18,090 --> 00:30:12,999

flight just recently sure sure you've

644

00:30:20,340 --> 00:30:18,100

heard about that and also they prompt

645

00:30:24,989 --> 00:30:20,350

wants to put a block on payroll

646

00:30:26,729 --> 00:30:24,999

collections for the rest of the year so

647

00:30:29,340 --> 00:30:26,739

I really don't think we're ever gonna

648

00:30:31,200 --> 00:30:29,350

see you come back now he said only on

649

00:30:33,239 --> 00:30:31,210

businesses affected by coronavirus but

650

00:30:35,249 --> 00:30:33,249

you know what this goes into lockdown

651
00:30:37,440 --> 00:30:35,259
that should be all of us if you're in

652
00:30:38,820 --> 00:30:37,450
the u.s. so I really think it's going to

653
00:30:42,180 --> 00:30:38,830
be doing we're going to see the end of

654
00:30:43,729 --> 00:30:42,190
the IRS pretty soon and as well and I

655
00:30:46,799 --> 00:30:43,739
don't think it's ever going to come back

656
00:30:50,099 --> 00:30:46,809
because under nosara we're supposed to

657
00:30:52,889 --> 00:30:50,109
go to a flat flat tax of I think they

658
00:30:54,779 --> 00:30:52,899
said twelve fifteen percent but you know

659
00:30:56,729 --> 00:30:54,789
what there's so much money out there we

660
00:30:58,950 --> 00:30:56,739
don't even need to have tax taxation I

661
00:31:00,629 --> 00:30:58,960
you know once you have your replicator

662
00:31:02,509 --> 00:31:00,639
you really care a lot so you can just

663
00:31:03,840 --> 00:31:02,519

print them much you can mail to them

664

00:31:07,590 --> 00:31:03,850

seriously

665

00:31:10,110 --> 00:31:07,600

money is going away pretty soon okay so

666

00:31:13,220 --> 00:31:10,120

so any other questions you got yeah I

667

00:31:17,250 --> 00:31:13,230

think it's really interesting about the

668

00:31:20,659 --> 00:31:17,260

AI that you mentioned because it just

669

00:31:22,919 --> 00:31:20,669

yes last night I was watching CNBC and

670

00:31:25,529 --> 00:31:22,929

one of their one of my favorite

671

00:31:27,570 --> 00:31:25,539

commentators Tom Lee came on and he was

672

00:31:30,029 --> 00:31:27,580

talking about exactly what you're saying

673

00:31:32,520 --> 00:31:30,039

that this AI they were asking like why

674

00:31:35,850 --> 00:31:32,530

is the market so you know getting just

675

00:31:38,039 --> 00:31:35,860

guttled and he mentioned that this AI is

676
00:31:40,770 --> 00:31:38,049
literally taking into consideration

677
00:31:43,320 --> 00:31:40,780
things like social media what's trending

678
00:31:45,720 --> 00:31:43,330
what people's feelings are what their

679
00:31:47,970 --> 00:31:45,730
thoughts are on coronavirus and this is

680
00:31:53,730 --> 00:31:47,980
on CNBC so I mean I think there's a lot

681
00:31:54,779 --> 00:31:53,740
of reality to that yeah I don't think

682
00:31:58,200 --> 00:31:54,789
the stock market is ever going to come

683
00:32:01,950 --> 00:31:58,210
back so if you're in it I'm you I mean

684
00:32:03,990 --> 00:32:01,960
if you're at well okay so maybe if you

685
00:32:07,980 --> 00:32:04,000
were to buy some stock in companies such

686
00:32:11,669 --> 00:32:07,990
that sells hand sanitizers and air mass

687
00:32:15,360 --> 00:32:11,679
like 3m you might actually make a little

688
00:32:18,419 --> 00:32:15,370

bit of money but I really feel like once

689

00:32:20,100 --> 00:32:18,429

we go into this new system stocks and

690

00:32:23,070 --> 00:32:20,110

corporations and all that stuff is

691

00:32:25,049 --> 00:32:23,080

really going away I mean there's so

692

00:32:27,630 --> 00:32:25,059

still will be a transition period of a

693

00:32:31,500 --> 00:32:27,640

few years before you know everybody has

694

00:32:33,270 --> 00:32:31,510

this tech in their house but the economy

695

00:32:35,310 --> 00:32:33,280

once once the US goes under quarantine

696

00:32:36,899 --> 00:32:35,320

the economy as we know it is going to be

697

00:32:37,830 --> 00:32:36,909

coming to an end and it's not going to

698

00:32:40,799 --> 00:32:37,840

be rebooted

699

00:32:45,060 --> 00:32:40,809

I'm unless they bring out the new text

700

00:32:47,430 --> 00:32:45,070

because we are living in a slave grid

701
00:32:49,710 --> 00:32:47,440
and the Trump administration knows this

702
00:32:52,470 --> 00:32:49,720
and despite the fact that a lot of

703
00:32:54,950 --> 00:32:52,480
people cost say orange man bad and think

704
00:32:58,430 --> 00:32:54,960
that he is a particle ball missing nanny

705
00:33:00,810 --> 00:32:58,440
beaters women and you know the point is

706
00:33:04,320 --> 00:33:00,820
there is an art of the deal and I'm not

707
00:33:07,260 --> 00:33:04,330
saying that I necessarily agree with his

708
00:33:09,419 --> 00:33:07,270
women womanizing gauges but I do not

709
00:33:11,399 --> 00:33:09,429
believe that II as part of those at

710
00:33:14,880 --> 00:33:11,409
least what I was told is that he is one

711
00:33:17,280 --> 00:33:14,890
of these uh he is a star seed I walk in

712
00:33:18,990 --> 00:33:17,290
I think walk in is what I heard because

713
00:33:20,760 --> 00:33:19,000

I heard different sources on but he's

714

00:33:21,240 --> 00:33:20,770

from basically as so energy comes from

715

00:33:23,070 --> 00:33:21,250

the Sierra

716

00:33:25,310 --> 00:33:23,080

he's not one of these reptilian

717

00:33:27,810 --> 00:33:25,320

shapeshifters that like to drink blood

718

00:33:30,360 --> 00:33:27,820

like Al Gore and some of these other

719

00:33:36,150 --> 00:33:30,370

people by people Oh

720

00:33:37,440 --> 00:33:36,160

shifty shift bunch of reptilians so and

721

00:33:39,330 --> 00:33:37,450

by the way not all reptilians are bad

722

00:33:41,340 --> 00:33:39,340

but the ones that you know that are

723

00:33:44,820 --> 00:33:41,350

pedophiles and drinking adrenochrome and

724

