[Music]

2
00:00:43,490 --> 00:00:40,020

on today's show we are speaking with

3
00:00:46,910 --> 00:00:43,500

Steve Barone now we've spoken with Steve

4
00:00:50,330 --> 00:00:46,920

before however it's usually having to do

5
00:00:53,389 --> 00:00:50,340

with UFOs filmed at la madre mountain or

6
00:00:56,029 --> 00:00:53,399

here in Las Vegas over over the desert

7
00:00:58,010 --> 00:00:56,039

over the Mojave usually that's what I'm

8
00:01:00,080 --> 00:00:58,020

talking to Steve Barone about however

9
00:01:03,049 --> 00:01:00,090

today's episode is going to be slightly

10
00:01:05,000 --> 00:01:03,059

different by the way this is Ryan the

11
00:01:07,910 --> 00:01:05,010

original outlaw of the airwaves bringing

12
00:01:11,270 --> 00:01:07,920

you another episode of hero paranormal

13
00:01:15,230 --> 00:01:11,280

podcast Steve Brown on this episode is

14

00:01:20,210 --> 00:01:15,240

going to be speaking about coronavirus

15

00:01:23,960 --> 00:01:20,220

kovat 19 his travels and what that

16

00:01:26,899 --> 00:01:23,970

brought about as he came from Europe

17

00:01:29,539 --> 00:01:26,909

here recently and he's back in the

18

00:01:32,179 --> 00:01:29,549

United States back in Nevada back in Las

19

00:01:35,929 --> 00:01:32,189

Vegas where we like to have him without

20

00:01:43,850 --> 00:01:35,939

further ado Steve Brown welcome to the

21

00:01:45,679 --> 00:01:43,860

hero paranormal podcast doing great

22

00:01:48,620 --> 00:01:45,689

doing great this is kind of a unique

23

00:01:52,340 --> 00:01:48,630

situation that you know usually we have

24

00:01:54,109 --> 00:01:52,350

you on for UFOs and you know getting

25

00:01:56,569 --> 00:01:54,119

them at the la madre here in over las

26

00:01:59,480 --> 00:01:56,579

vegas and you're in a unique position

27

00:02:02,840 --> 00:01:59,490

that you just recently kind of had to

28

00:02:05,990 --> 00:02:02,850

deal with this kovat 19 apocalyptic

29

00:02:10,360 --> 00:02:06,000

frenzy right out of the gate and right

30

00:02:13,730 --> 00:02:10,370

in your face oh man it was crazy

31

00:02:16,940 --> 00:02:13,740

know what happened with my wife and I is

32

00:02:20,300 --> 00:02:16,950

that about every three years we try to

33

00:02:23,420 --> 00:02:20,310

do a you know a better vacation which

34

00:02:27,830 --> 00:02:23,430

usually means something internationally

35

00:02:31,040 --> 00:02:27,840

and so I know four or five months ago we

36

00:02:35,480 --> 00:02:31,050

purchased everything we needed to go to

37

00:02:39,620 --> 00:02:35,490

Spain and go and spend the the plan was

38

00:02:43,640 --> 00:02:39,630

to spend five nights in Barcelona and

39

00:02:46,190 --> 00:02:43,650

then get on a plane and go just not even

40

00:02:50,110 --> 00:02:46,200

our out into the Mediterranean to my

41

00:02:53,030 --> 00:02:50,120

Orca to a beautiful city called Palma

42

00:02:57,020 --> 00:02:53,040

both of these places are places that I

43

00:03:00,800 --> 00:02:57,030

had visited while I was in the Navy back

44

00:03:03,590 --> 00:03:00,810

in the early seventies so anyway it you

45

00:03:05,720 --> 00:03:03,600

know I was really concerned I mean we

46

00:03:09,410 --> 00:03:05,730

knew that there were you know the corona

47

00:03:13,070 --> 00:03:09,420

virus was a thing but at the time we

48

00:03:16,160 --> 00:03:13,080

left here on the 6th of March we knew

49

00:03:17,630 --> 00:03:16,170

that it was a problem in Italy but you

50

00:03:20,210 --> 00:03:17,640

know it got worse and worse and worse

51
00:03:22,280 --> 00:03:20,220
after you know we got over there but in

52
00:03:26,680 --> 00:03:22,290
Spain they weren't really showing any

53
00:03:29,510 --> 00:03:26,690
problems at all so anyway when we got to

54
00:03:32,390 --> 00:03:29,520
Barcelona we checked into our hotel in

55
00:03:34,730 --> 00:03:32,400
the city was writing I mean all the

56
00:03:37,250 --> 00:03:34,740
restaurants and shops and everything was

57
00:03:41,060 --> 00:03:37,260
open it was wonderful the weather was

58
00:03:43,040 --> 00:03:41,070
nice there were just wasn't really a

59
00:03:45,980 --> 00:03:43,050
whole lot of anything about the

60
00:03:48,650 --> 00:03:45,990
coronavirus we did see some people

61
00:03:52,910 --> 00:03:48,660
wearing masks but if you like even

62
00:03:56,120 --> 00:03:52,920
though that the locals won't really you

63
00:04:00,950 --> 00:03:56,130

know that concerned about it so anyway

64

00:04:03,680 --> 00:04:00,960

on our last day on our last night we

65

00:04:05,240 --> 00:04:03,690

packed up and we had her bags ready in

66

00:04:07,070 --> 00:04:05,250

our hotel because we knew we had to get

67

00:04:12,520 --> 00:04:07,080

up in the morning and go to the airport

68

00:04:14,750 --> 00:04:12,530

to get on a flight to go to Majorca

69

00:04:16,970 --> 00:04:14,760

2:30 in the morning we get a phone call

70

00:04:19,789 --> 00:04:16,980

from my wife sister who lives in

71

00:04:22,060 --> 00:04:19,799

California saying get to the airport

72

00:04:25,420 --> 00:04:22,070

quick because

73

00:04:29,020 --> 00:04:25,430

has closed the borders oh my god you

74

00:04:30,790 --> 00:04:29,030

know just instantly panic because you

75

00:04:34,330 --> 00:04:30,800

think you know oh my gosh you know what

76

00:04:37,420 --> 00:04:34,340

are we going to do you know we can't

77

00:04:40,090 --> 00:04:37,430

stay here we can't stay in Spain for two

78

00:04:43,000 --> 00:04:40,100

weeks a month or anything like that we

79

00:04:47,560 --> 00:04:43,010

can't do it so we got to the airport

80

00:04:49,720 --> 00:04:47,570

about an hour after the call and got in

81

00:04:51,880 --> 00:04:49,730

line at Norwegian Airlines and there was

82

00:04:55,660 --> 00:04:51,890

old lady about ten or twelve people in

83

00:04:58,660 --> 00:04:55,670

front of us well Norwegian wasn't open

84

00:05:01,840 --> 00:04:58,670

you know at 3:30 in the morning and this

85

00:05:04,720 --> 00:05:01,850

line continued to grow Ryan it EXCI no

86

00:05:06,580 --> 00:05:04,730

there's I don't know I would say

87

00:05:10,570 --> 00:05:06,590

probably a hundred and fifty two hundred

88

00:05:13,900 --> 00:05:10,580

people mostly Americans they're wanting

89

00:05:16,510 --> 00:05:13,910

to go home and they were panicking but

90

00:05:19,090 --> 00:05:16,520

you know I mean I mean everybody was in

91

00:05:22,810 --> 00:05:19,100

good spirits and just hoping they could

92

00:05:25,720 --> 00:05:22,820

get home and so about three or four

93

00:05:29,380 --> 00:05:25,730

hours into waiting in line then comes

94

00:05:33,460 --> 00:05:29,390

the message okay and you know during the

95

00:05:36,820 --> 00:05:33,470

time that we were kind of scared we were

96

00:05:39,310 --> 00:05:36,830

trying to find ways to get home now and

97

00:05:41,200 --> 00:05:39,320

not even deal with it you know we were

98

00:05:43,600 --> 00:05:41,210

just going to forego the rest of our

99

00:05:46,360 --> 00:05:43,610

vacation well none of there's just

100

00:05:49,000 --> 00:05:46,370

nothing I mean people bought out all the

101
00:05:55,030 --> 00:05:49,010
flights and everything immediately all

102
00:05:58,660 --> 00:05:55,040
over the world at this and so you know

103
00:06:02,290 --> 00:05:58,670
one of the flights I did find and it was

104
00:06:04,900 --> 00:06:02,300
sickening Ryan it was United Airlines

105
00:06:07,330 --> 00:06:04,910
and they were wanting to charge over

106
00:06:10,150 --> 00:06:07,340
five thousand dollars to ticket for each

107
00:06:12,490 --> 00:06:10,160
of us to go we don't have that kind of

108
00:06:14,620 --> 00:06:12,500
money you know we saved up a long time

109
00:06:18,100 --> 00:06:14,630
to go on this trip and that's why we

110
00:06:20,590 --> 00:06:18,110
went it looked like it was safe at the

111
00:06:22,540 --> 00:06:20,600
time when we left it wasn't any worse

112
00:06:27,730 --> 00:06:22,550
than what we have here in Nevada in

113
00:06:29,080 --> 00:06:27,740

Spain from what we knew and so you know

114

00:06:32,980 --> 00:06:29,090

we were going to lose that money and we

115

00:06:35,239 --> 00:06:32,990

just said let's give it a shot so anyway

116

00:06:37,009 --> 00:06:35,249

you know once all of this happen

117

00:06:39,889 --> 00:06:37,019

then we realize okay we're going to have

118

00:06:43,089 --> 00:06:39,899

a window to be able to get back home

119

00:06:48,679 --> 00:06:43,099

let's go to Spain let's go to Majorca

120

00:06:51,649 --> 00:06:48,689

Alma and let's enjoy it while we're

121

00:06:54,709 --> 00:06:51,659

trying to find a way to get home so we

122

00:06:58,039 --> 00:06:54,719

were basically abandoned by Norwegian

123

00:07:00,889 --> 00:06:58,049

airlines by hotels dock are not hotels

124

00:07:04,519 --> 00:07:00,899

calm I take that back my Google flights

125

00:07:06,049 --> 00:07:04,529

how we got there we were abandoned by

126

00:07:08,259 --> 00:07:06,059

everybody nobody was trying to do

127

00:07:11,179 --> 00:07:08,269

anything to help us

128

00:07:14,209 --> 00:07:11,189

so I finally called my son in Northern

129

00:07:16,129 --> 00:07:14,219

California and I told him you know that

130

00:07:18,559 --> 00:07:16,139

it's really expensive for us to be

131

00:07:20,659 --> 00:07:18,569

calling internationally and being on

132

00:07:22,639 --> 00:07:20,669

hold for hours at a time which we were

133

00:07:26,389 --> 00:07:22,649

trying to get through to these these

134

00:07:29,719 --> 00:07:26,399

companies that ignored us and just blew

135

00:07:32,479 --> 00:07:29,729

us off even Norwegian Airlines when we

136

00:07:35,209 --> 00:07:32,489

finally contacted them they offered us

137

00:07:38,269 --> 00:07:35,219

46 dollars in reimbursement for the

138

00:07:40,429 --> 00:07:38,279

flight they canceled on us and now you

139

00:07:43,339 --> 00:07:40,439

know wherever we're getting nervous but

140

00:07:47,569 --> 00:07:43,349

anyway my son called our senator here in

141

00:07:49,339 --> 00:07:47,579

Nevada Jackie Jackie Rosen and her staff

142

00:07:50,539 --> 00:07:49,349

said they were already working on it

143

00:07:53,449 --> 00:07:50,549

because they were getting calls from

144

00:07:55,219 --> 00:07:53,459

people all over the world that you know

145

00:07:59,059 --> 00:07:55,229

the feeling the battle and wonder how

146

00:08:02,179 --> 00:07:59,069

they can get home and you know the one

147

00:08:05,419 --> 00:08:02,189

big bit of help that we got from her

148

00:08:08,629 --> 00:08:05,429

staff was that American Airlines is

149

00:08:13,009 --> 00:08:08,639

going to continue taking people home for

150

00:08:14,779 --> 00:08:13,019

up to ten days and so couldn't book

151

00:08:18,139 --> 00:08:14,789

anything there because it was so

152

00:08:21,439 --> 00:08:18,149

complicated so much red tape so hard

153

00:08:26,149 --> 00:08:21,449

getting through being on hold for hours

154

00:08:29,539 --> 00:08:26,159

on the phone so what sue and I did as we

155

00:08:31,850 --> 00:08:29,549

left my Orca two days early on Ryanair

156

00:08:33,949 --> 00:08:31,860

and they are a really good little

157

00:08:37,670 --> 00:08:33,959

airline over in Spain that are their

158

00:08:42,279 --> 00:08:37,680

version of Sky Southwest very clean very

159

00:08:47,090 --> 00:08:42,289

efficient very low price so we gone to

160

00:08:49,220 --> 00:08:47,100

Barcelona again and by then now that

161

00:08:51,230 --> 00:08:49,230

Court is really active what people

162

00:08:55,490 --> 00:08:51,240

trying to get out of the country because

163

00:08:57,530 --> 00:08:55,500

now you have one day this is the last

164

00:09:01,819 --> 00:08:57,540

day we can get out of Spain without

165

00:09:04,670 --> 00:09:01,829

being stuck and thankfully United

166

00:09:08,150 --> 00:09:04,680

Airlines the ticket agent there was

167

00:09:09,800 --> 00:09:08,160

nobody there I was shocked there was

168

00:09:13,910 --> 00:09:09,810

just two agents sitting there talking to

169

00:09:15,800 --> 00:09:13,920

each other and we went up and the man I

170

00:09:19,040 --> 00:09:15,810

wish I would have gotten his name

171

00:09:23,150 --> 00:09:19,050

because this guy Ryan was amazing

172

00:09:25,100 --> 00:09:23,160

he spent probably a half hour trying all

173

00:09:27,740 --> 00:09:25,110

these different combos to get us out of

174

00:09:29,689 --> 00:09:27,750

the country so we didn't have to spend

175

00:09:32,949 --> 00:09:29,699

the night there because our hotels had

176