00:33:46,680 --> 00:33:44,830

all that stuff there yeah we can't bless

725

00:33:48,390 --> 00:33:46,690

them we can't have them ruling us

726
00:33:50,790 --> 00:33:48,400
anymore like like they've been doing the

727
00:33:53,310 --> 00:33:50,800
royalty thinking that they're that they

728
00:33:53,940 --> 00:33:53,320
well sometimes I guess they got away

729
00:33:56,100 --> 00:33:53,950
with it

730
00:33:57,930 --> 00:33:56,110
they made deals the royalty made deals

731
00:33:59,880 --> 00:33:57,940
with the Rothschilds and Rothschilds

732
00:34:02,850 --> 00:33:59,890
were responsible for collecting the

733
00:34:04,710 --> 00:34:02,860
money and you know the whole system was

734
00:34:06,510 --> 00:34:04,720
all all basically with it you know the

735
00:34:08,460 --> 00:34:06,520
lot the I as a pyramid it was put to

736
00:34:11,040 --> 00:34:08,470
control the rest of us the problem is

737
00:34:14,310 --> 00:34:11,050
now that we're going to this new age of

738
00:34:15,600 --> 00:34:14,320

where were all this new technologies but

739

00:34:16,830 --> 00:34:15,610

we brought out we're all going to be in

740

00:34:19,800 --> 00:34:16,840

the eye of the pyramid we're all going

741

00:34:20,940 --> 00:34:19,810

to be I'm gonna say gods but well

742

00:34:23,669 --> 00:34:20,950

certainly you know if you have

743

00:34:25,800 --> 00:34:23,679

technology that could be considered God

744

00:34:27,690 --> 00:34:25,810

liked and you it would certainly allow

745

00:34:32,280 --> 00:34:27,700

us to become to our fullest highest

746

00:34:34,230 --> 00:34:32,290

potential so yeah but as far as the AI

747

00:34:37,260 --> 00:34:34,240

is concerned I'm not necessarily going

748

00:34:39,210 --> 00:34:37,270

to worry too much about that there there

749

00:34:40,830 --> 00:34:39,220

are numerous a eyes on this planet they

750

00:34:44,159 --> 00:34:40,840

all got their own agendas most of them

751
00:34:46,129 --> 00:34:44,169
are negative some are positive there's

752
00:34:50,610 --> 00:34:46,139
certain certainly there's a positive

753
00:34:54,840 --> 00:34:50,620
timeline there a eyes on our future that

754
00:34:56,490 --> 00:34:54,850
are sent people back in time to alter

755
00:34:59,550 --> 00:34:56,500
the timeline so there's a lot of

756
00:35:01,710 --> 00:34:59,560
temporal activity going on here as well

757
00:35:03,540 --> 00:35:01,720
to Montauk and to what was going on to

758
00:35:05,280 --> 00:35:03,550
the Third Reich they had their own time

759
00:35:06,750 --> 00:35:05,290
travel programs and everybody's got

760
00:35:09,990 --> 00:35:06,760
their own different agendas but

761
00:35:12,060 --> 00:35:10,000
ultimately I think mother earth and the

762
00:35:14,310 --> 00:35:12,070
positive ascension timeline is going to

763
00:35:17,040 --> 00:35:14,320

win out where humanity is free from

764

00:35:20,550 --> 00:35:17,050

their slave grid and despite whatever

765

00:35:22,610 --> 00:35:20,560

you know I mean even even when they had

766

00:35:27,690 --> 00:35:22,620

the looking-glass technology if you

767

00:35:29,880 --> 00:35:27,700

looked into dan burisch and the when

768

00:35:32,220 --> 00:35:29,890

they were looking into this I guess it

769

00:35:34,650 --> 00:35:32,230

was right before I'm sure what year was

770

00:35:36,630 --> 00:35:34,660

maybe of 2010 or prior that they were

771

00:35:39,359 --> 00:35:36,640

look at using looking-glass to look into

772

00:35:42,240 --> 00:35:39,369

future past 2012 to see what was going

773

00:35:43,589 --> 00:35:42,250

to happen and they every time they would

774

00:35:45,120 --> 00:35:43,599

look in the future it was always a

775

00:35:47,039 --> 00:35:45,130

positive attention time line it matters

776

00:35:50,069 --> 00:35:47,049

it didn't matter whatever they did it

777

00:35:51,720 --> 00:35:50,079

was always positive at the end and then

778

00:35:55,500 --> 00:35:51,730

around 2012 the technology stopped

779

00:35:58,289 --> 00:35:55,510

working so I think that's where we are

780

00:36:00,089 --> 00:35:58,299

right now it doesn't matter what anyone

781

00:36:02,910 --> 00:36:00,099

does it's always going to have a

782

00:36:06,599 --> 00:36:02,920

positive result so that's why I'm not

783

00:36:10,440 --> 00:36:06,609

gonna live in fear or anything but you

784

00:36:12,960 --> 00:36:10,450

know unfortunately um some people may

785

00:36:15,059 --> 00:36:12,970

die so if you have somebody have a loved

786

00:36:17,190 --> 00:36:15,069

one who is past the age of 70 because

787

00:36:19,859 --> 00:36:17,200

that's usually who's effective most just

788

00:36:21,900 --> 00:36:19,869

you know look out for them get get like

789

00:36:26,010 --> 00:36:21,910

I said get some elderberry some you know

790

00:36:27,960 --> 00:36:26,020

even like a high dose of vitamin C mega

791

00:36:30,059 --> 00:36:27,970

dose has been shown to be somewhat

792

00:36:31,859 --> 00:36:30,069

effective as well they were showing some

793

00:36:33,690 --> 00:36:31,869

results of the intravenous but I'm not

794

00:36:37,980 --> 00:36:33,700

saying you know do intravenous 5 to C

795

00:36:39,779 --> 00:36:37,990

but you know if you do get sick it could

796

00:36:43,710 --> 00:36:39,789

be something to consider

797

00:36:46,230 --> 00:36:43,720

that is so that's so interesting that it

798

00:36:48,269 --> 00:36:46,240

does seem it really in my opinion it

799

00:36:50,160 --> 00:36:48,279

does seem that you know there's a lot of

800

00:36:52,500 --> 00:36:50,170

things that we're coming the

801
00:36:56,599 --> 00:36:52,510
coincidences you know space for it's

802
00:36:59,880 --> 00:36:56,609
this Chinese trade war and then we have

803
00:37:02,099 --> 00:36:59,890
it seems like there is I mean the lock

804
00:37:06,000 --> 00:37:02,109