00:09:36,949 --> 00:09:32,959

been cancelled everything was cancelled

177

00:09:41,420 --> 00:09:36,959

he finally came up with one where we

178

00:09:45,290 --> 00:09:41,430

could fly to Madrid get off the plane

179

00:09:48,230 --> 00:09:45,300

wait a couple hours and get on another

180

00:09:50,509 --> 00:09:48,240

flight for London where we would spend

181

00:09:54,559 --> 00:09:50,519

the night and then get up the next

182

00:09:57,470 --> 00:09:54,569

morning and fly out to Miami and then

183

00:09:59,449 --> 00:09:57,480

from Miami to Las Vegas and I said book

184

00:10:03,439 --> 00:09:59,459

that book that let's do it

185

00:10:07,129 --> 00:10:03,449

let's go let's get out of here and he

186

00:10:11,780 --> 00:10:07,139

did it so we got to Madrid now the

187

00:10:13,759 --> 00:10:11,790

airport is is gigantic airport a lot of

188

00:10:16,340 --> 00:10:13,769

people now they're shutting everything

189

00:10:18,170 --> 00:10:16,350

down even when you wanted to go to the

190

00:10:23,090 --> 00:10:18,180

bathroom the urinals were covered

191

00:10:25,309 --> 00:10:23,100

everything nowhere to eat there was one

192

00:10:27,230 --> 00:10:25,319

little place open that had basically two

193

00:10:32,900 --> 00:10:27,240

slices of bread with some cheese and

194

00:10:37,519 --> 00:10:32,910

Bologna in between and so for 20 euros

195

00:10:39,710 --> 00:10:37,529

my wife and I got two sandwiches 20

196

00:10:43,009 --> 00:10:39,720

euros that's like twenty three dollops

197

00:10:45,579 --> 00:10:43,019

for two nasty sandwiches but that's all

198

00:10:49,370 --> 00:10:45,589

we had to eat so when it came time to

199

00:10:51,379 --> 00:10:49,380

get on the airplane there's a bunch of

200

00:10:53,720 --> 00:10:51,389

people that are getting out that are

201
00:10:56,030 --> 00:10:53,730
going probably all over but it seemed

202
00:10:58,100 --> 00:10:56,040
like most of them were British and then

203
00:10:59,570 --> 00:10:58,110
there were some other European Nationals

204
00:11:01,790 --> 00:10:59,580
that were trying to get out of there

205
00:11:05,480 --> 00:11:01,800
well well they have all these zones

206
00:11:08,270 --> 00:11:05,490
where you line up and you know we were

207
00:11:11,450 --> 00:11:08,280
in like zone 5 I think it was there zone

208
00:11:14,300 --> 00:11:11,460
4 it's just a loading thing well anyway

209
00:11:18,470 --> 00:11:14,310
just he was unbelievable people were

210
00:11:21,650 --> 00:11:18,480
panicking and everybody had assigned

211
00:11:23,900 --> 00:11:21,660
seating you know and there was no reason

212
00:11:26,090 --> 00:11:23,910
to panic but they were pushing and

213
00:11:28,880 --> 00:11:26,100

shoving and crowding in front of us in

214

00:11:31,370 --> 00:11:28,890

line to where you know I'm a mellow guy

215

00:11:34,700 --> 00:11:31,380

but I had to get tell one man you know

216

00:11:37,130 --> 00:11:34,710

dude this is my life if you don't mind

217

00:11:40,010 --> 00:11:37,140

not shoving to try to get in front of me

218

00:11:43,130 --> 00:11:40,020

I would like to board the plane with my

219

00:11:45,260 --> 00:11:43,140

wife you you know we had about eight or

220

00:11:48,860 --> 00:11:45,270

nine people just crowded their way in in

221

00:11:54,110 --> 00:11:48,870

front of us and so you know finally we

222

00:11:56,960 --> 00:11:54,120

got on the plane and got to London where

223

00:11:59,870 --> 00:11:56,970

we spent the night and that was great

224

00:12:03,770 --> 00:11:59,880

Linden was still wide open but we didn't

225

00:12:06,890 --> 00:12:03,780

go into town we got the closest hotel to

226

00:12:11,180 --> 00:12:06,900

the airport just to get some sleep have

227

00:12:13,550 --> 00:12:11,190

a beer whatever havin this drink and

228

00:12:17,300 --> 00:12:13,560

dinner because couldn't even anywhere

229

00:12:20,180 --> 00:12:17,310

and get up in the morning early and get

230

00:12:23,210 --> 00:12:20,190

back to Heathrow and go so that's what

231

00:12:25,370 --> 00:12:23,220

we did and they you know when we got to

232

00:12:30,430 --> 00:12:25,380

Heathrow is the same situation again

233

00:12:34,310 --> 00:12:30,440

there's a almost the same plane leaving

234

00:12:36,590 --> 00:12:34,320

London for Miami but this time almost

235

00:12:38,660 --> 00:12:36,600

everybody on that plane were Americans

236

00:12:42,050 --> 00:12:38,670

or people going back to the Caribbean

237

00:12:45,590 --> 00:12:42,060

and it couldn't be a different scenario

238

00:12:49,430 --> 00:12:45,600

people were friendly they were generous

239

00:12:51,770 --> 00:12:49,440

they weren't rude they were pushy we

240

00:12:54,140 --> 00:12:51,780

were all just elated to be on that plane

241

00:12:57,440 --> 00:12:54,150

to be getting out of the country because

242

00:13:00,290 --> 00:12:57,450

the next day when England was going to

243

00:13:02,570 --> 00:13:00,300

close their borders so we were among the

244

00:13:06,890 --> 00:13:02,580

last people to get out of Spain and the

245

00:13:09,320 --> 00:13:06,900

last ones to get out of England and so

246

00:13:11,330 --> 00:13:09,330

you know once we got to Miami I was

247

00:13:12,980 --> 00:13:11,340

worried because we only had about a

248

00:13:16,310 --> 00:13:12,990

two-and-a-half hour

249

00:13:18,019 --> 00:13:16,320

action to get to Las Vegas but we knew

250

00:13:20,290 --> 00:13:18,029

we were okay even if we had to stay

251
00:13:23,630 --> 00:13:20,300
there overnight because we're in America

252
00:13:26,240 --> 00:13:23,640
and fortunately Miami had worked out all

253
00:13:28,250 --> 00:13:26,250
these problems they had initially with

254
00:13:31,070 --> 00:13:28,260
testing people coming off of a plane

255
00:13:33,860 --> 00:13:31,080
there really wasn't any test what you

256
00:13:36,980 --> 00:13:33,870
did is they gave these questionnaires

257
00:13:39,139 --> 00:13:36,990
that were real simple and basic asking

258
00:13:41,030 --> 00:13:39,149
about you know coughing and temperatures

259
00:13:43,760 --> 00:13:41,040
and things like that have you been to

260
00:13:45,560 --> 00:13:43,770
any other you know have you been to

261
00:13:48,440 --> 00:13:45,570
China have you you know done this sort

262
00:13:53,269 --> 00:13:48,450
of thing and sold twenty people at a

263
00:13:54,650 --> 00:13:53,279

time we D planned and they had I don't

264

00:13:56,810 --> 00:13:54,660

know if it was doctors or medical

265

00:14:01,280 --> 00:13:56,820

professionals with masks and everything

266

00:14:03,230 --> 00:14:01,290

on it at the gate one at a time taking

267

00:14:05,030 --> 00:14:03,240

people out of these groups of 20 and

268

00:14:07,670 --> 00:14:05,040

just asking them a few questions and

269

00:14:09,800 --> 00:14:07,680

probably observing you to see if you

270

00:14:11,810 --> 00:14:09,810

look like you had any problems because

271

00:14:13,490 --> 00:14:11,820

of course you know that these tests

272

00:14:15,980 --> 00:14:13,500

weren't available there was no way they

273

00:14:17,510 --> 00:14:15,990

could test us I mean they probably could

274

00:14:19,760 --> 00:14:17,520

have taken those temperatures but they

275

00:14:21,650 --> 00:14:19,770

didn't do that because they have all

276

00:14:26,930 --> 00:14:21,660

these planes coming back and people are

277

00:14:29,329 --> 00:14:26,940

piling up coming back into Miami so we

278

00:14:33,889 --> 00:14:29,339

got to our person and you know we're

279

00:14:35,960 --> 00:14:33,899

great I mean we sue and I um we're

280

00:14:38,660 --> 00:14:35,970

always careful that way we have hand

281

00:14:41,600 --> 00:14:38,670

sanitizer in the car and in Sue's purse

282

00:14:43,579 --> 00:14:41,610

and we know I mean I I just don't like

283

00:14:46,010 --> 00:14:43,589

catching cold so you know they say the

284

00:14:48,860 --> 00:14:46,020

average person gets four colds a year

285

00:14:50,800 --> 00:14:48,870

well I only get one usually and it's but

286

00:14:54,800 --> 00:14:50,810

it's all four of them combined

287

00:14:57,290 --> 00:14:54,810

so I wash my hands all the time you know

288

00:14:59,930 --> 00:14:57,300

I use hand sanitizer I don't get in

289

00:15:02,630 --> 00:14:59,940

anybody's interspace to where they're

290

00:15:04,190 --> 00:15:02,640

breathing on me or anything and so they

291

00:15:07,130 --> 00:15:04,200

were healthy all along were still

292

00:15:10,069 --> 00:15:07,140

healthy but we're self isolating just to

293

00:15:11,329 --> 00:15:10,079

make sure that if there was any problem

294

00:15:15,139 --> 00:15:11,339

that we're not going to contaminate

295

00:15:17,930 --> 00:15:15,149

anybody else but yeah so we talked to

296

00:15:20,360 --> 00:15:17,940

that person and then a little further

297

00:15:23,420 --> 00:15:20,370

down the way you're walking a gauntlet

298

00:15:26,990 --> 00:15:23,430

of about ten or fifteen other people

299

00:15:29,600 --> 00:15:27,000

that were with homes Homeland Security

300

00:15:32,210 --> 00:15:29,610

homeland you know whatever and they're

301

00:15:33,980 --> 00:15:32,220

just basically eyeballing everybody

302

00:15:37,790 --> 00:15:33,990

that's coming through in these groups of

303

00:15:41,080 --> 00:15:37,800

20 and then we went to customs and that

304

00:15:43,640 --> 00:15:41,090

went real easy and we're starting to get

305

00:15:46,850 --> 00:15:43,650

kind of some confidence that maybe we're

306

00:15:49,430 --> 00:15:46,860

going to make on about a flight but then

307

00:15:53,150 --> 00:15:49,440

we get to we had to force to go through

308

00:15:56,360 --> 00:15:53,160

security again and now they only have

309

00:16:00,340 --> 00:15:56,370

two stations open for all of these light

310

00:16:03,170 --> 00:16:00,350

that are arriving the line is huge and

311

00:16:06,320 --> 00:16:03,180

at the last moment they finally opened

312

00:16:09,320 --> 00:16:06,330

another station we got through and got

313

00:16:11,540 --> 00:16:09,330

to her gate twenty minutes before they

314

00:16:12,860 --> 00:16:11,550

started boarding just enough time to

315

00:16:16,100 --> 00:16:12,870

call people who said we're actually

316

00:16:21,920 --> 00:16:16,110

going to be able to get home so we got

317

00:16:26,690 --> 00:16:21,930

hold a little after 11 p.m. on the night

318

00:16:31,400 --> 00:16:26,700

of the 16th and here we are arrived so

319

00:16:33,950 --> 00:16:31,410

that was that was it in a nutshell but

320

00:16:36,940 --> 00:16:33,960

yeah we had my Orca to ourselves never

321

00:16:40,160 --> 00:16:36,950

saw any other Americans there at all and

322

00:16:44,420 --> 00:16:40,170

it was open it didn't start closing

323

00:16:46,040 --> 00:16:44,430

until until we left I mean nowhere some

324

00:16:49,010 --> 00:16:46,050

places closed but we could go to

325

00:16:52,340 --> 00:16:49,020

restaurants we could we couldn't go into

326

00:16:55,090 --> 00:16:52,350

any tourist attractions but anyway oh

327

00:16:59,000 --> 00:16:55,100

man it was crazy and it's just so scary

328

00:17:01,940 --> 00:16:59,010

thinking that you know there's a

329

00:17:05,840 --> 00:17:01,950

possibility that you would get stuck in

330

00:17:08,960 --> 00:17:05,850

a foreign country for 15 days 30 days

331

00:17:12,500 --> 00:17:08,970

who knows and all we wanted to do was

332

00:17:13,579 --> 00:17:12,510

get home so here we are man seeing it

333

00:17:17,329 --> 00:17:13,589

was pretty wild

334

00:17:20,420 --> 00:17:17,339

like pretty wild seeing your images of

335

00:17:22,340 --> 00:17:20,430

you know enjoying Spain and I'm thinking

336

00:17:25,670 --> 00:17:22,350

oh this is perfect where else would you

337

00:17:27,800 --> 00:17:25,680

rather be and then I heard you know

338

00:17:30,710 --> 00:17:27,810

borders closing like you said and then

339

00:17:33,200 --> 00:17:30,720

the UK closing and it seemed like your

340

00:17:36,290 --> 00:17:33,210

window you were just barely making it

341

00:17:39,310 --> 00:17:36,300

through each window it had to be pretty

342

00:17:42,250 --> 00:17:39,320

spooky it was pretty spooky

343

00:17:45,670 --> 00:17:42,260

and it's so disappointing to know that

344

00:17:48,970 --> 00:17:45,680

like Google flights Norwegian air I mean

345

00:17:53,380 --> 00:17:48,980

there were group after group Kiwi calm

346

00:17:55,810 --> 00:17:53,390

who had part to do with these flights we

347

00:17:59,710 --> 00:17:55,820

had had contacted them days ahead and

348

00:18:04,720 --> 00:17:59,720