down of Europe now I heard there's tanks

805
00:37:09,059 --> 00:37:06,010
and the streets of Italy and it is just

806
00:37:12,539 --> 00:37:09,069
brutal it does seem like there is some

807
00:37:14,819 --> 00:37:12,549
kind of underlying way that this is just

808
00:37:19,380 --> 00:37:14,829
travelling with a speed that we've never

809
00:37:20,940 --> 00:37:19,390
seen before yeah this is not this is

810
00:37:22,589 --> 00:37:20,950
nothing normal something that some

811
00:37:24,359 --> 00:37:22,599
people say oh this is just a common flu

812
00:37:26,880 --> 00:37:24,369
it's cold will go away when the weather

813
00:37:29,970 --> 00:37:26,890

gets warm I think maybe the SARS

814

00:37:33,240 --> 00:37:29,980

component may may clear up some but it's

815

00:37:37,859 --> 00:37:33,250

it's already airborne it's gonna be and

816

00:37:39,870 --> 00:37:37,869

you know it's on the the toilet parently

817

00:37:42,660 --> 00:37:39,880

now some the toilet paper it's it's

818

00:37:44,130 --> 00:37:42,670

everywhere so once the weather starts

819

00:37:45,299 --> 00:37:44,140

getting cold again in the fall you know

820

00:37:46,890 --> 00:37:45,309

unless they release the suppressed

821

00:37:49,319 --> 00:37:46,900

technologies to eliminate it

822

00:37:50,490 --> 00:37:49,329

can use some kind of nano dust there's

823

00:37:53,430 --> 00:37:50,500

probably there's probably ways that we

824

00:37:57,029 --> 00:37:53,440

could zap the planet certain frequencies

825

00:37:58,650 --> 00:37:57,039

even was it a particular royal royal

826

00:38:02,460 --> 00:37:58,660

rice he was working on the right

827

00:38:06,870 --> 00:38:02,470

frequencies back in the 1930s and he

828

00:38:09,870 --> 00:38:06,880

found that you could use certain

829

00:38:11,930 --> 00:38:09,880

frequencies to vibrate crystals just

830

00:38:14,789 --> 00:38:11,940

like glass you know an opera singer can

831

00:38:17,299 --> 00:38:14,799

some of them anyway can can break glass

832

00:38:20,309 --> 00:38:17,309

at a certain frequency can vibrate it

833

00:38:22,260 --> 00:38:20,319

the viruses are also crystalline so

834

00:38:26,279 --> 00:38:22,270

certain frequencies you can vibrate it

835

00:38:28,859 --> 00:38:26,289

as well and then you could also project

836

00:38:30,539 --> 00:38:28,869

these frequencies over cities or large

837

00:38:33,900 --> 00:38:30,549

areas or even a believ over the whole

838

00:38:35,640 --> 00:38:33,910

planet and eliminate the whole thing and

839

00:38:37,380 --> 00:38:35,650

you can do this for any kind of disease

840

00:38:39,750 --> 00:38:37,390

cancer or whatnot we can we can

841

00:38:41,700 --> 00:38:39,760

eliminate cancer over overnight on this

842

00:38:43,109 --> 00:38:41,710

planet but they don't want to do it

843

00:38:46,950 --> 00:38:43,119

because if pharmaceutical companies make

844

00:38:49,380 --> 00:38:46,960

so much money so unfortunately they I

845

00:38:53,279 --> 00:38:49,390

guess they I'm not I'm not sure if they

846

00:38:56,190 --> 00:38:53,289

killed rice um but they did suppress his

847

00:38:58,710 --> 00:38:56,200

research and destroyed a lot of his

848

00:39:00,839 --> 00:38:58,720

especial microscopes that he had that

849

00:39:03,950 --> 00:39:00,849

could be the viruses and by the way the

850

00:39:06,510 --> 00:39:03,960

right frequency the right because of the

851
00:39:08,279 --> 00:39:06,520
was at the human residence and as the

852
00:39:11,250 --> 00:39:08,289
planet goes through the galactic core

853
00:39:14,519 --> 00:39:11,260
because our solar system is constantly

854
00:39:16,529 --> 00:39:14,529
moving around the galaxy the frequencies

855
00:39:18,089 --> 00:39:16,539
are all changing so if you went back to

856
00:39:20,519 --> 00:39:18,099
the frequencies that ryf used back in

857
00:39:22,319 --> 00:39:20,529
the 1930s they do not work today that's

858
00:39:23,760 --> 00:39:22,329
why if you were to purchase a reich

859
00:39:25,170 --> 00:39:23,770
machine and you start running all these

860
00:39:26,670 --> 00:39:25,180
frequencies it's like you're not really

861
00:39:29,160 --> 00:39:26,680
finding it very effective it's that's

862
00:39:31,500 --> 00:39:29,170
the reason why by the way so you have to

863
00:39:35,220 --> 00:39:31,510

we need to get a whole new set of these

864

00:39:37,470 --> 00:39:35,230

frequencies may be the seeker space

865

00:39:39,299 --> 00:39:37,480

force and i'm sorry

866

00:39:41,640 --> 00:39:39,309

space for sorta sneakers based program

867

00:39:42,930 --> 00:39:41,650

the trump administration can get a hold

868

00:39:46,410 --> 00:39:42,940

of some of these frequencies and start

869

00:39:48,870 --> 00:39:46,420

projecting them but i don't know i

870

00:39:51,089 --> 00:39:48,880

really i'm not quite sure exactly how

871

00:39:54,180 --> 00:39:51,099

how they're going to resolve the end of

872

00:39:55,980 --> 00:39:54,190

the virus but I really do feel like we

873

00:39:57,750 --> 00:39:55,990

will see the mass arrests and the money

874

00:39:59,339 --> 00:39:57,760

and all that stuff and the end result

875

00:40:00,240 --> 00:39:59,349

all is to go the extremely positive for

876

00:40:03,870 --> 00:40:00,250

all of us

877

00:40:05,900 --> 00:40:03,880

even though it looks scary now for sure

878

00:40:09,480 --> 00:40:05,910

and when people like question the whole

879

00:40:11,370 --> 00:40:09,490

nikola tesla and you know these these

880

00:40:13,200 --> 00:40:11,380

amazing technologies and even time

881

00:40:15,359 --> 00:40:13,210

travel for that matter it's an

882

00:40:17,040 --> 00:40:15,369

interesting coincidence that trumps

883

00:40:21,930 --> 00:40:17,050

uncle if i'm not mistaken

884

00:40:25,200 --> 00:40:21,940

gathered all that information yeah well

885