they blew us off right and I told this

349

00:18:08,260 --> 00:18:04,730

guy dude we are in in a bad situation

350

00:18:10,000 --> 00:18:08,270

here we have found flights we need you

351
00:18:13,480 --> 00:18:10,010
to book these flight tourists they never

352
00:18:16,120 --> 00:18:13,490
did it so I'll tell you what I mean I'm

353
00:18:18,460 --> 00:18:16,130
not the kind of person to do this but

354
00:18:21,040 --> 00:18:18,470
now that we have all this time or we're

355
00:18:22,930 --> 00:18:21,050
self isolating here we're going to look

356
00:18:25,930 --> 00:18:22,940
into going after these companies for

357
00:18:28,780 --> 00:18:25,940
abandoning us American citizens that who

358
00:18:31,540 --> 00:18:28,790
they took our money to get us over there

359
00:18:35,140 --> 00:18:31,550
but they didn't nothing nothing to help

360
00:18:36,850 --> 00:18:35,150
us get back and I just want everybody to

361
00:18:39,850 --> 00:18:36,860
know whoever's listening to your show

362
00:18:43,930 --> 00:18:39,860
right now if you fly out of the country

363
00:18:47,530 --> 00:18:43,940

I highly highly recommend American

364

00:18:50,590 --> 00:18:47,540

Airlines they bent over backward to help

365

00:18:54,160 --> 00:18:50,600

us and by the way when we went to

366

00:18:56,890 --> 00:18:54,170

Barcelona and got those new flights they

367

00:18:59,770 --> 00:18:56,900

took on old flights which they're gonna

368

00:19:03,940 --> 00:18:59,780

getting paid for and really issued new

369

00:19:06,190 --> 00:19:03,950

tickets for us without gouging us they

370

00:19:09,150 --> 00:19:06,200

did not gouge us at all they treated us

371

00:19:11,320 --> 00:19:09,160

like kings when we are on the airplane

372

00:19:14,140 --> 00:19:11,330

and there are going to be furloughed

373

00:19:16,420 --> 00:19:14,150

these people are losing their jobs Oh

374

00:19:18,130 --> 00:19:16,430

God they don't know how long they're

375

00:19:20,800 --> 00:19:18,140

being furloughed because we were asking

376

00:19:23,860 --> 00:19:20,810

them questions they fed us I mean it

377

00:19:24,970 --> 00:19:23,870

they were wonderful United Airlines oh

378

00:19:27,400 --> 00:19:24,980

my god

379

00:19:29,140 --> 00:19:27,410

charging people over five thousand

380

00:19:32,230 --> 00:19:29,150

dollars each to get out of a country

381

00:19:33,790 --> 00:19:32,240

when you're you're at risk of dying I

382

00:19:36,910 --> 00:19:33,800

mean Jesus criminy

383

00:19:40,960 --> 00:19:36,920

that was amazing I I just can't believe

384

00:19:44,200 --> 00:19:40,970

anyone would do that that's pretty low

385

00:19:45,670 --> 00:19:44,210

that that that's pretty low as far as

386

00:19:48,520 --> 00:19:45,680

I'm concerned you shouldn't you

387

00:19:50,200 --> 00:19:48,530

shouldn't gouge when you're able to you

388

00:19:52,420 --> 00:19:50,210

should be there to help and it sounds

389

00:19:53,080 --> 00:19:52,430

like somewhere and some weren't and this

390

00:19:55,720 --> 00:19:53,090

kind of

391

00:19:57,369 --> 00:19:55,730

brings out the worst in people I don't

392

00:20:00,249 --> 00:19:57,379

know if you've had a chance to go to

393

00:20:01,869 --> 00:20:00,259

like your local grocer who might be the

394

00:20:04,480 --> 00:20:01,879

same as mine but it's pretty crazy

395

00:20:06,369 --> 00:20:04,490

what's going on out there Steve well you

396

00:20:09,340 --> 00:20:06,379

know I probably have the same one I went

397

00:20:12,159 --> 00:20:09,350

to Albertsons yesterday because when we

398

00:20:16,779 --> 00:20:12,169

left you we knew we were going to be

399

00:20:18,759 --> 00:20:16,789

gone for 12 days and so I I discarded

400

00:20:21,249 --> 00:20:18,769

everything that could go wrong will go

401
00:20:23,529 --> 00:20:21,259
bad so that meant all of our vegetables

402
00:20:26,009 --> 00:20:23,539
and stuff got thrown away what whatever

403
00:20:28,600 --> 00:20:26,019
we had left and had a new stock

404
00:20:31,960 --> 00:20:28,610
Albertsons had people busting their

405
00:20:33,700 --> 00:20:31,970
butts working overtime keeping things on

406
00:20:36,399 --> 00:20:33,710
the shelves even though a lot of things

407
00:20:41,139 --> 00:20:36,409
were gone and I was able to go and get

408
00:20:45,609 --> 00:20:41,149
groceries um wasn't really that busy I

409
00:20:48,700 --> 00:20:45,619
ran into a gentleman in line who said he

410
00:20:51,489 --> 00:20:48,710
just came in from Costco he said

411
00:20:54,460 --> 00:20:51,499
Albertson has way more you know than

412
00:20:57,879 --> 00:20:54,470
Costco he was happy to see that we were

413
00:21:01,060 --> 00:20:57,889

able to get groceries and so I got some

414

00:21:03,299 --> 00:21:01,070

you know fruits and vegetables I got

415

00:21:05,440 --> 00:21:03,309

things that we would you know would need

416

00:21:07,359 --> 00:21:05,450

and of course there are things that you

417

00:21:09,700 --> 00:21:07,369

wanted that he couldn't get but they

418

00:21:13,930 --> 00:21:09,710

were busting their butts to try to keep

419

00:21:17,830 --> 00:21:13,940

the shelves stocked and you know on the

420

00:21:21,970 --> 00:21:17,840

bright side I have to say that other

421

00:21:24,399 --> 00:21:21,980

than Madrid where we ran into this huge

422

00:21:26,859 --> 00:21:24,409

group of Tennessee people that were

423

00:21:29,560 --> 00:21:26,869

pushing and shoving trying to get onto

424

00:21:32,200 --> 00:21:29,570

the airplane no Americans either by the

425

00:21:35,109 --> 00:21:32,210

way and we were trying to be really

426

00:21:38,919 --> 00:21:35,119

polite but we ran into a lot of great

427

00:21:40,869 --> 00:21:38,929

people everywhere and the Spaniards they

428

00:21:44,499 --> 00:21:40,879

were fantastic they were they were

429

00:21:46,419 --> 00:21:44,509

freaked out they weren't panicking I'm

430

00:21:49,690 --> 00:21:46,429

sure they probably are now because at

431

00:21:51,909 --> 00:21:49,700

the time yeah you know that it just

432

00:21:56,200 --> 00:21:51,919

wasn't there were no statistics showing

433

00:21:58,600 --> 00:21:56,210

that it was a real big problem there but

434

00:22:02,710 --> 00:21:58,610

you know we you know this will be our

435

00:22:05,570 --> 00:22:02,720

day home now you know and soon I have

436

00:22:09,170 --> 00:22:05,580

zero symptoms and we're doing fine but

437

00:22:11,390 --> 00:22:09,180

we want to make sure that you know we

438

00:22:14,750 --> 00:22:11,400

don't affect anybody if we do because I

439

00:22:17,690 --> 00:22:14,760

heard that anywhere from two days to 14

440

00:22:20,740 --> 00:22:17,700

days it takes for some of these symptoms

441

00:22:23,660 --> 00:22:20,750

to start showing up so we feel fabulous

442

00:22:27,770 --> 00:22:23,670

we ate well they've lots of fresh

443

00:22:32,570 --> 00:22:27,780

seafood a lot of nice salads and things

444

00:22:34,520 --> 00:22:32,580

like that and we're back and you know

445

00:22:37,220 --> 00:22:34,530

I'm not making light of anything I mean

446

00:22:39,320 --> 00:22:37,230

I did post some pictures for people with

447

00:22:41,750 --> 00:22:39,330

some nice soothing music just to get

448

00:22:43,550 --> 00:22:41,760

their minds off of this because this is

449

00:22:44,920 --> 00:22:43,560

huge and this is could be going on for a

450

00:22:47,660 --> 00:22:44,930

long long time

451
00:22:49,310 --> 00:22:47,670
that sure it sure seems like it's going

452
00:22:51,650 --> 00:22:49,320
to be going on for a long time

453
00:22:54,110 --> 00:22:51,660
and we're glad to have you back yeah we

454
00:22:56,960 --> 00:22:54,120
have the same corner store grocer and I

455
00:22:59,090 --> 00:22:56,970
agree with you it is much better to just

456
00:23:01,460 --> 00:22:59,100
go there than these big box stores like

457
00:23:04,090 --> 00:23:01,470
Costco and stuff because I literally

458
00:23:06,620 --> 00:23:04,100
walked in to Costco and walked right out

459
00:23:09,440 --> 00:23:06,630
it's much better to go to the other

460
00:23:11,120 --> 00:23:09,450
place and it's just more you know casual

461
00:23:13,100 --> 00:23:11,130
and like you said some stuff isn't there

462
00:23:14,600 --> 00:23:13,110
but those guys are working their tails

463
00:23:17,720 --> 00:23:14,610

off there at that Albertsons they're

464

00:23:20,780 --> 00:23:17,730

doing great in my opinion yes yeah and

465

00:23:24,920 --> 00:23:20,790

my over there of course we had you know

466

00:23:27,140 --> 00:23:24,930

Wi-Fi in a hotel they don't work and my

467

00:23:29,210 --> 00:23:27,150

wife showed me a video of one Costco I

468

00:23:31,580 --> 00:23:29,220

don't think it was here it was in some

469

00:23:35,000 --> 00:23:31,590

other city but if they opened the doors

470

00:23:38,770 --> 00:23:35,010

and it was like the Indianapolis 500

471

00:23:42,830 --> 00:23:38,780

here comes people with carts running

472

00:23:44,540 --> 00:23:42,840

running to horde toilet paper or

473

00:23:47,450 --> 00:23:44,550

anything else they figured they needed

474

00:23:50,210 --> 00:23:47,460

it not caring about anybody else and

475

00:23:51,740 --> 00:23:50,220

that just blows me away I mean you know

476

00:23:54,680 --> 00:23:51,750

what that's what's wrong with our

477

00:23:57,080 --> 00:23:54,690

culture you know we need to take care of

478

00:23:59,060 --> 00:23:57,090

each other and we need to share your

479

00:24:01,370 --> 00:23:59,070

neighbor needs something you need to be

480

00:24:03,020 --> 00:24:01,380

helping your neighbor and you could have

481

00:24:05,390 --> 00:24:03,030

helped them you need to be doing that

482

00:24:08,540 --> 00:24:05,400

and you know it's like getting on that

483

00:24:10,970 --> 00:24:08,550

airplane you know I'm just night and day

484

00:24:12,980 --> 00:24:10,980

difference between people trying to get

485

00:24:15,230 --> 00:24:12,990

you know to London and then people

486

00:24:18,810 --> 00:24:15,240

trying to get to America I'm proud of

487

00:24:22,459 --> 00:24:18,820

our fellow countrymen because it was all

488

00:24:27,709 --> 00:24:22,469

I mean not happy-go-lucky but it was

489

00:24:31,259 --> 00:24:27,719

friendly you know sharing stories and

490

00:24:33,899 --> 00:24:31,269

just being over Julie to know that we

491

00:24:39,419 --> 00:24:33,909

are all going home no matter what we

492

00:24:41,430 --> 00:24:39,429

faced in Miami yeah it's like some

493

00:24:44,159 --> 00:24:41,440

people just forget to be human and

494

00:24:46,649 --> 00:24:44,169

that's like the most important thing so

495

00:24:49,739 --> 00:24:46,659

it's it's good to have you know people

496

00:24:51,599 --> 00:24:49,749

like yourself back and I know that

497

00:24:54,299 --> 00:24:51,609

there's probably other Americans that

498

00:24:57,809 --> 00:24:54,309

are away and haven't been able to get

499

00:25:00,149 --> 00:24:57,819

back and I know of one in particular and

500

00:25:03,389 --> 00:25:00,159

you know it's one of those situations

501
00:25:04,859 --> 00:25:03,399
where these are serious times and who

502
00:25:09,449 --> 00:25:04,869
knows how long this is going to go on

503
00:25:12,839 --> 00:25:09,459
for well you know I'm I was watching CNN

504
00:25:14,849 --> 00:25:12,849
this morning and there's some estimate

505
00:25:18,180 --> 00:25:14,859
this that this could go all the way into

506
00:25:21,119 --> 00:25:18,190
the end of the summer I think for us

507
00:25:23,309 --> 00:25:21,129
Ryan though living or we do is that when

508
00:25:25,139 --> 00:25:23,319
it starts getting hot here that's going

509
00:25:28,619 --> 00:25:25,149
to be an advantage for us

510
00:25:29,999 --> 00:25:28,629
because I permanently this virus at

511
00:25:32,609 --> 00:25:30,009
least that's what some are saying

512
00:25:36,269 --> 00:25:32,619
doesn't like eat very much

513
00:25:38,879 --> 00:25:36,279

and you know as you see we have one

514

00:25:40,739 --> 00:25:38,889

death here in Nevada and I think what I

515

00:25:42,329 --> 00:25:40,749

found this morning at least in there I'm

516

00:25:44,939 --> 00:25:42,339

sure this is going to change but I don't

517

00:25:47,969 --> 00:25:44,949

think there's more than 60 people that

518

00:25:50,909 --> 00:25:47,979

are infected here and of course they're

519

00:25:53,789 --> 00:25:50,919

all seem to be more related to the

520

00:25:56,579 --> 00:25:53,799

tourist industry and you know out on the

521

00:25:58,019 --> 00:25:56,589

strip so you know I think our state's

522

00:25:59,969 --> 00:25:58,029