00:40:27,660 --> 00:40:25,210

I mean his uncle he worked for that I

886

00:40:34,620 --> 00:40:27,670

think what was at the FBI and so he had

887

00:40:37,859 --> 00:40:34,630

access to Tesla's secret research when

888

00:40:41,839 --> 00:40:37,869

after he died so I'm pretty sure the

889

00:40:44,309 --> 00:40:41,849

uncle would have told you know Donald

890

00:40:46,740 --> 00:40:44,319

what's going on here at some point I

891

00:40:49,400 --> 00:40:46,750

mean Kristin maybe I don't think you

892

00:40:52,500 --> 00:40:49,410

necessarily and totally under NDA but

893

00:40:56,160 --> 00:40:52,510

certainly the the FBI's got a hold of

894

00:40:57,780 --> 00:40:56,170

access to all this and you know I was

895

00:40:59,609 --> 00:40:57,790

quite it's really quite a shame what

896

00:41:03,170 --> 00:40:59,619

happened to Tesla because they're there

897

00:41:07,170 --> 00:41:03,180

and they alternate parallel reality were

898

00:41:09,359 --> 00:41:07,180

Hitler won World War two they actually

899

00:41:13,109 --> 00:41:09,369

after they made at Washington DC they

900

00:41:16,140 --> 00:41:13,119

they set up an unlimited budget for

901
00:41:18,120 --> 00:41:16,150
Nikola Tesla and and that in that

902
00:41:19,859 --> 00:41:18,130
particular reality right now it's

903
00:41:24,750 --> 00:41:19,869
basically everybody's living in mansions

904
00:41:28,680 --> 00:41:24,760
and there is a there are some drawbacks

905
00:41:30,300 --> 00:41:28,690
to under the Nazi regime I don't I could

906
00:41:32,190 --> 00:41:30,310
go into that if you want but or we could

907
00:41:34,319 --> 00:41:32,200
stay focused on this but I'm saying is

908
00:41:36,569 --> 00:41:34,329
that there are realities were they were

909
00:41:40,859 --> 00:41:36,579
at least a reagent a canned neckla Tesla

910
00:41:42,569 --> 00:41:40,869
is still alive so yeah we if we could

911
00:41:44,970 --> 00:41:42,579
open up portals and doorways we could

912
00:41:50,520 --> 00:41:44,980
technical over there and talk to Tesla

913
00:41:52,050 --> 00:41:50,530

but anyway someday yeah anytime did you

914

00:41:56,280 --> 00:41:52,060

have any other questions you want to go

915

00:41:59,220 --> 00:41:56,290

over yeah you know the the whole it

916

00:42:01,800 --> 00:41:59,230

seems odd that um you know everybody was

917

00:42:03,620 --> 00:42:01,810

attacking Trump and there's been a lot

918

00:42:05,790 --> 00:42:03,630

that's fallen on his plate this is

919

00:42:08,250 --> 00:42:05,800

probably one of the worst things that's

920

00:42:10,950 --> 00:42:08,260

fallen on any presidents plate and he

921

00:42:12,450 --> 00:42:10,960

seems to be handling it in a way that

922

00:42:14,520 --> 00:42:12,460

he's not

923

00:42:19,550 --> 00:42:14,530

seems like he knows what's going on I

924

00:42:26,609 --> 00:42:23,700

yeah I really I really wonder if he even

925

00:42:29,520 --> 00:42:26,619

was aware of this AI component I mean I

926

00:42:32,280 --> 00:42:29,530

know the Trump administration is has

927

00:42:33,990 --> 00:42:32,290

been debriefed on the ETS from at least

928

00:42:37,109 --> 00:42:34,000

other whistleblowers have talked to me

929

00:42:39,540 --> 00:42:37,119

they say they've seen him in space he

930

00:42:42,560 --> 00:42:39,550

was debriefed he was taken aboard in the

931

00:42:45,540 --> 00:42:42,570

secret space program and some other

932

00:42:49,530 --> 00:42:45,550

whistleblowers not as well experiencers

933

00:42:51,240 --> 00:42:49,540

solving them up there but whether or not

934

00:42:53,490 --> 00:42:51,250

he still doesn't recall that I don't

935

00:42:57,060 --> 00:42:53,500

know but I really feel like space force

936

00:42:59,730 --> 00:42:57,070

and all whatever plans they have they

937

00:43:02,040 --> 00:42:59,740

are super eager to get these

938

00:43:06,960 --> 00:43:02,050

technologies out and they need the

939

00:43:10,740 --> 00:43:06,970

system to die as is and you can't do

940

00:43:12,720 --> 00:43:10,750

this by just you know some people say

941

00:43:15,060 --> 00:43:12,730

well why can't we just go ahead and do

942

00:43:20,250 --> 00:43:15,070

mass arrest well there's a collateral

943

00:43:22,650 --> 00:43:20,260

damage component because they could go

944

00:43:24,810 --> 00:43:22,660

in there and start blowing up buildings

945

00:43:27,300 --> 00:43:24,820

they could blow up cities they could

946

00:43:31,320 --> 00:43:27,310

launch nuclear weapons they could do so

947

00:43:35,670 --> 00:43:31,330

many bad things that it has to be done

948

00:43:38,640 --> 00:43:35,680

in a very controlled way and maybe by

949

00:43:40,560 --> 00:43:38,650

putting out all the u.s. maybe even the

950

00:43:43,290 --> 00:43:40,570

world under quarantine keep us locked in

951
00:43:45,630 --> 00:43:43,300
our homes they're less likely to kill us

952
00:43:50,160 --> 00:43:45,640
all I'm hoping maybe that's what it is

953
00:43:54,290 --> 00:43:50,170
but yeah so I really feel like Trump he

954
00:43:56,130 --> 00:43:54,300
knows what's going on and I think

955
00:43:59,339 --> 00:43:56,140
everything's going to work out as

956
00:44:00,650 --> 00:43:59,349
planned maybe not in the timeline that I

957
00:44:03,859 --> 00:44:00,660
just mentioned earlier you know

958
00:44:06,359 --> 00:44:03,869
quarantine and all that March 23rd and

959
00:44:12,450 --> 00:44:06,369
the gold standard it could be you know

960
00:44:15,839 --> 00:44:12,460
everything's in flux but yeah so from a

961
00:44:18,329 --> 00:44:15,849
an interesting from a from an outside

962
00:44:23,520 --> 00:44:18,339
perspective this this is interesting

963
00:44:25,290 --> 00:44:23,530

because I think that you know if if the

964

00:44:26,130 --> 00:44:25,300

government which is I mean their job is

965