doing the right thing but it's

523

00:26:03,149 --> 00:25:59,979

devastating what it's doing to the

524

00:26:05,399 --> 00:26:03,159

economy to people you know like you and

525

00:26:08,519 --> 00:26:05,409

I don't know about you but I you know my

526

00:26:13,049 --> 00:26:08,529

wife and I always saved money we always

527

00:26:16,889 --> 00:26:13,059

invested and right now our investments

528

00:26:19,009 --> 00:26:16,899

are just tanking huge in a huge way but

529

00:26:22,579 --> 00:26:19,019

I'm not going to worry about it because

530

00:26:25,049 --> 00:26:22,589

you know we will make a comeback and

531

00:26:27,180 --> 00:26:25,059

hopefully it'll be a strong one and

532

00:26:31,619 --> 00:26:27,190

hopefully this will be something that

533

00:26:32,310 --> 00:26:31,629

gets people to start being united again

534

00:26:36,149 --> 00:26:32,320

and

535

00:26:38,610 --> 00:26:36,159

you know not being so political you know

536

00:26:42,570 --> 00:26:38,620

I I tried to start doing that a long

537

00:26:45,720 --> 00:26:42,580

time ago as you can tell by my my

538

00:26:47,879 --> 00:26:45,730

youtube channel and everything is we

539

00:26:50,879 --> 00:26:47,889

don't talk about any of that stuff and I

540

00:26:54,330 --> 00:26:50,889

don't bring up politics or religion at

541

00:26:57,269 --> 00:26:54,340

all you know I I want to go back to a

542

00:27:00,389 --> 00:26:57,279

day where we were all friends no matter

543

00:27:03,419 --> 00:27:00,399

who you were you know and maybe this

544

00:27:05,879 --> 00:27:03,429

will help most of us it won't help all

545

00:27:07,950 --> 00:27:05,889

of us because you know there's always

546

00:27:09,240 --> 00:27:07,960

going to be those people who are they

547

00:27:13,110 --> 00:27:09,250

don't just they just don't care about

548

00:27:14,730 --> 00:27:13,120

anybody else yeah I hope it's a time

549

00:27:17,669 --> 00:27:14,740

that brings people together and I think

550

00:27:19,710 --> 00:27:17,679

it has in a way it's it's one of those

551
00:27:22,769 --> 00:27:19,720
times that lets people's color shine and

552
00:27:24,899 --> 00:27:22,779
I agree with you it's it's no time to be

553
00:27:27,810 --> 00:27:24,909
political and it's kind of odd that you

554
00:27:29,789 --> 00:27:27,820
know a lot of these votes are still you

555
00:27:31,169 --> 00:27:29,799
know voting states are still going

556
00:27:34,220 --> 00:27:31,179
forward with that I thought they would

557
00:27:37,470 --> 00:27:34,230
back down from that but I understand but

558
00:27:43,590 --> 00:27:37,480
yeah I'm with you this is like a time to

559
00:27:45,659 --> 00:27:43,600
just battle what's at hand yeah I wish

560
00:27:51,960 --> 00:27:45,669
they would do it where some of the

561
00:27:55,730 --> 00:27:51,970
states do it by mail you know you can

562
00:27:59,279 --> 00:27:55,740
mail your vote in and it was I mean

563
00:28:02,549 --> 00:27:59,289

technology I come from a tech background

564

00:28:04,860 --> 00:28:02,559

I know that there's technology that

565

00:28:08,519 --> 00:28:04,870

could get every person in the United

566

00:28:10,200 --> 00:28:08,529

States that's eligible to vote and and

567

00:28:14,100 --> 00:28:10,210

do something where they could vote

568

00:28:17,490 --> 00:28:14,110

online and and have it working and and

569

00:28:20,190 --> 00:28:17,500

be something that is accurate but not

570

00:28:22,499 --> 00:28:20,200

there yet so and I'm not even going to

571

00:28:24,720 --> 00:28:22,509

worry about that right now but you know

572

00:28:26,940 --> 00:28:24,730

my major concern now is I hope that

573

00:28:29,820 --> 00:28:26,950

America is taking this seriously I see

574

00:28:32,190 --> 00:28:29,830

that there's a poll online or on

575

00:28:35,460 --> 00:28:32,200

television that somebody Americans don't

576

00:28:40,409 --> 00:28:35,470

think it's even real and which I don't

577

00:28:41,879 --> 00:28:40,419

get it's very real yeah you've been kind

578

00:28:43,500 --> 00:28:41,889

of in the belly of the beast and I know

579

00:28:45,060 --> 00:28:43,510

a lot of people I spoke with some

580

00:28:46,649 --> 00:28:45,070

neighbors of mine that said though we're

581

00:28:48,239 --> 00:28:46,659

not changing anything we're still eat

582

00:28:50,009 --> 00:28:48,249

at restaurants and well that's going to

583

00:28:52,529 --> 00:28:50,019

change I mean because of our governor

584

00:28:54,690 --> 00:28:52,539

but you know we've actually kind of been

585

00:28:58,259 --> 00:28:54,700

ordered to non-essential businesses

586

00:29:01,859 --> 00:28:58,269

should close and a lot like other states

587

00:29:05,669 --> 00:29:01,869

and I think the reality is something is

588

00:29:08,399 --> 00:29:05,679

definitely going on oh yeah yeah I mean

589

00:29:12,139 --> 00:29:08,409

the corona virus even before that I was

590

00:29:16,799 --> 00:29:12,149

aware you know it's been a month and

591

00:29:18,119 --> 00:29:16,809

Malaysia back in 1997 and I it was

592

00:29:19,799 --> 00:29:18,129

really interesting I mean the people

593

00:29:21,599 --> 00:29:19,809

there remain amazing they're it's

594

00:29:24,479 --> 00:29:21,609

multicultural just like here in the

595

00:29:26,669 --> 00:29:24,489

United States they have basically four

596

00:29:30,680 --> 00:29:26,679

different main cultures here which other

597

00:29:35,249 --> 00:29:30,690

Malaysians there's Chinese there's

598

00:29:40,339 --> 00:29:35,259

Hindi's and there's Muslims so they have

599

00:29:43,409 --> 00:29:40,349

this saying that they could have a major

600

00:29:46,019 --> 00:29:43,419

beautiful different meal for every day

601
00:29:48,269 --> 00:29:46,029
of the year which is true because they

602
00:29:52,259 --> 00:29:48,279
use everything but they know that in

603
00:29:55,049 --> 00:29:52,269
China there's these unsanitary places

604
00:29:59,729 --> 00:29:55,059
where they keep a lot of these these

605
00:30:02,940 --> 00:29:59,739
animals and horrific conditions where

606
00:30:06,269 --> 00:30:02,950
these viruses can develop and you know

607
00:30:09,060 --> 00:30:06,279
it just takes one person that gets this

608
00:30:11,759 --> 00:30:09,070
virus from an animal to go out into the

609
00:30:13,710 --> 00:30:11,769
public and pass it on to somebody else

610
00:30:16,200 --> 00:30:13,720
and it's just like that old thing when

611
00:30:19,229 --> 00:30:16,210
you take you know the number one and

612
00:30:22,049 --> 00:30:19,239
double it and then double 2 and 4 and 8

613
00:30:25,289 --> 00:30:22,059

and 16 it doesn't take long before it's

614

00:30:27,570 --> 00:30:25,299

in the millions and I think that's

615

00:30:30,239 --> 00:30:27,580

what's happened and you know we just

616

00:30:34,769 --> 00:30:30,249

really weren't that well prepared for it

617

00:30:38,399 --> 00:30:34,779

and I hope that we are catching it in

618

00:30:42,690 --> 00:30:38,409

time but I'm afraid that maybe we didn't

619

00:30:45,389 --> 00:30:42,700

do enough early on I'm with you I think

620

00:30:48,119 --> 00:30:45,399

more could have been done and I think

621

00:30:50,249 --> 00:30:48,129

one good thing from all of this Steve is

622

00:30:53,039 --> 00:30:50,259

what you said there's hopefully going to

623

00:30:56,369 --> 00:30:53,049

be some changes as far as that even in

624

00:31:00,300 --> 00:30:56,379

China as far as this open-air animal

625

00:31:02,670 --> 00:31:00,310

trade and the basically no-holds-barred

626
00:31:04,650 --> 00:31:02,680
before hopefully there's some changes

627
00:31:07,710 --> 00:31:04,660
with the animal cruelty in the

628
00:31:10,350 --> 00:31:07,720
conditions but it just goes to show

629
00:31:12,510 --> 00:31:10,360
where we're so close all the time we

630
00:31:15,450 --> 00:31:12,520
think we're so tough with our military

631
00:31:18,840 --> 00:31:15,460
and all our defenses and were so close

632
00:31:22,680 --> 00:31:18,850
to total annihilation at any time guys

633
00:31:24,720 --> 00:31:22,690
try to be creative and see what kind of

634
00:31:27,720 --> 00:31:24,730
things that we can find to do here in

635
00:31:30,060 --> 00:31:27,730
the home you know my wife is uh she's a

636
00:31:33,990 --> 00:31:30,070
quilter and I said I I hope you have a

637
00:31:36,990 --> 00:31:34,000
lot of fabric maybe you can you know

638
00:31:38,400 --> 00:31:37,000

quilt or read or or do something and I'm

639

00:31:41,760 --> 00:31:38,410

going to start going backwards through

640

00:31:44,610 --> 00:31:41,770

videos and see if I can find things that

641

00:31:46,650 --> 00:31:44,620

I haven't posted that people might be

642

00:31:48,750 --> 00:31:46,660

interested in that could get their mind

643

00:31:52,290 --> 00:31:48,760

off of this and give them just a little

644

00:31:56,490 --> 00:31:52,300

bit of relief I did that with my photos

645

00:31:58,920 --> 00:31:56,500

and made a little slideshows that I put

646

00:32:03,090 --> 00:31:58,930

up today and immediately some guy

647

00:32:05,280 --> 00:32:03,100

accusing me of not caring and I you know

648

00:32:07,110 --> 00:32:05,290

I think I didn't understand I was in

649

00:32:09,390 --> 00:32:07,120

like you say in the belly of the beast

650

00:32:12,150 --> 00:32:09,400

I'm doing this to try to give some

651

00:32:14,310 --> 00:32:12,160

people relief I'm not doing this trying

652

00:32:17,670 --> 00:32:14,320

to say oh look at me I was in Spain you

653

00:32:19,530 --> 00:32:17,680

know that's that's not who I am I'm I'm

654

00:32:22,110 --> 00:32:19,540

just trying to make people smile a

655

00:32:26,430 --> 00:32:22,120

little bit if I can just even if it's

656

00:32:28,260 --> 00:32:26,440

only for a minute amen and we're glad

657

00:32:31,200 --> 00:32:28,270

you're back we're glad you're safe and

658

00:32:32,790 --> 00:32:31,210

back back where you belong and you're

659

00:32:35,250 --> 00:32:32,800

doing the stuff that can kind of

660

00:32:37,050 --> 00:32:35,260

distract people from this for a minute I

661

00:32:39,000 --> 00:32:37,060

hope to talk to you soon and I thank you

662

00:32:41,910 --> 00:32:39,010

for coming on the podcast so recent

663

00:32:43,770 --> 00:32:41,920

after your kind of tragic situation but

664

00:32:50,700 --> 00:32:43,780

it's good to have you back Steve can't

665

00:32:52,590 --> 00:32:50,710

wait to talk again yeah I hope that all

666

00:32:56,340 --> 00:32:52,600

the people that followed me start

667

00:32:59,760 --> 00:32:56,350

listening to you because our last unless

668

00:33:01,650 --> 00:32:59,770

get-together was fantastic and you know

669

00:33:05,010 --> 00:33:01,660

the people that I did get to listen to

670

00:33:06,810 --> 00:33:05,020

that podcast we're very impressed with

671

00:33:09,840 --> 00:33:06,820

you and I told they're going to fall in

672

00:33:11,730 --> 00:33:09,850

love with you so thank you so much my

673

00:33:14,880 --> 00:33:11,740

friend stay safe I know we're probably

674

00:33:16,920 --> 00:33:14,890

only a couple of miles apart right

675

00:33:17,520 --> 00:33:16,930

we'll get together when things are

676
00:33:20,550 --> 00:33:17,530
better

677
00:33:22,950 --> 00:33:20,560
sounds great Steve all the best and talk

678
00:33:24,930 --> 00:33:22,960
to you soon buh-bye well there you have

679
00:33:27,710 --> 00:33:24,940
it ladies and gentlemen Steve Brown

680
00:33:30,990 --> 00:33:27,720
fresh out of the belly of the beast

681
00:33:35,040 --> 00:33:31,000
traveling from Europe and barely making

682
00:33:36,960 --> 00:33:35,050
it back home in the nick of time I think

683
00:33:39,870 --> 00:33:36,970
we all need to be very safe right now we

684
00:33:43,170 --> 00:33:39,880
all need to be cognizant aware of what's

685
00:33:45,750 --> 00:33:43,180
going on around us and I know that a lot

686
00:33:49,260 --> 00:33:45,760
of my neighbors friends family members

687
00:33:51,360 --> 00:33:49,270
etc have been asked to work at home so

688
00:33:53,940 --> 00:33:51,370

if you can please do that do a little

689

00:33:55,980 --> 00:33:53,950

self isolation like Steve is doing you

690

00:33:59,070 --> 00:33:55,990

might be the reason someone else doesn't

691

00:34:01,590 --> 00:33:59,080

catch this until next time keep your

692

00:34:11,580 --> 00:34:01,600

eyes to the skies feet on the ground but

693

00:34:50,190 --> 00:34:26,879

[Music]

694

00:34:50,200 --> 00:35:01,290

for the time machine

695

00:35:01,300 --> 00:35:15,630

[Music]

696

00:35:33,960 --> 00:35:25,370

blast off blast off in myself I see