00:44:28,680 --> 00:44:26,140

to govern the

966

00:44:30,599 --> 00:44:28,690

people if they were aware of something

967

00:44:31,920 --> 00:44:30,609

like this it would be irresponsible to

968

00:44:33,480 --> 00:44:31,930

just come right out and say it because

969

00:44:35,940 --> 00:44:33,490

people would freak out I mean look at

970

00:44:39,240 --> 00:44:35,950

how bad people are freaking out already

971

00:44:40,500 --> 00:44:39,250

you know and I want to do a Costco the

972

00:44:43,740 --> 00:44:40,510

other day and I turned right around and

973

00:44:46,559 --> 00:44:43,750

went right back out it's like I get it I

974

00:44:48,559 --> 00:44:46,569

get why people in government would try

975

00:44:58,200 --> 00:44:48,569

to keep some of these things at least

976
00:45:01,259 --> 00:44:58,210
undercover yeah so right now I guess I

977
00:45:03,809 --> 00:45:01,269
I've heard the most latest news that I

978
00:45:07,650 --> 00:45:03,819
have is that there are operations going

979
00:45:10,319 --> 00:45:07,660
on in Europe right now under NATO where

980
00:45:14,009 --> 00:45:10,329
they're trying to arrest the mayors of

981
00:45:15,599 --> 00:45:14,019
major European cities the American

982
00:45:19,490 --> 00:45:15,609
forces are going in there to arresting

983
00:45:22,019 --> 00:45:19,500
these blood drinkers and pedophiles so I

984
00:45:24,269 --> 00:45:22,029
mean obviously maybe that's what's

985
00:45:27,240 --> 00:45:24,279
really going on in Italy that we're not

986
00:45:32,160 --> 00:45:27,250
what we're not hearing about I'm hoping

987
00:45:33,960 --> 00:45:32,170
that's what it is but yes certainly the

988
00:45:36,660 --> 00:45:33,970

the news media is not going to let us

989

00:45:39,749 --> 00:45:36,670

know that a bunch of really bad people

990

00:45:42,089 --> 00:45:39,759

have been arrested especially if they're

991

00:45:44,849 --> 00:45:42,099

in control these news organizations and

992

00:45:47,069 --> 00:45:44,859

they're they're the mouthpiece they

993

00:45:49,200 --> 00:45:47,079

control the mouthpieces of information

994

00:45:52,349 --> 00:45:49,210

on this planet which they've done for

995

00:45:55,670 --> 00:45:52,359

for a long time with all their their

996

00:45:58,380 --> 00:45:55,680

money that they created out of nothing

997

00:46:02,549 --> 00:45:58,390

mm-hmm by purchasing all the newspapers

998

00:46:04,740 --> 00:46:02,559

and media but yeah and it's interesting

999

00:46:06,180 --> 00:46:04,750

that Italy is getting hit so hard and

1000

00:46:09,120 --> 00:46:06,190

we're talking about I mean that's

1001
00:46:11,670 --> 00:46:09,130
basically the home of the Vatican is the

1002
00:46:13,650 --> 00:46:11,680
Vatican gonna even exist after this is

1003
00:46:15,329 --> 00:46:13,660
something I've been asked by some

1004
00:46:22,499 --> 00:46:15,339
listeners and I don't know what to tell

1005
00:46:25,200 --> 00:46:22,509
people yeah well me there's a rumor that

1006
00:46:28,309 --> 00:46:25,210
the Pope has corona but I don't you know

1007
00:46:30,509 --> 00:46:28,319
it's also a rumor he just has the flu

1008
00:46:32,849 --> 00:46:30,519
we'll find out soon enough what he

1009
00:46:36,900 --> 00:46:32,859
really has but yeah there's something

1010
00:46:38,819 --> 00:46:36,910
really going on bad in Italy for them to

1011
00:46:39,620 --> 00:46:38,829
do this I mean that is of course where

1012
00:46:44,990 --> 00:46:39,630
the

1013
00:46:47,840 --> 00:46:45,000

so it's it's good to see that under

1014

00:46:50,090 --> 00:46:47,850

lockdown but like I said I I couldn't

1015

00:46:51,950 --> 00:46:50,100

really say when the actual timeline is

1016

00:46:54,050 --> 00:46:51,960

going to happen here

1017

00:46:56,930 --> 00:46:54,060

I've also Chris recently in the news uh

1018

00:47:01,040 --> 00:46:56,940

Tom Hanks came out with having the

1019

00:47:03,680 --> 00:47:01,050

corona virus and his wife so uh if you

1020

00:47:05,570 --> 00:47:03,690

know anything about Isaac Kathy who

1021

00:47:09,590 --> 00:47:05,580

accused Tom Hanks to being a pedophile

1022

00:47:11,720 --> 00:47:09,600

and and he was any also I don't know if

1023

00:47:13,850 --> 00:47:11,730

it was Kathy if it was someone else but

1024

00:47:17,390 --> 00:47:13,860

there's there's some Ted of files and

1025

00:47:19,640 --> 00:47:17,400

Hollywood that they they can just abuse

1026

00:47:23,330 --> 00:47:19,650

children and then there's some that kill

1027

00:47:26,090 --> 00:47:23,340

babies and eat them and yes some even

1028

00:47:29,860 --> 00:47:26,100

which would go on the really work

1029

00:47:33,440 --> 00:47:29,870

nastier part of it all and I think I

1030

00:47:35,840 --> 00:47:33,450

think Hanks is probably in probably

1031

00:47:38,090 --> 00:47:35,850

closer to that group although you know I

1032

00:47:41,420 --> 00:47:38,100

don't know personally I've never met the

1033

00:47:44,240 --> 00:47:41,430

guy but to me he looks like he drips

1034

00:47:45,950 --> 00:47:44,250

evil and so if I'm coming down

1035

00:47:47,810 --> 00:47:45,960

coronavirus either a that could be what

1036

00:47:50,230 --> 00:47:47,820

I just told you earlier with the AI

1037

00:47:54,440 --> 00:47:50,240

targeting people who are negative or B

1038

00:47:57,950 --> 00:47:54,450

maybe that's his cover just like was it

1039

00:48:02,240 --> 00:47:57,960

the no-name McCain supposedly when he

1040

00:48:04,790 --> 00:48:02,250

was a offed because uh you know

1041

00:48:07,910 --> 00:48:04,800

apparently he was taken to Gitmo or what

1042

00:48:10,070 --> 00:48:07,920

not given the bullet option because he

1043

00:48:12,830 --> 00:48:10,080

was so dirty I don't know if you looked

1044

00:48:15,140 --> 00:48:12,840

into that but he he was he was basically

1045

00:48:16,700 --> 00:48:15,150

the the Republican Party version of

1046

00:48:18,110 --> 00:48:16,710

Hillary Clinton and they and they both

1047

00:48:20,600 --> 00:48:18,120

work together and you know the McCain

1048

00:48:22,220 --> 00:48:20,610

Foundation and the Clinton Foundation

1049

00:48:24,080 --> 00:48:22,230

they were all they're all in it all

1050

00:48:26,360 --> 00:48:24,090

together and the tile of a trafficking

1051

00:48:28,160 --> 00:48:26,370

drug trafficking we're talking heroin

1052

00:48:31,670 --> 00:48:28,170

and all that so

1053

00:48:36,170 --> 00:48:31,680

McCain's gone space forces in next step

1054

00:48:38,210 --> 00:48:36,180

is to get Russ Brock and then Hillary

1055

00:48:41,450 --> 00:48:38,220

Clinton and then ya get the suppress

1056

00:48:43,160 --> 00:48:41,460

technologies out unbelievable and yeah

1057

00:48:45,260 --> 00:48:43,170

for those that aren't familiar with

1058

00:48:47,690 --> 00:48:45,270

Isaac Cappy it's definitely something to

1059

00:48:50,060 --> 00:48:47,700

check out I think it's brackets and

1060

00:48:52,820 --> 00:48:50,070

jackets as this video is one that I that

1061

00:48:55,460 --> 00:48:52,830

blew me away and he was taken

1062

00:48:59,960 --> 00:48:55,470

I mean at least he died under suspicious

1063

00:49:02,750 --> 00:48:59,970

circumstances and also in Arizona land

1064

00:49:05,870 --> 00:49:02,760

of became but Issac Cappy there were a

1065

00:49:07,730 --> 00:49:05,880

bunch of people and Tom Hanks was one of

1066

00:49:10,250 --> 00:49:07,740

those I thought it was very strange

1067

00:49:12,020 --> 00:49:10,260

James when when Tom Hanks came out and

1068

00:49:14,570 --> 00:49:12,030

said that he had the coronavirus because

1069

00:49:17,120 --> 00:49:14,580

that's exactly immediately being

1070

00:49:18,740 --> 00:49:17,130

somewhat might you know mindful of these

1071

00:49:21,140 --> 00:49:18,750

things that's where my mind went was

1072

00:49:24,170 --> 00:49:21,150

well that's a coincidence like you know

1073

00:49:25,850 --> 00:49:24,180

that he would get this so quick being

1074

00:49:31,760 --> 00:49:25,860

from Hollywood and being accused of so

1075

00:49:33,950 --> 00:49:31,770

many bad things yeah I agree I think

1076

00:49:35,750 --> 00:49:33,960

it's probably just a cover I mean maybe

1077

00:49:38,540 --> 00:49:35,760

he really does have something really bad

1078

00:49:40,820 --> 00:49:38,550

but you know what all I mean I don't

1079

00:49:42,380 --> 00:49:40,830

want to cast judgment on the guy if he's

1080

00:49:46,550 --> 00:49:42,390

in it I really don't think he's in it

1081

00:49:47,930 --> 00:49:46,560

but whatever whatever and whatever he

1082

00:49:50,260 --> 00:49:47,940

deserves I think the universe would give

1083

00:49:52,630 --> 00:49:50,270

it to him soon enough sooner than later

1084

00:49:56,300 --> 00:49:52,640

but yeah certainly there are a lot of

1085

00:49:58,250 --> 00:49:56,310

what happened with Cathy I mean what was

1086

00:50:00,650 --> 00:49:58,260

it like on the day that he died

1087

00:50:03,410 --> 00:50:00,660

Tom Hanks posted something on his

1088

00:50:06,530 --> 00:50:03,420

Twitter page about route 66 which is

1089

00:50:08,570 --> 00:50:06,540

right because they're happy you're

1090

00:50:11,180 --> 00:50:08,580

kidding me I don't know that oh my gosh

1091

00:50:14,210 --> 00:50:11,190

yeah he says he committed apparently

1092

00:50:16,400 --> 00:50:14,220

committed suicide on route 66 was it off

1093

00:50:19,280 --> 00:50:16,410

a bridge or yeah when go out 20 foot

1094

00:50:21,620 --> 00:50:19,290

bridge I think yeah and then he had the

1095

00:50:23,180 --> 00:50:21,630

glove too and I don't quite understand

1096

00:50:27,800 --> 00:50:23,190

why he has all these gloves it's almost

1097

00:50:30,710 --> 00:50:27,810

kind of weird um what it what kind of

1098

00:50:32,540 --> 00:50:30,720

messages he's trying to portray and the

1099

00:50:34,100 --> 00:50:32,550

thing is is that if you go on a Twitter

1100

00:50:35,660 --> 00:50:34,110

page and you read the comment it's like

1101

00:50:37,580 --> 00:50:35,670

half the comments are accusing him being

1102

00:50:39,290 --> 00:50:37,590

a pedophile and he's not deleting any of

1103

00:50:42,500 --> 00:50:39,300

them or saying hey he's not responding

1104

00:50:45,470 --> 00:50:42,510

it's just like how in the world can even

1105

00:50:48,500 --> 00:50:45,480

be in public um with all this going on

1106

00:50:50,410 --> 00:50:48,510

but maybe that's why he's not it's a

1107

00:50:53,020 --> 00:50:50,420

holiday in Australia right

1108

00:50:56,060 --> 00:50:53,030

probably holiday and get Miller like

1109

00:50:57,580 --> 00:50:56,070

right yeah that was really weird

1110

00:51:00,290 --> 00:50:57,590

that was really weird that Tom Hanks

1111

00:51:05,450 --> 00:51:00,300

came out that I mean it's a mind-blower

1112

00:51:06,299 --> 00:51:05,460

for sure and it's it's I I could see if

1113

00:51:10,229 --> 00:51:06,309

this is

1114

00:51:14,429 --> 00:51:10,239

a unified or if it is a I I don't know

1115

00:51:17,130 --> 00:51:14,439

if there's some kind of operation or it

1116

00:51:19,589 --> 00:51:17,140

does seem like the coincidences are far

1117

00:51:26,069 --> 00:51:19,599

outweighing you know the normalcy of all

1118

00:51:29,099 --> 00:51:26,079

this yeah yeah so uh I think we're gonna

1119

00:51:31,709 --> 00:51:29,109

see more and more rest coming up in the

1120

00:51:36,029 --> 00:51:31,719

future I mean was he we also see Harvey

1121

00:51:39,269 --> 00:51:36,039

Weinstein yeah that just came out and

1122

00:51:44,249 --> 00:51:39,279

then of course you know Epstein

1123

00:51:46,620 --> 00:51:44,259

apparently is not dead somewhere on the

1124

00:51:48,390 --> 00:51:46,630

but he was he was an intelligent asset I

1125

00:51:49,890 --> 00:51:48,400

mean I was I was information I was

1126
00:51:52,499 --> 00:51:49,900
getting that he worked for Mossad and he

1127
00:51:54,599 --> 00:51:52,509
was he was gathering dirt on the Cabal

1128
00:51:58,219 --> 00:51:54,609
so I think they probably pulled him out

1129
00:52:00,599 --> 00:51:58,229
and he's singing like a bird somewhere

1130
00:52:04,170 --> 00:52:00,609
but I mean he was still was a dirty

1131
00:52:06,870 --> 00:52:04,180
person but he's you know usually got to

1132
00:52:09,589 --> 00:52:06,880
make deals to keep your whatever anyway

1133
00:52:11,910 --> 00:52:09,599
I'm not I'm probably shouldn't come

1134
00:52:14,160 --> 00:52:11,920
Epstein you look about you know more

1135
00:52:15,900 --> 00:52:14,170
information but anyway it's an

1136
00:52:17,789 --> 00:52:15,910
interesting case the Epstein case is

1137
00:52:19,559 --> 00:52:17,799
super interesting I mean his island is

1138
00:52:21,989 --> 00:52:19,569

still there as ranch is still there

1139

00:52:24,390 --> 00:52:21,999

money is still moving between accounts

1140

00:52:27,120 --> 00:52:24,400

nobody knows how or why even the judges

1141

00:52:30,239 --> 00:52:27,130

are you know in a quandary it's almost

1142

00:52:35,519 --> 00:52:30,249

like there's a smoke screen and nobody

1143

00:52:40,049 --> 00:52:35,529

knows what's going on behind it I agree

1144

00:52:41,910 --> 00:52:40,059

yeah and you know actually actually on

1145

00:52:44,039 --> 00:52:41,920

other islands to nearby and they don't

1146

00:52:45,900 --> 00:52:44,049

really talk about that and who knows

1147

00:52:49,669 --> 00:52:45,910

what's going on down underneath these

1148

00:52:53,279 --> 00:52:49,679

islands because allegedly there is some

1149

00:52:54,660 --> 00:52:53,289

photographs taken from that they would

1150

00:52:57,660 --> 00:52:54,670

elites would go

1151

00:52:58,799 --> 00:52:57,670

I don't know how g-rated this is but I'm

1152

00:53:02,219 --> 00:52:58,809

gonna I'm gonna try to keep it as

1153

00:53:03,779 --> 00:53:02,229

irradiator possible you know but yeah so

1154

00:53:05,309 --> 00:53:03,789

there's pictures of the elites going

1155

00:53:08,400 --> 00:53:05,319

down there and they would they would

1156

00:53:10,349 --> 00:53:08,410

disrobe themselves and they would eat

1157

00:53:12,359 --> 00:53:10,359

eat these children for the adrenochrome

1158

00:53:14,309 --> 00:53:12,369

and of course the blood would get

1159

00:53:18,120 --> 00:53:14,319

everywhere so that's why the disrobe

1160

00:53:20,100 --> 00:53:18,130

themselves and then afterward yeah so I

1161

00:53:23,790 --> 00:53:20,110

guess they got all their hi their fix

1162

00:53:27,550 --> 00:53:23,800

but yeah these people were very sick and

1163

00:53:29,140 --> 00:53:27,560

I guess epstein him his role is I guess

1164

00:53:31,330 --> 00:53:29,150

was like it what he caught maybe a honey

1165

00:53:32,770 --> 00:53:31,340

pot or whatever to get all of footage of

1166

00:53:35,620 --> 00:53:32,780

all these elites doing really dirty

1167

00:53:37,450 --> 00:53:35,630

things and yeah certainly

1168

00:53:39,460 --> 00:53:37,460

Bill Gates he's he's been down to that

1169

00:53:42,970 --> 00:53:39,470

the pedophile island of course the

1170

00:53:45,070 --> 00:53:42,980

Clintons forgot to how many times the

1171

00:53:50,080 --> 00:53:45,080

Hillary bill has been to that island but

1172

00:53:53,770 --> 00:53:50,090

it's more than once and in Champa Trump

1173

00:53:56,140 --> 00:53:53,780

has never been there but yeah anyway

1174

00:53:57,700 --> 00:53:56,150

interesting yeah and it's one of those I

1175

00:54:00,280 --> 00:53:57,710

mean I think they tried to draw

1176
00:54:02,620 --> 00:54:00,290
everybody in of power at least it seems

1177
00:54:04,180 --> 00:54:02,630
like you know if this is an operation

1178
00:54:06,640 --> 00:54:04,190
that's trying to just get dirt on people

1179
00:54:09,370 --> 00:54:06,650
they're gonna pull anybody that has any

1180
00:54:13,260 --> 00:54:09,380
weight and try to get dirt on everybody

1181
00:54:16,660 --> 00:54:13,270
because that's more power for them

1182
00:54:19,120 --> 00:54:16,670
alright but I agree I think there's

1183
00:54:21,730 --> 00:54:19,130
definitely a blackmailing force there

1184
00:54:25,210 --> 00:54:21,740
behind all that so what recommendations

1185
00:54:27,550 --> 00:54:25,220
from here on out like if we do start

1186
00:54:29,740 --> 00:54:27,560
seeing rests and things of that nature

1187
00:54:32,010 --> 00:54:29,750
other than preparing ourselves and

1188
00:54:34,780 --> 00:54:32,020

trying to protect our families and that

1189

00:54:36,520 --> 00:54:34,790
from the virus James what other

1190

00:54:39,220 --> 00:54:36,530
recommendations do you have just like

1191

00:54:41,860 --> 00:54:39,230
from more of a like staying grounded and

1192

00:54:43,900 --> 00:54:41,870
and you know just true to self how

1193

00:54:47,380 --> 00:54:43,910
should people respond to the craziness

1194

00:54:50,620 --> 00:54:47,390
that's coming out of the media uh well

1195

00:54:53,350 --> 00:54:50,630
for starters I mean I I was I like to

1196

00:54:55,360 --> 00:54:53,360
meditate it helps helps me keep my

1197

00:54:57,190 --> 00:54:55,370
emotions grounded and stable like you

1198

00:55:00,100 --> 00:54:57,200
said and not really going to the fear

1199

00:55:03,430 --> 00:55:00,110
aspect and it also helped good you know

1200

00:55:07,270 --> 00:55:03,440
keep up your immune system maybe try to

1201
00:55:09,430 --> 00:55:07,280
try to avoid all the by G if you can

1202
00:55:12,430 --> 00:55:09,440
some people can't say they're you know

1203
00:55:14,500 --> 00:55:12,440
some some look localities they're

1204
00:55:16,720 --> 00:55:14,510
installing these 5g lamps right outside

1205
00:55:18,700 --> 00:55:16,730
their peoples apartment not in their

1206
00:55:23,290 --> 00:55:18,710
homes and you can't get away from it

1207
00:55:27,310 --> 00:55:23,300
unfortunately but there's Mike Emery has

1208
00:55:29,170 --> 00:55:27,320
been promoting this bubble tech and that

1209
00:55:33,700 --> 00:55:29,180
apparently helps neutralize some of the

1210
00:55:36,609 --> 00:55:33,710
negativity from the wife the radiation

1211
00:55:38,589 --> 00:55:36,619
visit my website Nia logical tech and

1212
00:55:41,079 --> 00:55:38,599
get yourself a meditation cube and now

1213
00:55:44,500 --> 00:55:41,089

also help raise your frequency a neo

1214

00:55:48,520 --> 00:55:44,510

logical tech comm home website to him

1215

00:55:51,099 --> 00:55:48,530

could certainly get I also think that

1216

00:55:55,359 --> 00:55:51,109

you should maybe D plug a little bit

1217

00:55:56,800 --> 00:55:55,369

from the media on the mainstream media

1218

00:55:58,210 --> 00:55:56,810

of course I think if you already

1219

00:56:00,190 --> 00:55:58,220

listened to podcasts you probably have

1220

00:56:03,520 --> 00:56:00,200

already because a lot of it is just

1221

00:56:05,650 --> 00:56:03,530

talking point that the cabal wants and

1222

00:56:07,930 --> 00:56:05,660

actually find the best place to find the

1223

00:56:11,620 --> 00:56:07,940

truth I mean you could probably come up

1224

00:56:14,589 --> 00:56:11,630

I would say come on super soldier talk

1225

00:56:16,180 --> 00:56:14,599

come watch my videos you get I've gotten

1226

00:56:17,410 --> 00:56:16,190

done these two interviews I've got

1227

00:56:20,589 --> 00:56:17,420

another interview coming up tomorrow

1228

00:56:22,960 --> 00:56:20,599

with council again it's going to be a

1229

00:56:24,970 --> 00:56:22,970

probably coffin it will be another live

1230

00:56:30,210 --> 00:56:24,980

stream so that would be tomorrow night

1231

00:56:32,859 --> 00:56:30,220

Friday if if you want to tune into that

1232

00:56:35,890 --> 00:56:32,869

it would probably be sometime after

1233

00:56:38,170 --> 00:56:35,900

10:30 p.m. Eastern so just log onto

1234

00:56:40,930 --> 00:56:38,180

YouTube and check look for updates for

1235

00:56:45,730 --> 00:56:40,940

super soldier talk you know be up about

1236

00:56:47,410 --> 00:56:45,740

two hours or so but anyway so I don't

1237

00:56:48,700 --> 00:56:47,420

know I did I did that answer your

1238

00:56:52,630 --> 00:56:48,710

question I think you're right on both we

1239

00:57:00,790 --> 00:56:52,640

do prepare ourselves so as far as news

1240

00:57:02,920 --> 00:57:00,800

are concerned yet just I guess I like to

1241

00:57:05,349 --> 00:57:02,930

go on to read it and look up into the

1242

00:57:10,140 --> 00:57:05,359

conspiracy forum and you can get to just

1243

00:57:13,050 --> 00:57:10,150

go look in the like more popular post so

1244

00:57:16,359 --> 00:57:13,060

that's at least one source of news but

1245

00:57:19,089 --> 00:57:16,369

Twitter the majestic 12 account on

1246

00:57:21,550 --> 00:57:19,099

Twitter and that's that's excellent

1247

00:57:25,390 --> 00:57:21,560

source as well at least two good sources

1248

00:57:28,390 --> 00:57:25,400

they're like yeah man that's awesome

1249

00:57:31,359 --> 00:57:28,400

and I'm I'm definitely recommend people

1250

00:57:33,820 --> 00:57:31,369

check it and listen to you on YouTube

1251
00:57:35,349 --> 00:57:33,830
and I appreciate you coming on I know

1252
00:57:37,690 --> 00:57:35,359
there's a lot going on you have a lot

1253
00:57:39,390 --> 00:57:37,700
going on and I just thank you for coming

1254
00:57:41,470 --> 00:57:39,400
on the podcast and like kind of

1255
00:57:43,480 --> 00:57:41,480
enlightening us and telling us more

1256
00:57:46,570 --> 00:57:43,490
about what a lot of folks don't know

1257
00:57:47,380 --> 00:57:46,580
about thank you James you're very

1258
00:57:49,570 --> 00:57:47,390
welcome

1259
00:57:52,930 --> 00:57:49,580
thank you providing James coming through

1260
00:57:55,210 --> 00:57:52,940
and bring in the heat he is definitely

1261
00:57:57,490 --> 00:57:55,220
not scared of being in the kitchen he is

1262
00:58:00,010 --> 00:57:57,500
connected to a lot of folks that have a

1263
00:58:02,410 --> 00:58:00,020

lot of insight into this and to be

1264

00:58:04,300 --> 00:58:02,420

honest I've been pretty amazed at even

1265

00:58:06,460 --> 00:58:04,310

the people I know with a lot of insight

1266

00:58:07,720 --> 00:58:06,470

and some of the similarities and some

1267

00:58:10,150 --> 00:58:07,730

some of the difference differences of

1268

00:58:12,580 --> 00:58:10,160

course but some of the similarities that

1269

00:58:14,800 --> 00:58:12,590

have been mentioned that there may be

1270

00:58:17,470 --> 00:58:14,810

more of an operation here than we're

1271

00:58:20,440 --> 00:58:17,480

aware it sounds conspiratorial but then

1272

00:58:22,720 --> 00:58:20,450

again all a conspiracy is is when two

1273

00:58:26,350 --> 00:58:22,730

people know something and the rest don't

1274

00:58:28,360 --> 00:58:26,360

so we're talking two people or more and

1275

00:58:31,210 --> 00:58:28,370

we know that the government is made of

1276
00:58:32,290 --> 00:58:31,220
more than two people so there's there's

1277
00:58:34,090 --> 00:58:32,300
always something there's always

1278
00:58:36,940 --> 00:58:34,100
something they know that we don't how

1279
00:58:39,430 --> 00:58:36,950
far down the rabbit hole that goes I

1280
00:58:42,070 --> 00:58:39,440
don't know but it's good to hear

1281
00:58:44,080 --> 00:58:42,080
different perspectives and opinions and

1282
00:58:45,820 --> 00:58:44,090
make your own decisions I hope you've
